

# chaperone-mediated protein folding

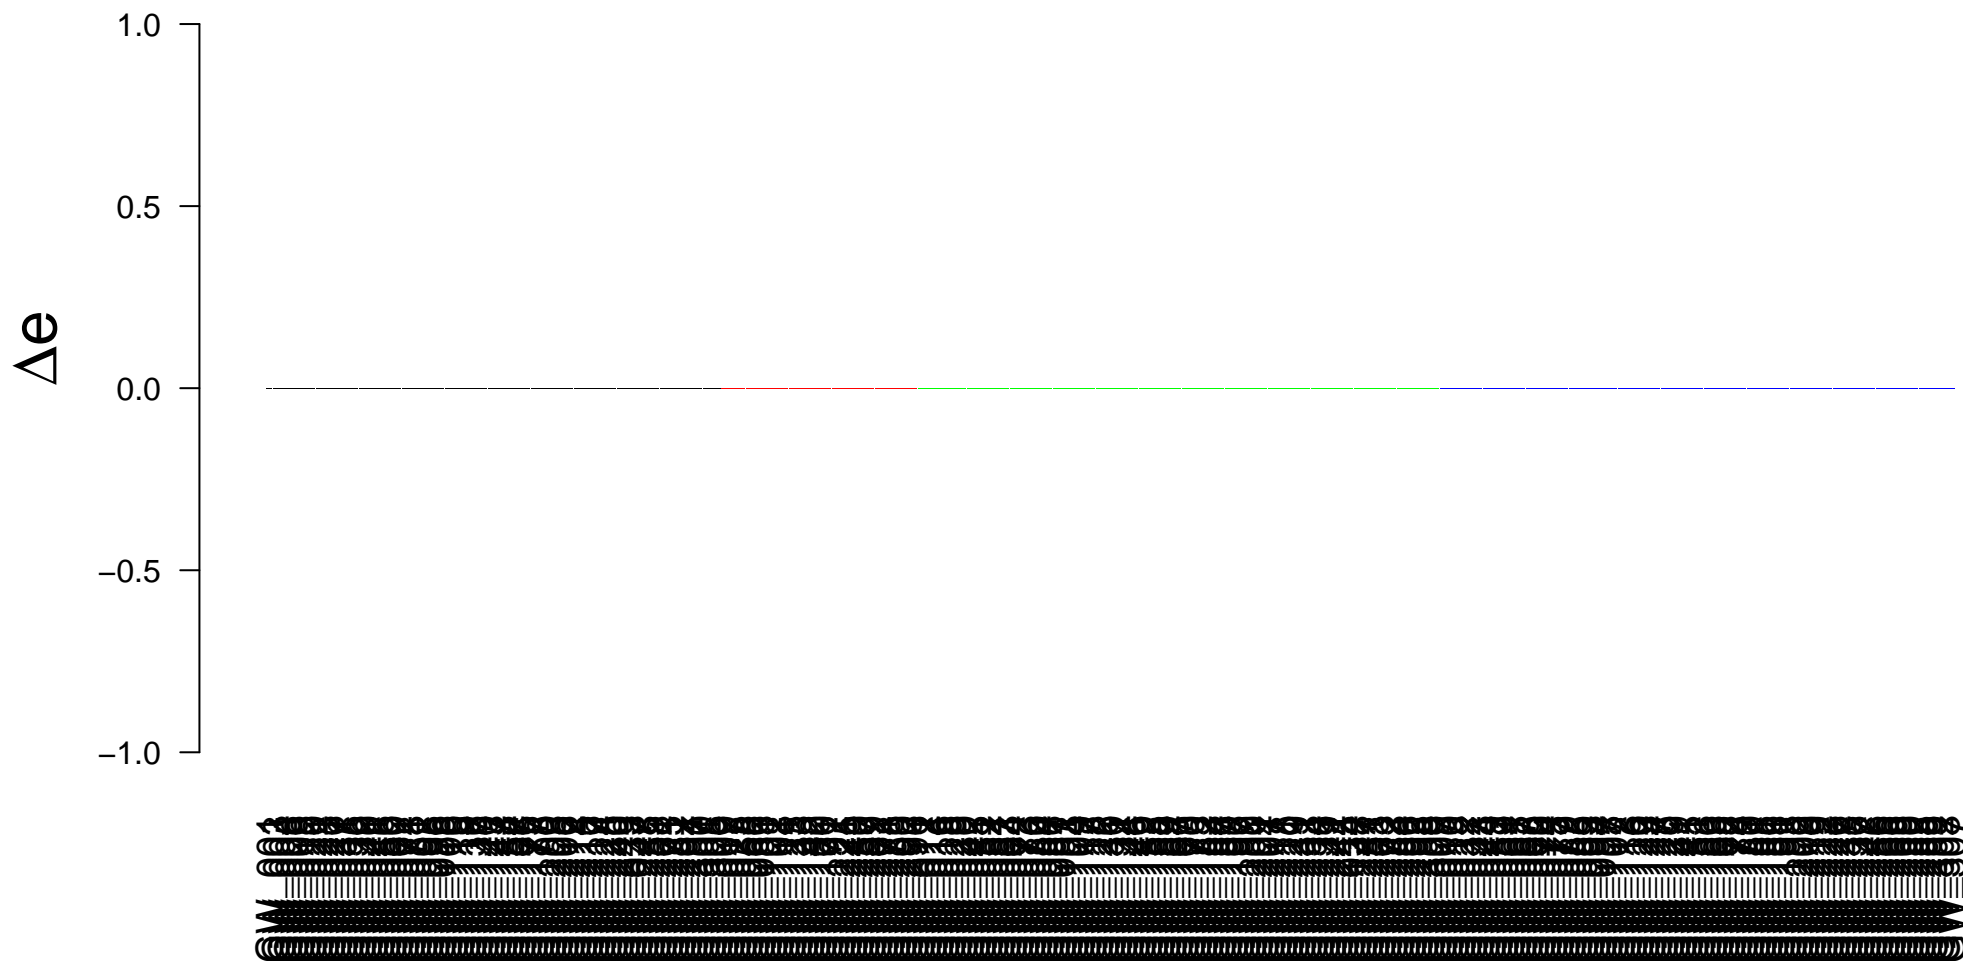

# chaperone-mediated protein folding

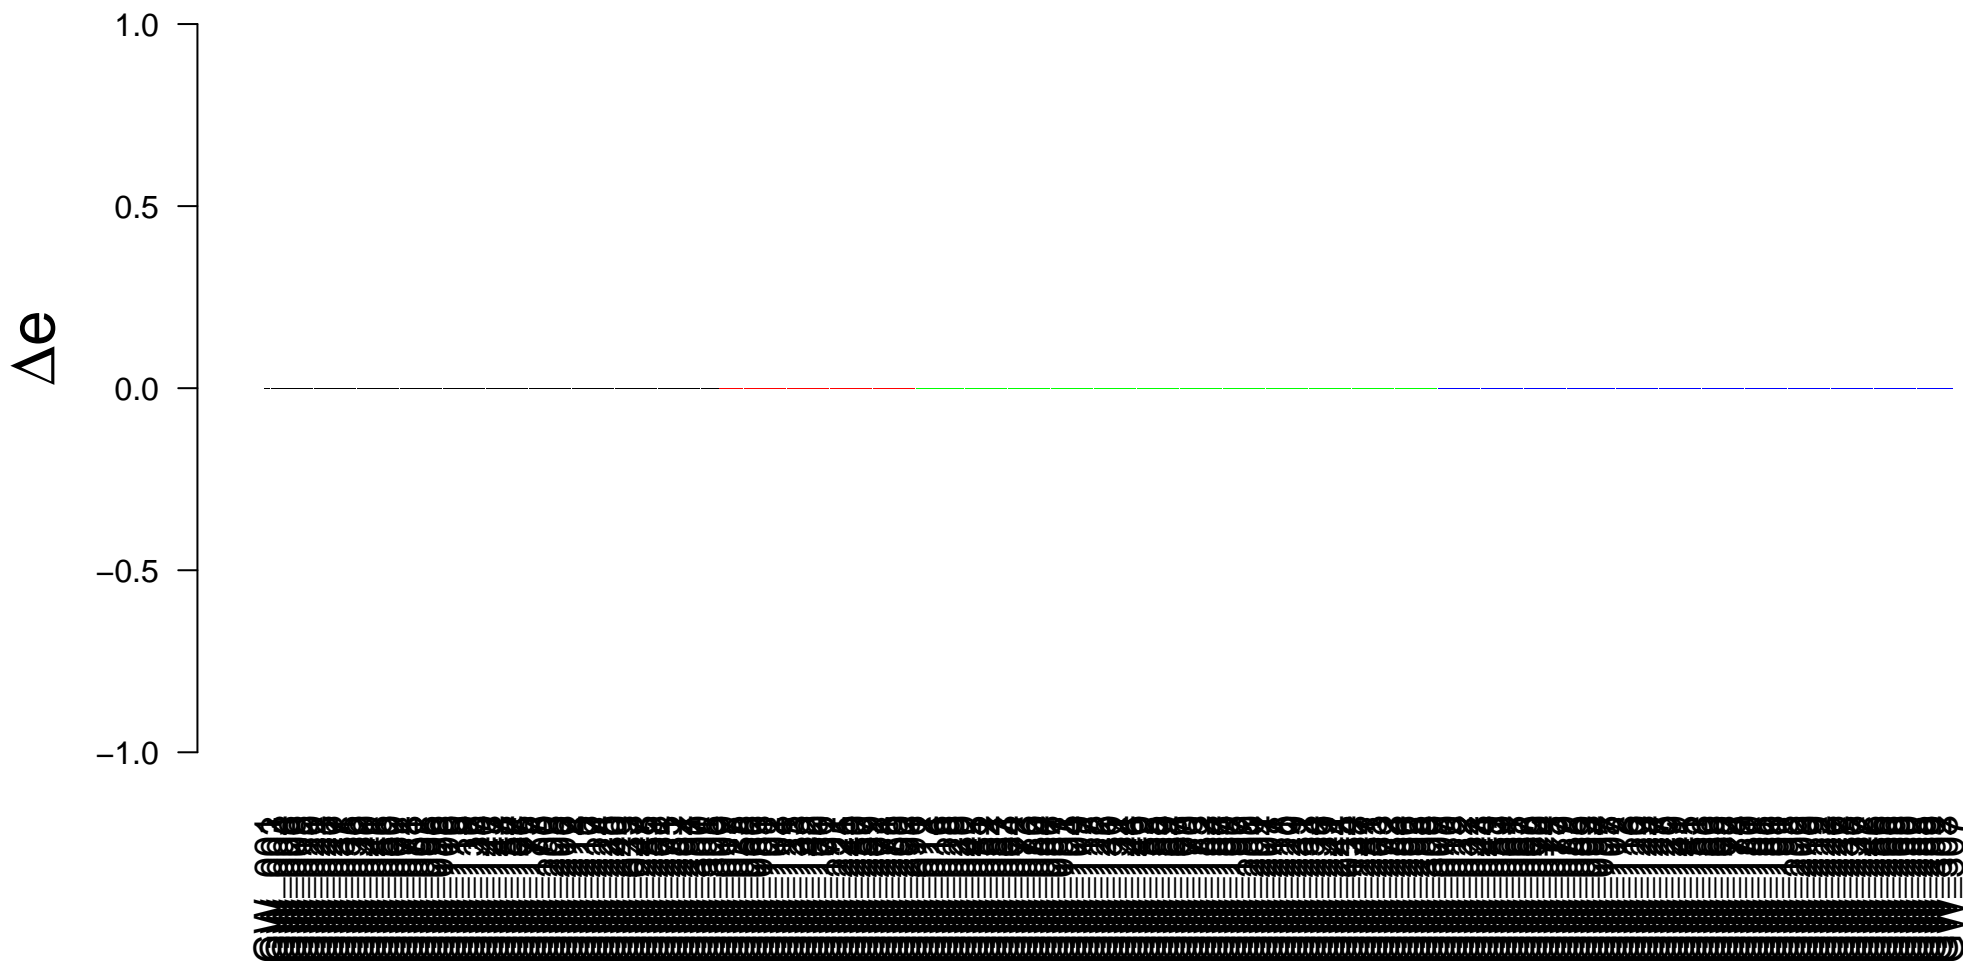

# Enrichment in spots: chaperone-mediated protein folding

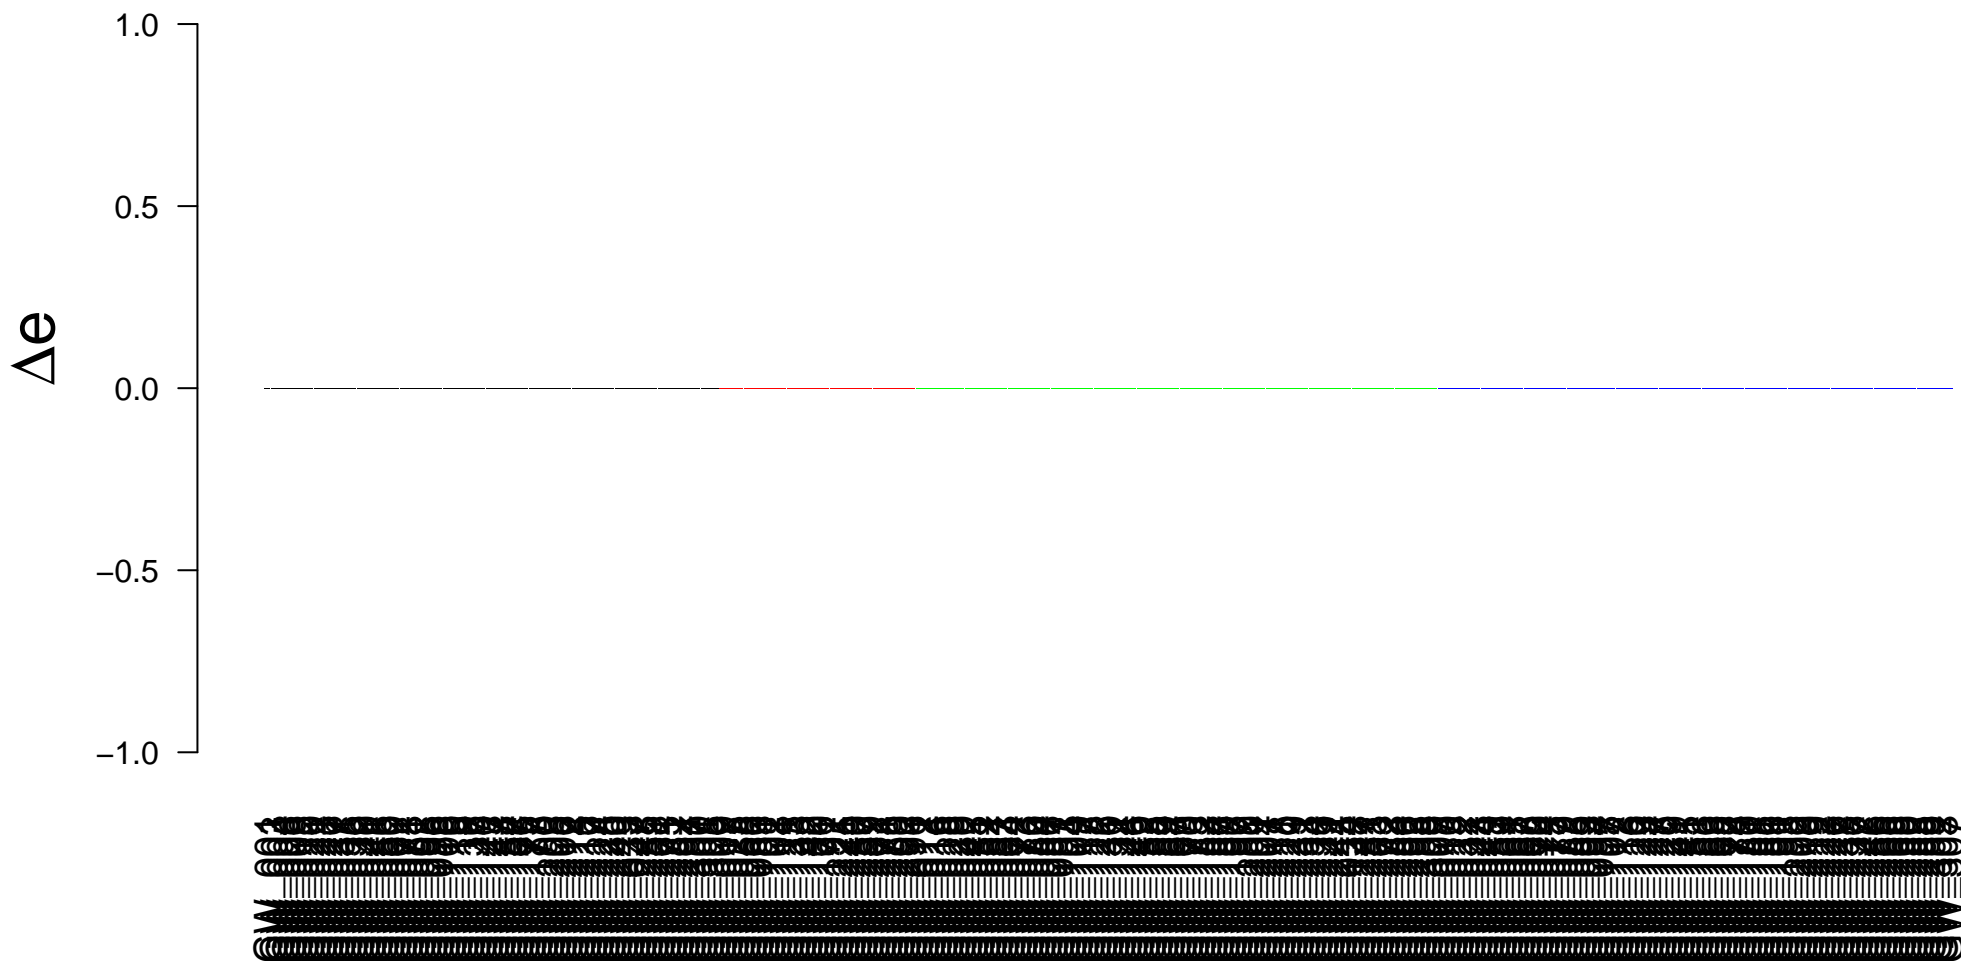

# Expression of chaperone-mediated protein folding in Spot A

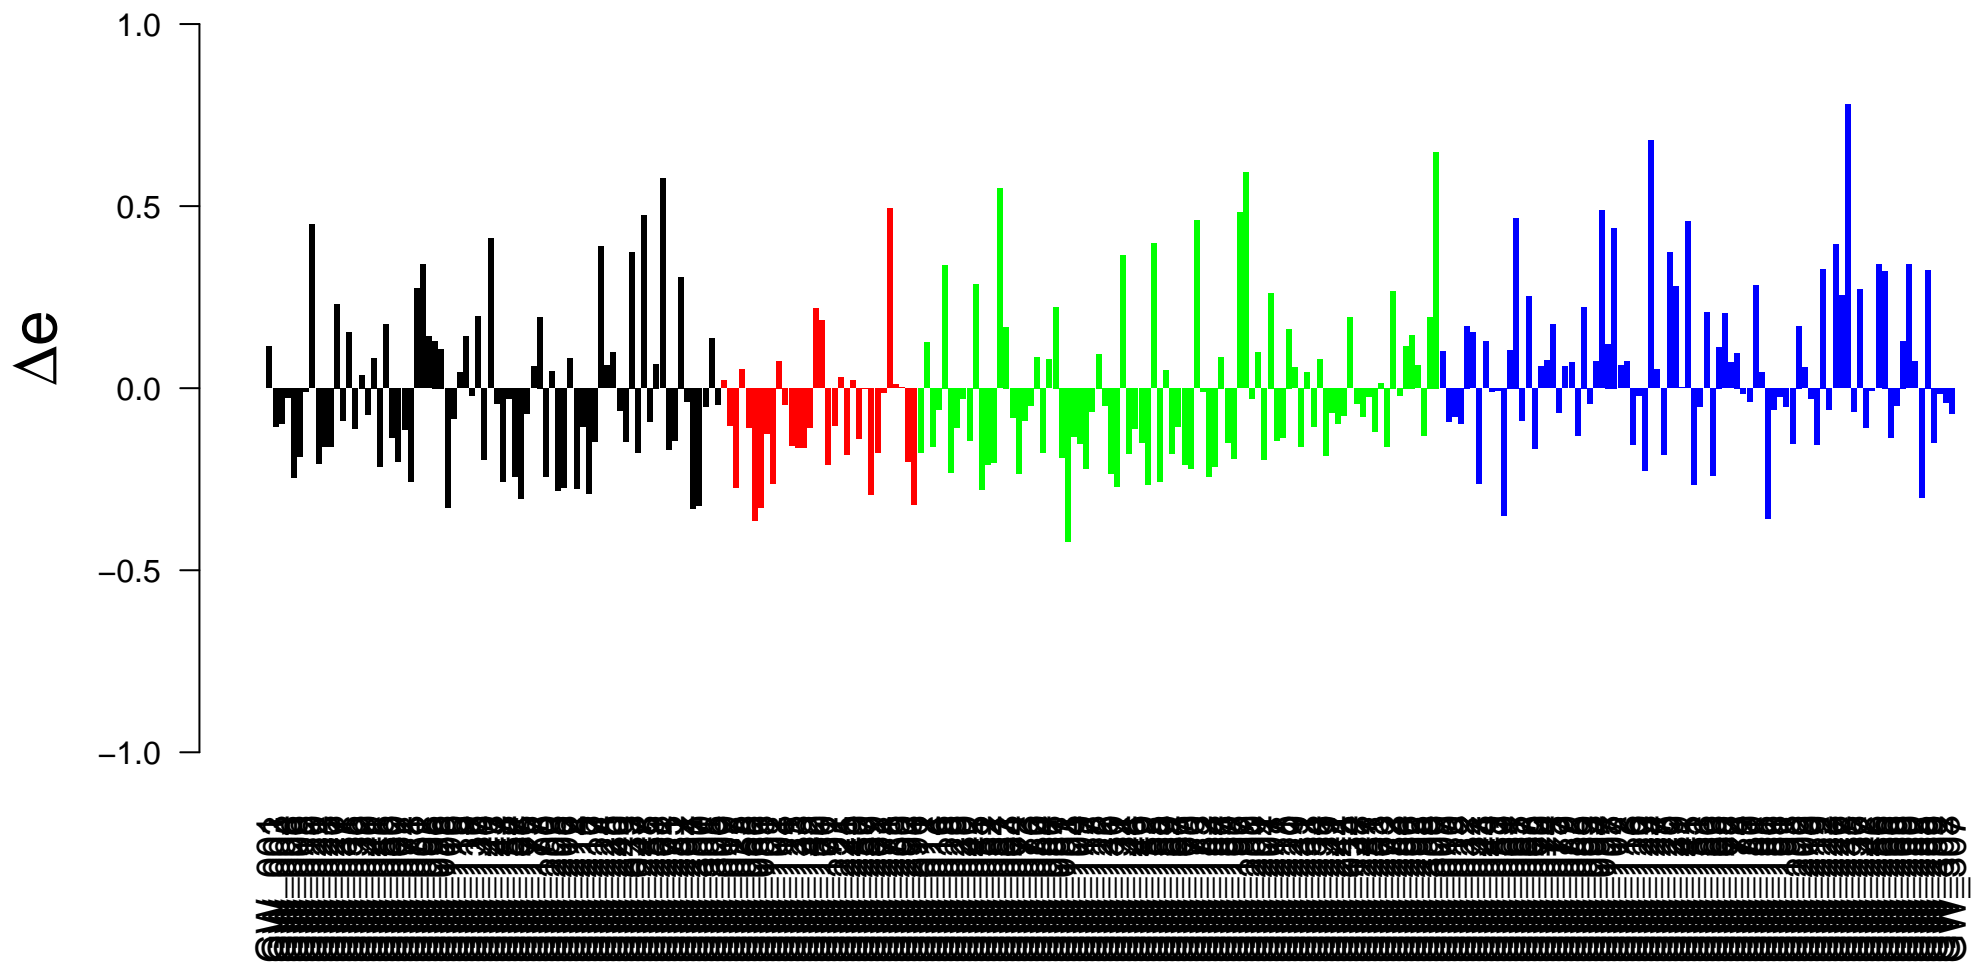

# Expression of chaperone-mediated protein folding in Spot B

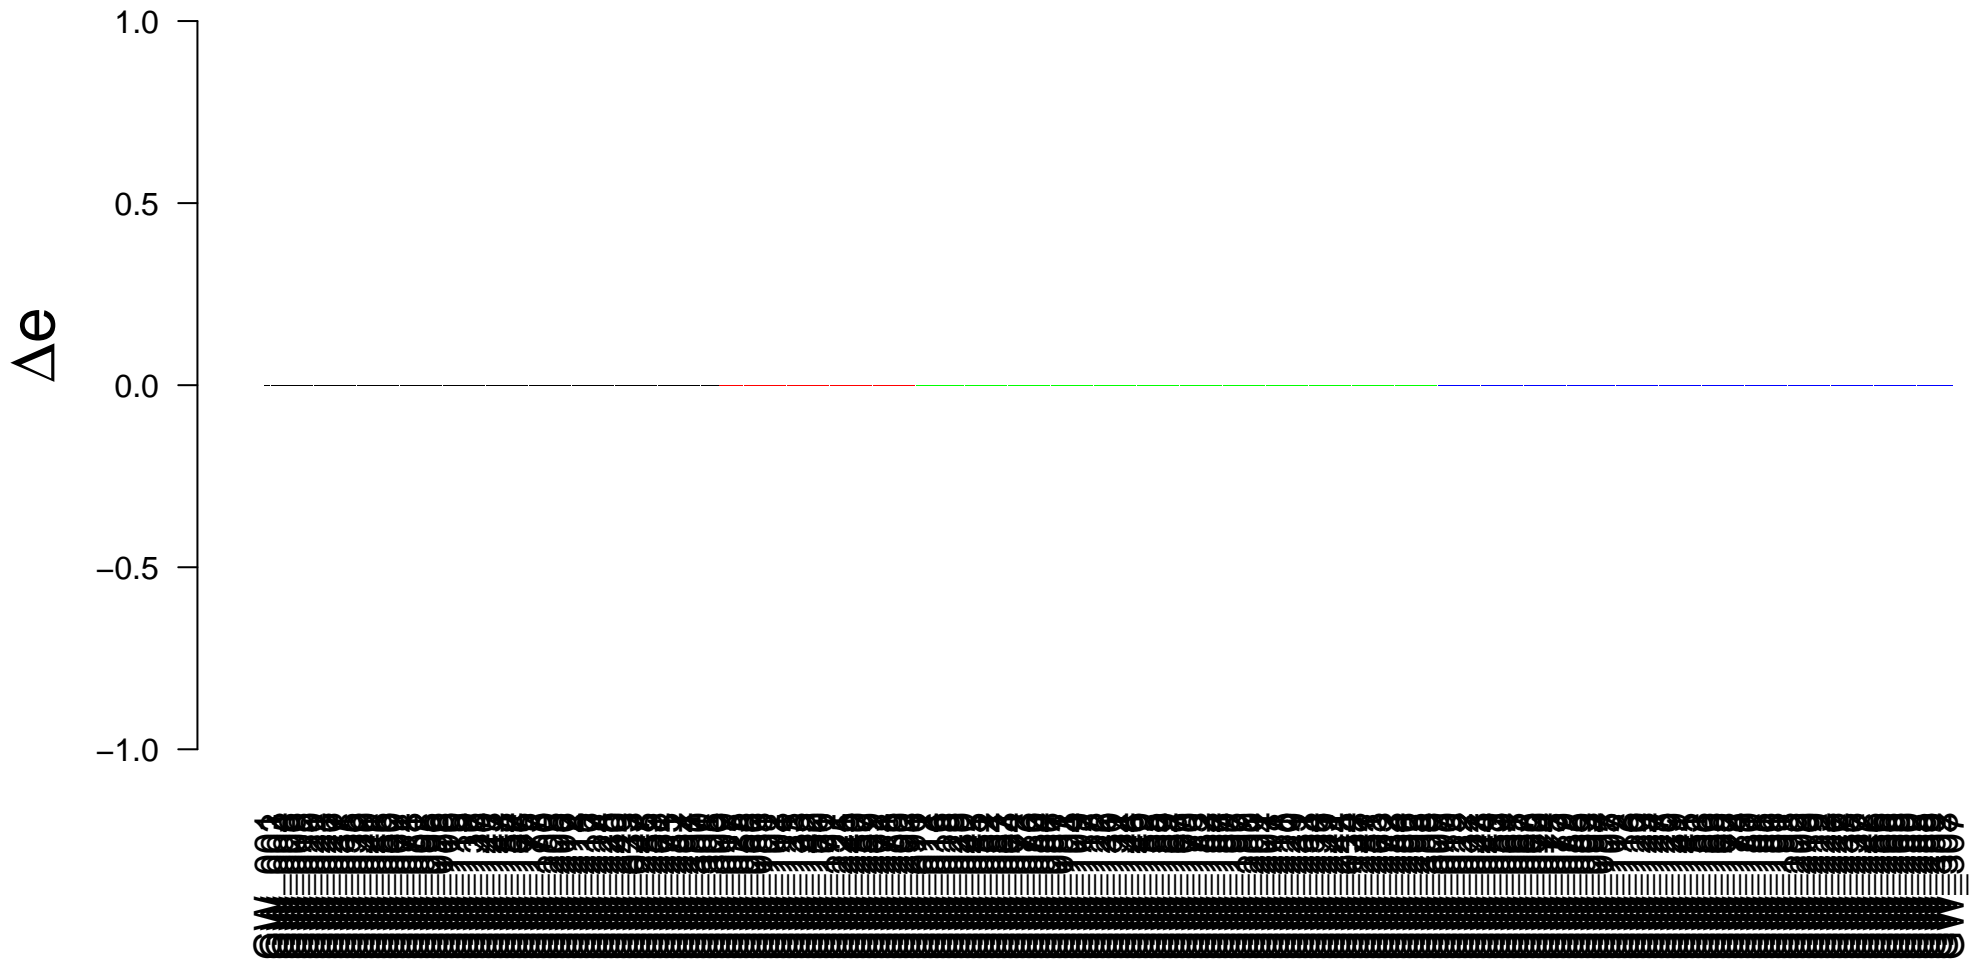

# Expression of chaperone-mediated protein folding in Spot C

# Expression of chaperone-mediated protein folding in Spot D

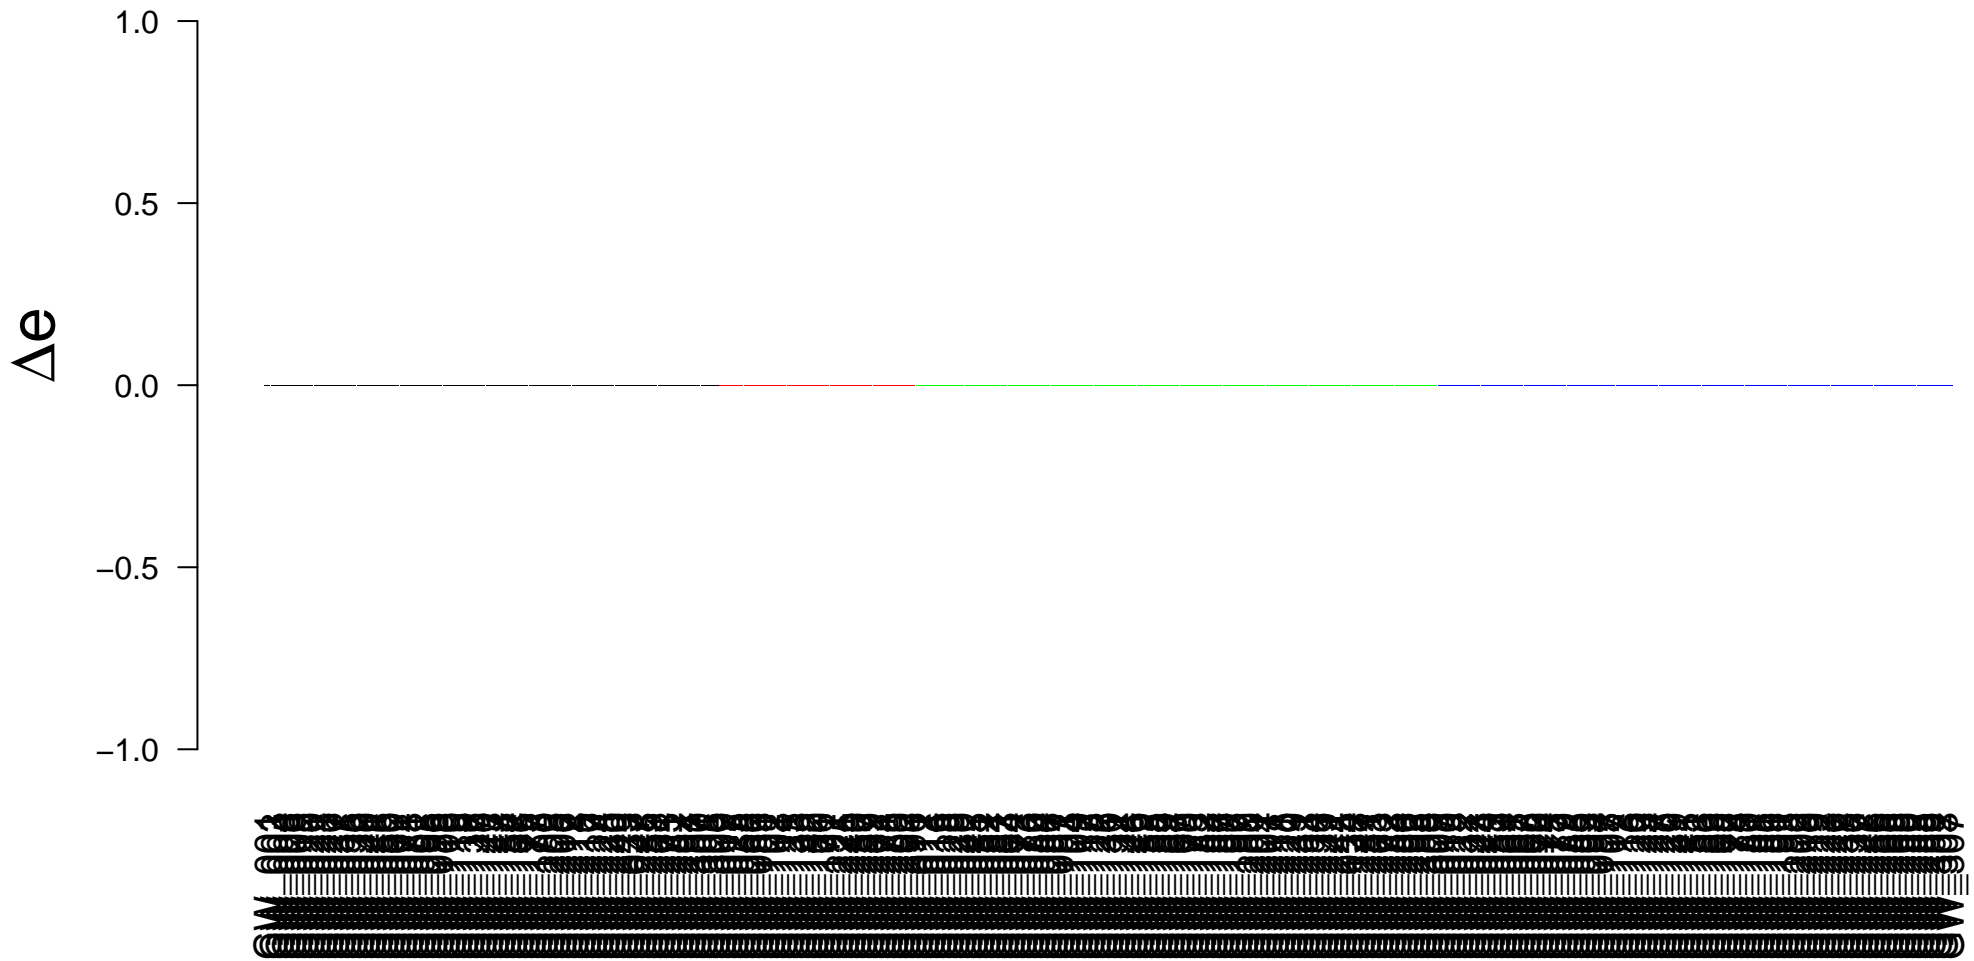

# Expression of chaperone-mediated protein folding in Spot E

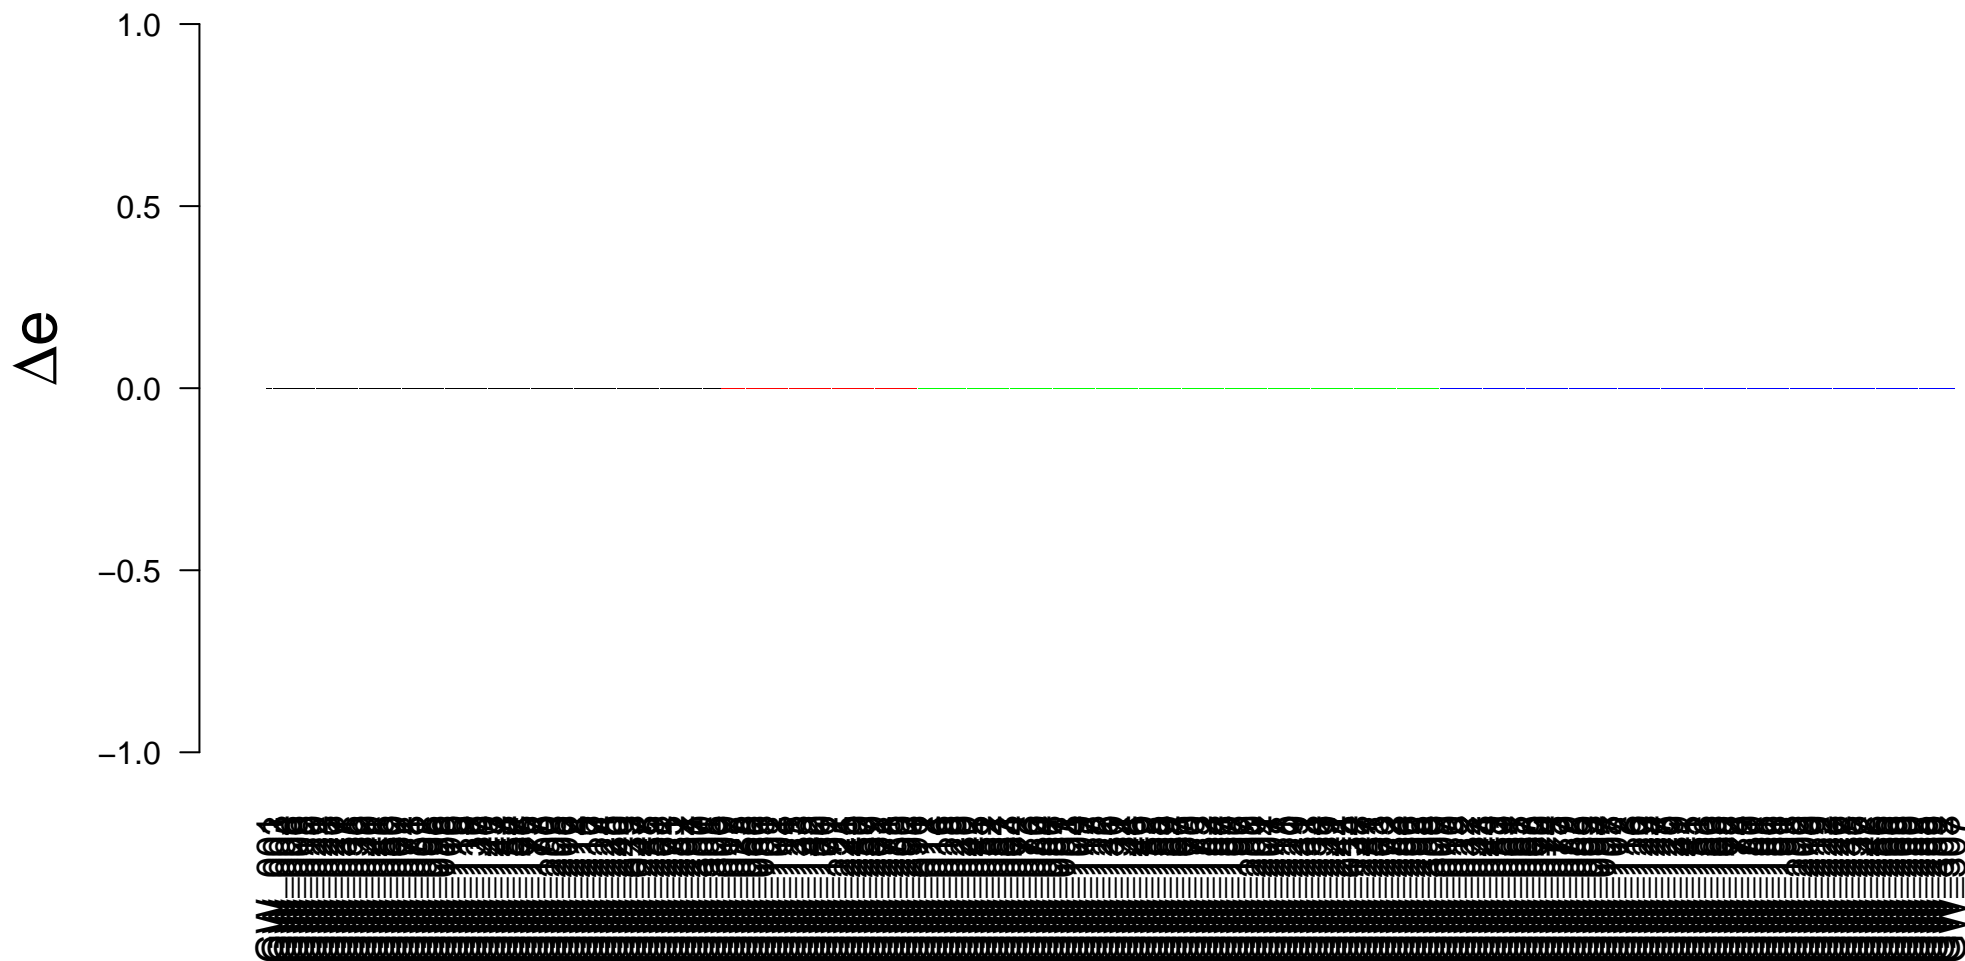

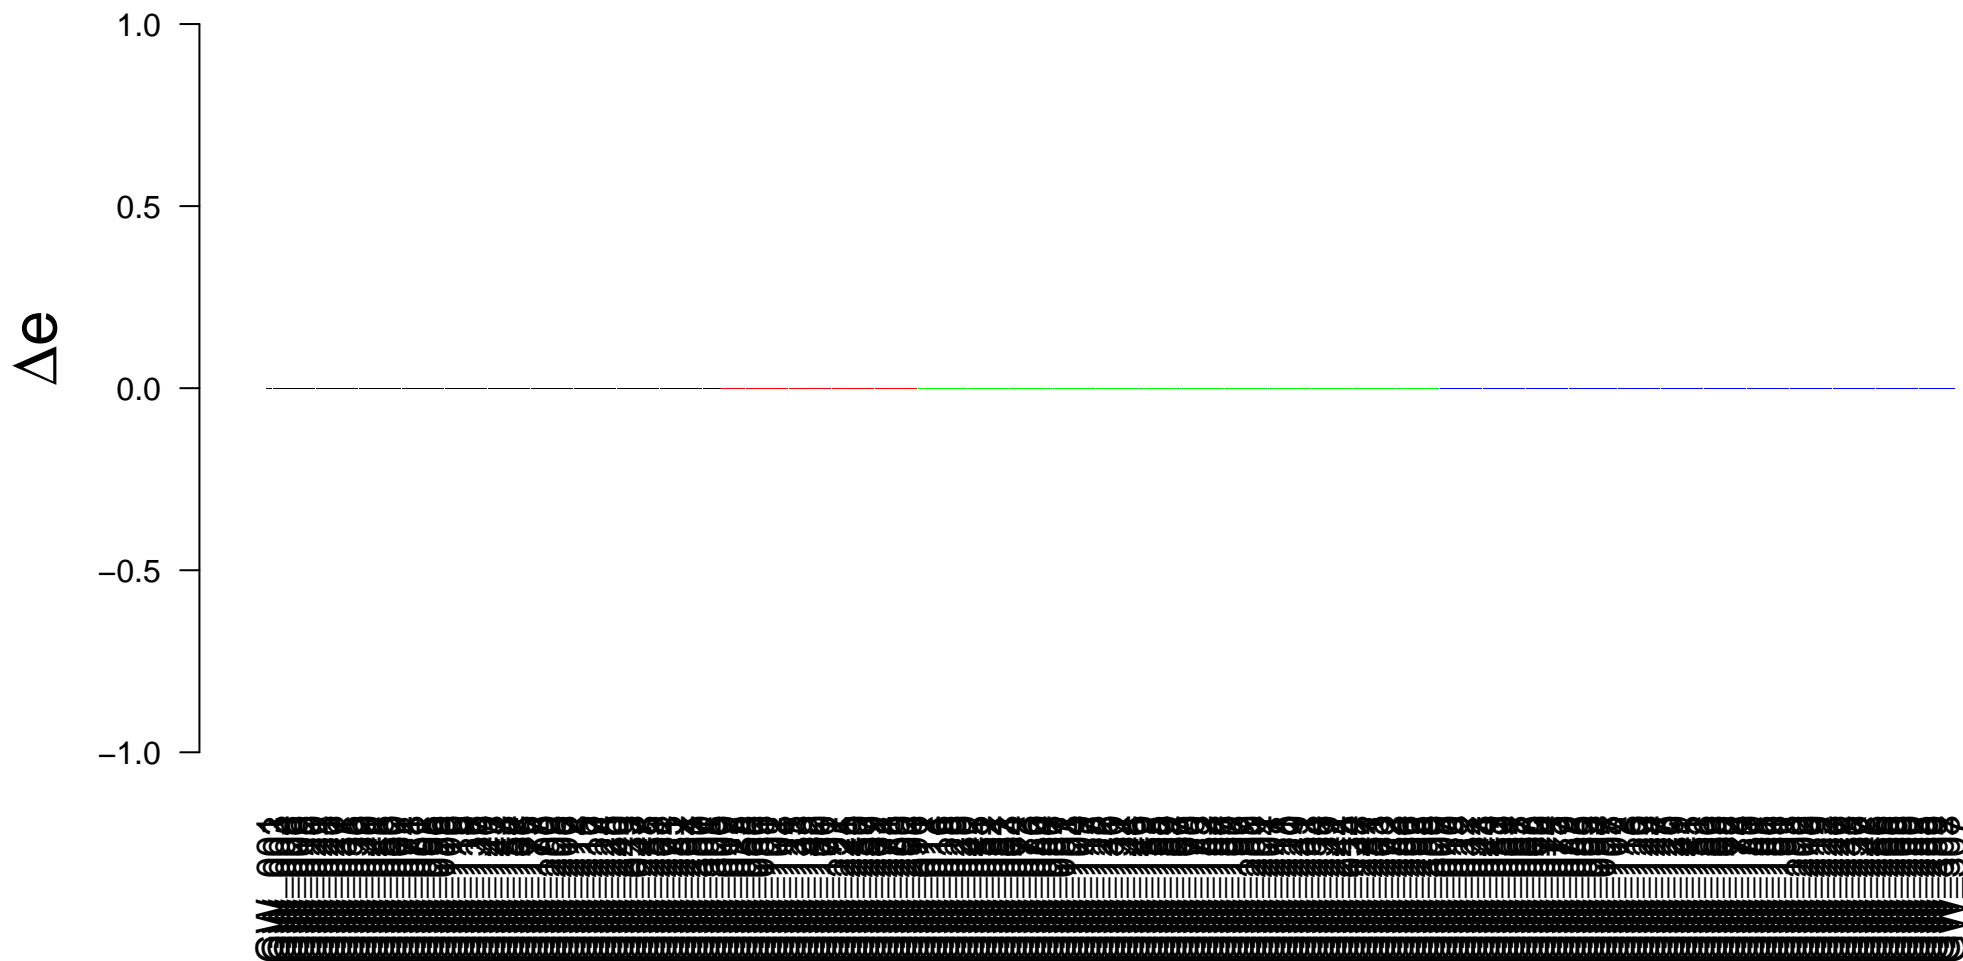

# Expression of chaperone-mediated protein folding in Spot F

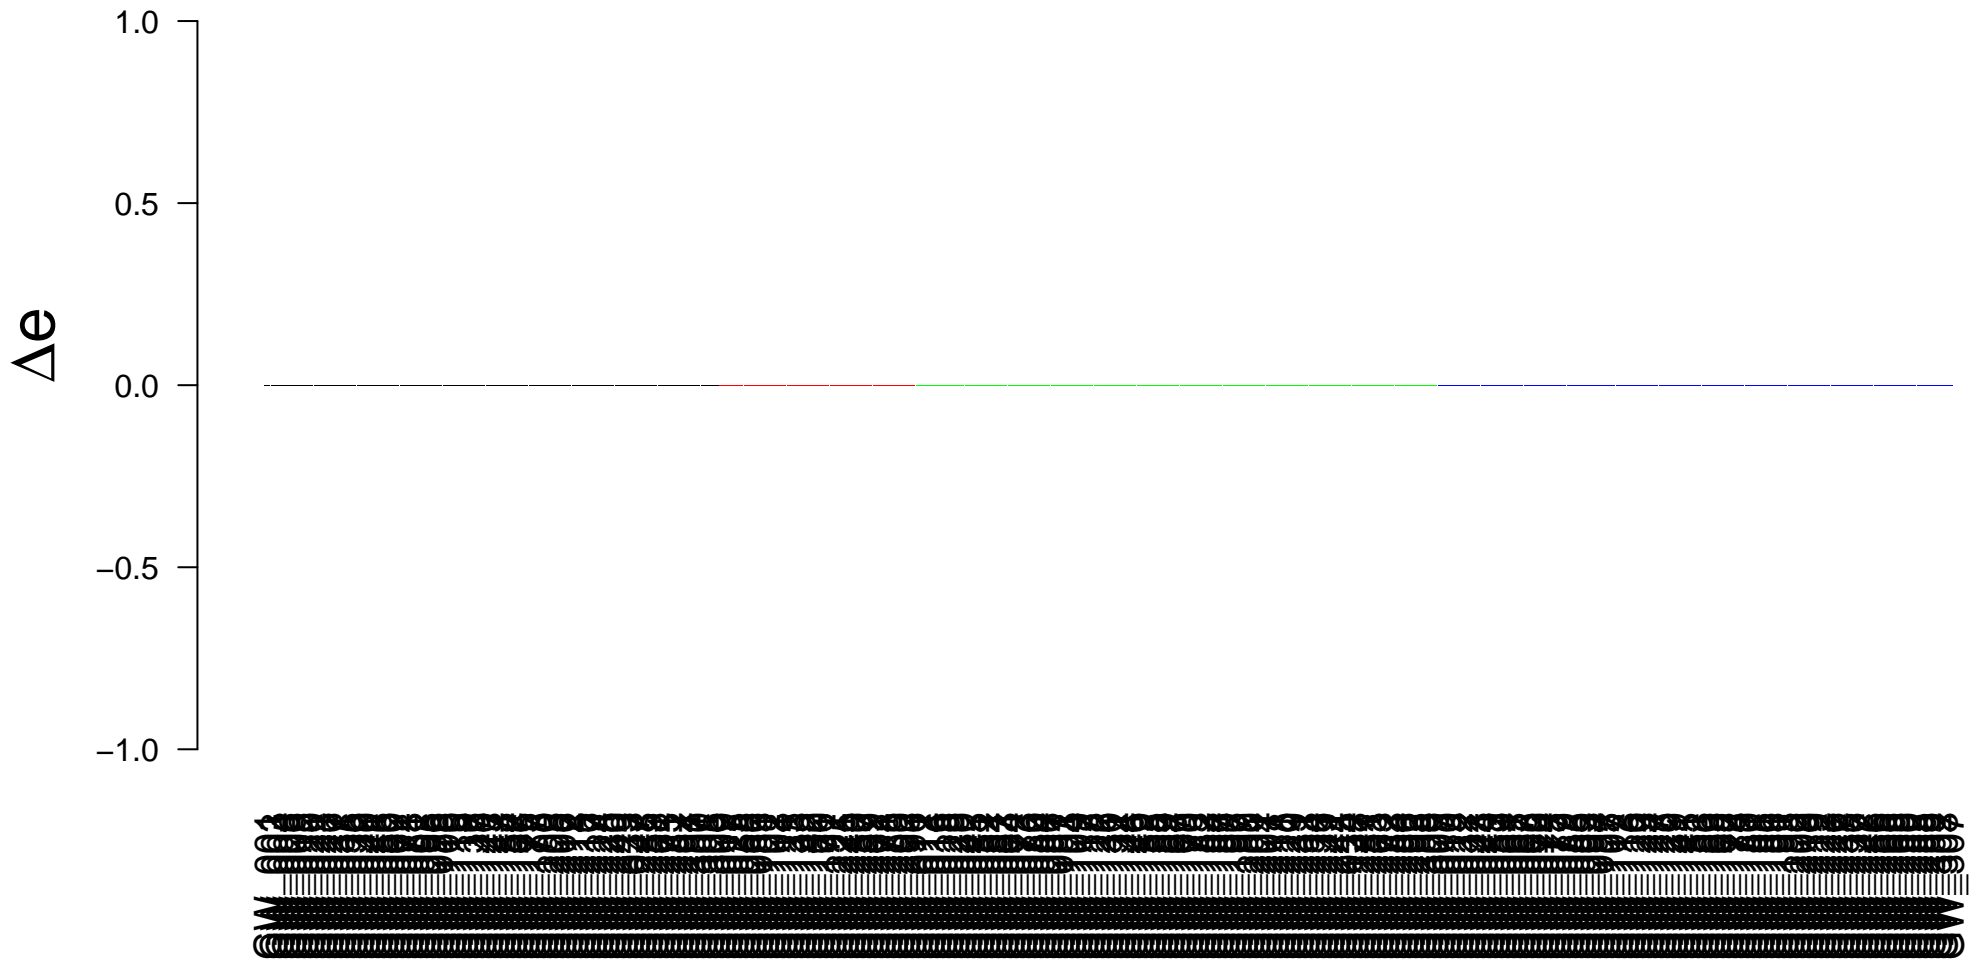

# Expression of chaperone-mediated protein folding in Spot G

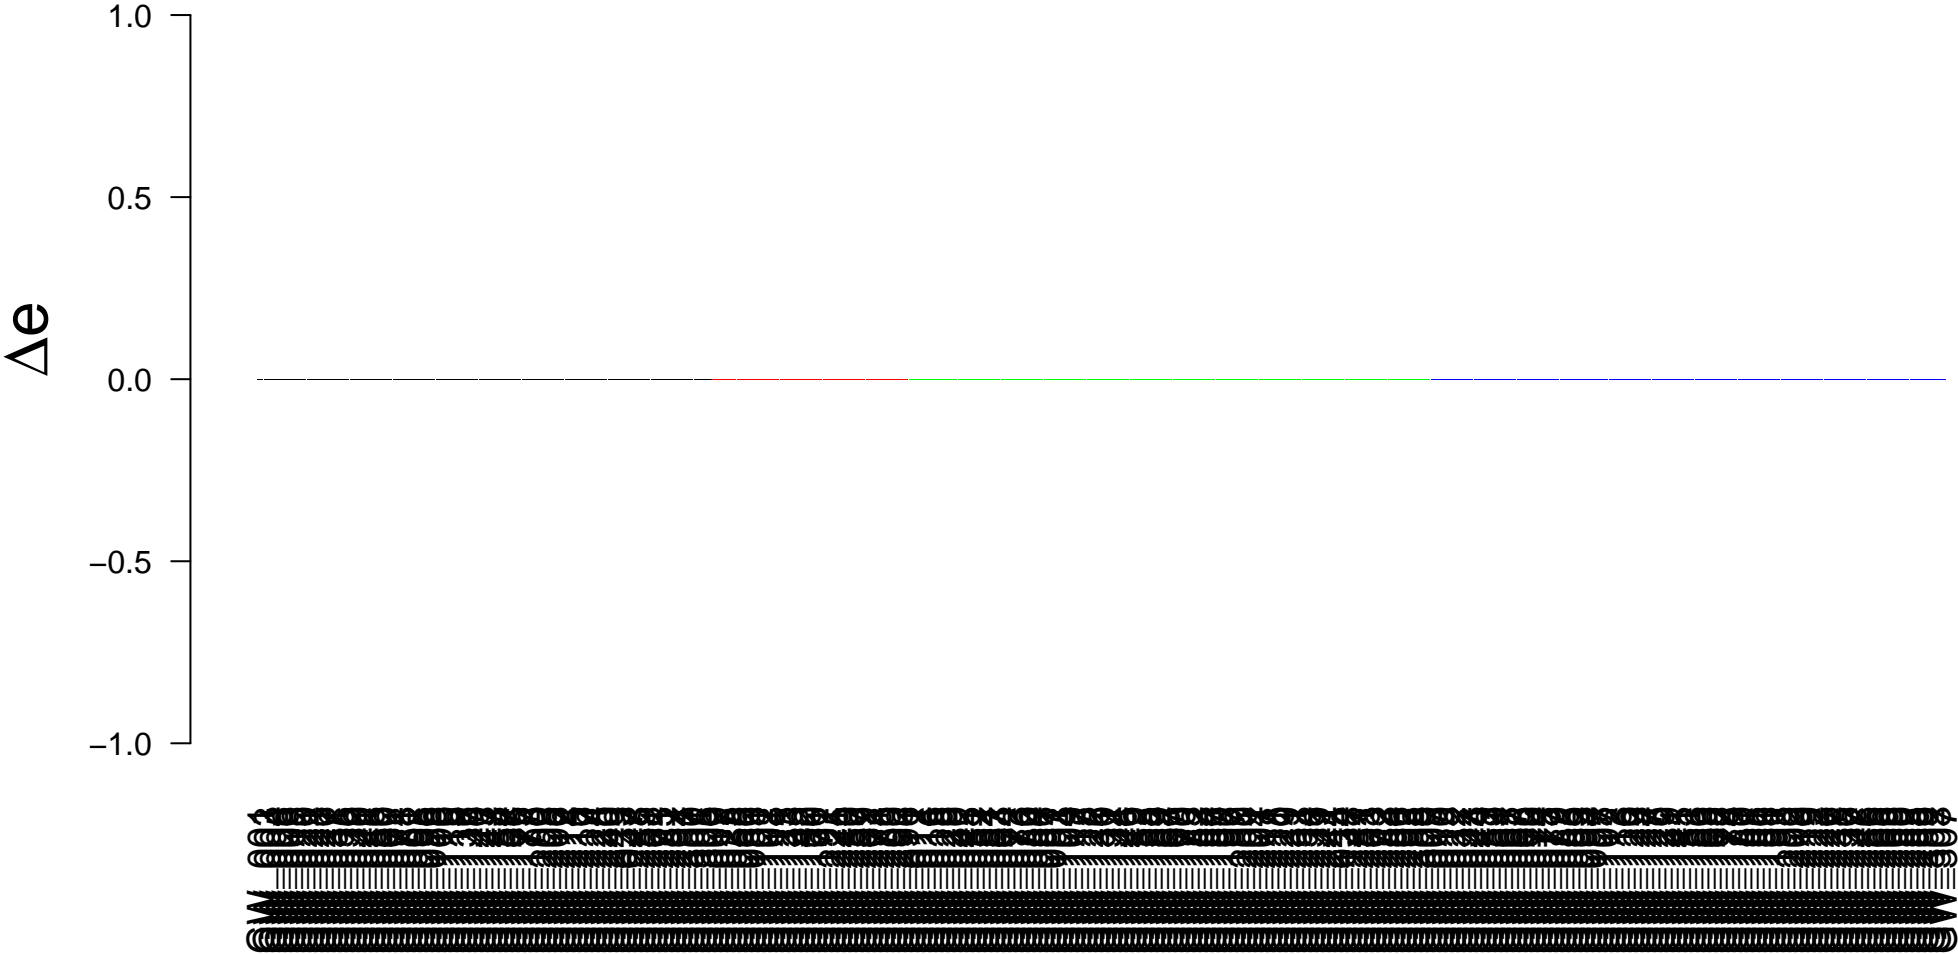

# Expression of chaperone-mediated protein folding in Spot H

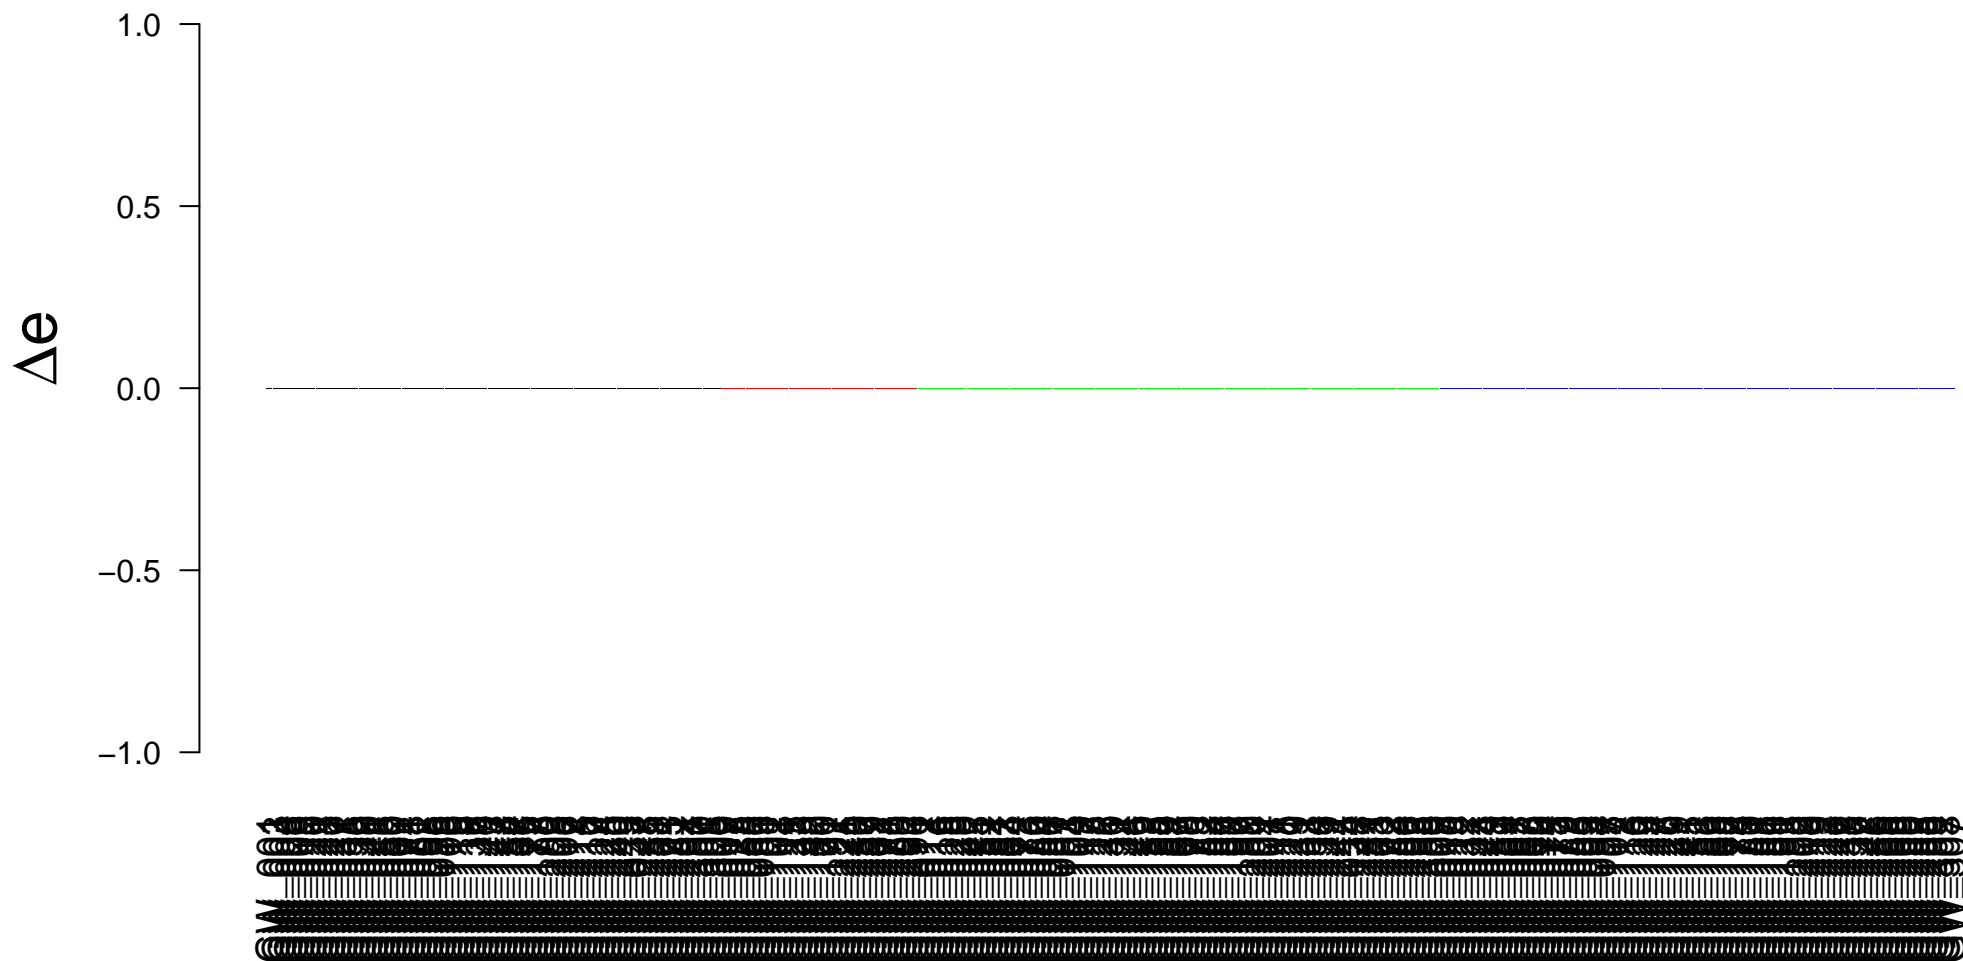

# Expression of chaperone-mediated protein folding in Spot I

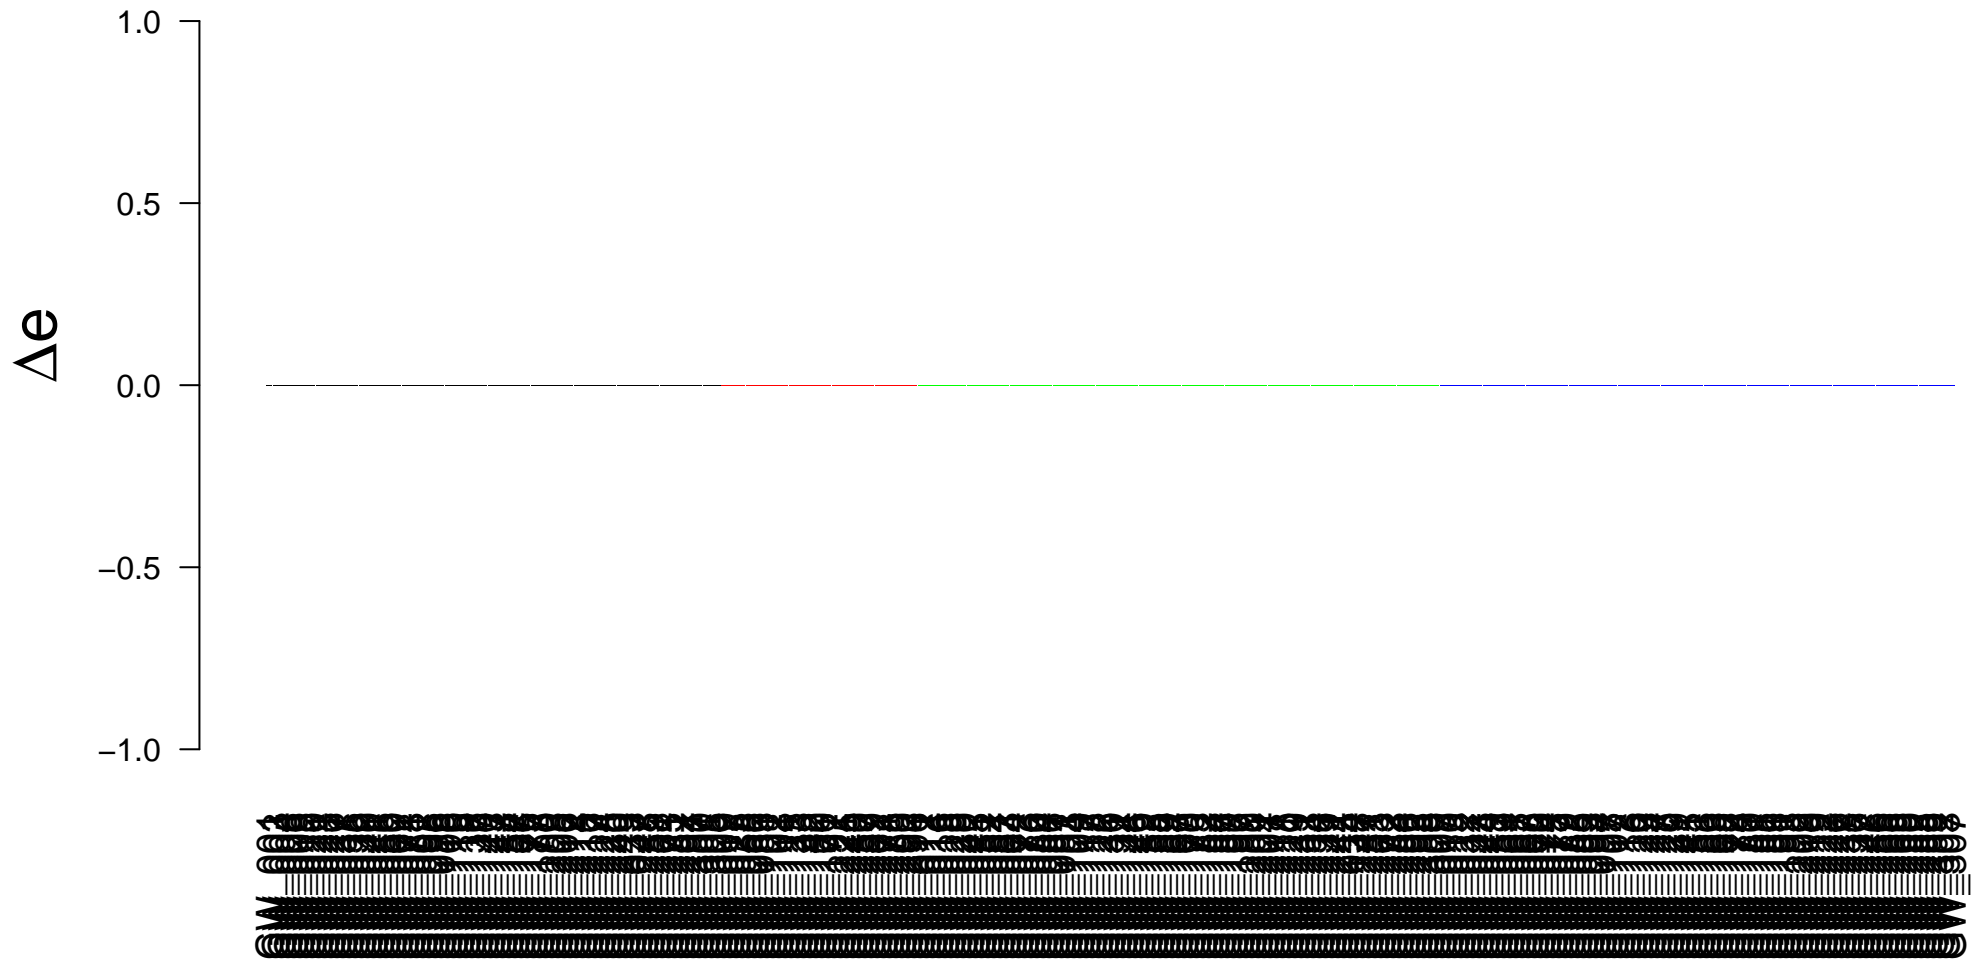

Expression of chaperone-mediated protein folding in Spot J

# Expression of chaperone-mediated protein folding in Spot K

# Expression of chaperone-mediated protein folding in Spot L

# Expression of chaperone-mediated protein folding in Spot M
