

chondrocyte development

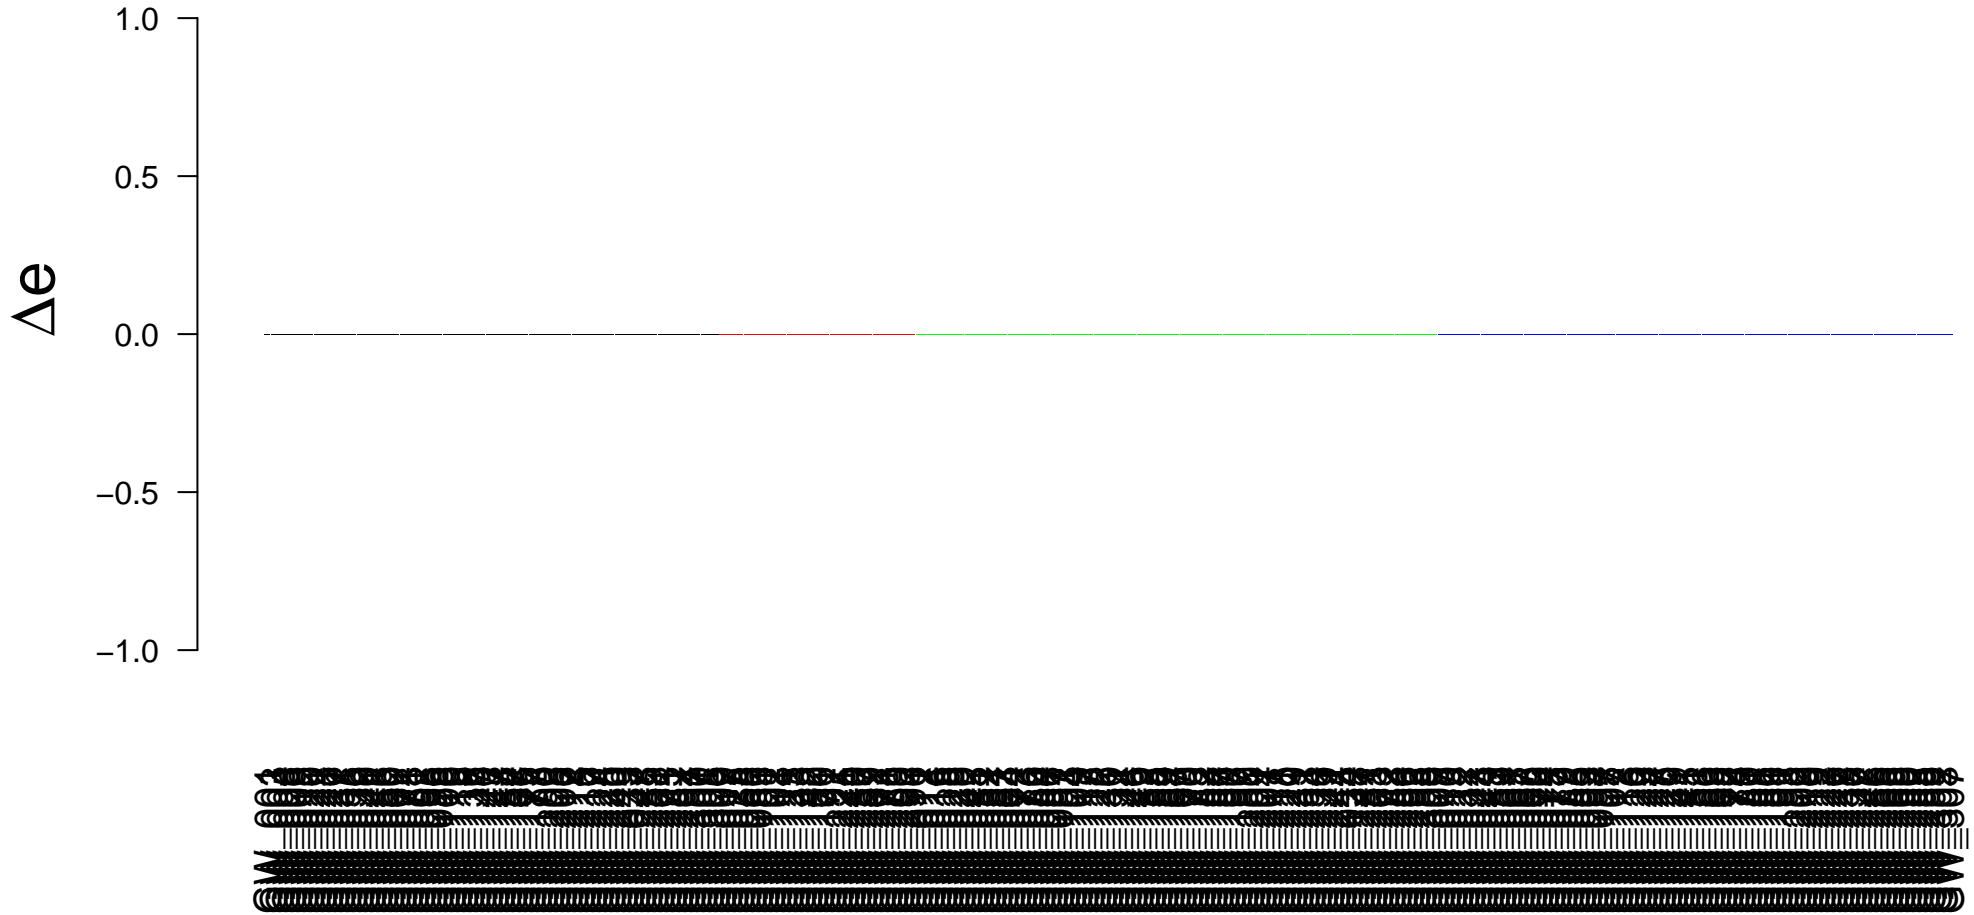

chondrocyte development

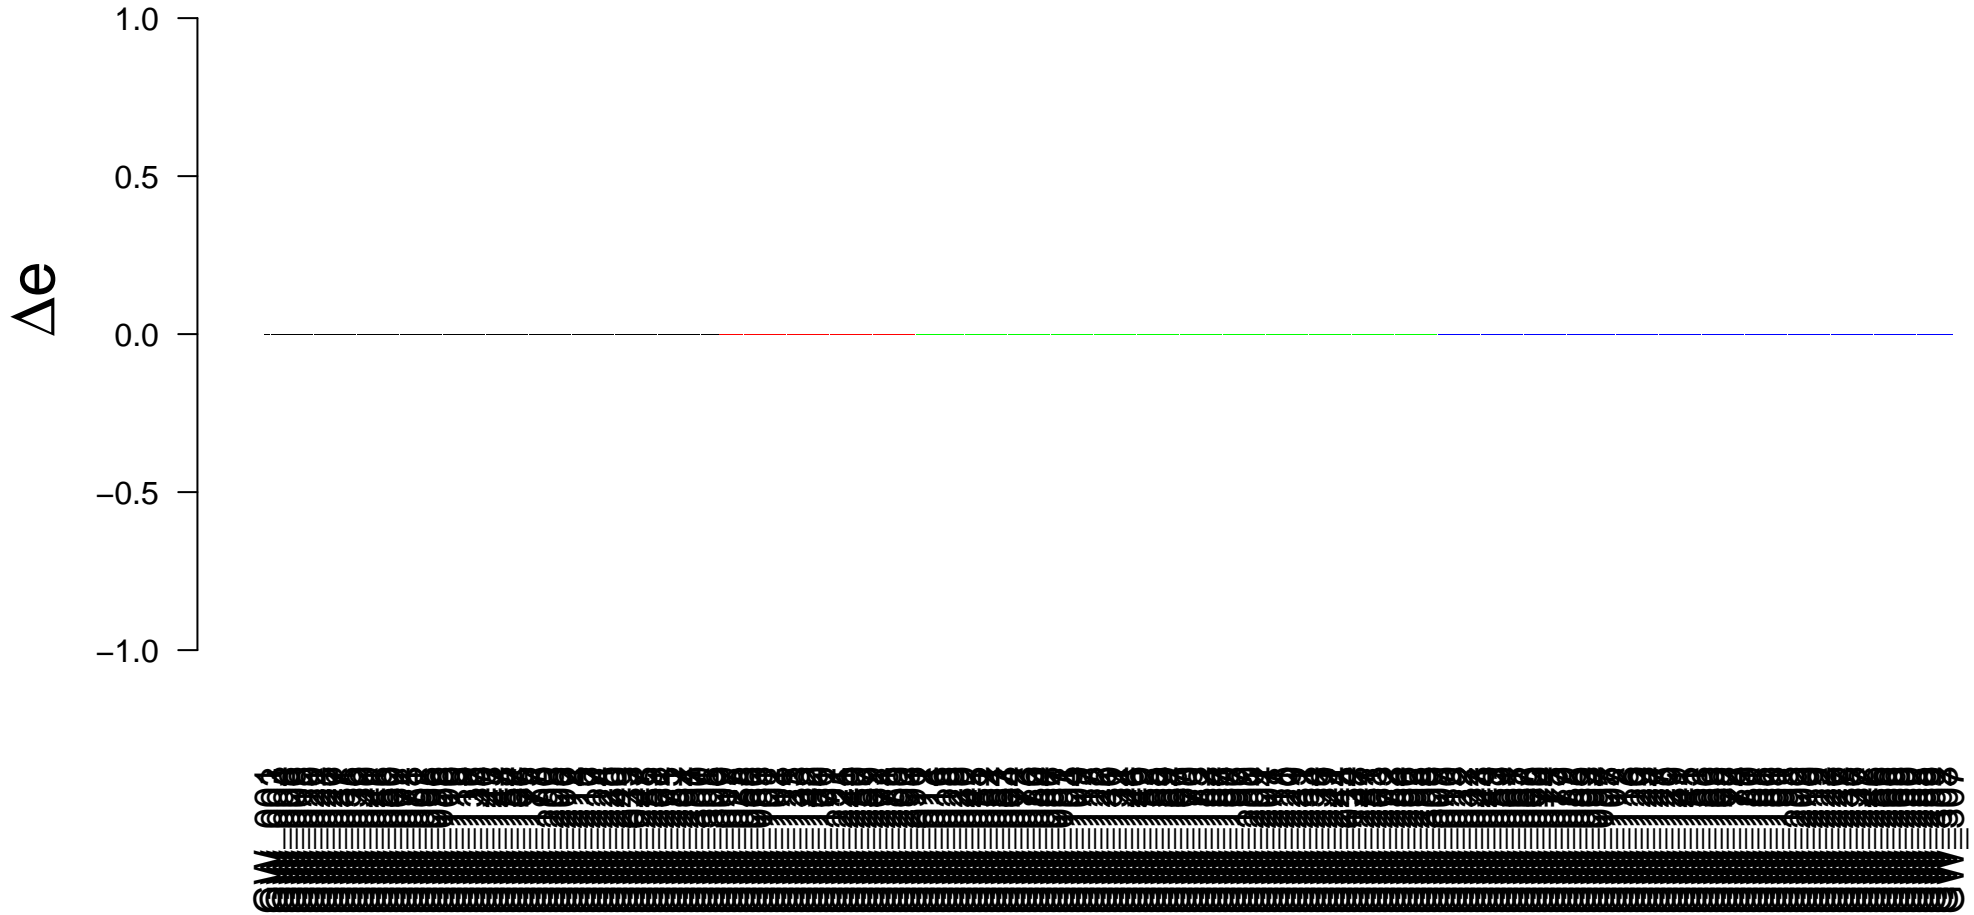

Enrichment in spots: chondrocyte development

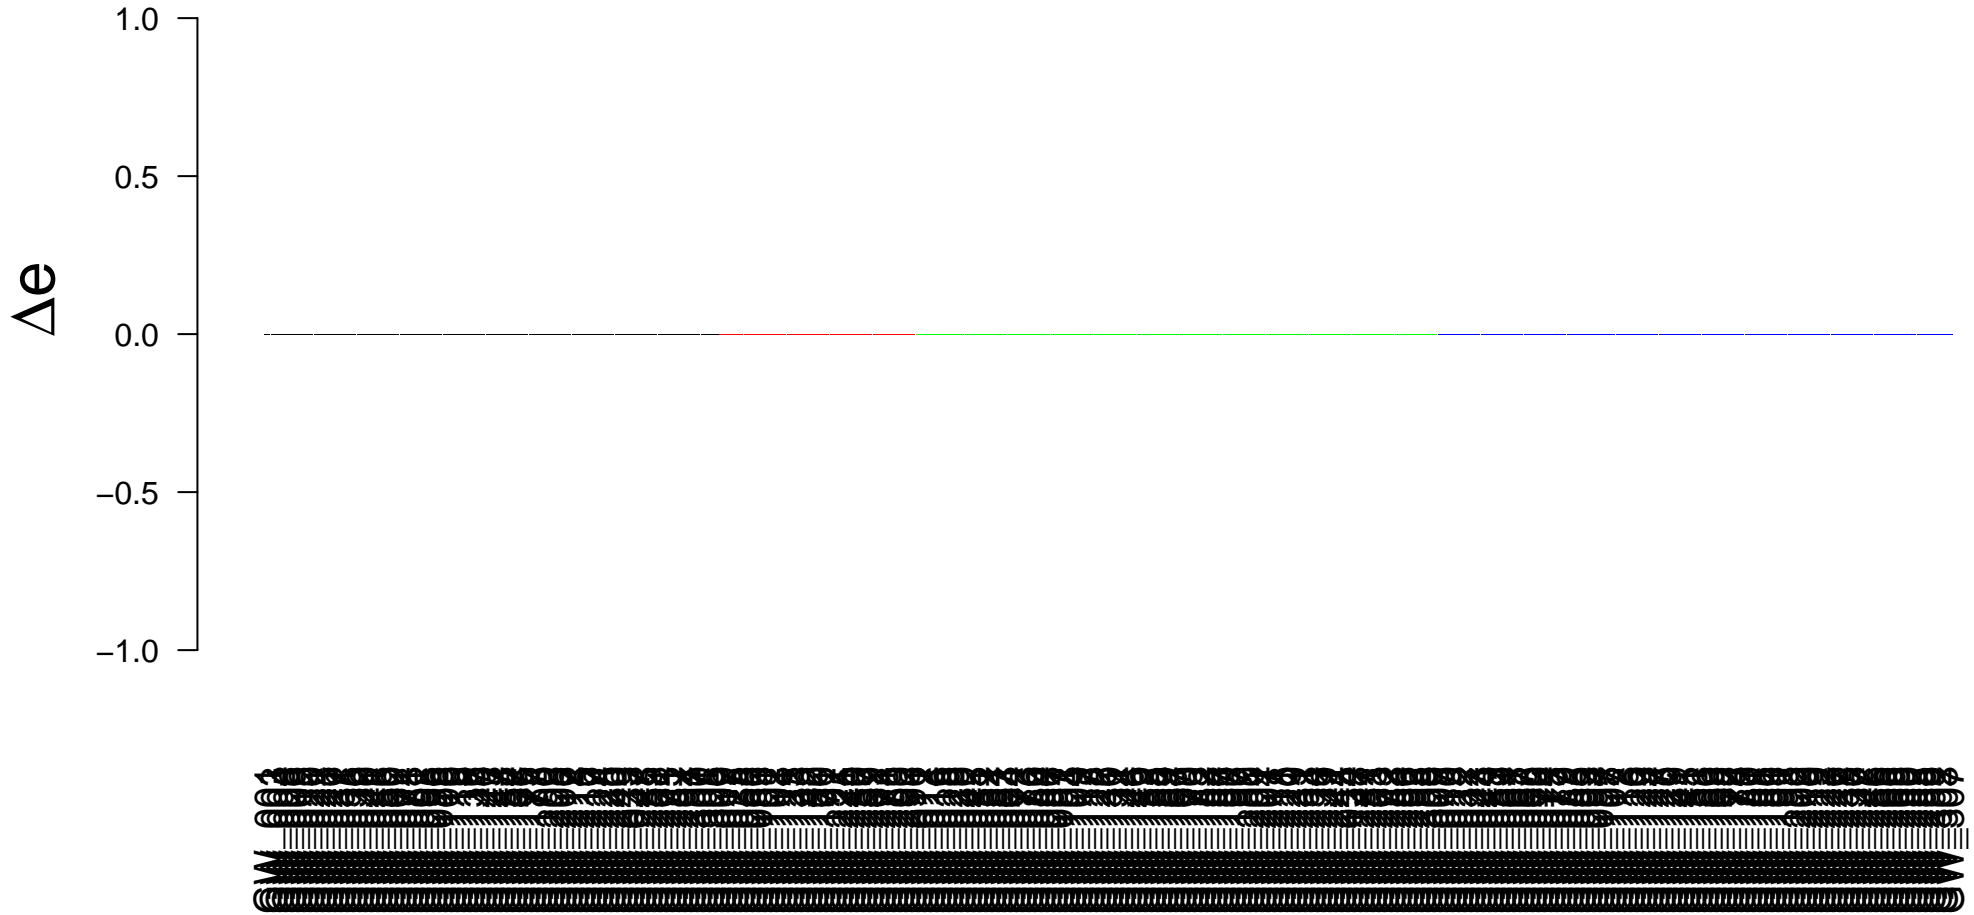

Expression of chondrocyte development in Spot A

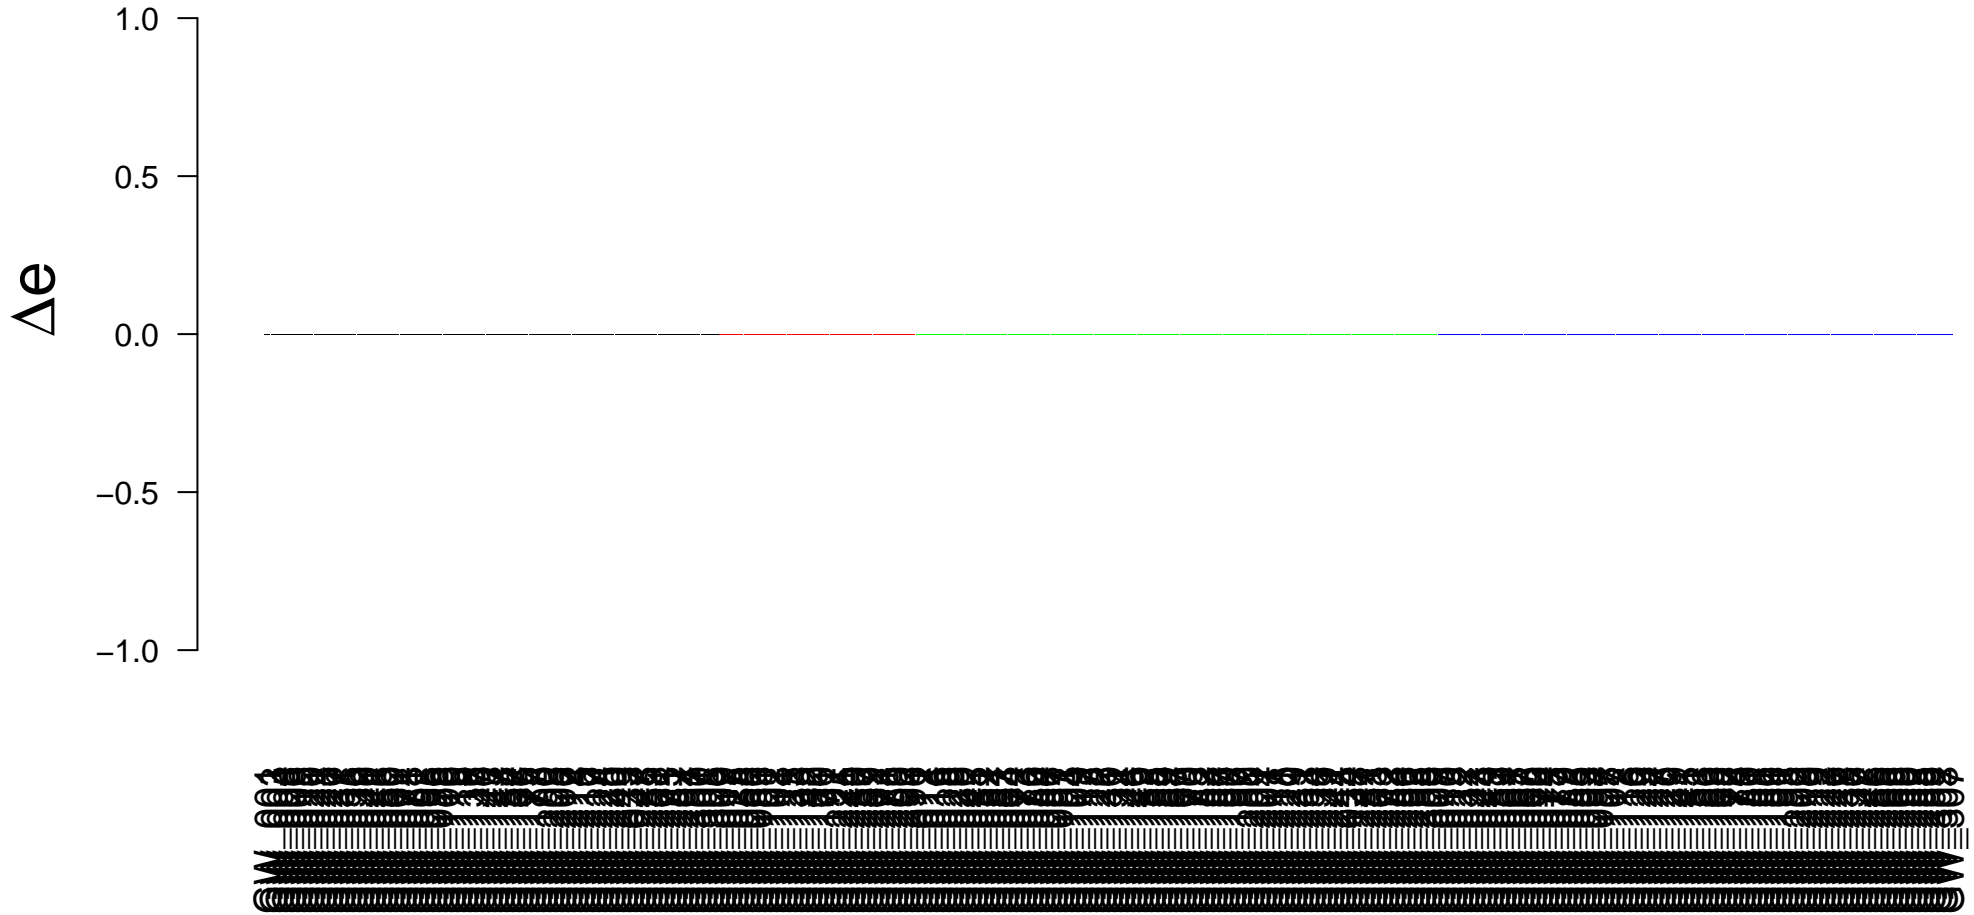

Expression of chondrocyte development in Spot B

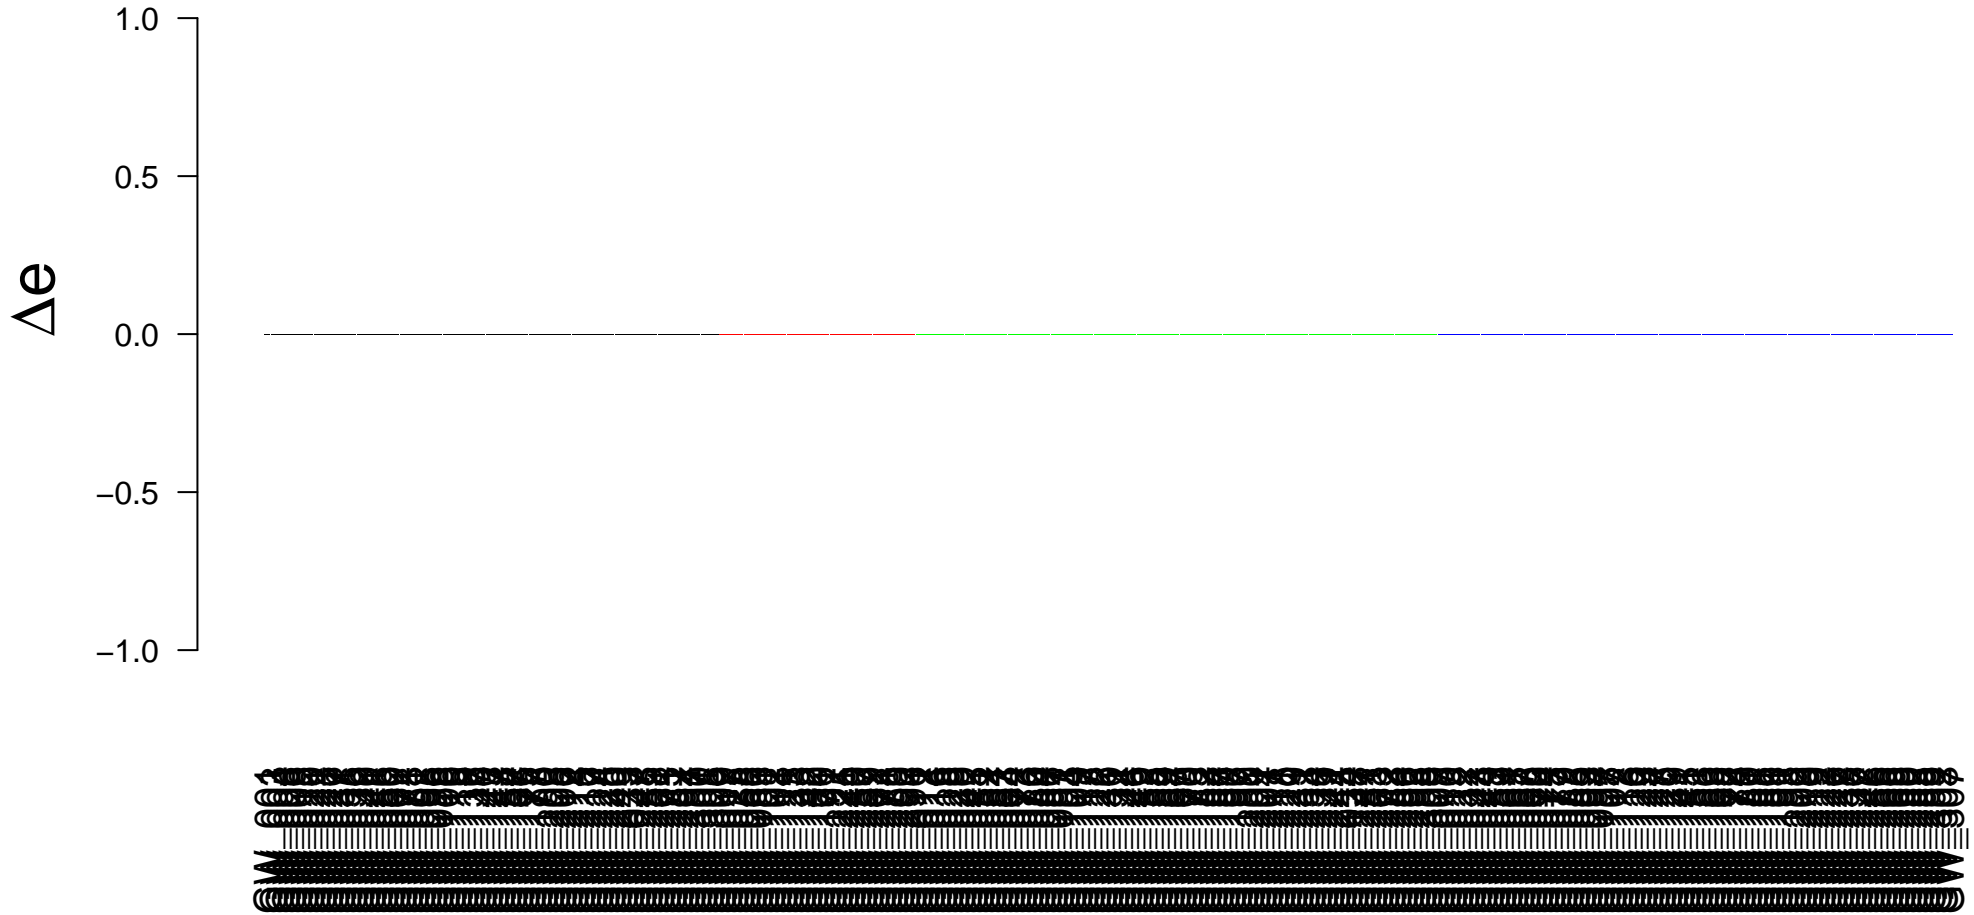

Expression of chondrocyte development in Spot C

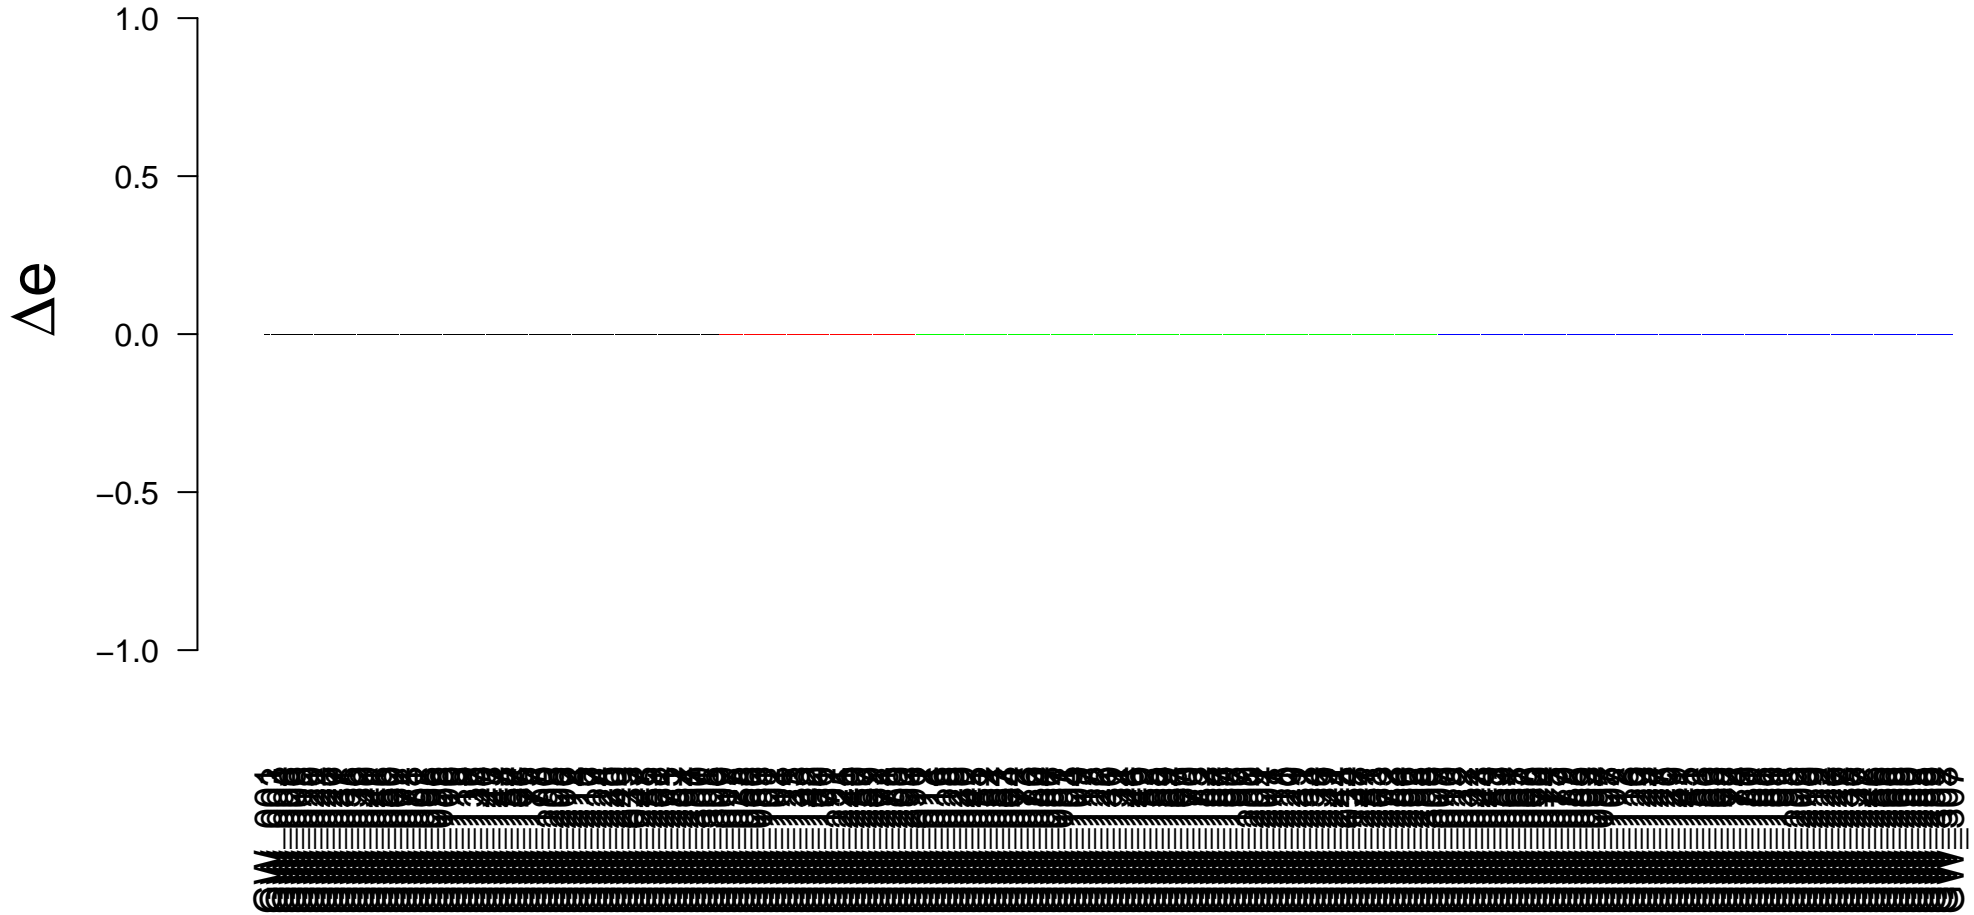

Expression of chondrocyte development in Spot D

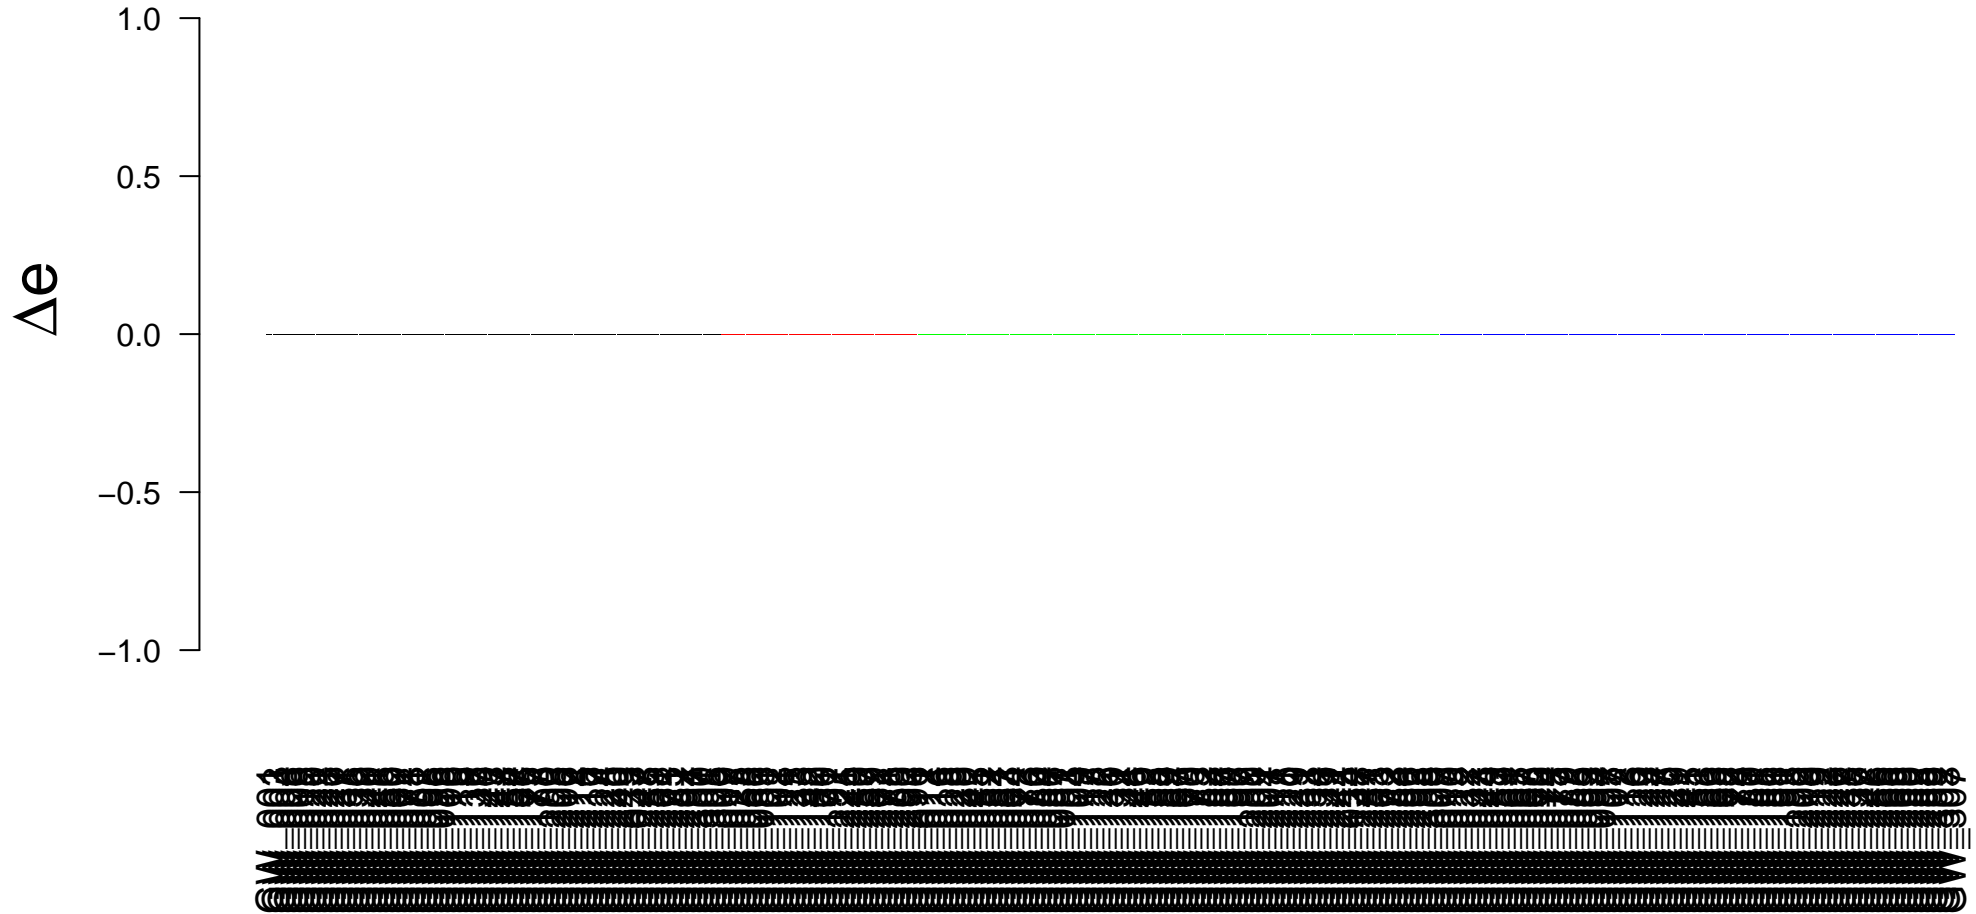

Expression of chondrocyte development in Spot E

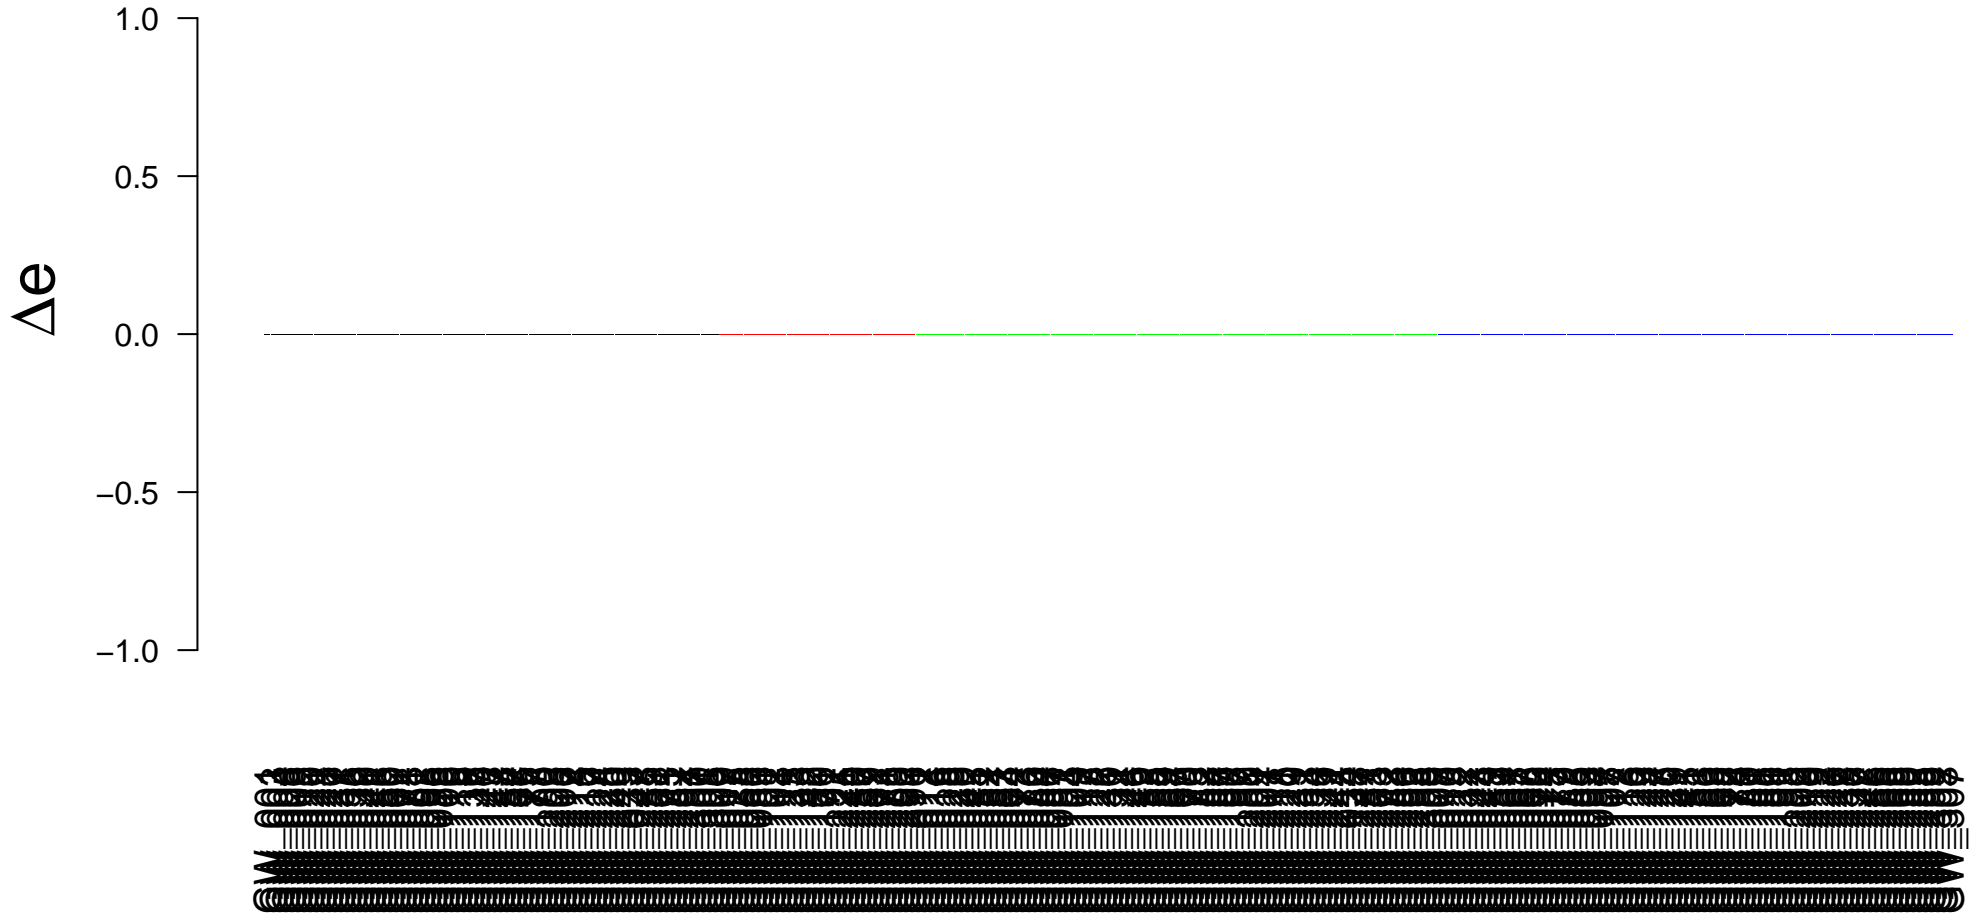

Expression of chondrocyte development in Spot F

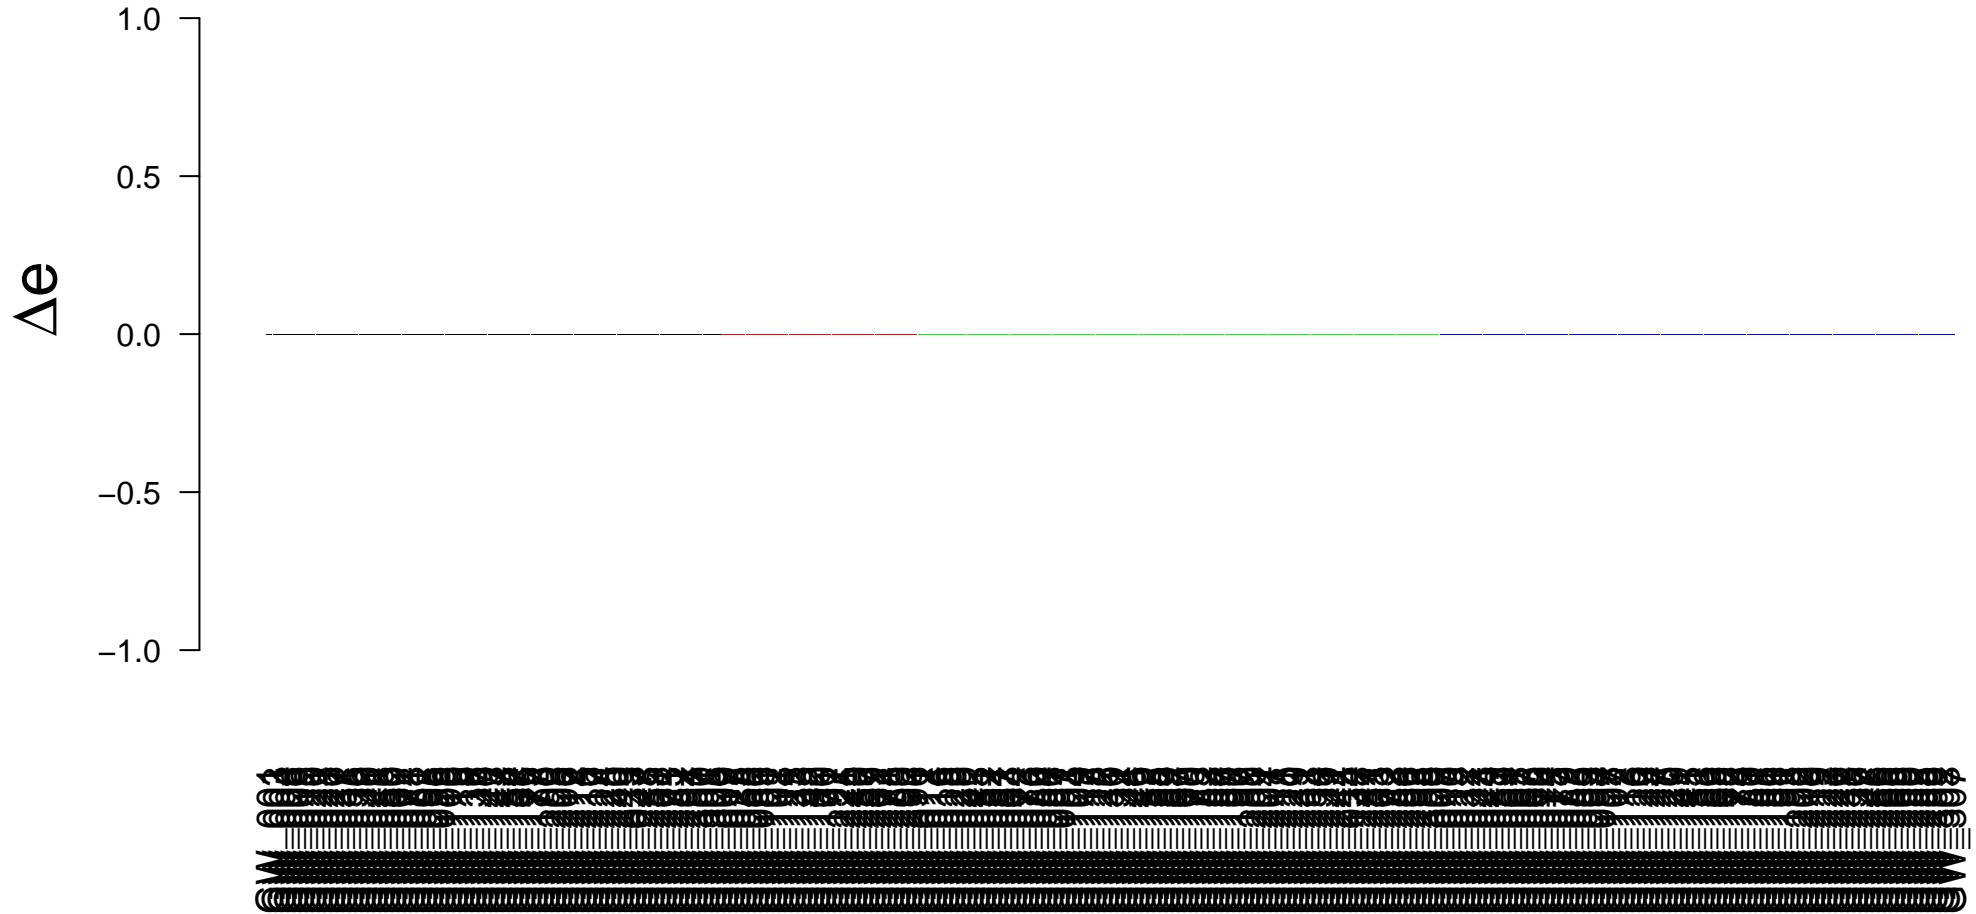

Expression of chondrocyte development in Spot G

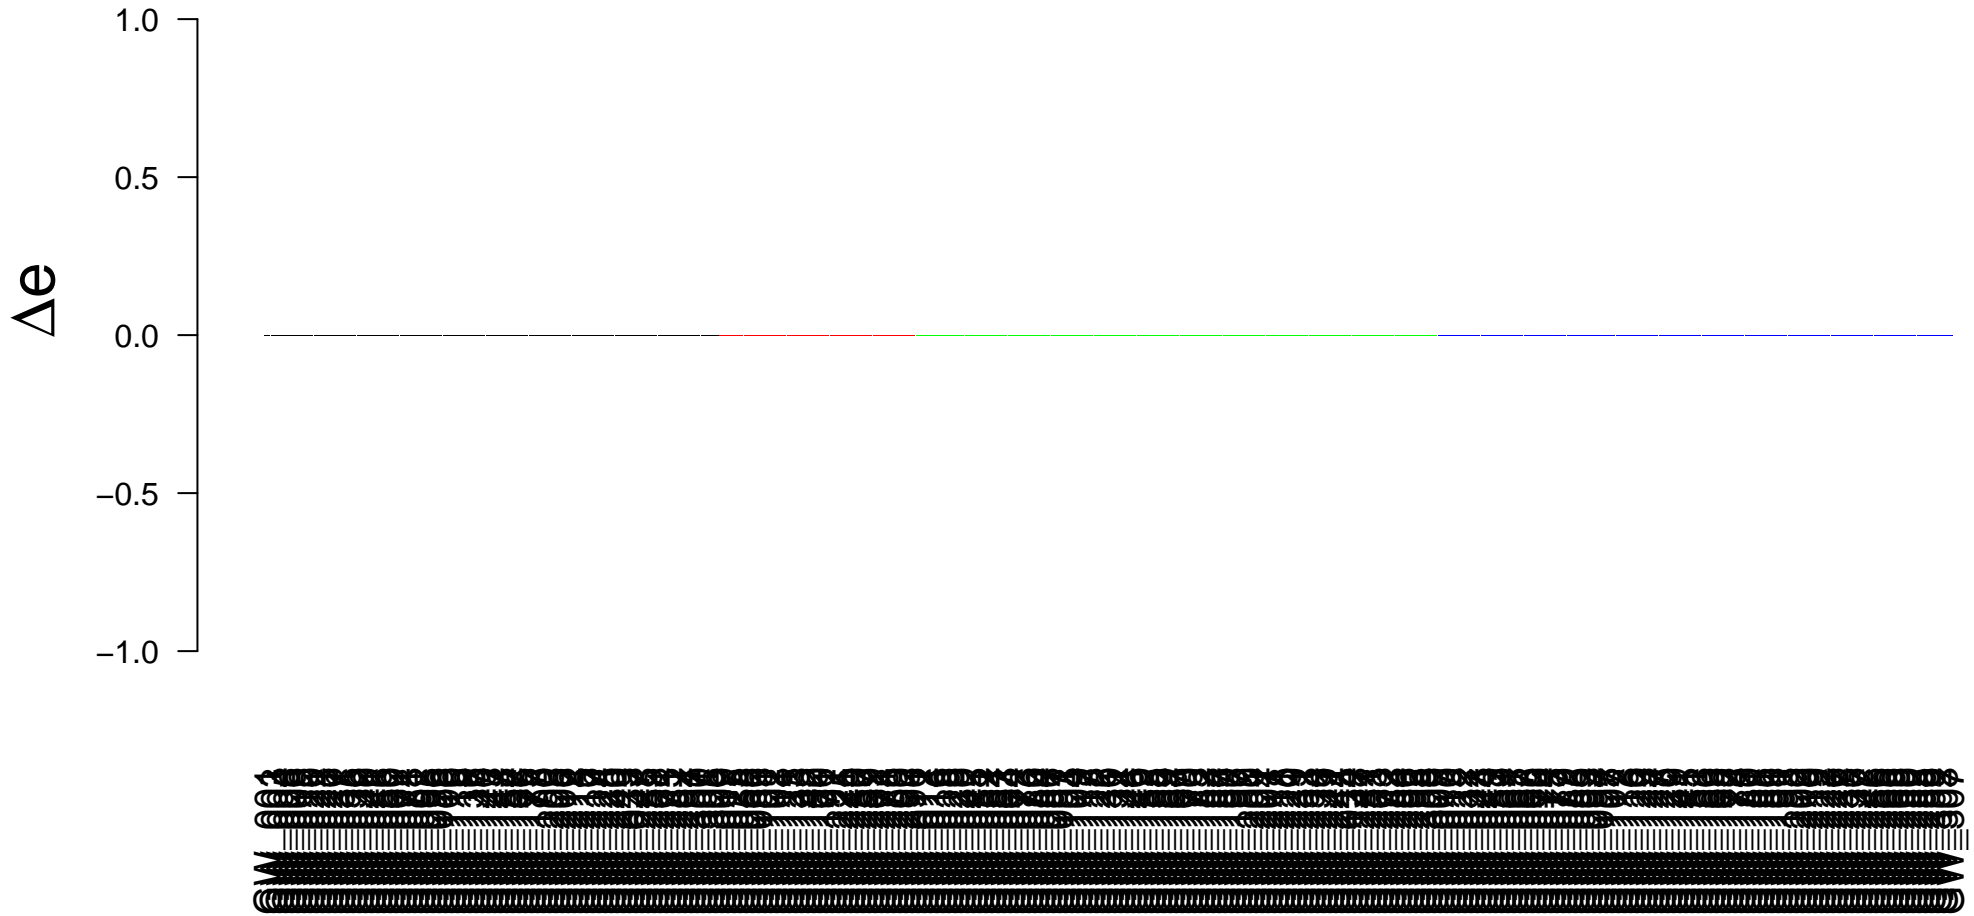

Expression of chondrocyte development in Spot H

Expression of chondrocyte development in Spot I

Expression of chondrocyte development in Spot J

Expression of chondrocyte development in Spot K
