

cytokine production

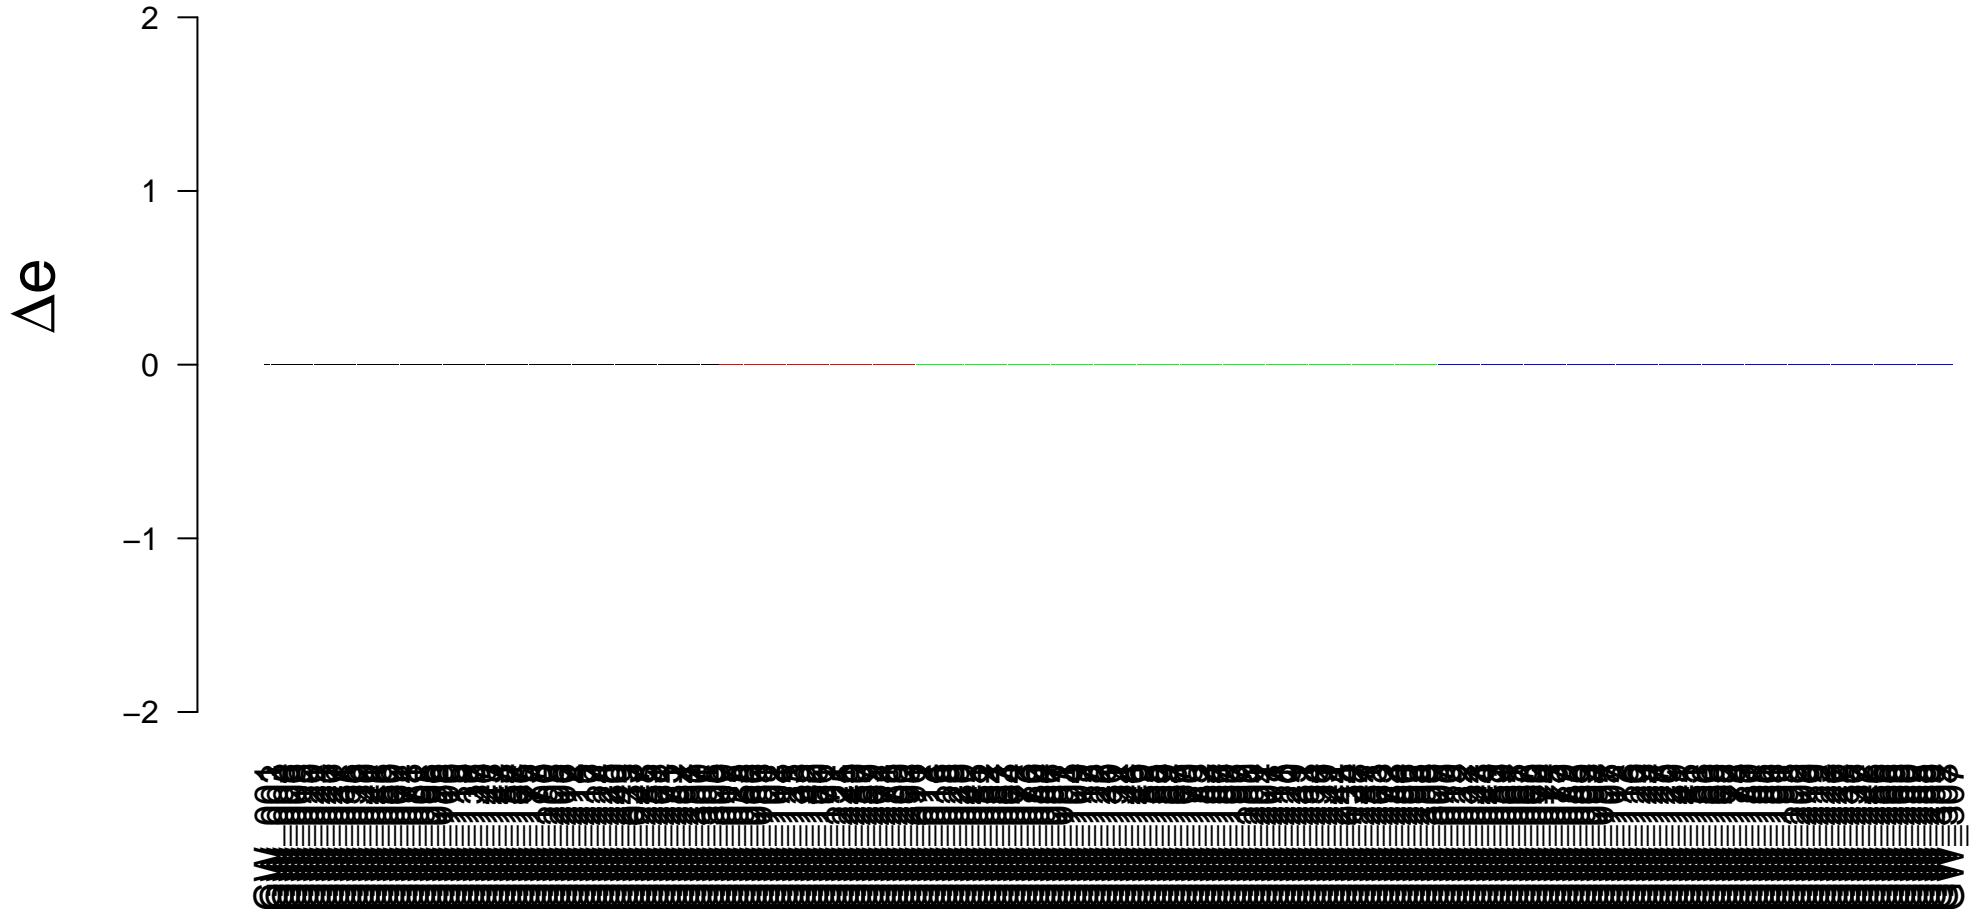

cytokine production

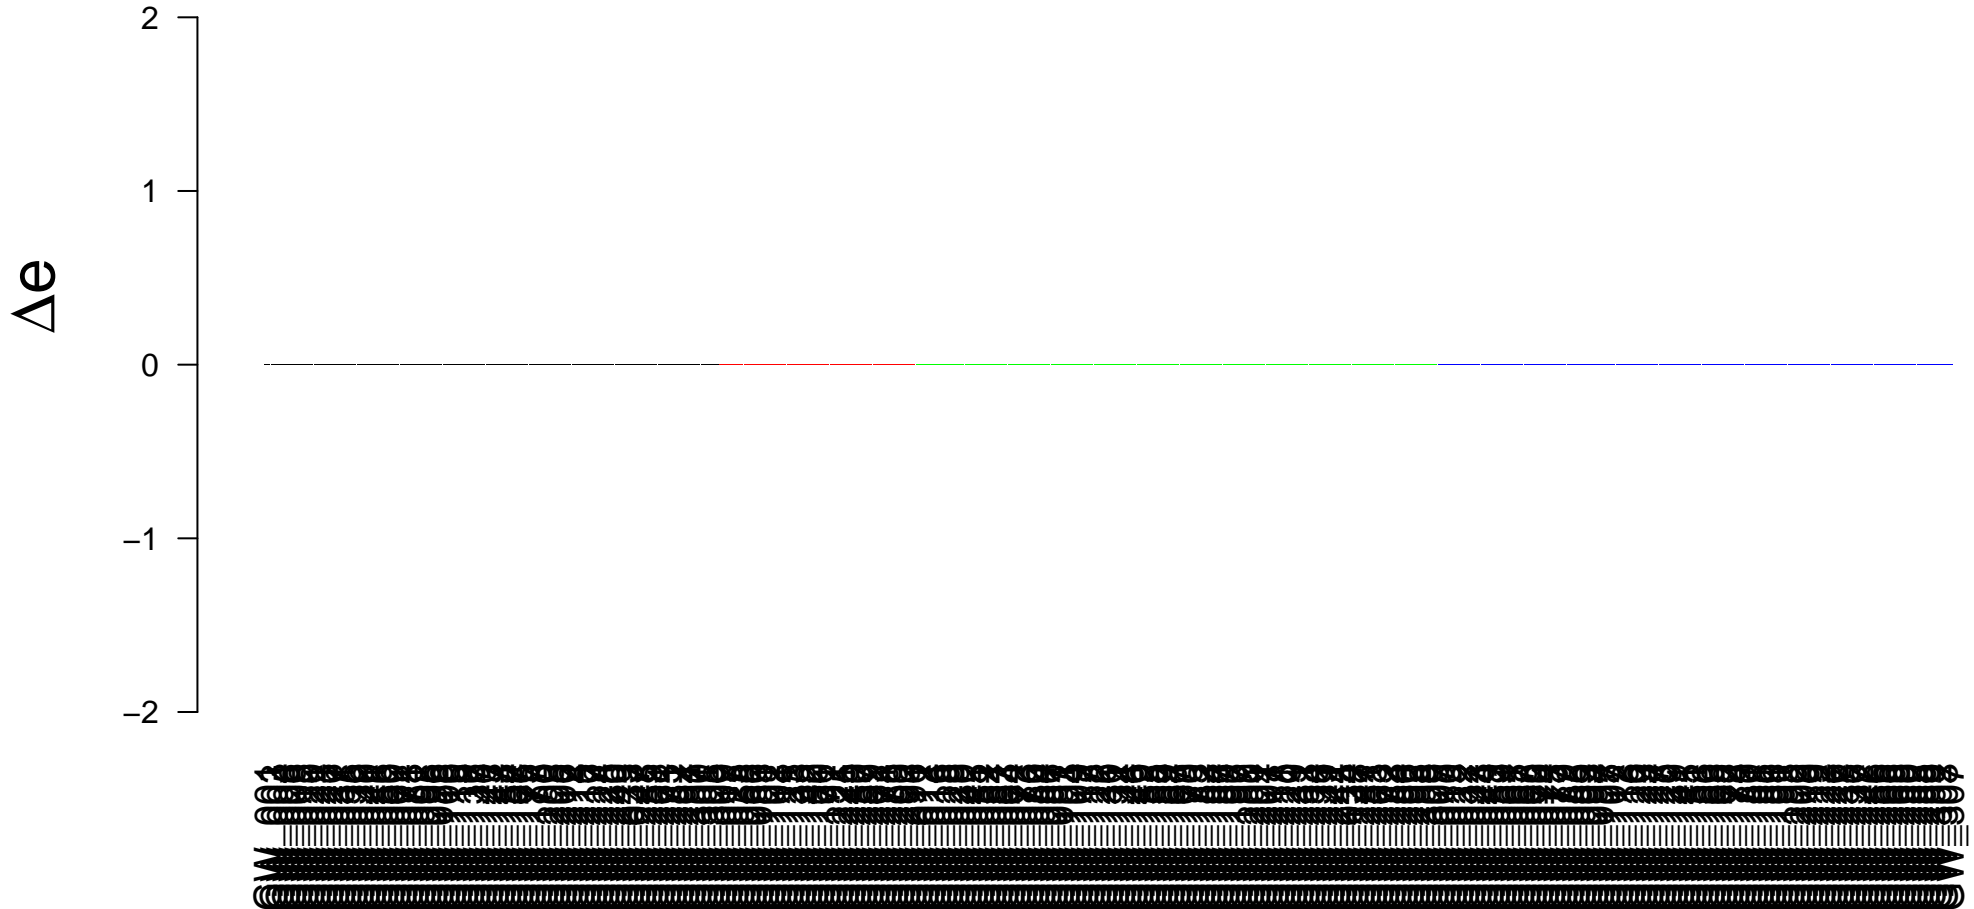

Enrichment in spots: cytokine production

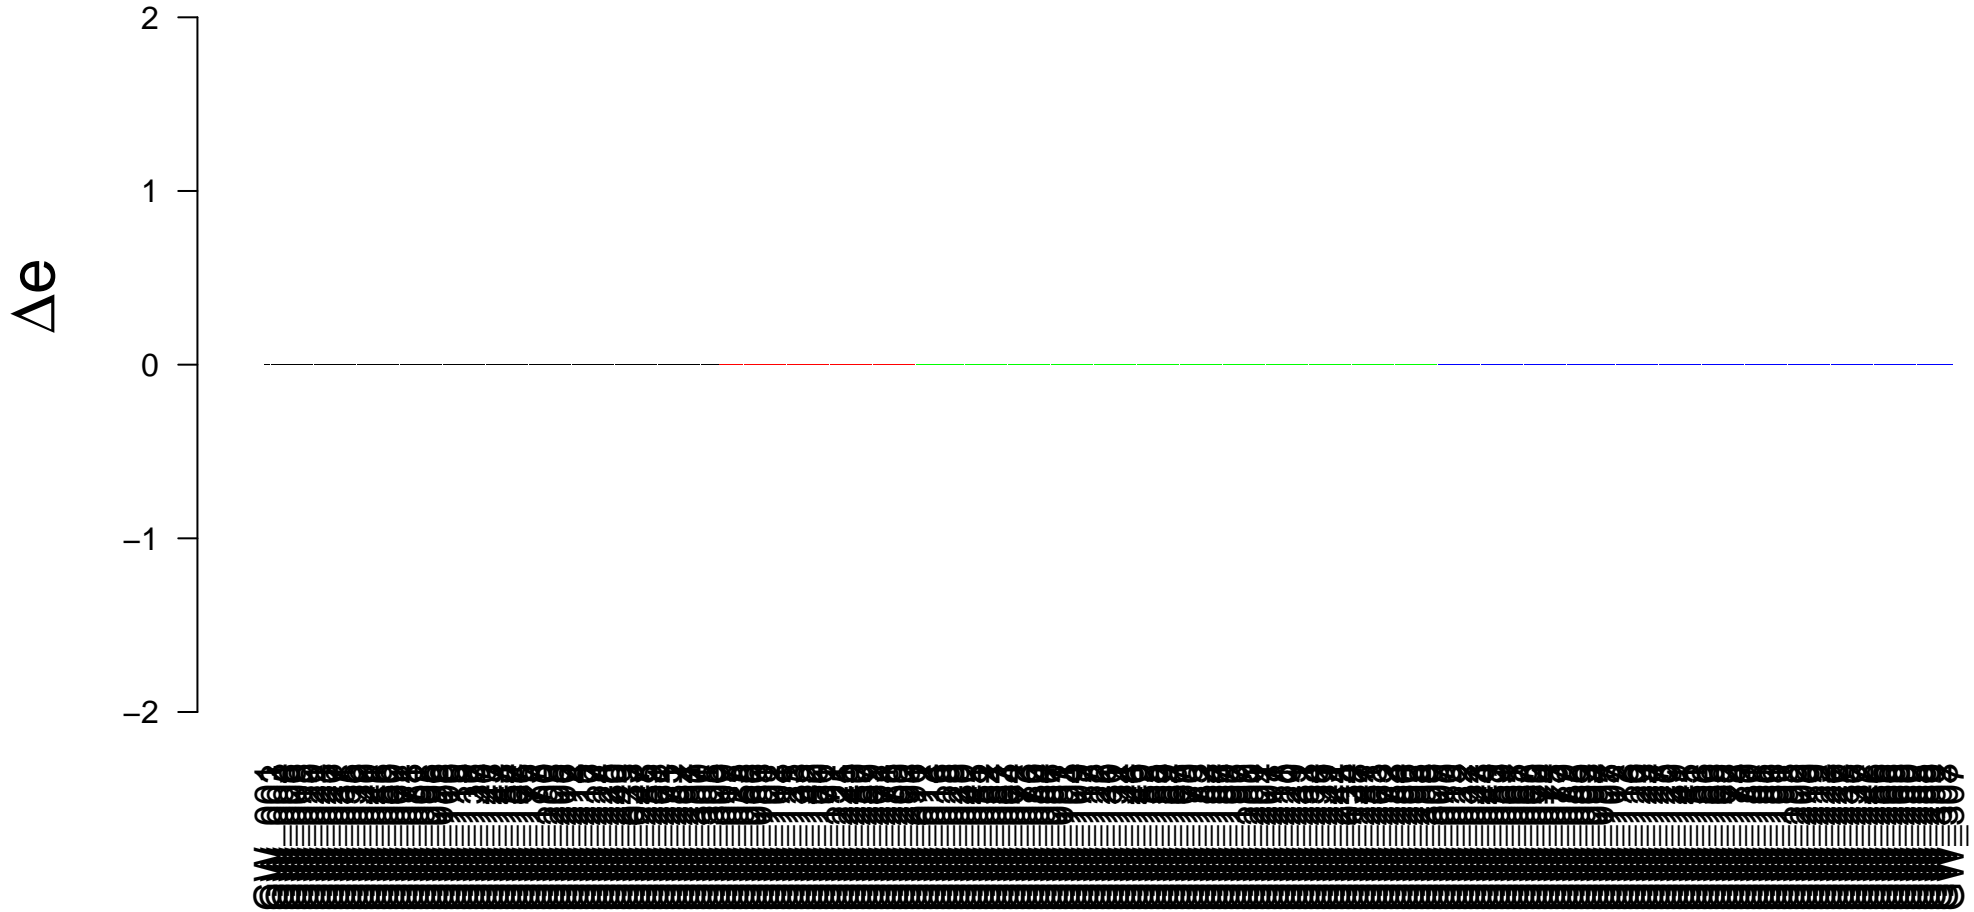

Expression of cytokine production in Spot A

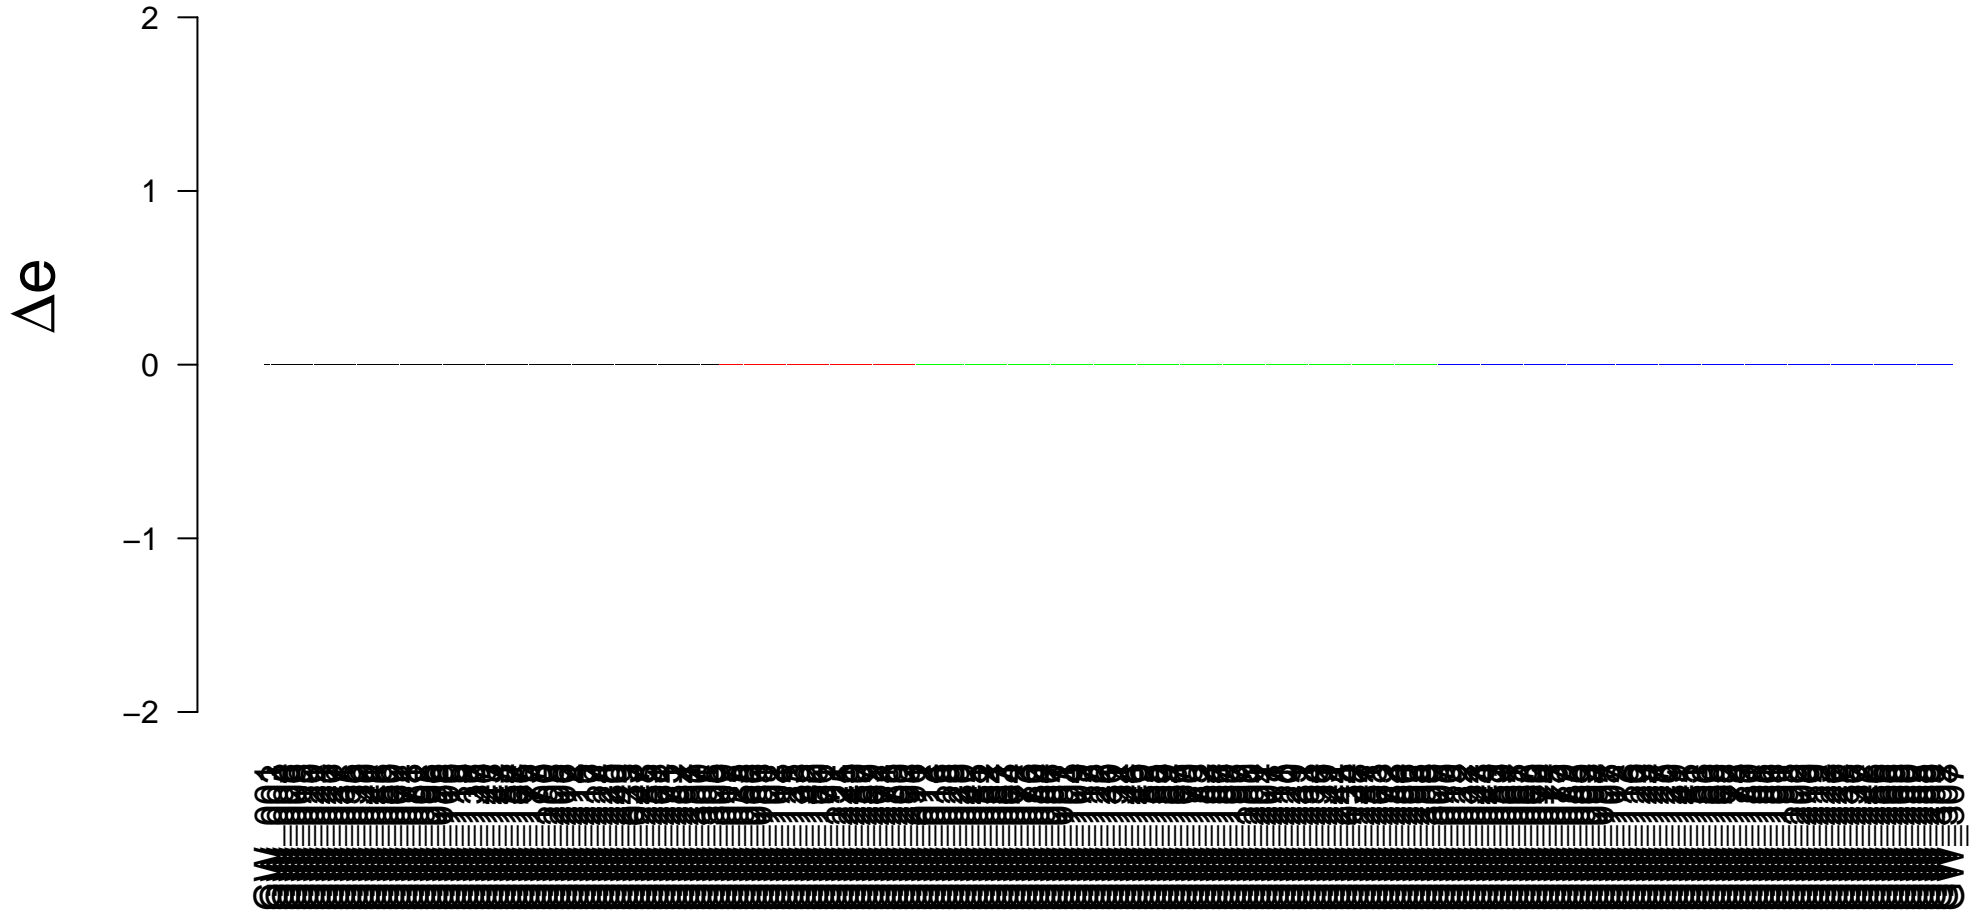

Expression of cytokine production in Spot B

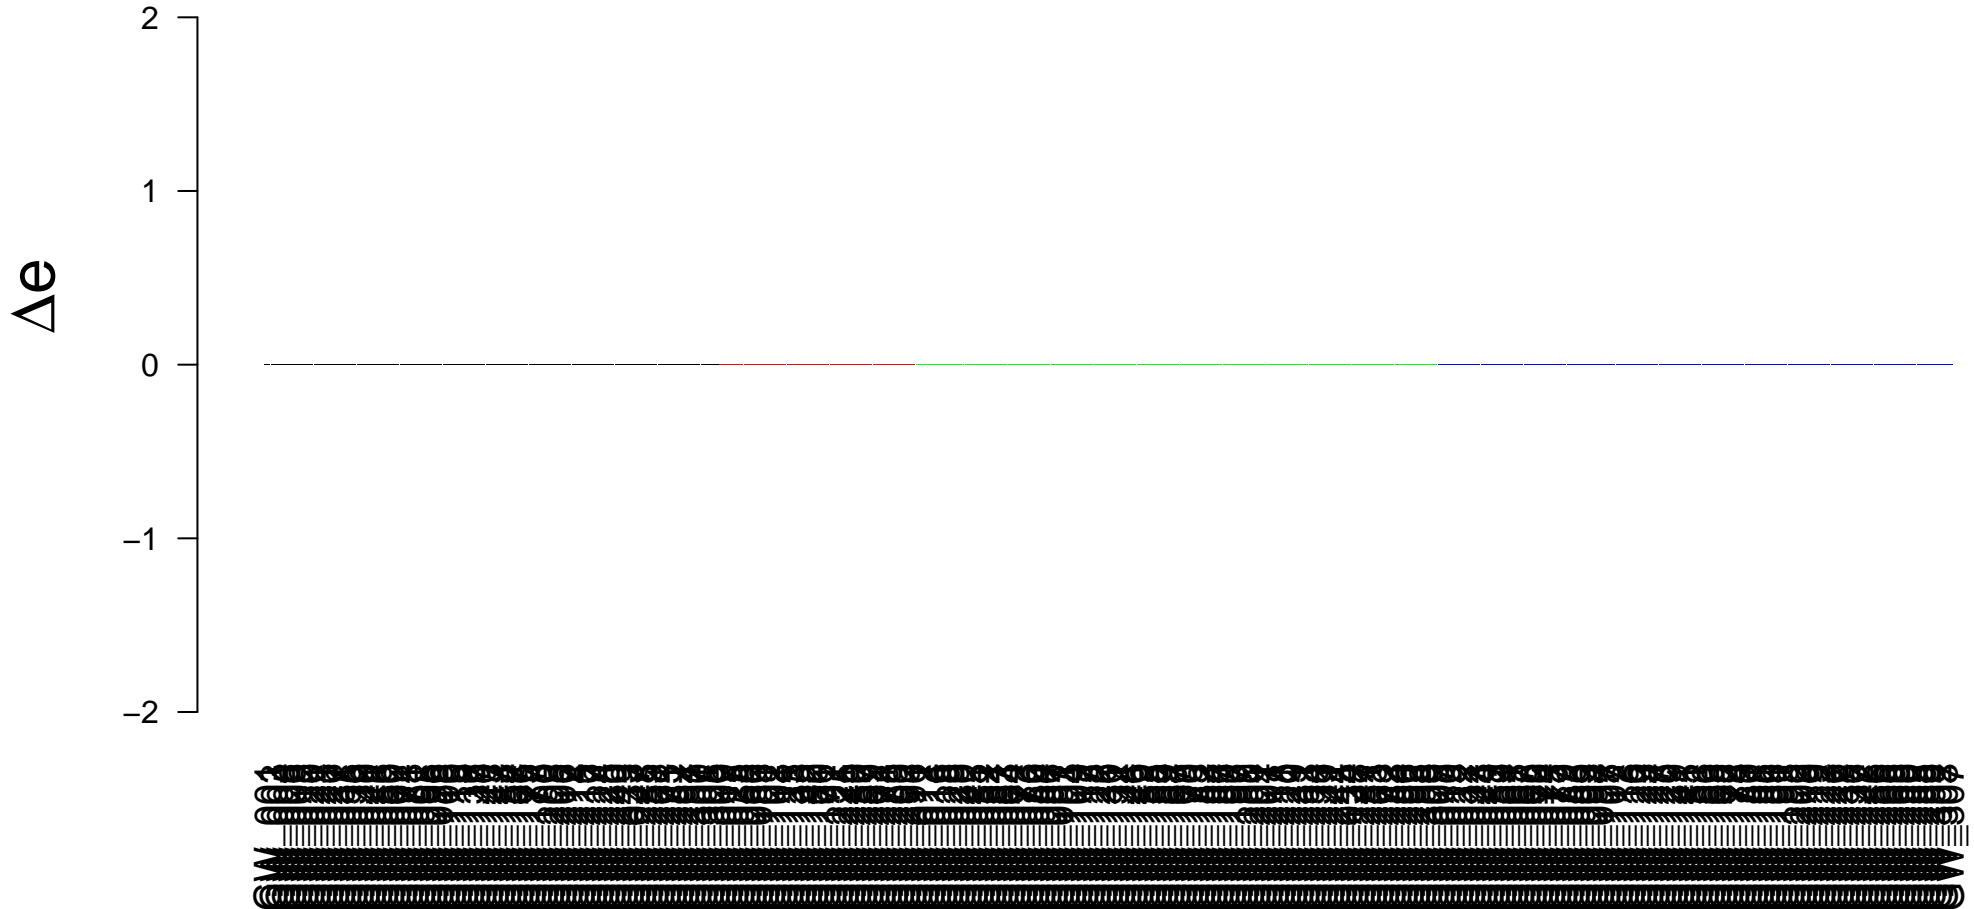

Expression of cytokine production in Spot C

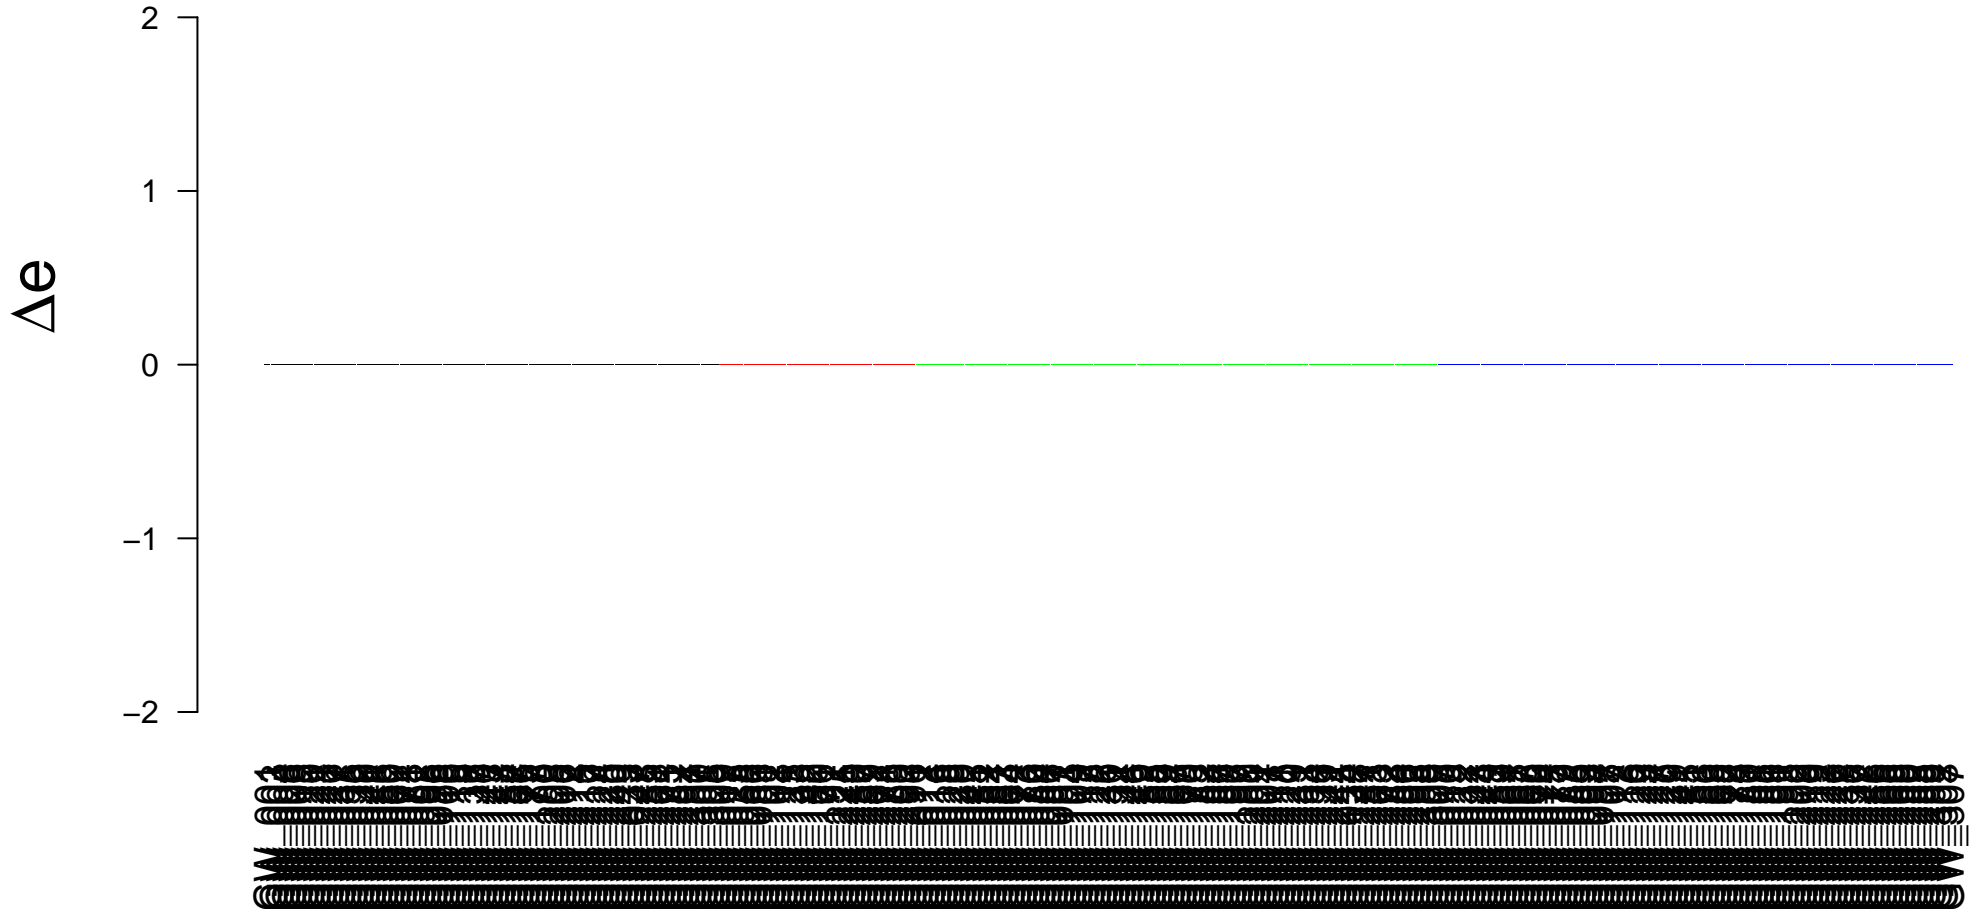

Expression of cytokine production in Spot D

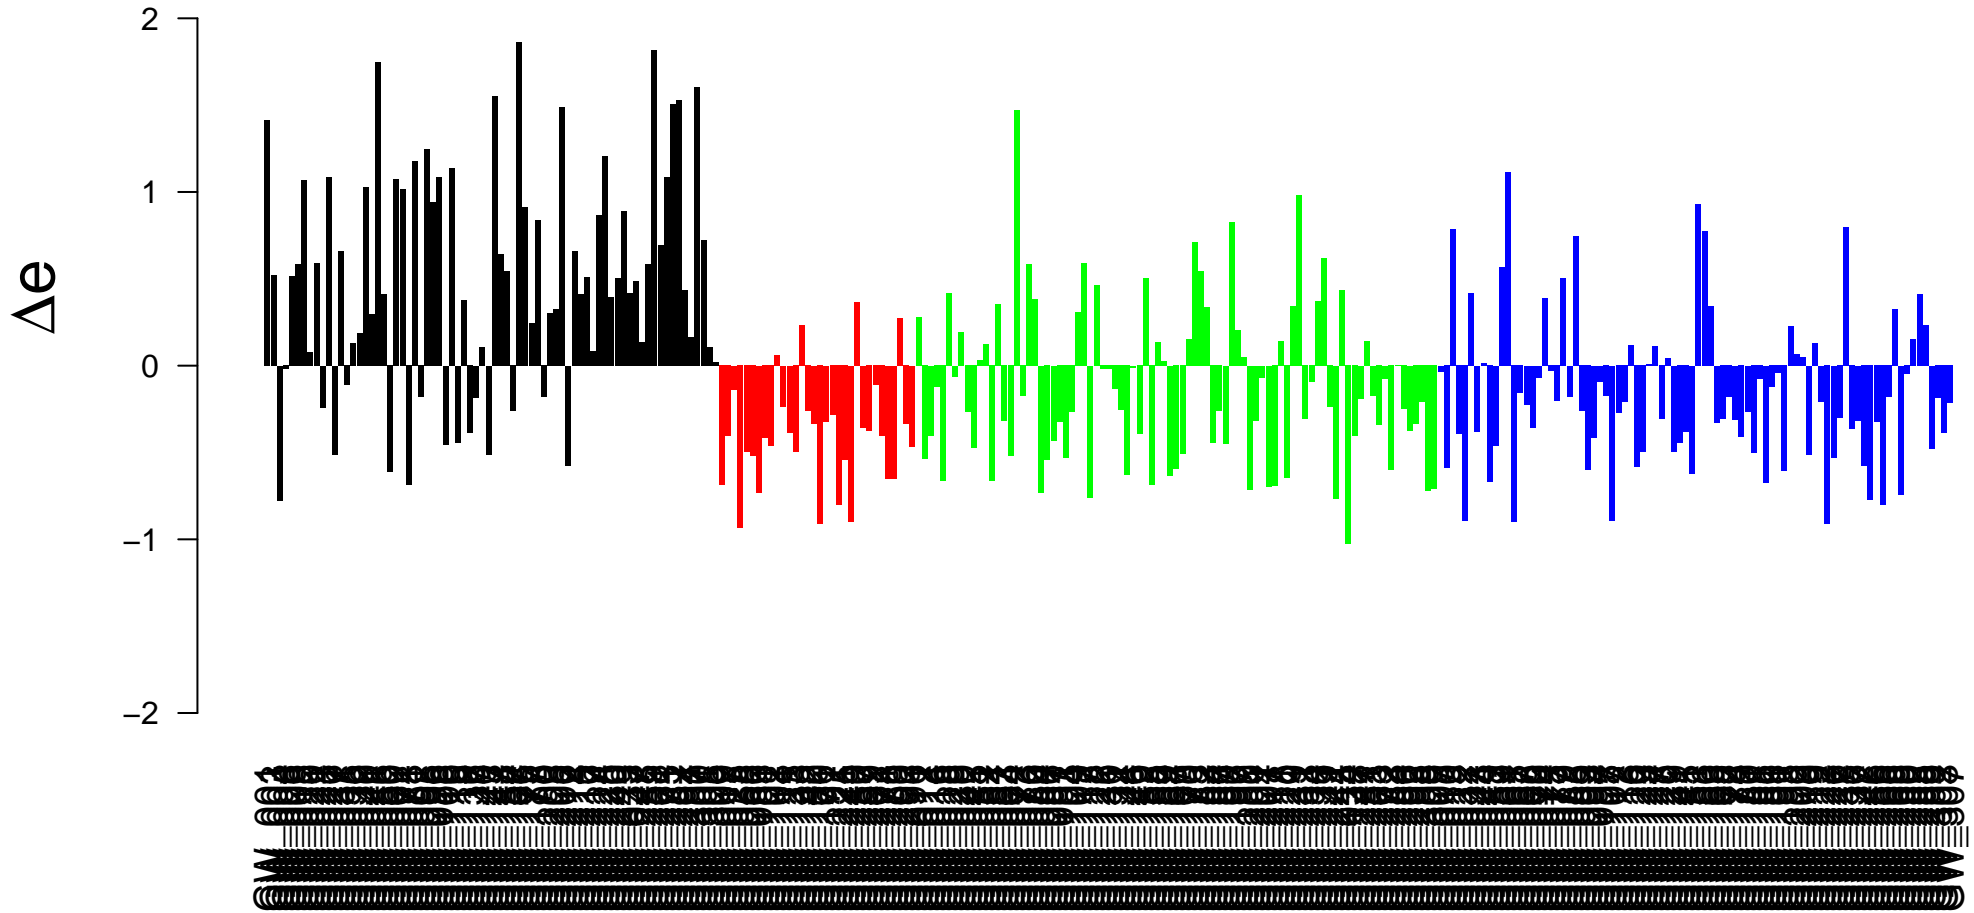

Expression of cytokine production in Spot E

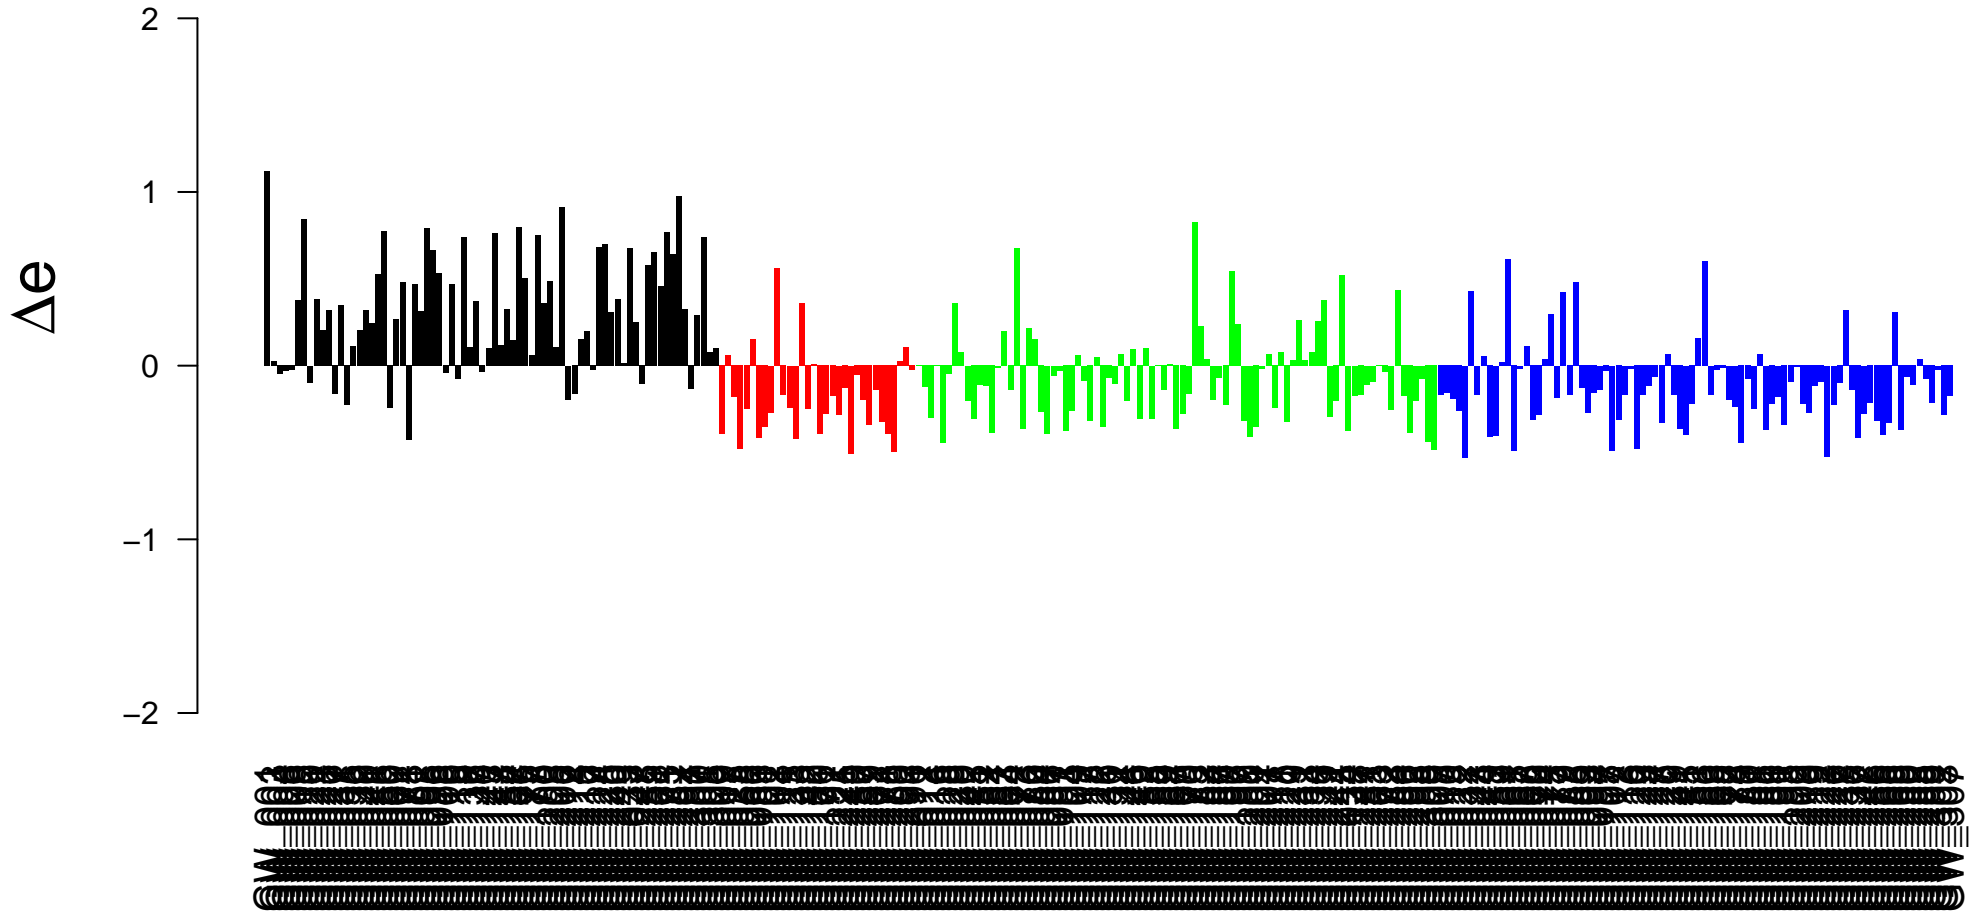

Expression of cytokine production in Spot F

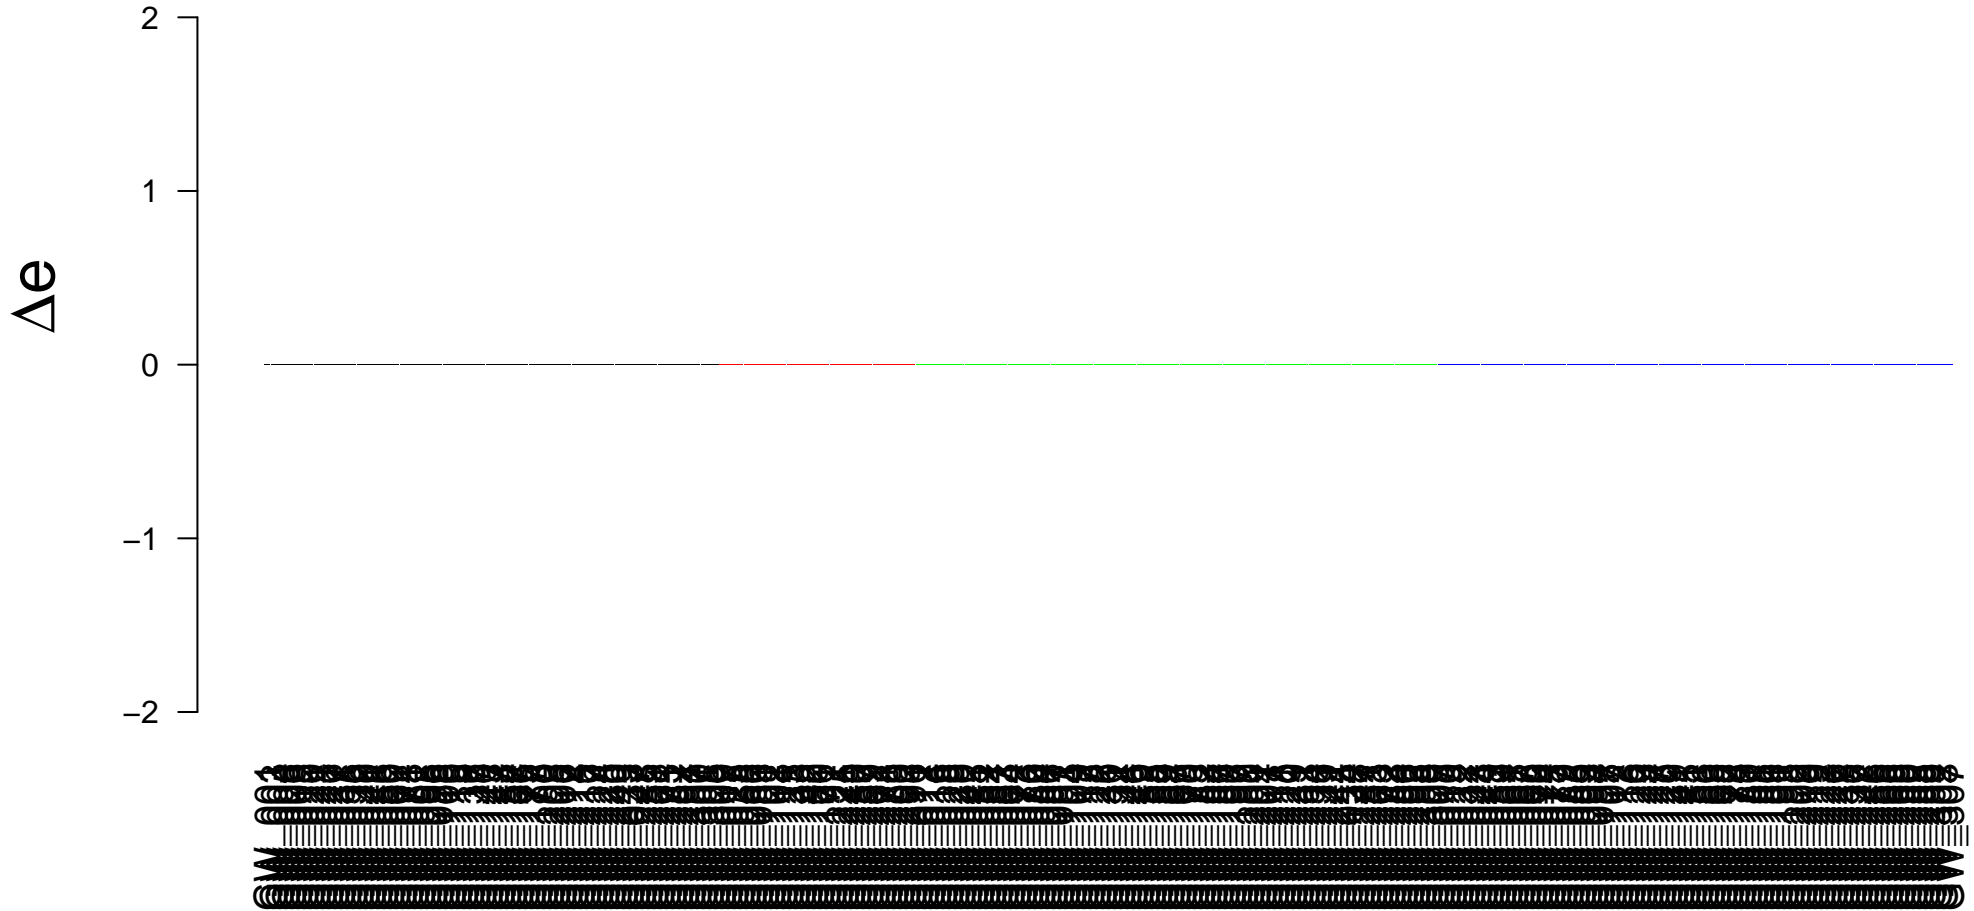

Expression of cytokine production in Spot G

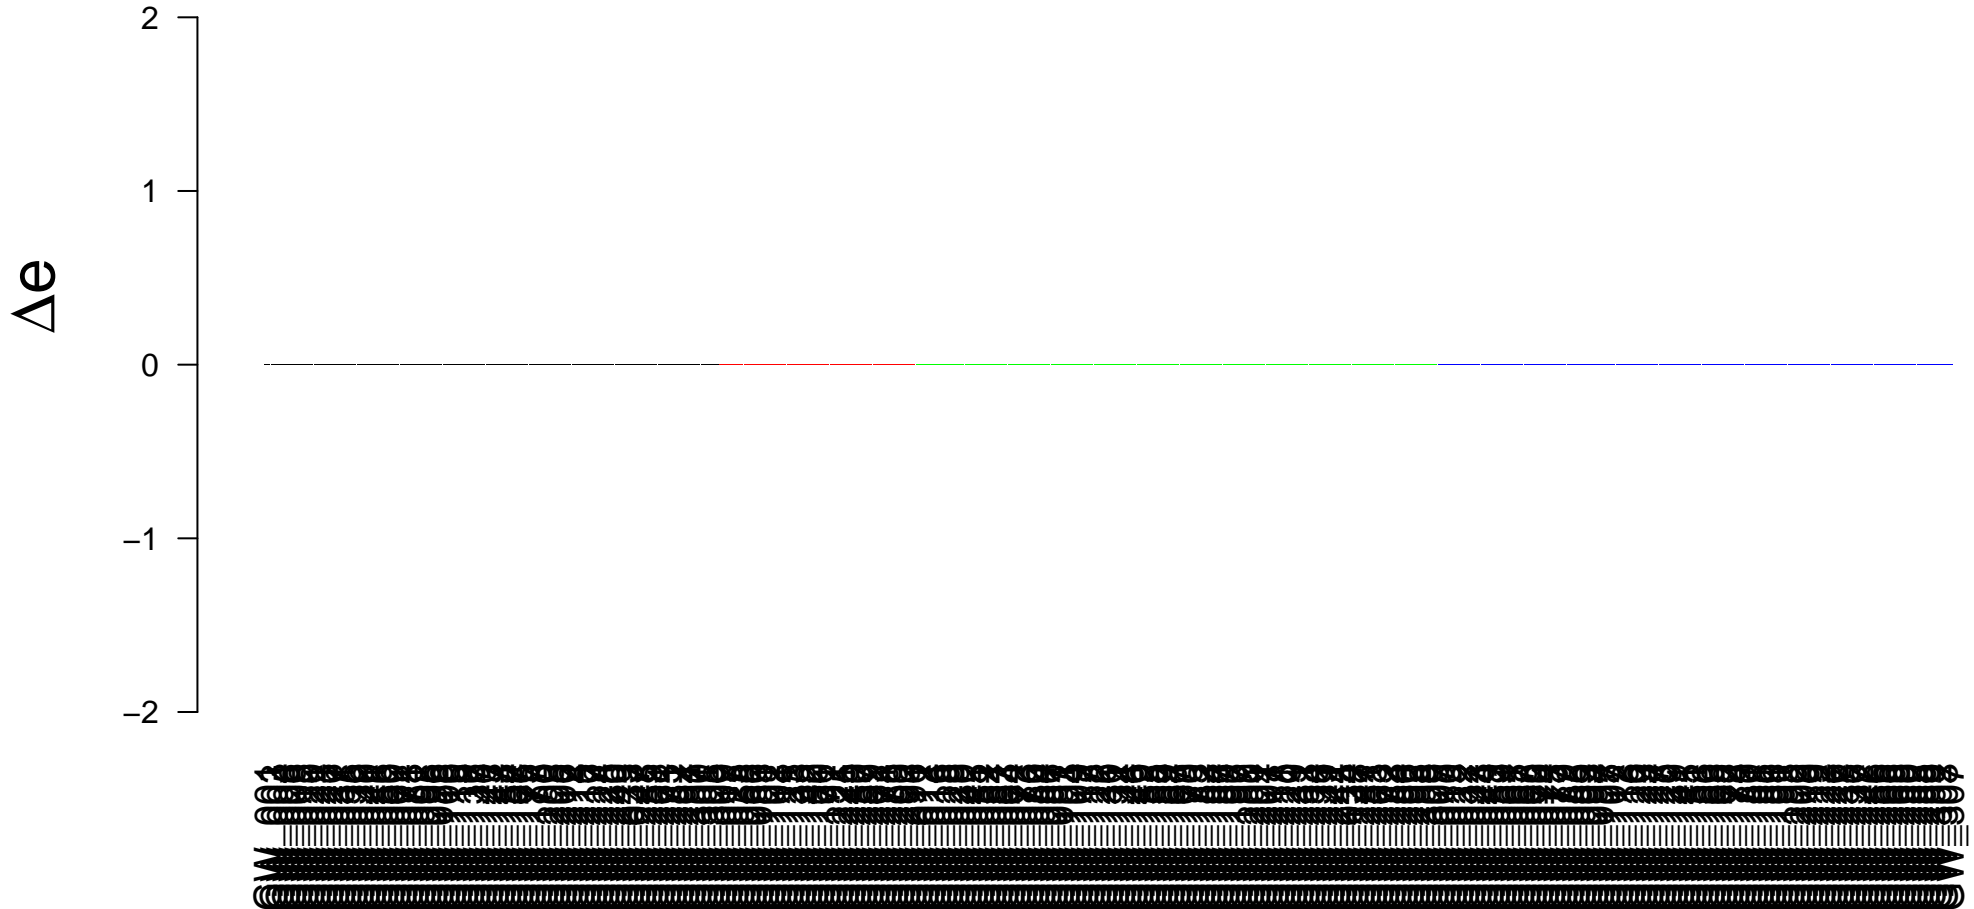

Expression of cytokine production in Spot H

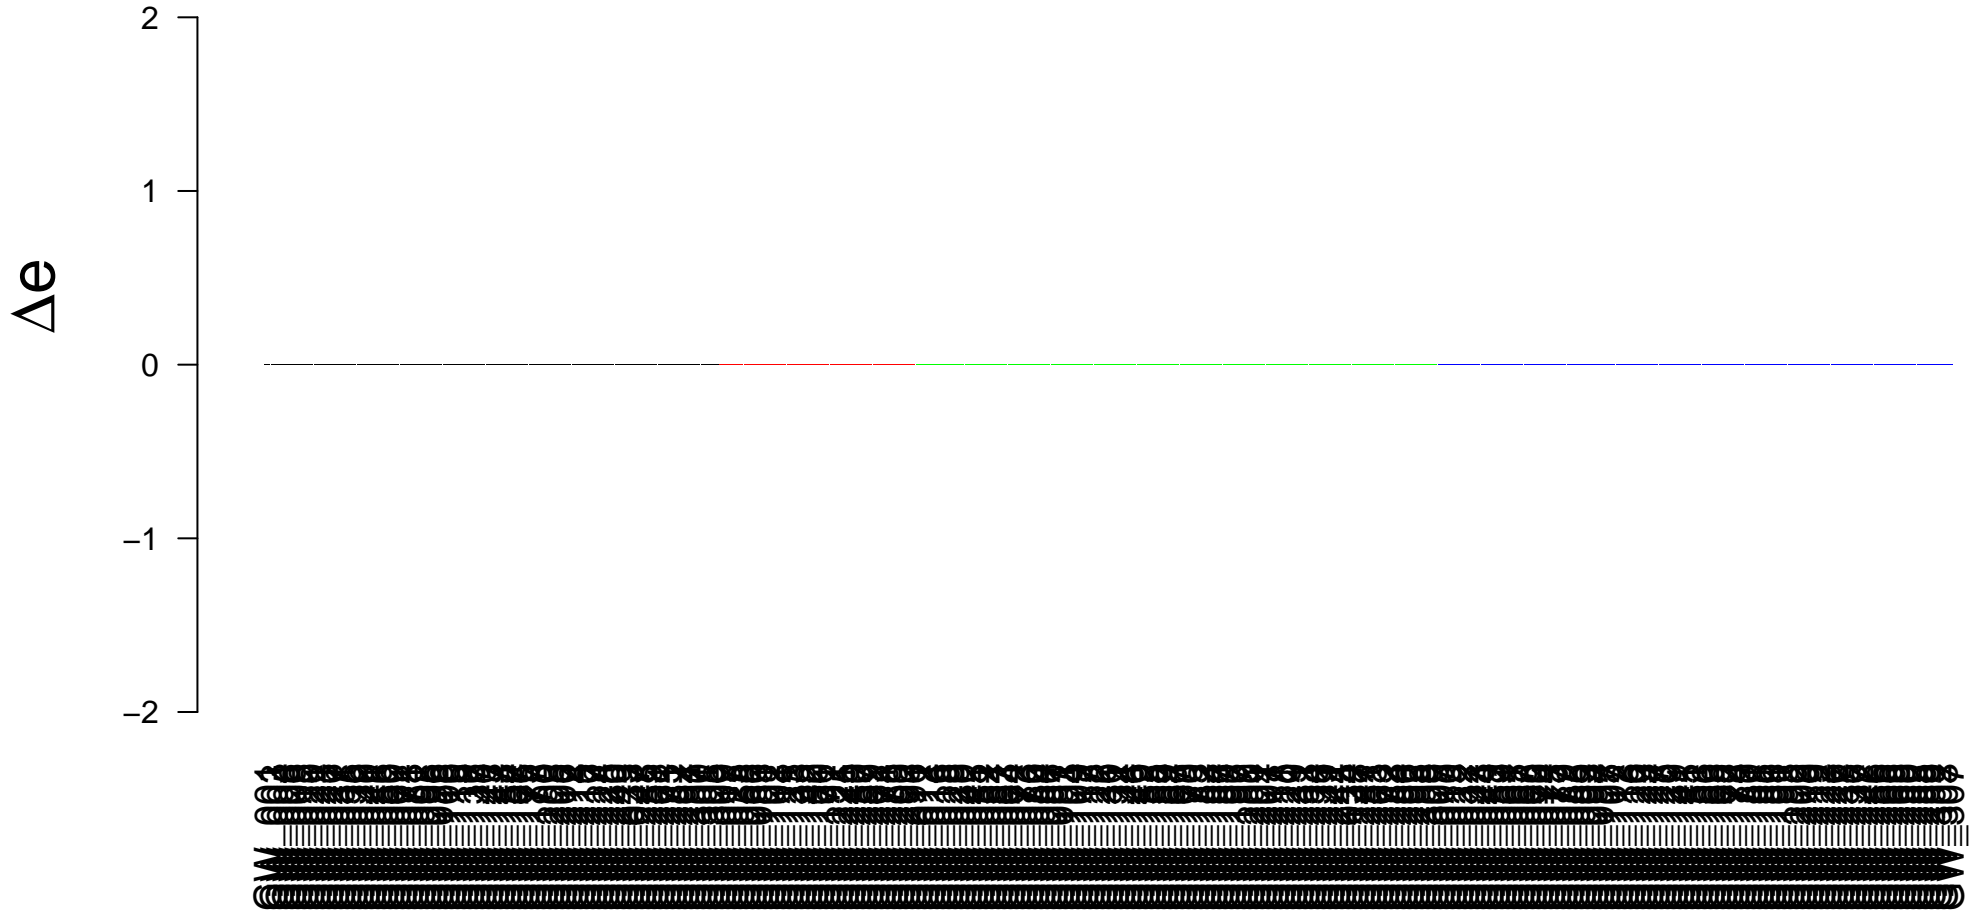

Expression of cytokine production in Spot I

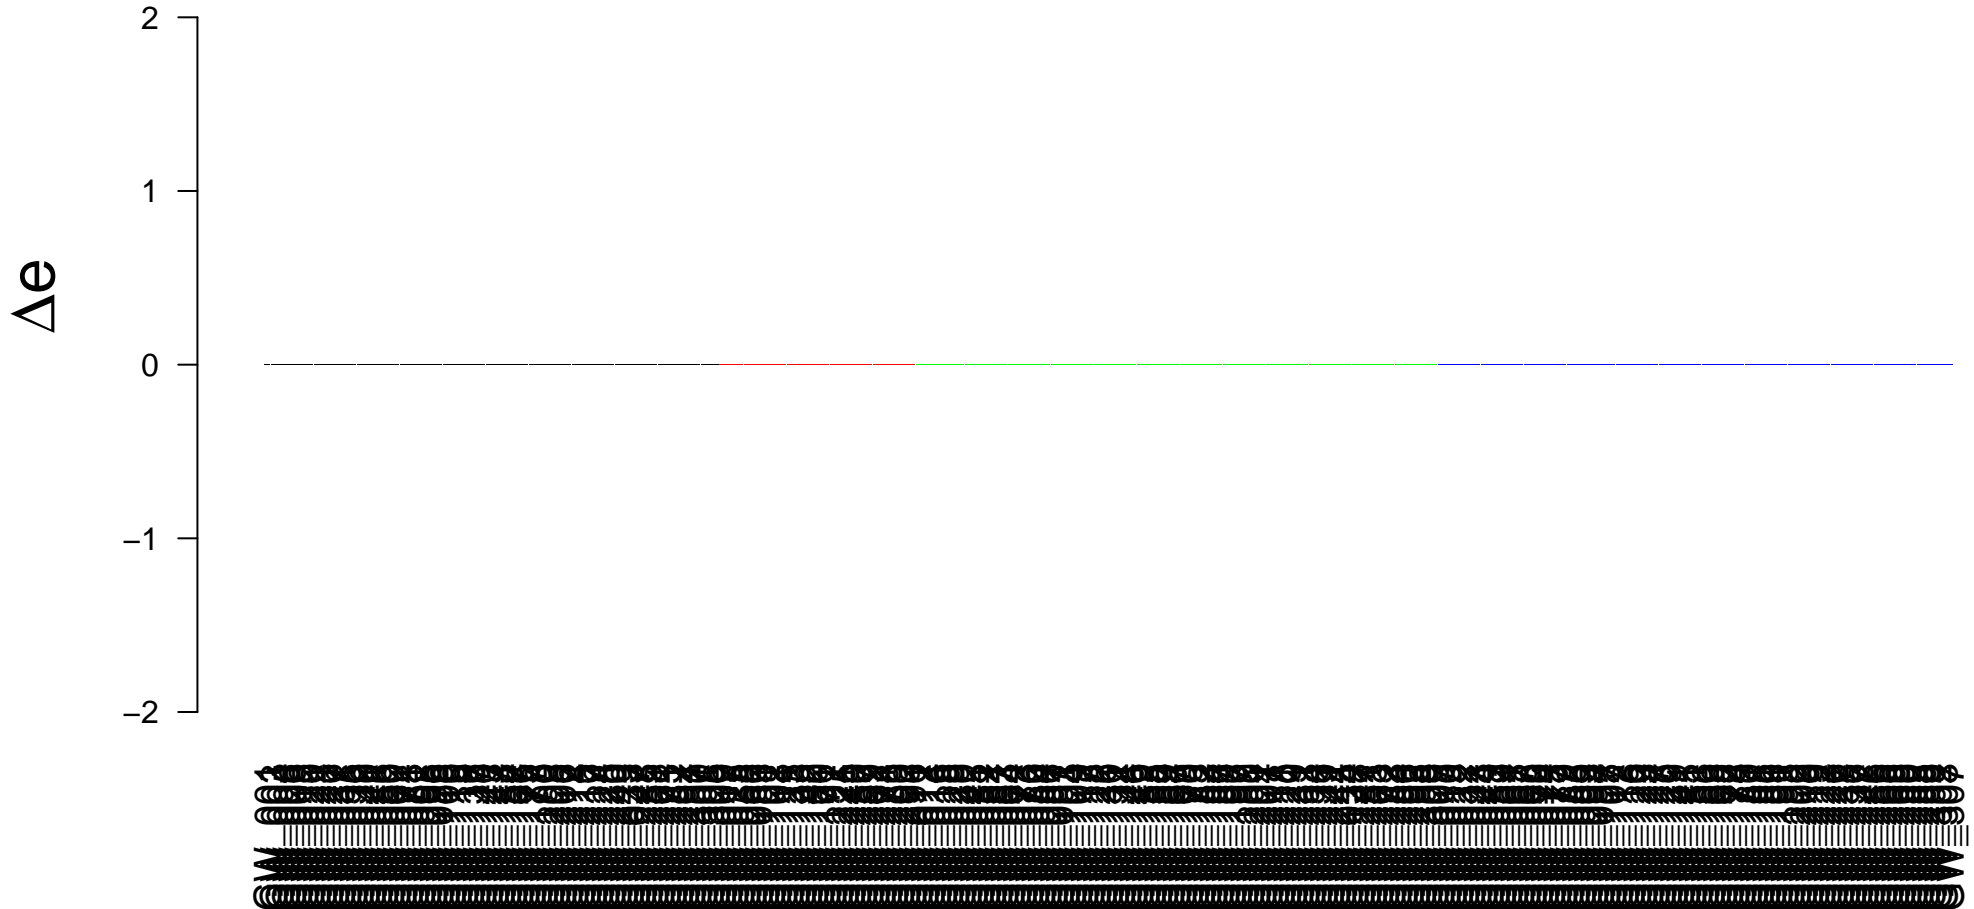

Expression of cytokine production in Spot J

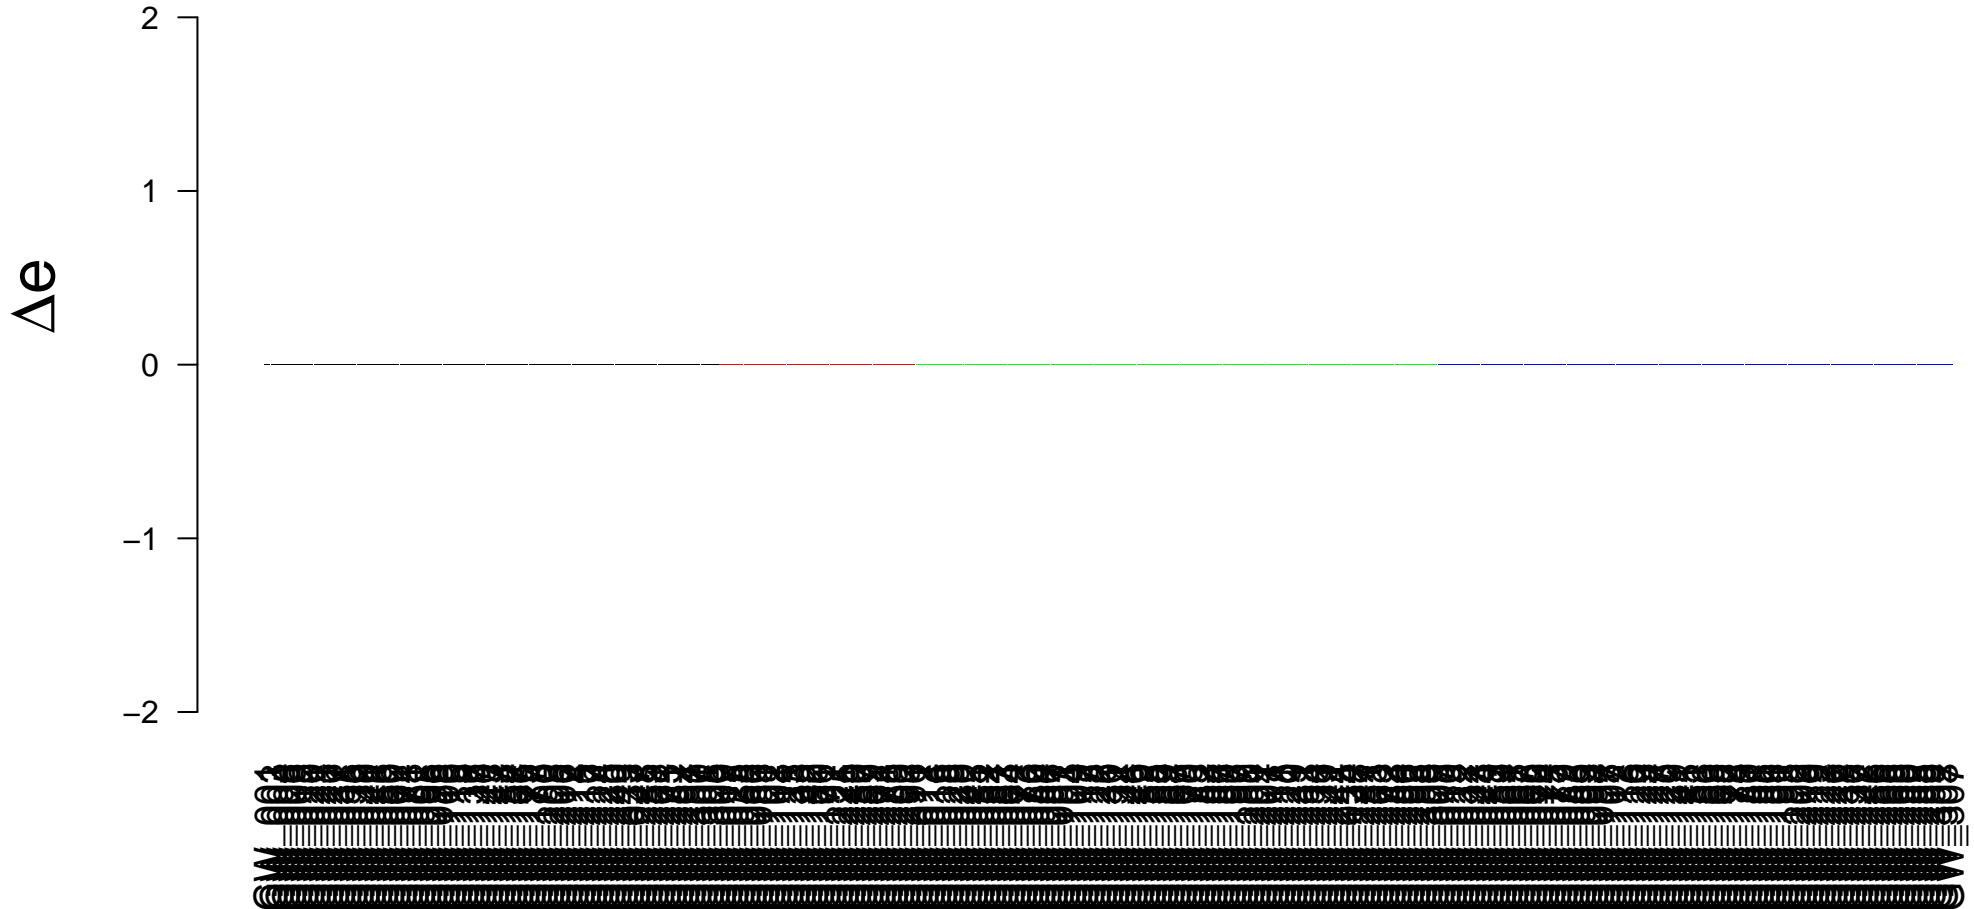

Expression of cytokine production in Spot K

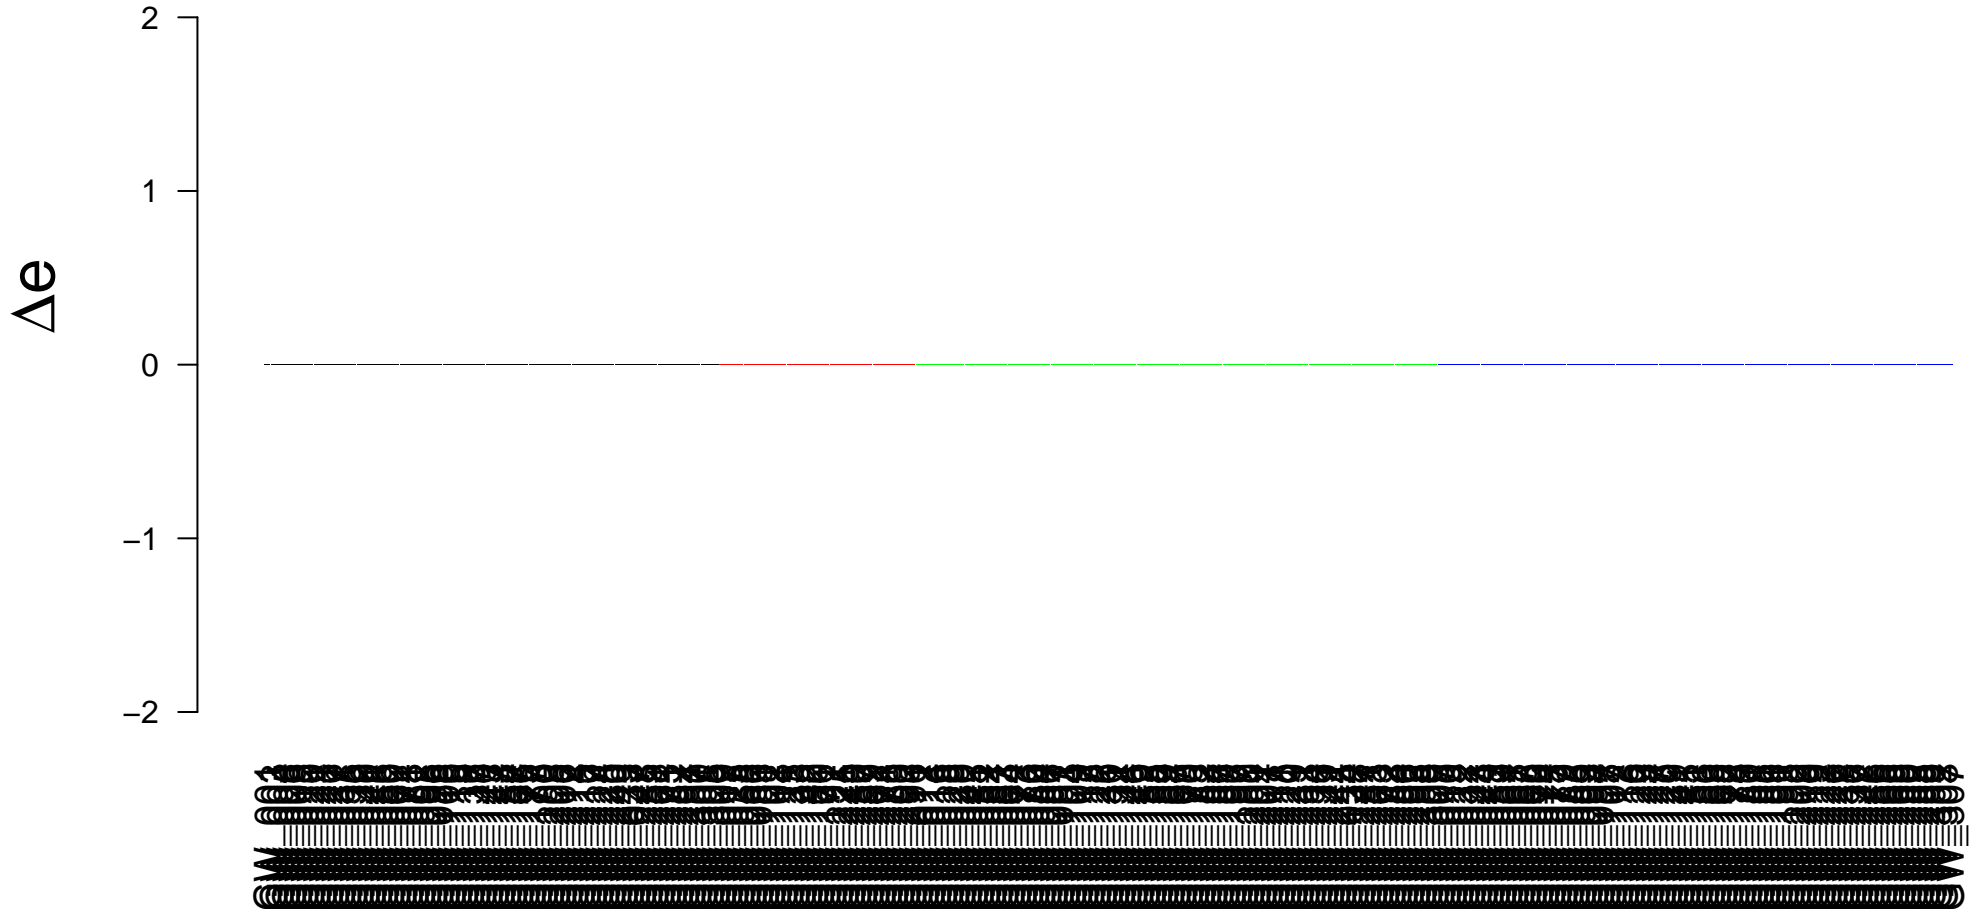

Expression of cytokine production in Spot L

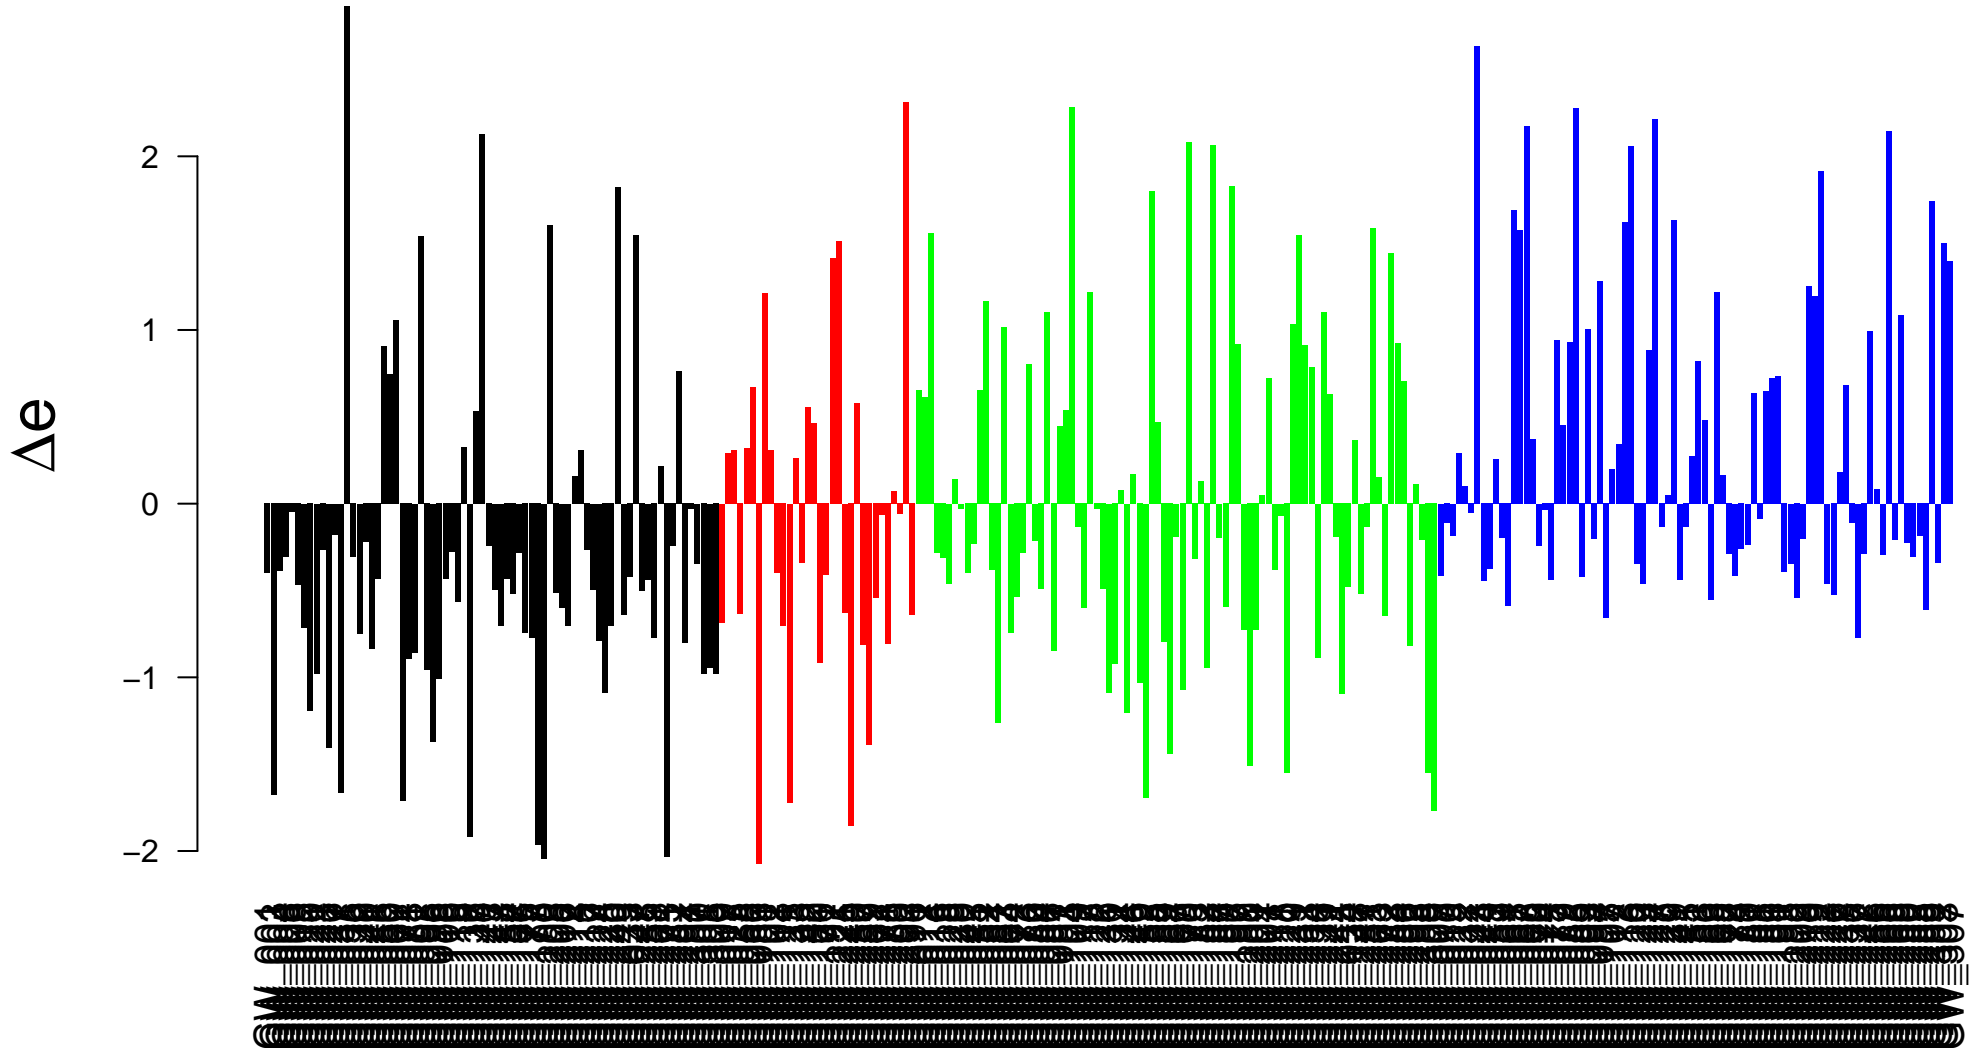

Expression of cytokine production in Spot M

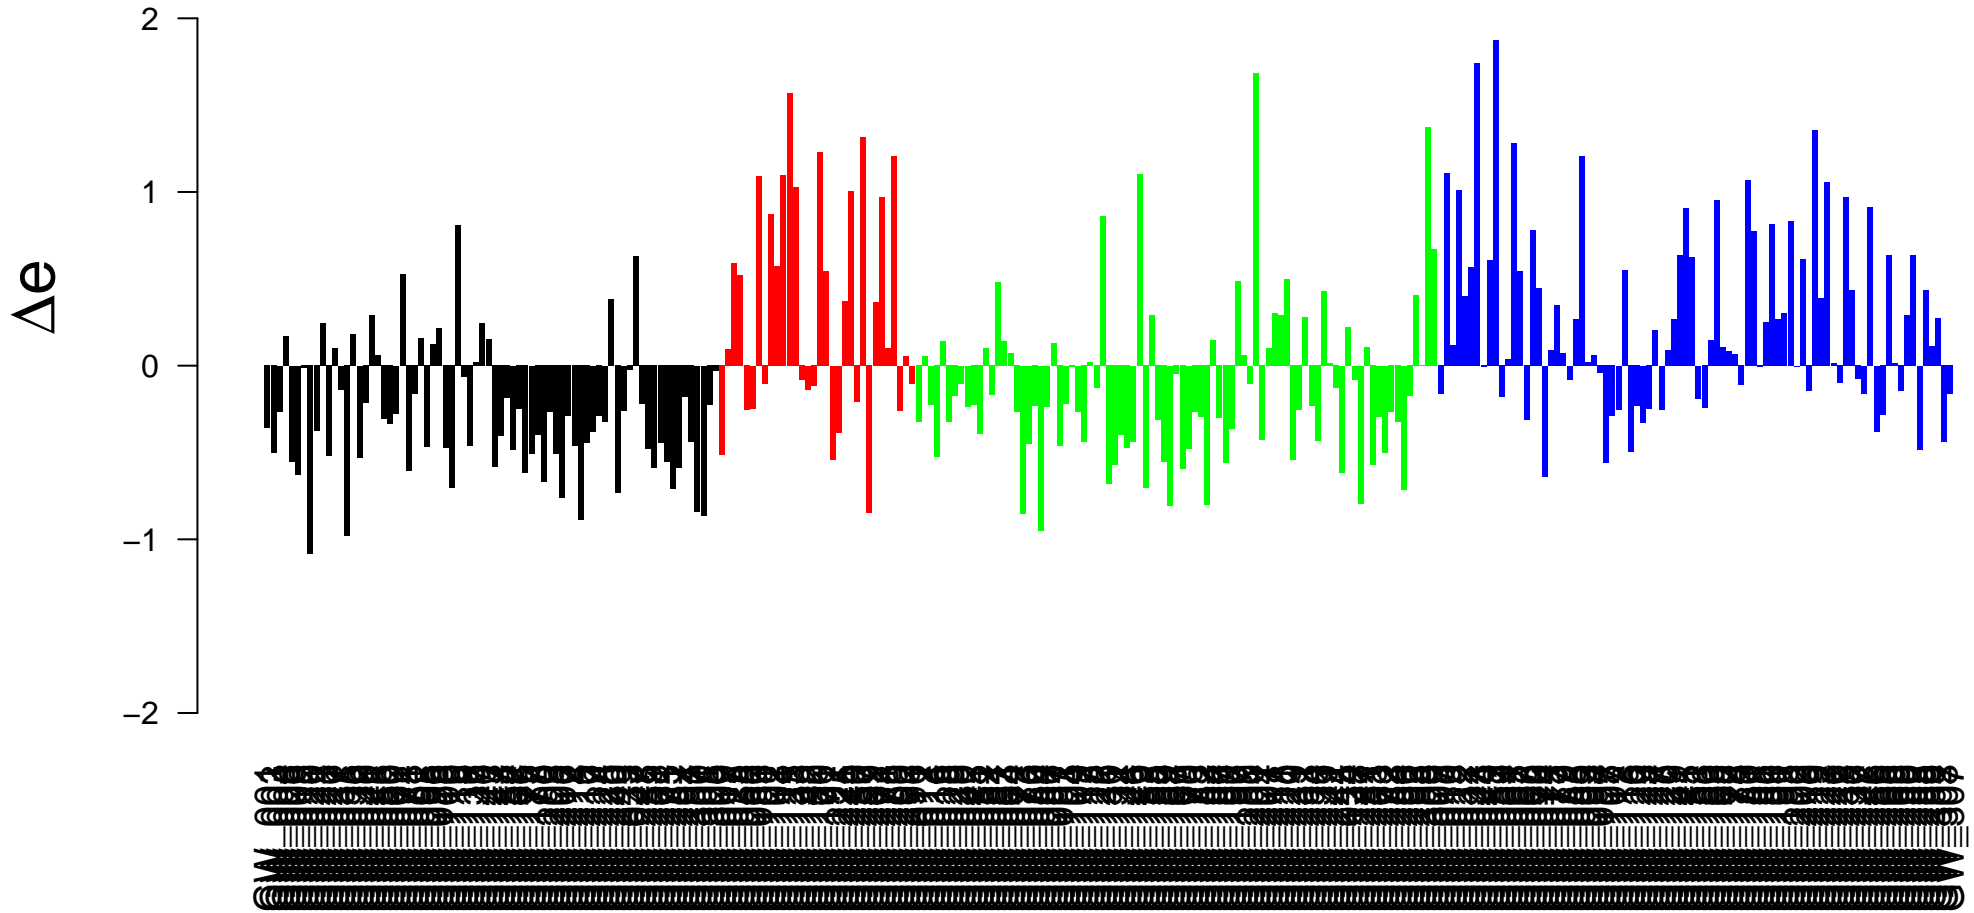

Expression of cytokine production in Spot N

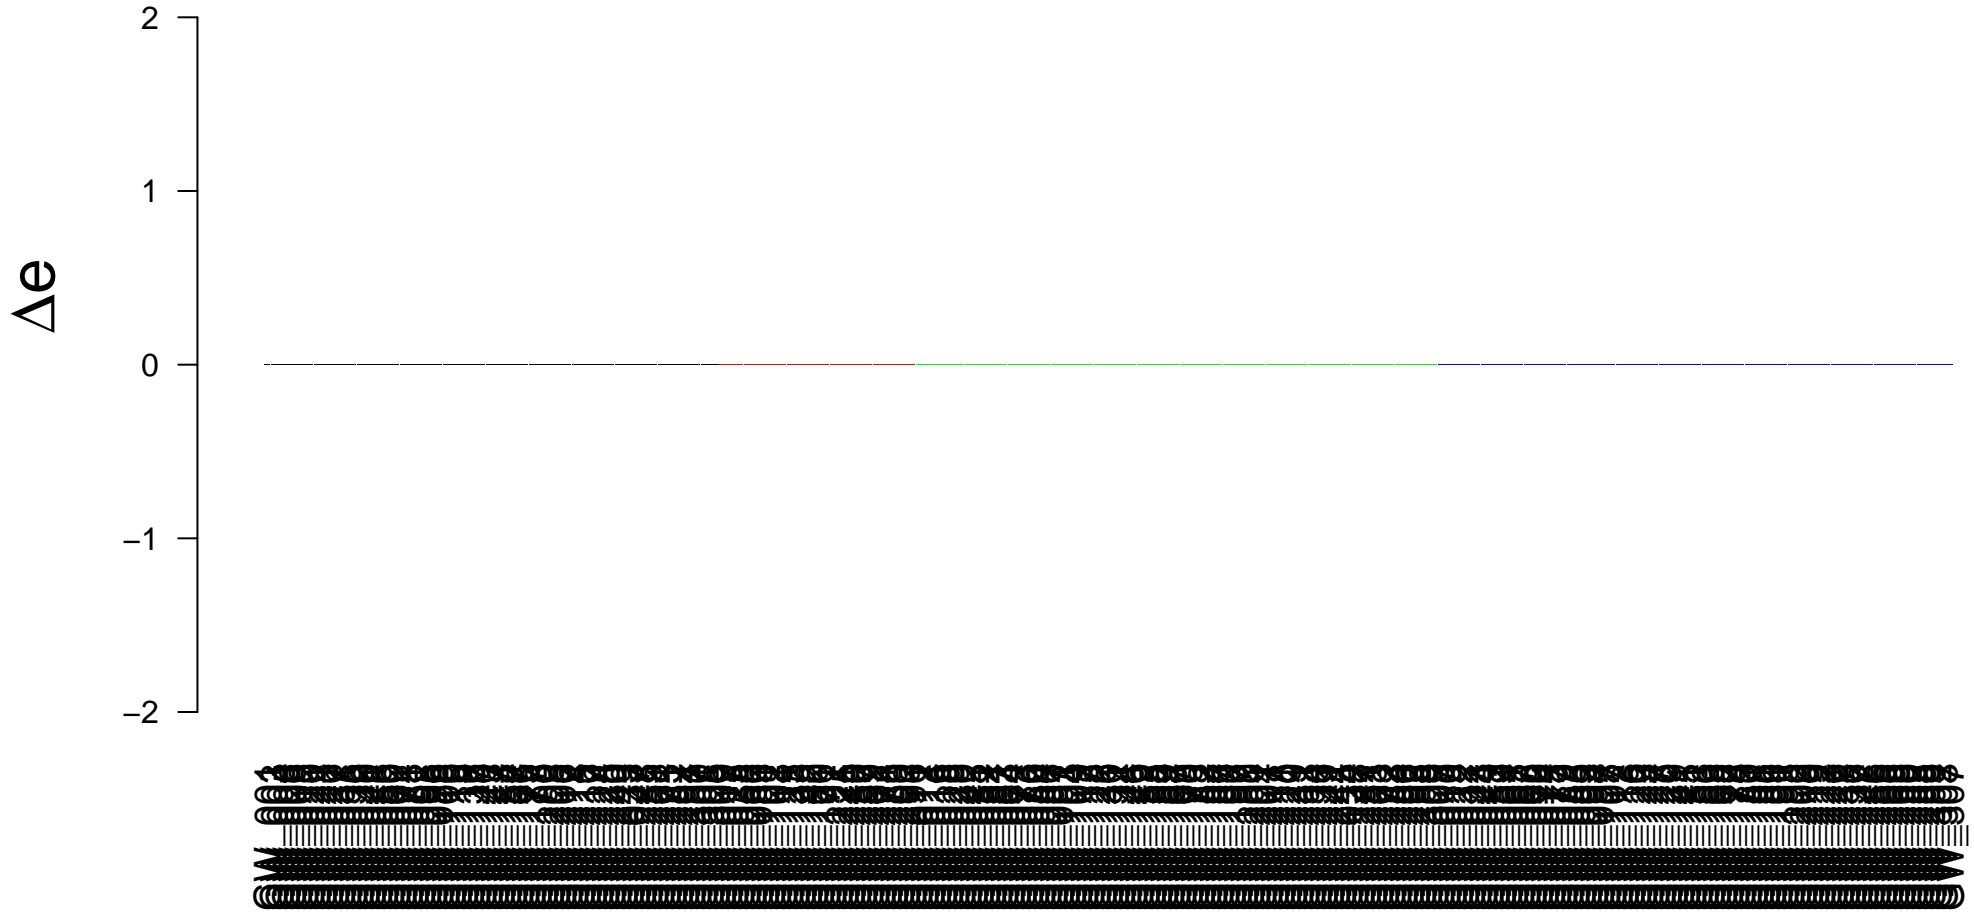

Expression of cytokine production in Spot O

Expression of cytokine production in Spot P

Expression of cytokine production in Spot Q

Expression of cytokine production in Spot R
