

cellular response to extracellular stimulus

cellular response to extracellular stimulus

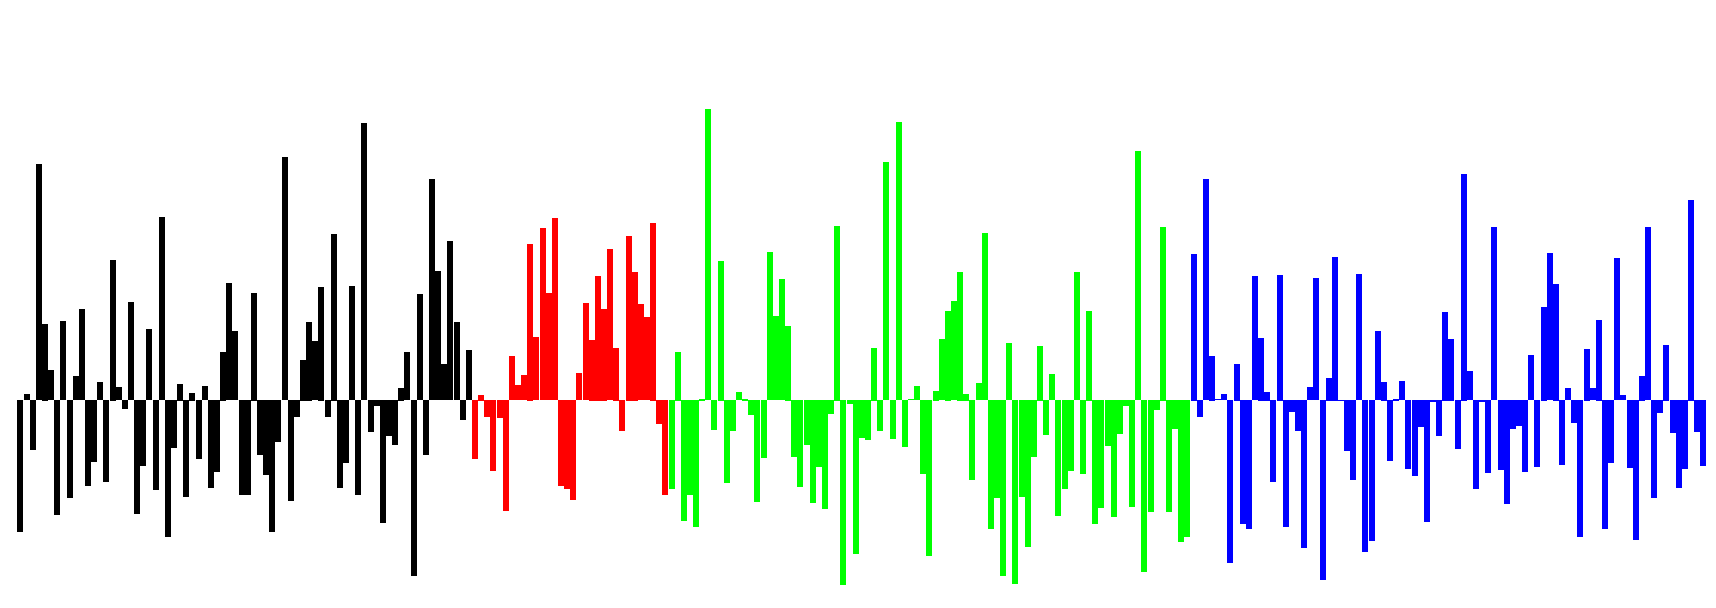

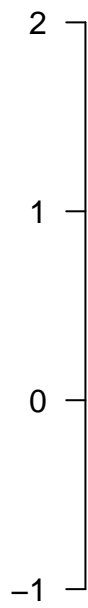

Enrichment in spots: cellular response to extracellular stimulus

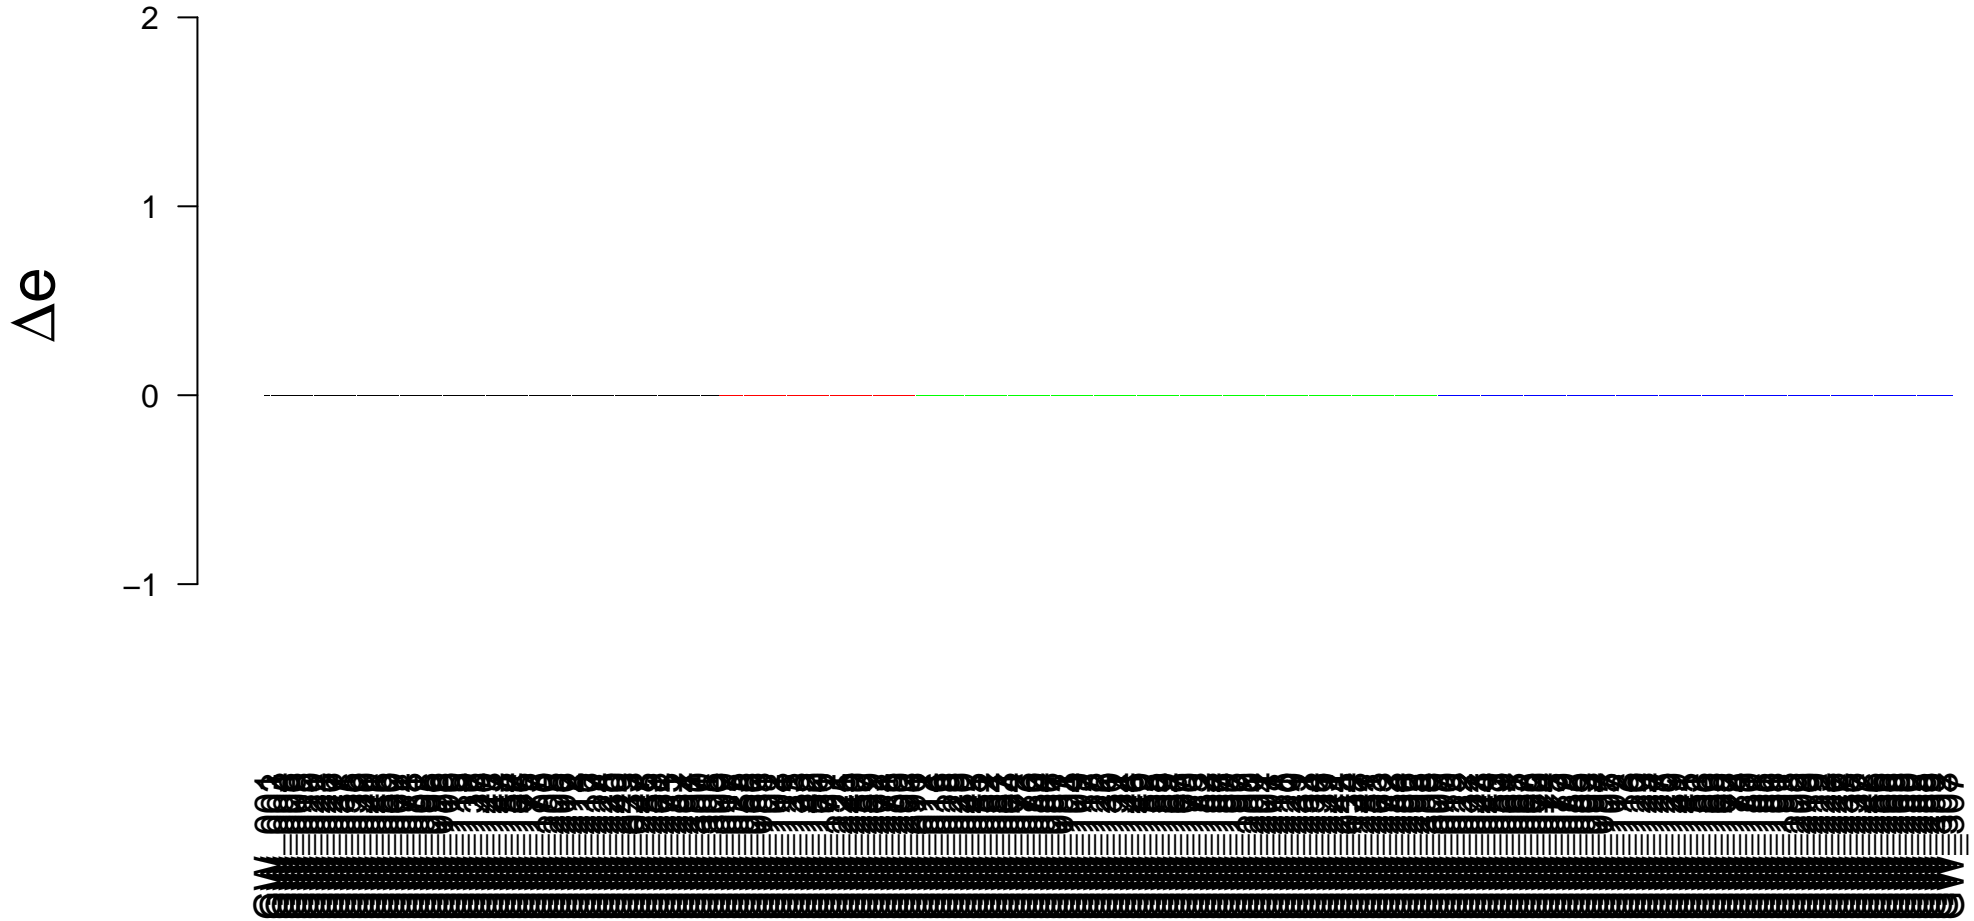

Expression of cellular response to extracellular stimulus in Spot A

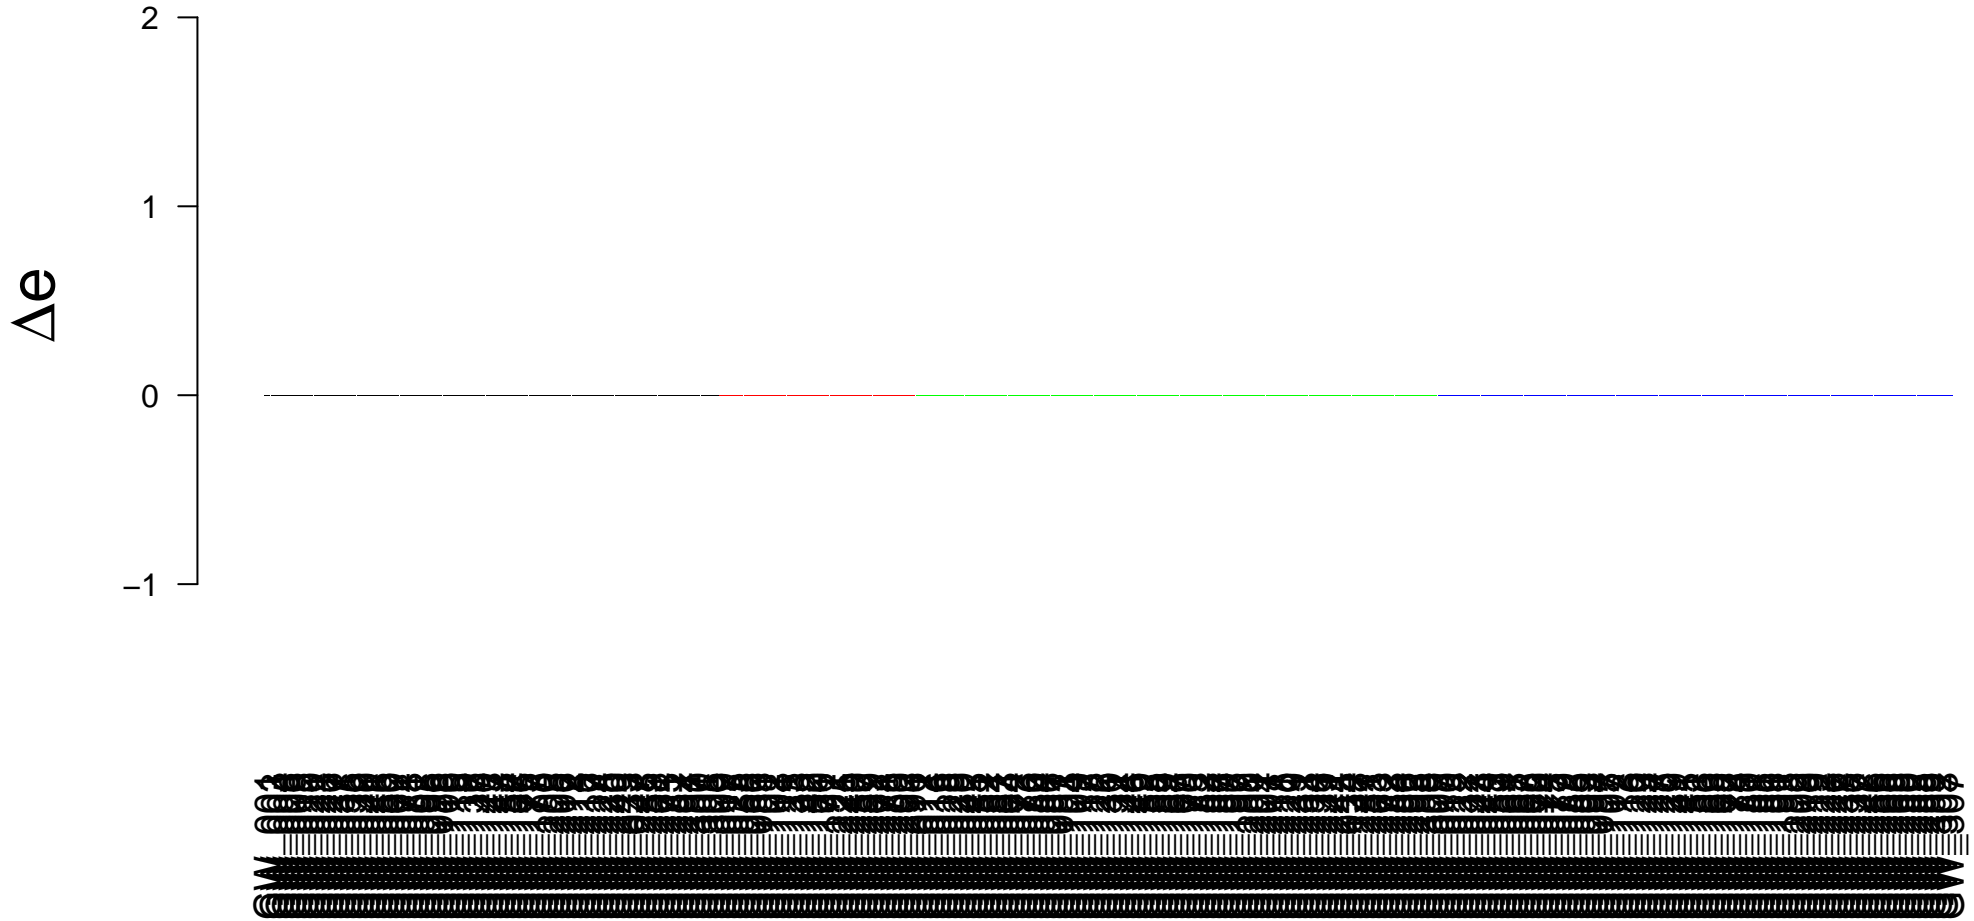

Δe

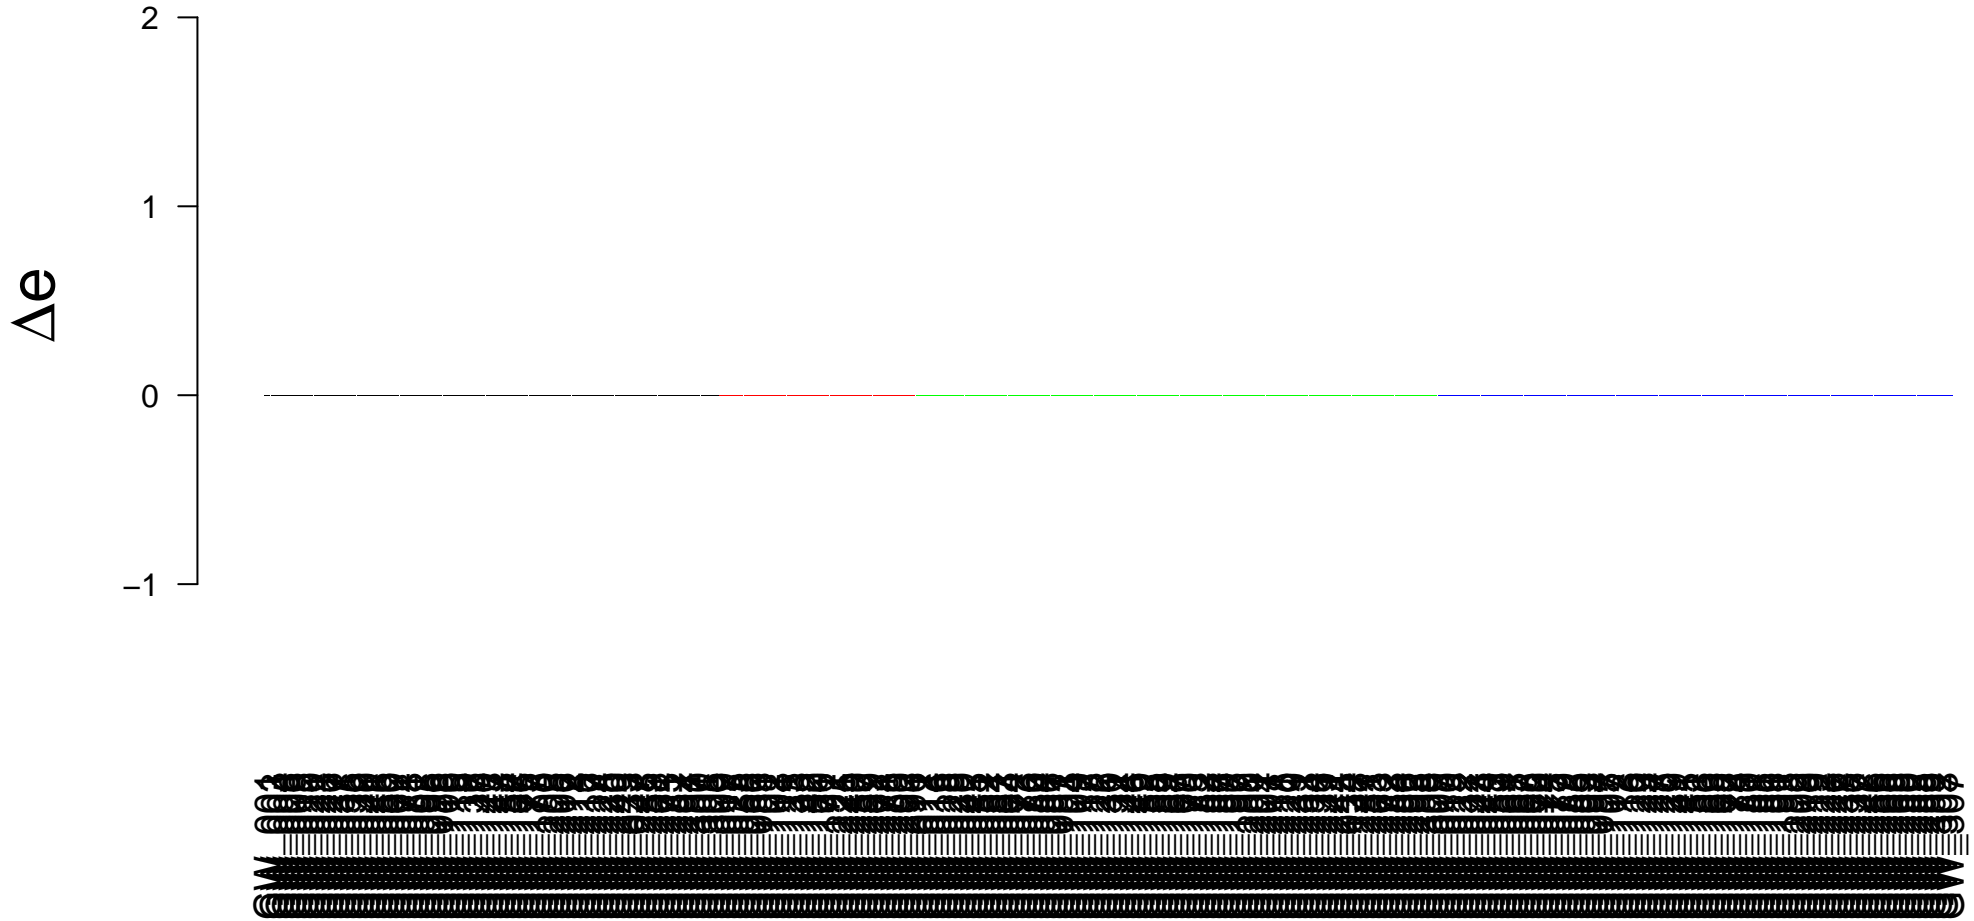

Expression of cellular response to extracellular stimulus in Spot B

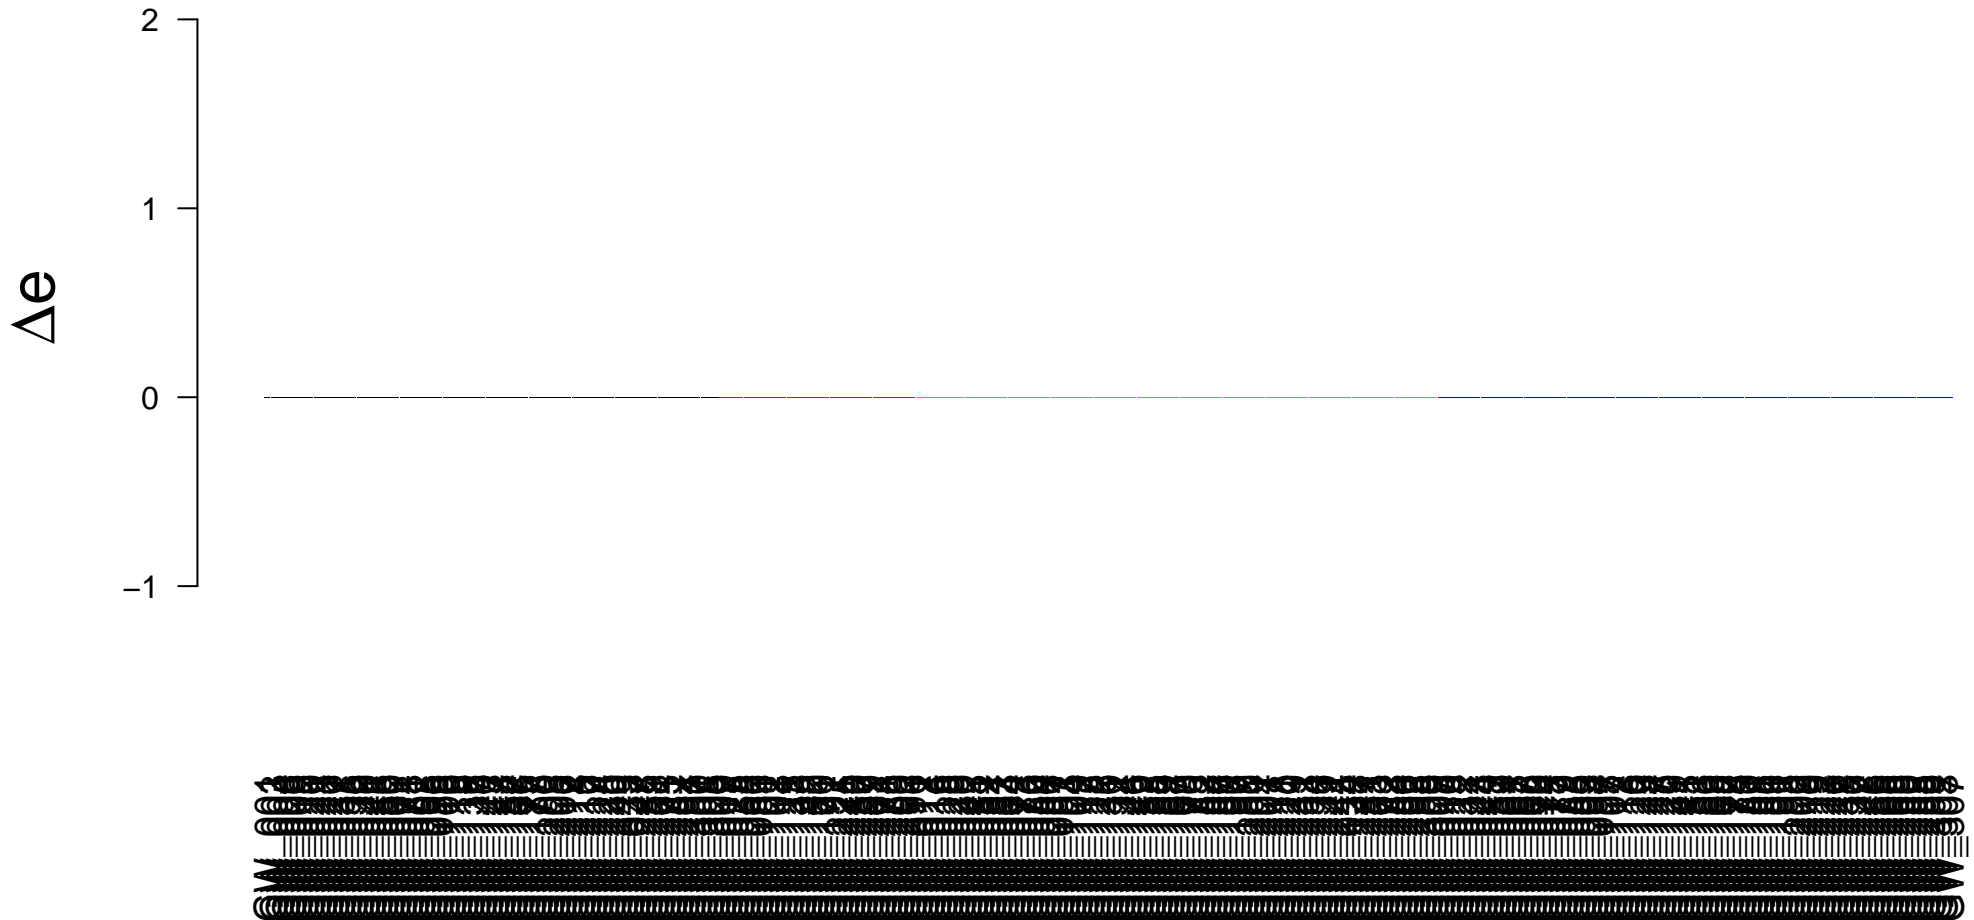

Expression of cellular response to extracellular stimulus in Spot C

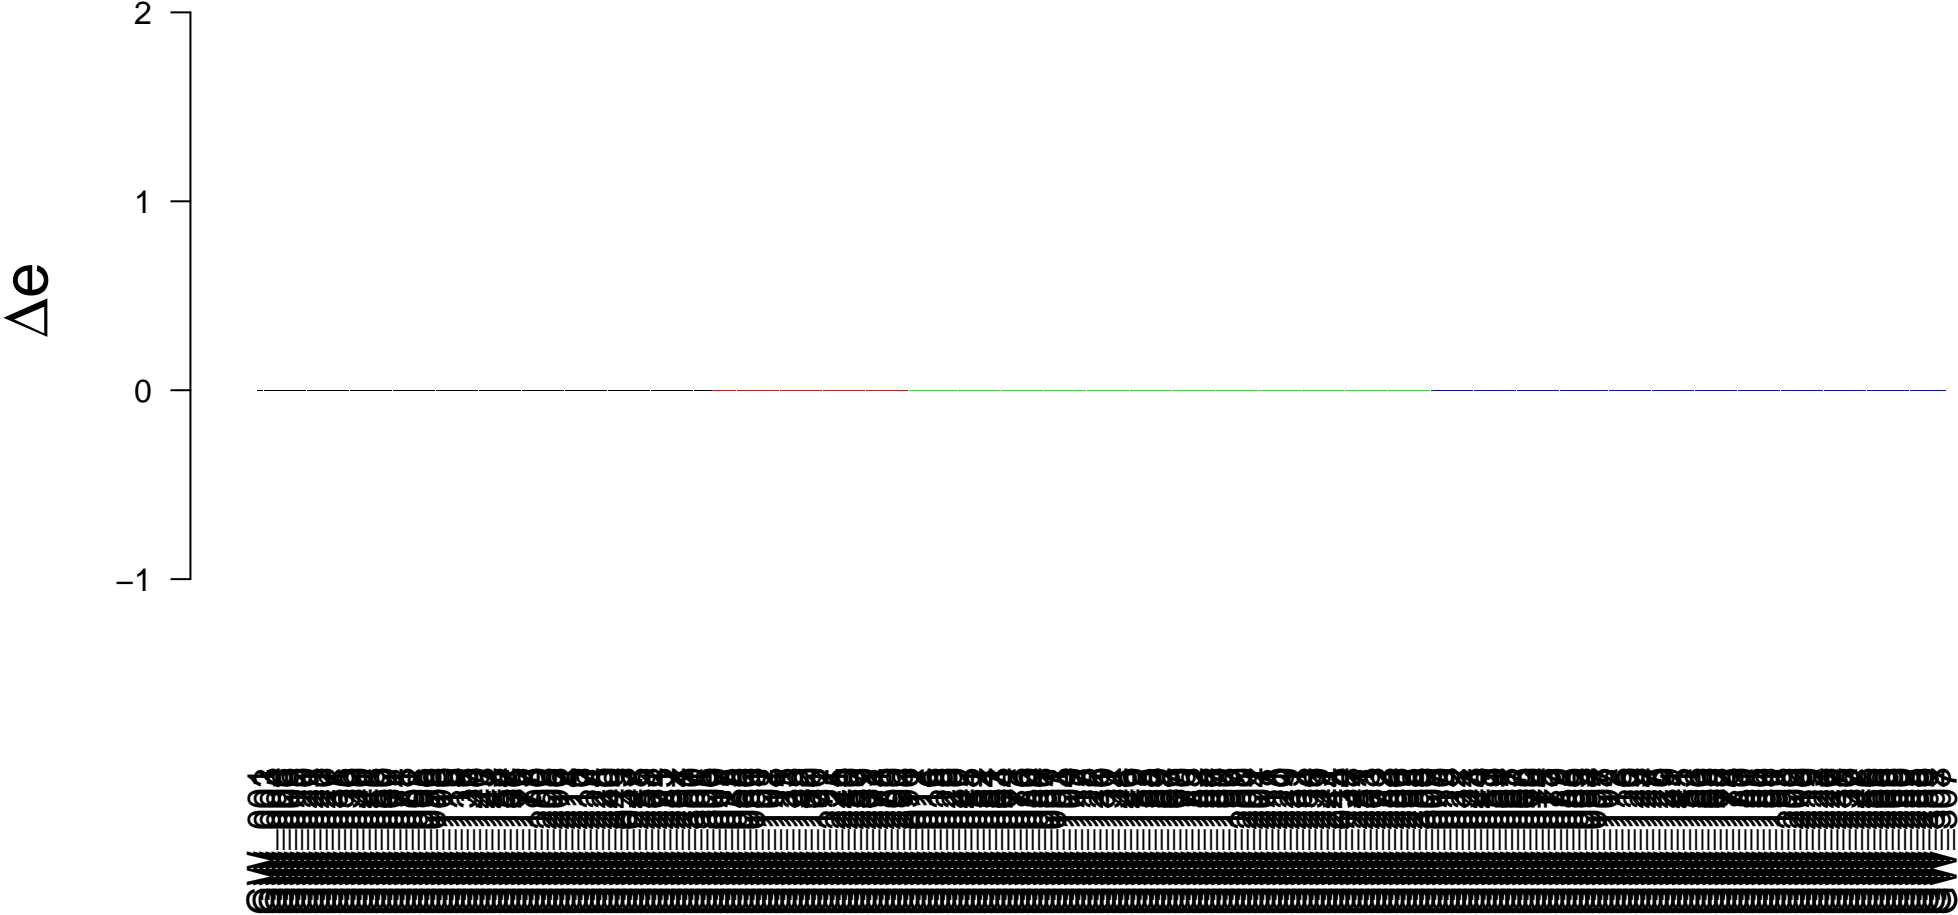

Expression of cellular response to extracellular stimulus in Spot D

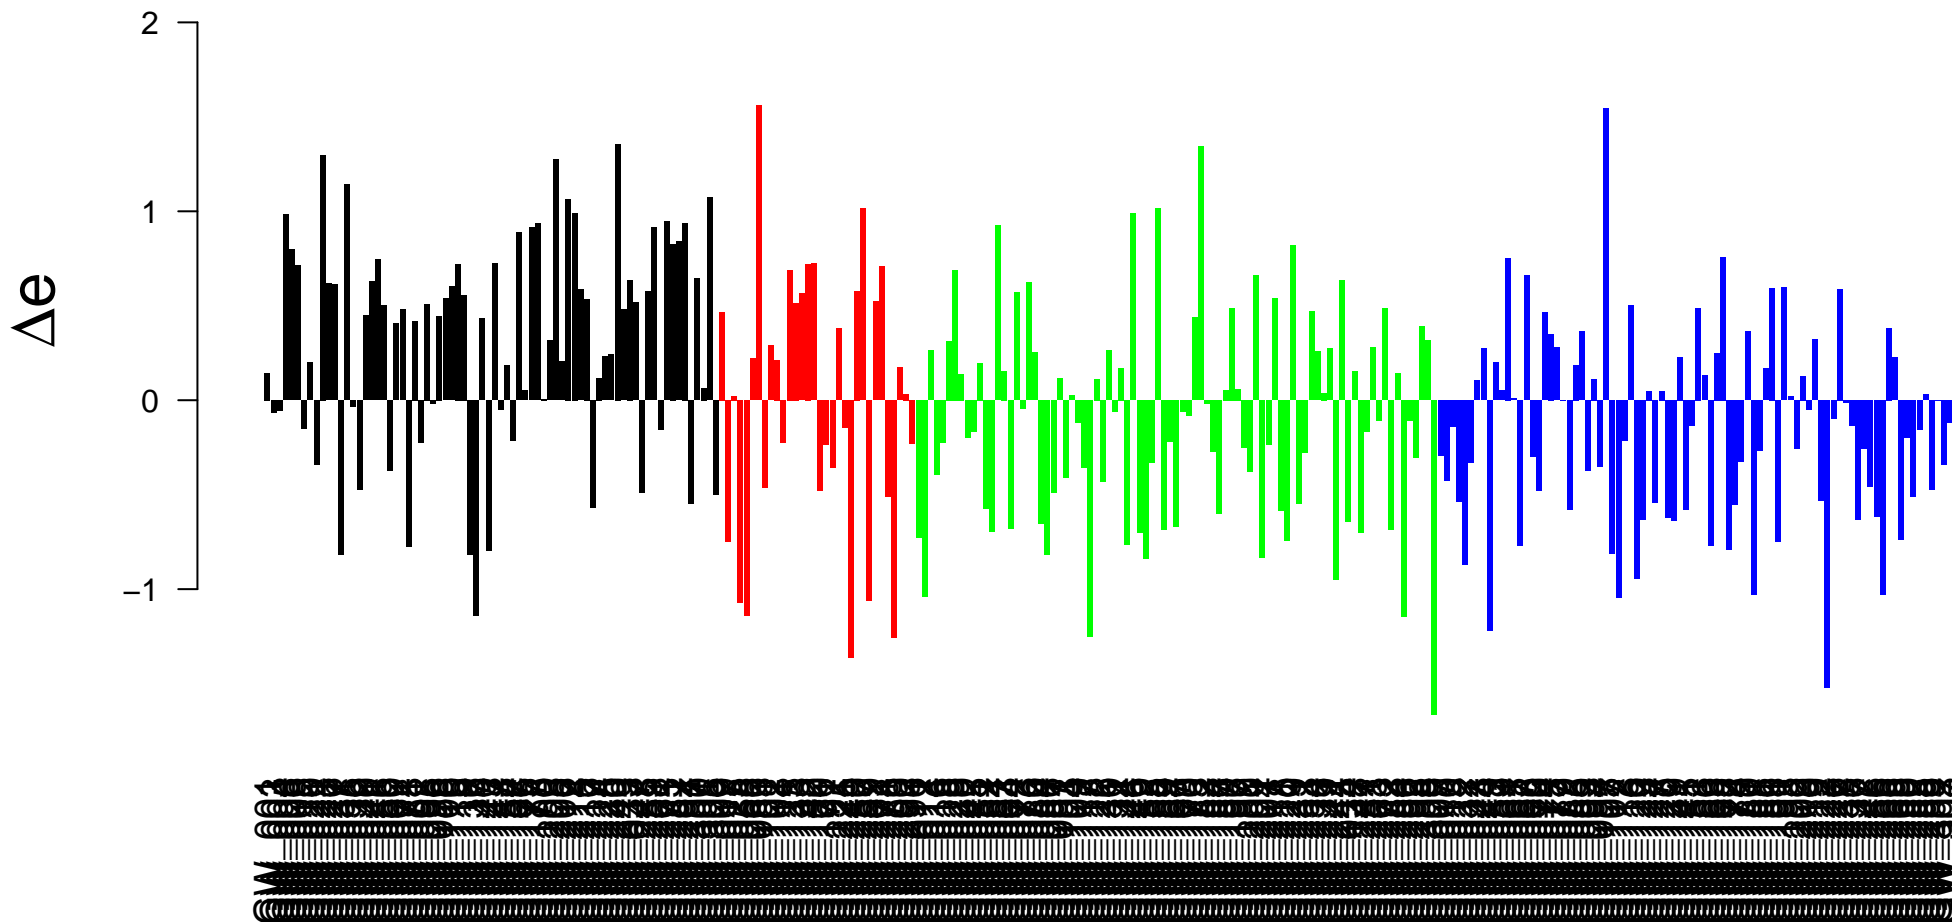

Expression of cellular response to extracellular stimulus in Spot E

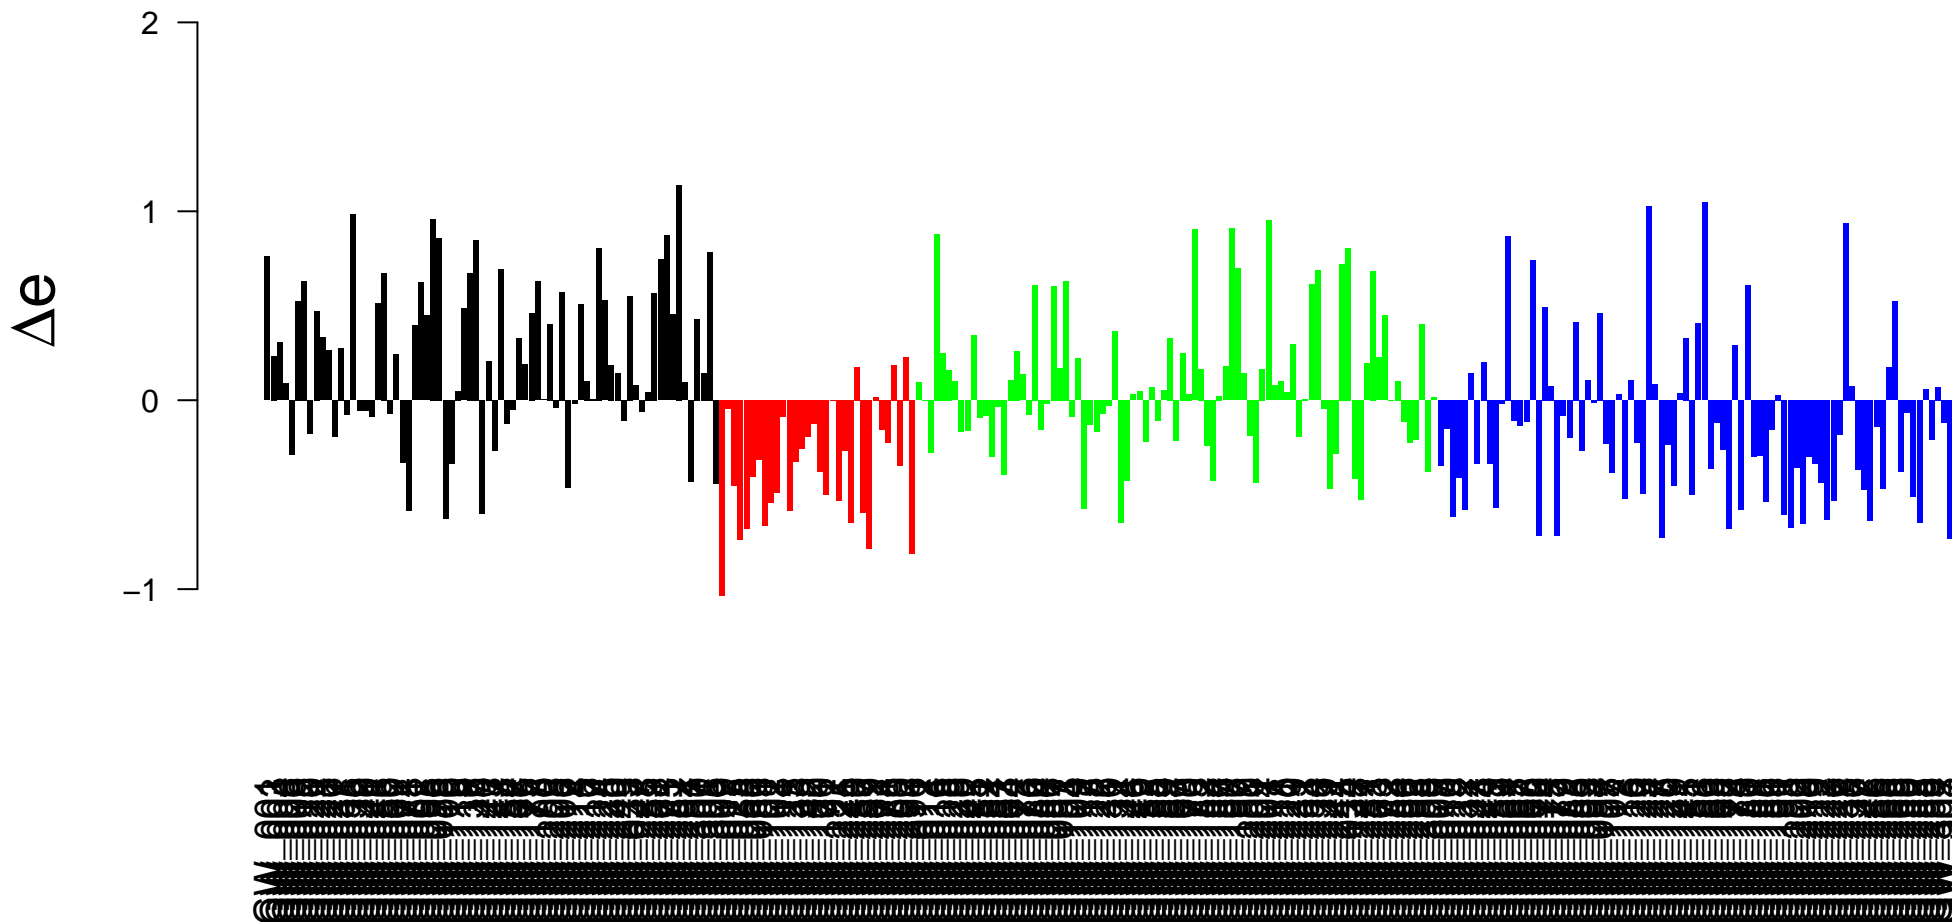

Expression of cellular response to extracellular stimulus in Spot F

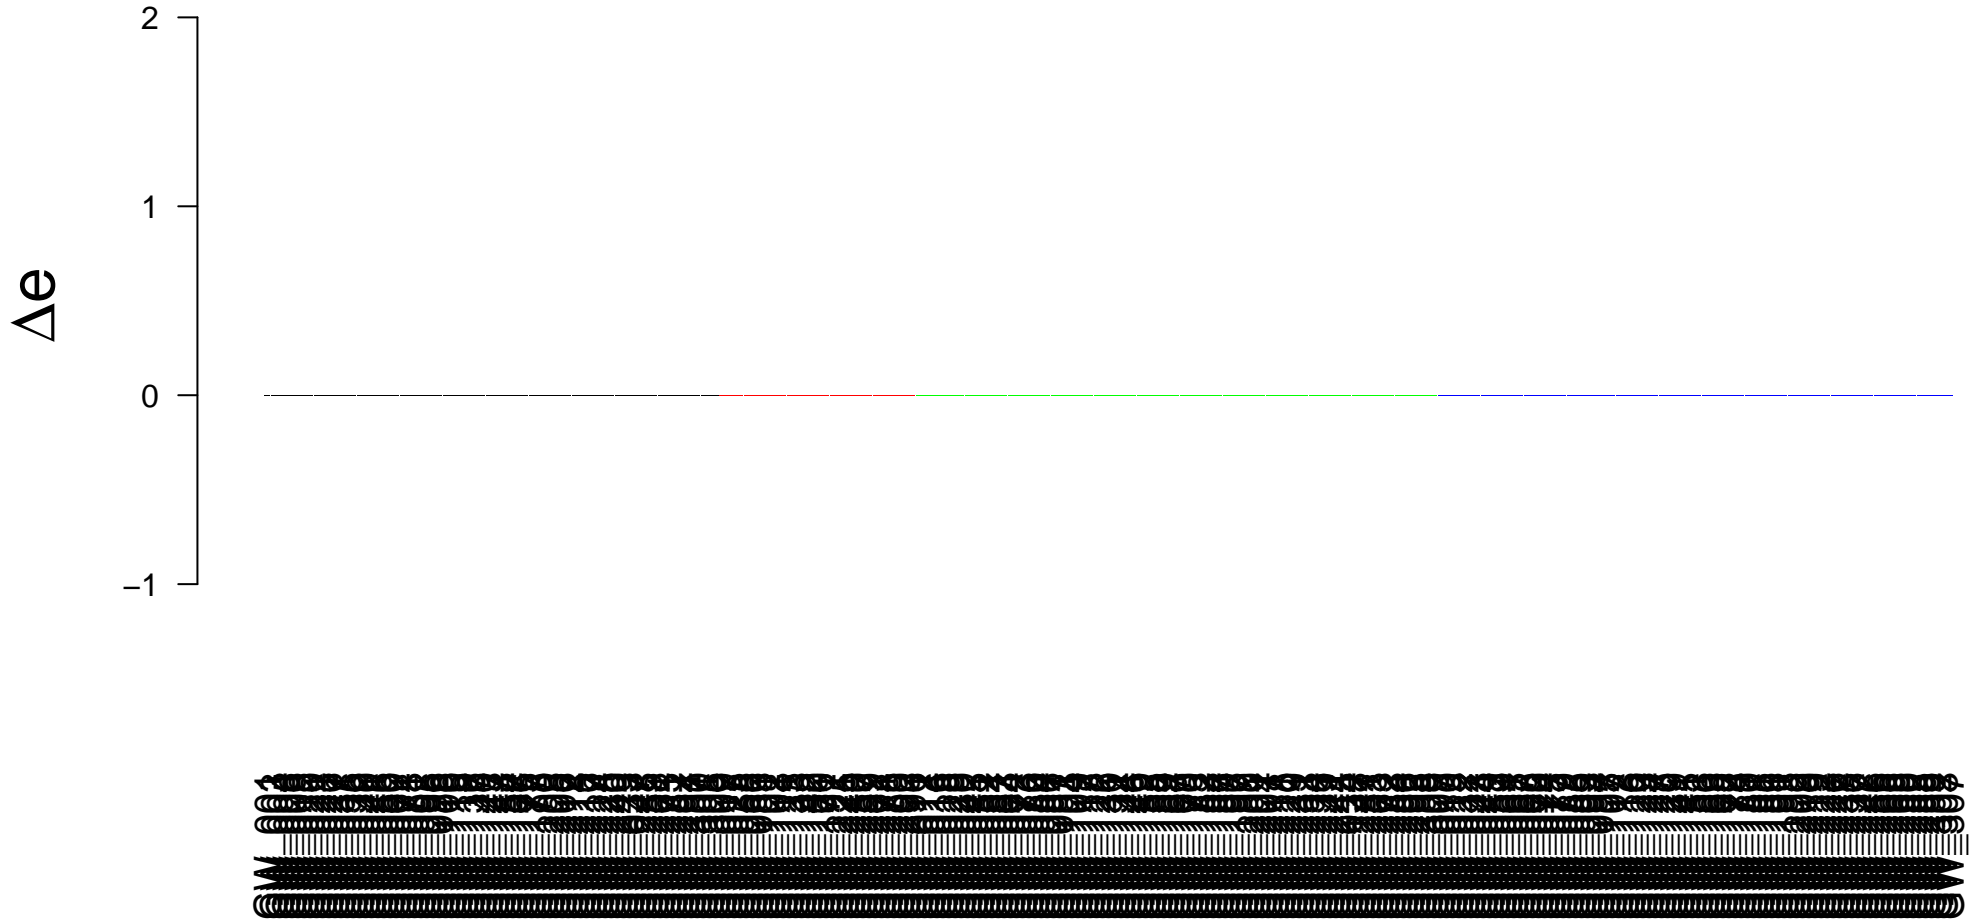

Expression of cellular response to extracellular stimulus in Spot G

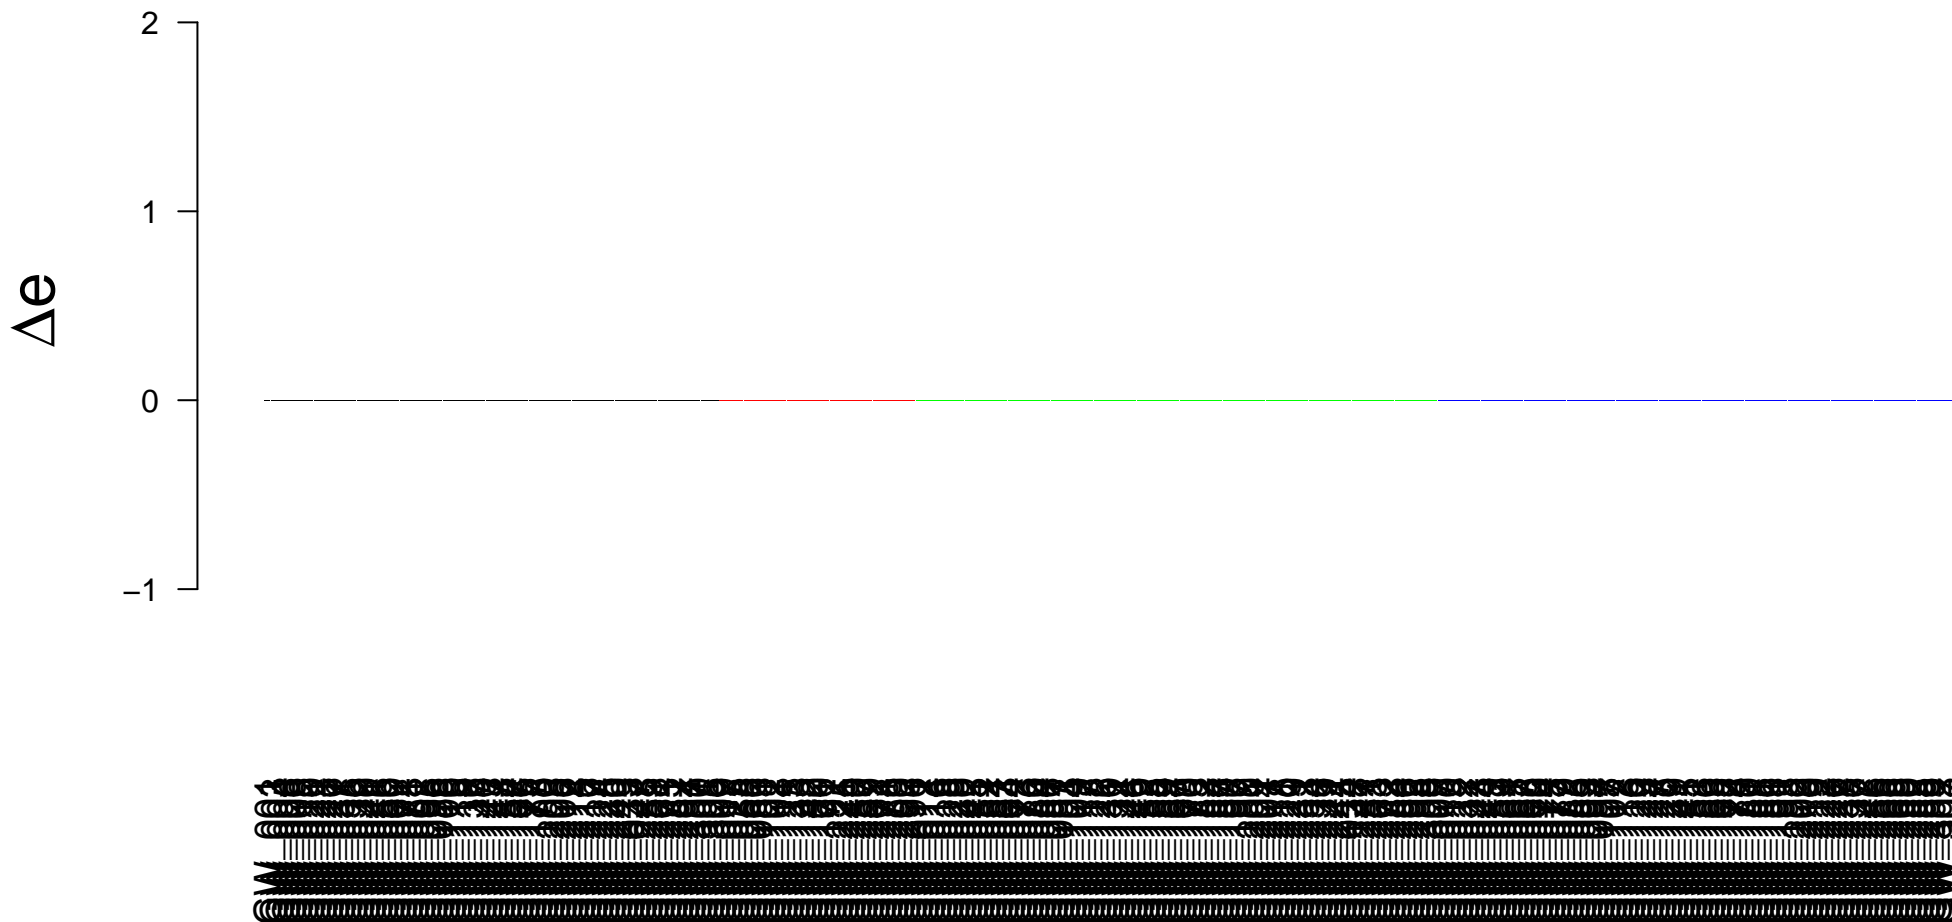

Expression of cellular response to extracellular stimulus in Spot H

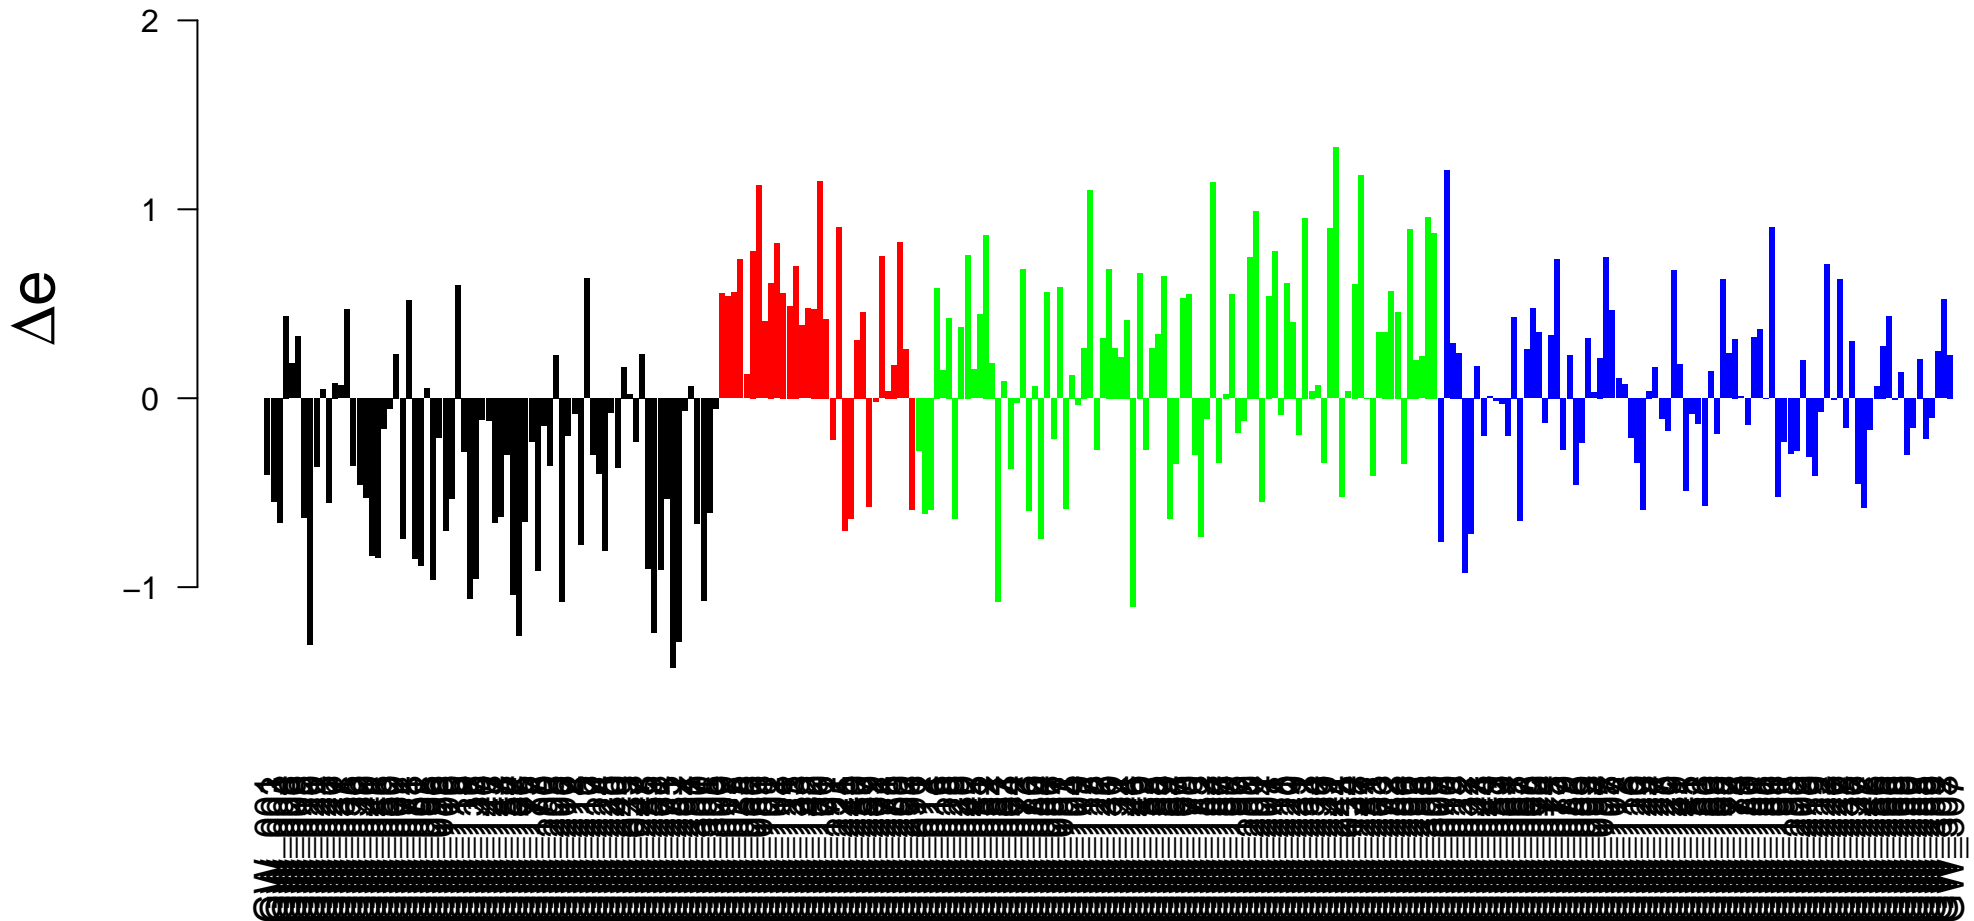

Expression of cellular response to extracellular stimulus in Spot I

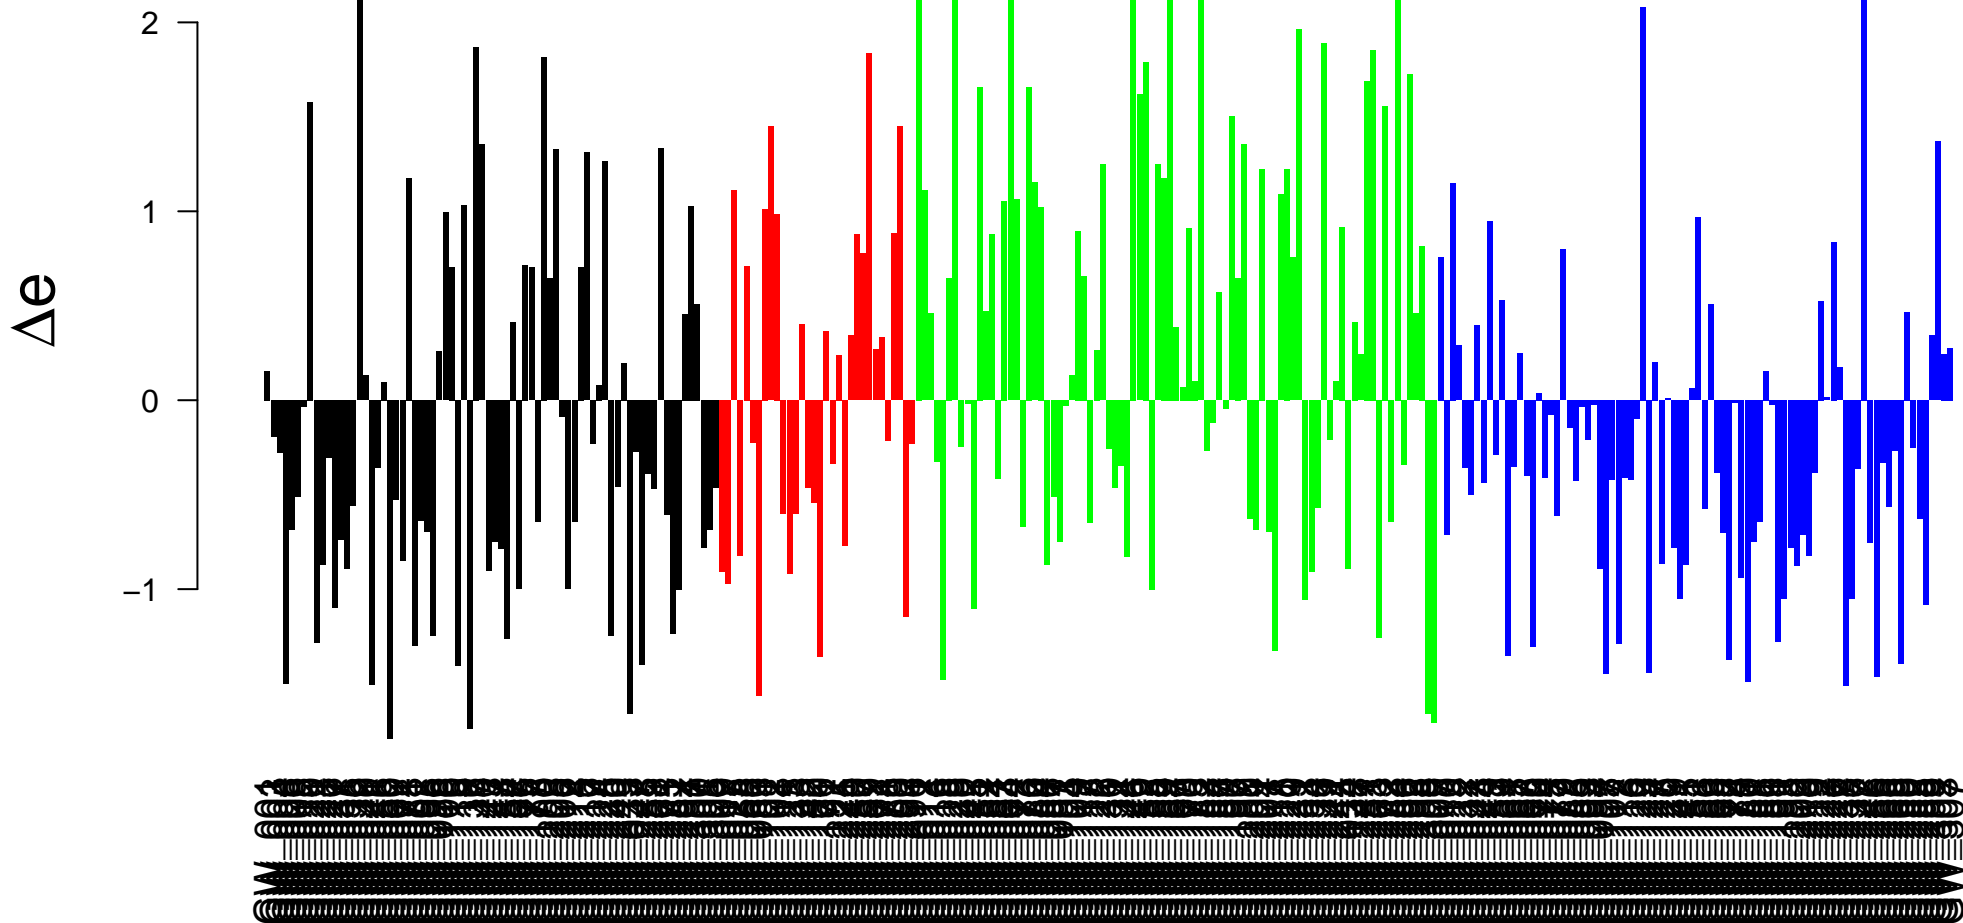

Expression of cellular response to extracellular stimulus in Spot J

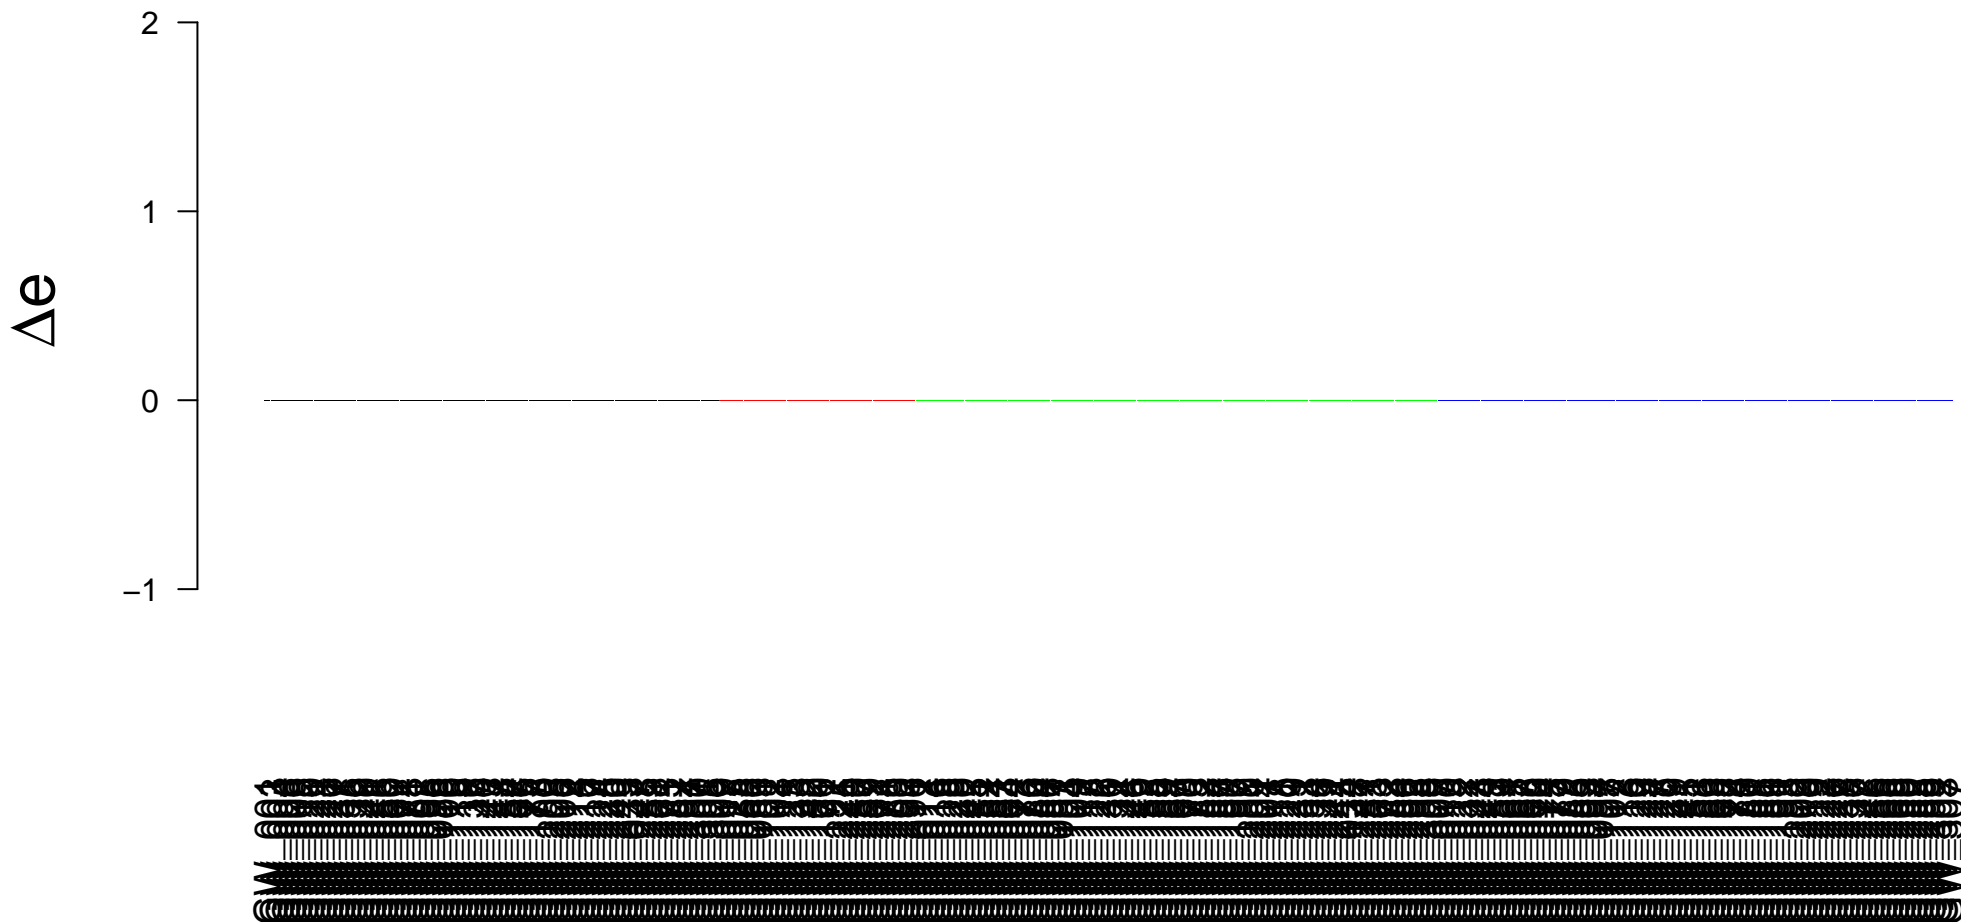

Expression of cellular response to extracellular stimulus in Spot K

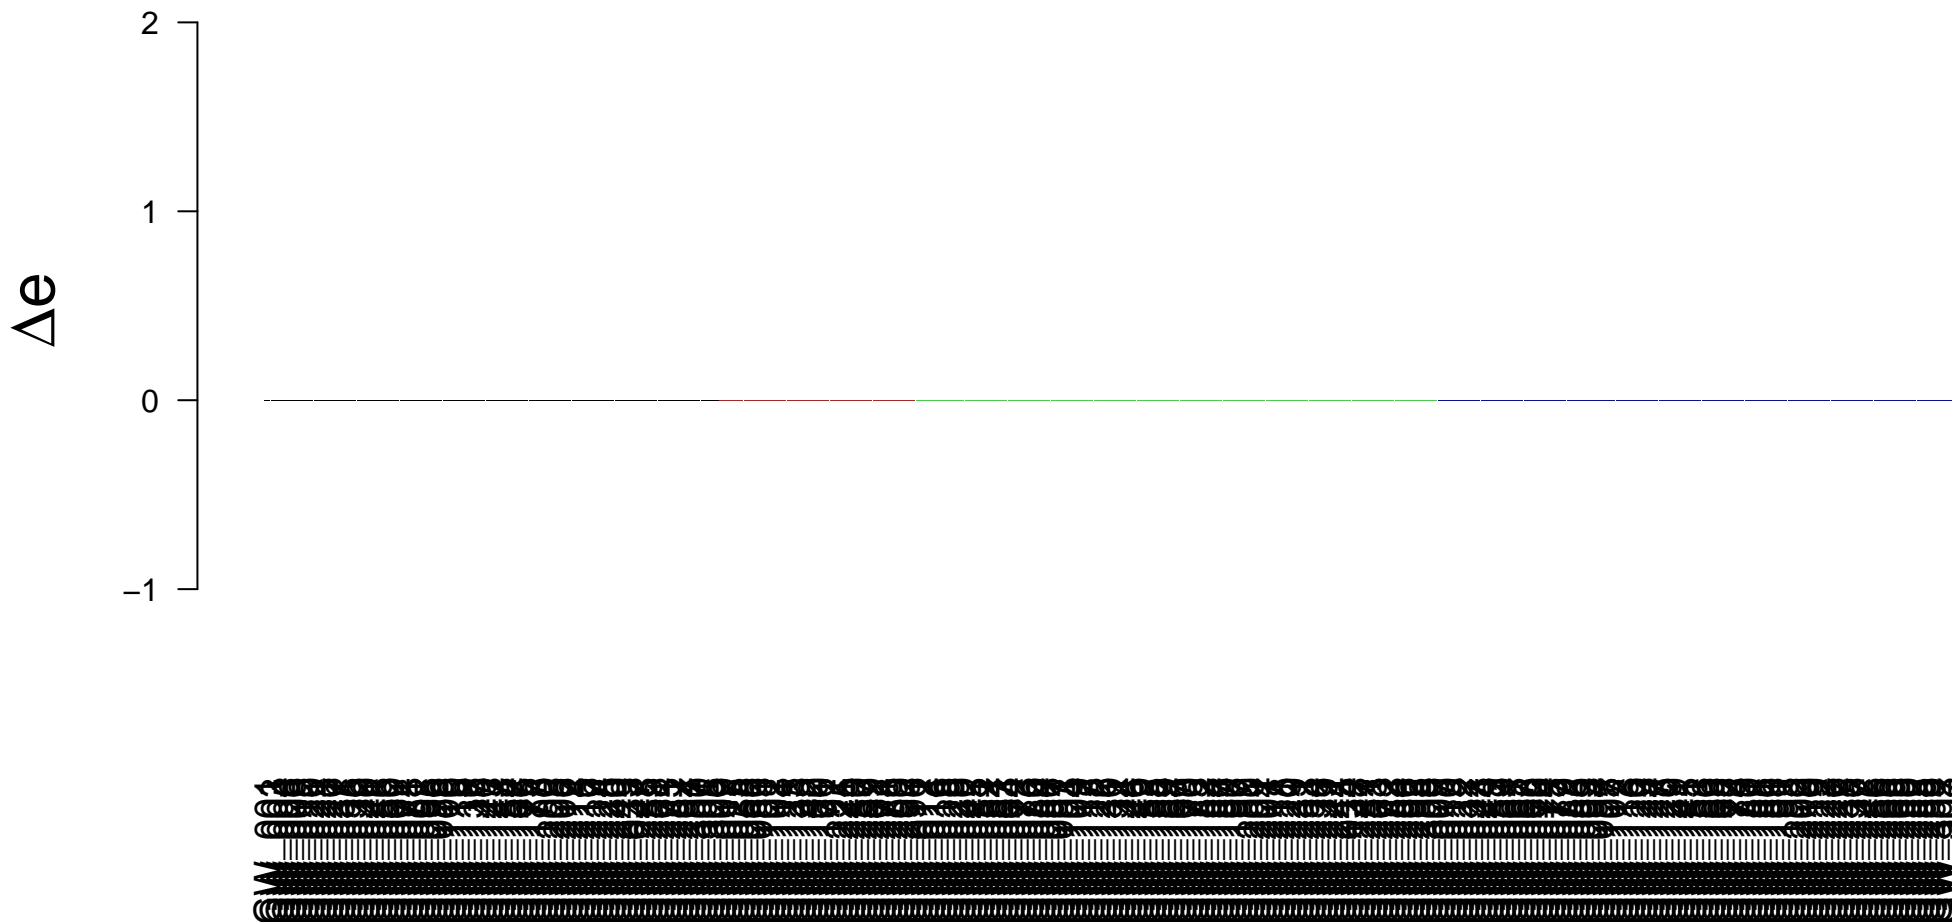

Expression of cellular response to extracellular stimulus in Spot L

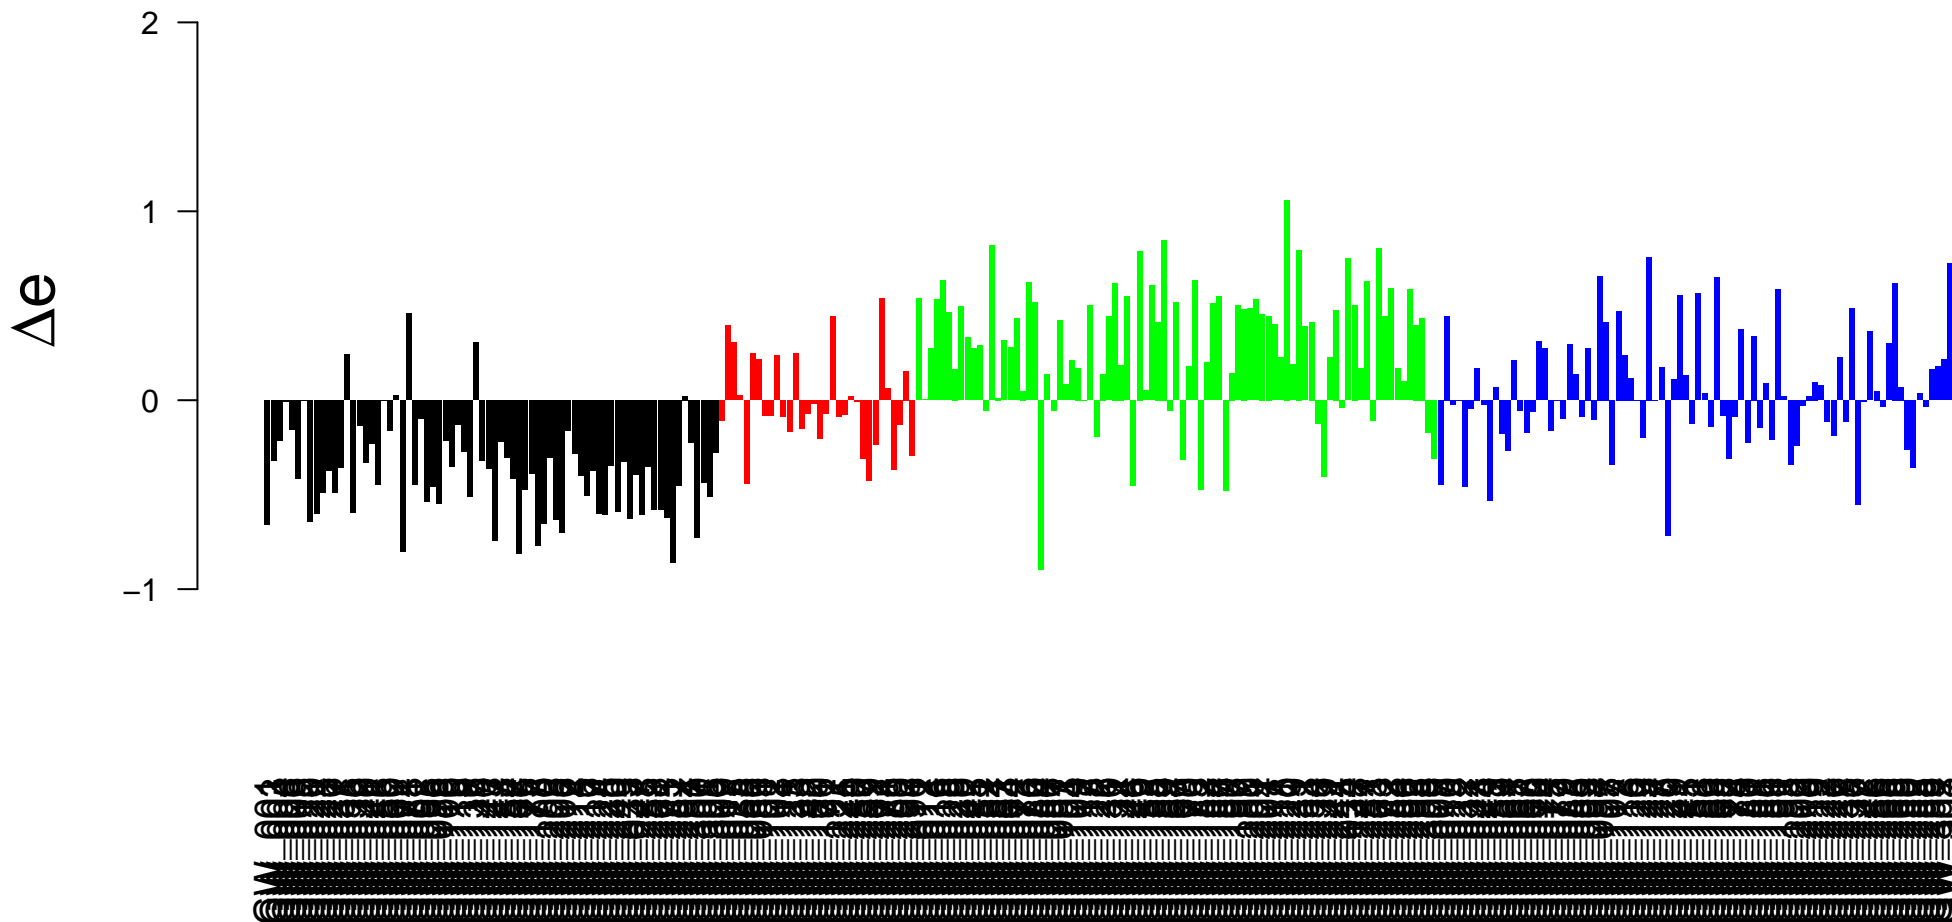

Expression of cellular response to extracellular stimulus in Spot M

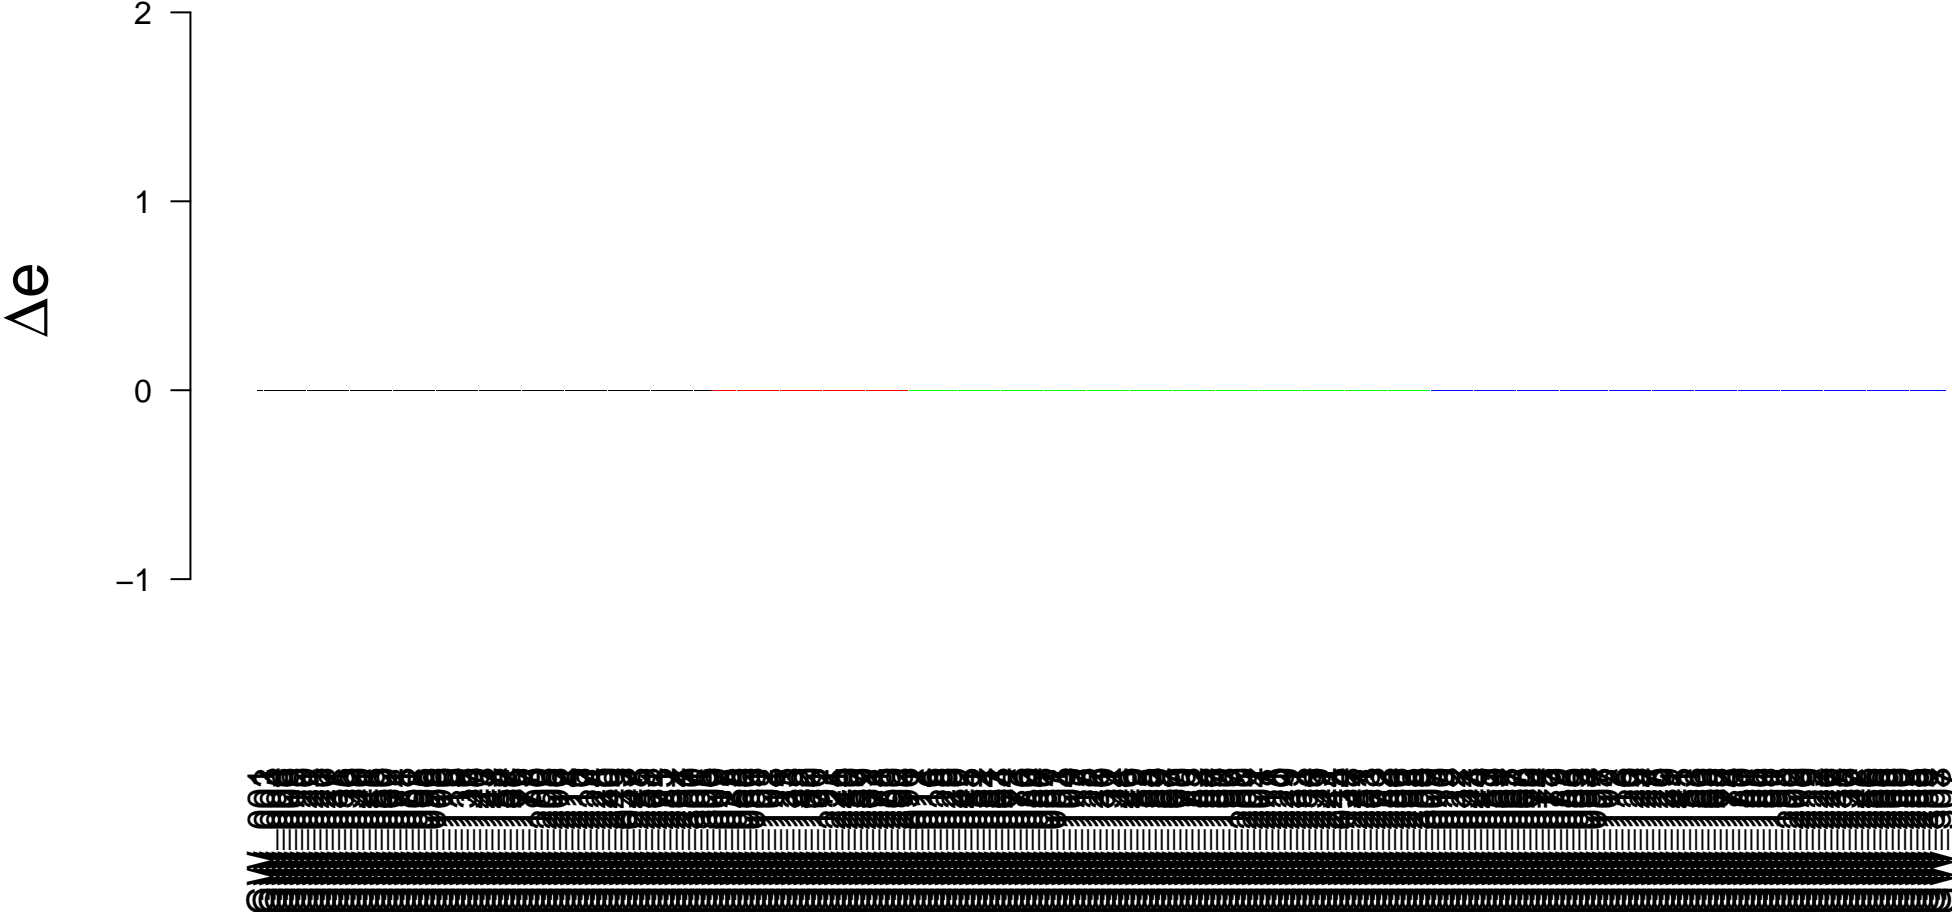

Expression of cellular response to extracellular stimulus in Spot N

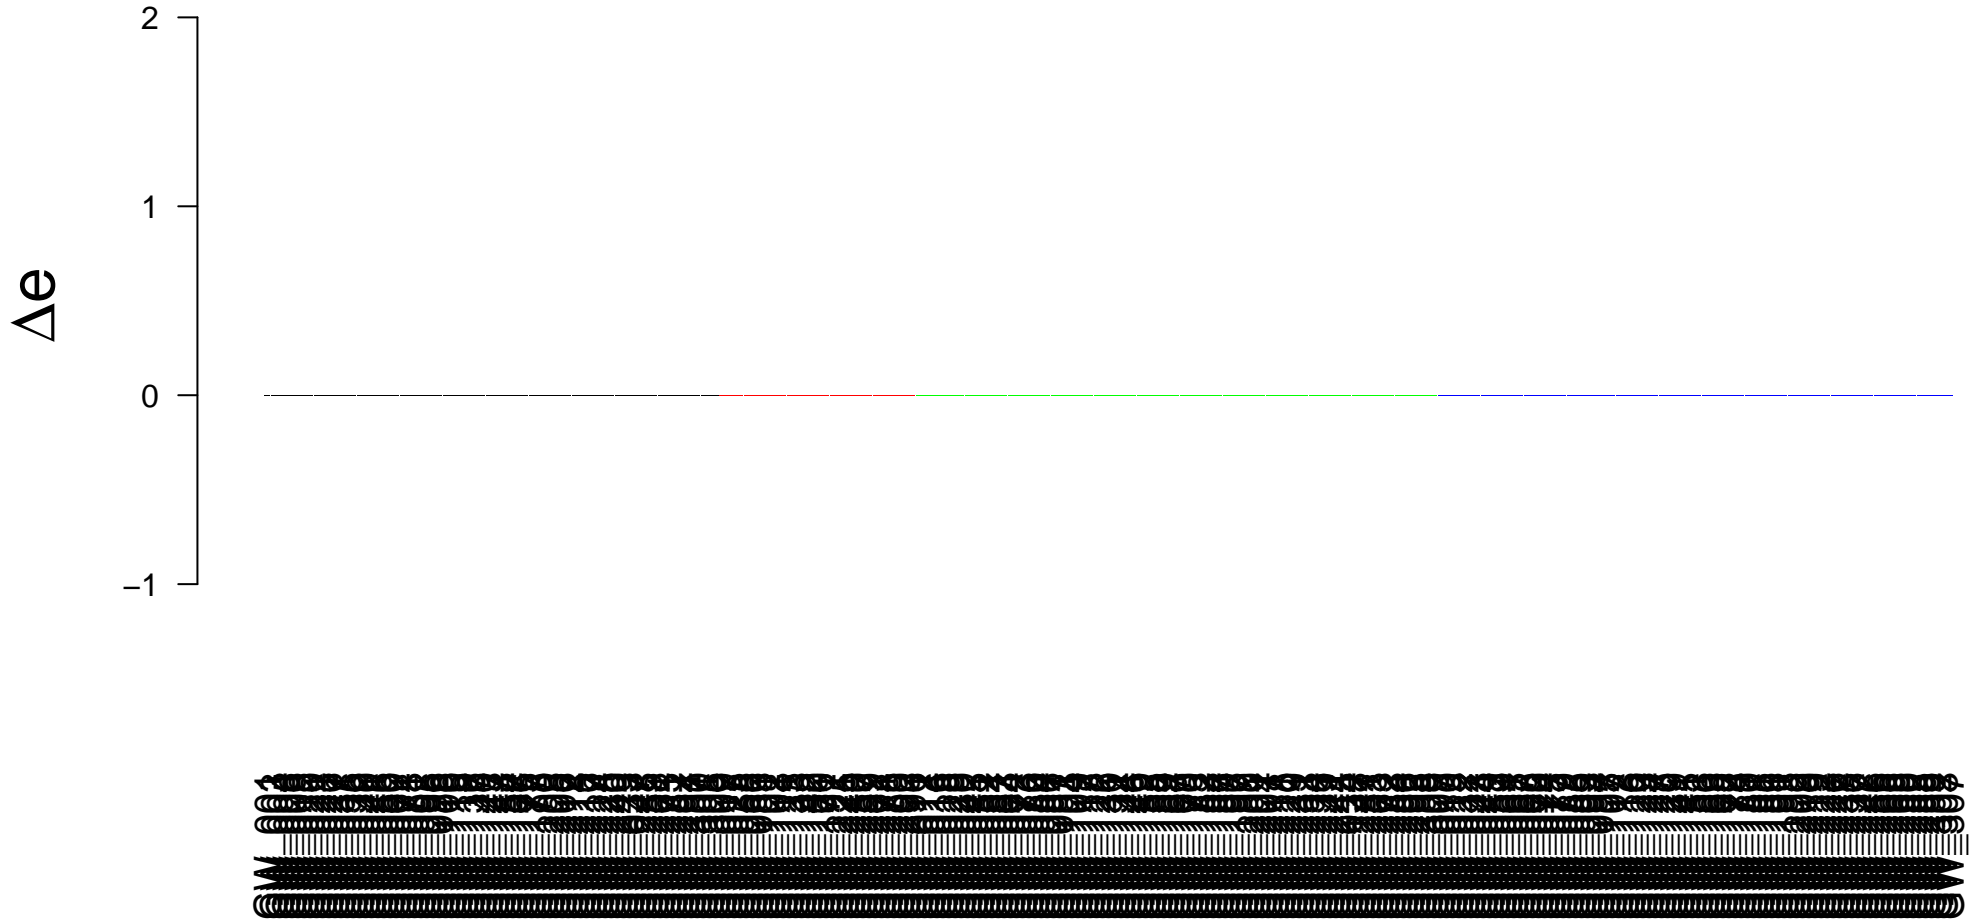

Expression of cellular response to extracellular stimulus in Spot O

Expression of cellular response to extracellular stimulus in Spot P

Expression of cellular response to extracellular stimulus in Spot Q

Expression of cellular response to extracellular stimulus in Spot R
