

chloride channel complex

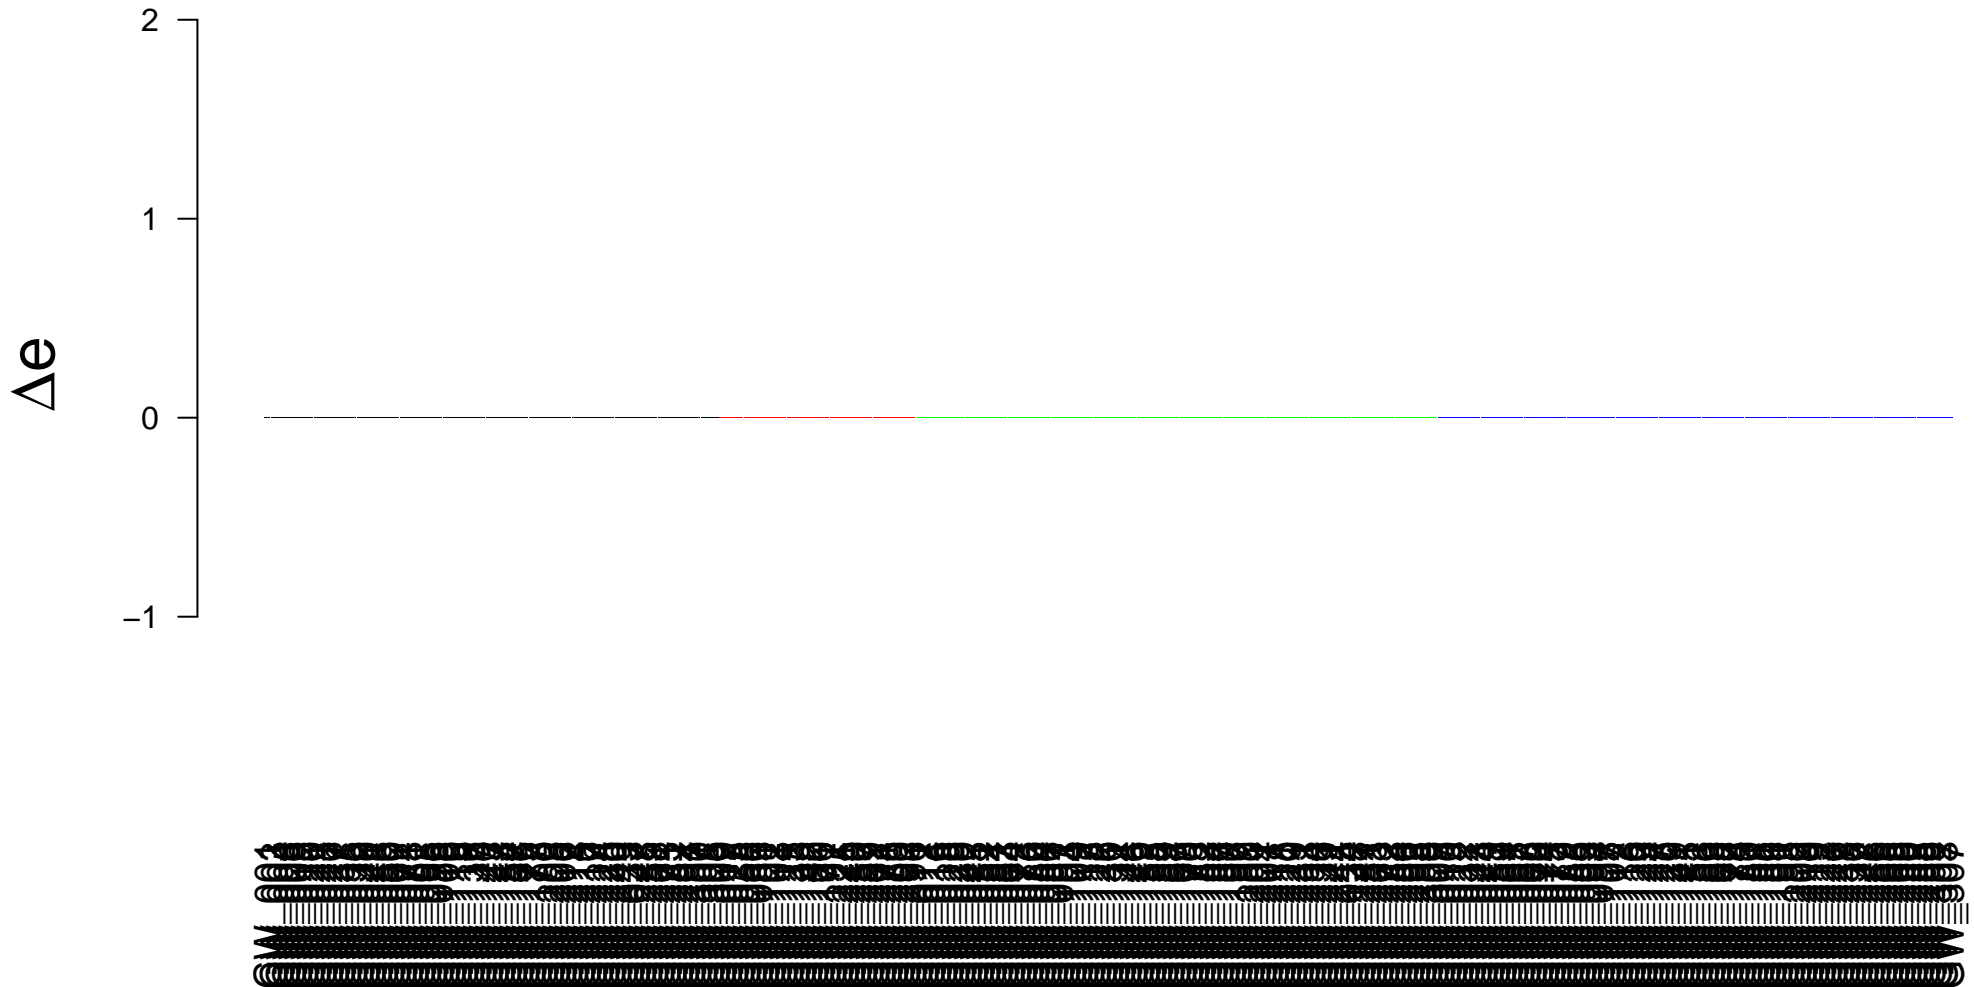

Enrichment in spots: chloride channel complex

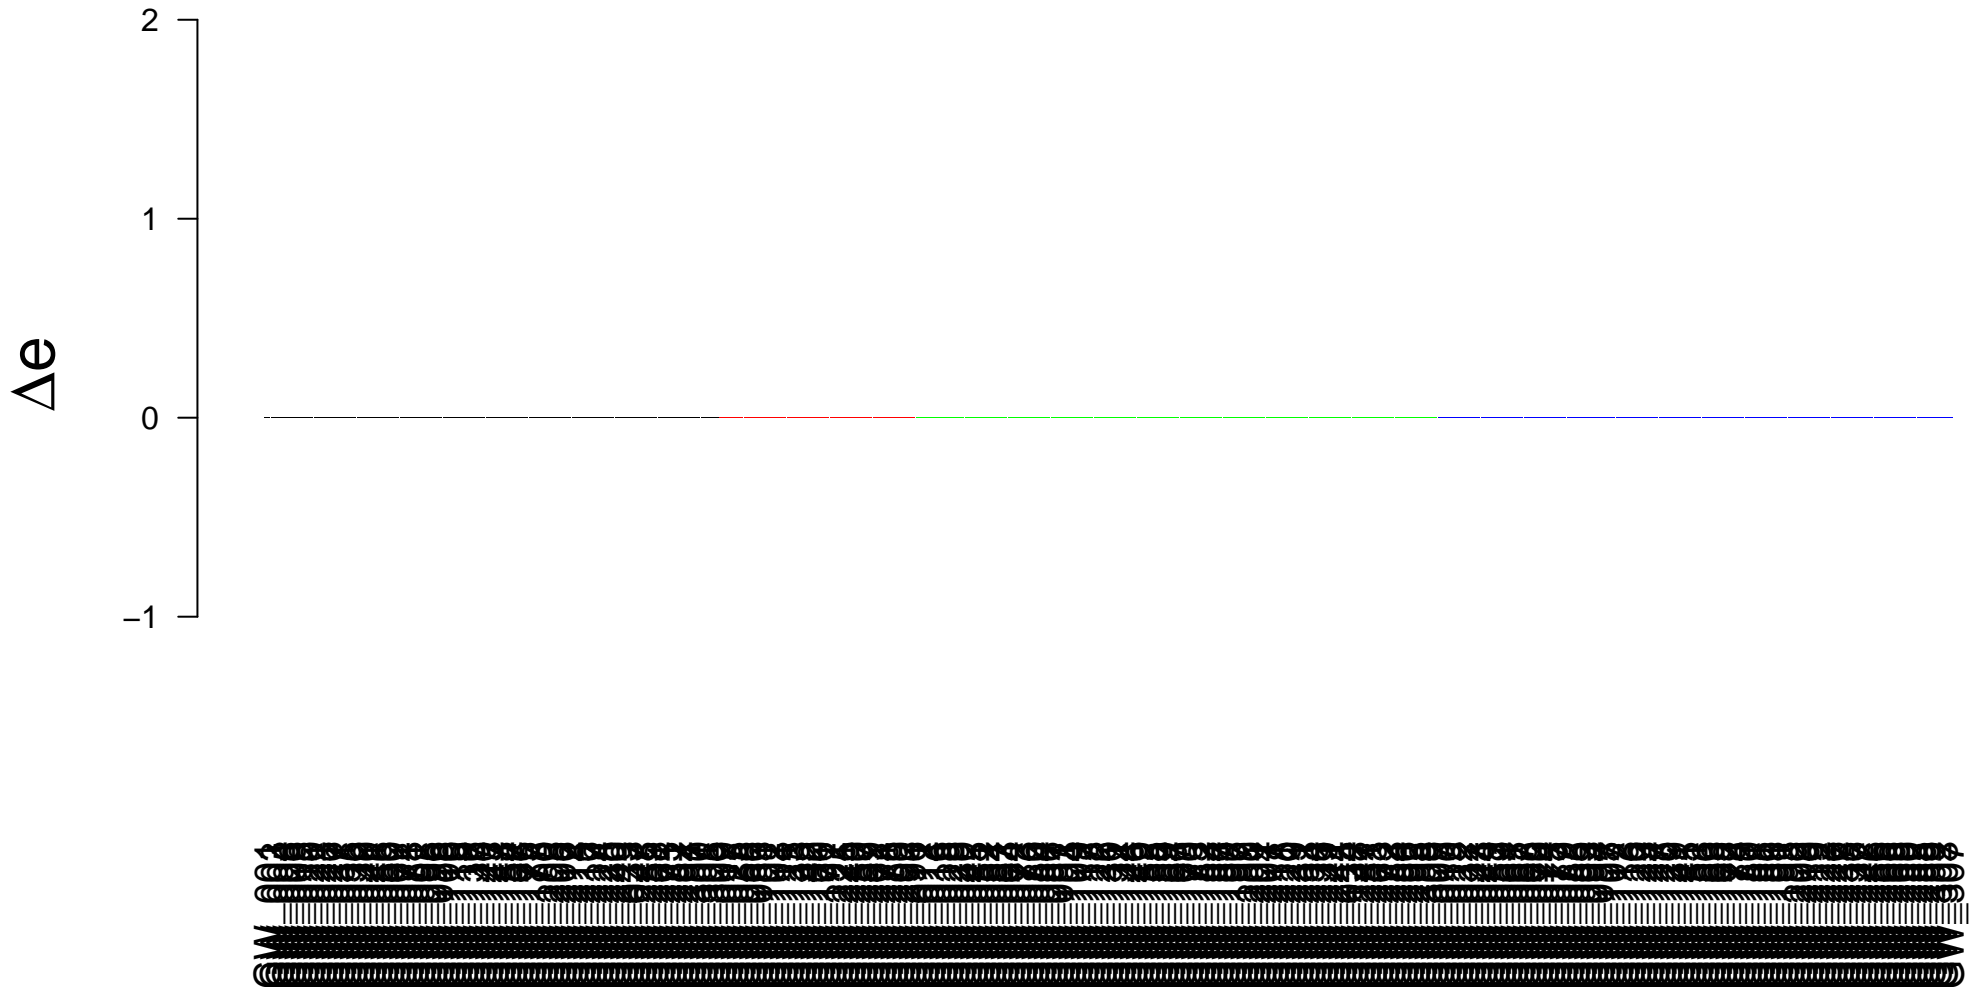

Expression of chloride channel complex in Spot A

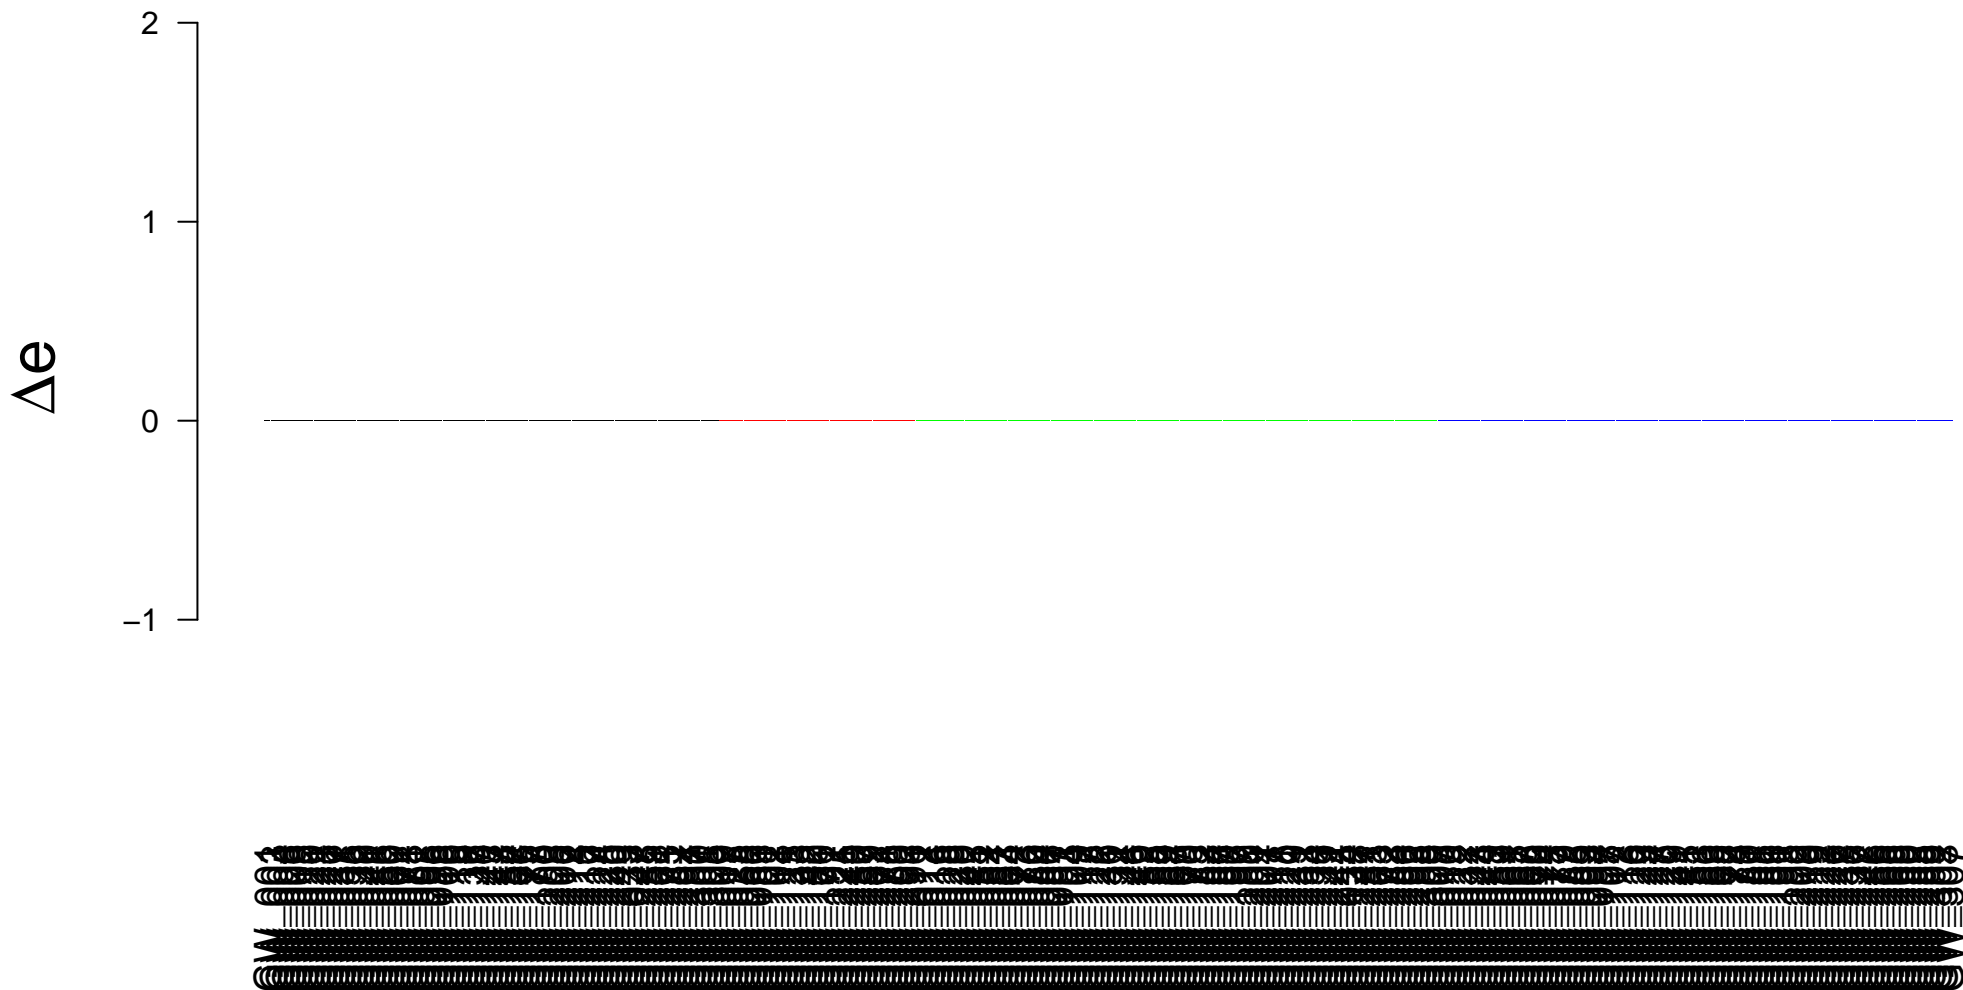

Expression of chloride channel complex in Spot B

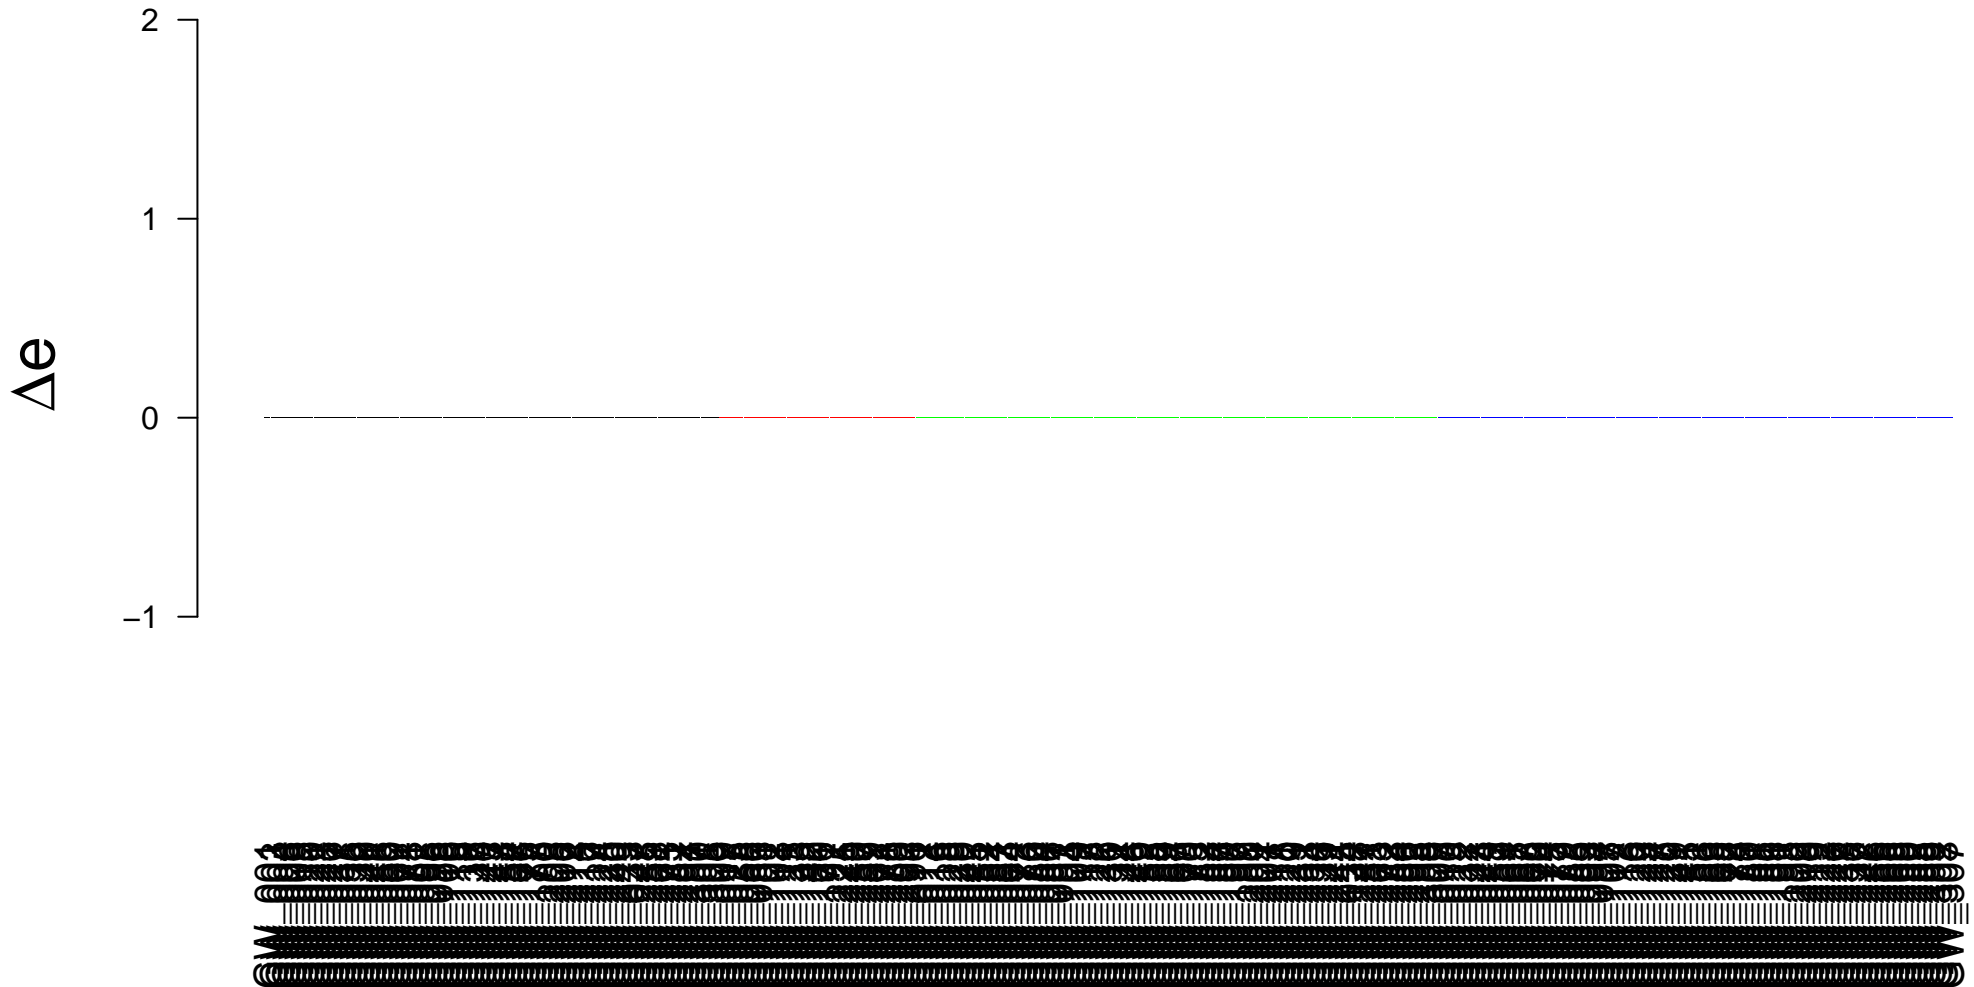

Expression of chloride channel complex in Spot C

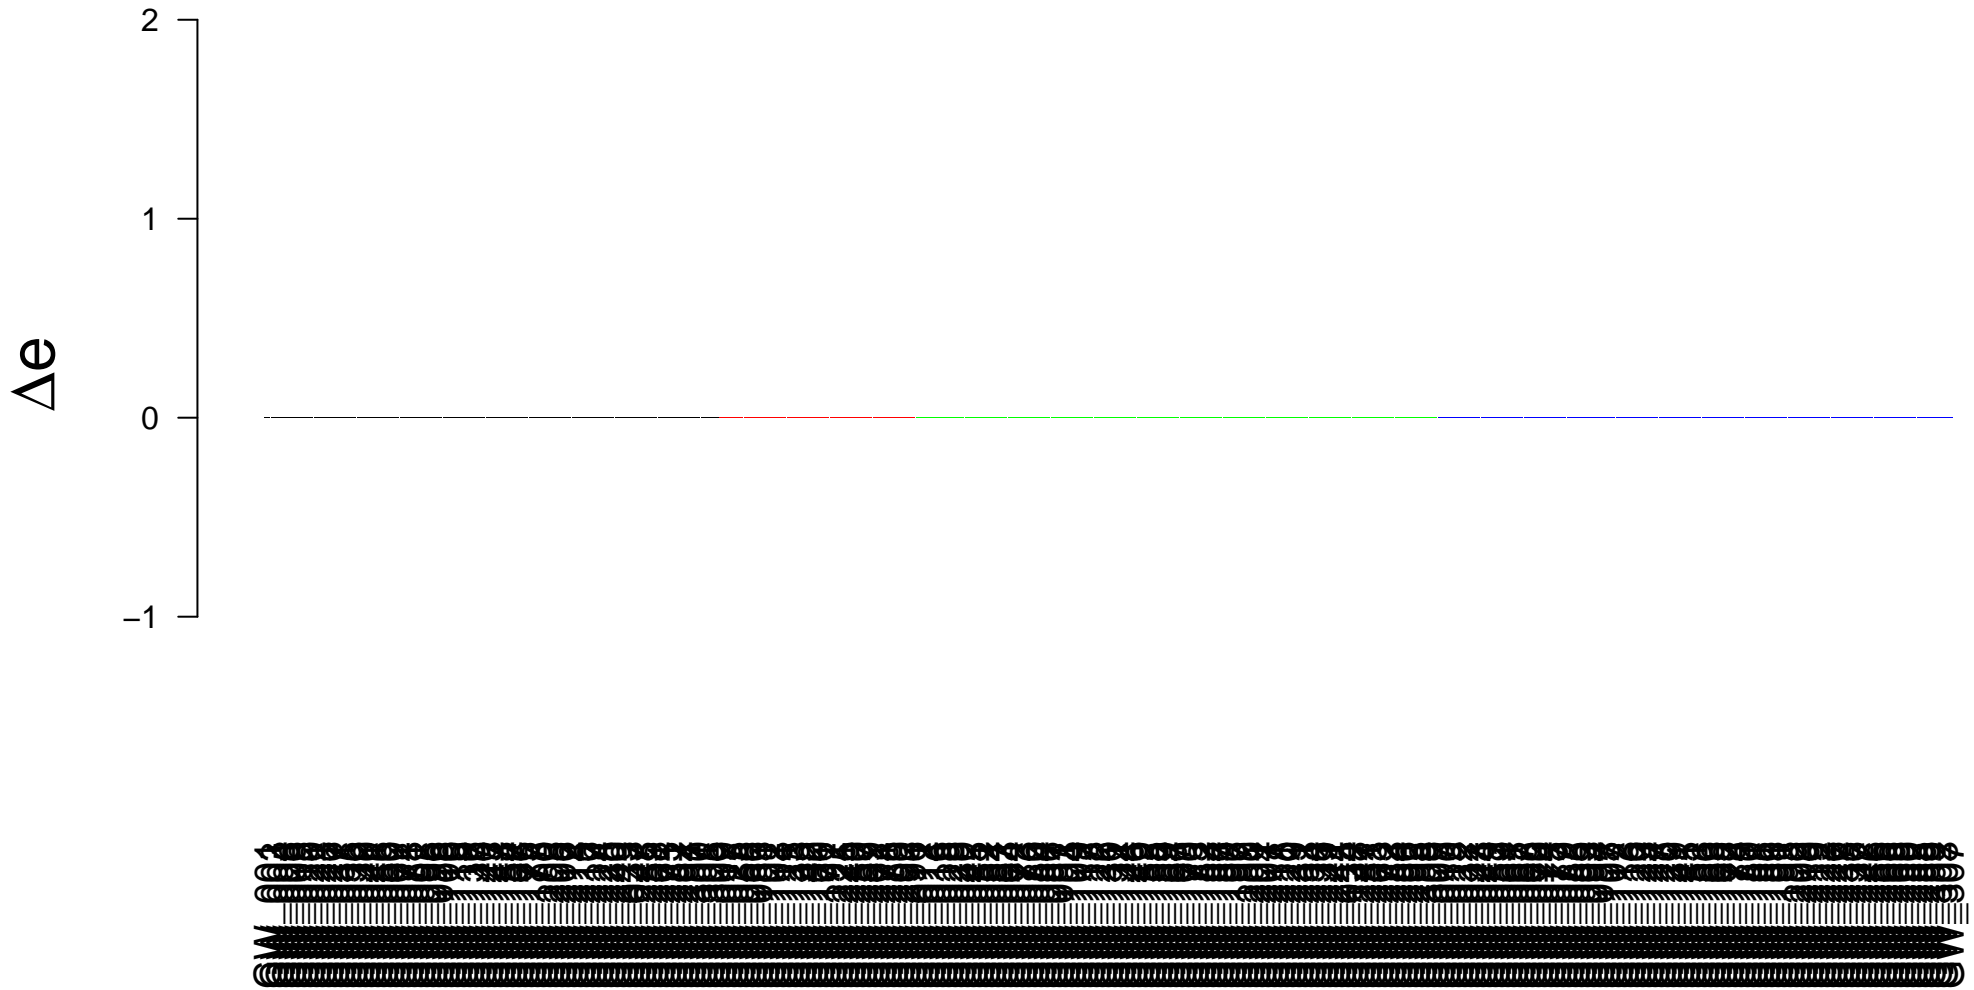

Expression of chloride channel complex in Spot D

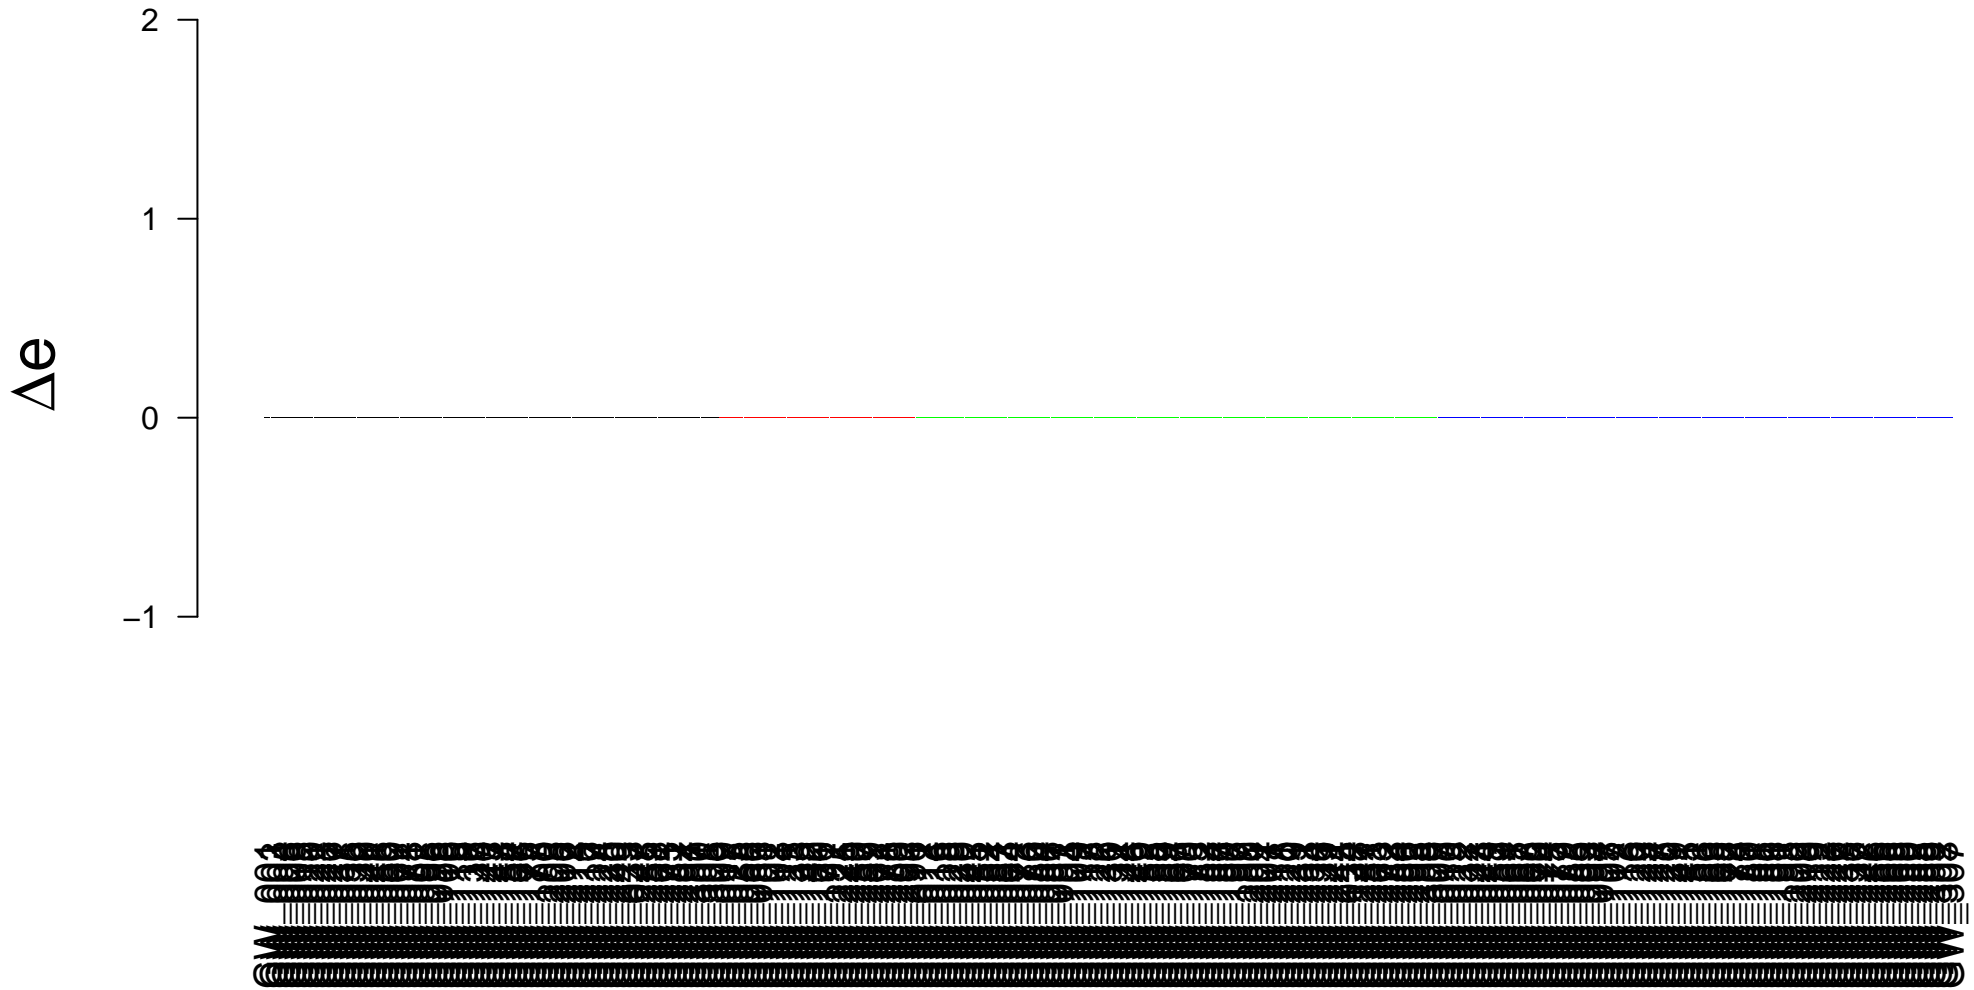

Expression of chloride channel complex in Spot E

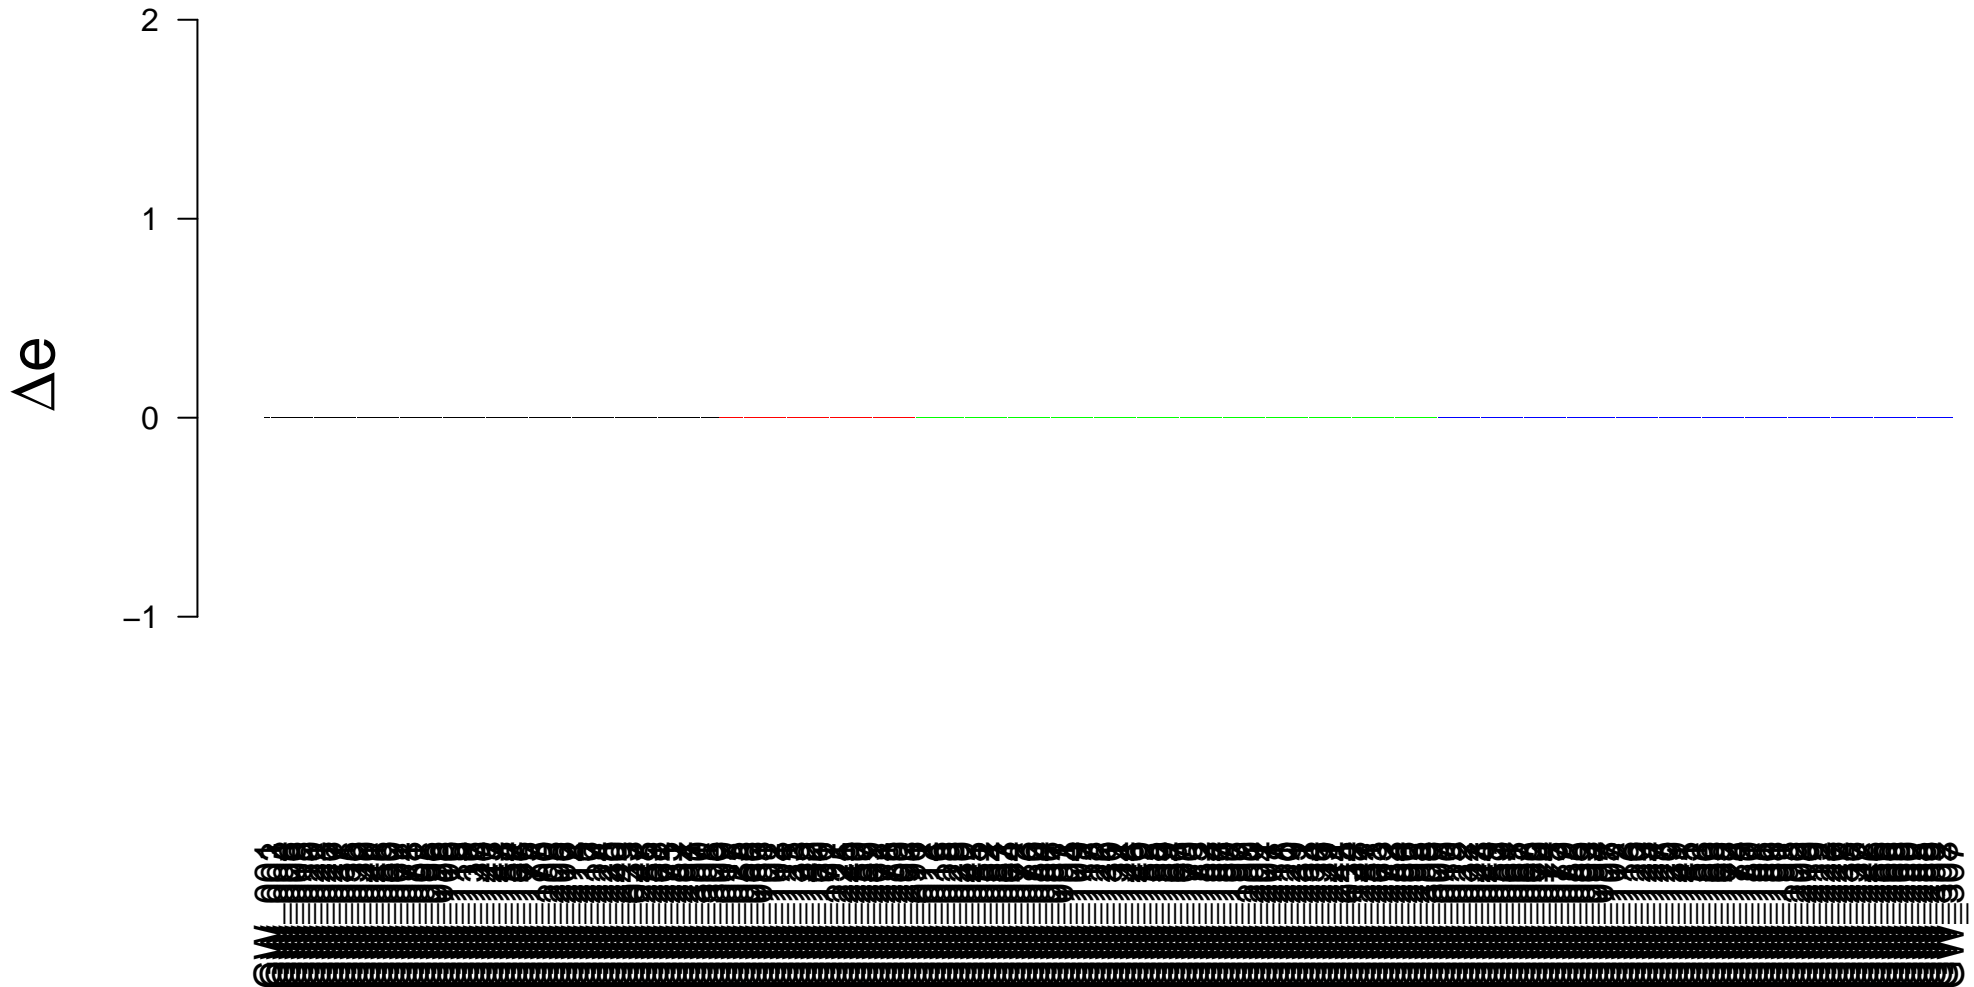

Expression of chloride channel complex in Spot F

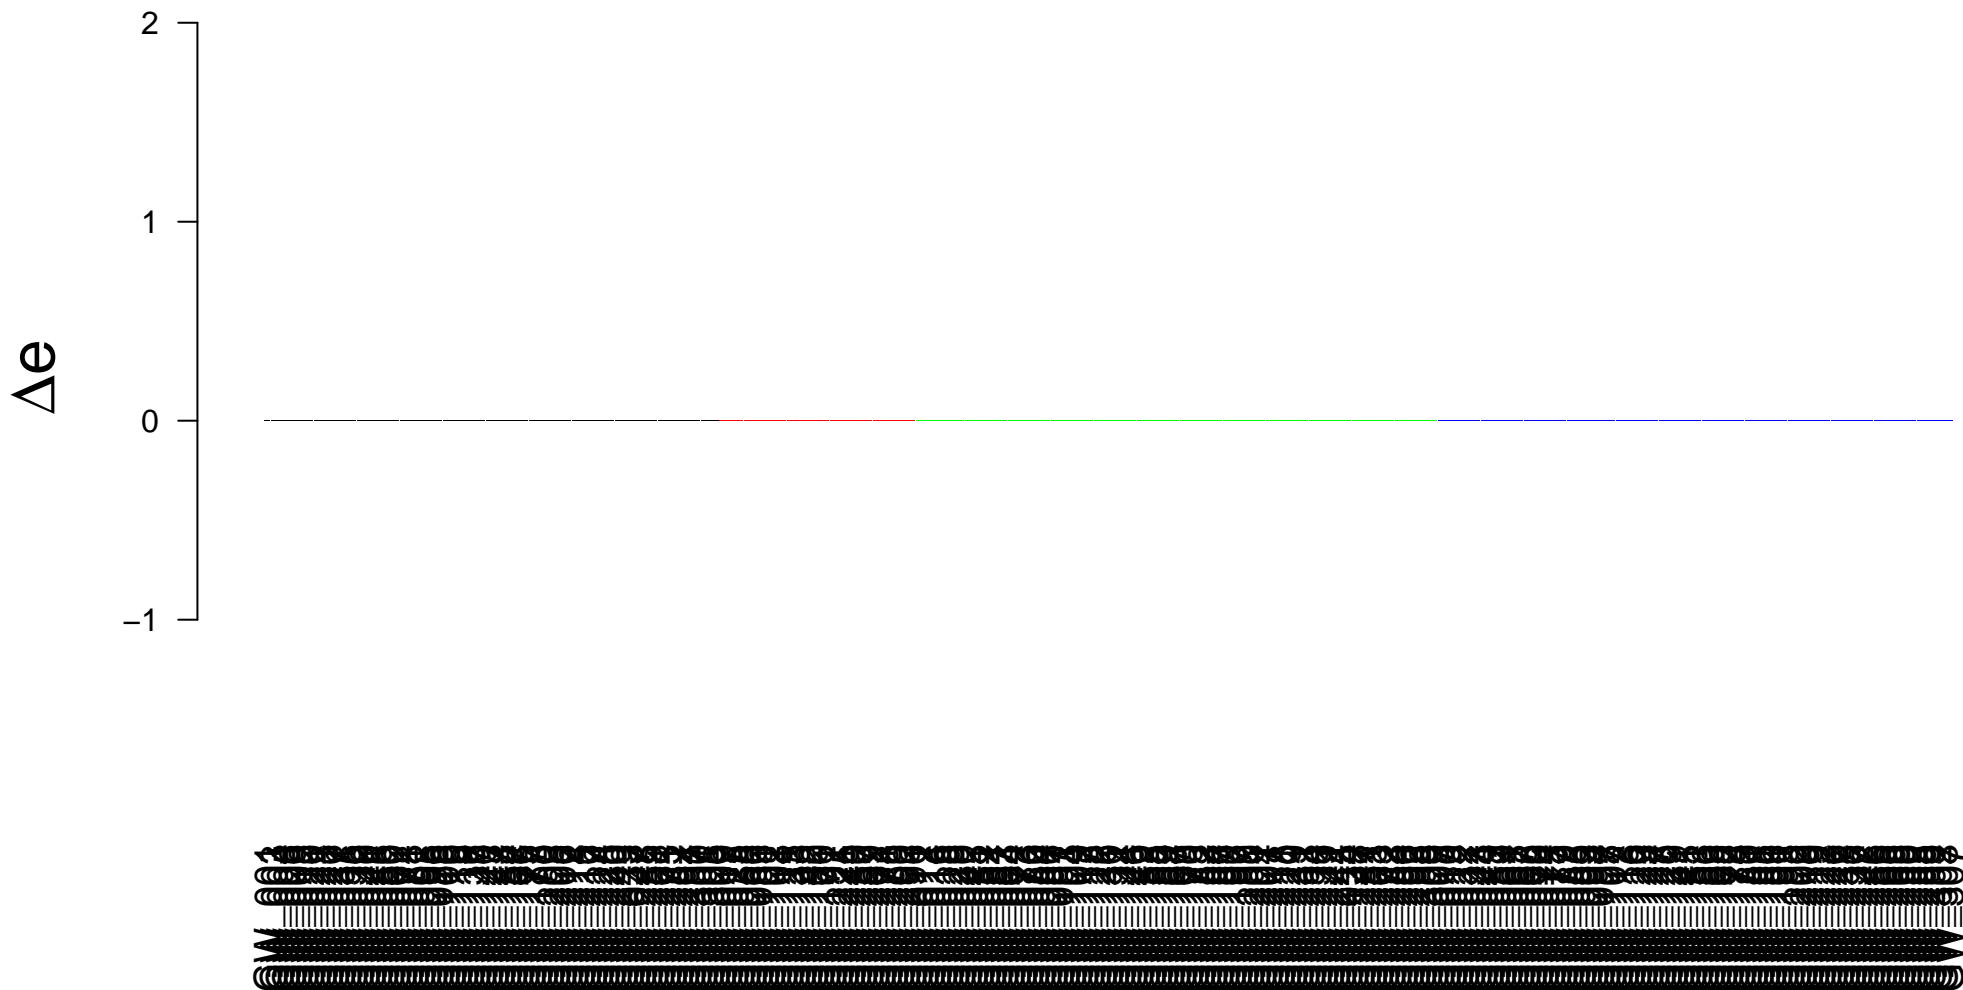

Expression of chloride channel complex in Spot G

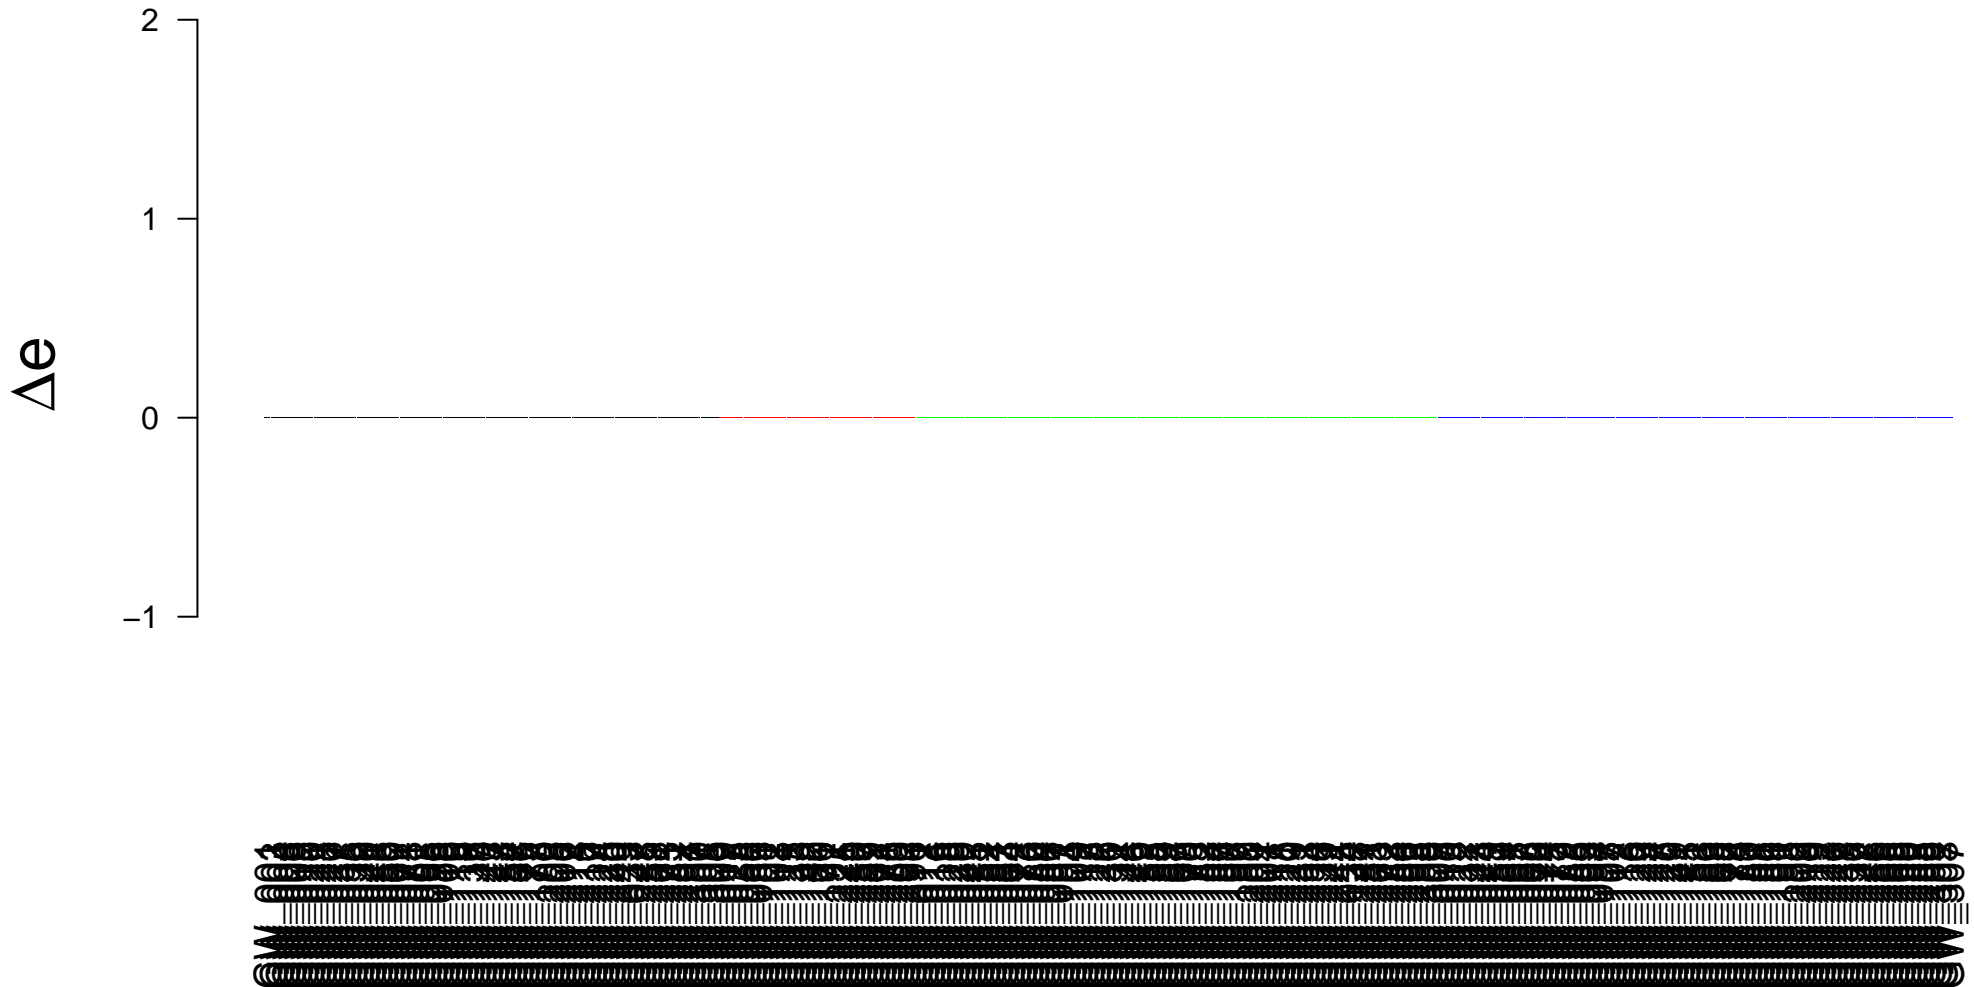

Expression of chloride channel complex in Spot H

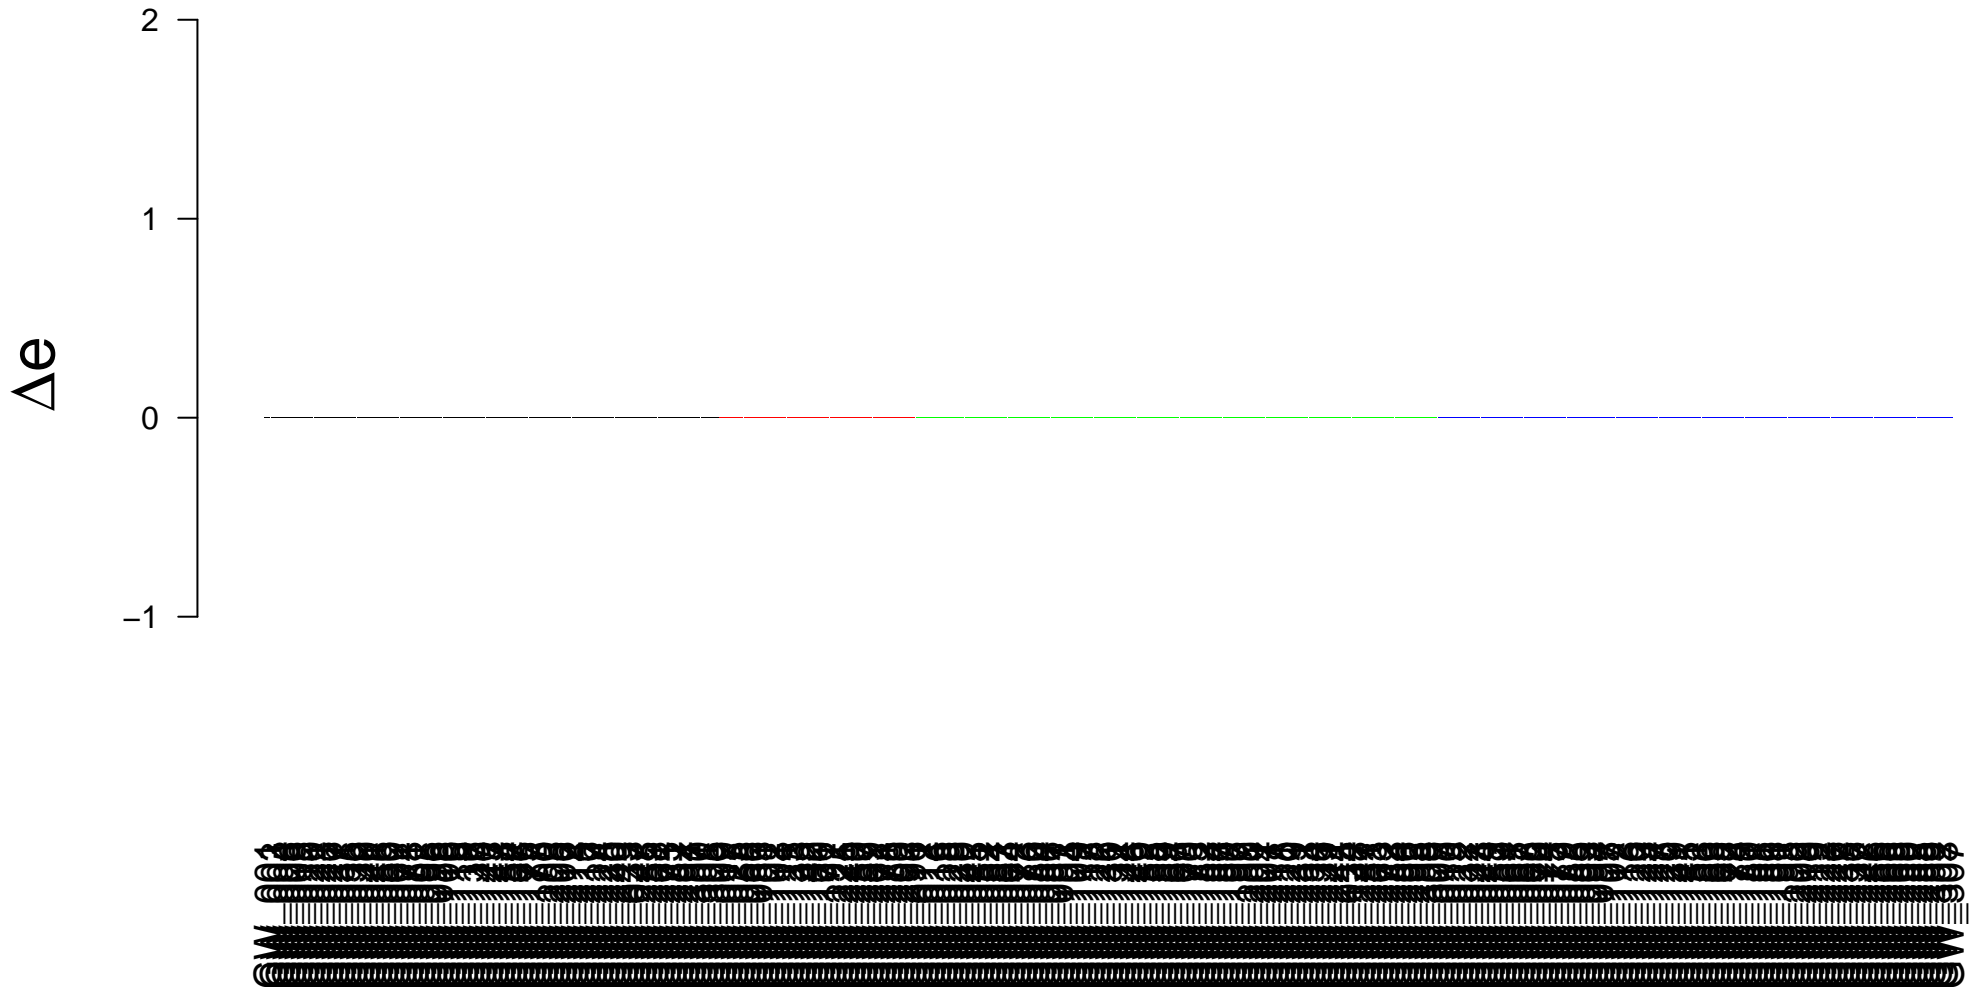

Expression of chloride channel complex in Spot I

Expression of chloride channel complex in Spot J

Expression of chloride channel complex in Spot K

Expression of chloride channel complex in Spot L
