

# cyclin binding

# cyclin binding

### Enrichment in spots: cyclin binding

# Expression of cyclin binding in Spot A

# Expression of cyclin binding in Spot B

# Expression of cyclin binding in Spot C

# Expression of cyclin binding in Spot D

# Expression of cyclin binding in Spot E

# Expression of cyclin binding in Spot F

# Expression of cyclin binding in Spot G

$\Delta e$

# Expression of cyclin binding in Spot H

# Expression of cyclin binding in Spot I

# Expression of cyclin binding in Spot J

# Expression of cyclin binding in Spot K

# Expression of cyclin binding in Spot L

# Expression of cyclin binding in Spot M

# Expression of cyclin binding in Spot N

# Expression of cyclin binding in Spot O

# Expression of cyclin binding in Spot P

# Expression of cyclin binding in Spot Q

# Expression of cyclin binding in Spot R
