

clathrin-coated endocytic vesicle membrane

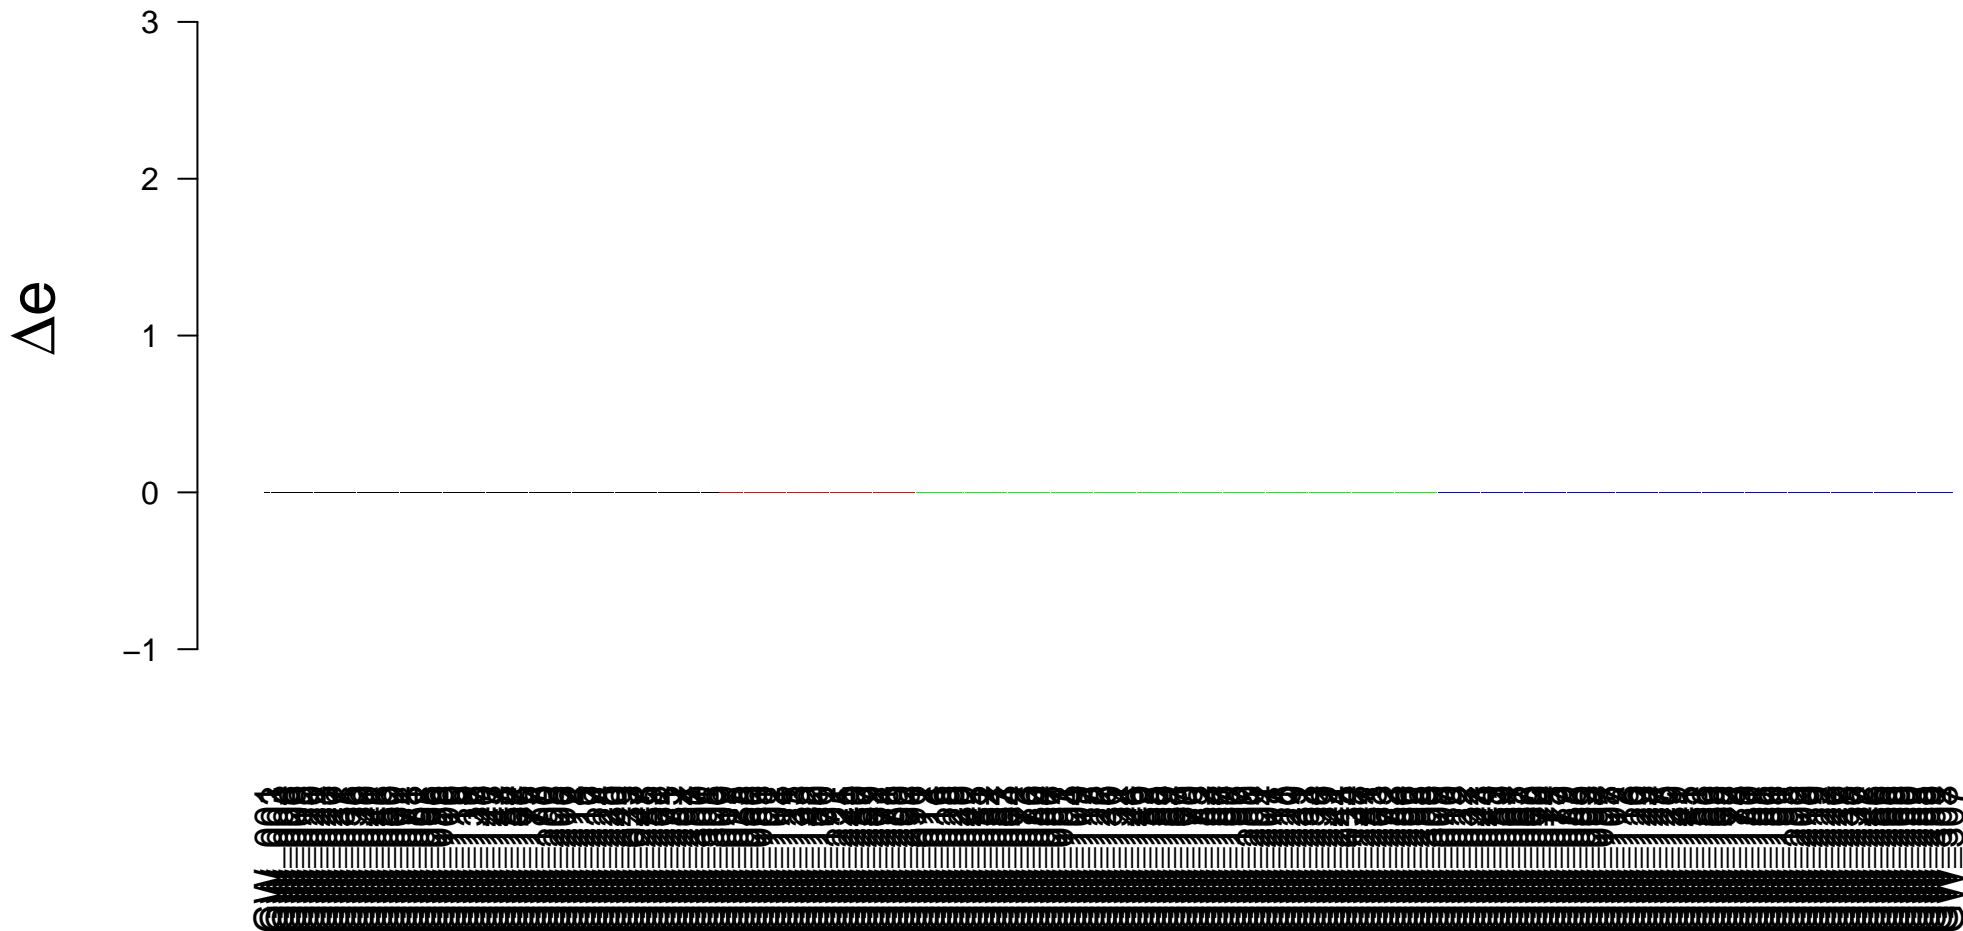

clathrin-coated endocytic vesicle membrane

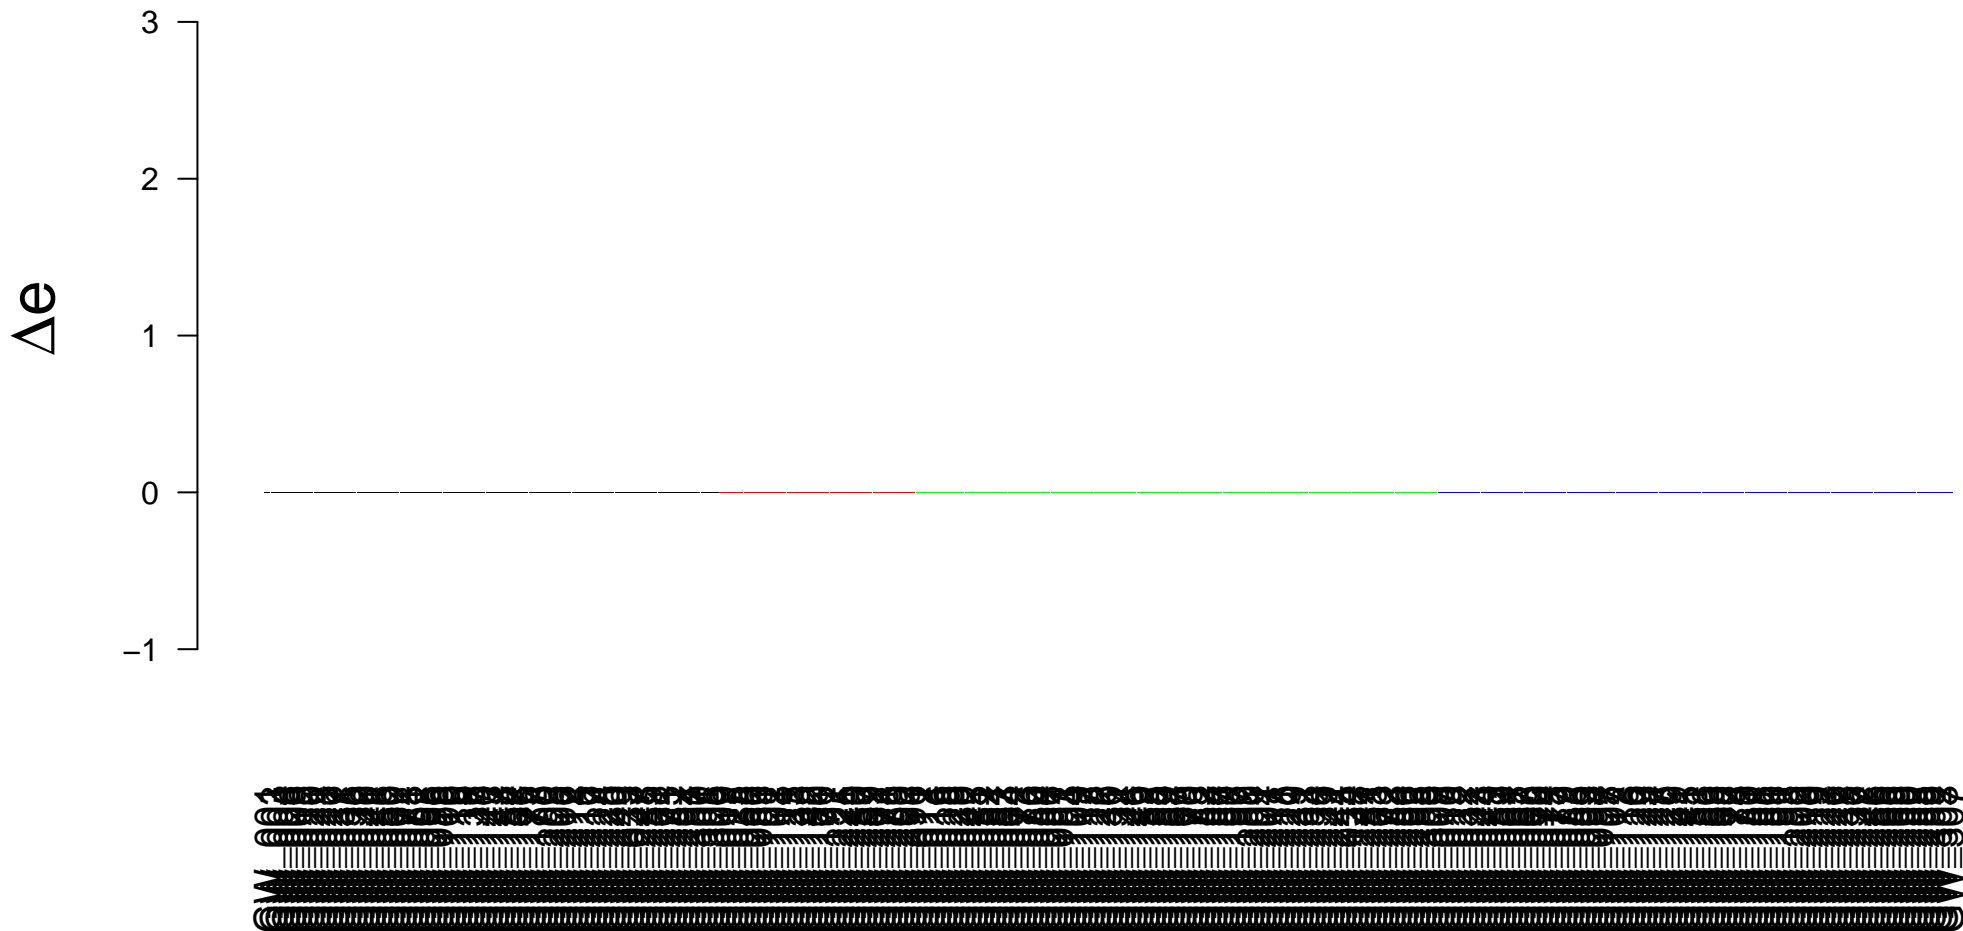

Enrichment in spots: clathrin-coated endocytic vesicle membrane

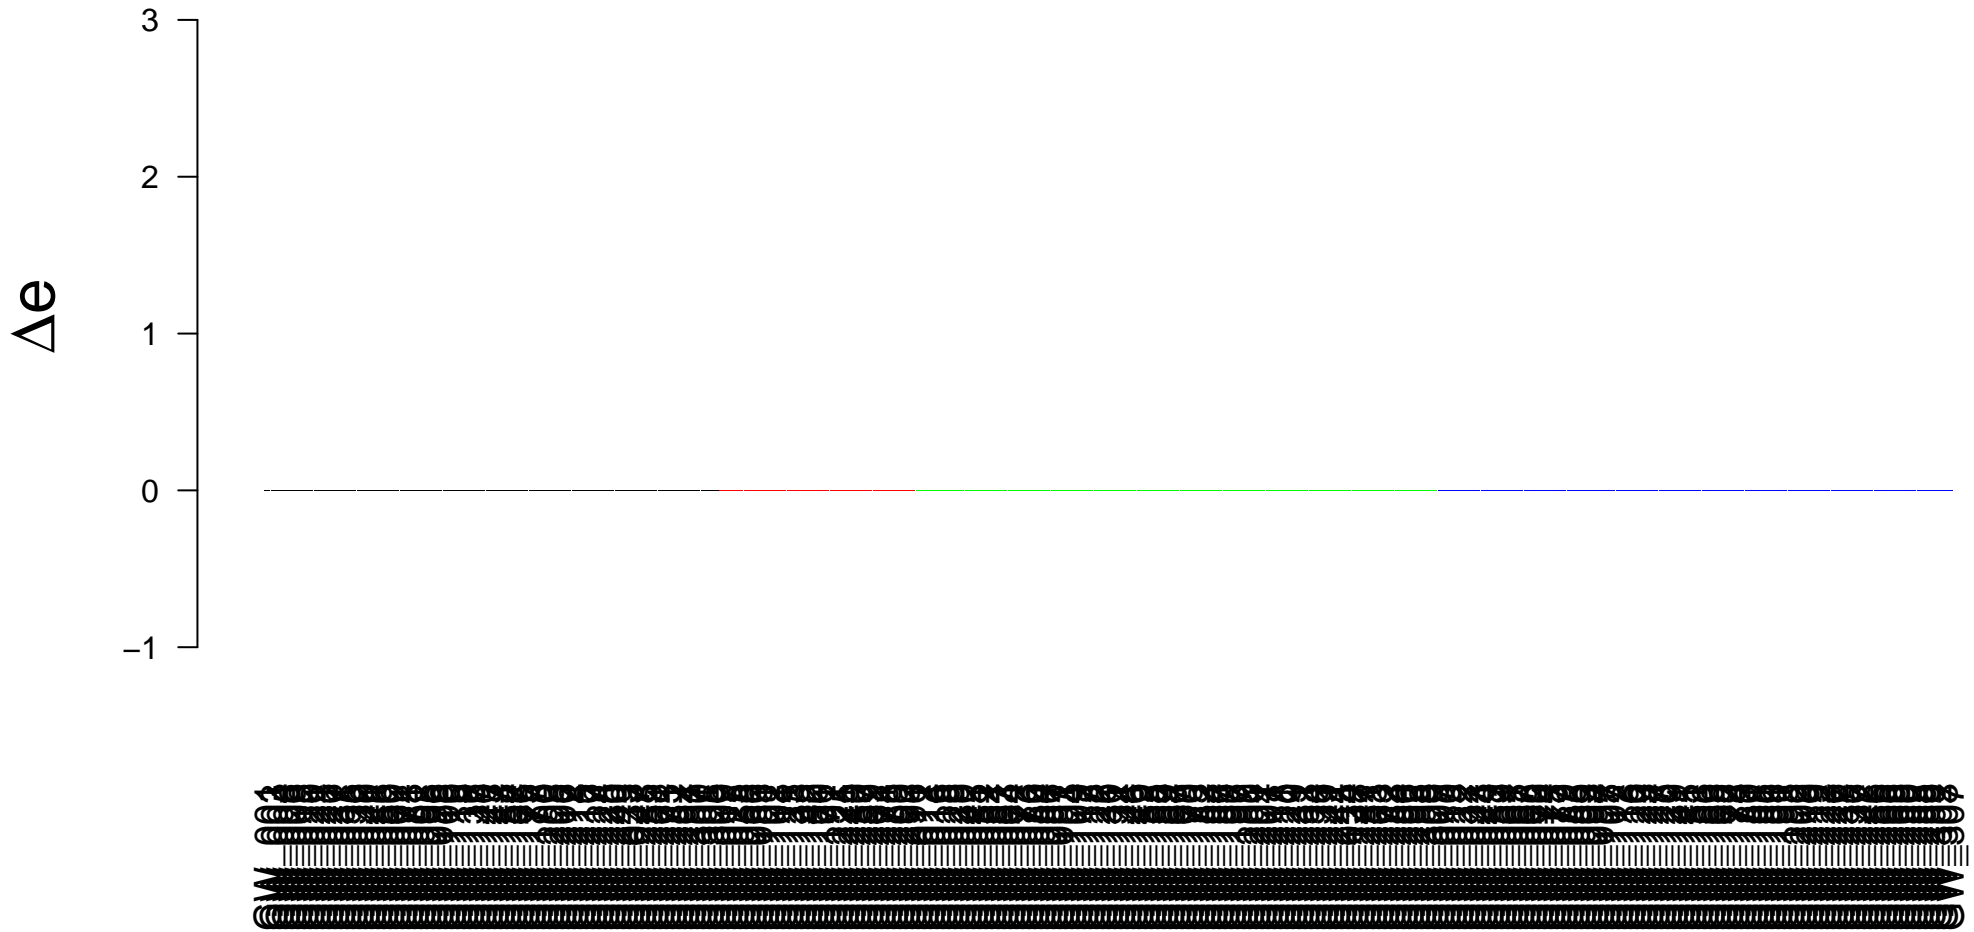

Expression of clathrin-coated endocytic vesicle membrane in Spot A

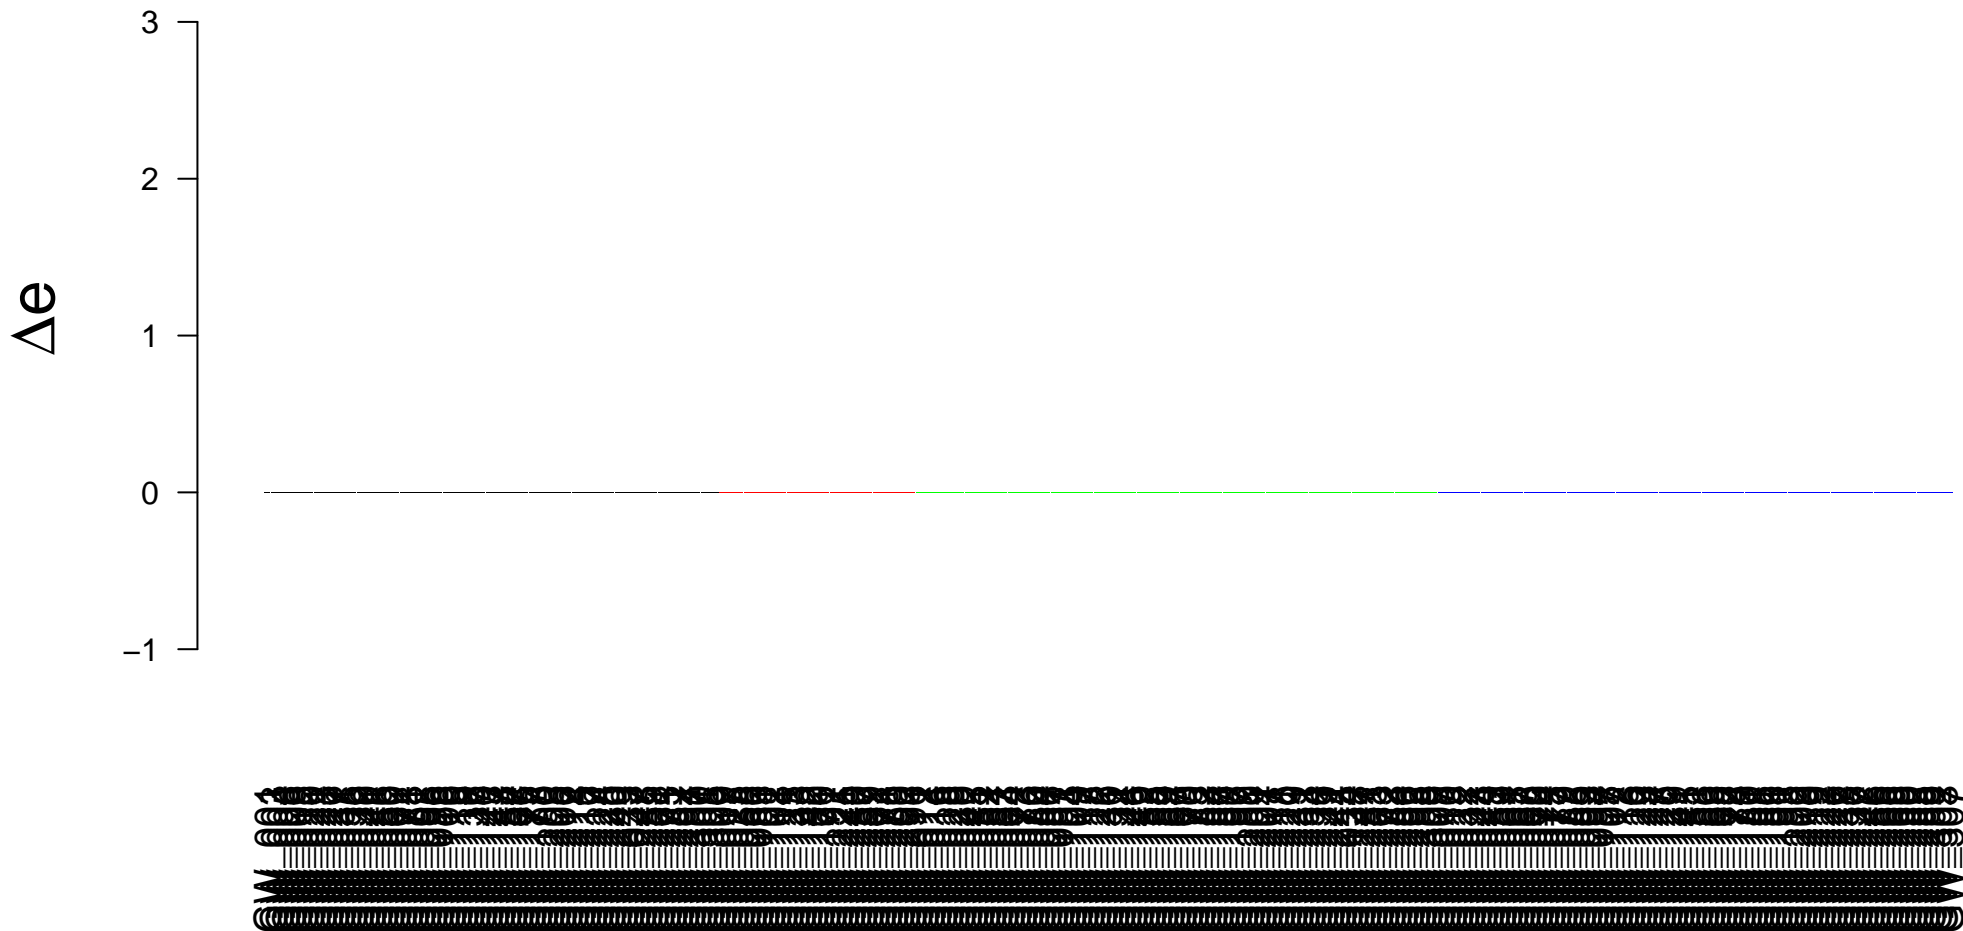

Expression of clathrin-coated endocytic vesicle membrane in Spot B

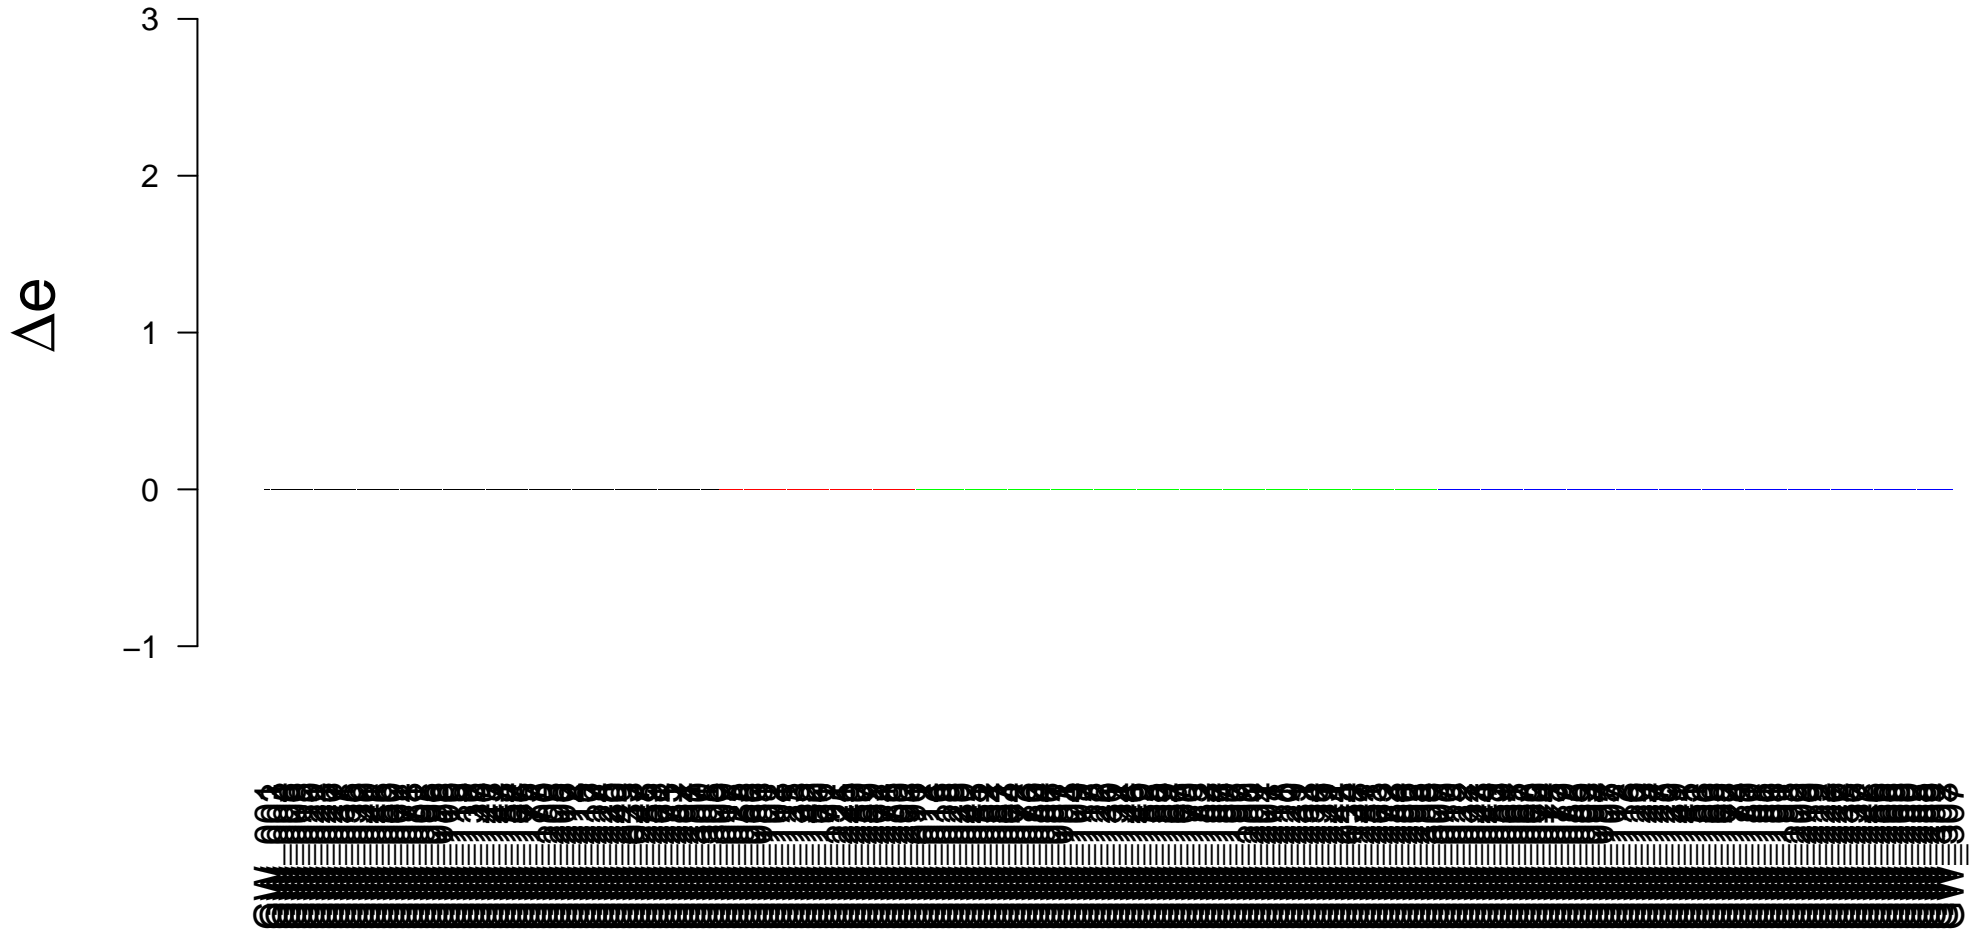

Expression of clathrin-coated endocytic vesicle membrane in Spot C

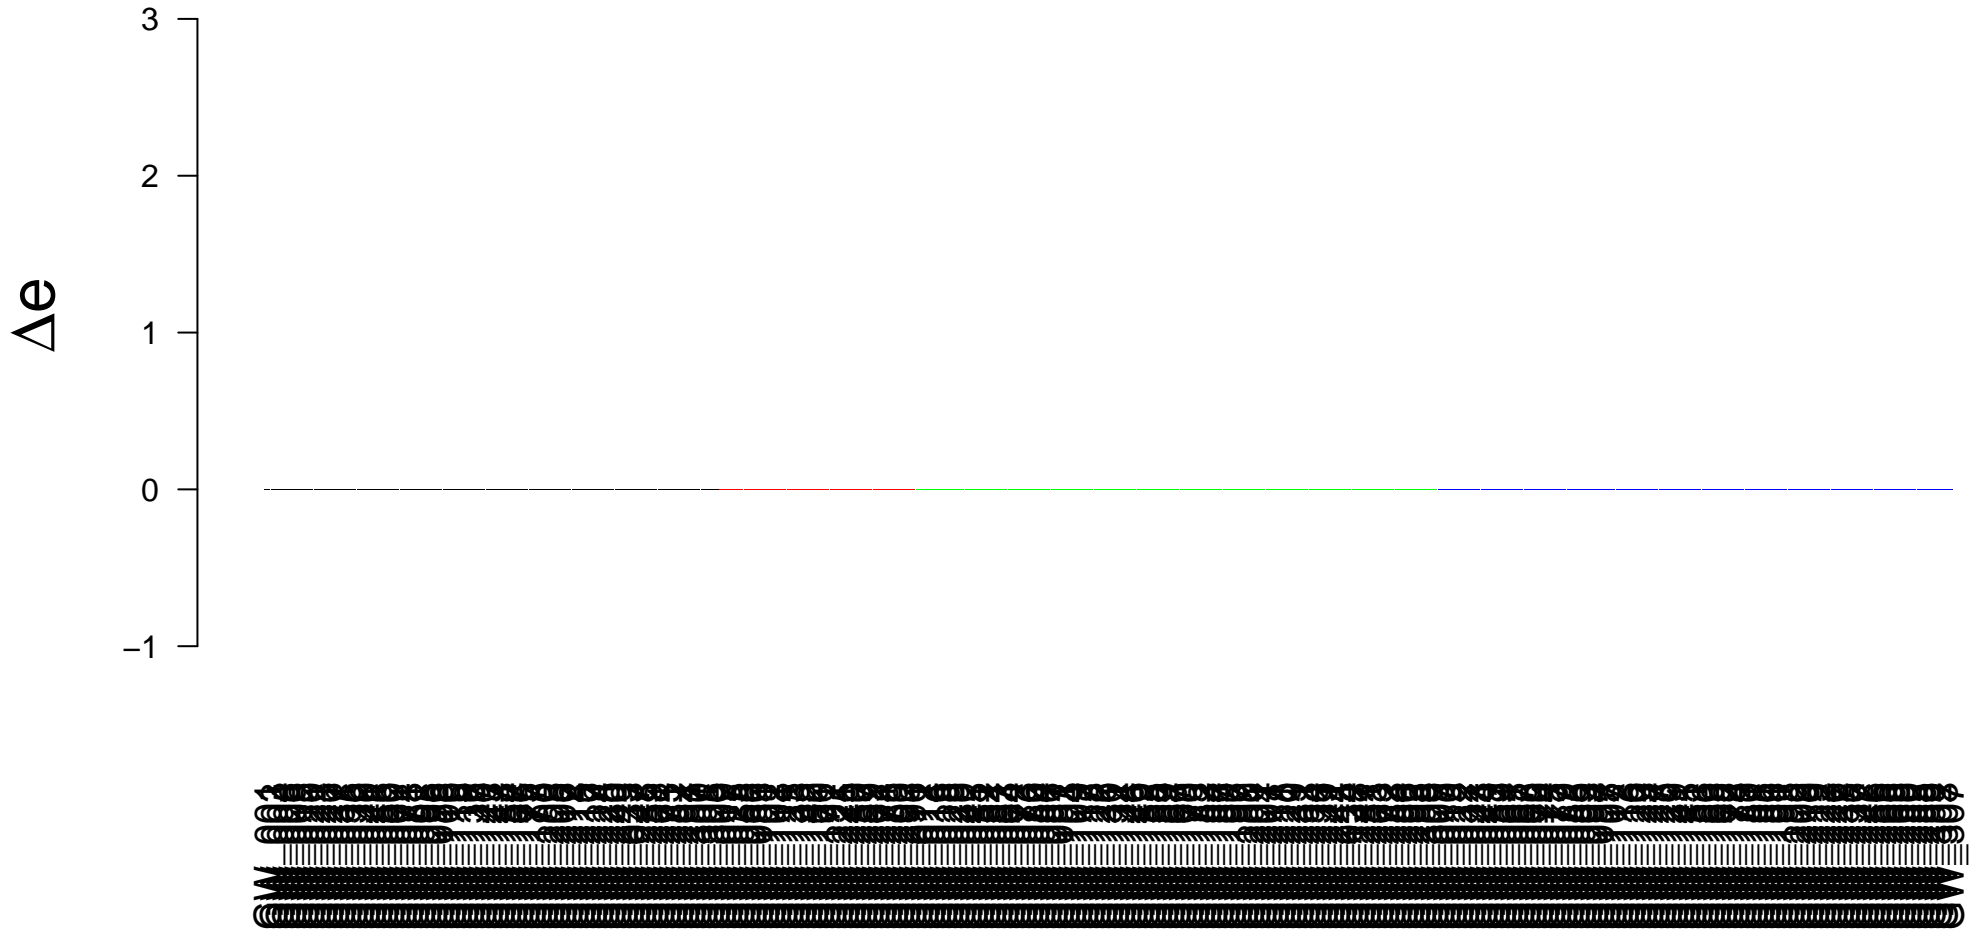

Expression of clathrin-coated endocytic vesicle membrane in Spot D

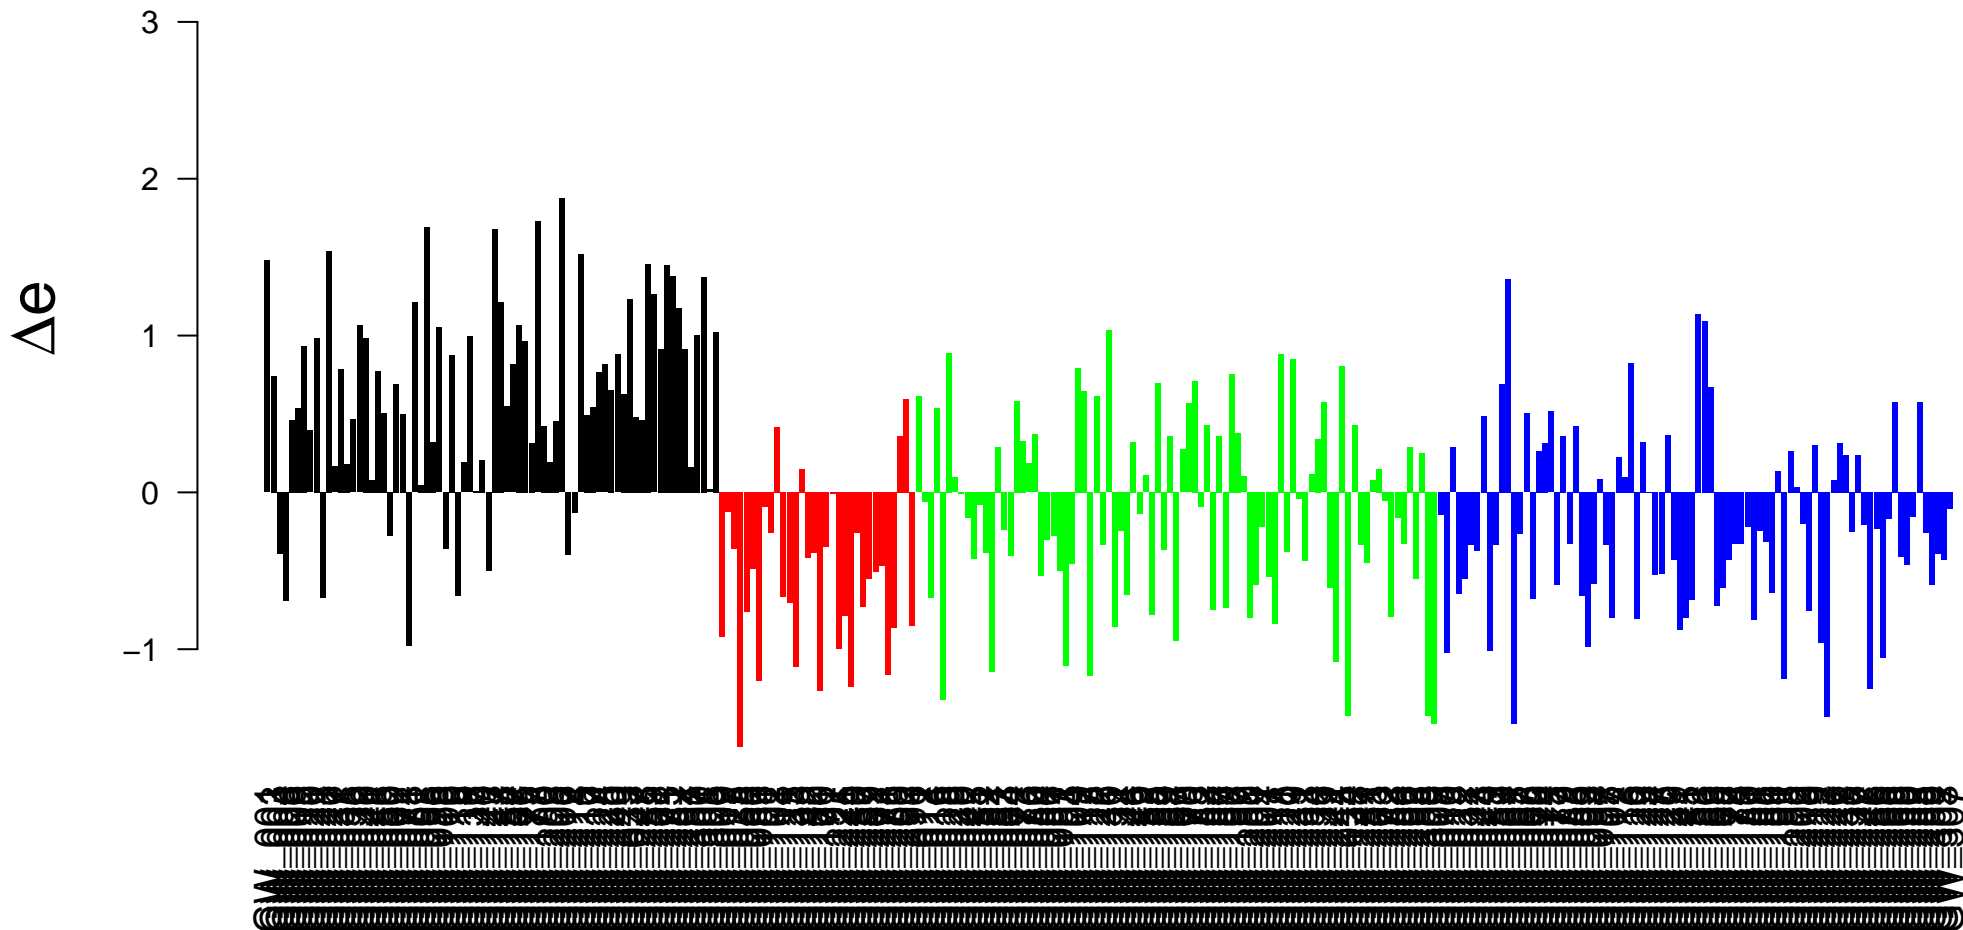

Expression of clathrin-coated endocytic vesicle membrane in Spot E

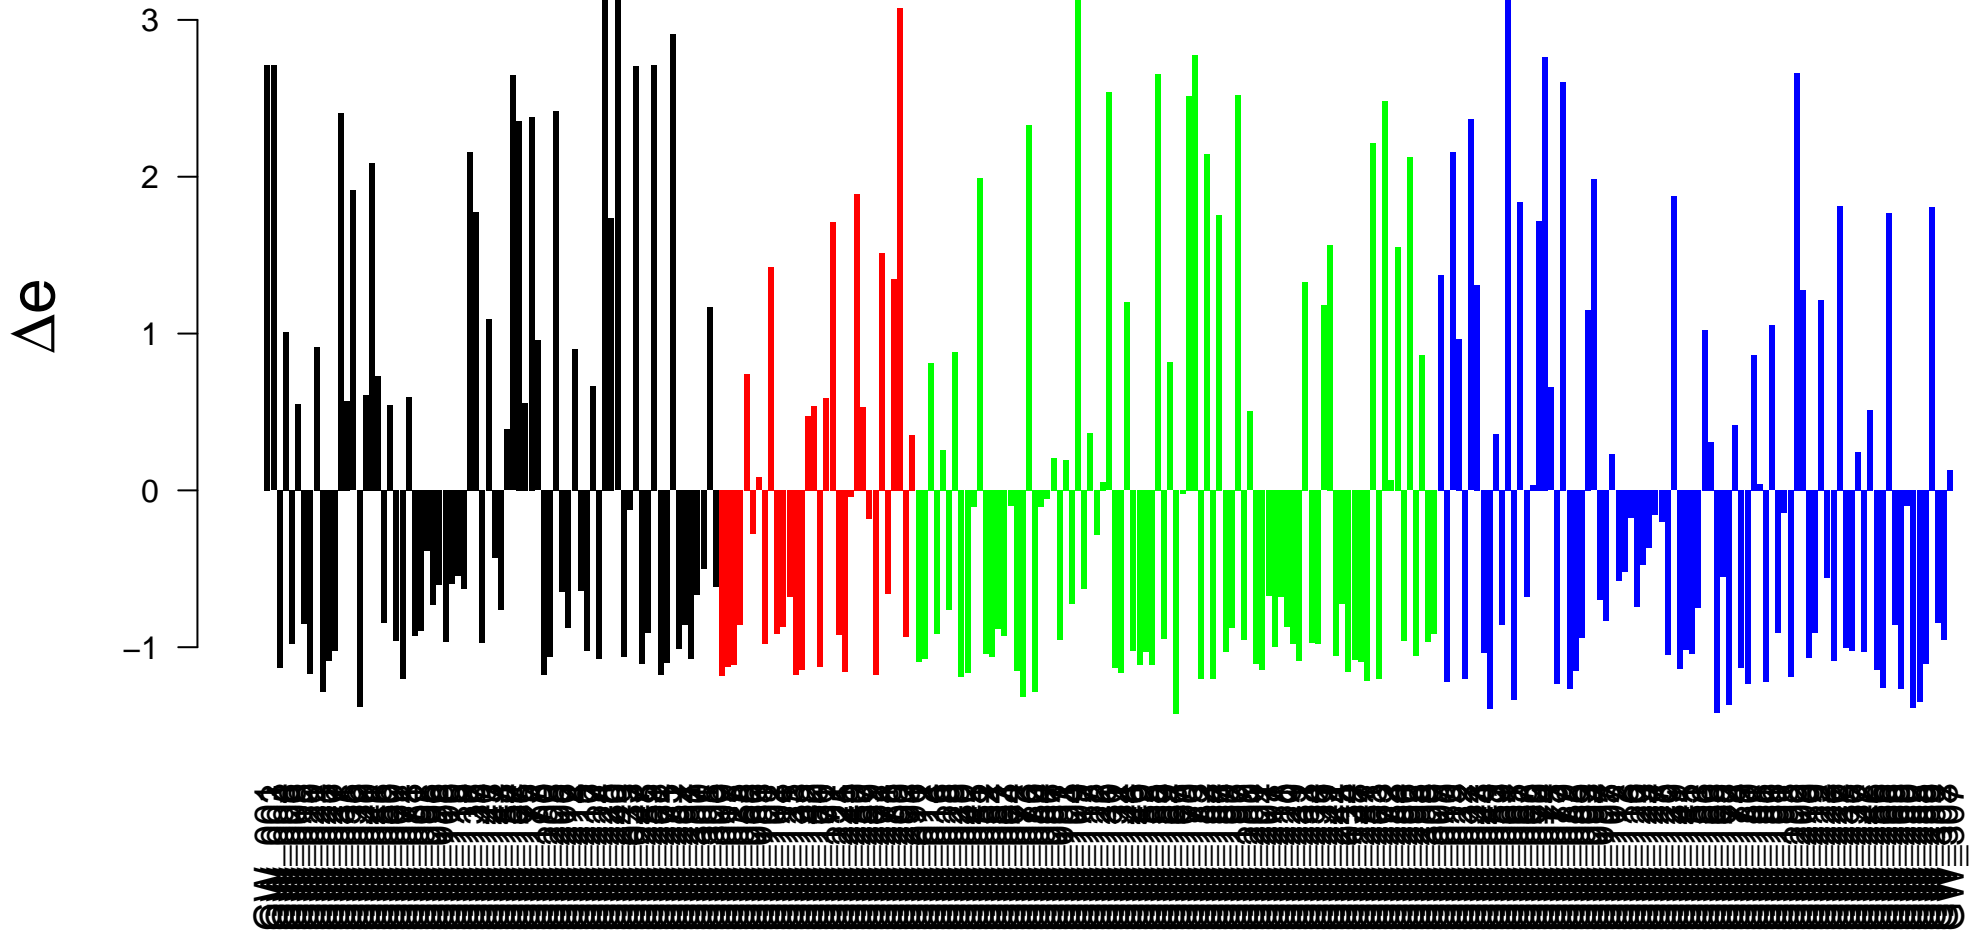

Expression of clathrin-coated endocytic vesicle membrane in Spot F

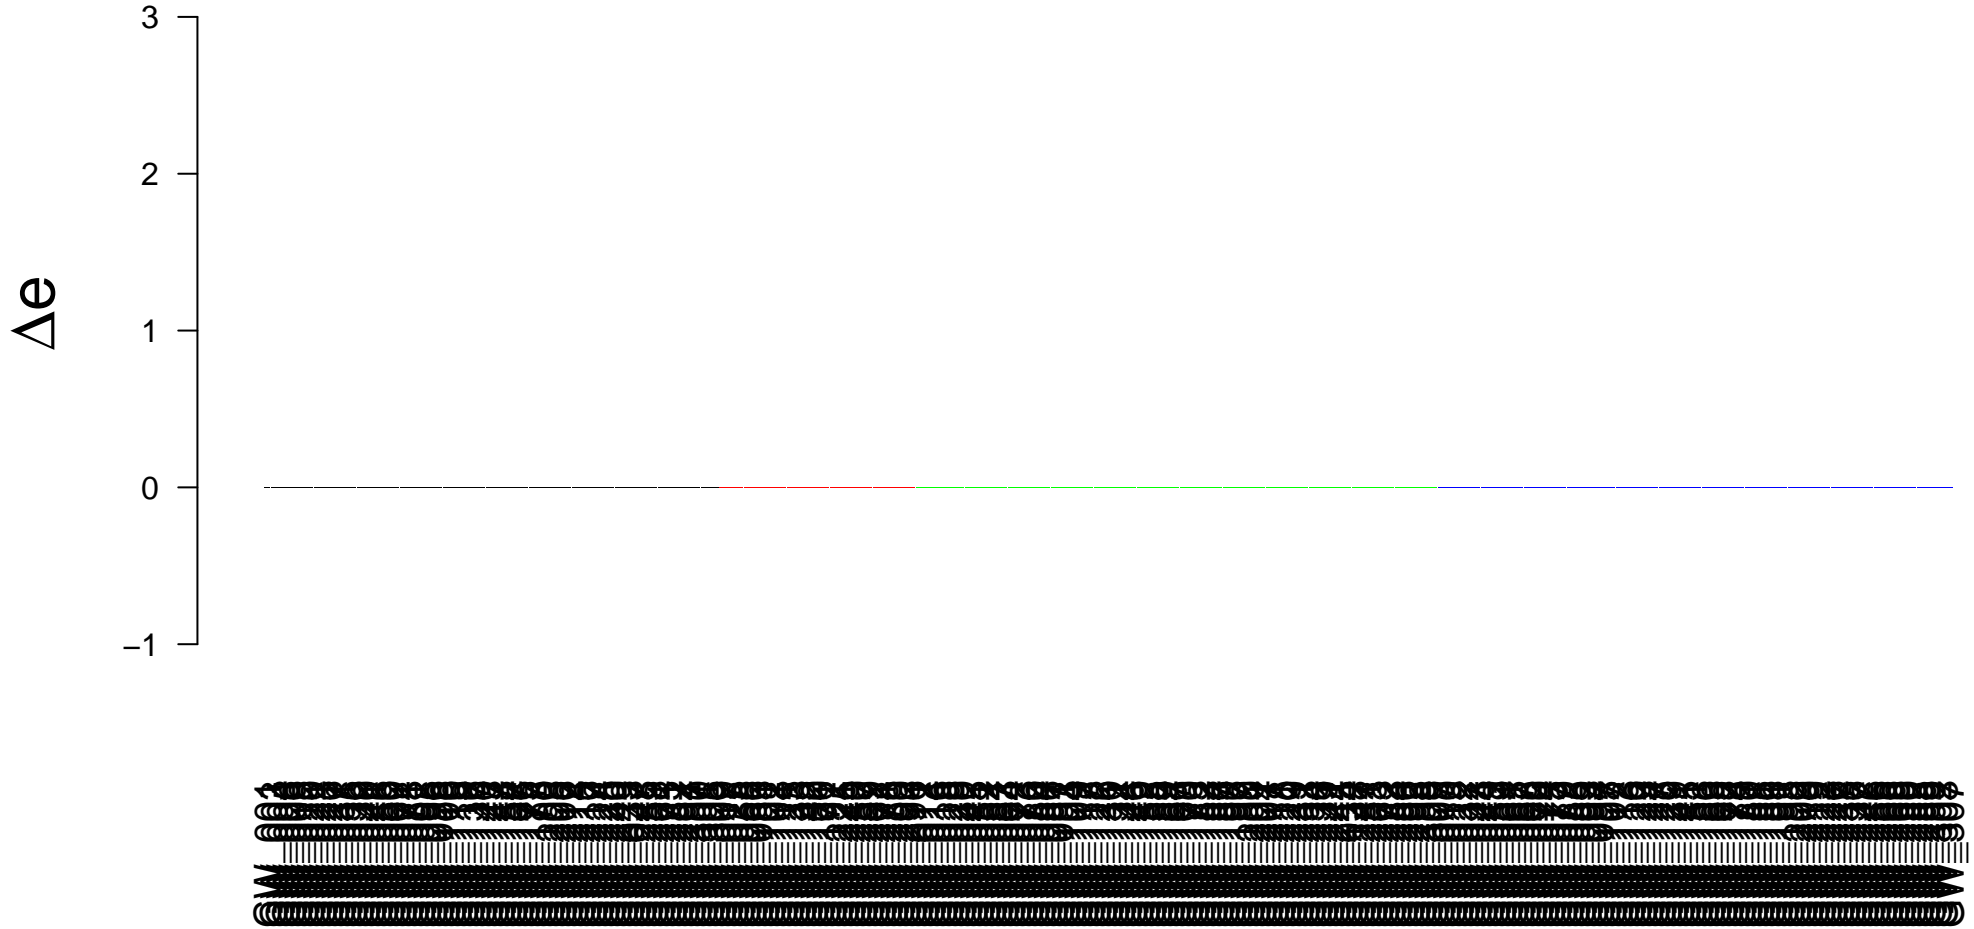

Expression of clathrin-coated endocytic vesicle membrane in Spot G

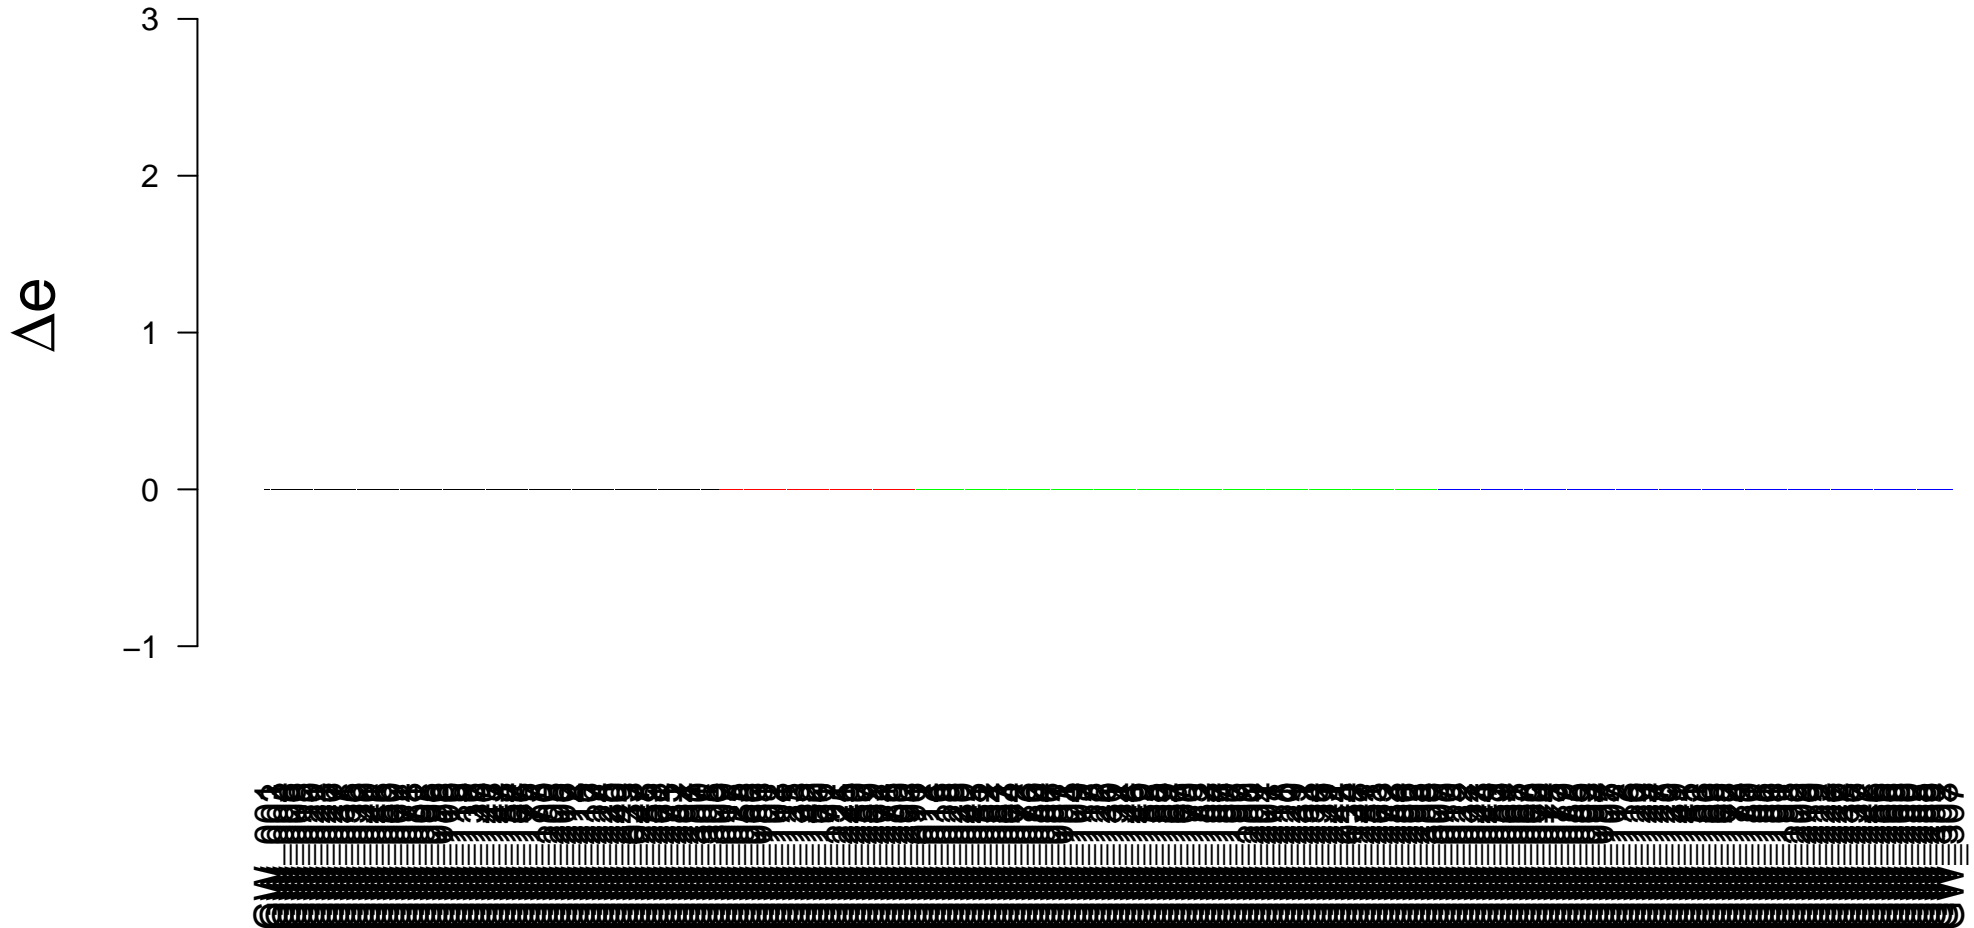

Expression of clathrin-coated endocytic vesicle membrane in Spot H

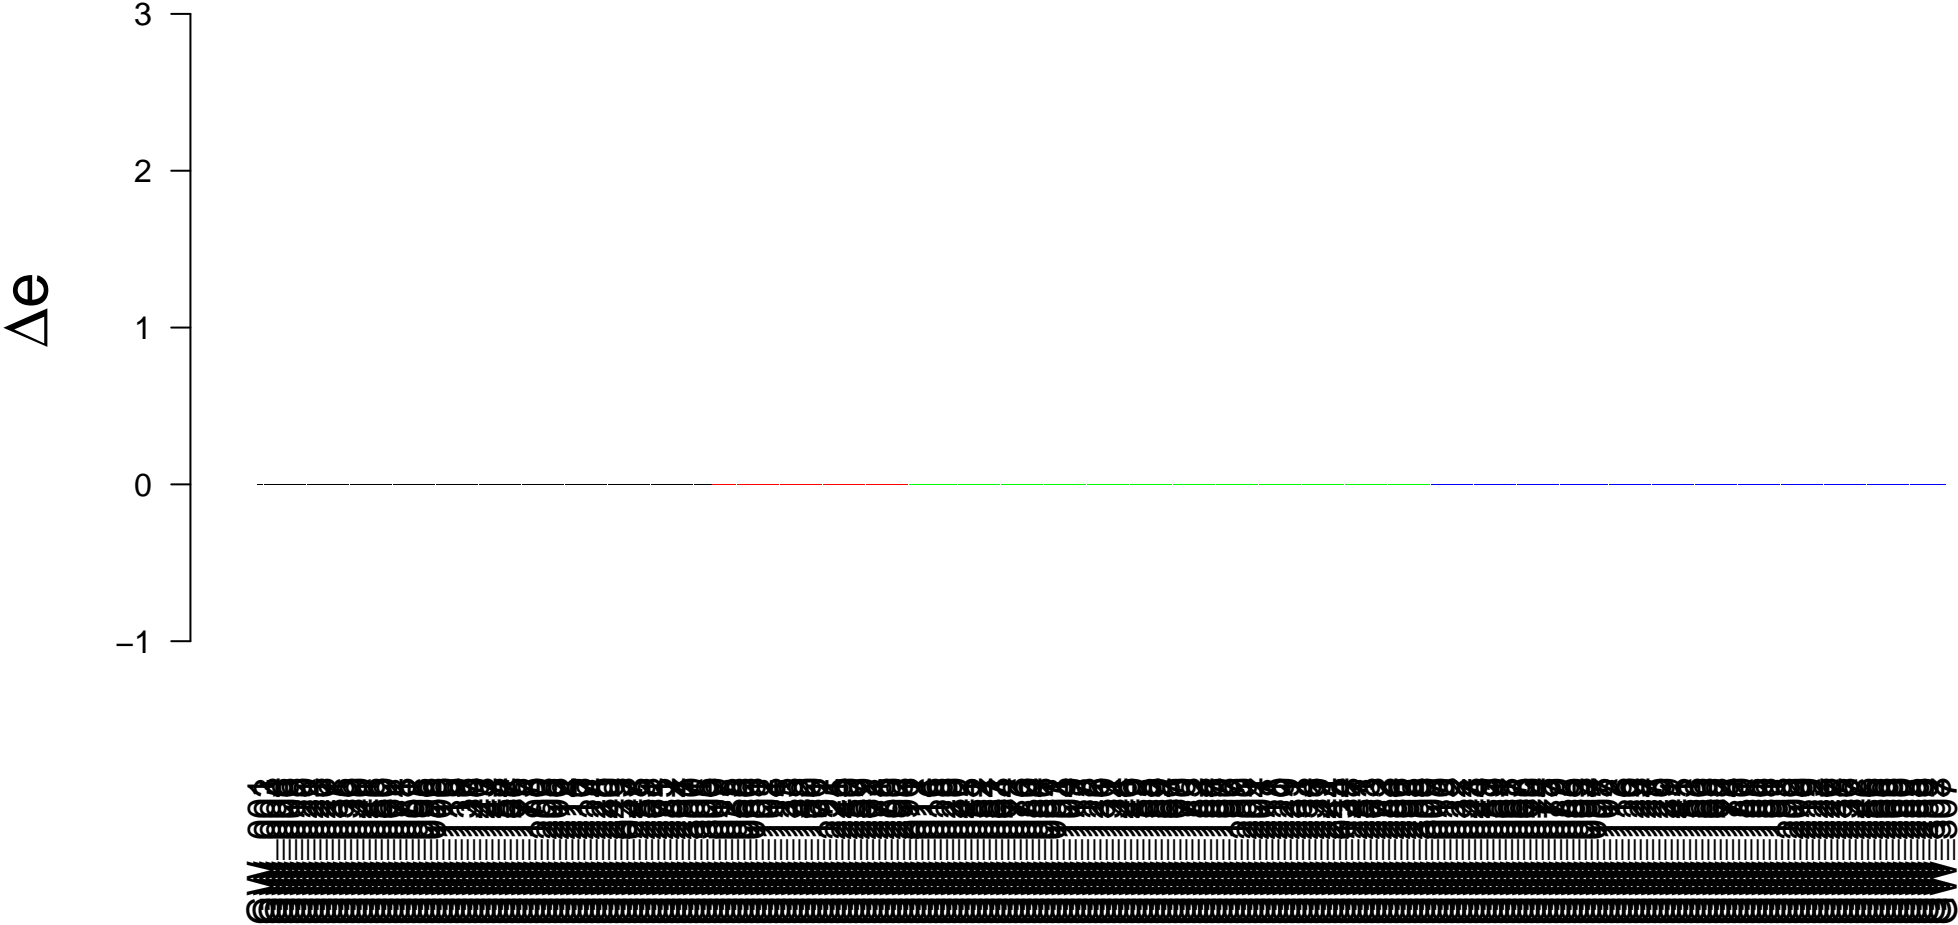

Expression of clathrin-coated endocytic vesicle membrane in Spot I

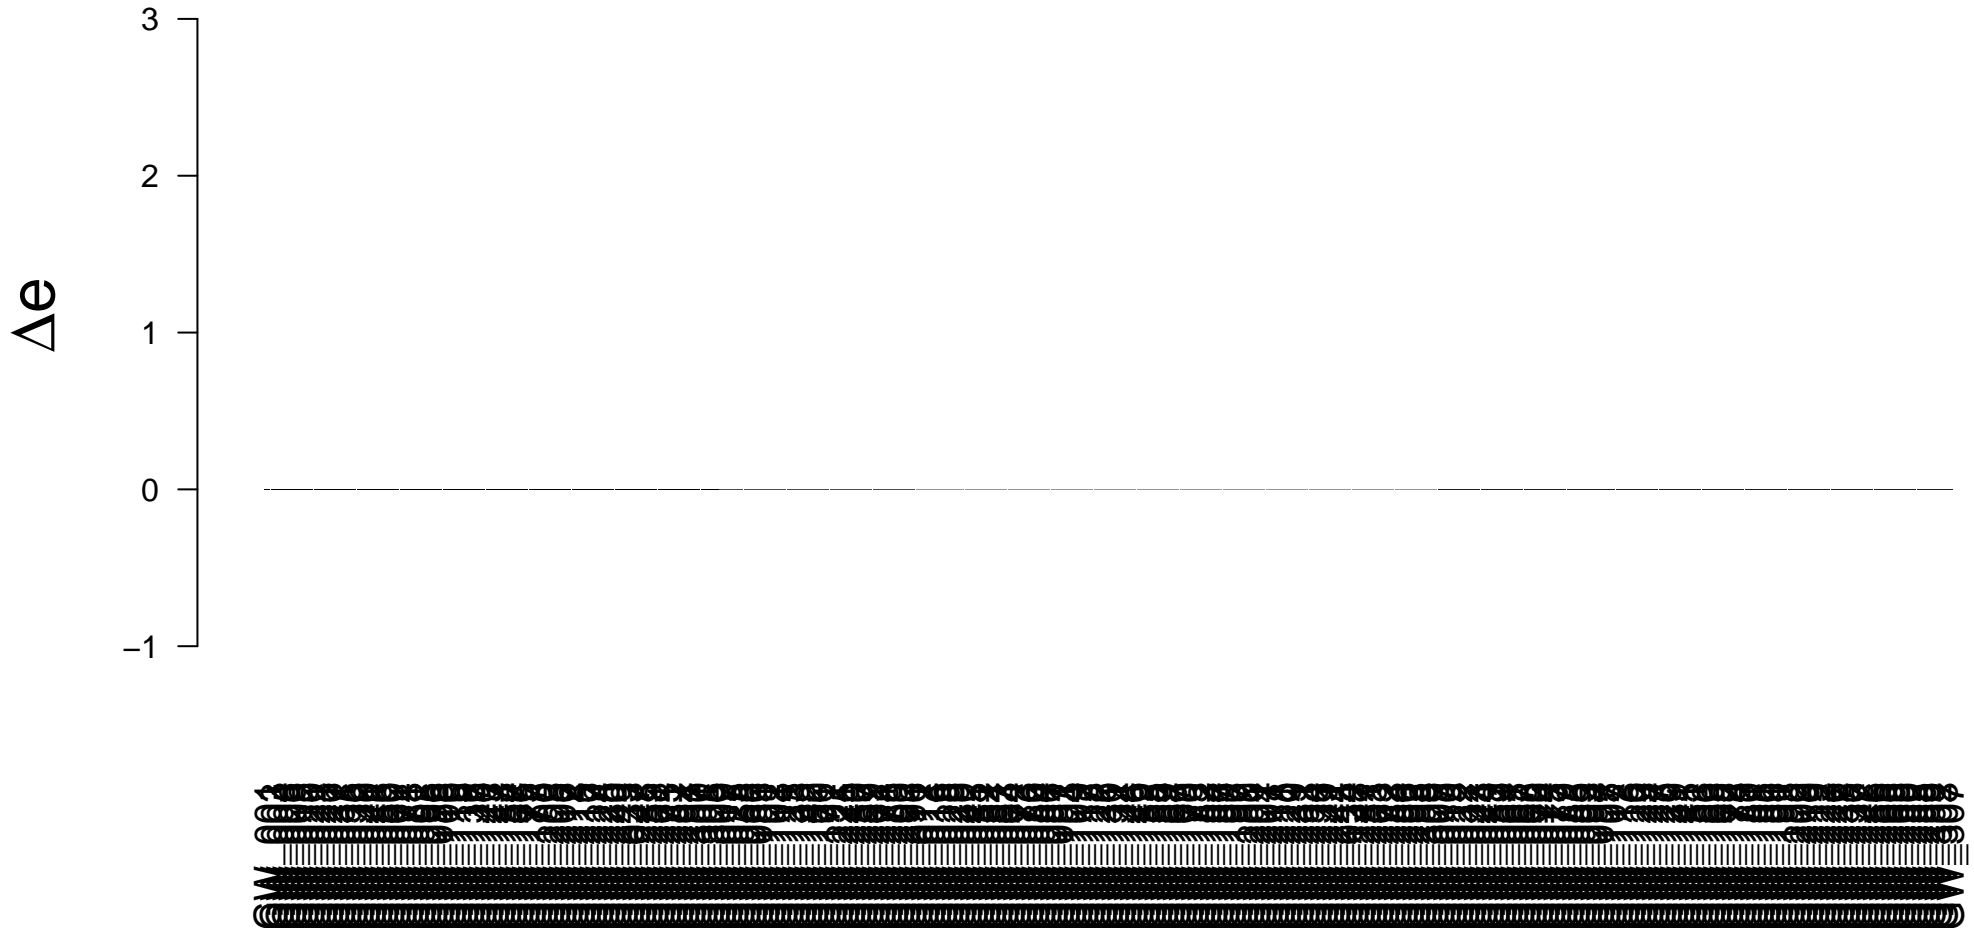

Expression of clathrin-coated endocytic vesicle membrane in Spot J

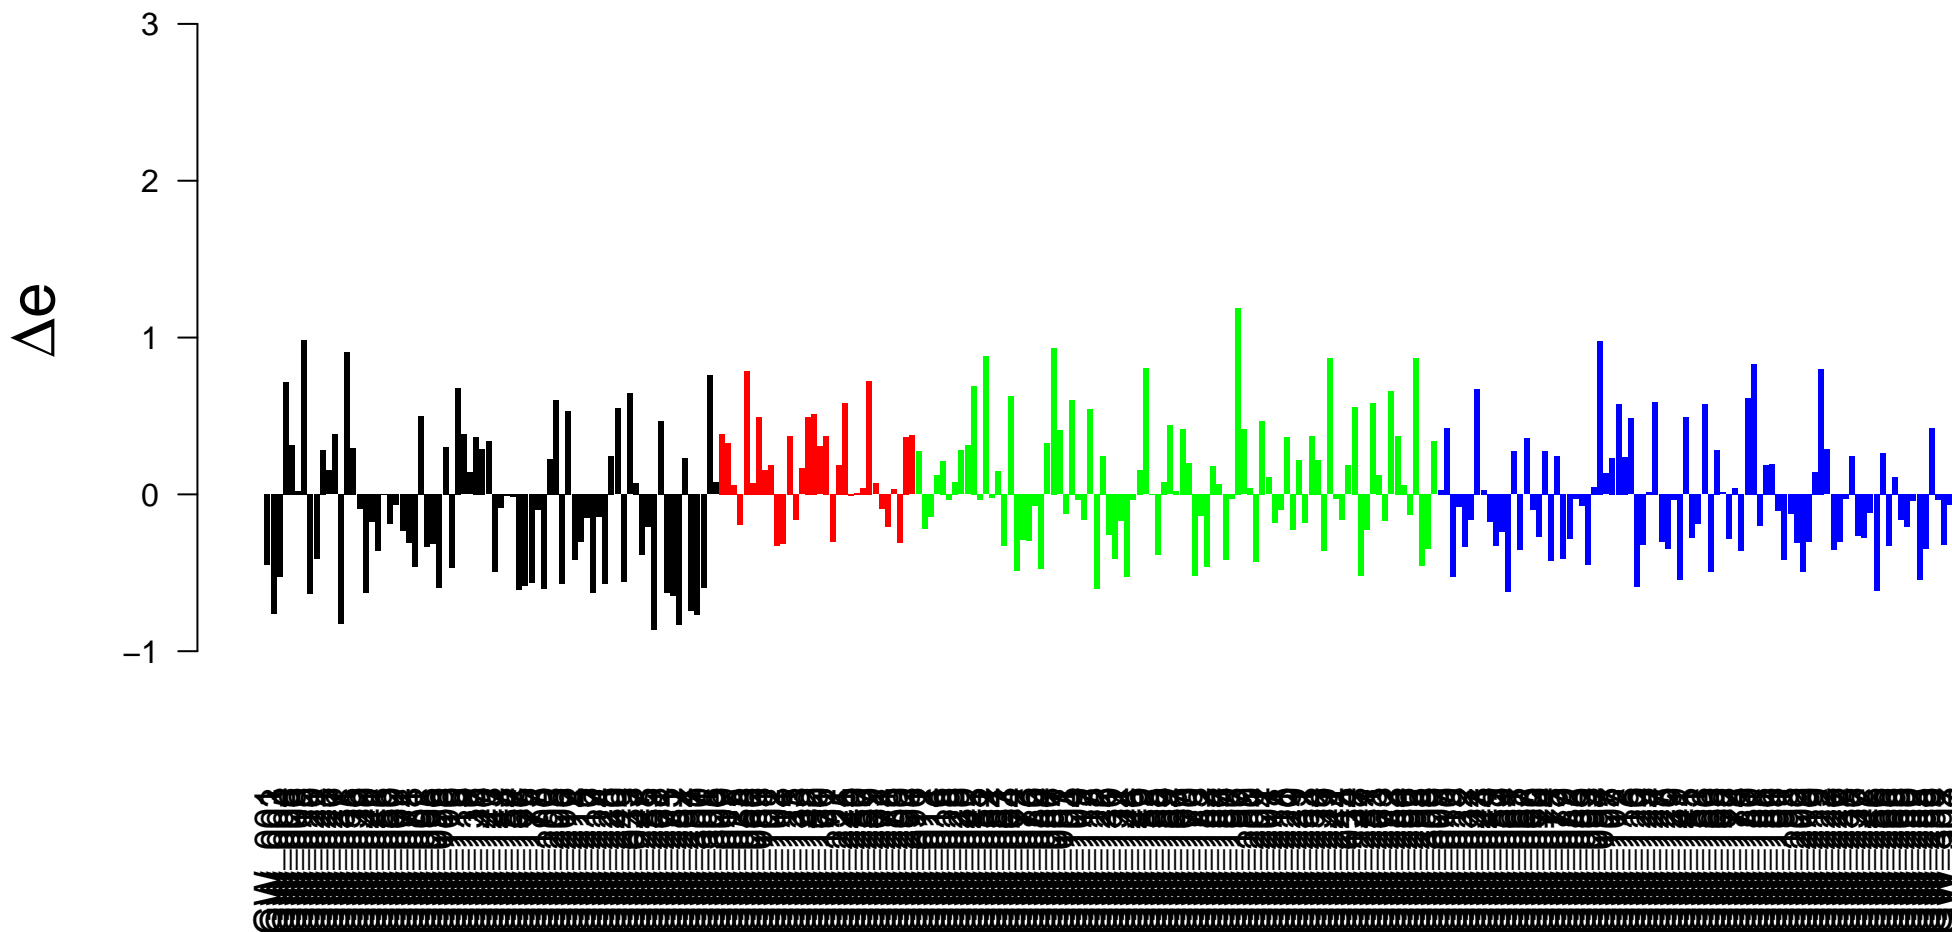

Expression of clathrin-coated endocytic vesicle membrane in Spot K

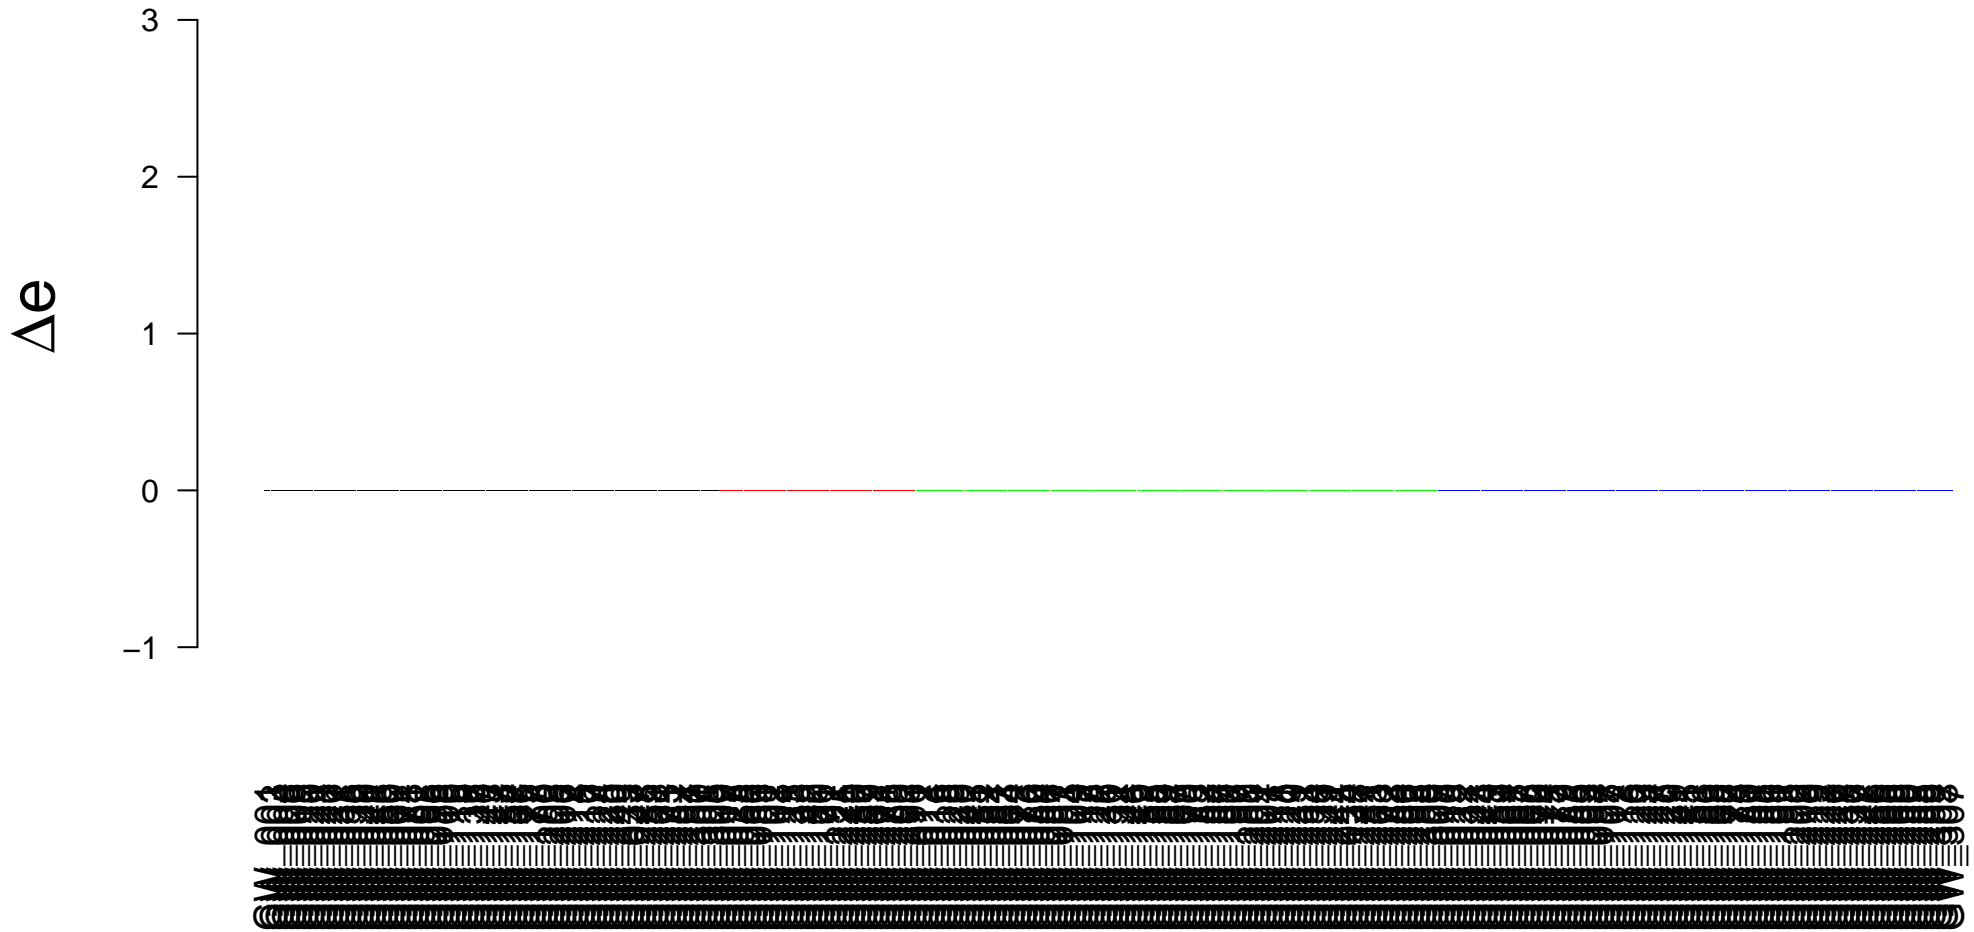

Expression of clathrin-coated endocytic vesicle membrane in Spot L

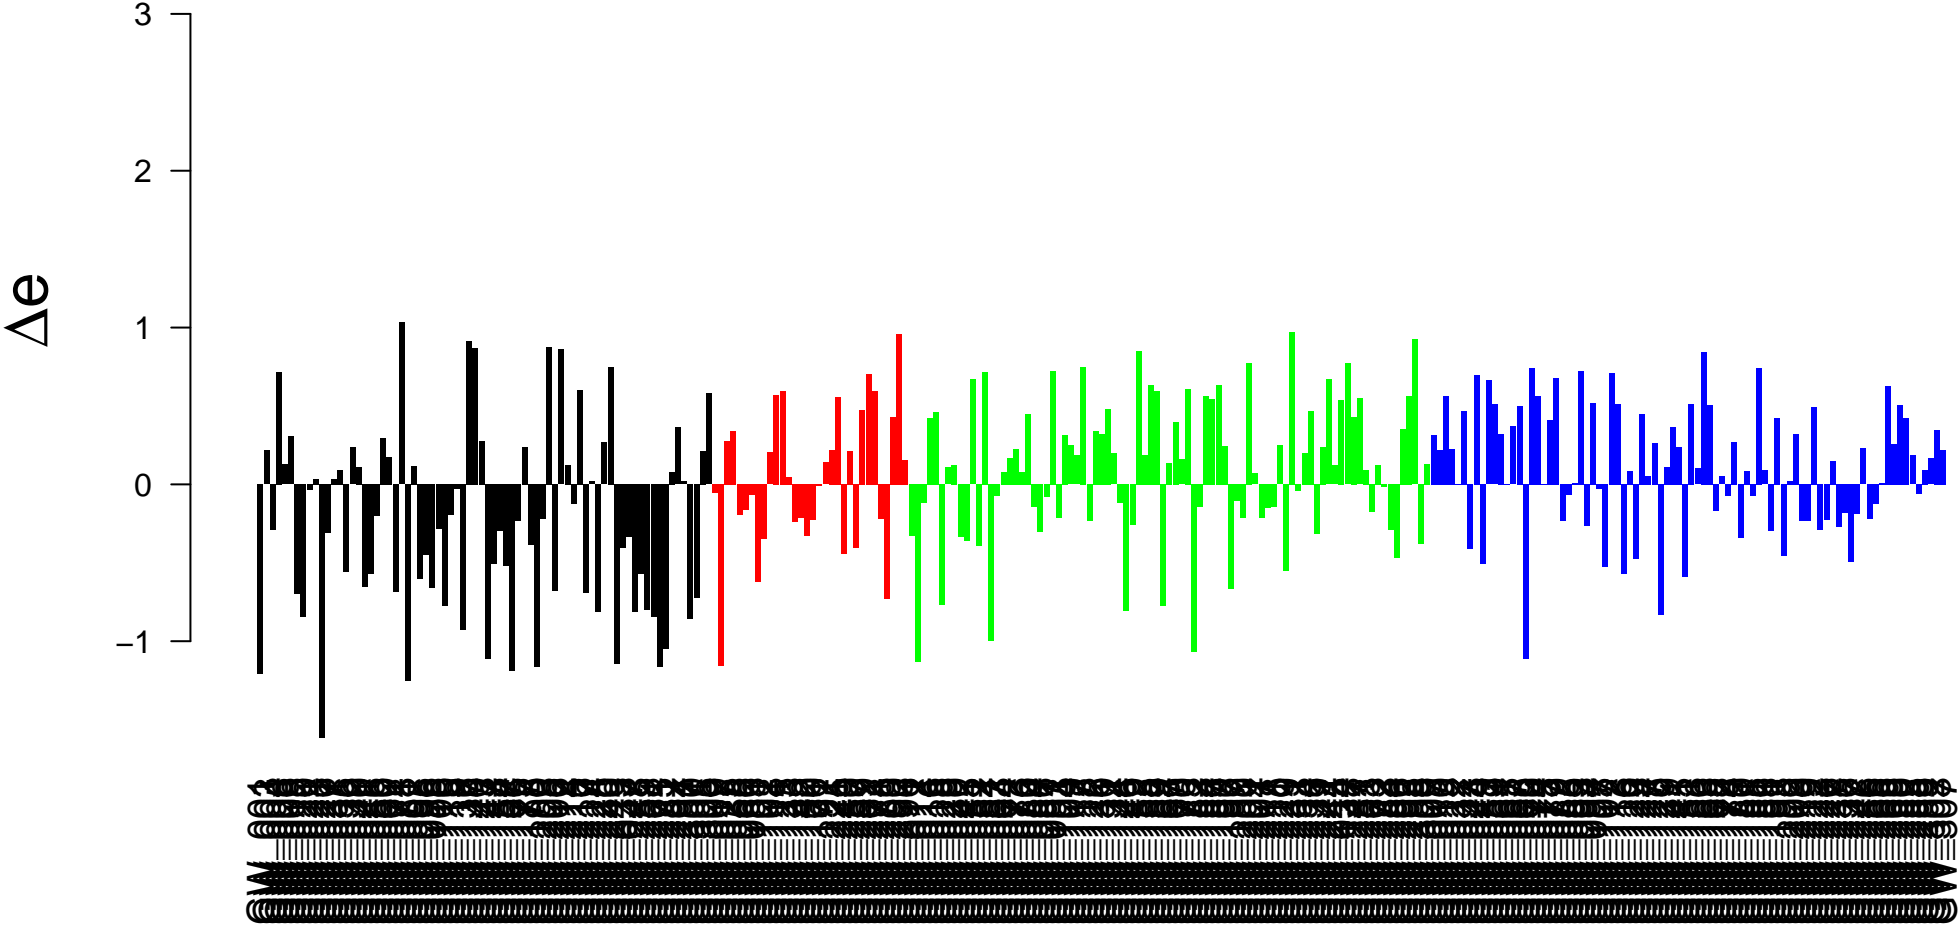

Expression of clathrin-coated endocytic vesicle membrane in Spot M

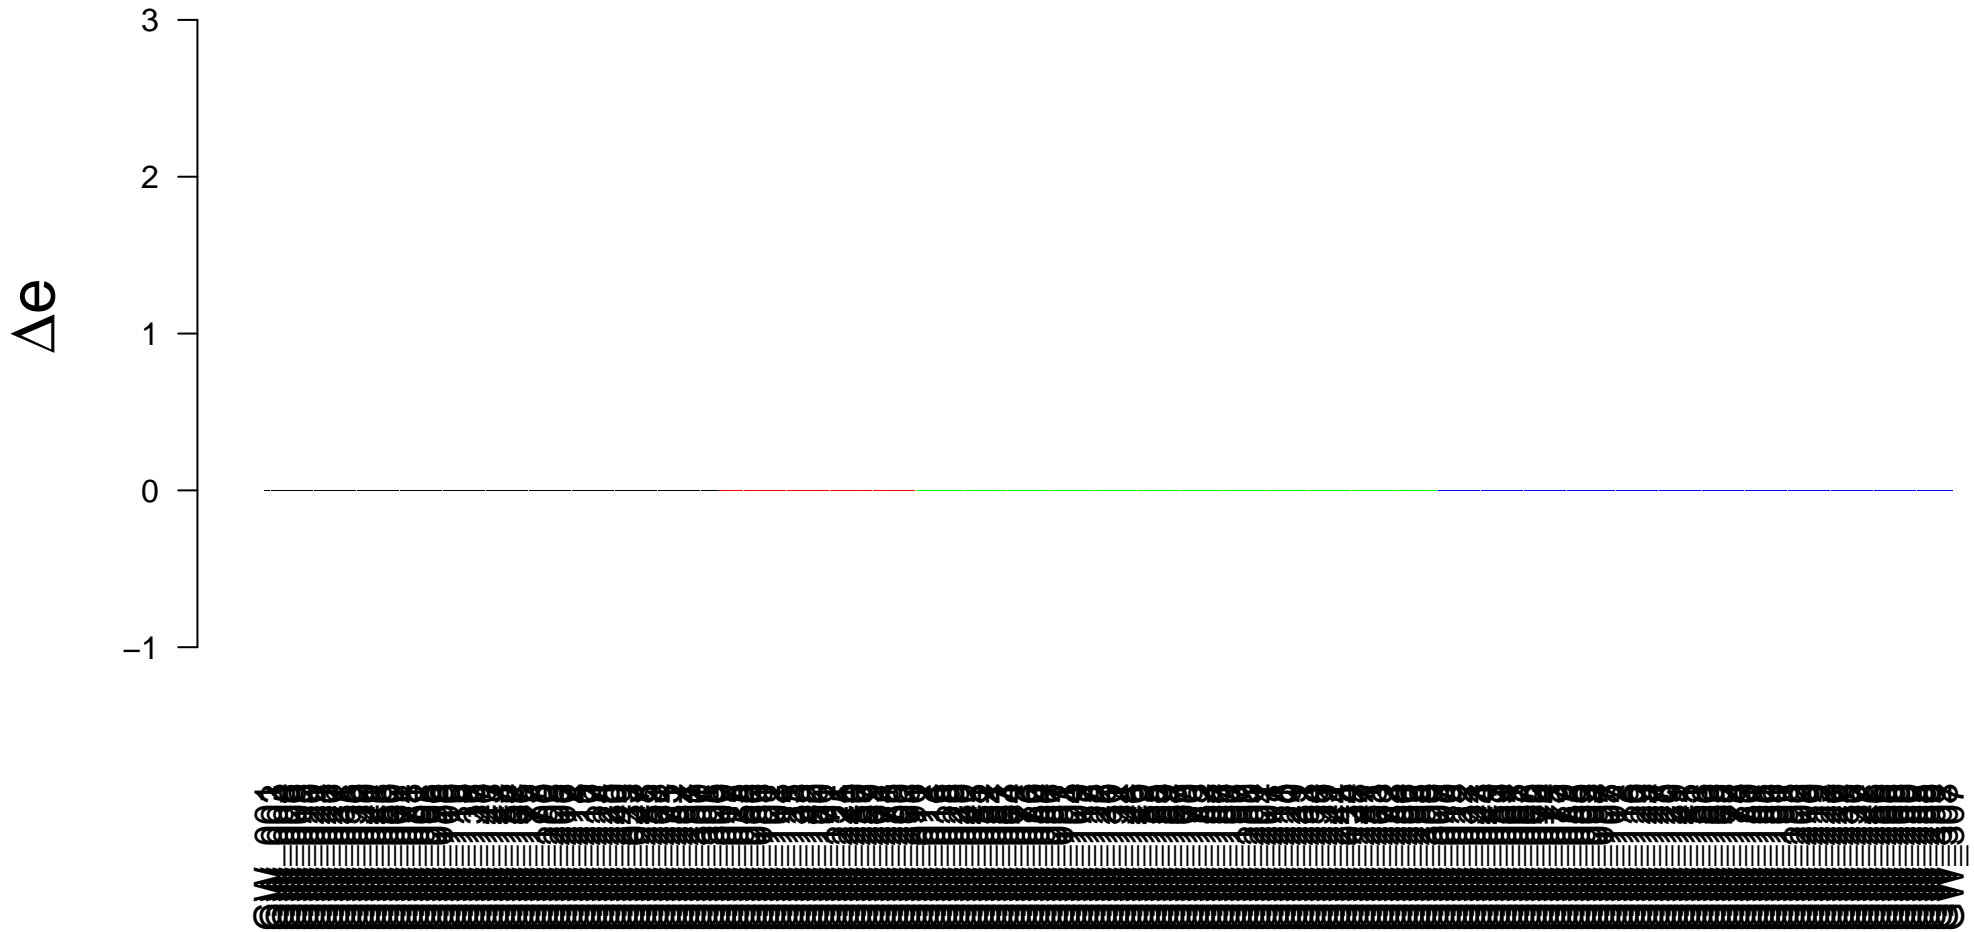

Expression of clathrin-coated endocytic vesicle membrane in Spot N

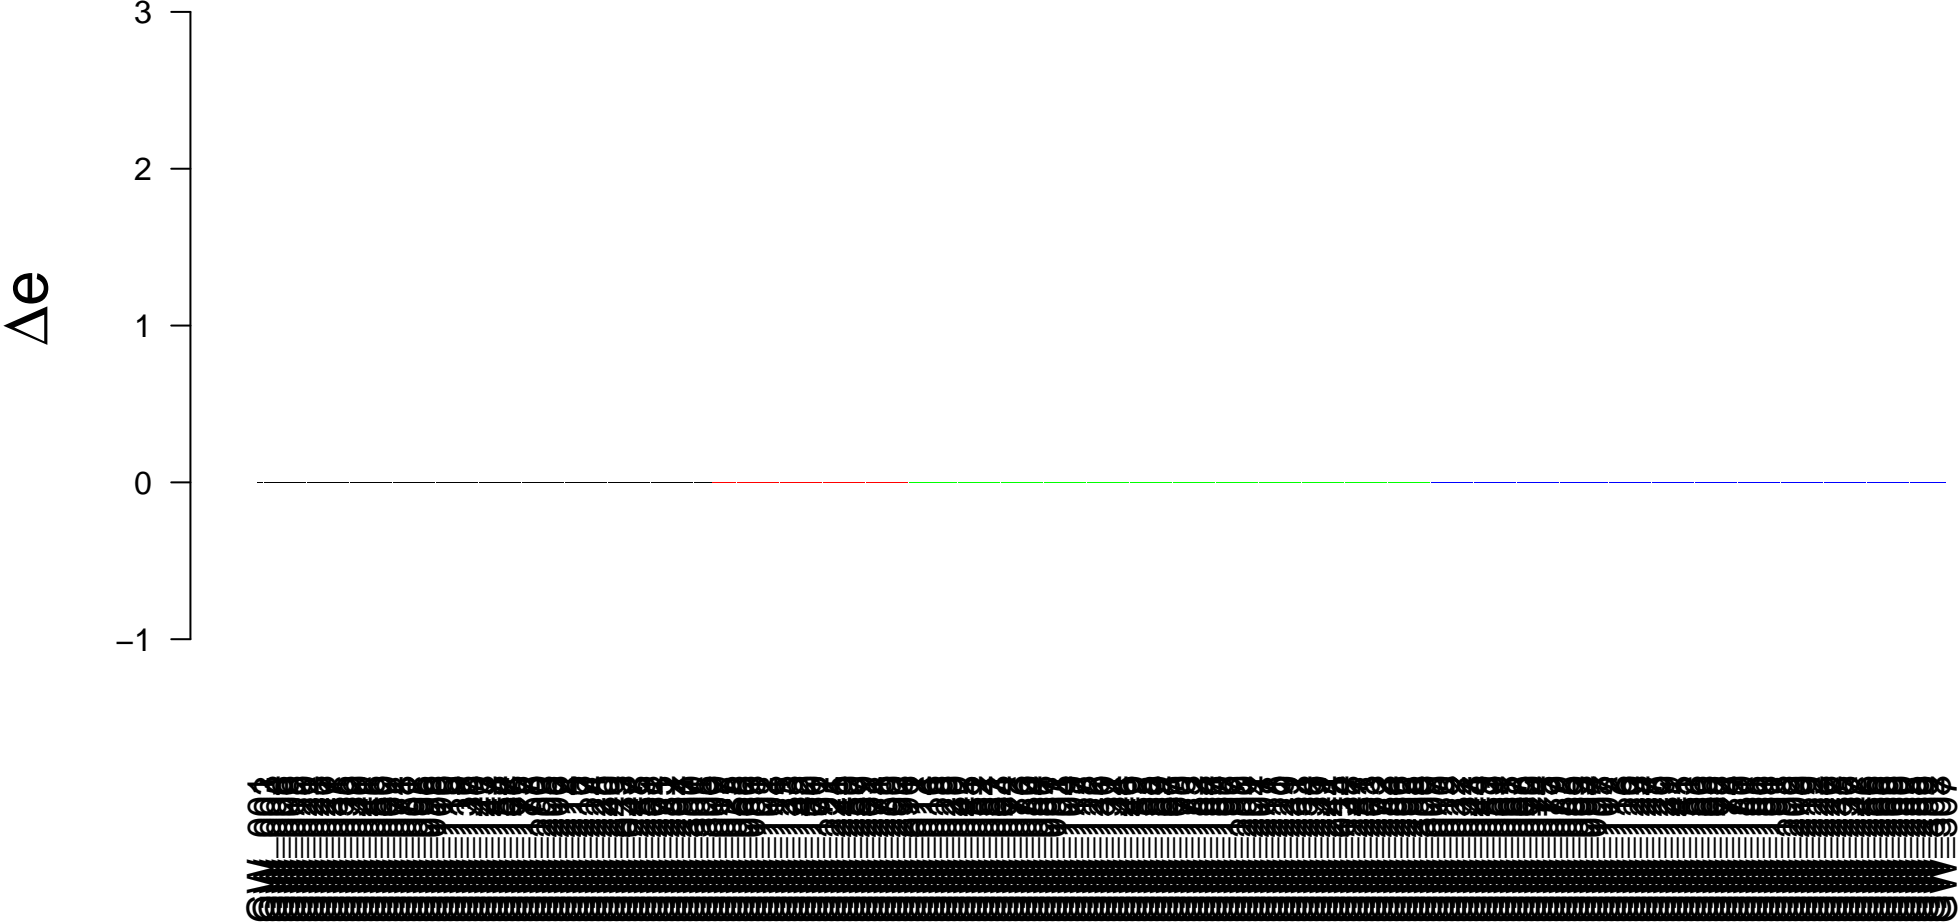

Expression of clathrin-coated endocytic vesicle membrane in Spot O

Expression of clathrin-coated endocytic vesicle membrane in Spot P

Expression of clathrin-coated endocytic vesicle membrane in Spot Q

Expression of clathrin-coated endocytic vesicle membrane in Spot R
