

cytoskeletal adaptor activity

cytoskeletal adaptor activity

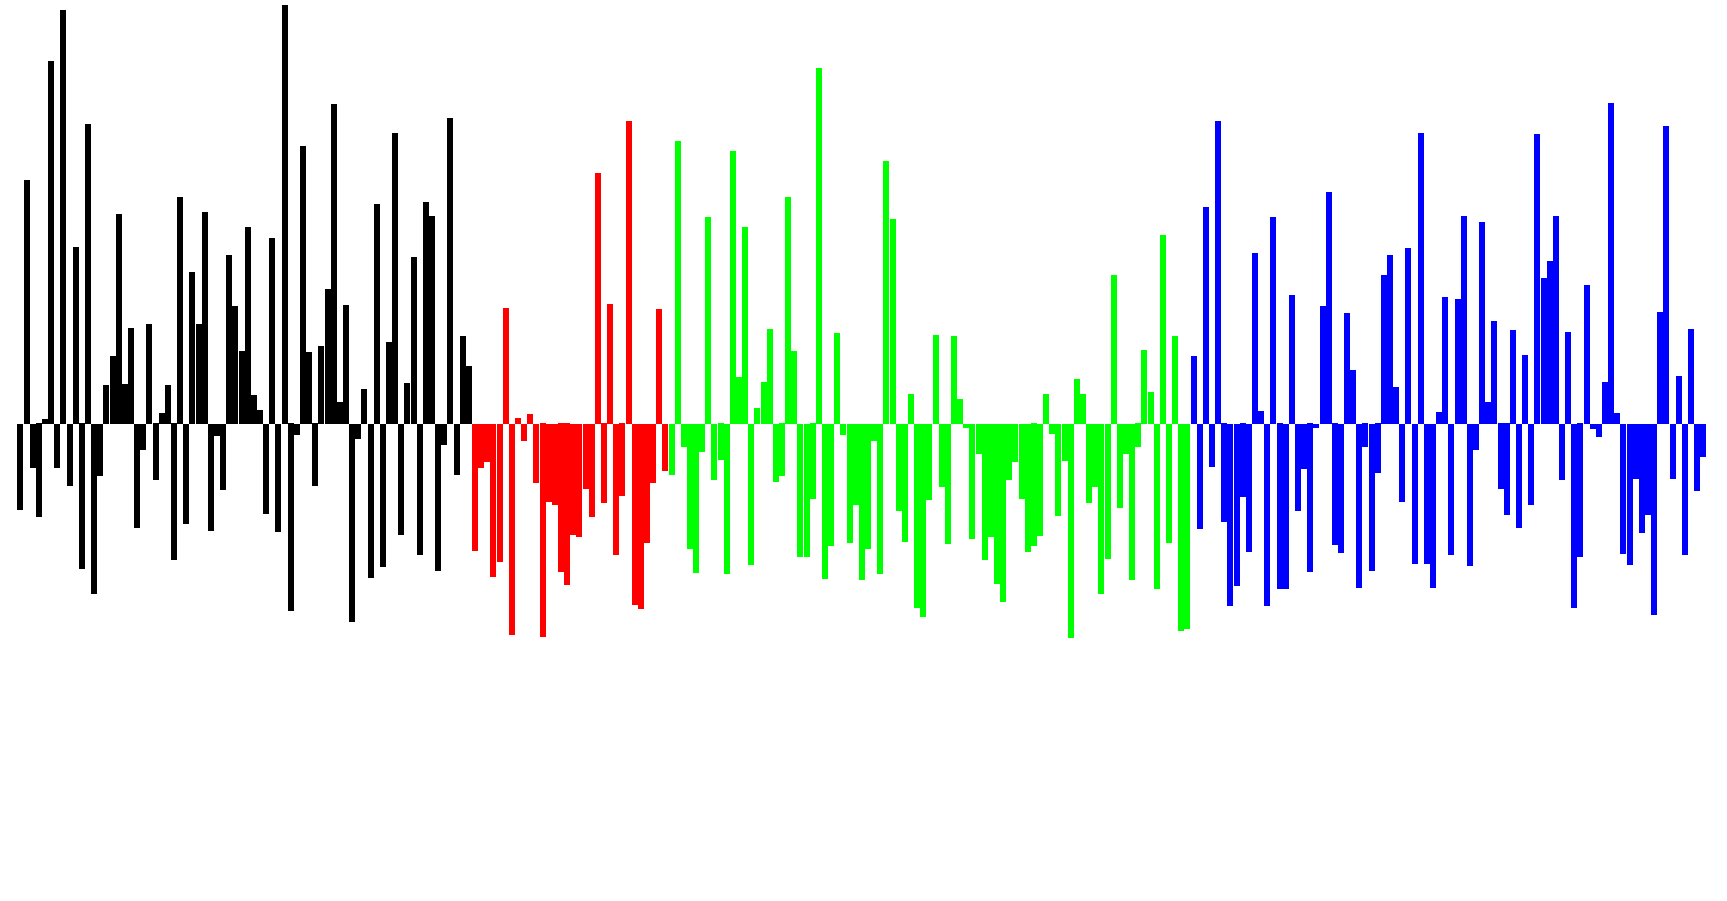

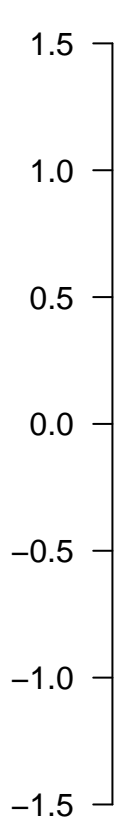

Enrichment in spots: cytoskeletal adaptor activity

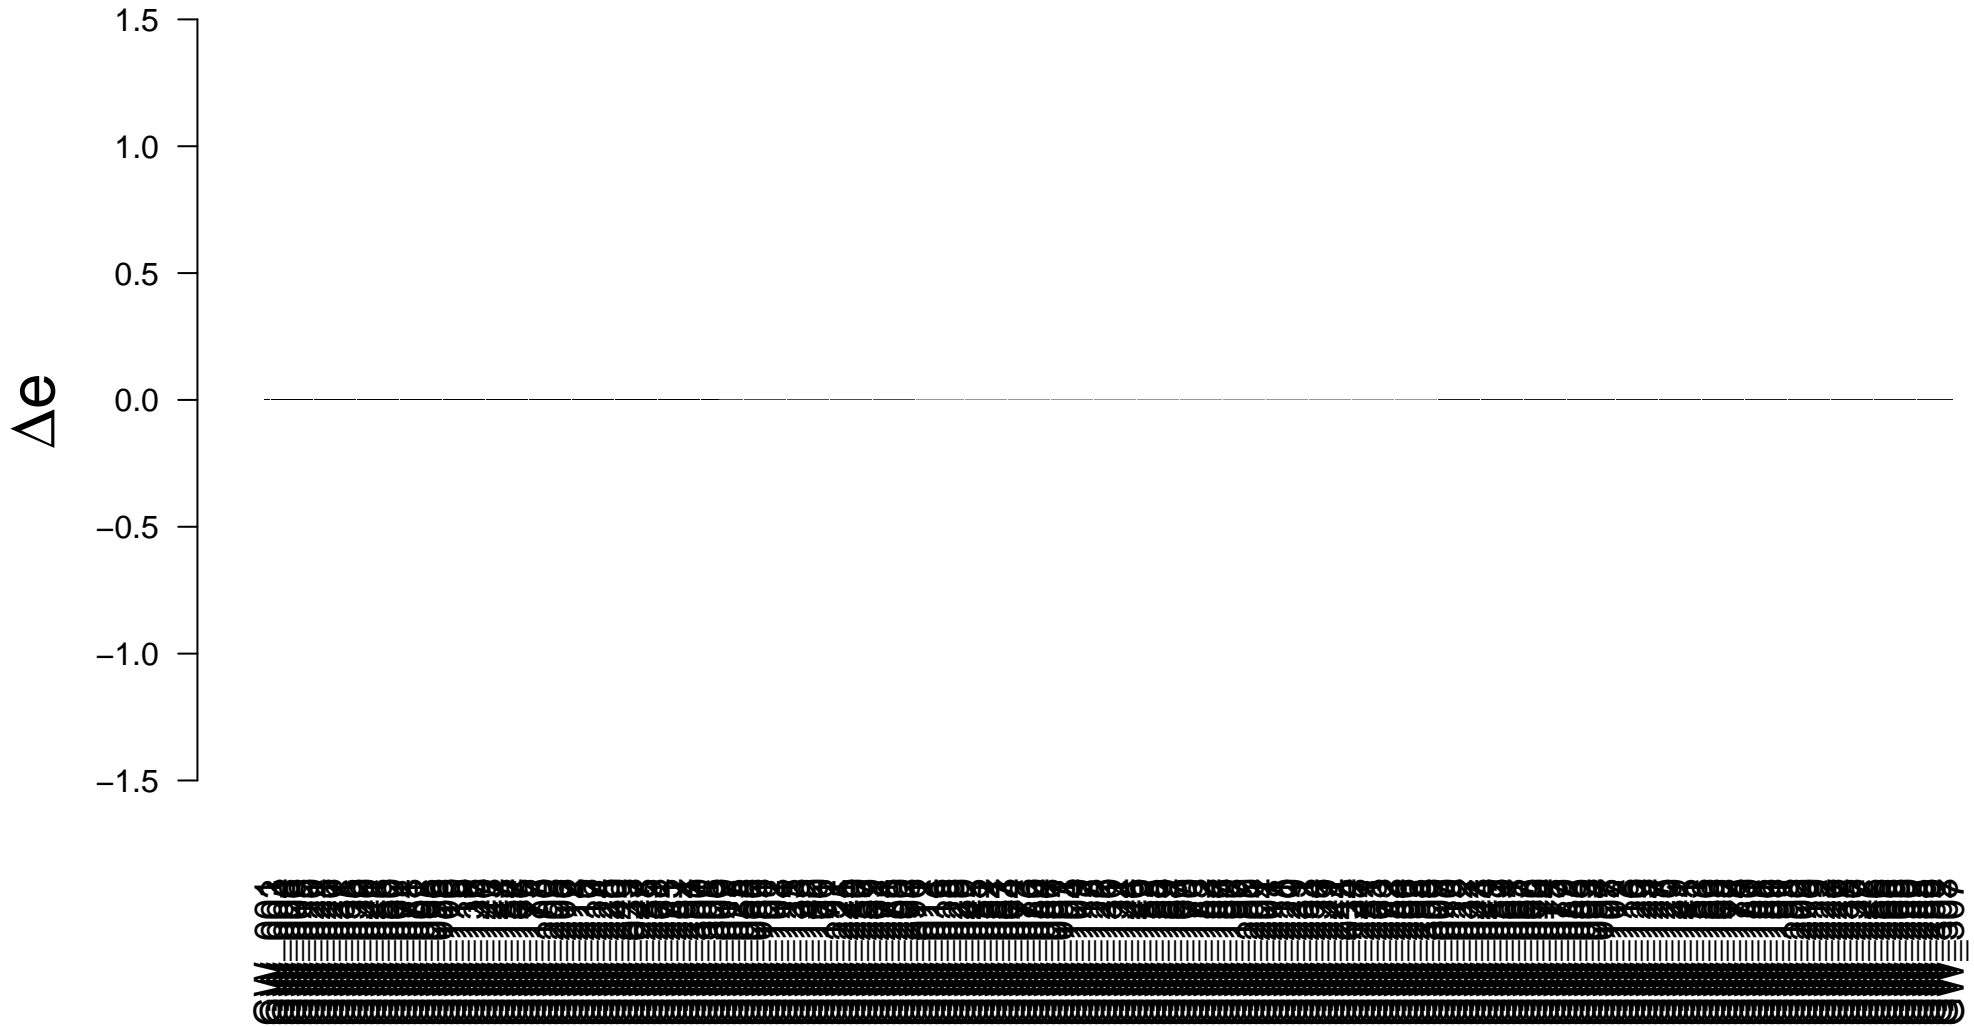

Expression of cytoskeletal adaptor activity in Spot A

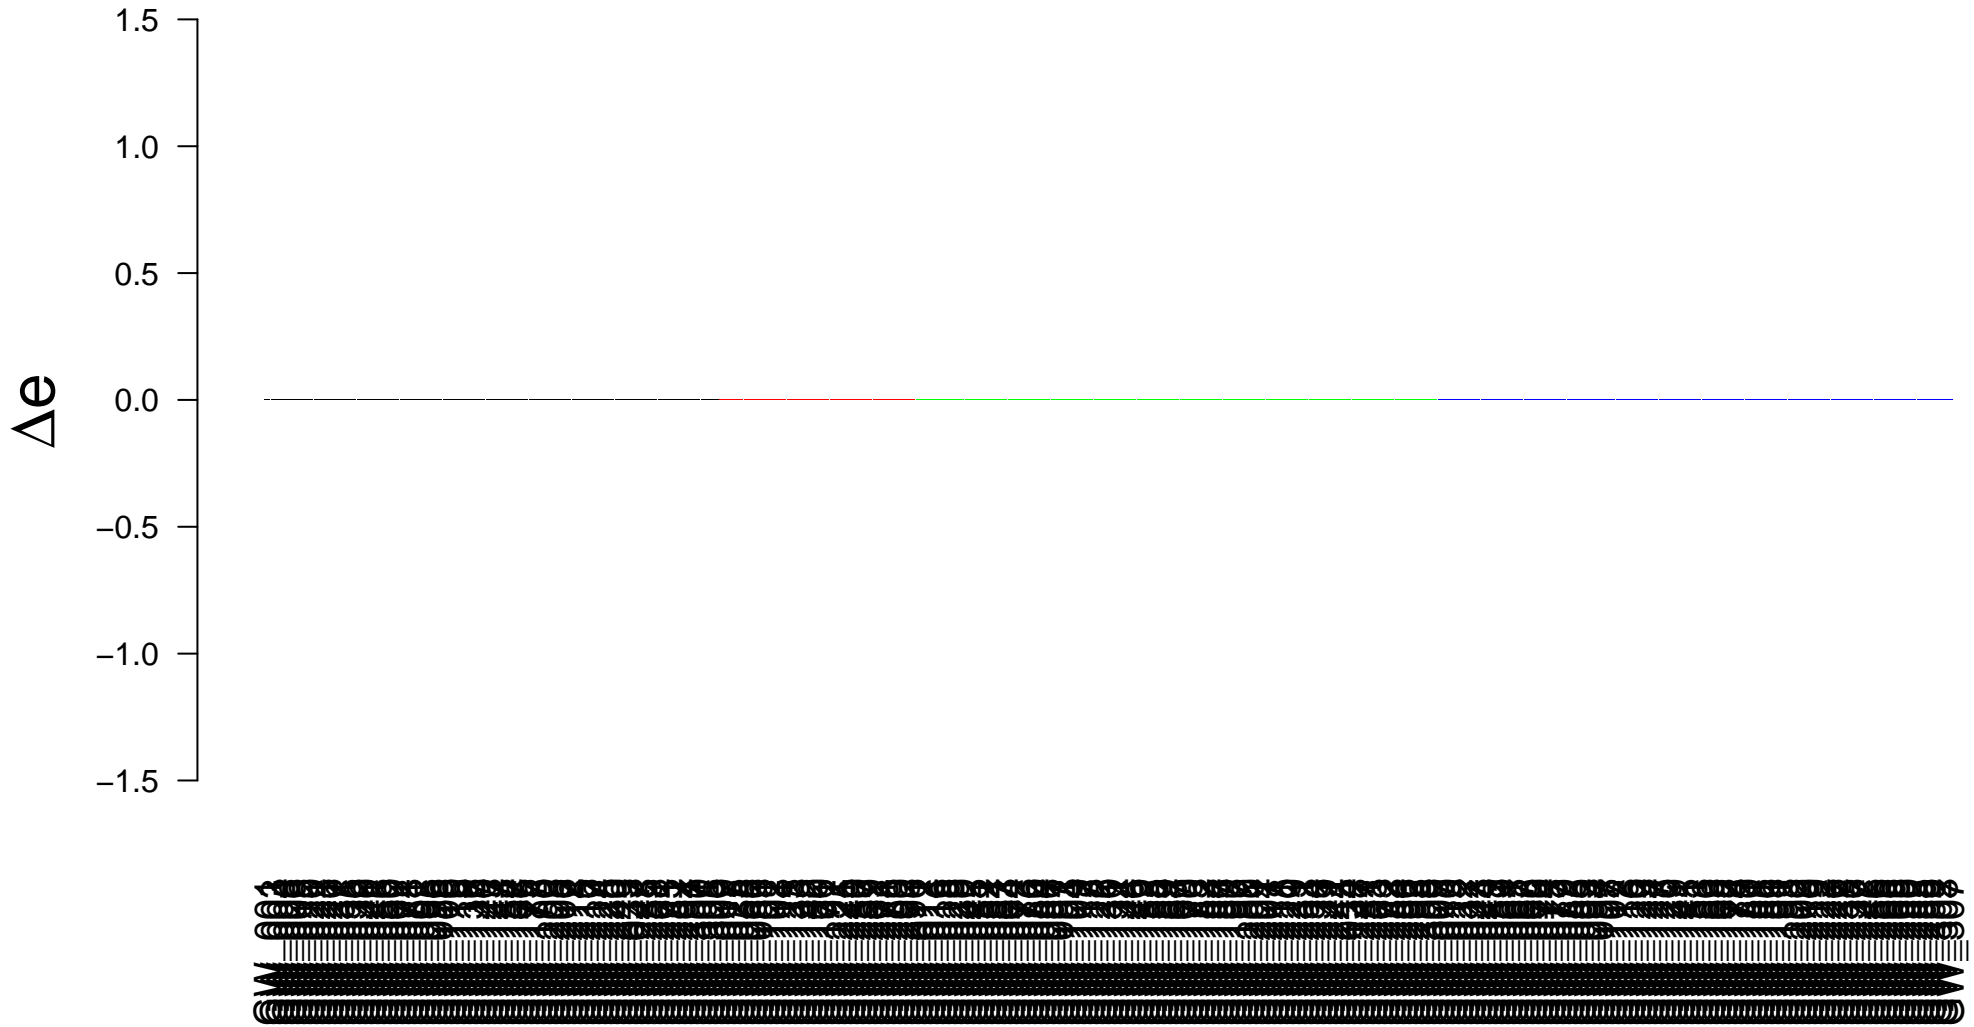

Δe

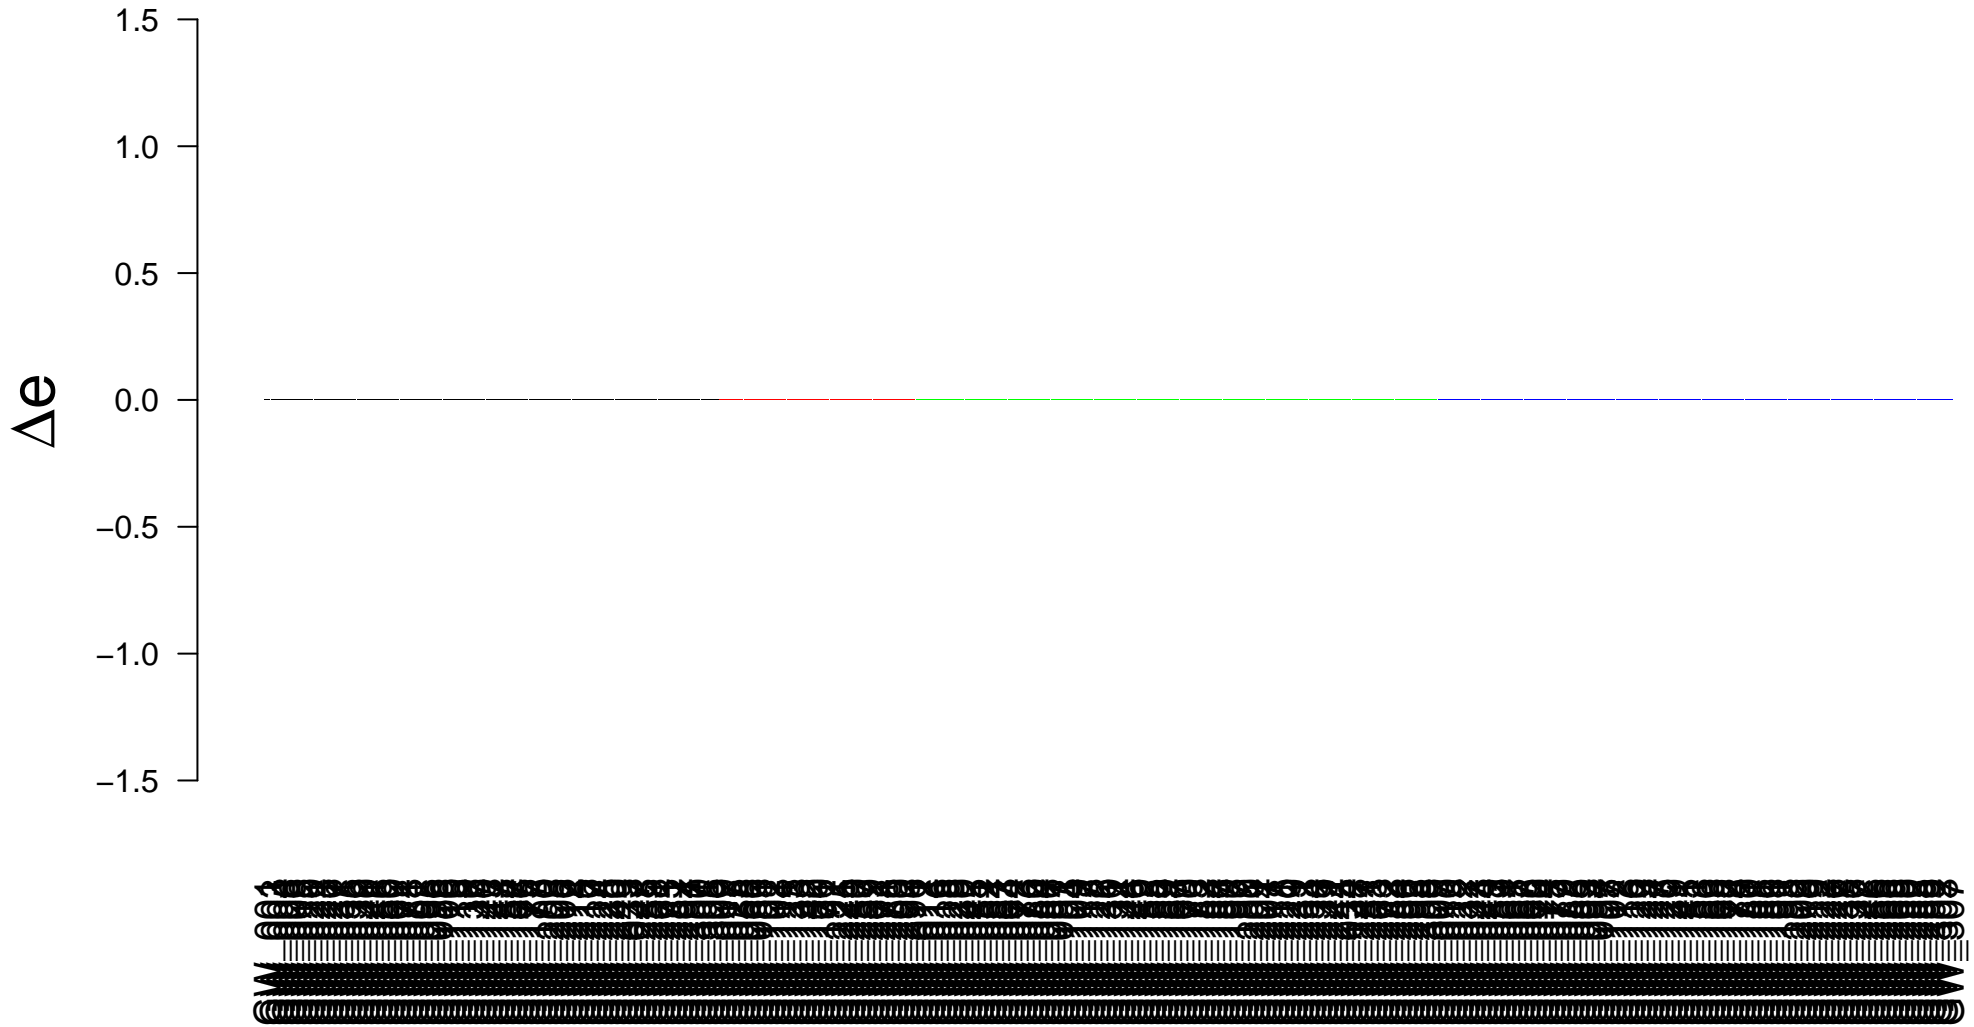

Expression of cytoskeletal adaptor activity in Spot B

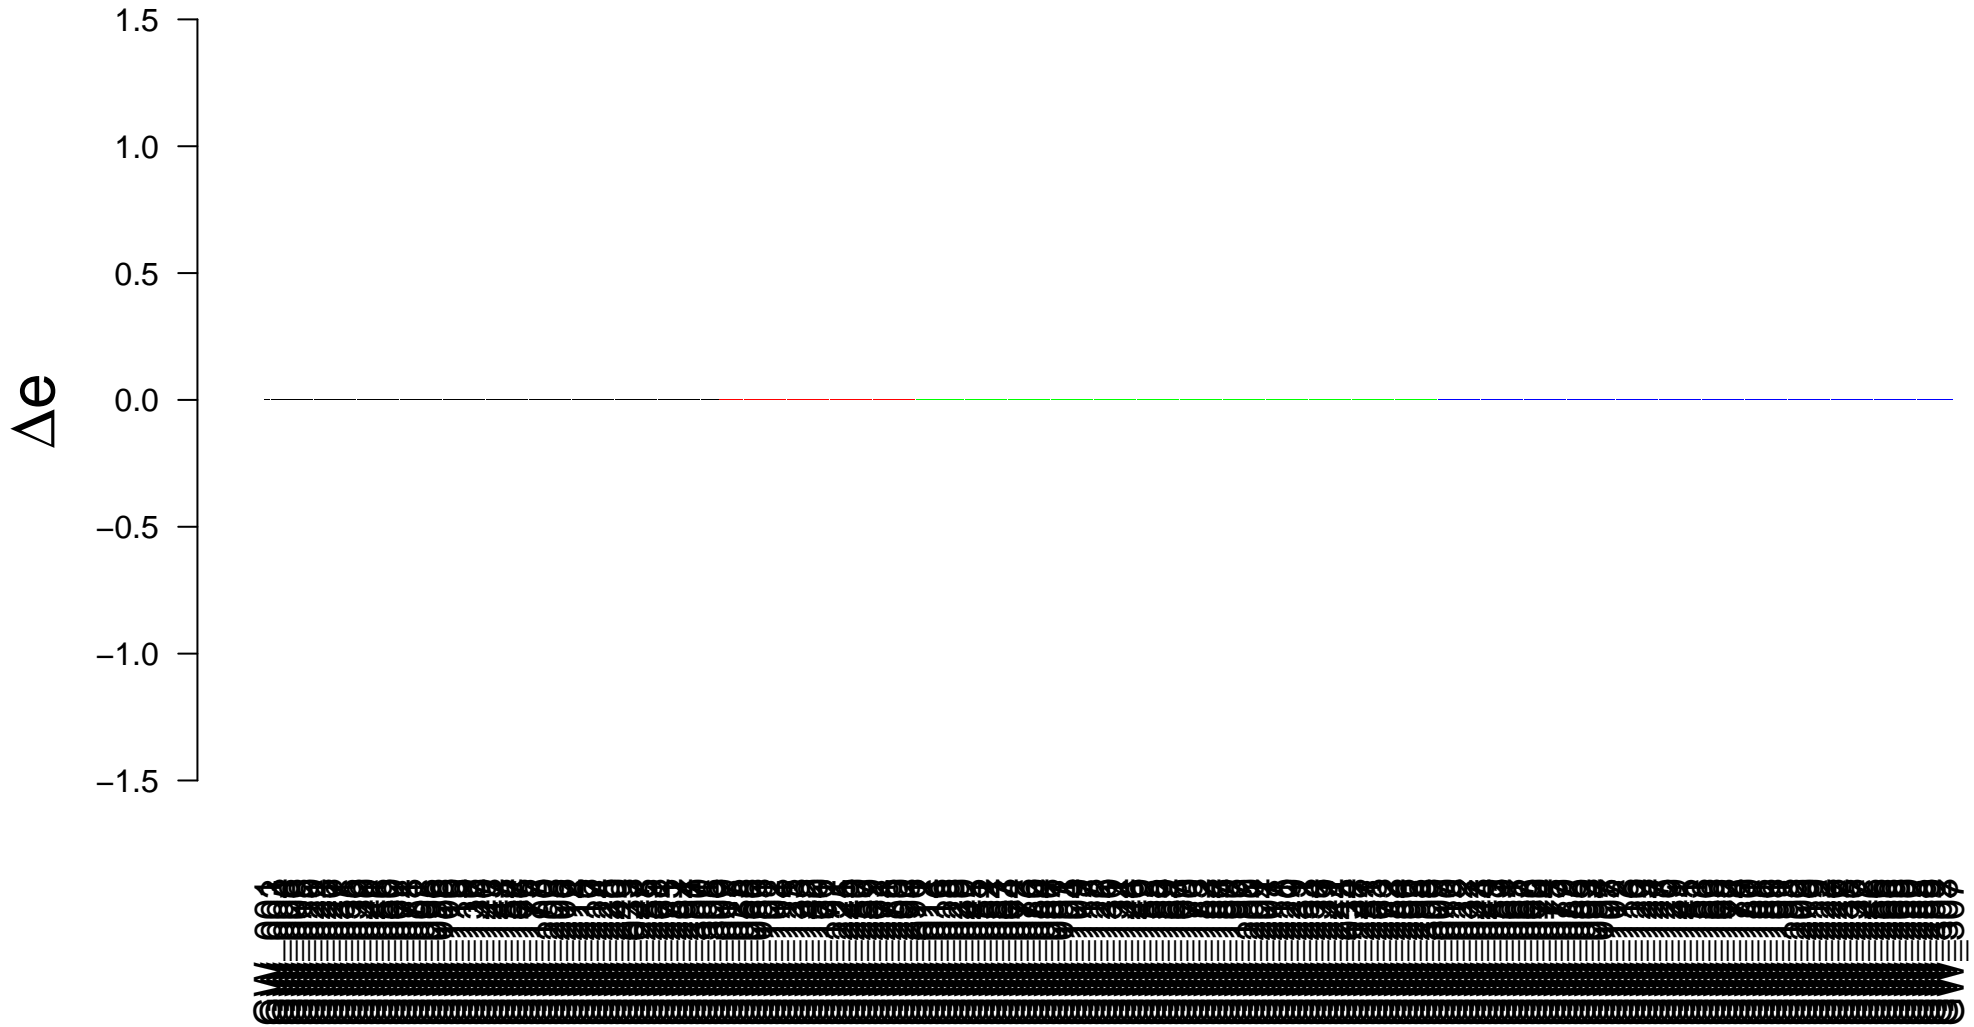

Expression of cytoskeletal adaptor activity in Spot C

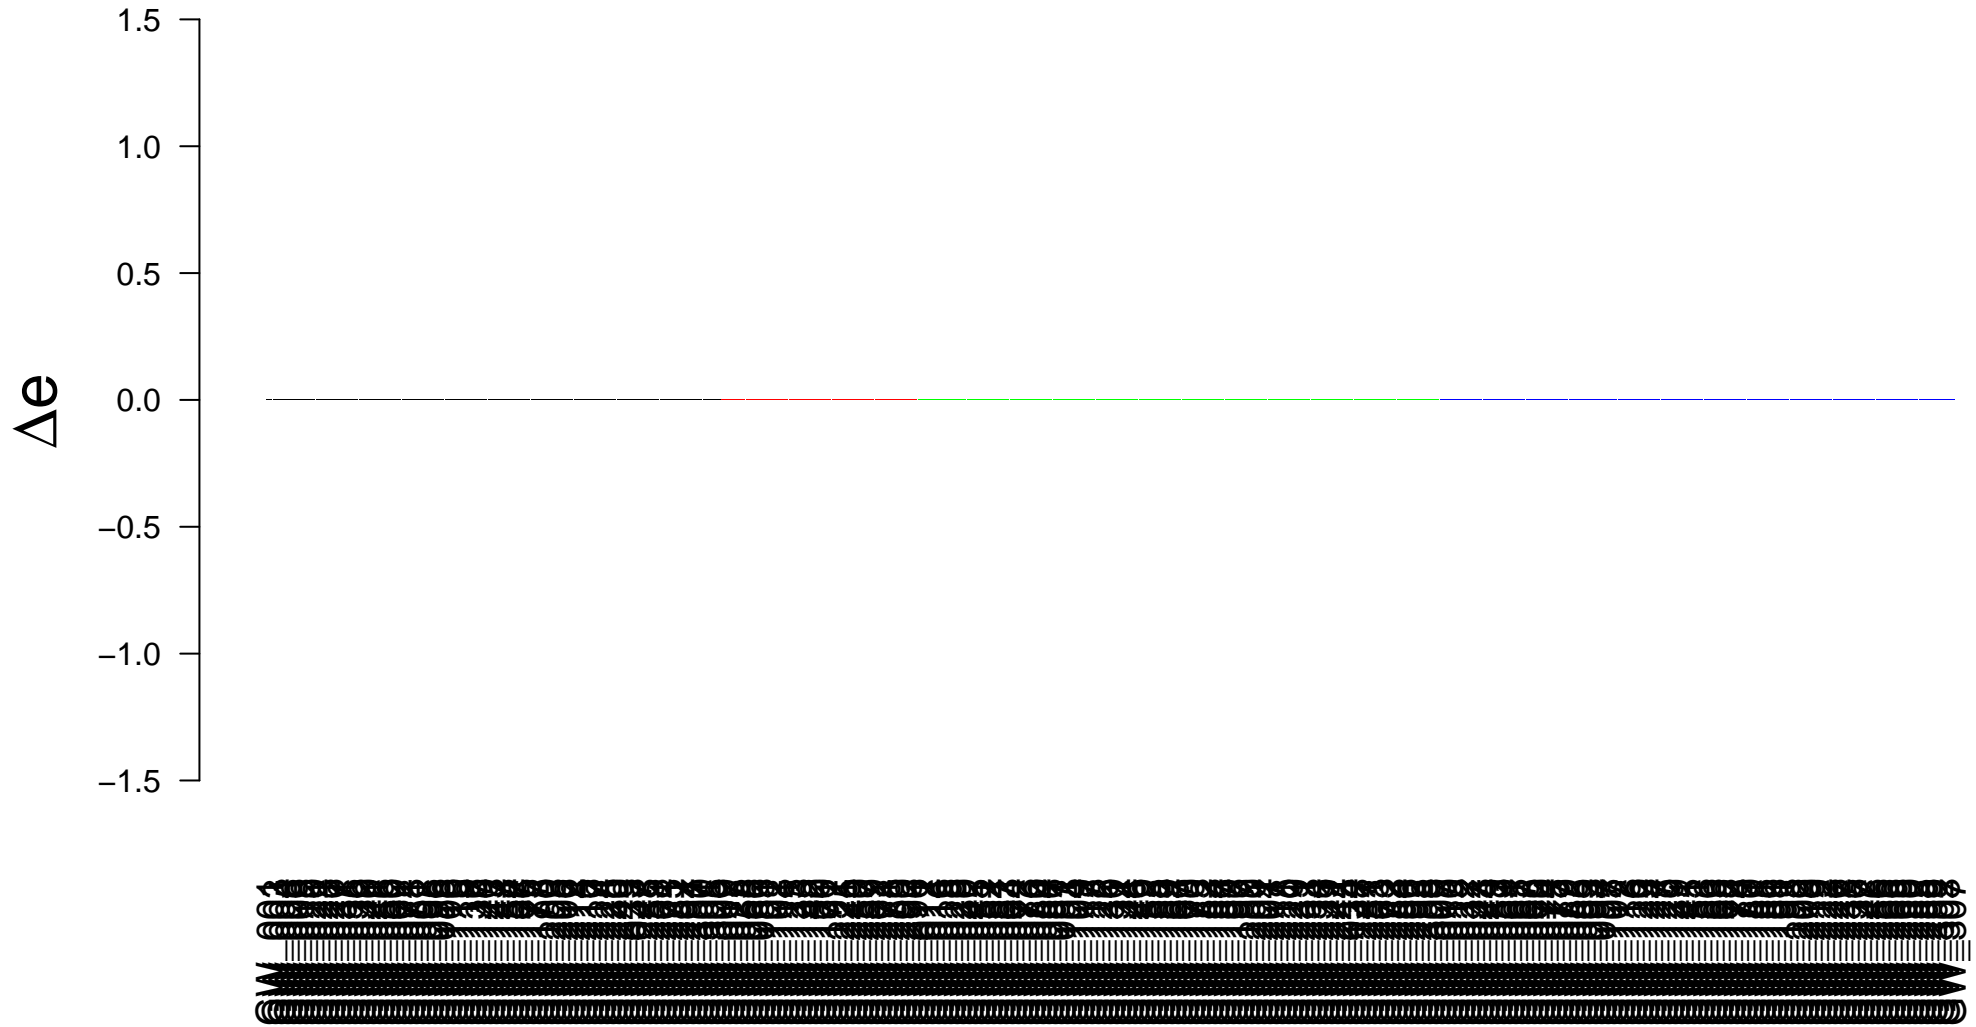

Expression of cytoskeletal adaptor activity in Spot D

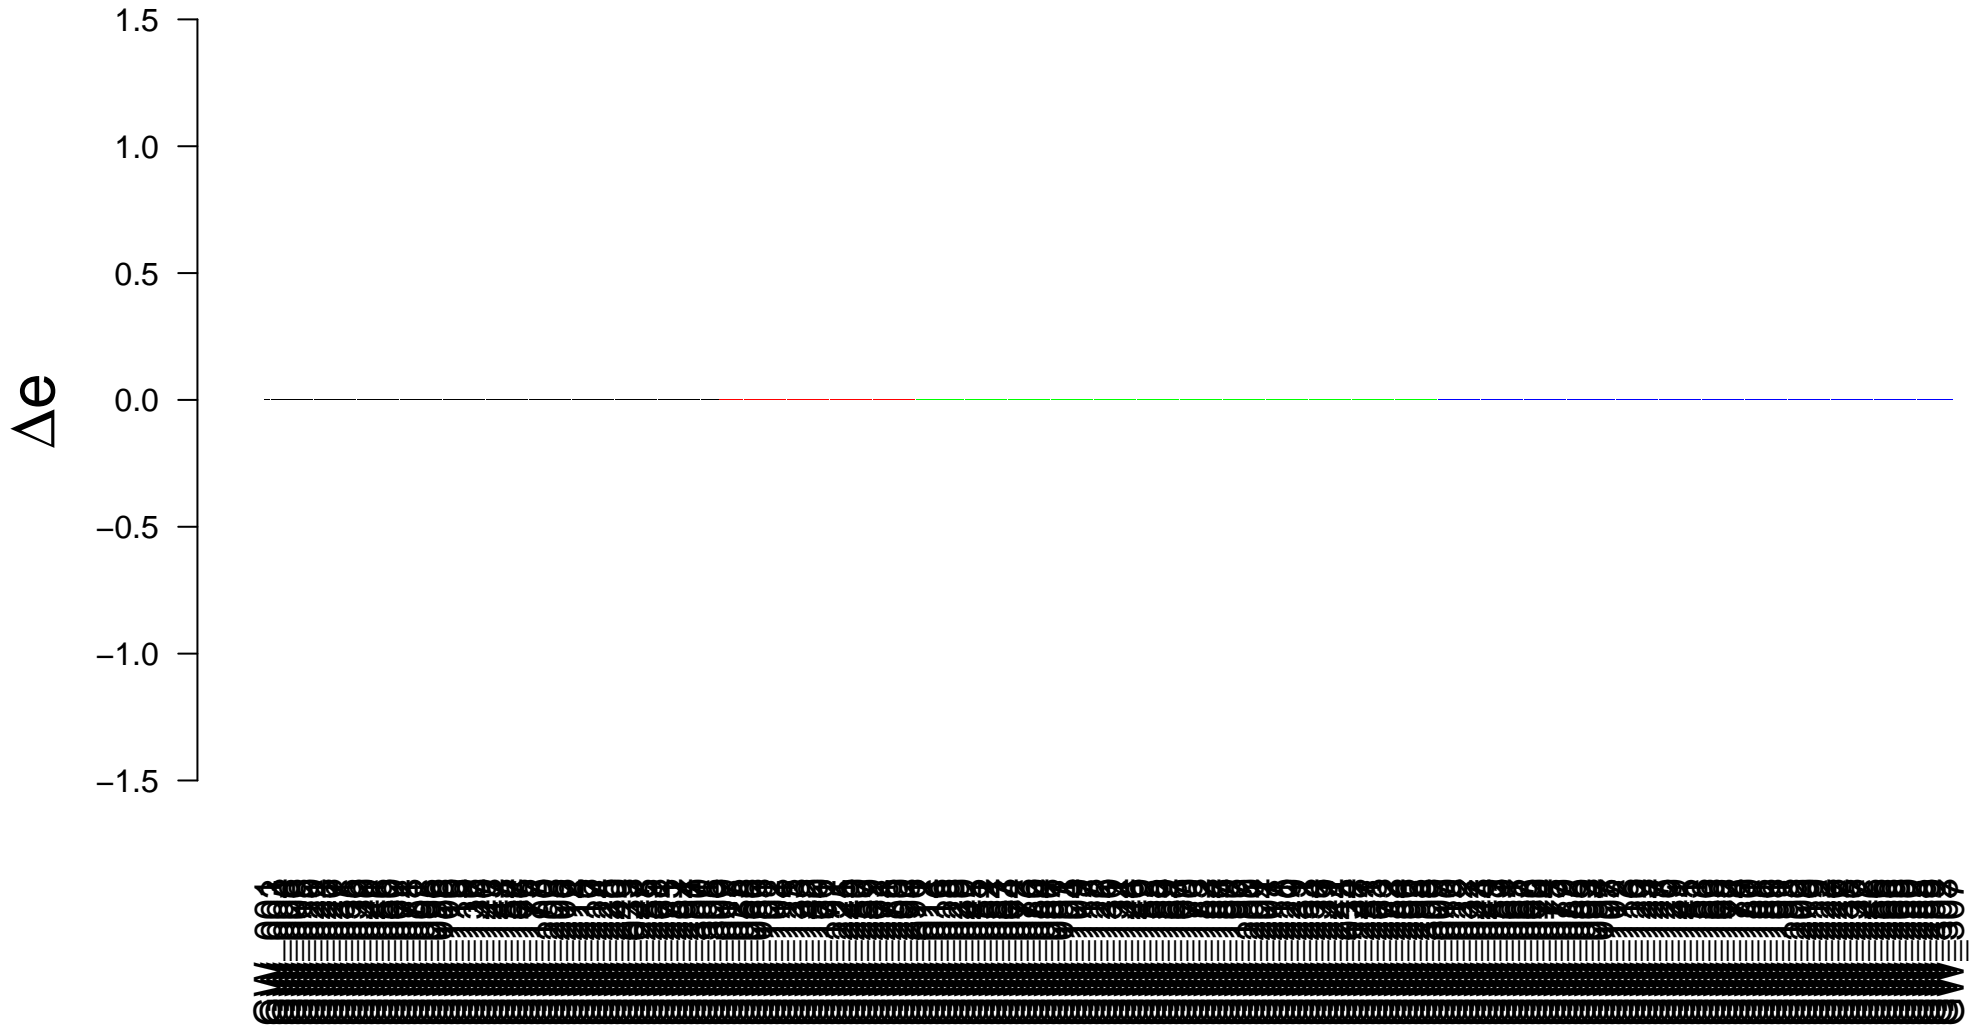

Expression of cytoskeletal adaptor activity in Spot E

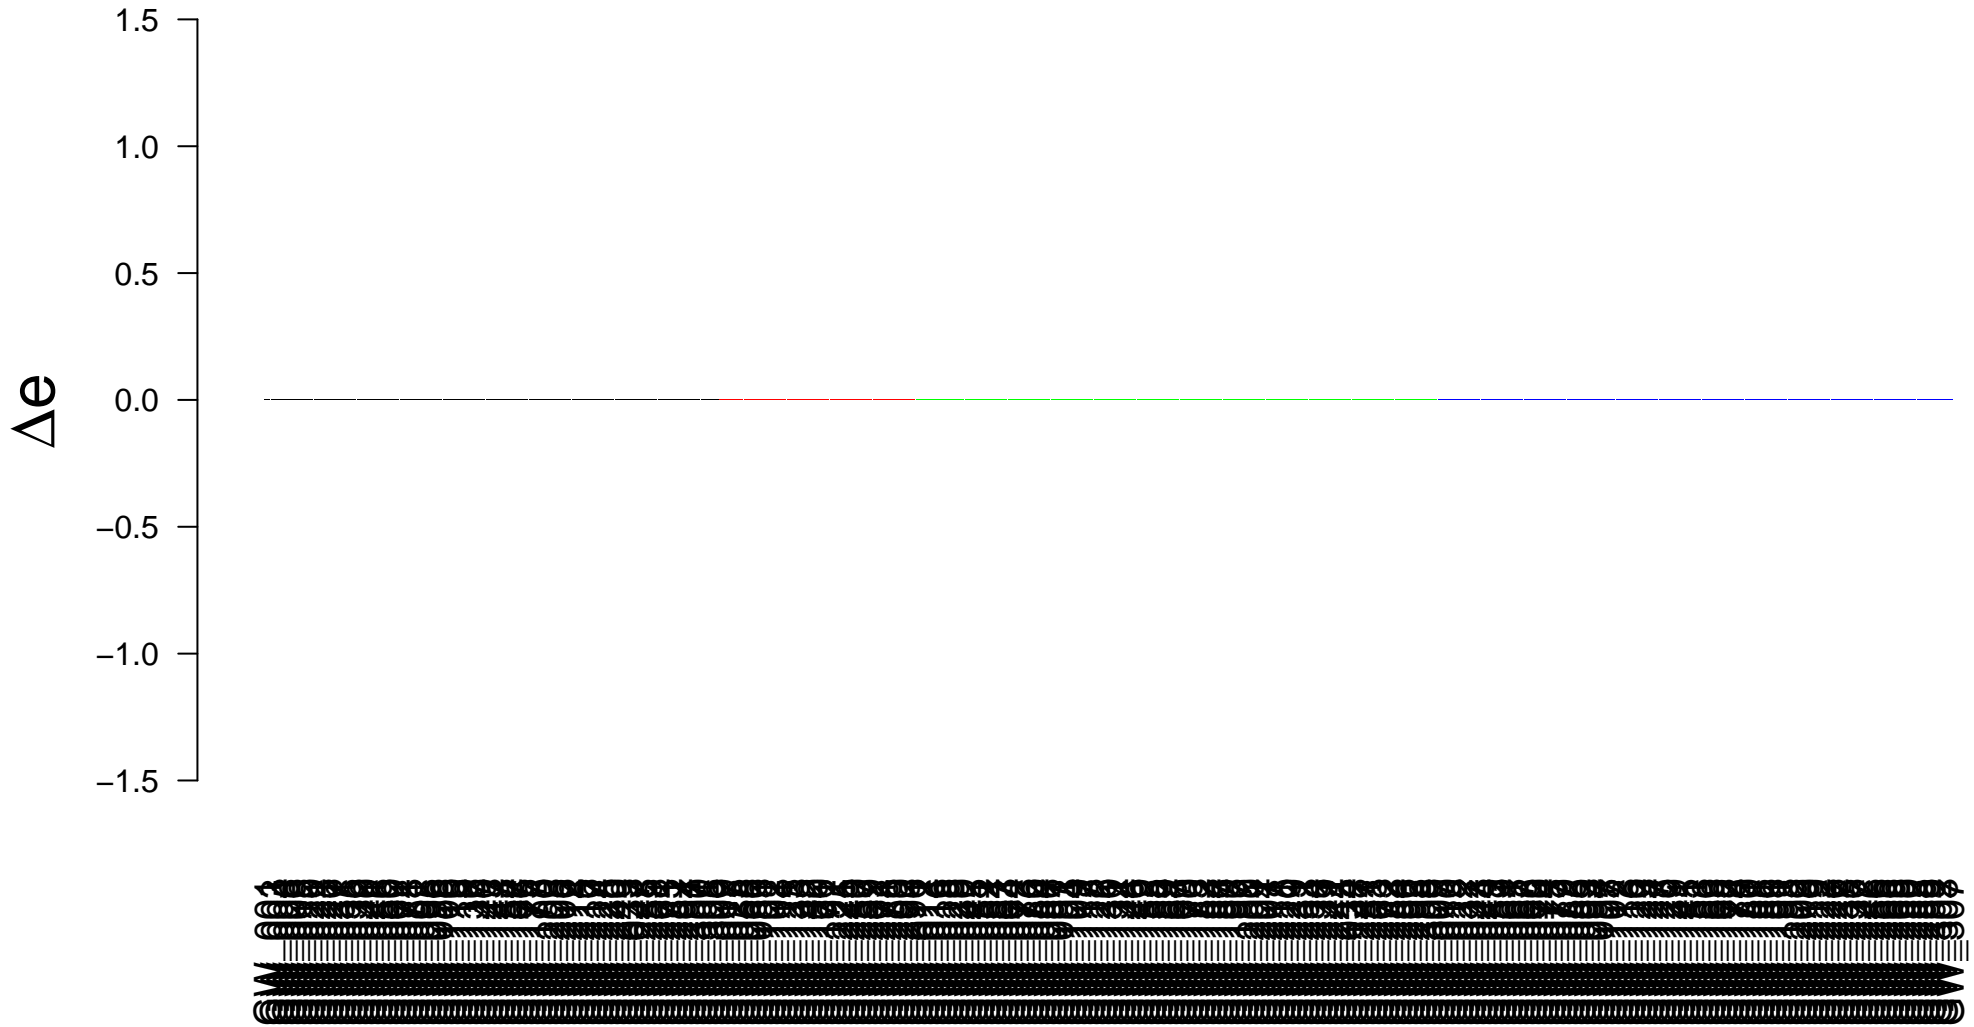

Expression of cytoskeletal adaptor activity in Spot F

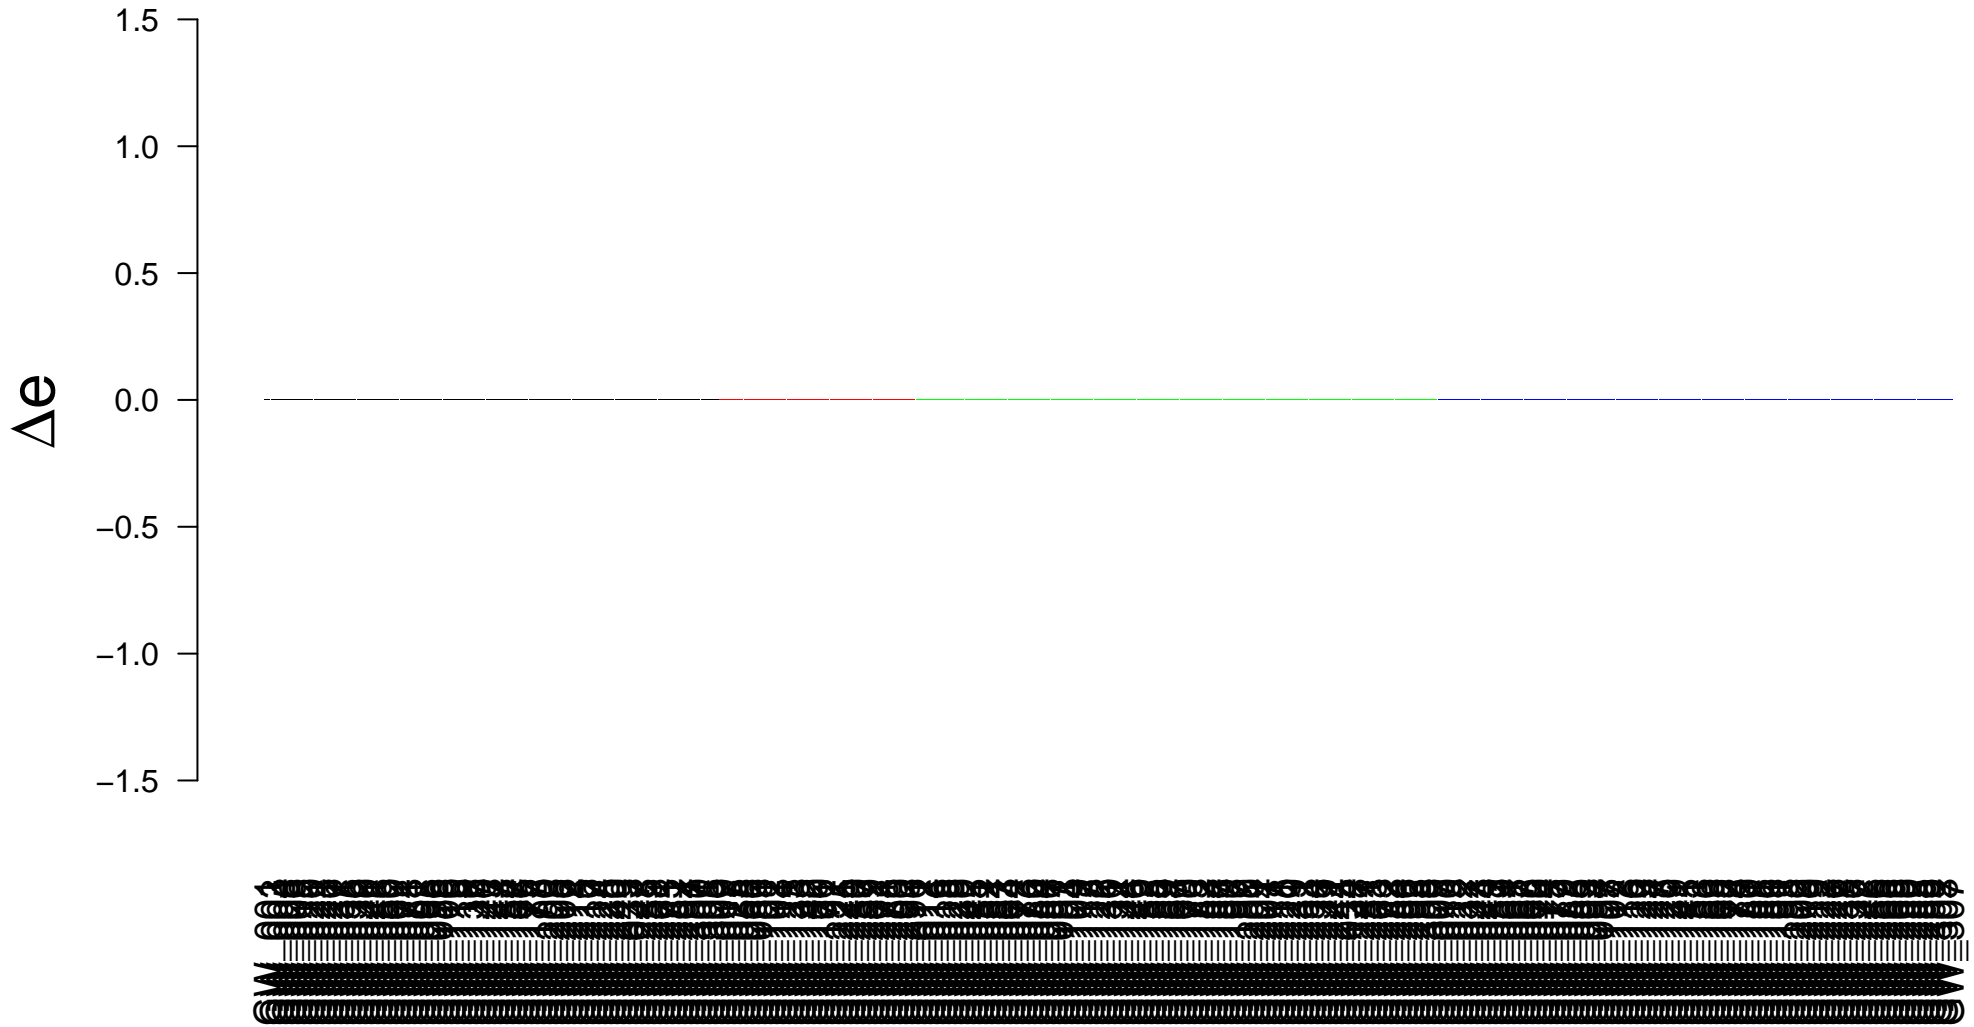

Expression of cytoskeletal adaptor activity in Spot G

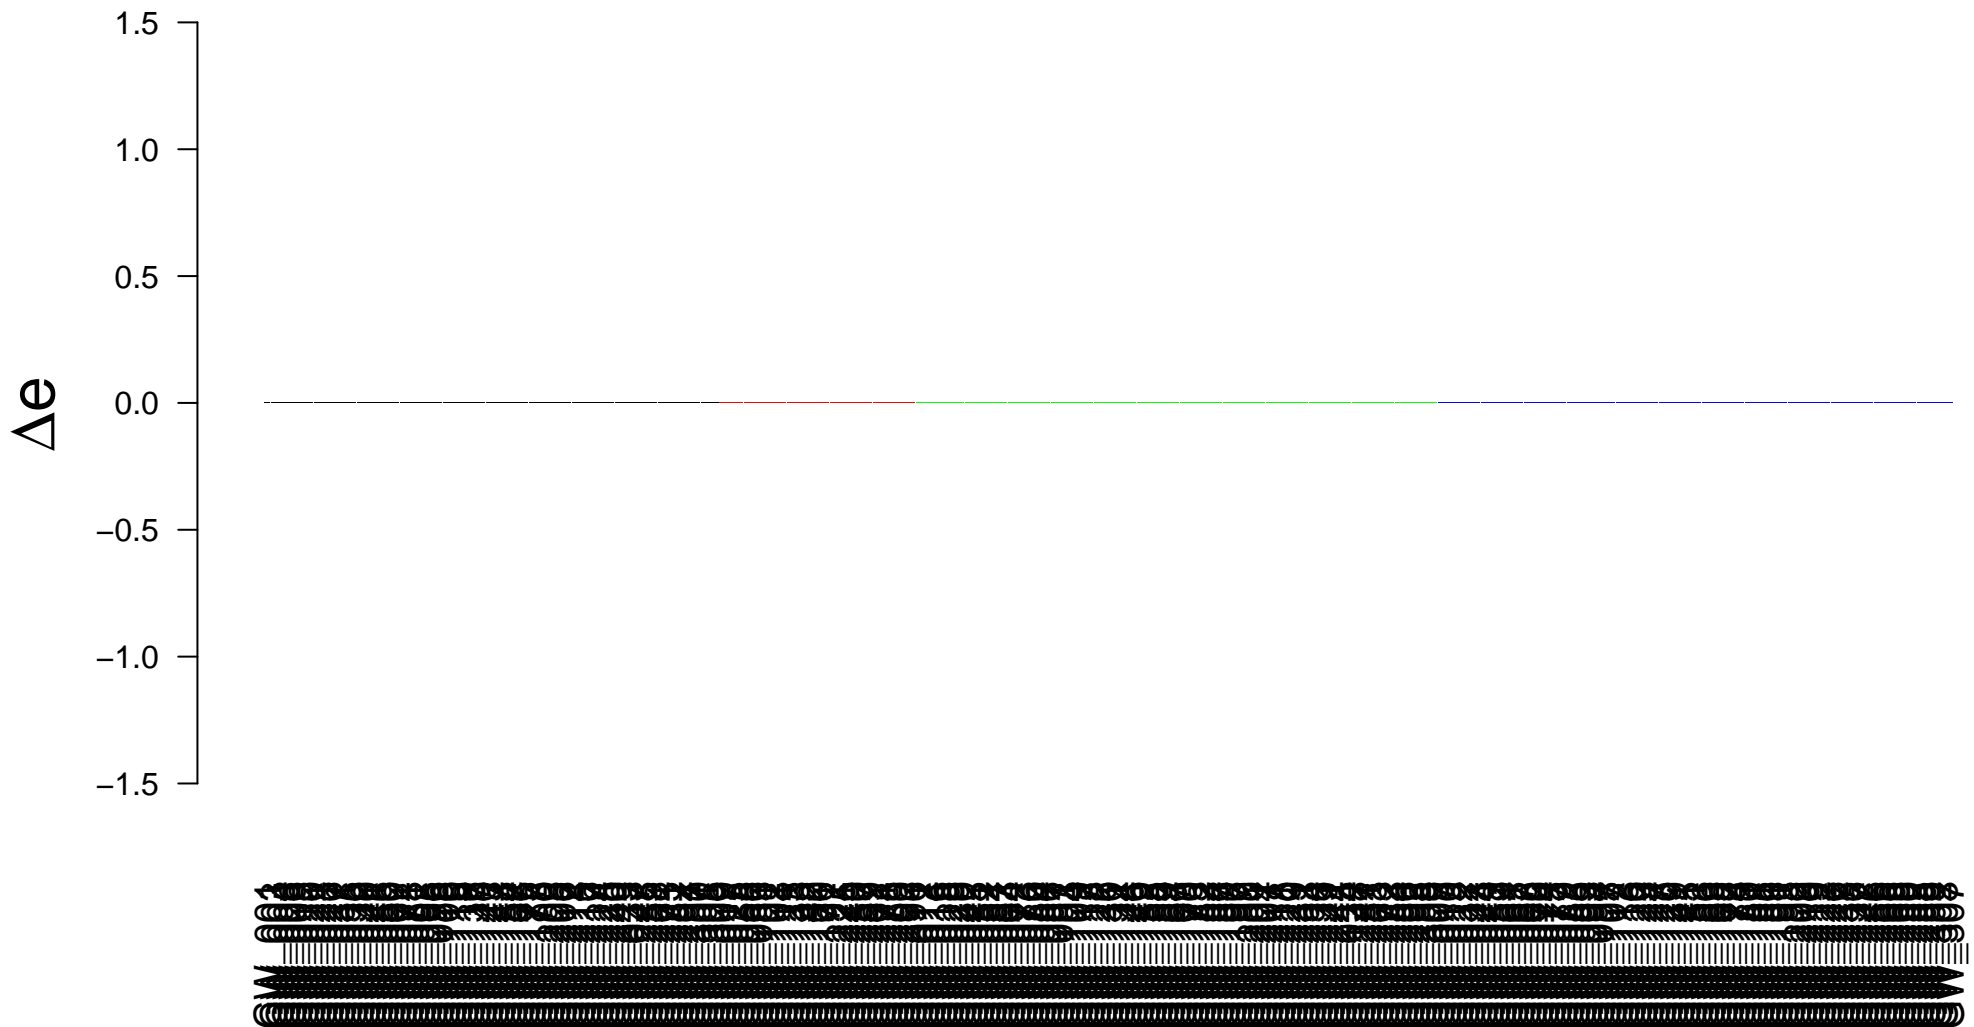

Expression of cytoskeletal adaptor activity in Spot H

Expression of cytoskeletal adaptor activity in Spot I

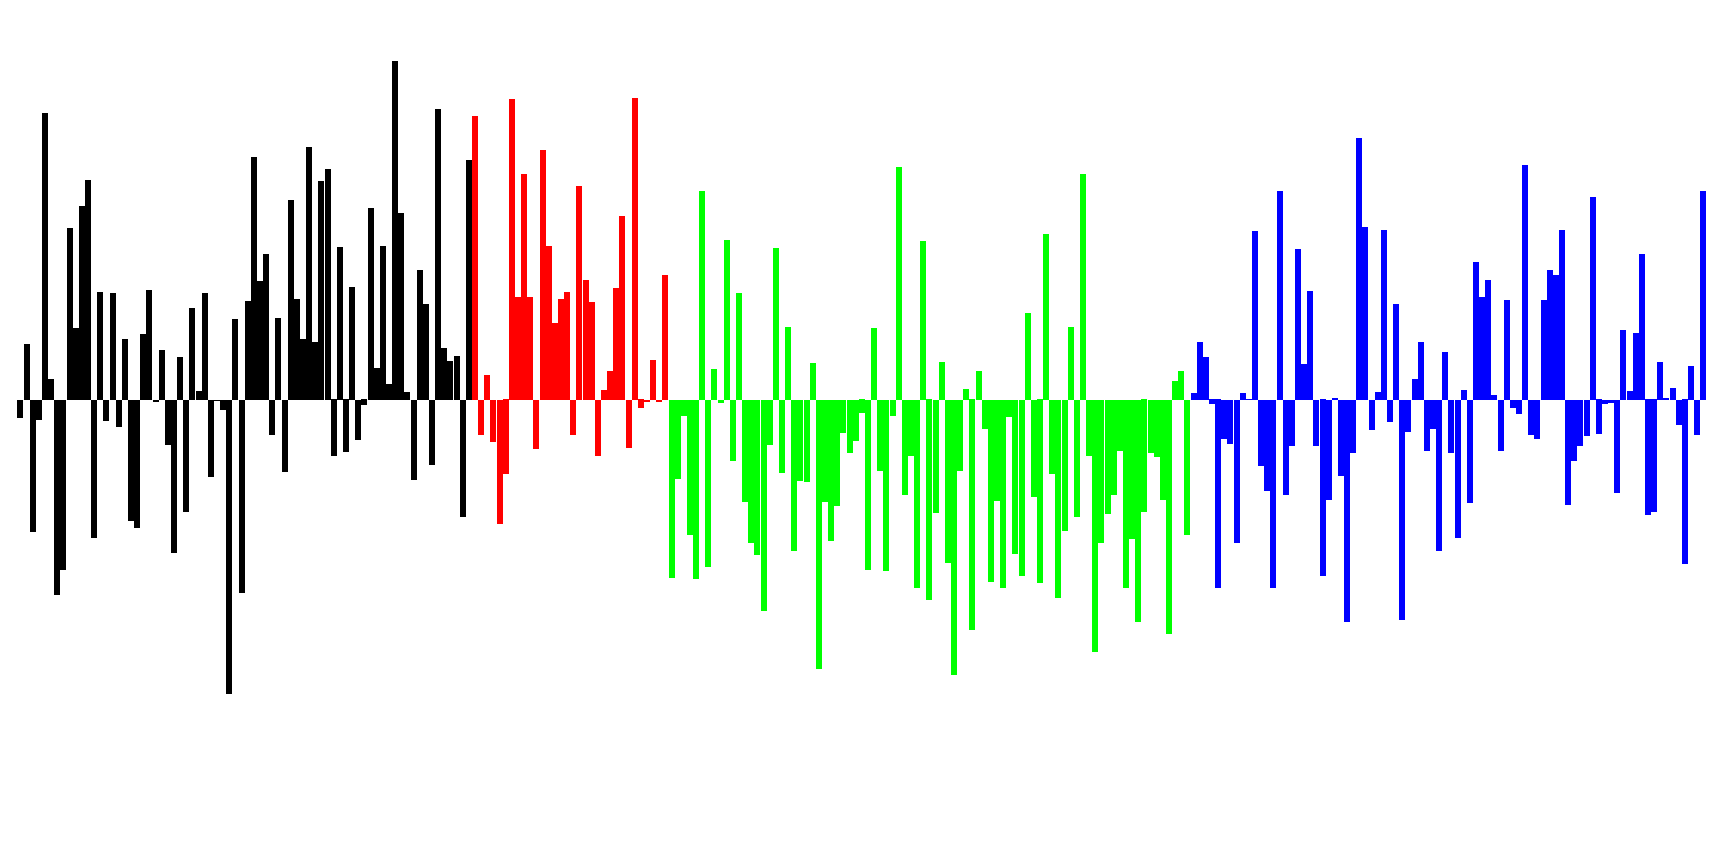

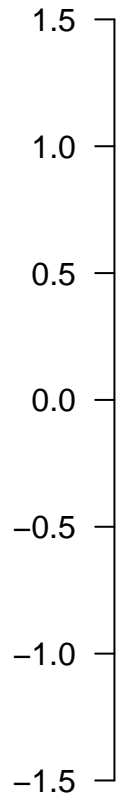

Expression of cytoskeletal adaptor activity in Spot J

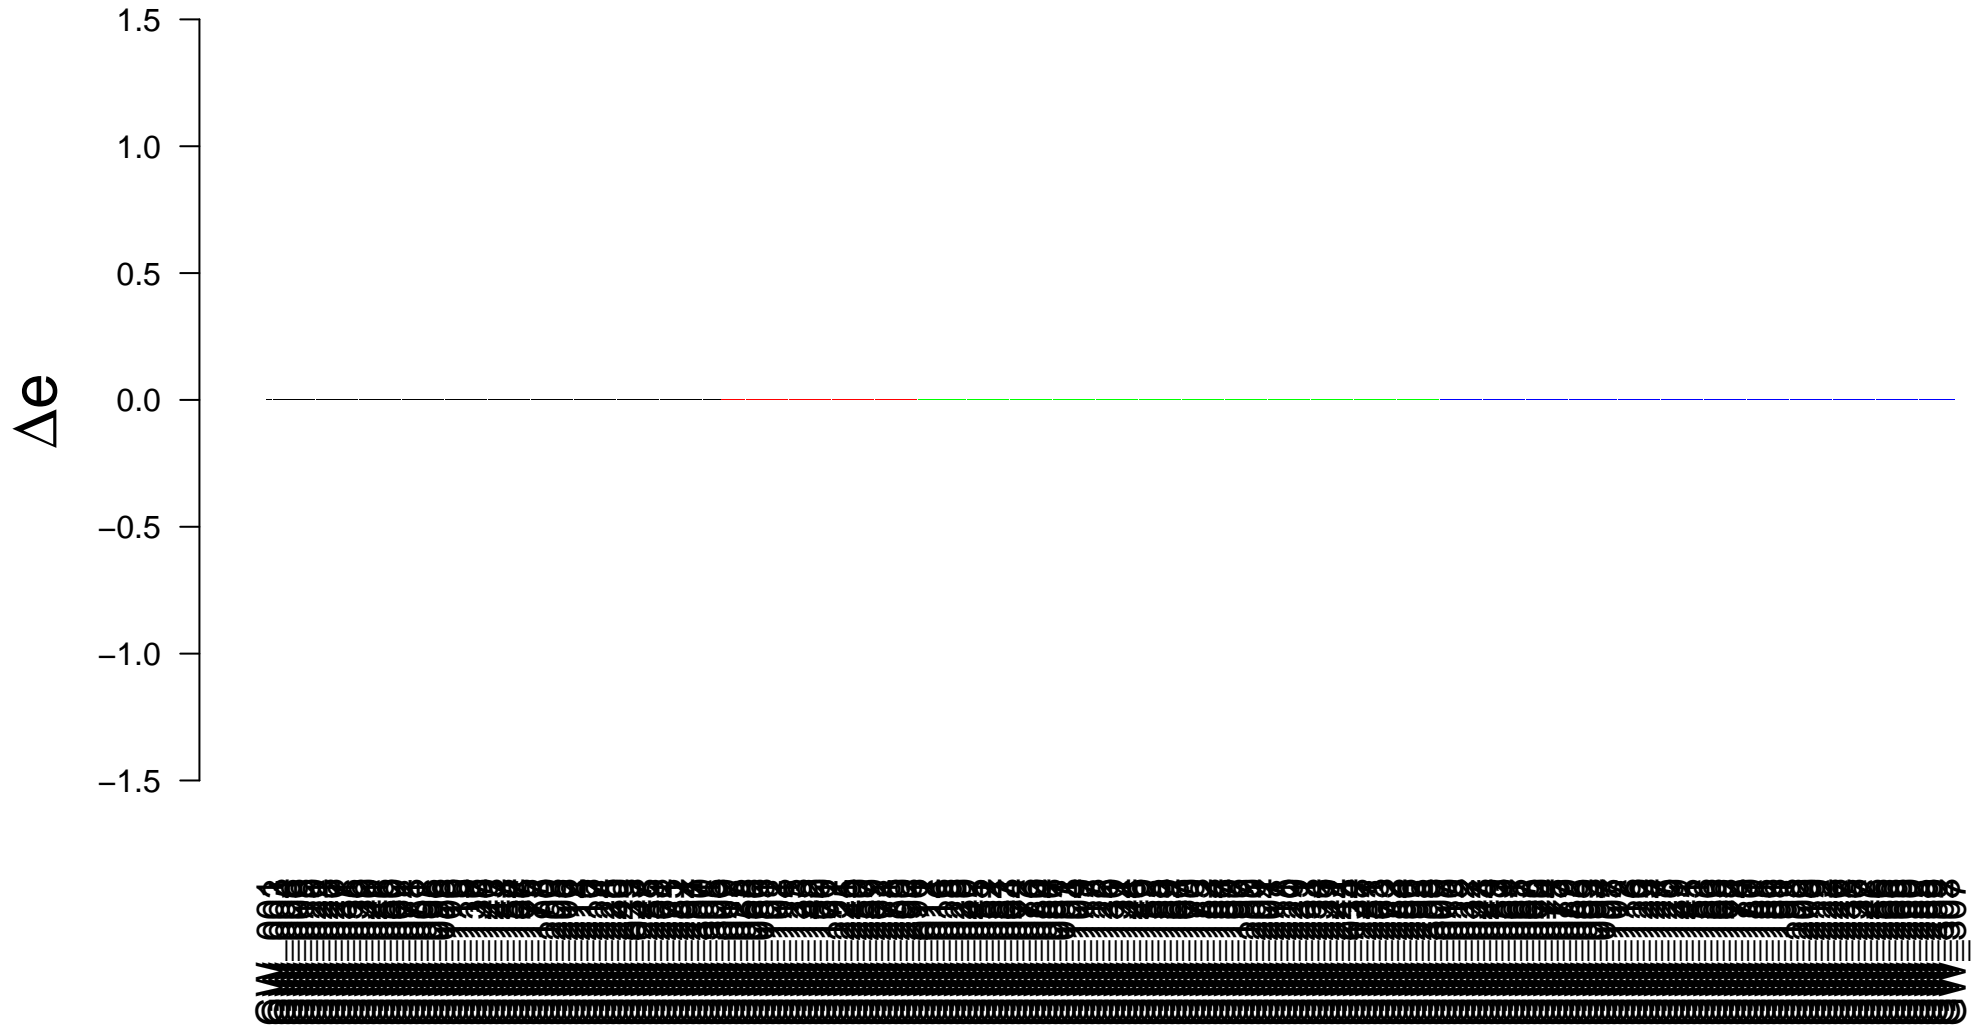

Expression of cytoskeletal adaptor activity in Spot K

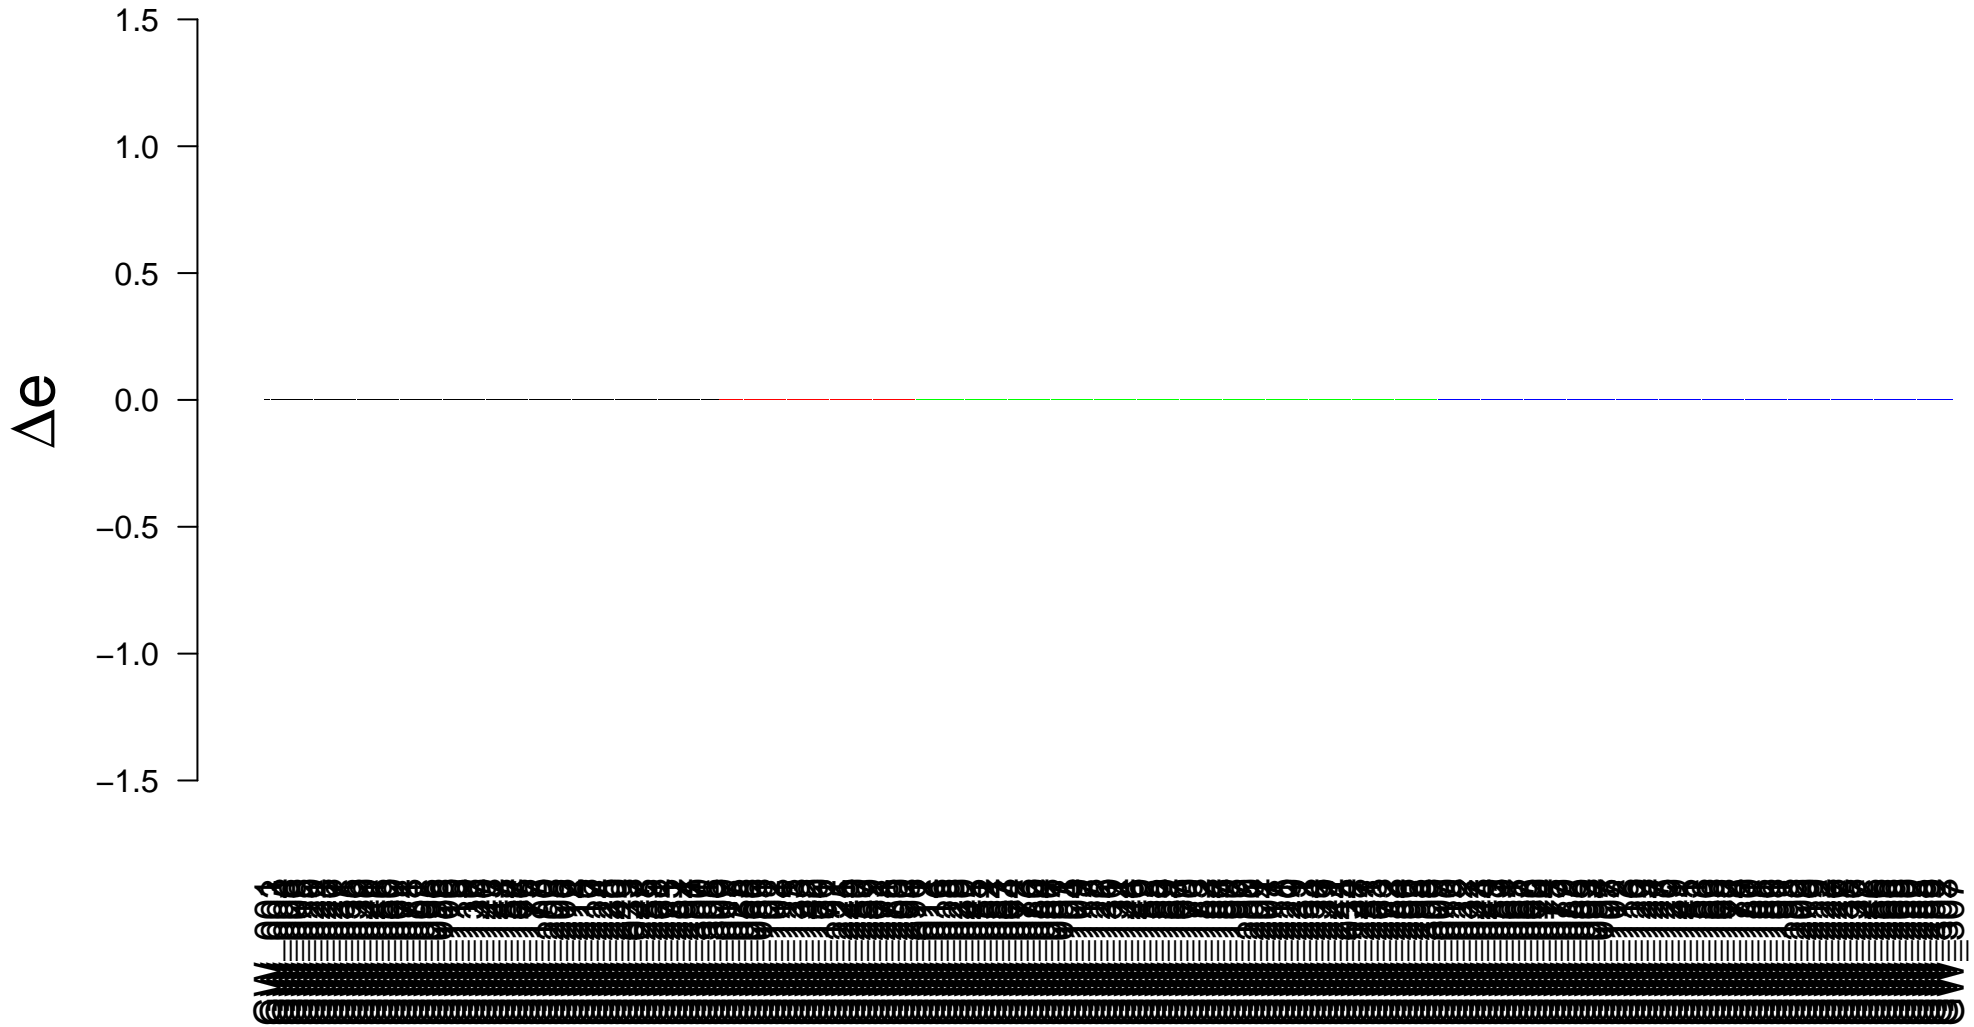

Δe

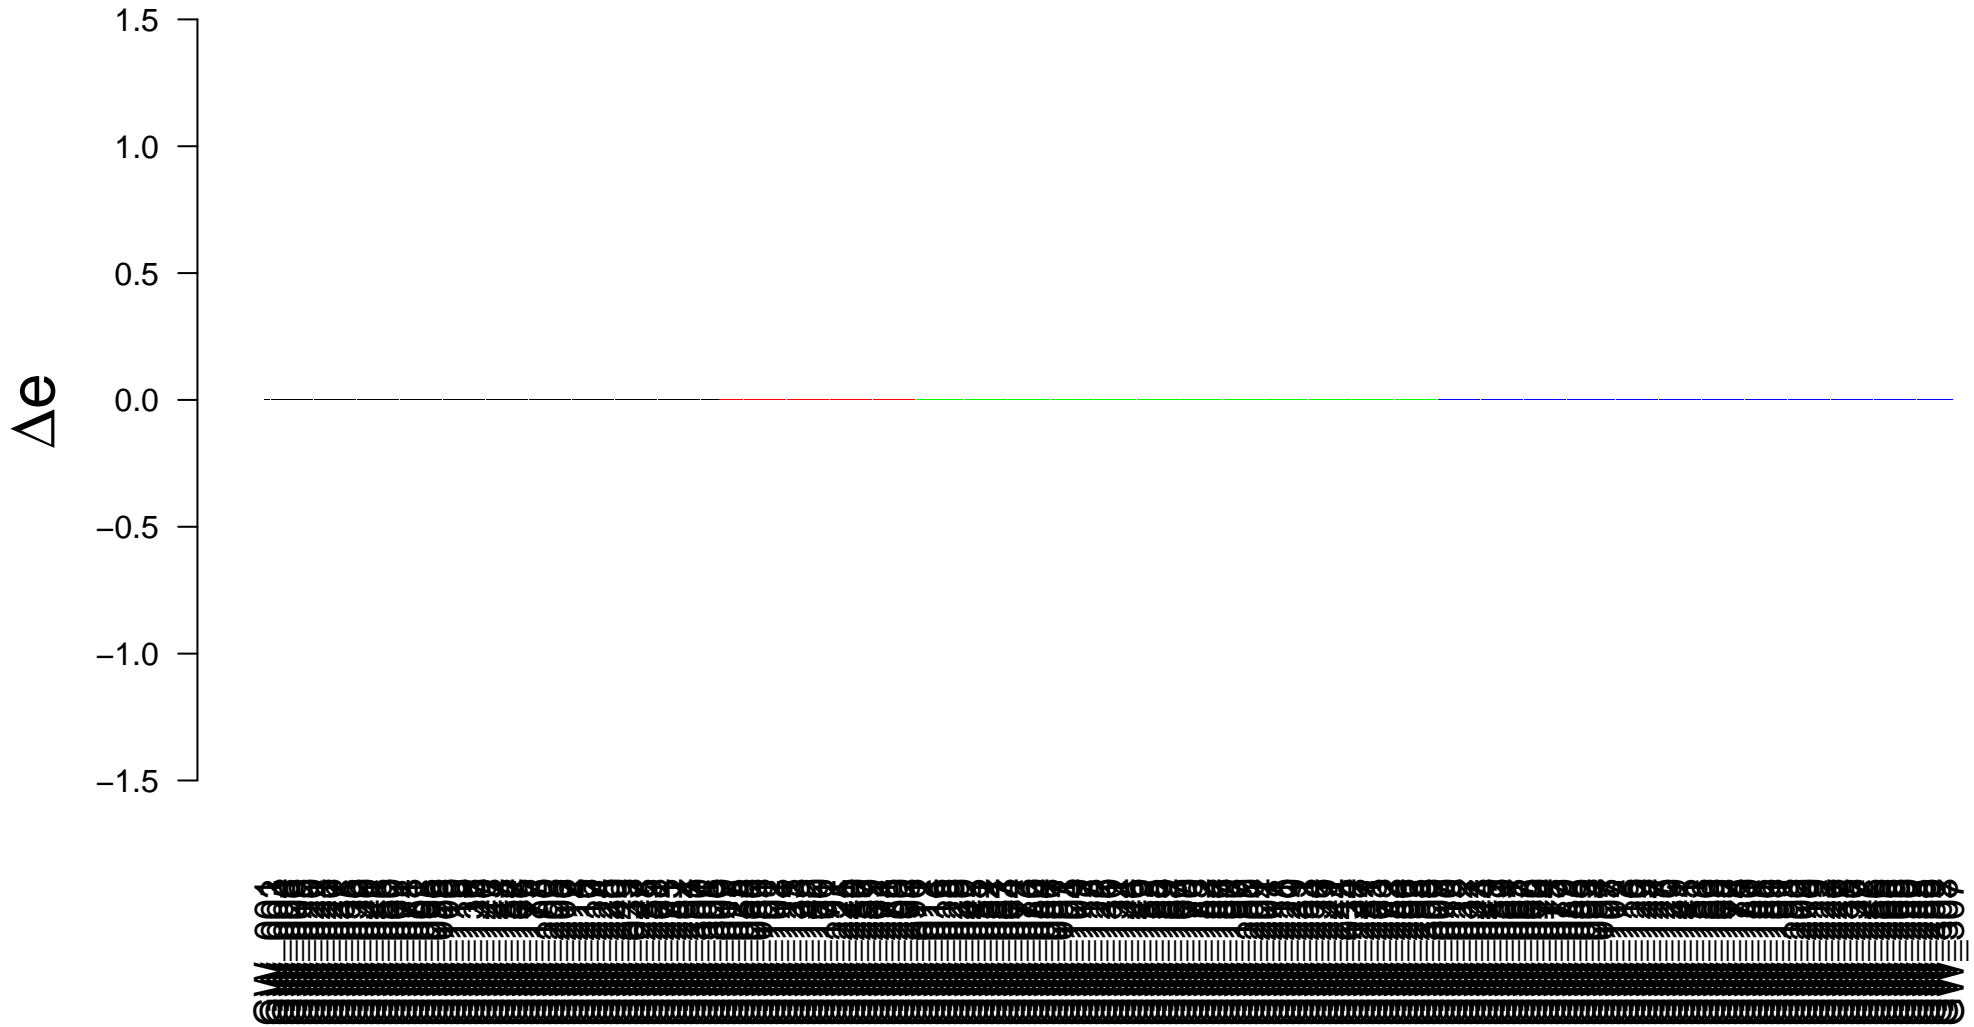

Expression of cytoskeletal adaptor activity in Spot L

Expression of cytoskeletal adaptor activity in Spot M

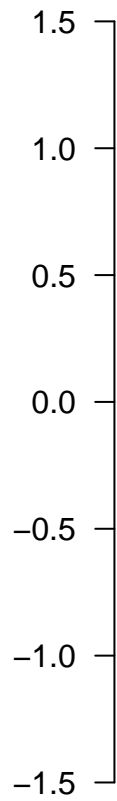

Expression of cytoskeletal adaptor activity in Spot N

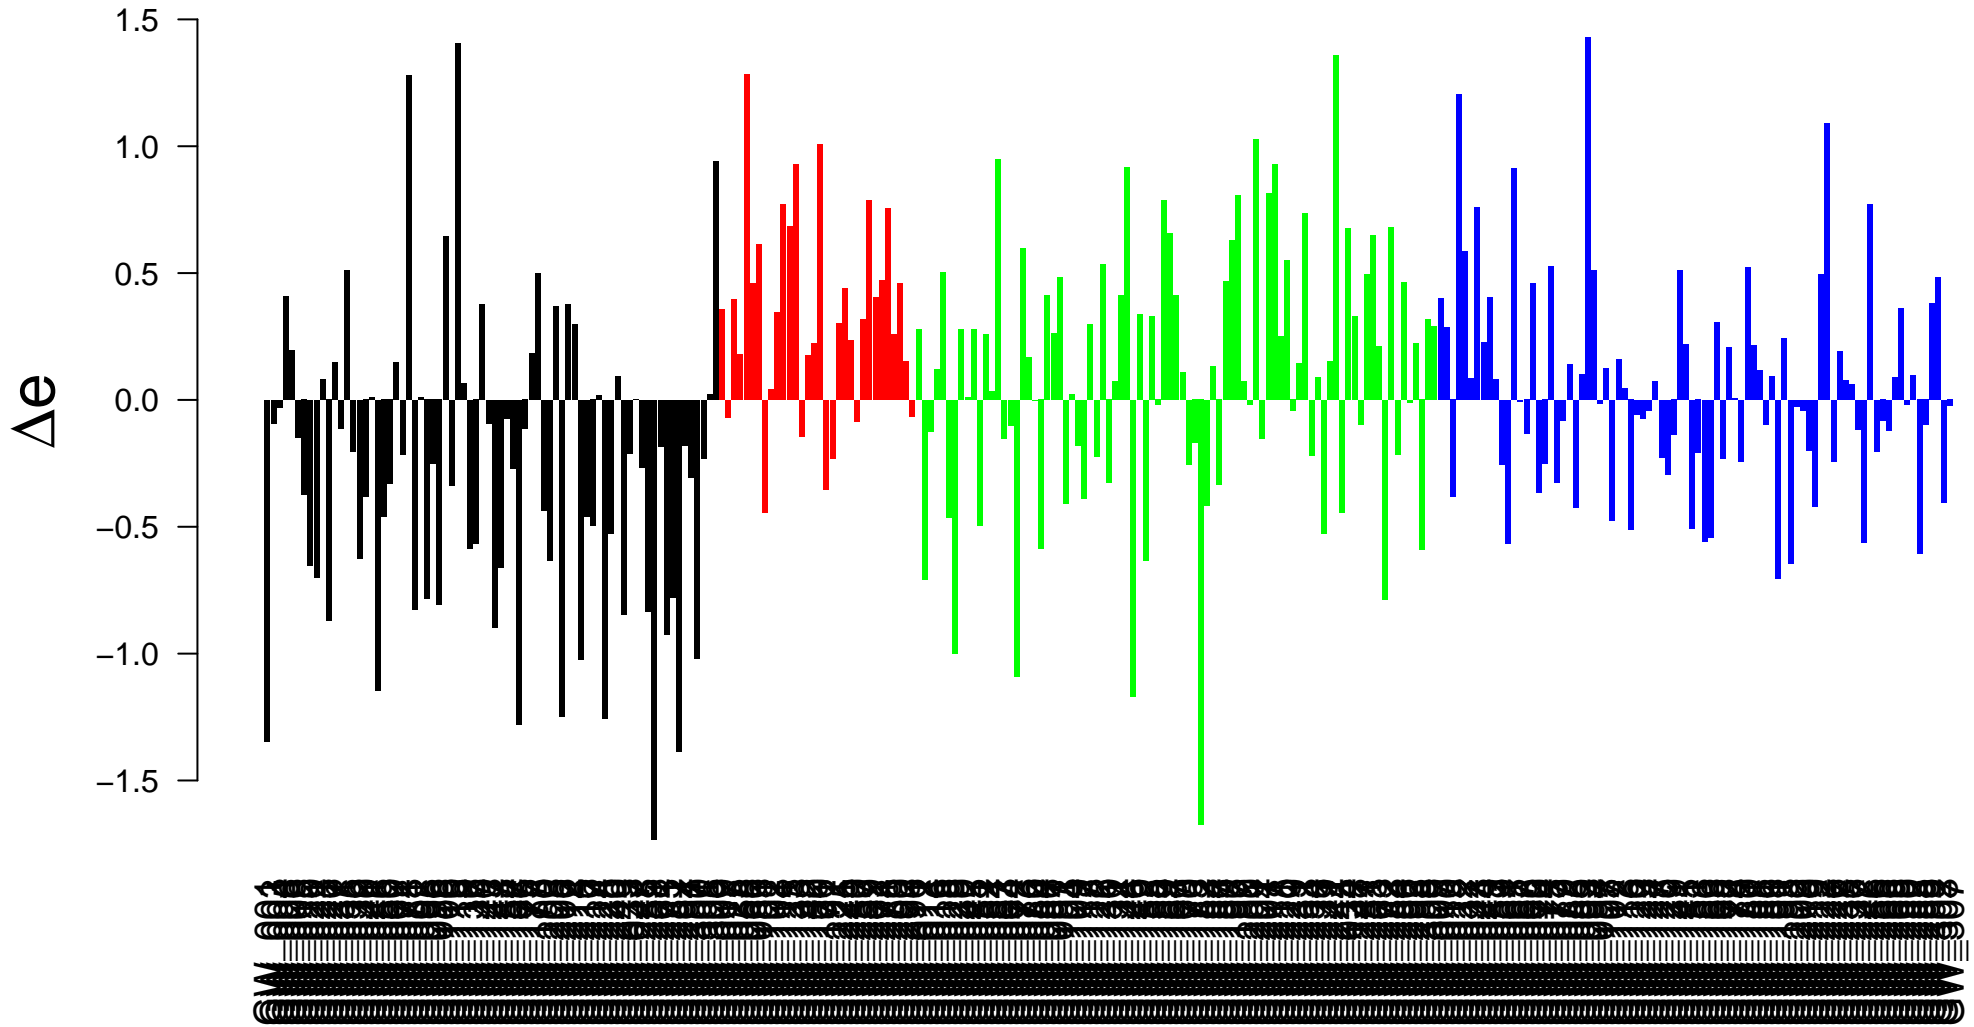

Expression of cytoskeletal adaptor activity in Spot O

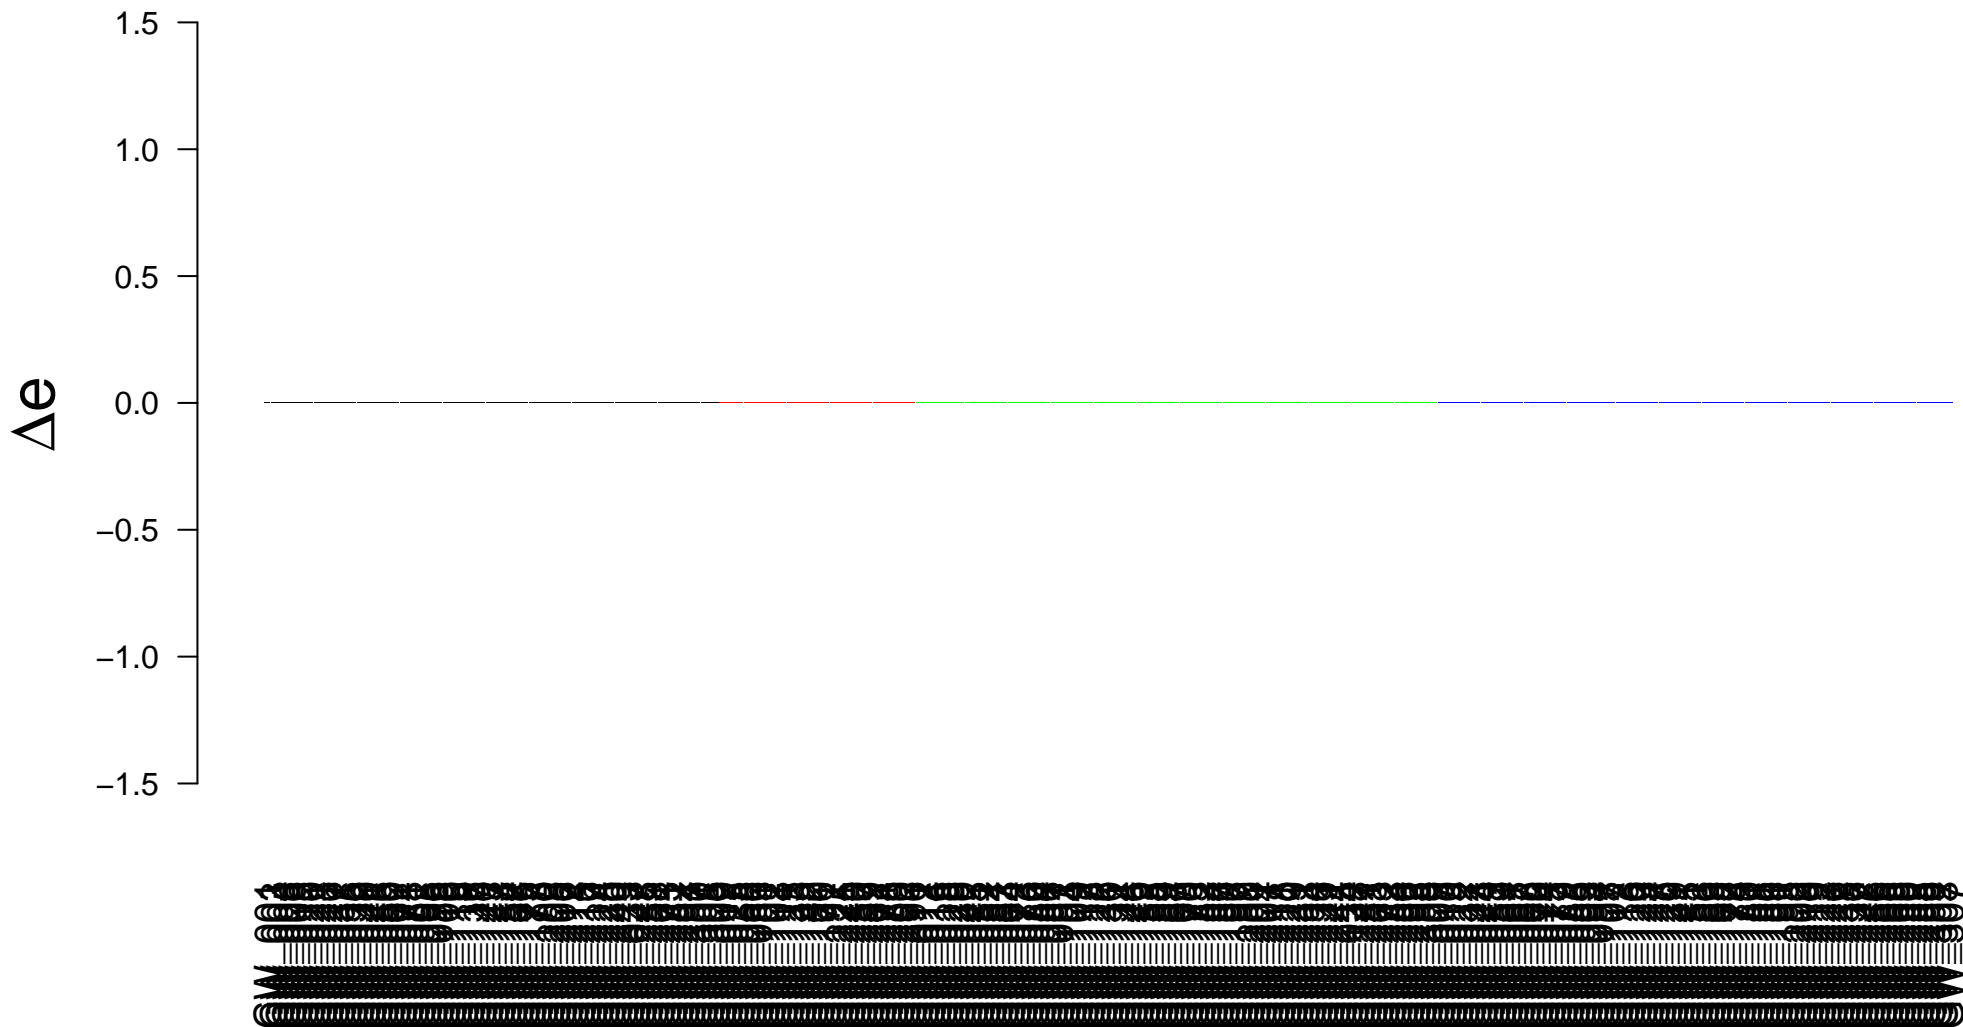

Δe

Expression of cytoskeletal adaptor activity in Spot P

Expression of cytoskeletal adaptor activity in Spot Q

Expression of cytoskeletal adaptor activity in Spot R
