

# cellular response to oxidative stress

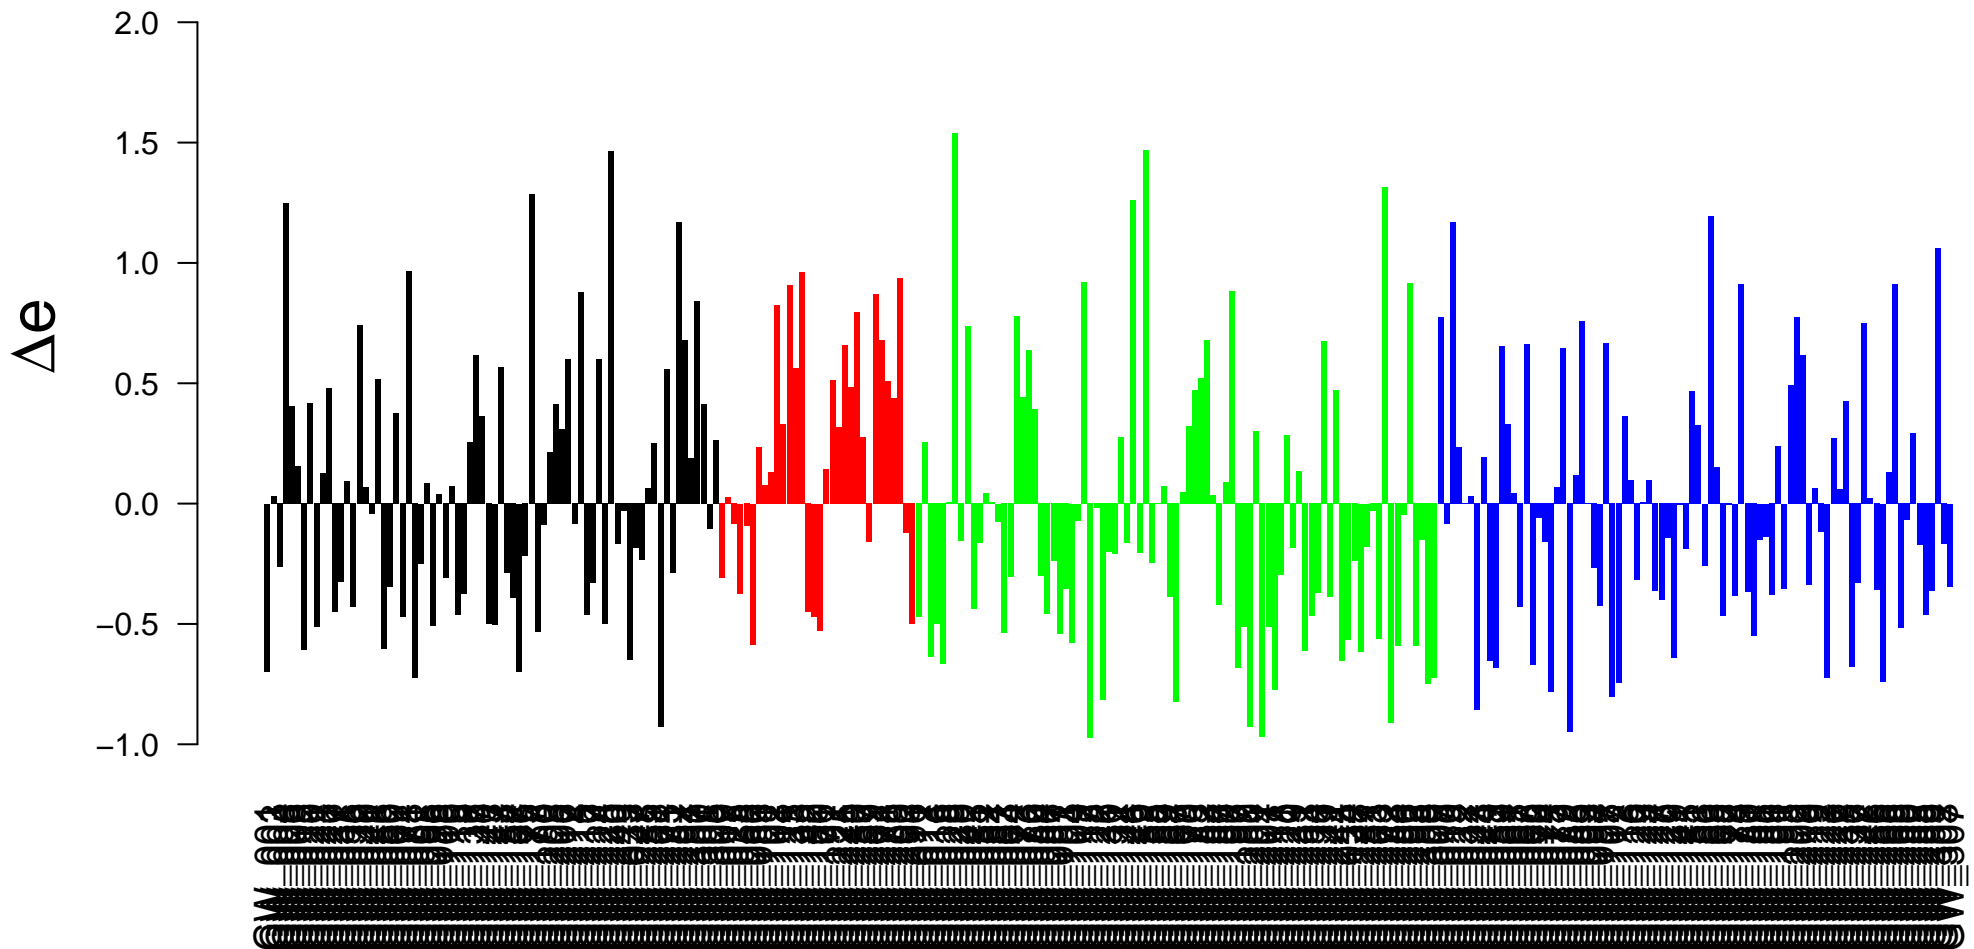

# cellular response to oxidative stress

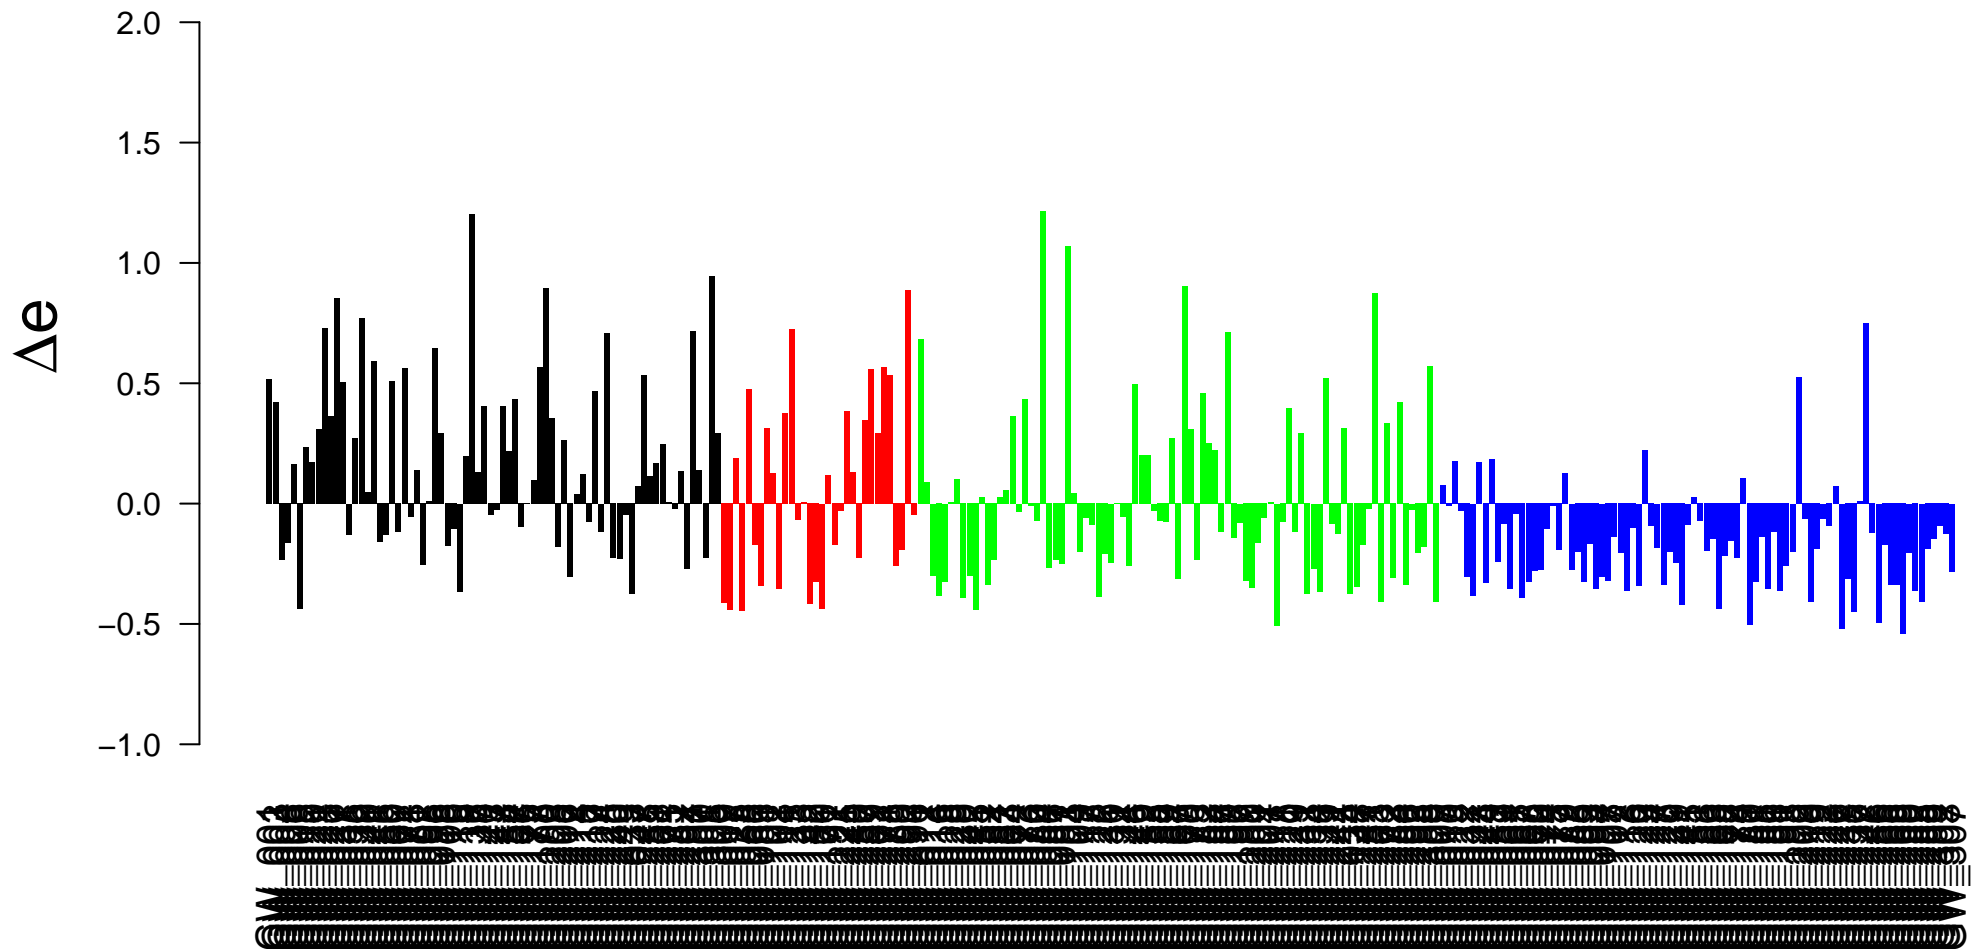

### Enrichment in spots: cellular response to oxidative stress

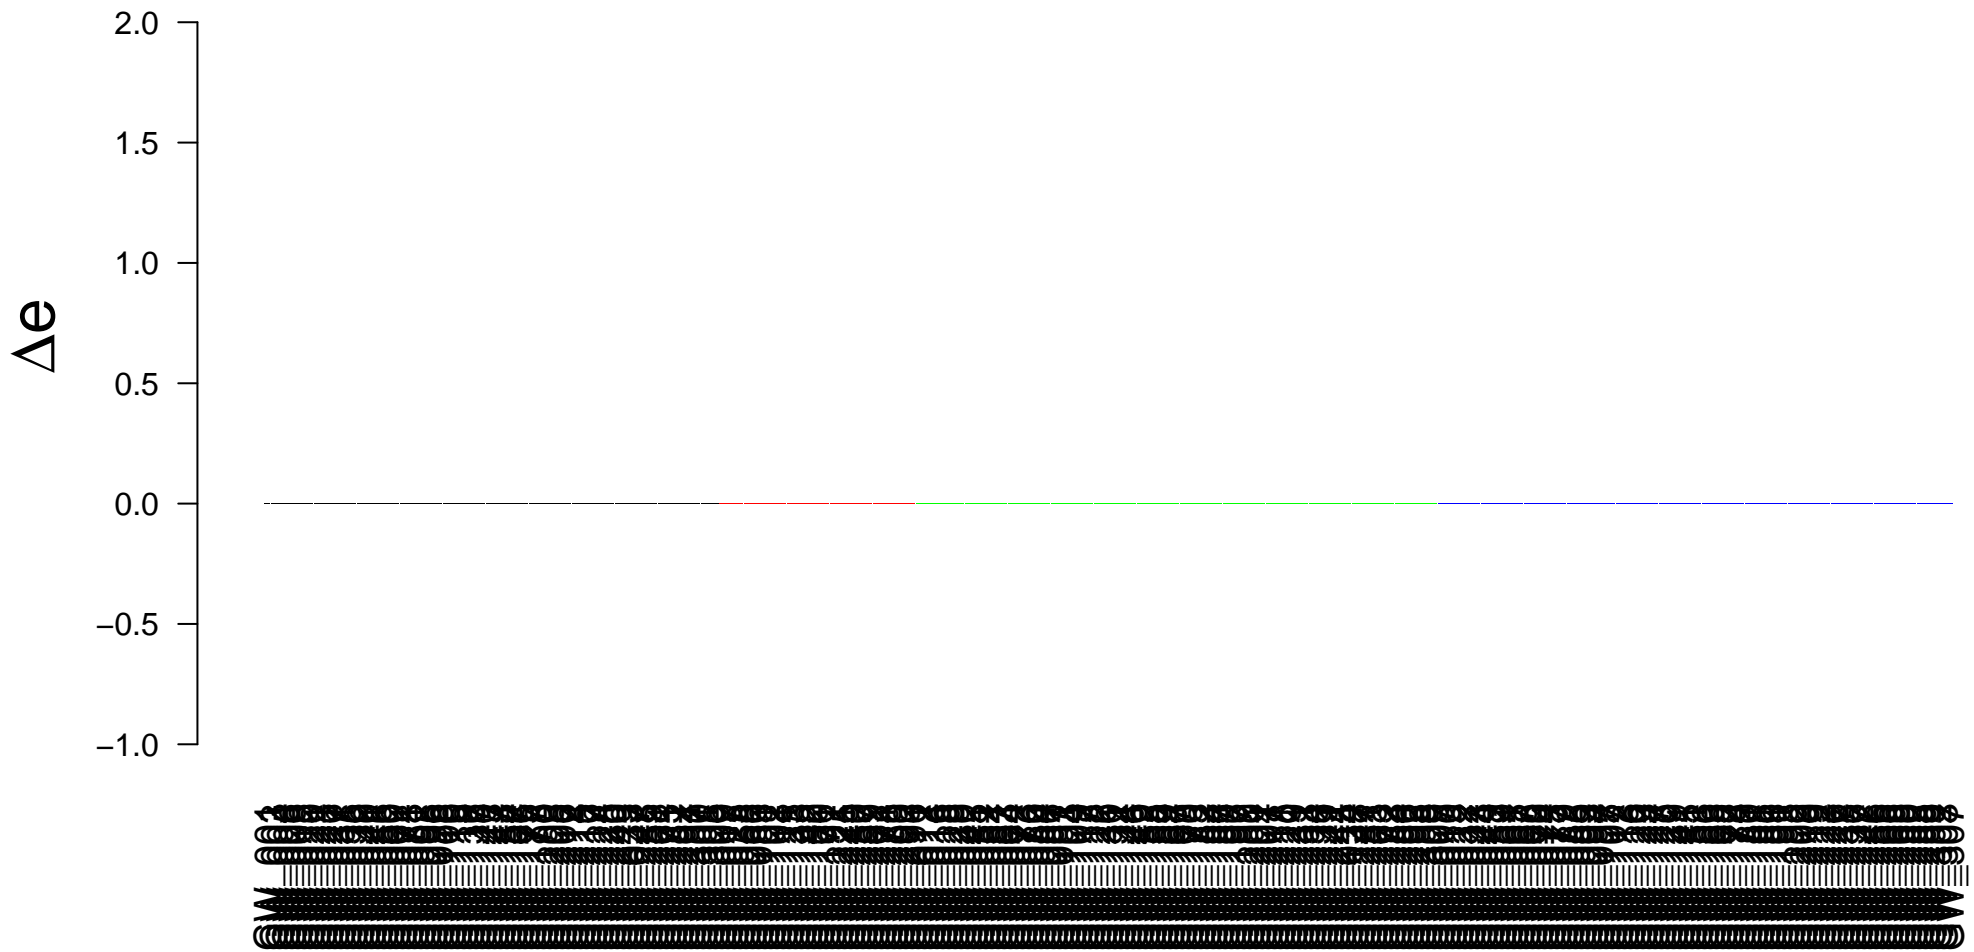

# Expression of cellular response to oxidative stress in Spot A

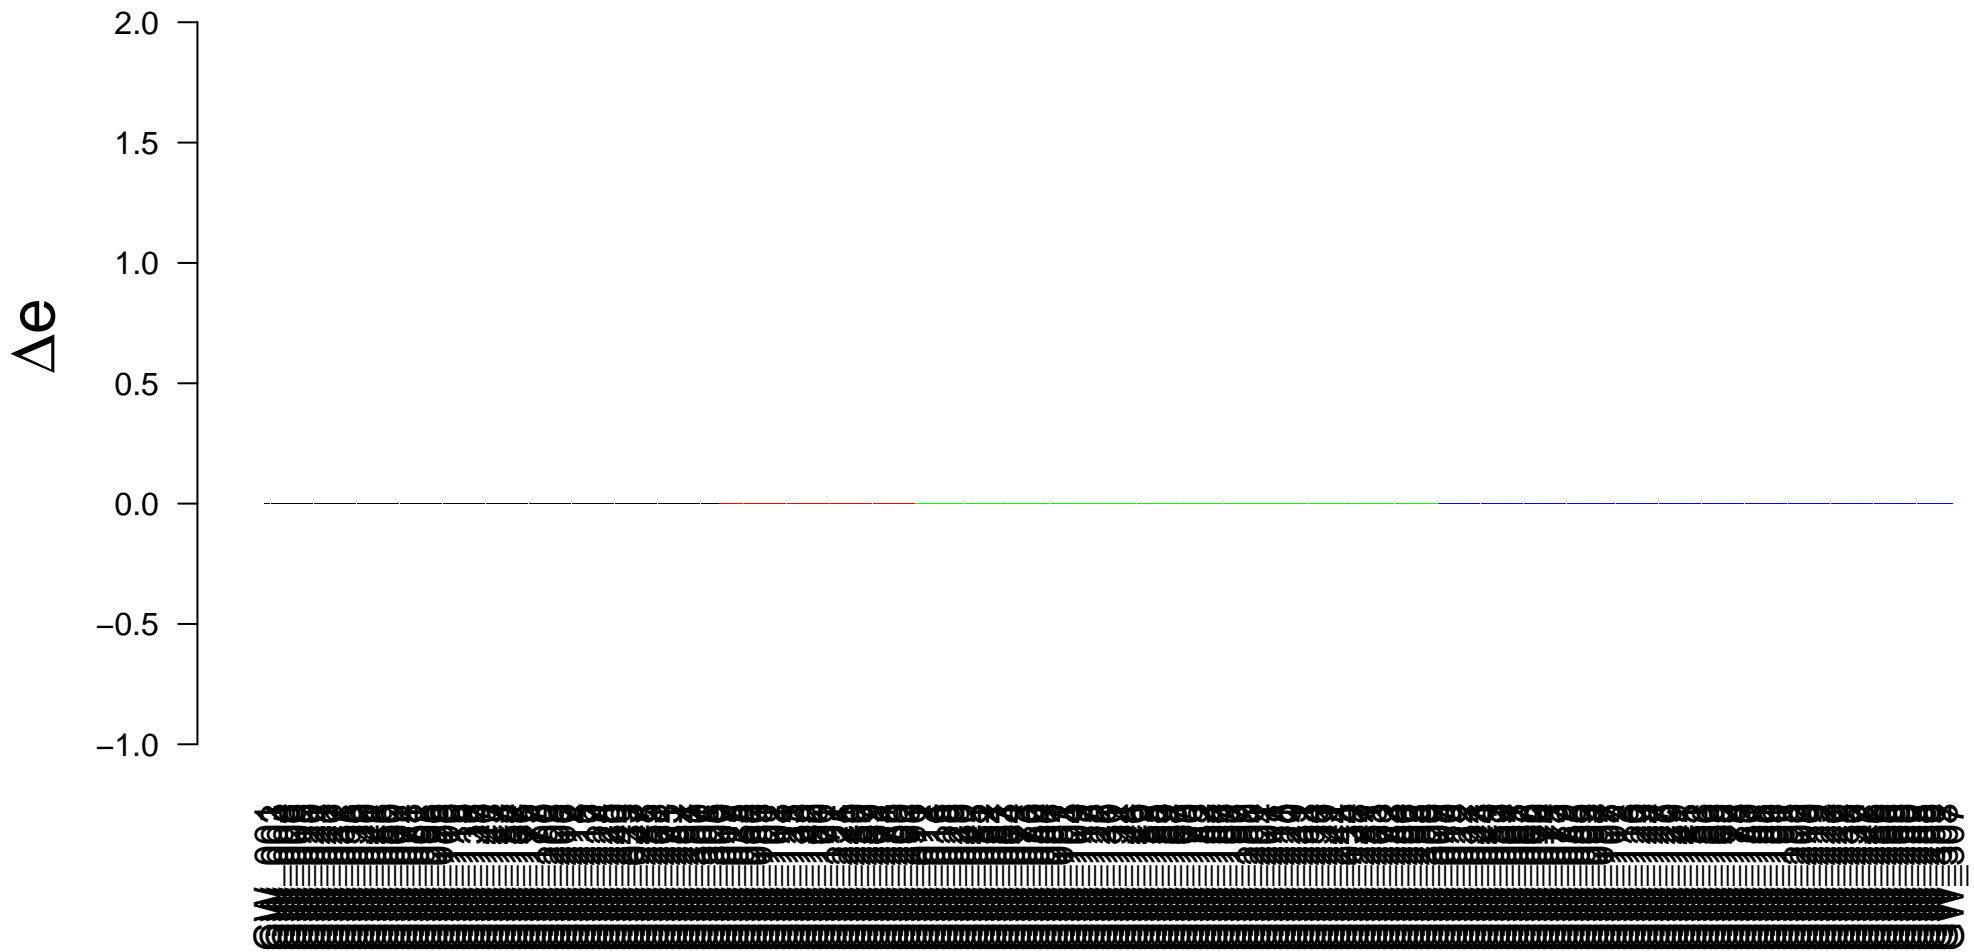

# Expression of cellular response to oxidative stress in Spot B

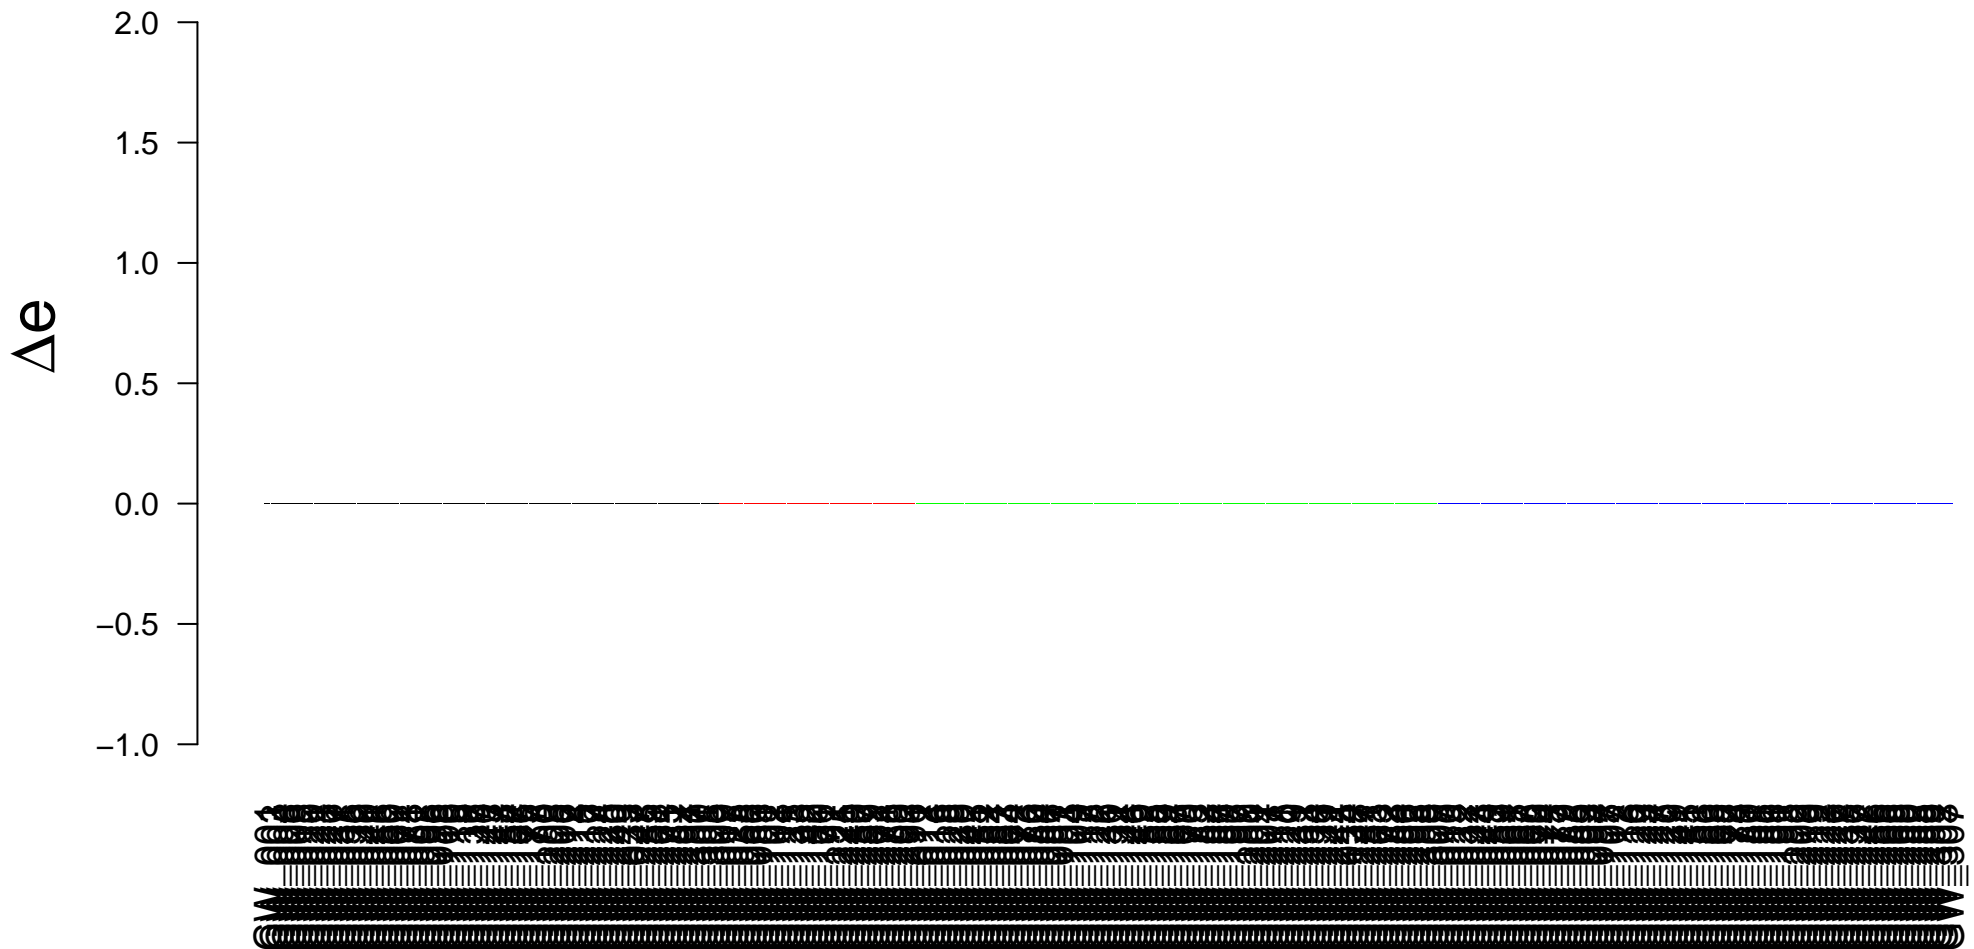

# Expression of cellular response to oxidative stress in Spot C

# Expression of cellular response to oxidative stress in Spot D

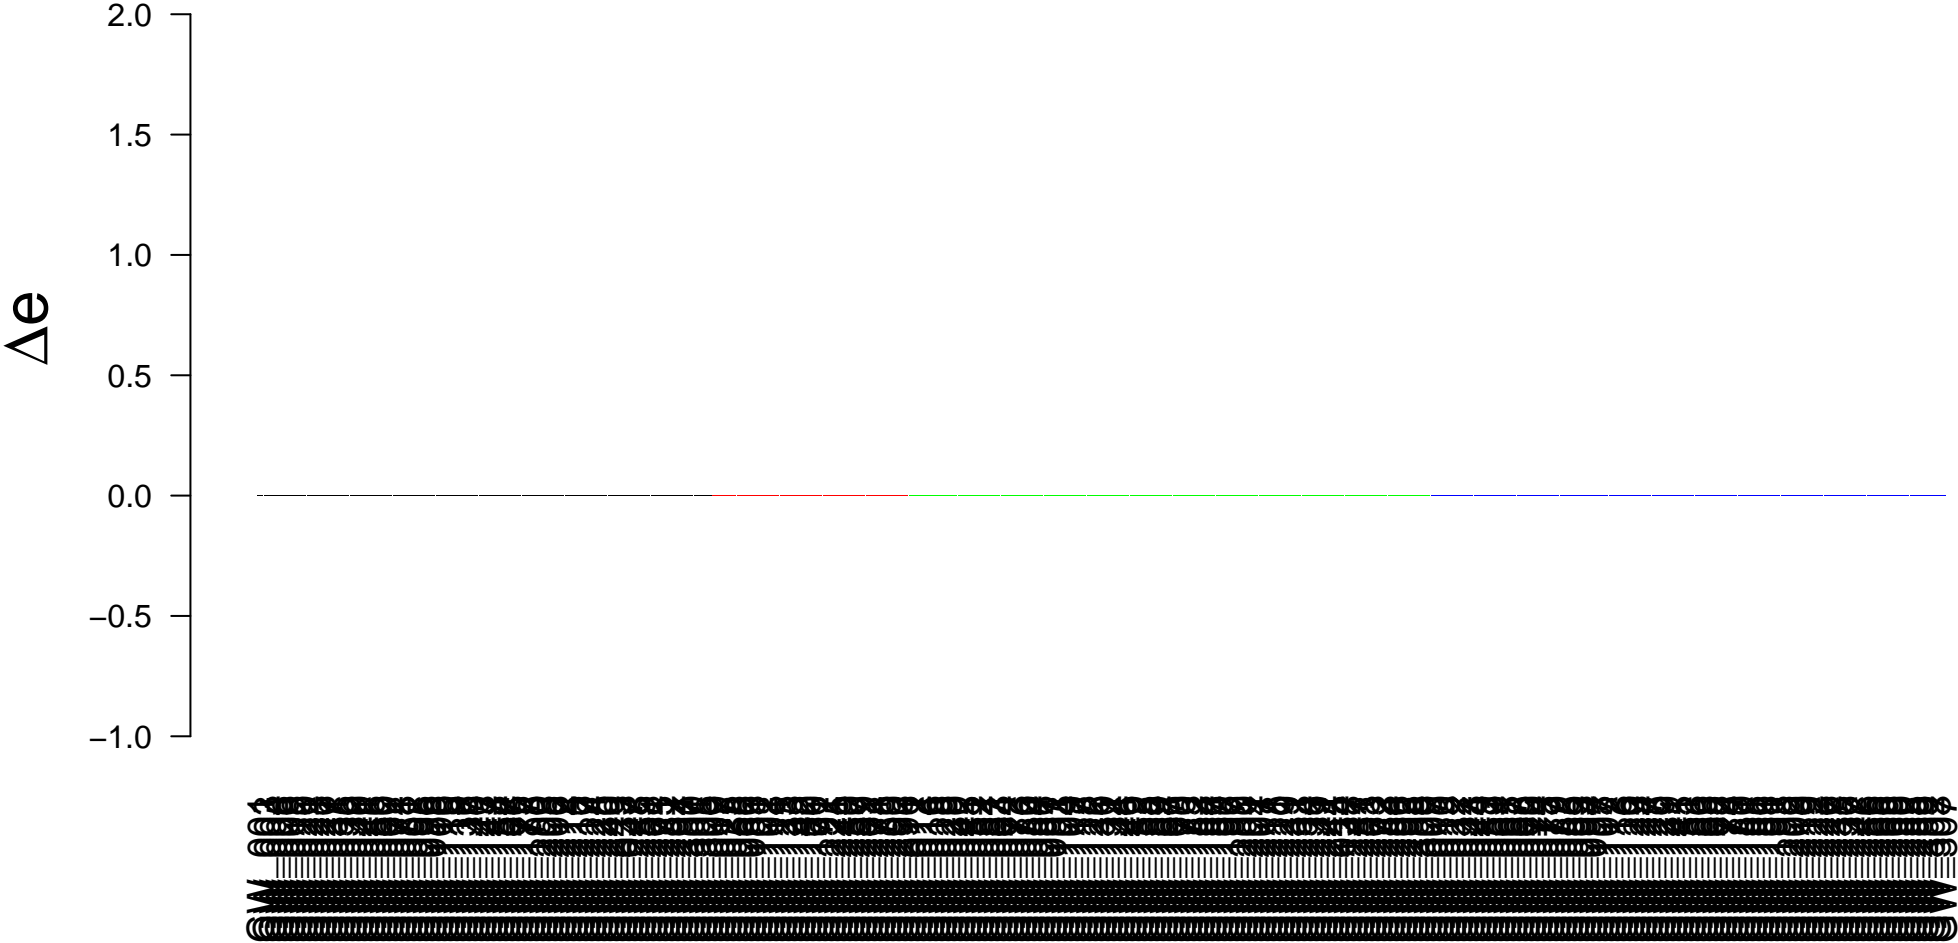

# Expression of cellular response to oxidative stress in Spot E

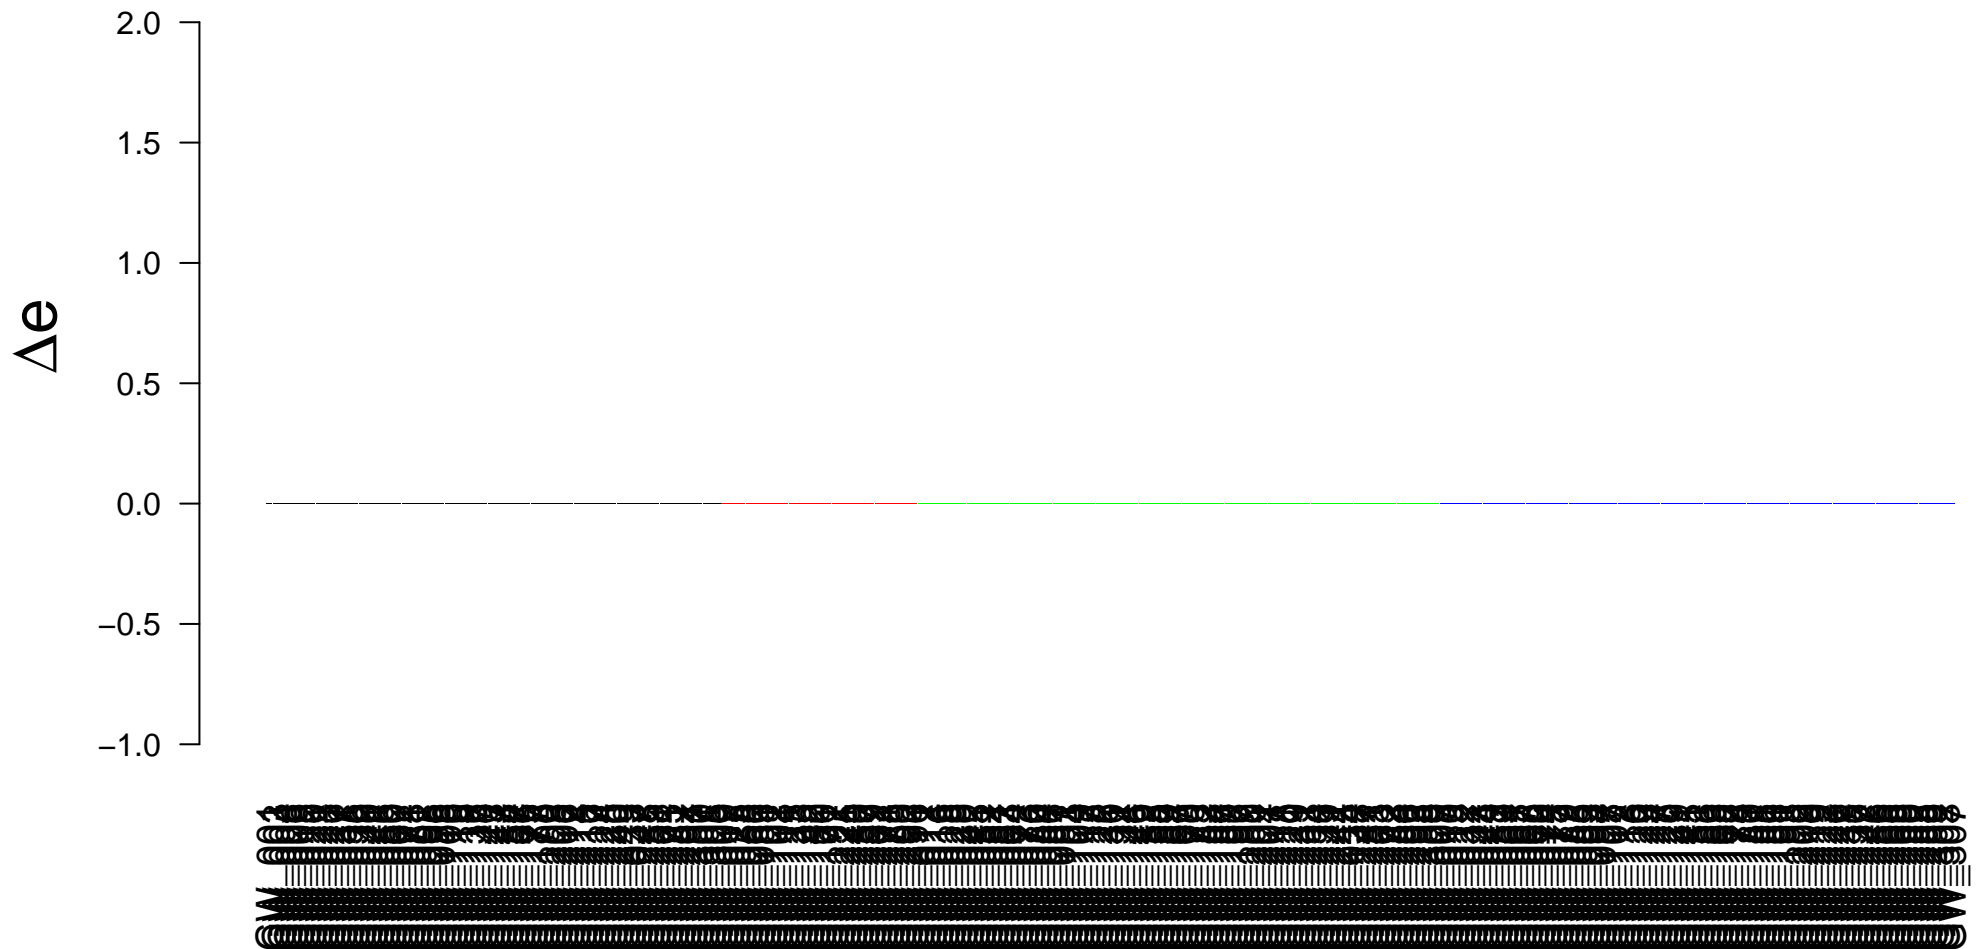

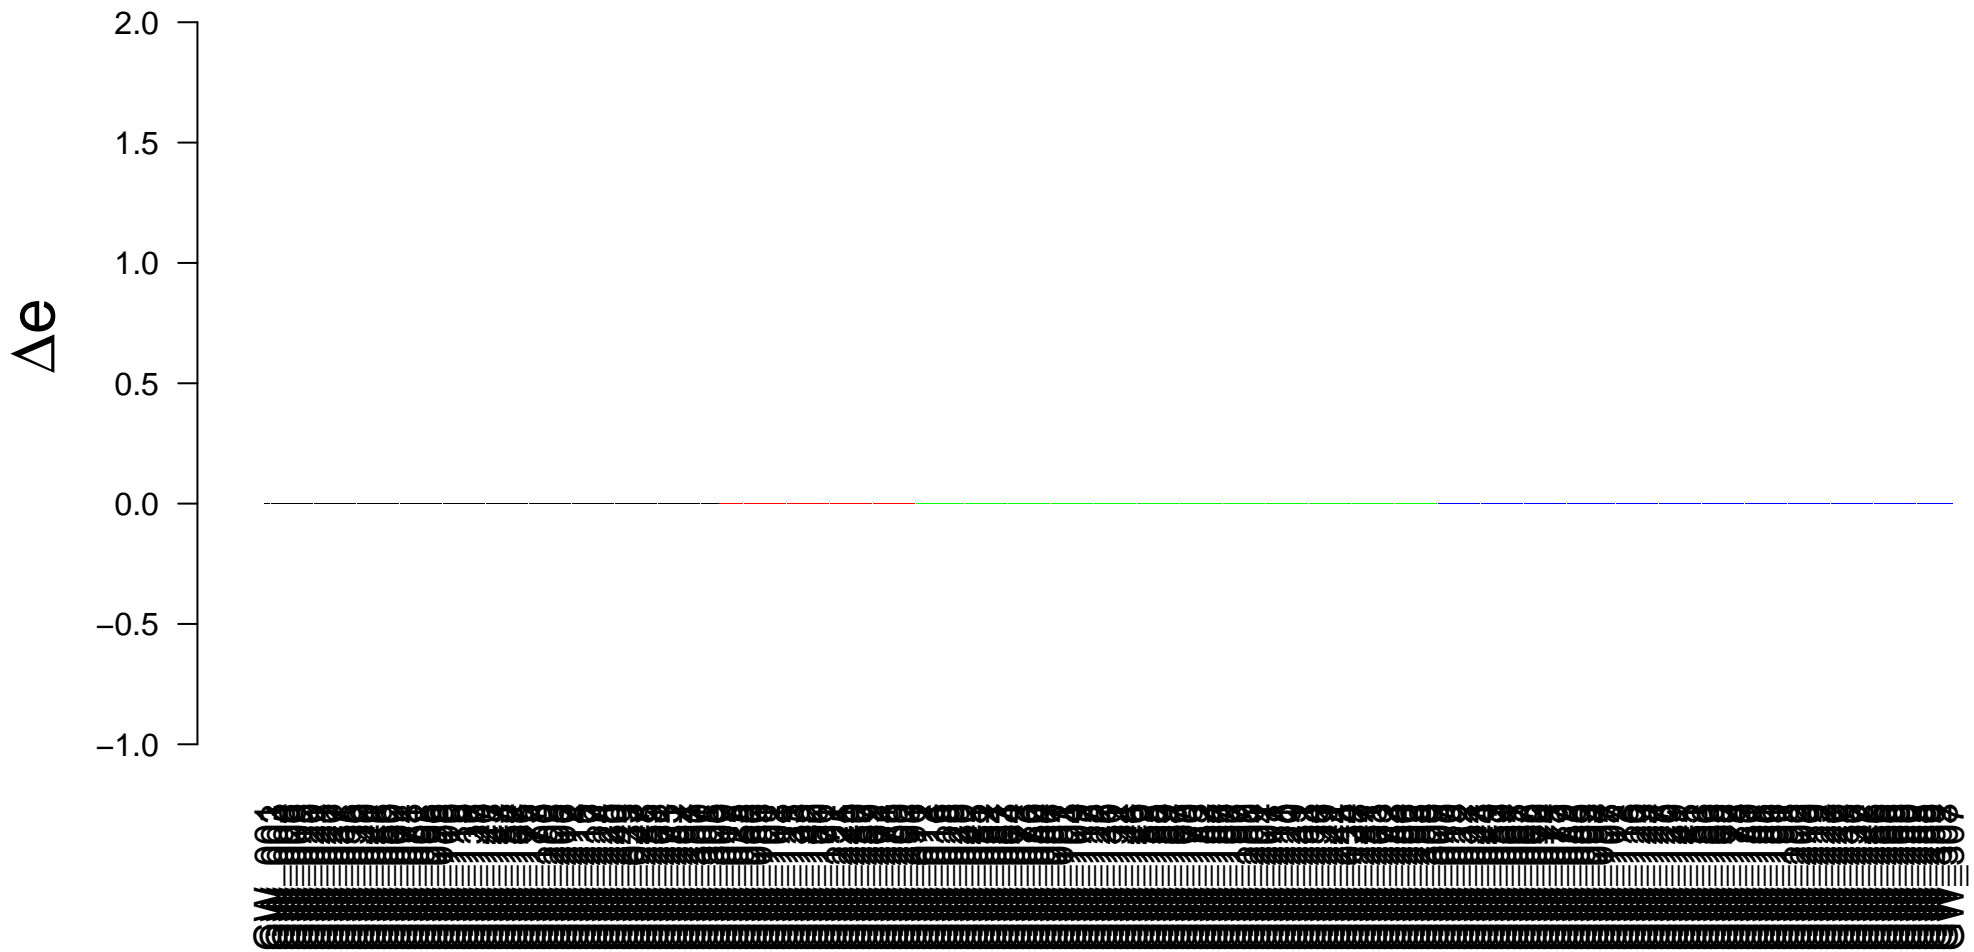

Expression of cellular response to oxidative stress in Spot F

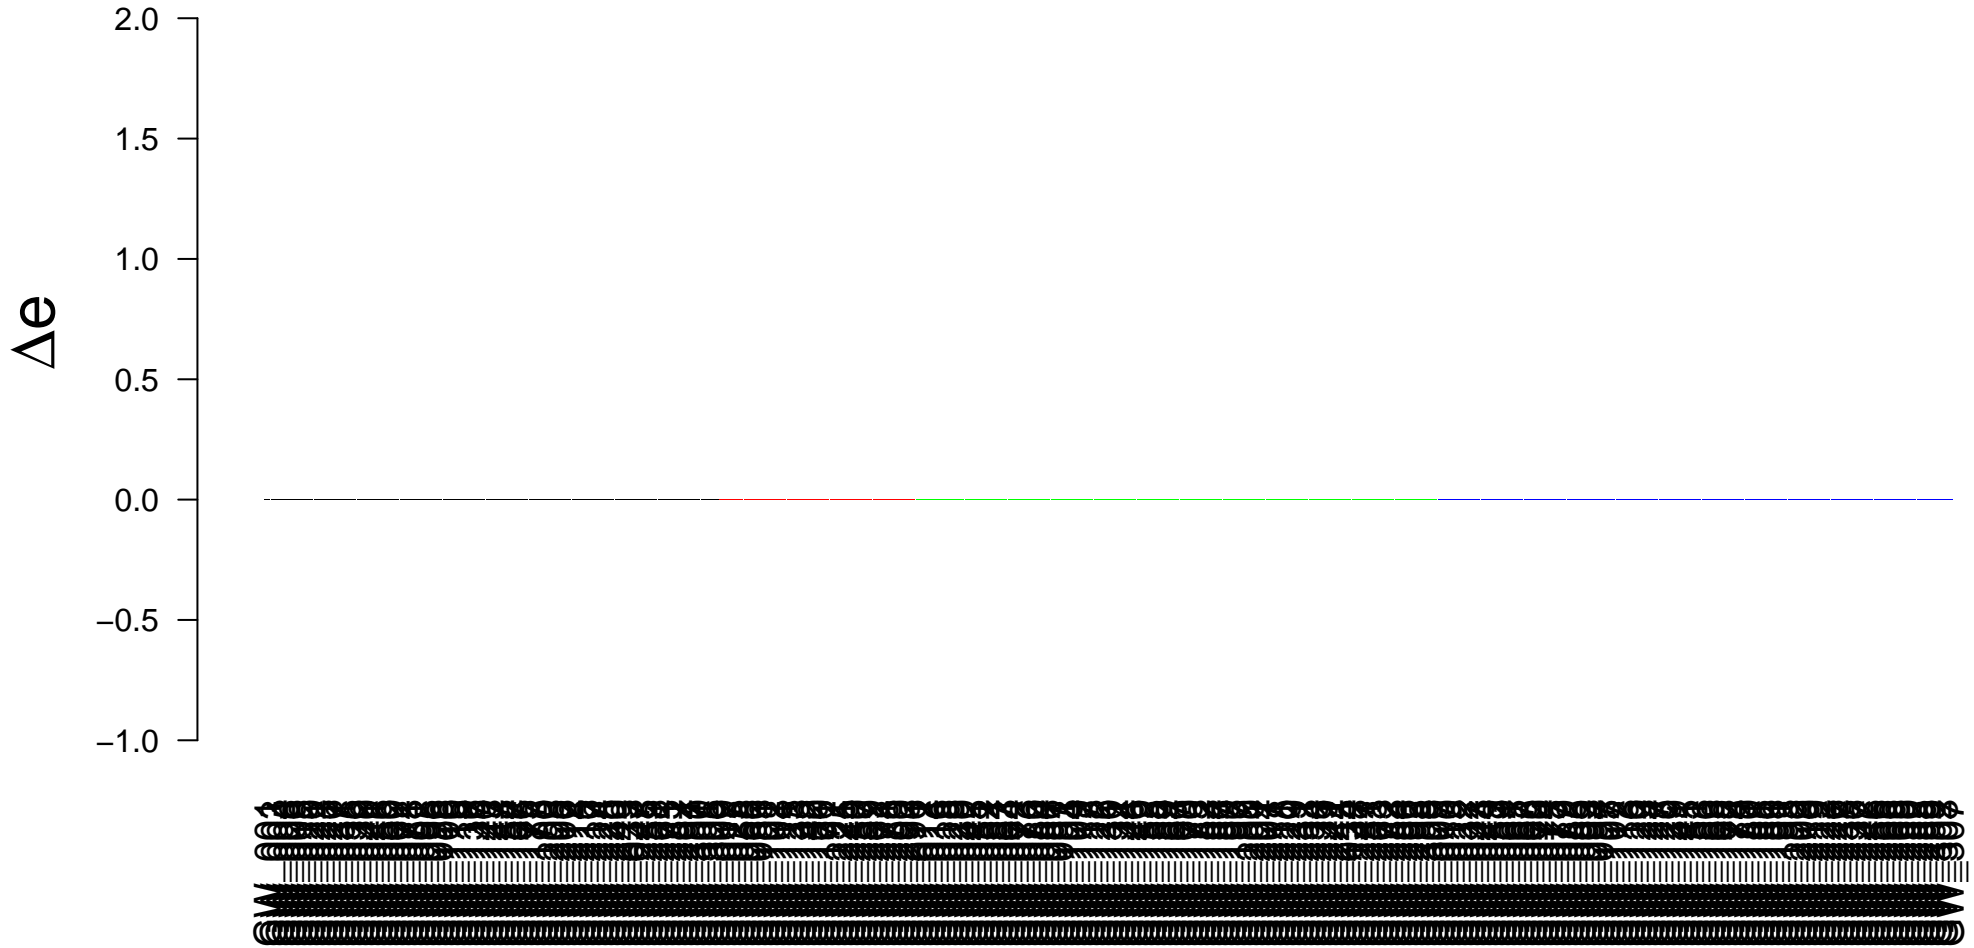

# Expression of cellular response to oxidative stress in Spot G

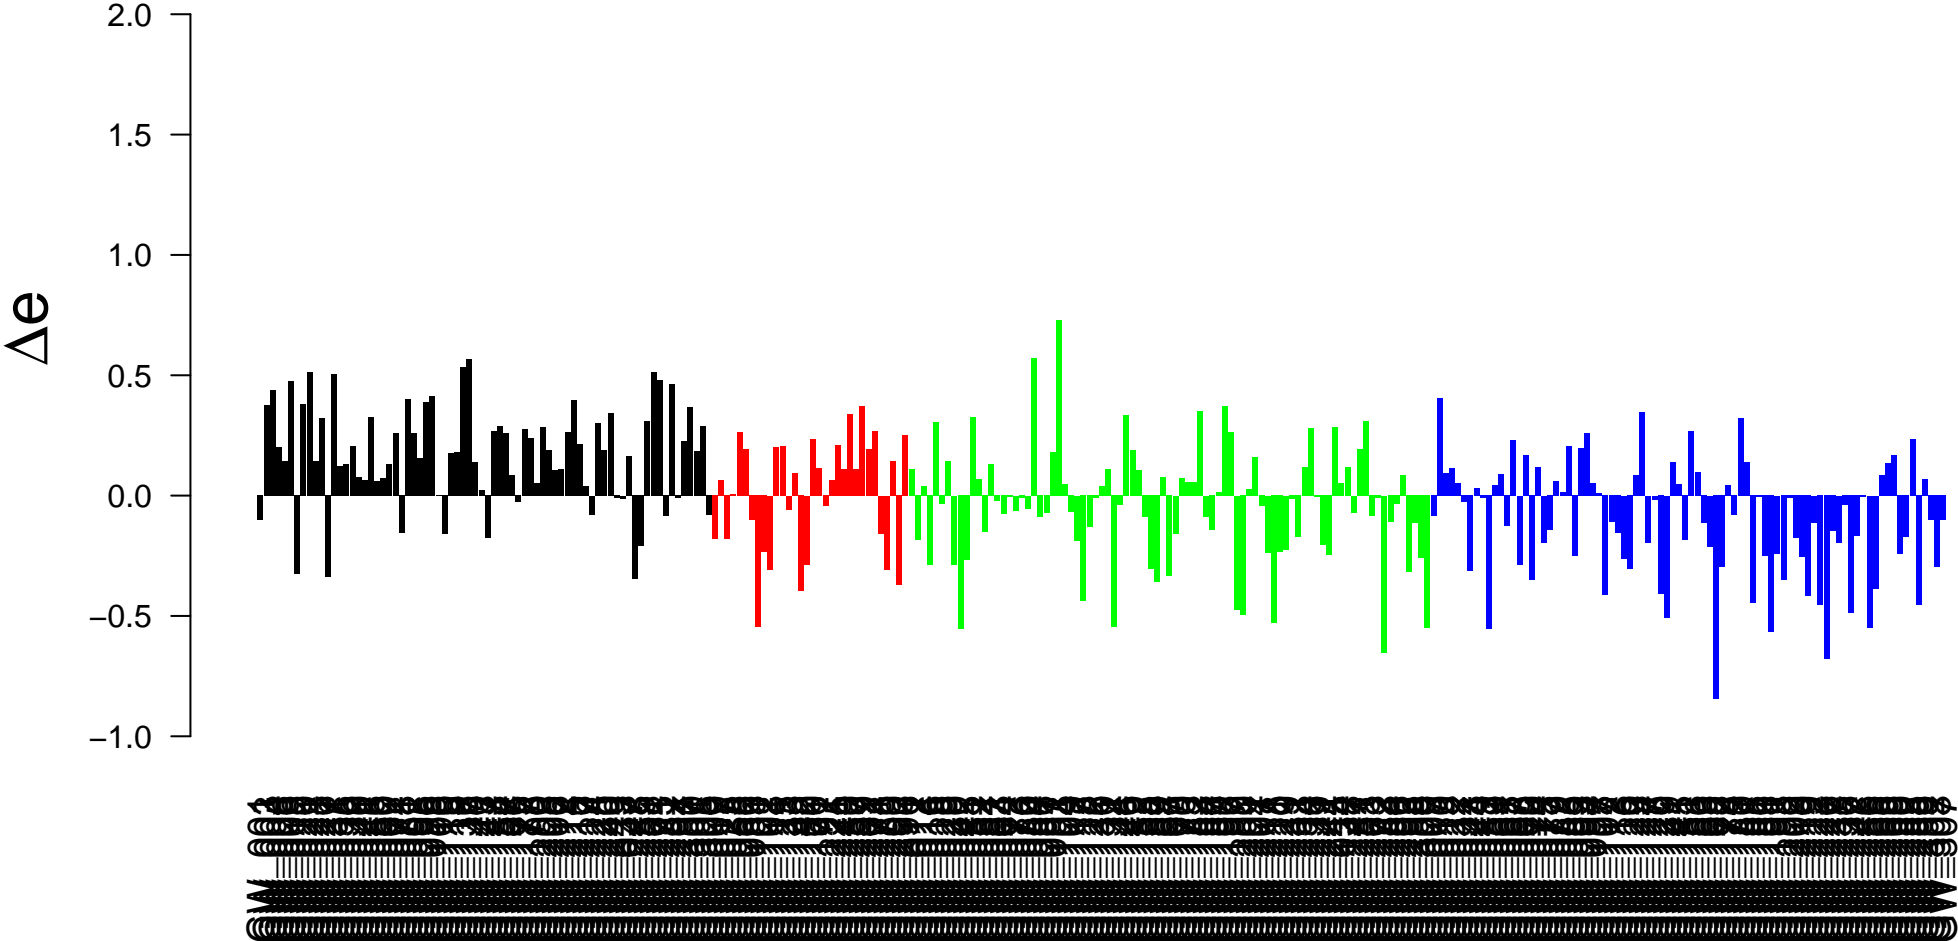

# Expression of cellular response to oxidative stress in Spot H

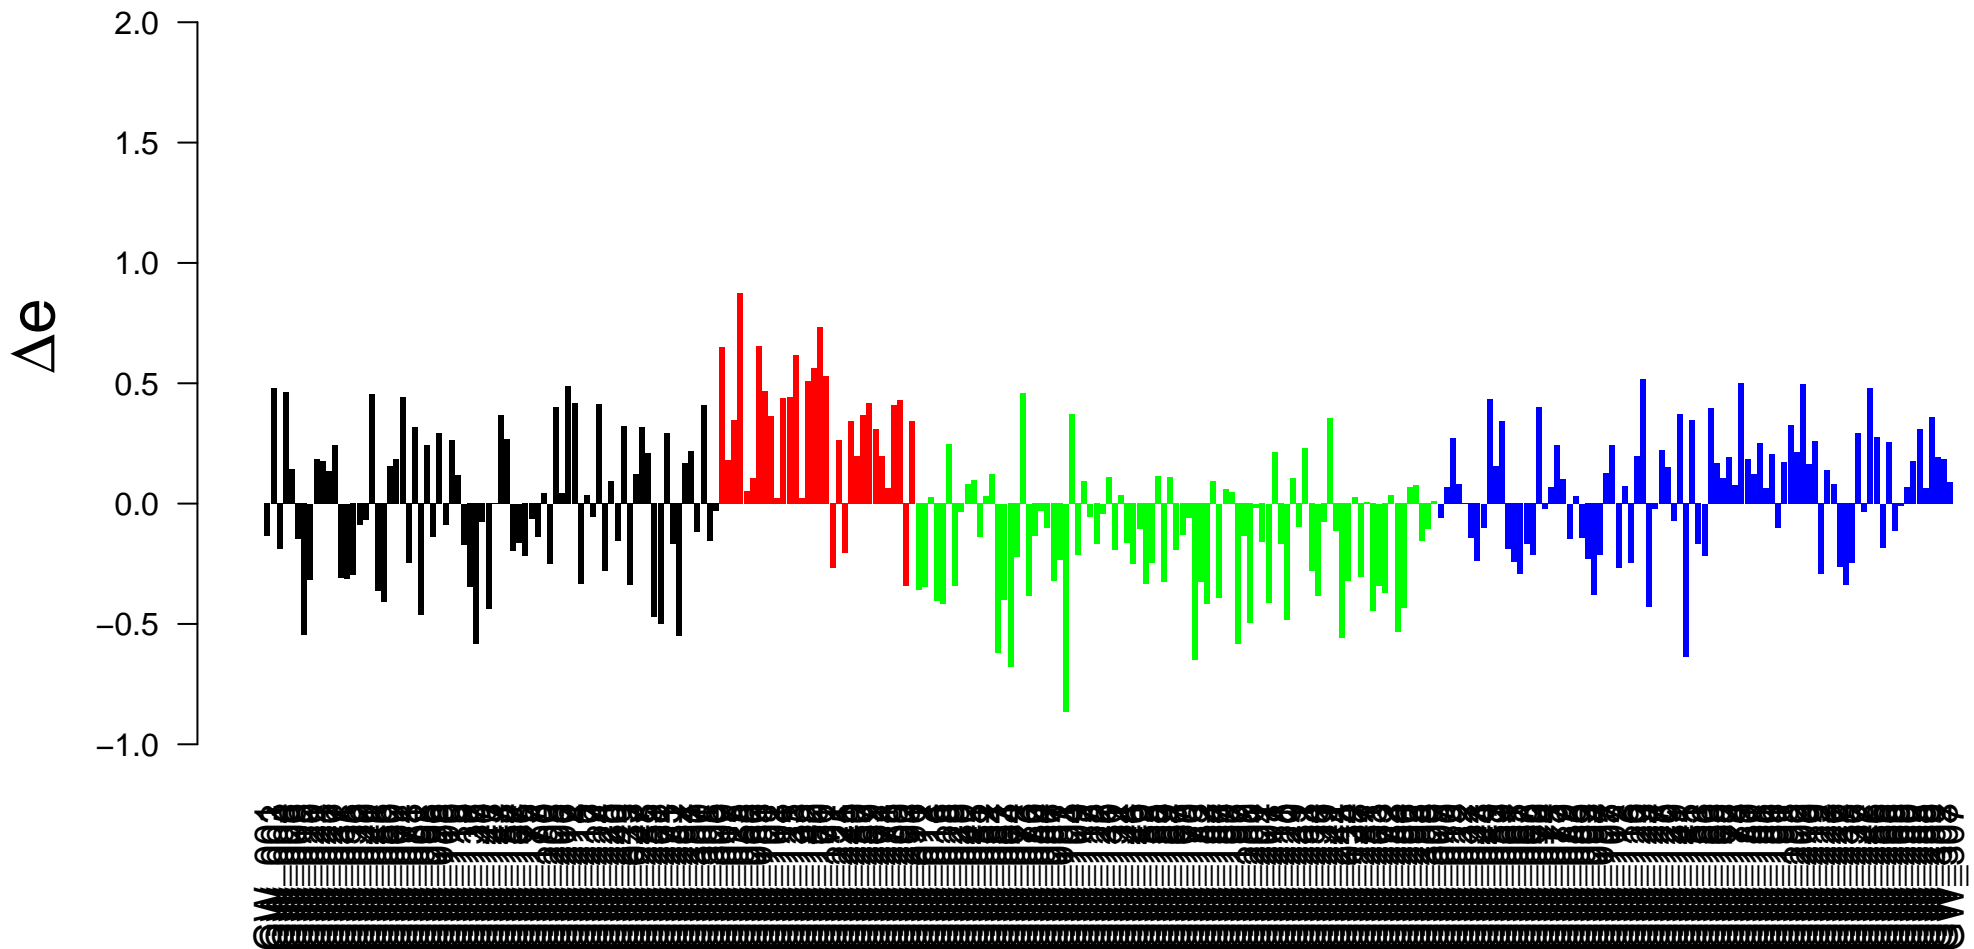

# Expression of cellular response to oxidative stress in Spot I

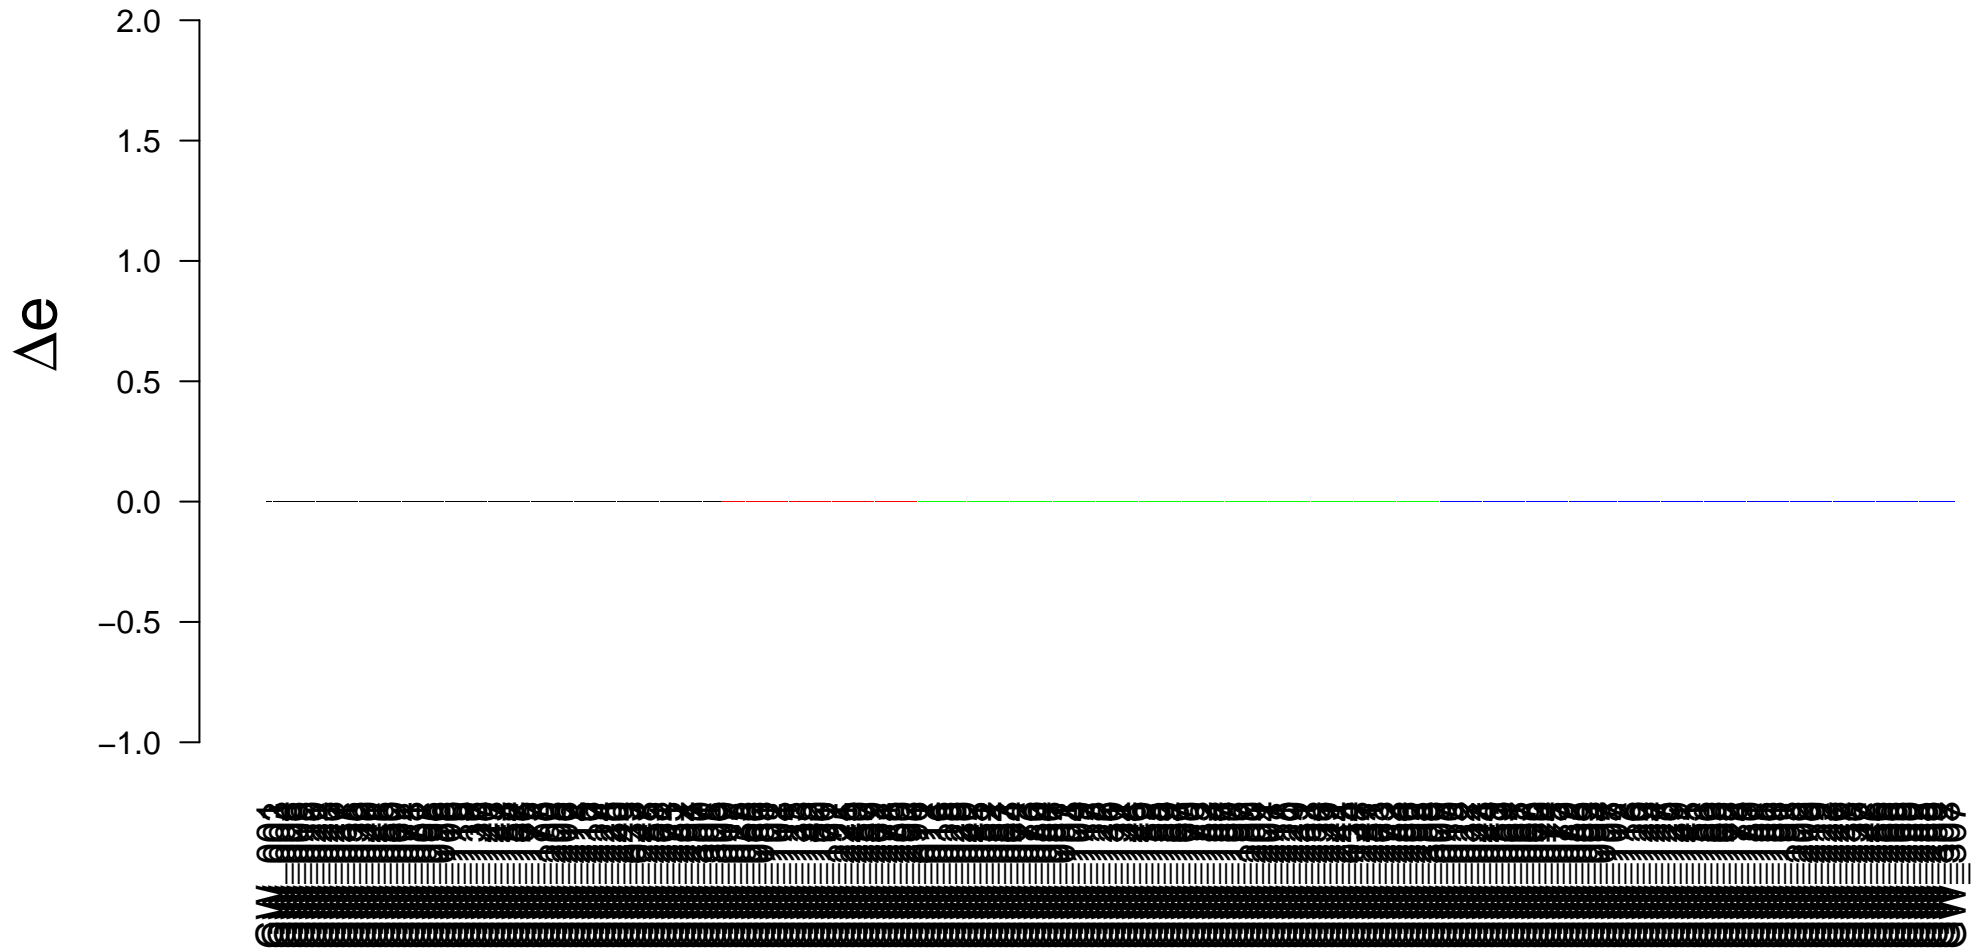

Expression of cellular response to oxidative stress in Spot J

# Expression of cellular response to oxidative stress in Spot K

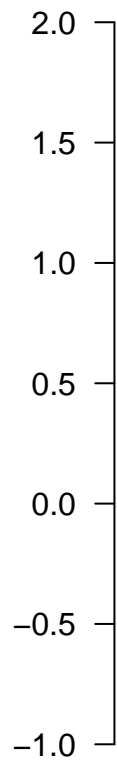

# Expression of cellular response to oxidative stress in Spot L

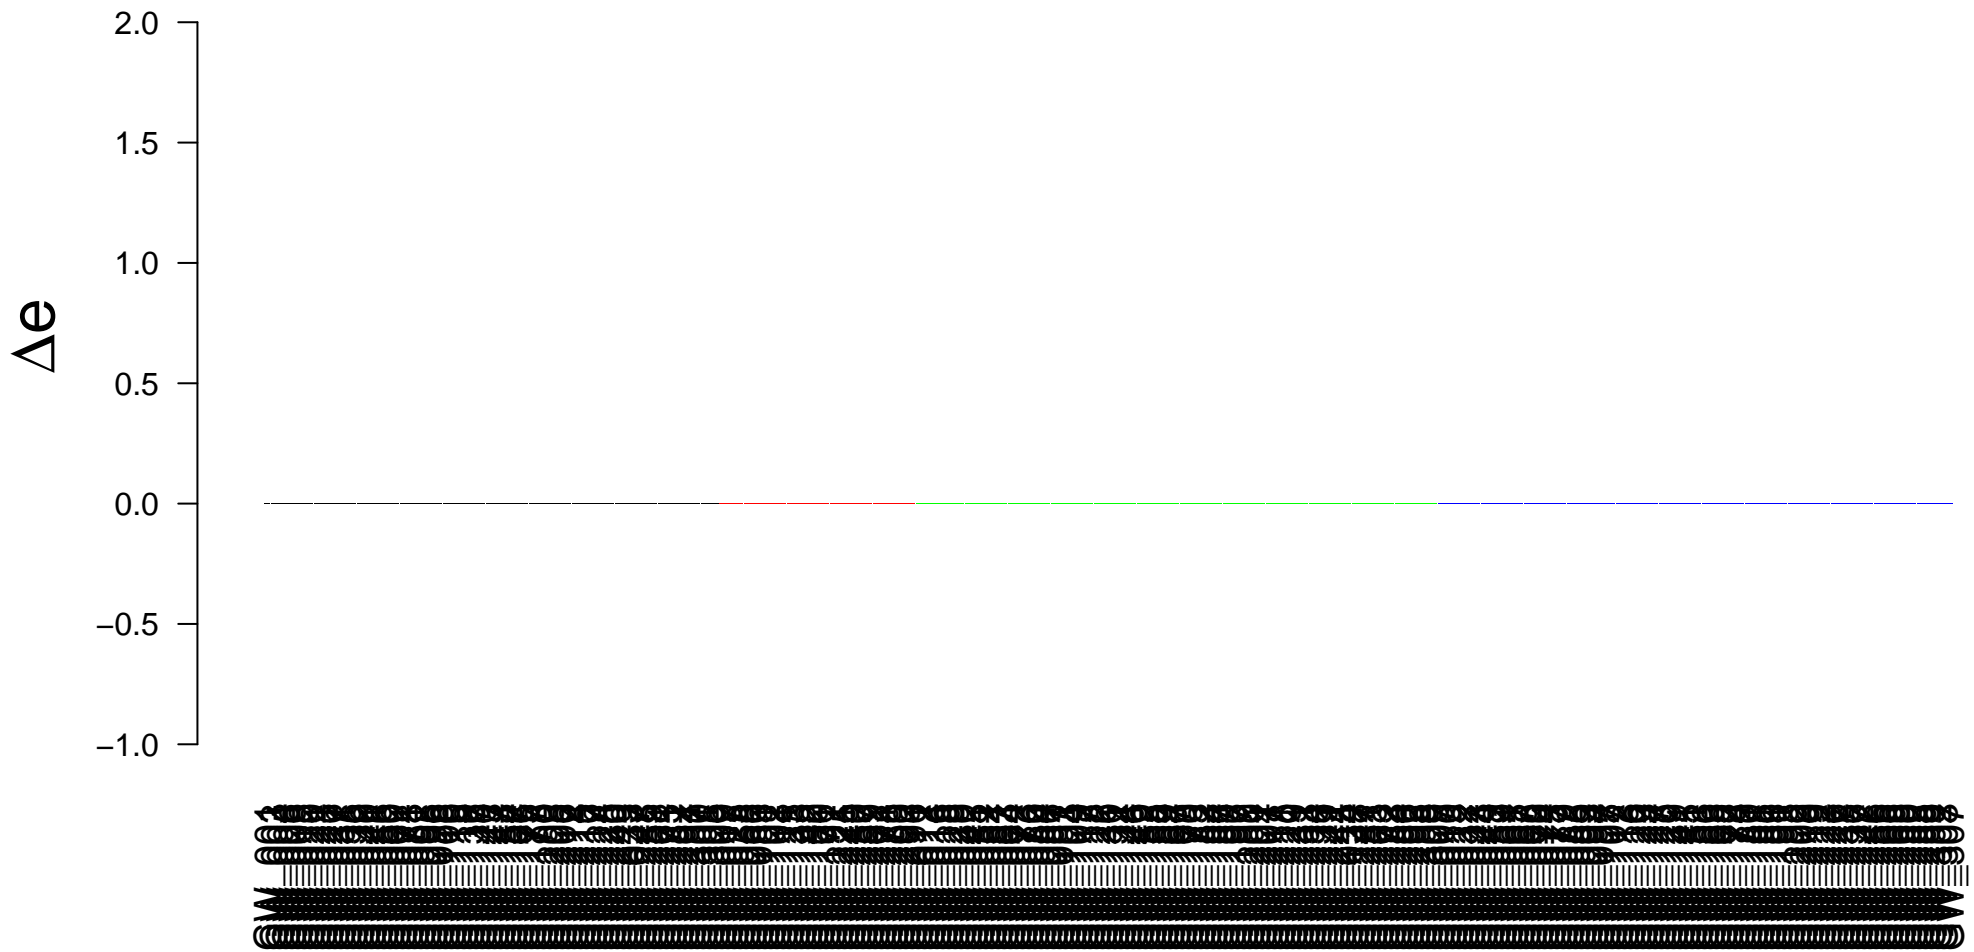

# Expression of cellular response to oxidative stress in Spot M

$\Delta e$

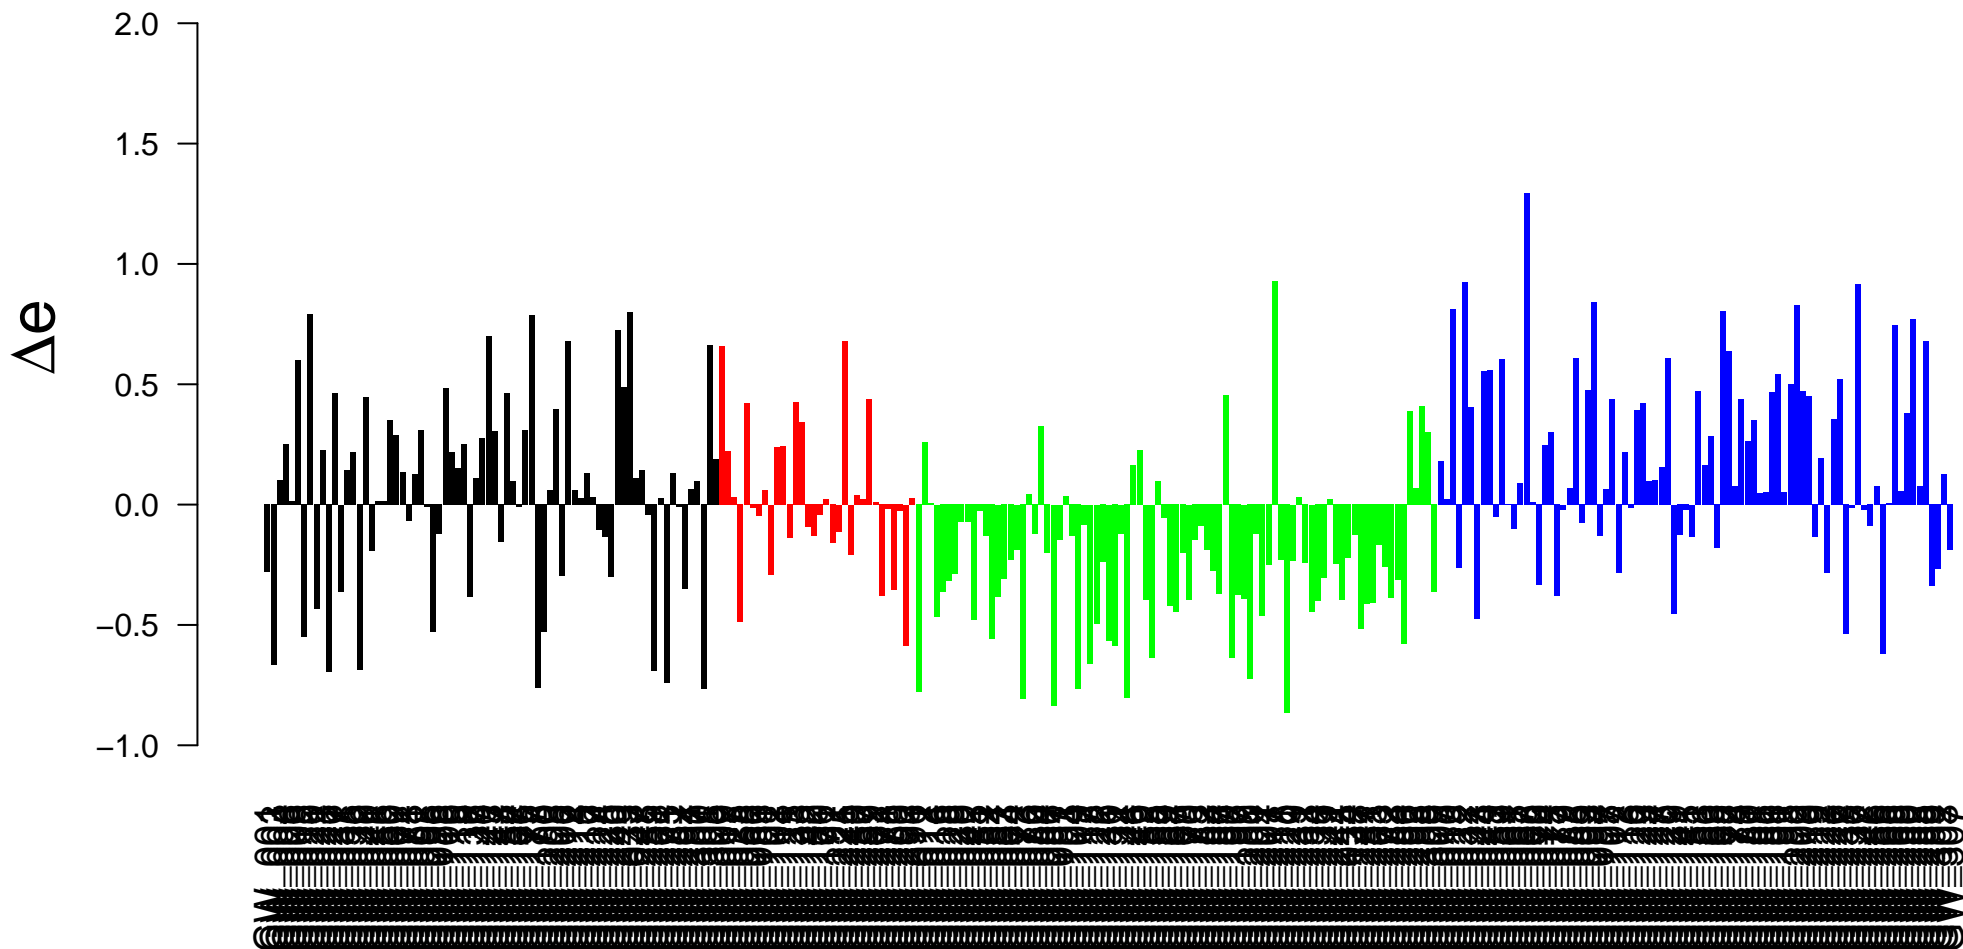

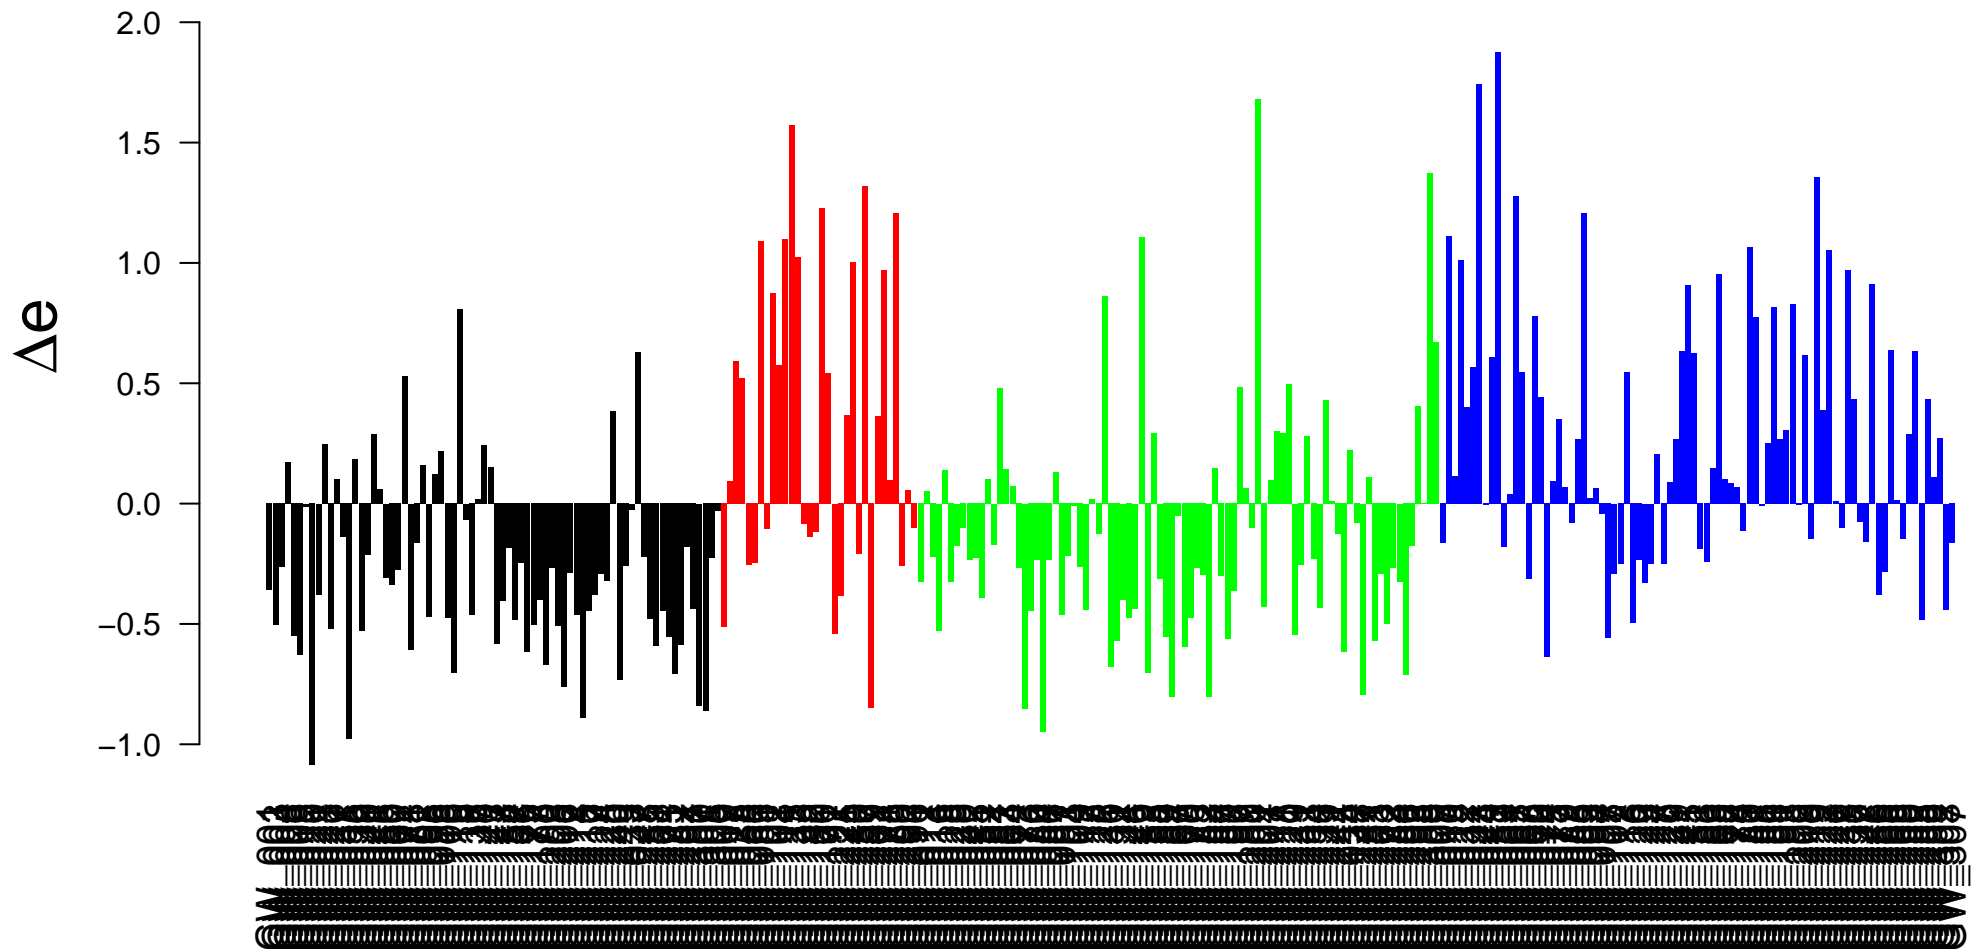

# Expression of cellular response to oxidative stress in Spot N

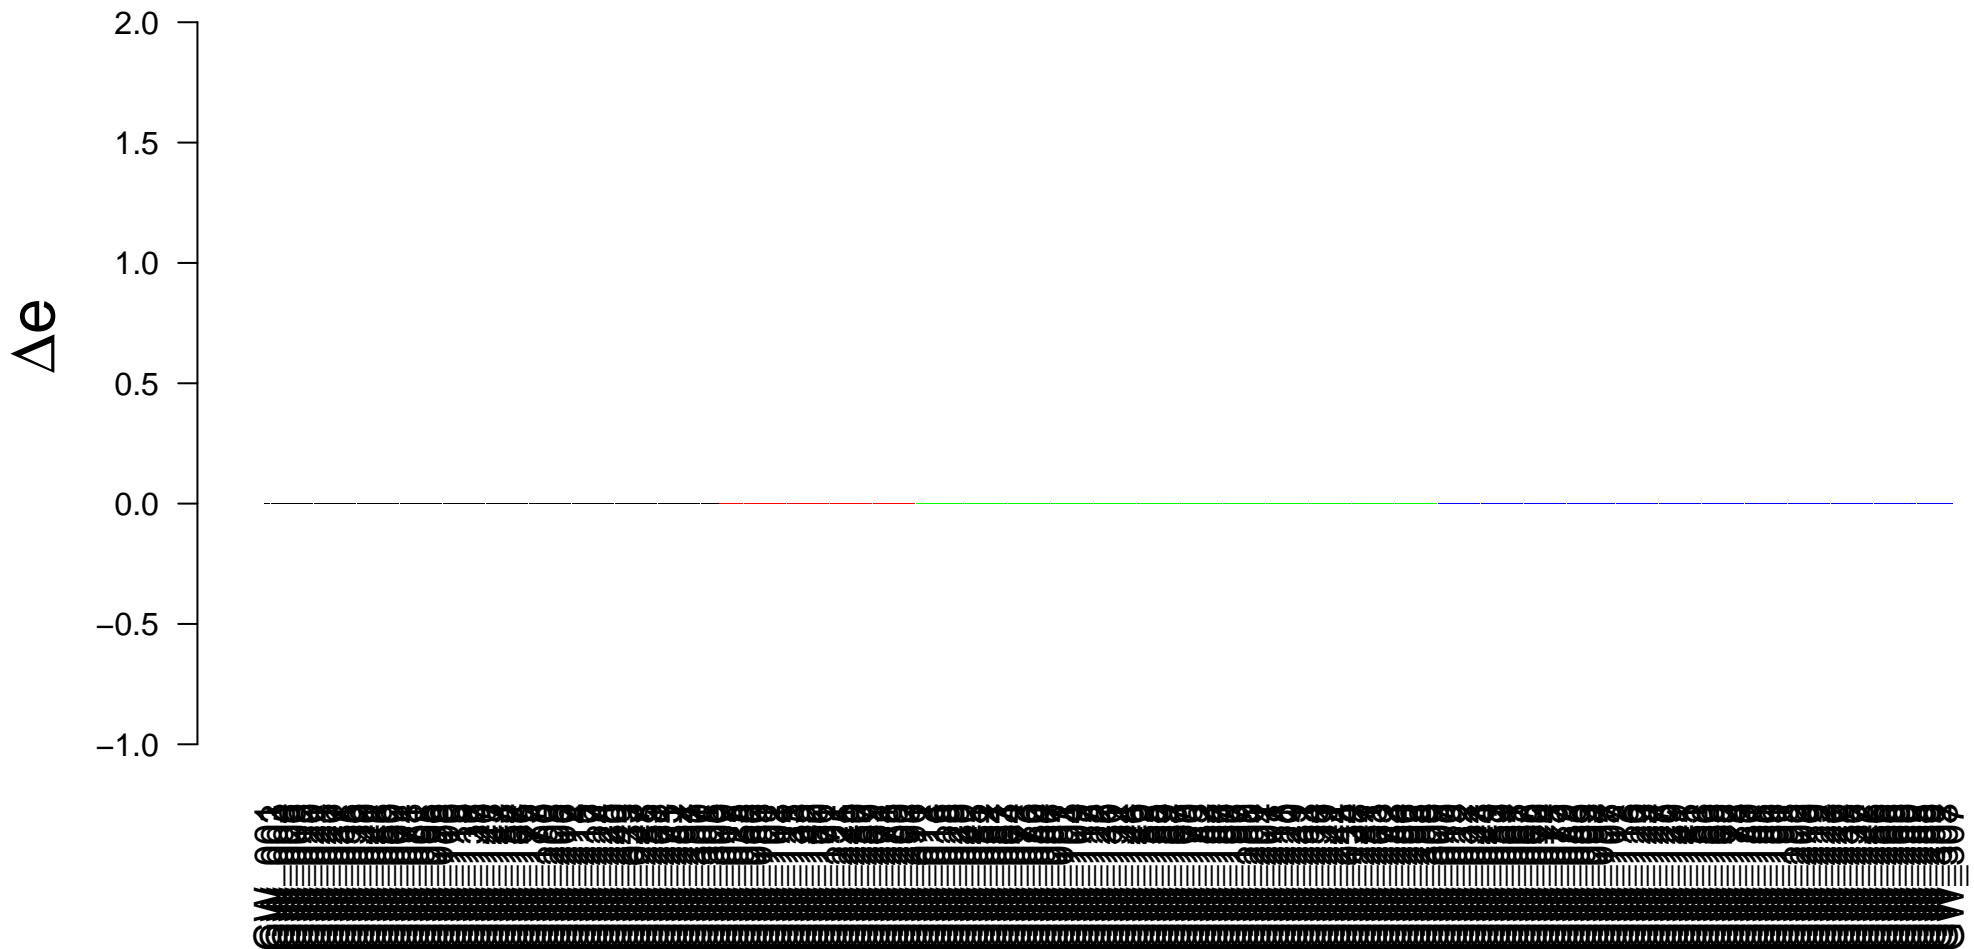

# Expression of cellular response to oxidative stress in Spot O

# Expression of cellular response to oxidative stress in Spot P

# Expression of cellular response to oxidative stress in Spot Q

# Expression of cellular response to oxidative stress in Spot R
