

cellular glucose homeostasis

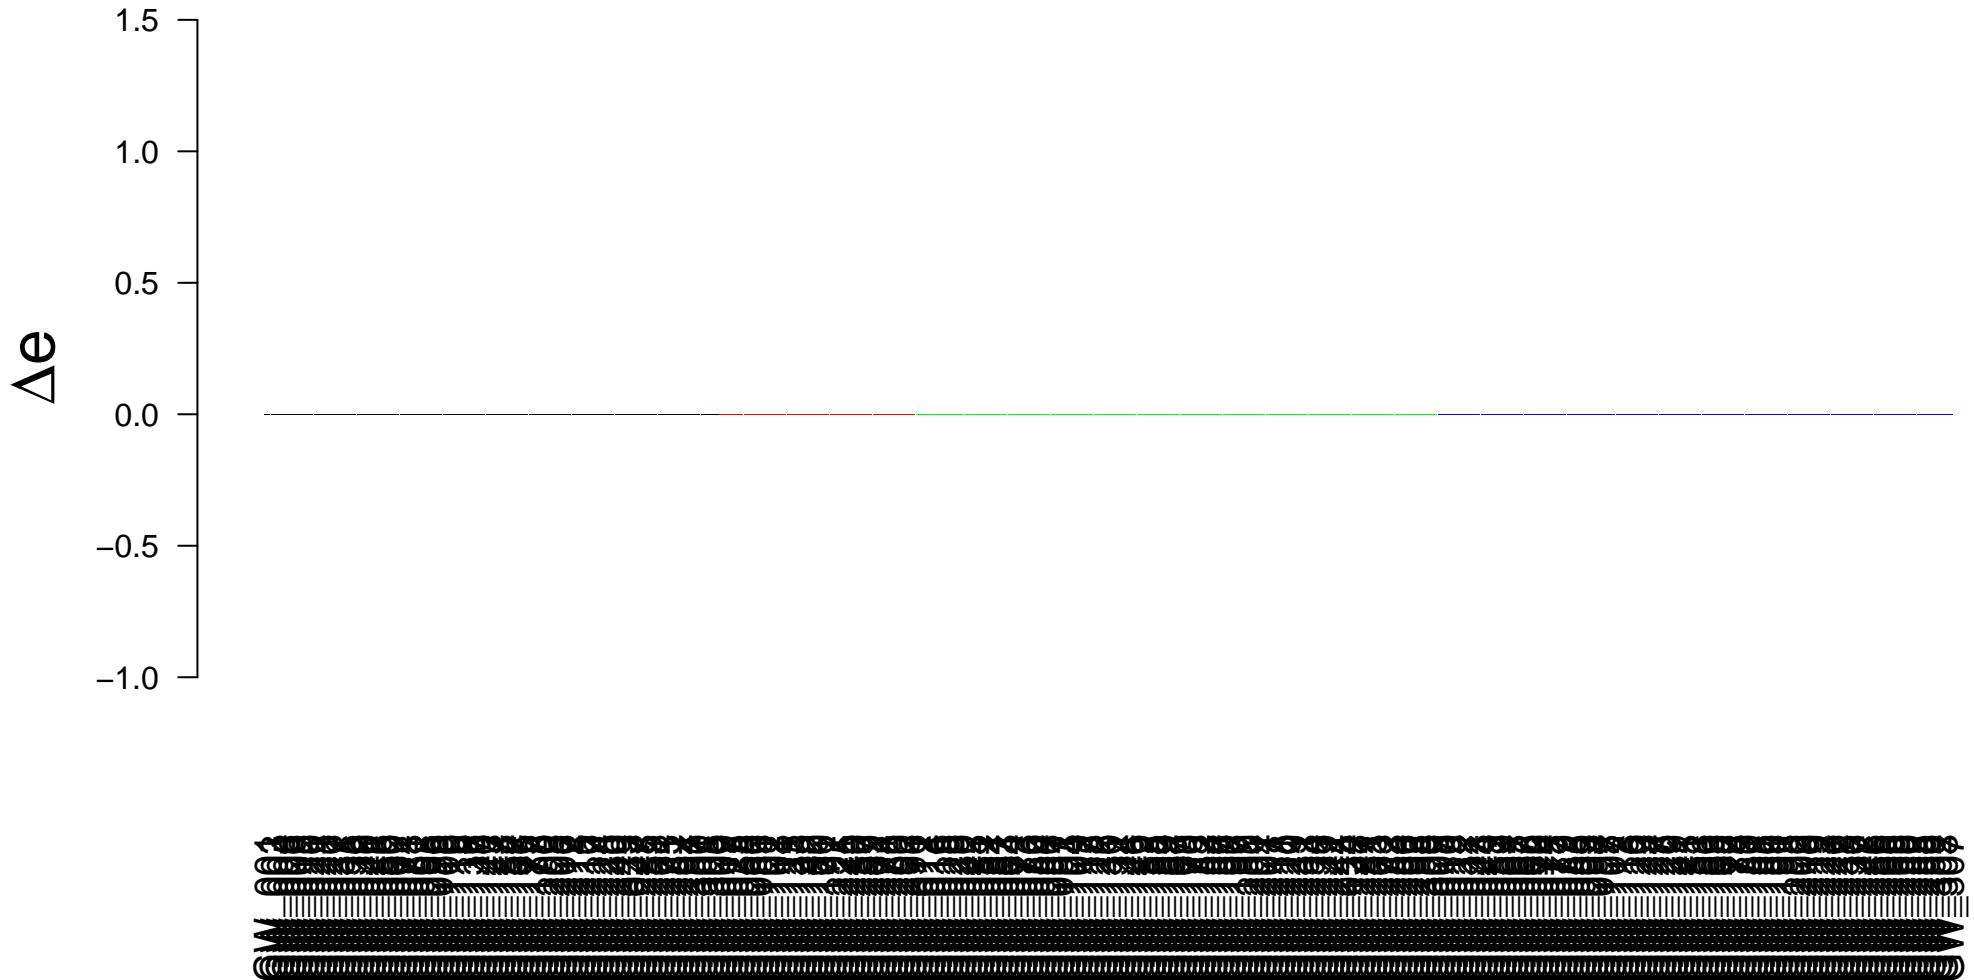

cellular glucose homeostasis

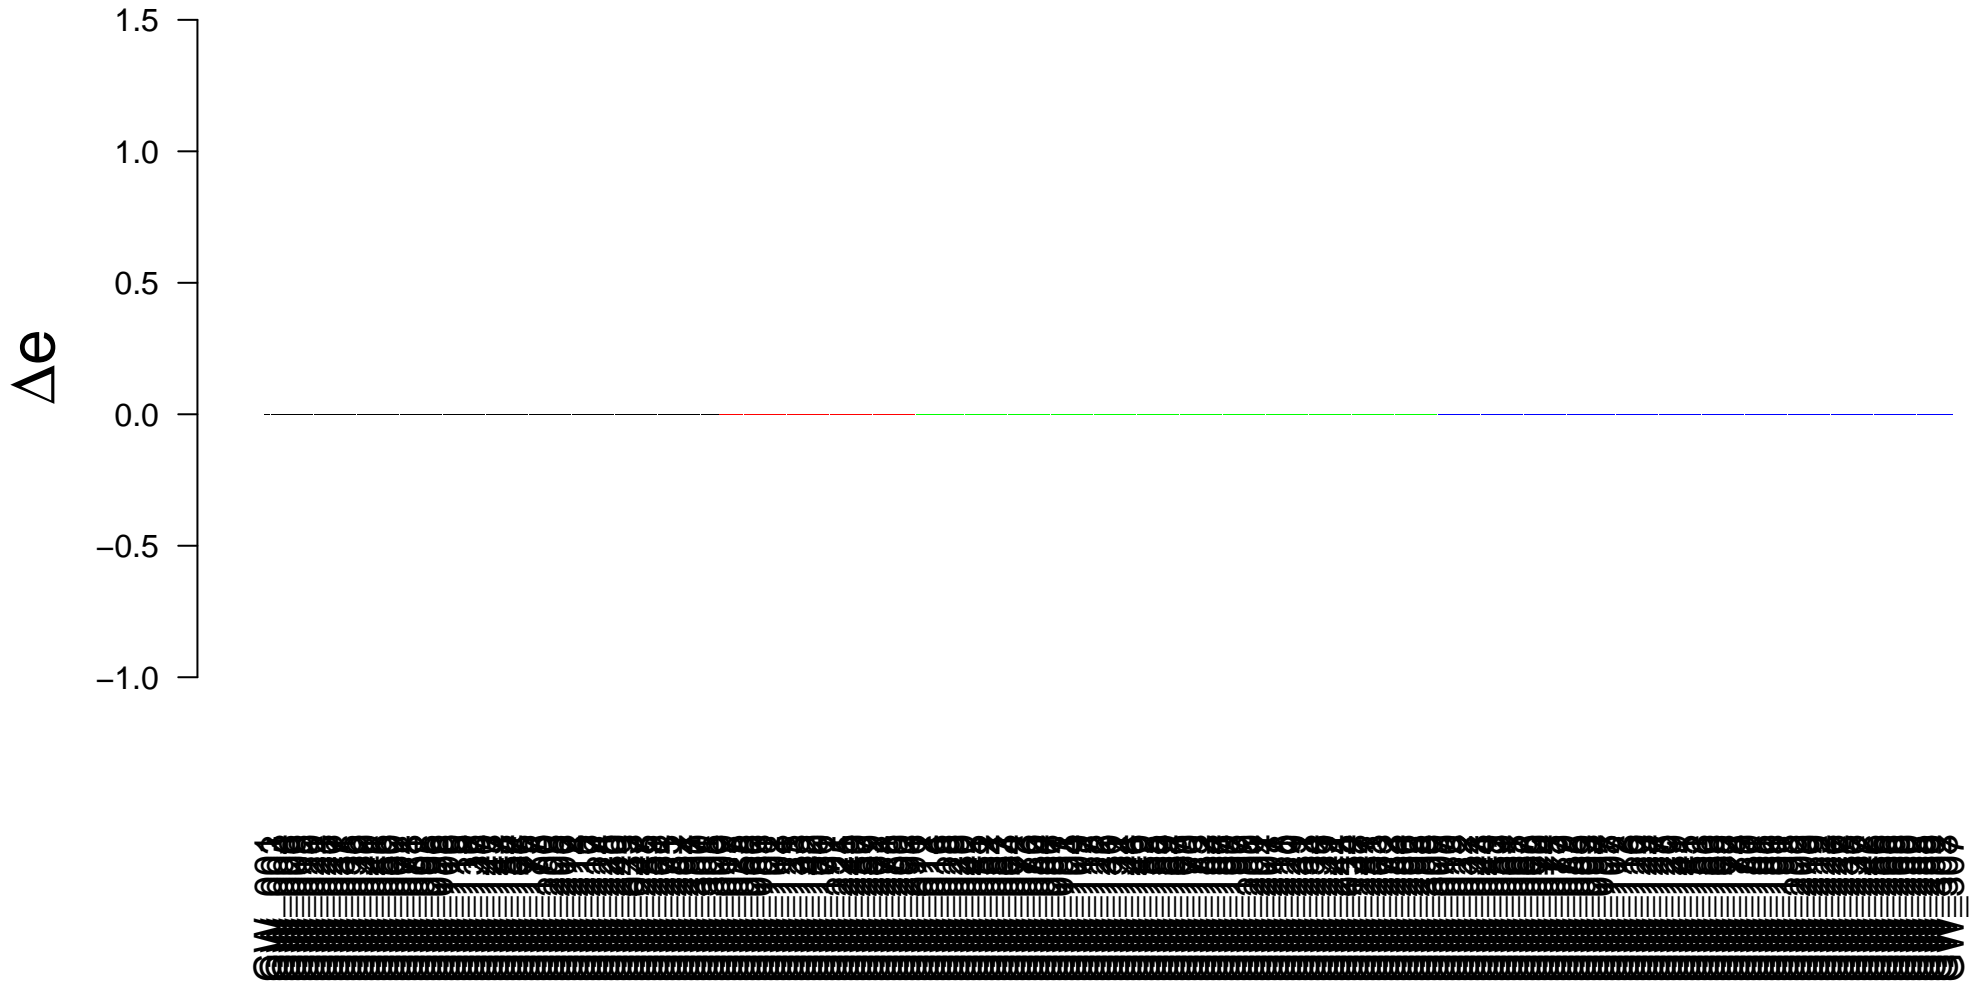

Enrichment in spots: cellular glucose homeostasis

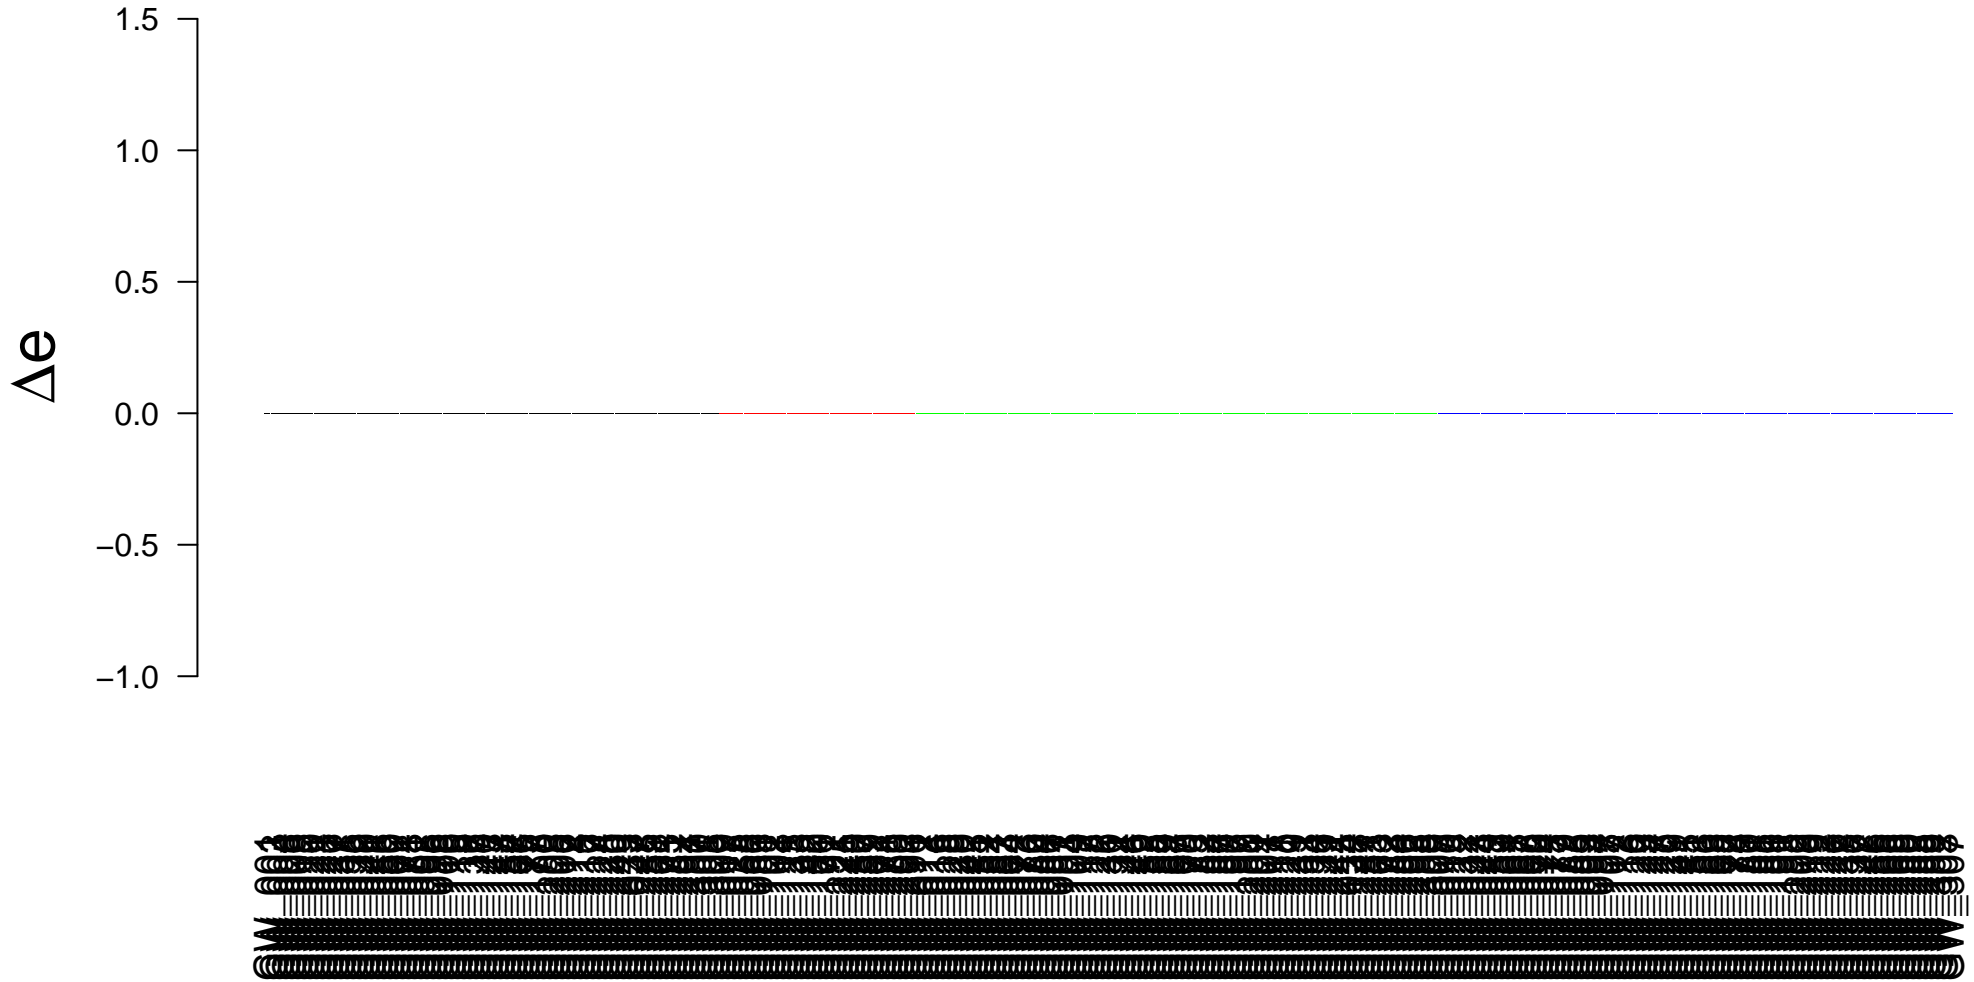

Expression of cellular glucose homeostasis in Spot A

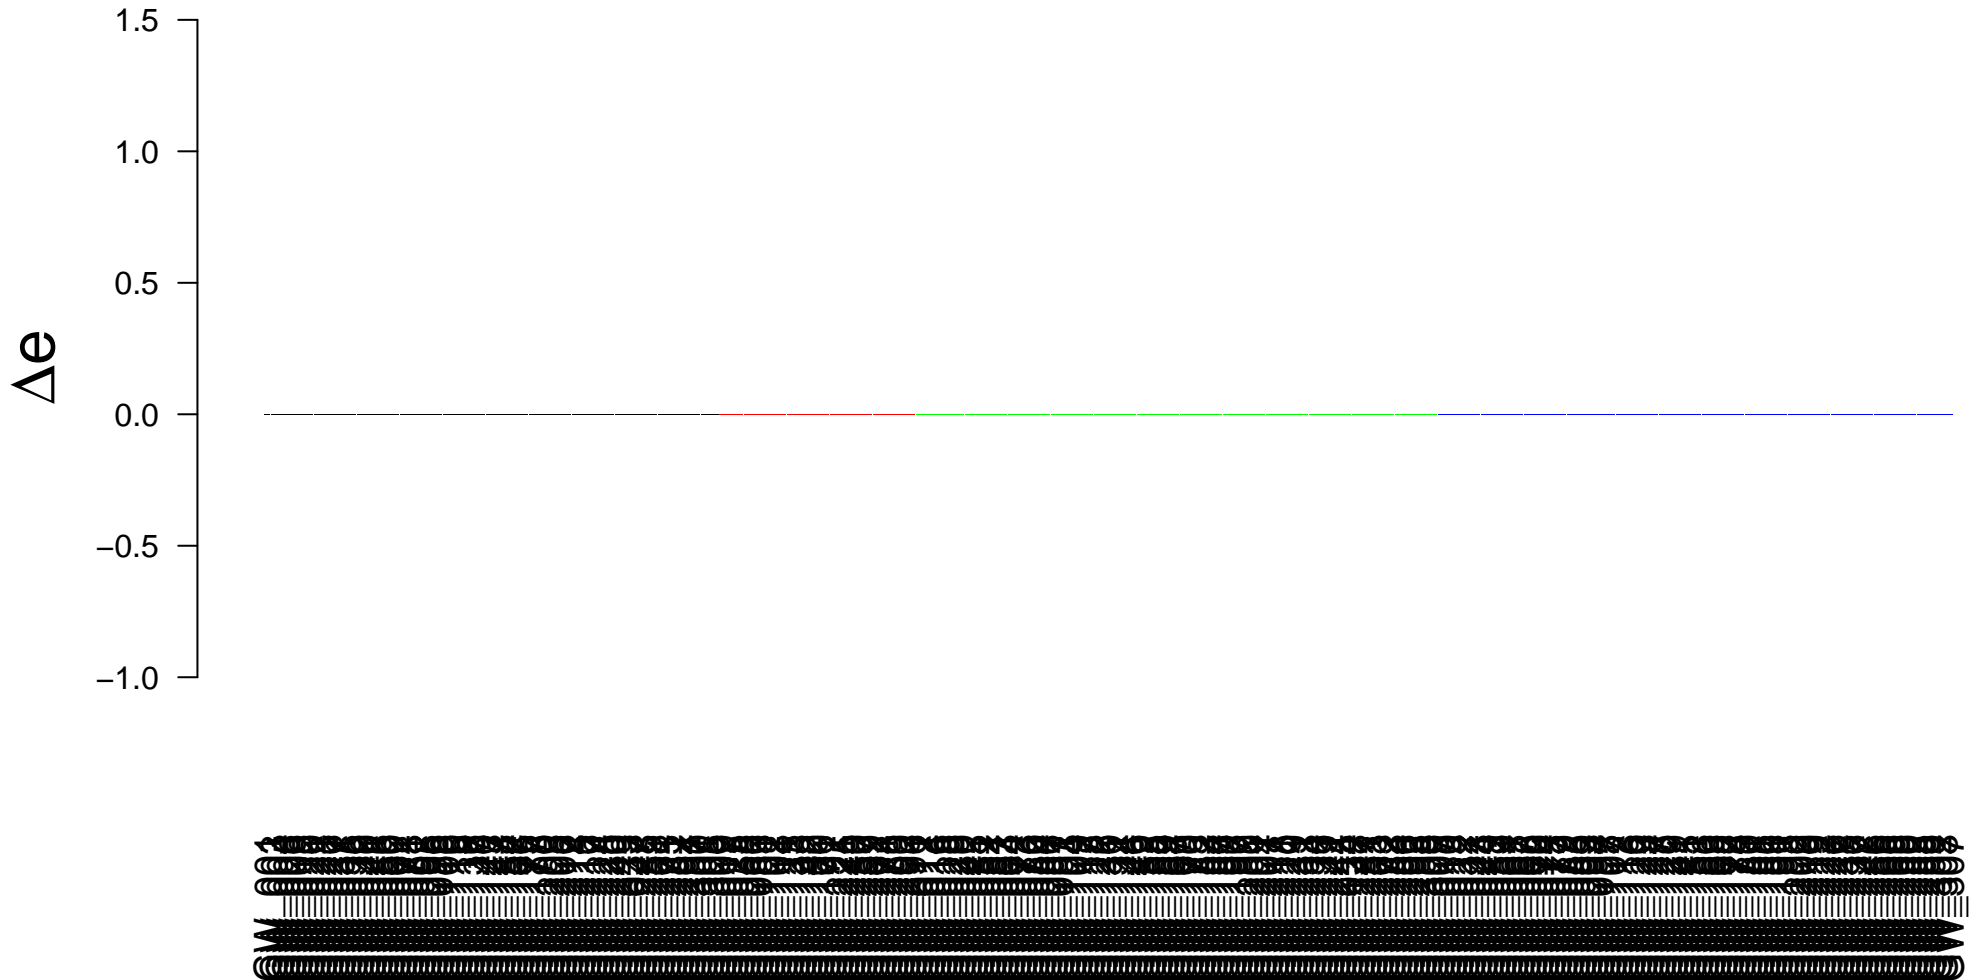

Expression of cellular glucose homeostasis in Spot B

Expression of cellular glucose homeostasis in Spot C

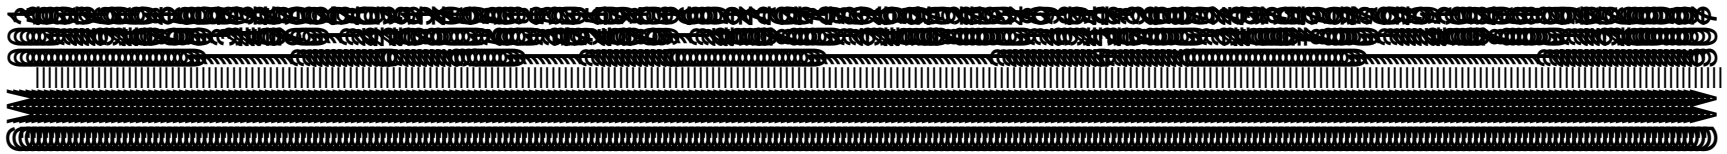

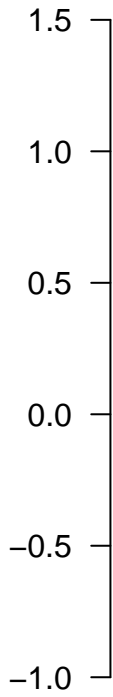

Expression of cellular glucose homeostasis in Spot D

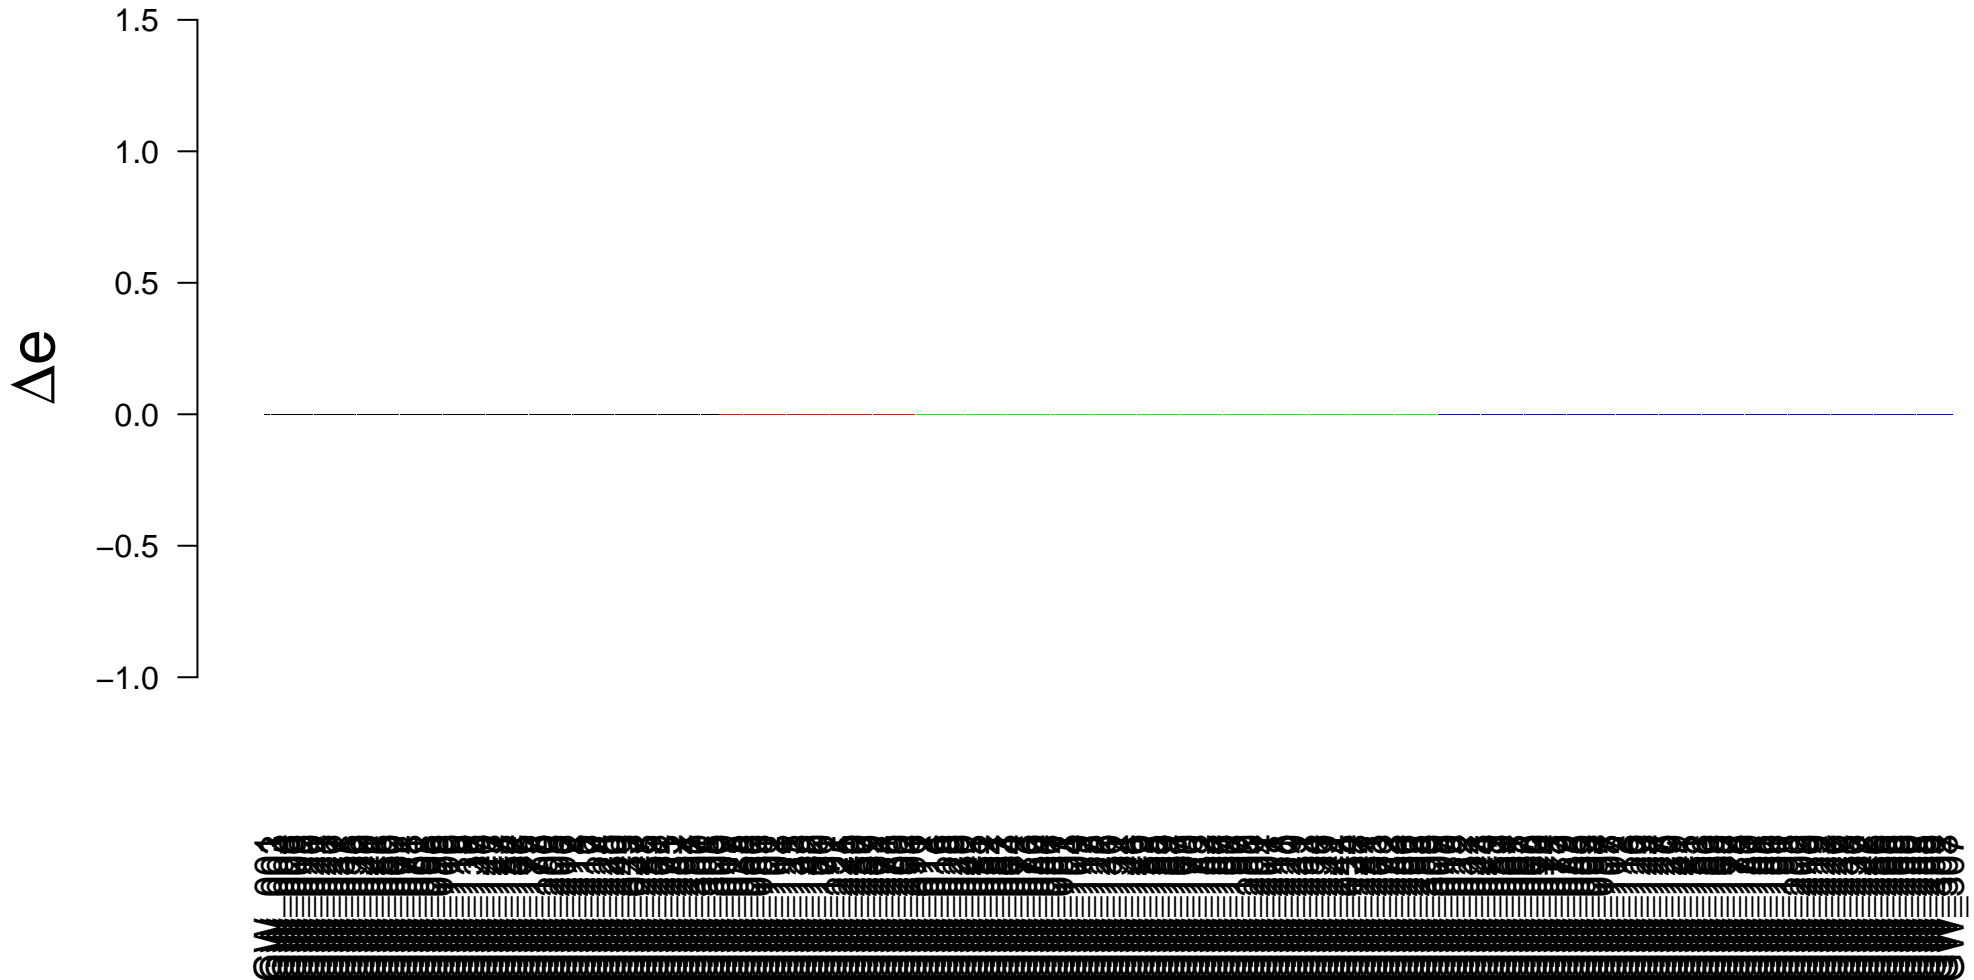

Expression of cellular glucose homeostasis in Spot E

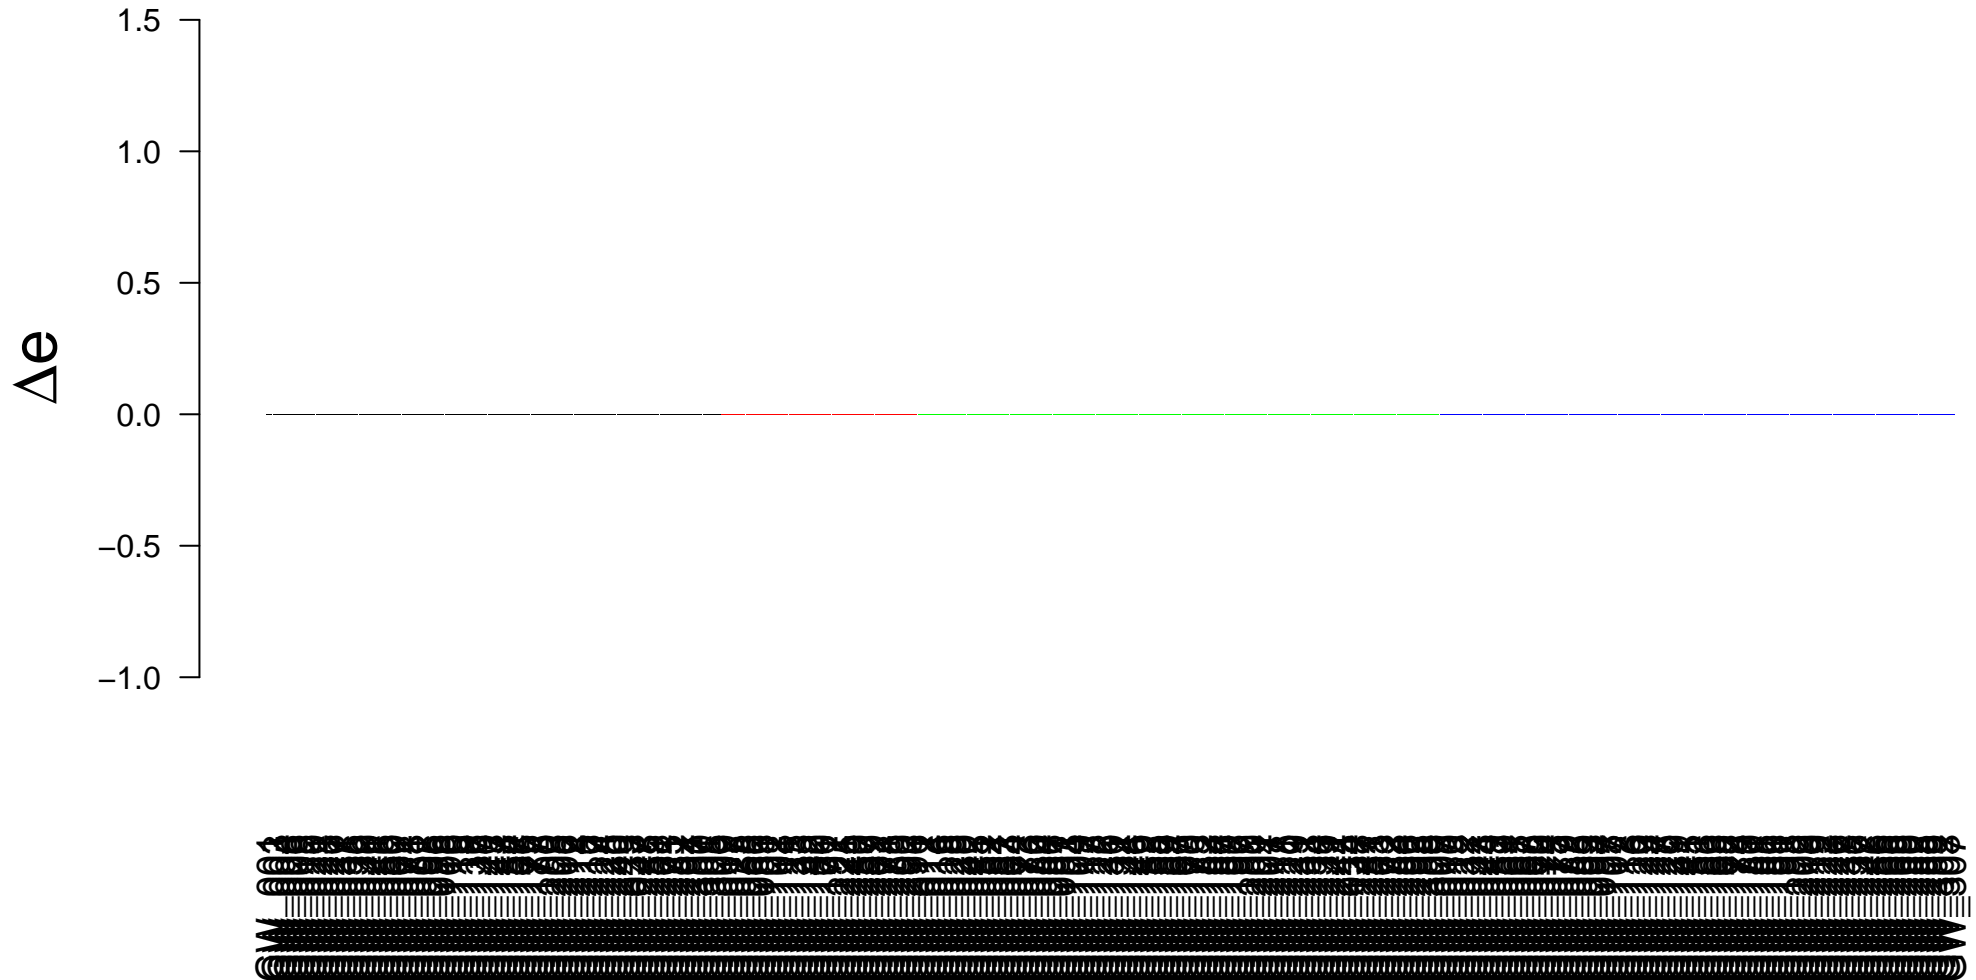

Δe

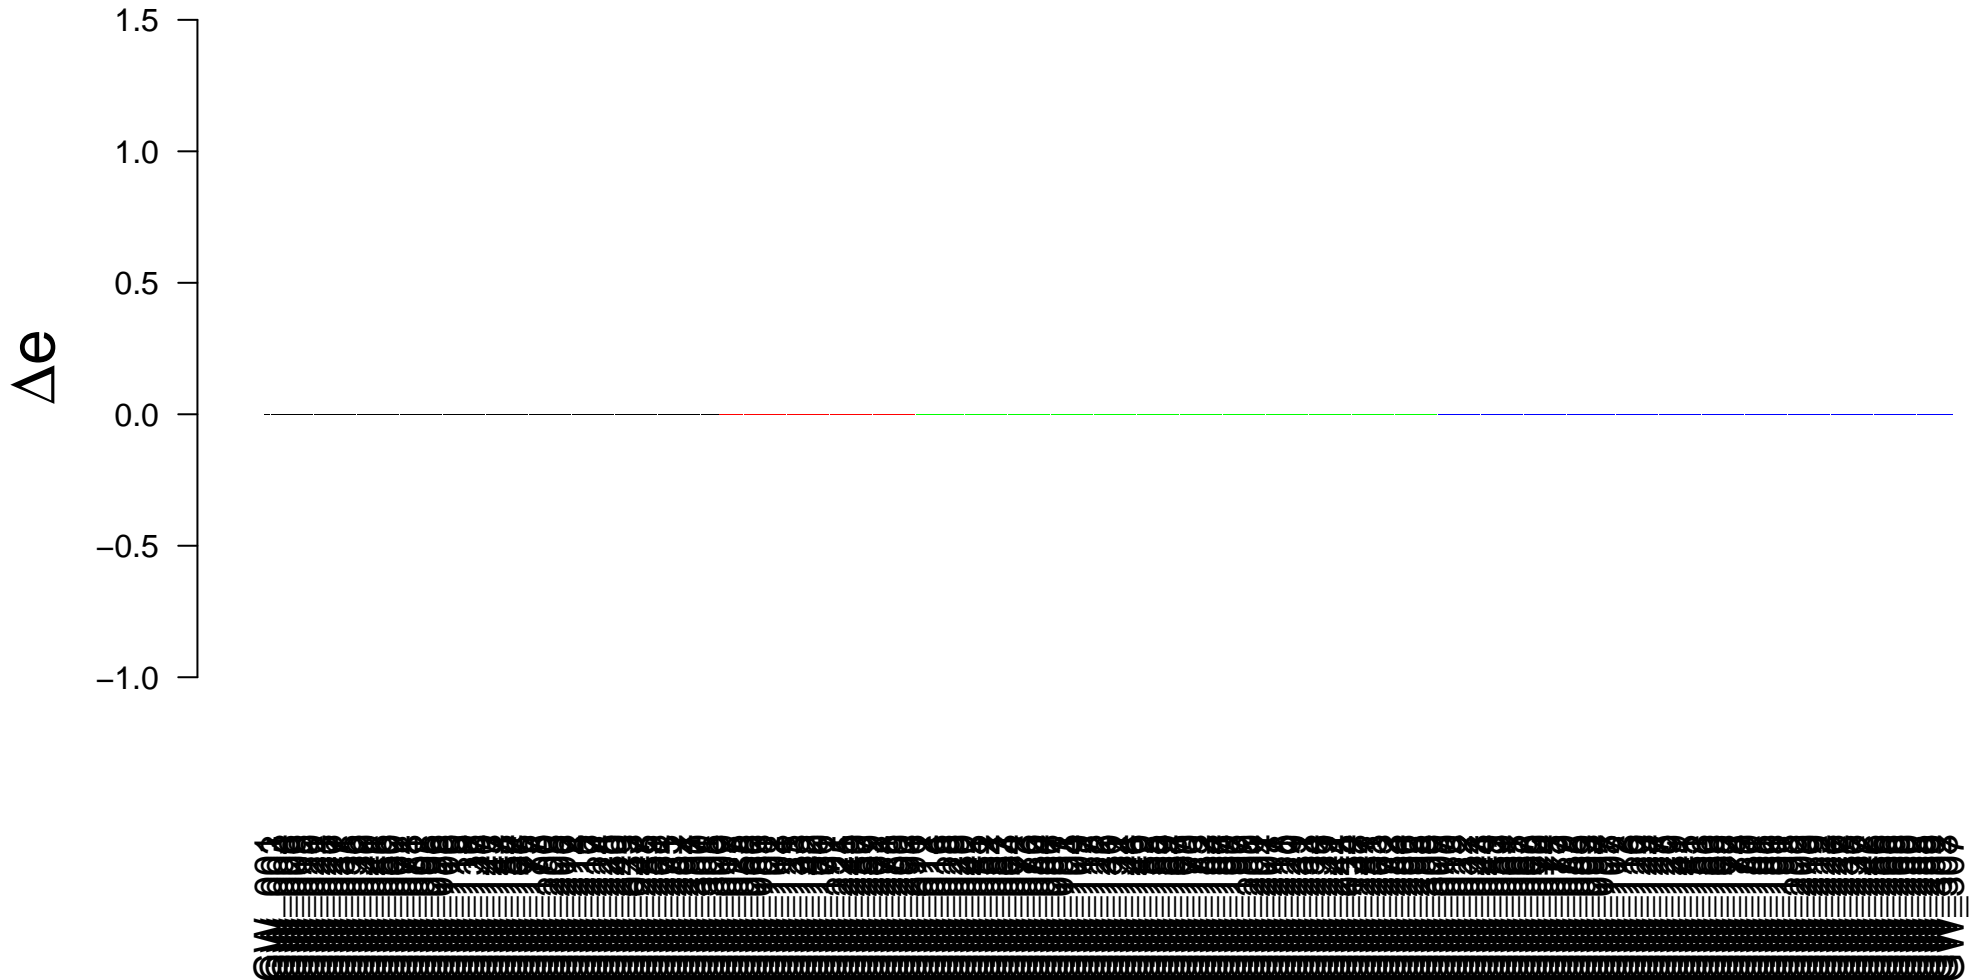

Expression of cellular glucose homeostasis in Spot F

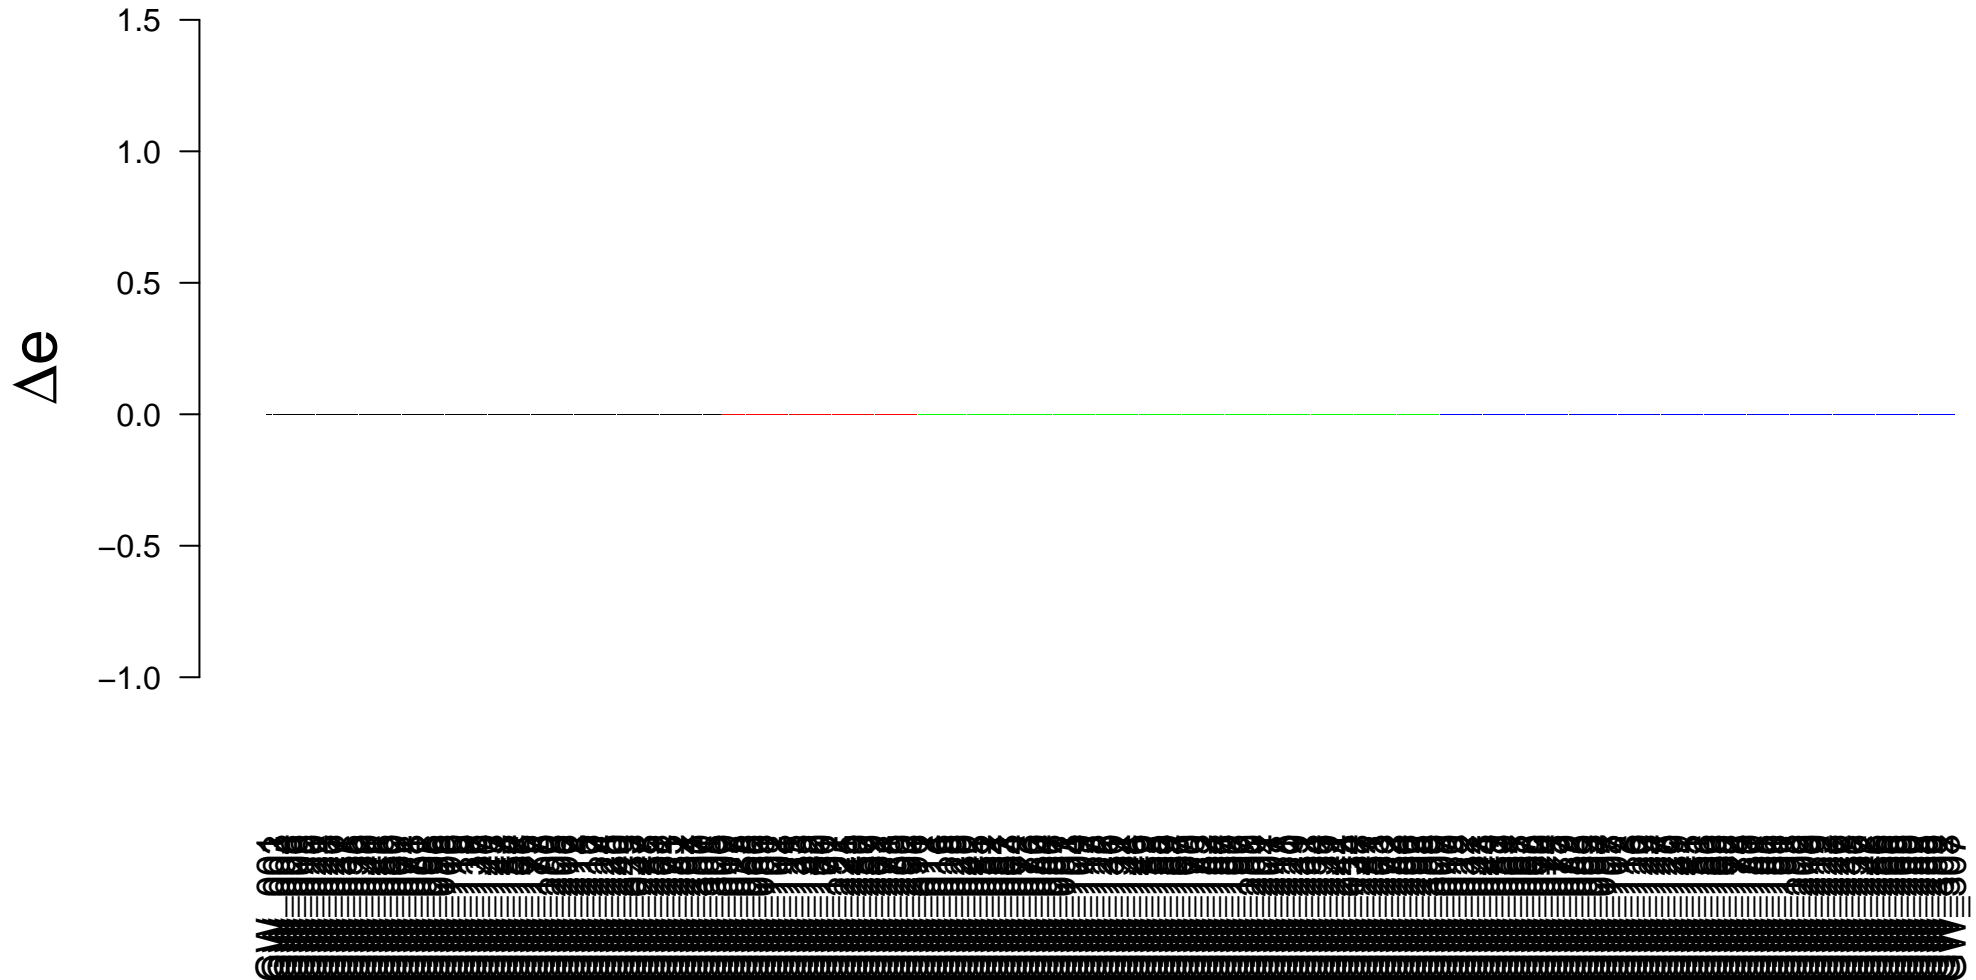

Expression of cellular glucose homeostasis in Spot G

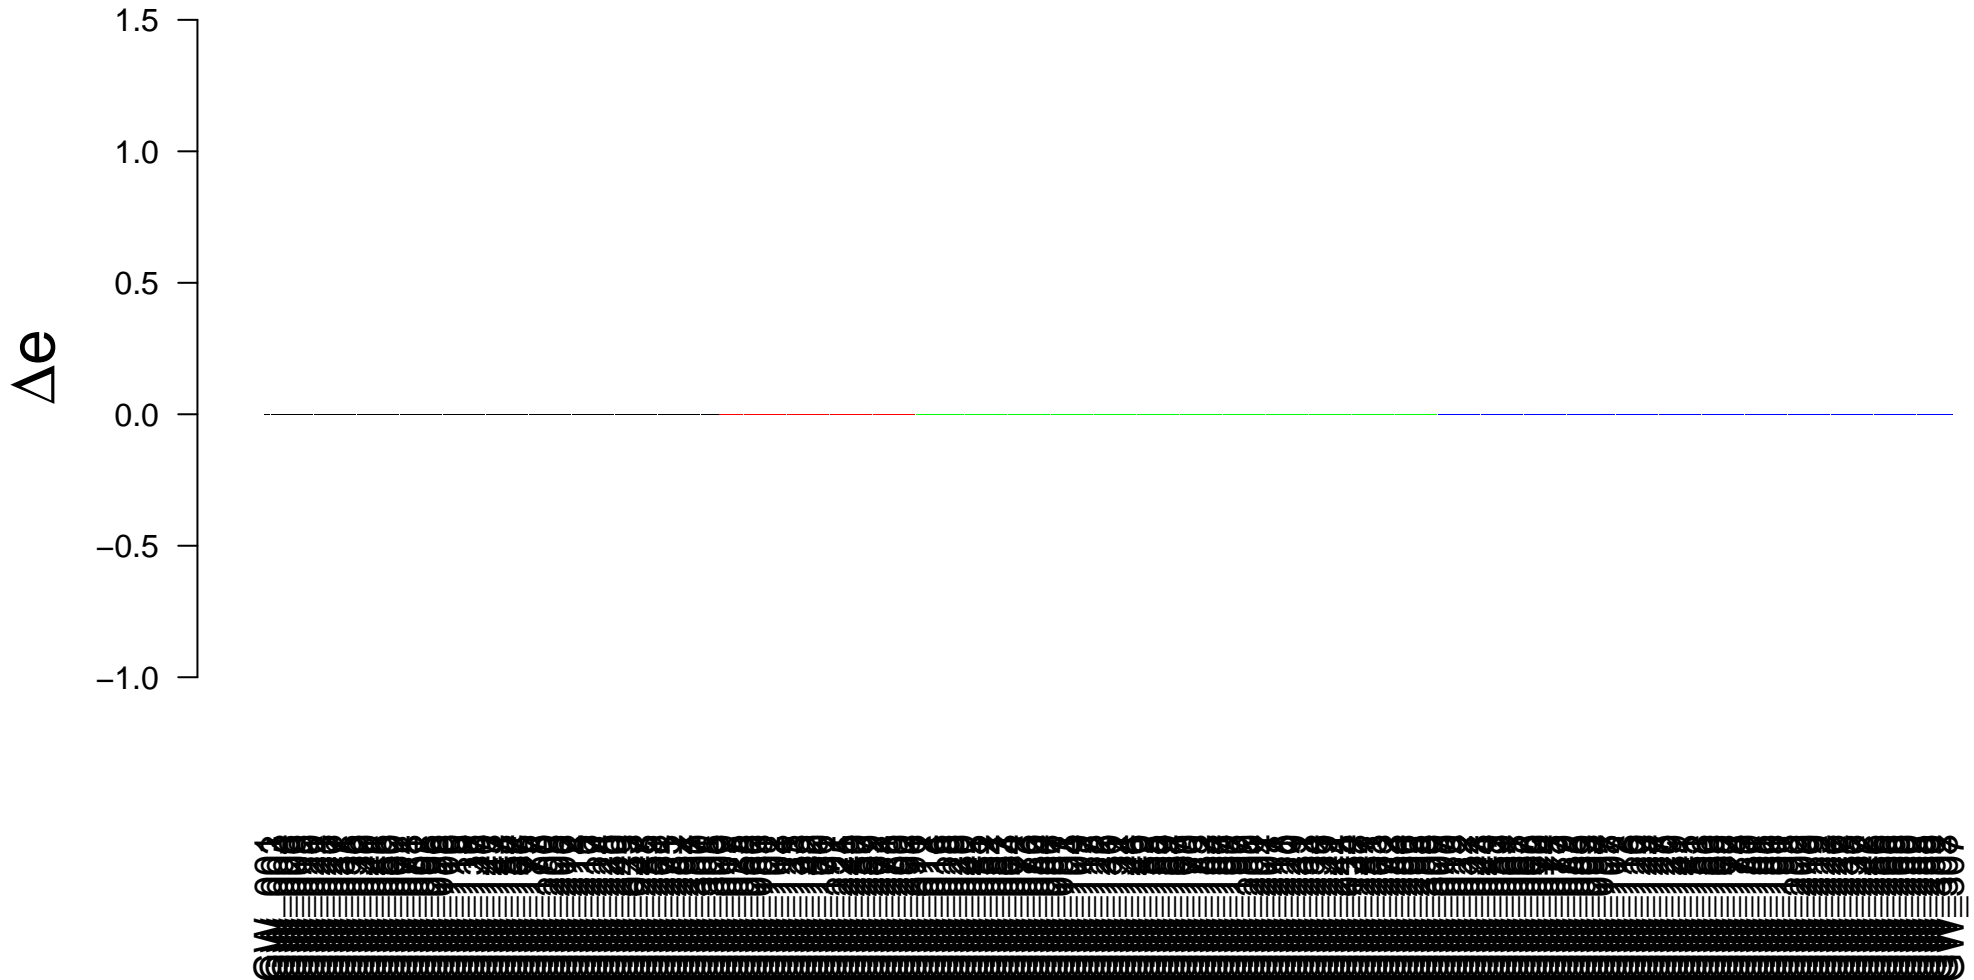

Expression of cellular glucose homeostasis in Spot H

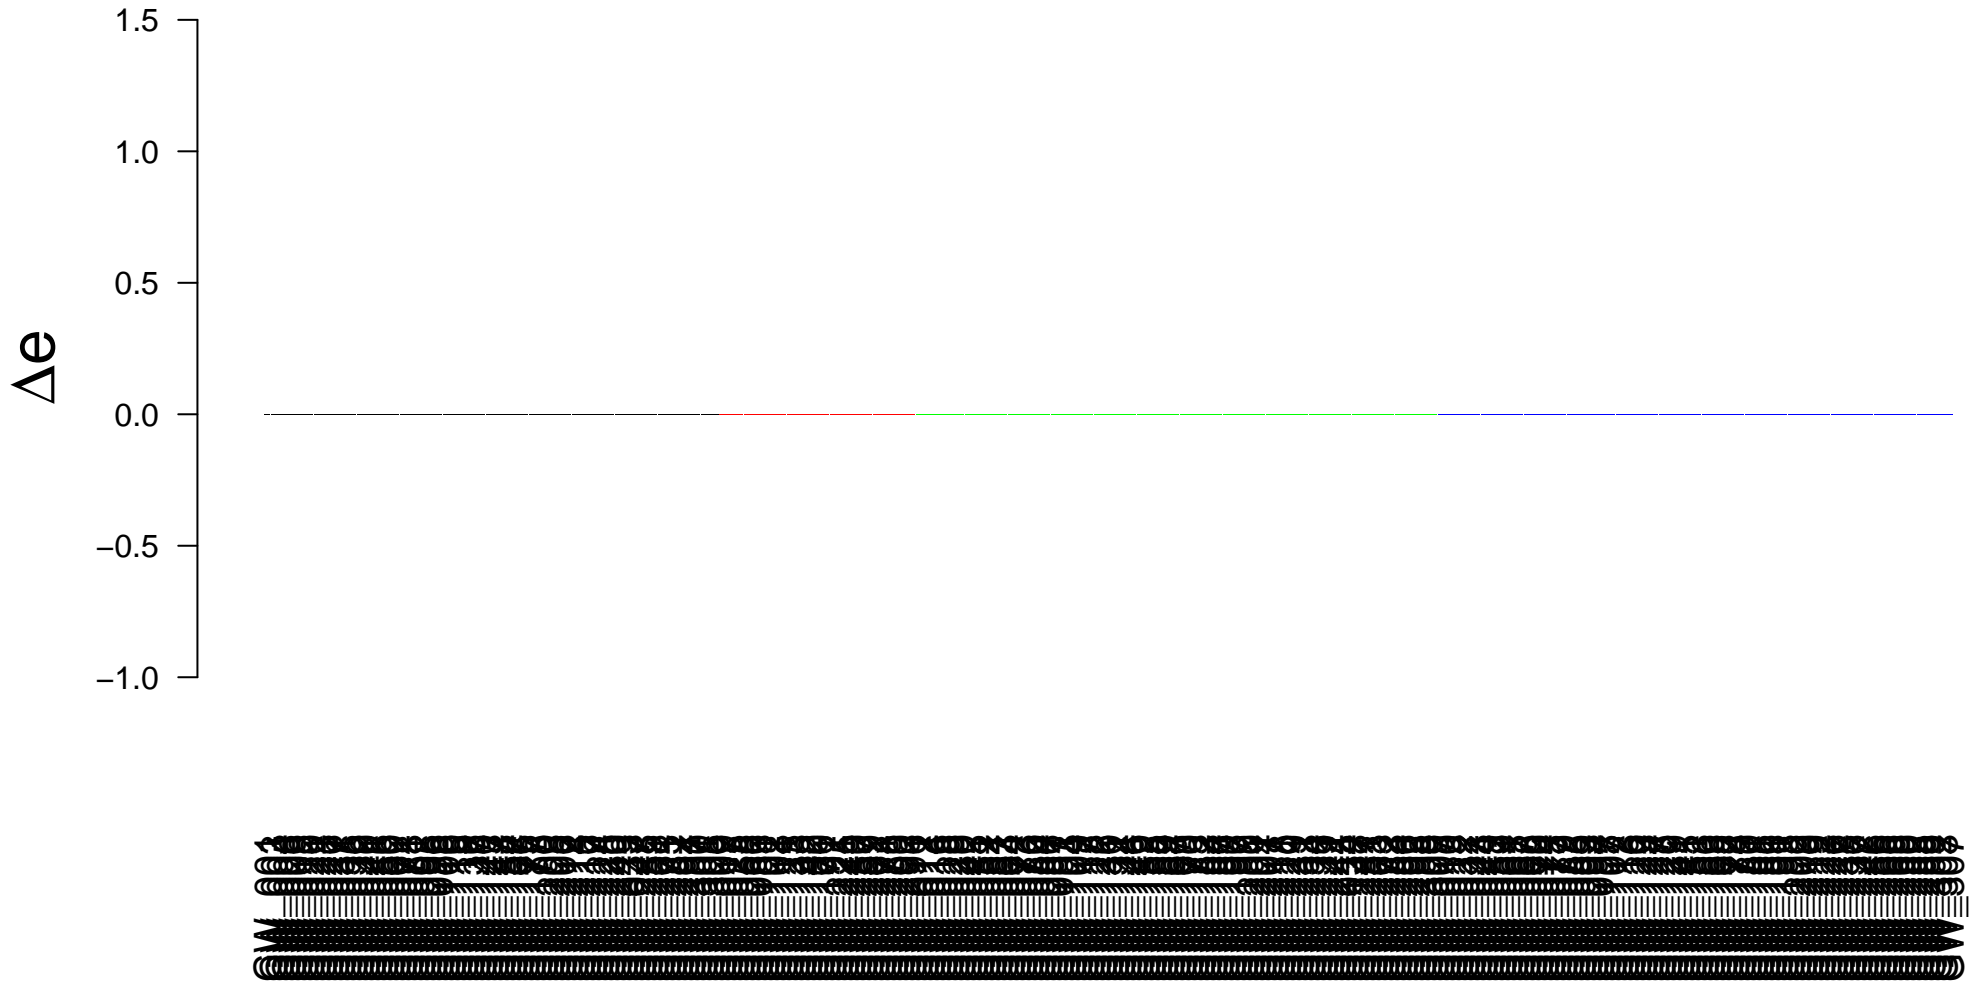

Expression of cellular glucose homeostasis in Spot I

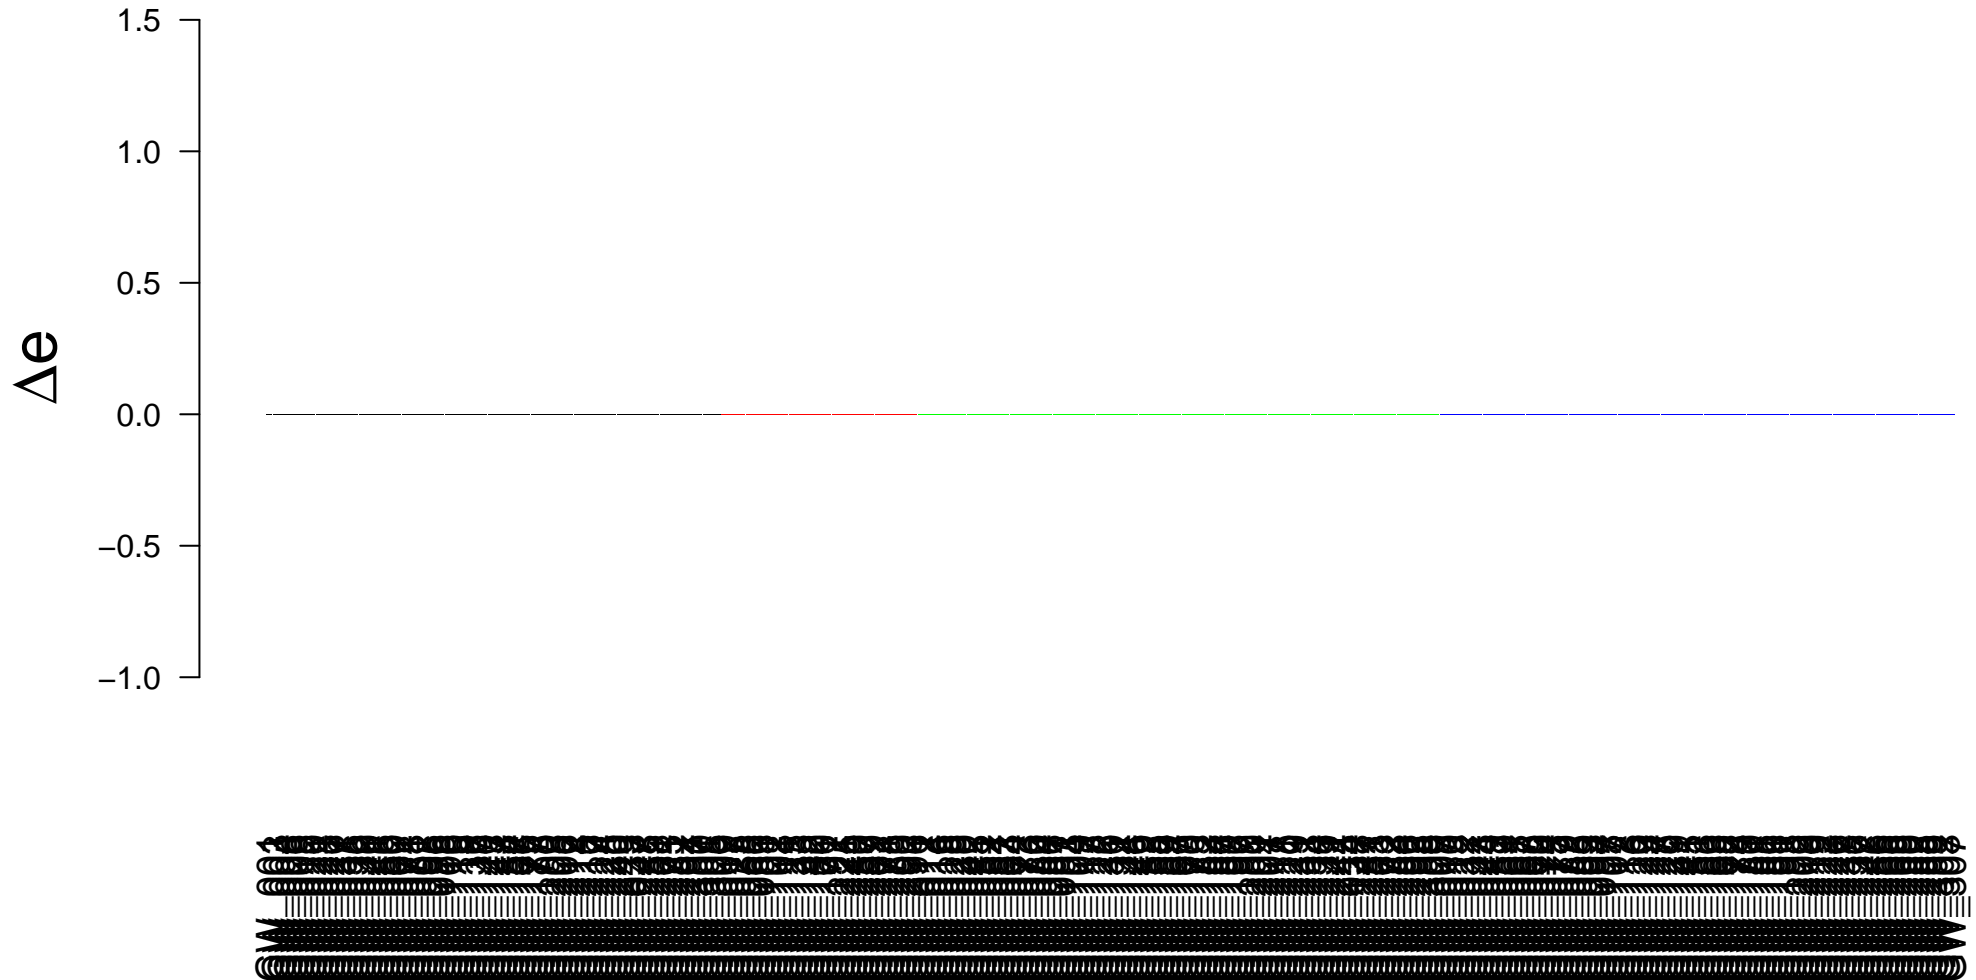

Expression of cellular glucose homeostasis in Spot J

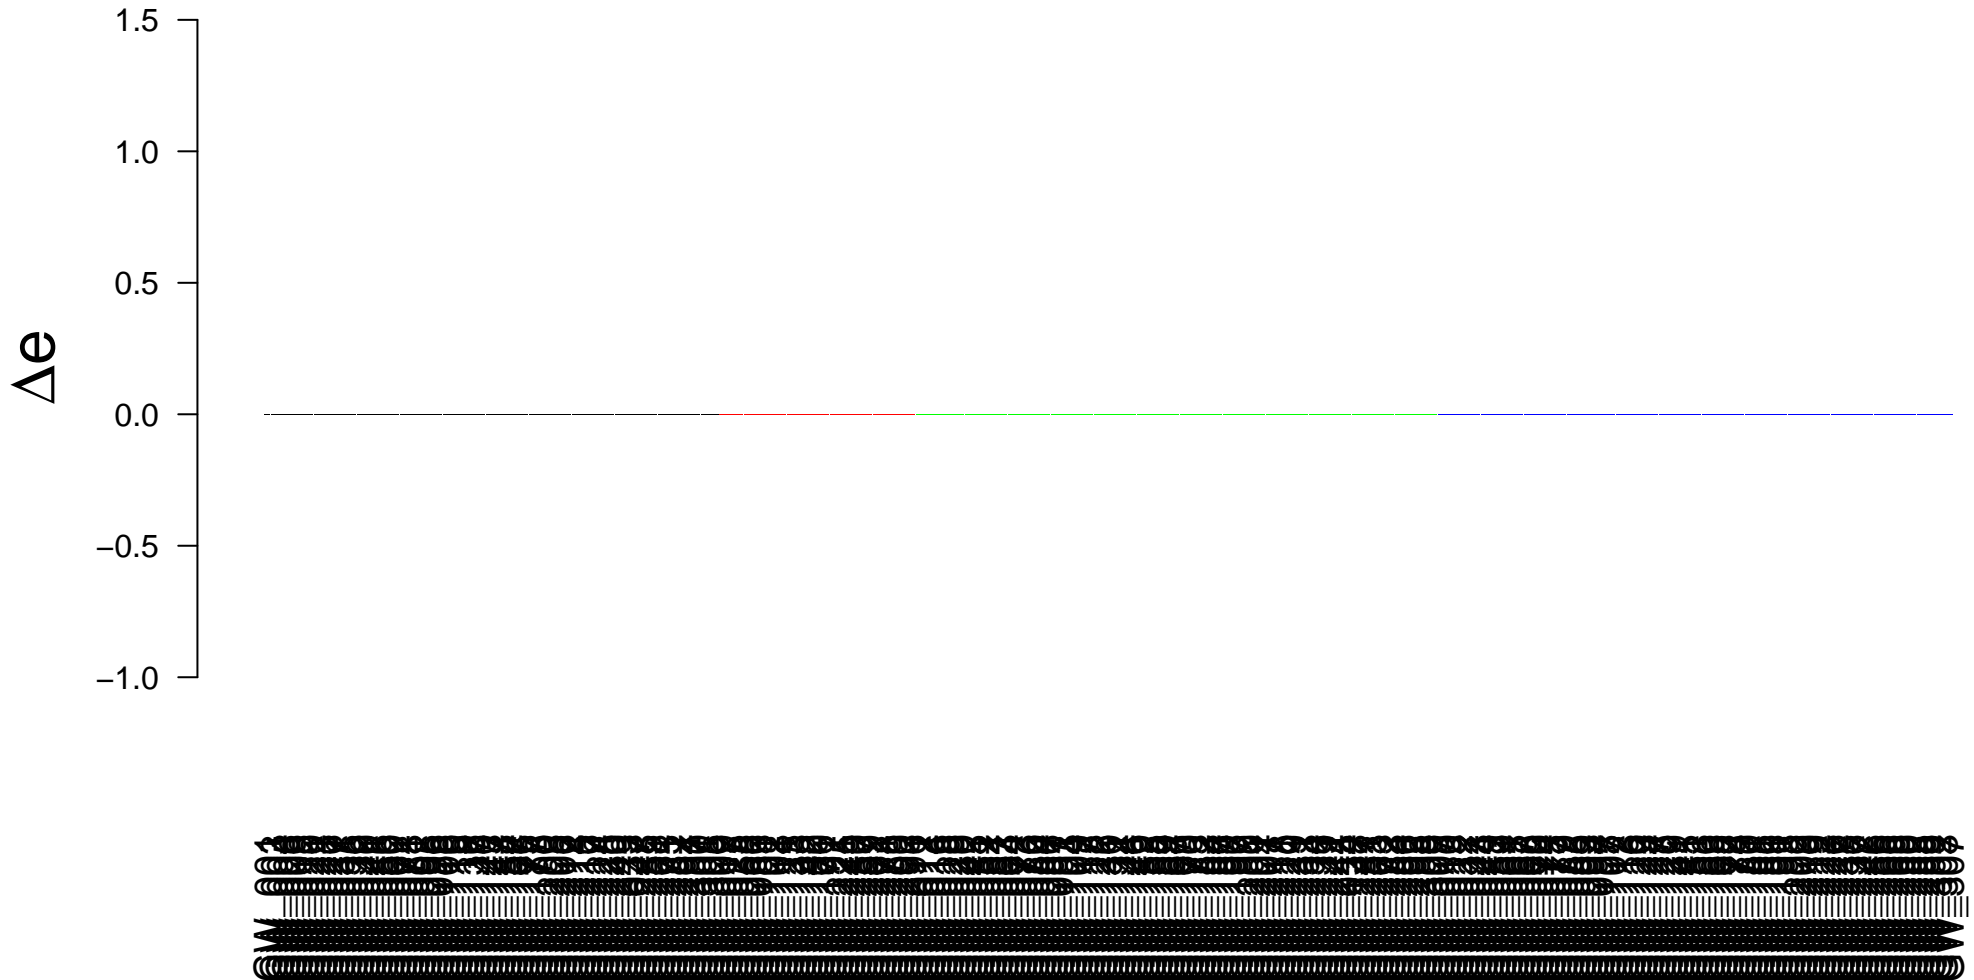

Expression of cellular glucose homeostasis in Spot K

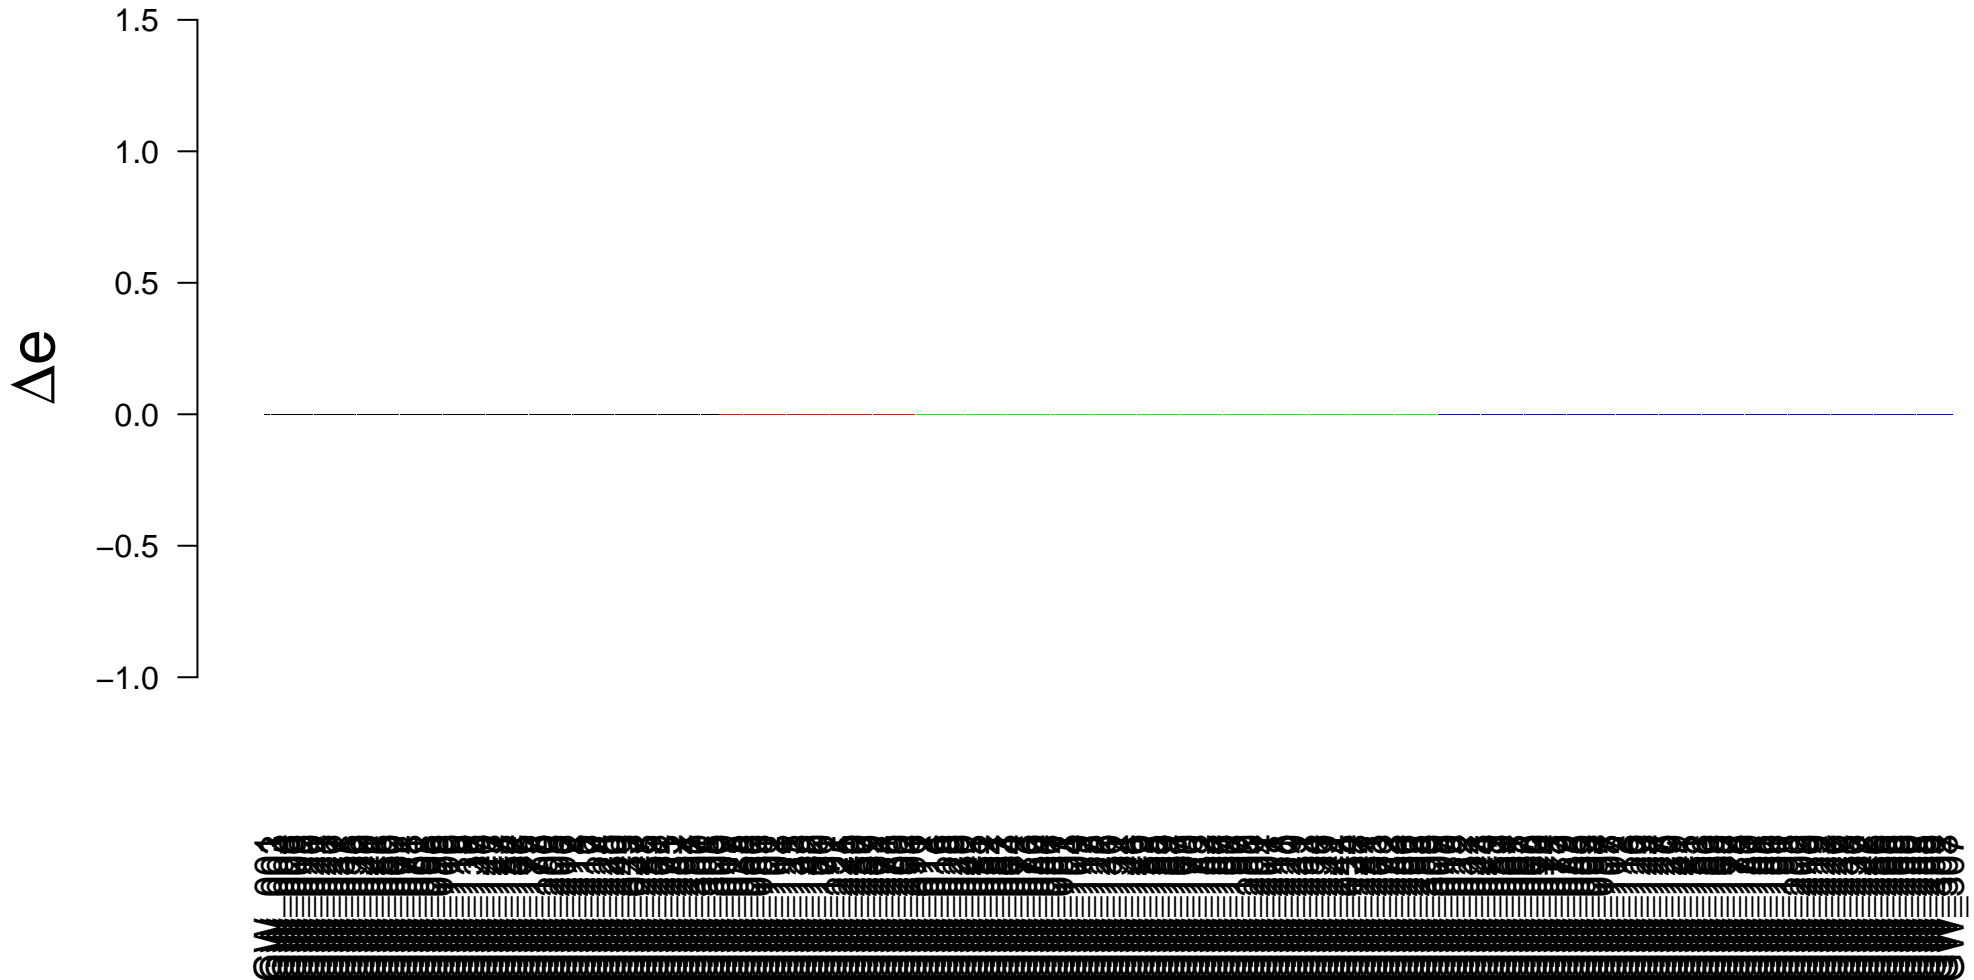

Expression of cellular glucose homeostasis in Spot L

Expression of cellular glucose homeostasis in Spot M

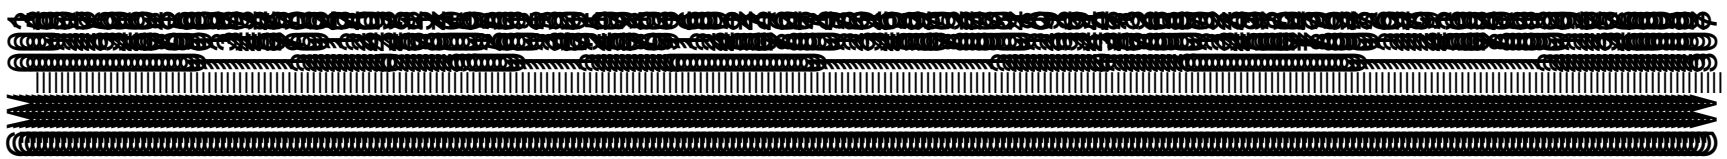

Expression of cellular glucose homeostasis in Spot N

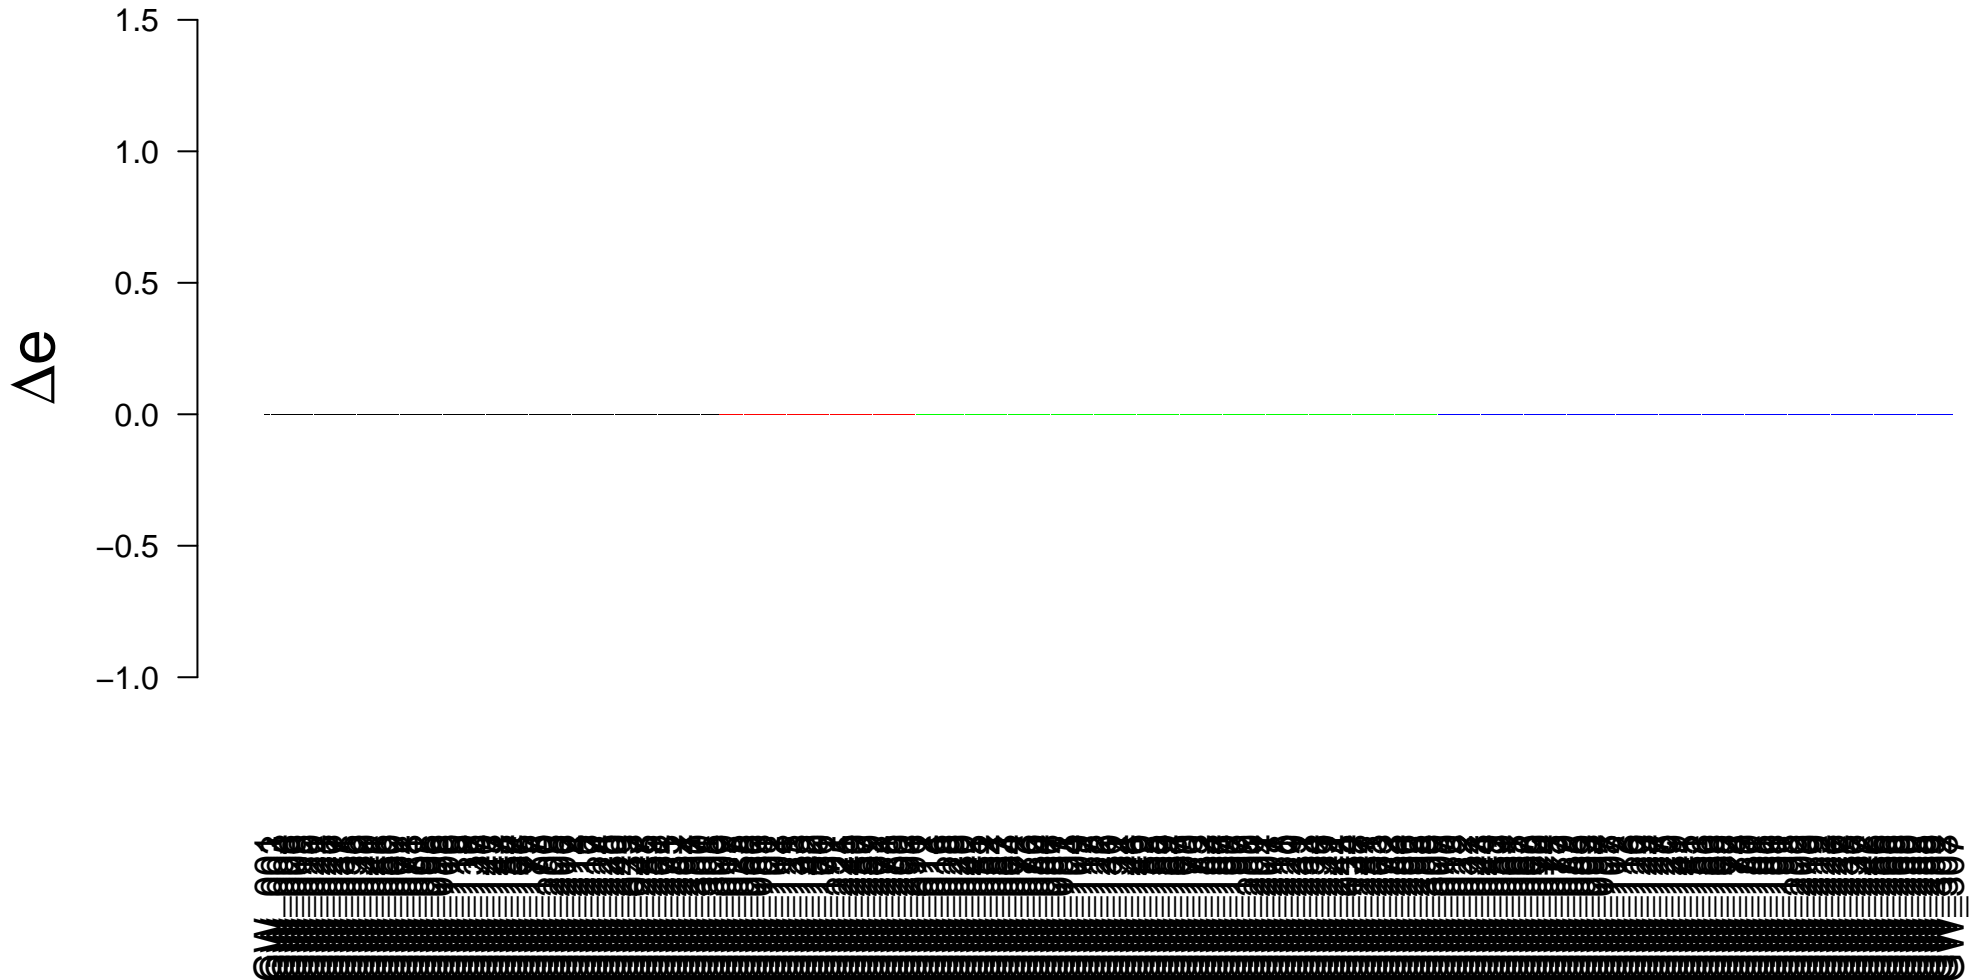

Expression of cellular glucose homeostasis in Spot O
