

cellular respiration

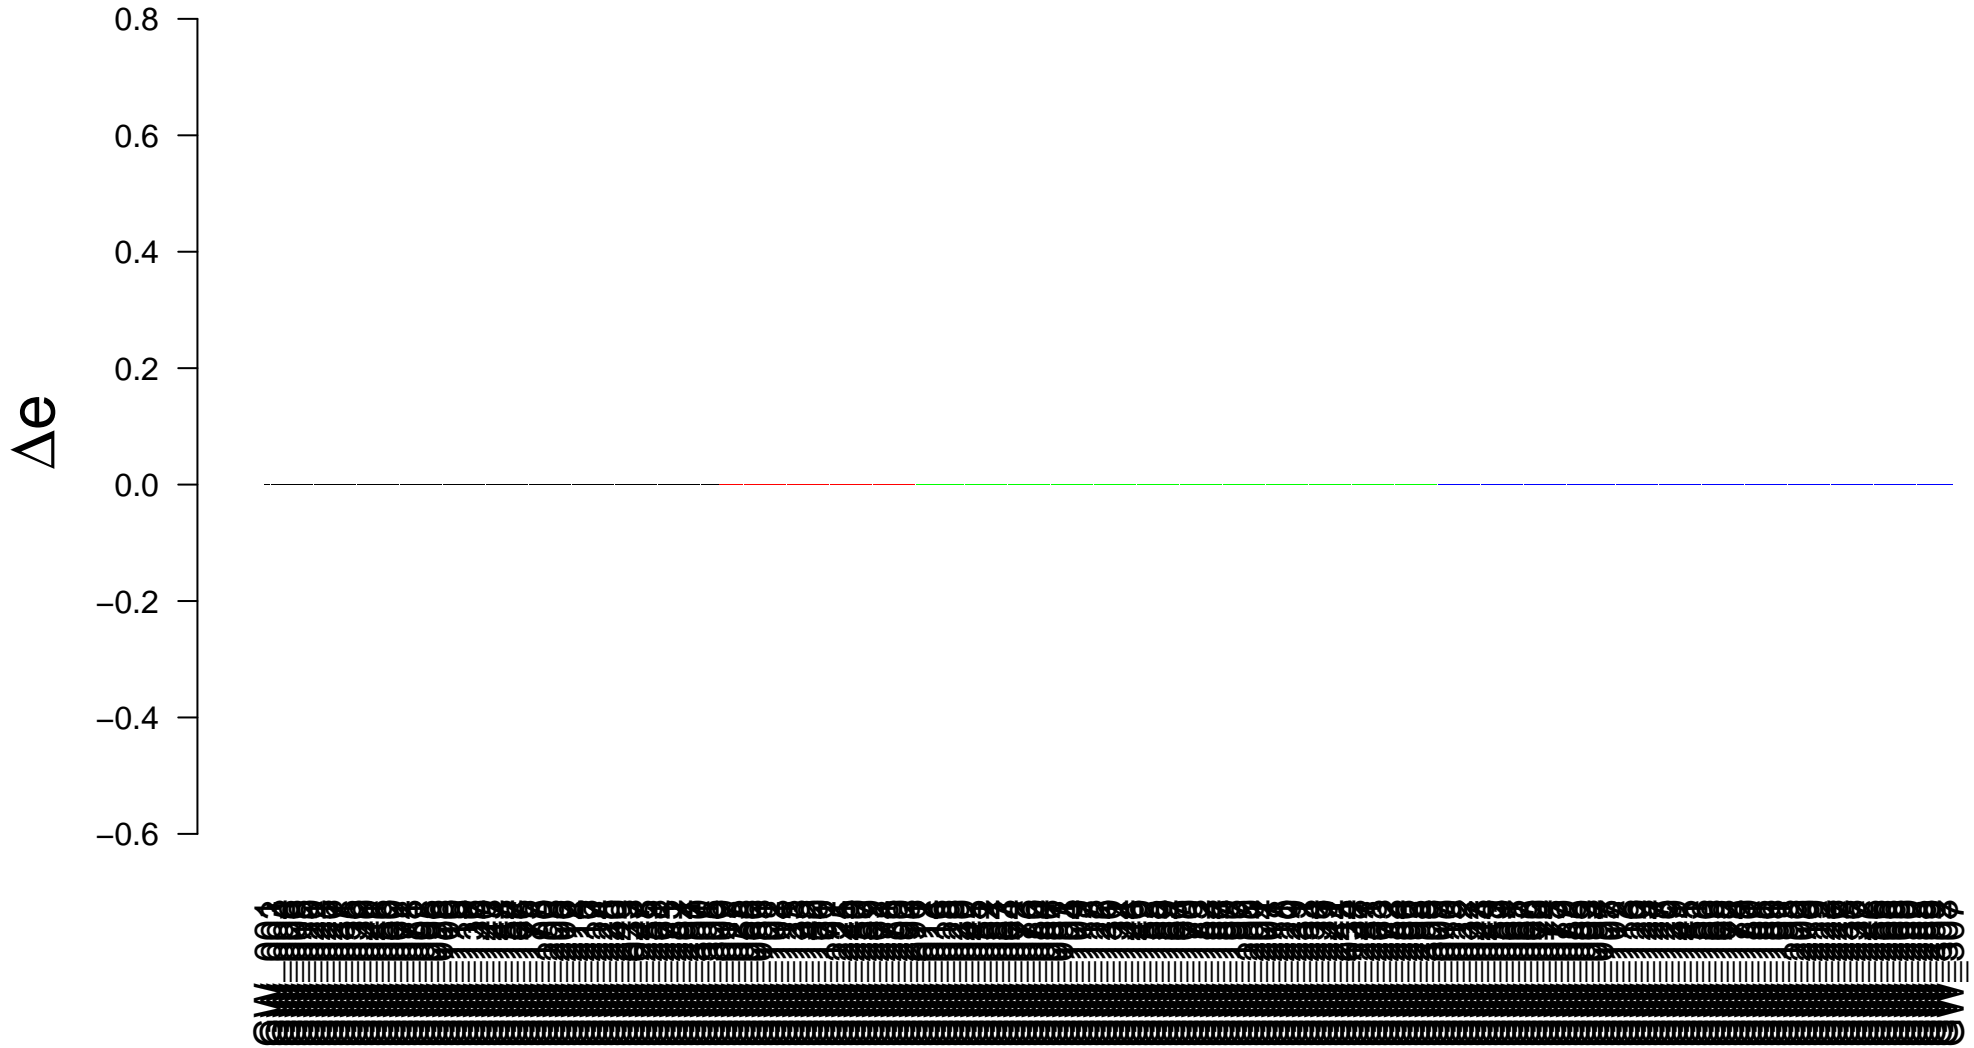

cellular respiration

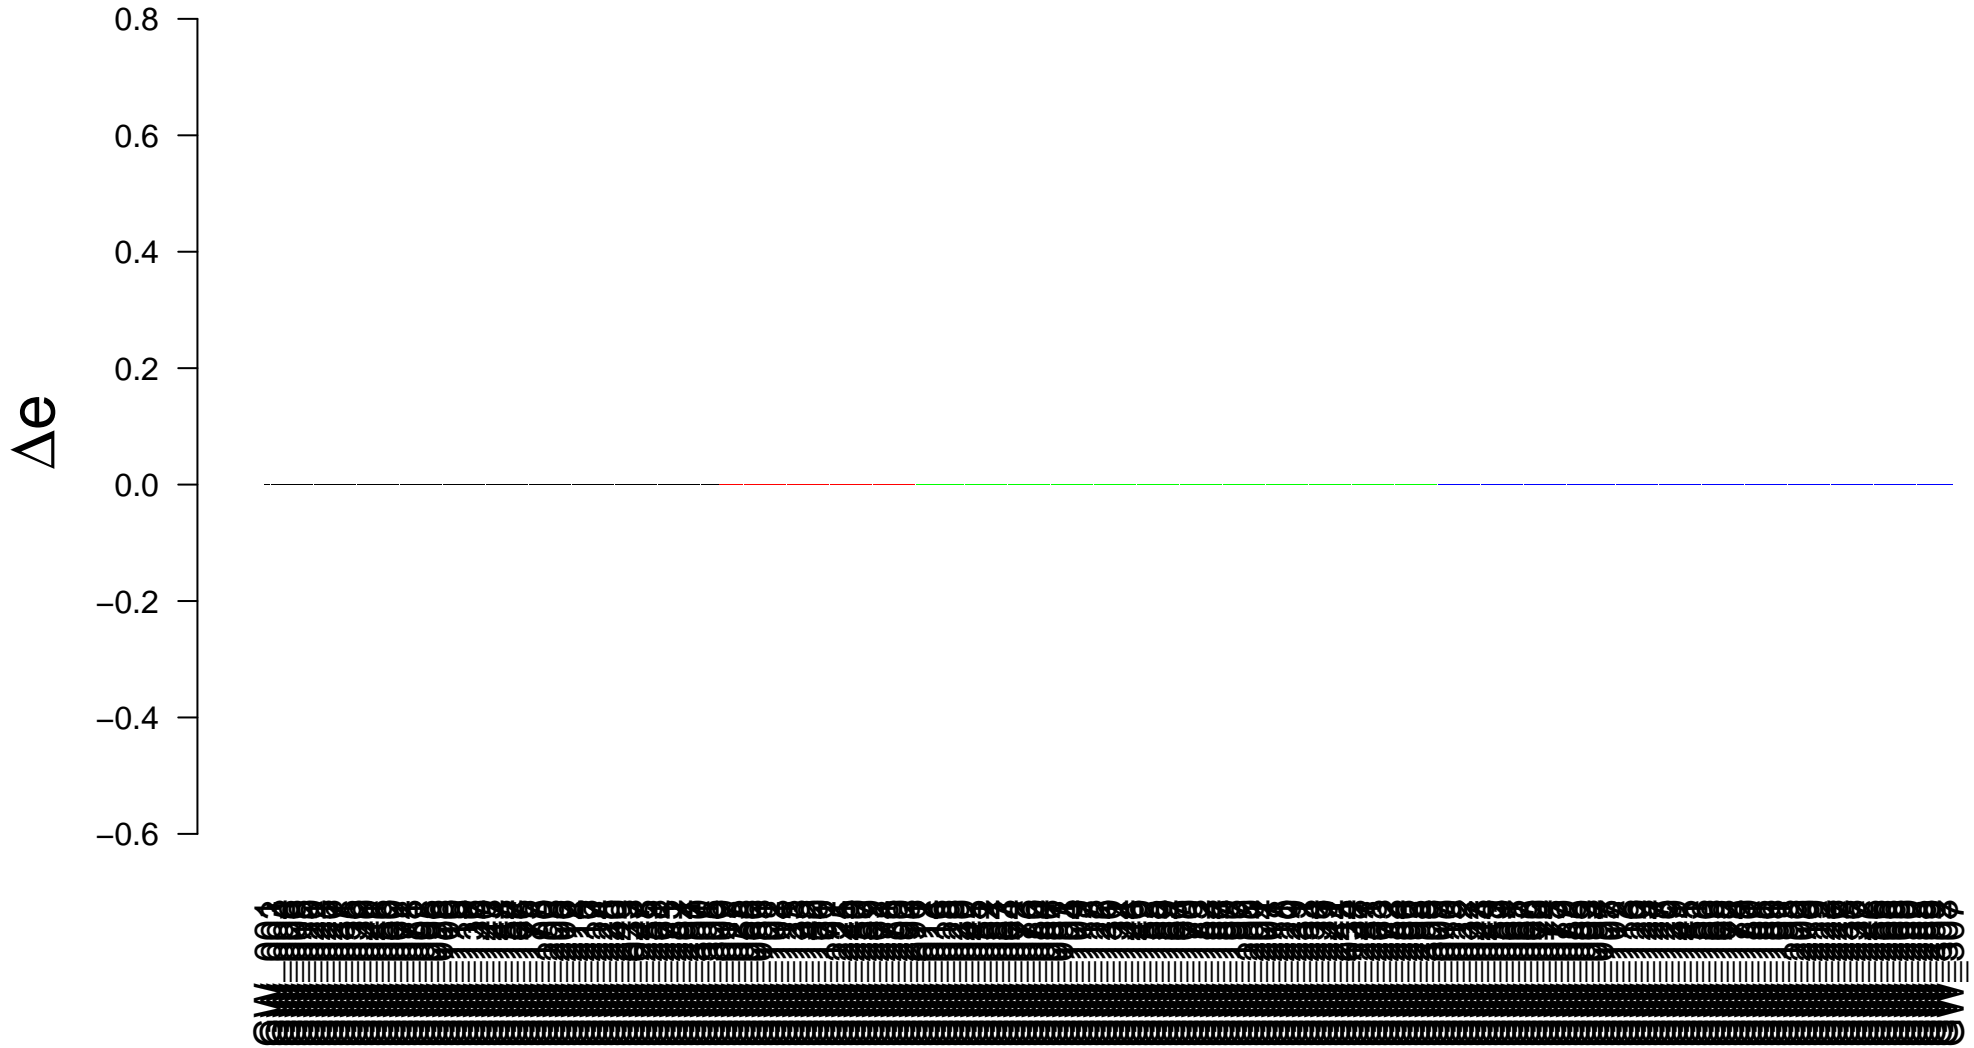

Enrichment in spots: cellular respiration

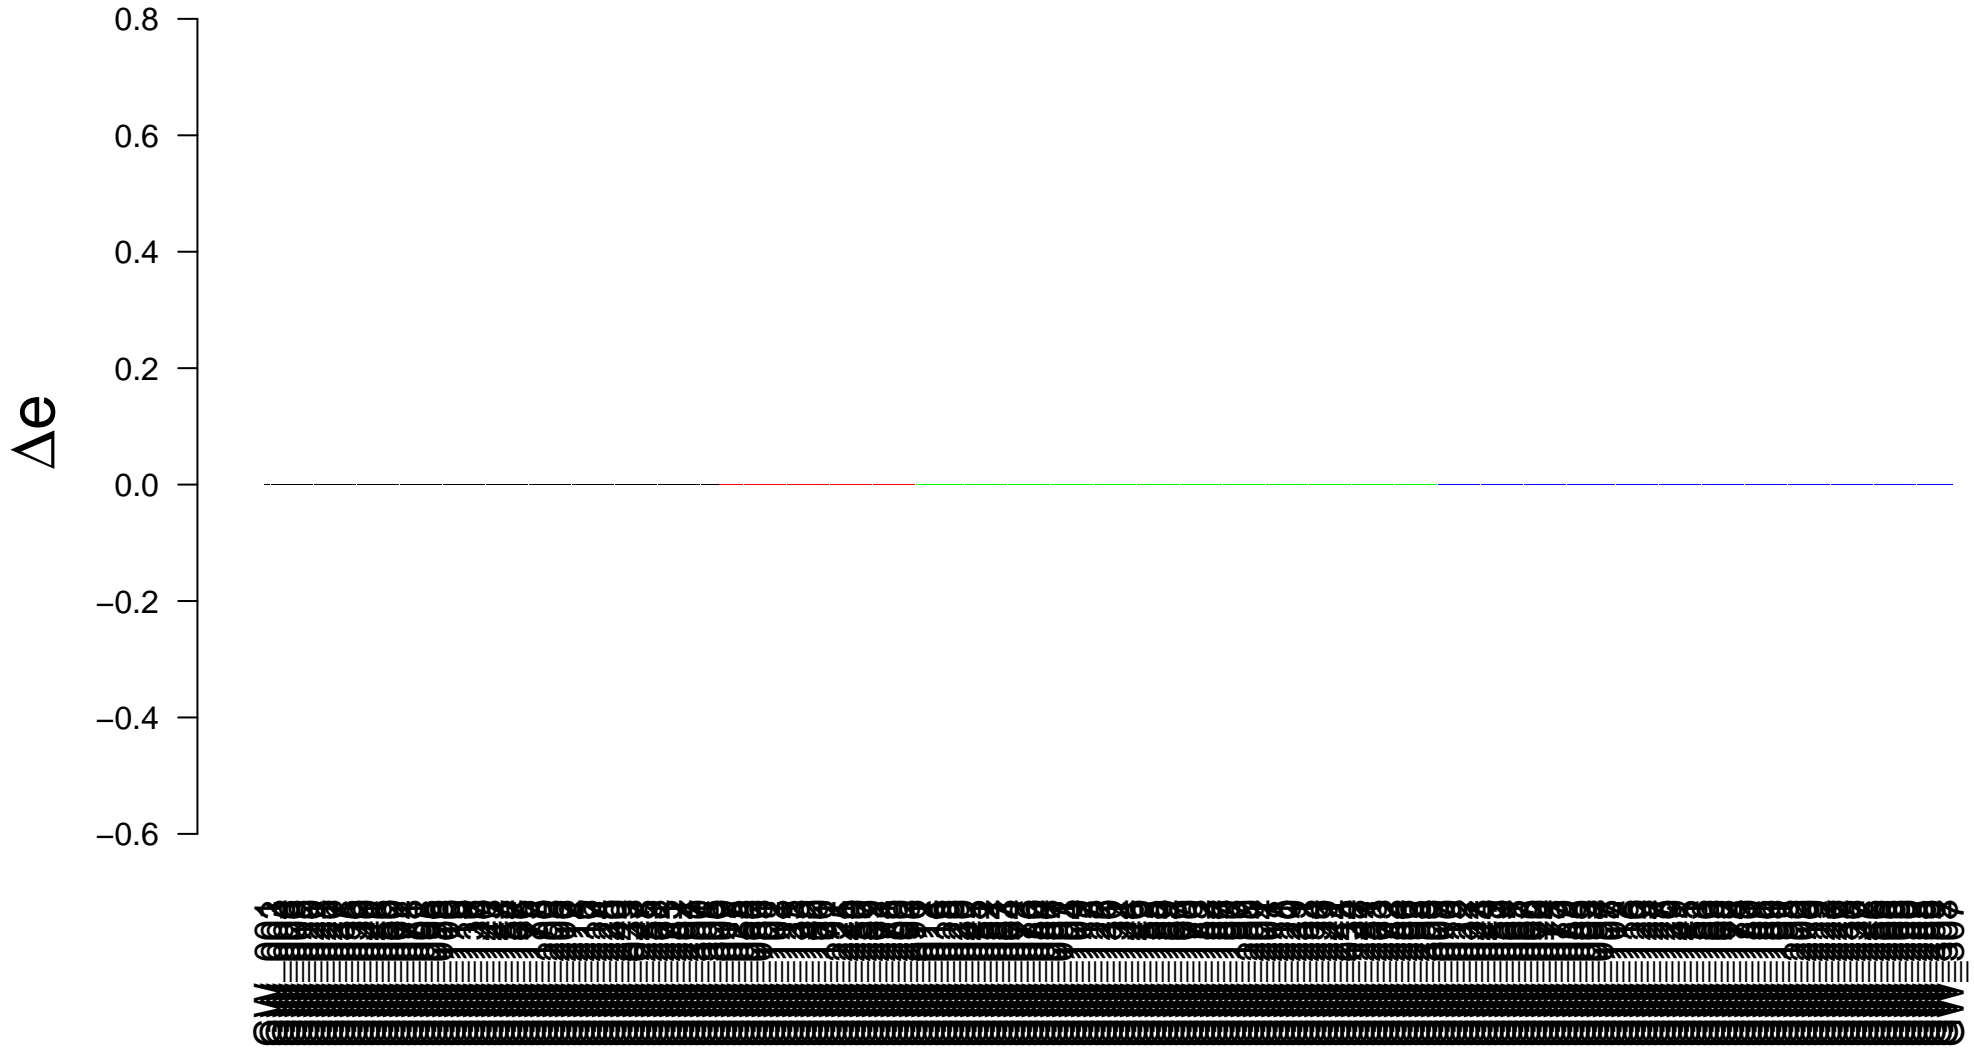

Expression of cellular respiration in Spot A

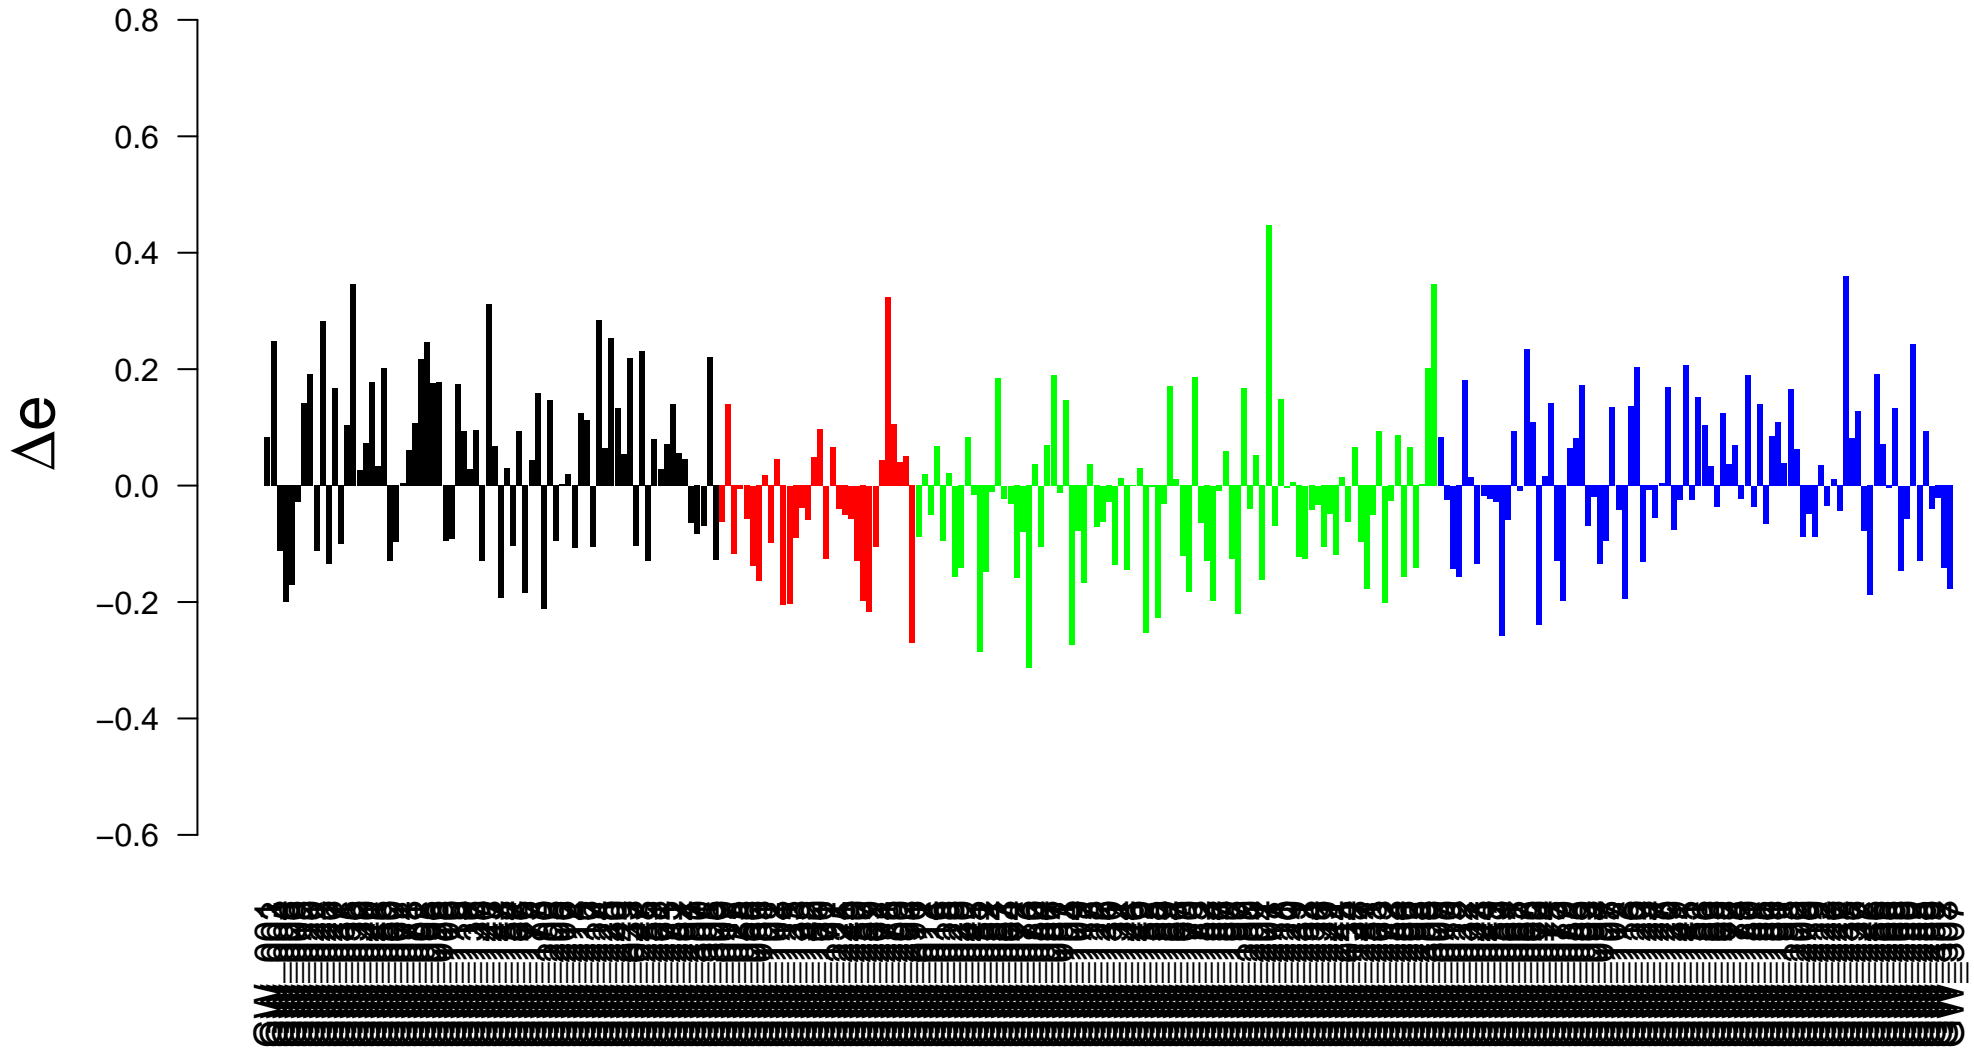

Expression of cellular respiration in Spot B

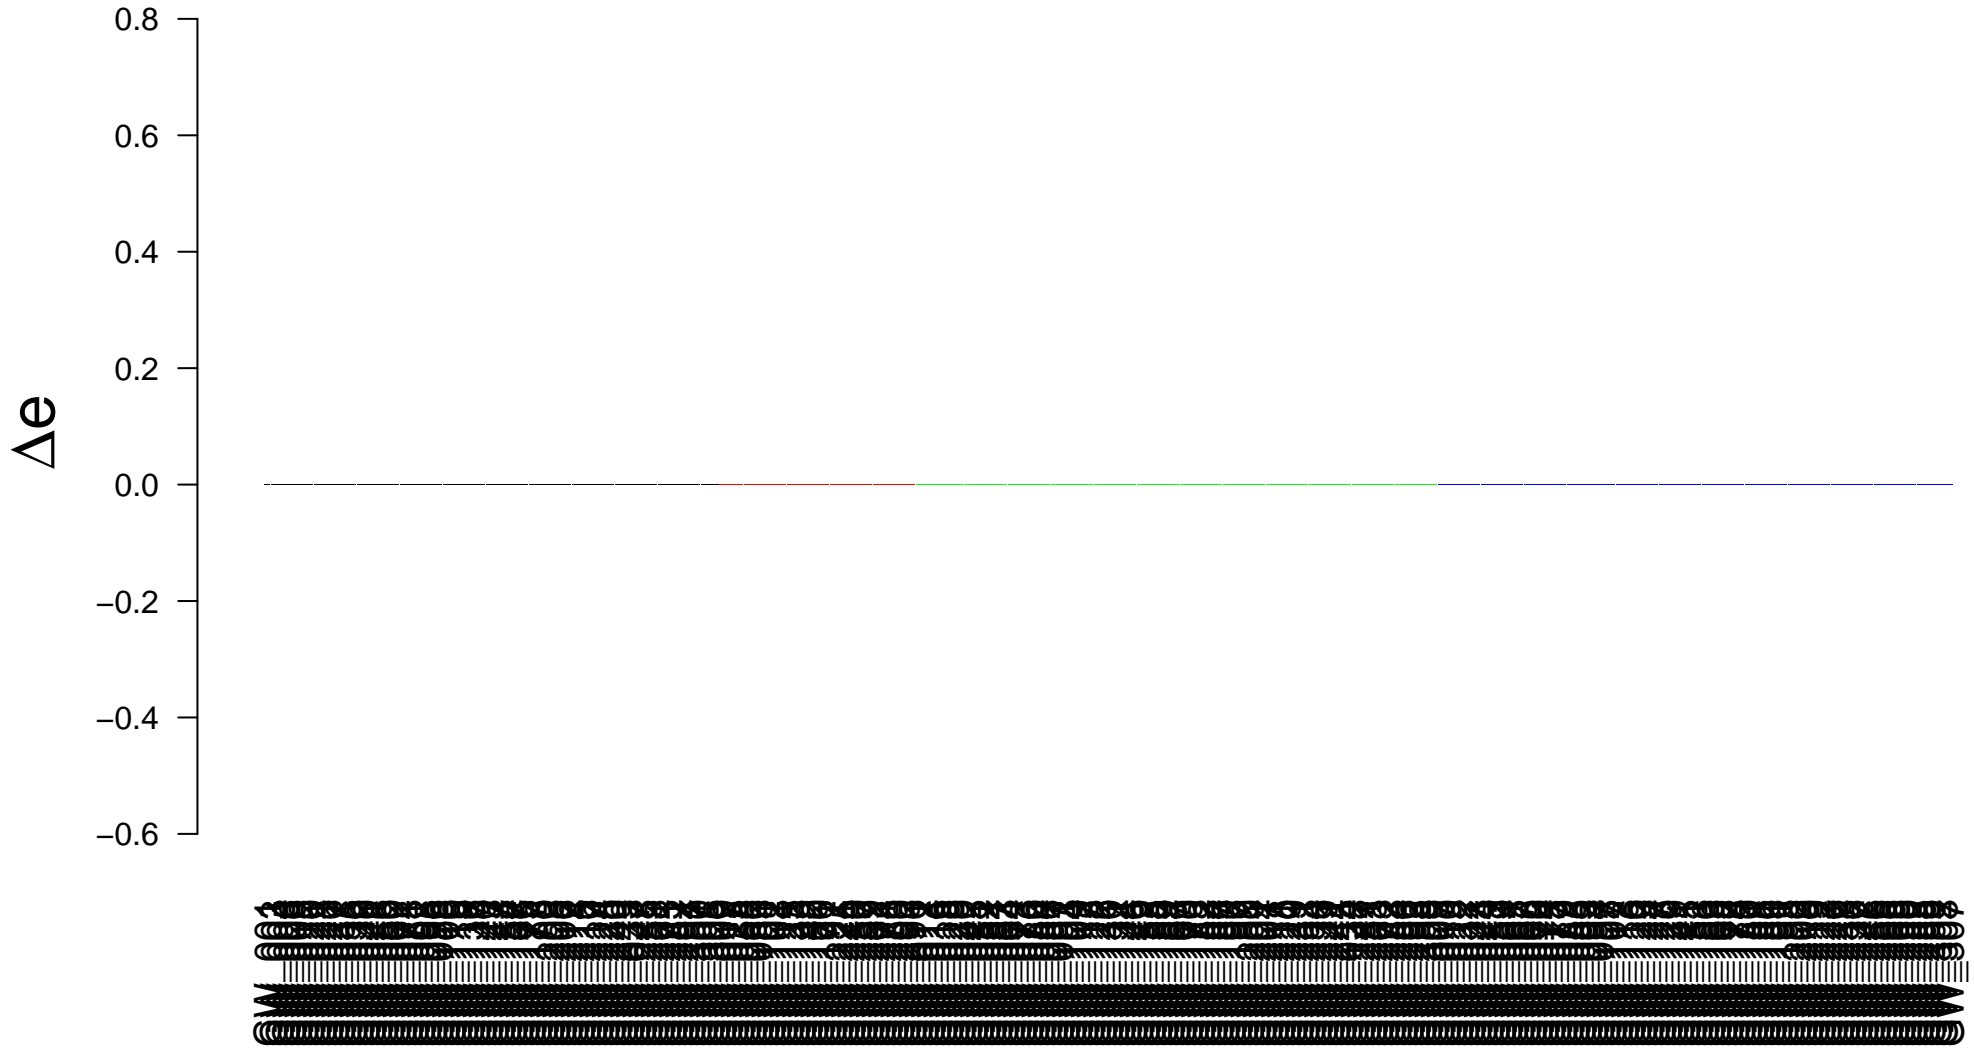

Expression of cellular respiration in Spot C

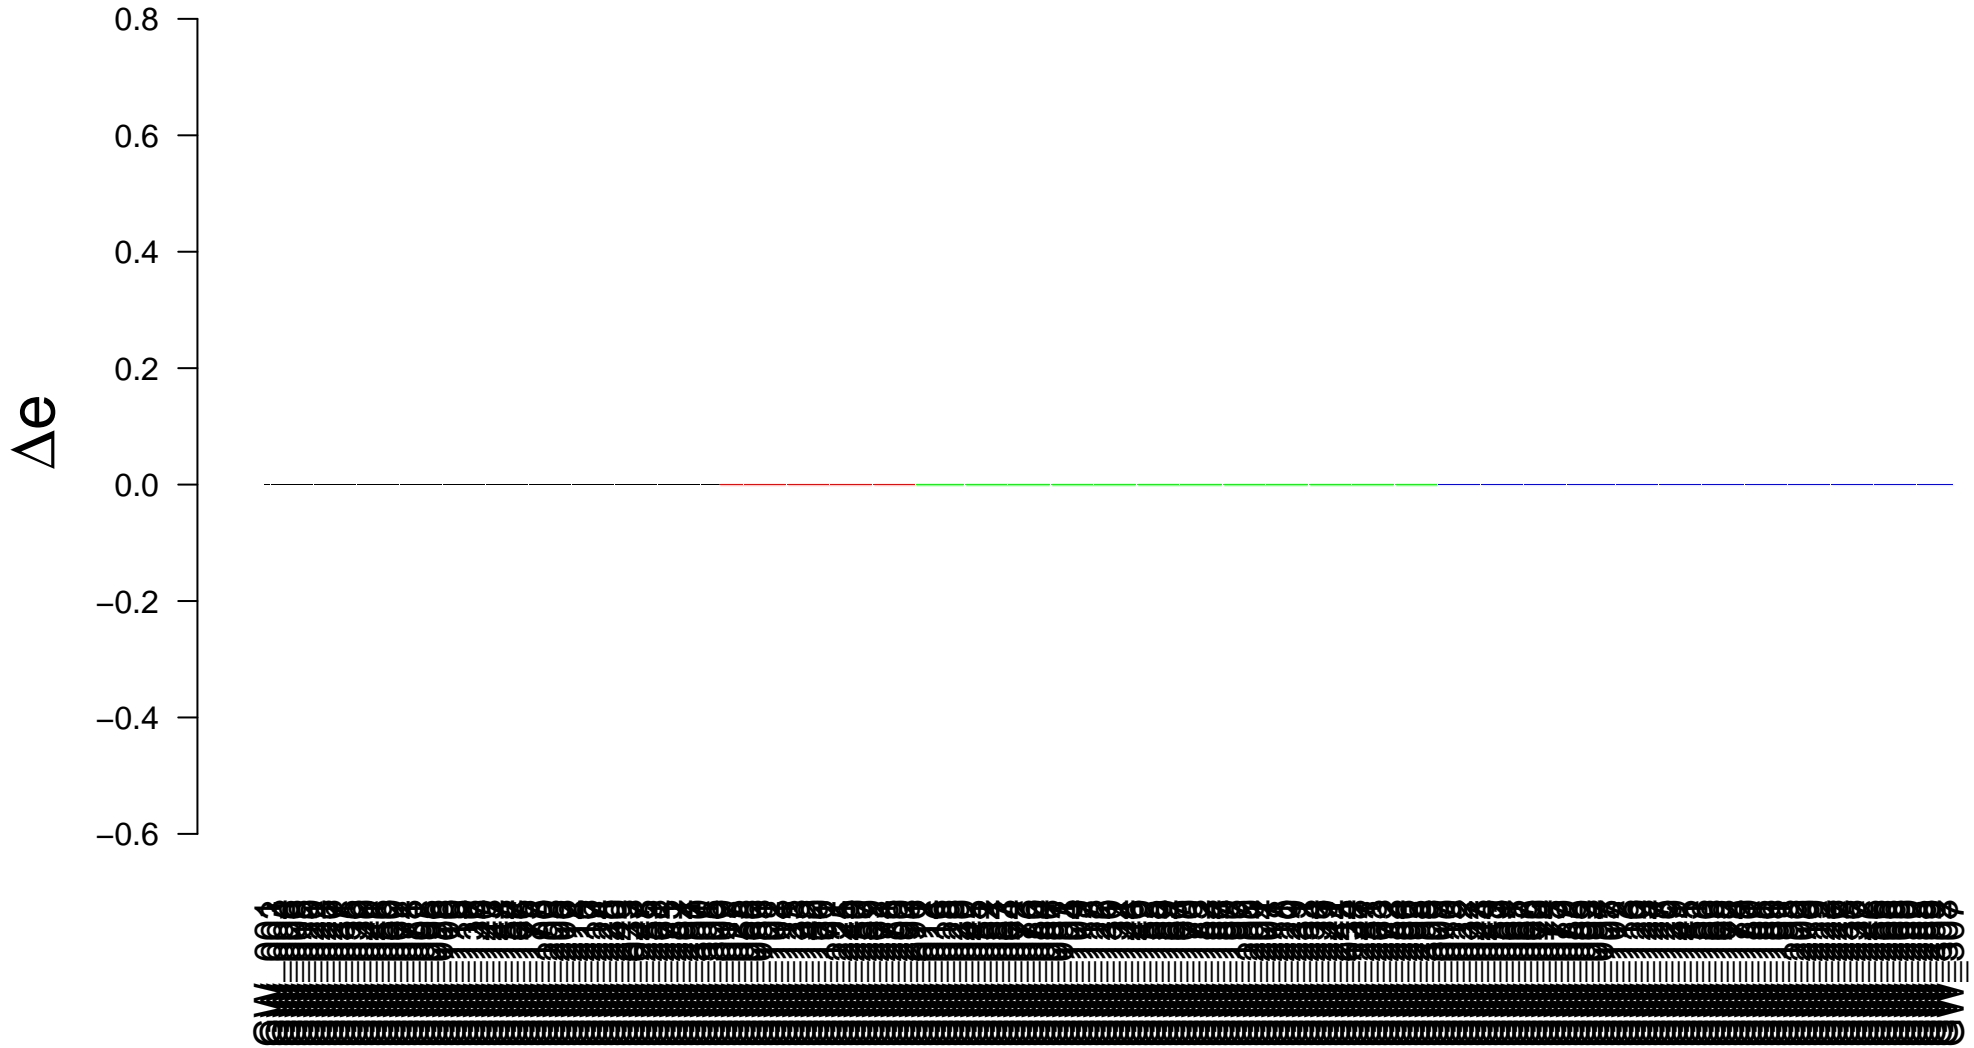

Expression of cellular respiration in Spot D

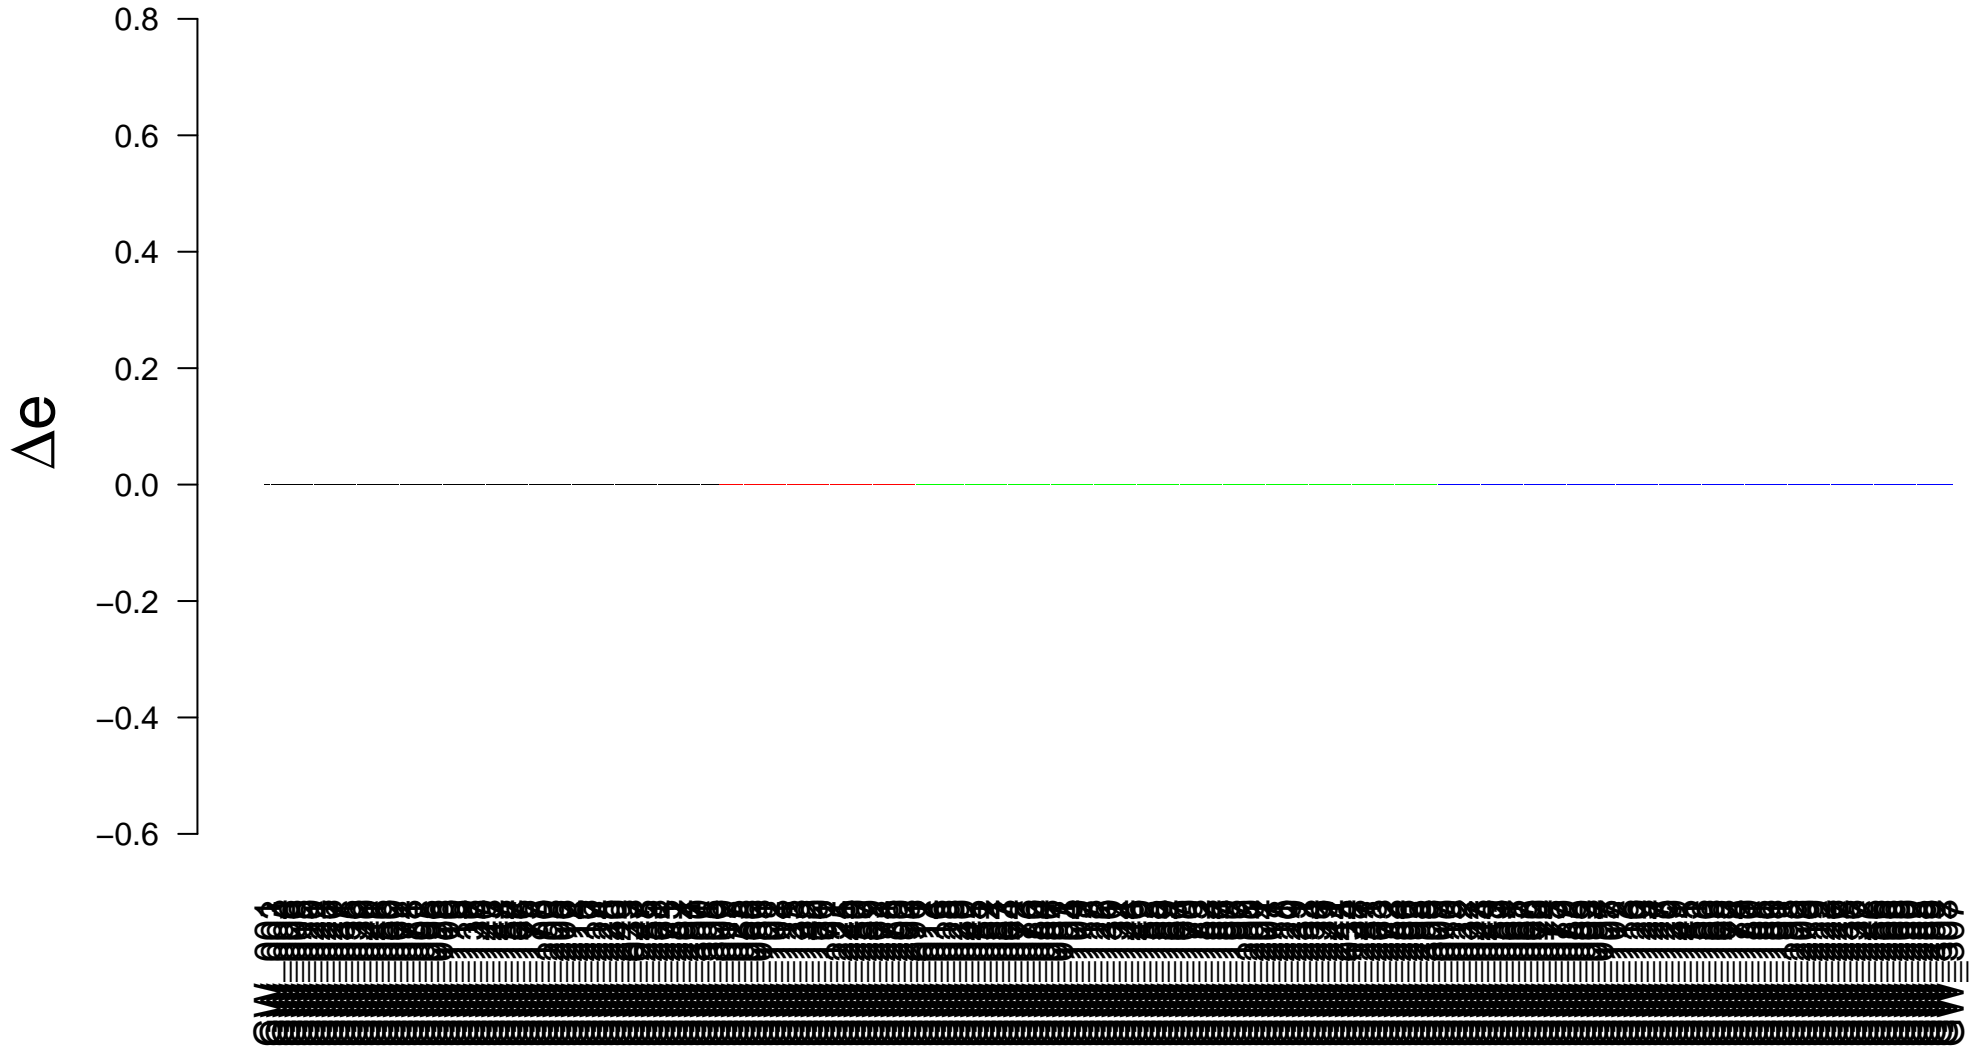

Expression of cellular respiration in Spot E

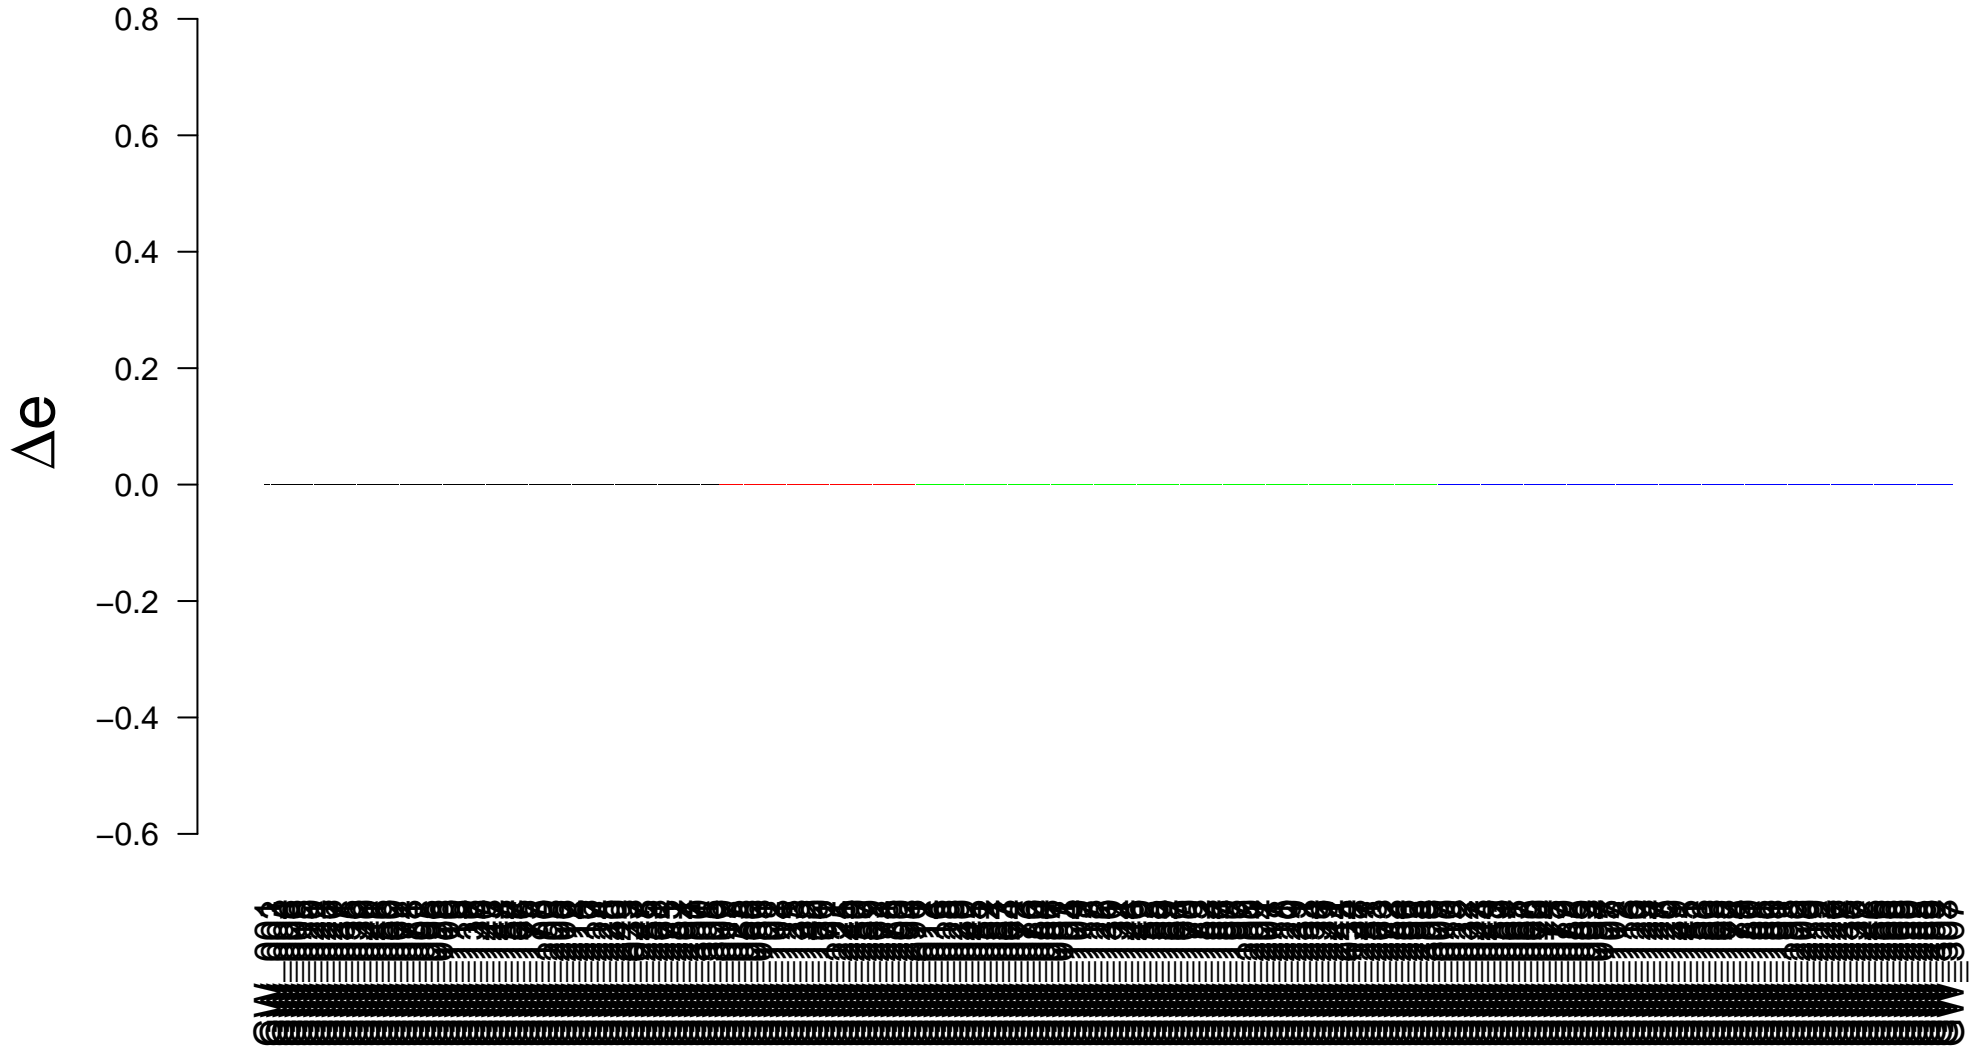

Expression of cellular respiration in Spot F

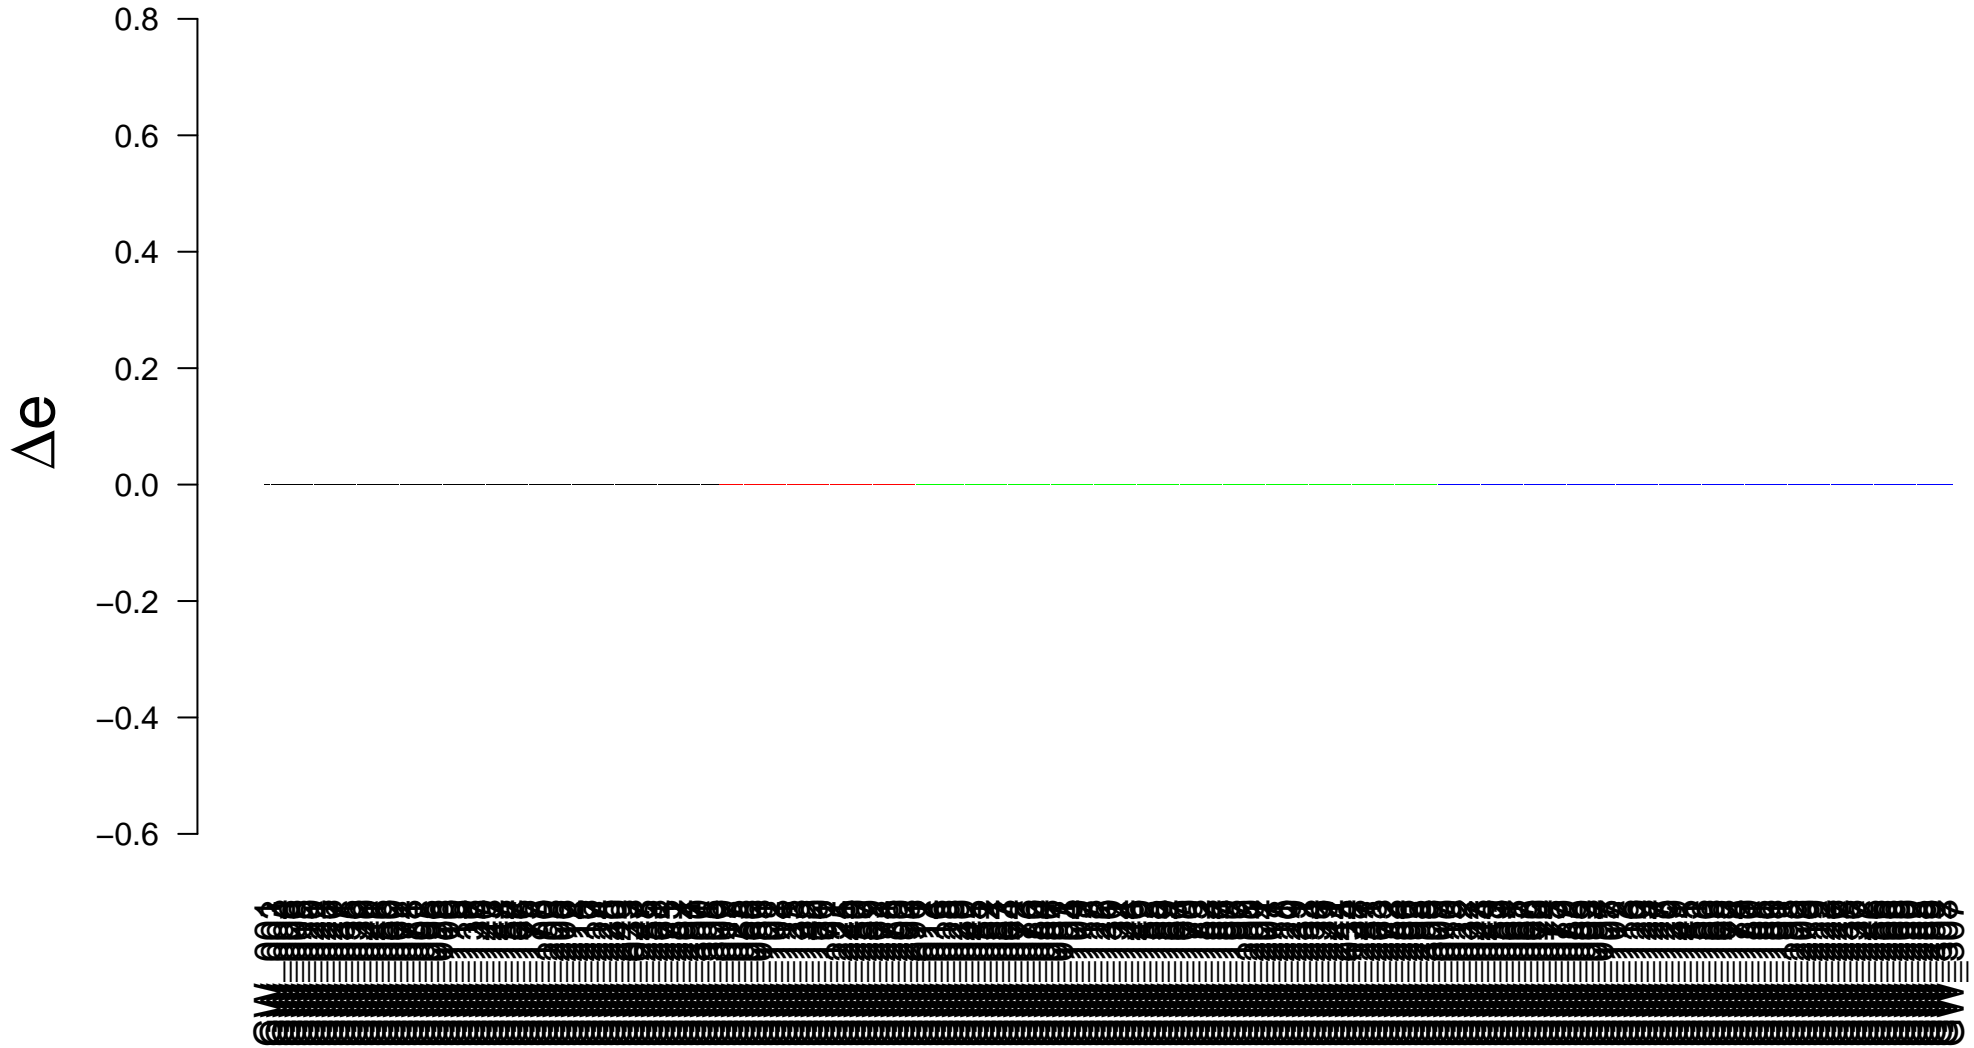

Expression of cellular respiration in Spot G

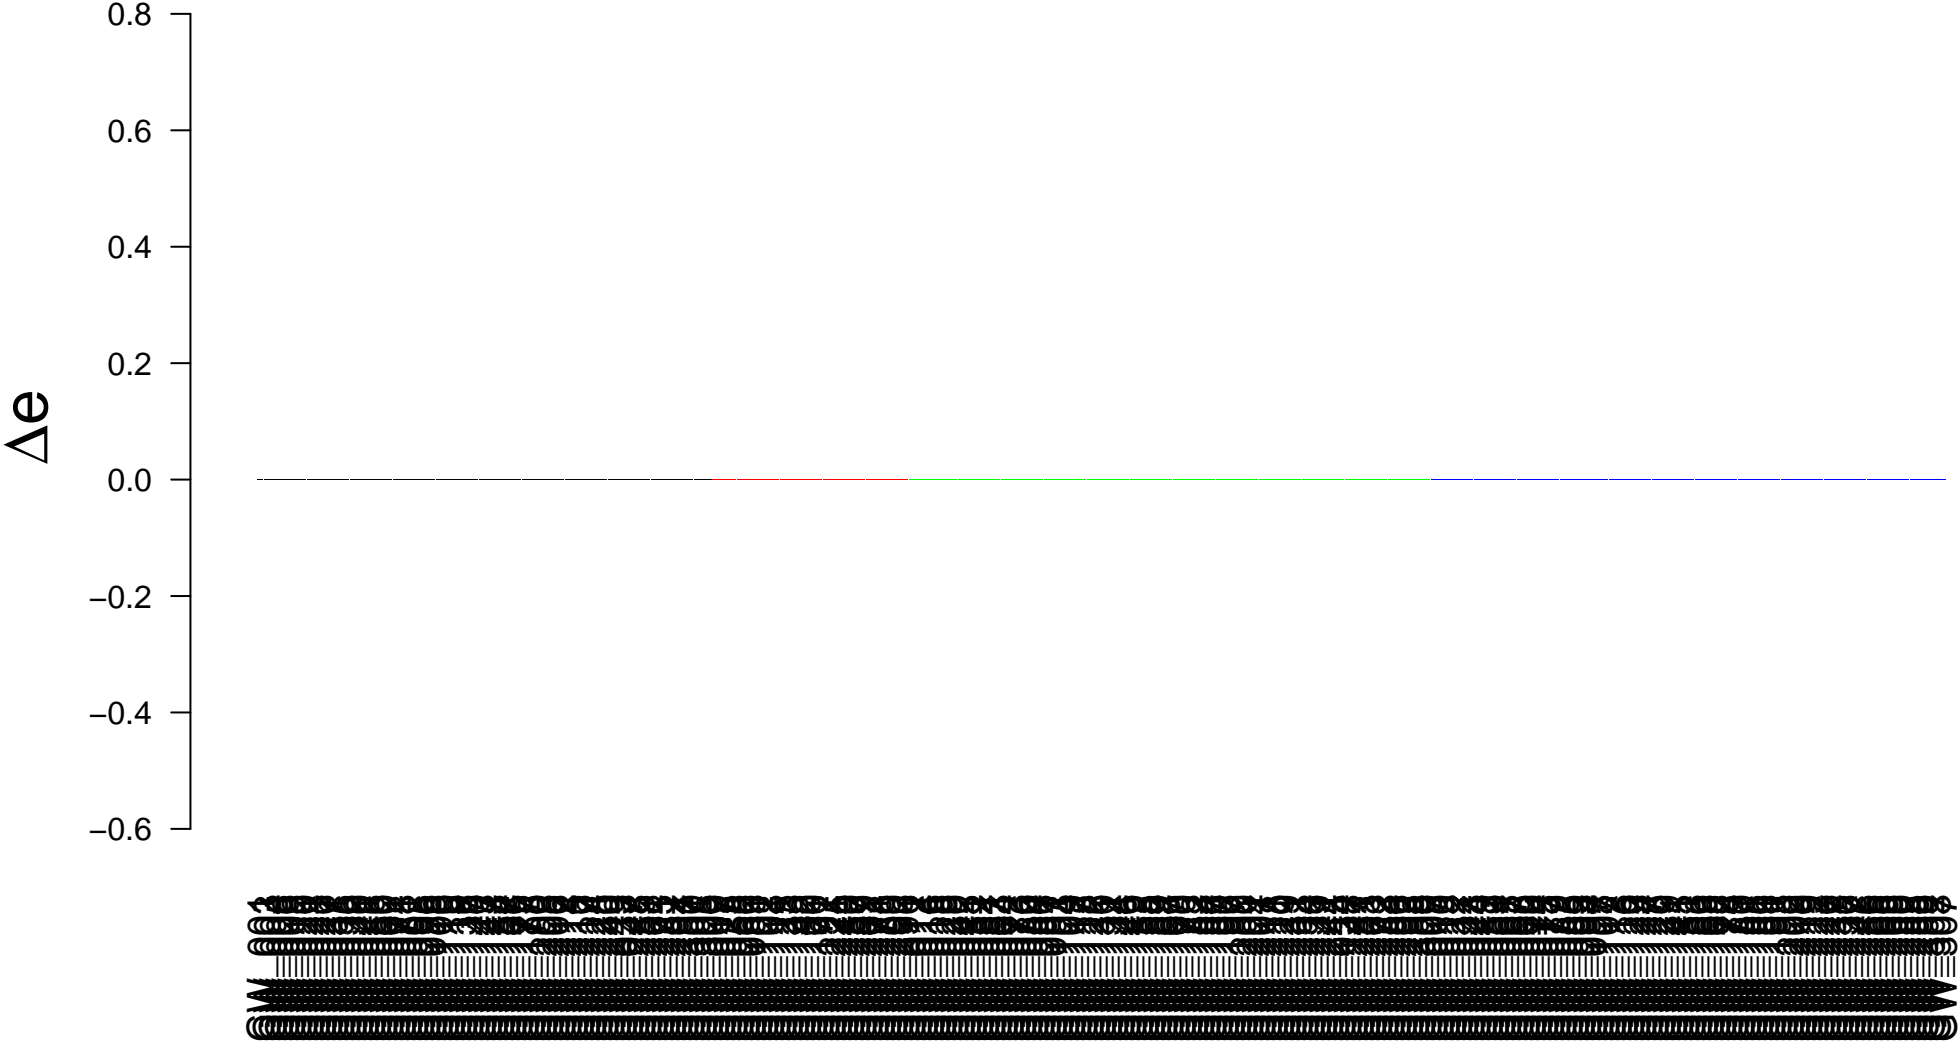

Expression of cellular respiration in Spot H

Expression of cellular respiration in Spot I

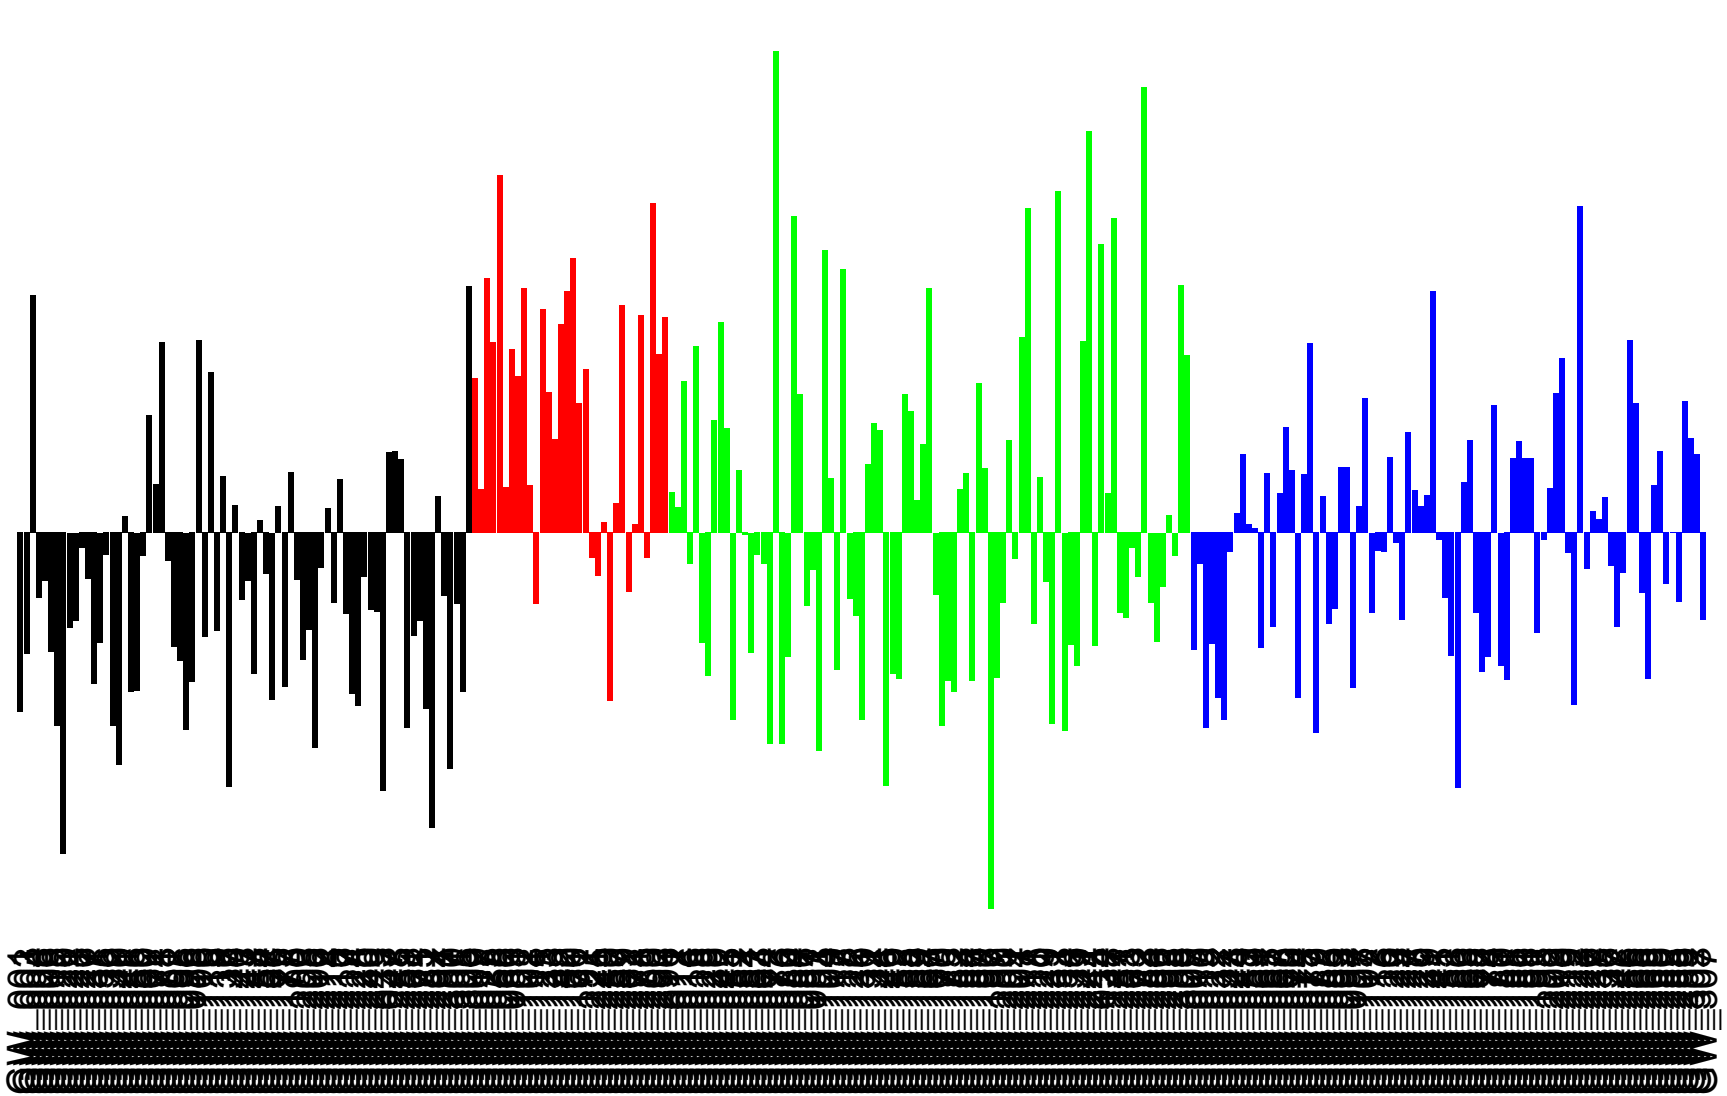

Expression of cellular respiration in Spot J

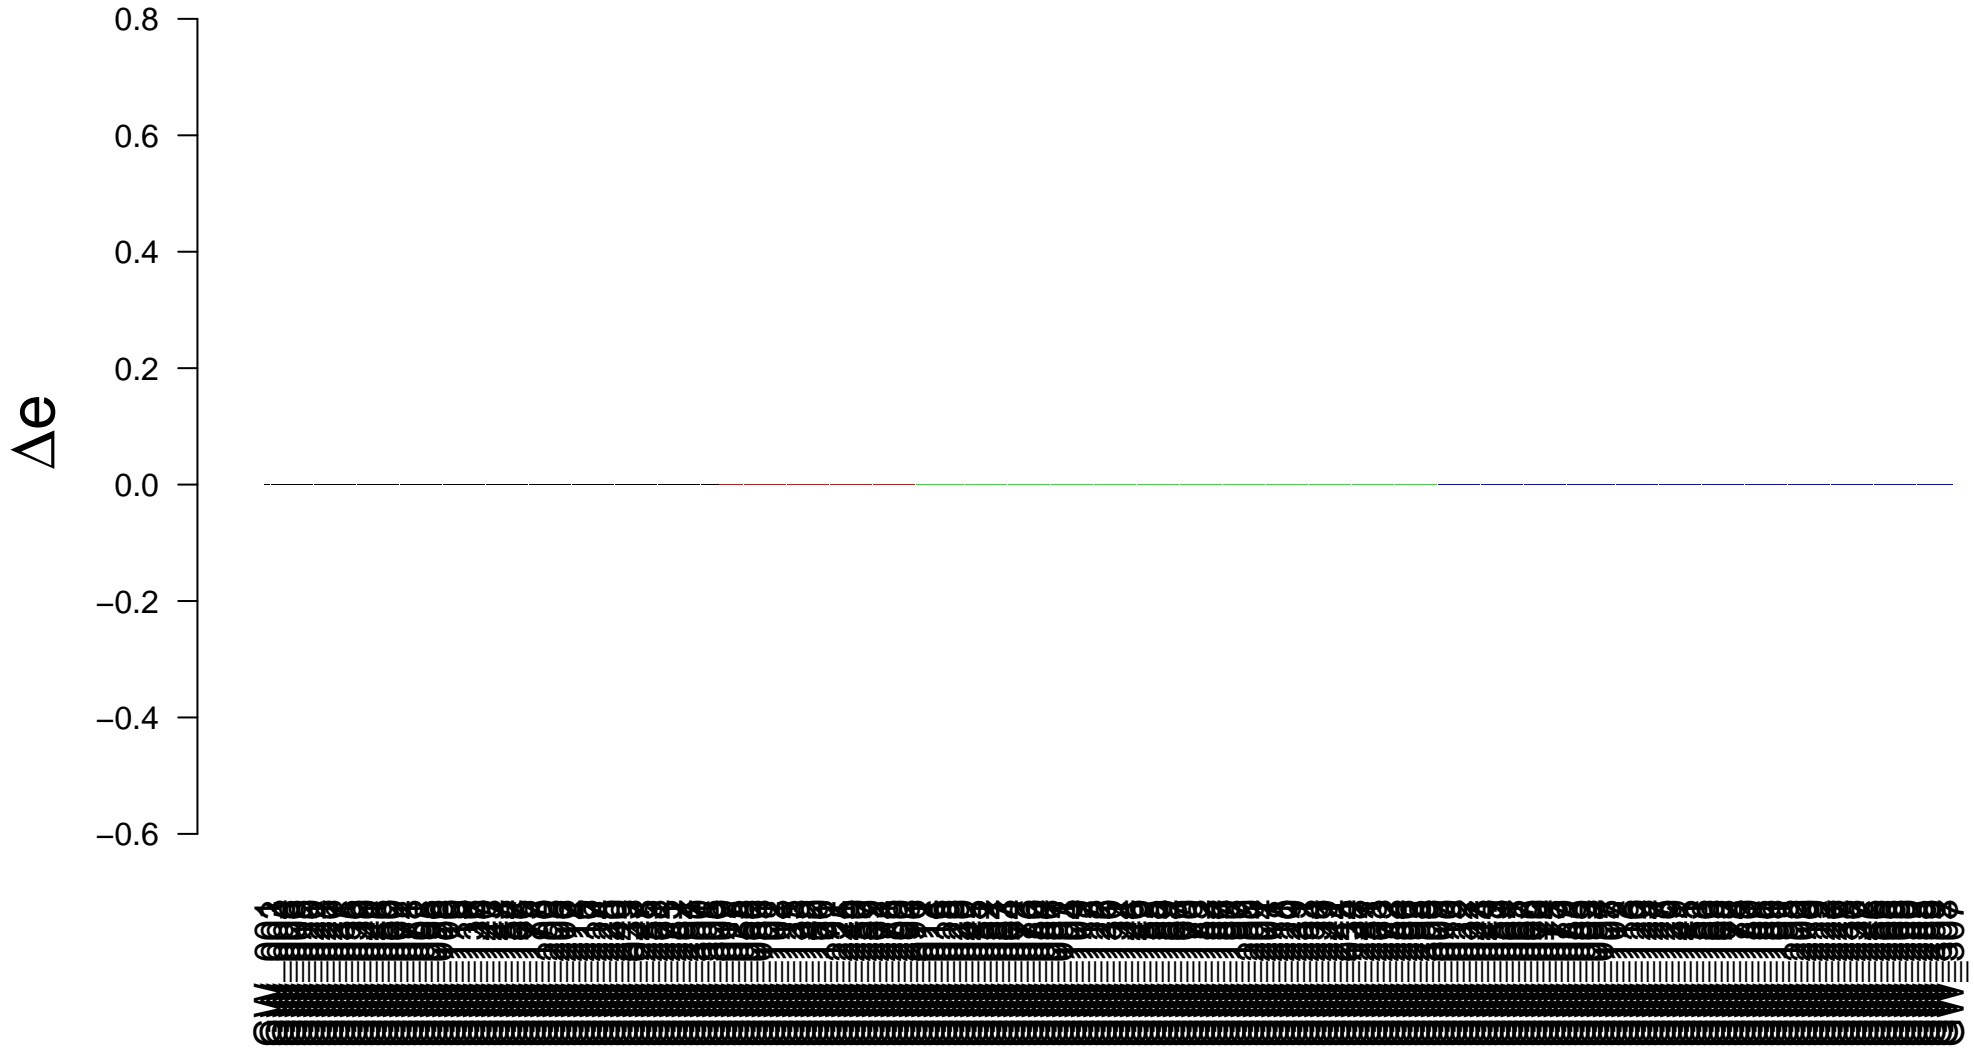

Expression of cellular respiration in Spot K

Expression of cellular respiration in Spot L

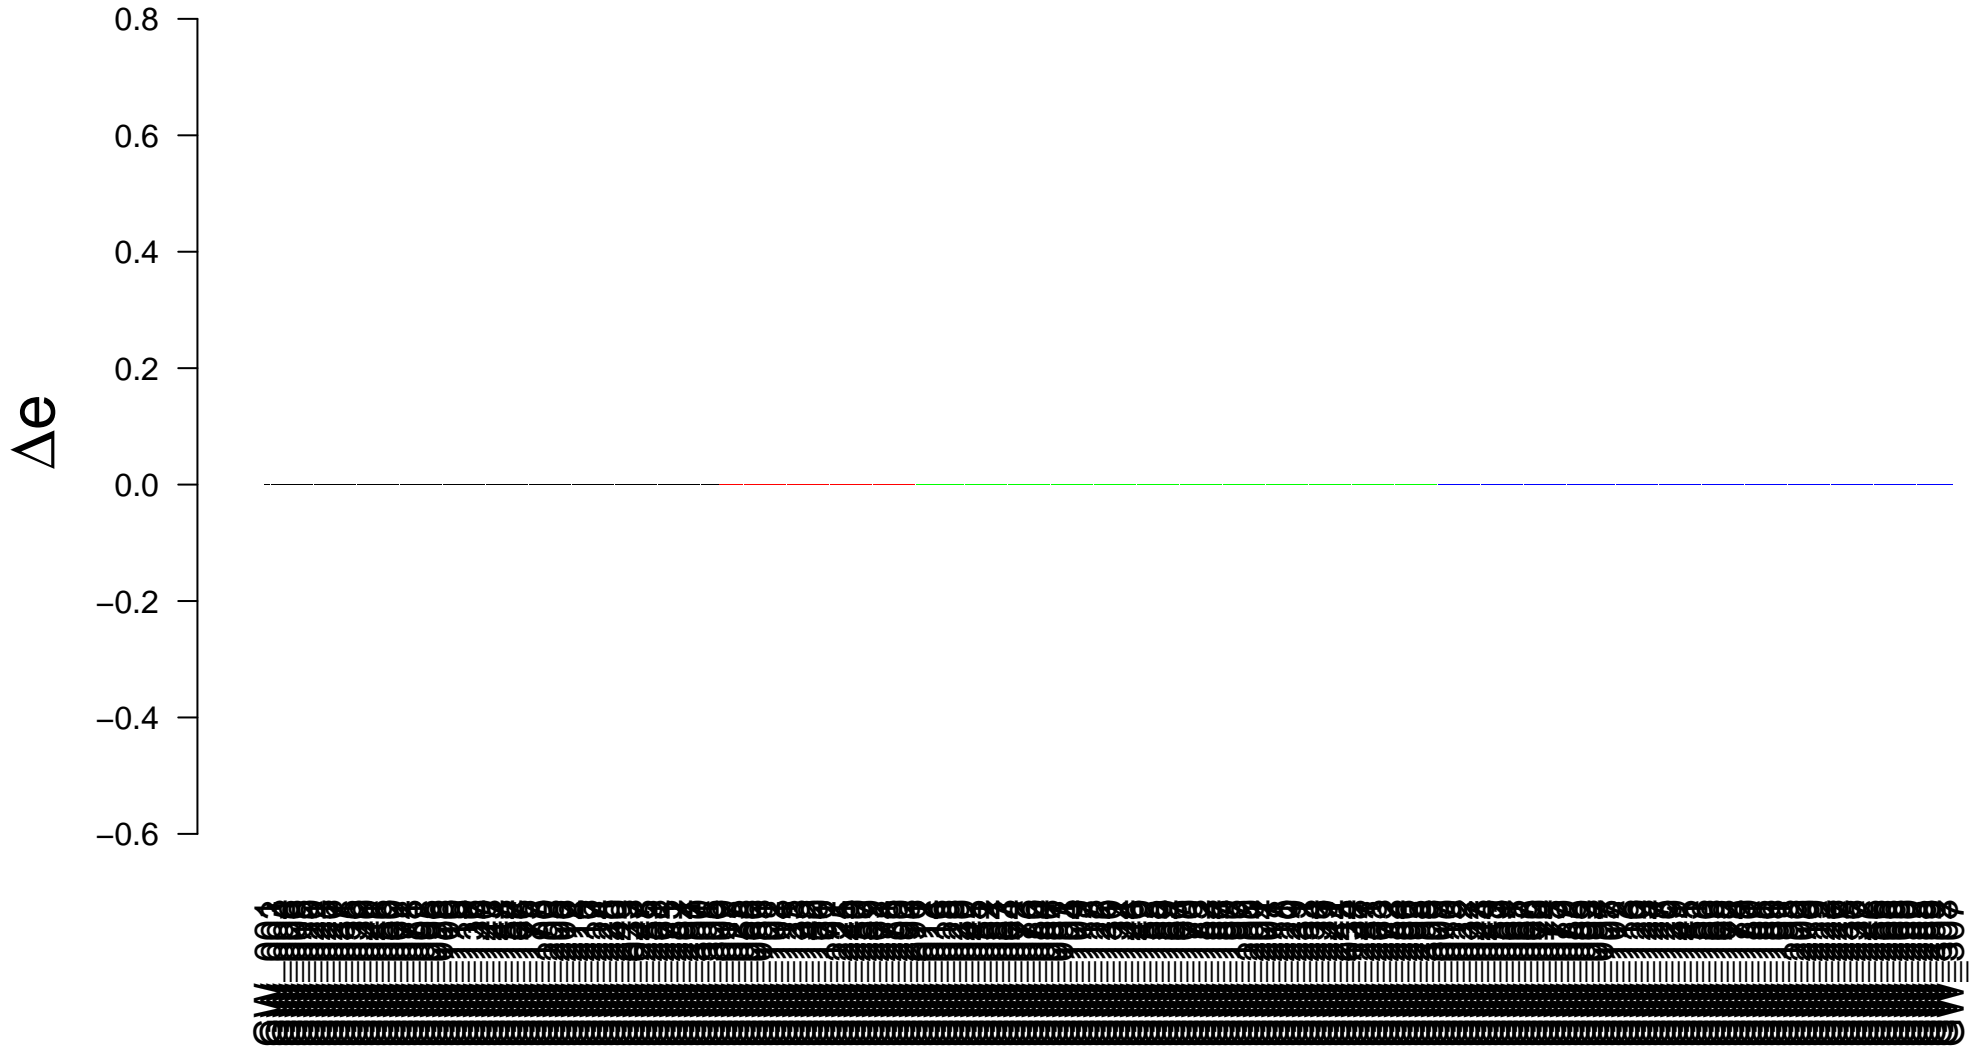

Expression of cellular respiration in Spot M

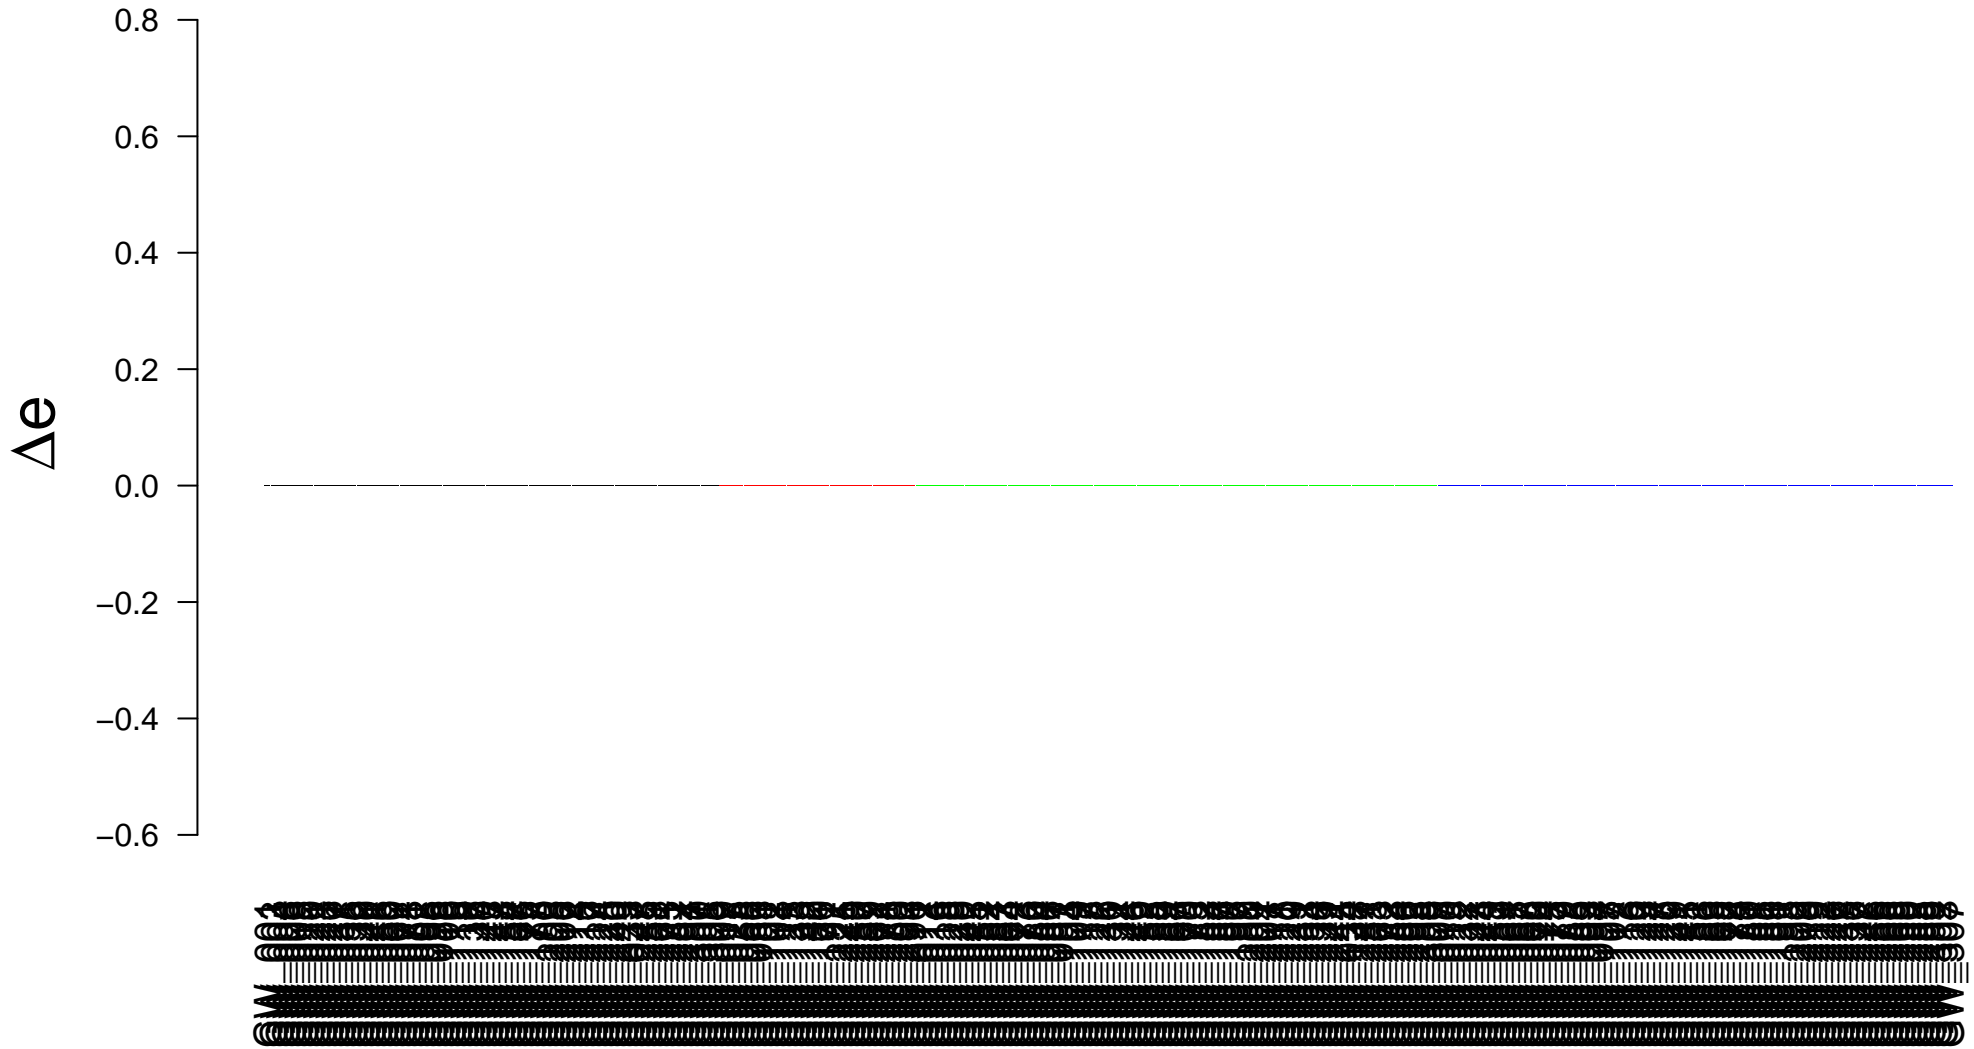

Expression of cellular respiration in Spot N

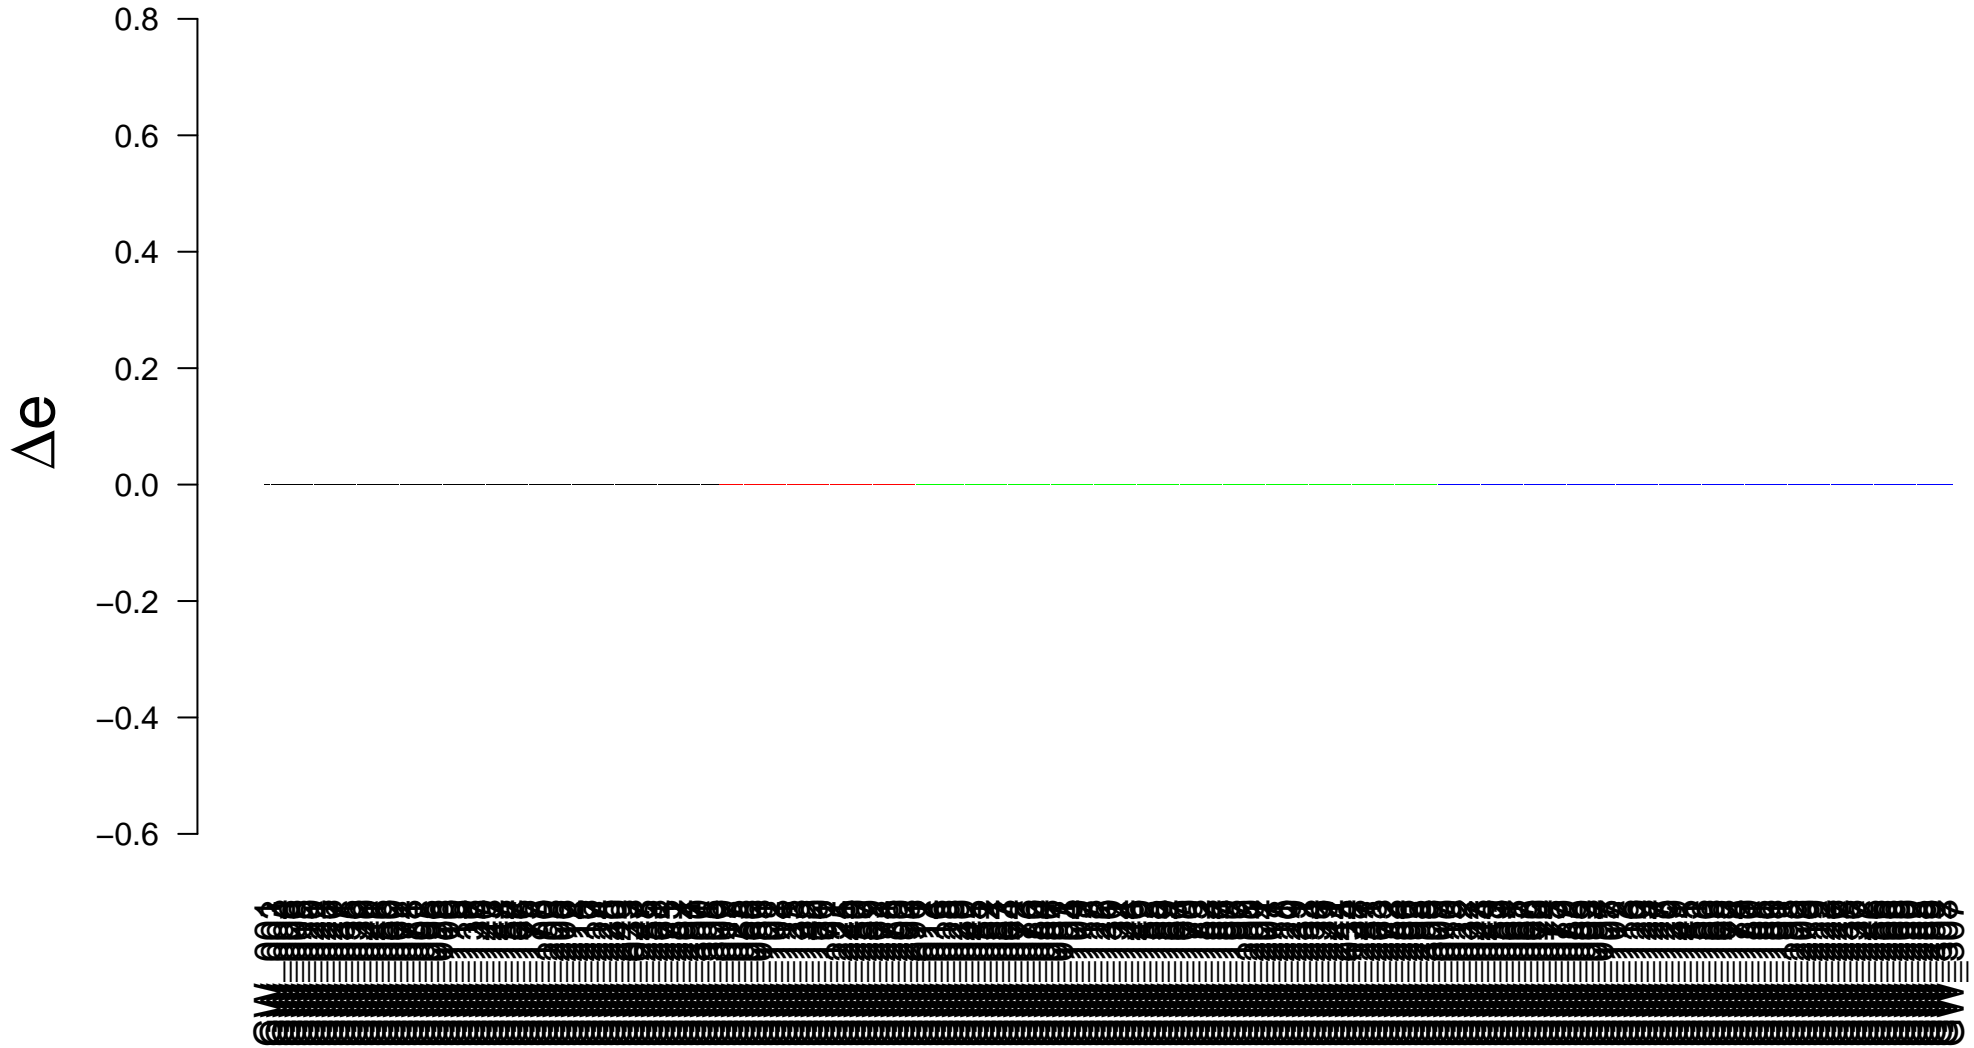

Expression of cellular respiration in Spot O

Expression of cellular respiration in Spot P

Expression of cellular respiration in Spot Q

Expression of cellular respiration in Spot R
