

cGMP biosynthetic process

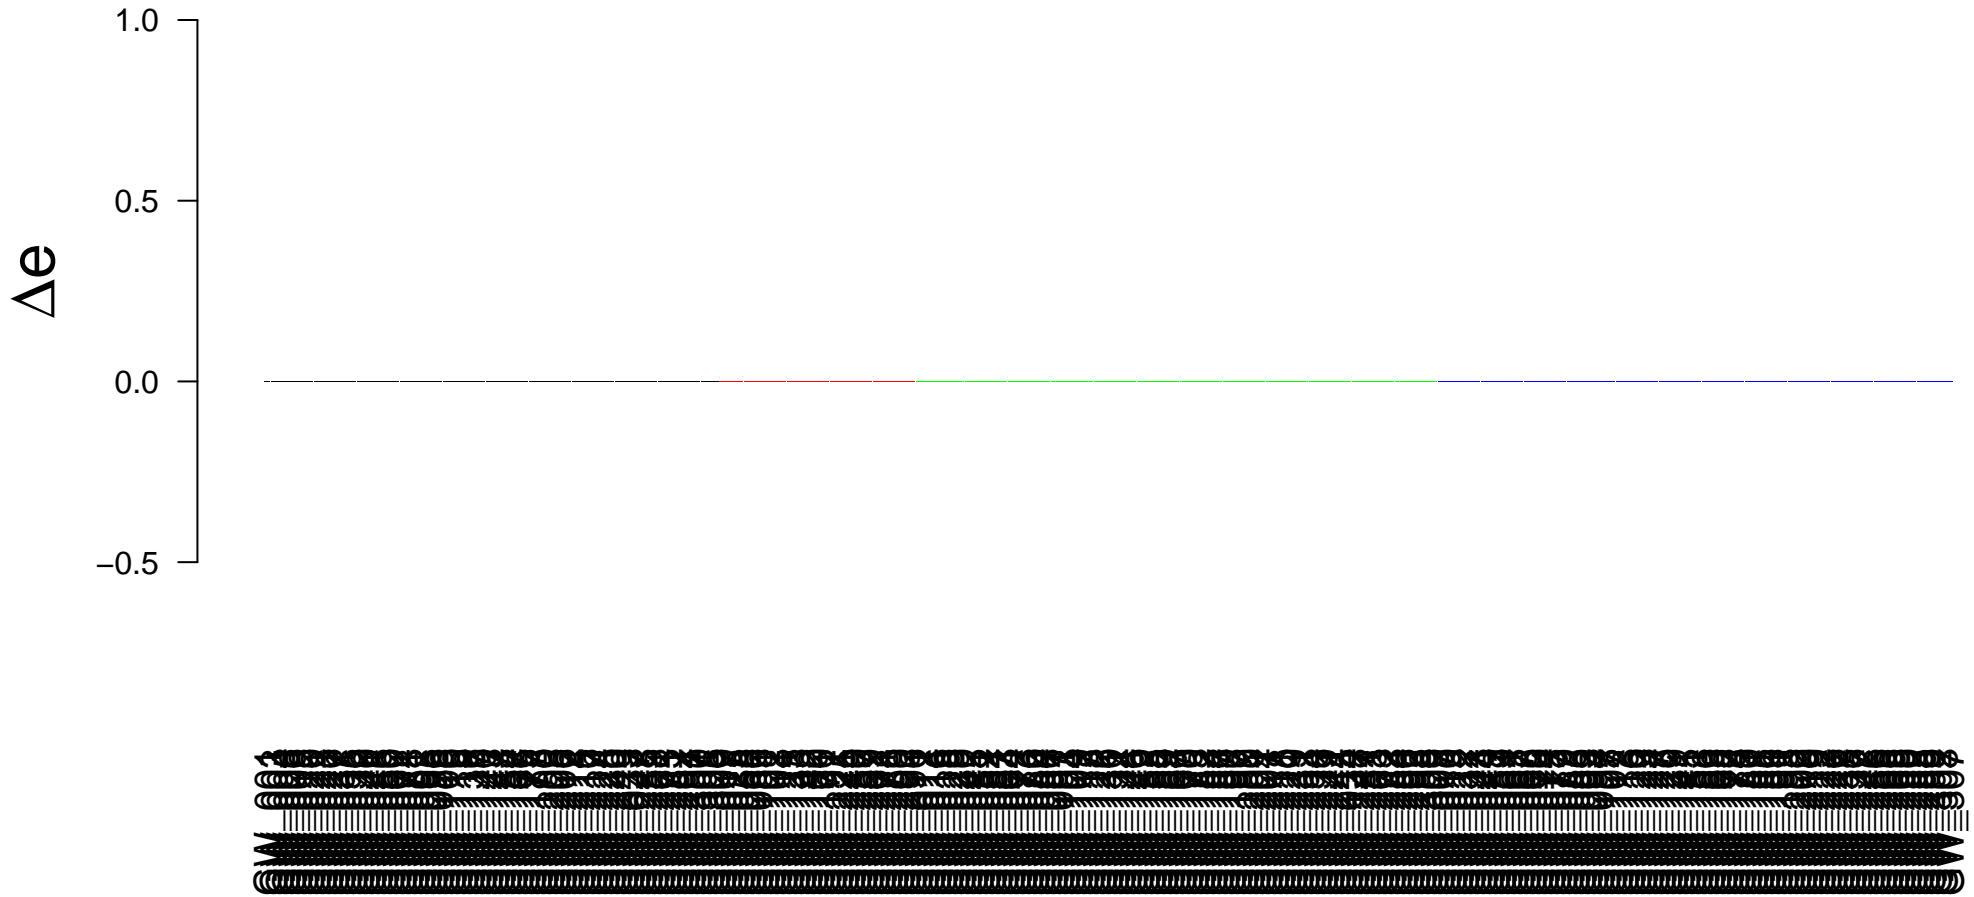

cGMP biosynthetic process

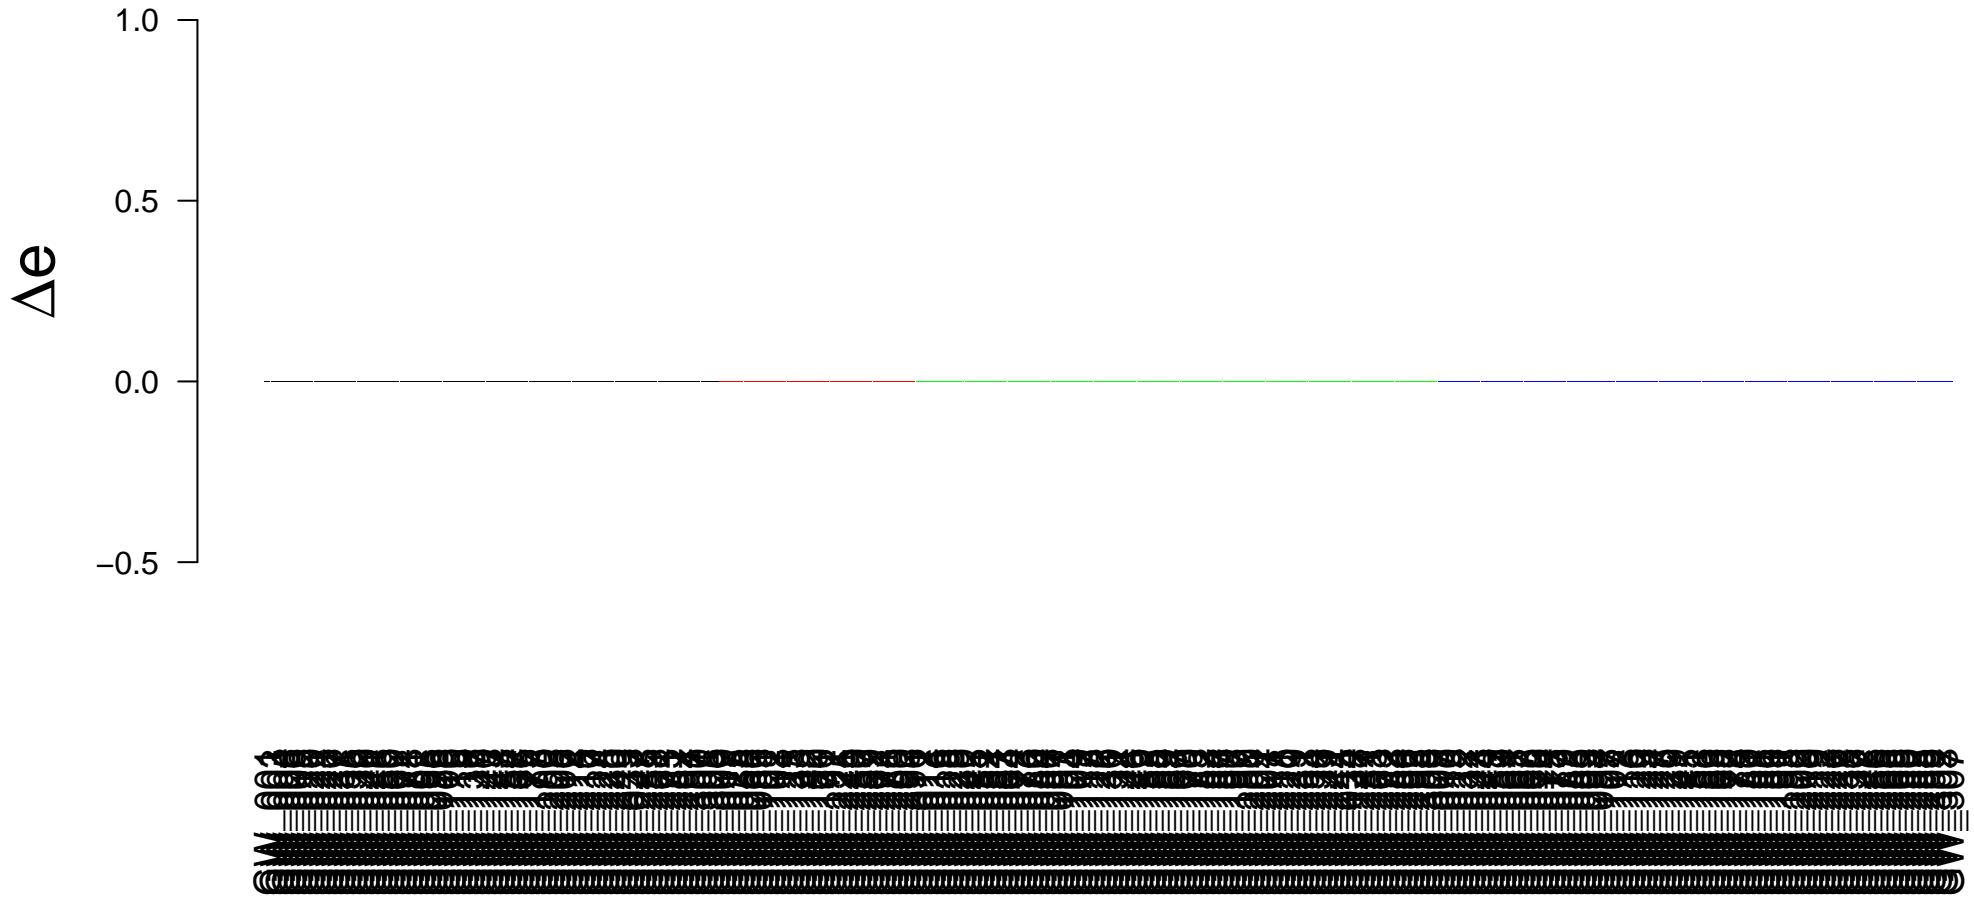

Enrichment in spots: cGMP biosynthetic process

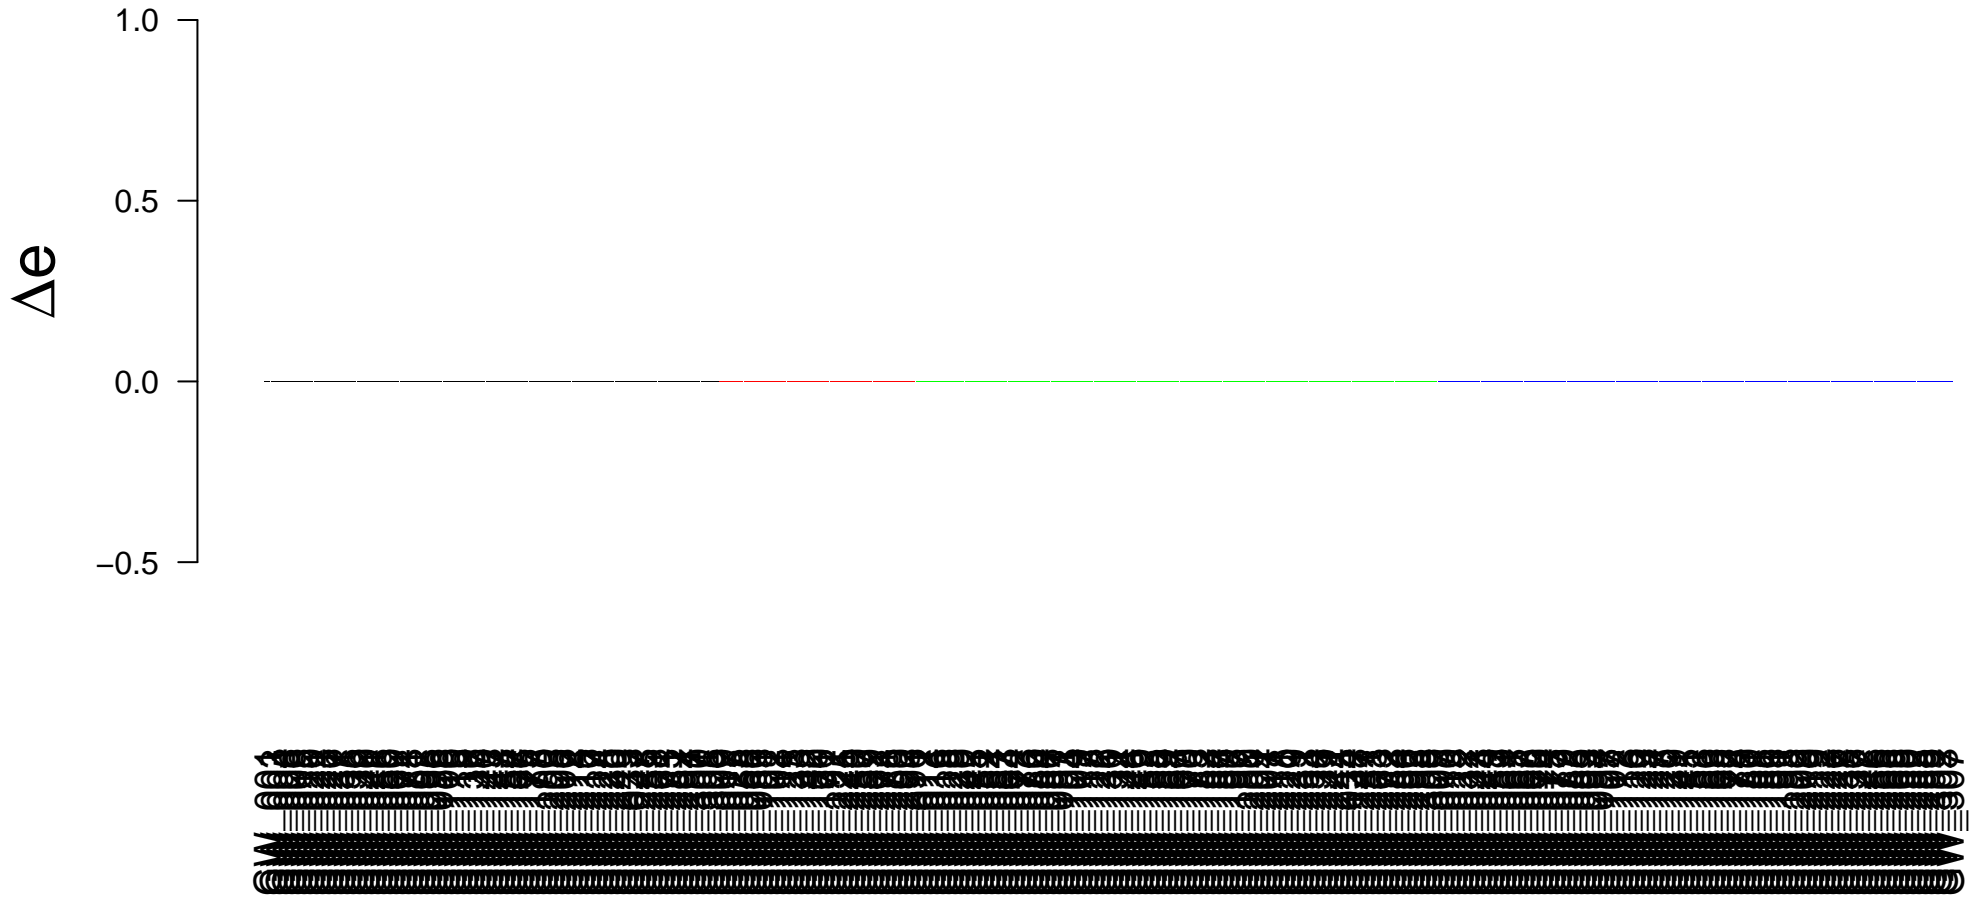

Expression of cGMP biosynthetic process in Spot A

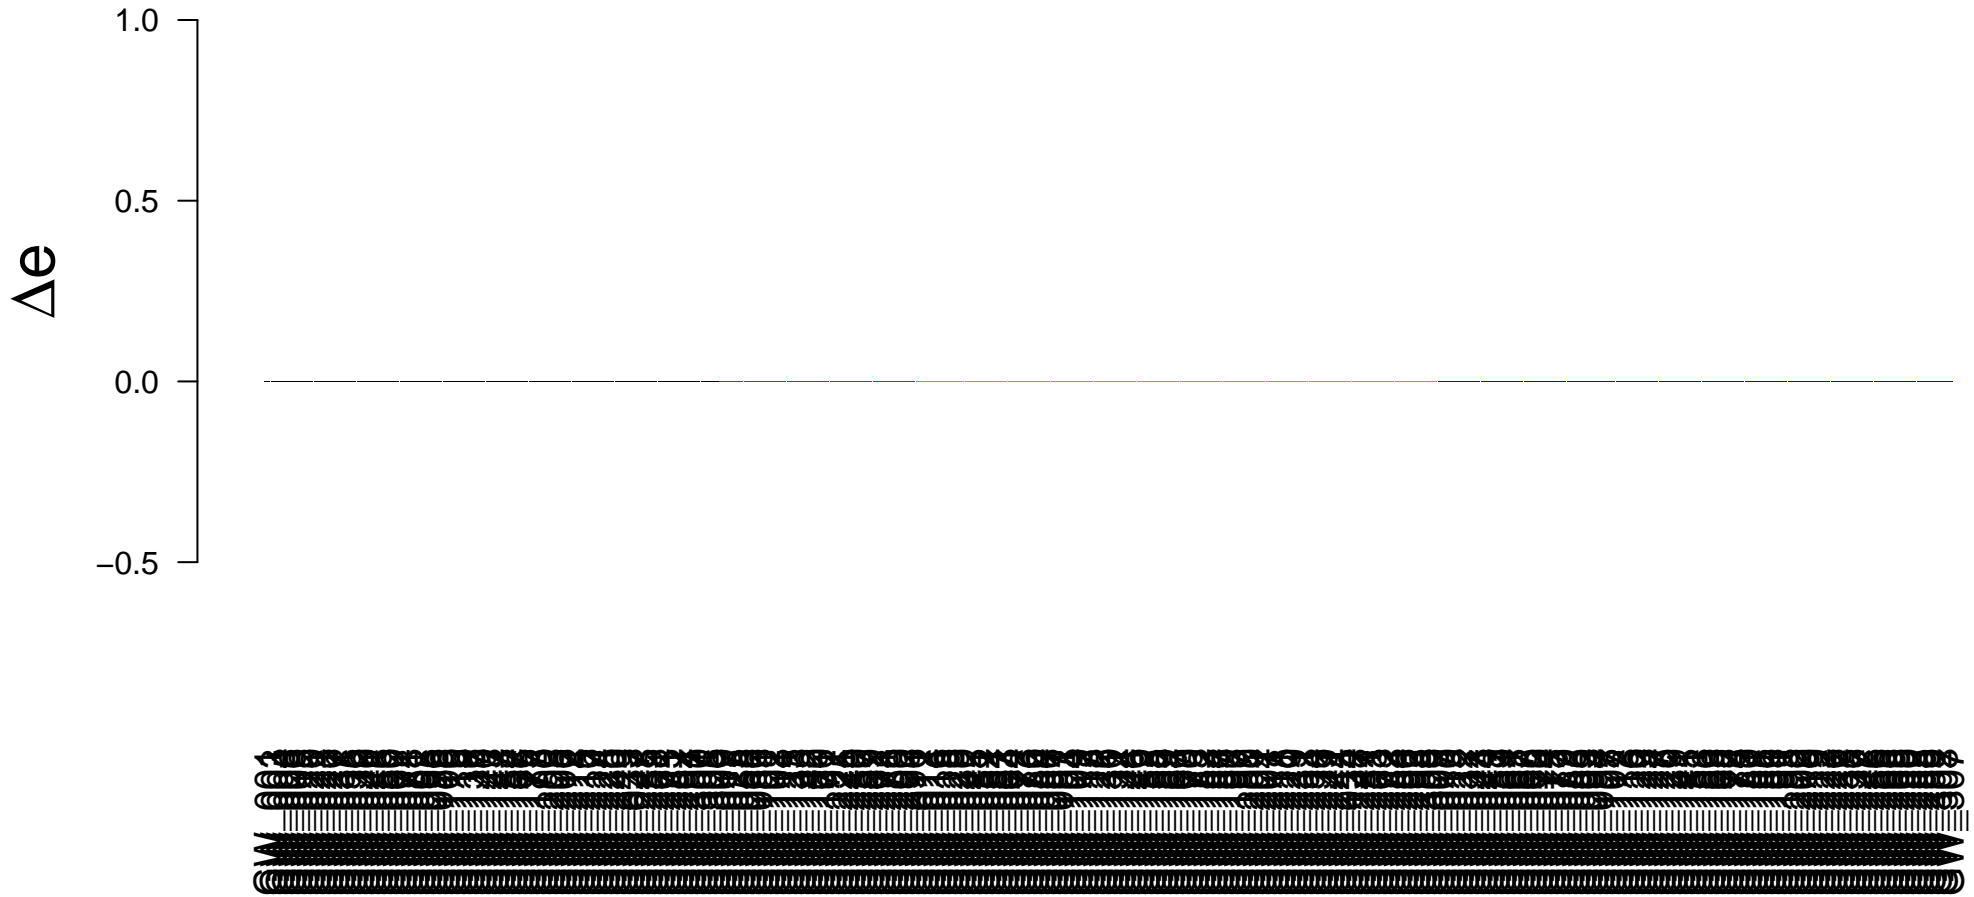

Expression of cGMP biosynthetic process in Spot B

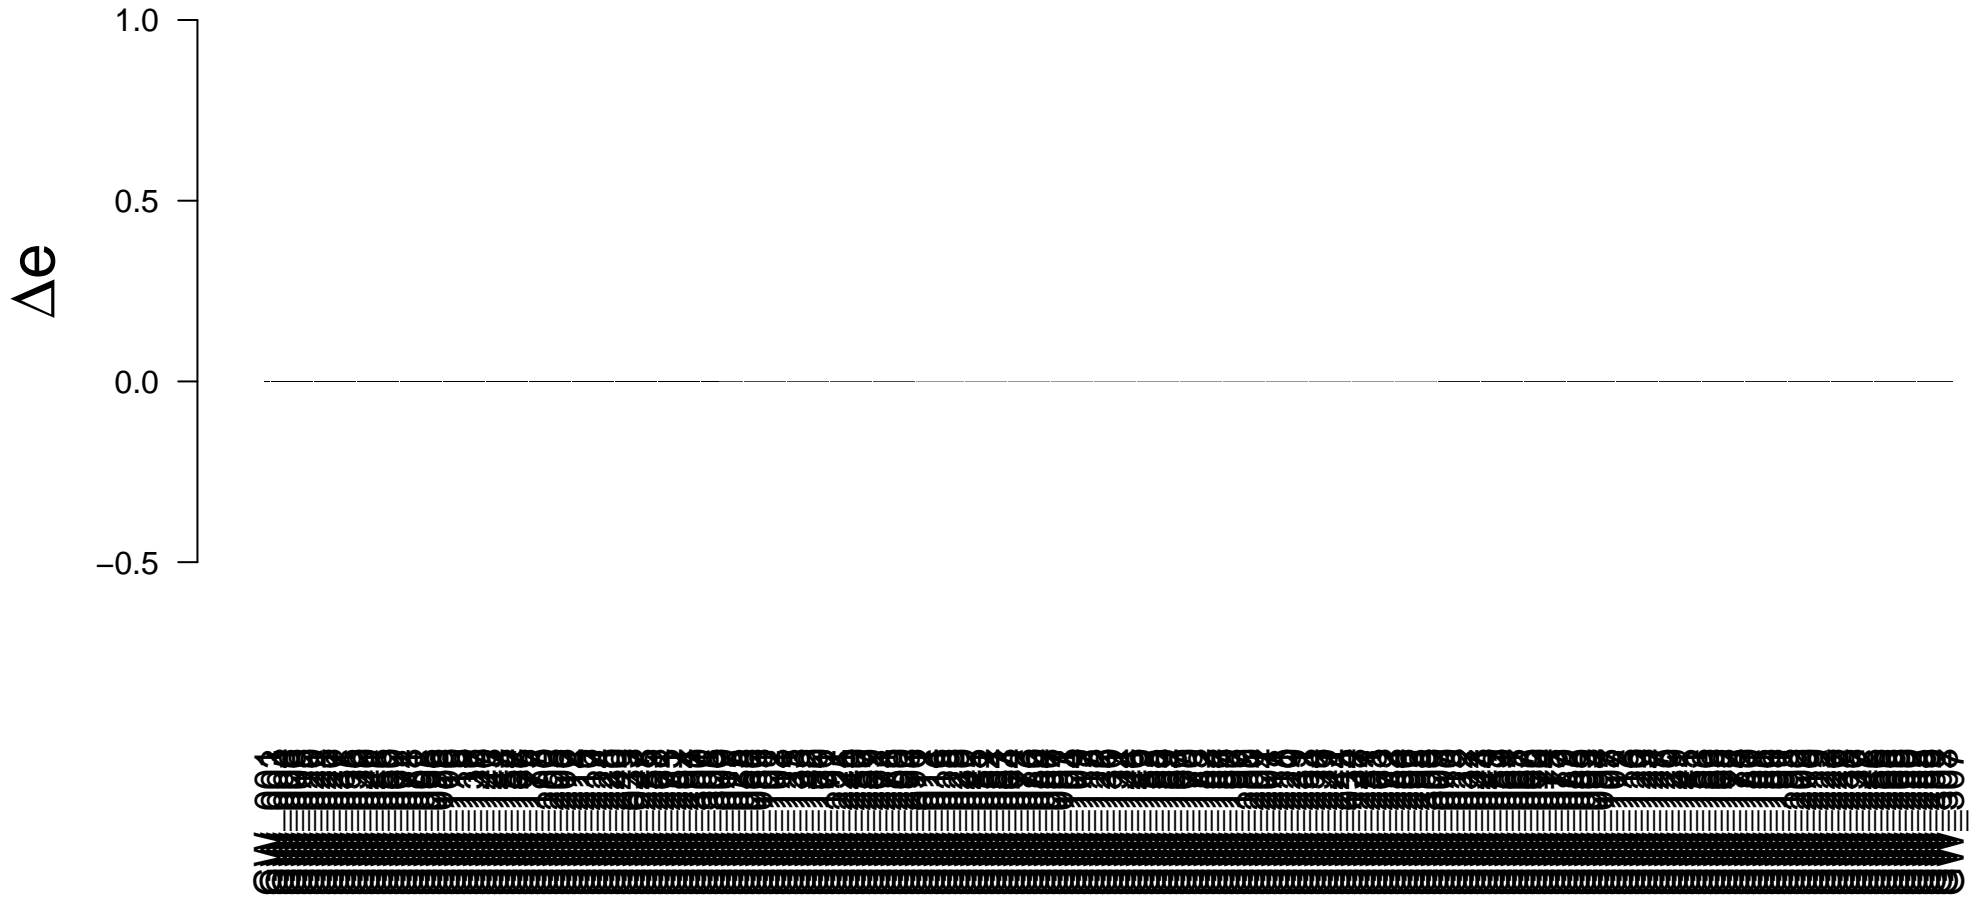

Expression of cGMP biosynthetic process in Spot C

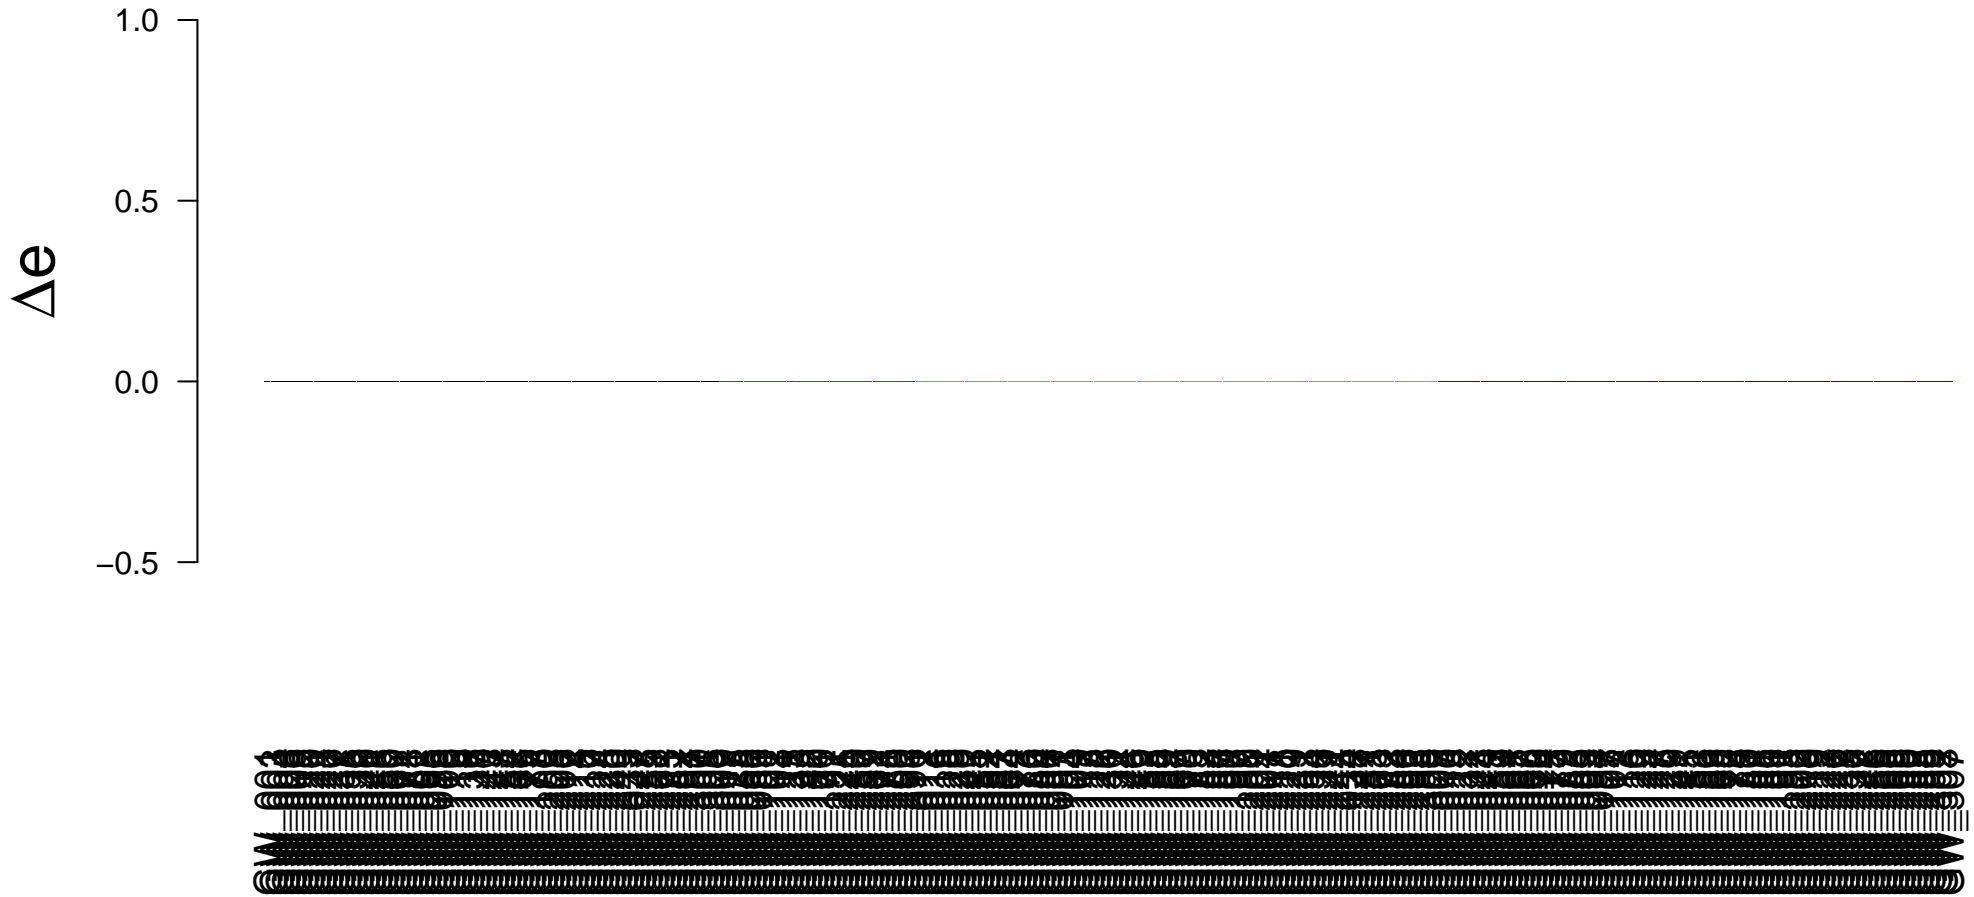

Expression of cGMP biosynthetic process in Spot D

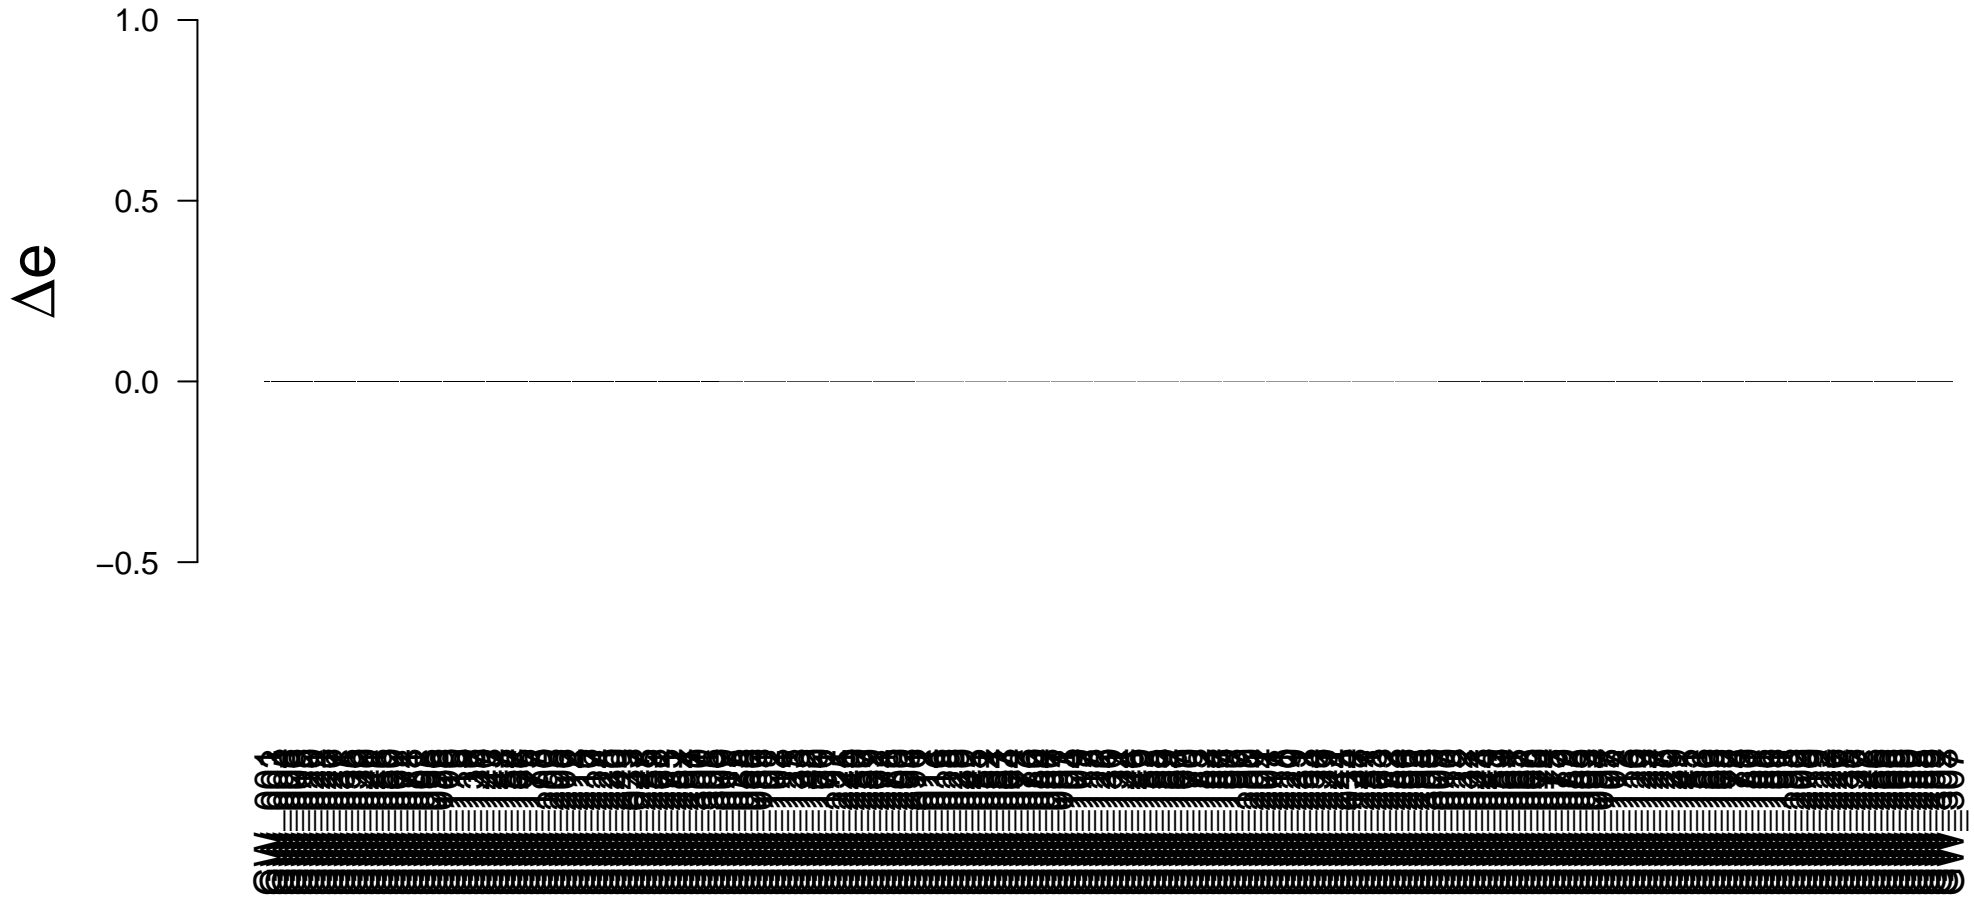

Expression of cGMP biosynthetic process in Spot E

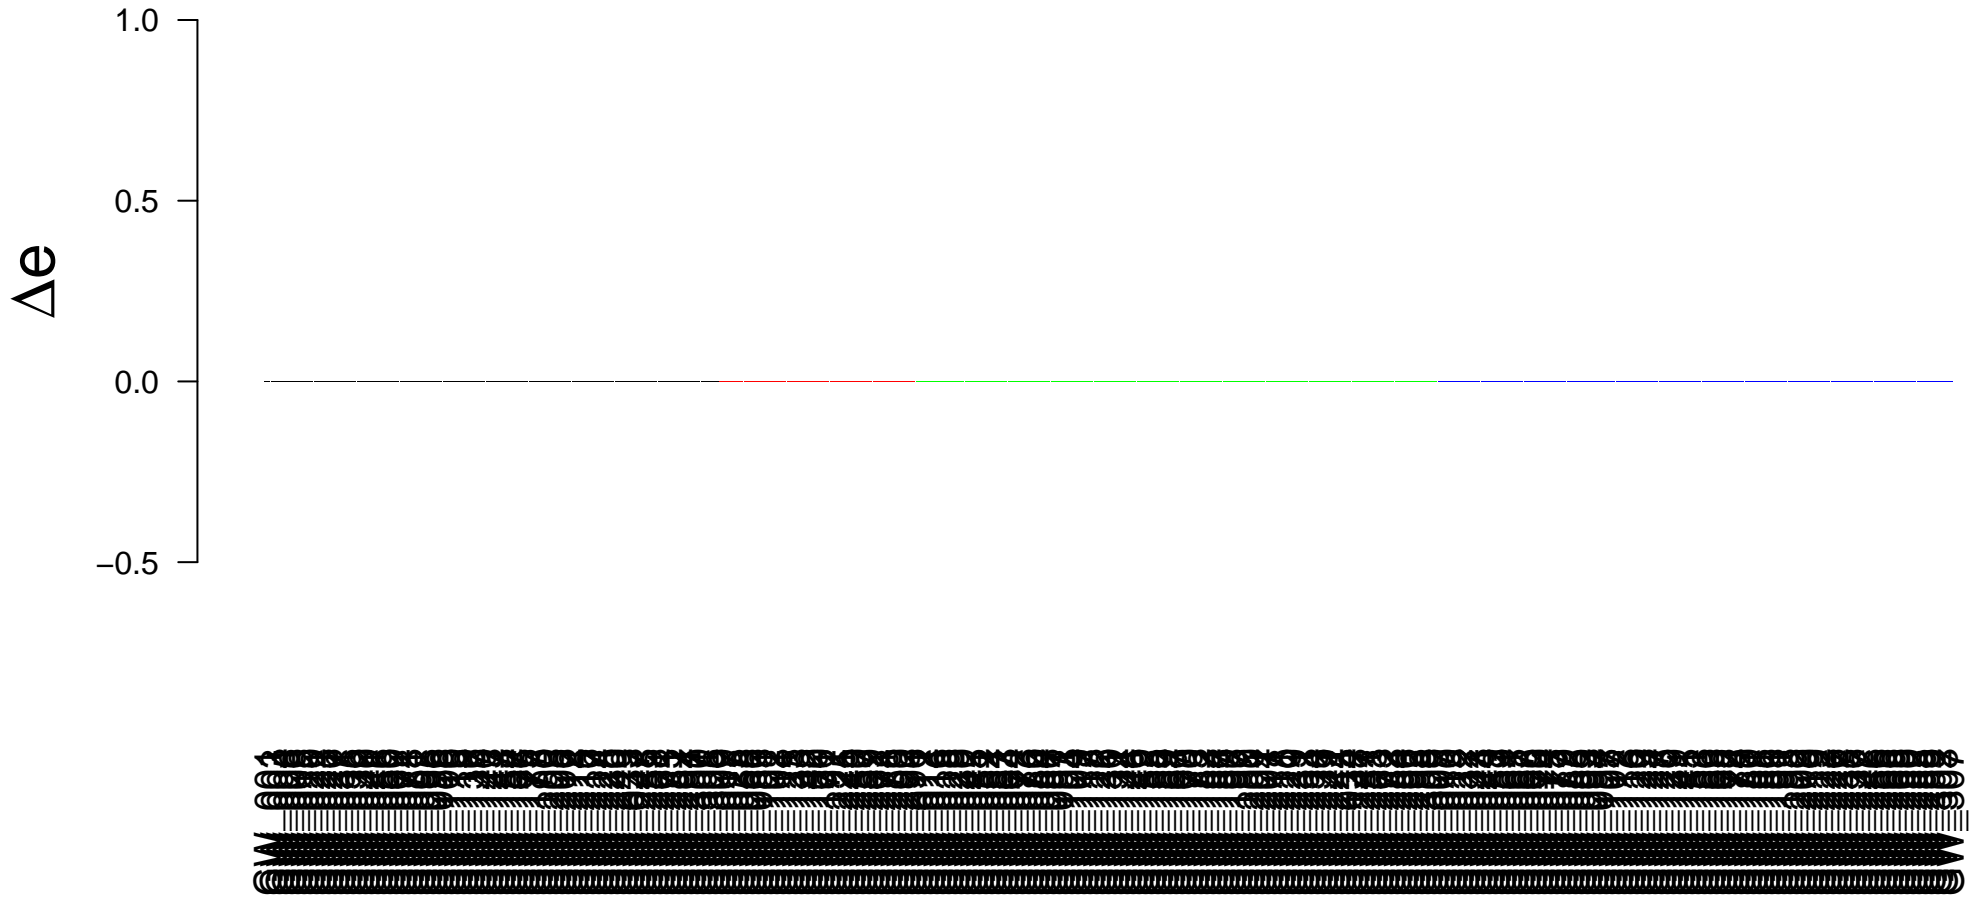

Expression of cGMP biosynthetic process in Spot F

Expression of cGMP biosynthetic process in Spot G

Expression of cGMP biosynthetic process in Spot H

Expression of cGMP biosynthetic process in Spot I

Expression of cGMP biosynthetic process in Spot J

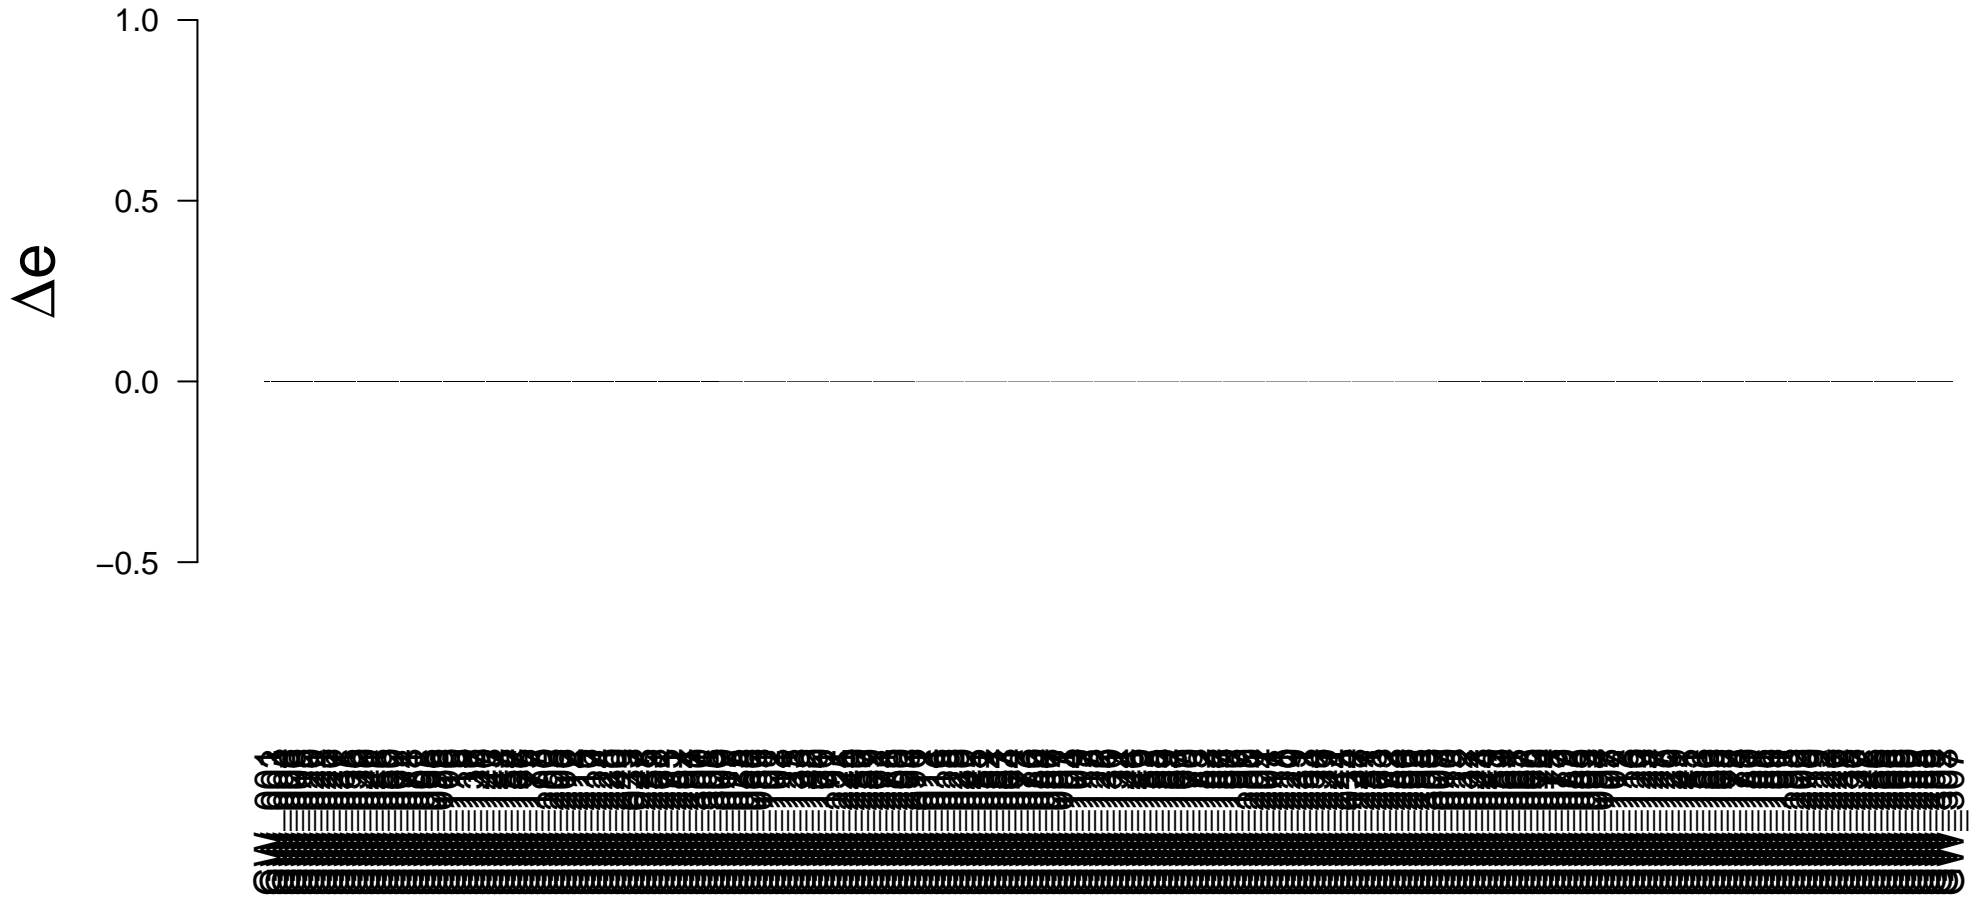

Expression of cGMP biosynthetic process in Spot K

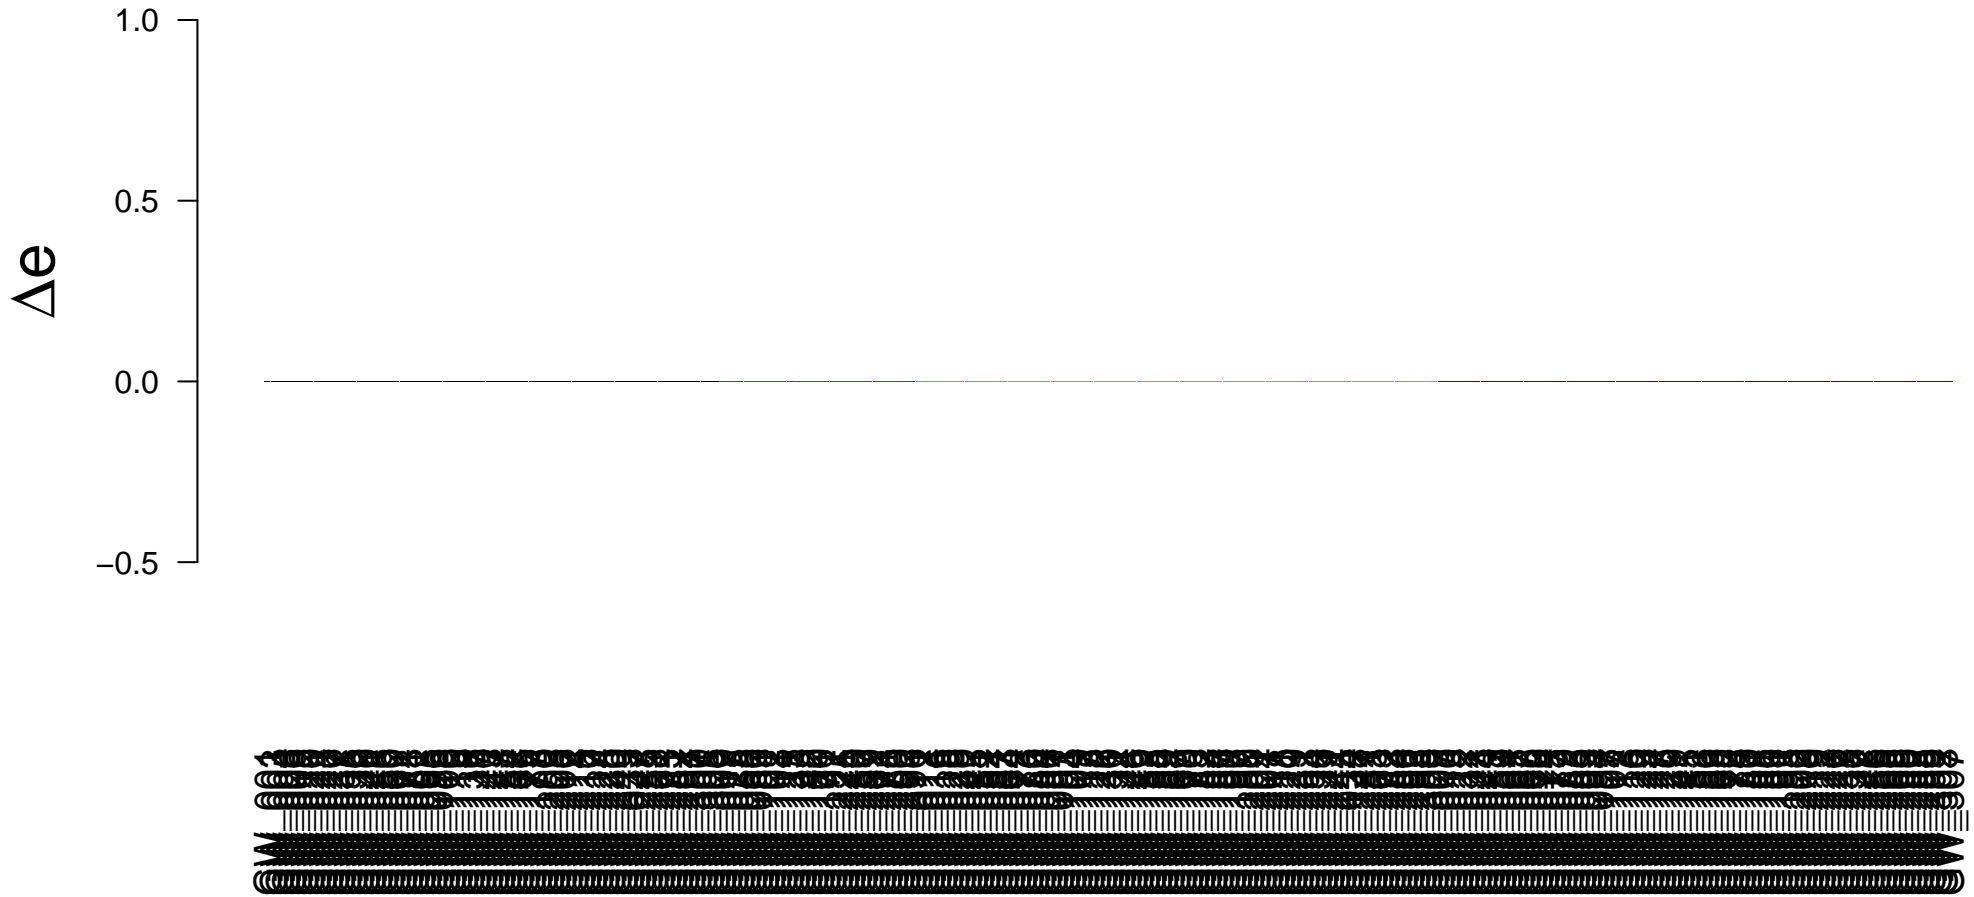

Expression of cGMP biosynthetic process in Spot L

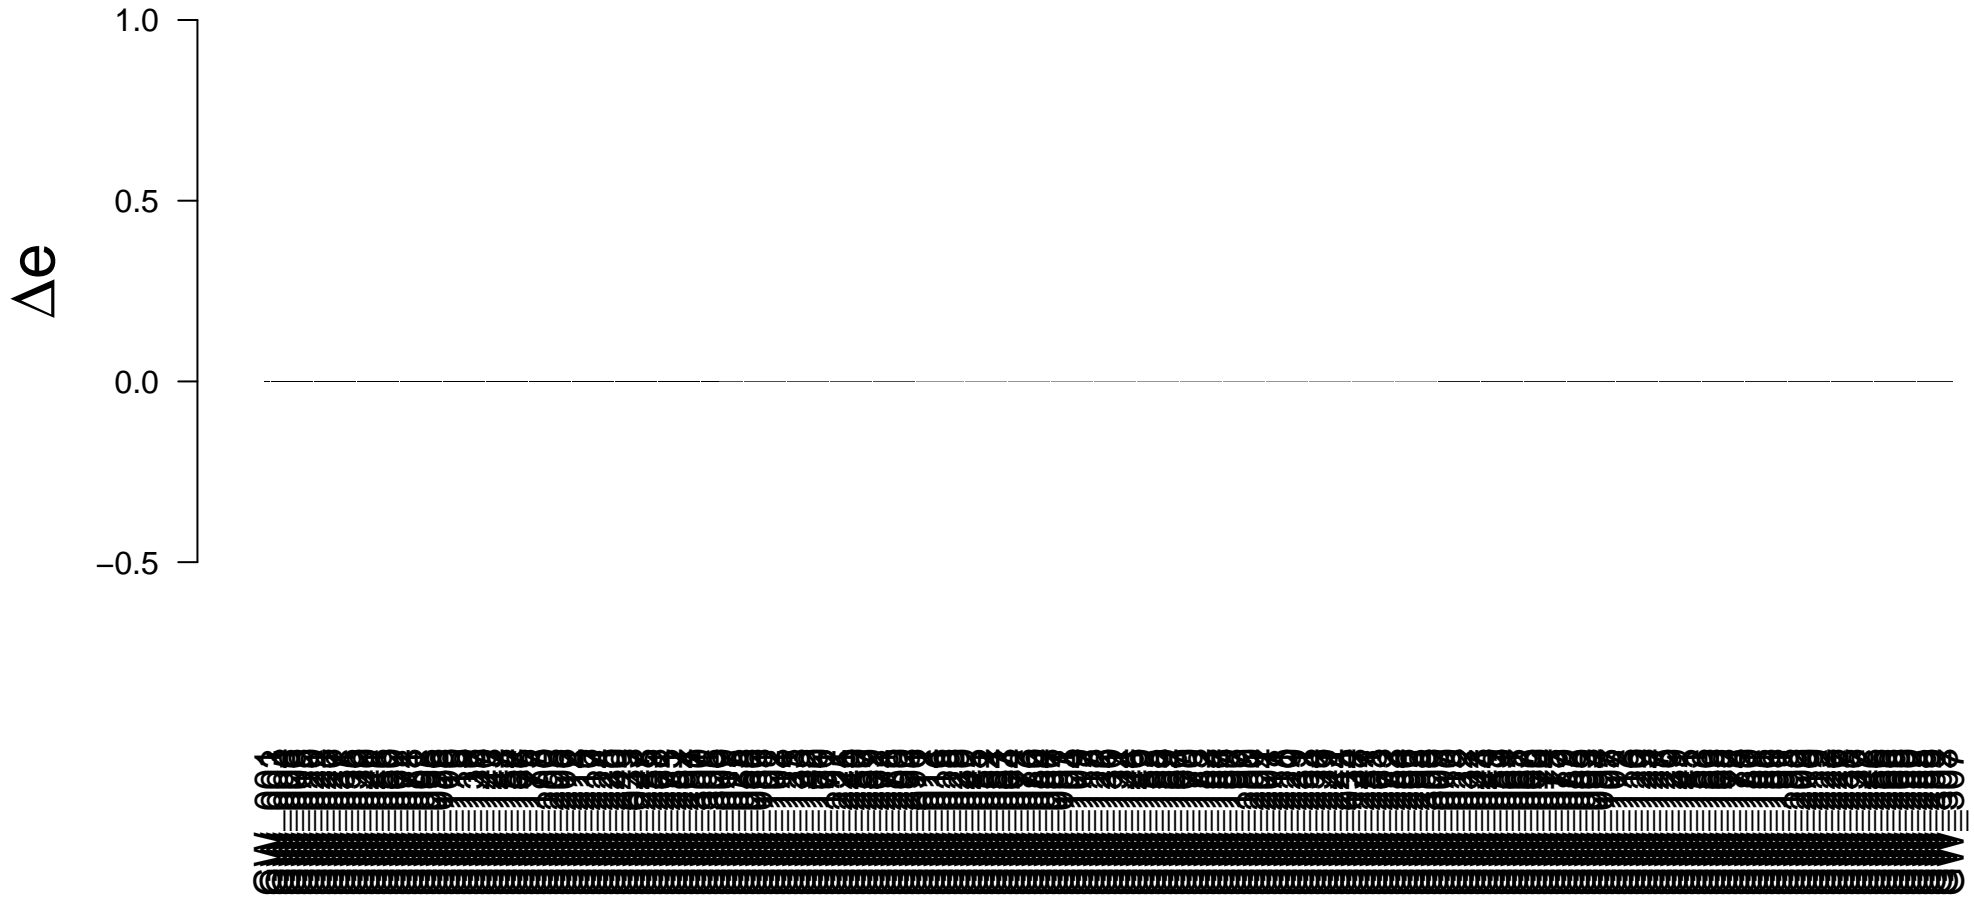

Expression of cGMP biosynthetic process in Spot M

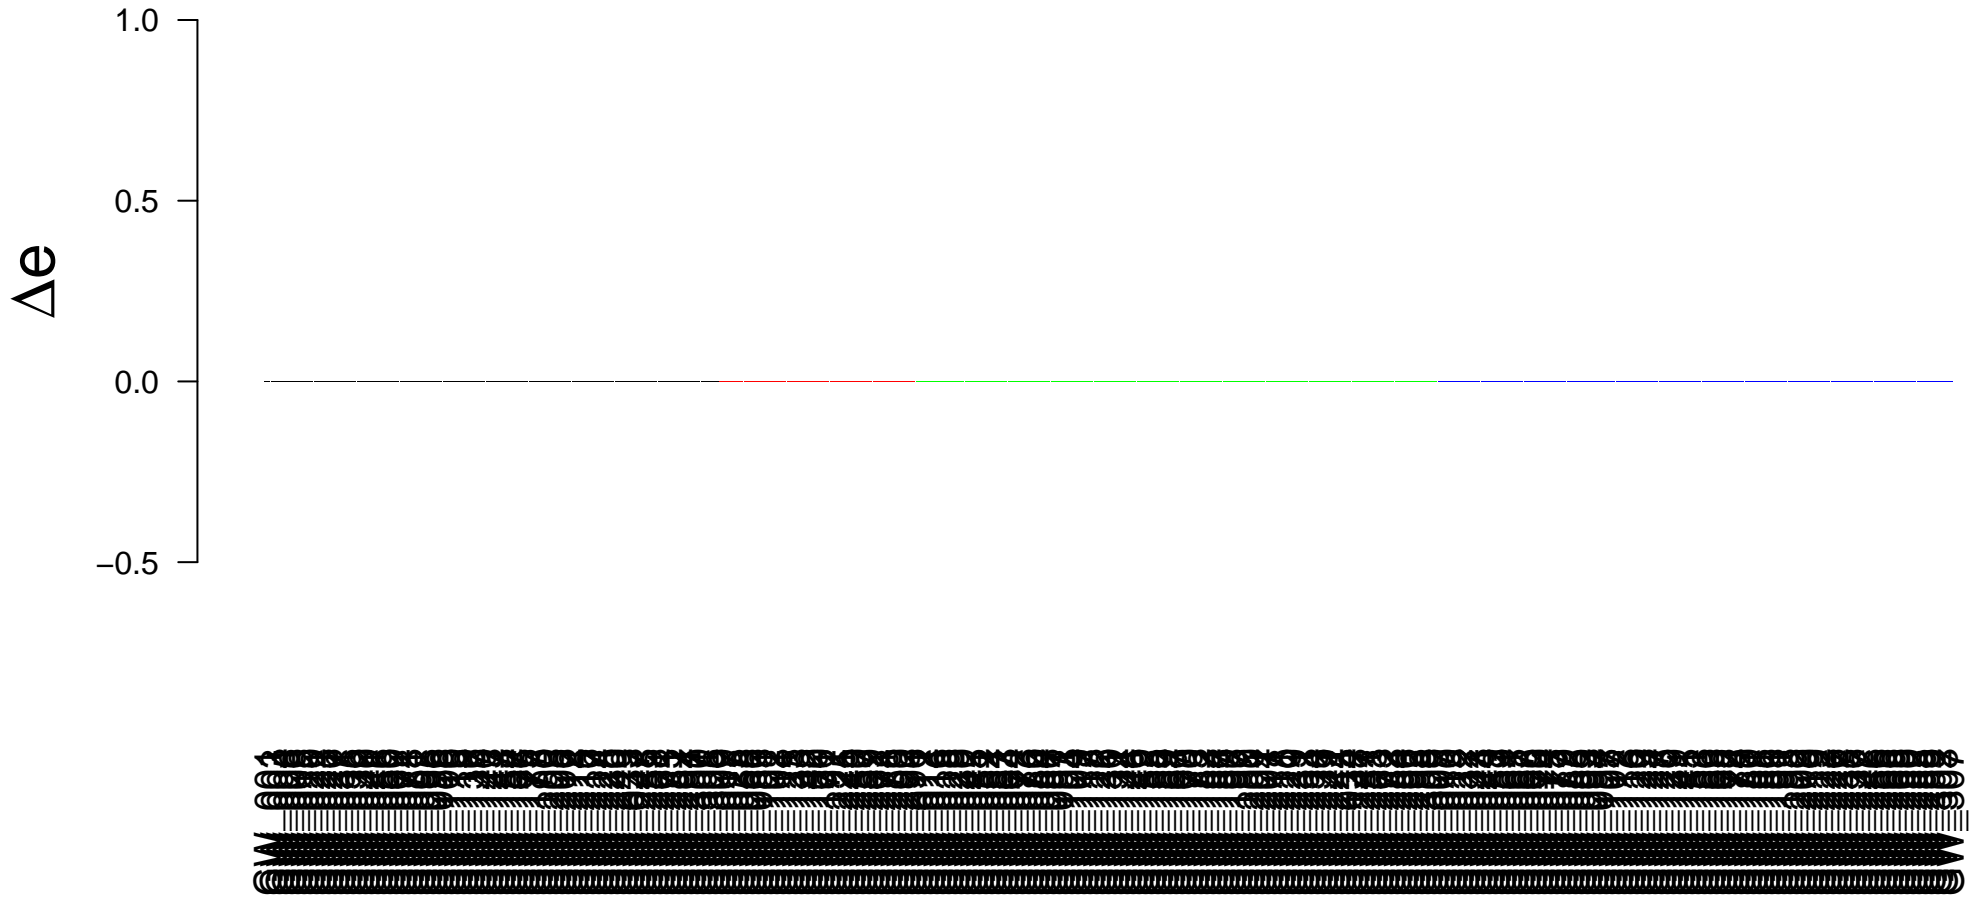

Expression of cGMP biosynthetic process in Spot N

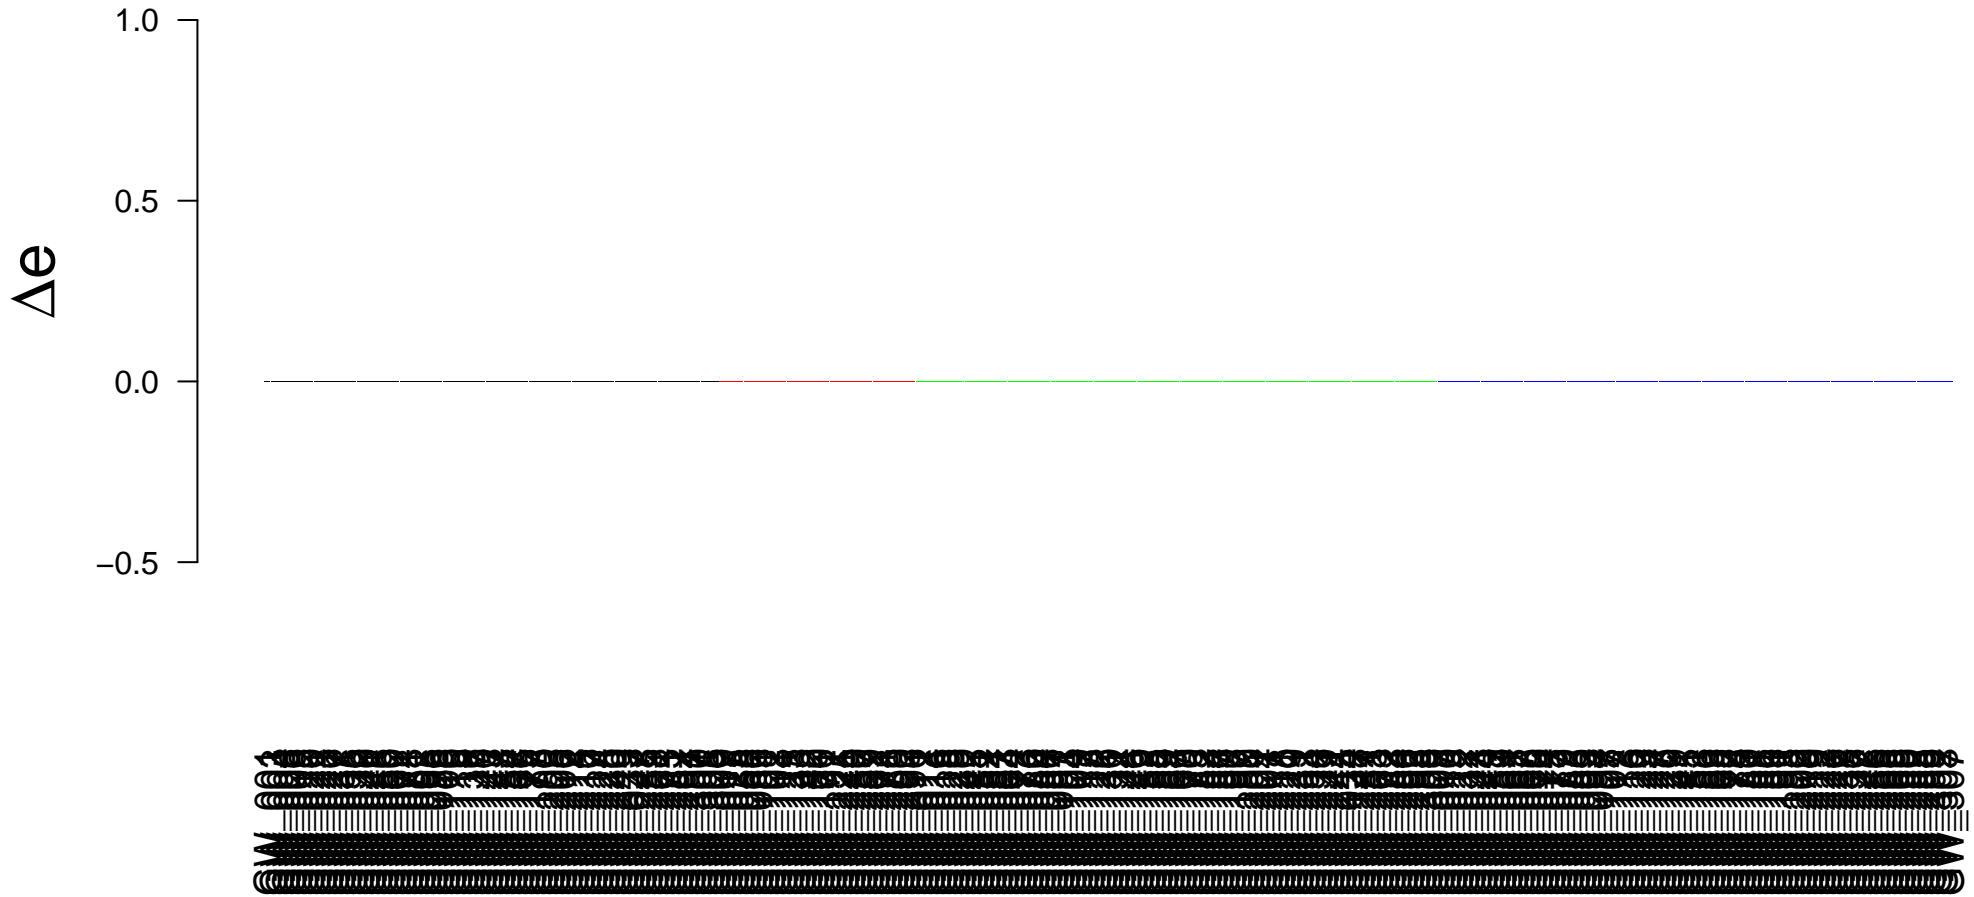

Expression of cGMP biosynthetic process in Spot O

Expression of cGMP biosynthetic process in Spot P

Expression of cGMP biosynthetic process in Spot Q

Expression of cGMP biosynthetic process in Spot R
