

# cell growth

# cell growth

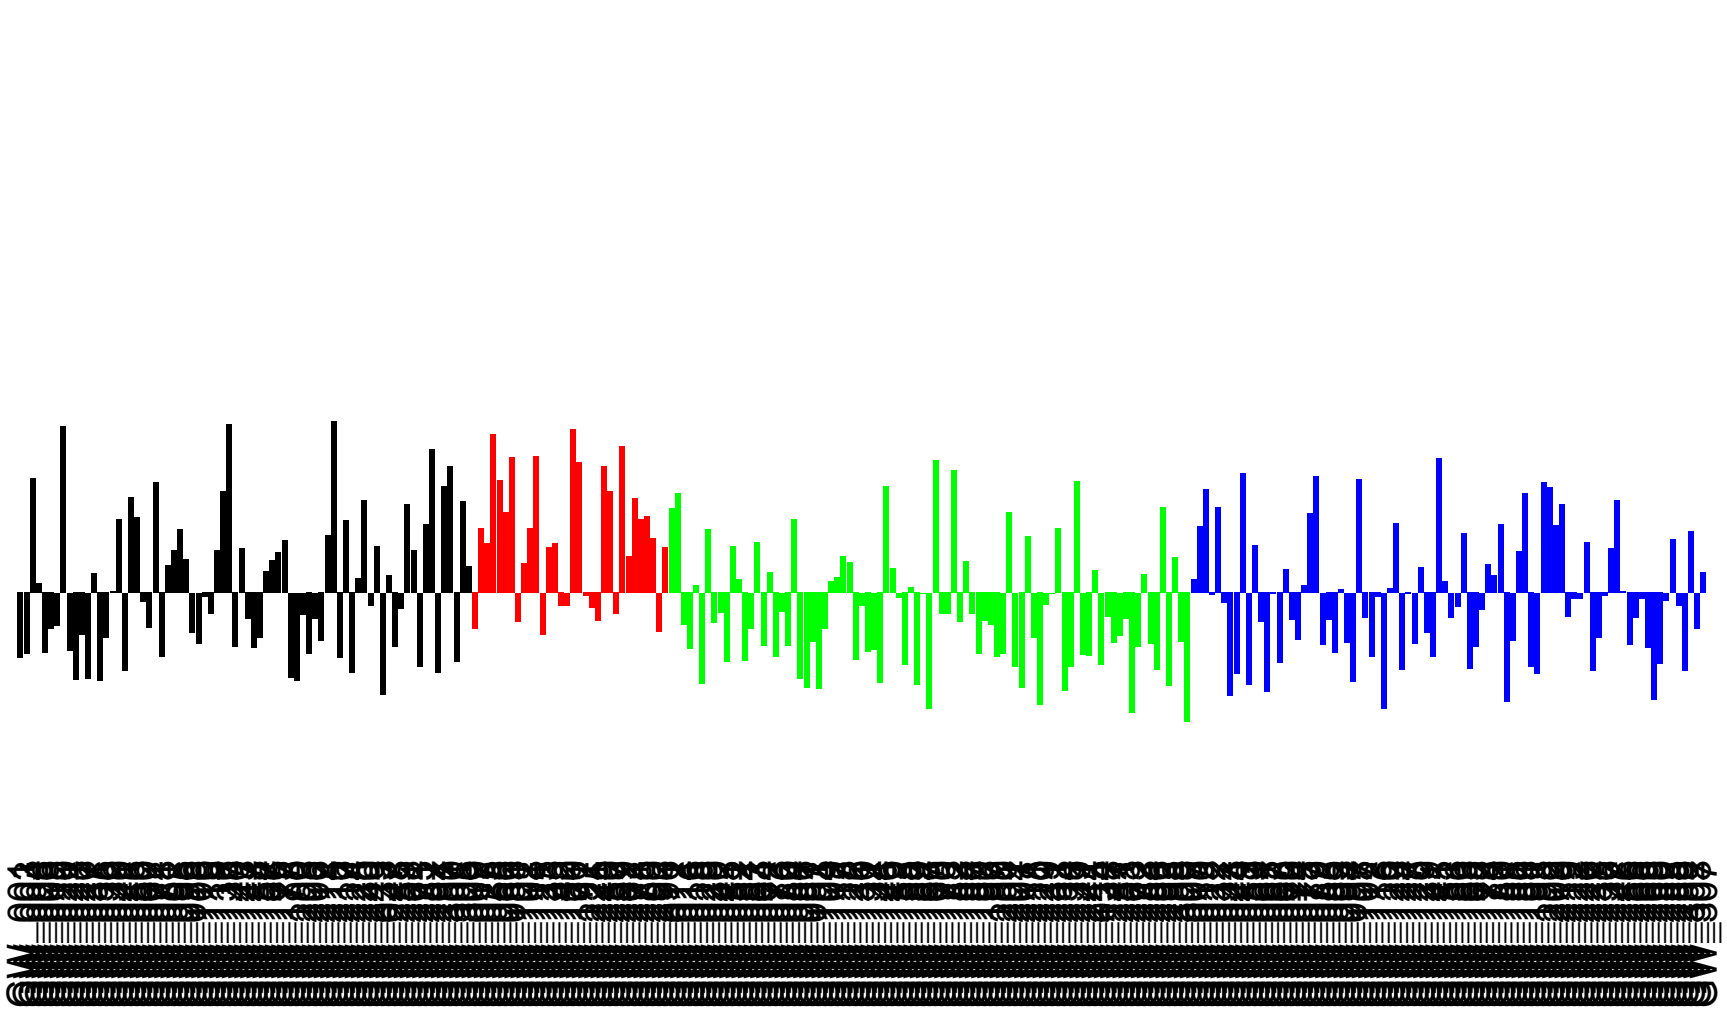

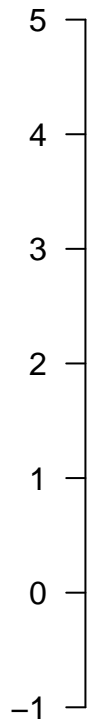

### Enrichment in spots: cell growth

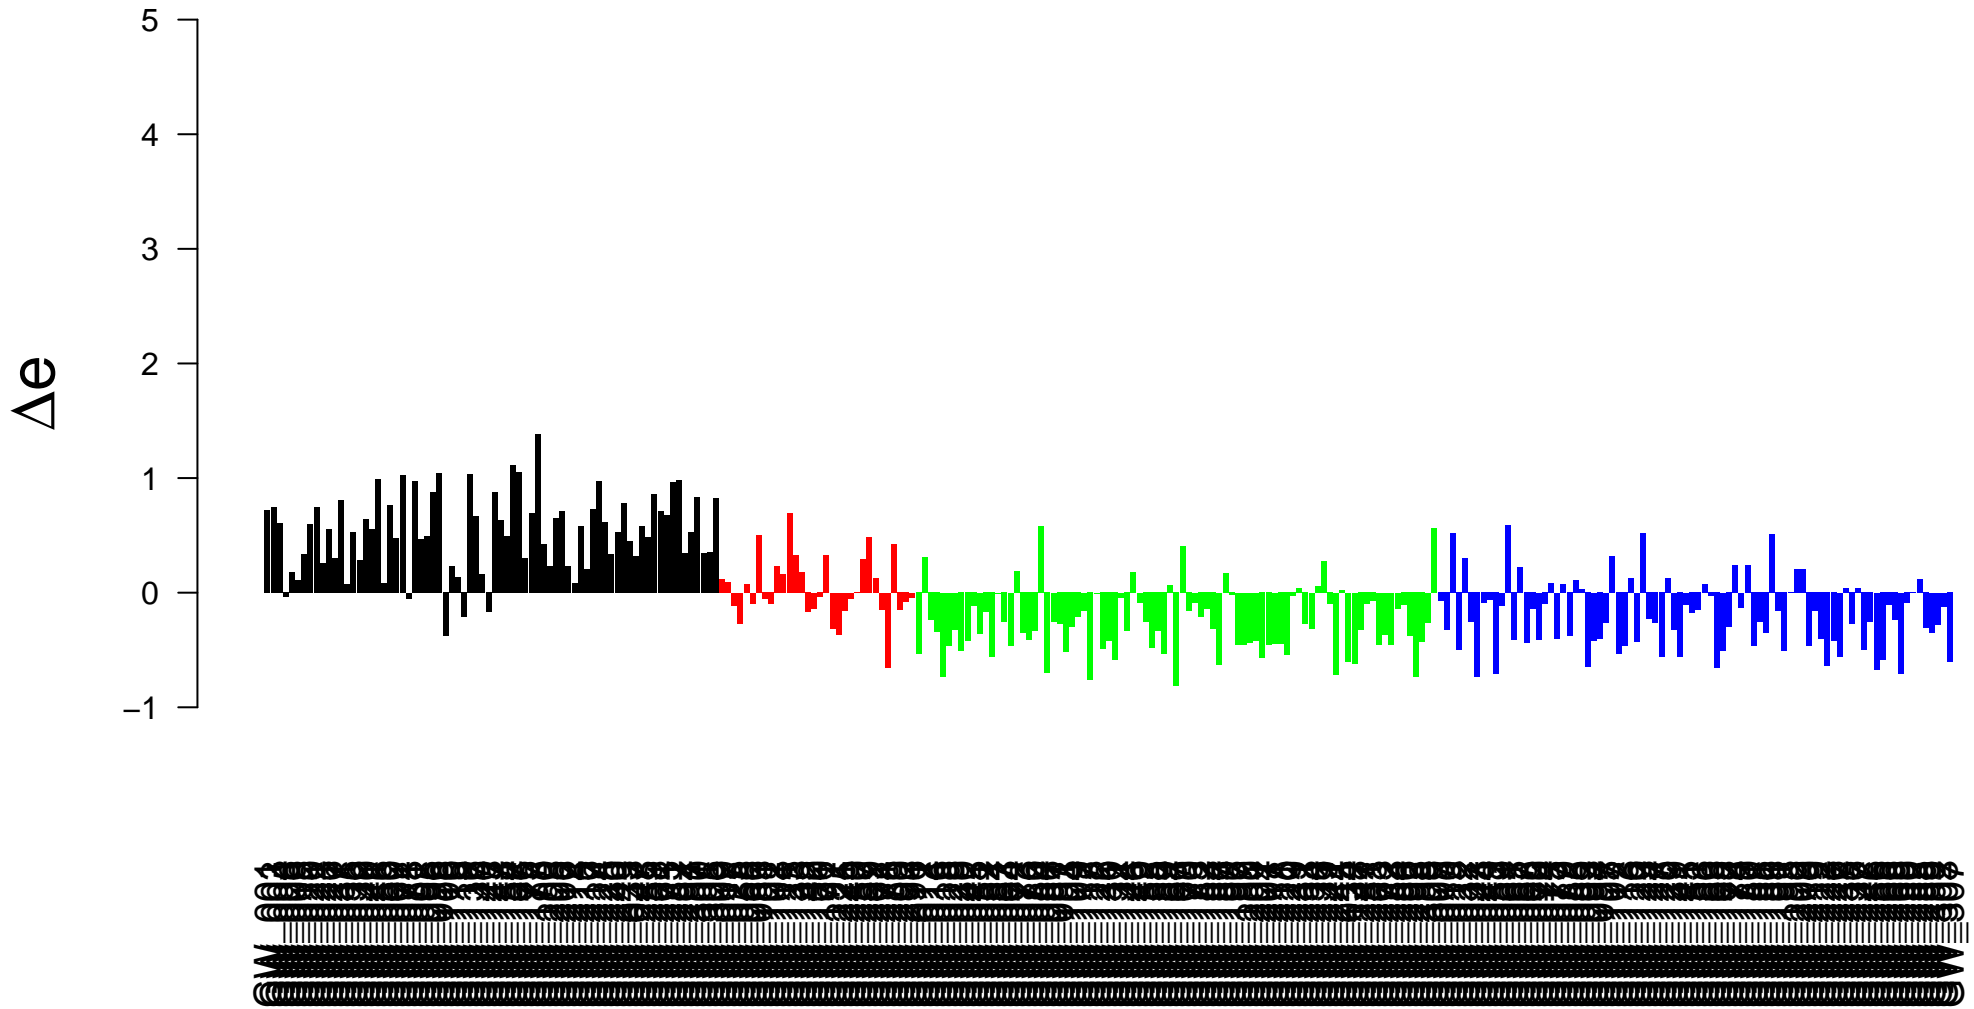

# Expression of cell growth in Spot A

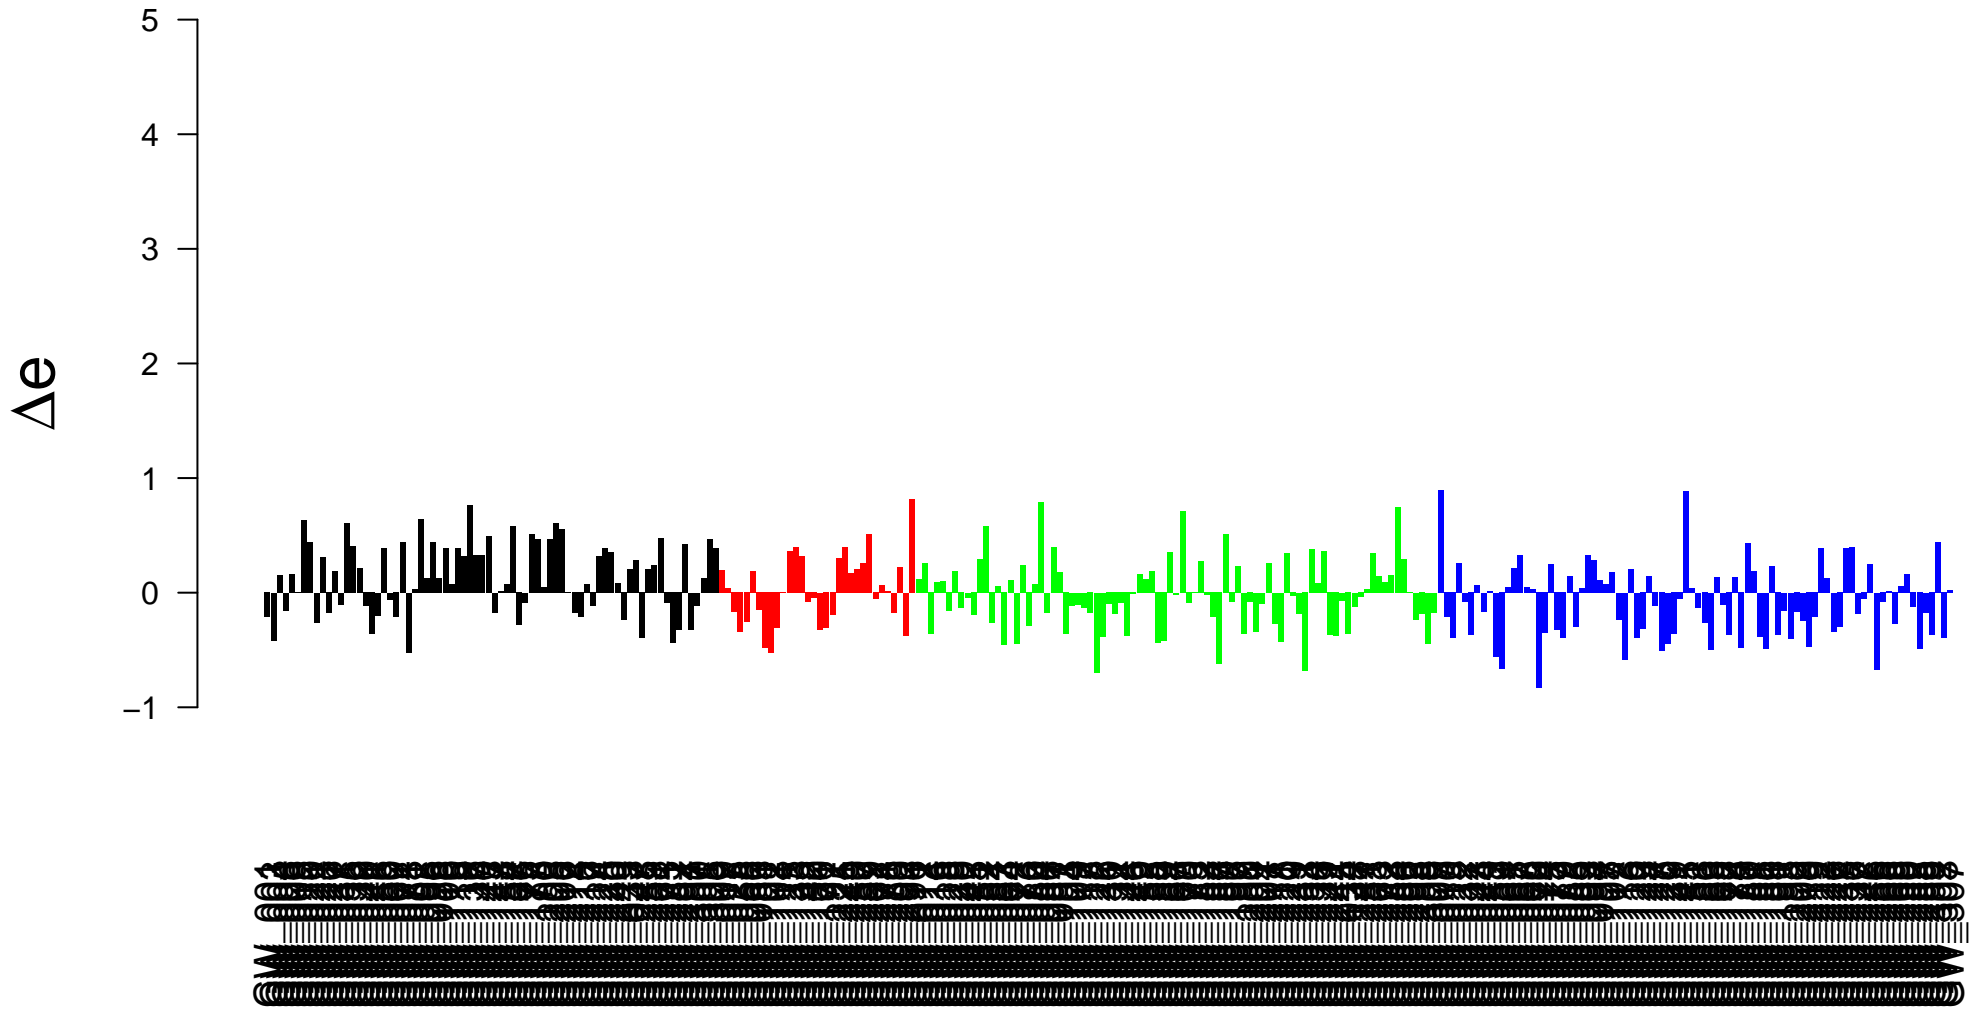

$\Delta e$

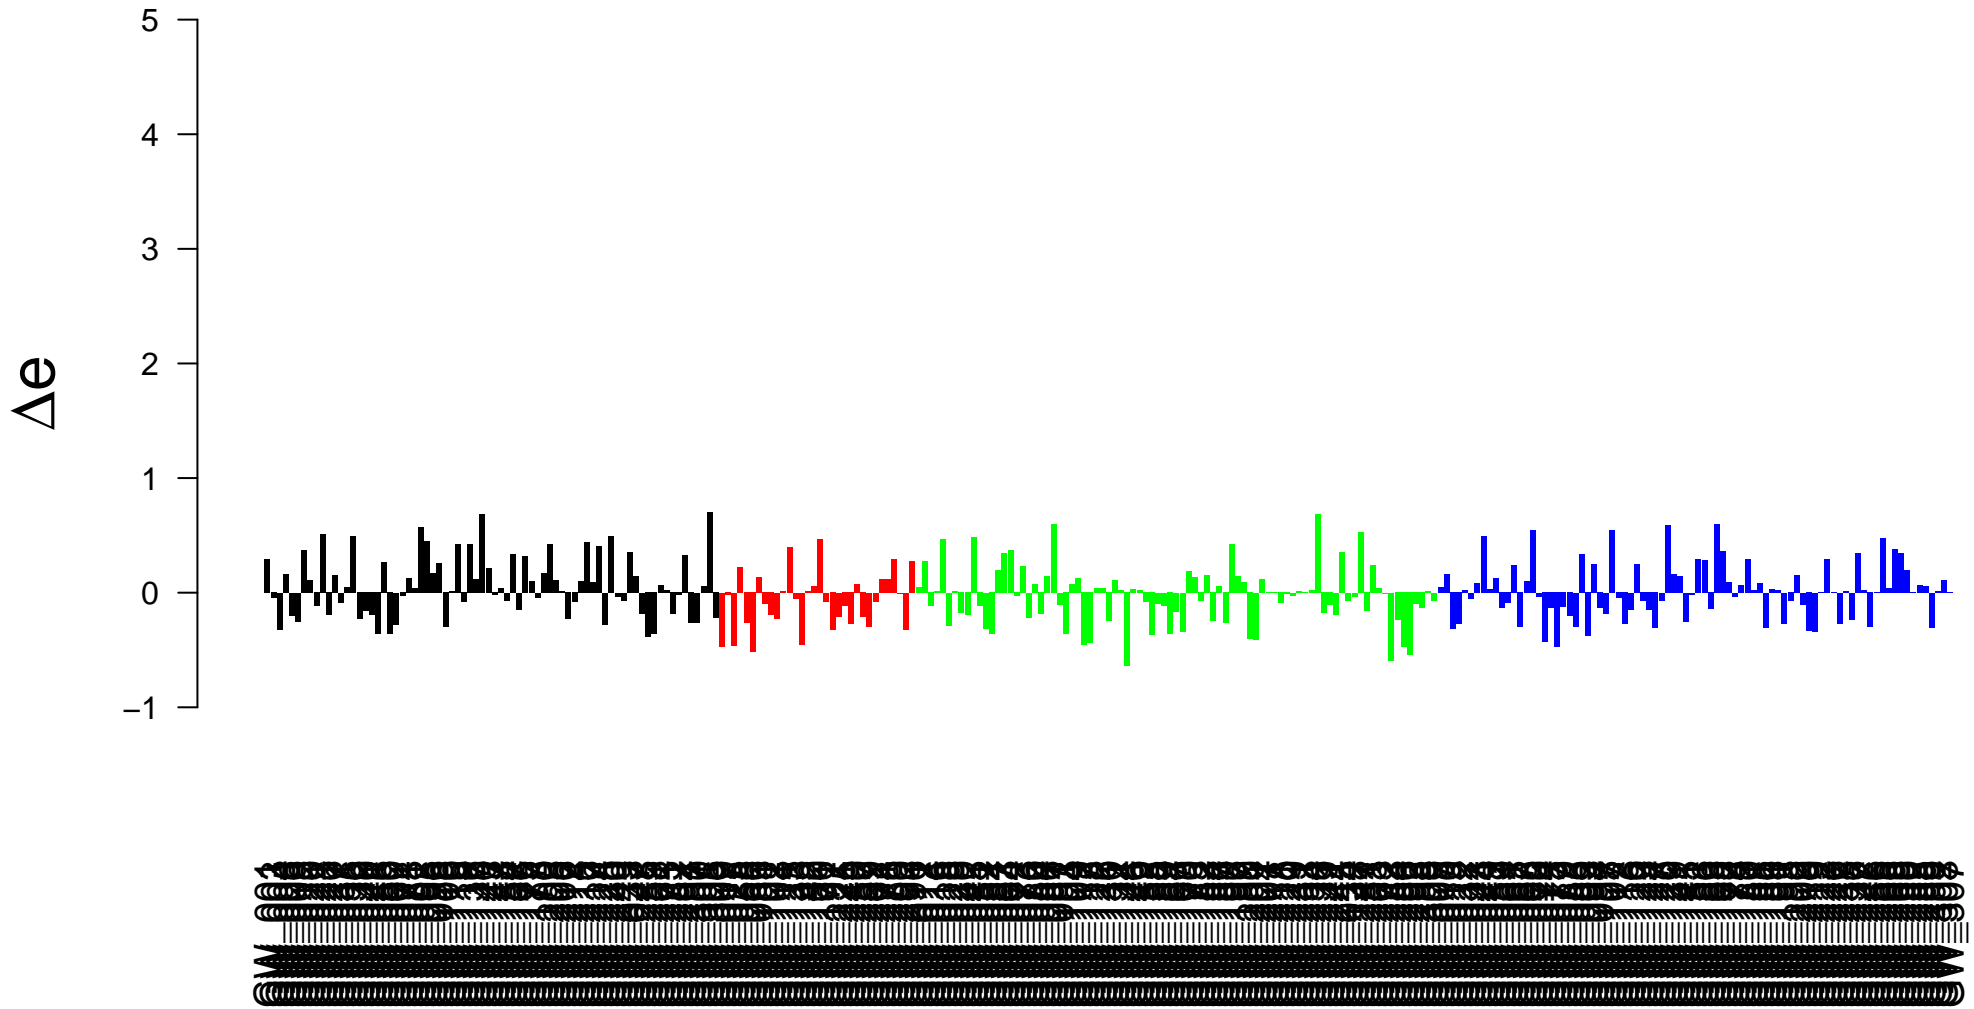

# Expression of cell growth in Spot B

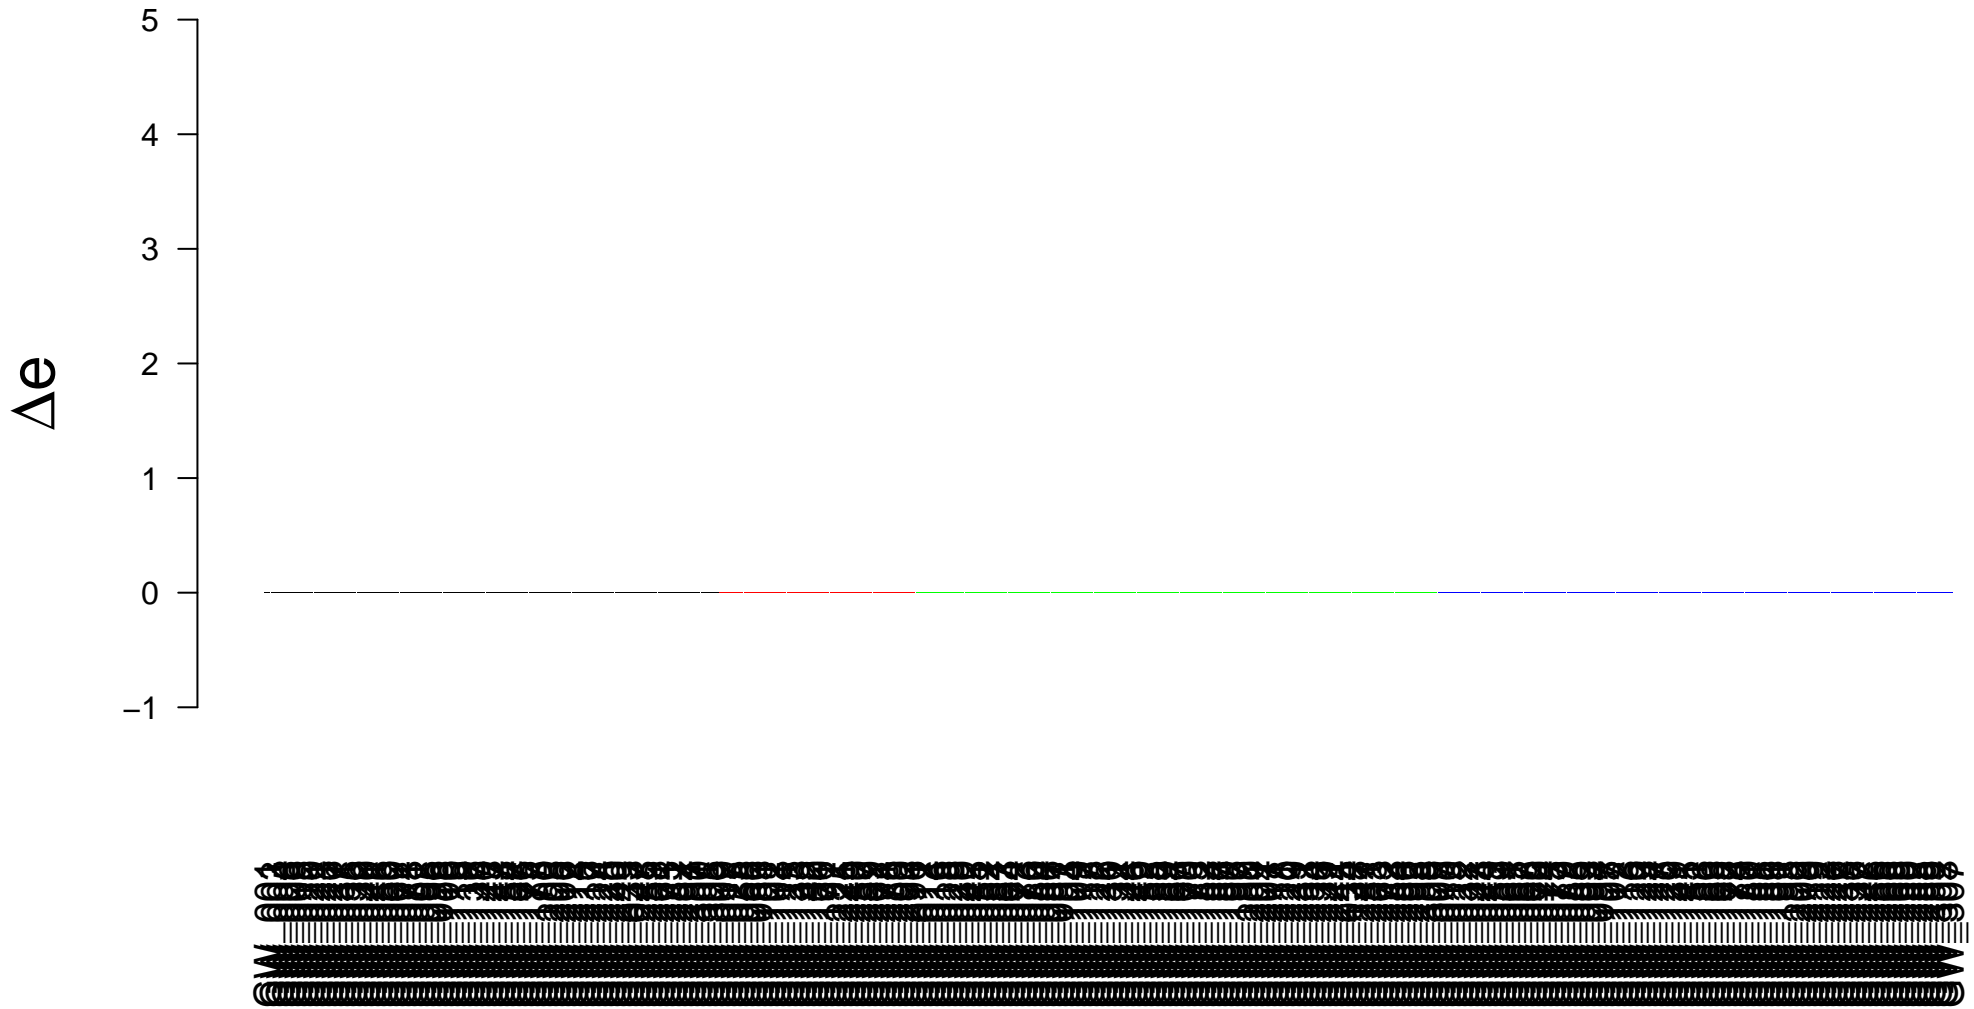

# Expression of cell growth in Spot C

# Expression of cell growth in Spot D

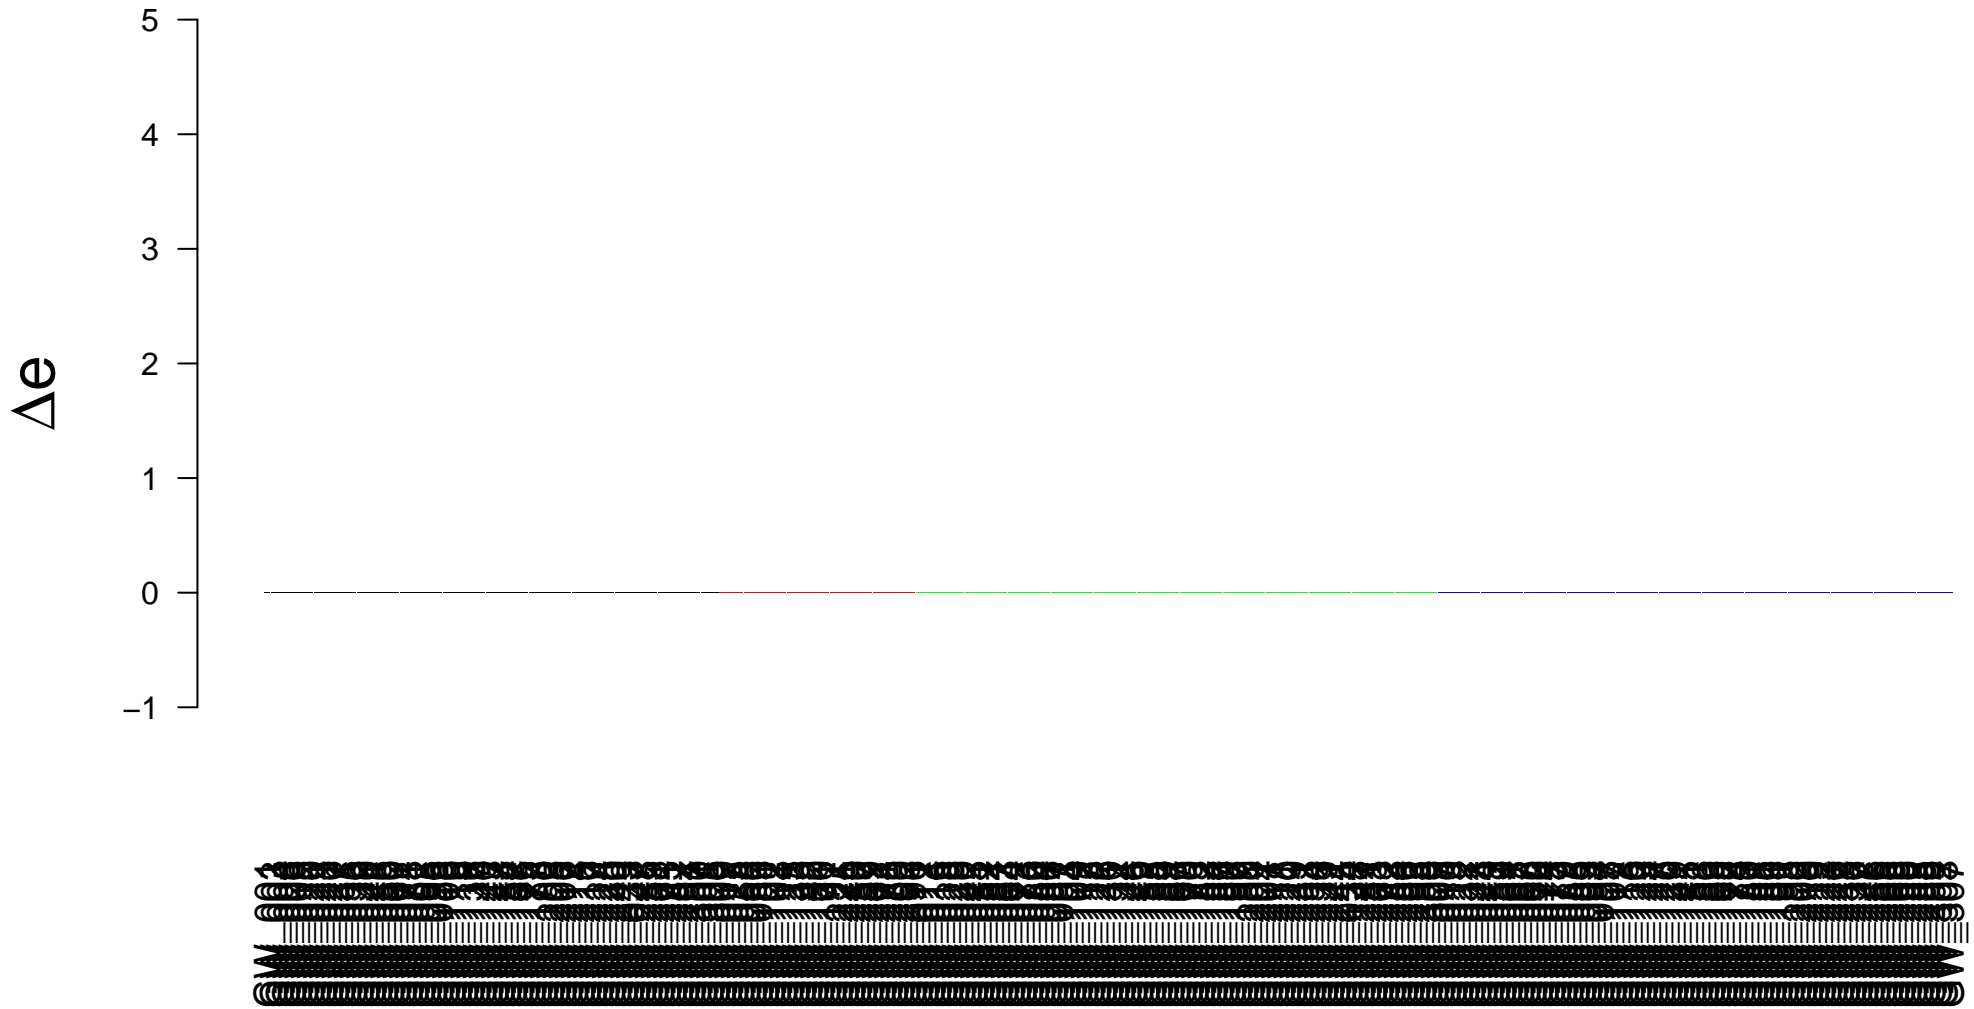

# Expression of cell growth in Spot E

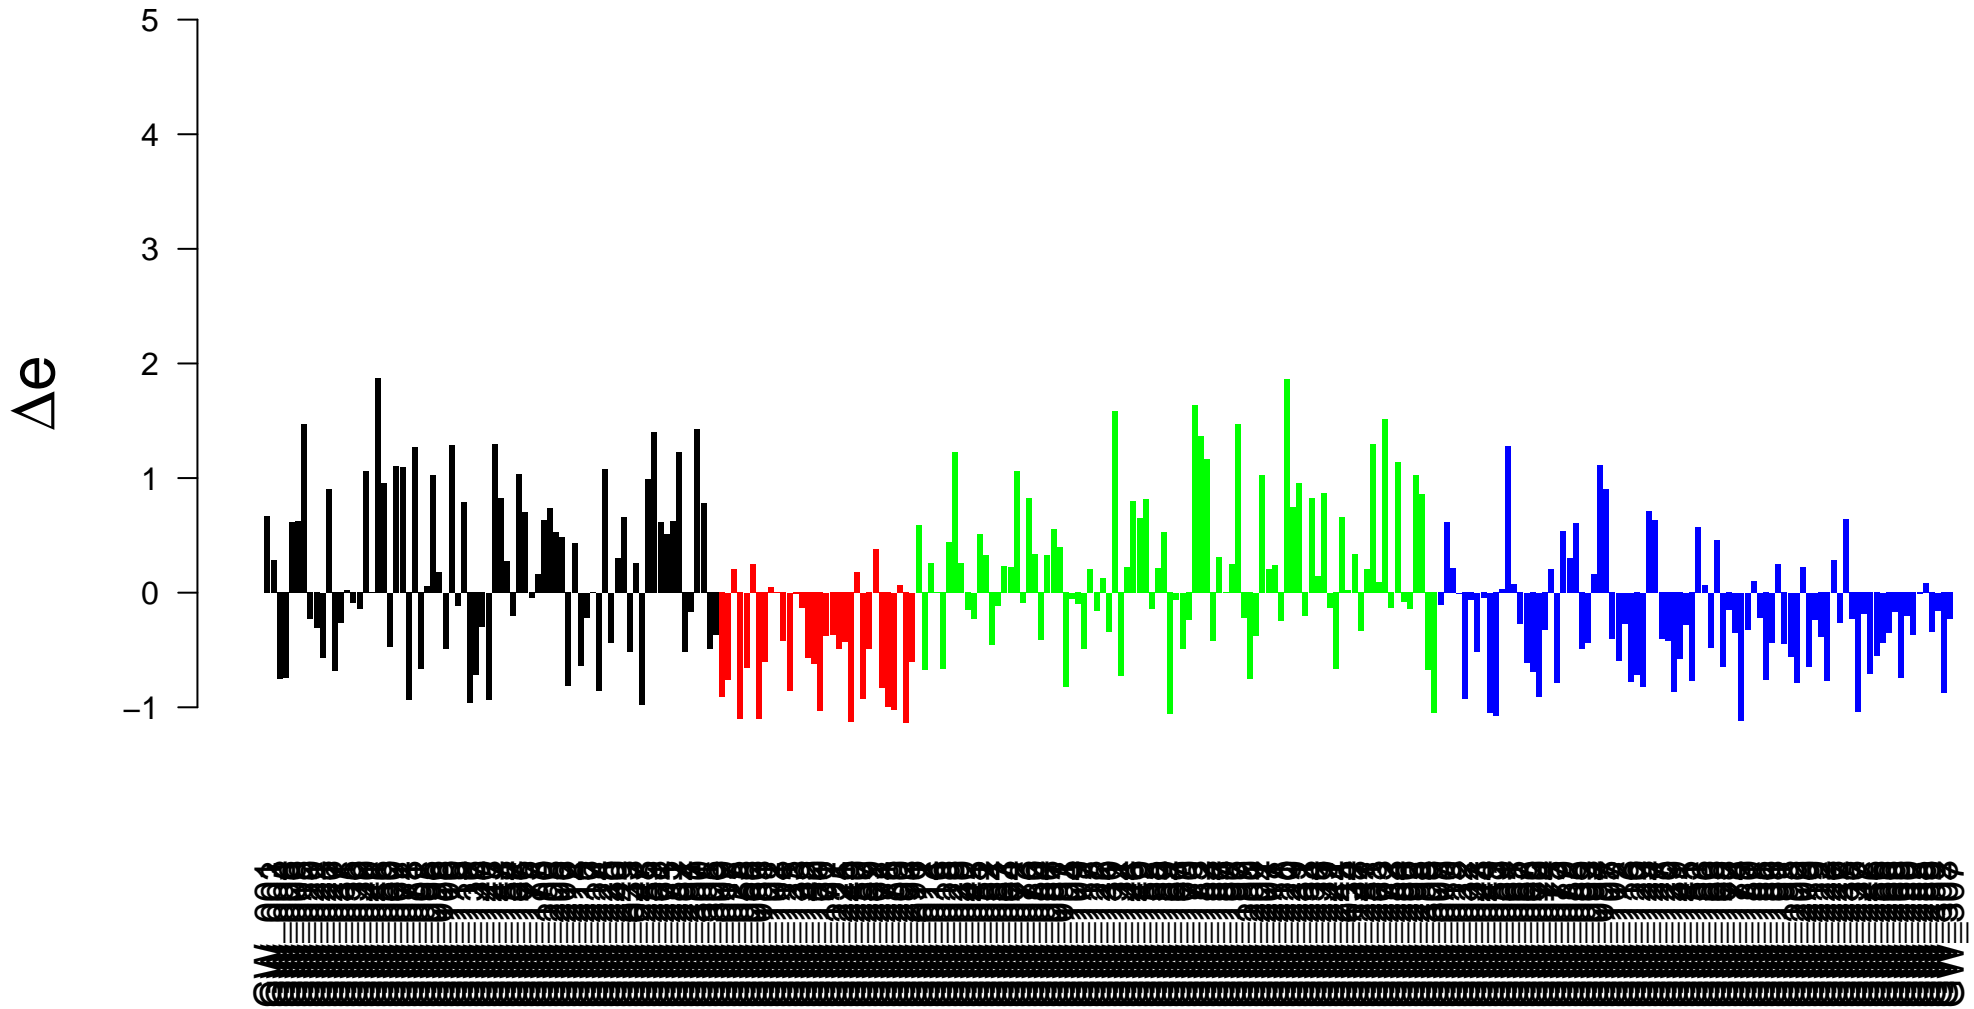

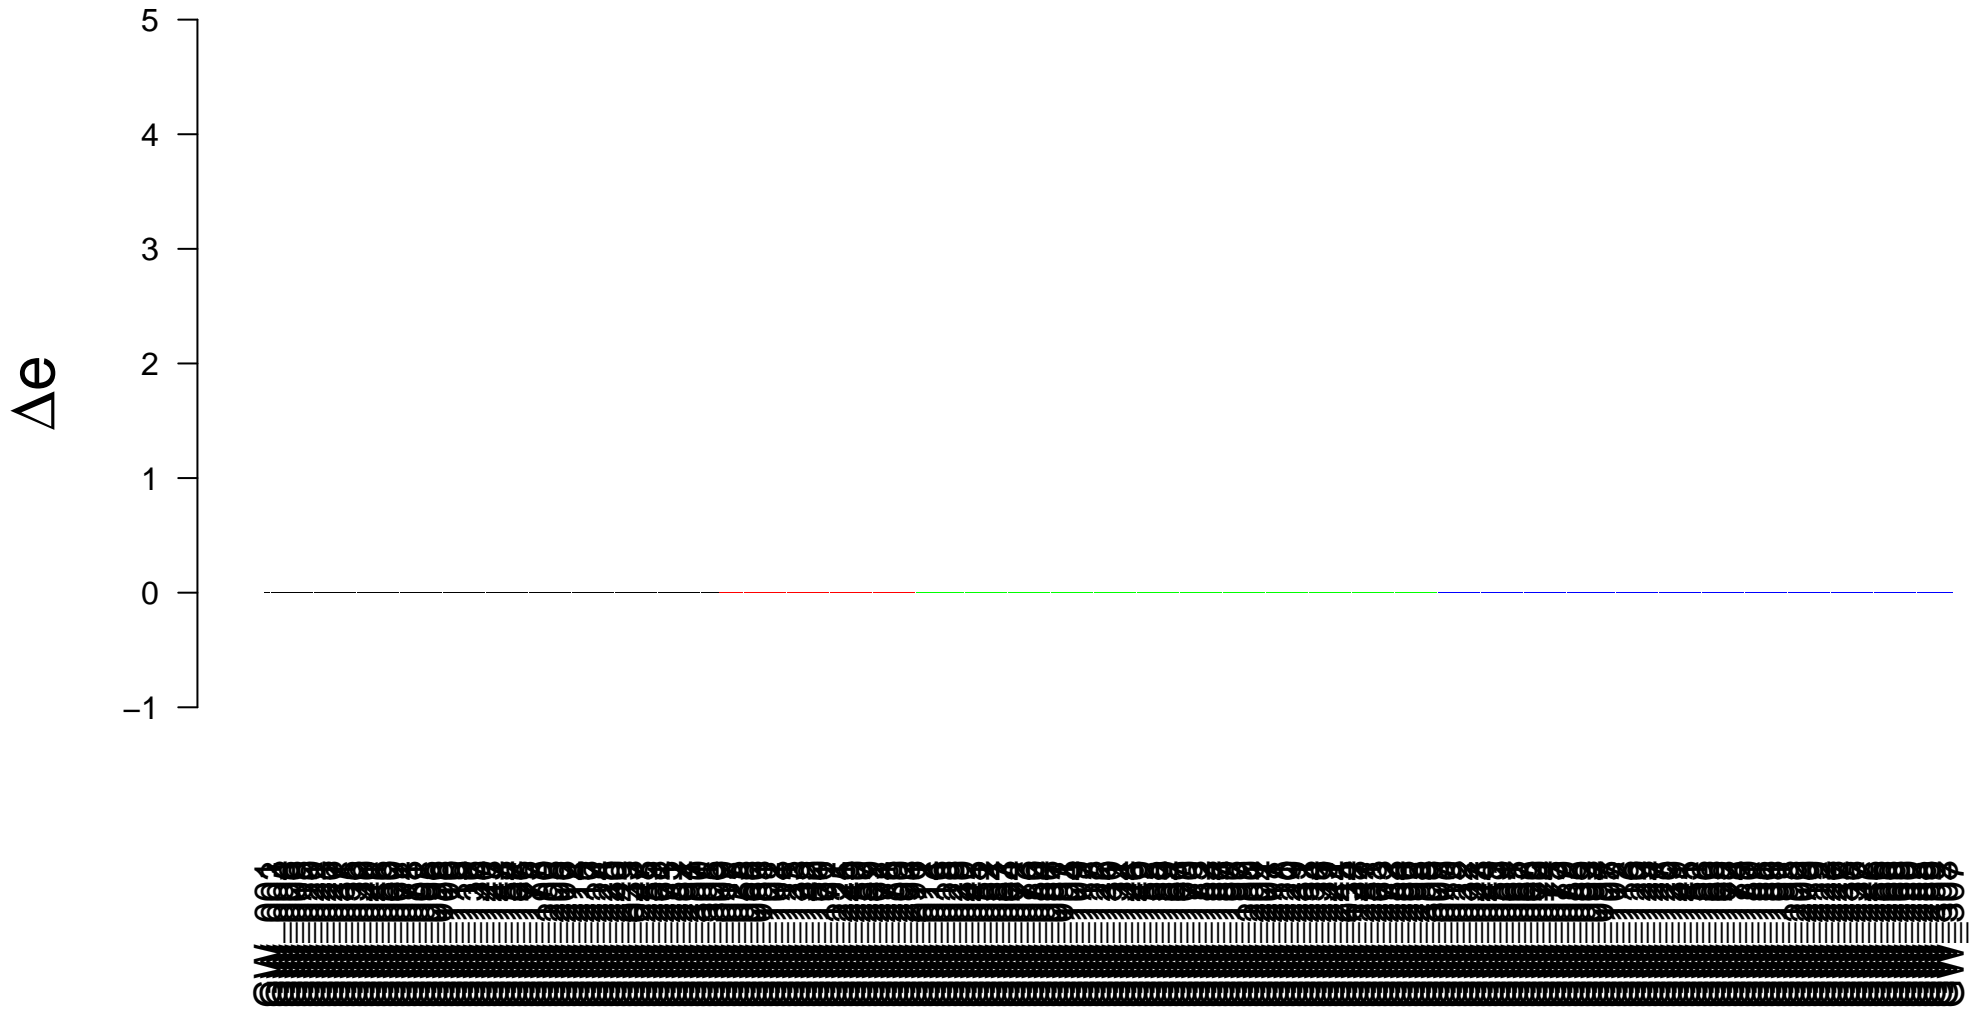

# Expression of cell growth in Spot F

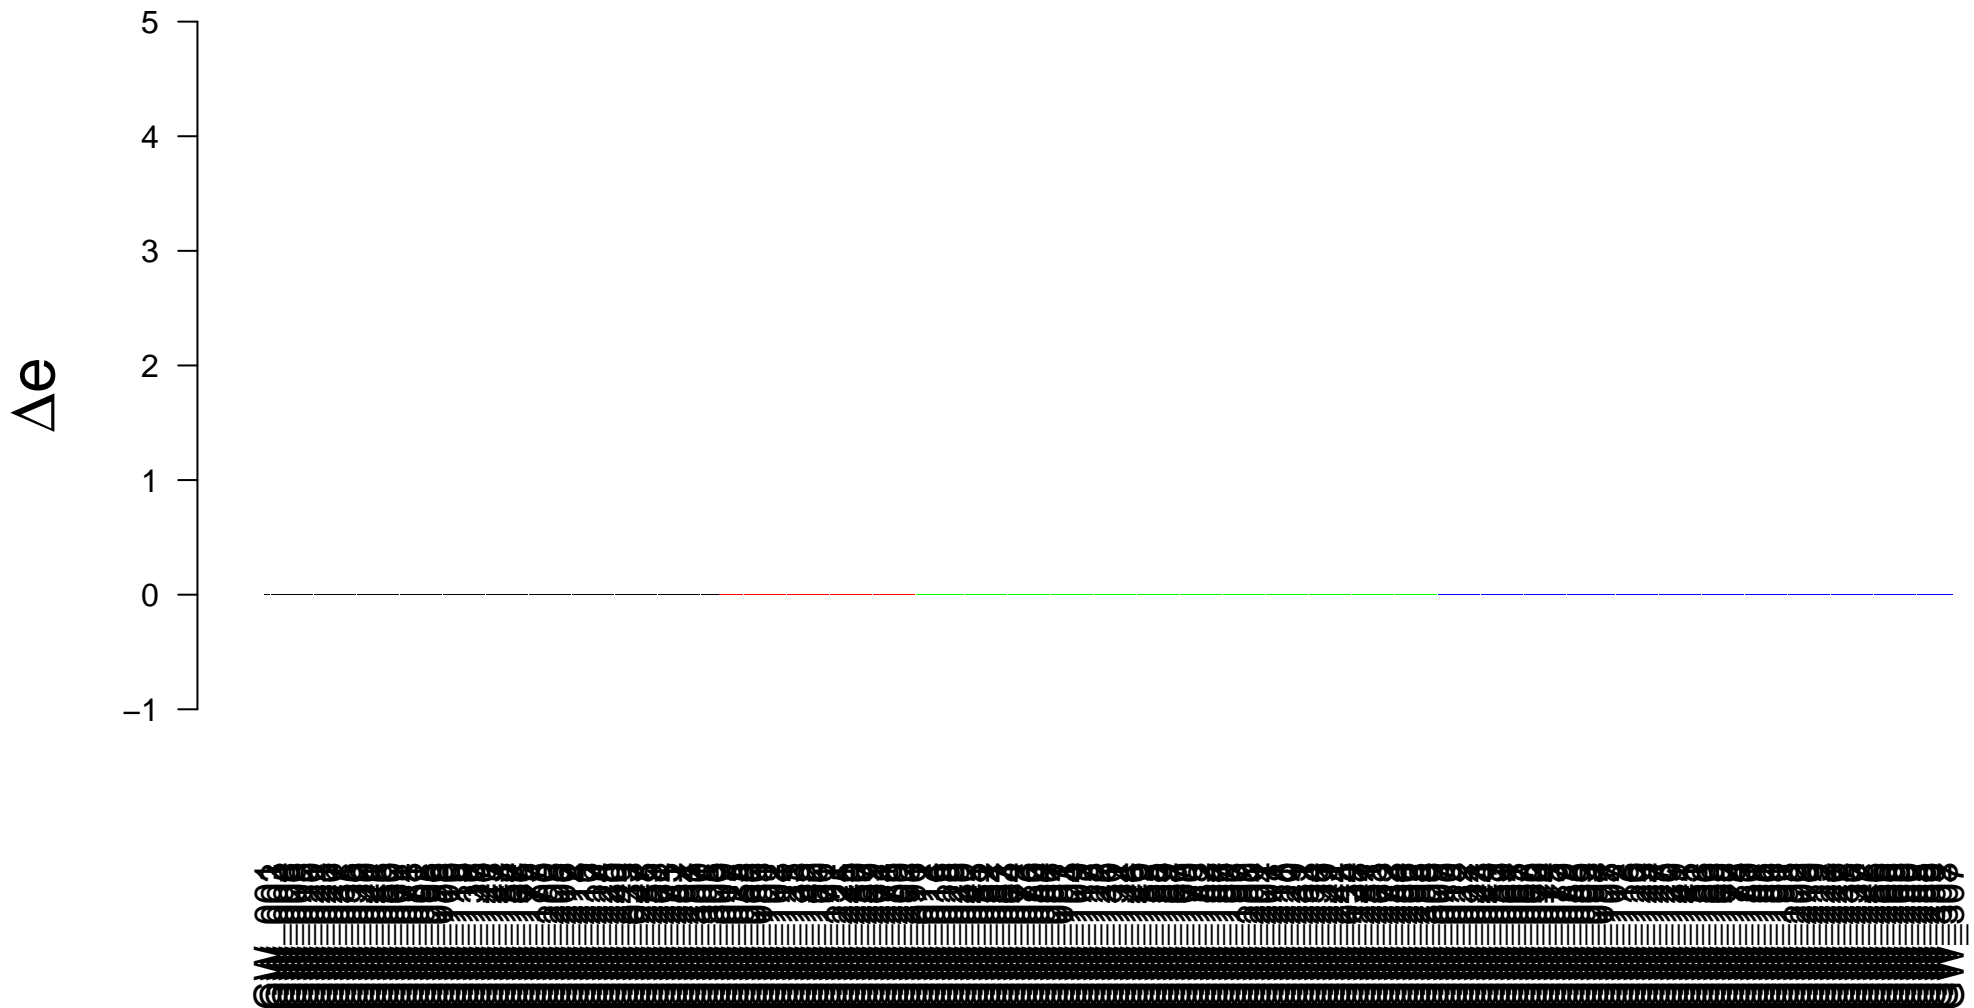

# Expression of cell growth in Spot G

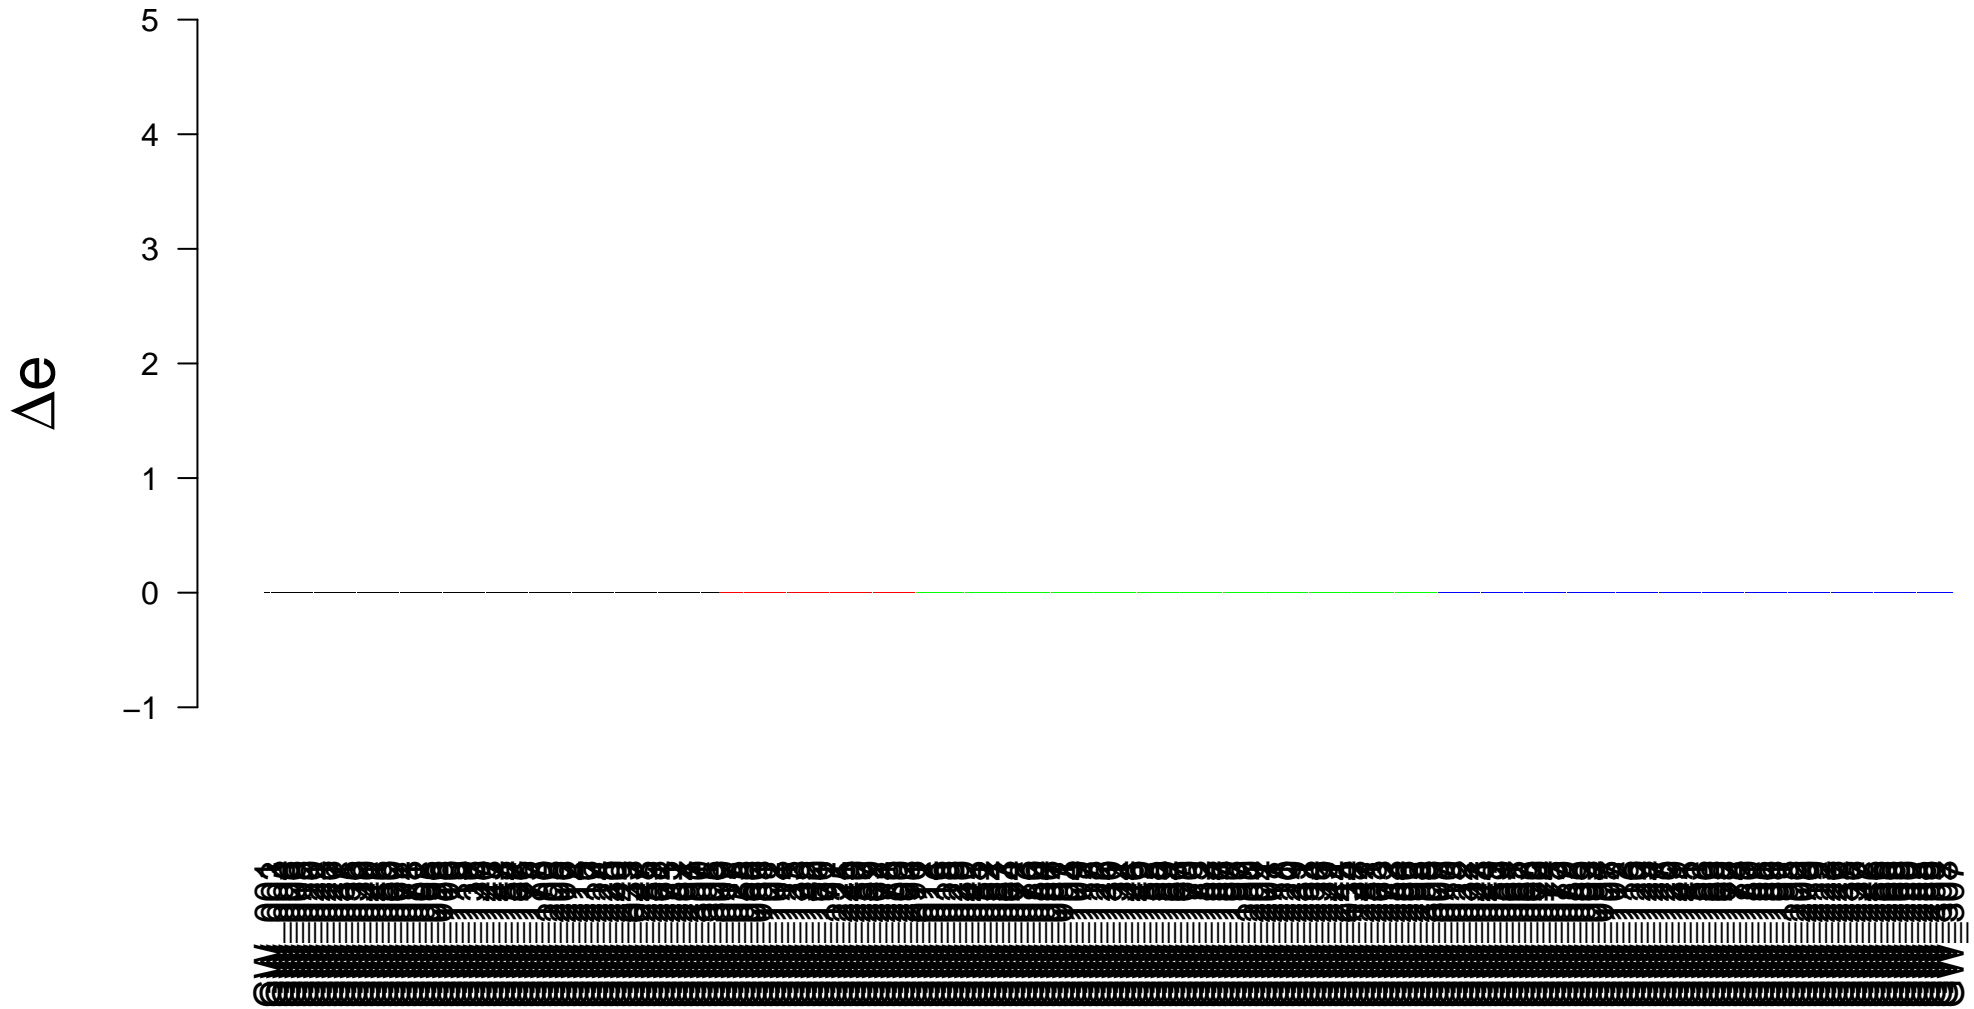

# Expression of cell growth in Spot H

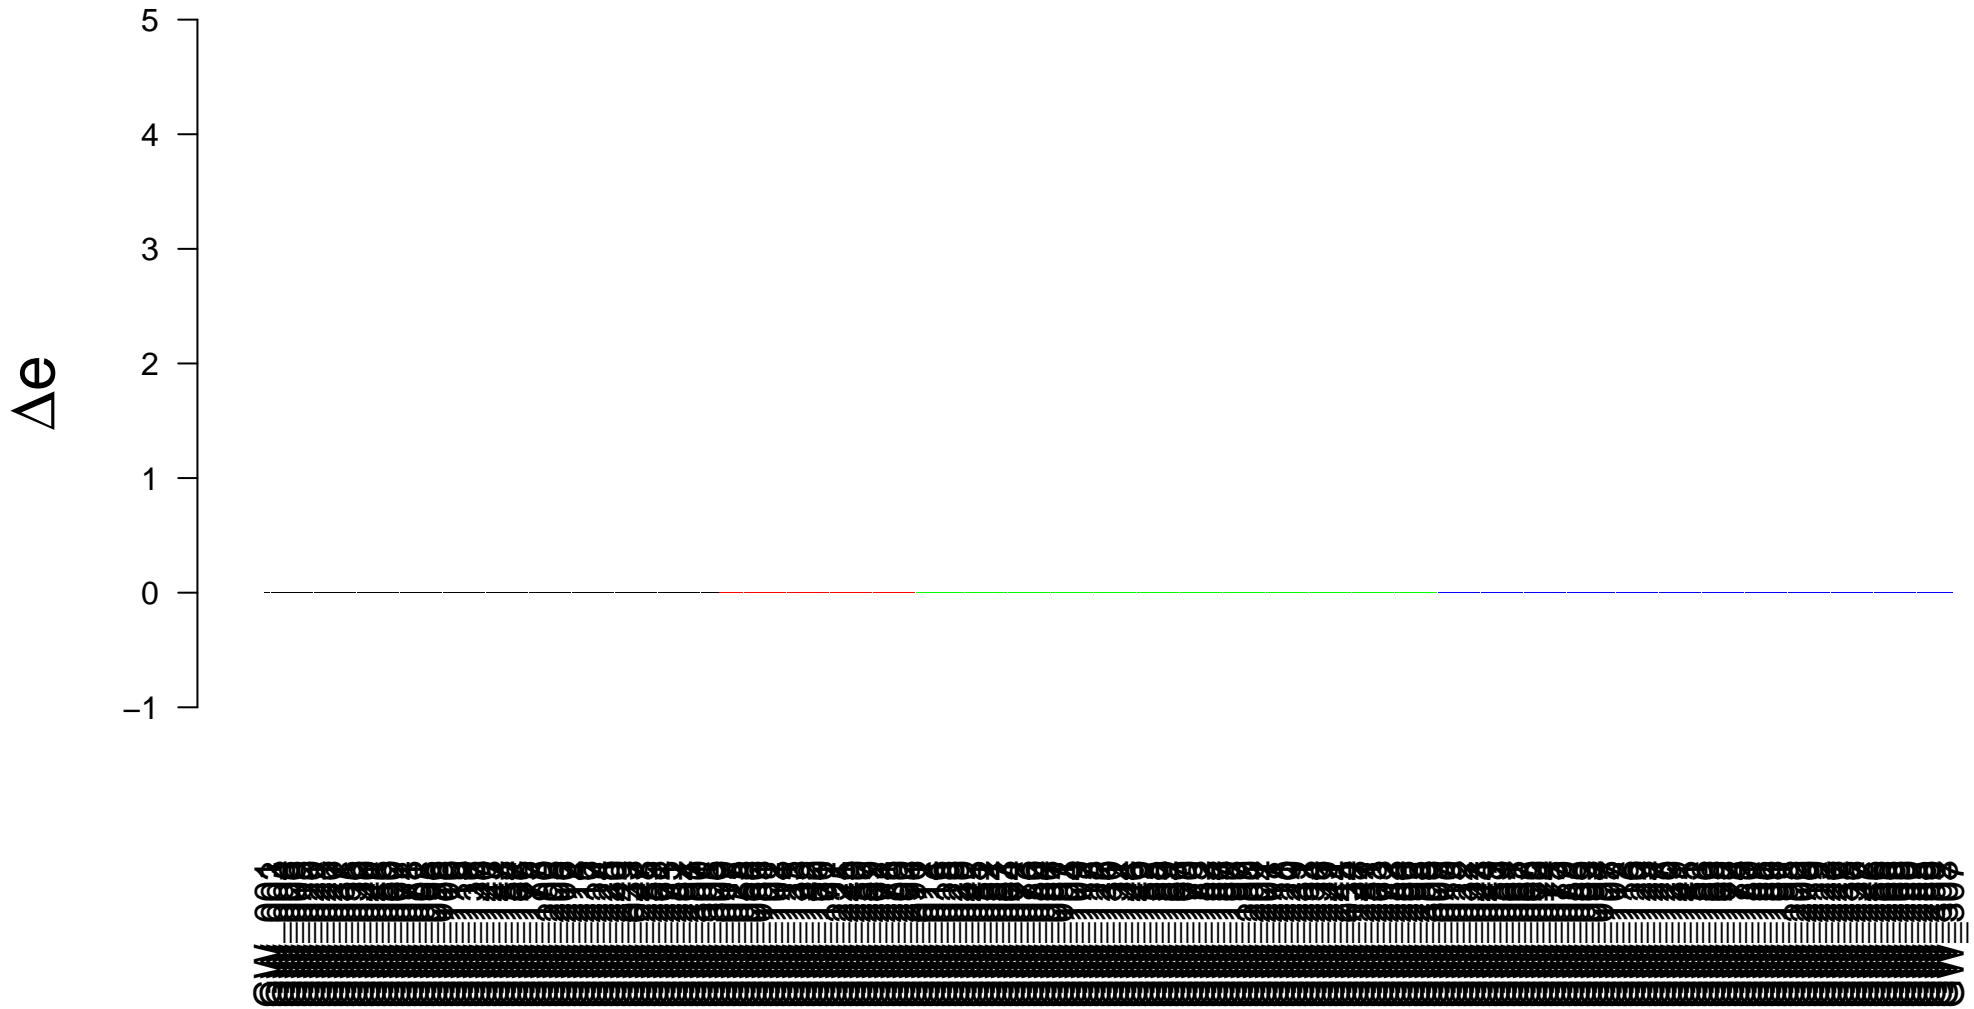

# Expression of cell growth in Spot I

# Expression of cell growth in Spot J

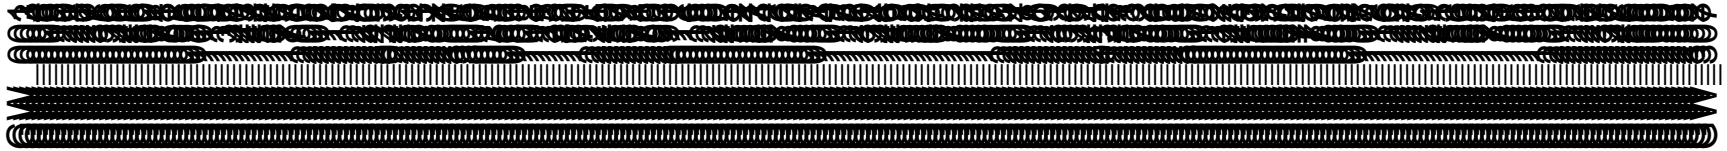

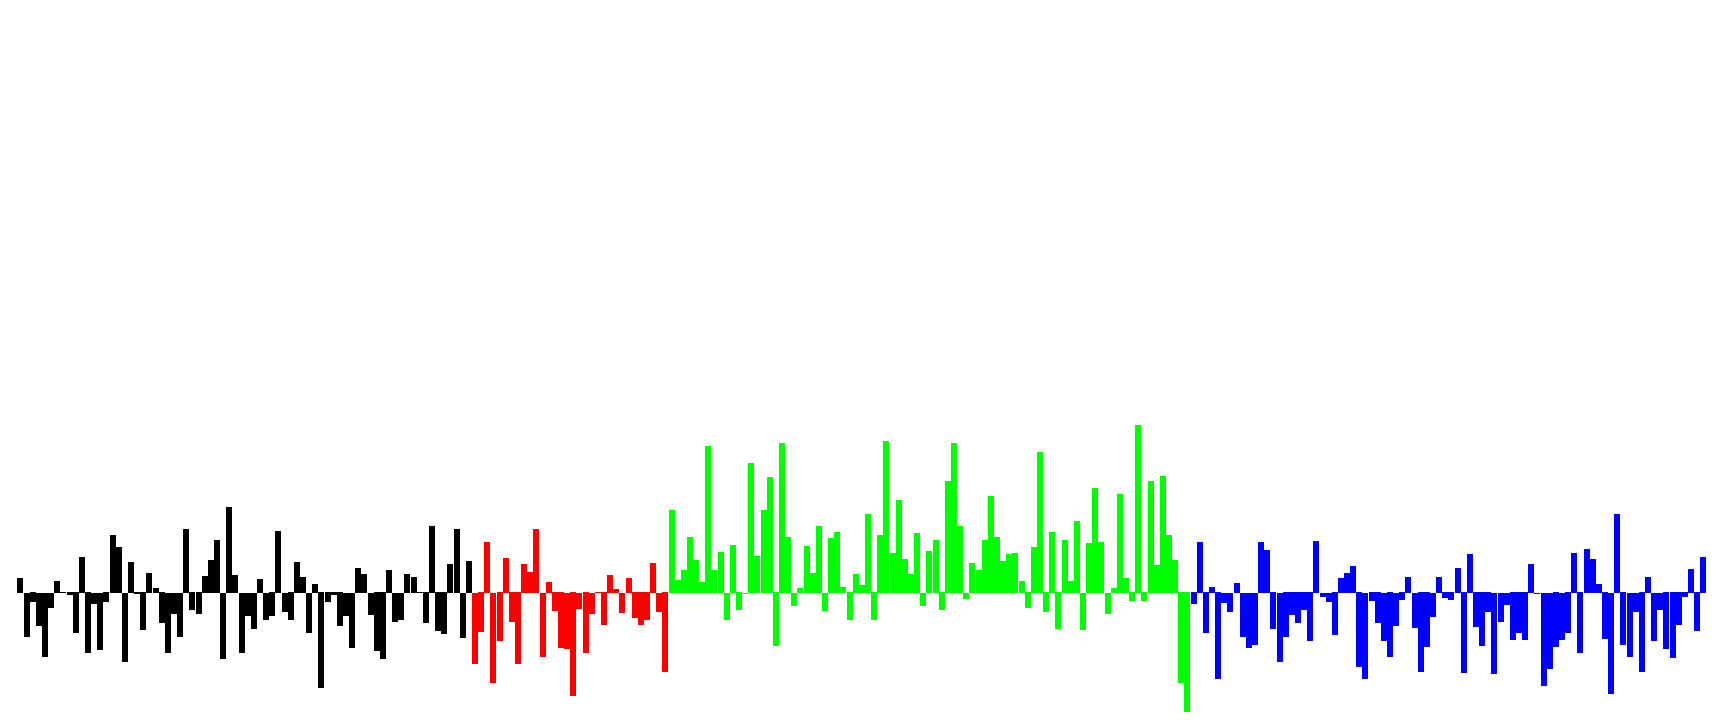

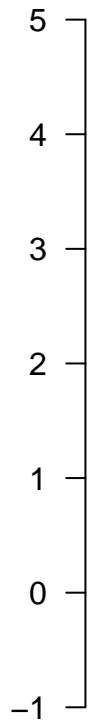

# Expression of cell growth in Spot K

# Expression of cell growth in Spot L

$\Delta e$

# Expression of cell growth in Spot M
