circadian regulation of gene expression

Enrichment in spots: circadian regulation of gene expression

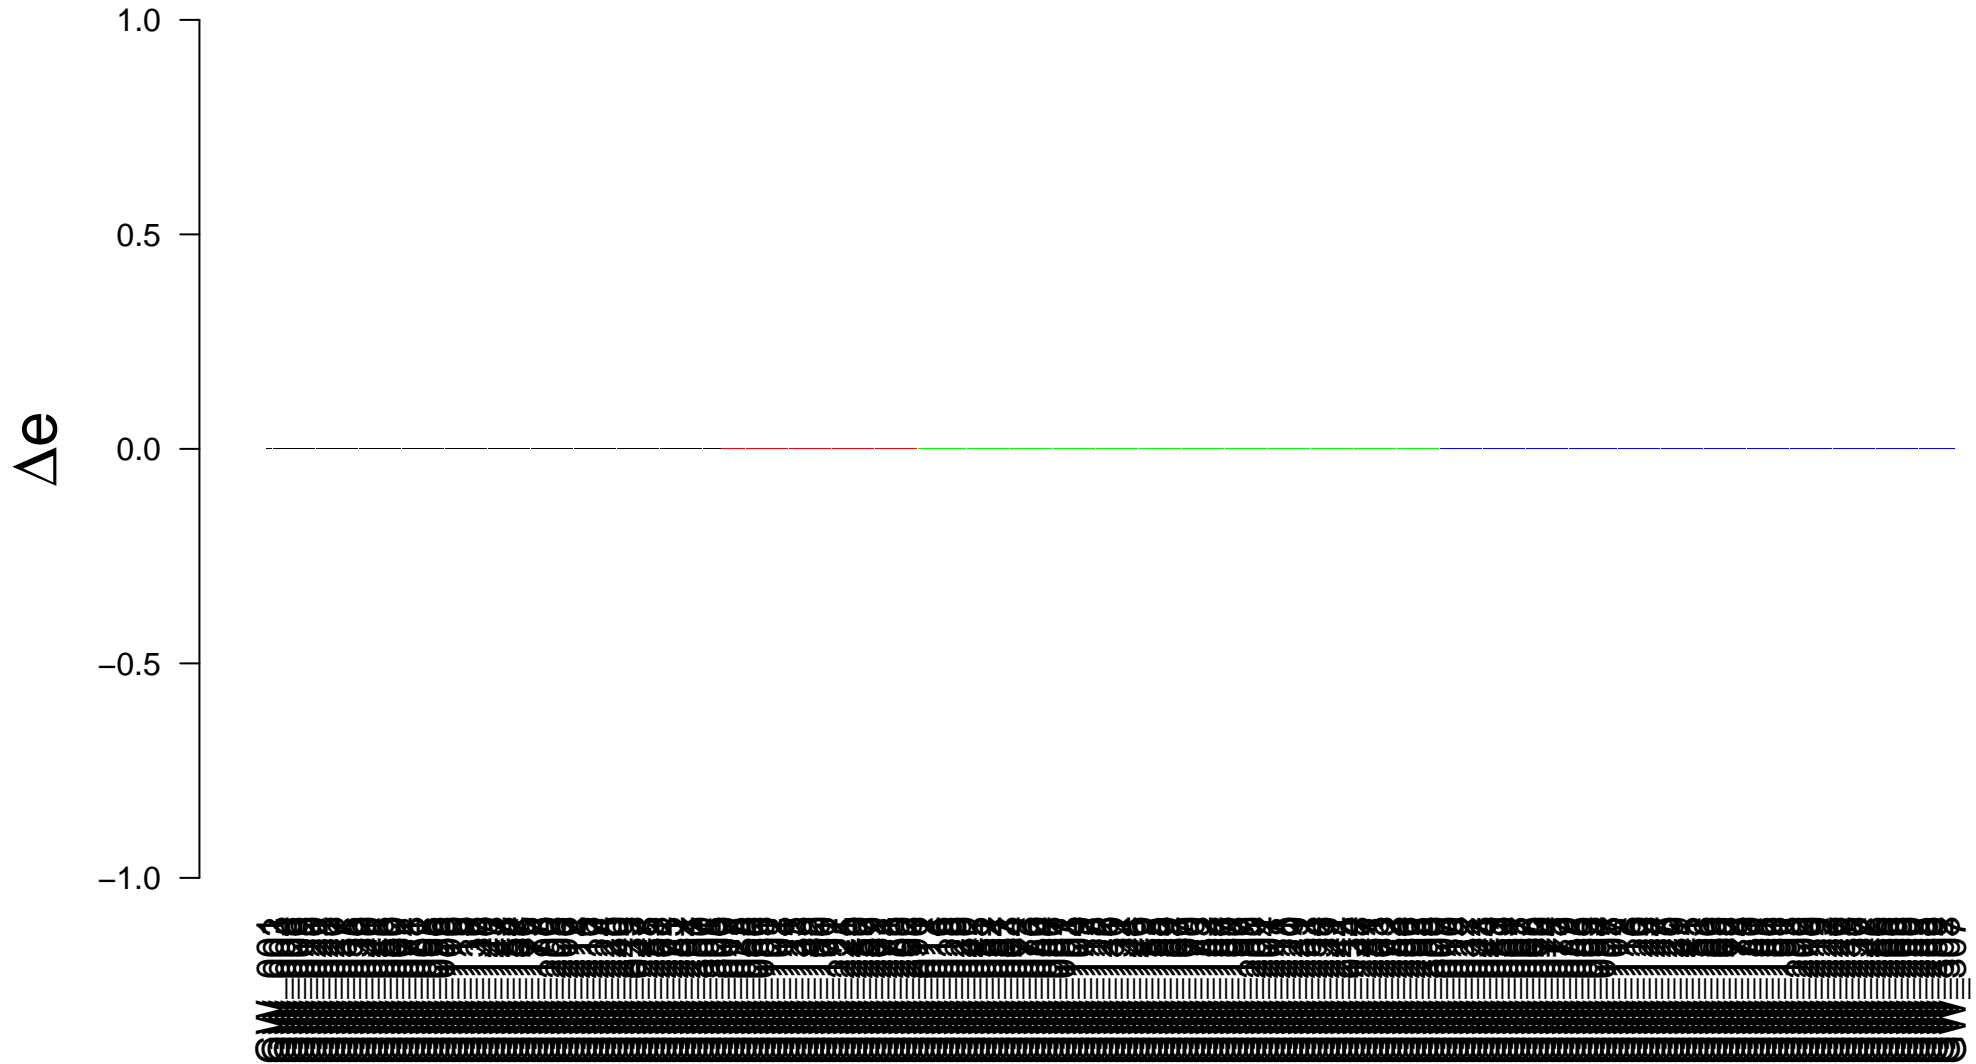

Expression of circadian regulation of gene expression in Spot A

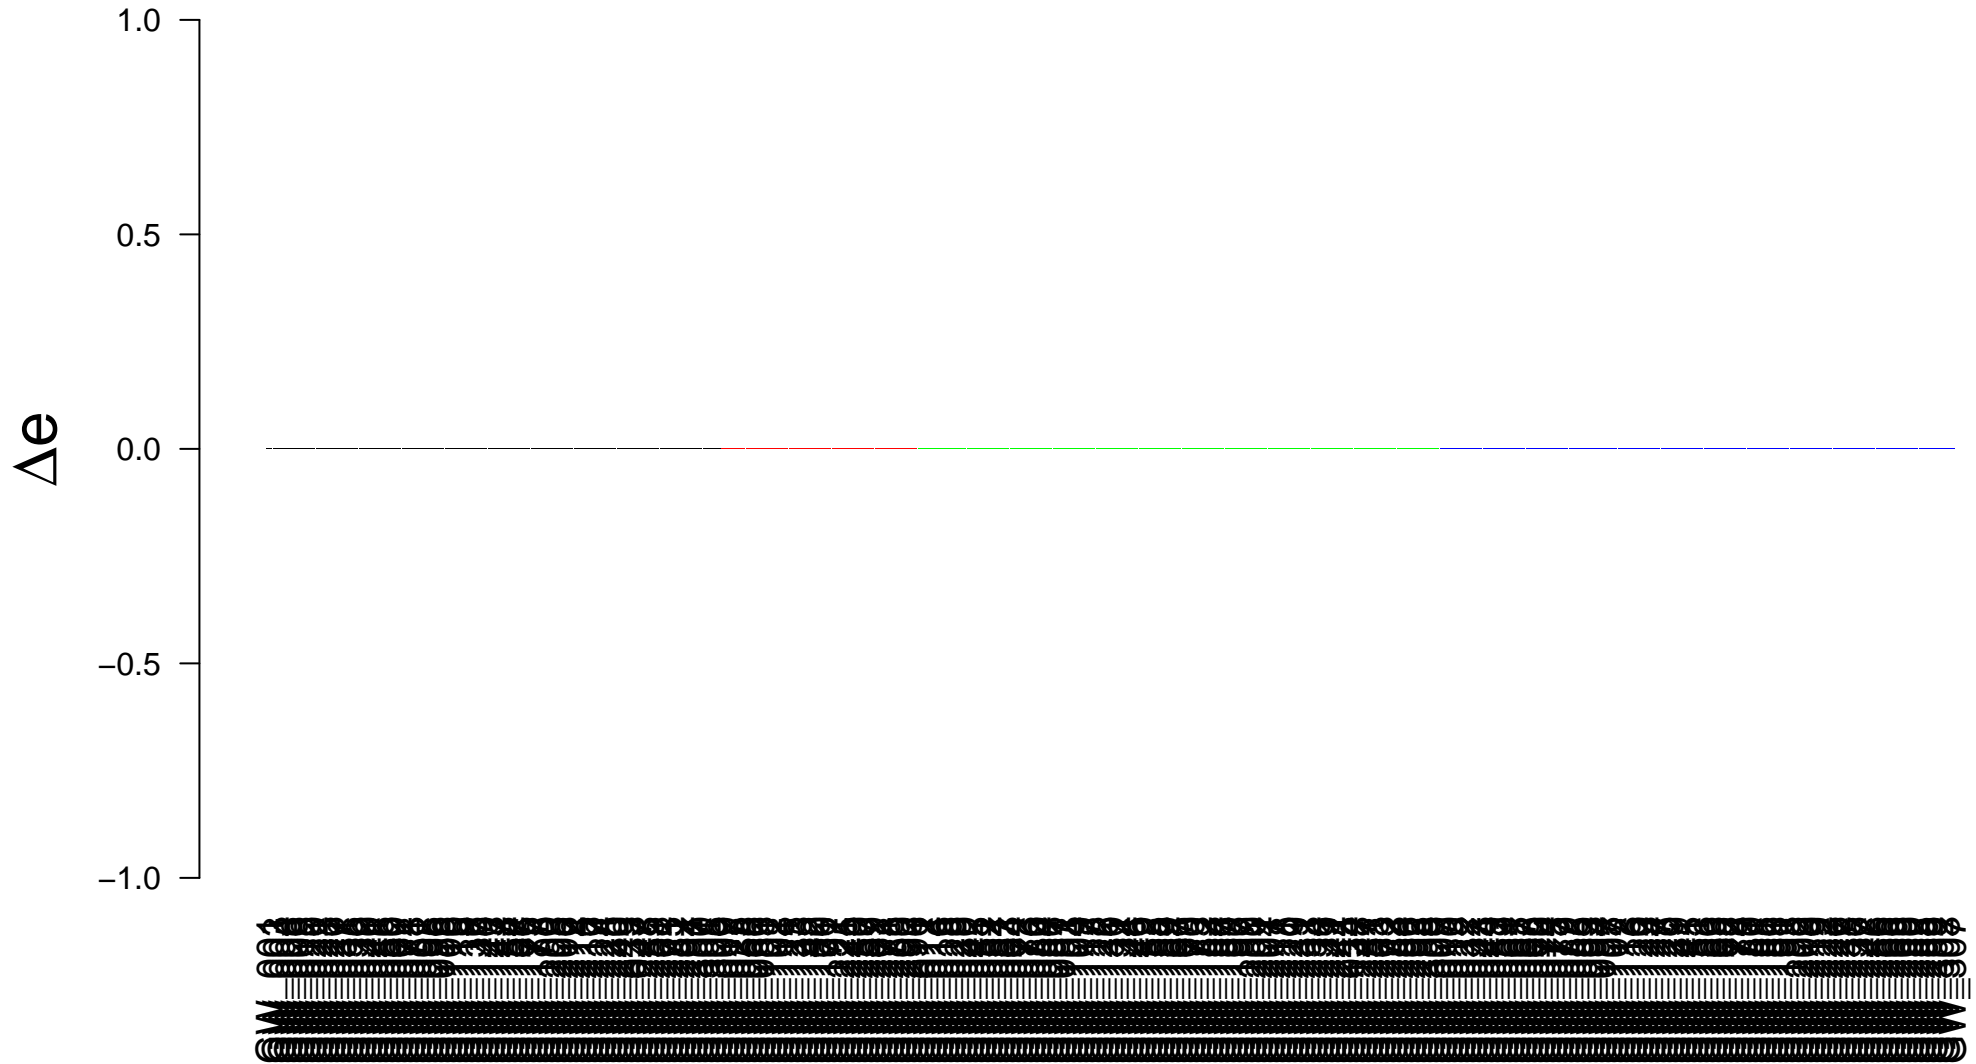

Expression of circadian regulation of gene expression in Spot B

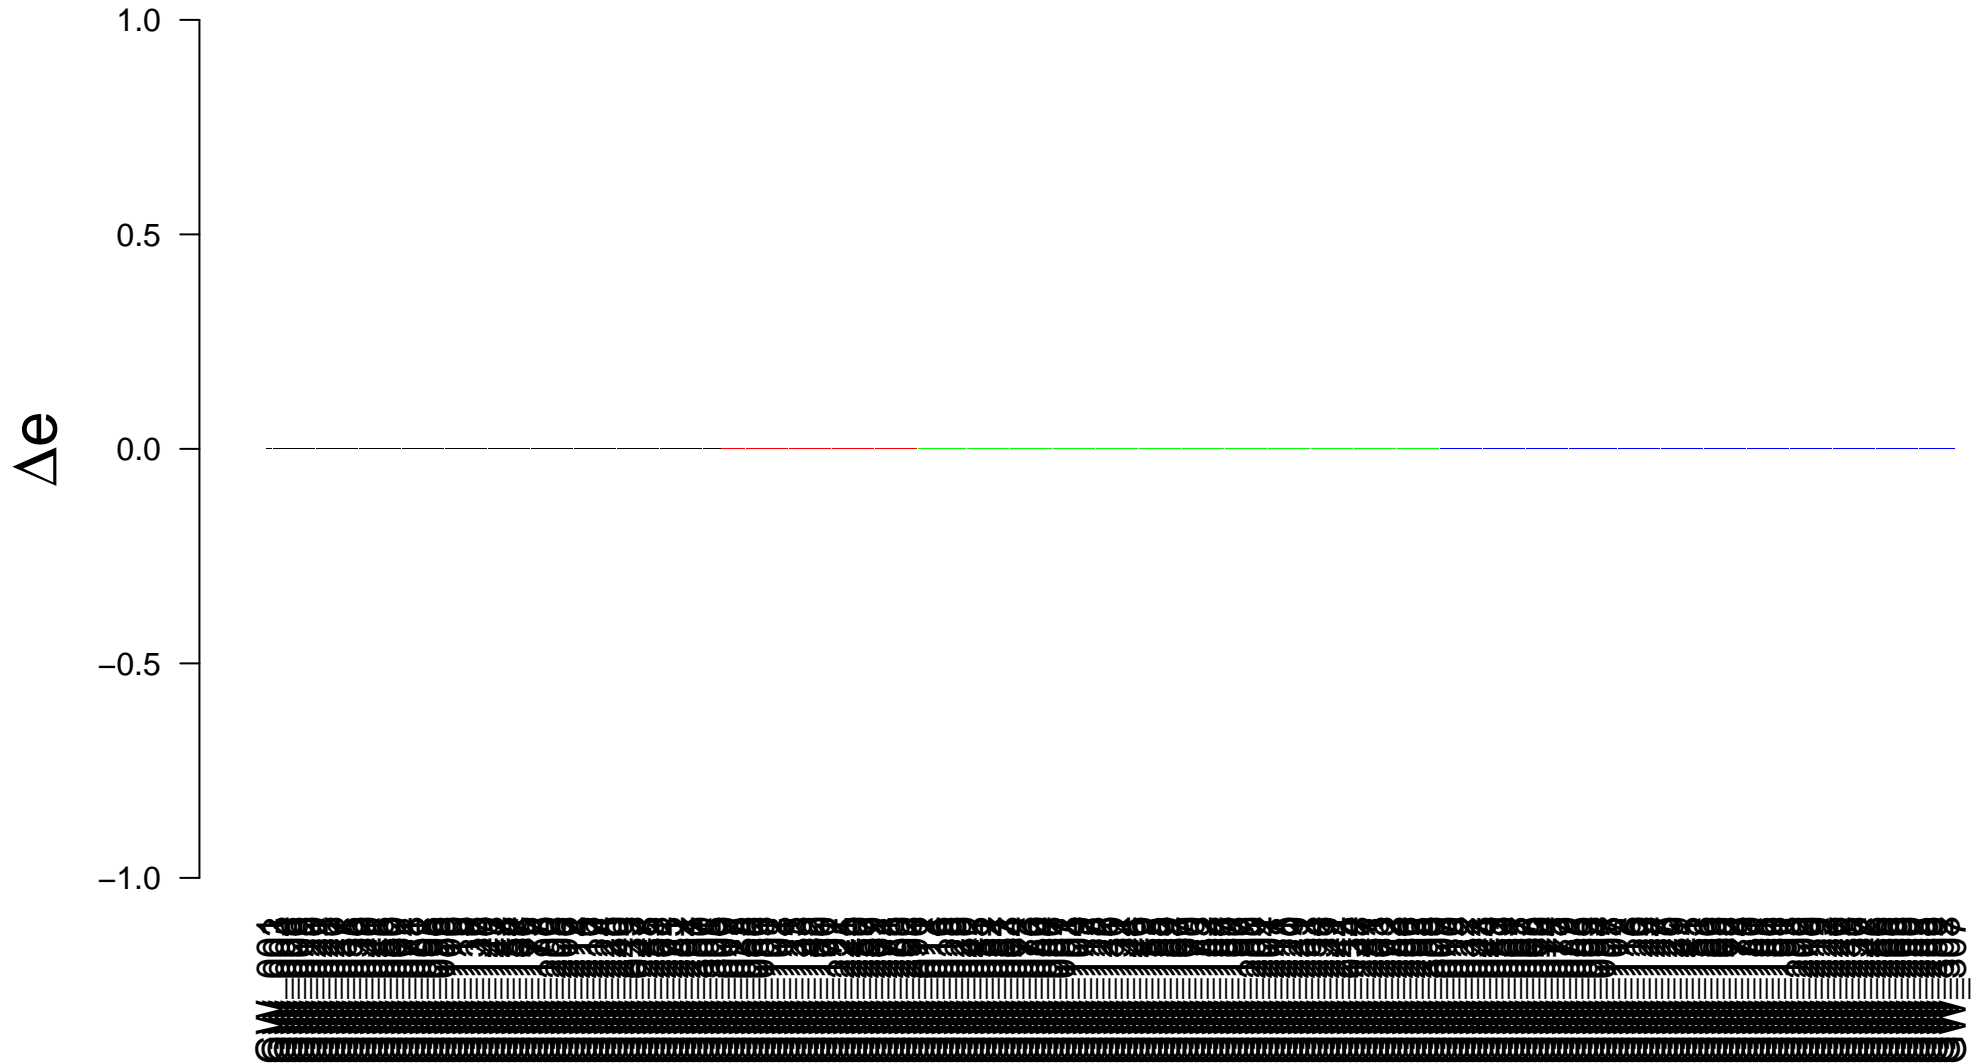

Expression of circadian regulation of gene expression in Spot C

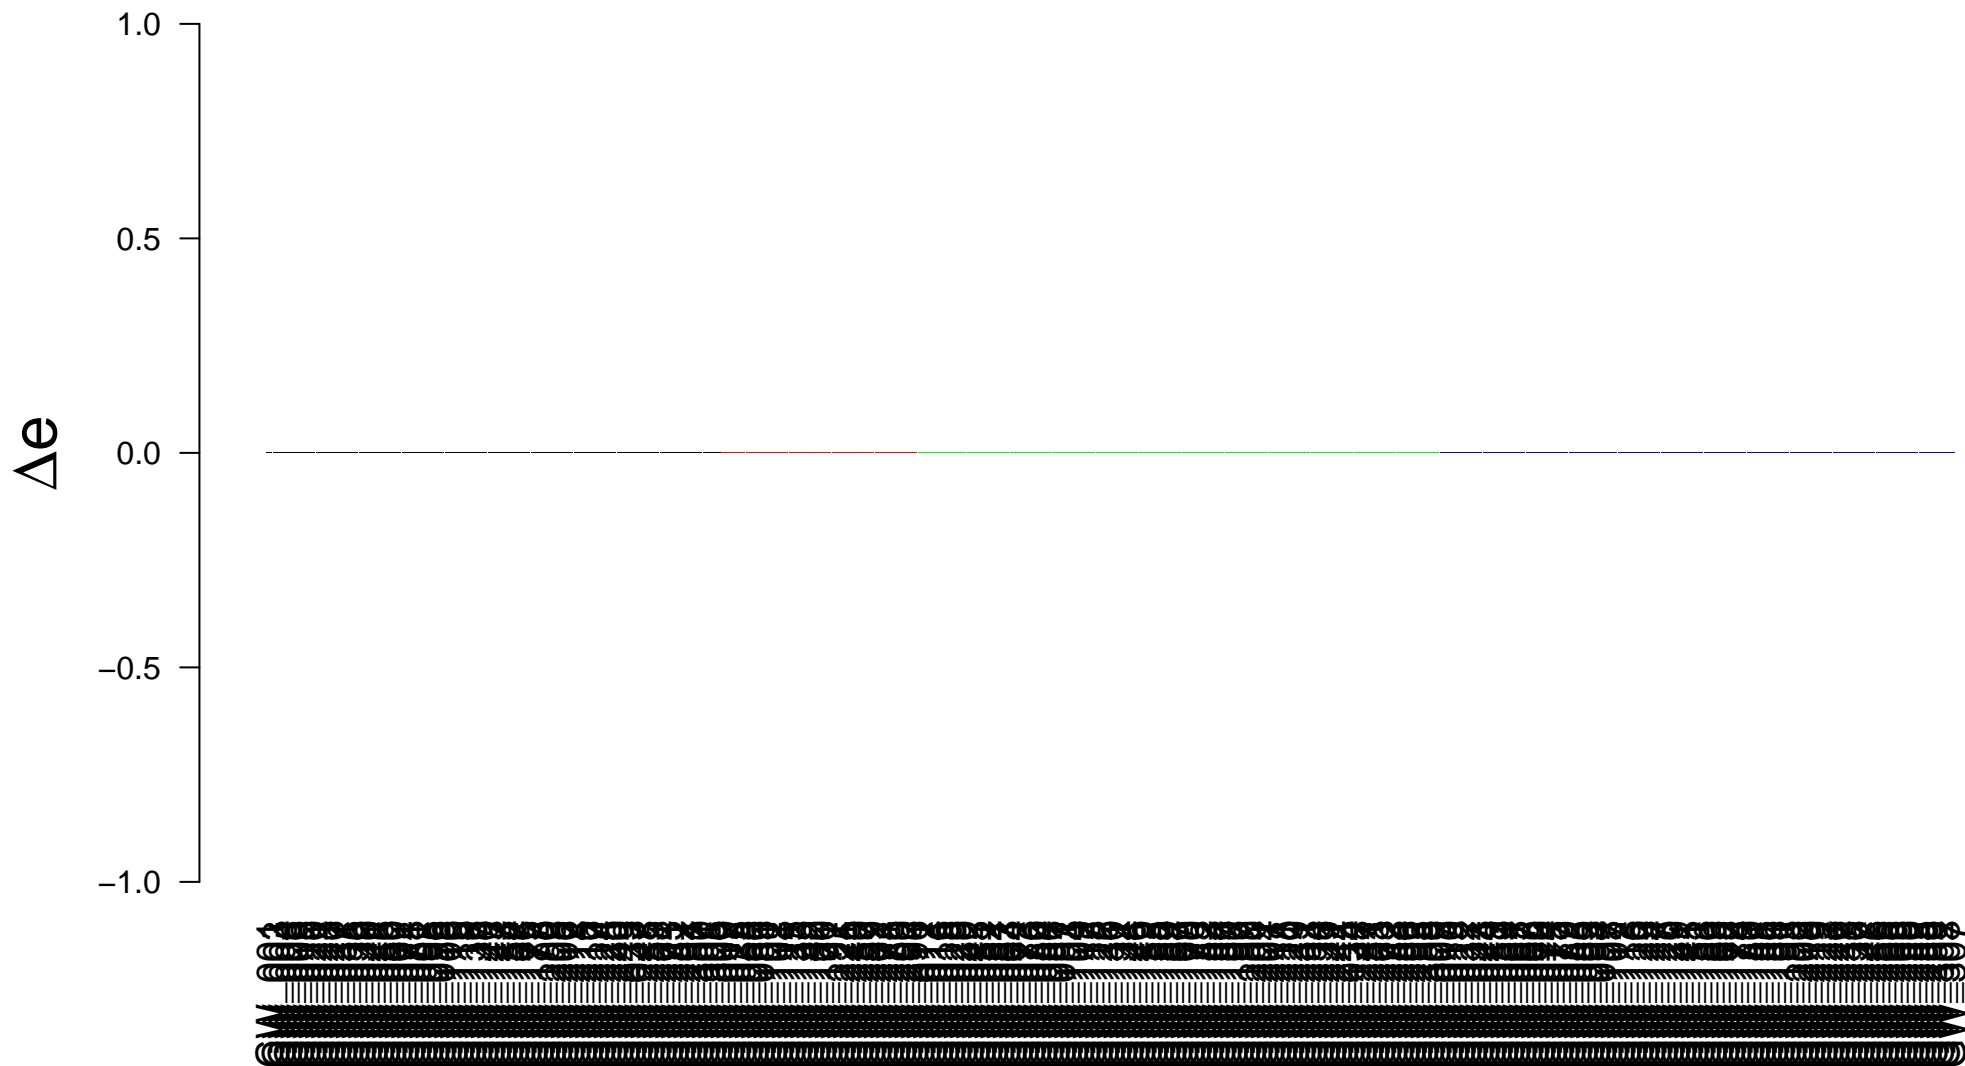

Expression of circadian regulation of gene expression in Spot D

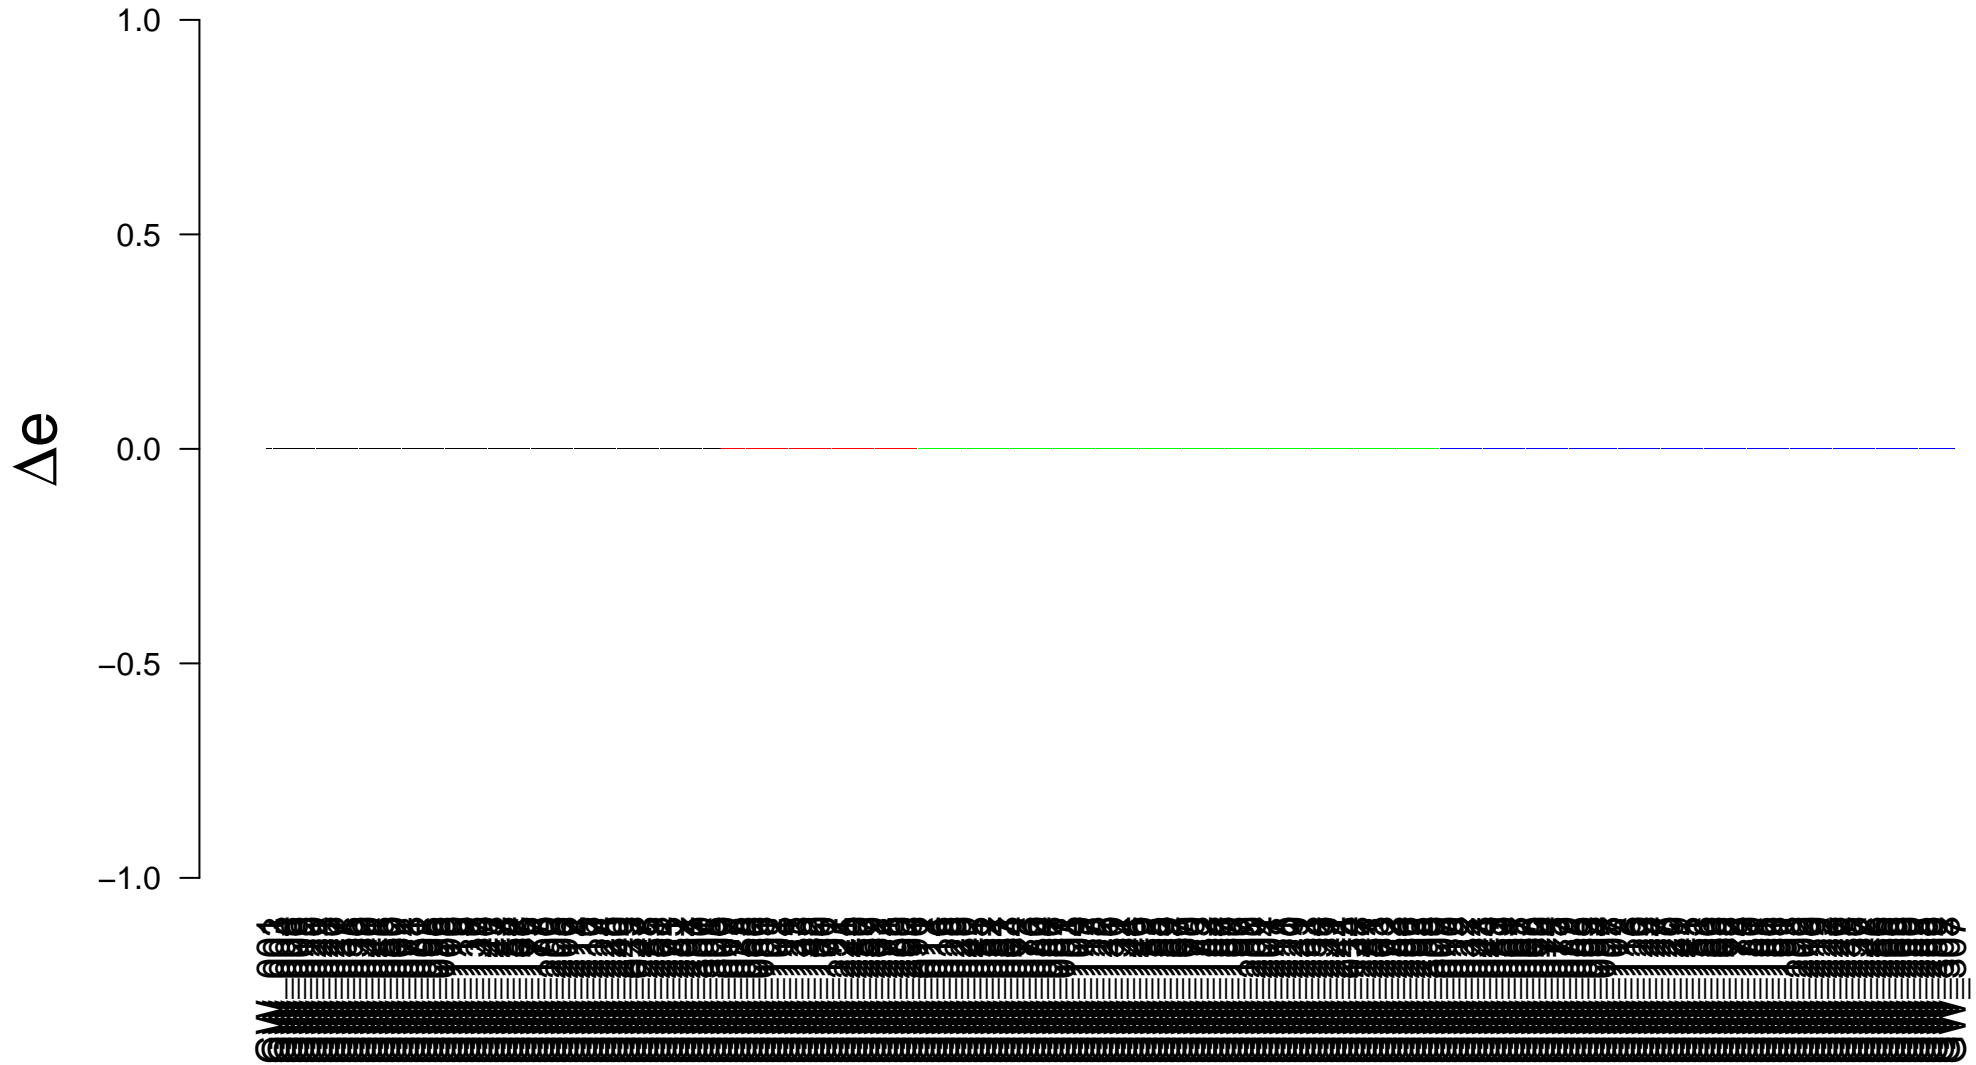

Expression of circadian regulation of gene expression in Spot E

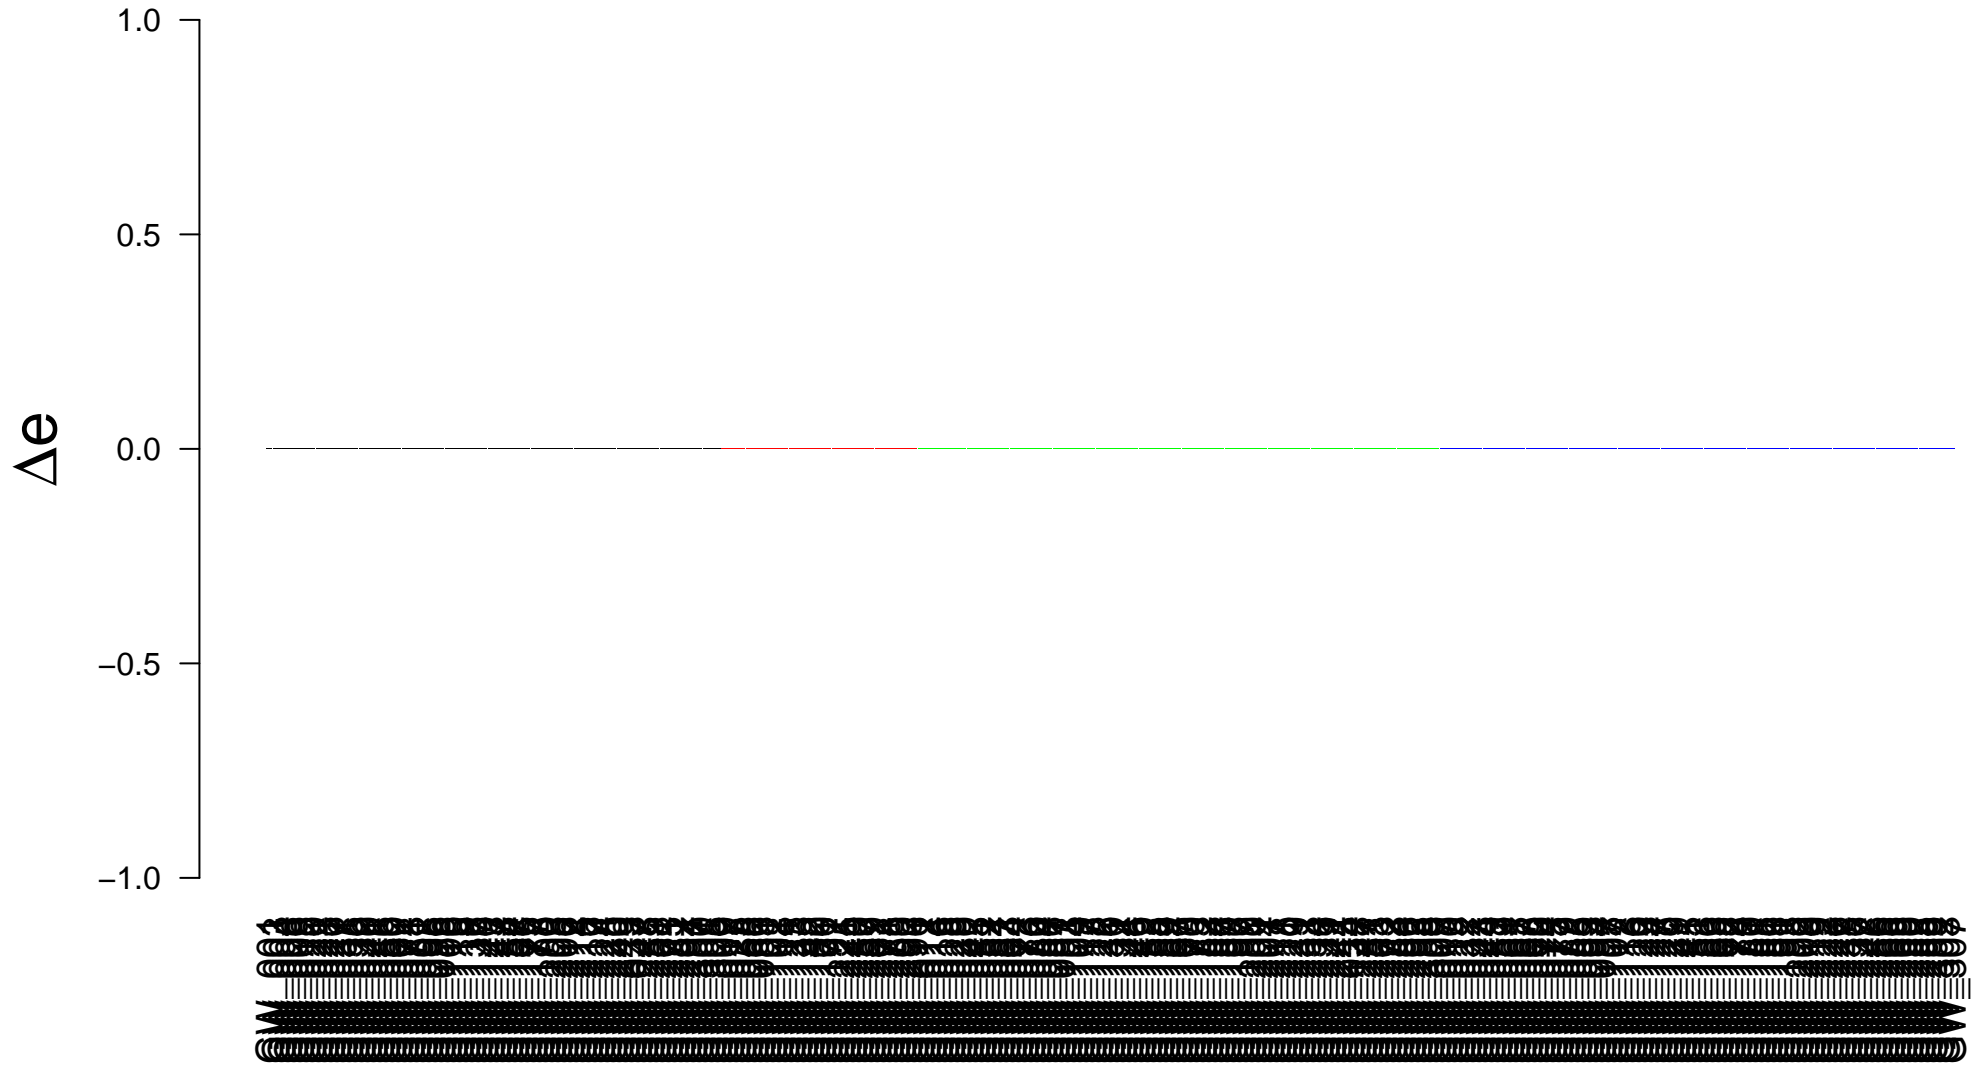

Expression of circadian regulation of gene expression in Spot F

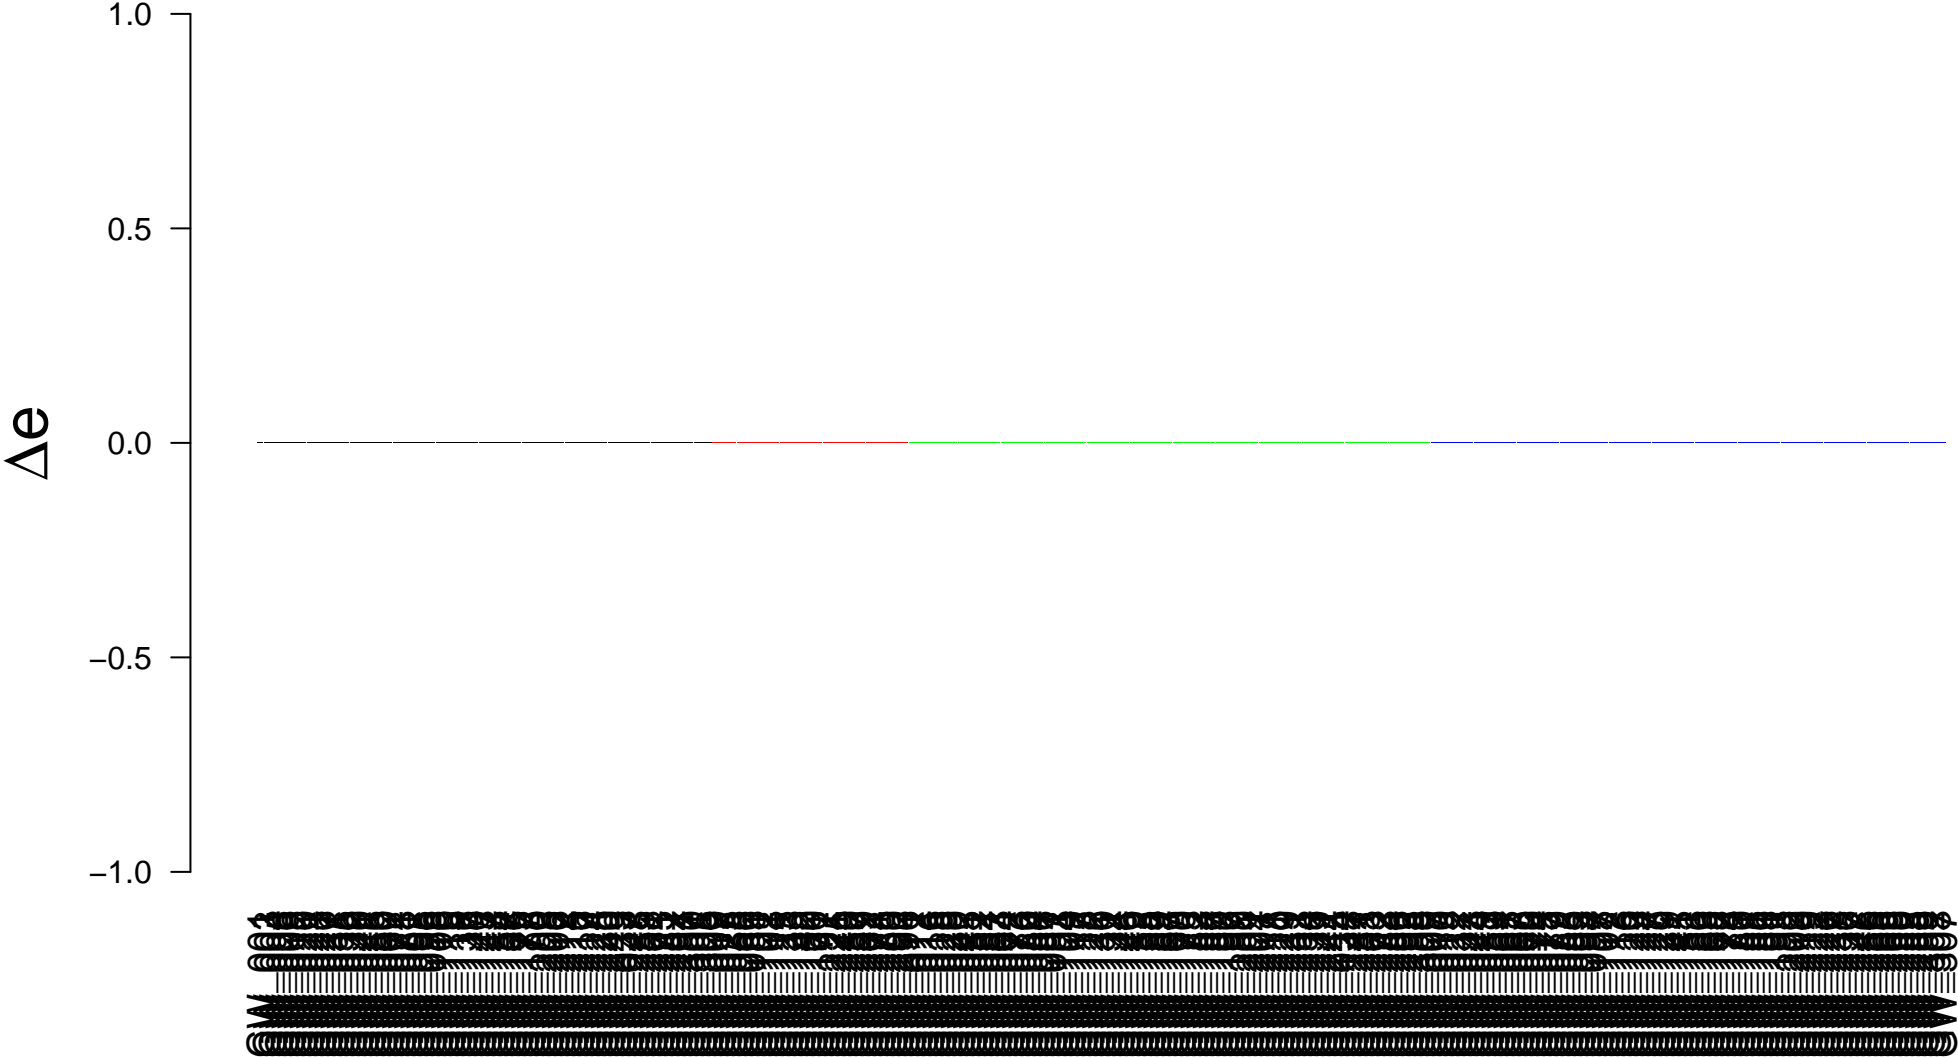

Expression of circadian regulation of gene expression in Spot G

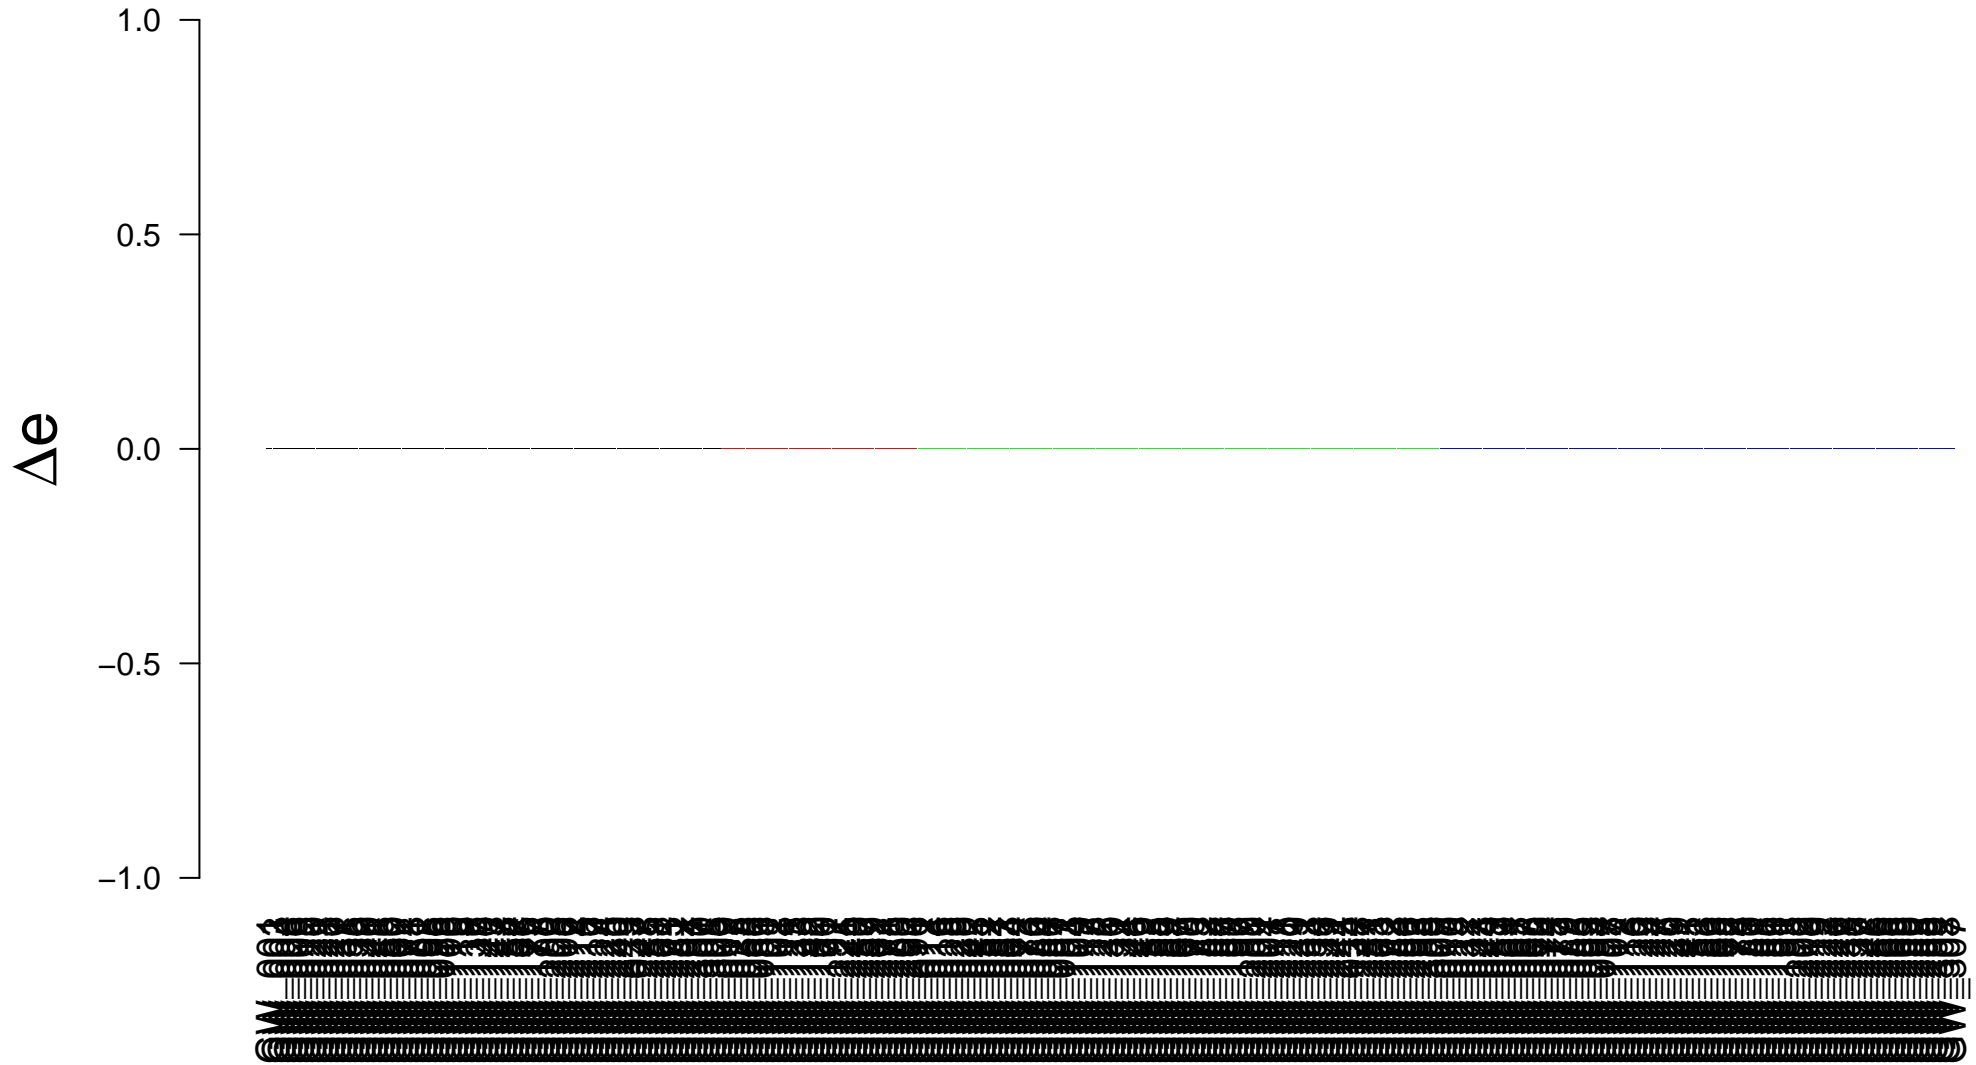

Expression of circadian regulation of gene expression in Spot H

Expression of circadian regulation of gene expression in Spot I

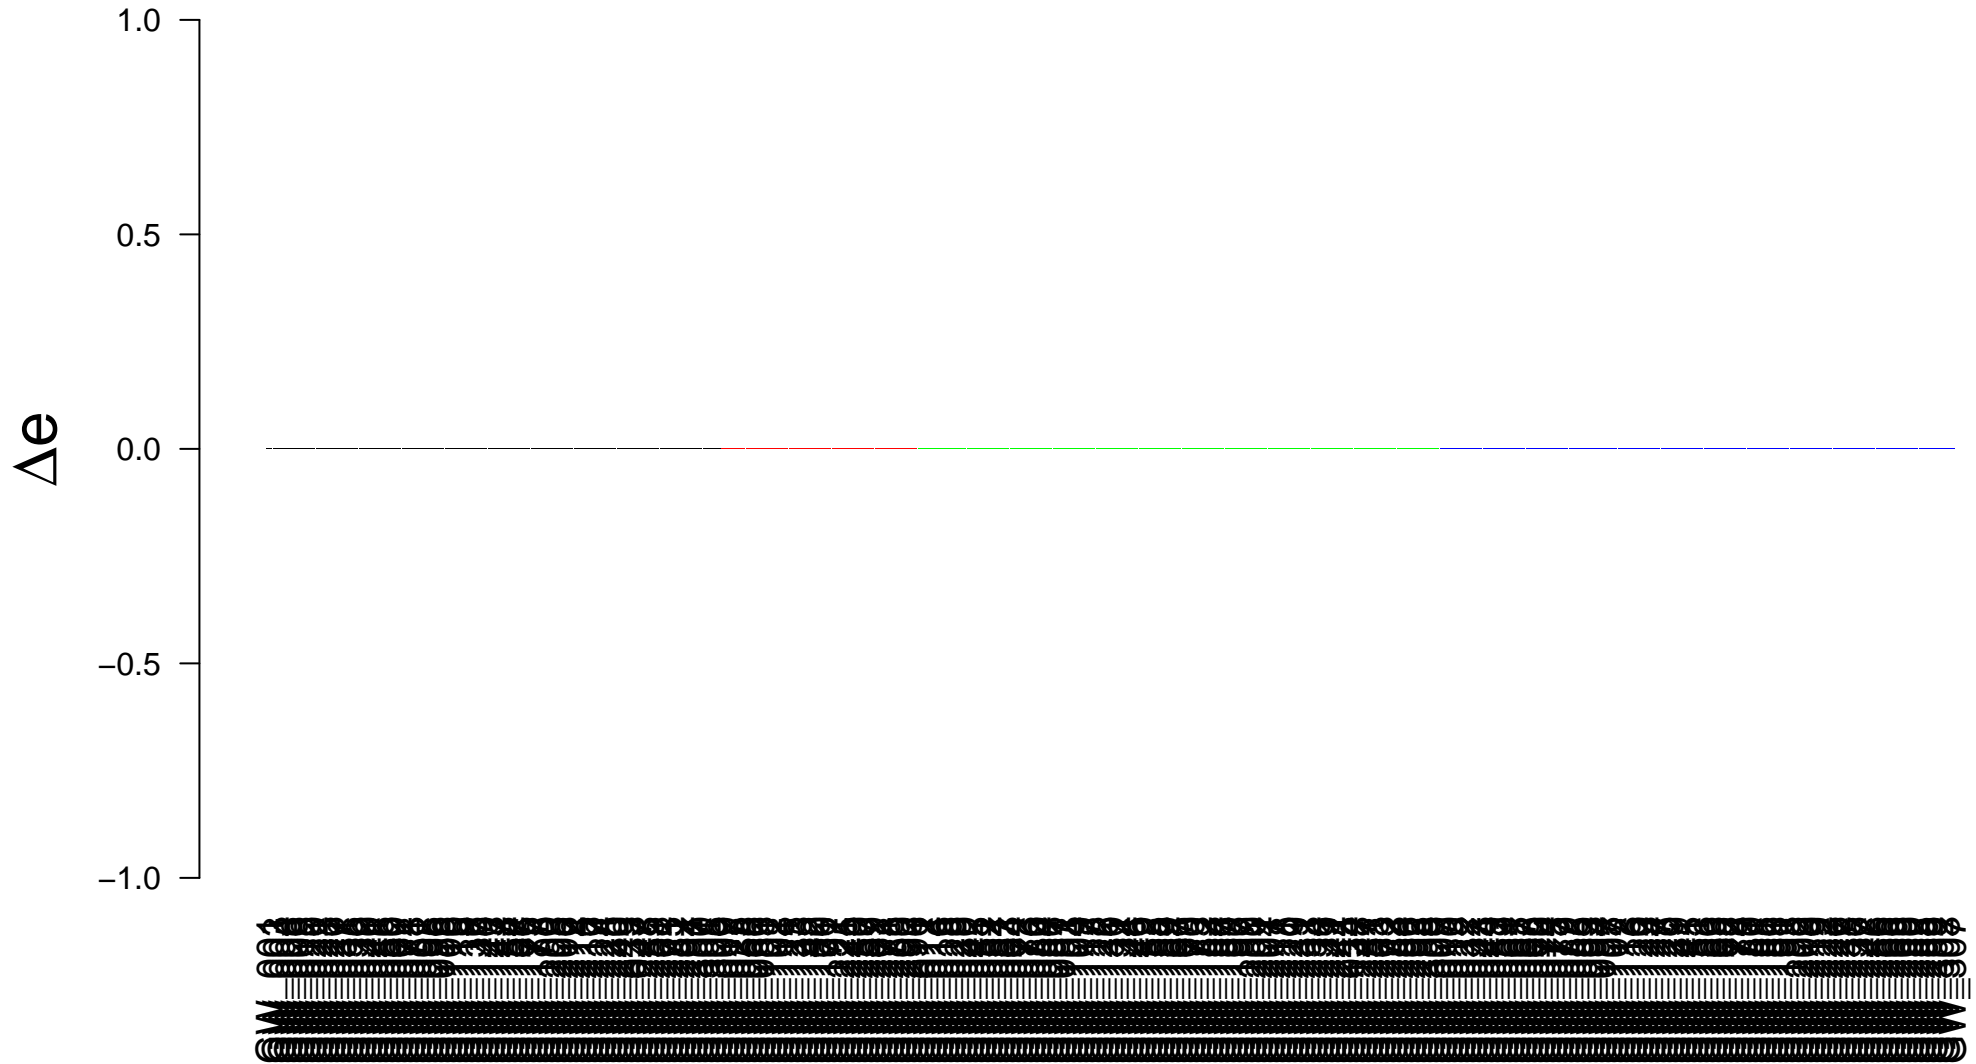

Expression of circadian regulation of gene expression in Spot J

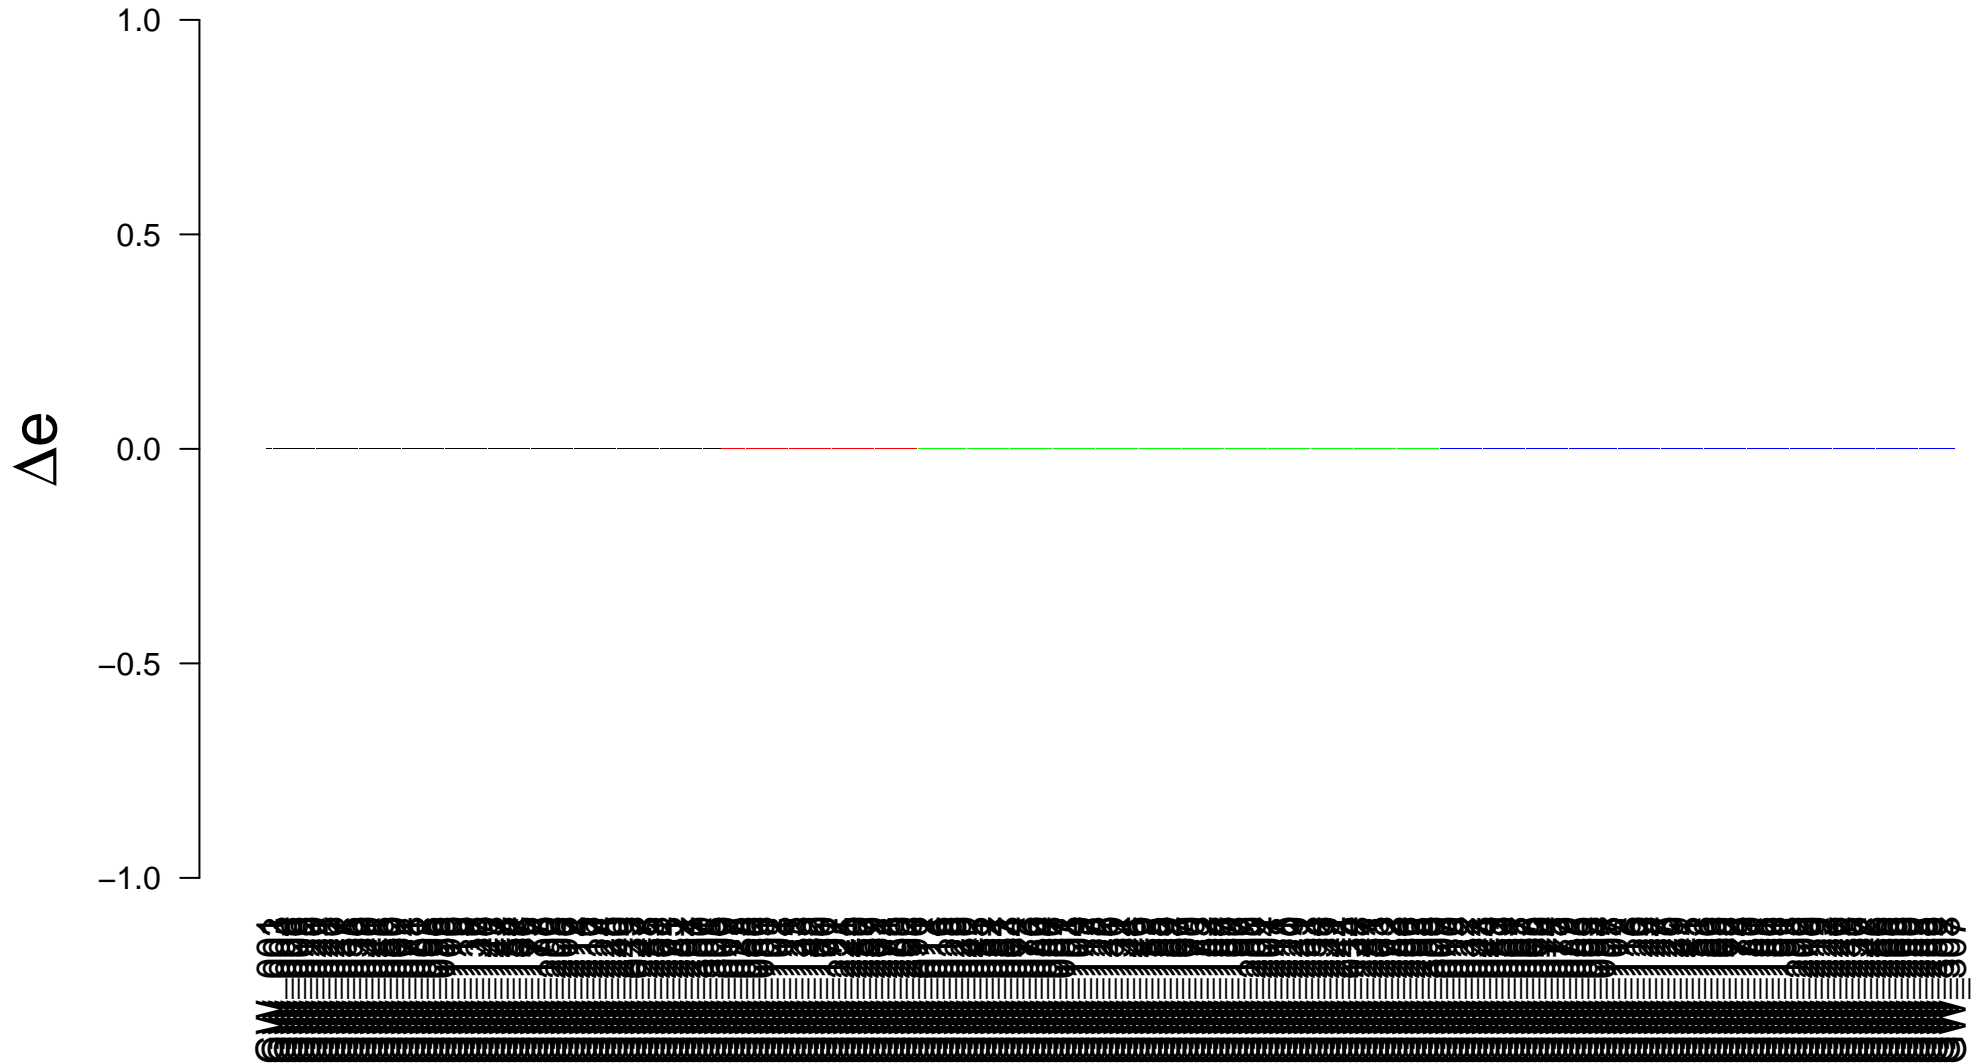

Expression of circadian regulation of gene expression in Spot K

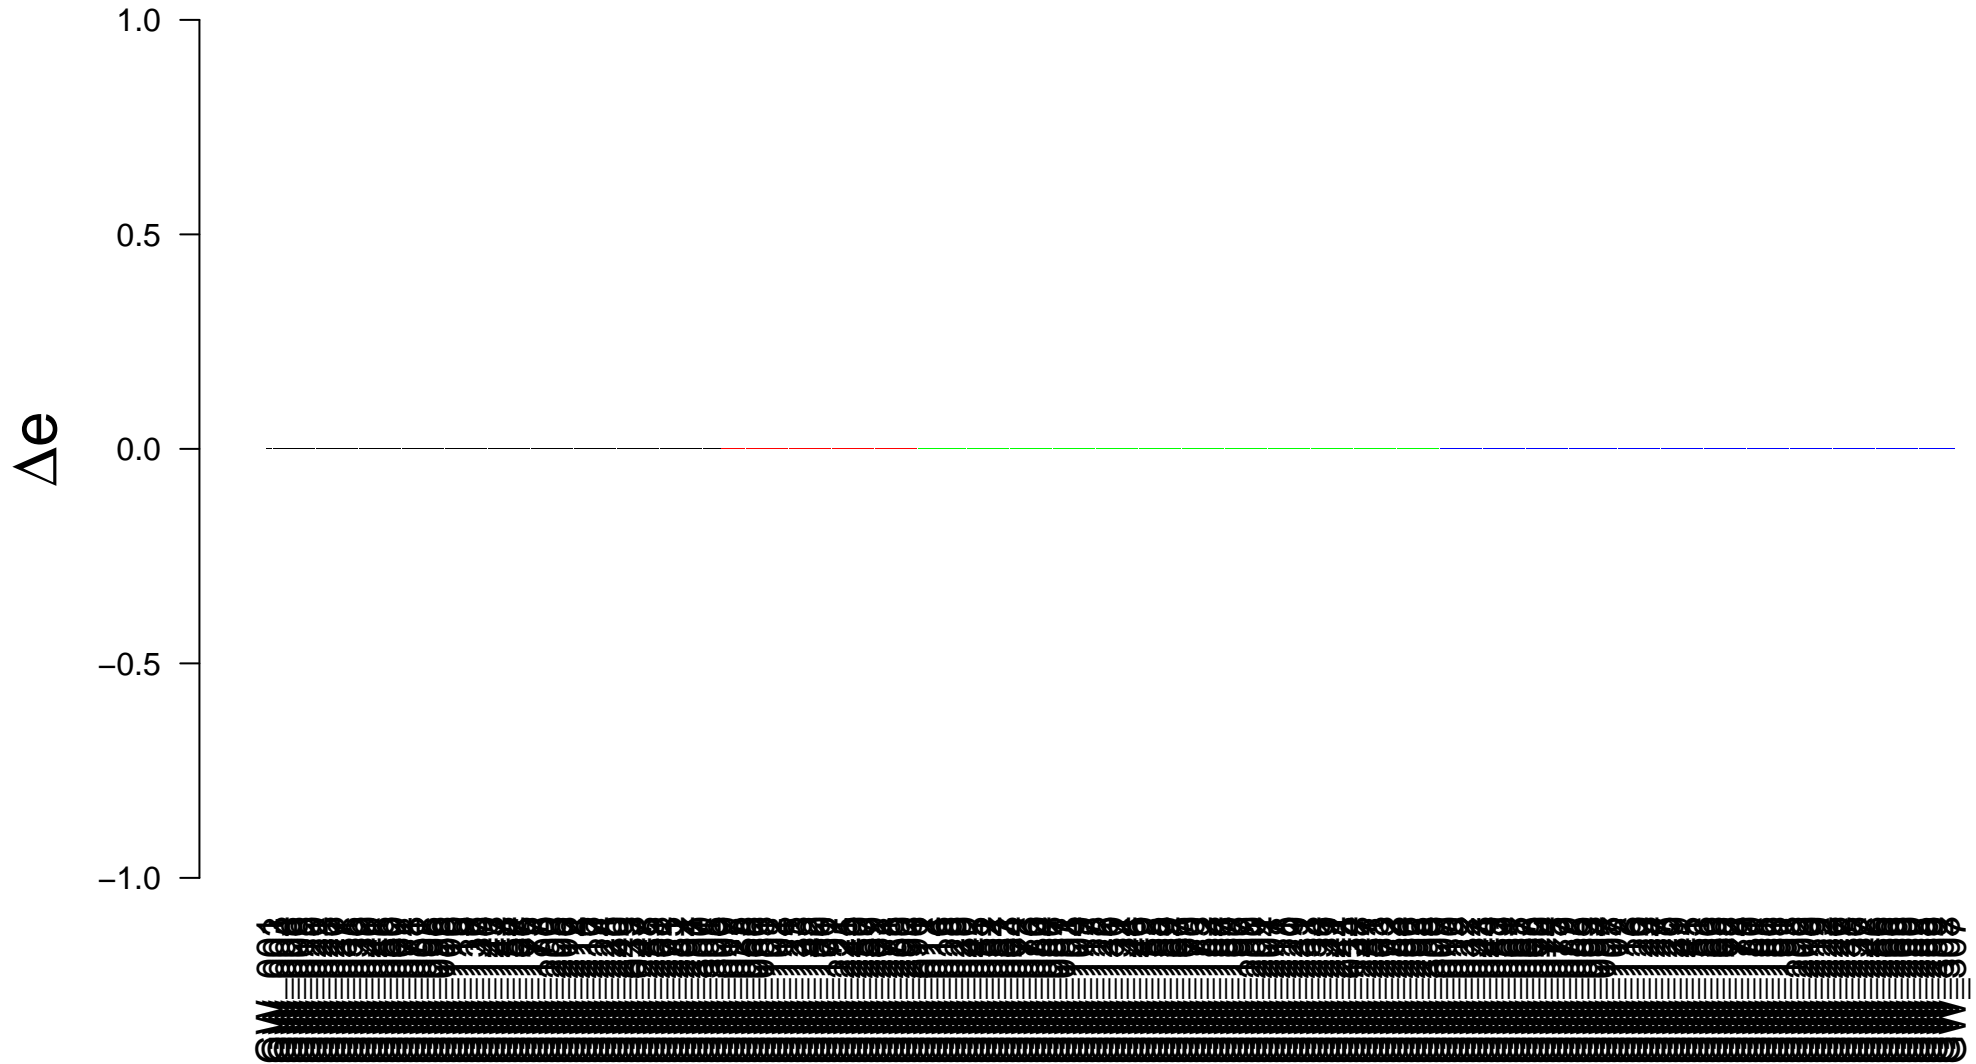

Expression of circadian regulation of gene expression in Spot L

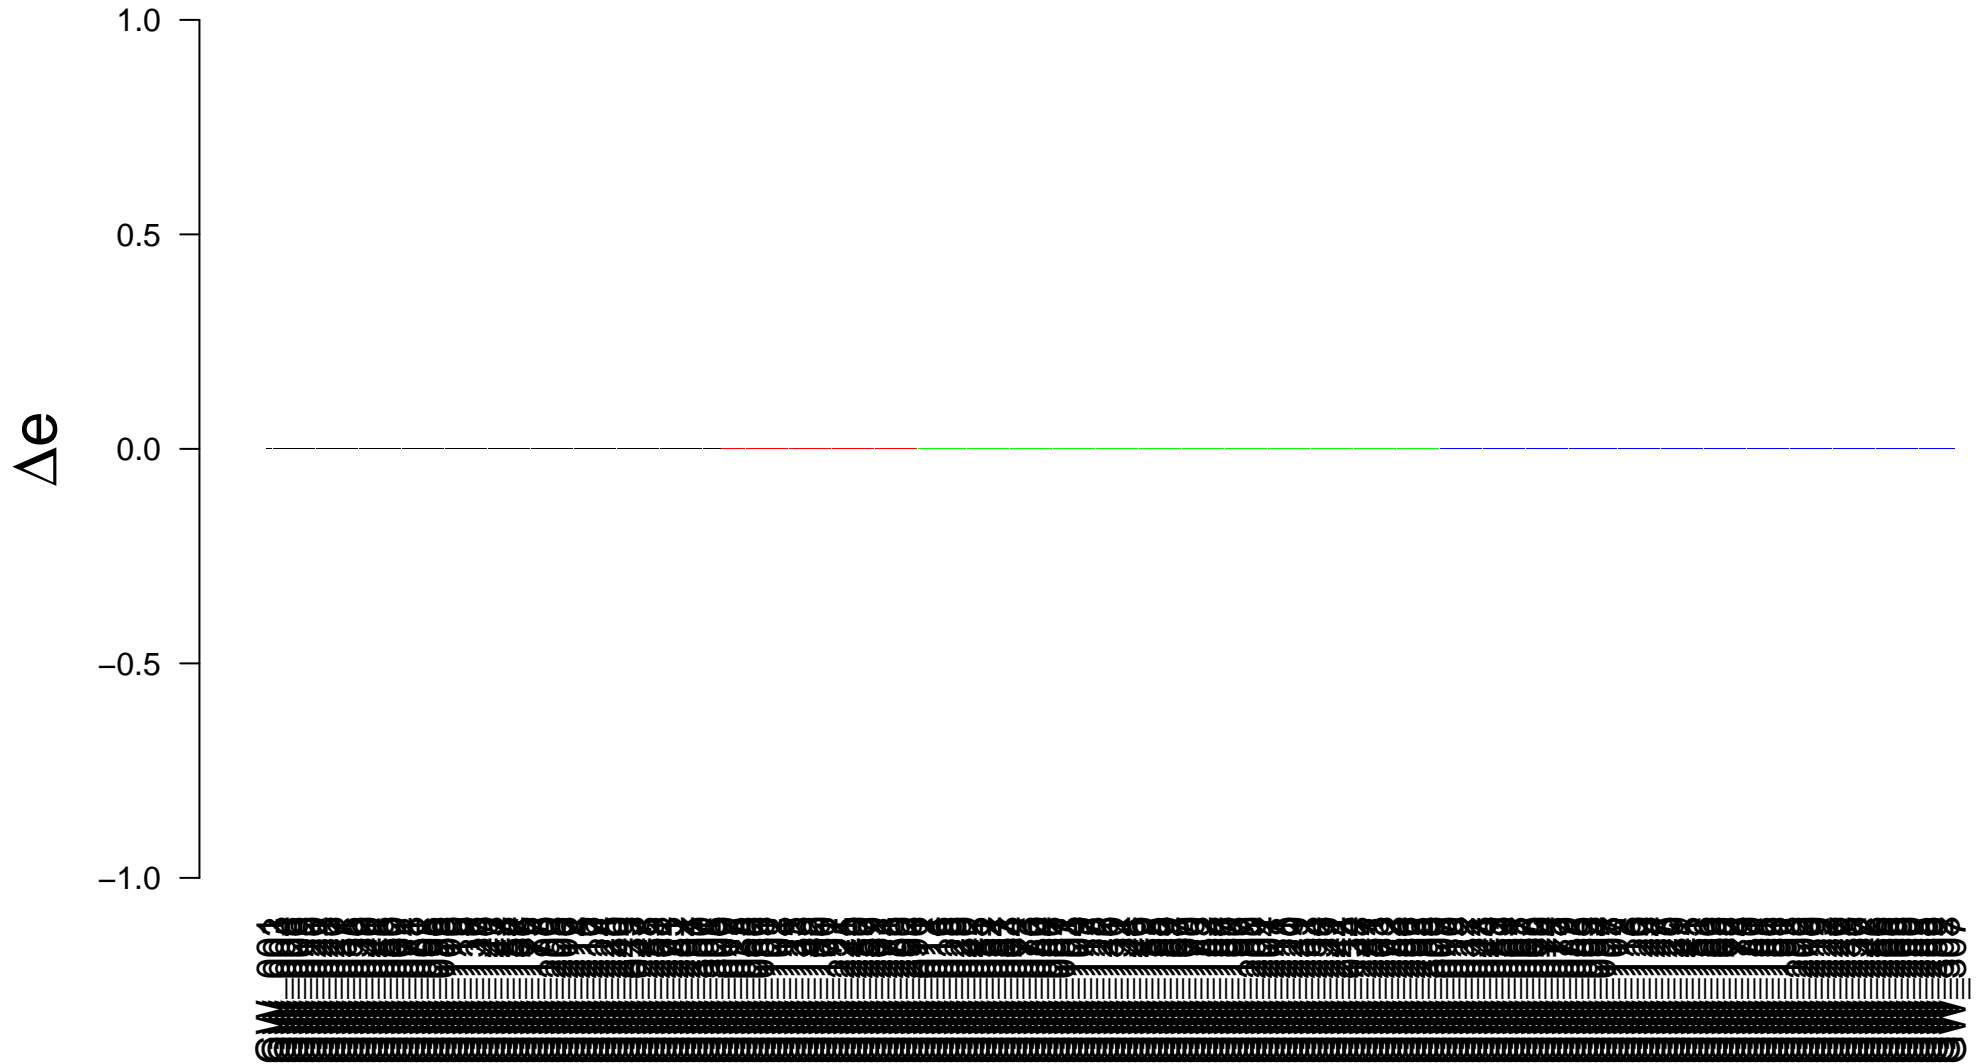

Expression of circadian regulation of gene expression in Spot M

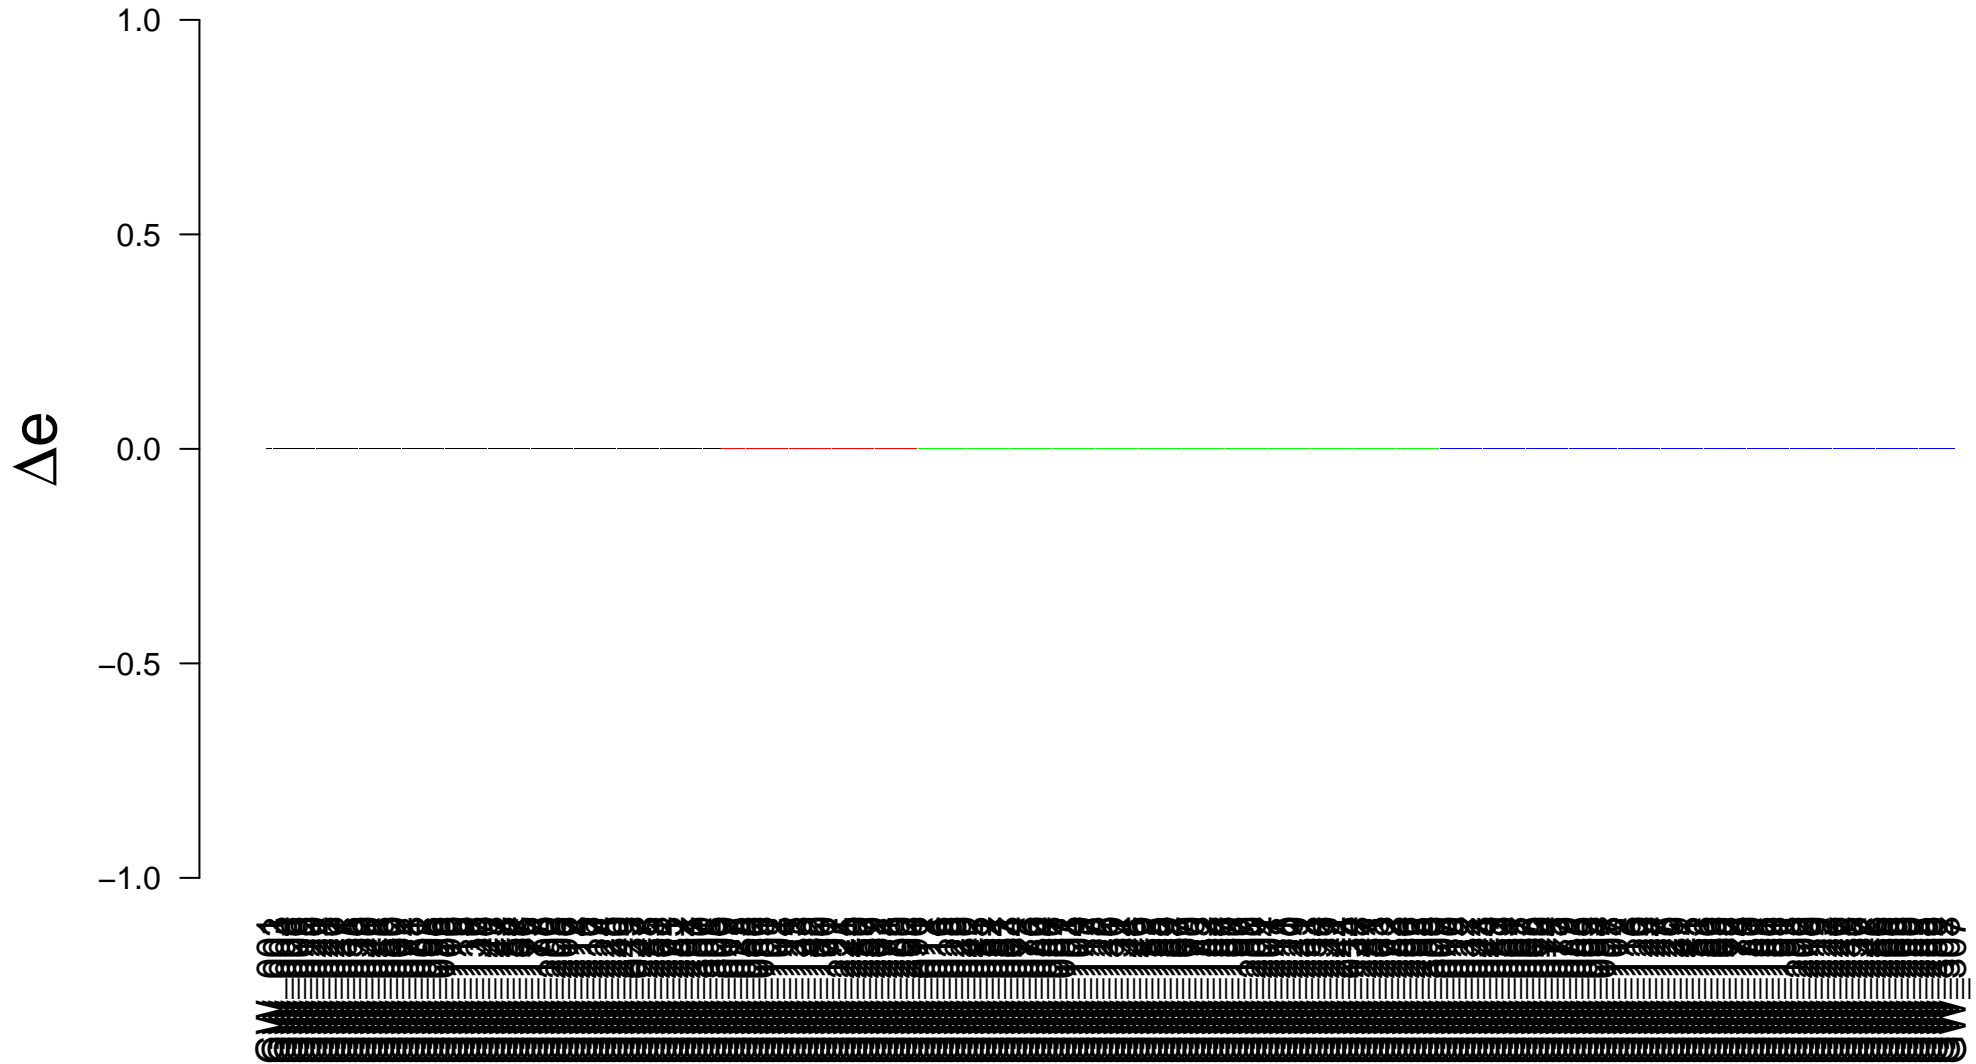

Expression of circadian regulation of gene expression in Spot N

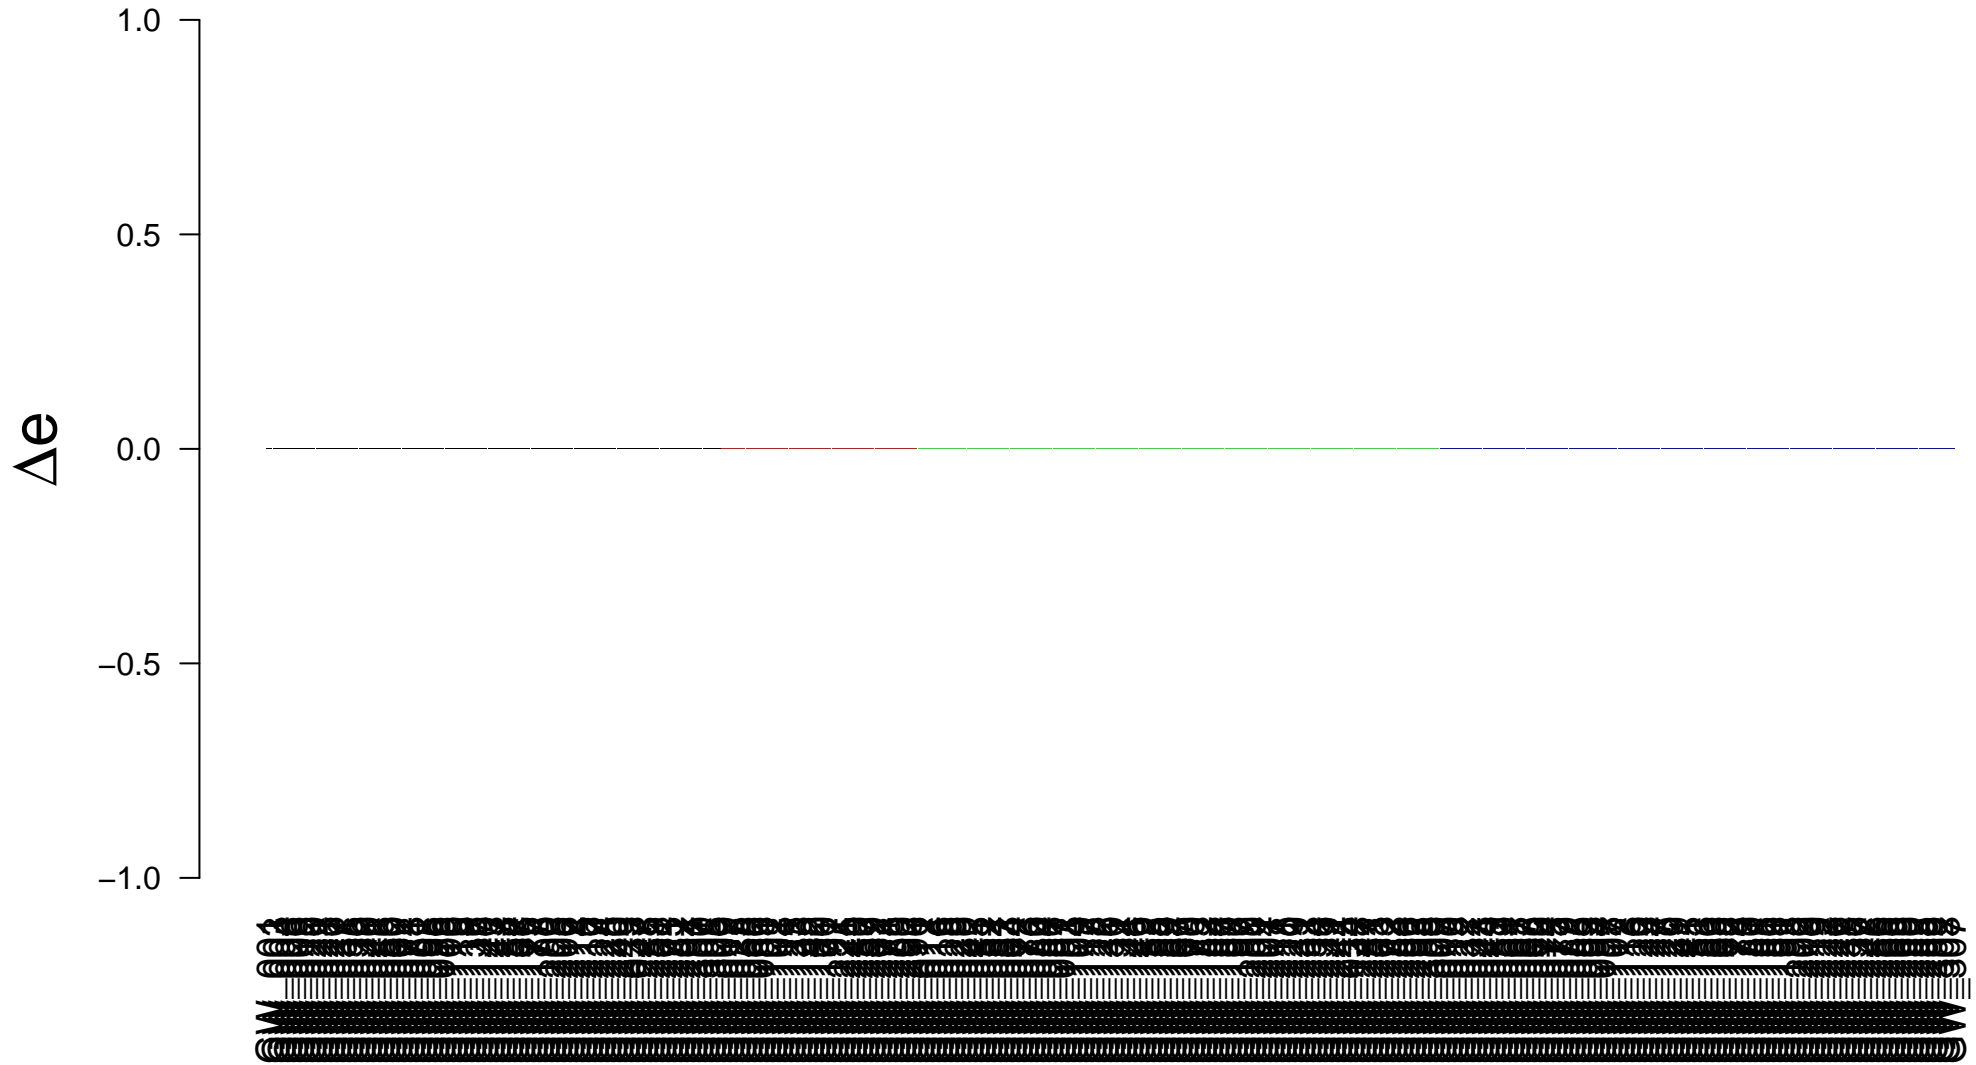

Expression of circadian regulation of gene expression in Spot O

Expression of circadian regulation of gene expression in Spot P

Expression of circadian regulation of gene expression in Spot Q

Expression of circadian regulation of gene expression in Spot R
