Expression of cellular response to cadmium ion in Spot B

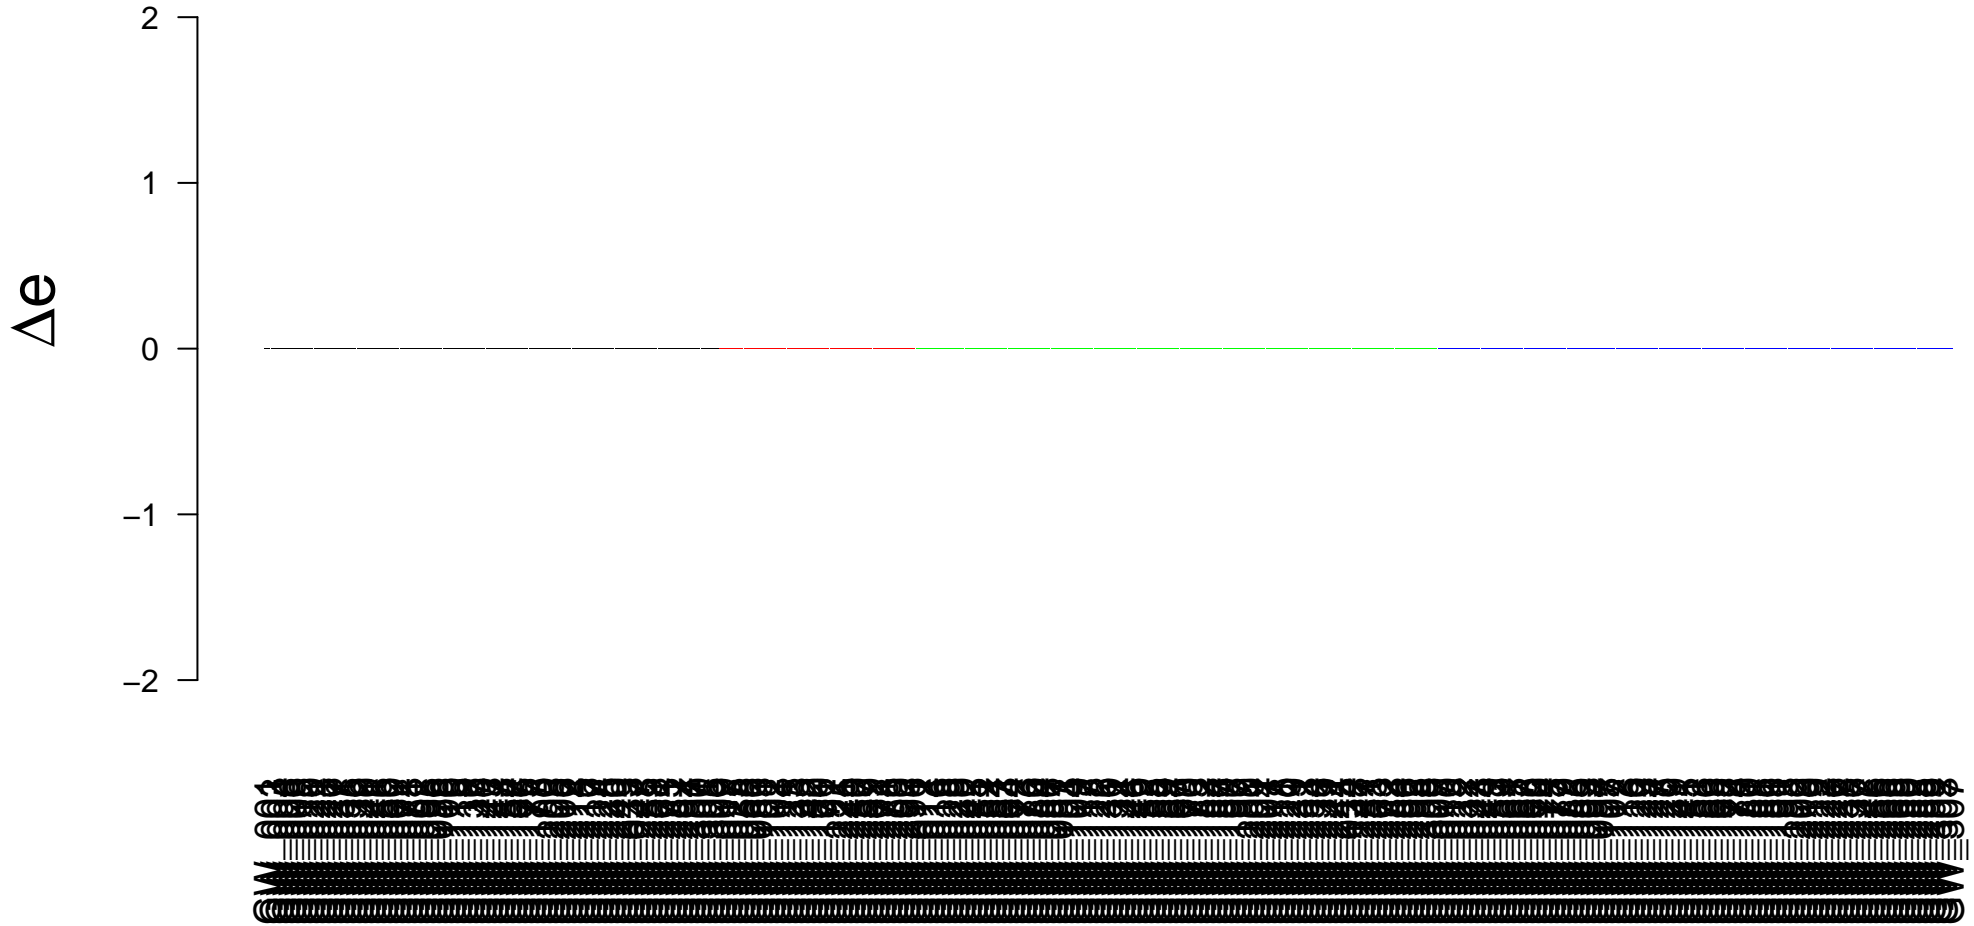

Expression of cellular response to cadmium ion in Spot C

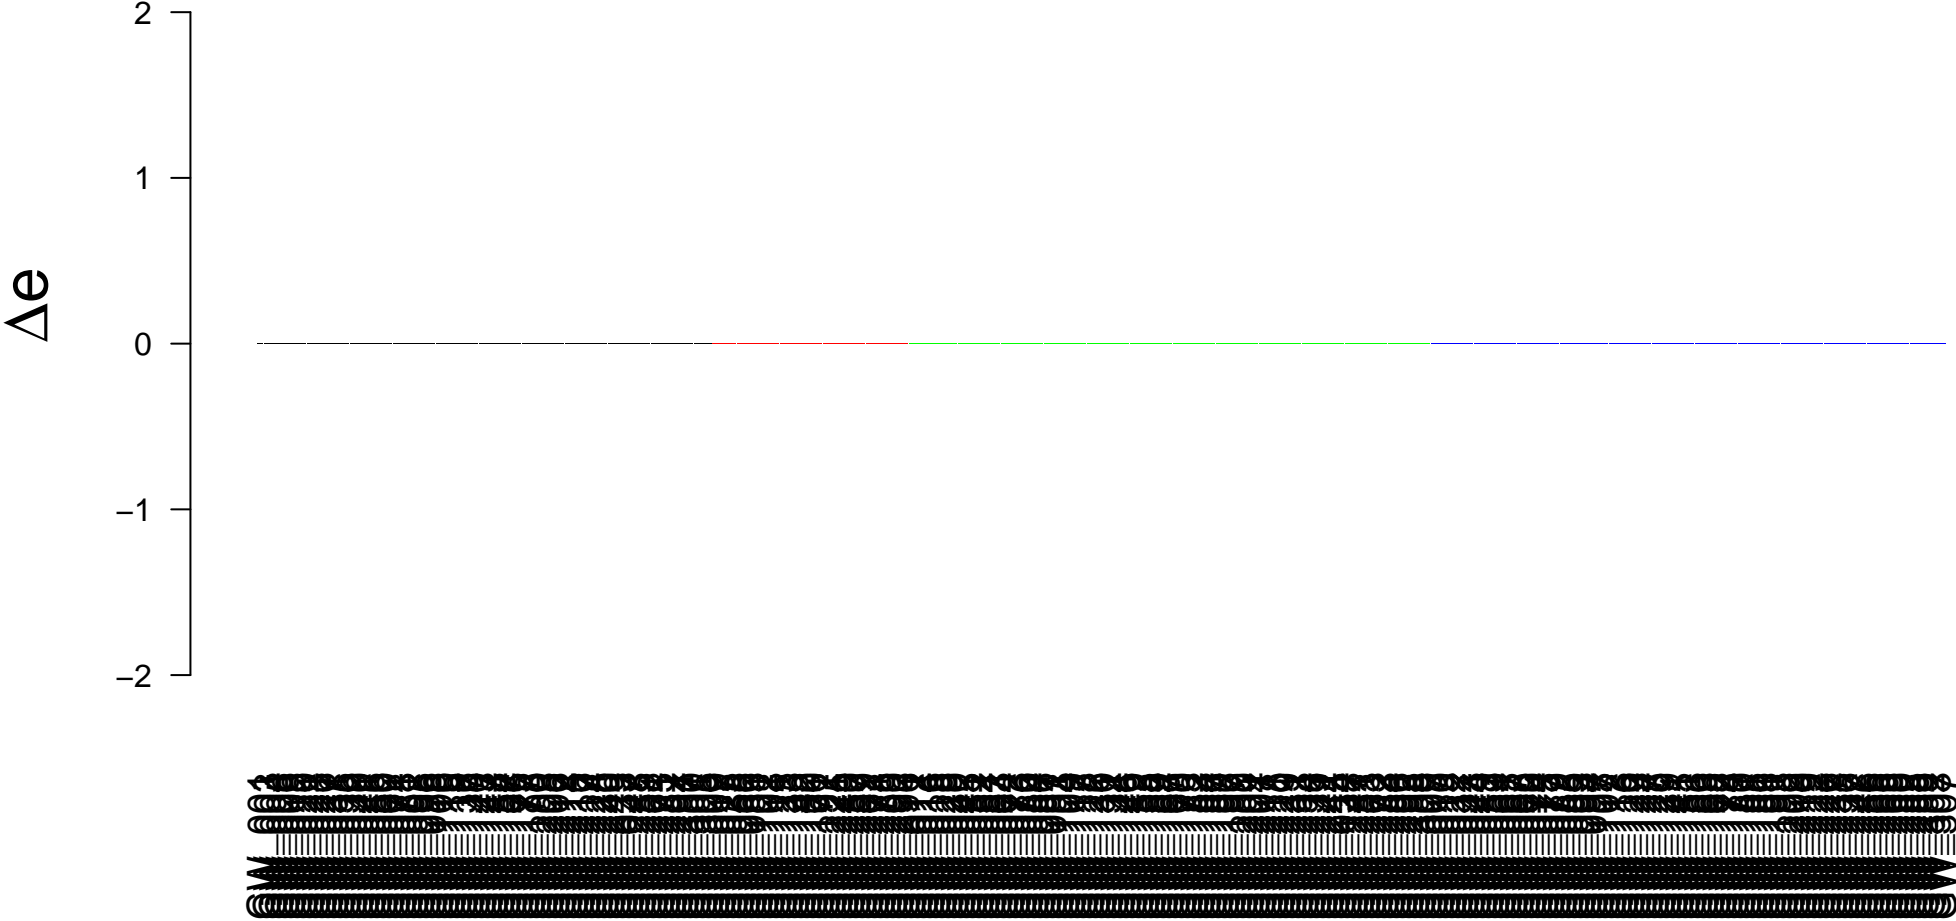

Expression of cellular response to cadmium ion in Spot D

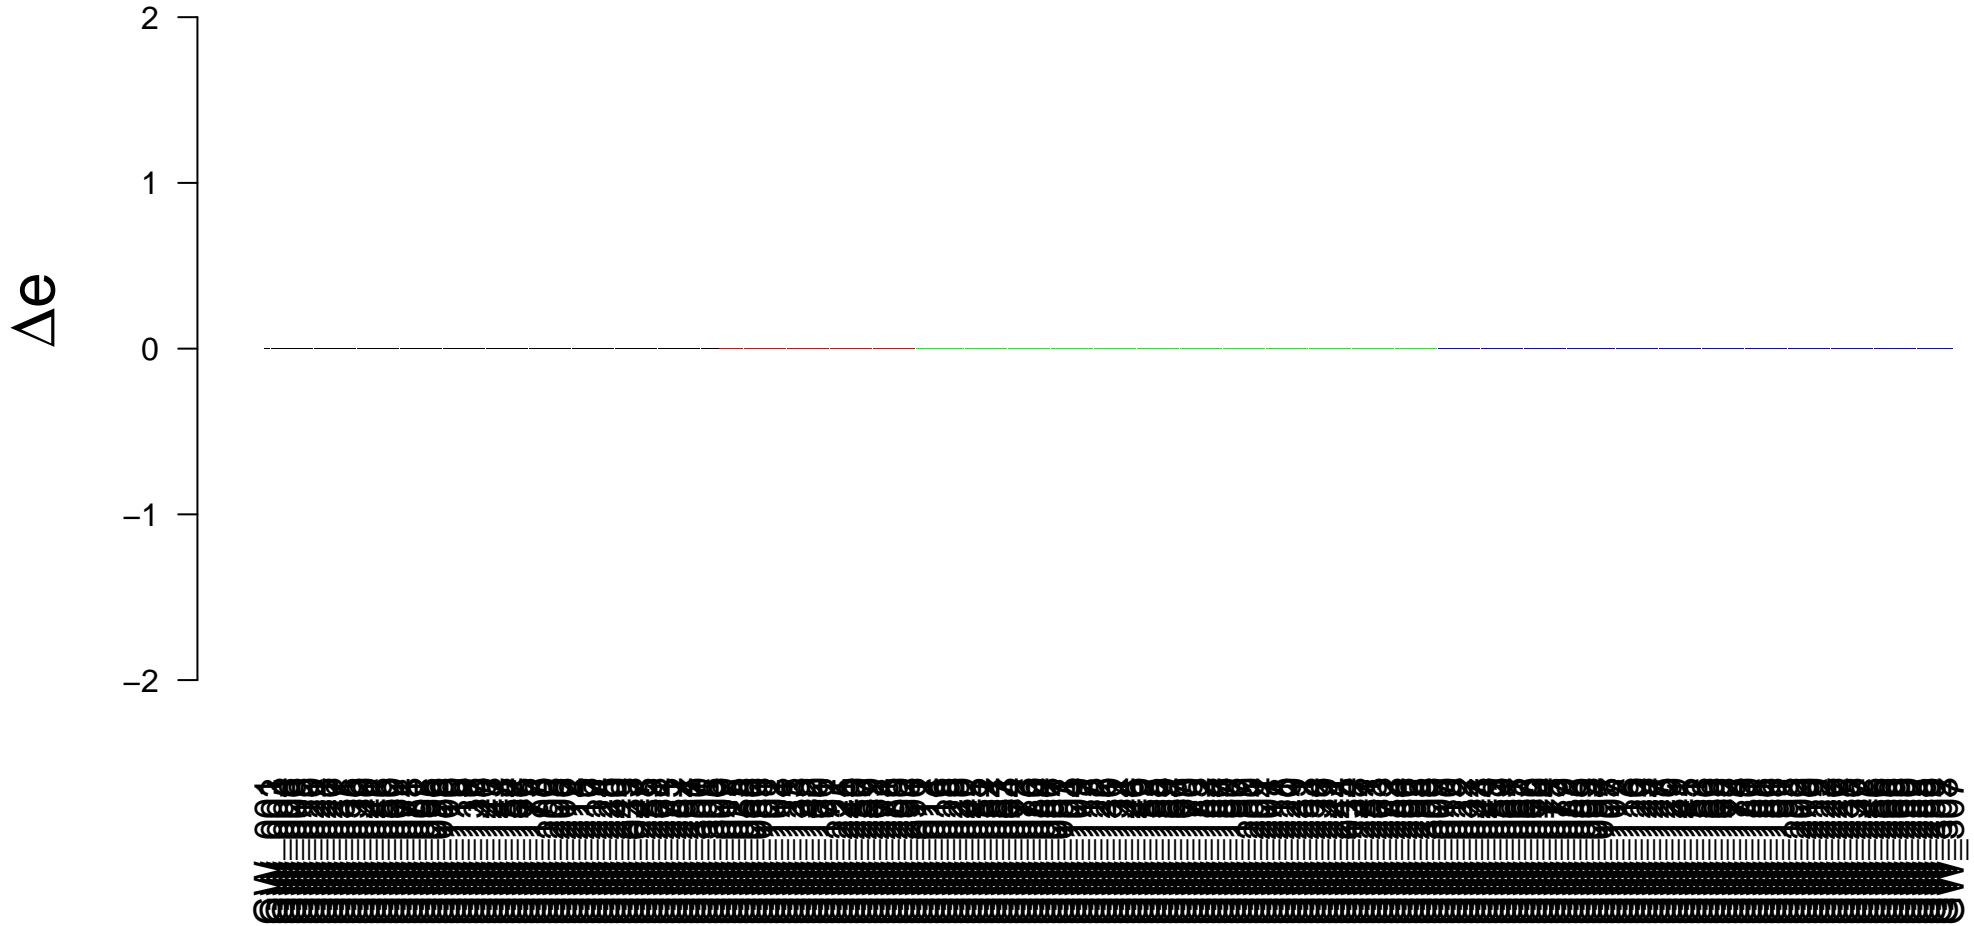

Expression of cellular response to cadmium ion in Spot E

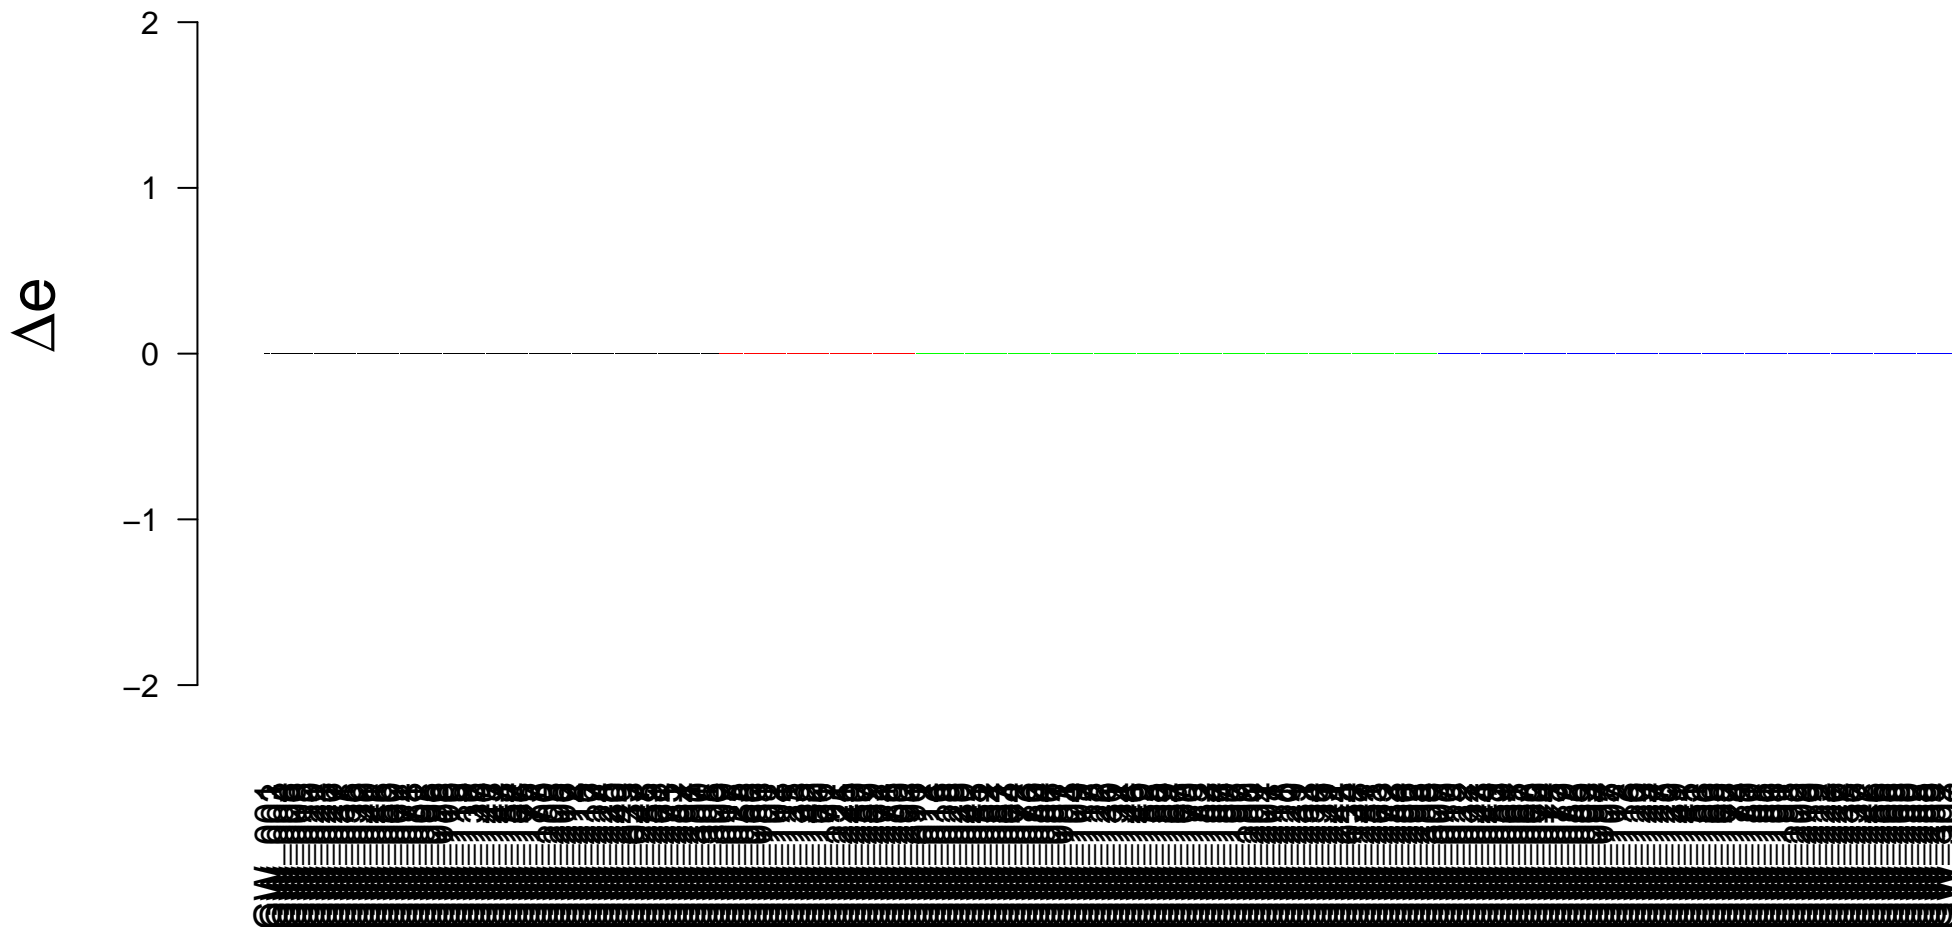

Expression of cellular response to cadmium ion in Spot F

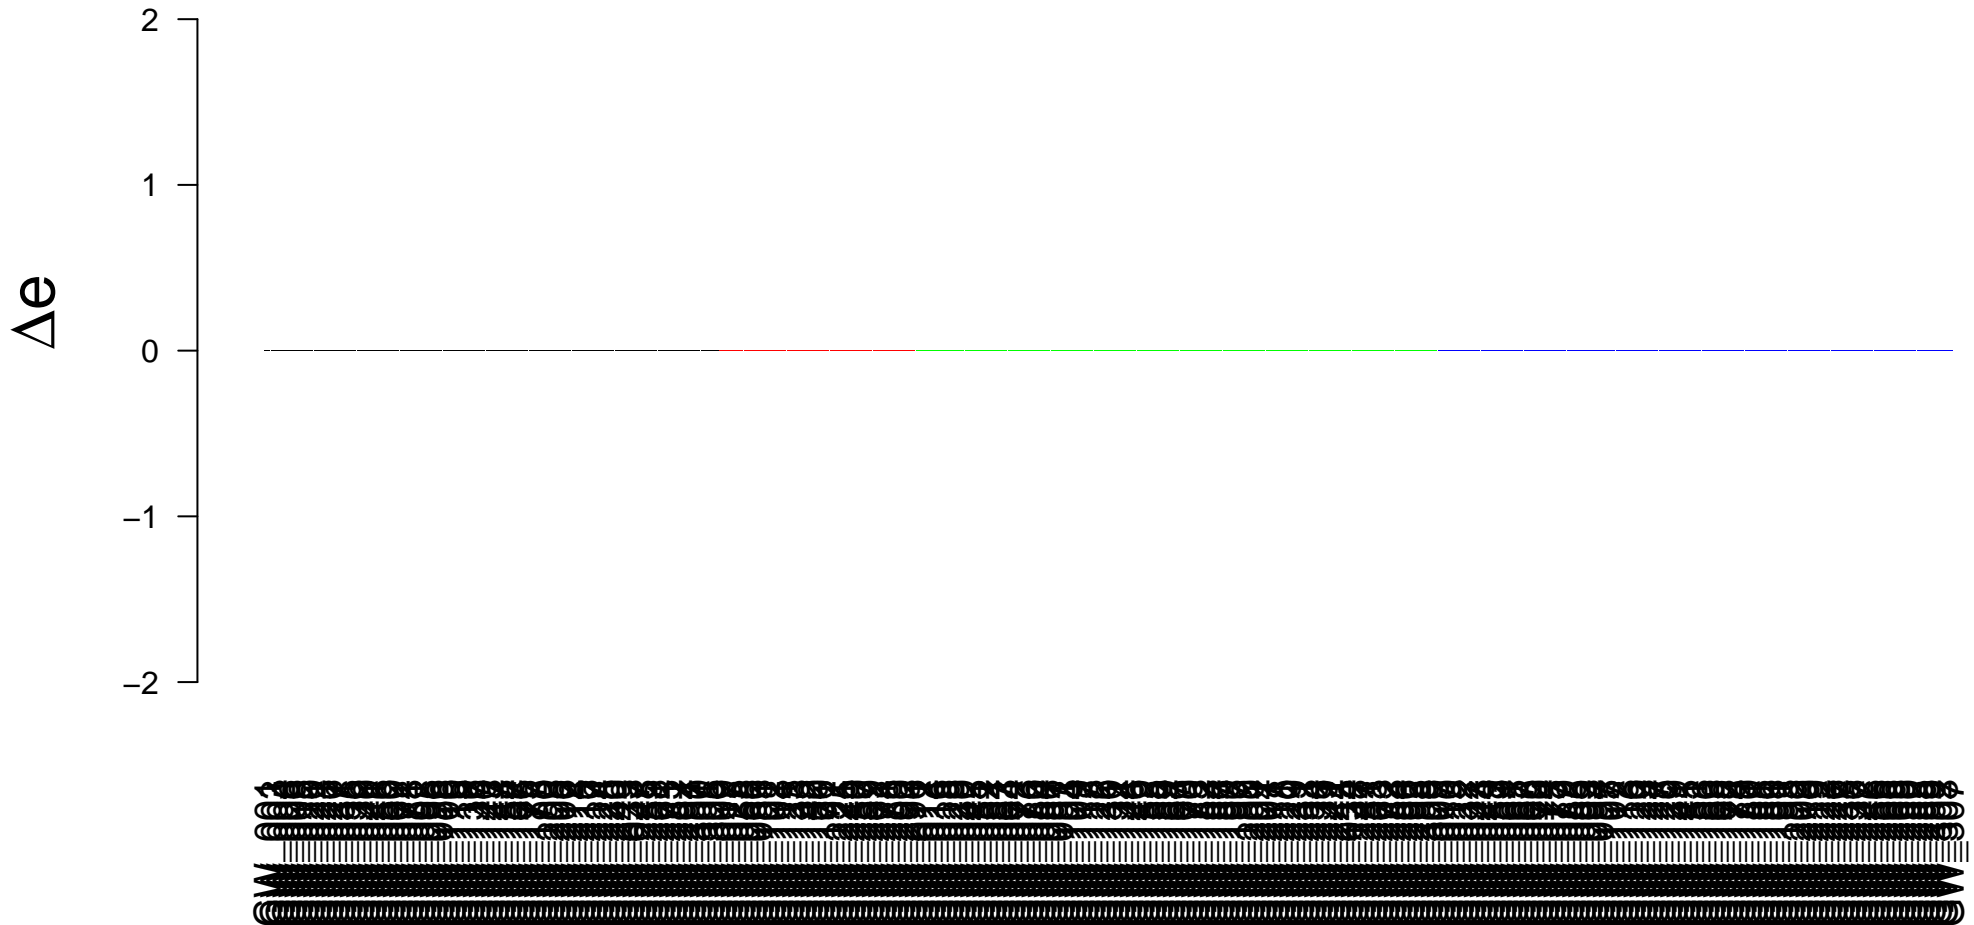

Expression of cellular response to cadmium ion in Spot G

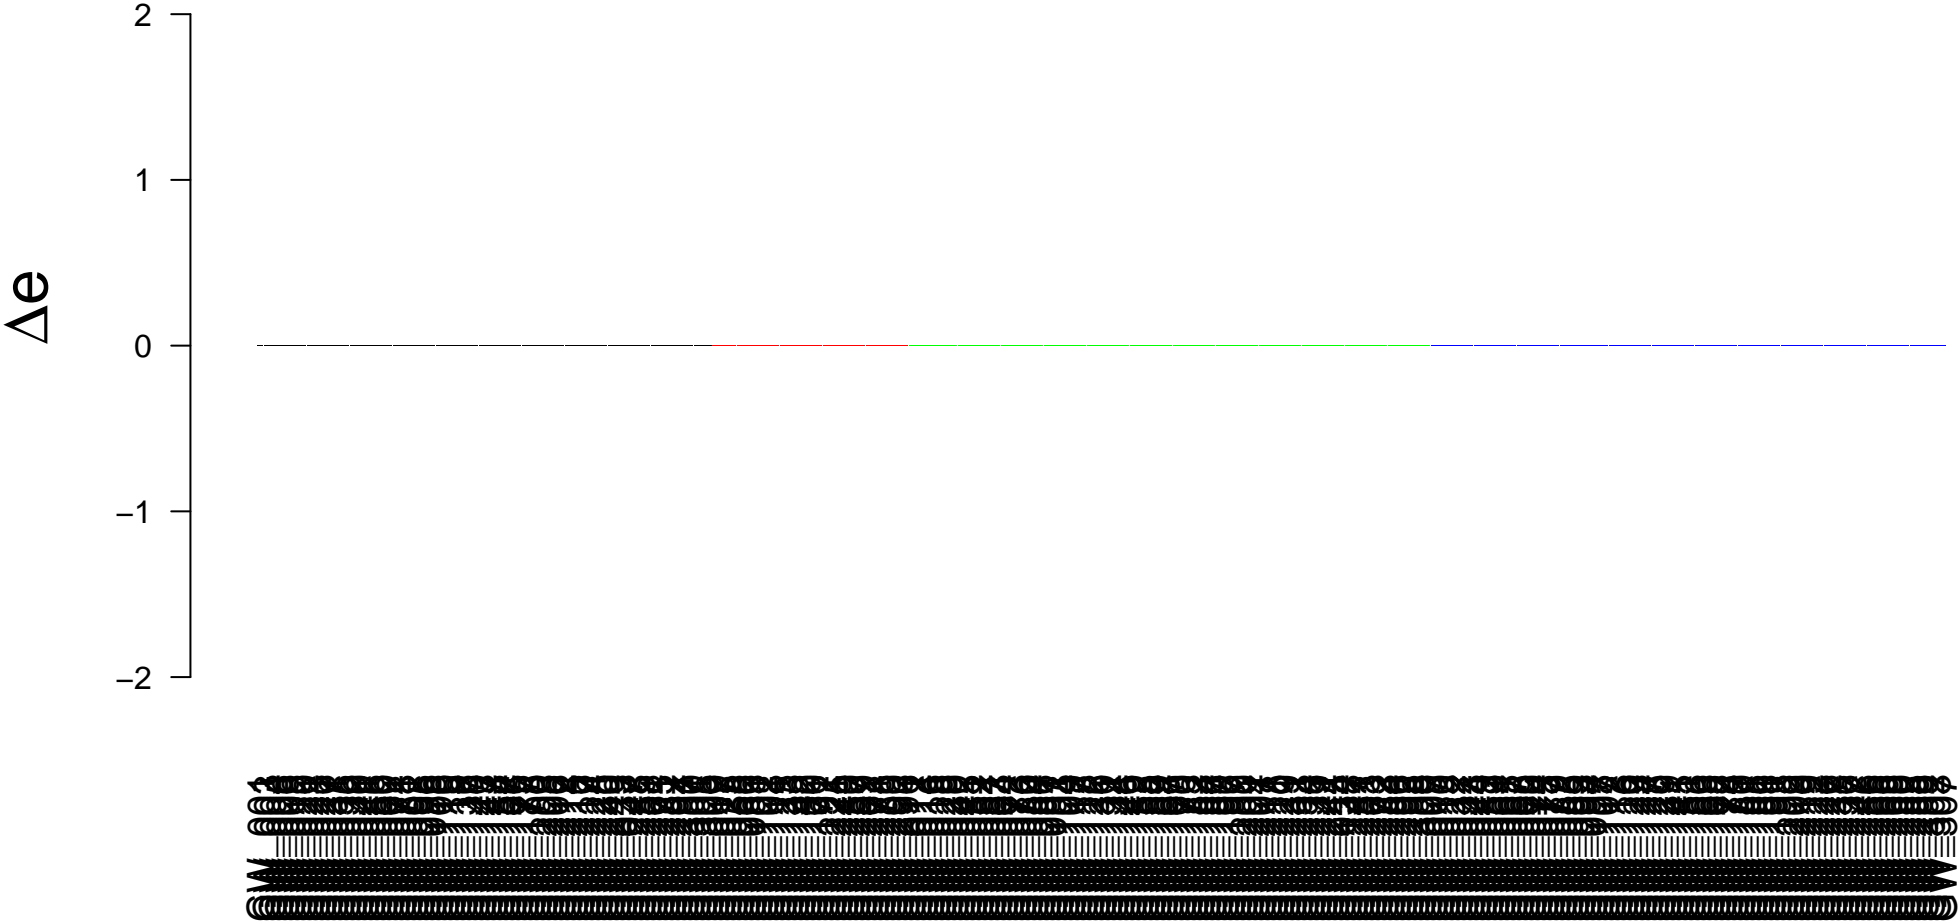

Expression of cellular response to cadmium ion in Spot H

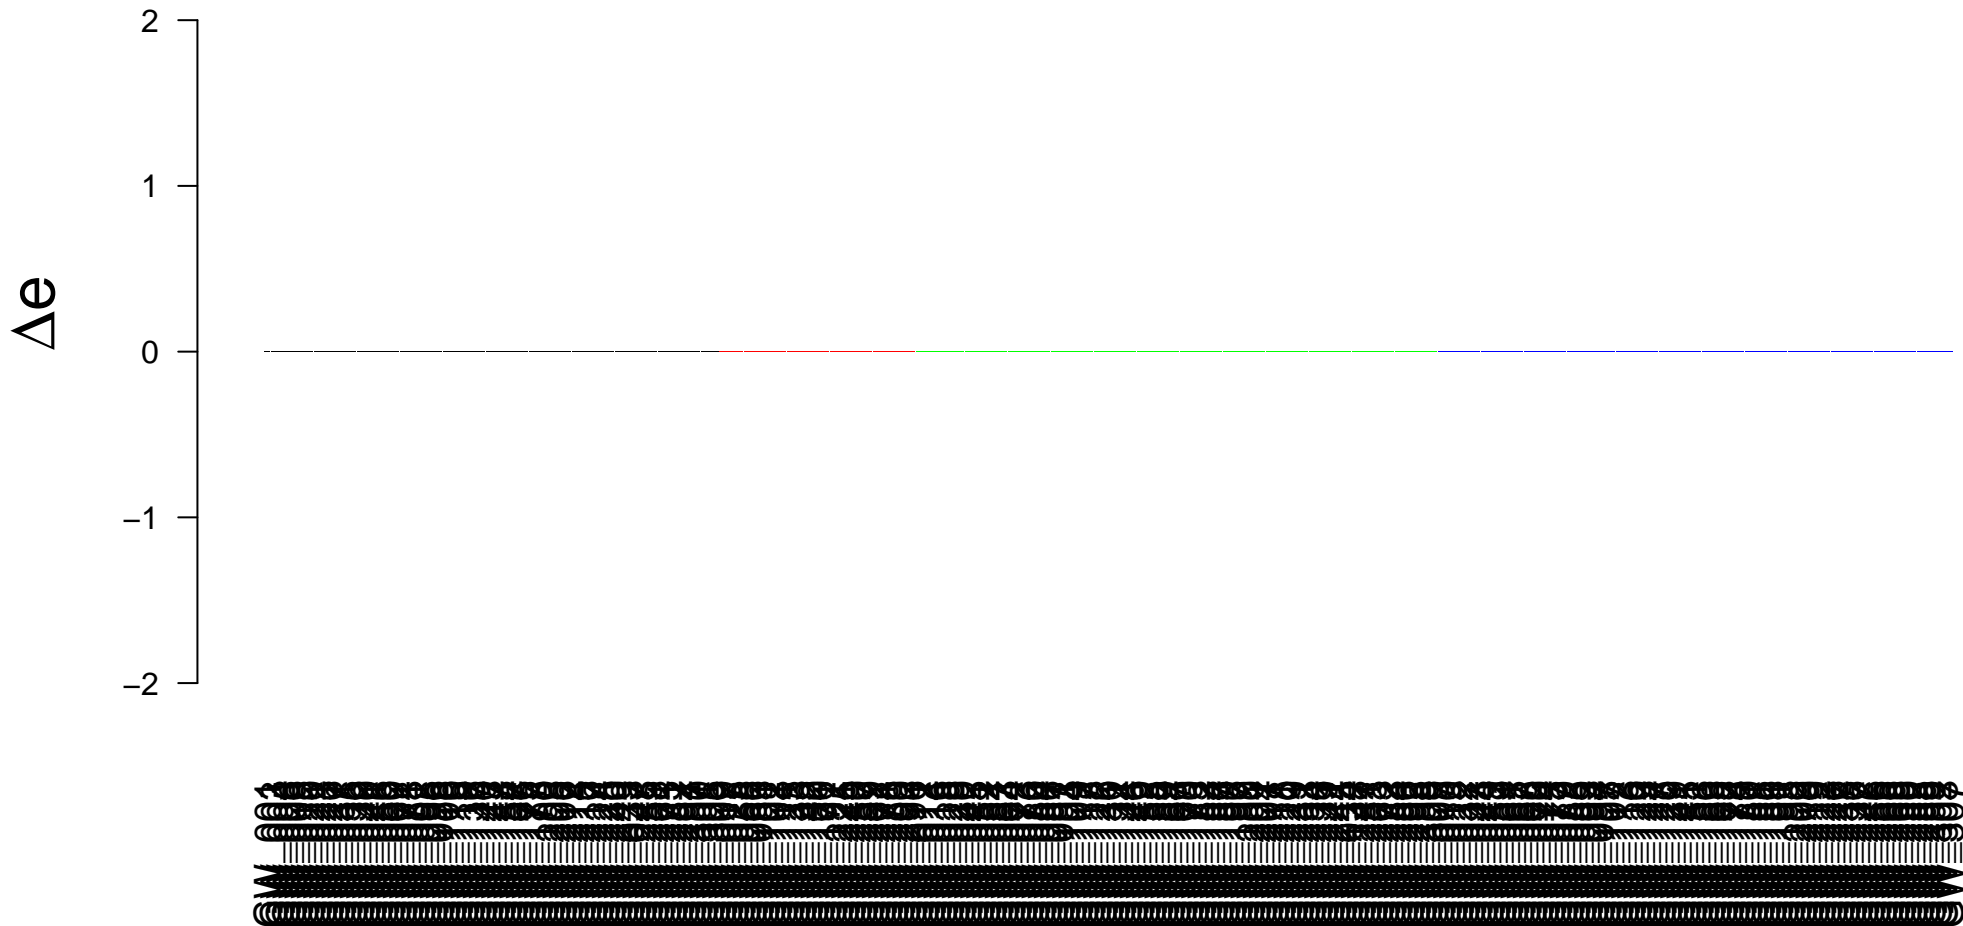

Expression of cellular response to cadmium ion in Spot I

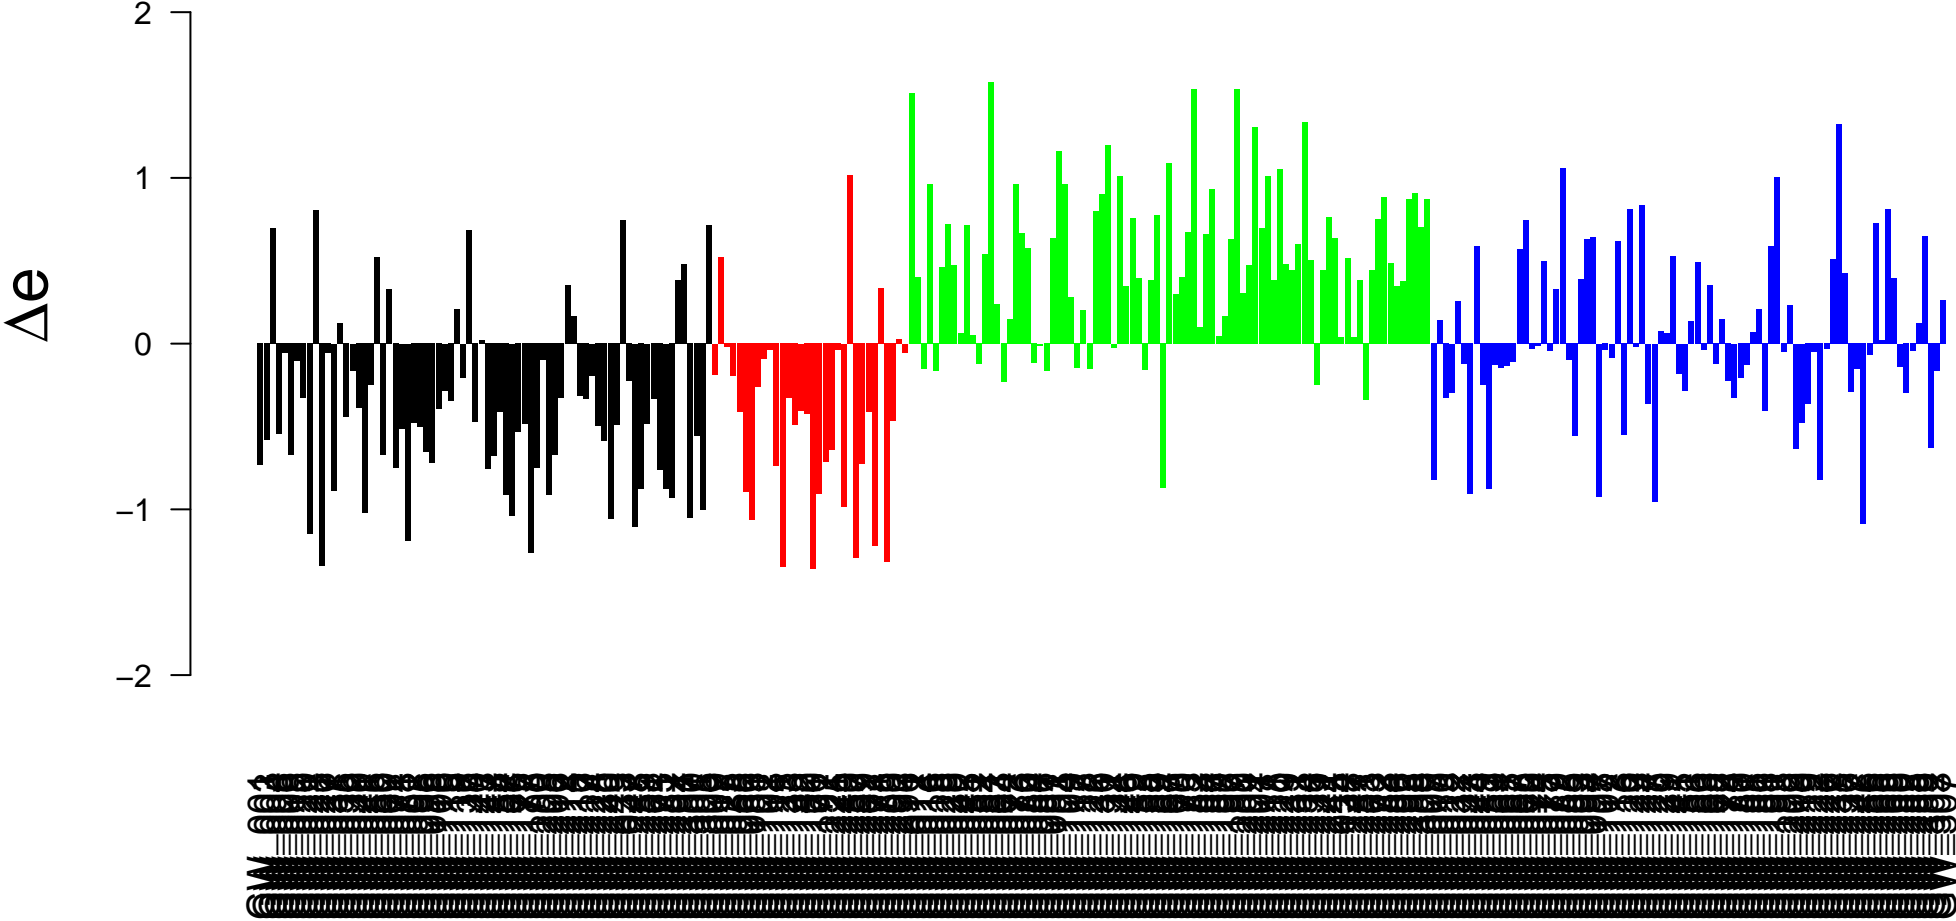

Expression of cellular response to cadmium ion in Spot J

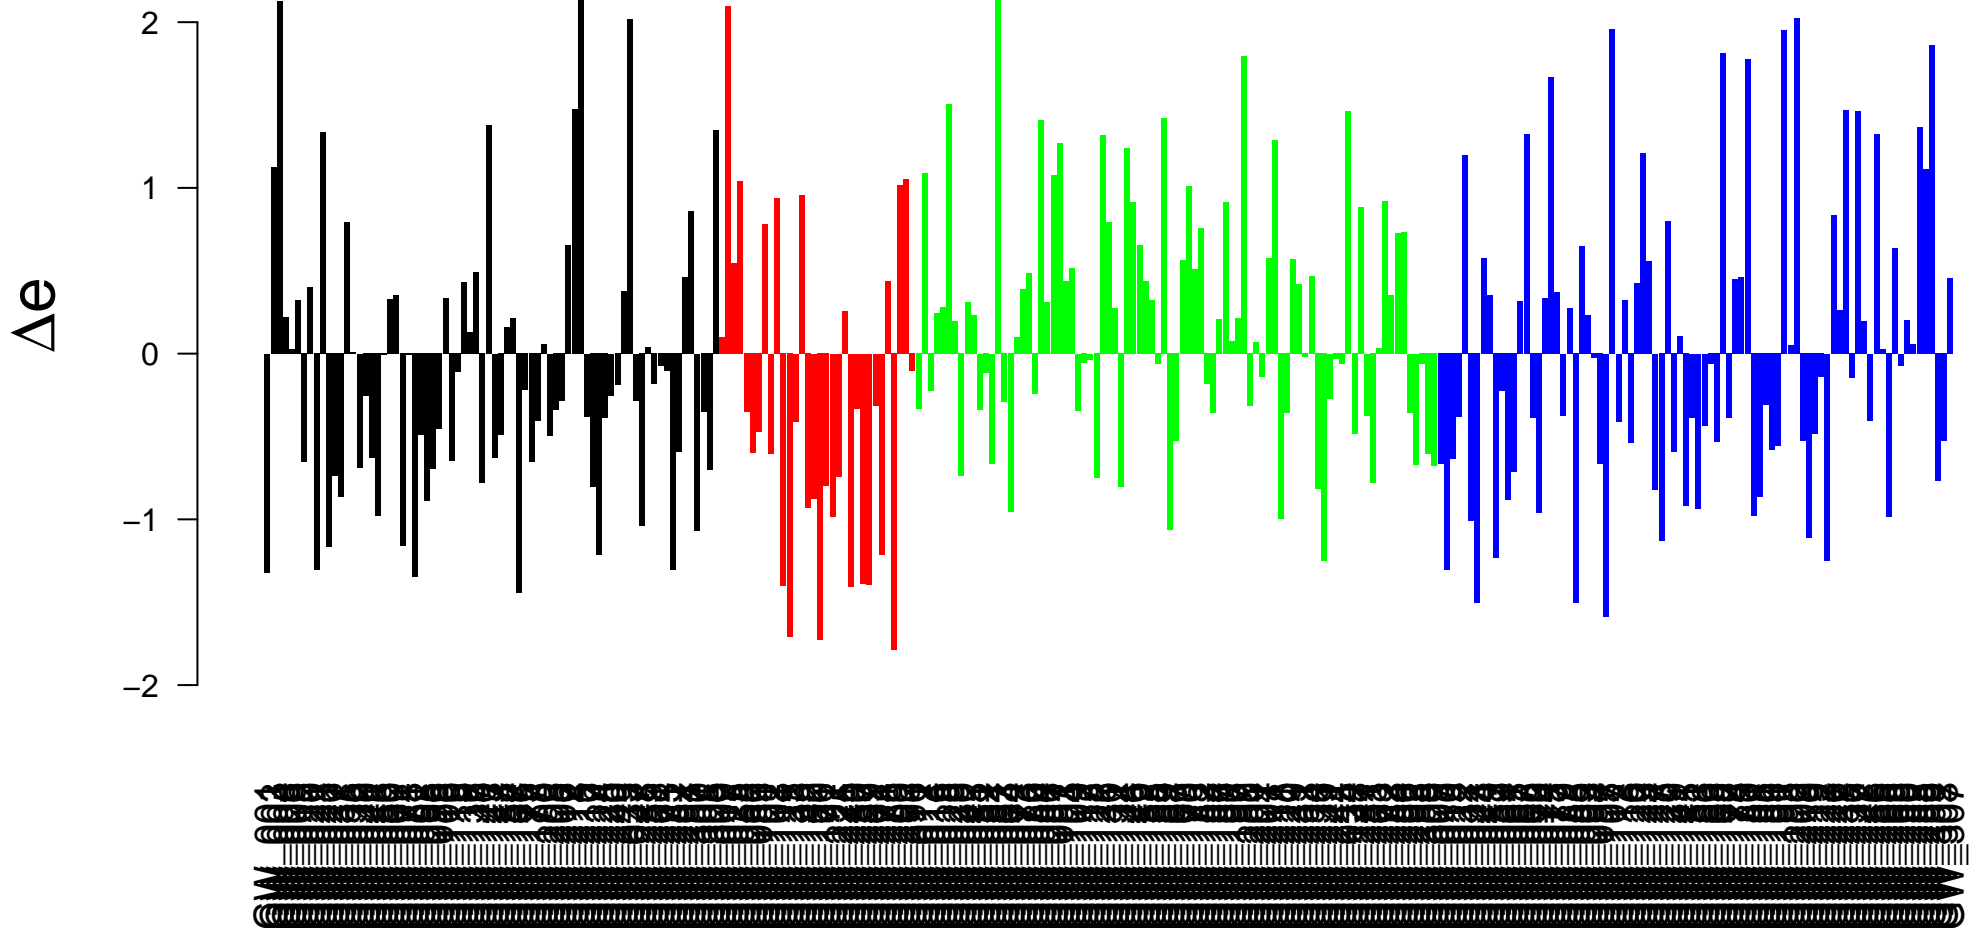

Expression of cellular response to cadmium ion in Spot K

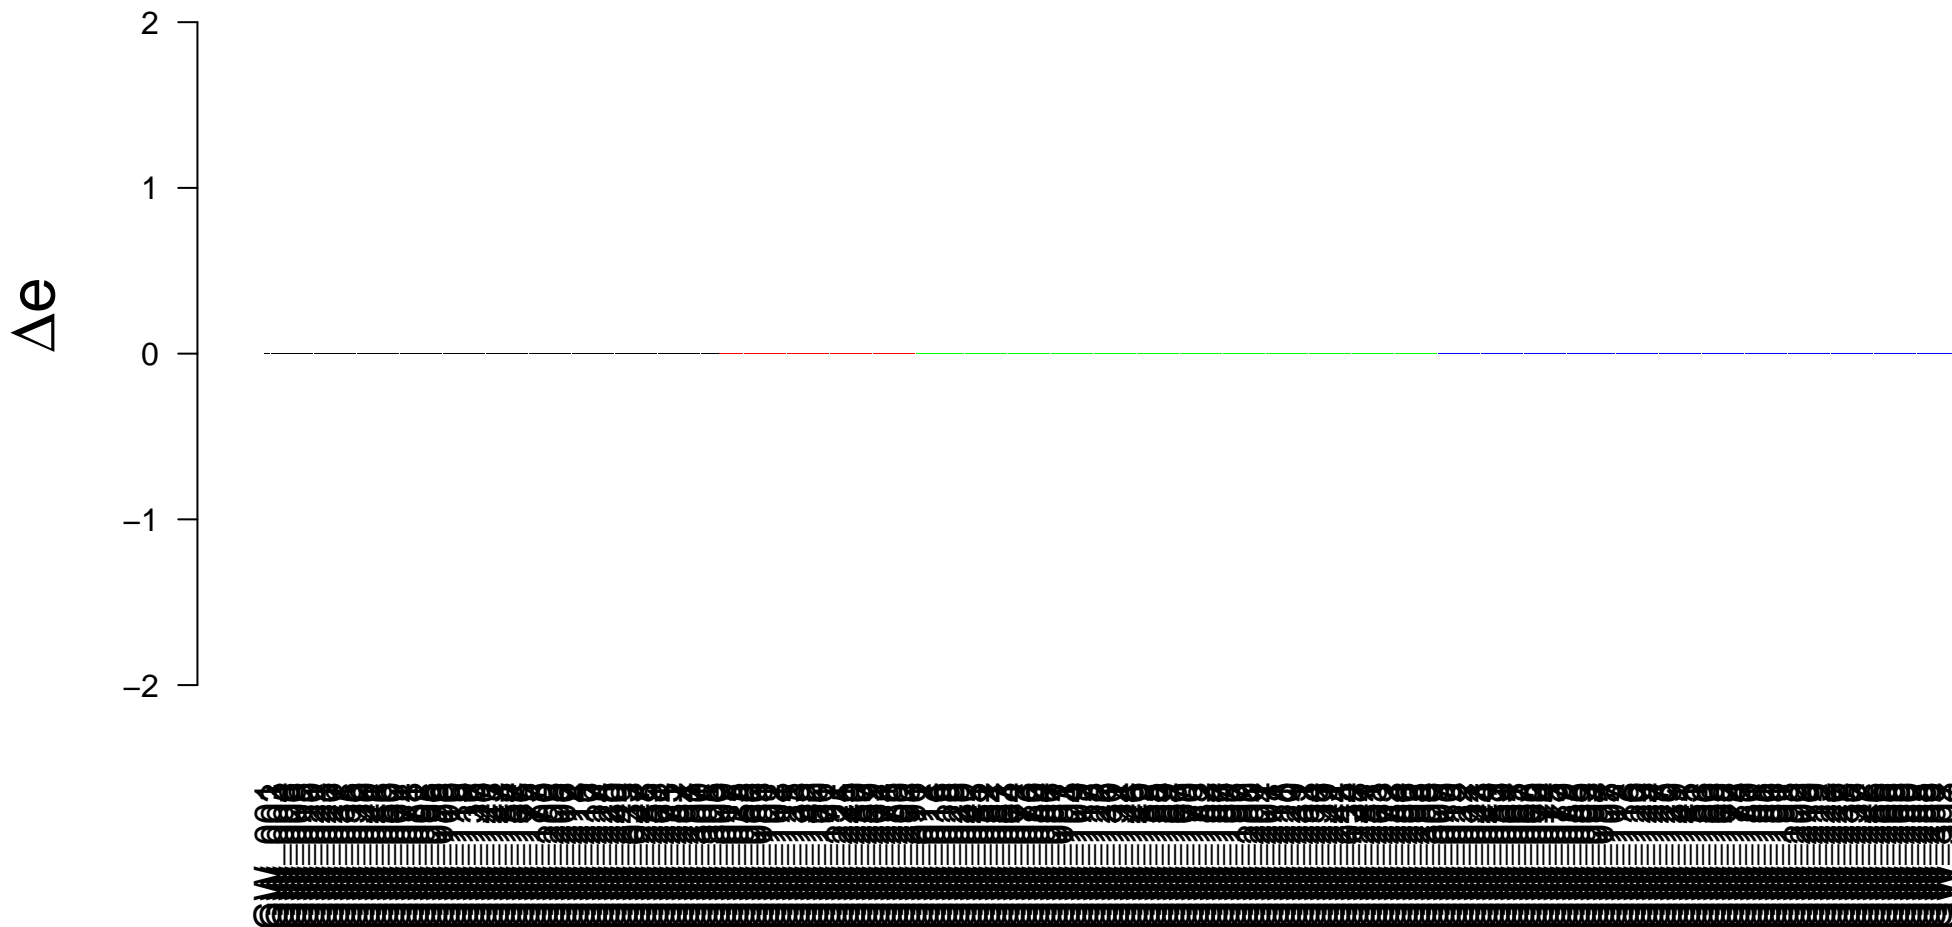

Expression of cellular response to cadmium ion in Spot L

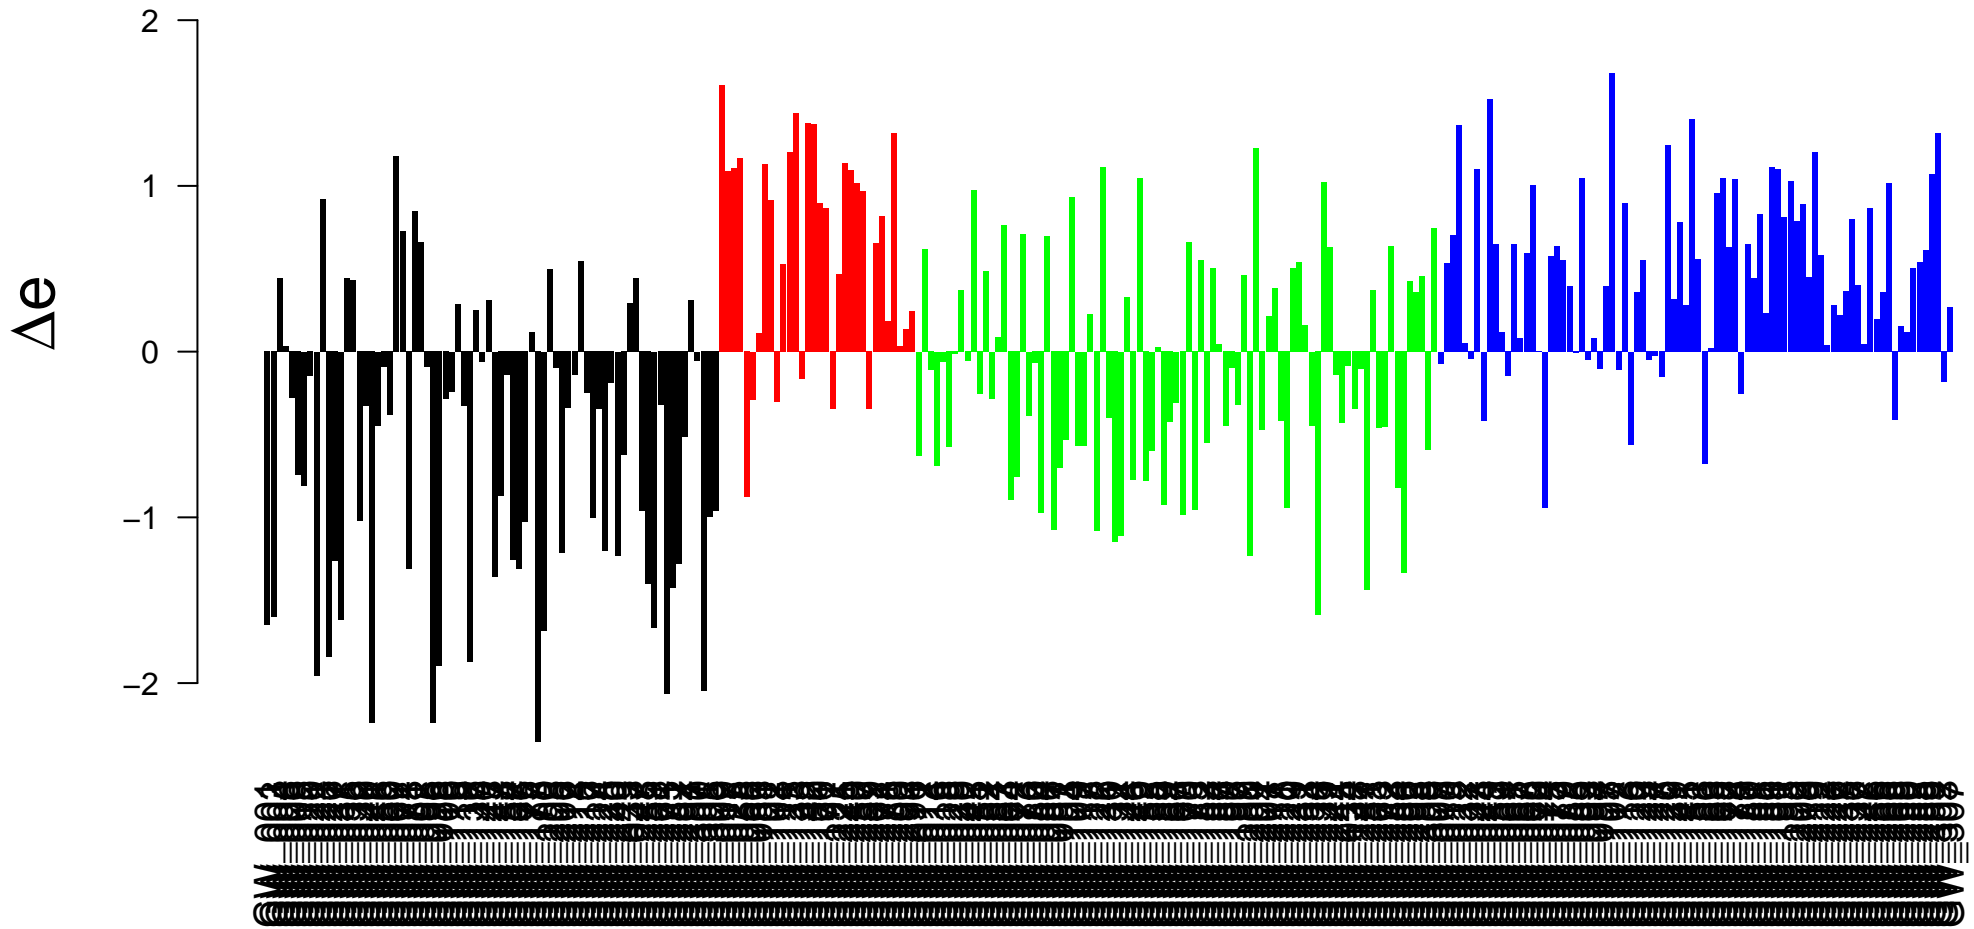

Expression of cellular response to cadmium ion in Spot M

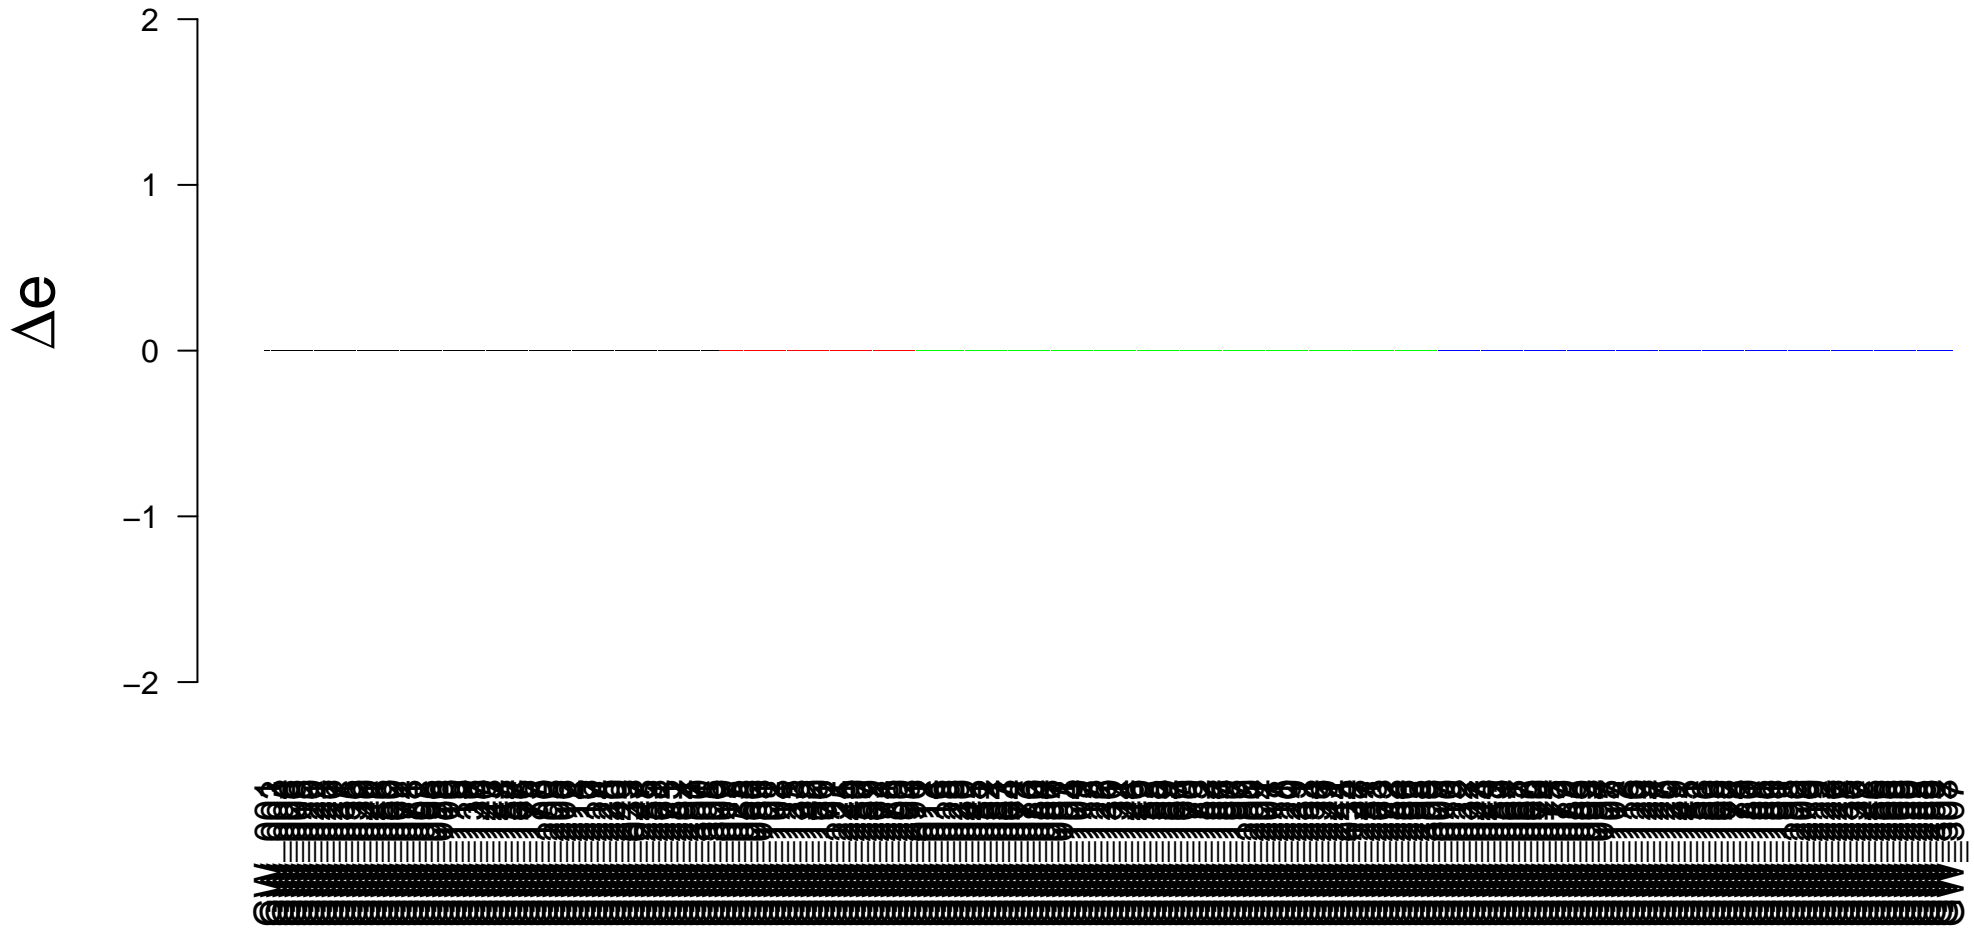

Expression of cellular response to cadmium ion in Spot N

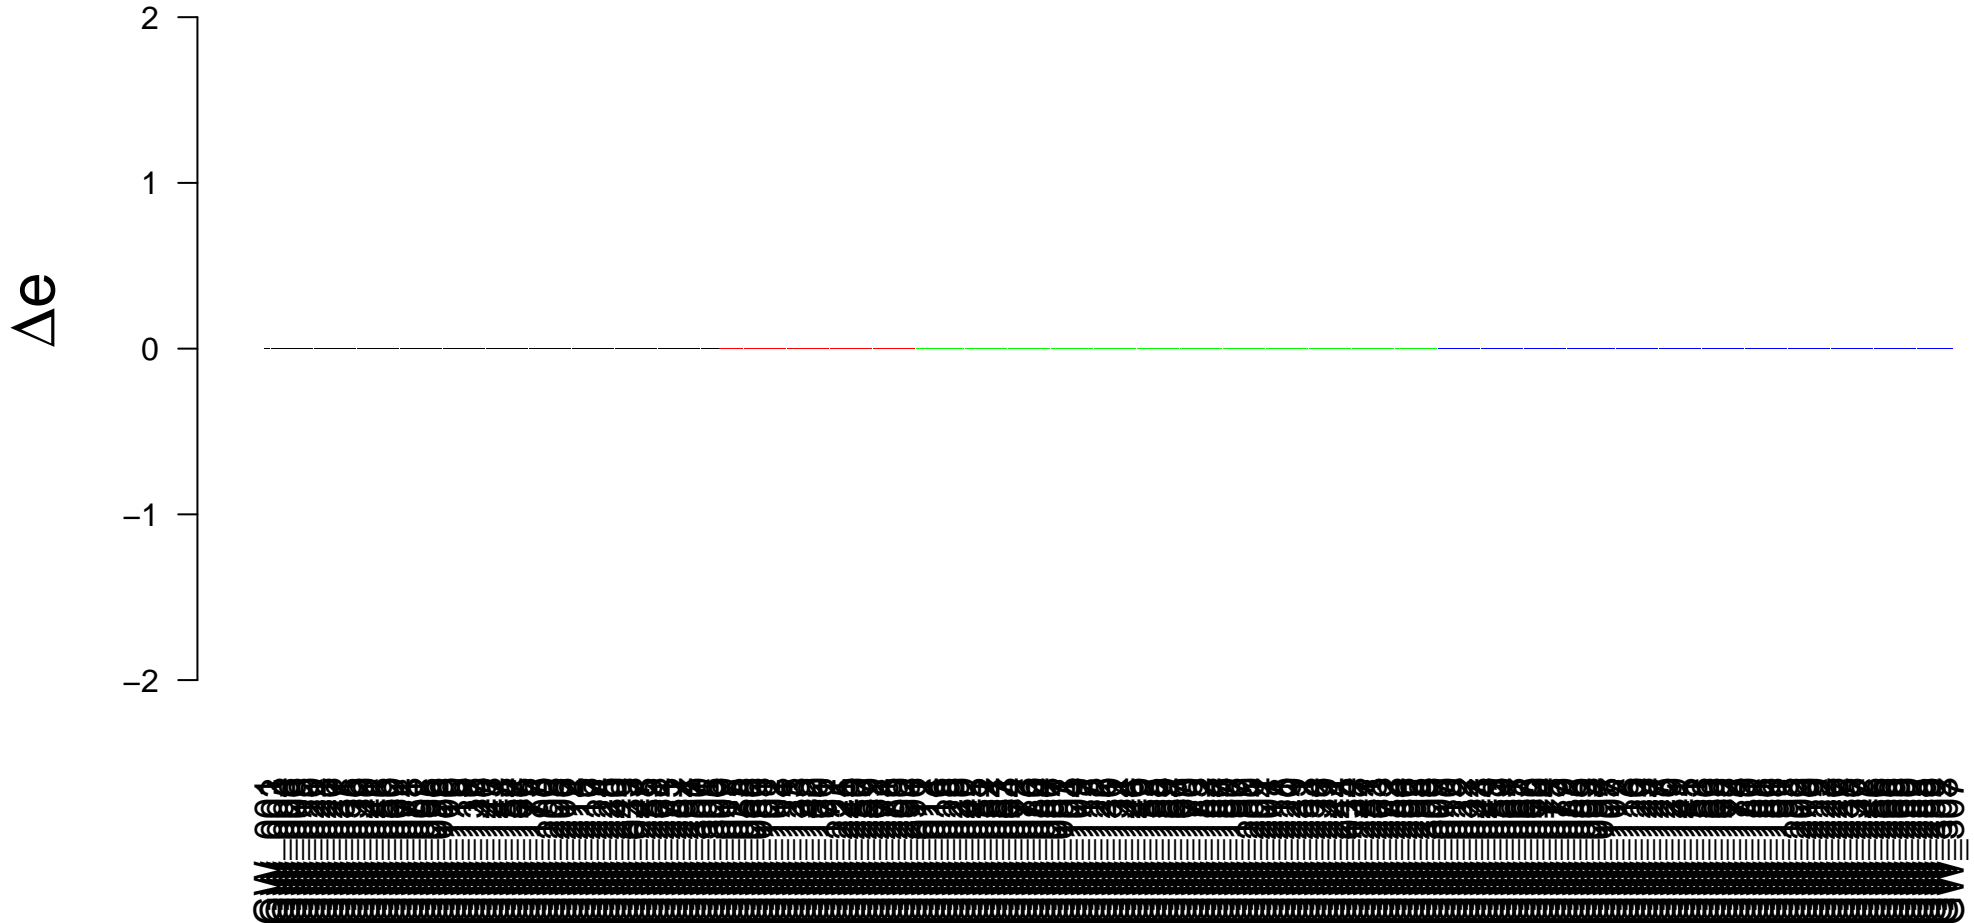

Expression of cellular response to cadmium ion in Spot O

Expression of cellular response to cadmium ion in Spot P

Expression of cellular response to cadmium ion in Spot Q

Expression of cellular response to cadmium ion in Spot R
