

cellular iron ion homeostasis

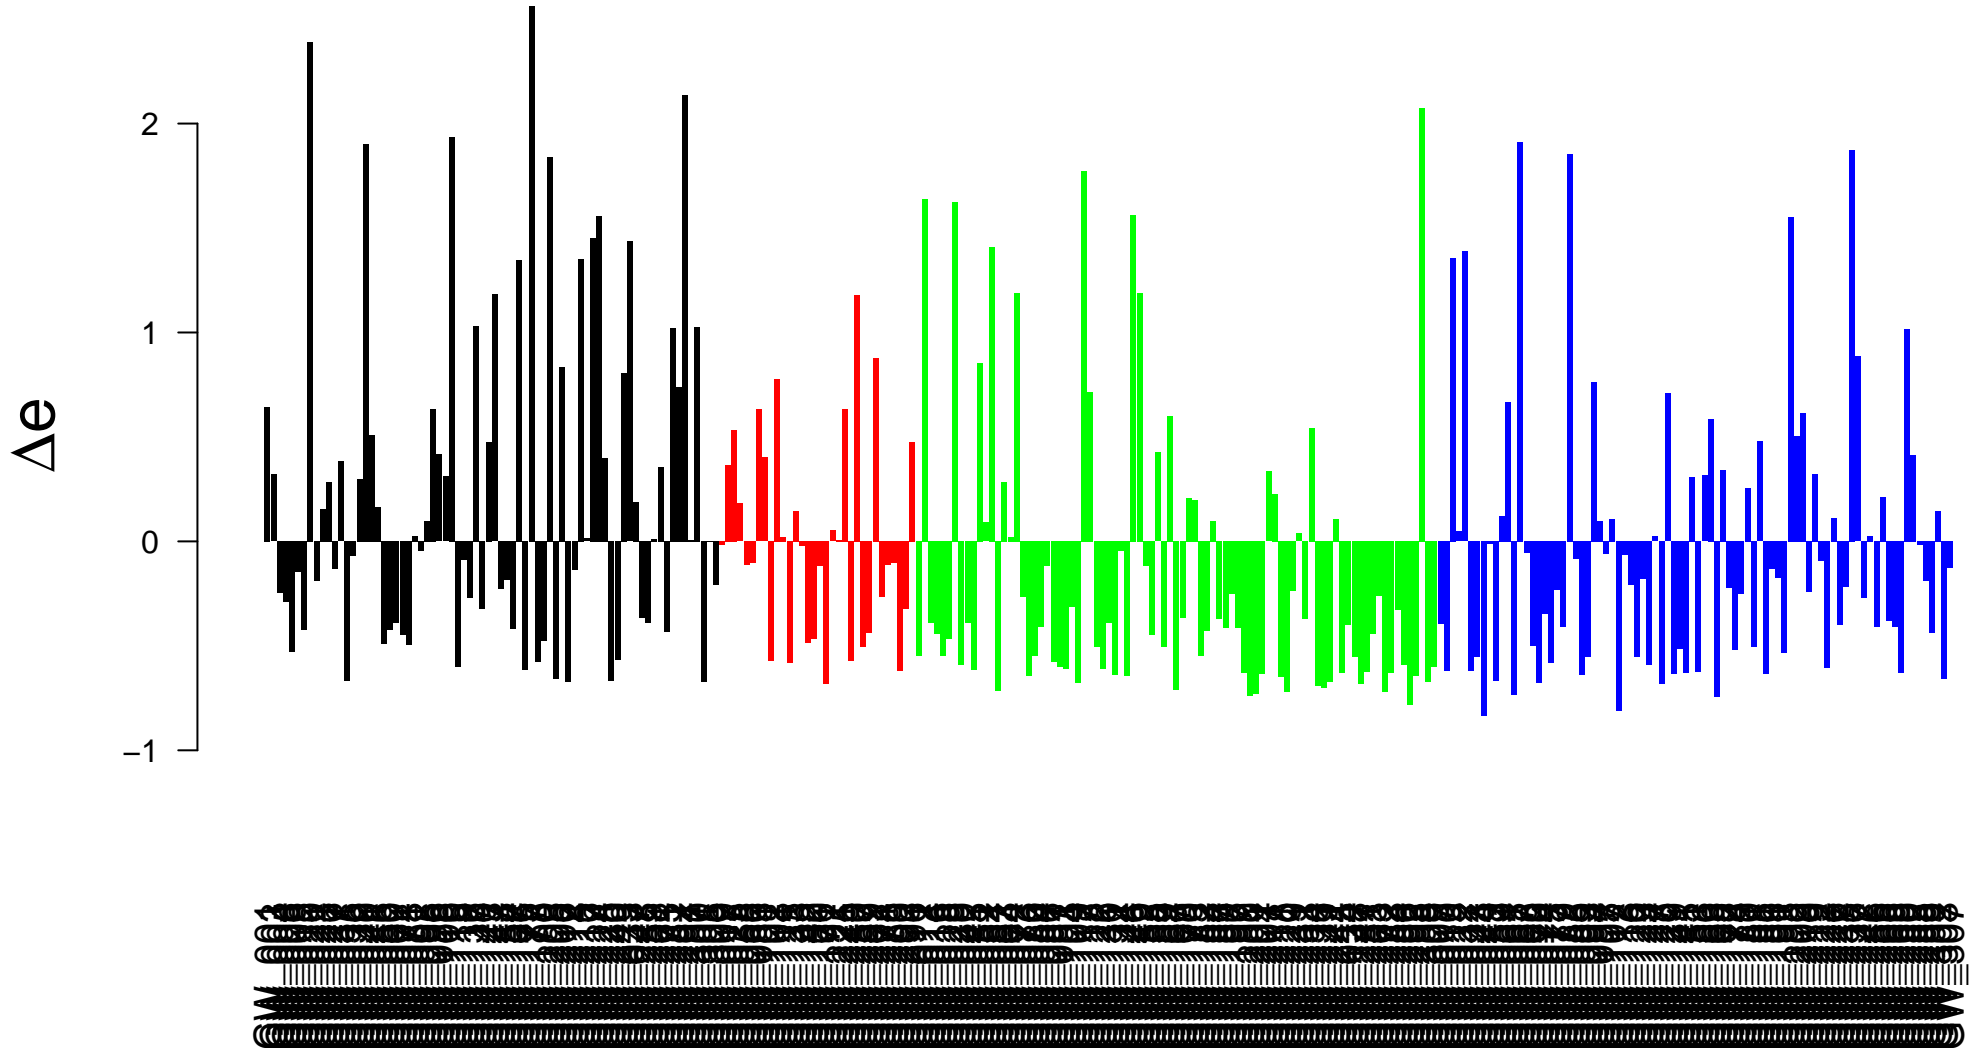

cellular iron ion homeostasis

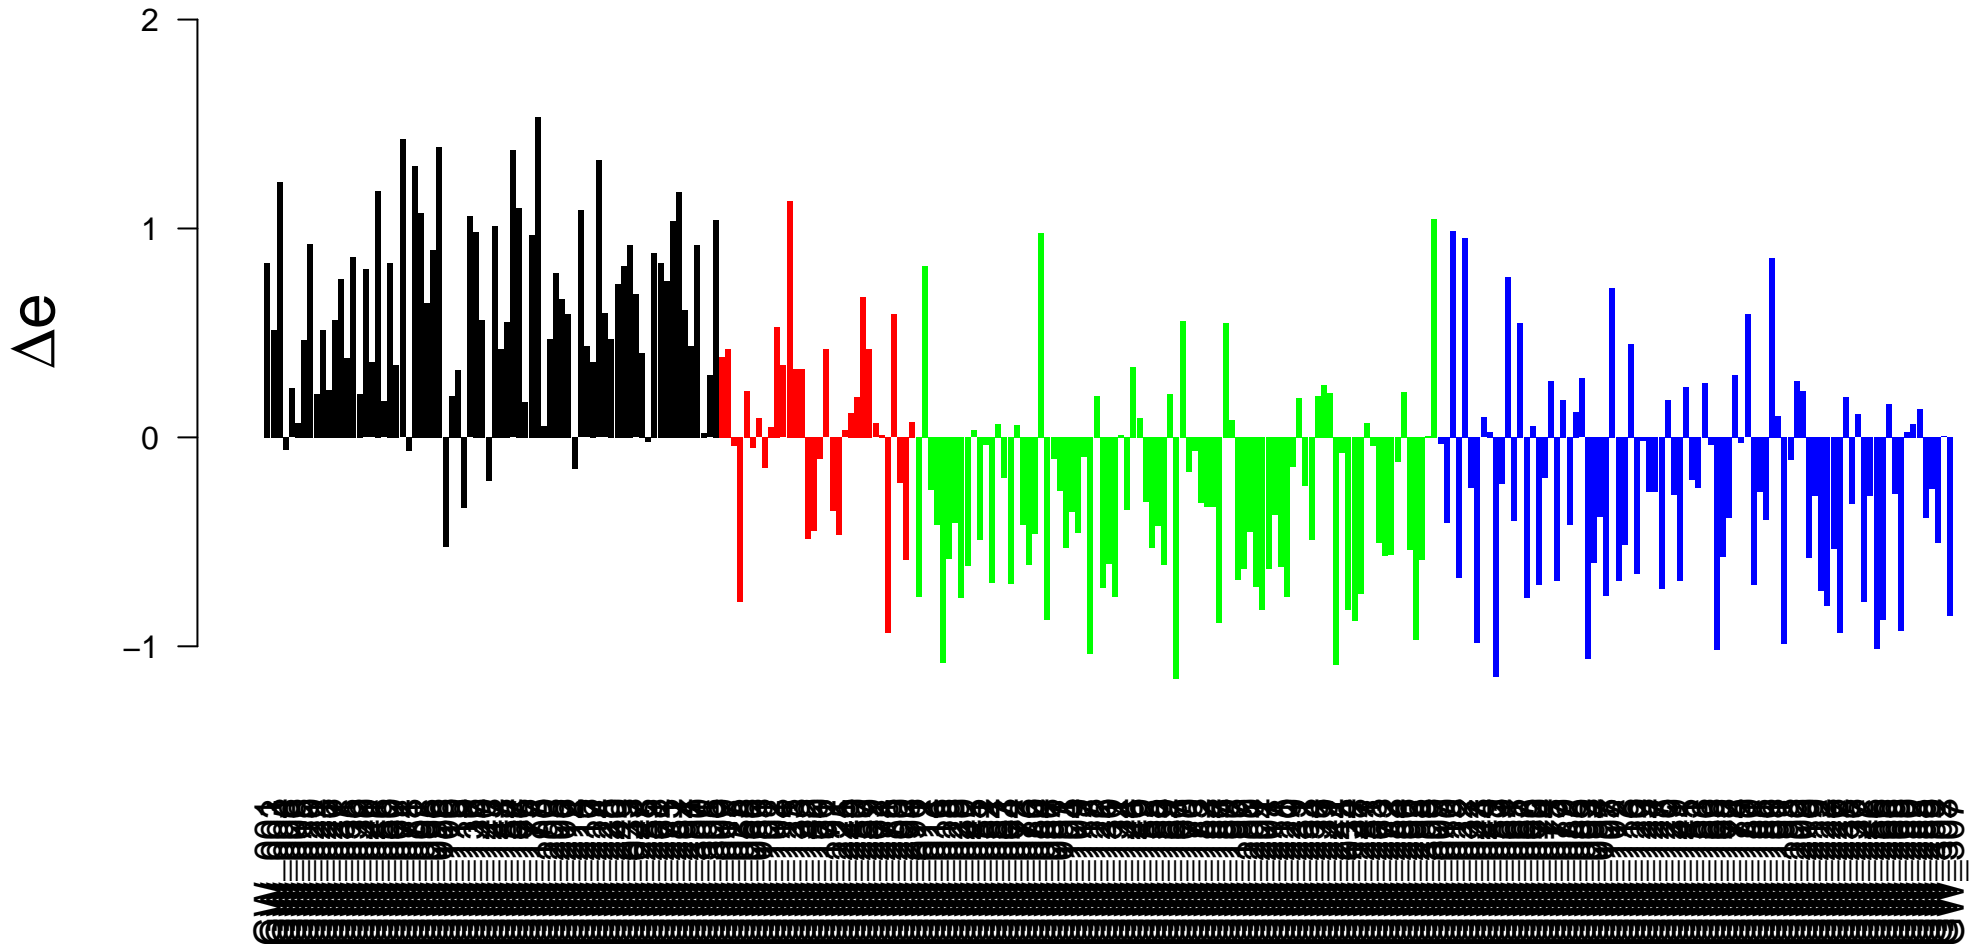

Enrichment in spots: cellular iron ion homeostasis

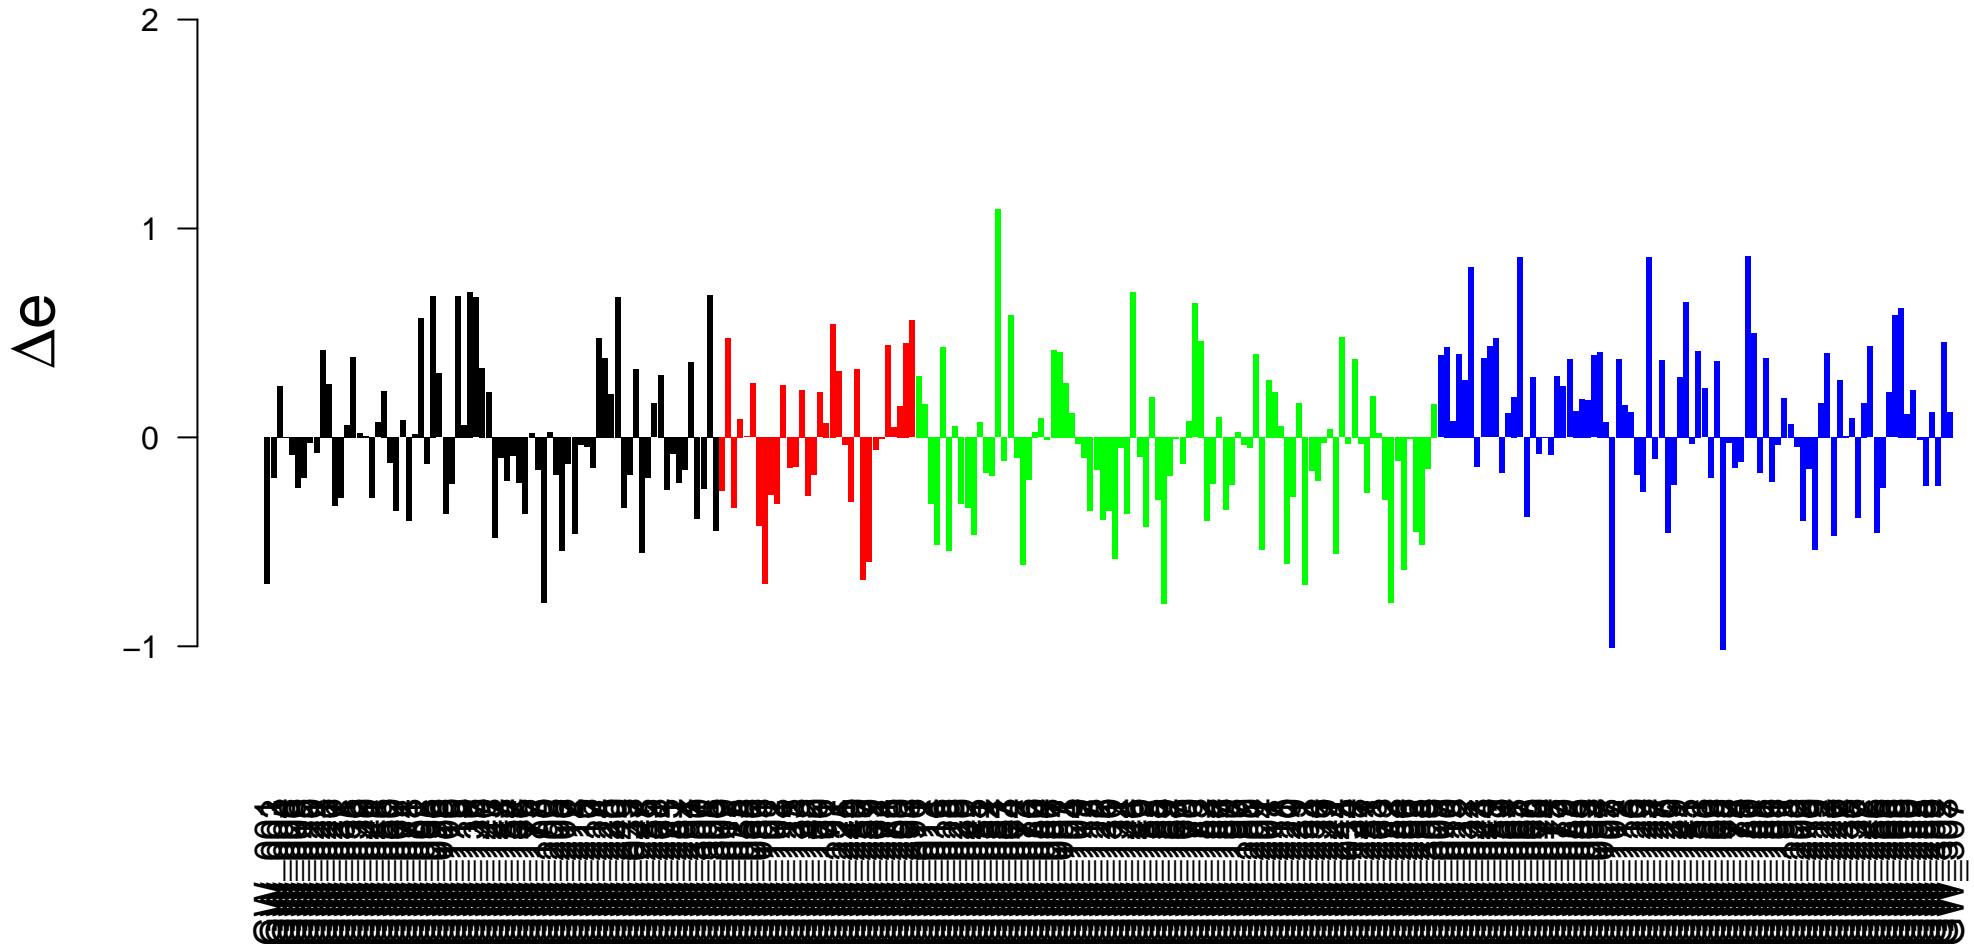

Expression of cellular iron ion homeostasis in Spot A

Expression of cellular iron ion homeostasis in Spot B

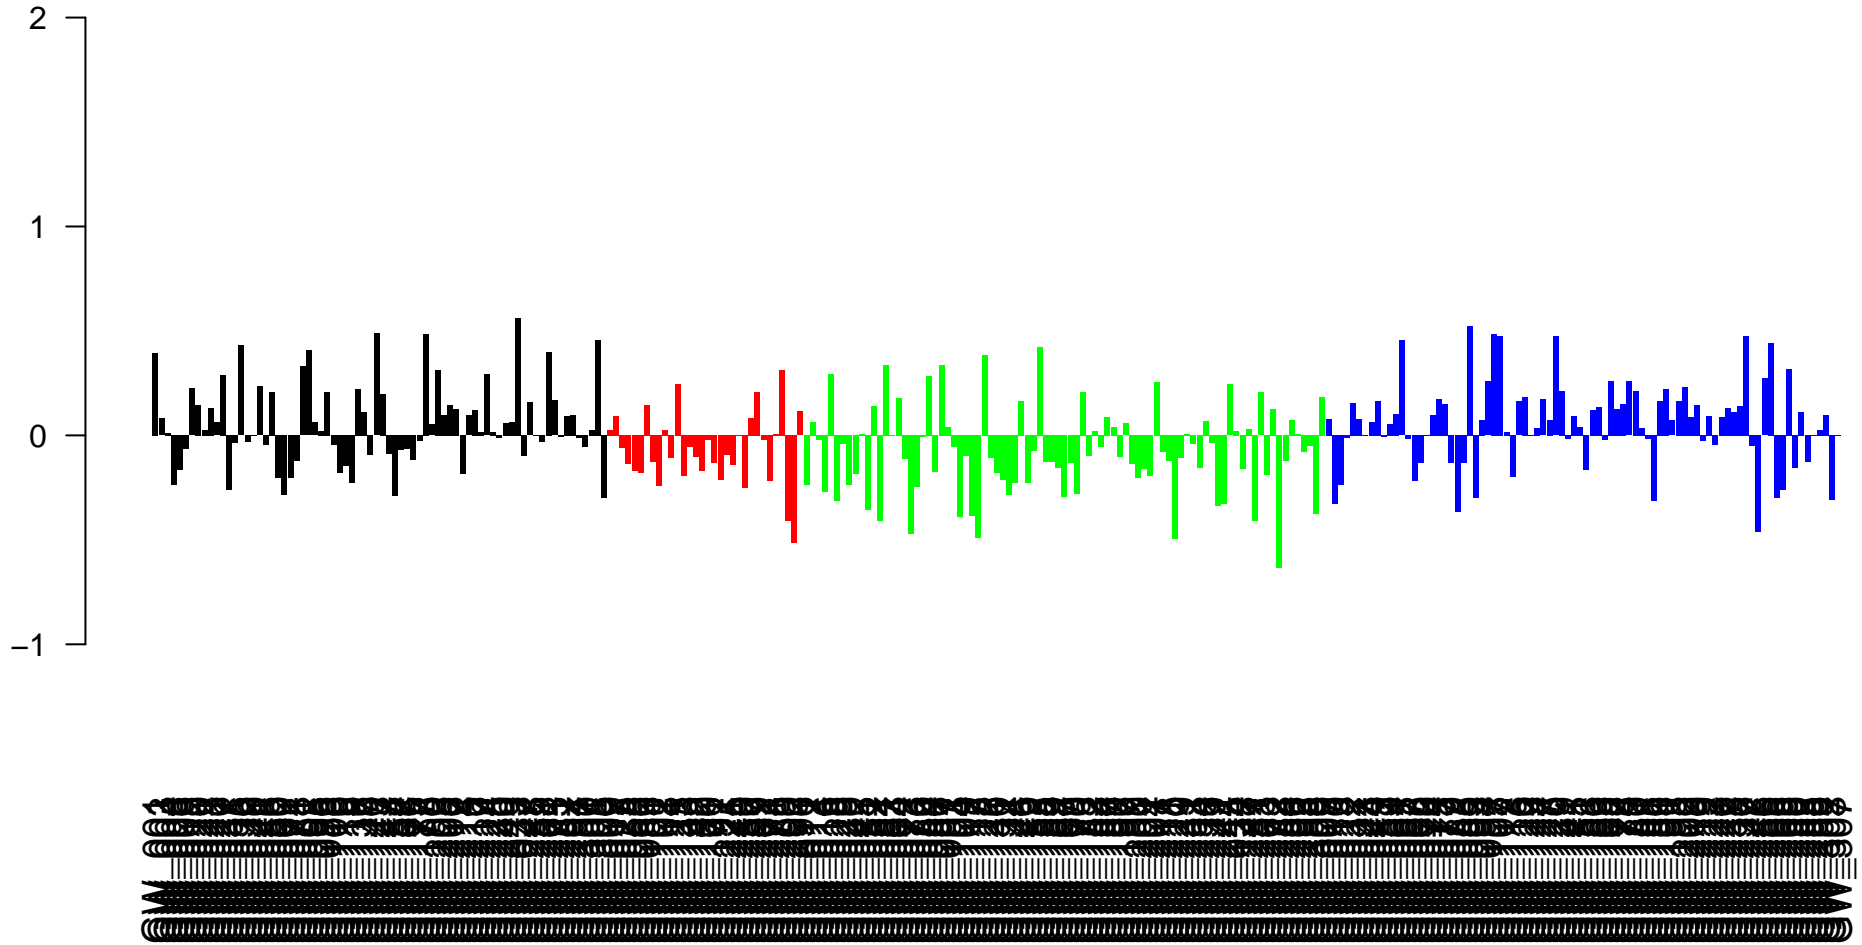

Expression of cellular iron ion homeostasis in Spot C

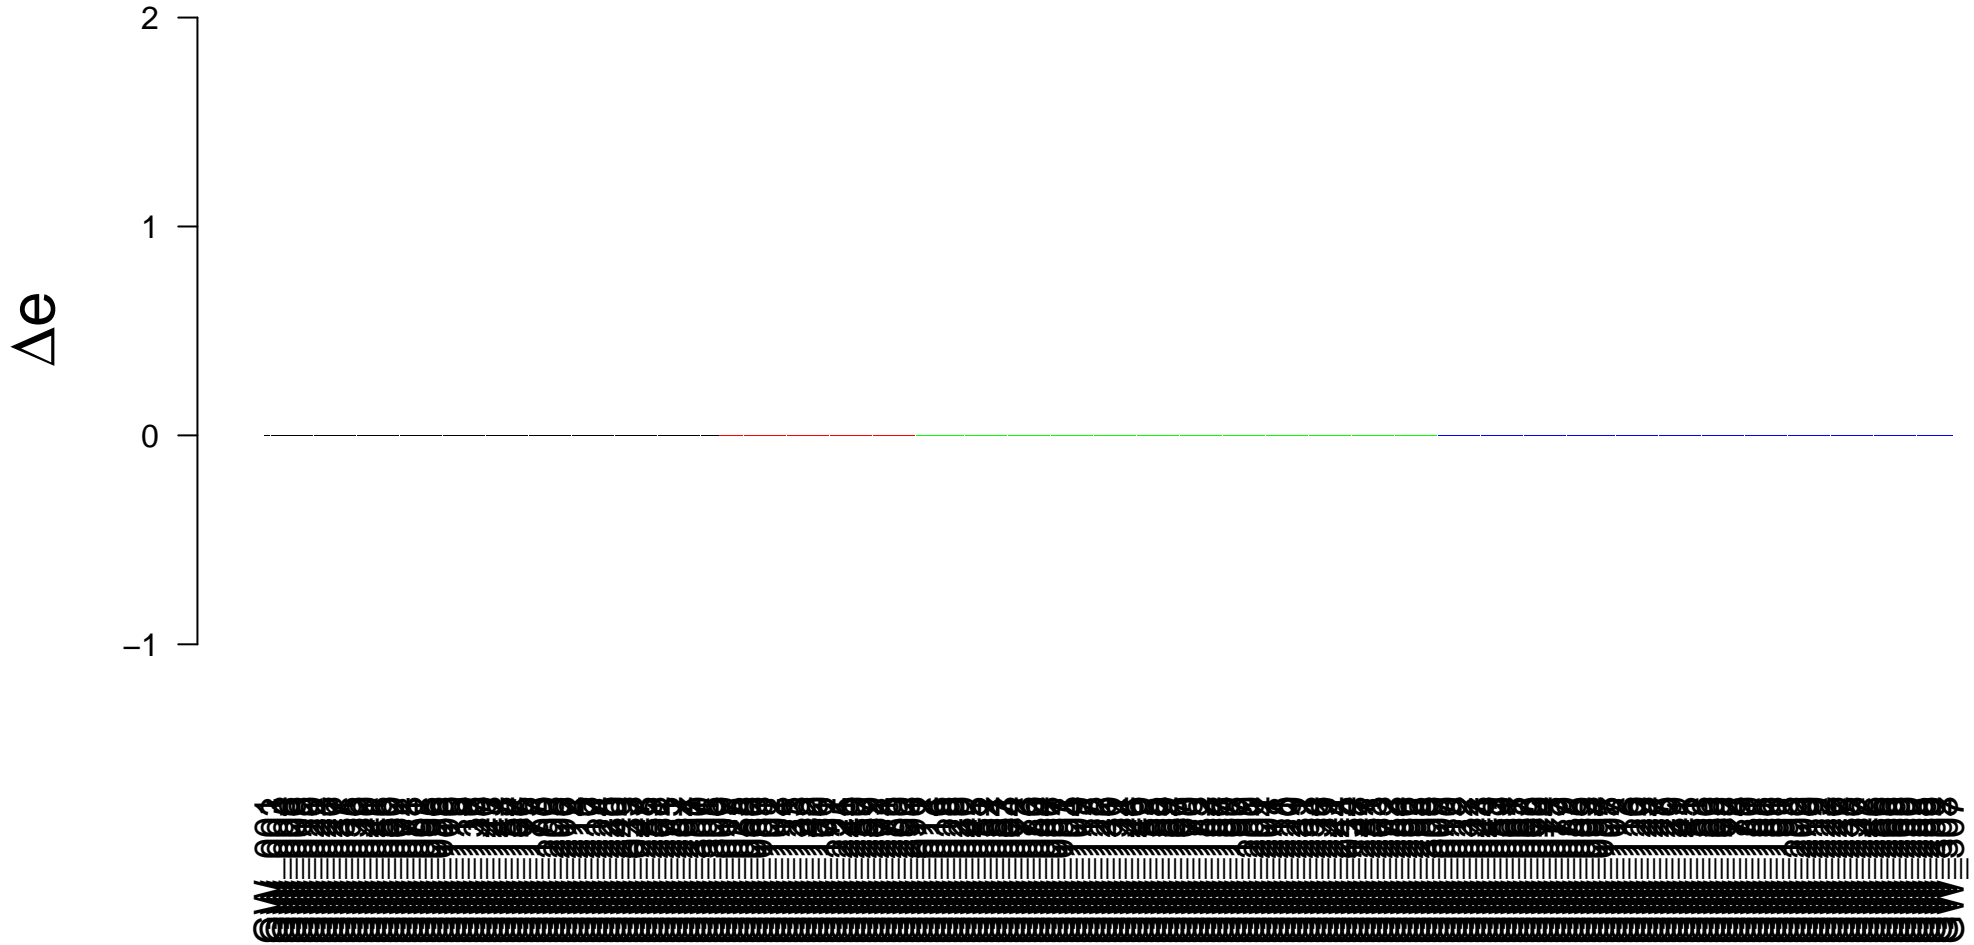

Expression of cellular iron ion homeostasis in Spot D

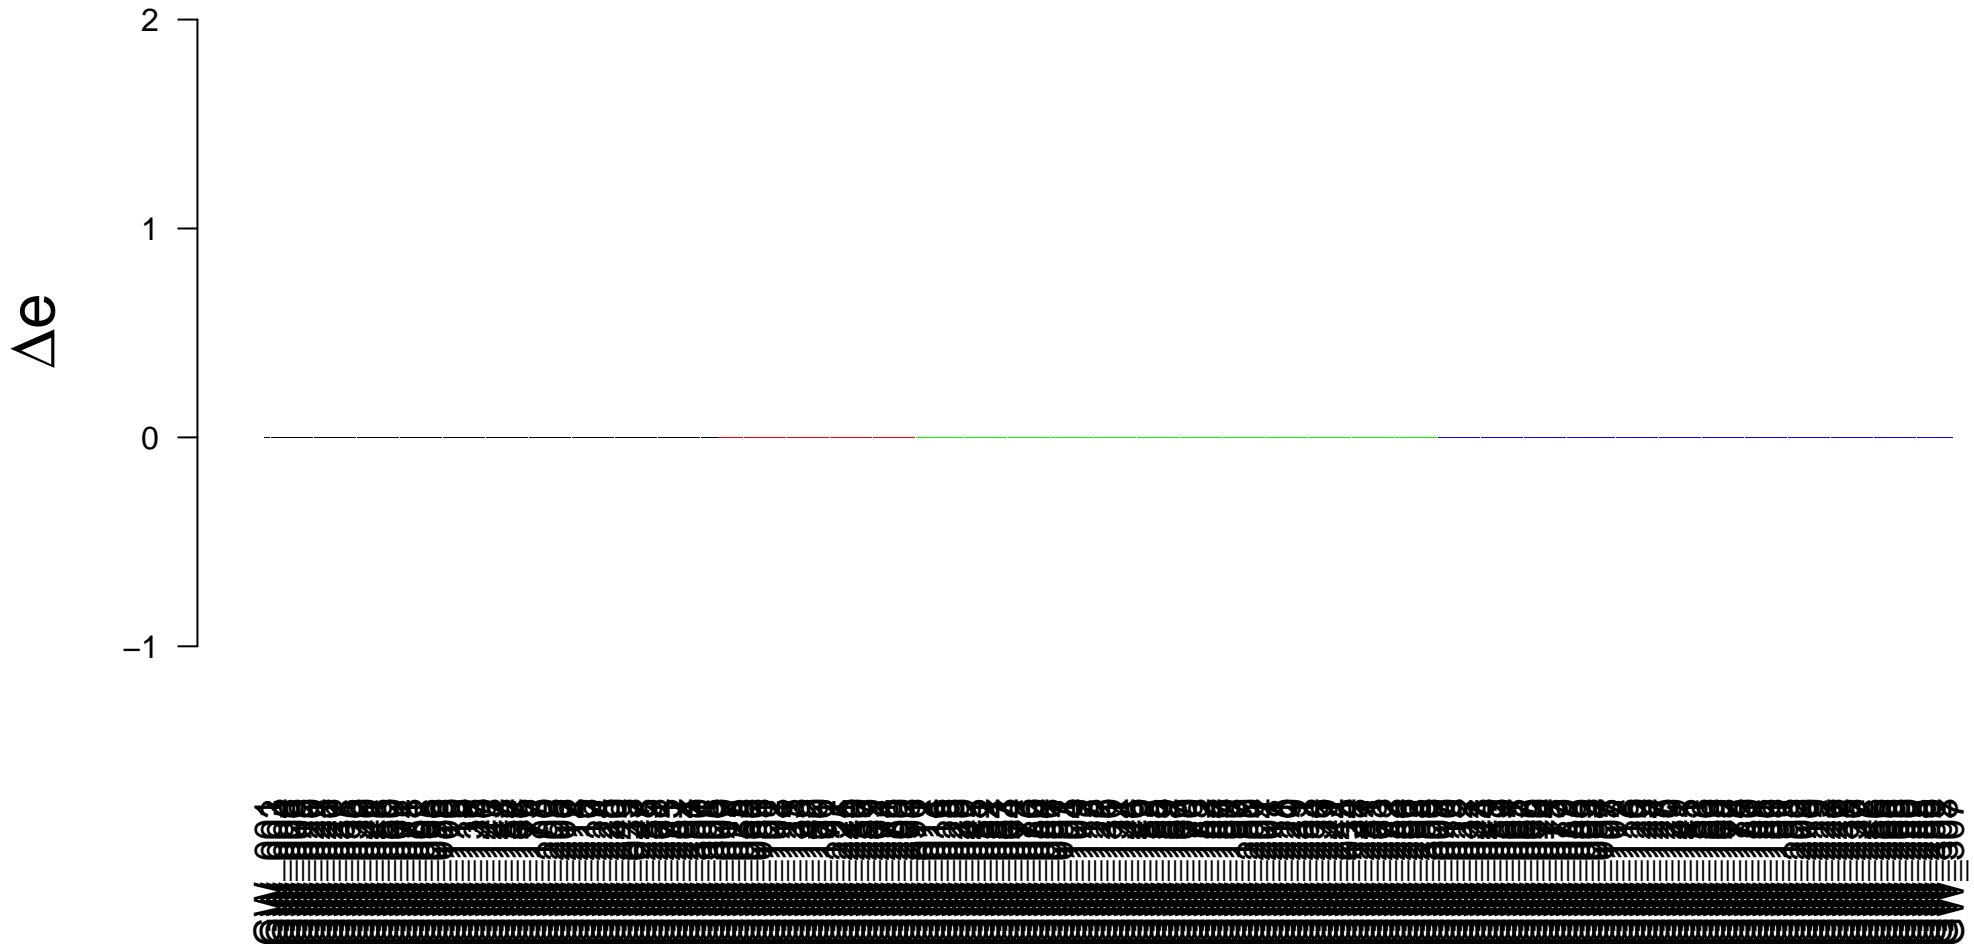

Δe

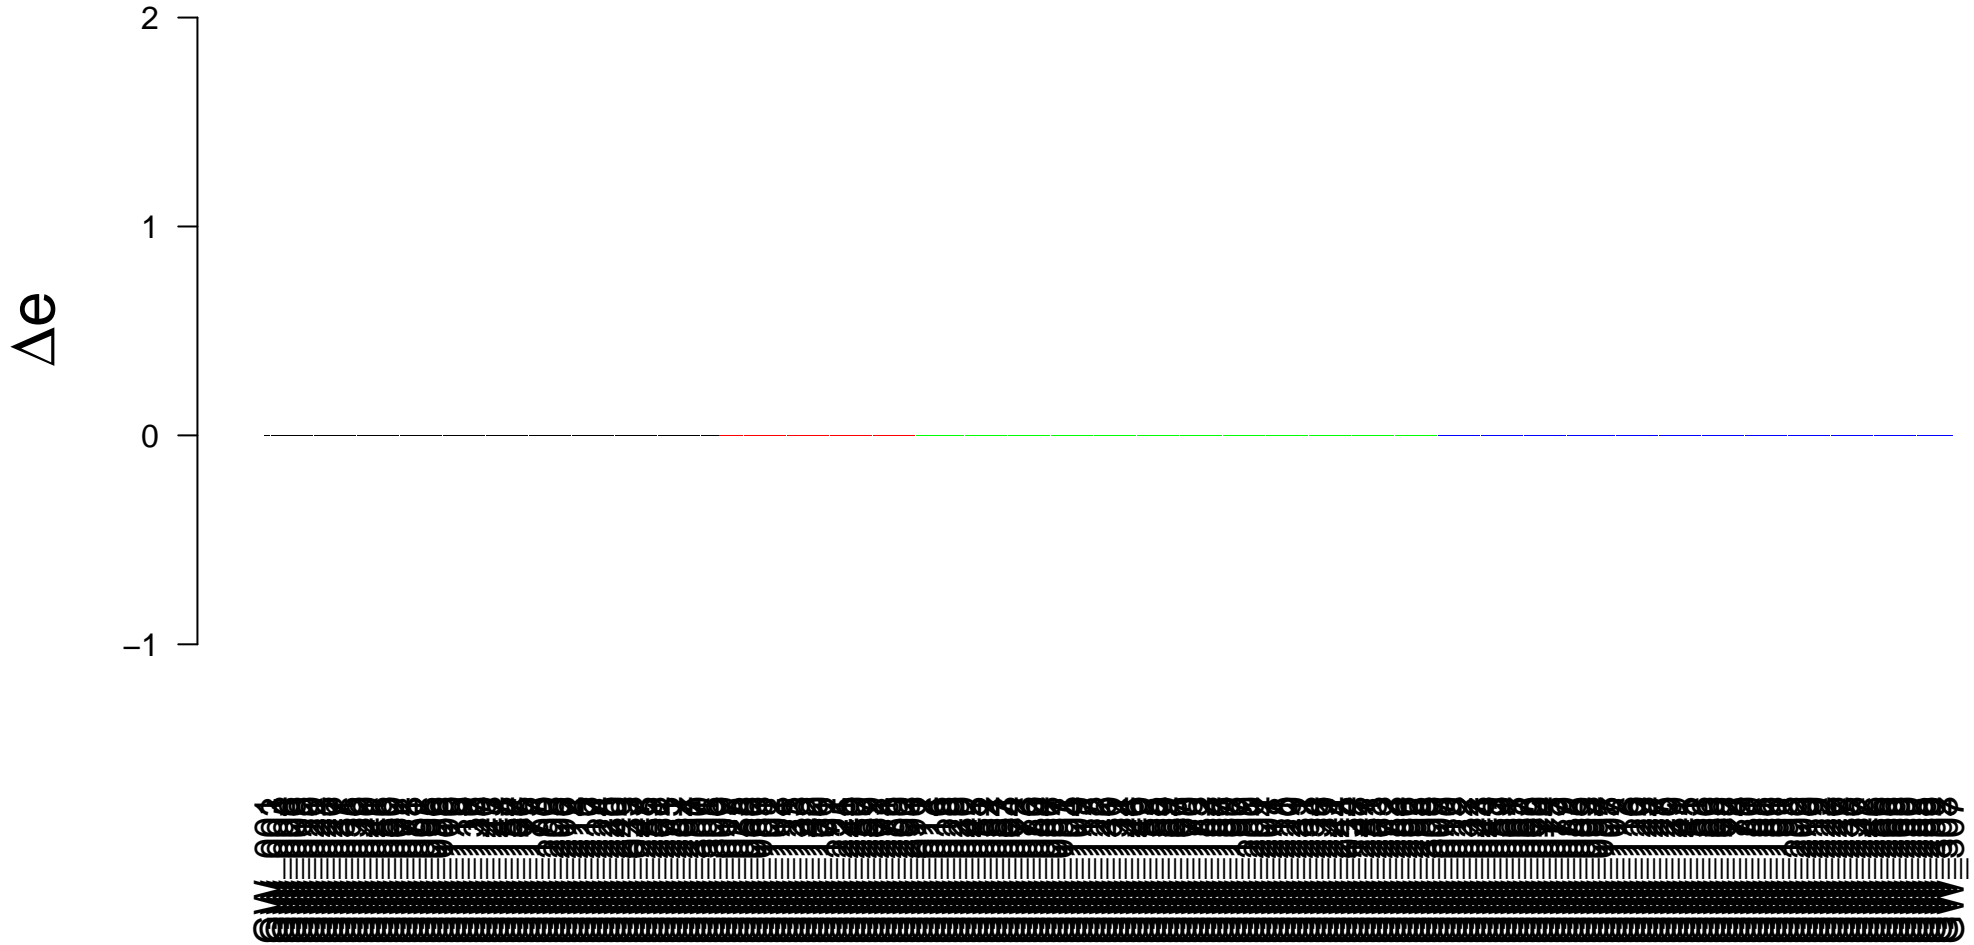

Expression of cellular iron ion homeostasis in Spot E

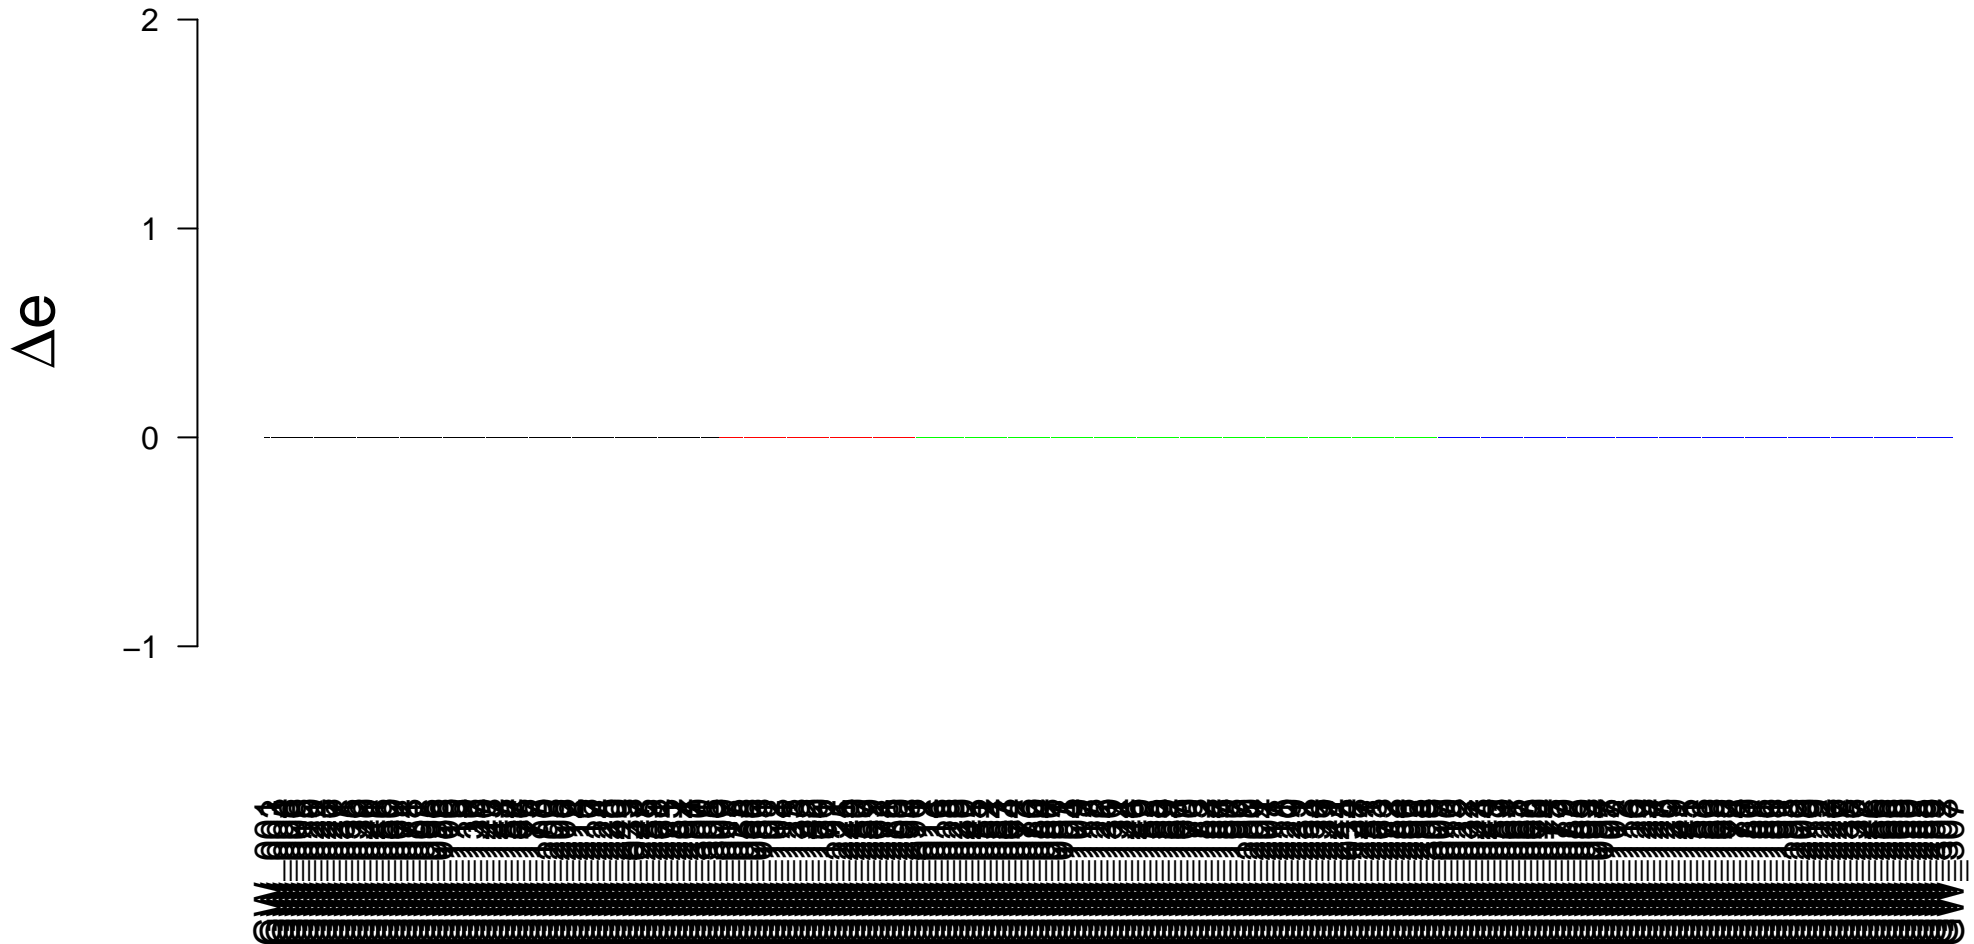

Expression of cellular iron ion homeostasis in Spot F

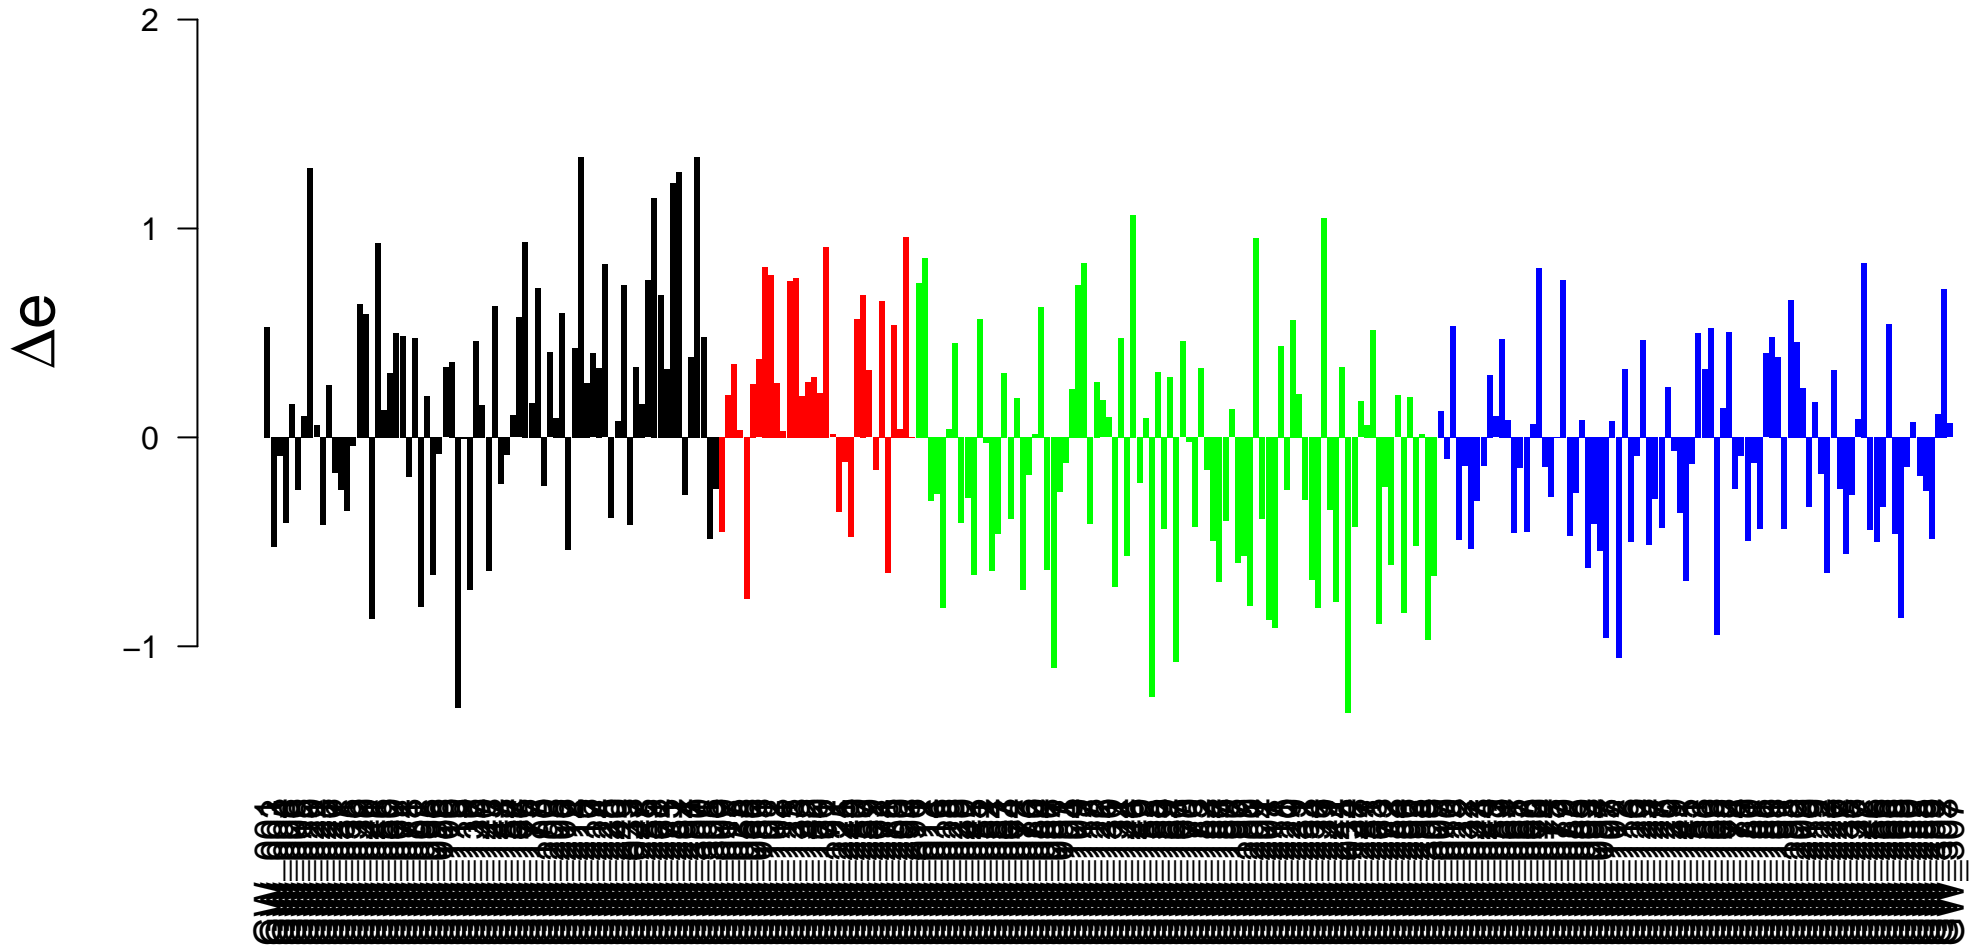

Expression of cellular iron ion homeostasis in Spot G

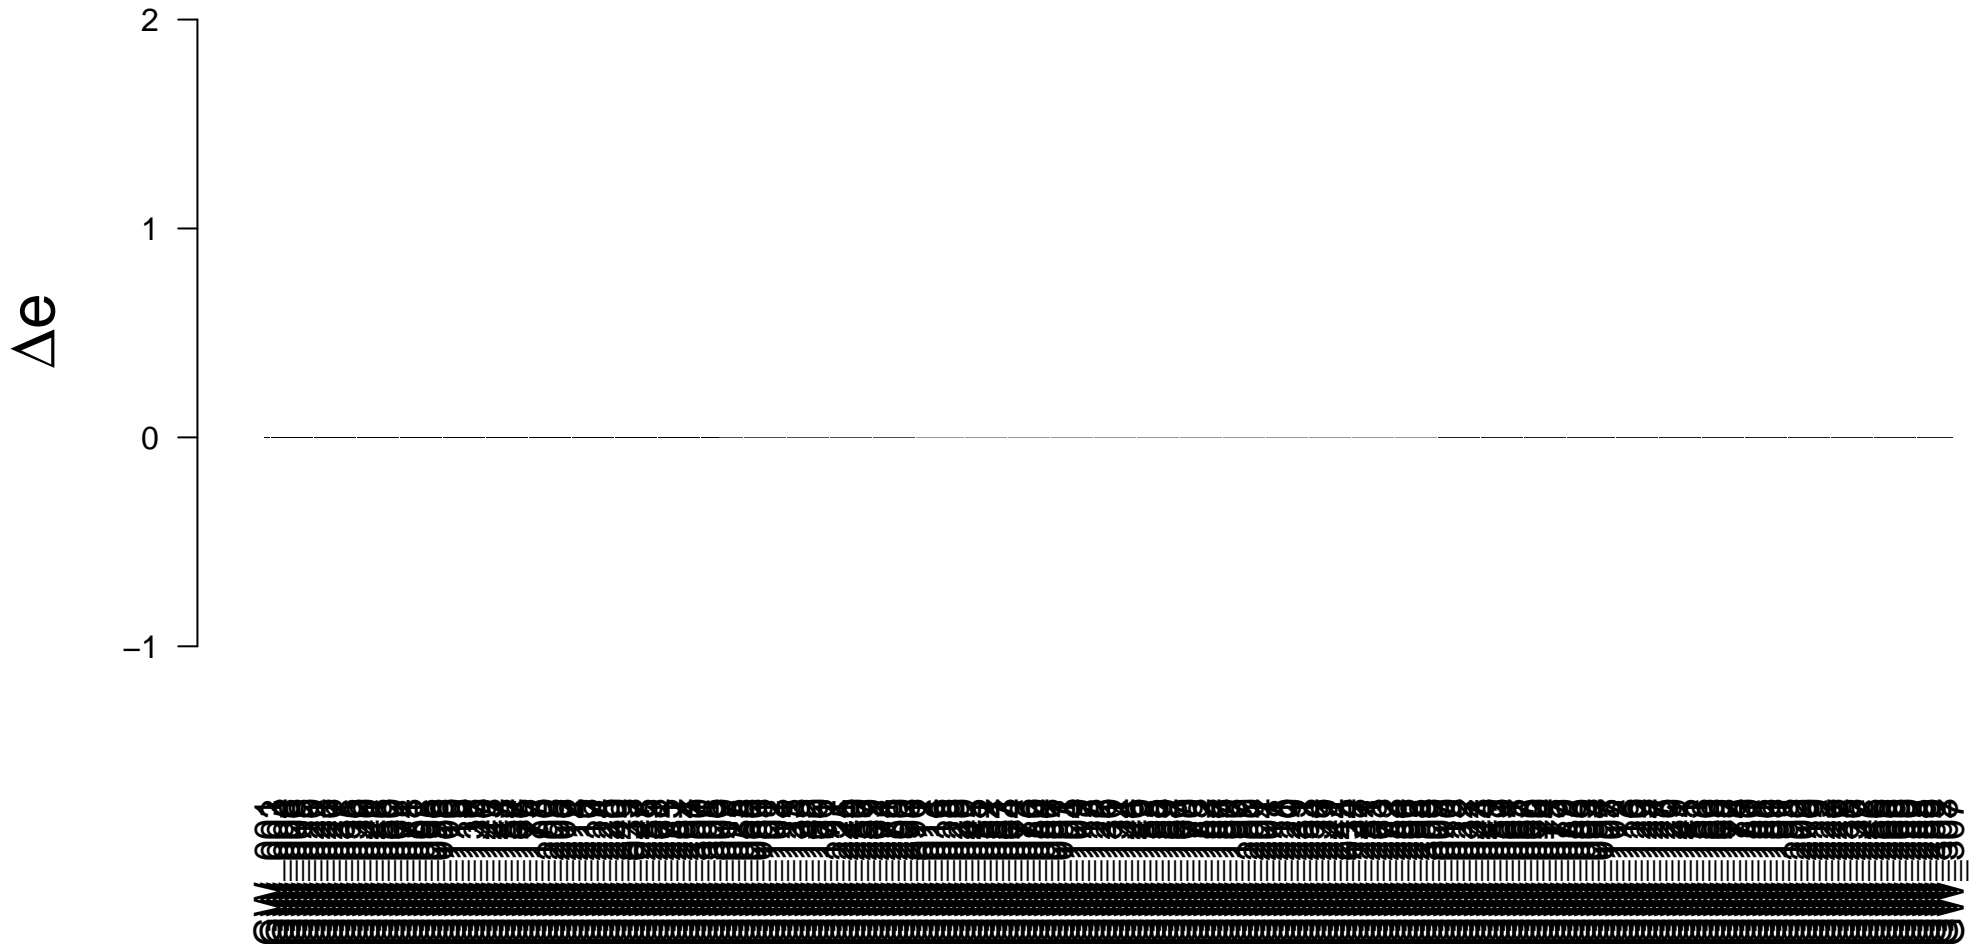

Expression of cellular iron ion homeostasis in Spot H

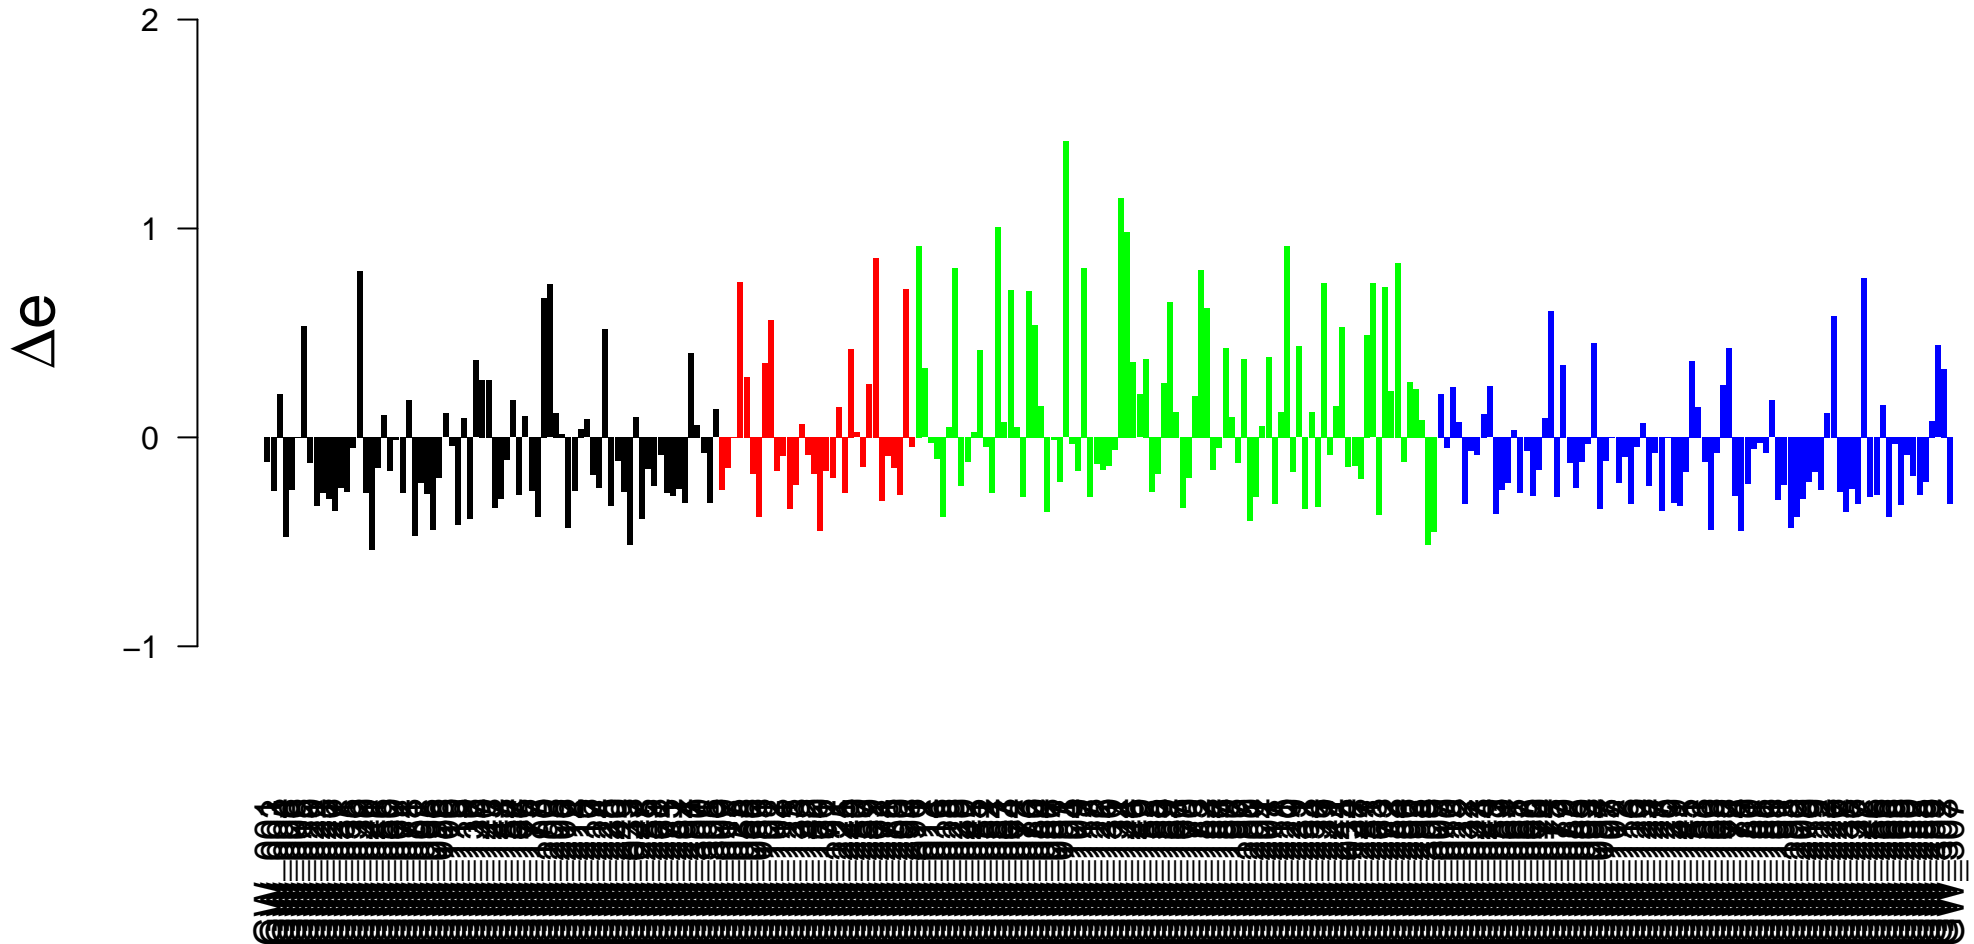

Expression of cellular iron ion homeostasis in Spot I

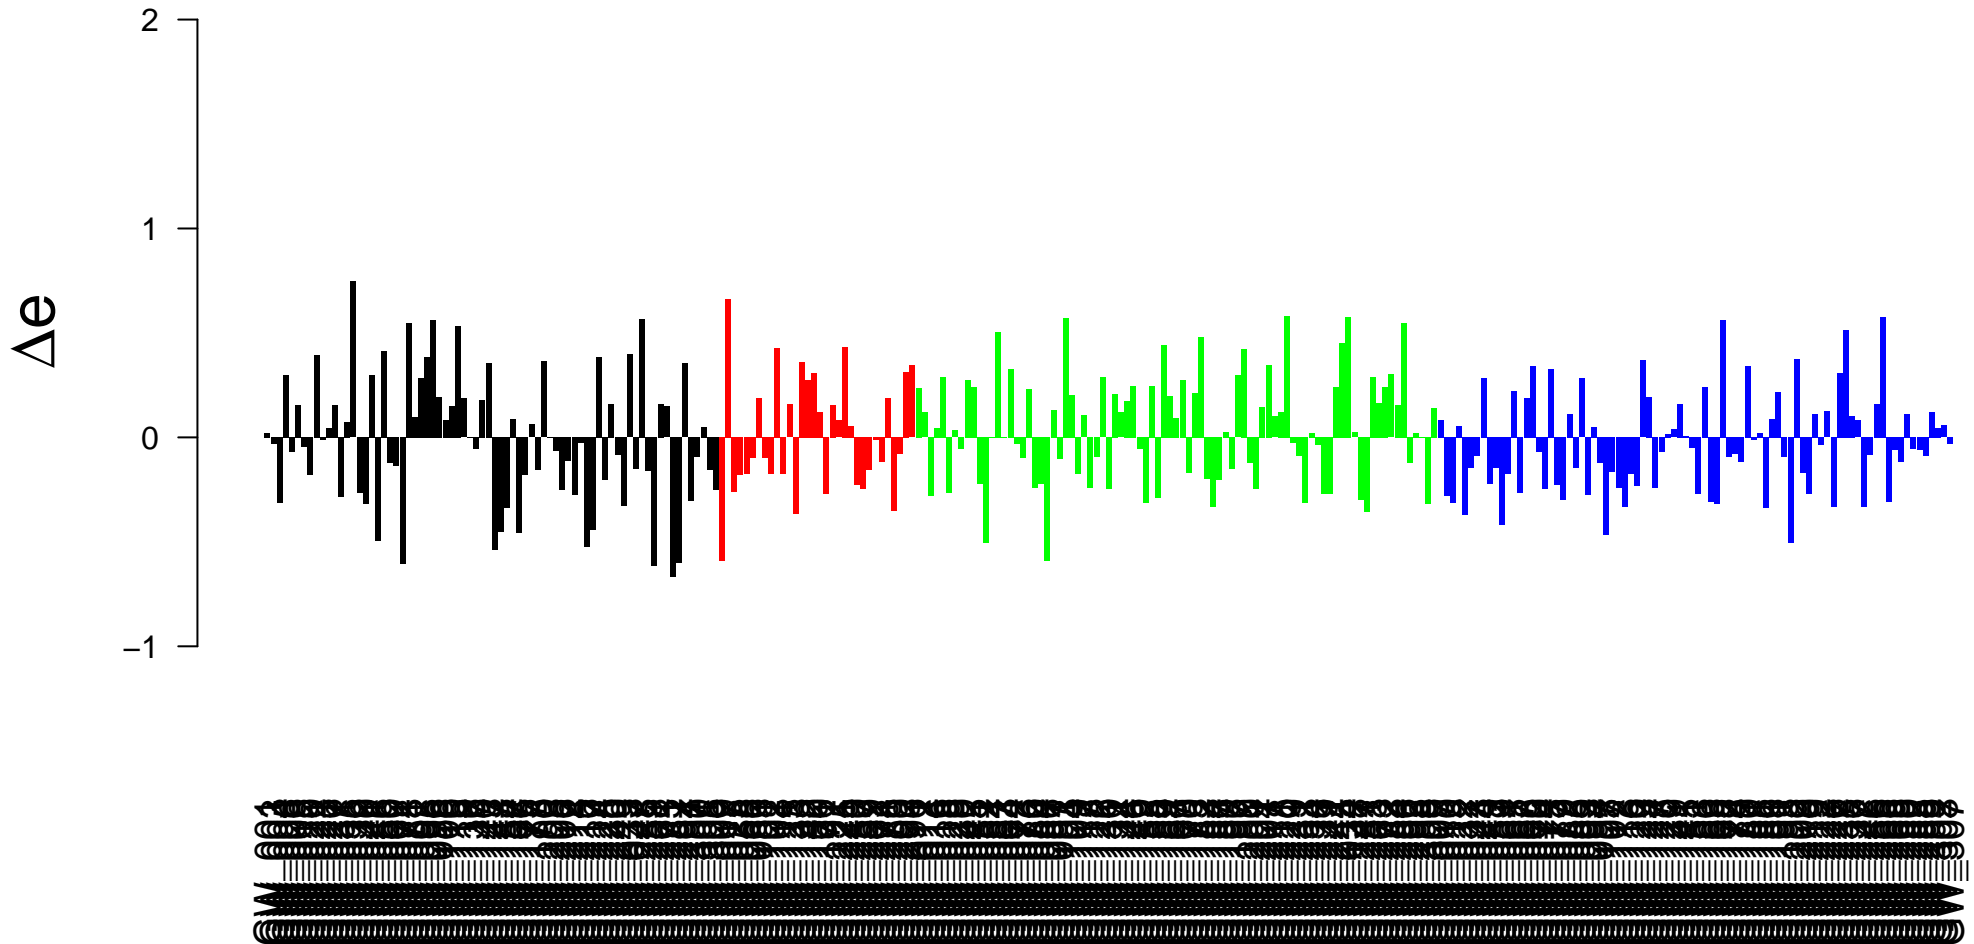

Expression of cellular iron ion homeostasis in Spot J

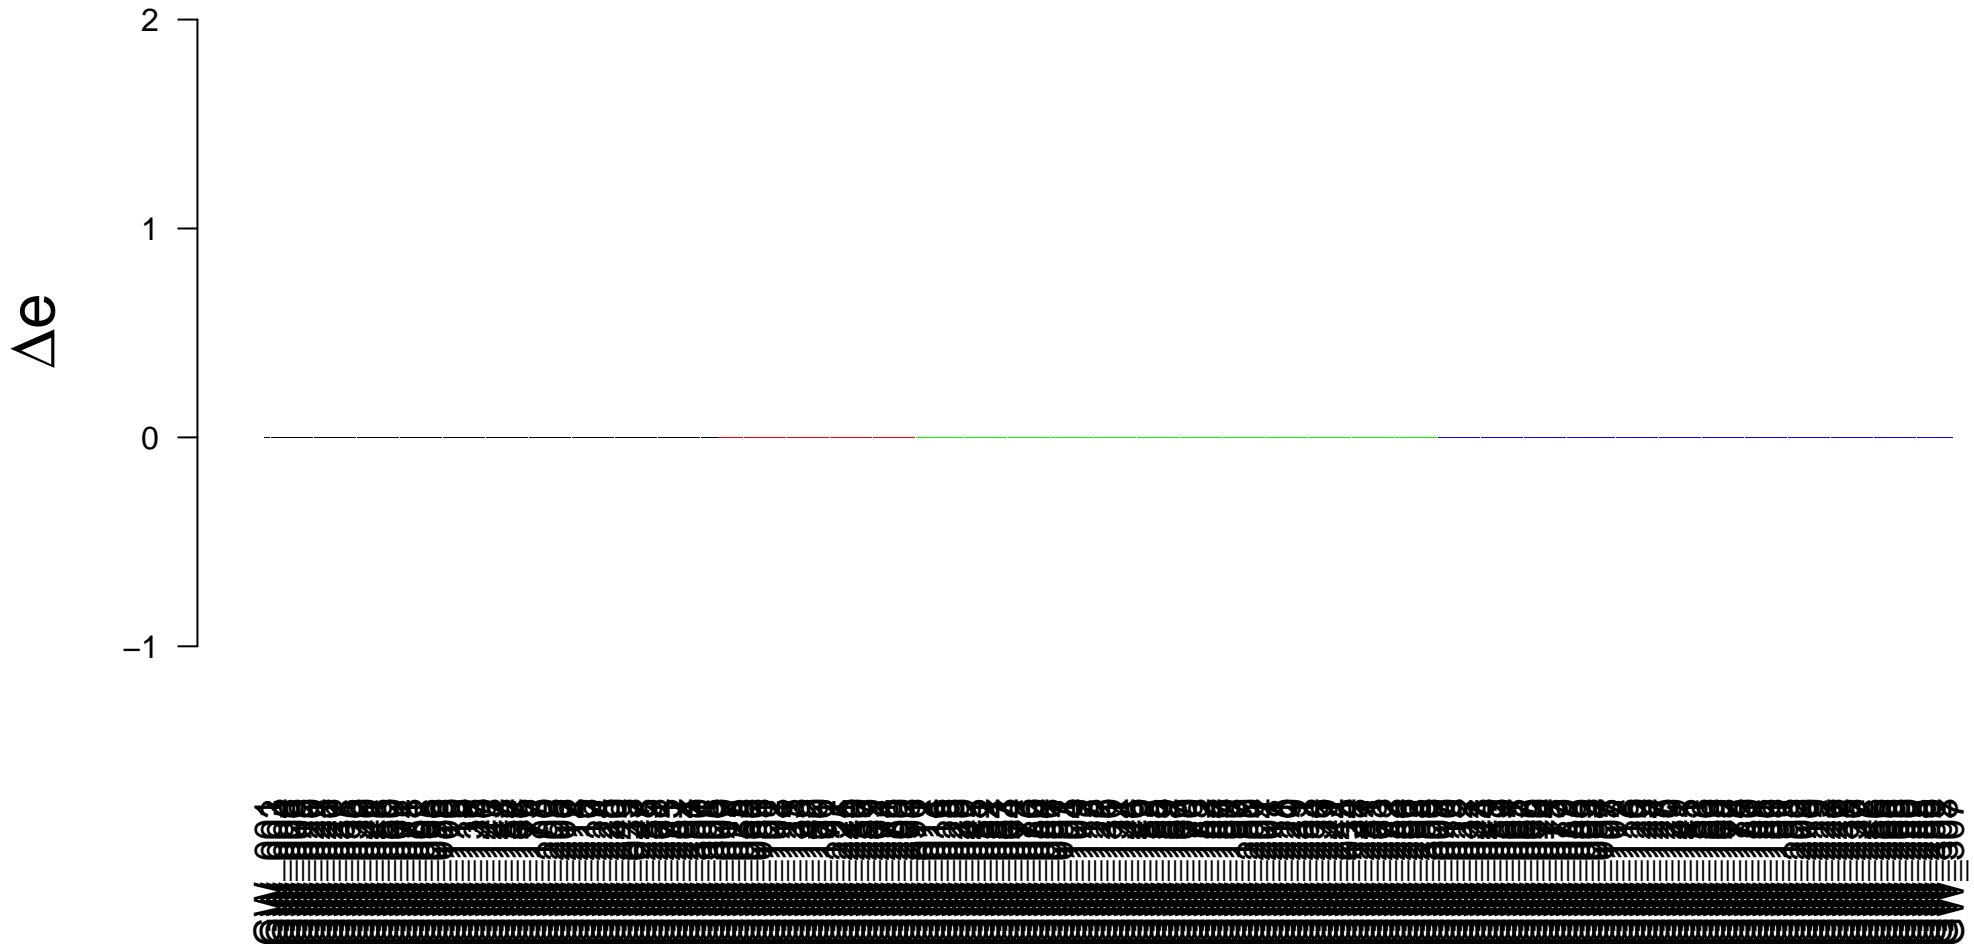

Expression of cellular iron ion homeostasis in Spot L

Expression of cellular iron ion homeostasis in Spot M

Expression of cellular iron ion homeostasis in Spot N

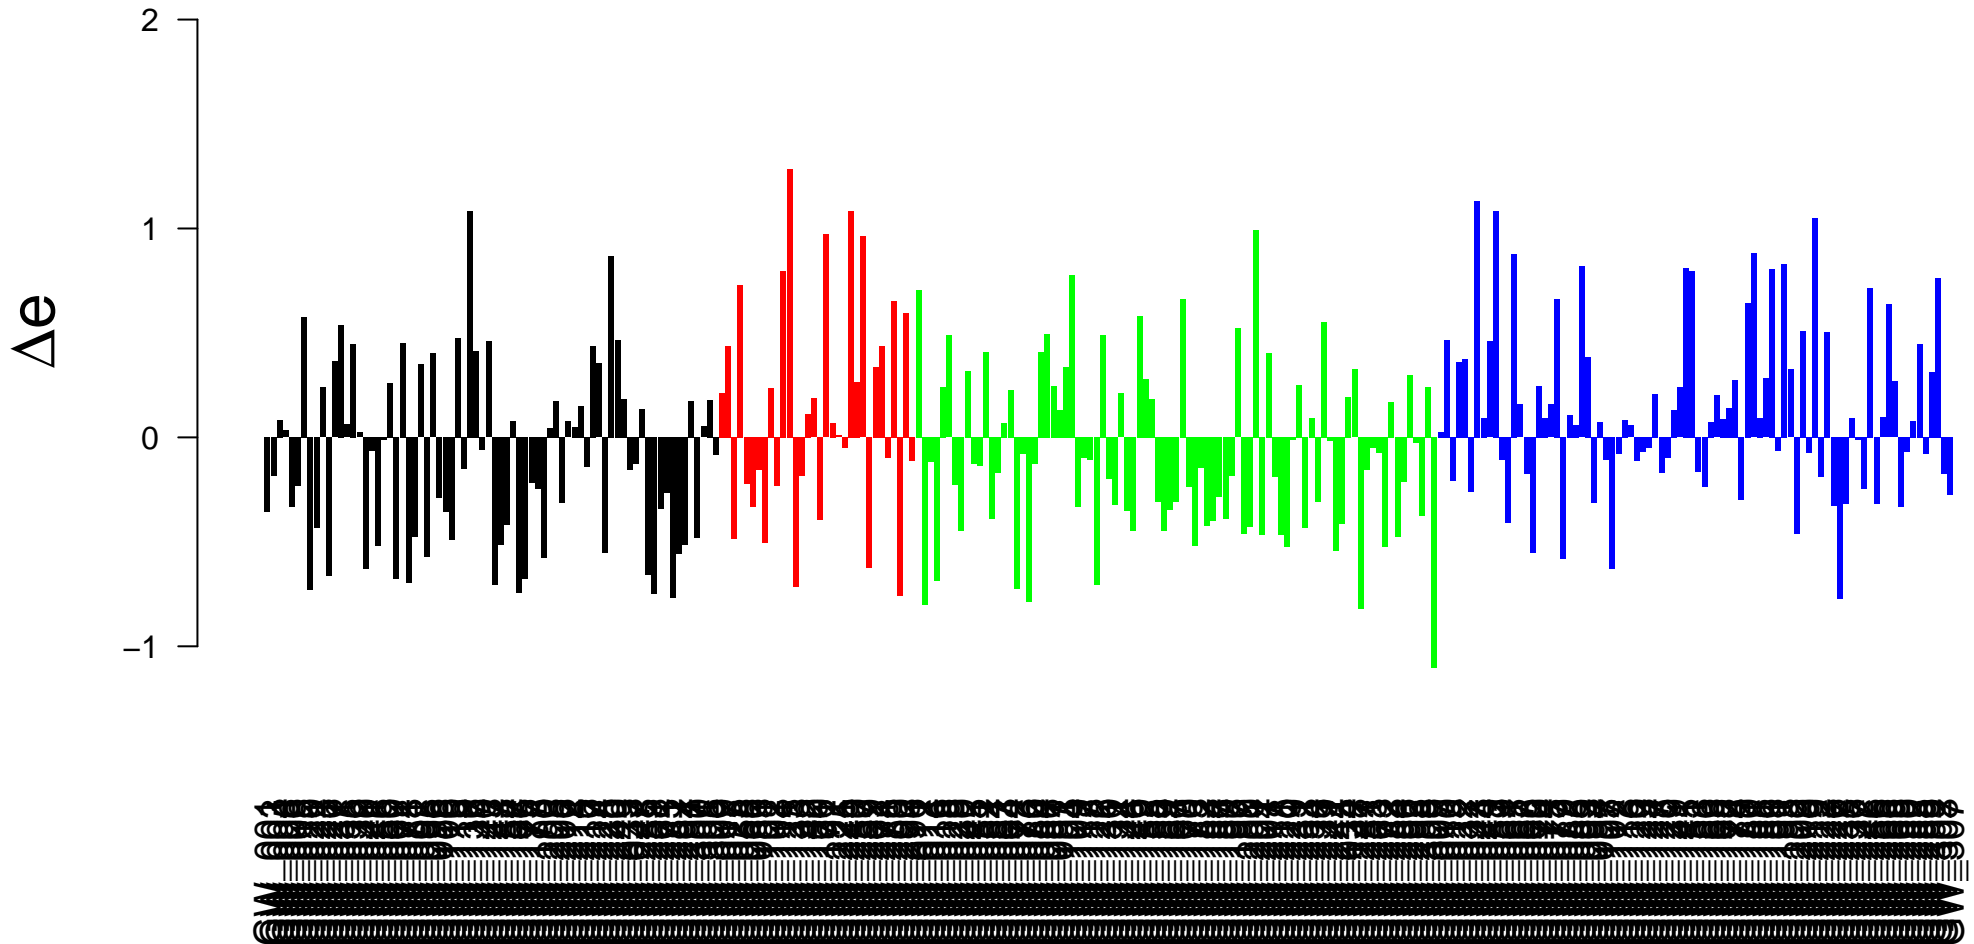

Expression of cellular iron ion homeostasis in Spot O
