

cellular response to antibiotic

cellular response to antibiotic

Enrichment in spots: cellular response to antibiotic

Expression of cellular response to antibiotic in Spot A

Expression of cellular response to antibiotic in Spot B

Δe

Expression of cellular response to antibiotic in Spot C

Expression of cellular response to antibiotic in Spot D

Expression of cellular response to antibiotic in Spot E

Expression of cellular response to antibiotic in Spot F

Expression of cellular response to antibiotic in Spot G

Expression of cellular response to antibiotic in Spot H

Expression of cellular response to antibiotic in Spot I

Expression of cellular response to antibiotic in Spot J

Expression of cellular response to antibiotic in Spot K

Expression of cellular response to antibiotic in Spot L

Expression of cellular response to antibiotic in Spot M

Expression of cellular response to antibiotic in Spot N

Expression of cellular response to antibiotic in Spot O

Expression of cellular response to antibiotic in Spot P

Expression of cellular response to antibiotic in Spot Q

Expression of cellular response to antibiotic in Spot R
