

cellular response to transforming growth factor beta stimulus

cellular response to transforming growth factor beta stimulus

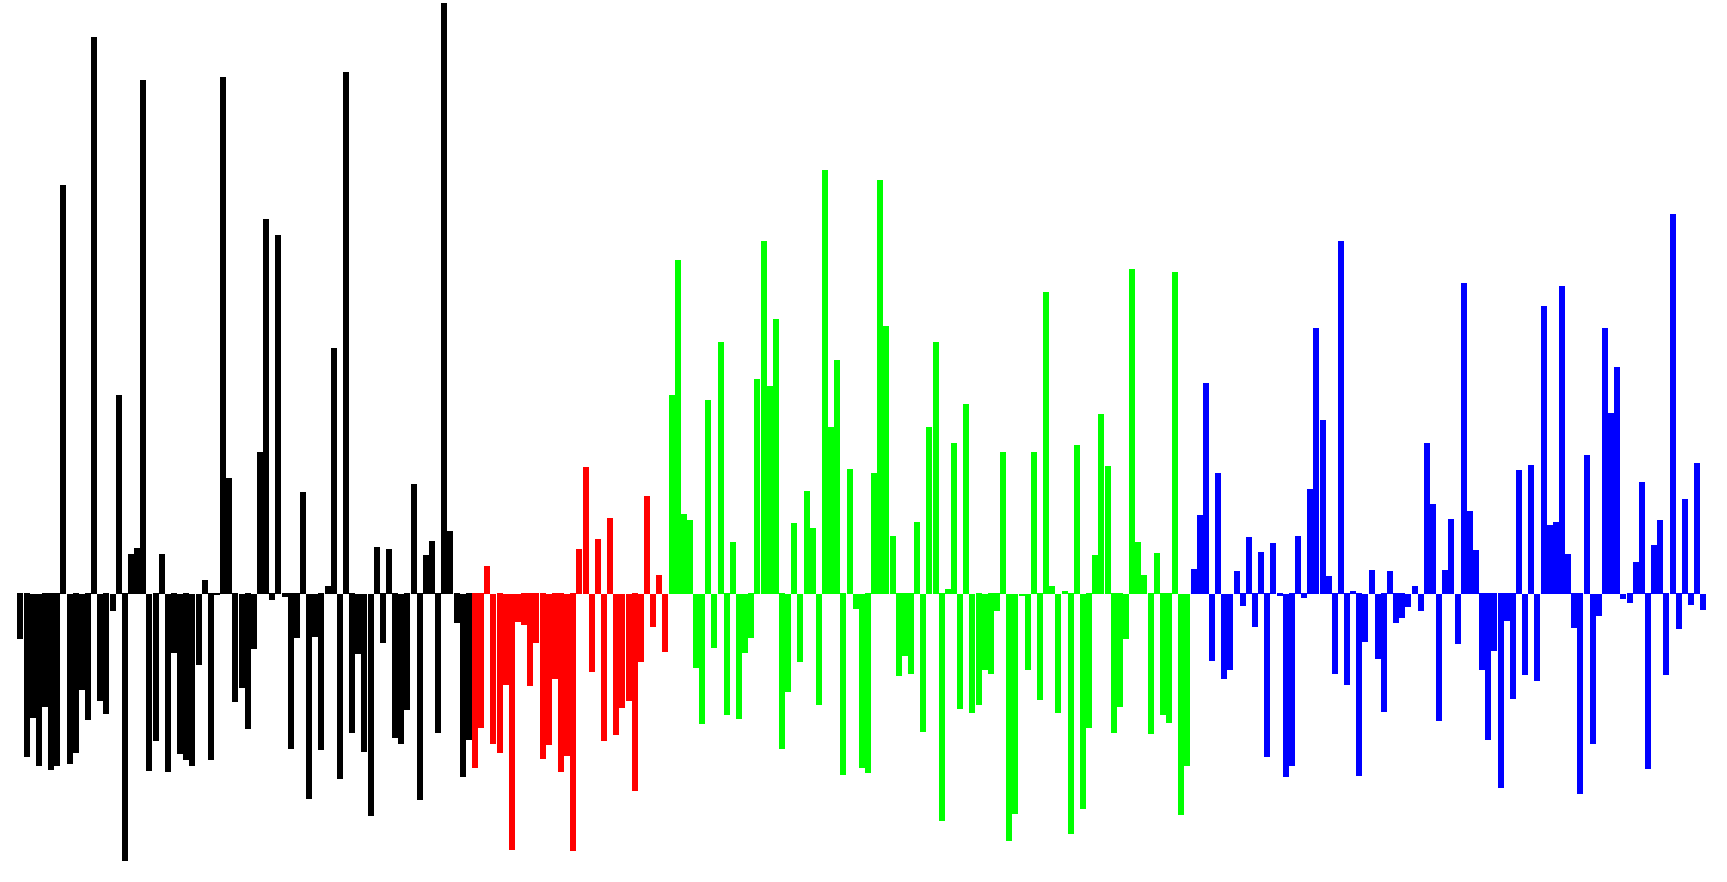

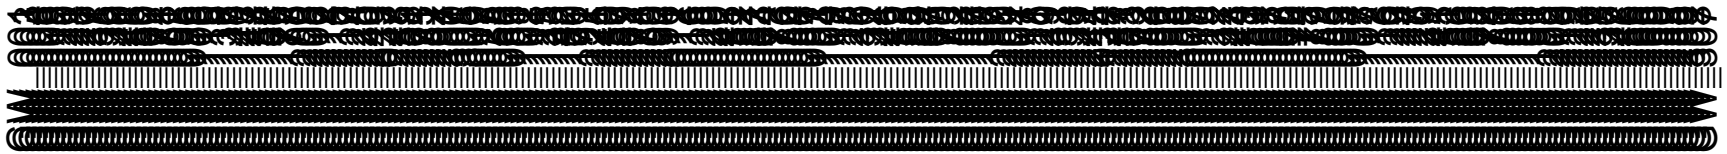

Enrichment in spots: cellular response to transforming growth factor beta stimulus

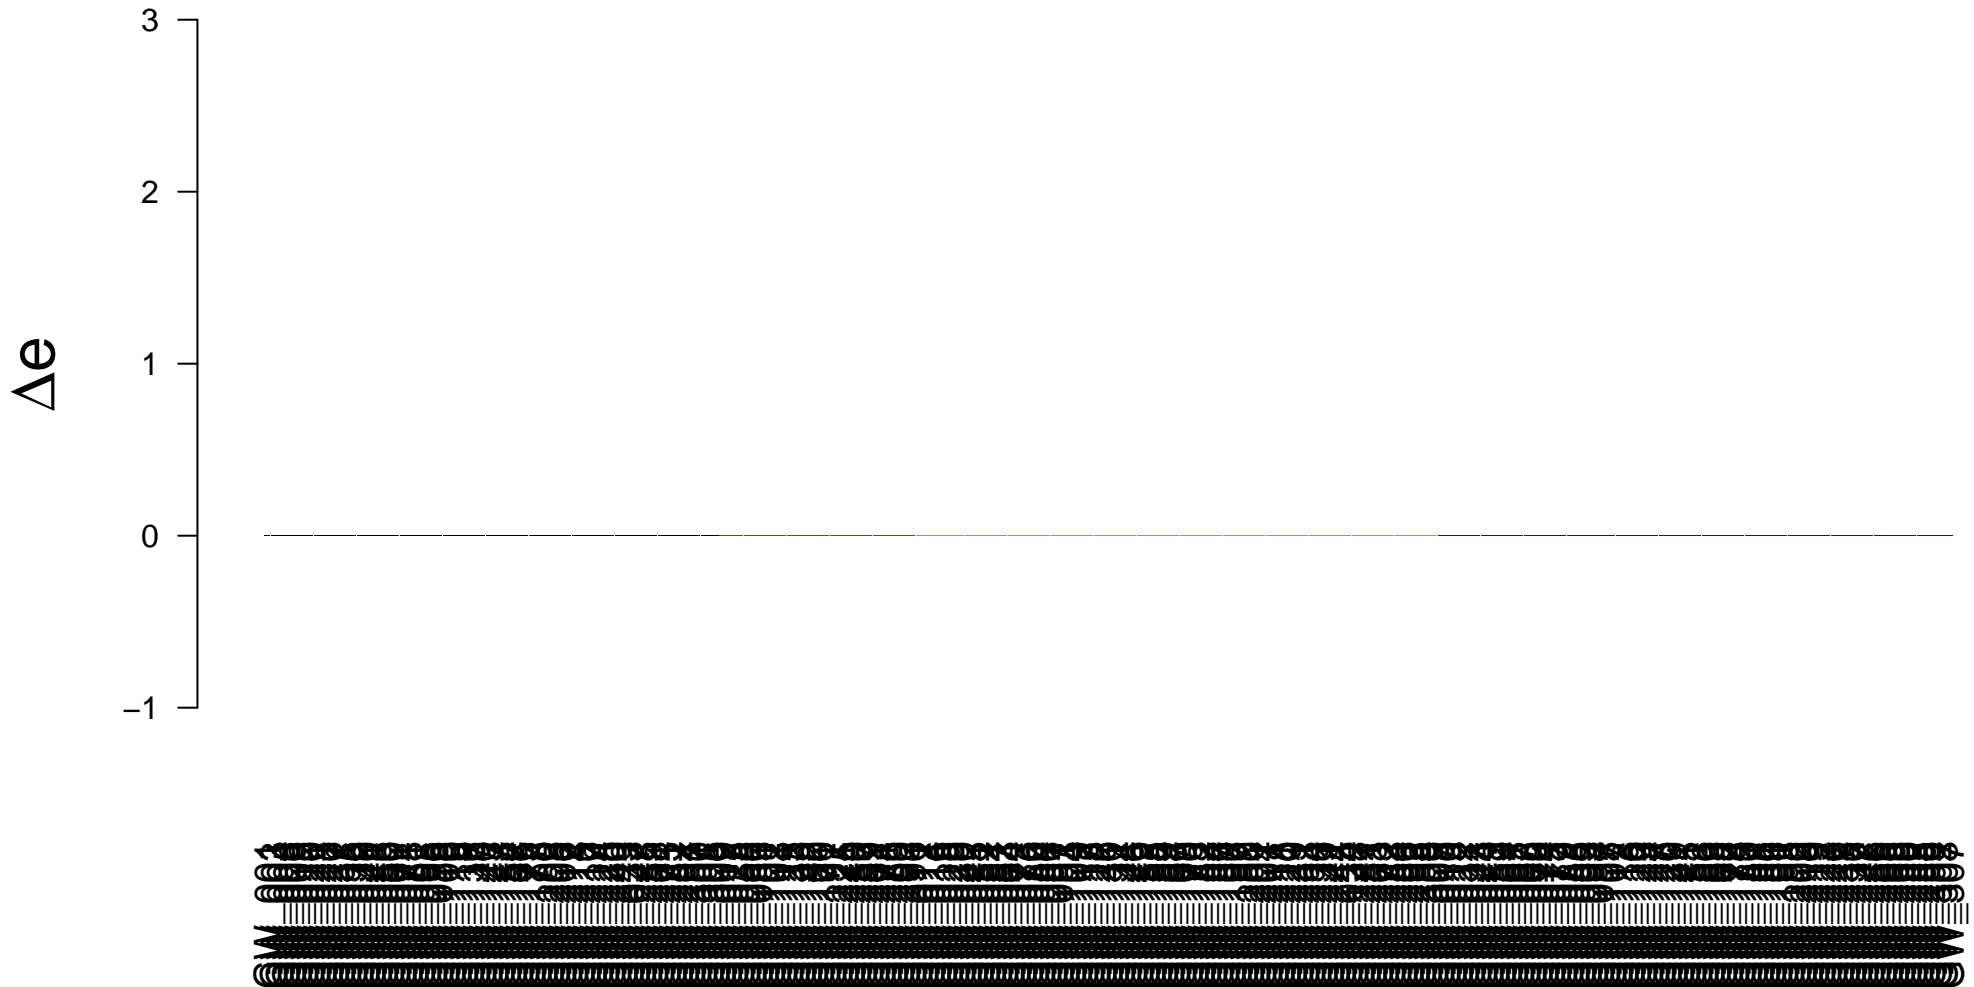

Expression of cellular response to transforming growth factor beta stimulus in Spot A

Δe

Expression of cellular response to transforming growth factor beta stimulus in Spot B

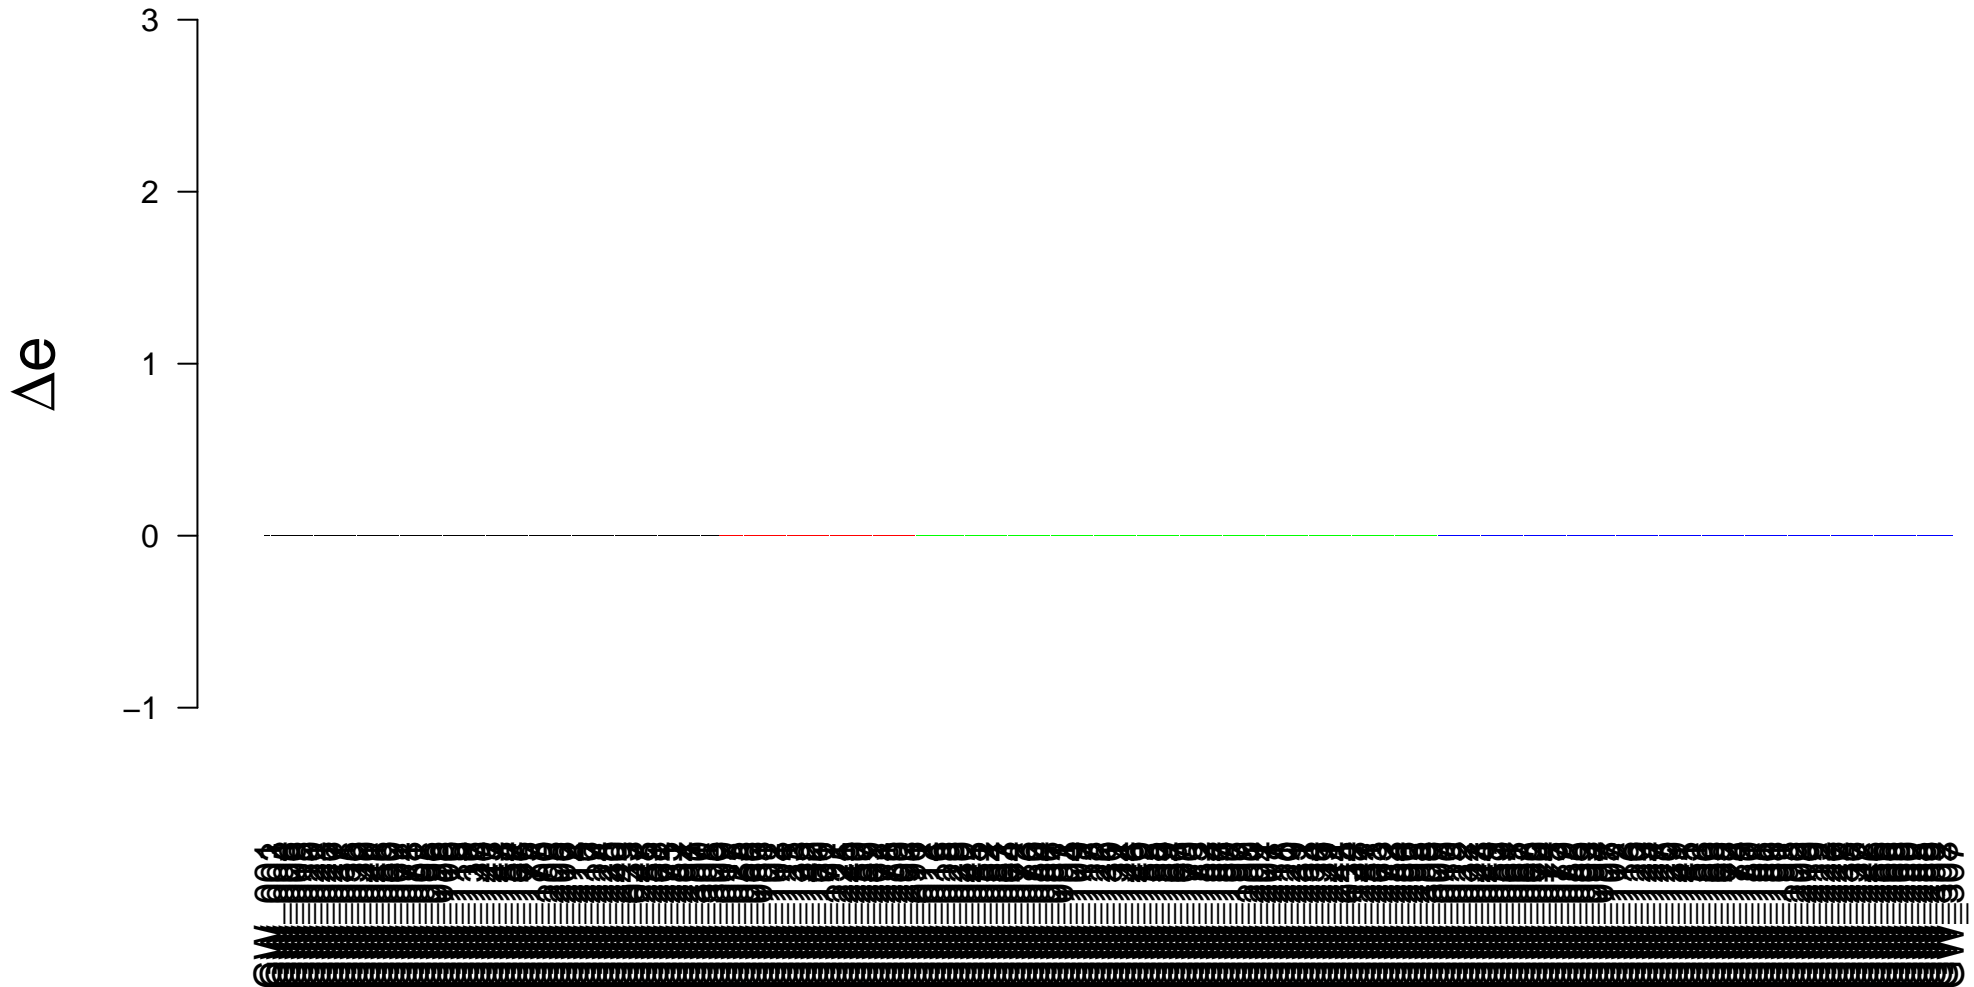

Expression of cellular response to transforming growth factor beta stimulus in Spot C

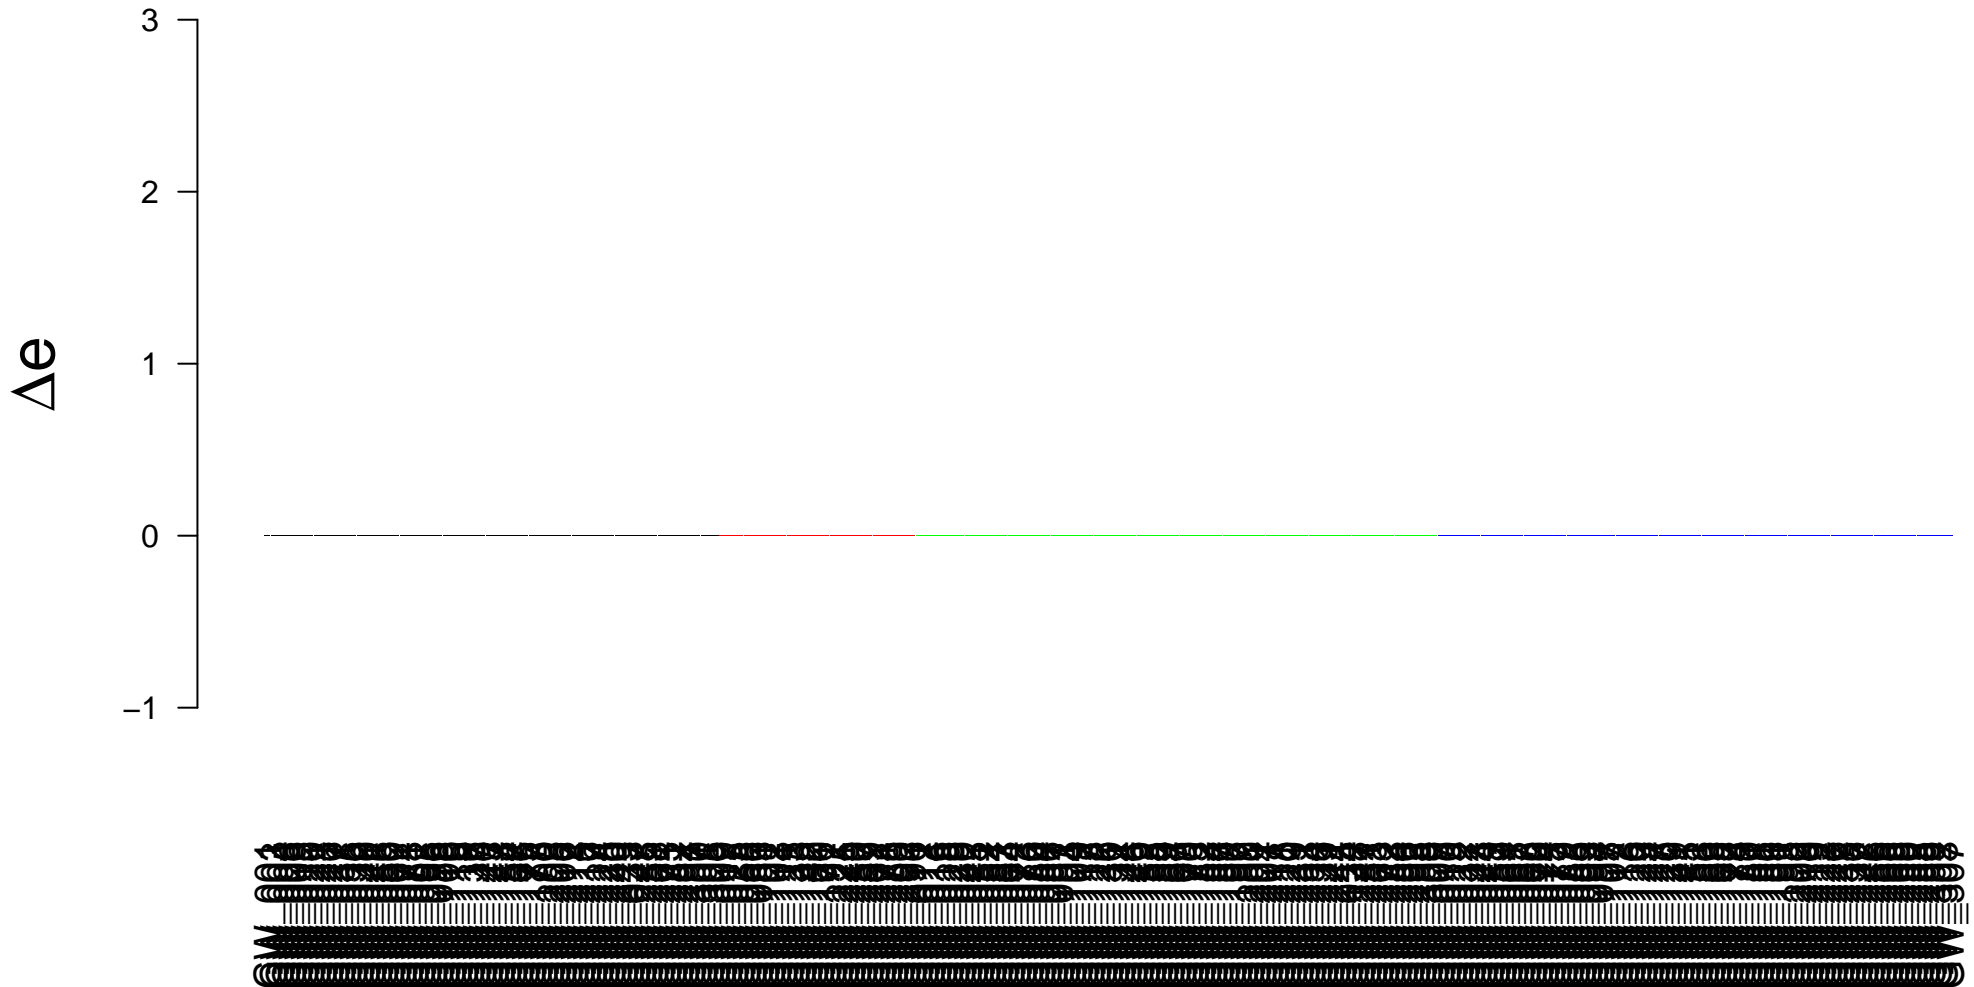

Expression of cellular response to transforming growth factor beta stimulus in Spot D

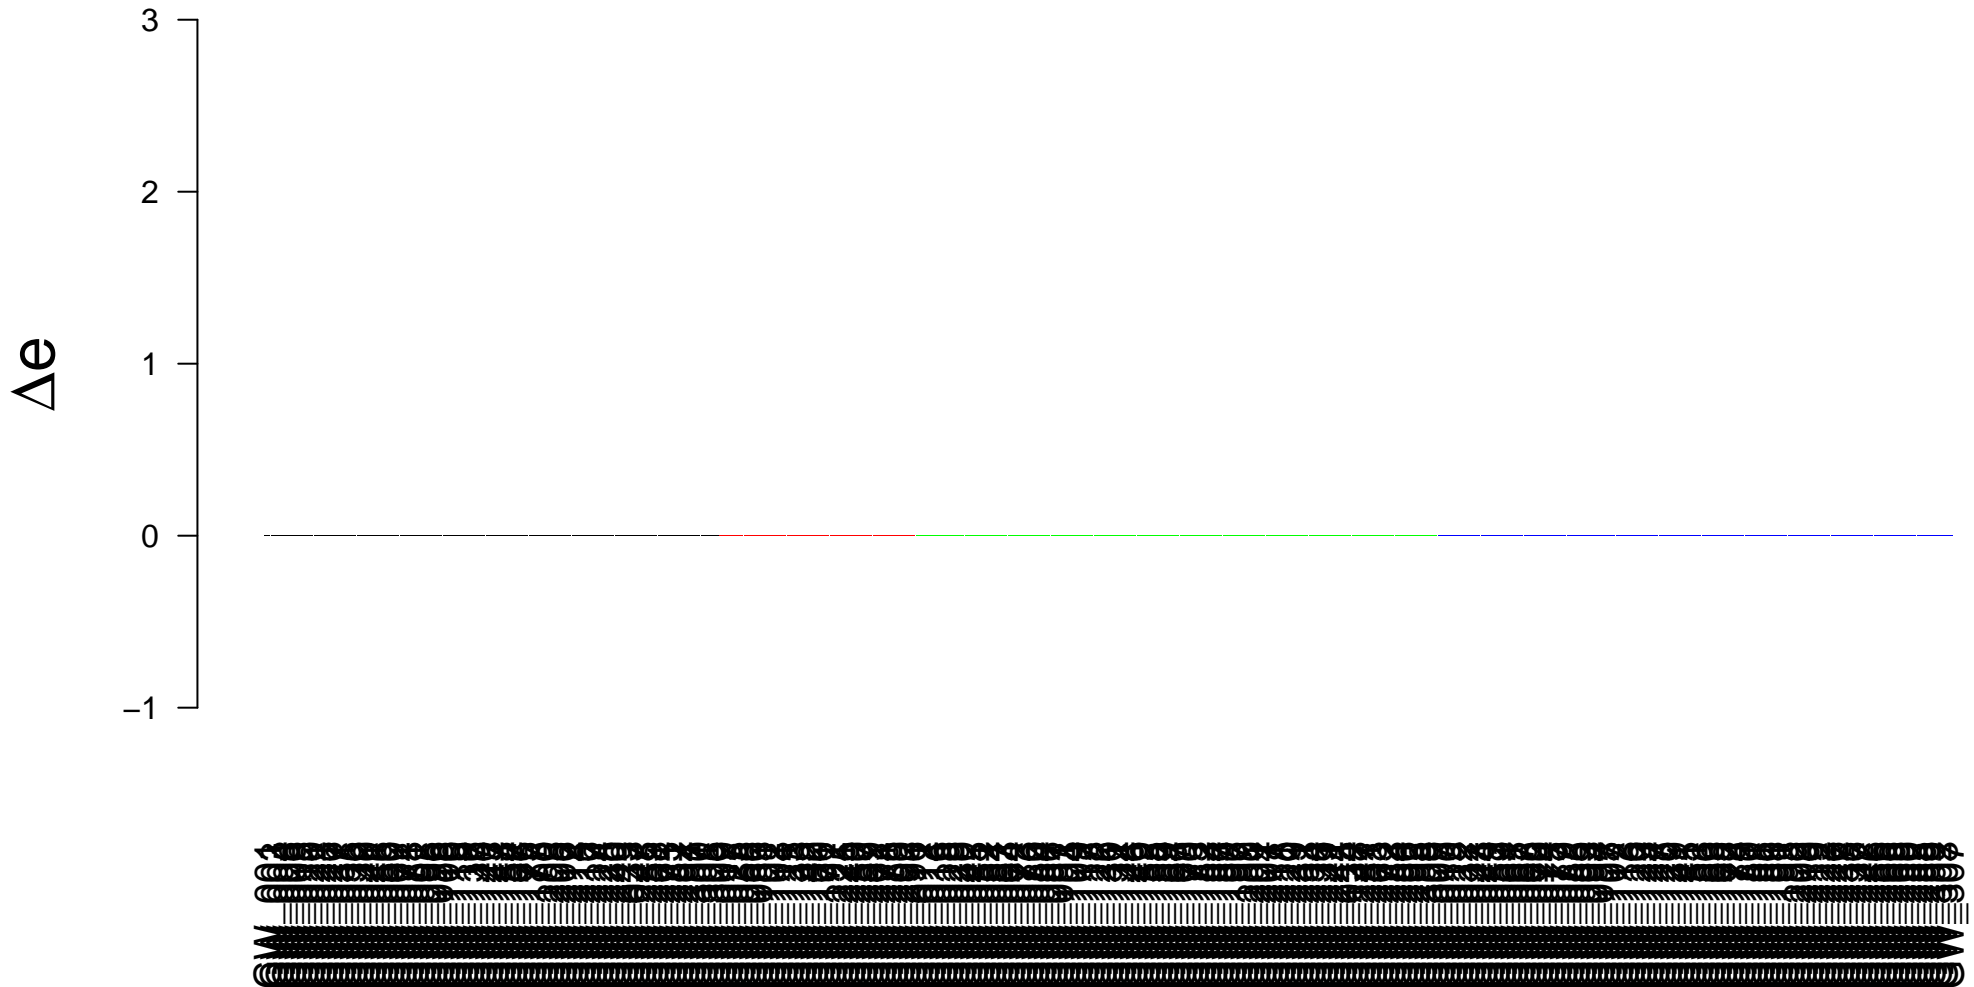

Expression of cellular response to transforming growth factor beta stimulus in Spot E

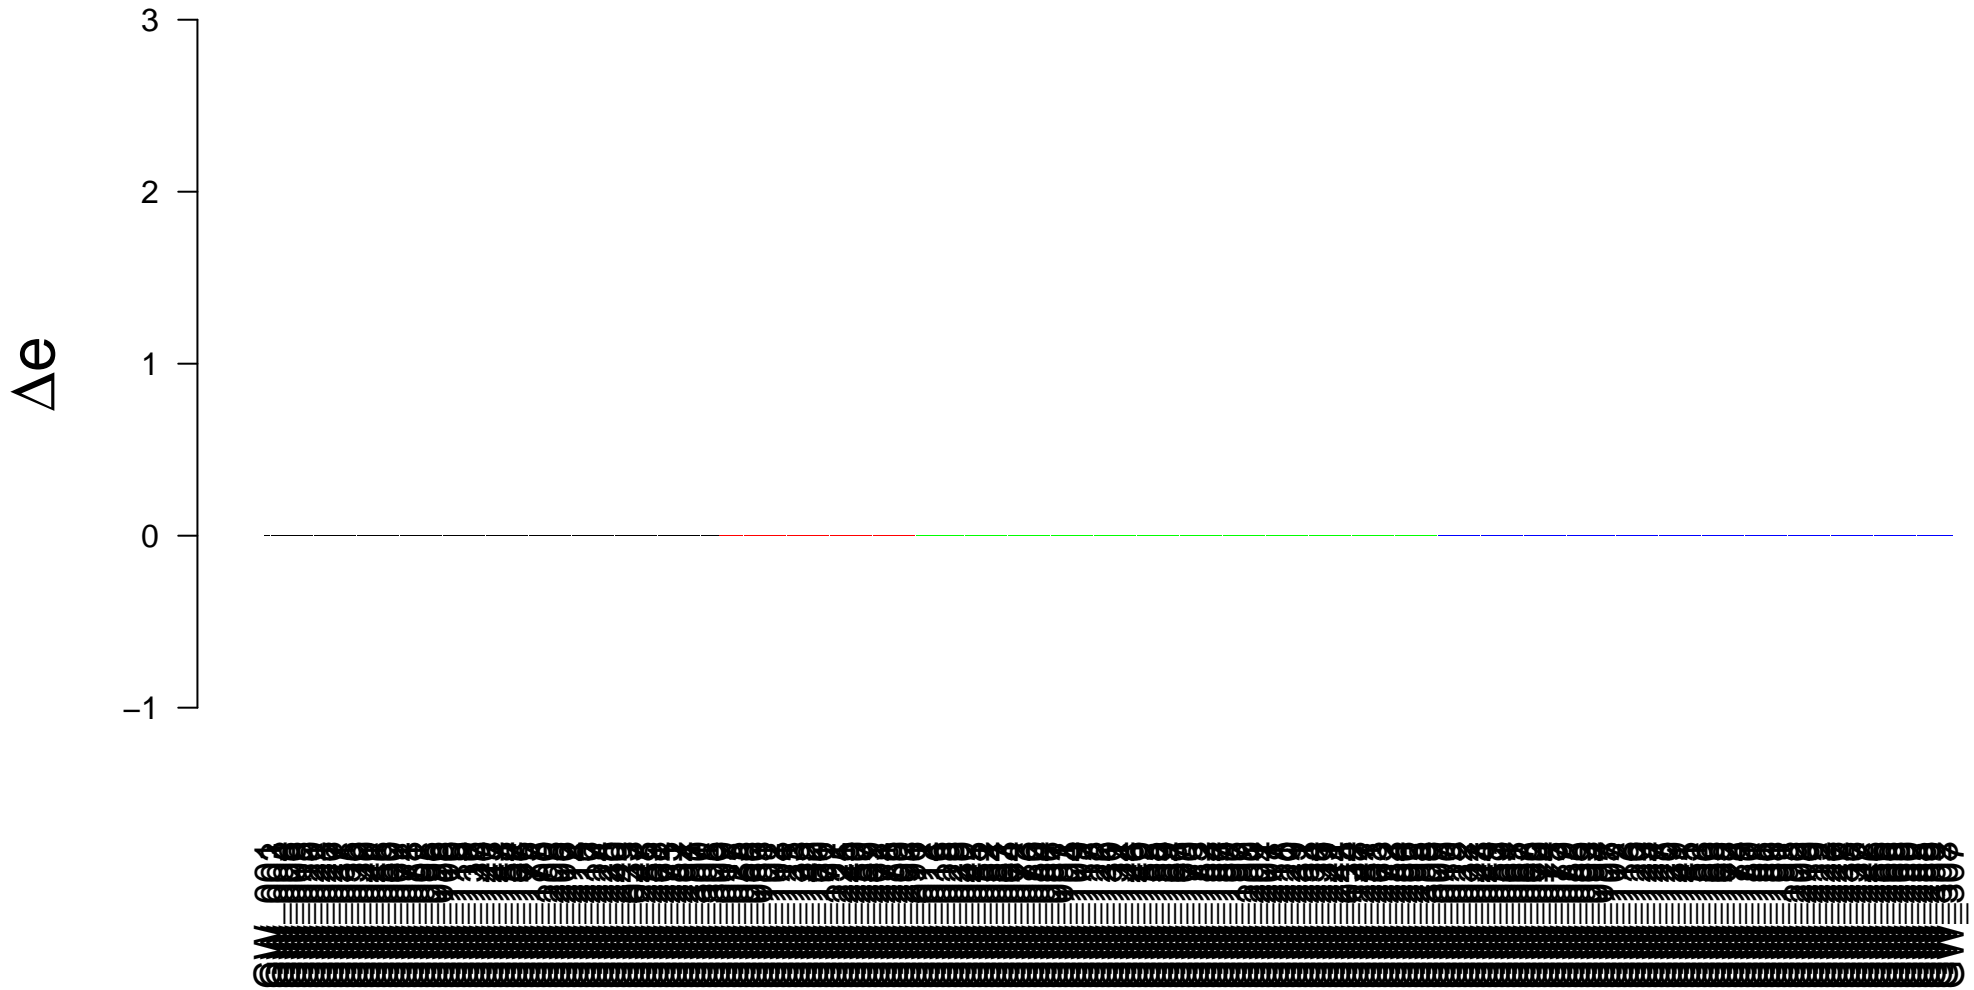

Expression of cellular response to transforming growth factor beta stimulus in Spot F

Expression of cellular response to transforming growth factor beta stimulus in Spot G

Expression of cellular response to transforming growth factor beta stimulus in Spot H

Expression of cellular response to transforming growth factor beta stimulus in Spot I

Expression of cellular response to transforming growth factor beta stimulus in Spot J

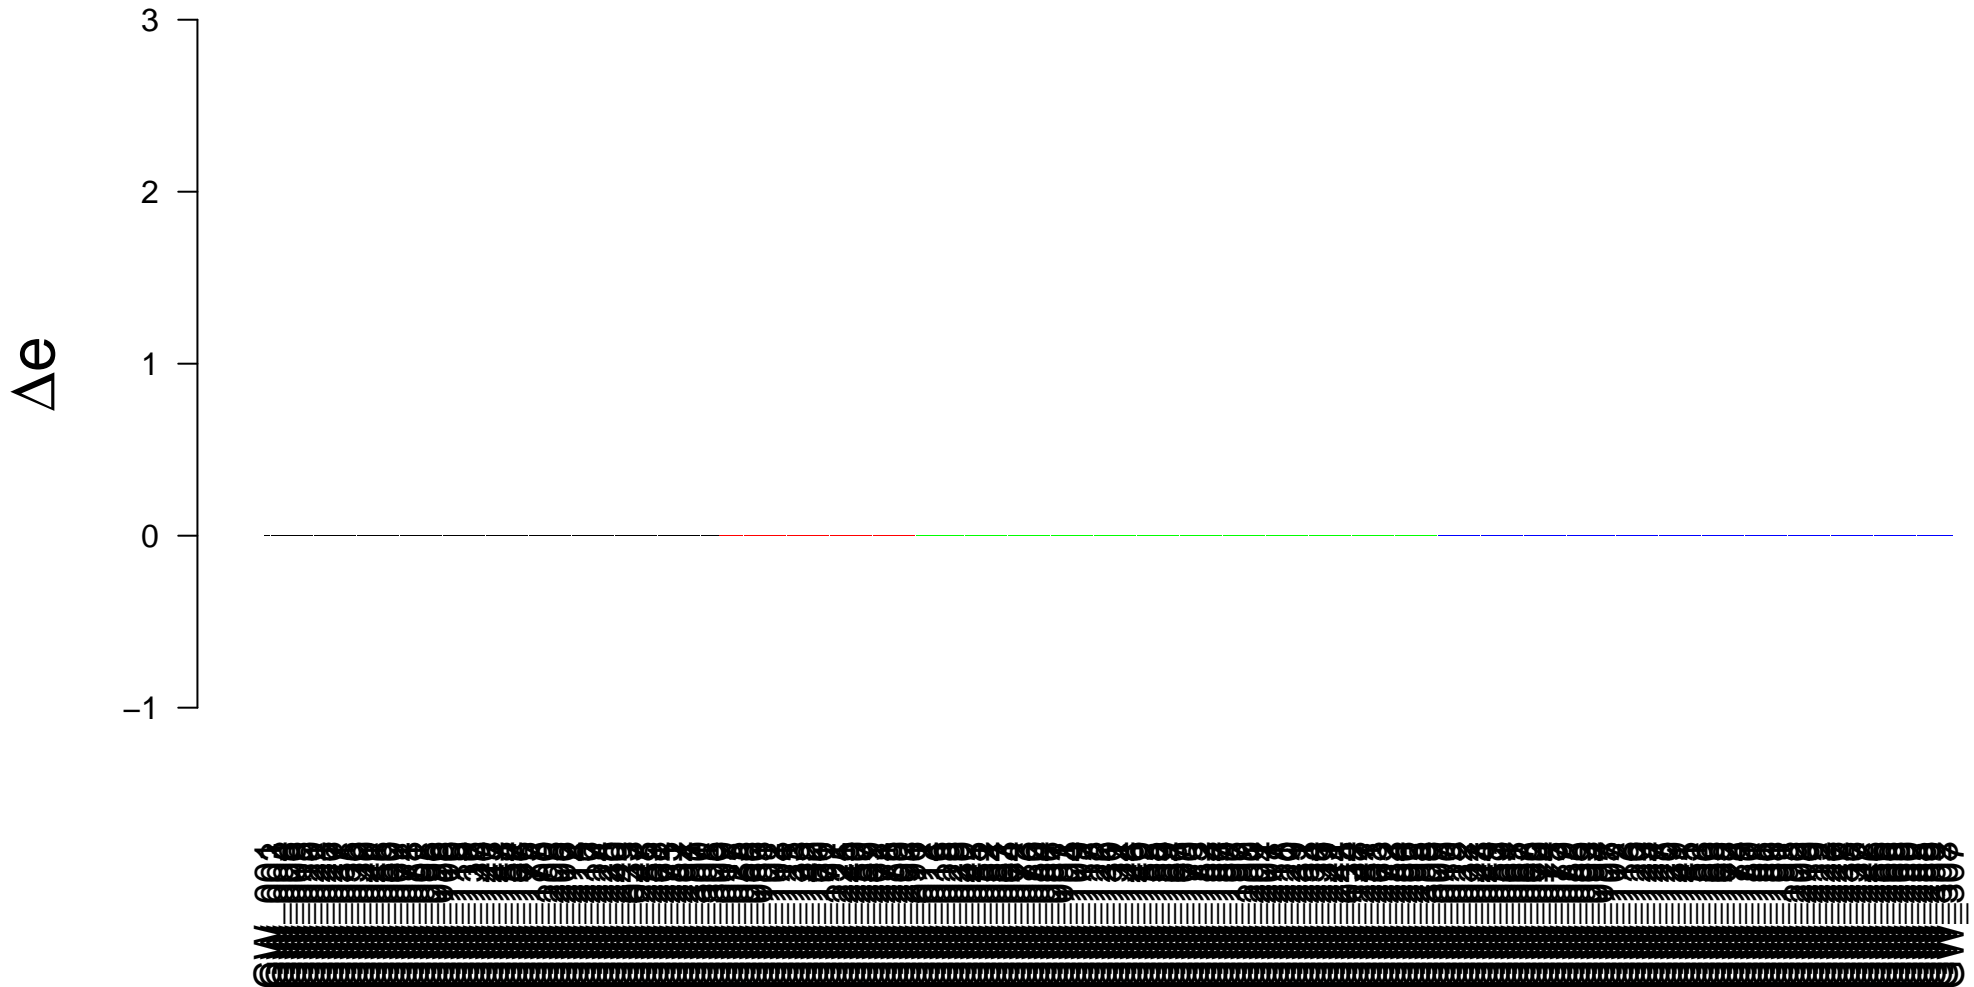

Expression of cellular response to transforming growth factor beta stimulus in Spot K

Expression of cellular response to transforming growth factor beta stimulus in Spot L

Expression of cellular response to transforming growth factor beta stimulus in Spot M

Expression of cellular response to transforming growth factor beta stimulus in Spot N

Expression of cellular response to transforming growth factor beta stimulus in Spot O

Expression of cellular response to transforming growth factor beta stimulus in Spot P

Expression of cellular response to transforming growth factor beta stimulus in Spot Q

Expression of cellular response to transforming growth factor beta stimulus in Spot R
