

blastocyst development

blastocyst development

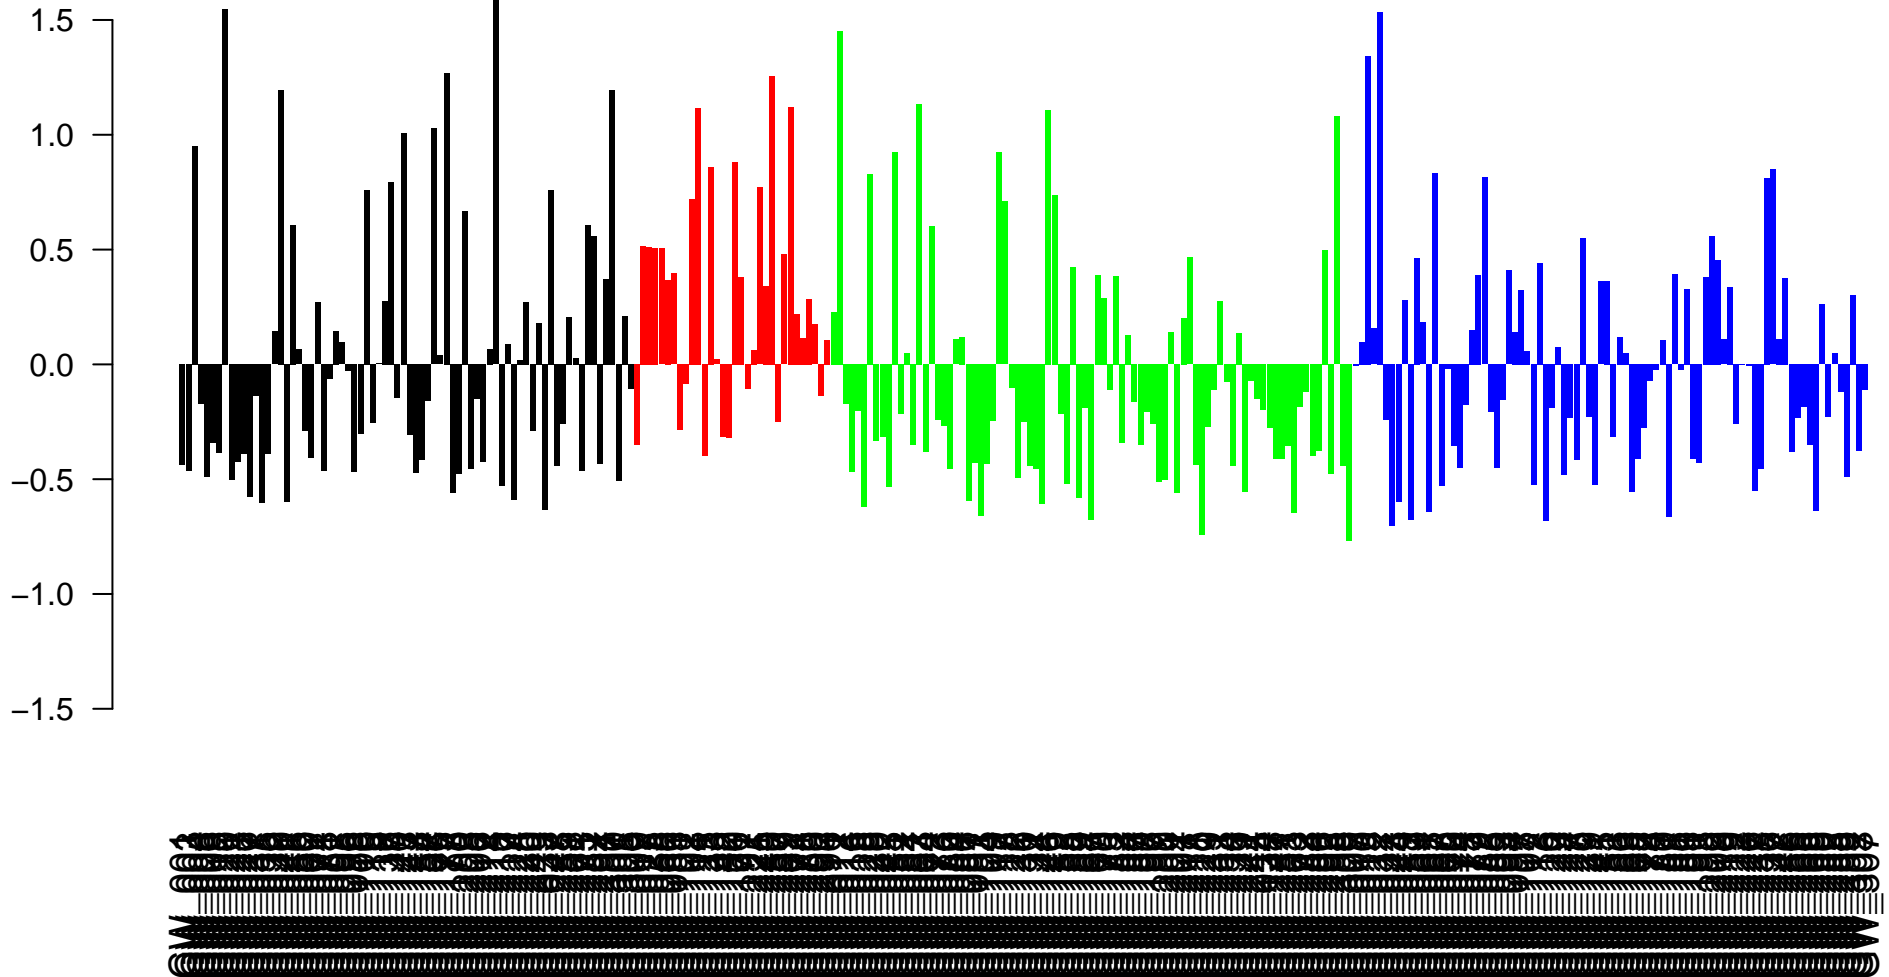

Enrichment in spots: blastocyst development

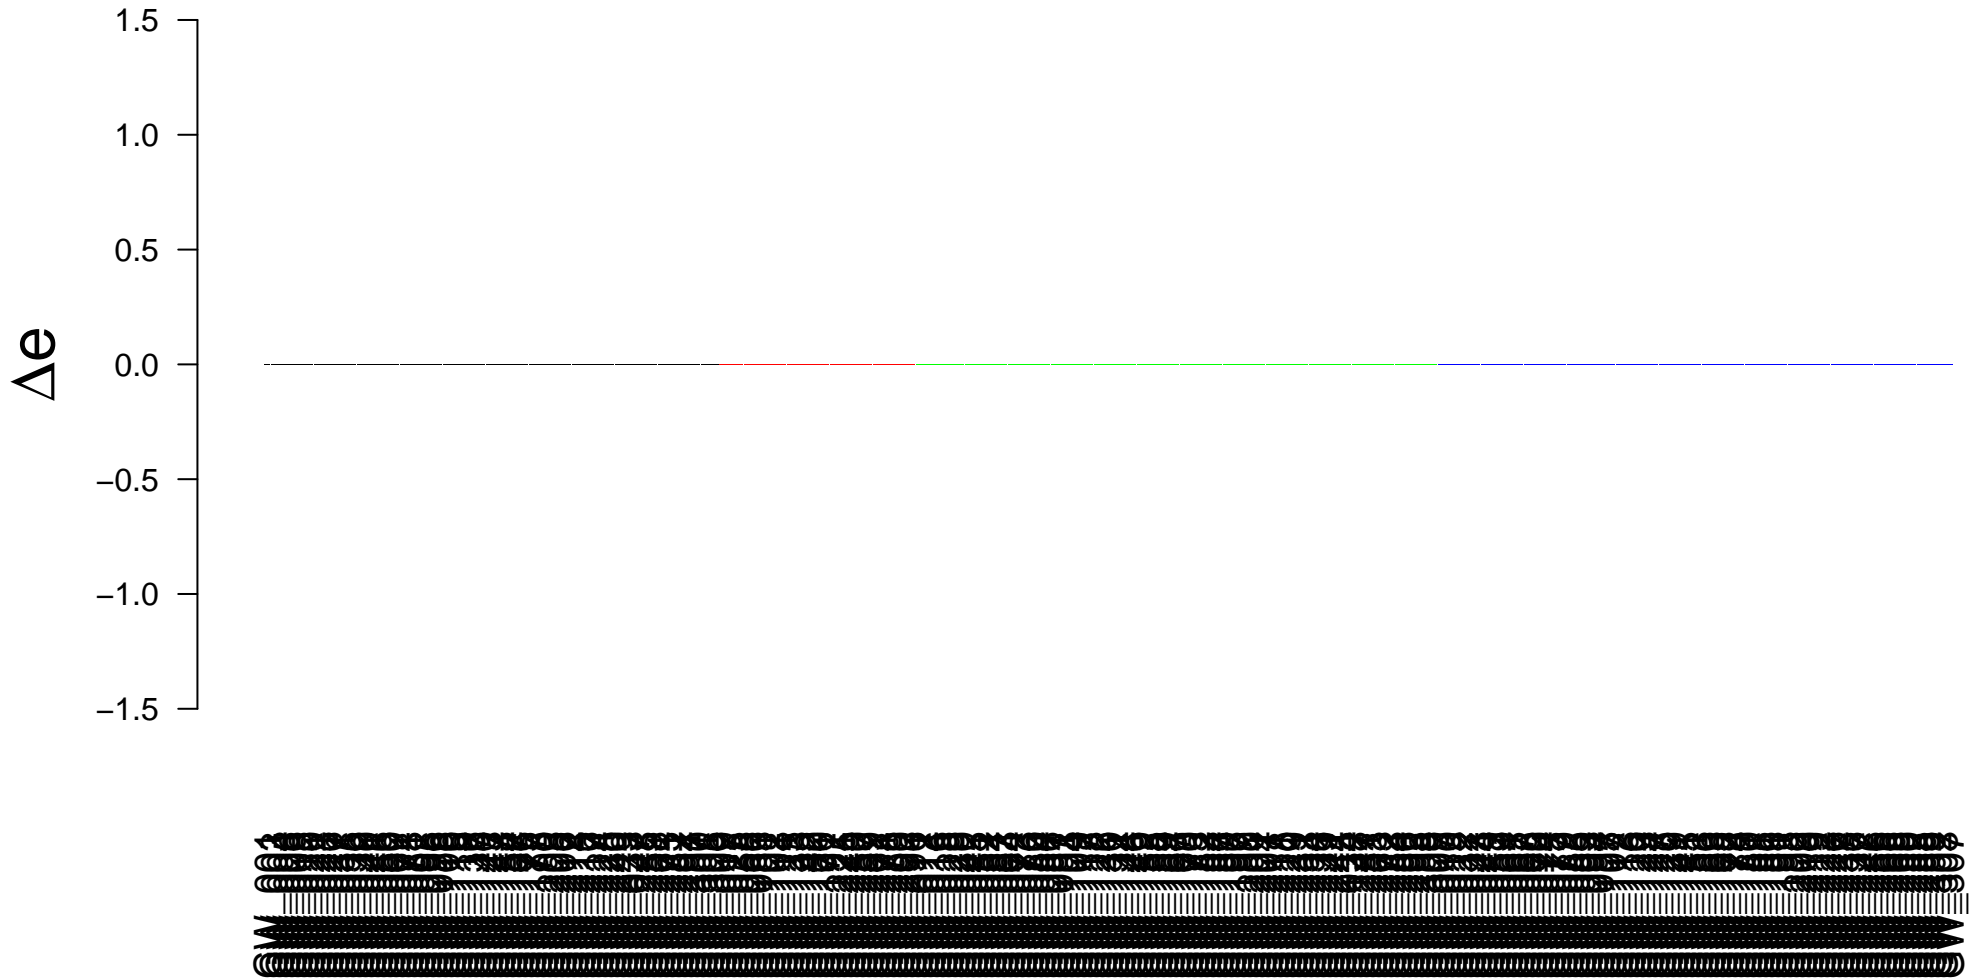

Expression of blastocyst development in Spot A

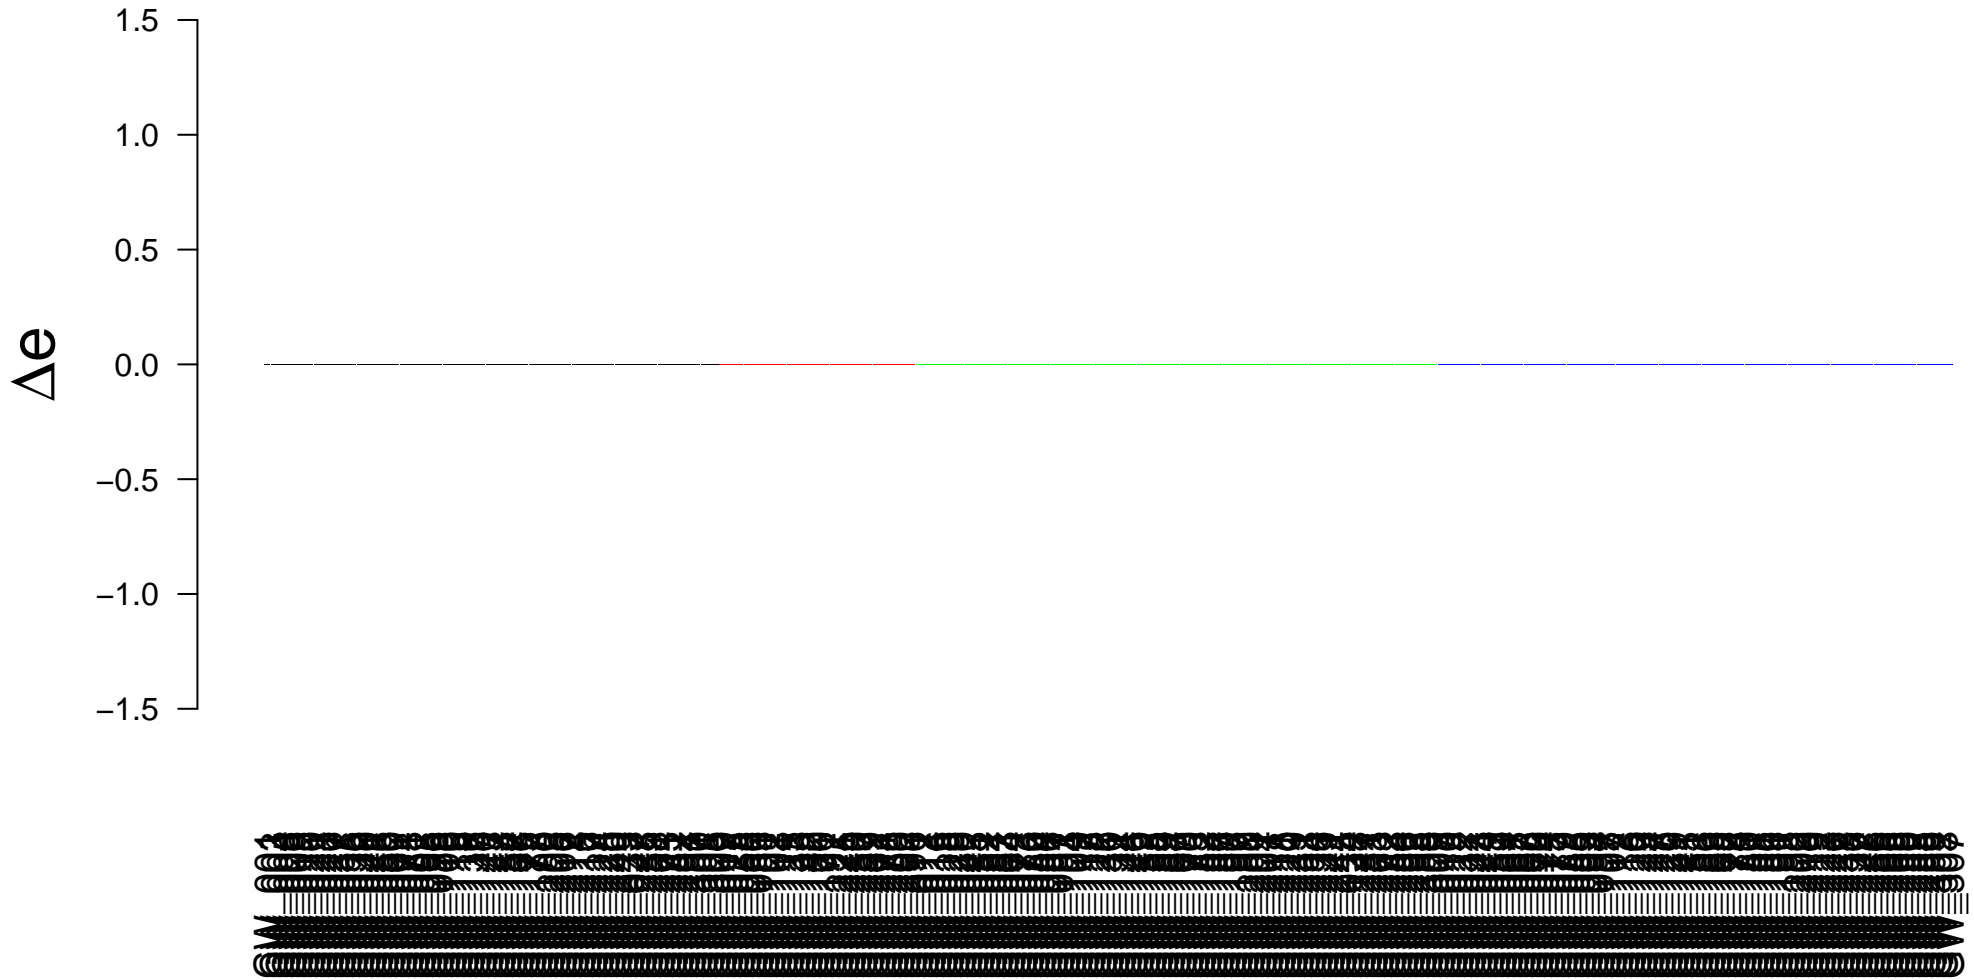

Δe

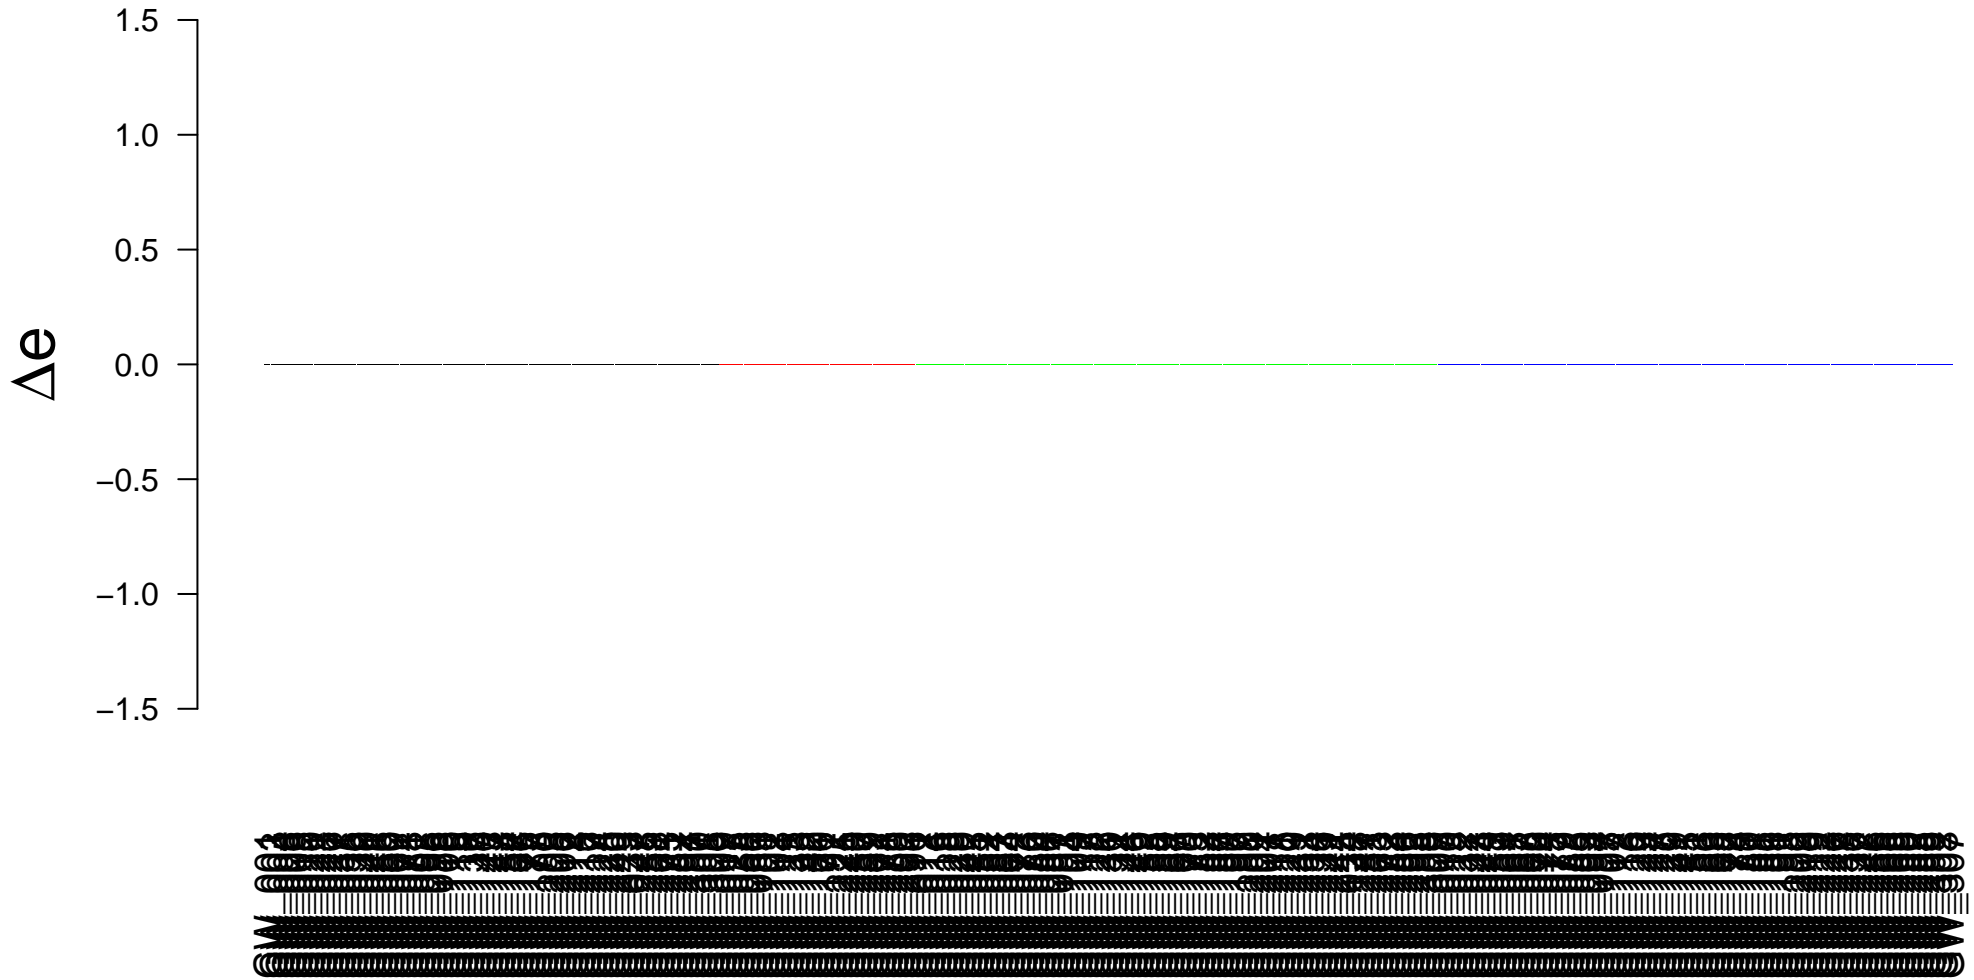

Expression of blastocyst development in Spot B

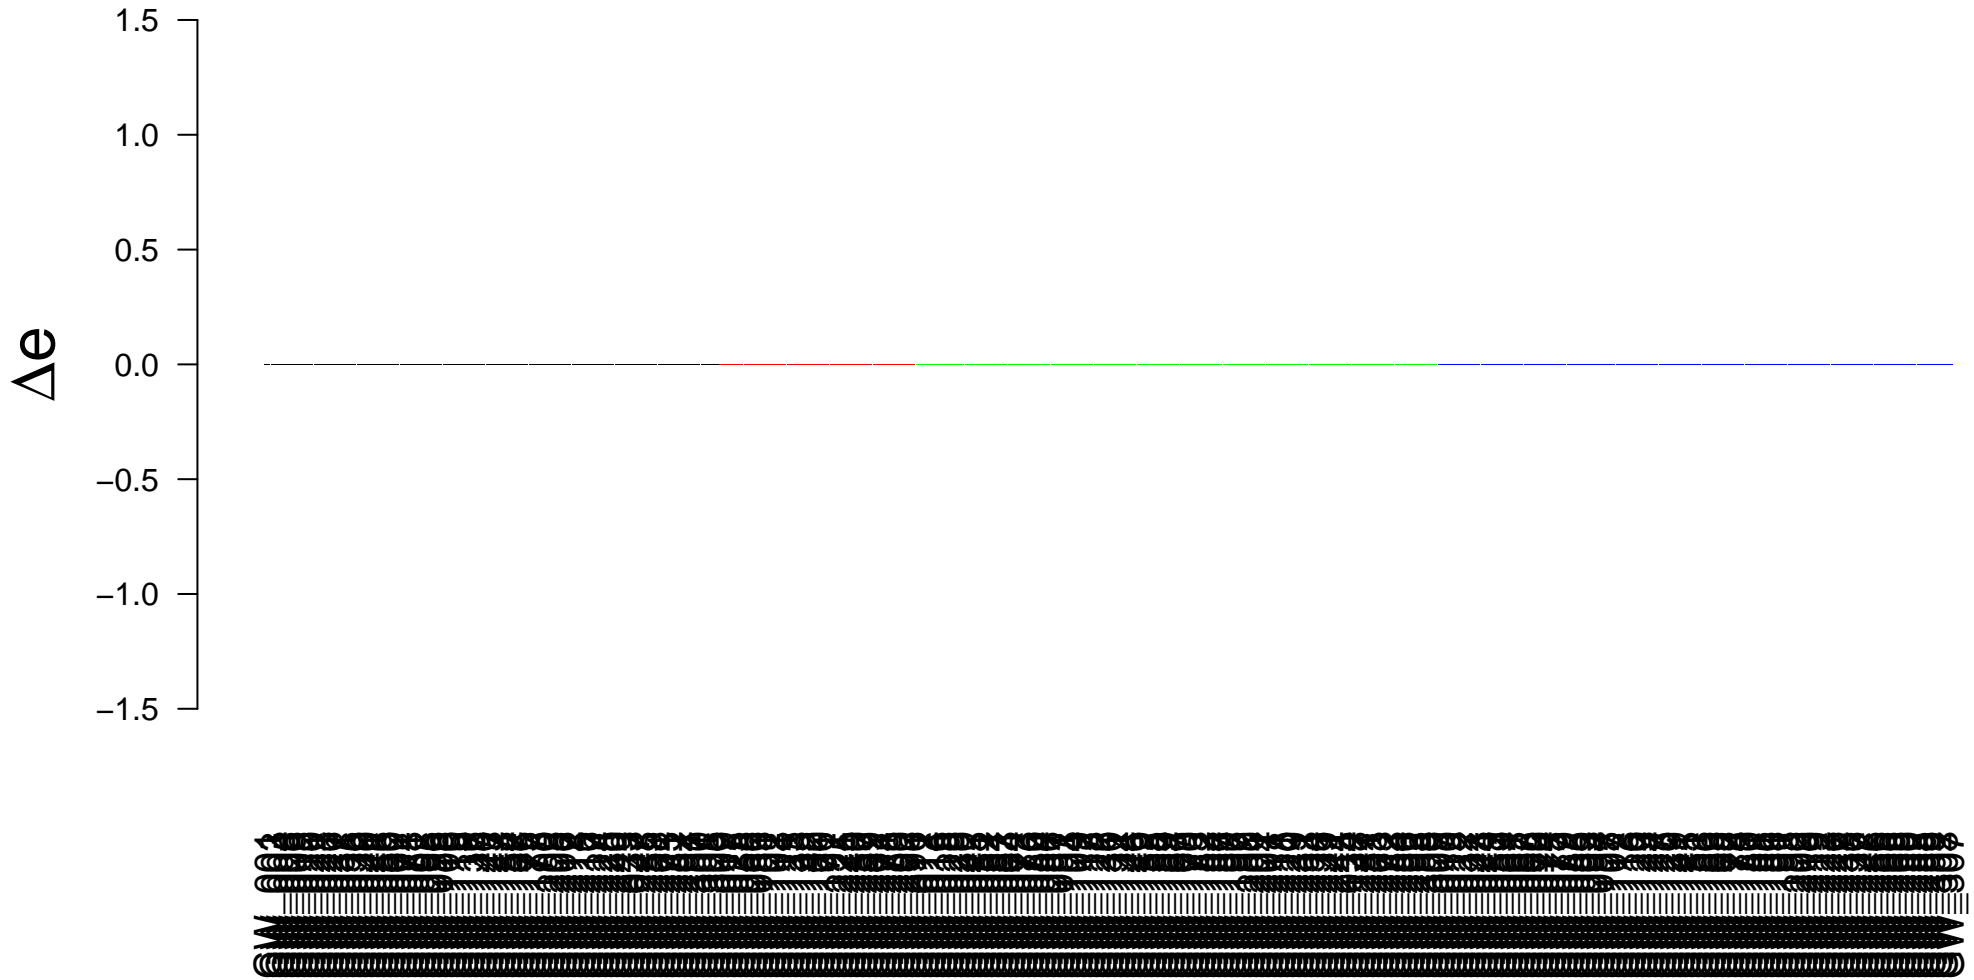

Expression of blastocyst development in Spot C

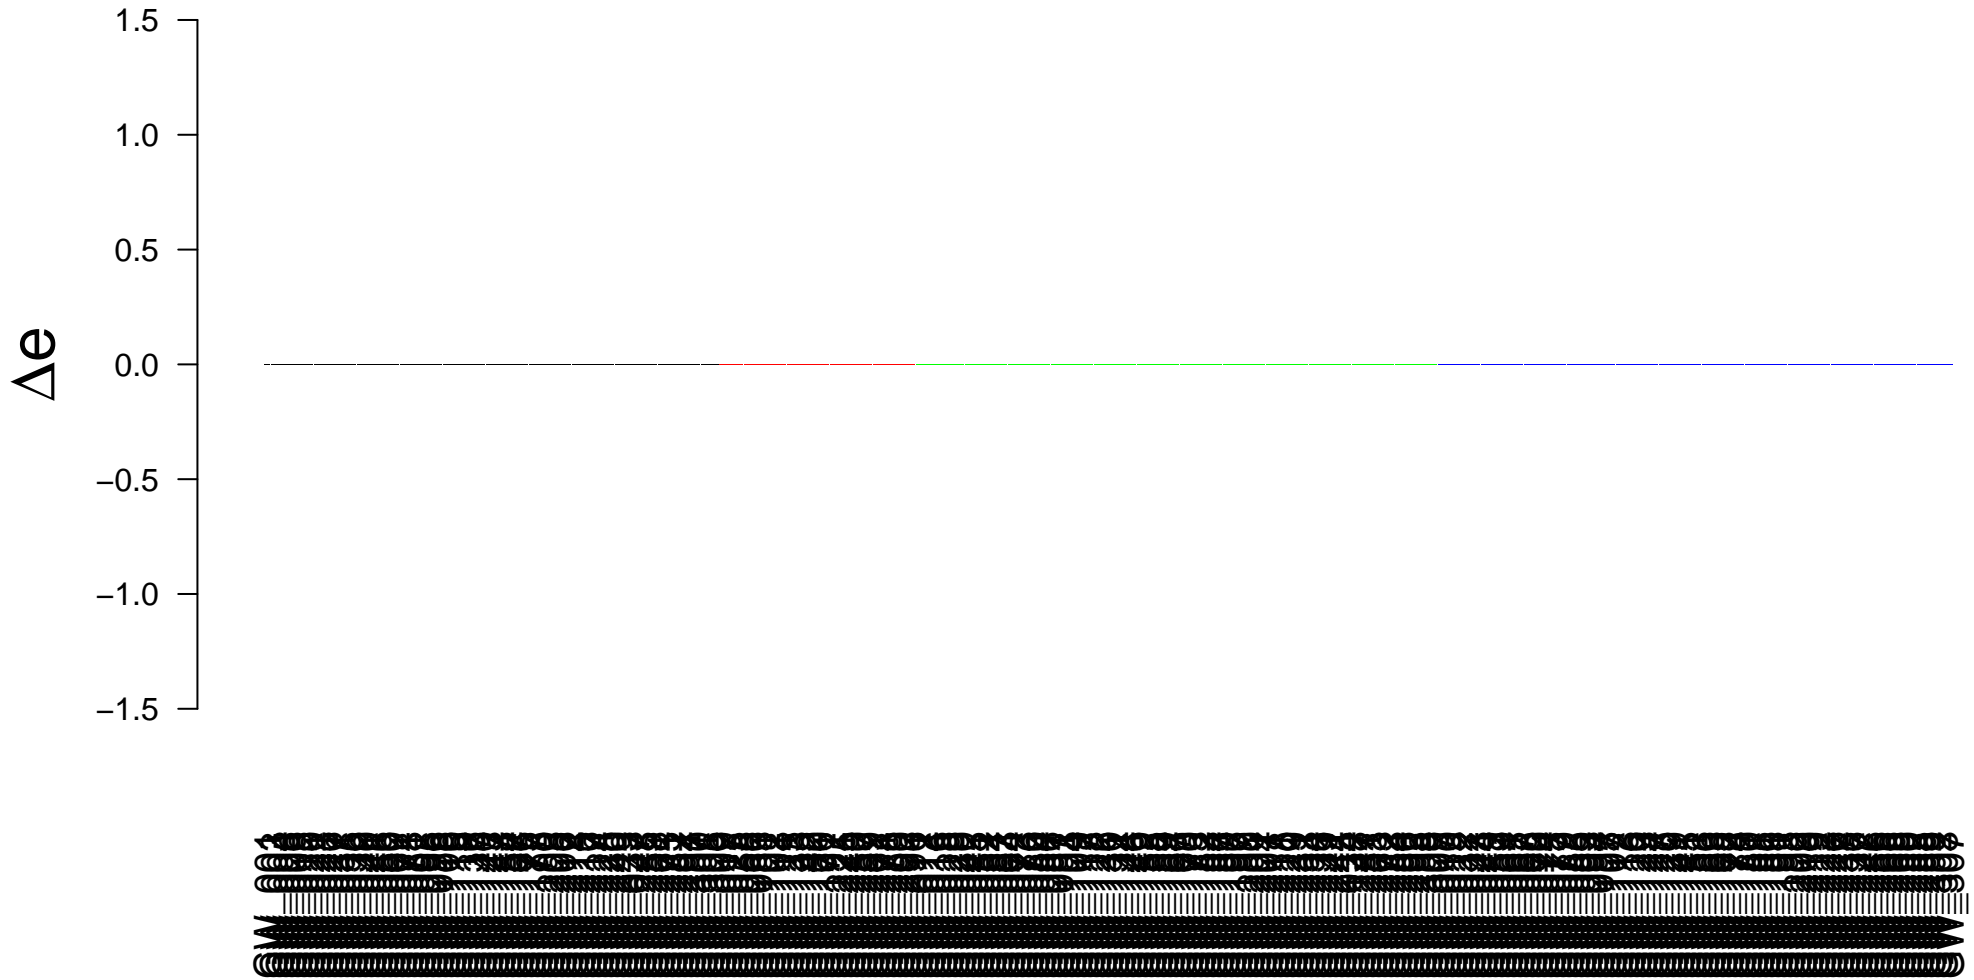

Expression of blastocyst development in Spot D

Expression of blastocyst development in Spot E

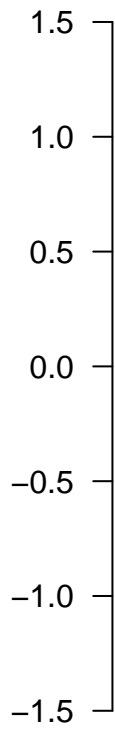

Expression of blastocyst development in Spot F

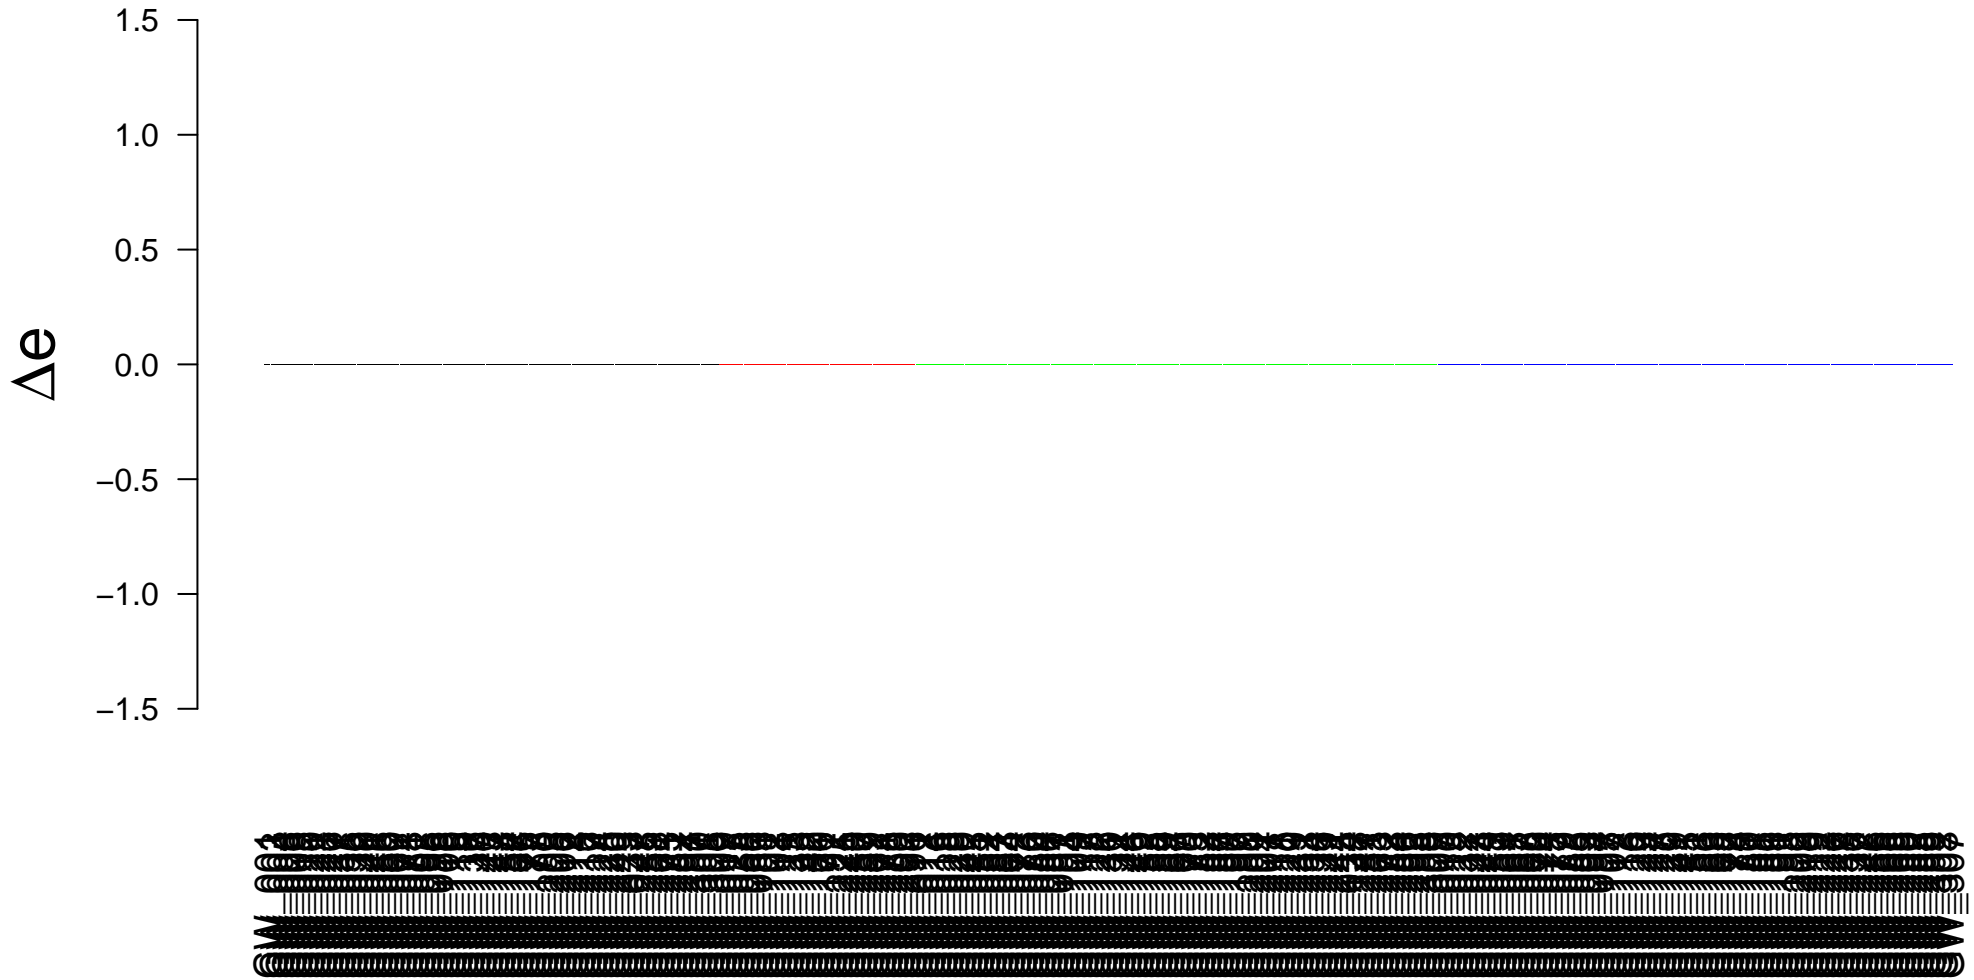

Expression of blastocyst development in Spot G

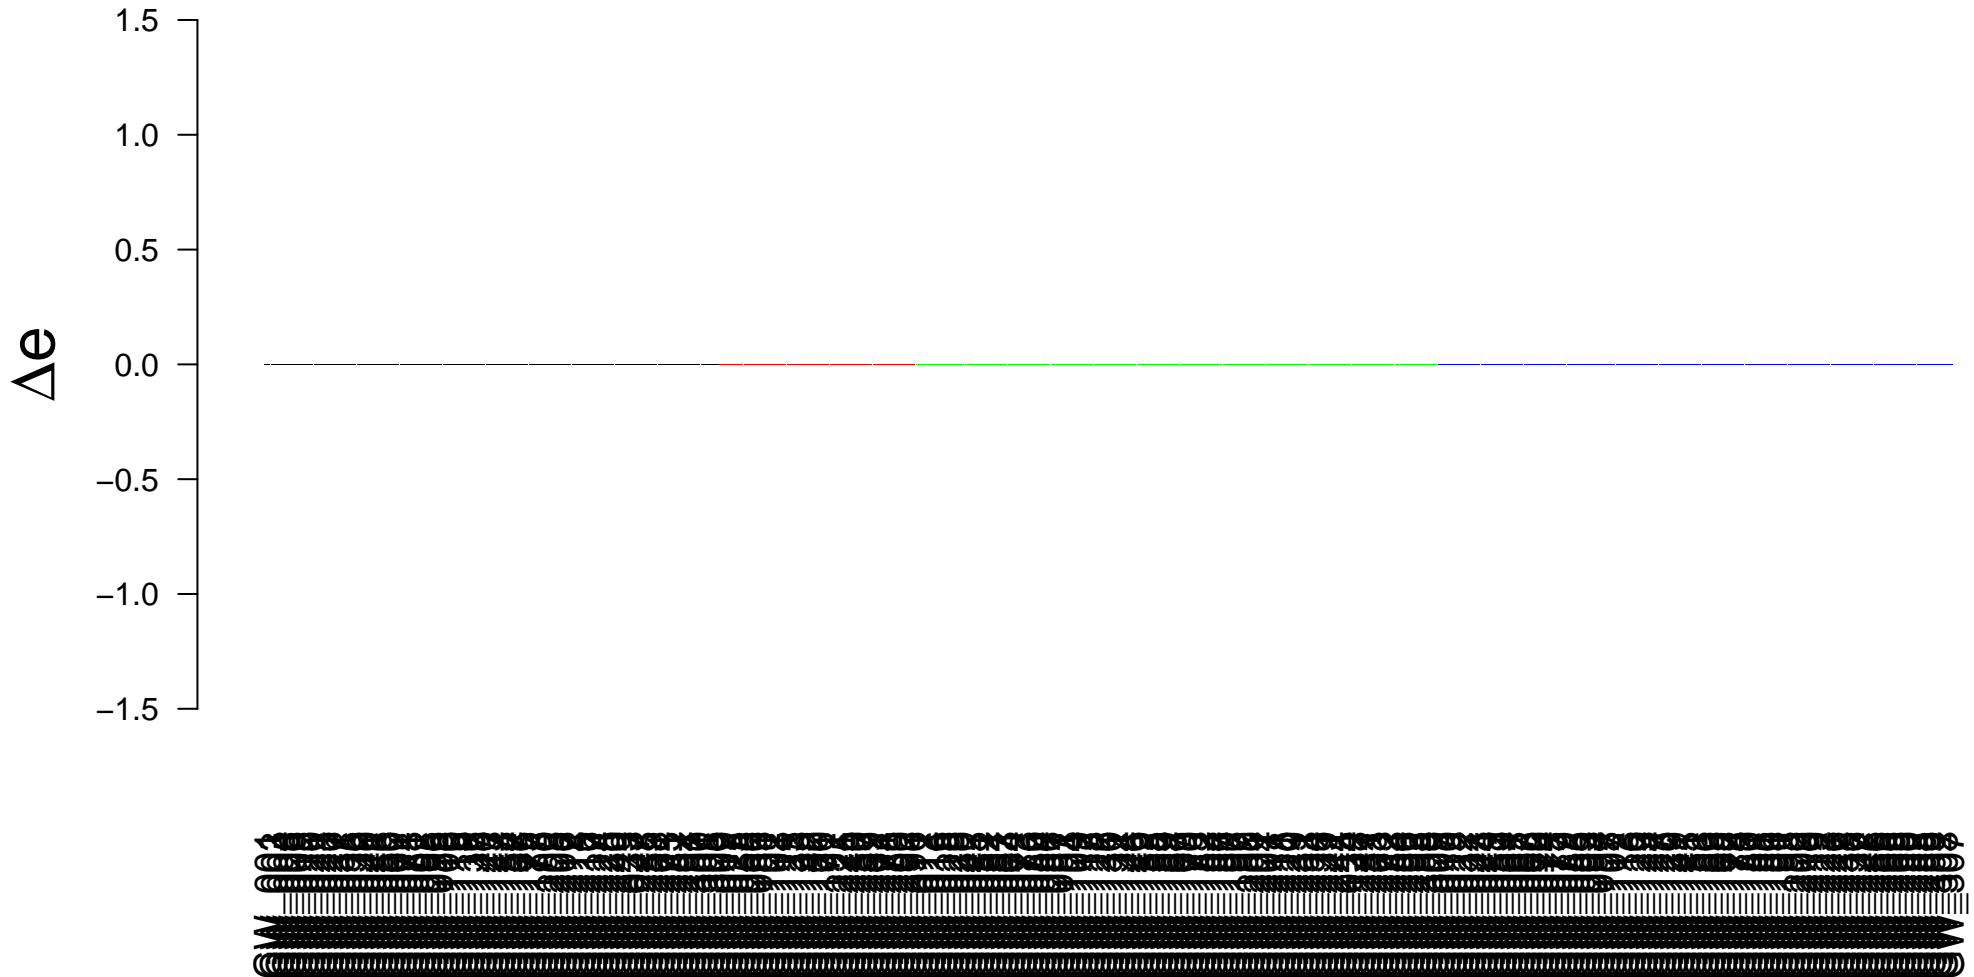

Δe

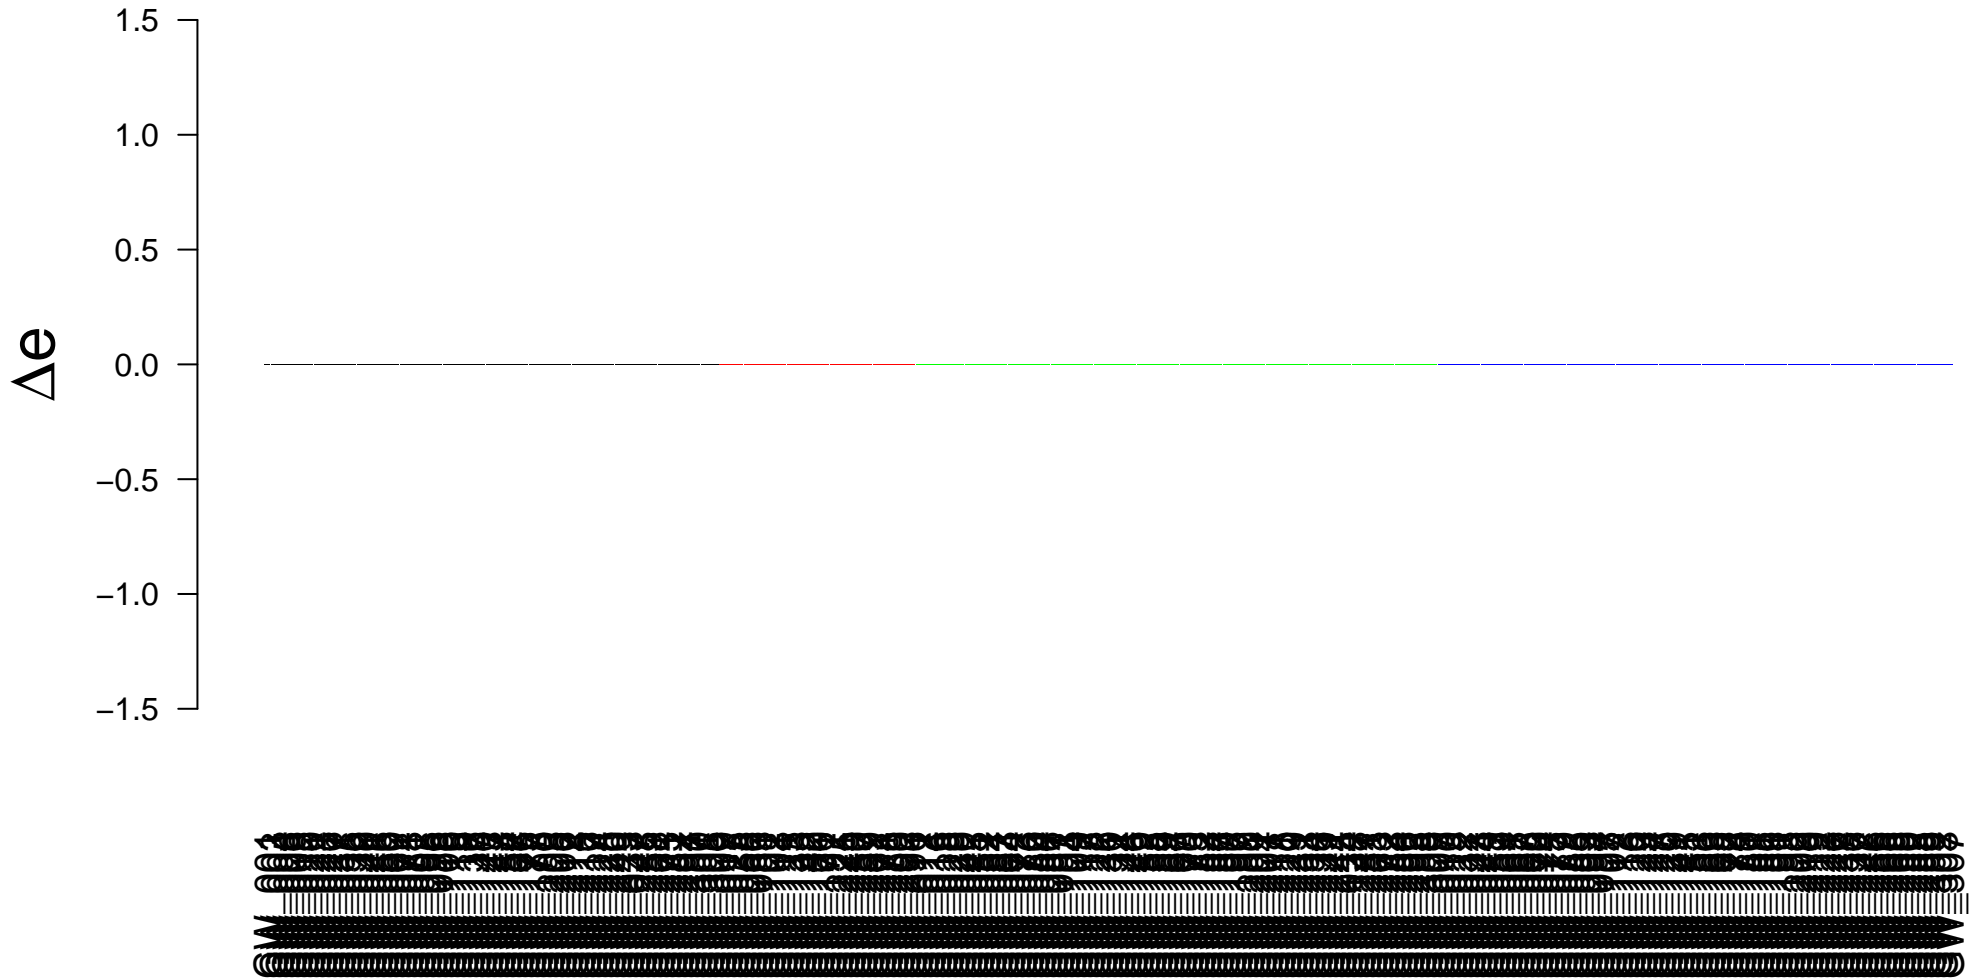

Expression of blastocyst development in Spot H

Expression of blastocyst development in Spot I

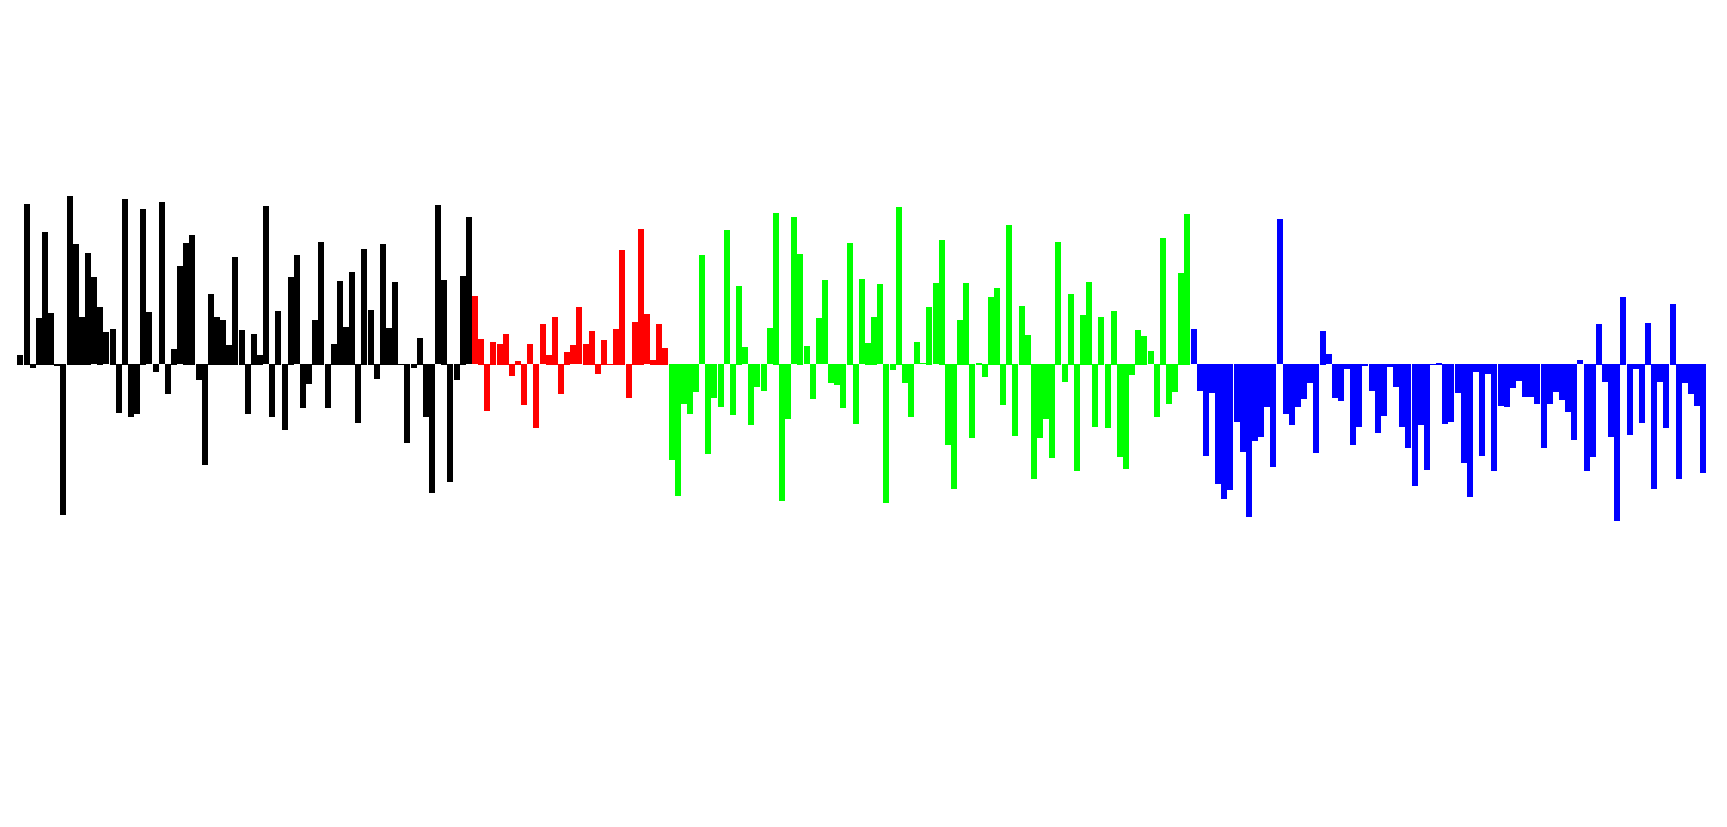

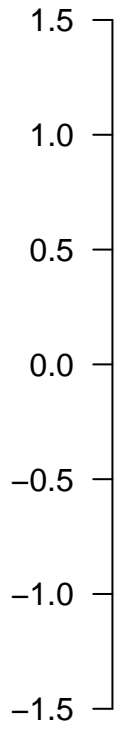

Expression of blastocyst development in Spot J

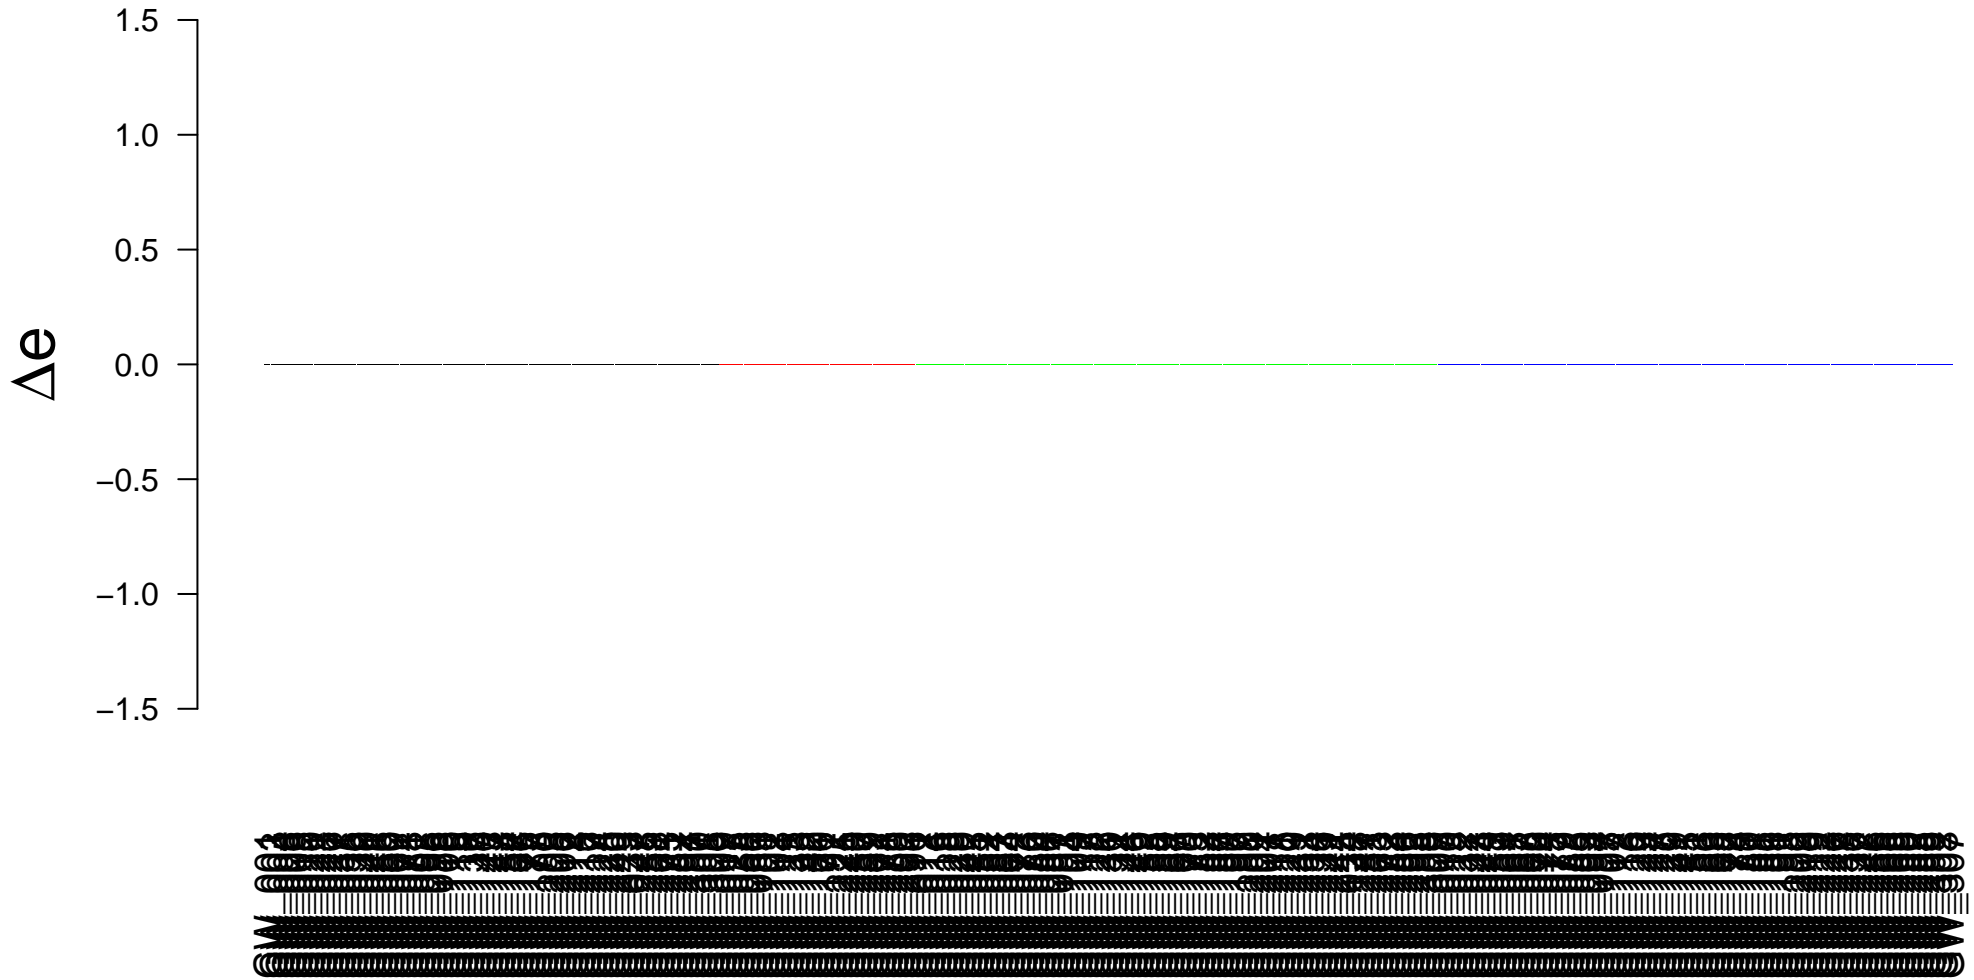

Expression of blastocyst development in Spot K

Δe

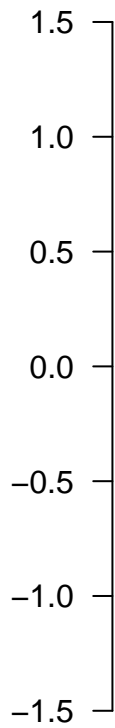

Expression of blastocyst development in Spot L

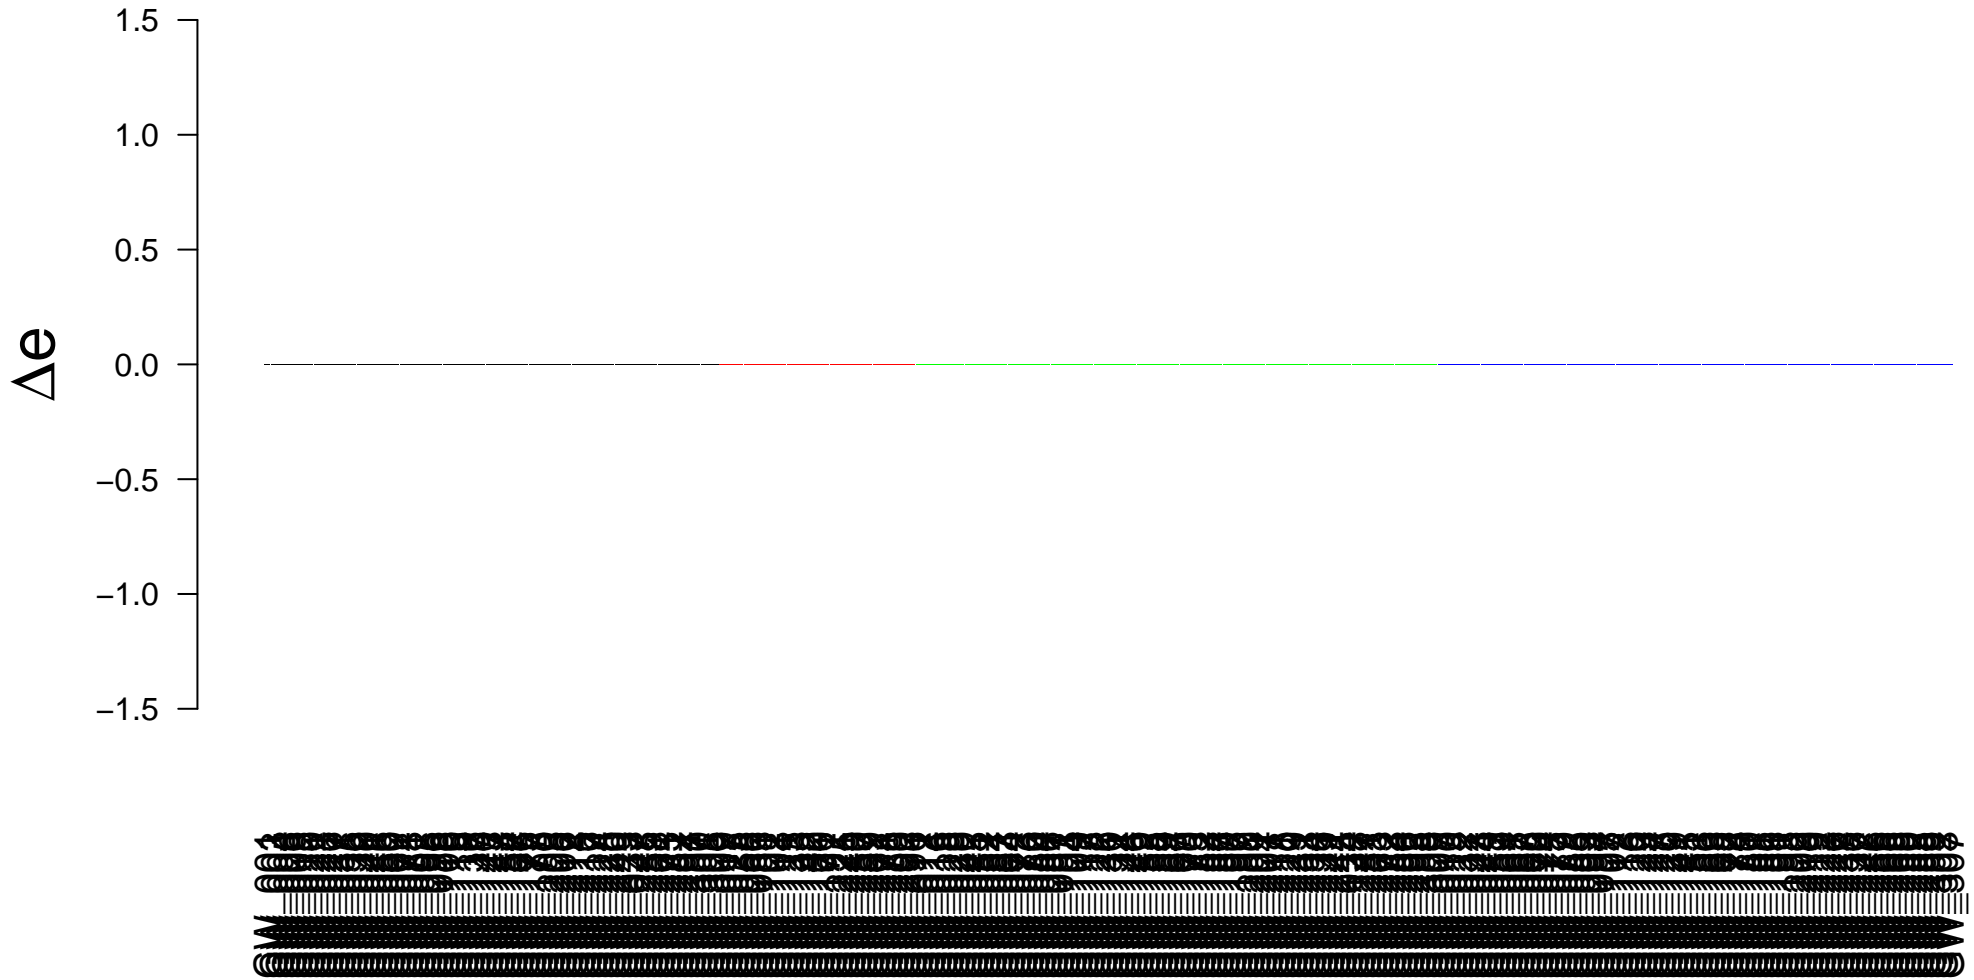

Expression of blastocyst development in Spot M

Δe

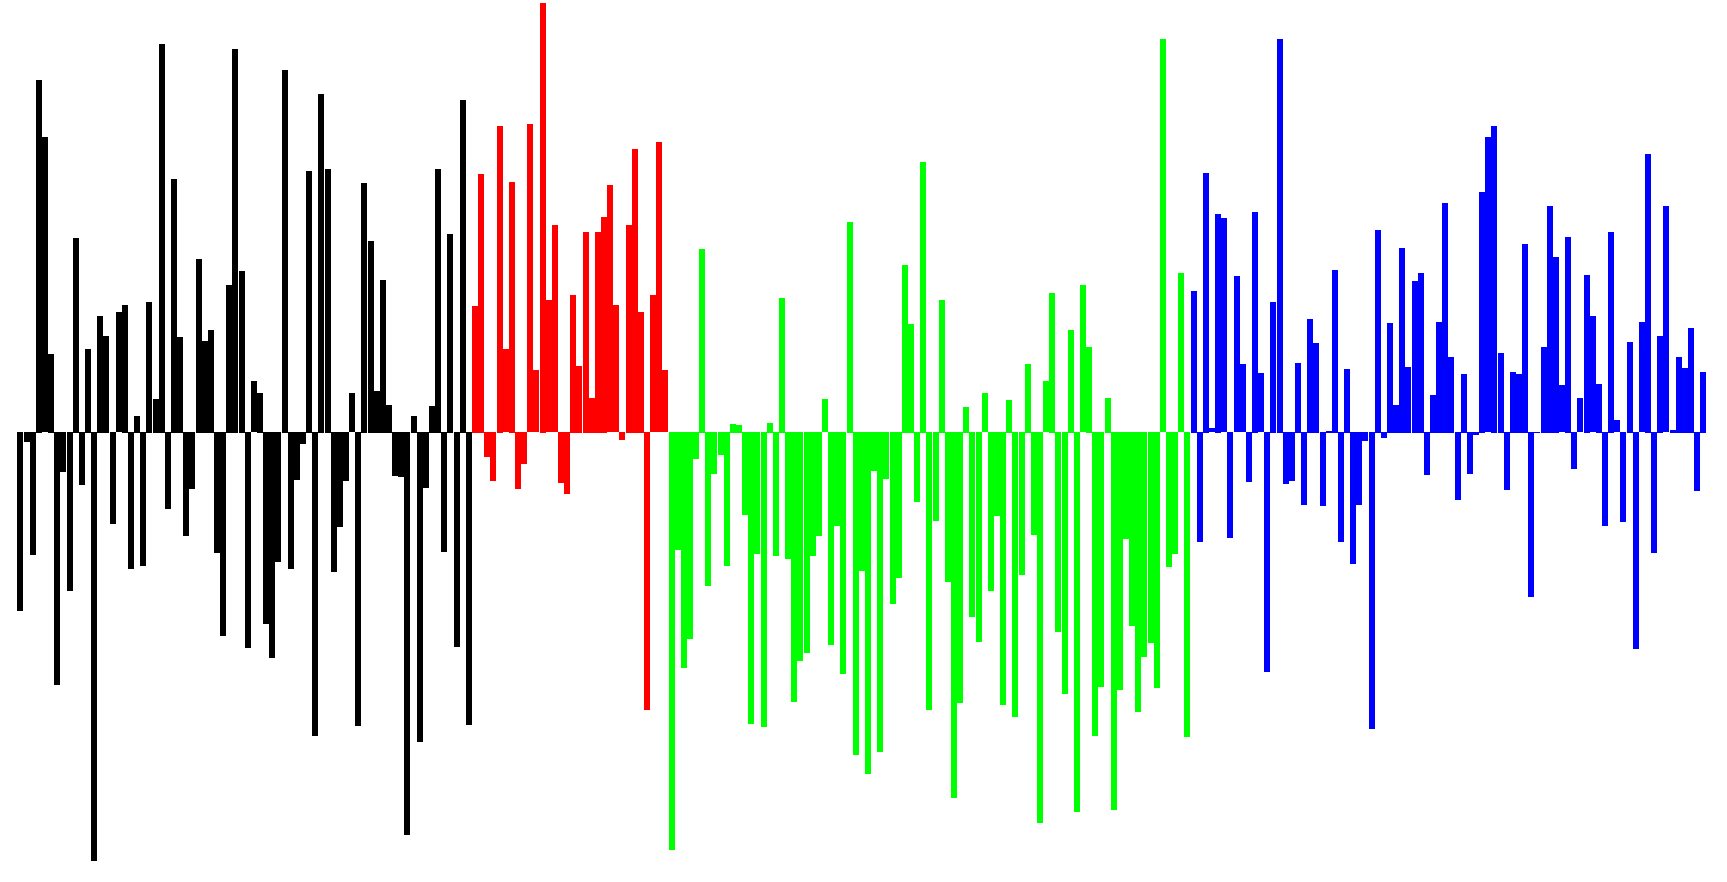

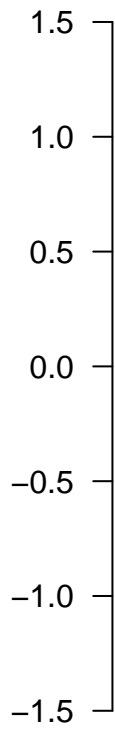

Expression of blastocyst development in Spot N

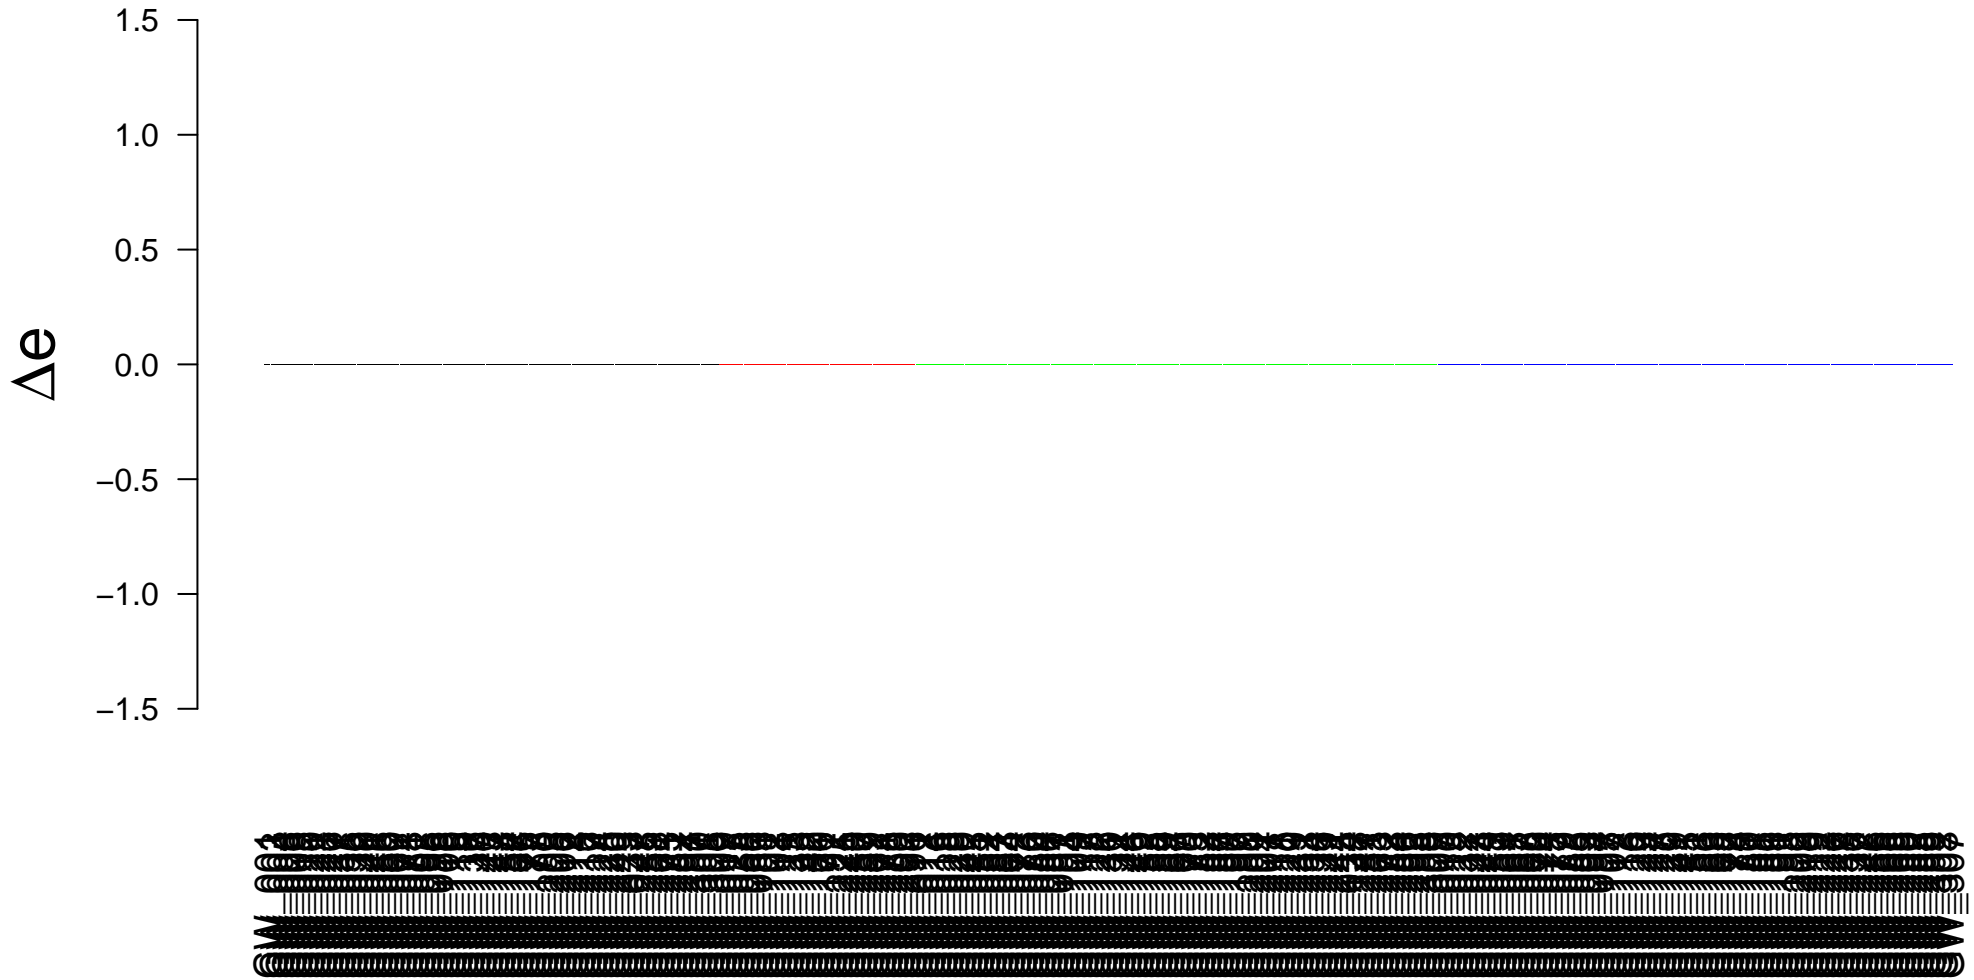

Expression of blastocyst development in Spot O

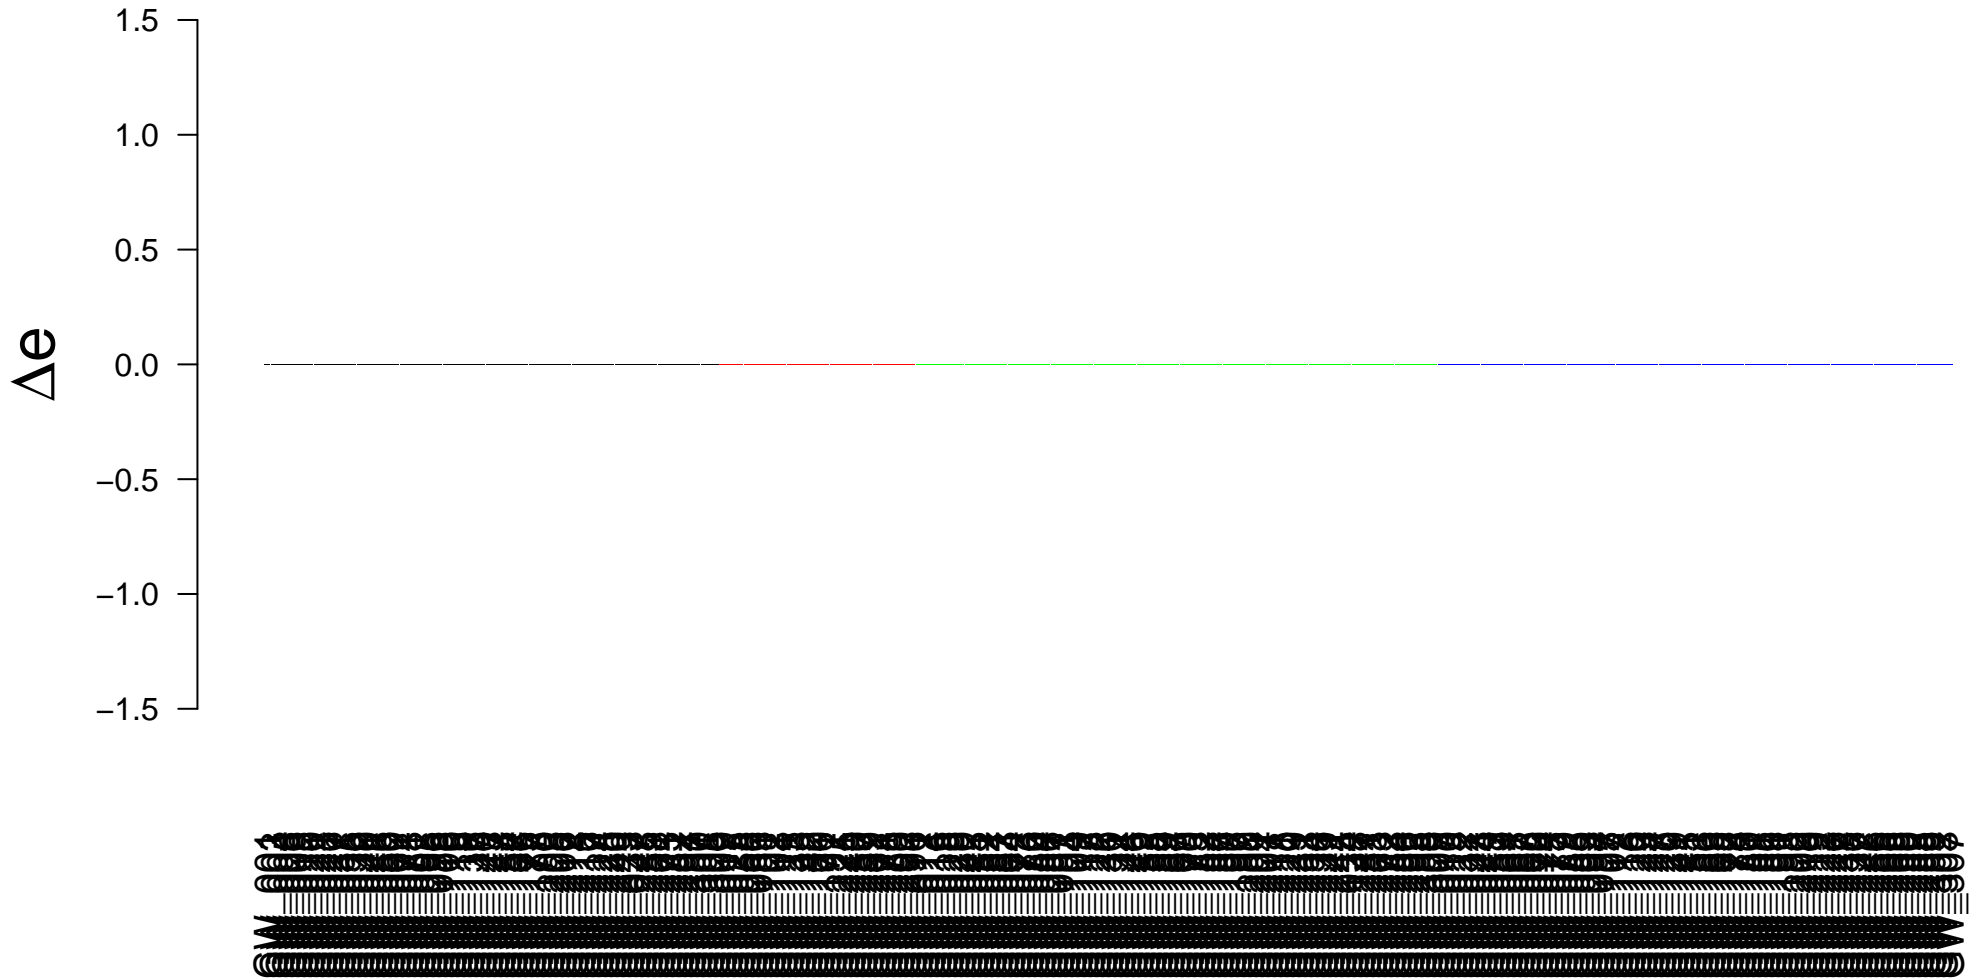

Δe

Expression of blastocyst development in Spot P

Expression of blastocyst development in Spot Q

Expression of blastocyst development in Spot R
