Expression of calcium ion-dependent exocytosis in Spot B

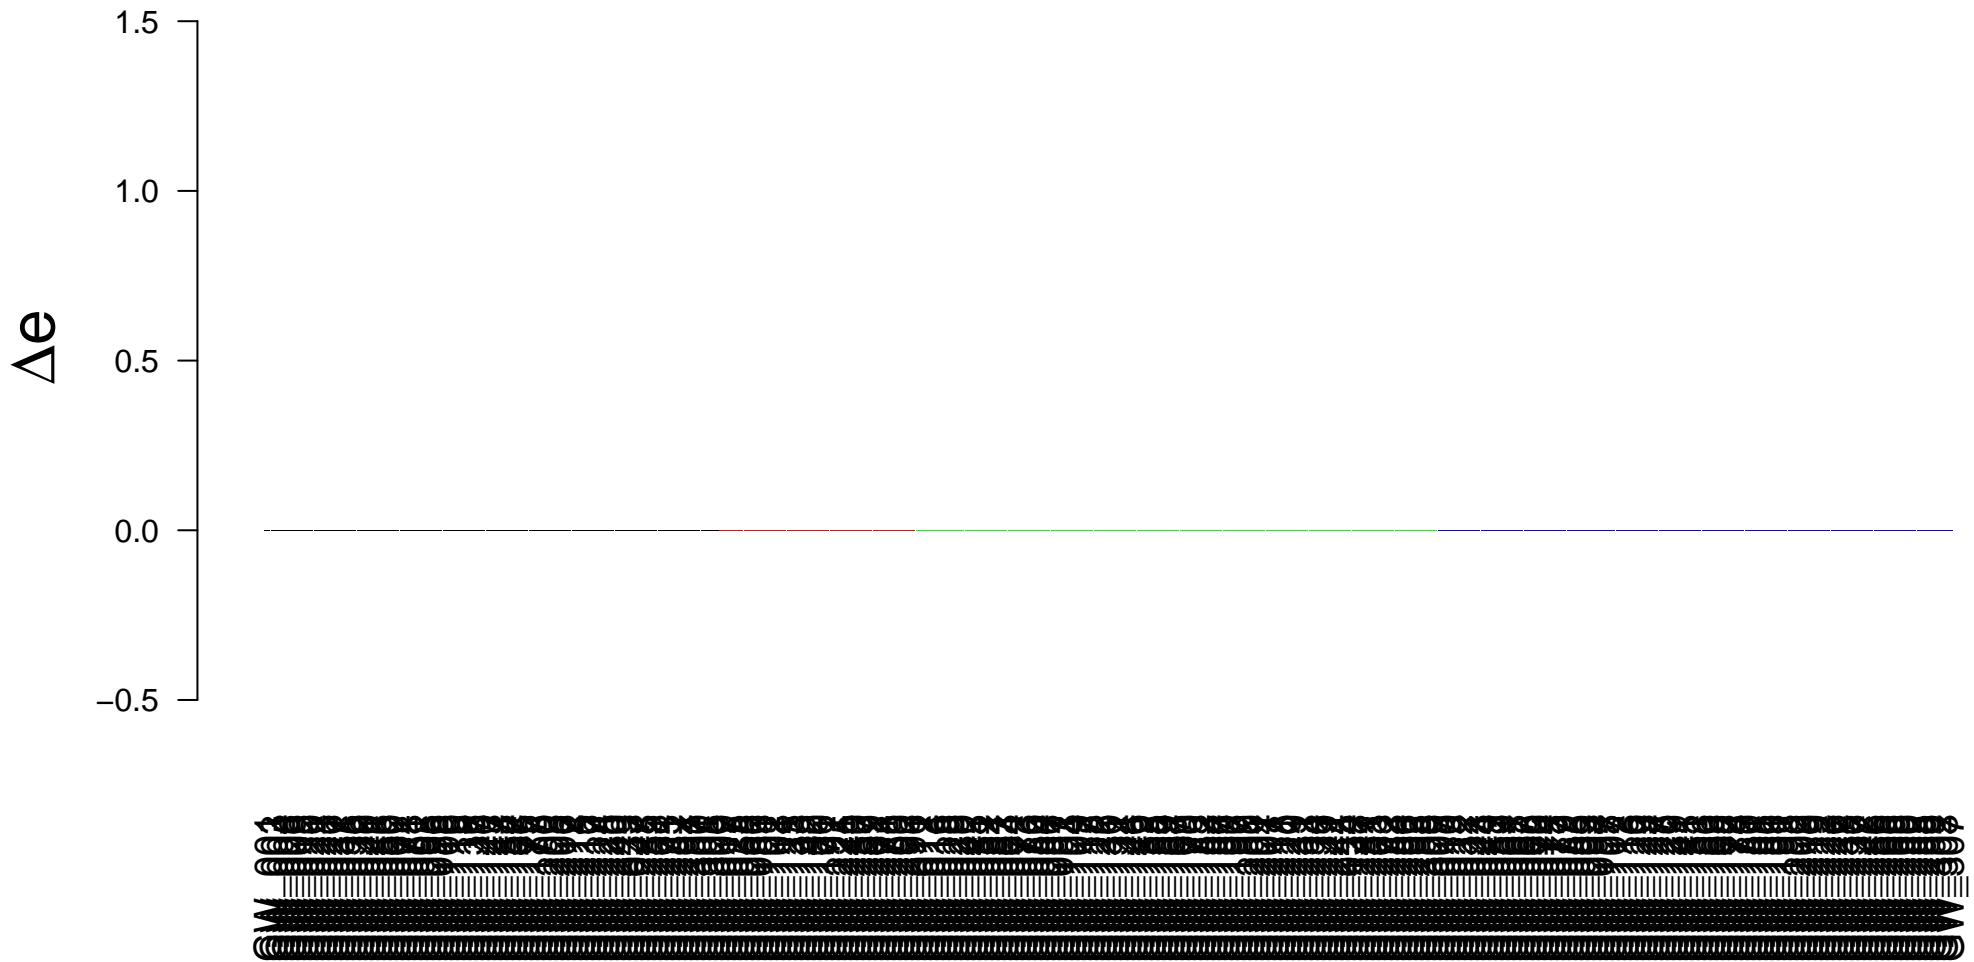

Expression of calcium ion-dependent exocytosis in Spot C

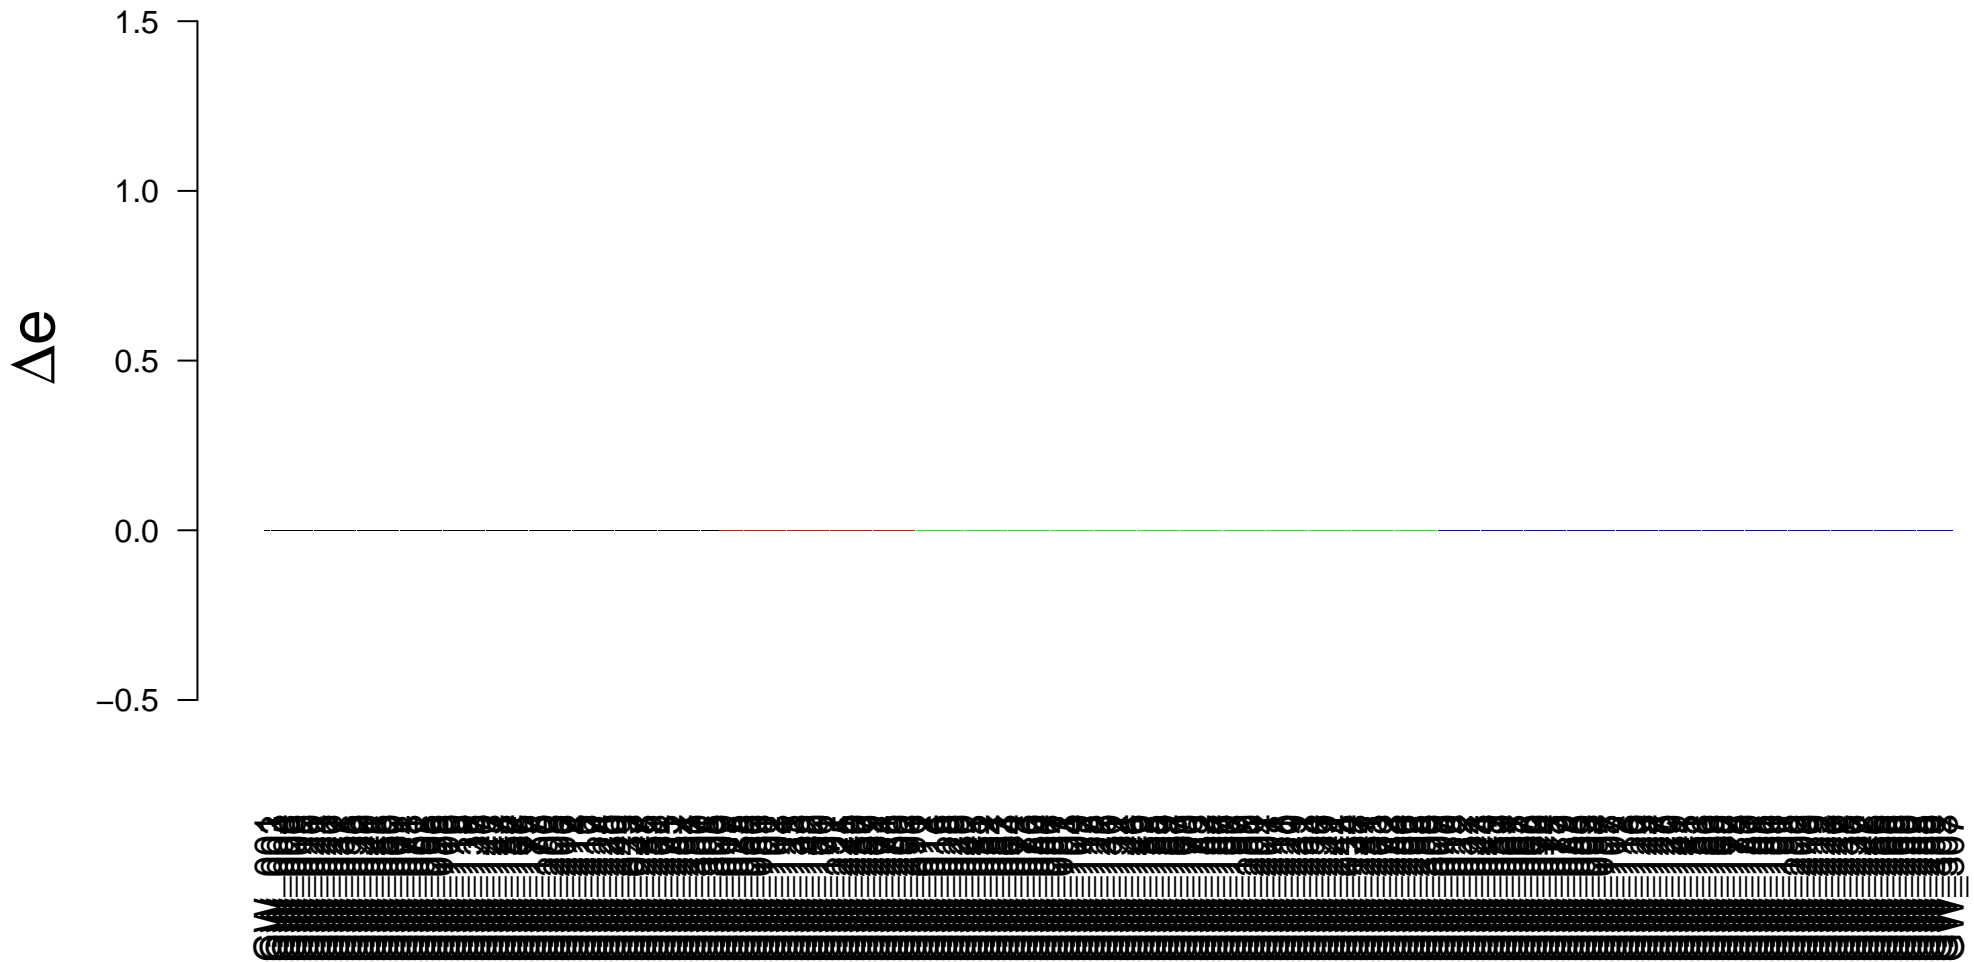

Expression of calcium ion-dependent exocytosis in Spot D

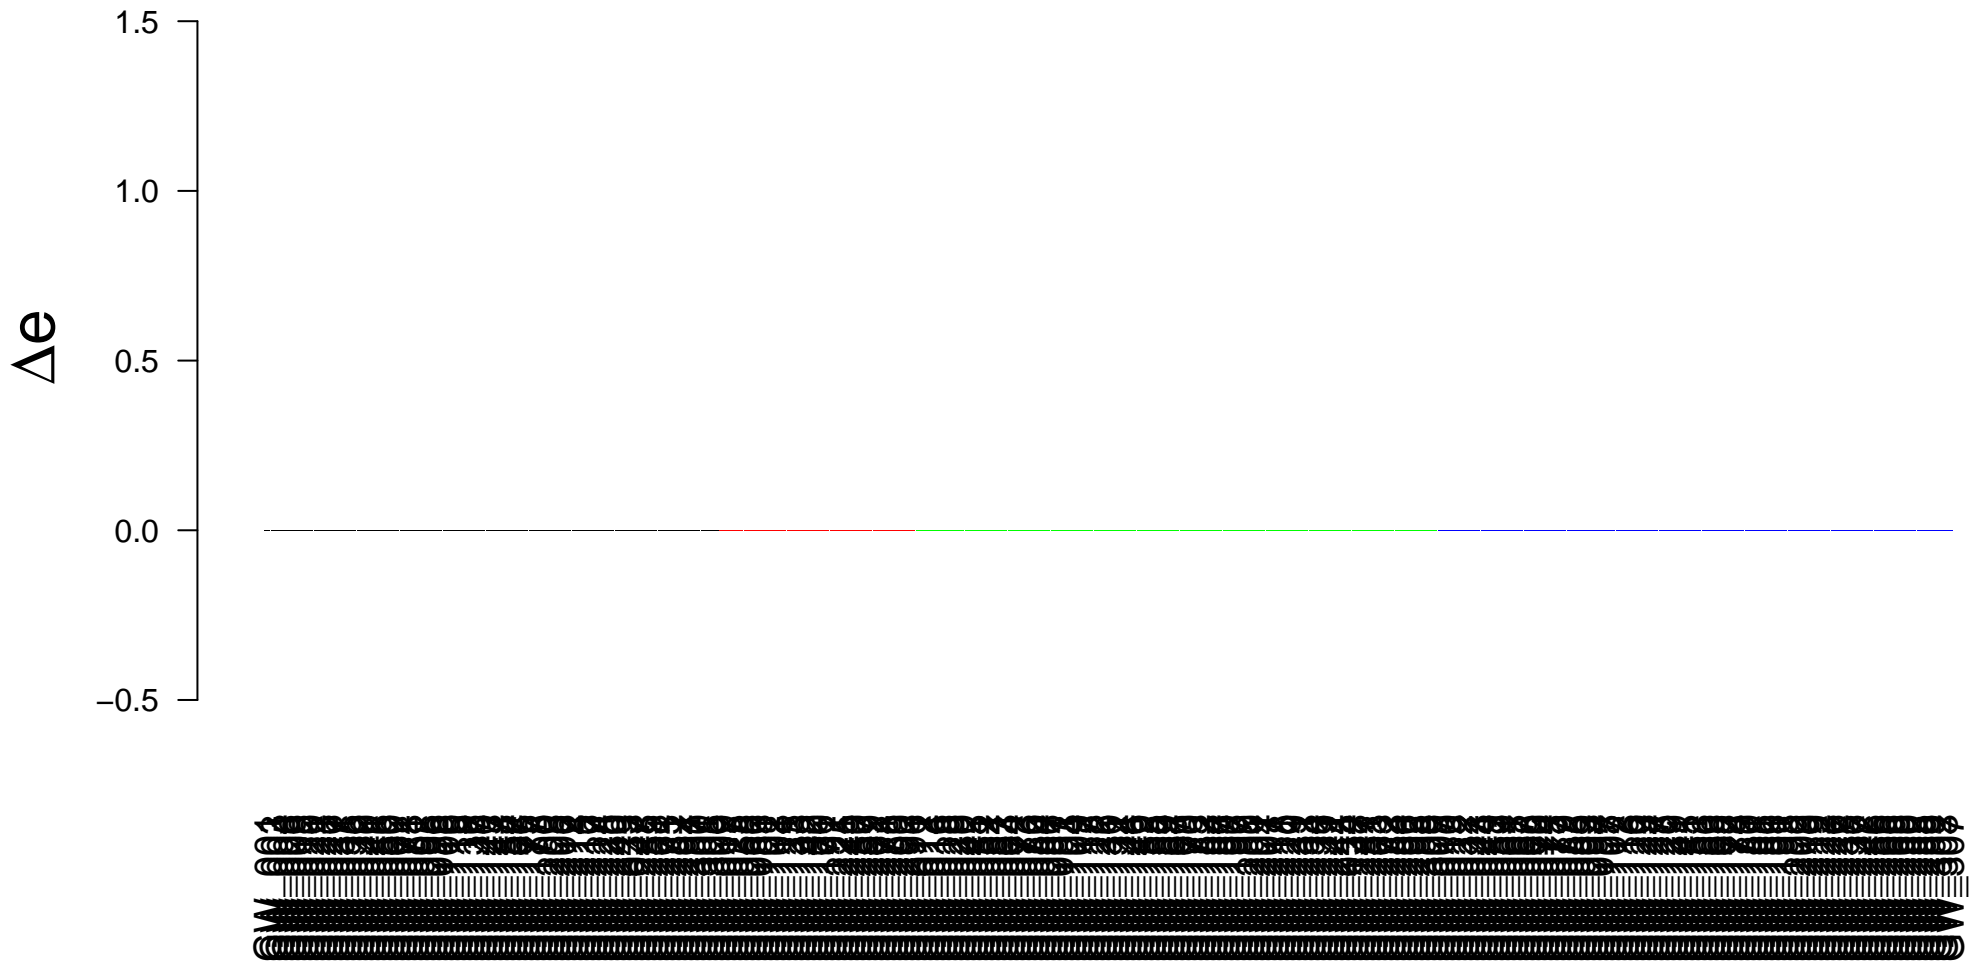

Expression of calcium ion-dependent exocytosis in Spot E

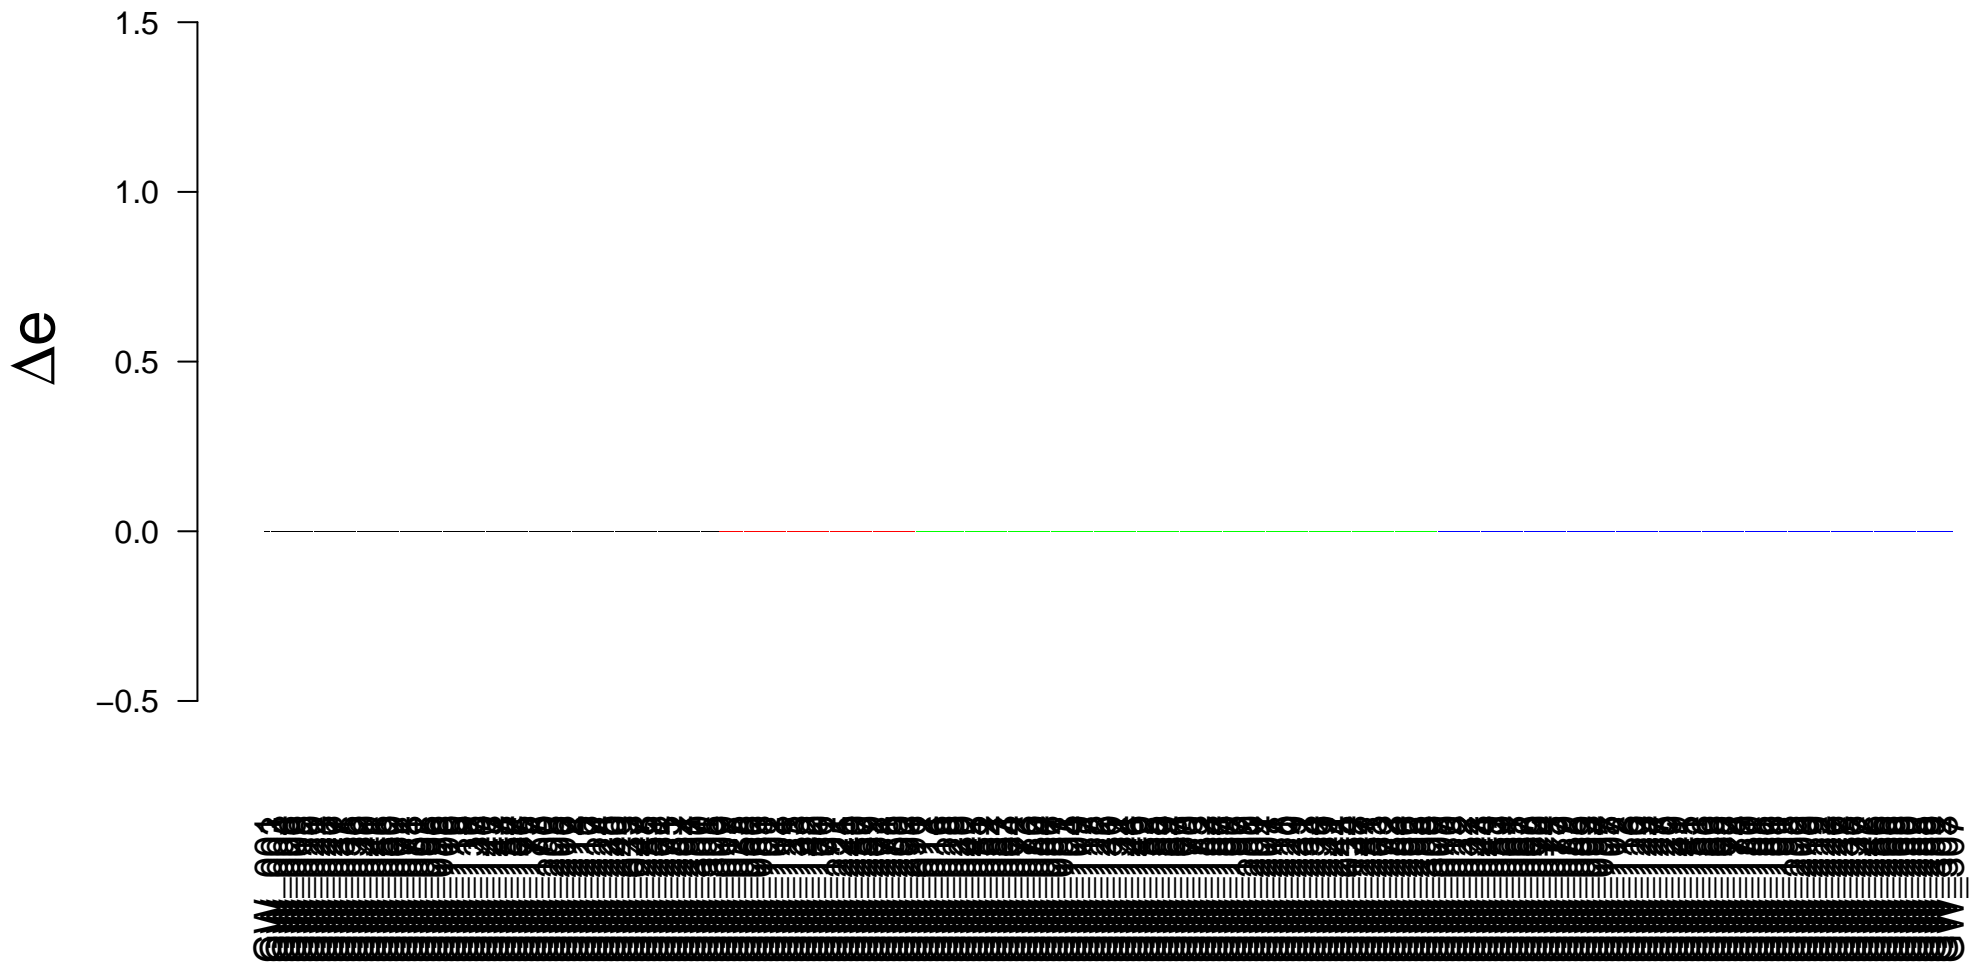

Expression of calcium ion-dependent exocytosis in Spot F

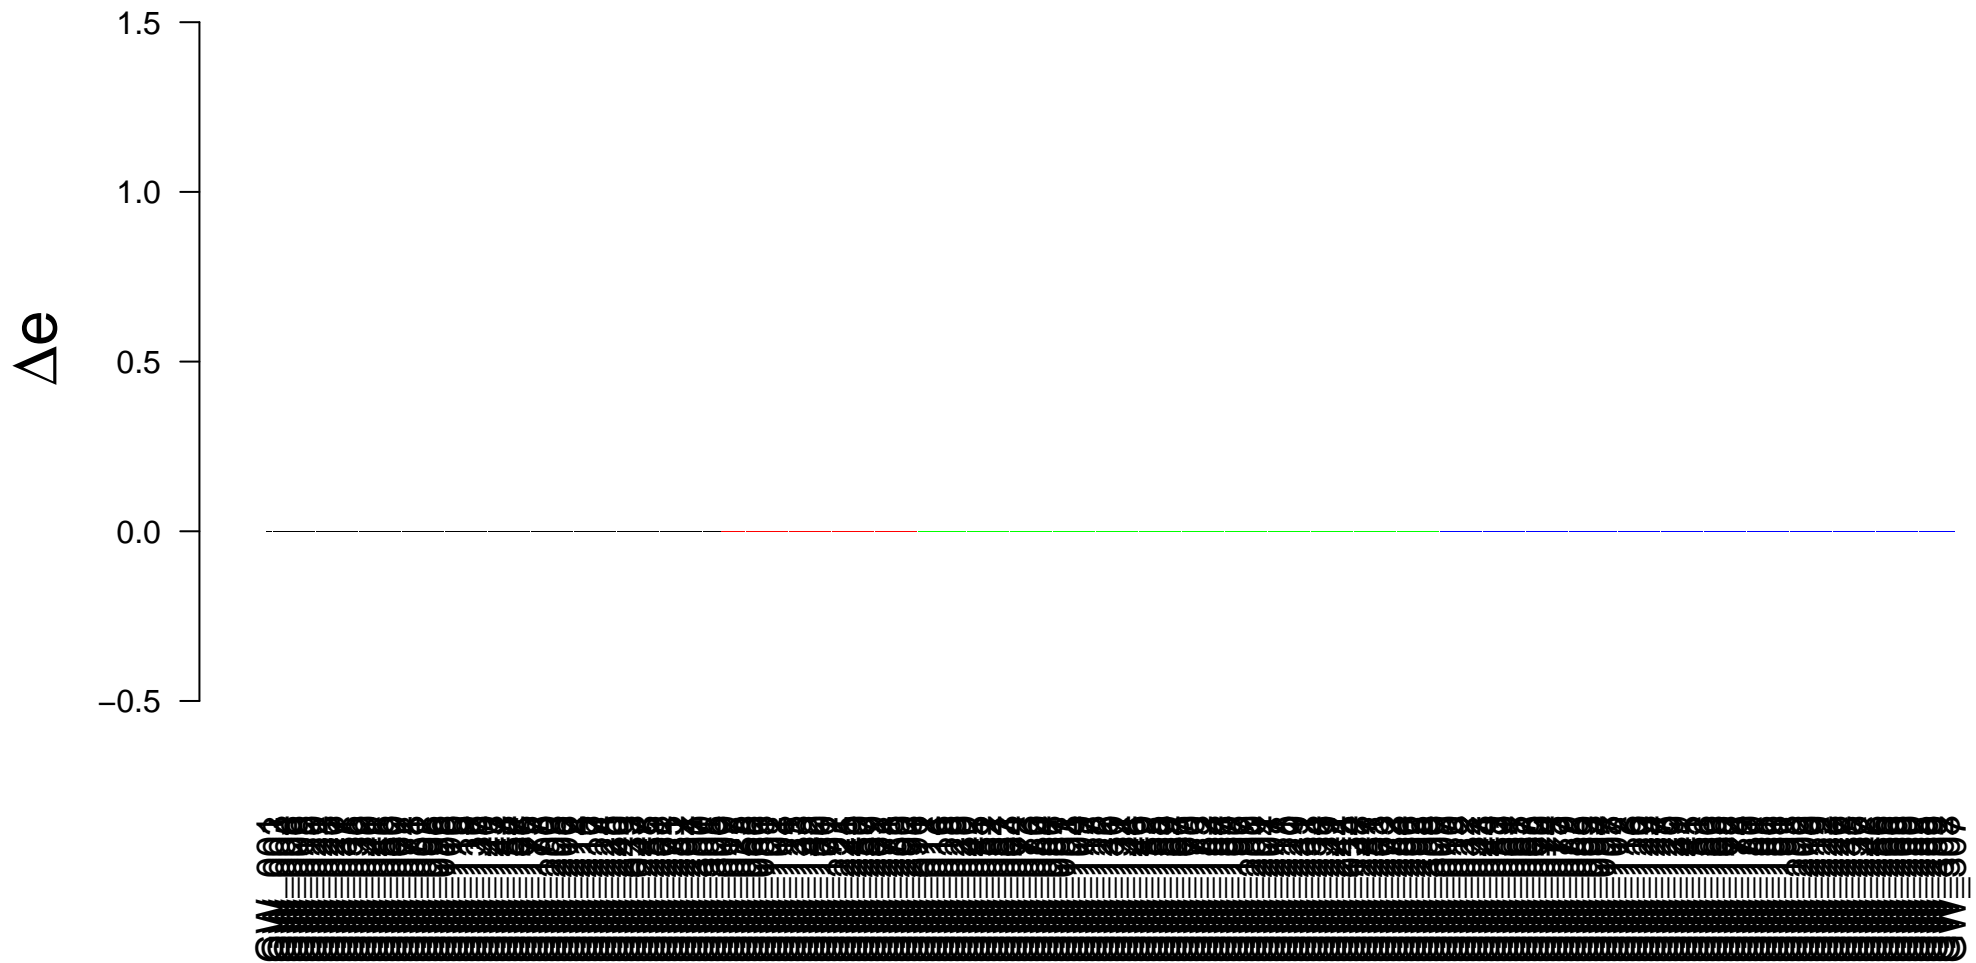

Expression of calcium ion-dependent exocytosis in Spot G

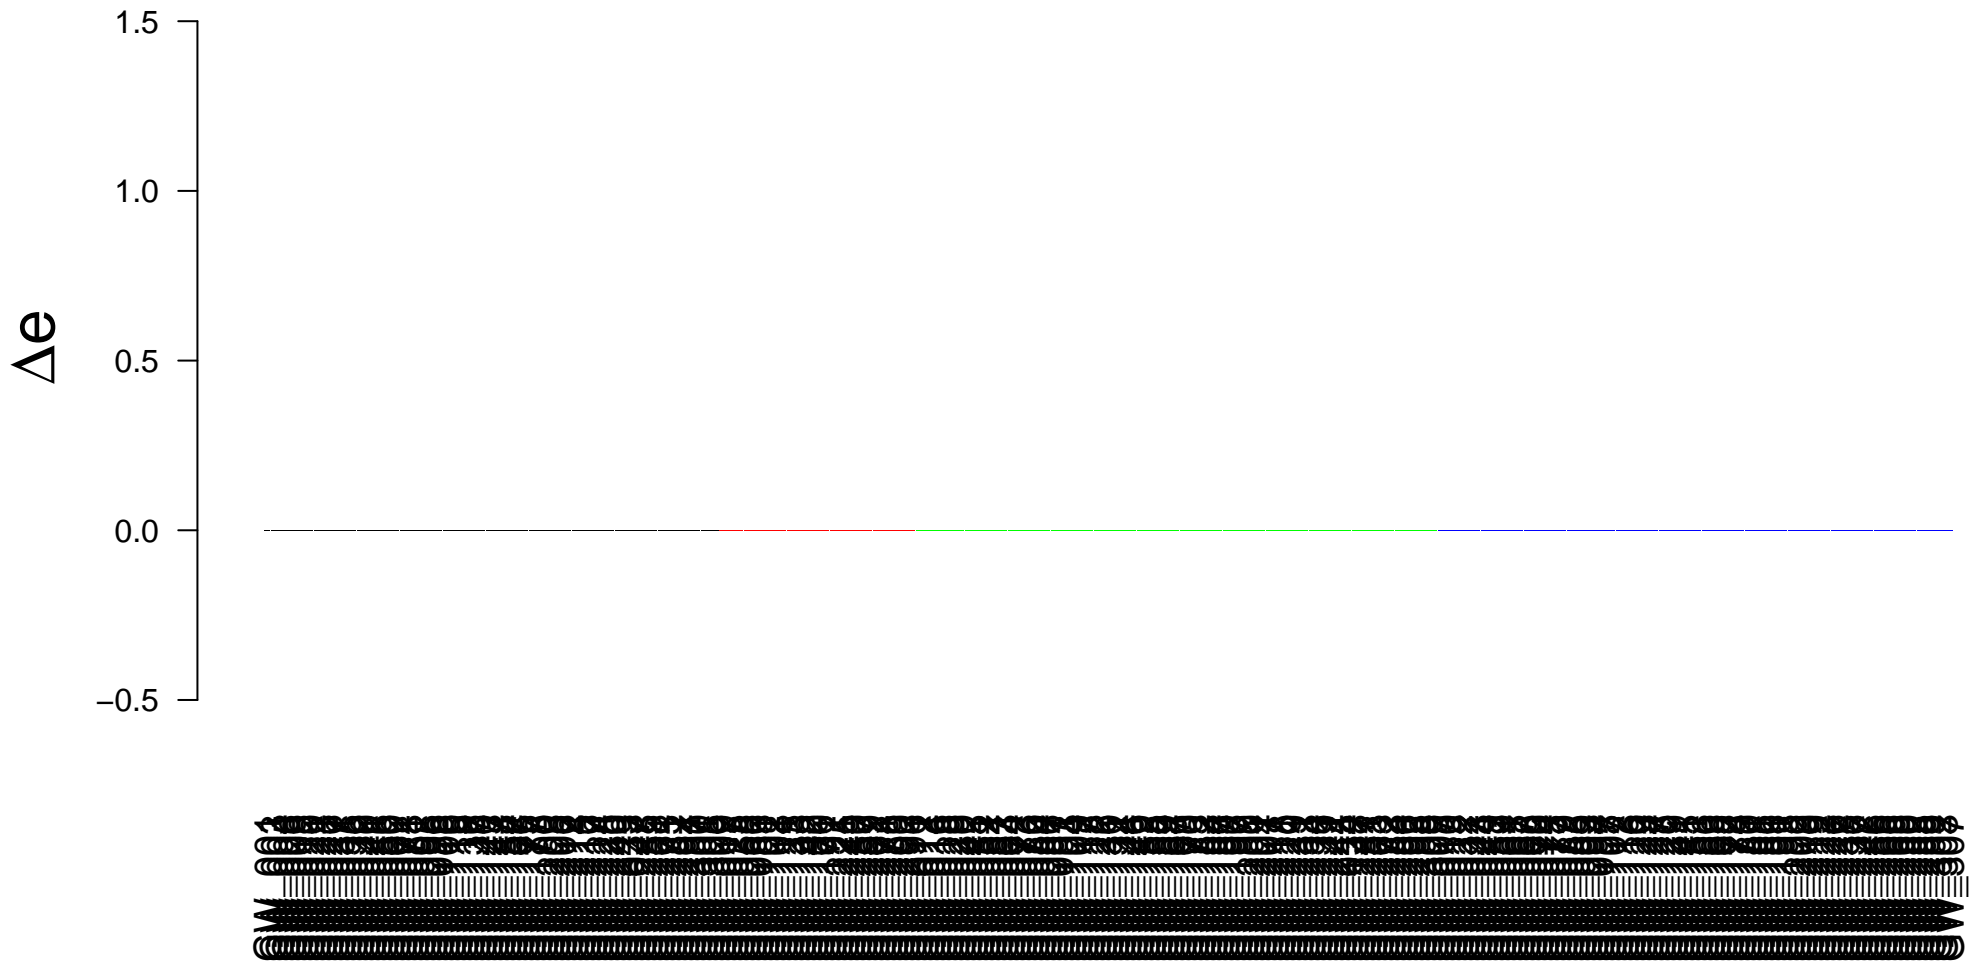

Expression of calcium ion-dependent exocytosis in Spot H

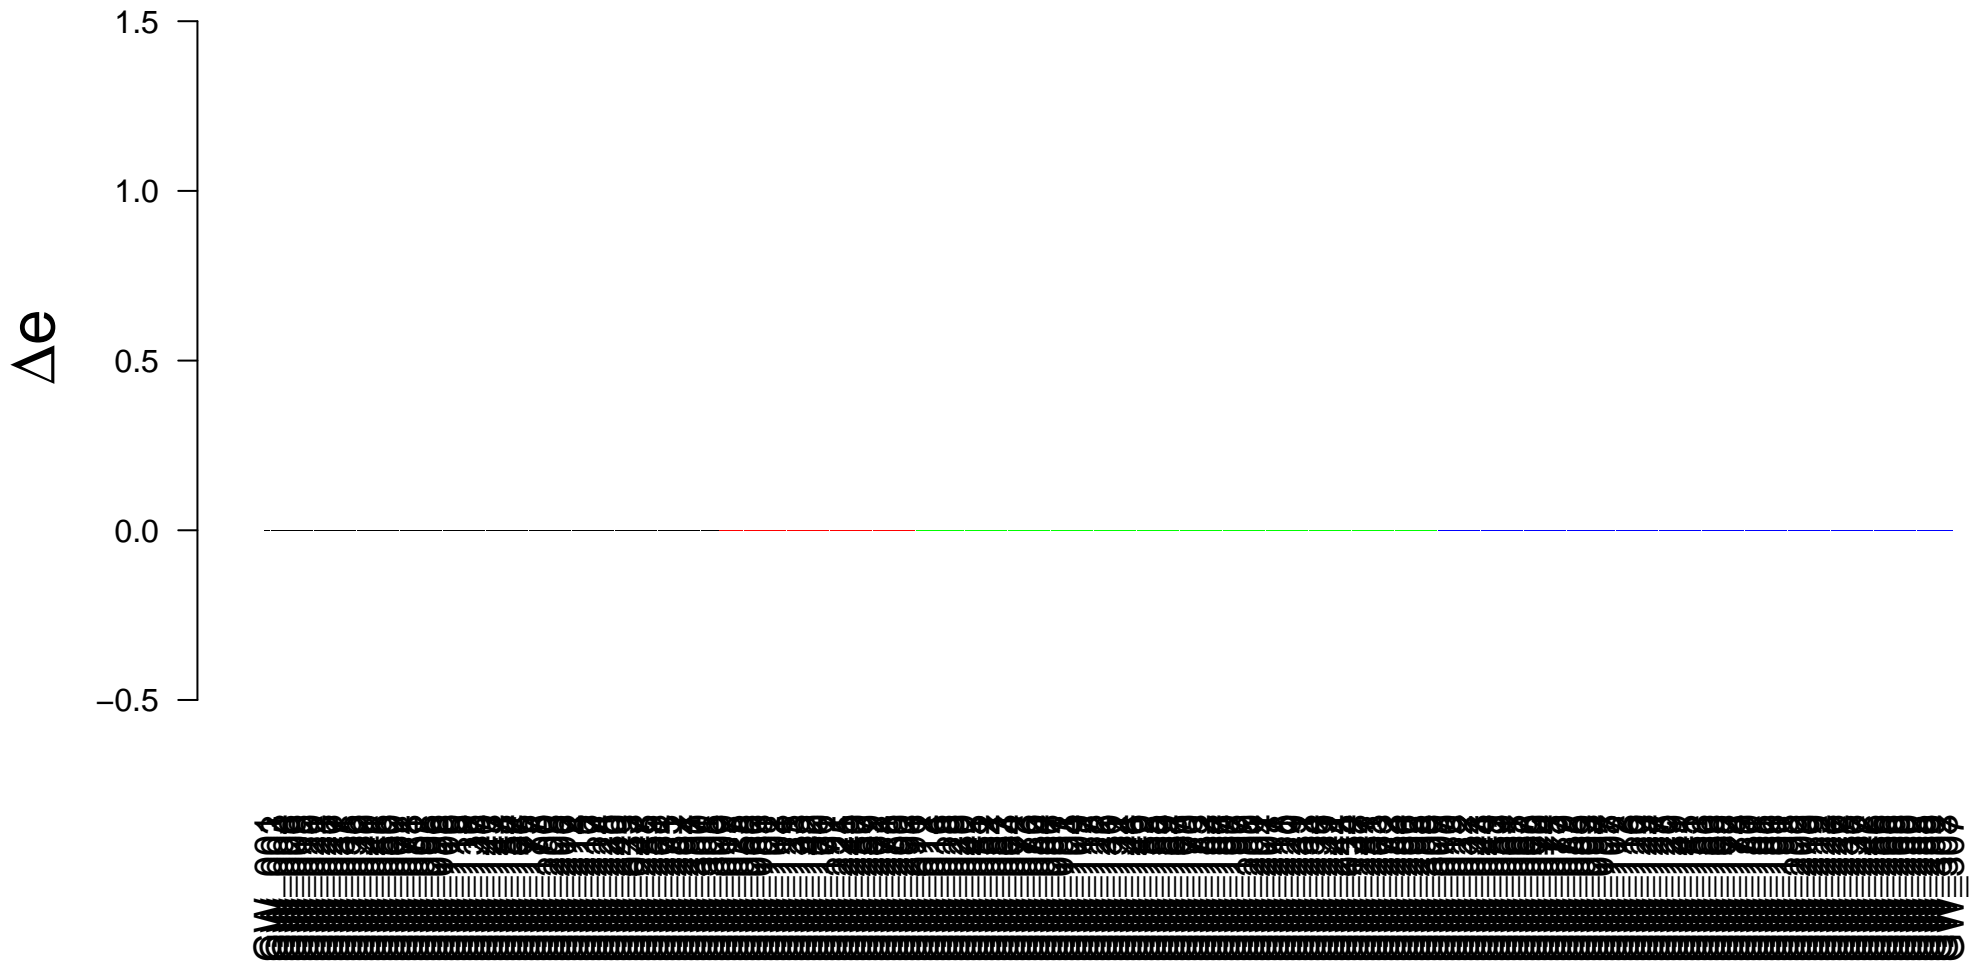

Expression of calcium ion-dependent exocytosis in Spot I

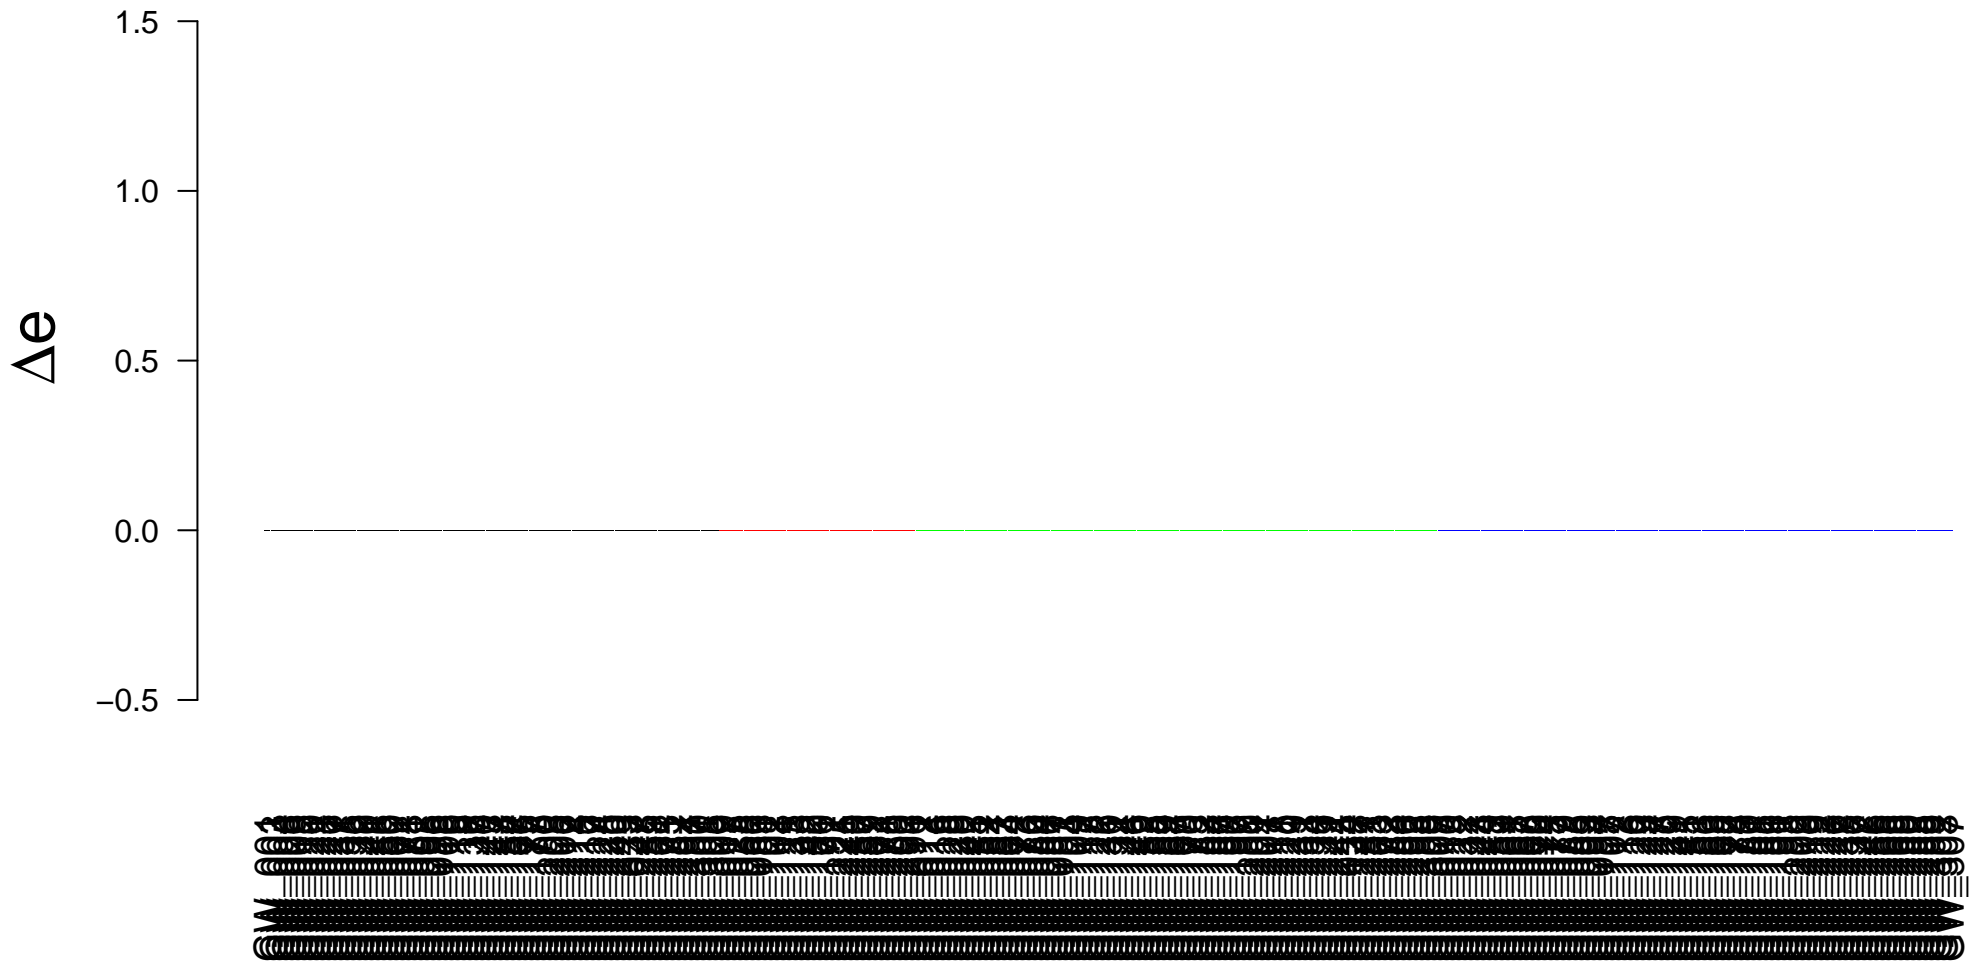

Expression of calcium ion-dependent exocytosis in Spot J

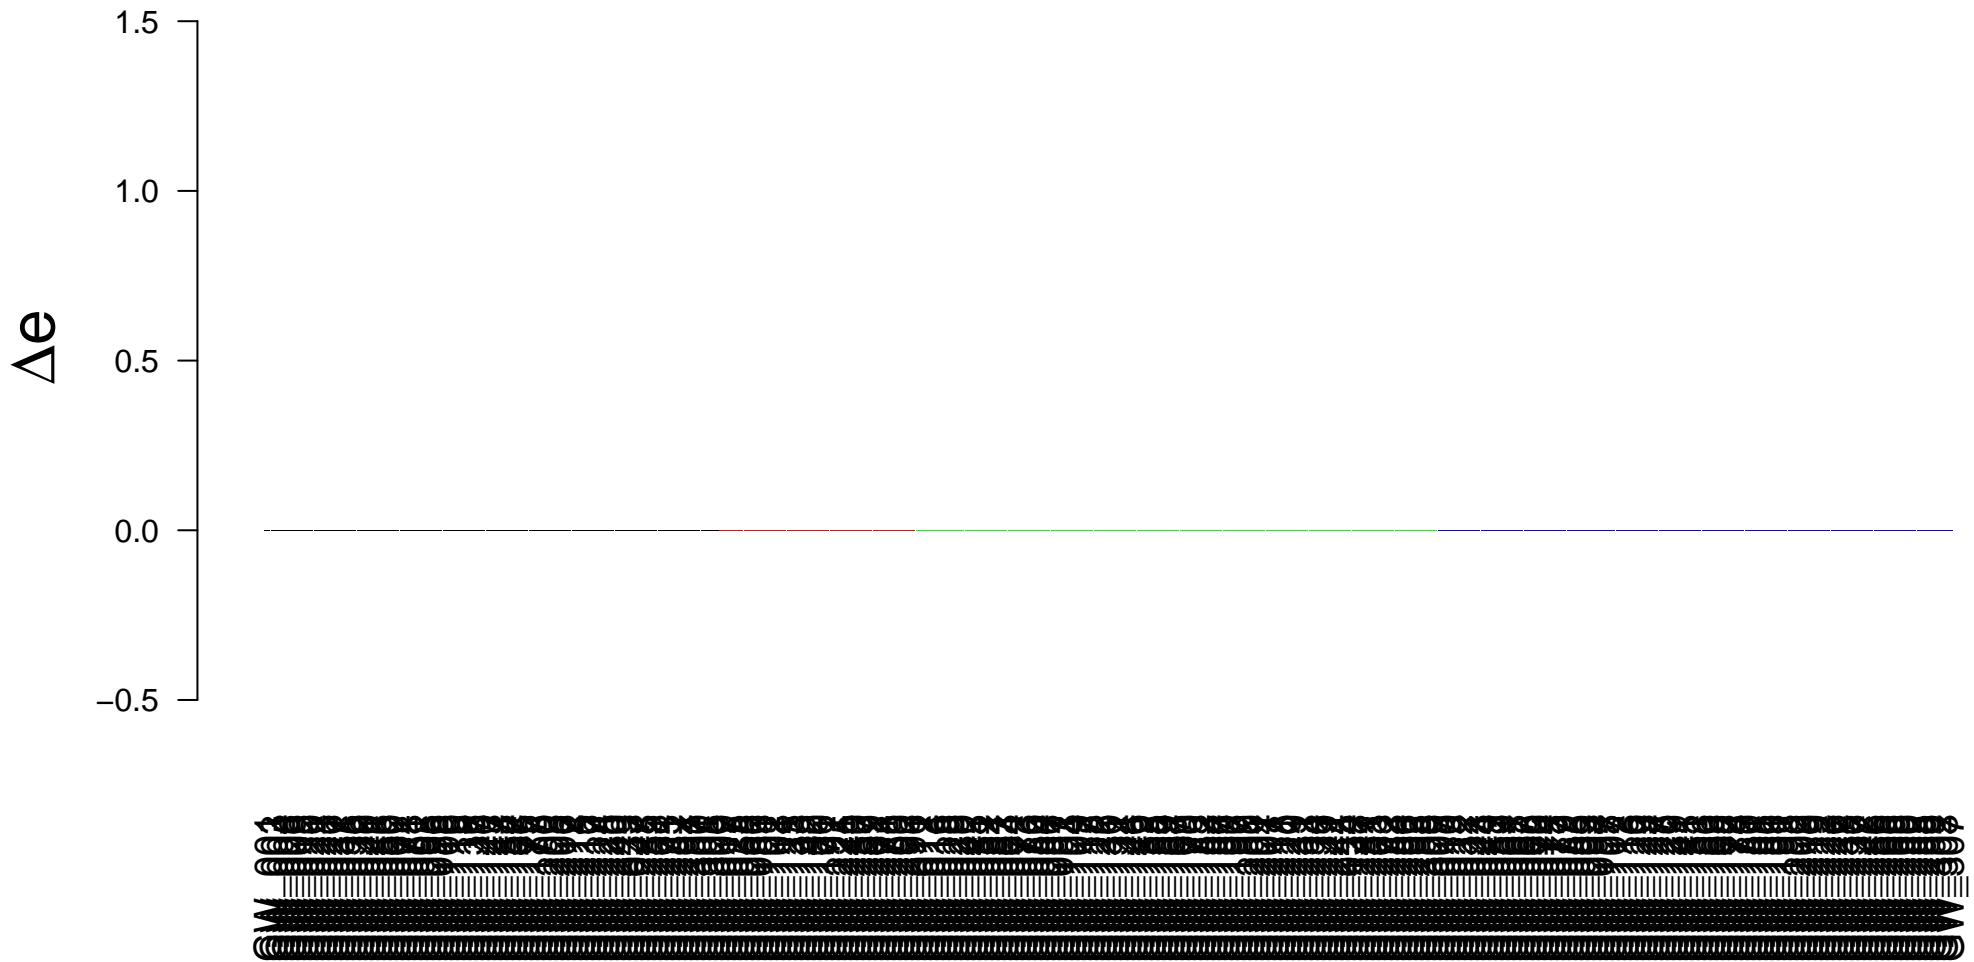

Expression of calcium ion-dependent exocytosis in Spot K

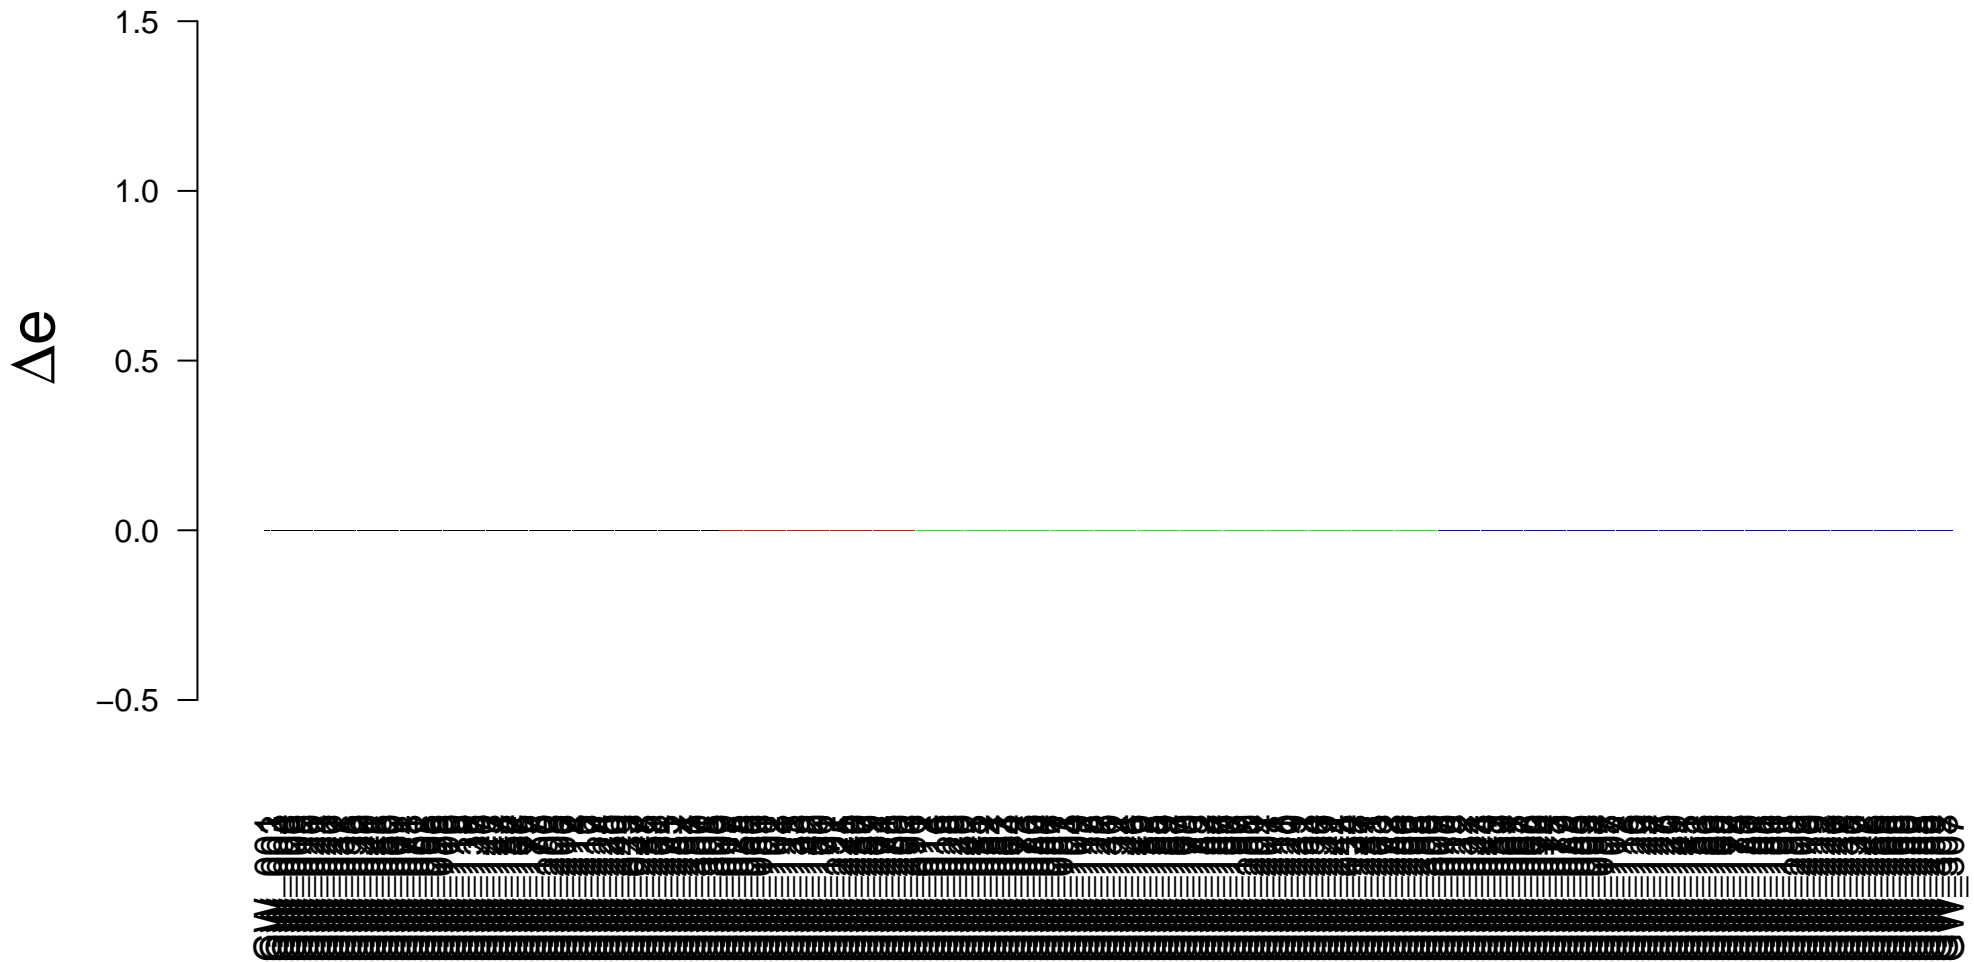

Expression of calcium ion-dependent exocytosis in Spot L

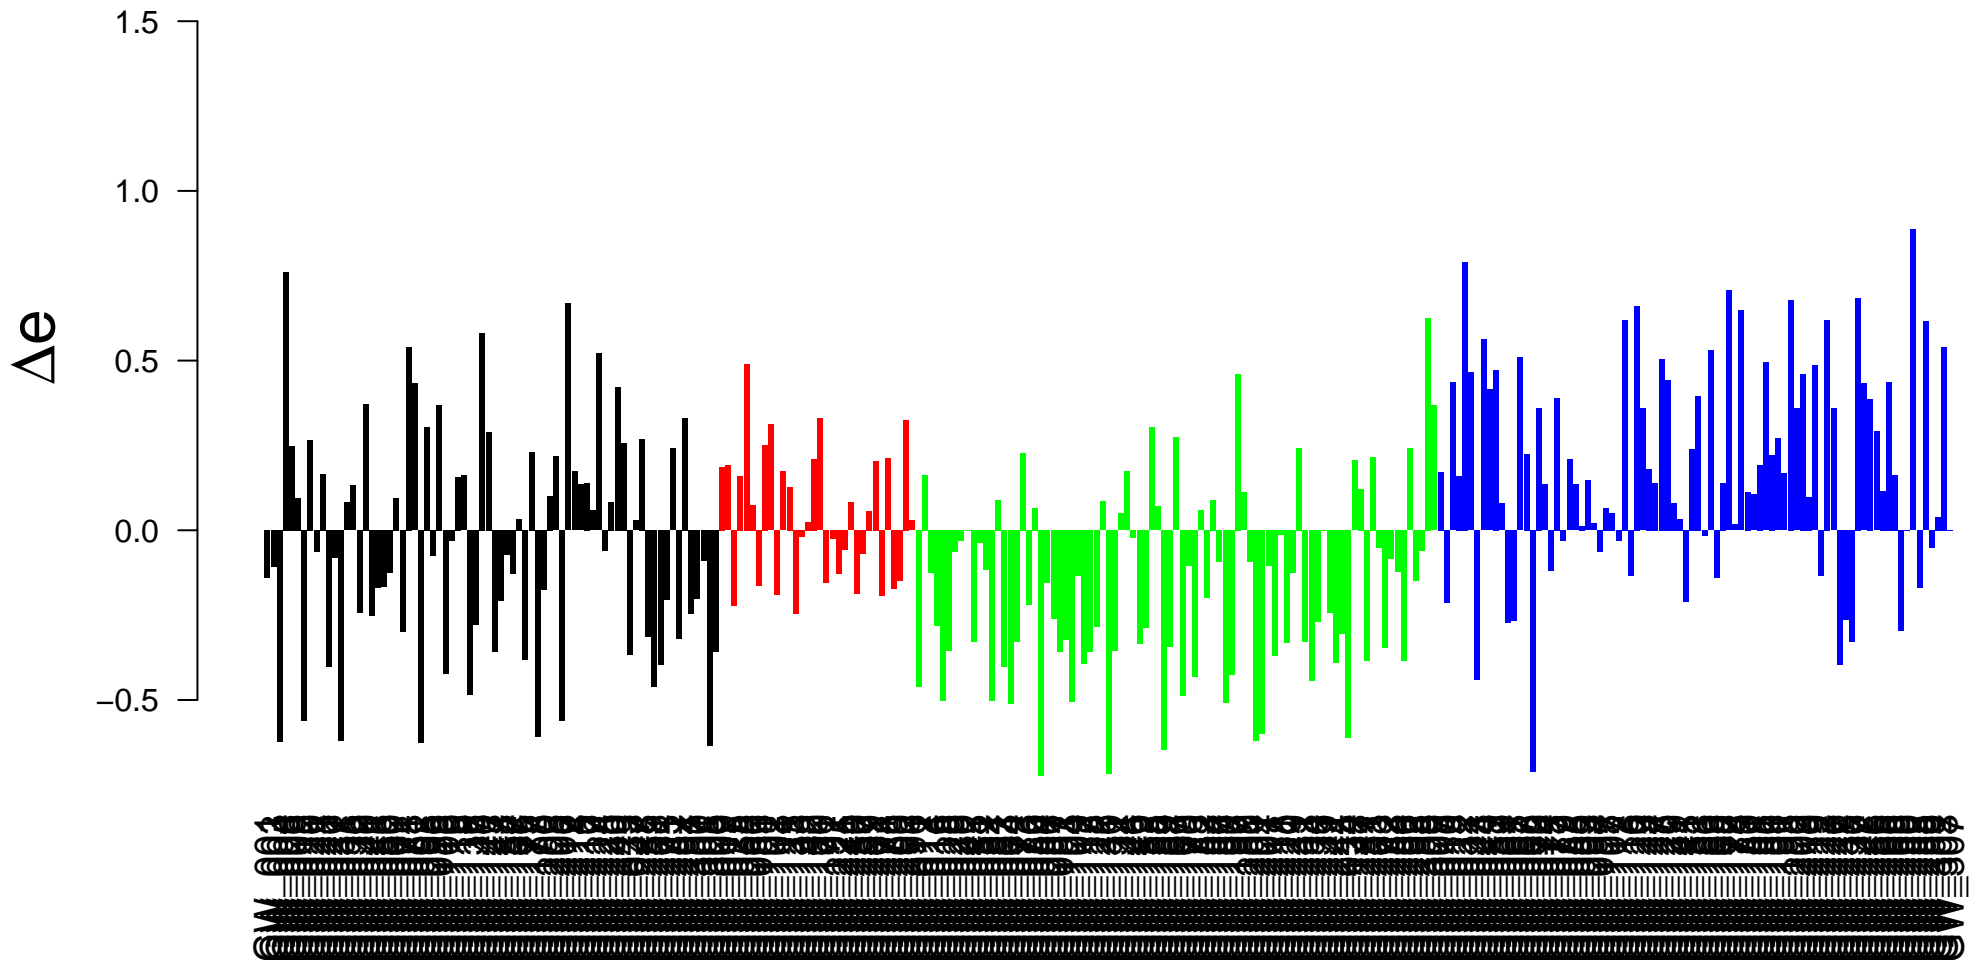

Expression of calcium ion-dependent exocytosis in Spot M

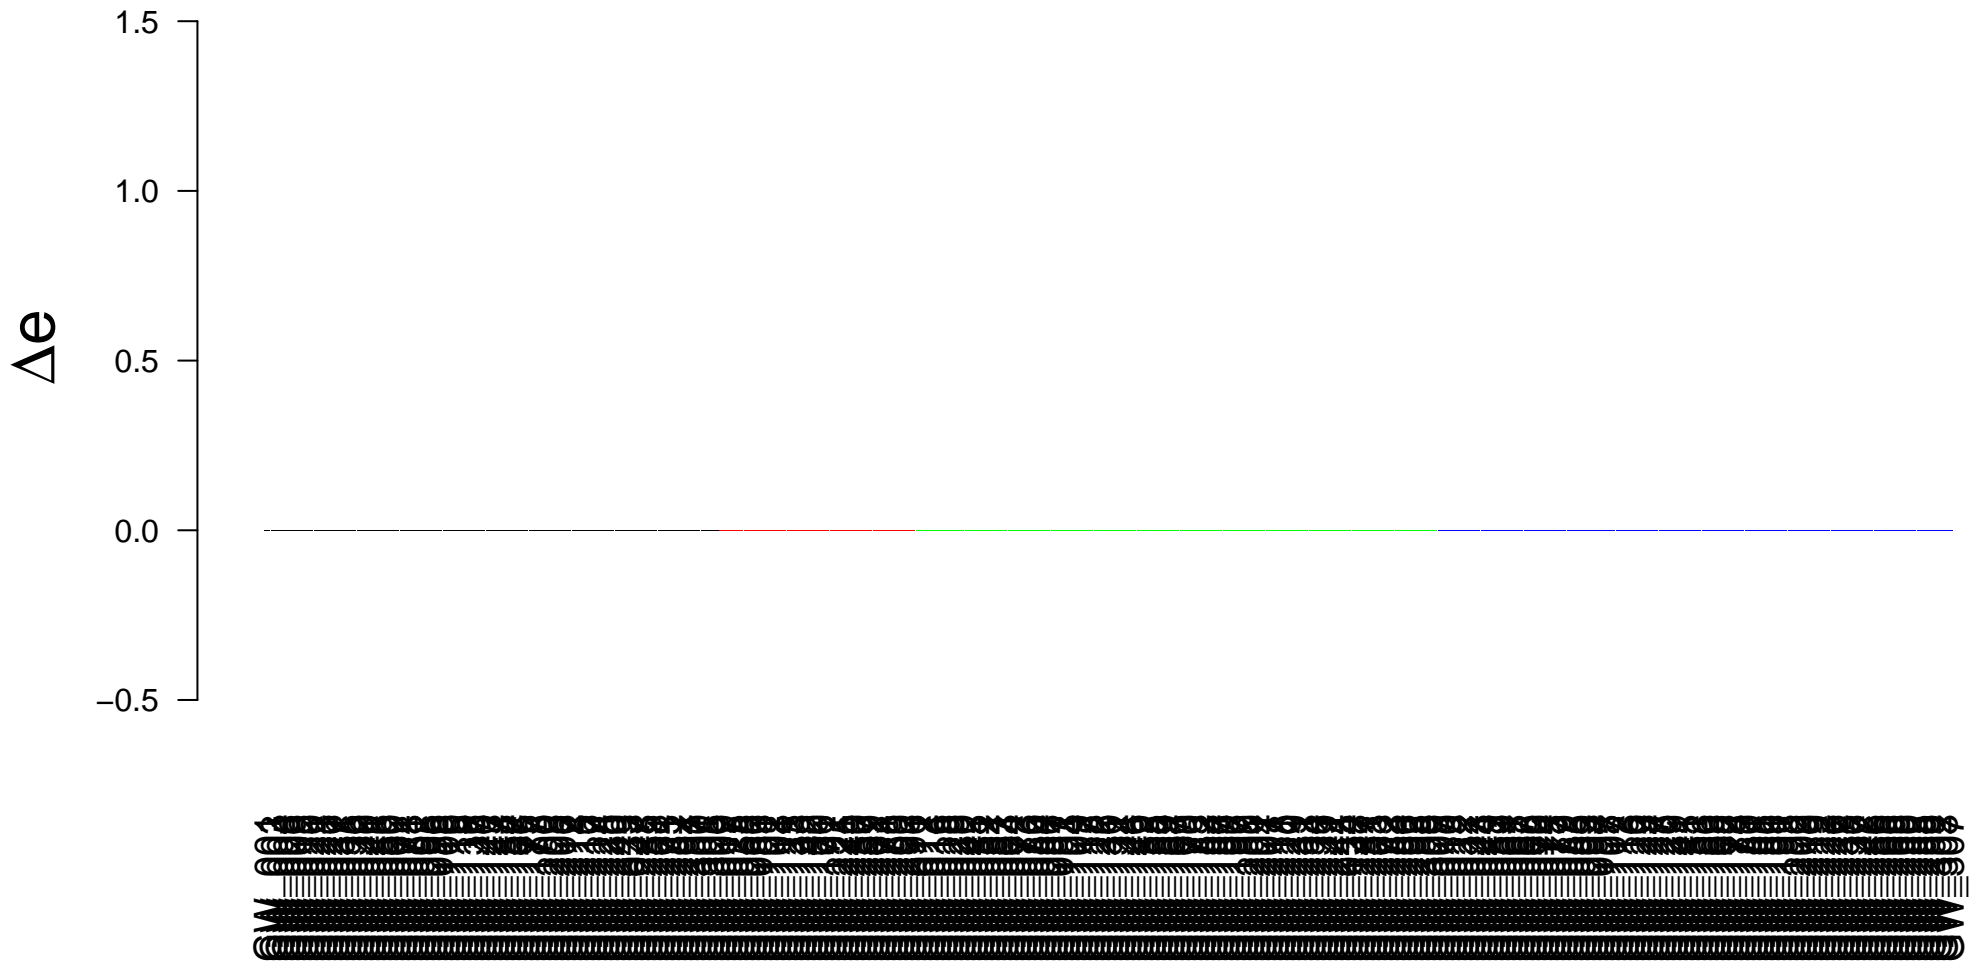

Expression of calcium ion-dependent exocytosis in Spot N

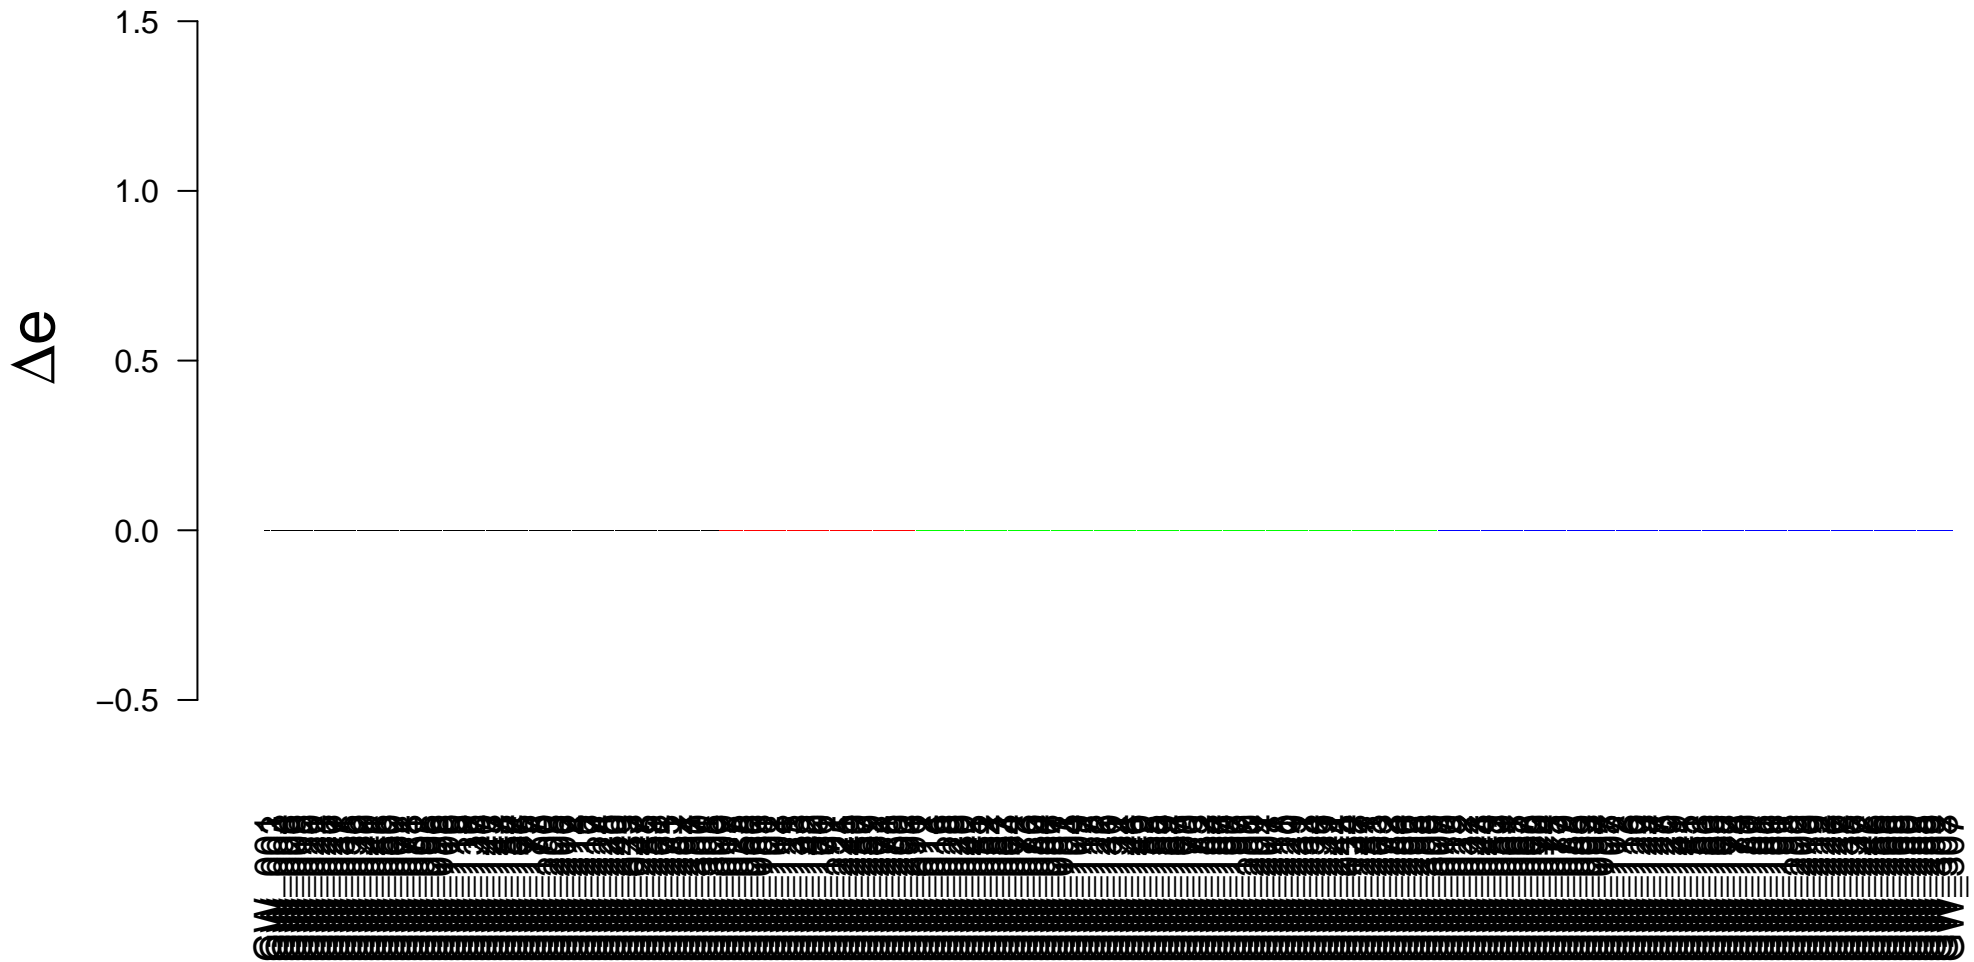

Expression of calcium ion-dependent exocytosis in Spot O

Expression of calcium ion-dependent exocytosis in Spot P

Expression of calcium ion-dependent exocytosis in Spot Q

Expression of calcium ion-dependent exocytosis in Spot R
