

detection of calcium ion

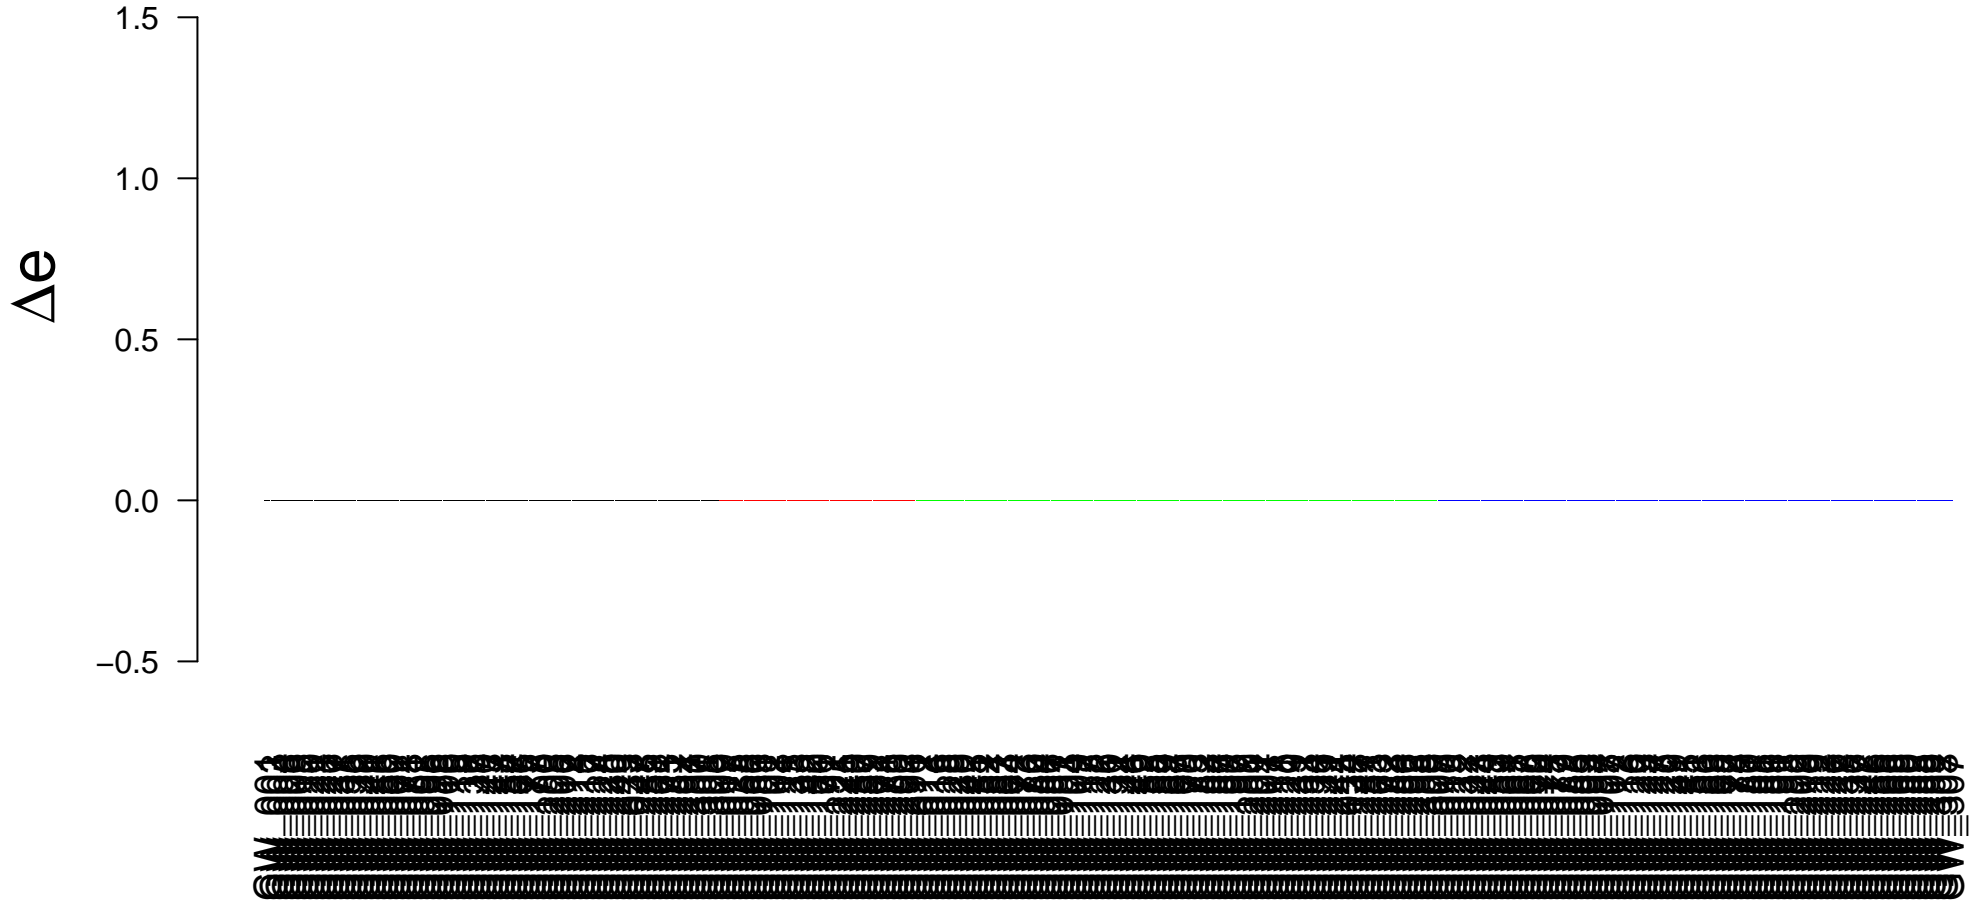

detection of calcium ion

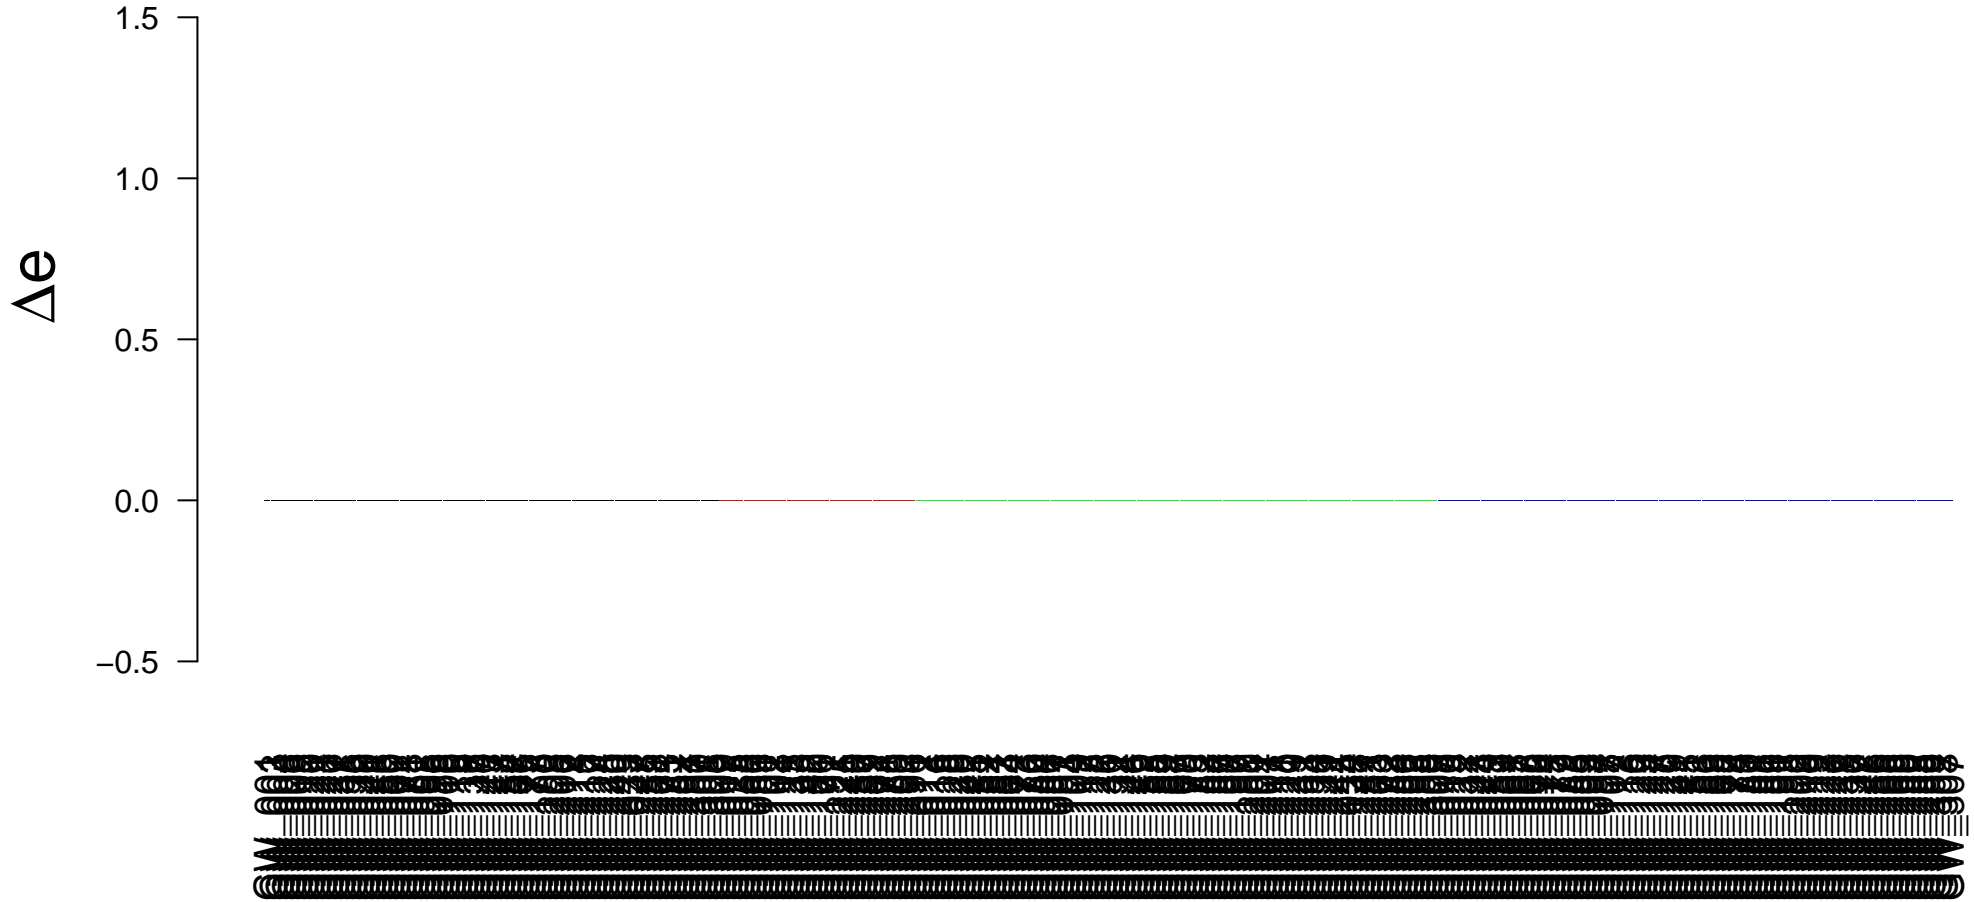

Enrichment in spots: detection of calcium ion

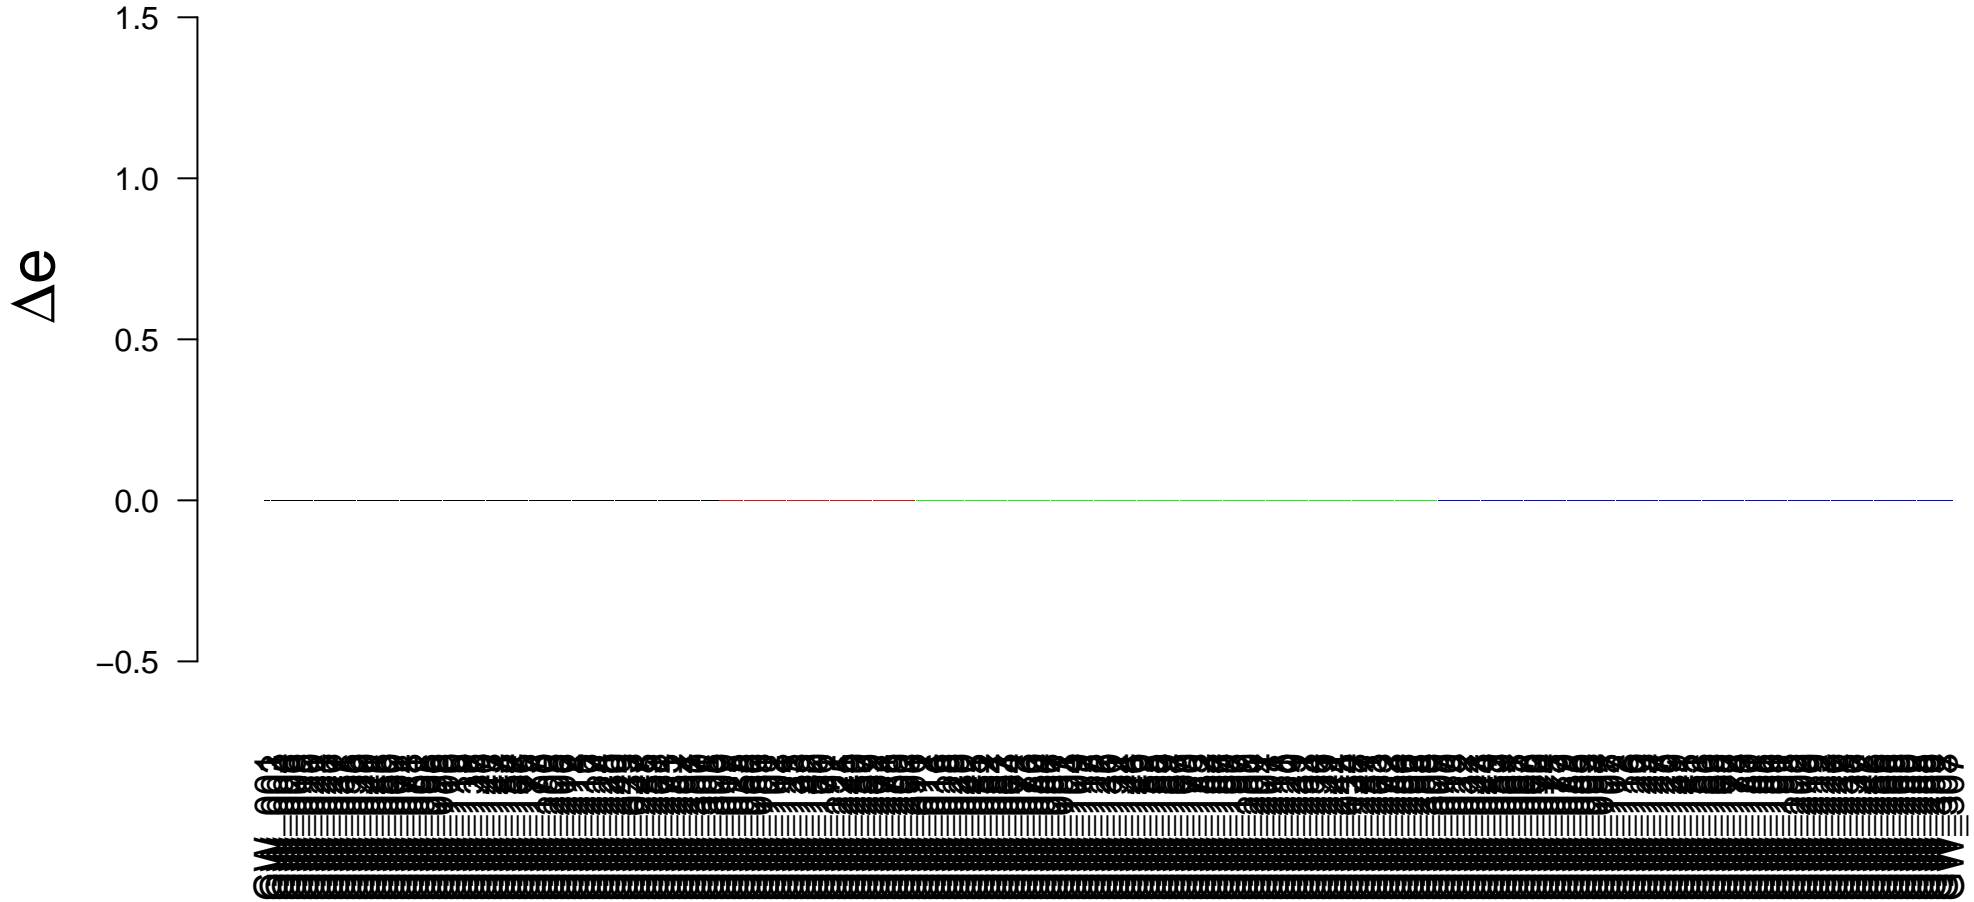

Expression of detection of calcium ion in Spot A

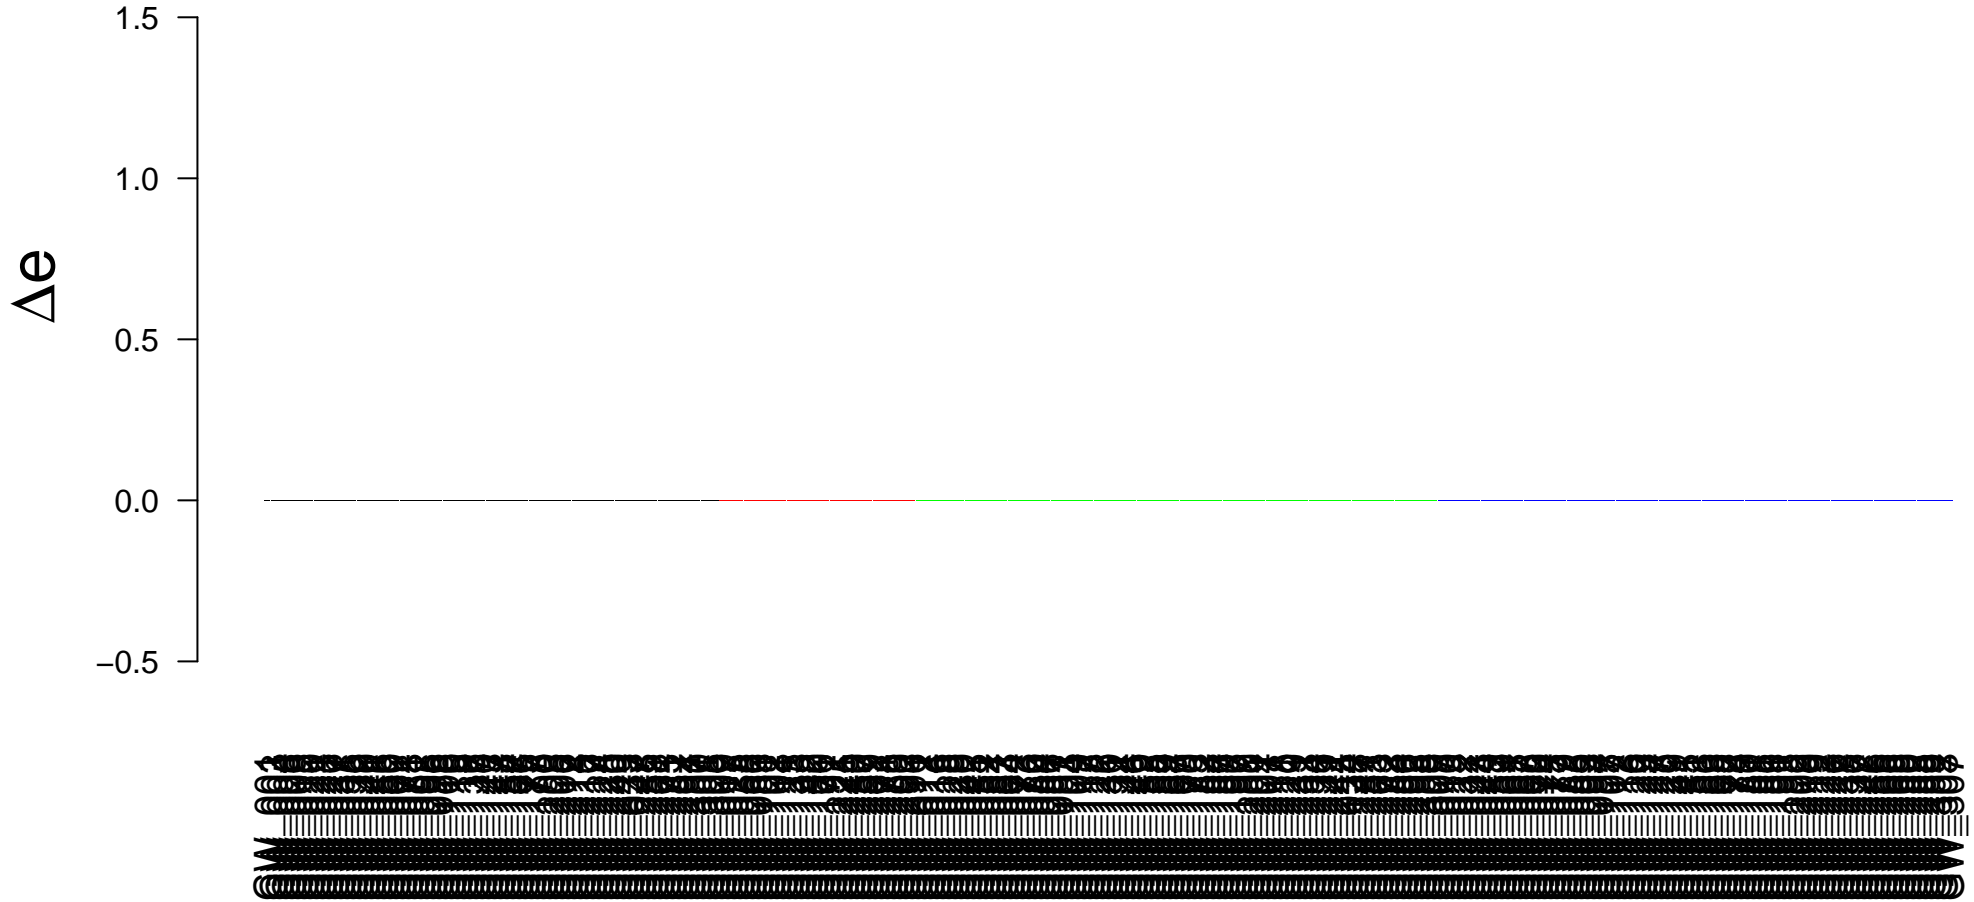

Expression of detection of calcium ion in Spot B

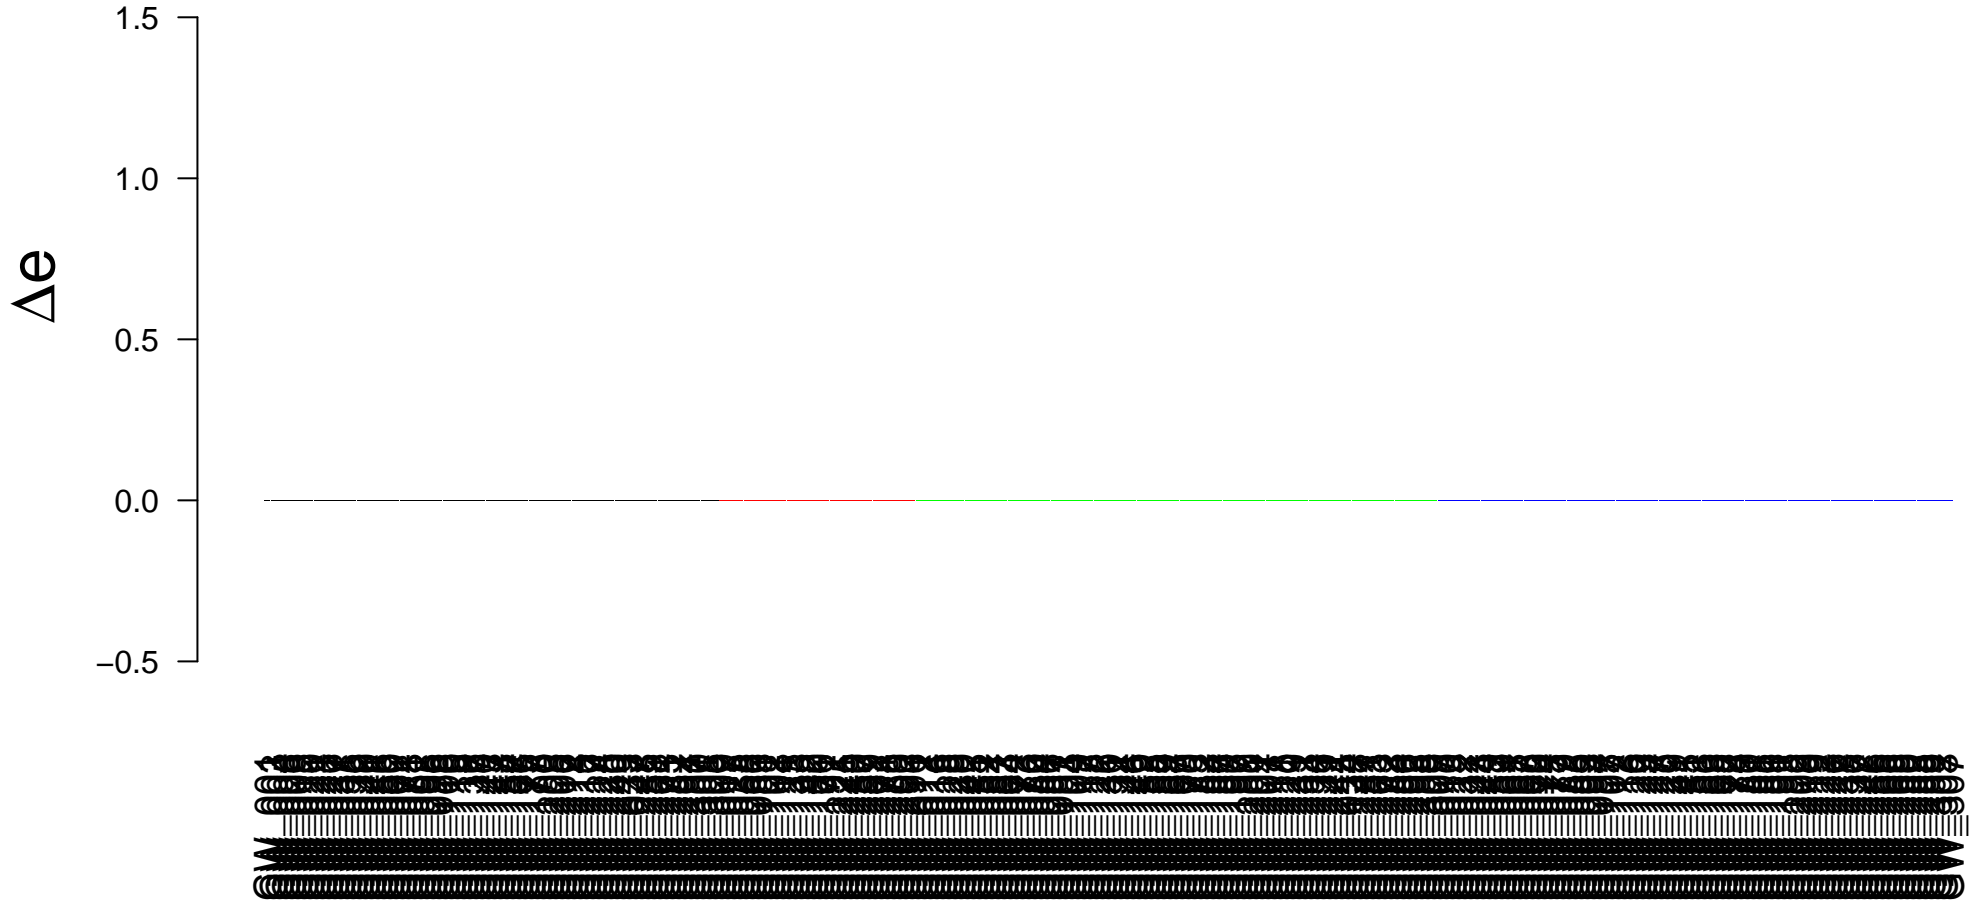

Expression of detection of calcium ion in Spot C

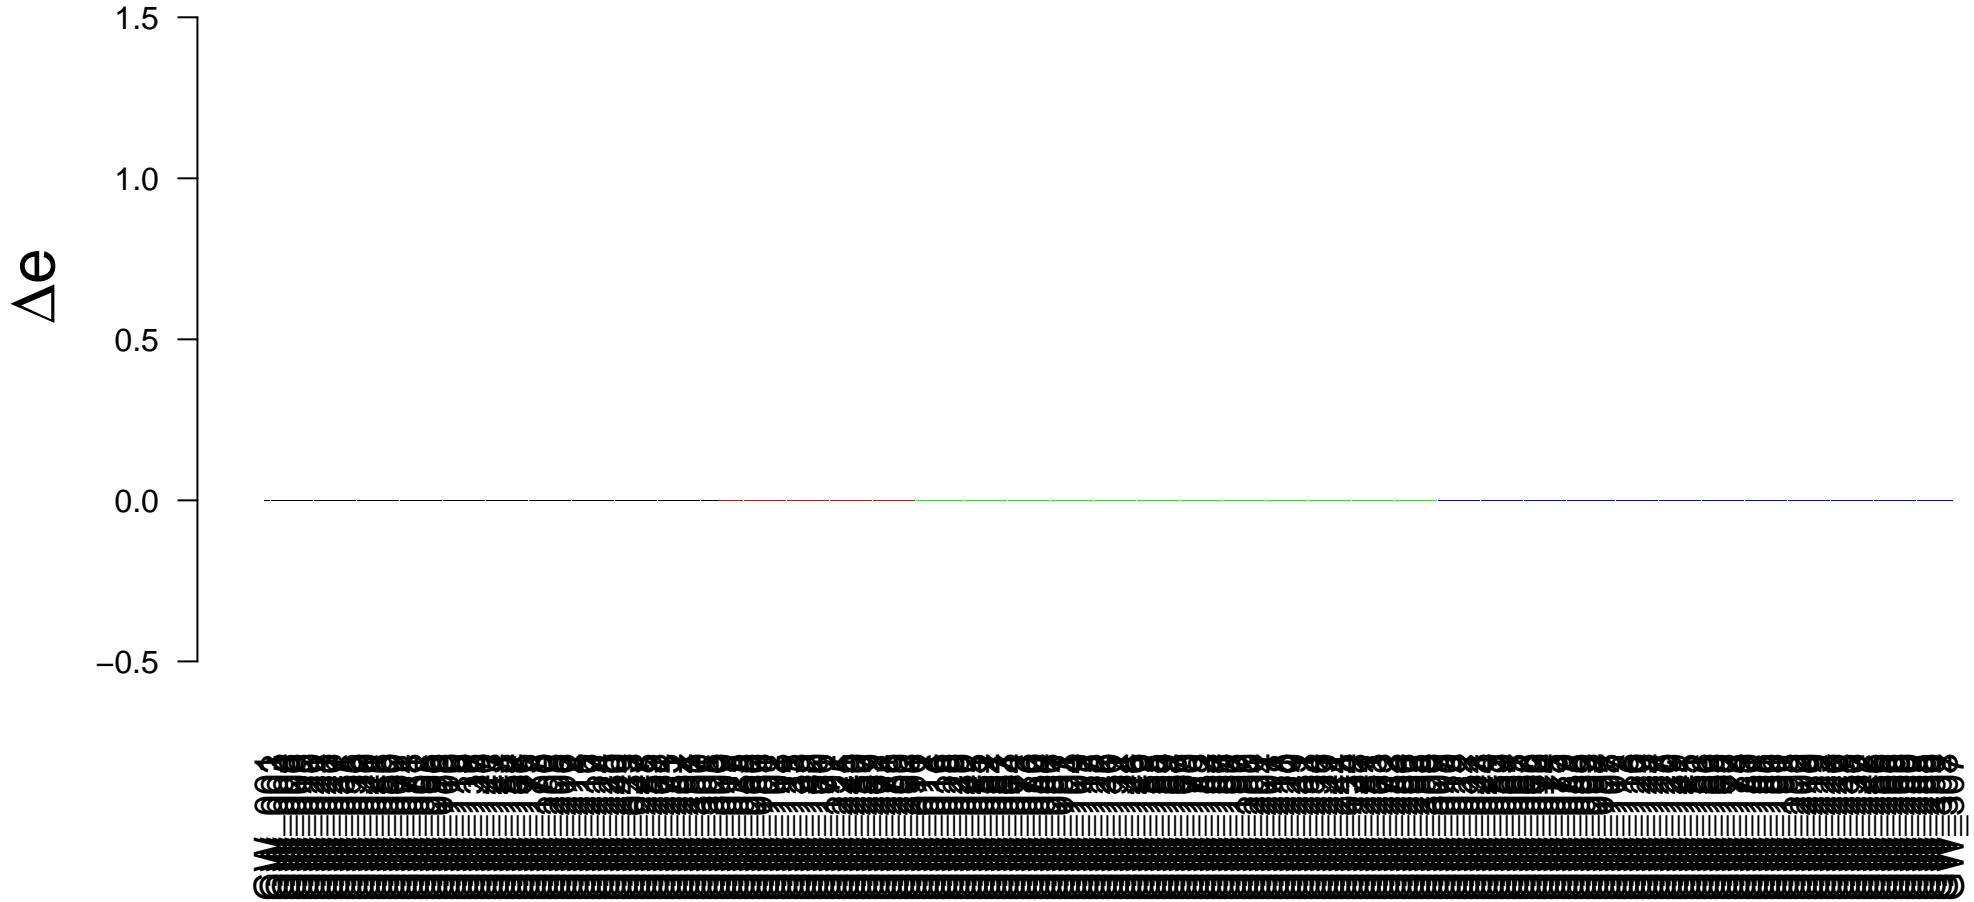

Expression of detection of calcium ion in Spot D

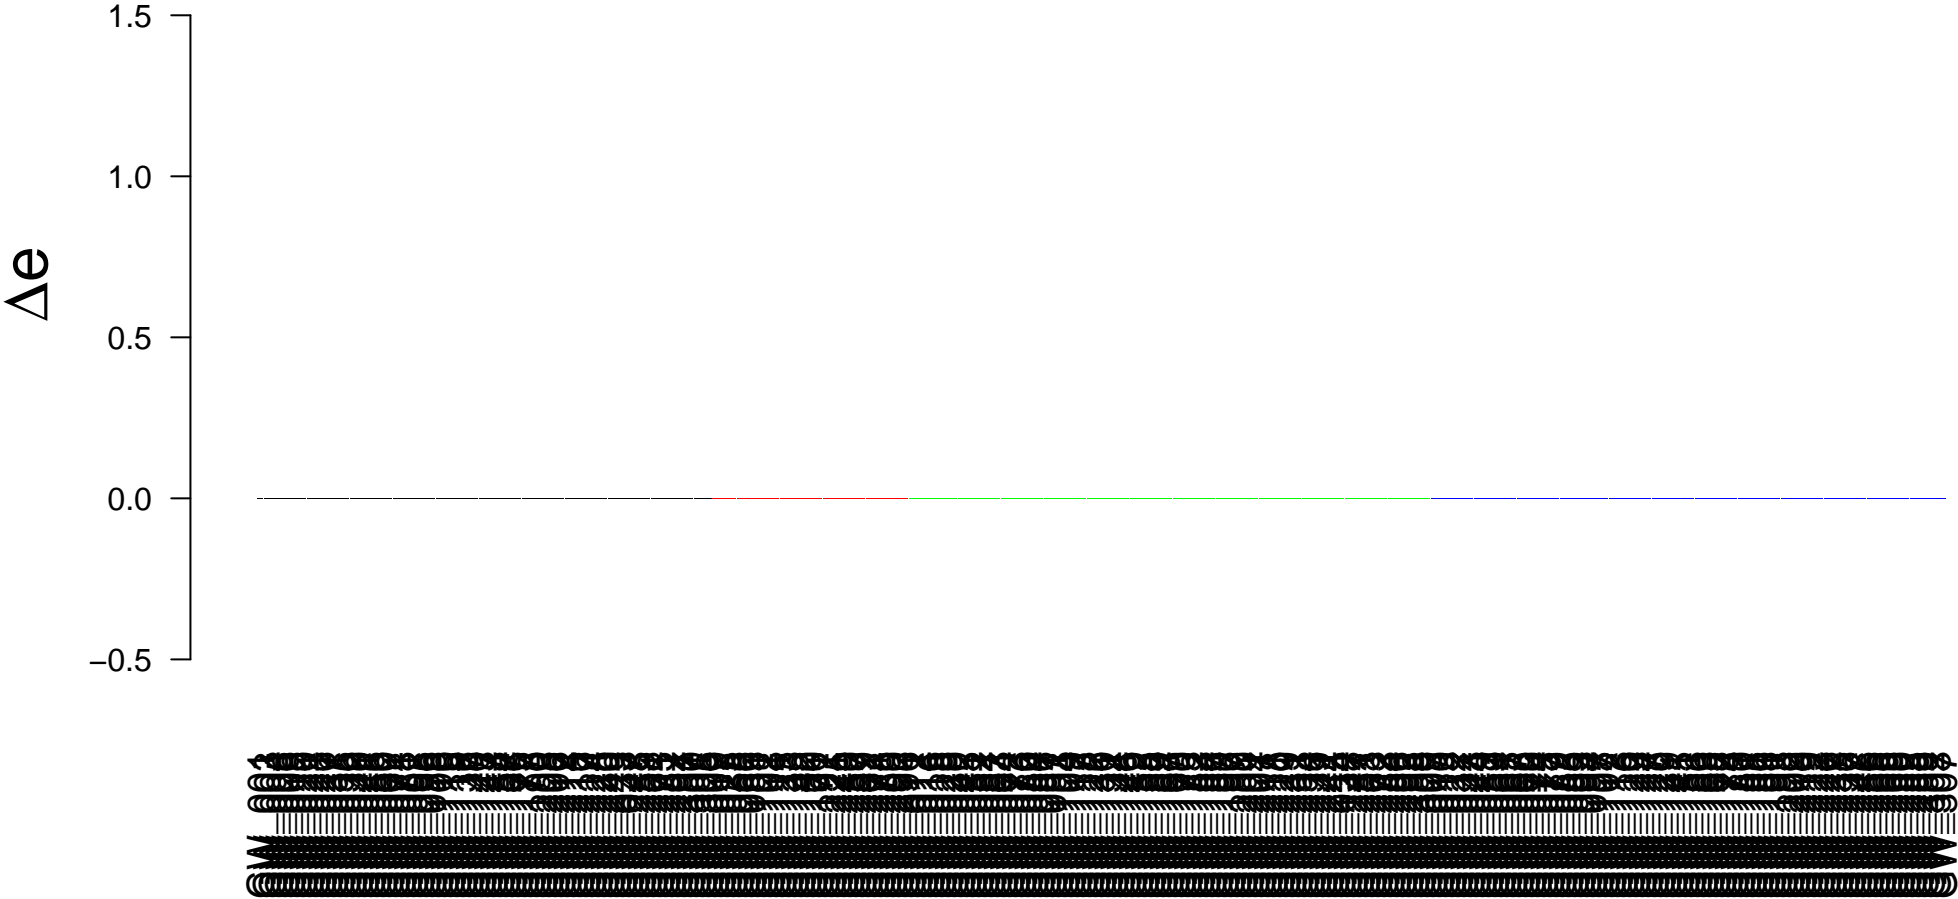

Expression of detection of calcium ion in Spot E

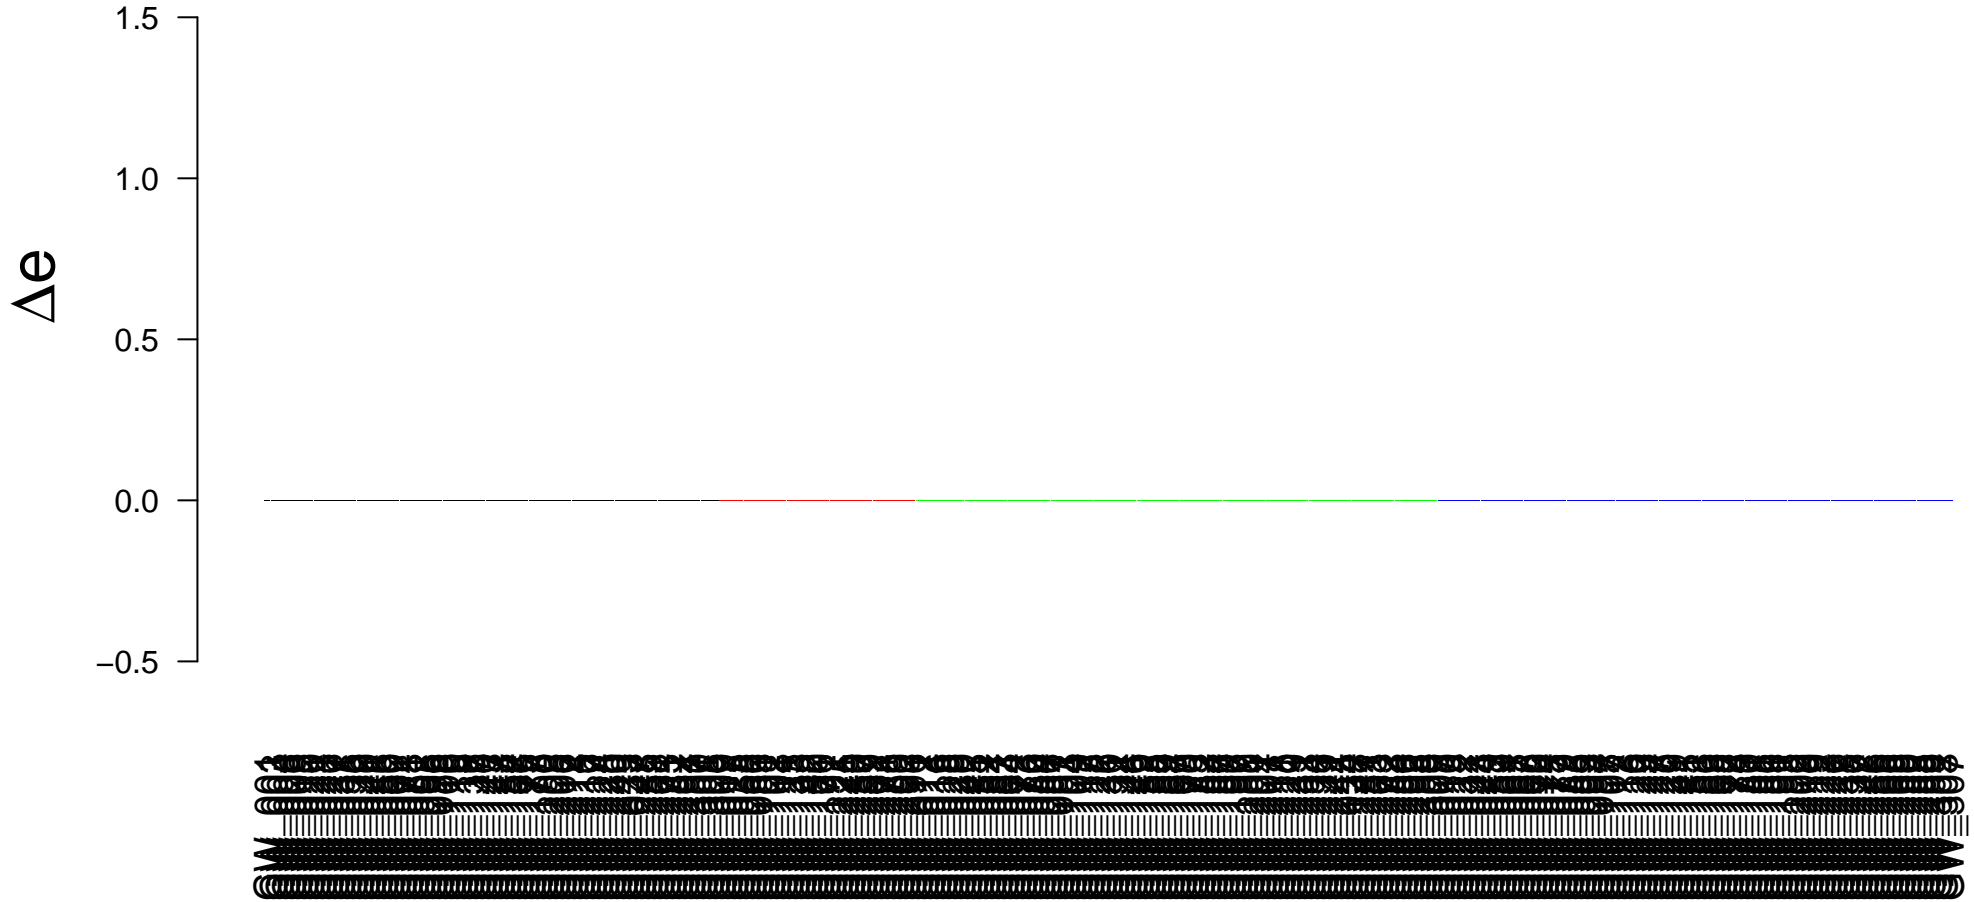

Expression of detection of calcium ion in Spot F

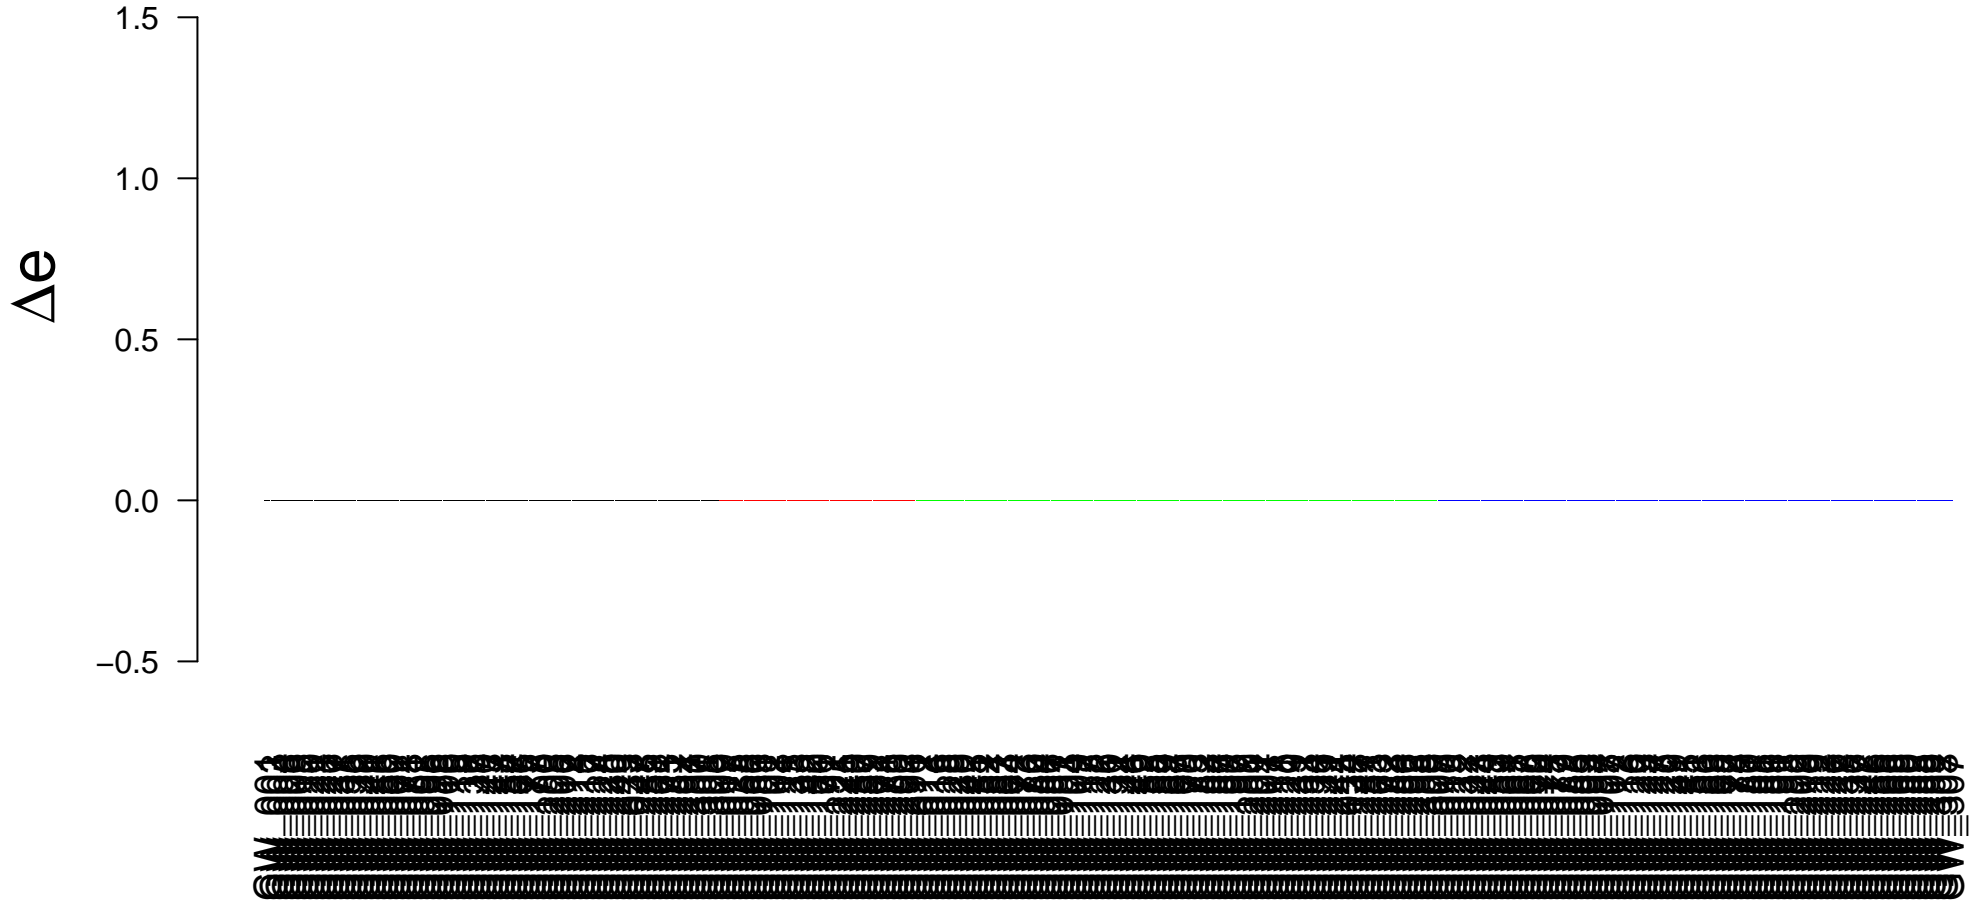

Expression of detection of calcium ion in Spot G

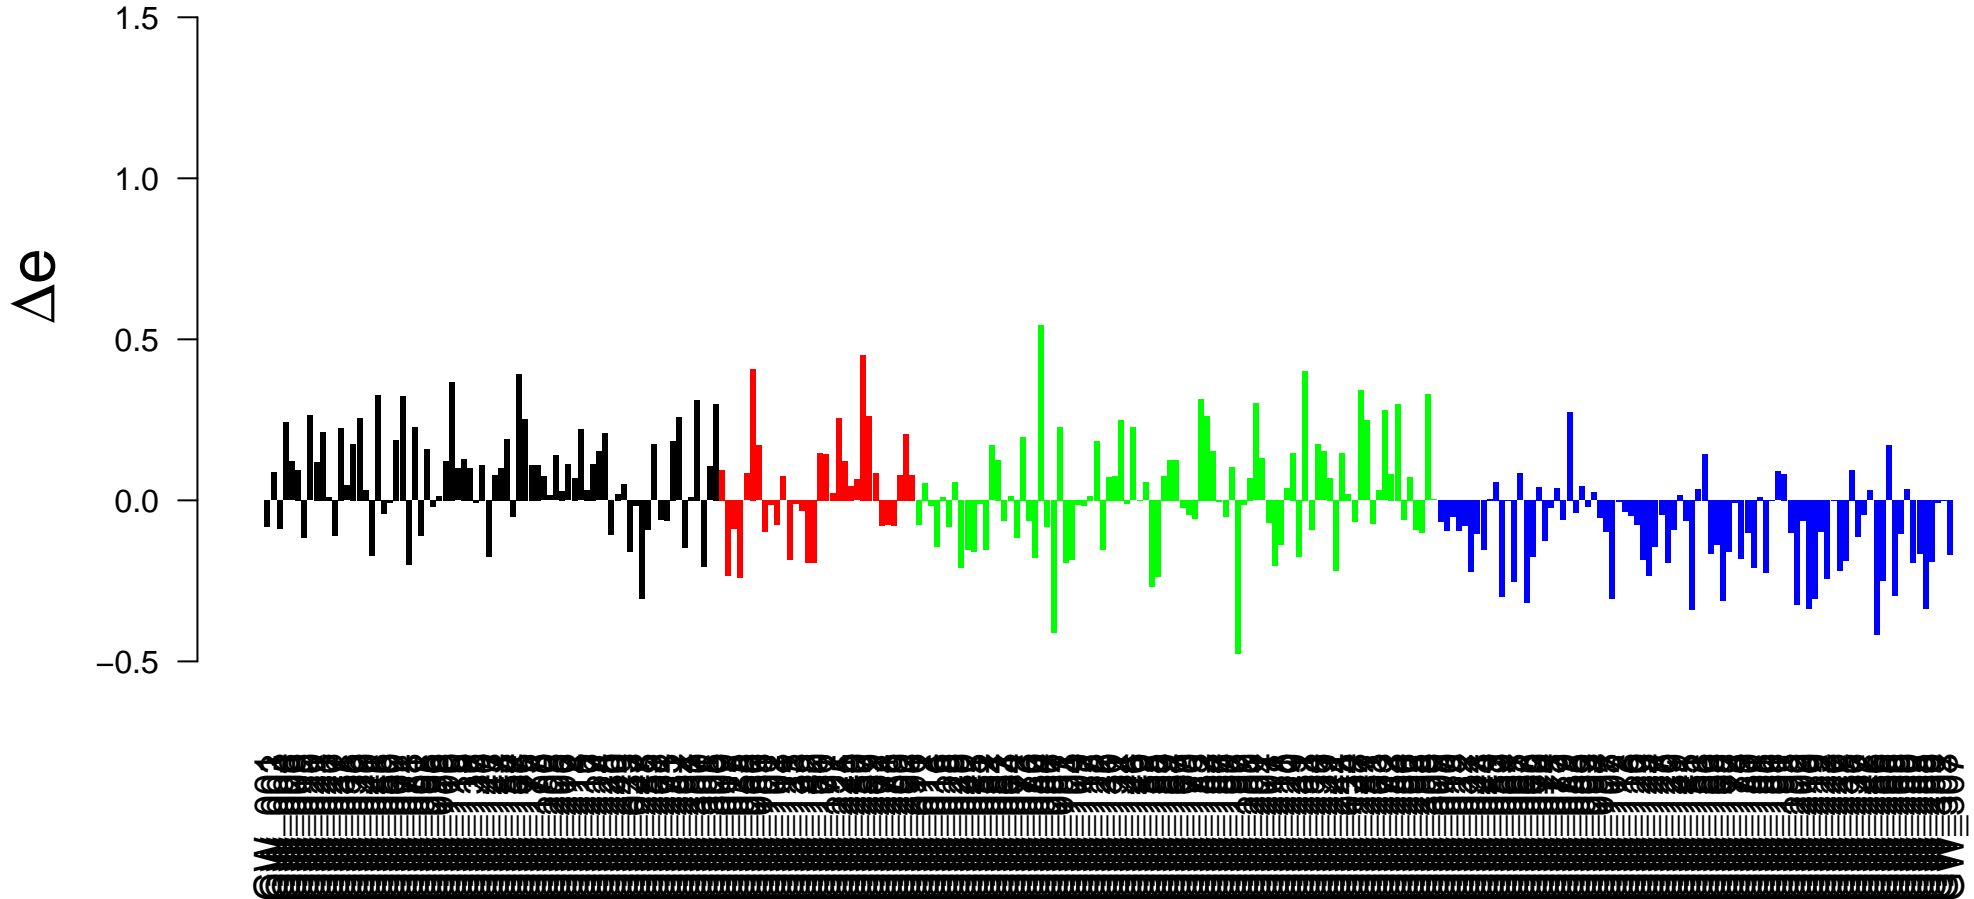

Expression of detection of calcium ion in Spot H

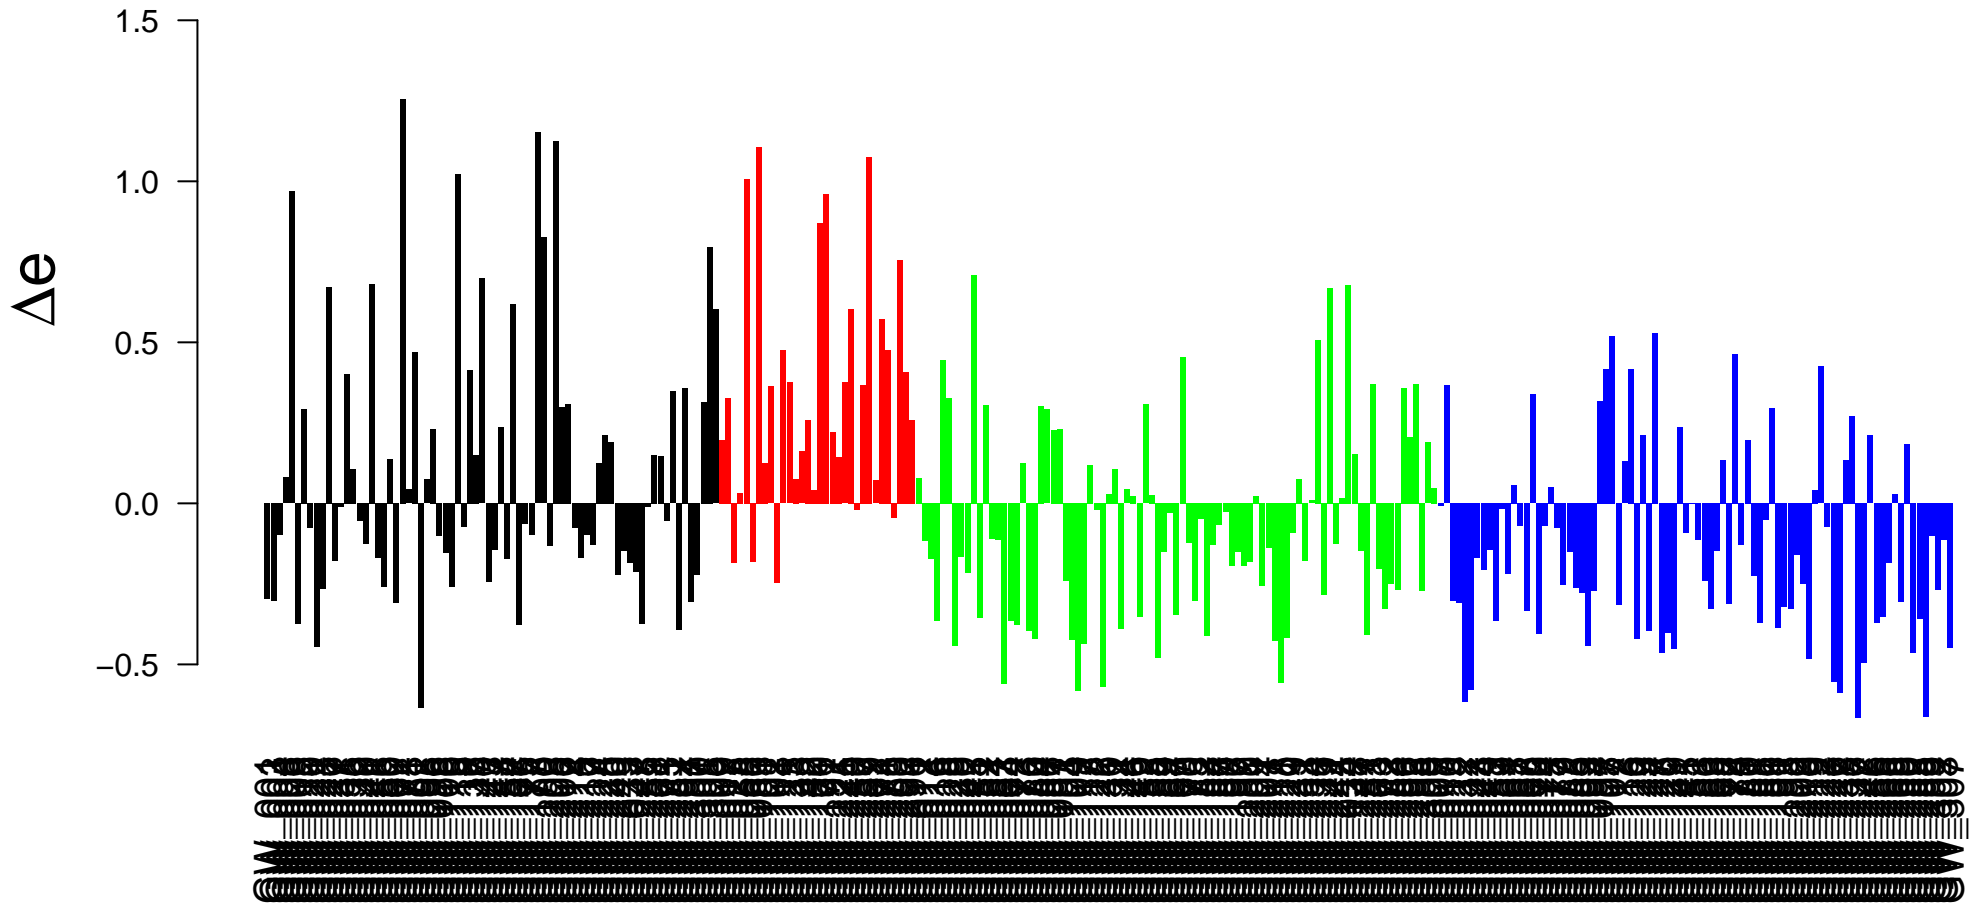

Expression of detection of calcium ion in Spot I

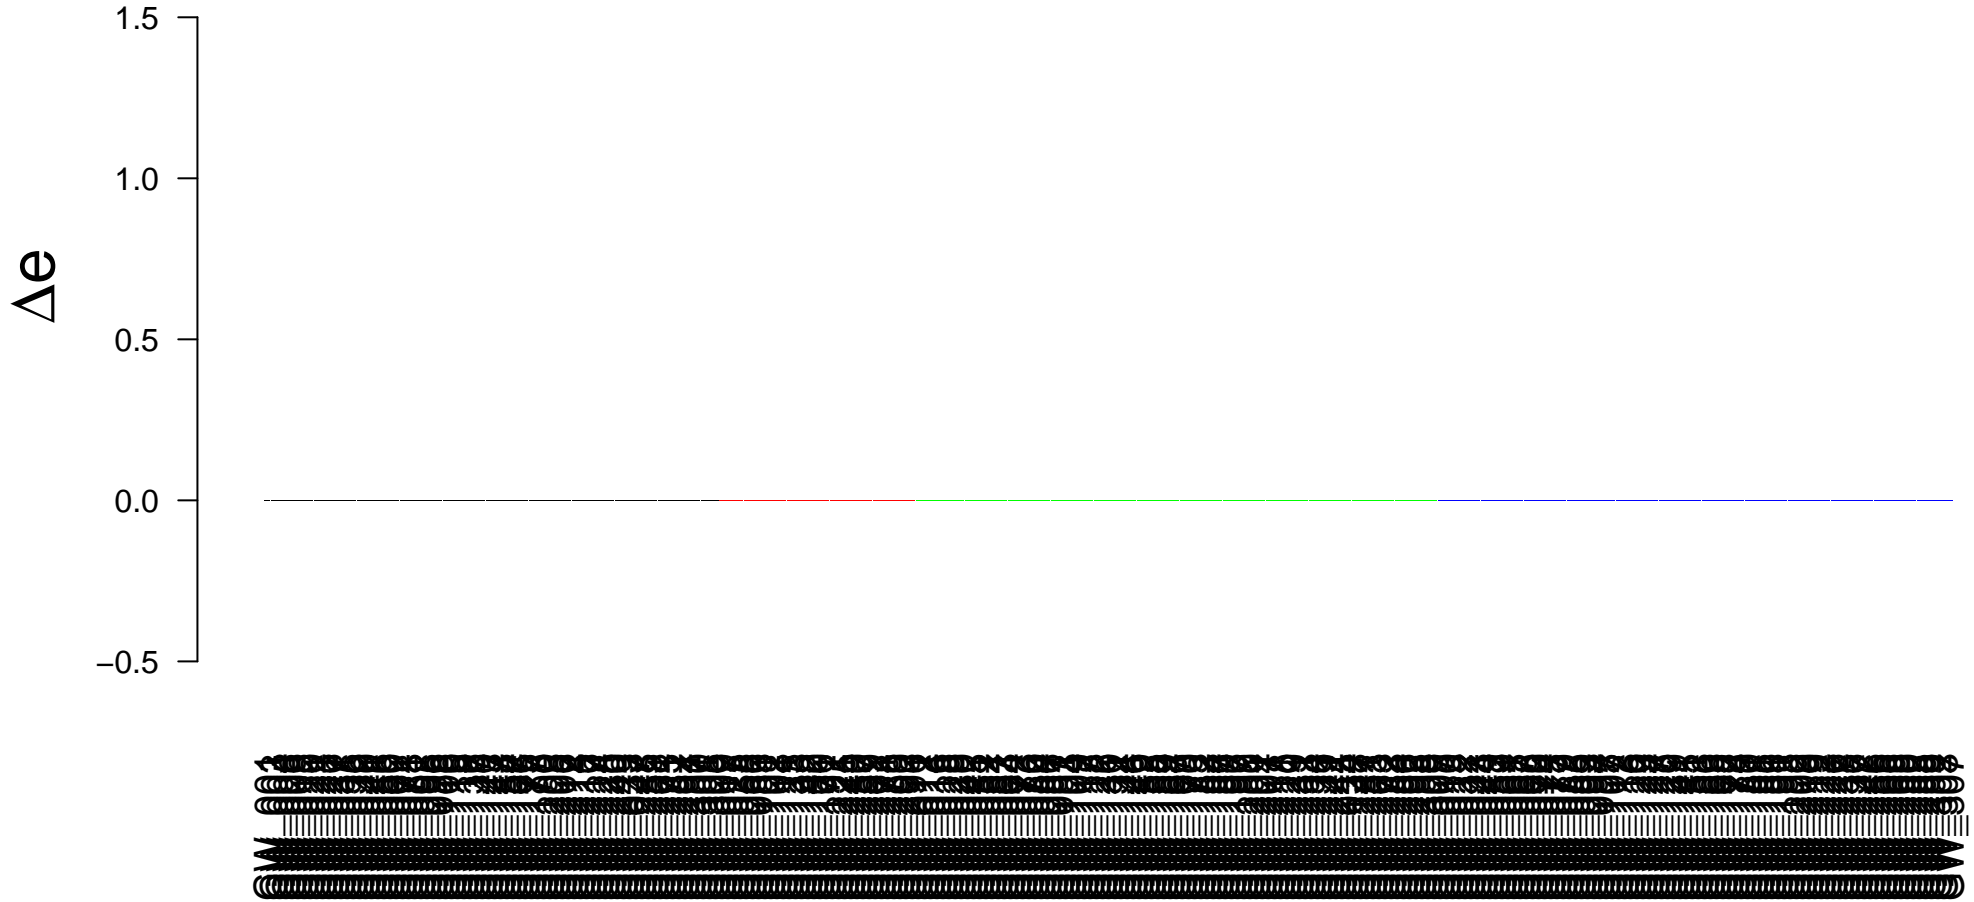

Expression of detection of calcium ion in Spot J

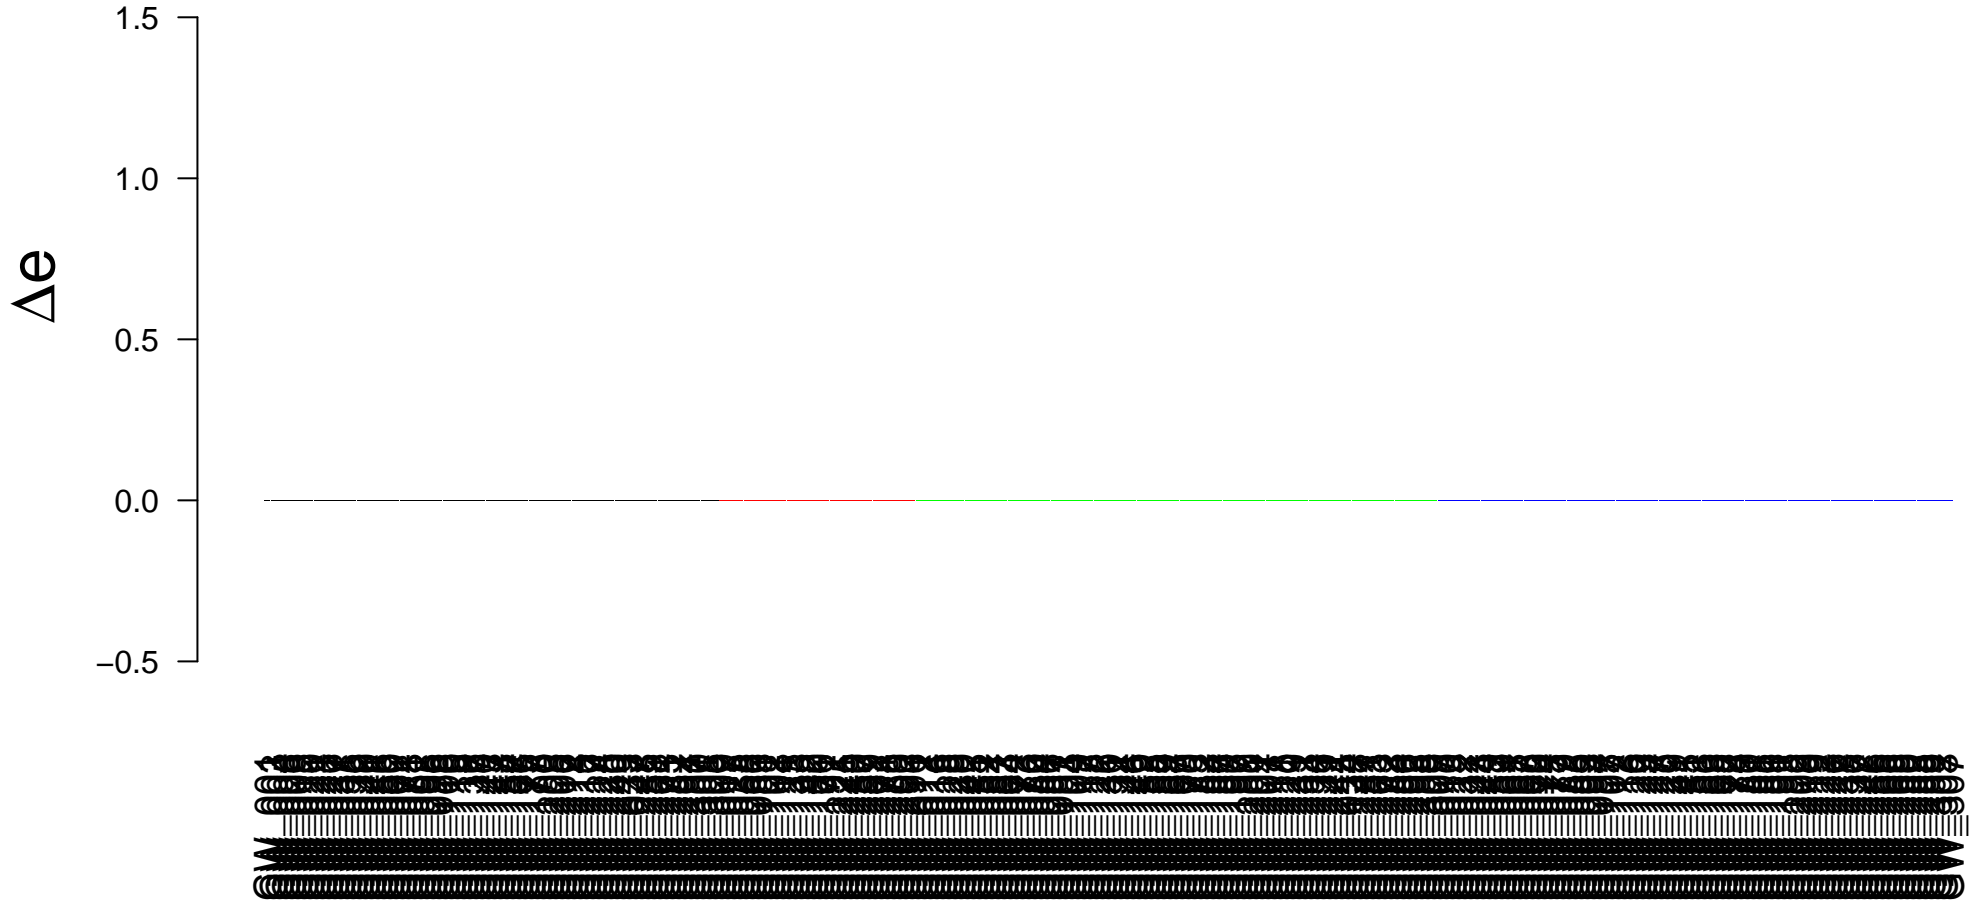

Expression of detection of calcium ion in Spot K

Expression of detection of calcium ion in Spot L

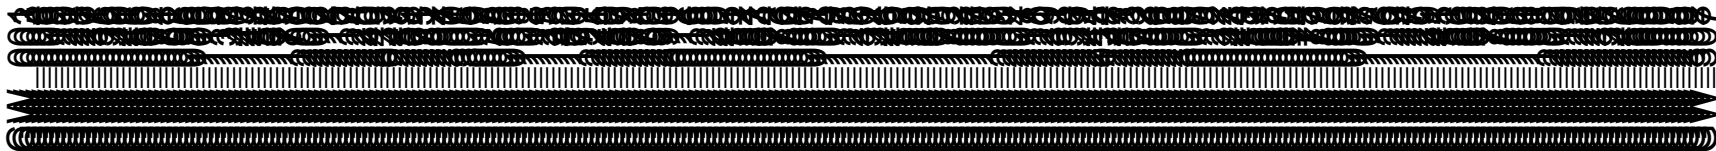

Expression of detection of calcium ion in Spot M

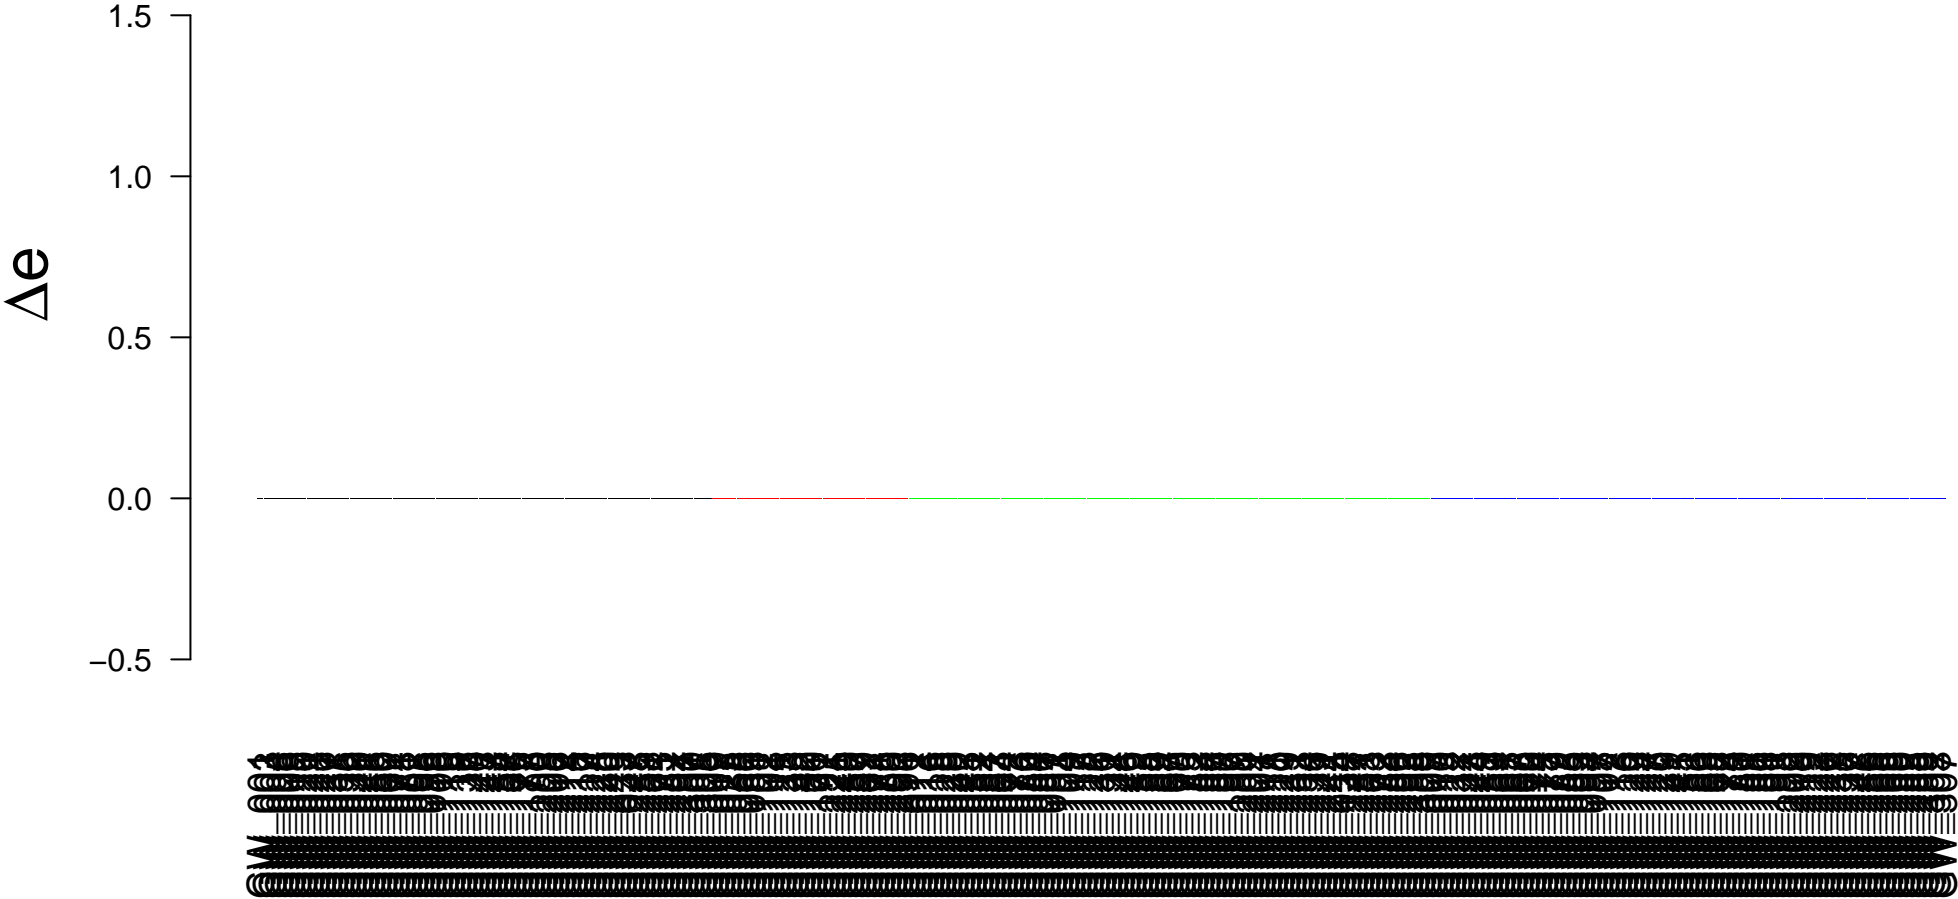

Expression of detection of calcium ion in Spot N
