

cell wall macromolecule catabolic process

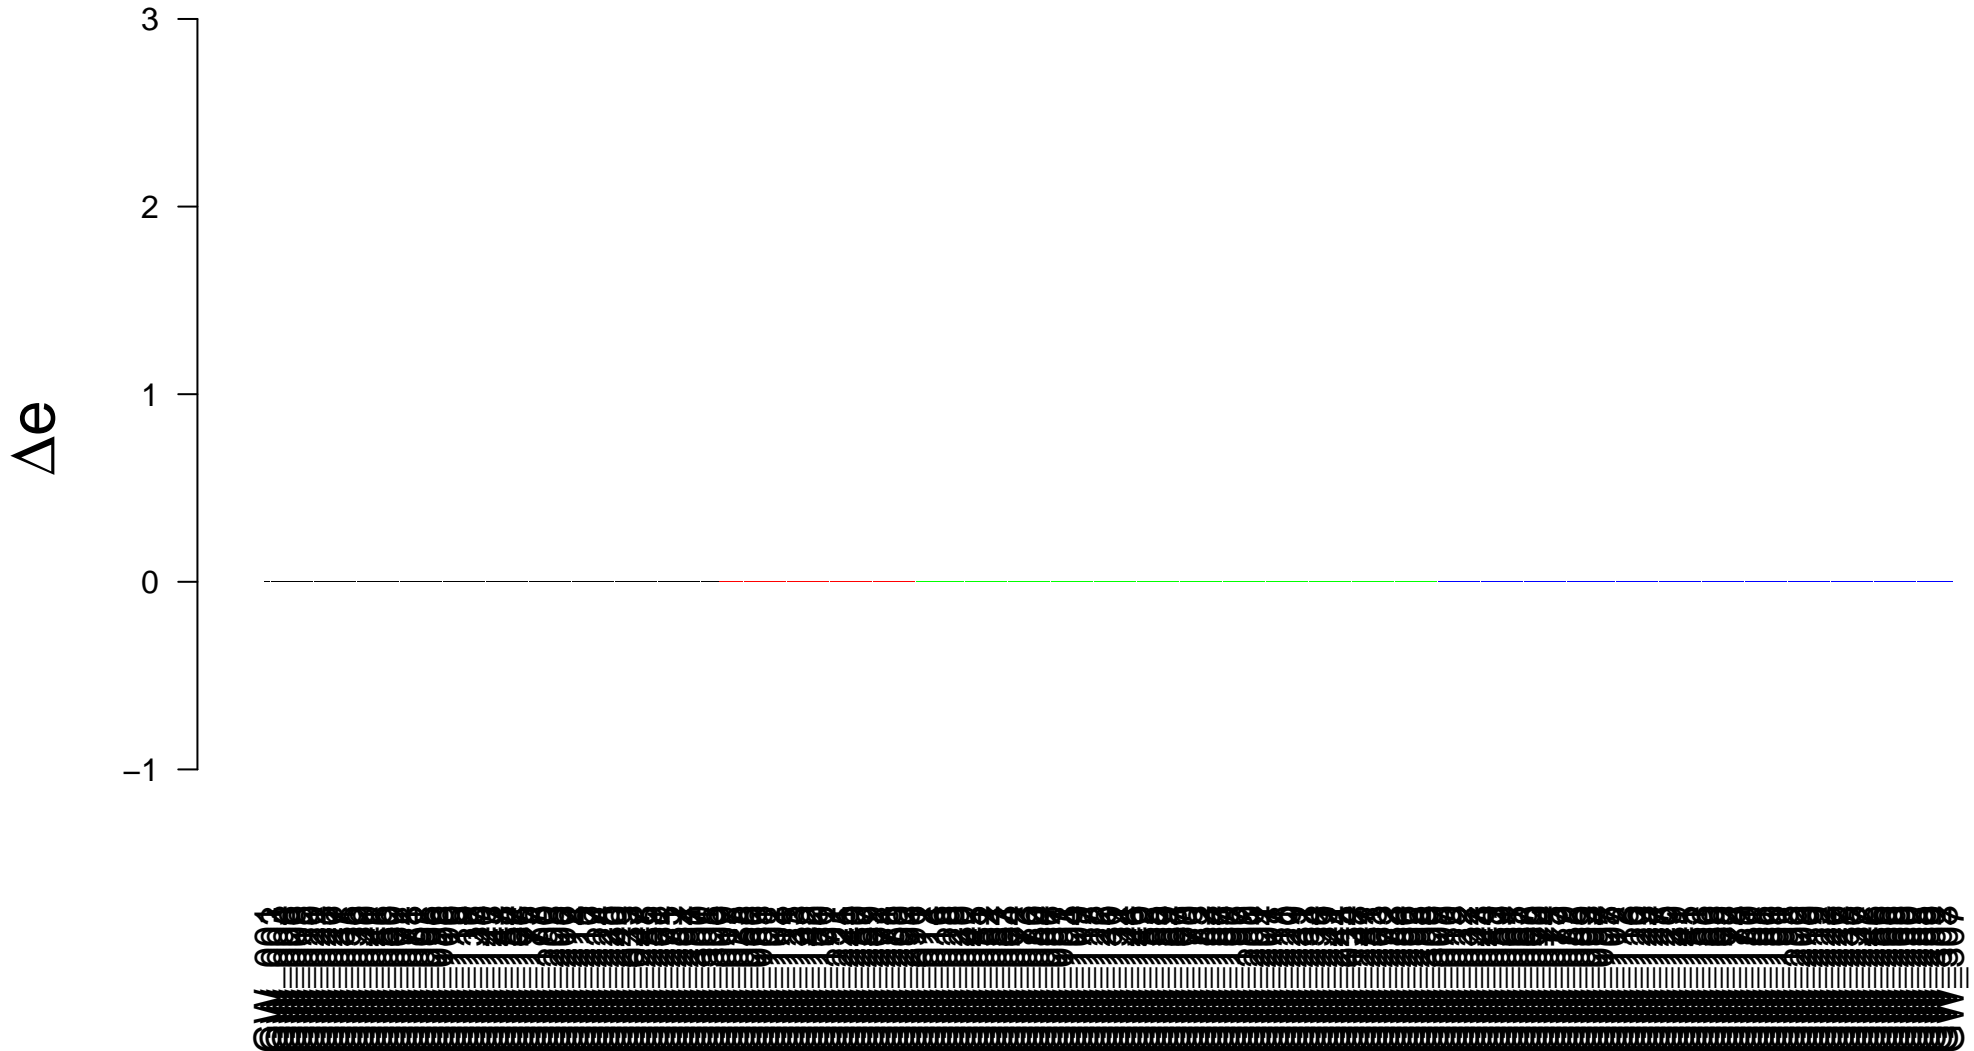

cell wall macromolecule catabolic process

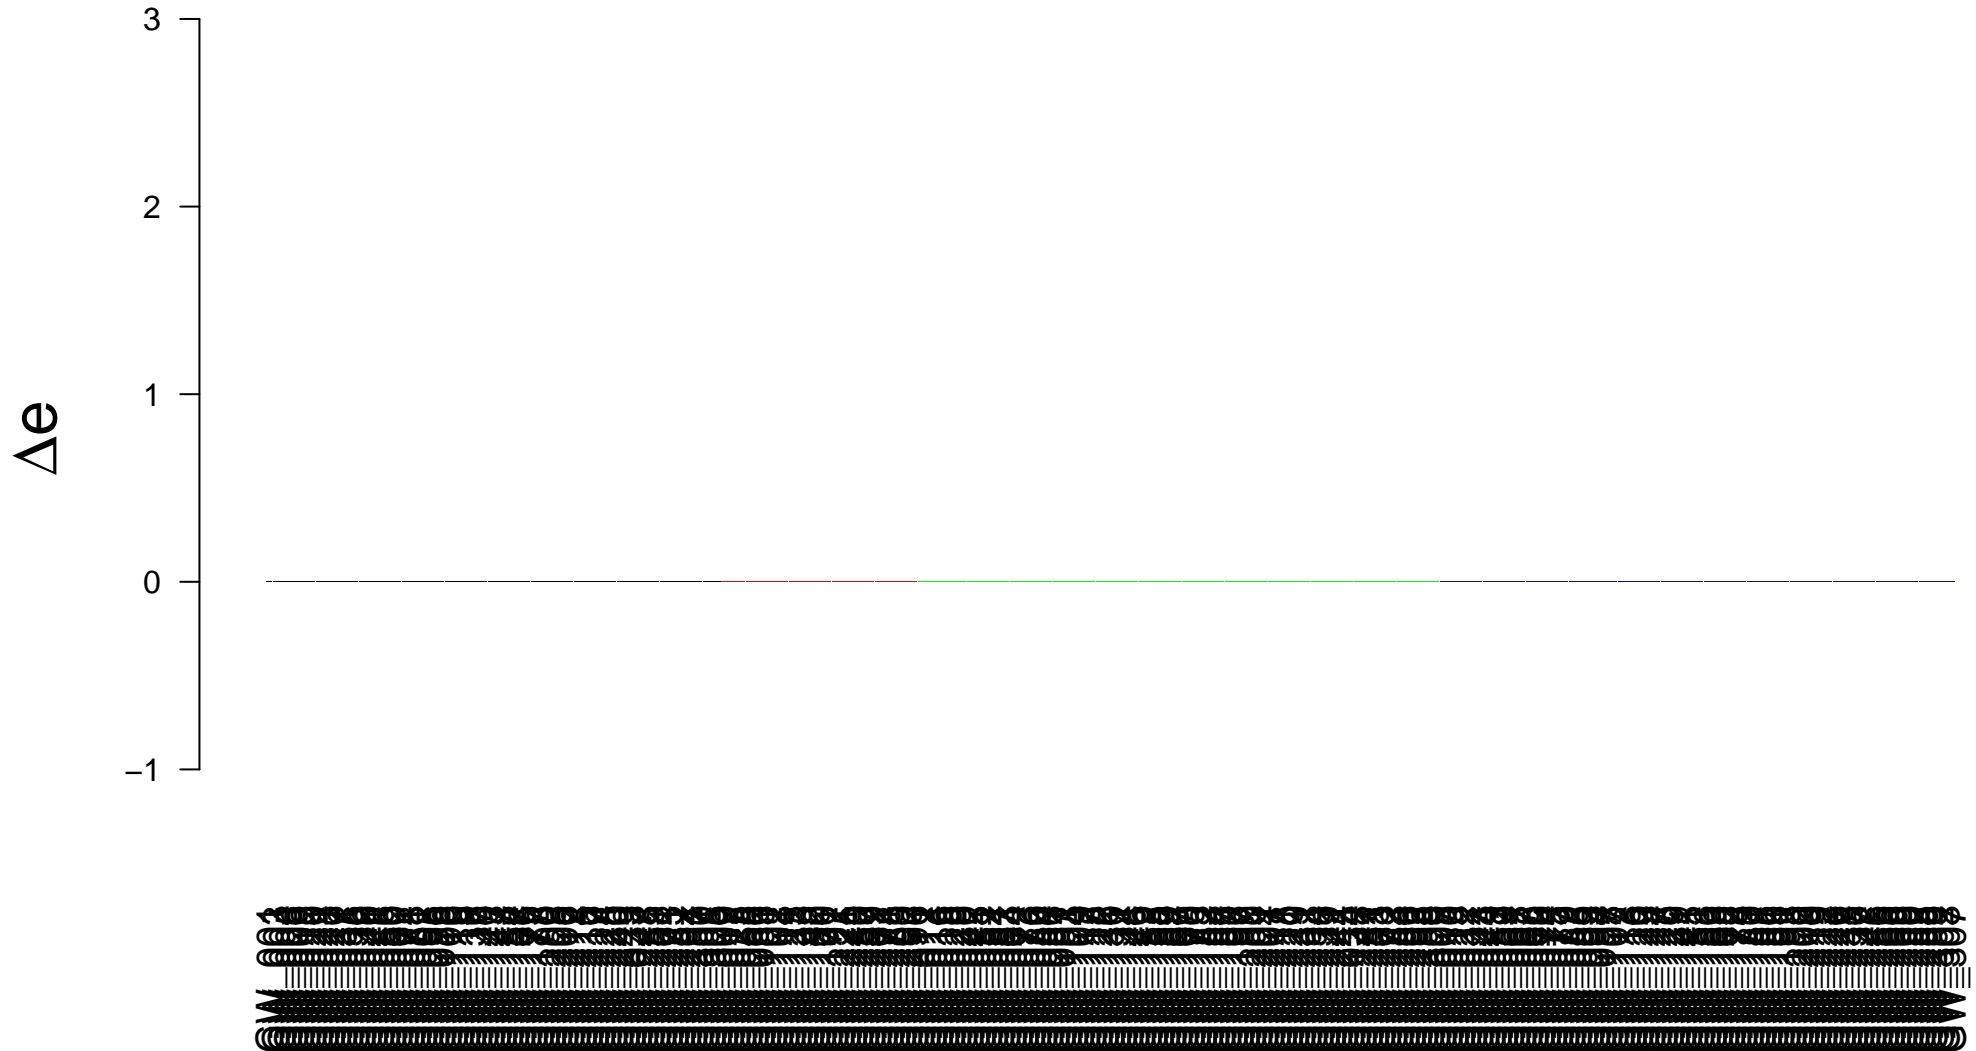

Enrichment in spots: cell wall macromolecule catabolic process

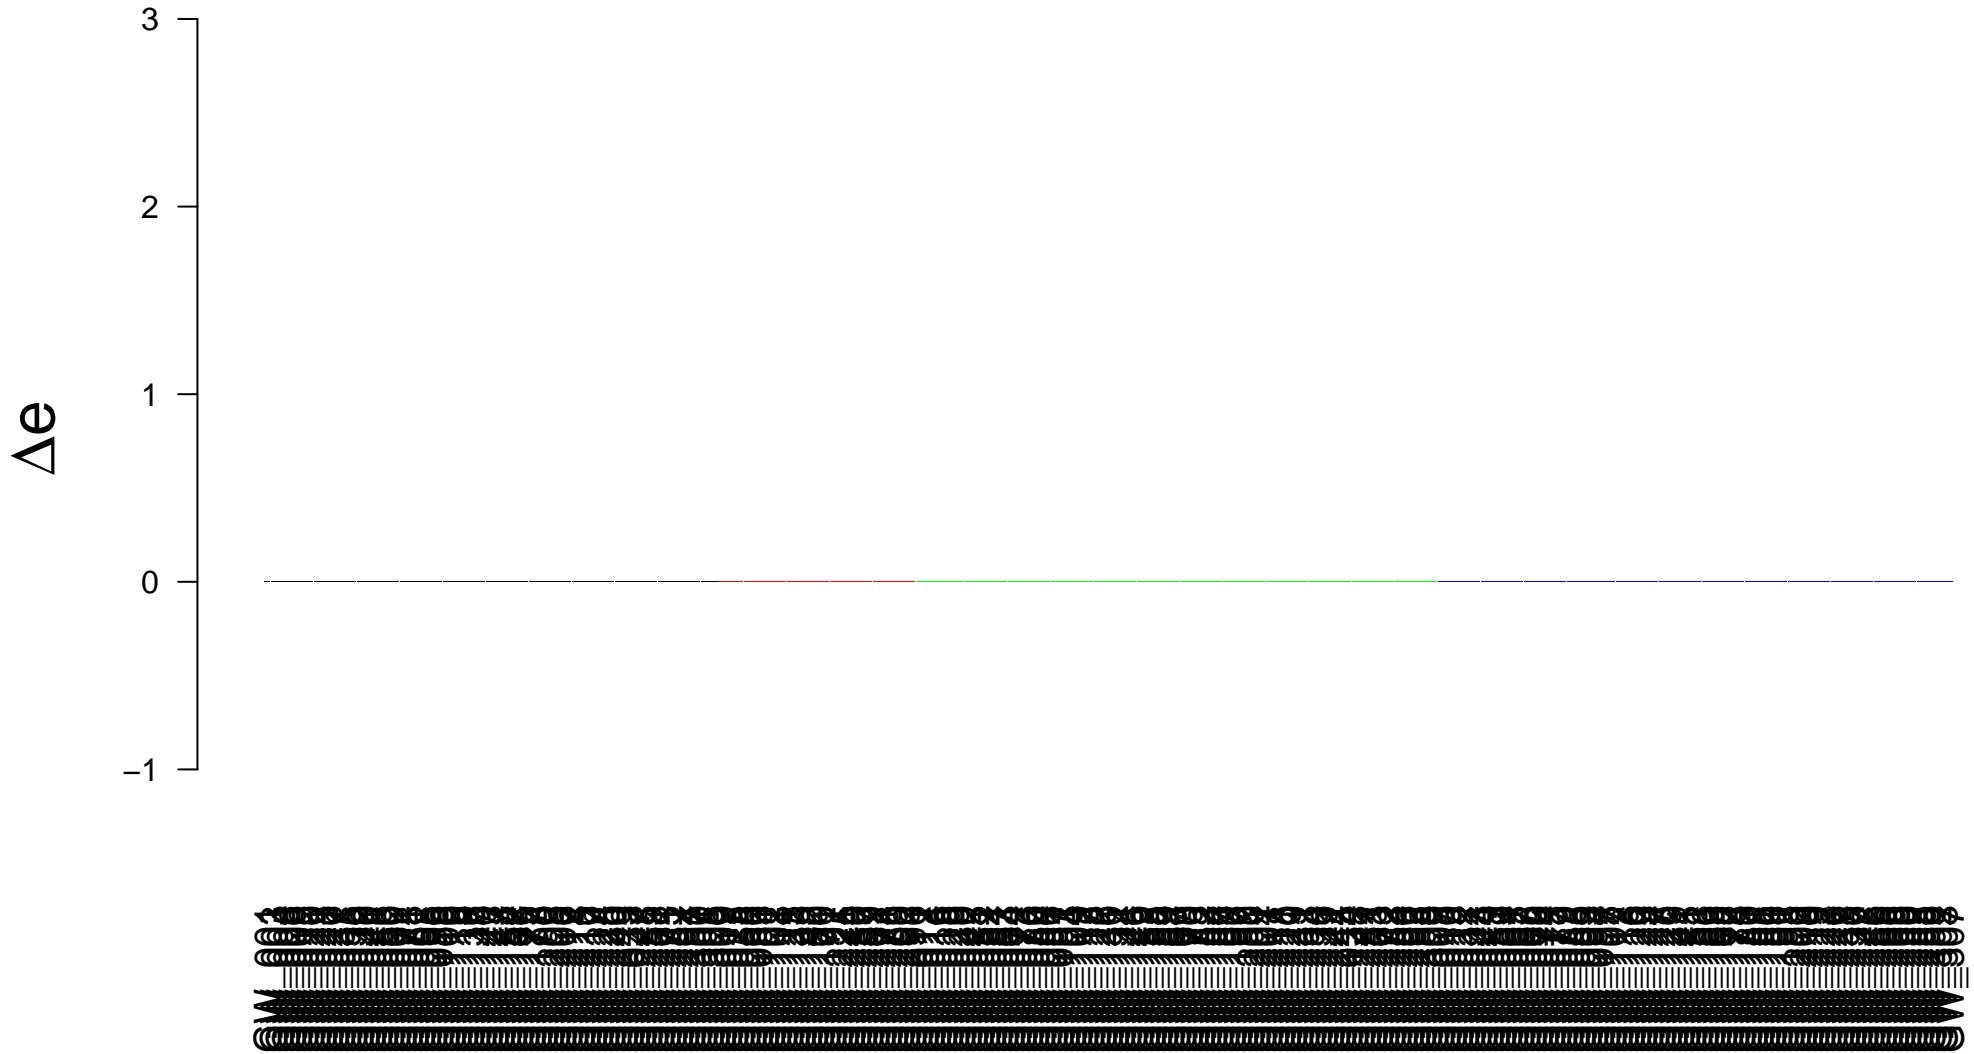

Expression of cell wall macromolecule catabolic process in Spot A

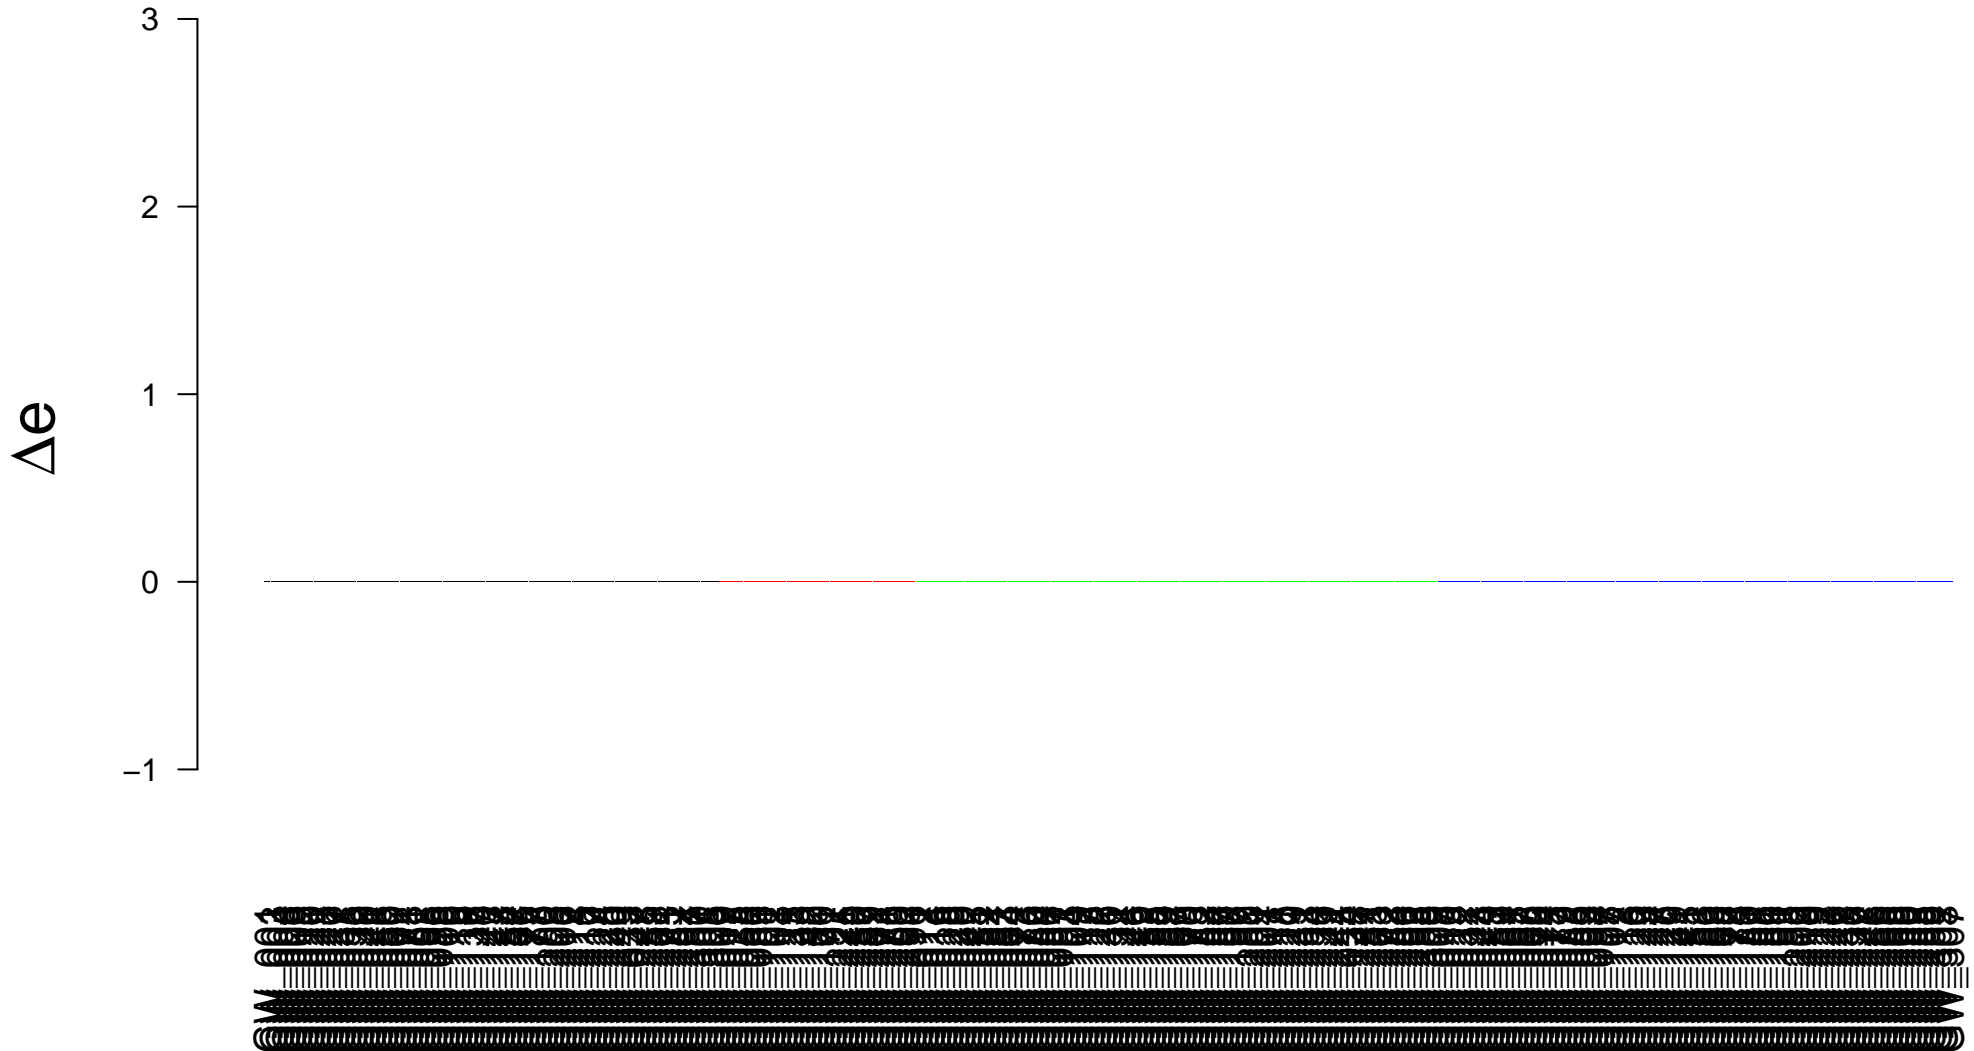

Expression of cell wall macromolecule catabolic process in Spot B

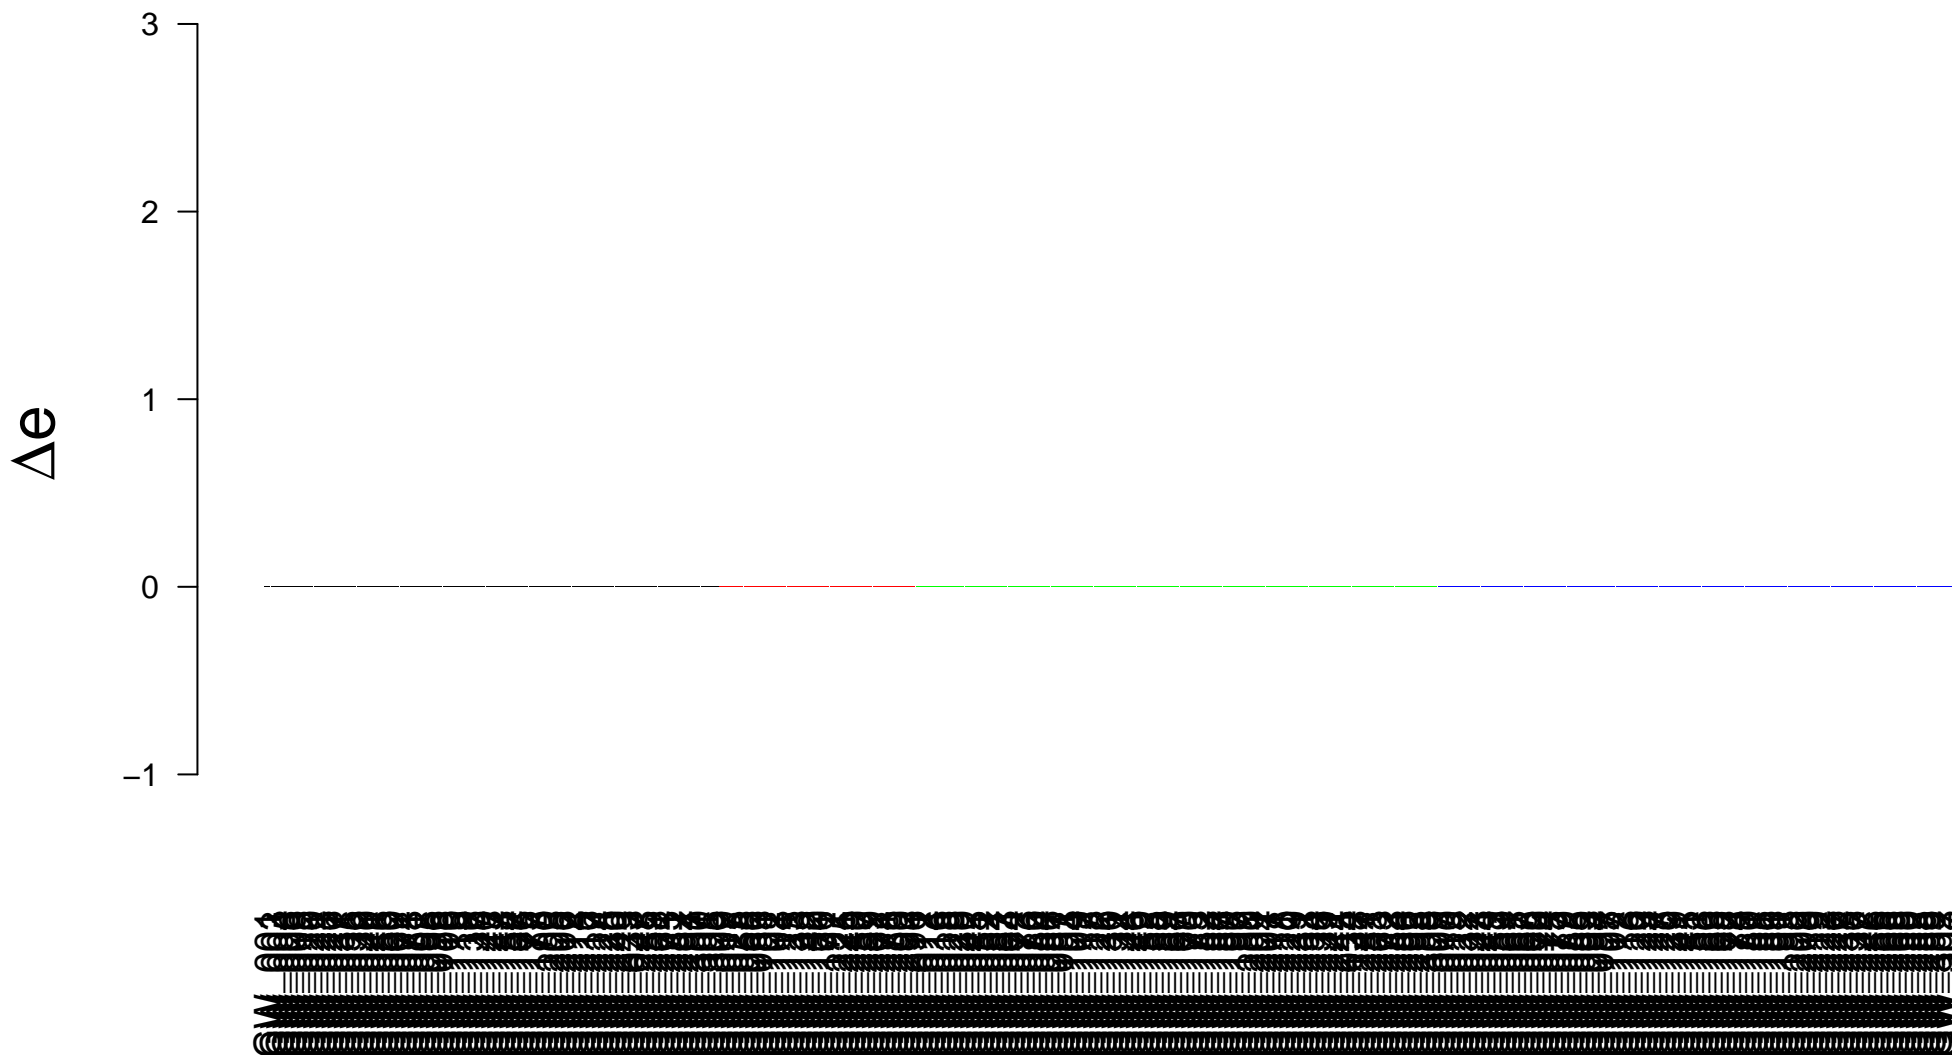

Expression of cell wall macromolecule catabolic process in Spot C

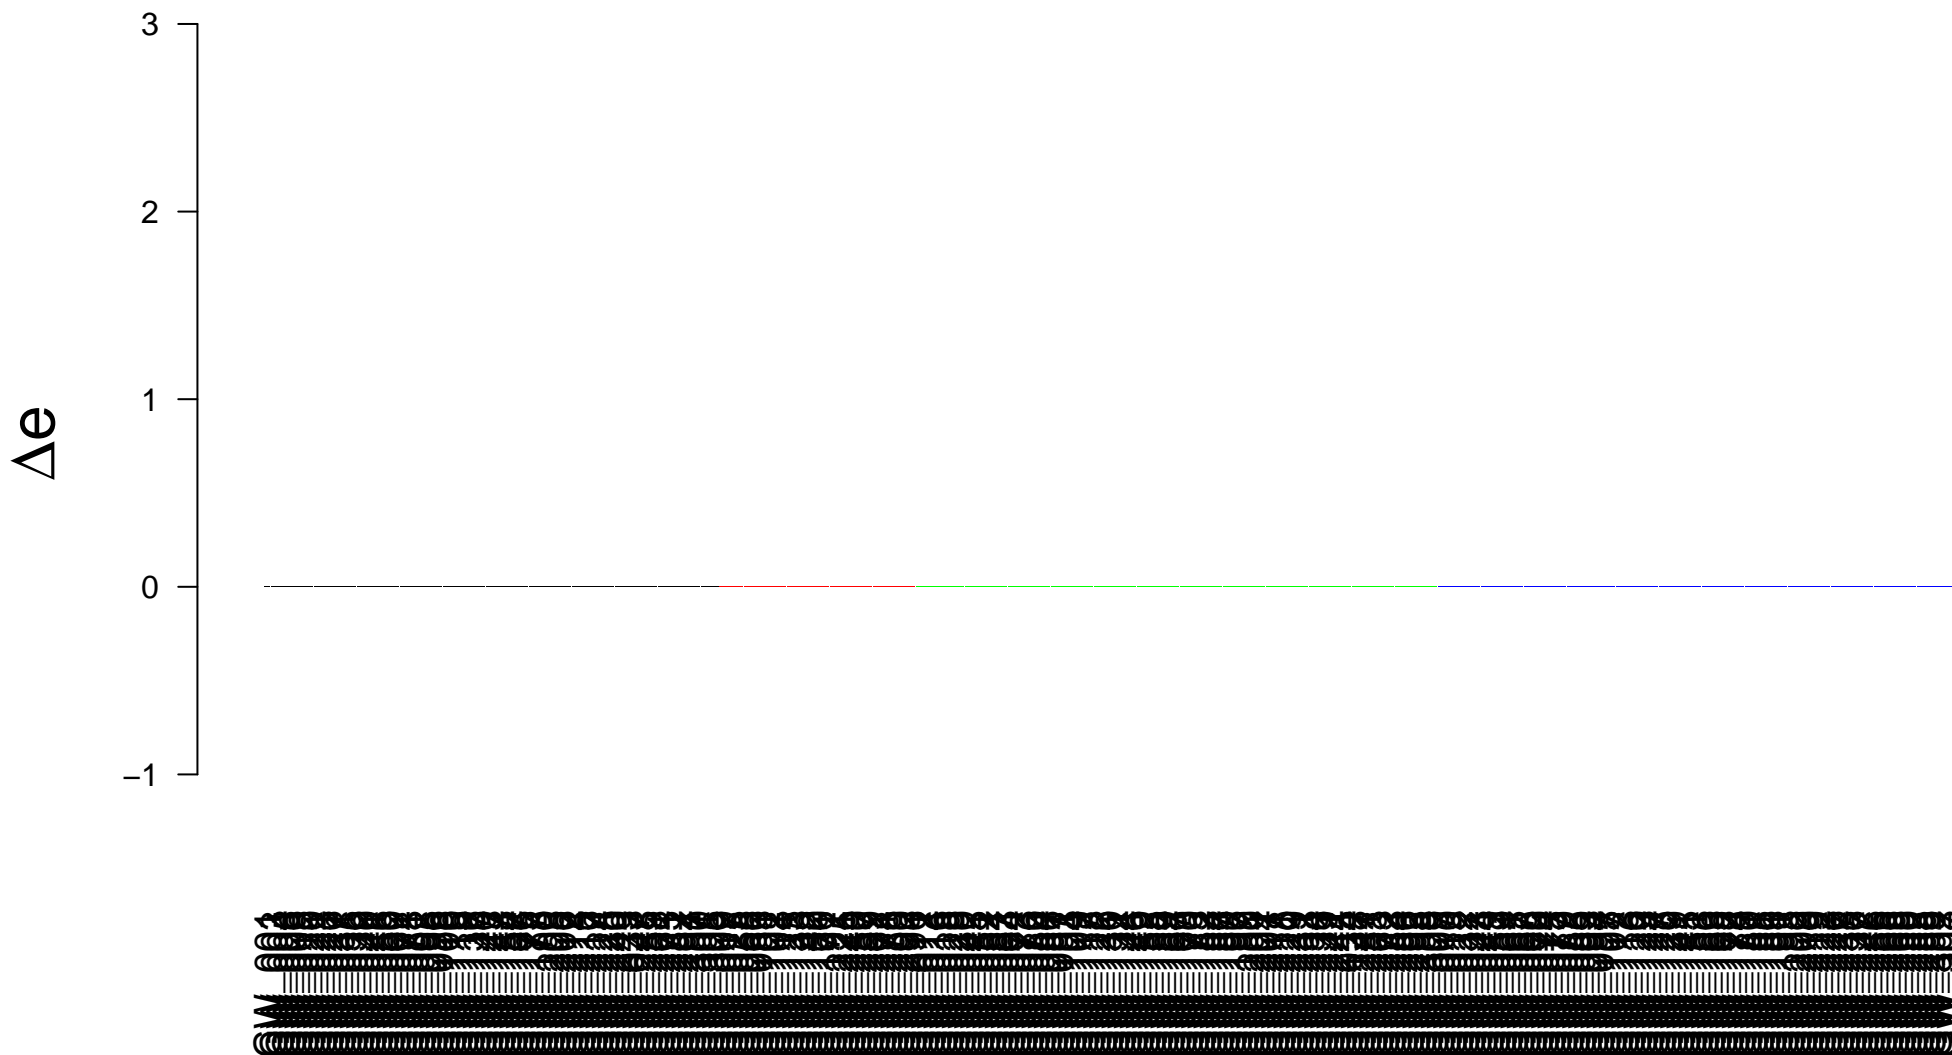

Expression of cell wall macromolecule catabolic process in Spot D

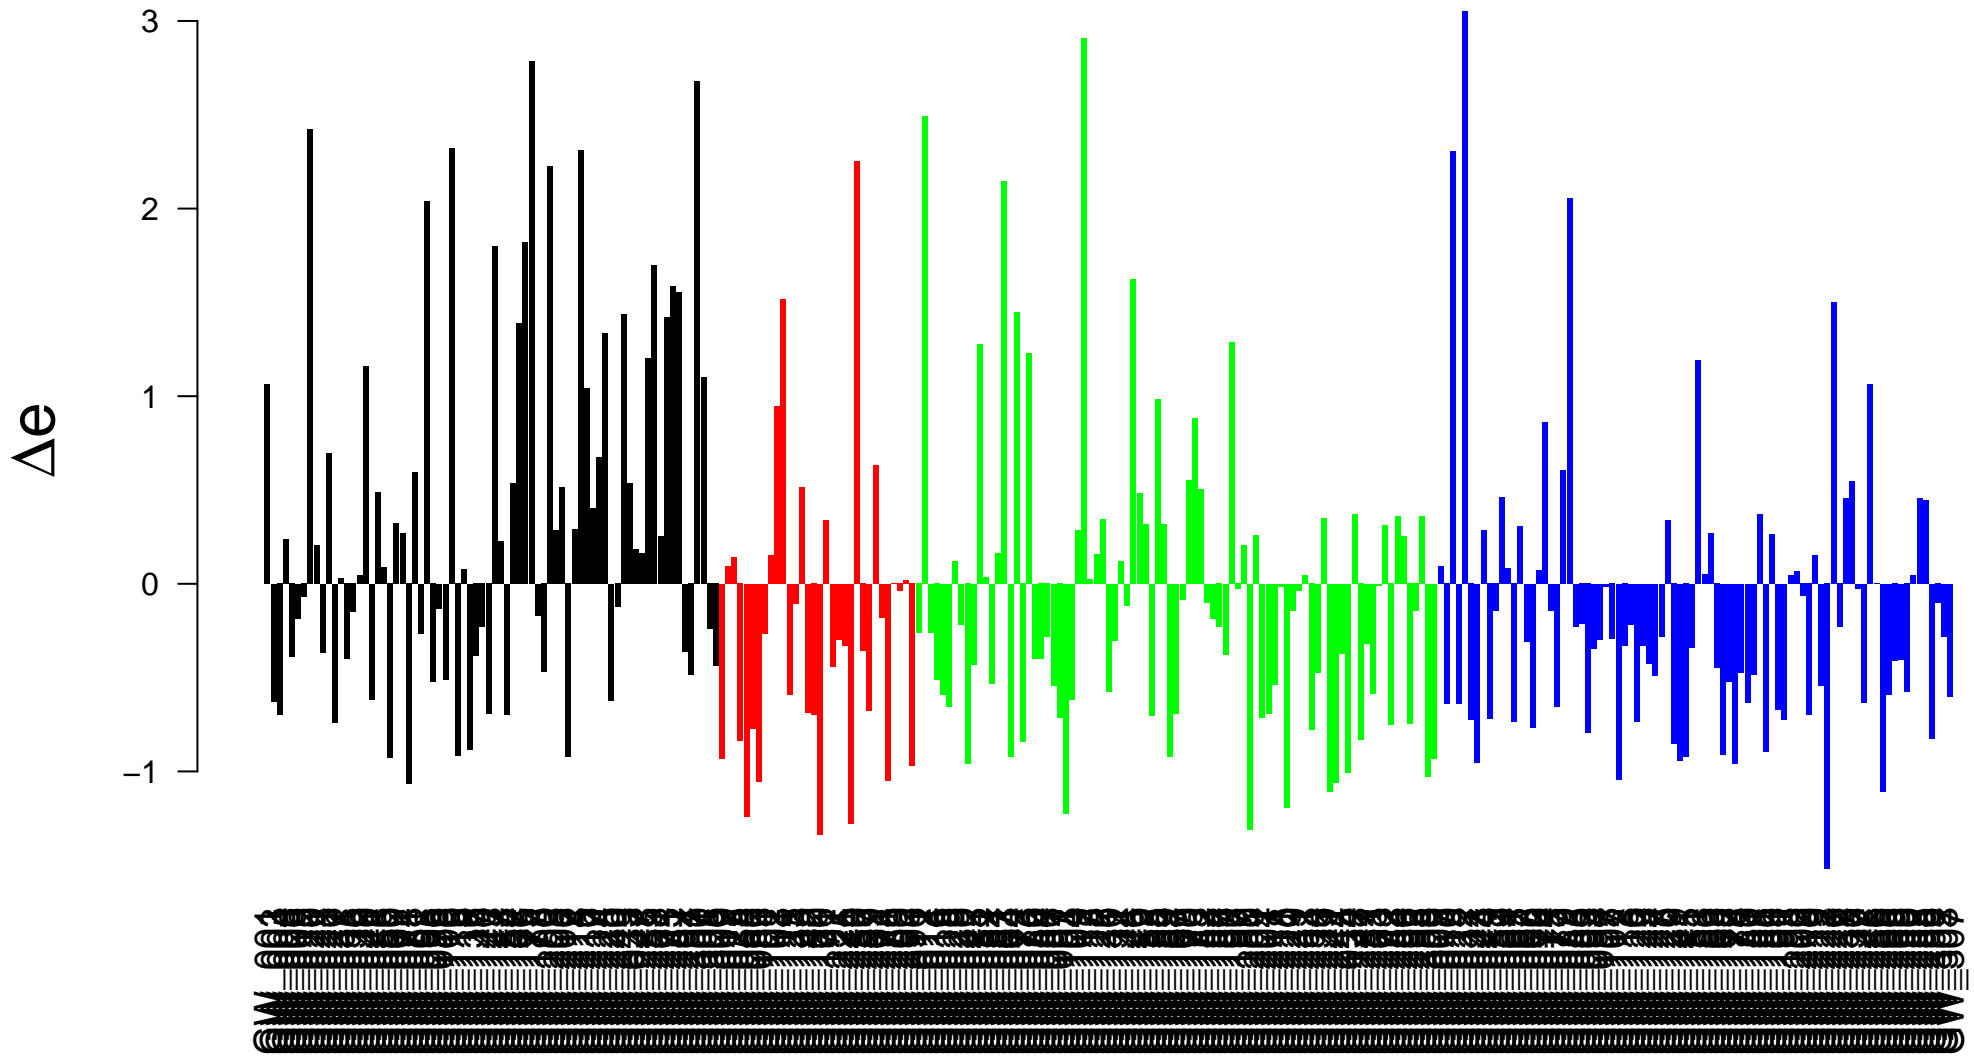

Expression of cell wall macromolecule catabolic process in Spot E

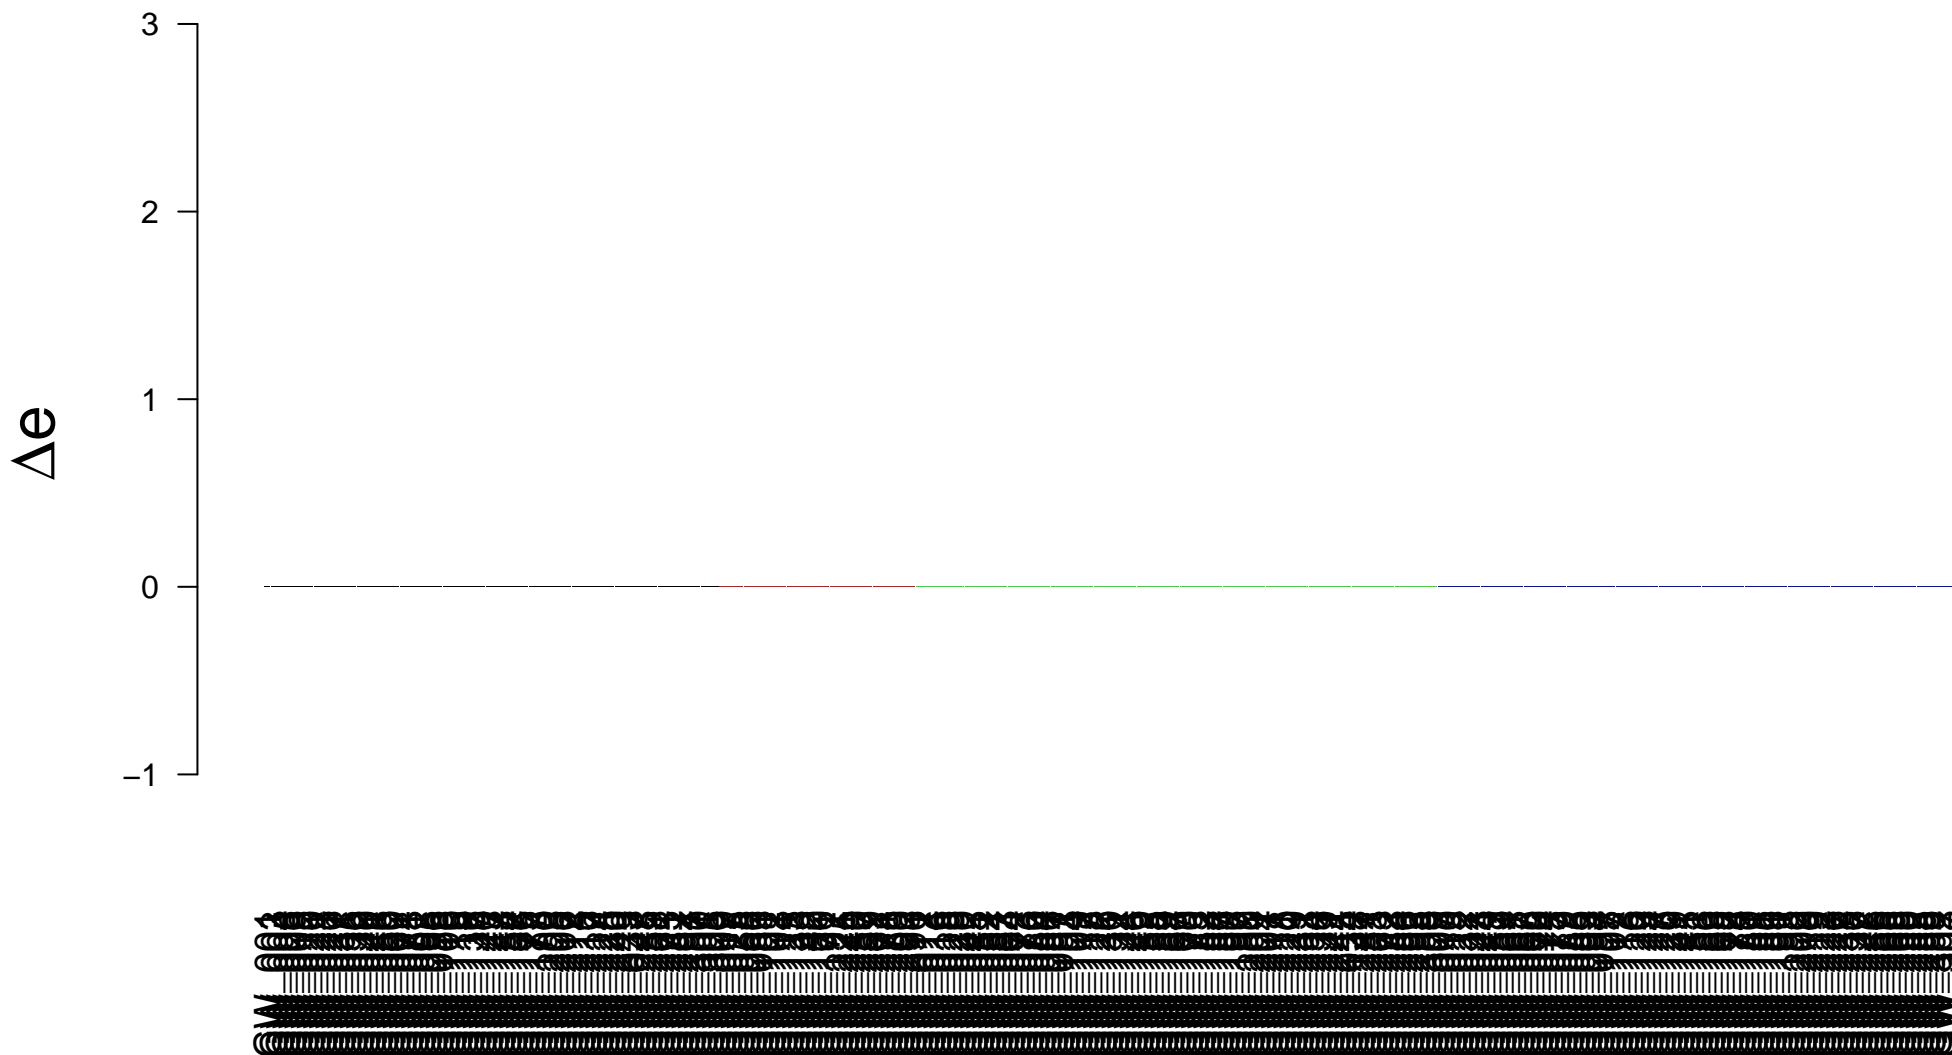

Expression of cell wall macromolecule catabolic process in Spot F

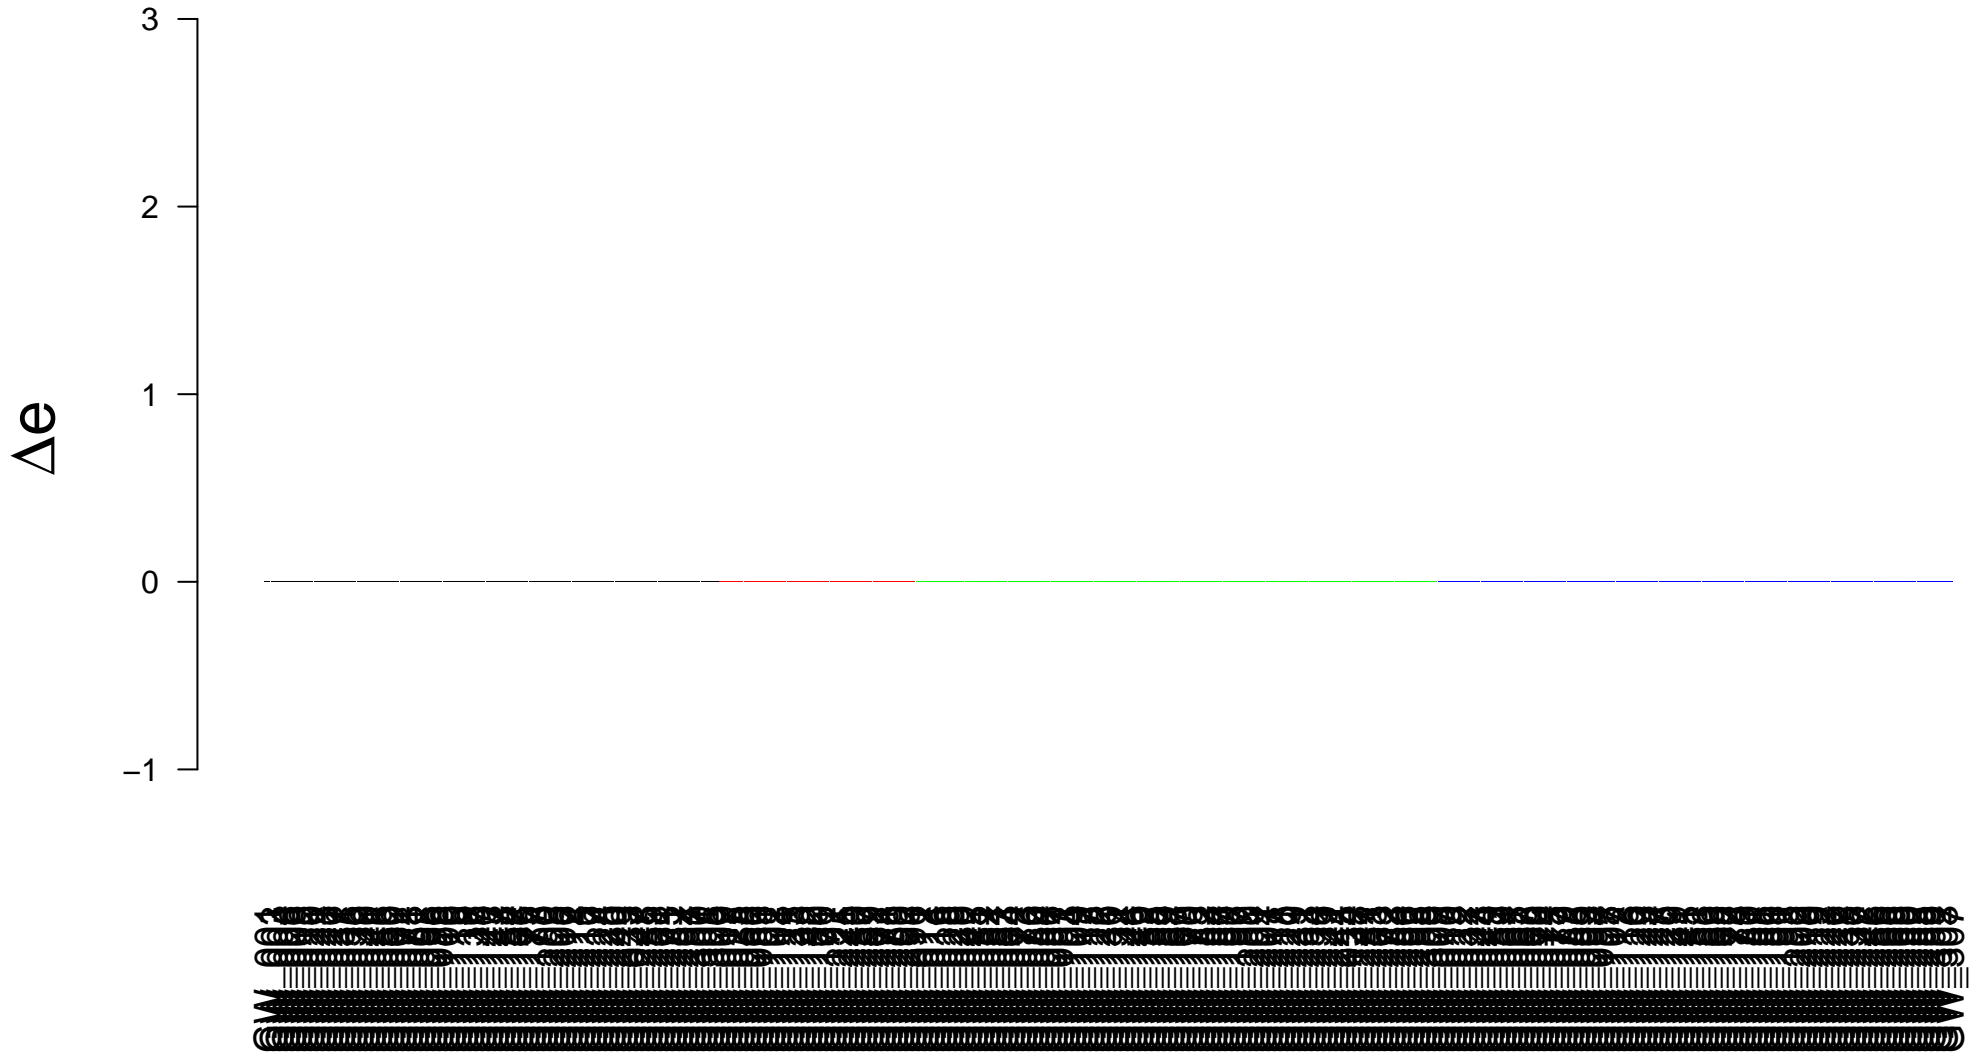

Expression of cell wall macromolecule catabolic process in Spot G

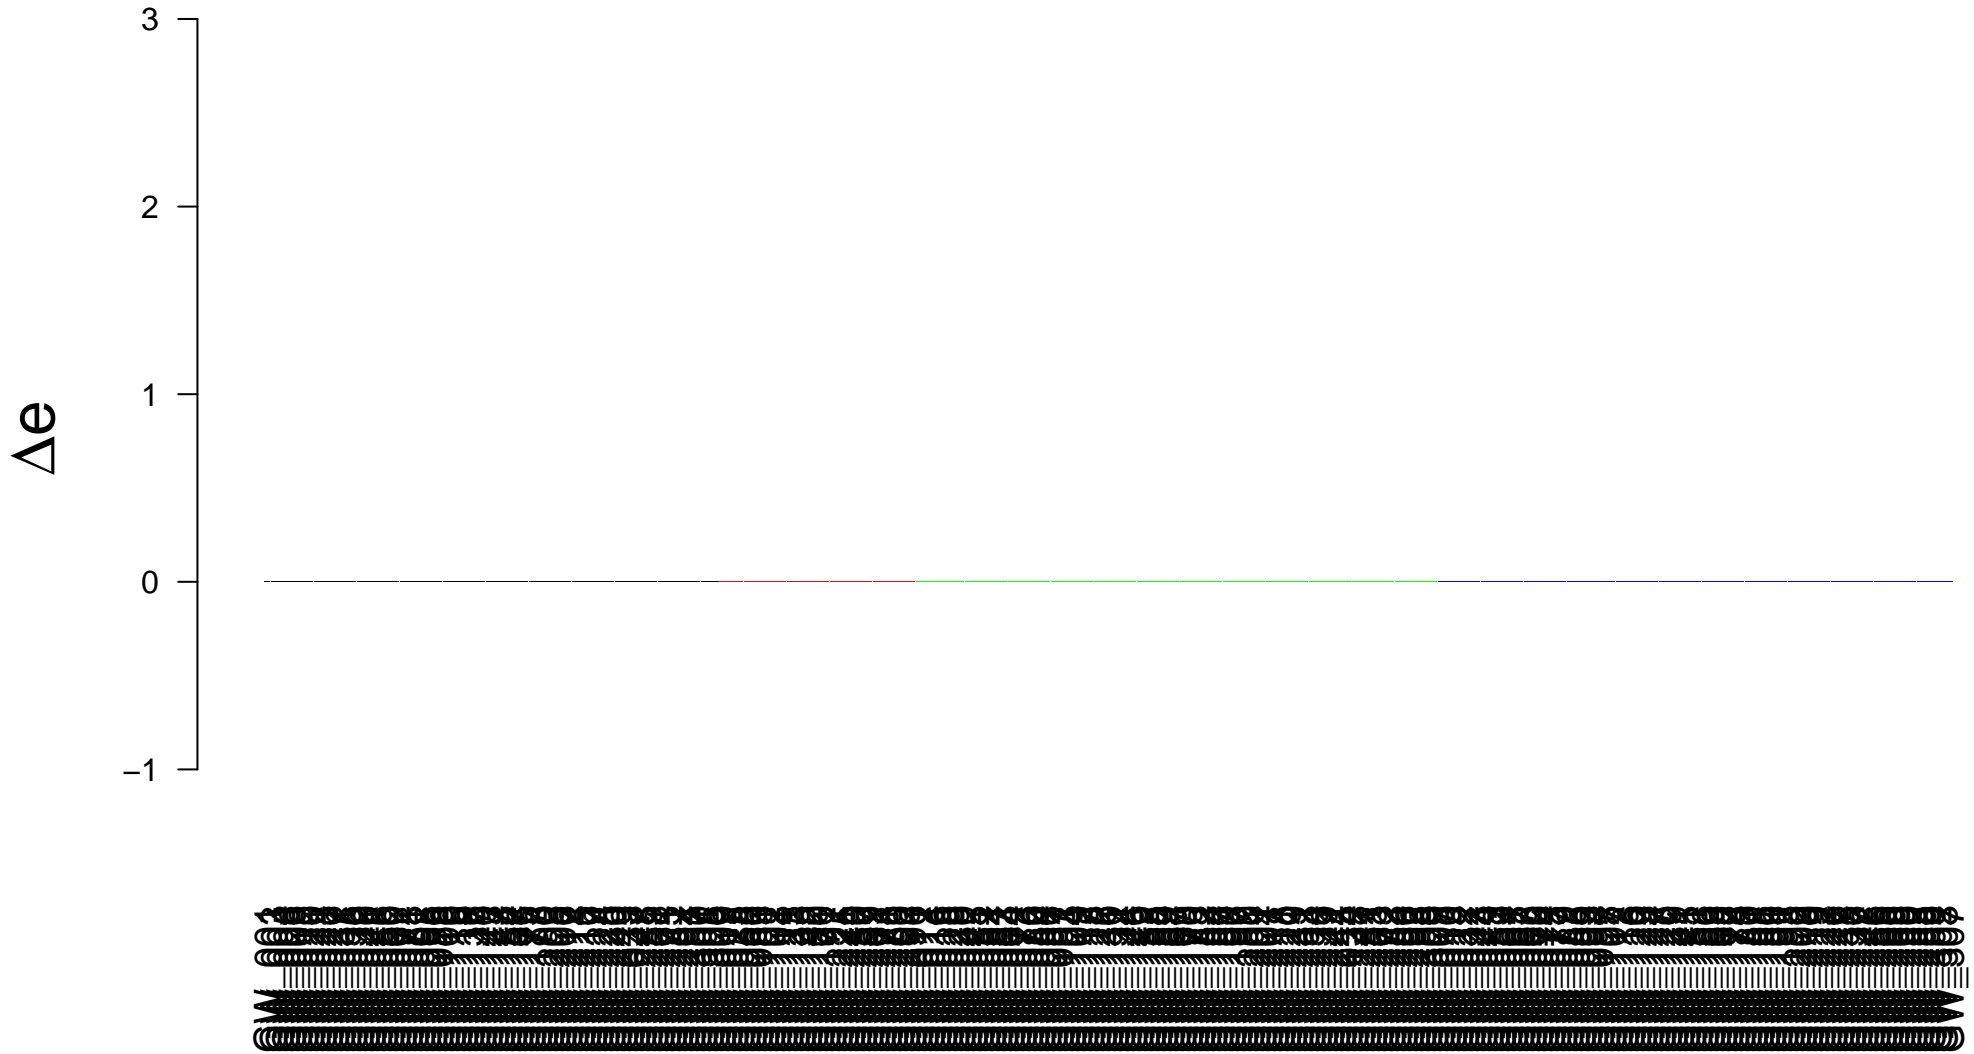

Expression of cell wall macromolecule catabolic process in Spot H

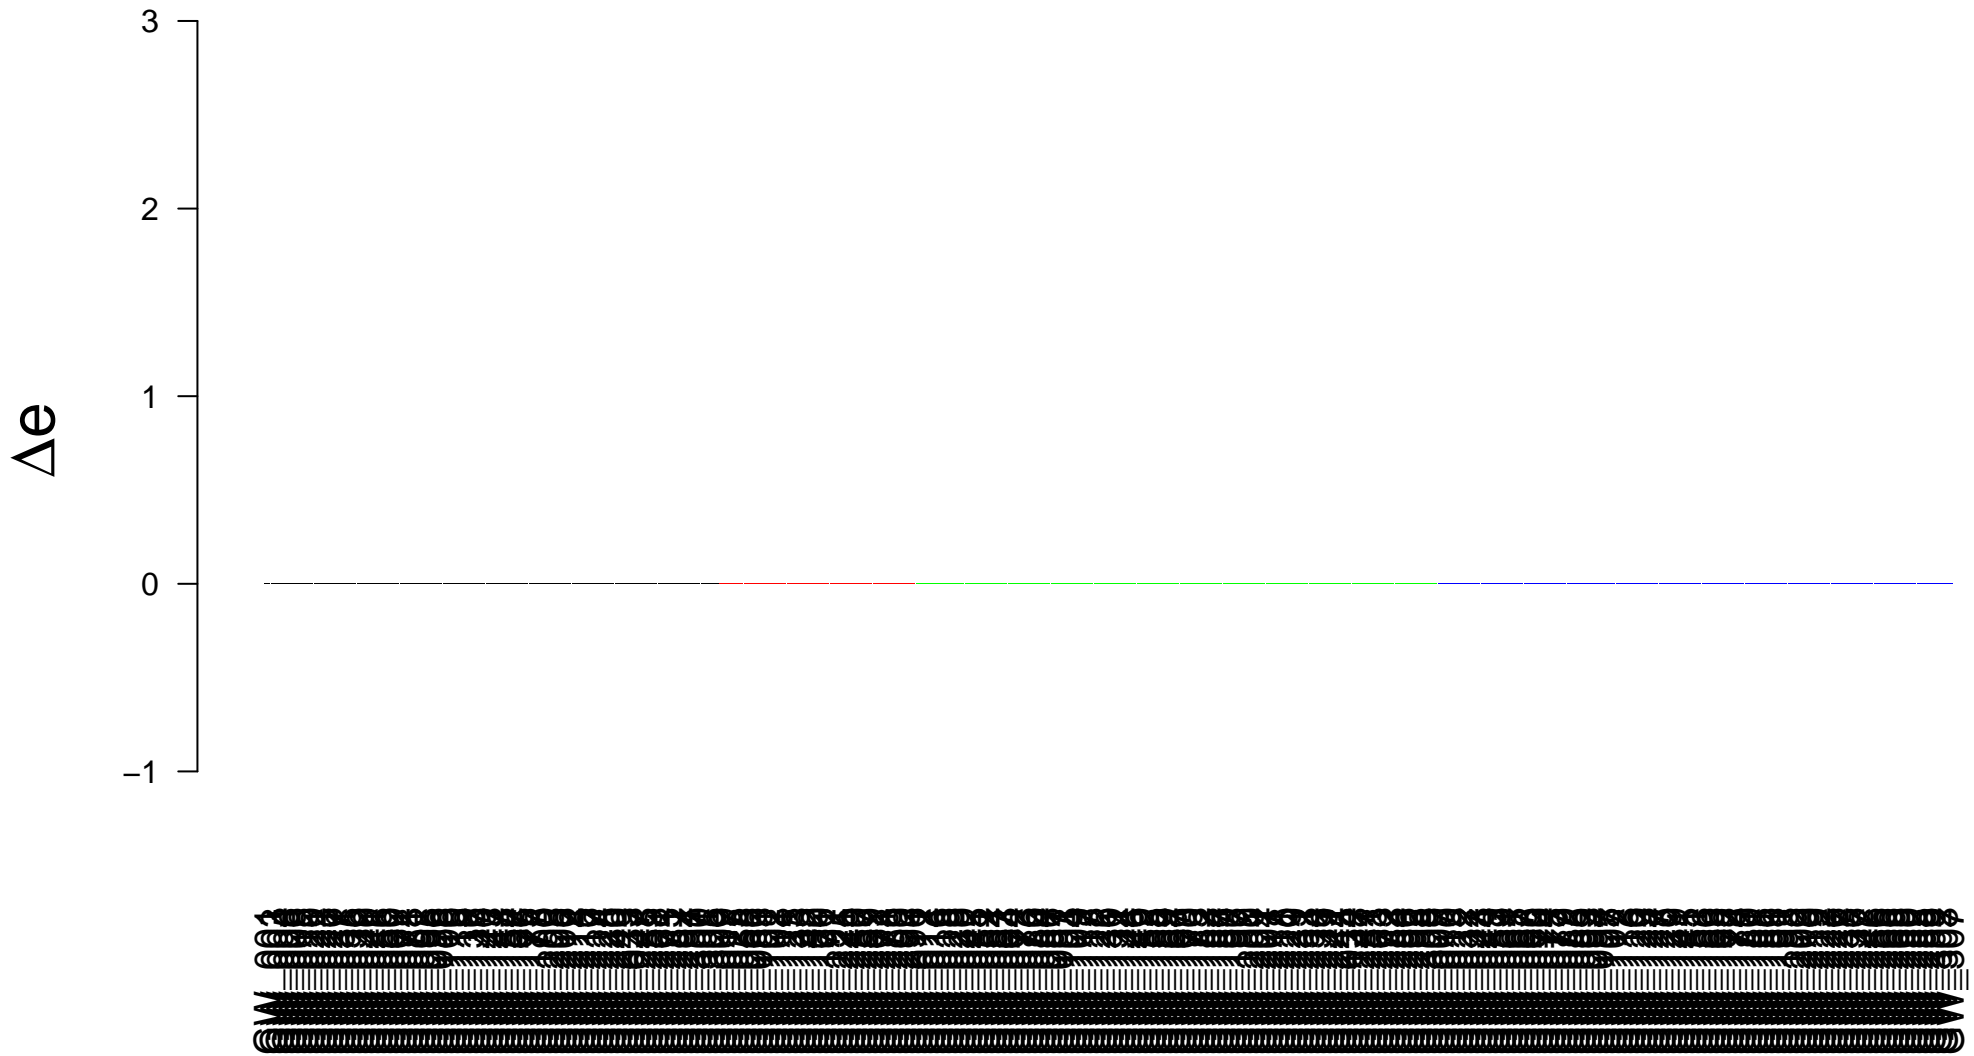

Expression of cell wall macromolecule catabolic process in Spot I

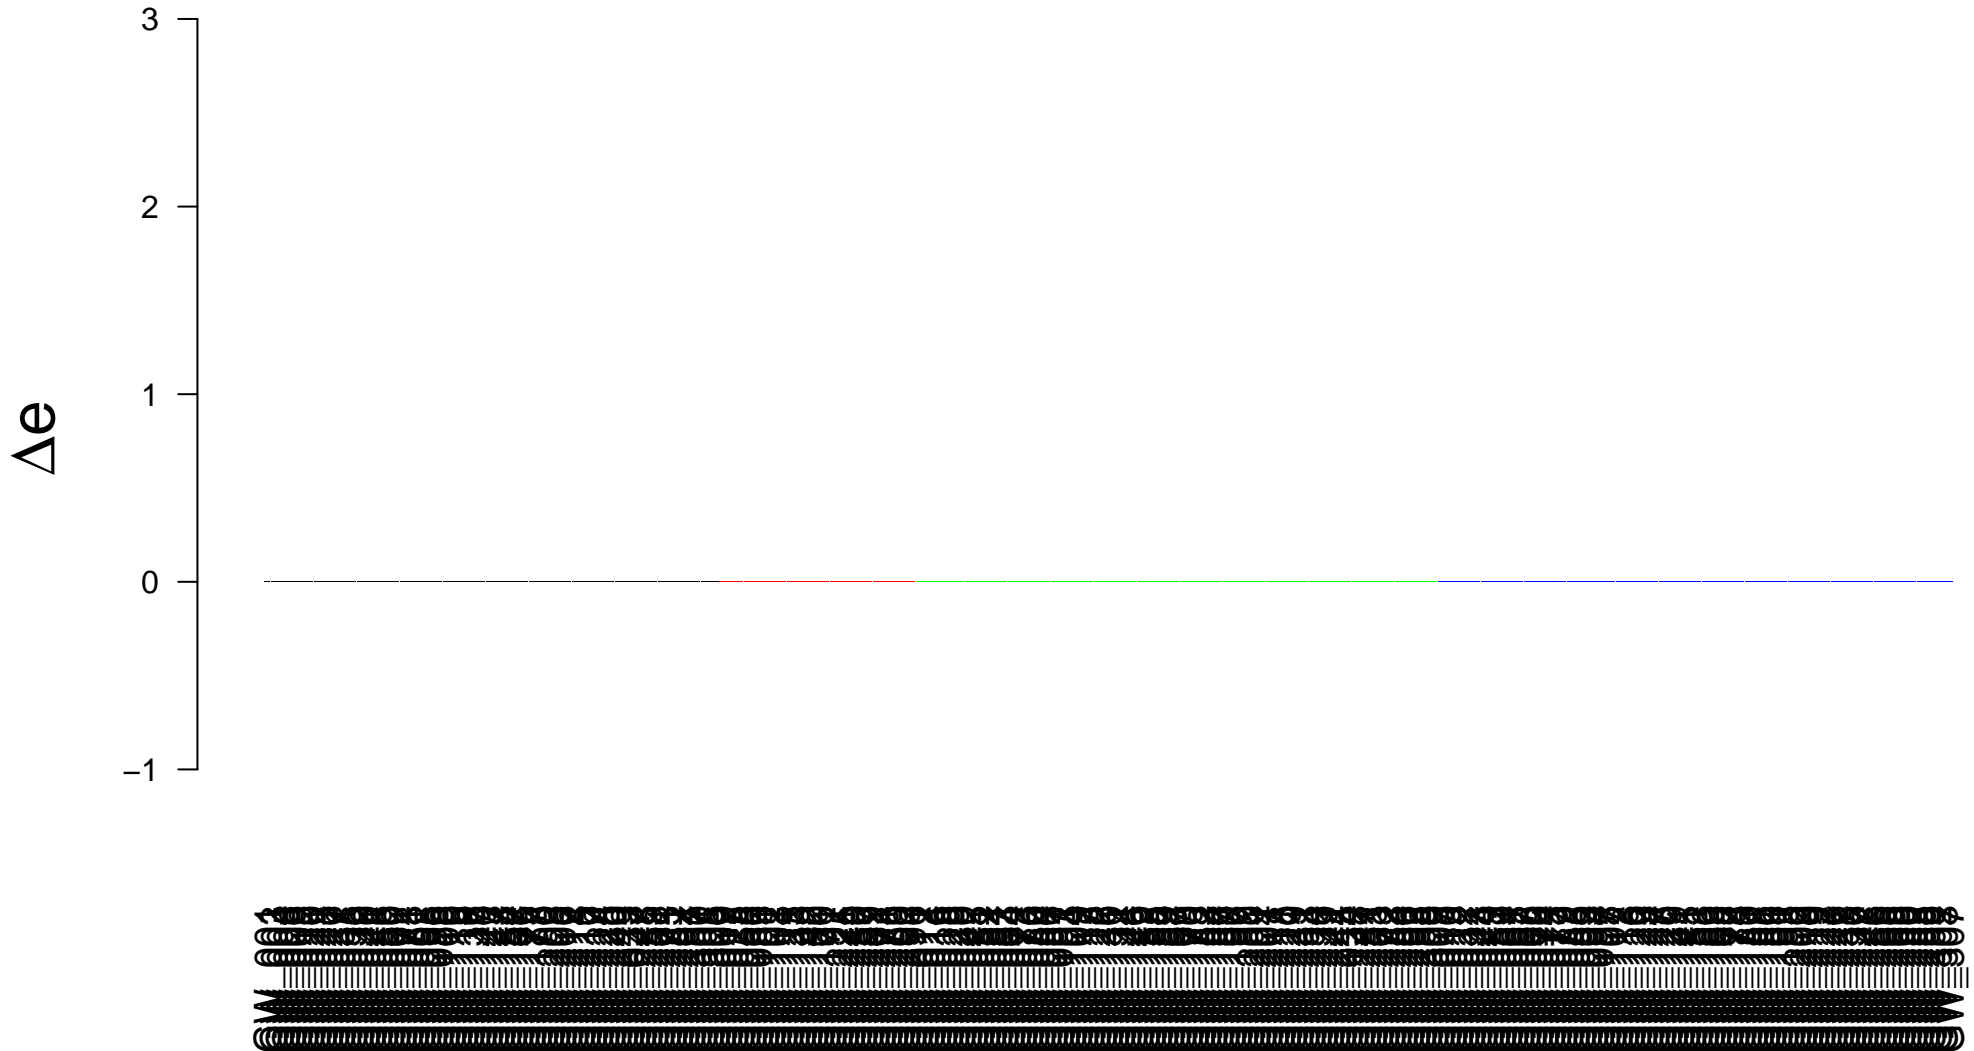

Expression of cell wall macromolecule catabolic process in Spot J

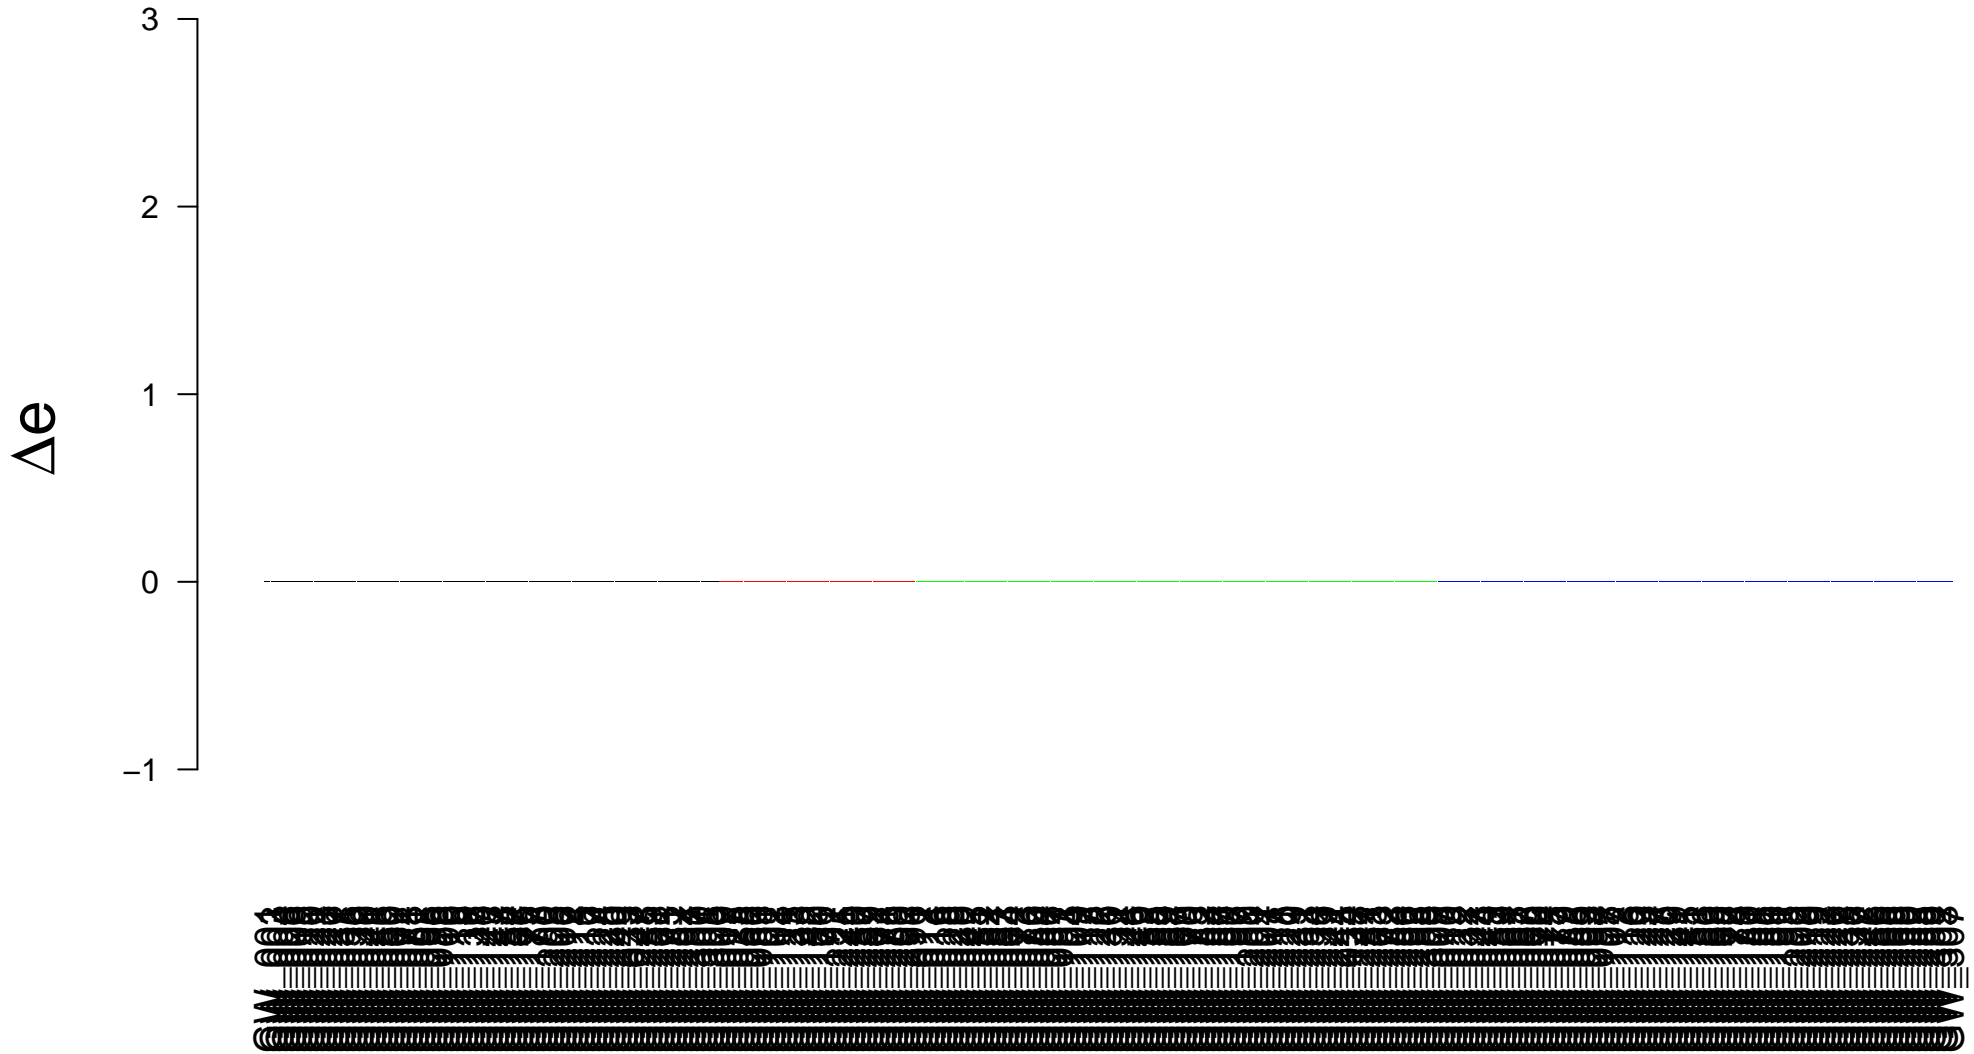

Expression of cell wall macromolecule catabolic process in Spot K

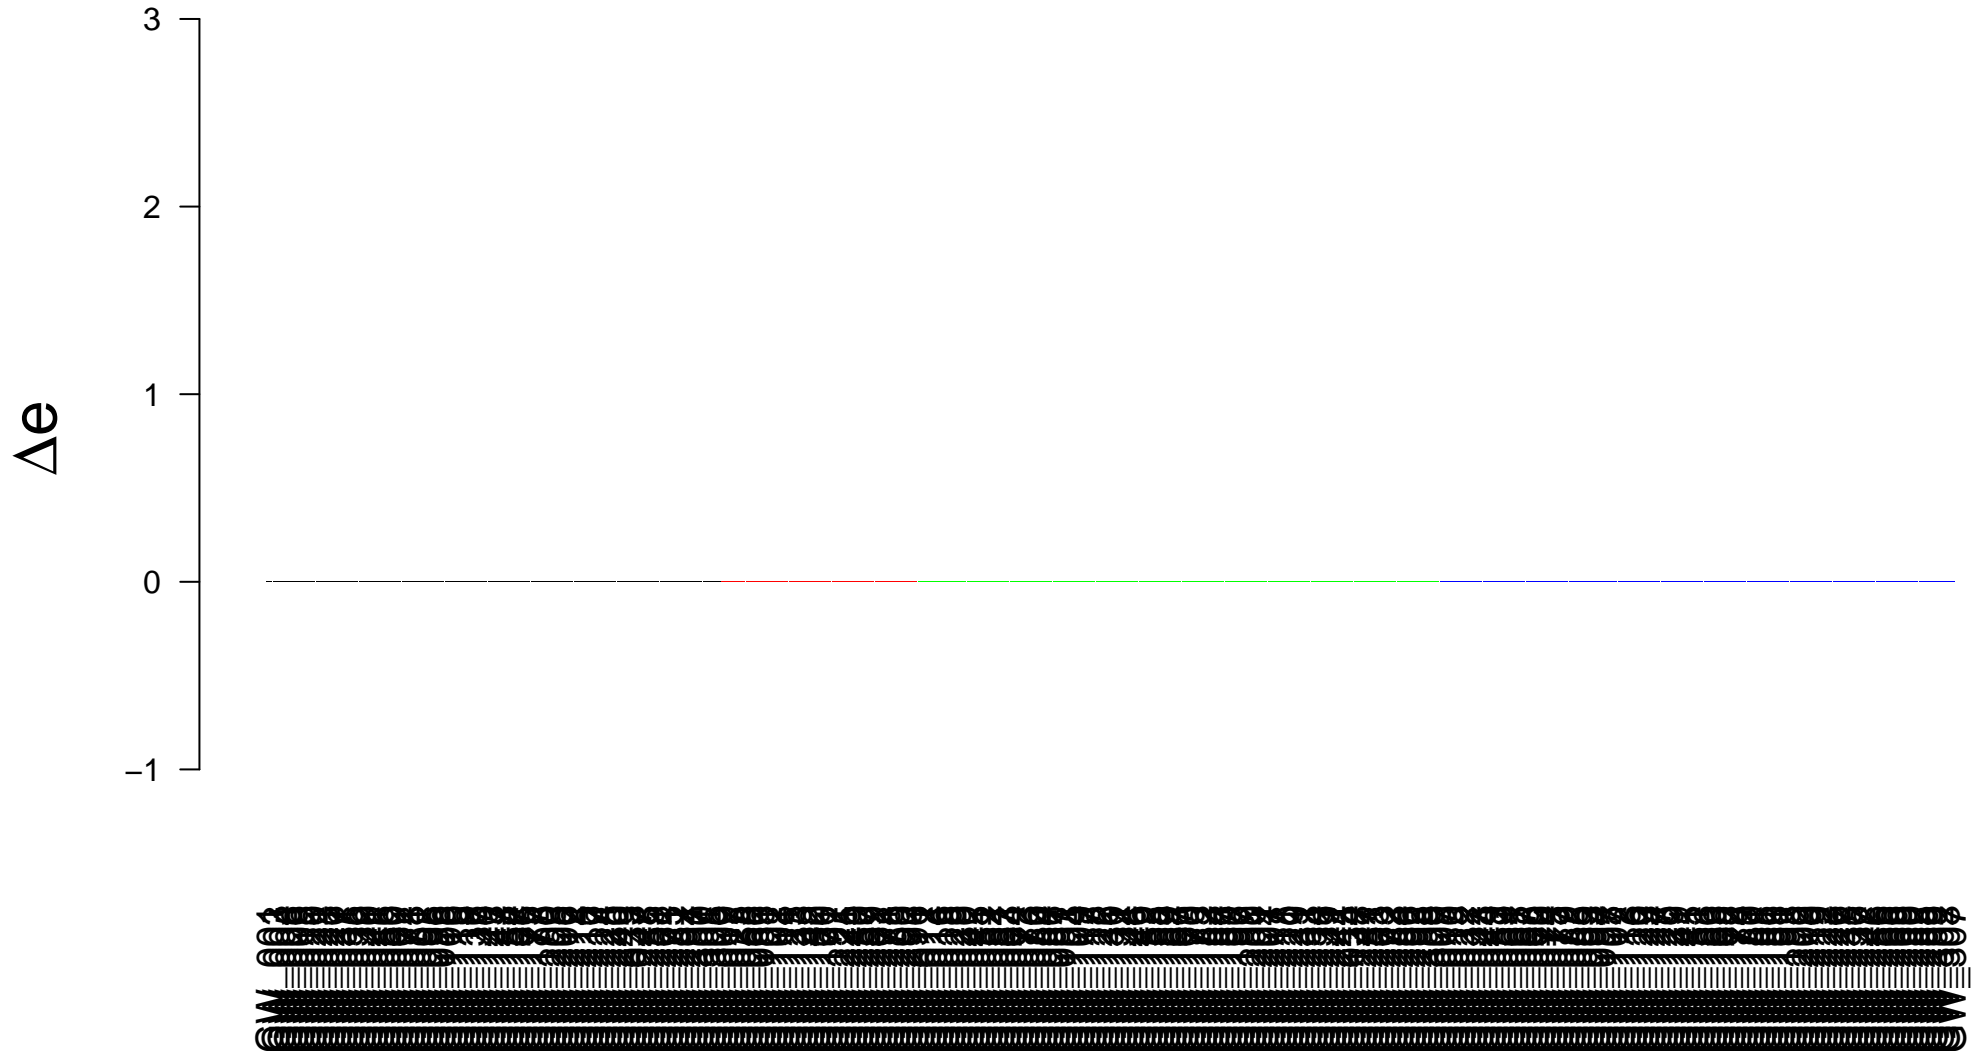

Expression of cell wall macromolecule catabolic process in Spot L

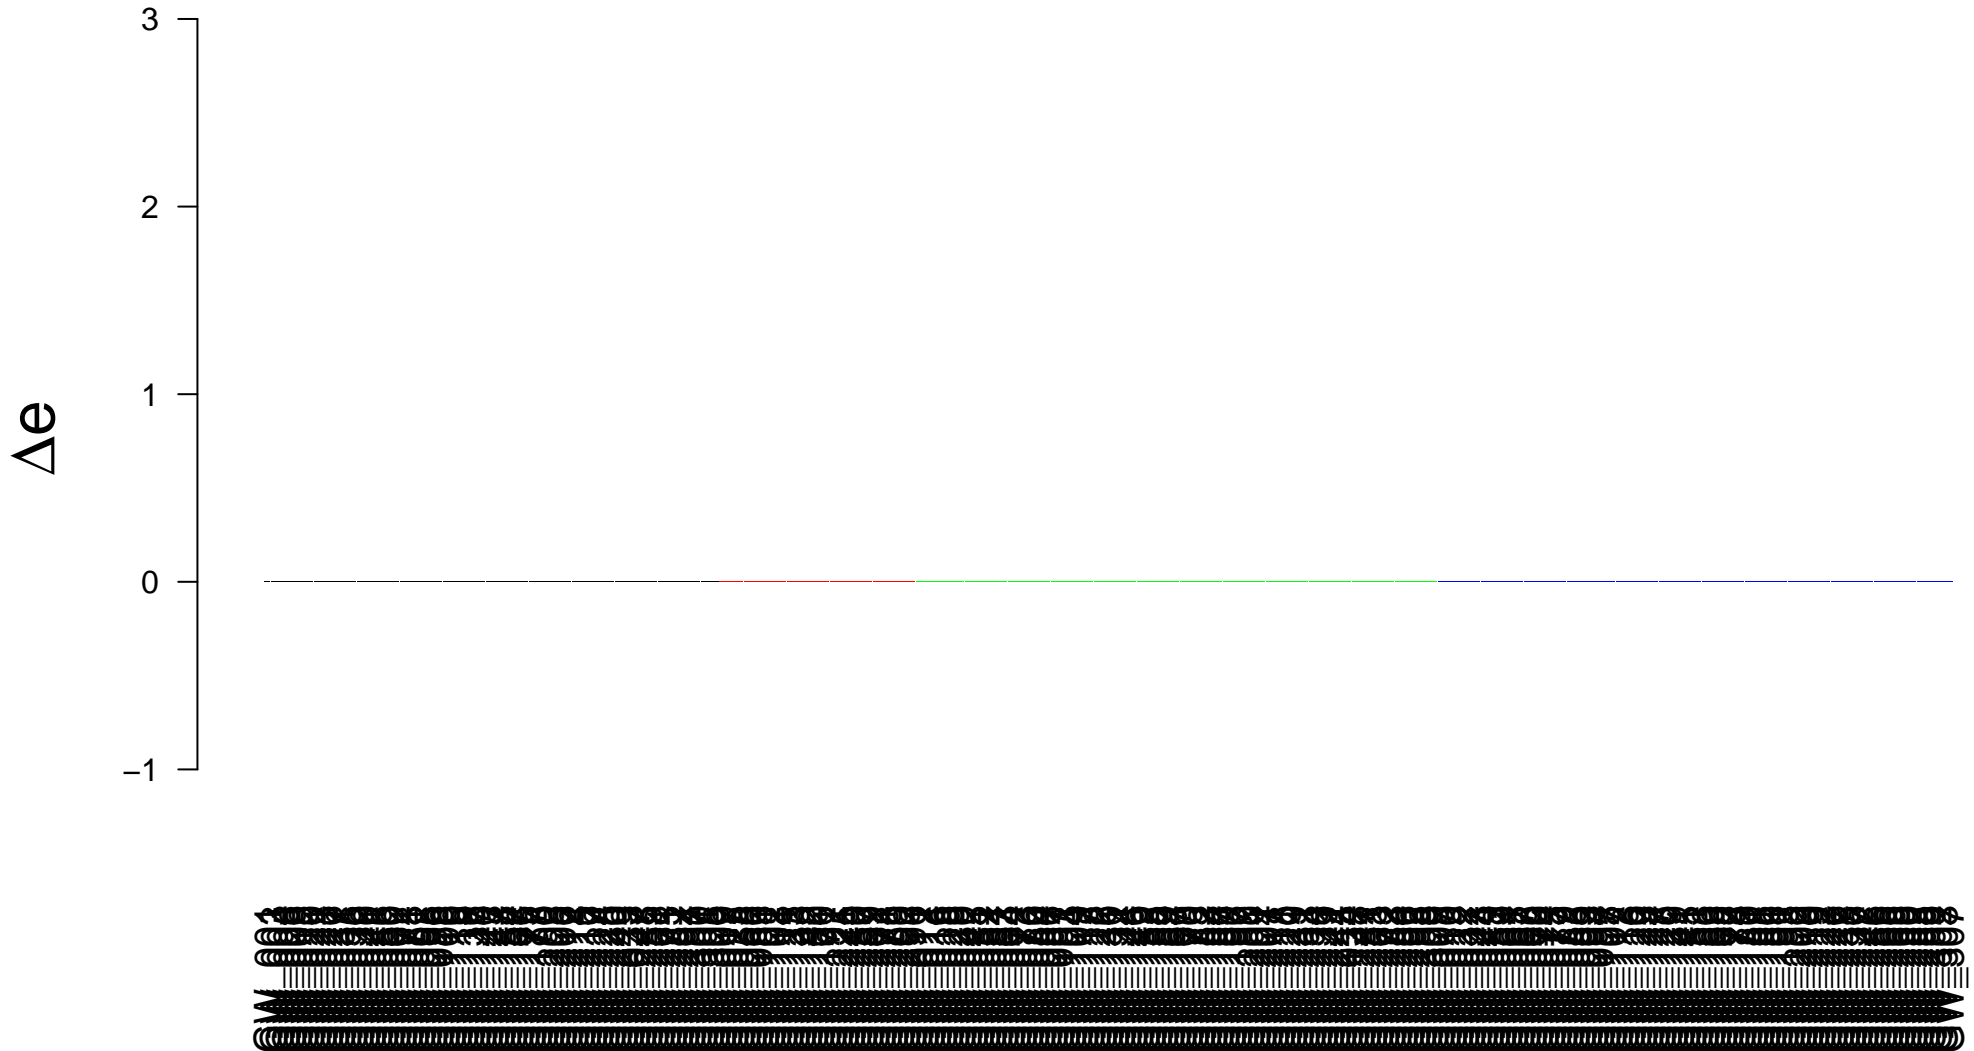

Expression of cell wall macromolecule catabolic process in Spot M

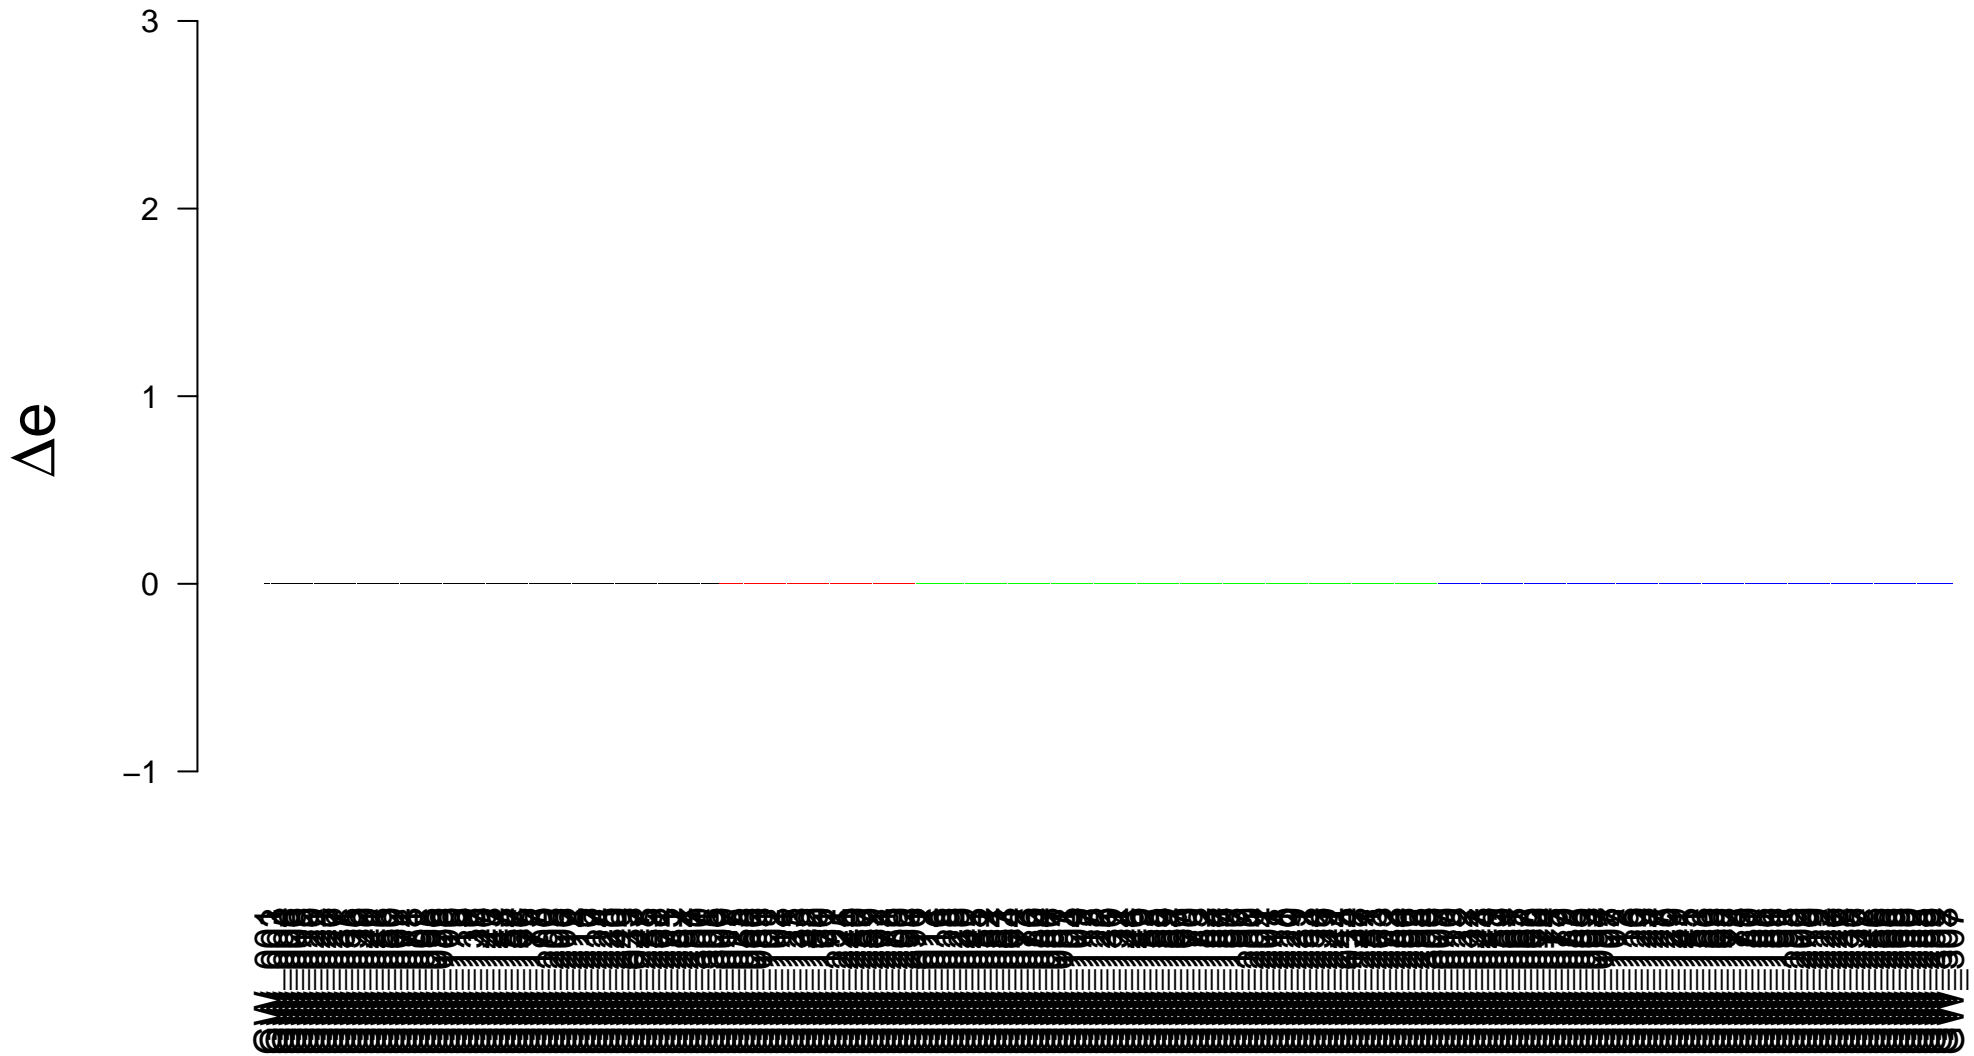

Expression of cell wall macromolecule catabolic process in Spot N

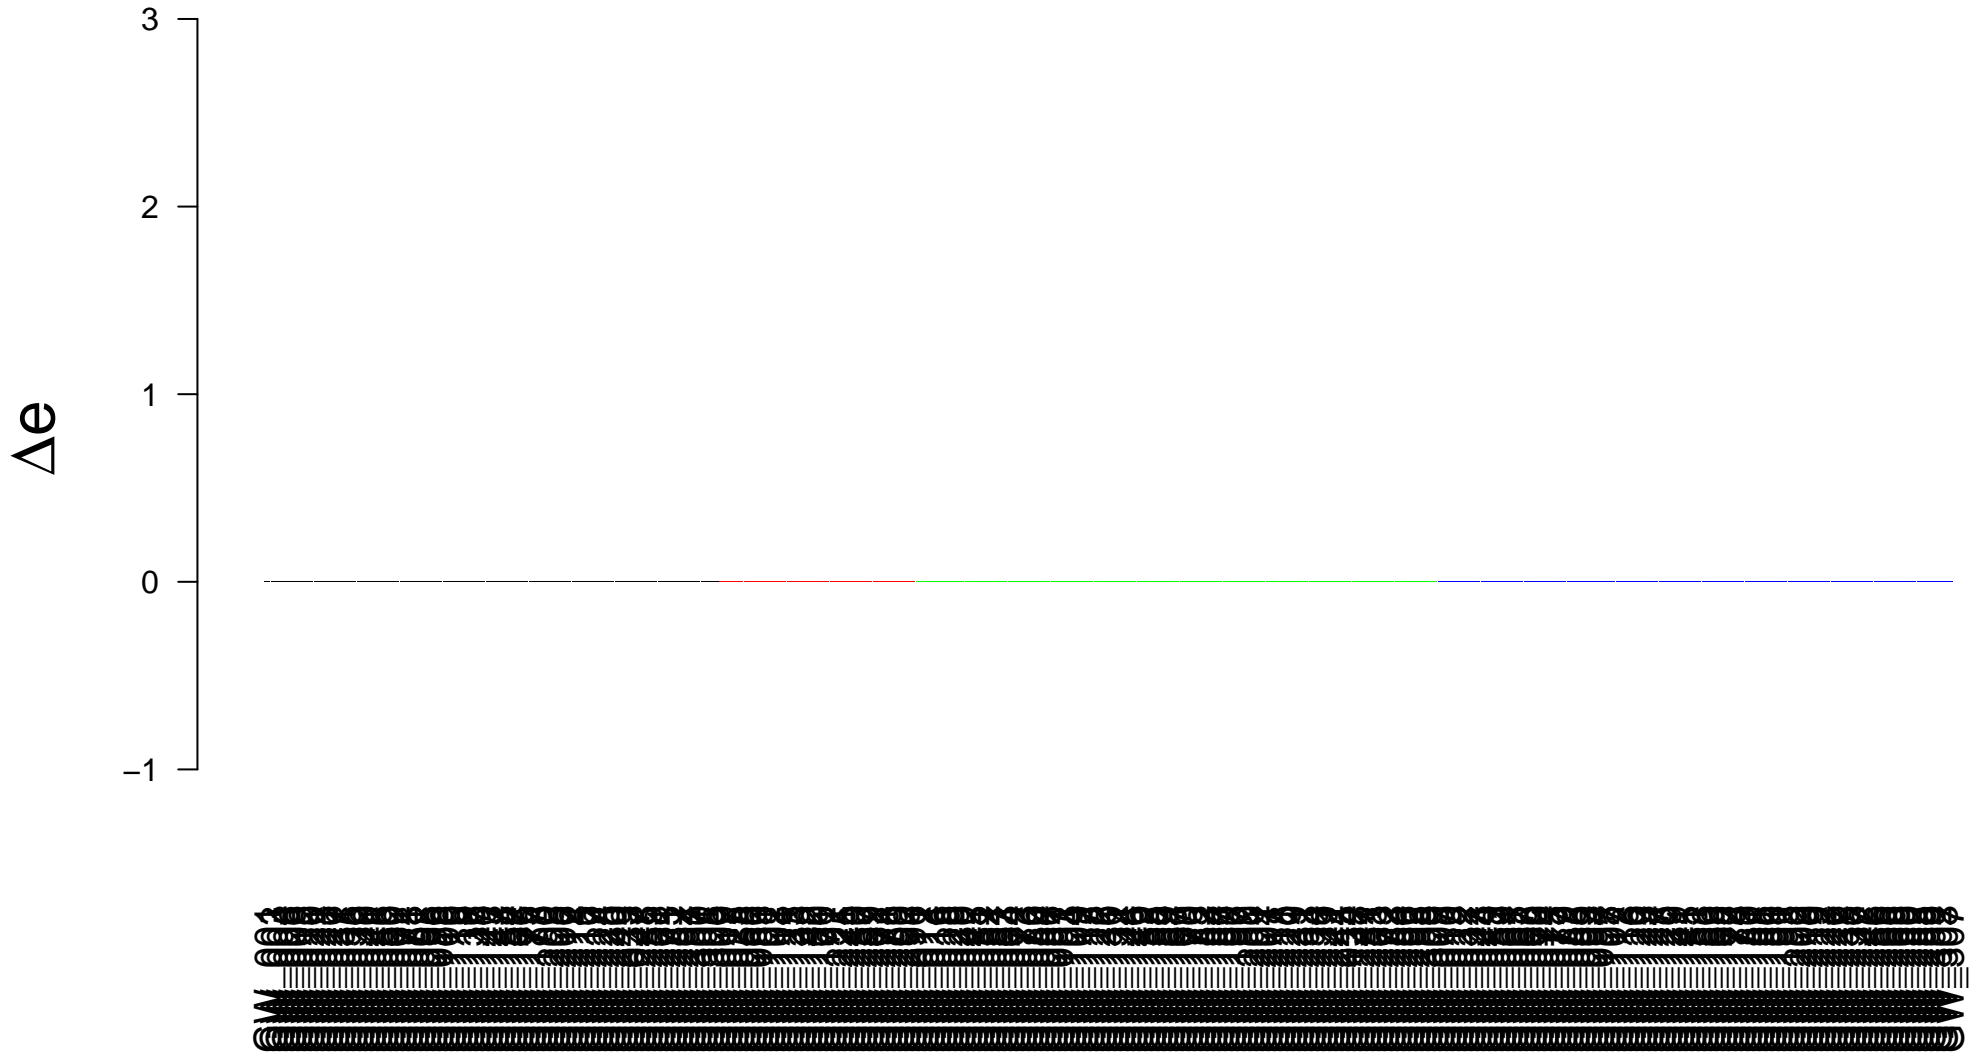

Expression of cell wall macromolecule catabolic process in Spot O

Expression of cell wall macromolecule catabolic process in Spot P

Expression of cell wall macromolecule catabolic process in Spot Q

Expression of cell wall macromolecule catabolic process in Spot R
