

cellular response to glucose starvation

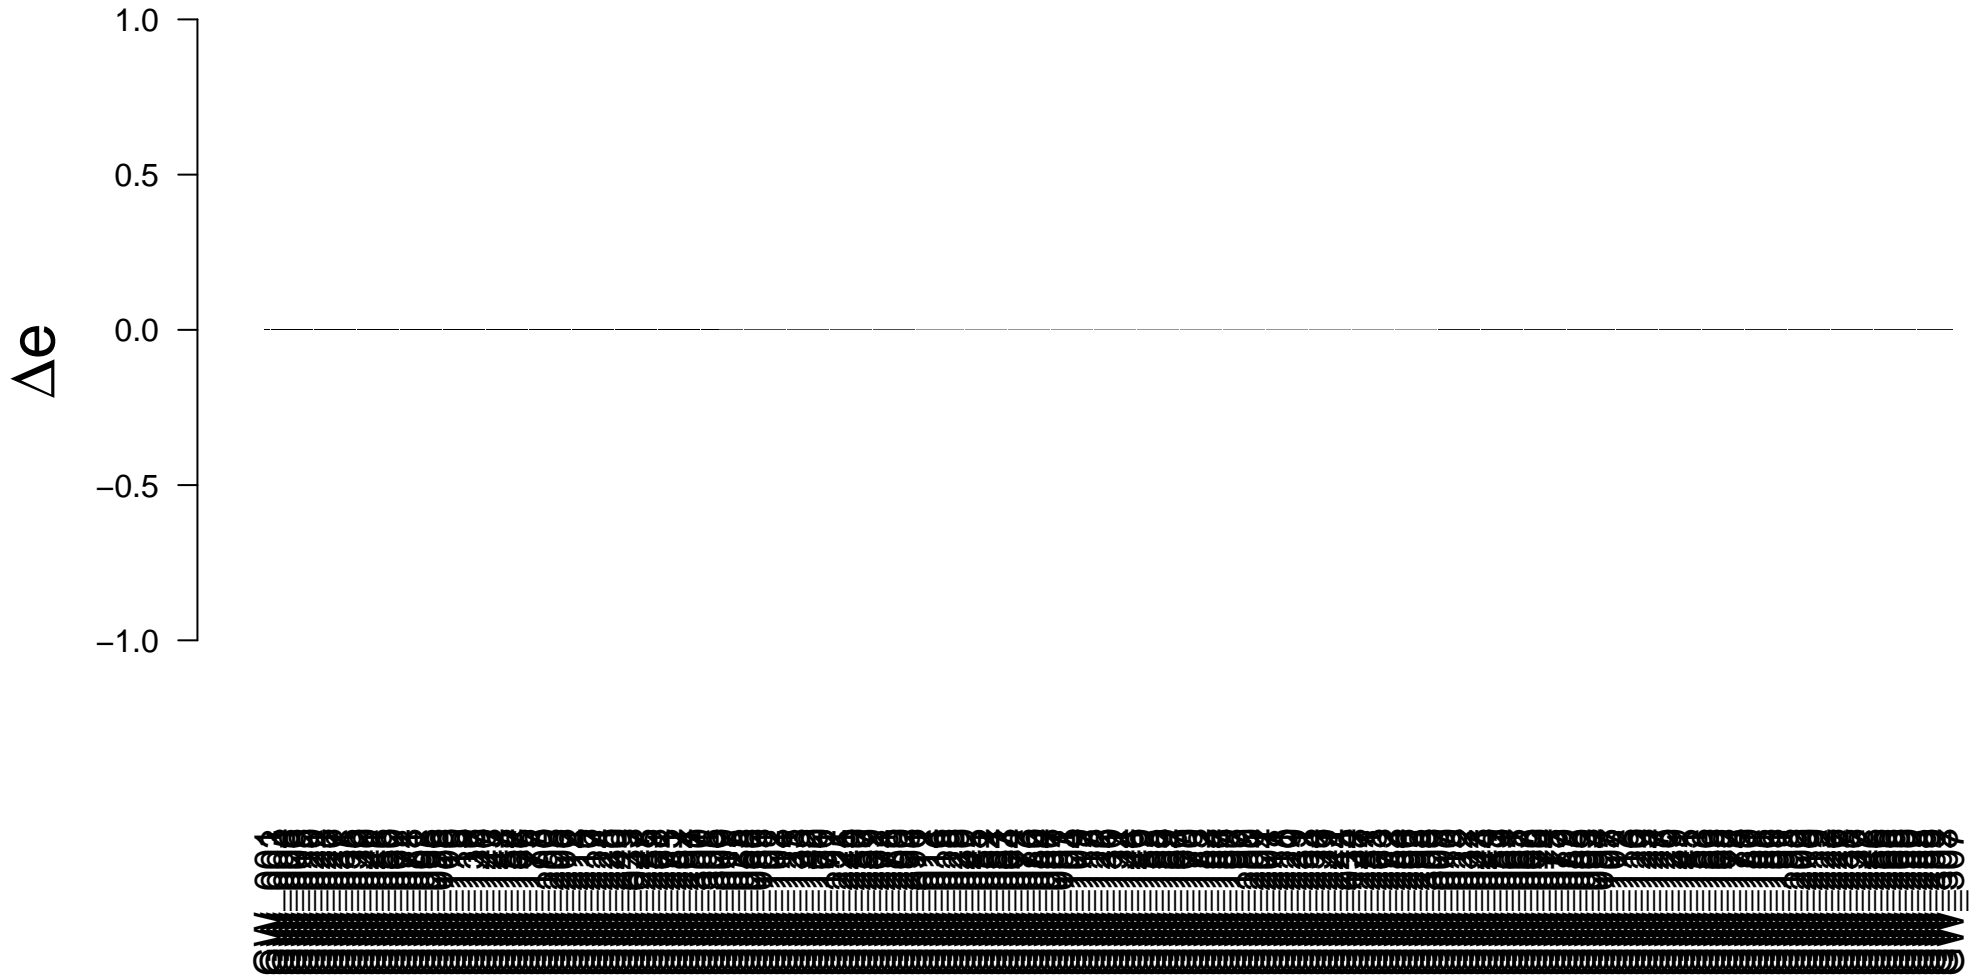

cellular response to glucose starvation

Enrichment in spots: cellular response to glucose starvation

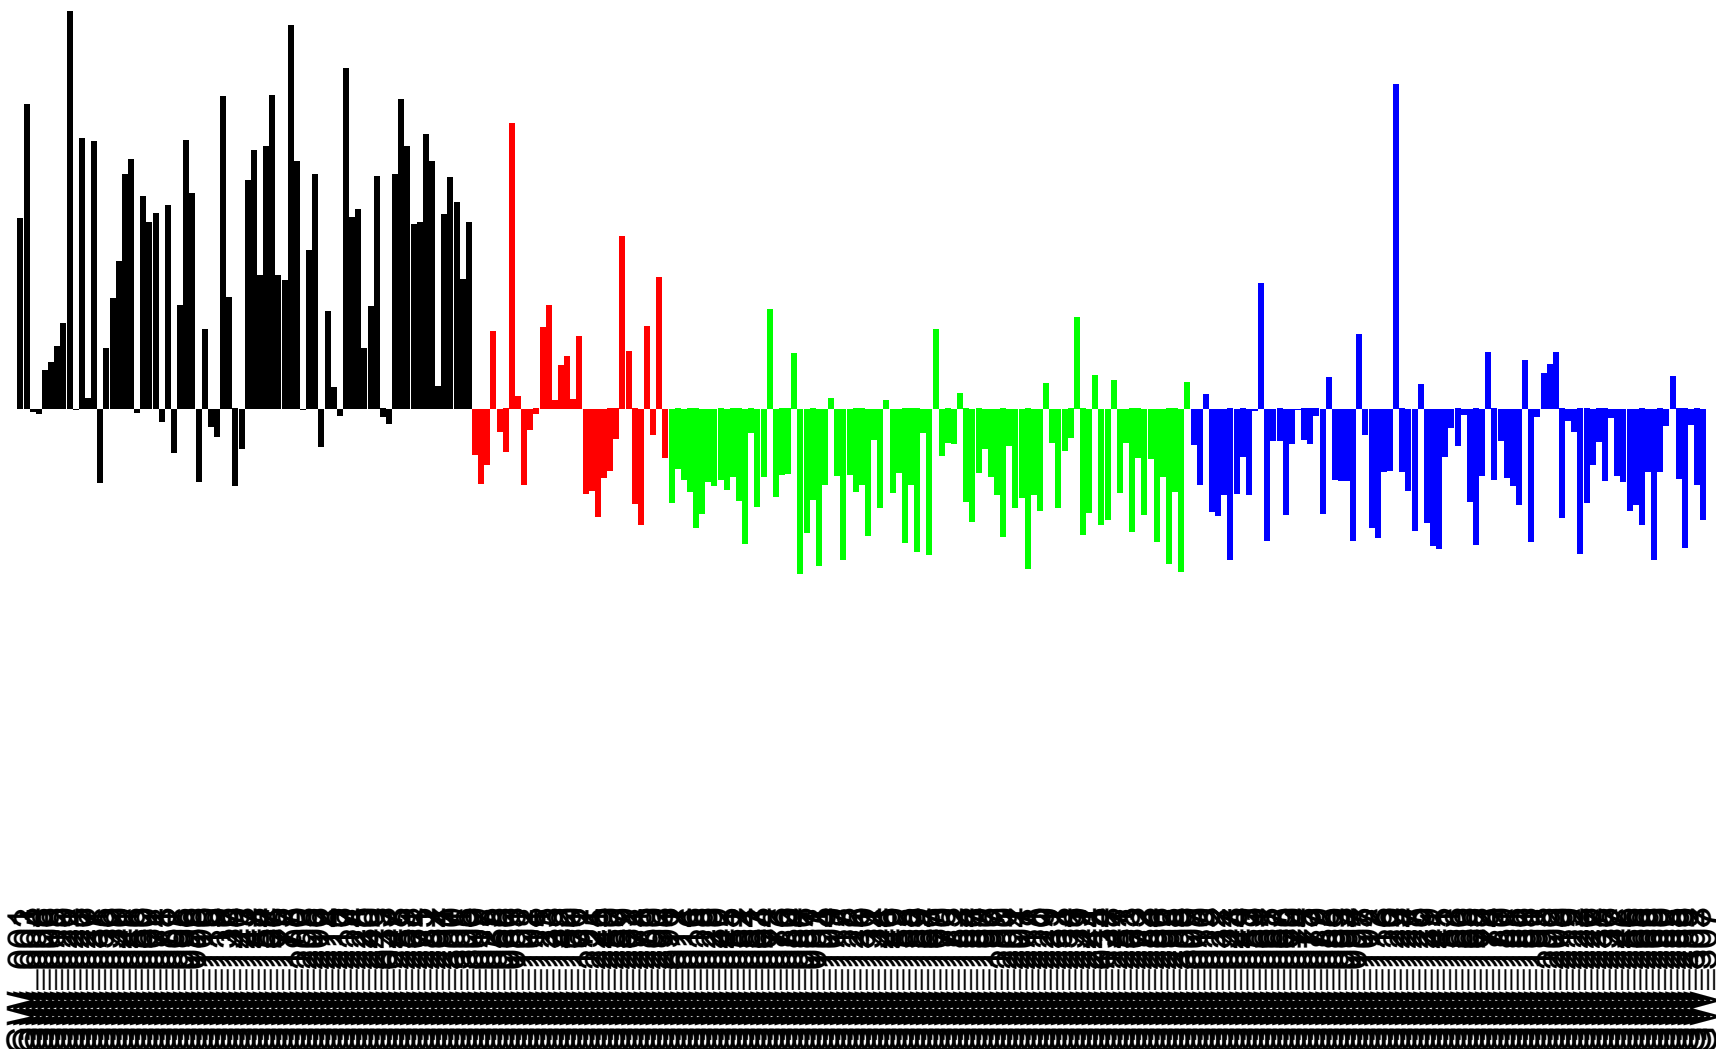

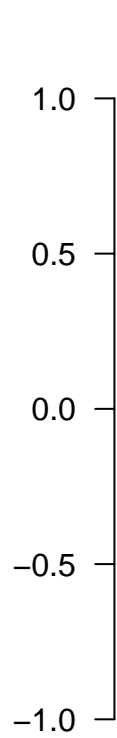

Expression of cellular response to glucose starvation in Spot A

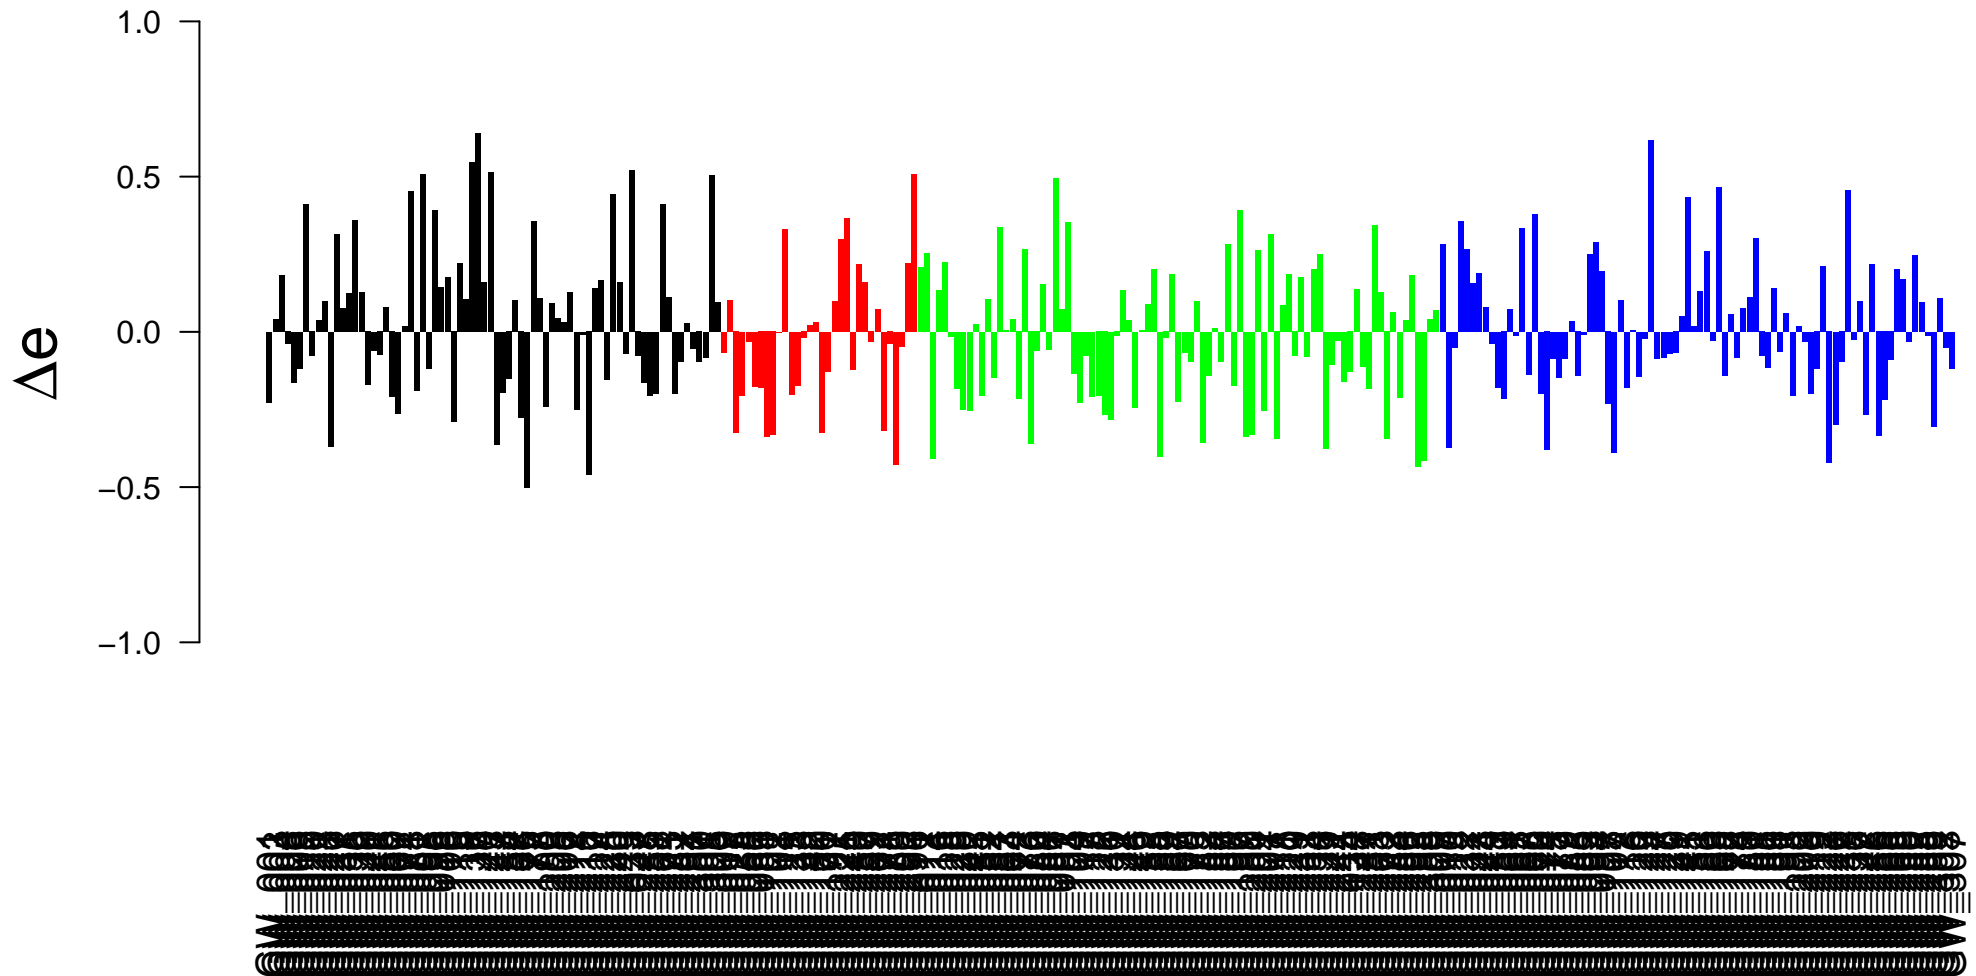

Expression of cellular response to glucose starvation in Spot B

Δe

Expression of cellular response to glucose starvation in Spot C

Expression of cellular response to glucose starvation in Spot D

Expression of cellular response to glucose starvation in Spot E

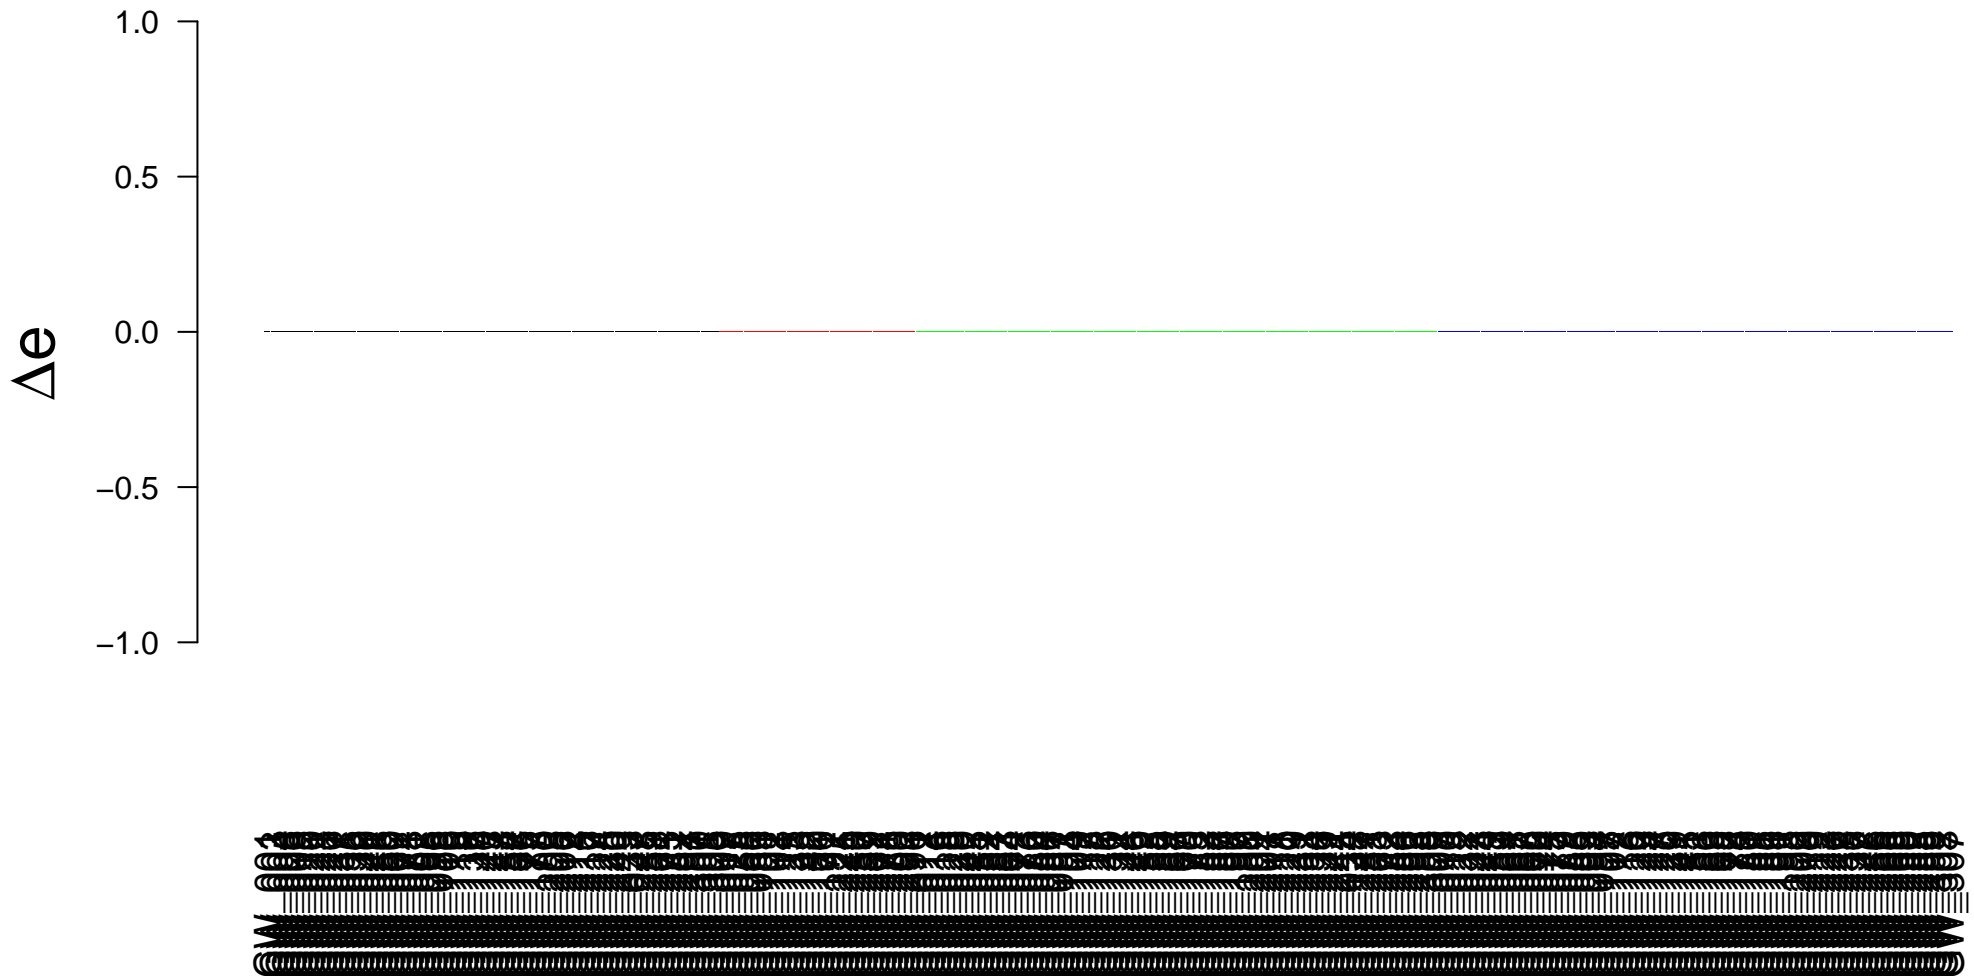

Expression of cellular response to glucose starvation in Spot F

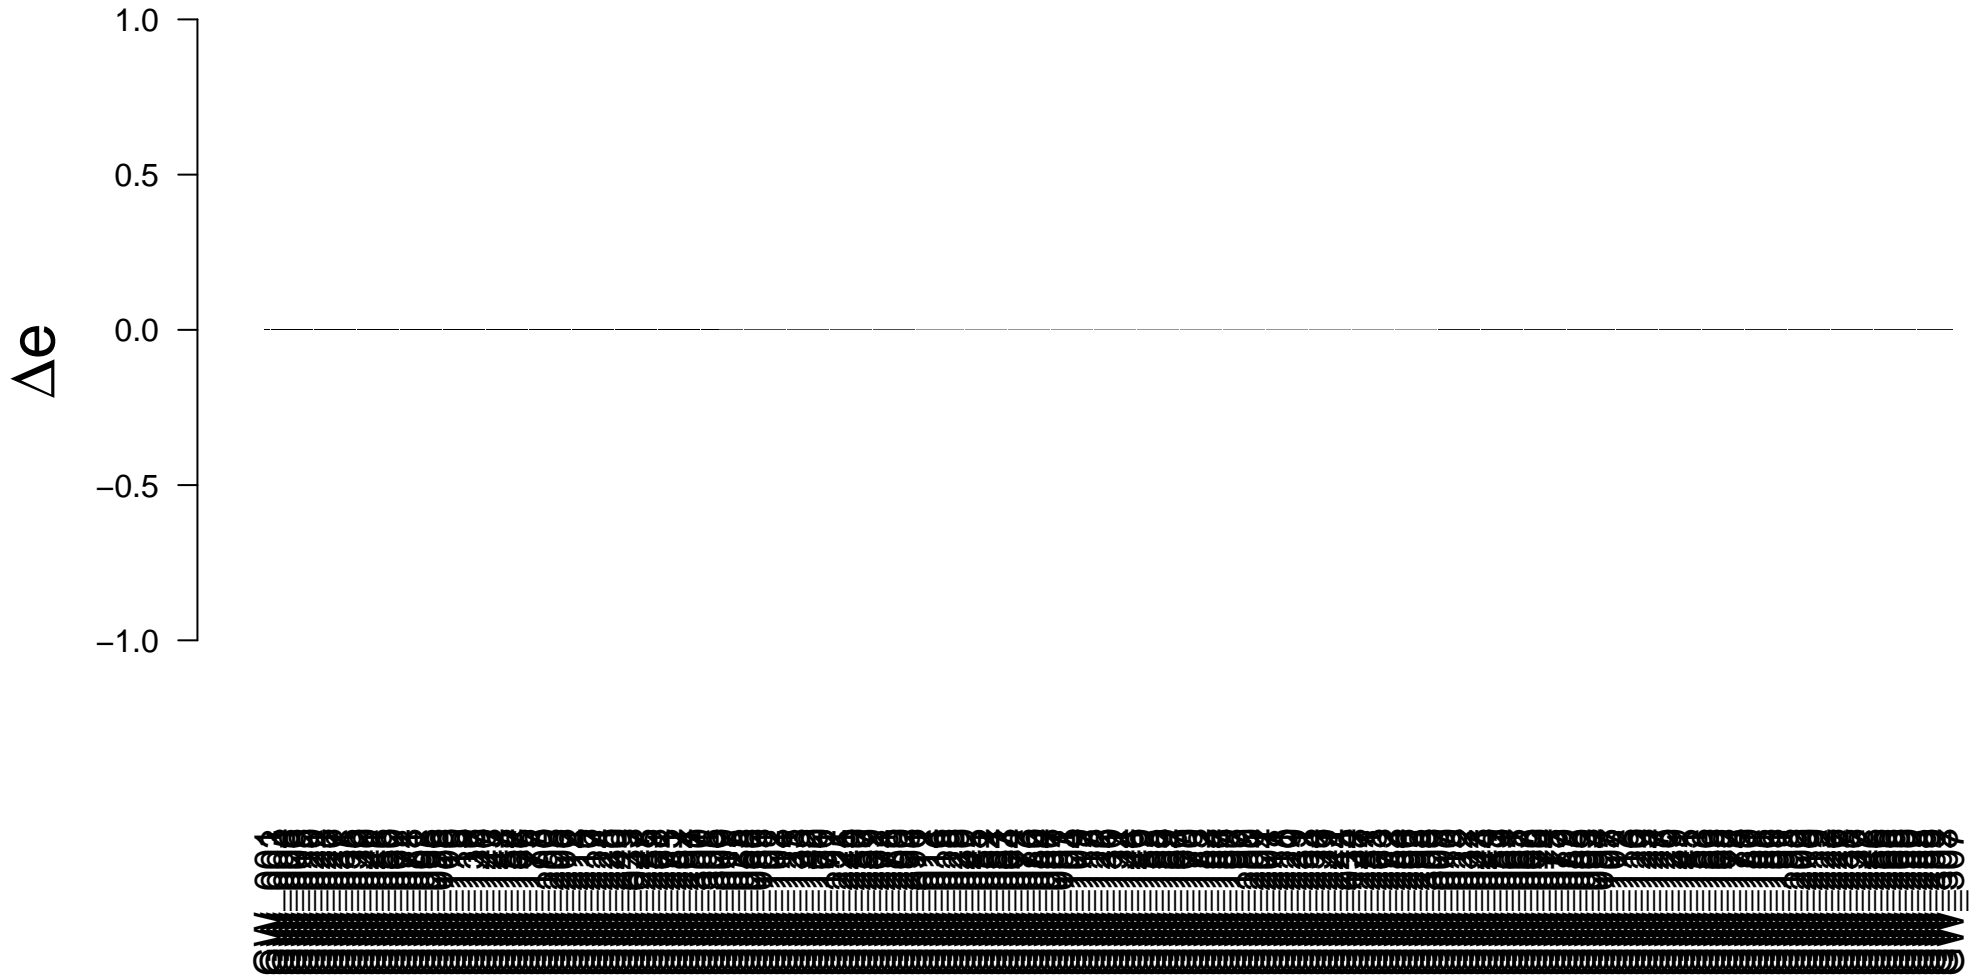

Expression of cellular response to glucose starvation in Spot G

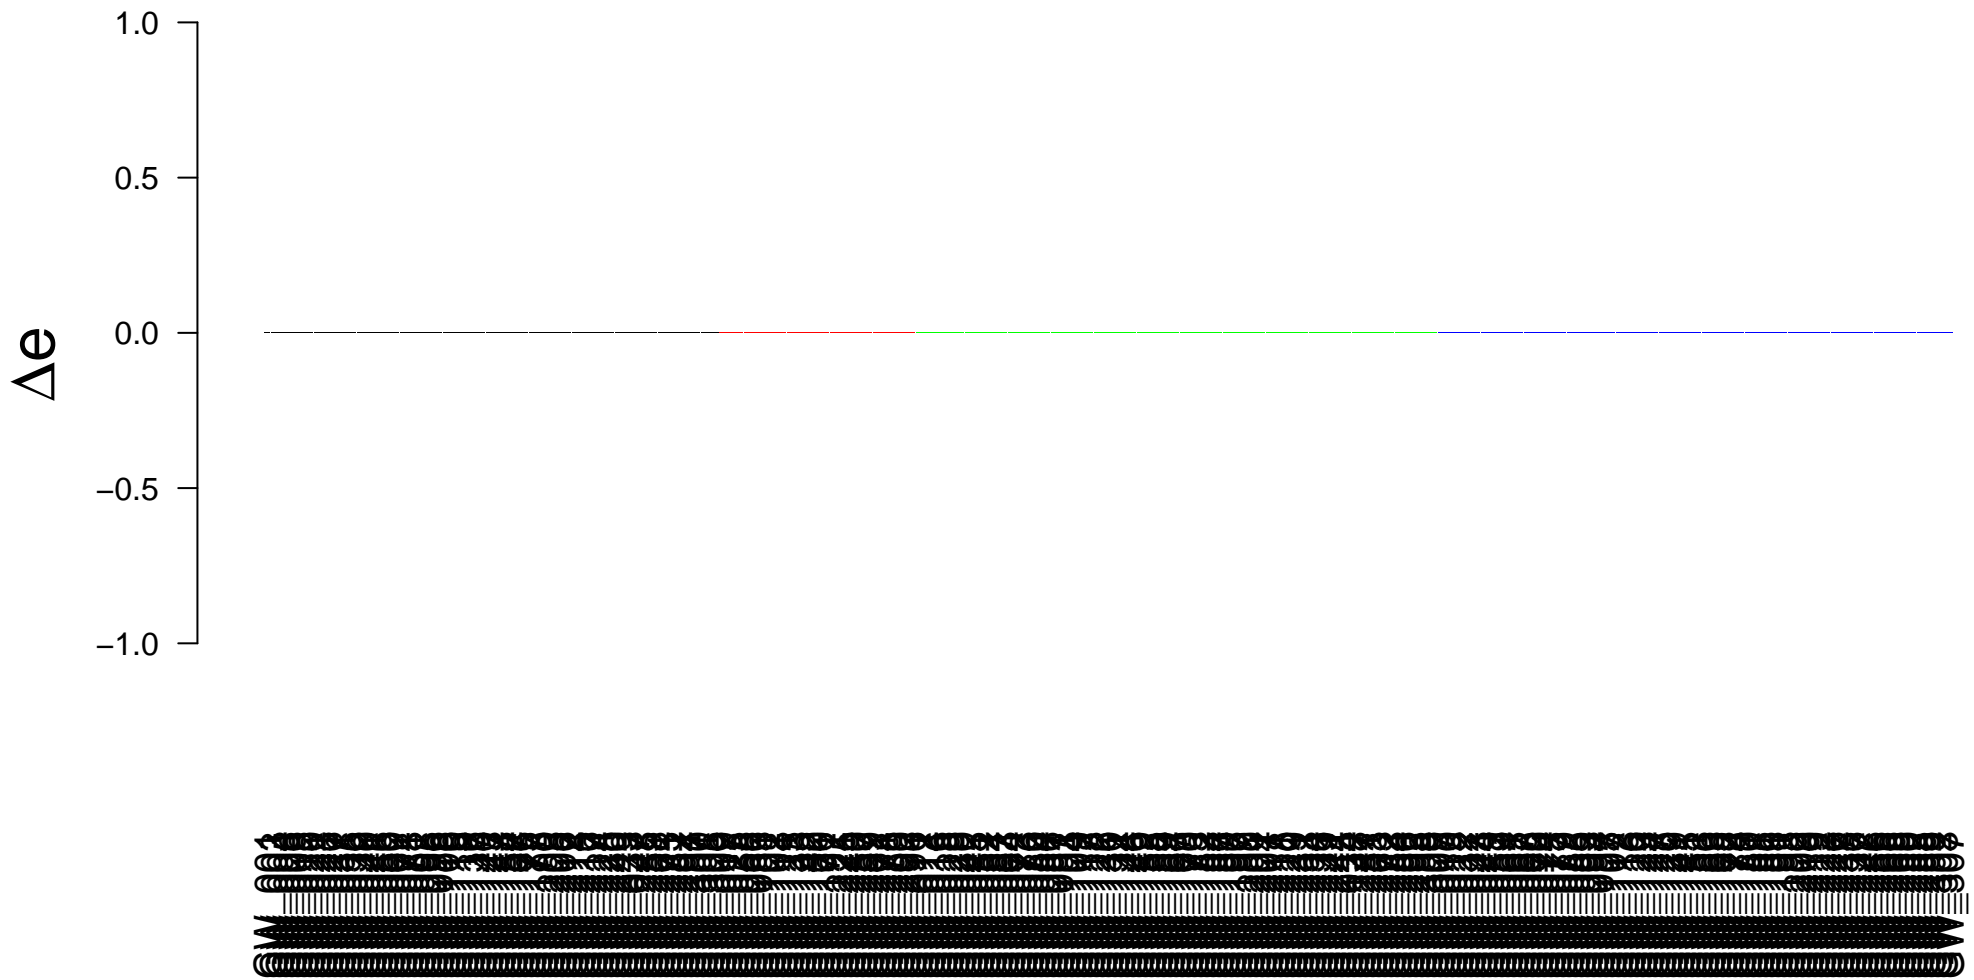

Expression of cellular response to glucose starvation in Spot H

Expression of cellular response to glucose starvation in Spot I

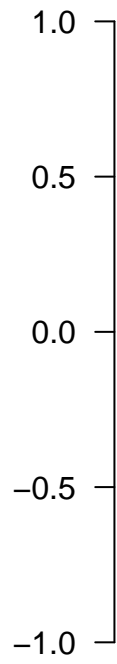

Expression of cellular response to glucose starvation in Spot J

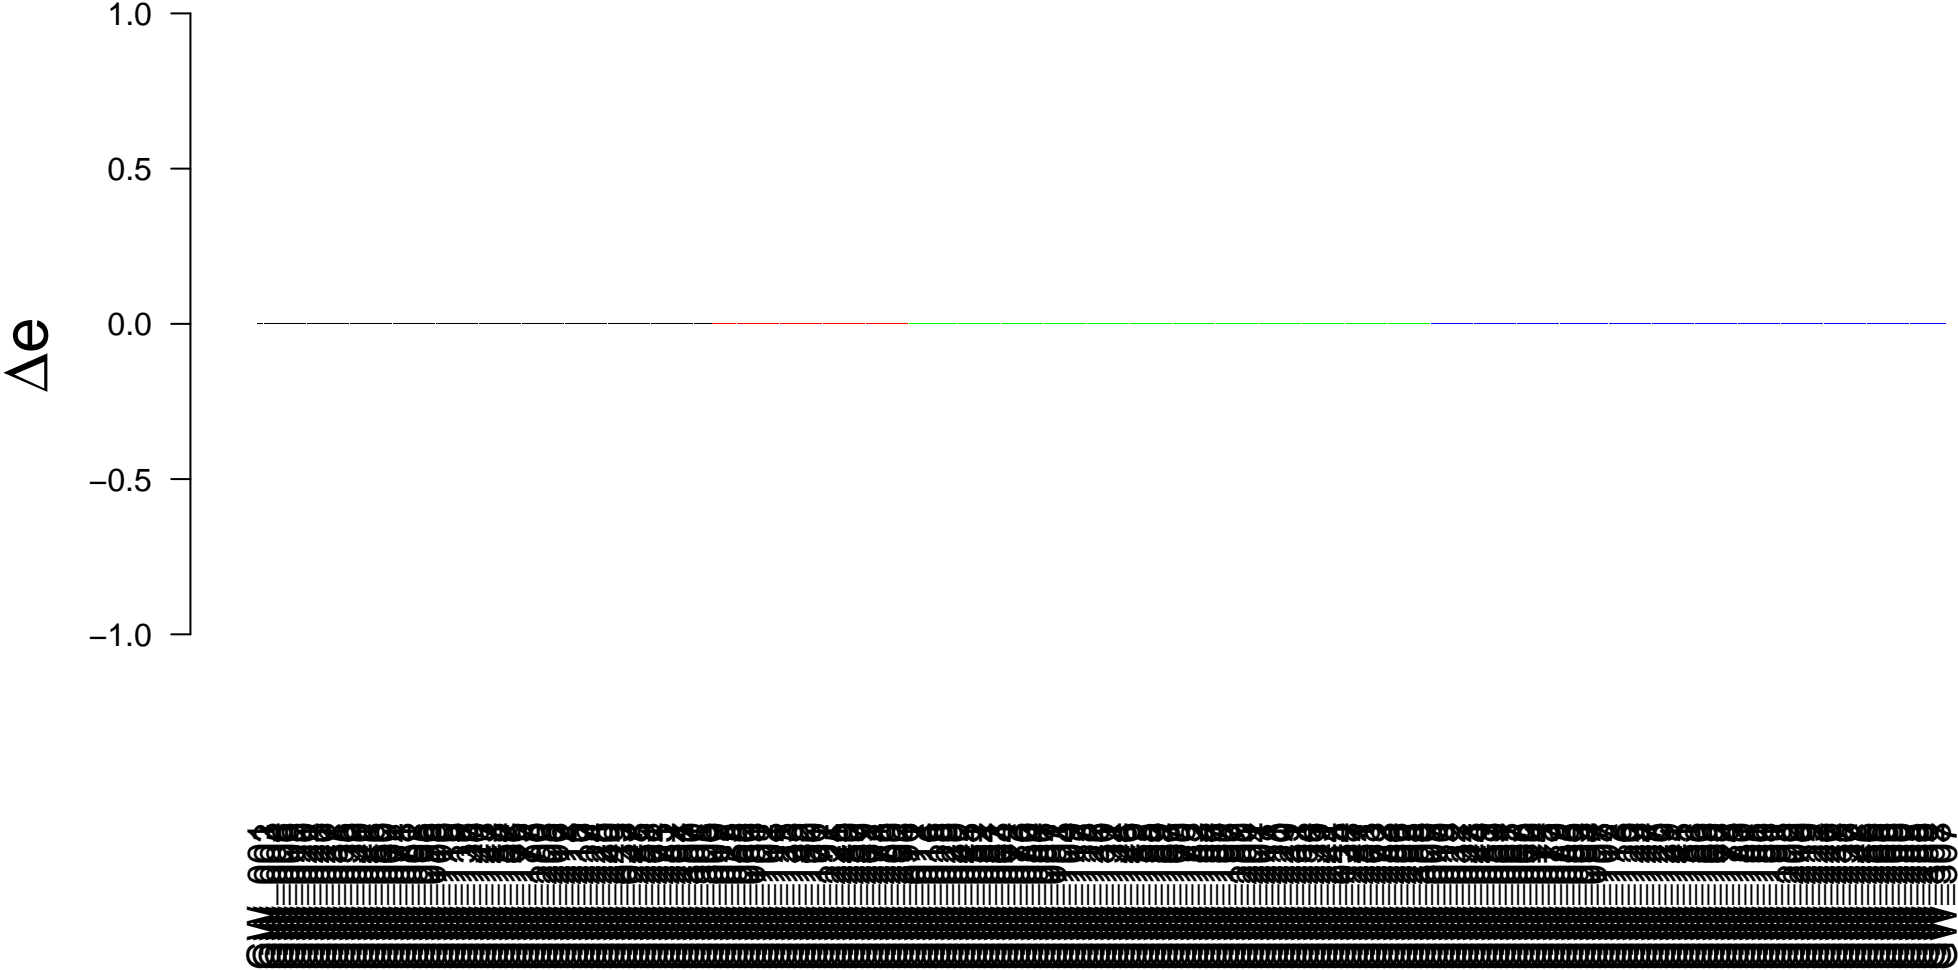

Expression of cellular response to glucose starvation in Spot K

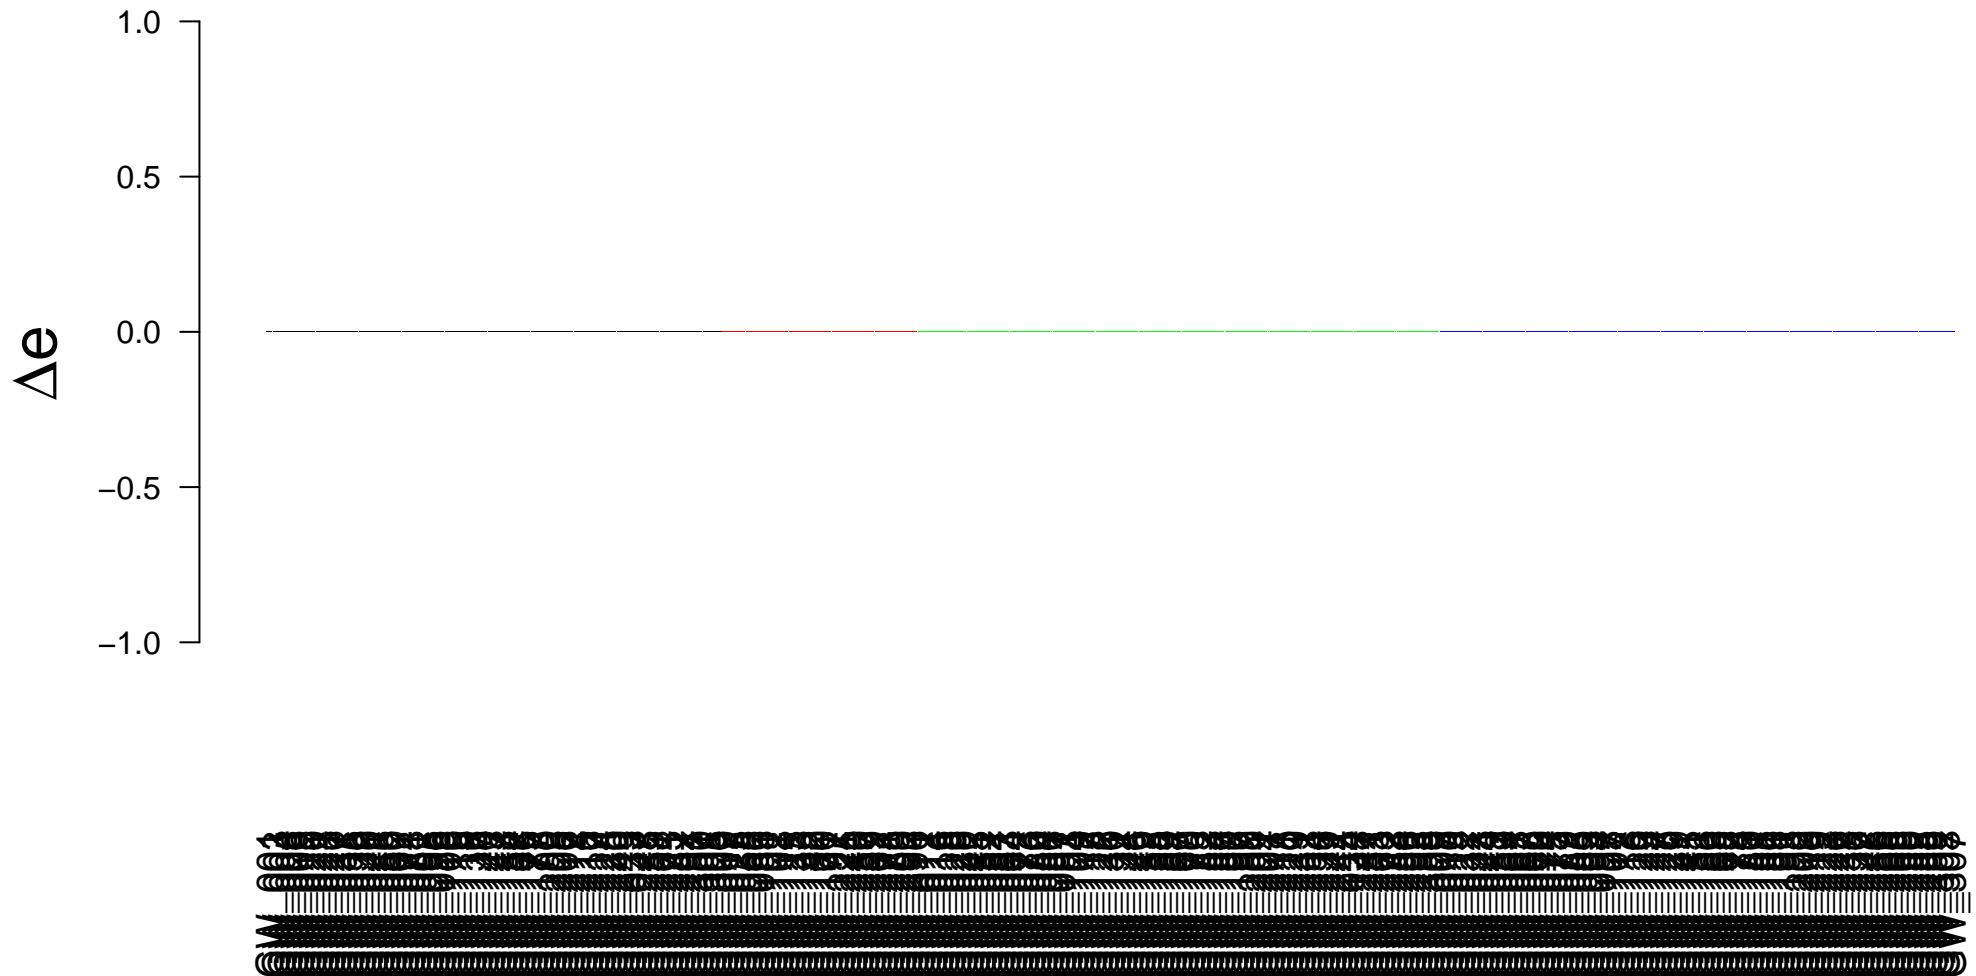

Δe

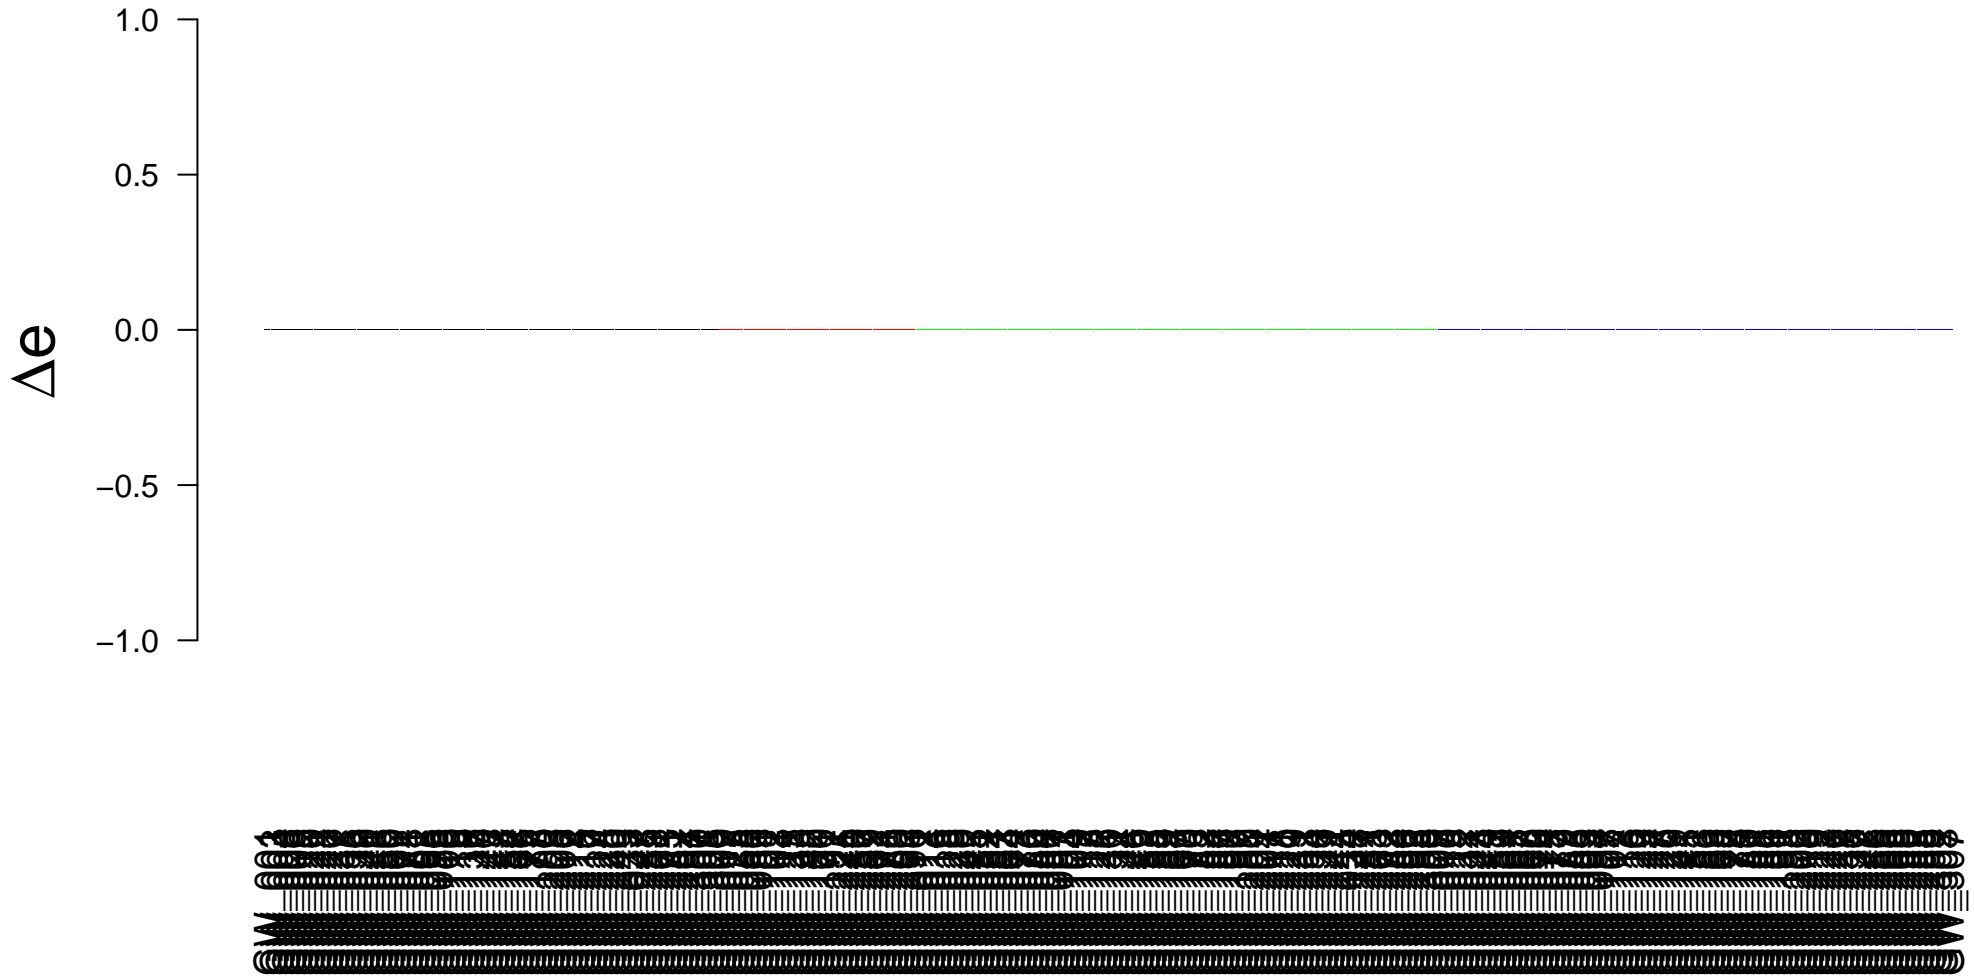

Expression of cellular response to glucose starvation in Spot L

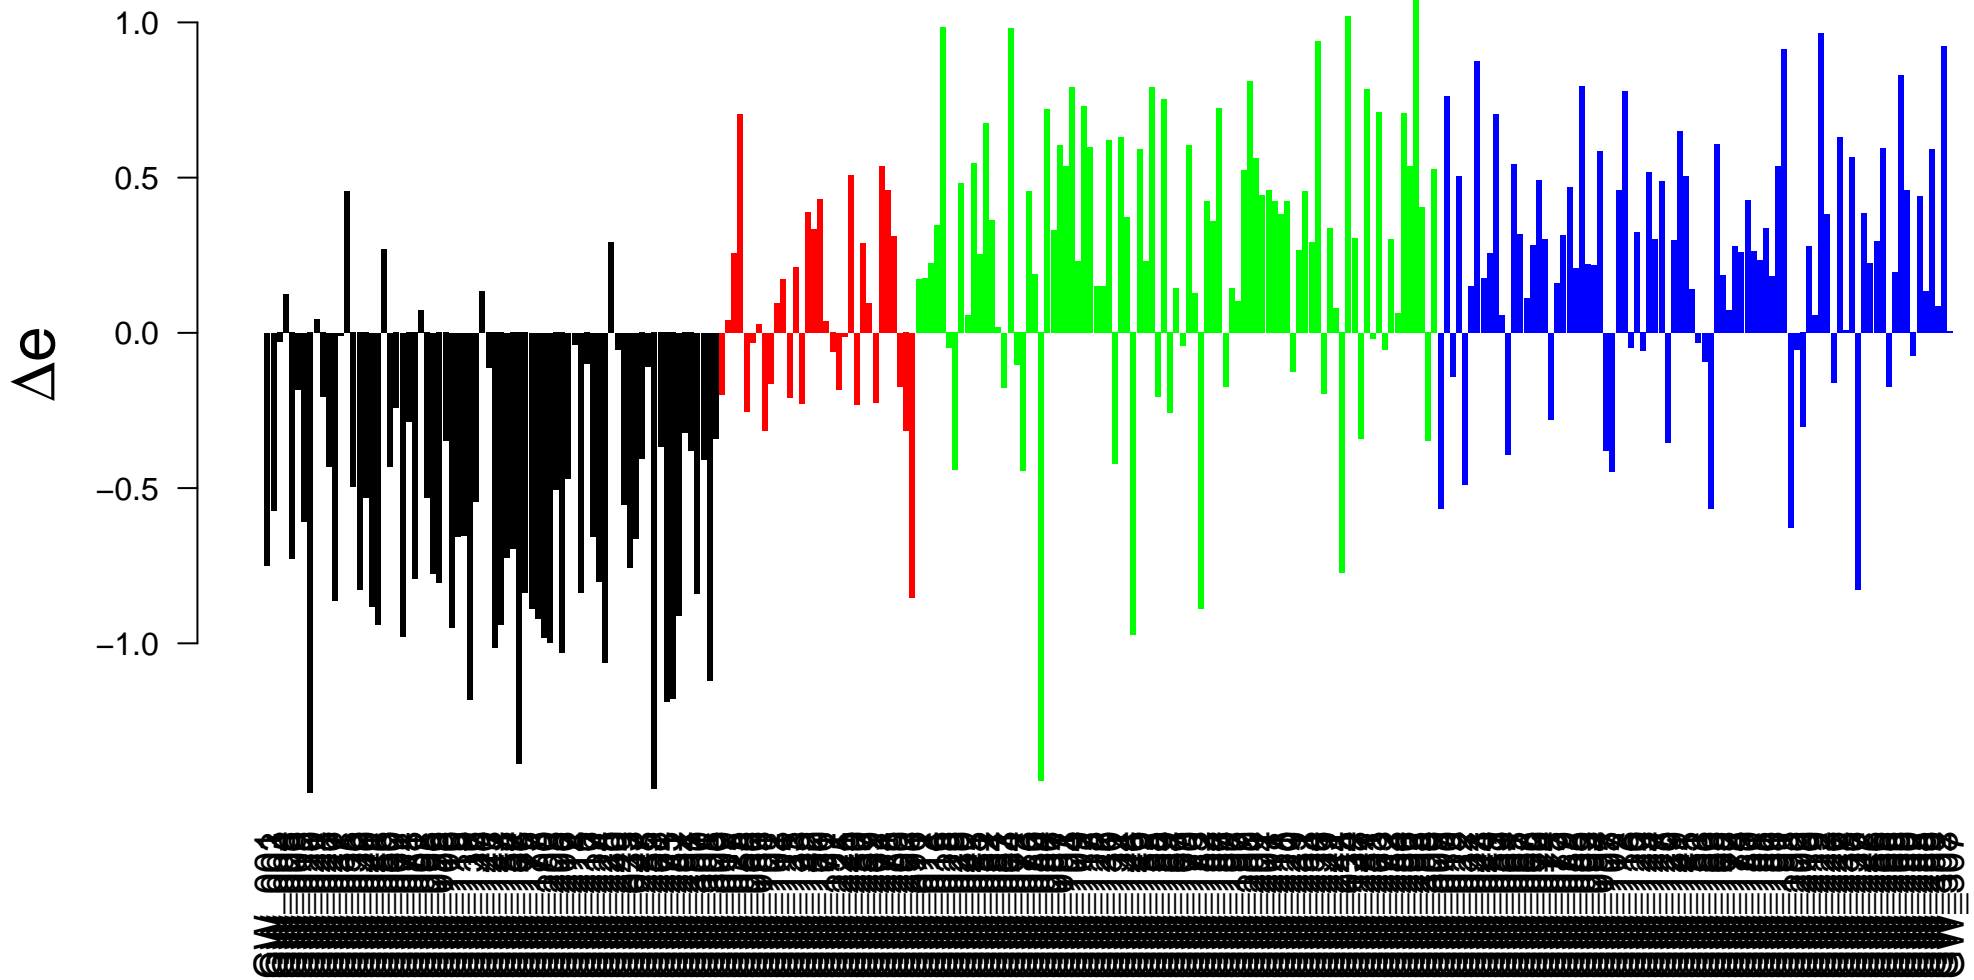

Expression of cellular response to glucose starvation in Spot M

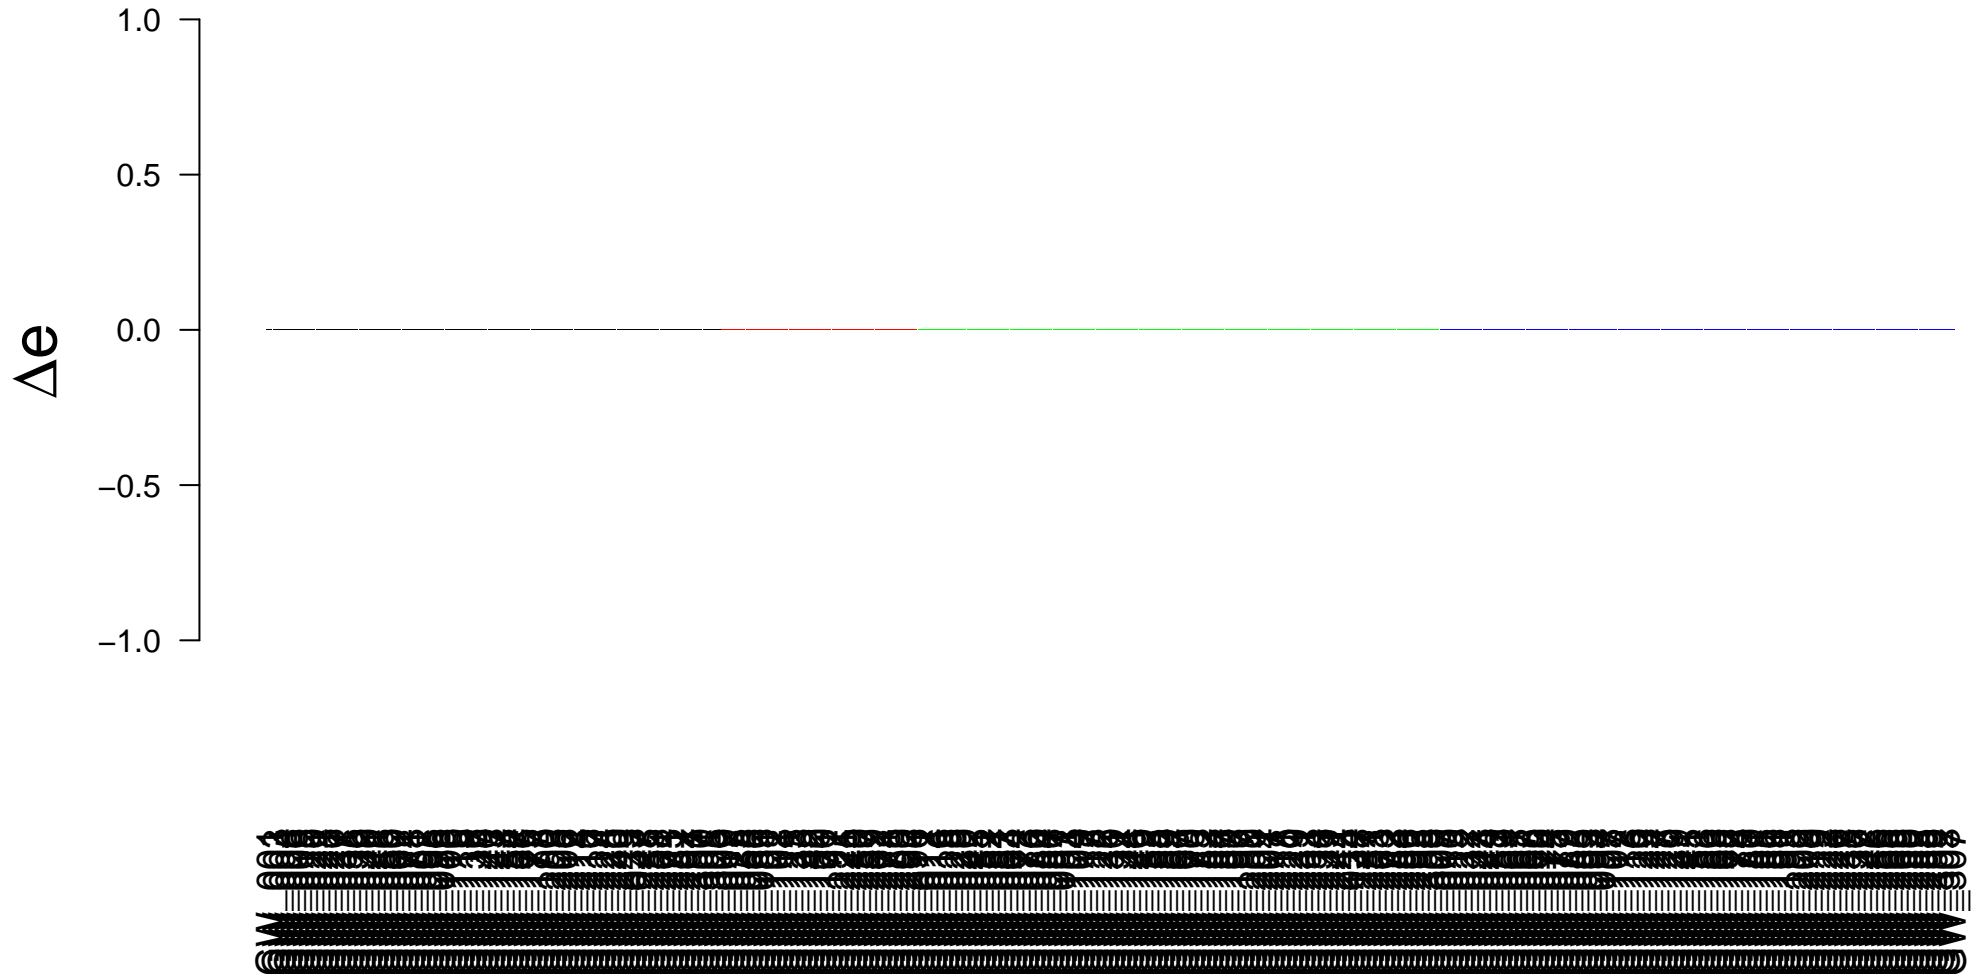

Expression of cellular response to glucose starvation in Spot N

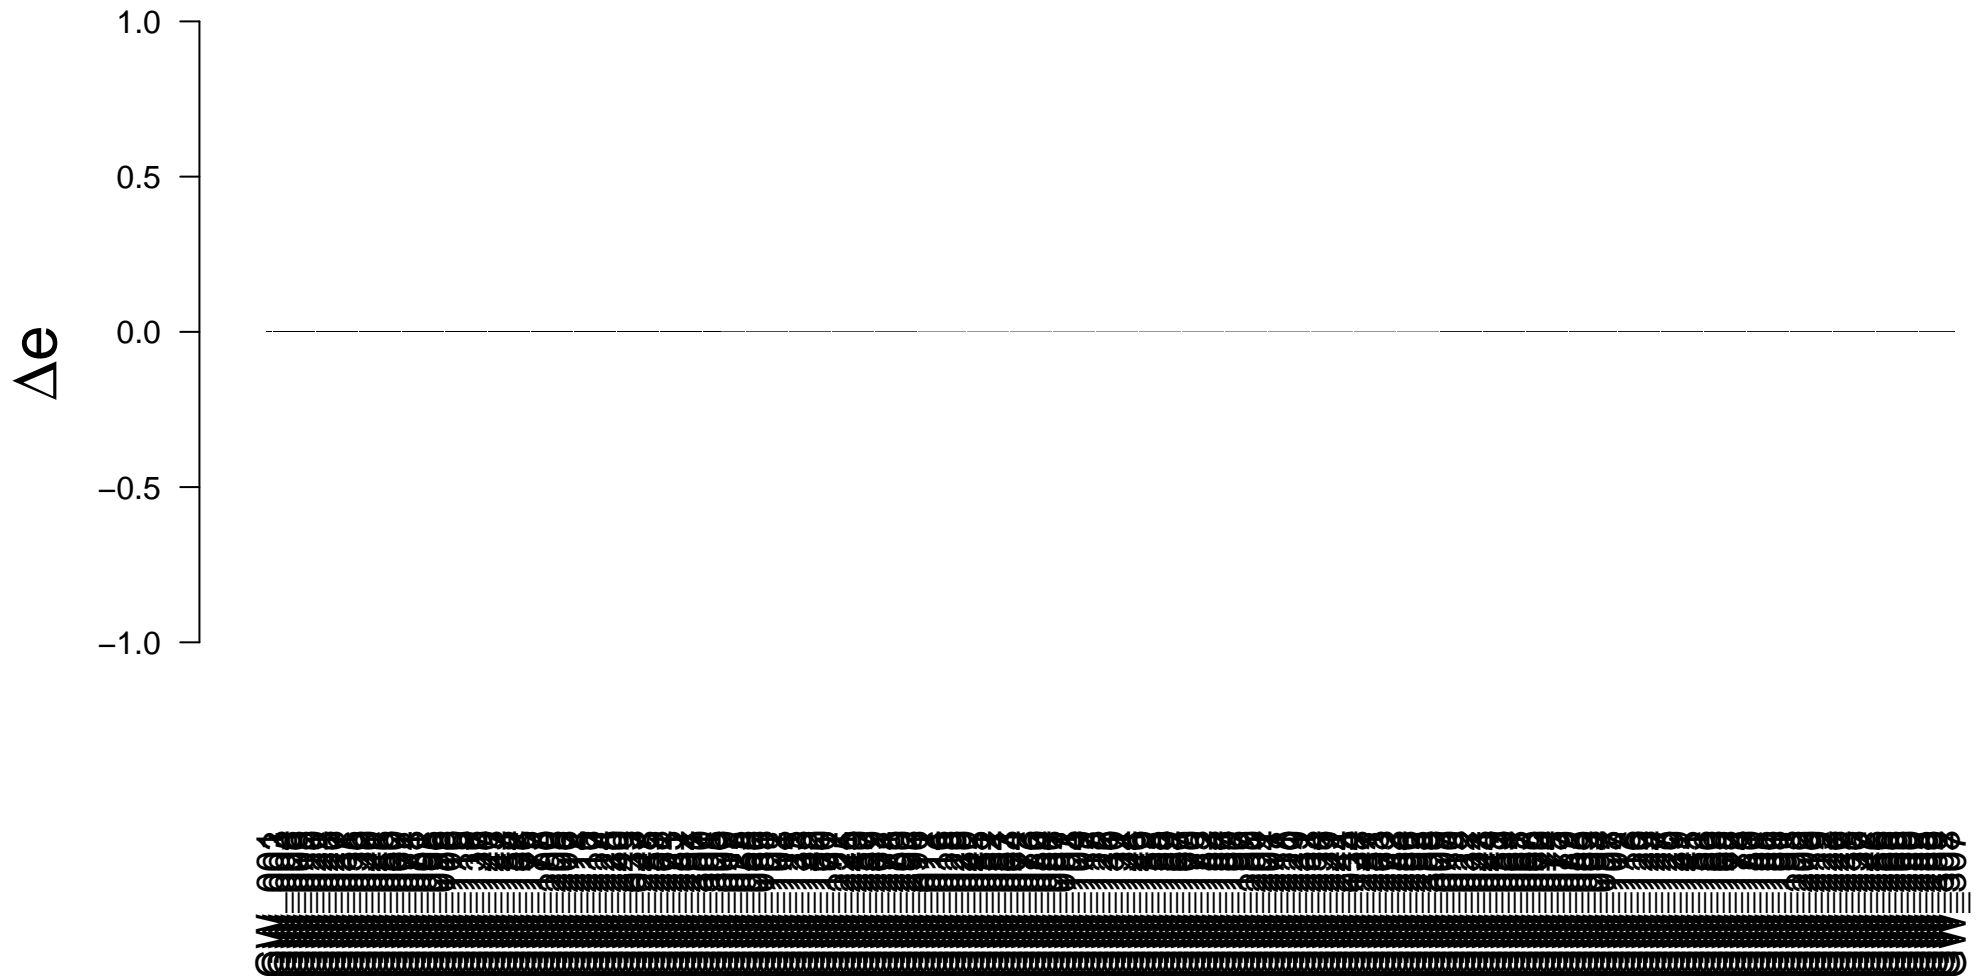

Expression of cellular response to glucose starvation in Spot O

Expression of cellular response to glucose starvation in Spot P

Expression of cellular response to glucose starvation in Spot Q

Expression of cellular response to glucose starvation in Spot R
