

branched-chain amino acid catabolic process

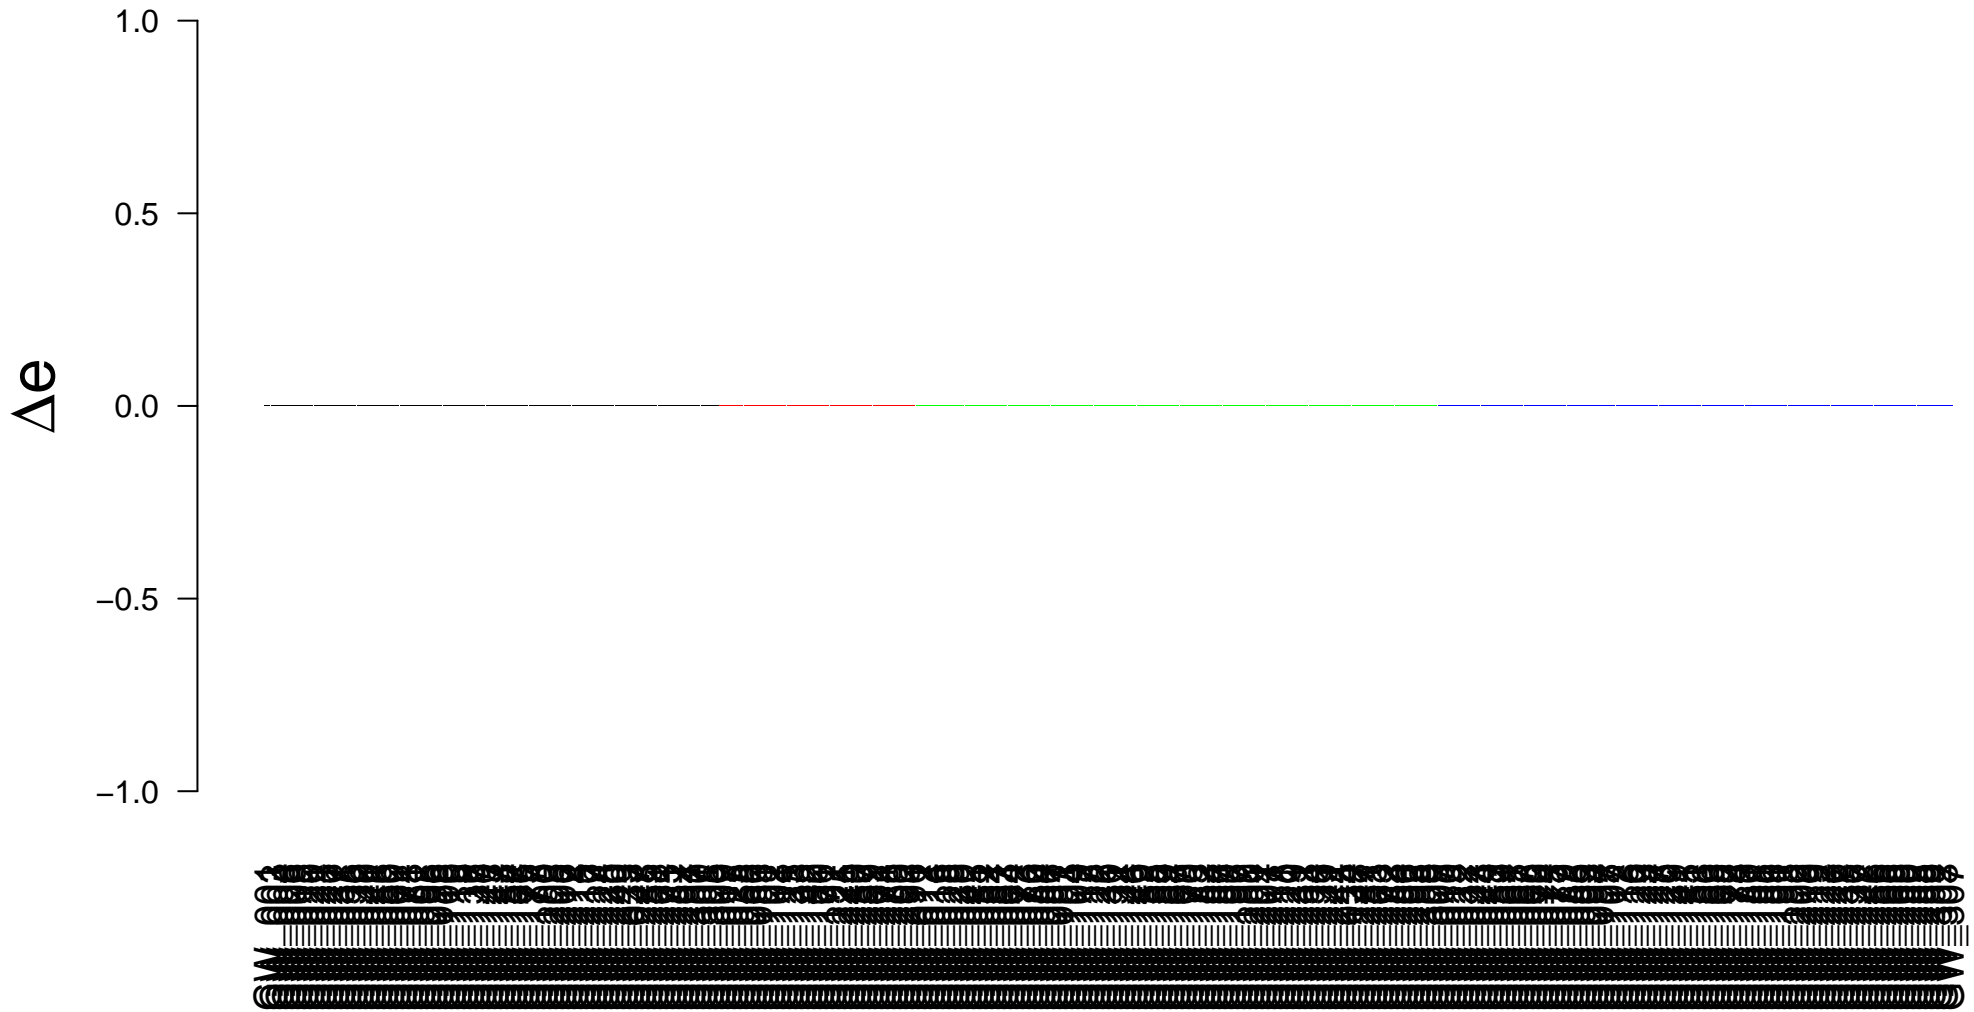

branched-chain amino acid catabolic process

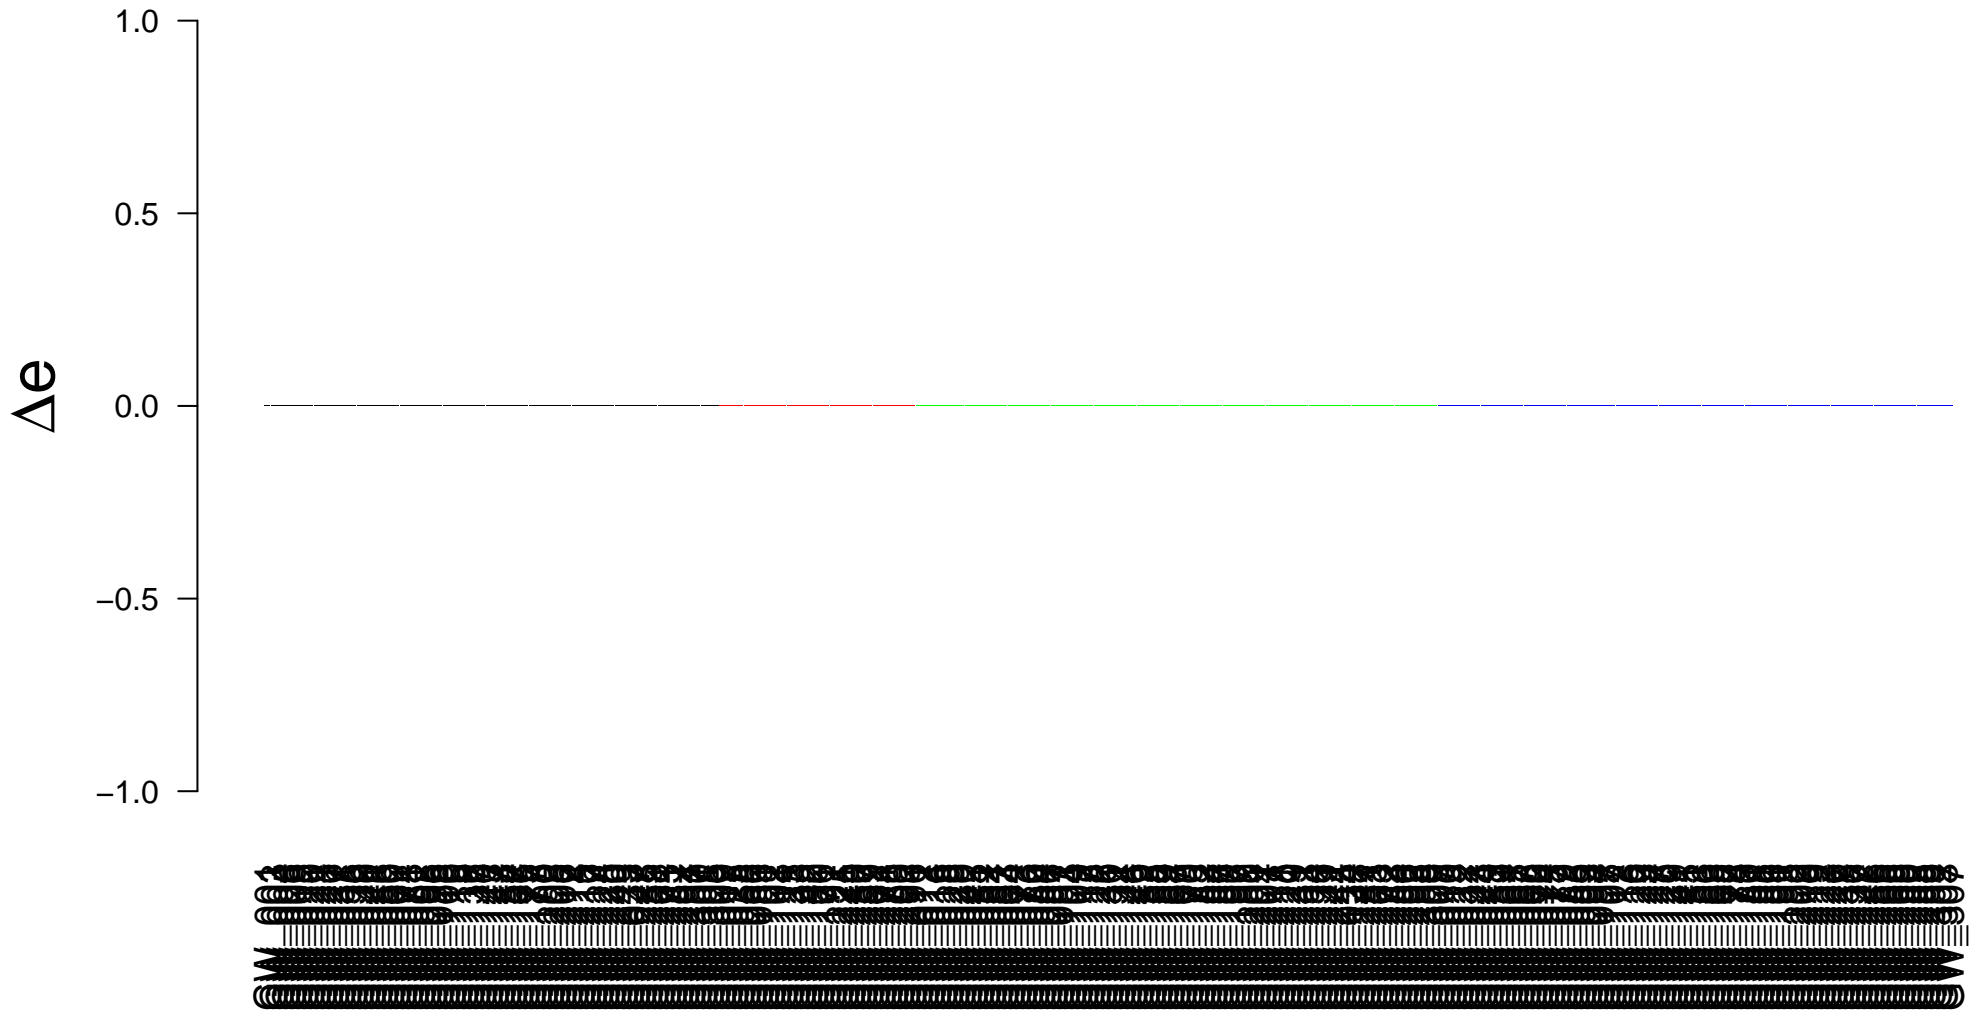

Enrichment in spots: branched-chain amino acid catabolic process

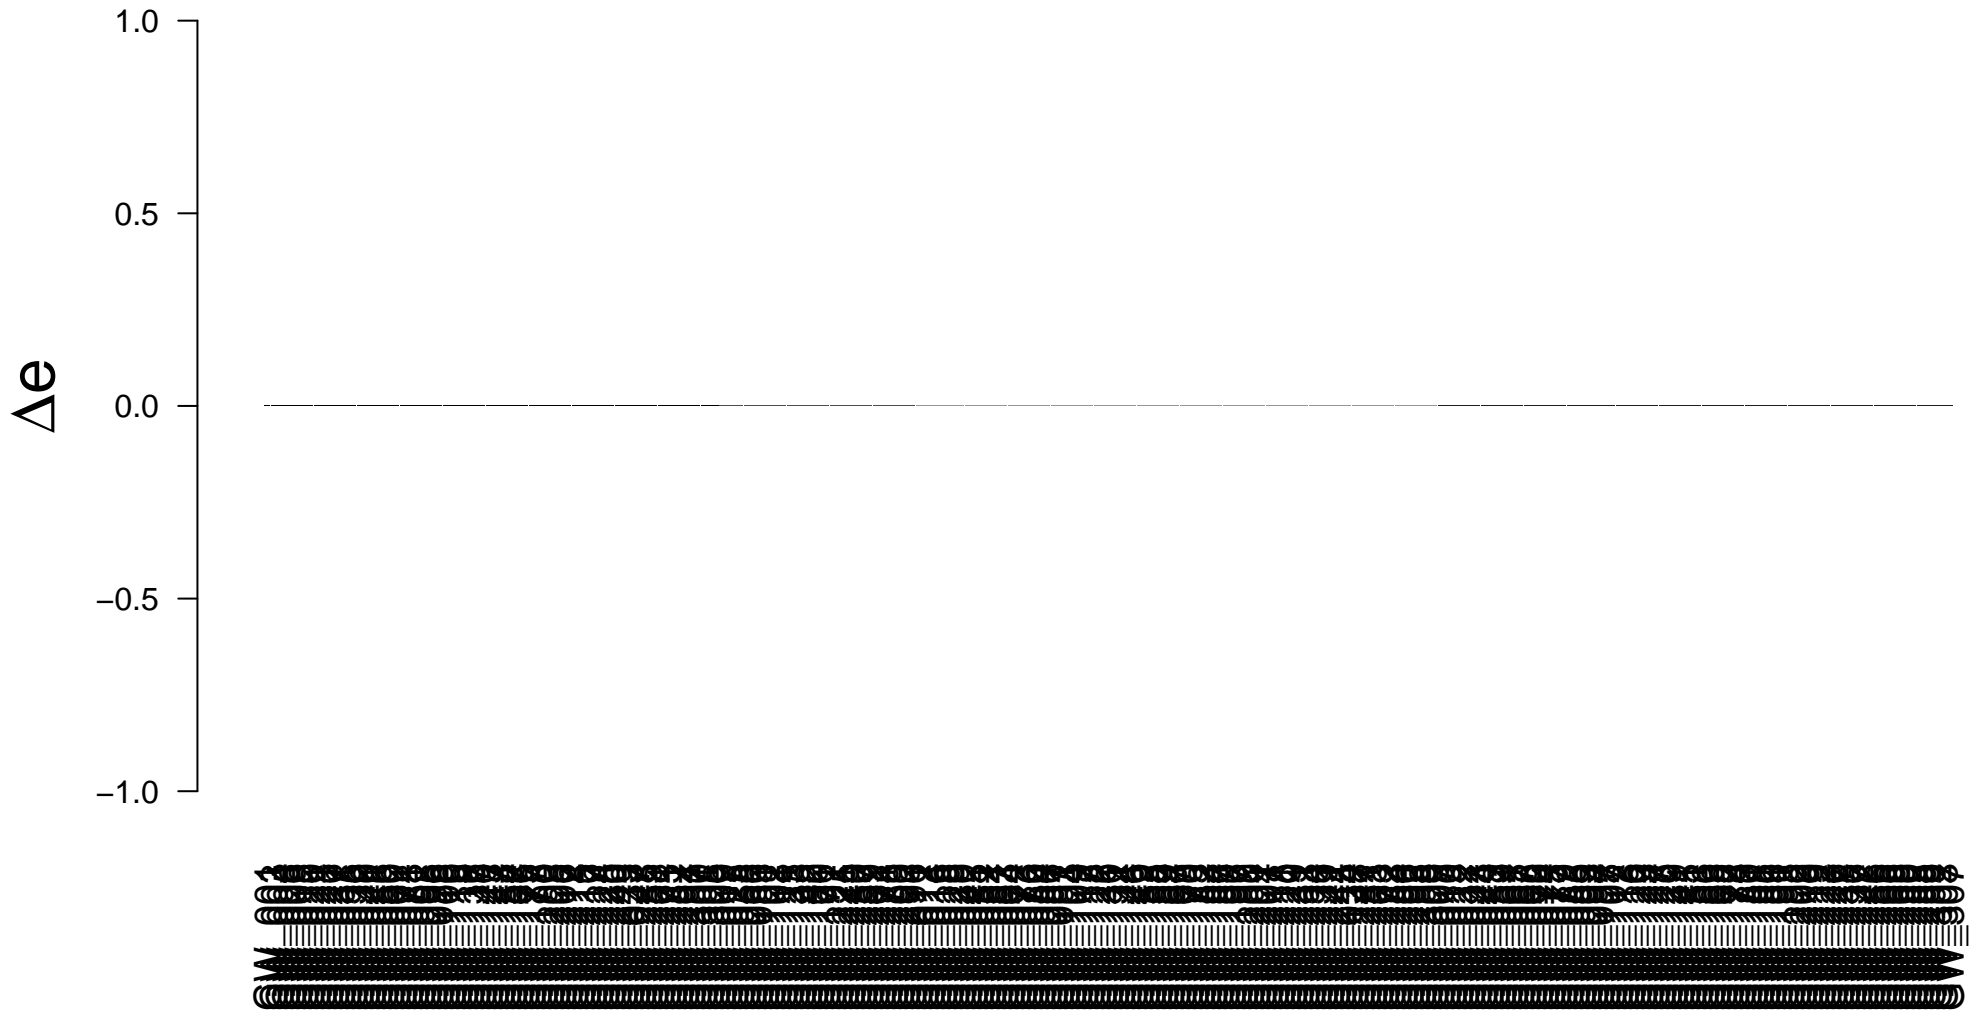

Expression of branched-chain amino acid catabolic process in Spot A

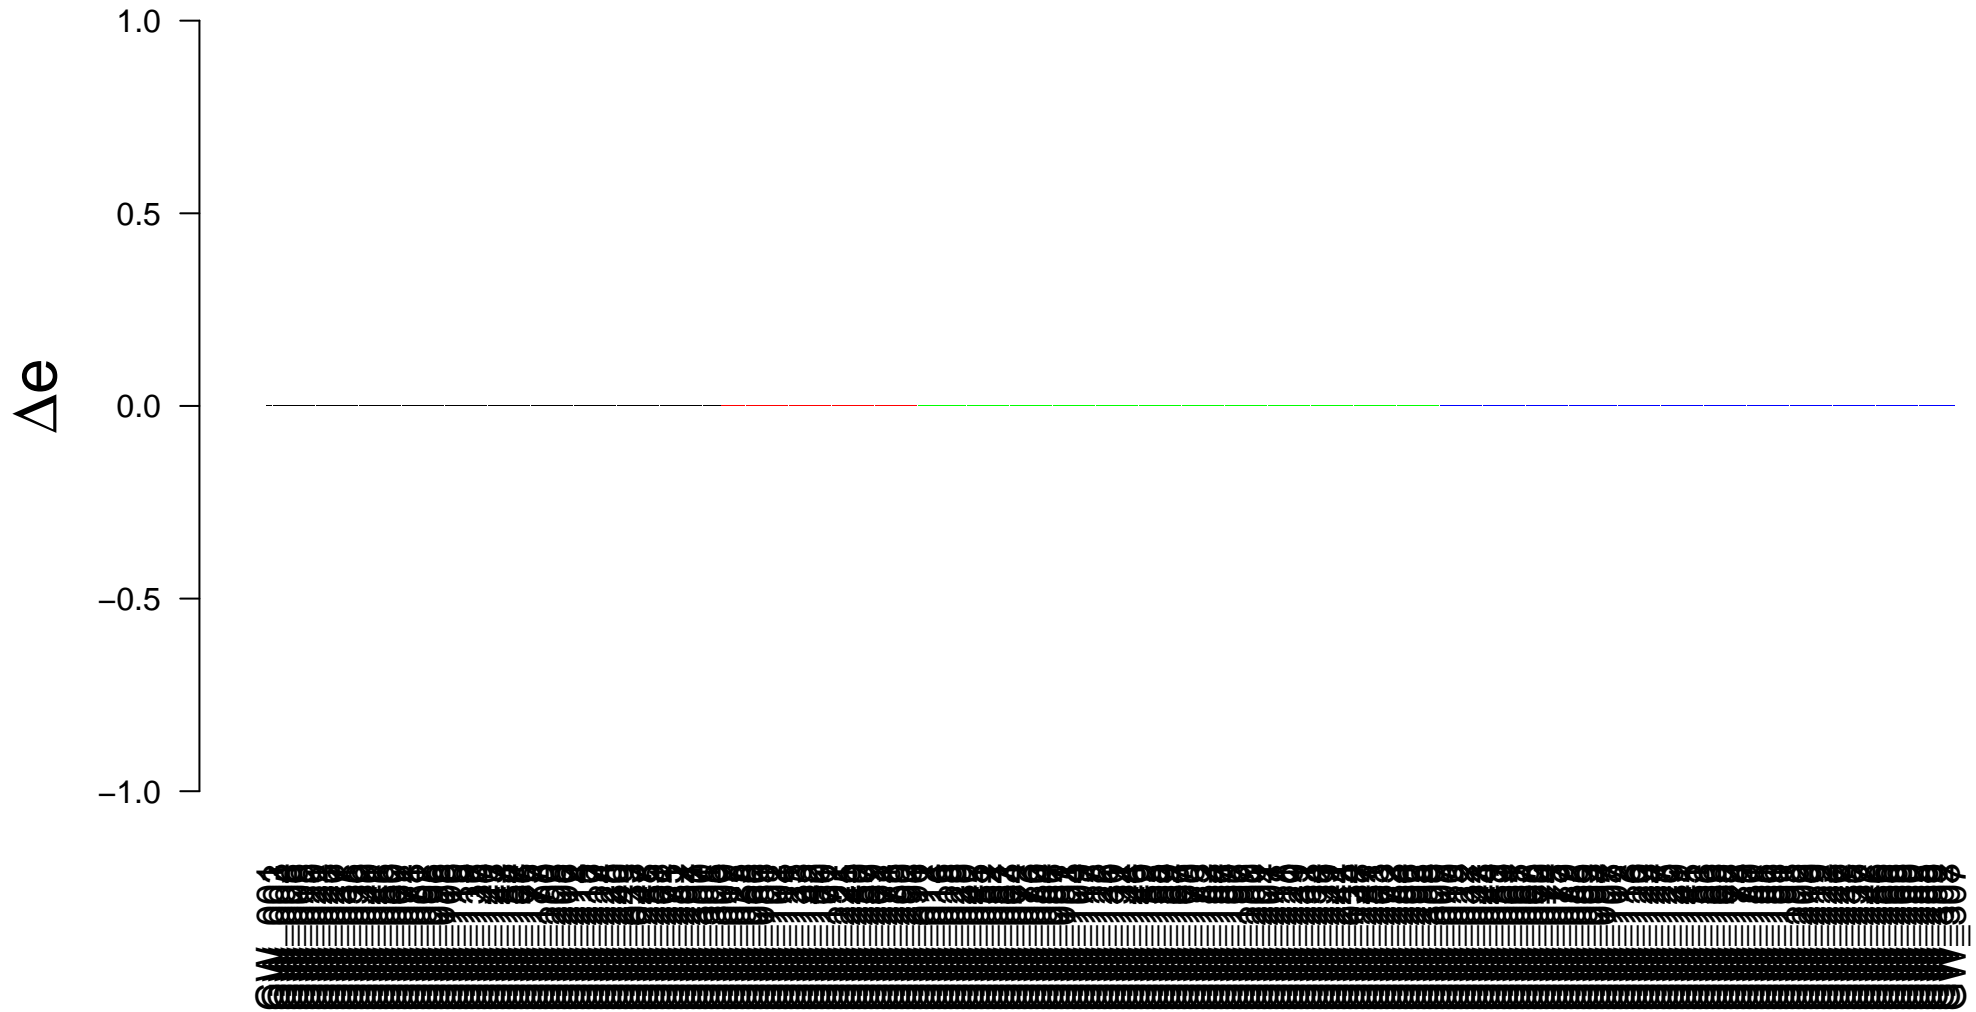

Expression of branched-chain amino acid catabolic process in Spot B

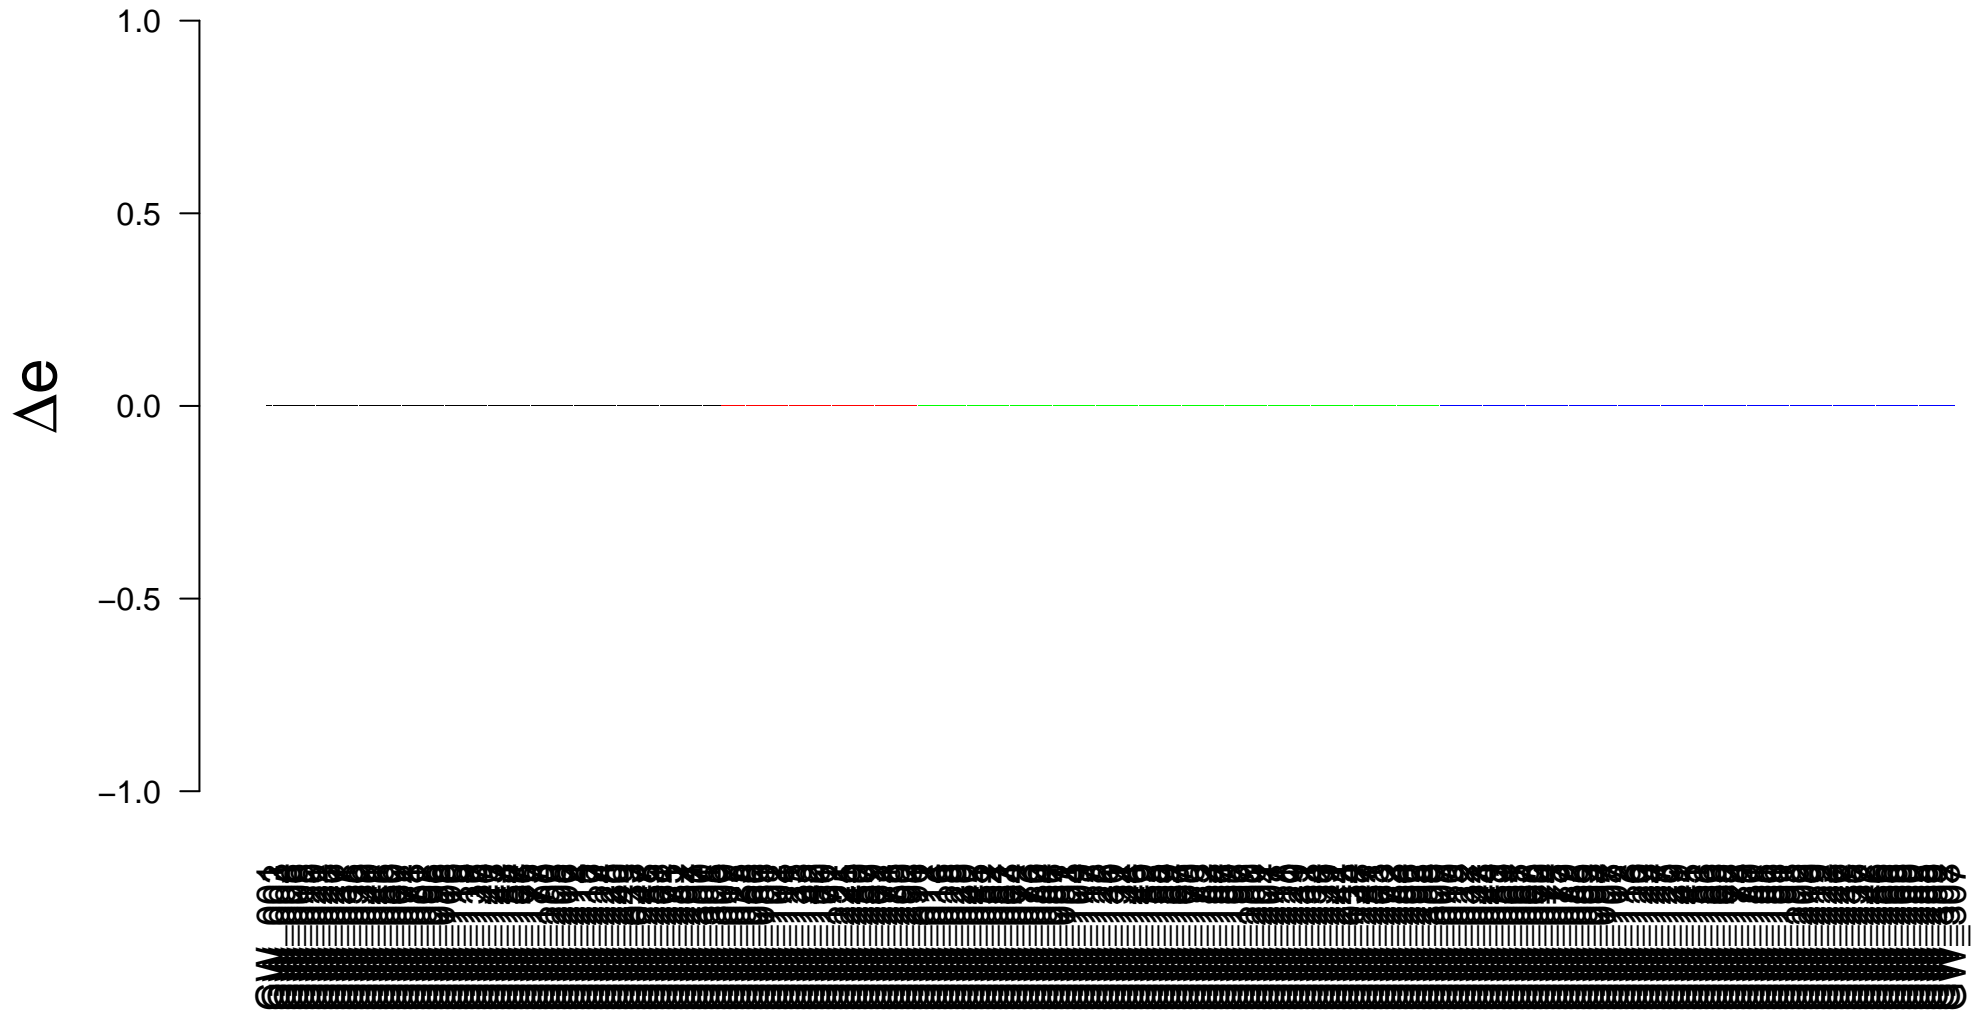

Expression of branched-chain amino acid catabolic process in Spot C

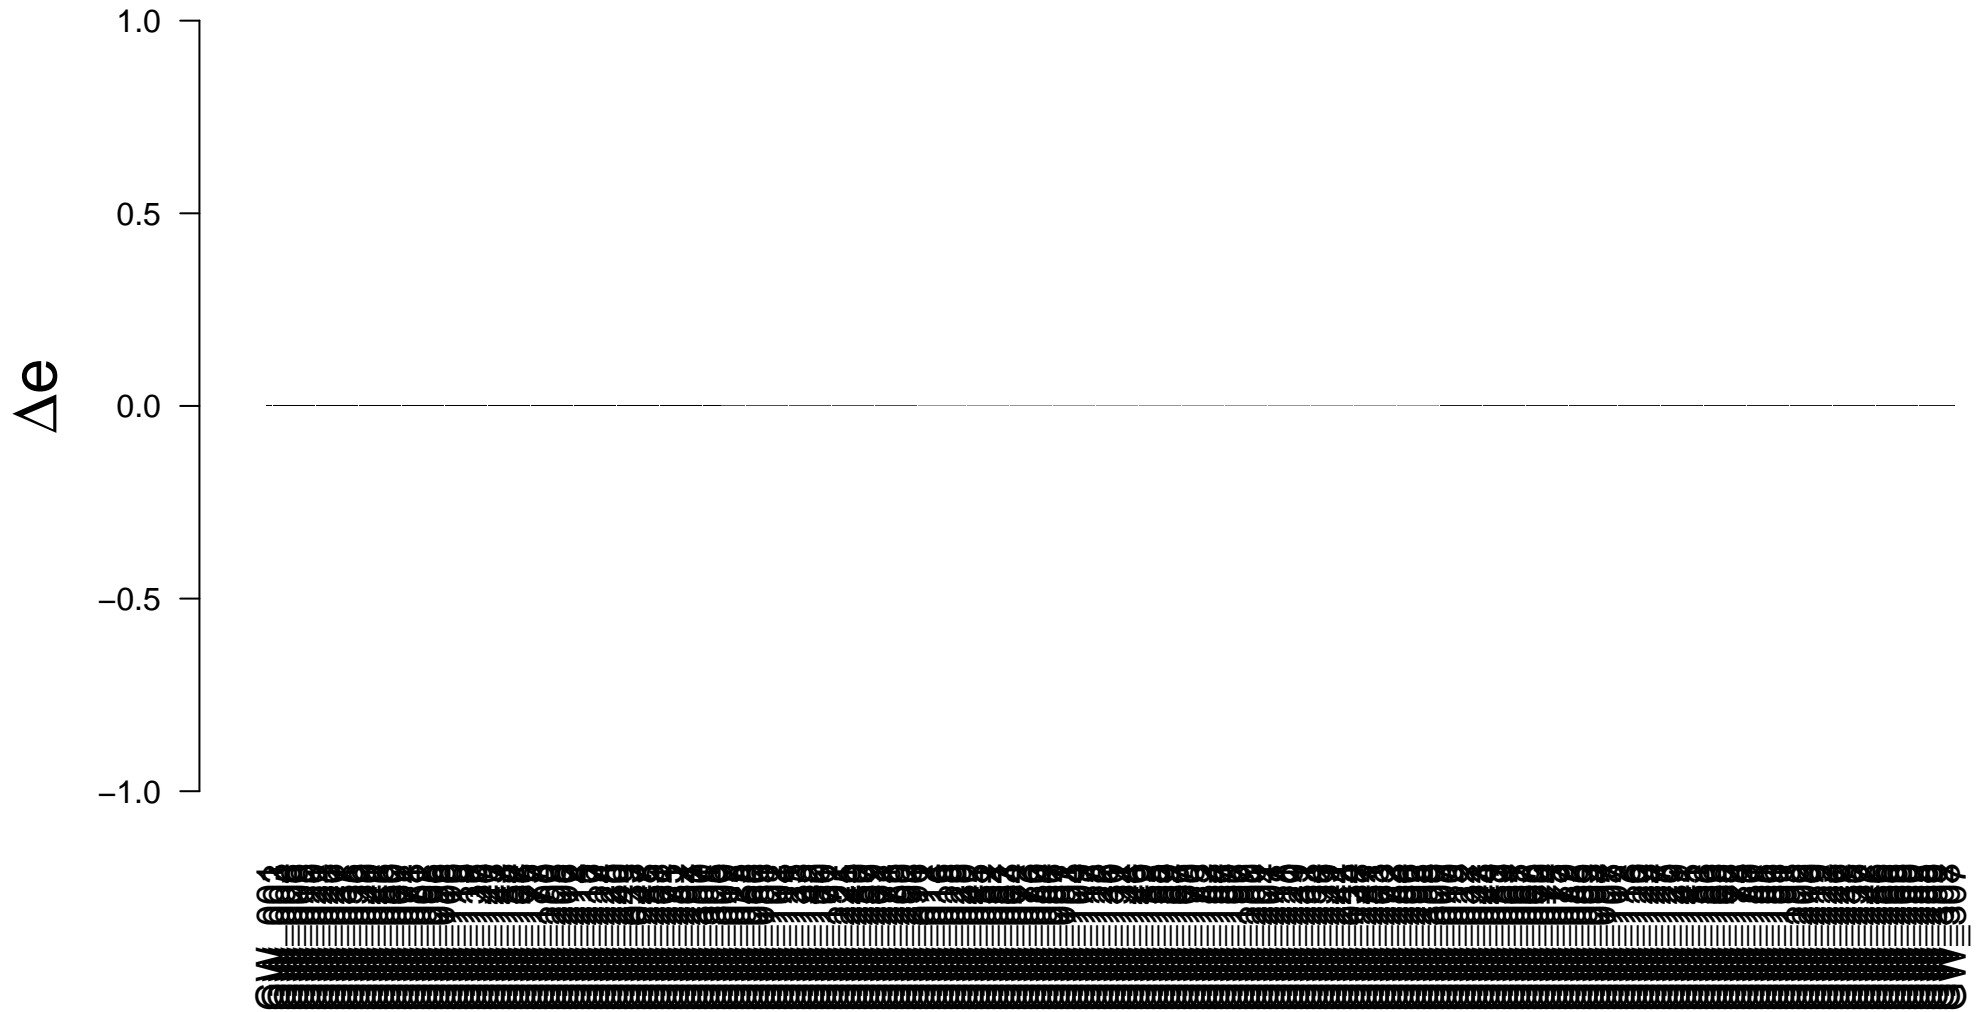

Expression of branched-chain amino acid catabolic process in Spot D

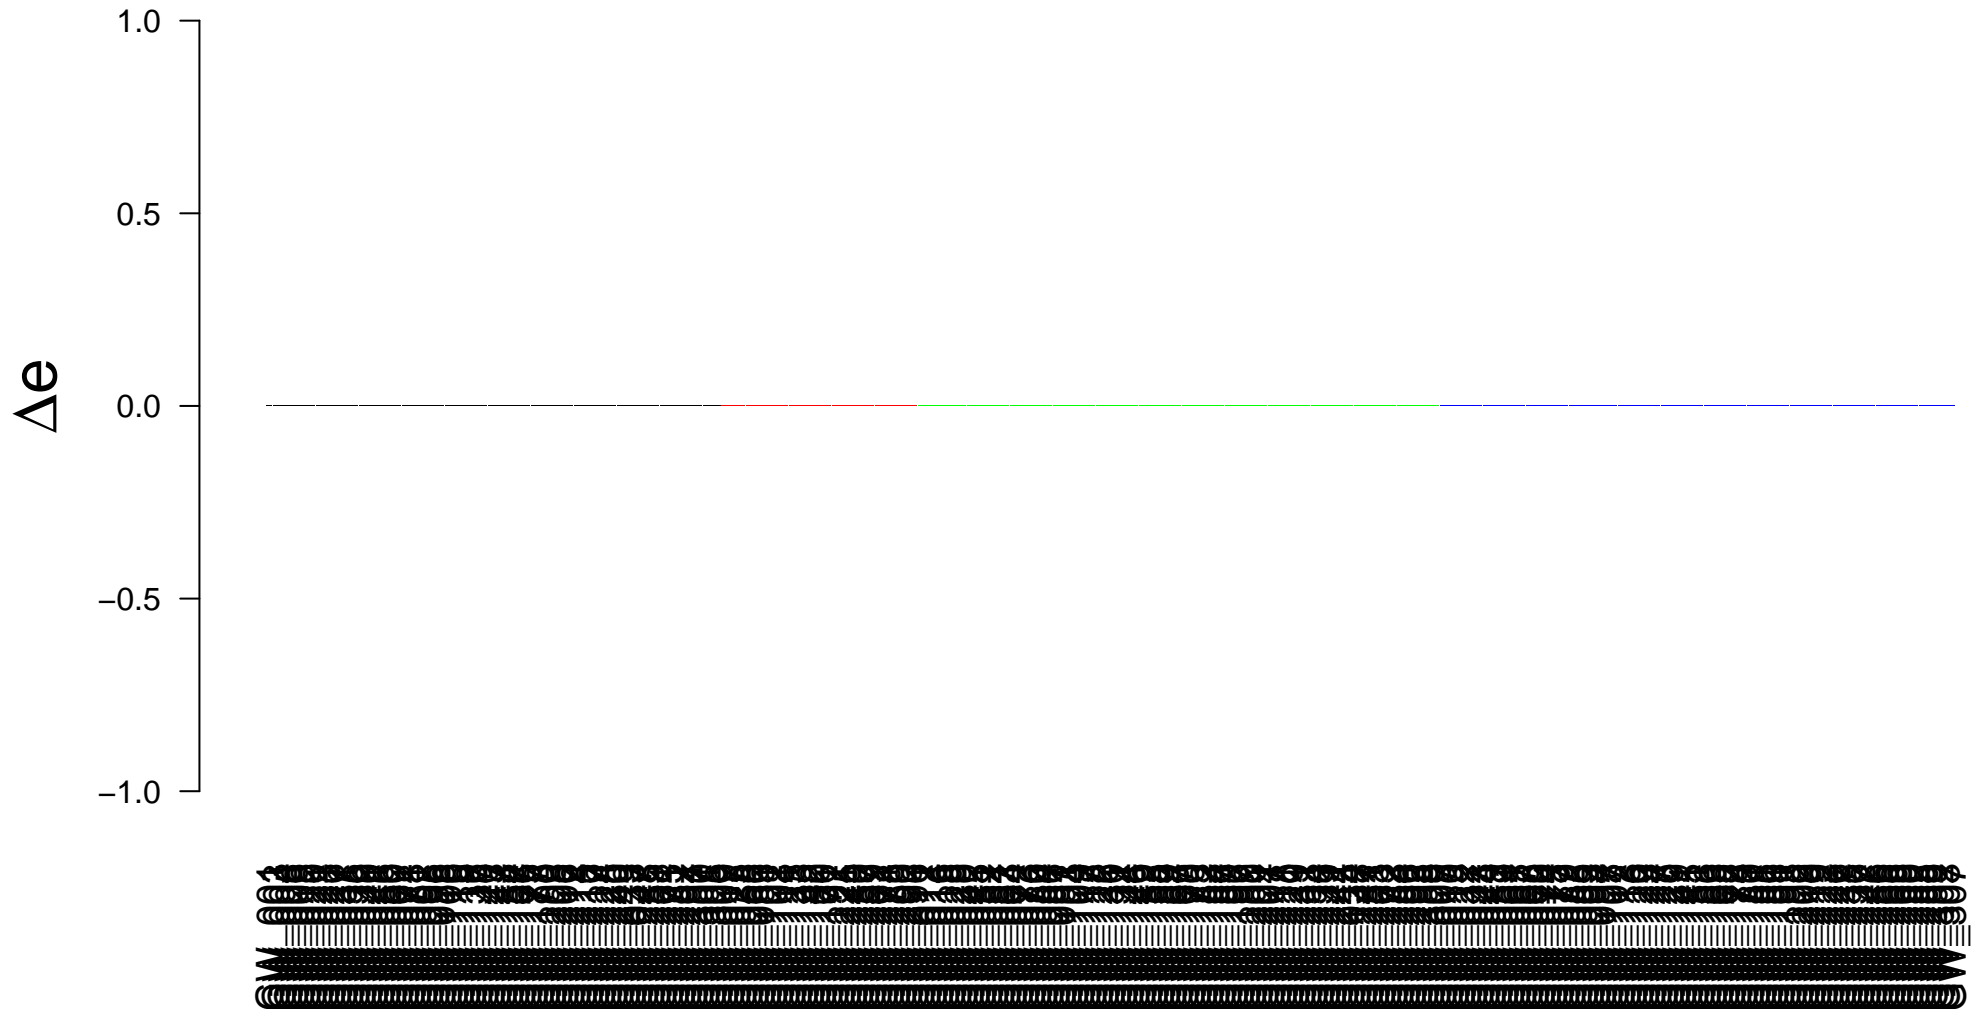

Expression of branched-chain amino acid catabolic process in Spot E

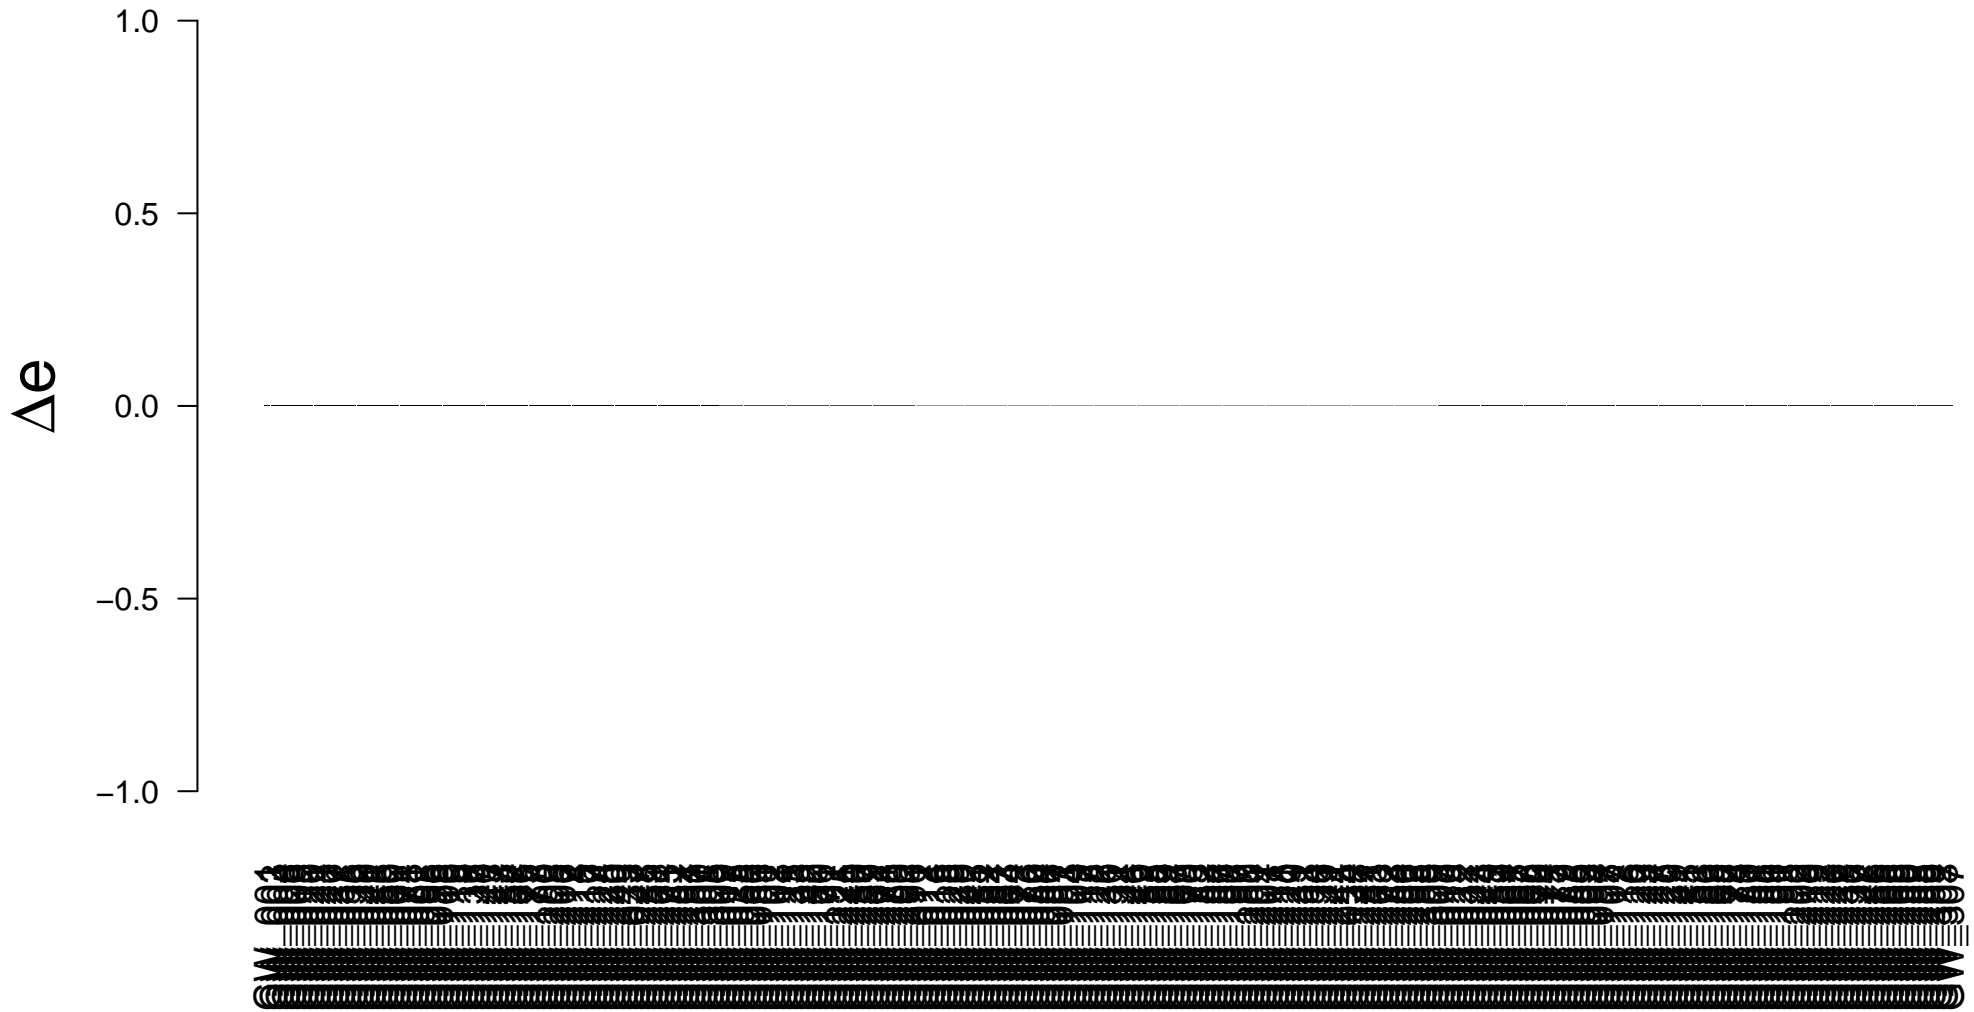

Expression of branched-chain amino acid catabolic process in Spot F

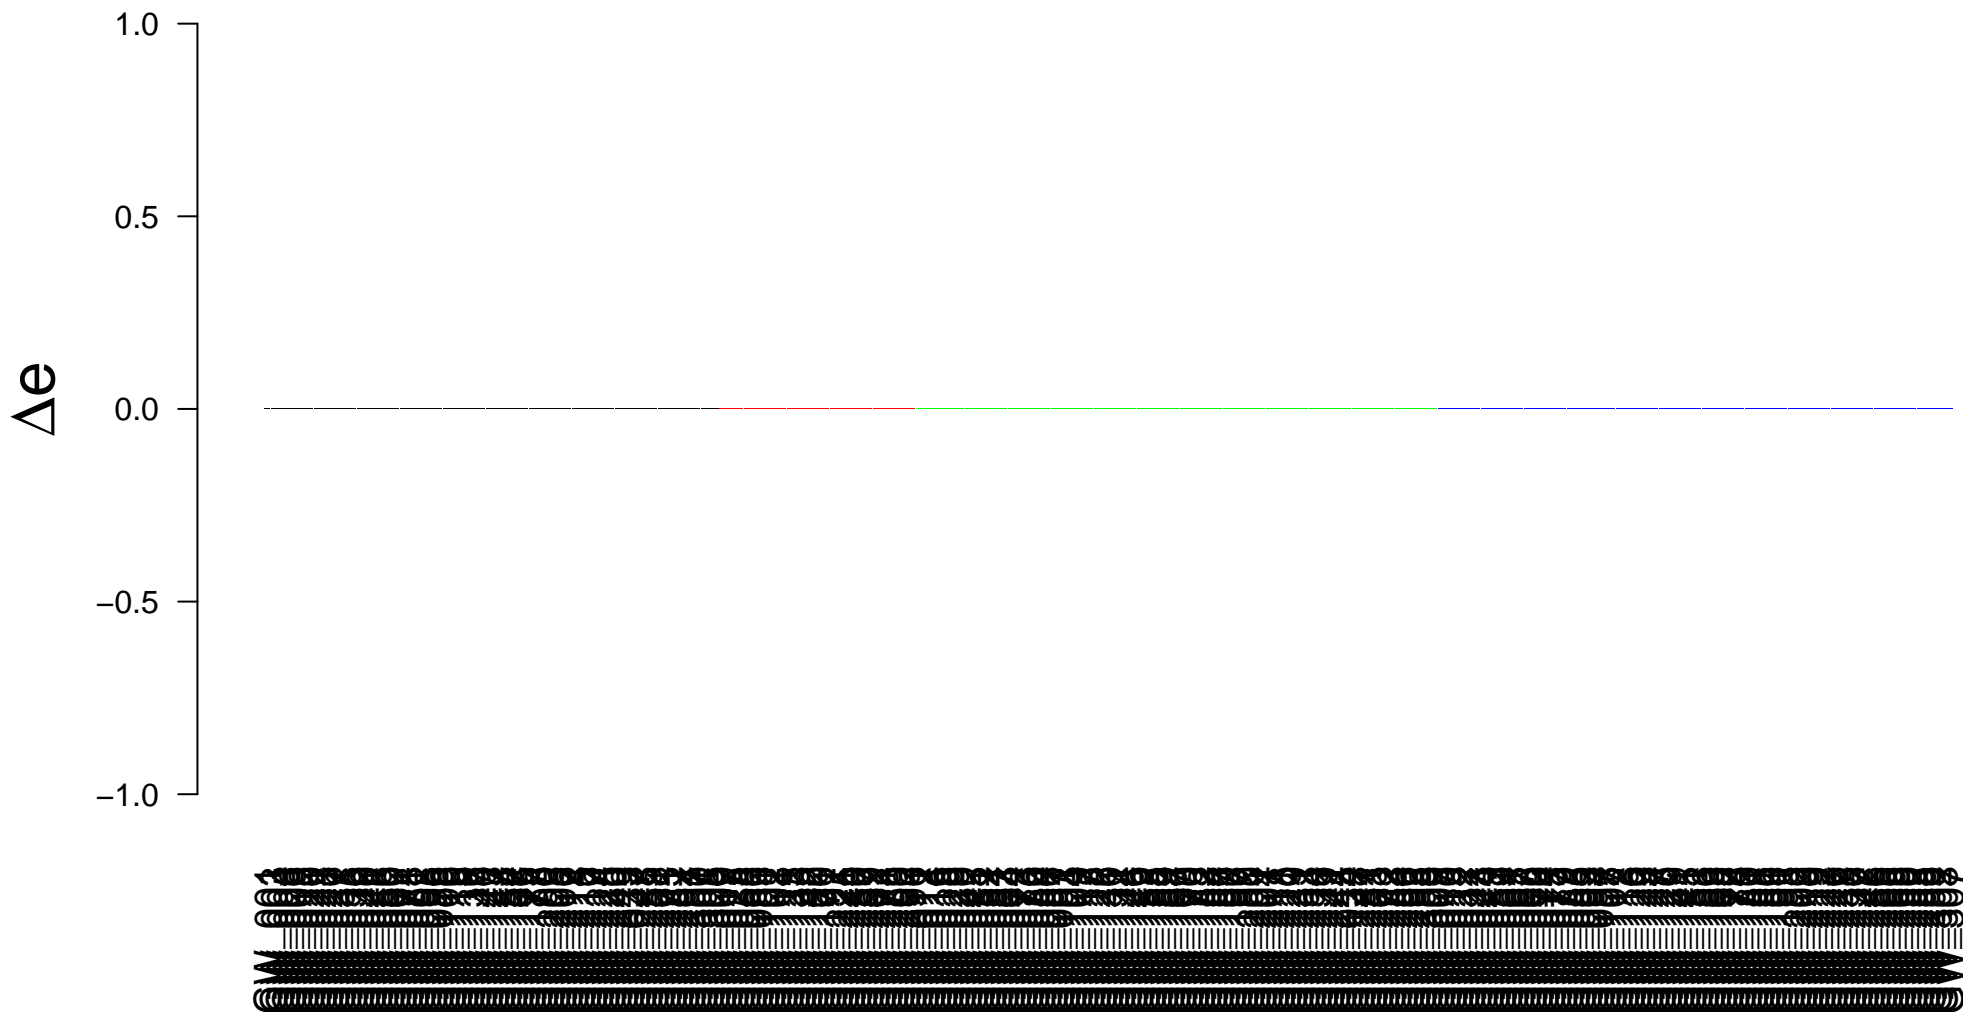

Expression of branched-chain amino acid catabolic process in Spot G

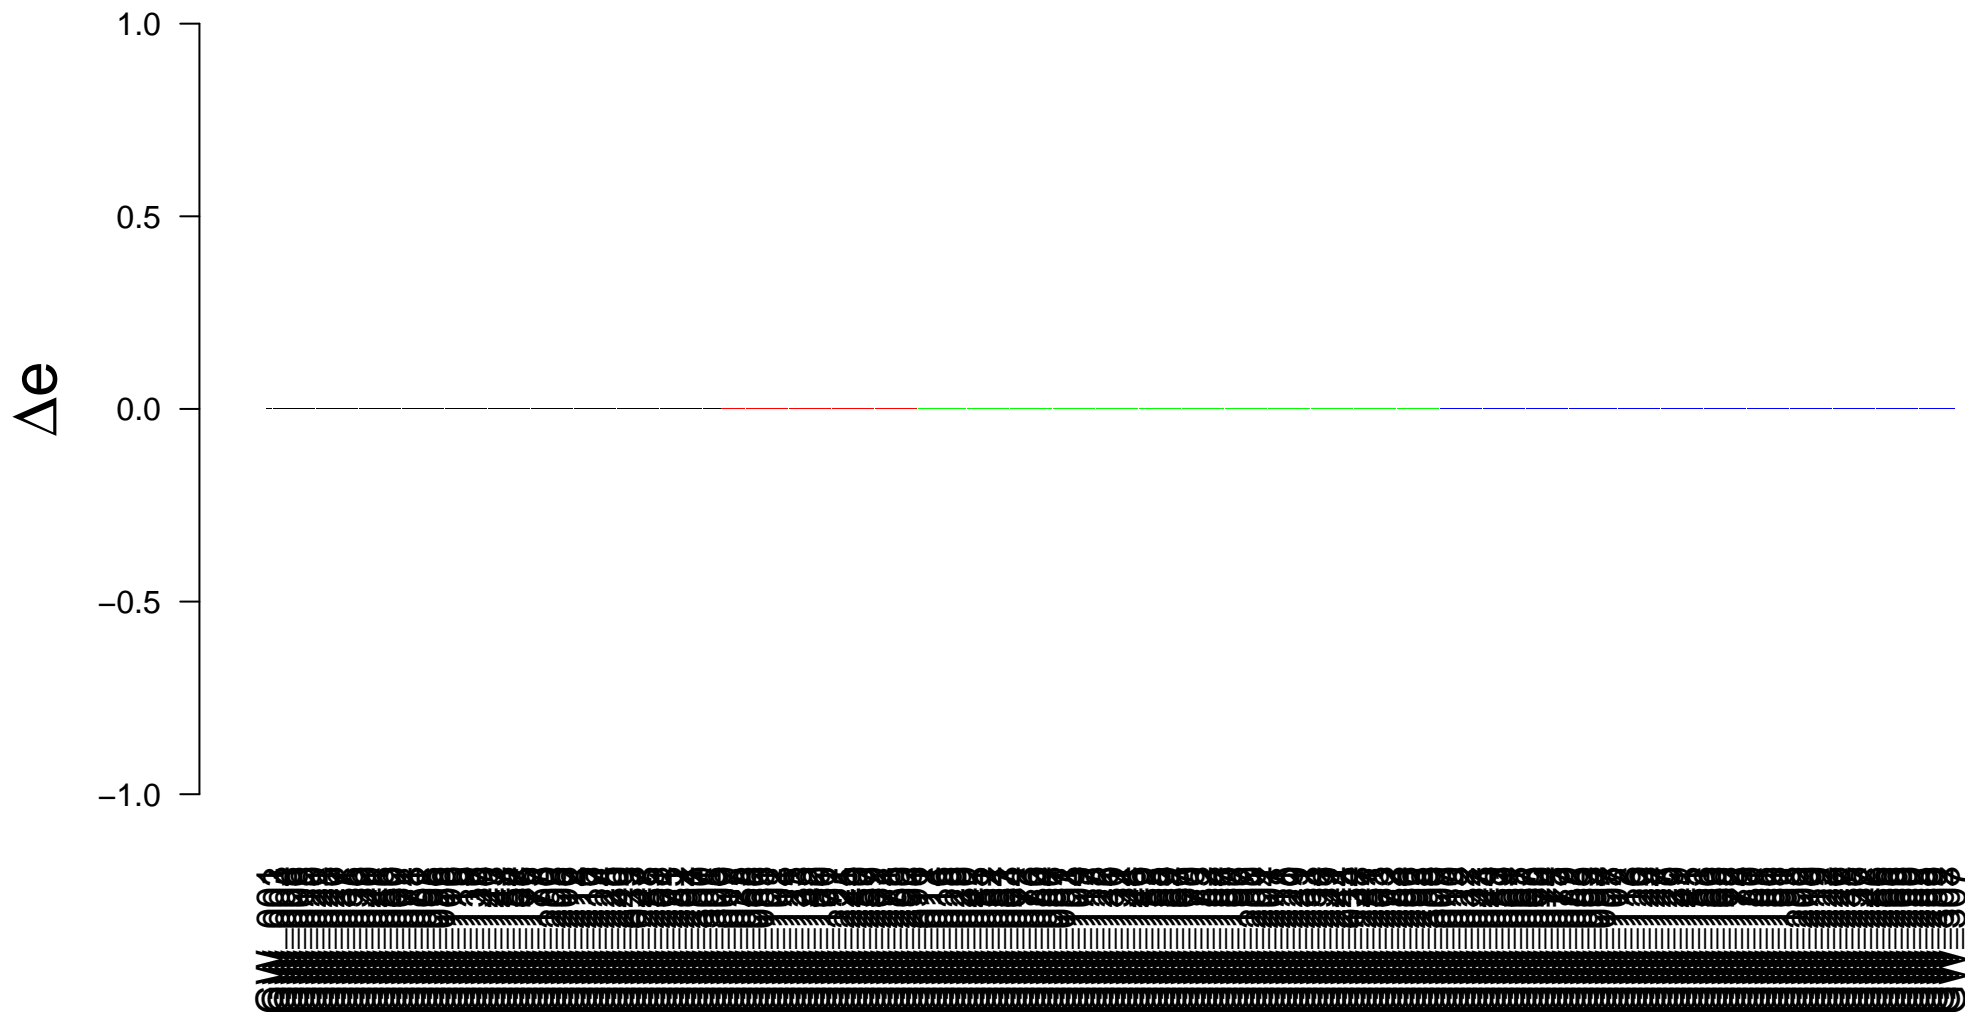

Expression of branched-chain amino acid catabolic process in Spot H

Expression of branched-chain amino acid catabolic process in Spot I

Expression of branched-chain amino acid catabolic process in Spot J

Expression of branched-chain amino acid catabolic process in Spot K
