

# biotin metabolic process

# biotin metabolic process

### Enrichment in spots: biotin metabolic process

# Expression of biotin metabolic process in Spot A

# Expression of biotin metabolic process in Spot B

# Expression of biotin metabolic process in Spot C

# Expression of biotin metabolic process in Spot D

# Expression of biotin metabolic process in Spot E

# Expression of biotin metabolic process in Spot F

# Expression of biotin metabolic process in Spot G

# Expression of biotin metabolic process in Spot H

# Expression of biotin metabolic process in Spot I

# Expression of biotin metabolic process in Spot J

# Expression of biotin metabolic process in Spot K

# Expression of biotin metabolic process in Spot L

# Expression of biotin metabolic process in Spot M

# Expression of biotin metabolic process in Spot N

# Expression of biotin metabolic process in Spot O

# Expression of biotin metabolic process in Spot P

# Expression of biotin metabolic process in Spot Q

# Expression of biotin metabolic process in Spot R
