

cellular response to organic substance

cellular response to organic substance

Enrichment in spots: cellular response to organic substance

Expression of cellular response to organic substance in Spot A

Expression of cellular response to organic substance in Spot B

Δe

Expression of cellular response to organic substance in Spot C

Expression of cellular response to organic substance in Spot D

Expression of cellular response to organic substance in Spot E

Expression of cellular response to organic substance in Spot F

Expression of cellular response to organic substance in Spot G

Δe

Expression of cellular response to organic substance in Spot H
