

# ciliary transition zone

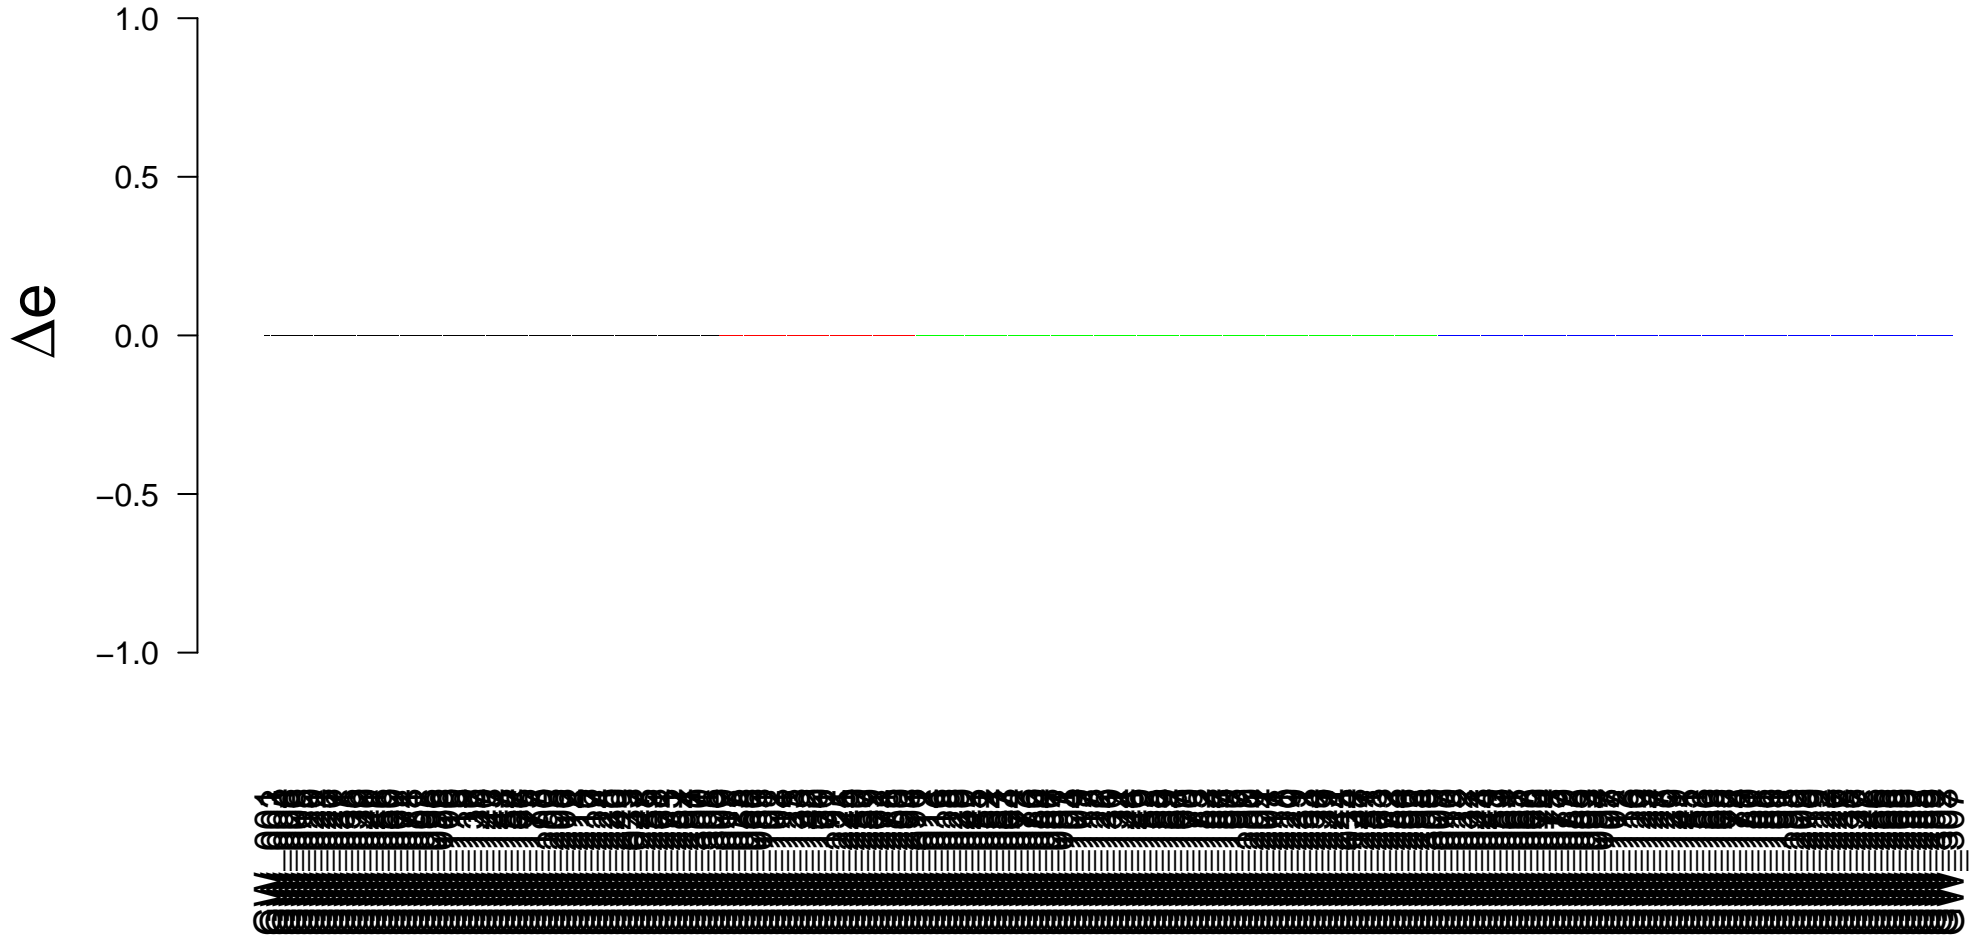

# ciliary transition zone

### Enrichment in spots: ciliary transition zone

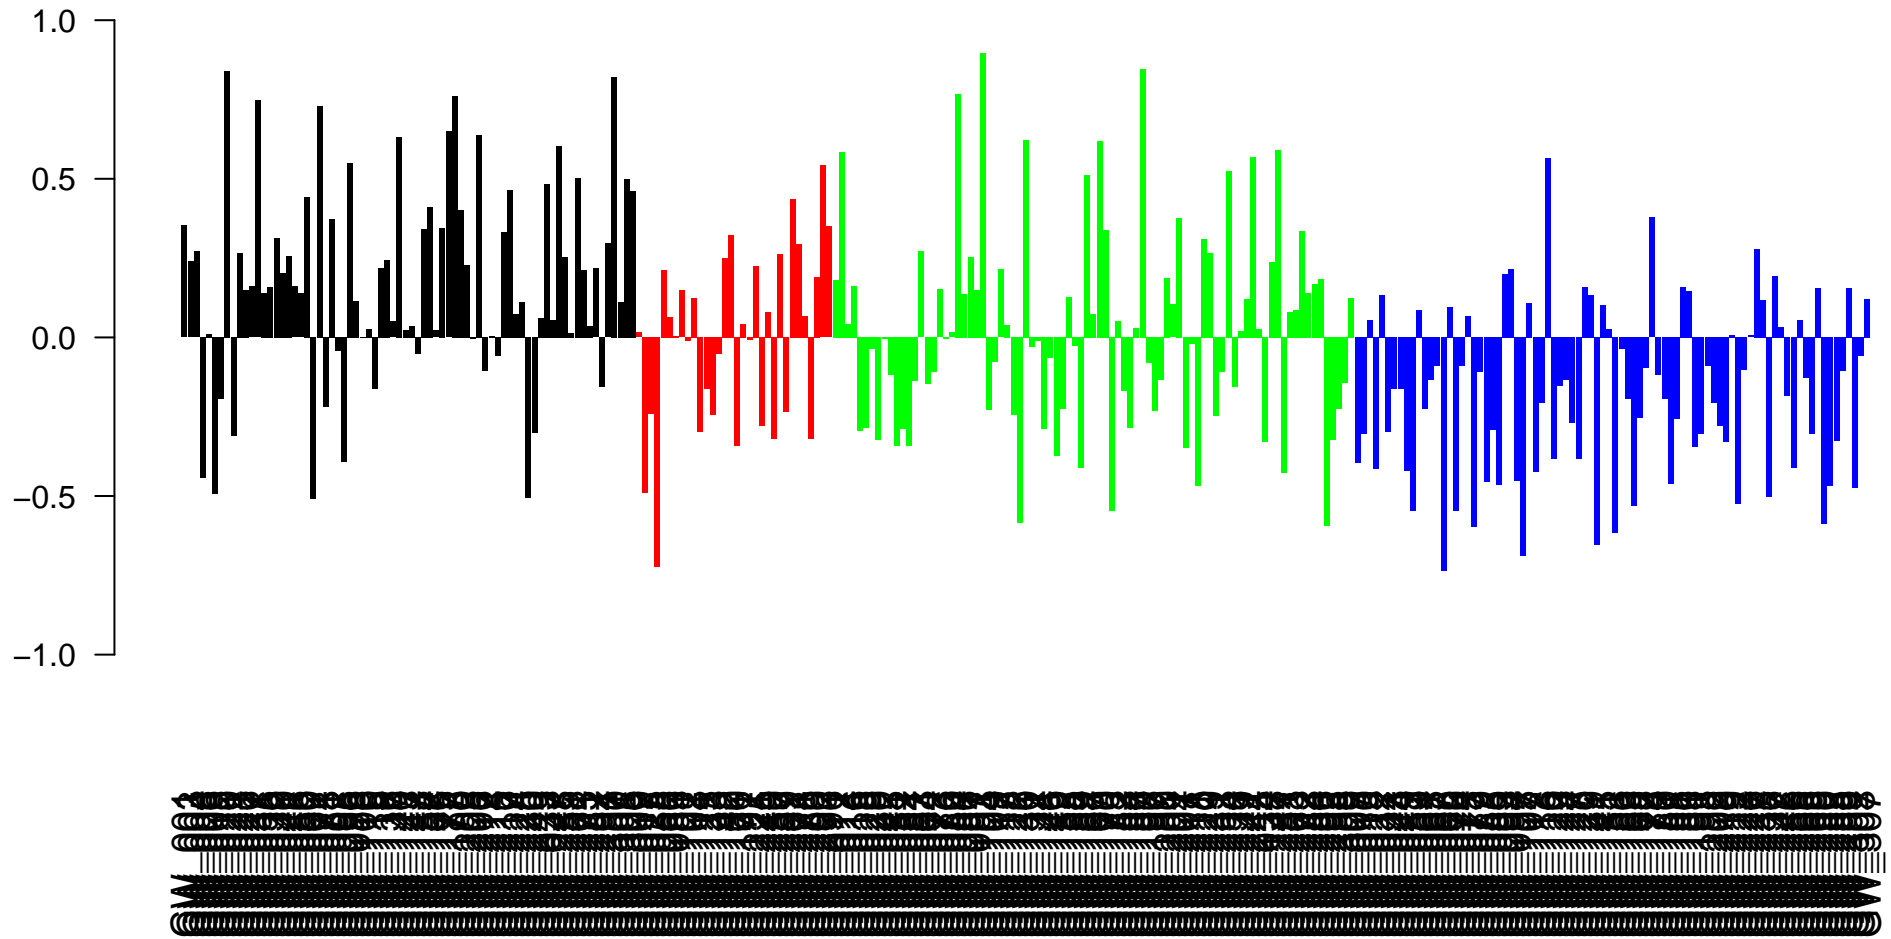

# Expression of ciliary transition zone in Spot A

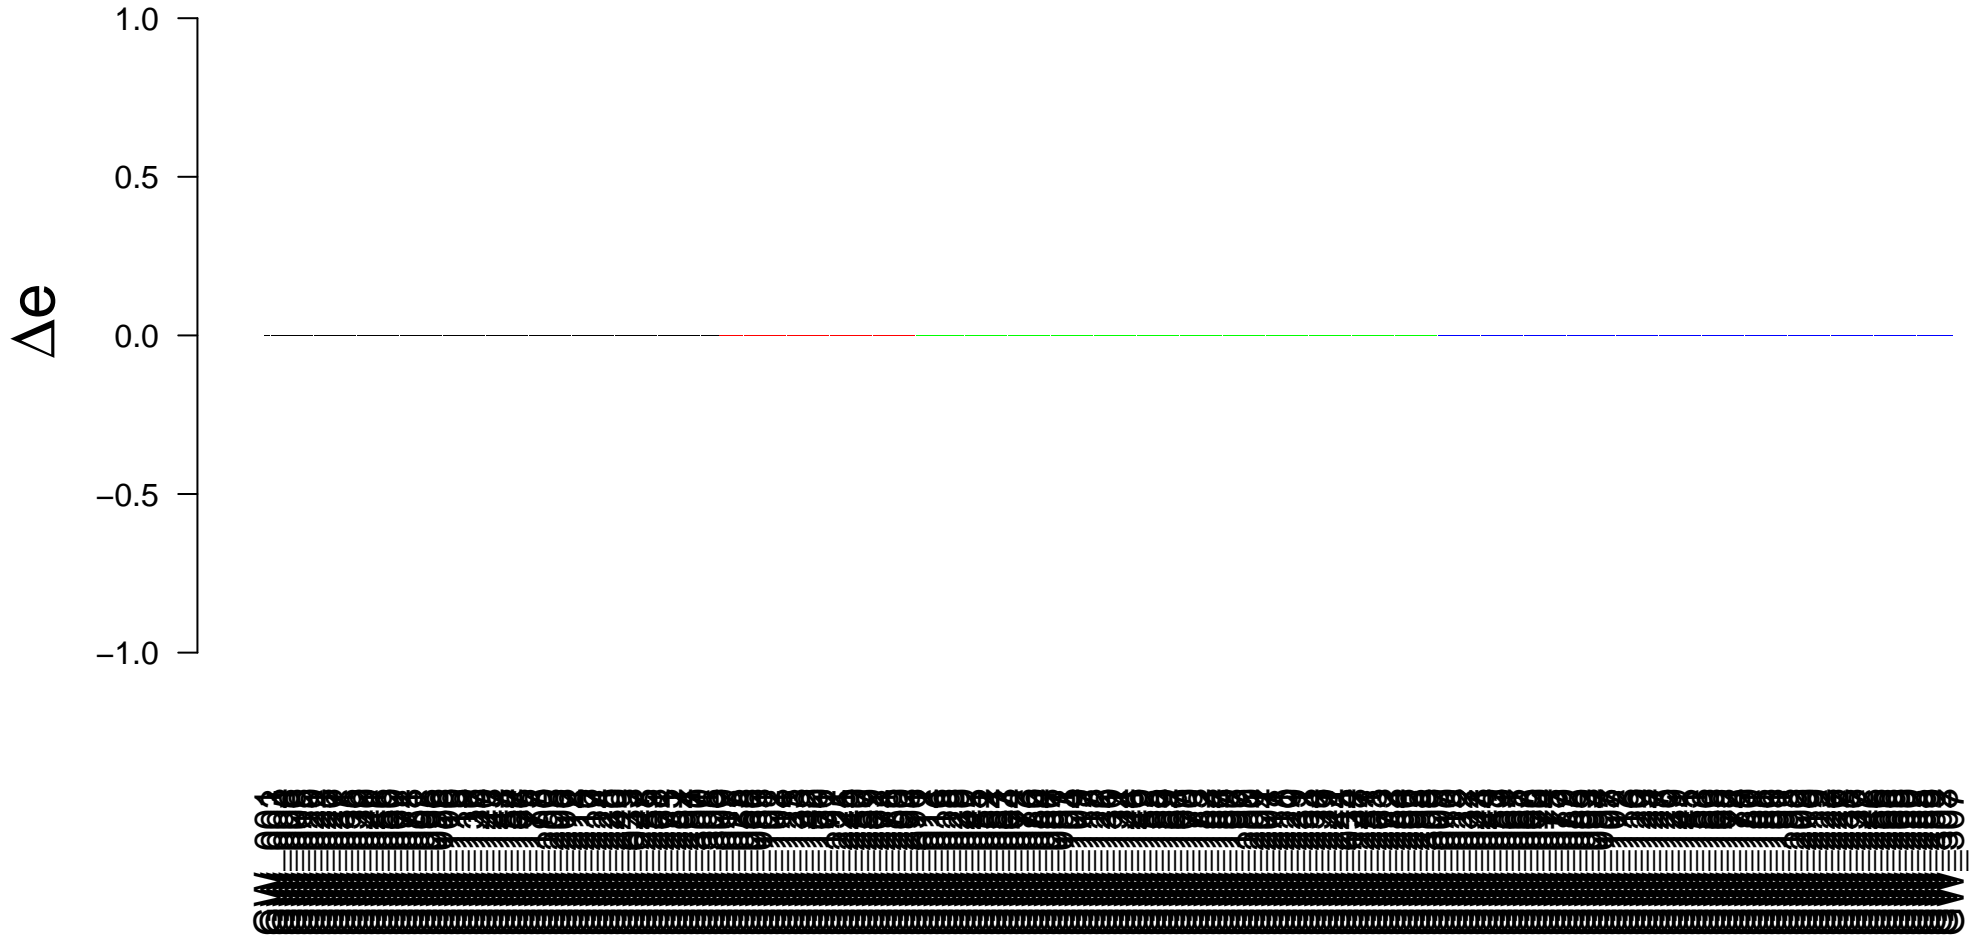

# Expression of ciliary transition zone in Spot B

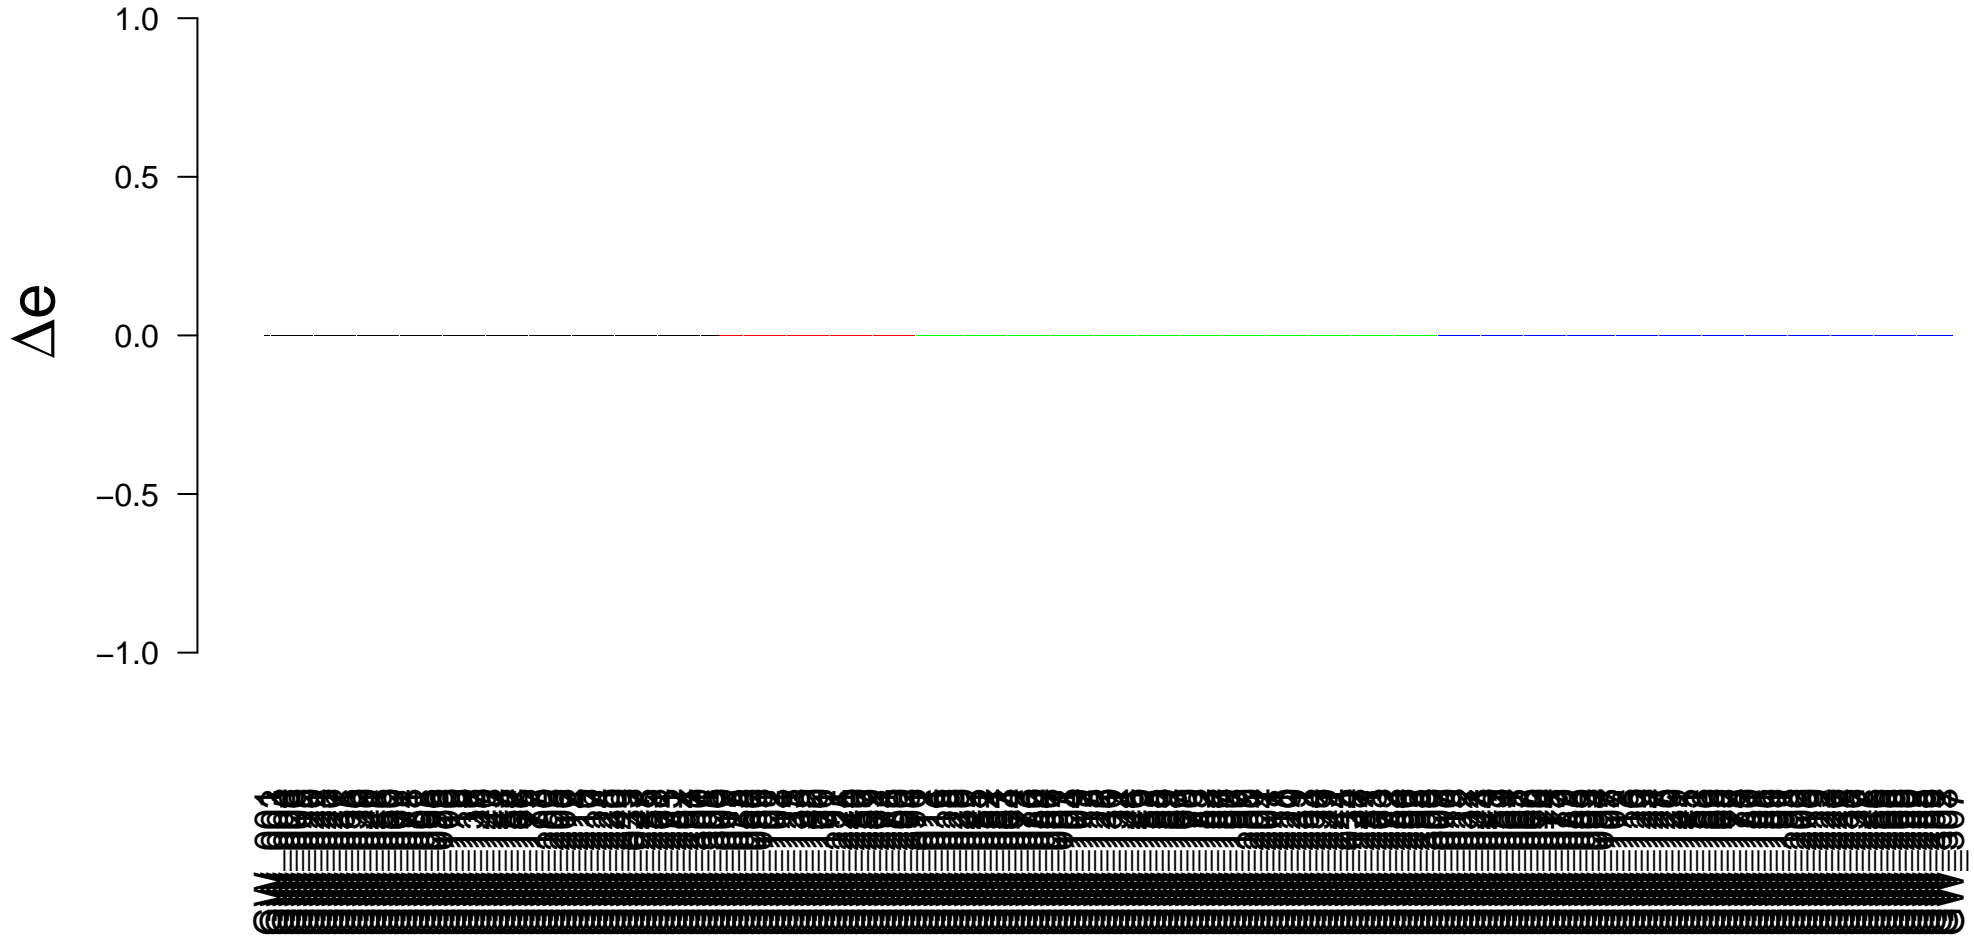

$\Delta e$

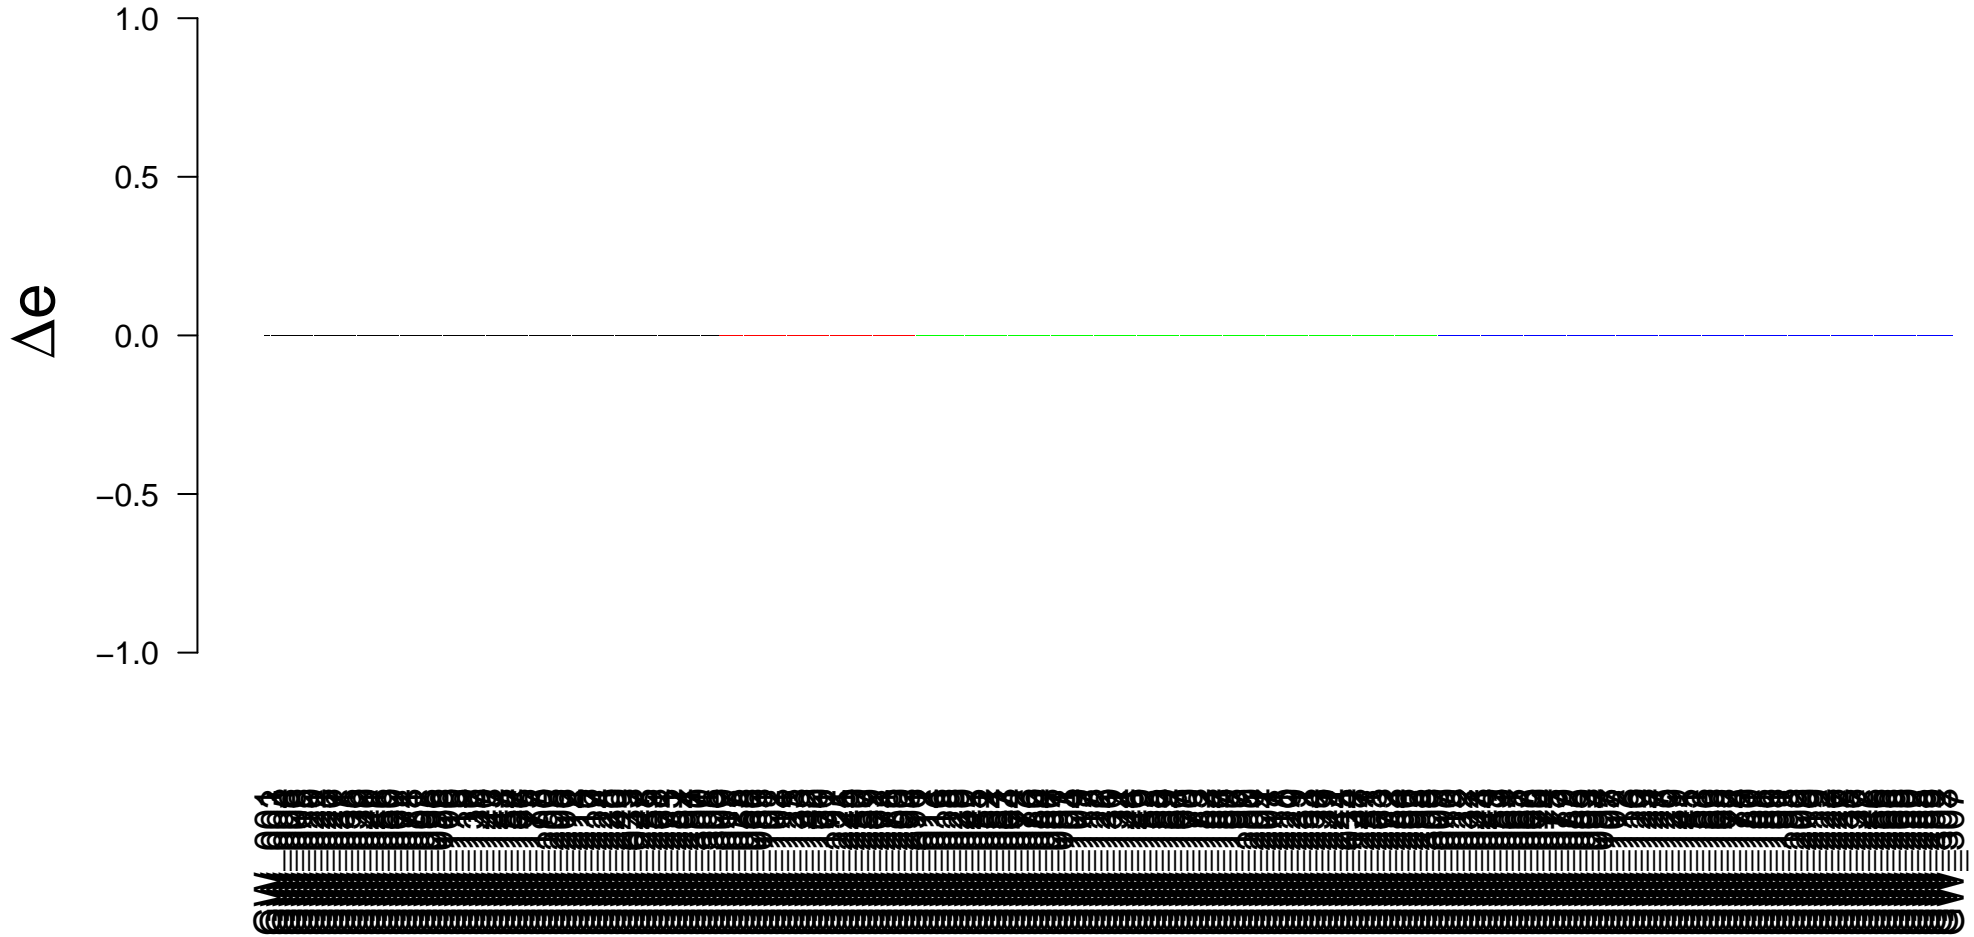

# Expression of ciliary transition zone in Spot C

# Expression of ciliary transition zone in Spot D

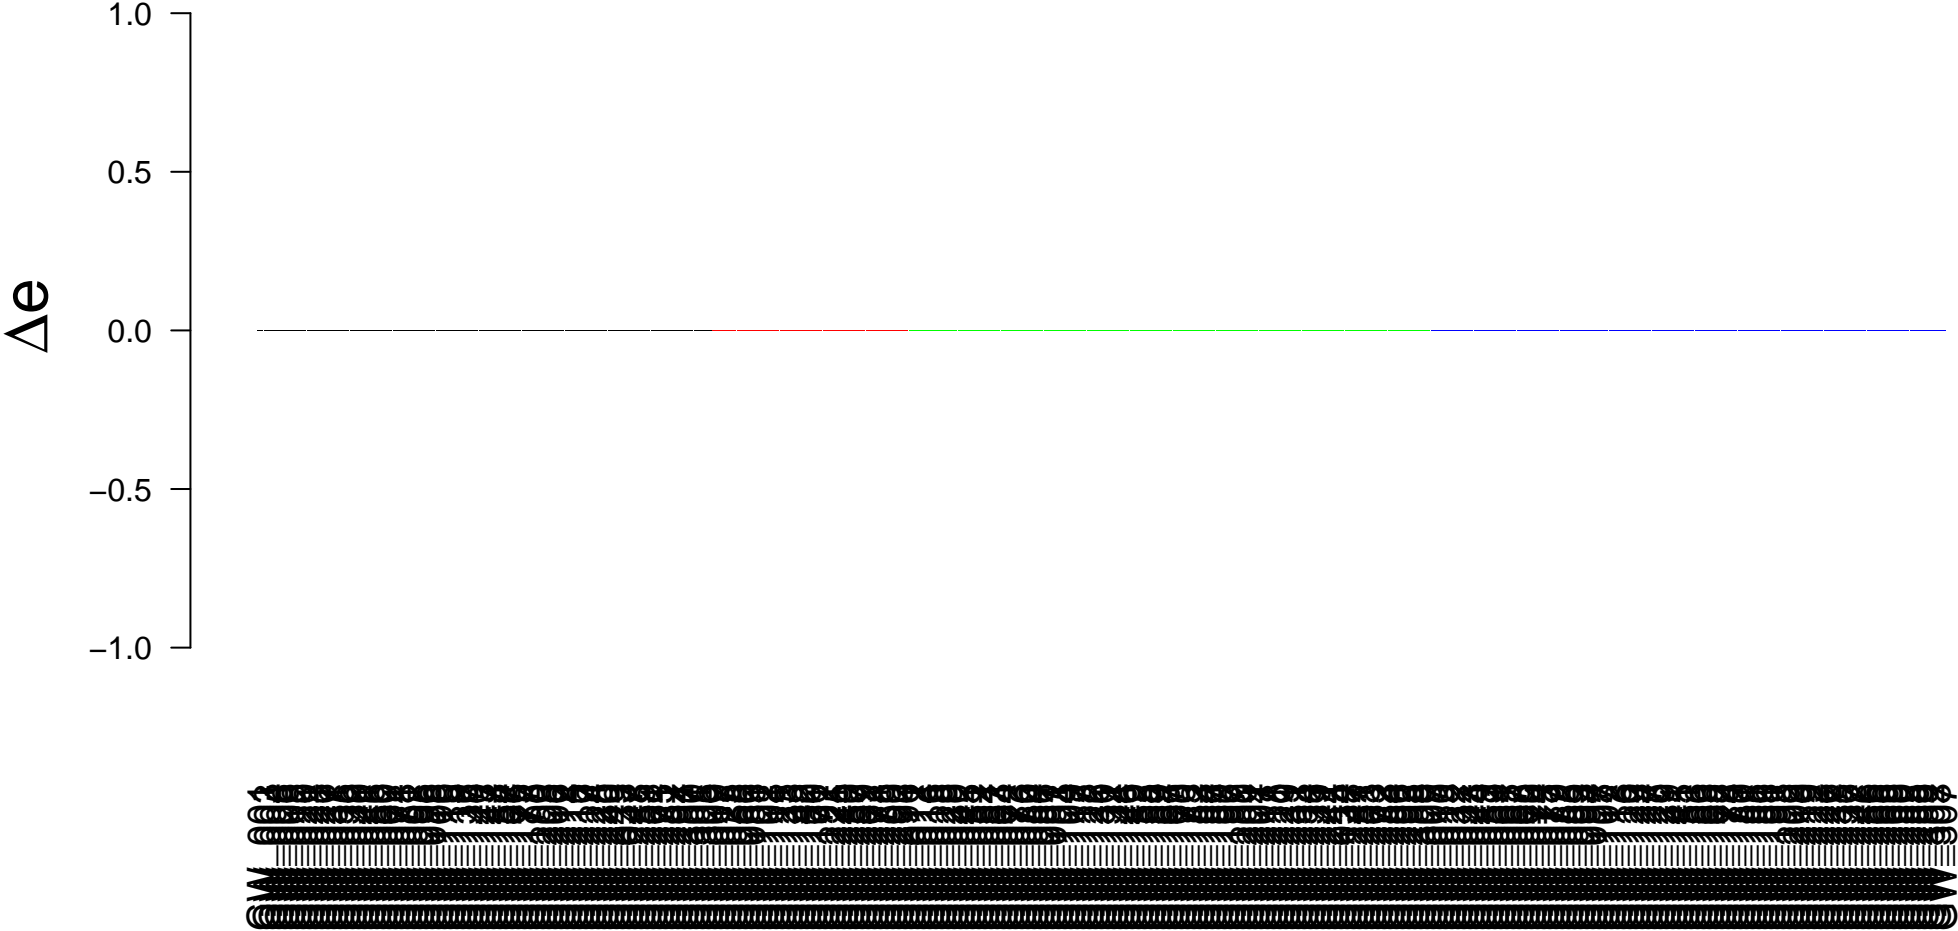

# Expression of ciliary transition zone in Spot E

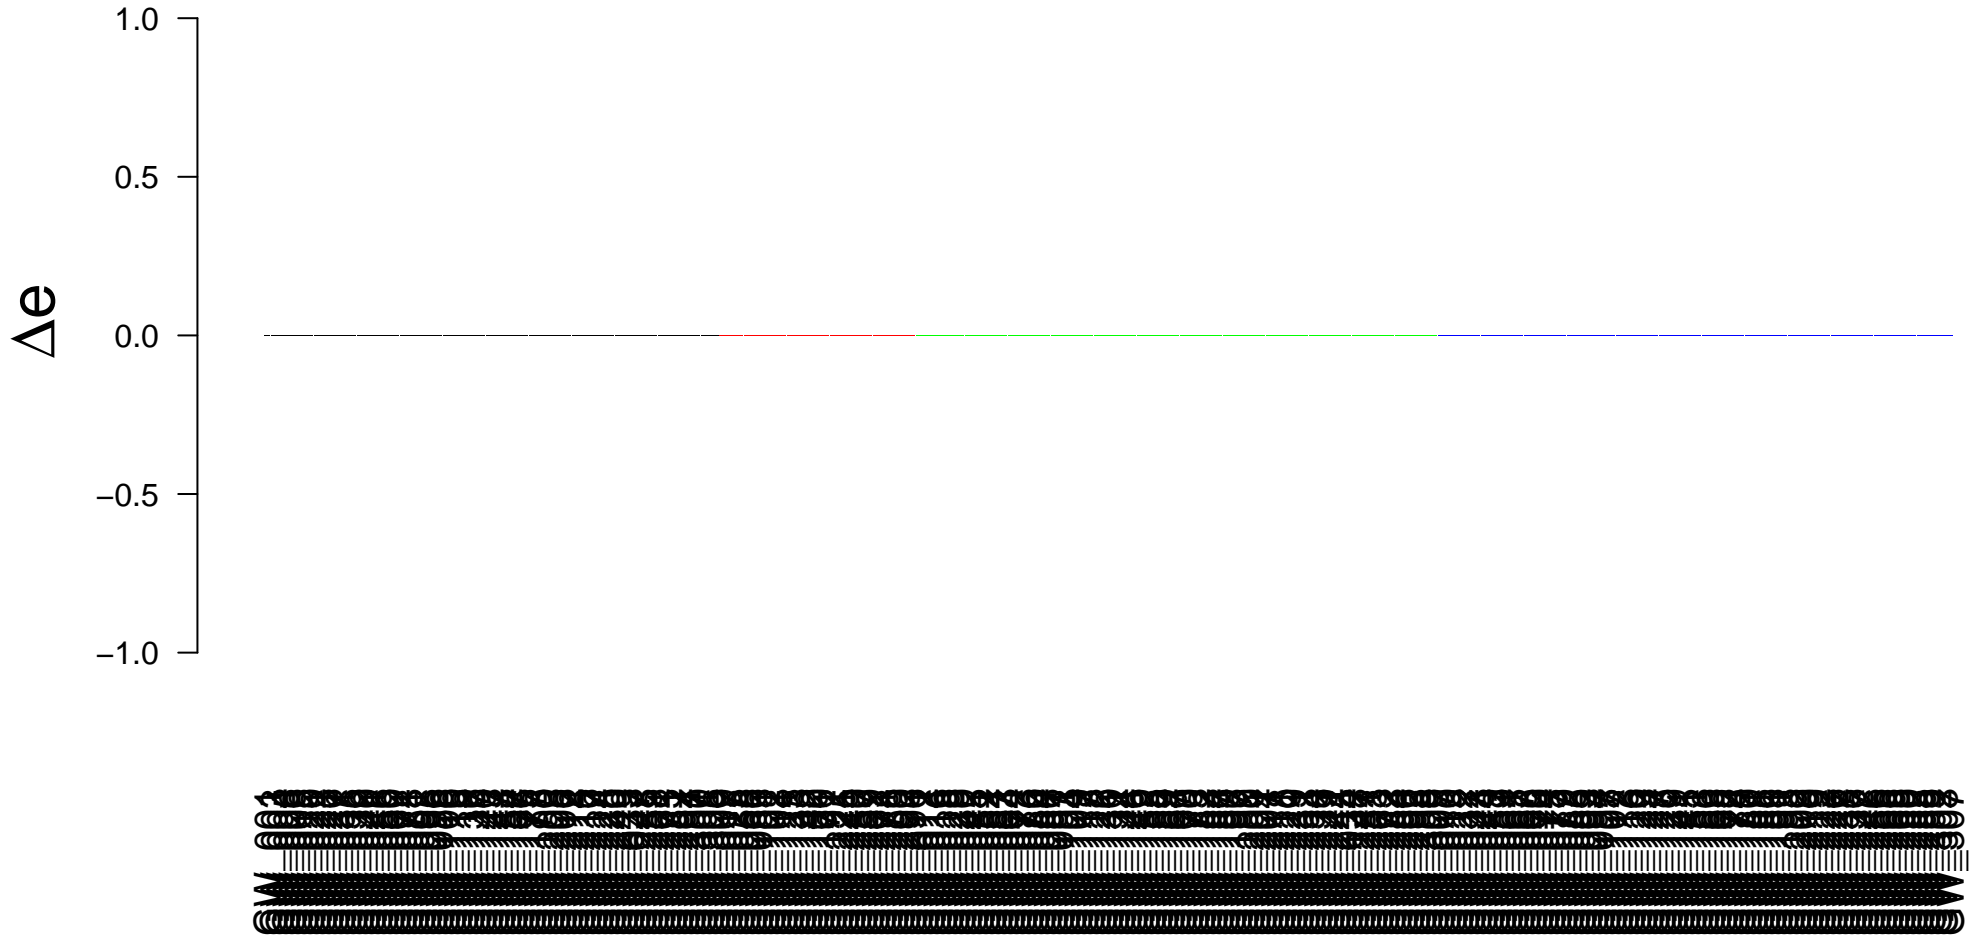

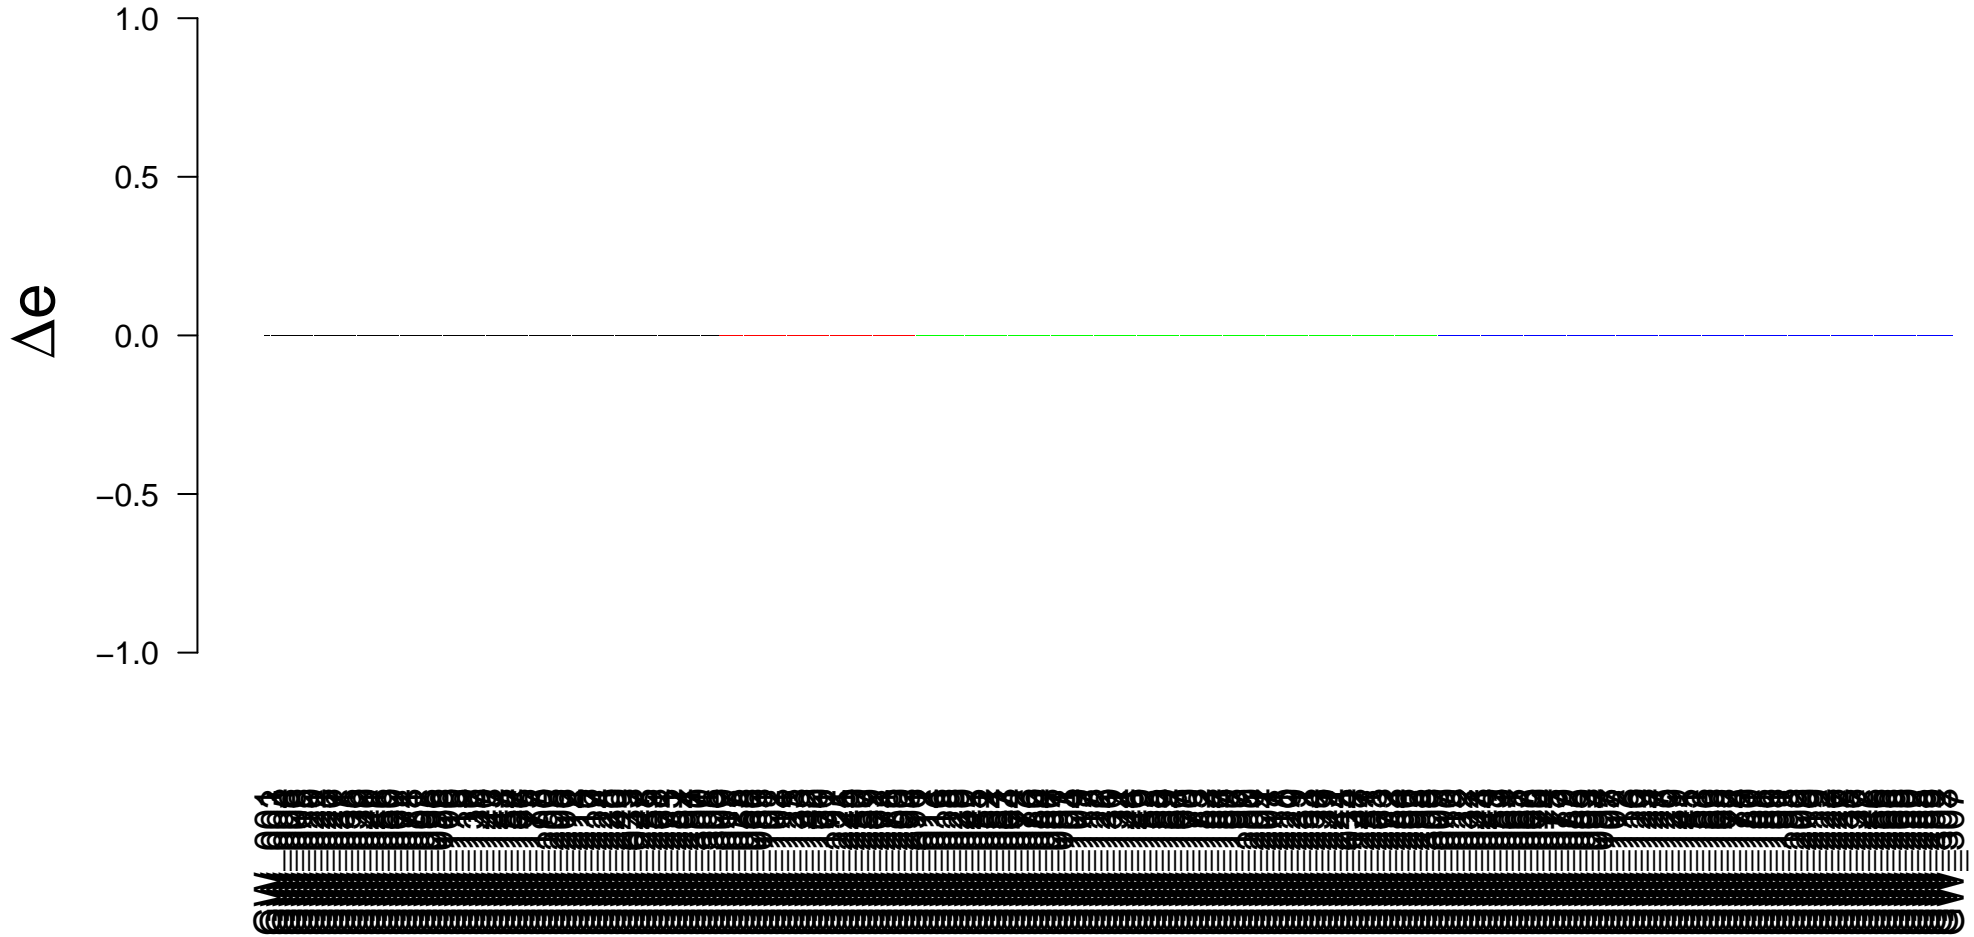

Expression of ciliary transition zone in Spot F

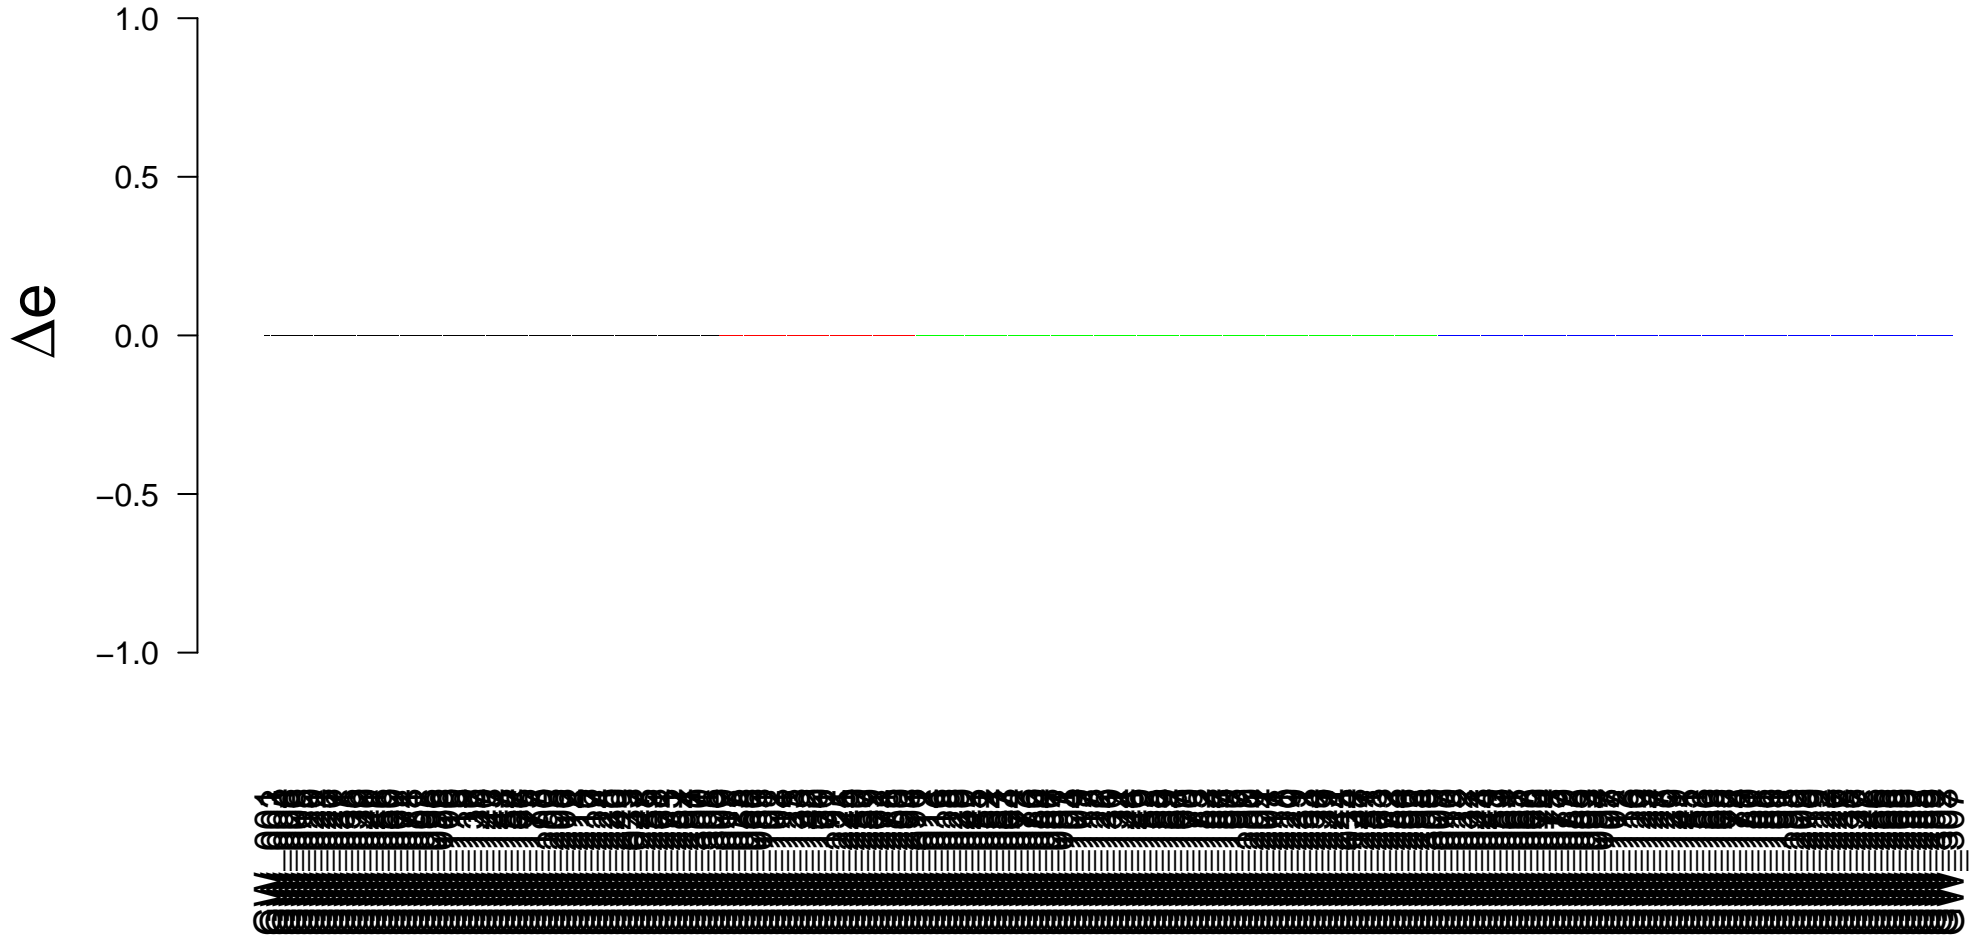

# Expression of ciliary transition zone in Spot G

# Expression of ciliary transition zone in Spot H

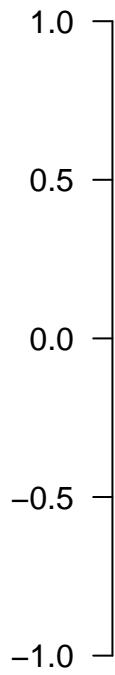

# Expression of ciliary transition zone in Spot I

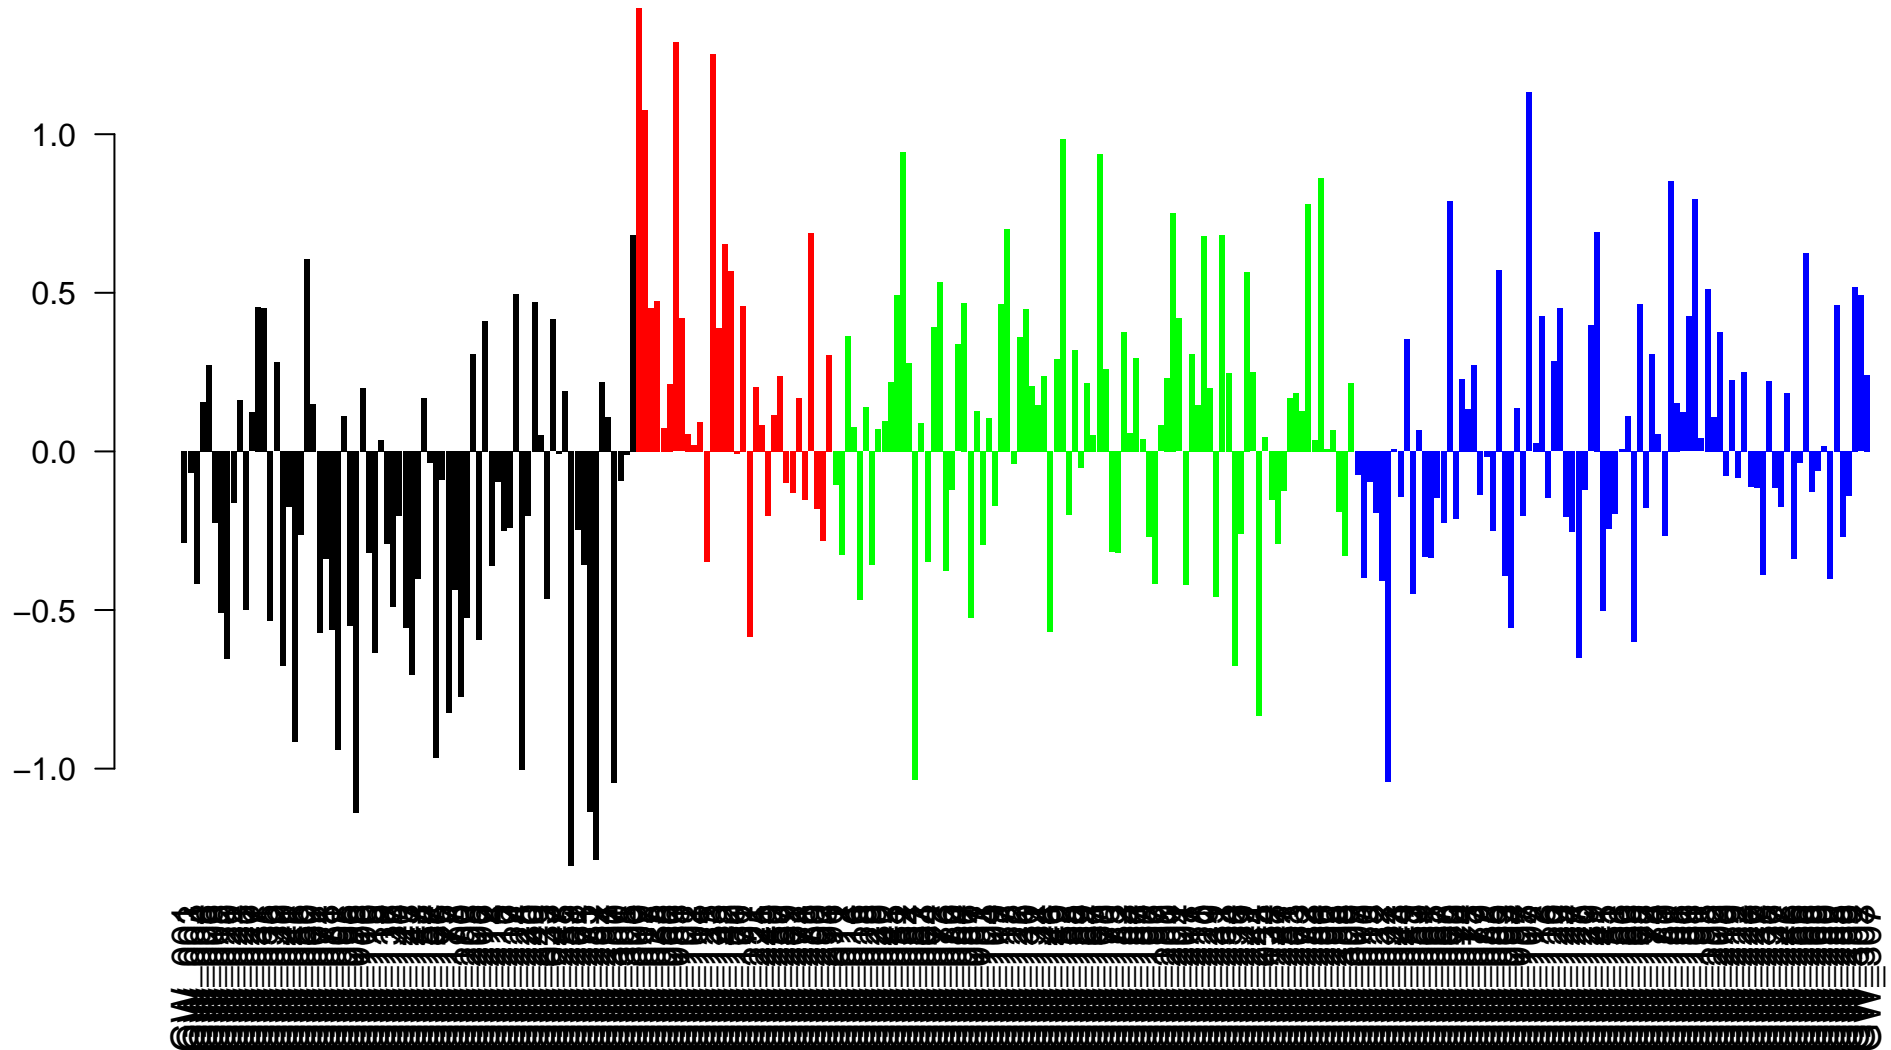

# Expression of ciliary transition zone in Spot J

$\Delta e$

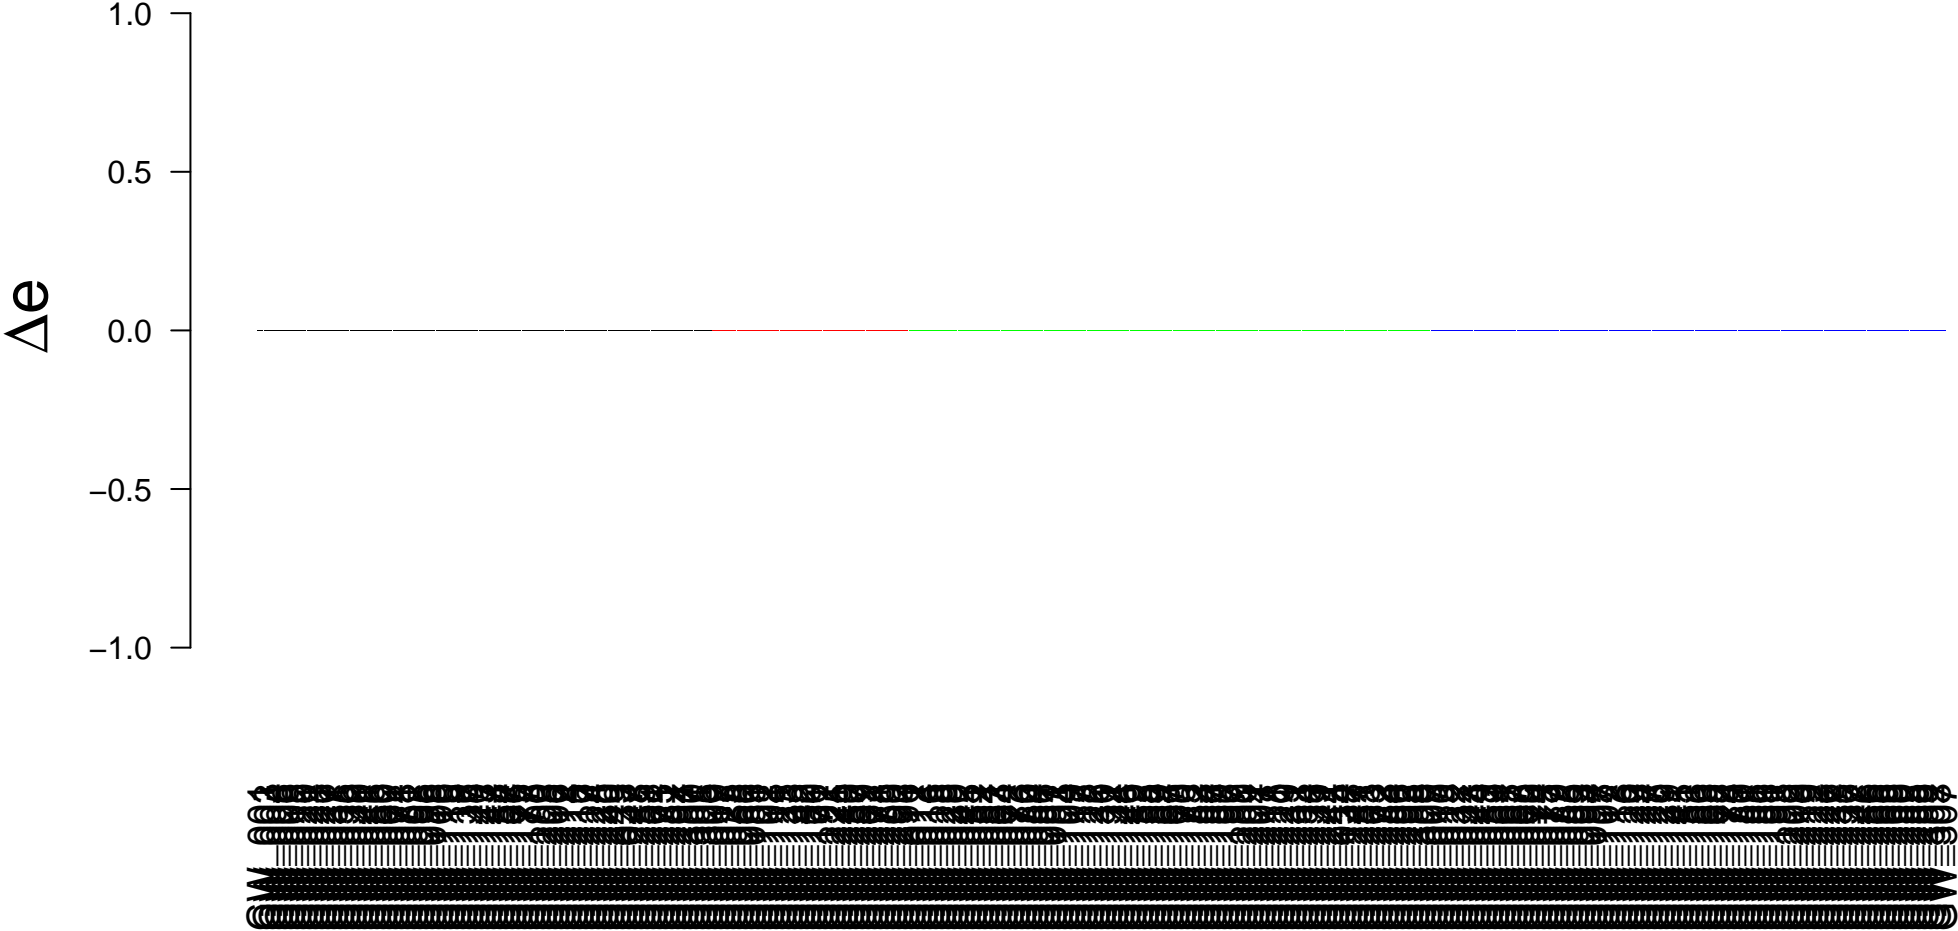

# Expression of ciliary transition zone in Spot K

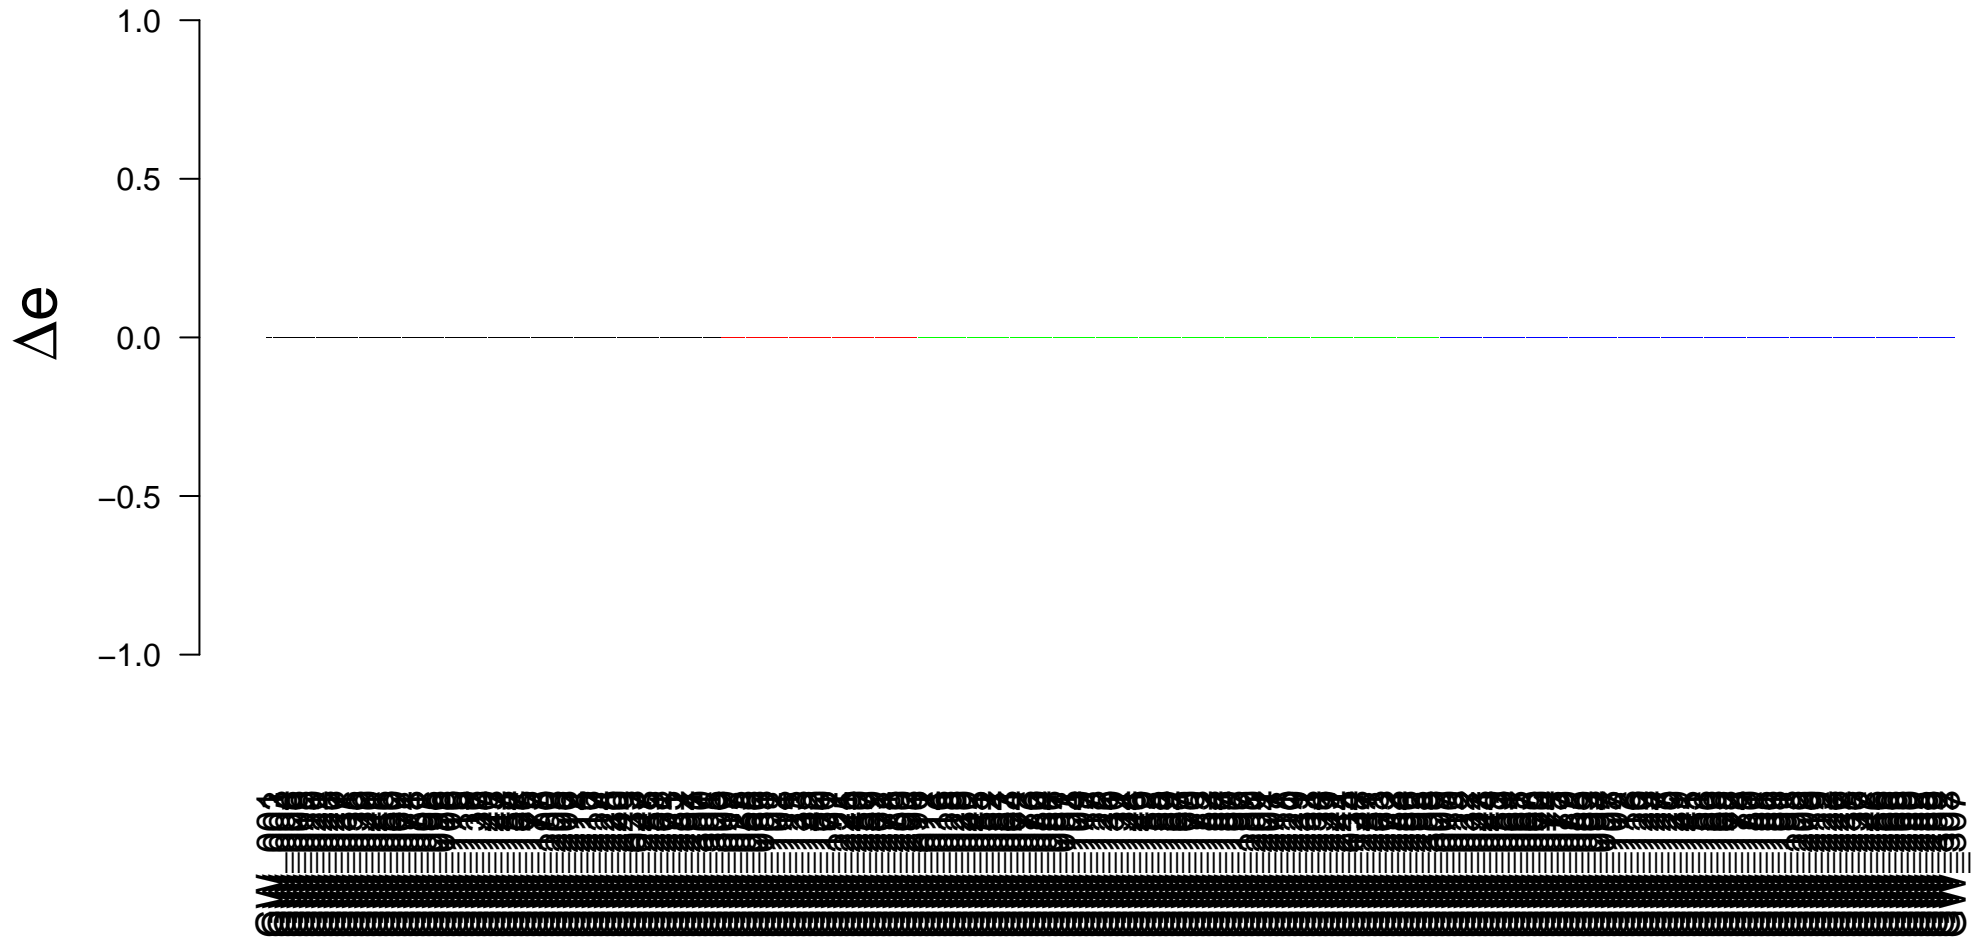

$\Delta e$

Expression of ciliary transition zone in Spot L

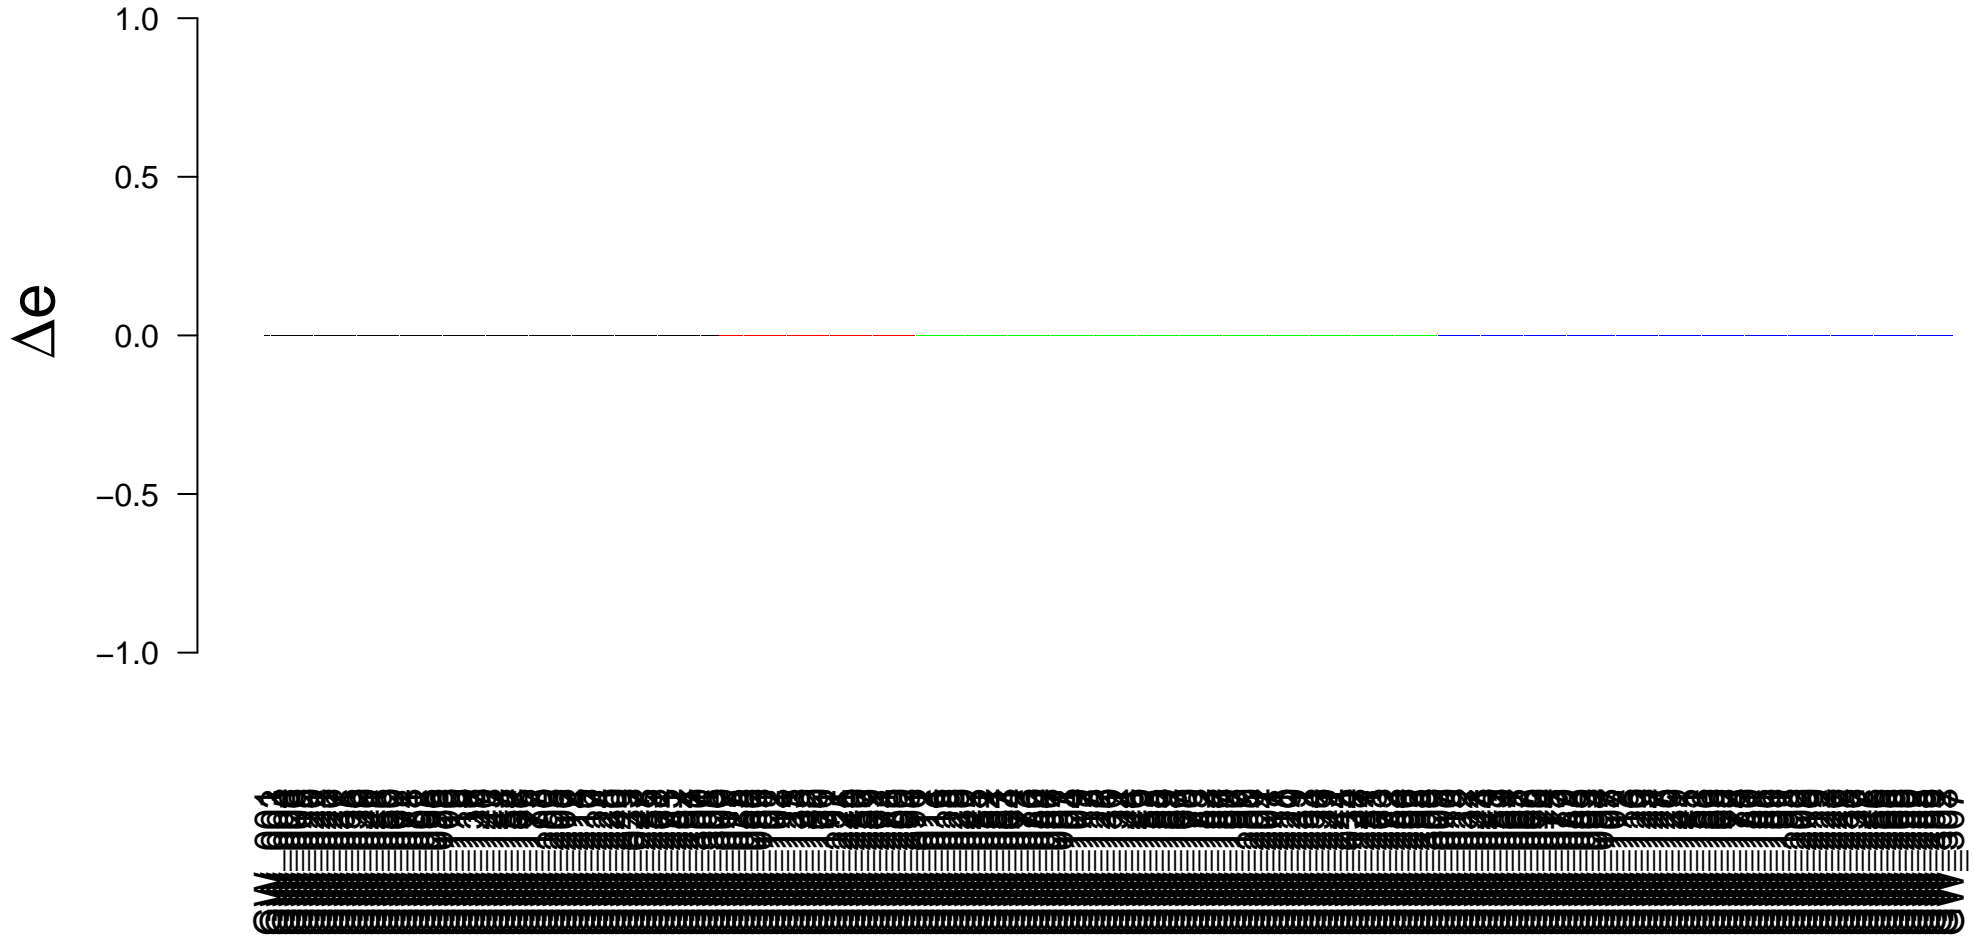

# Expression of ciliary transition zone in Spot M

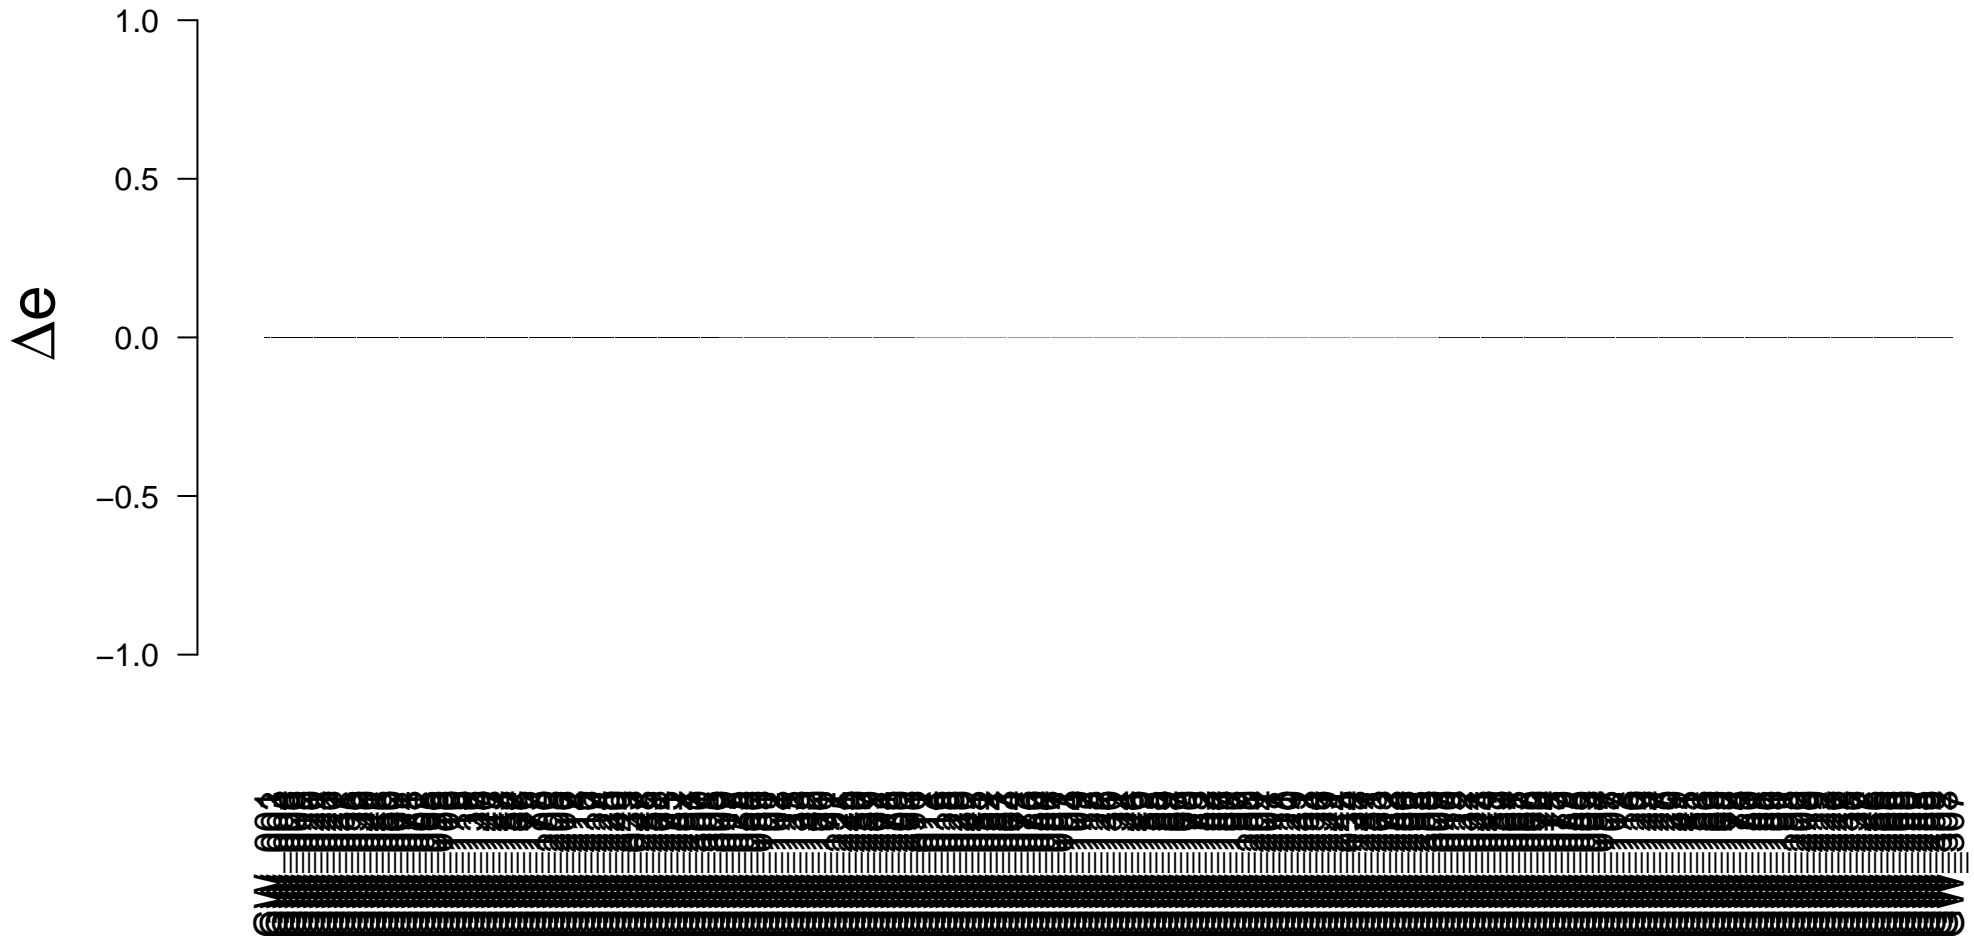

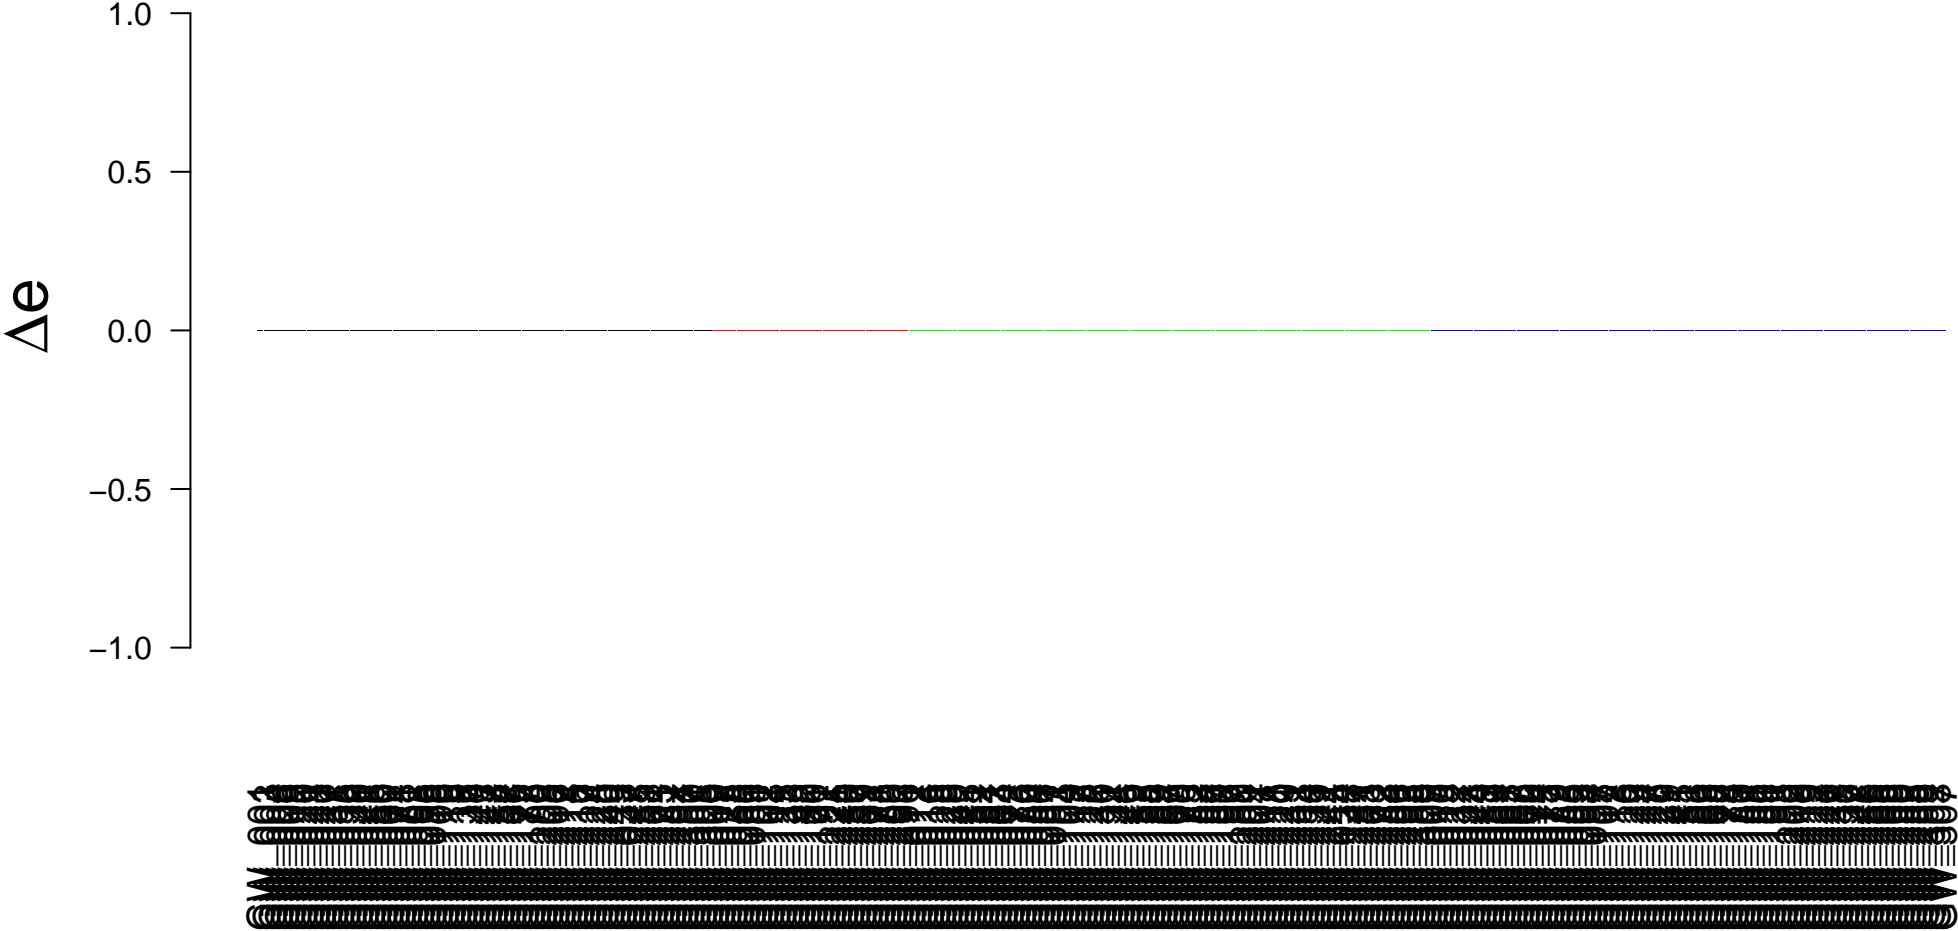

# Expression of ciliary transition zone in Spot N

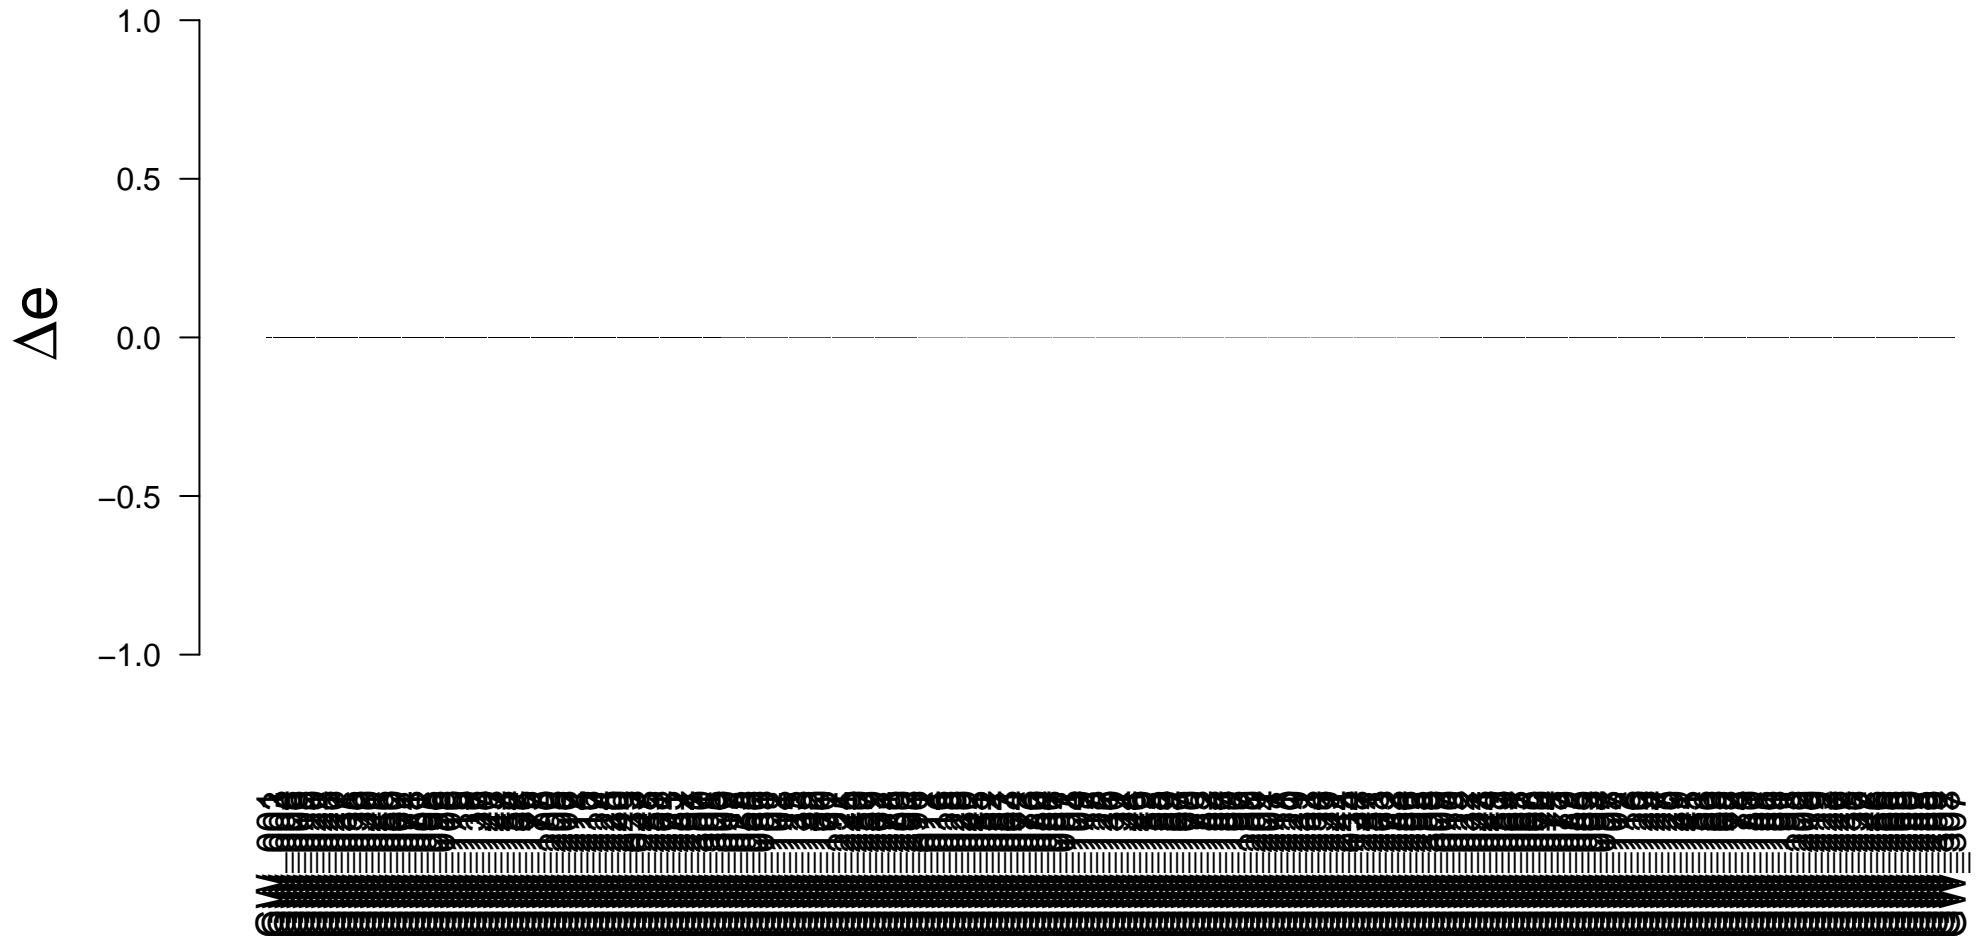

# Expression of ciliary transition zone in Spot O

Expression of ciliary transition zone in Spot P

# Expression of ciliary transition zone in Spot Q

# Expression of ciliary transition zone in Spot R
