

cell differentiation

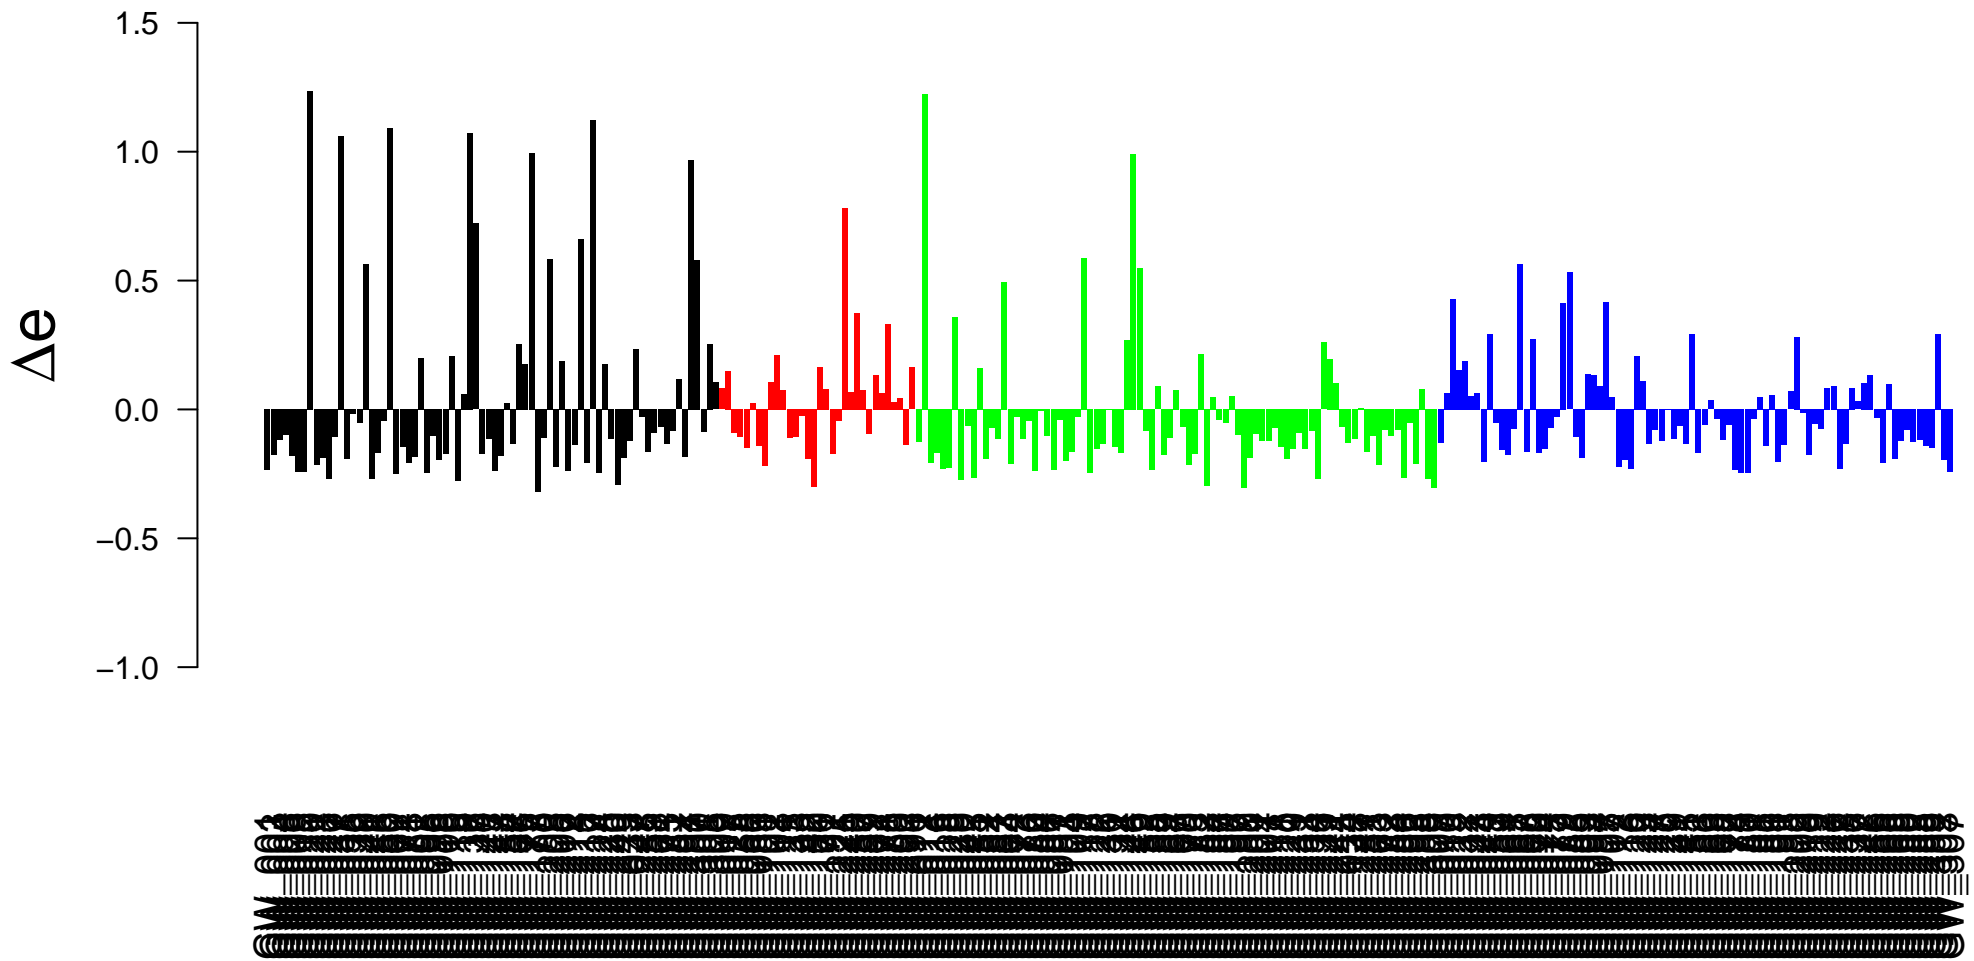

cell differentiation

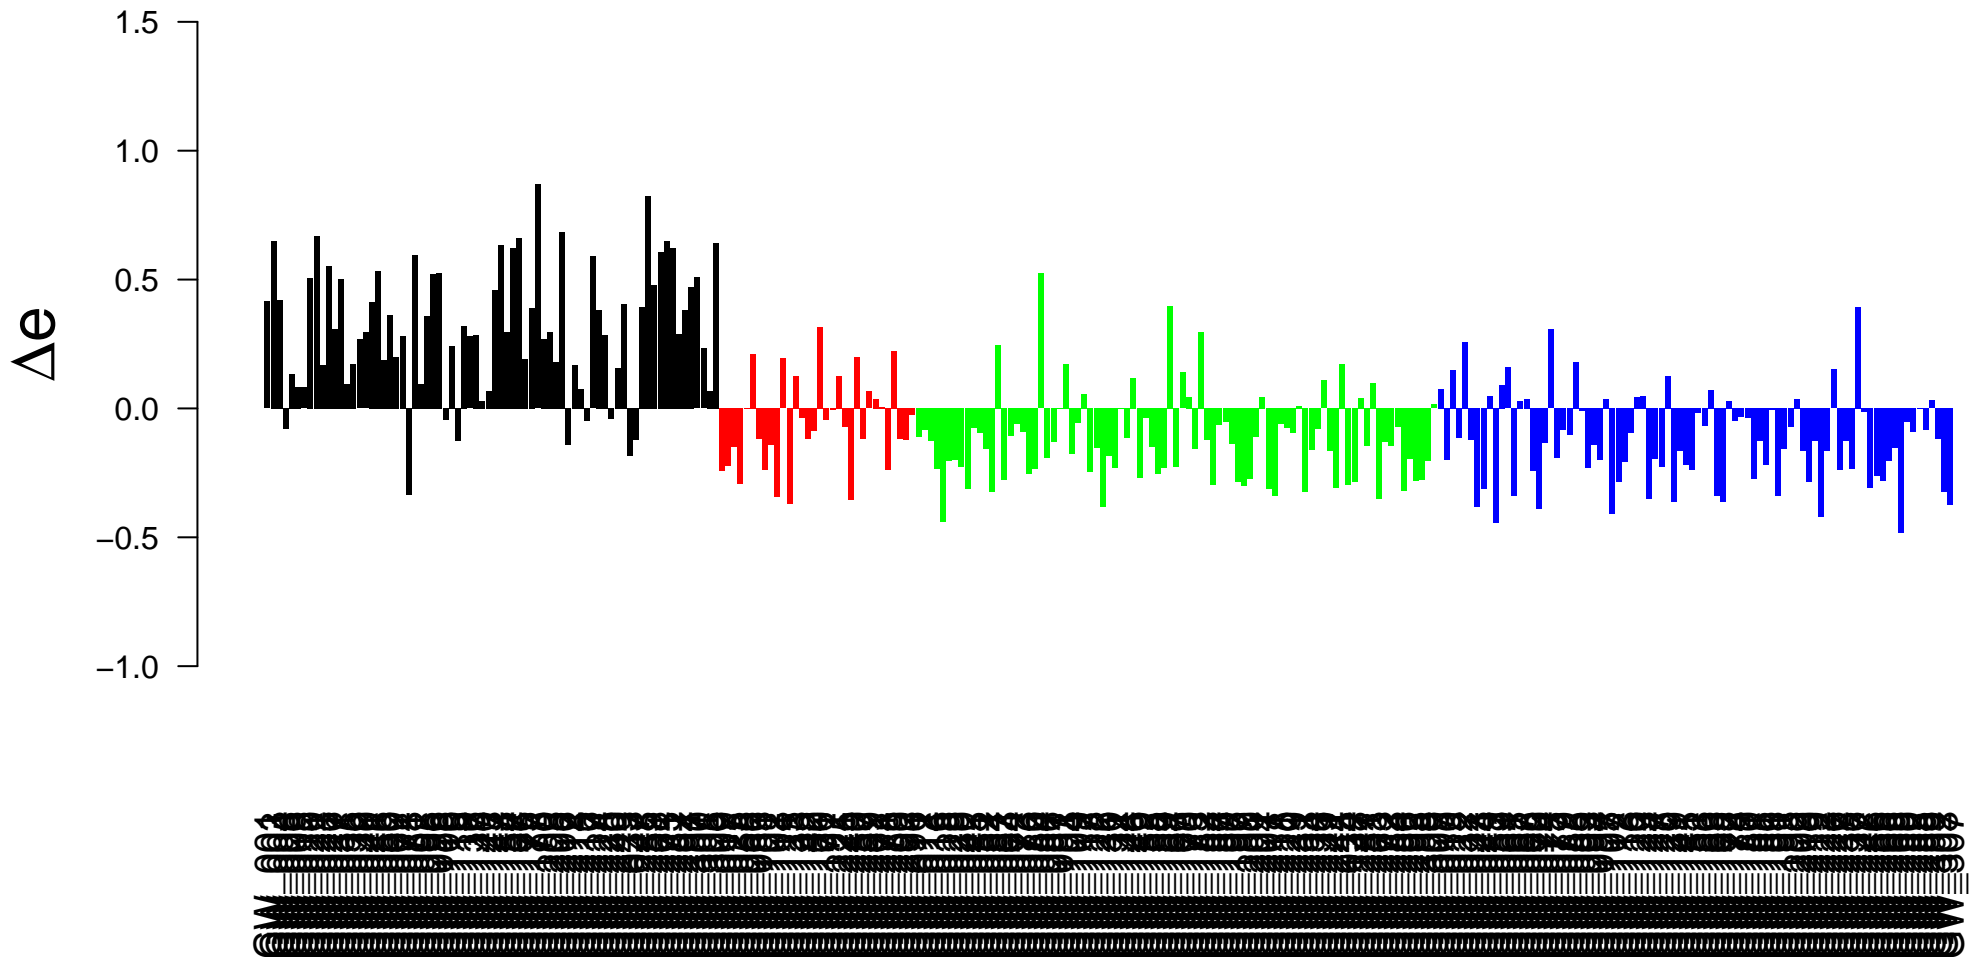

Enrichment in spots: cell differentiation

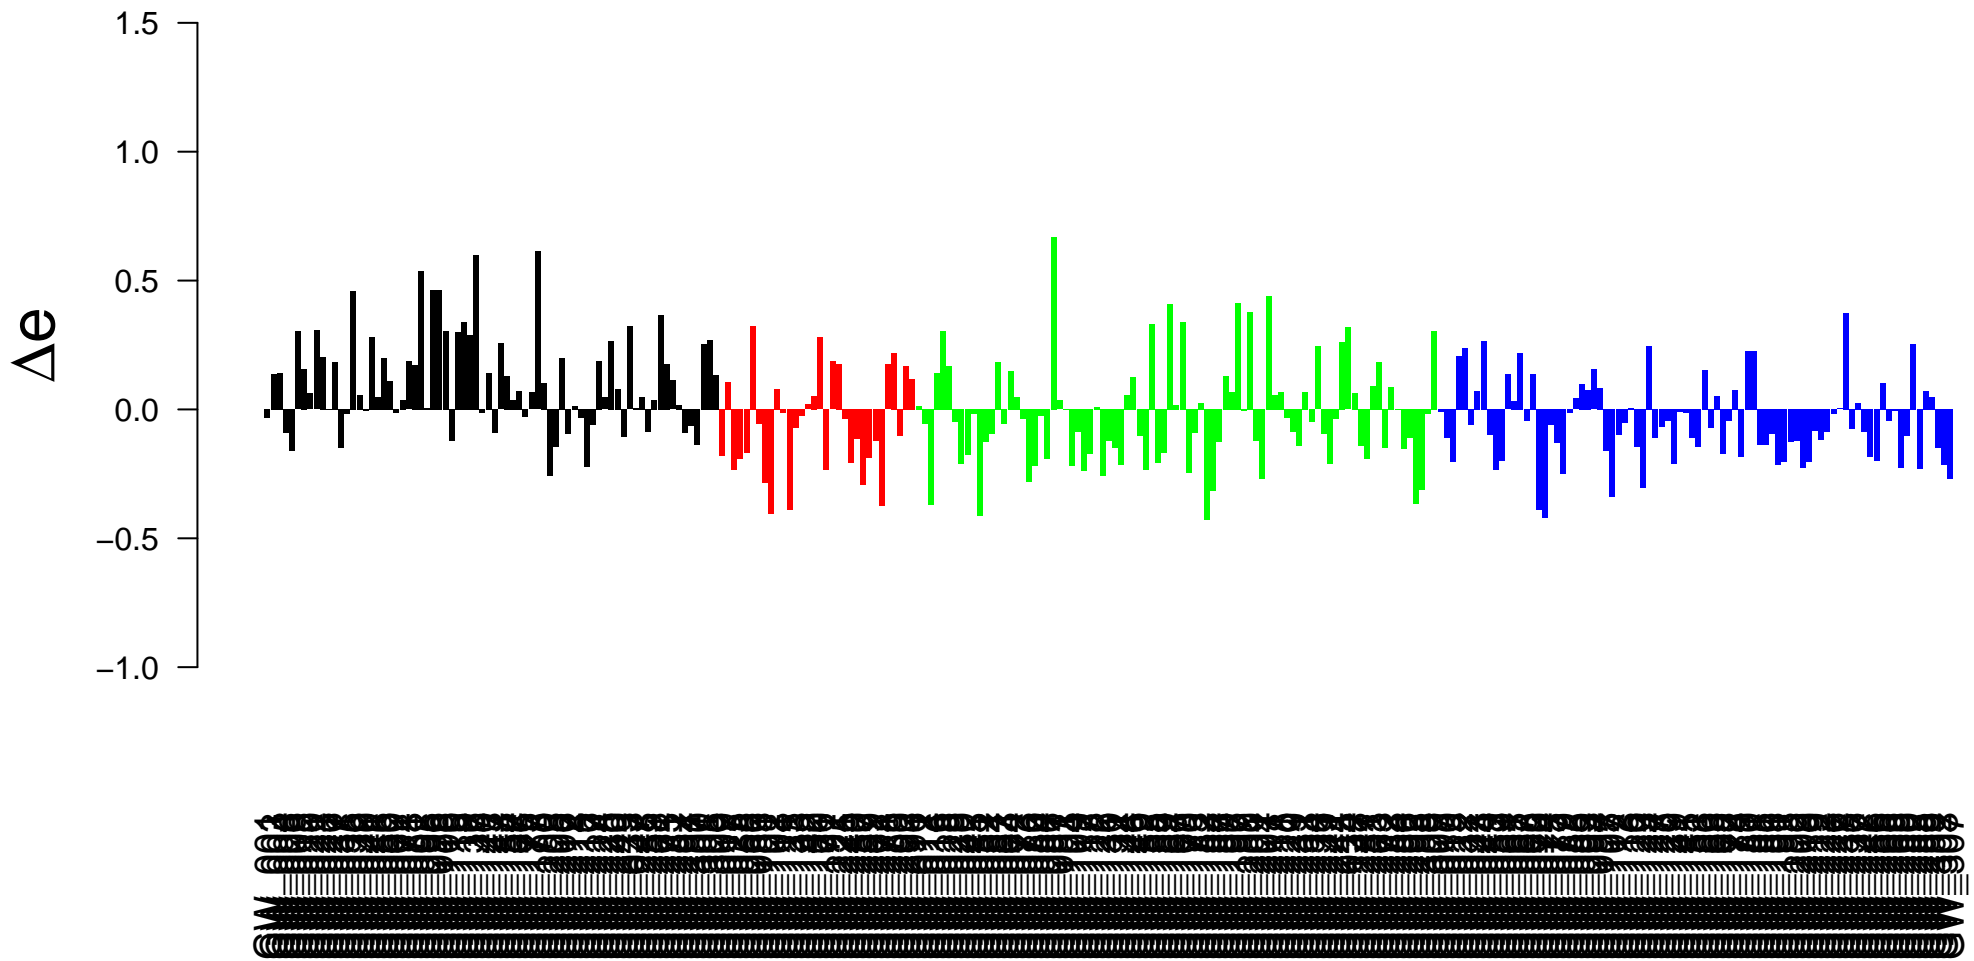

Expression of cell differentiation in Spot A

Expression of cell differentiation in Spot B

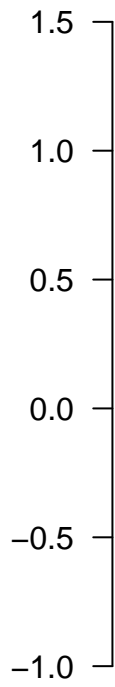

Expression of cell differentiation in Spot C

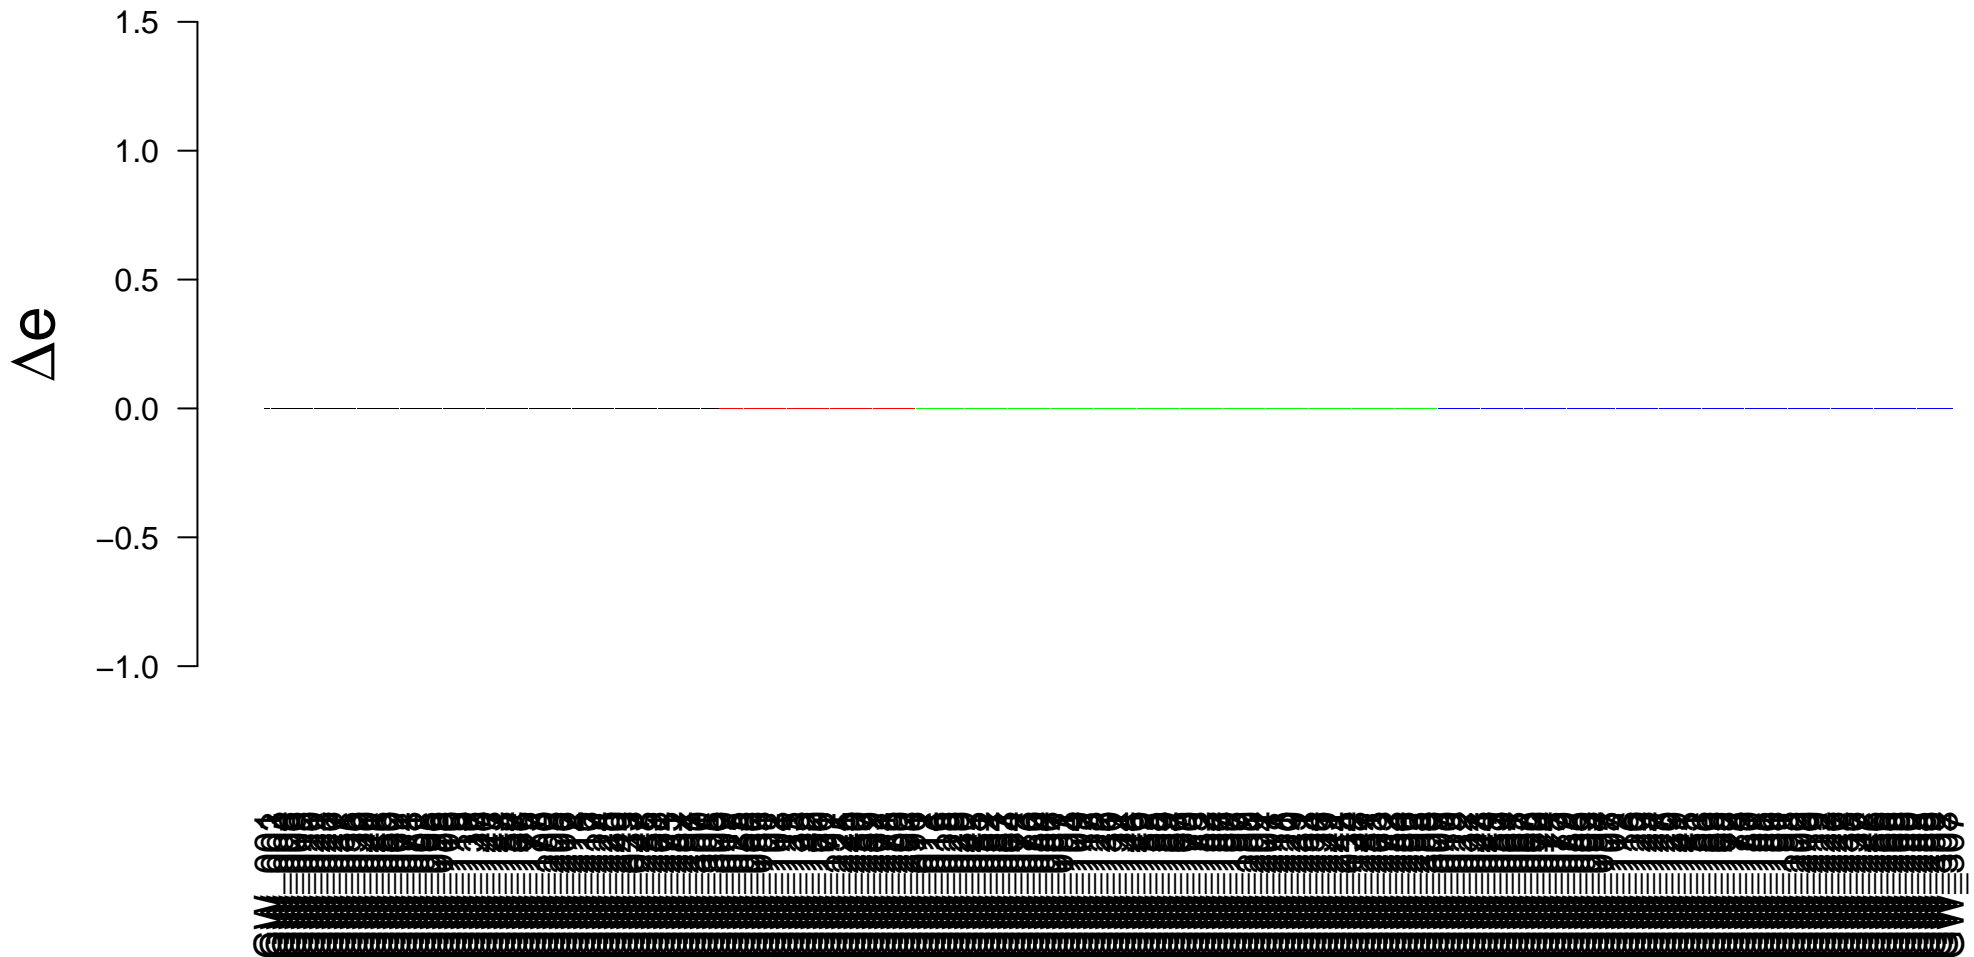

Expression of cell differentiation in Spot D

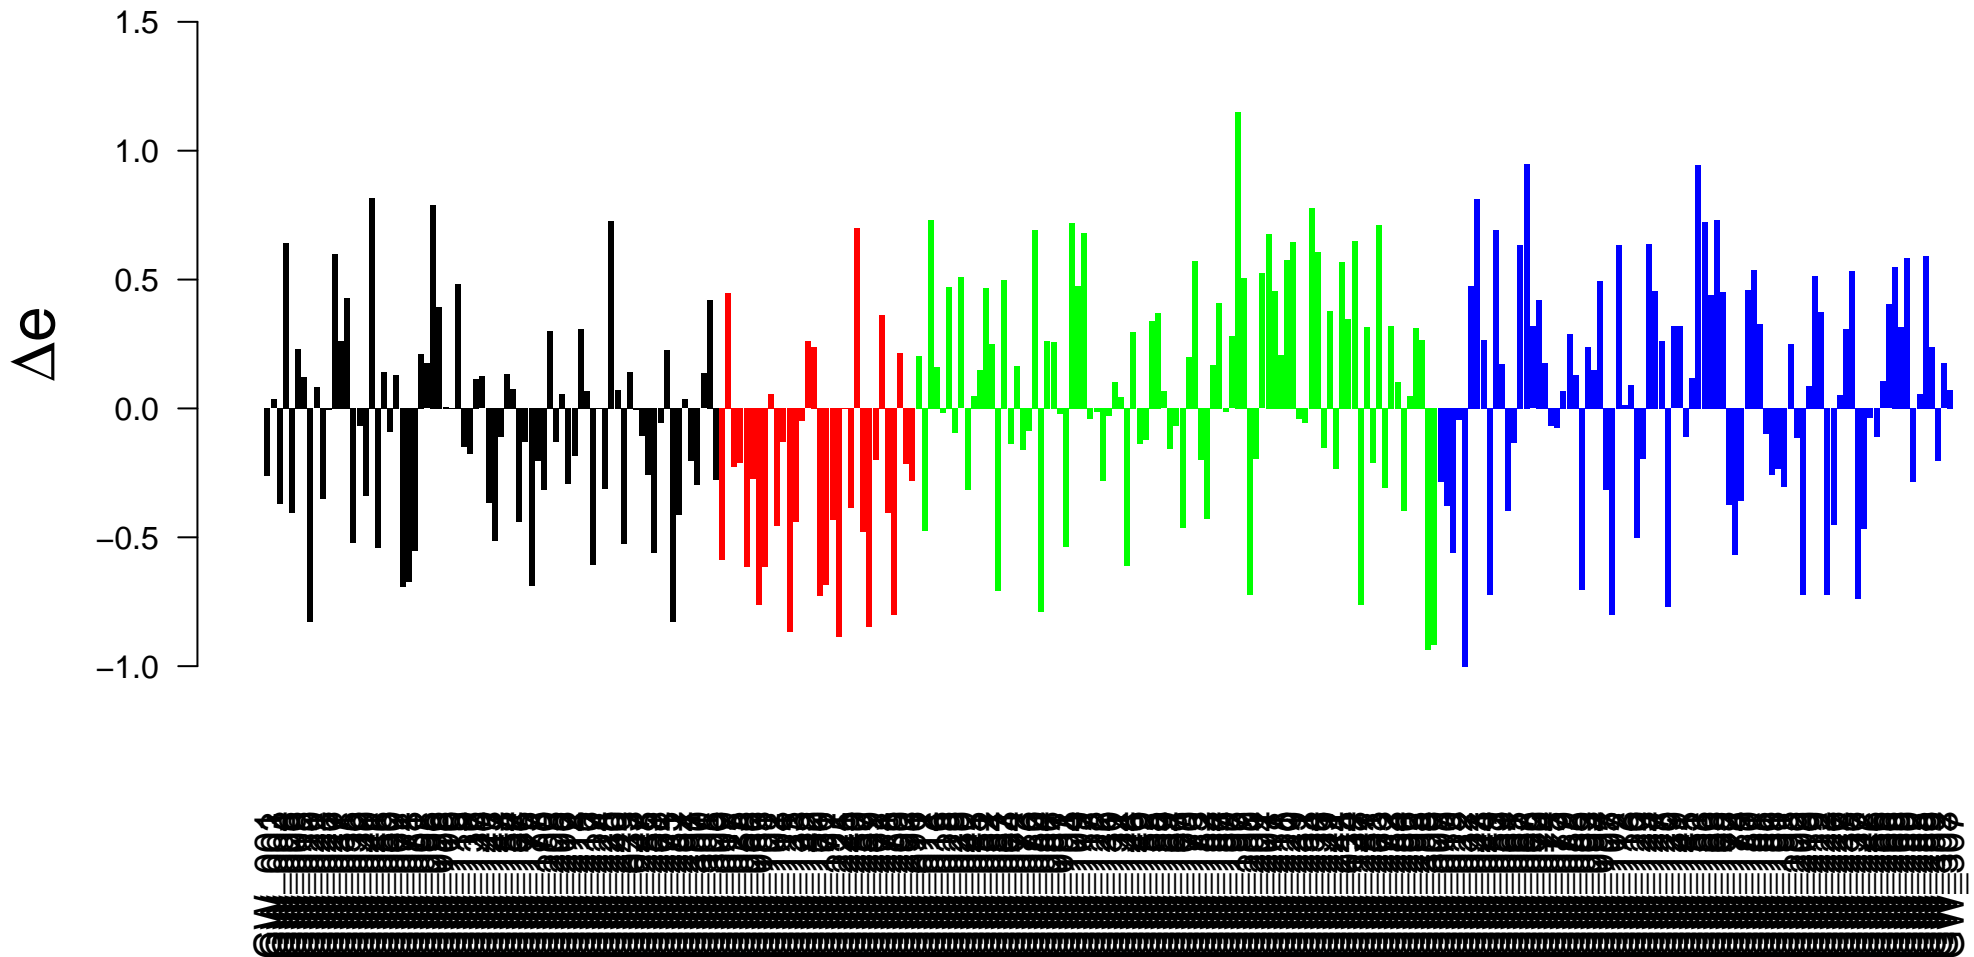

Δe

Expression of cell differentiation in Spot E

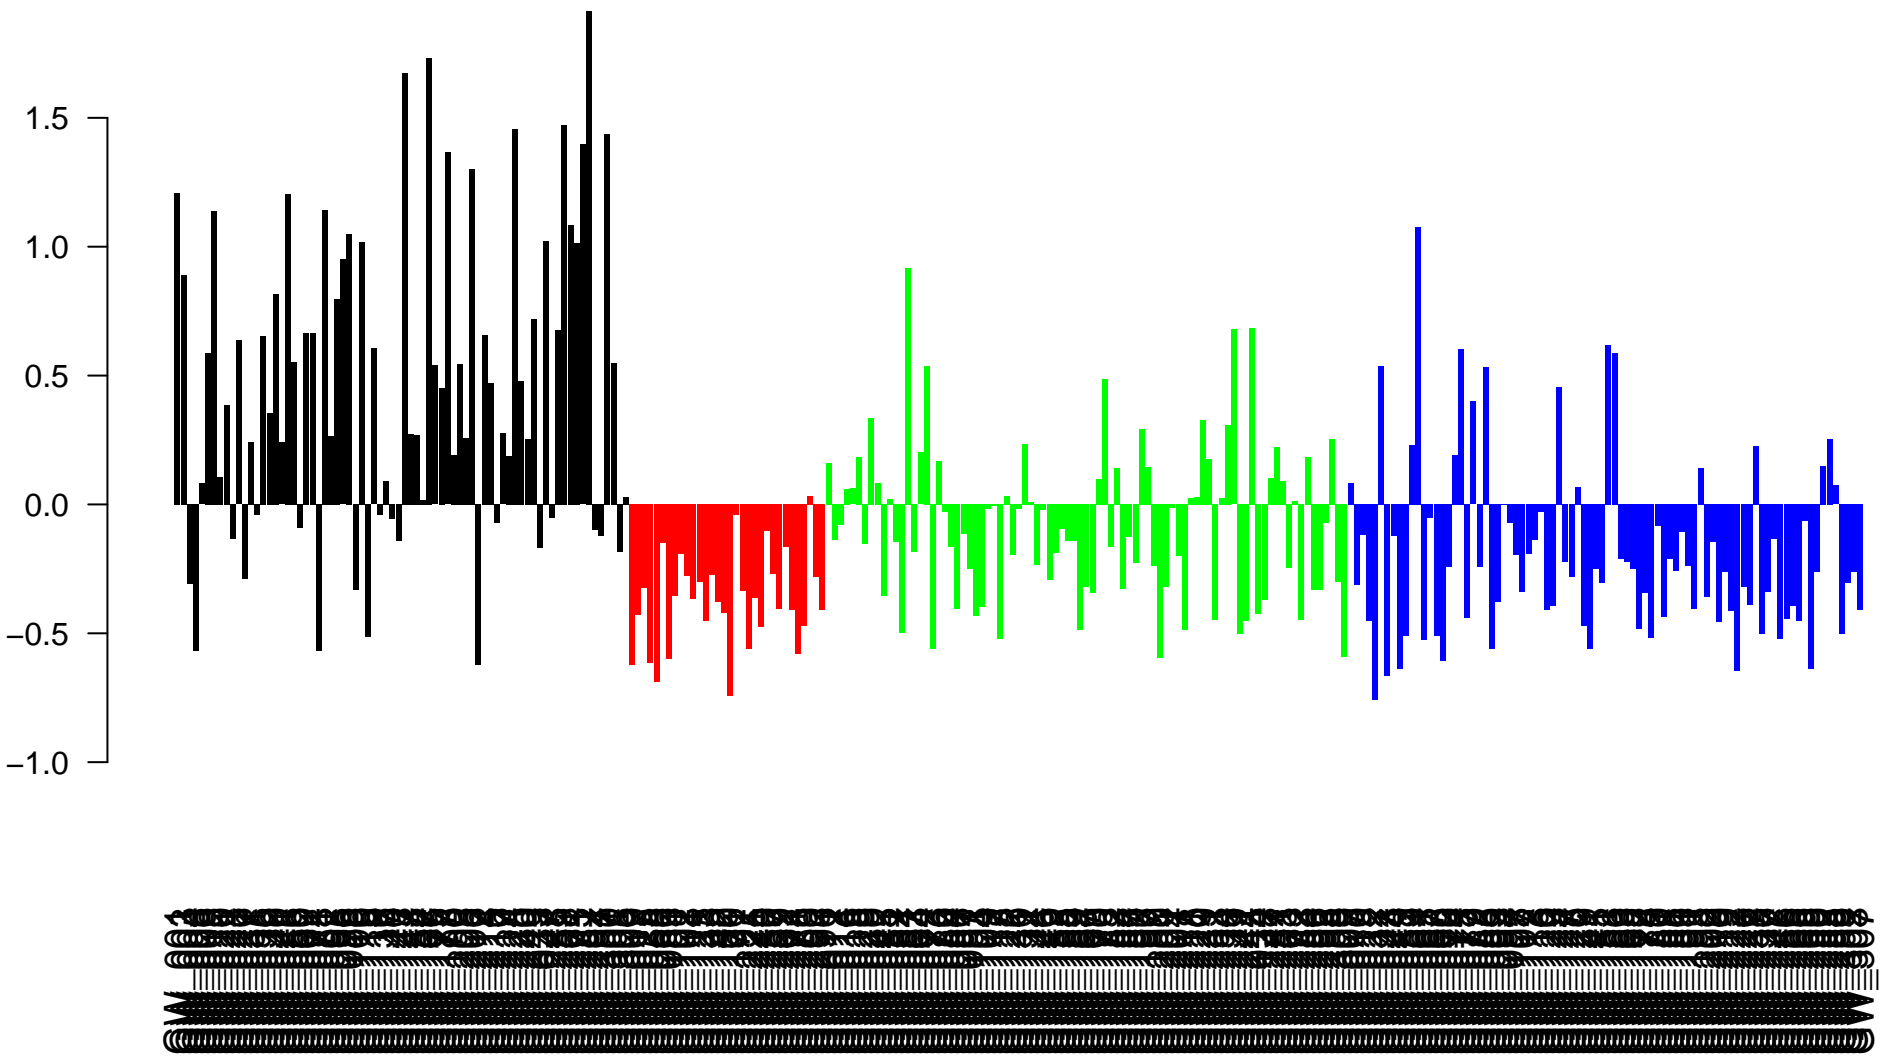

Expression of cell differentiation in Spot F

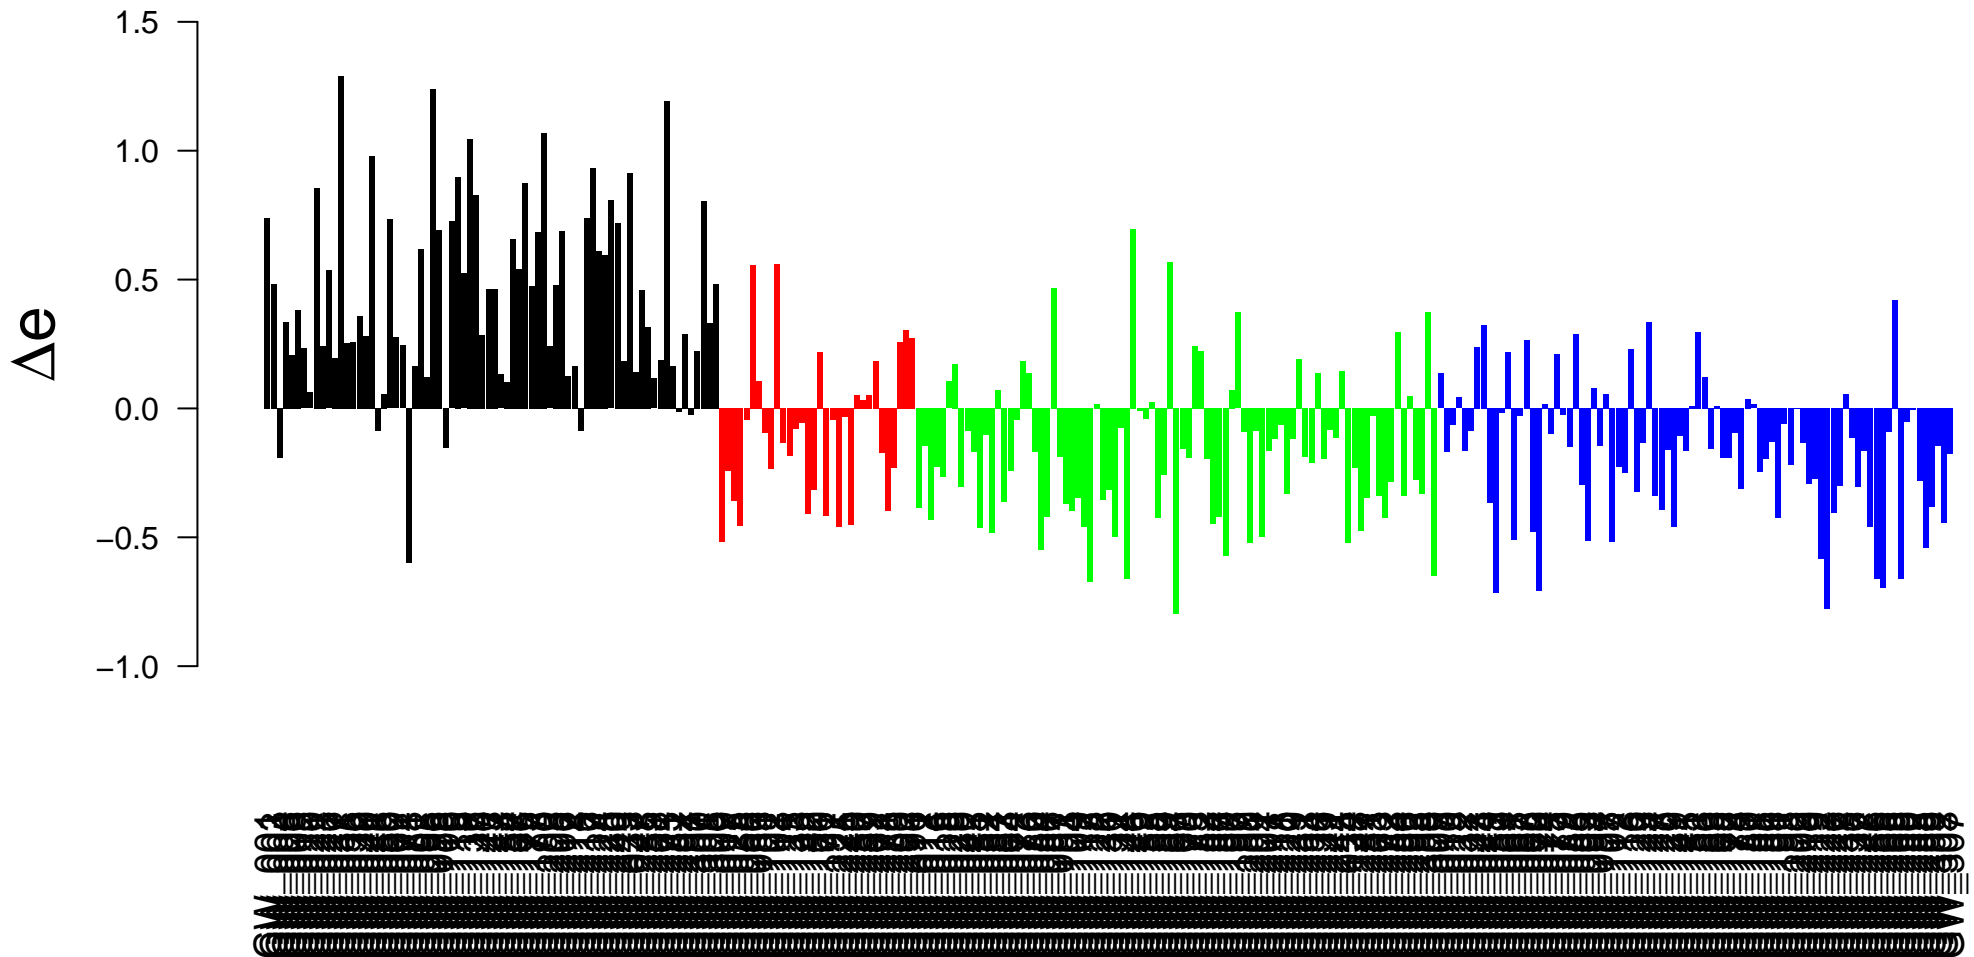

Expression of cell differentiation in Spot G

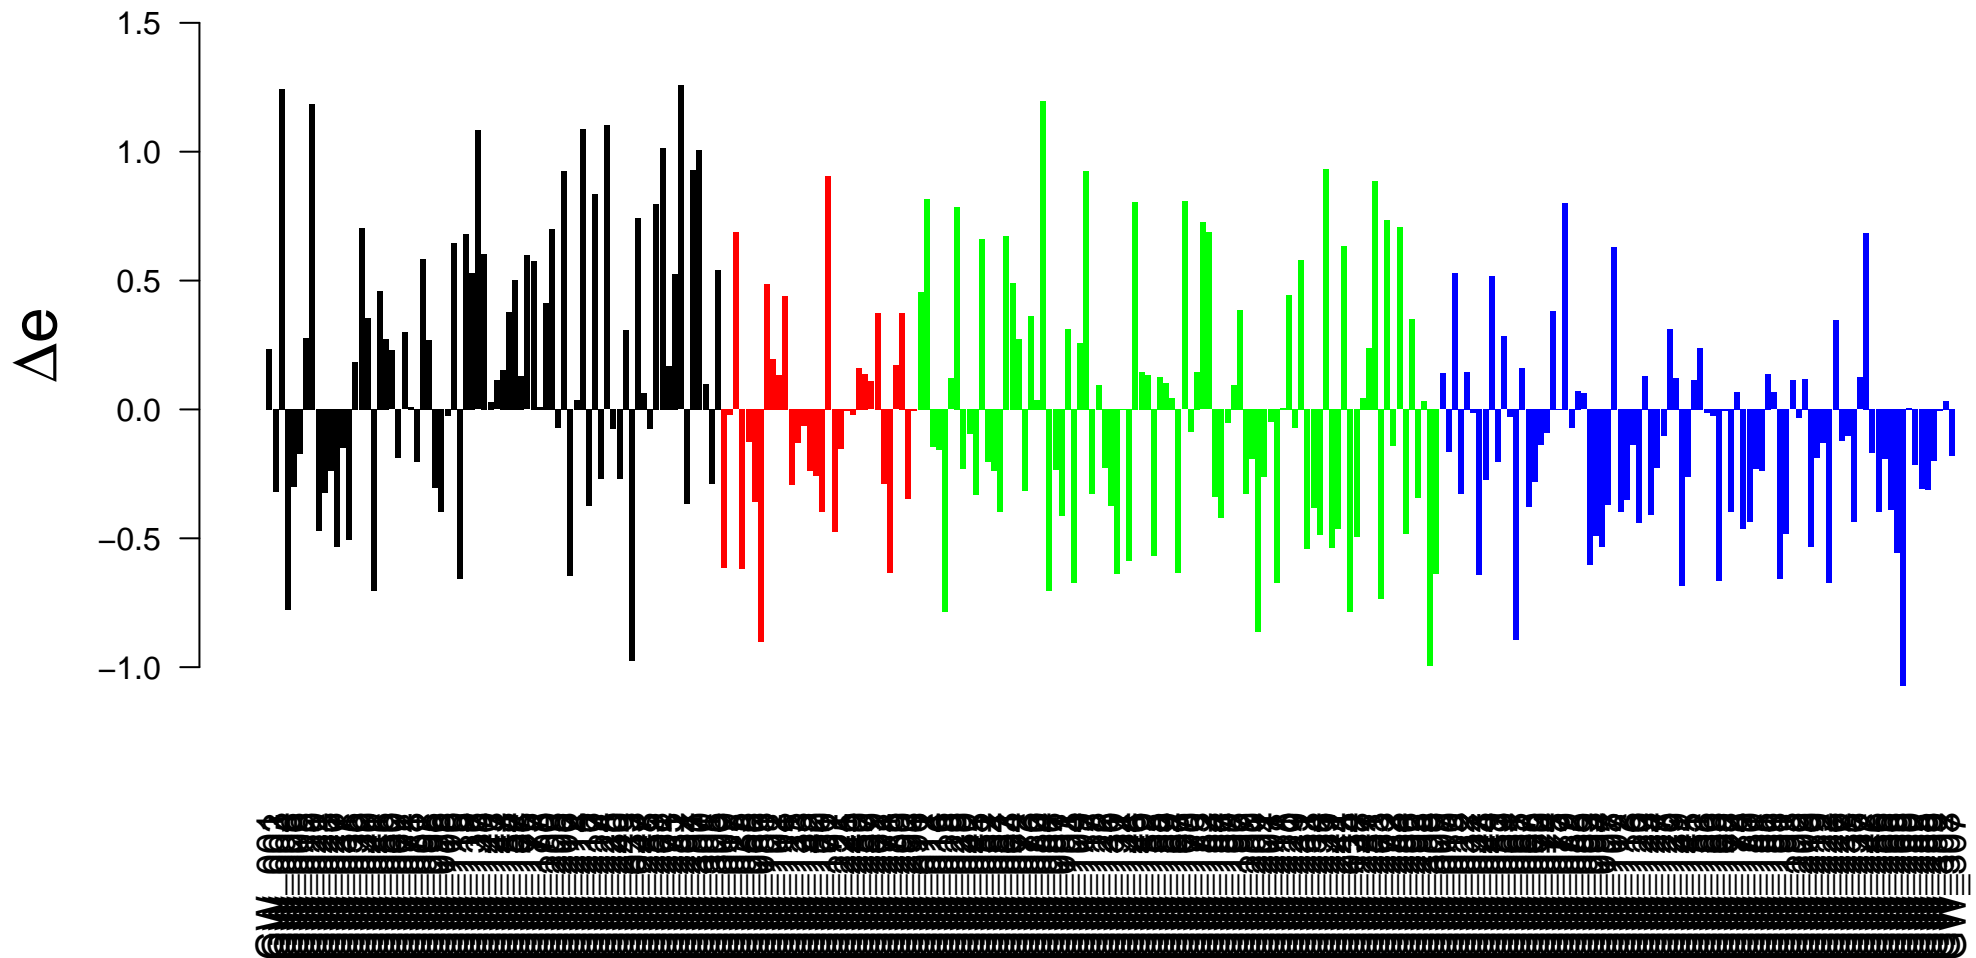

Δe

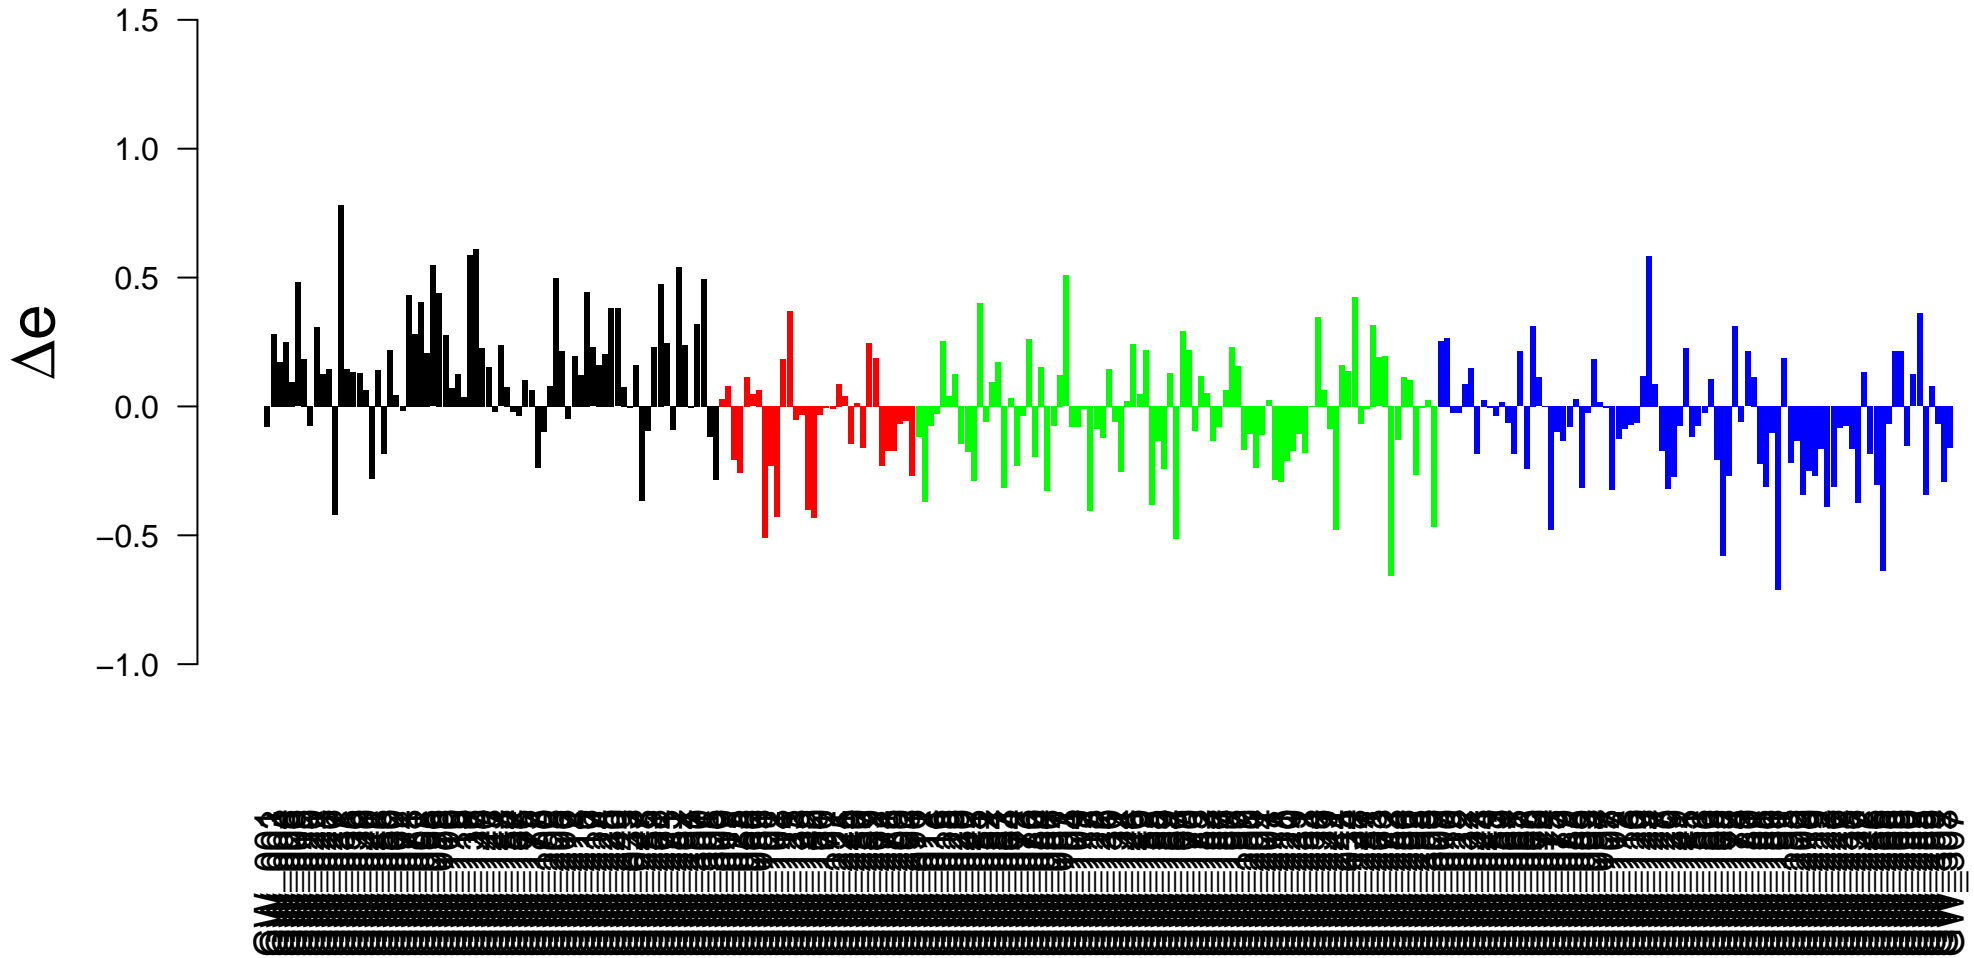

Expression of cell differentiation in Spot H

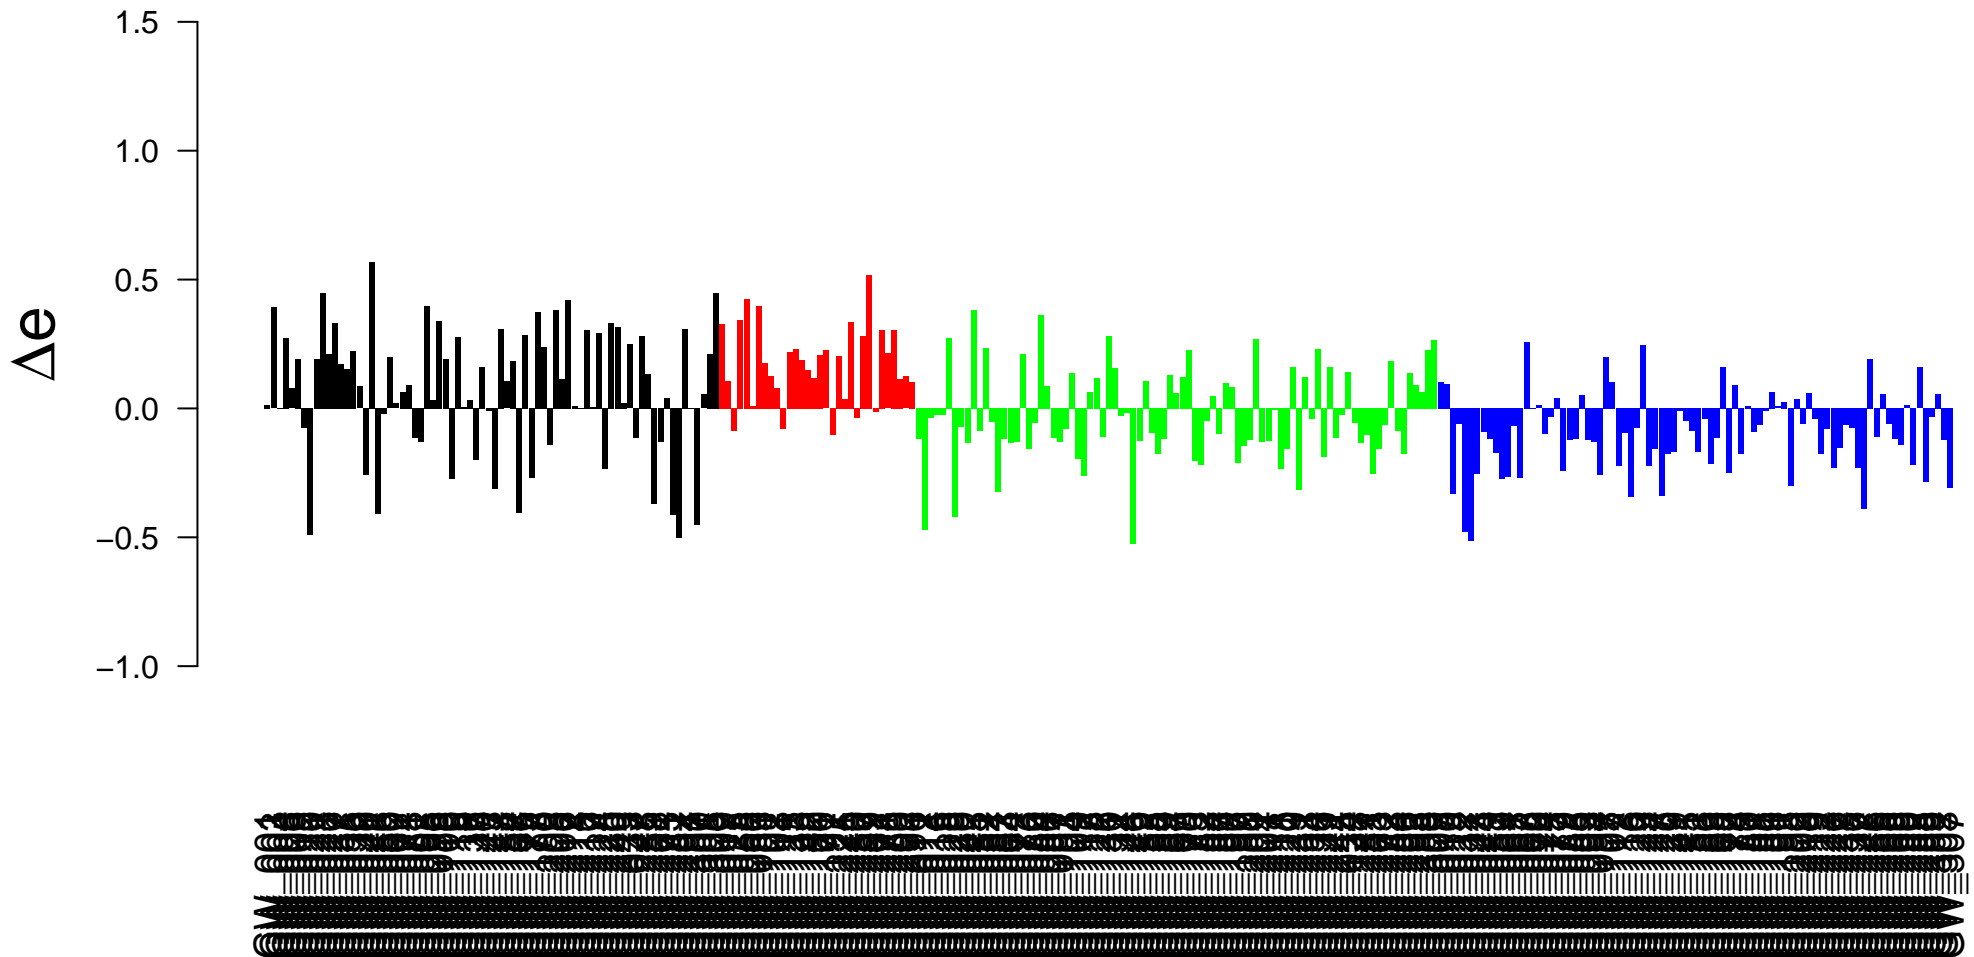

Expression of cell differentiation in Spot I

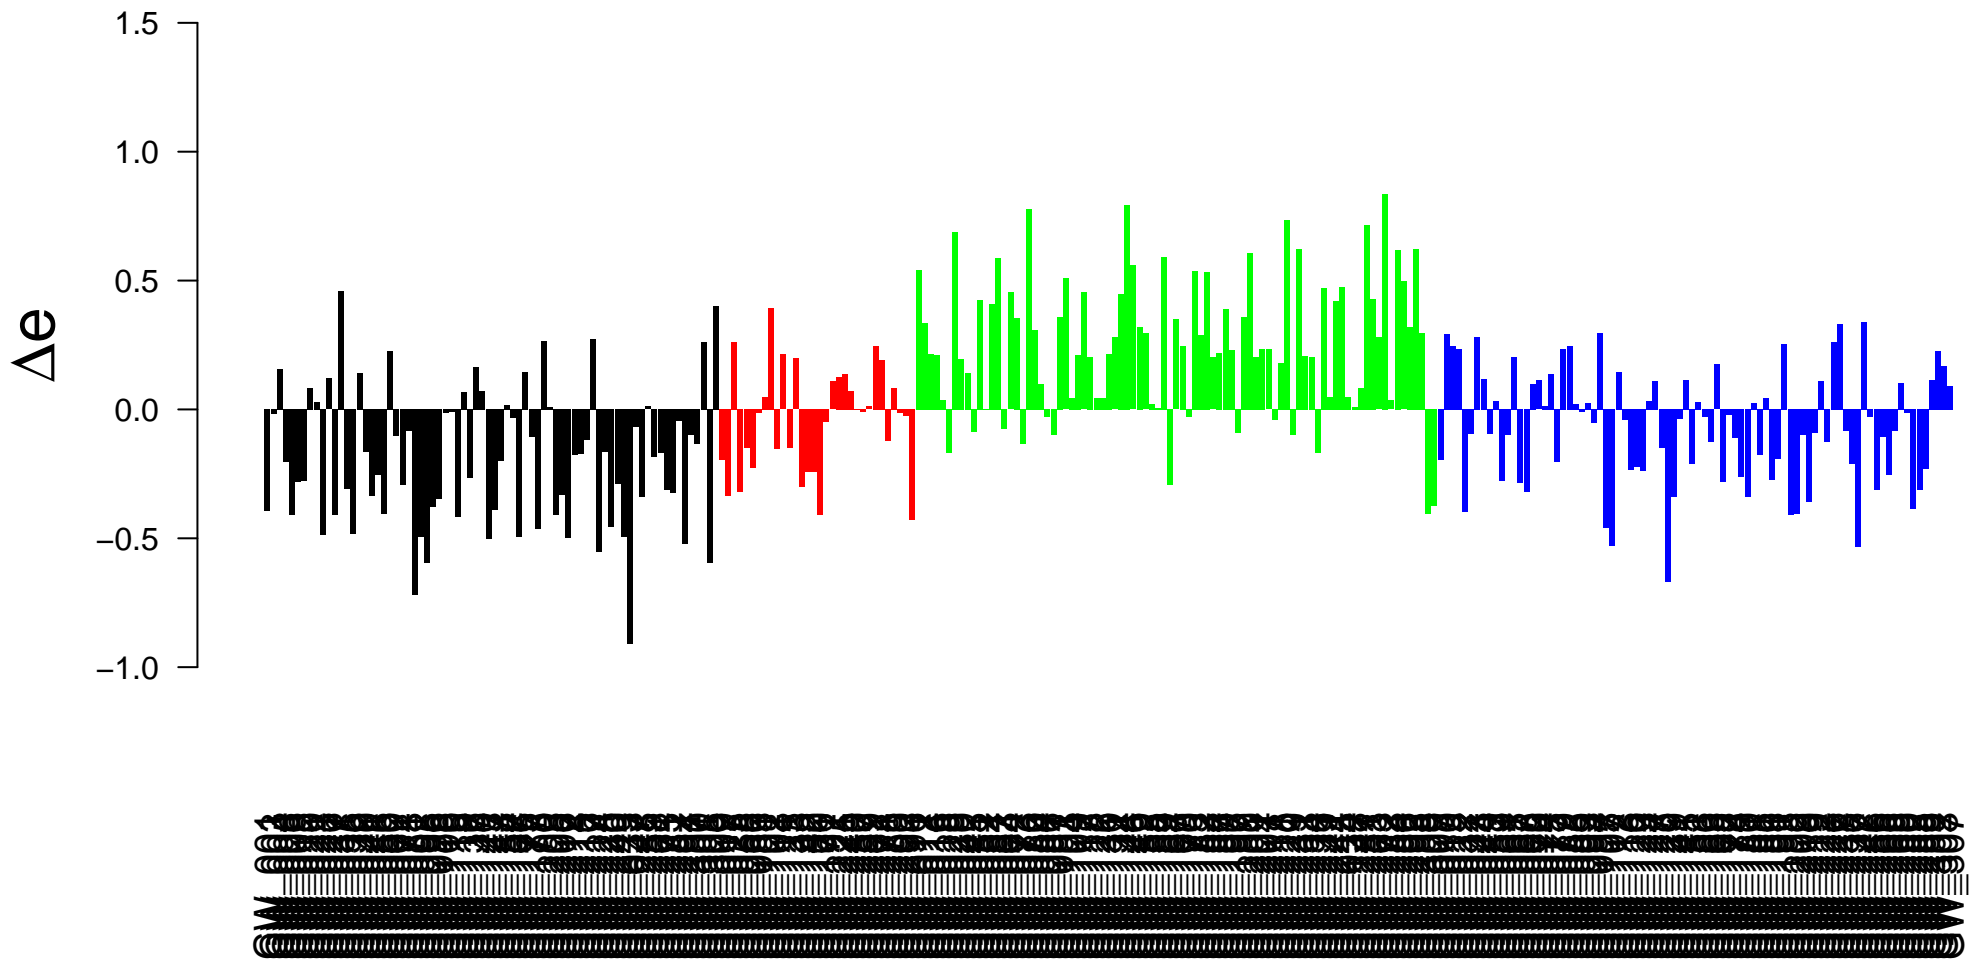

Expression of cell differentiation in Spot J

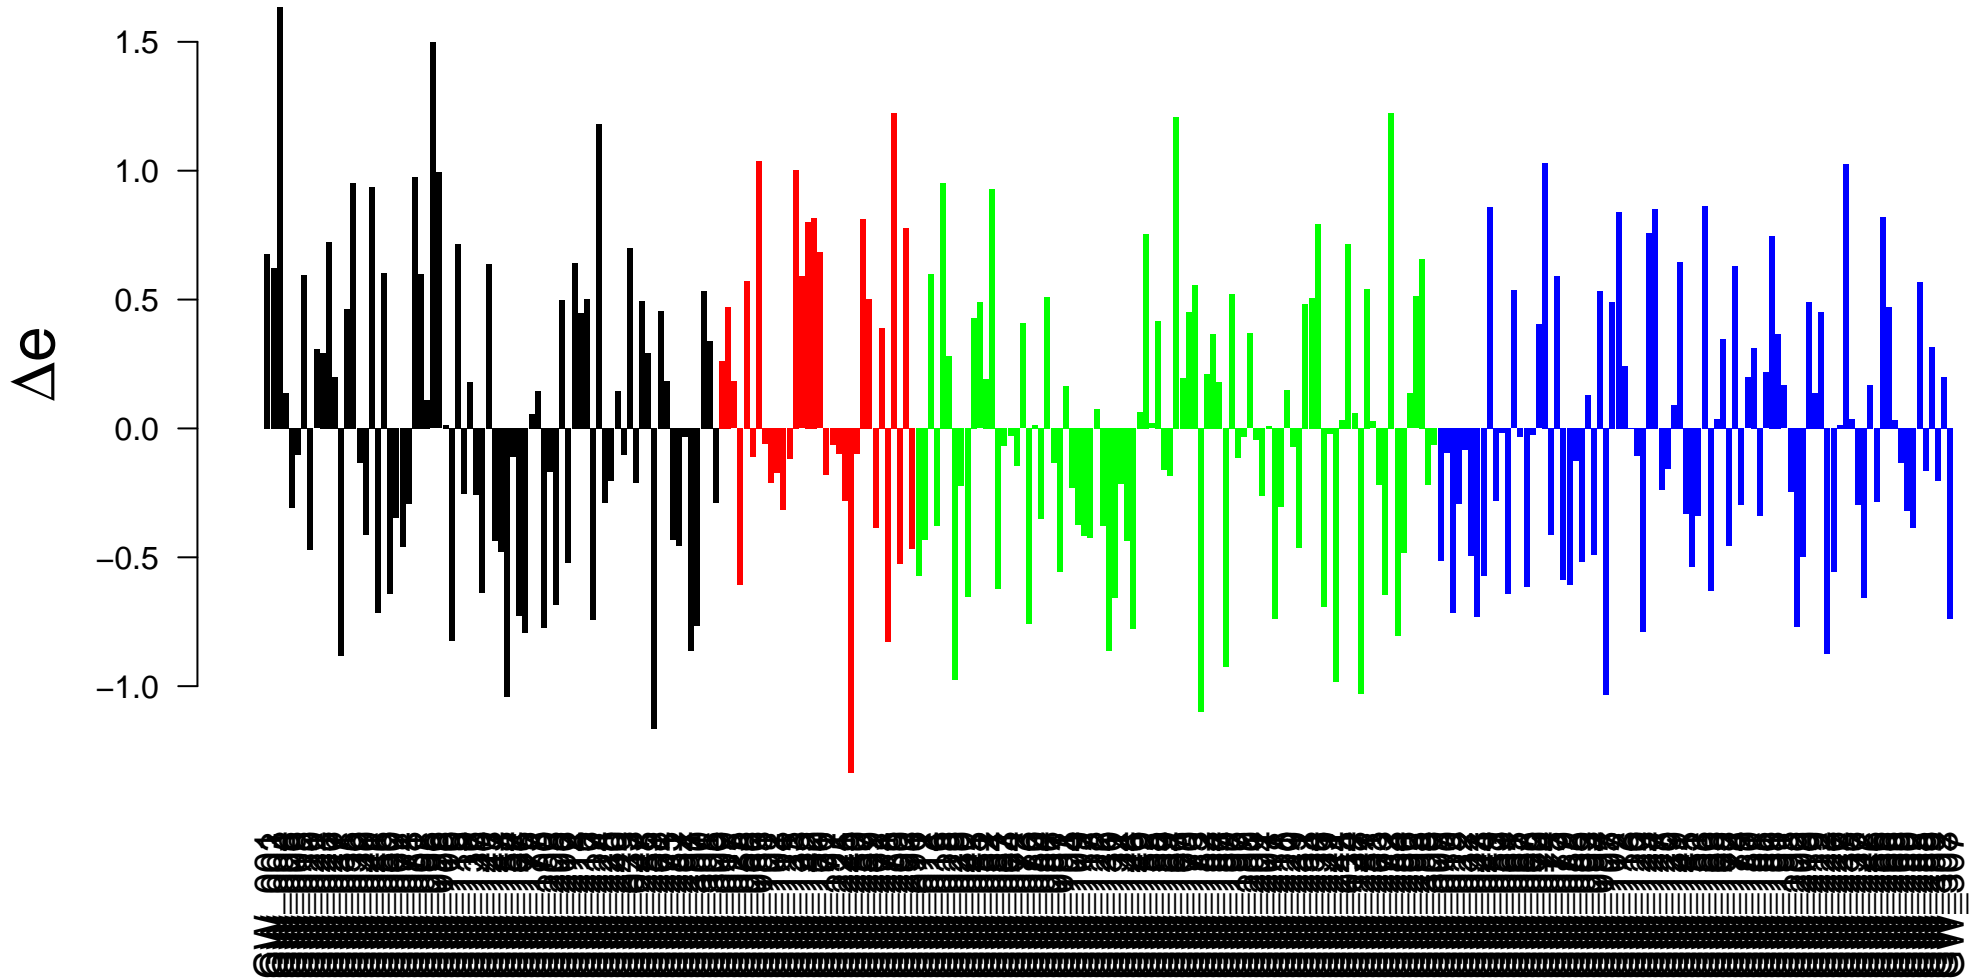

Expression of cell differentiation in Spot K

Expression of cell differentiation in Spot L

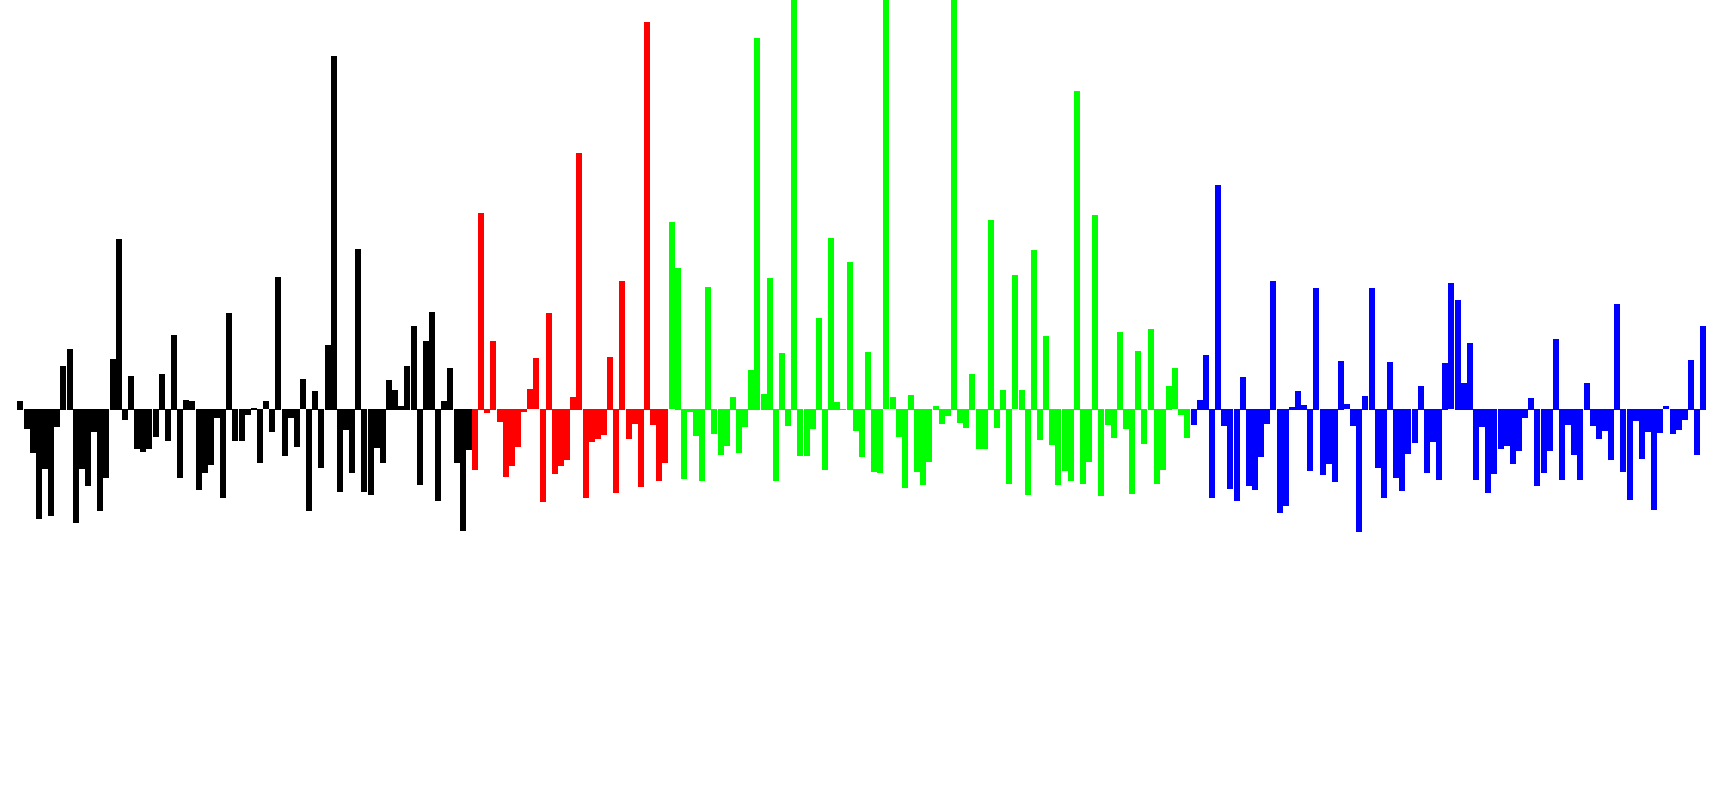

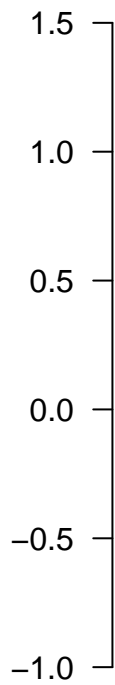

Expression of cell differentiation in Spot M

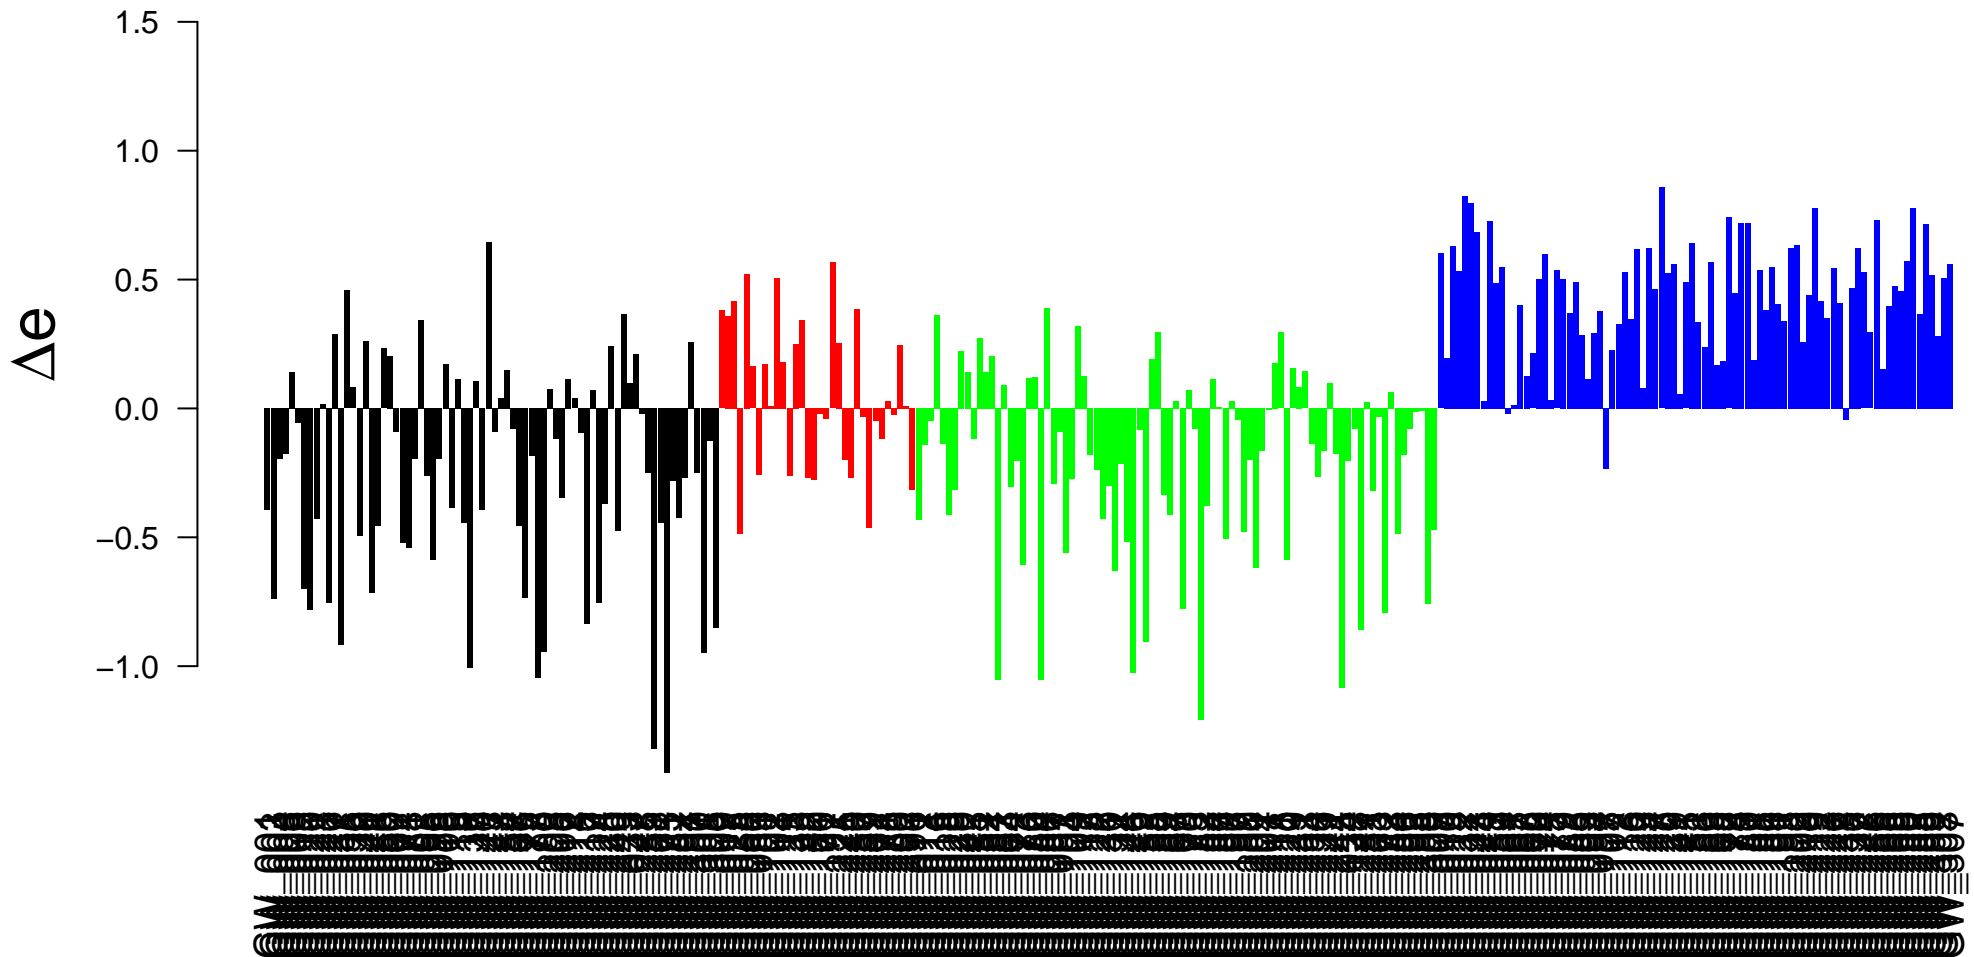

Expression of cell differentiation in Spot N

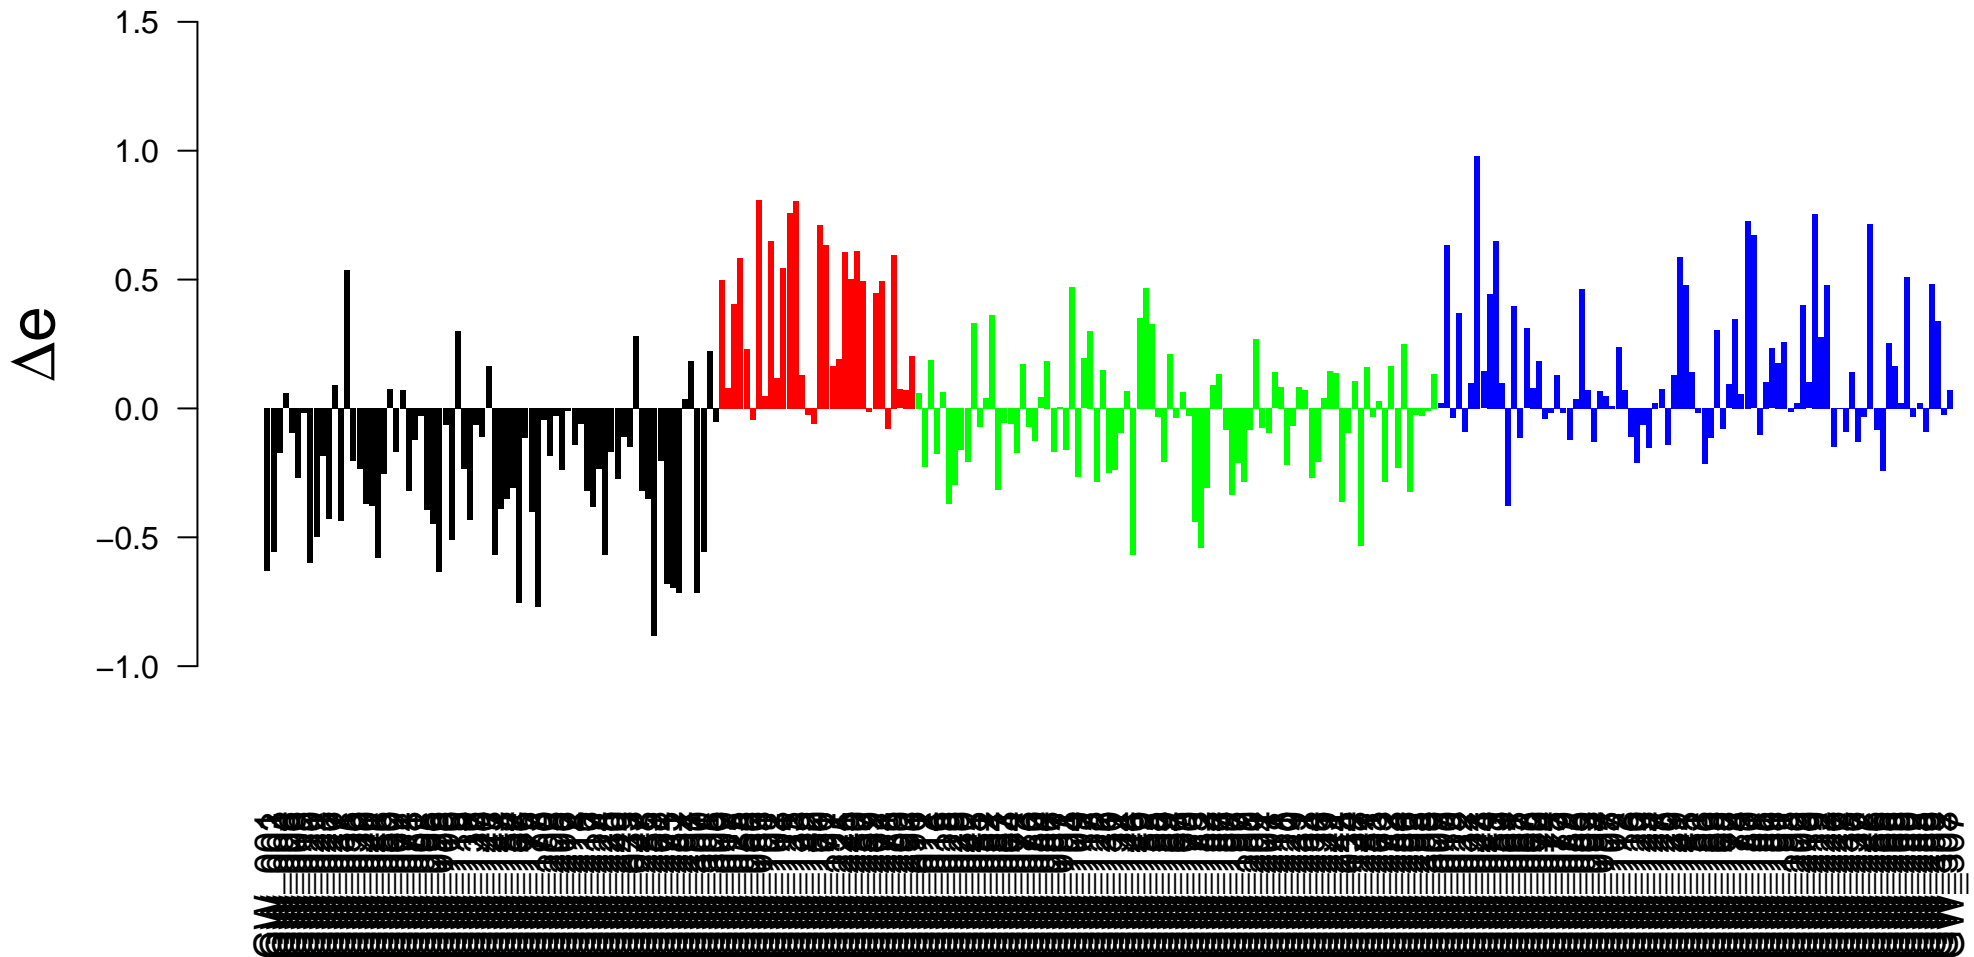

Δe

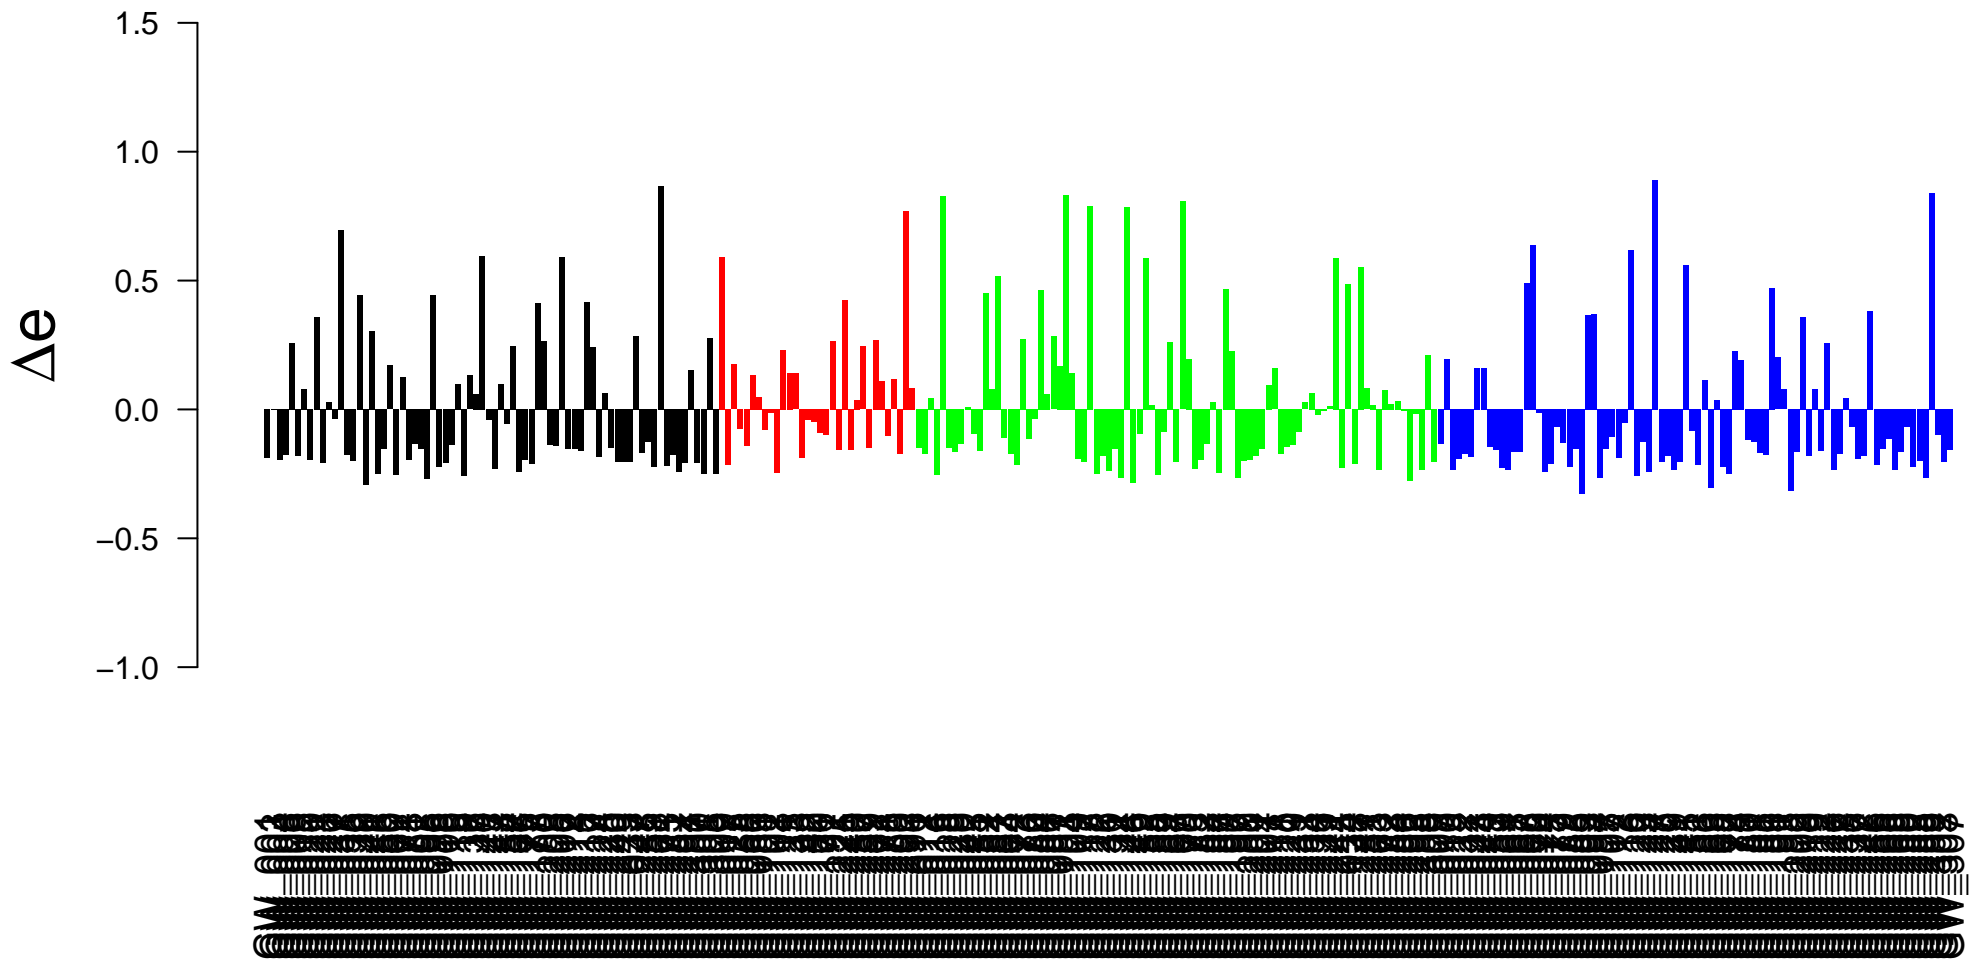

Expression of cell differentiation in Spot O

Expression of cell differentiation in Spot P

Expression of cell differentiation in Spot Q

Expression of cell differentiation in Spot R
