

chondroitin sulfate catabolic process

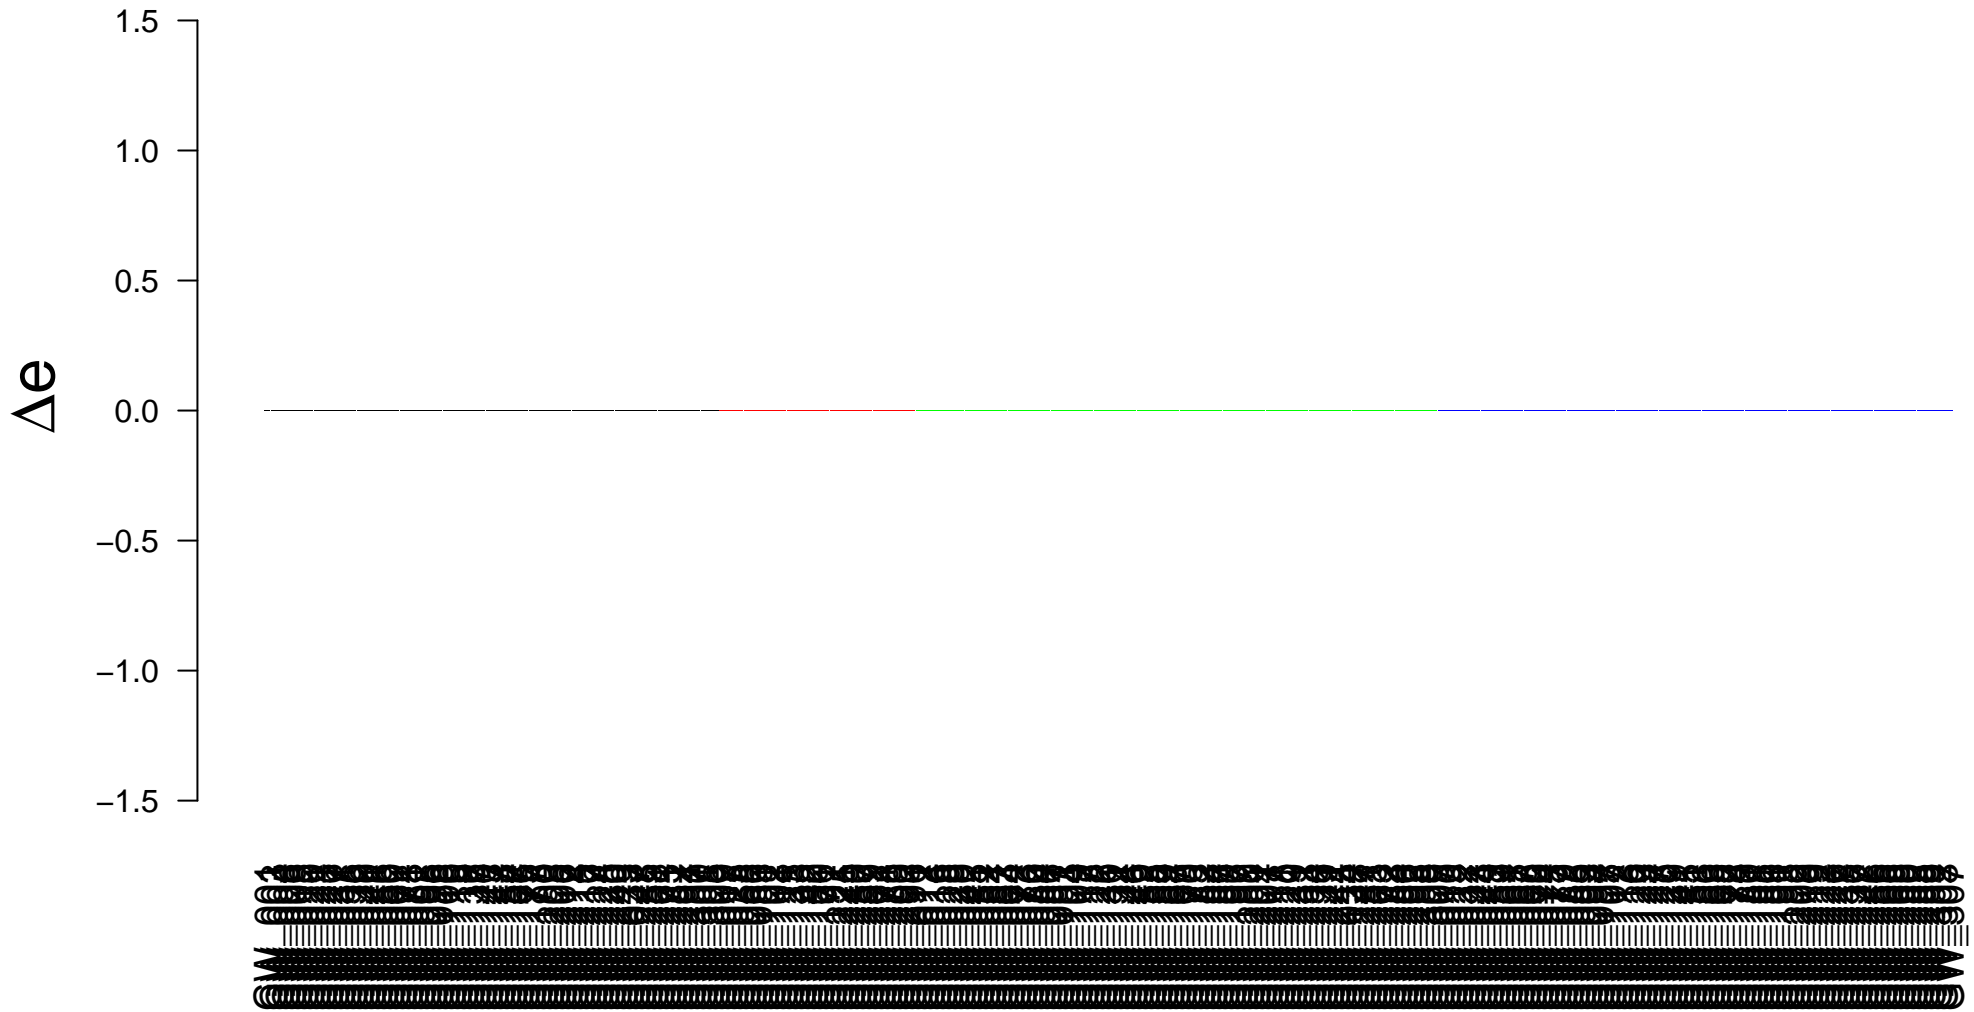

chondroitin sulfate catabolic process

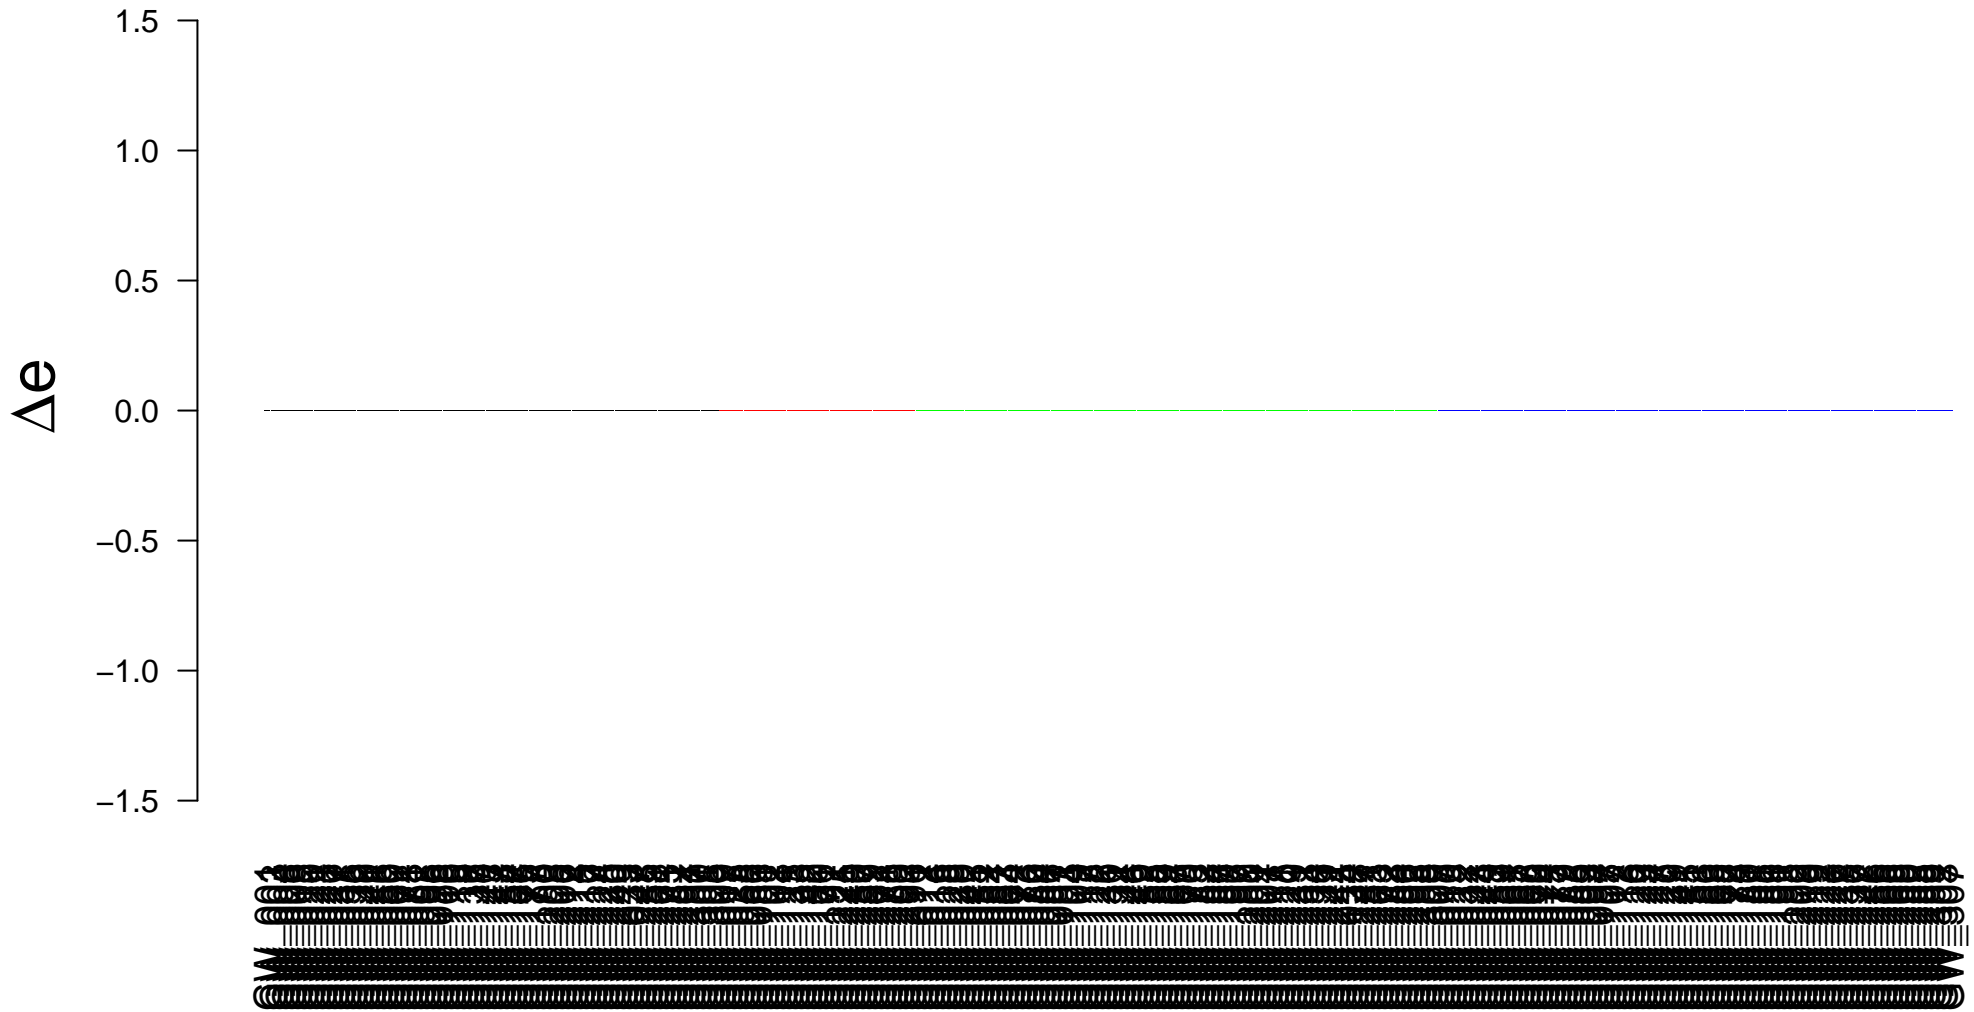

Enrichment in spots: chondroitin sulfate catabolic process

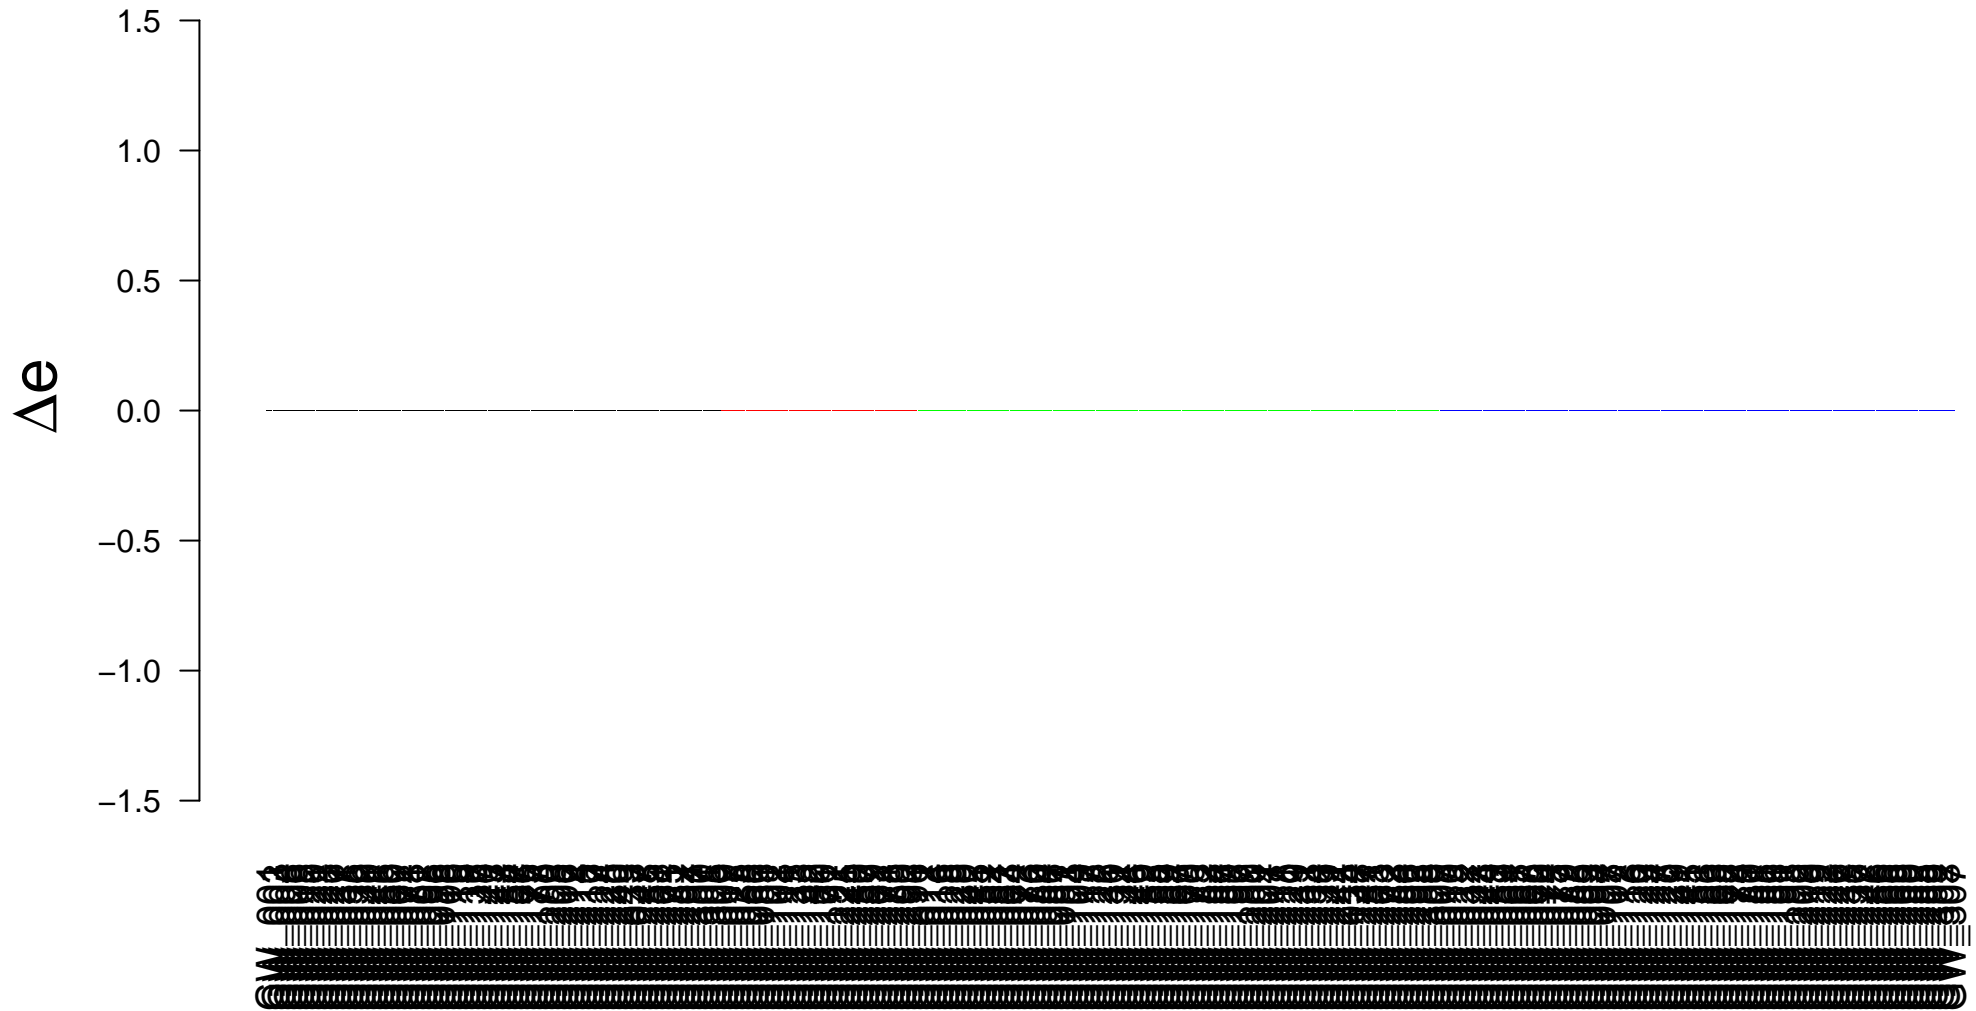

Expression of chondroitin sulfate catabolic process in Spot A

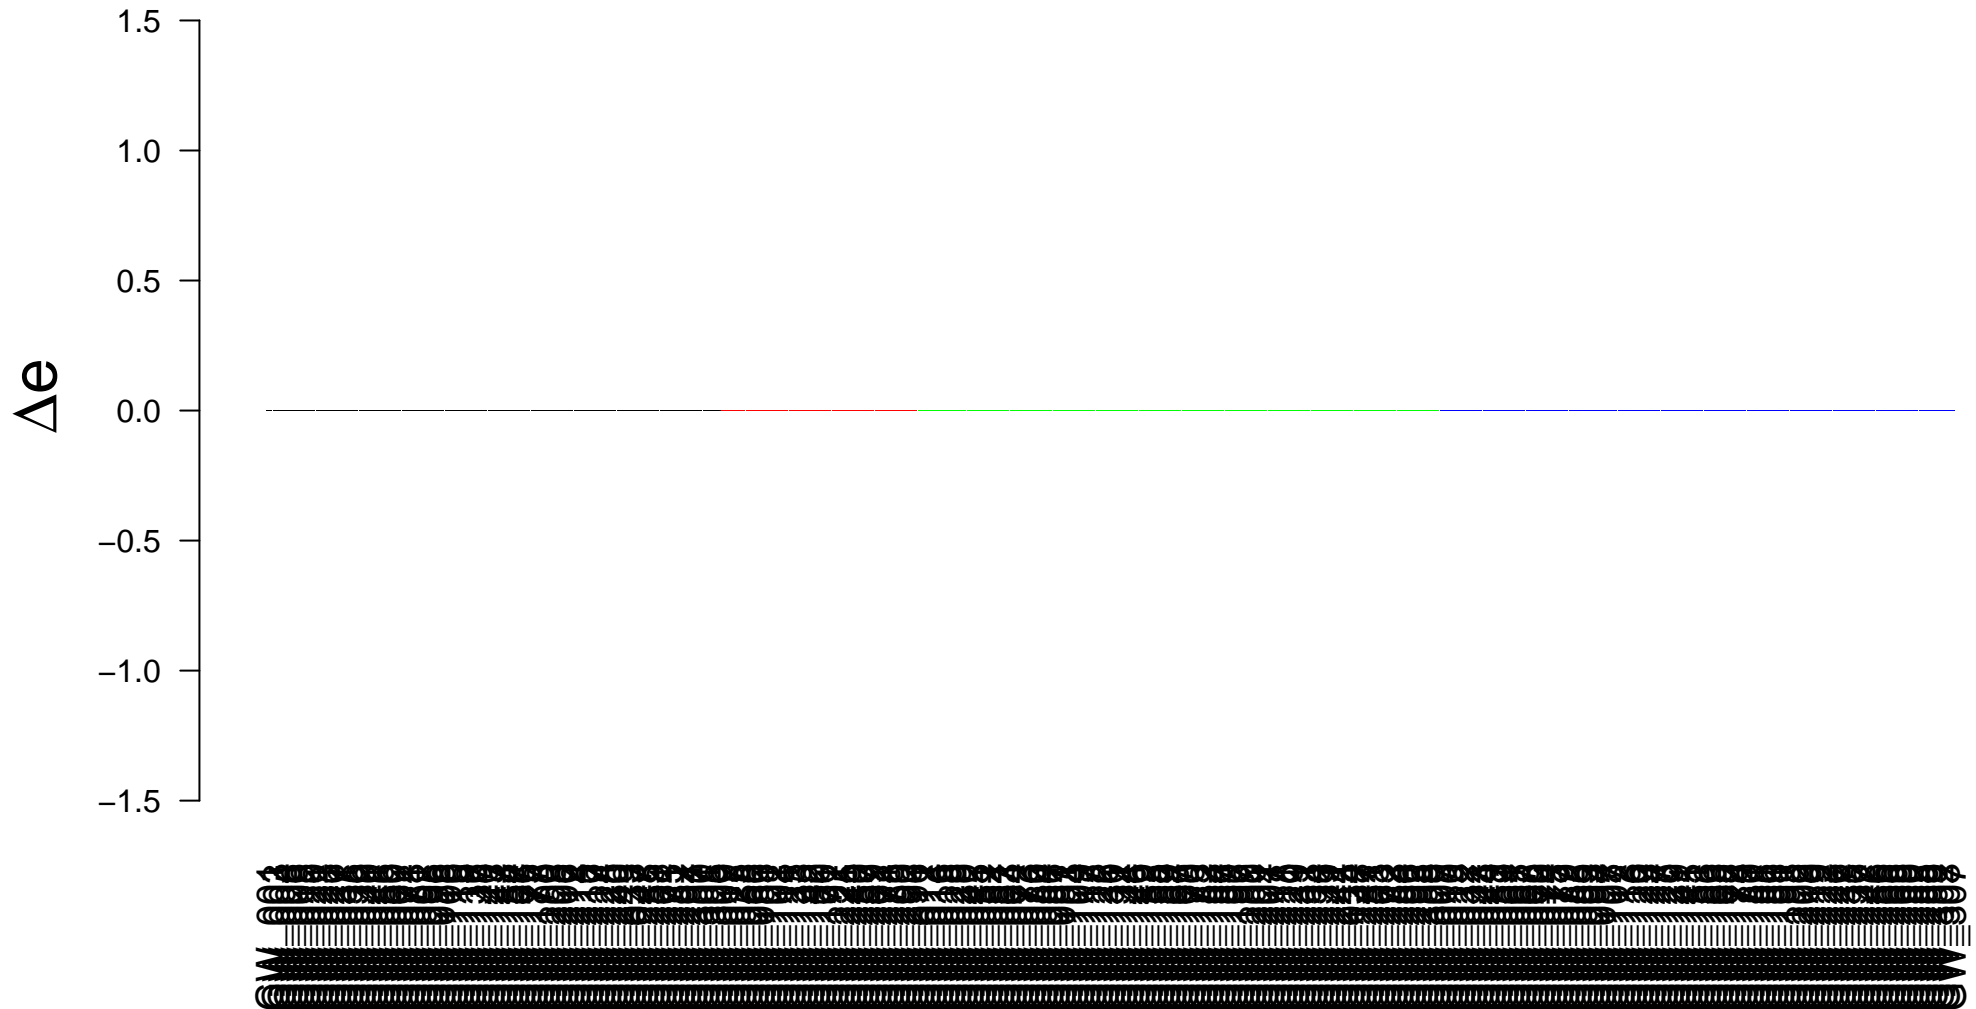

Expression of chondroitin sulfate catabolic process in Spot B

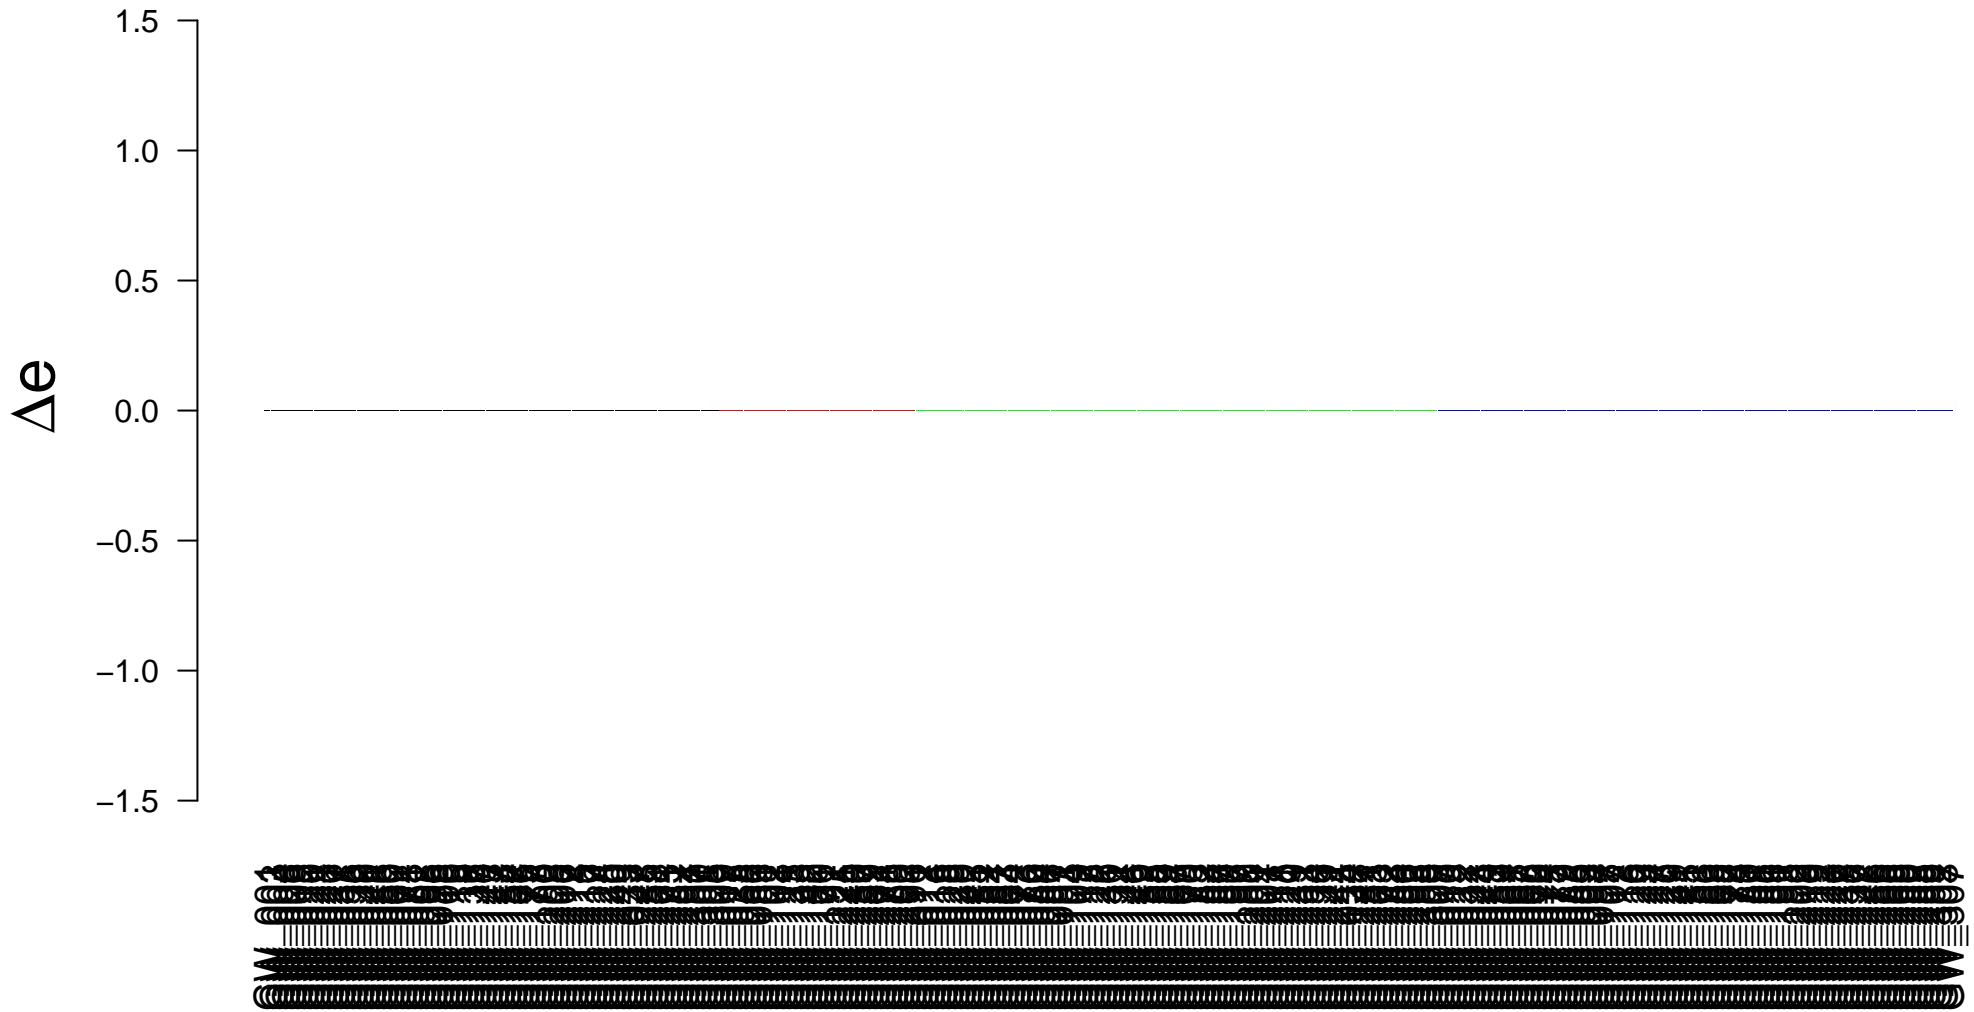

Expression of chondroitin sulfate catabolic process in Spot C

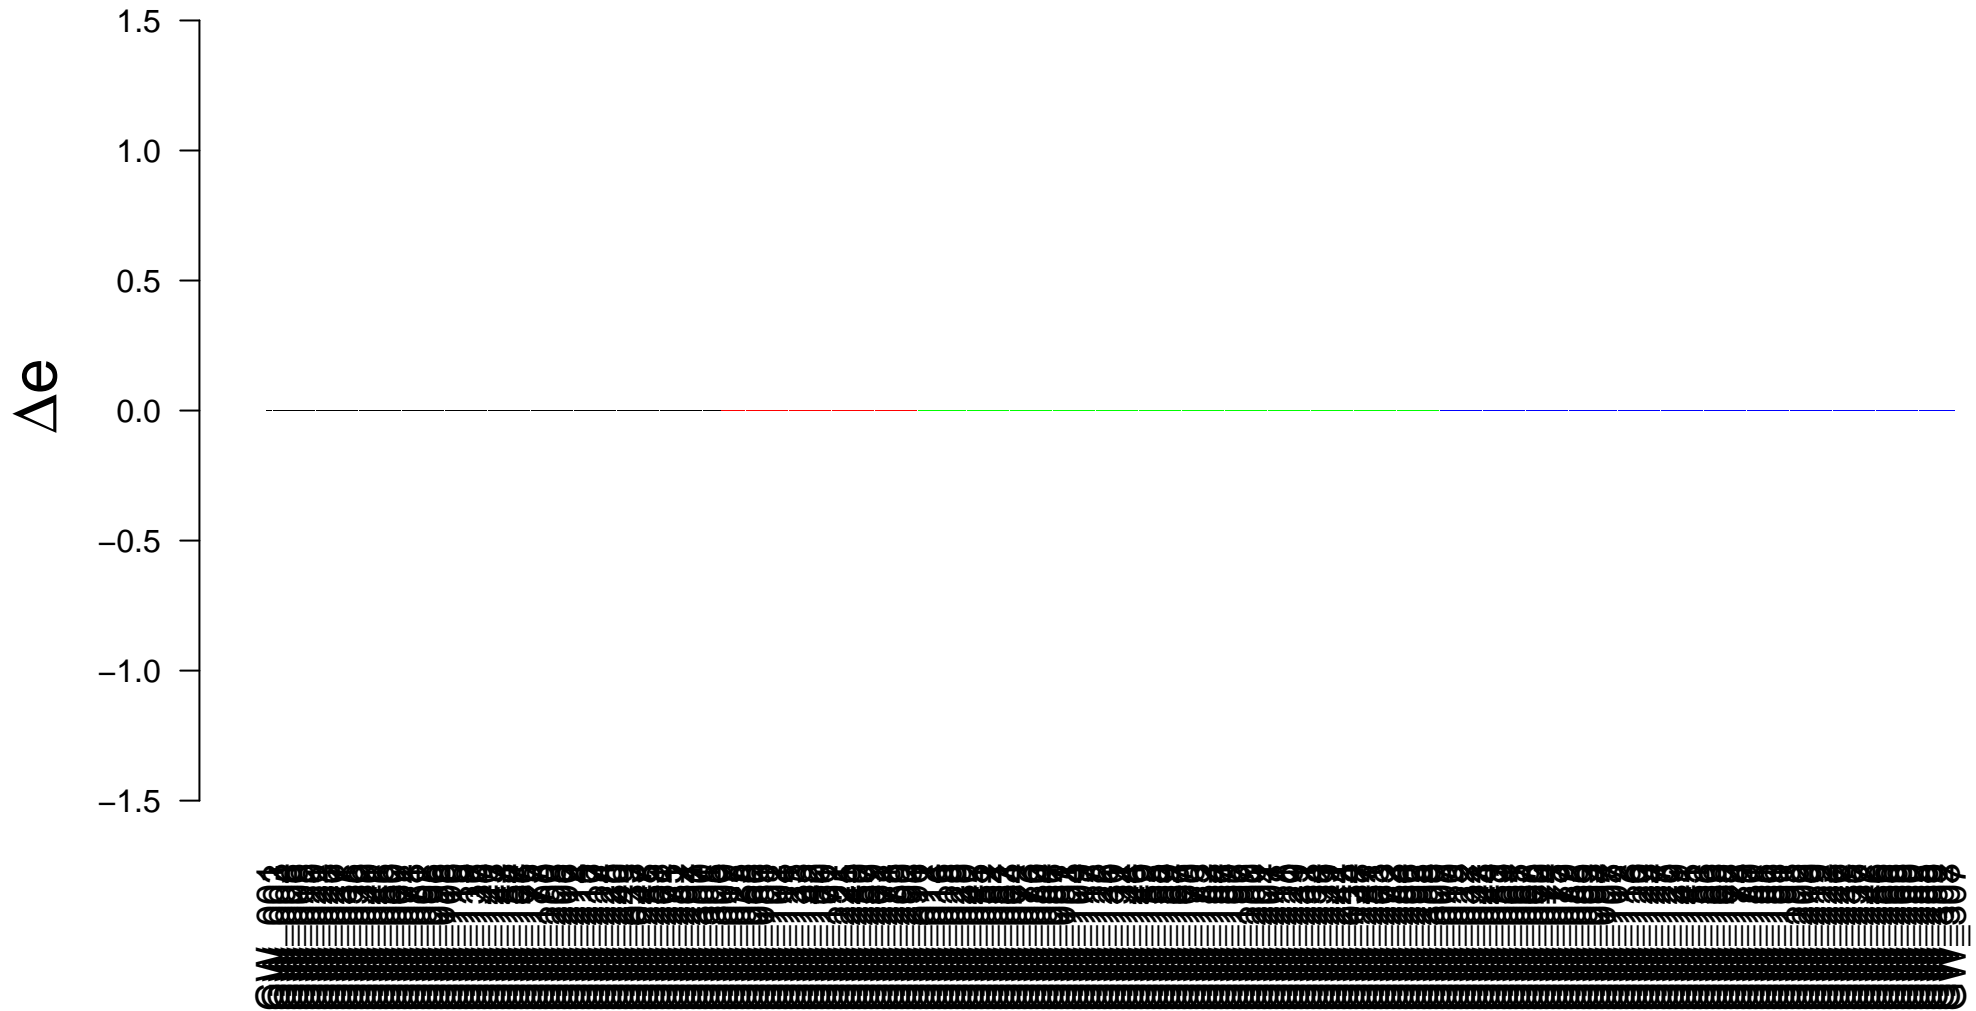

Expression of chondroitin sulfate catabolic process in Spot D

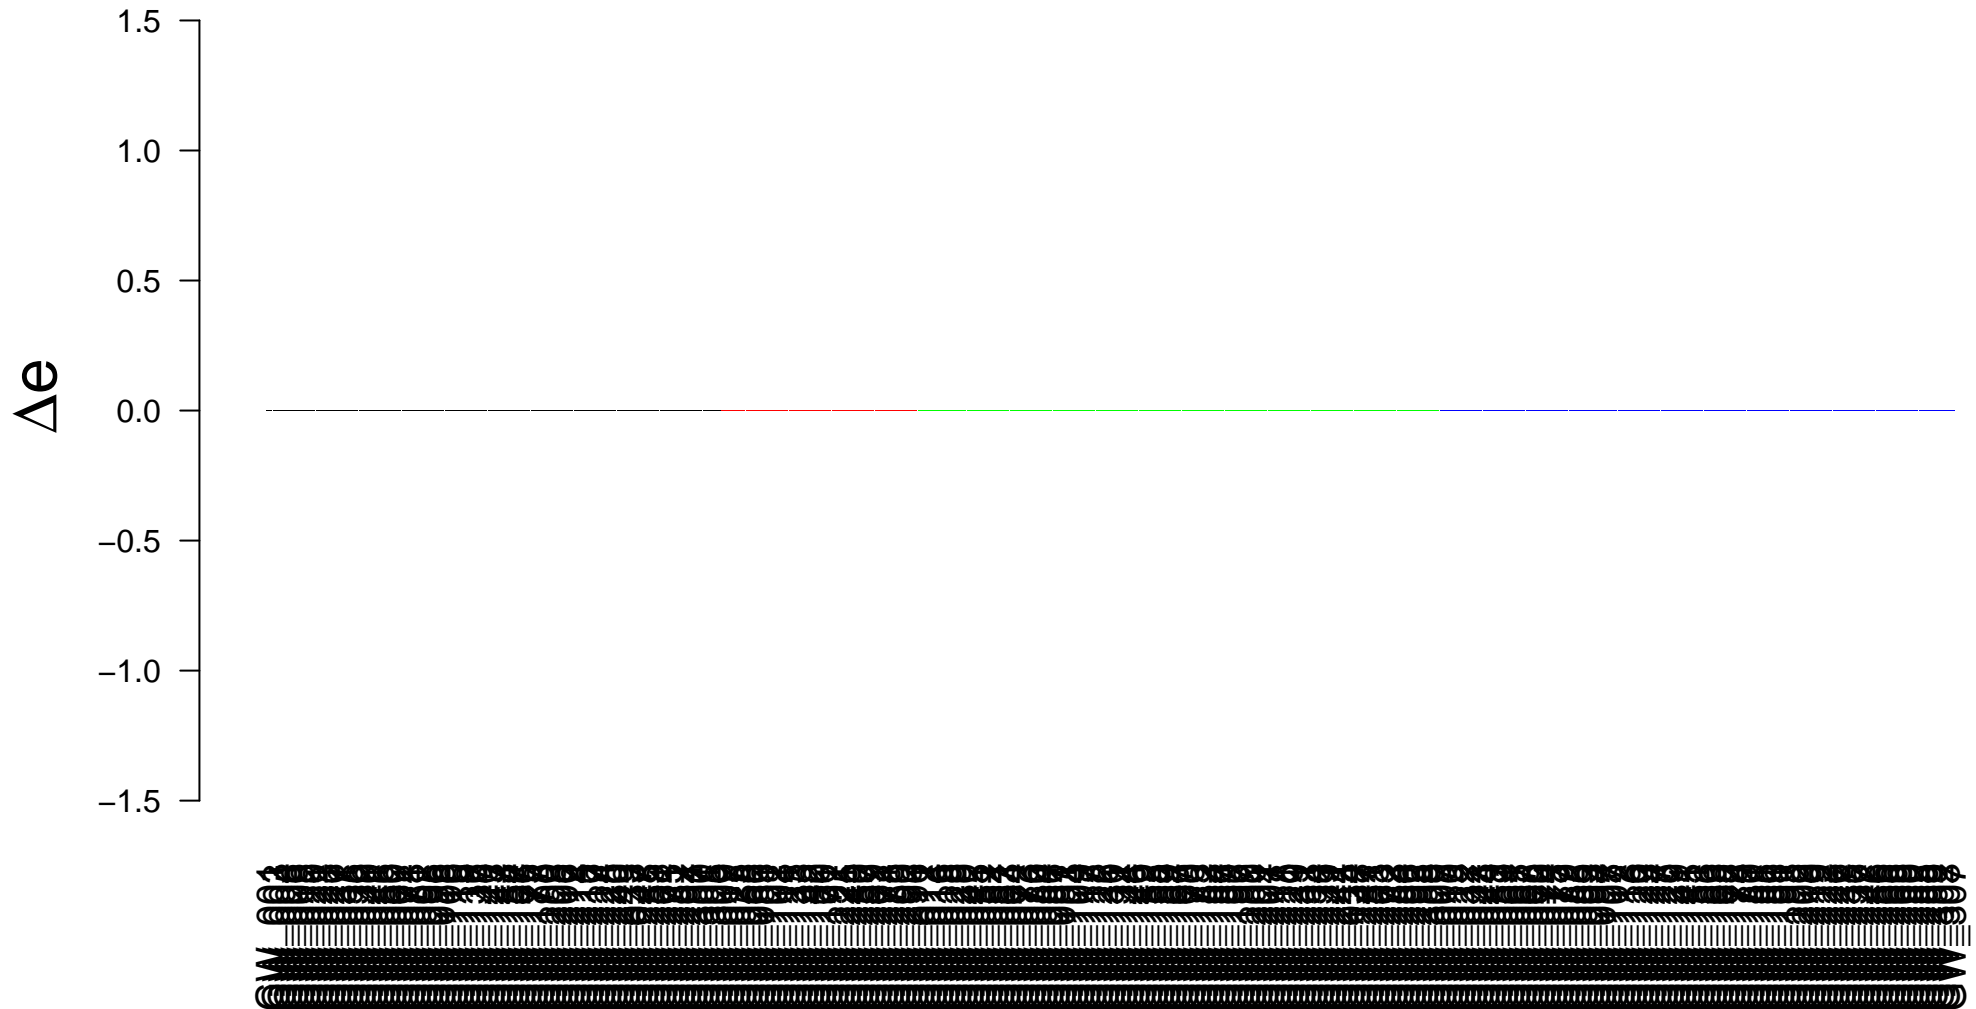

Expression of chondroitin sulfate catabolic process in Spot E

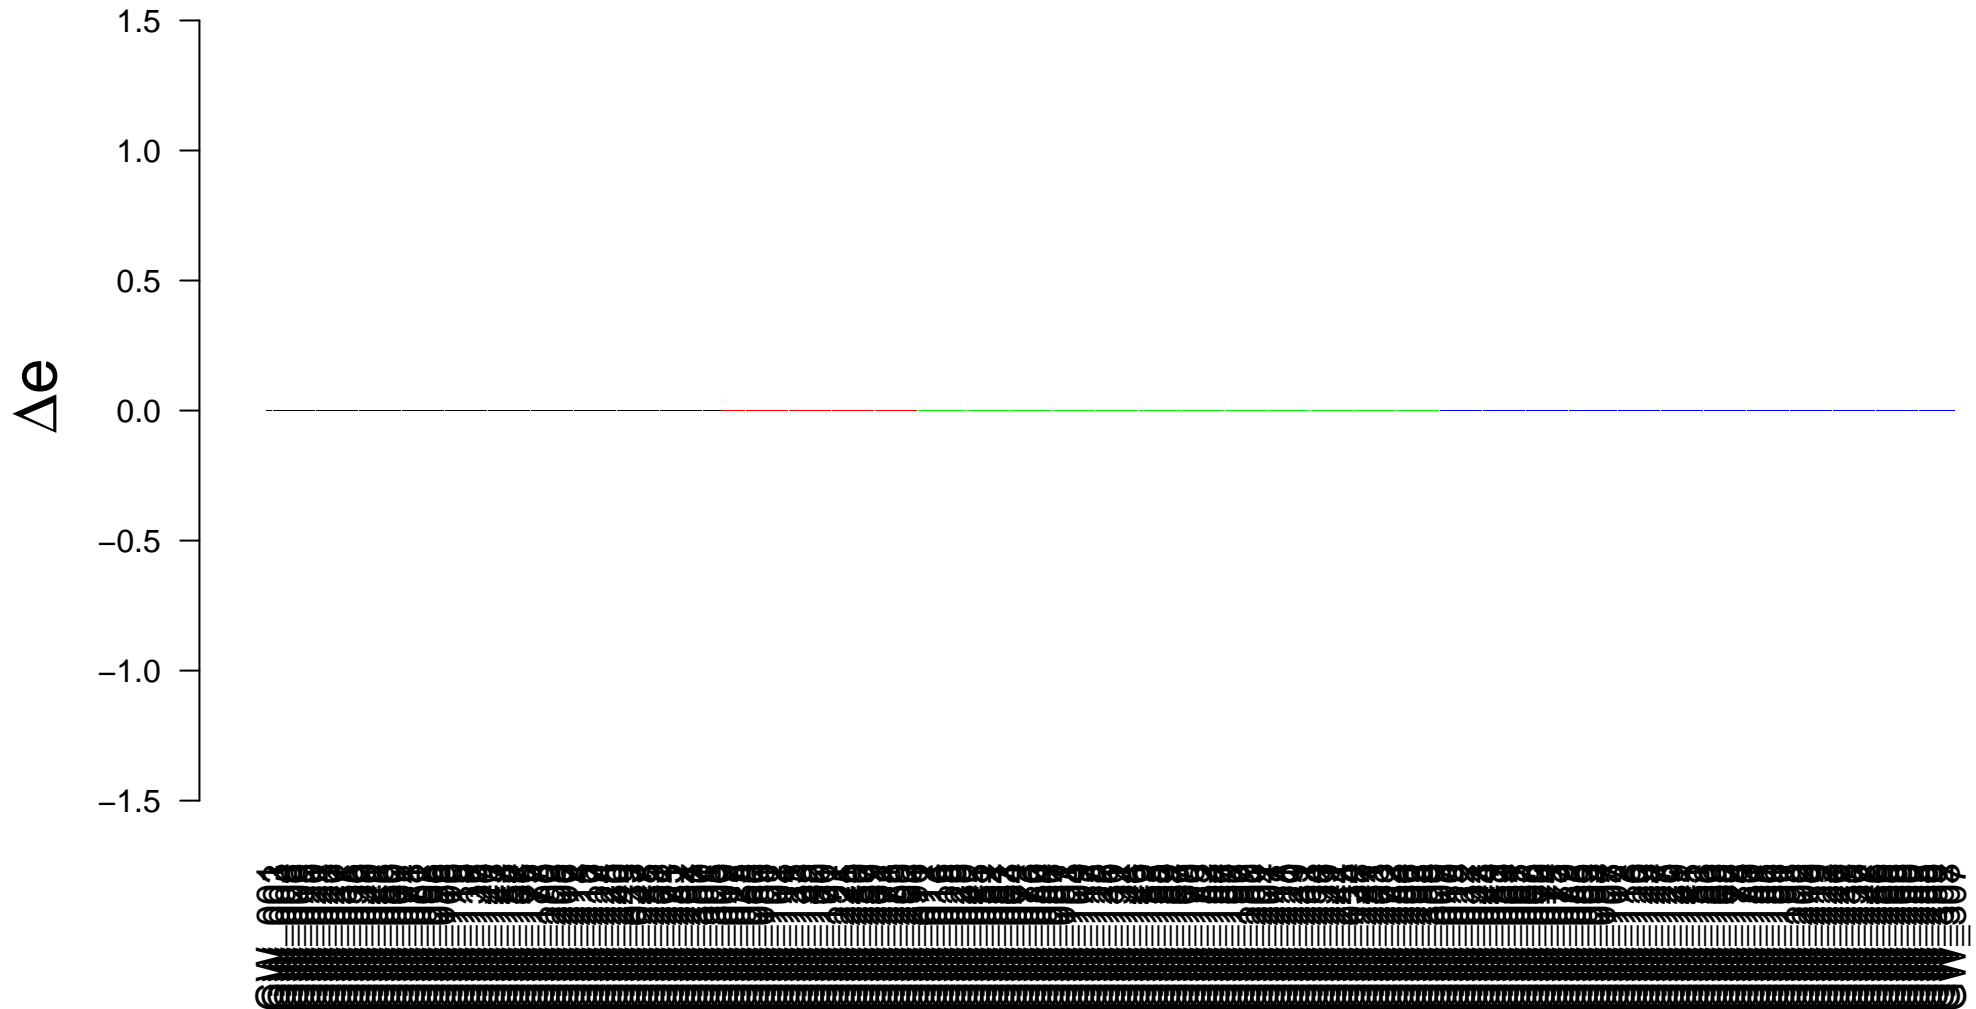

Expression of chondroitin sulfate catabolic process in Spot F

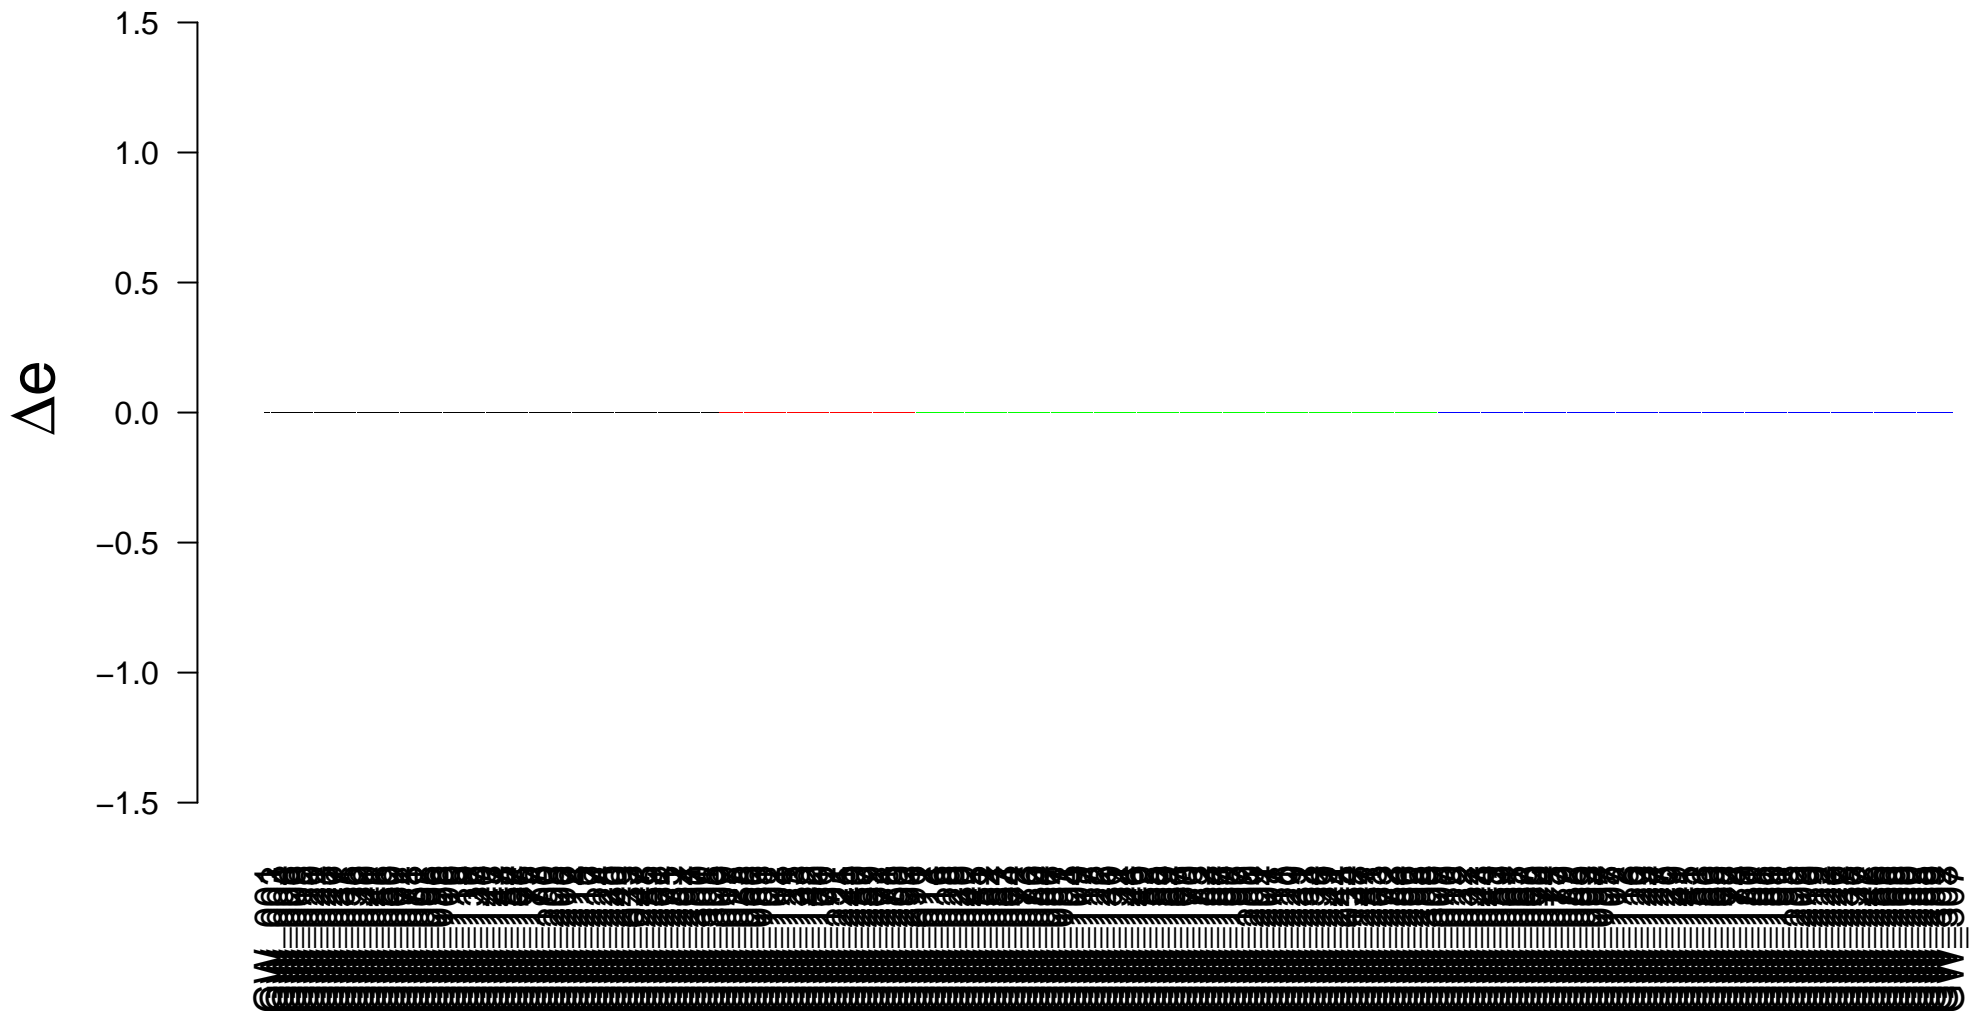

Expression of chondroitin sulfate catabolic process in Spot G

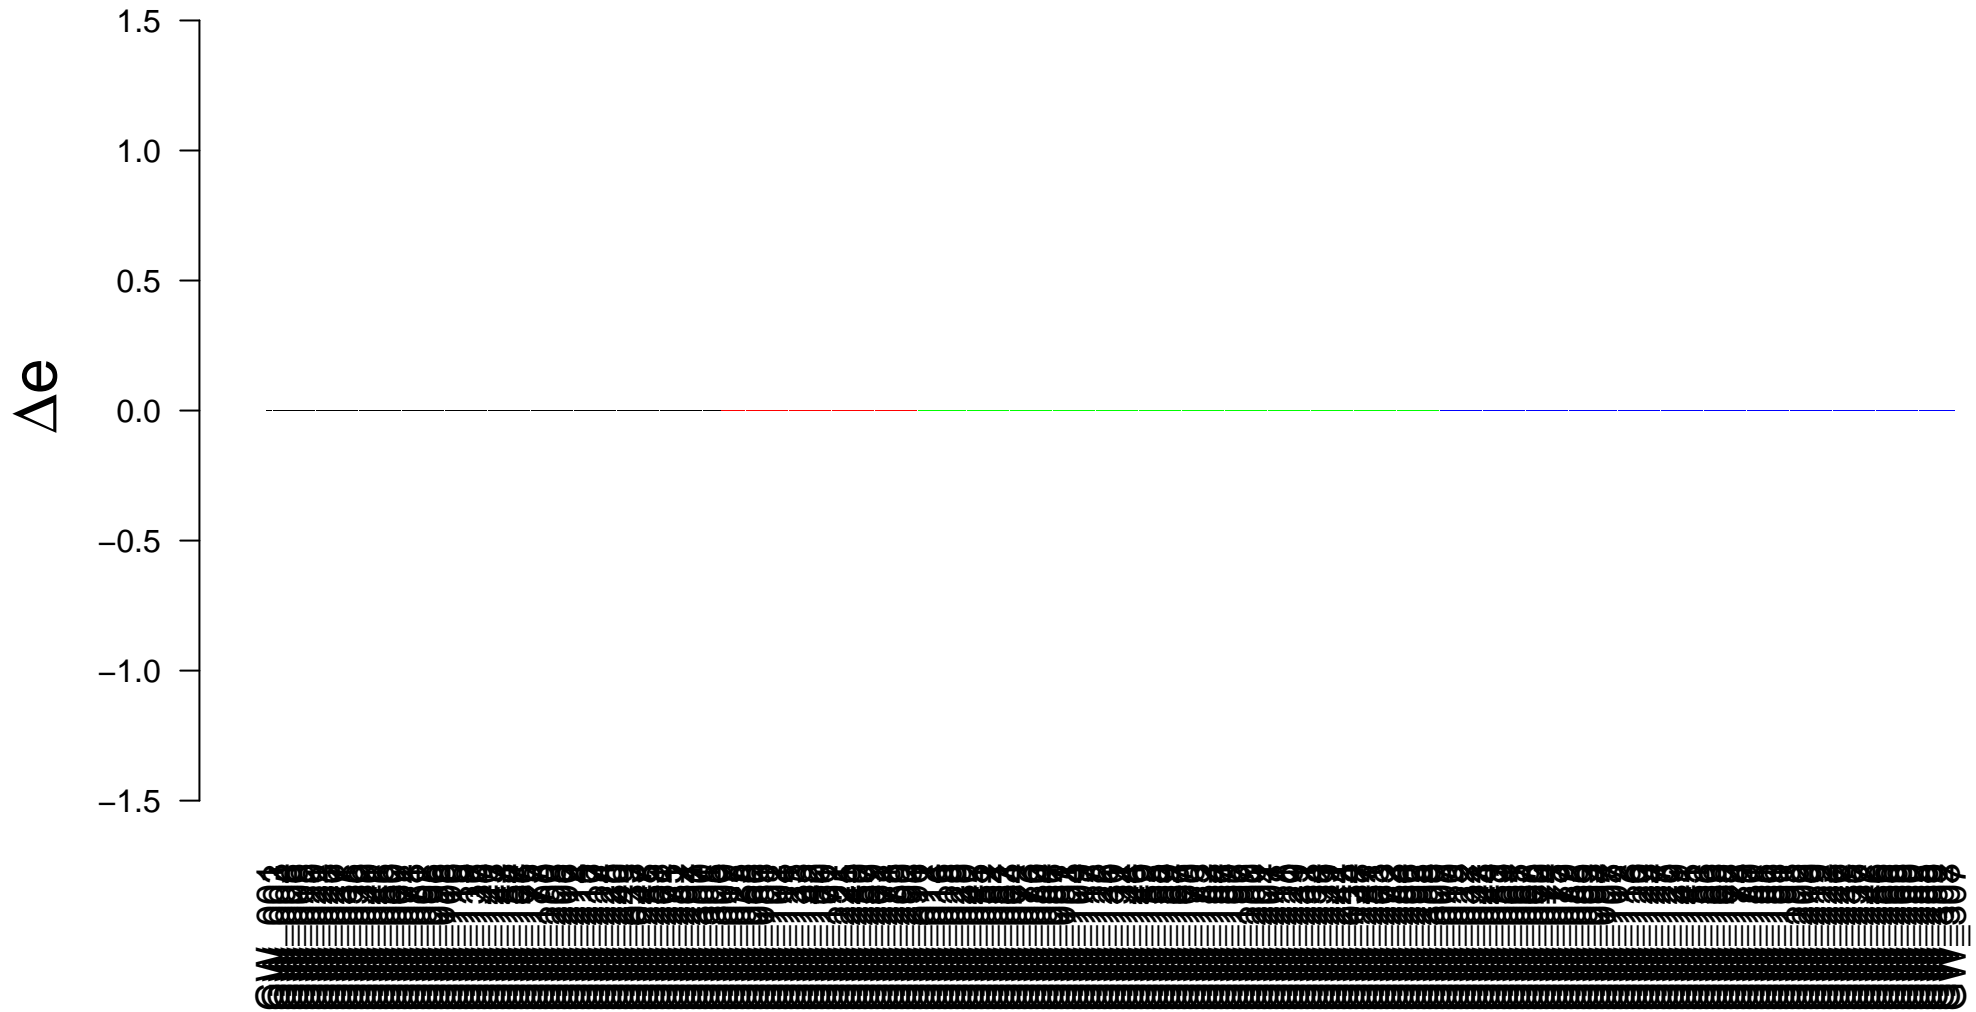

Expression of chondroitin sulfate catabolic process in Spot H

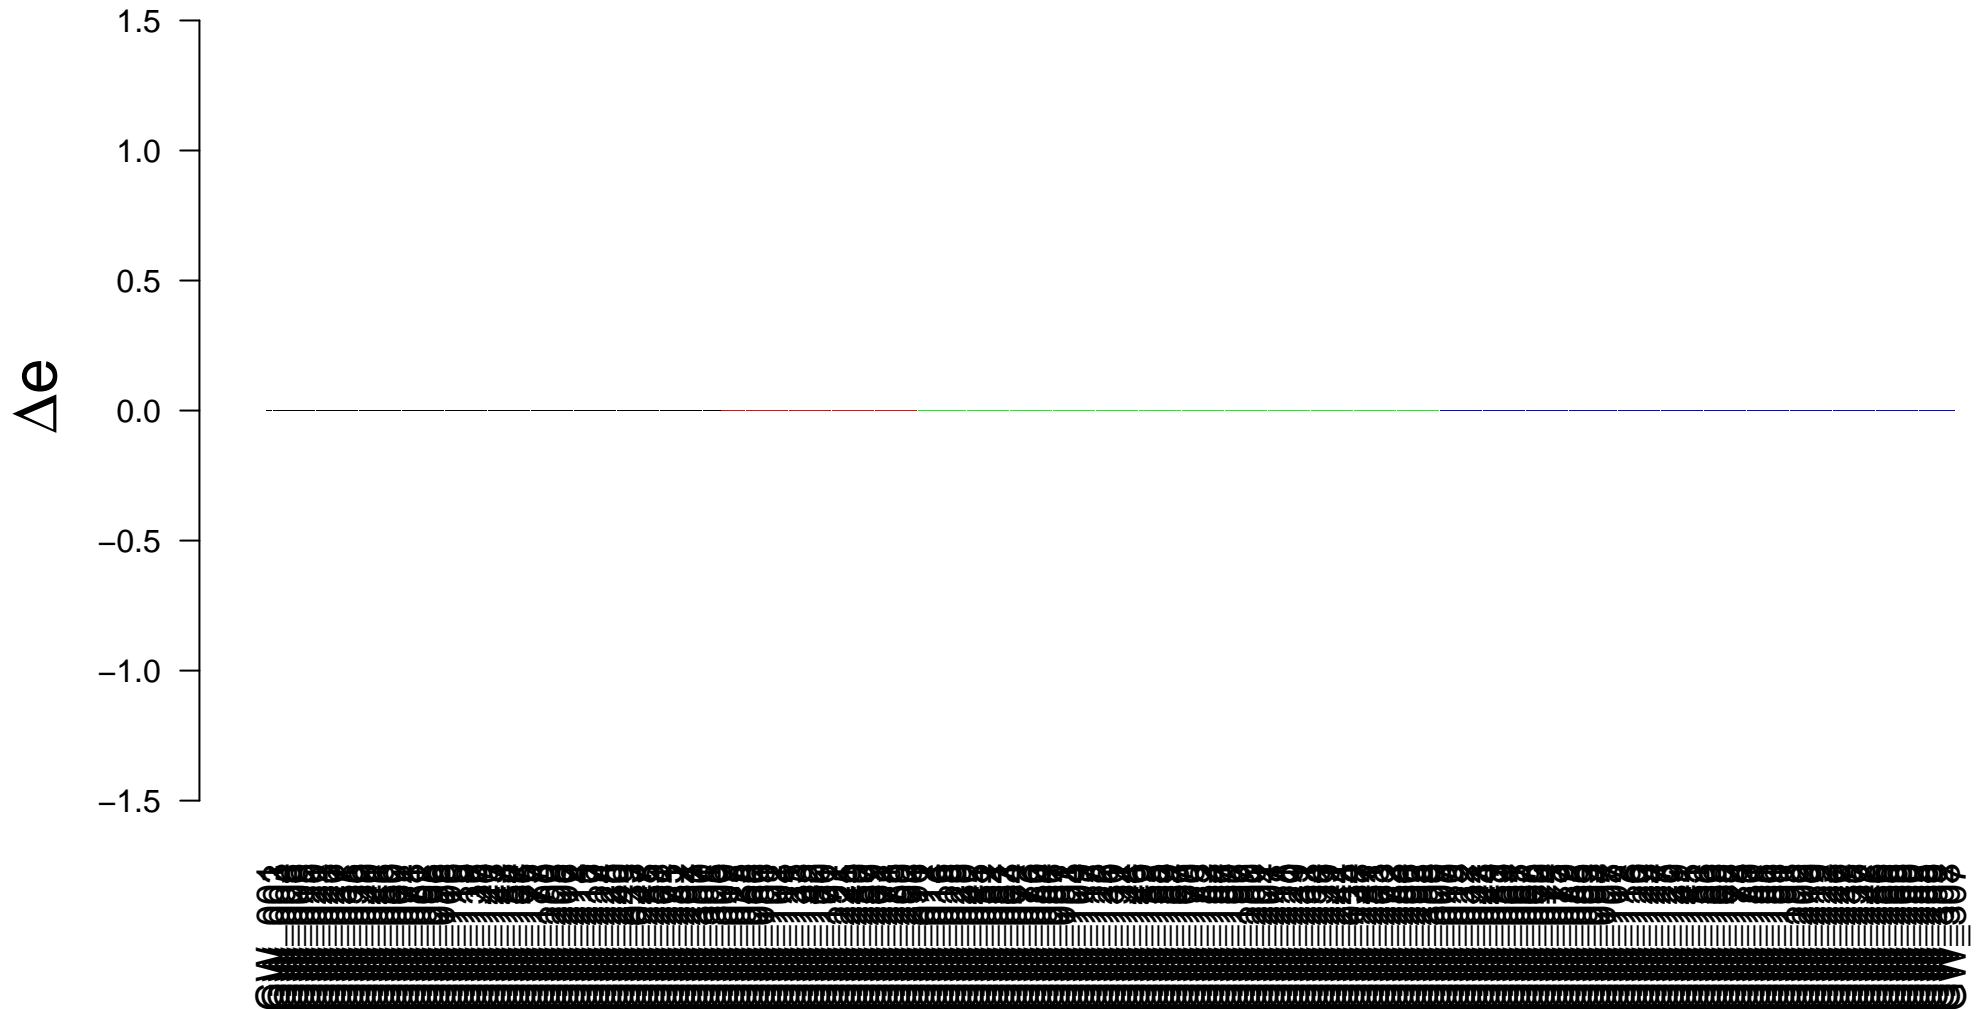

Expression of chondroitin sulfate catabolic process in Spot I

Expression of chondroitin sulfate catabolic process in Spot J

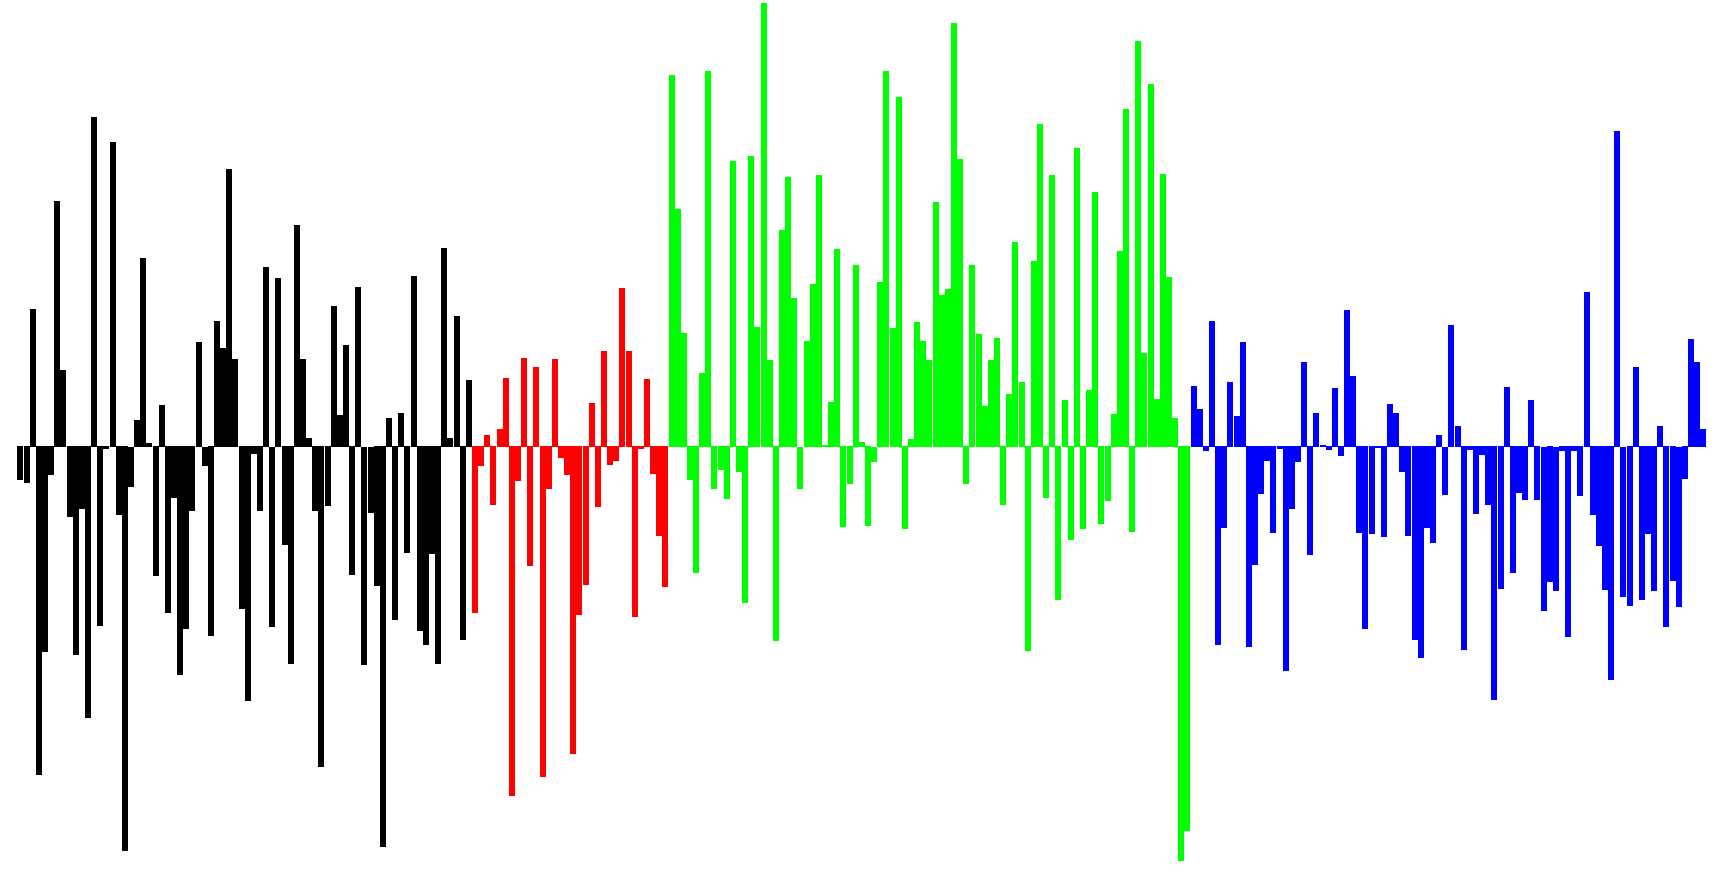

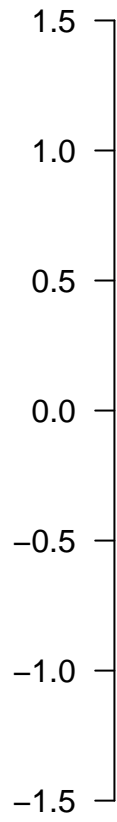

Expression of chondroitin sulfate catabolic process in Spot K

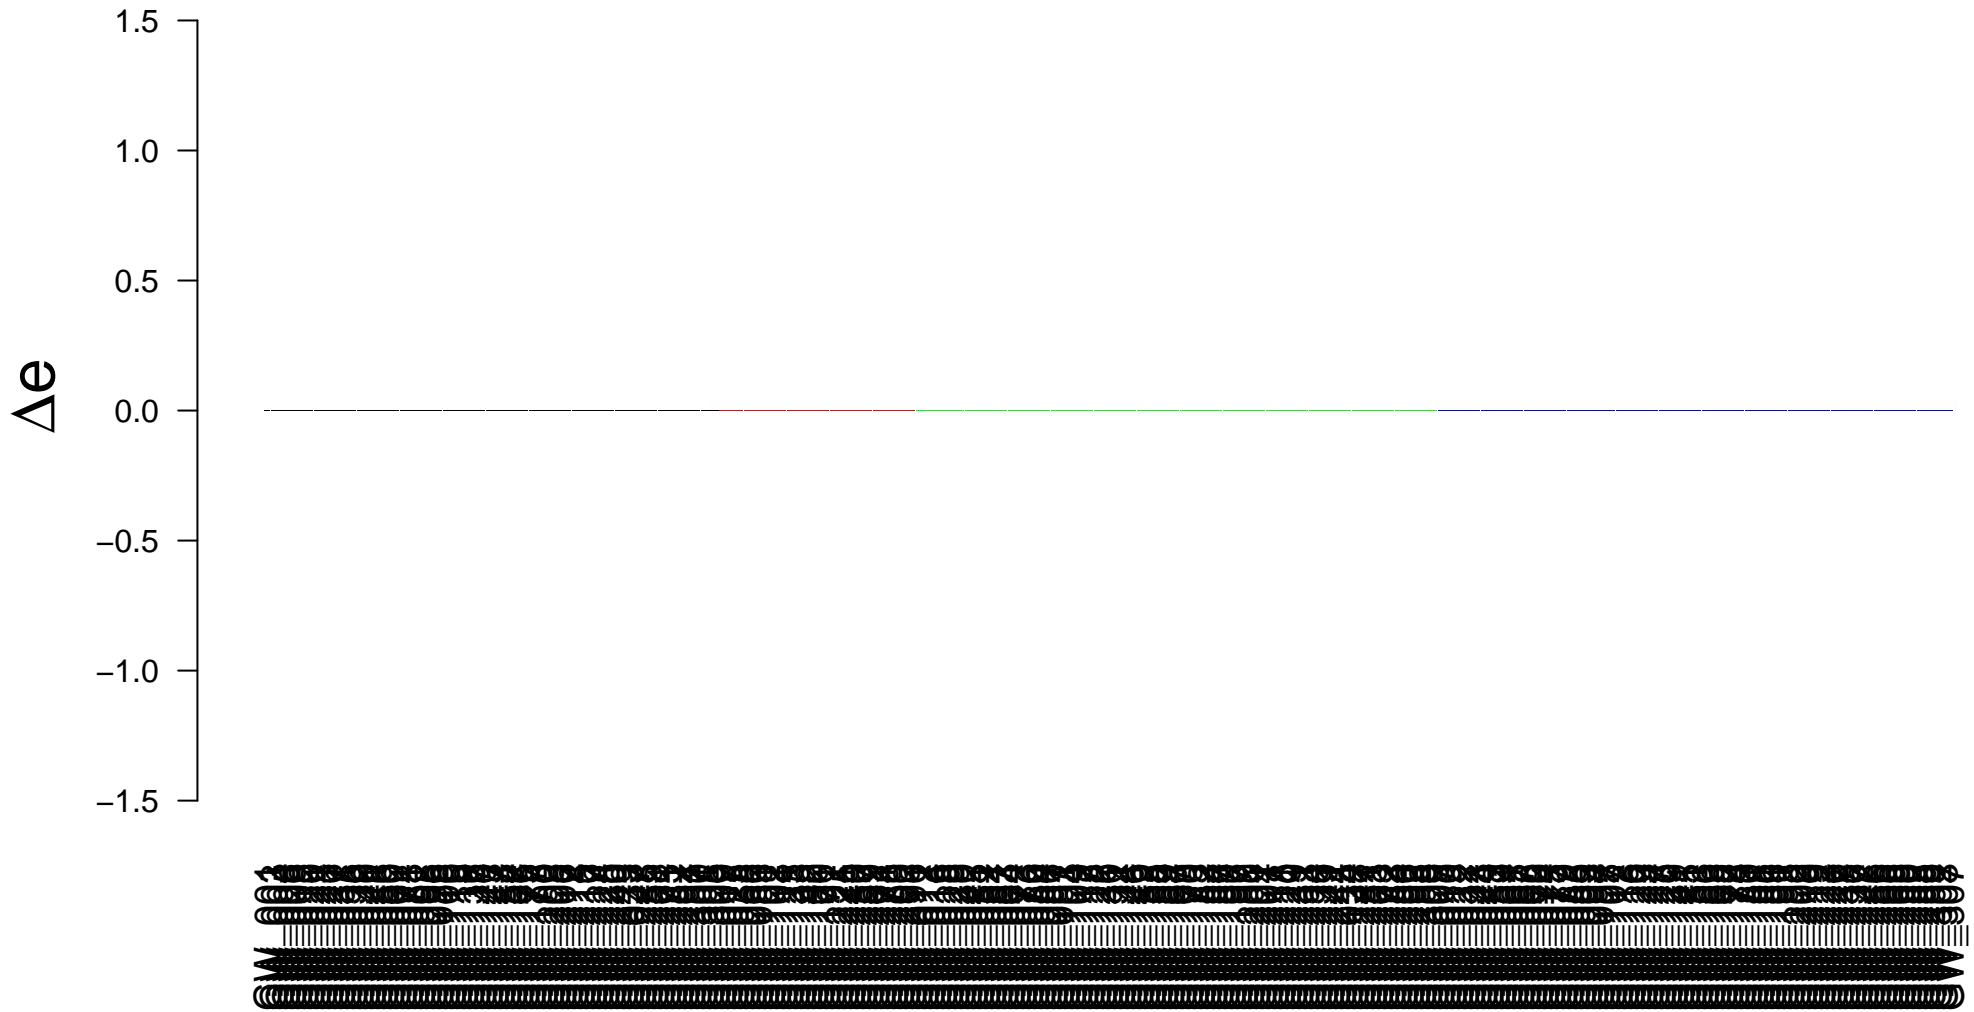

Expression of chondroitin sulfate catabolic process in Spot L

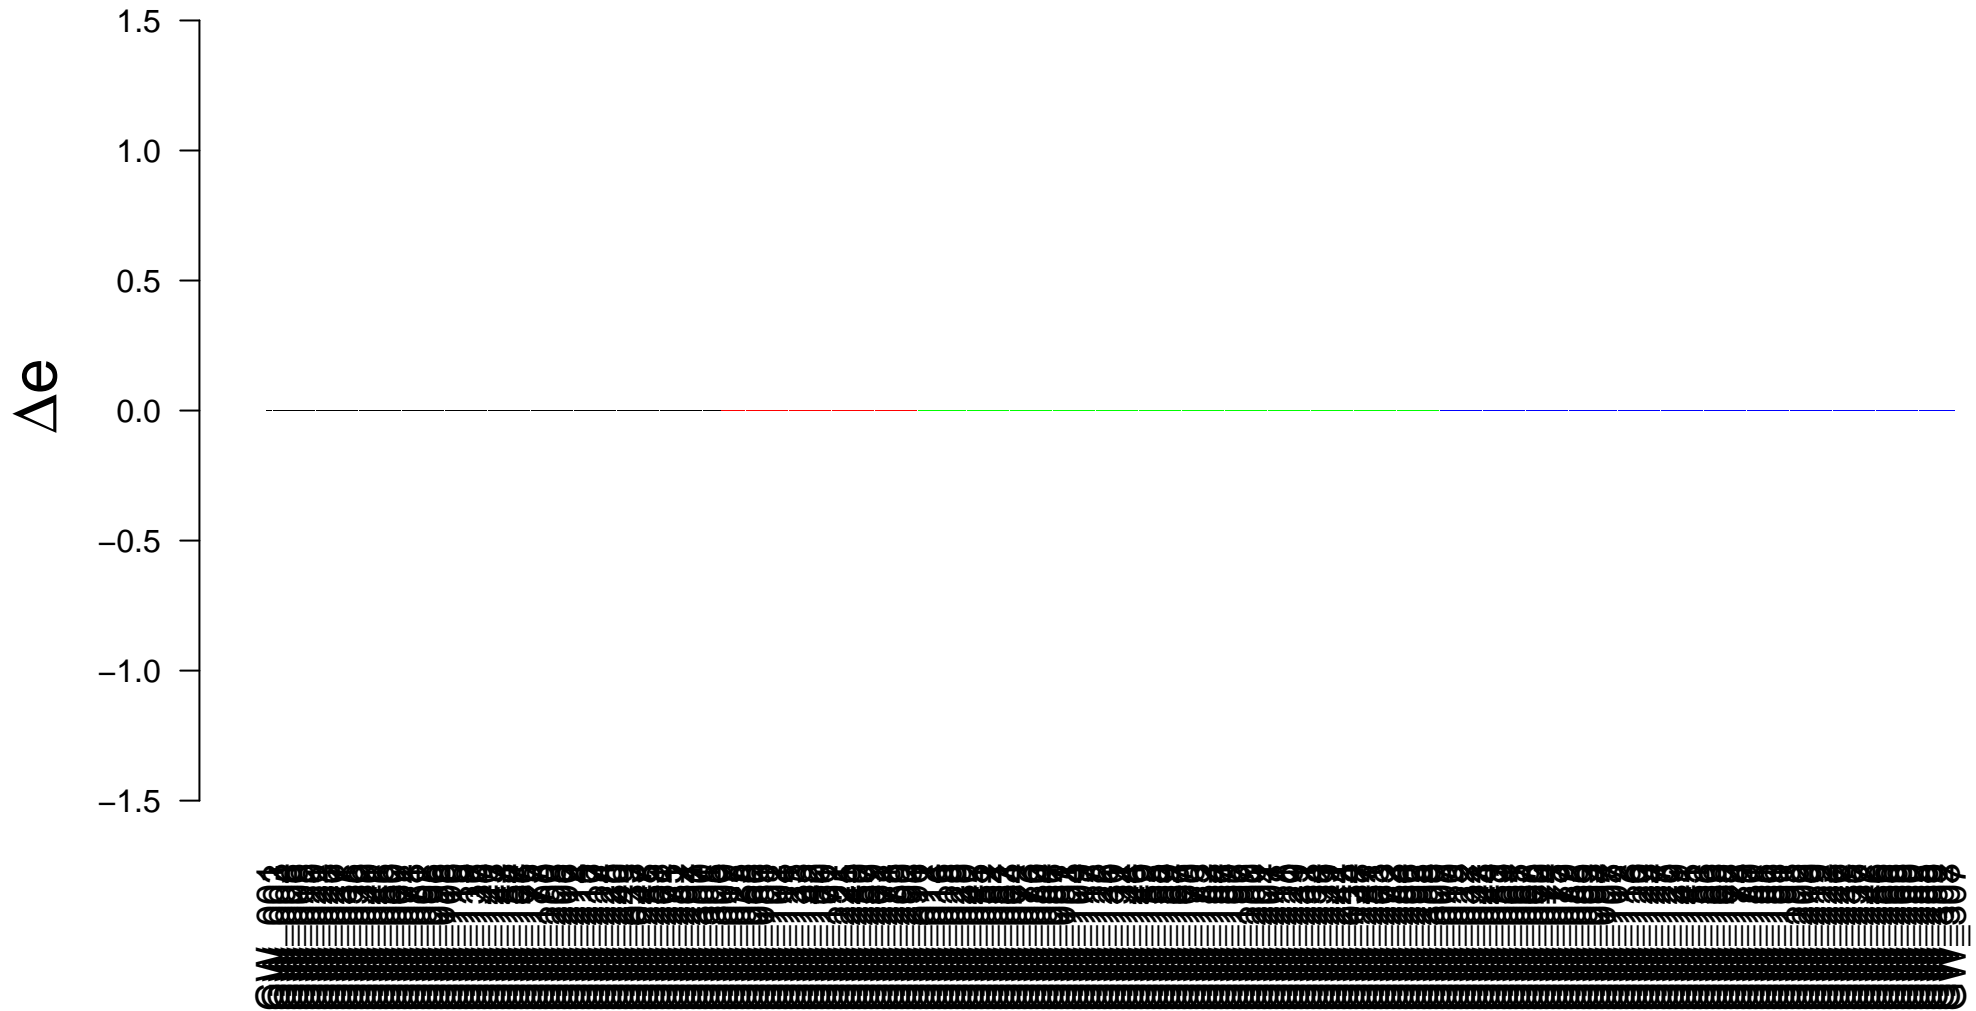

Δe

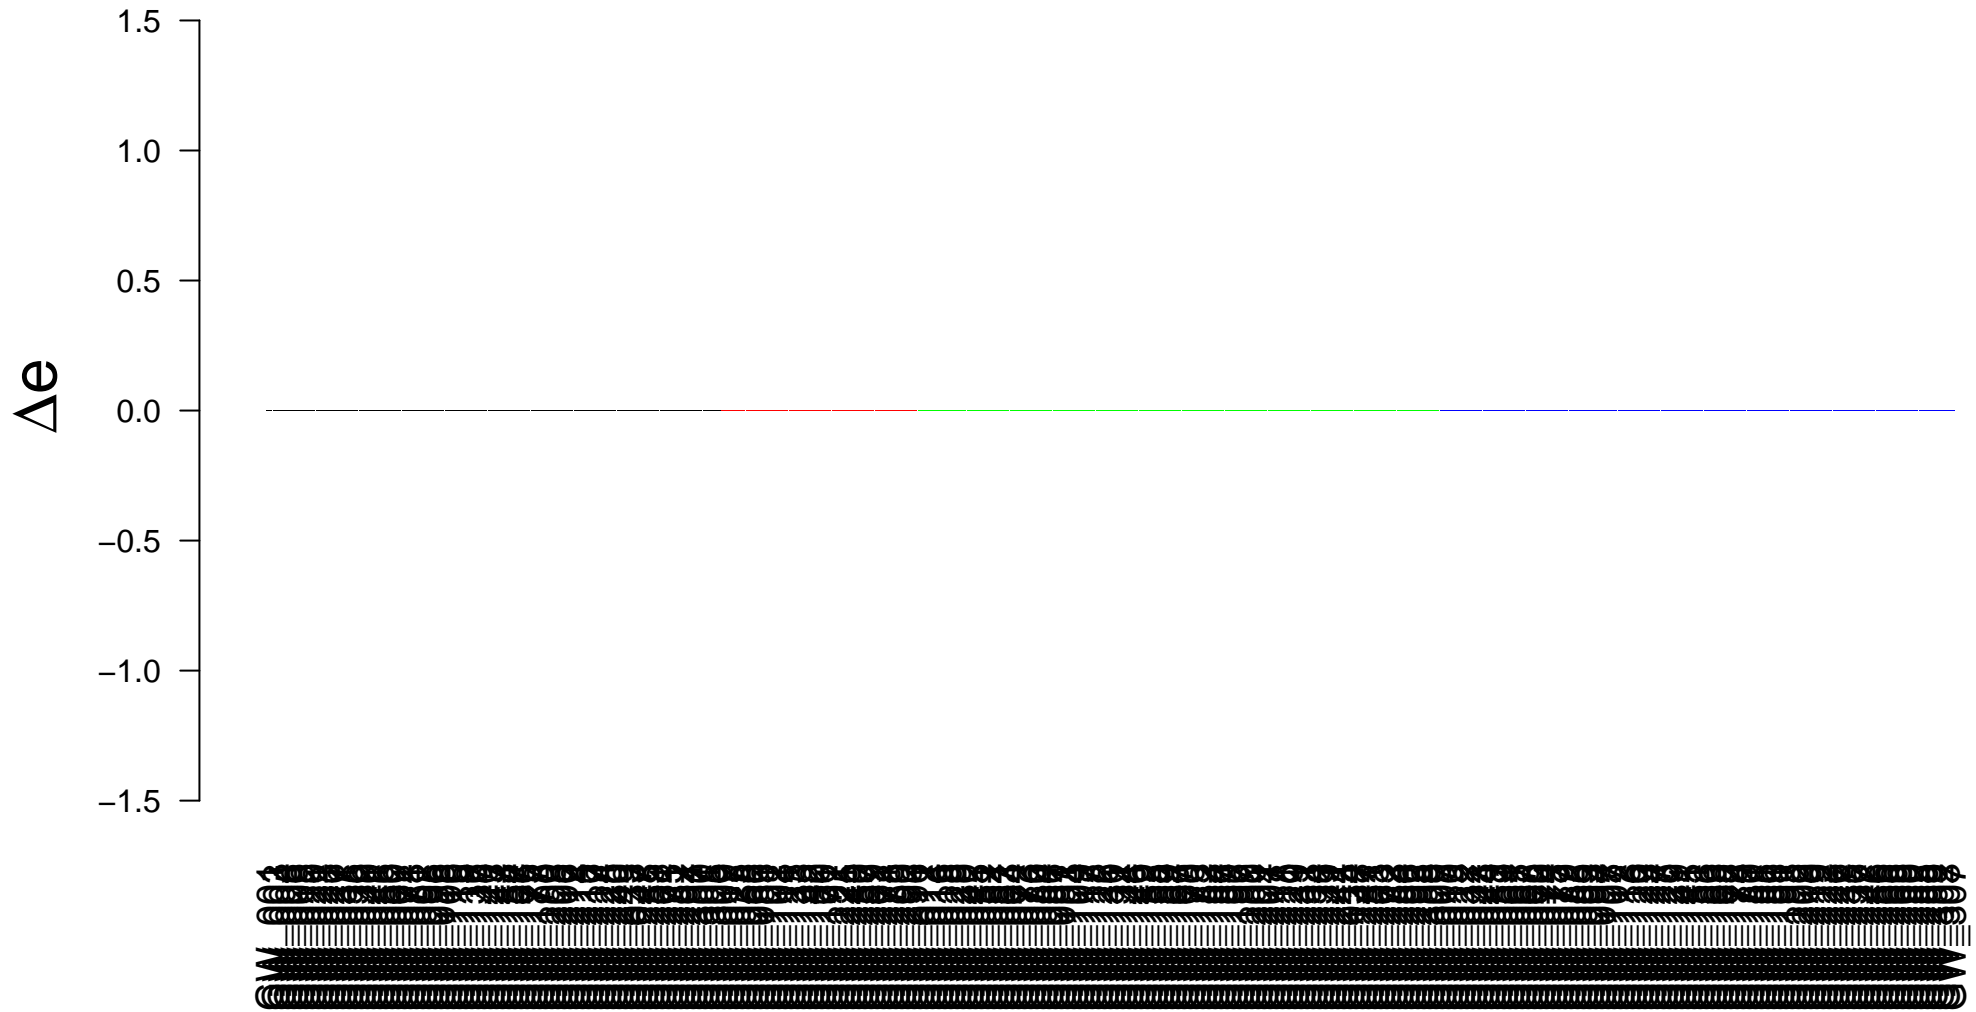

Expression of chondroitin sulfate catabolic process in Spot M

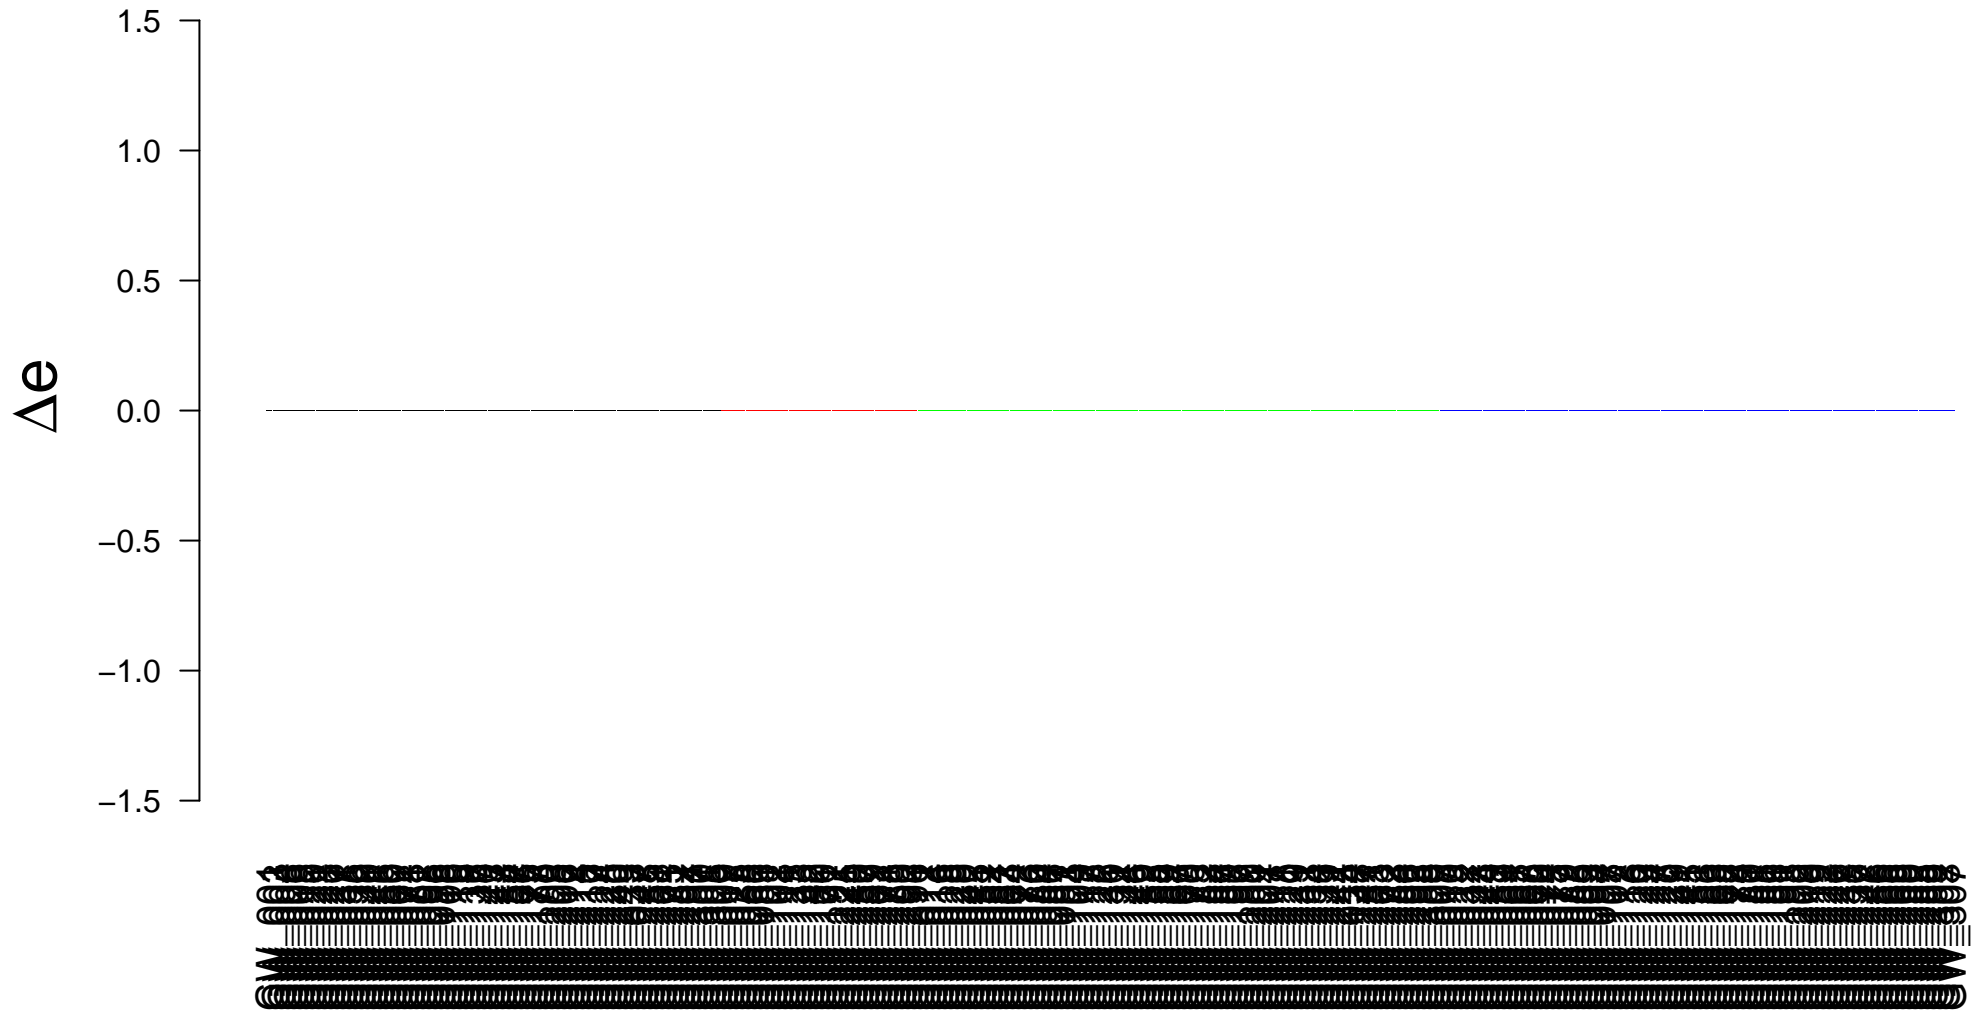

Expression of chondroitin sulfate catabolic process in Spot N

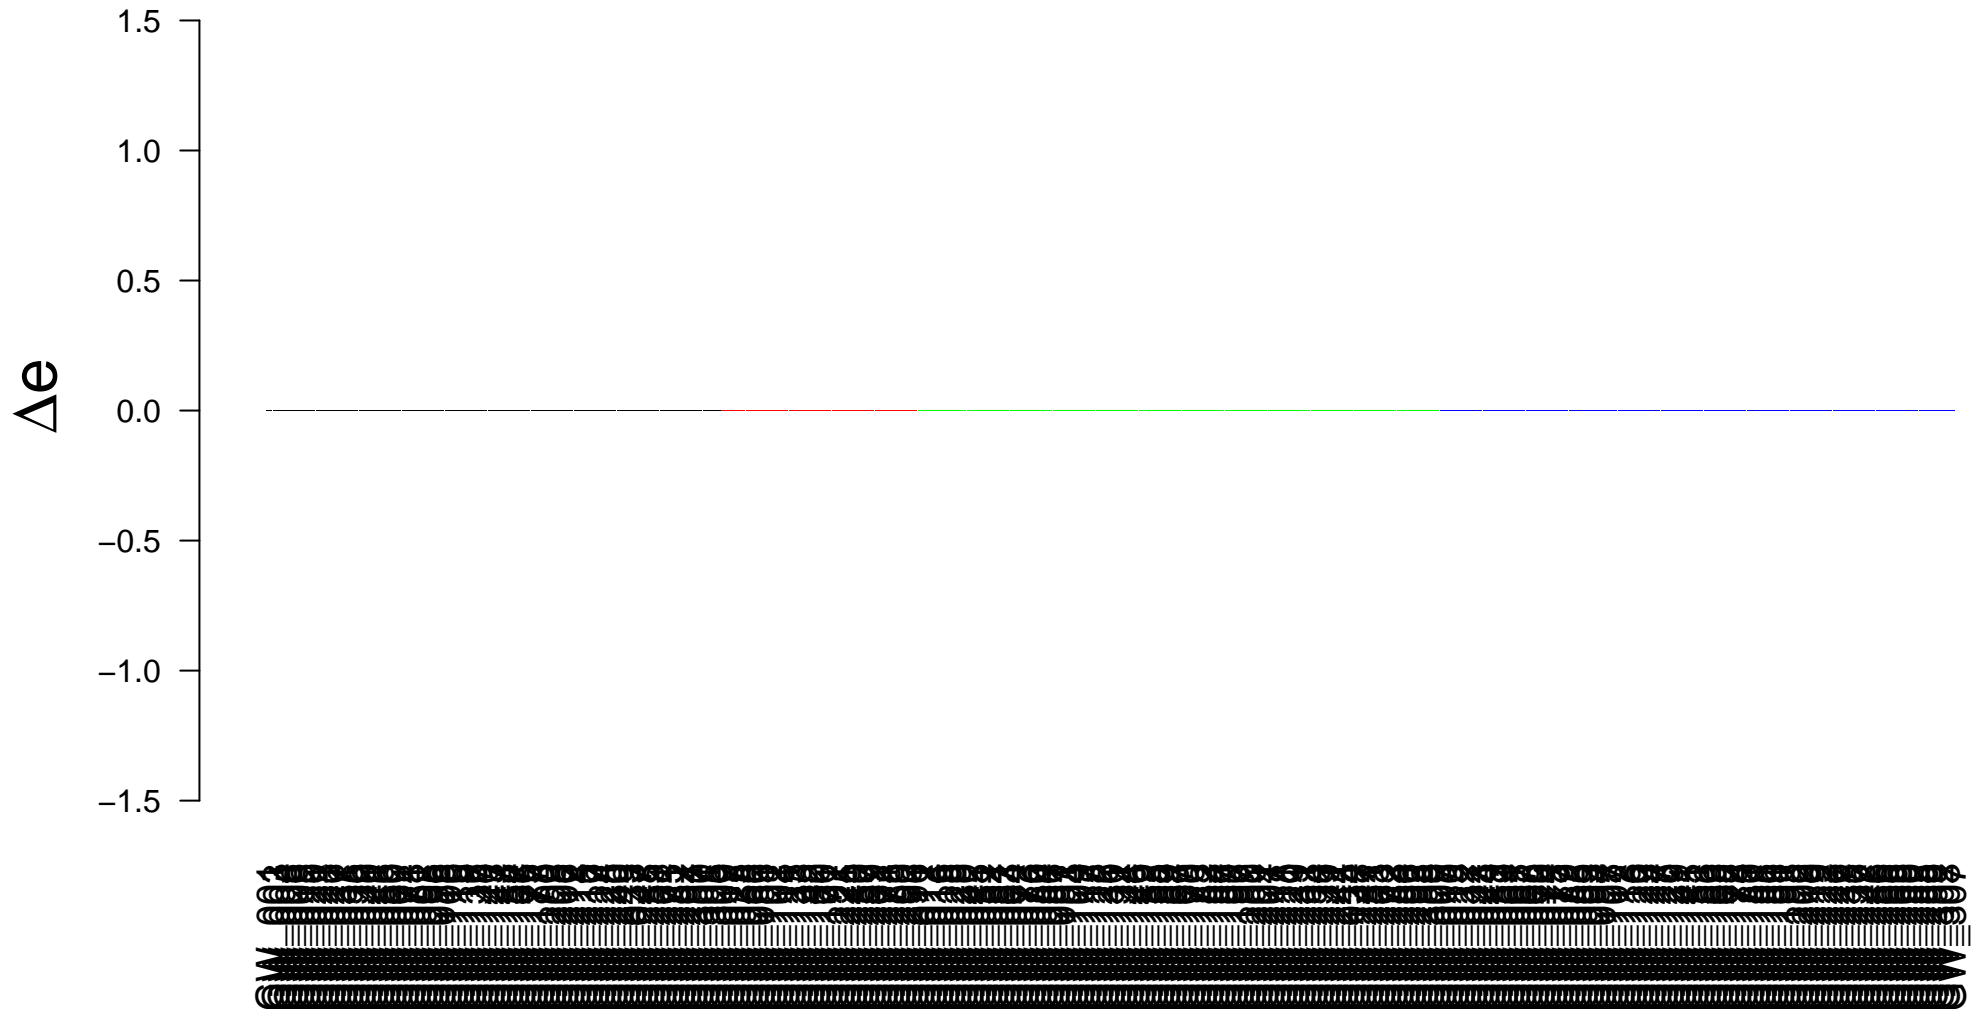

Expression of chondroitin sulfate catabolic process in Spot O

Expression of chondroitin sulfate catabolic process in Spot P

Expression of chondroitin sulfate catabolic process in Spot Q

Expression of chondroitin sulfate catabolic process in Spot R
