

cellular response to reactive oxygen species

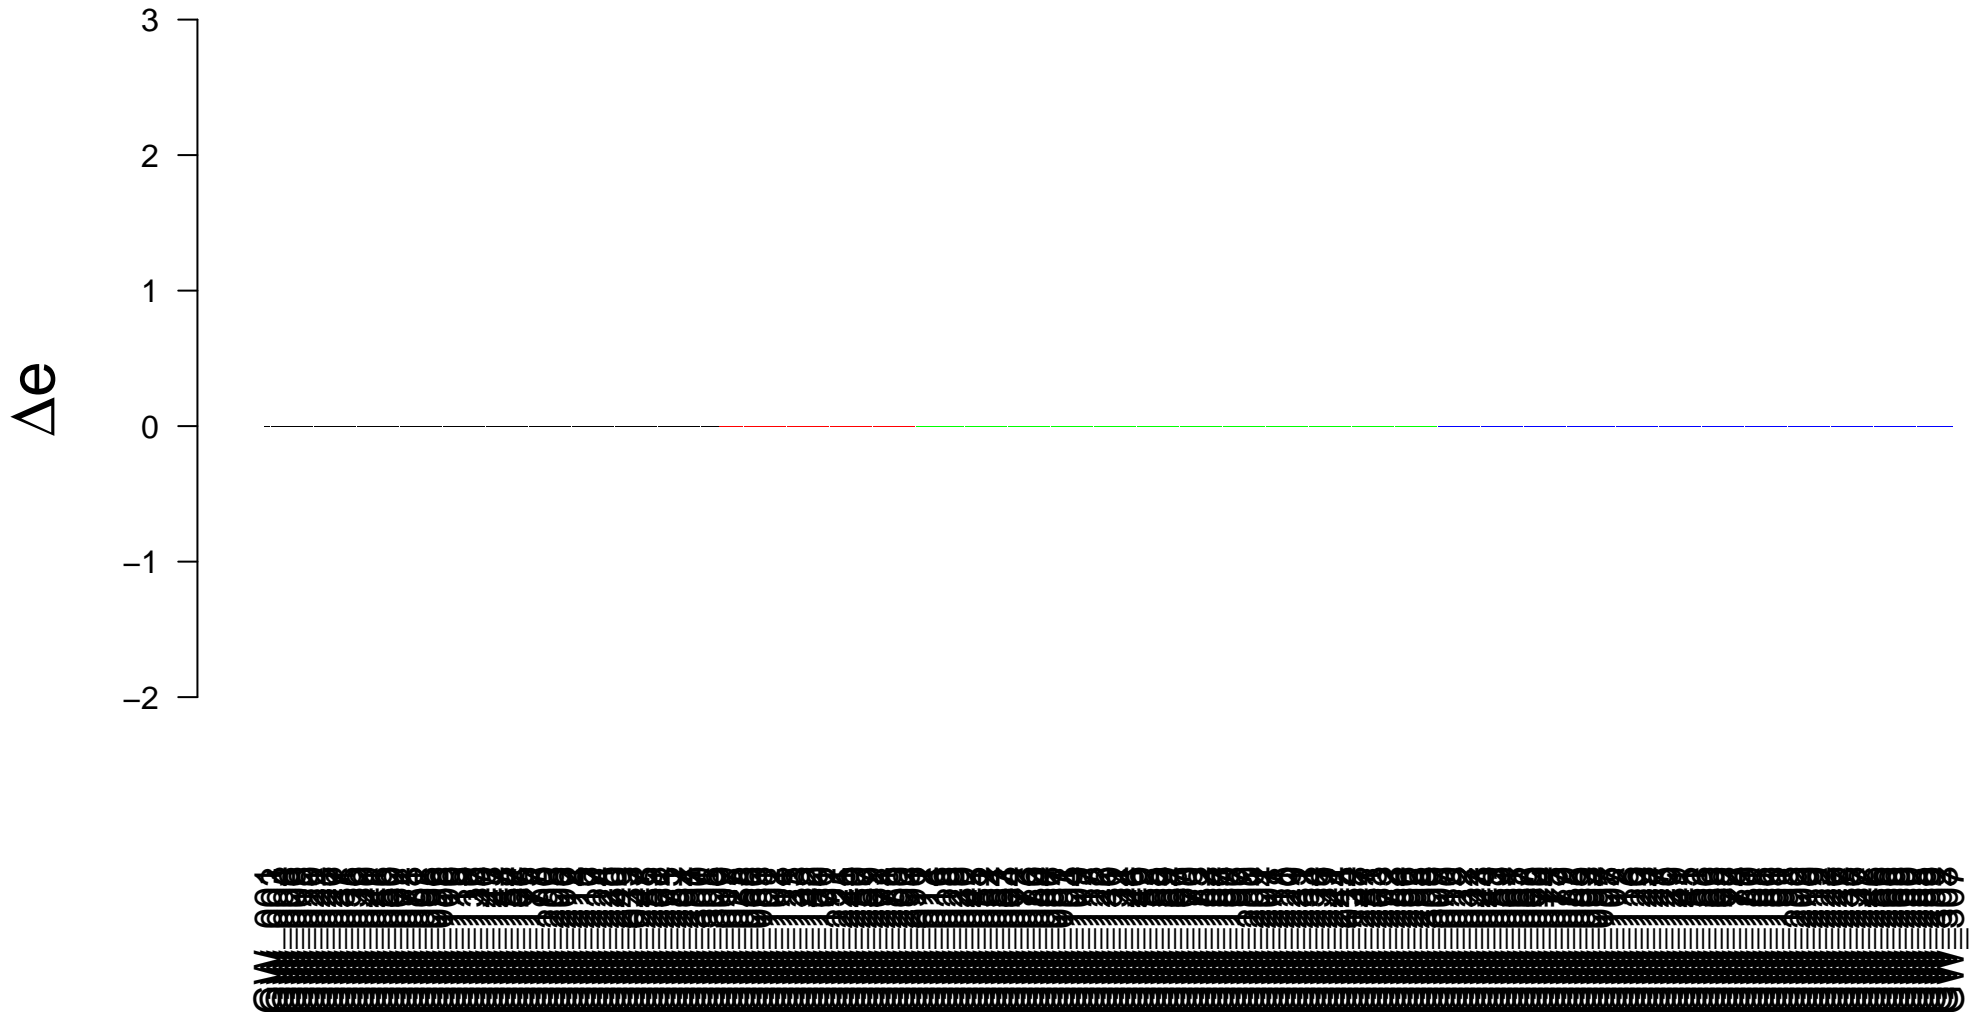

cellular response to reactive oxygen species

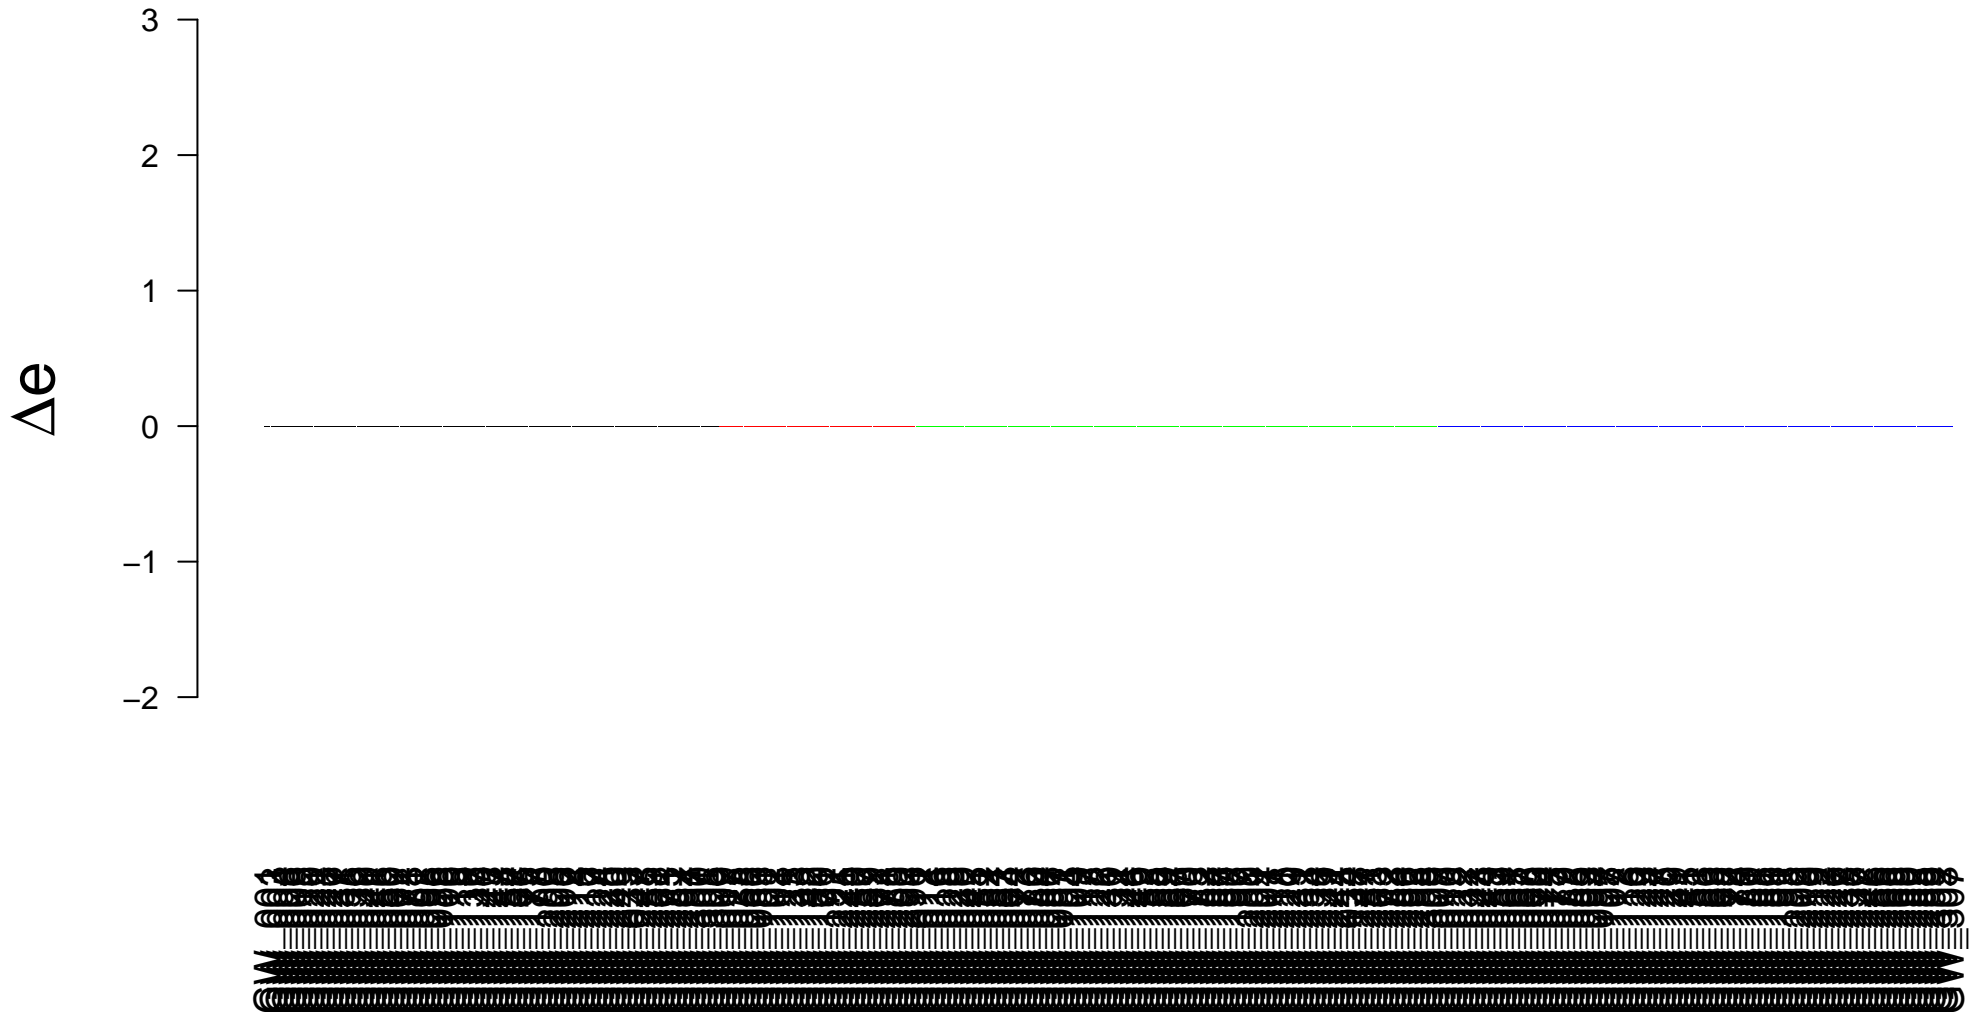

Enrichment in spots: cellular response to reactive oxygen species

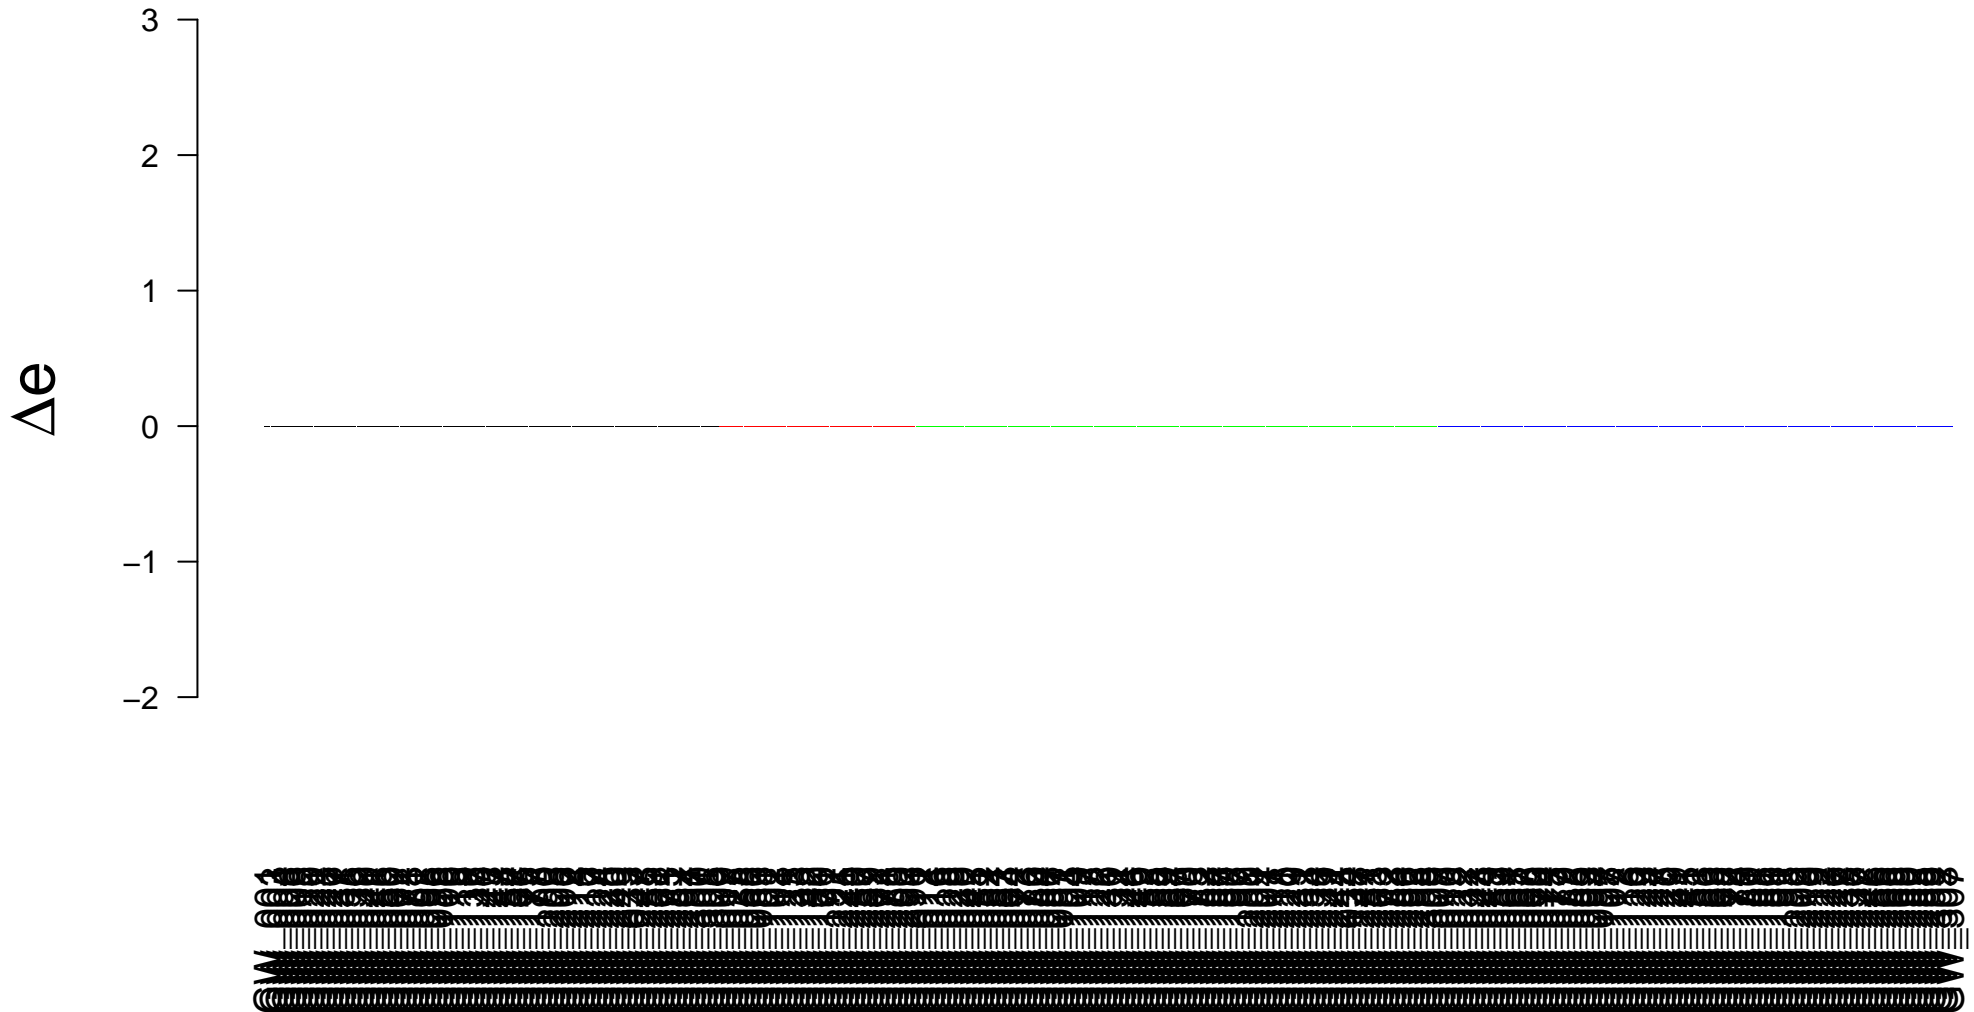

Expression of cellular response to reactive oxygen species in Spot A

Expression of cellular response to reactive oxygen species in Spot B

Expression of cellular response to reactive oxygen species in Spot C

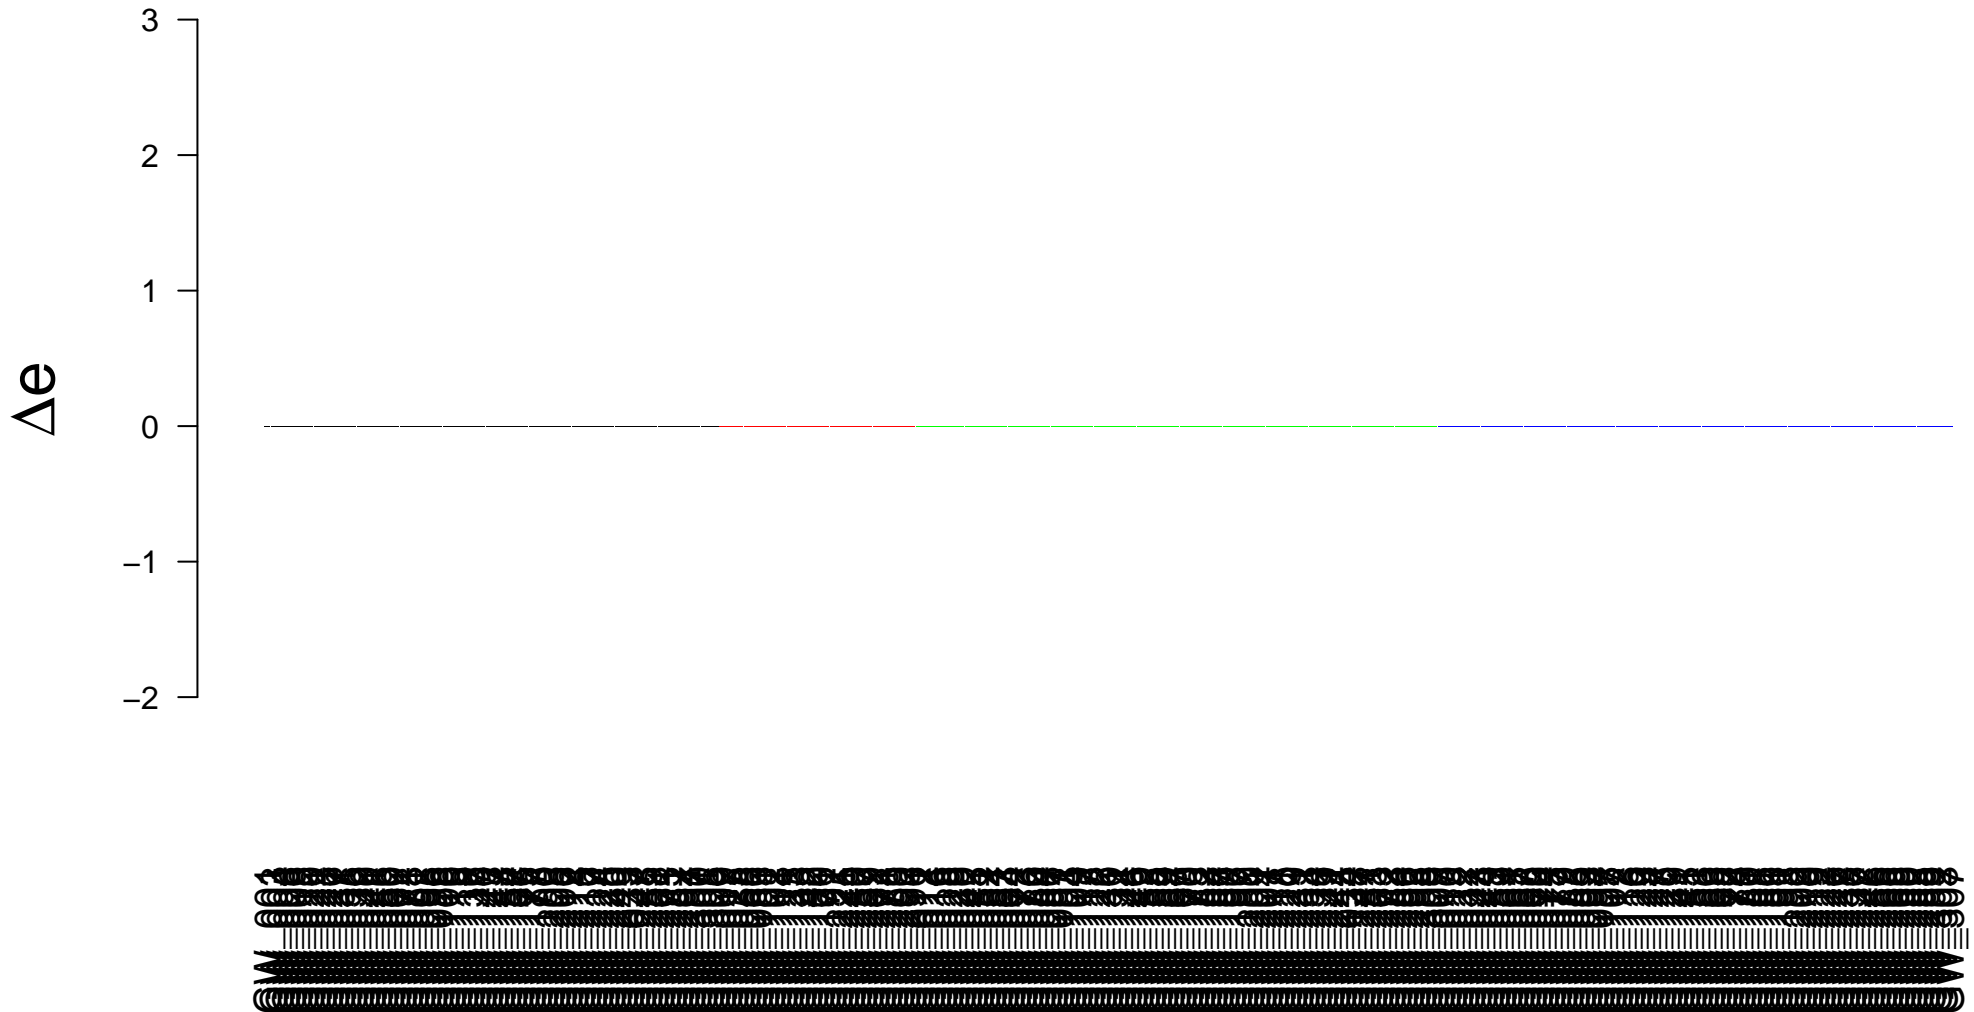

Expression of cellular response to reactive oxygen species in Spot D

Δe

Expression of cellular response to reactive oxygen species in Spot E

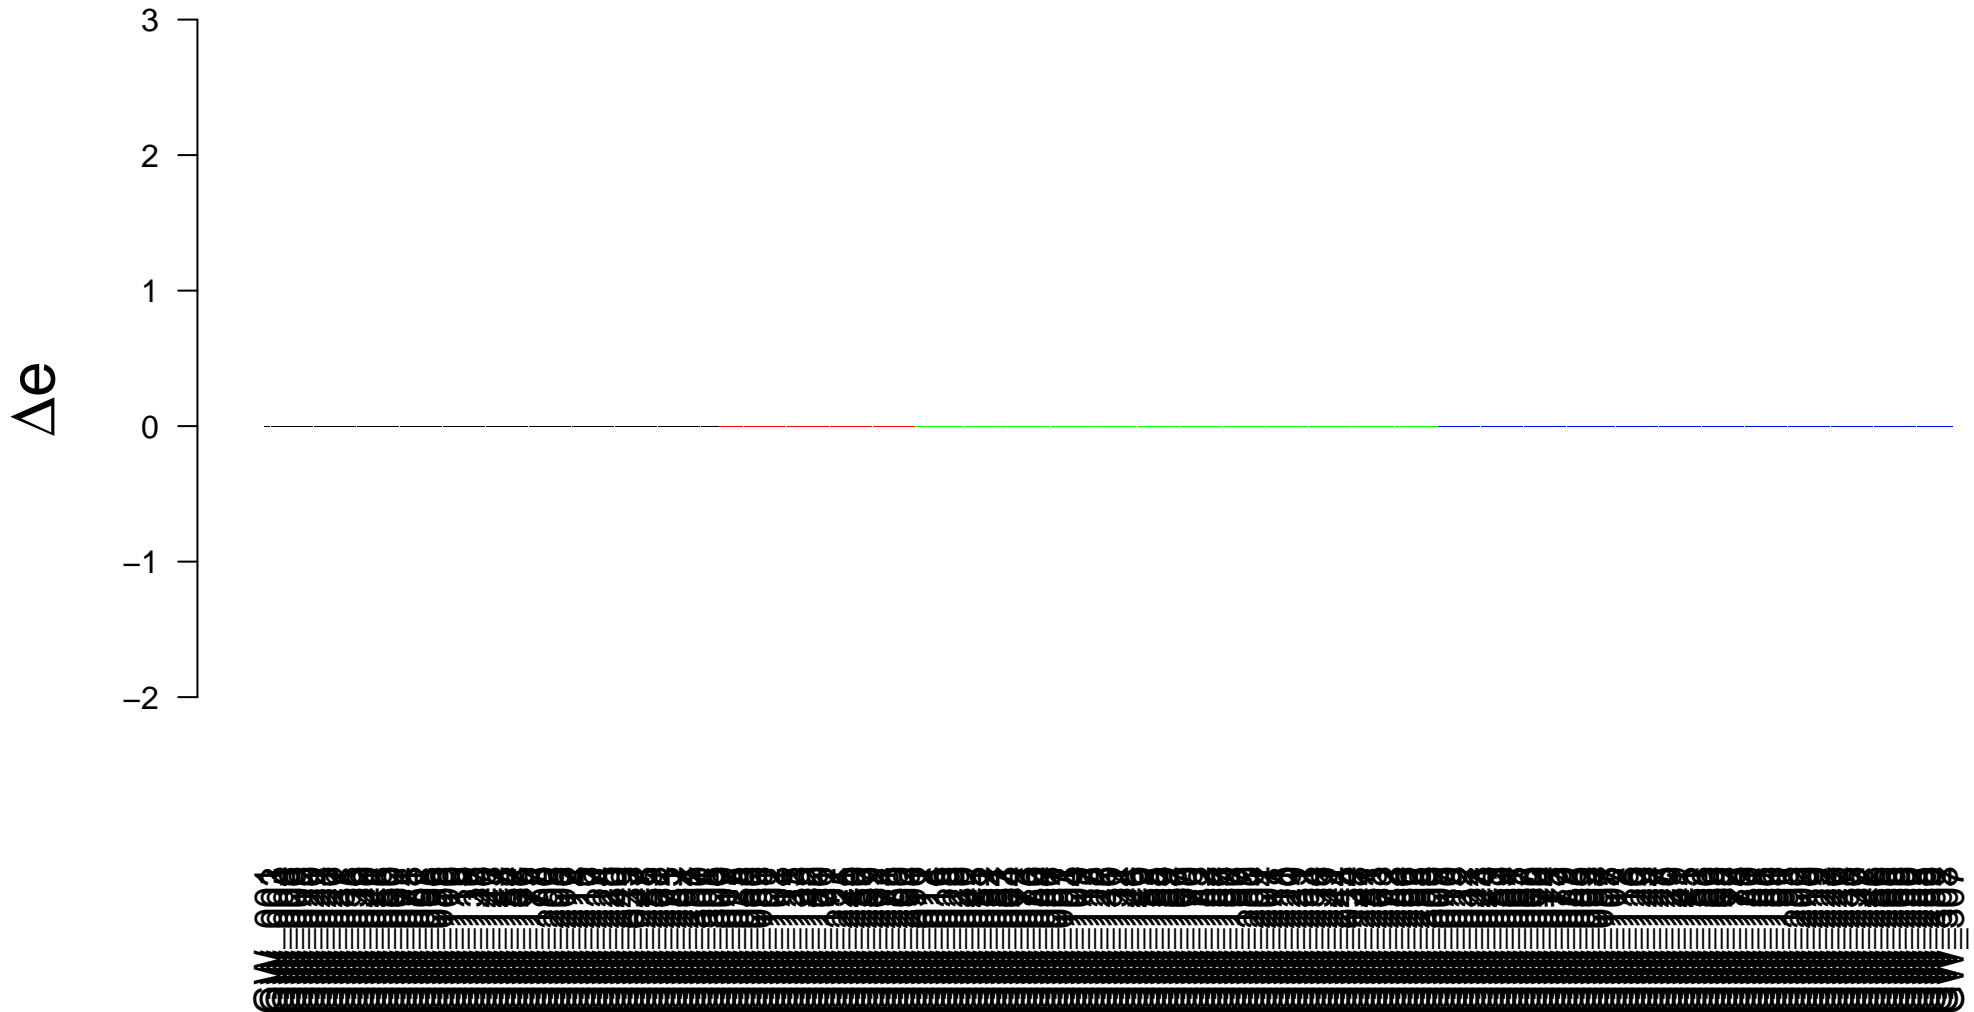

Expression of cellular response to reactive oxygen species in Spot F

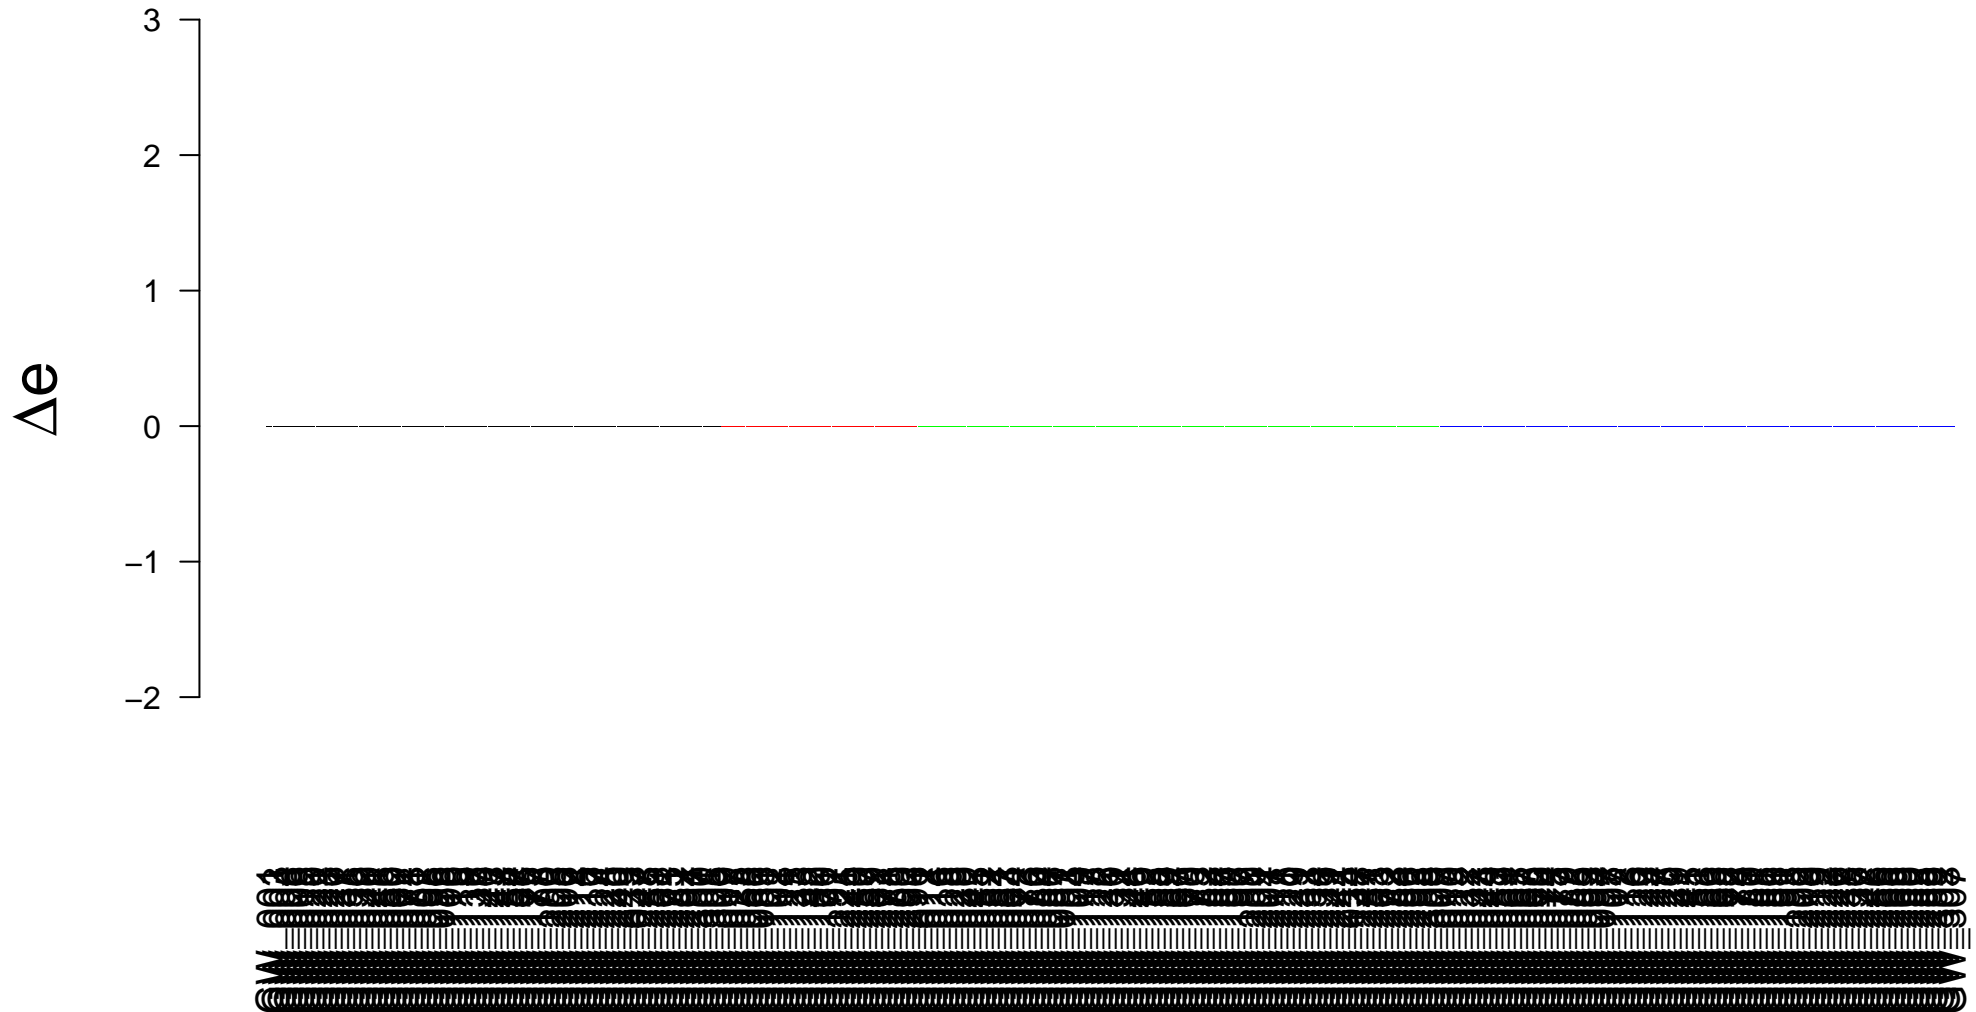

Expression of cellular response to reactive oxygen species in Spot G

Expression of cellular response to reactive oxygen species in Spot H

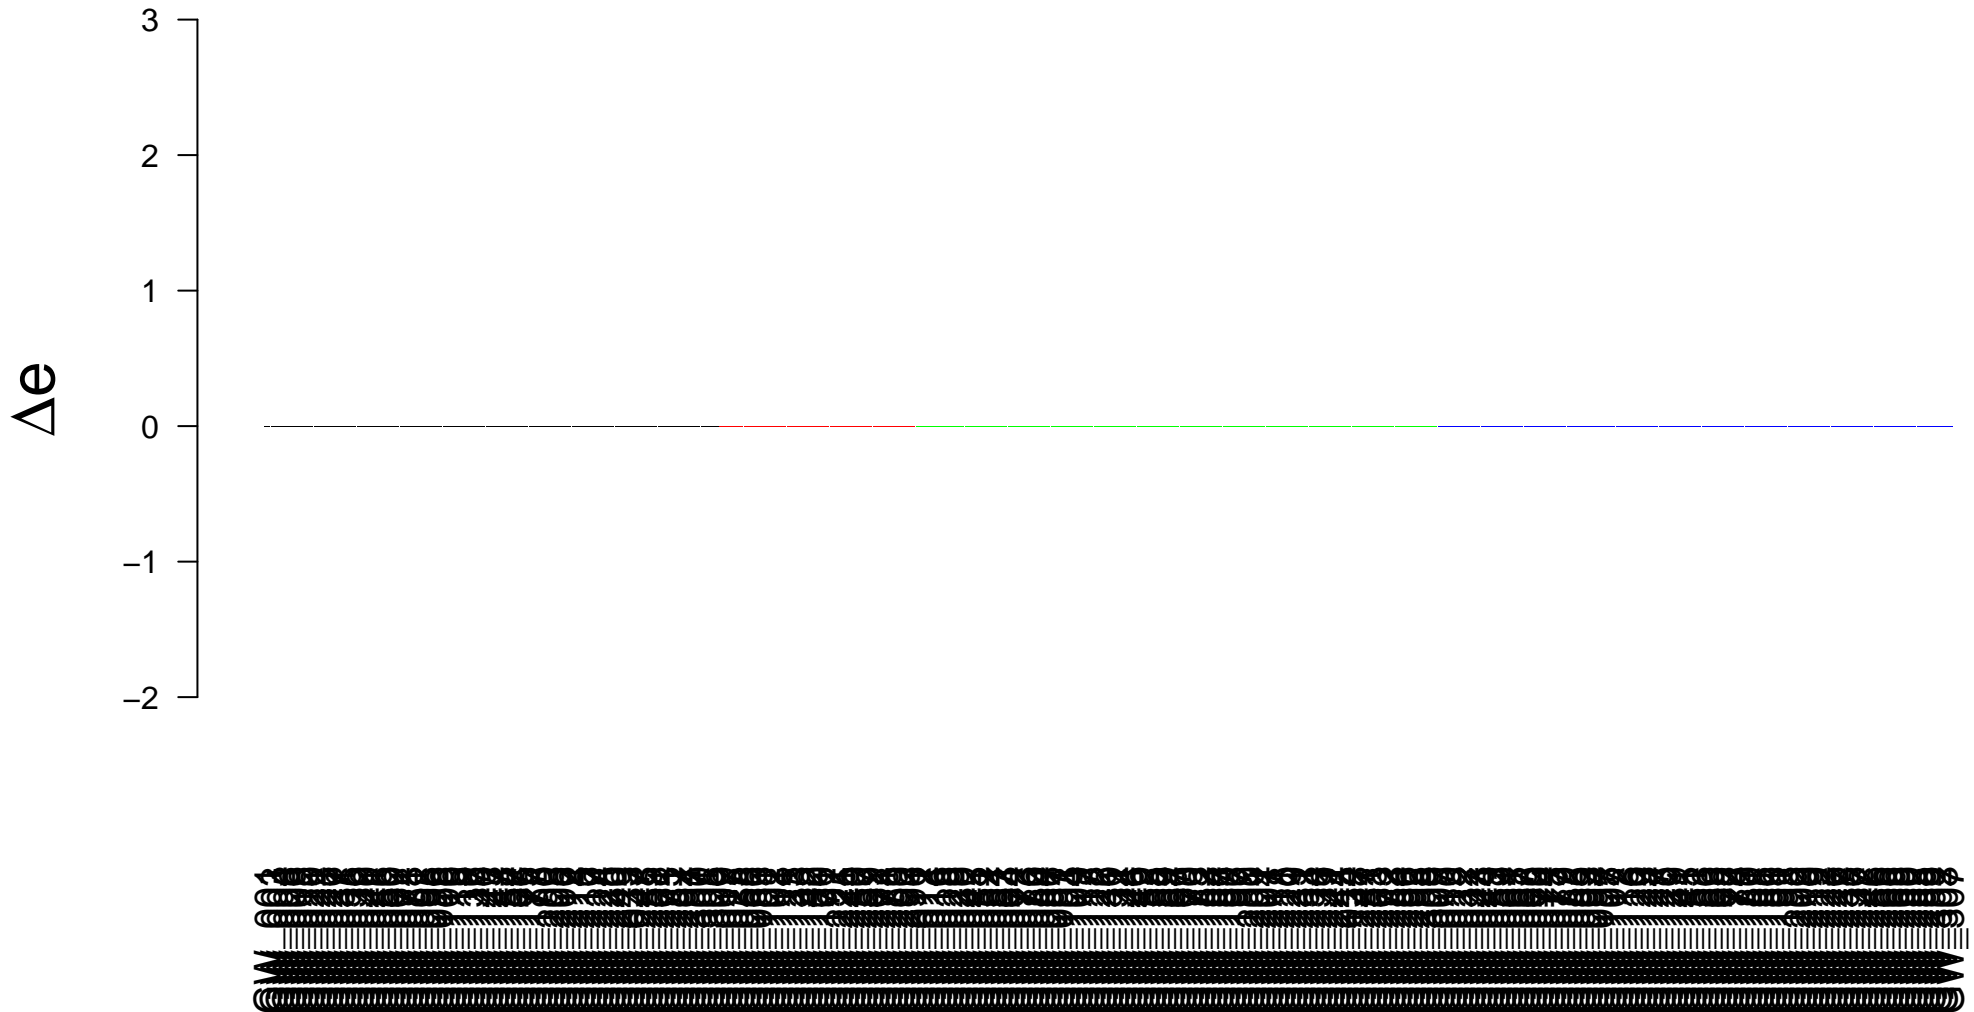

Expression of cellular response to reactive oxygen species in Spot I

Expression of cellular response to reactive oxygen species in Spot J

Expression of cellular response to reactive oxygen species in Spot K

Expression of cellular response to reactive oxygen species in Spot L

Expression of cellular response to reactive oxygen species in Spot M

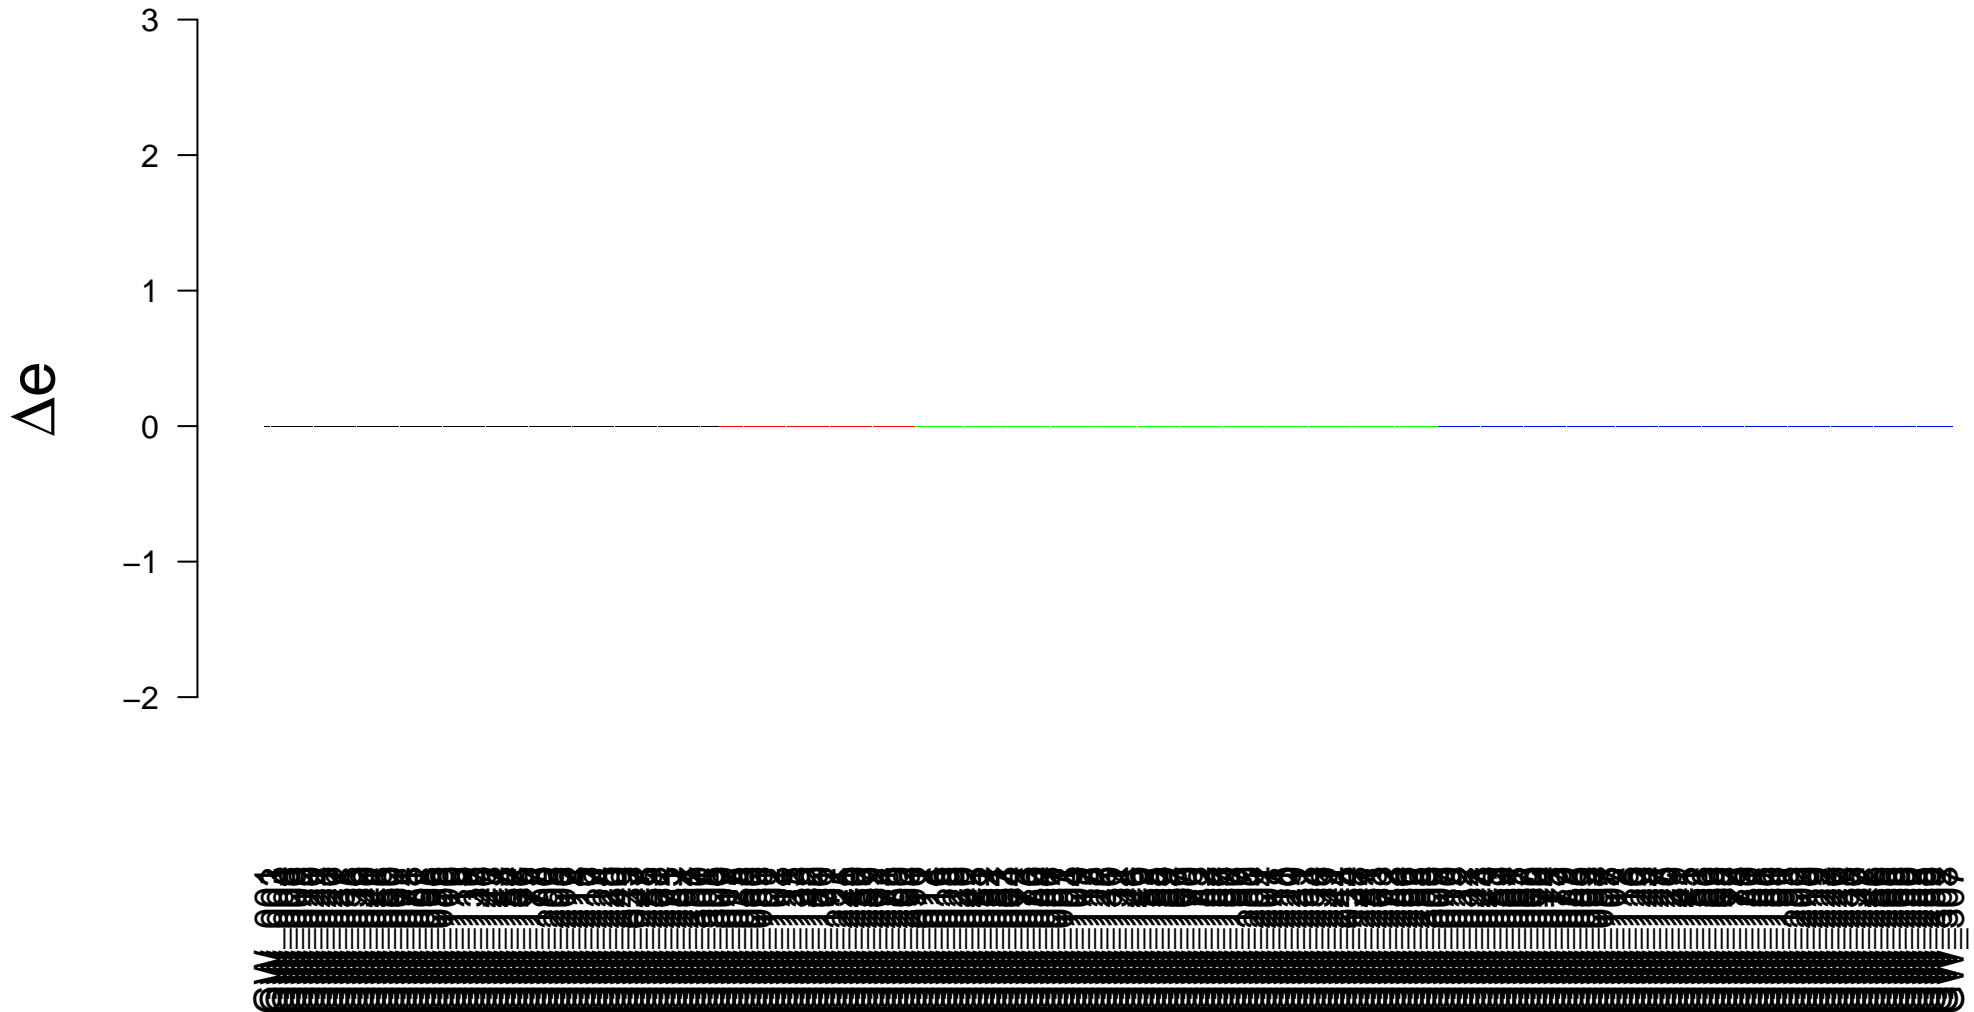

Expression of cellular response to reactive oxygen species in Spot N

Expression of cellular response to reactive oxygen species in Spot O

Expression of cellular response to reactive oxygen species in Spot P

Expression of cellular response to reactive oxygen species in Spot Q

Expression of cellular response to reactive oxygen species in Spot R
