

calmodulin-dependent protein kinase activity

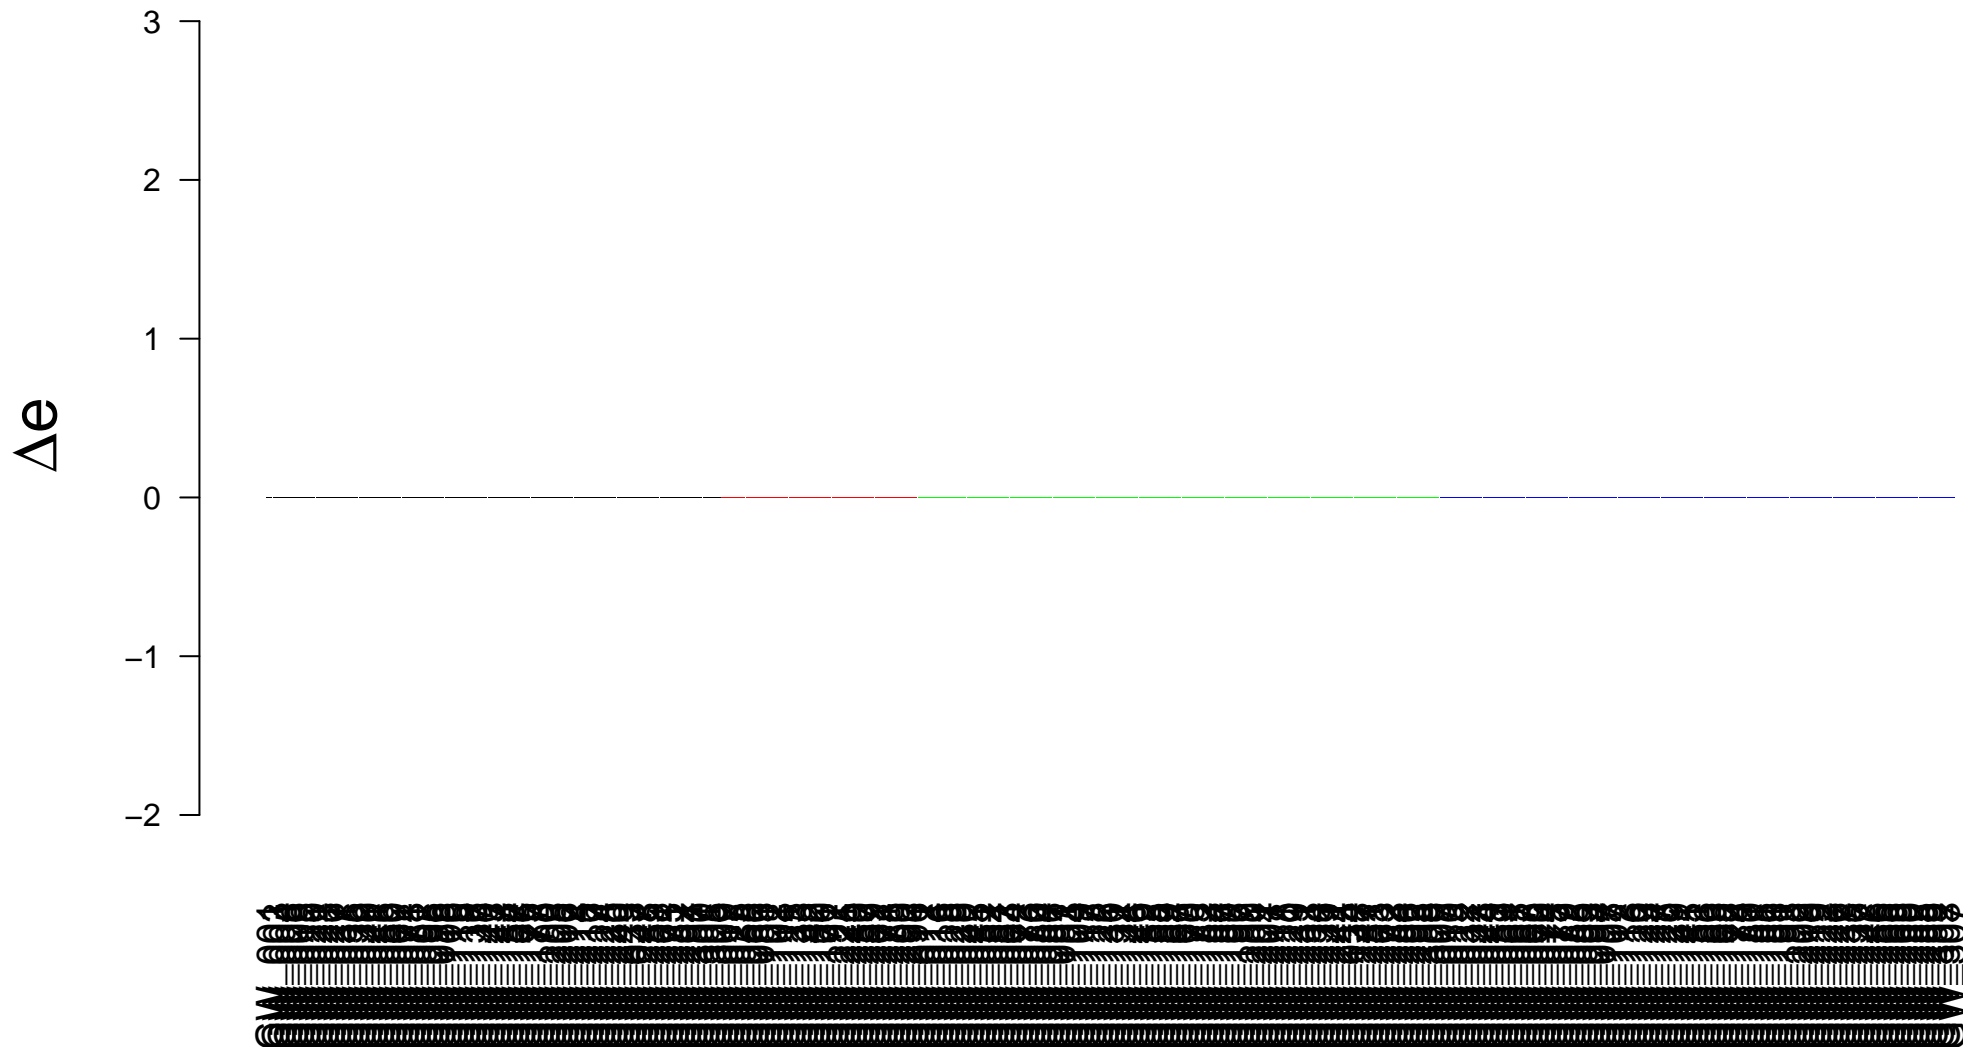

calmodulin-dependent protein kinase activity

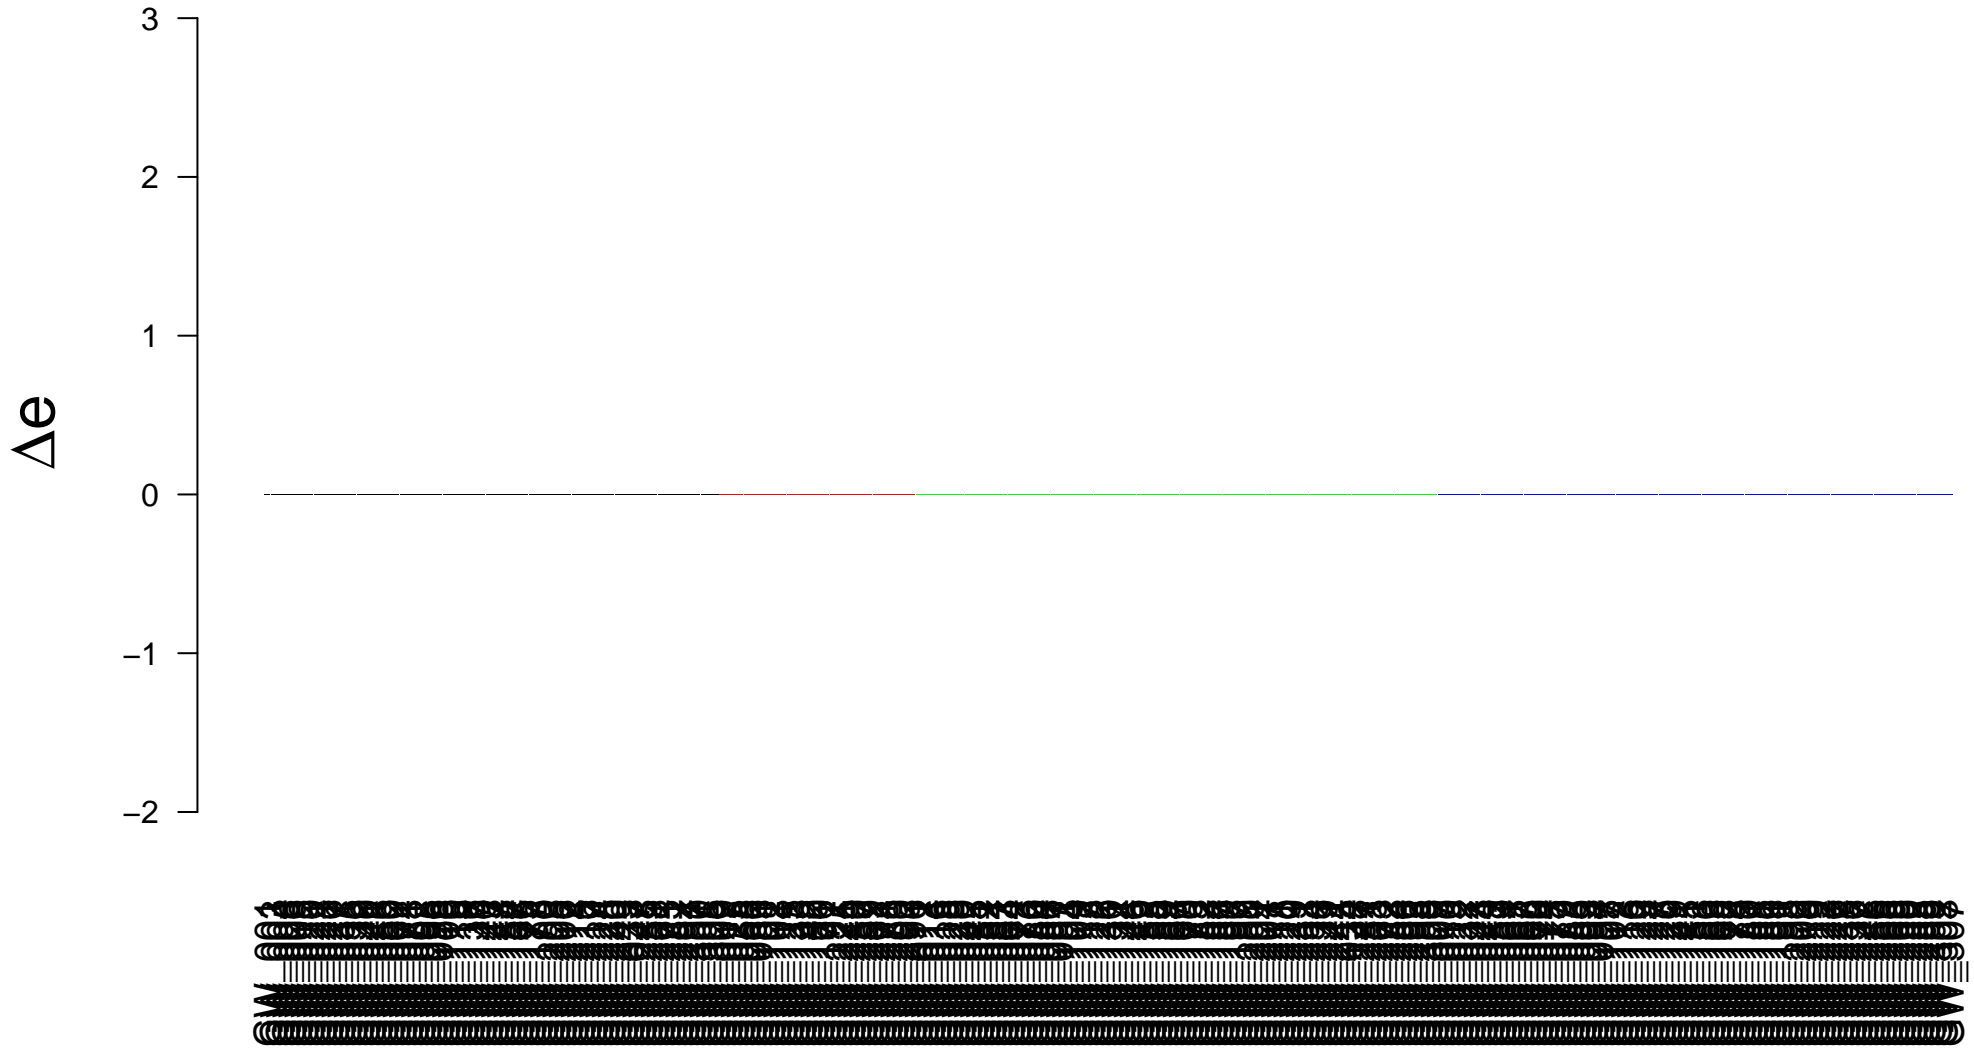

Enrichment in spots: calmodulin-dependent protein kinase activity

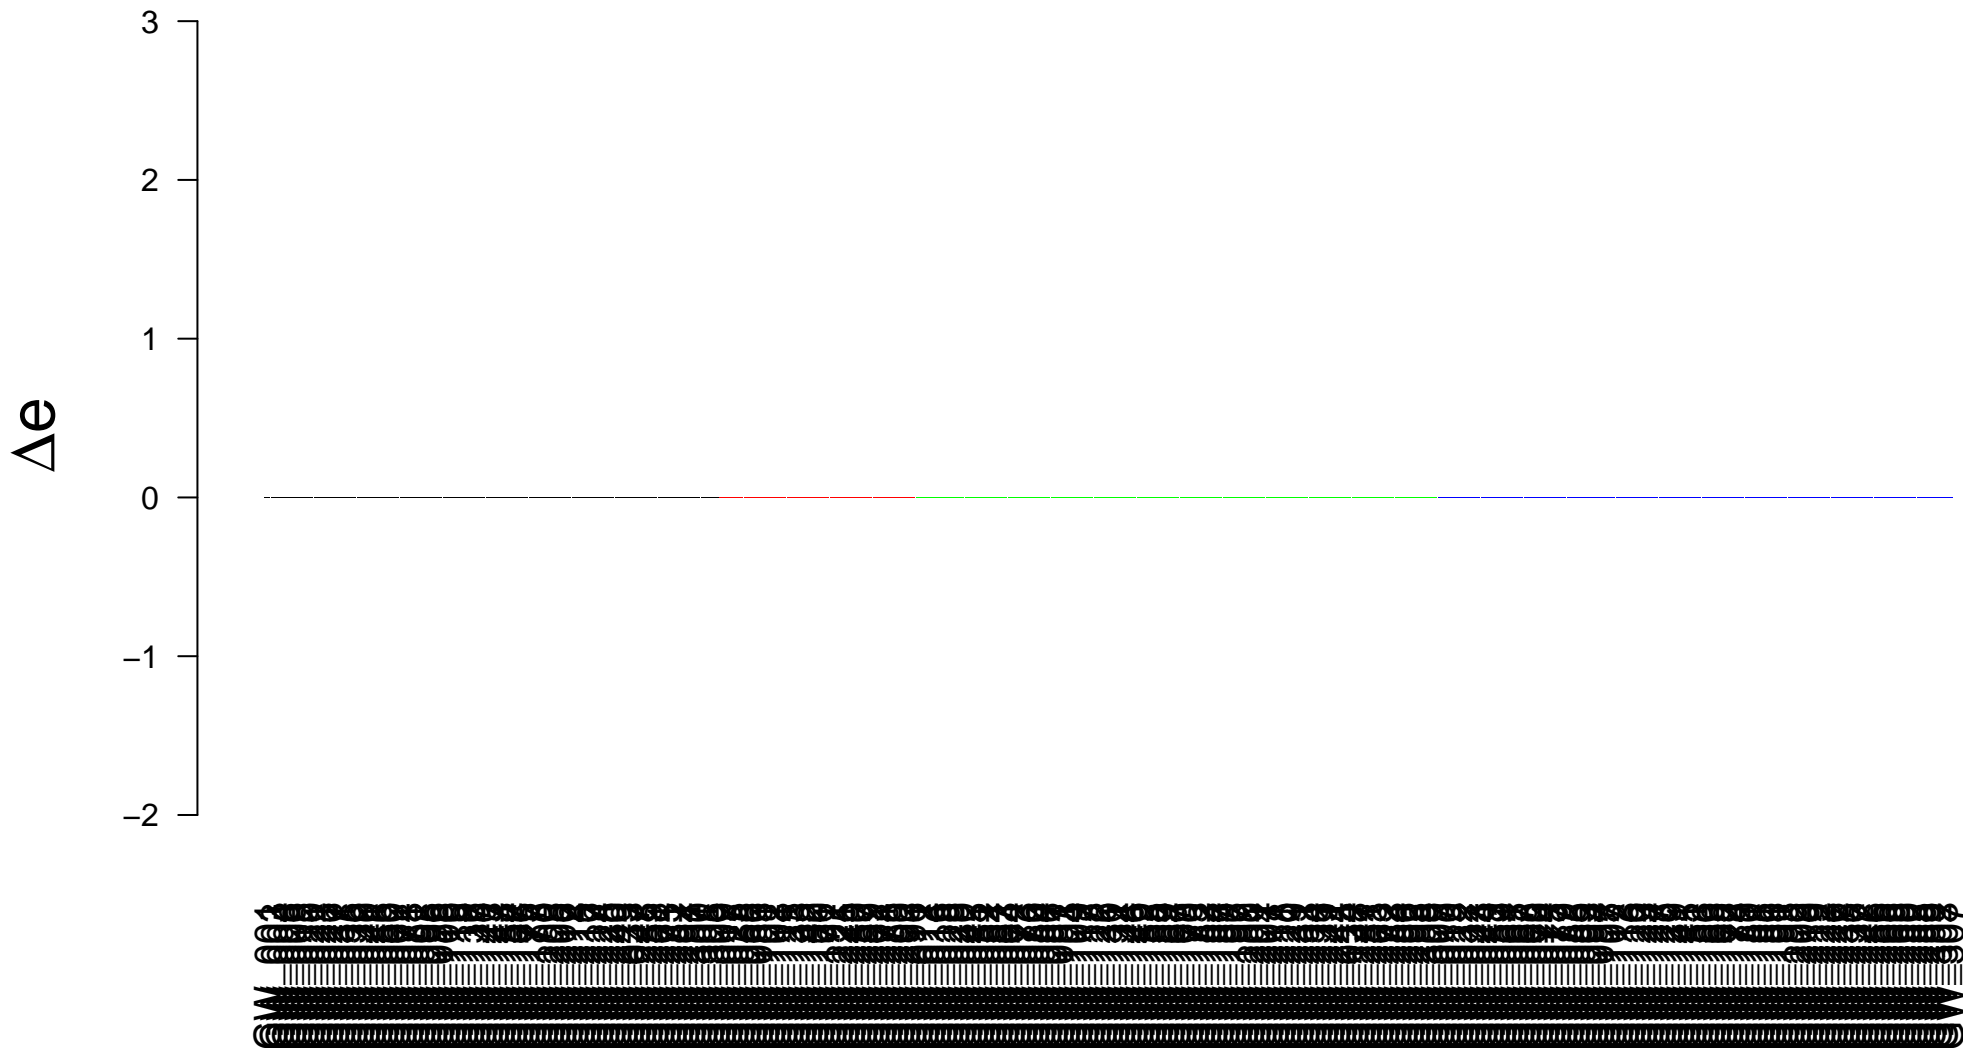

Expression of calmodulin-dependent protein kinase activity in Spot A

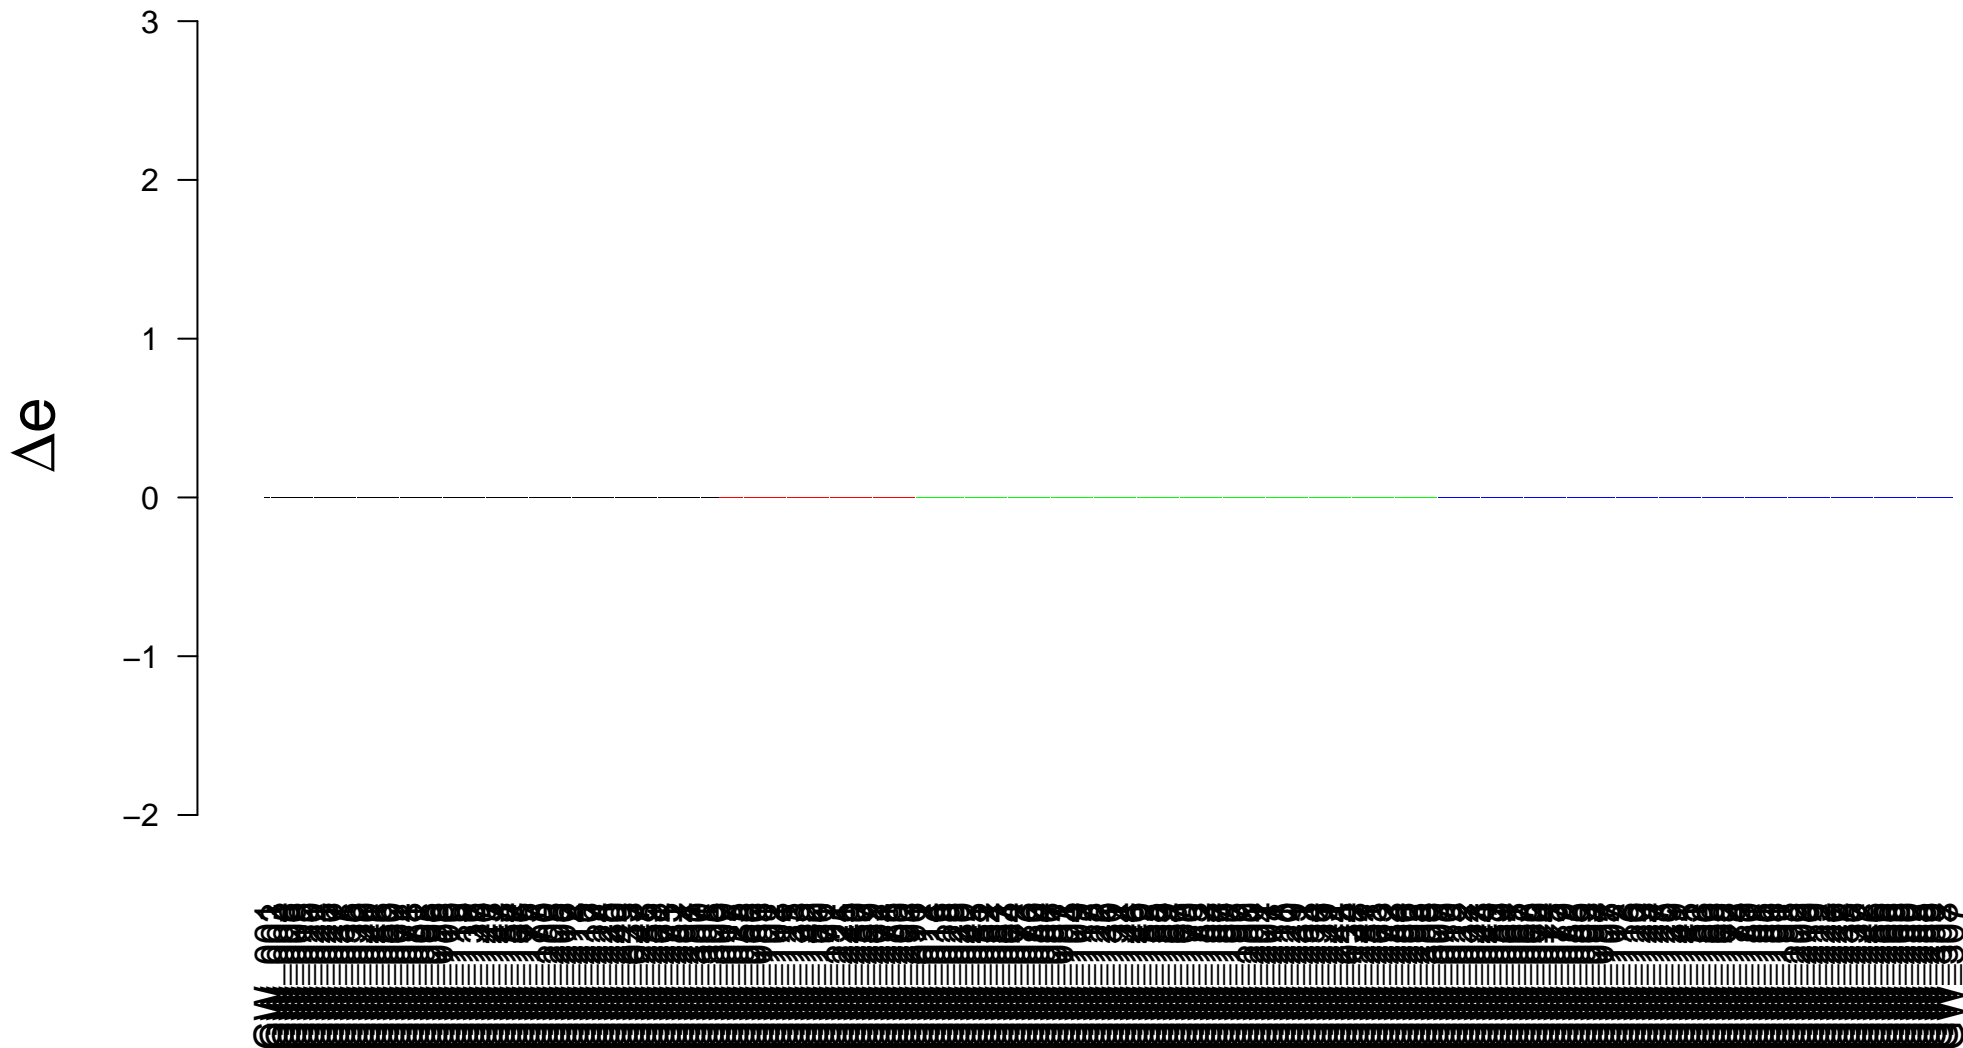

Expression of calmodulin-dependent protein kinase activity in Spot B

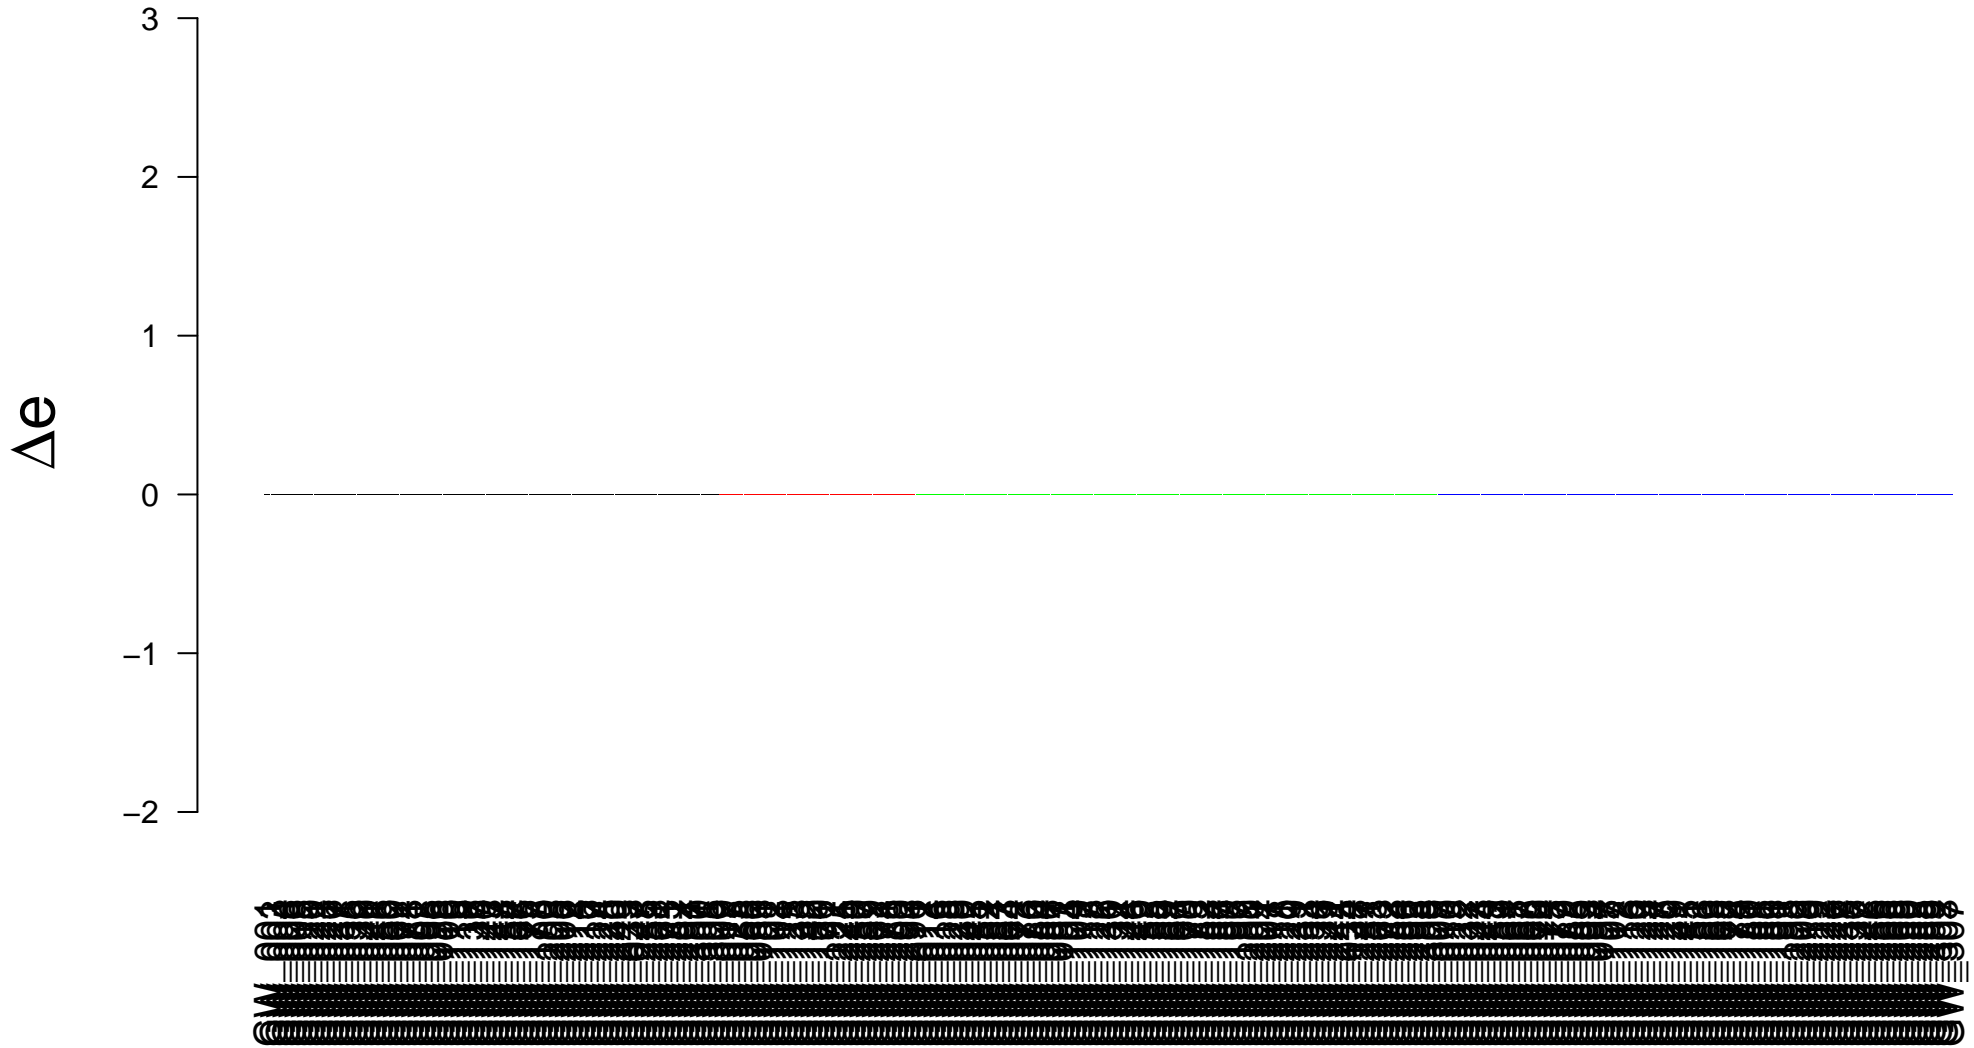

Expression of calmodulin-dependent protein kinase activity in Spot C

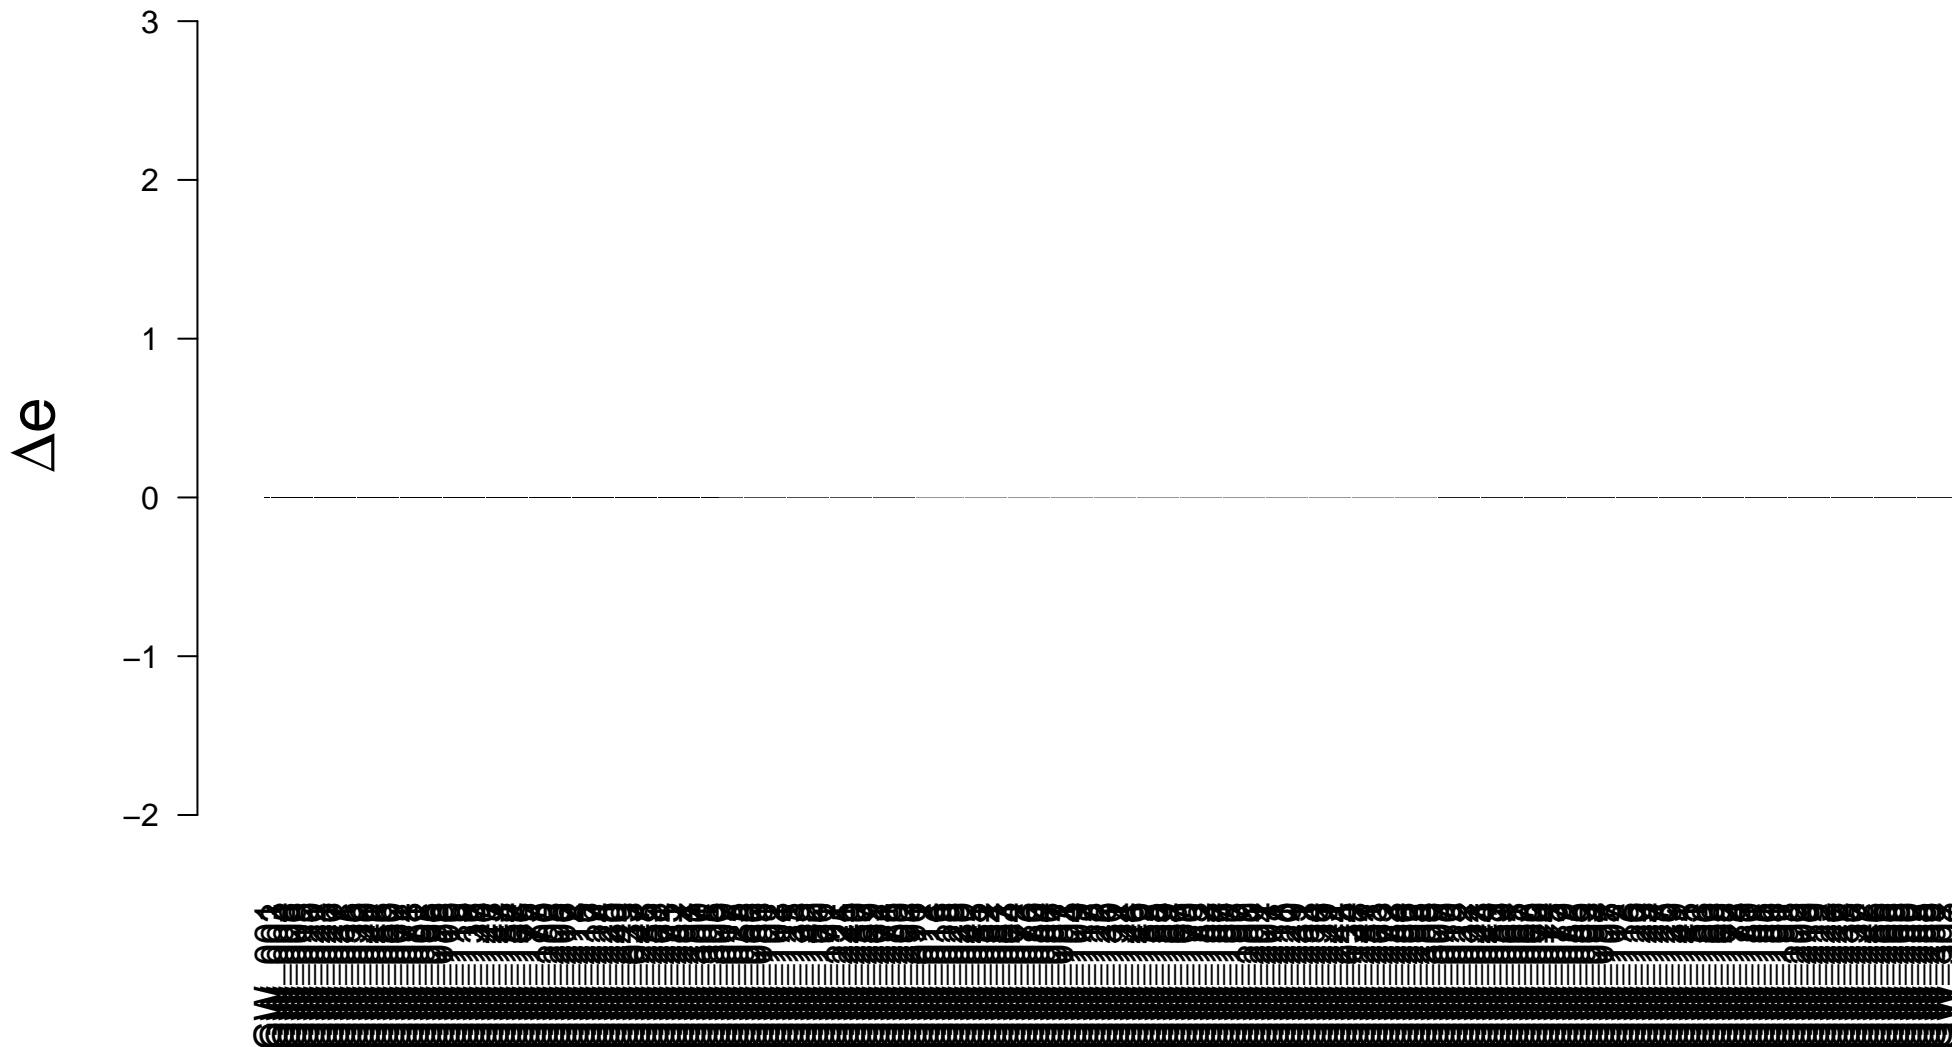

Expression of calmodulin-dependent protein kinase activity in Spot D

Expression of calmodulin-dependent protein kinase activity in Spot E

Expression of calmodulin-dependent protein kinase activity in Spot F

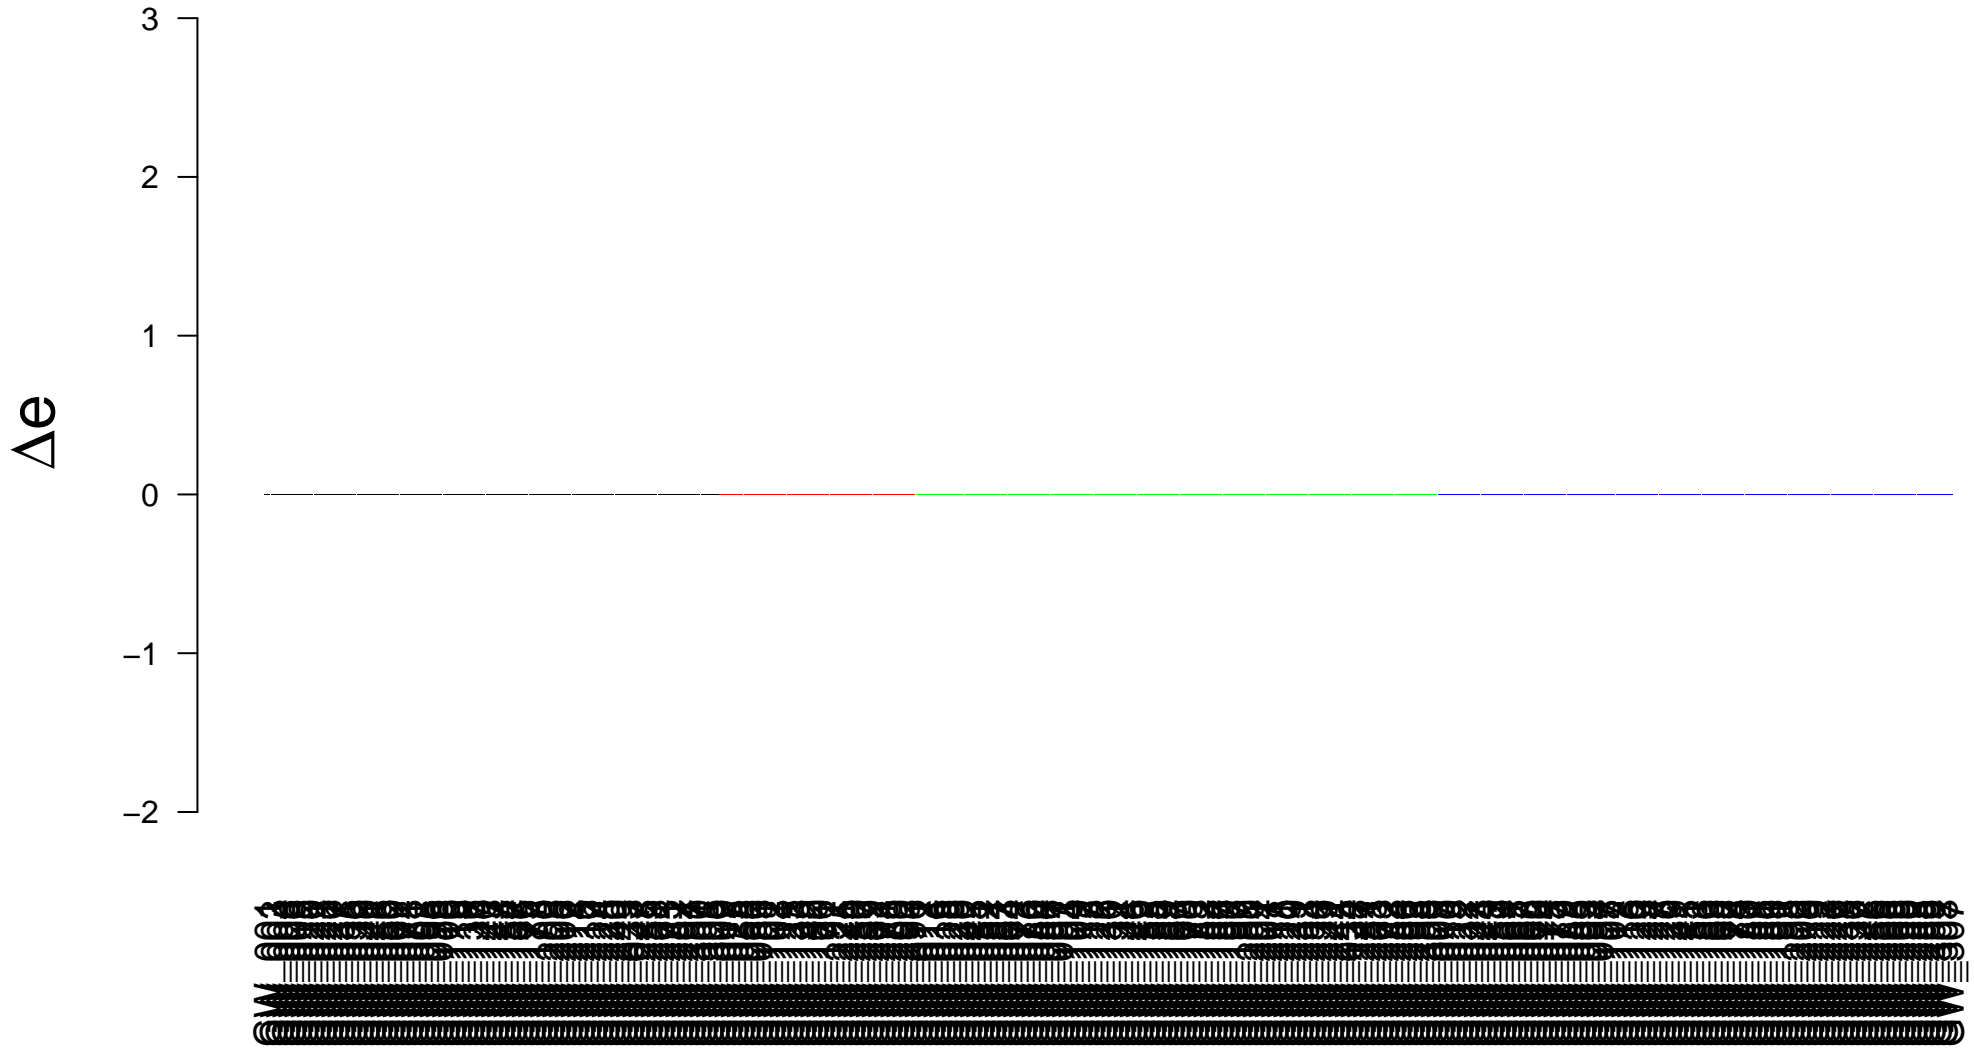

Expression of calmodulin-dependent protein kinase activity in Spot G

Expression of calmodulin-dependent protein kinase activity in Spot H

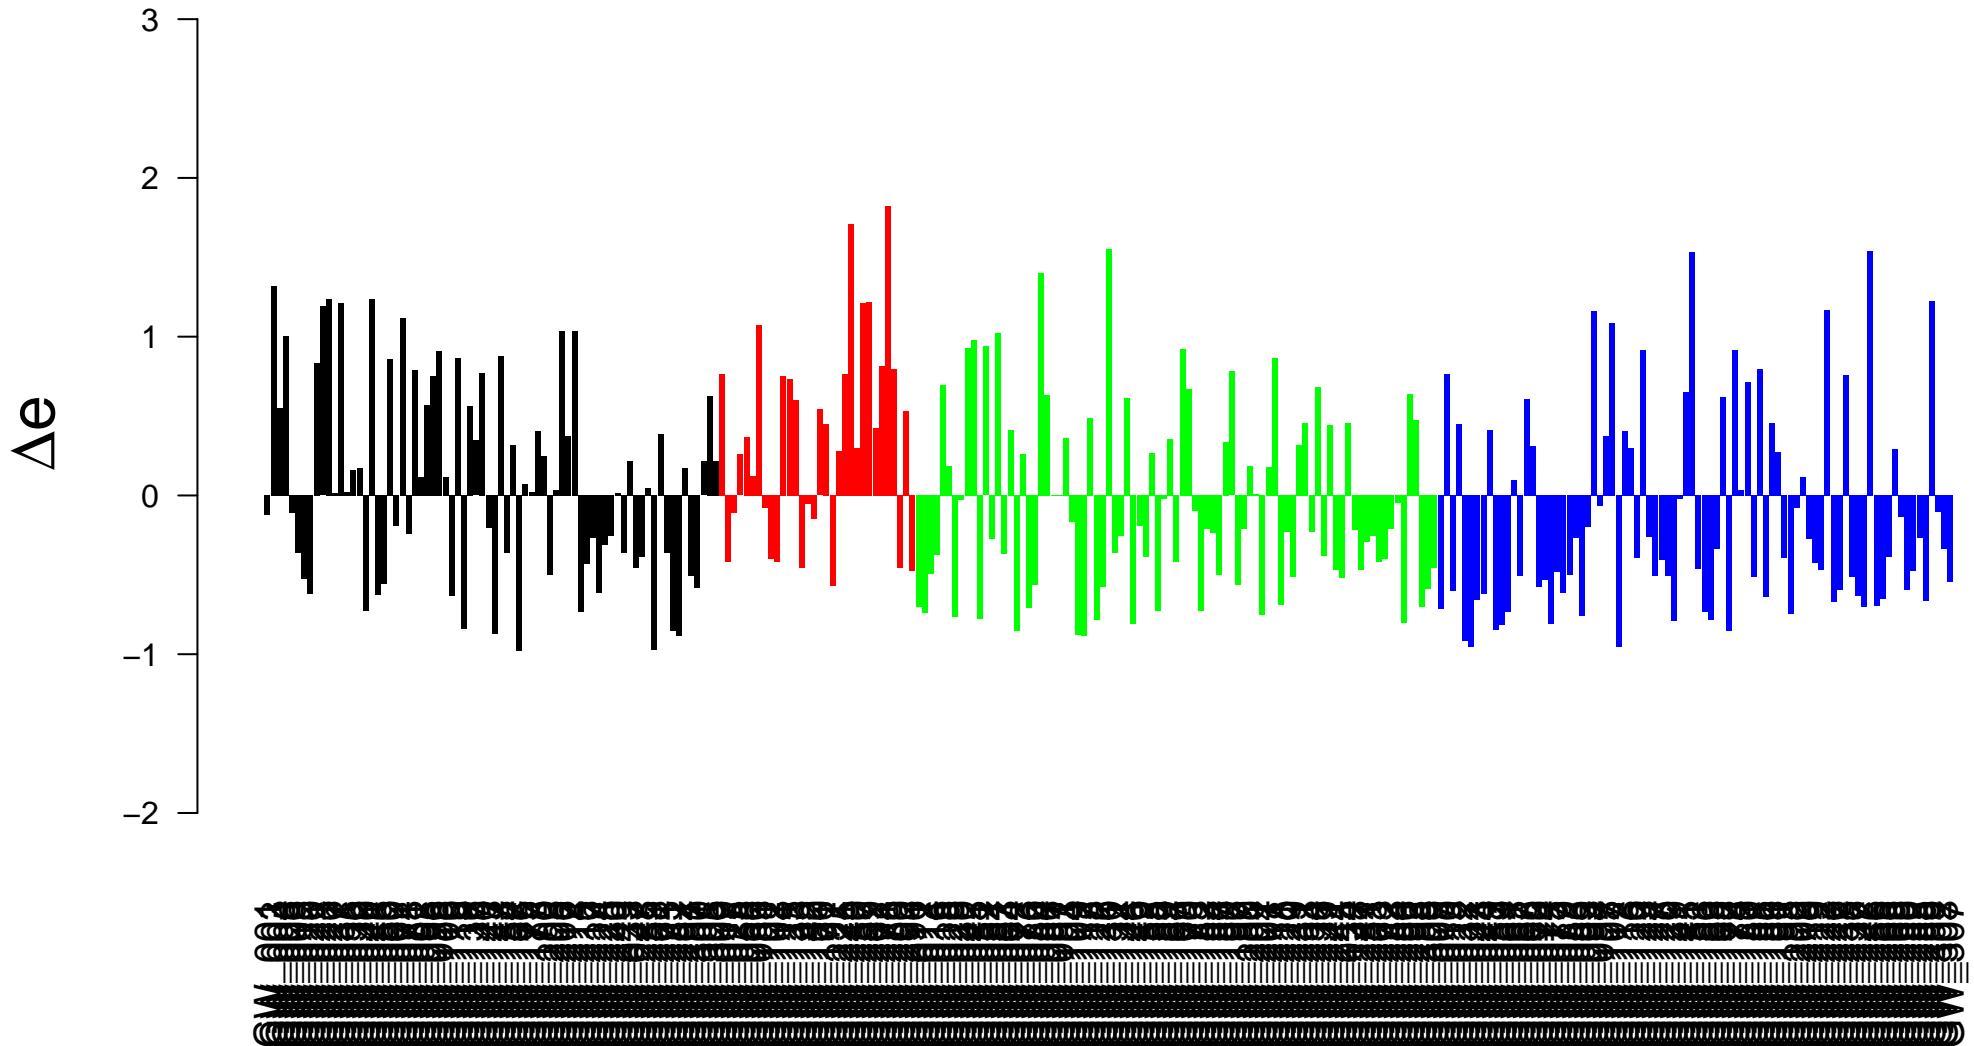

Expression of calmodulin-dependent protein kinase activity in Spot I

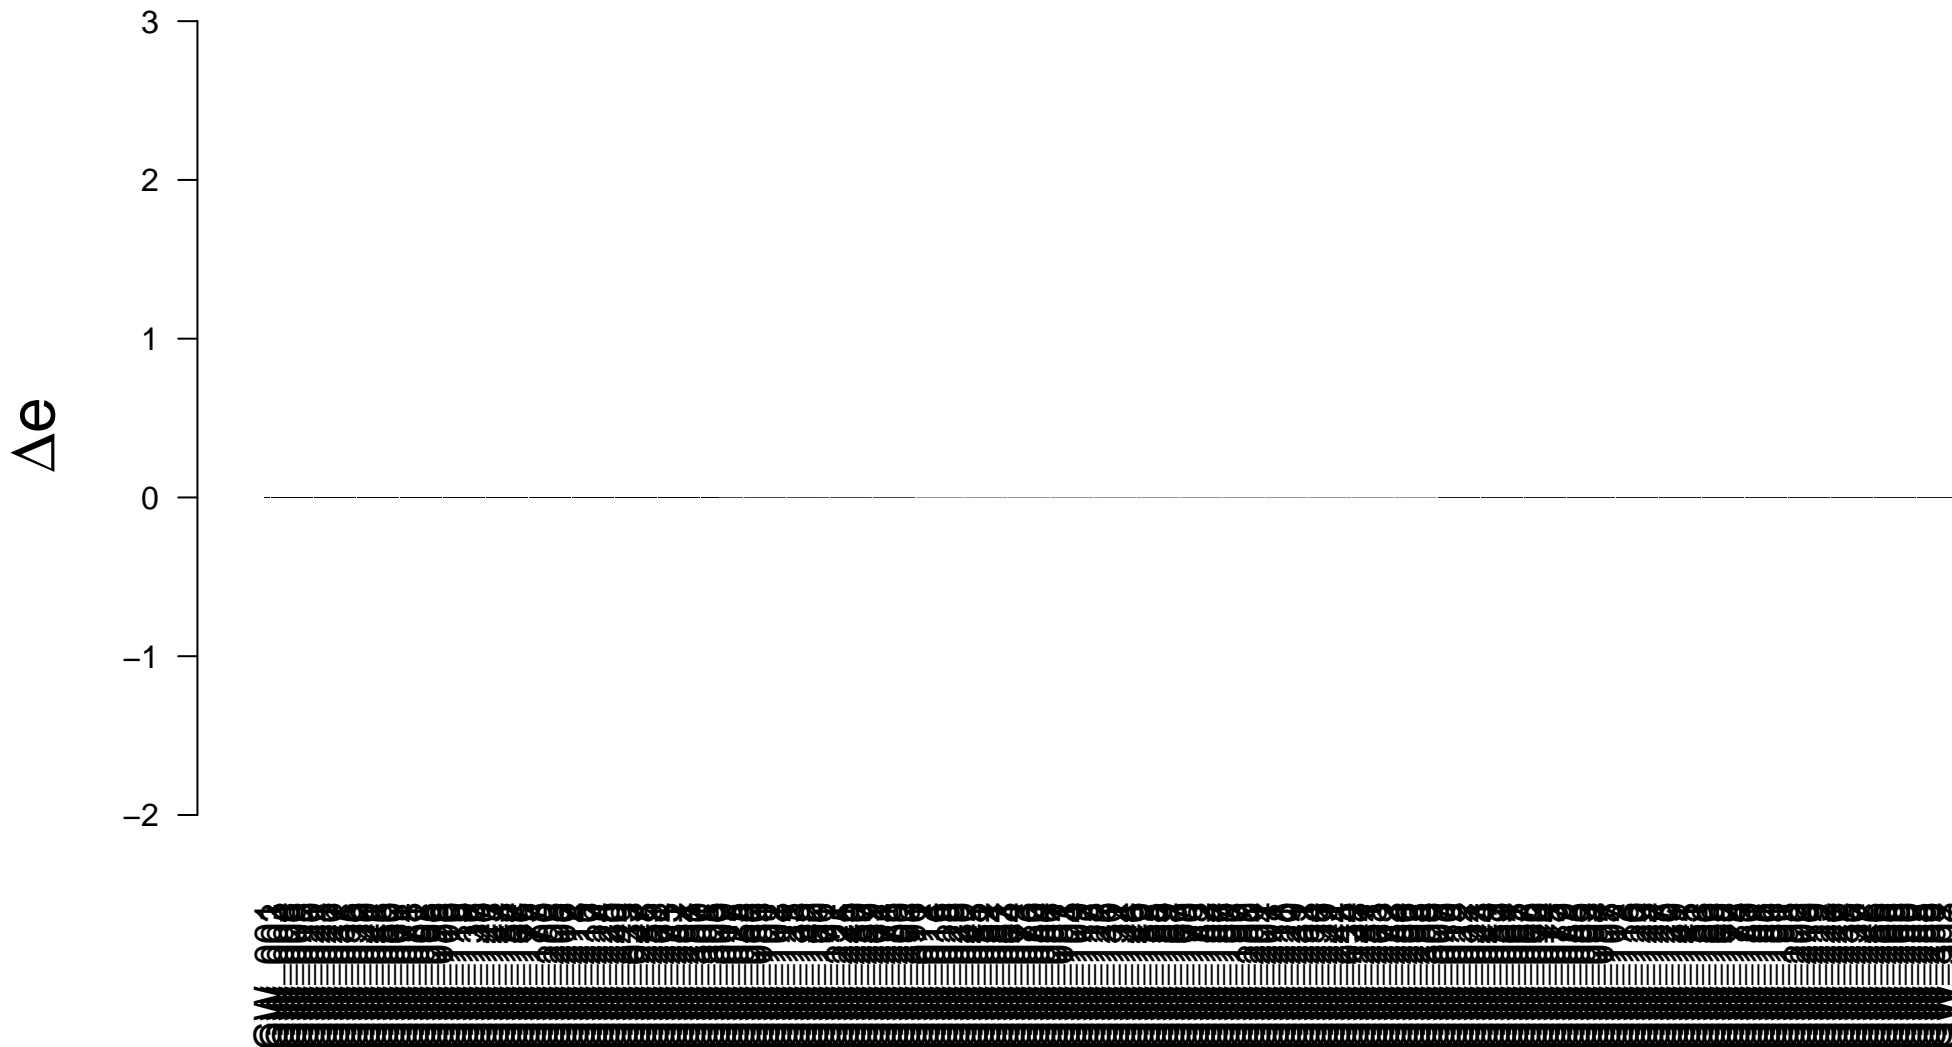

Expression of calmodulin-dependent protein kinase activity in Spot J

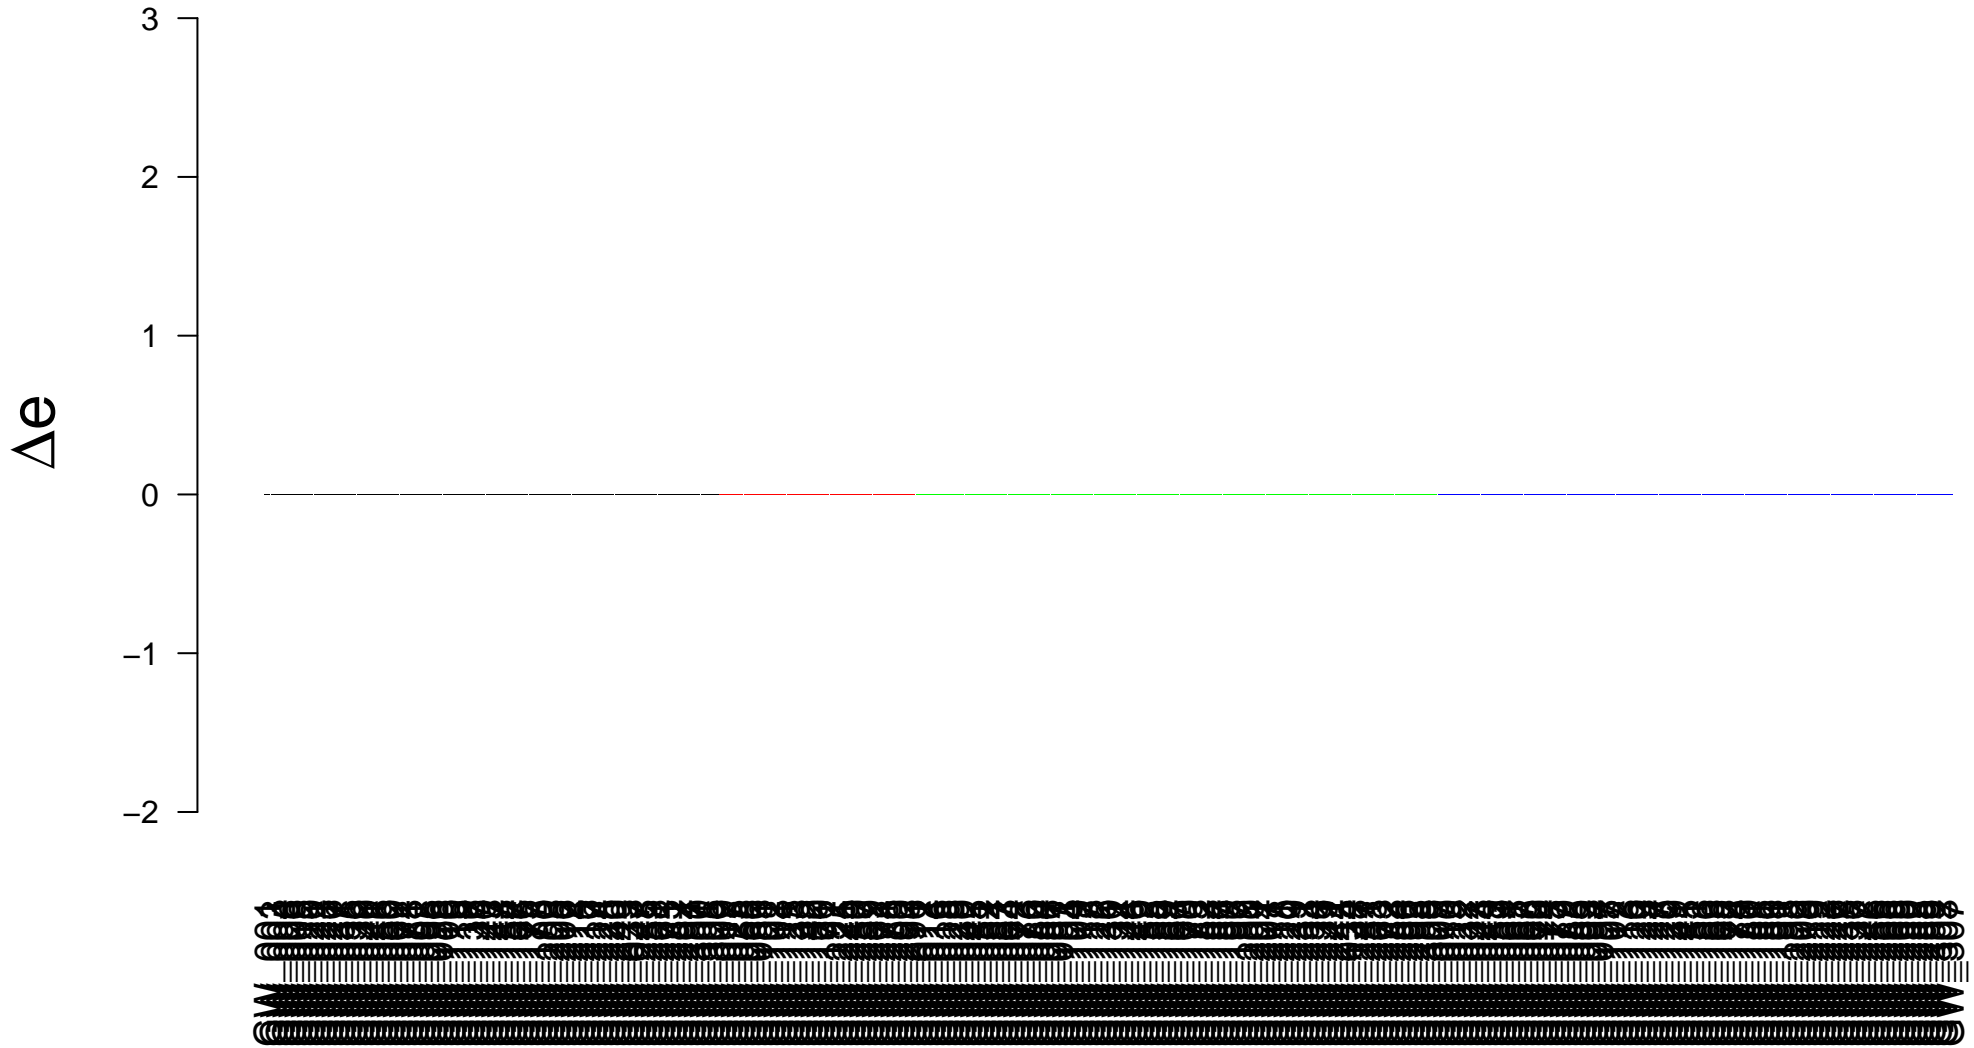

Expression of calmodulin-dependent protein kinase activity in Spot K

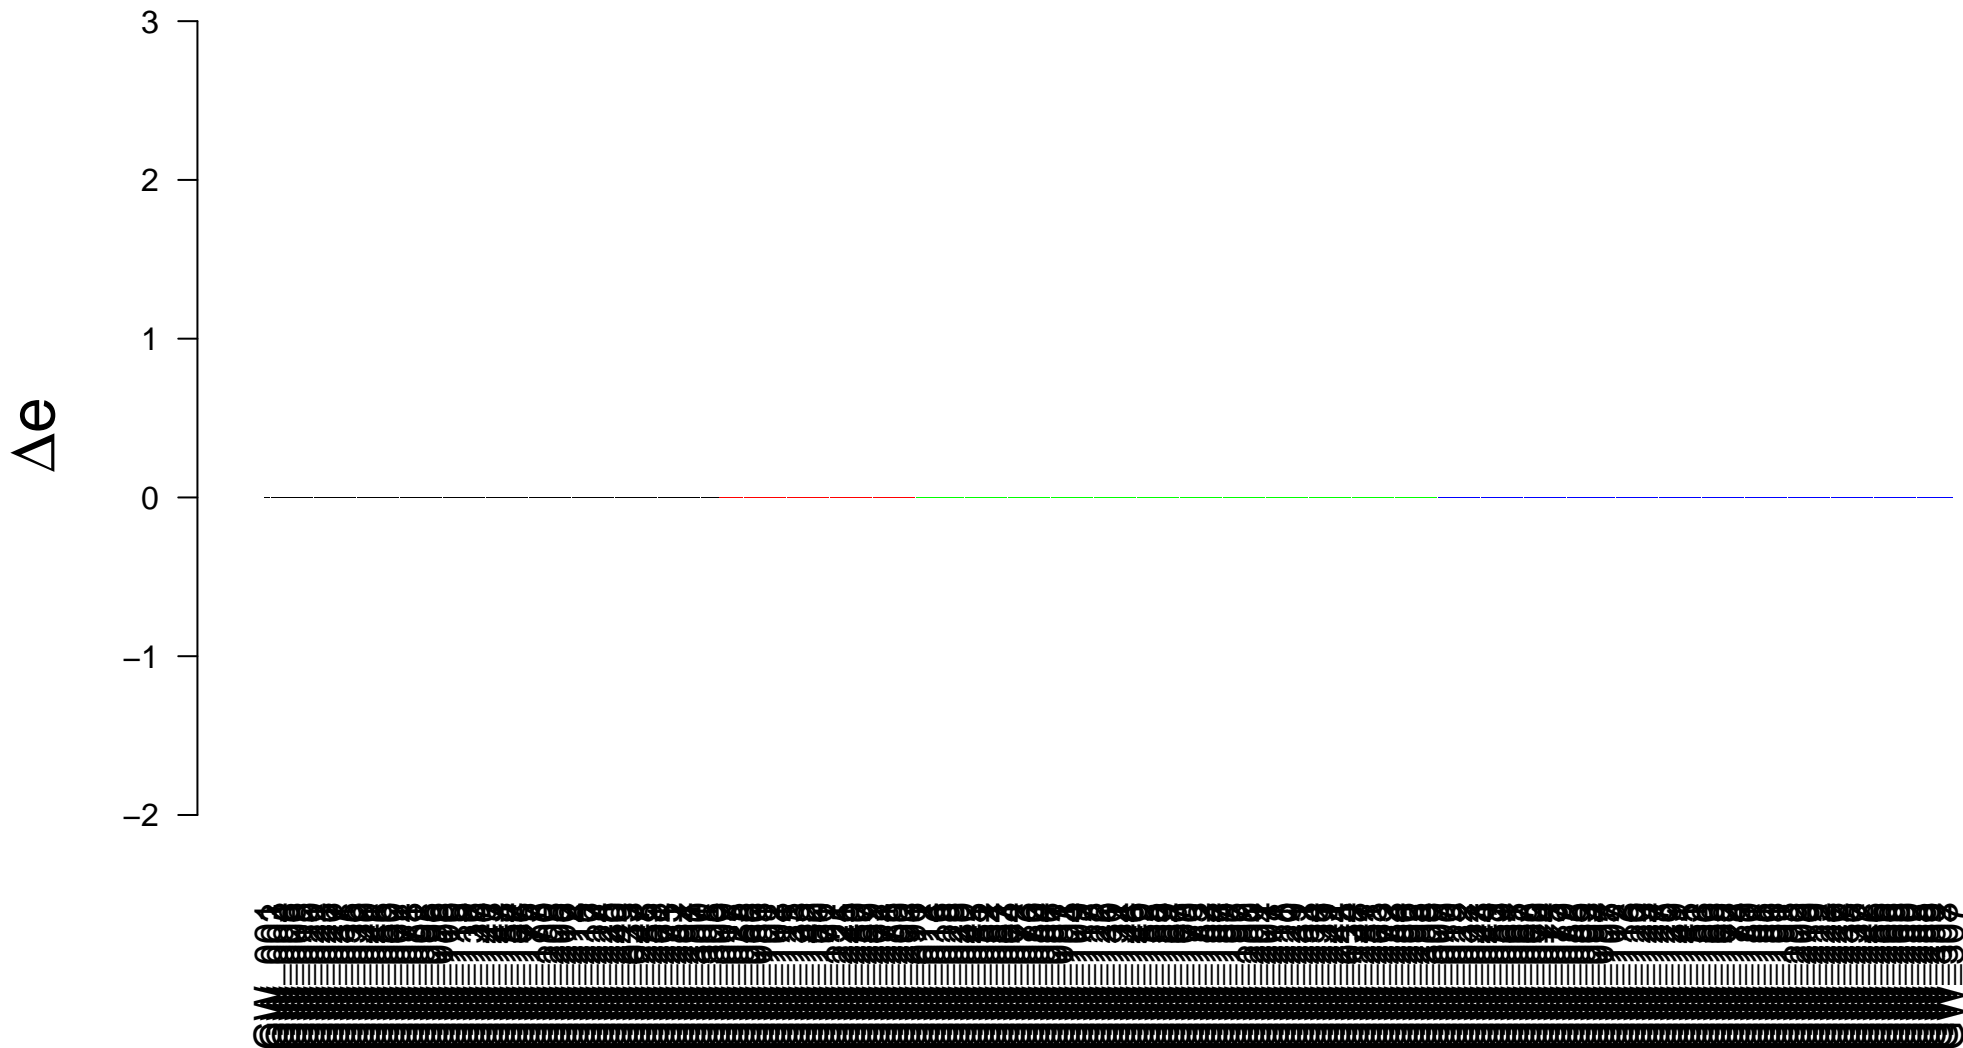

Expression of calmodulin-dependent protein kinase activity in Spot L

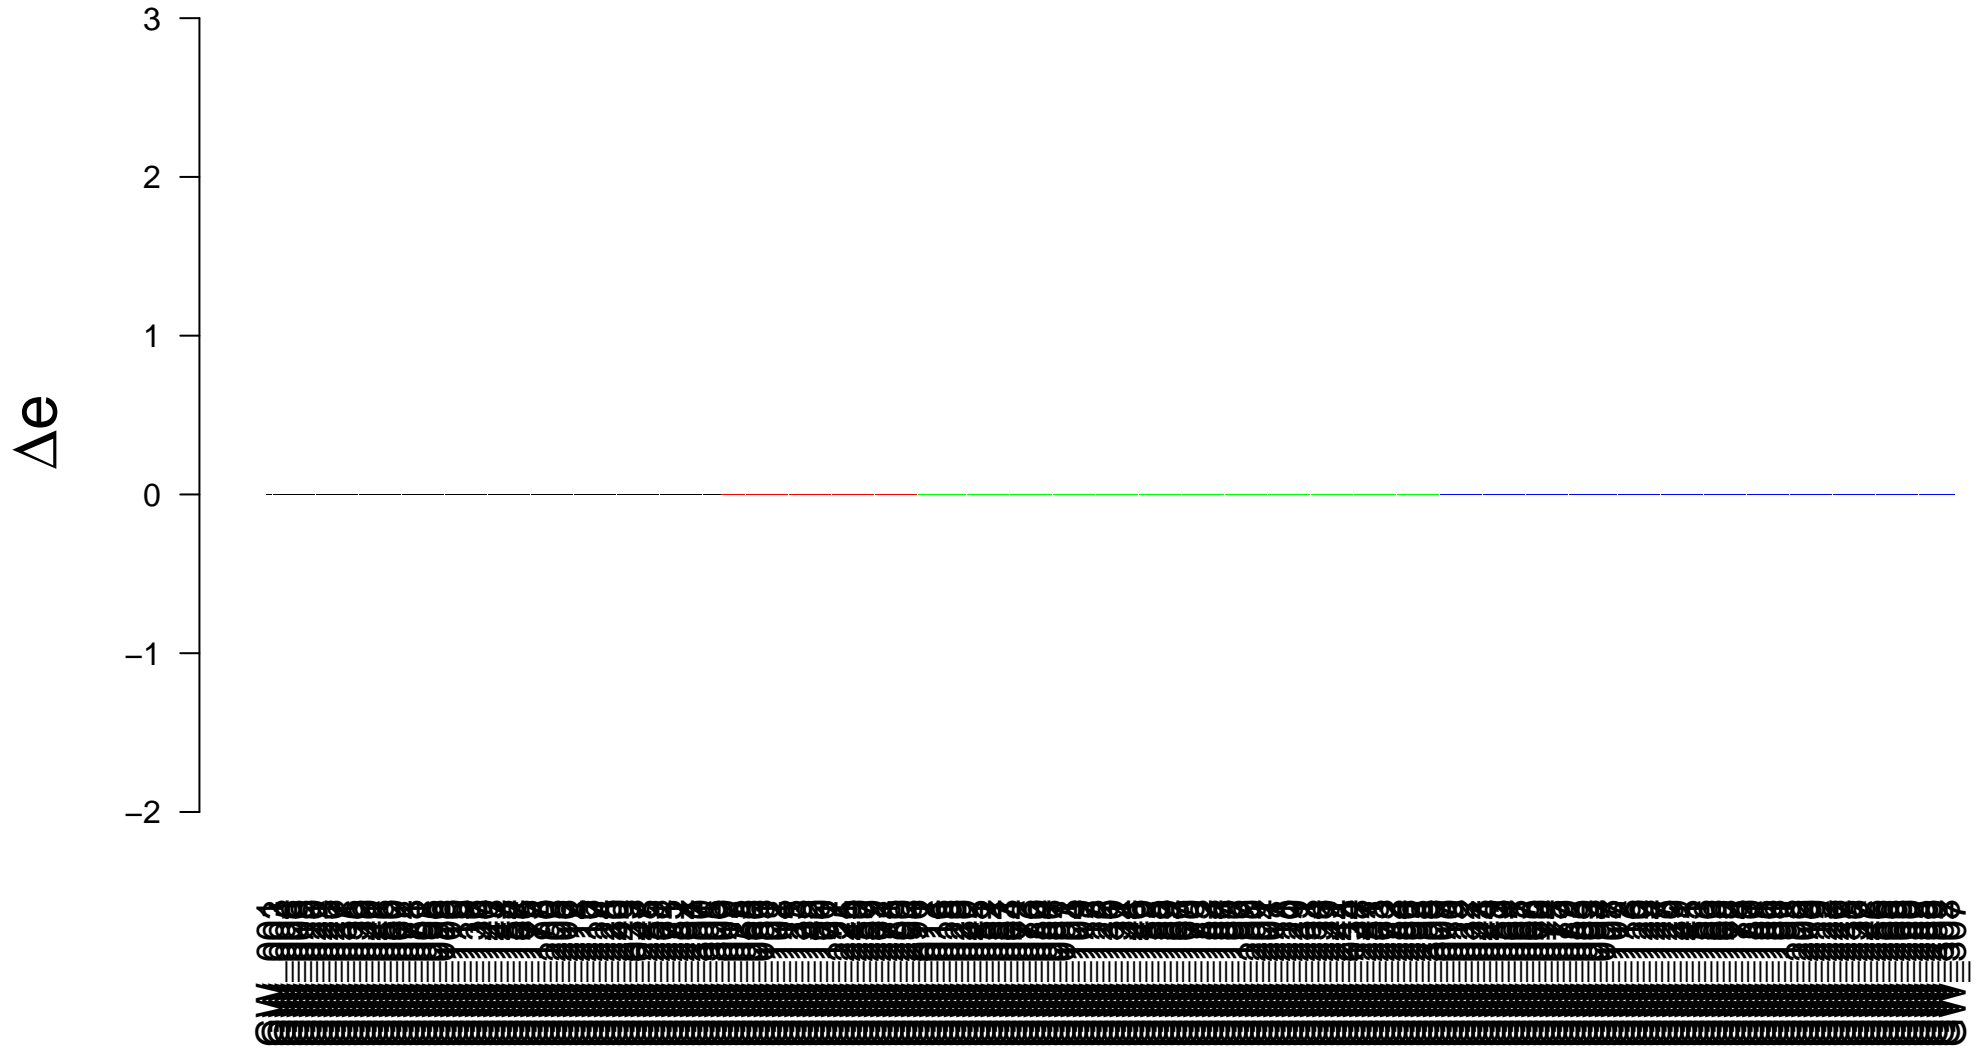

Expression of calmodulin-dependent protein kinase activity in Spot M

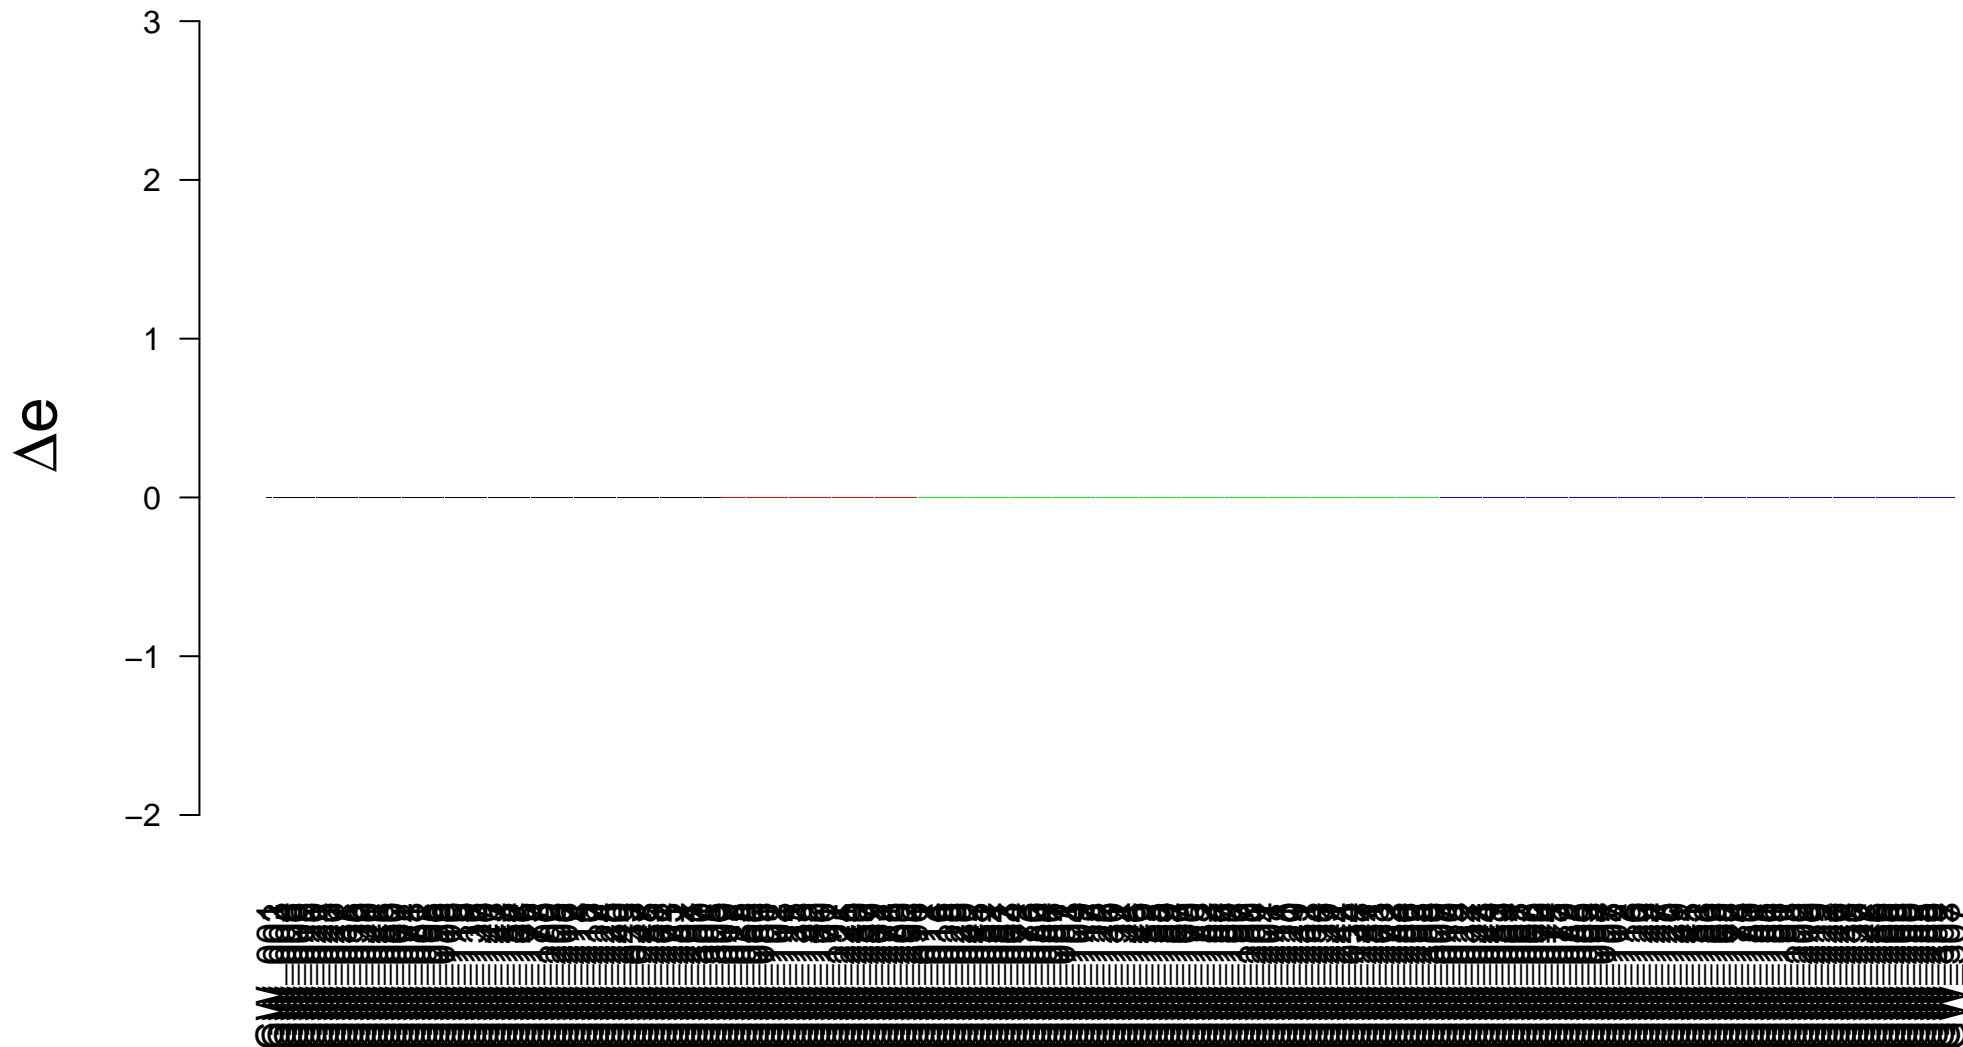

Expression of calmodulin-dependent protein kinase activity in Spot N

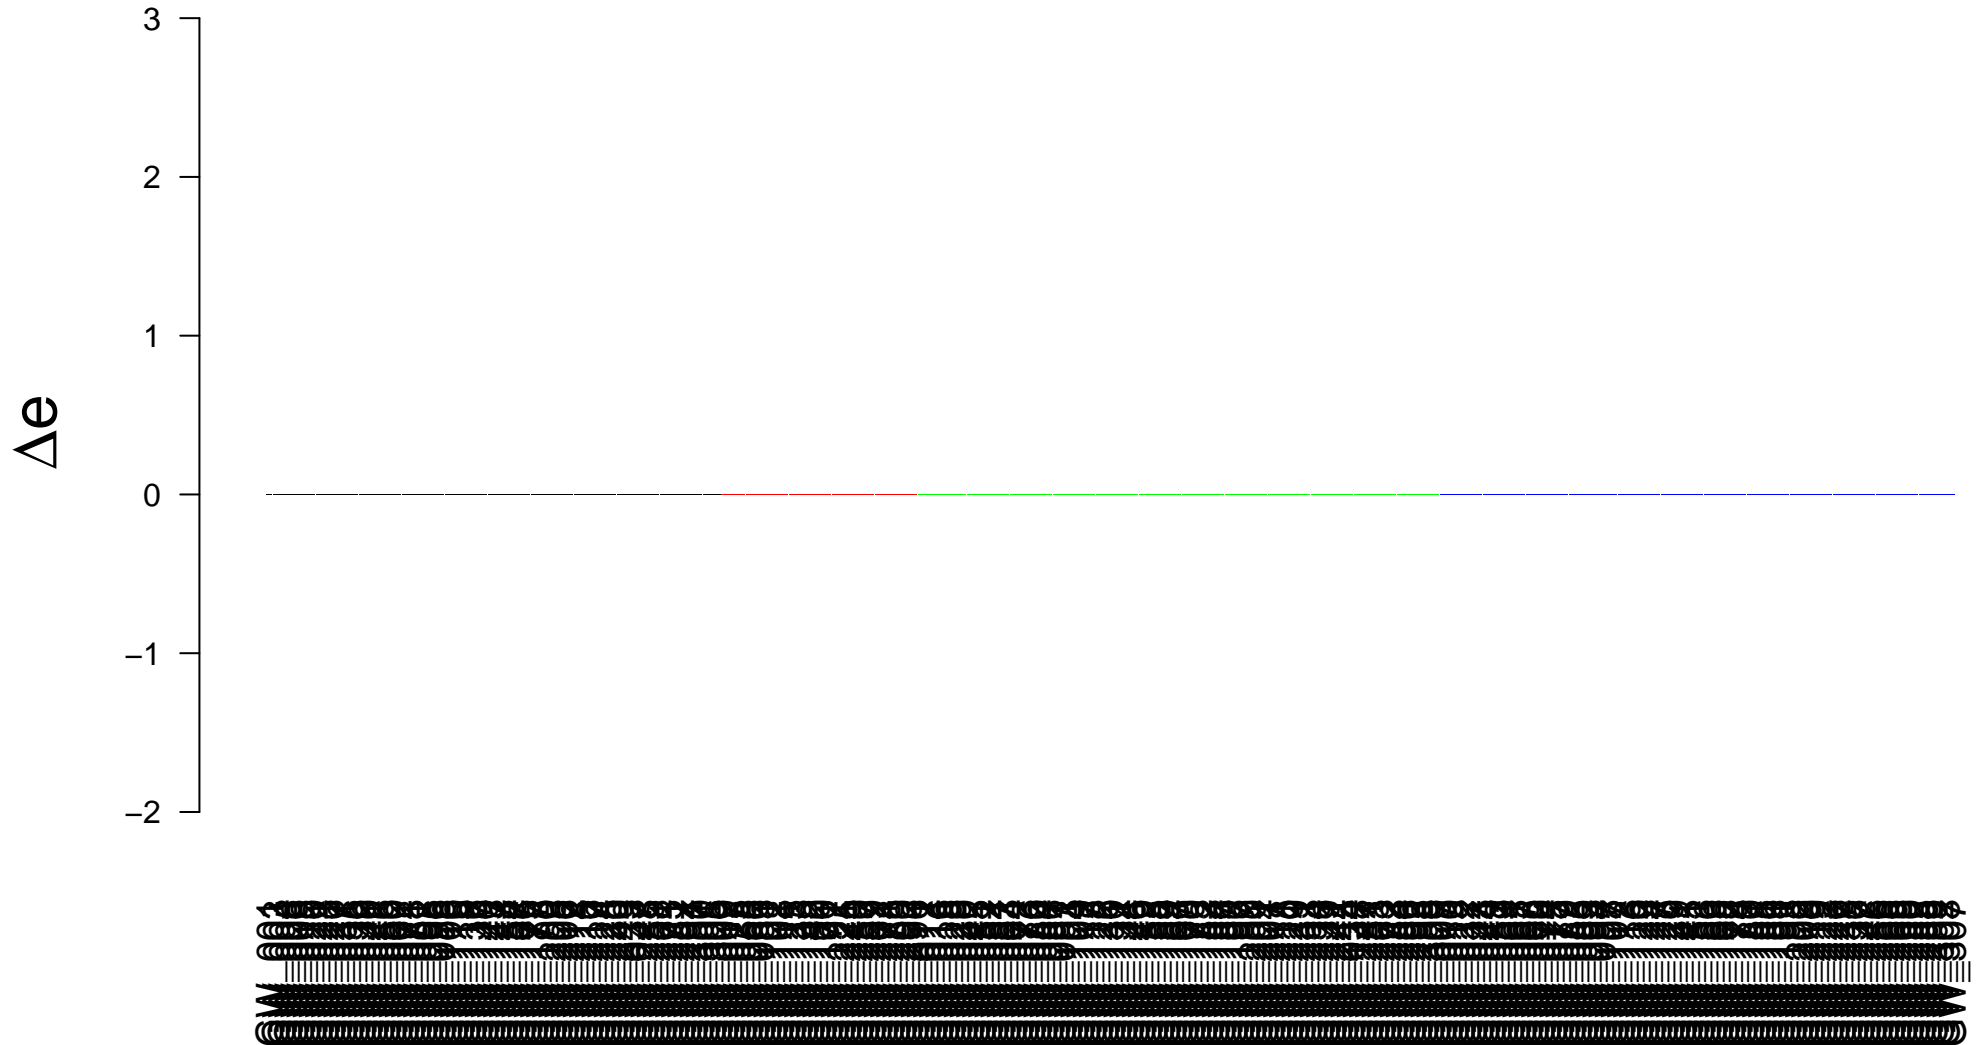

Expression of calmodulin-dependent protein kinase activity in Spot O

Expression of calmodulin-dependent protein kinase activity in Spot P

Expression of calmodulin-dependent protein kinase activity in Spot Q

Expression of calmodulin-dependent protein kinase activity in Spot R
