

cell cycle arrest

cell cycle arrest

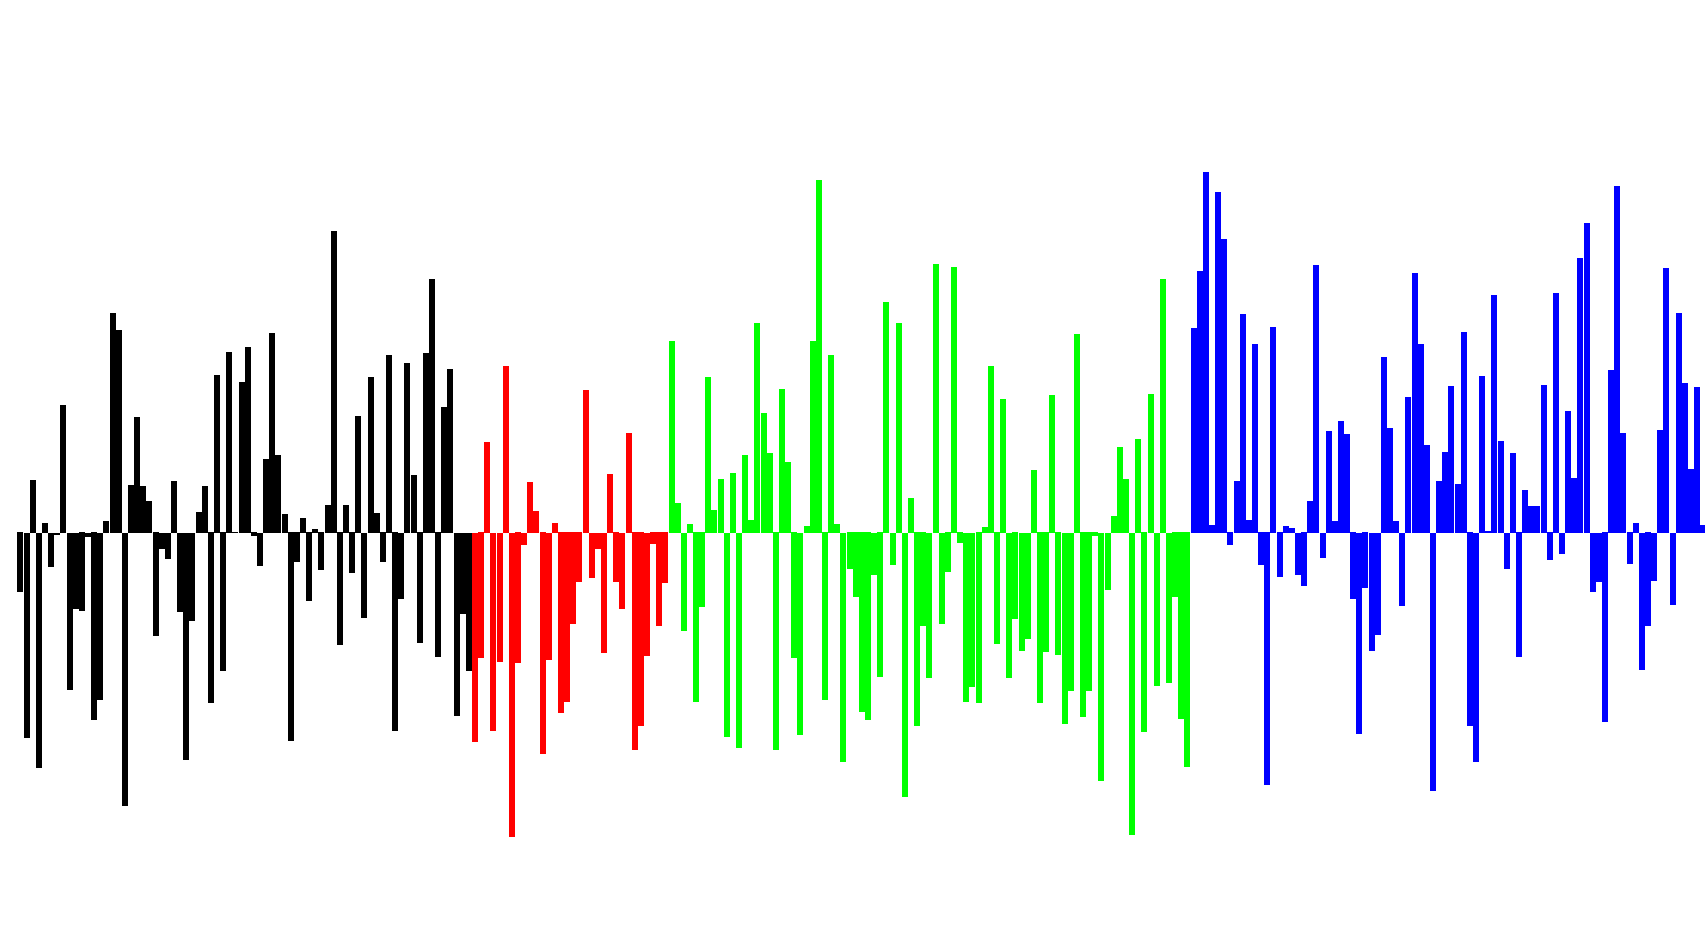

Enrichment in spots: cell cycle arrest

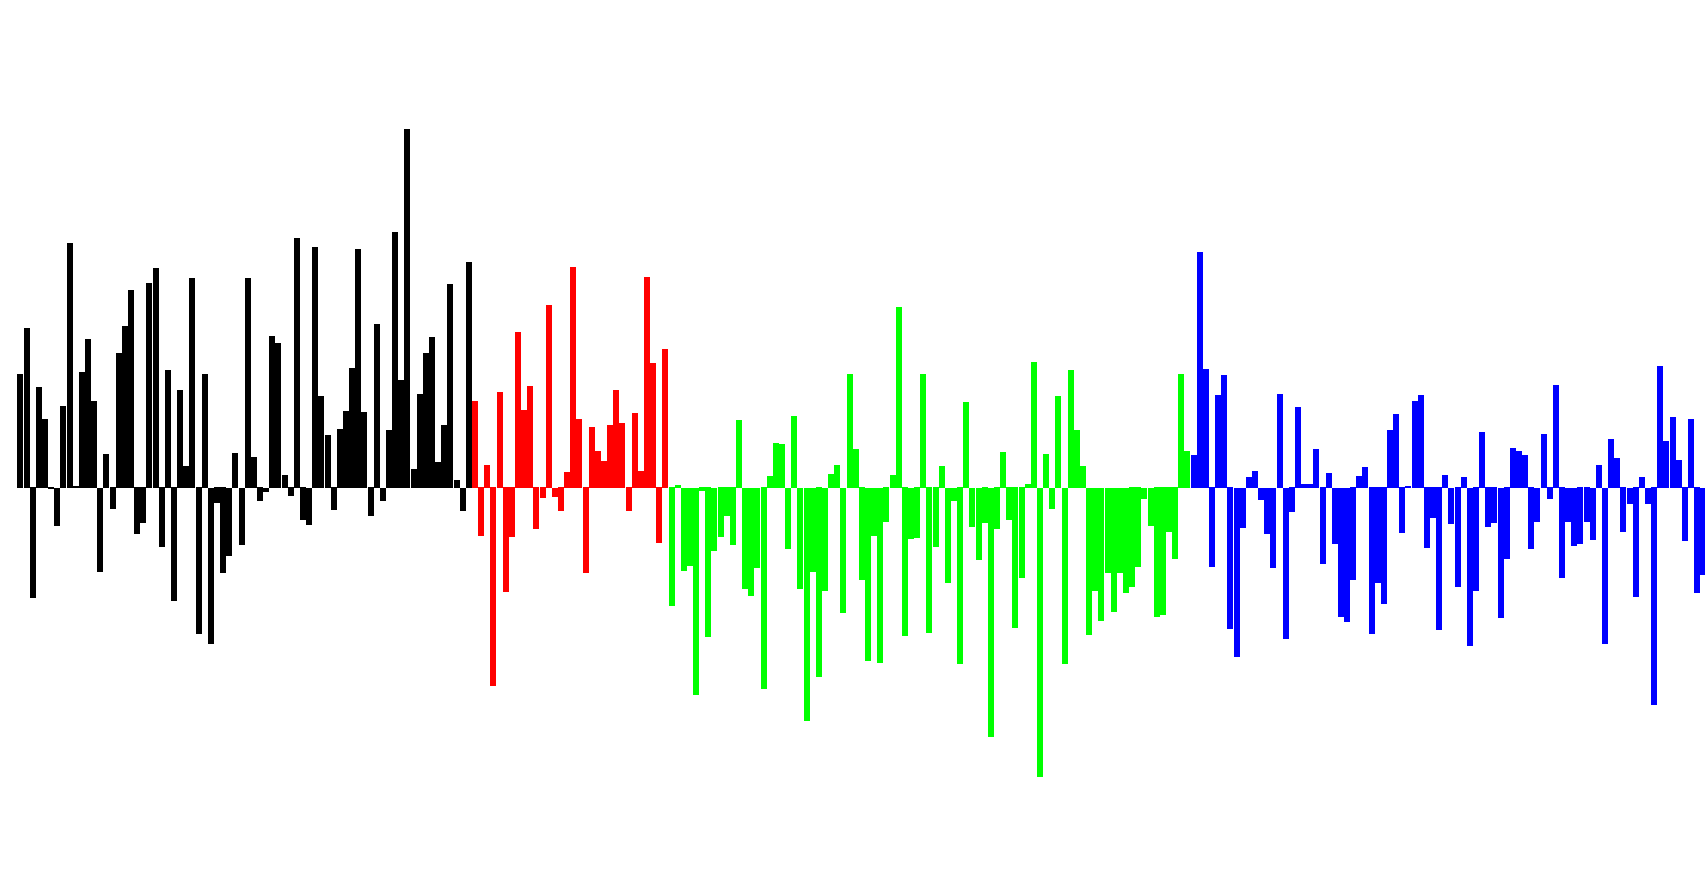

Expression of cell cycle arrest in Spot A

Δe

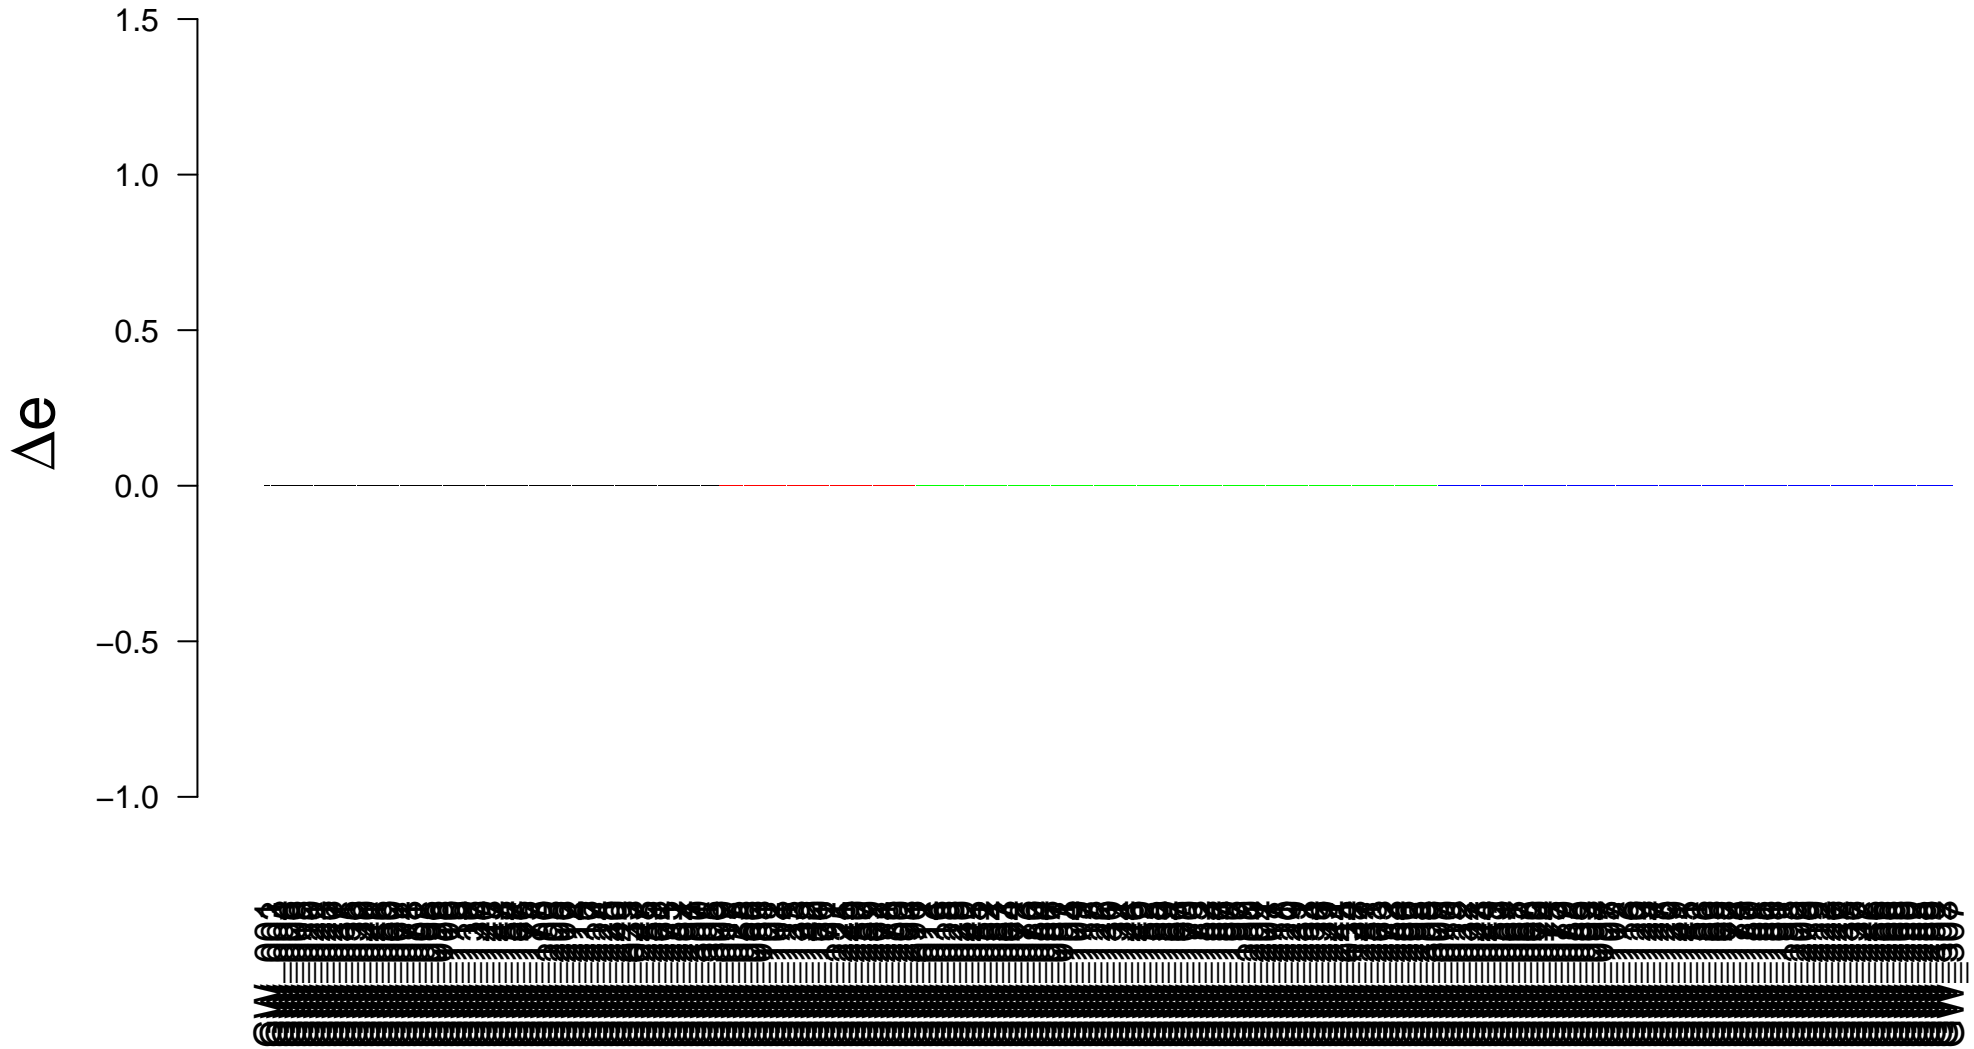

Expression of cell cycle arrest in Spot B

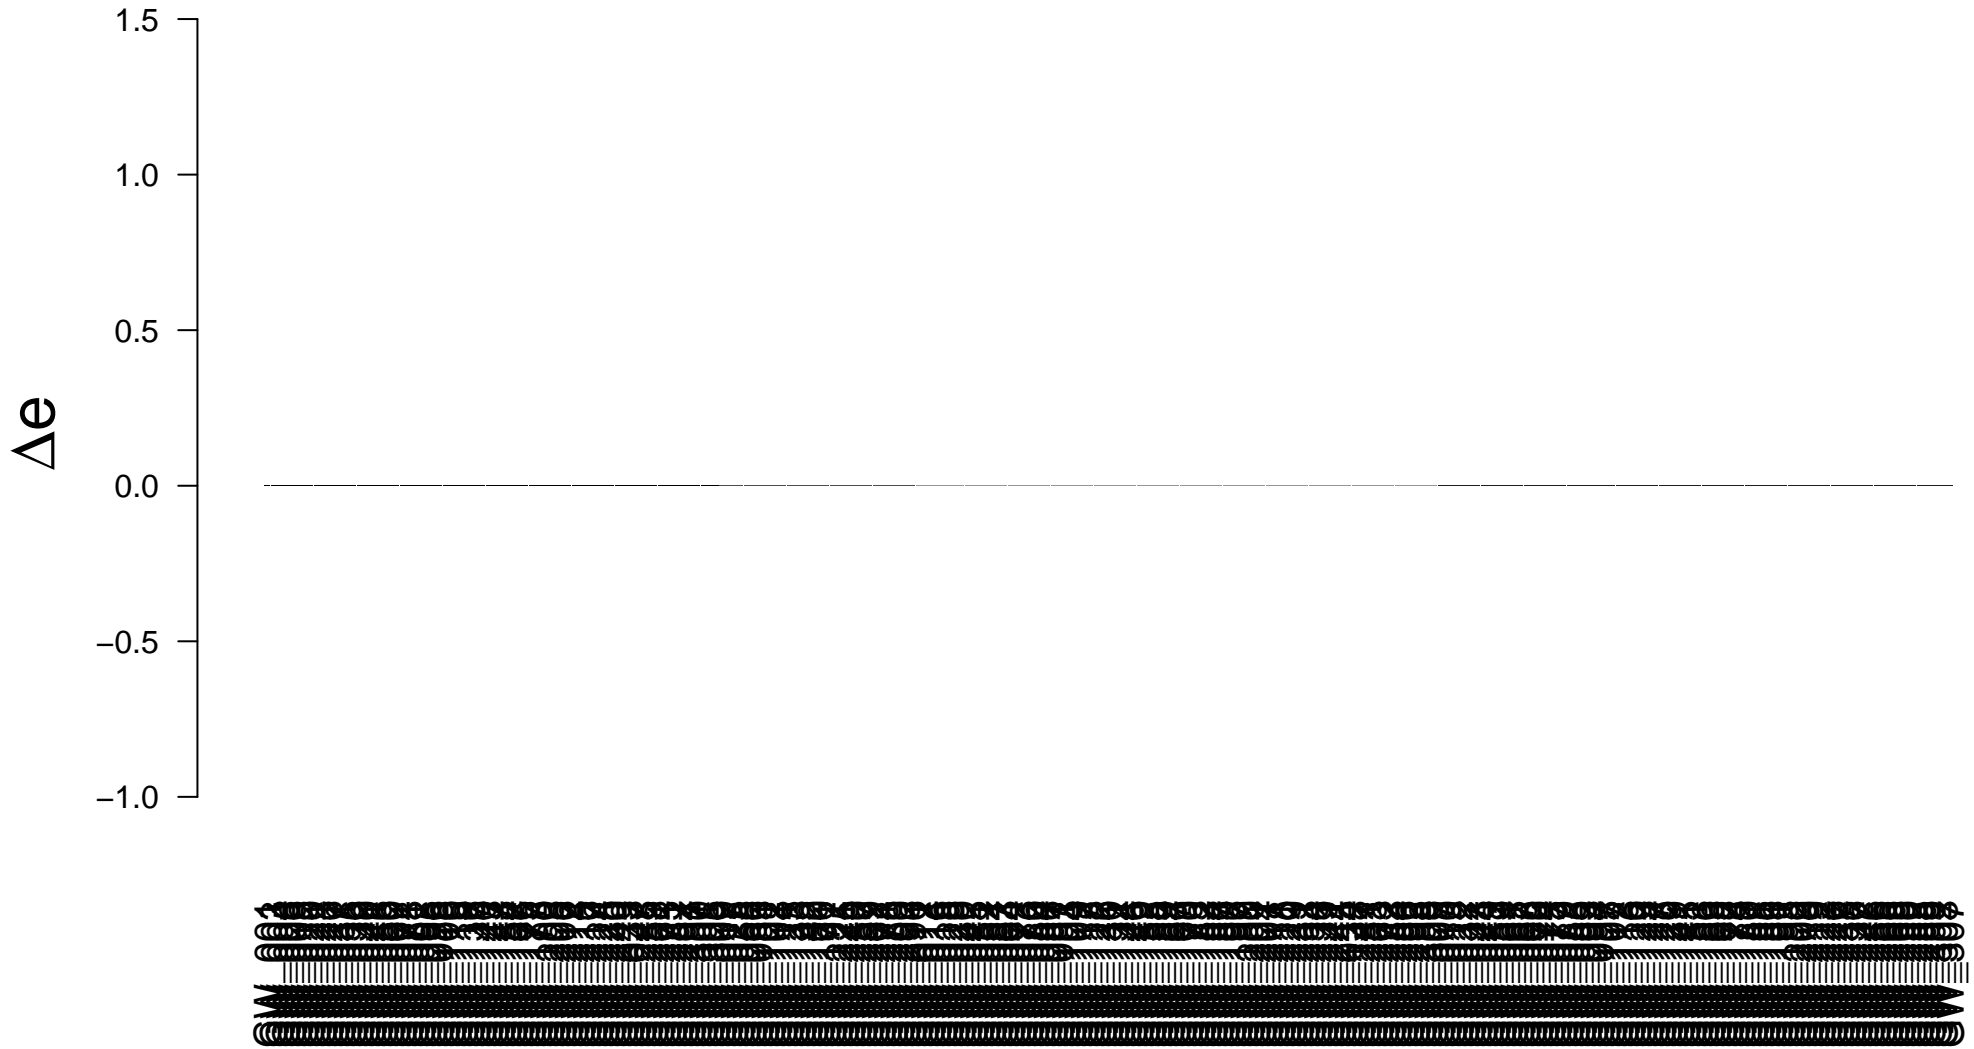

Δe

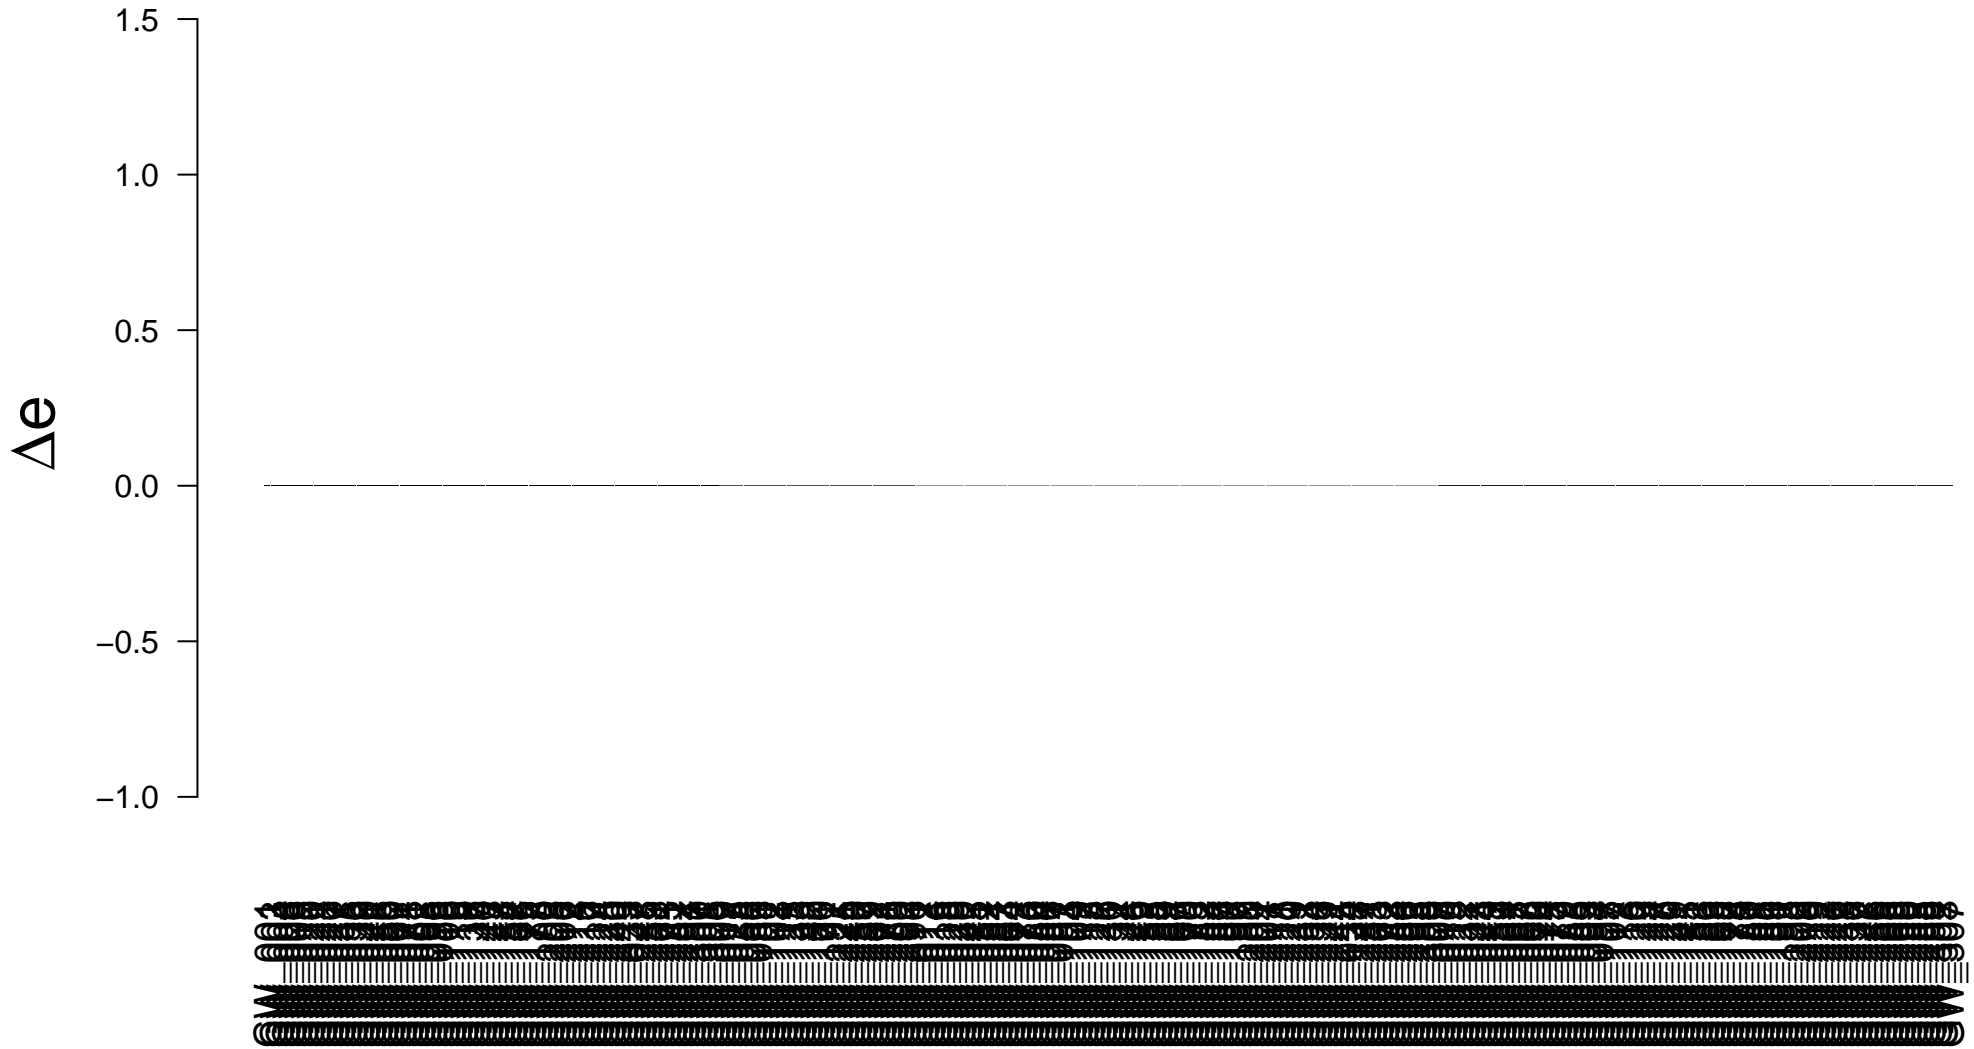

Expression of cell cycle arrest in Spot C

Expression of cell cycle arrest in Spot D

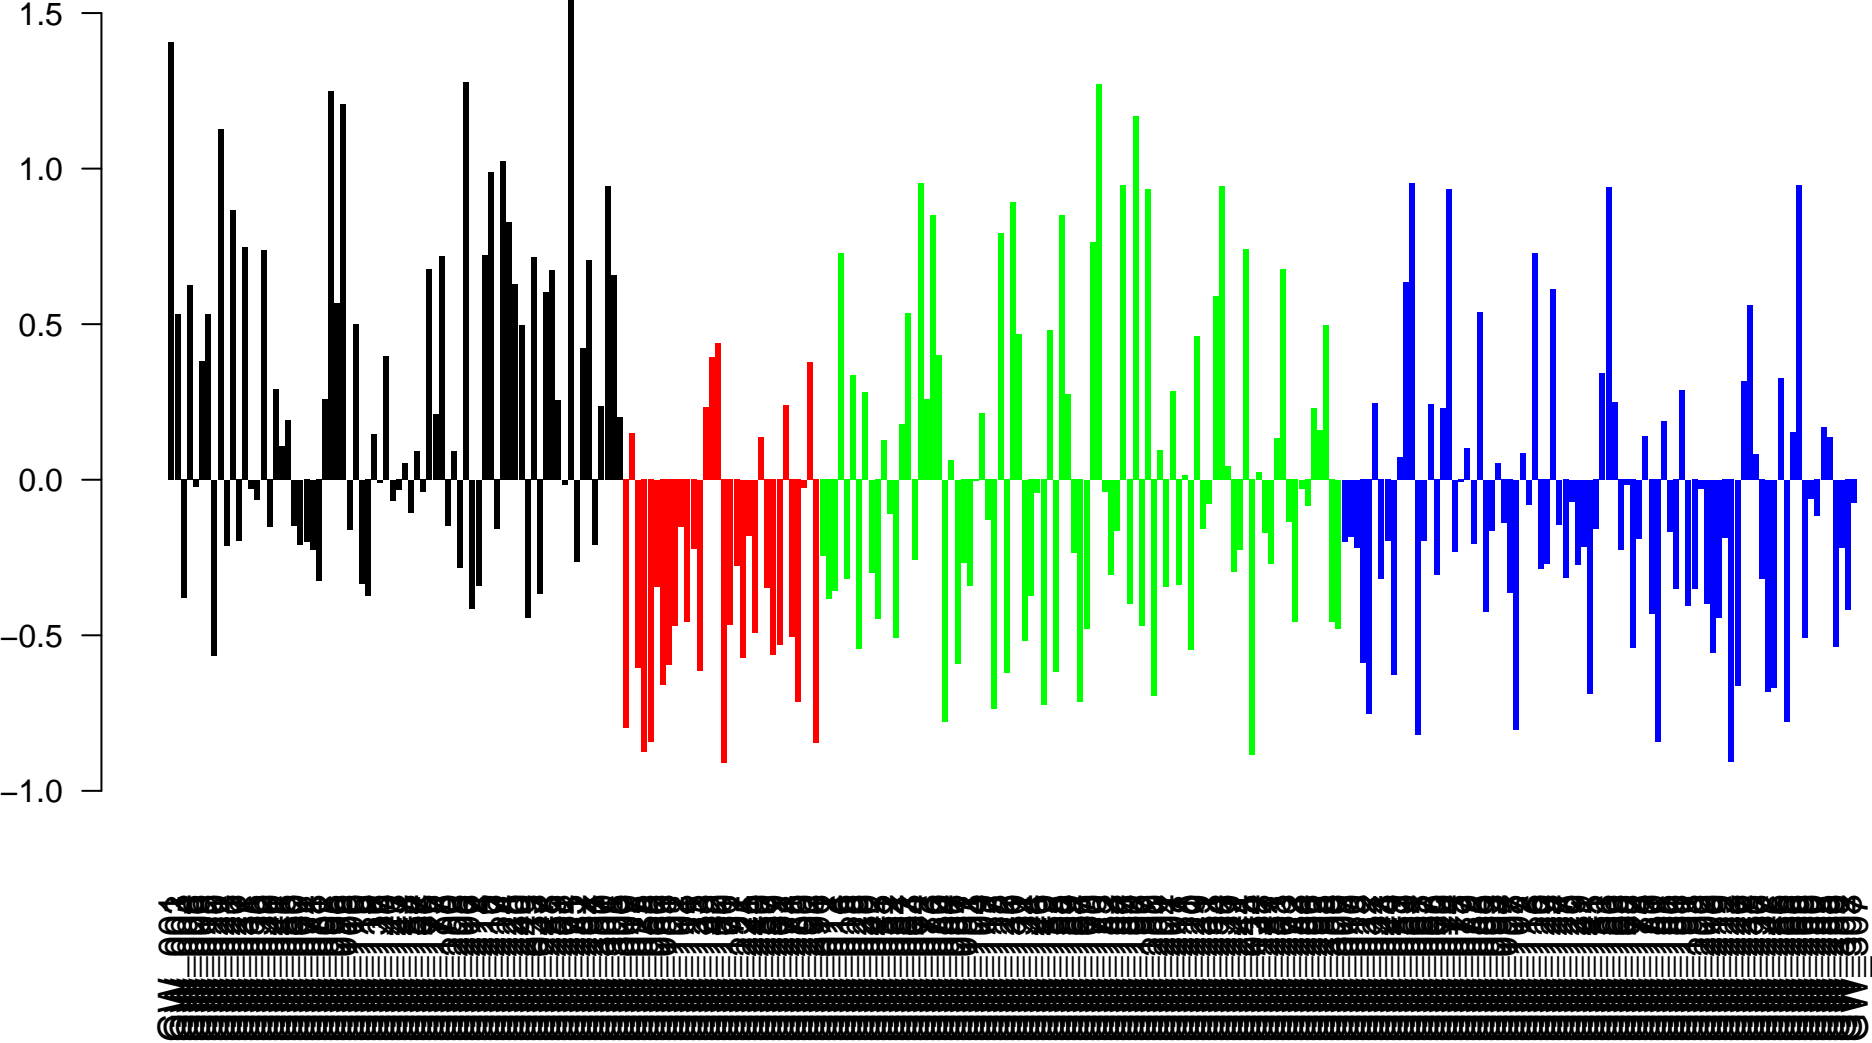

Expression of cell cycle arrest in Spot E

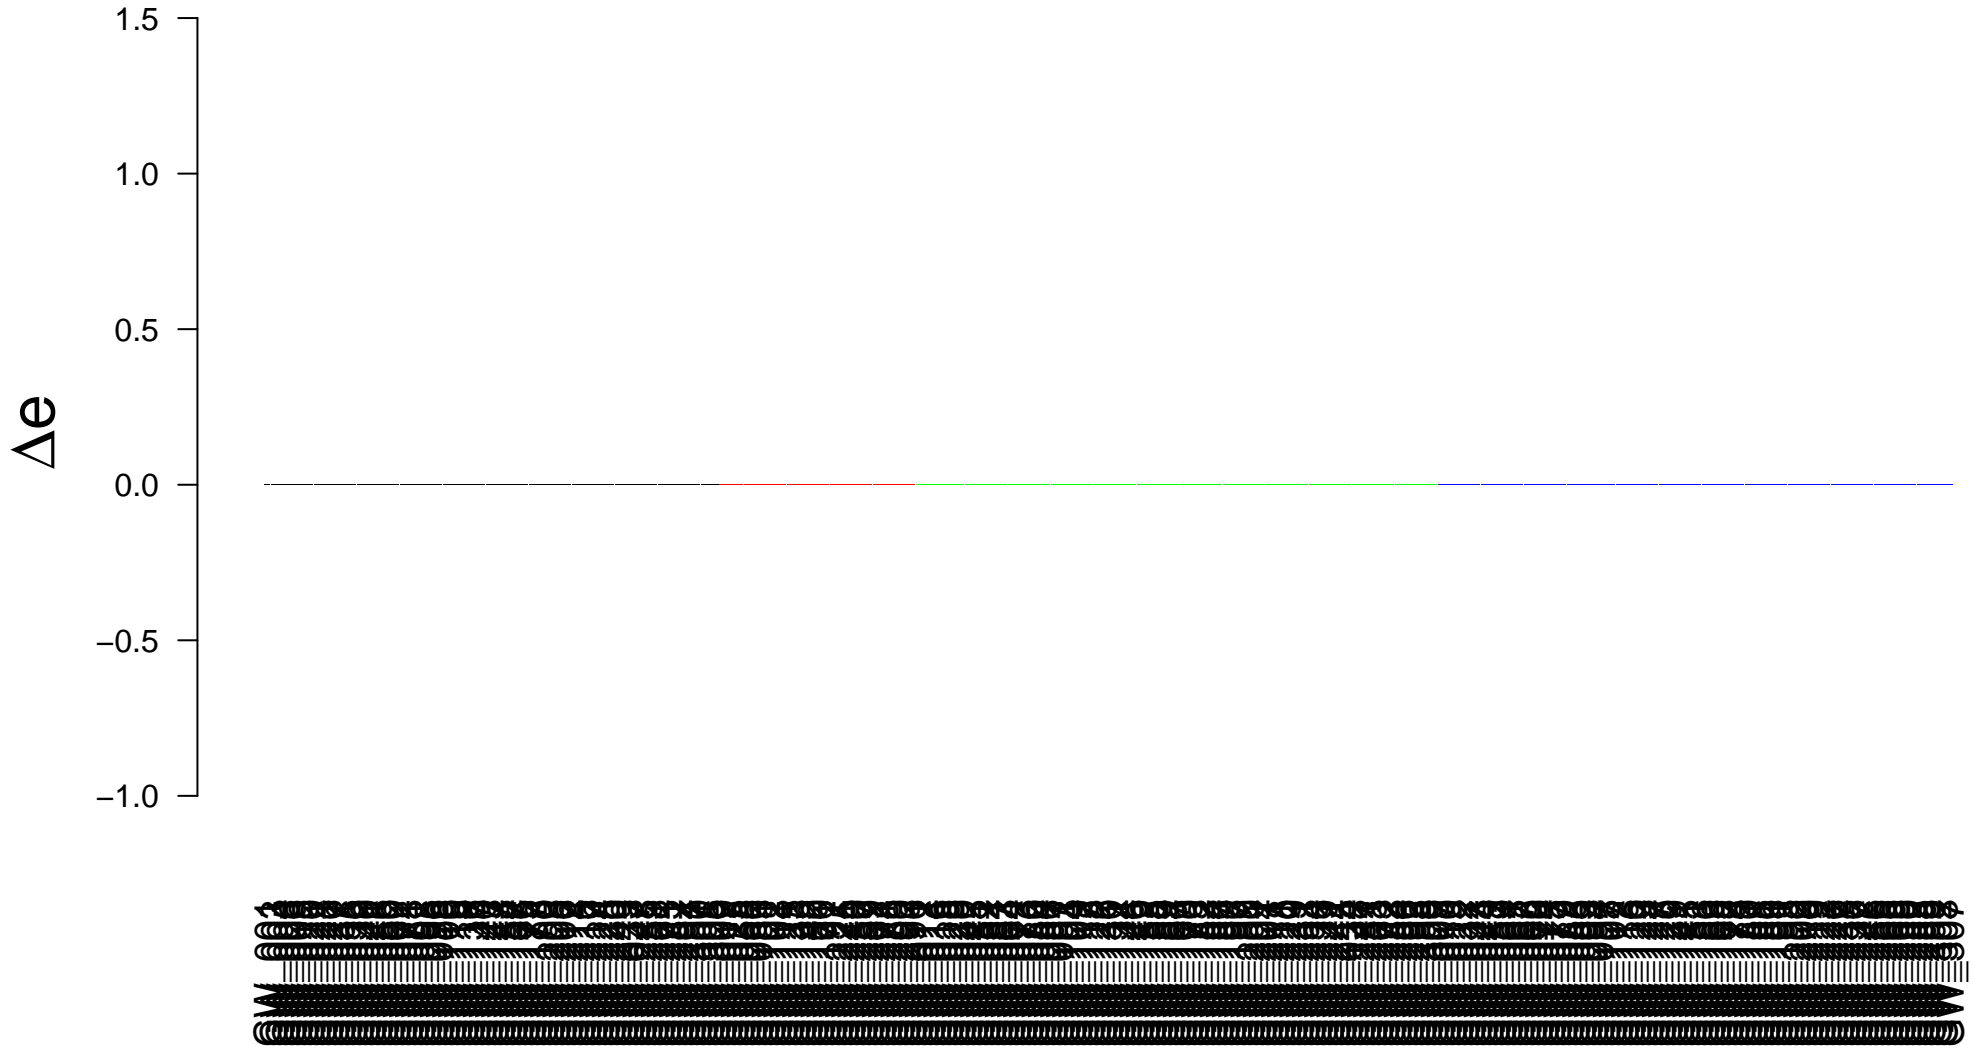

Expression of cell cycle arrest in Spot F

Δe

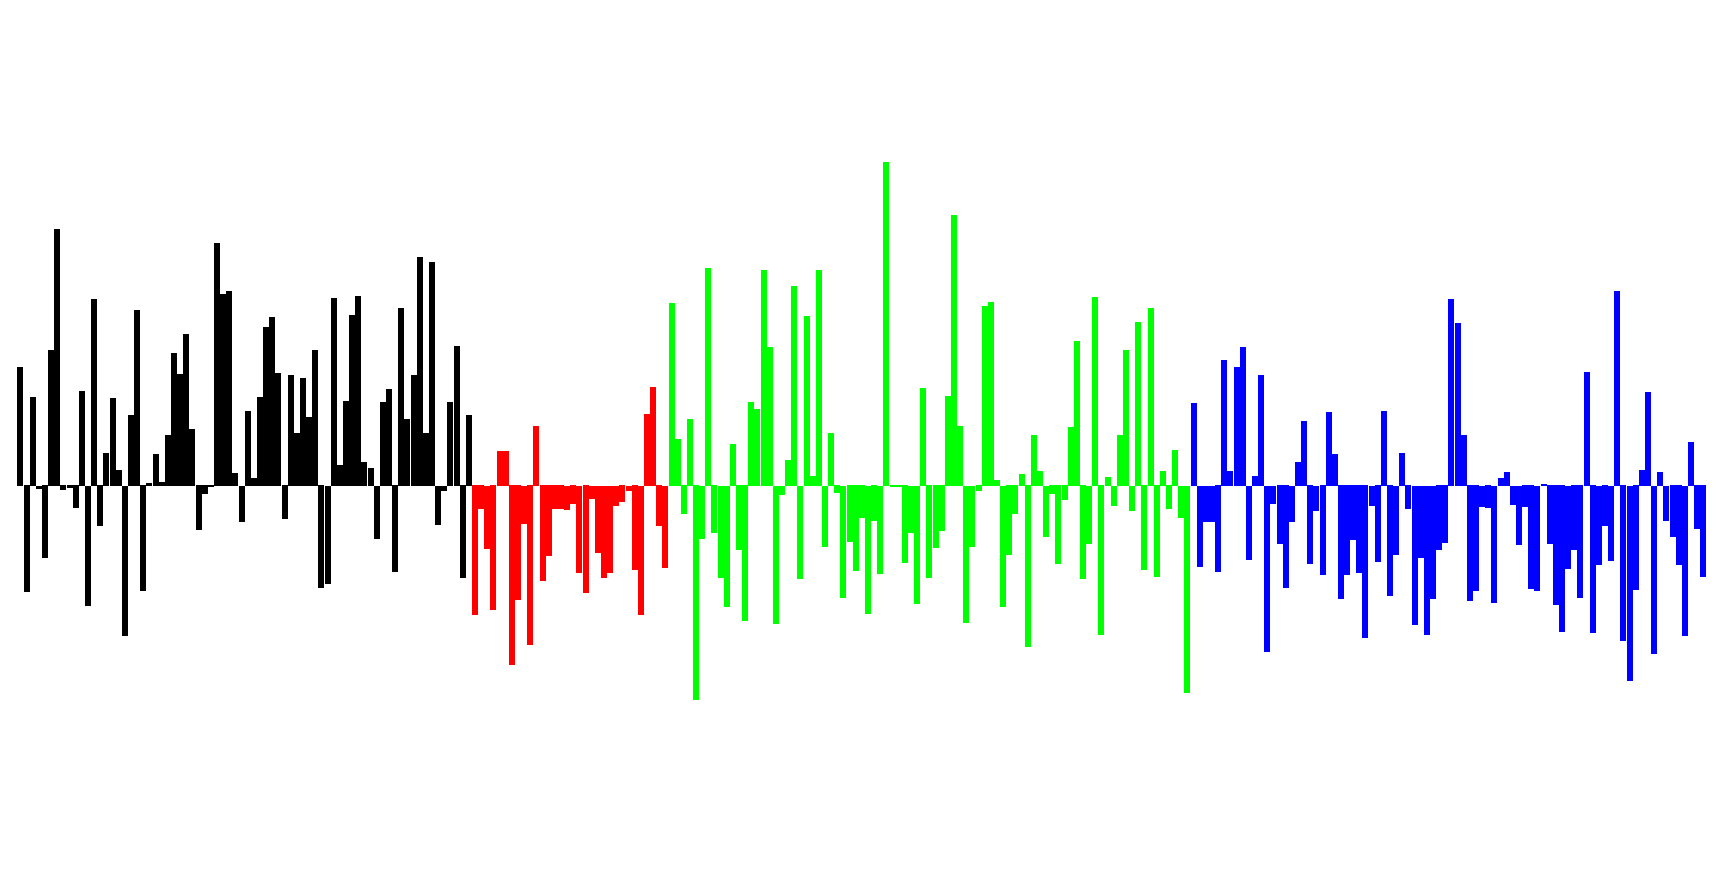

Expression of cell cycle arrest in Spot G

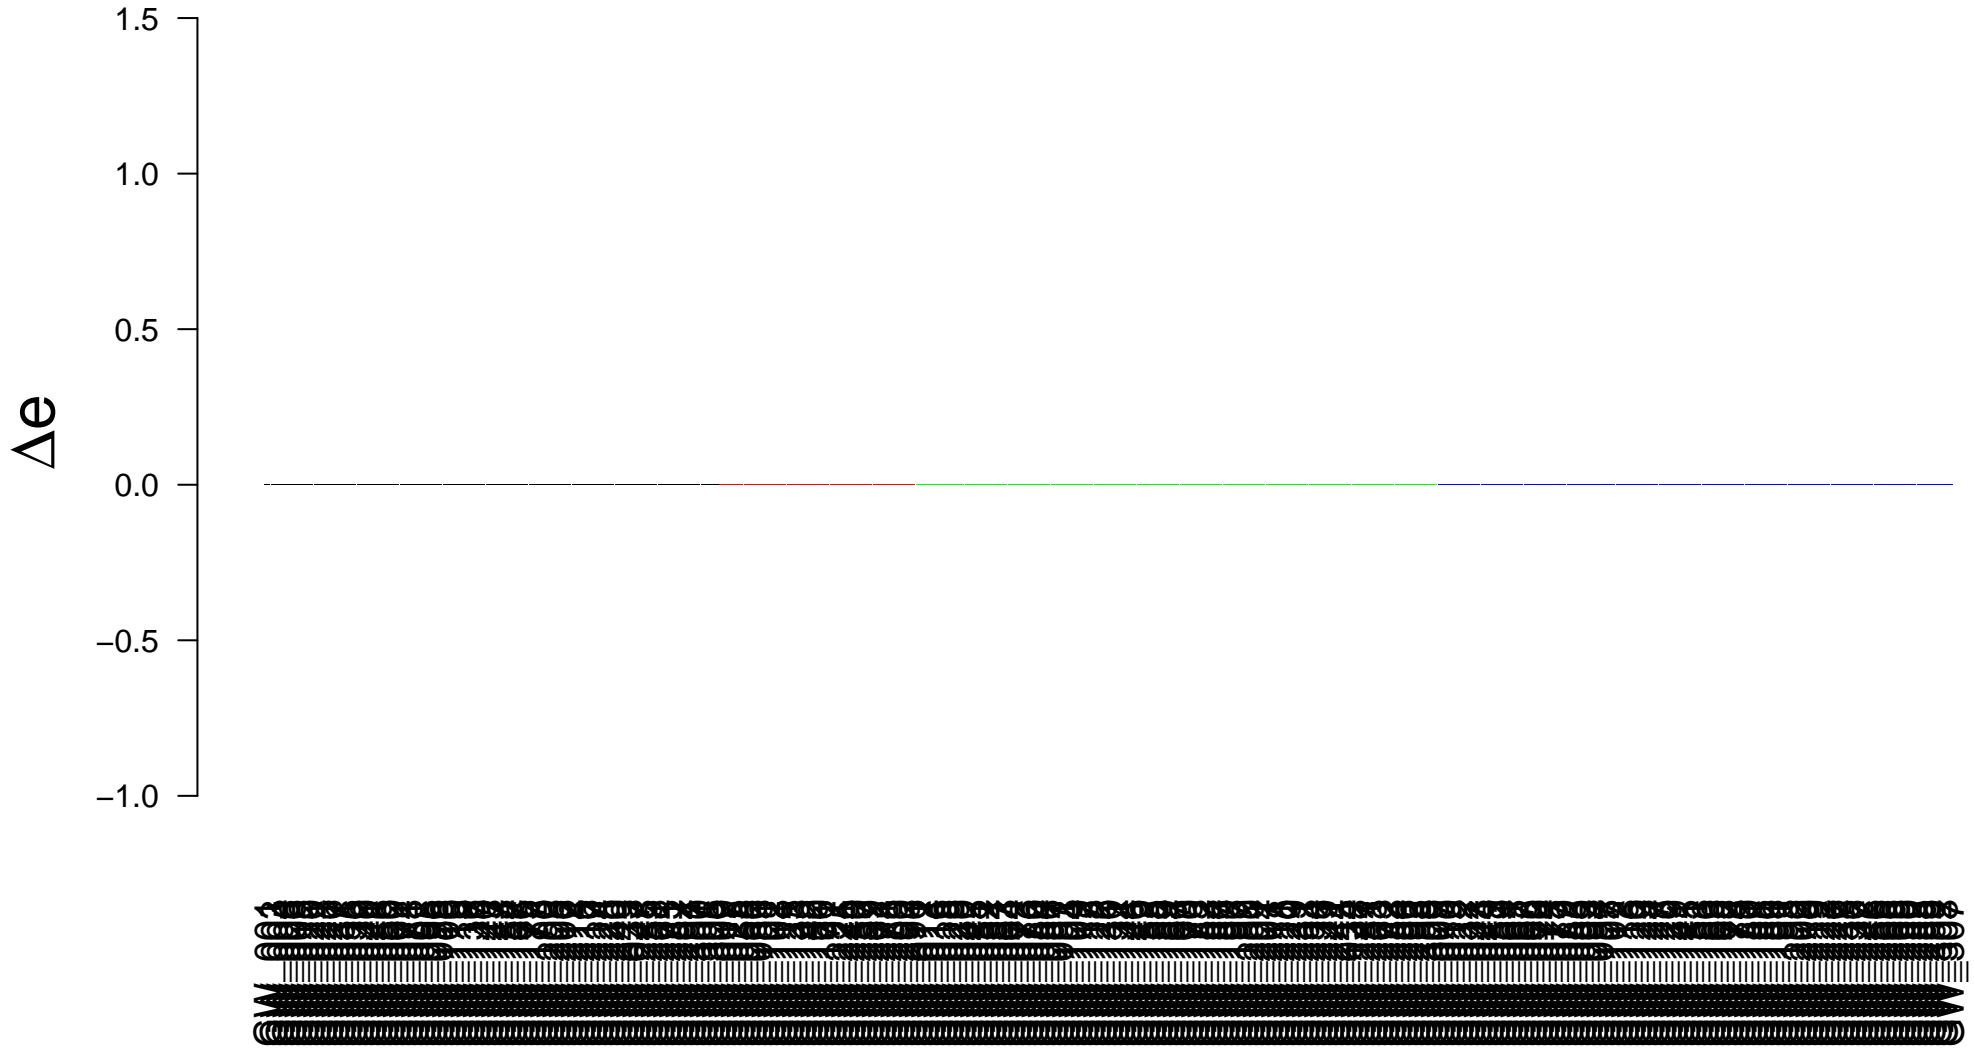

Expression of cell cycle arrest in Spot H

Δe

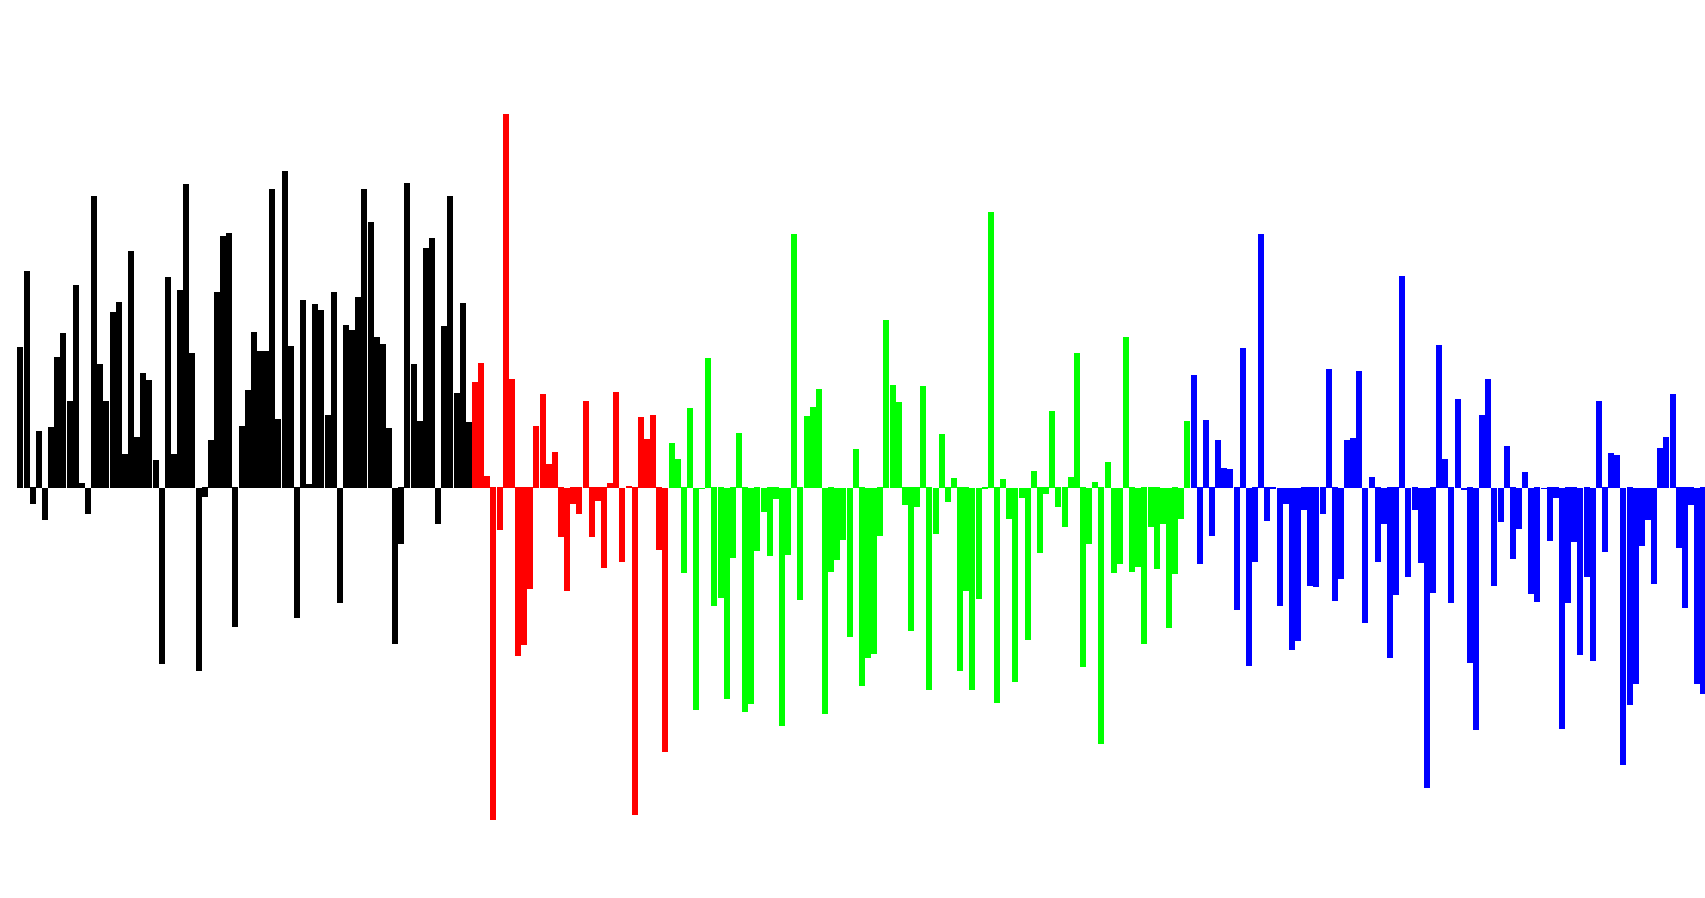

Expression of cell cycle arrest in Spot I

Expression of cell cycle arrest in Spot J

Δe

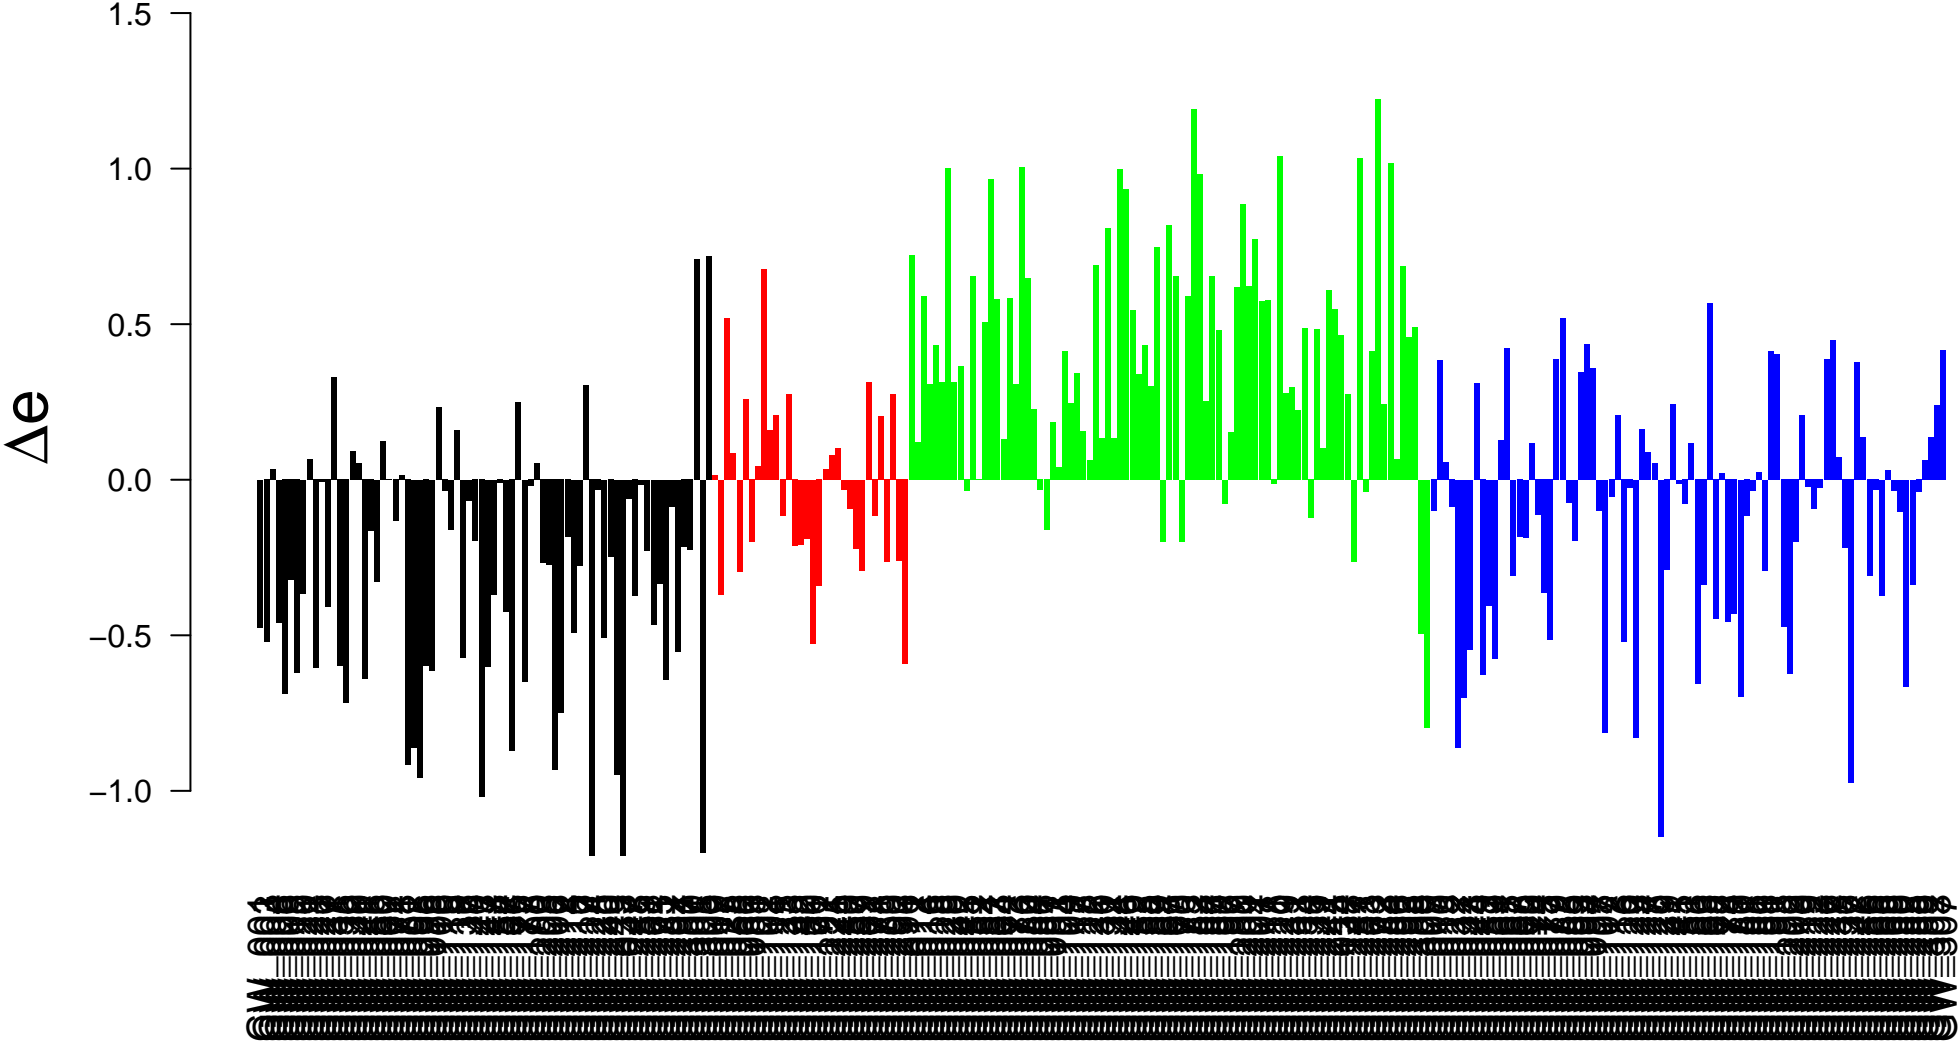

Expression of cell cycle arrest in Spot K

Δe

Expression of cell cycle arrest in Spot L

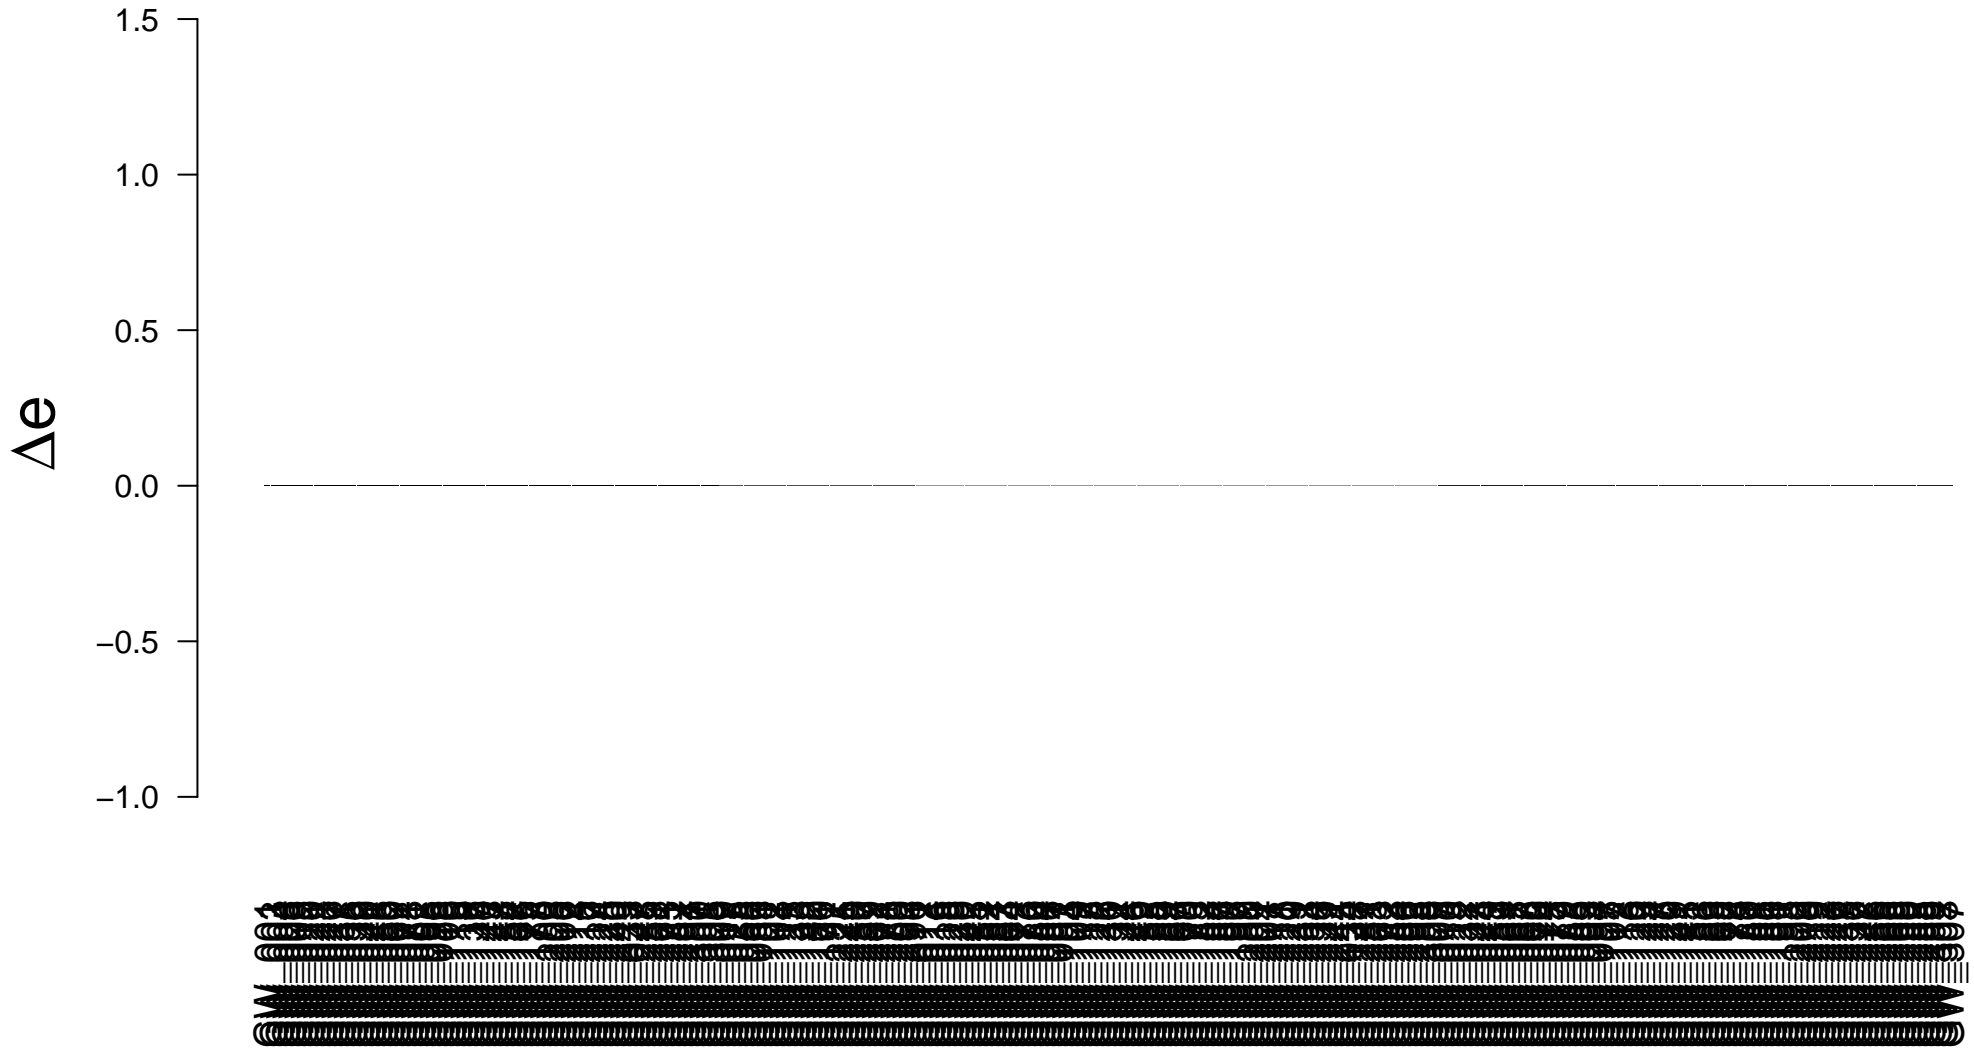

Expression of cell cycle arrest in Spot M

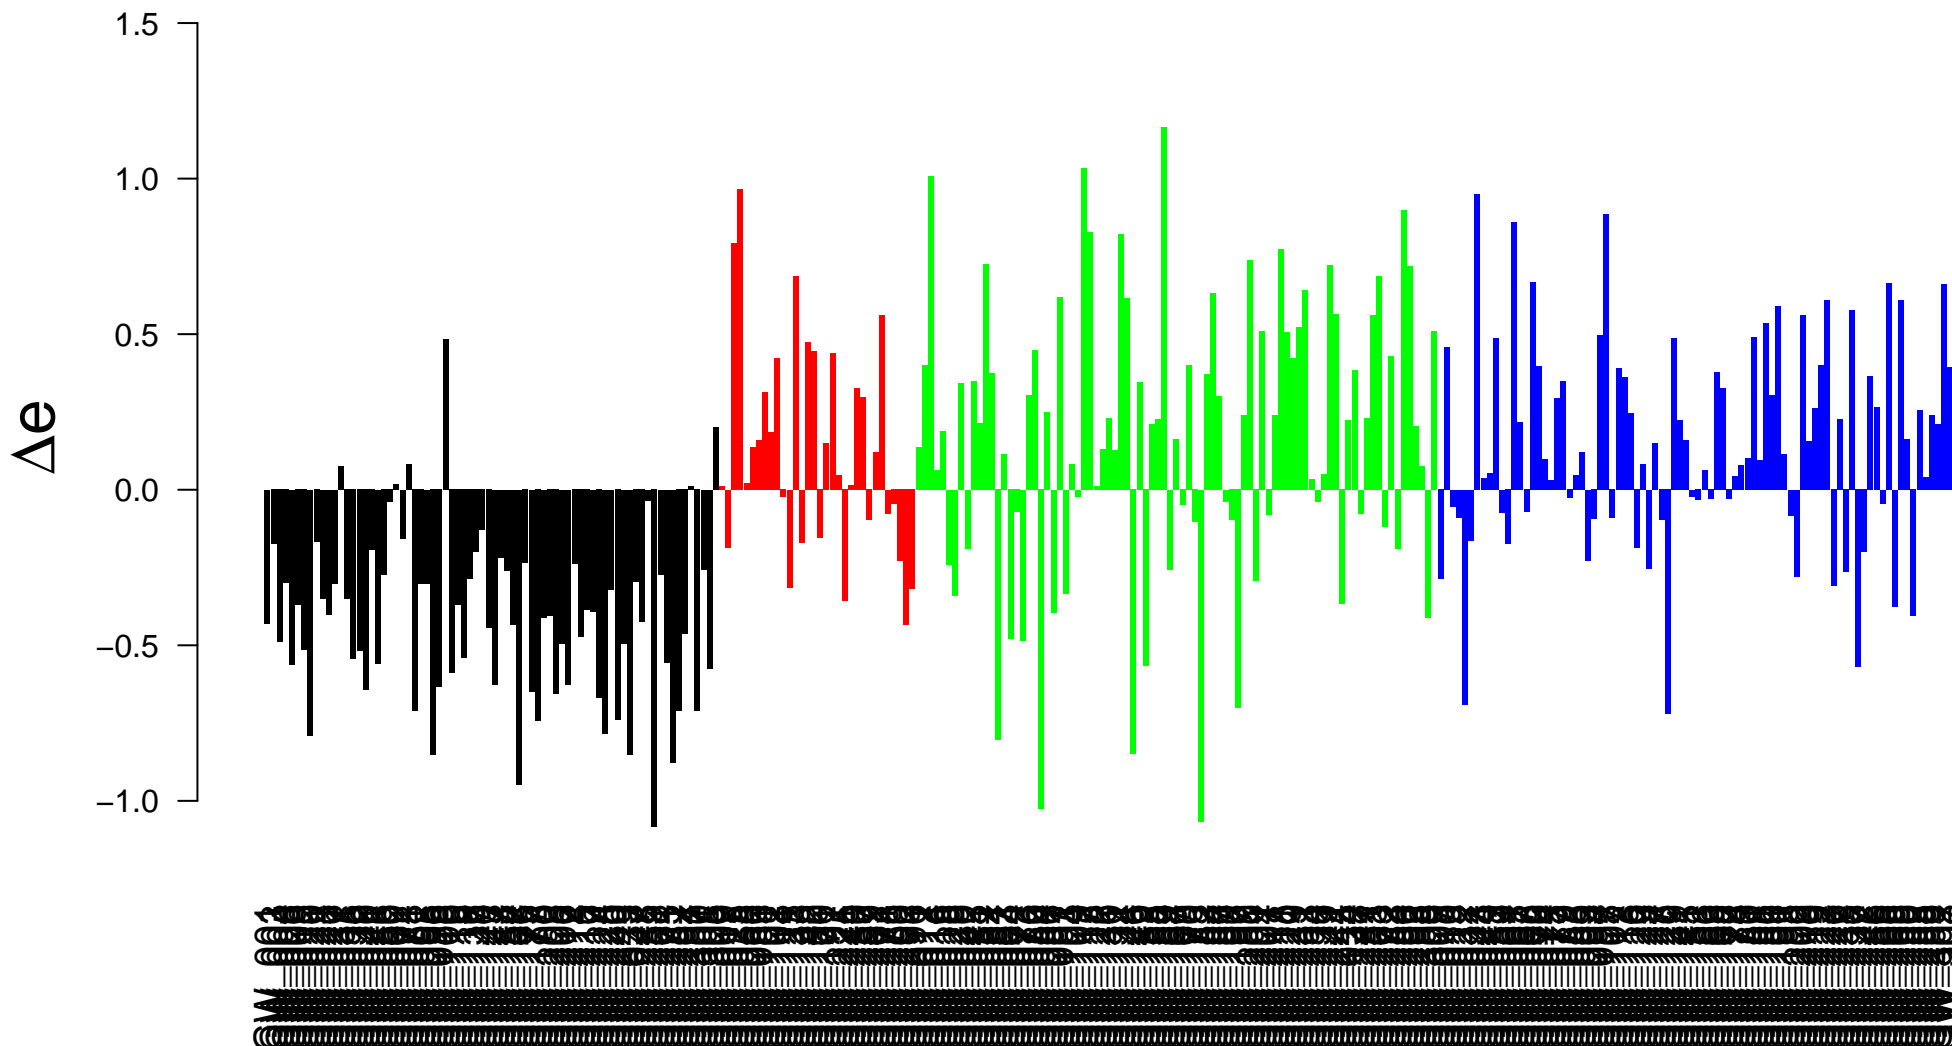

Δe

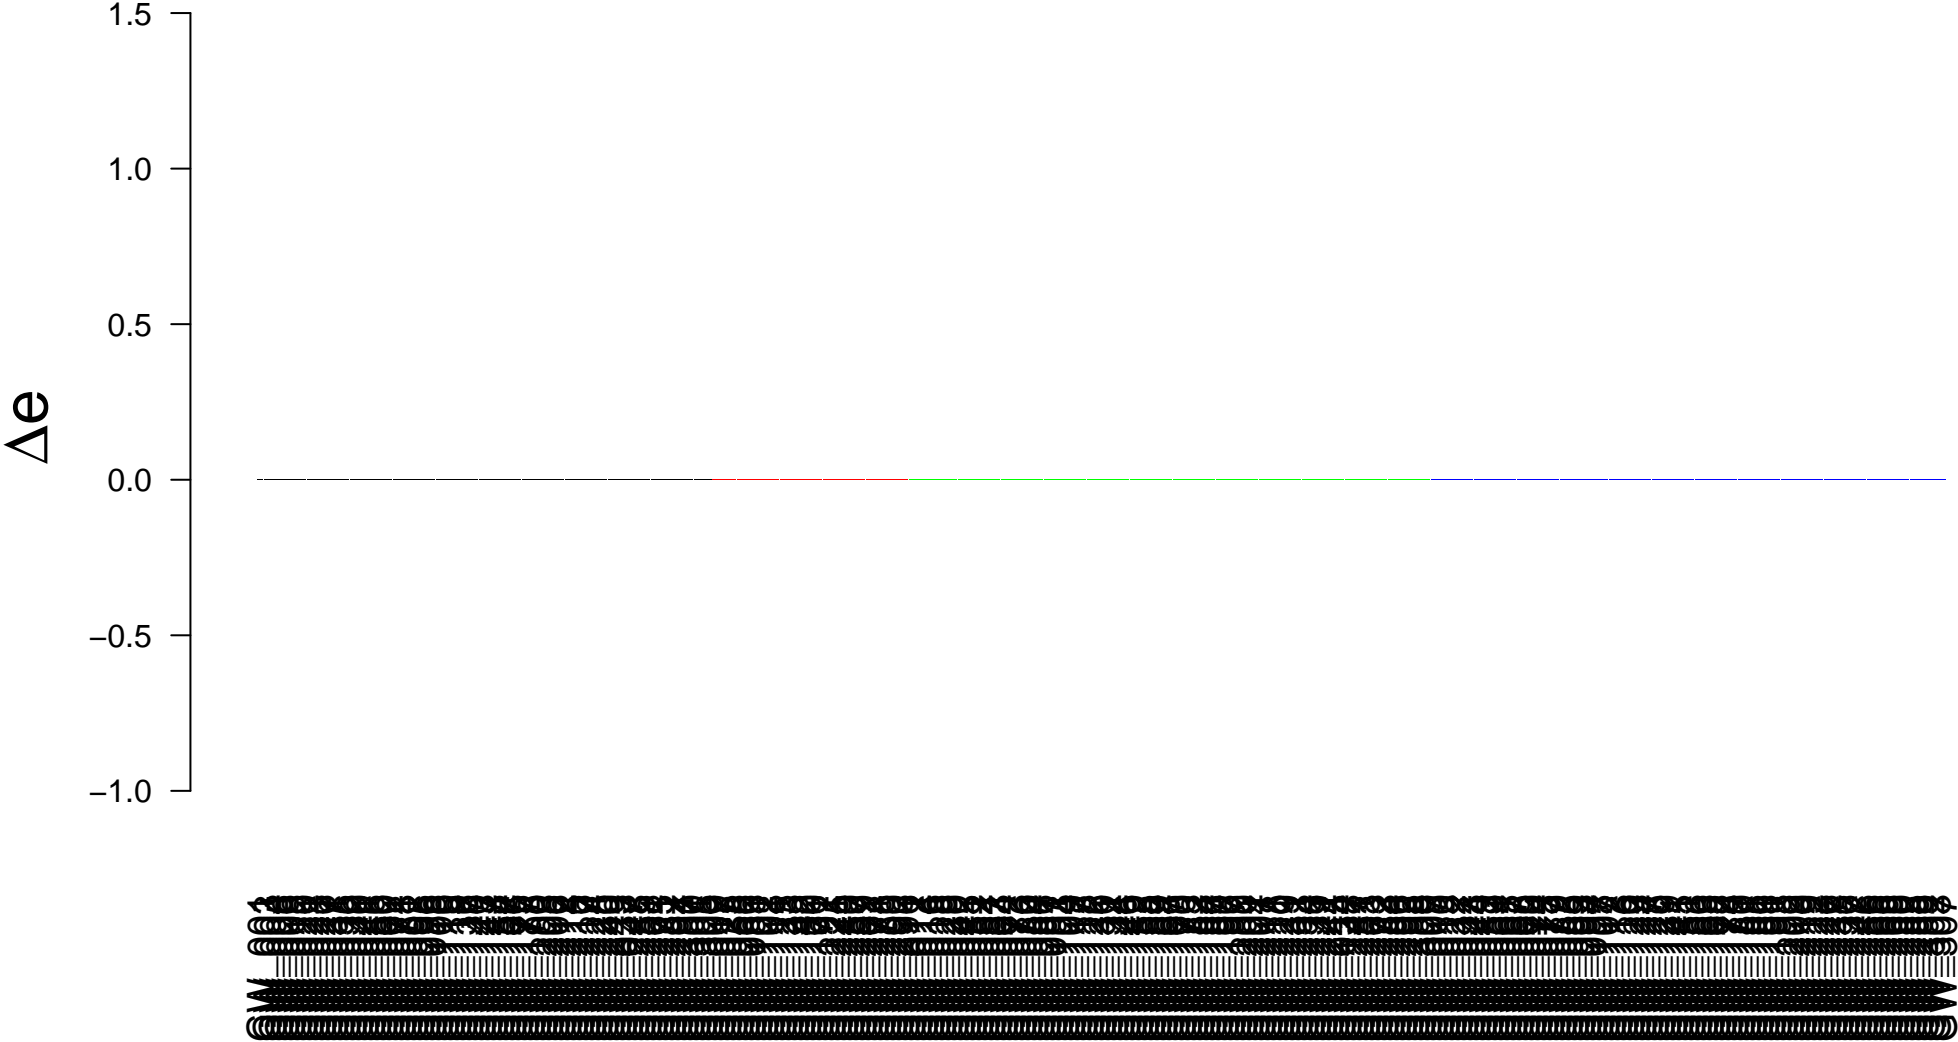

Expression of cell cycle arrest in Spot N

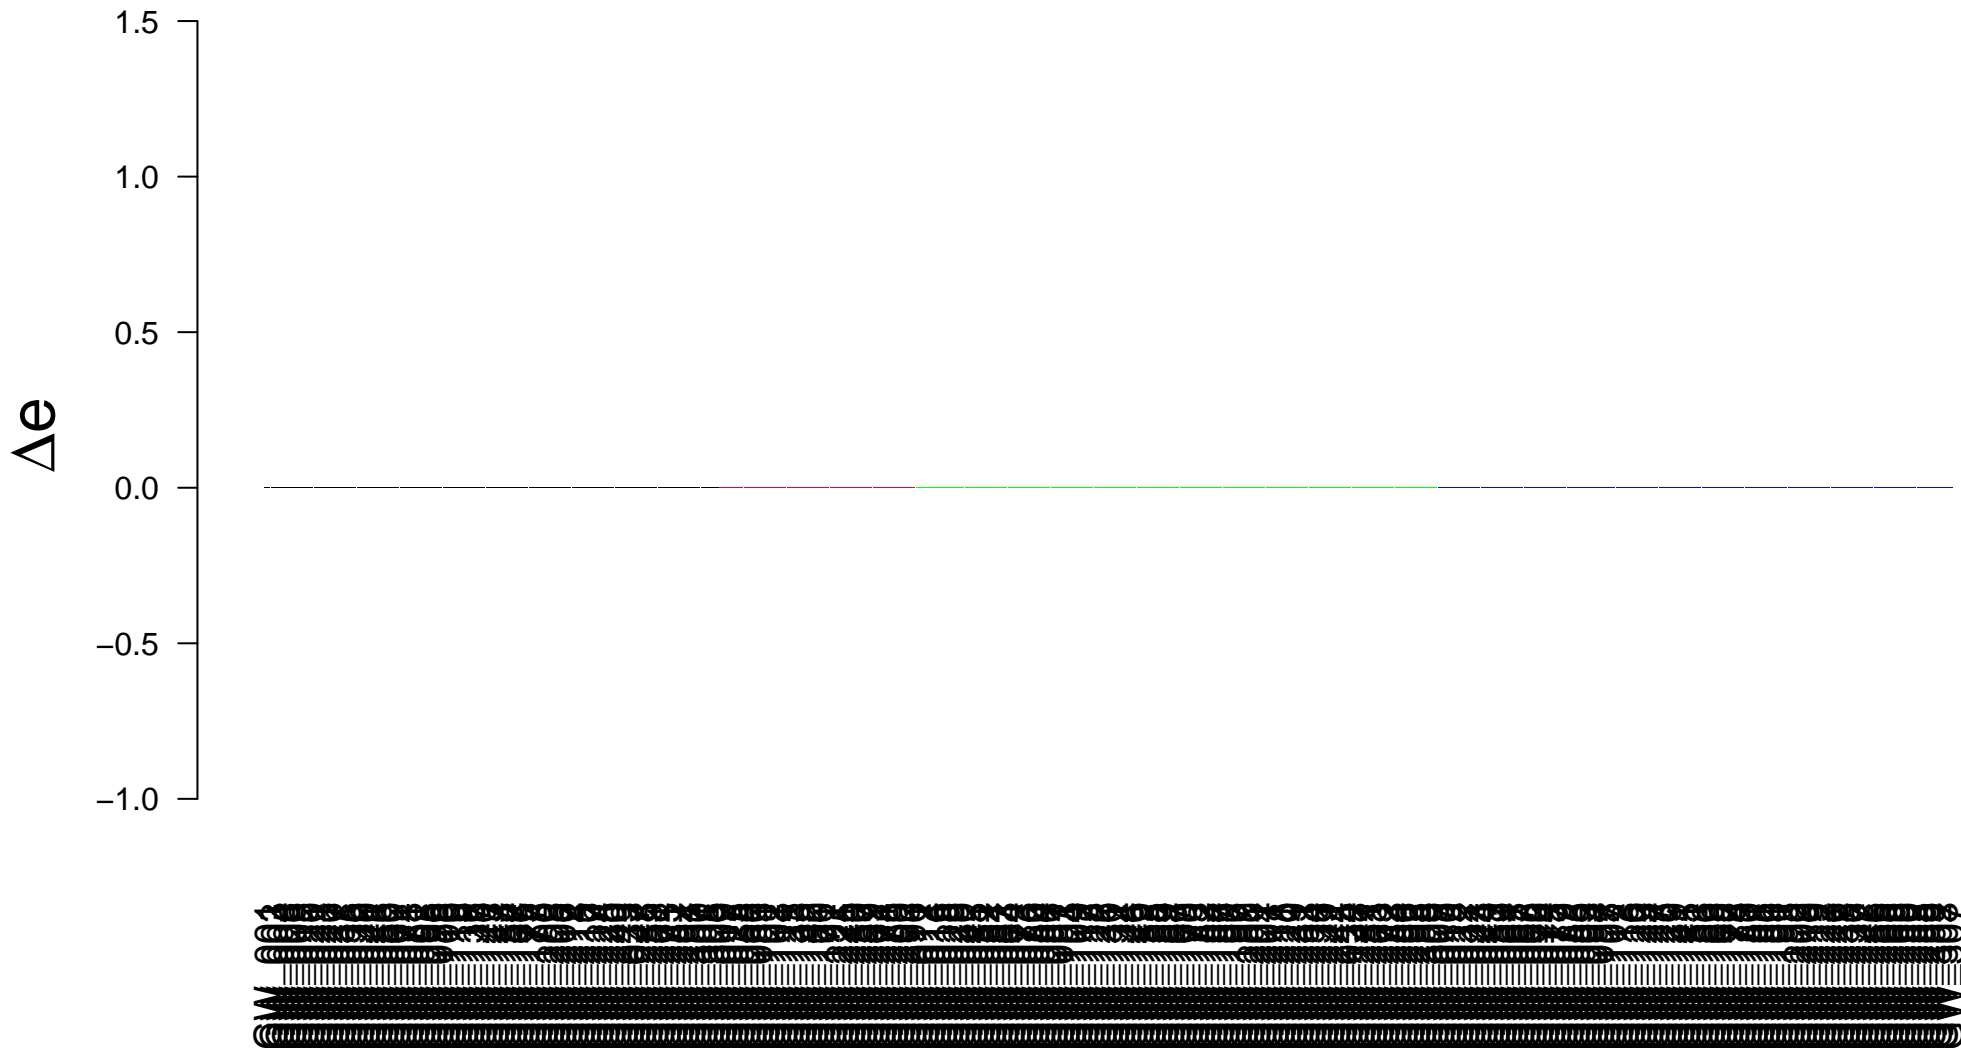

Expression of cell cycle arrest in Spot O

Expression of cell cycle arrest in Spot P

Expression of cell cycle arrest in Spot Q

Expression of cell cycle arrest in Spot R
