

# cellular protein localization

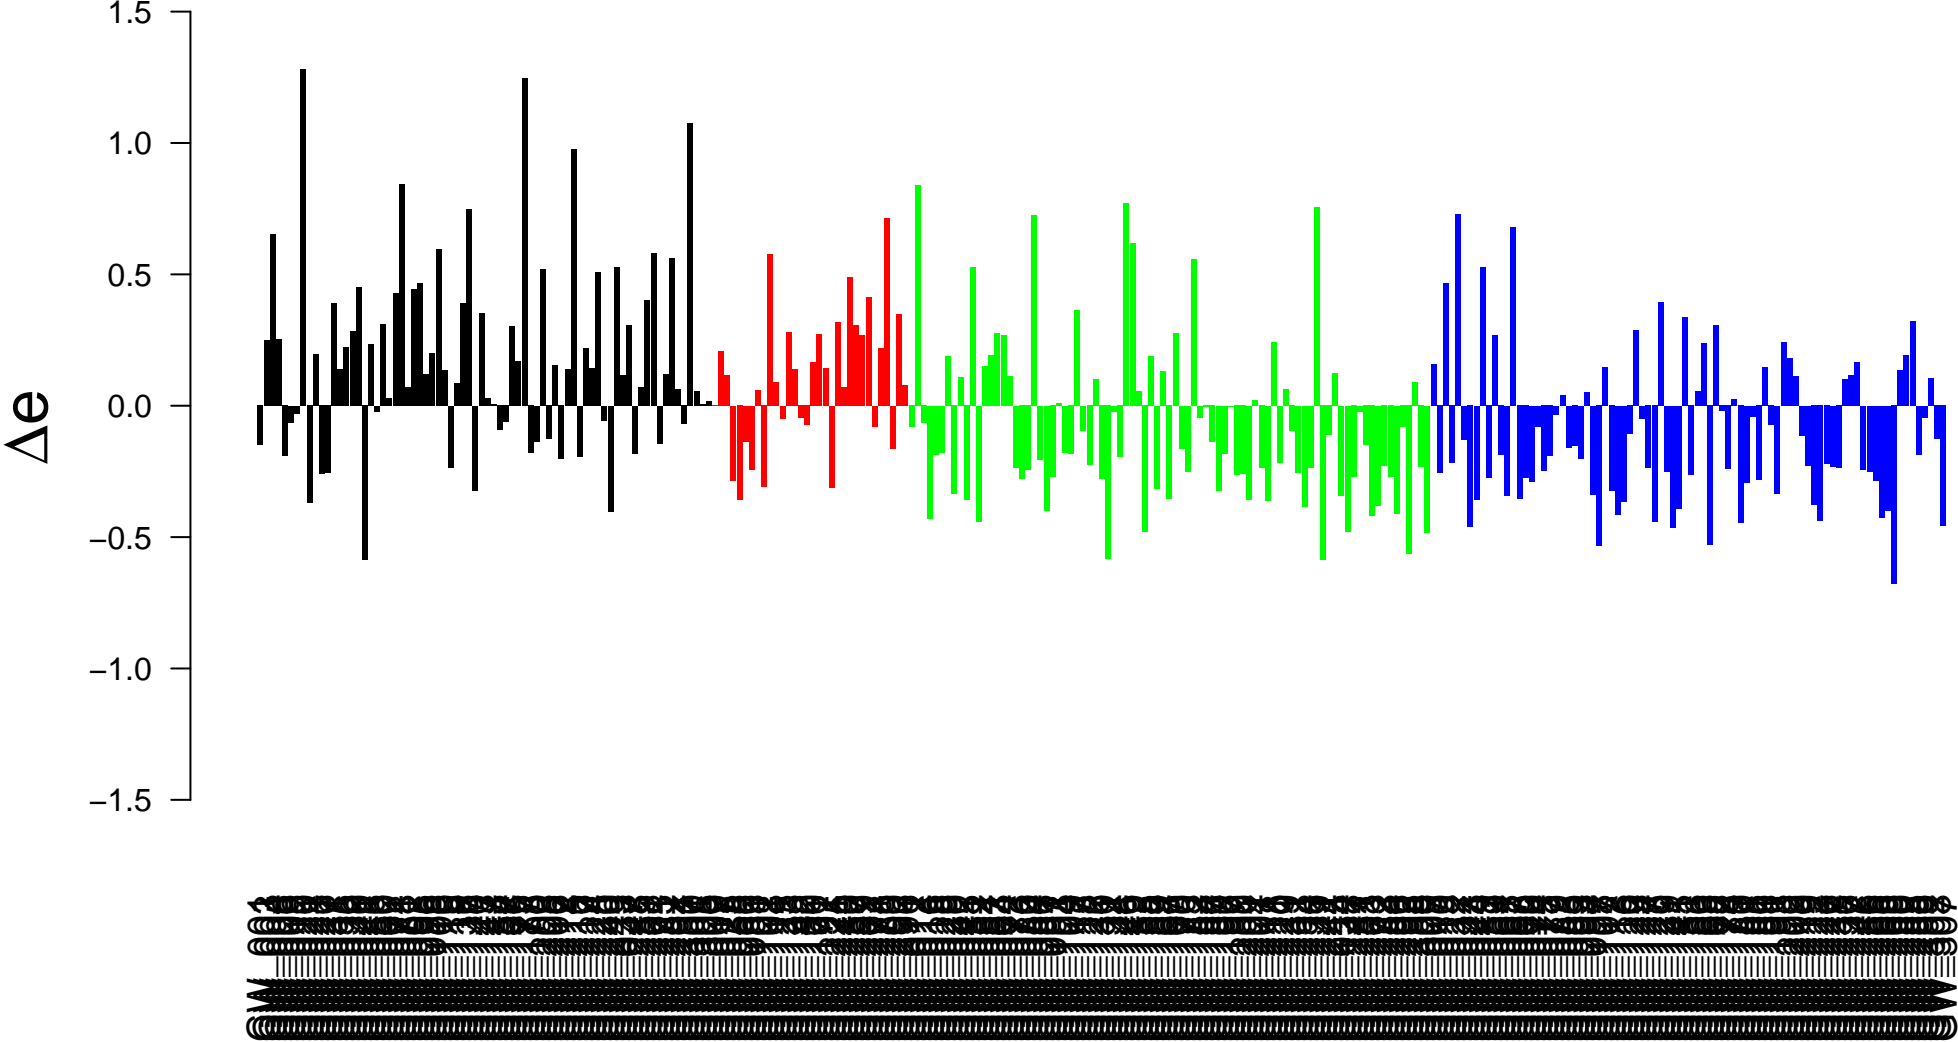

# cellular protein localization

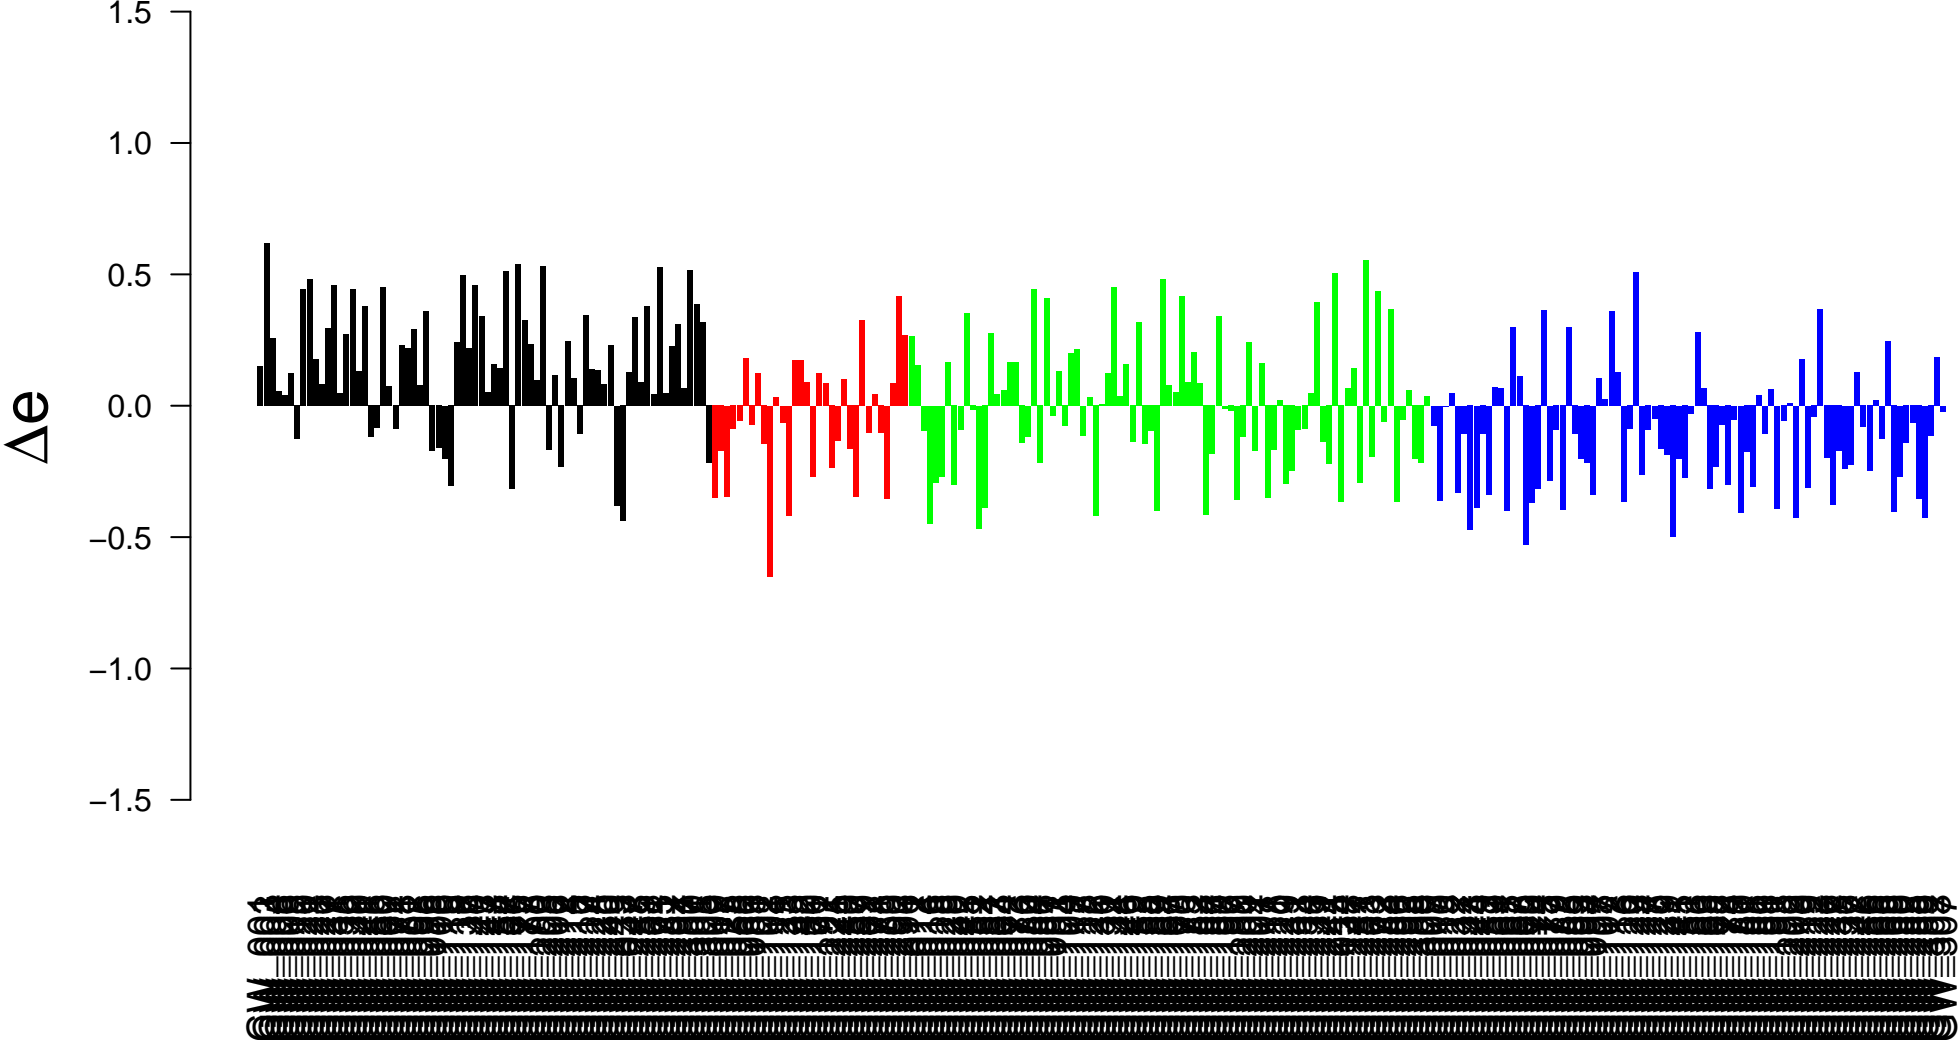

### Enrichment in spots: cellular protein localization

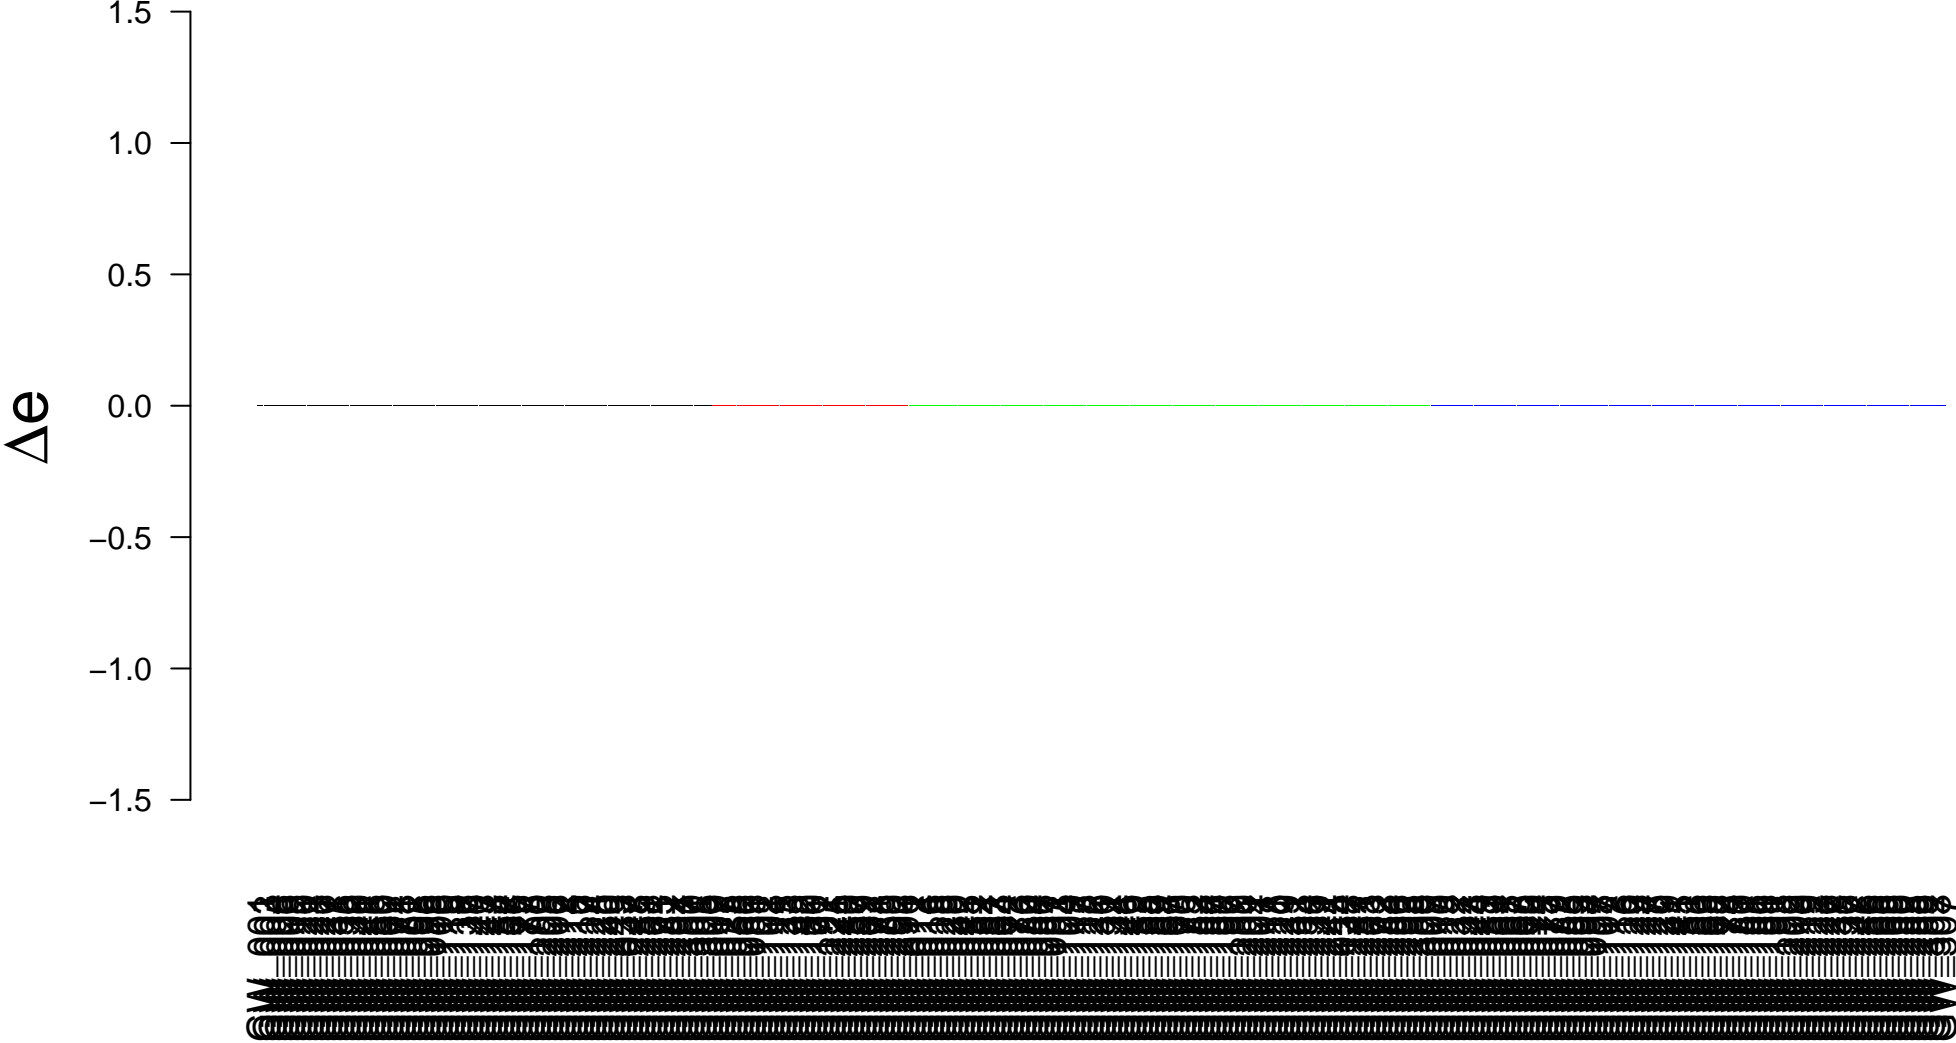

# Expression of cellular protein localization in Spot A

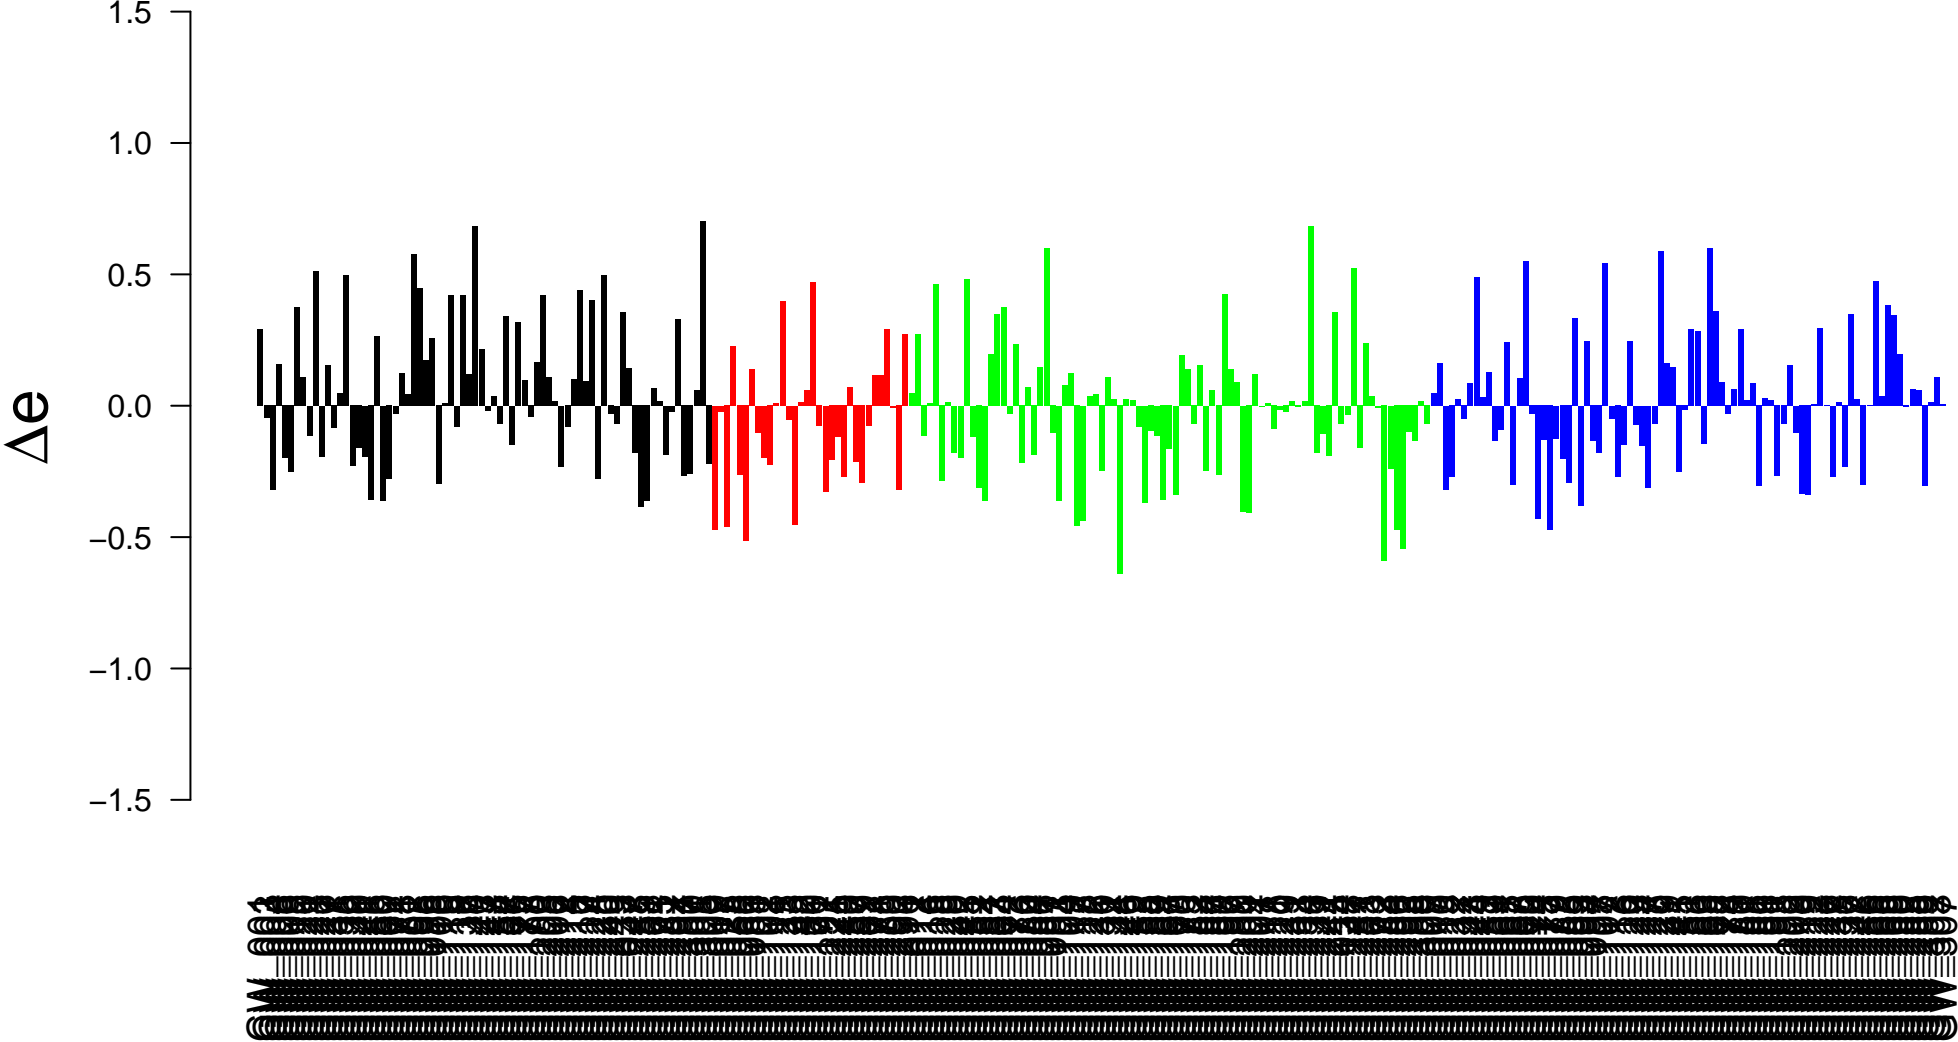

# Expression of cellular protein localization in Spot B

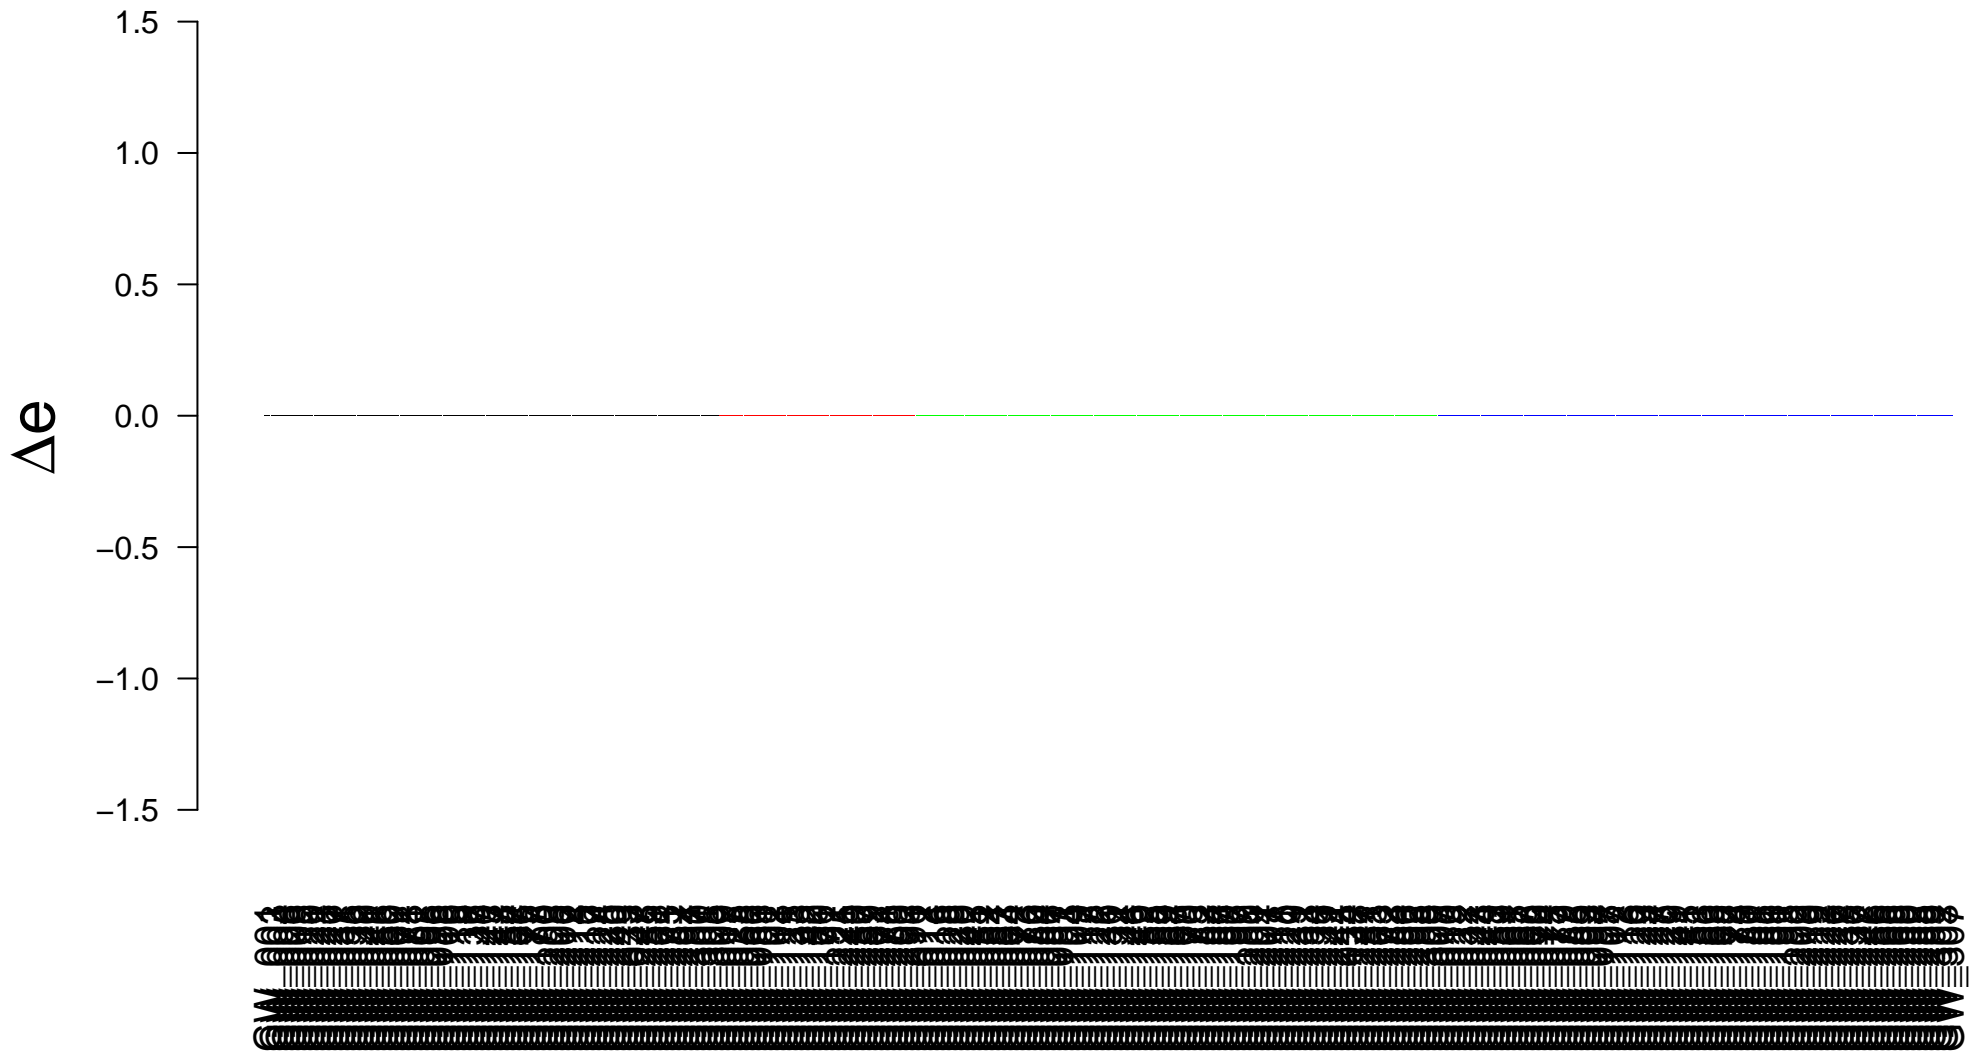

Expression of cellular protein localization in Spot C

Expression of cellular protein localization in Spot D

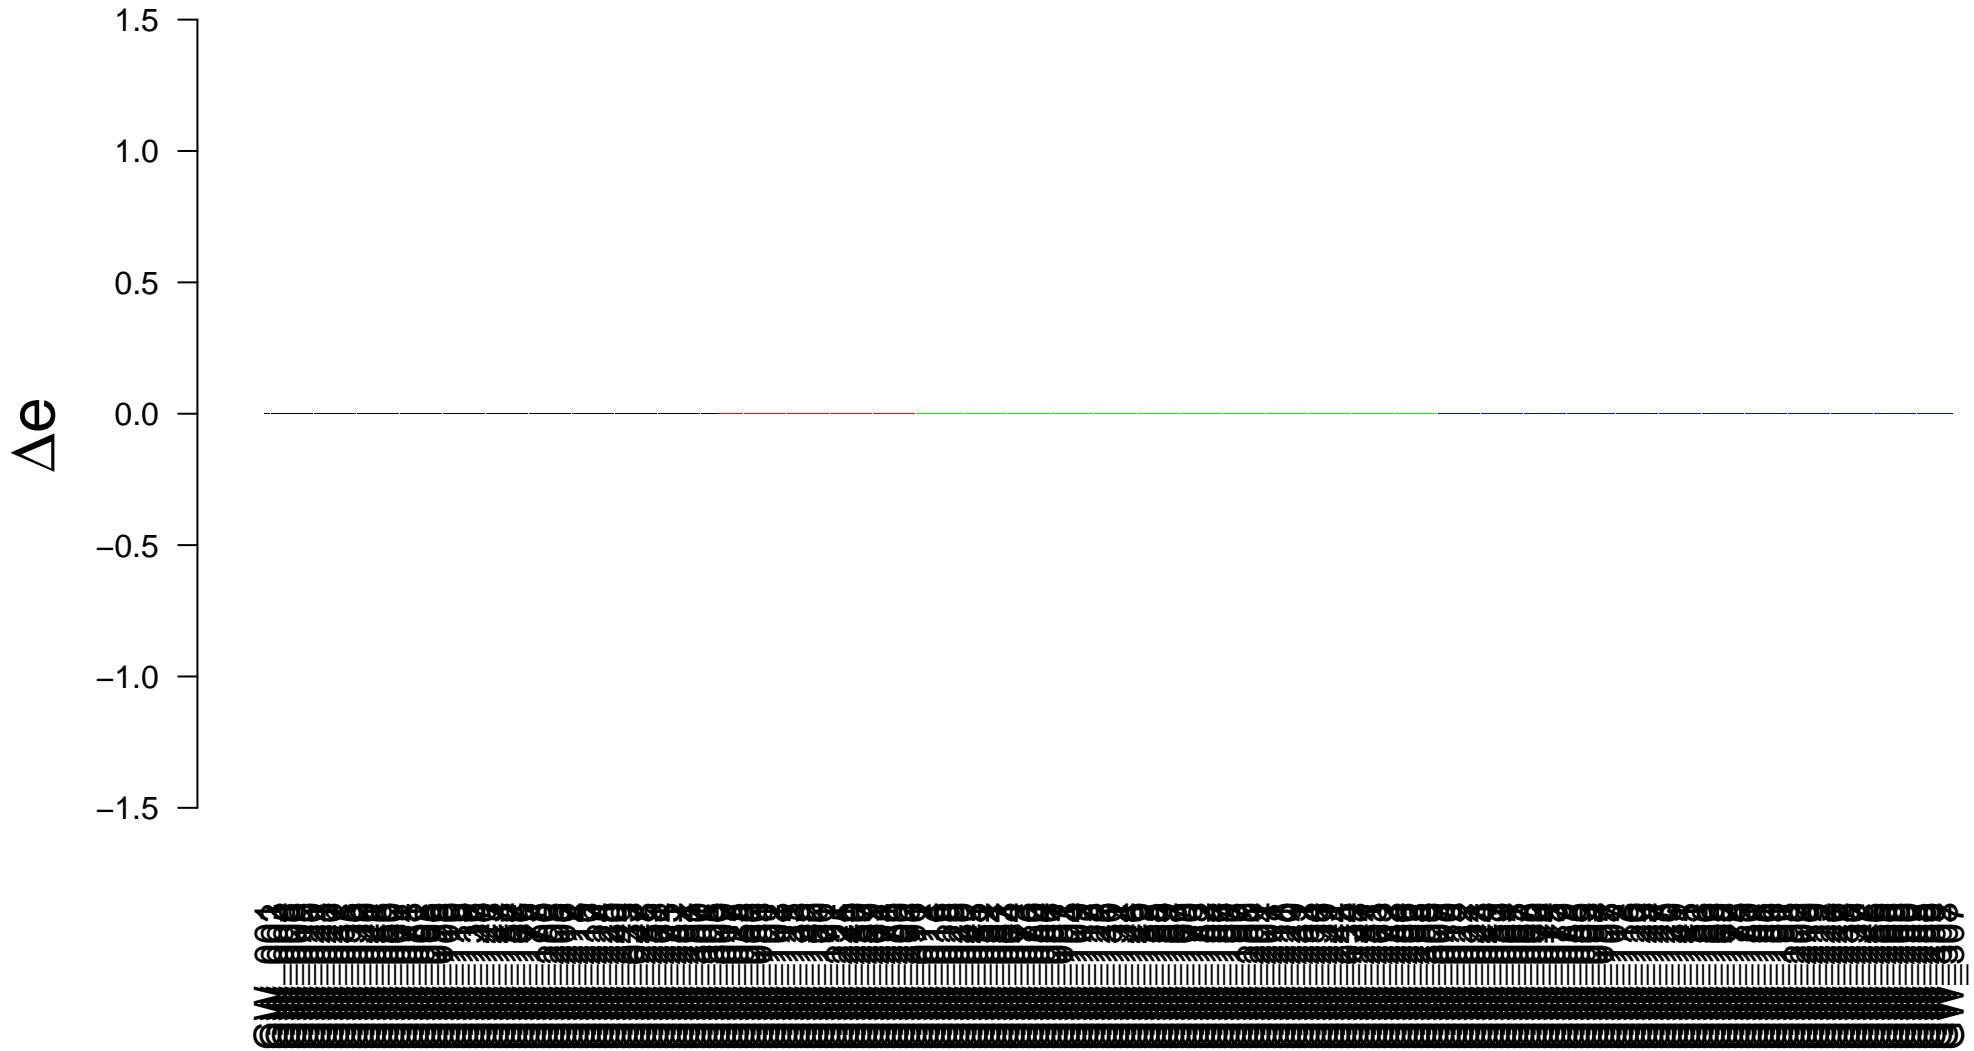

# Expression of cellular protein localization in Spot E

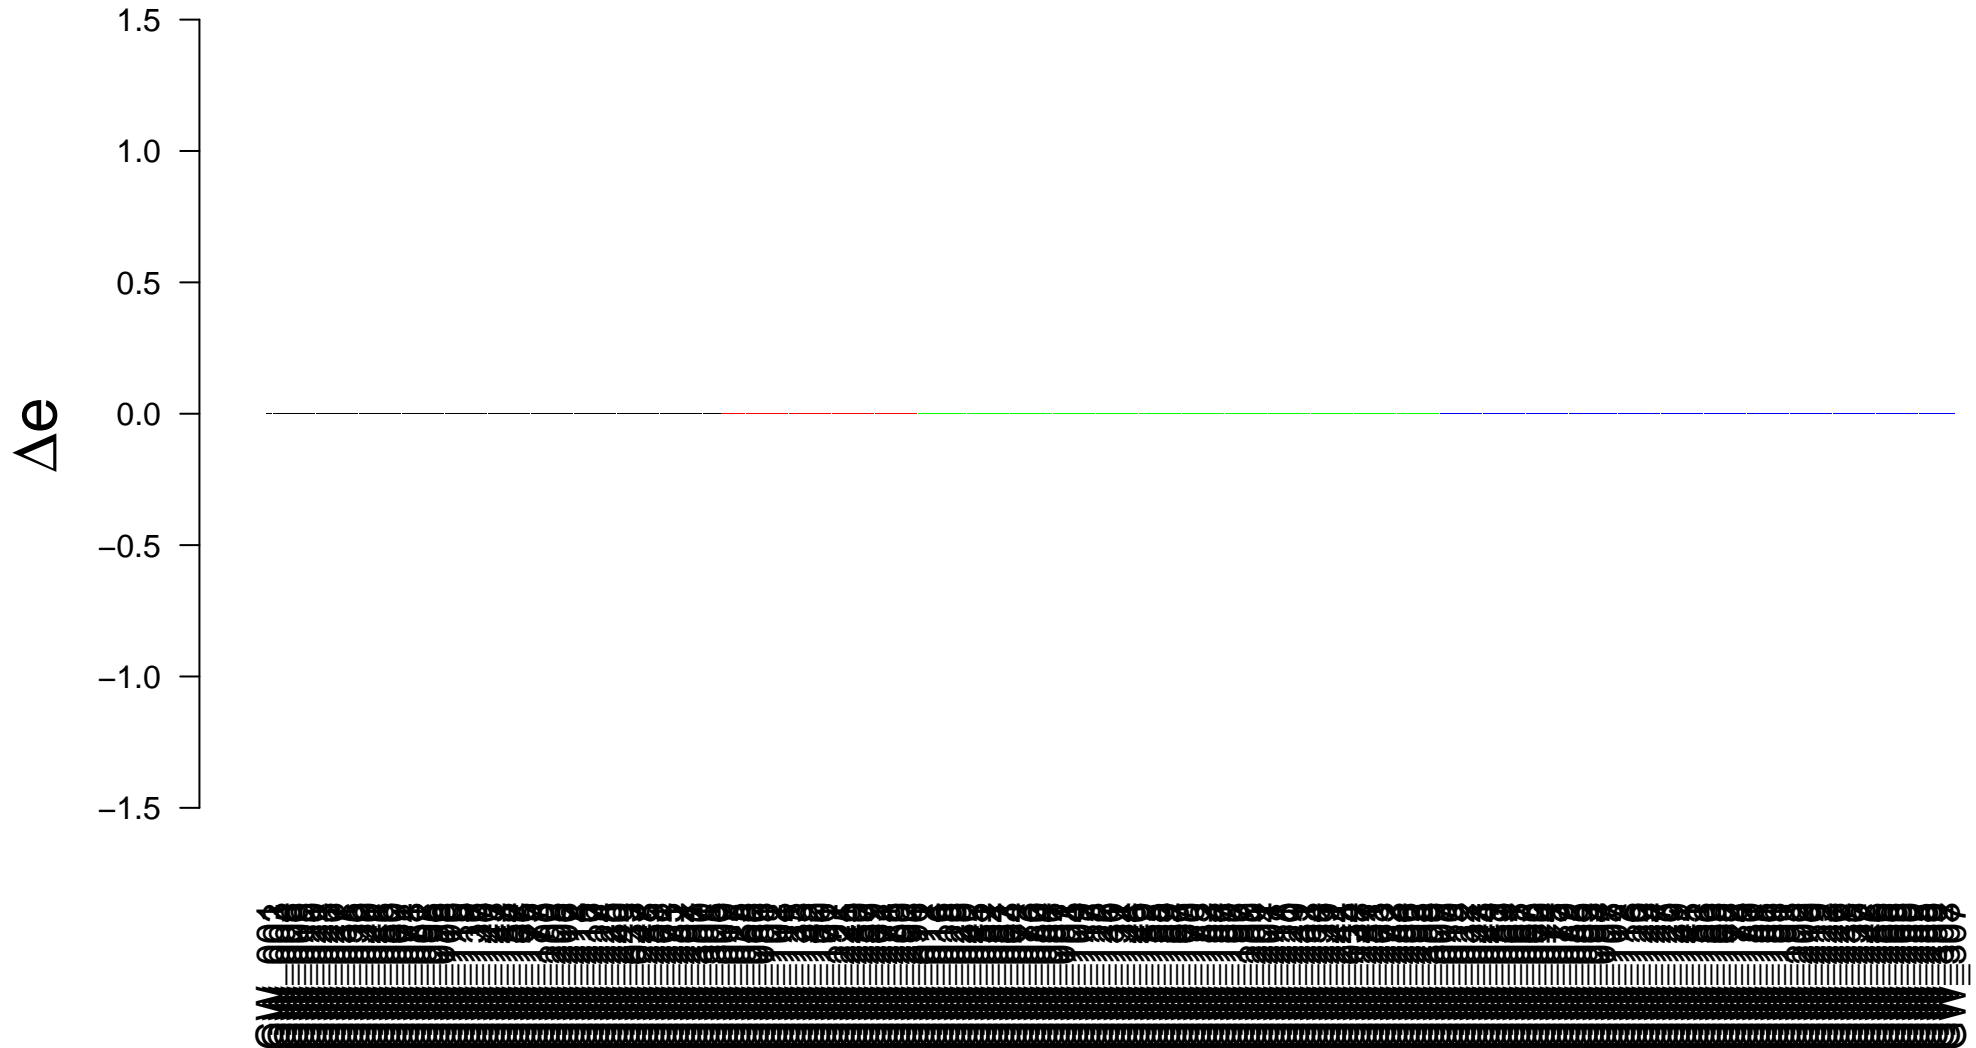

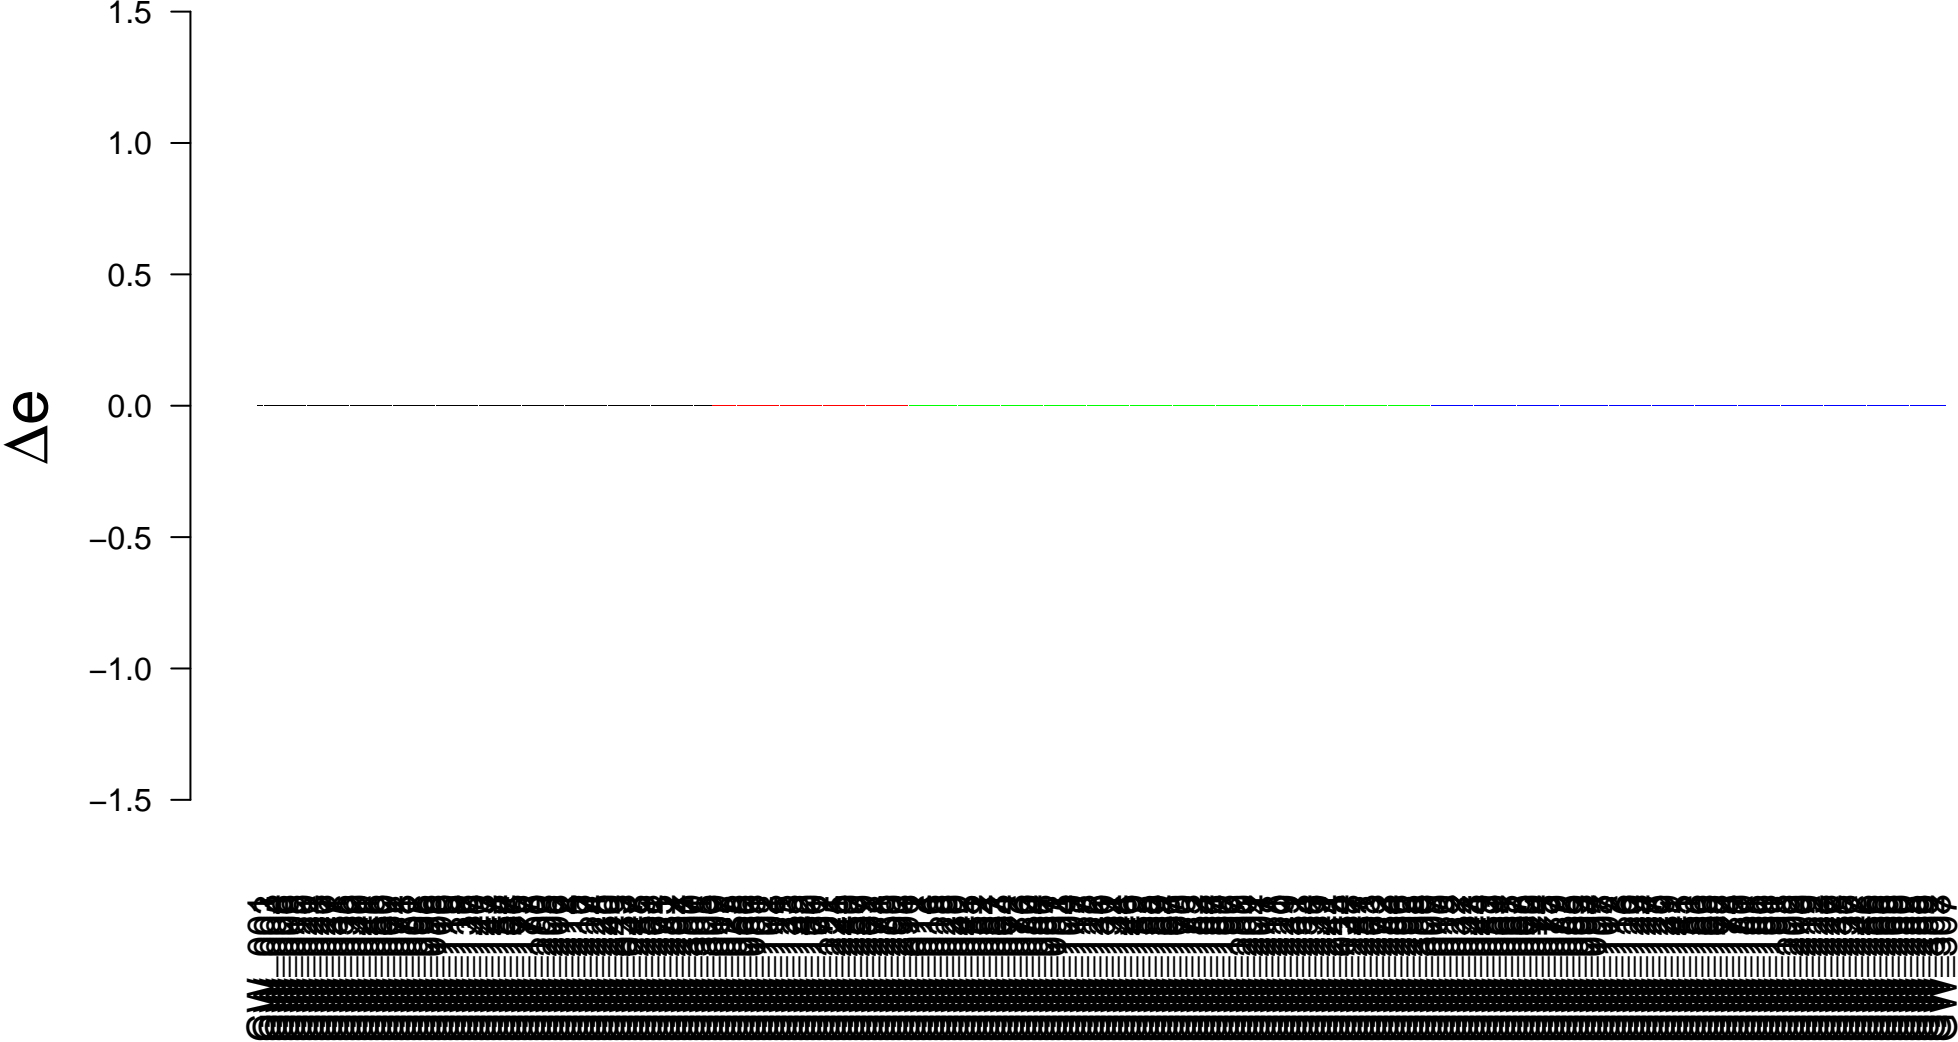

# Expression of cellular protein localization in Spot F

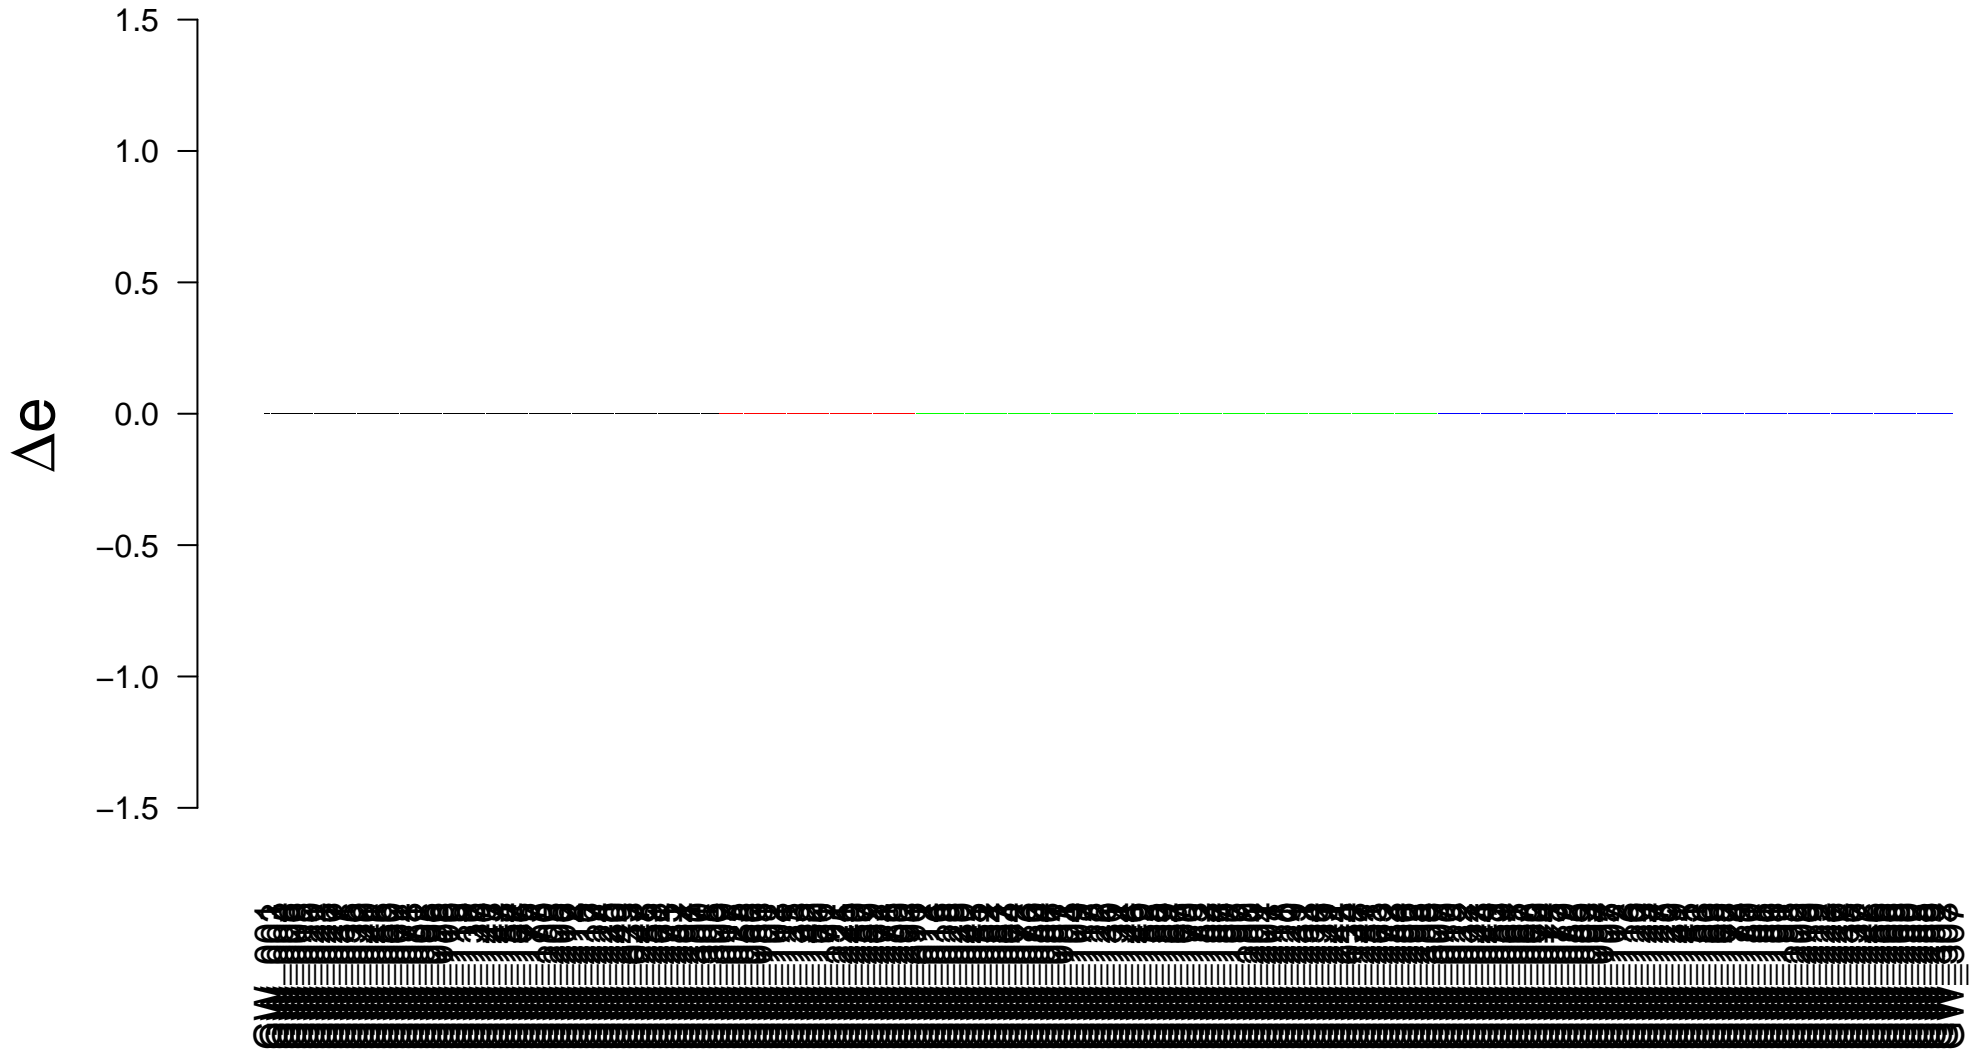

# Expression of cellular protein localization in Spot G

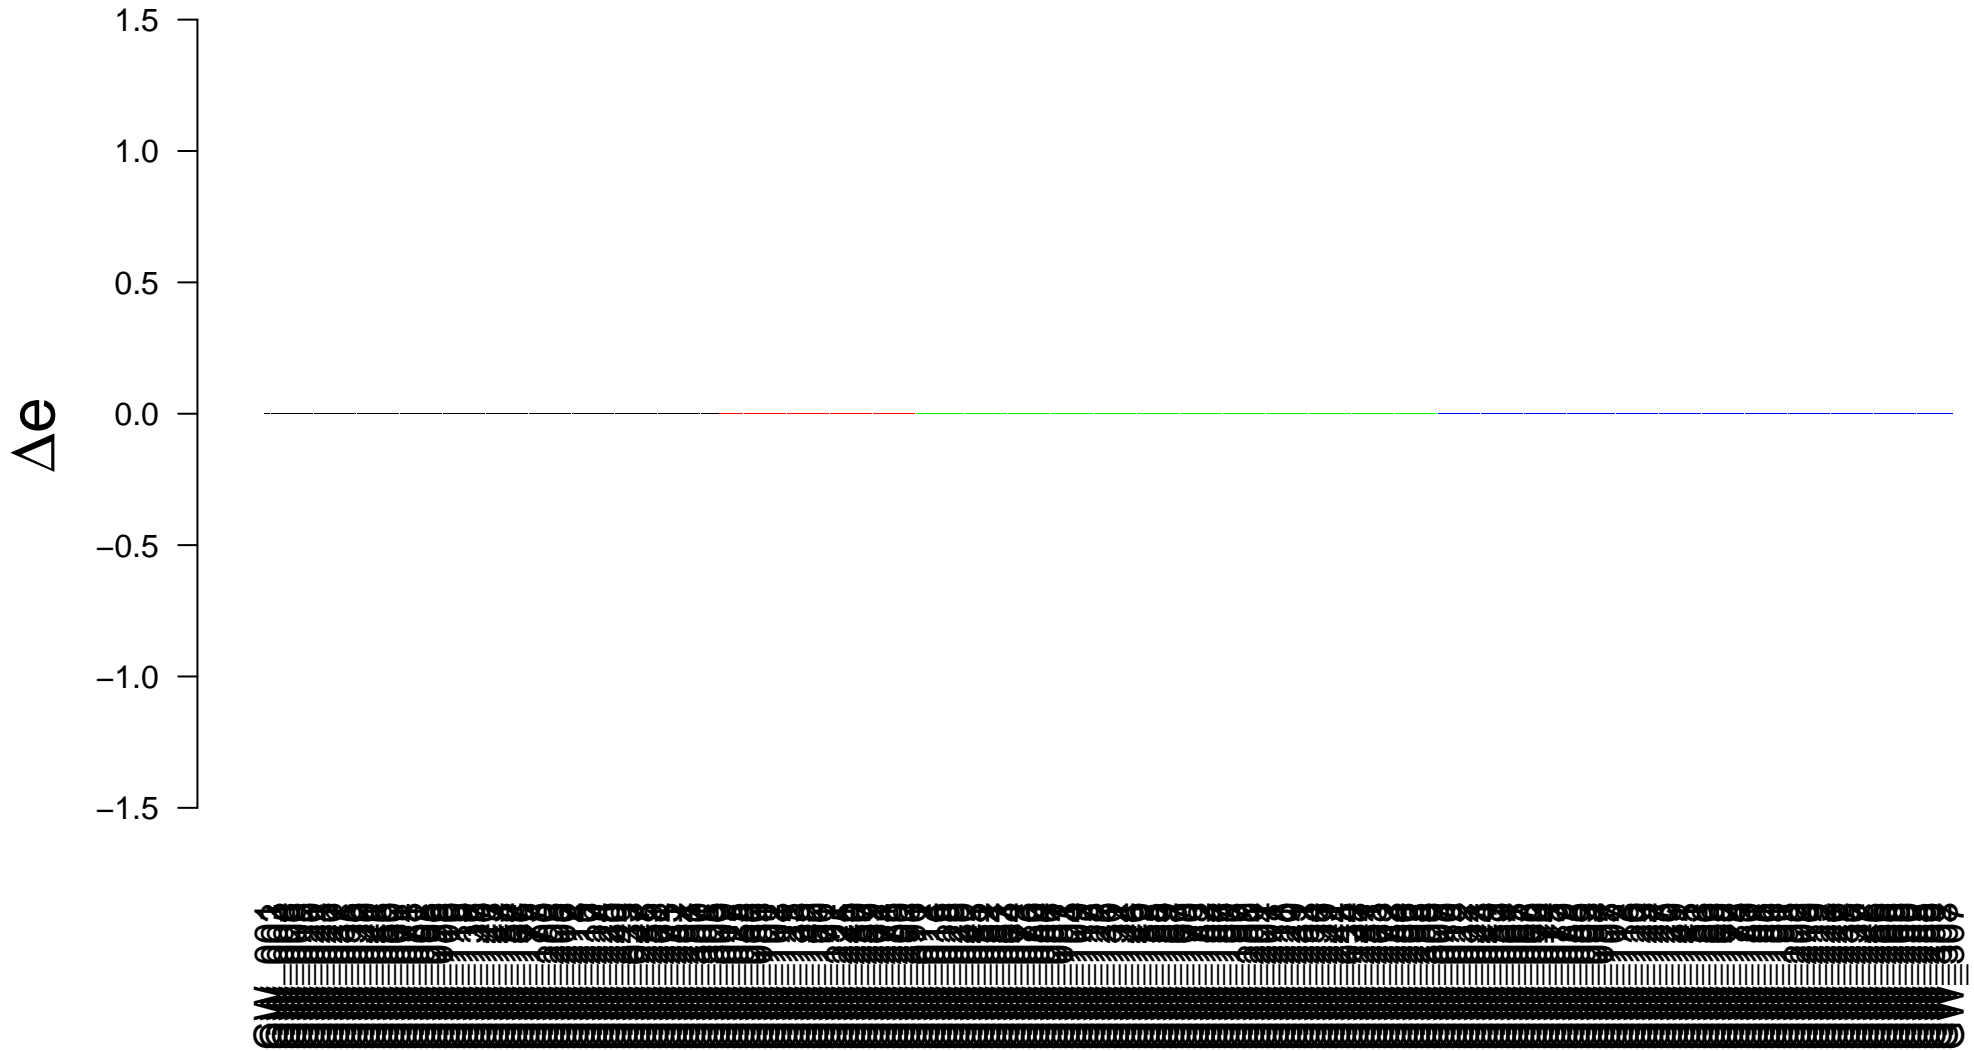

# Expression of cellular protein localization in Spot H

# Expression of cellular protein localization in Spot I

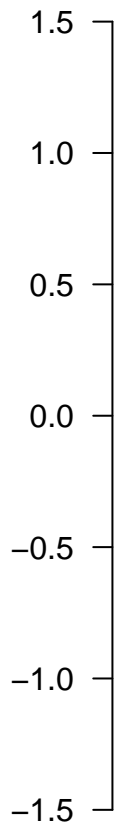

# Expression of cellular protein localization in Spot J

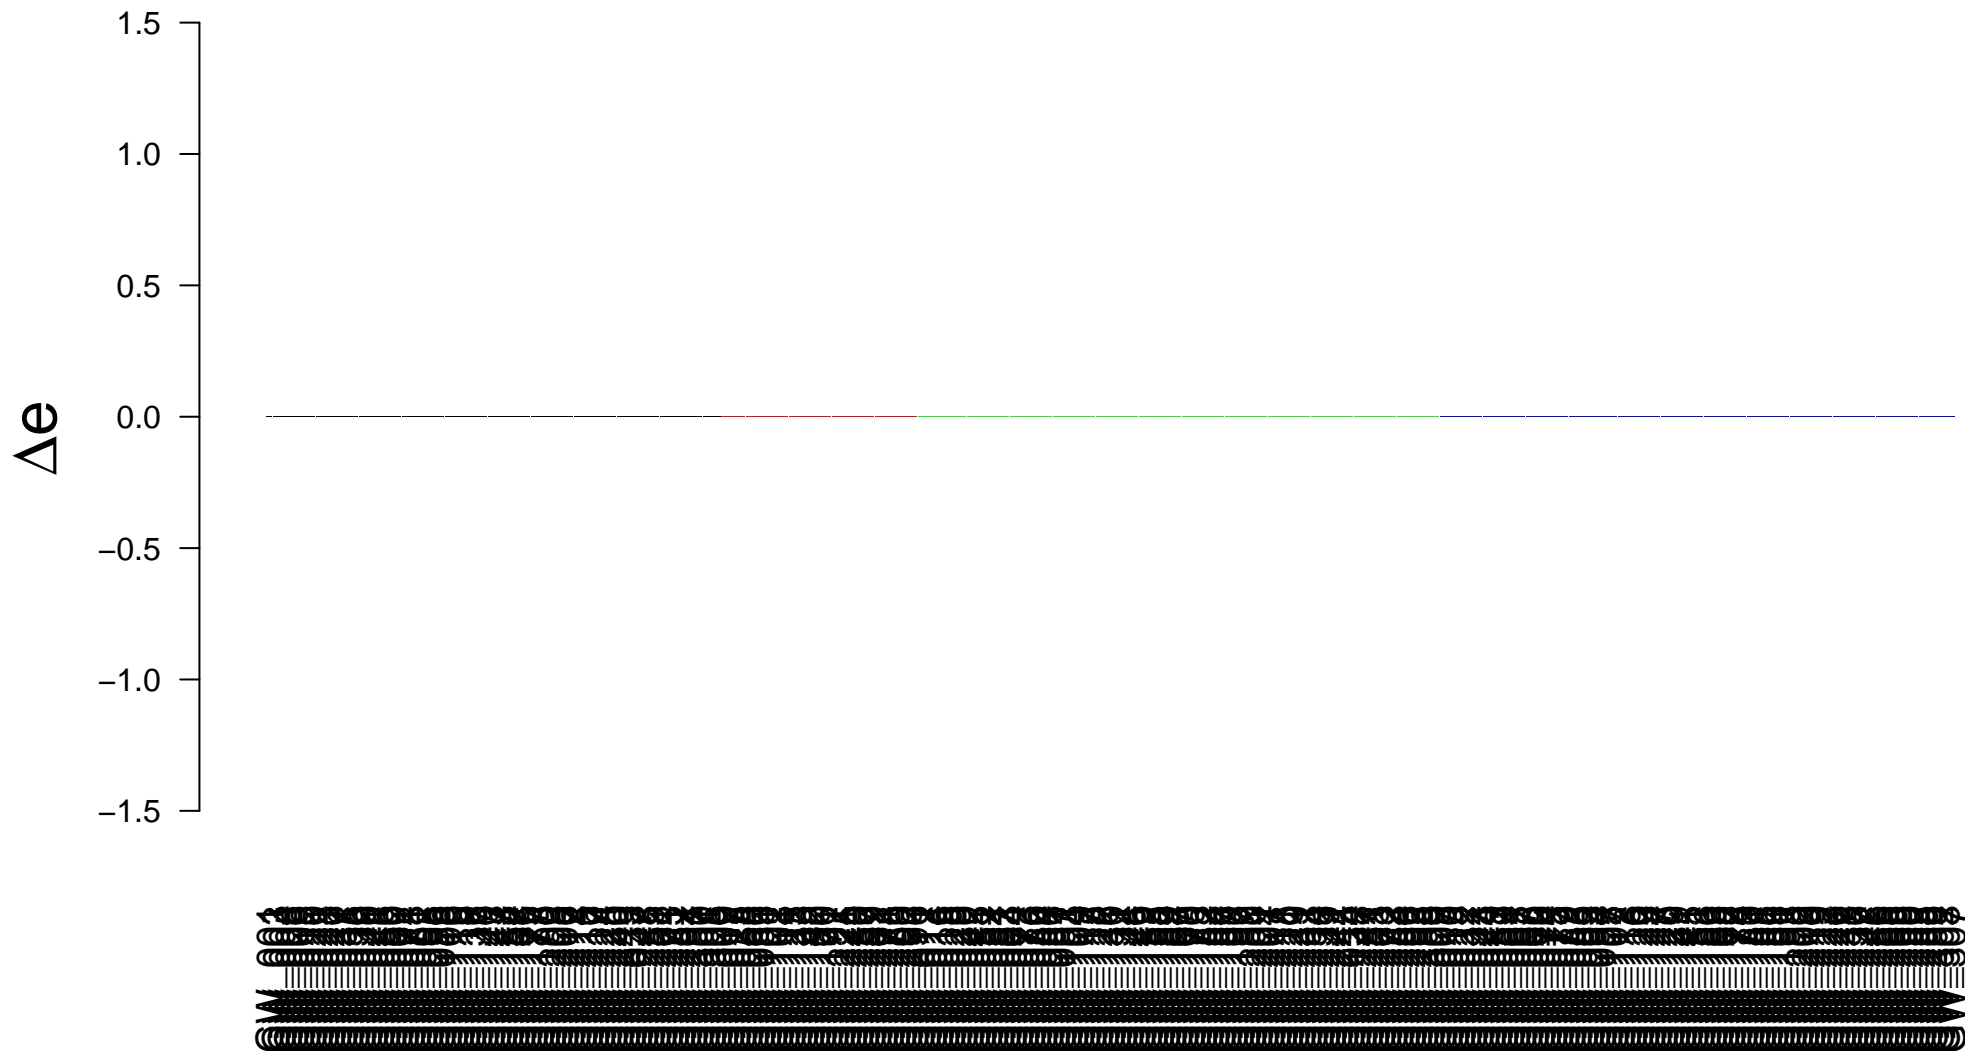

# Expression of cellular protein localization in Spot K

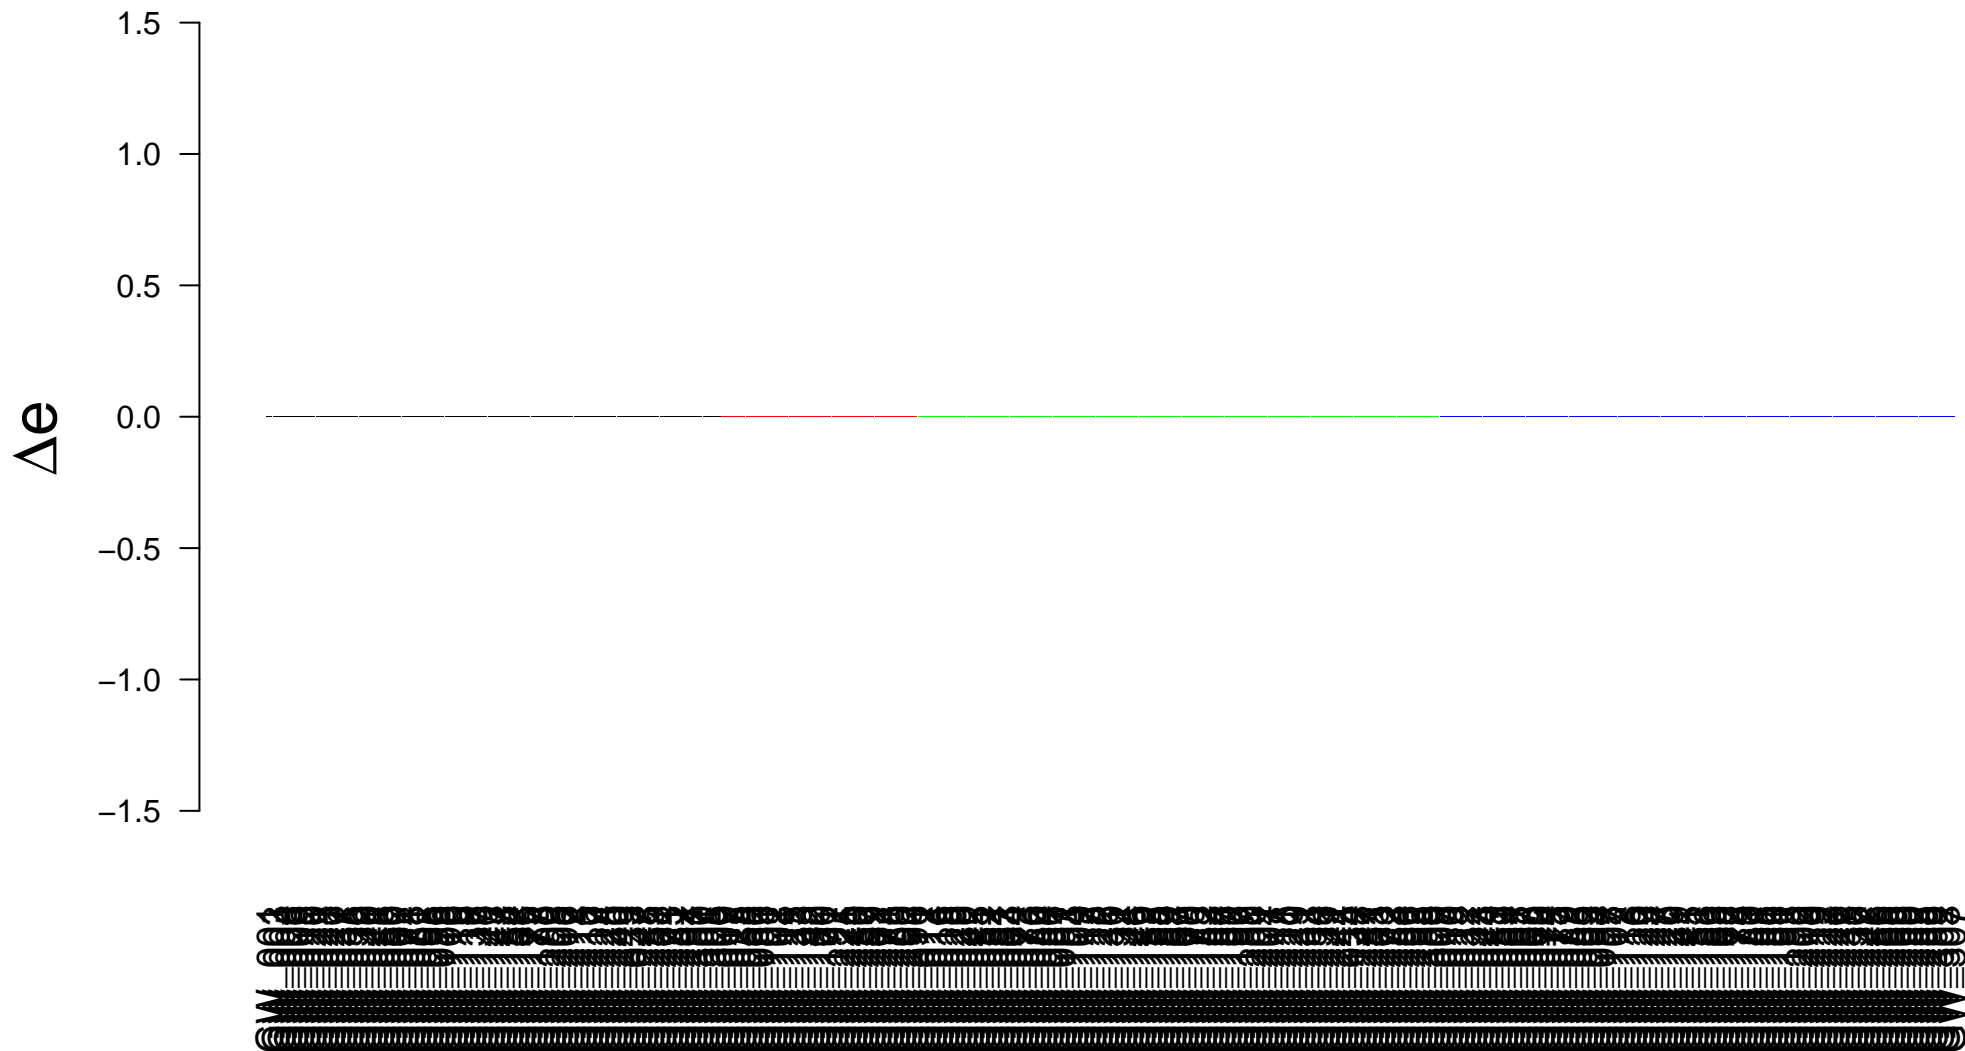

$\Delta e$

# Expression of cellular protein localization in Spot L

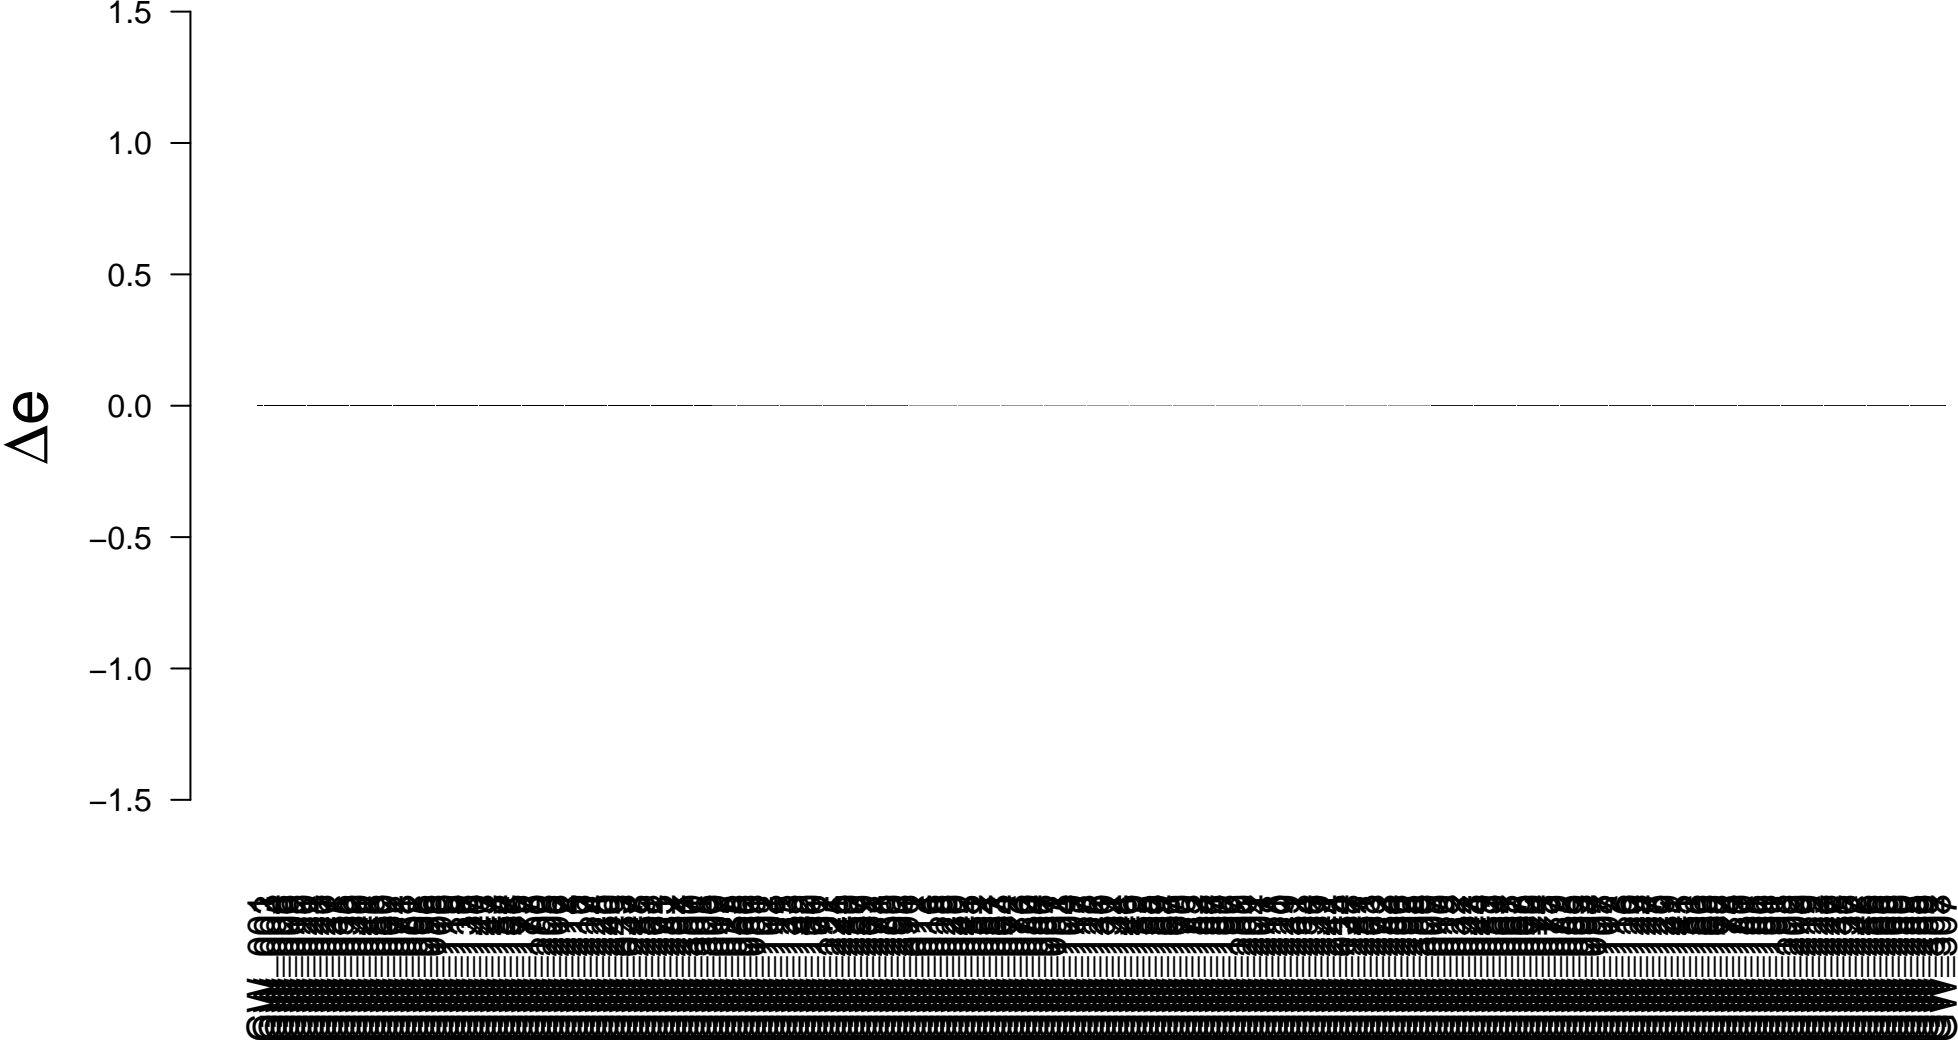

# Expression of cellular protein localization in Spot M

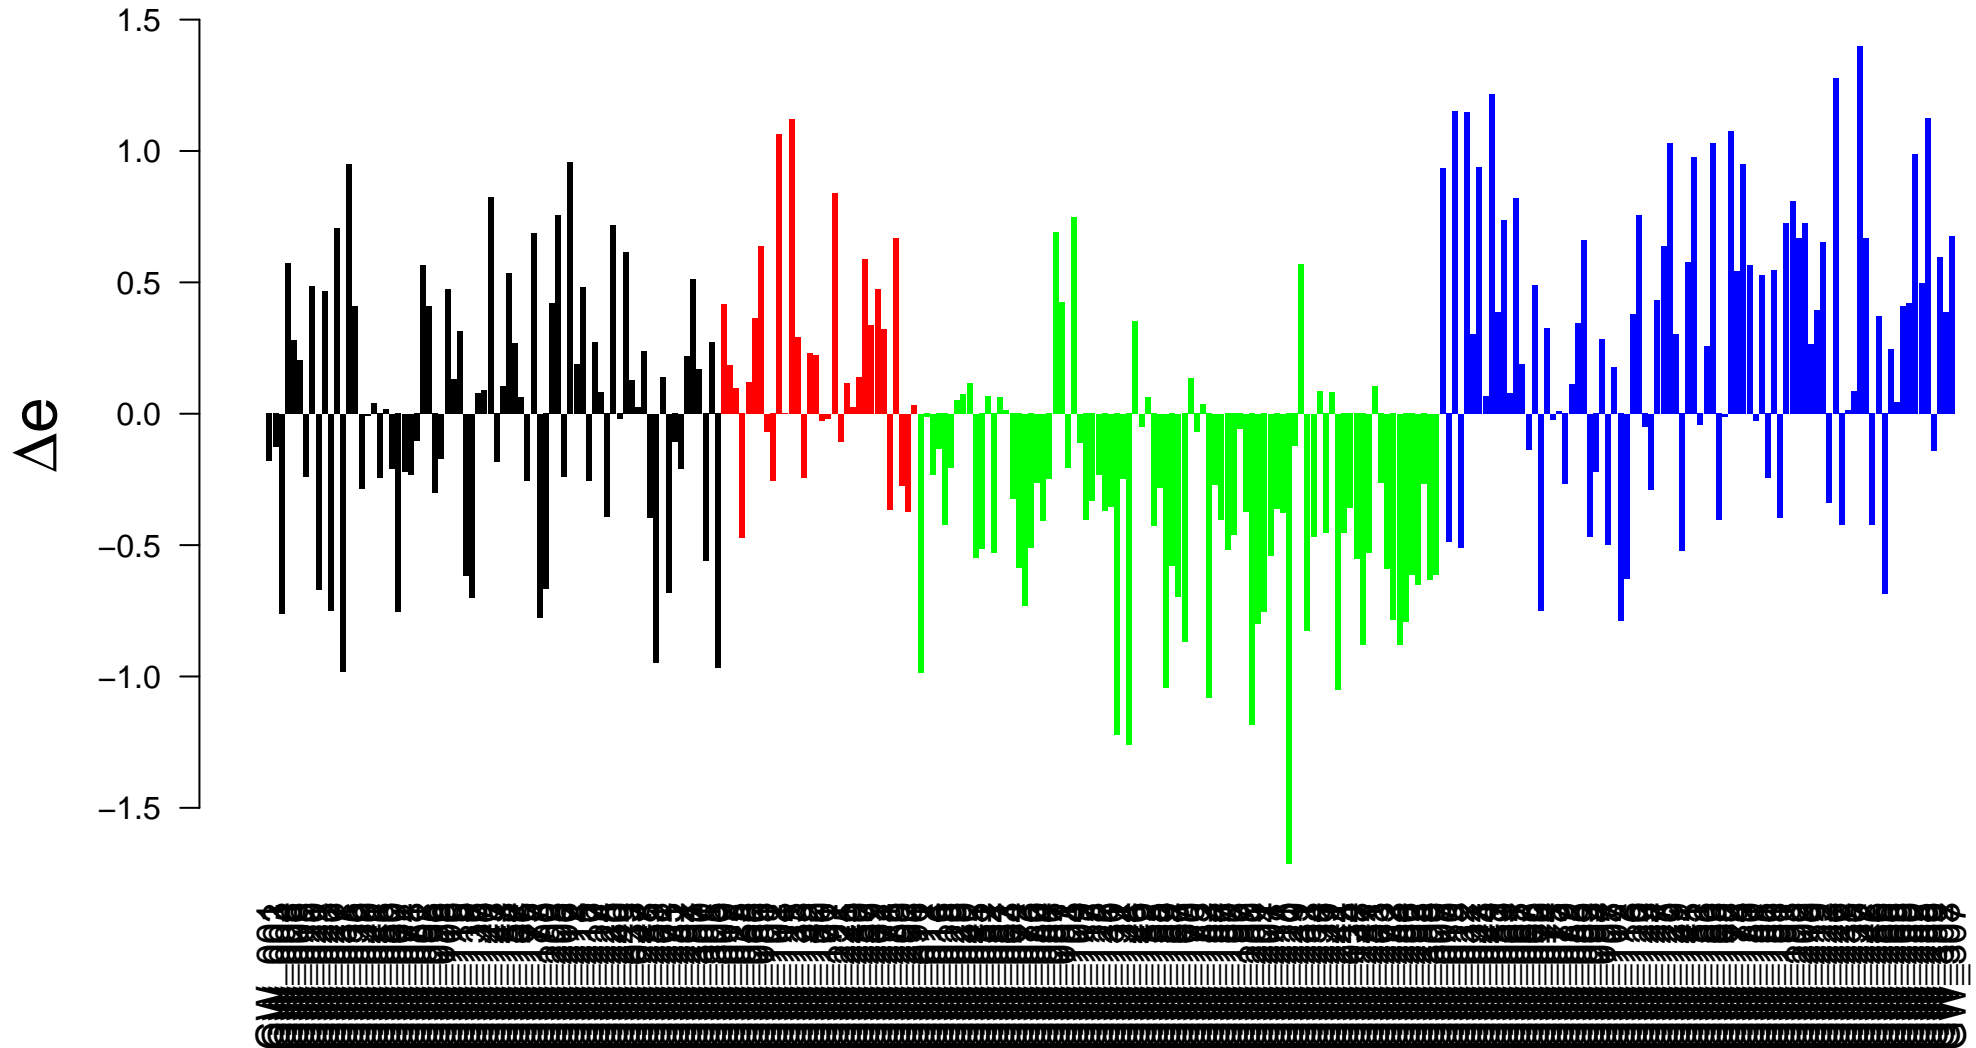

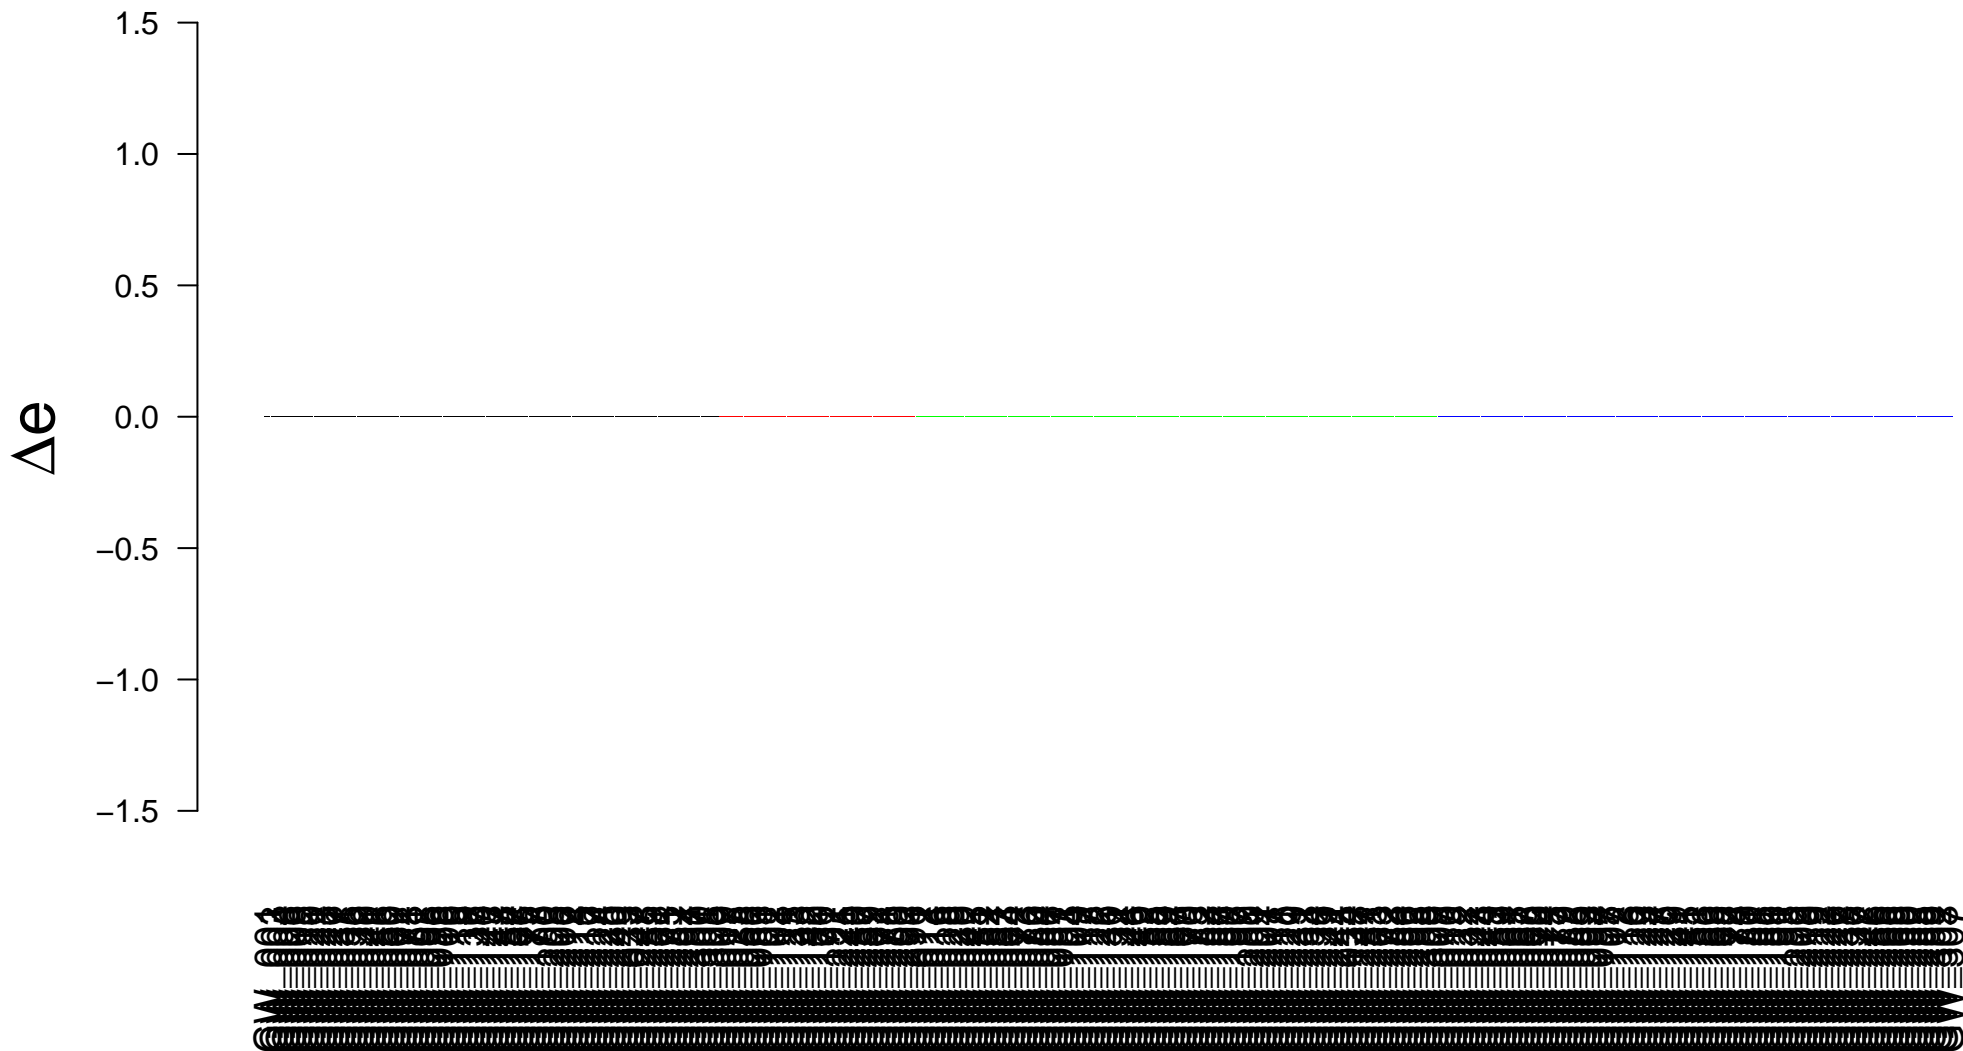

Expression of cellular protein localization in Spot N

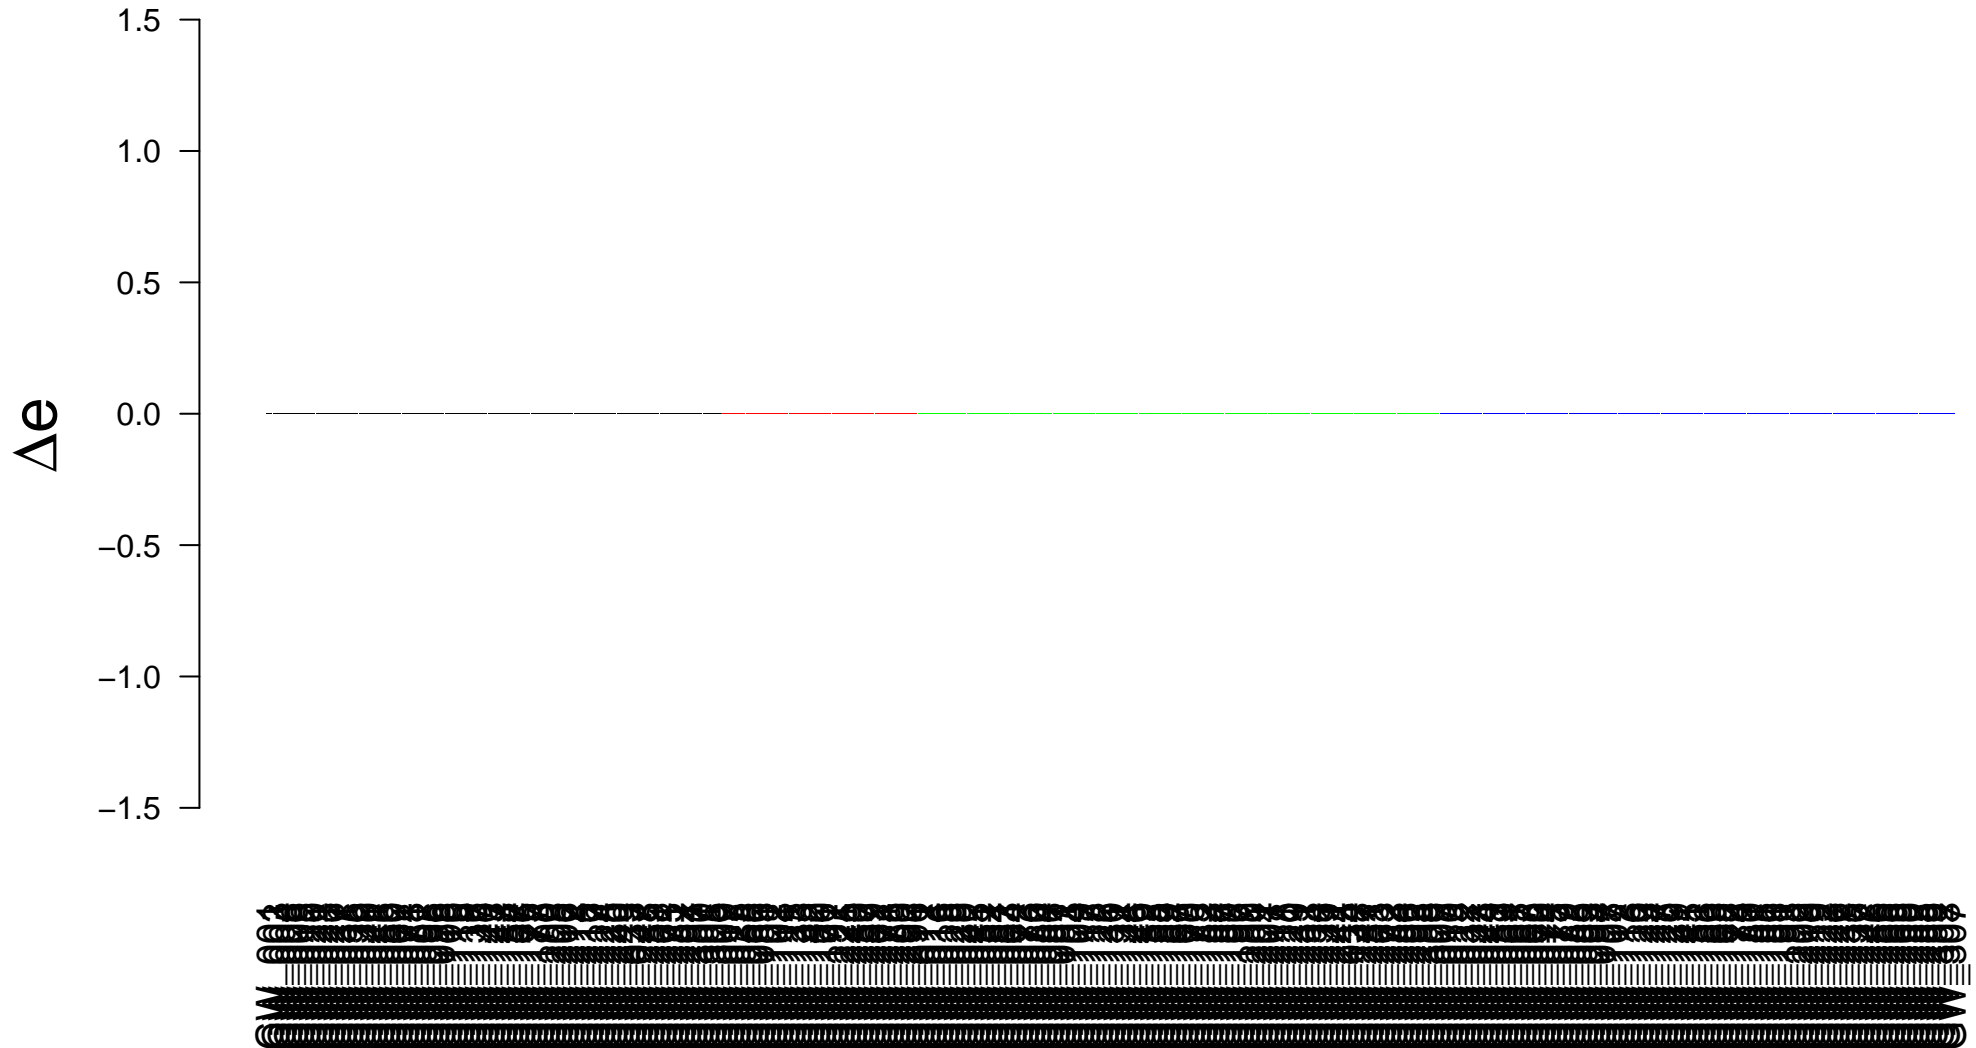

# Expression of cellular protein localization in Spot O

# Expression of cellular protein localization in Spot P

# Expression of cellular protein localization in Spot Q

# Expression of cellular protein localization in Spot R
