

chromosome, telomeric region

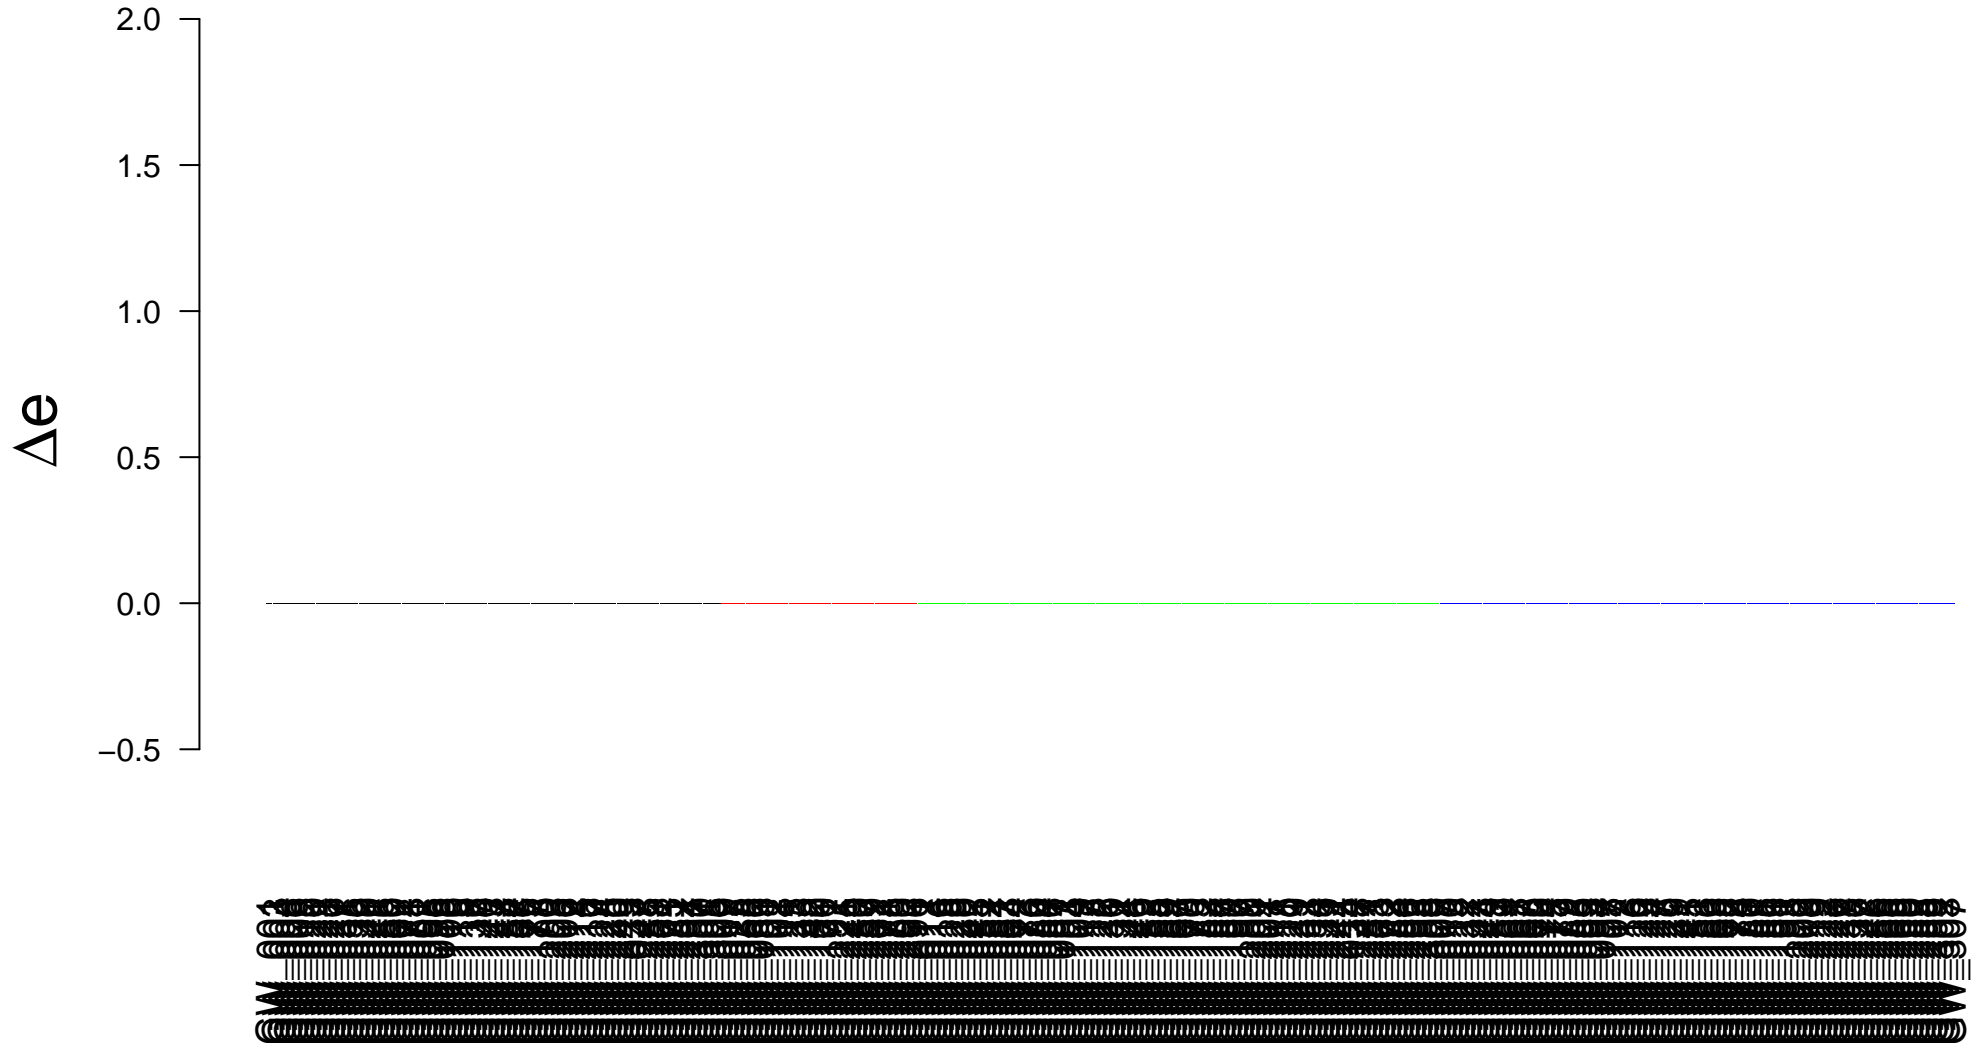

chromosome, telomeric region

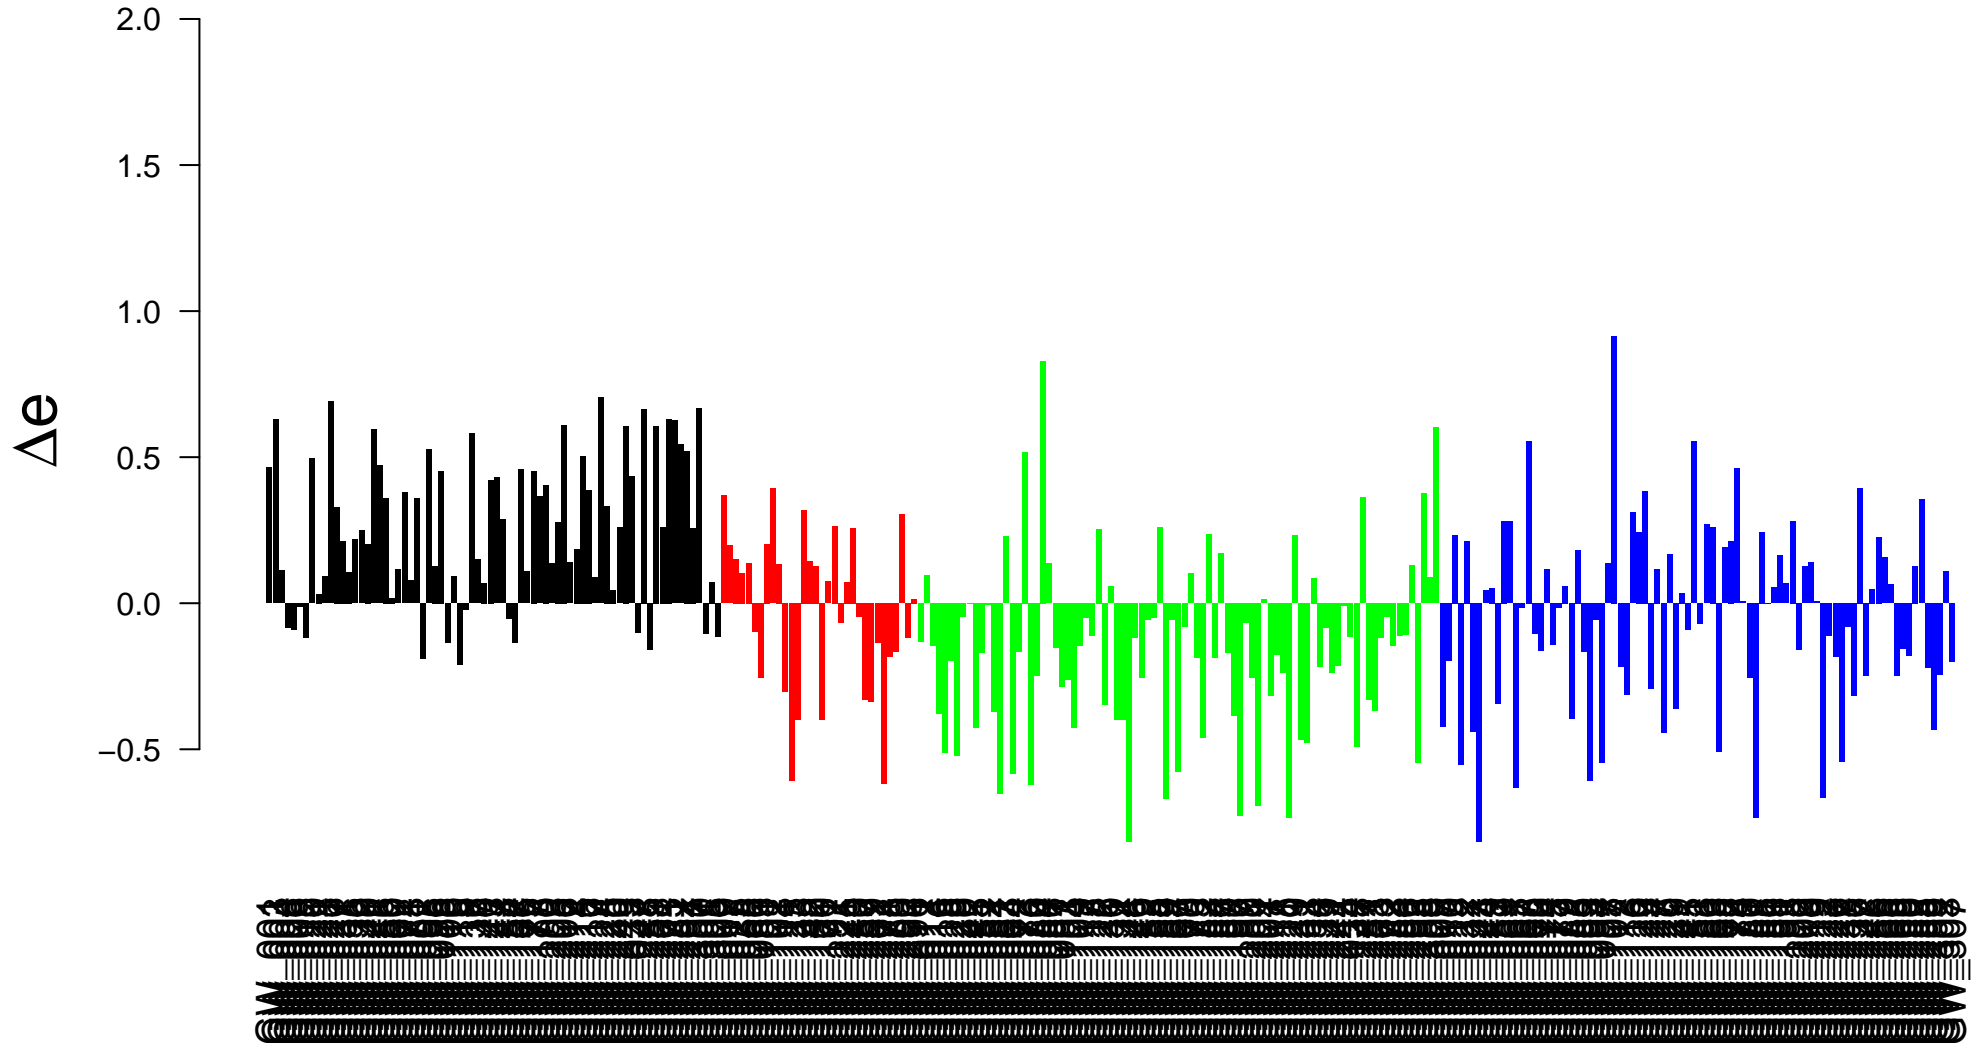

Enrichment in spots: chromosome, telomeric region

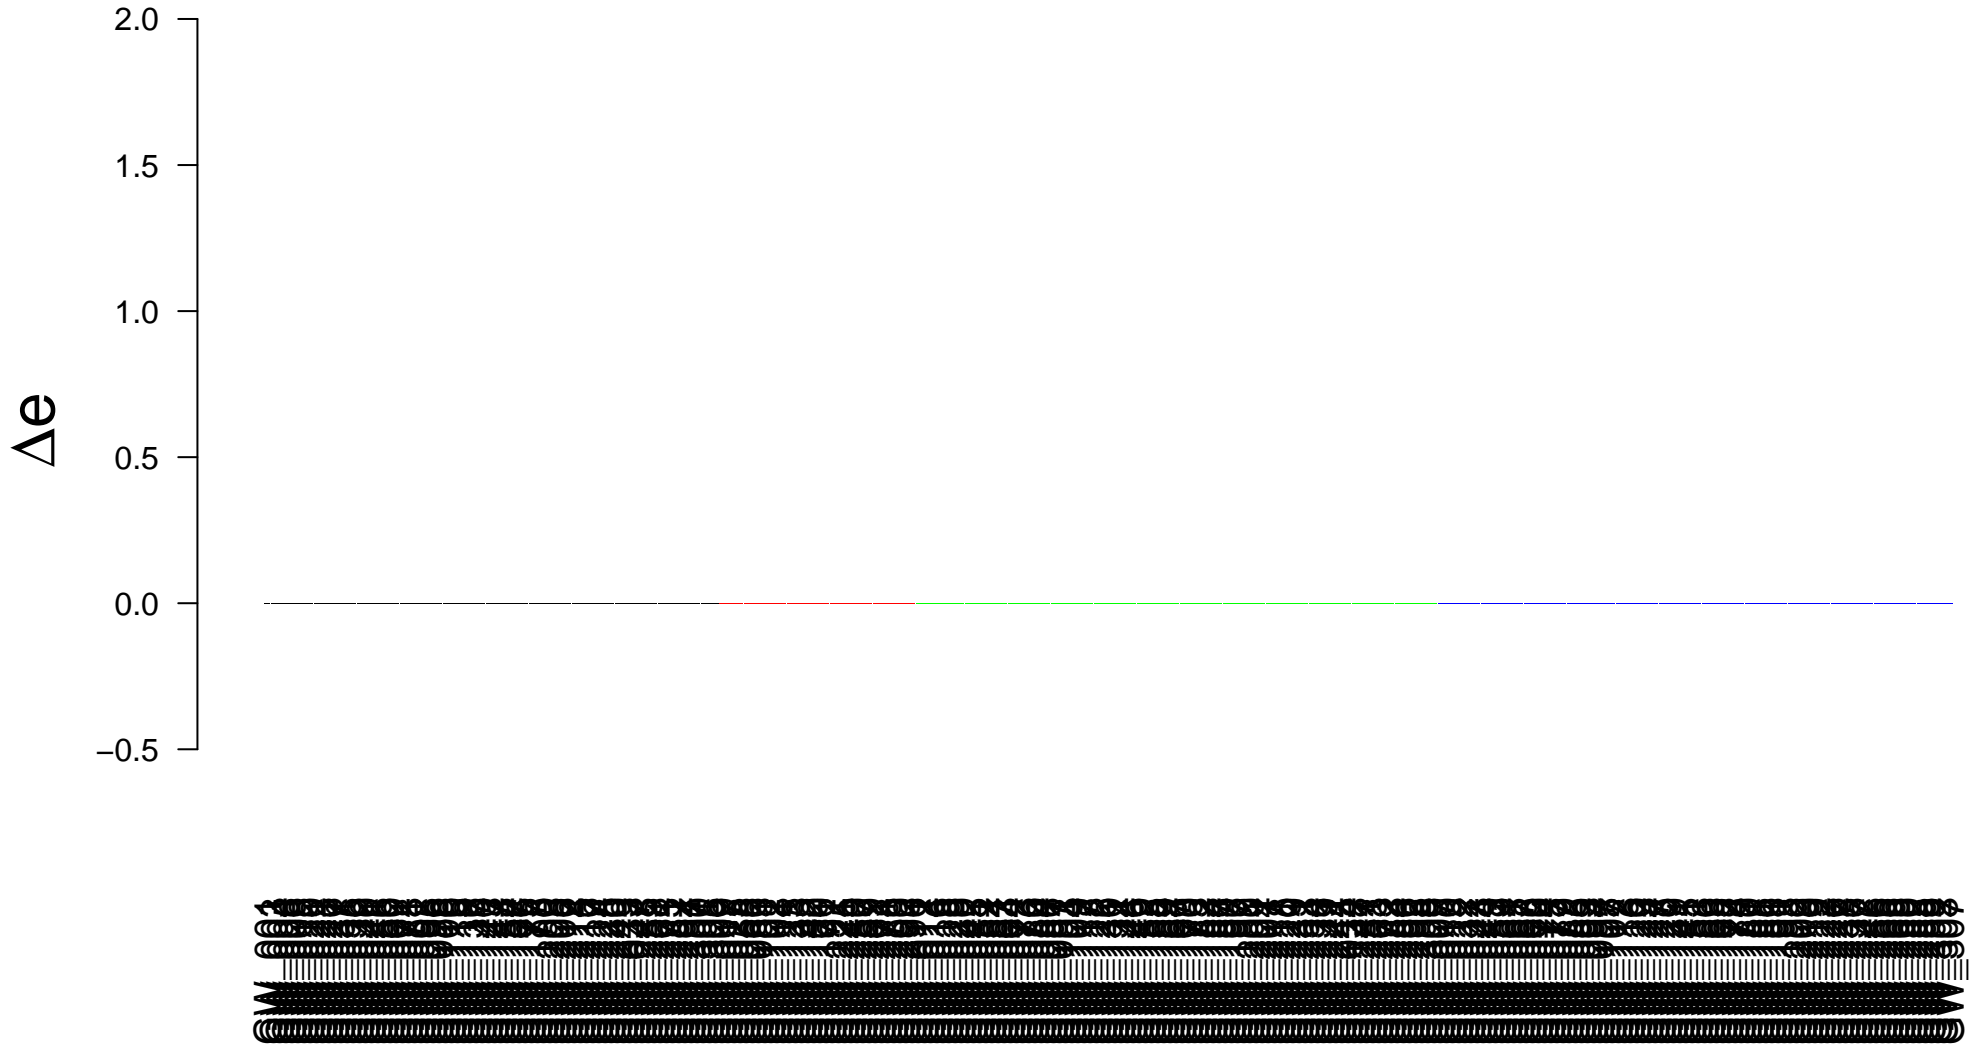

Expression of chromosome, telomeric region in Spot A

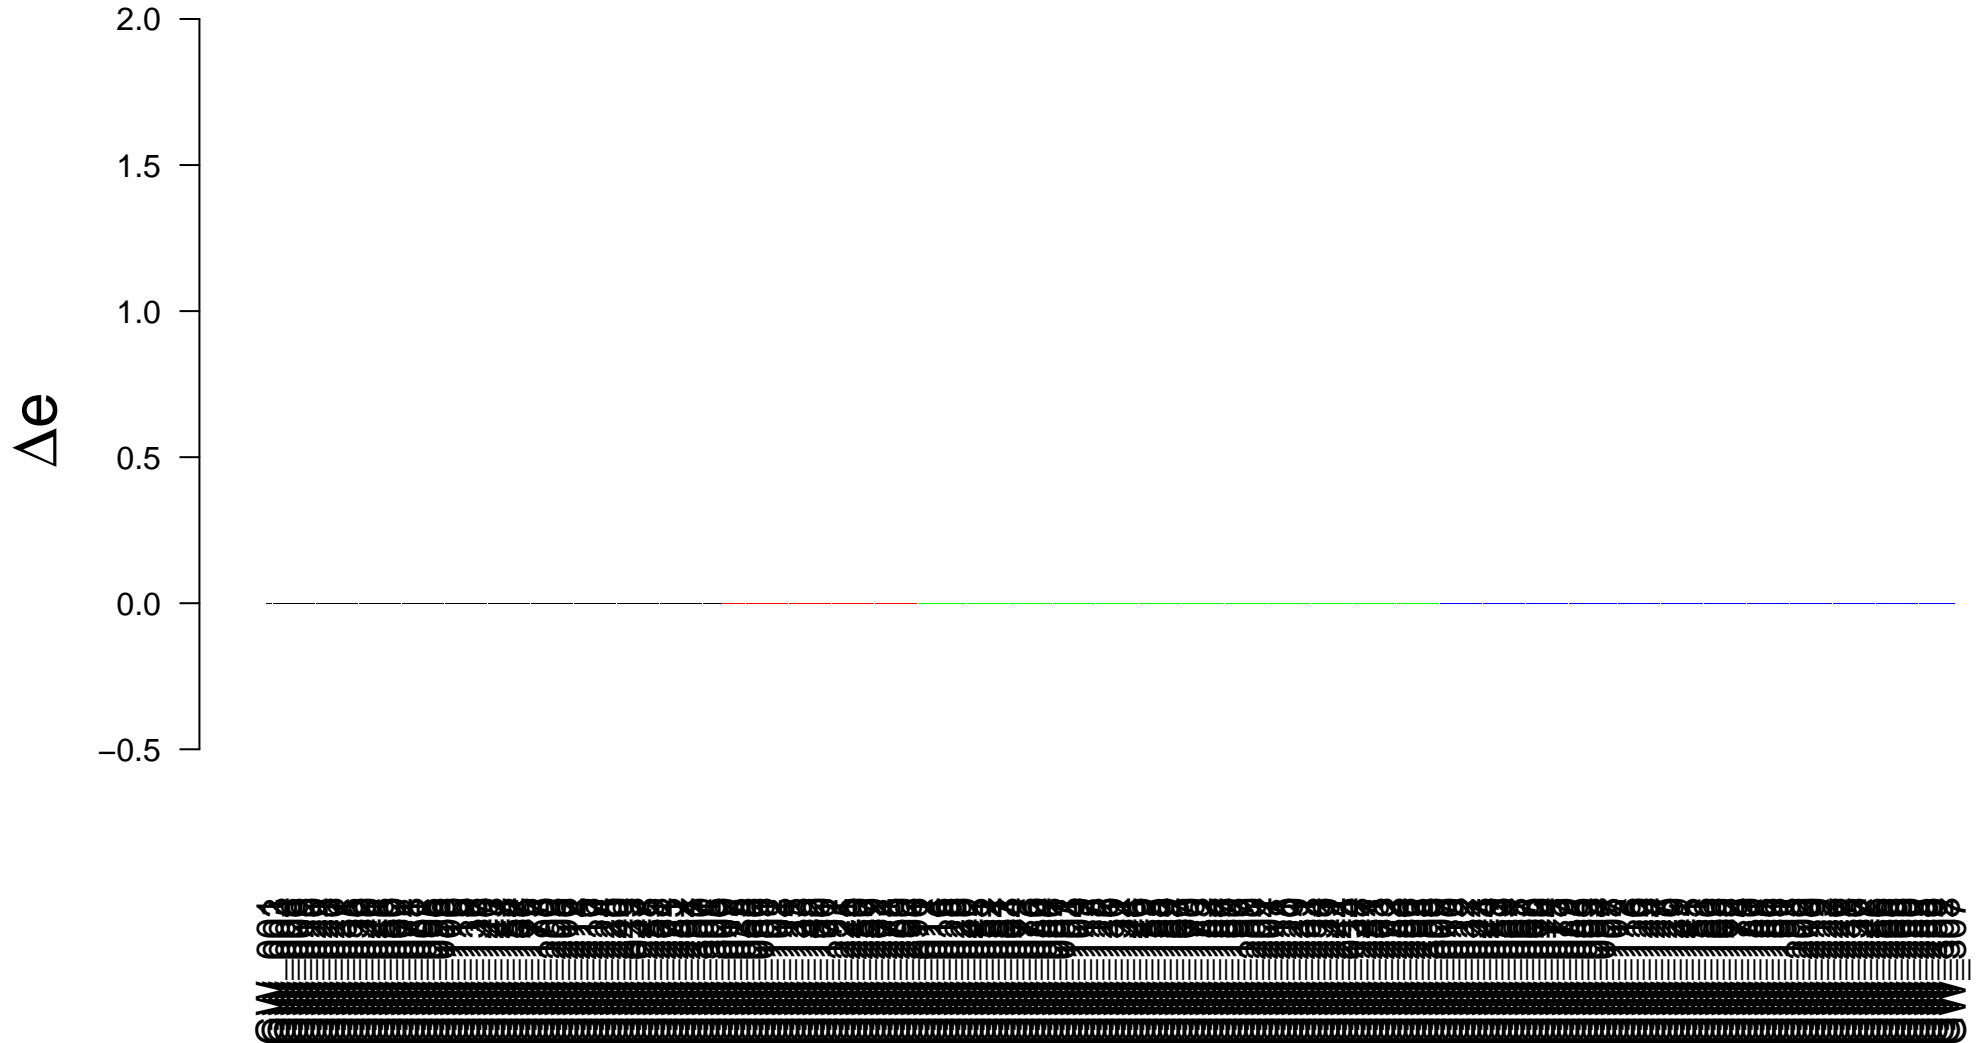

Expression of chromosome, telomeric region in Spot B

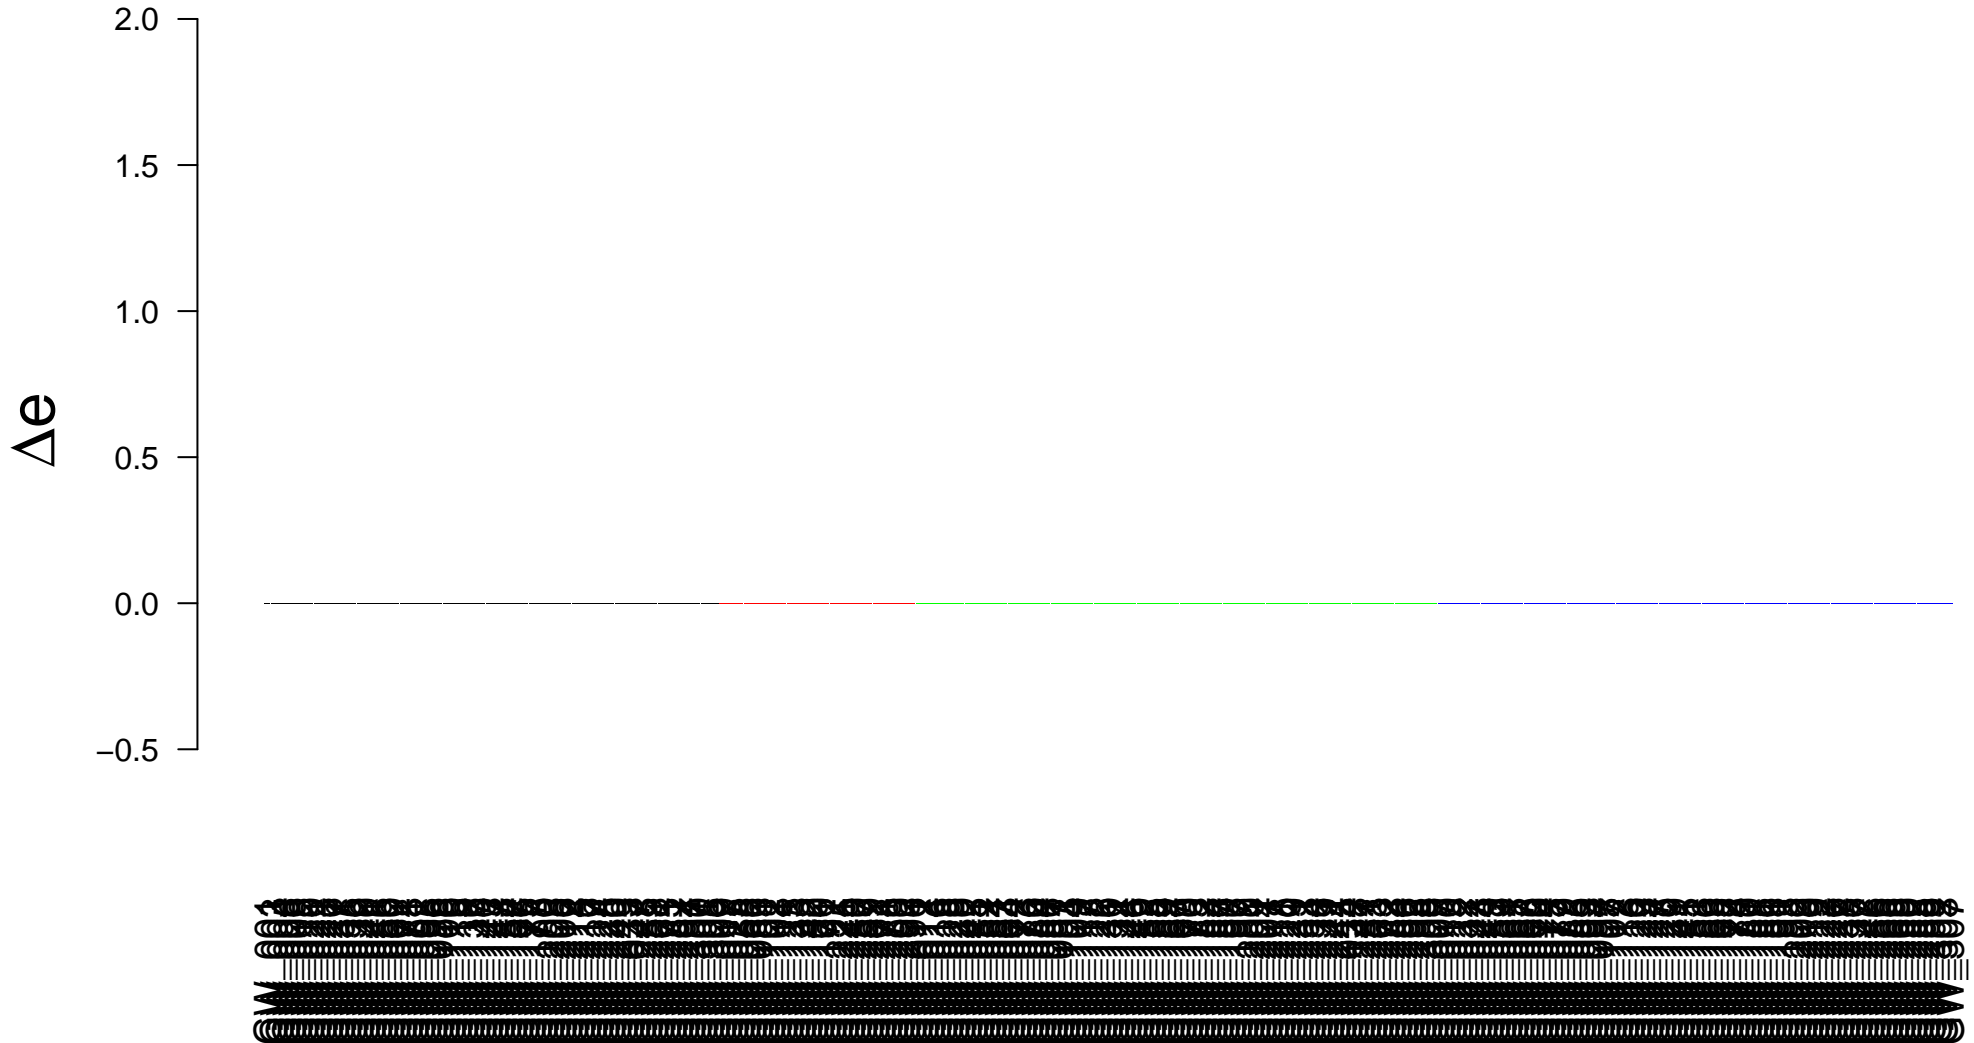

Expression of chromosome, telomeric region in Spot C

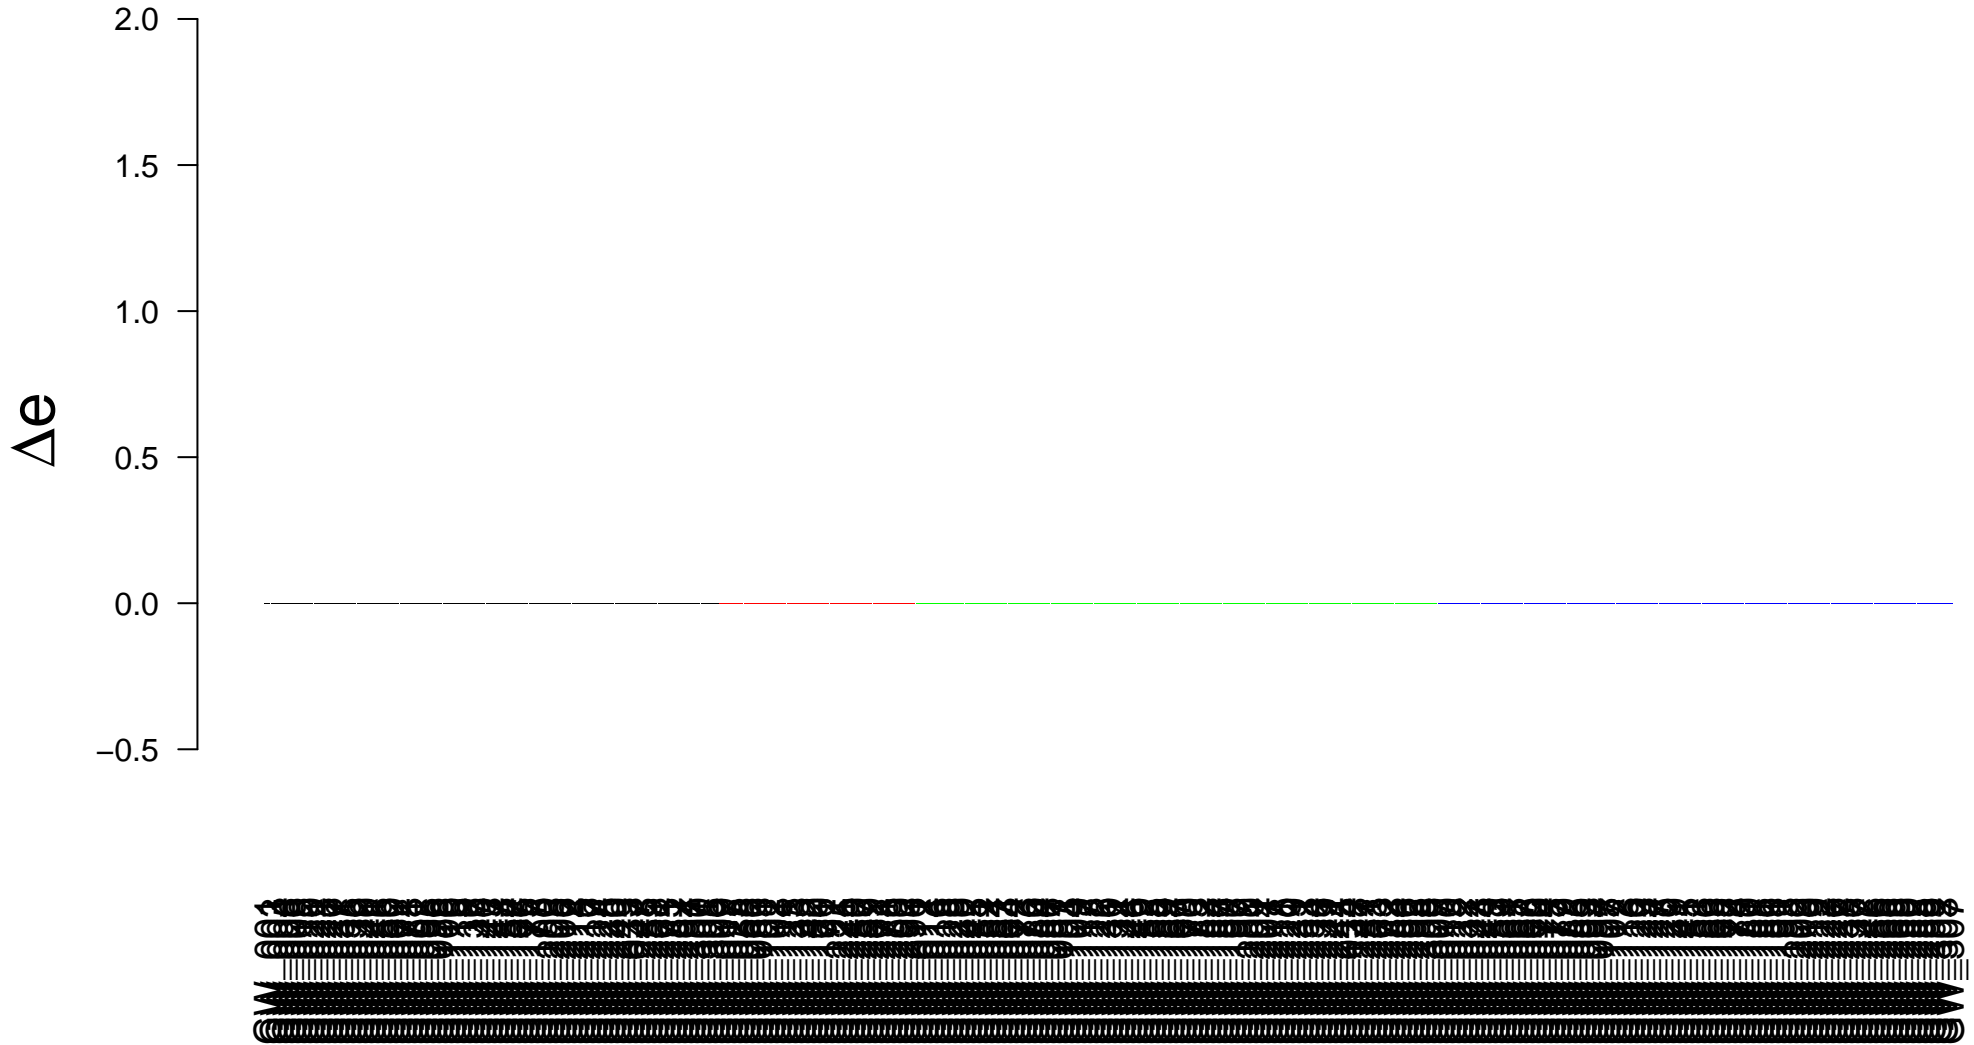

Expression of chromosome, telomeric region in Spot D

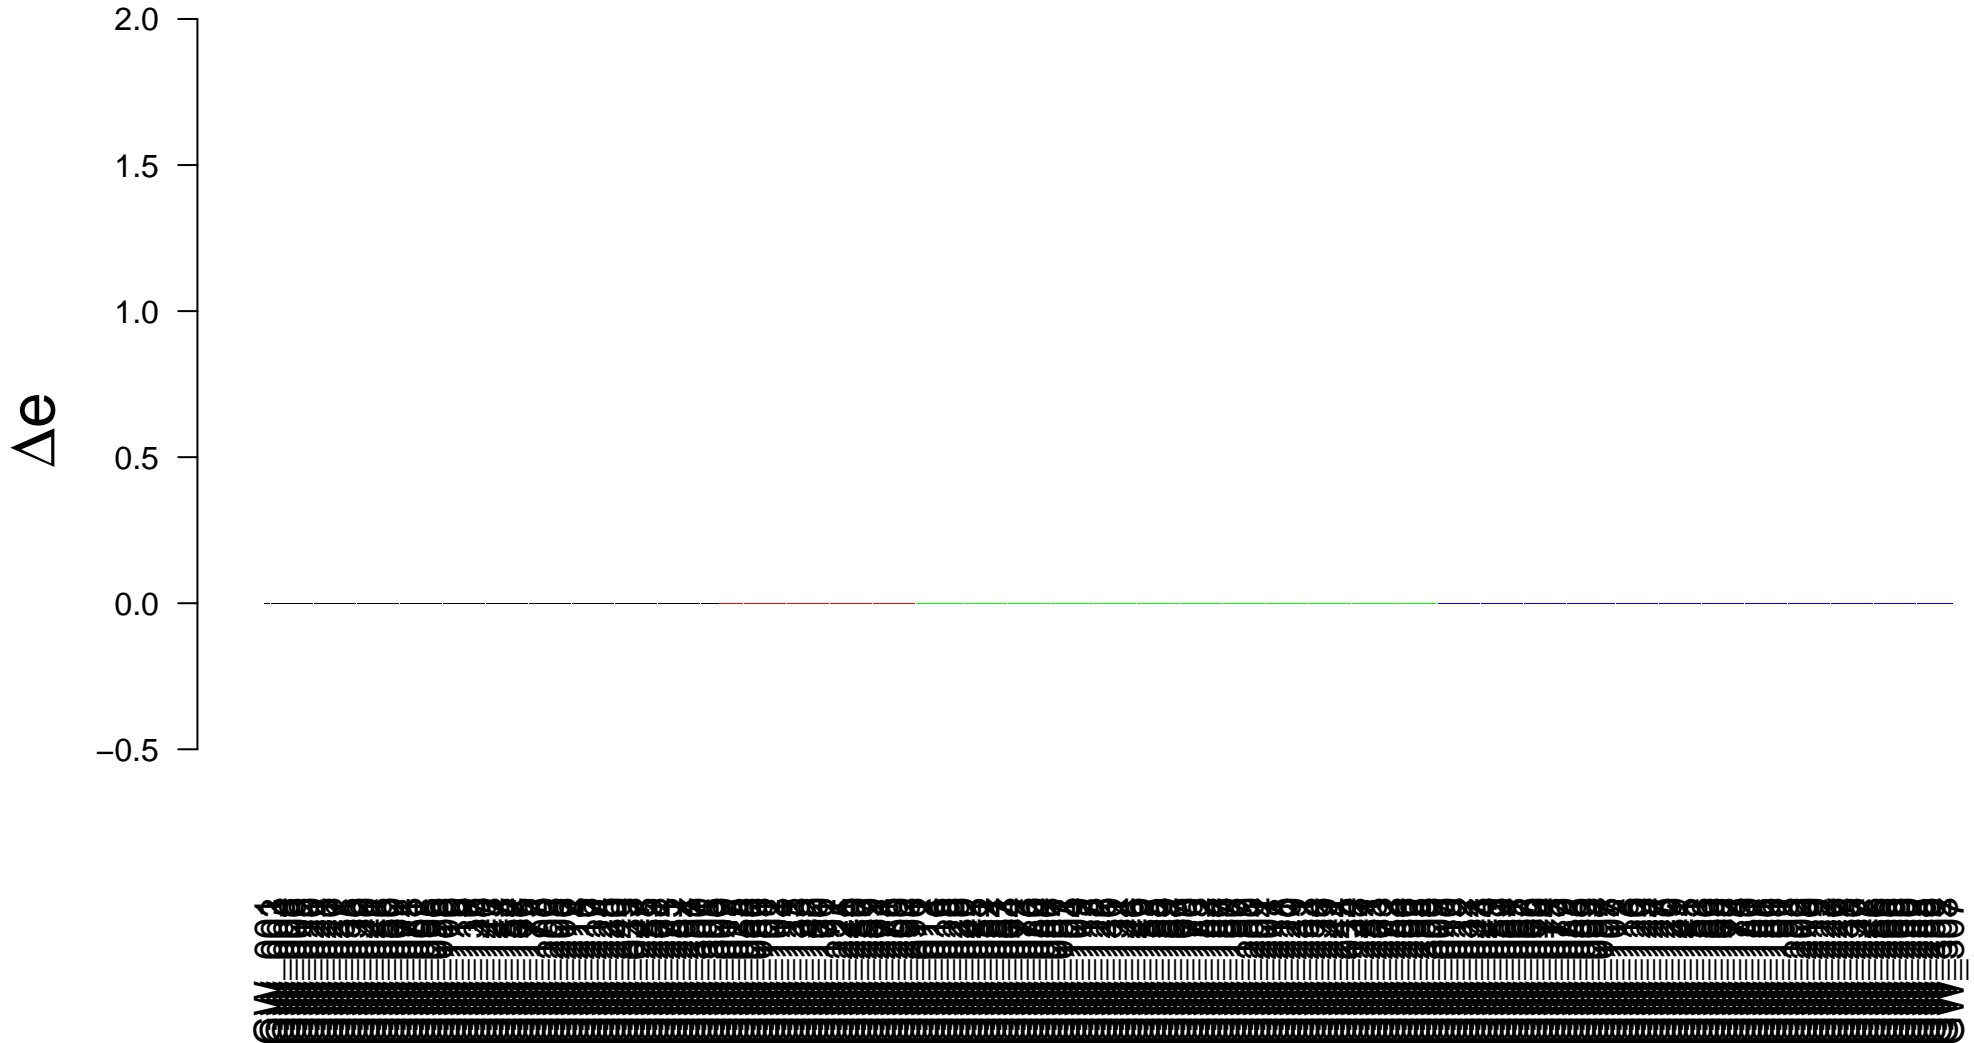

Expression of chromosome, telomeric region in Spot E

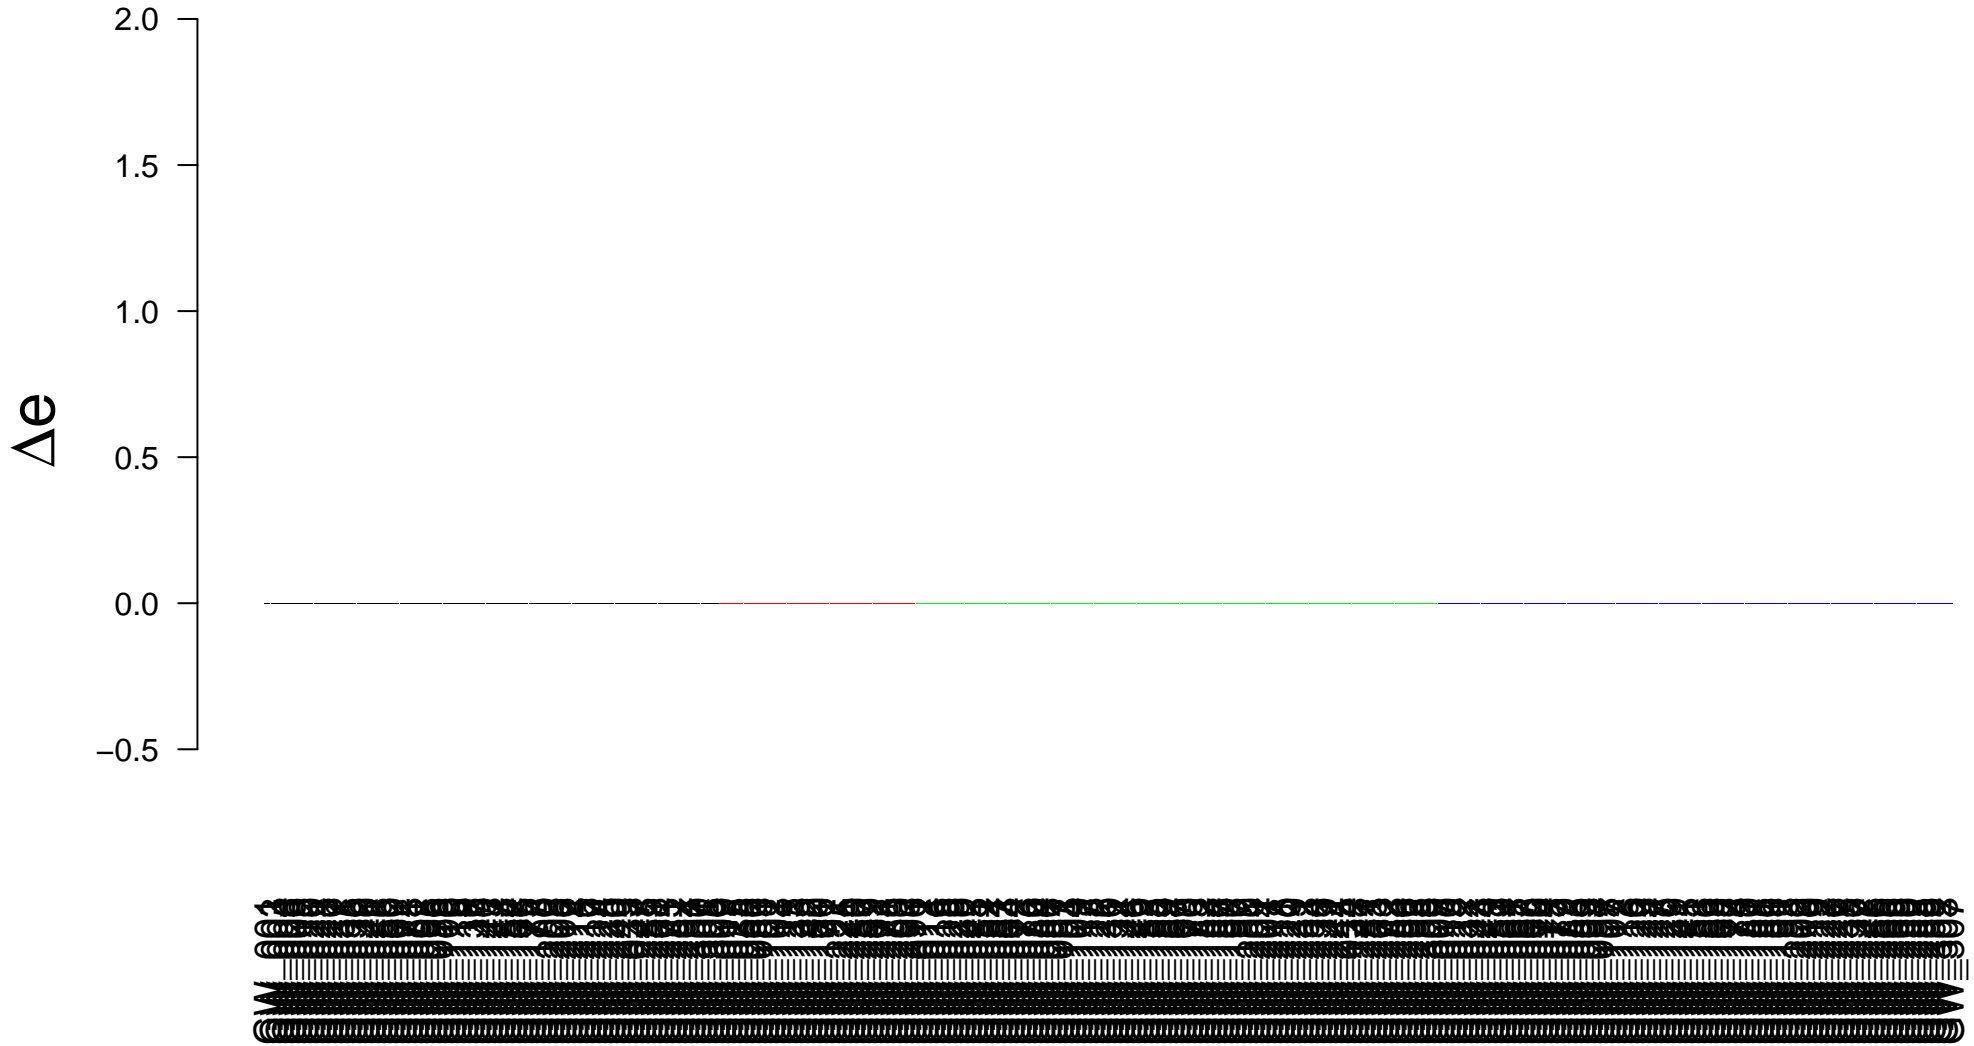

Expression of chromosome, telomeric region in Spot G

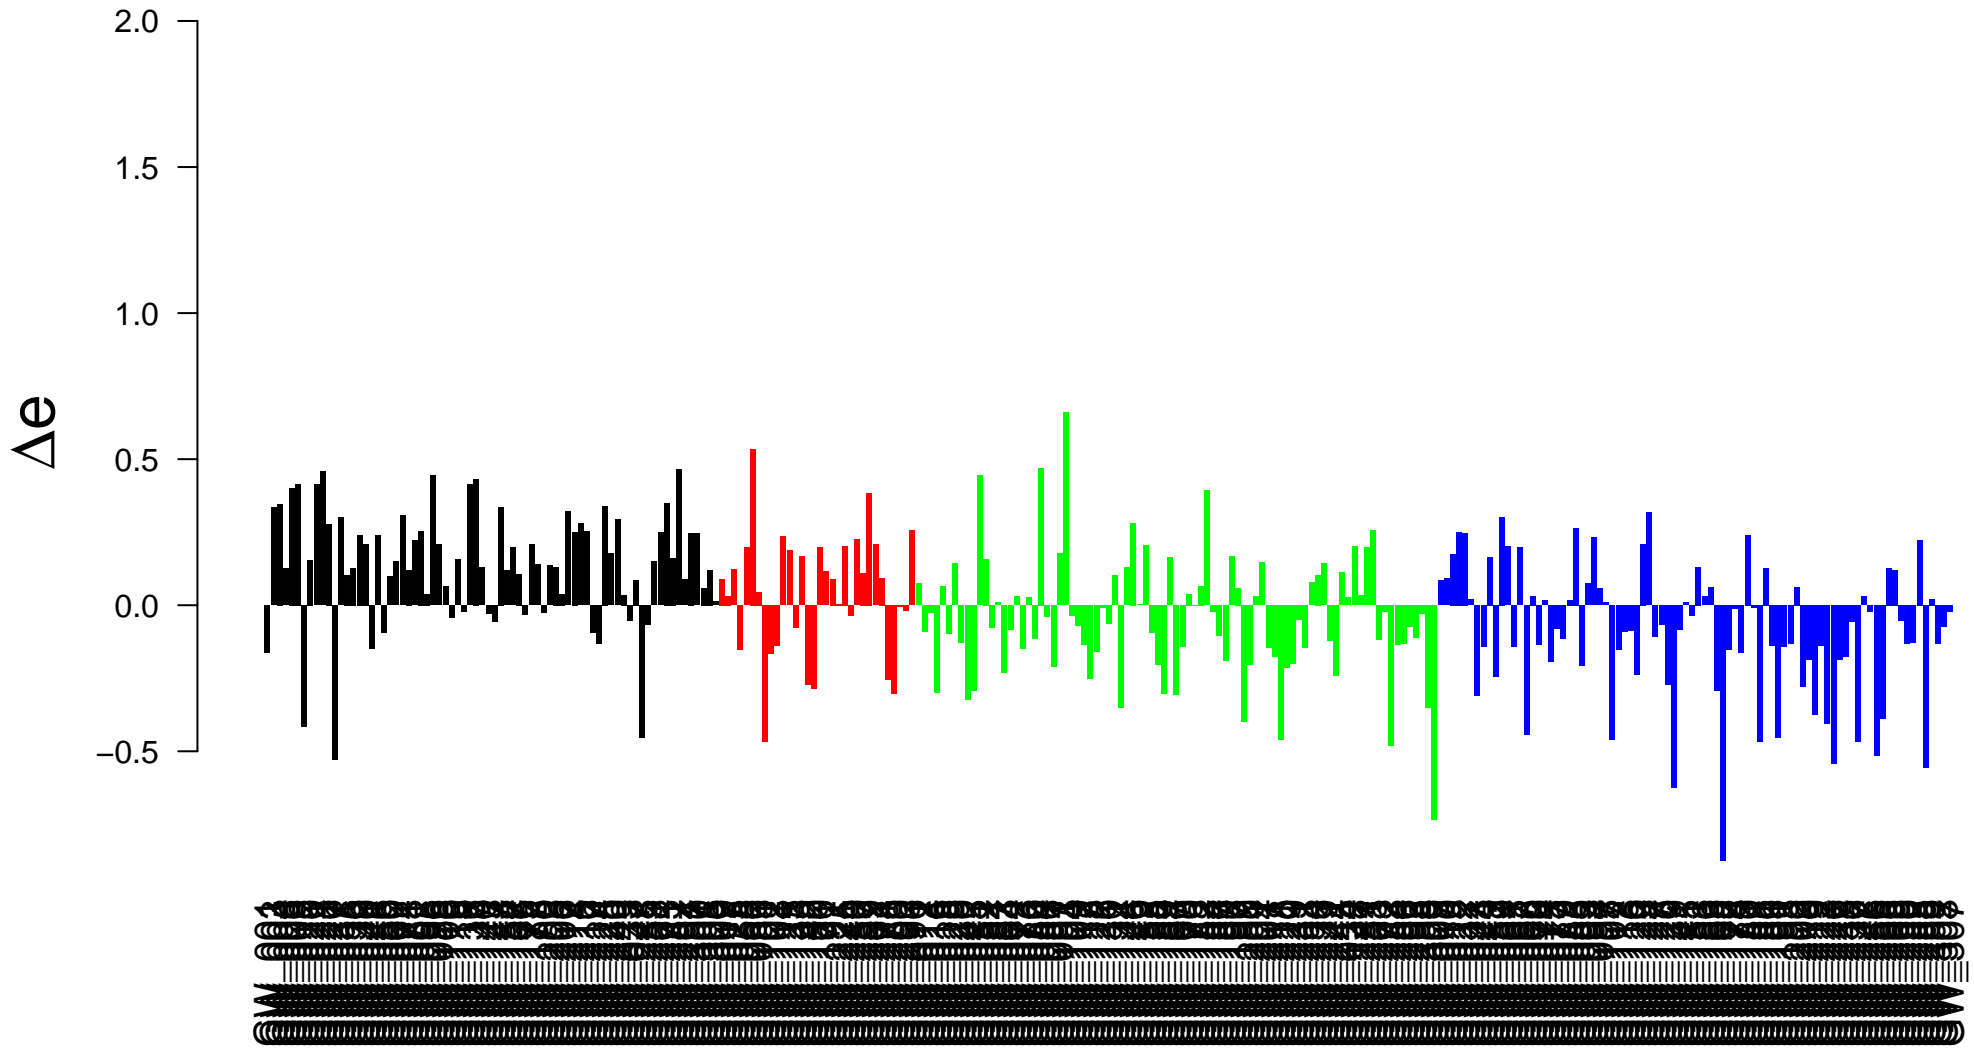

Expression of chromosome, telomeric region in Spot H

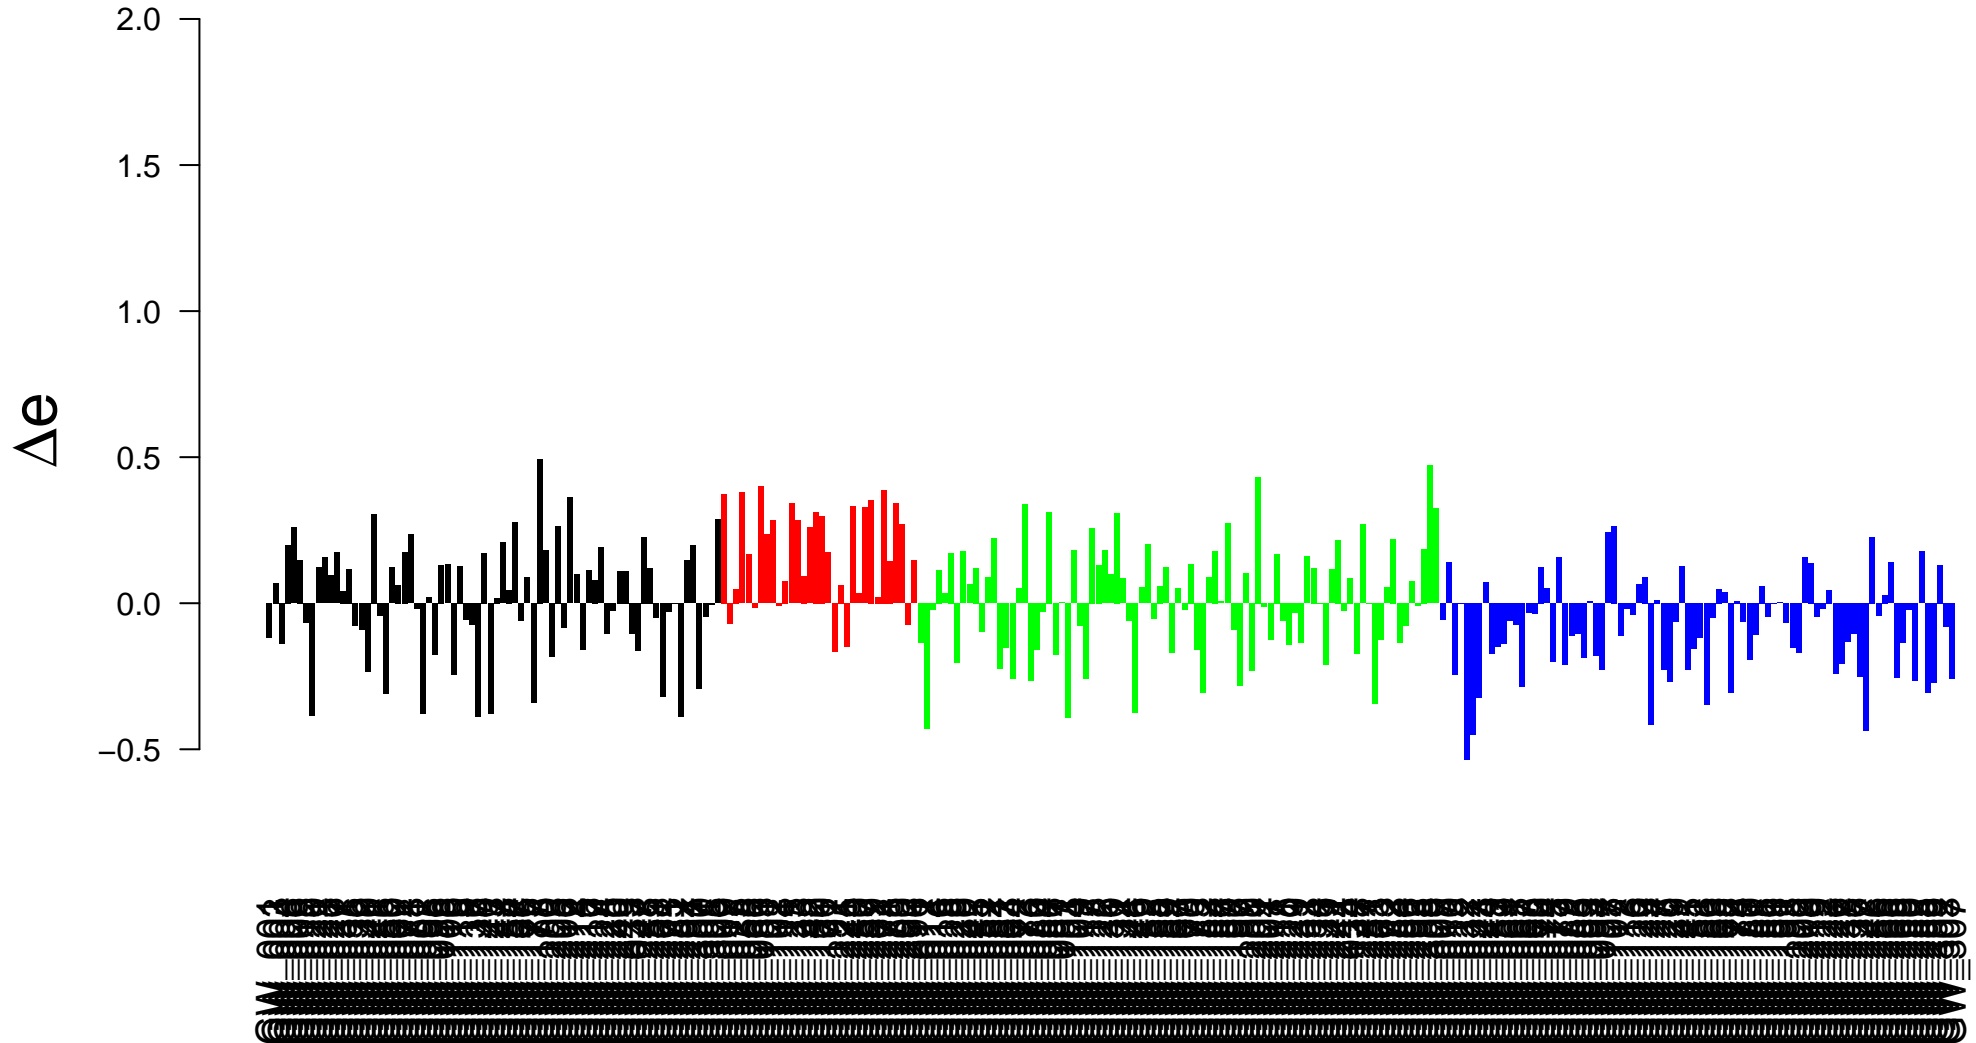

Expression of chromosome, telomeric region in Spot I

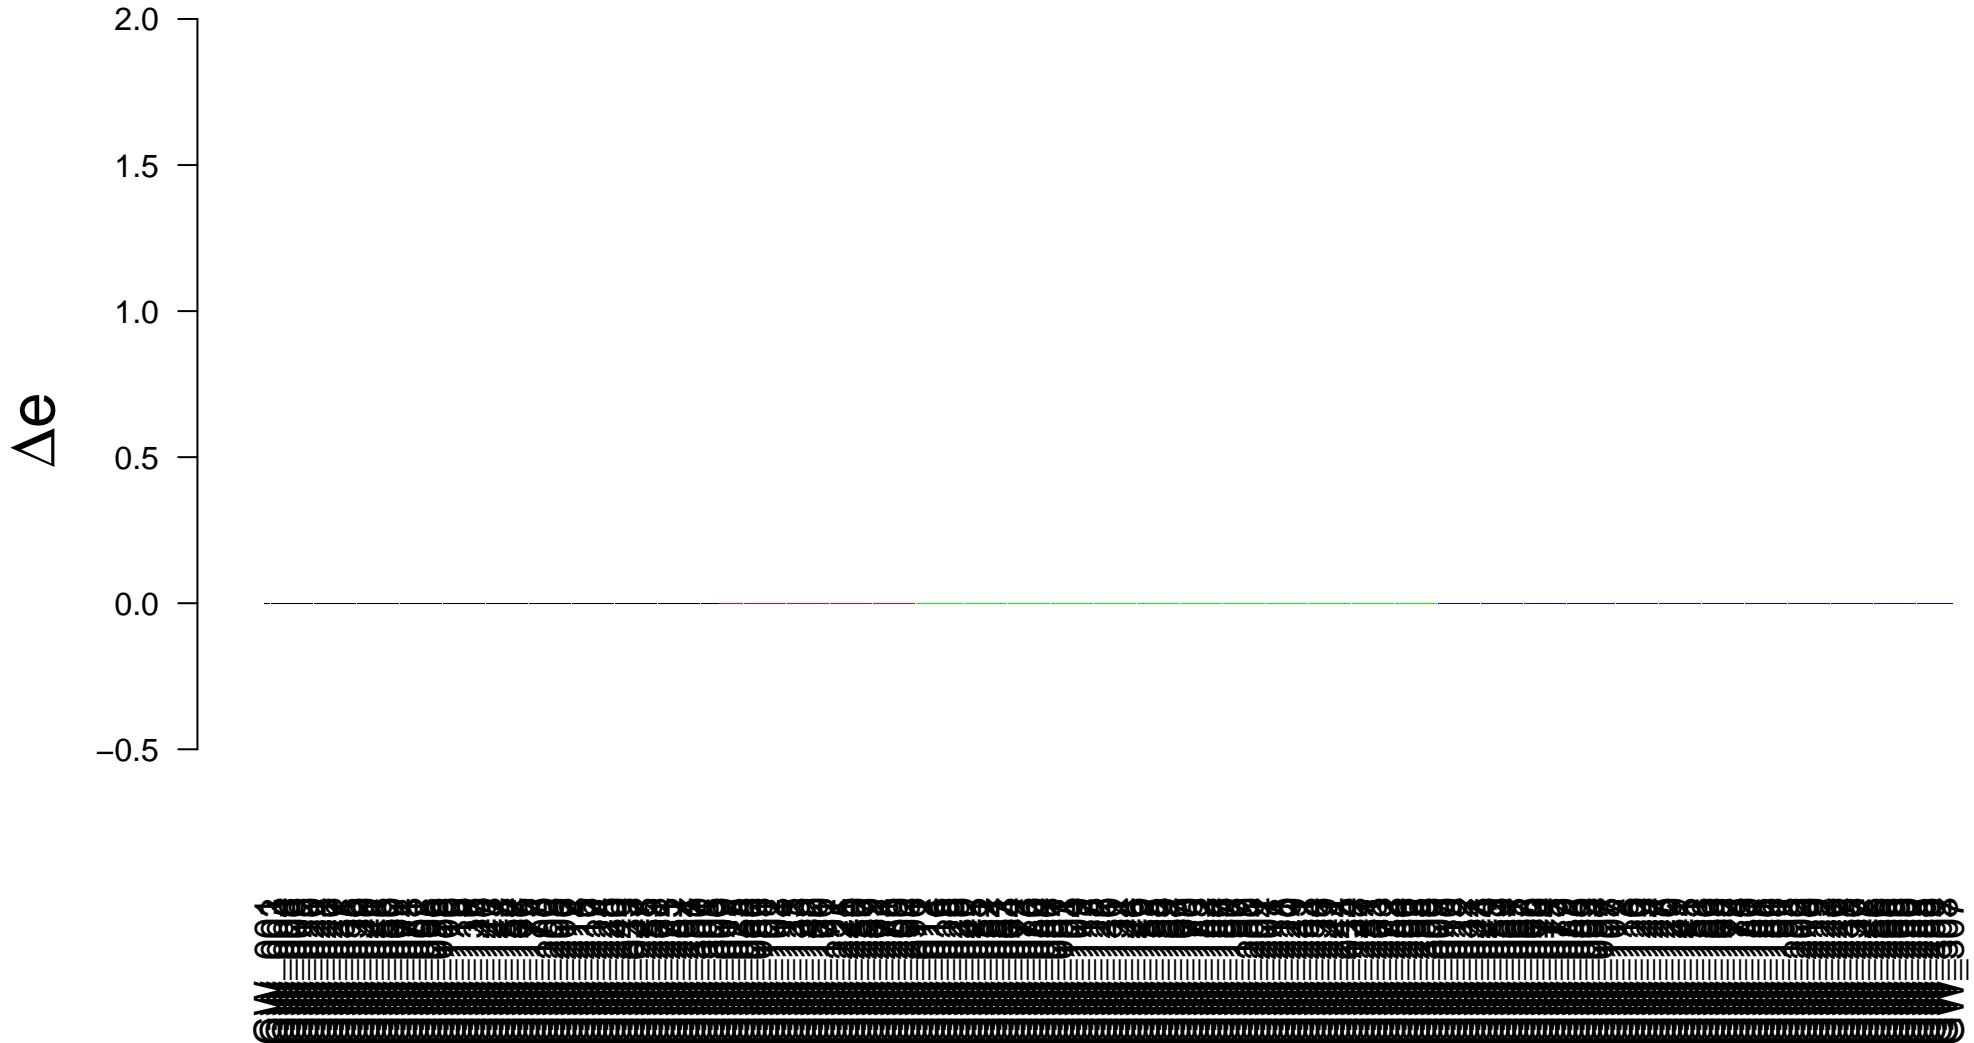

Expression of chromosome, telomeric region in Spot J

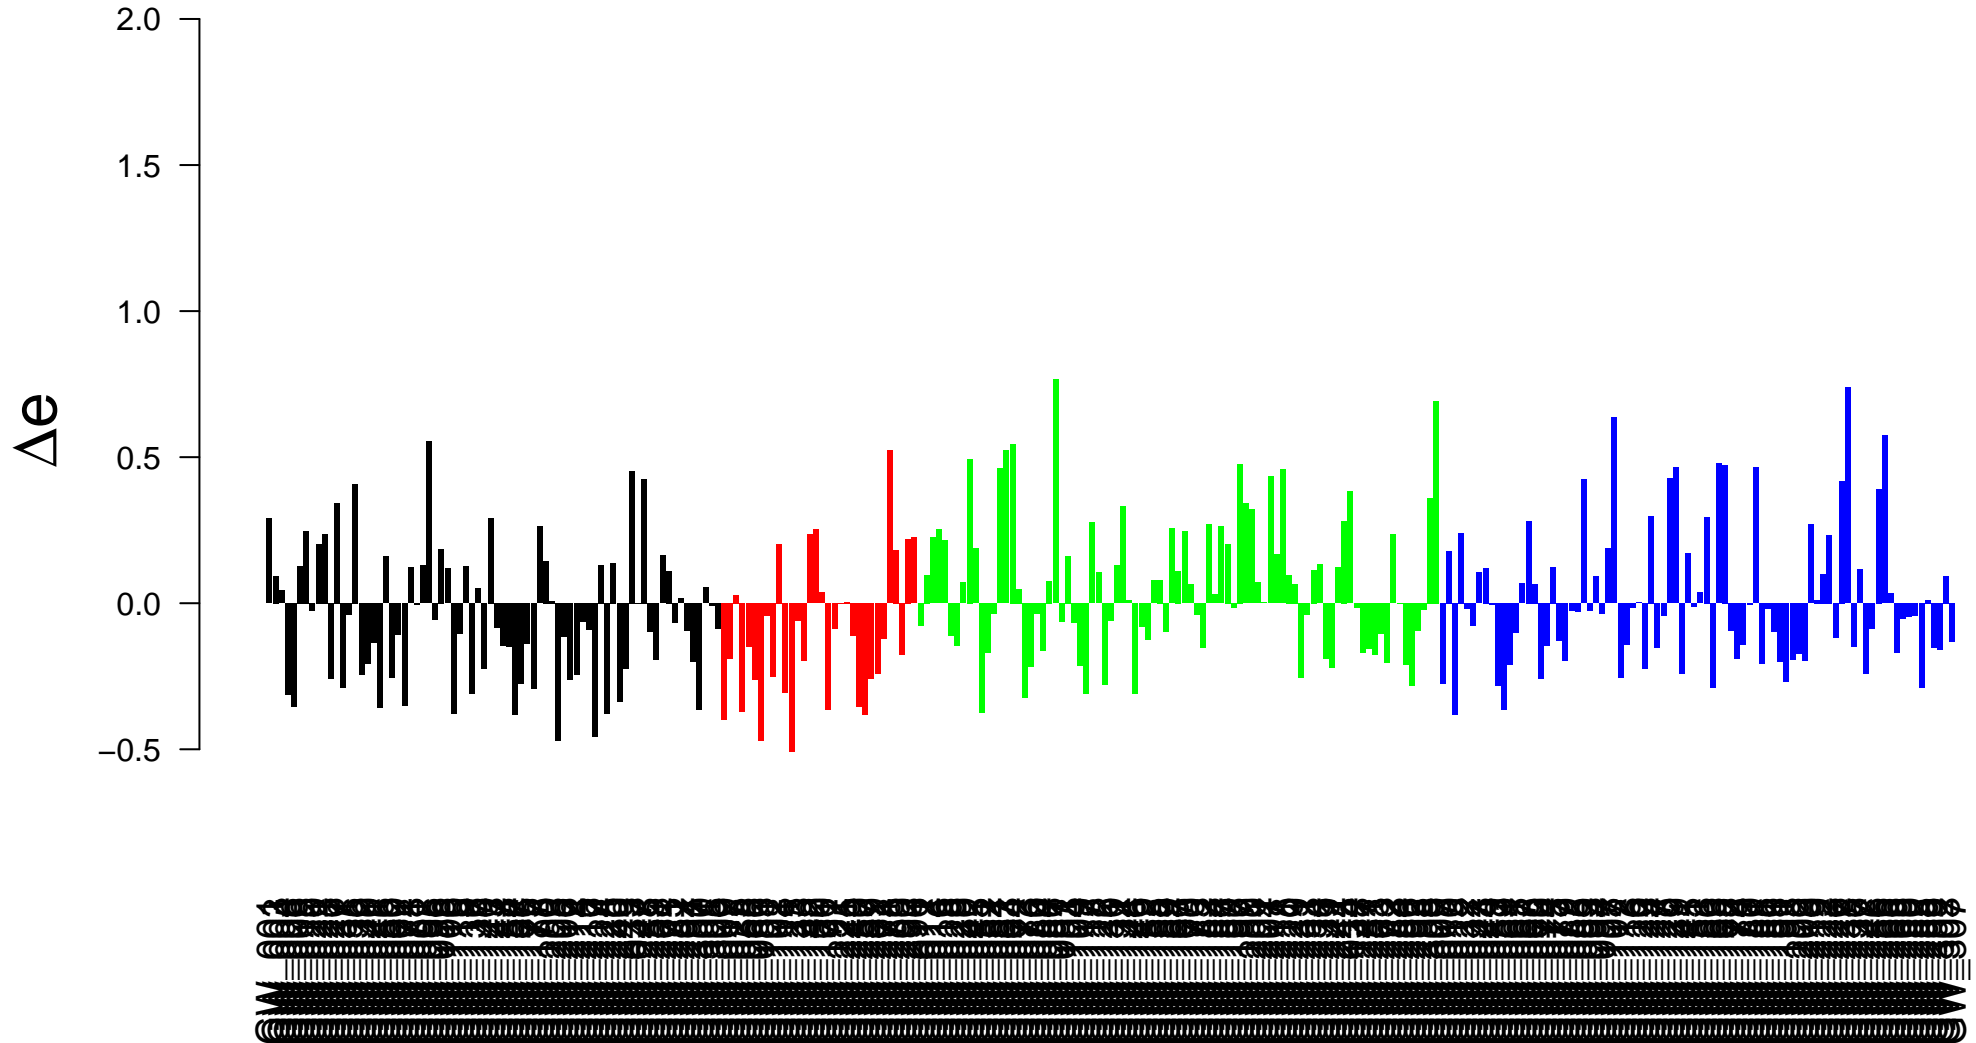

Expression of chromosome, telomeric region in Spot K

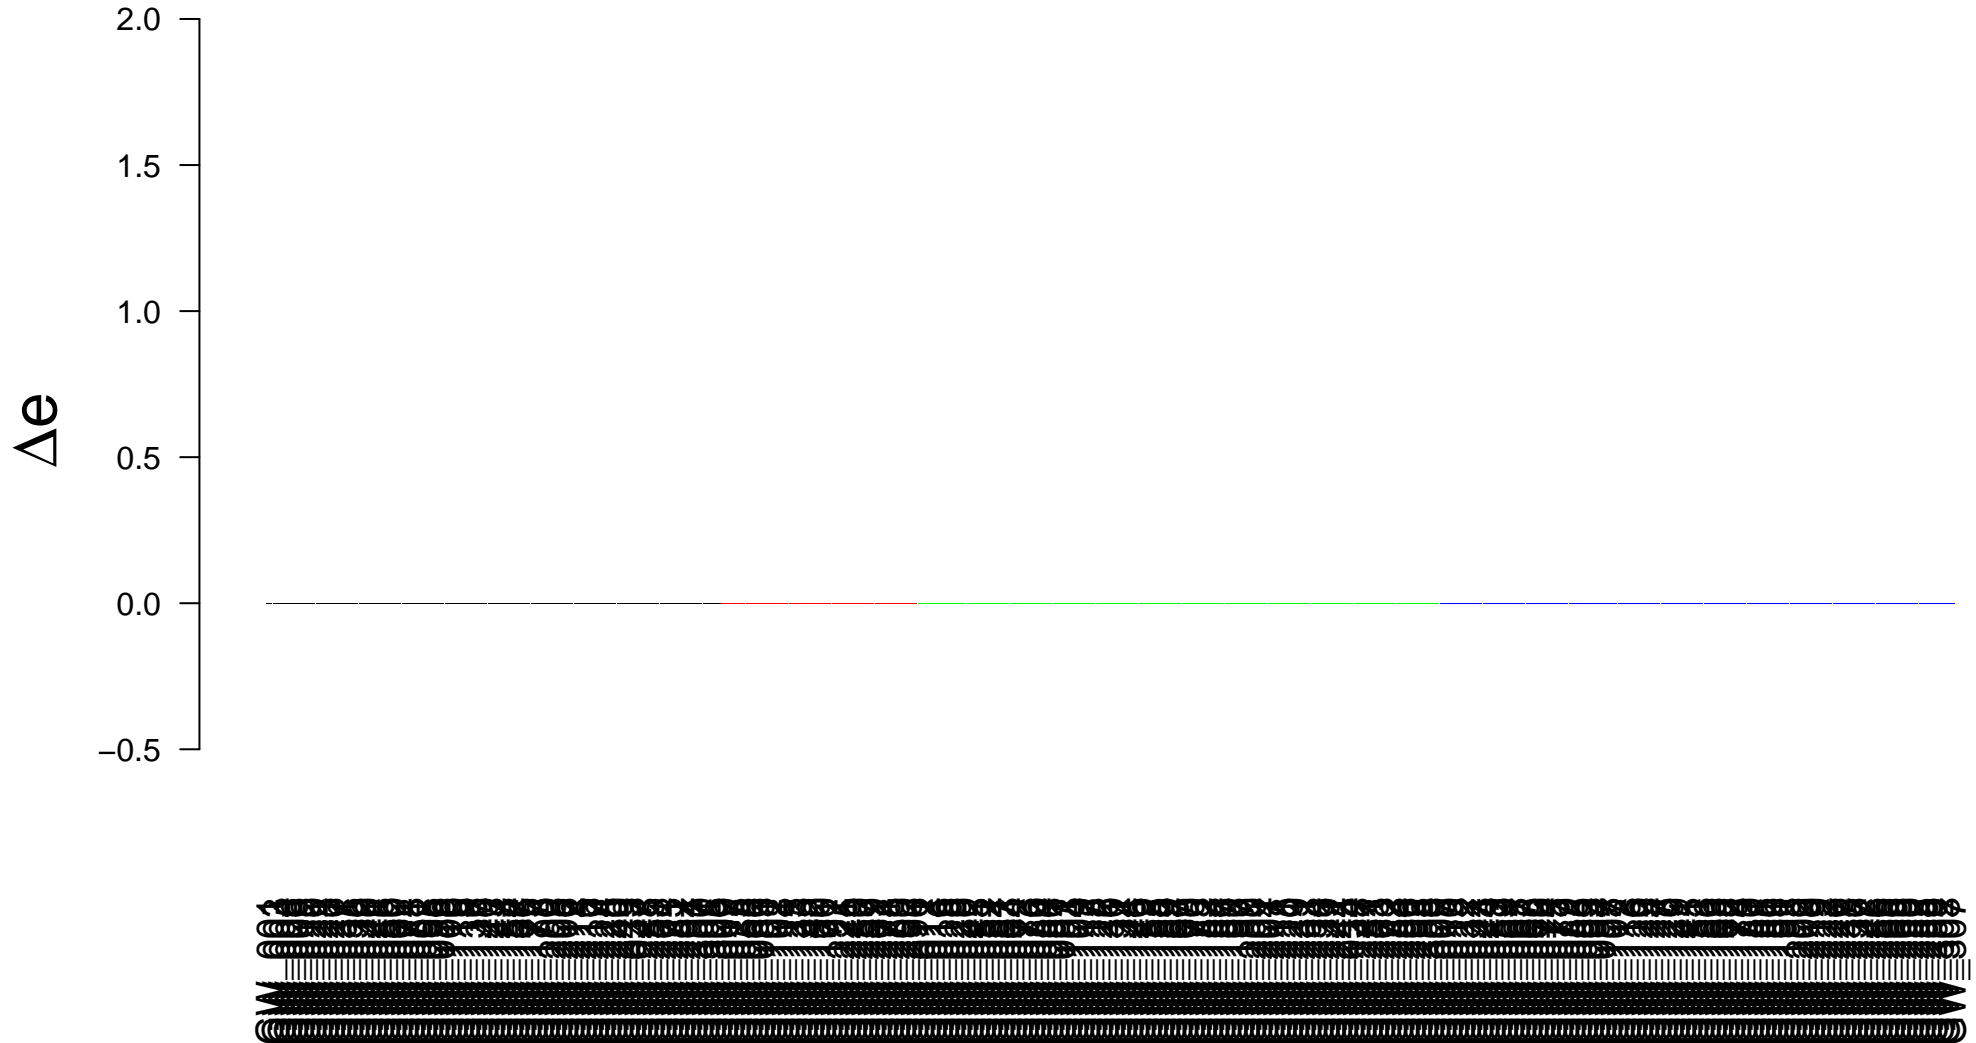

Expression of chromosome, telomeric region in Spot L

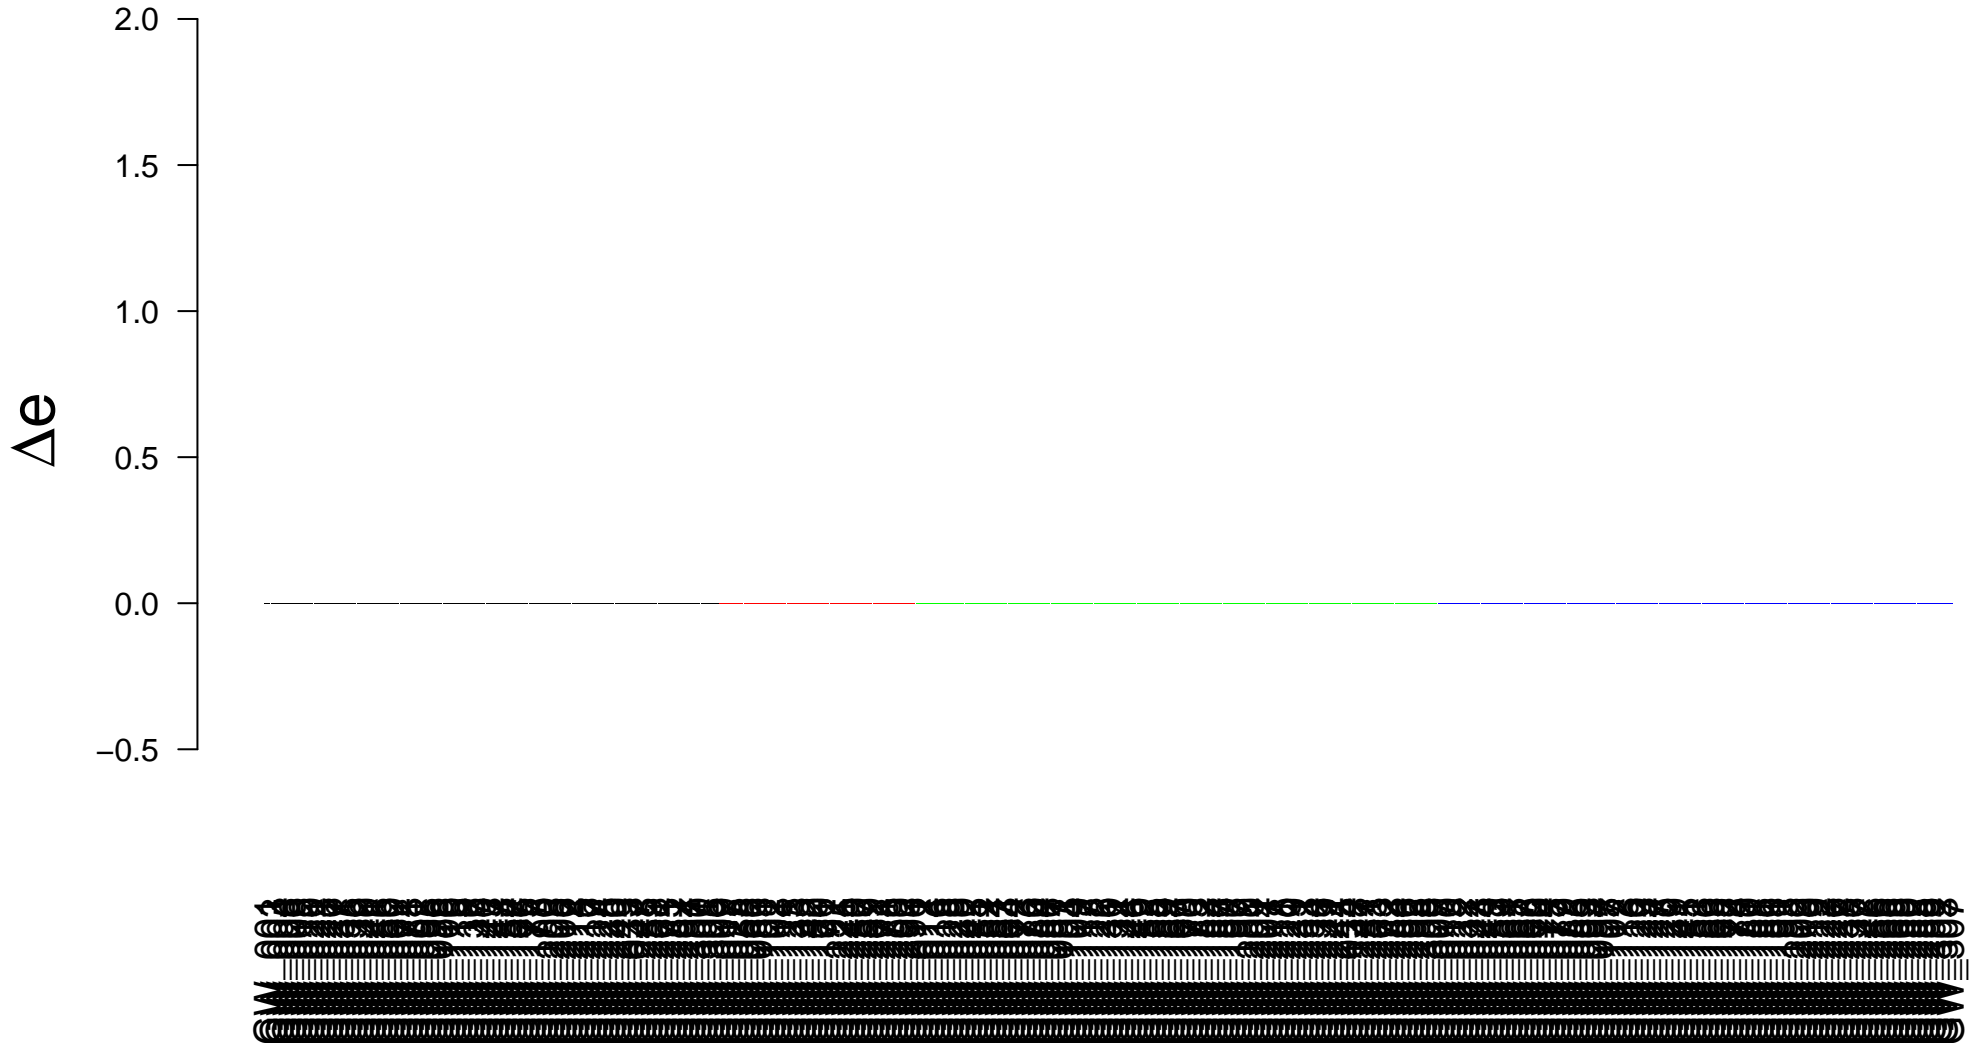

Expression of chromosome, telomeric region in Spot M

Expression of chromosome, telomeric region in Spot N

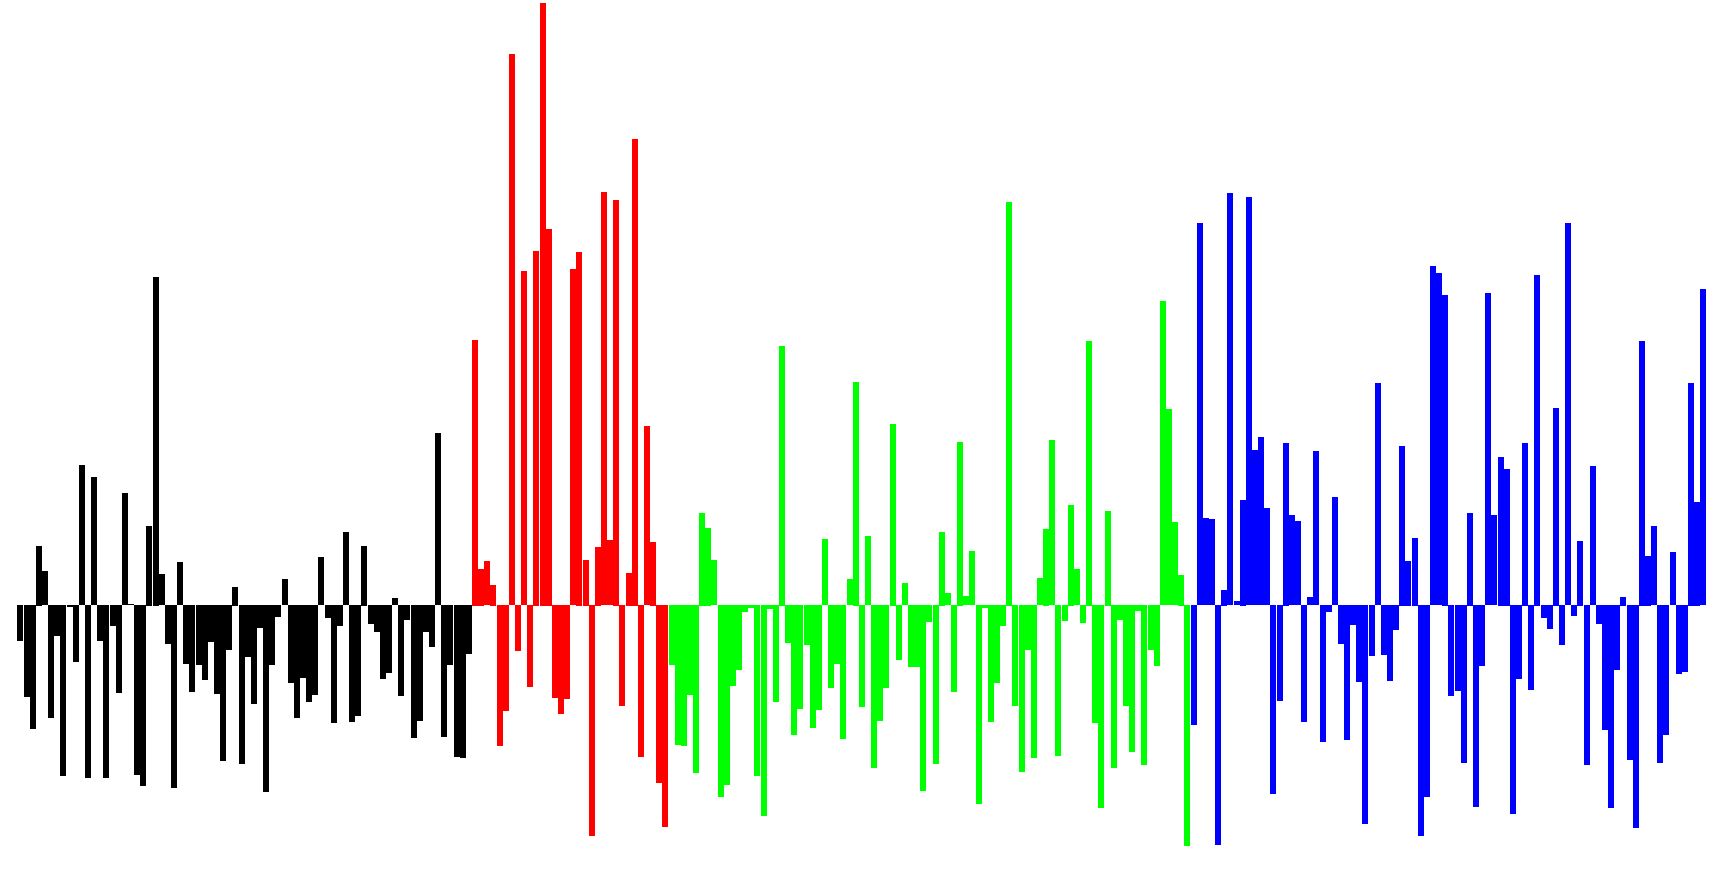

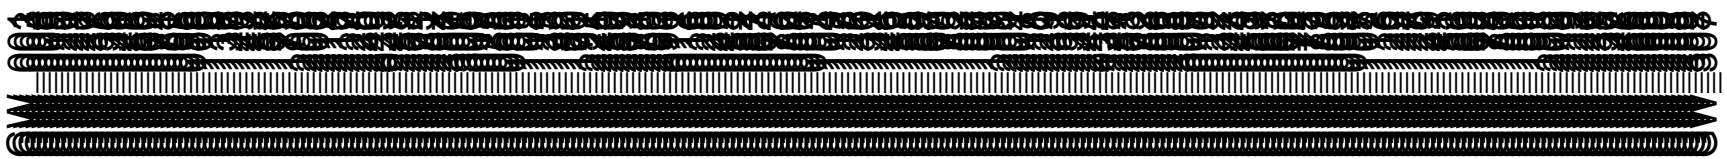

Expression of chromosome, telomeric region in Spot O

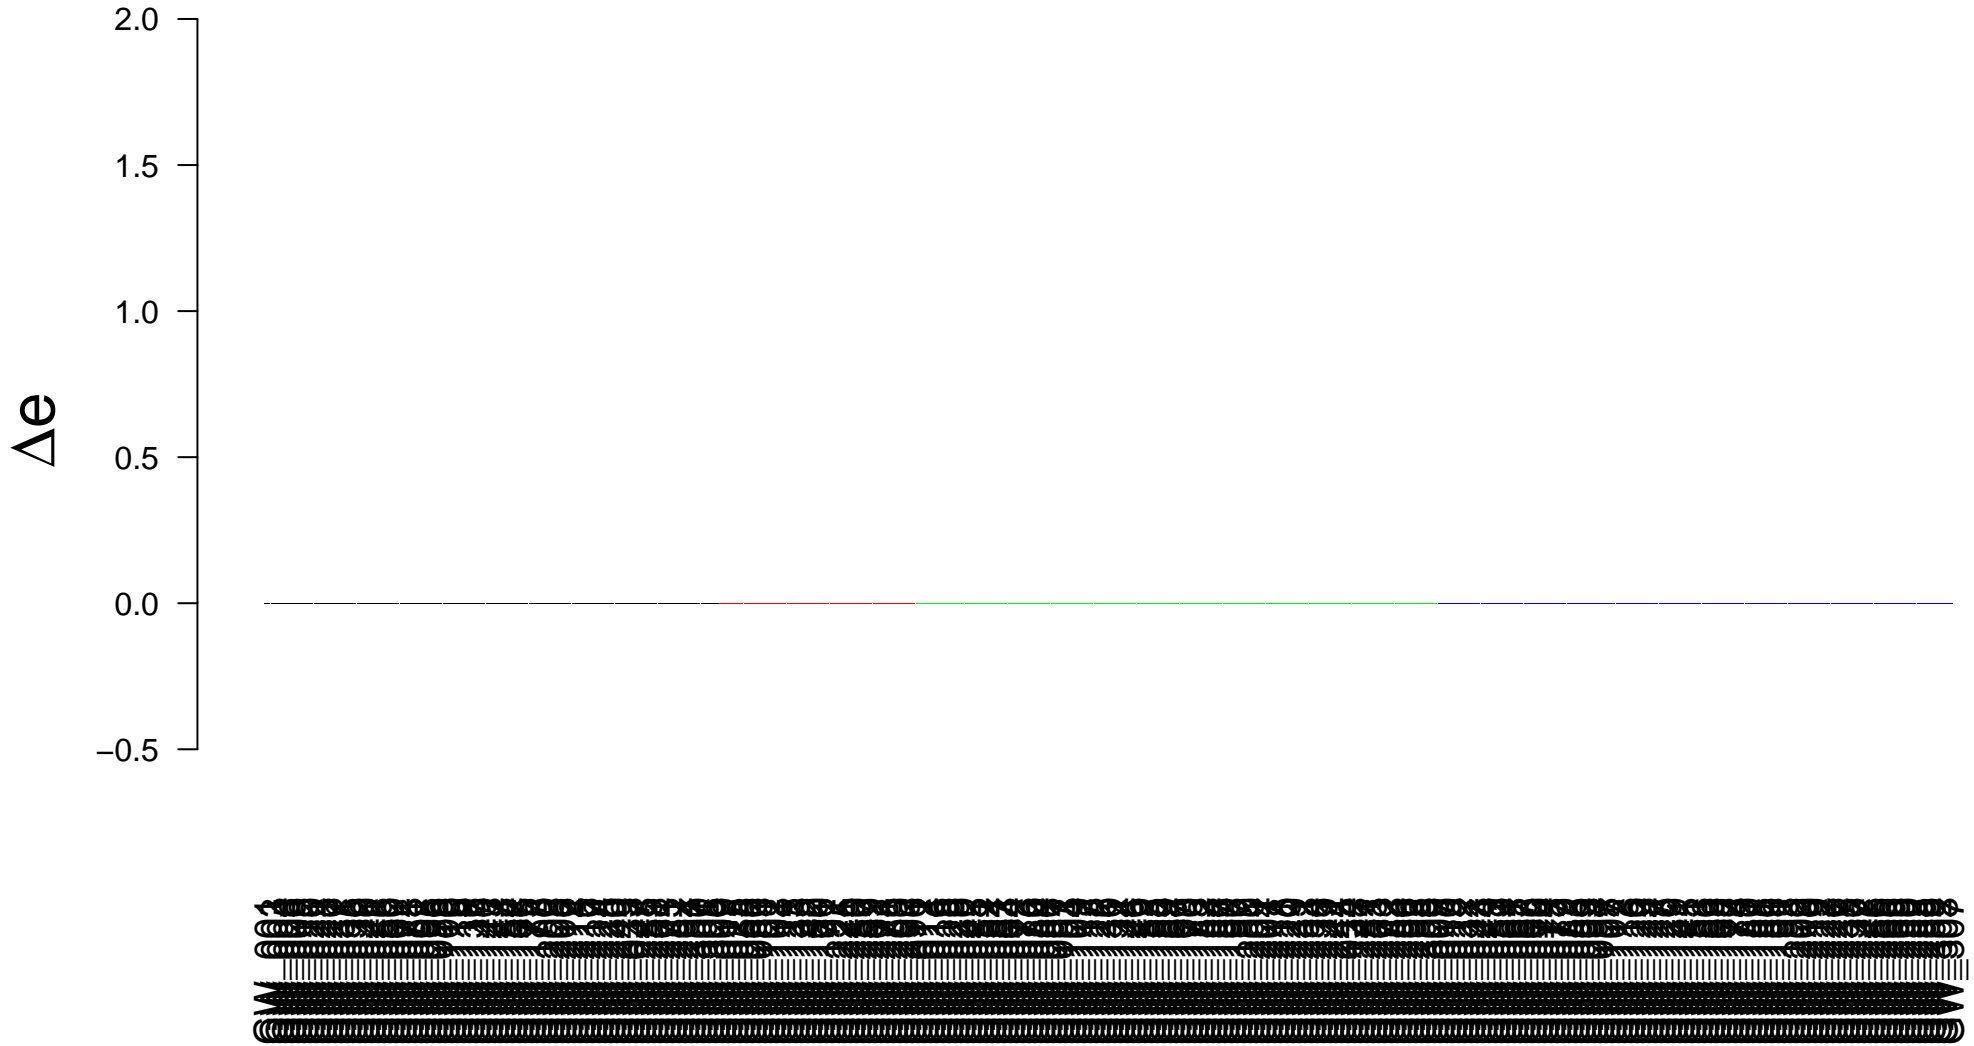

Expression of chromosome, telomeric region in Spot P
