

cellular process

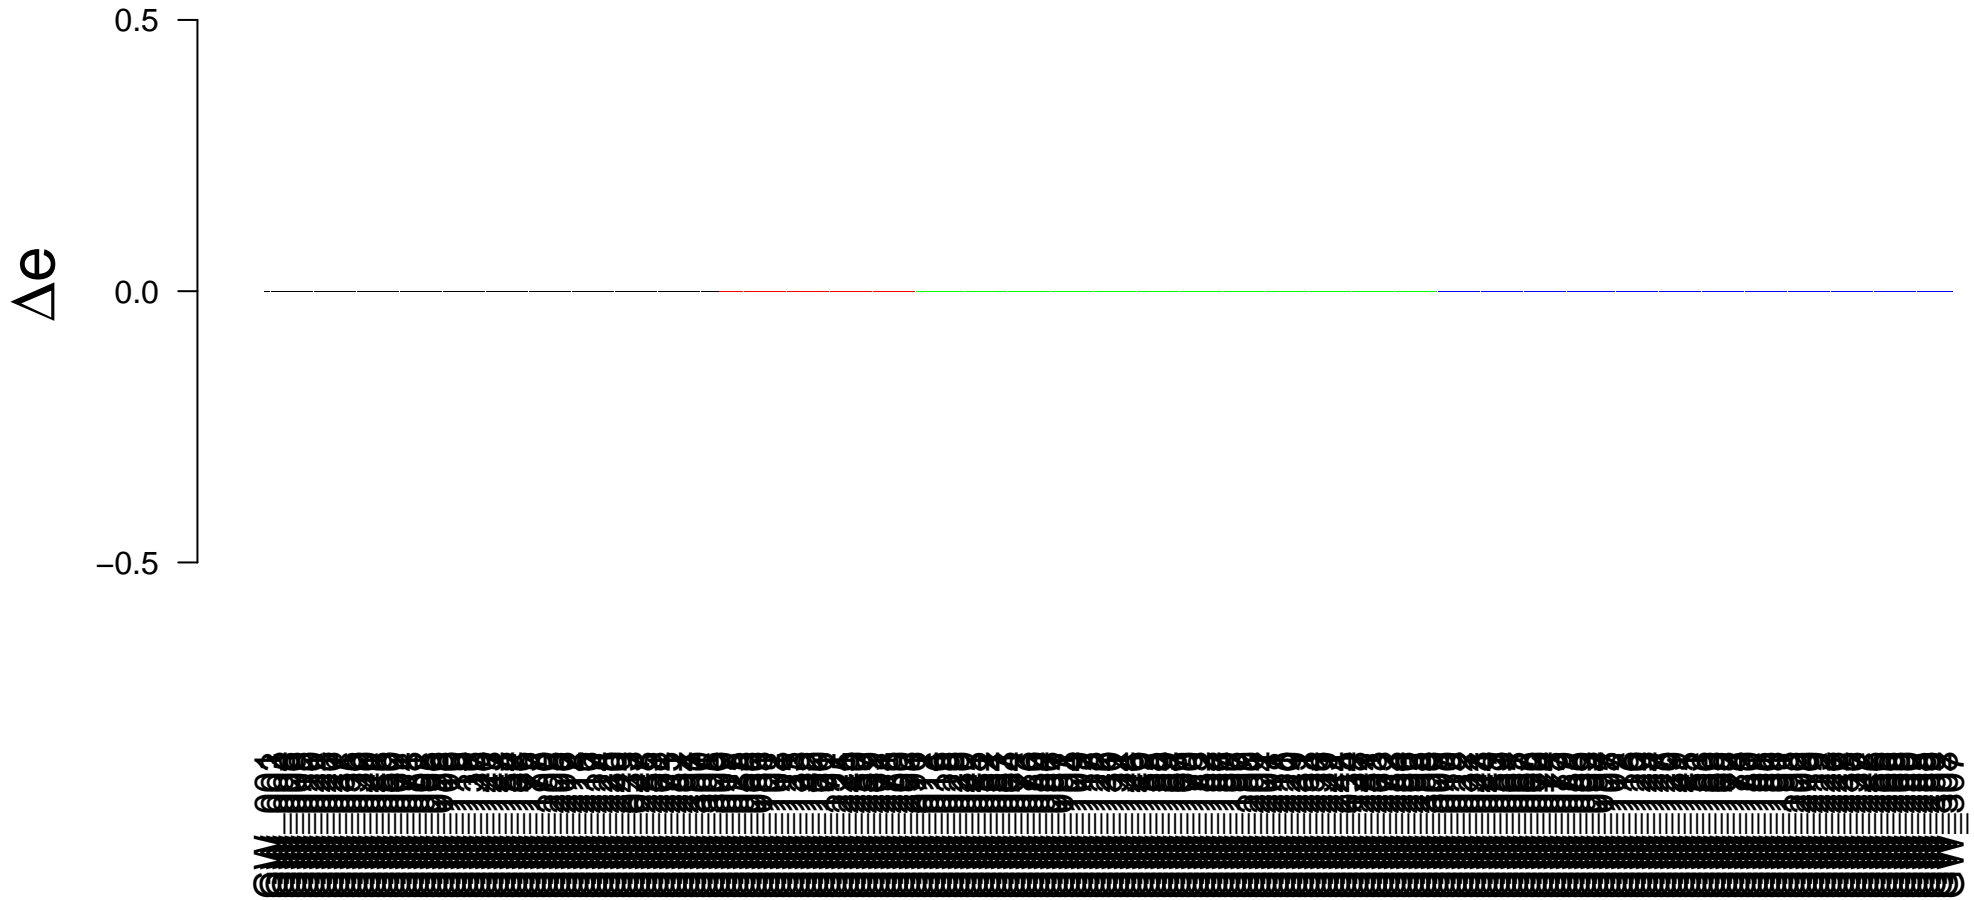

cellular process

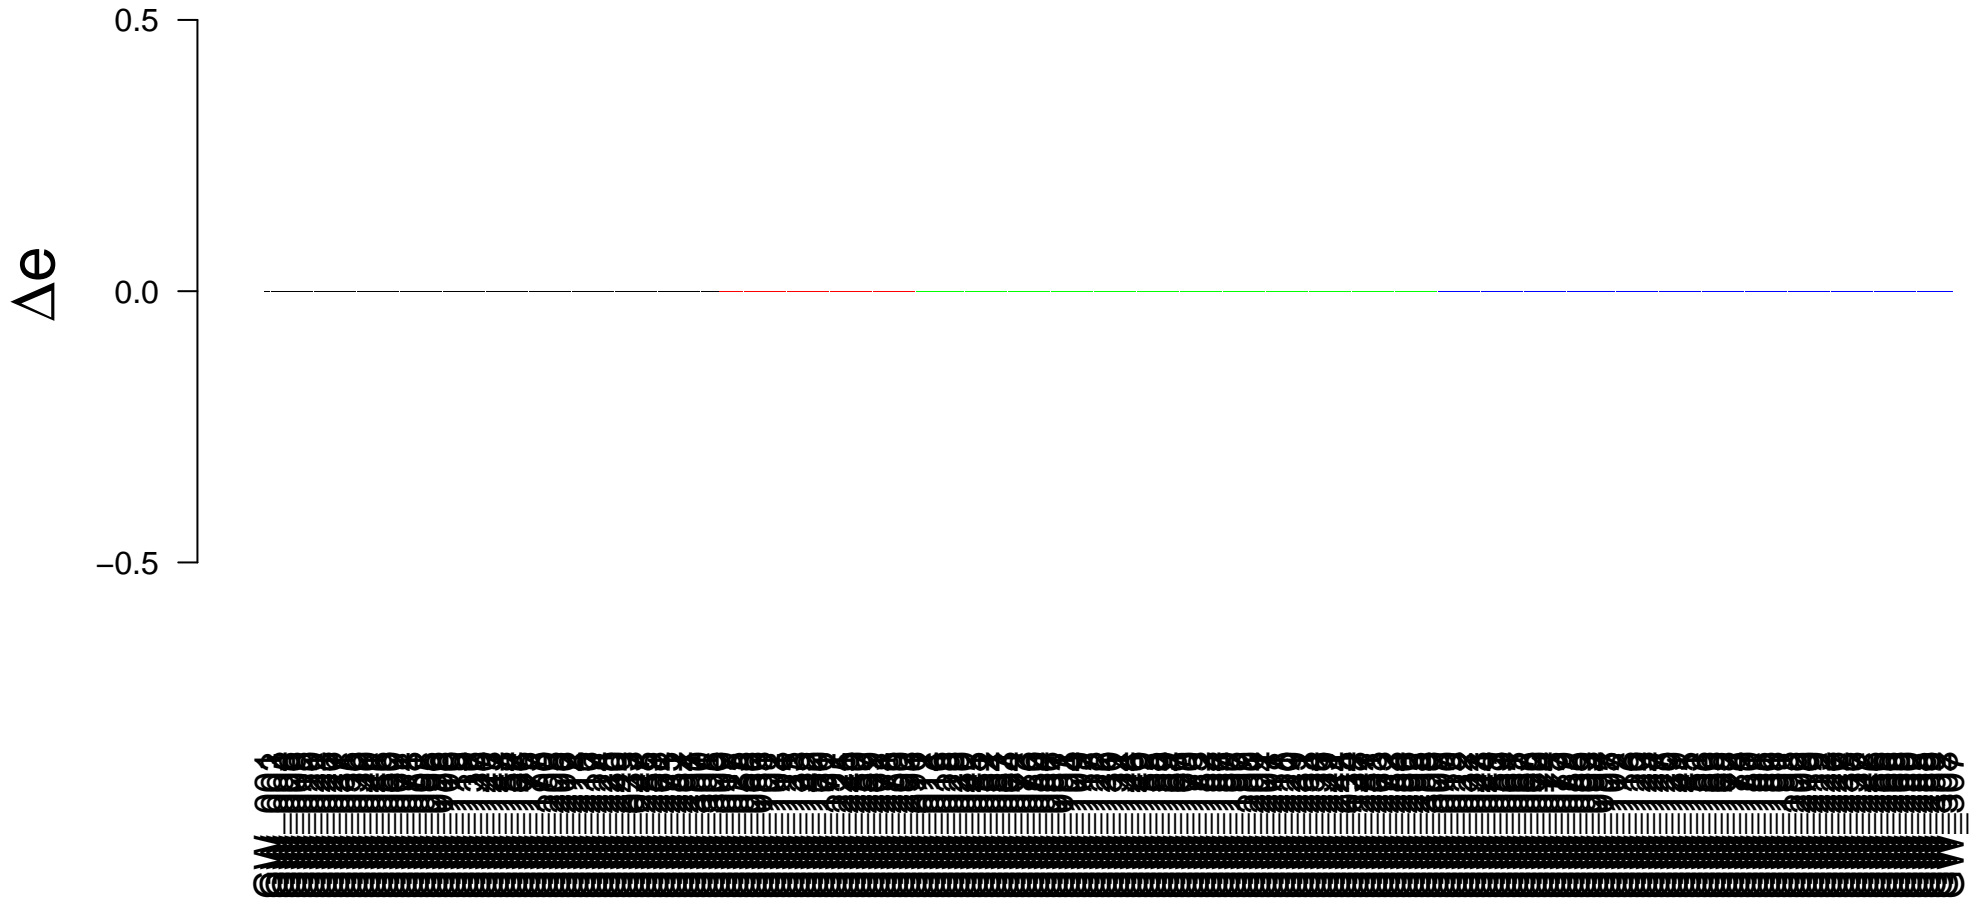

Enrichment in spots: cellular process

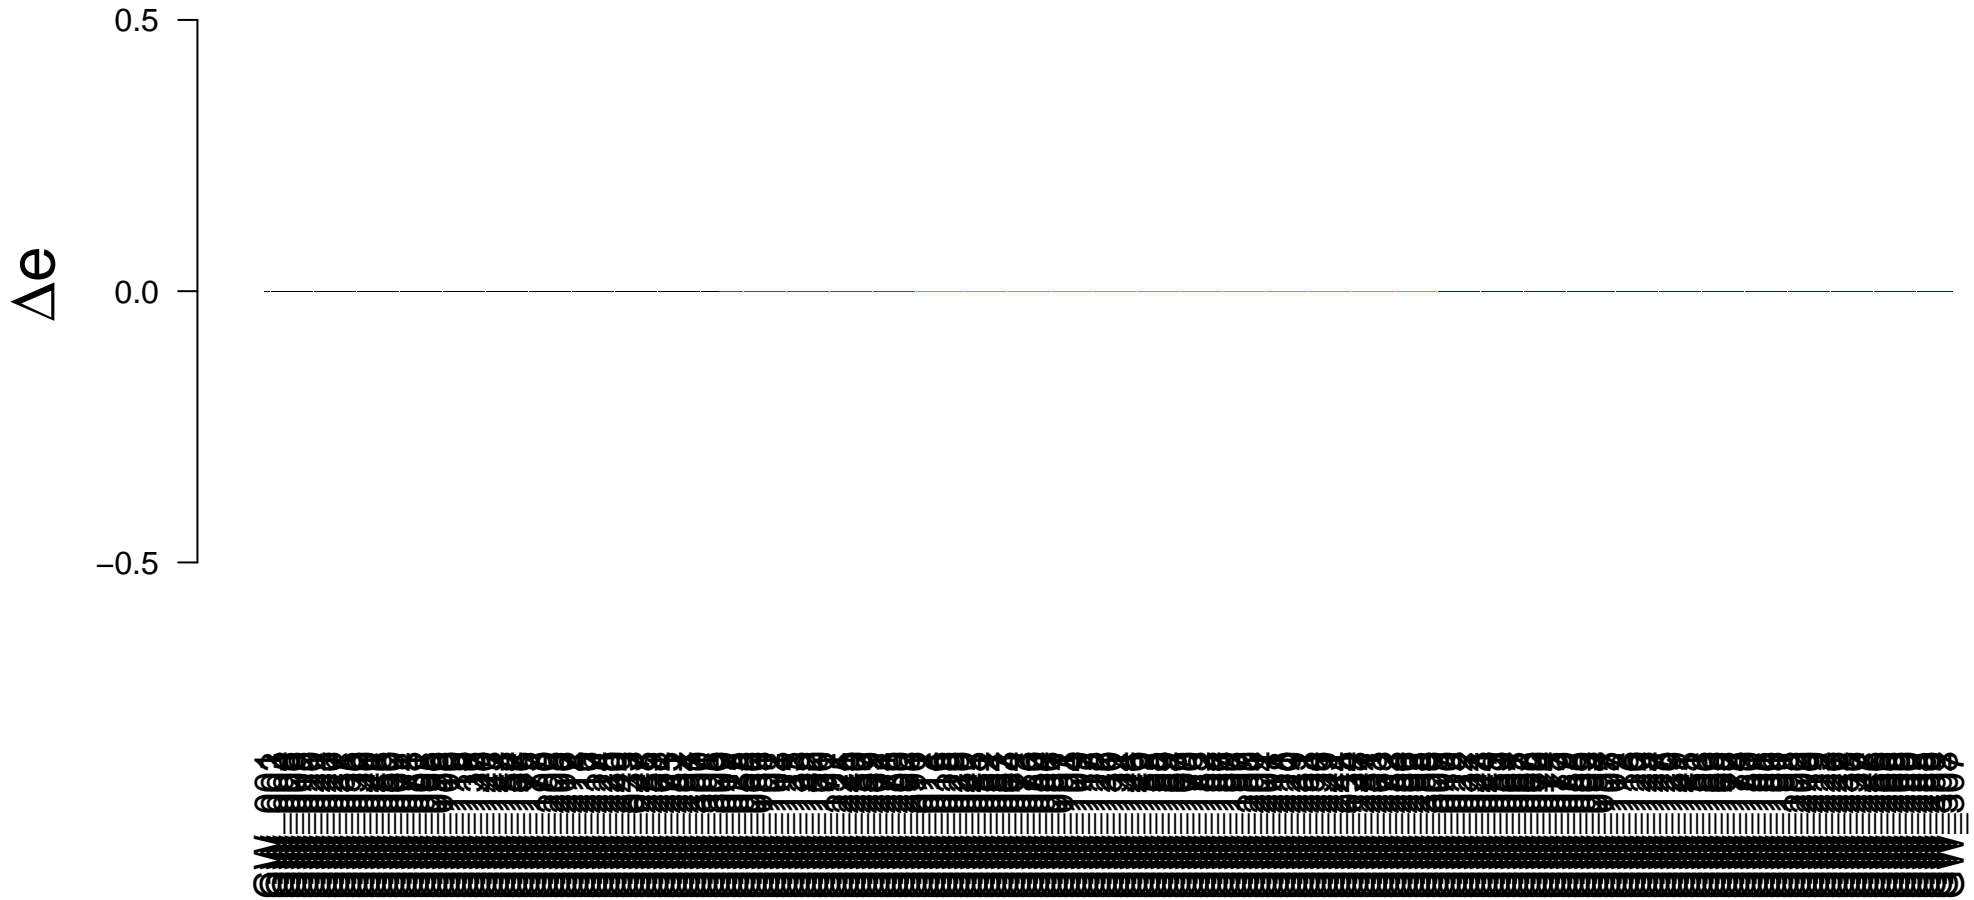

Expression of cellular process in Spot A

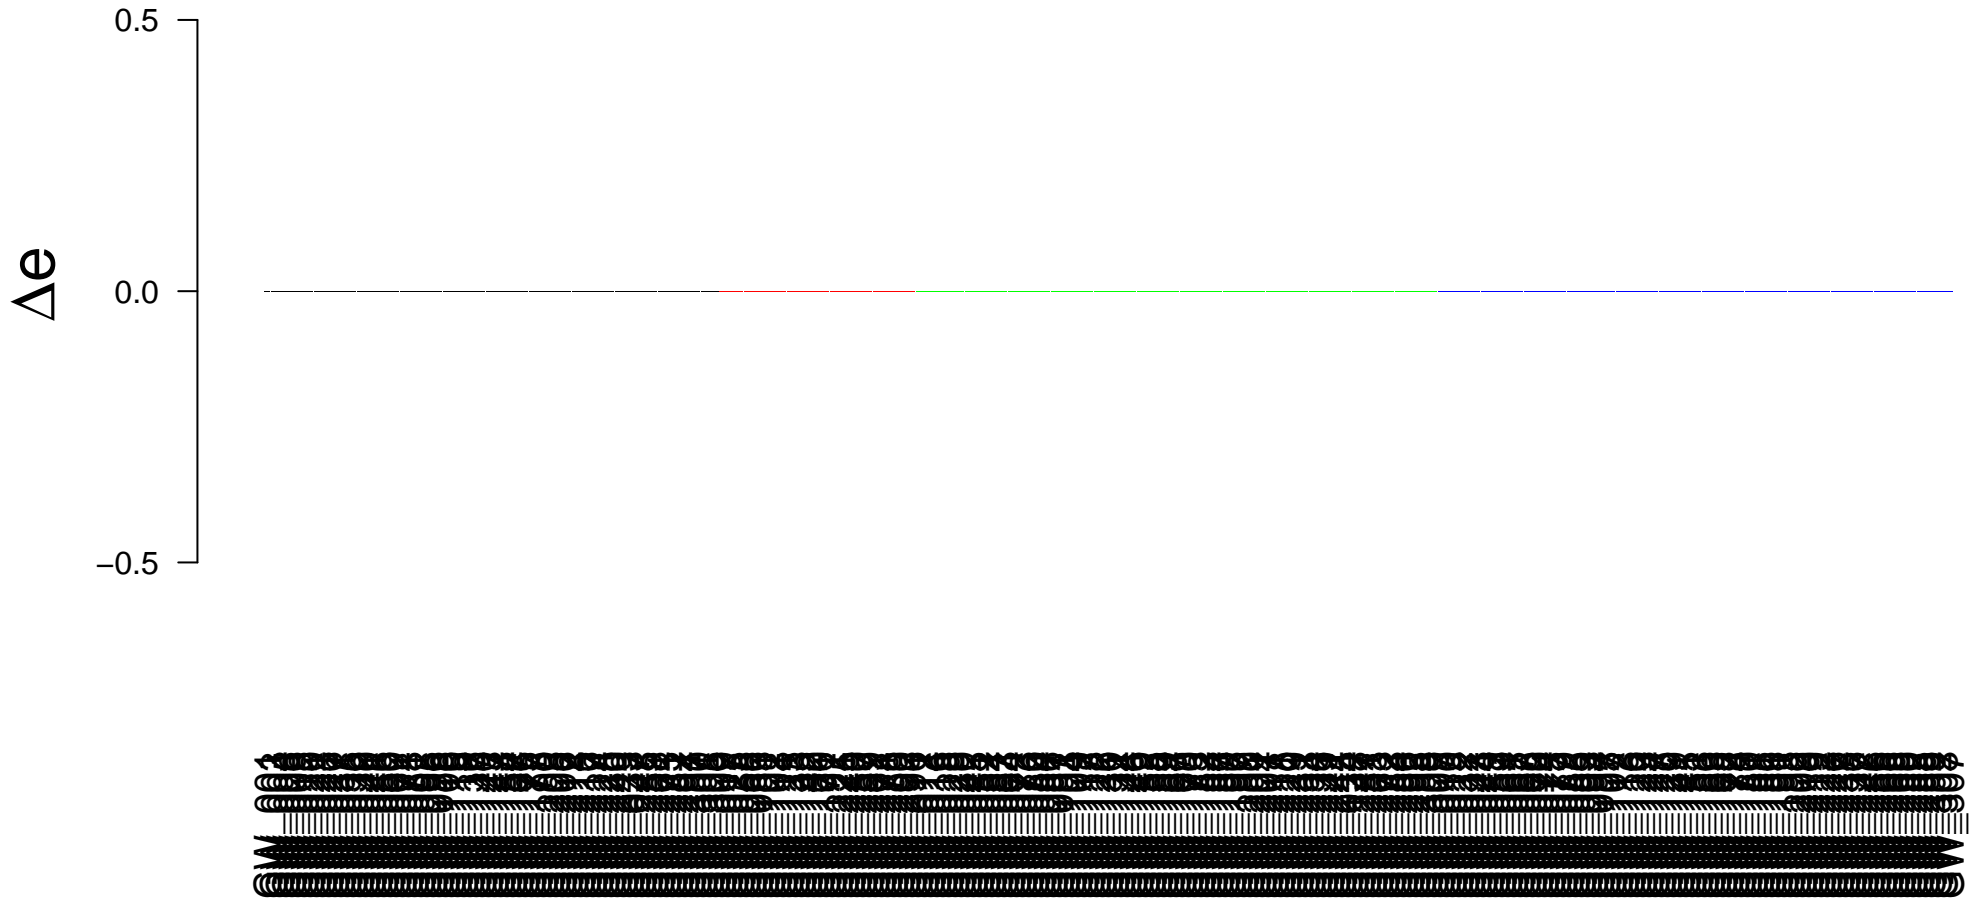

Expression of cellular process in Spot B

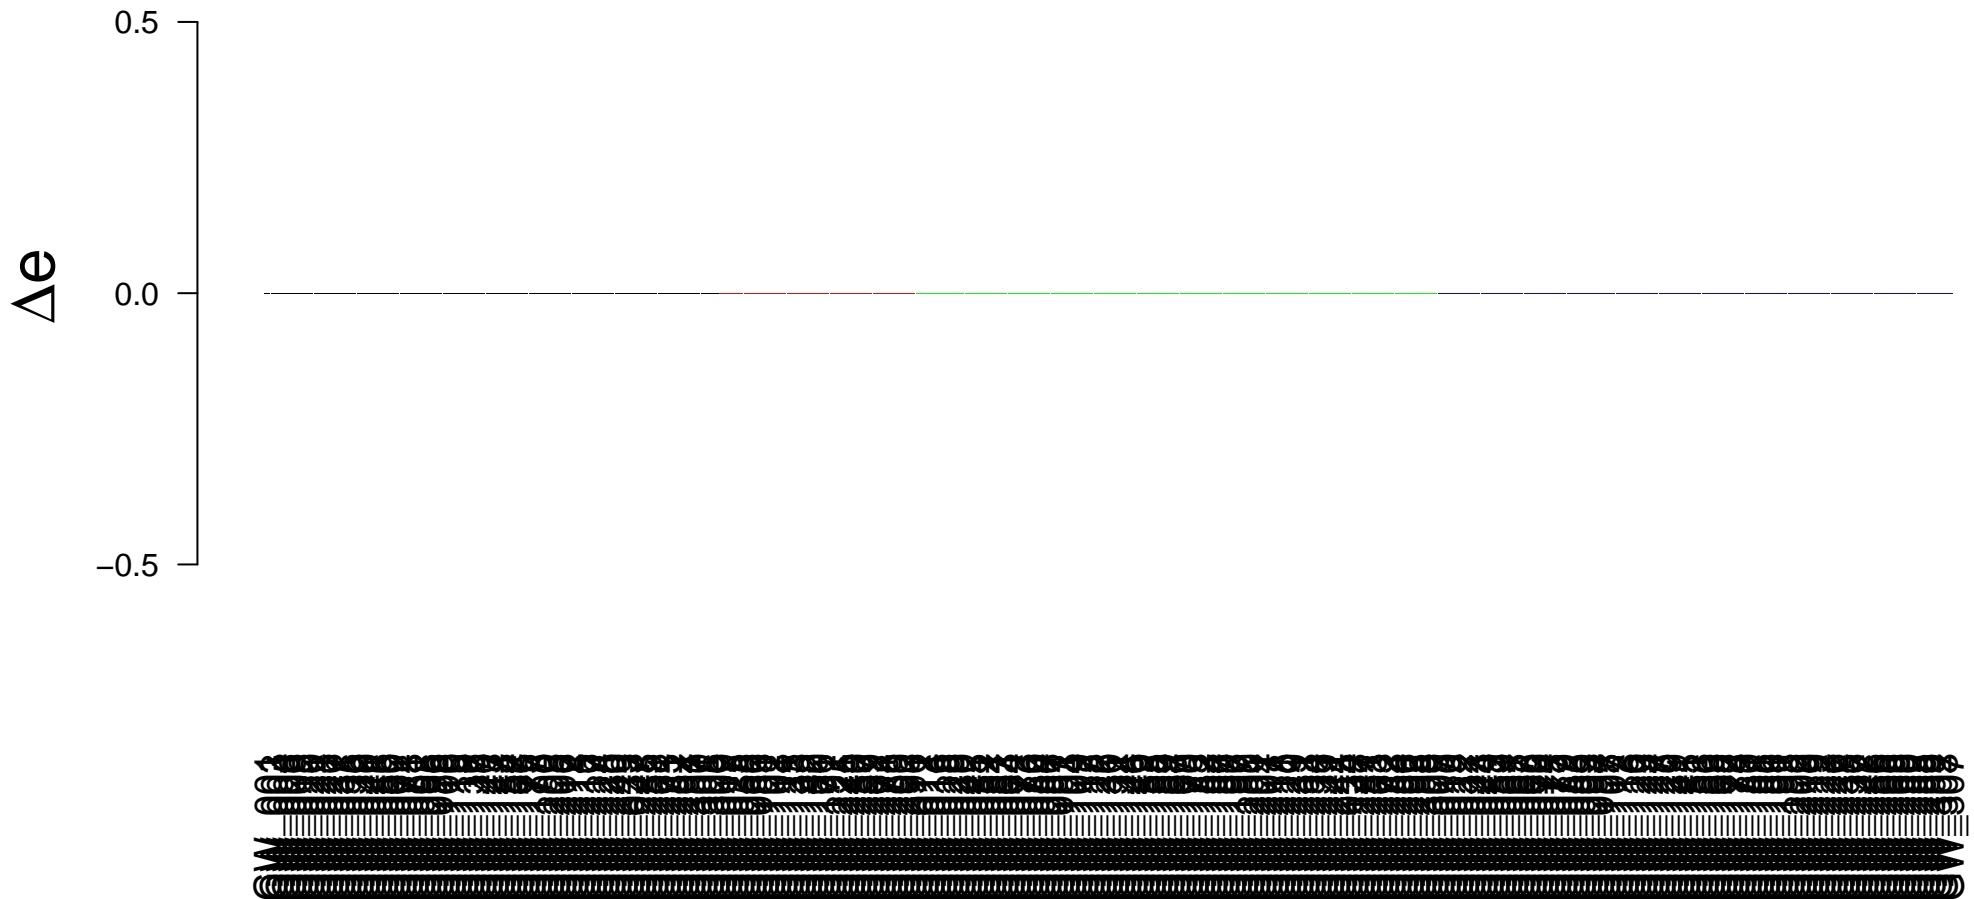

Expression of cellular process in Spot C

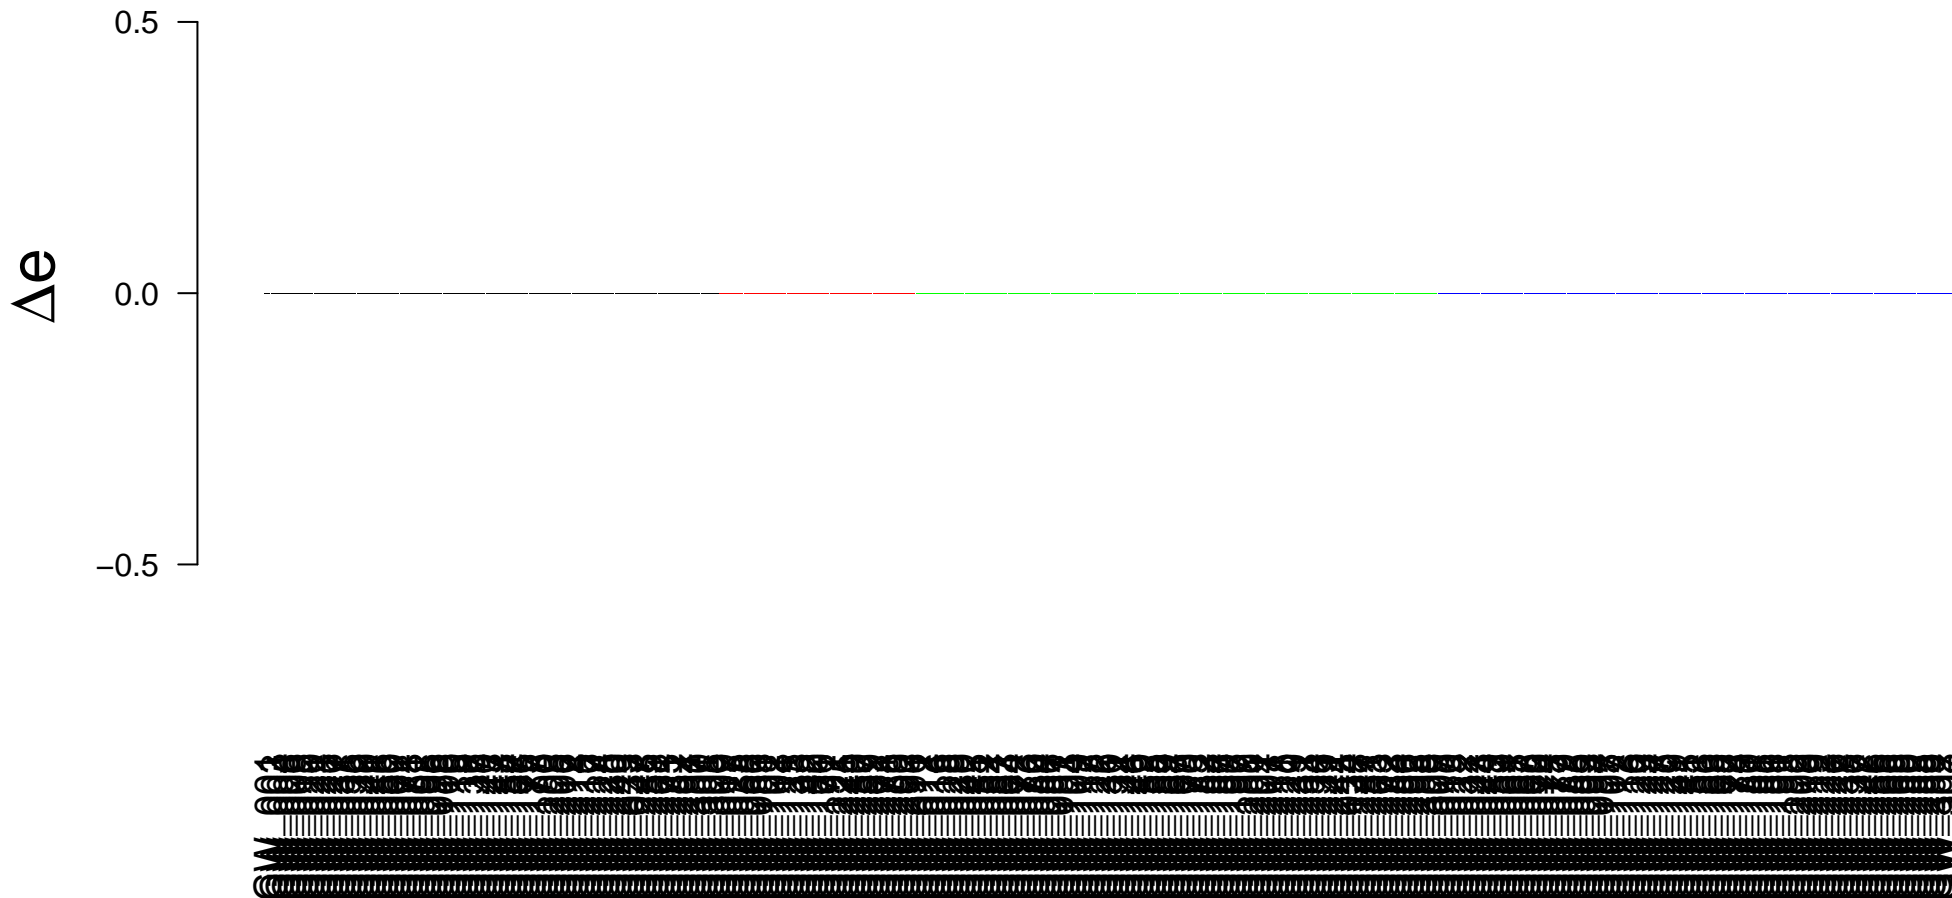

Expression of cellular process in Spot D

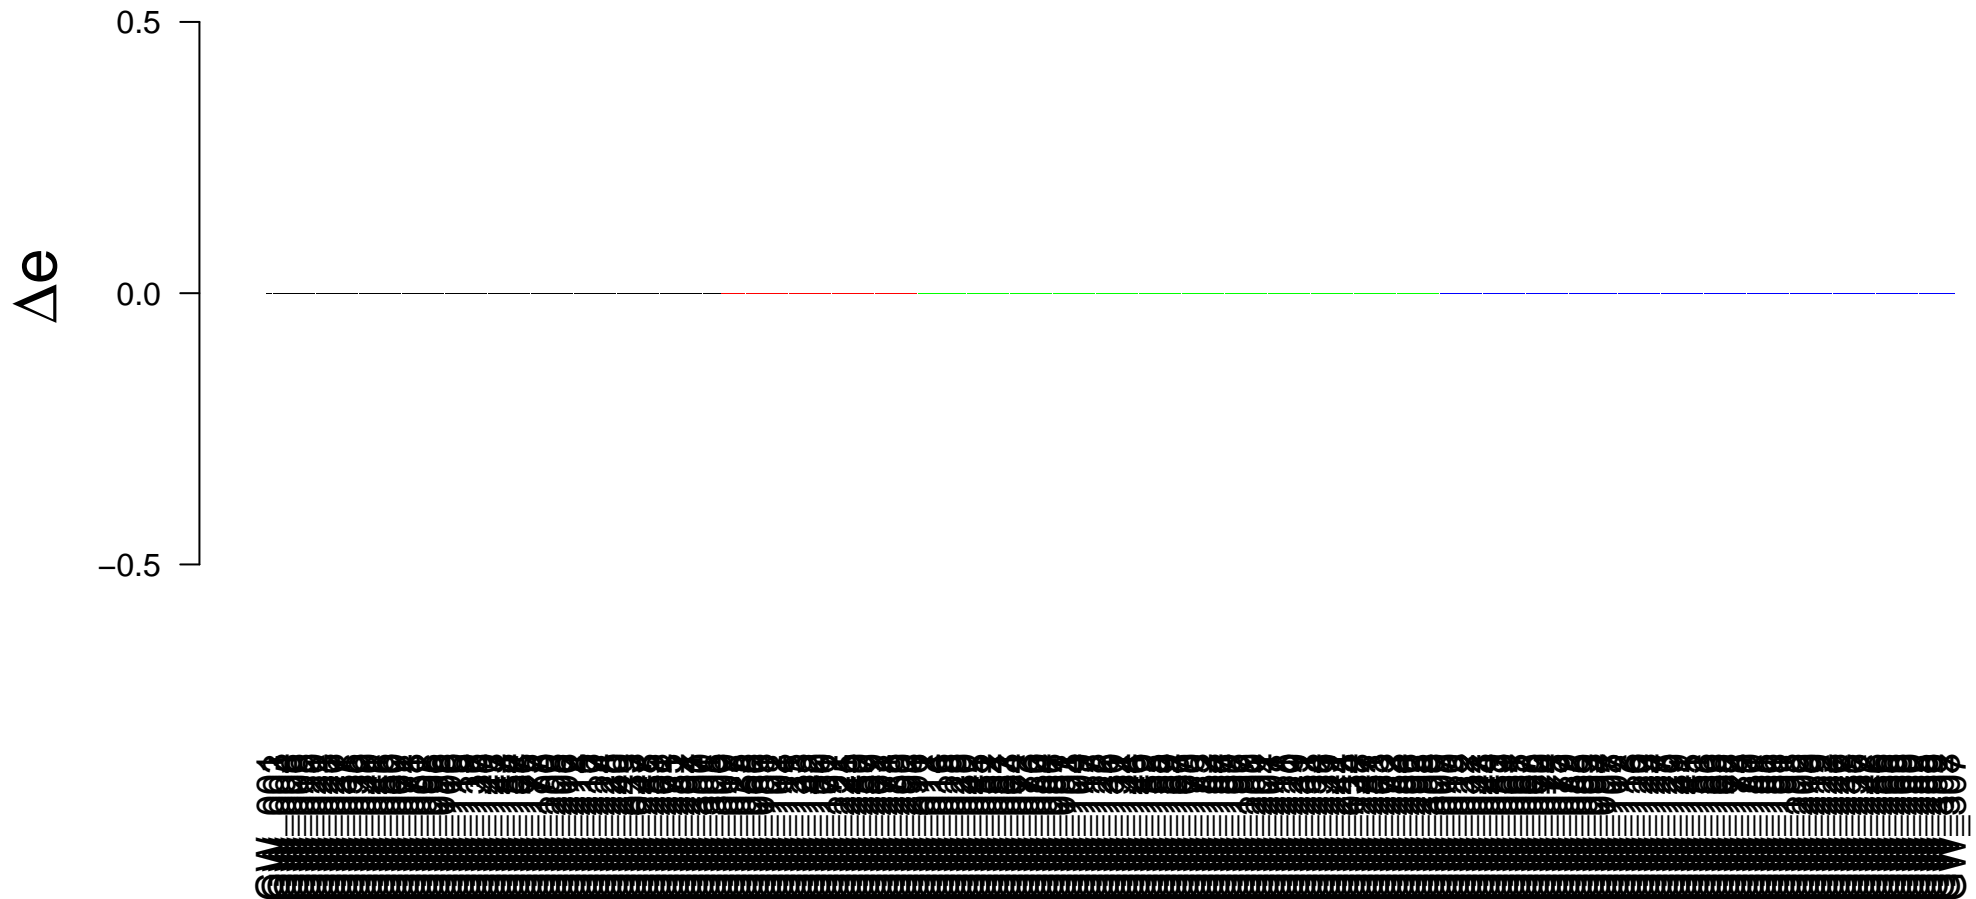

Expression of cellular process in Spot E

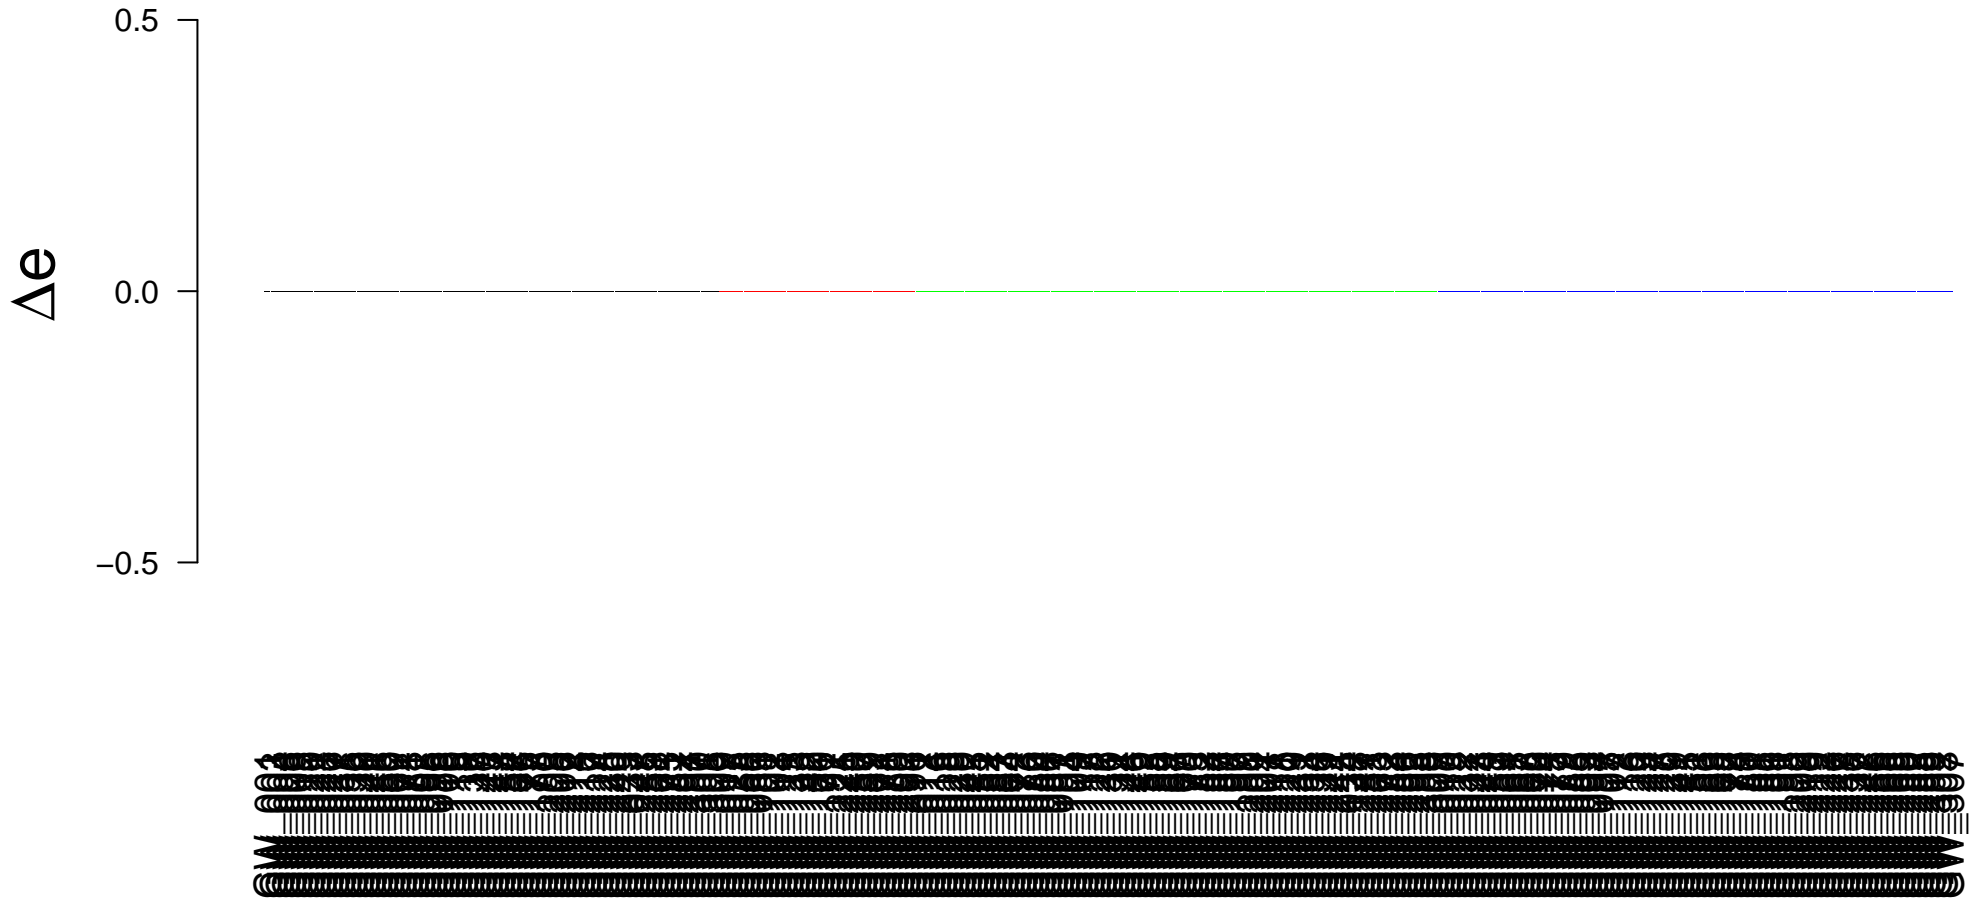

Expression of cellular process in Spot F

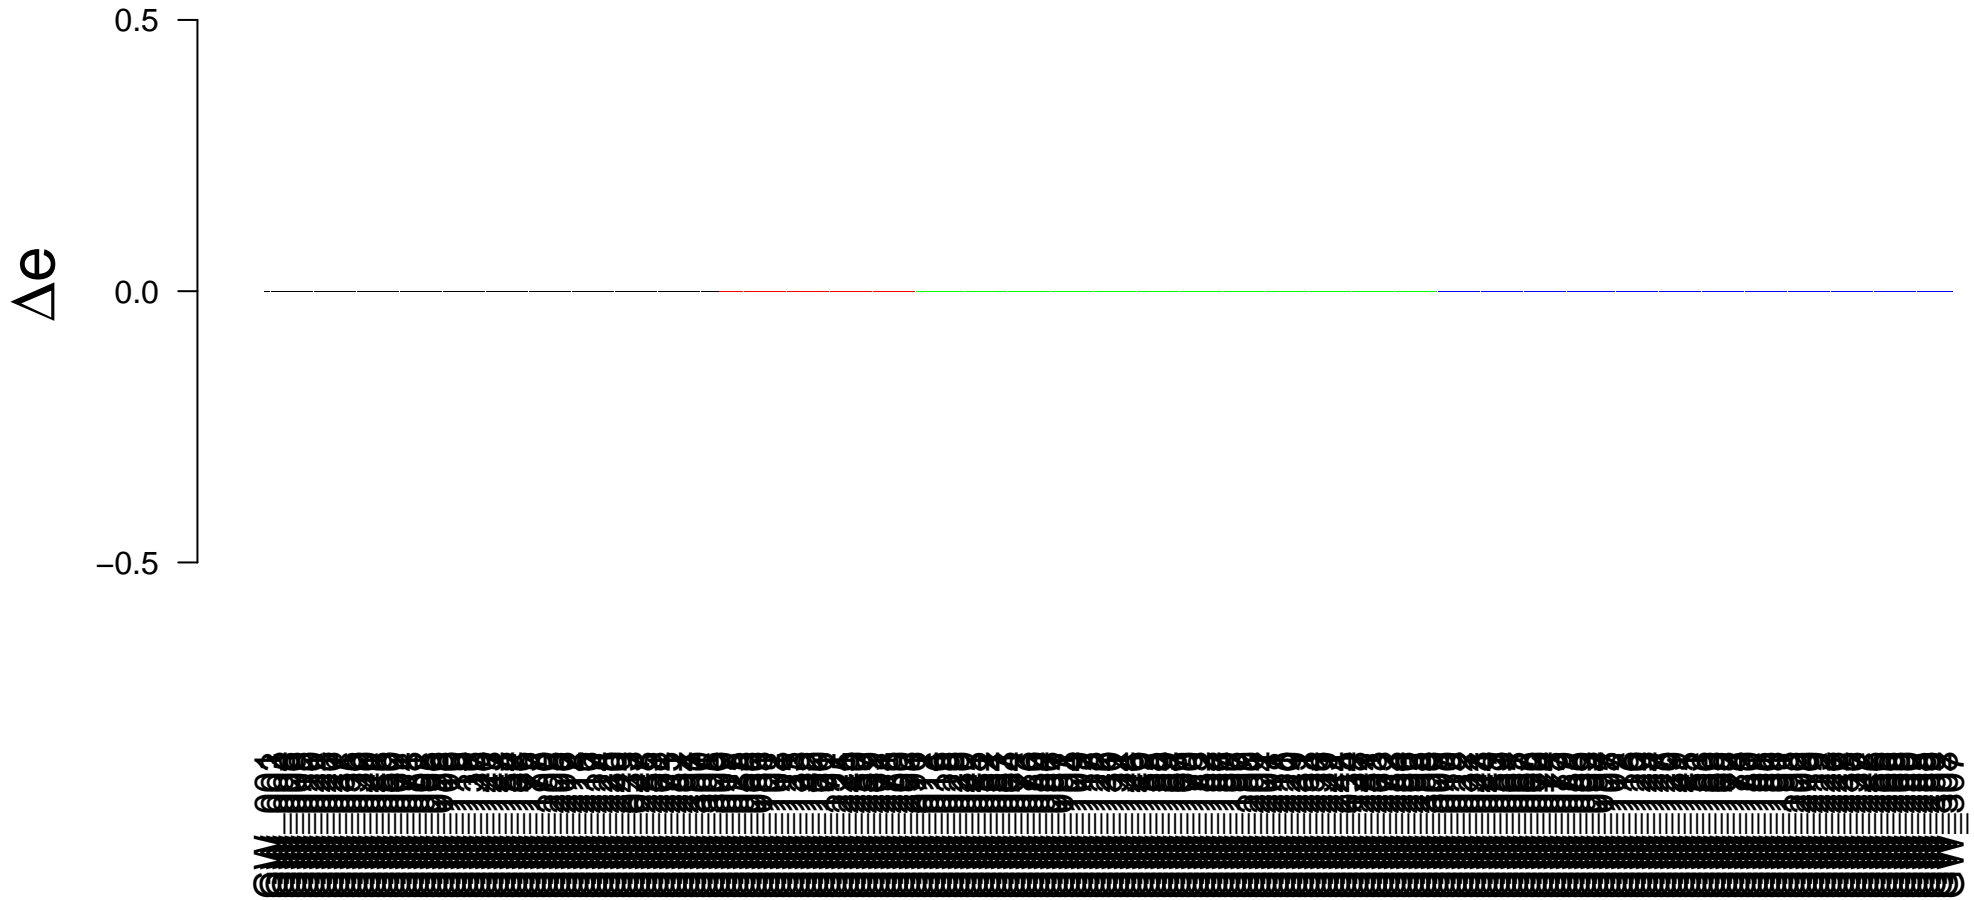

Expression of cellular process in Spot G

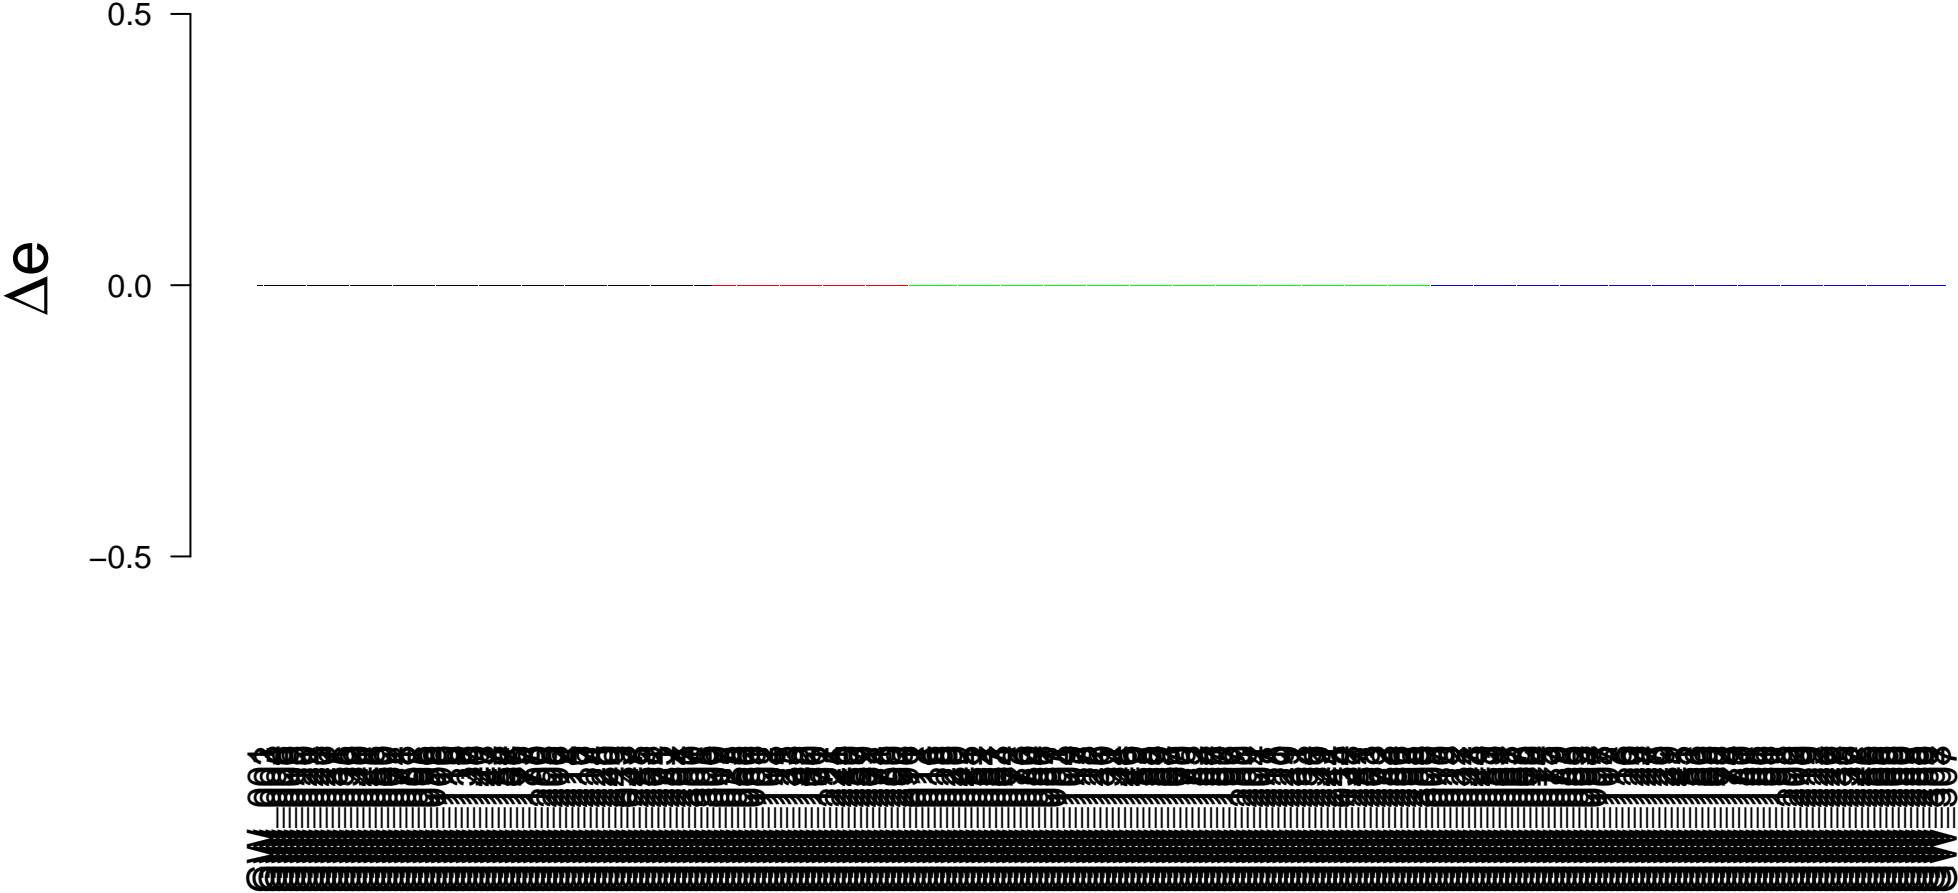

Expression of cellular process in Spot H

Expression of cellular process in Spot I

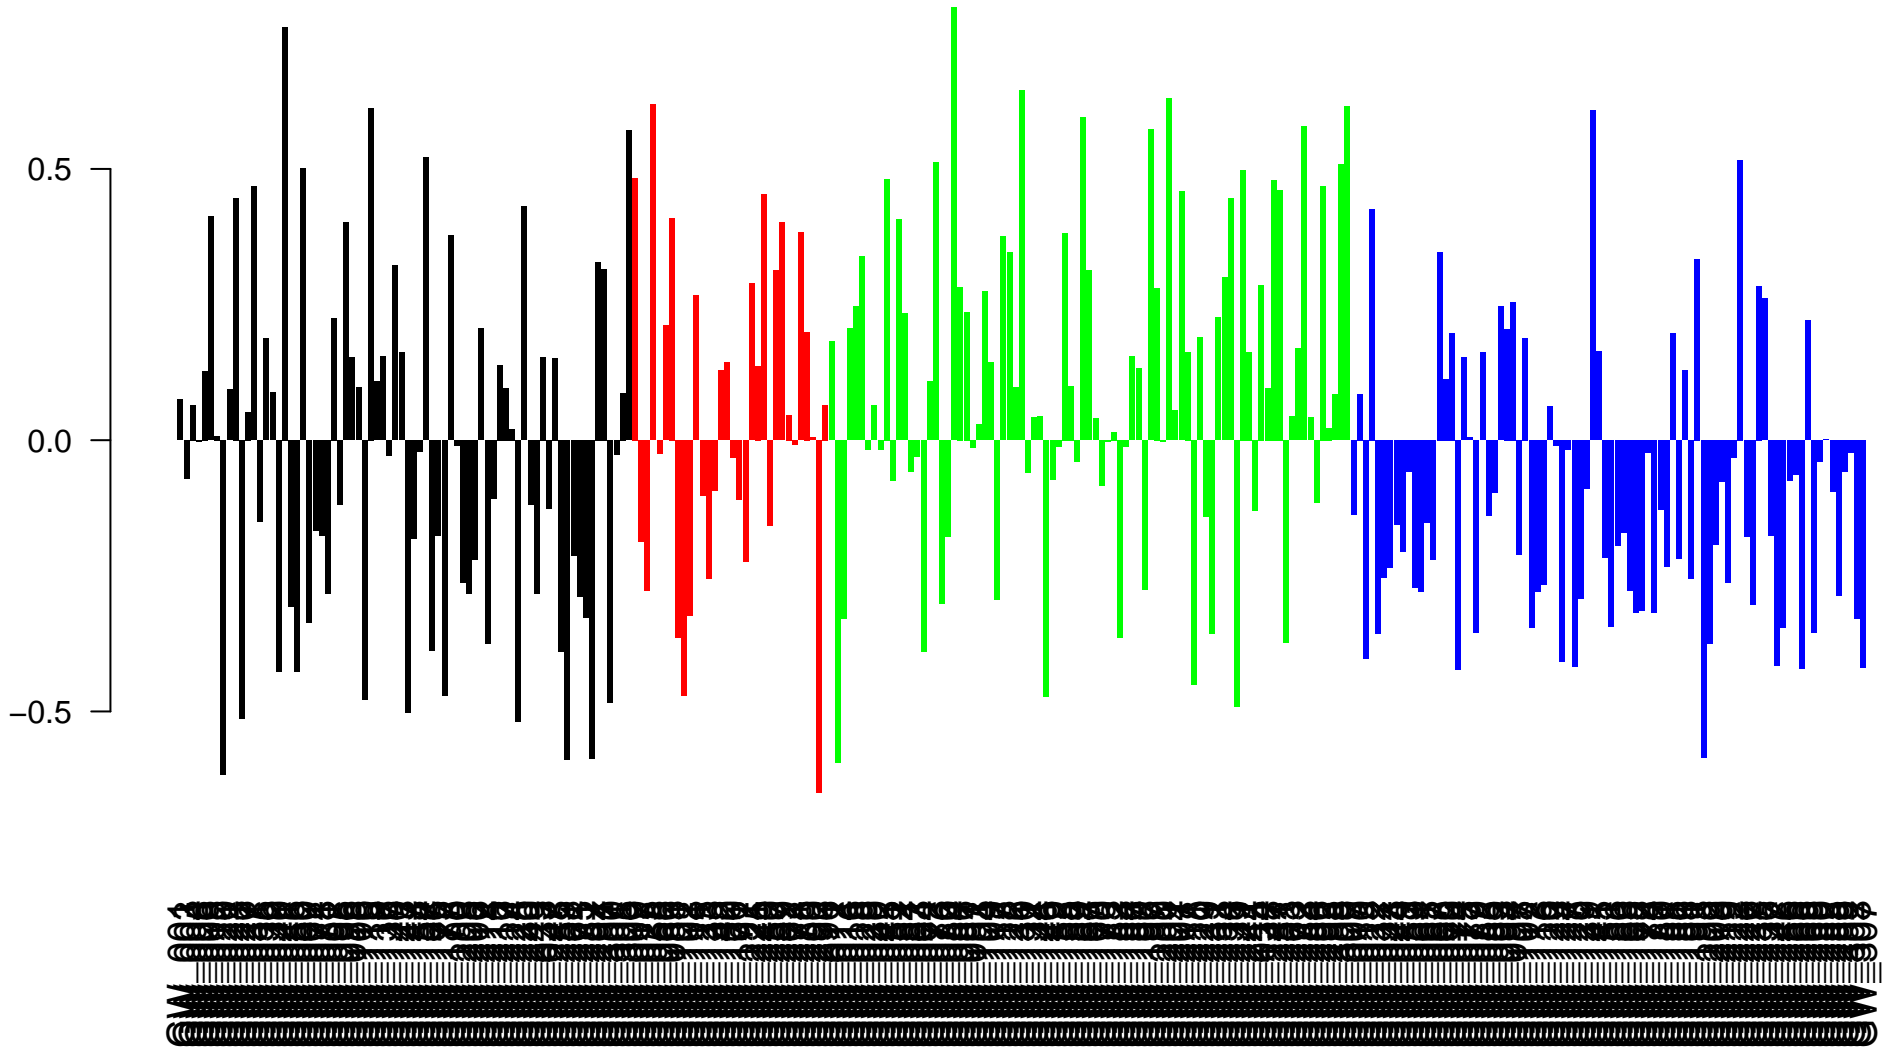

Expression of cellular process in Spot J

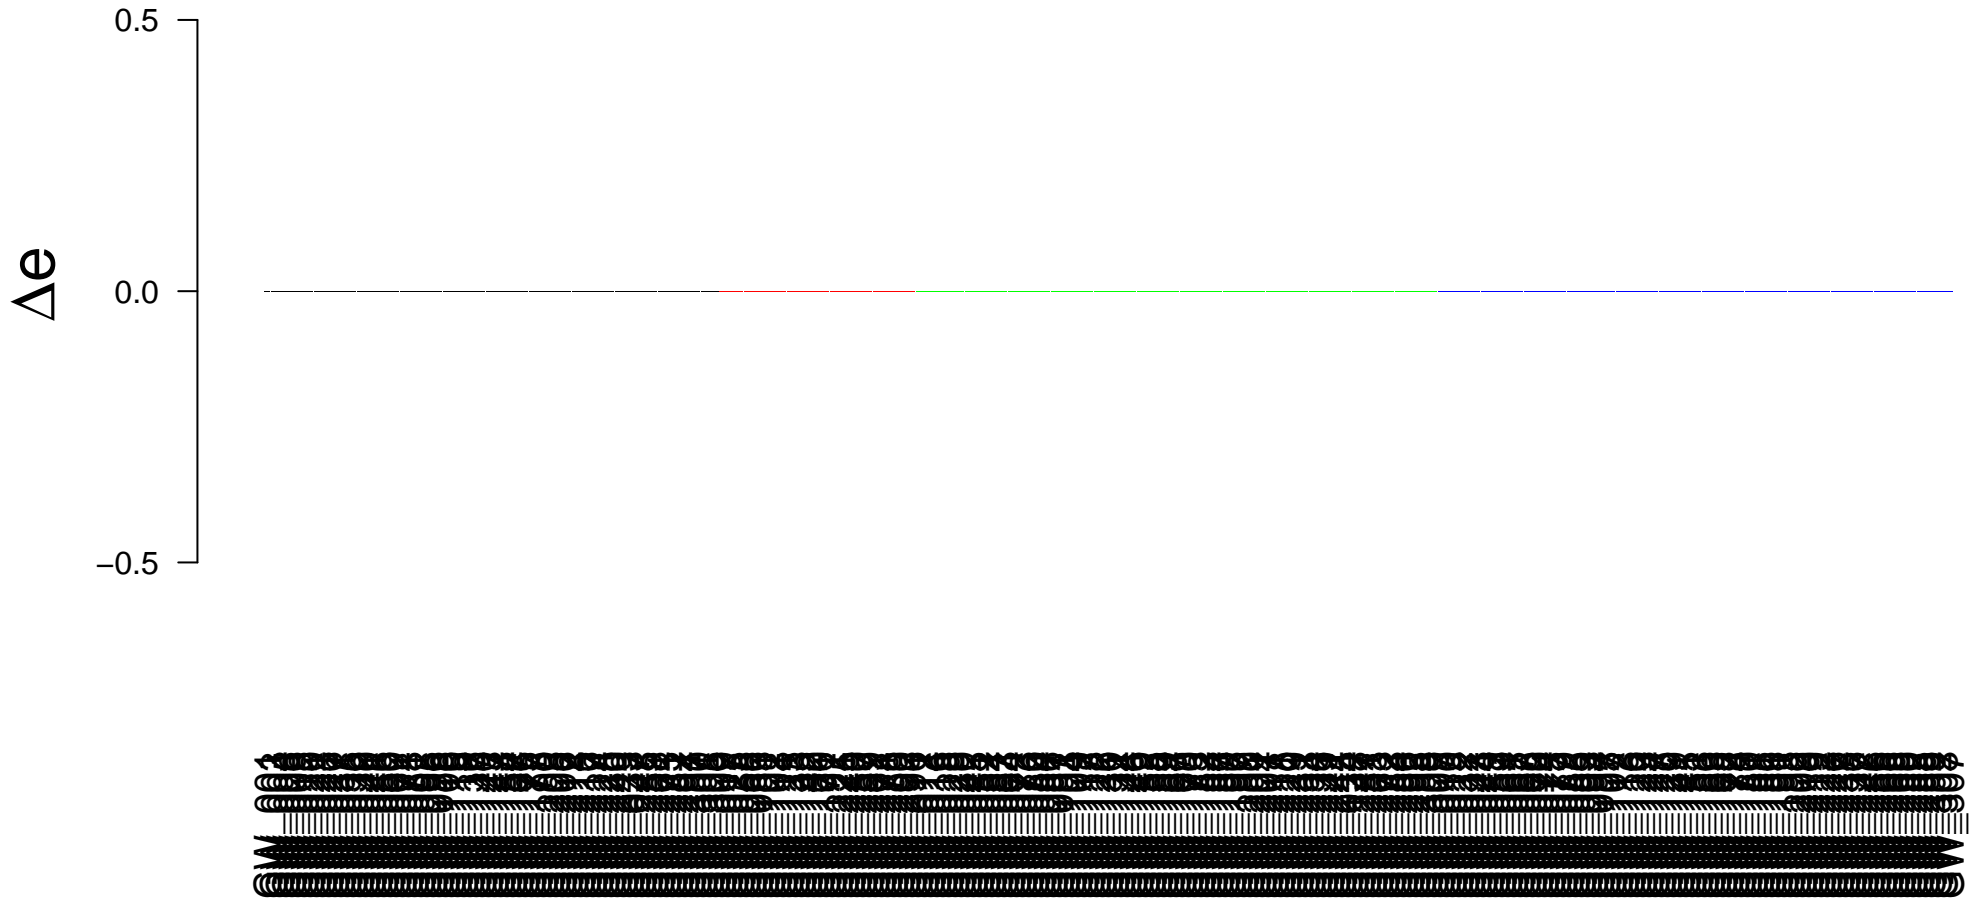

Expression of cellular process in Spot K

Δe

Expression of cellular process in Spot L

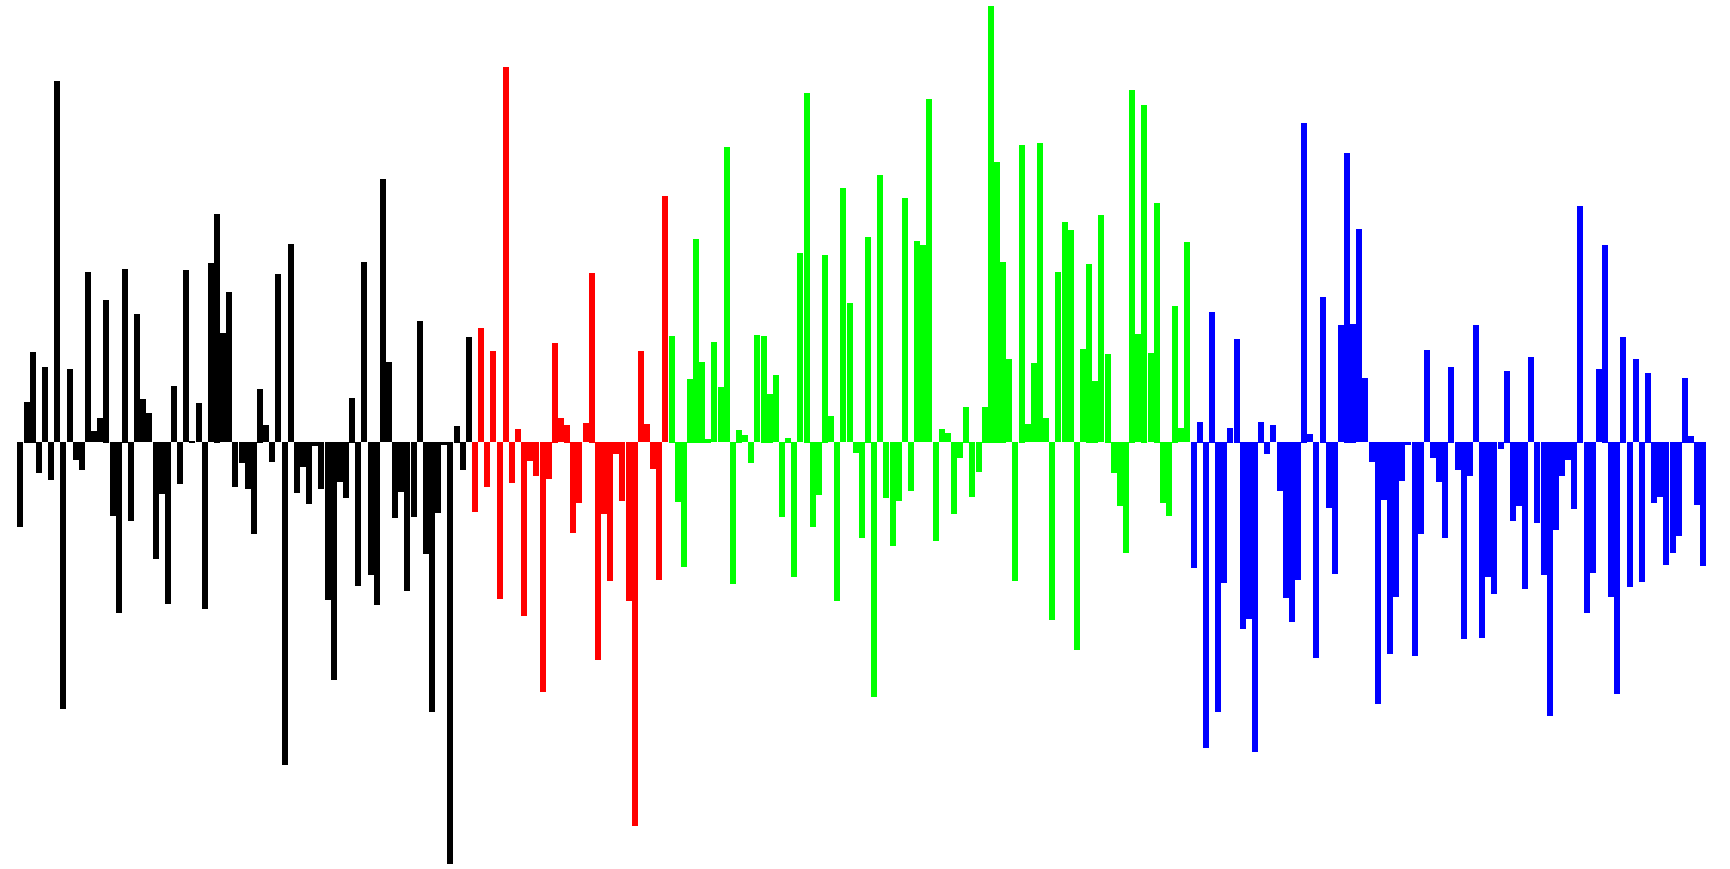

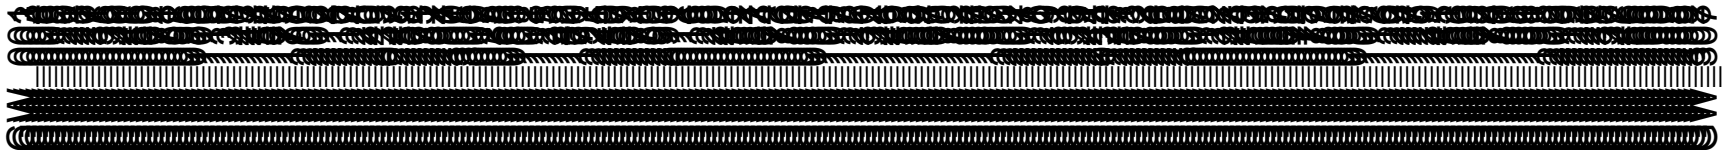

Expression of cellular process in Spot M

-0.5

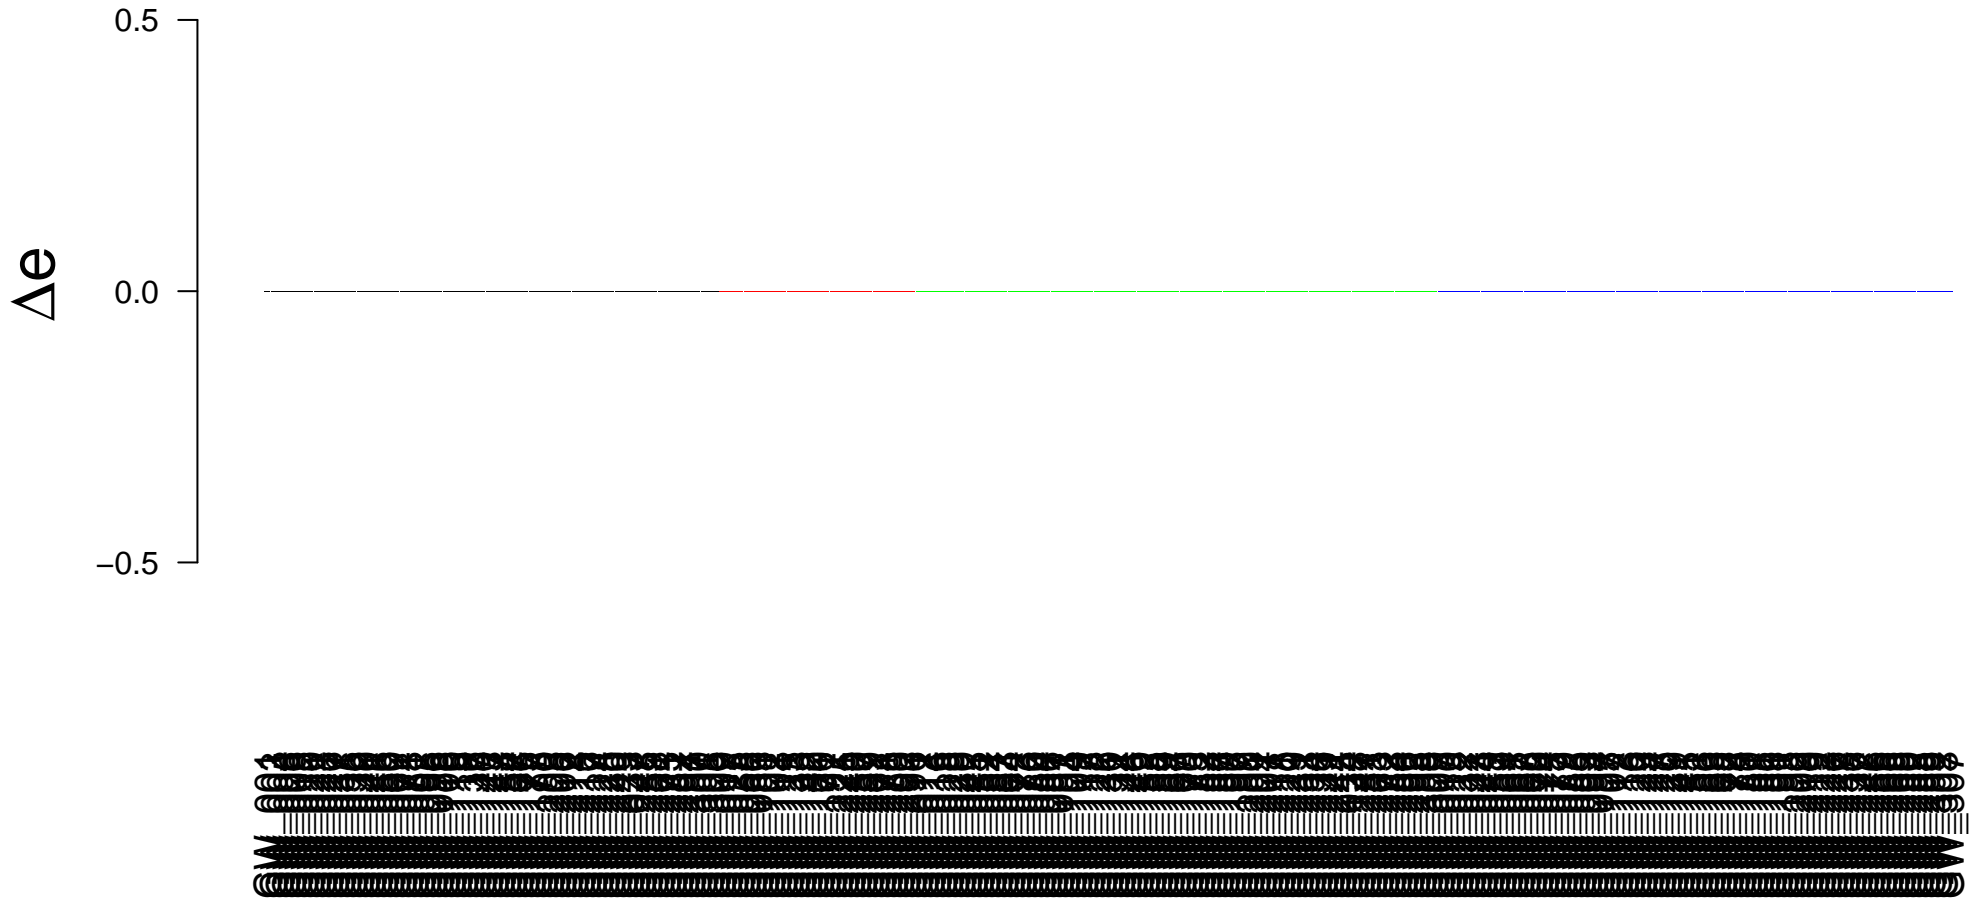

Expression of cellular process in Spot N

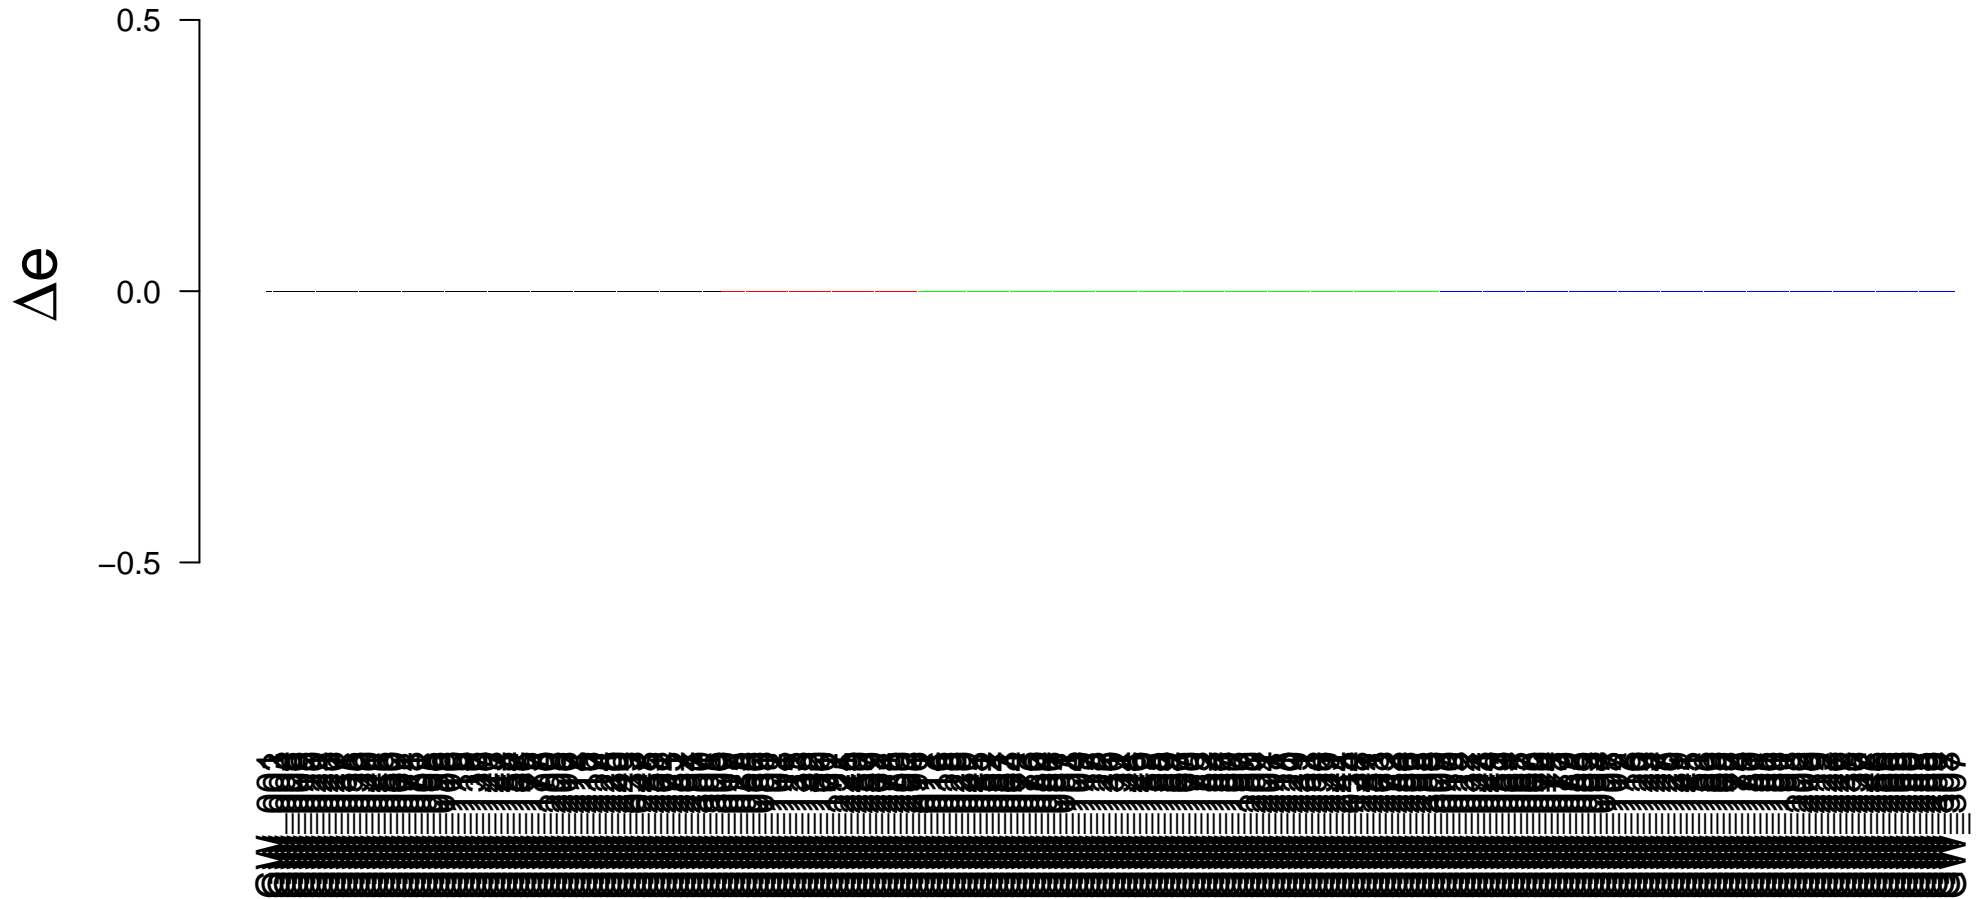

Expression of cellular process in Spot O

Expression of cellular process in Spot P

Expression of cellular process in Spot Q

Expression of cellular process in Spot R
