

# cerebellar Purkinje cell layer development

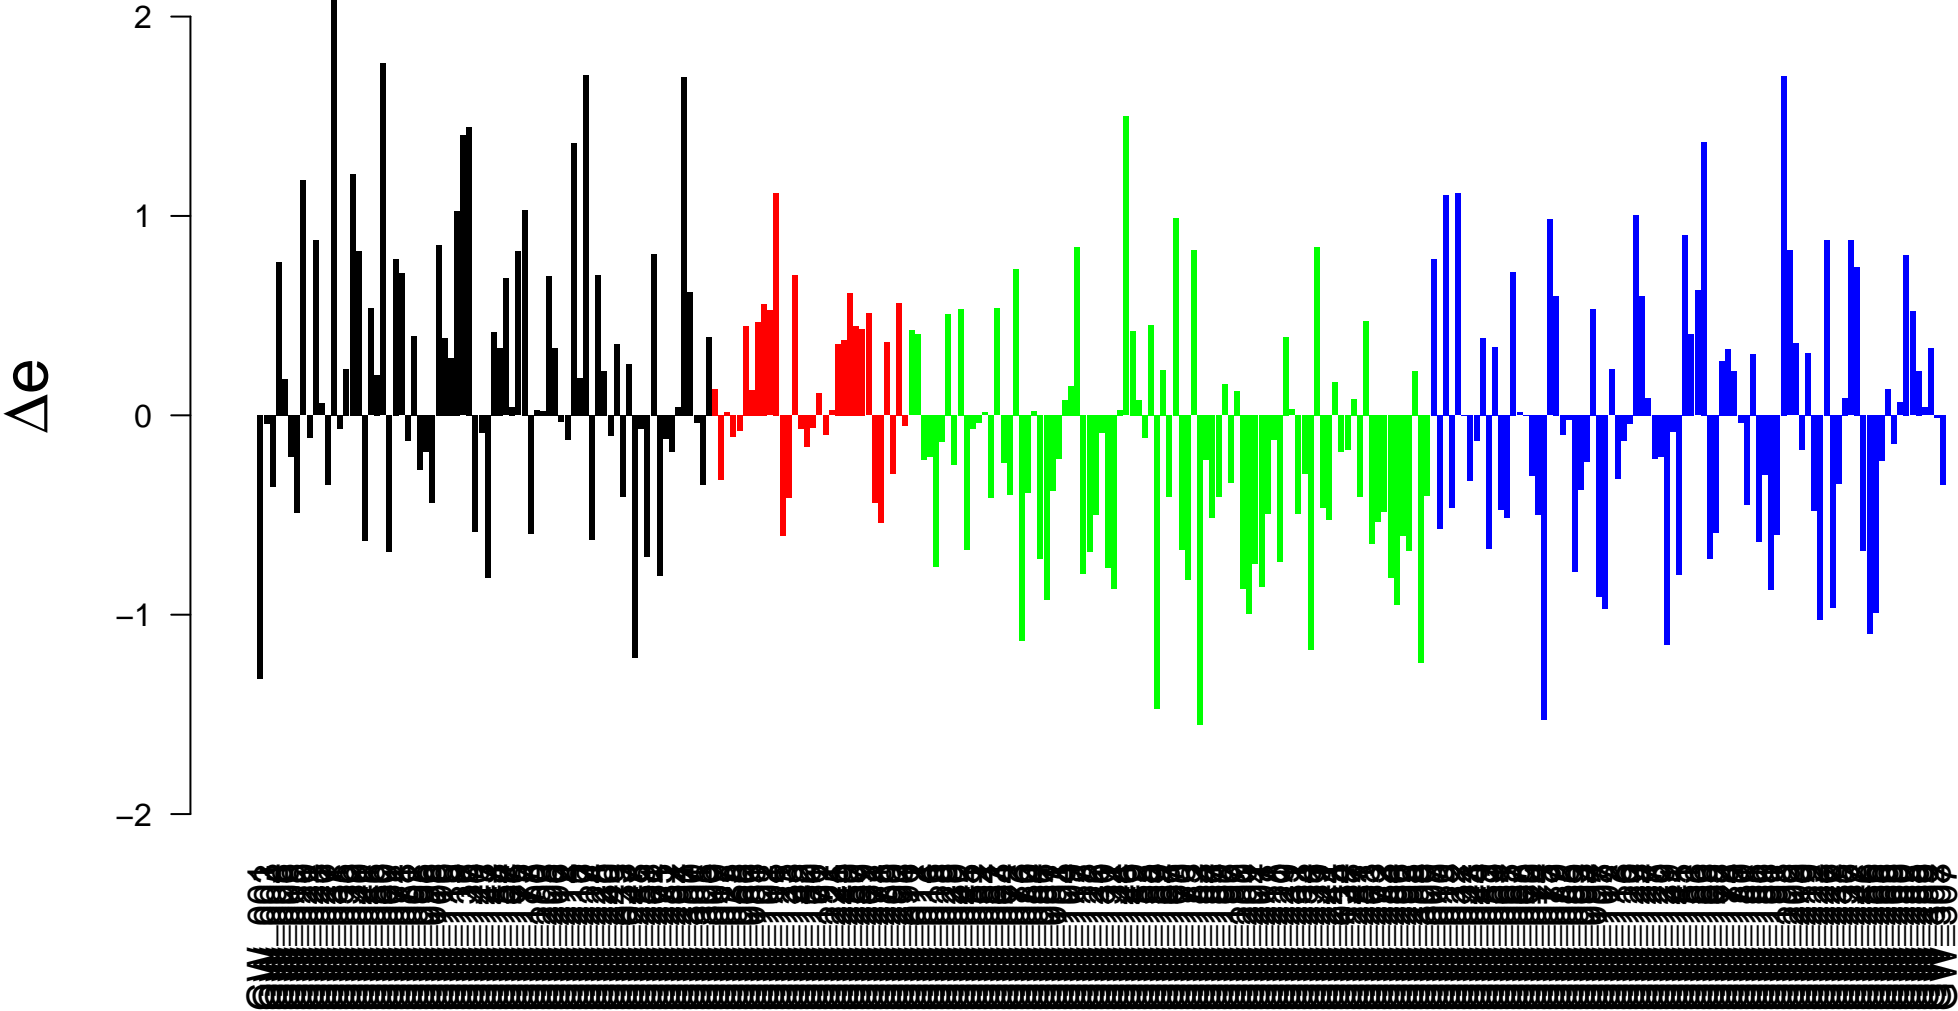

# cerebellar Purkinje cell layer development

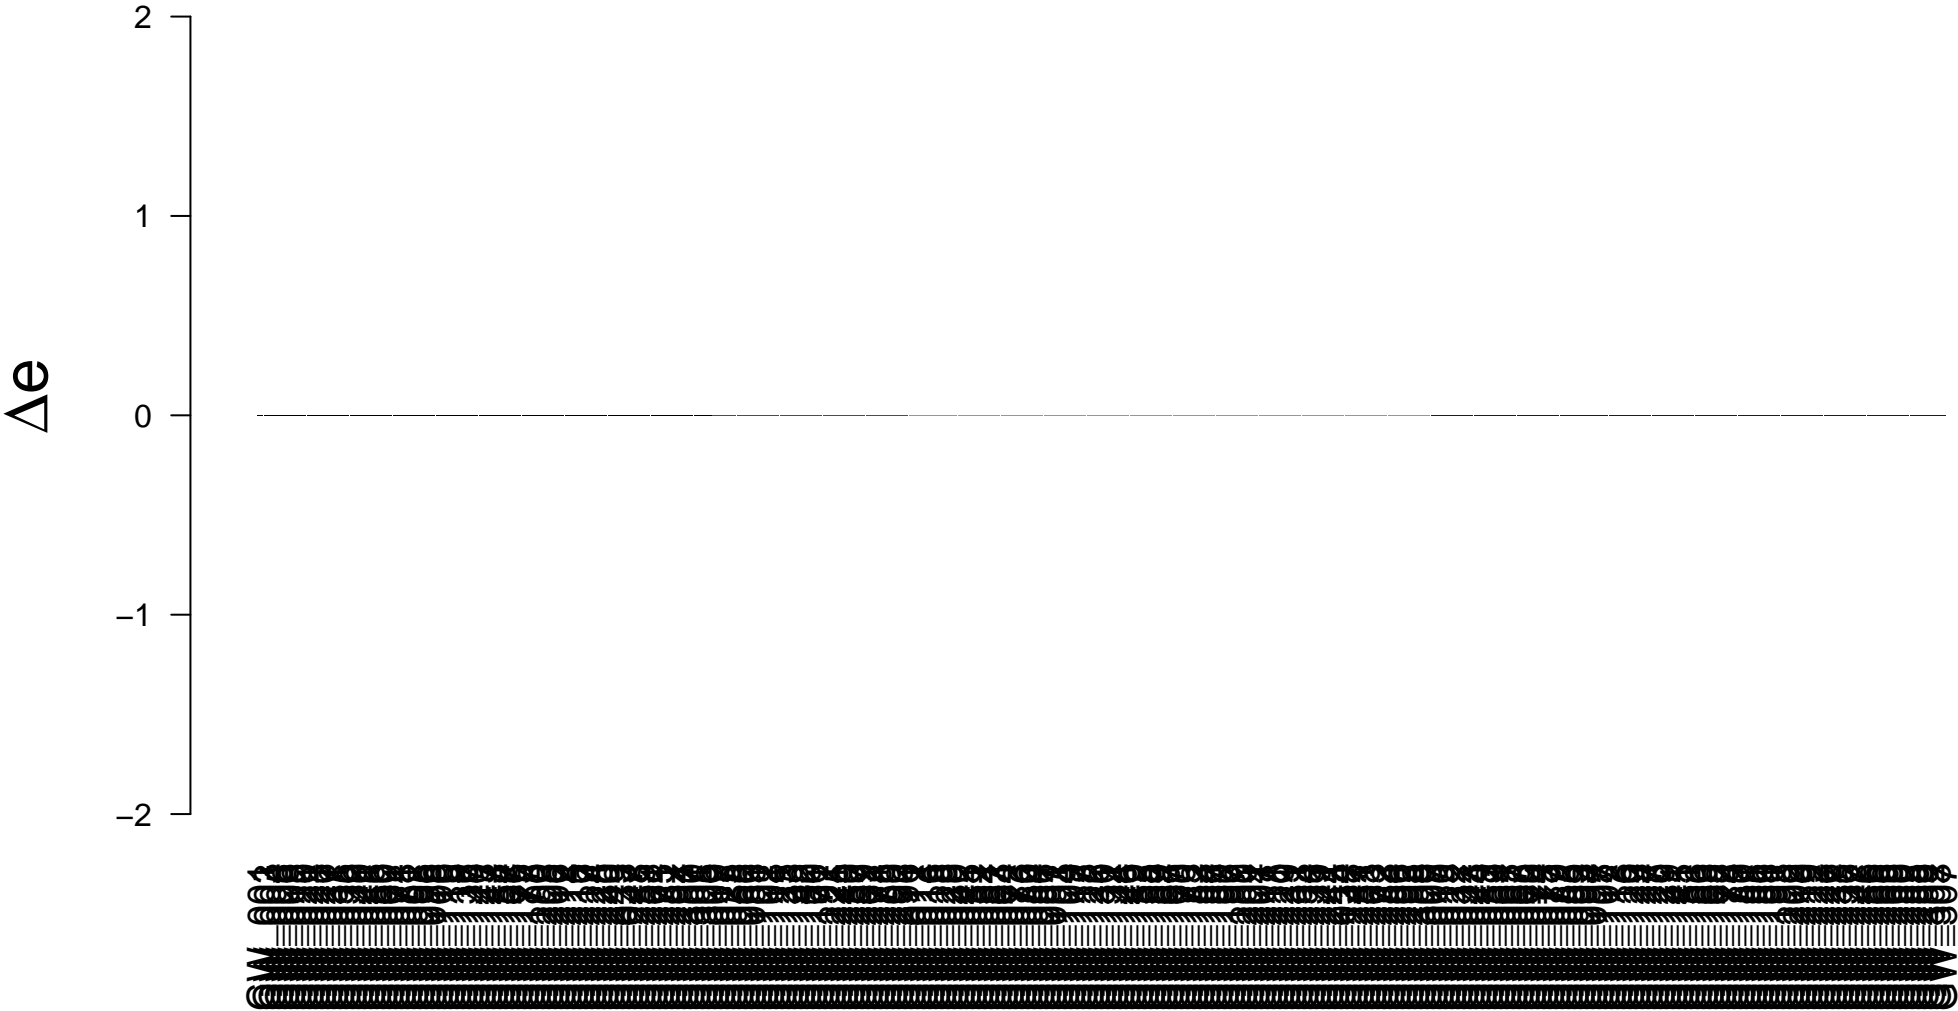

# Enrichment in spots: cerebellar Purkinje cell layer development

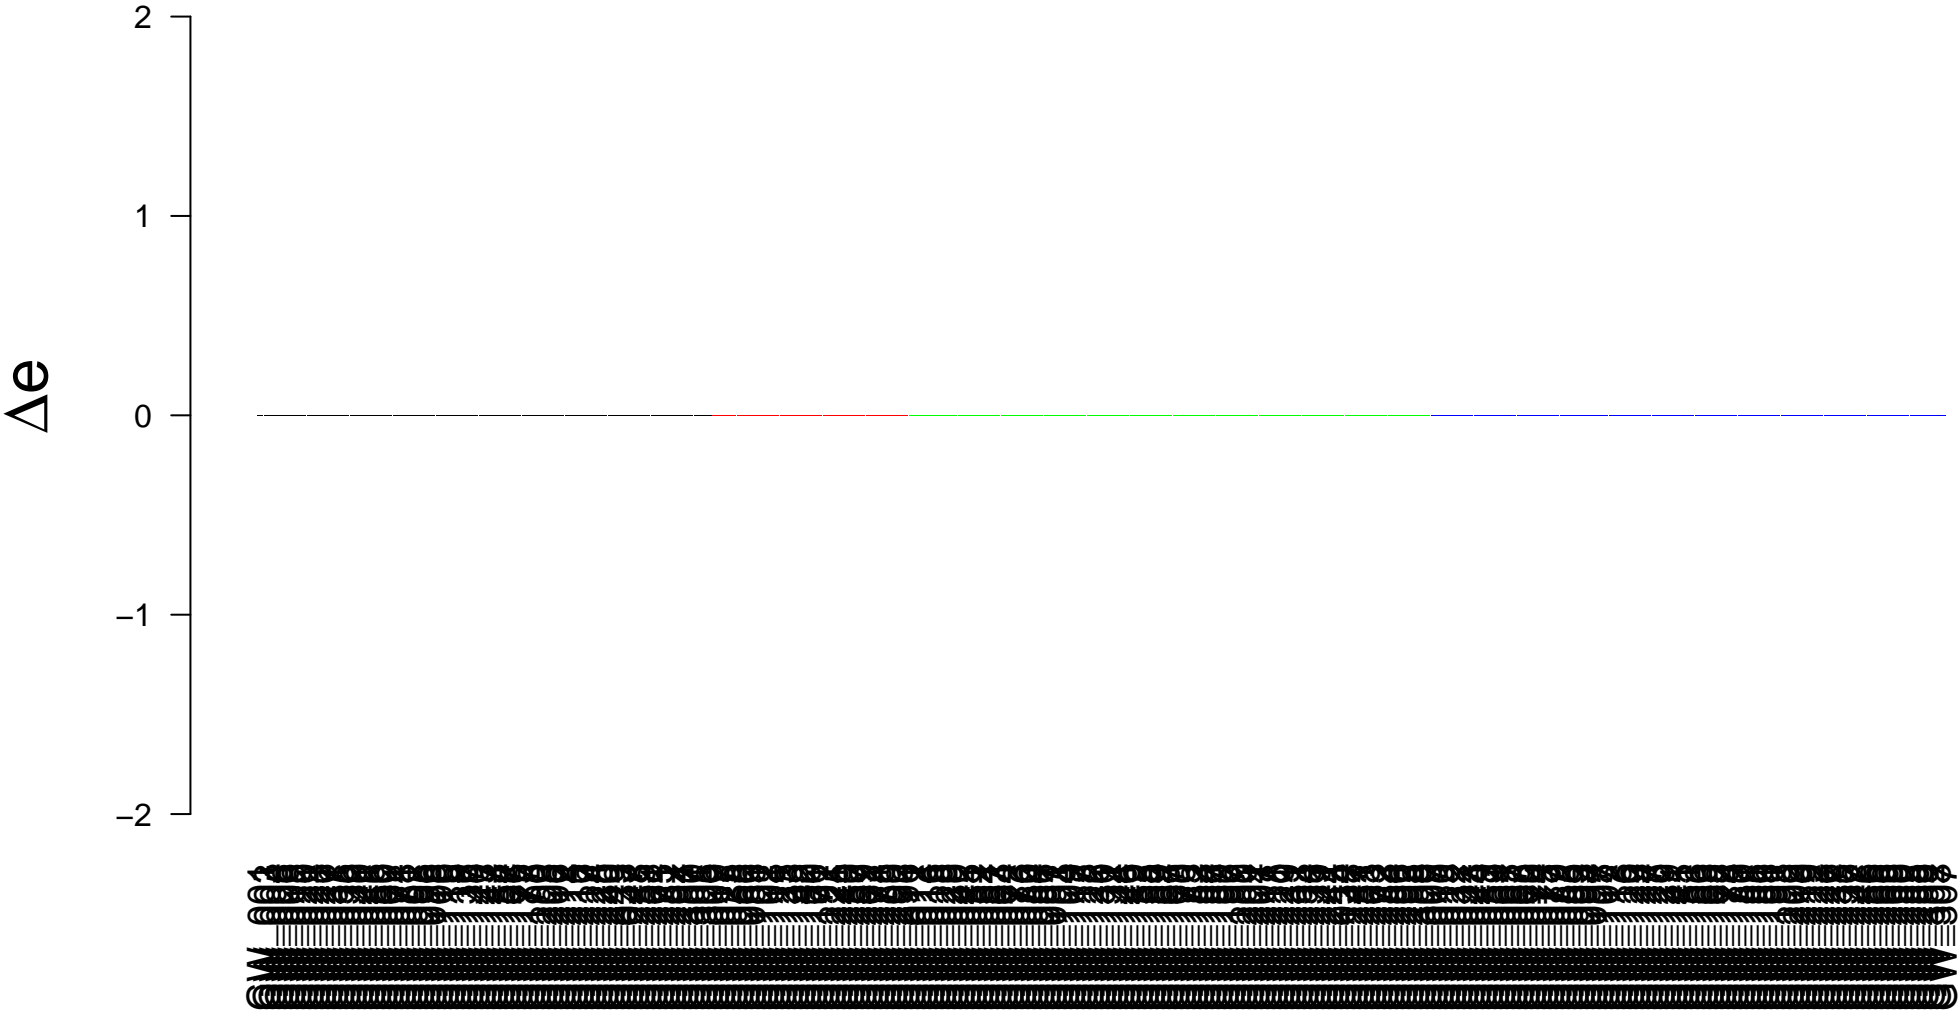

Expression of cerebellar Purkinje cell layer development in Spot A

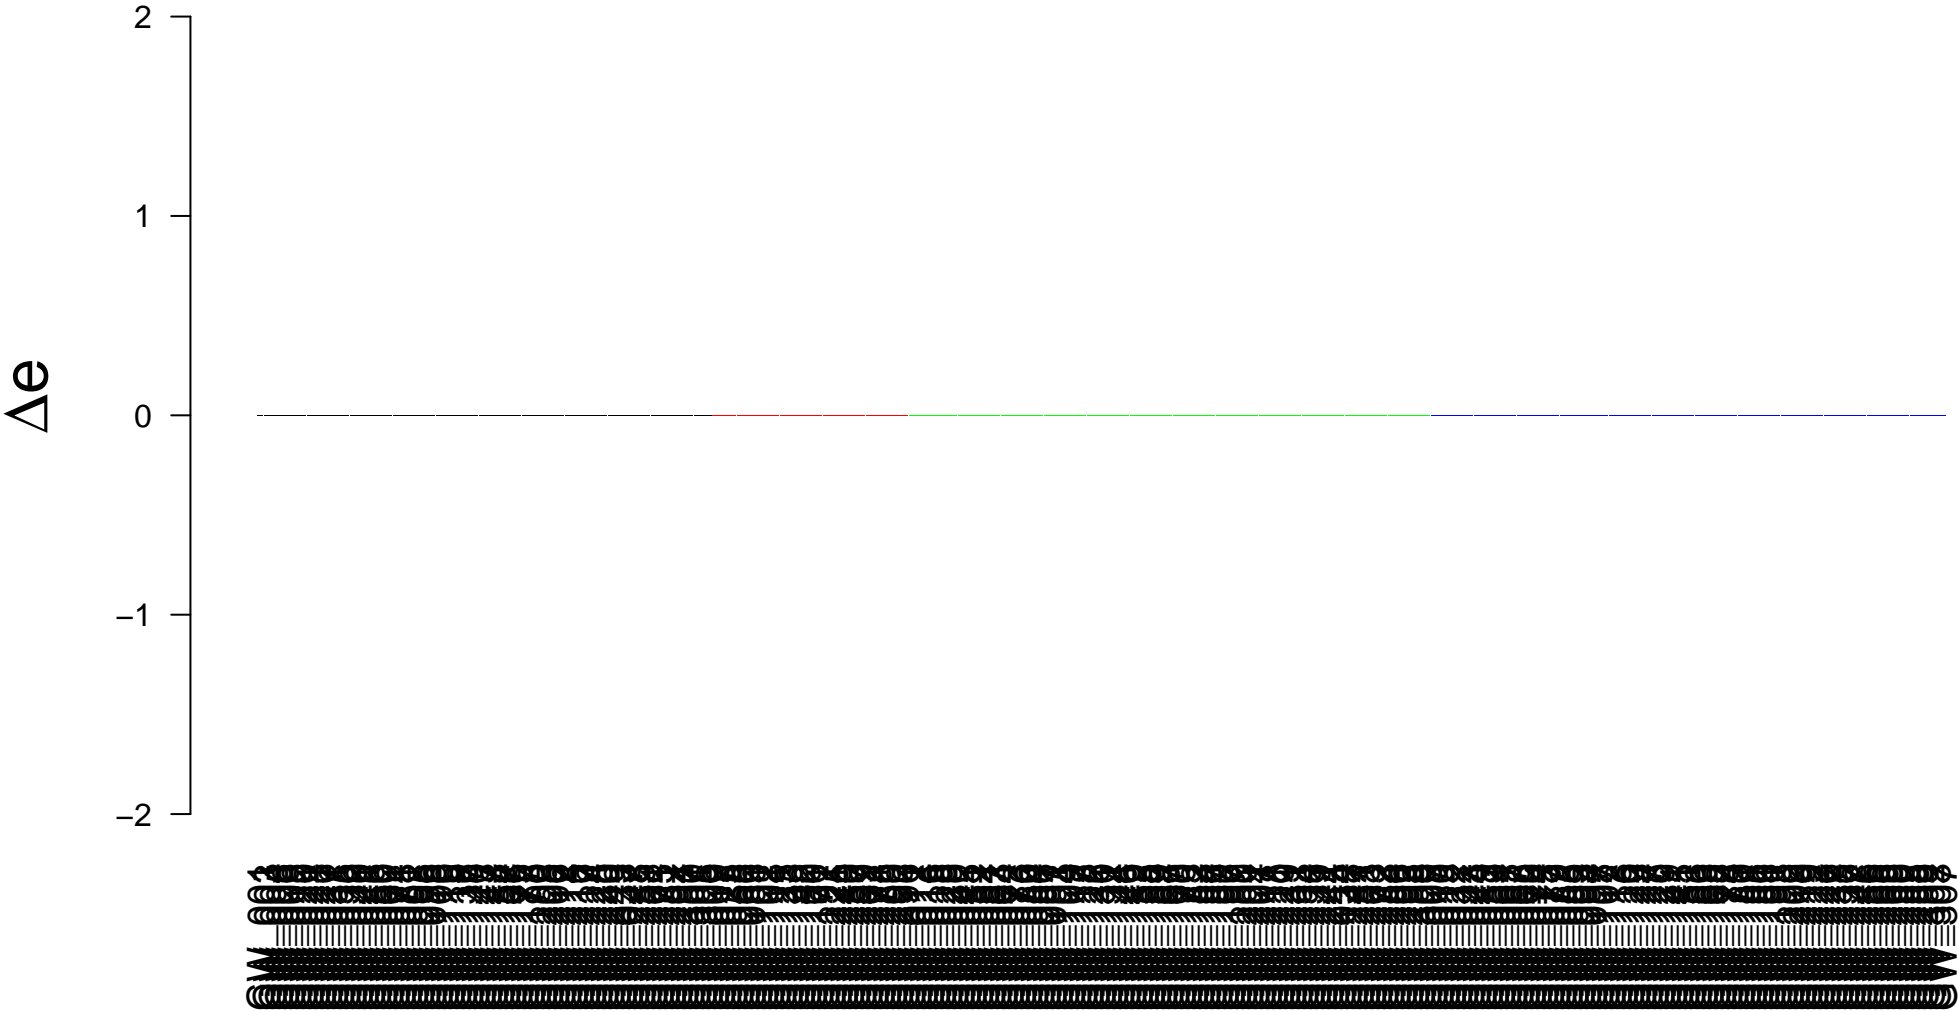

Expression of cerebellar Purkinje cell layer development in Spot B

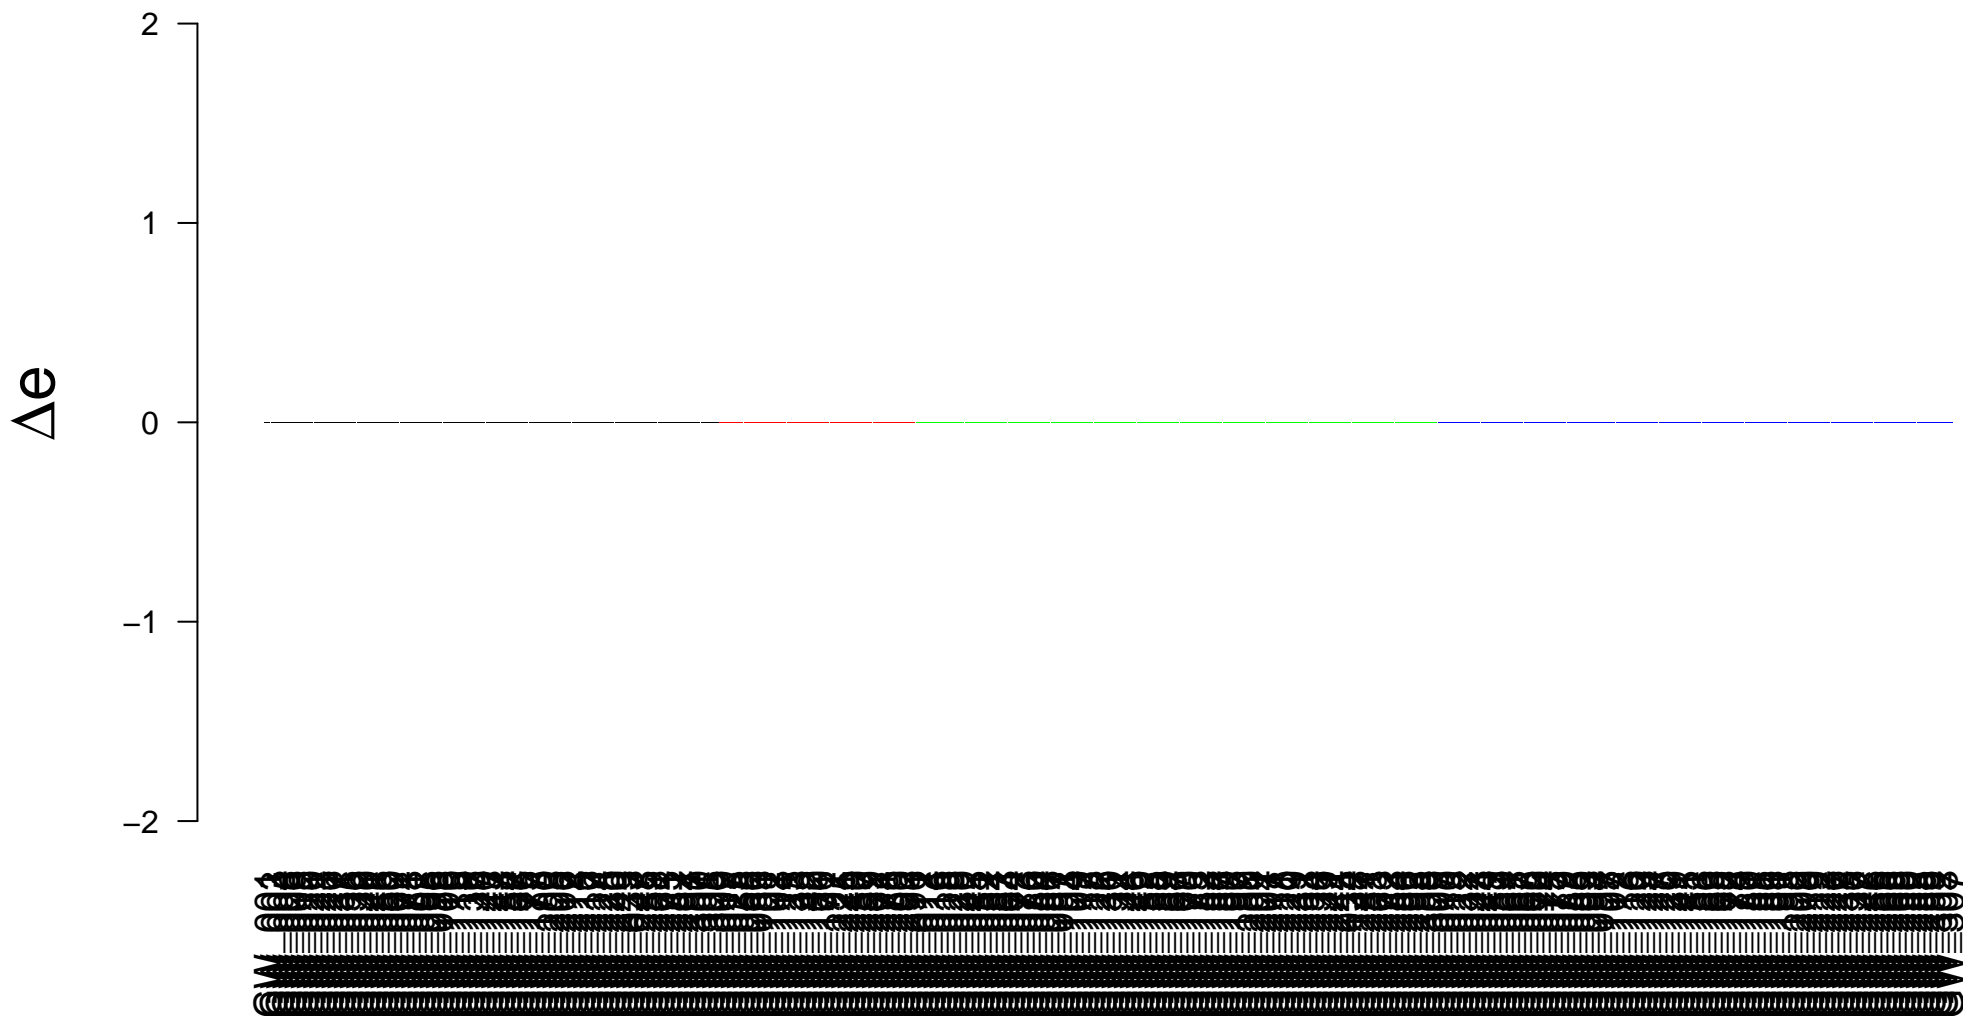

Expression of cerebellar Purkinje cell layer development in Spot C

Expression of cerebellar Purkinje cell layer development in Spot D

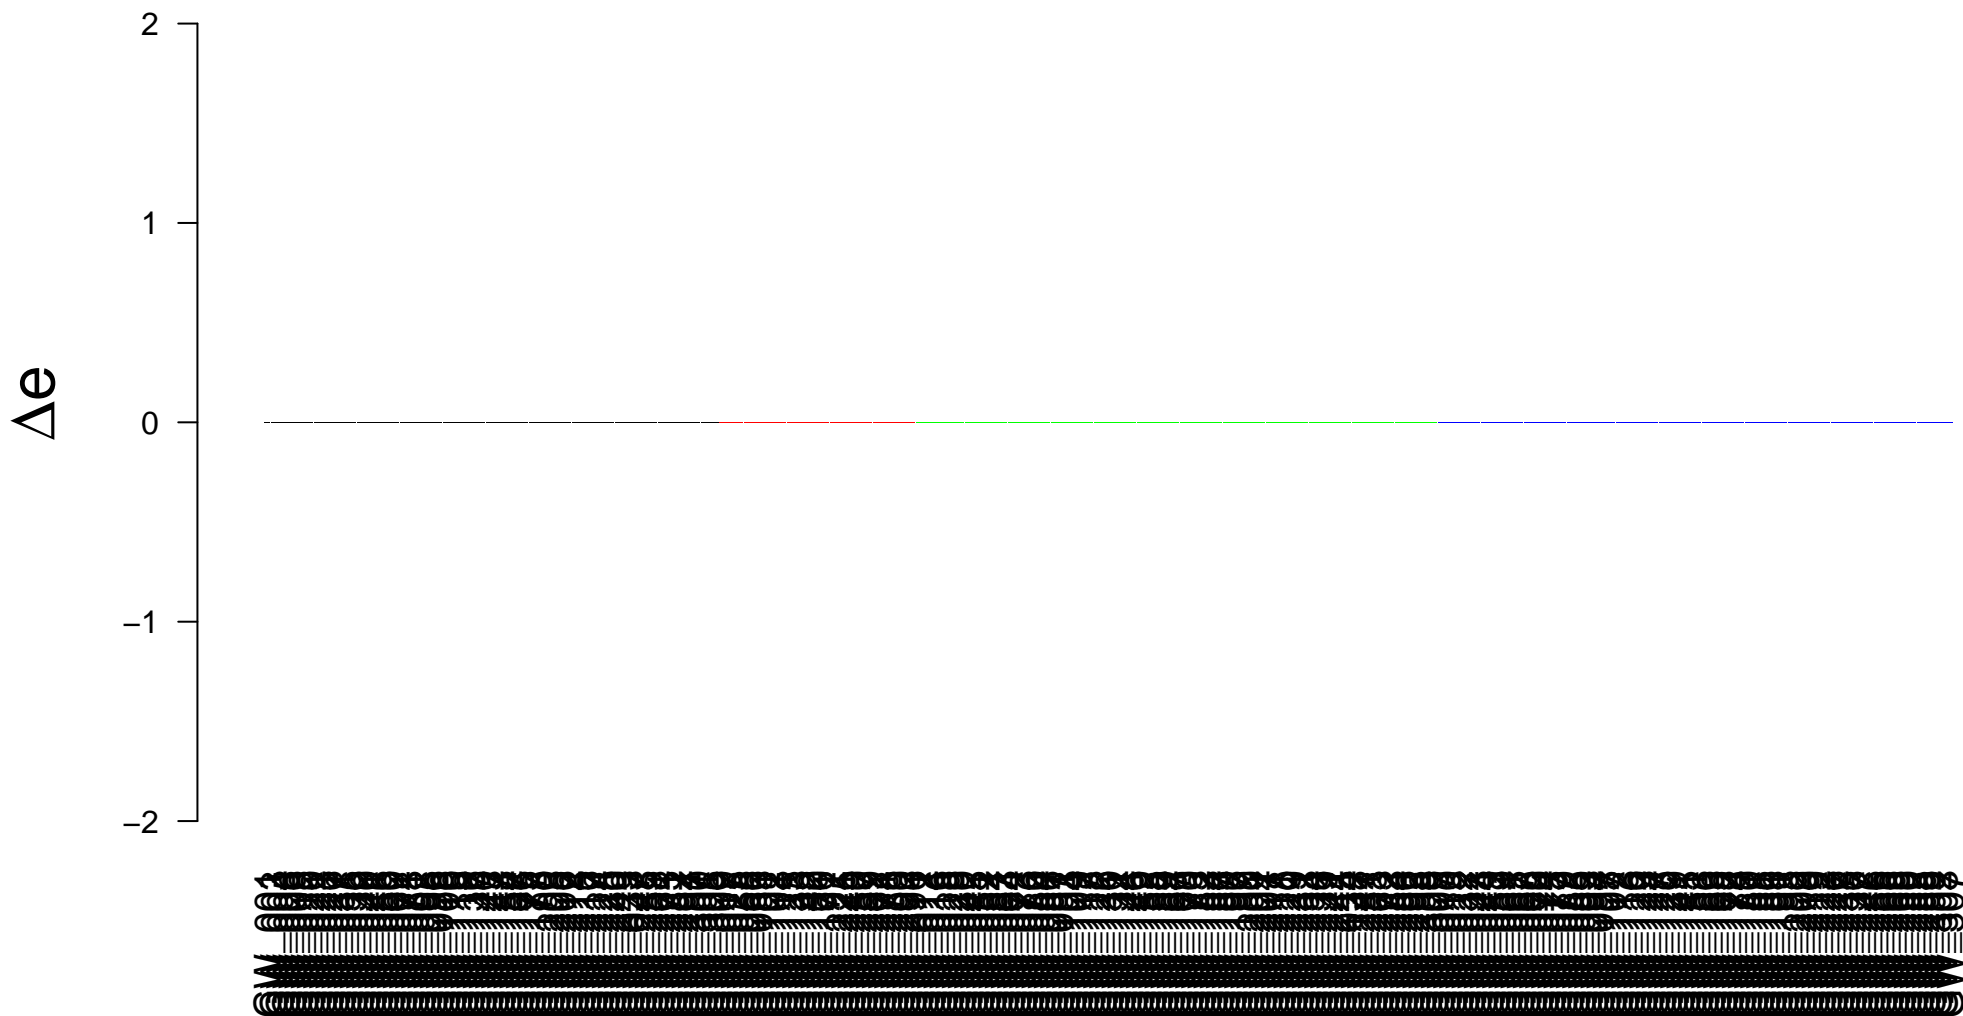

# Expression of cerebellar Purkinje cell layer development in Spot E

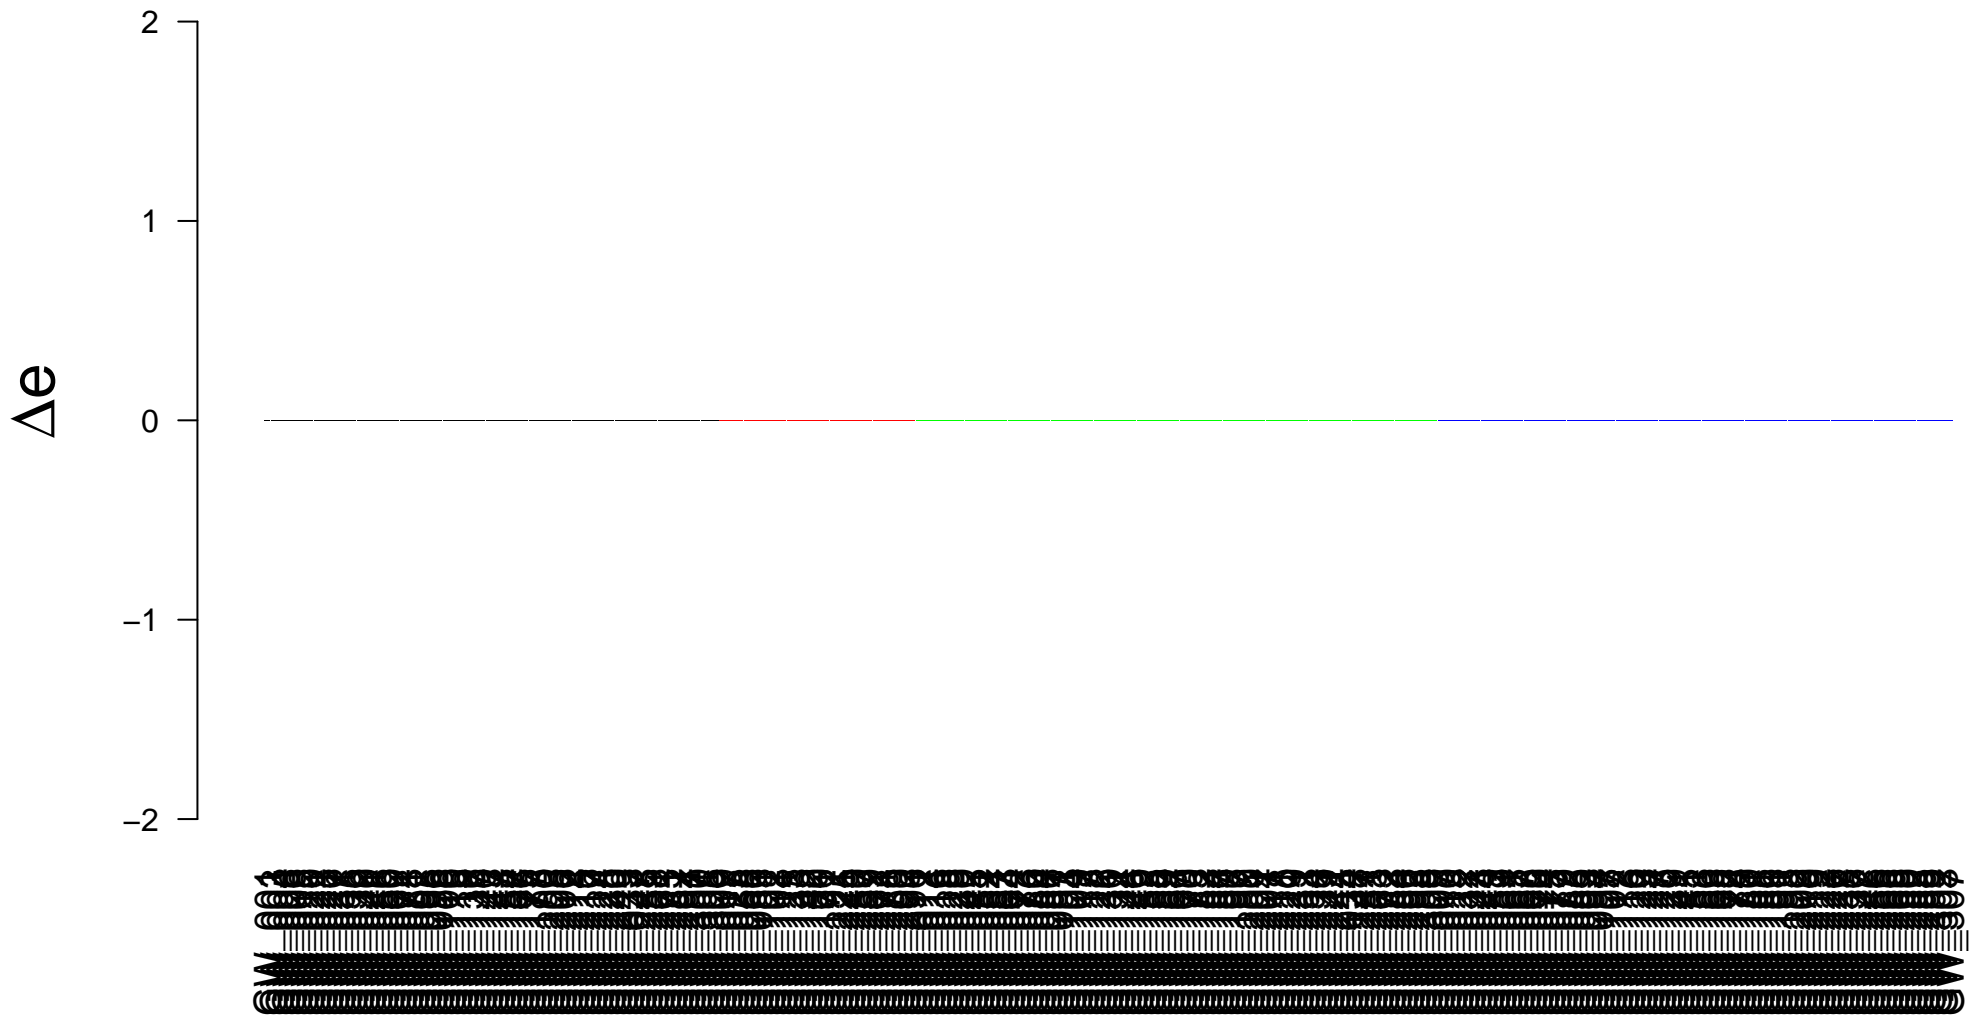

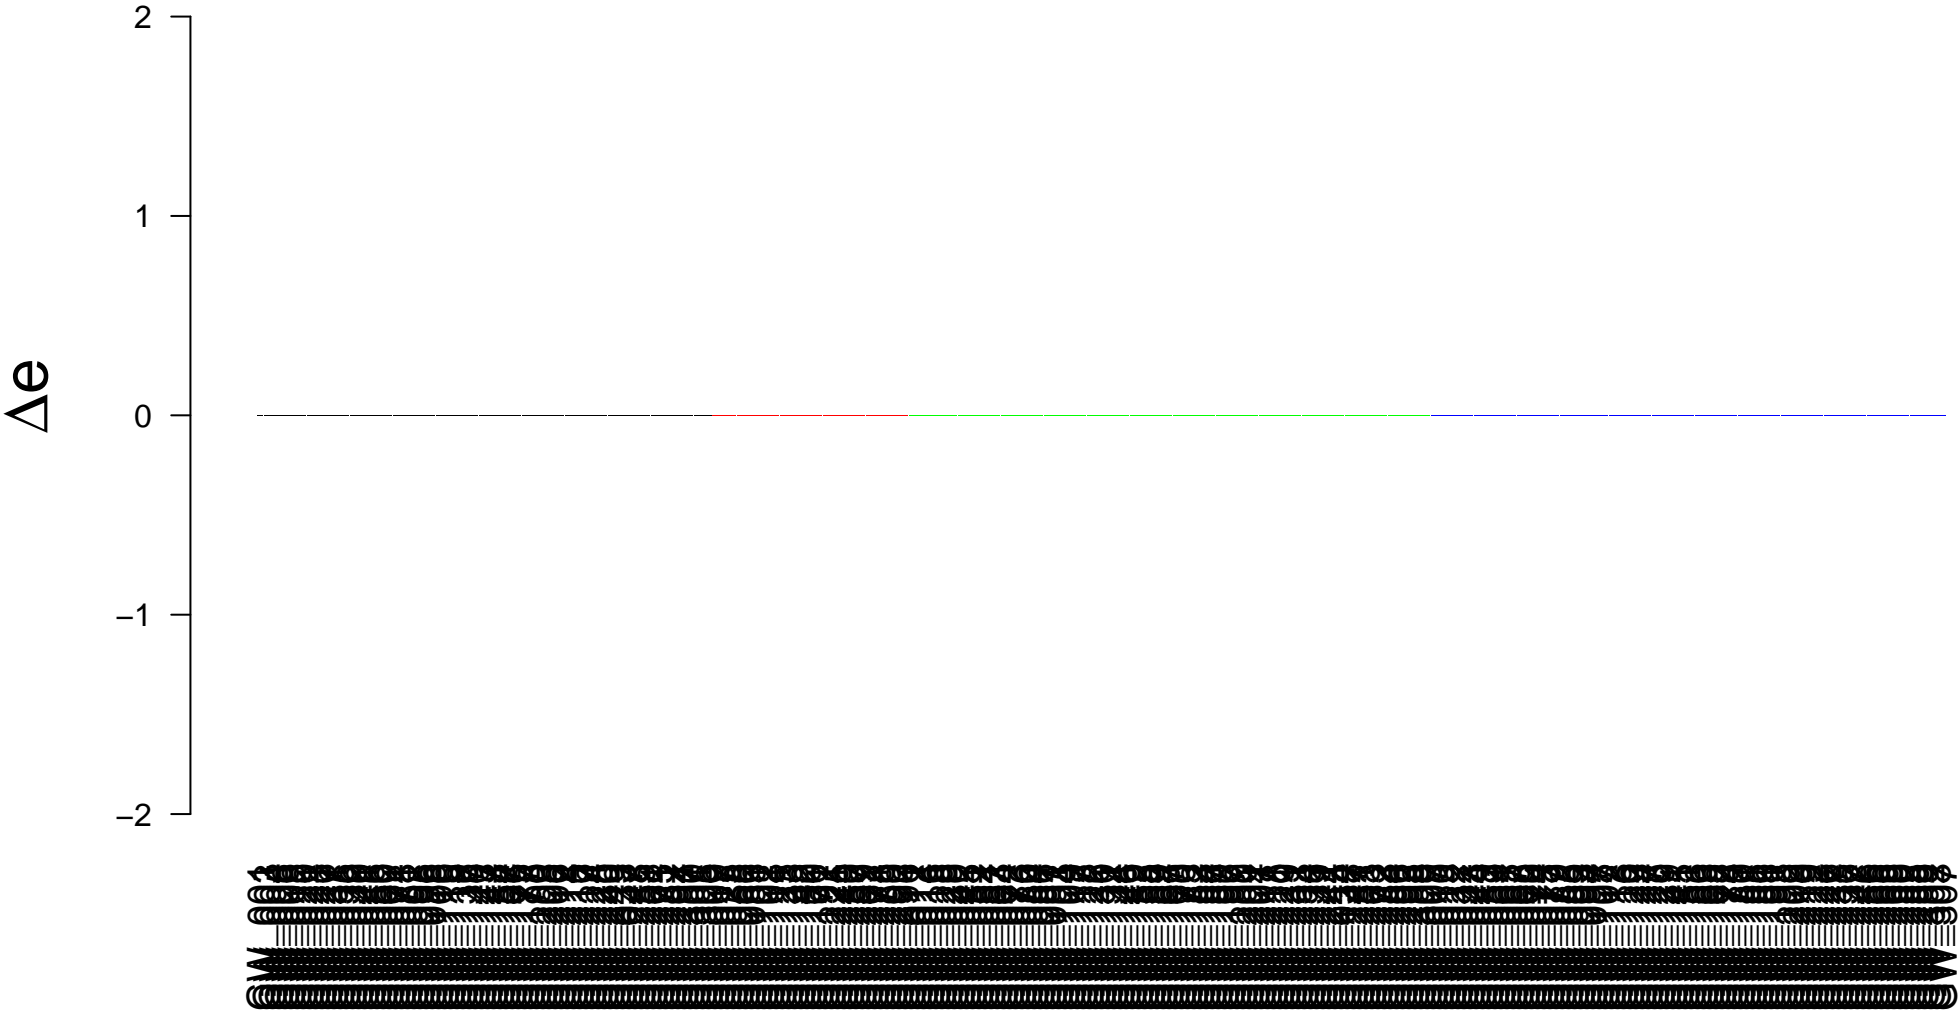

# Expression of cerebellar Purkinje cell layer development in Spot F

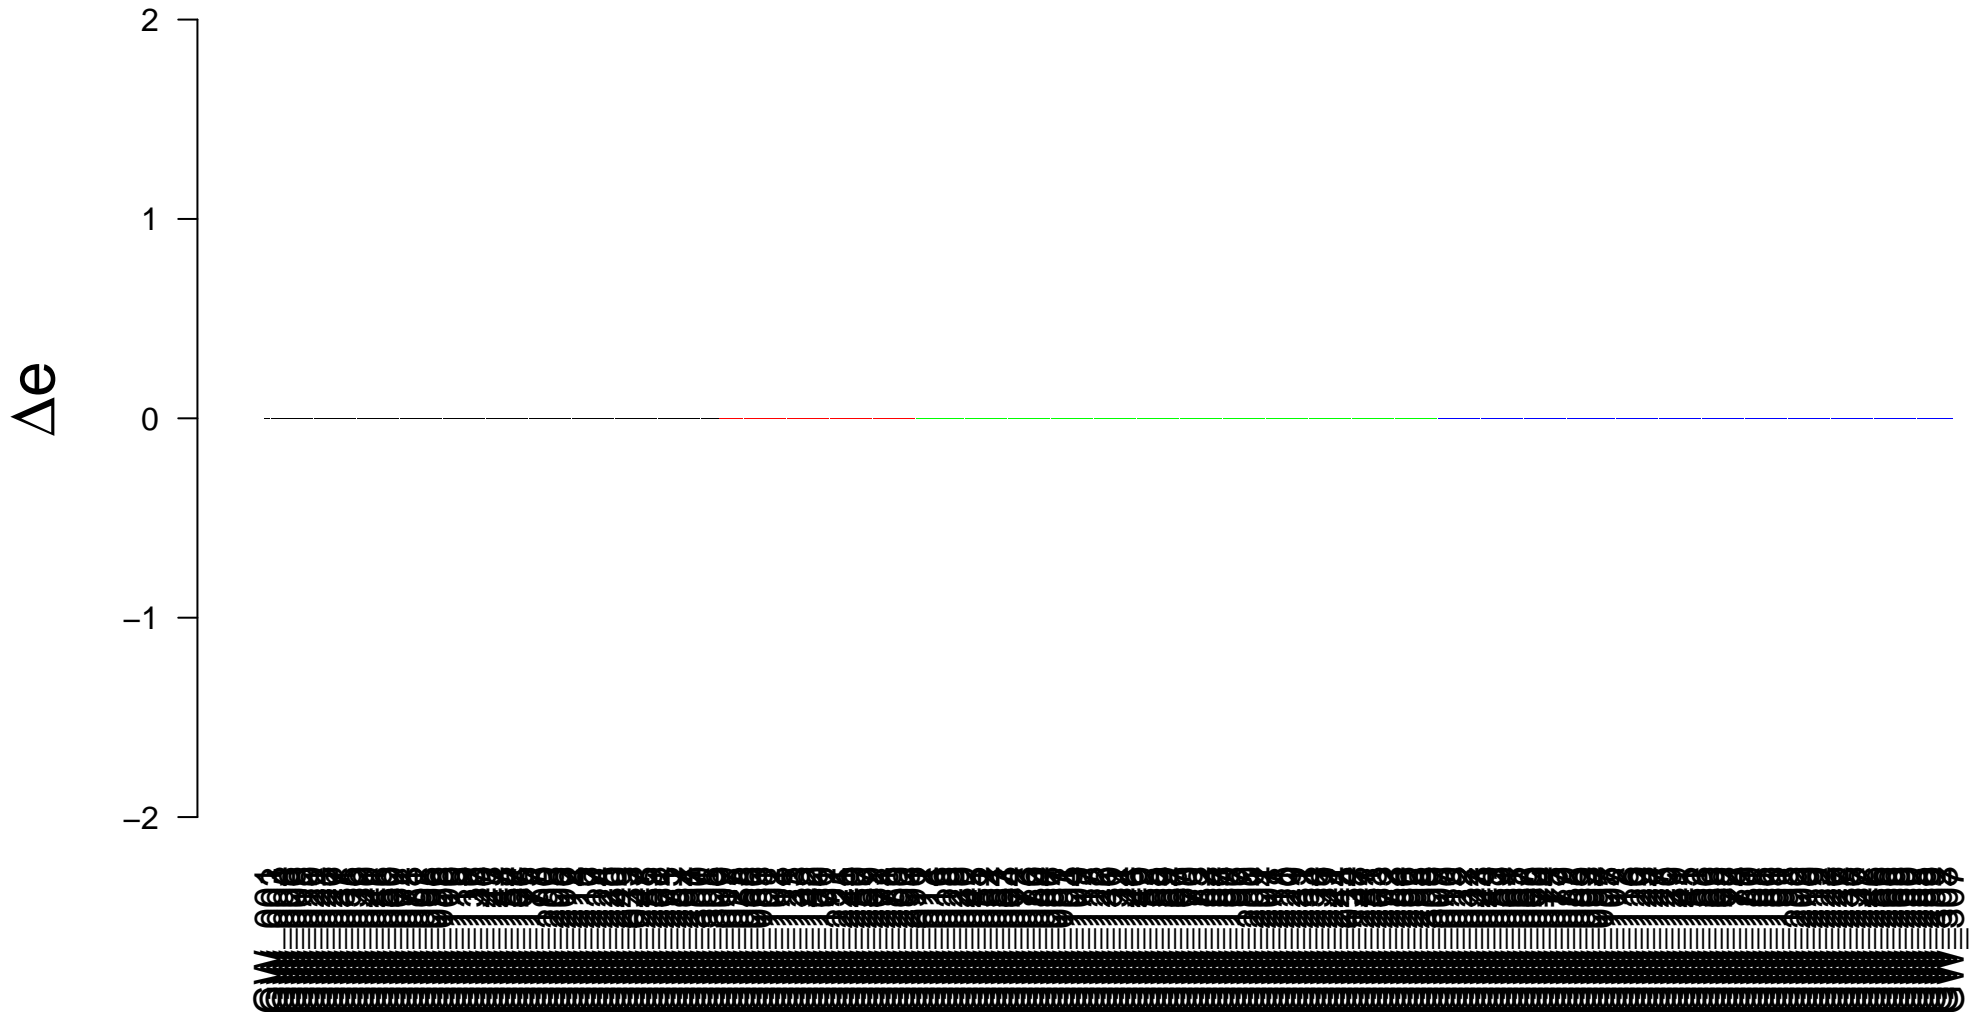

# Expression of cerebellar Purkinje cell layer development in Spot G

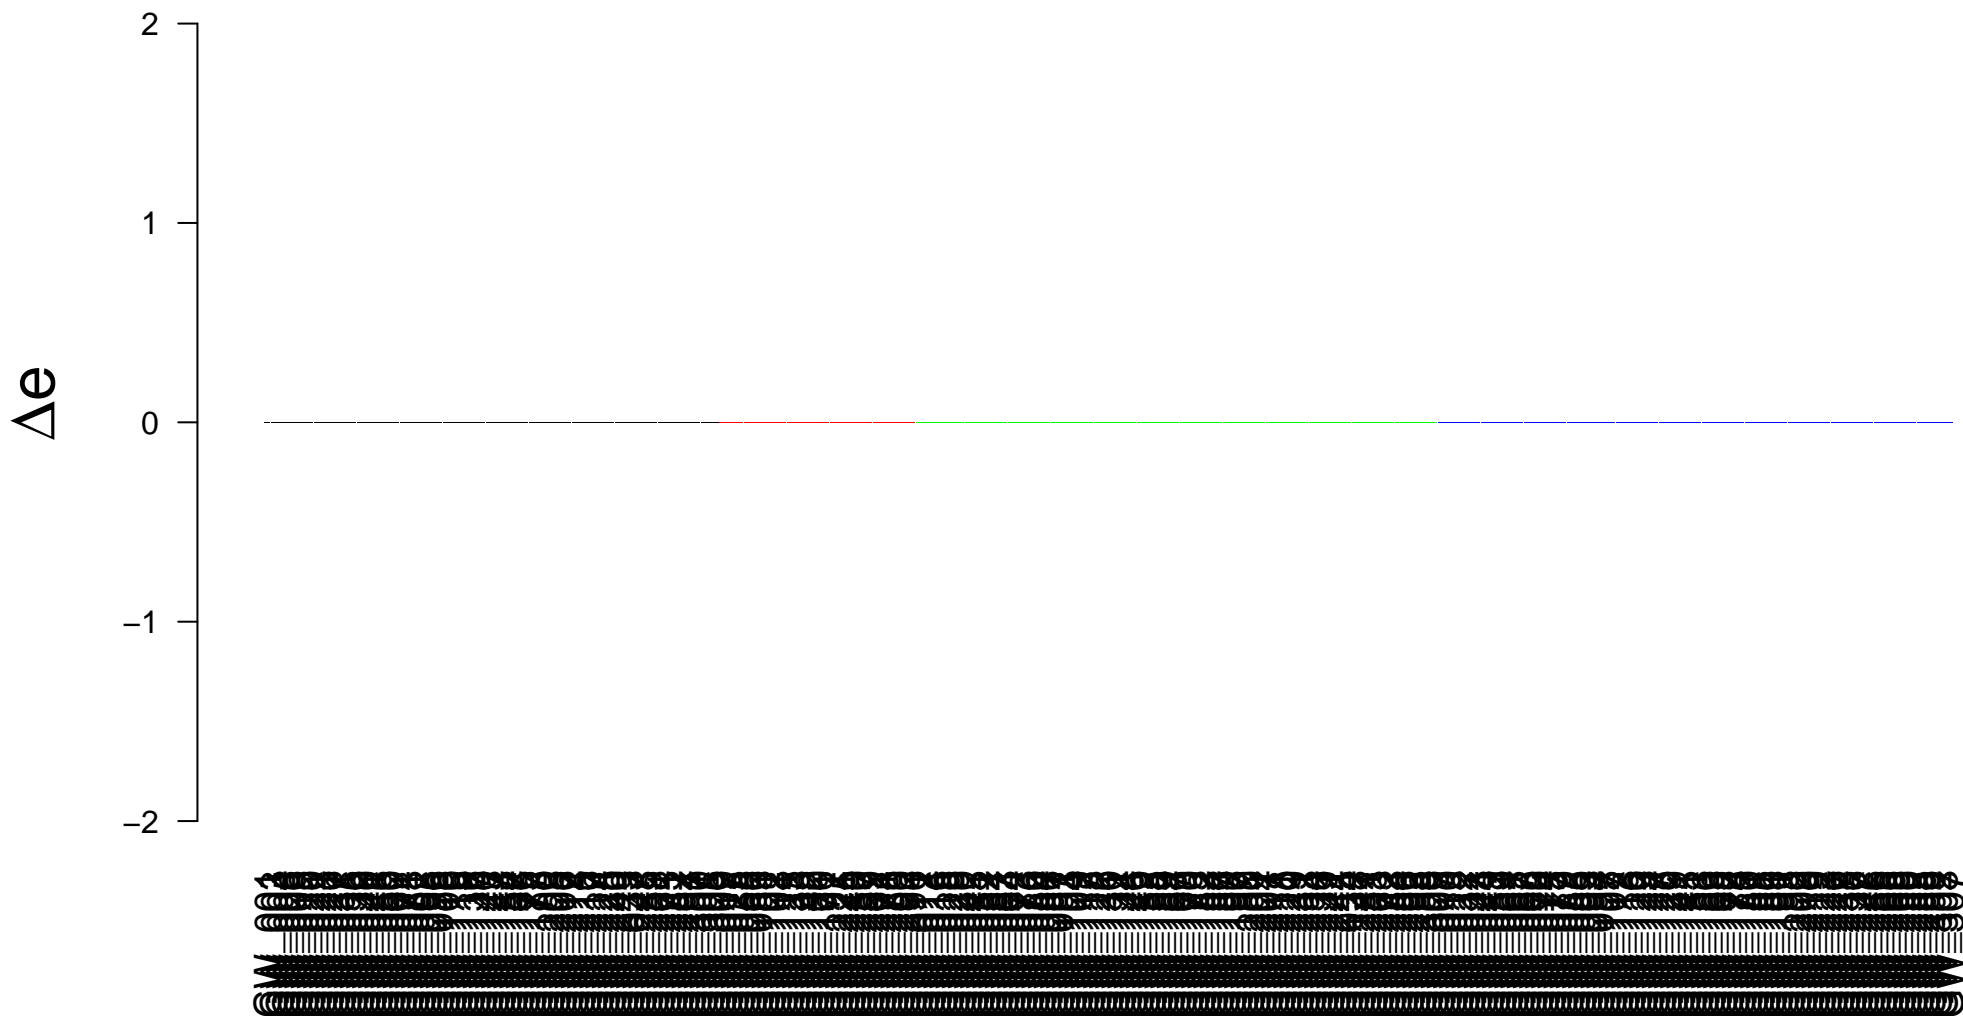

Expression of cerebellar Purkinje cell layer development in Spot H

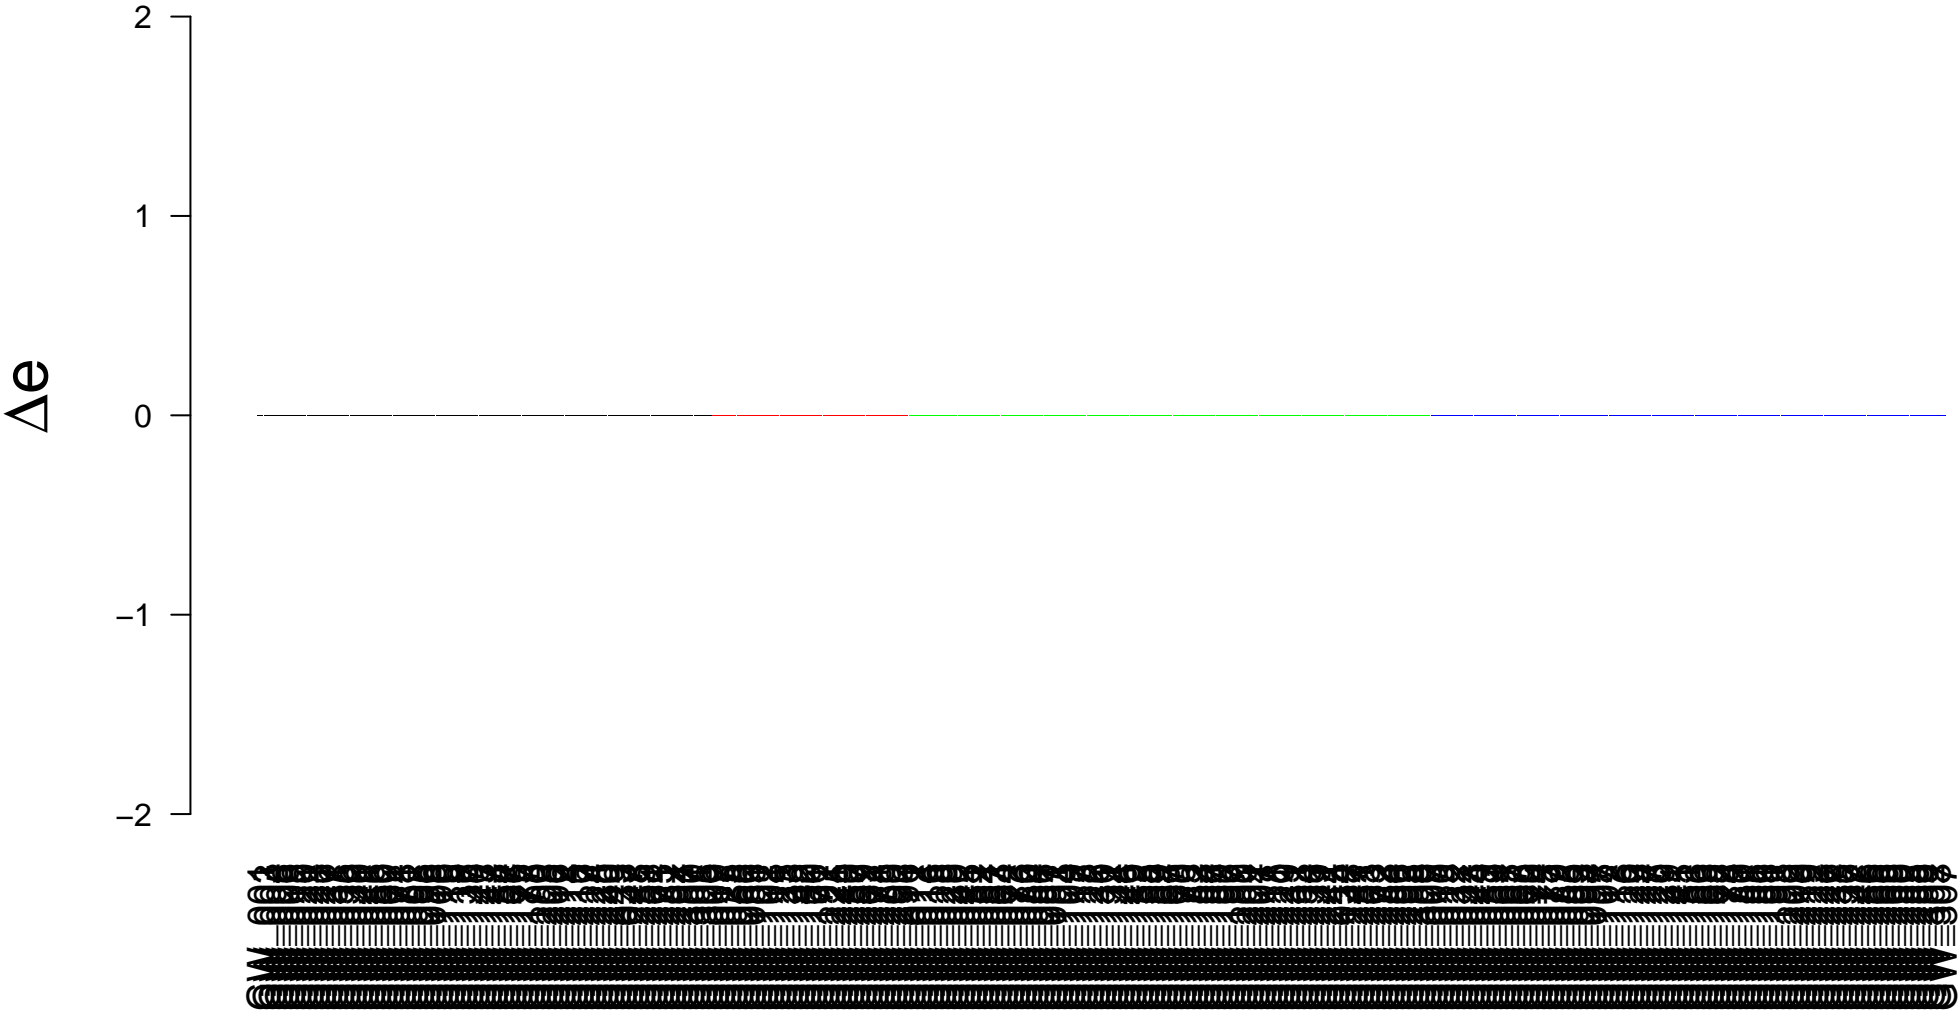

# Expression of cerebellar Purkinje cell layer development in Spot I

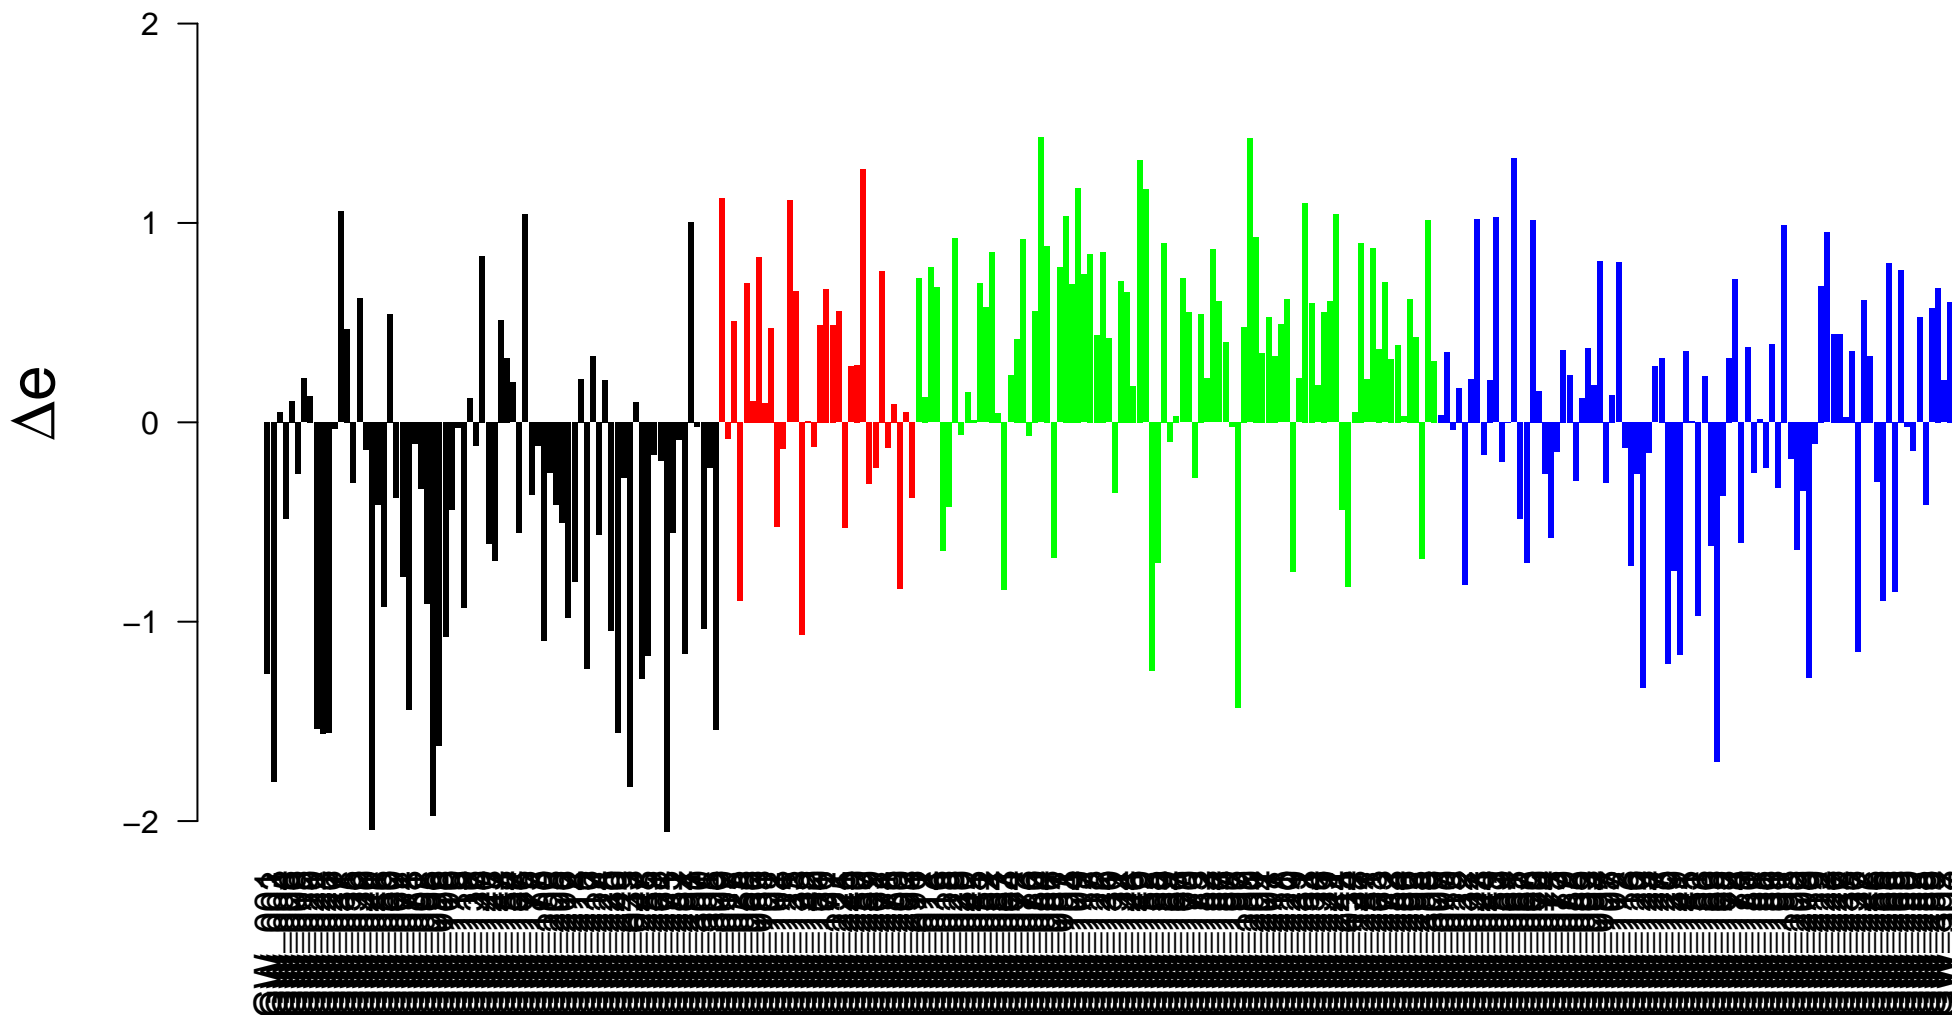

# Expression of cerebellar Purkinje cell layer development in Spot J

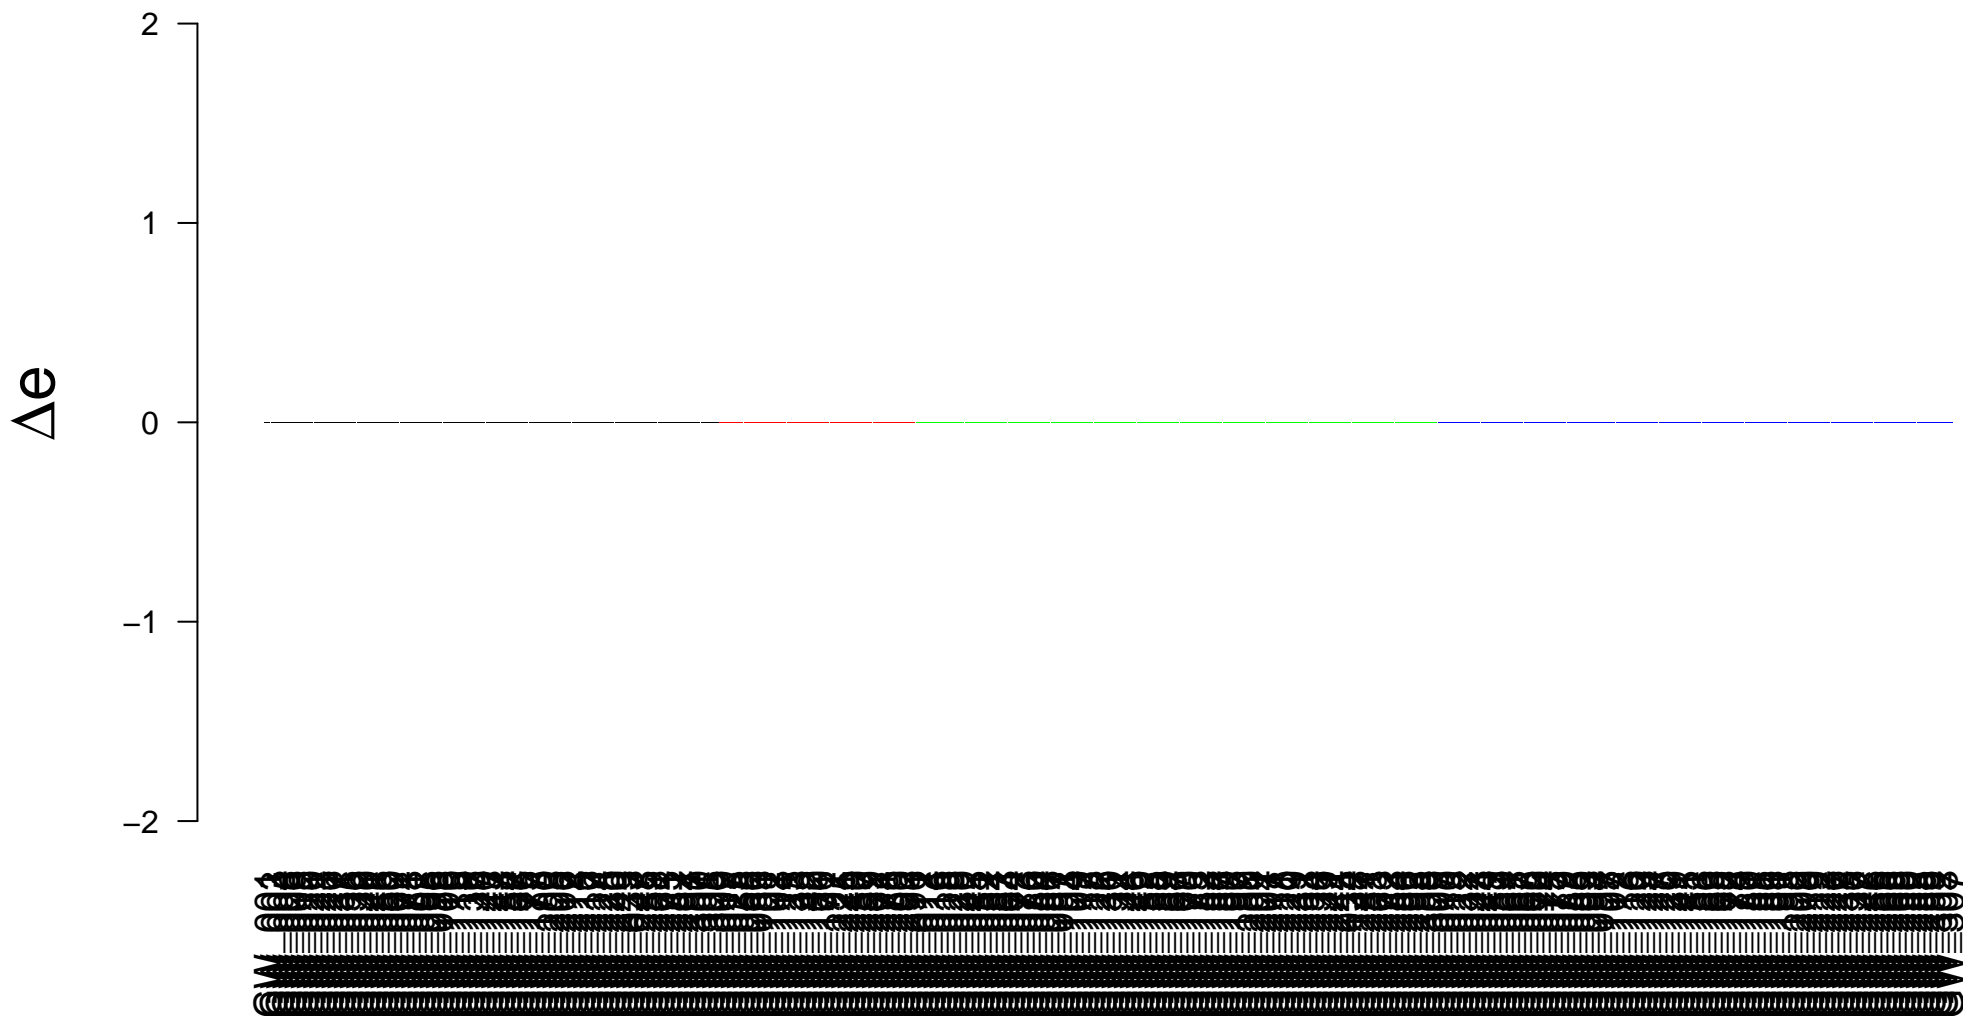

Expression of cerebellar Purkinje cell layer development in Spot K

# Expression of cerebellar Purkinje cell layer development in Spot L

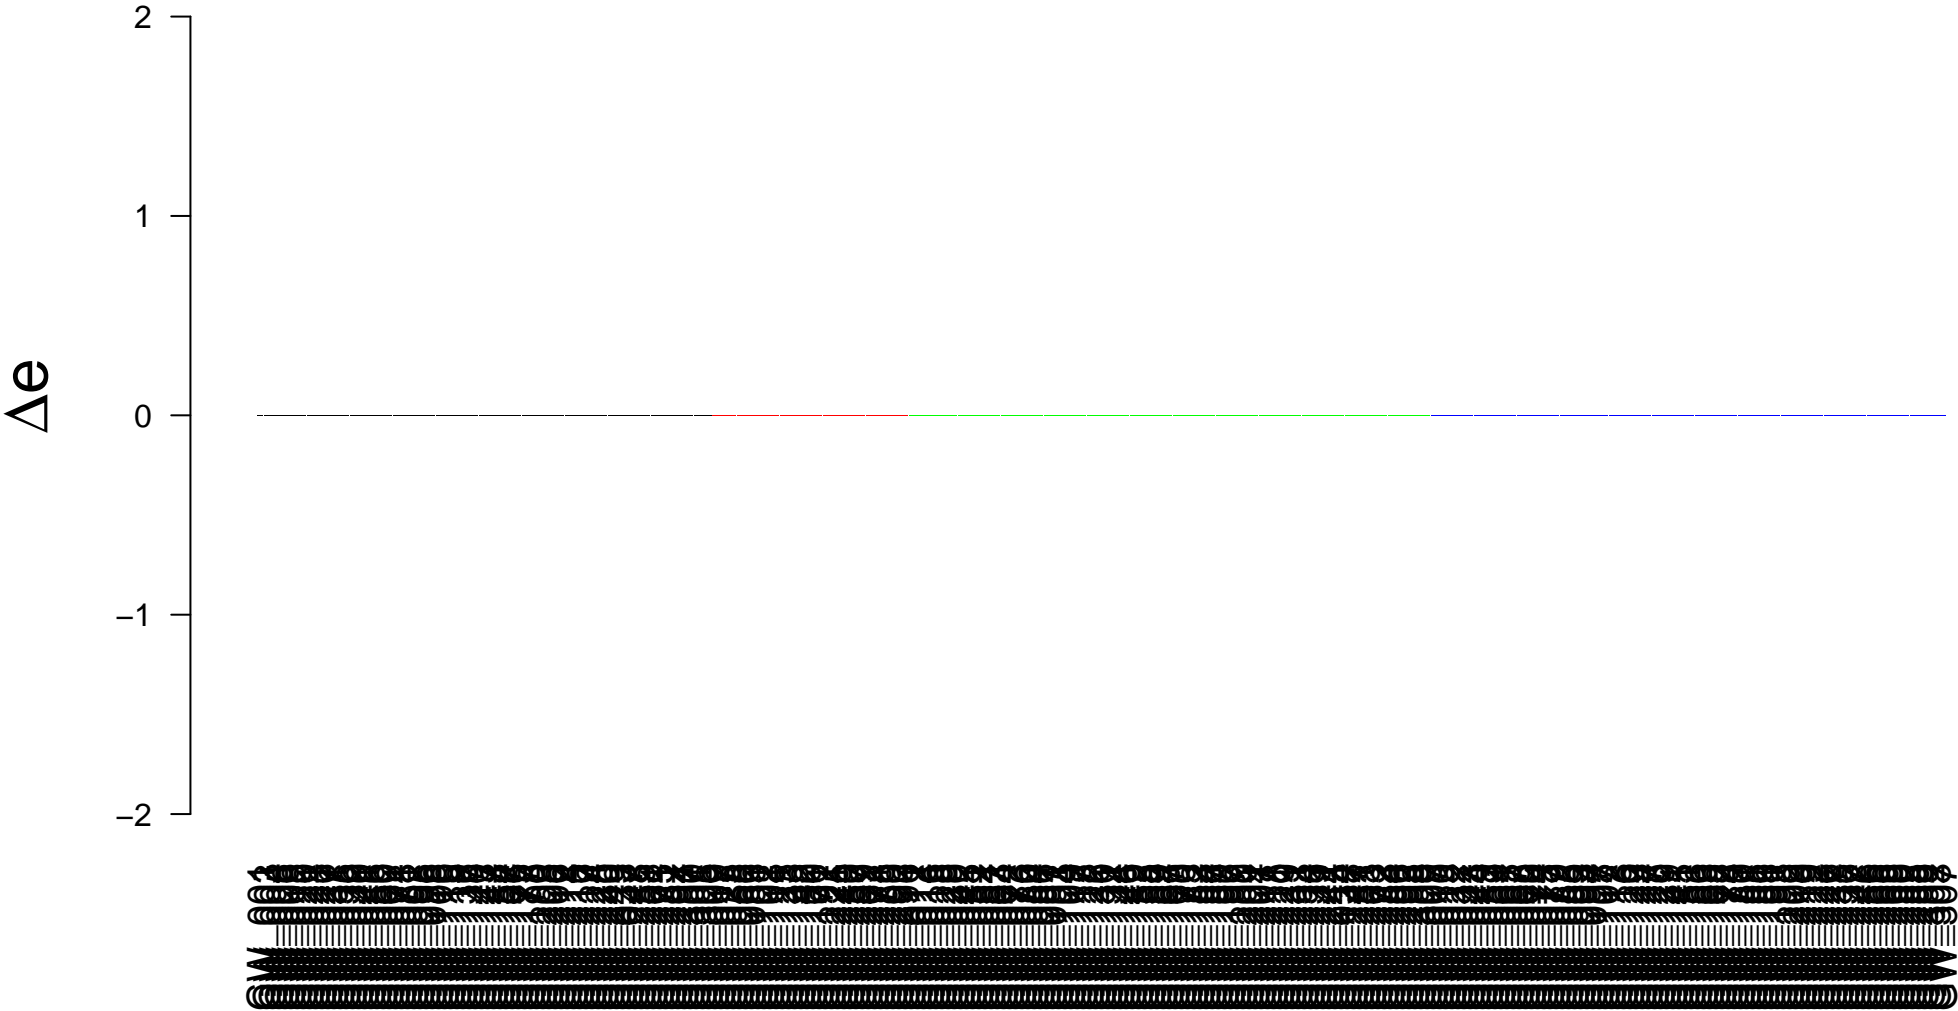

# Expression of cerebellar Purkinje cell layer development in Spot M

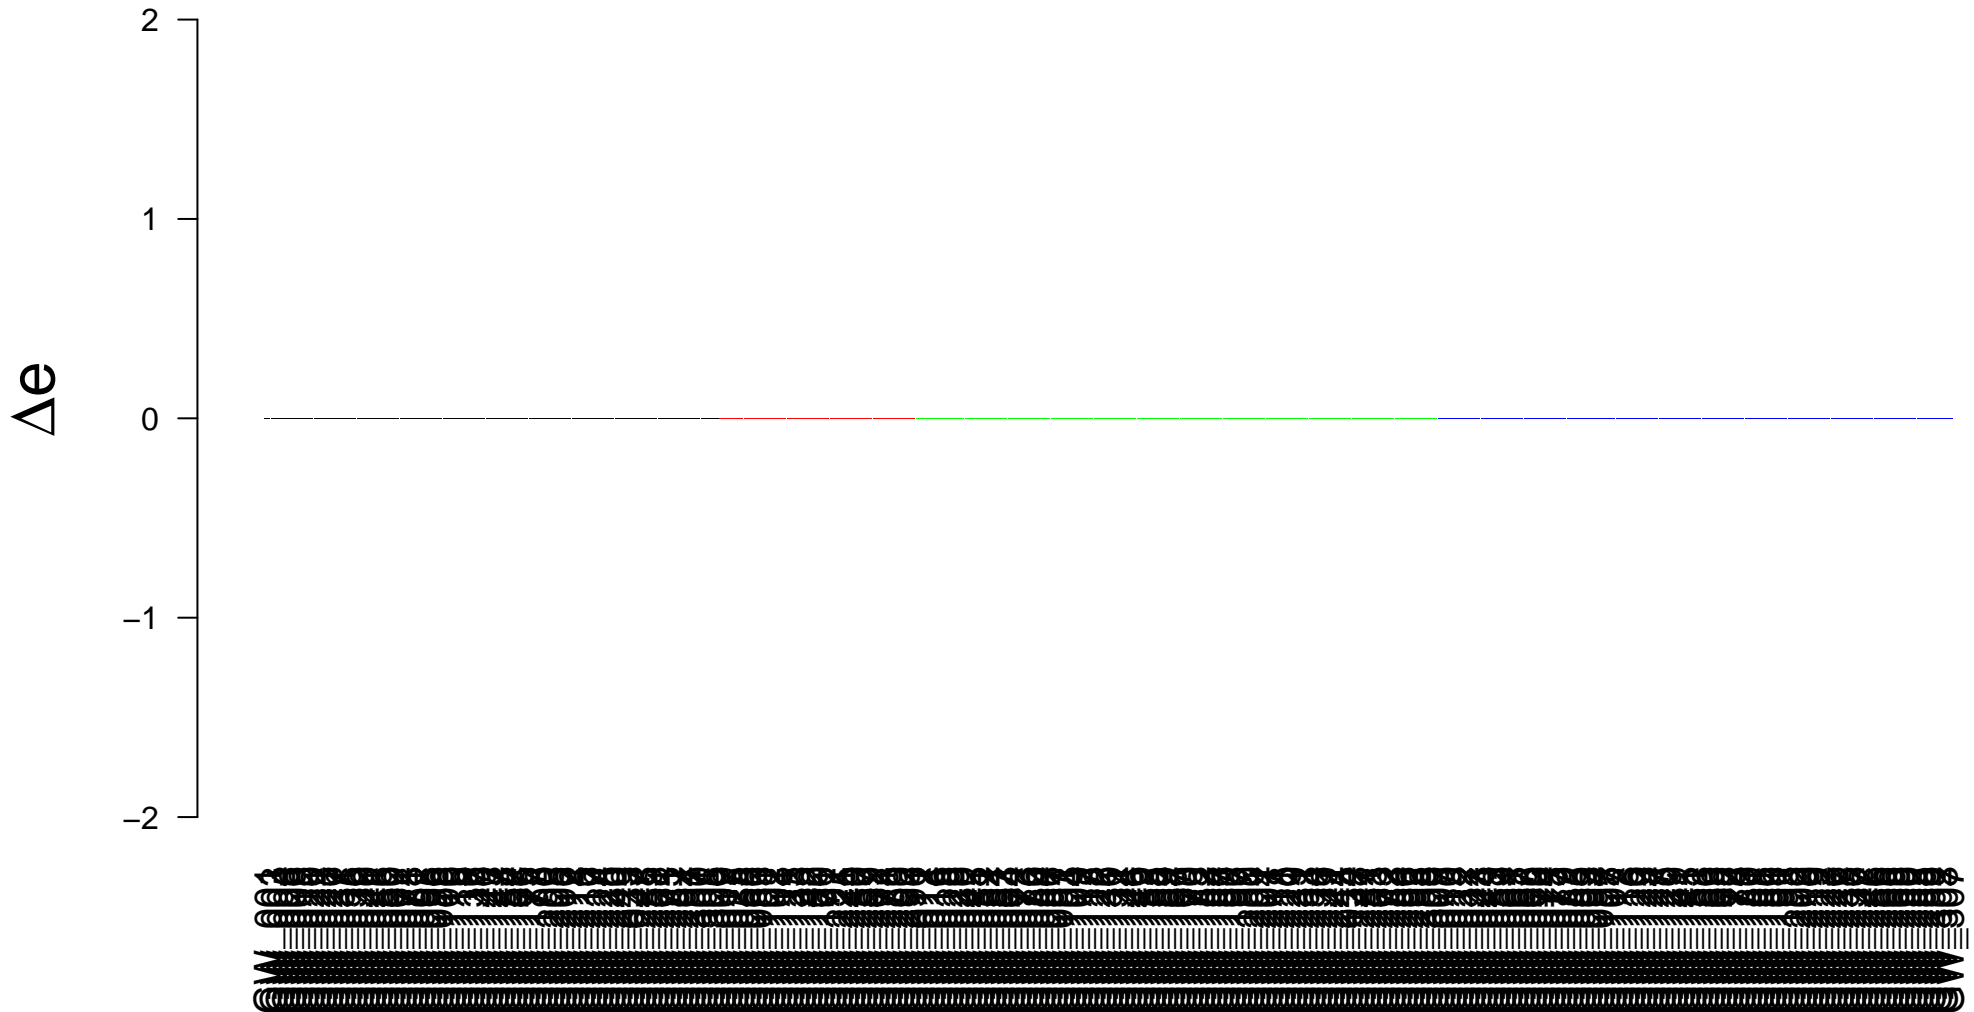

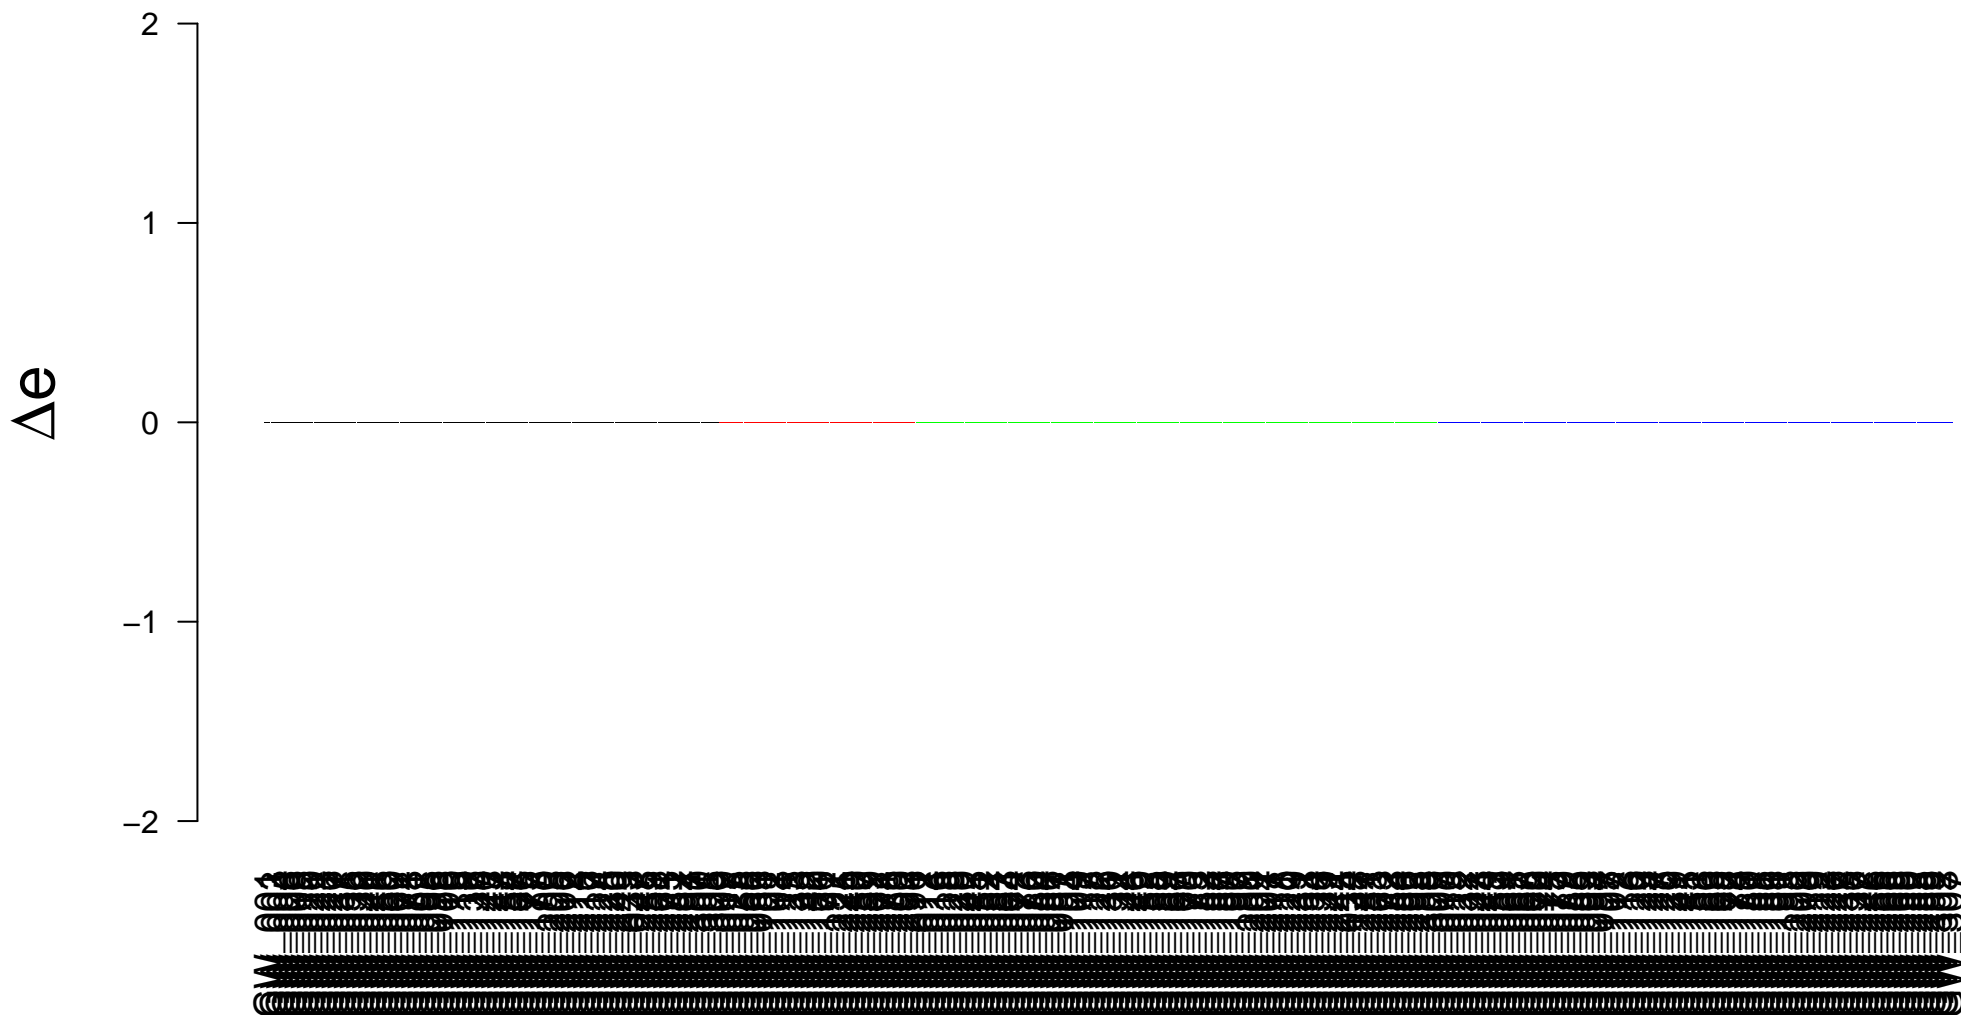

Expression of cerebellar Purkinje cell layer development in Spot N

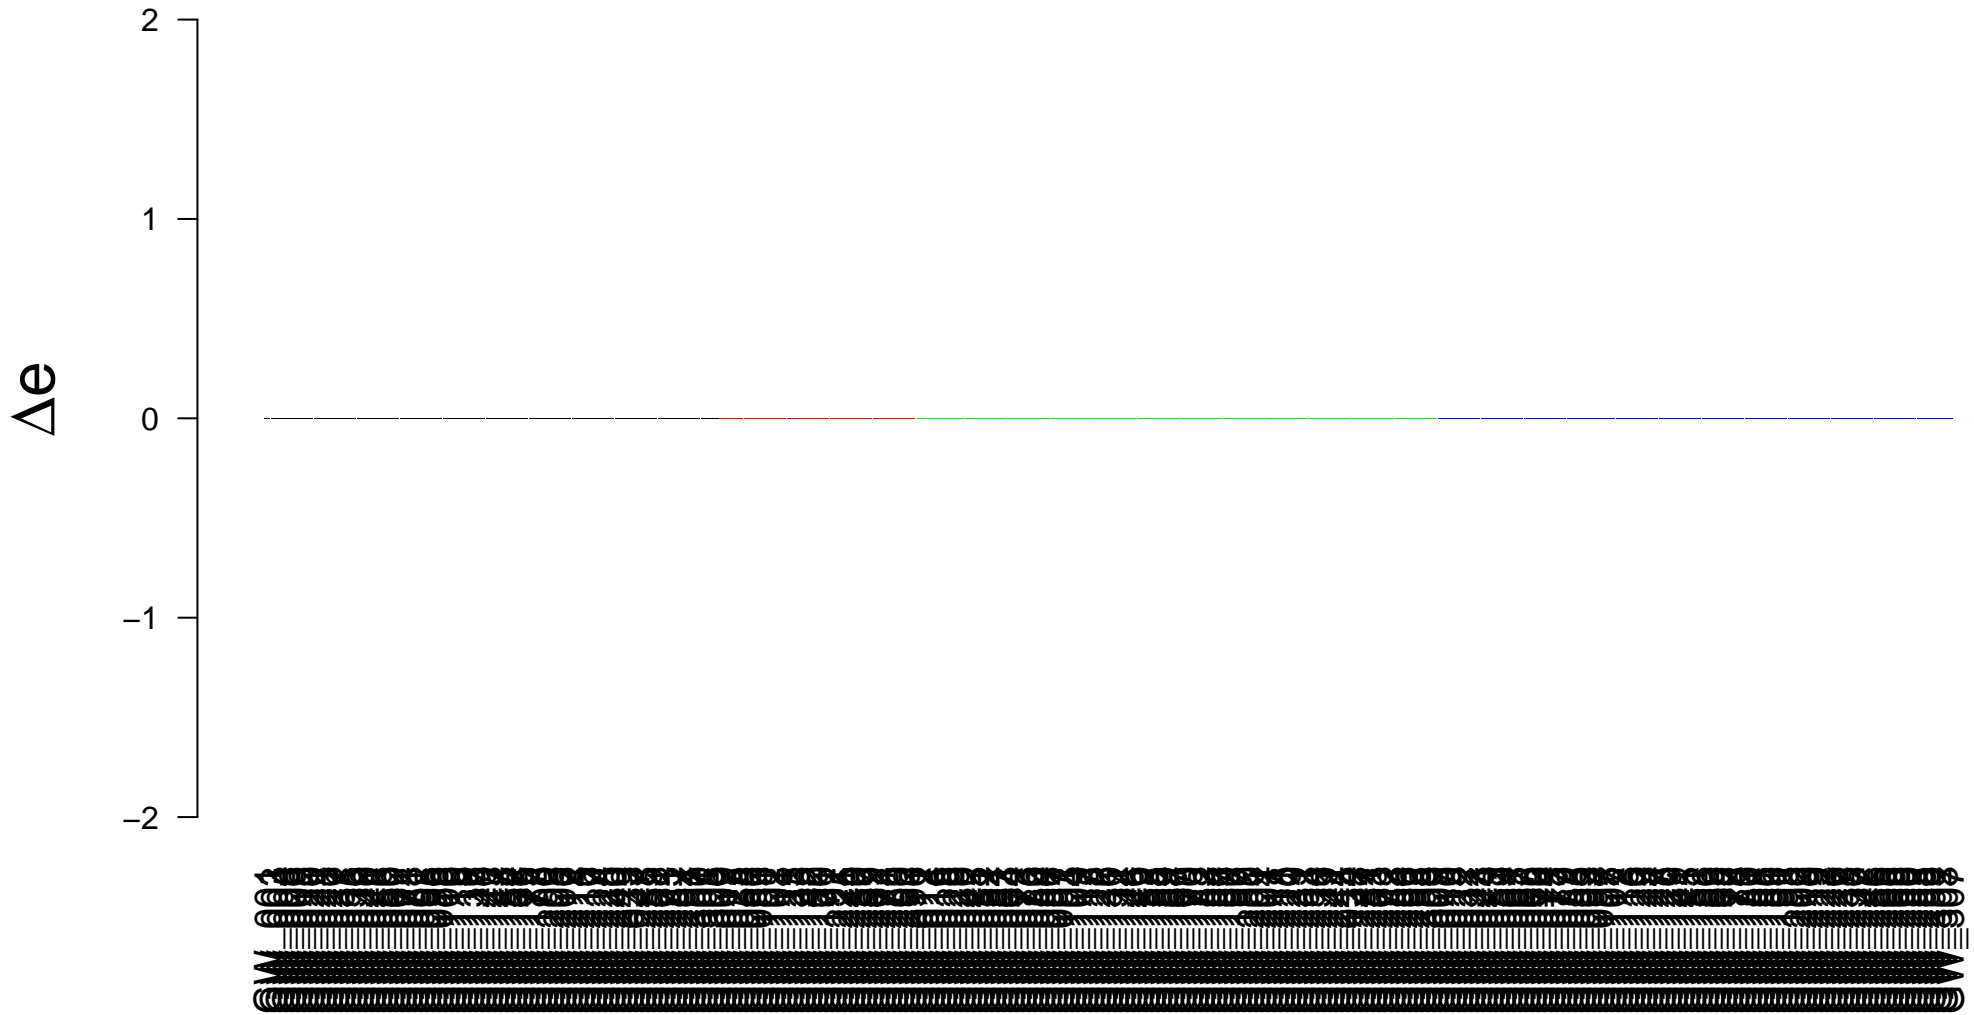

# Expression of cerebellar Purkinje cell layer development in Spot O

# Expression of cerebellar Purkinje cell layer development in Spot P

# Expression of cerebellar Purkinje cell layer development in Spot Q

Expression of cerebellar Purkinje cell layer development in Spot R
