

cellular response to interferon-gamma

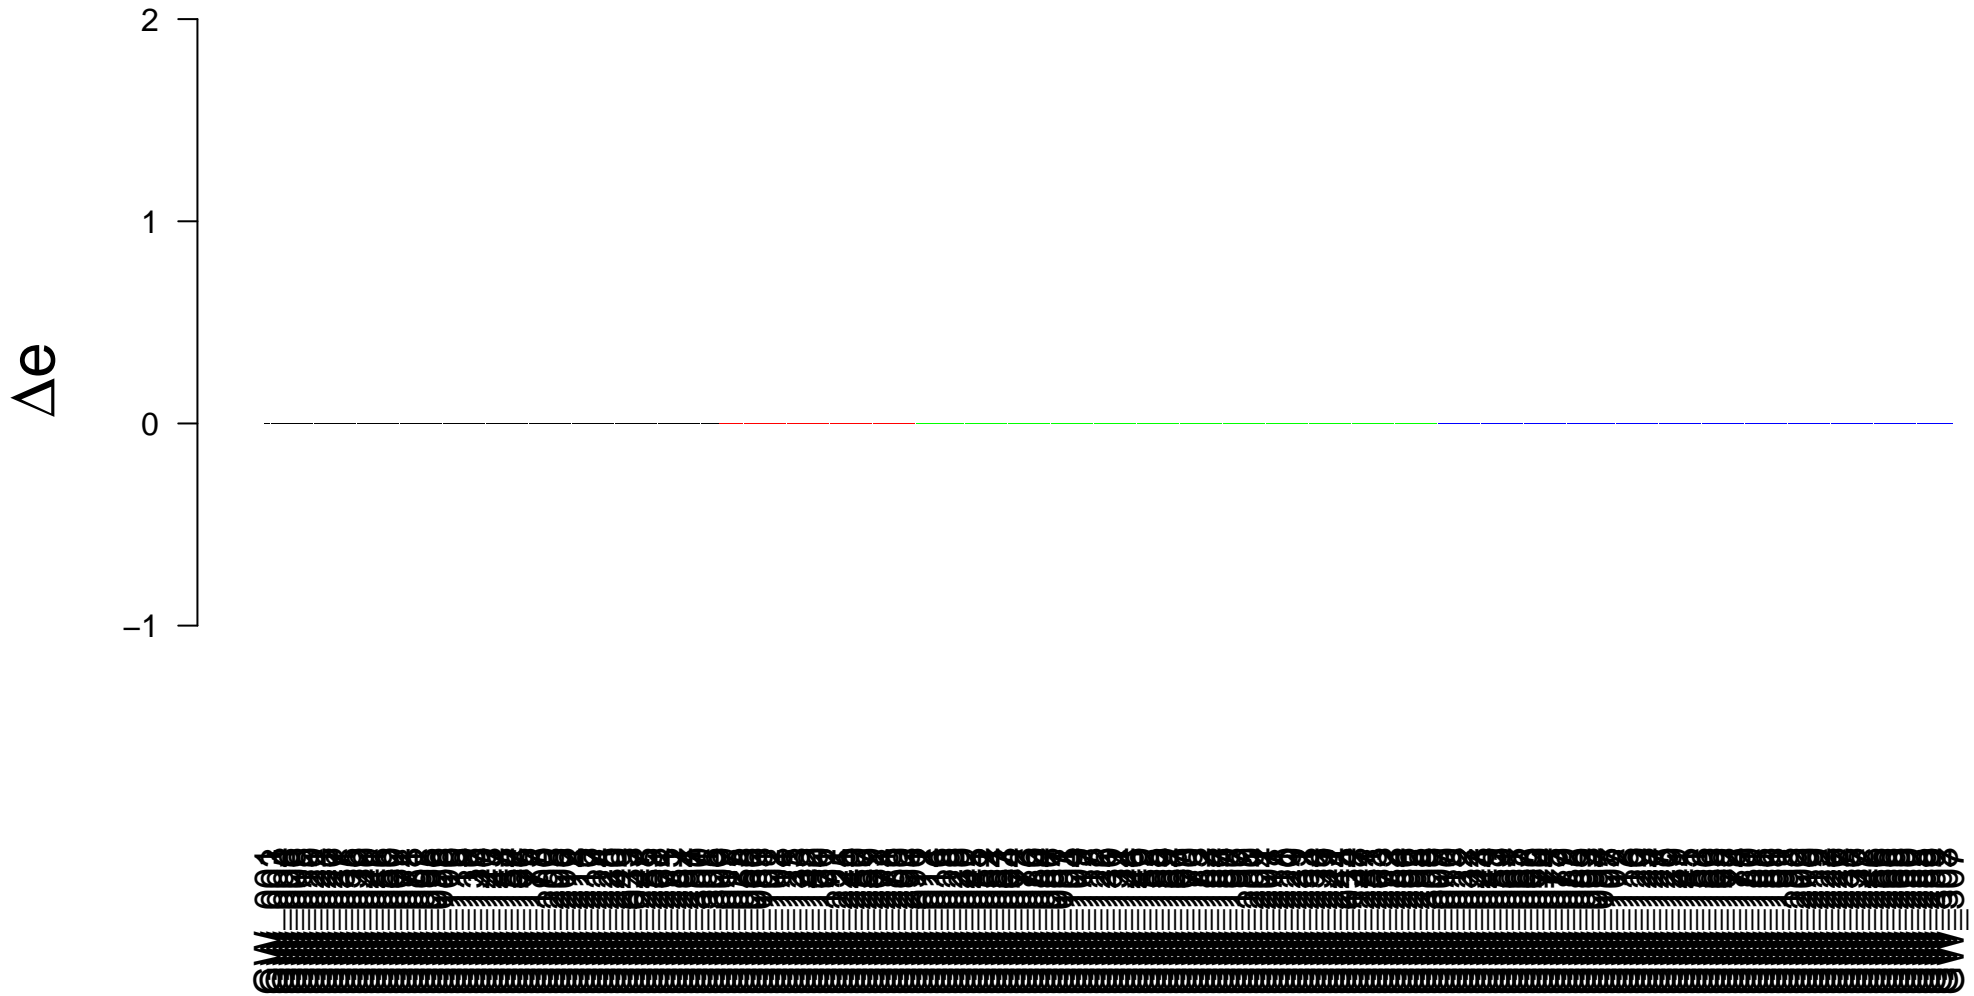

cellular response to interferon-gamma

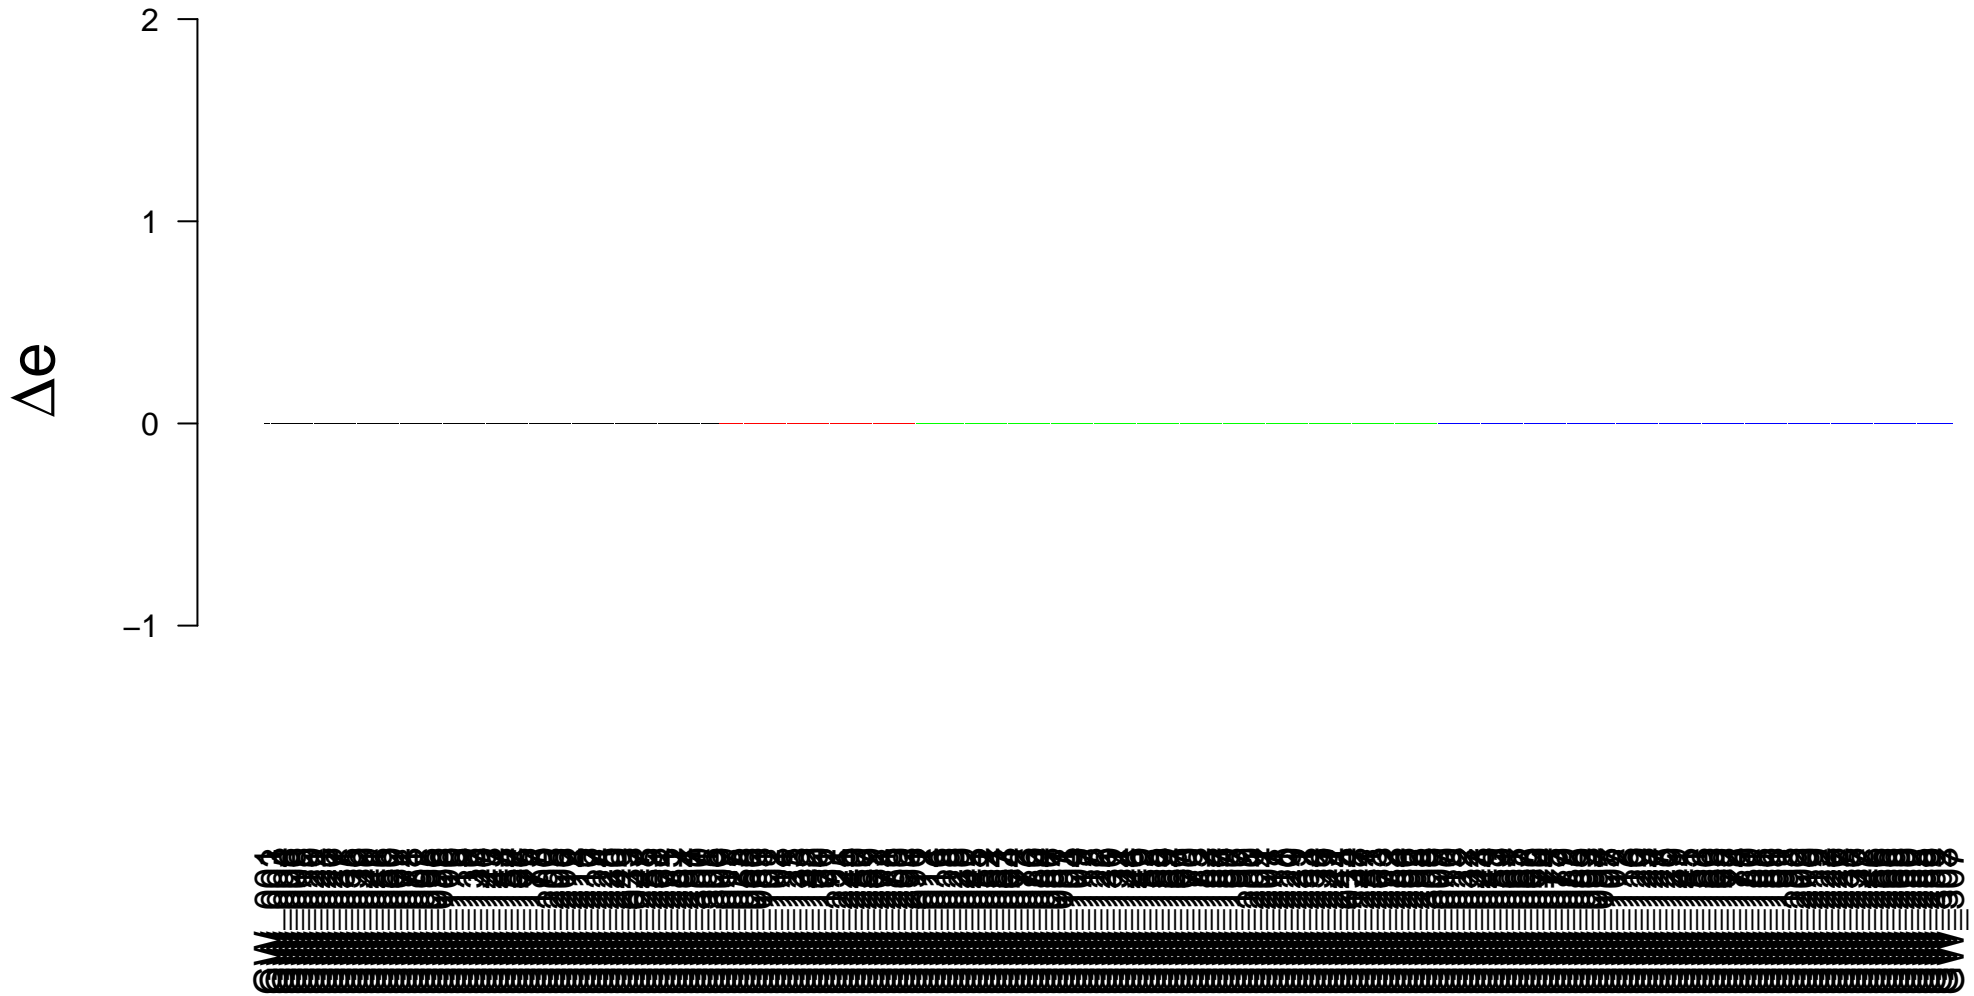

Enrichment in spots: cellular response to interferon-gamma

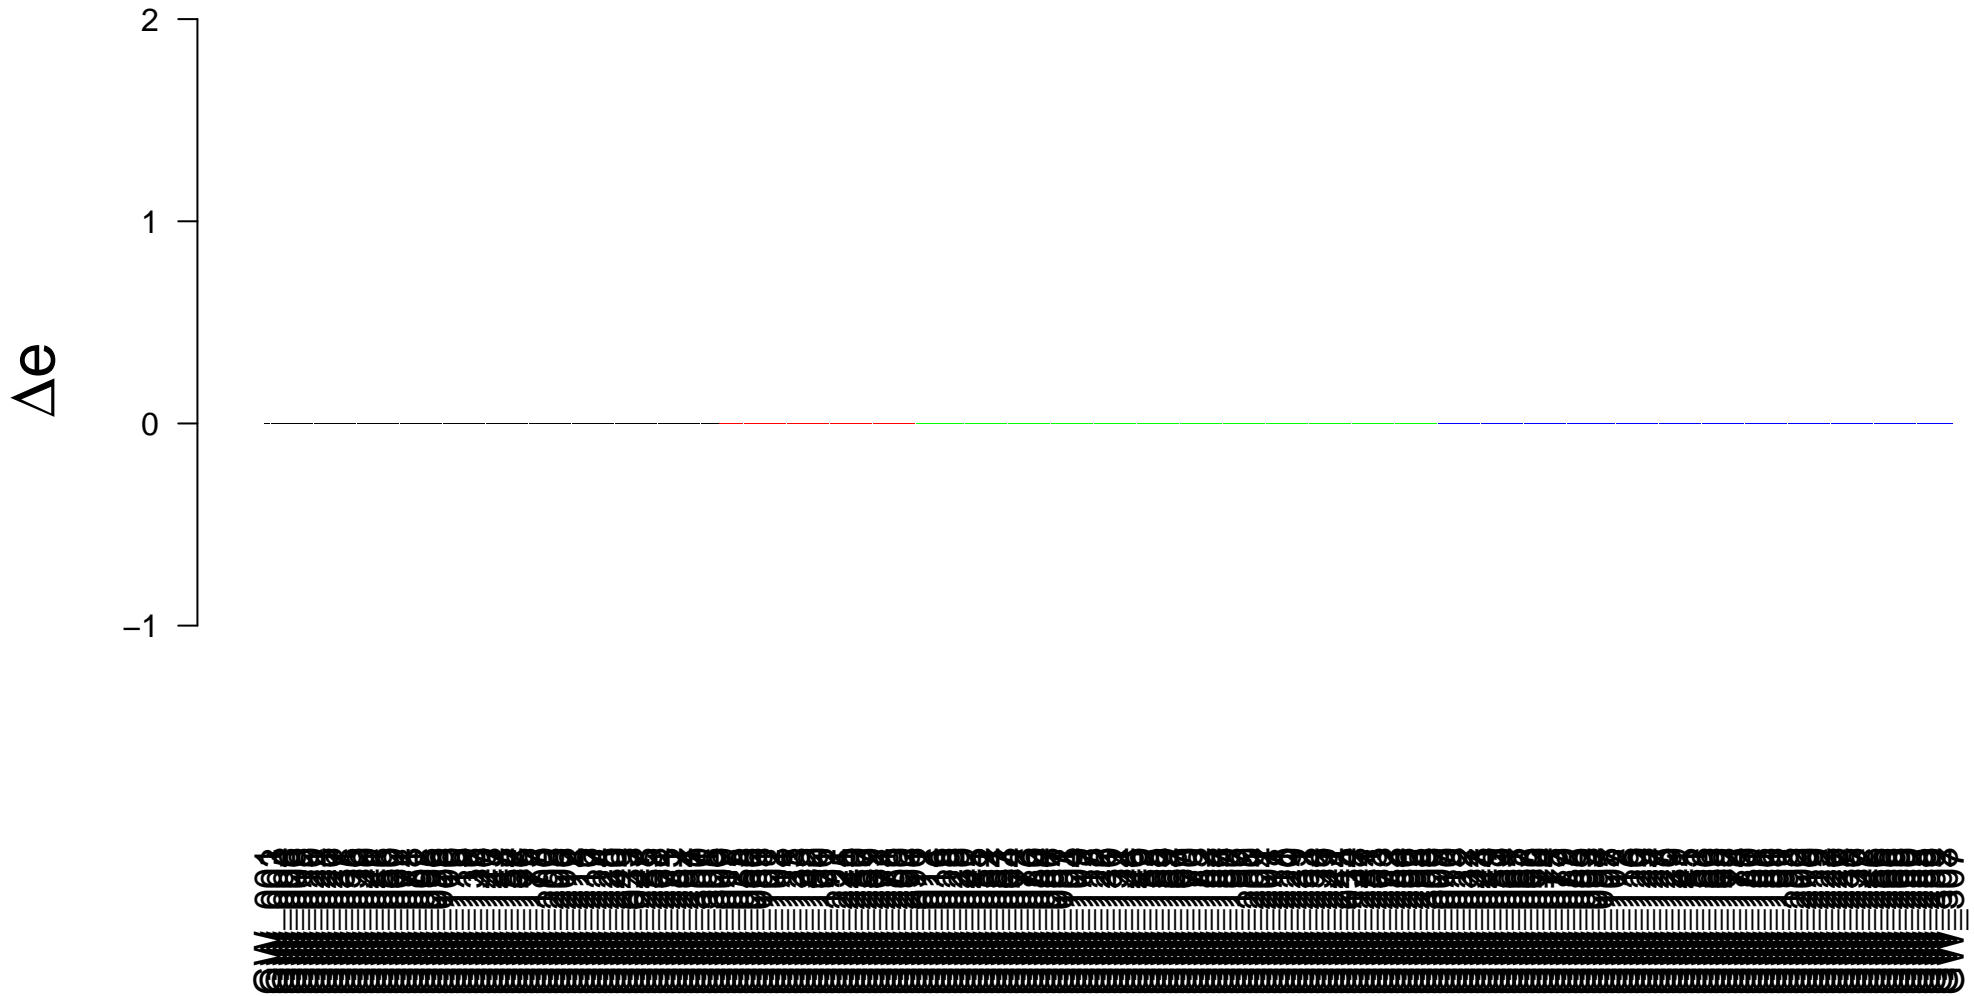

Expression of cellular response to interferon-gamma in Spot A

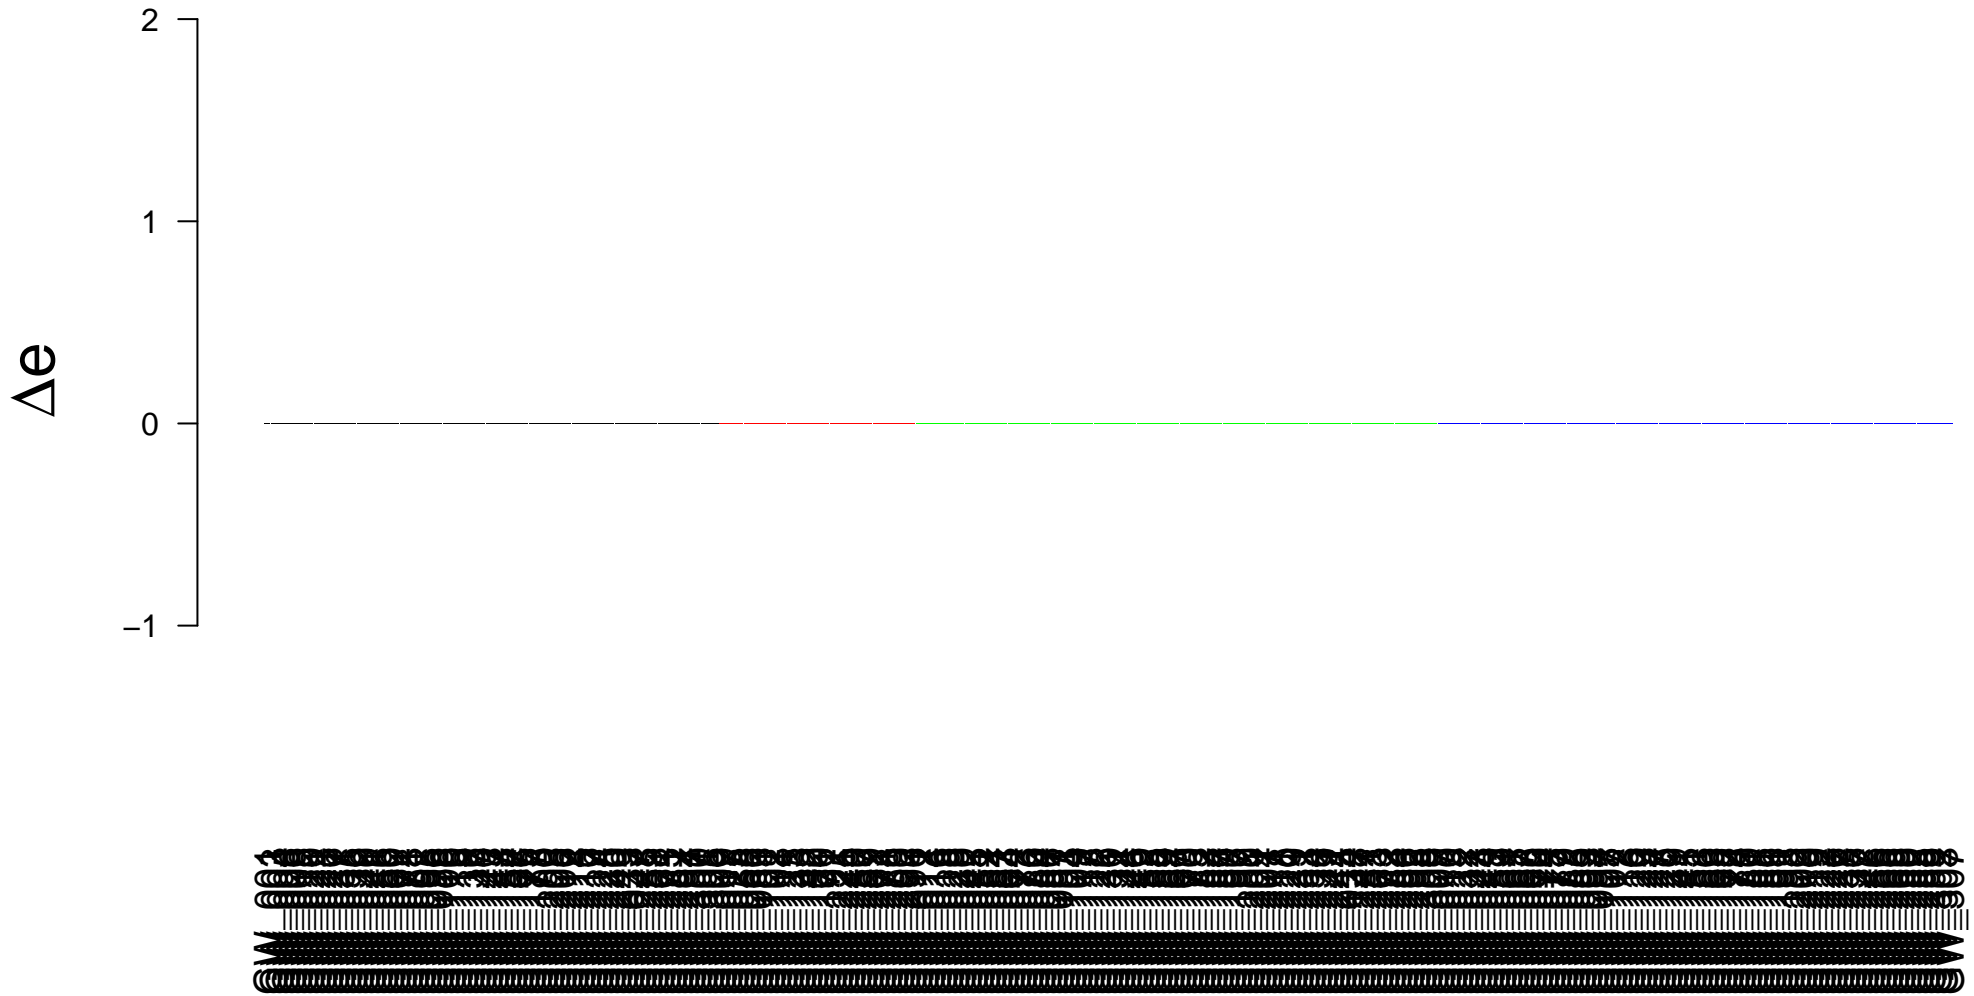

Expression of cellular response to interferon-gamma in Spot B

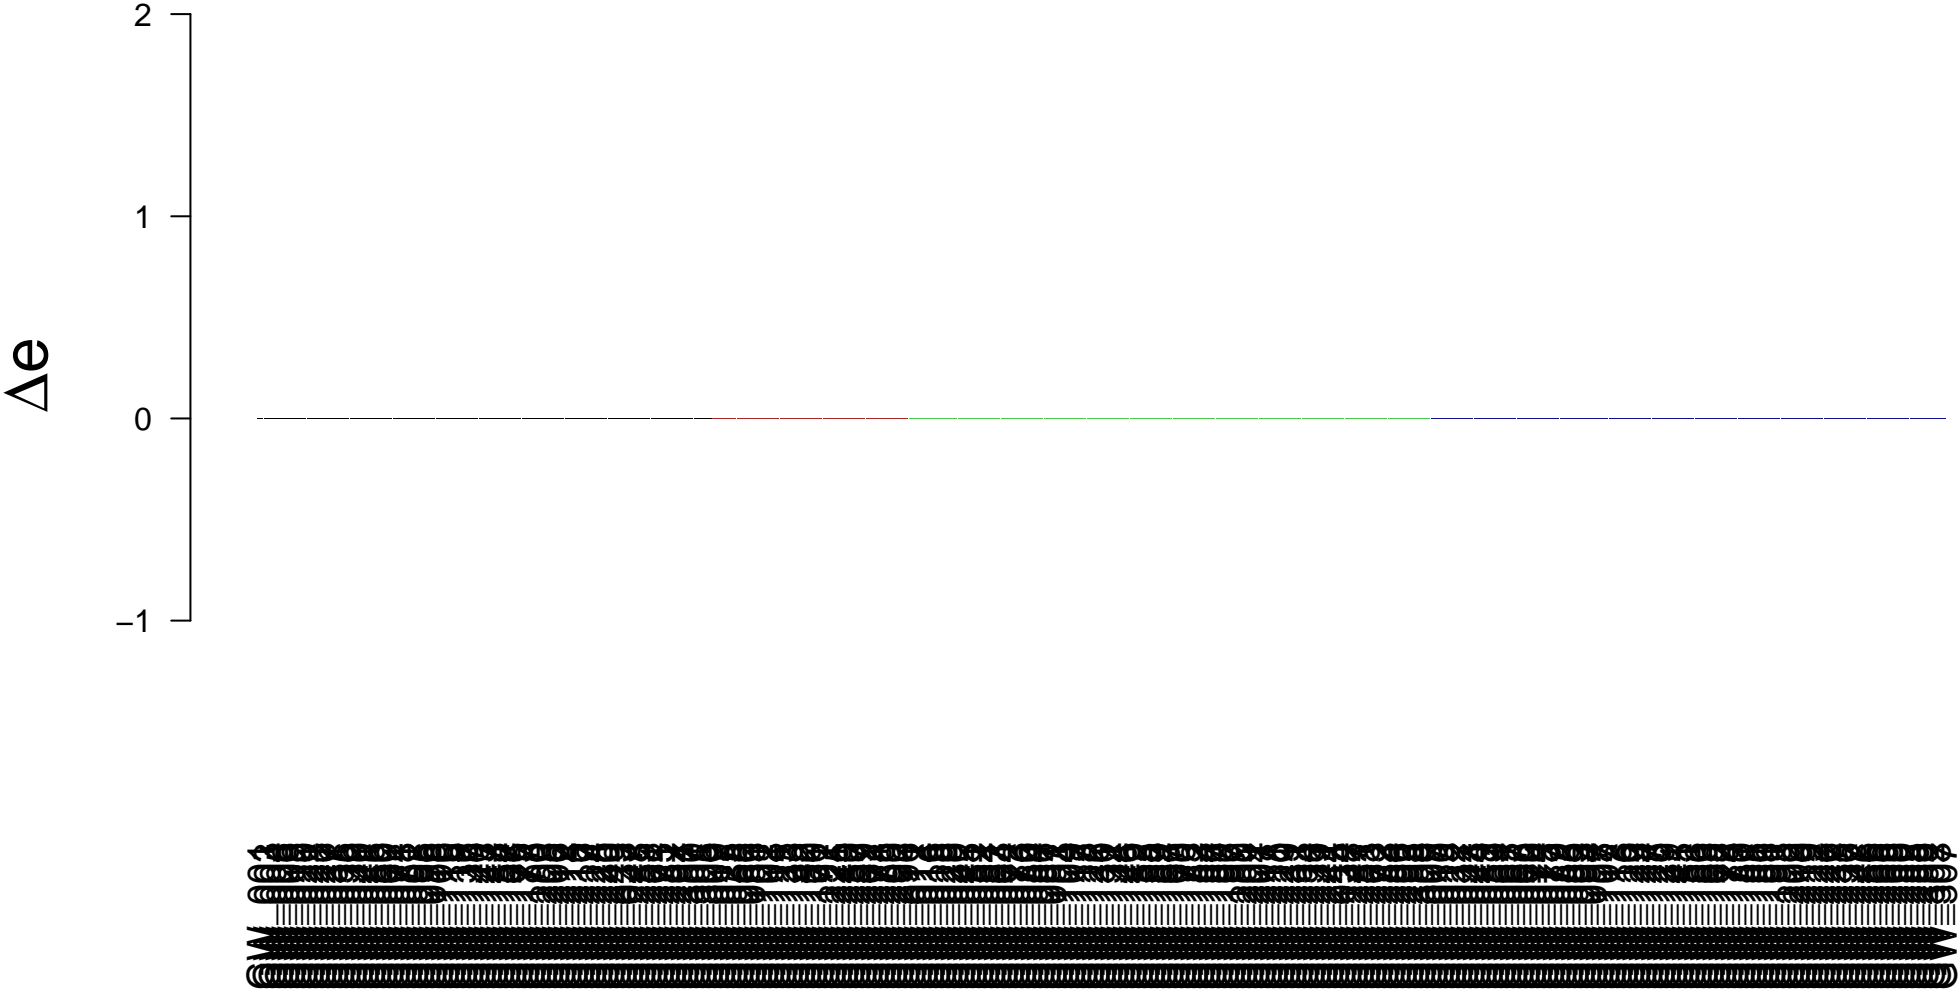

Expression of cellular response to interferon-gamma in Spot C

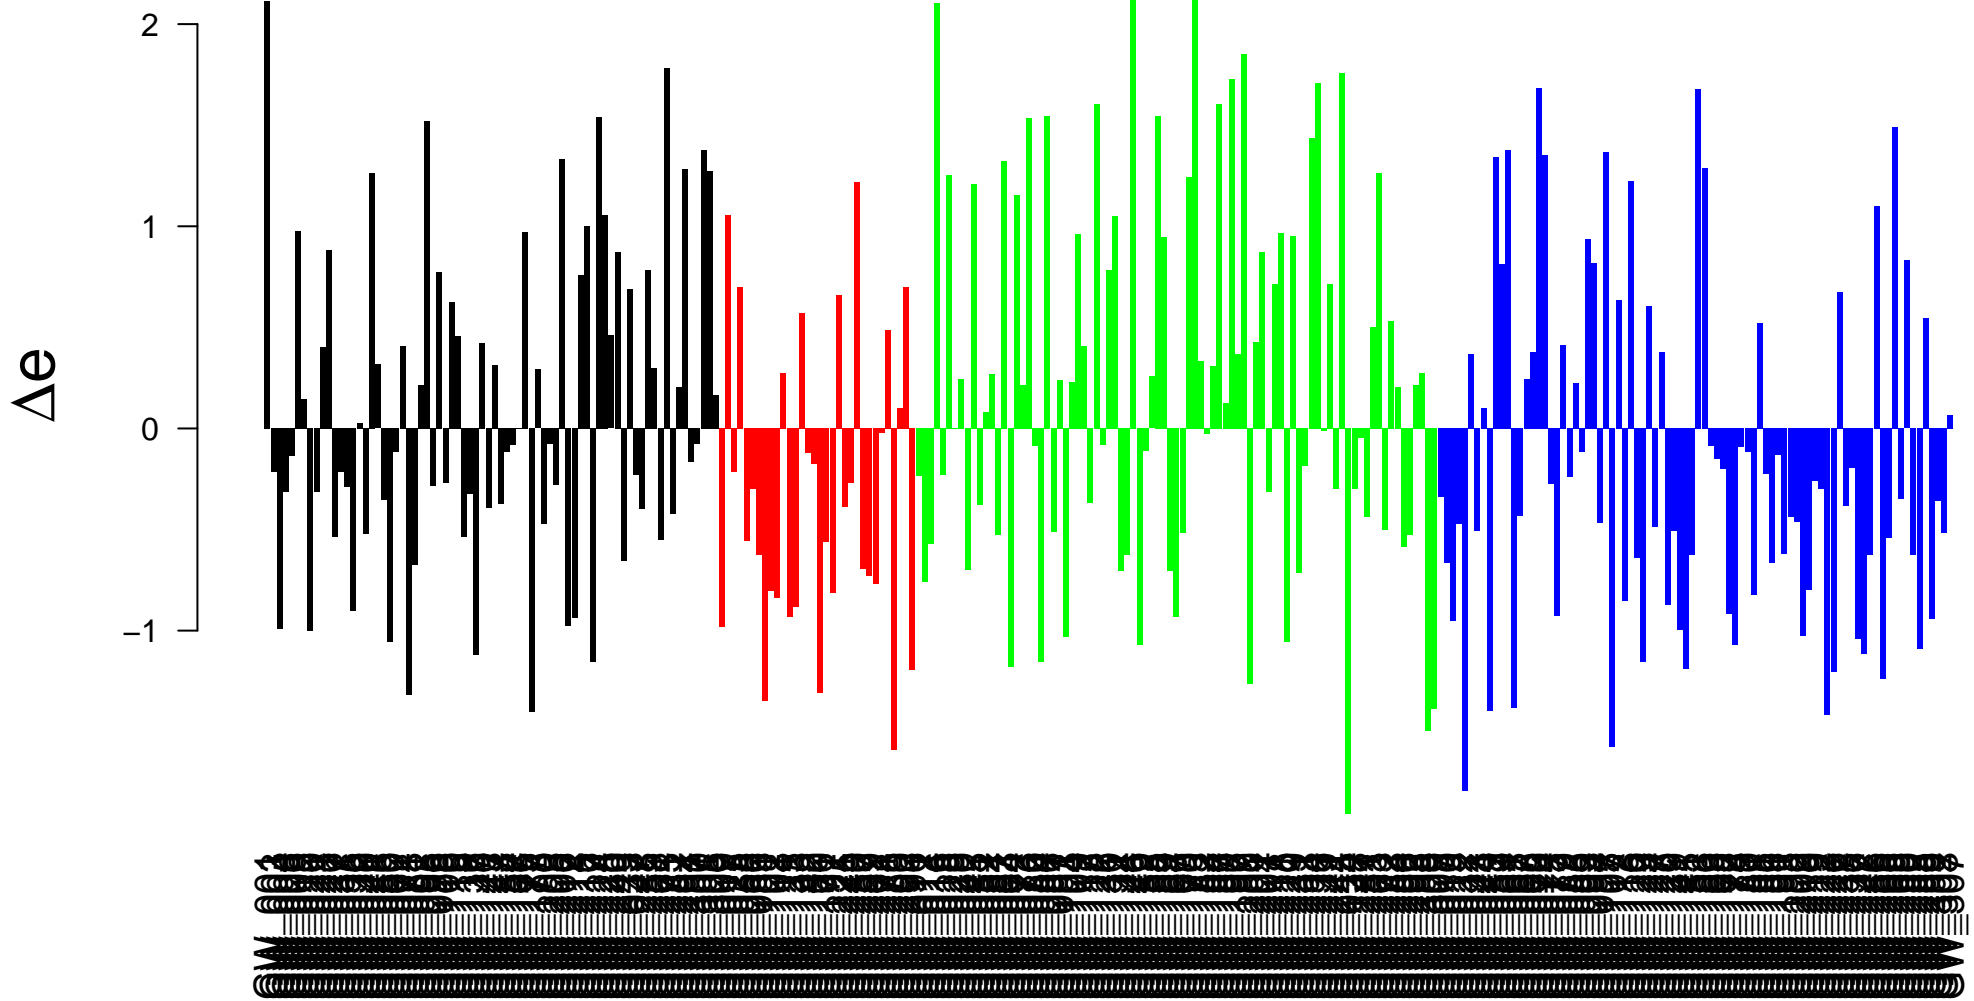

Expression of cellular response to interferon-gamma in Spot D

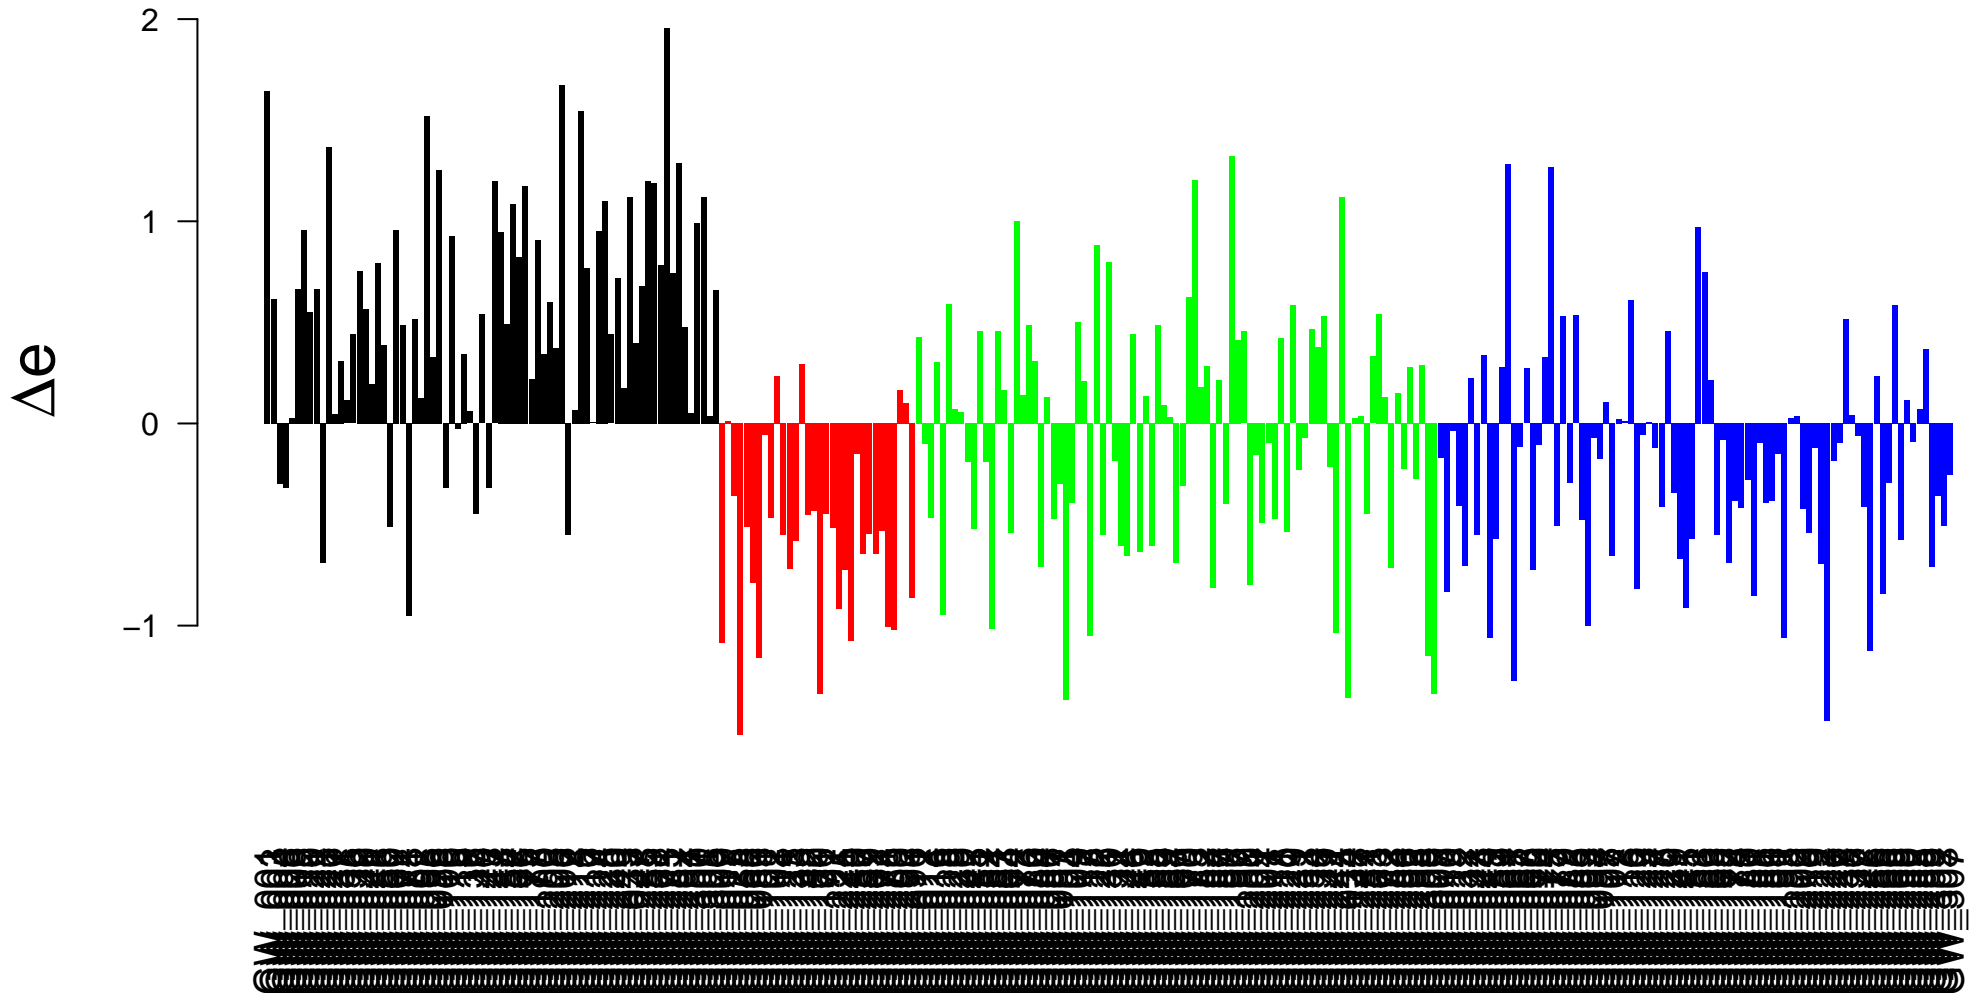

Expression of cellular response to interferon-gamma in Spot E

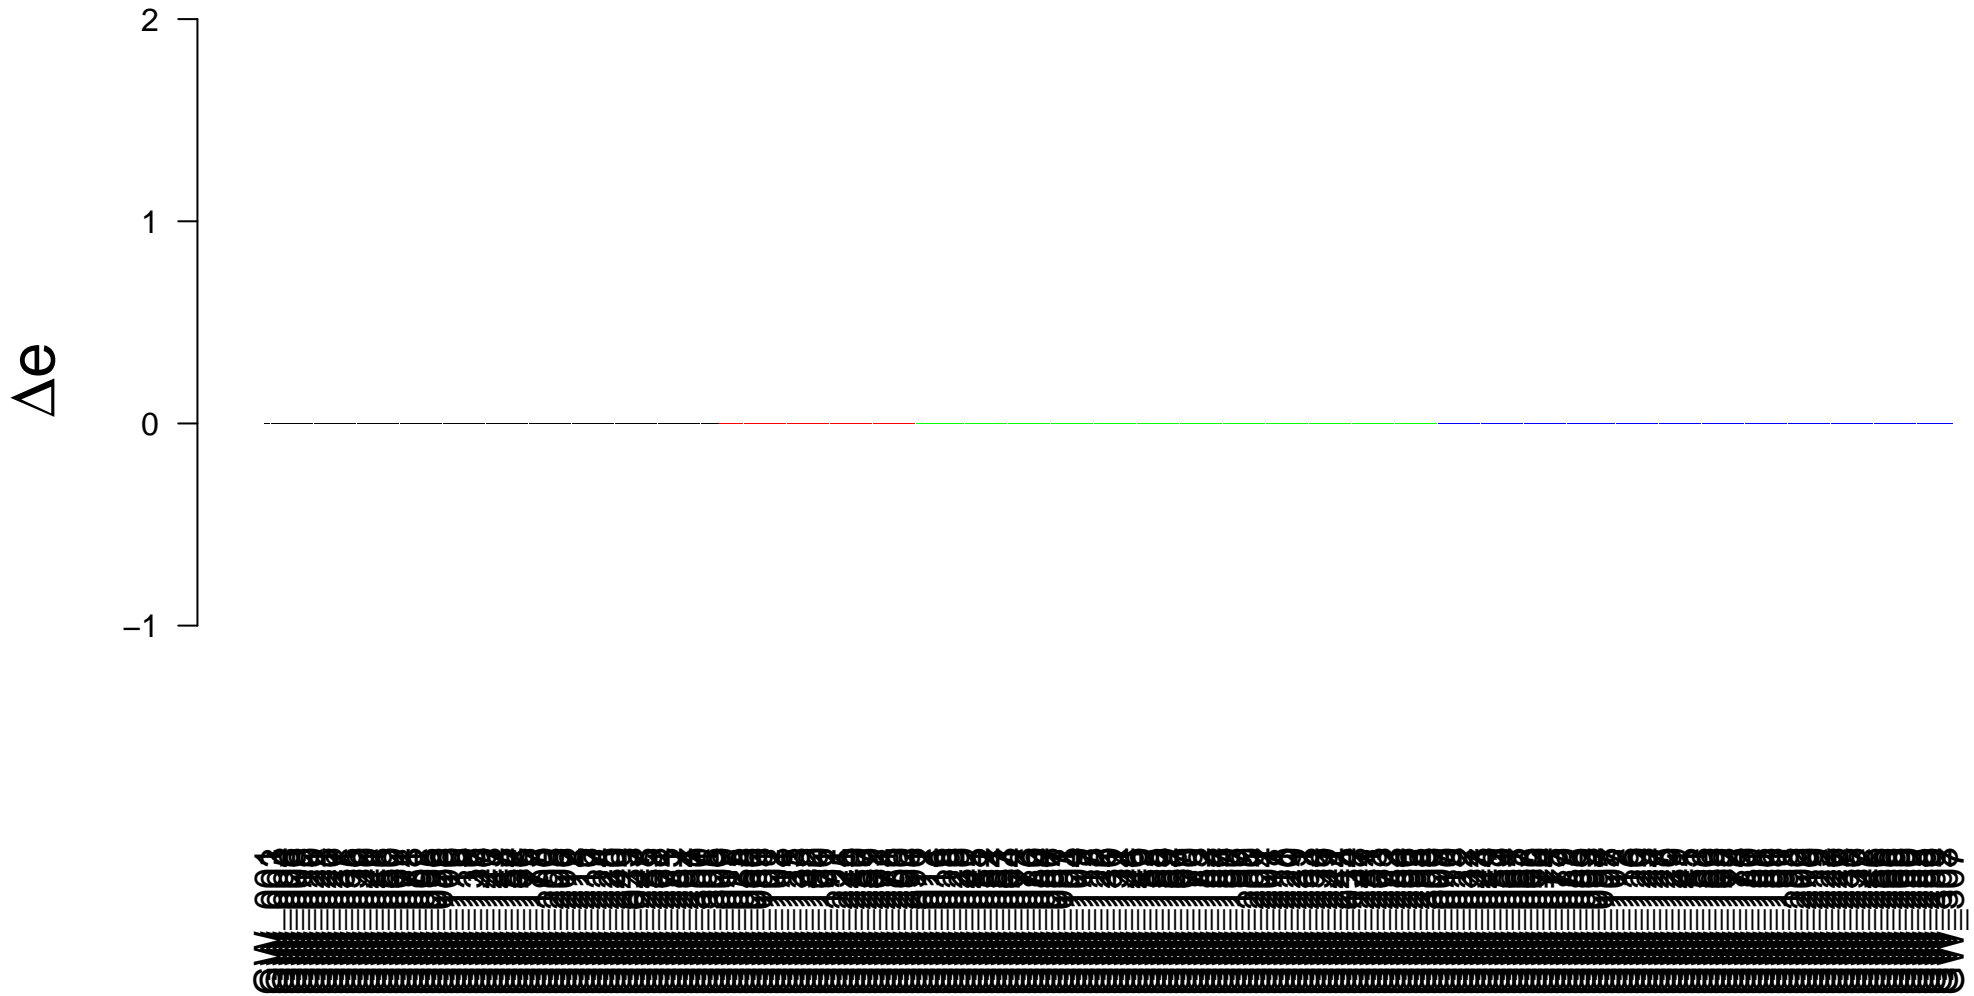

Expression of cellular response to interferon-gamma in Spot F

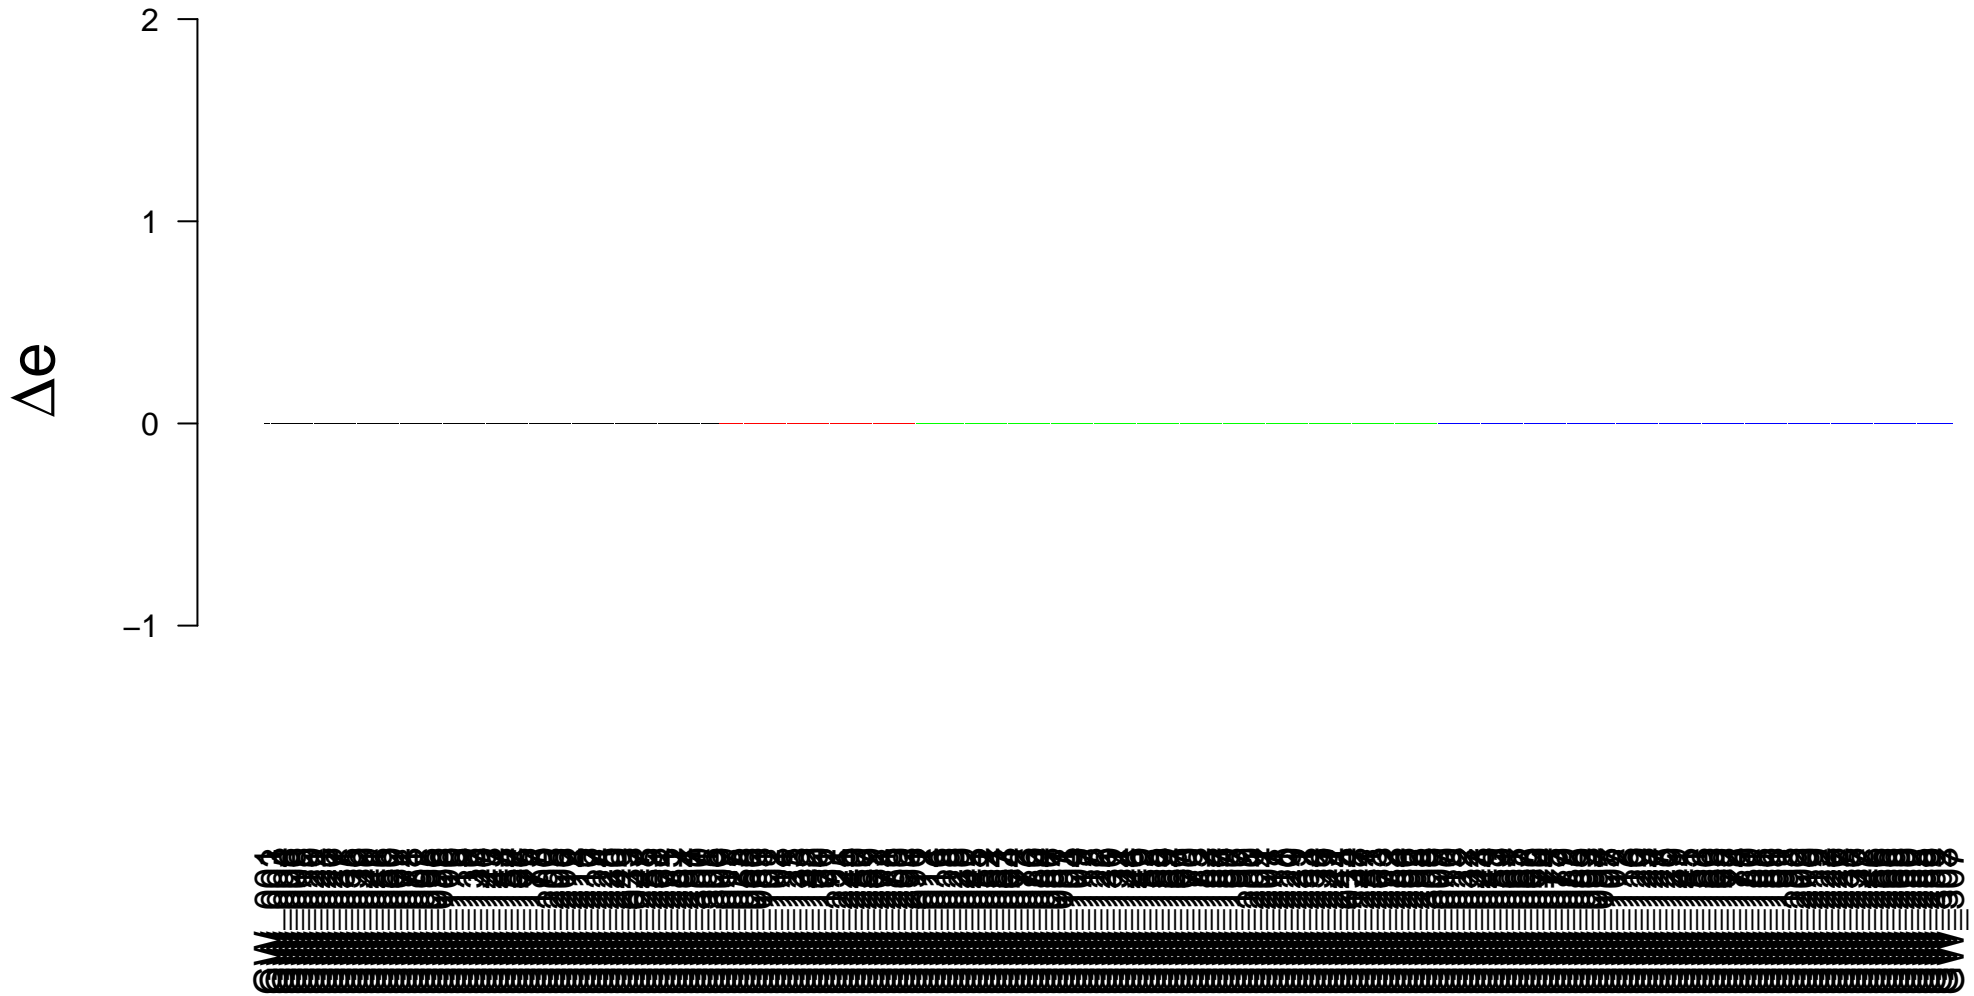

Expression of cellular response to interferon-gamma in Spot G

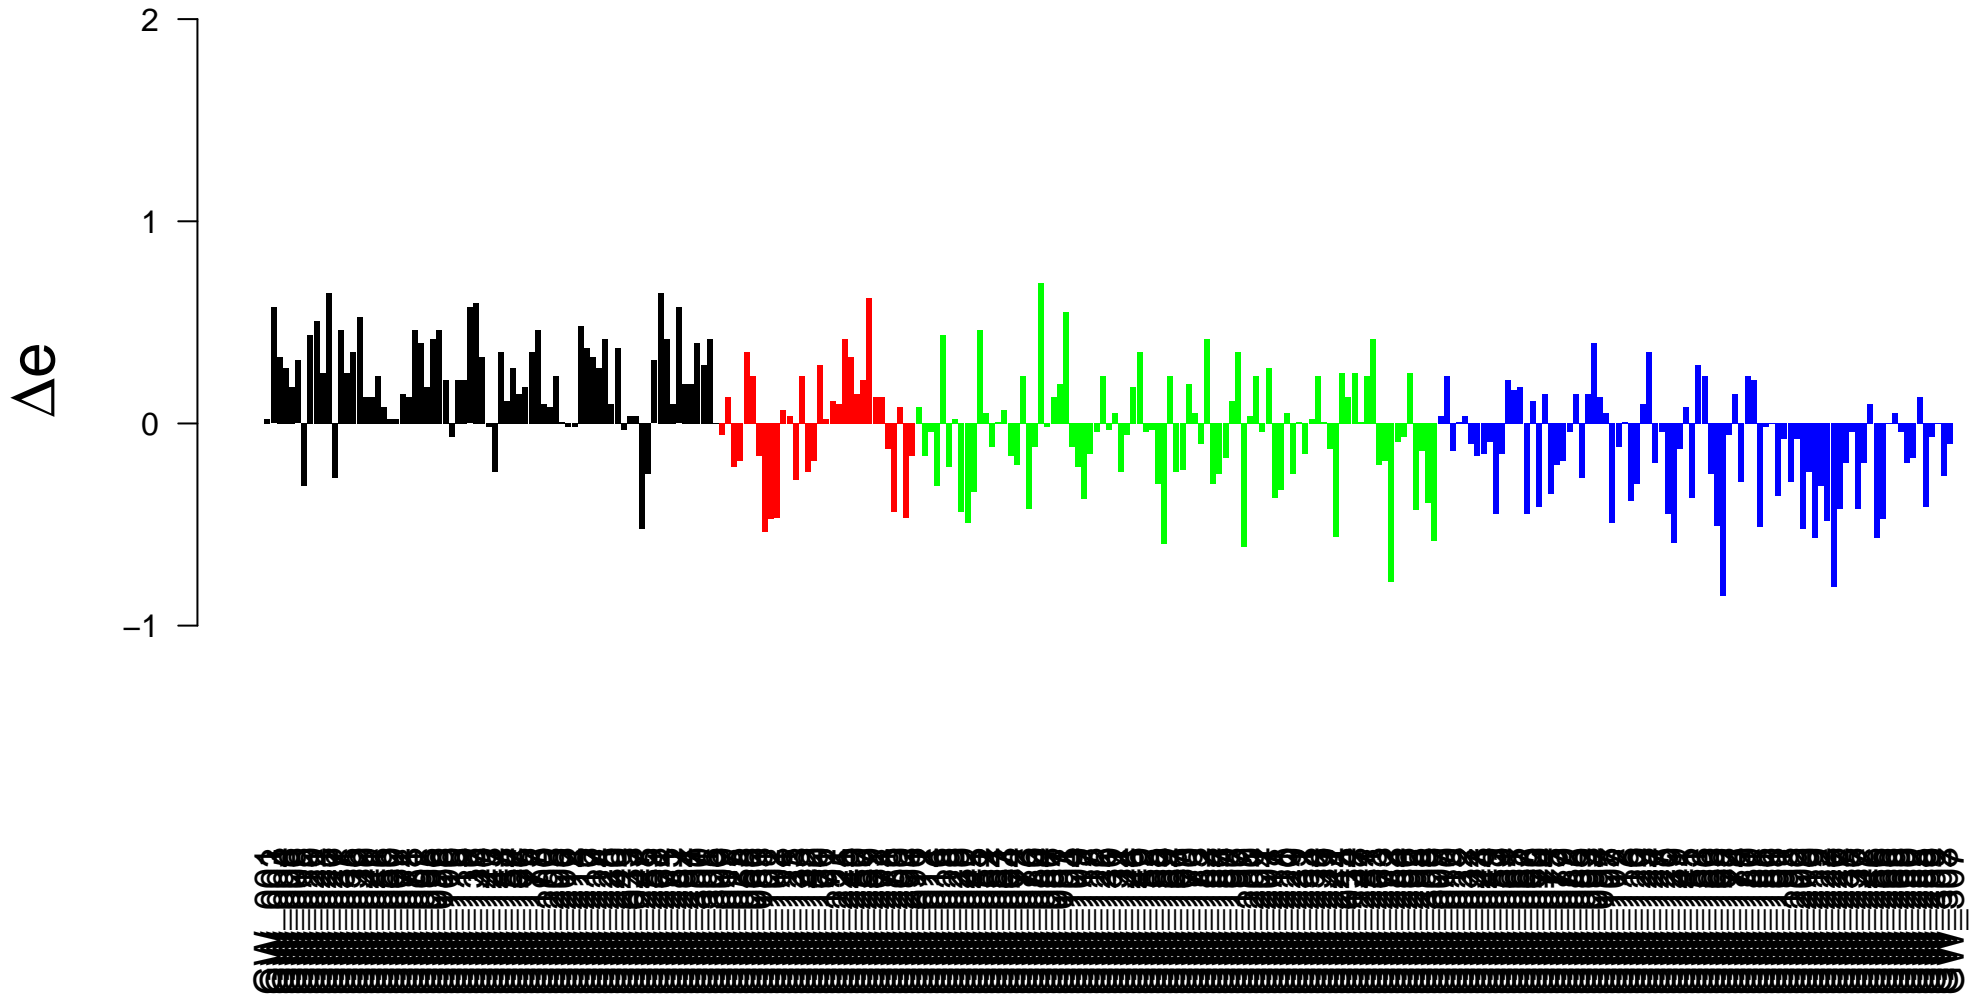

Expression of cellular response to interferon-gamma in Spot H

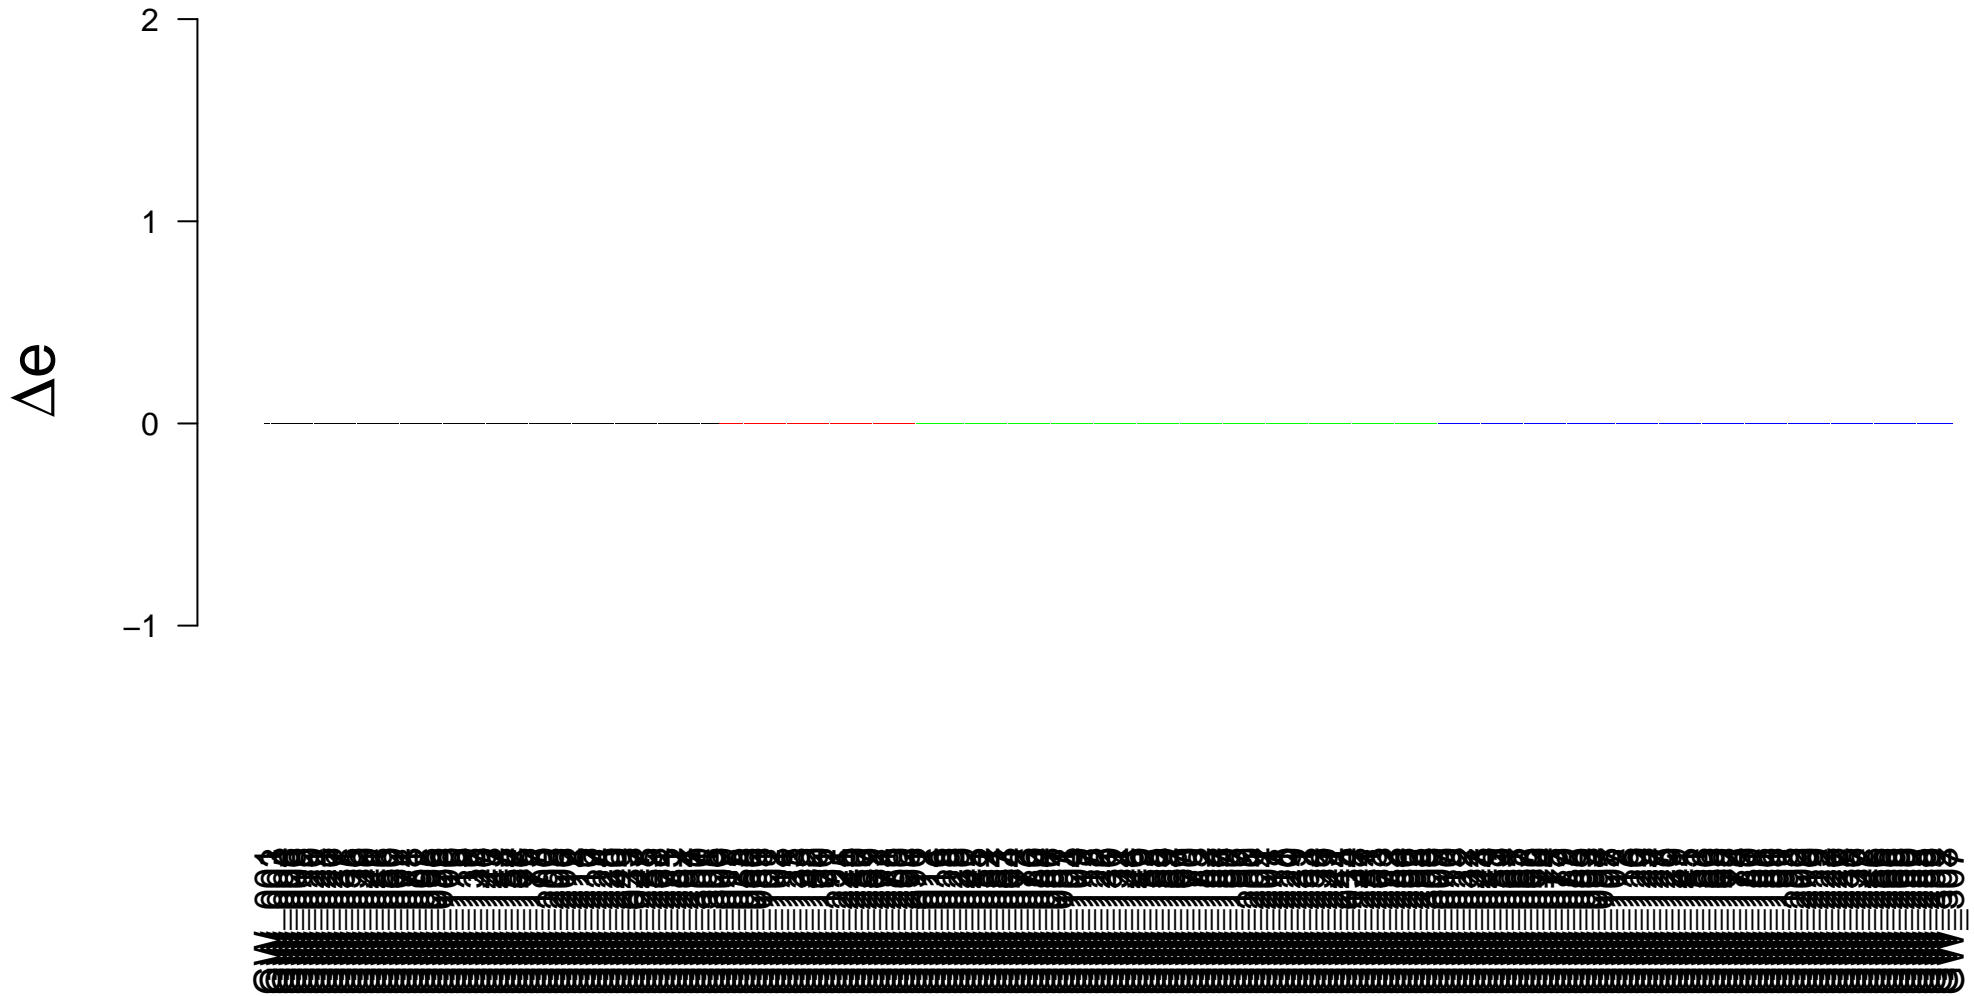

Expression of cellular response to interferon-gamma in Spot I

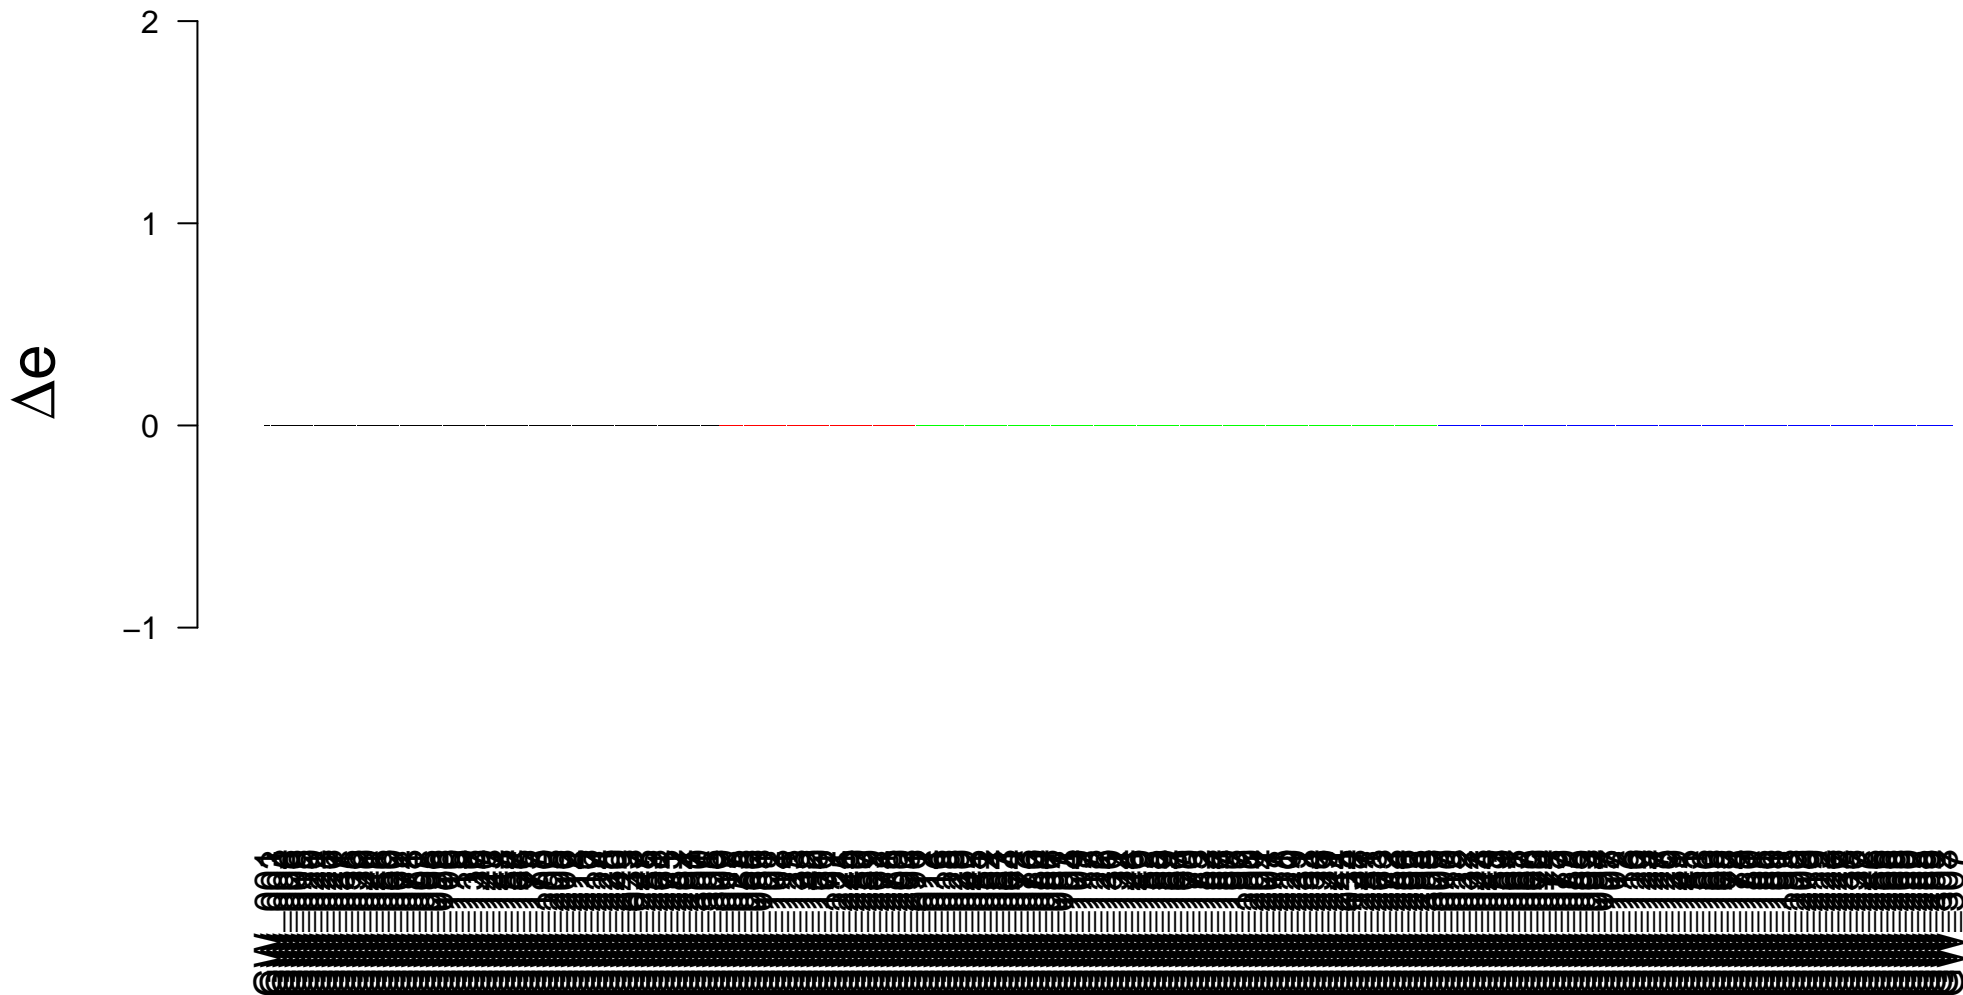

Expression of cellular response to interferon-gamma in Spot J

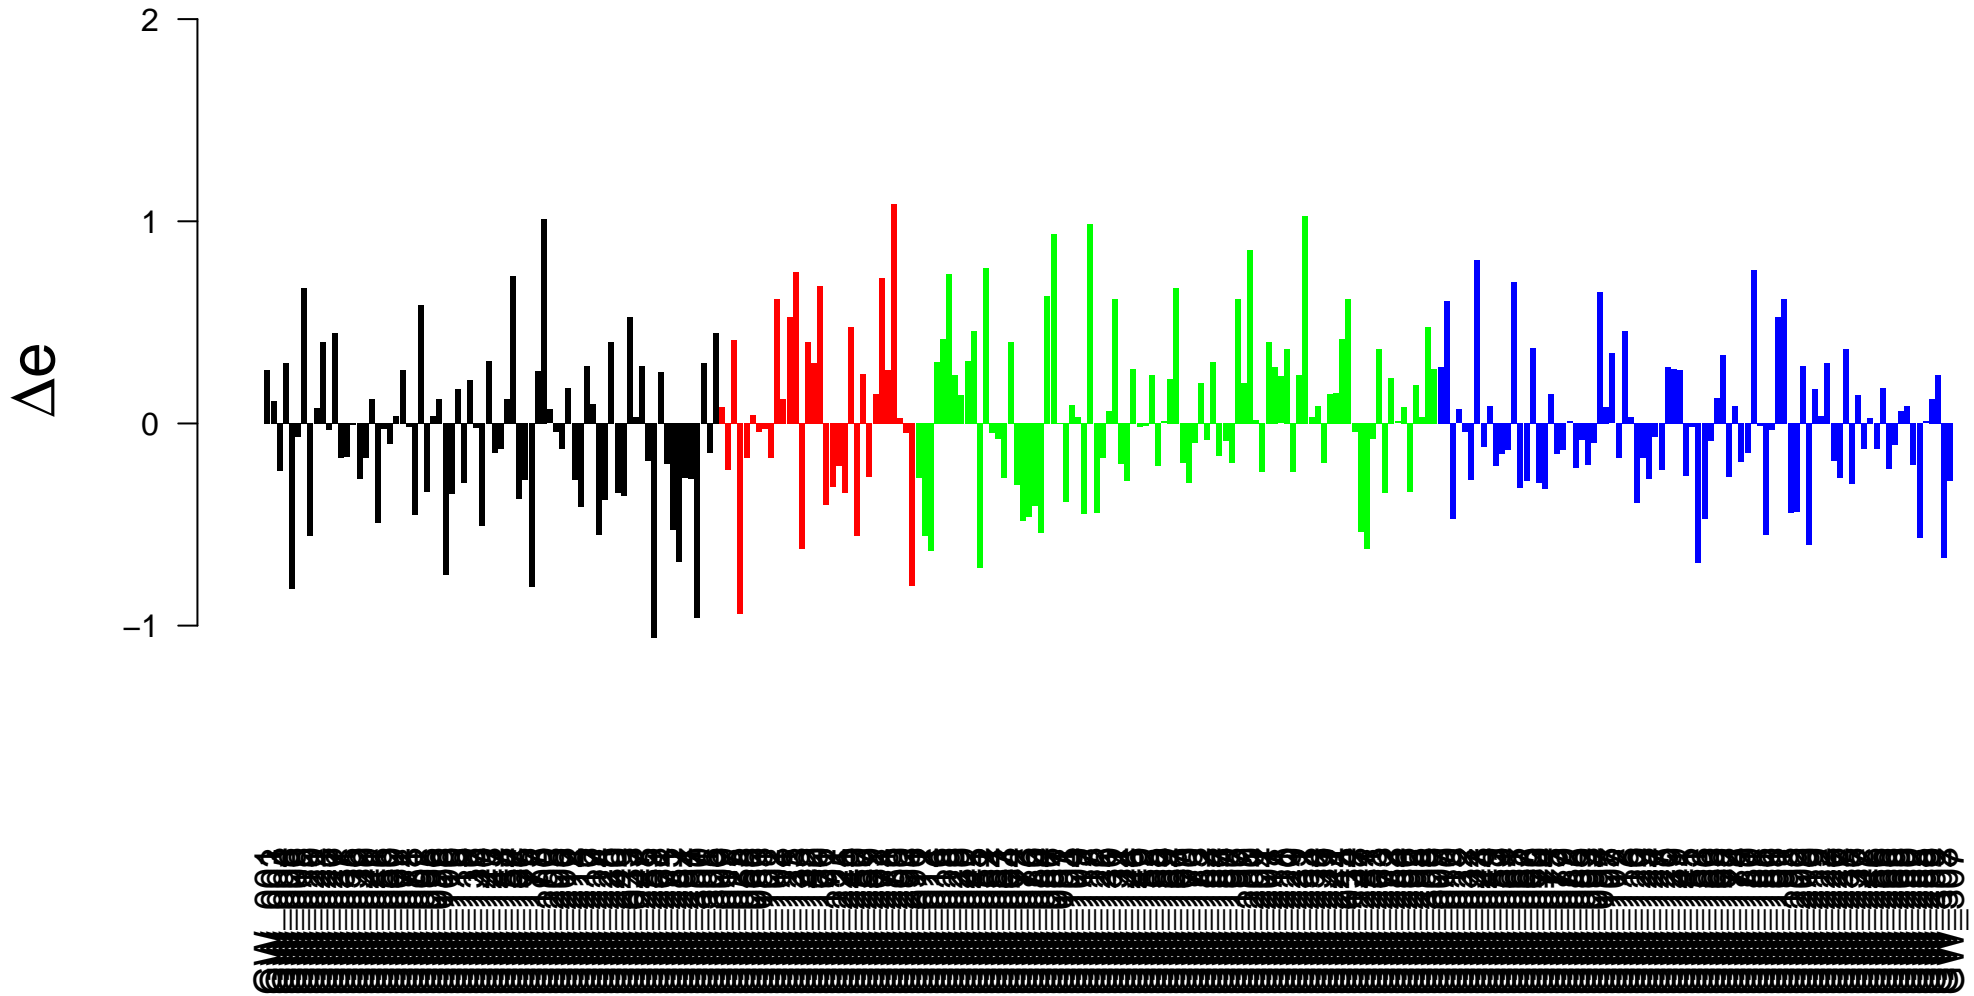

Expression of cellular response to interferon-gamma in Spot K

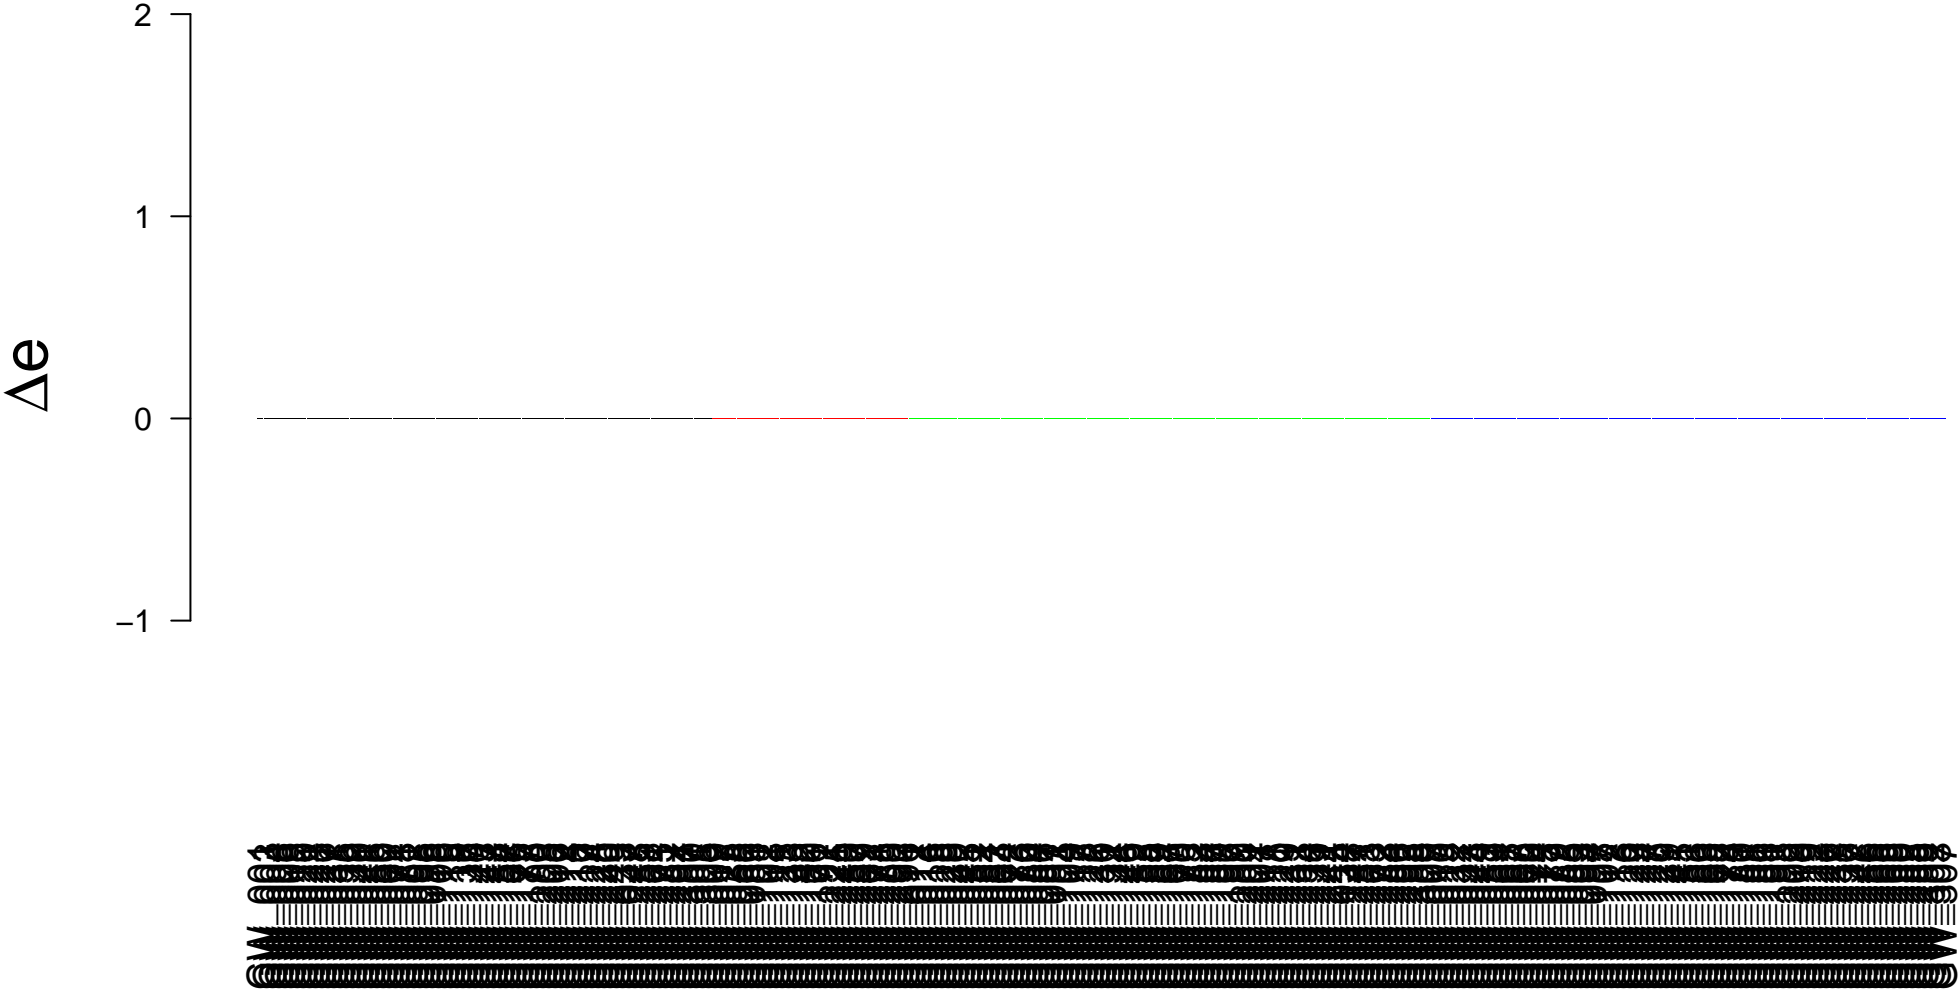

Expression of cellular response to interferon-gamma in Spot L

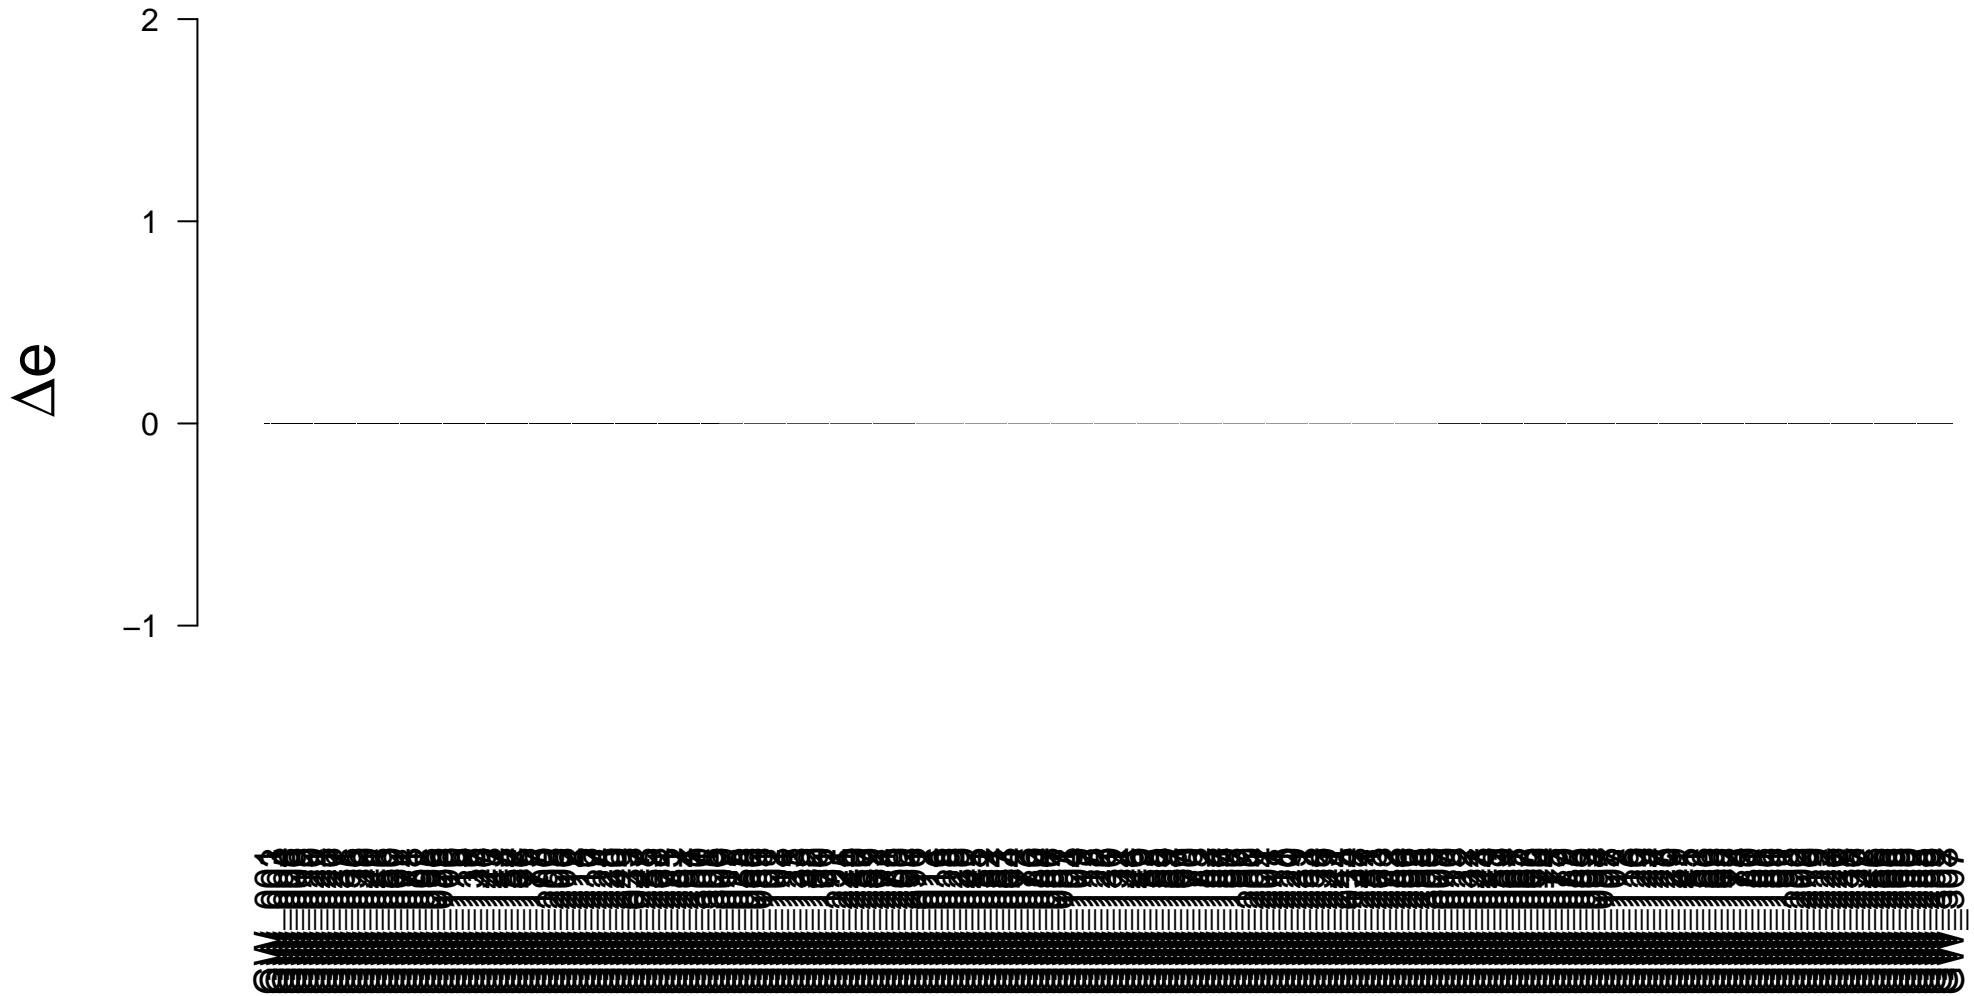

Expression of cellular response to interferon-gamma in Spot M

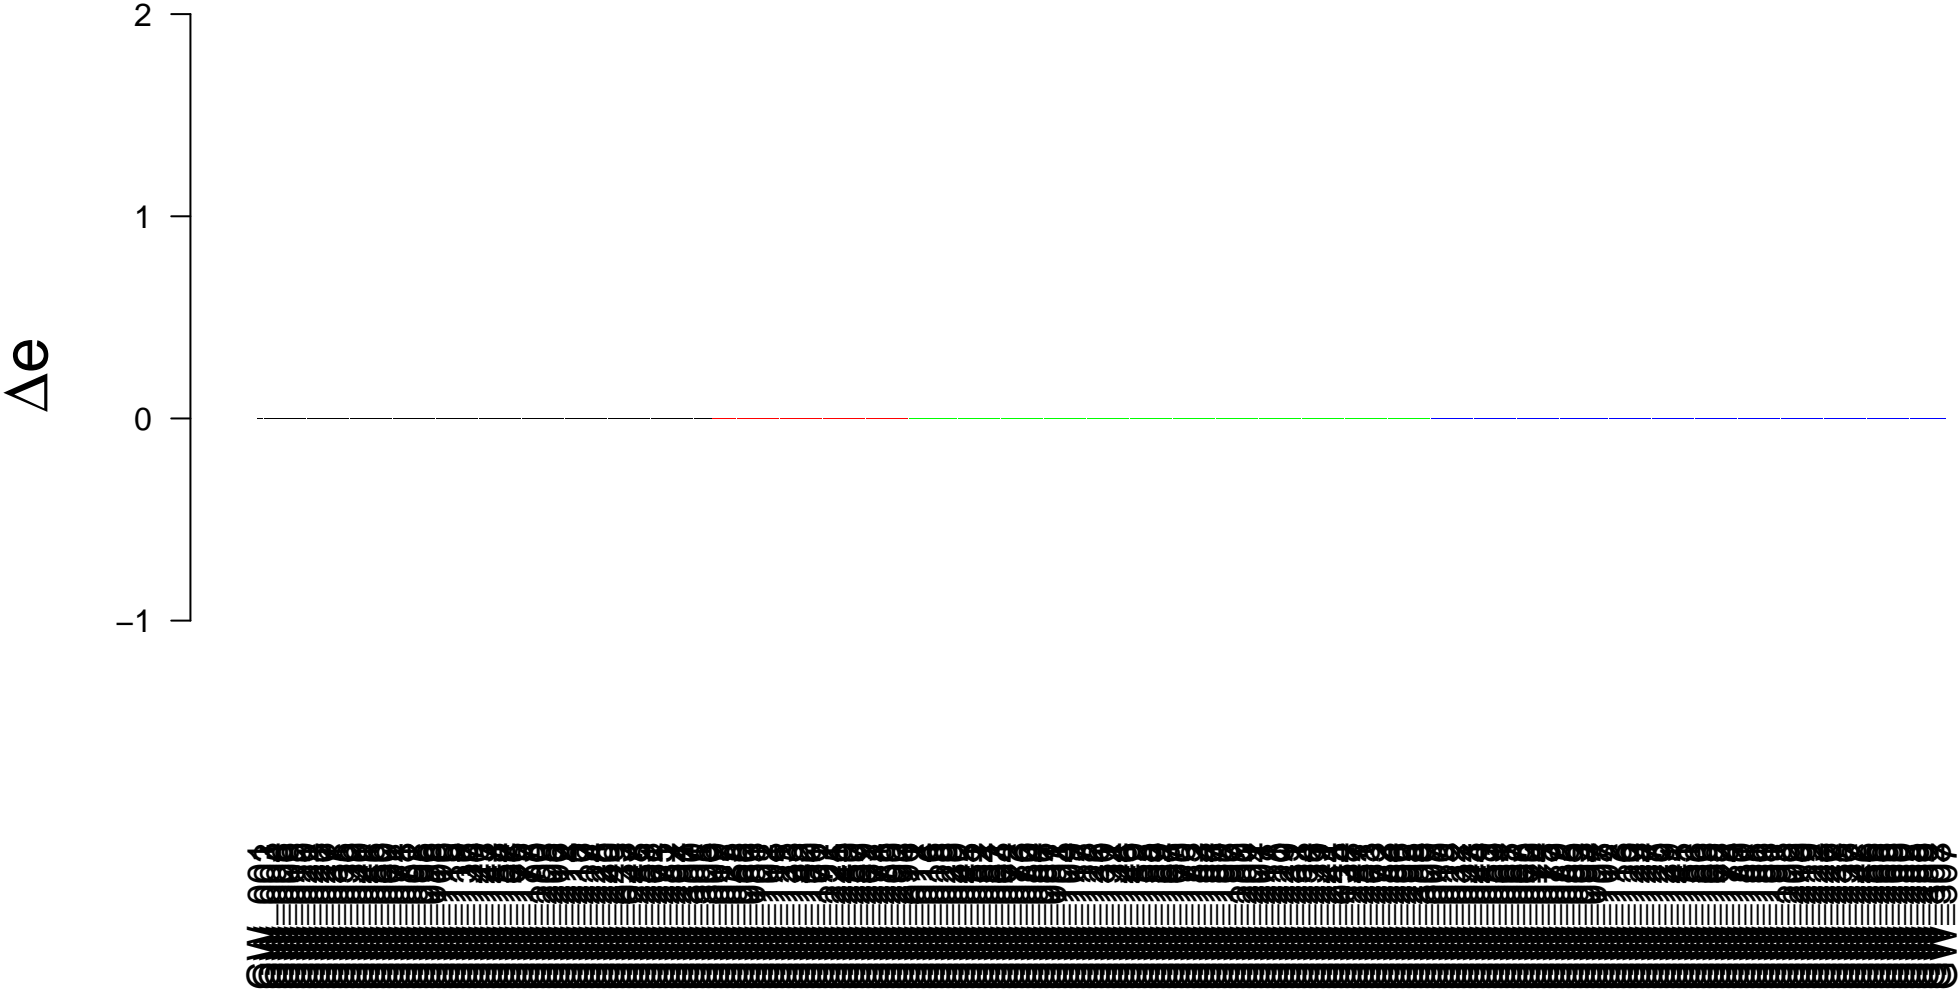

Expression of cellular response to interferon-gamma in Spot N

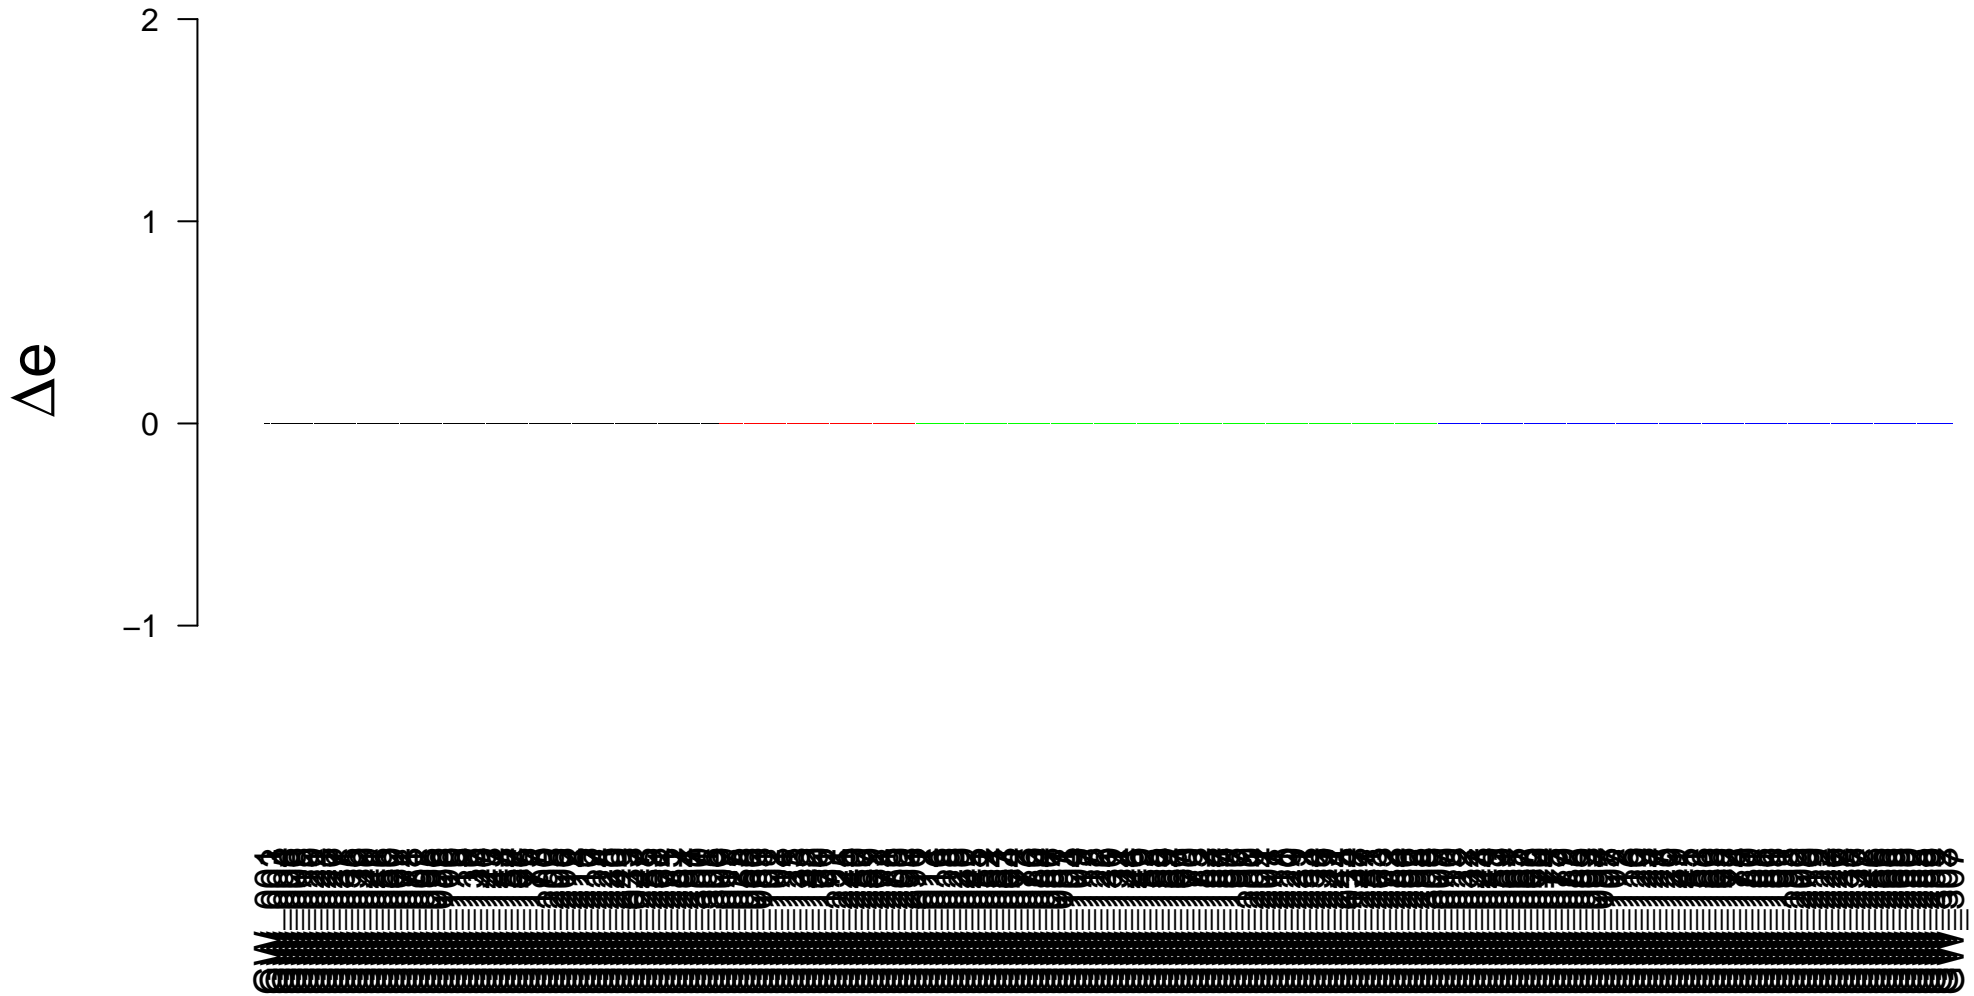

Expression of cellular response to interferon-gamma in Spot O

Expression of cellular response to interferon-gamma in Spot P

Expression of cellular response to interferon-gamma in Spot Q

Expression of cellular response to interferon-gamma in Spot R
