

branching involved in salivary gland morphogenesis

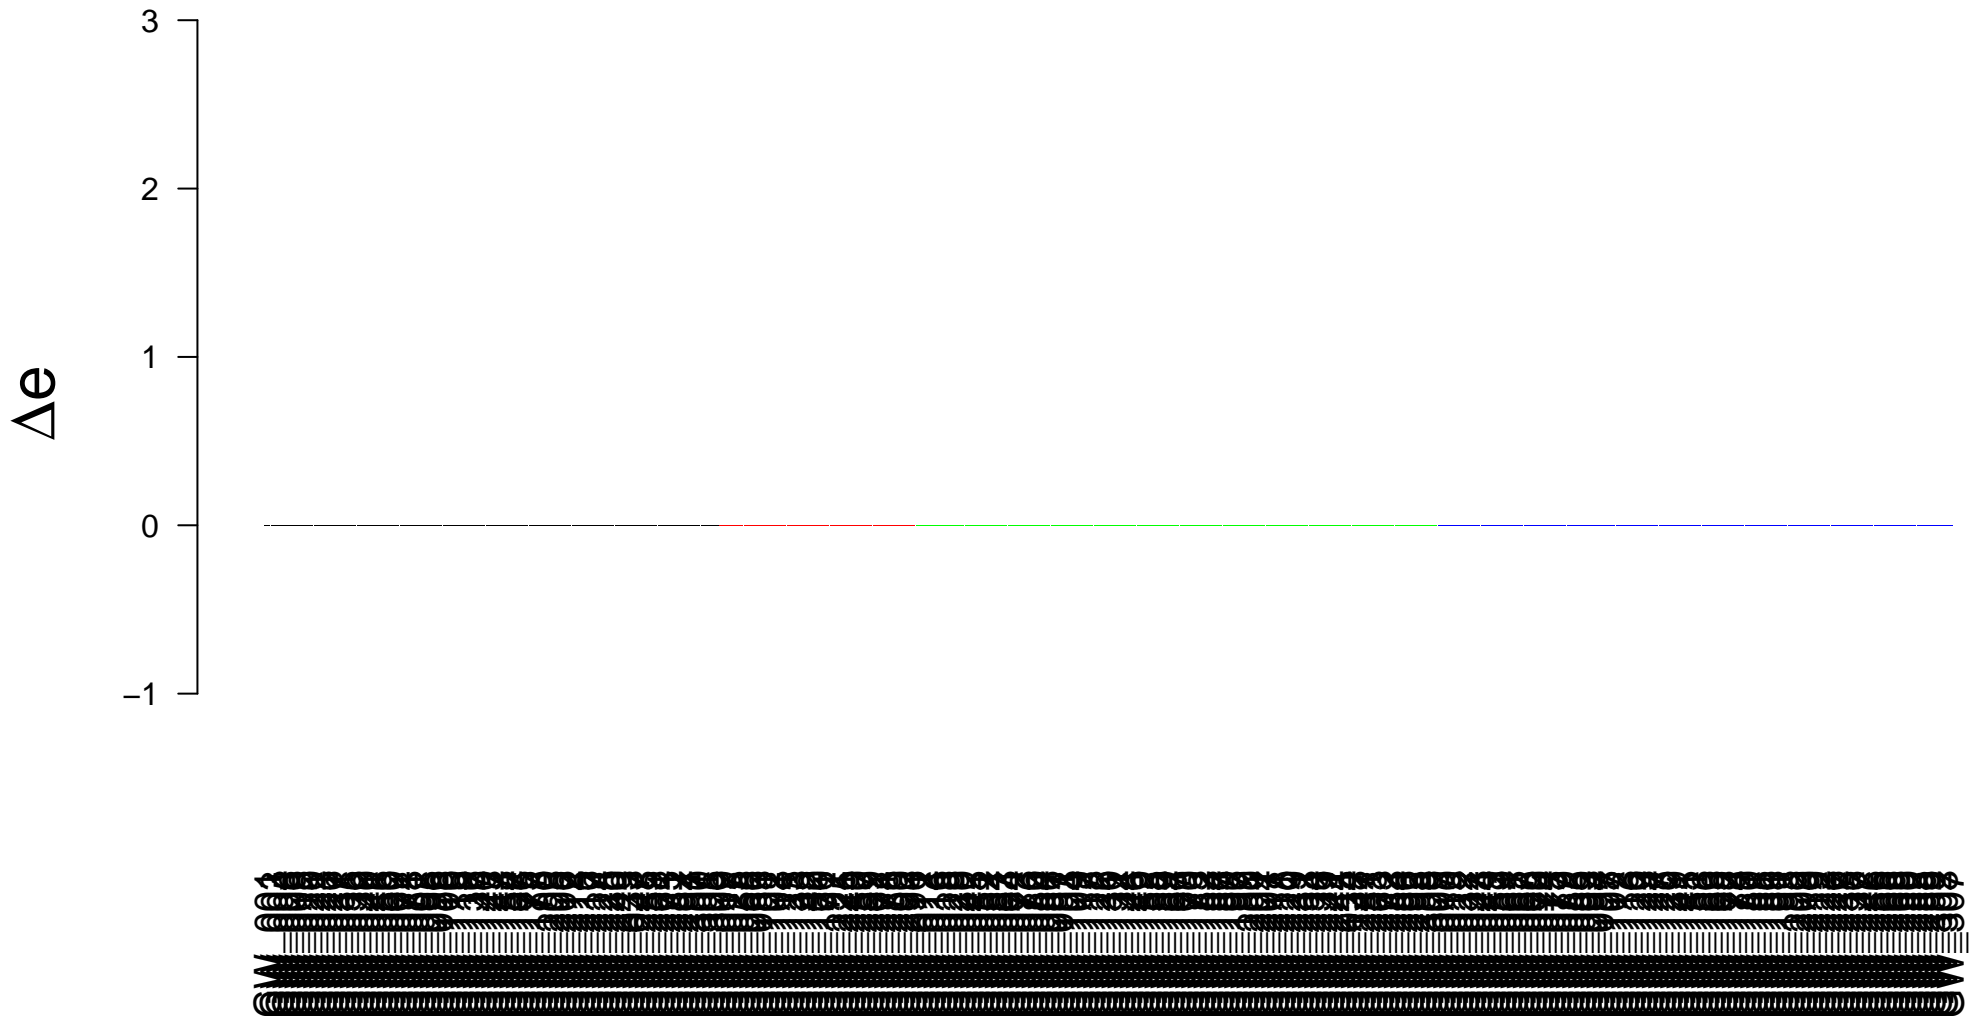

branching involved in salivary gland morphogenesis

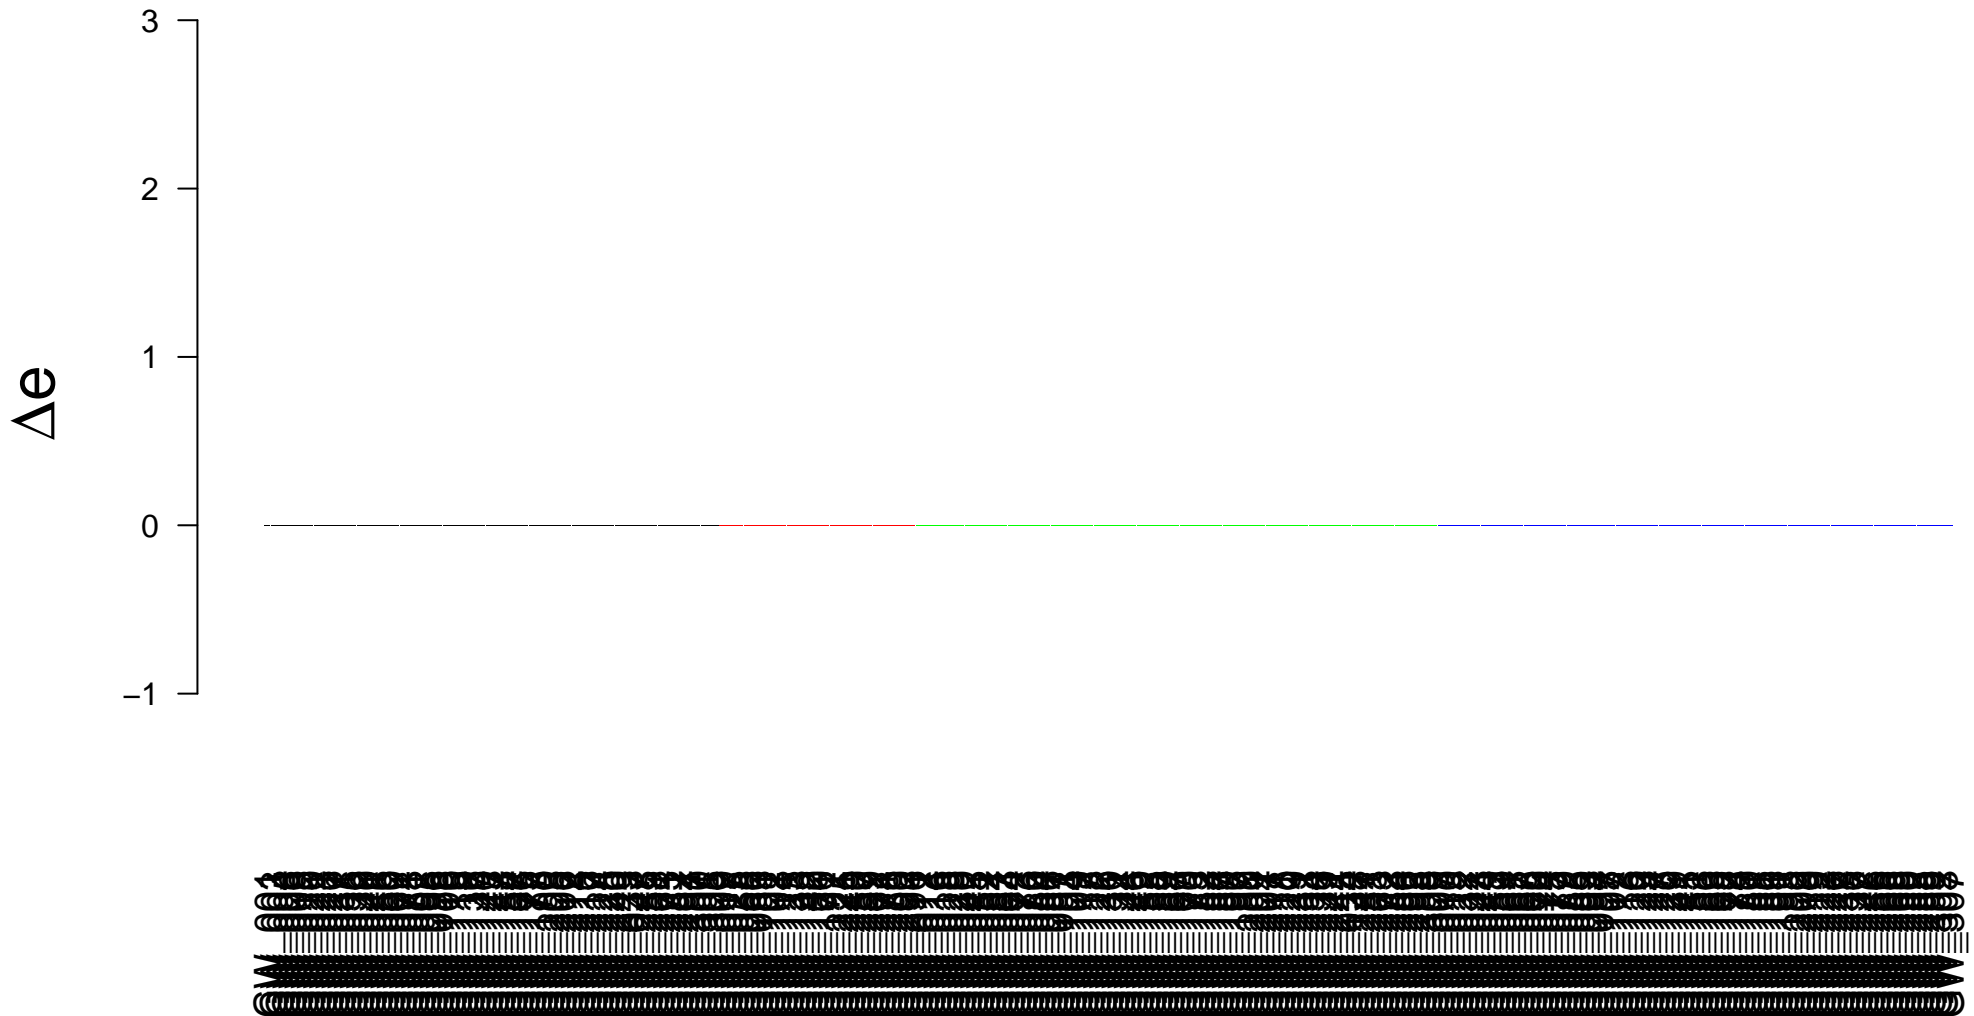

Enrichment in spots: branching involved in salivary gland morphogenesis

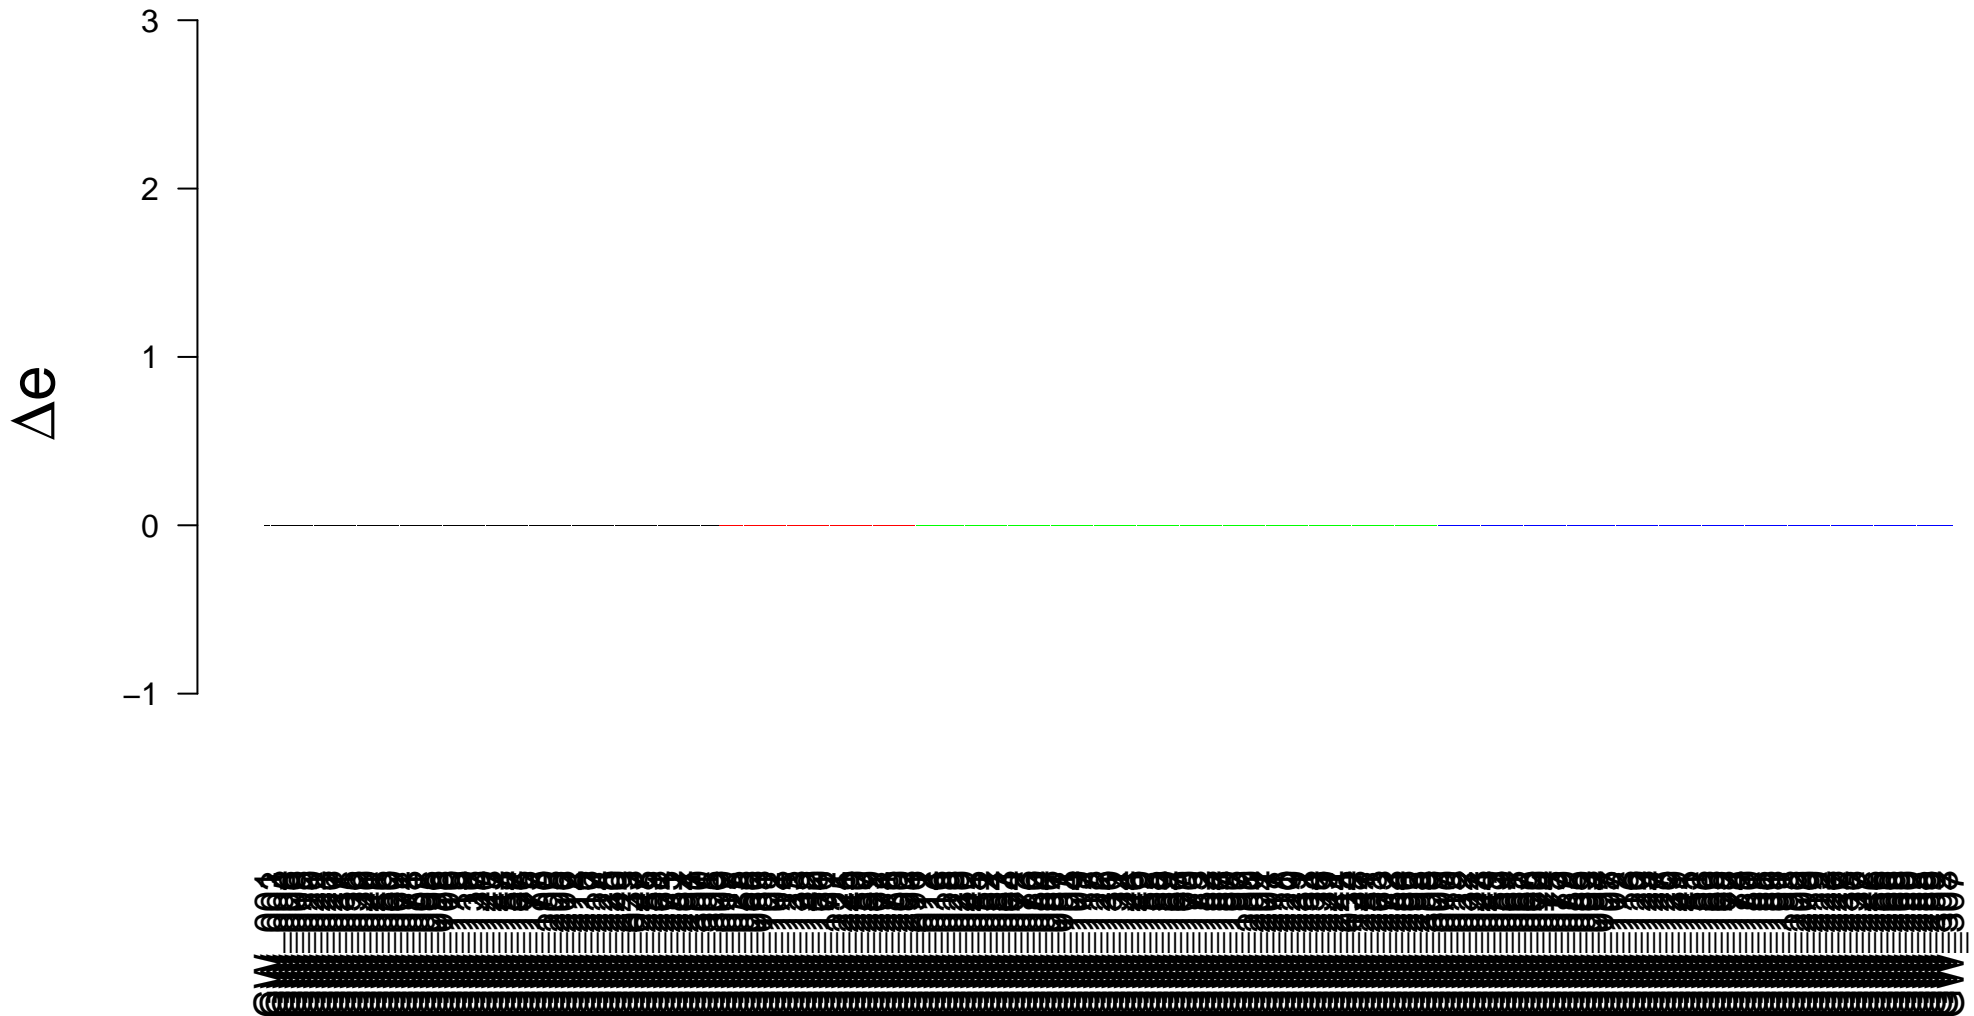

Expression of branching involved in salivary gland morphogenesis in Spot A

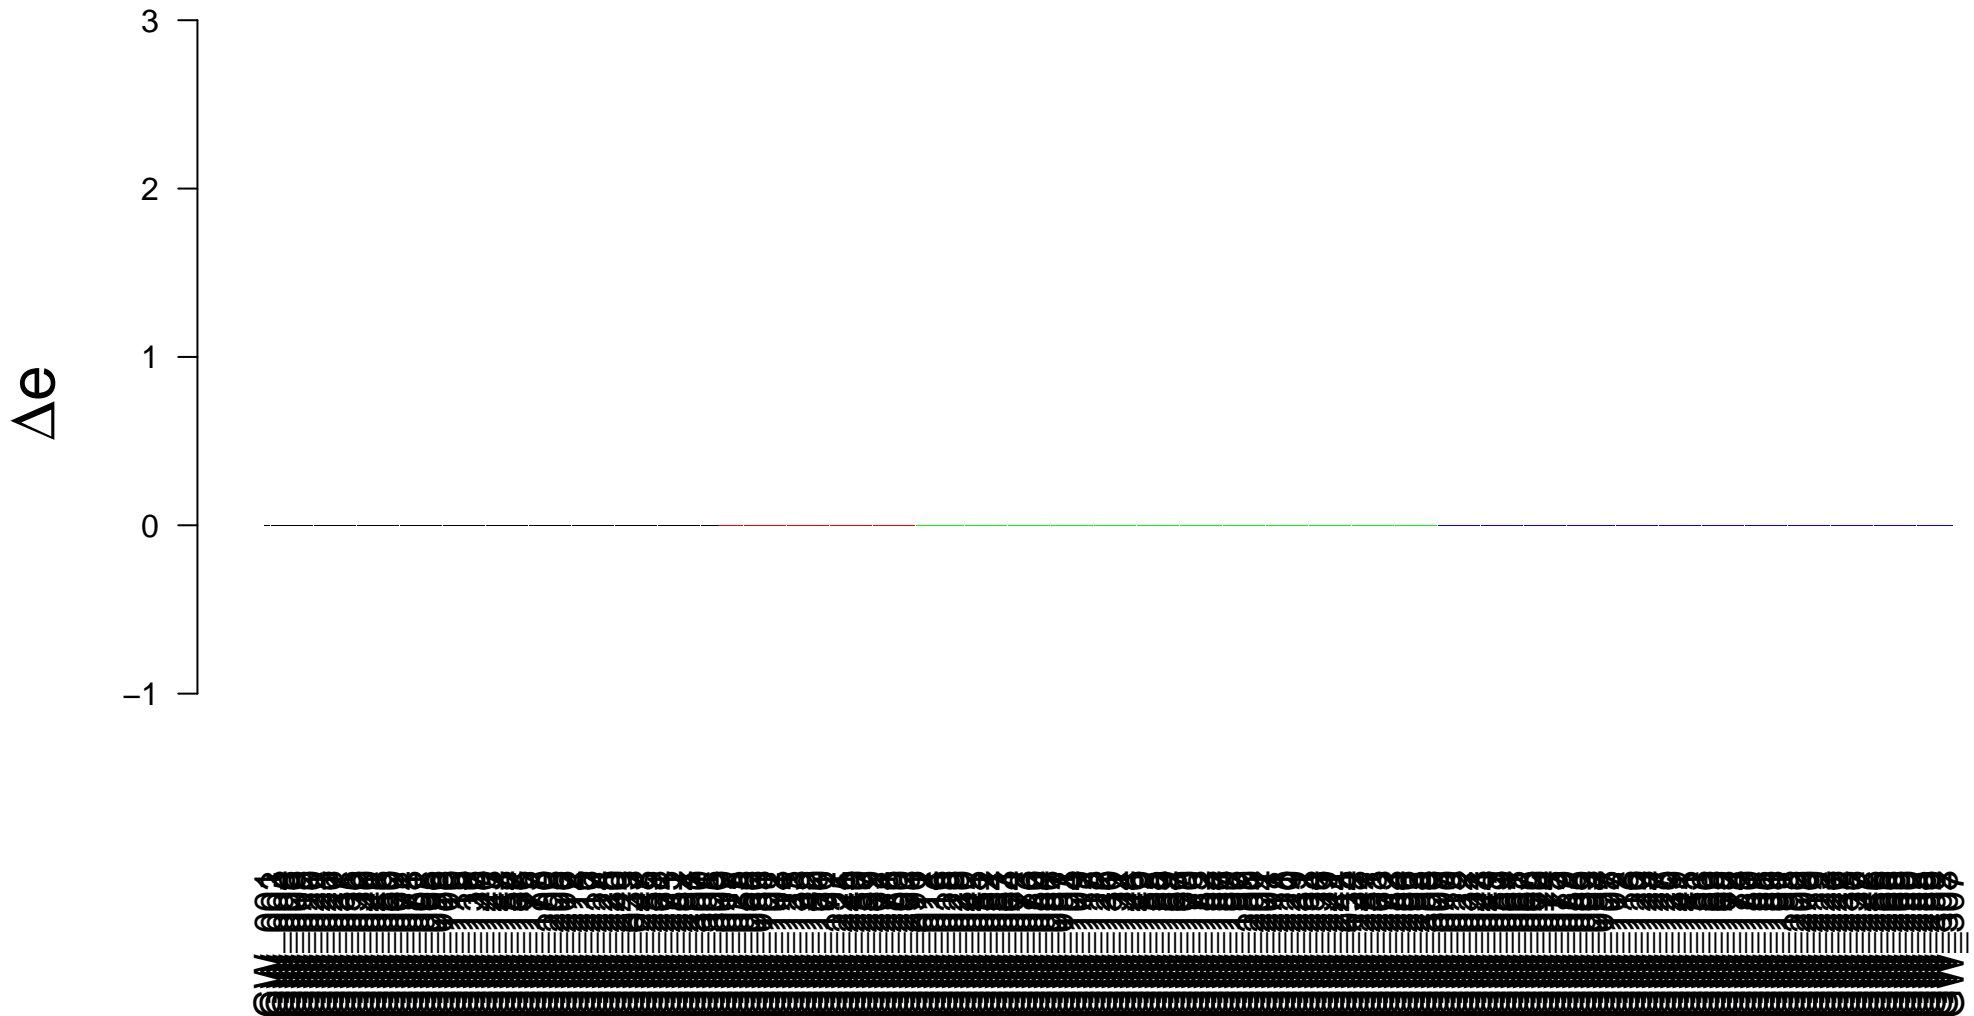

Expression of branching involved in salivary gland morphogenesis in Spot B

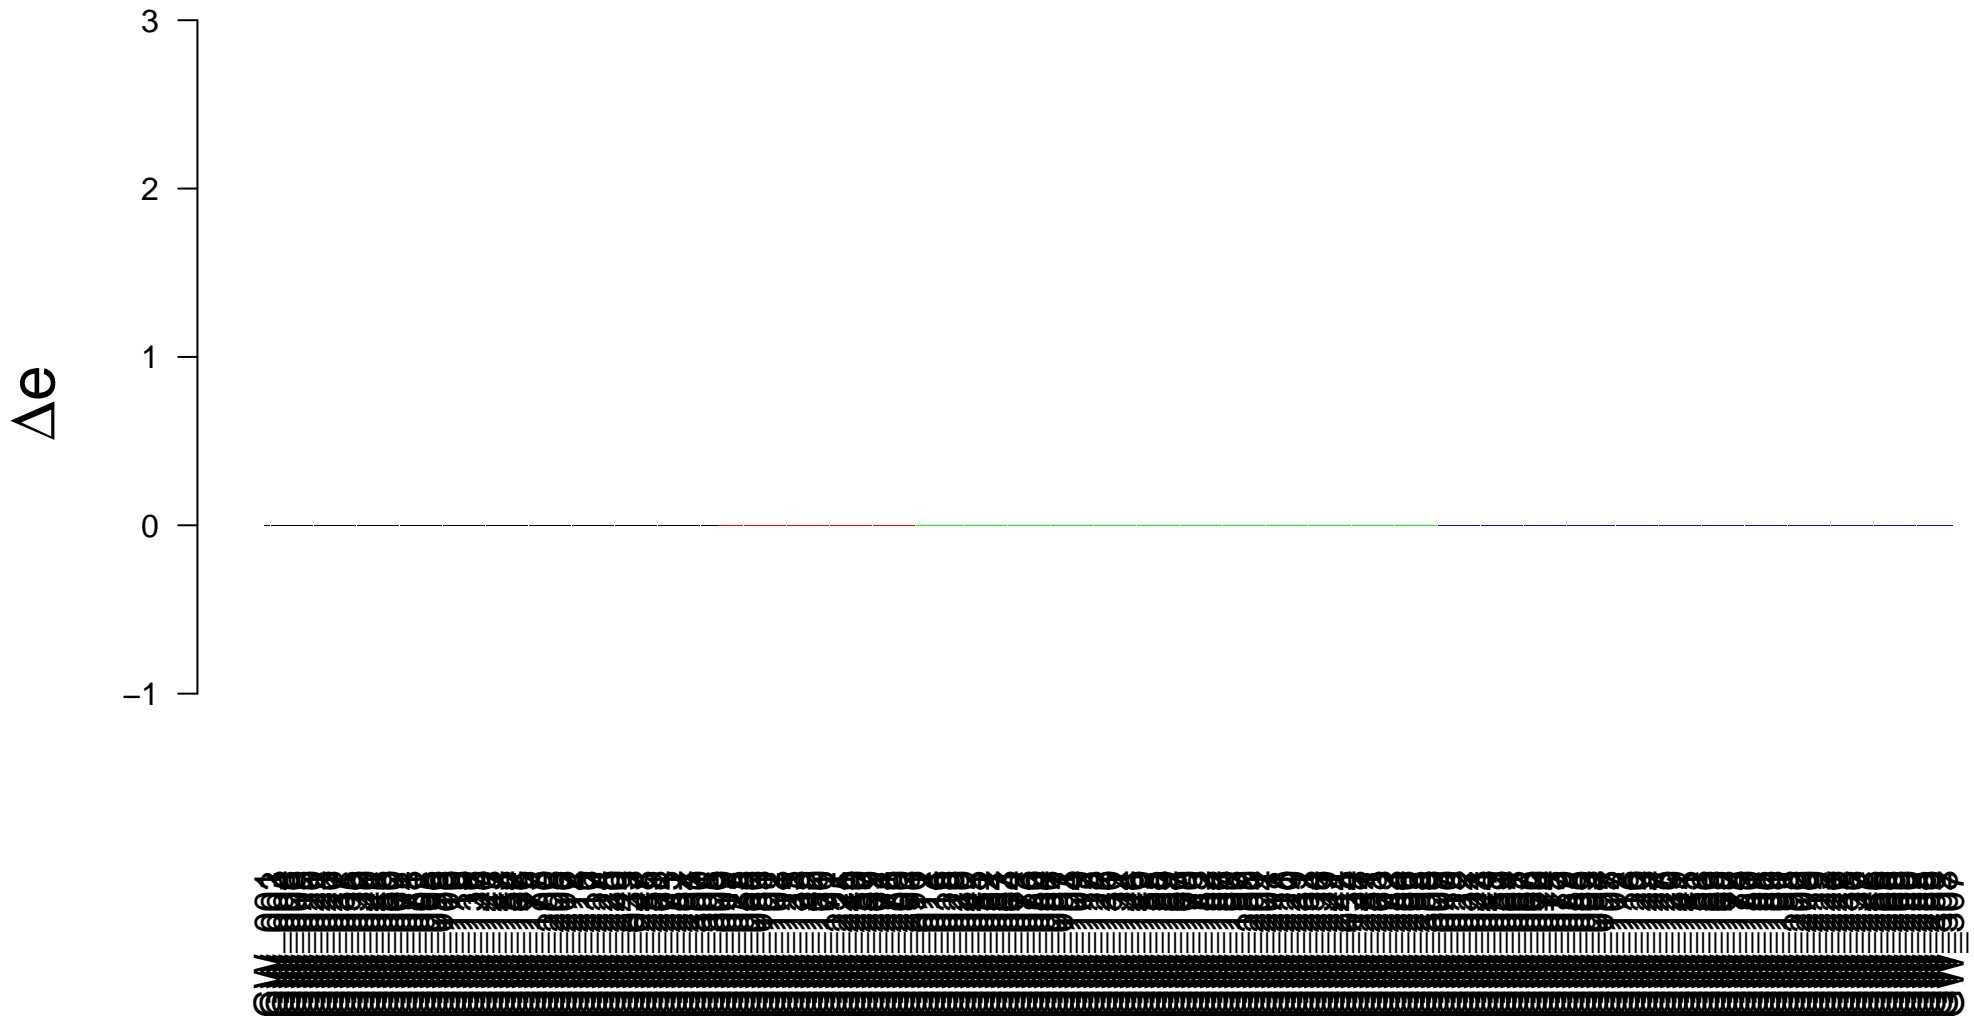

Expression of branching involved in salivary gland morphogenesis in Spot C

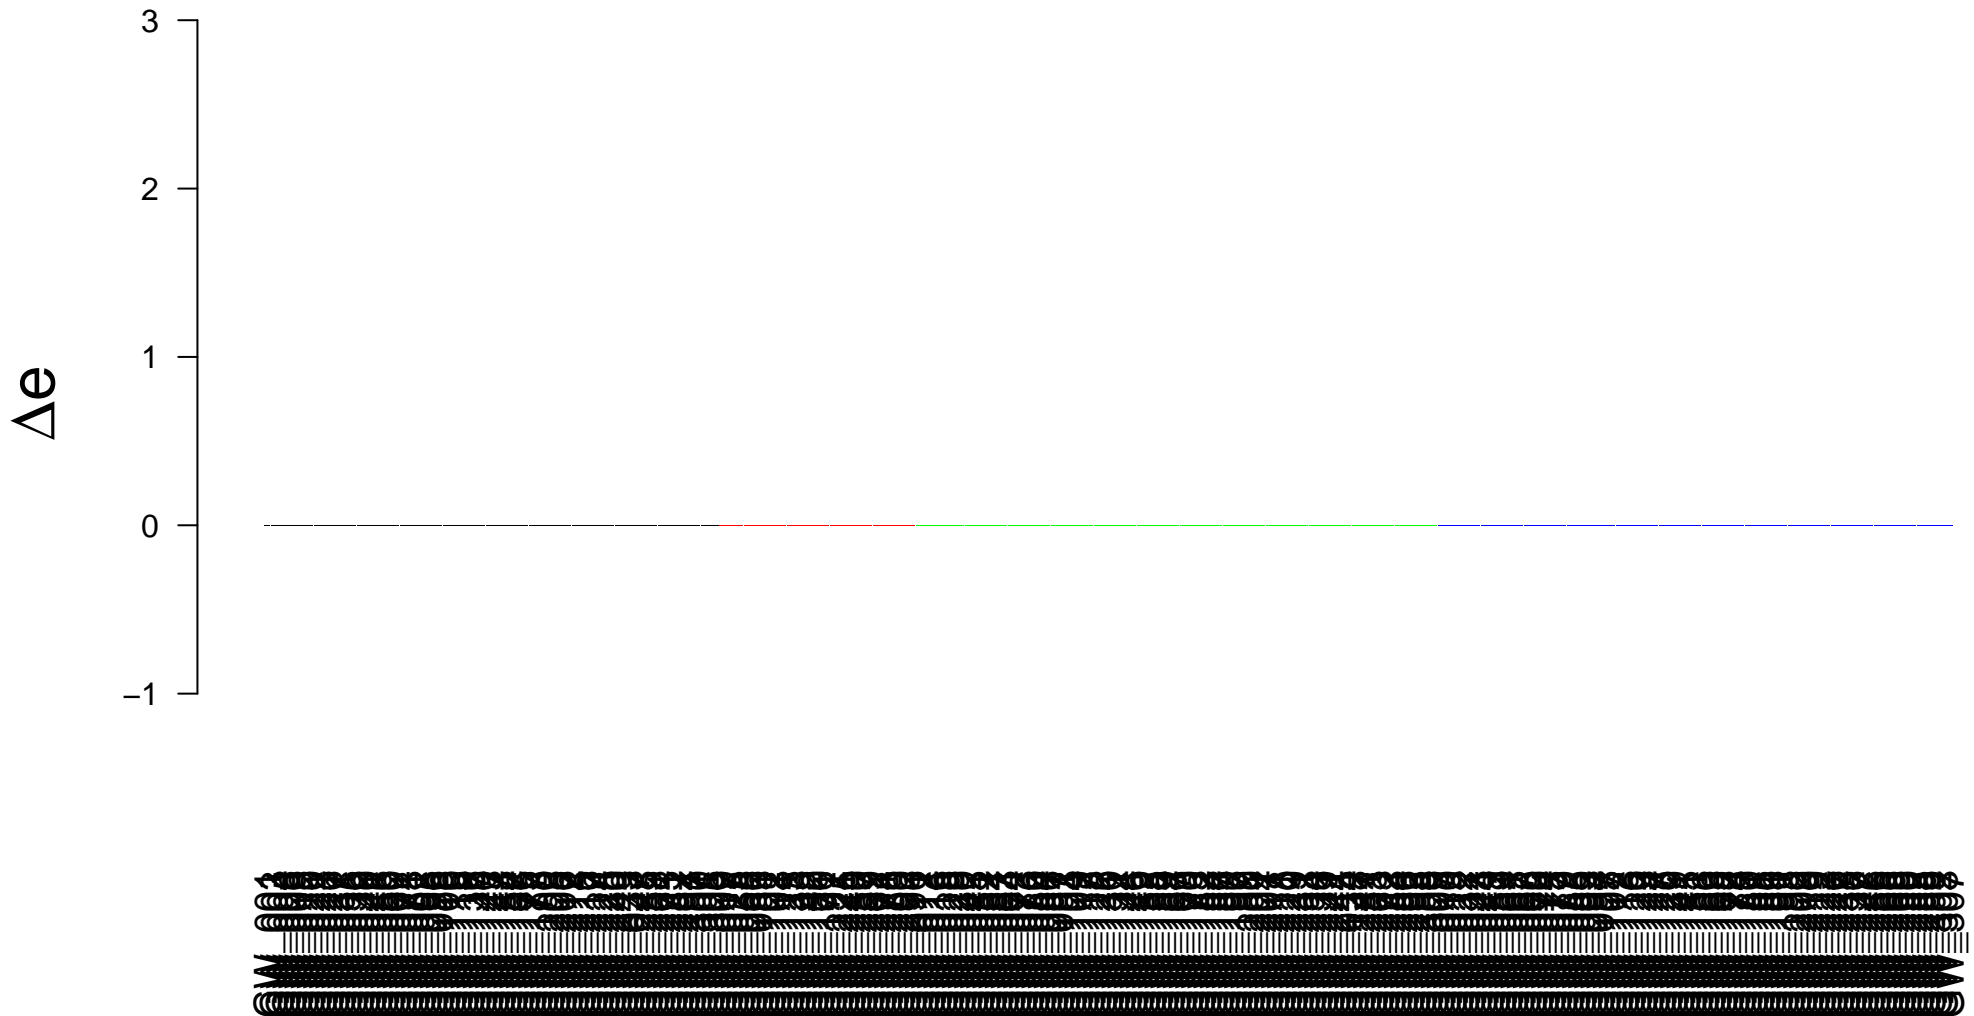

Expression of branching involved in salivary gland morphogenesis in Spot D

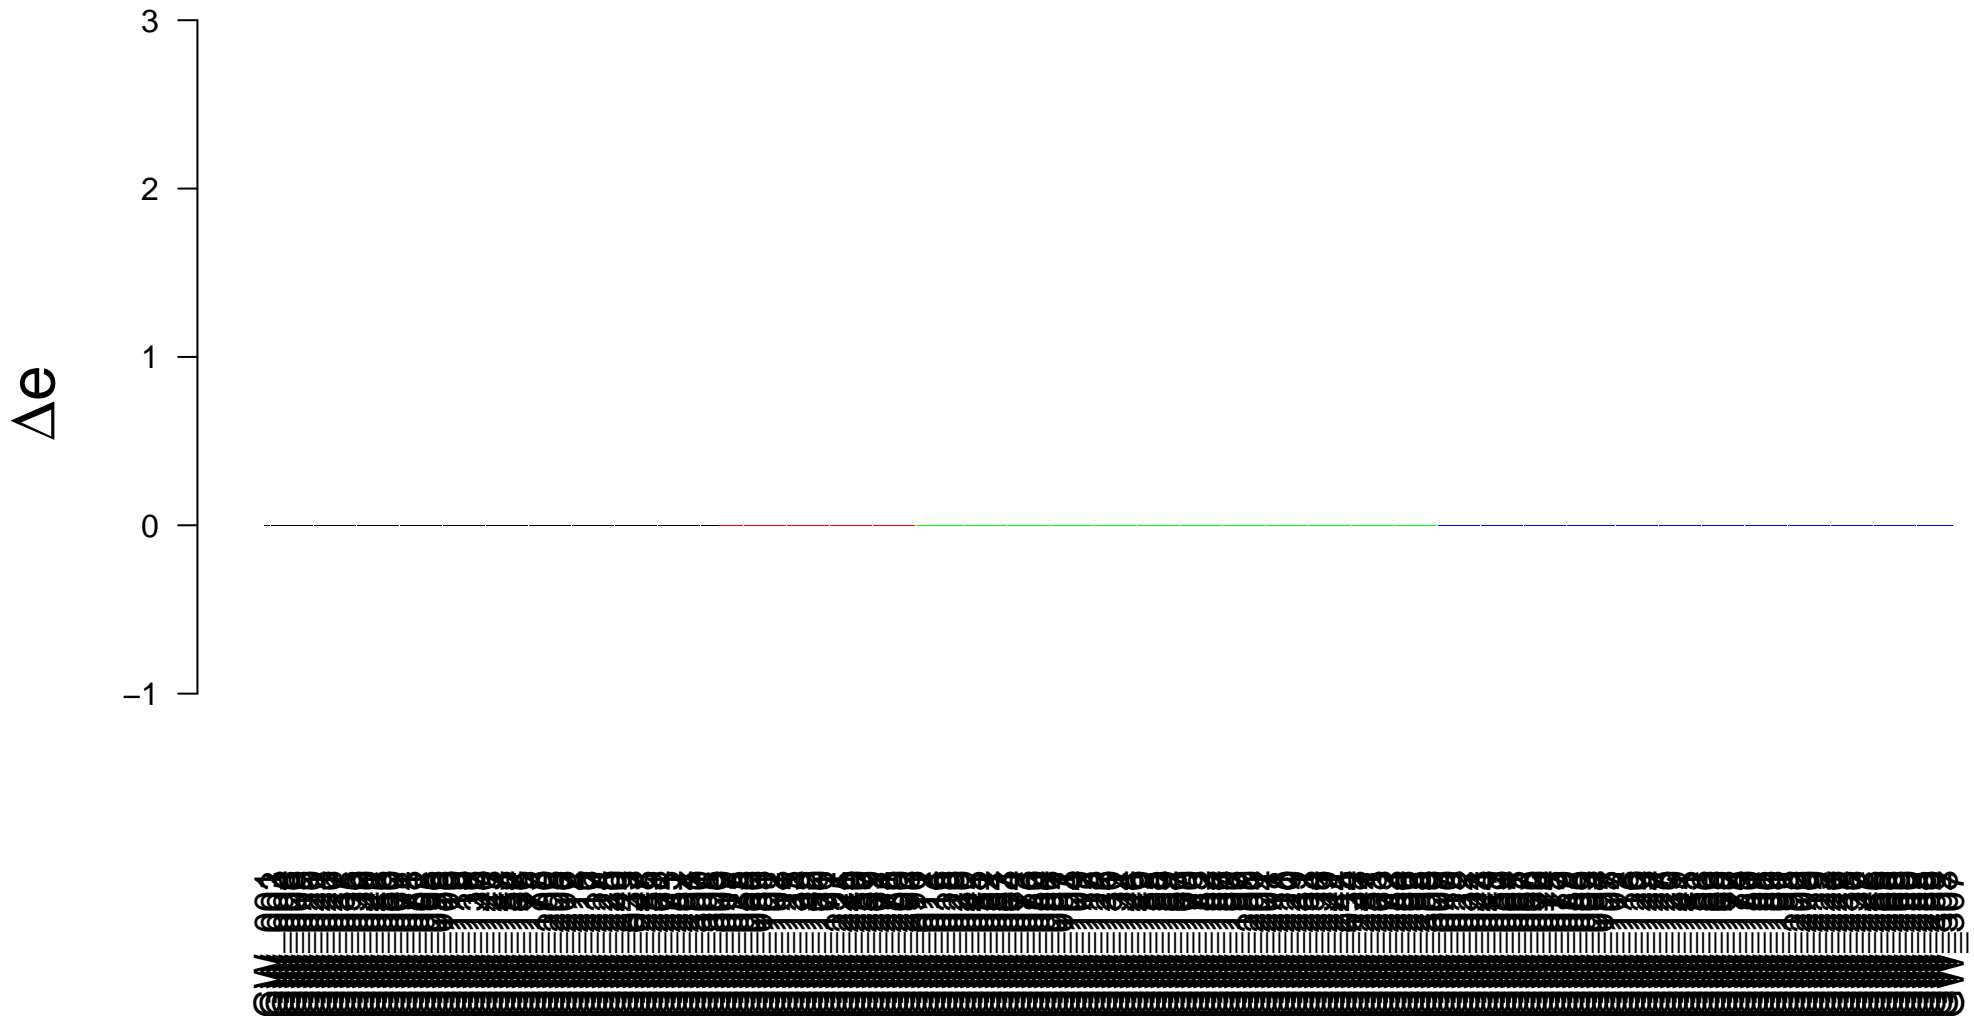

Expression of branching involved in salivary gland morphogenesis in Spot E

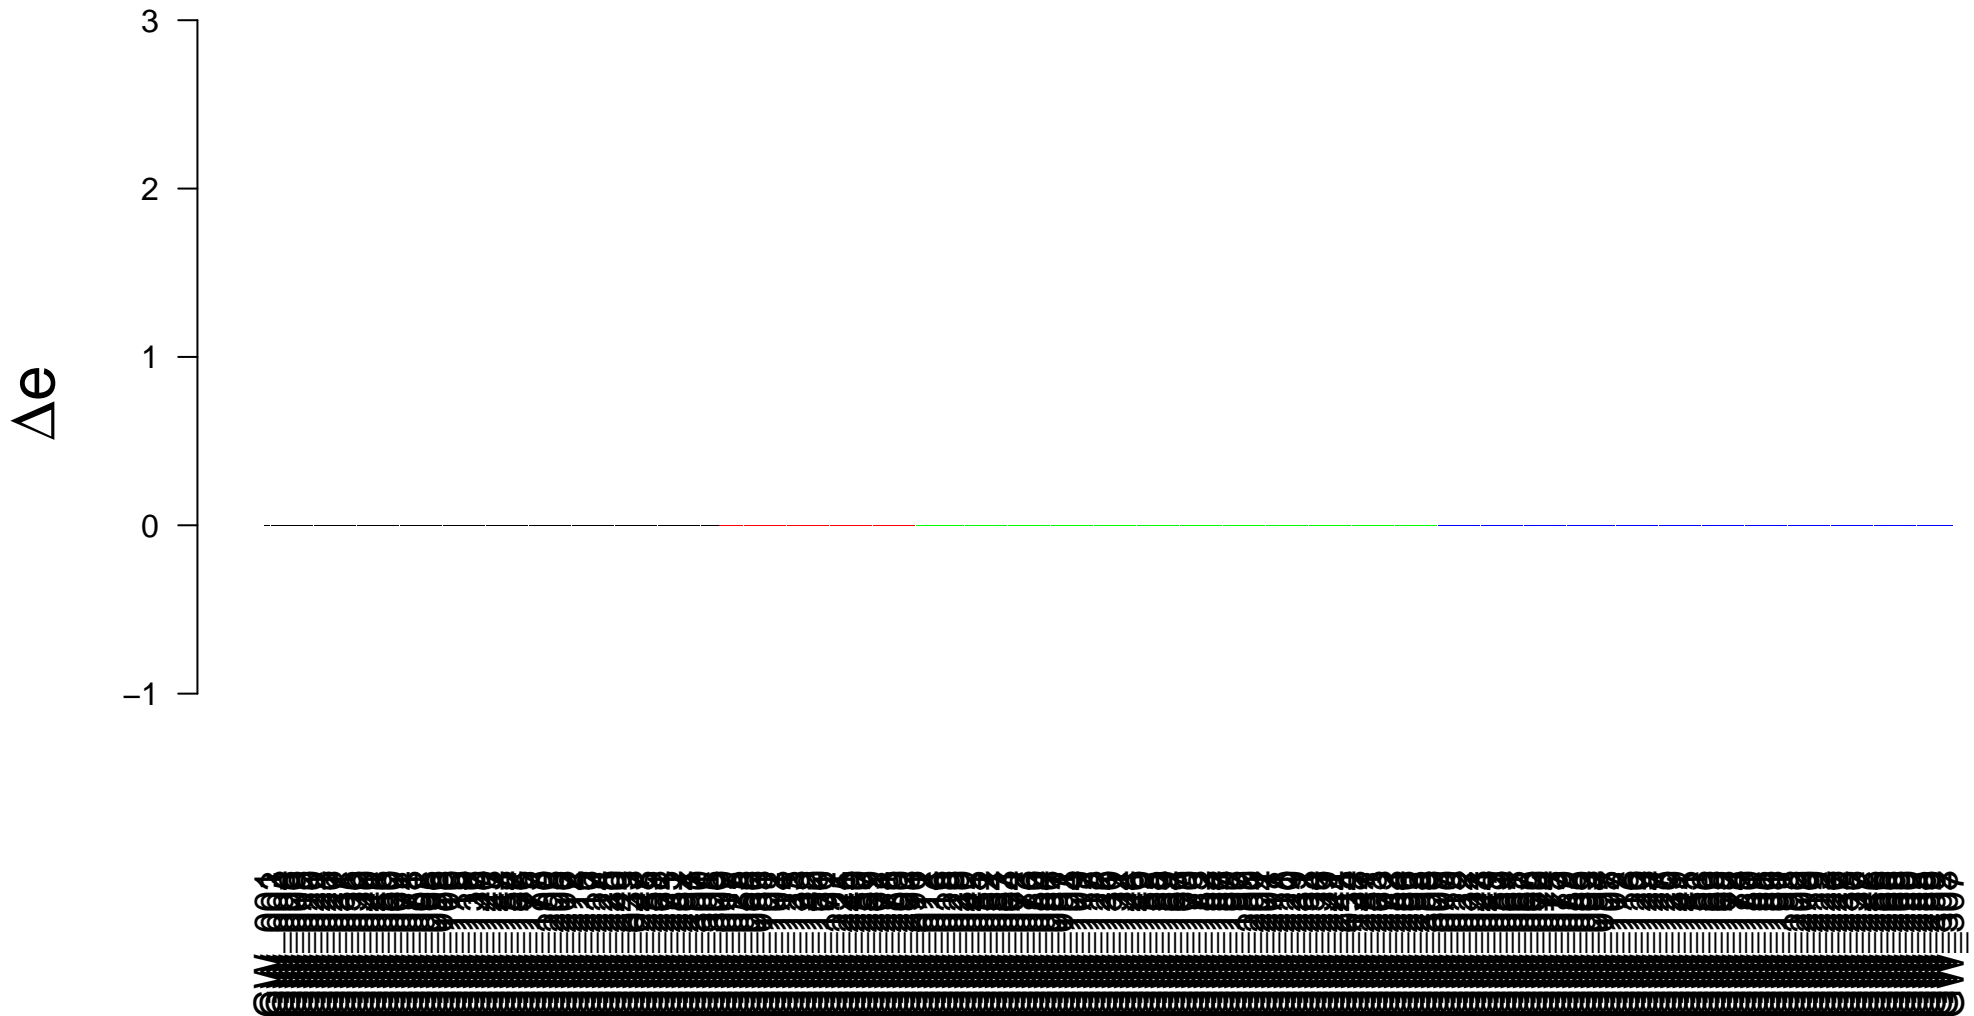

Expression of branching involved in salivary gland morphogenesis in Spot F

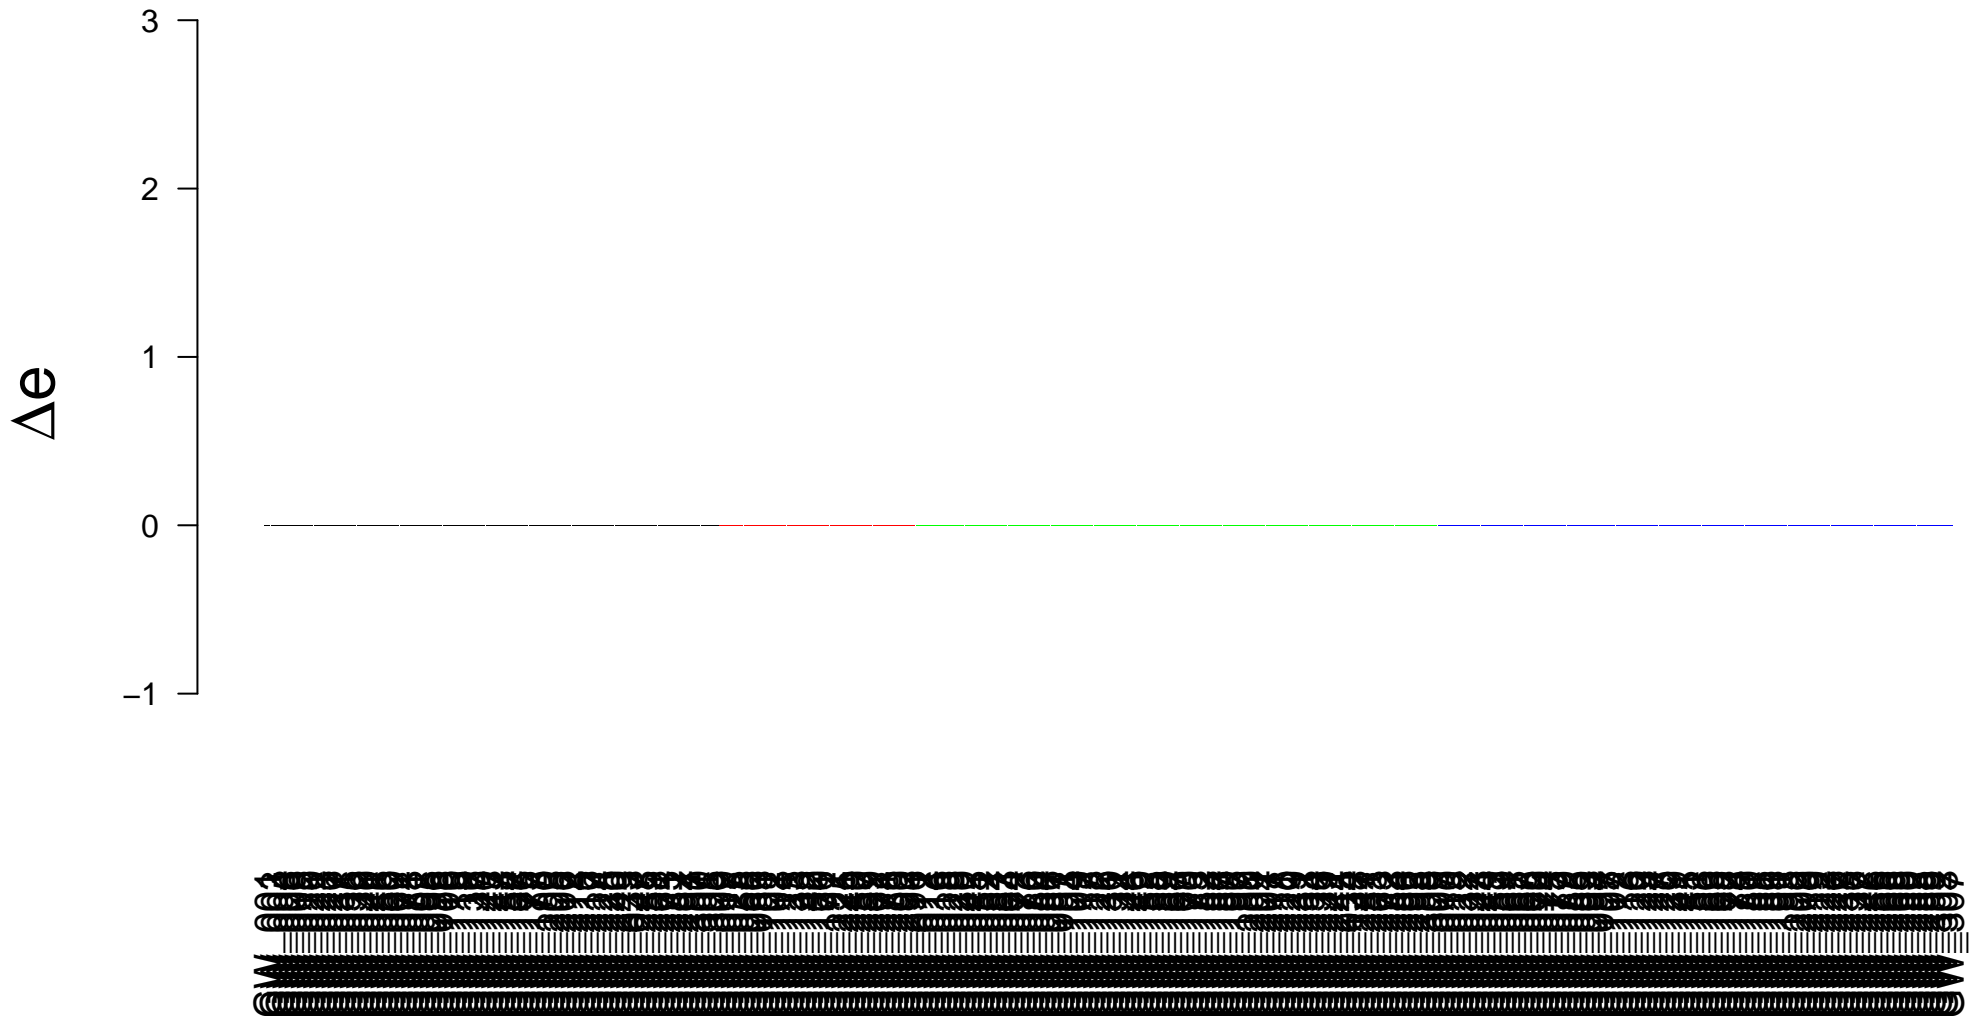

Expression of branching involved in salivary gland morphogenesis in Spot G

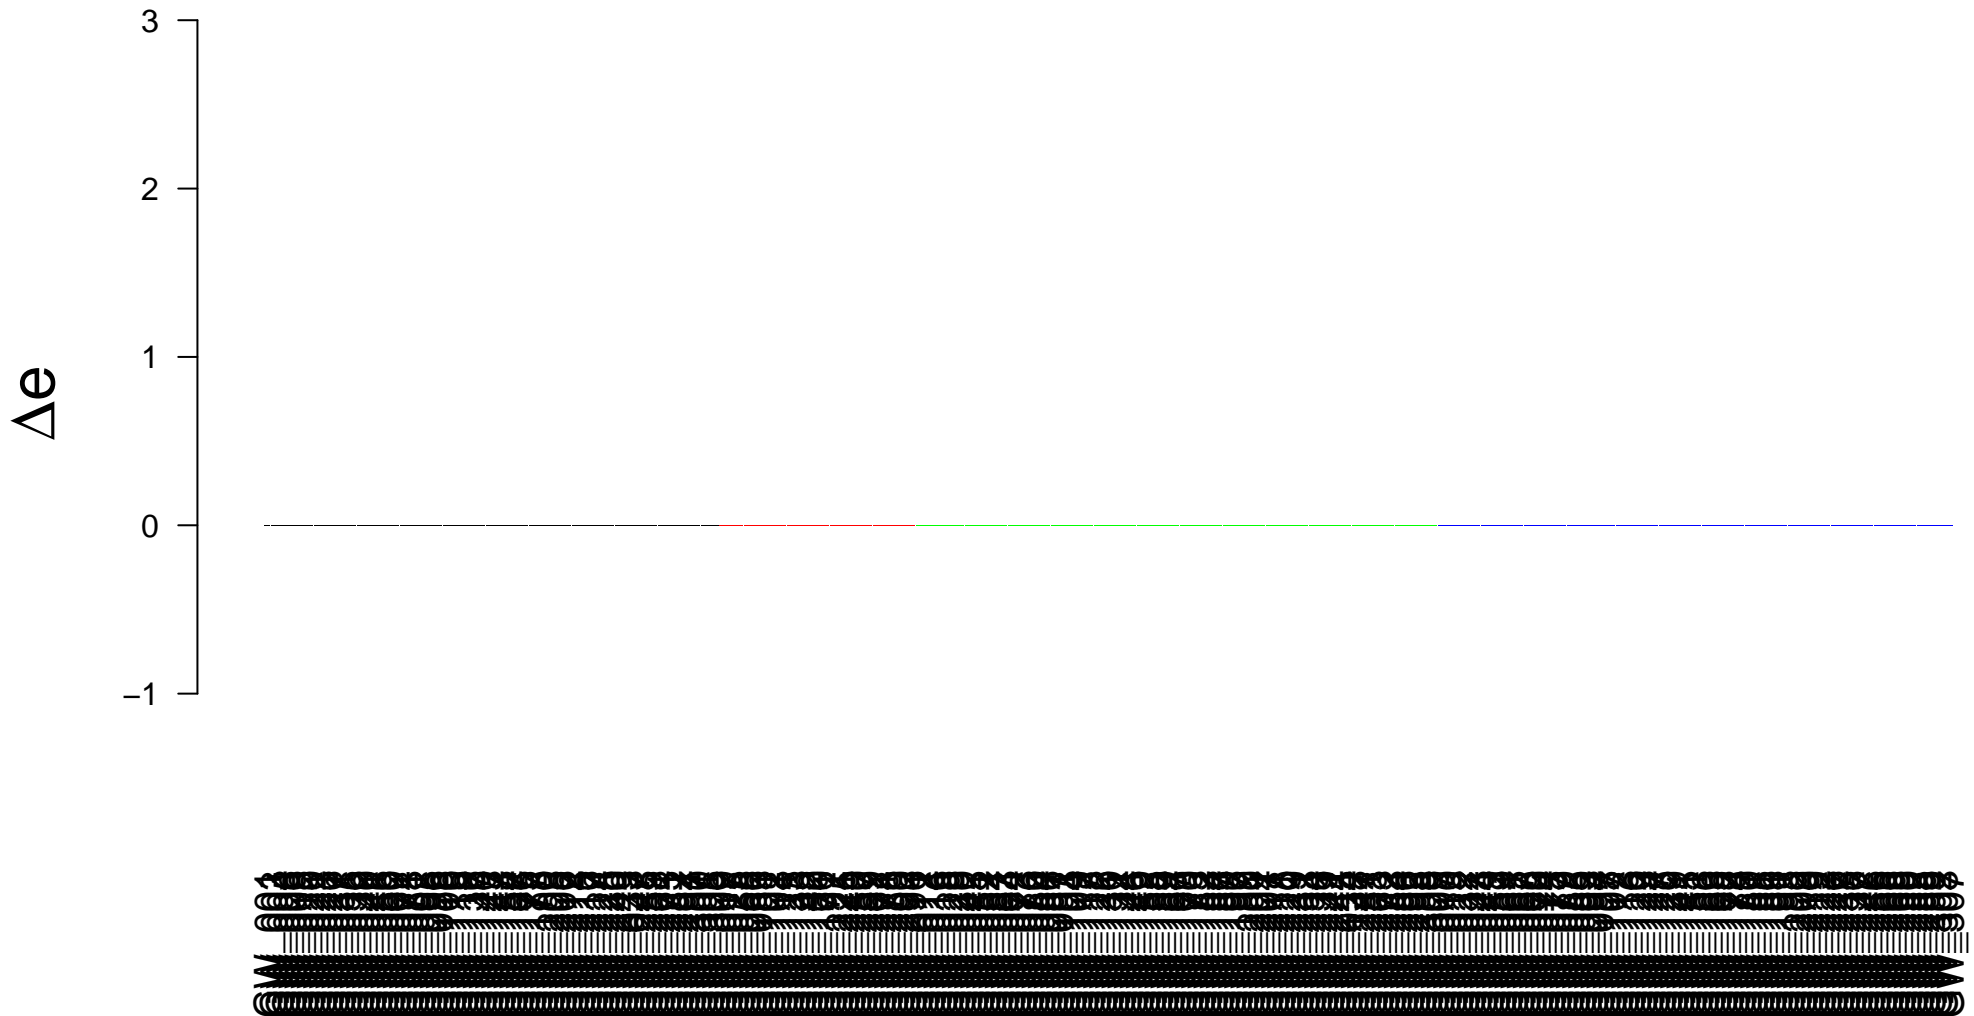

Expression of branching involved in salivary gland morphogenesis in Spot H

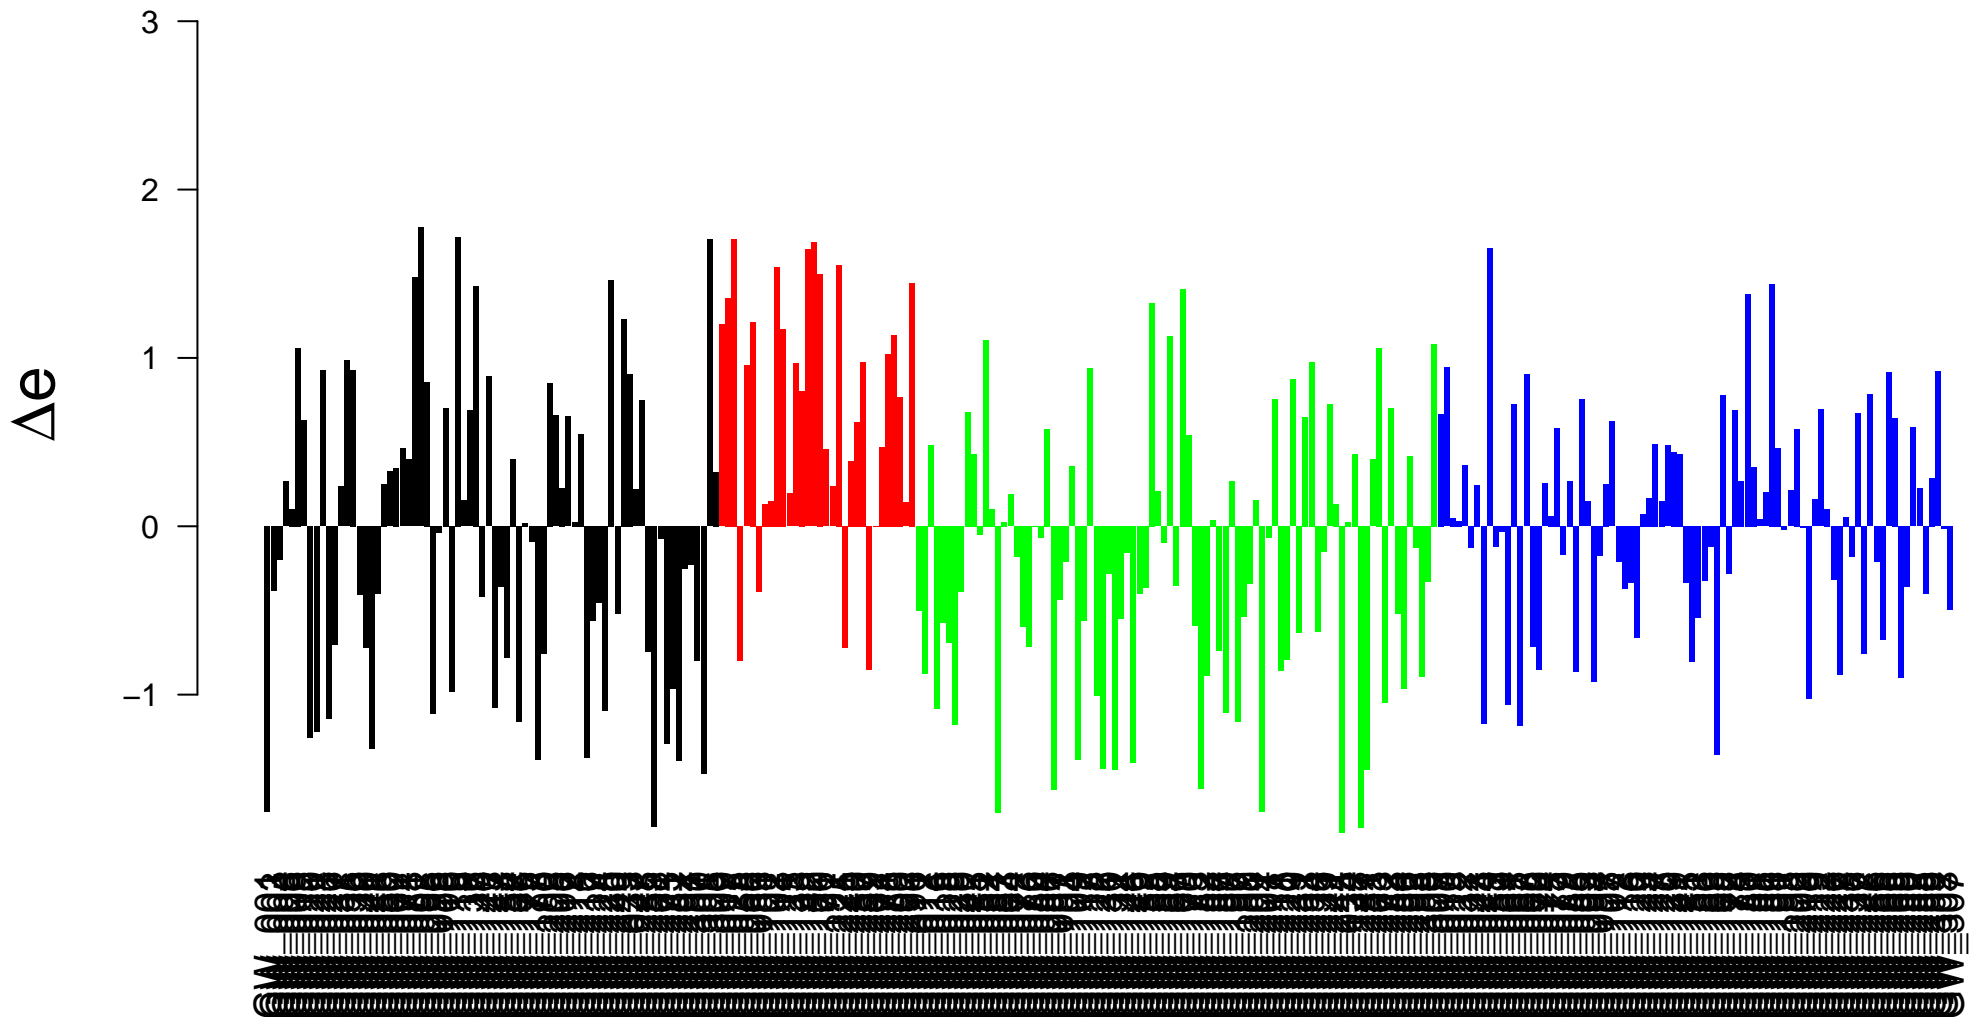

Expression of branching involved in salivary gland morphogenesis in Spot I

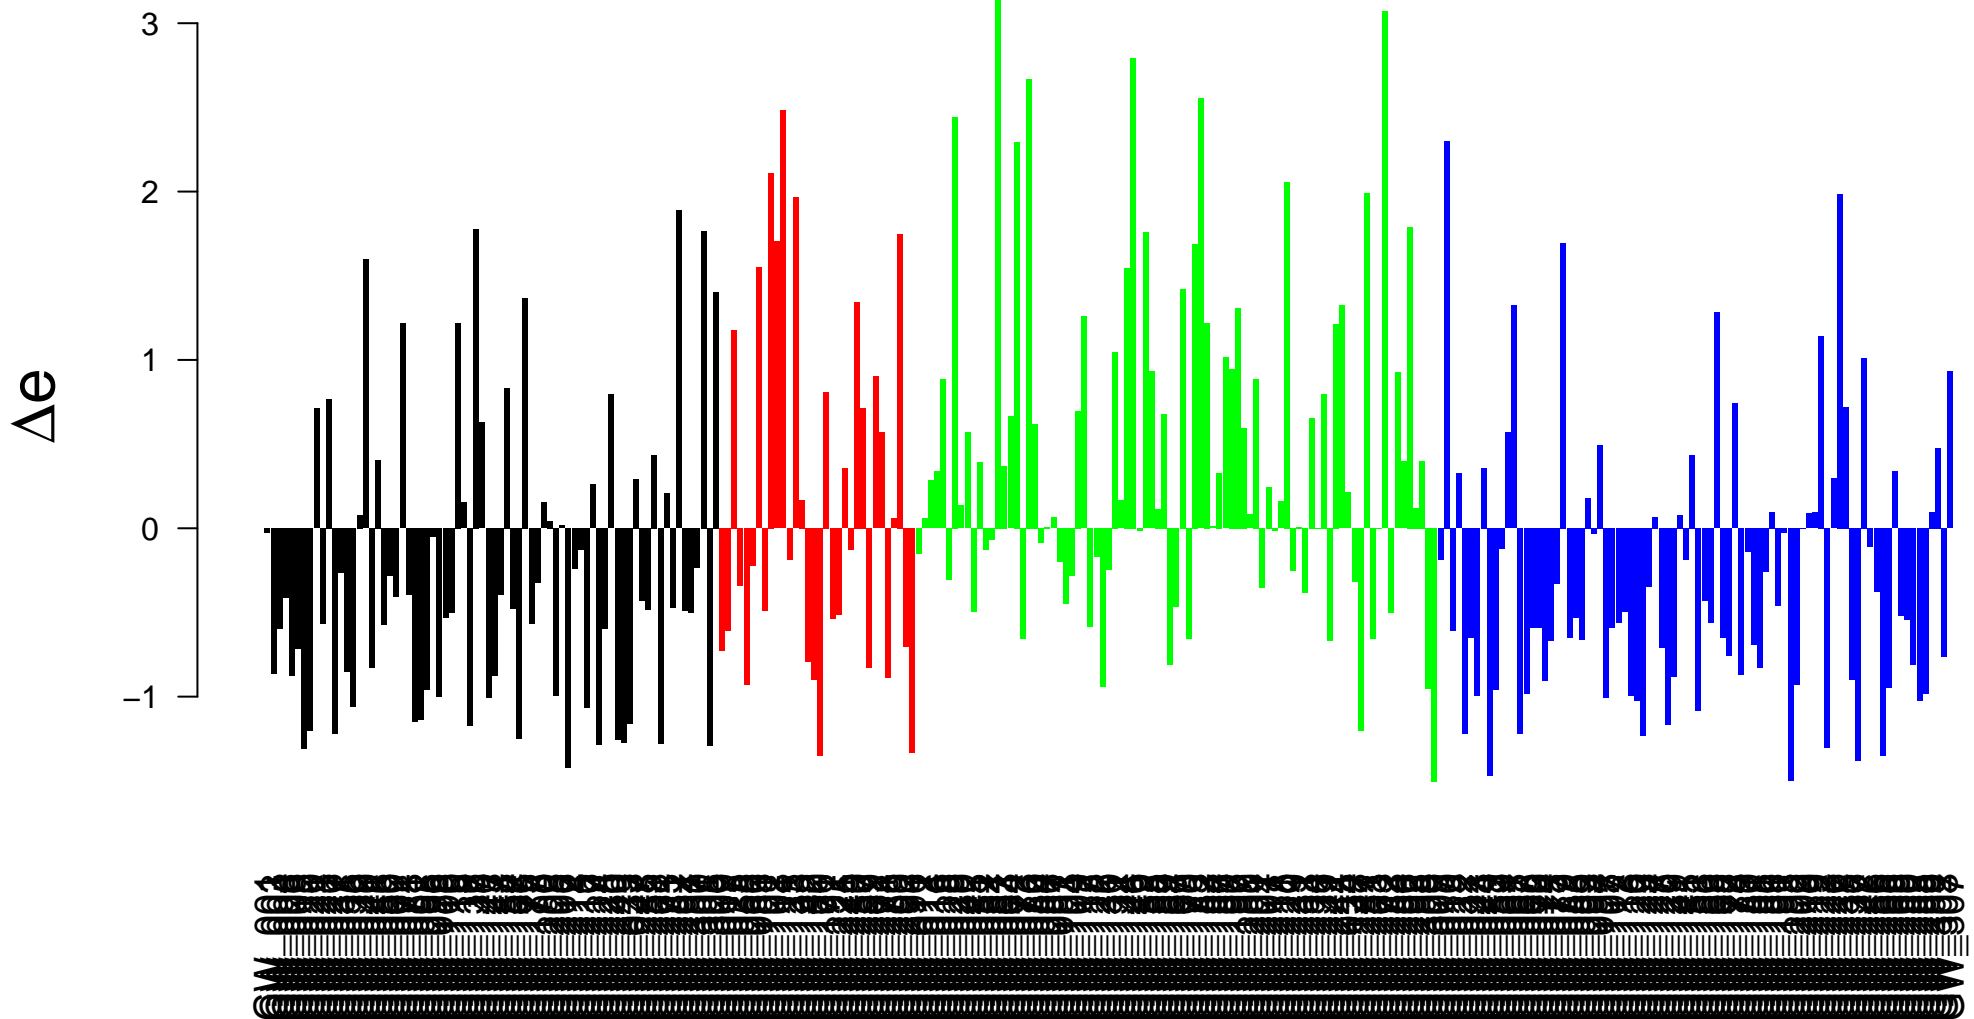

Expression of branching involved in salivary gland morphogenesis in Spot J

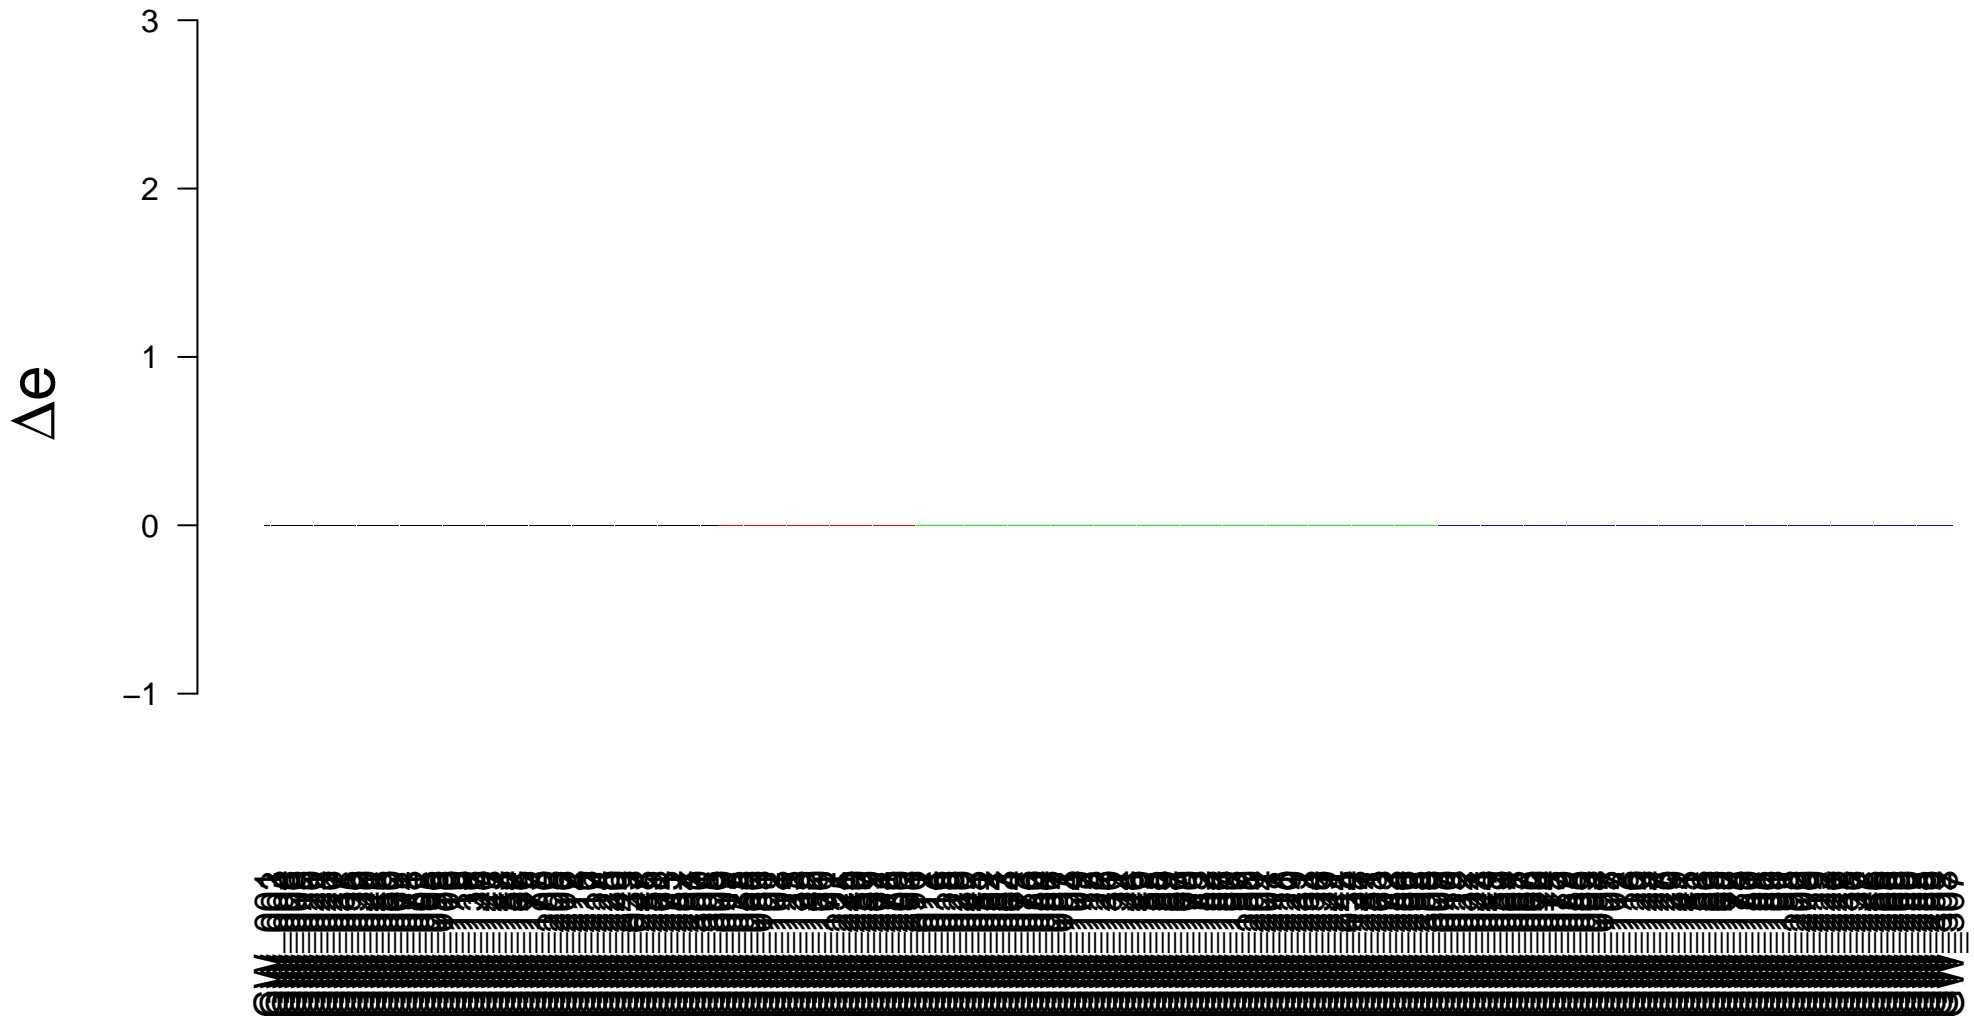

Expression of branching involved in salivary gland morphogenesis in Spot K

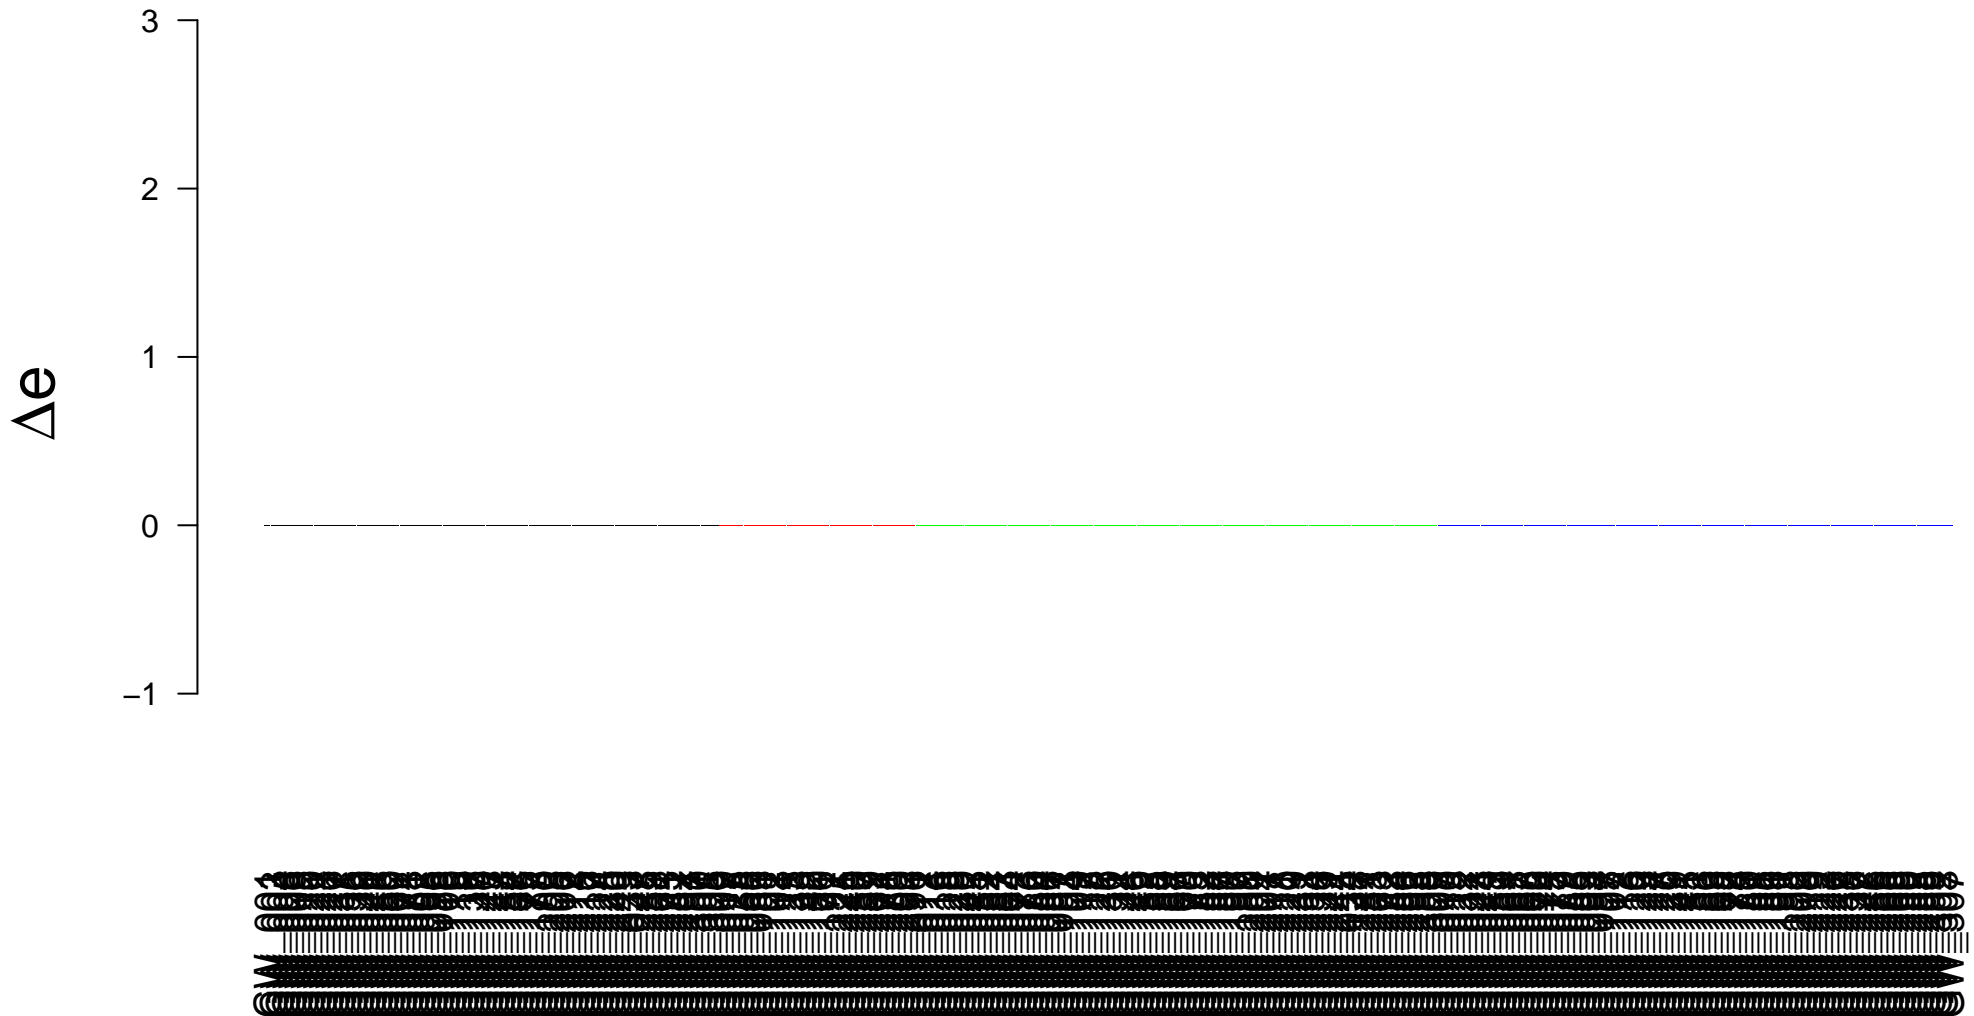

Expression of branching involved in salivary gland morphogenesis in Spot L

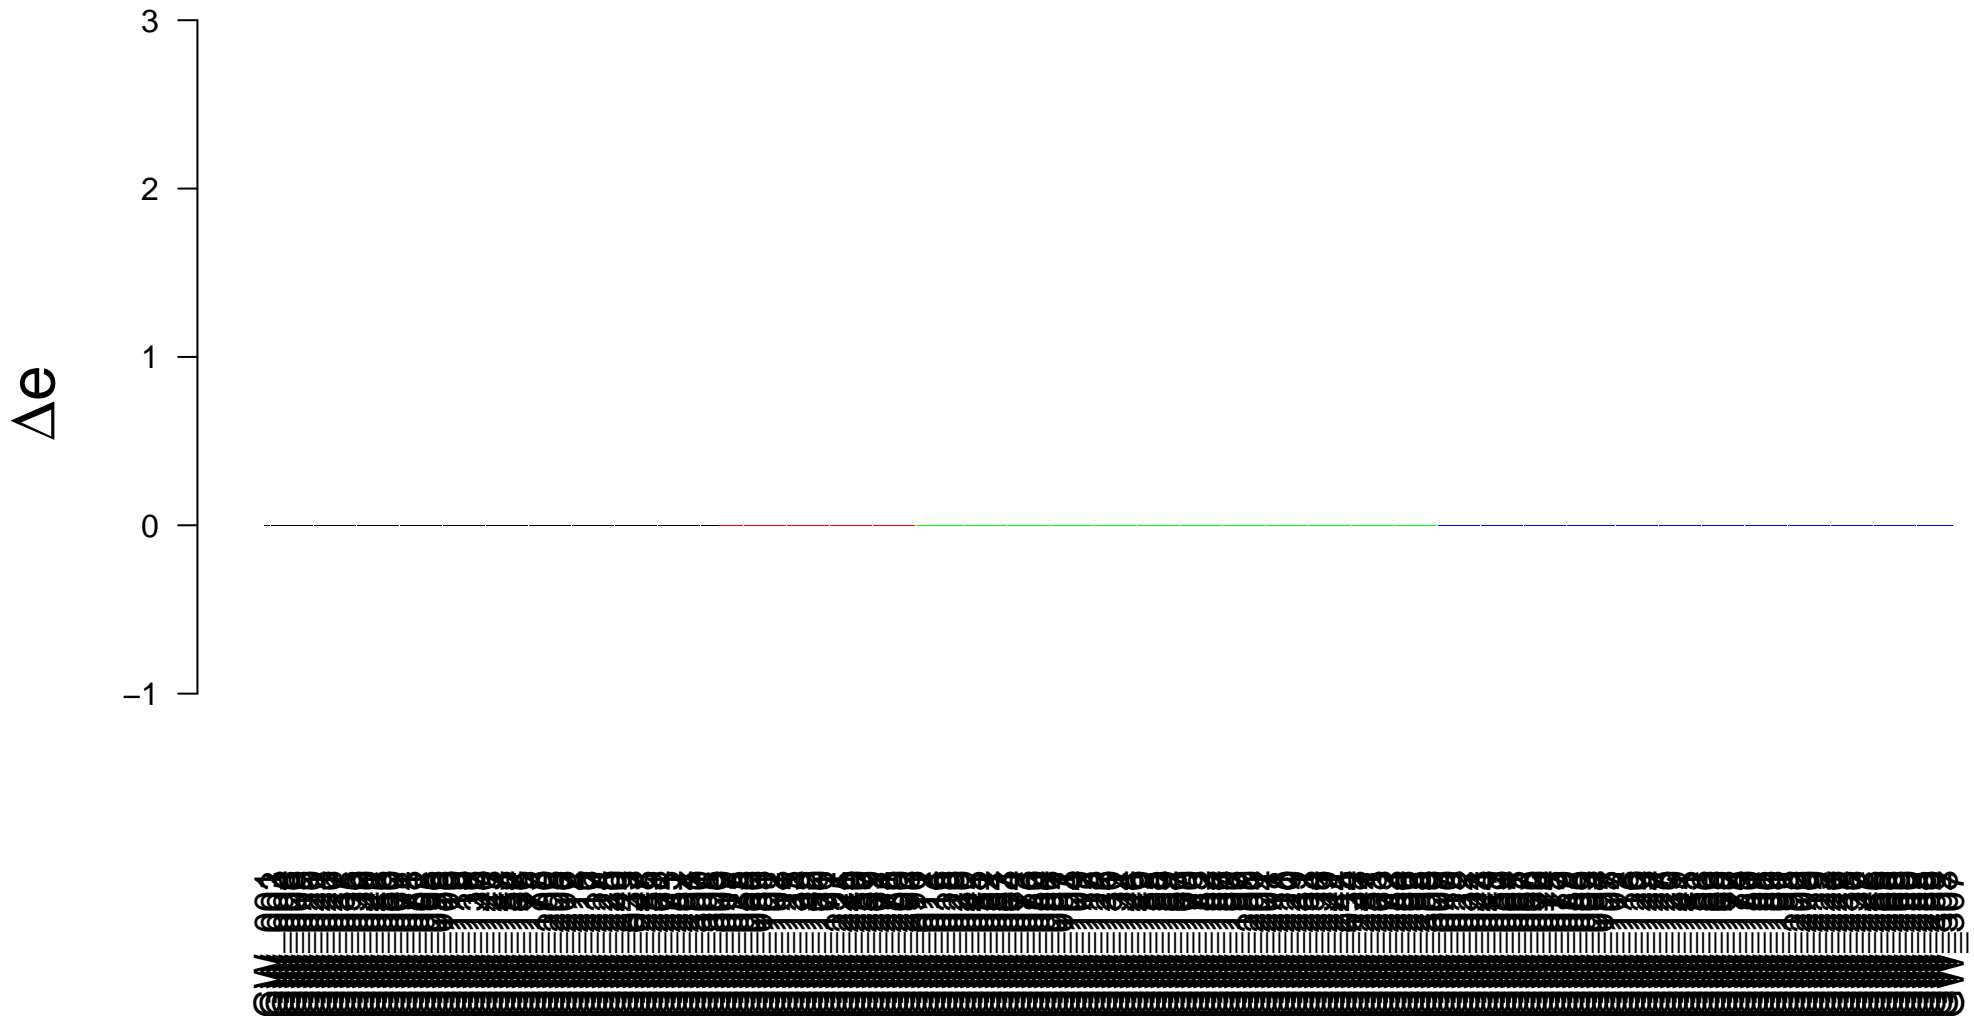

Expression of branching involved in salivary gland morphogenesis in Spot M

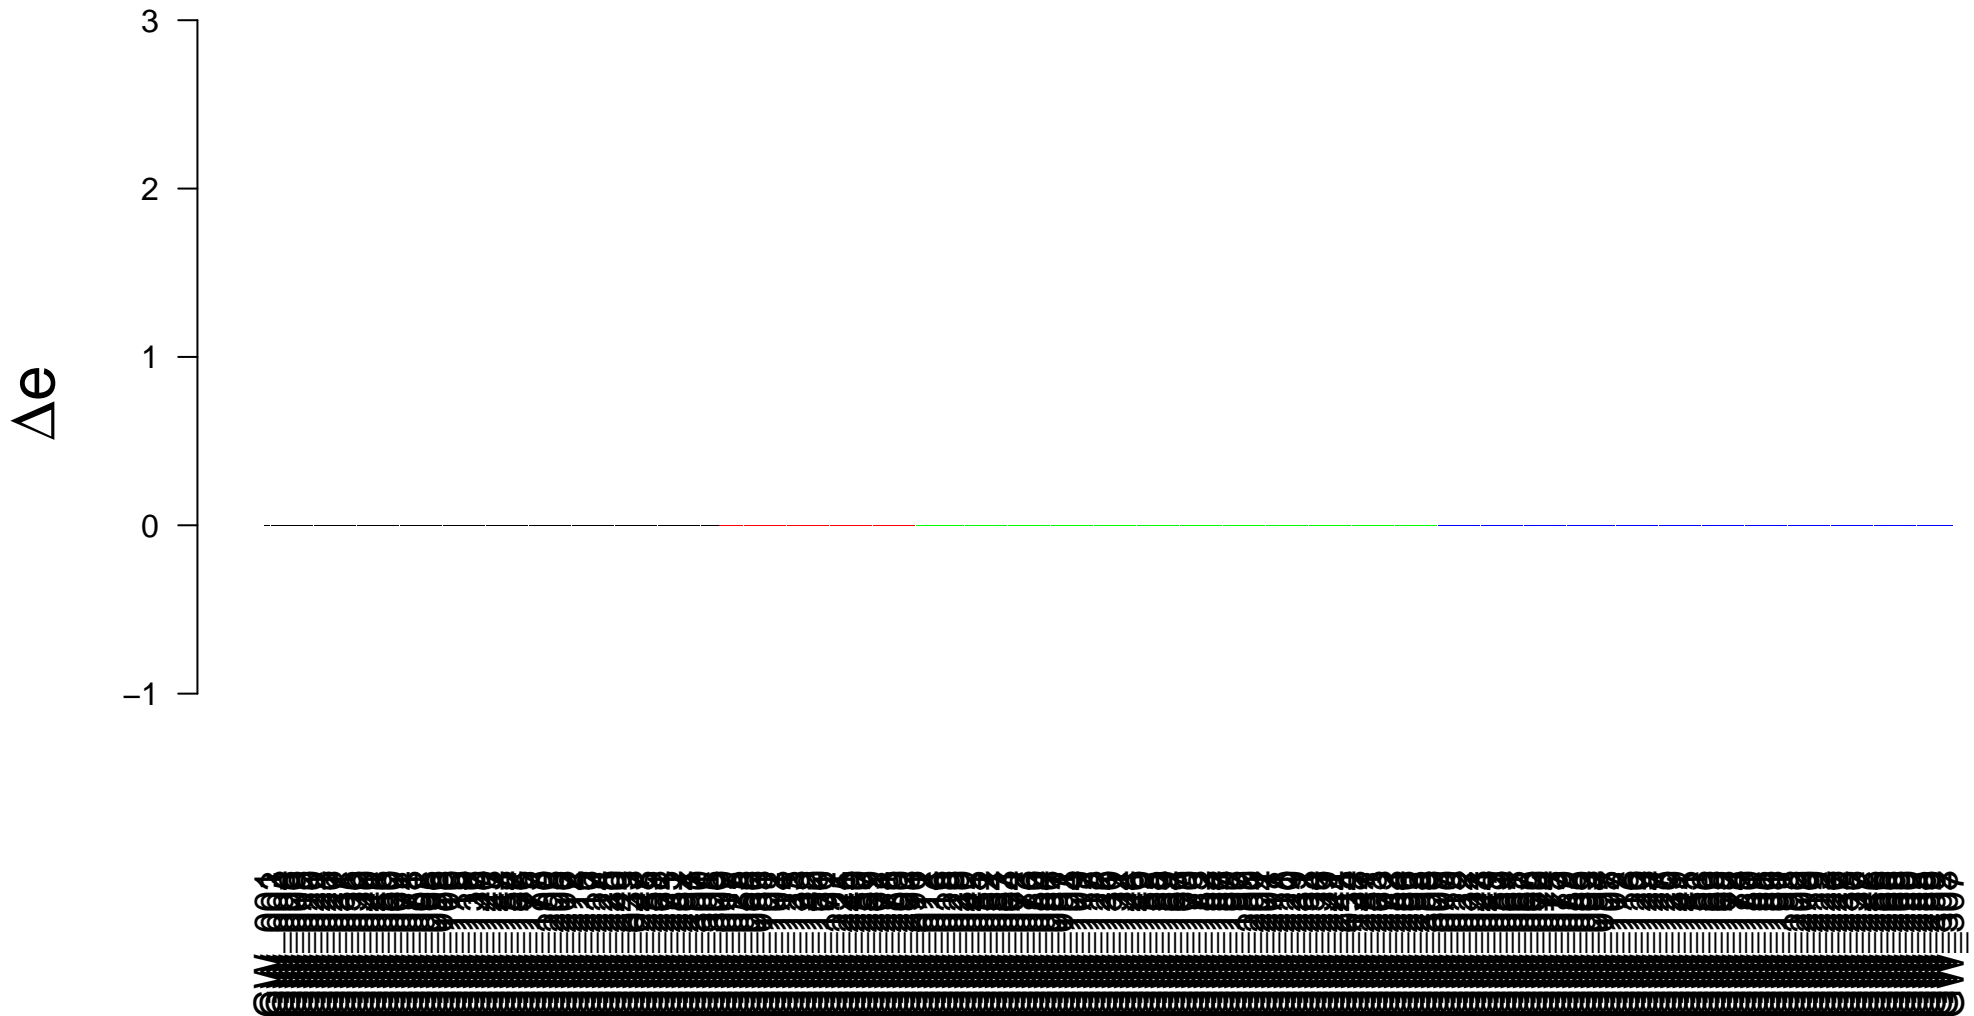

Expression of branching involved in salivary gland morphogenesis in Spot N

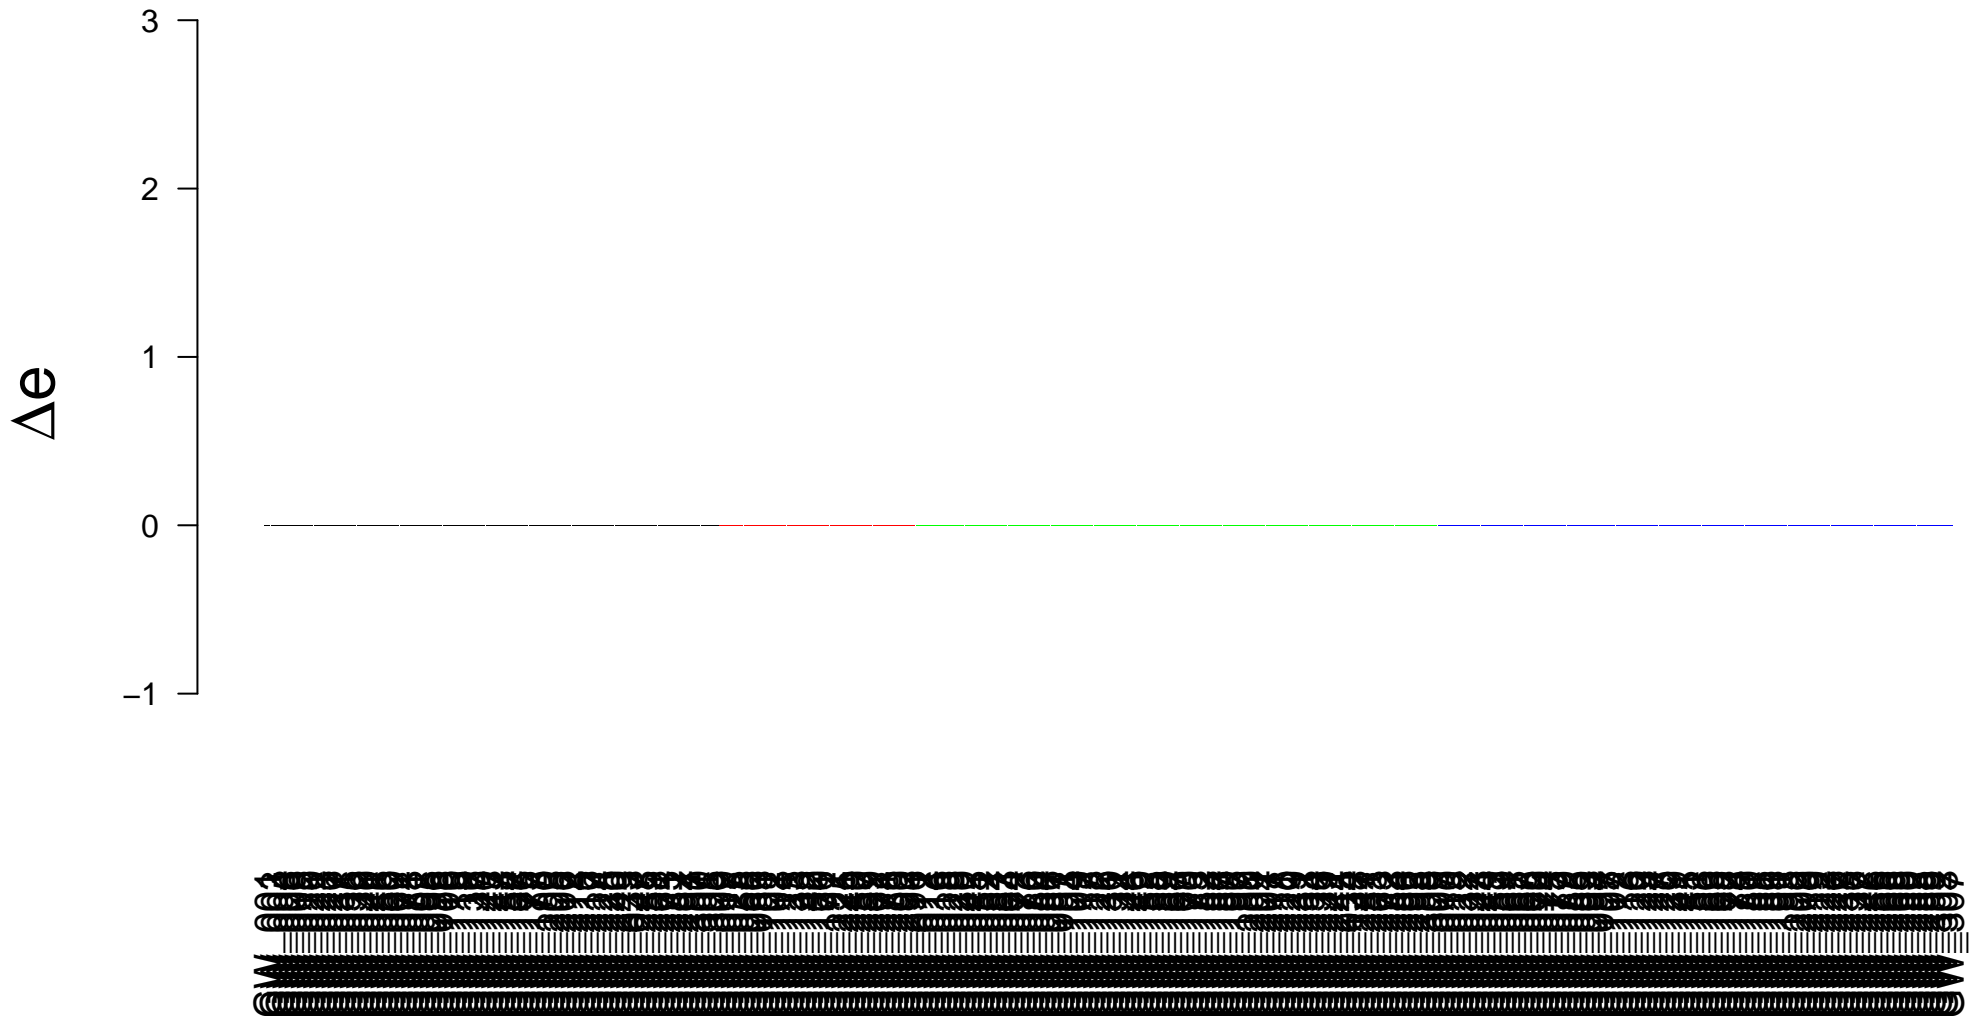

Expression of branching involved in salivary gland morphogenesis in Spot O

Expression of branching involved in salivary gland morphogenesis in Spot P

Expression of branching involved in salivary gland morphogenesis in Spot Q

Expression of branching involved in salivary gland morphogenesis in Spot R
