

calcium channel complex

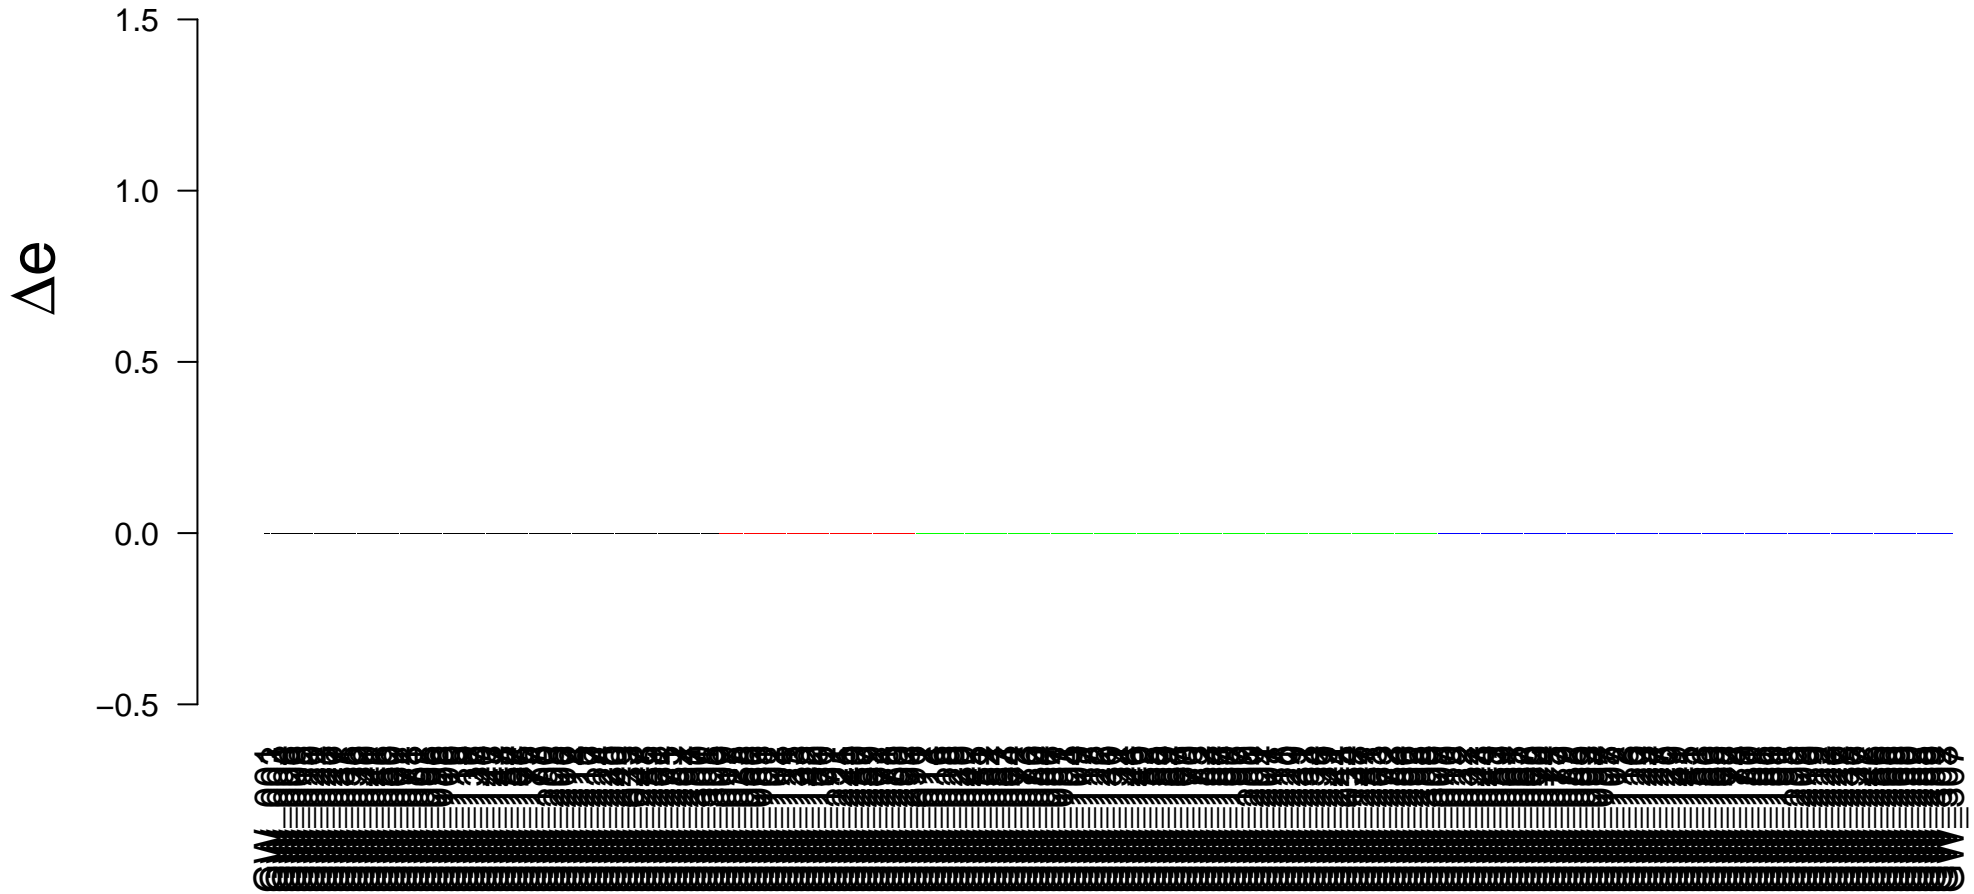

calcium channel complex

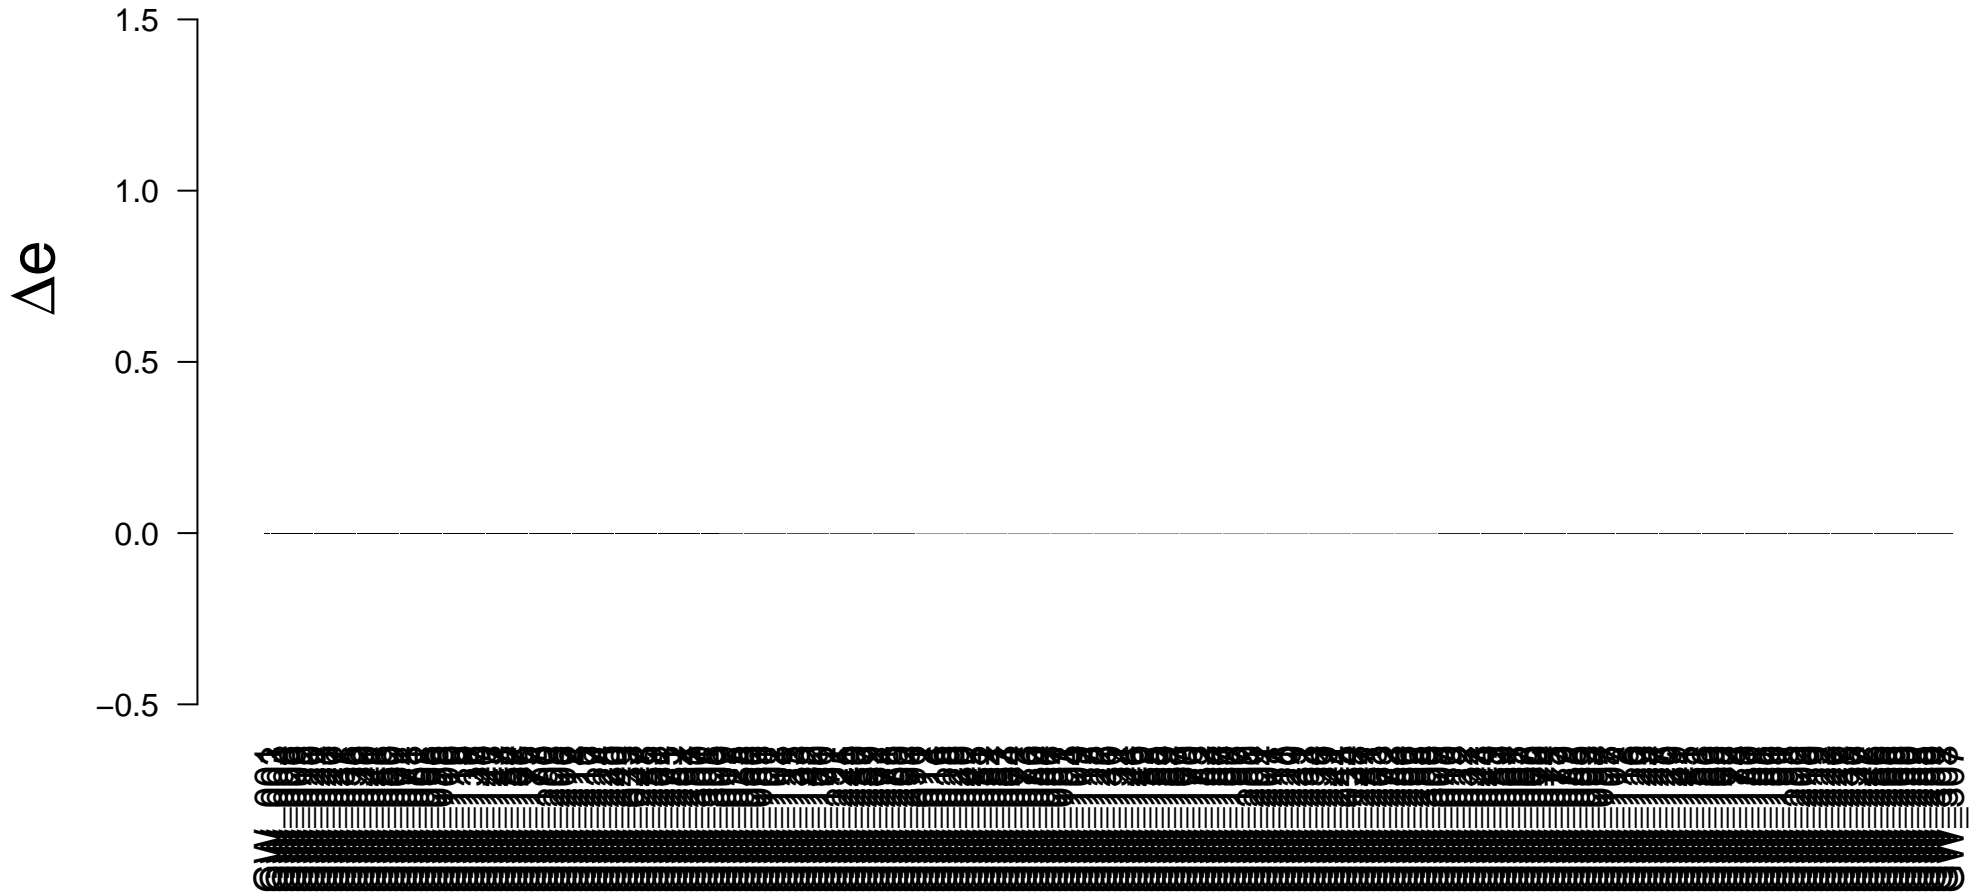

Enrichment in spots: calcium channel complex

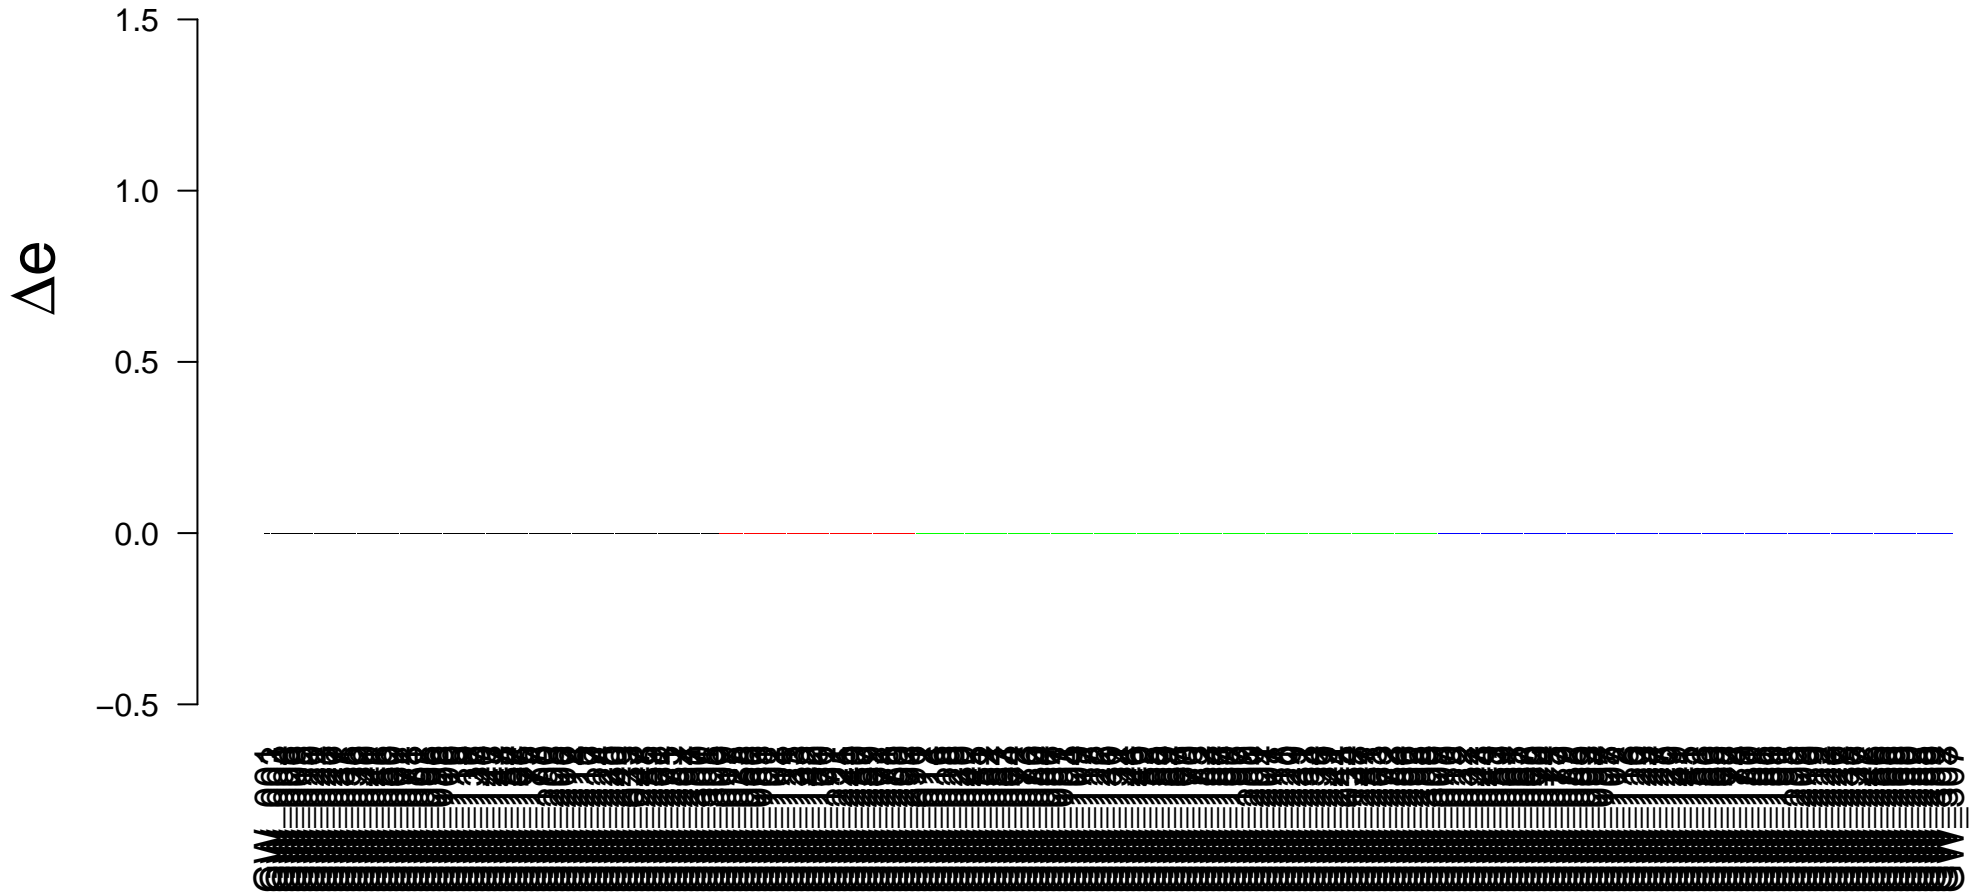

Expression of calcium channel complex in Spot A

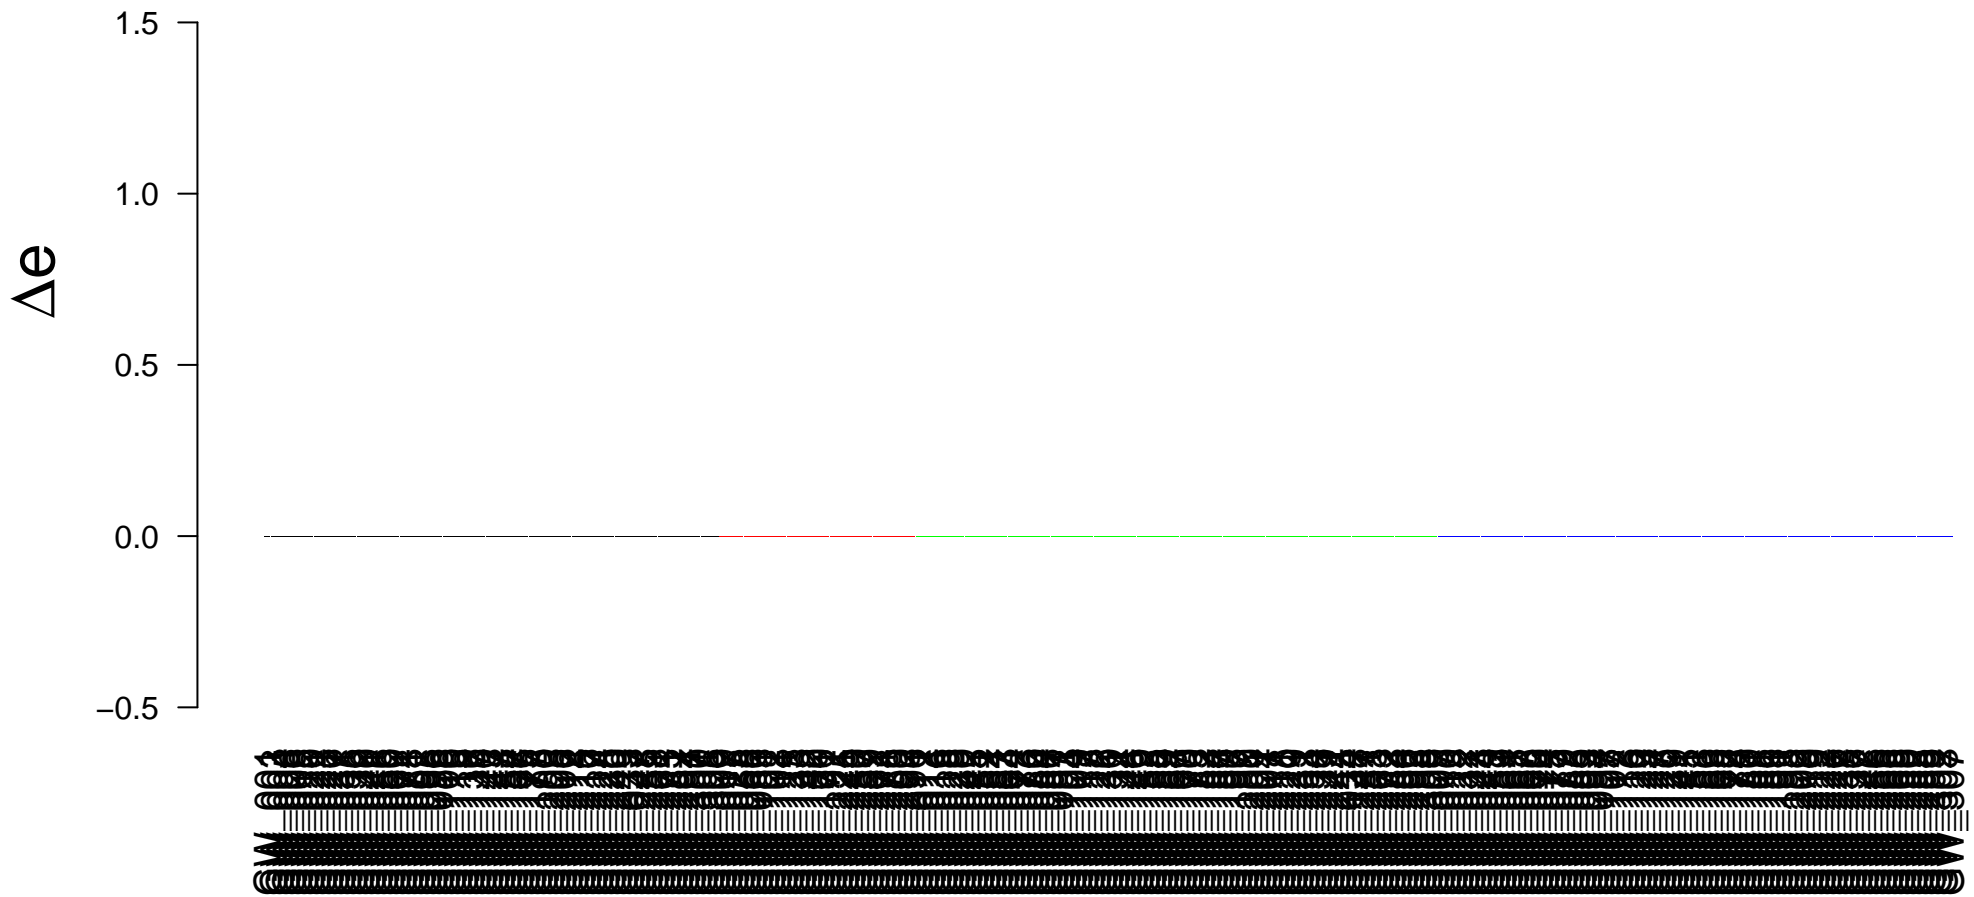

Expression of calcium channel complex in Spot B

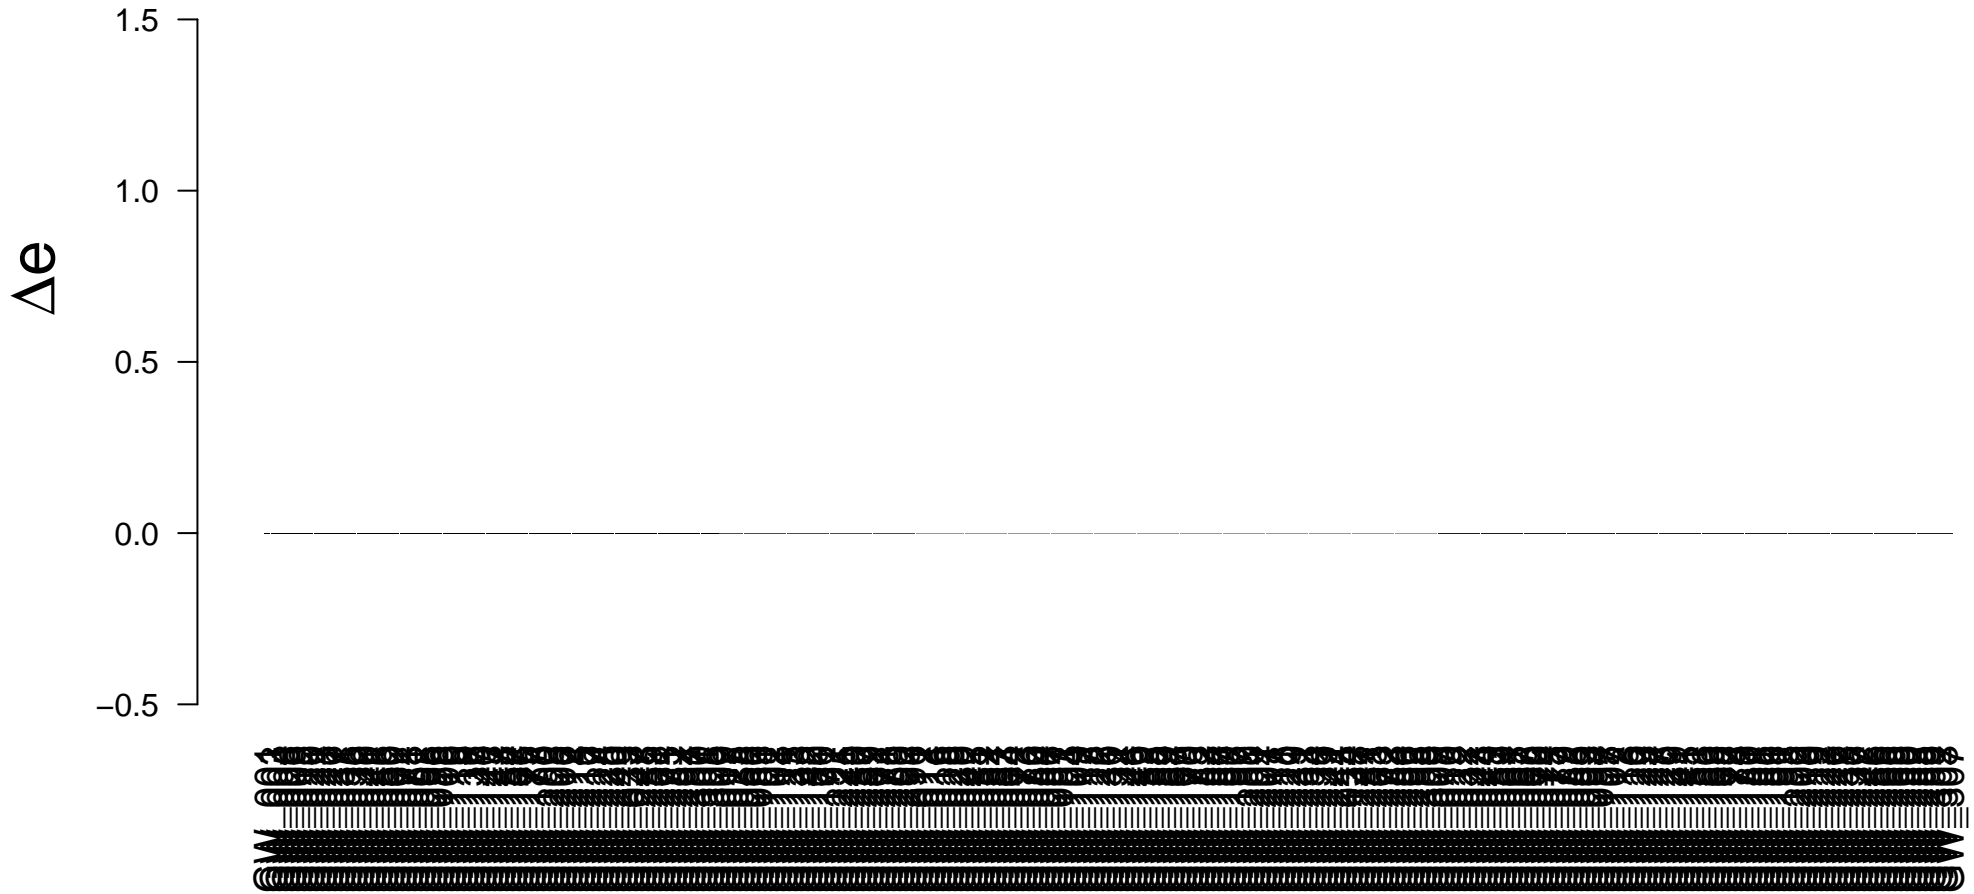

Expression of calcium channel complex in Spot C

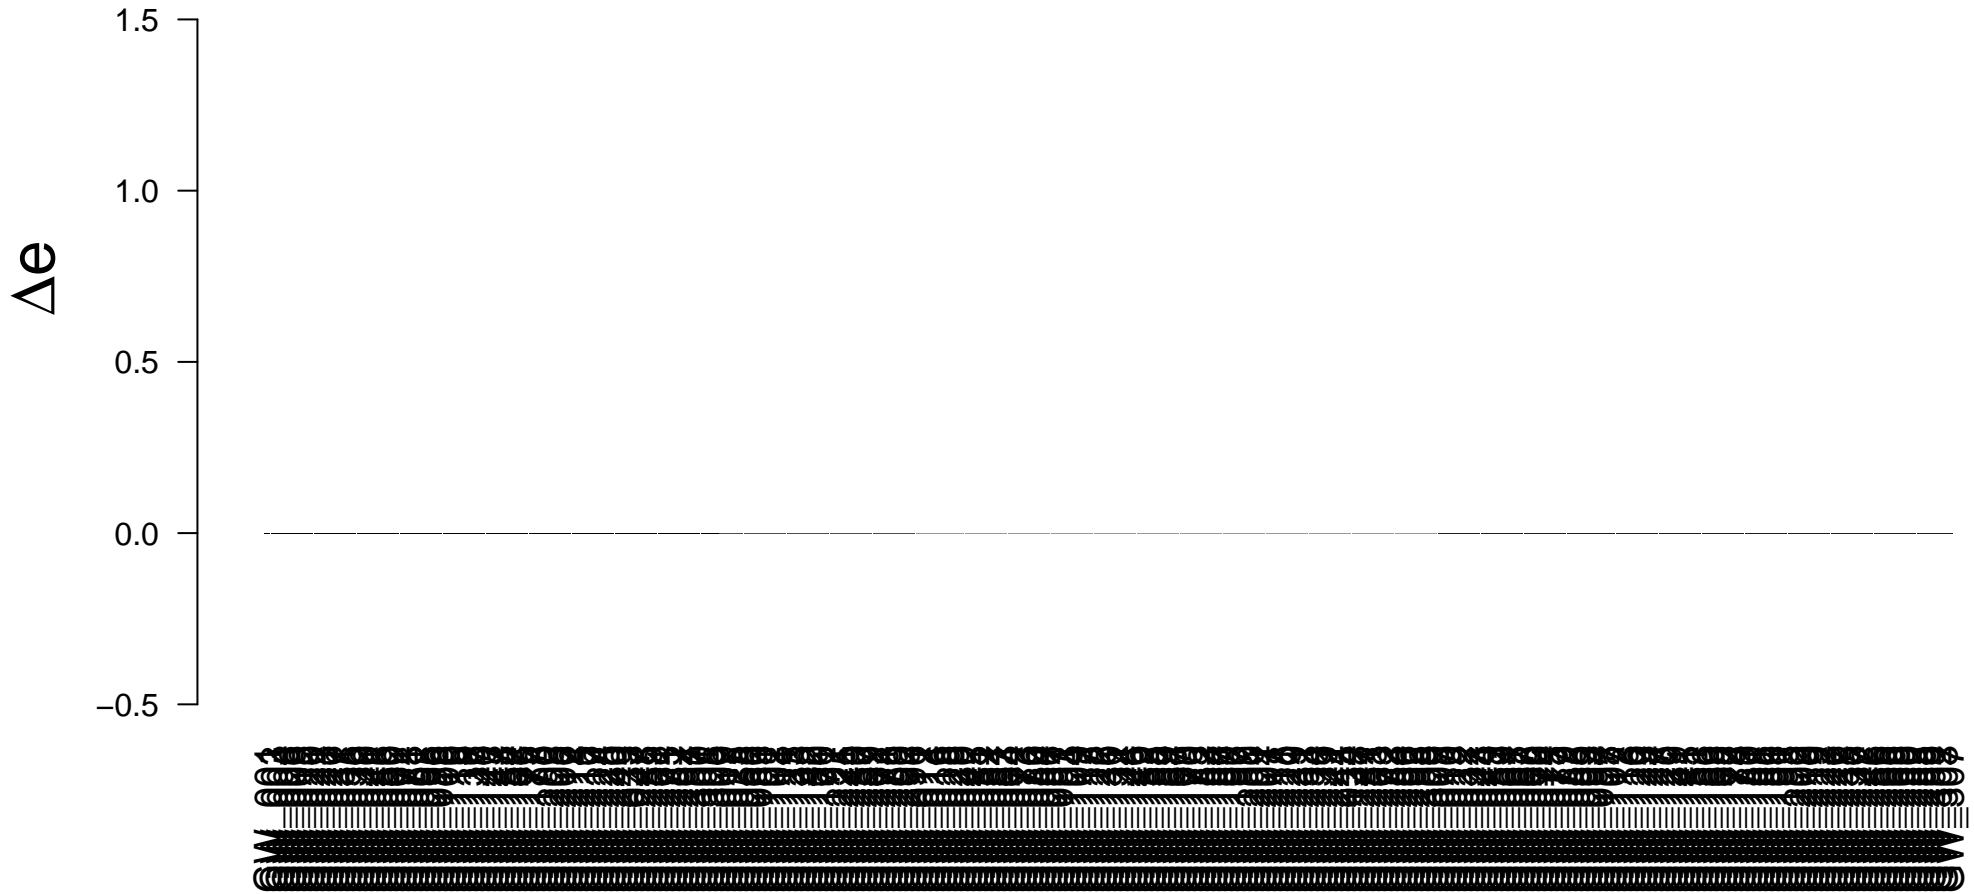

Expression of calcium channel complex in Spot D

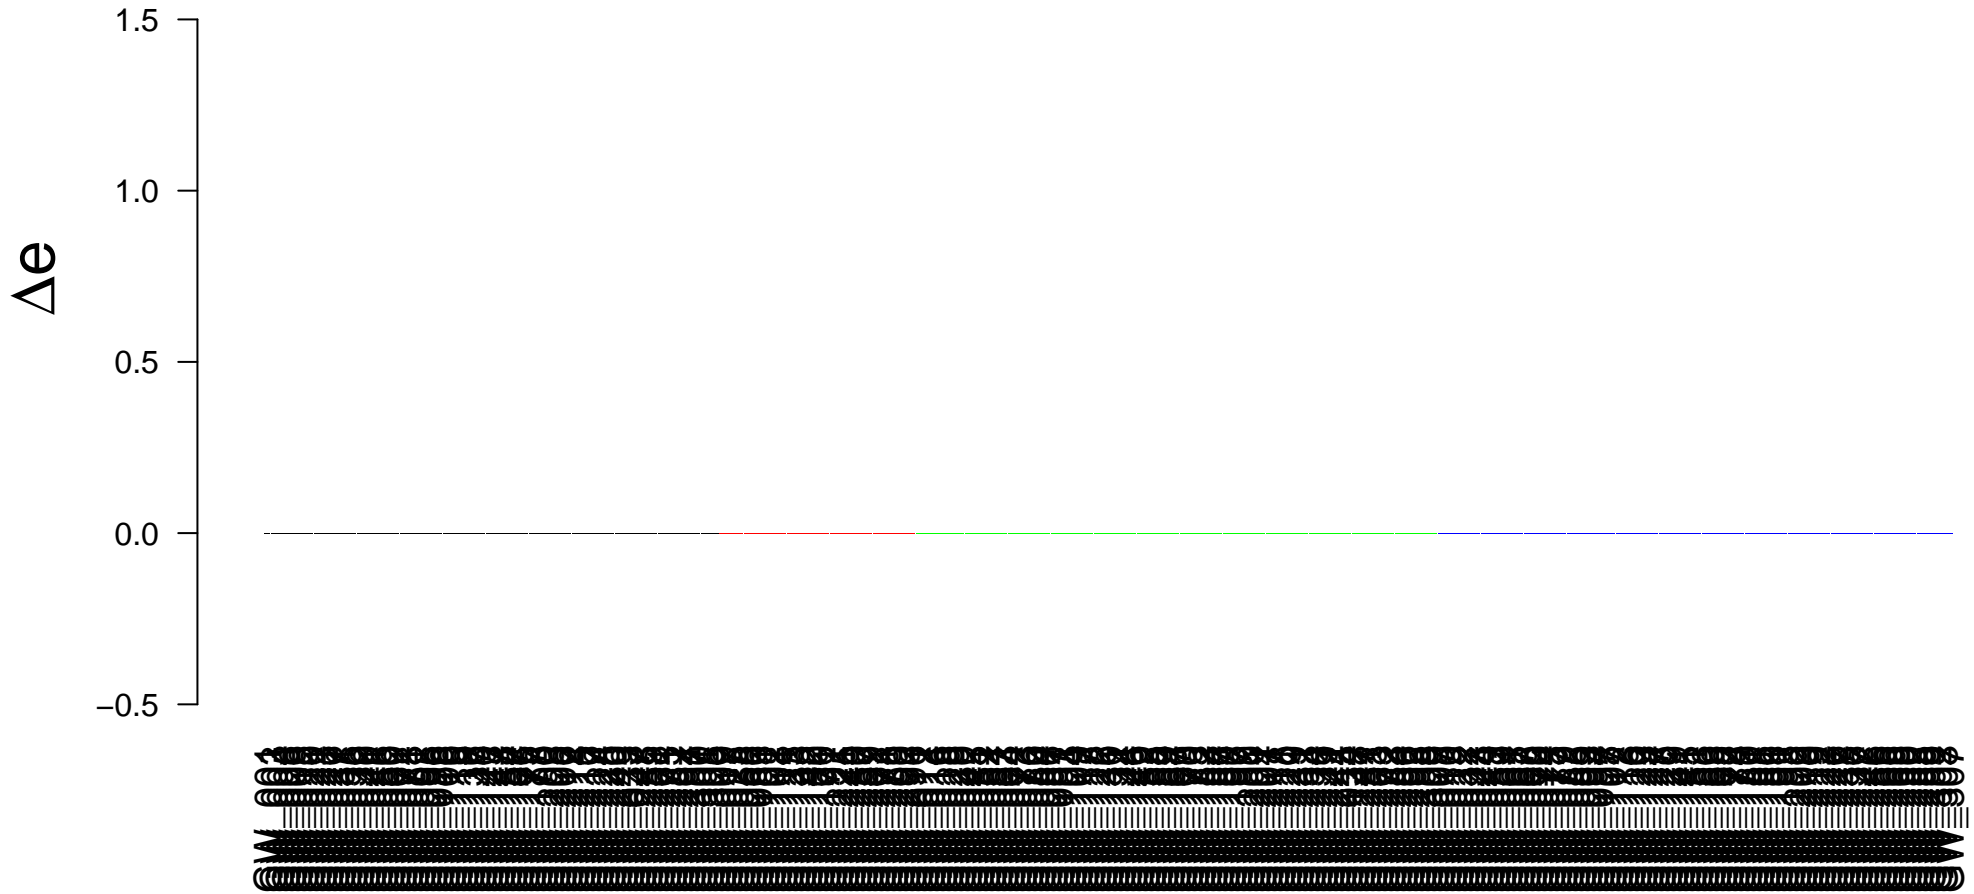

Expression of calcium channel complex in Spot E

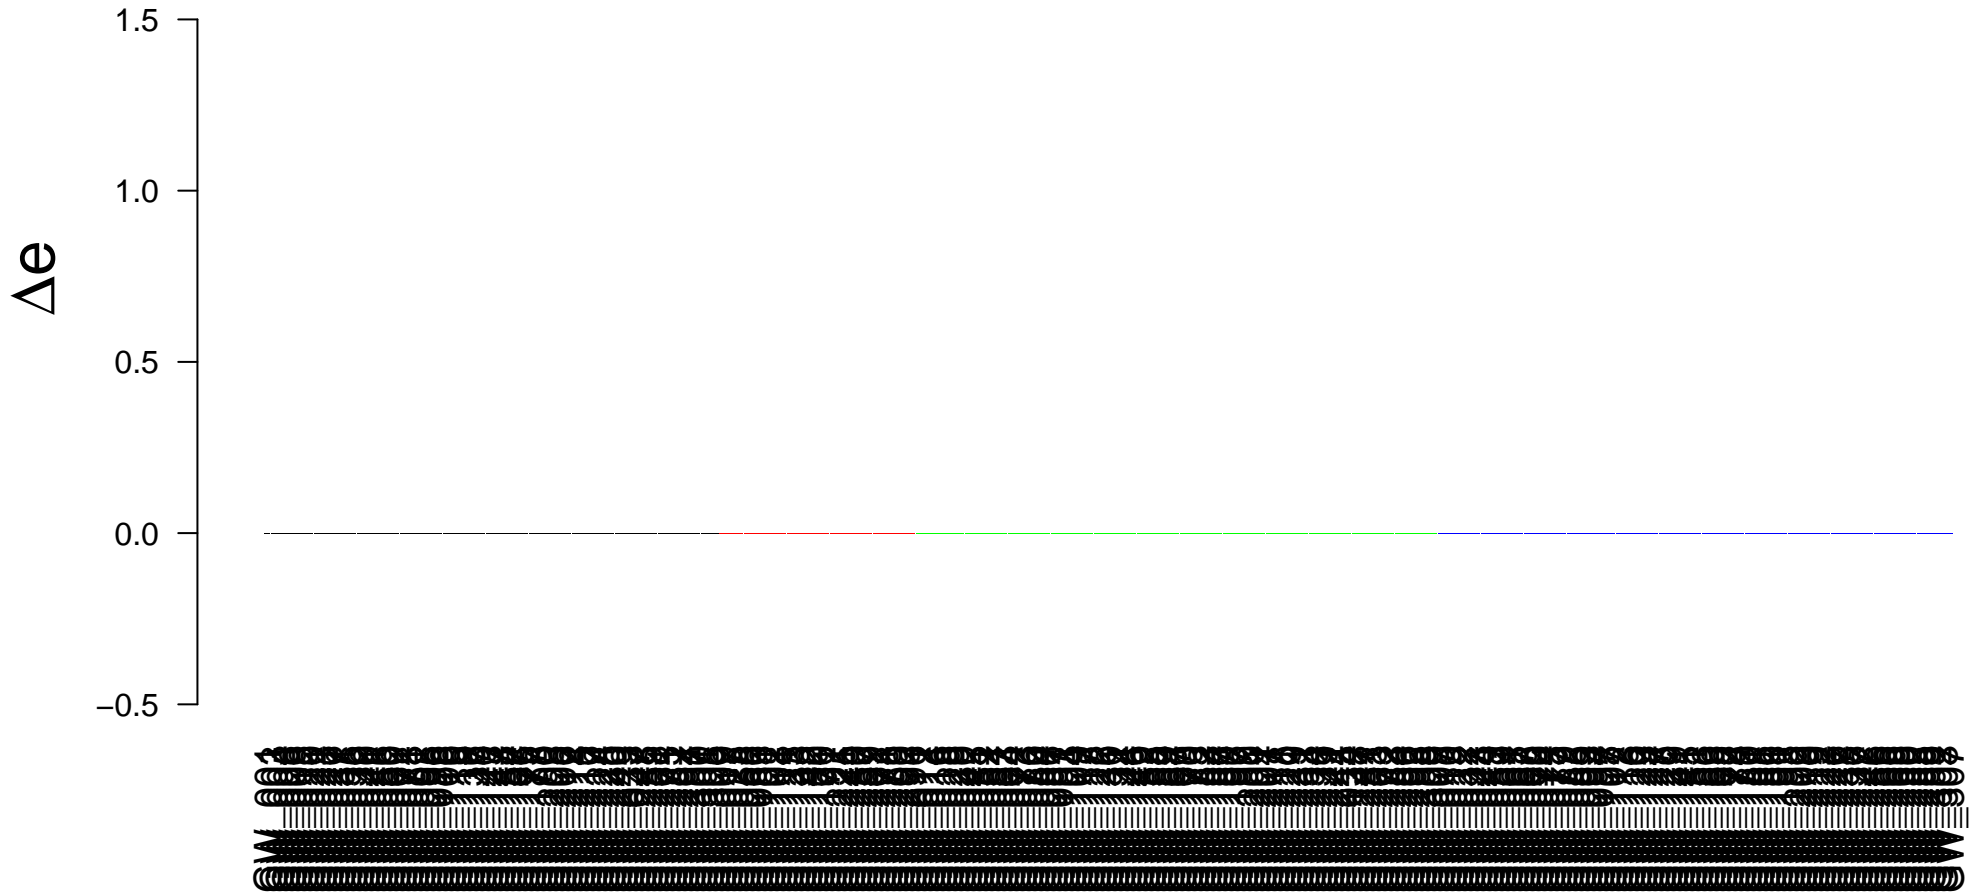

Expression of calcium channel complex in Spot F

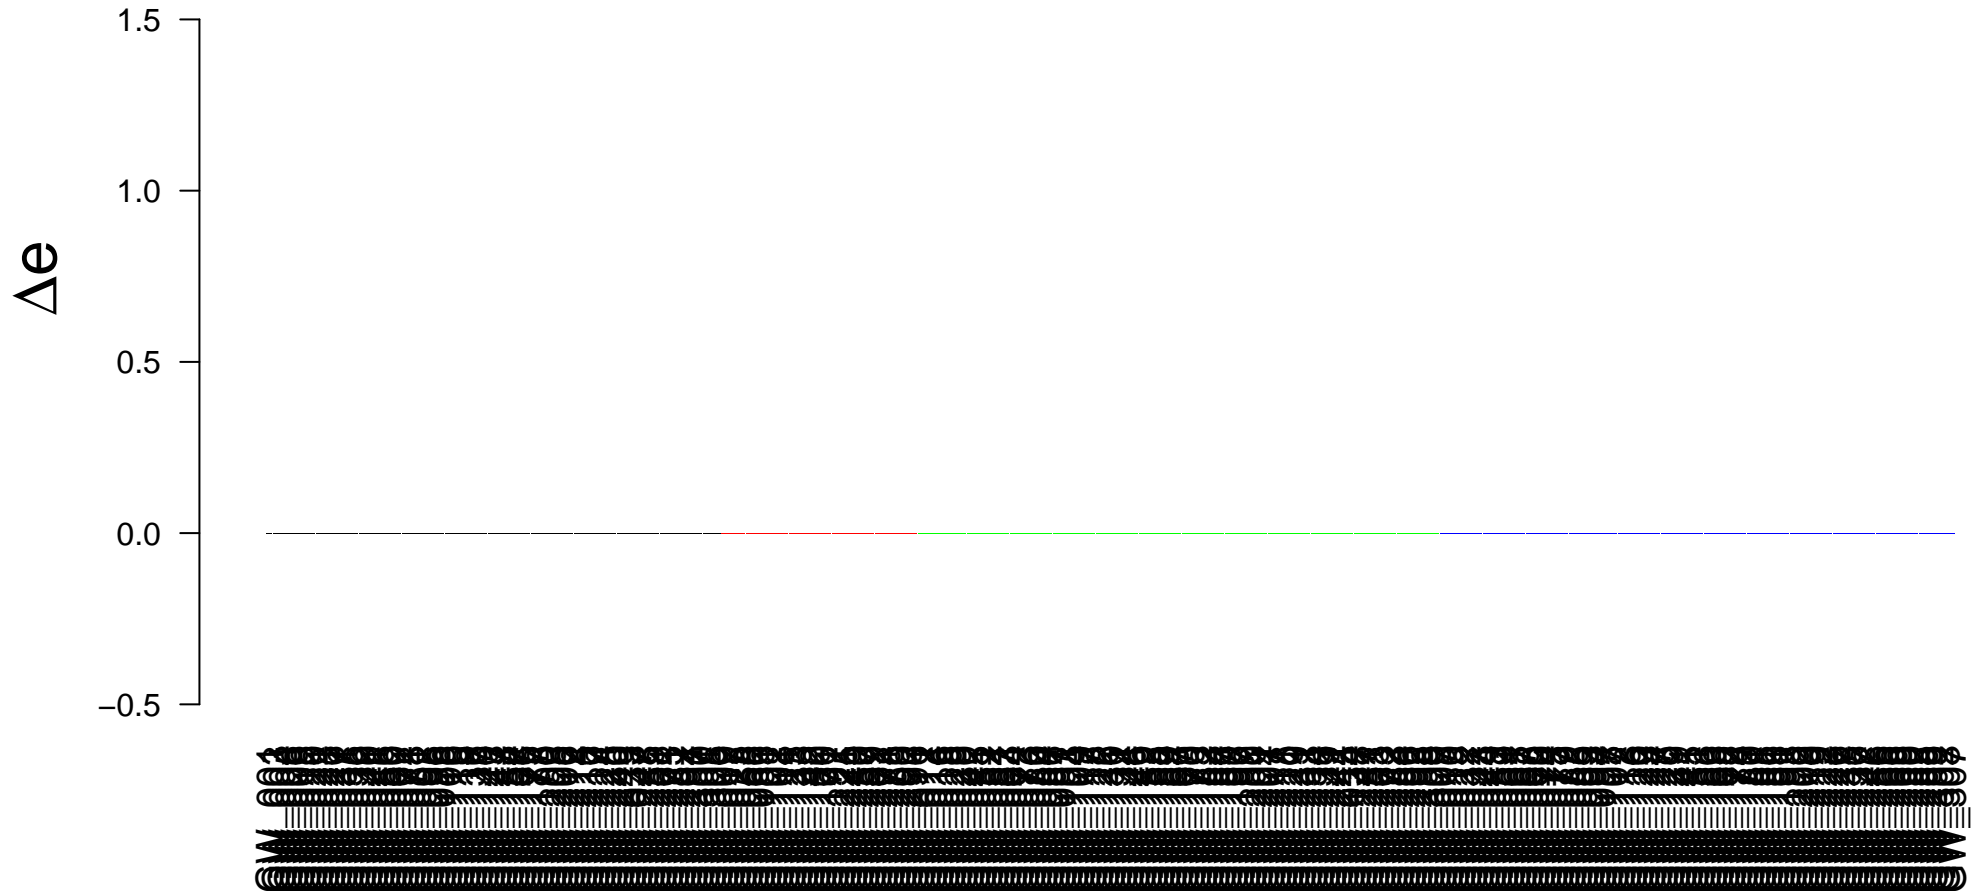

Expression of calcium channel complex in Spot G

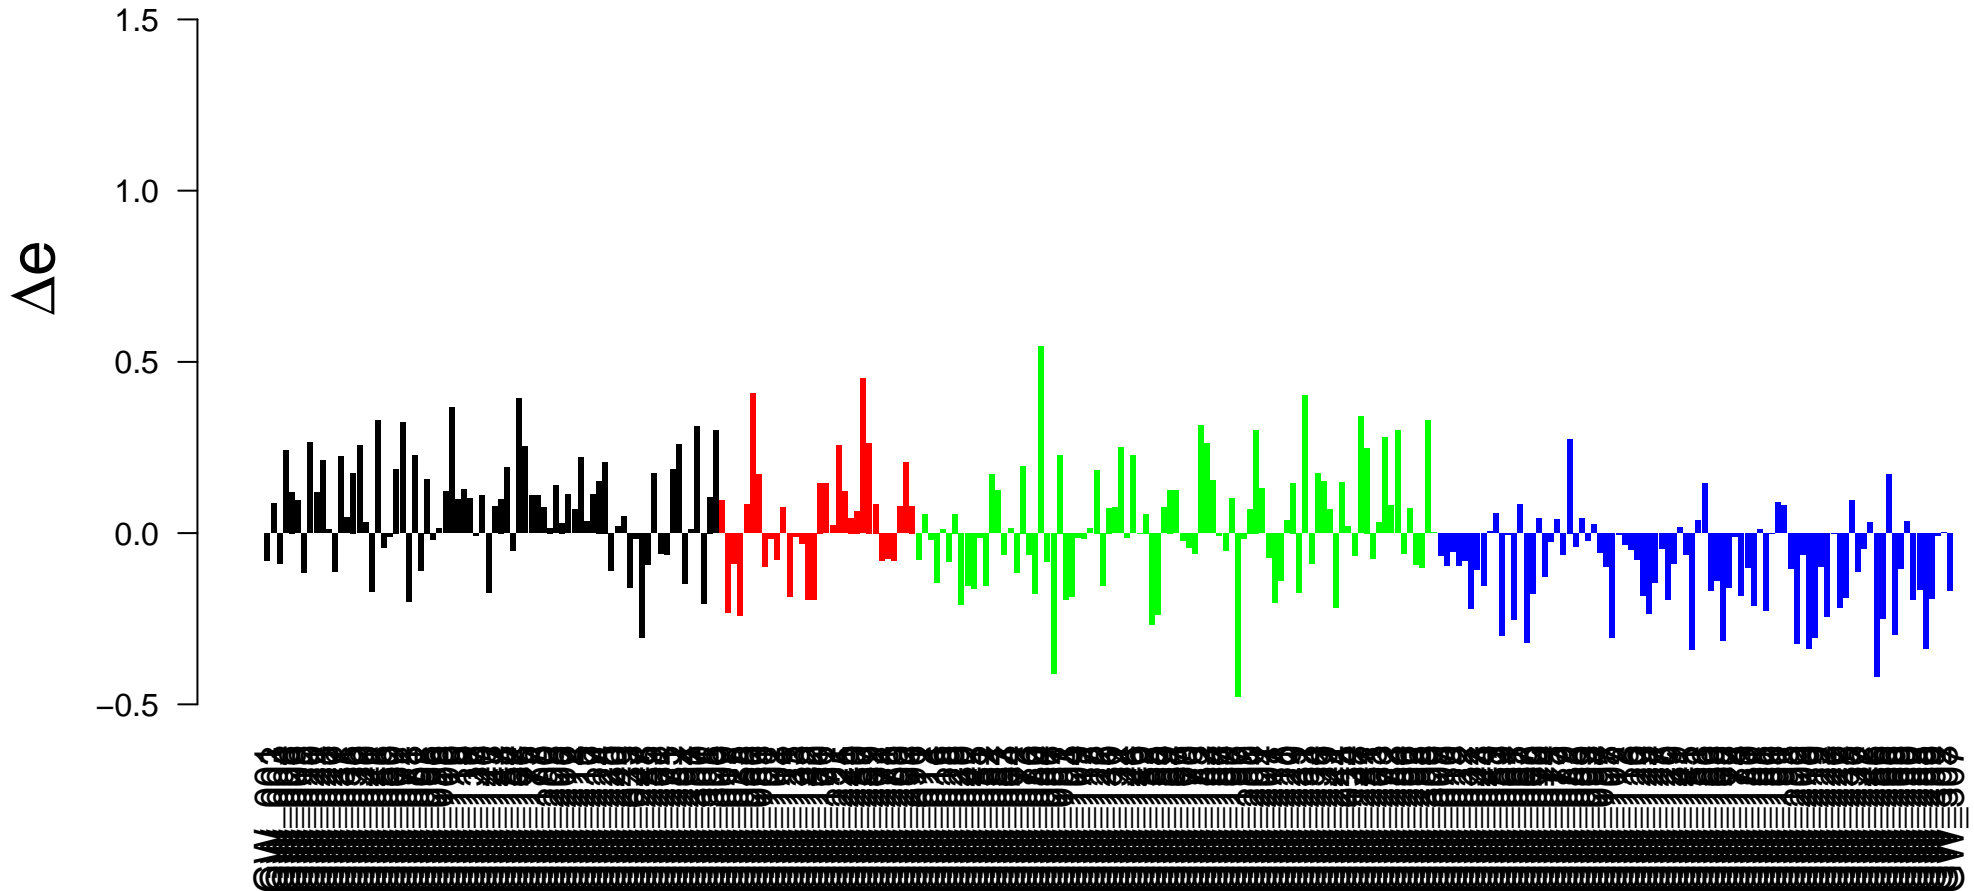

Expression of calcium channel complex in Spot H

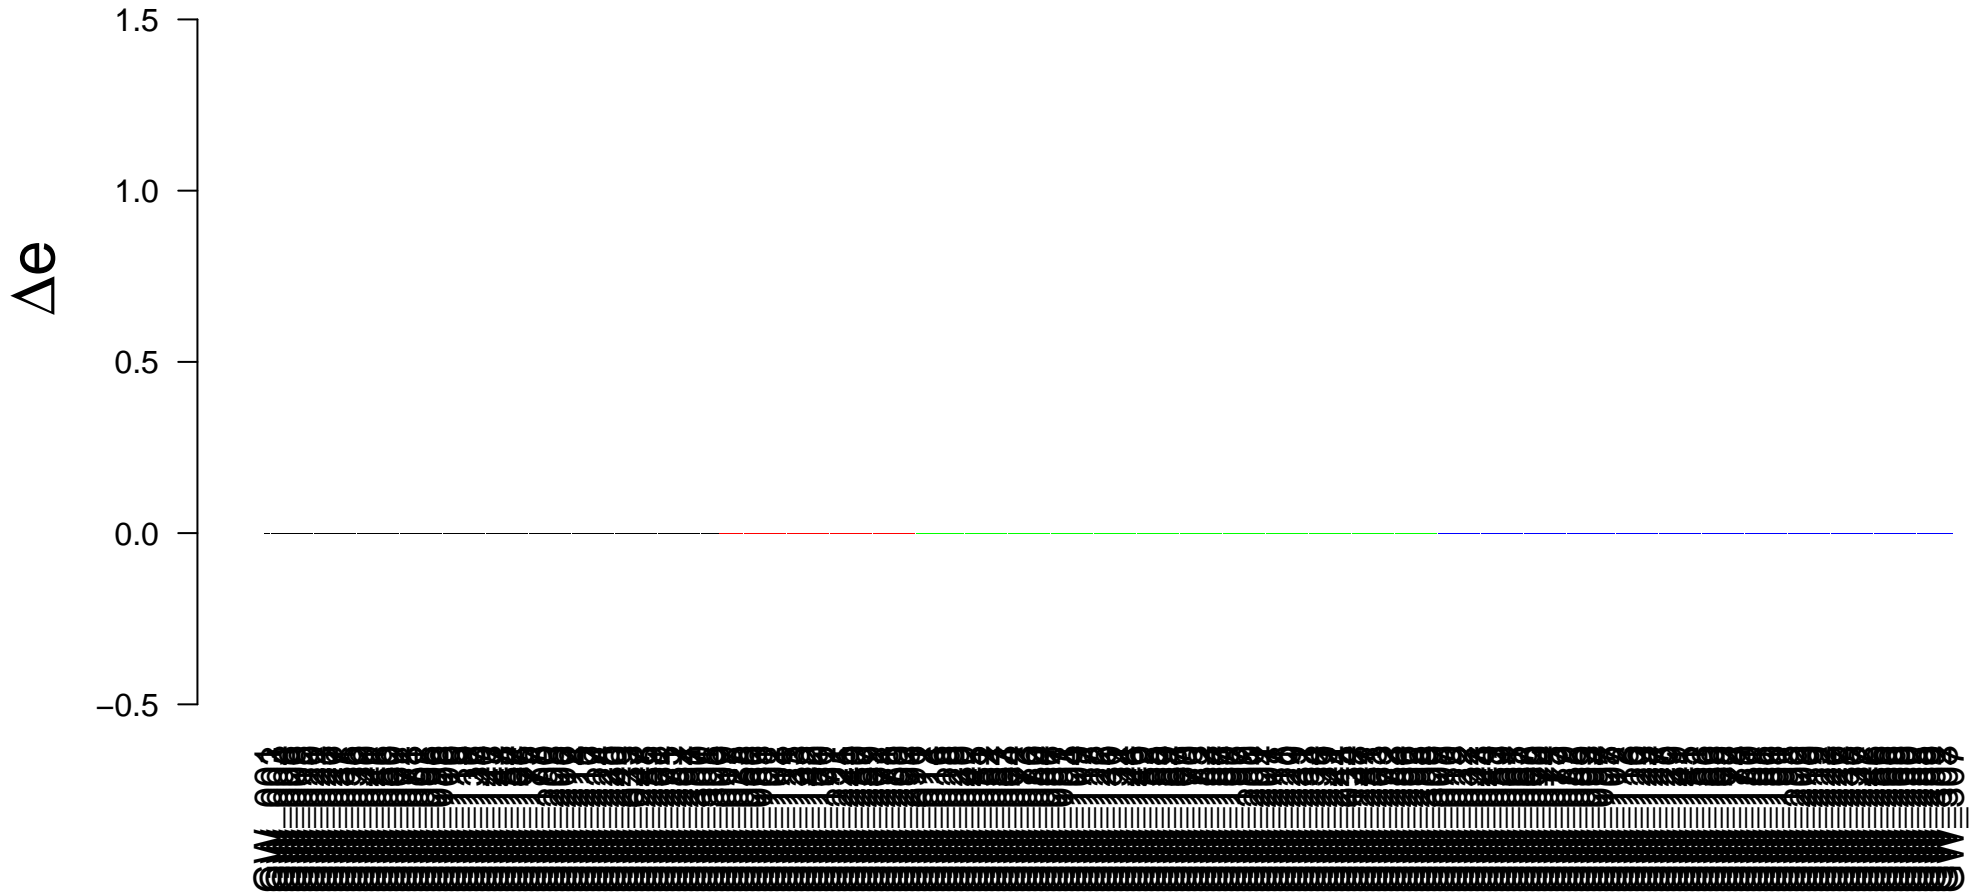

Expression of calcium channel complex in Spot I

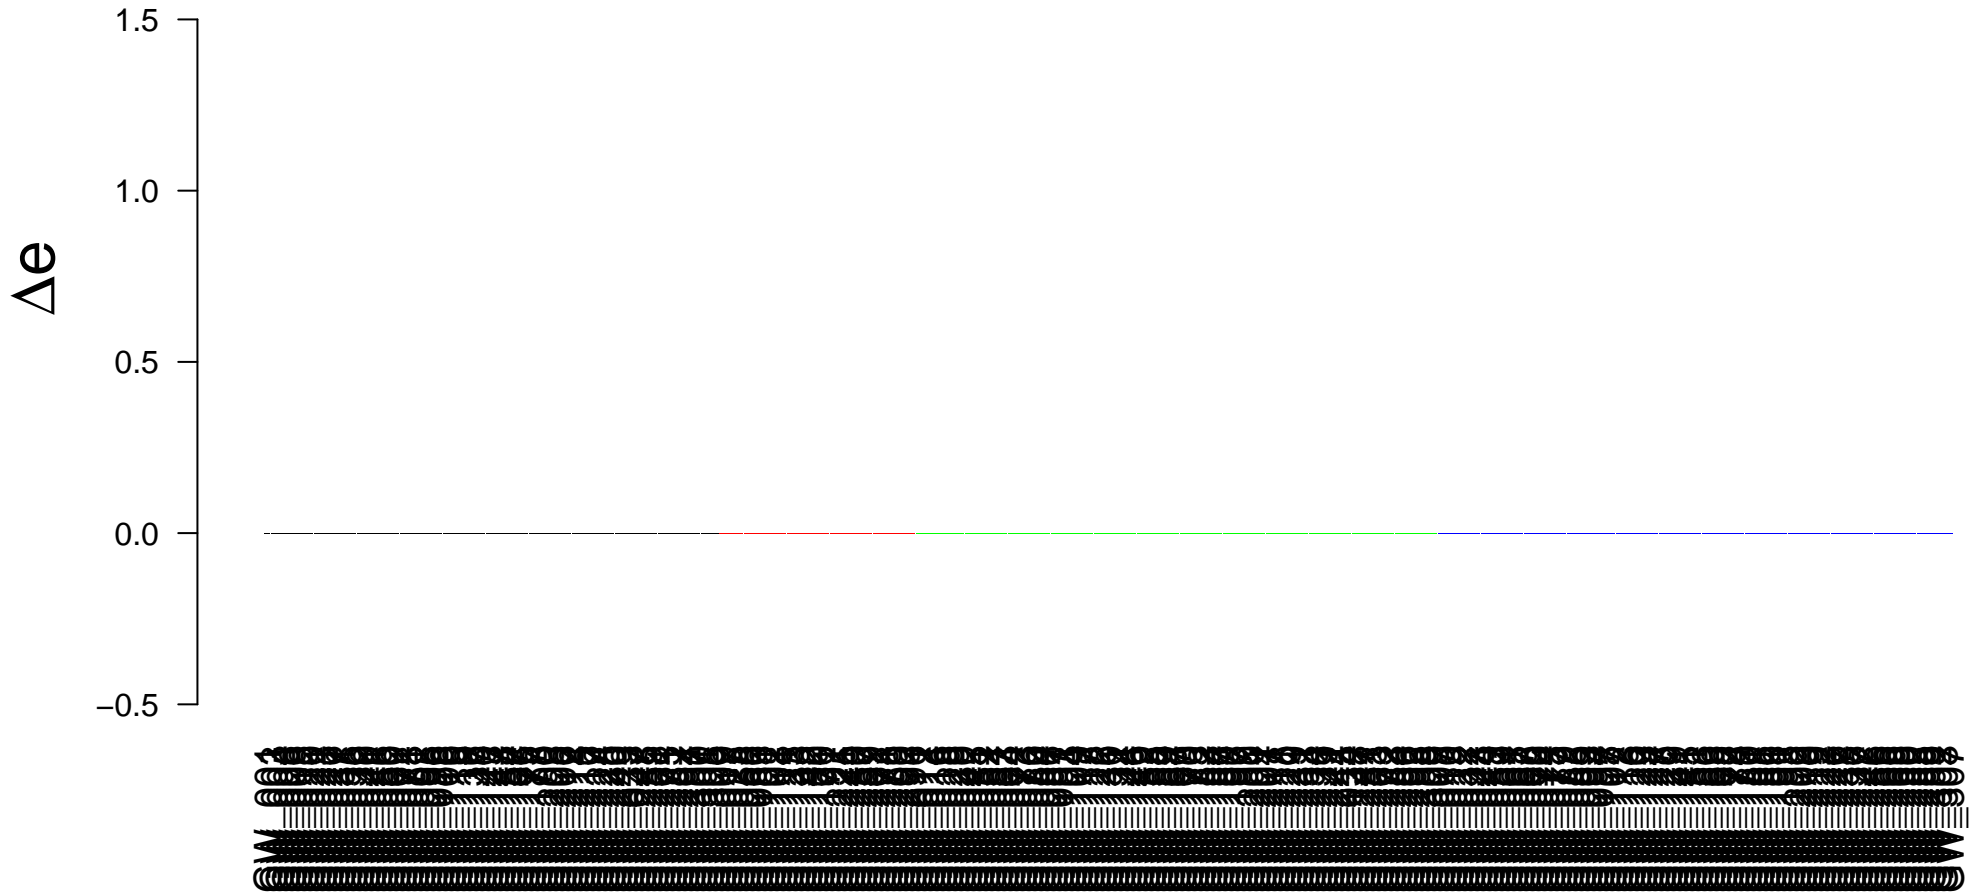

Expression of calcium channel complex in Spot J

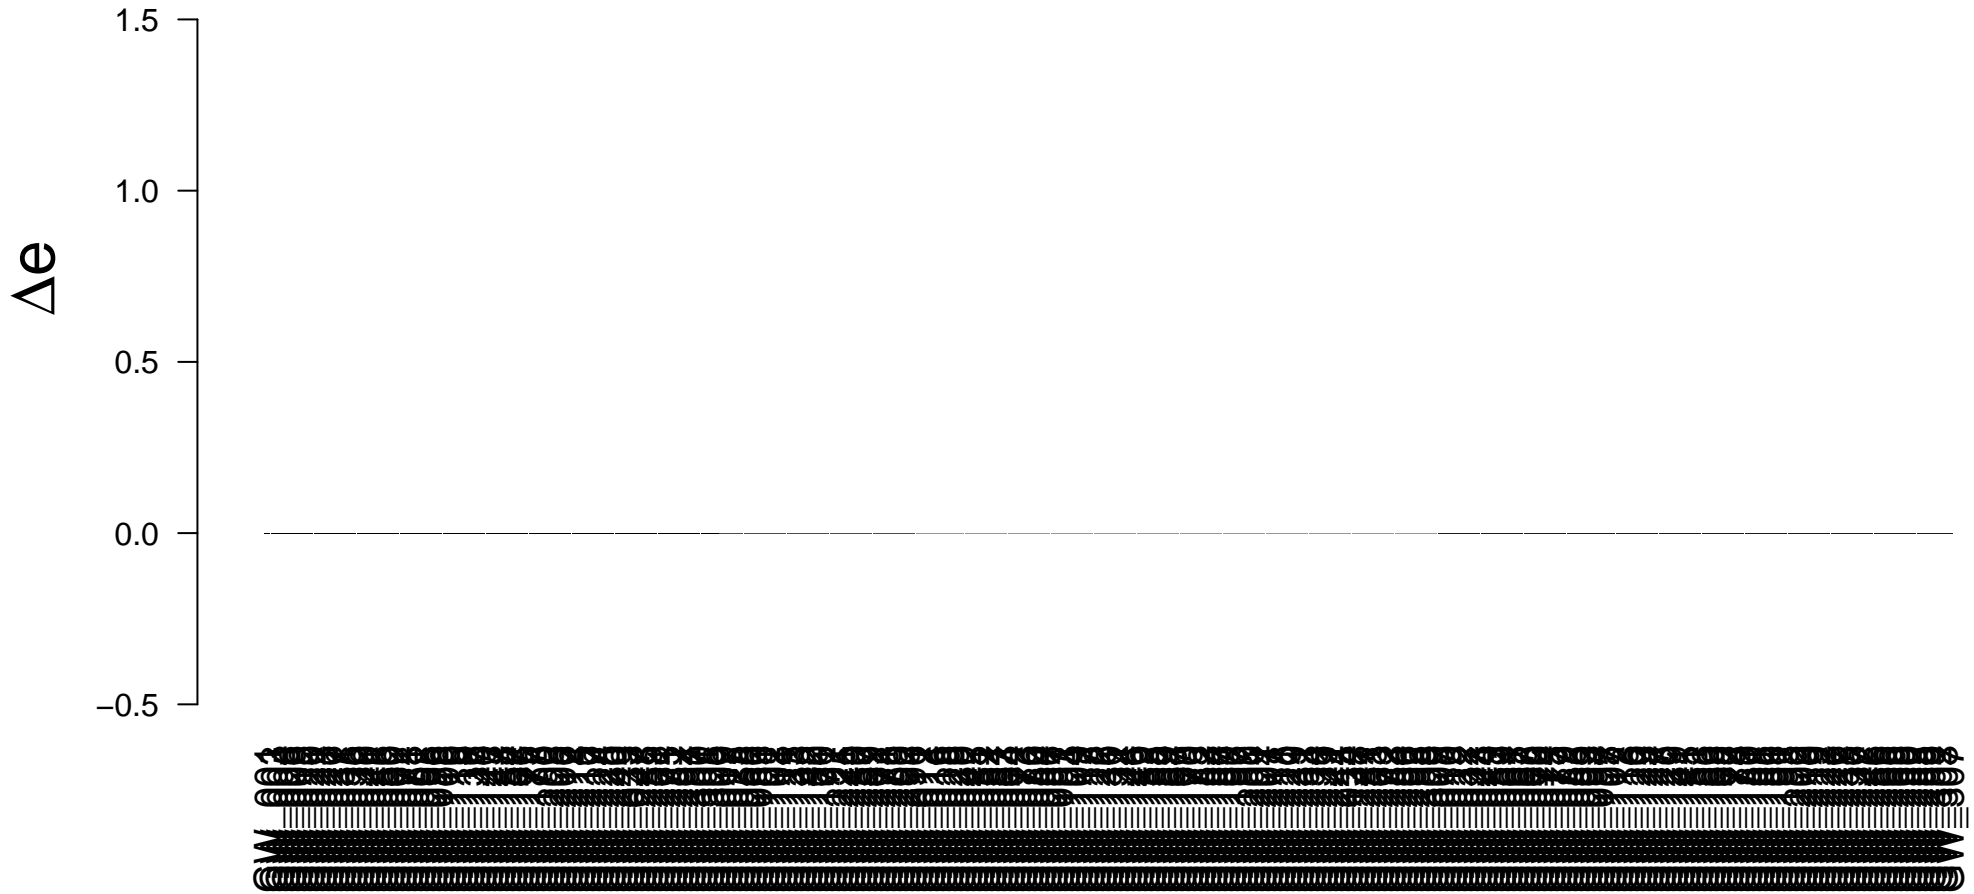

Expression of calcium channel complex in Spot K

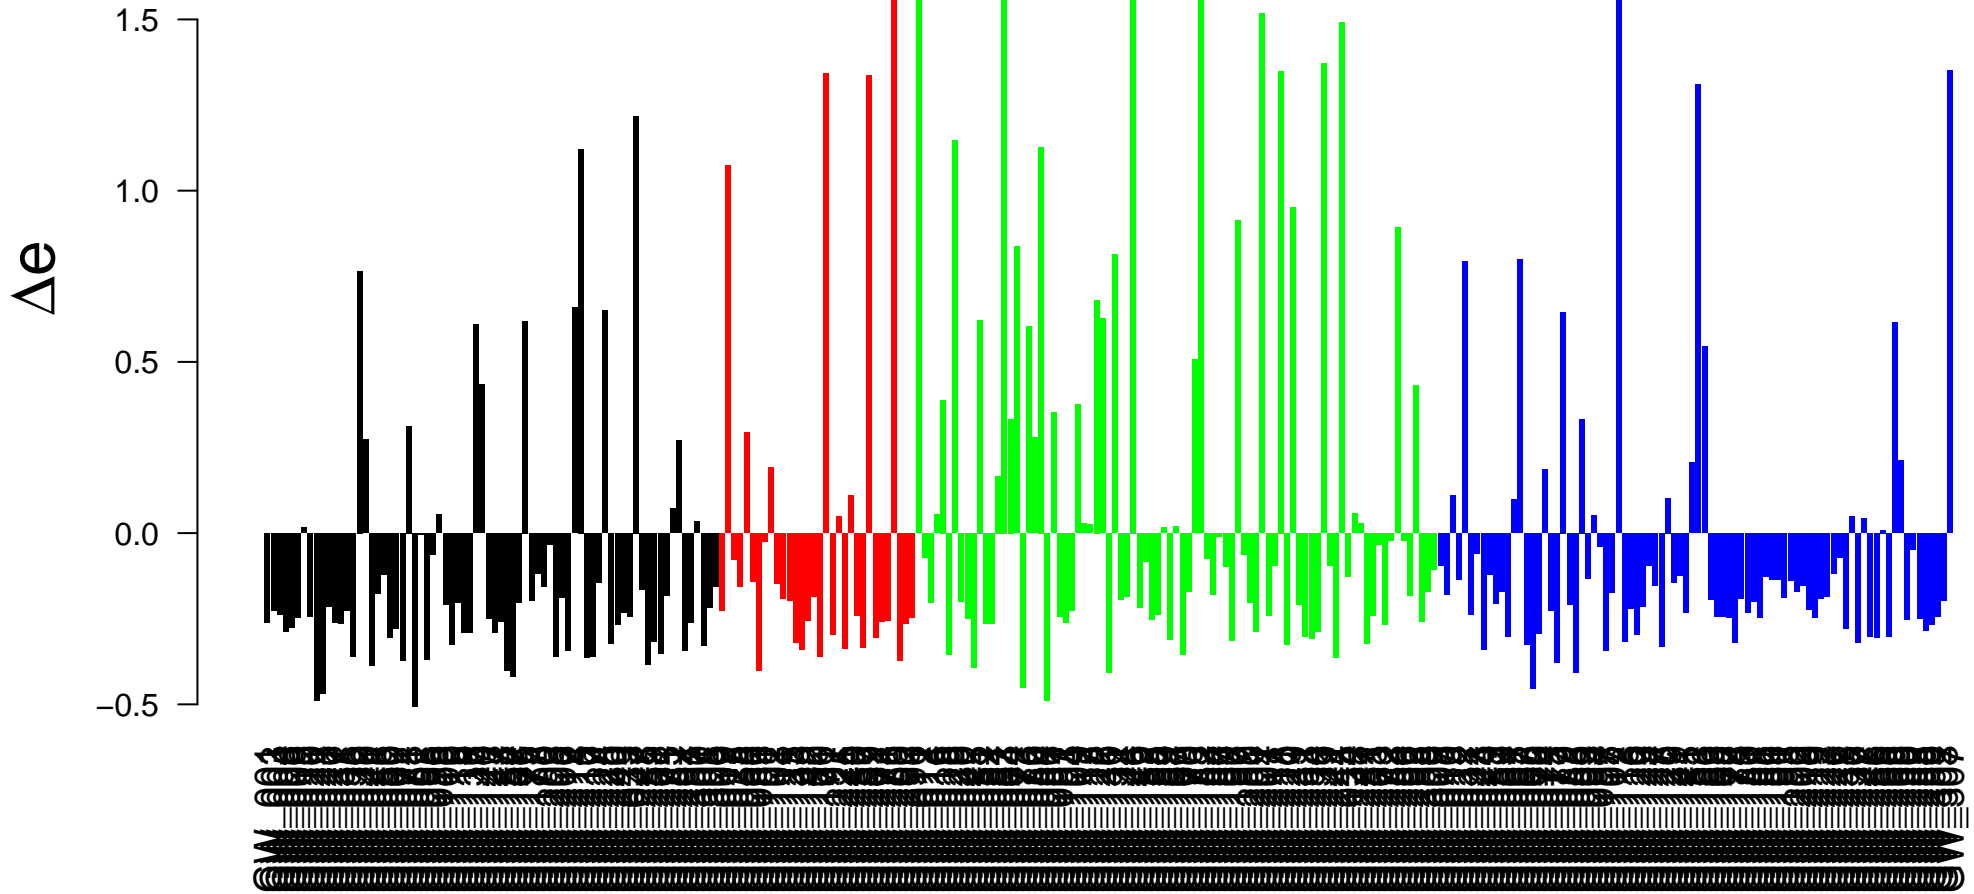

Expression of calcium channel complex in Spot L

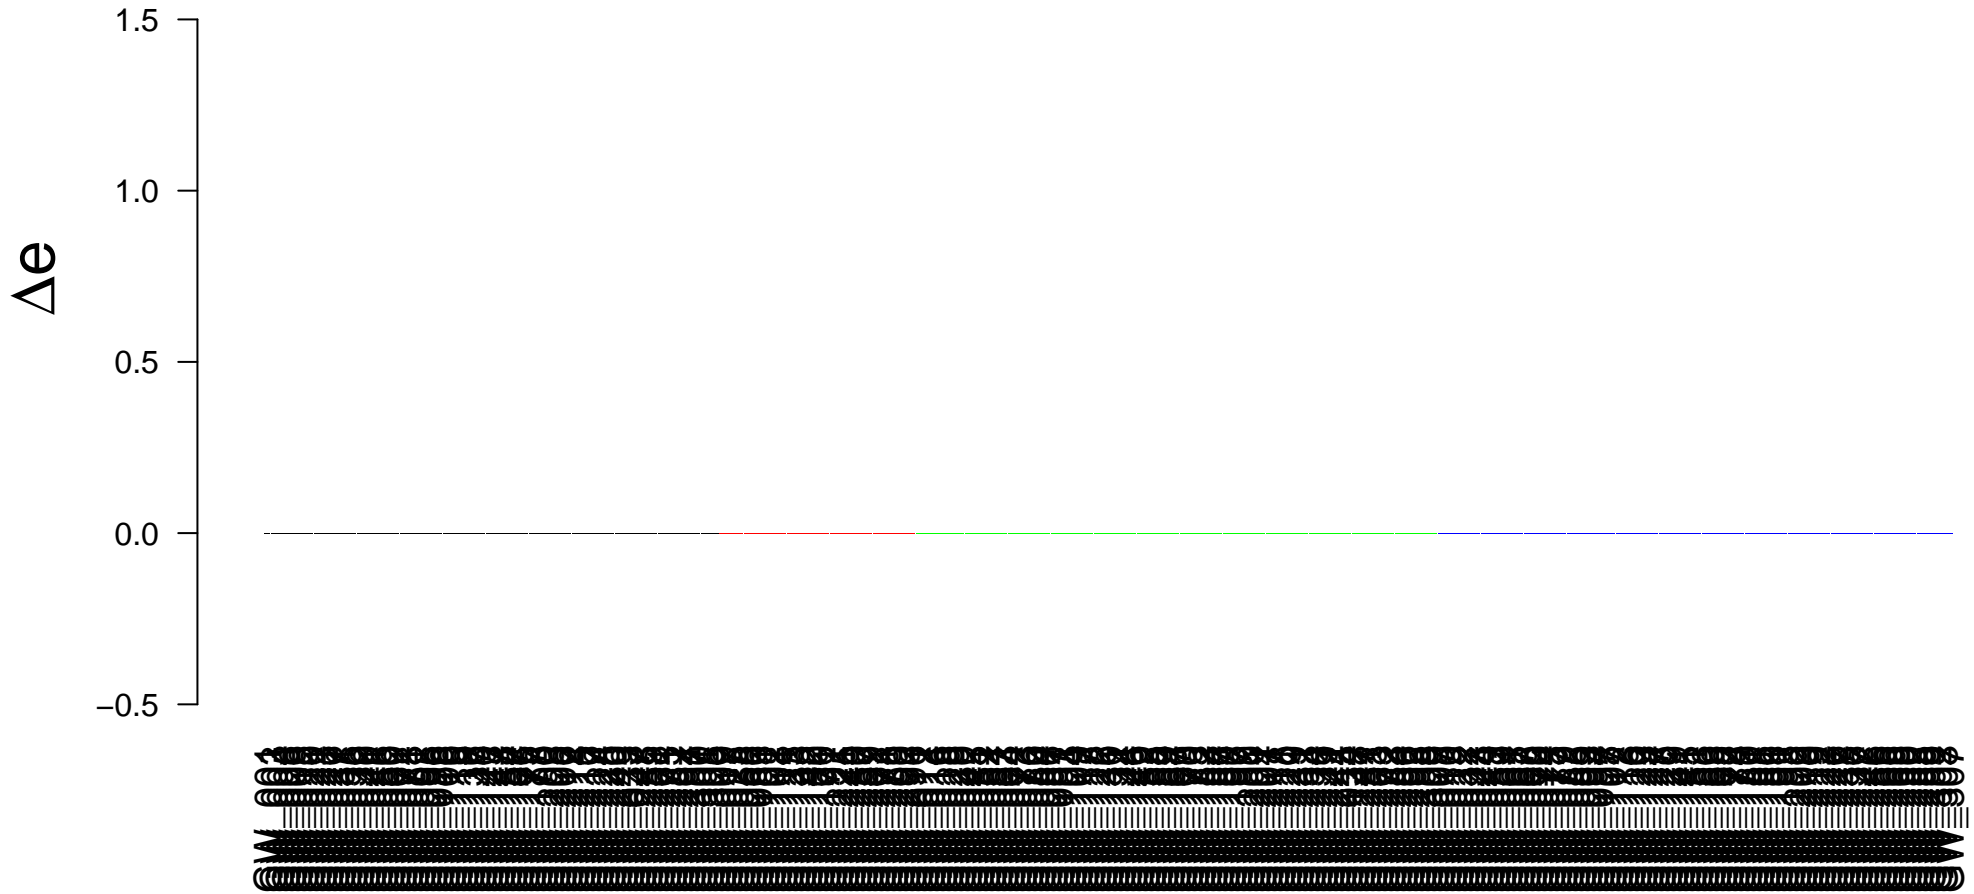

Expression of calcium channel complex in Spot M

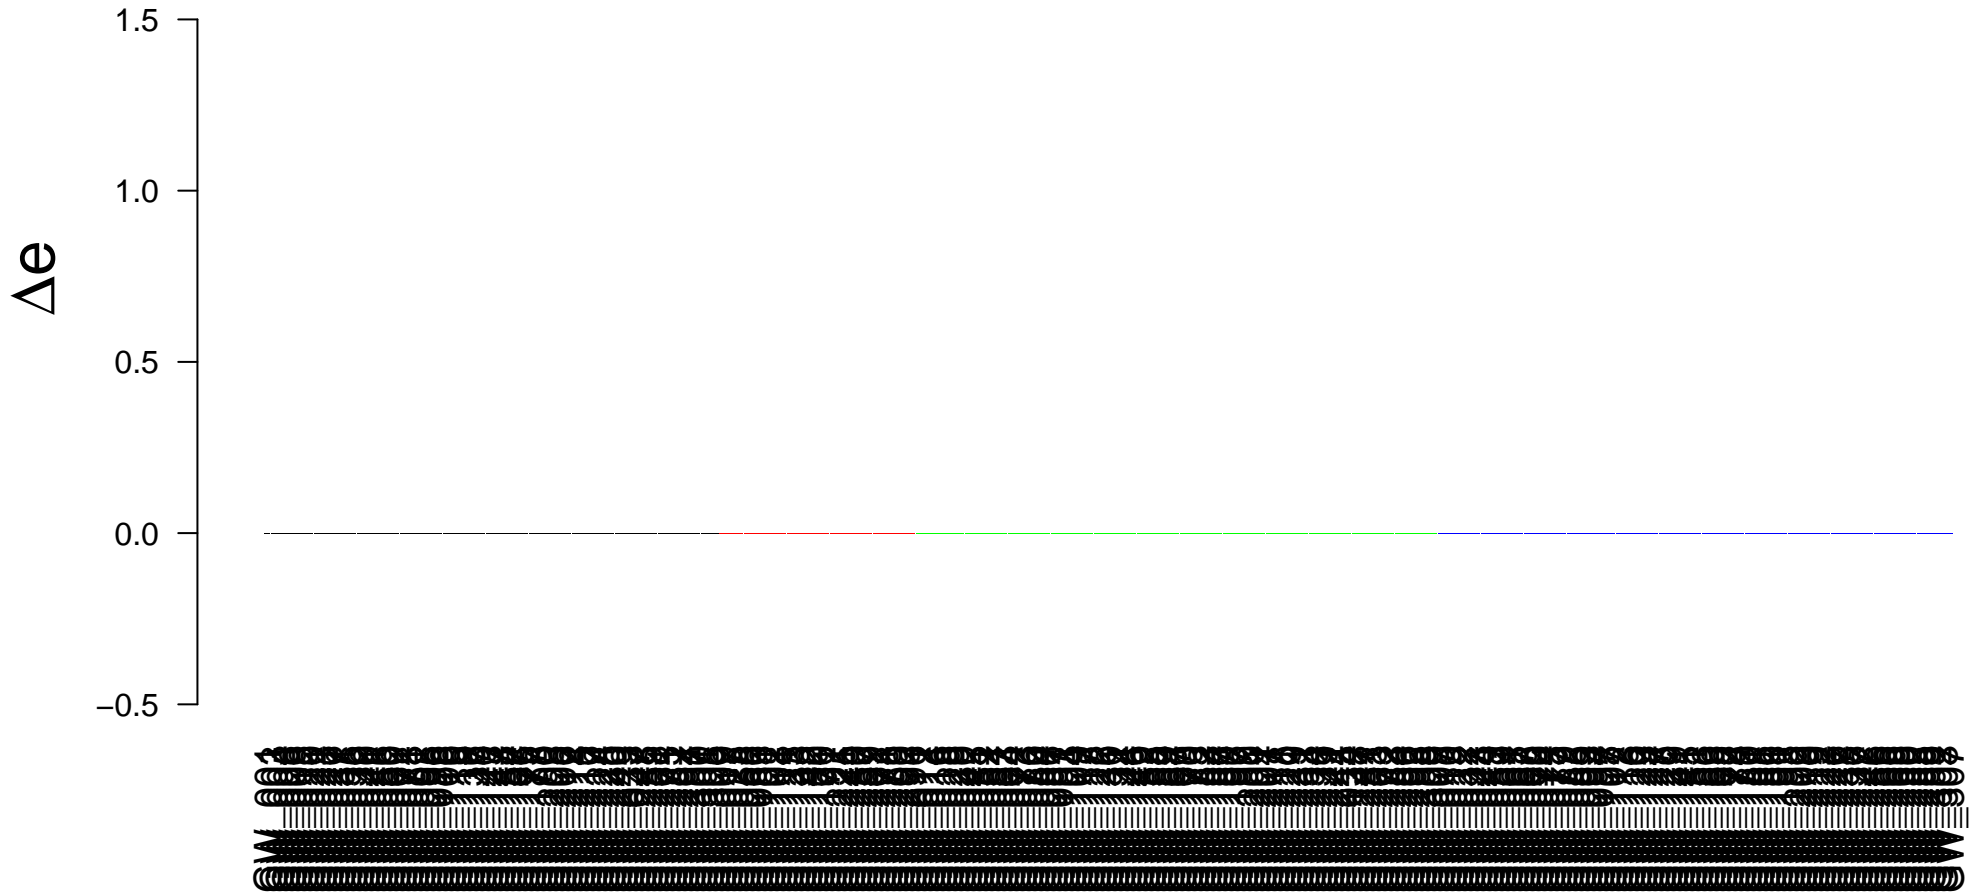

Expression of calcium channel complex in Spot N

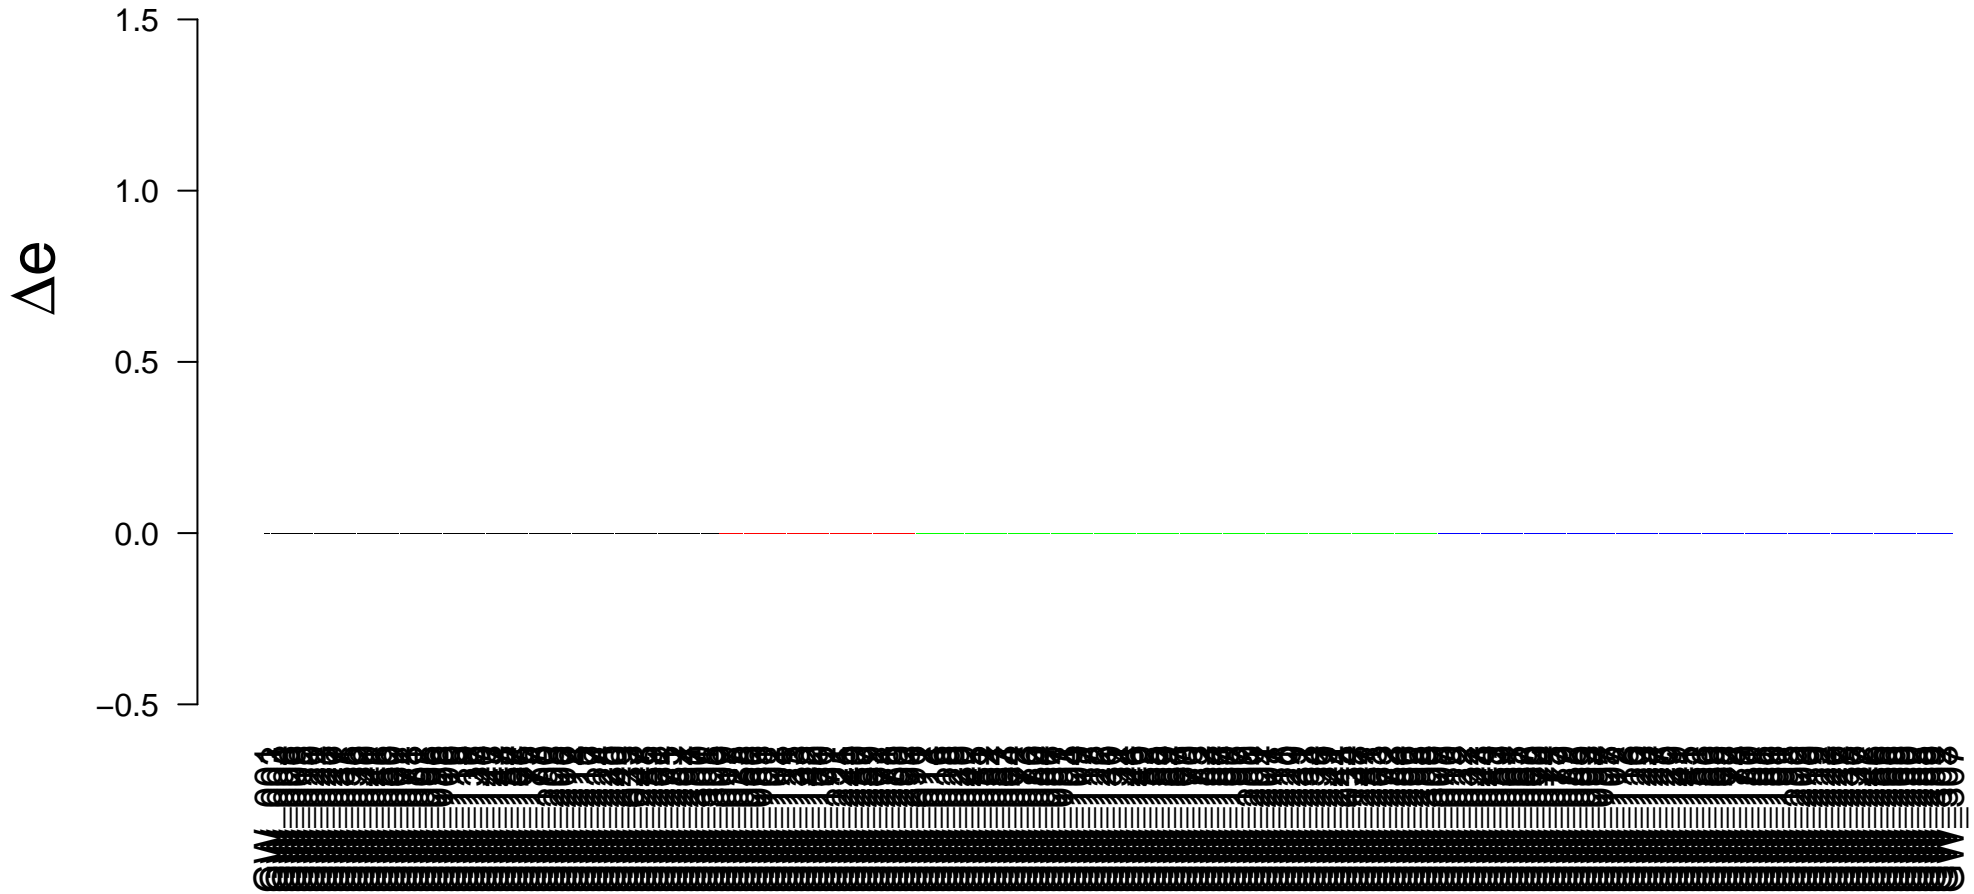

Expression of calcium channel complex in Spot O

Expression of calcium channel complex in Spot P

Expression of calcium channel complex in Spot Q

Expression of calcium channel complex in Spot R
