

cell communication

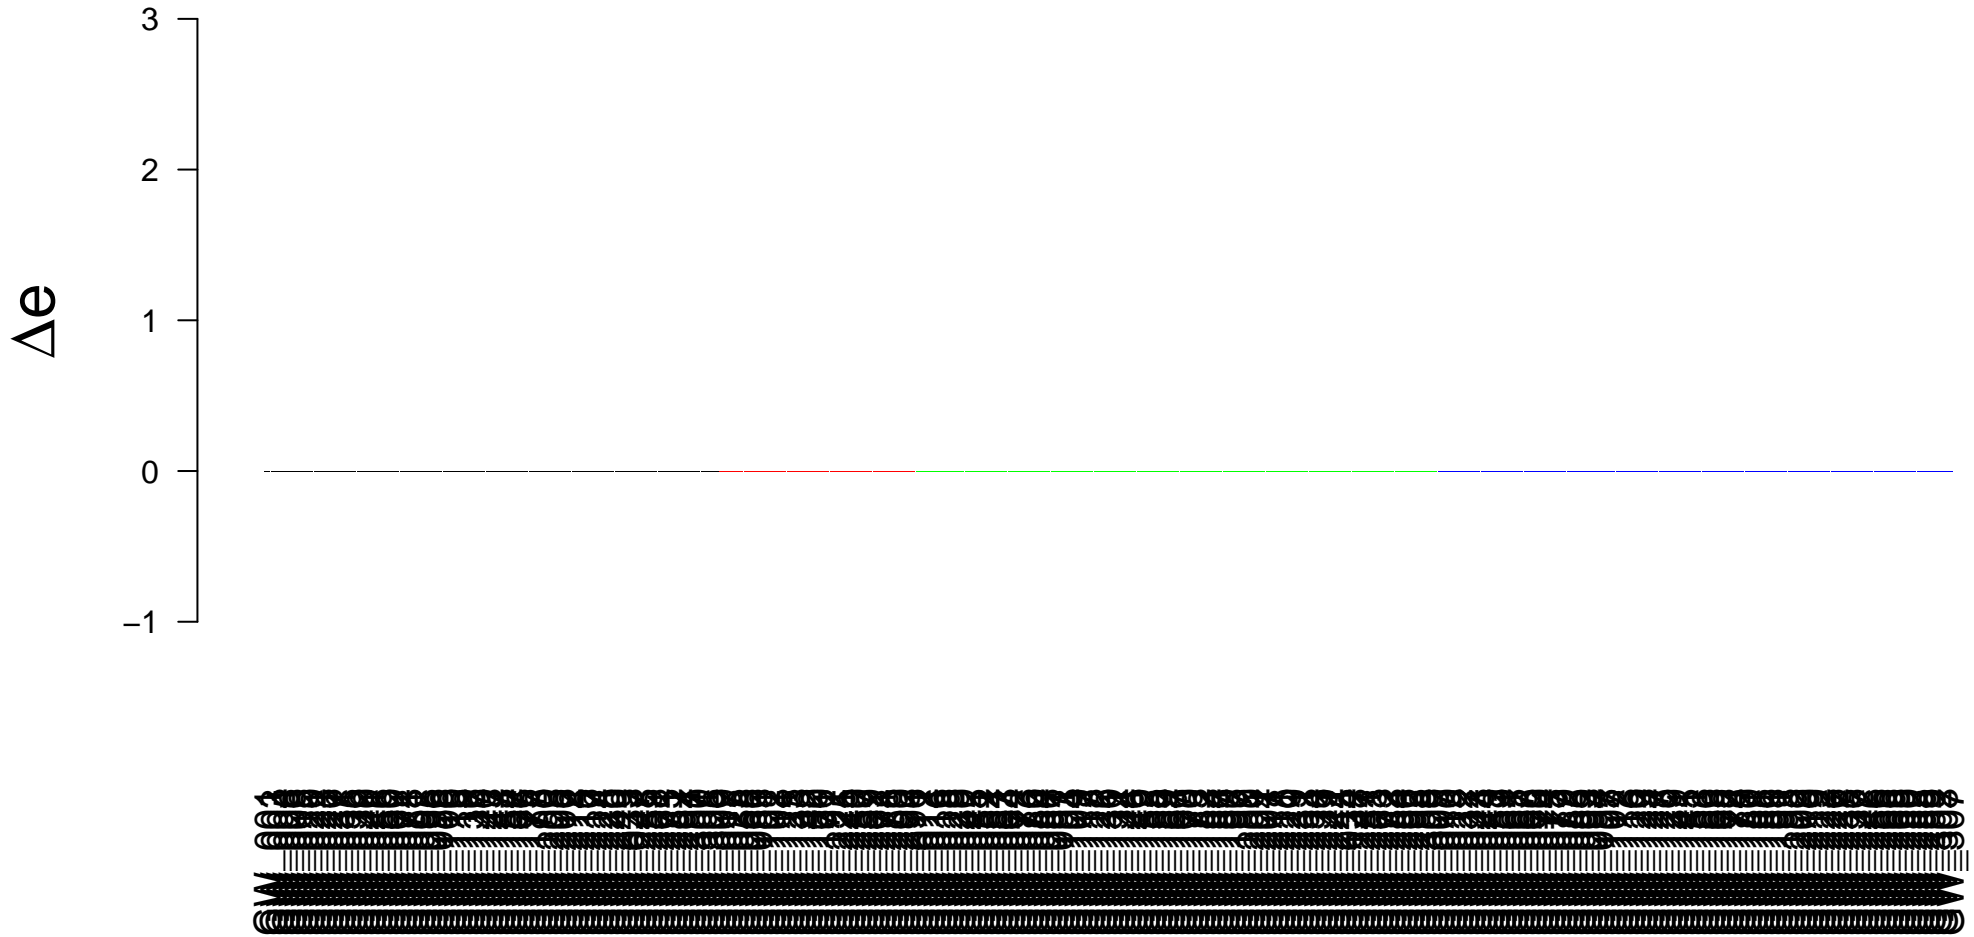

cell communication

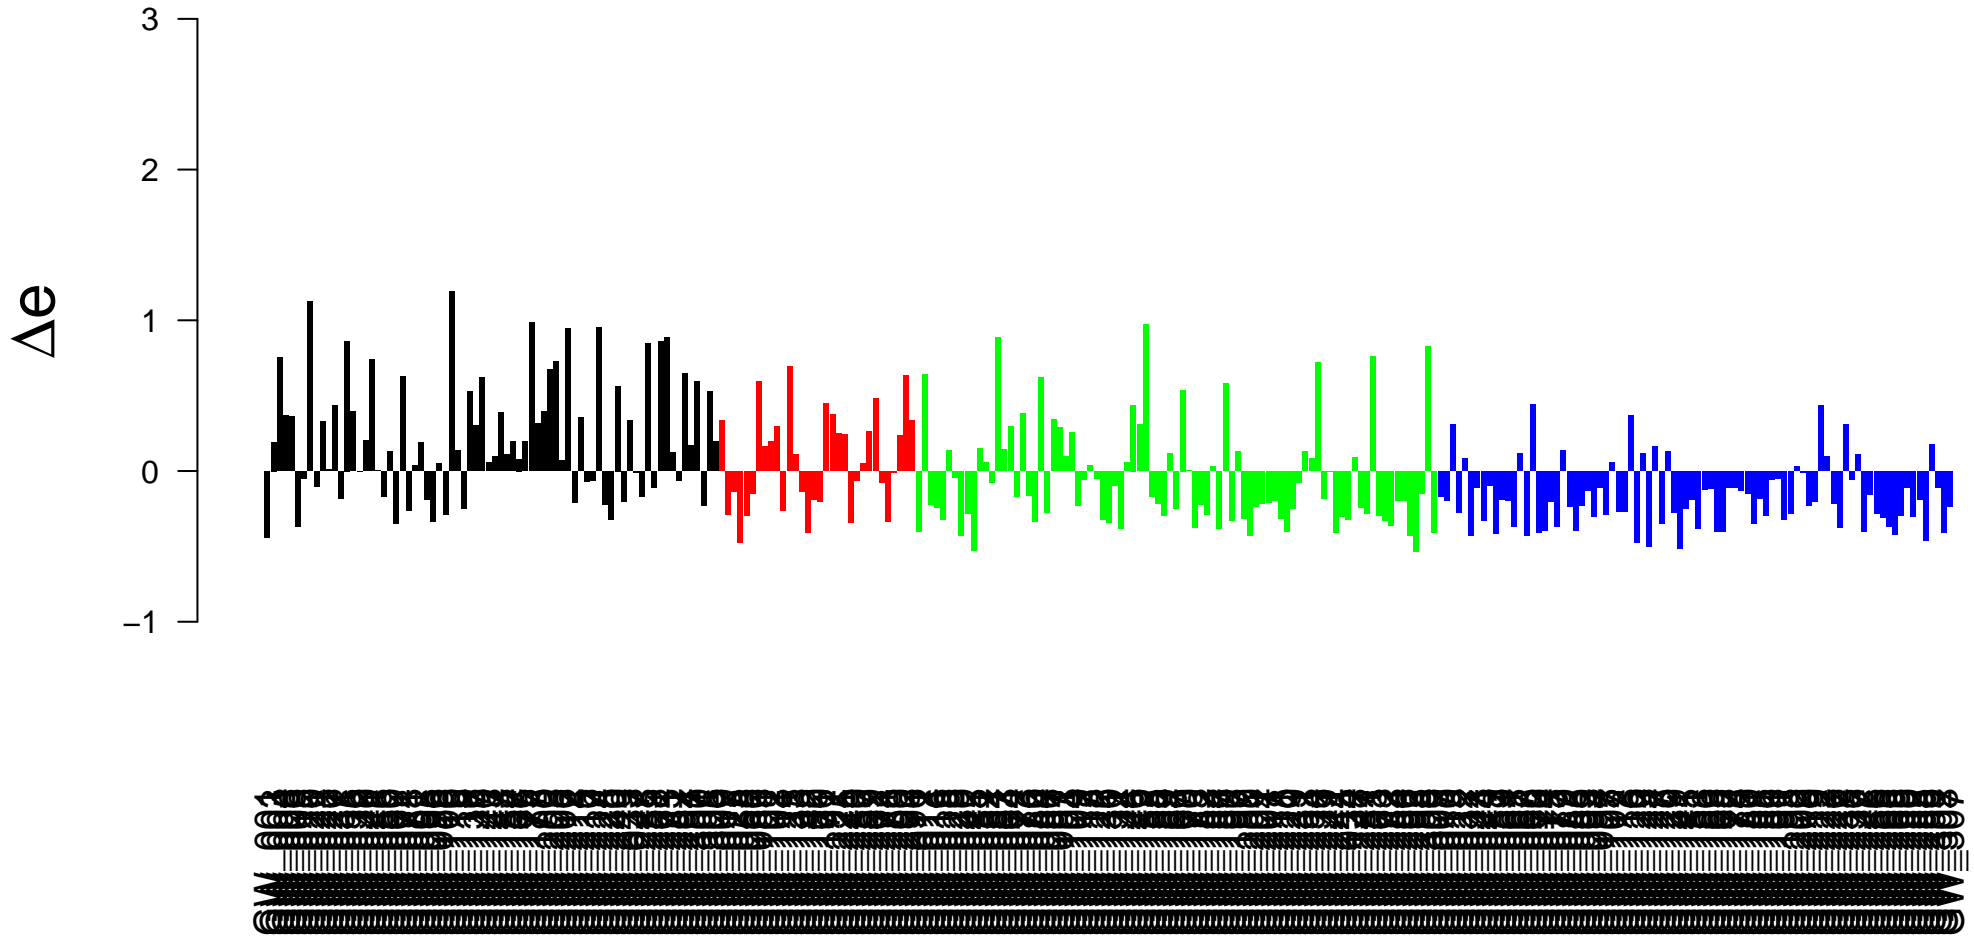

Enrichment in spots: cell communication

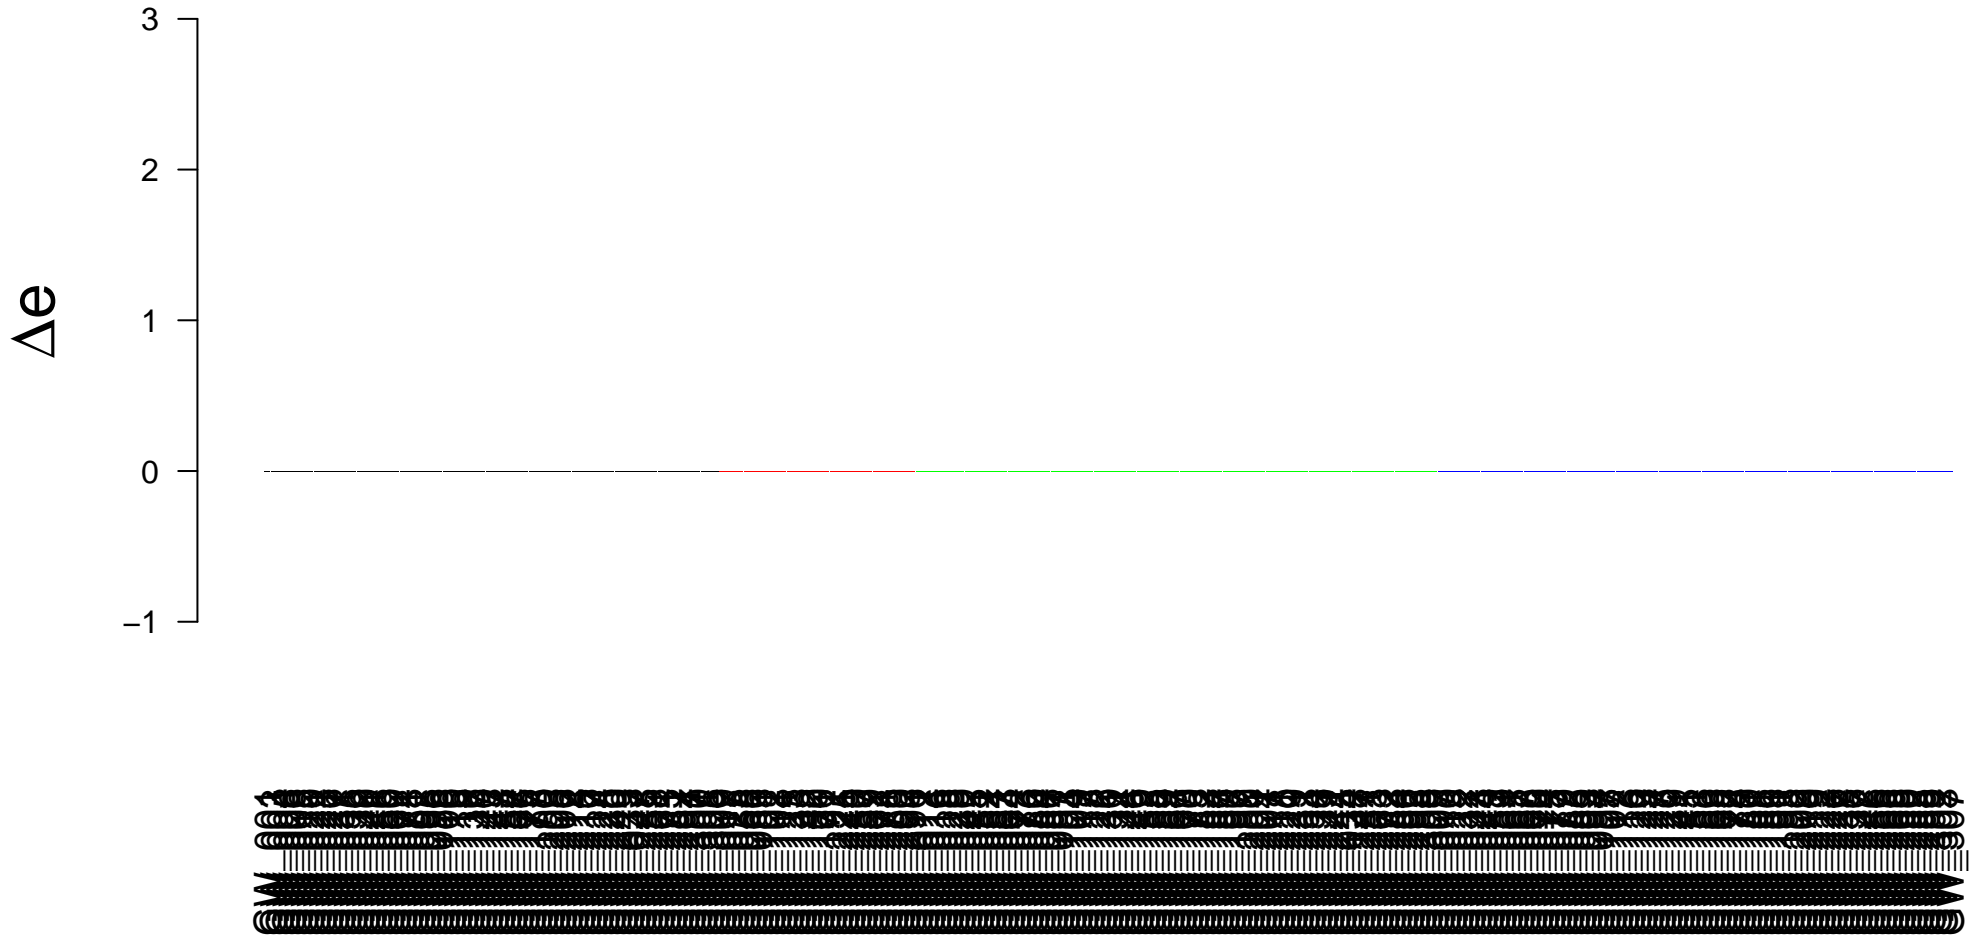

Expression of cell communication in Spot A

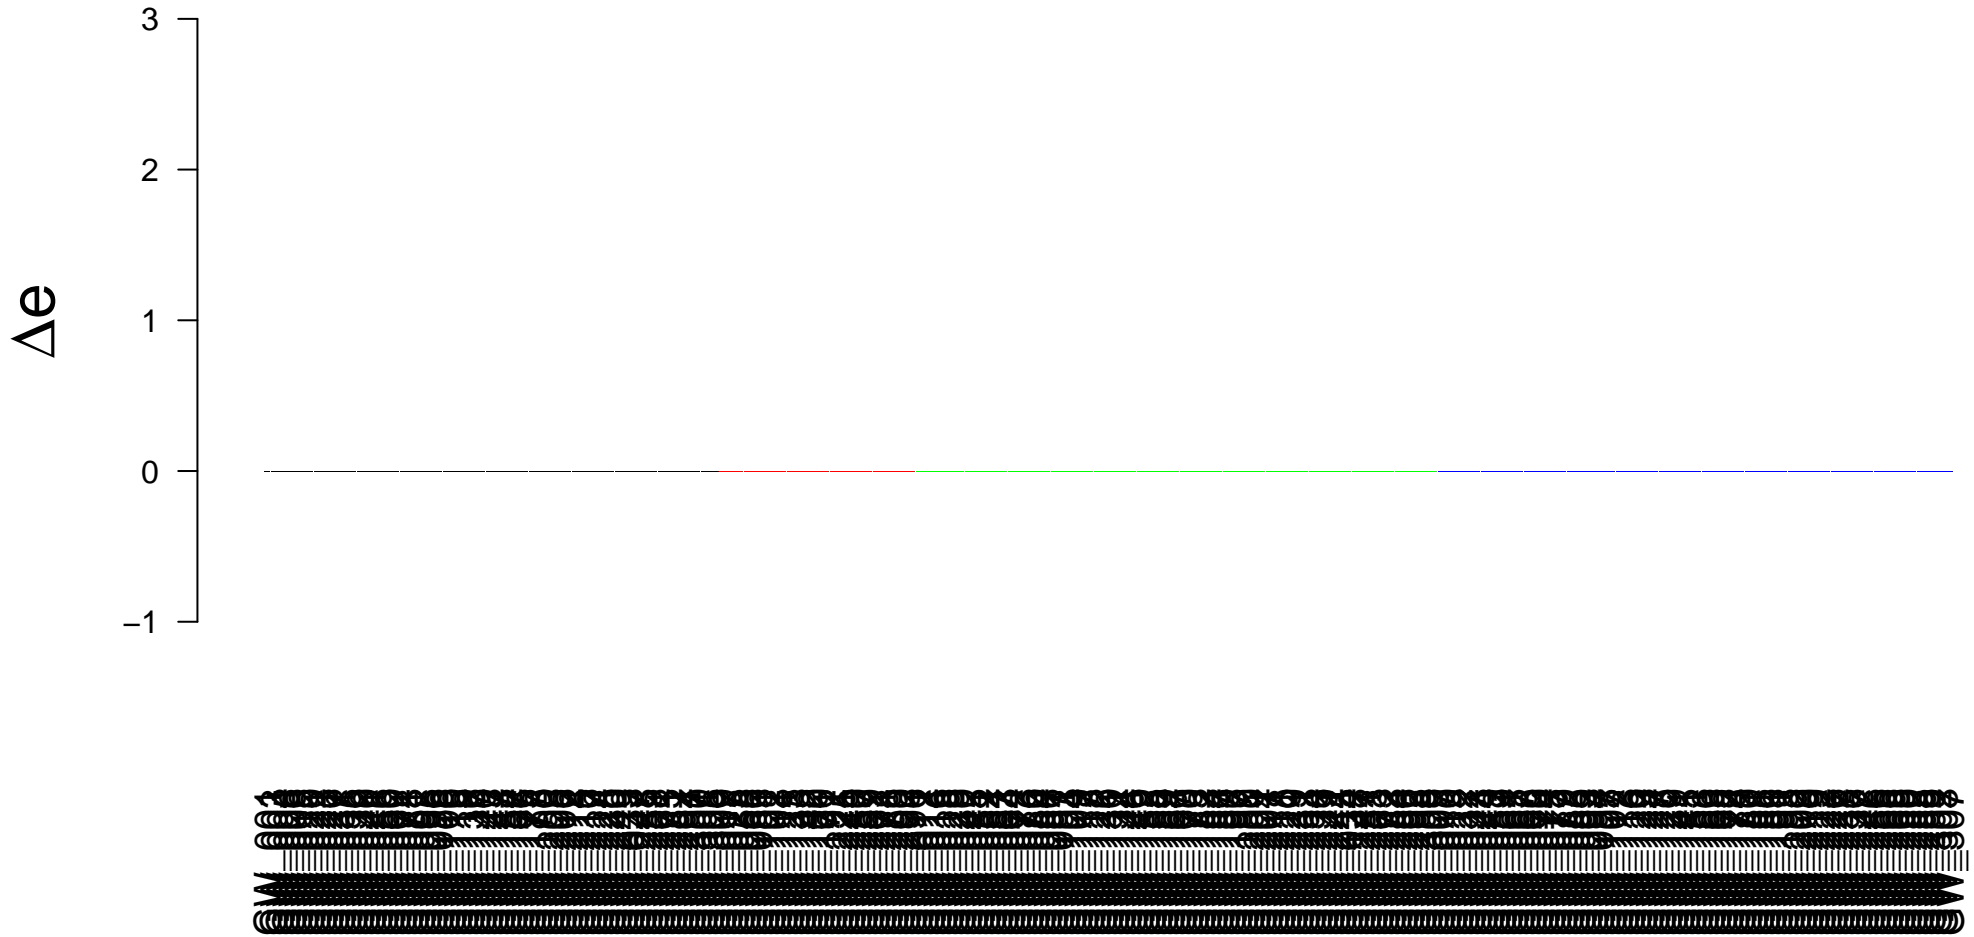

Expression of cell communication in Spot B

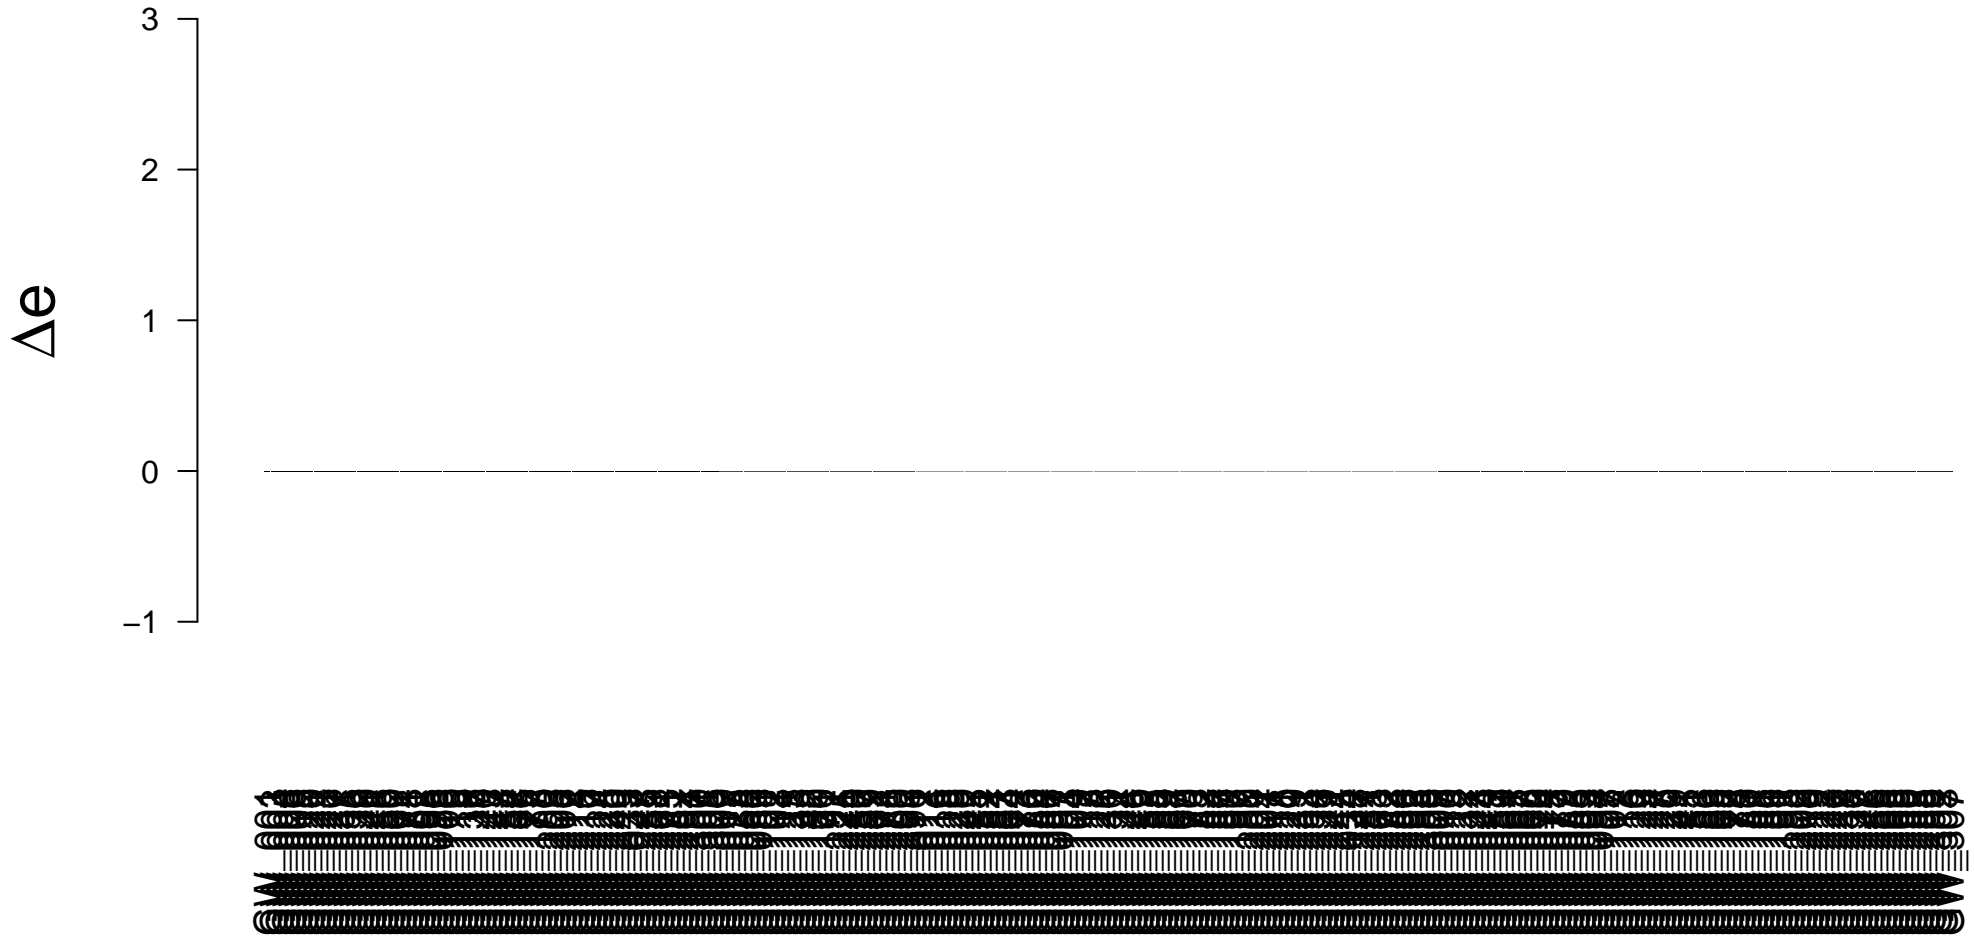

Expression of cell communication in Spot C

Expression of cell communication in Spot E

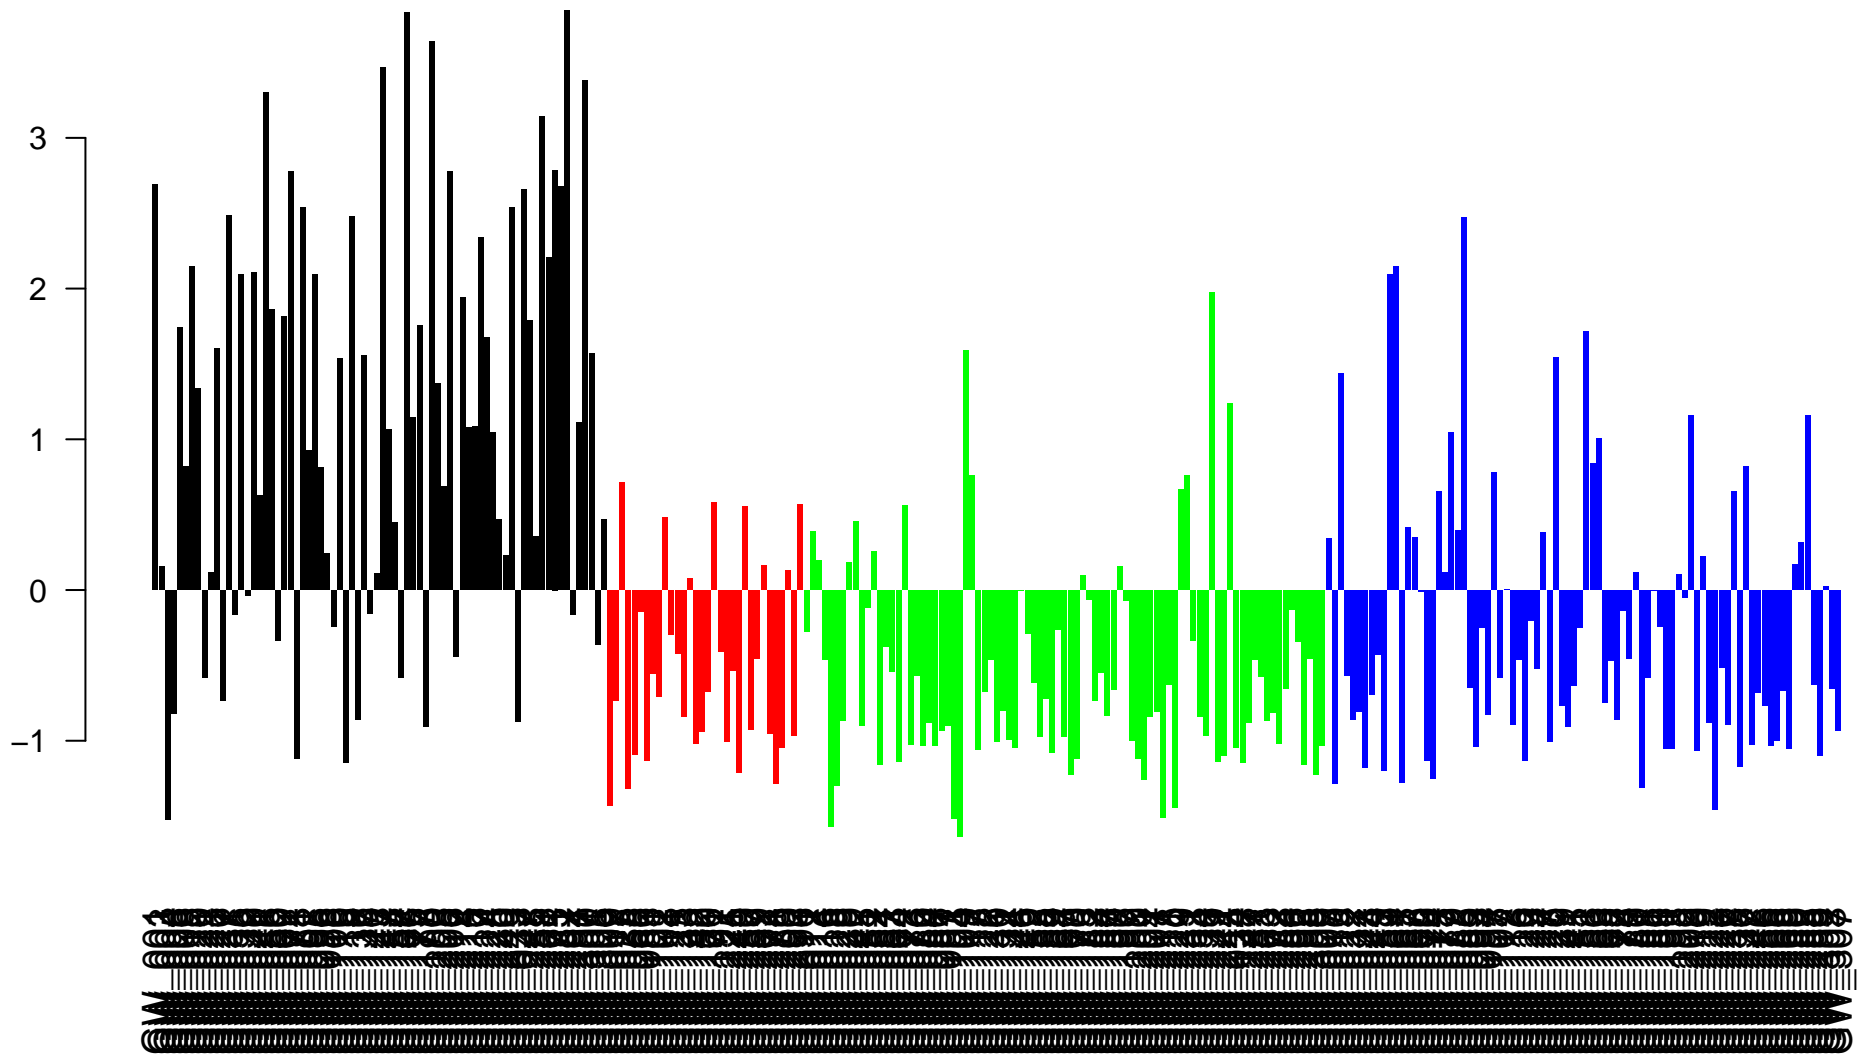

Expression of cell communication in Spot F

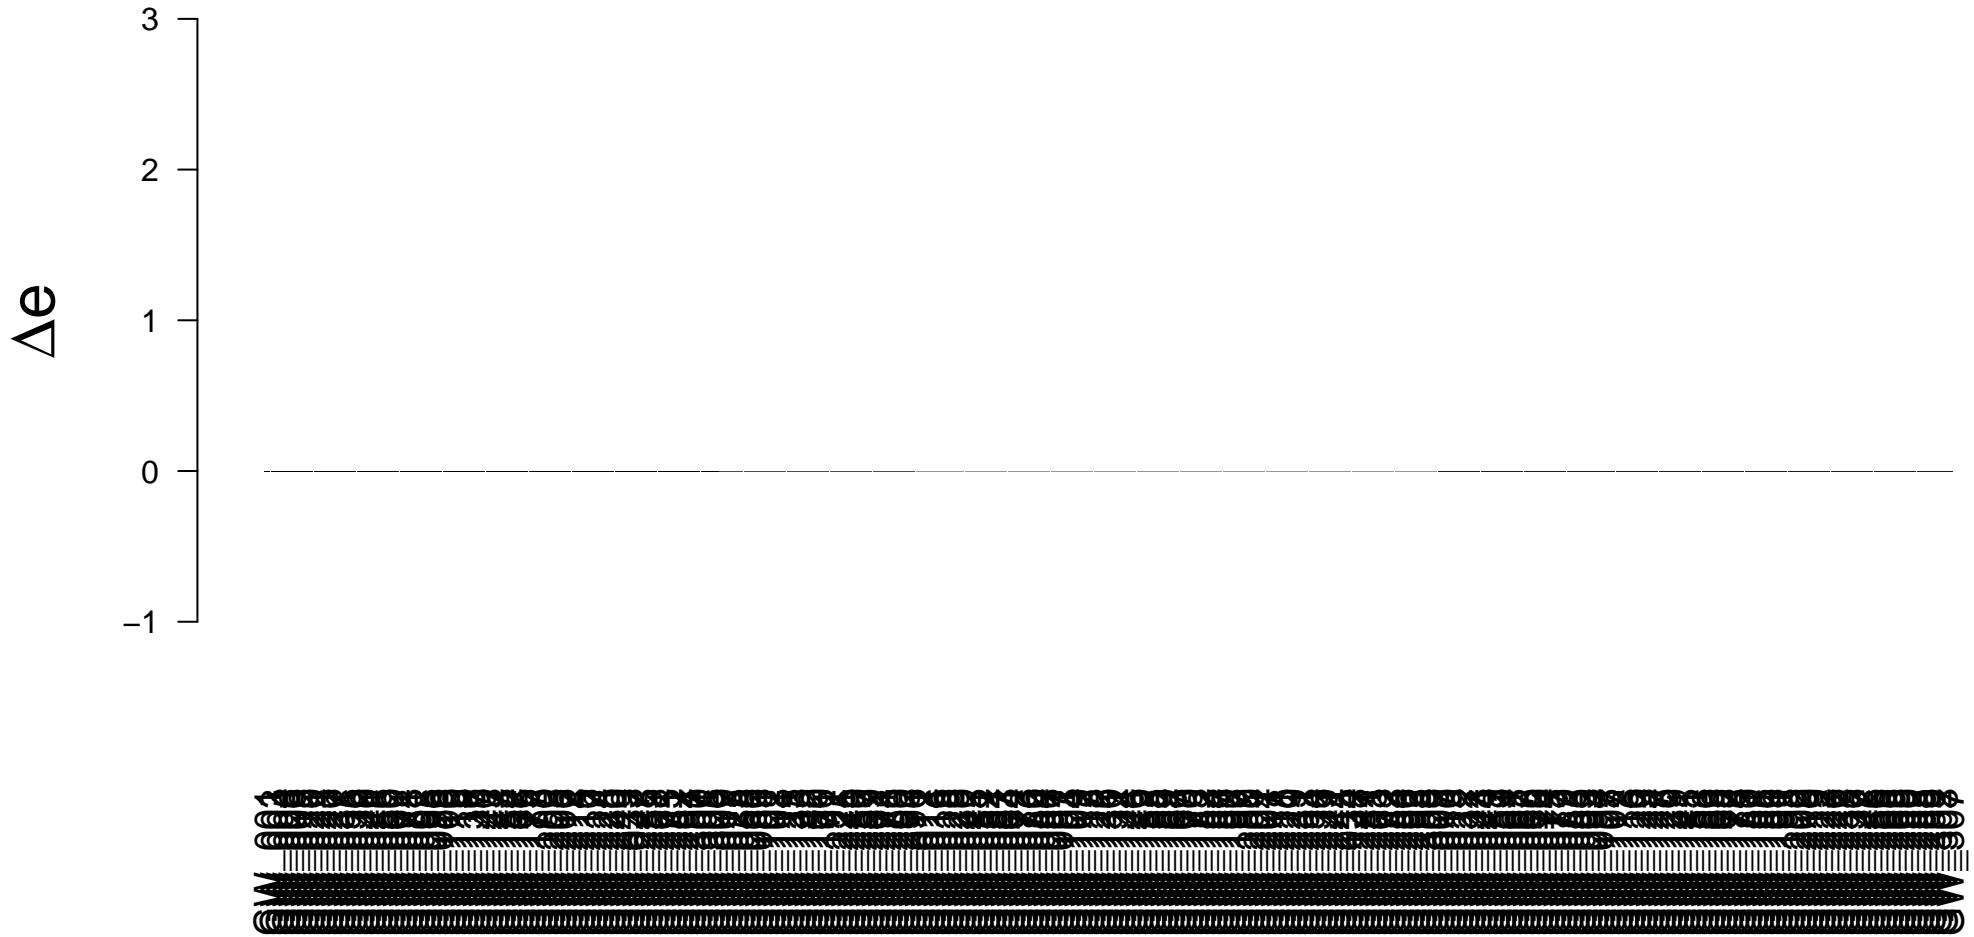

Expression of cell communication in Spot G

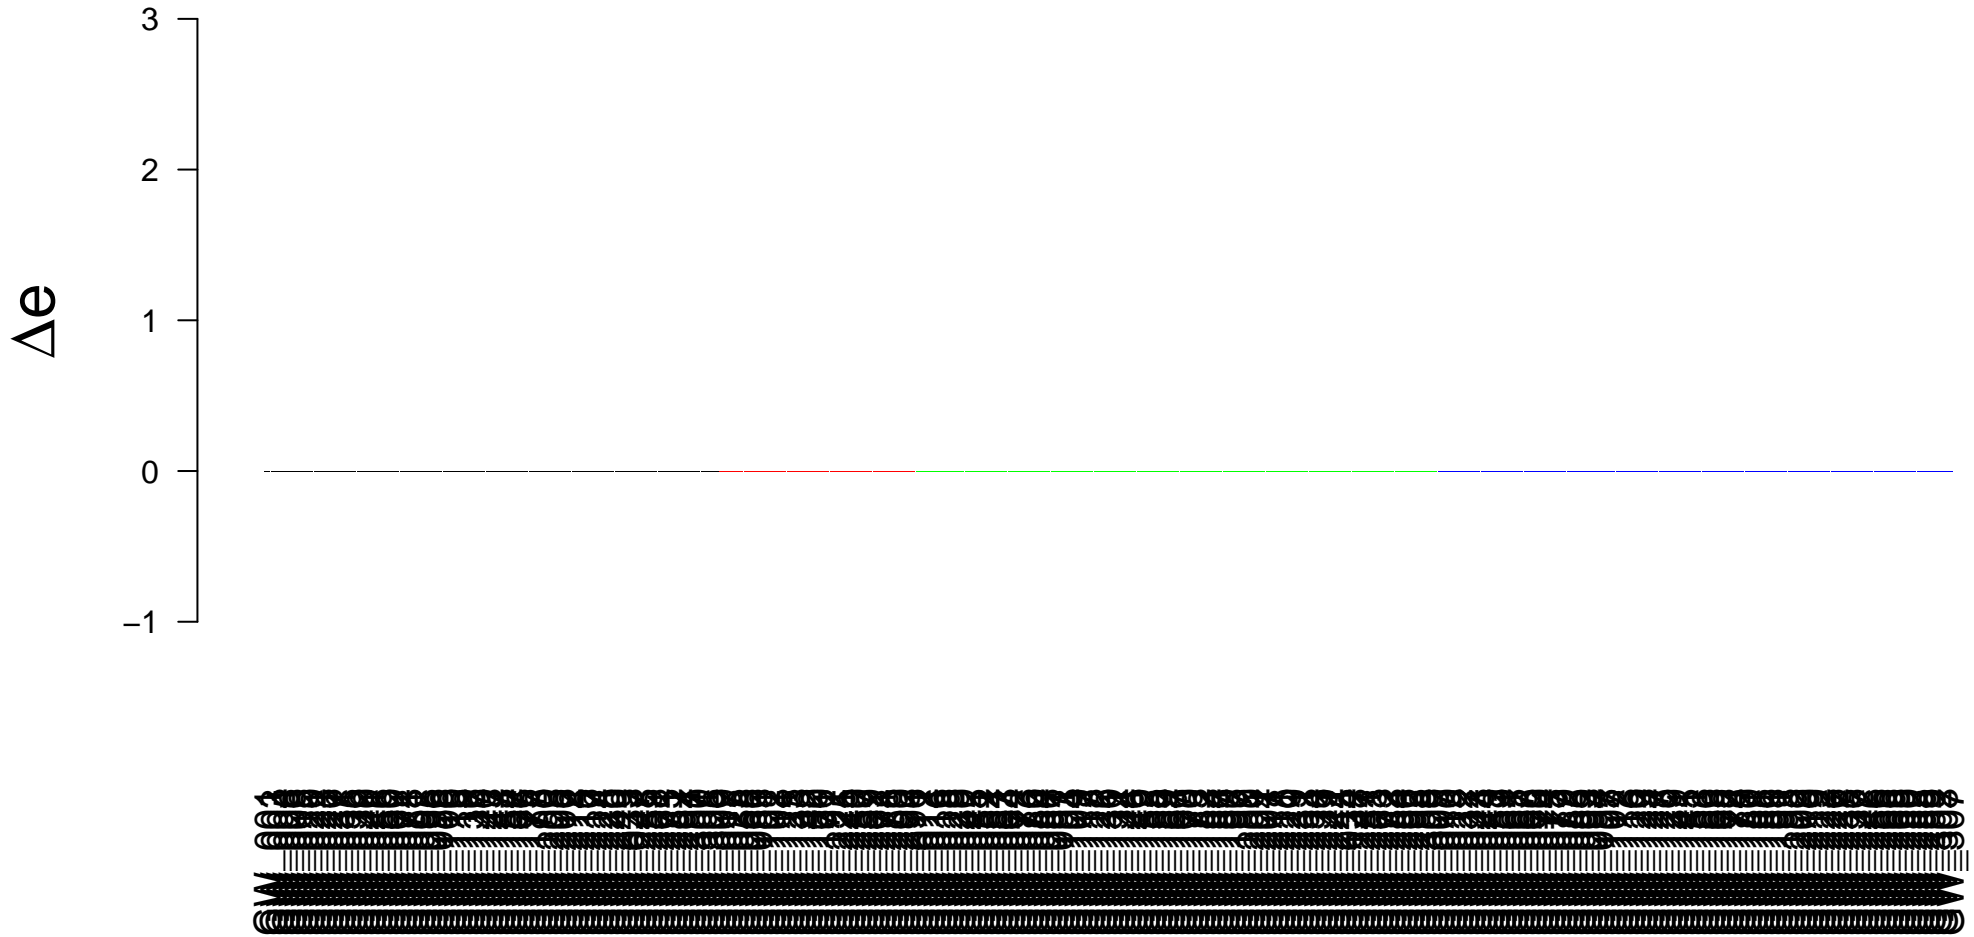

Δe

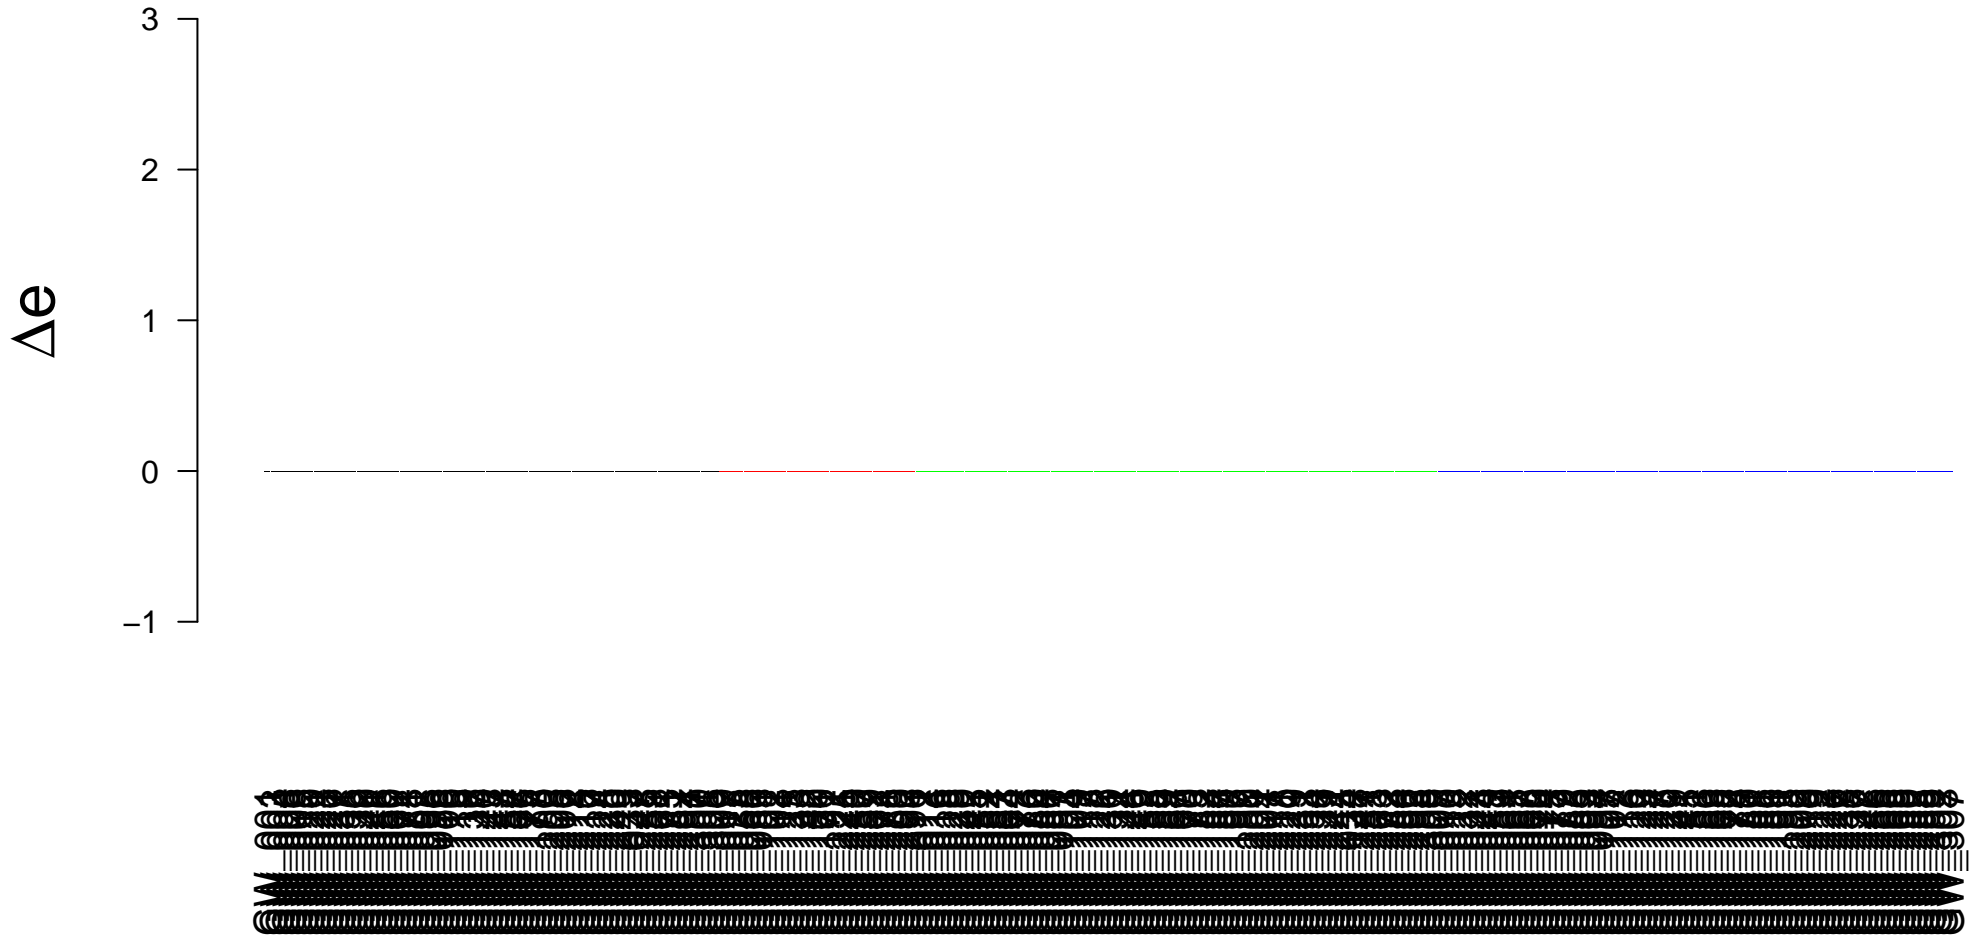

Expression of cell communication in Spot H

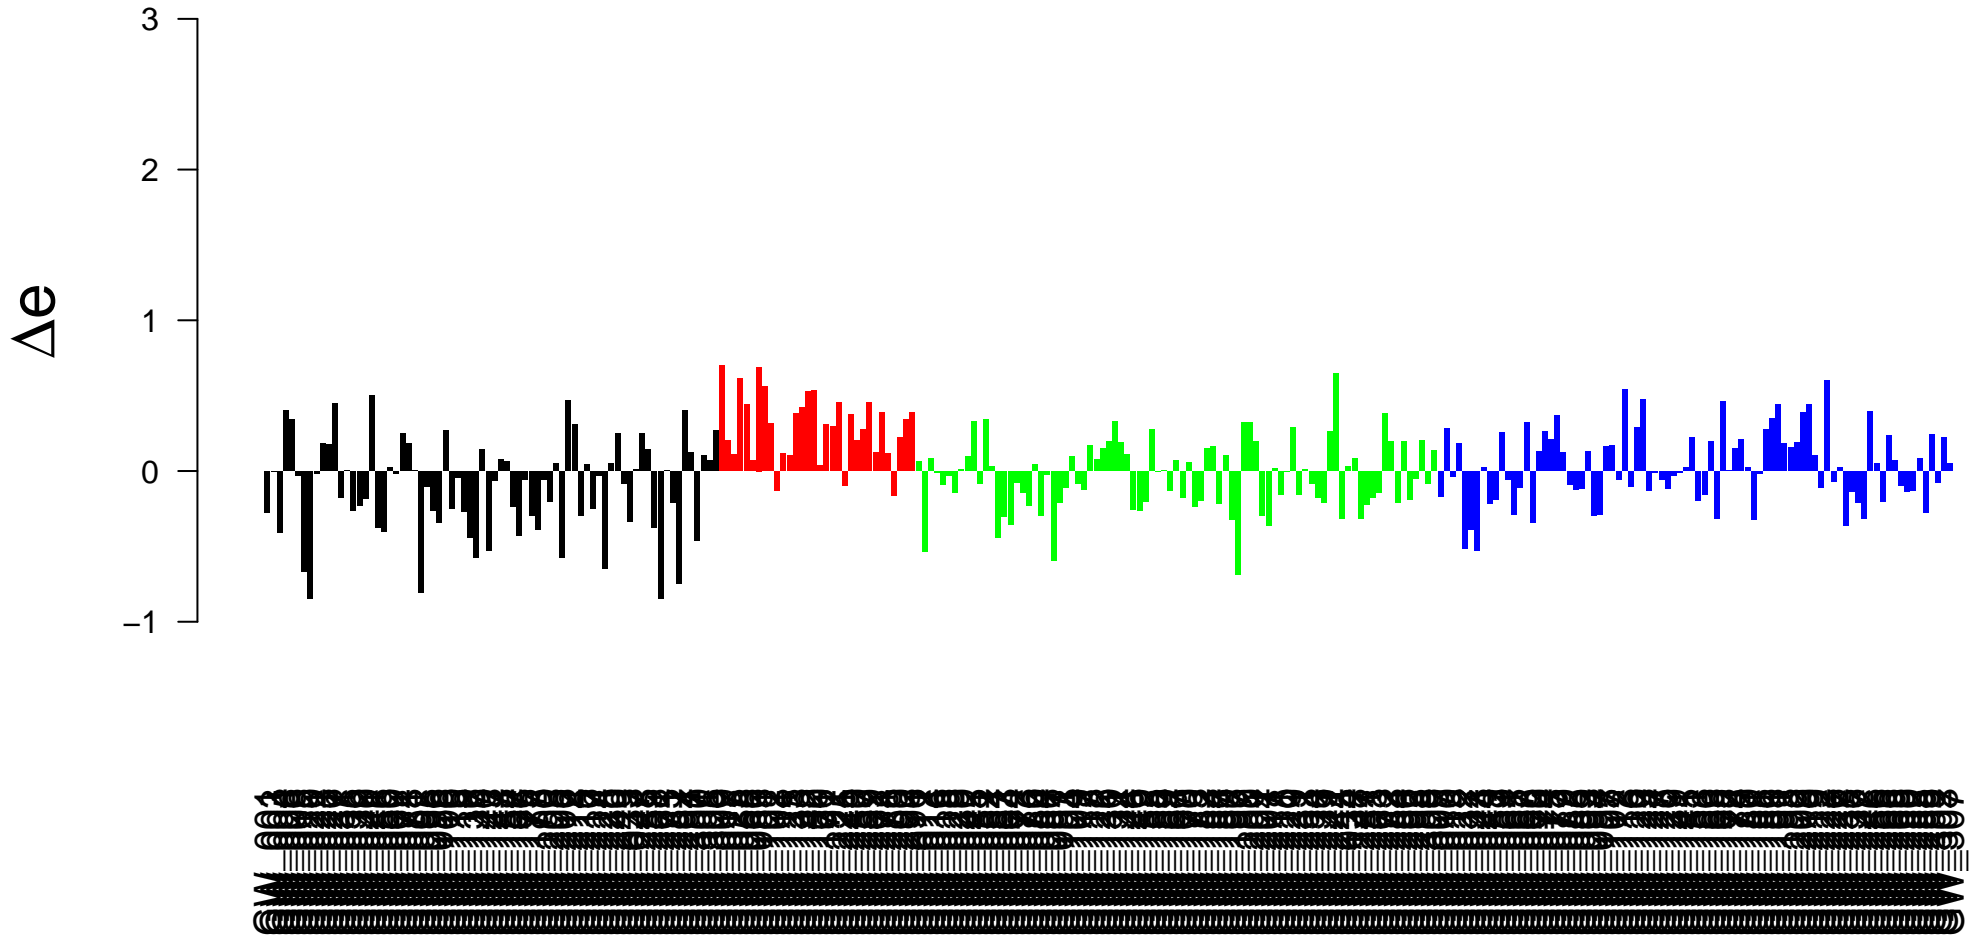

Expression of cell communication in Spot I

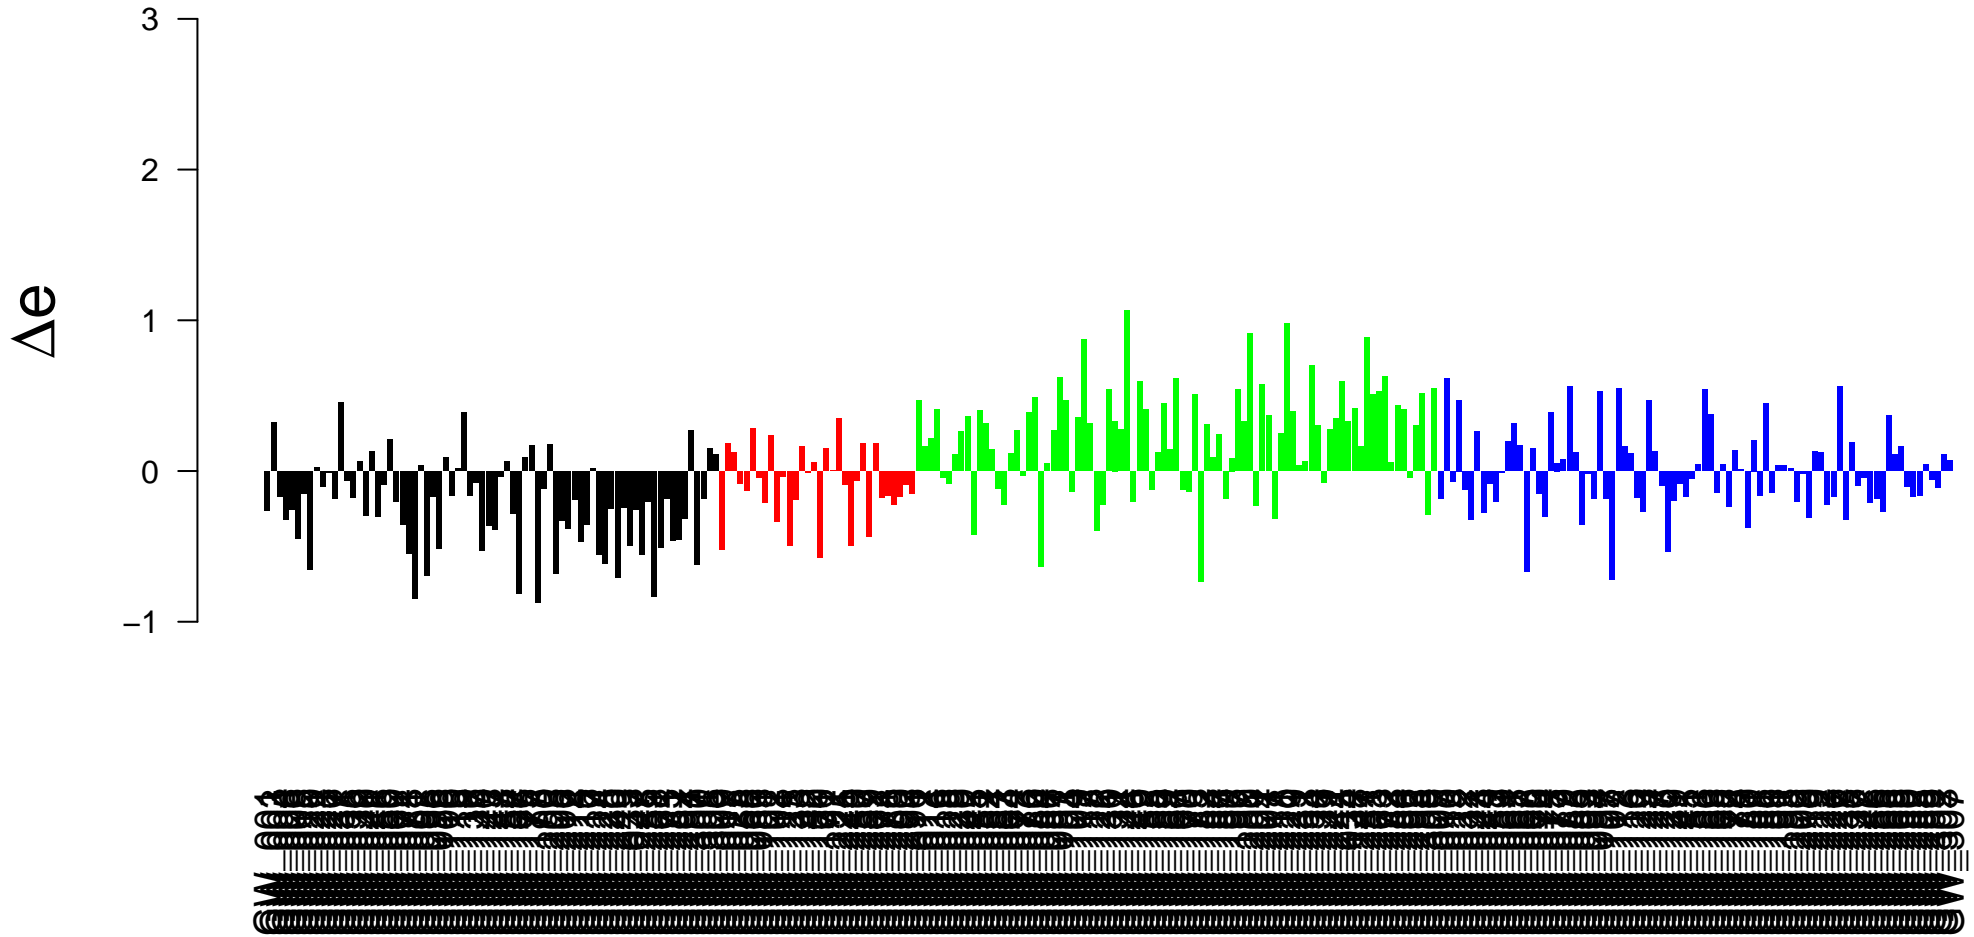

Expression of cell communication in Spot J

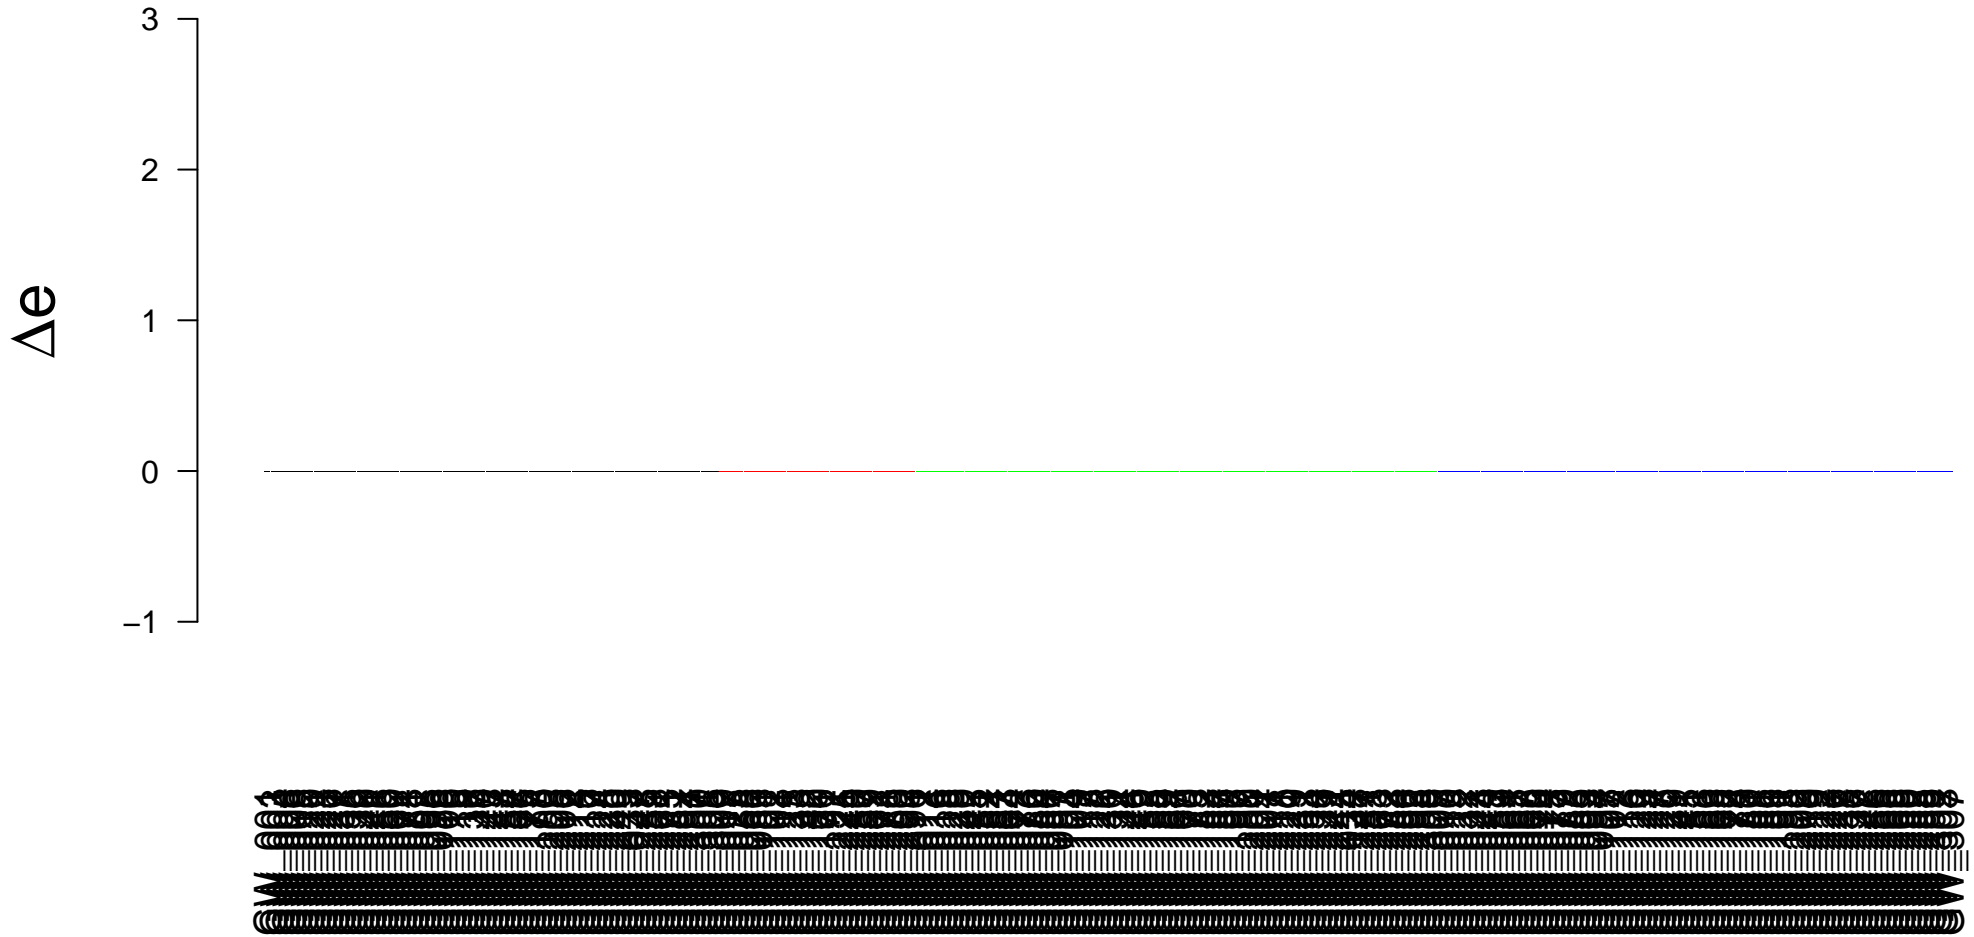

Expression of cell communication in Spot K

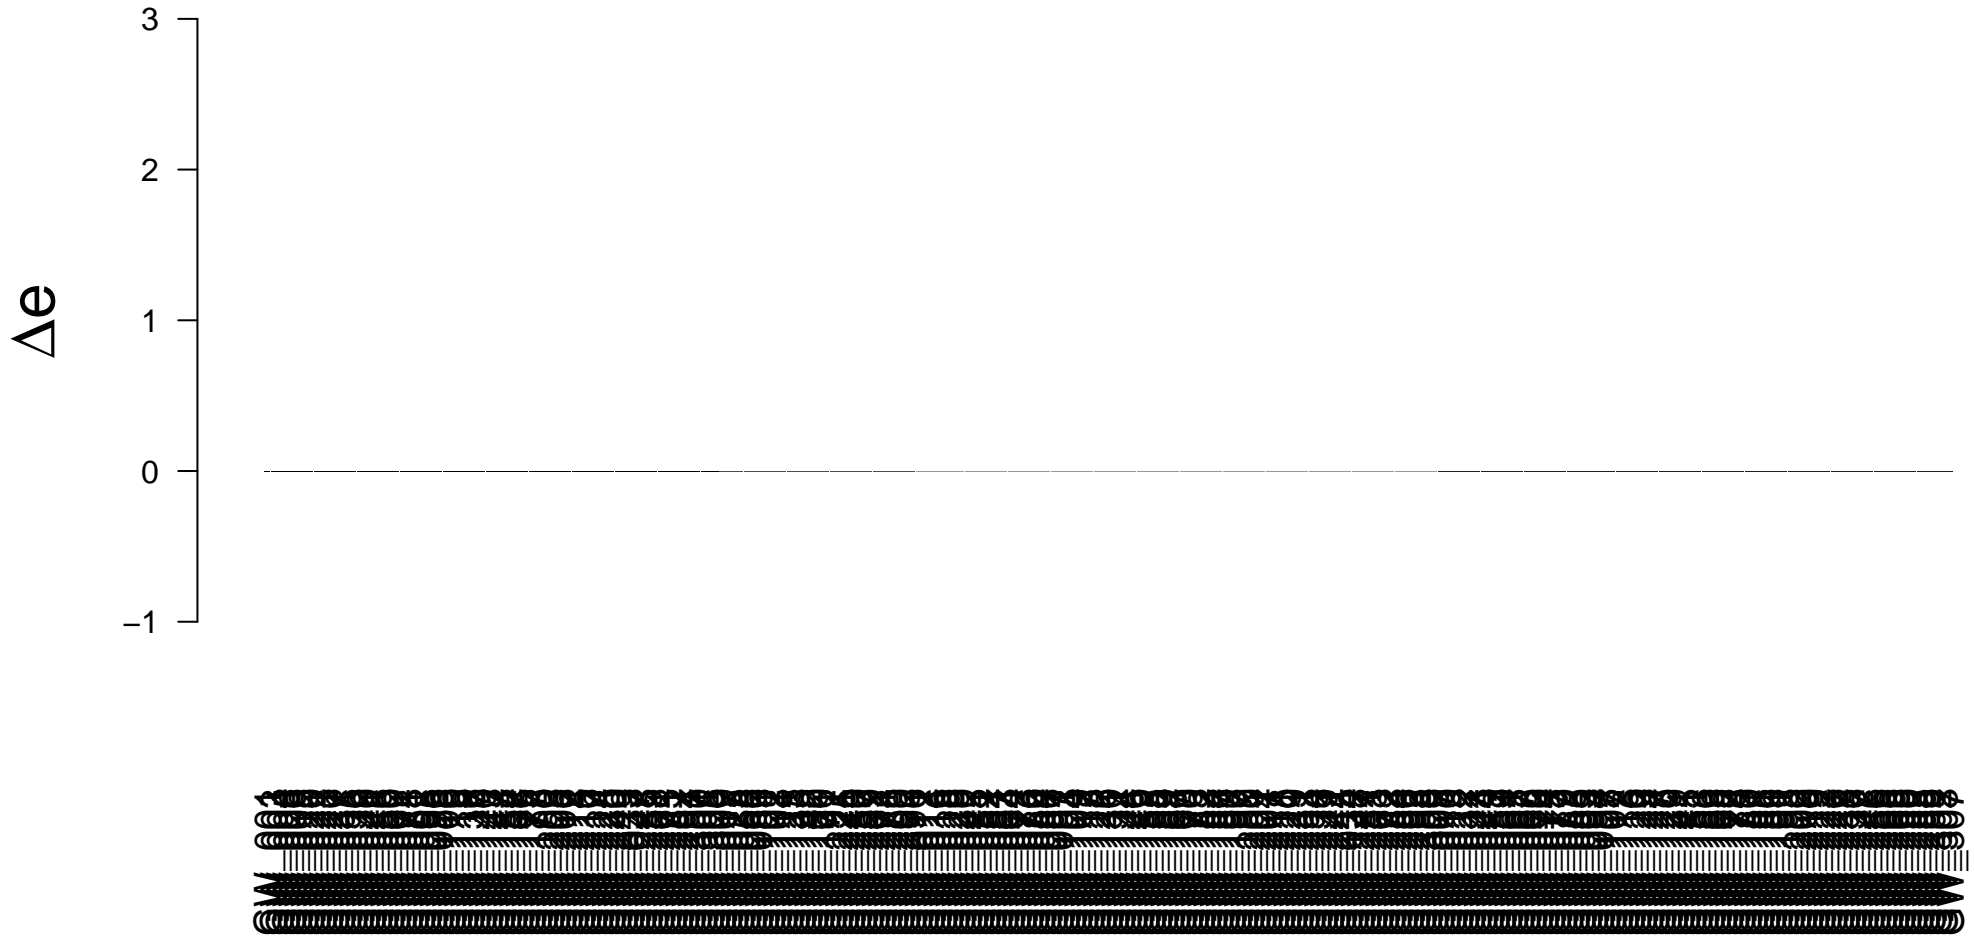

Expression of cell communication in Spot L

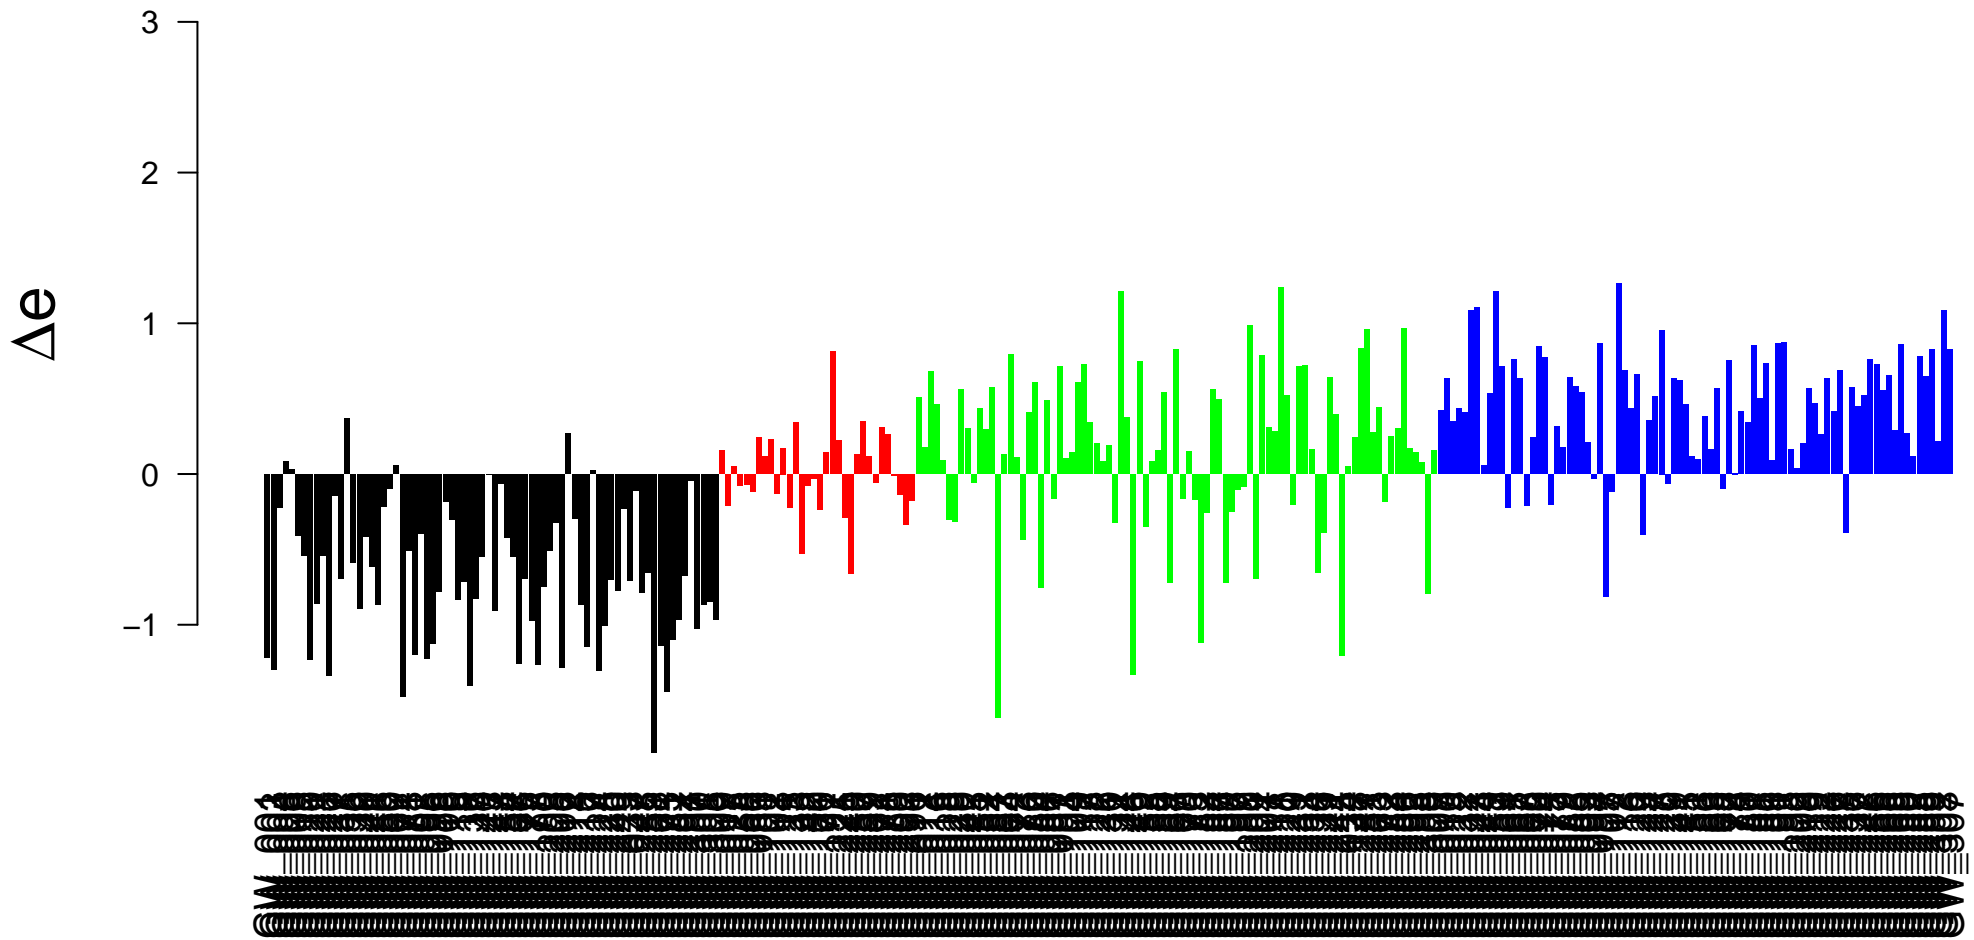

Expression of cell communication in Spot M

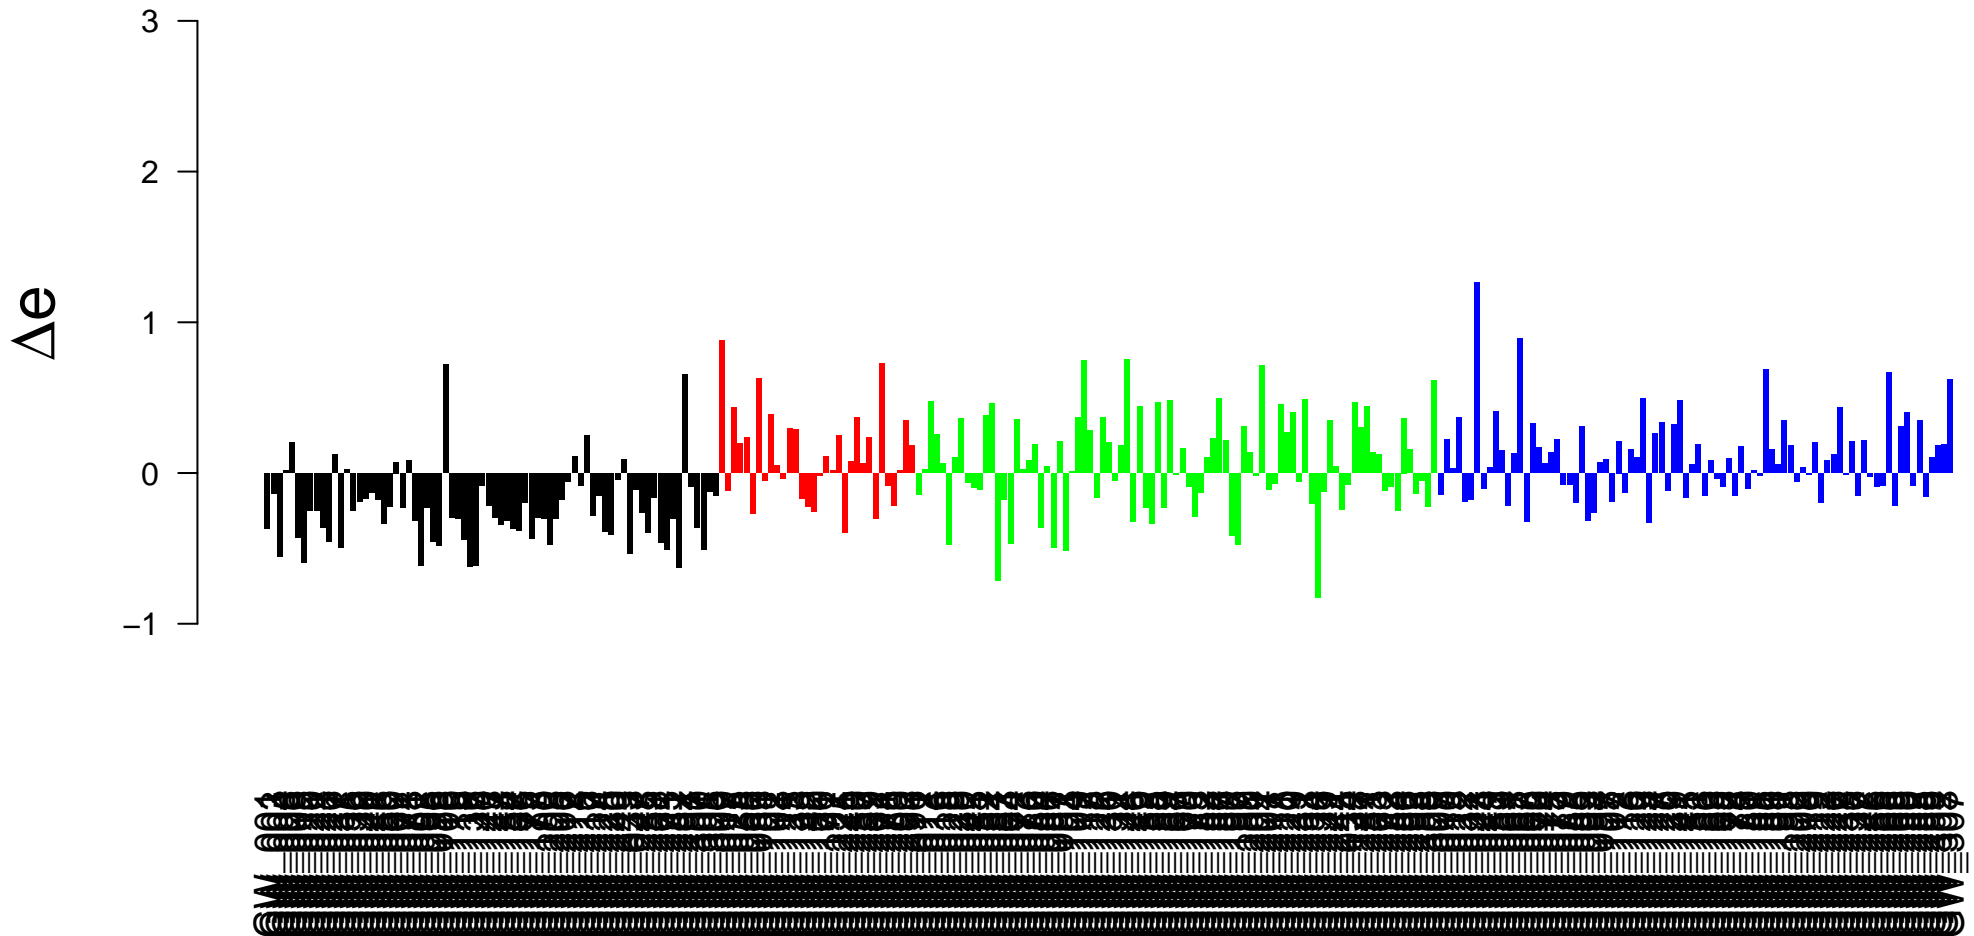

Expression of cell communication in Spot N

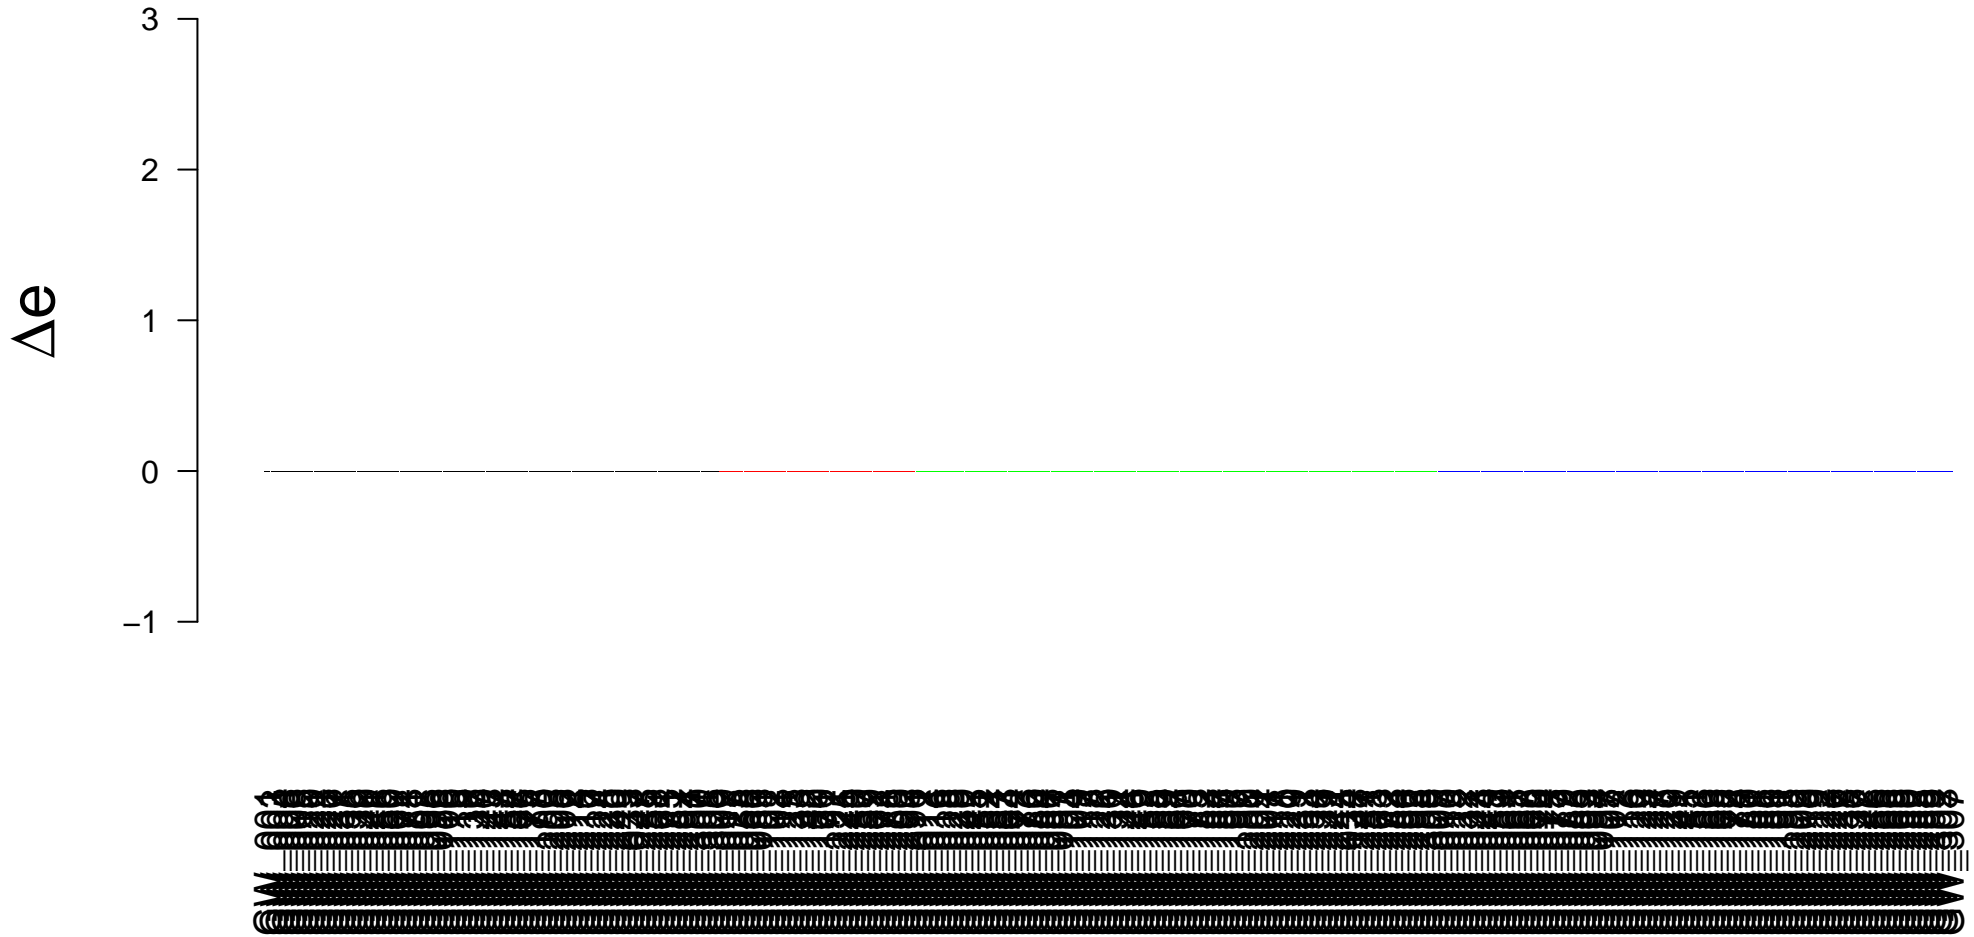

Expression of cell communication in Spot O

Expression of cell communication in Spot P

Expression of cell communication in Spot Q

Expression of cell communication in Spot R
