

cellular copper ion homeostasis

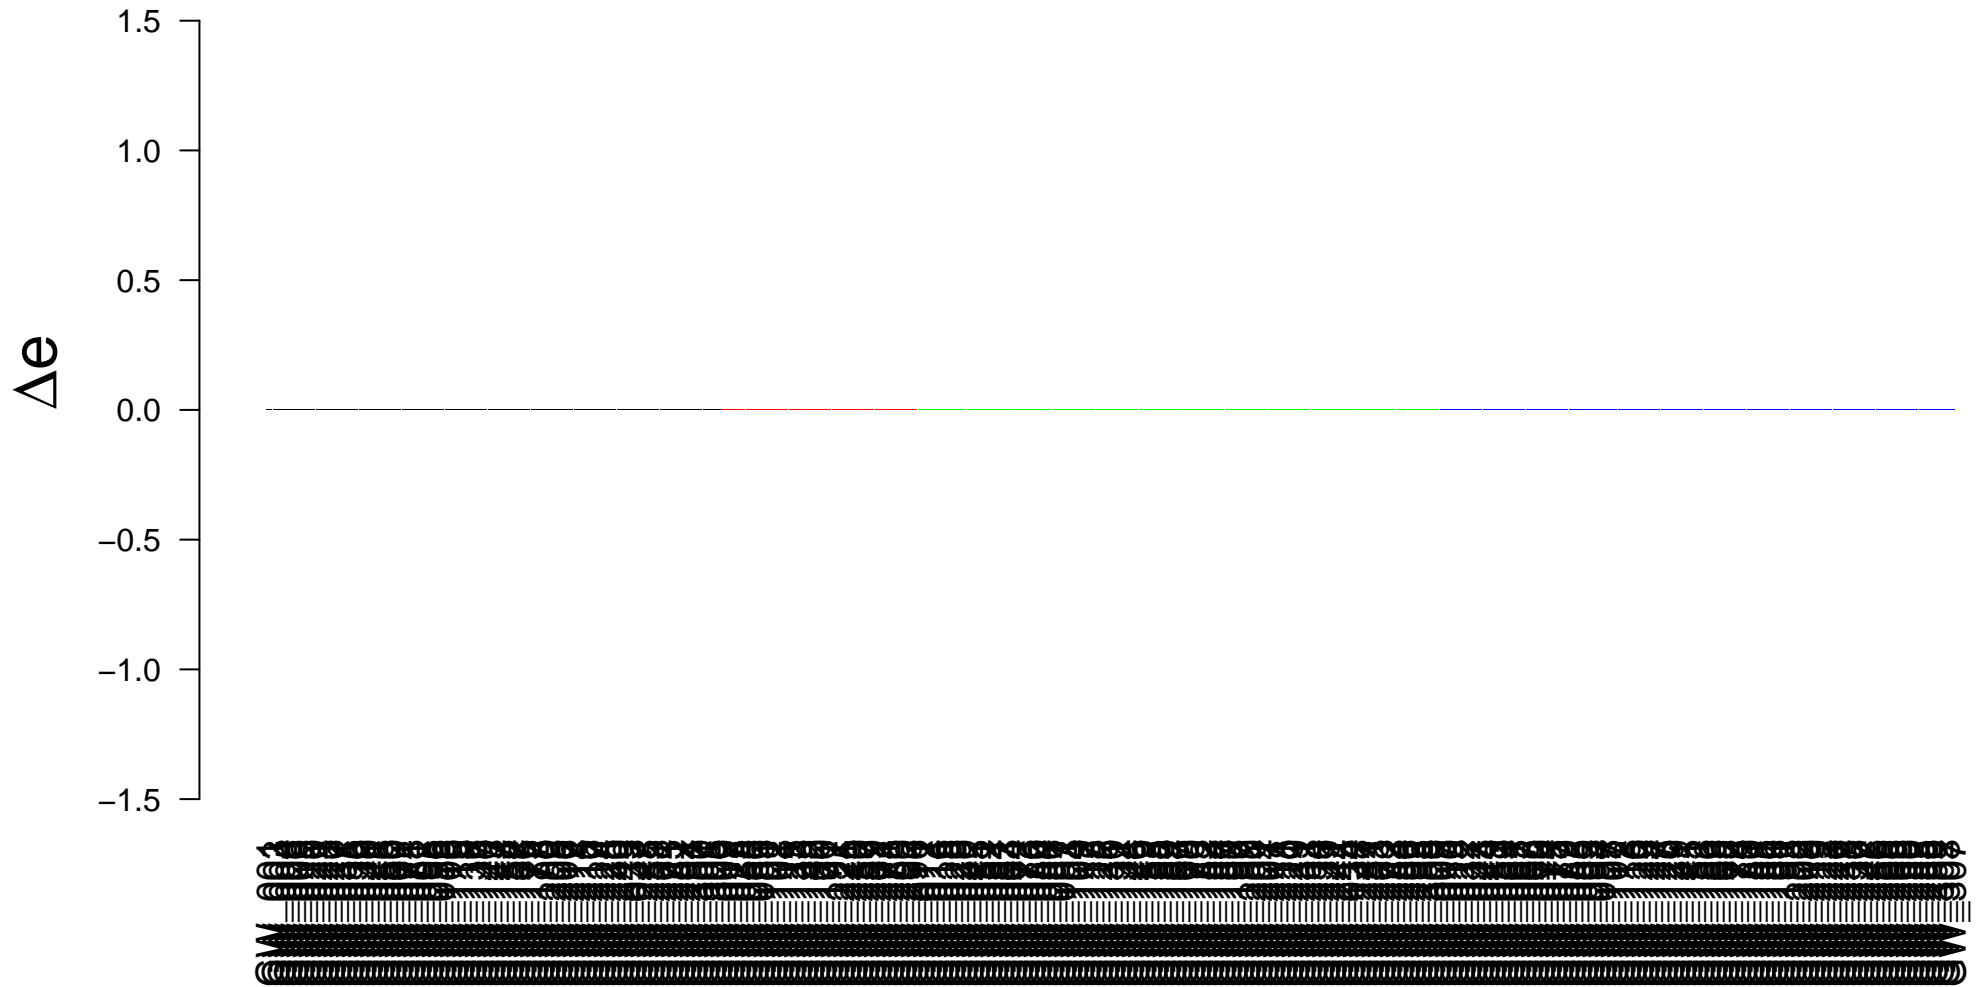

cellular copper ion homeostasis

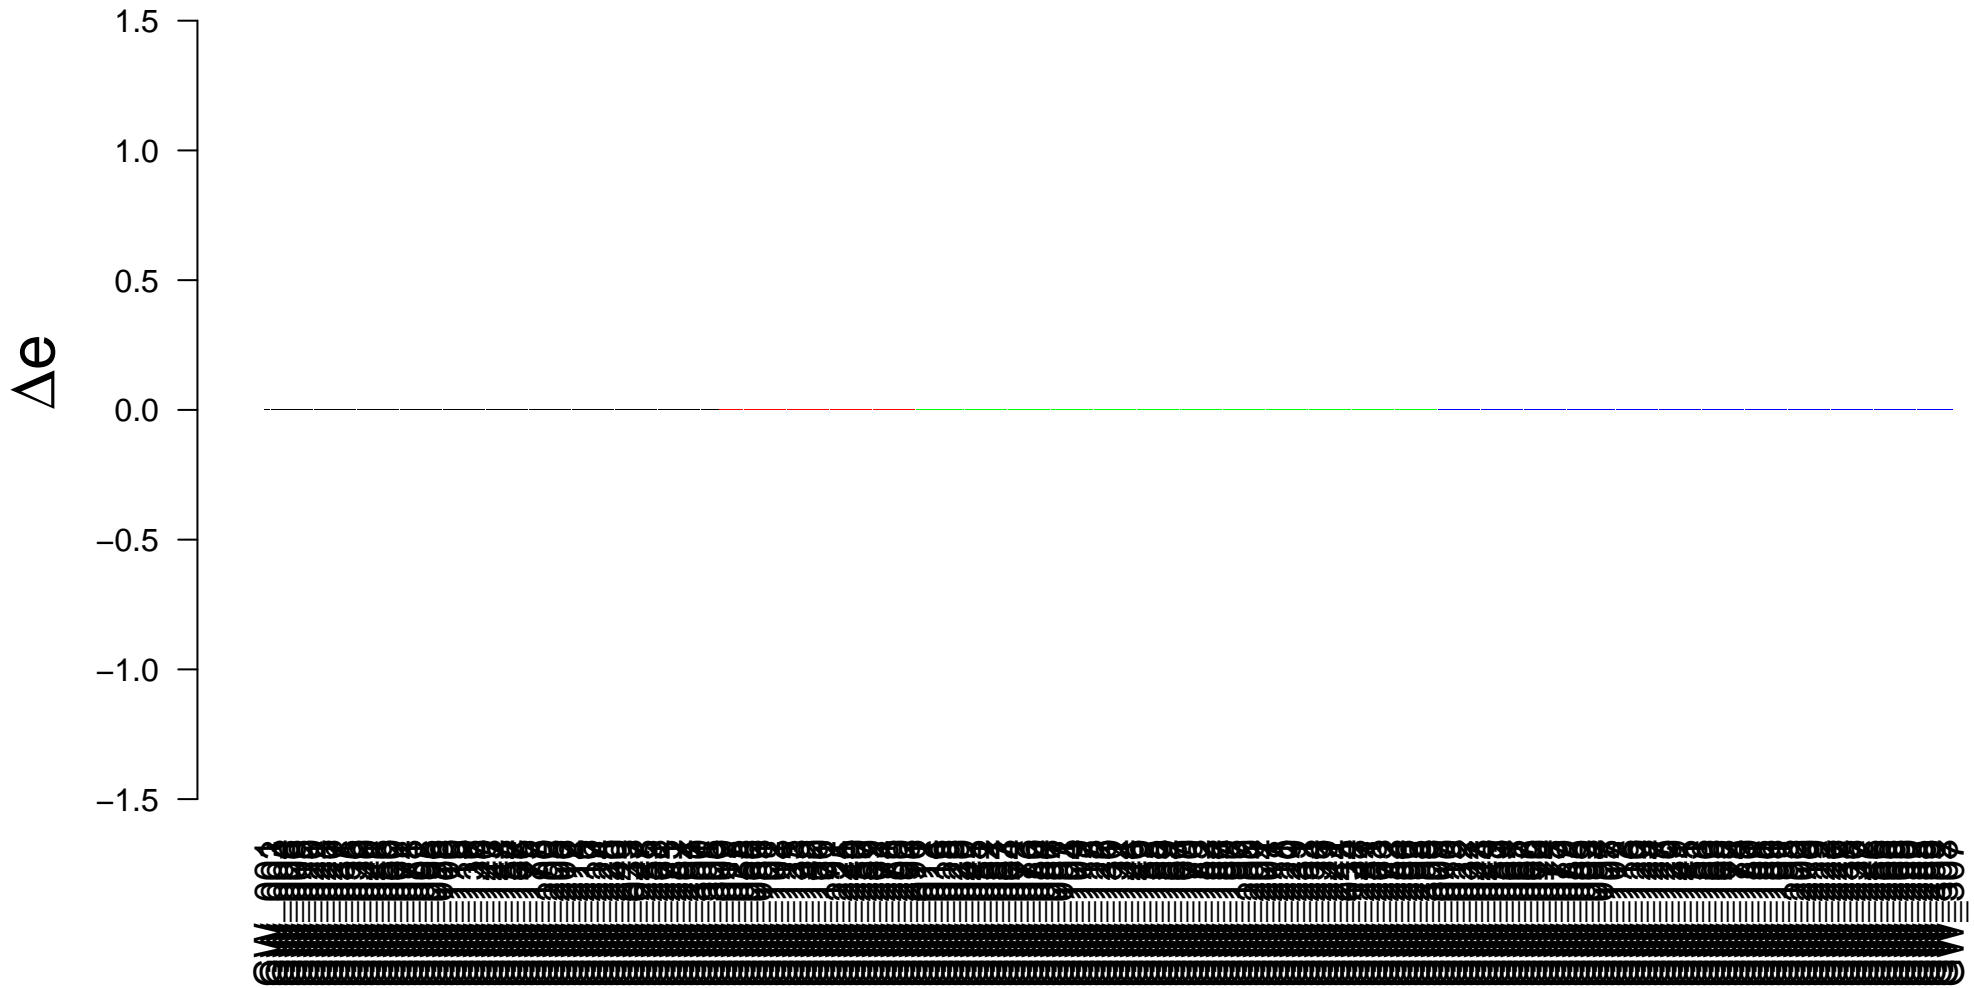

Enrichment in spots: cellular copper ion homeostasis

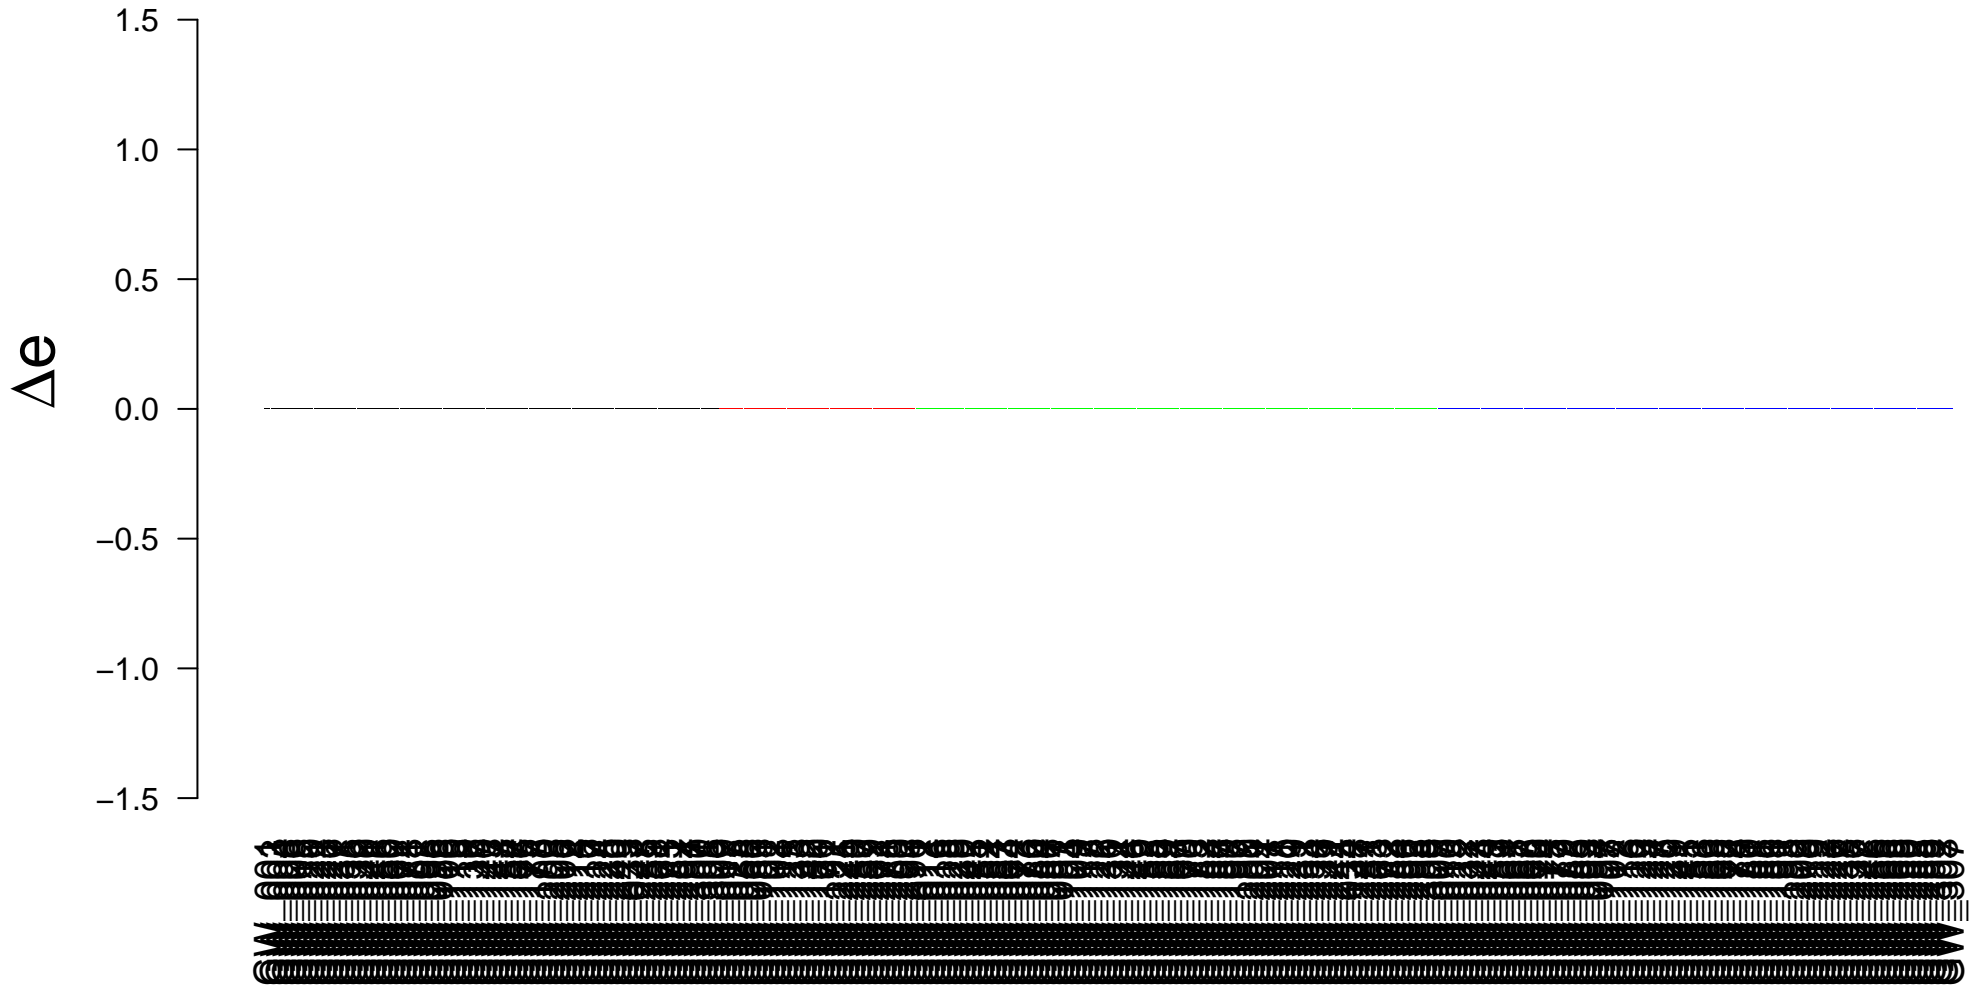

Expression of cellular copper ion homeostasis in Spot A

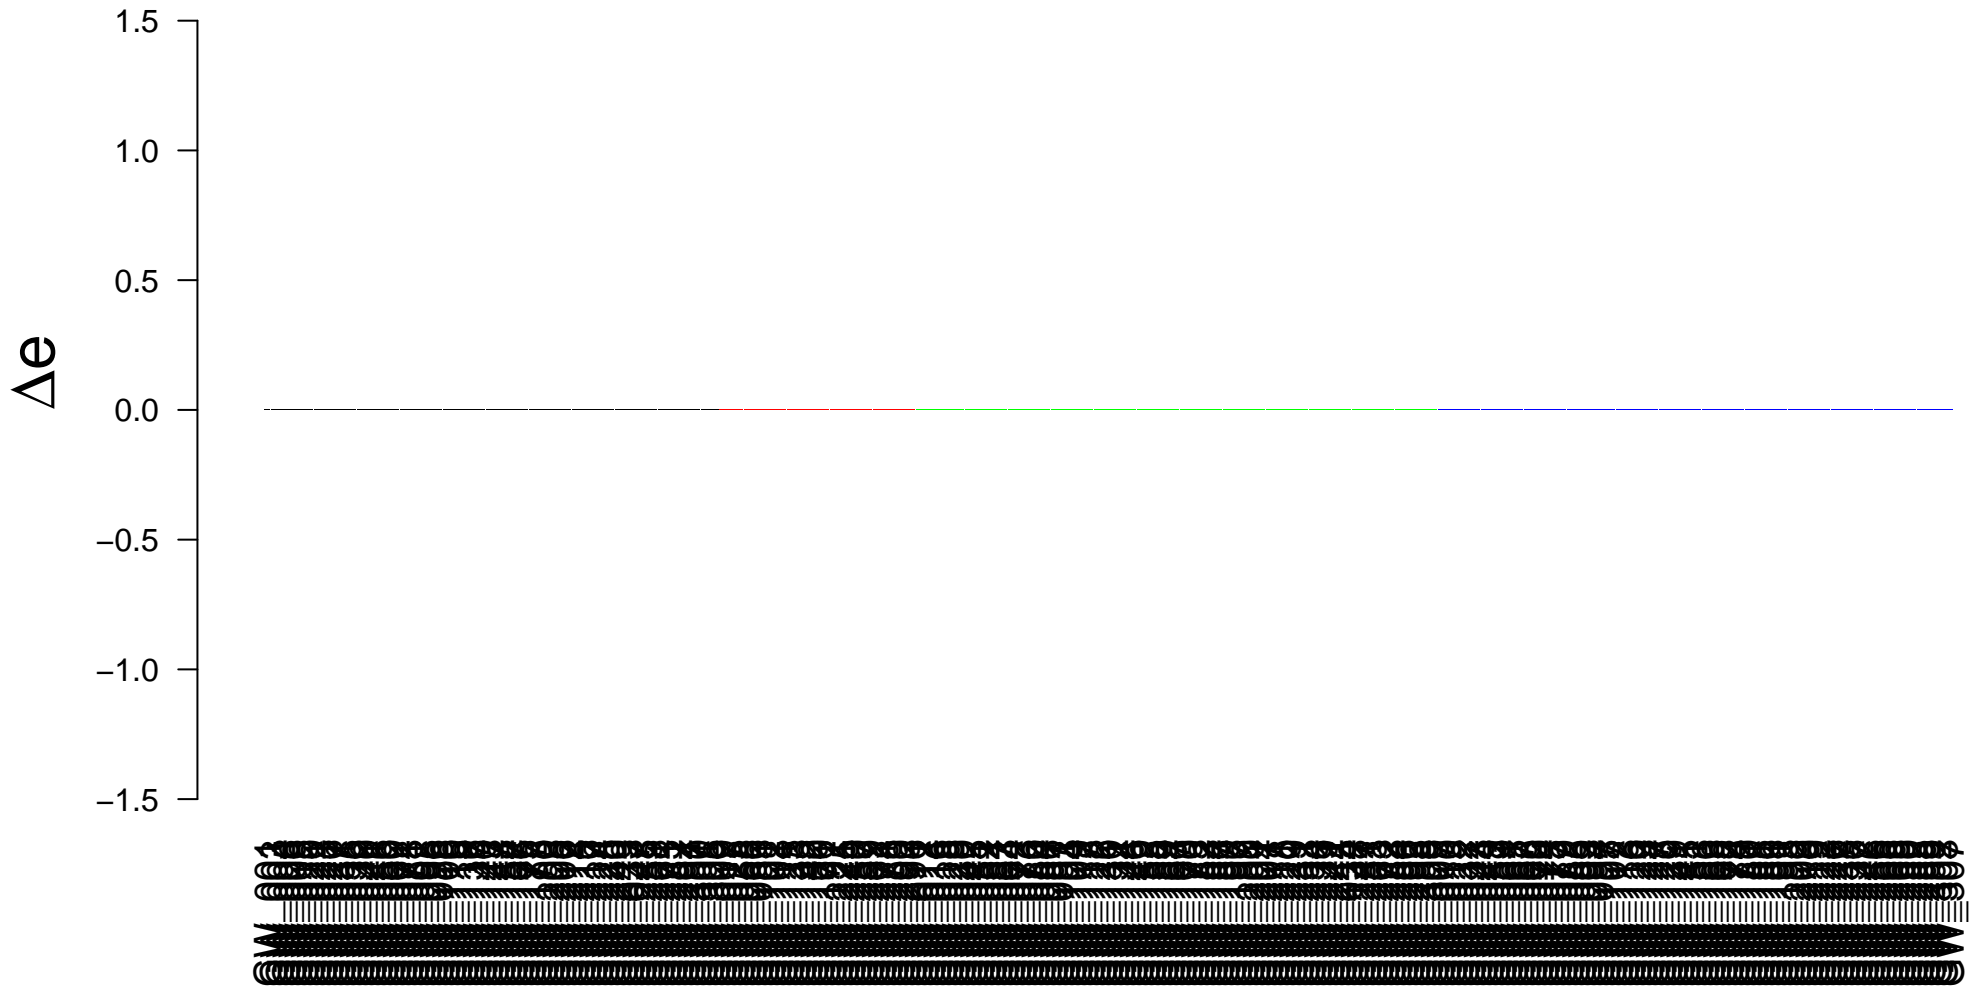

Expression of cellular copper ion homeostasis in Spot B

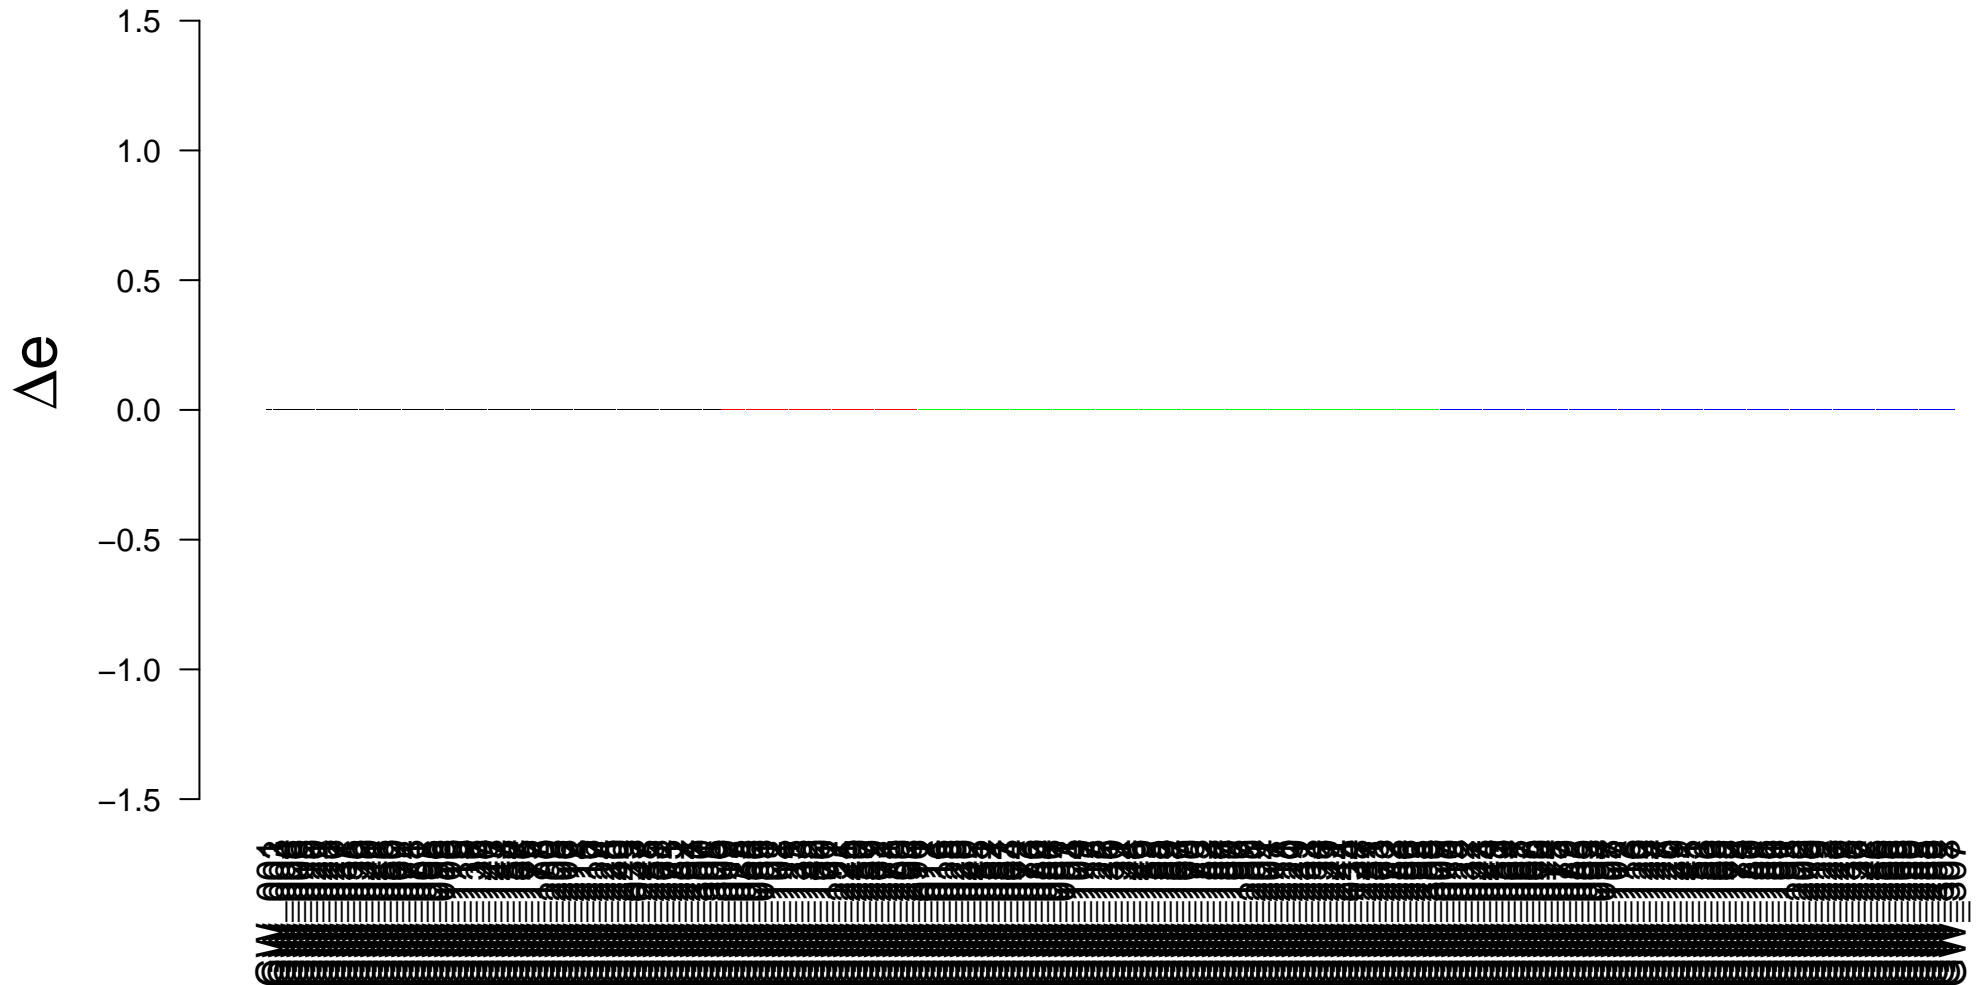

Expression of cellular copper ion homeostasis in Spot C

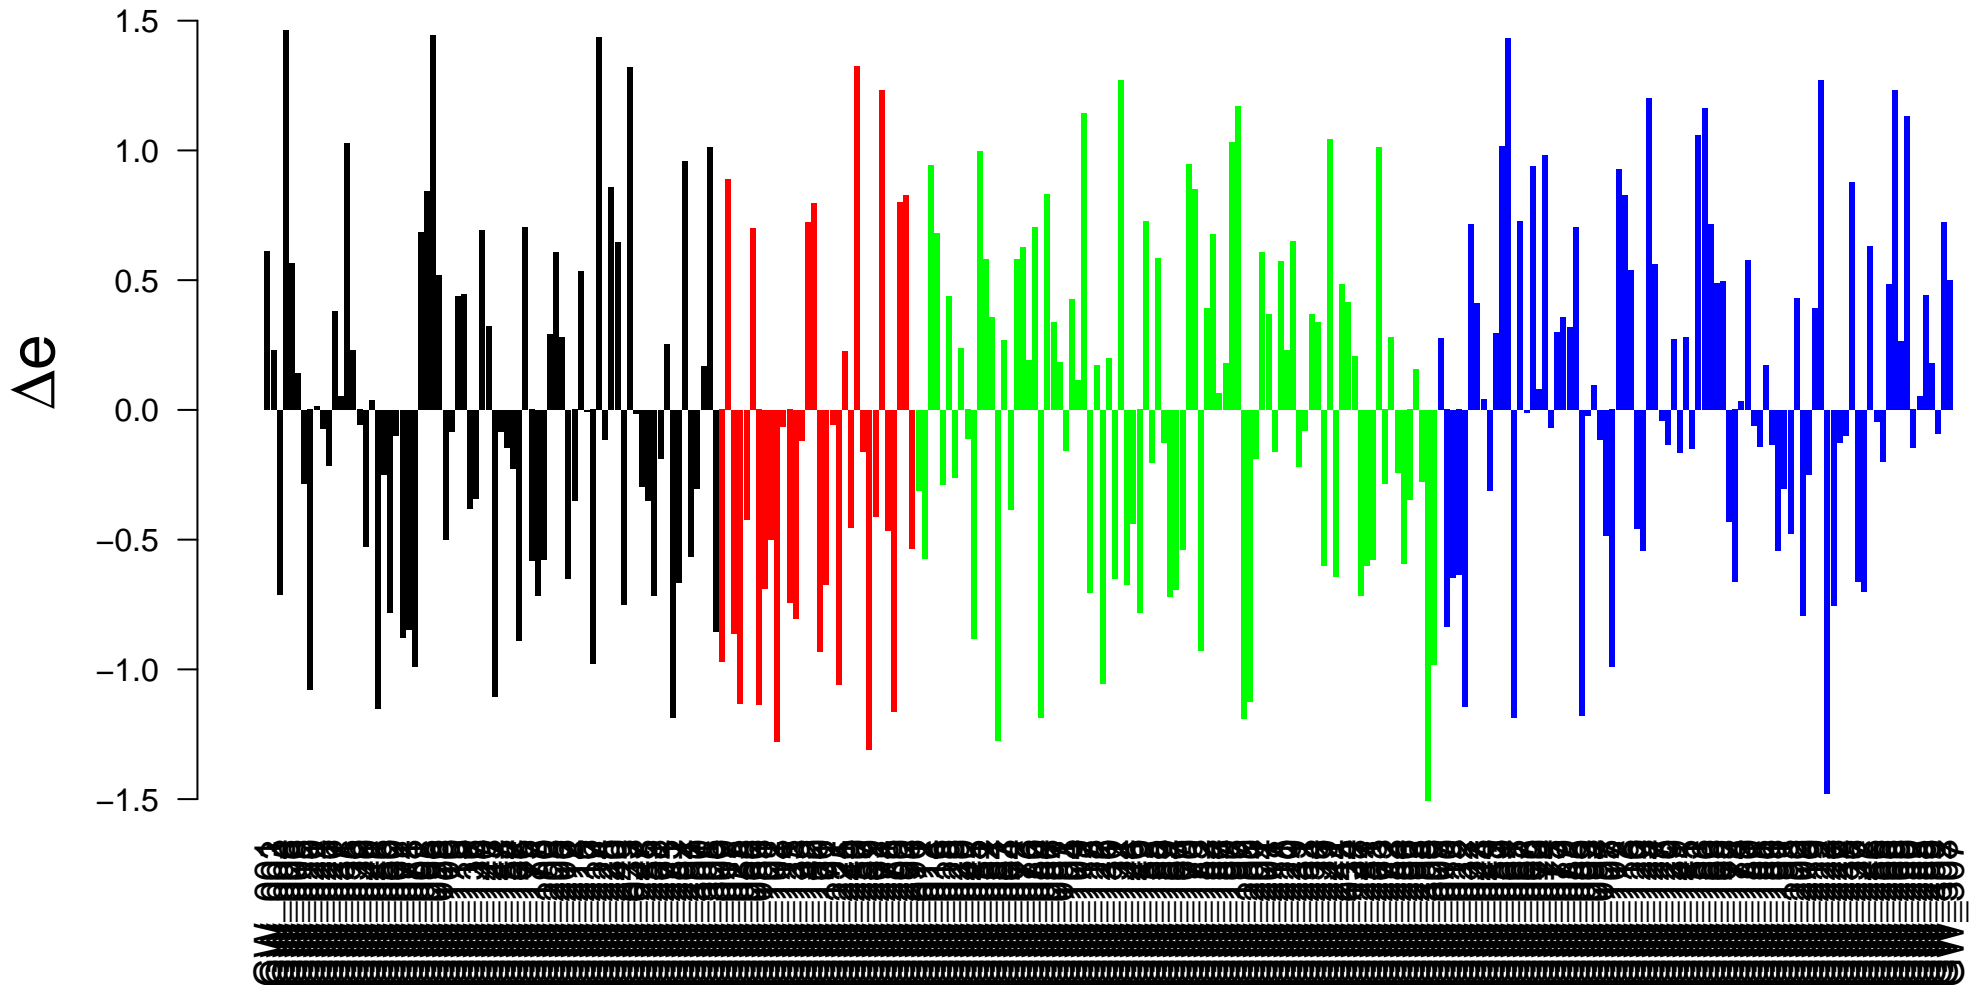

Expression of cellular copper ion homeostasis in Spot D

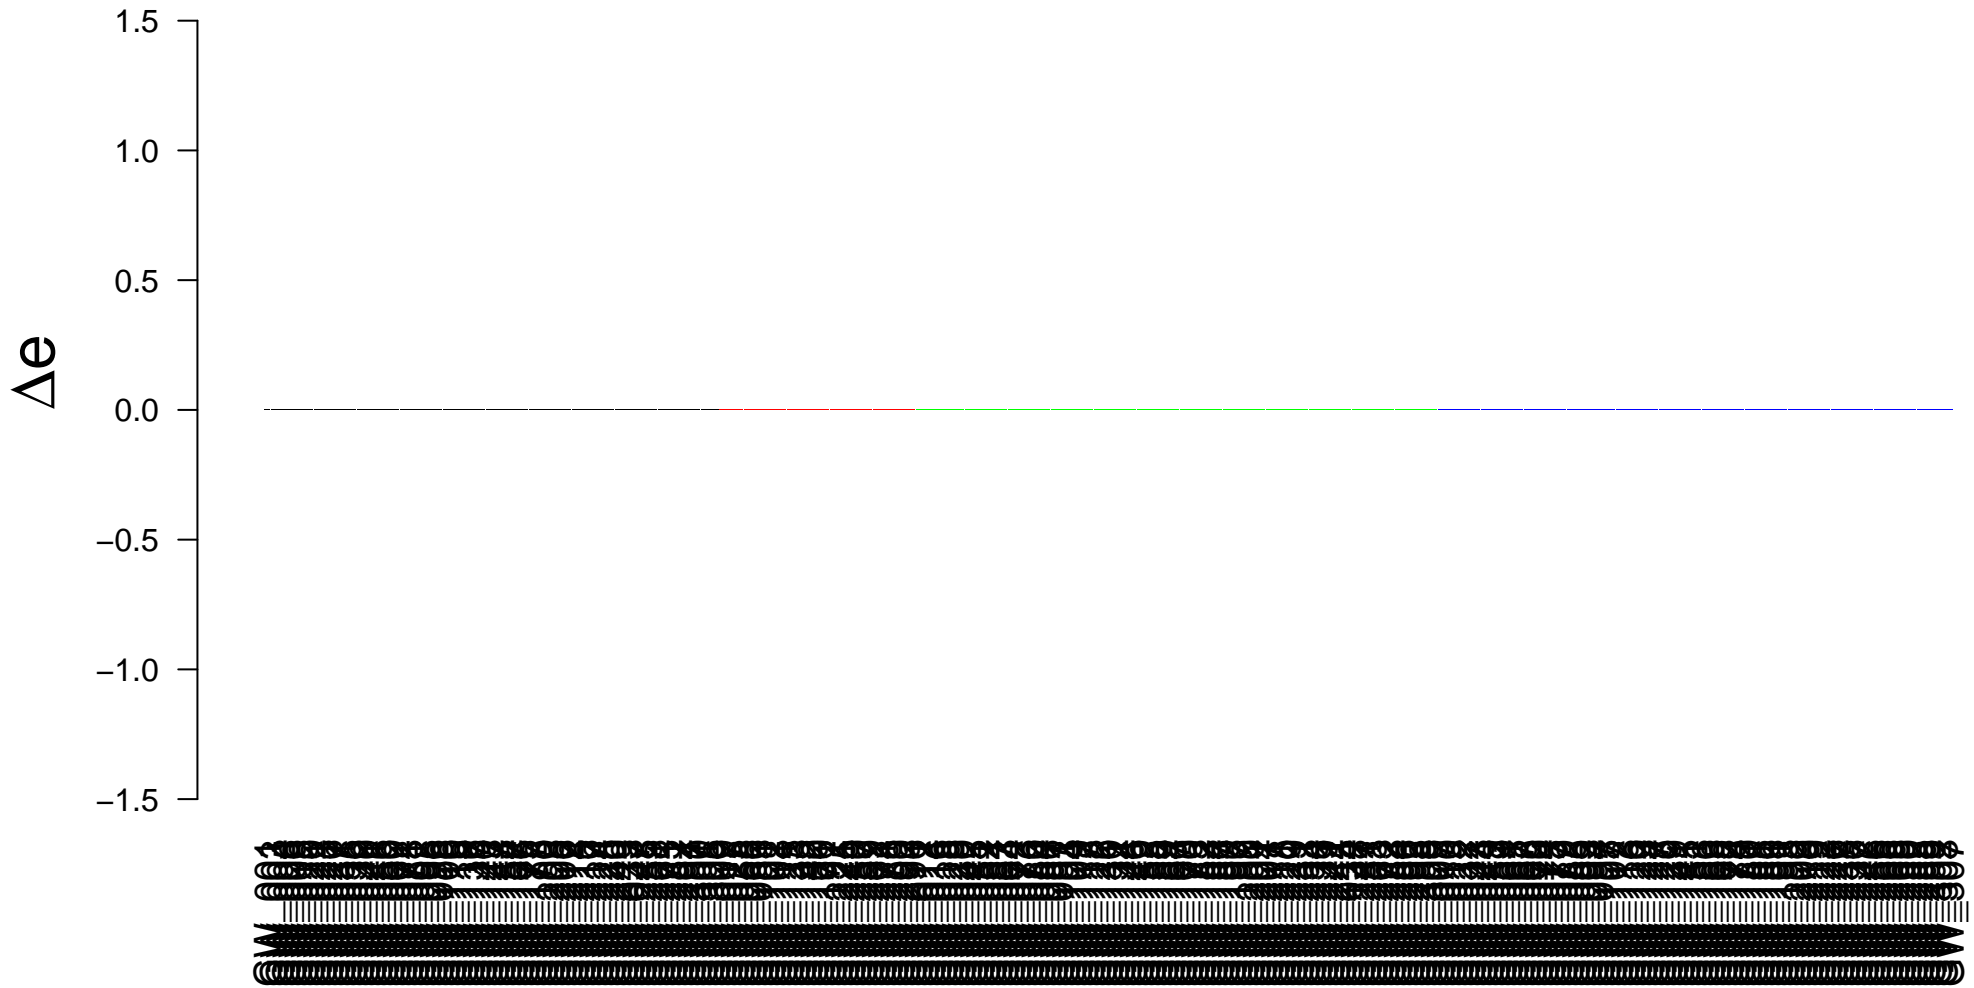

Expression of cellular copper ion homeostasis in Spot E

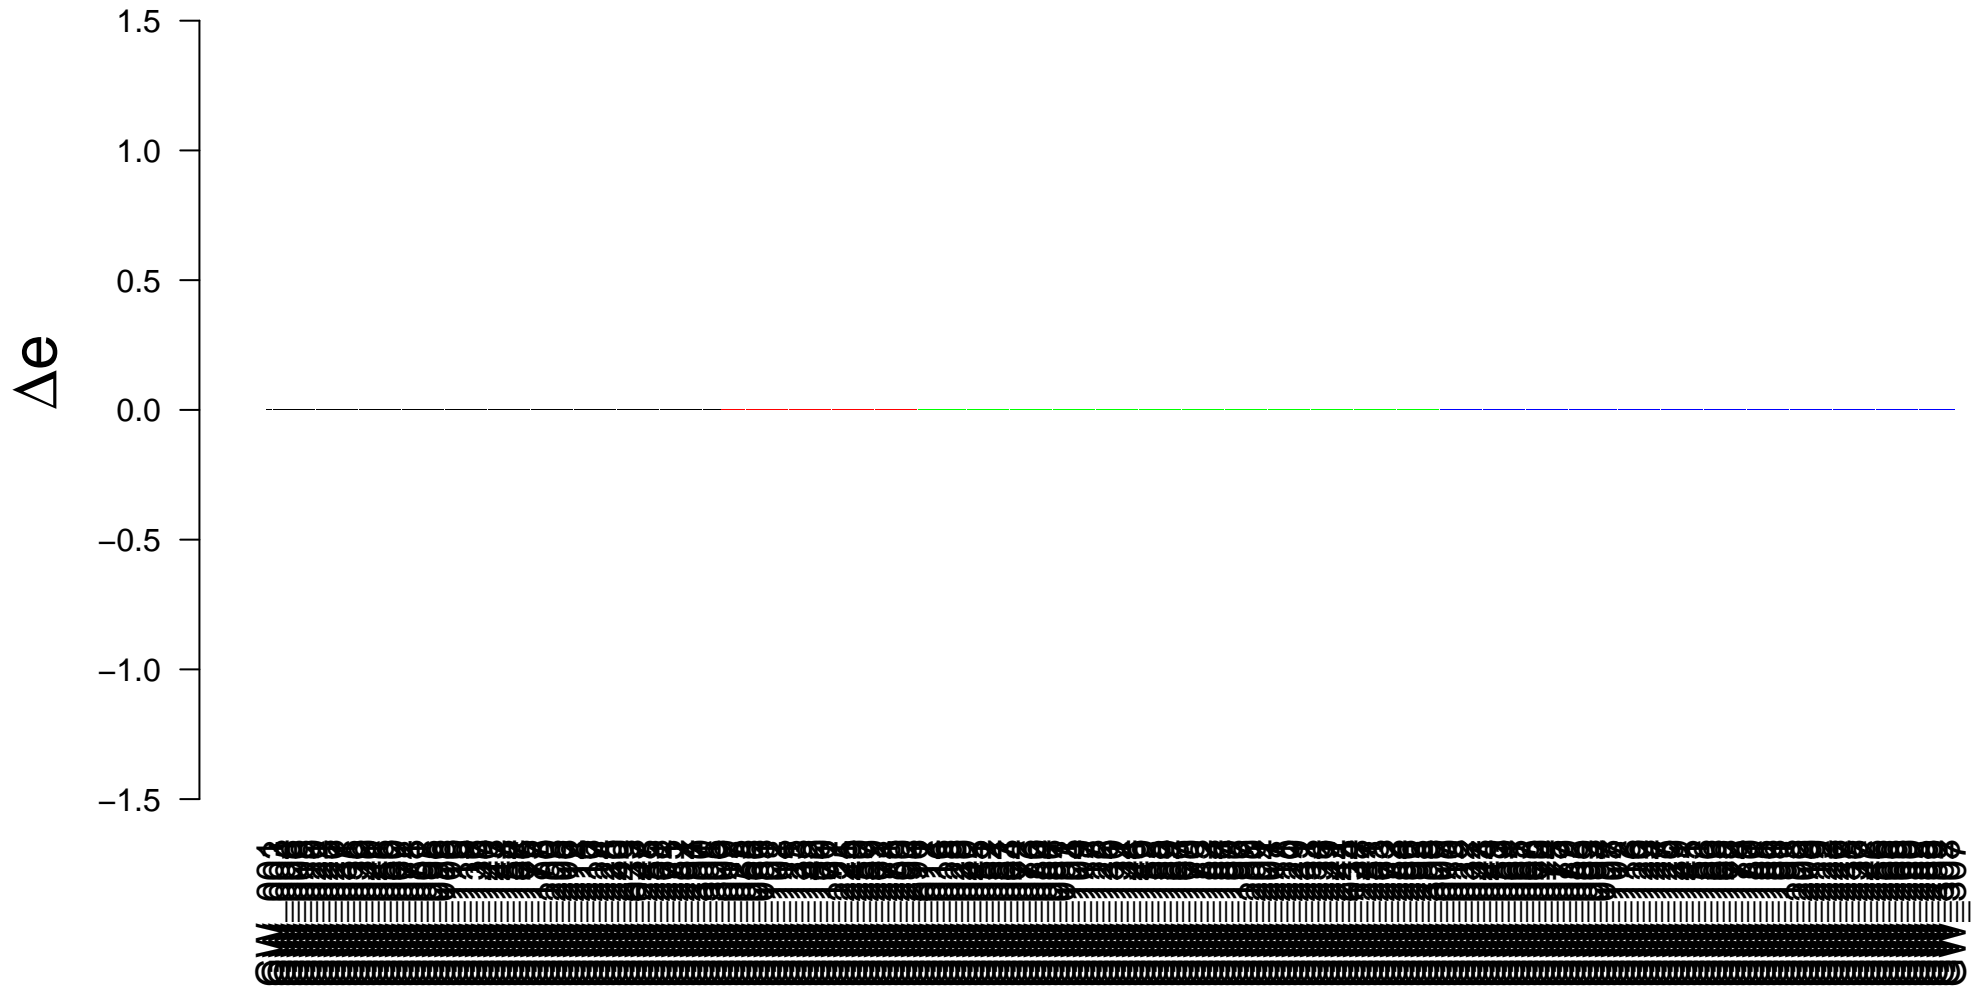

Expression of cellular copper ion homeostasis in Spot F

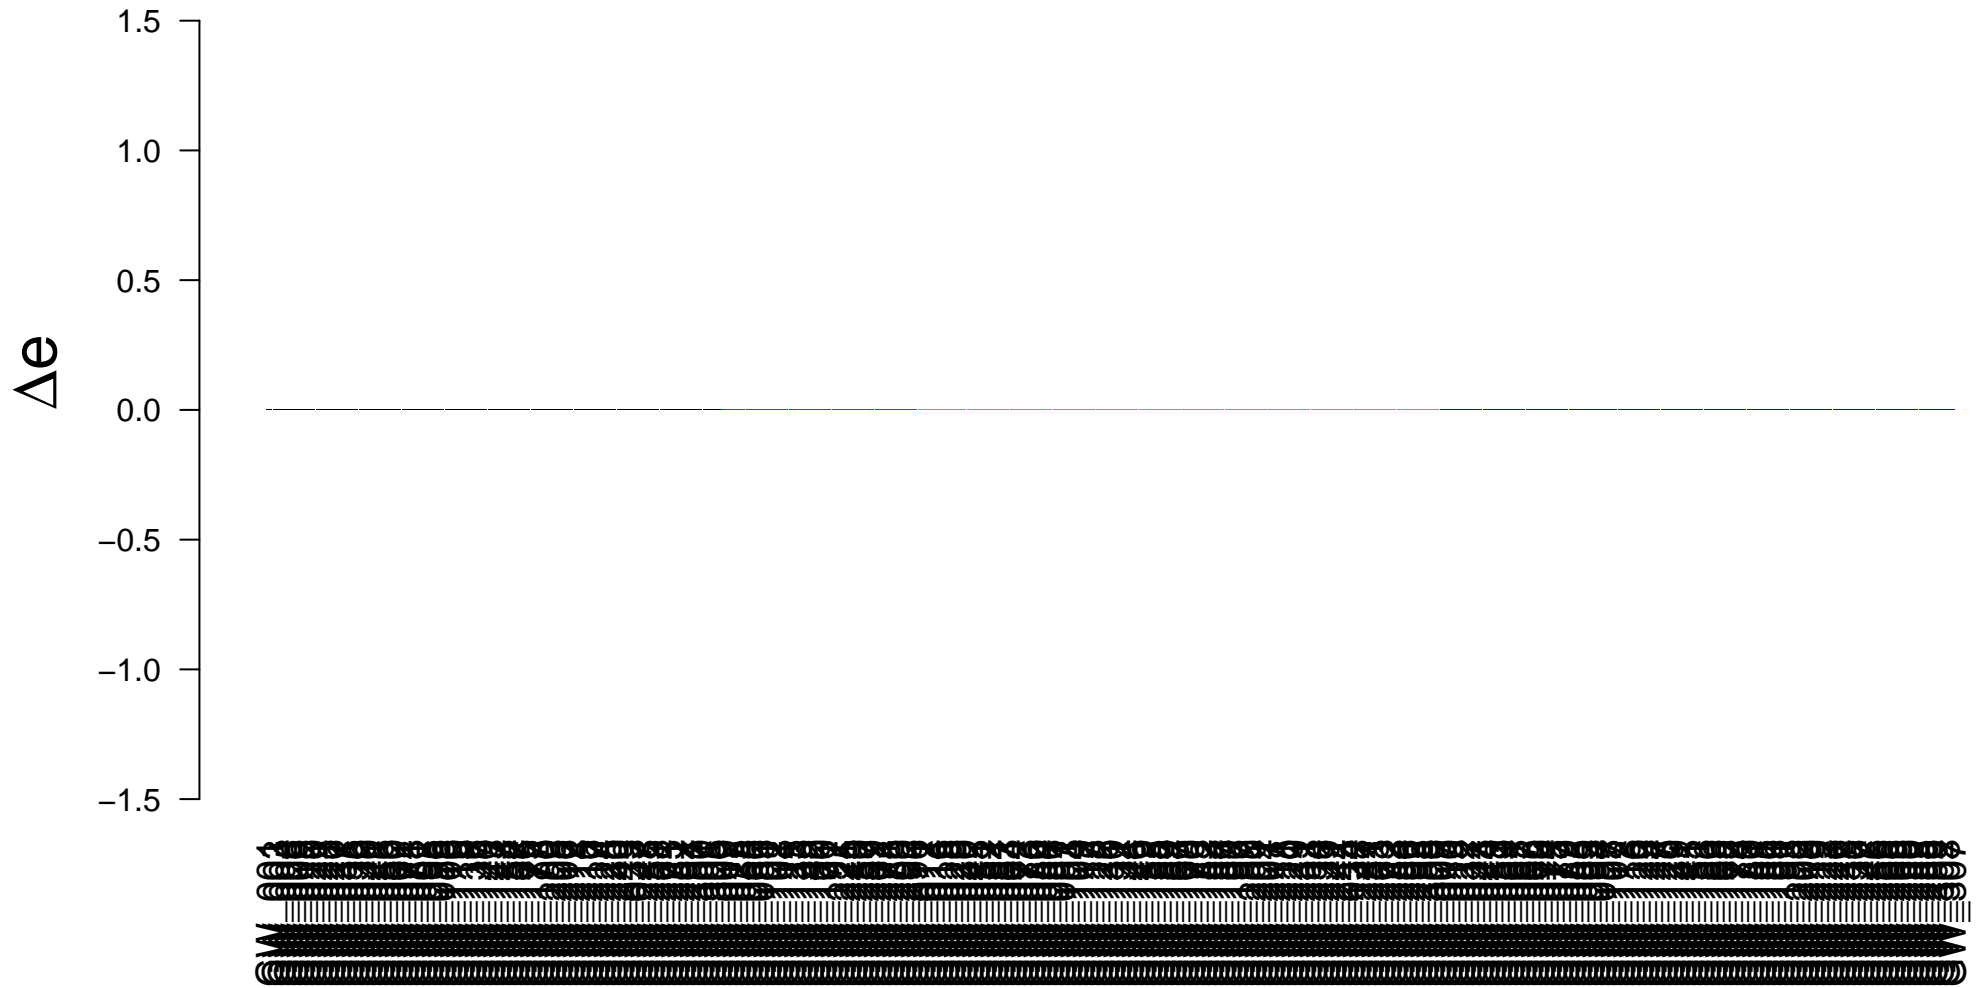

Expression of cellular copper ion homeostasis in Spot G

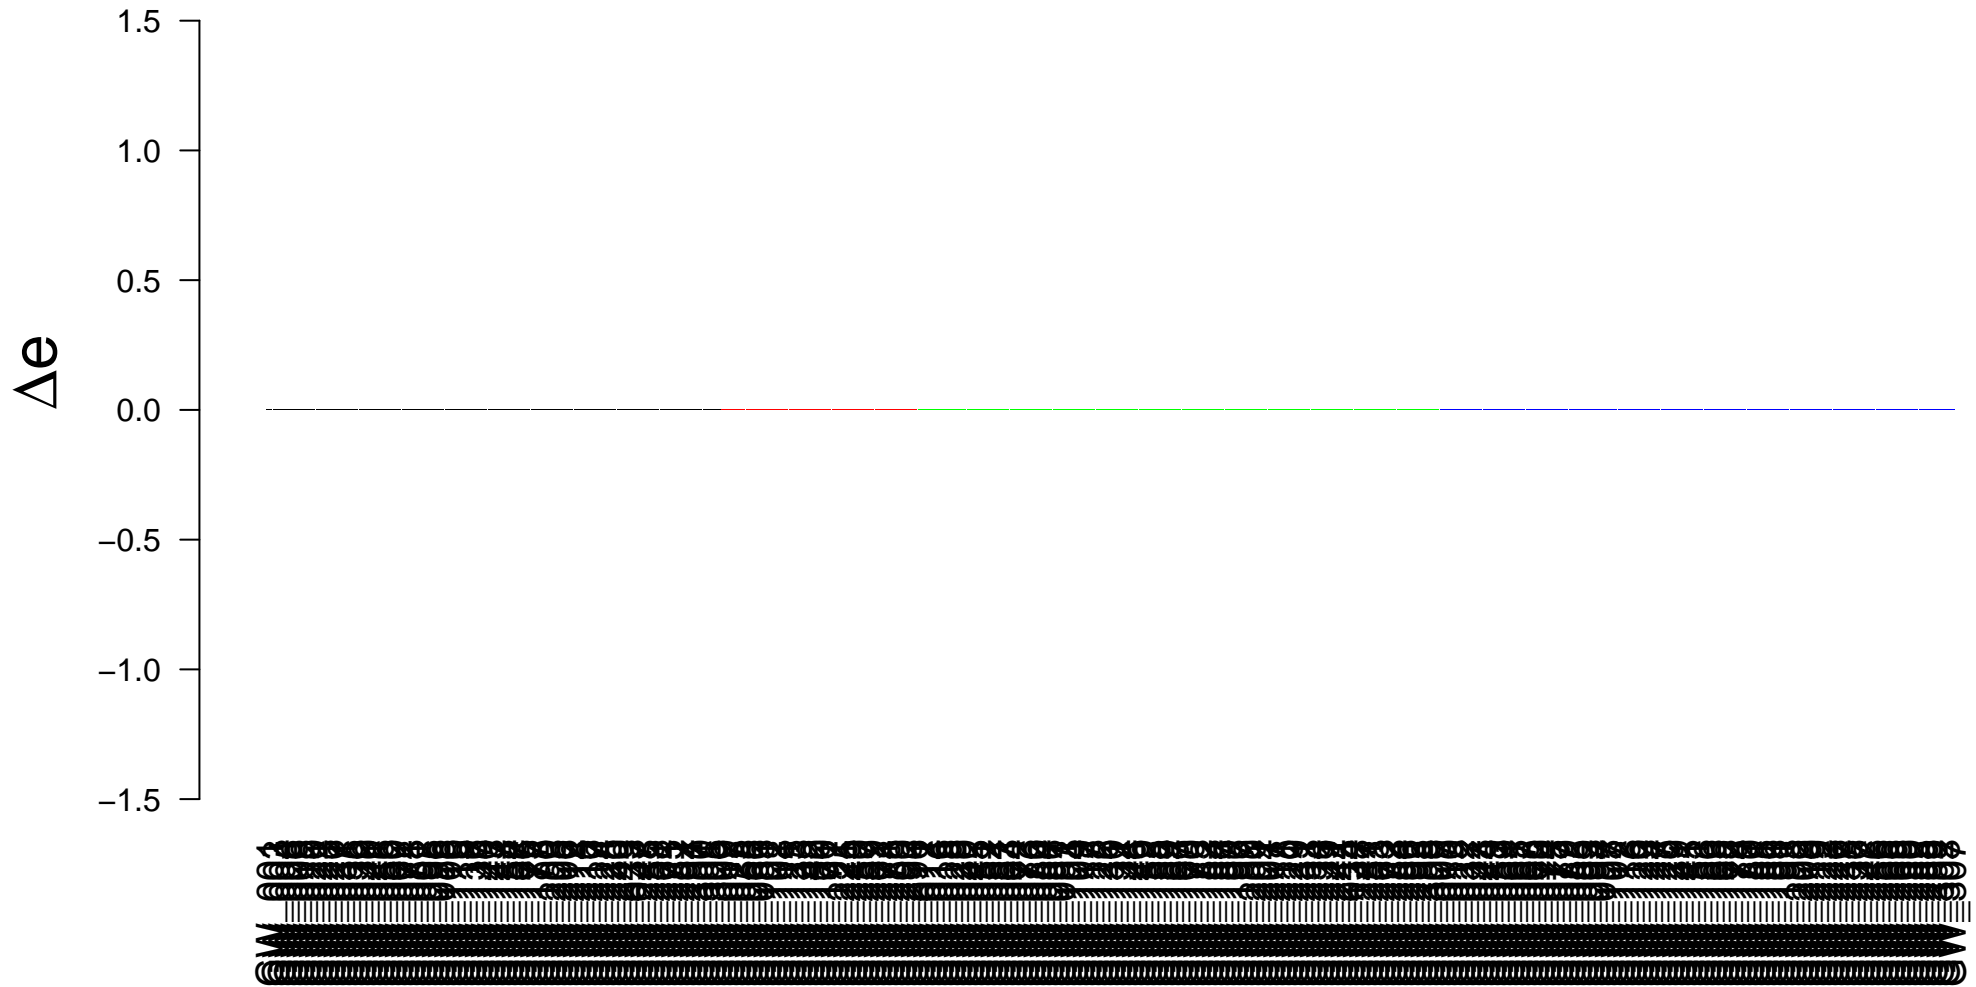

Expression of cellular copper ion homeostasis in Spot H

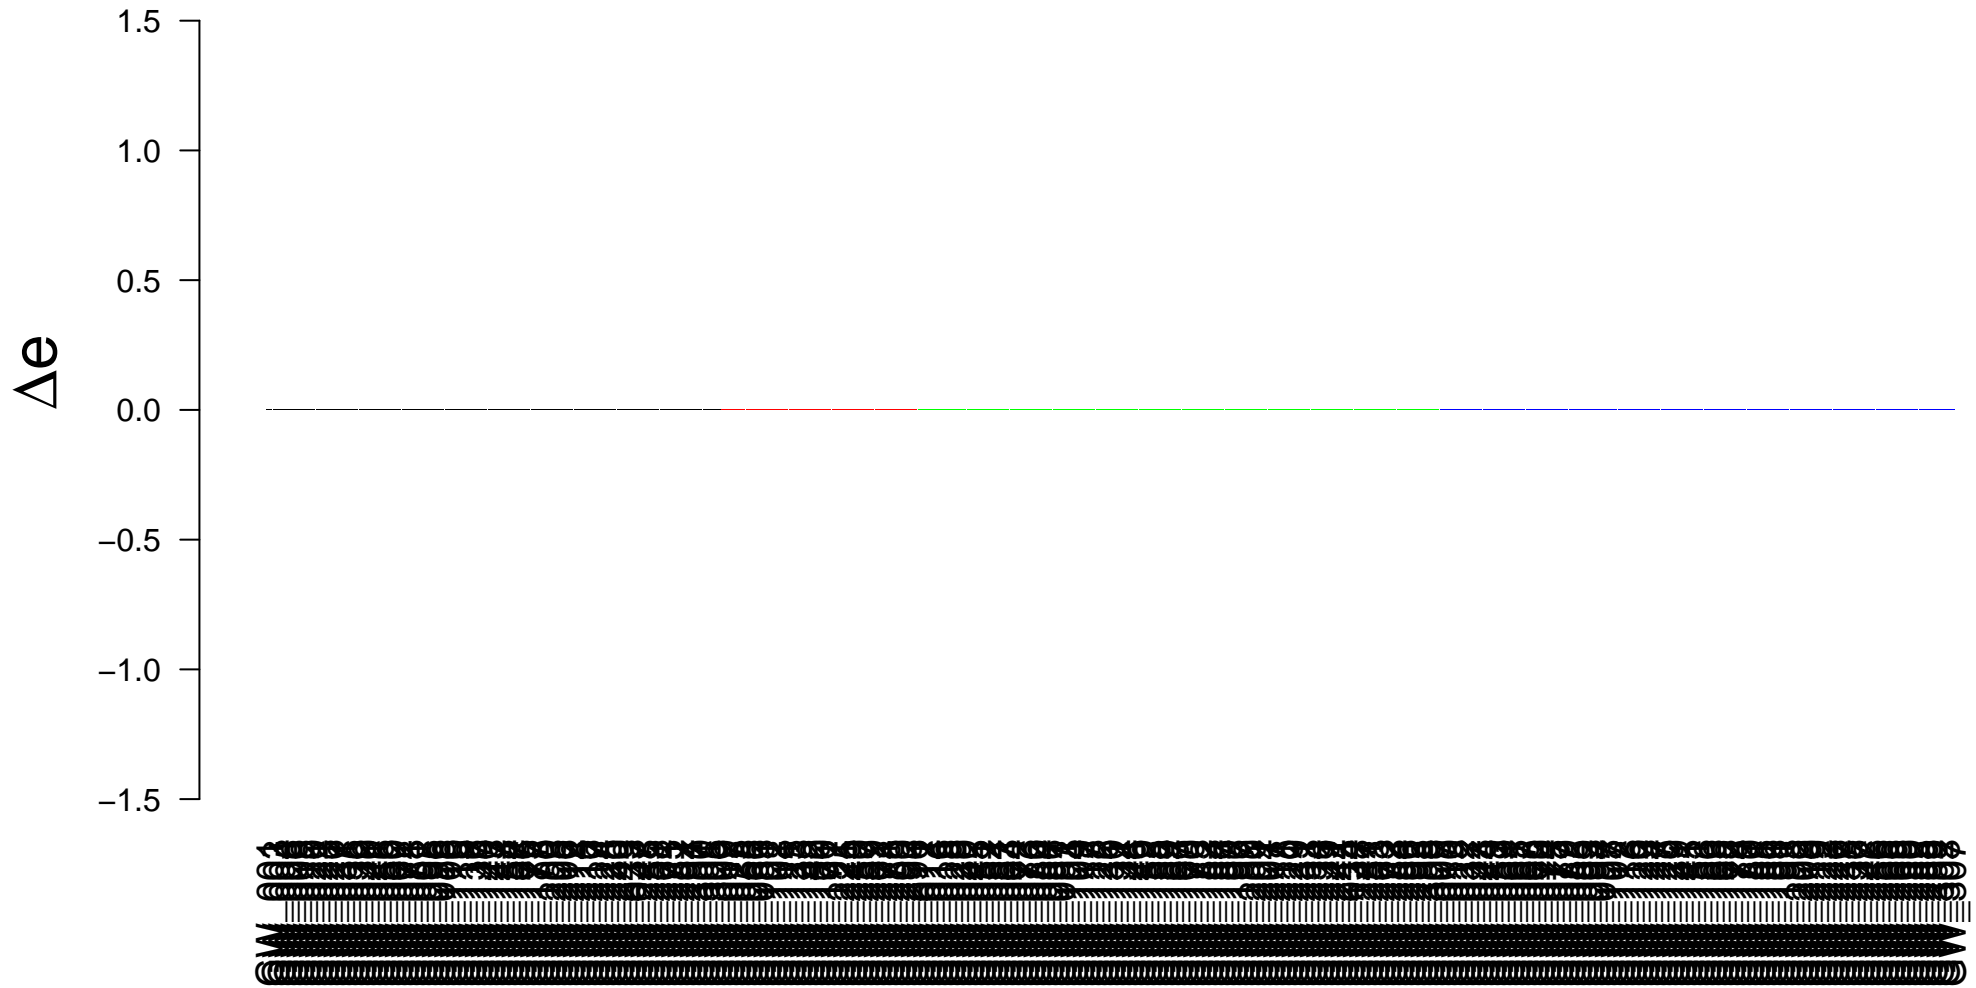

Expression of cellular copper ion homeostasis in Spot I

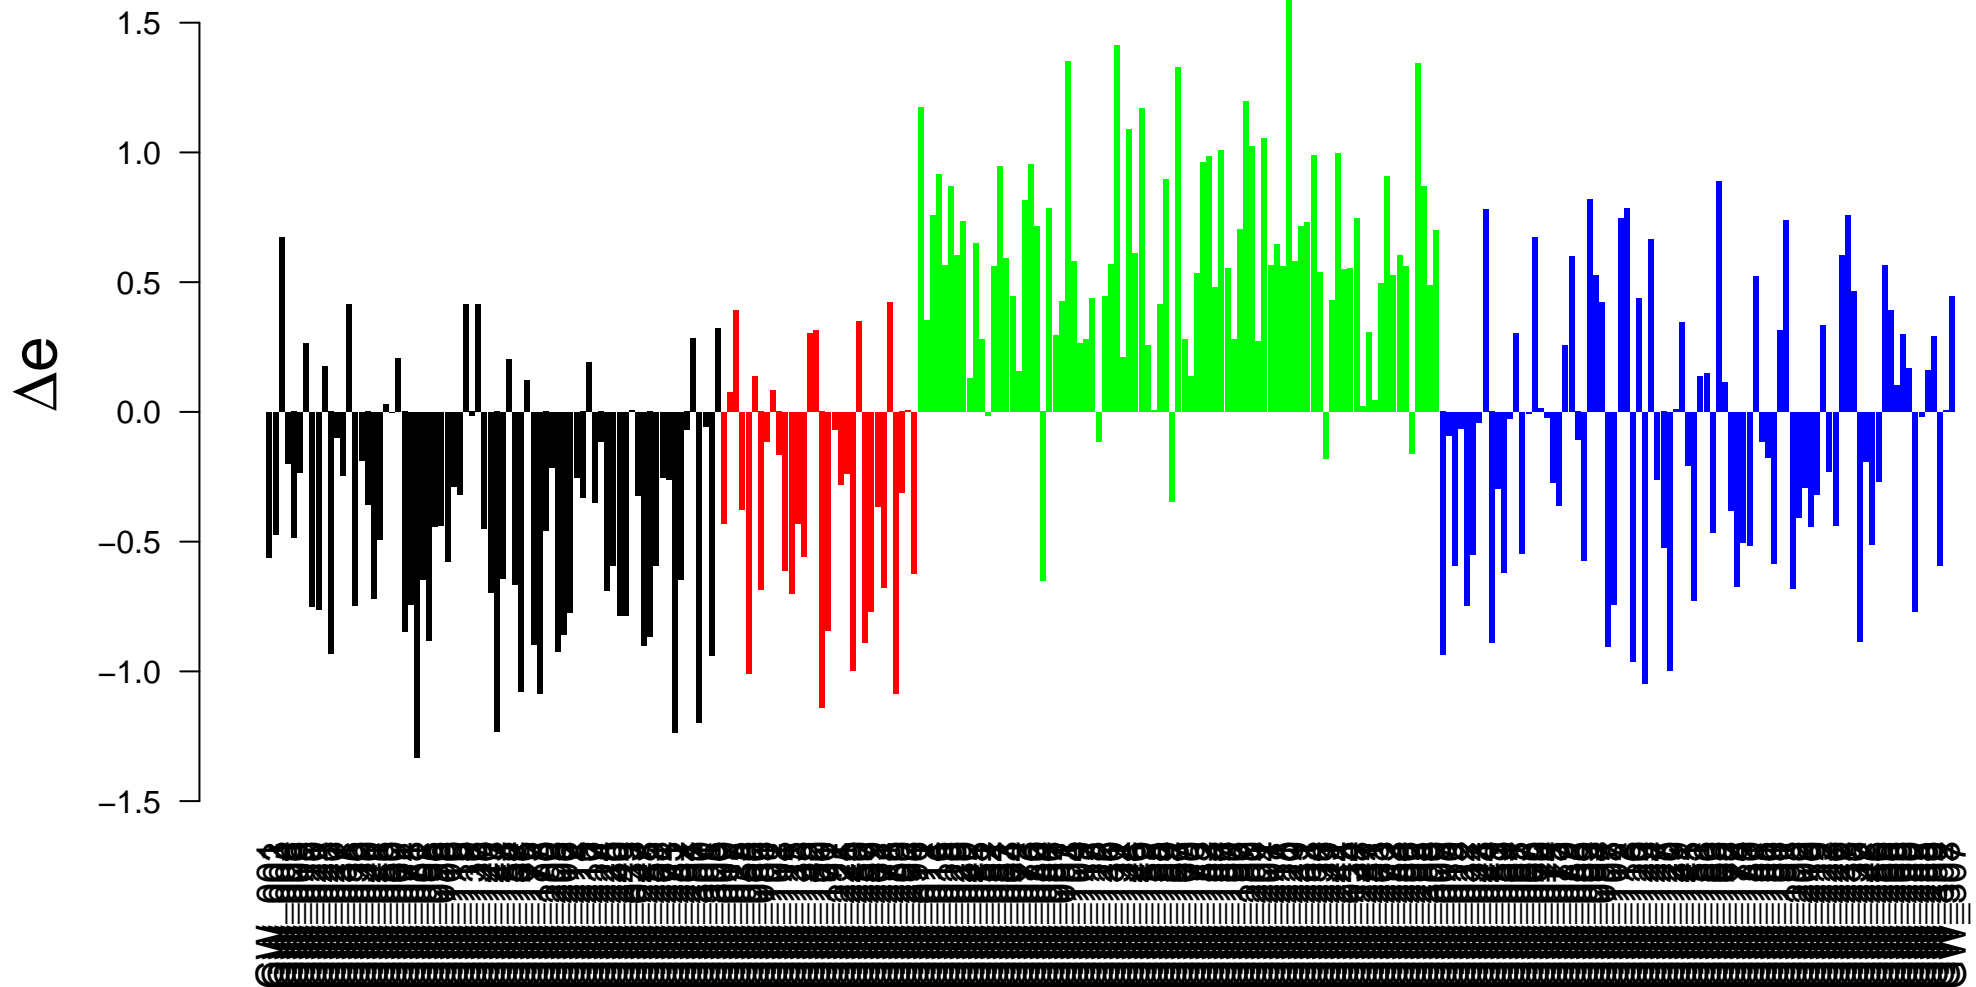

Expression of cellular copper ion homeostasis in Spot J

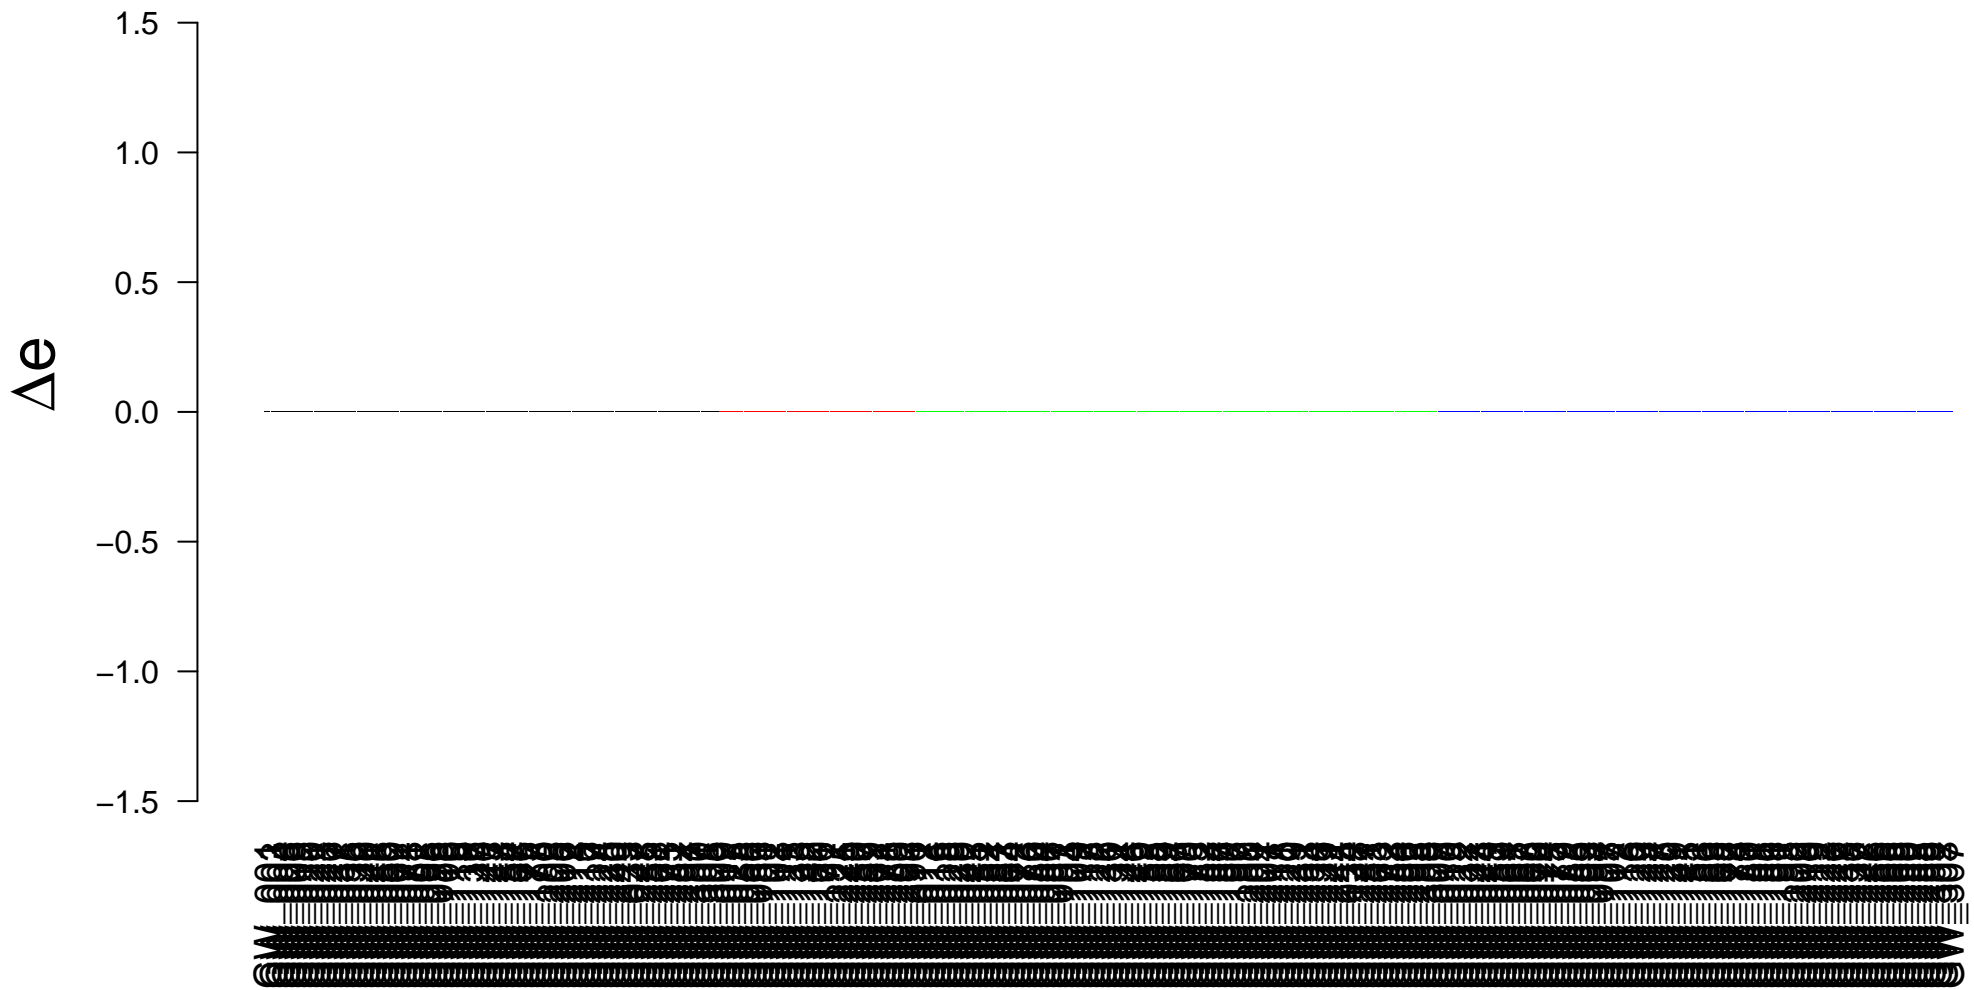

Expression of cellular copper ion homeostasis in Spot K

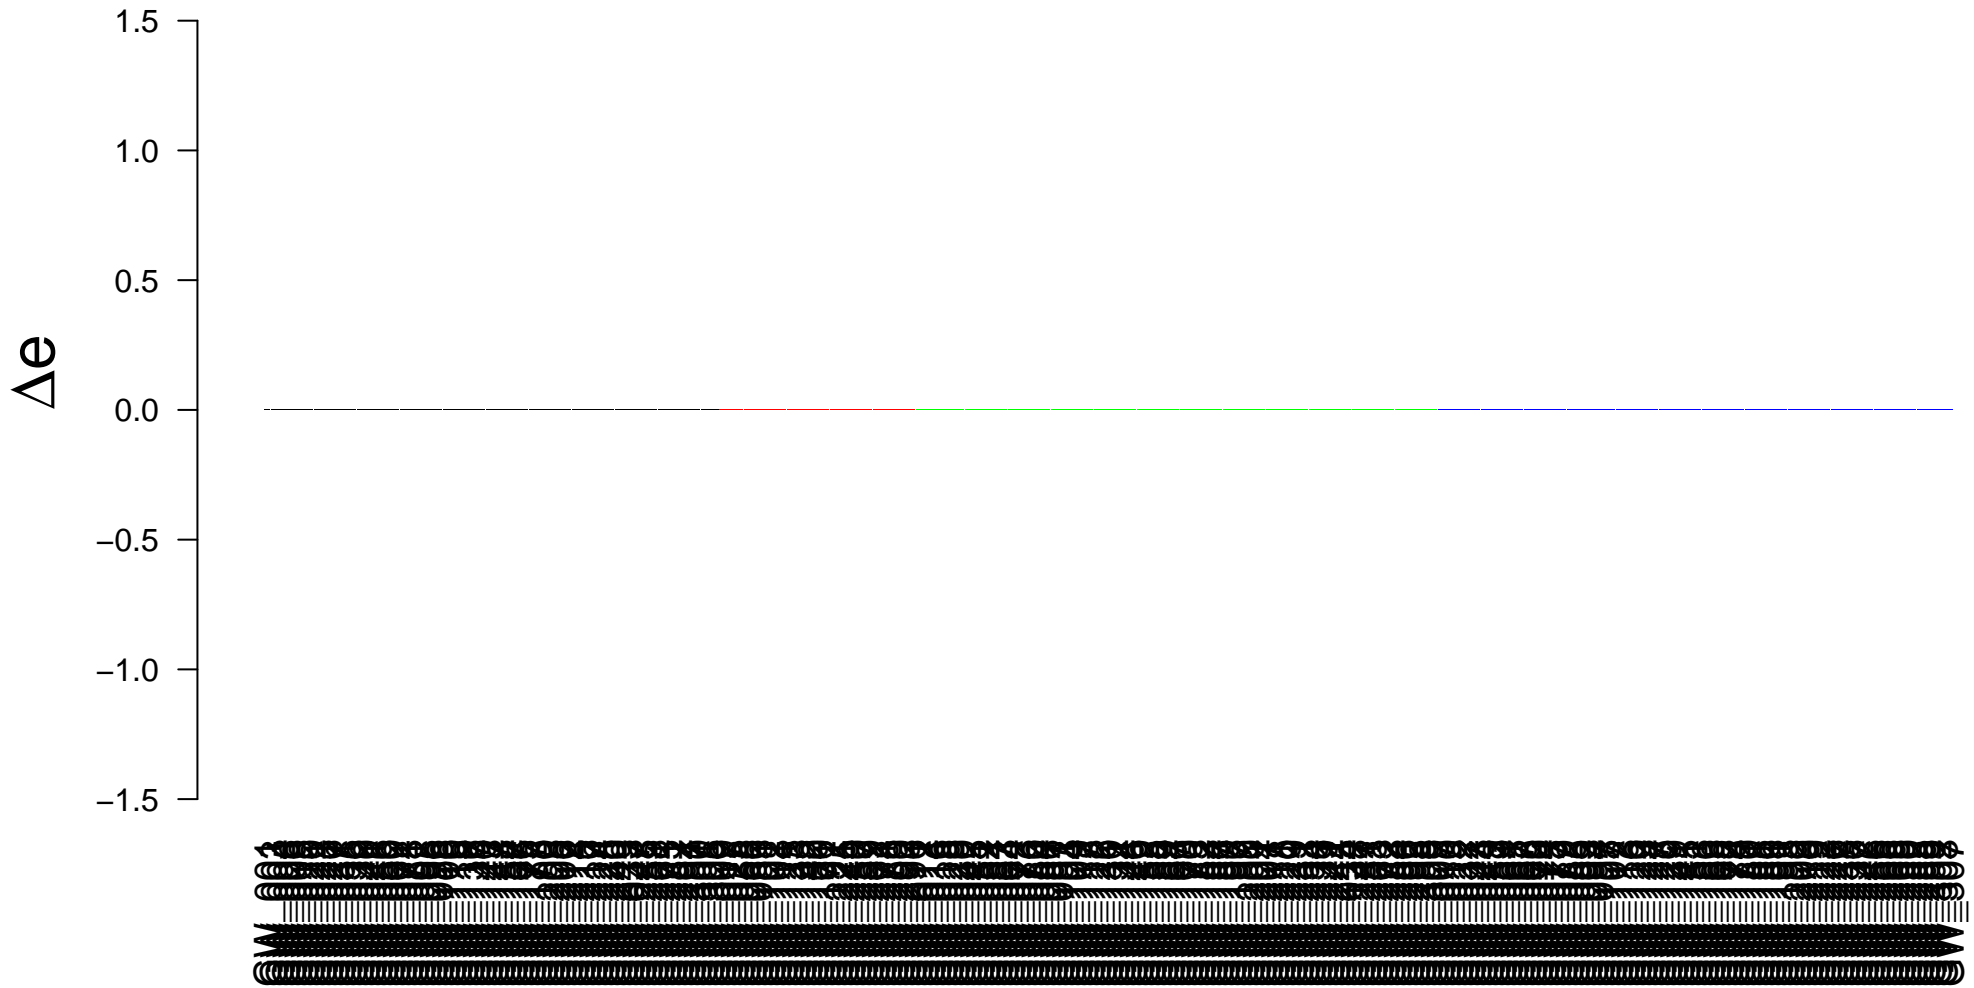

Expression of cellular copper ion homeostasis in Spot L

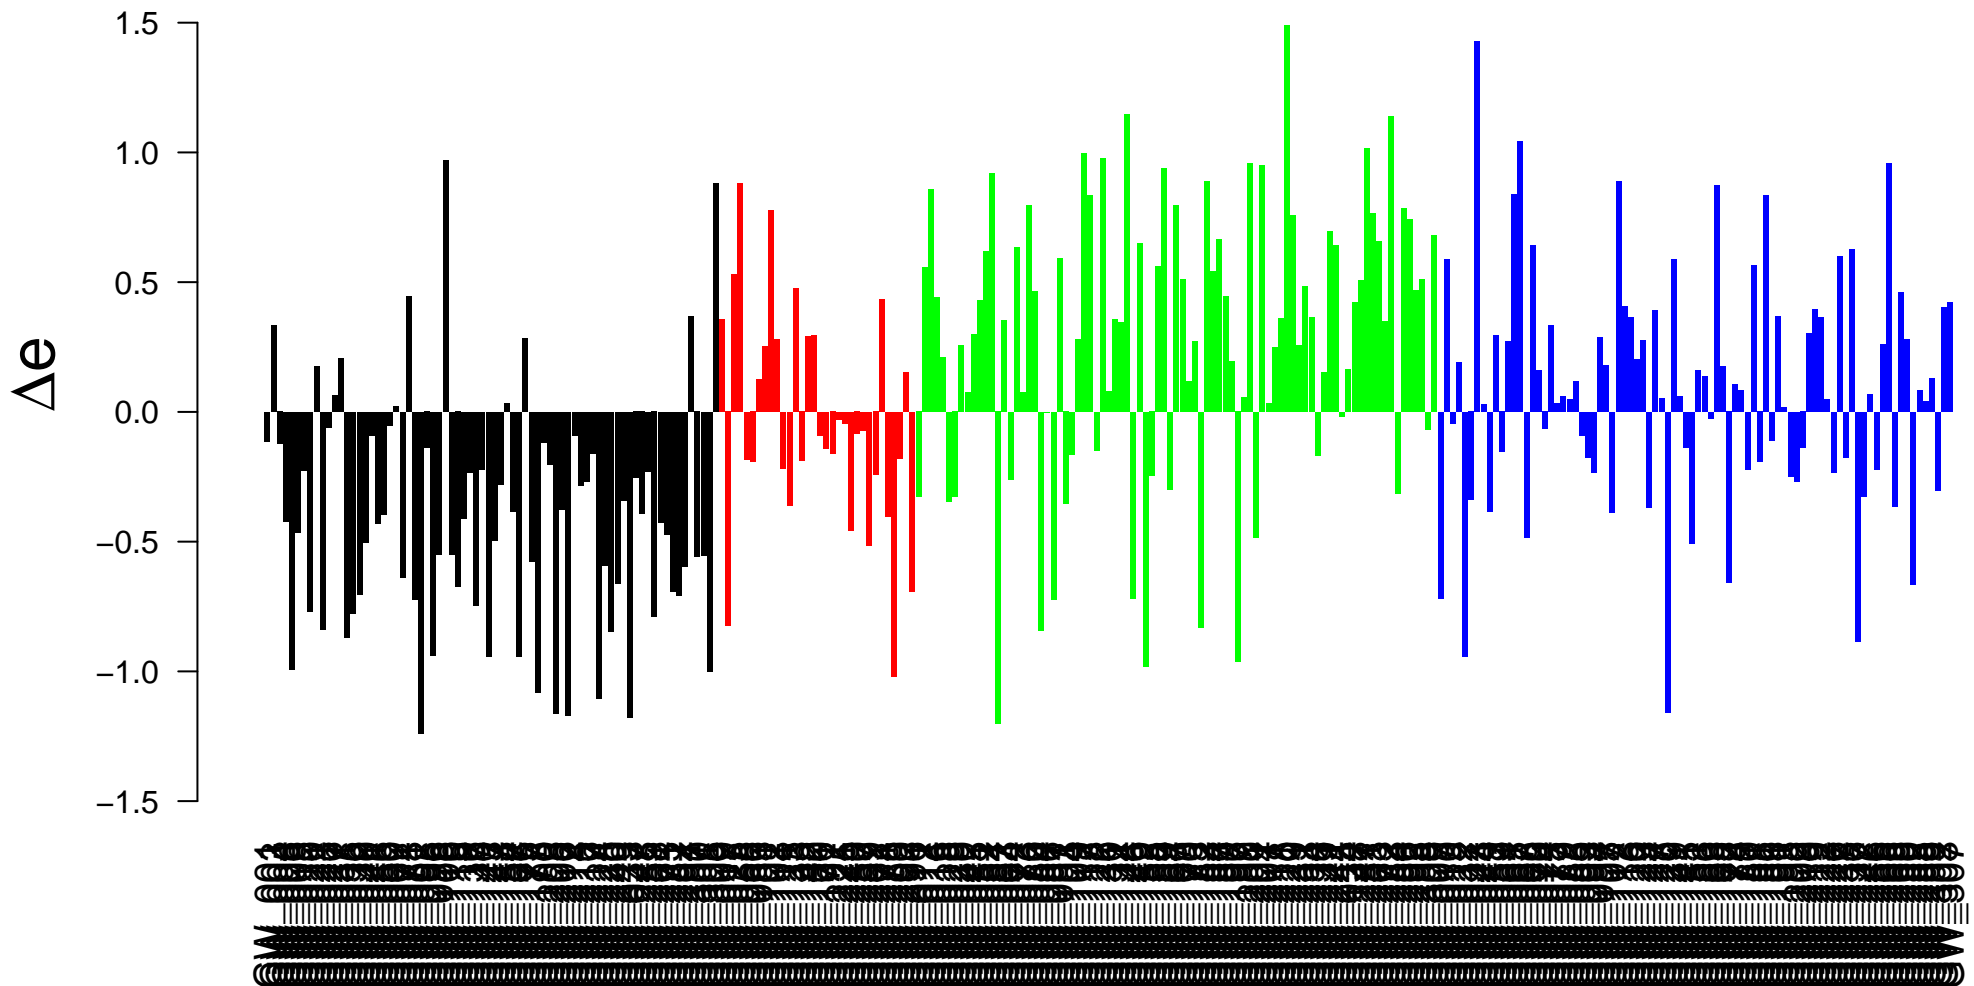

Expression of cellular copper ion homeostasis in Spot M

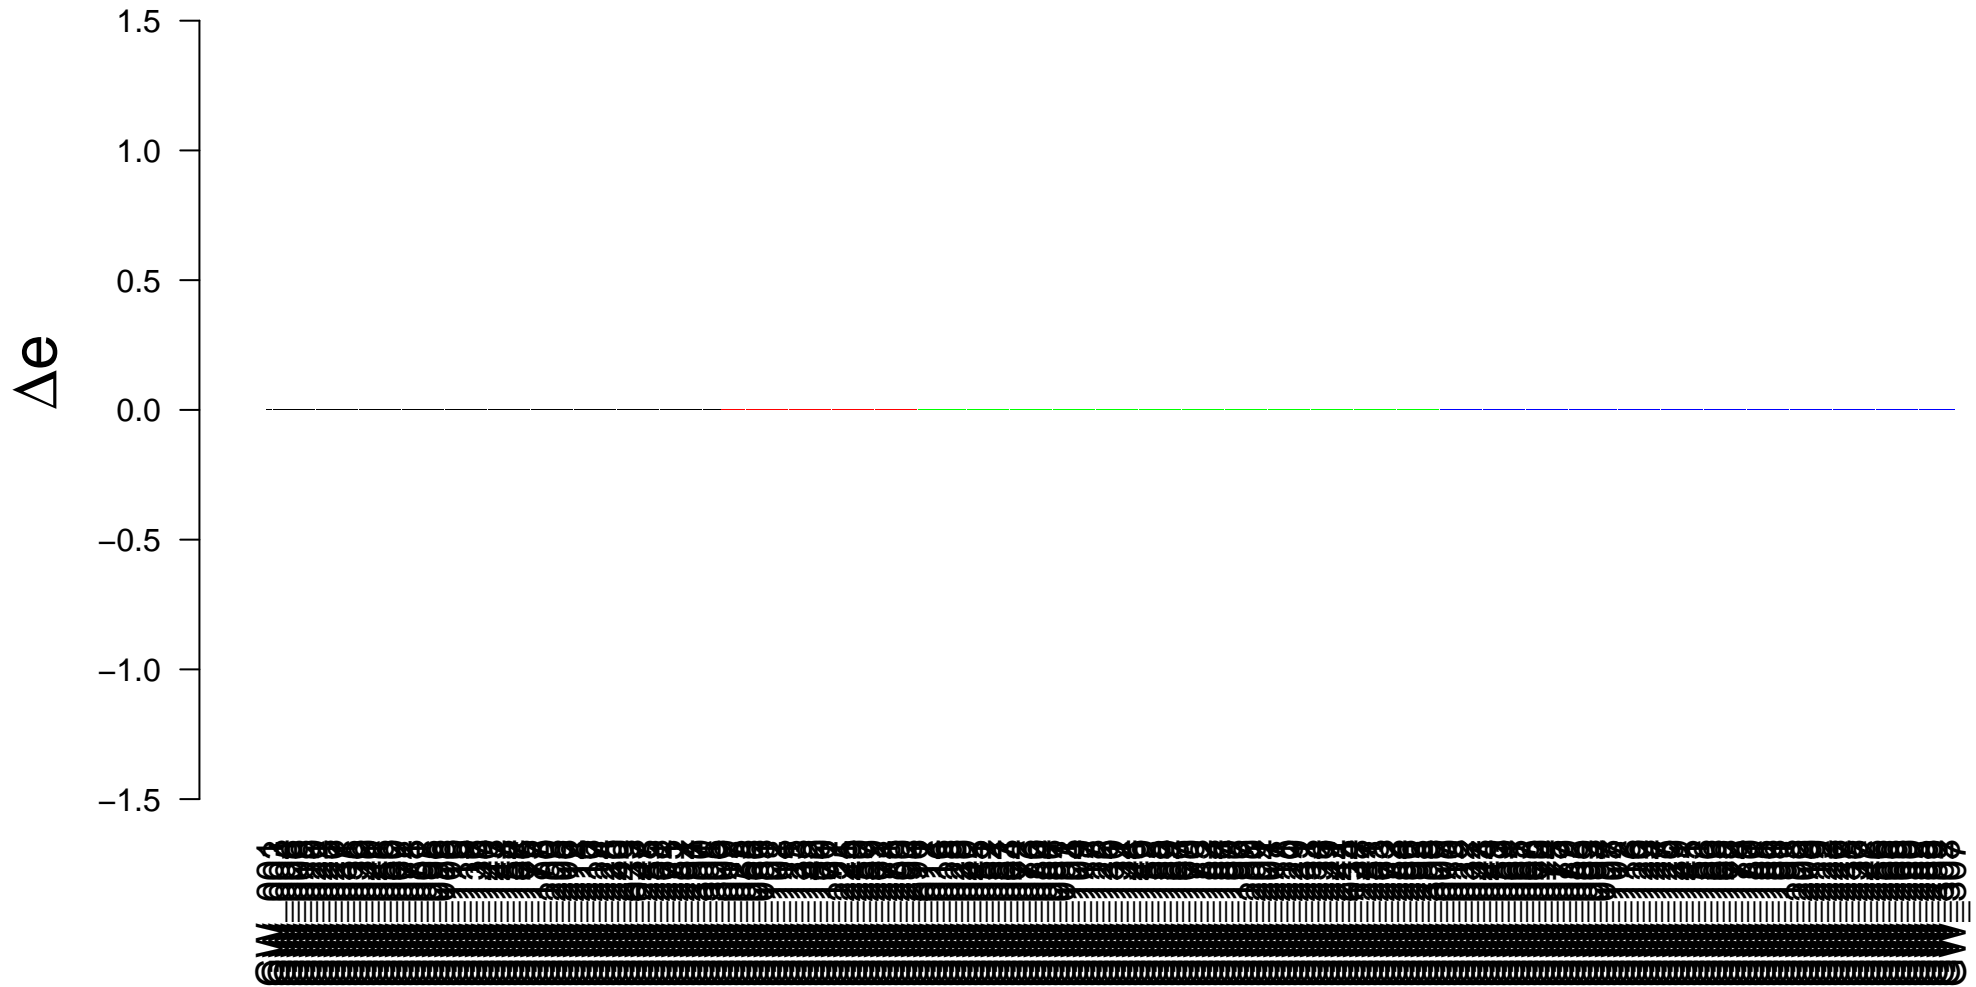

Expression of cellular copper ion homeostasis in Spot N

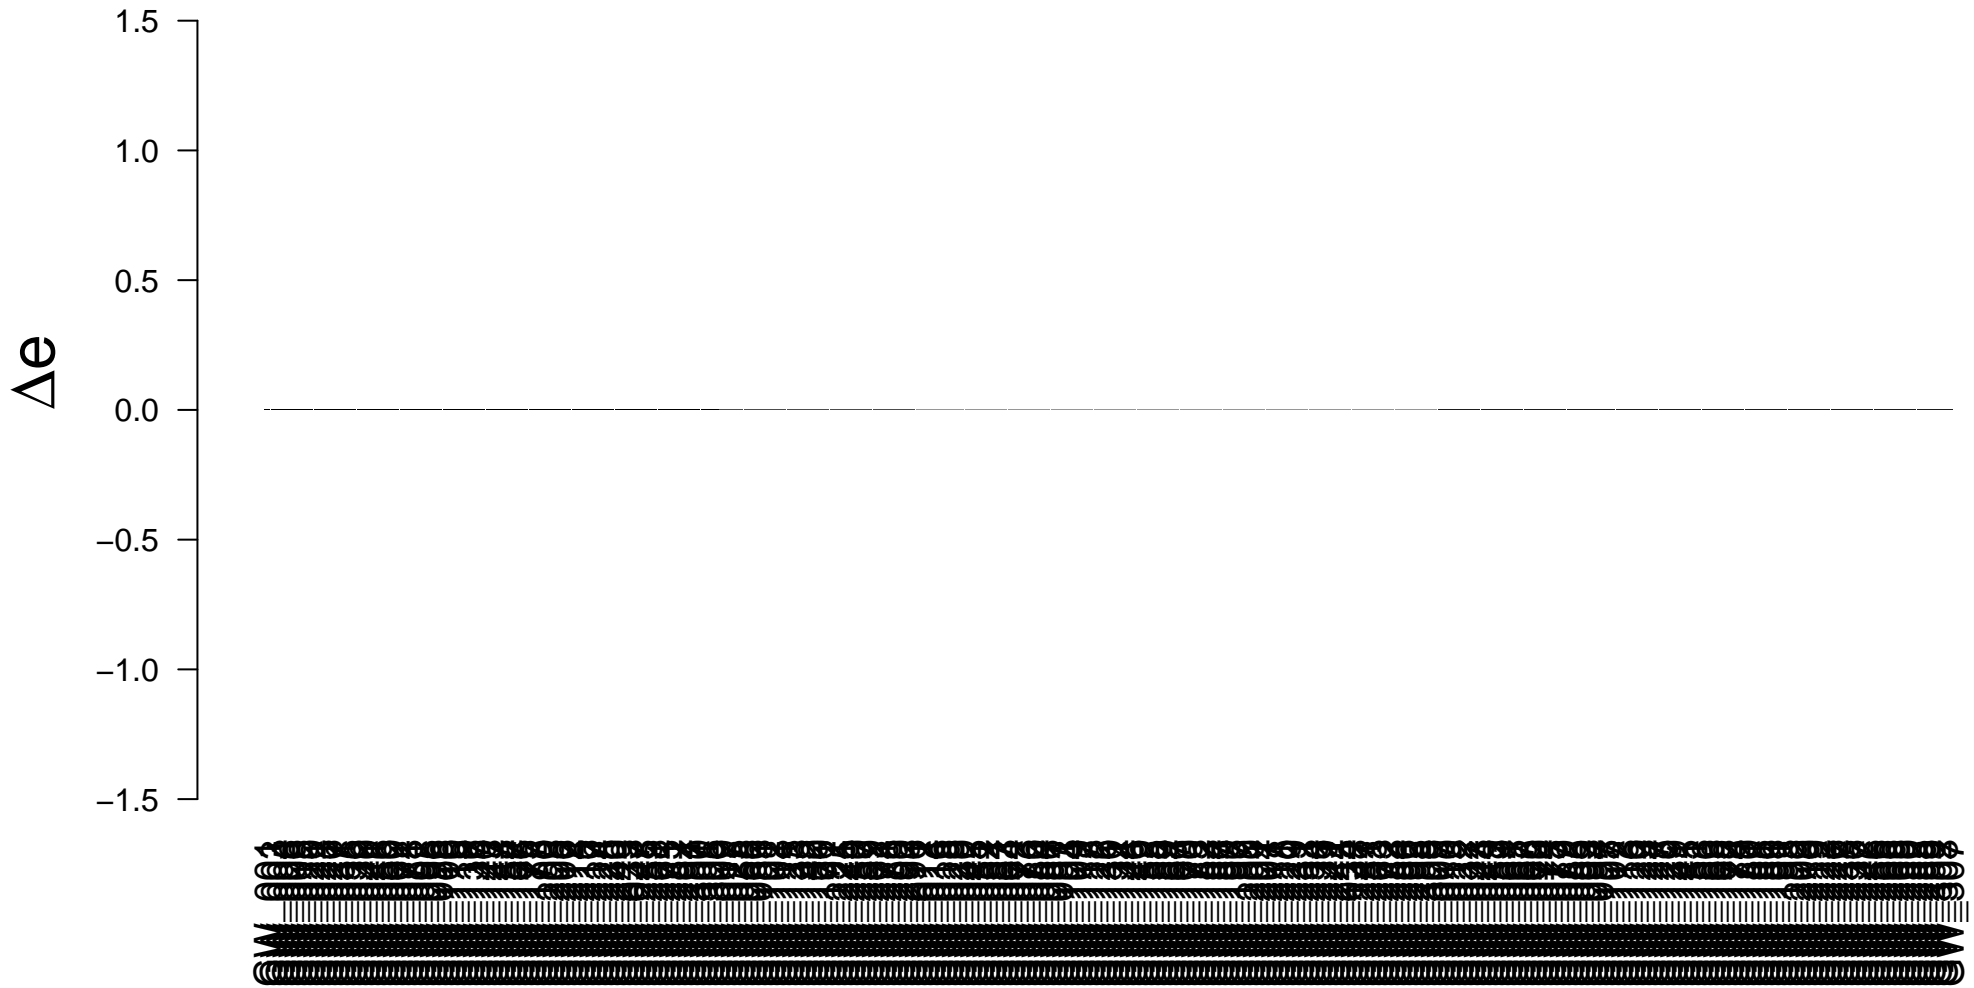

Expression of cellular copper ion homeostasis in Spot O

Expression of cellular copper ion homeostasis in Spot P

Expression of cellular copper ion homeostasis in Spot Q

Expression of cellular copper ion homeostasis in Spot R
