

chronic inflammatory response

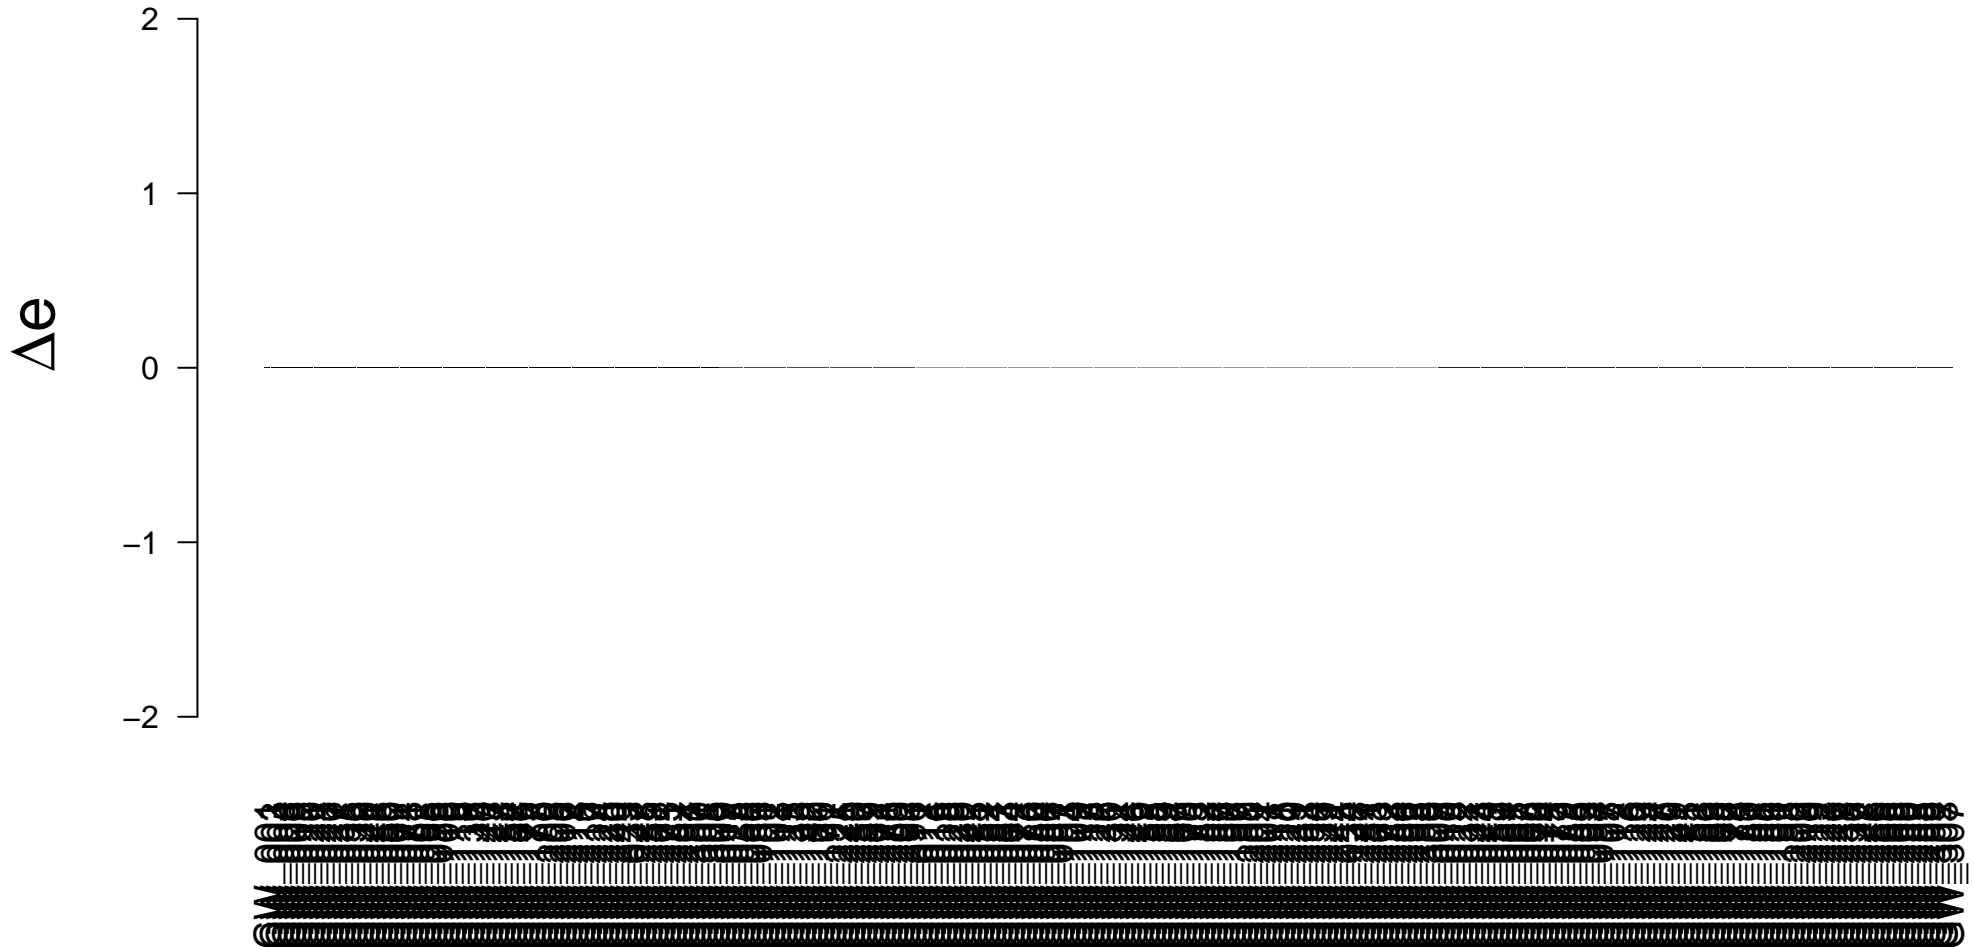

chronic inflammatory response

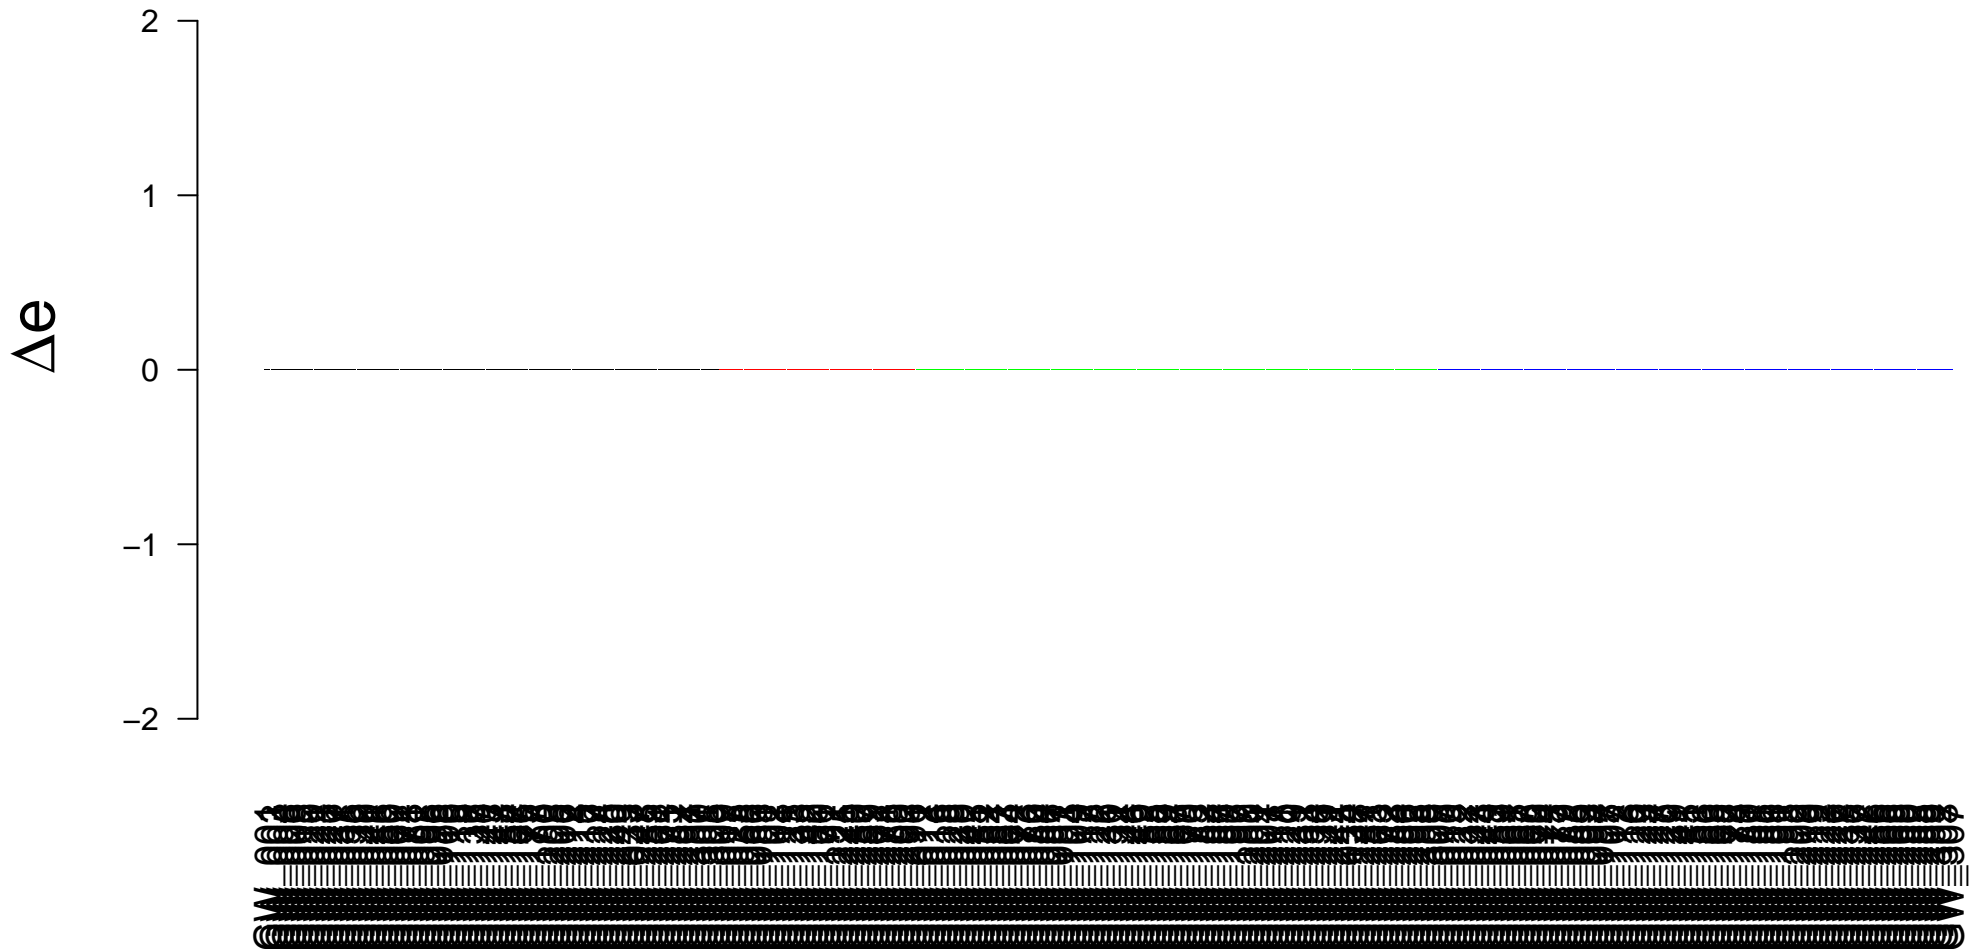

Enrichment in spots: chronic inflammatory response

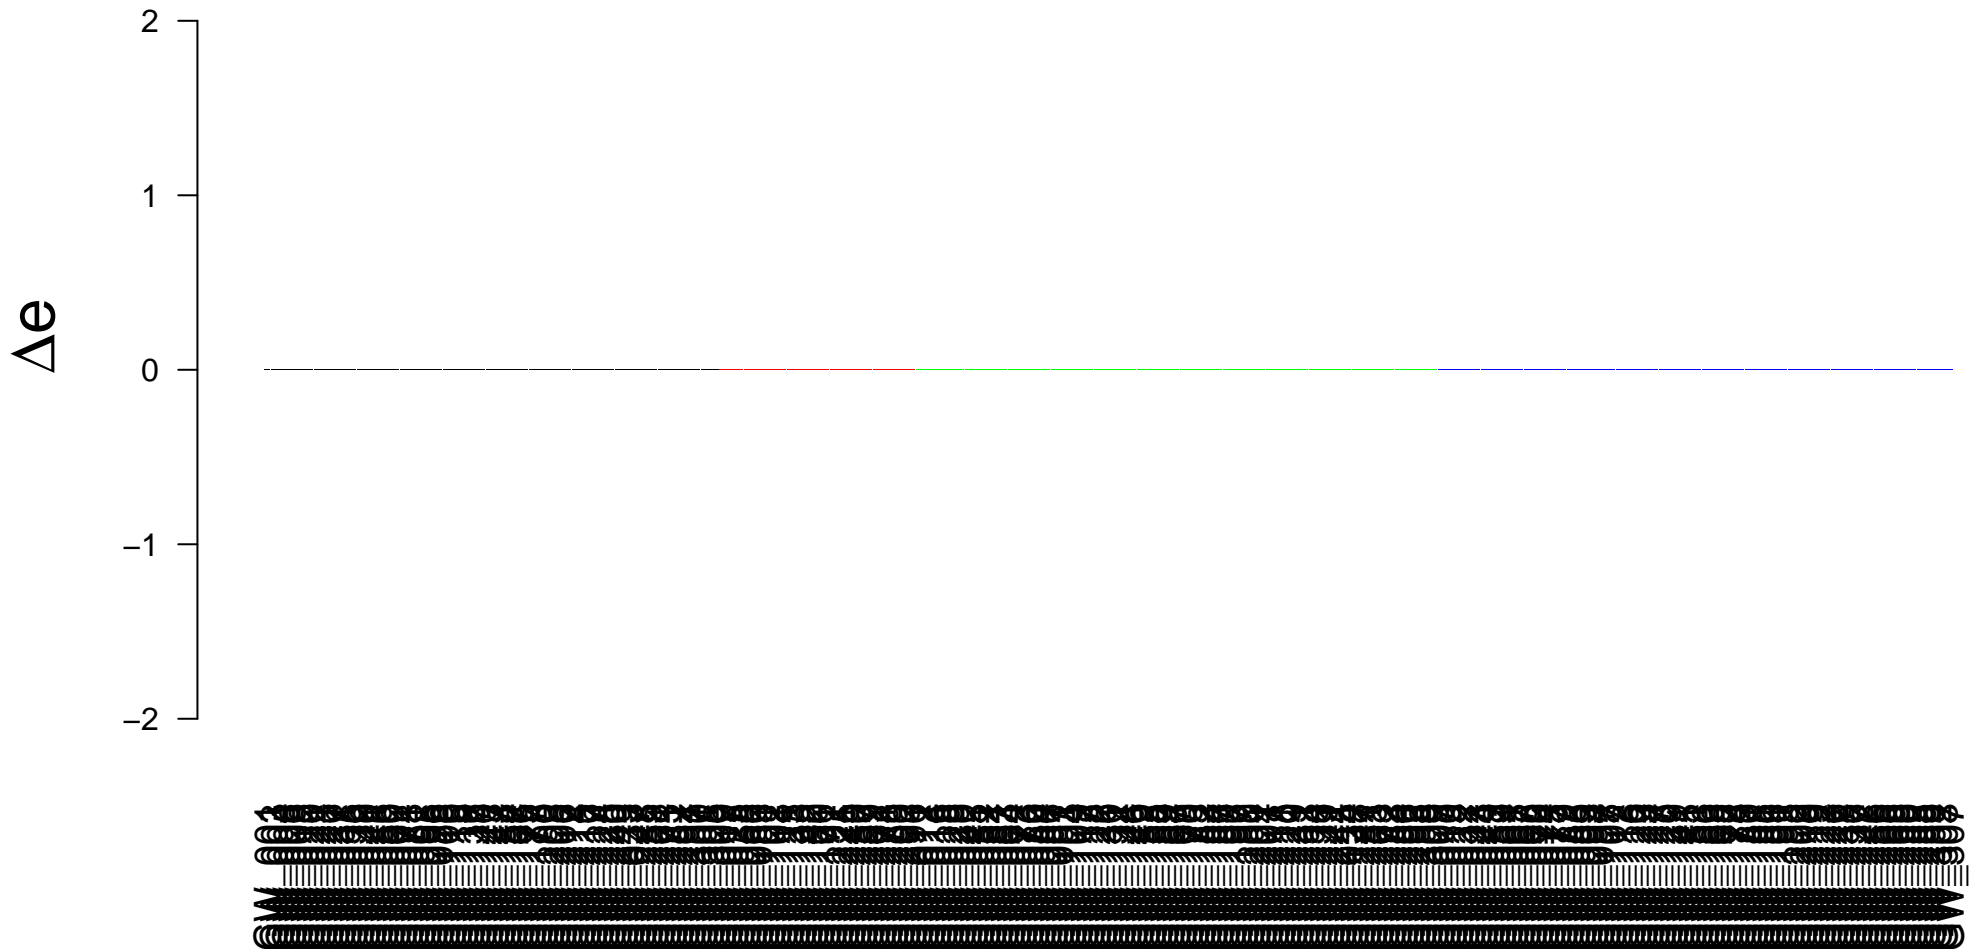

Expression of chronic inflammatory response in Spot A

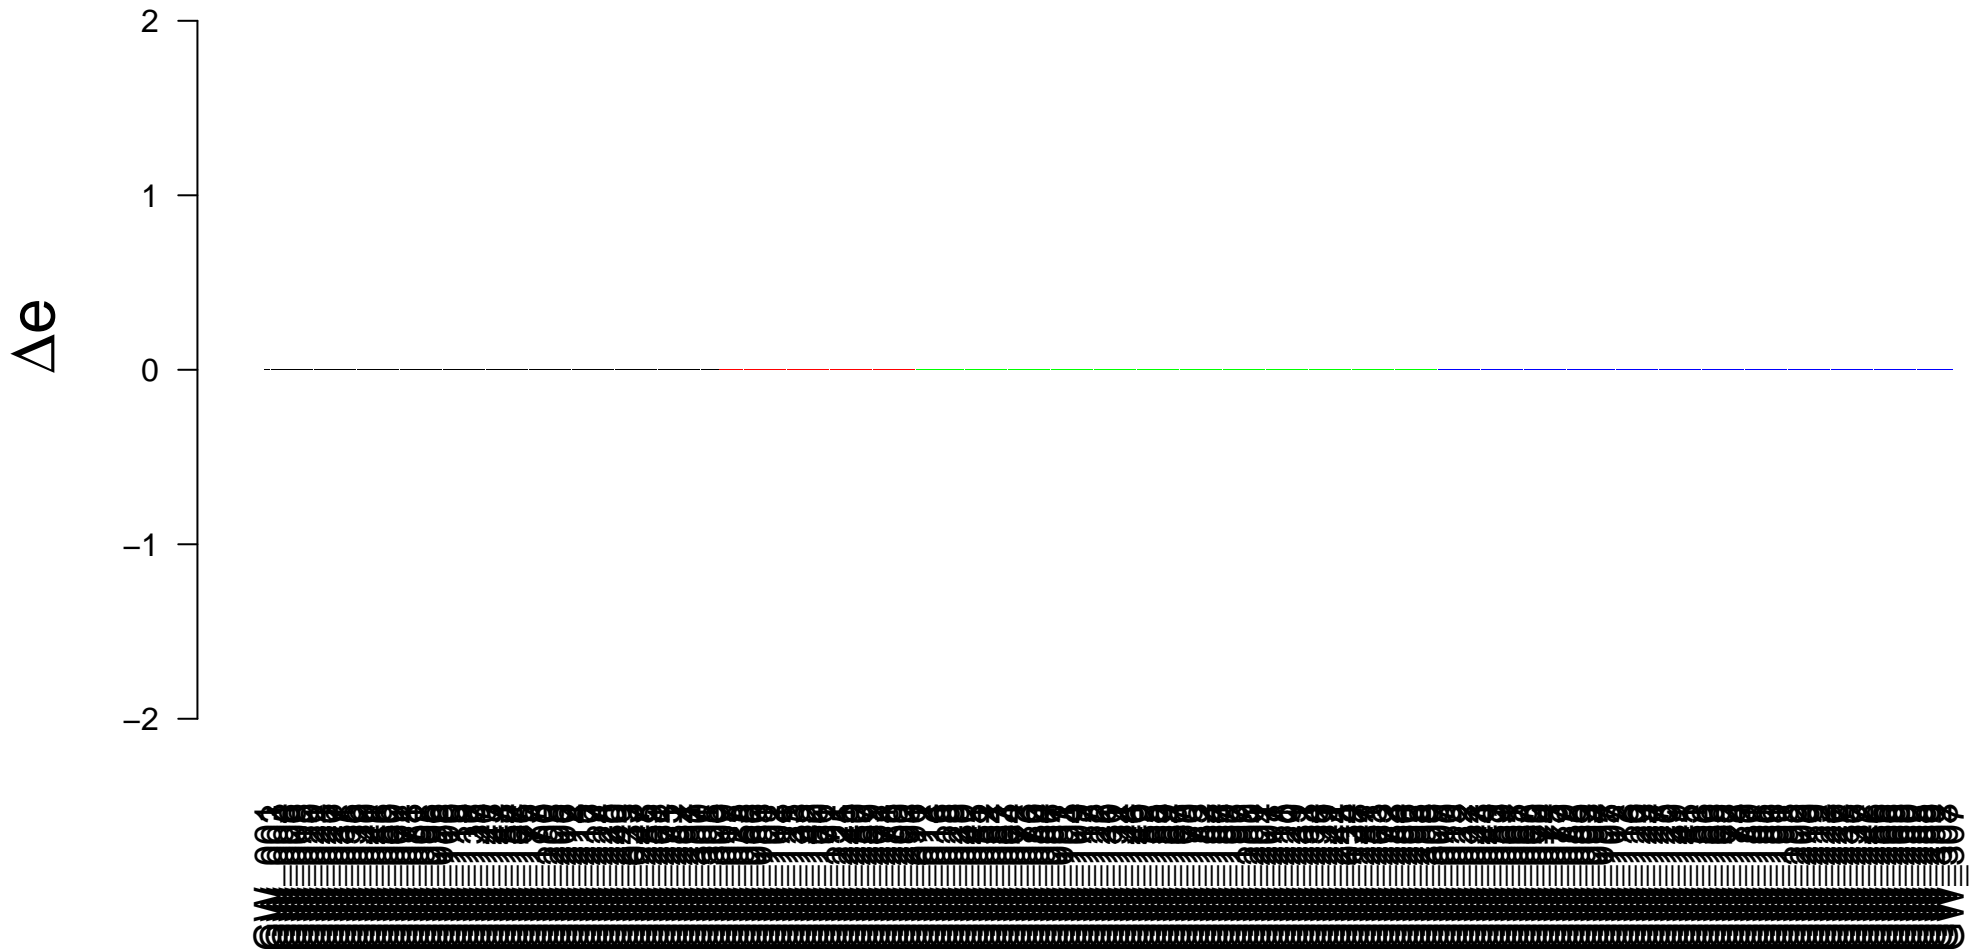

Expression of chronic inflammatory response in Spot B

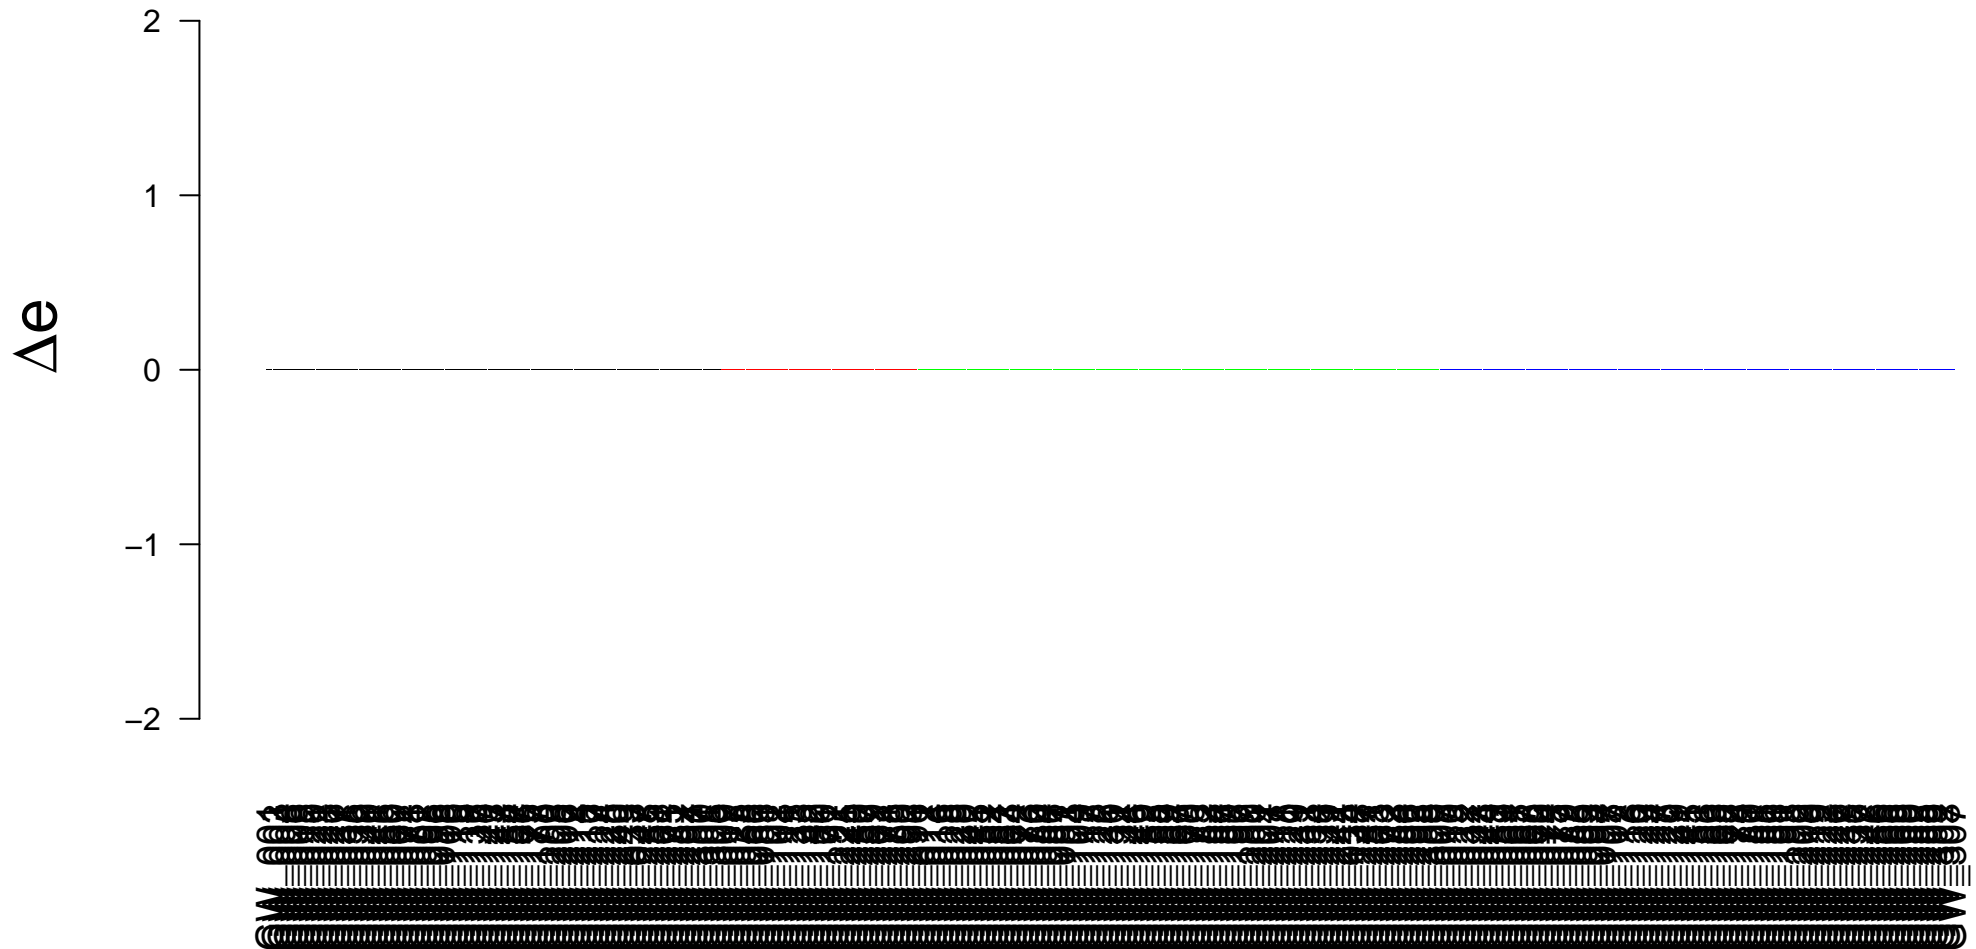

Expression of chronic inflammatory response in Spot C

Expression of chronic inflammatory response in Spot D

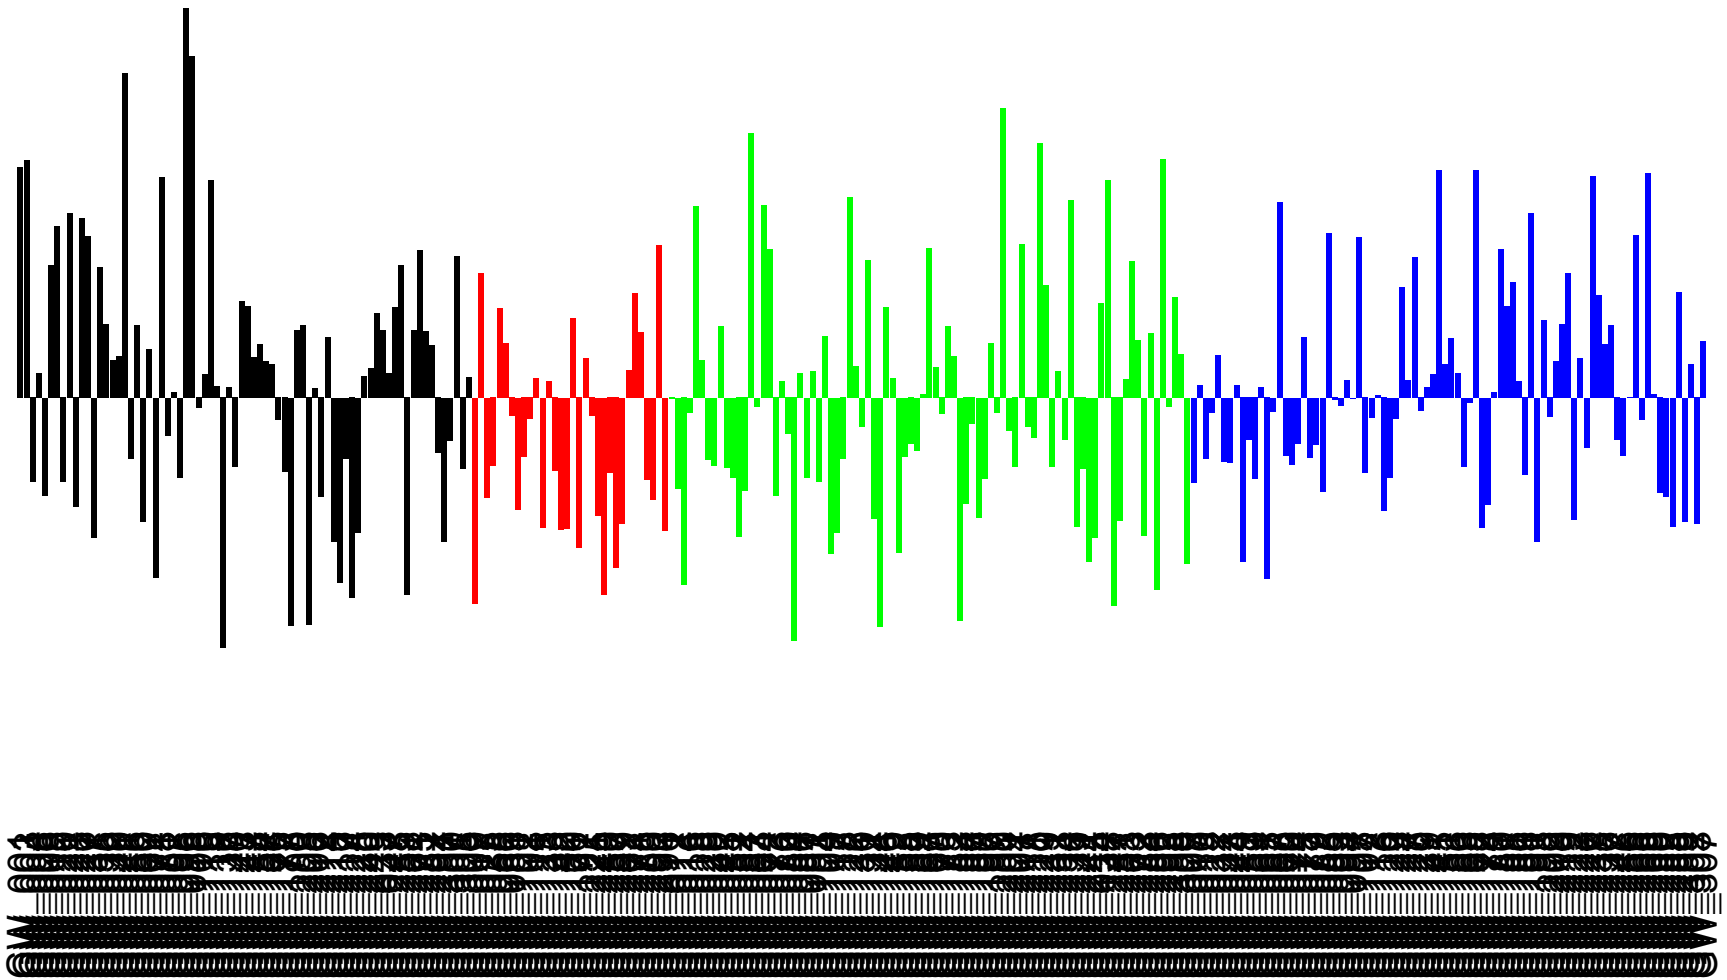

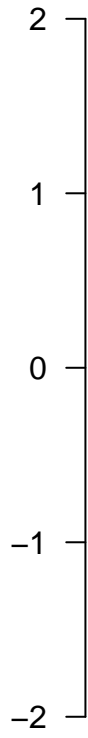

Expression of chronic inflammatory response in Spot E

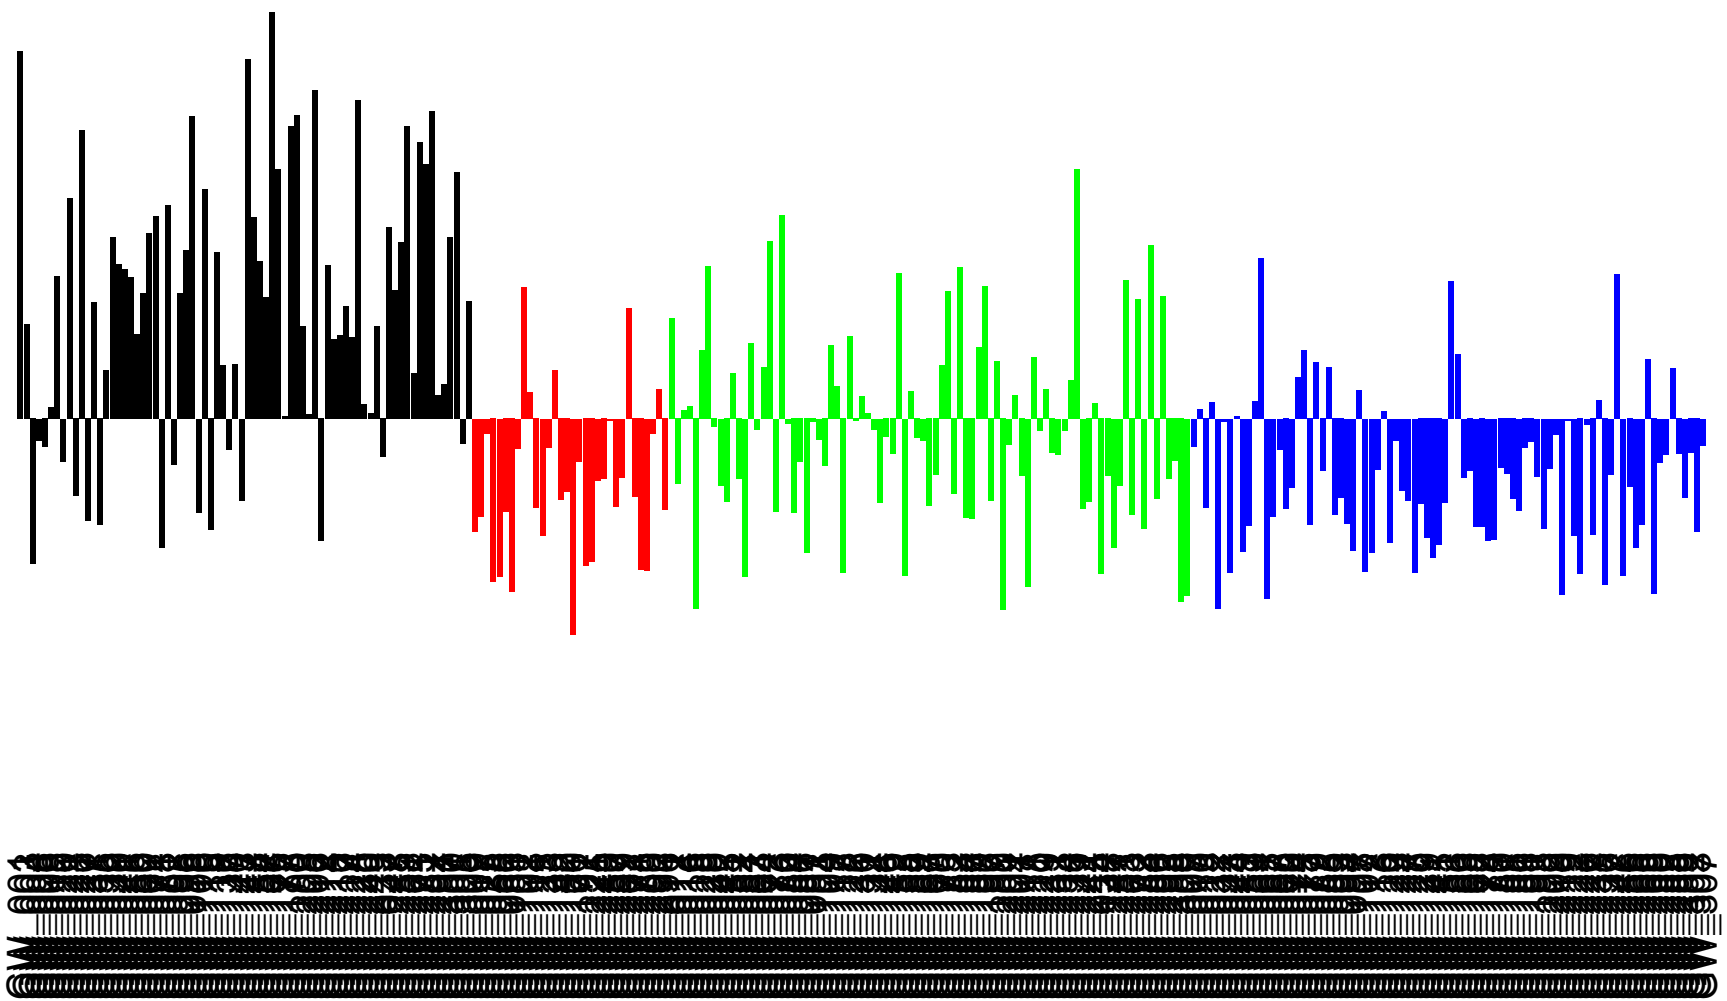

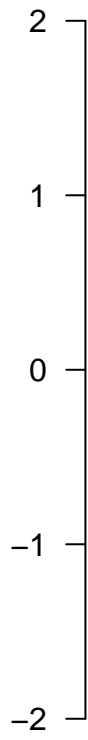

Expression of chronic inflammatory response in Spot F

Δe

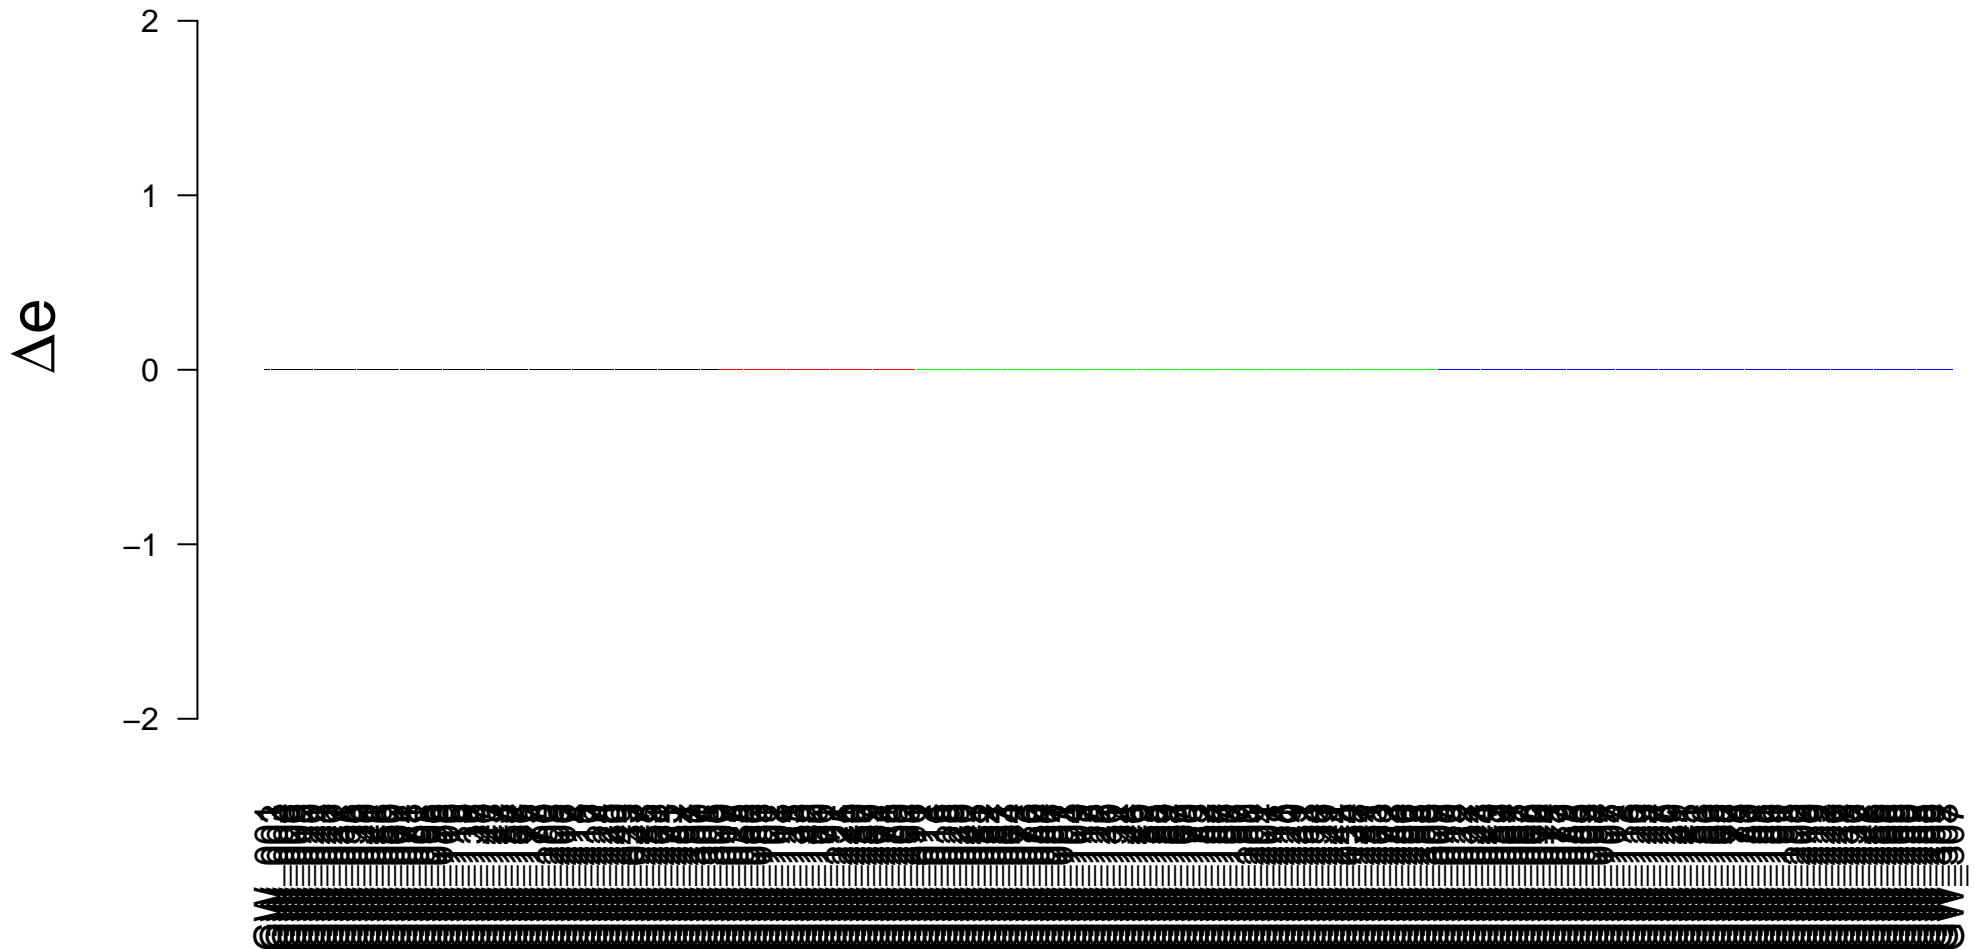

Expression of chronic inflammatory response in Spot G

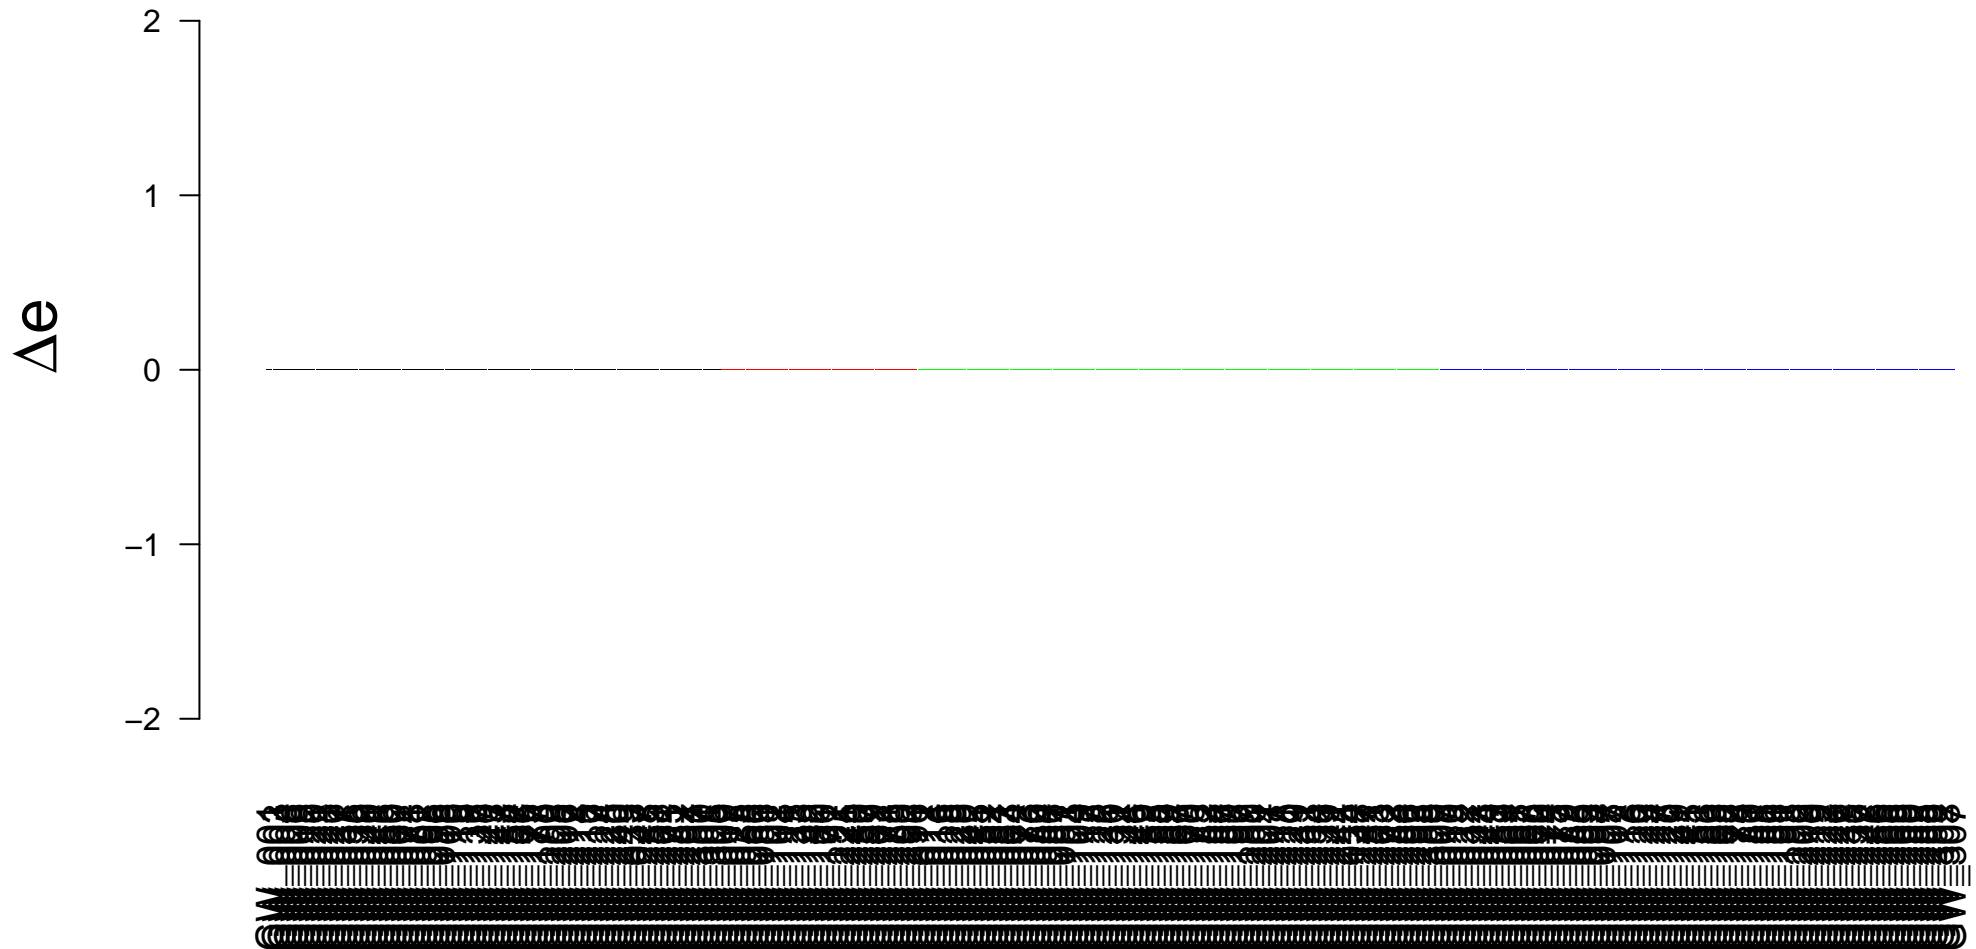

Δe

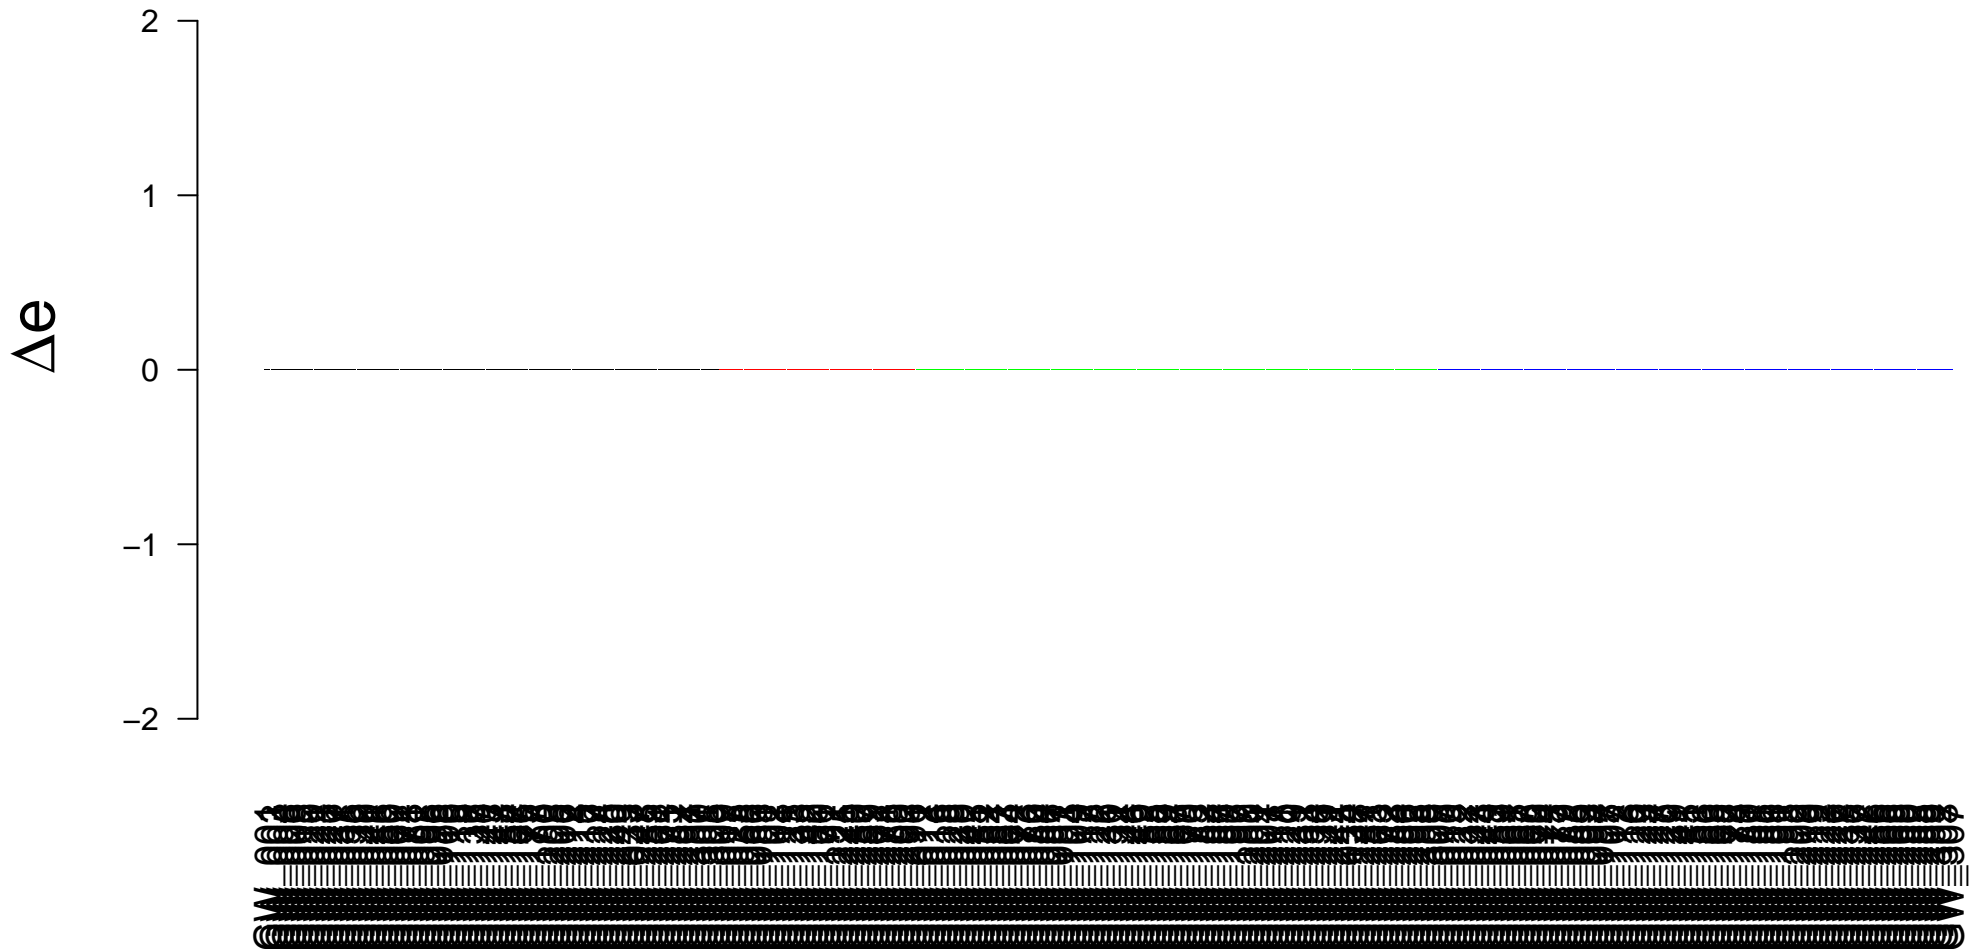

Expression of chronic inflammatory response in Spot H

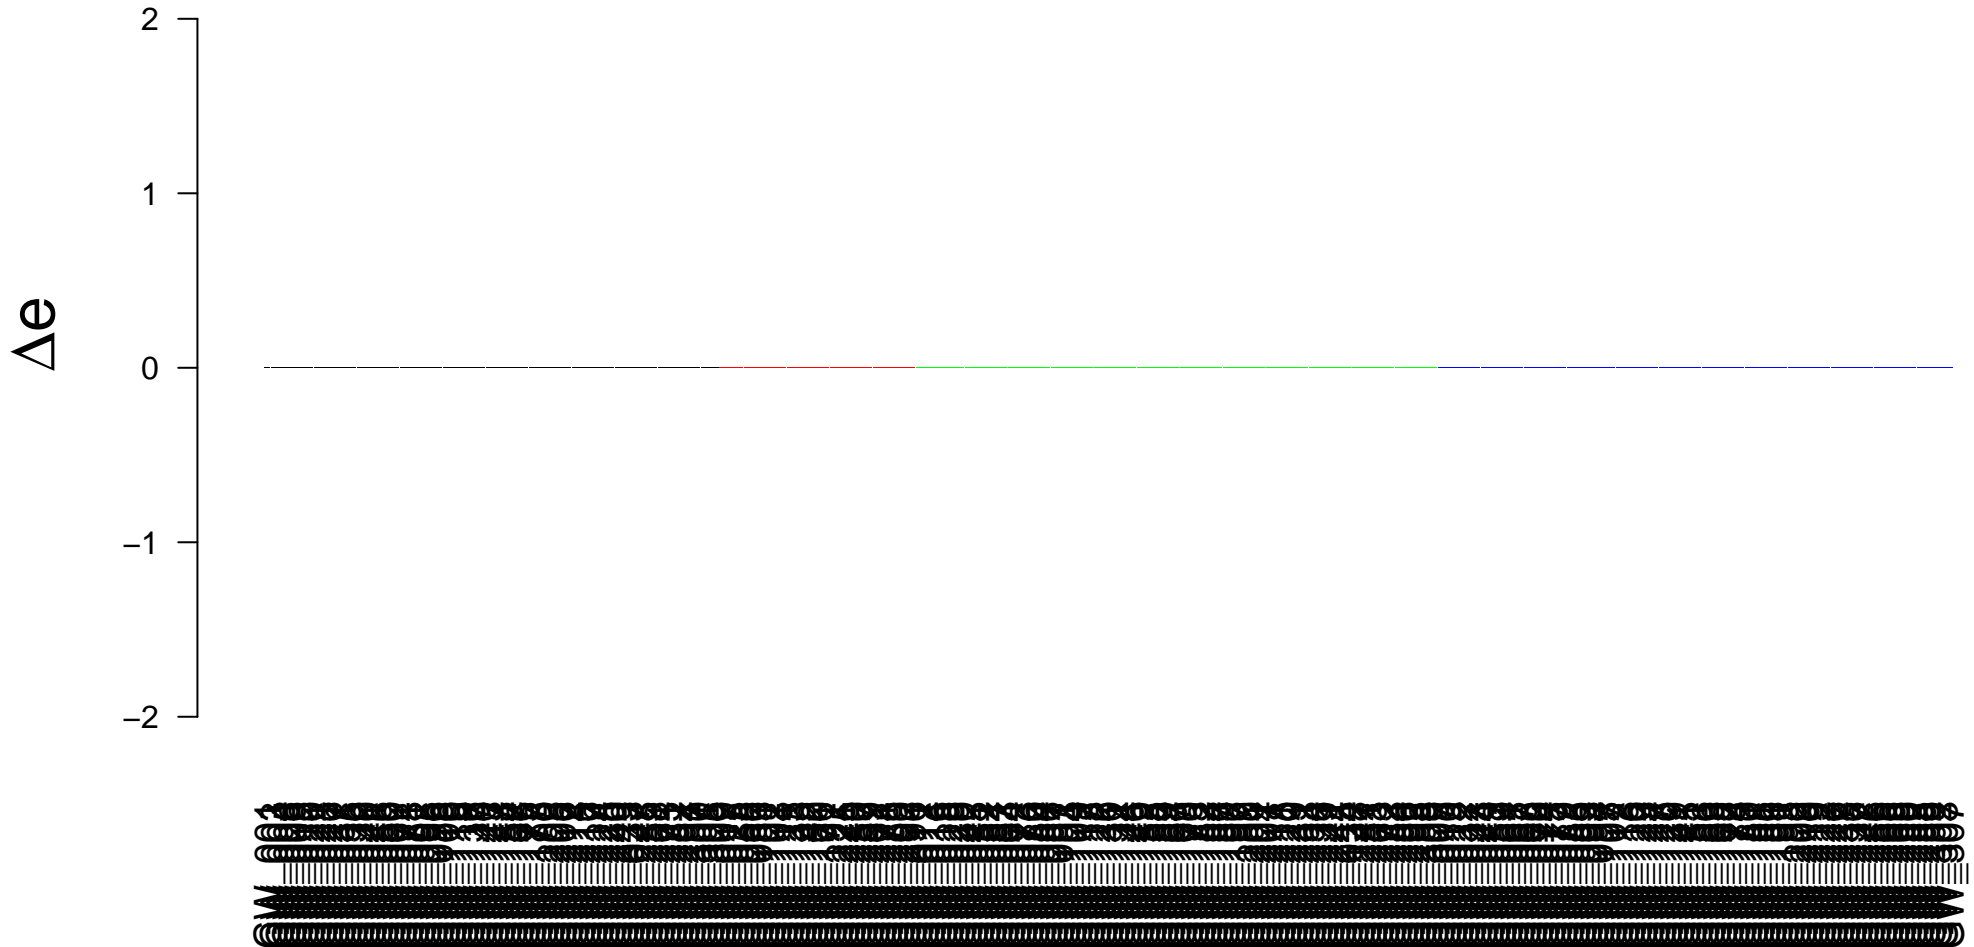

Expression of chronic inflammatory response in Spot I

Expression of chronic inflammatory response in Spot J

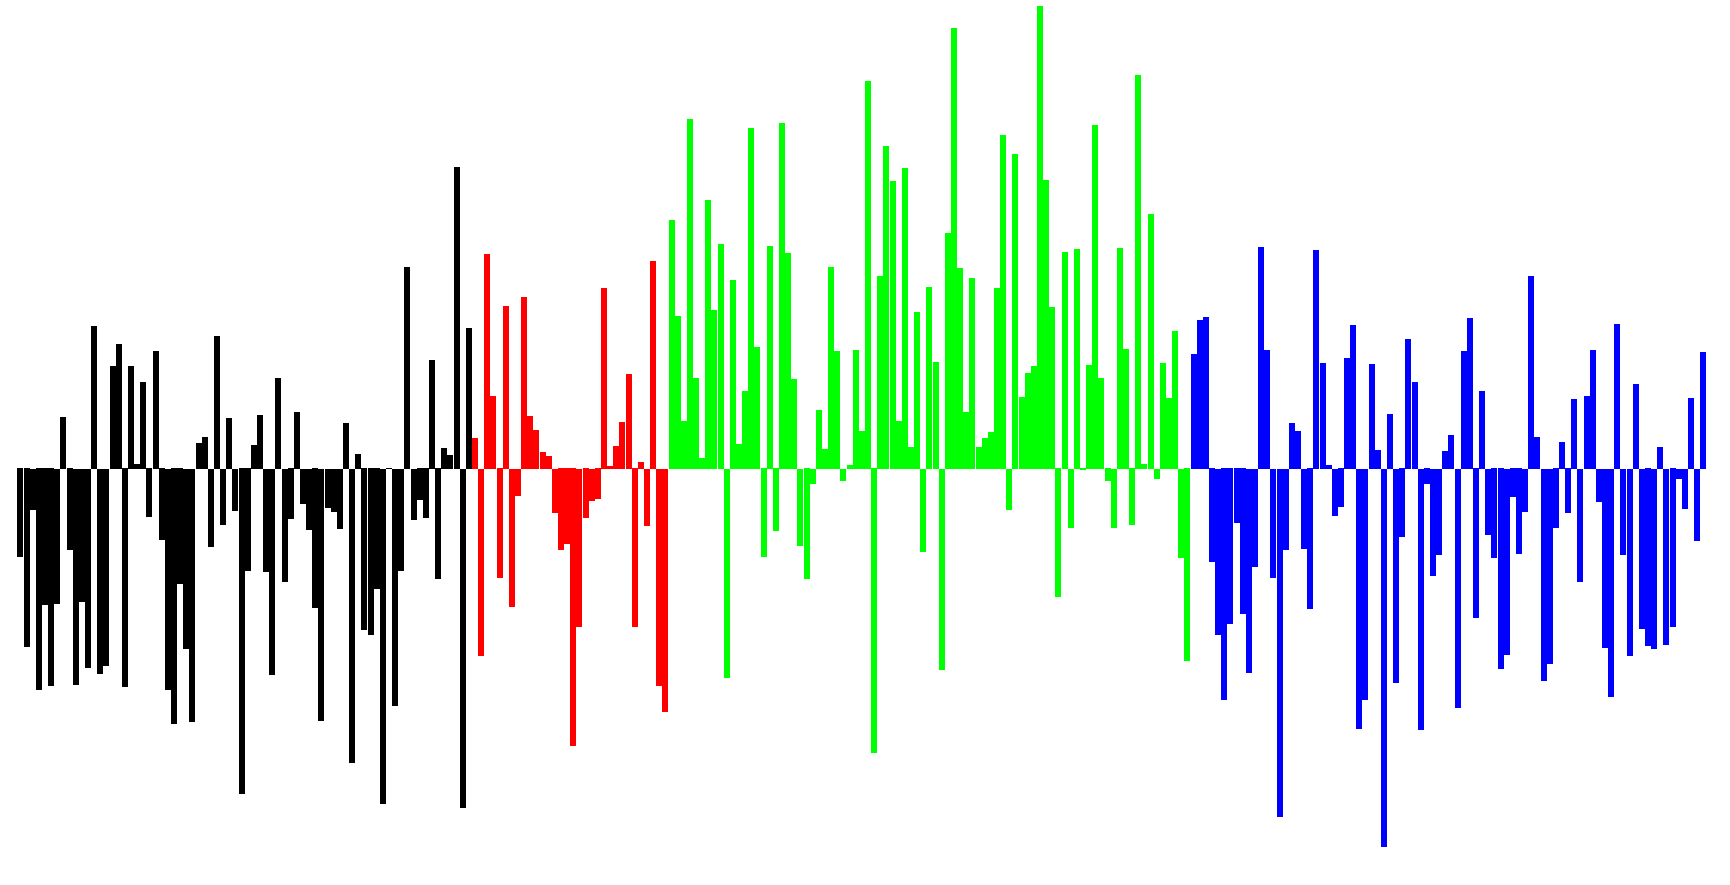

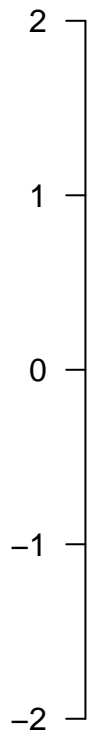

Expression of chronic inflammatory response in Spot K

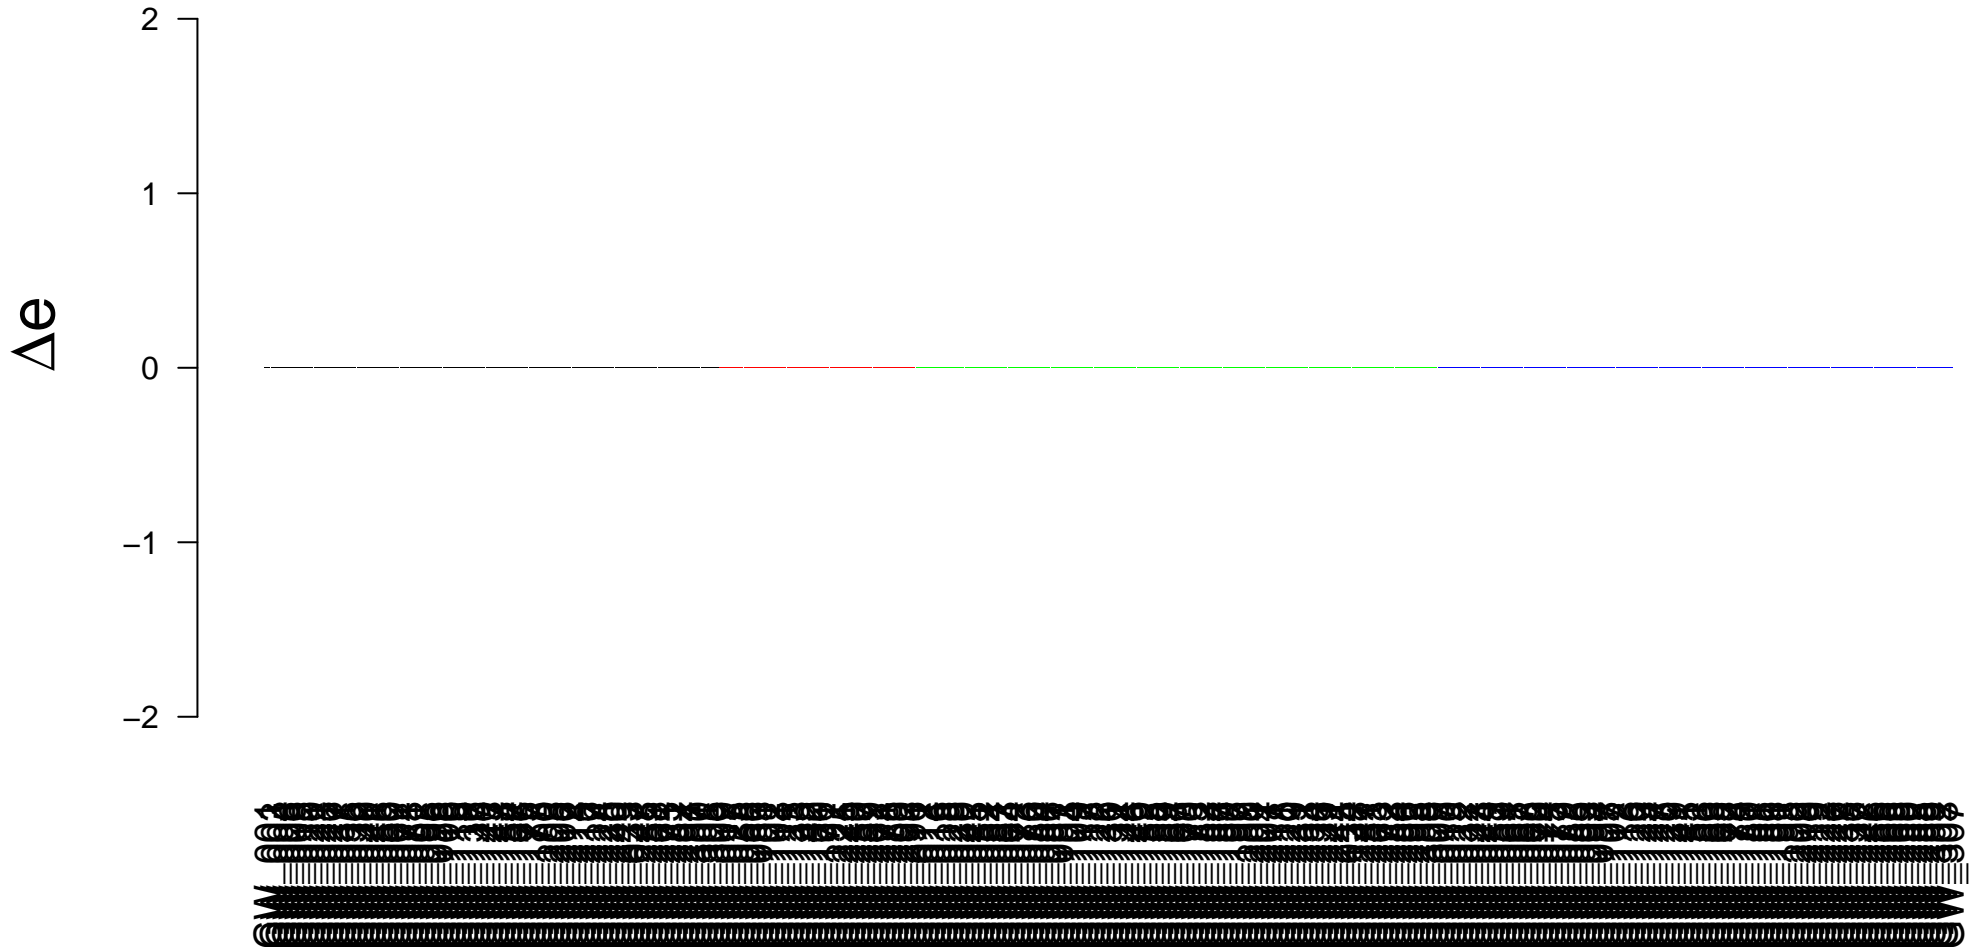

Expression of chronic inflammatory response in Spot L

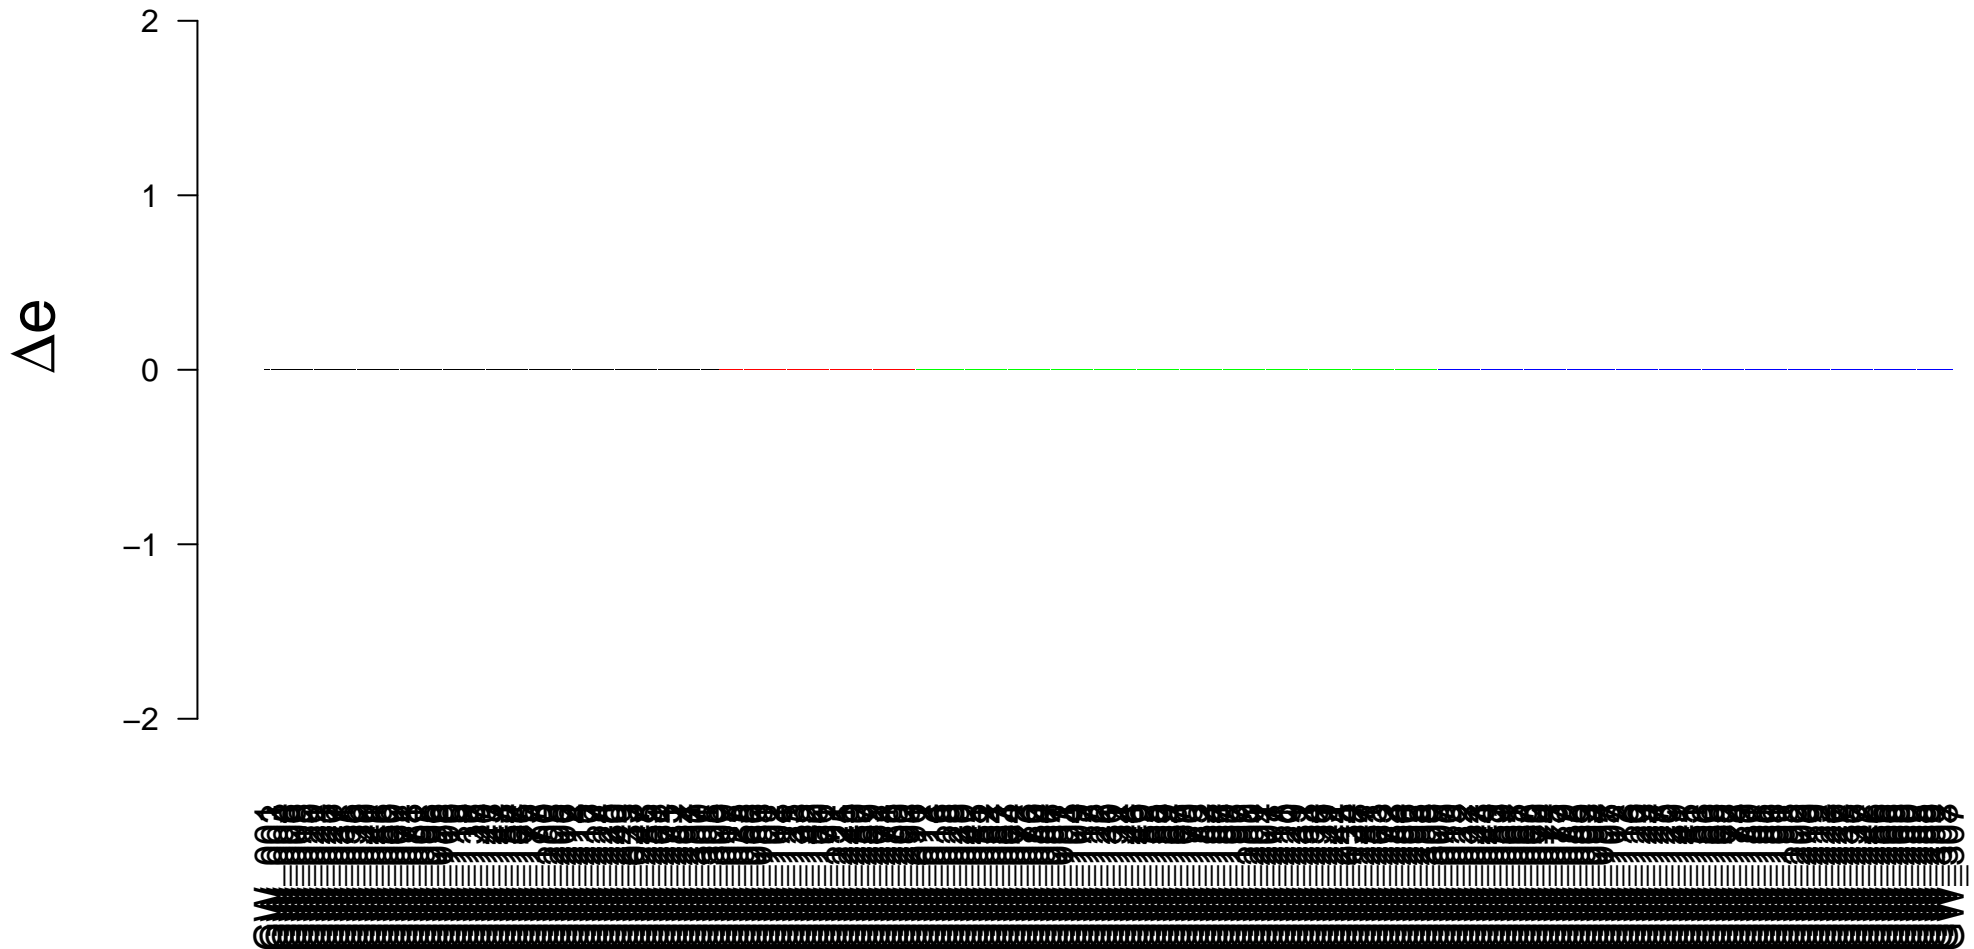

Δe

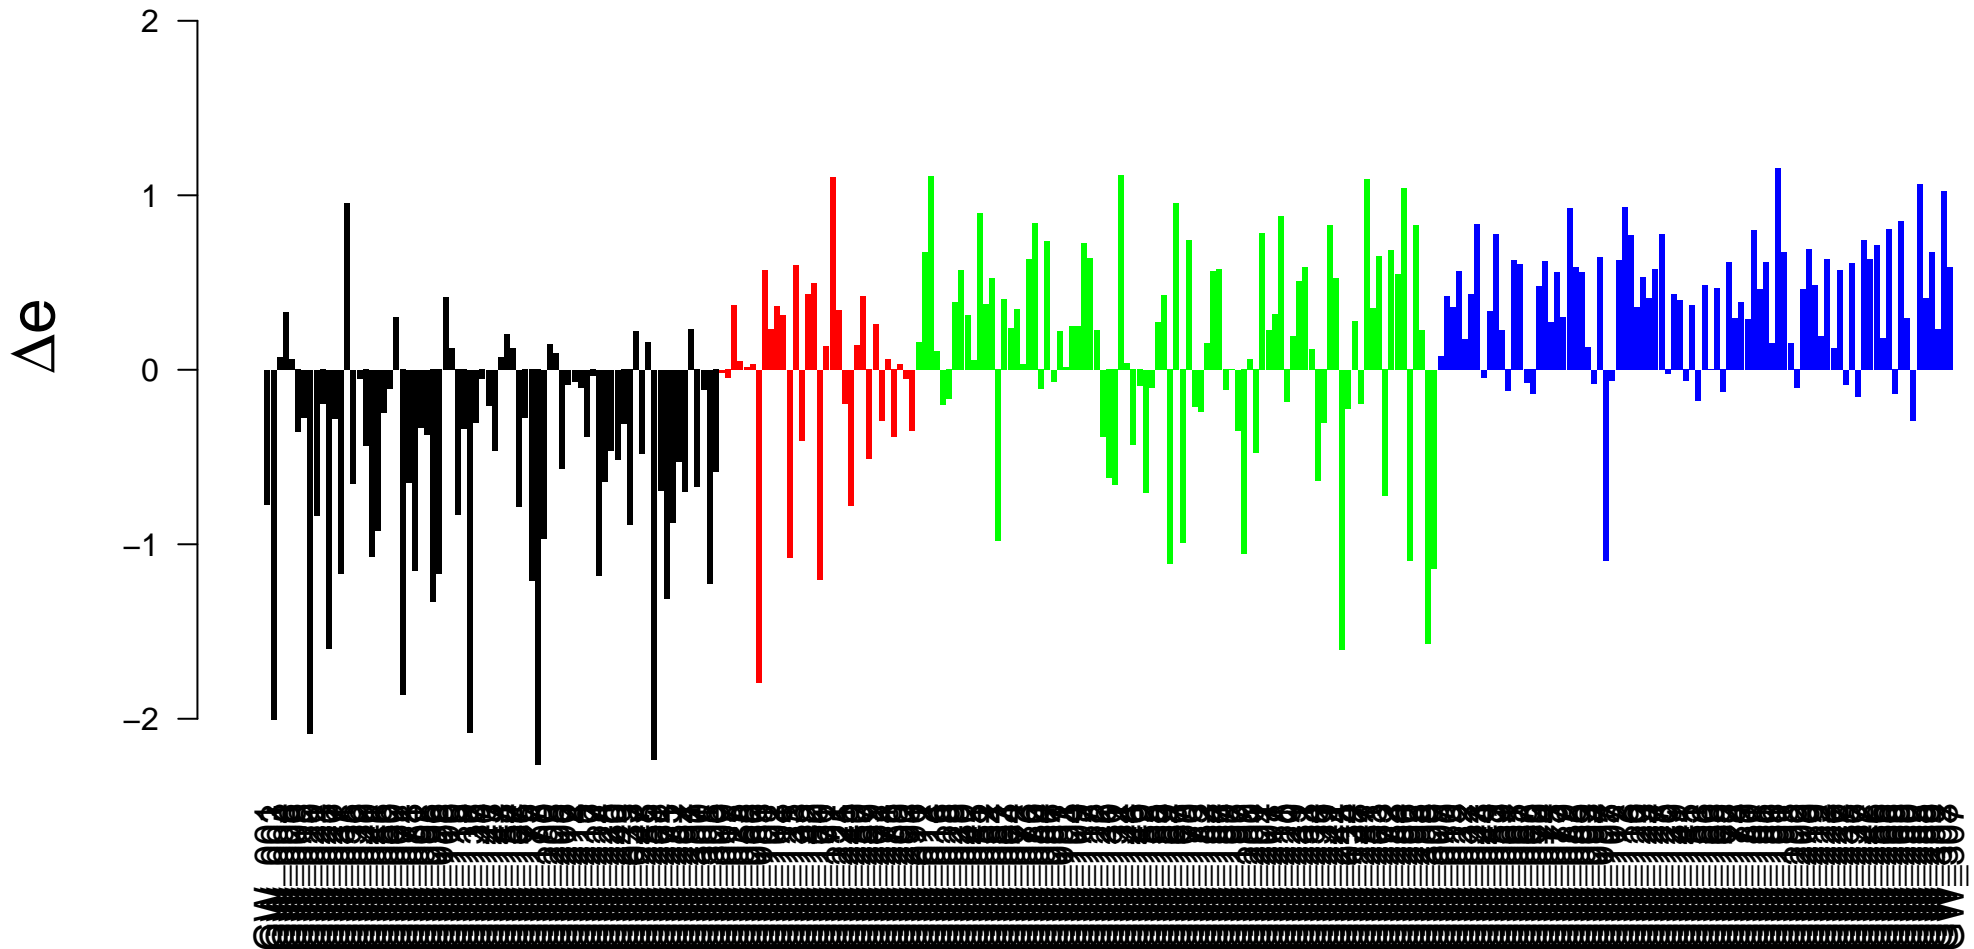

Expression of chronic inflammatory response in Spot M

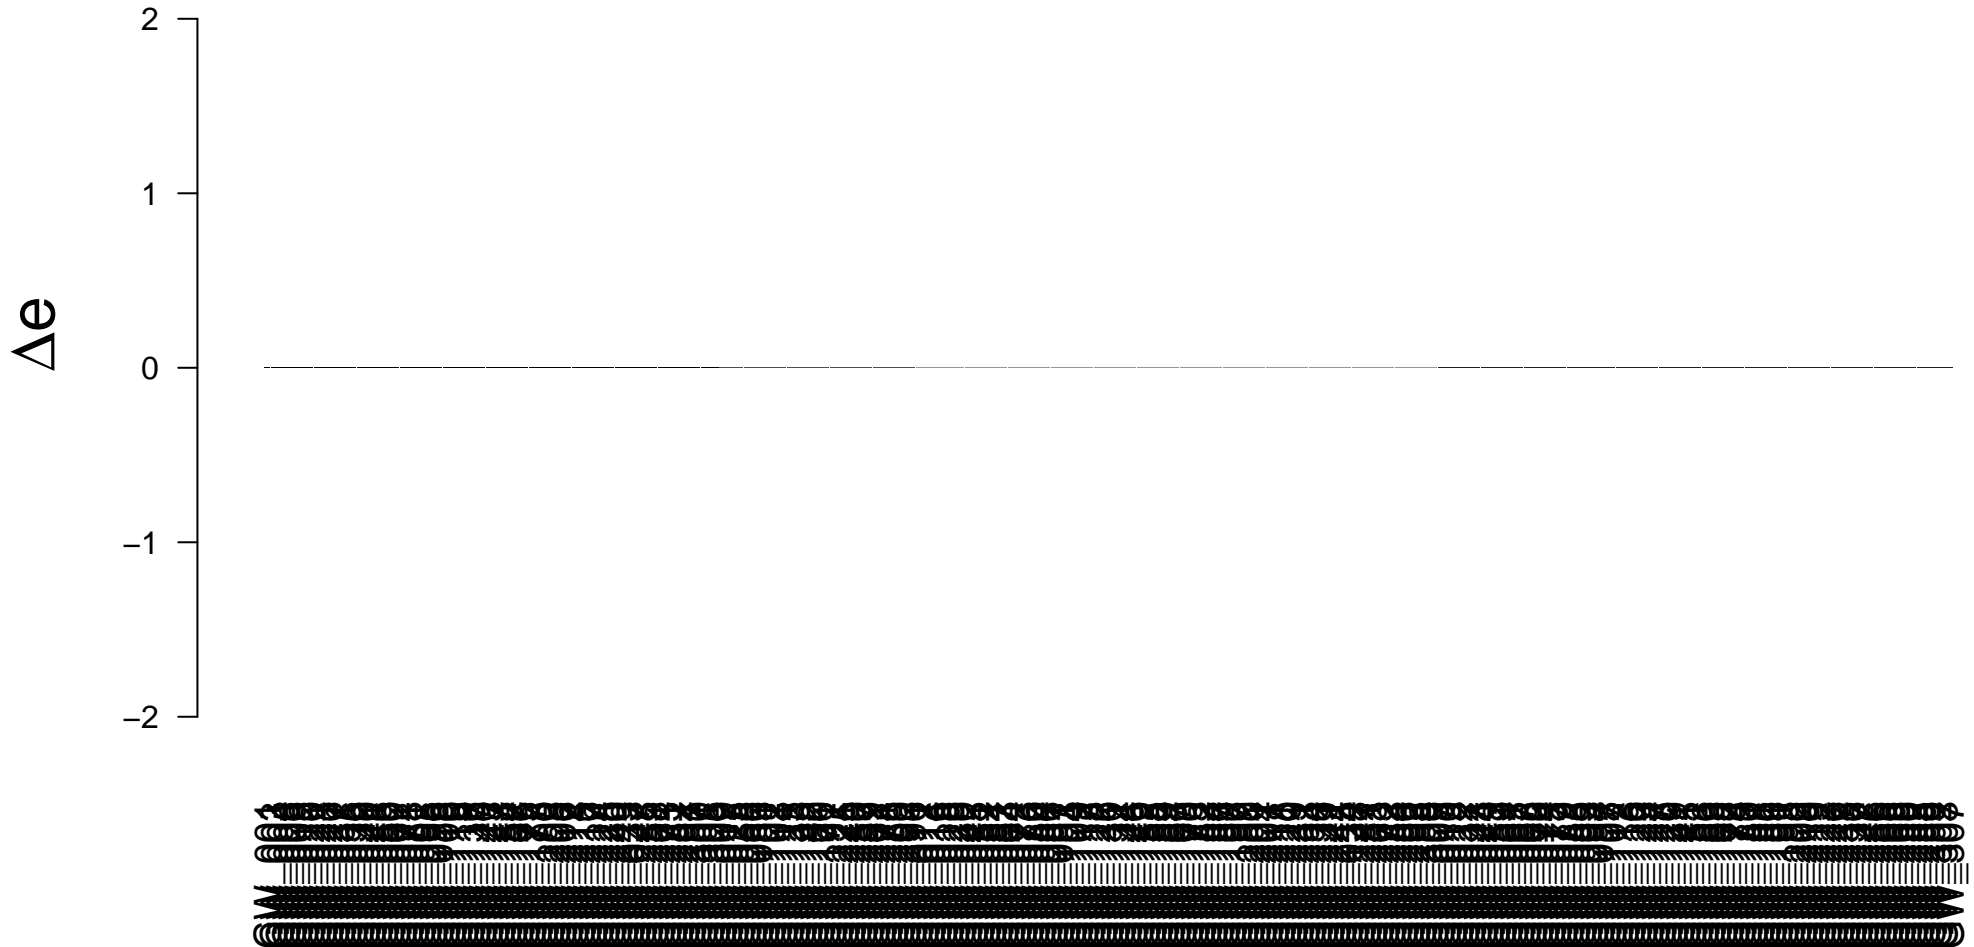

Expression of chronic inflammatory response in Spot N

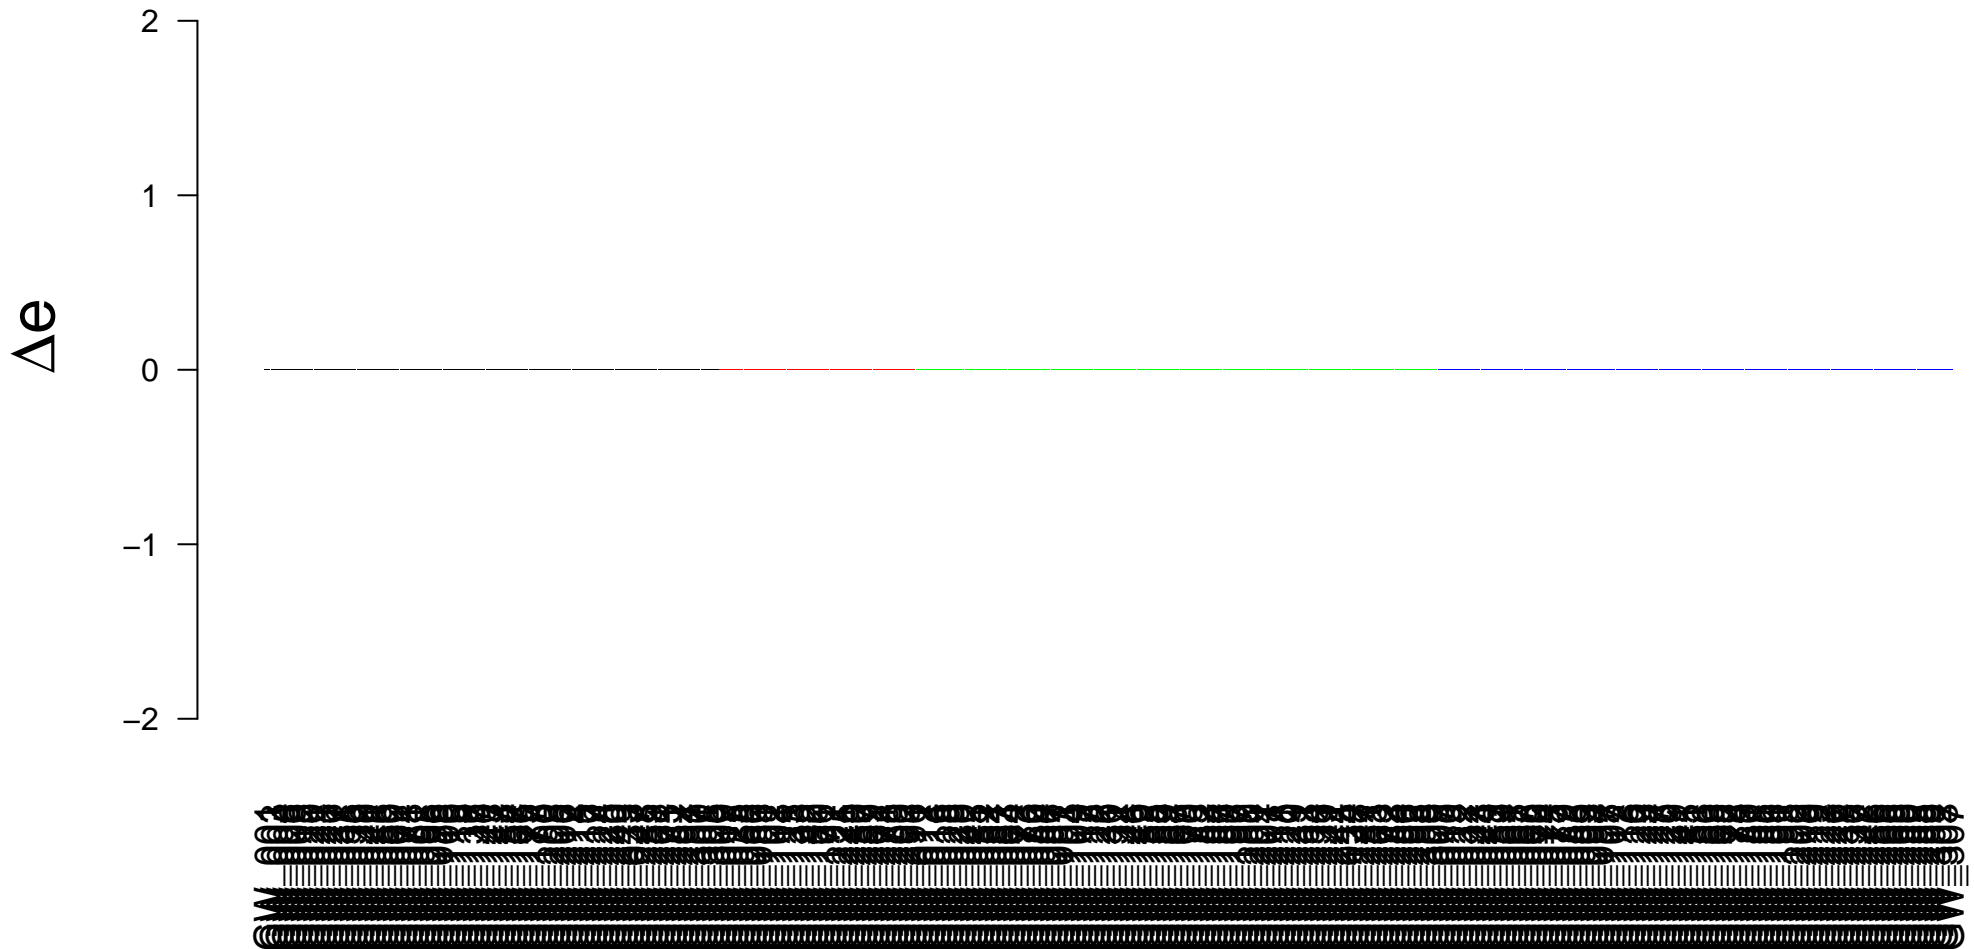

Expression of chronic inflammatory response in Spot O

Expression of chronic inflammatory response in Spot P

Expression of chronic inflammatory response in Spot Q

Expression of chronic inflammatory response in Spot R
