

determination of left/right symmetry

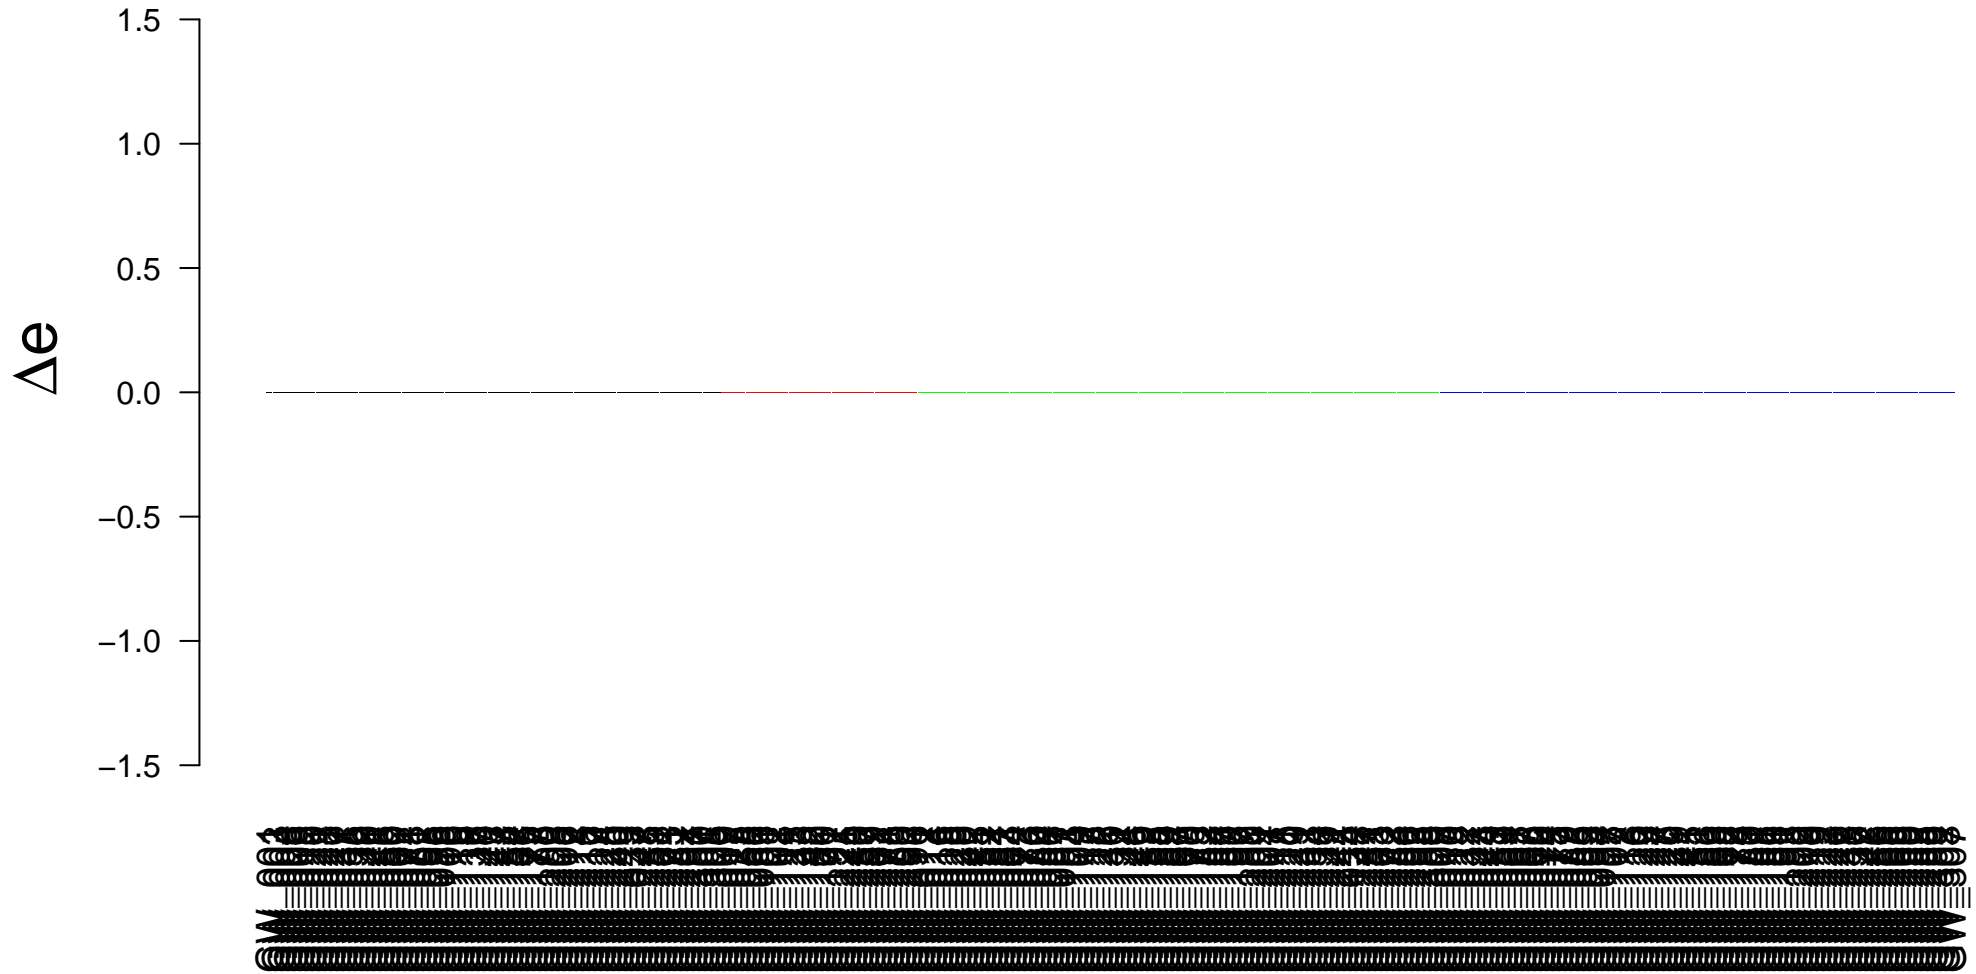

determination of left/right symmetry

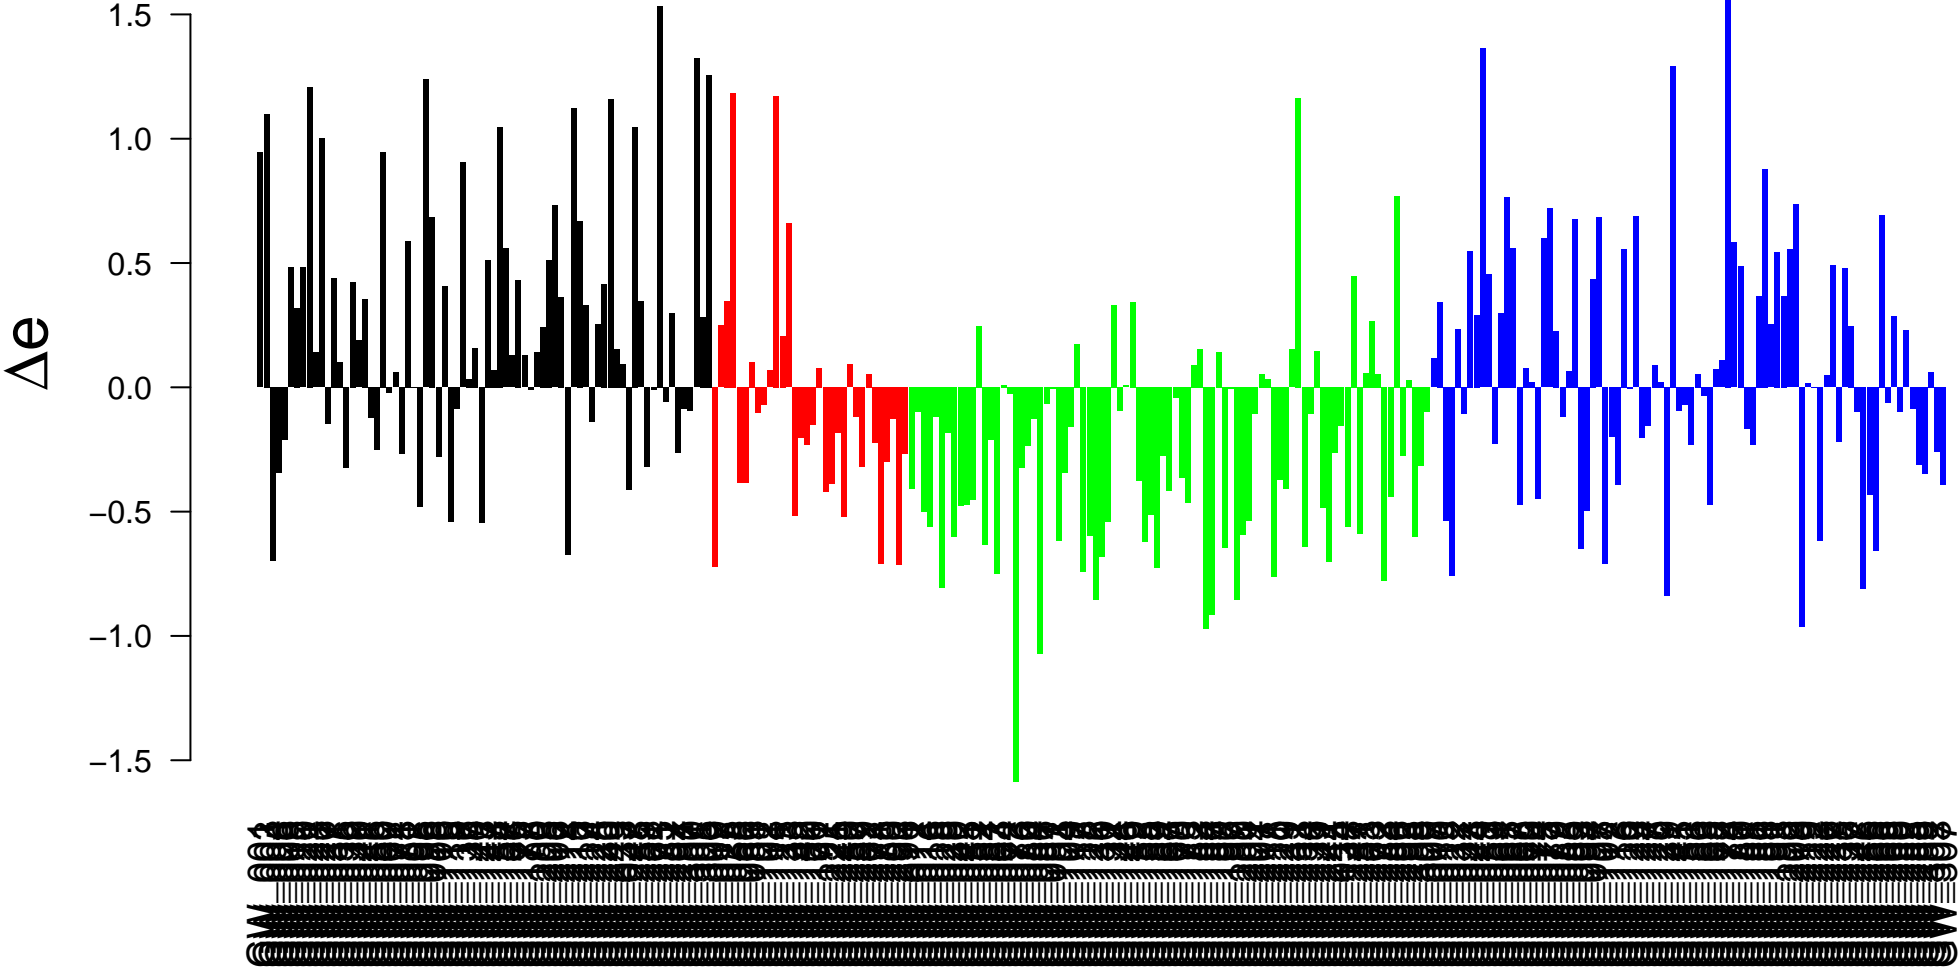

Enrichment in spots: determination of left/right symmetry

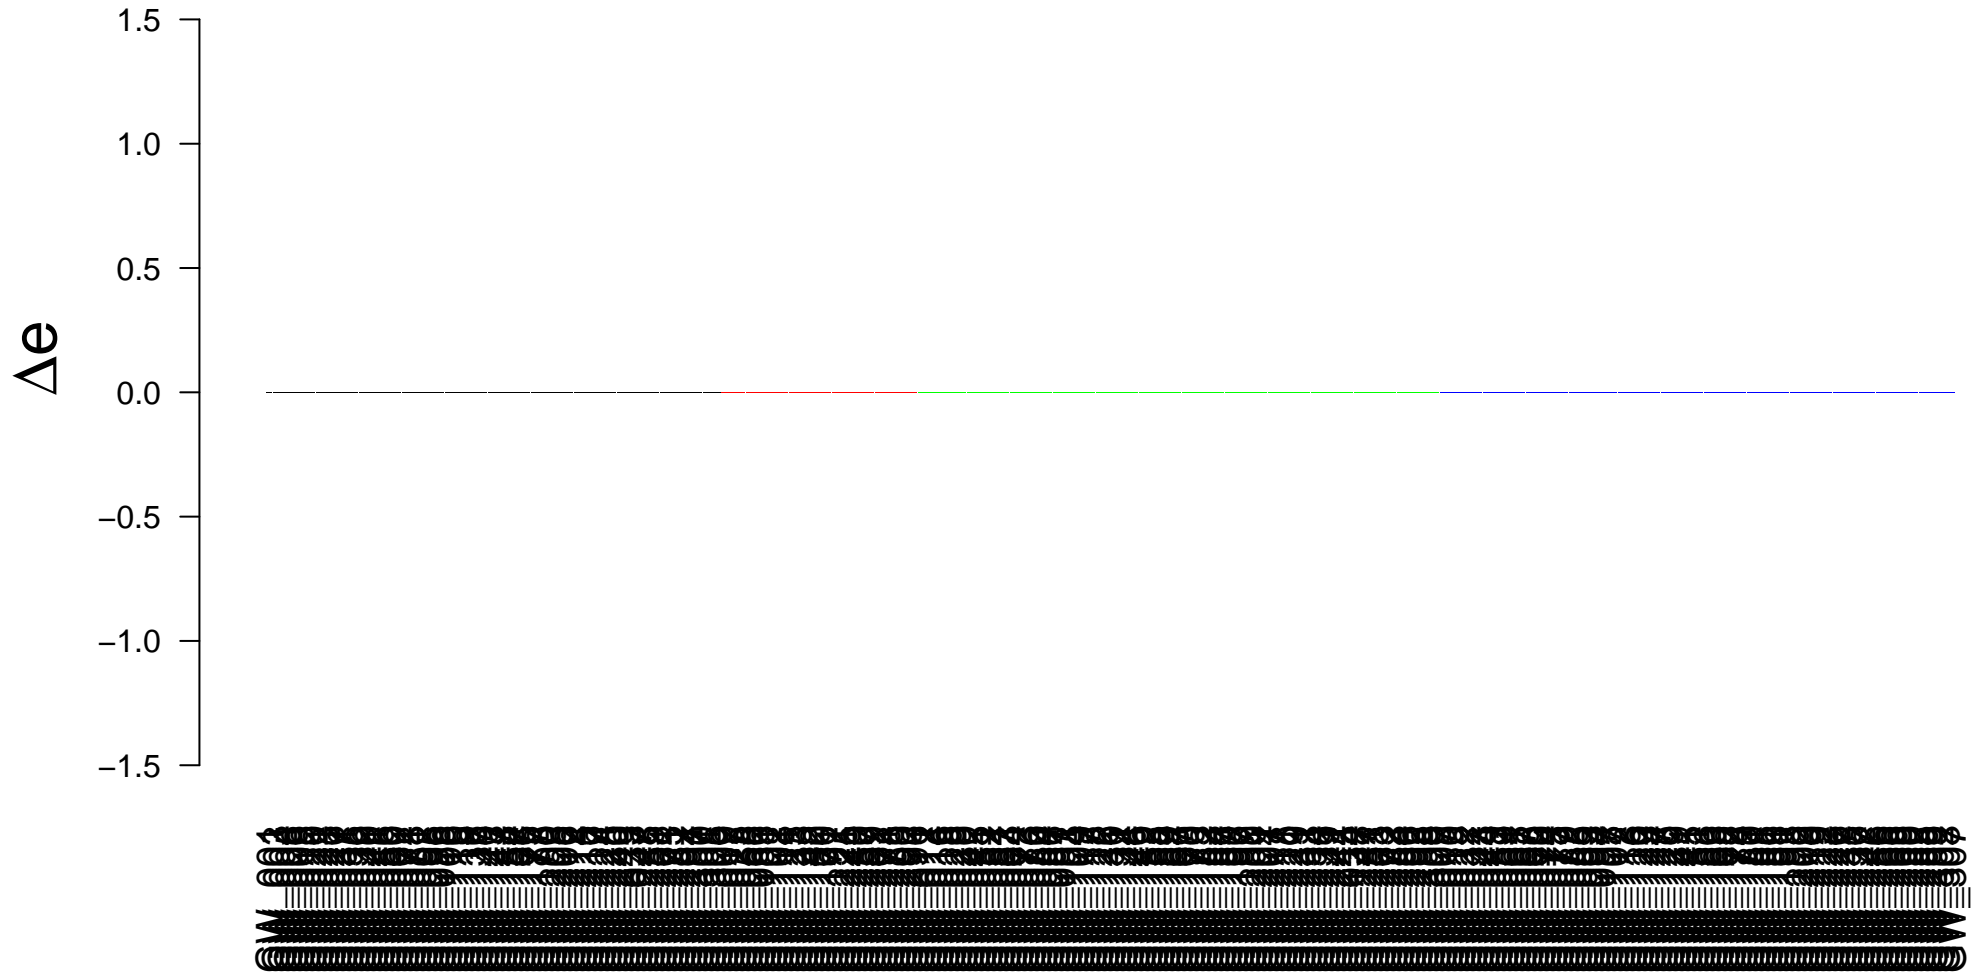

Expression of determination of left/right symmetry in Spot A

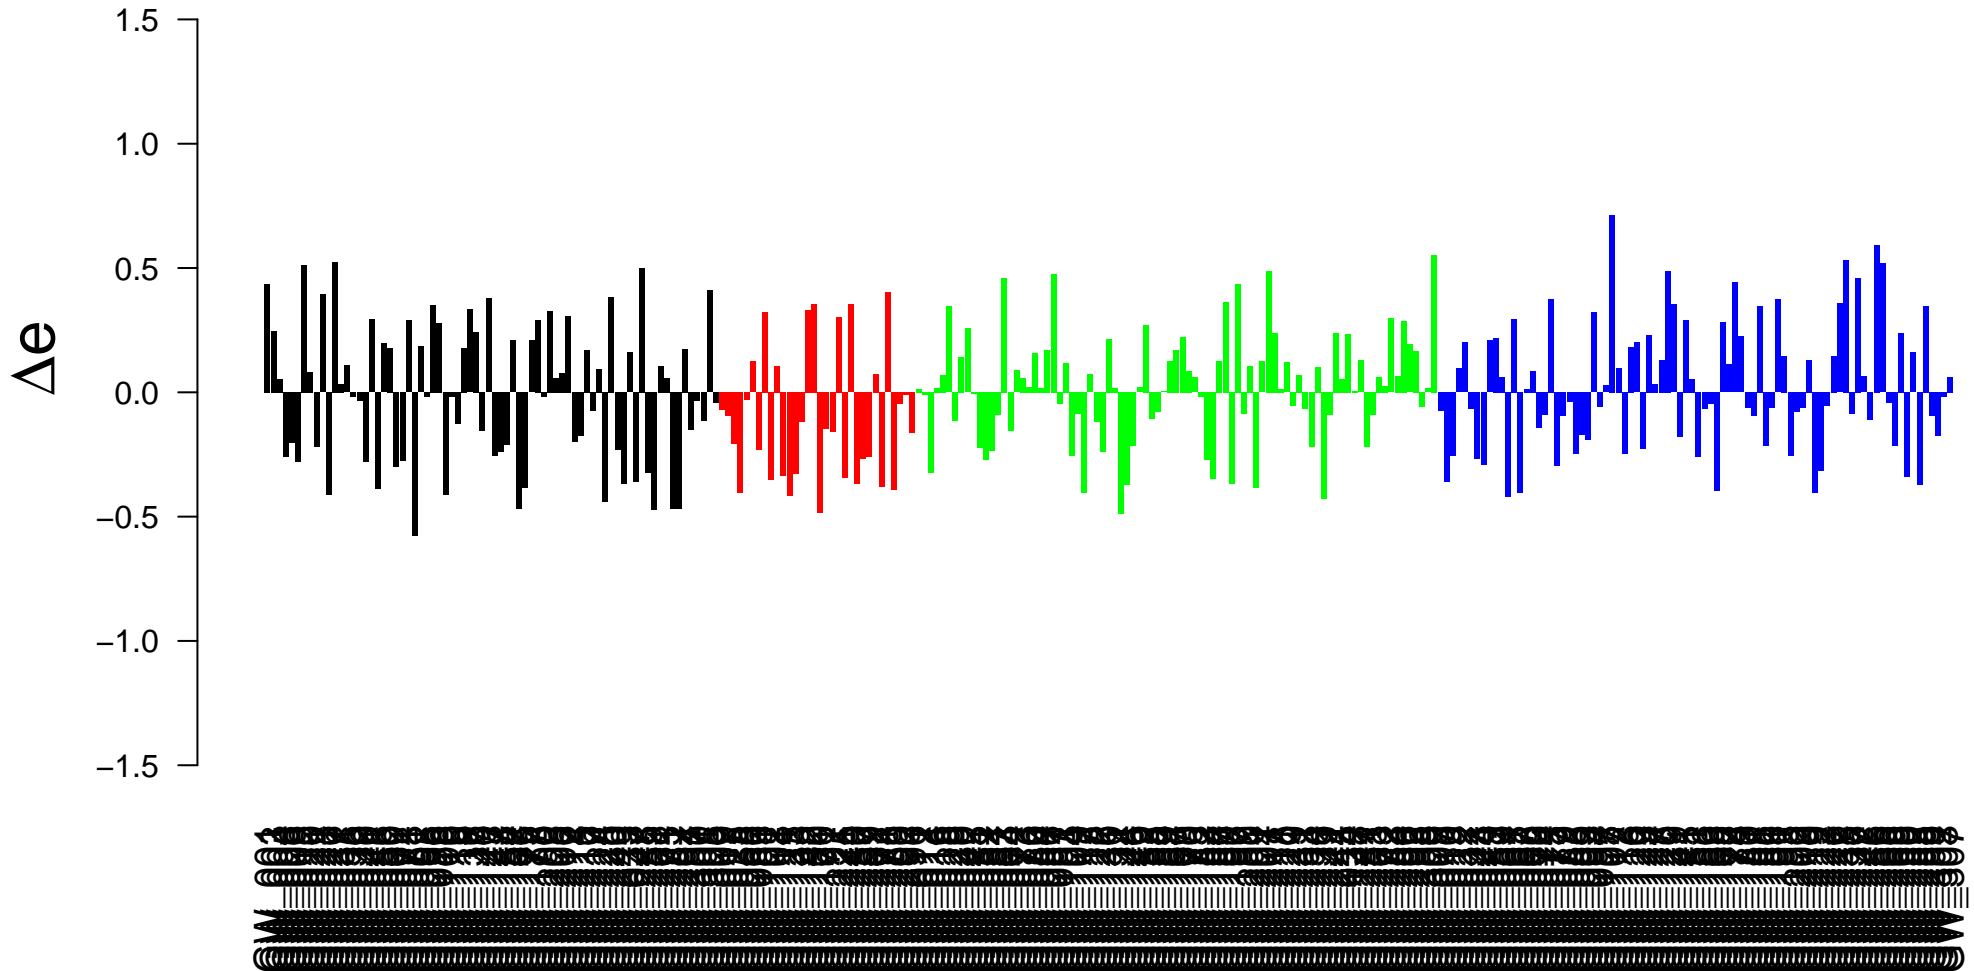

Expression of determination of left/right symmetry in Spot B

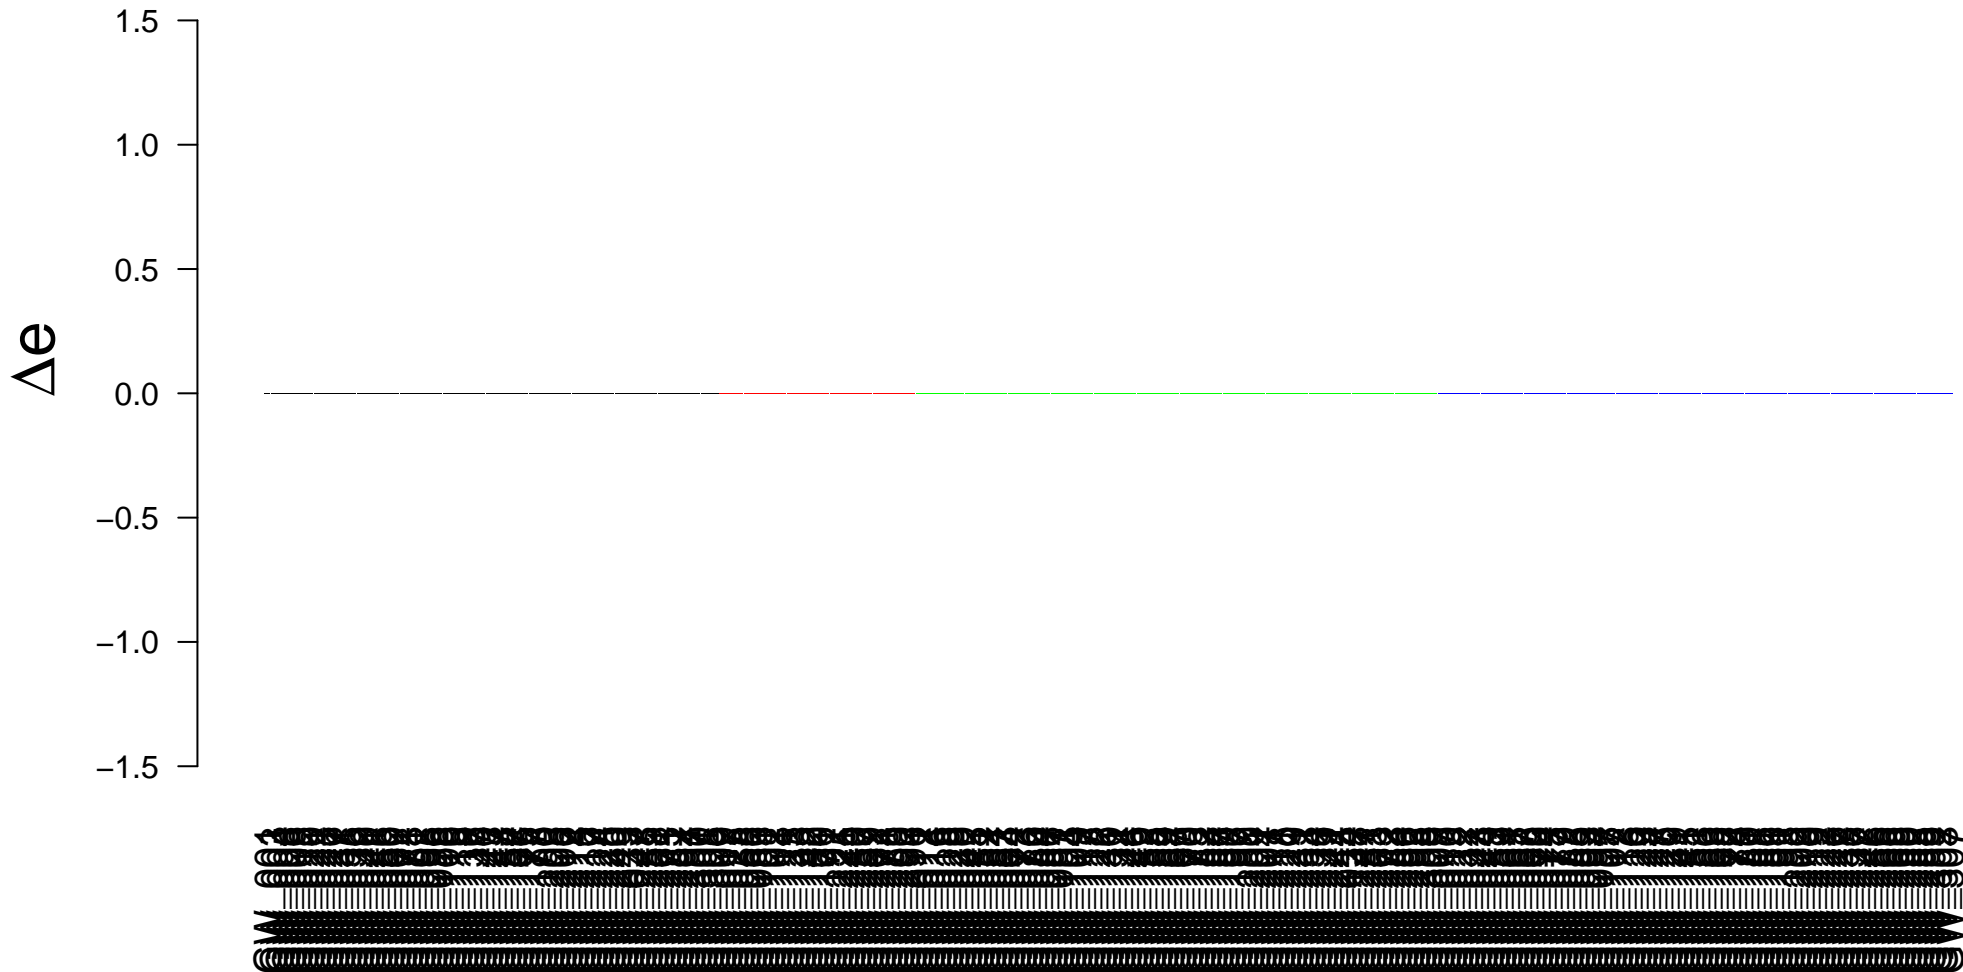

Expression of determination of left/right symmetry in Spot C

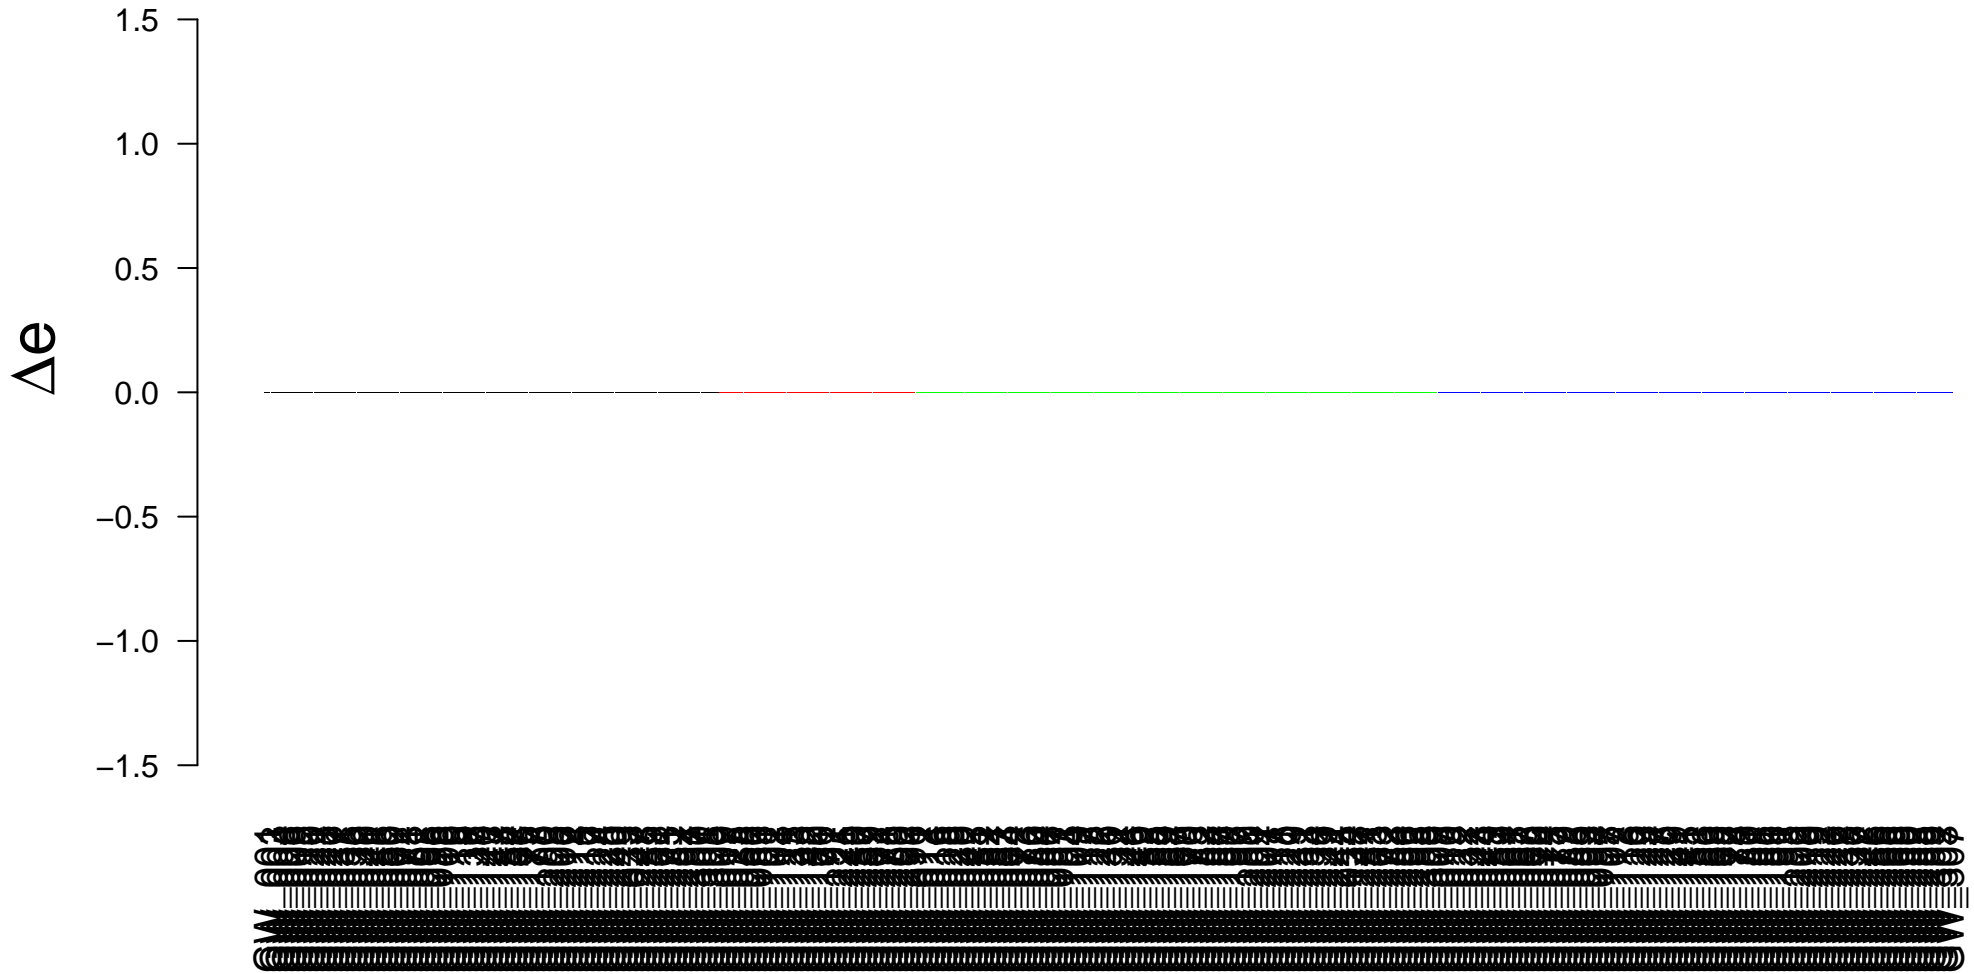

Expression of determination of left/right symmetry in Spot D

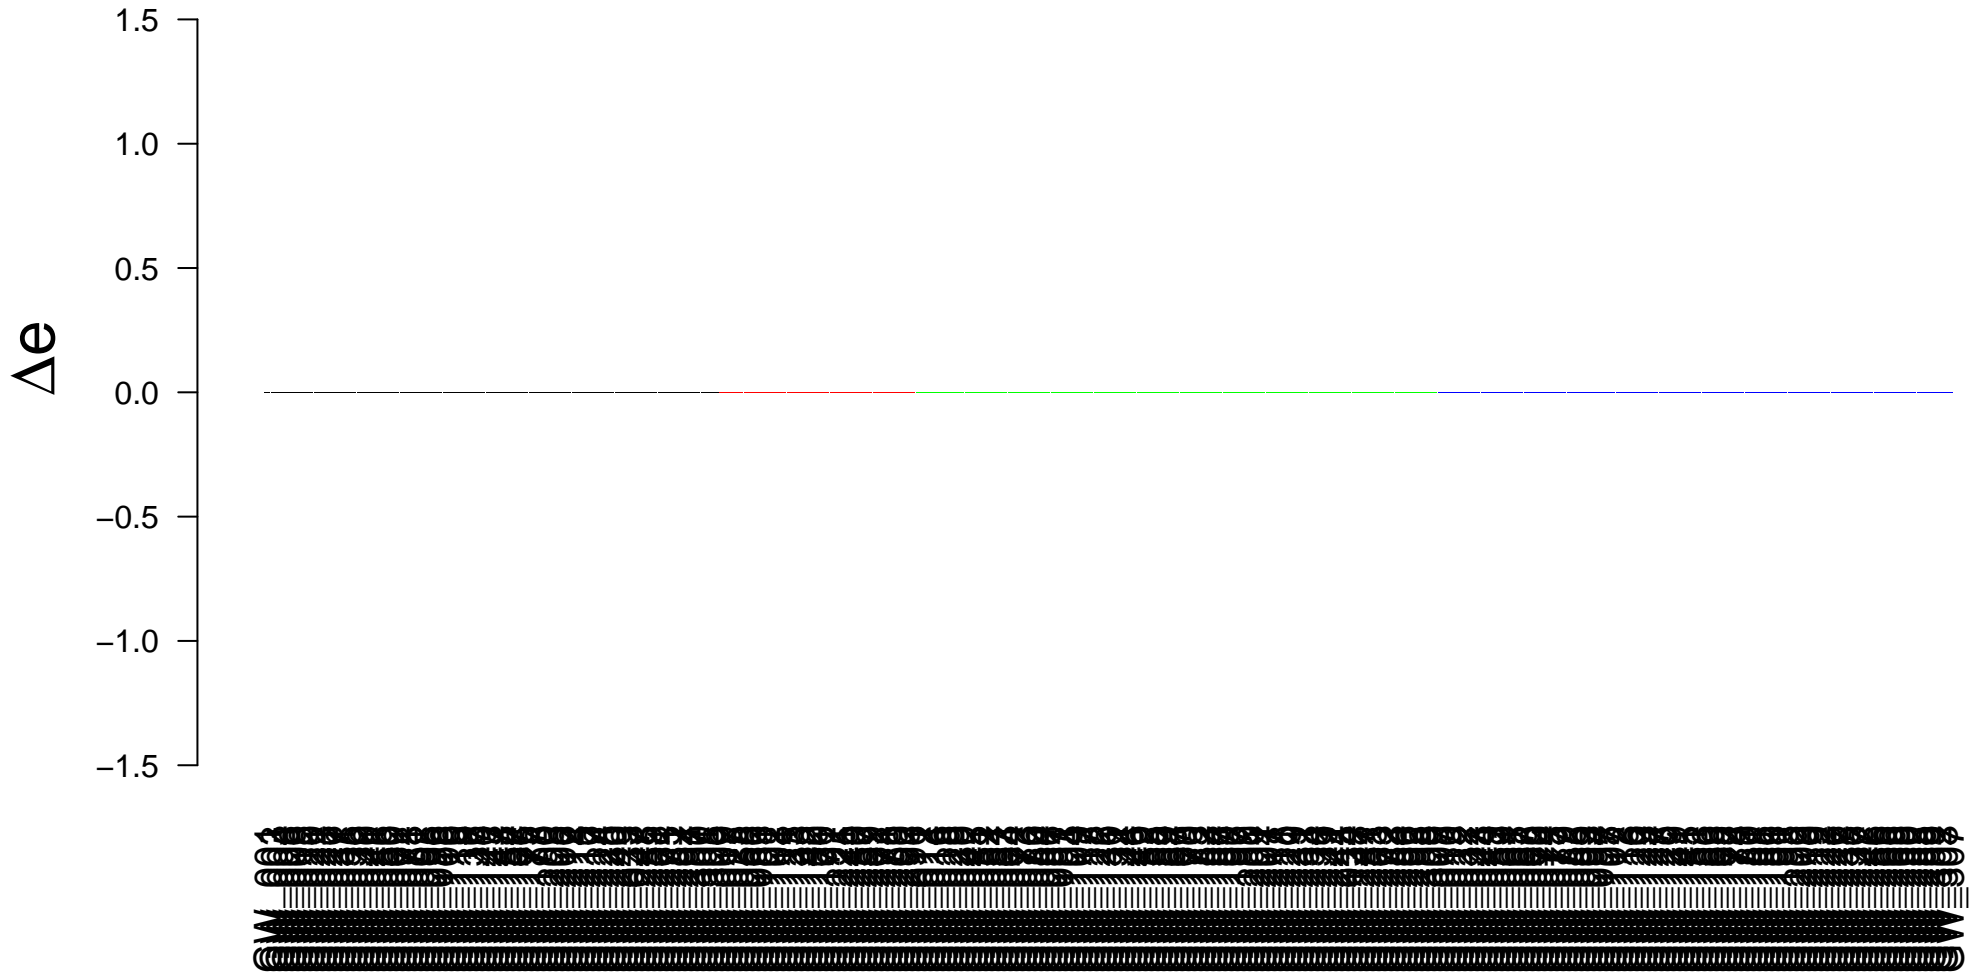

Expression of determination of left/right symmetry in Spot E

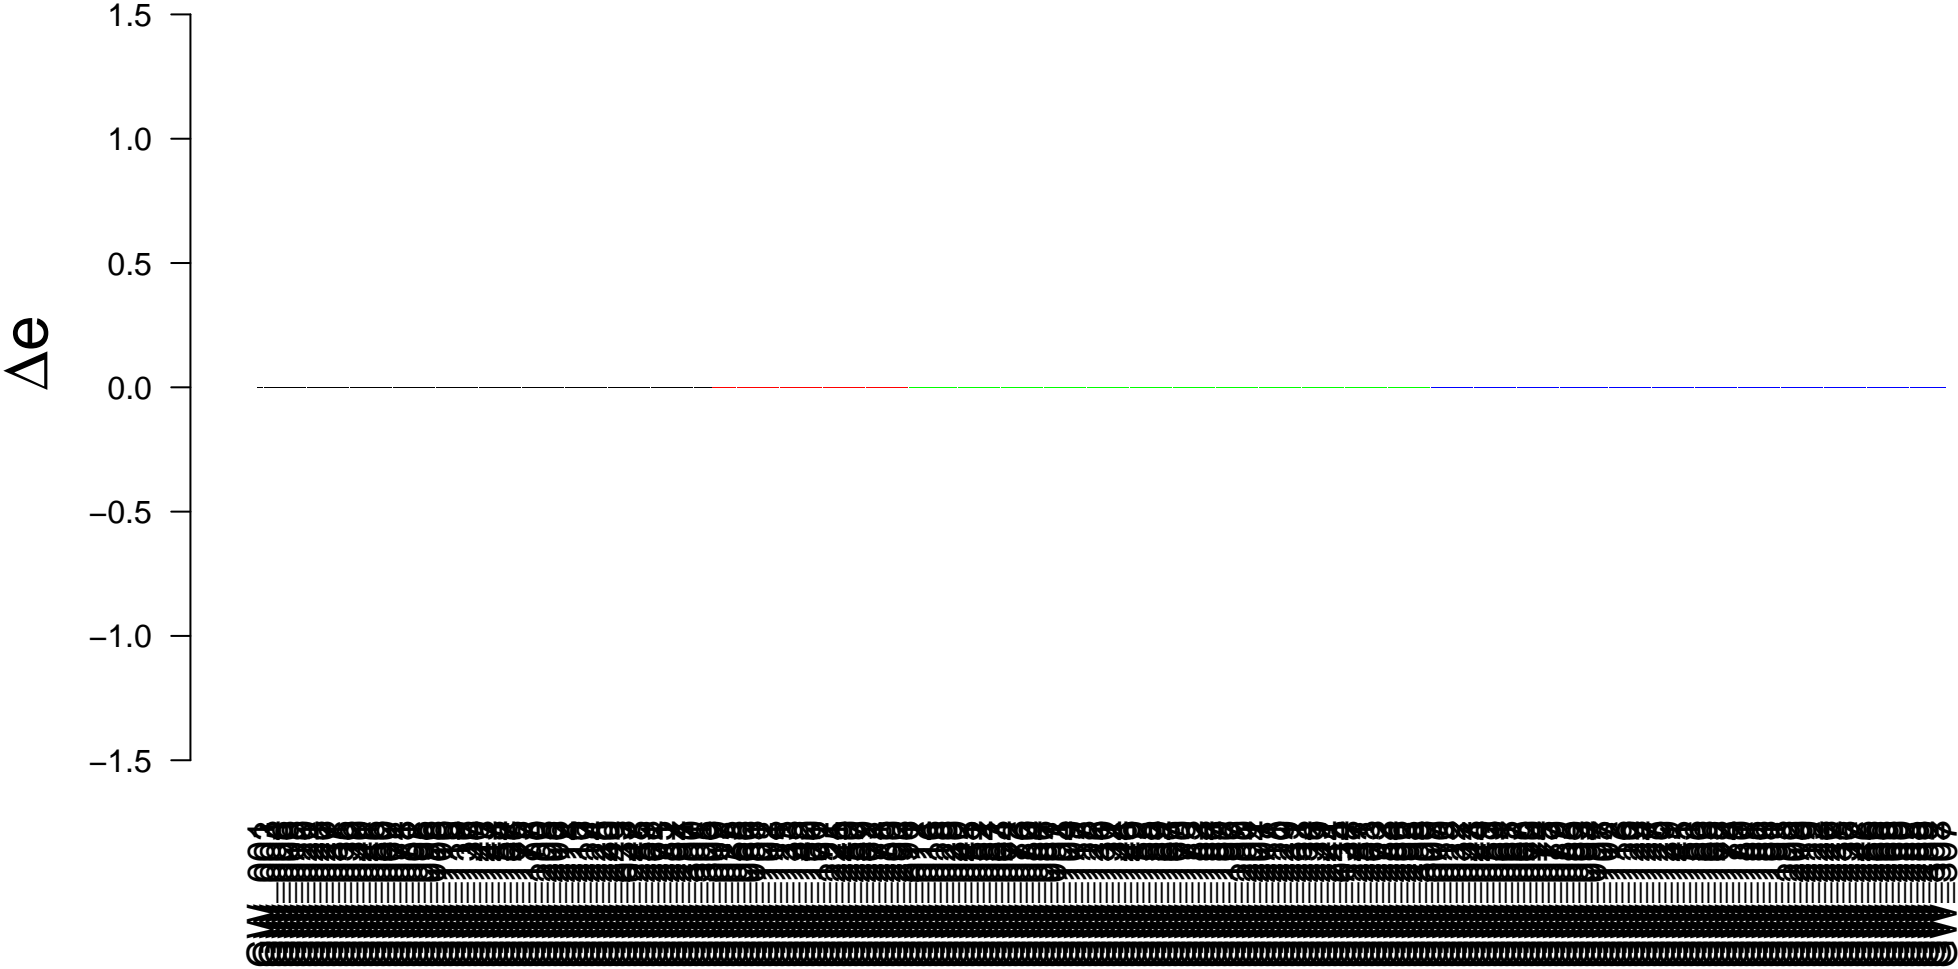

Expression of determination of left/right symmetry in Spot F

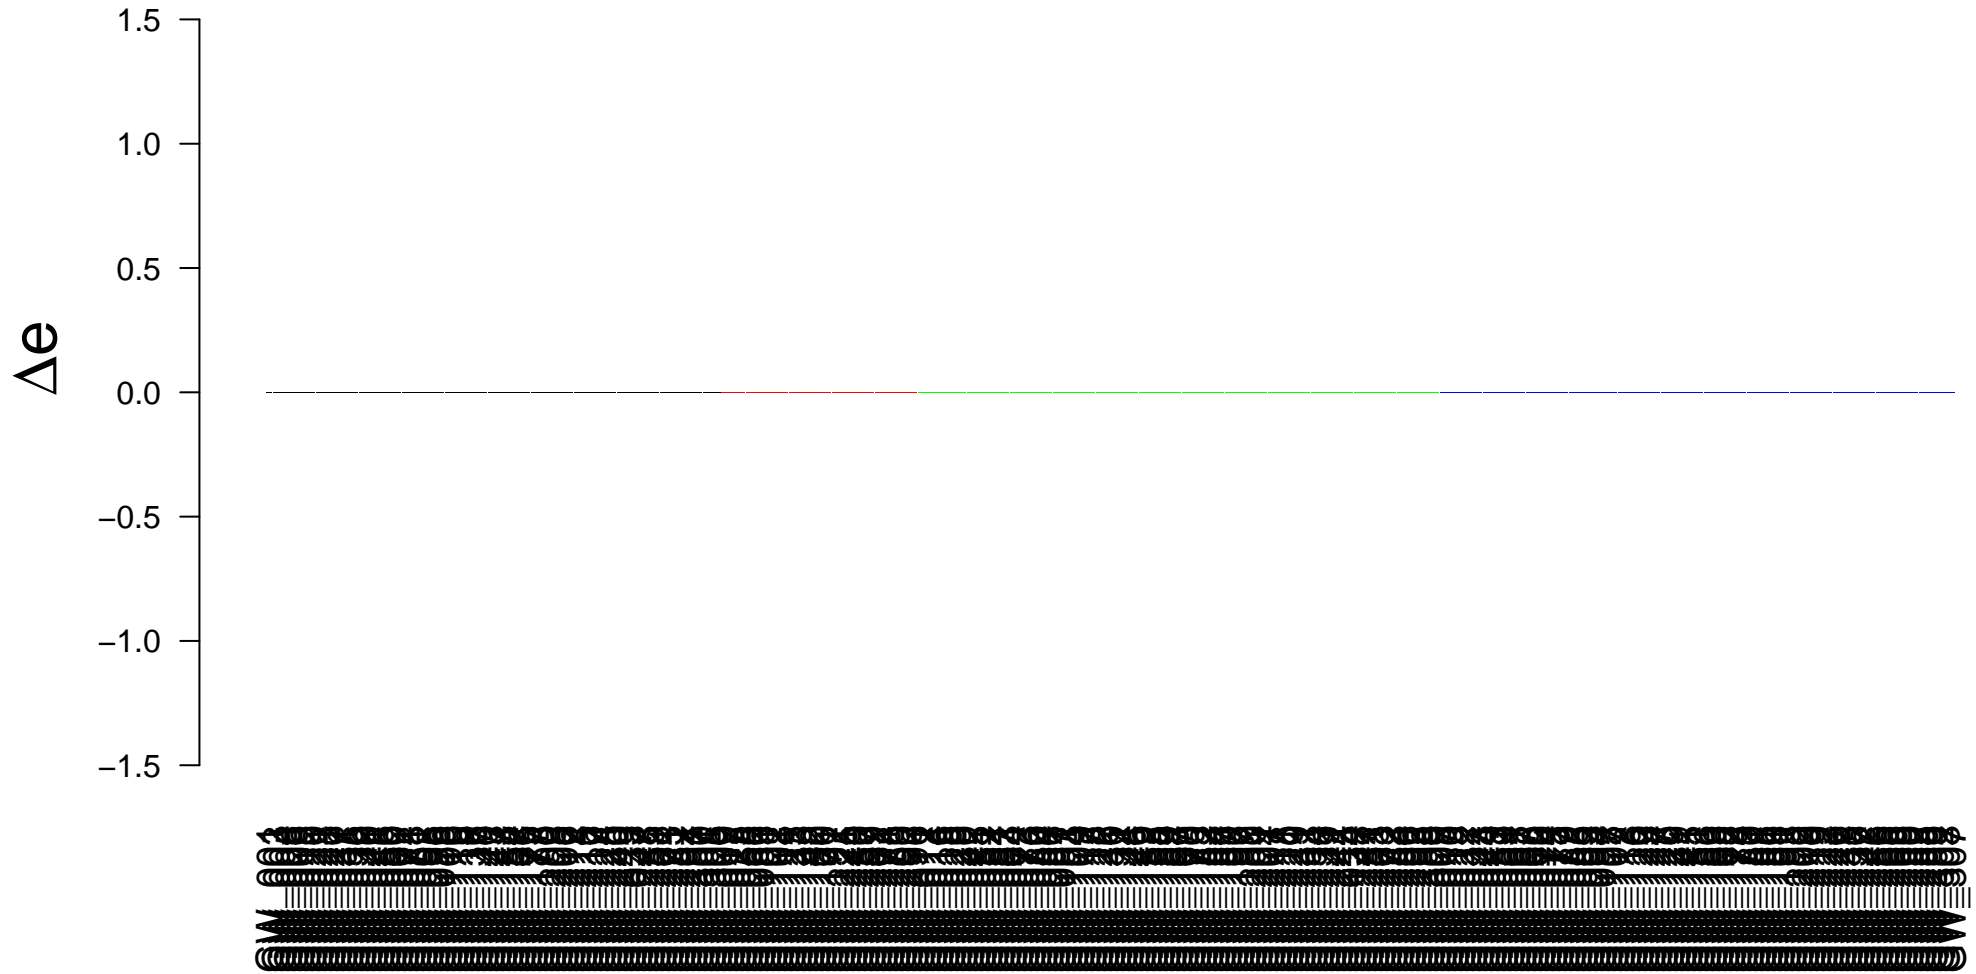

Expression of determination of left/right symmetry in Spot G

Expression of determination of left/right symmetry in Spot H

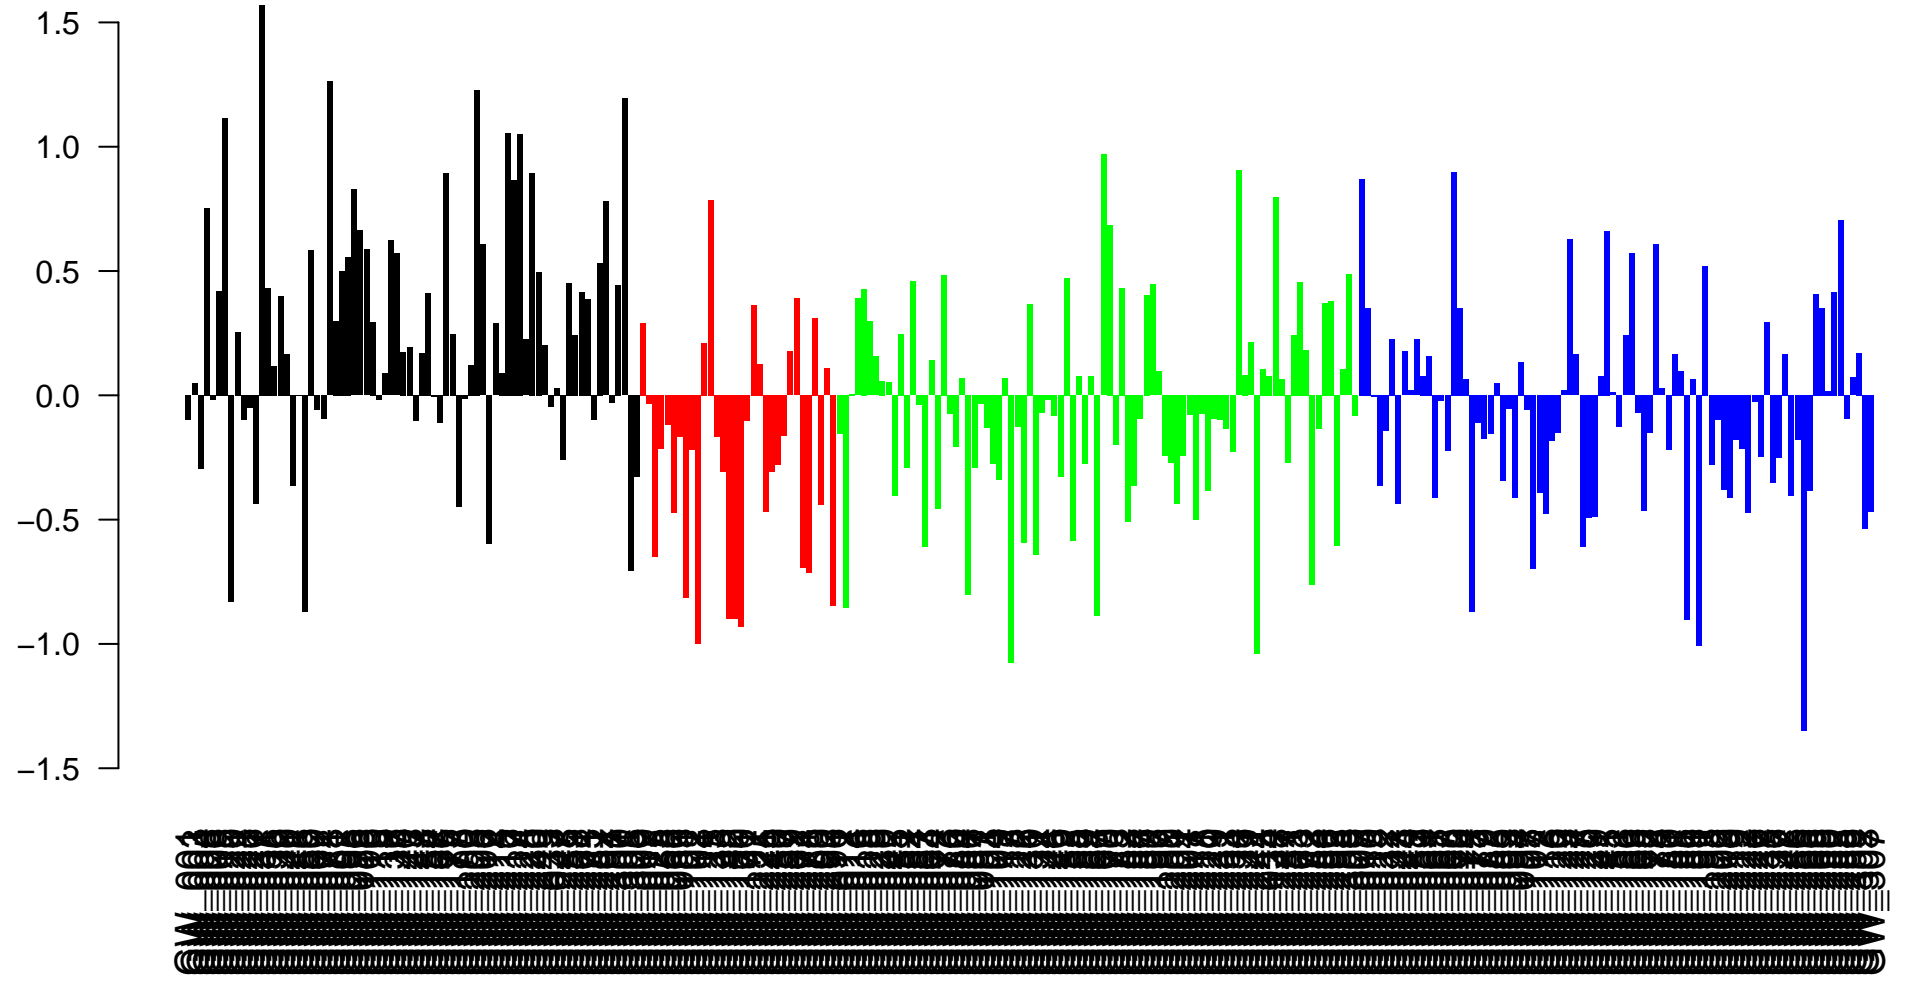

Expression of determination of left/right symmetry in Spot I

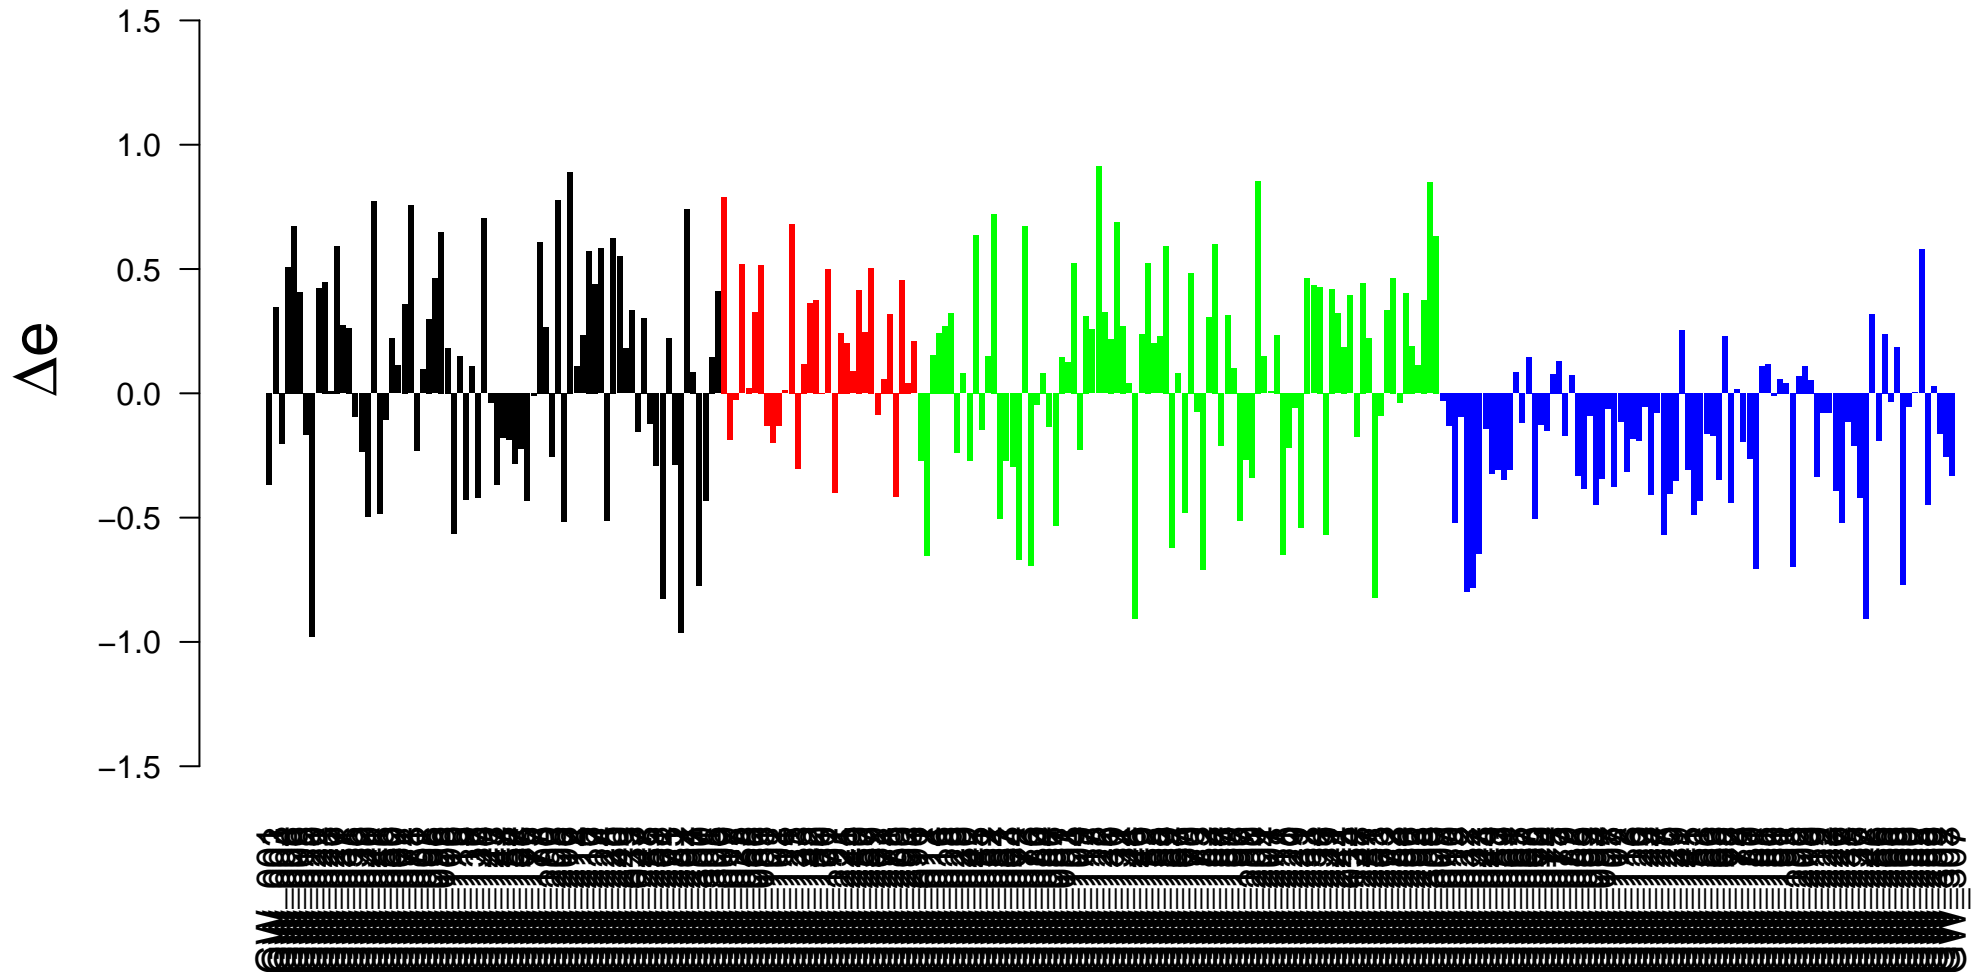

Expression of determination of left/right symmetry in Spot J

Δe

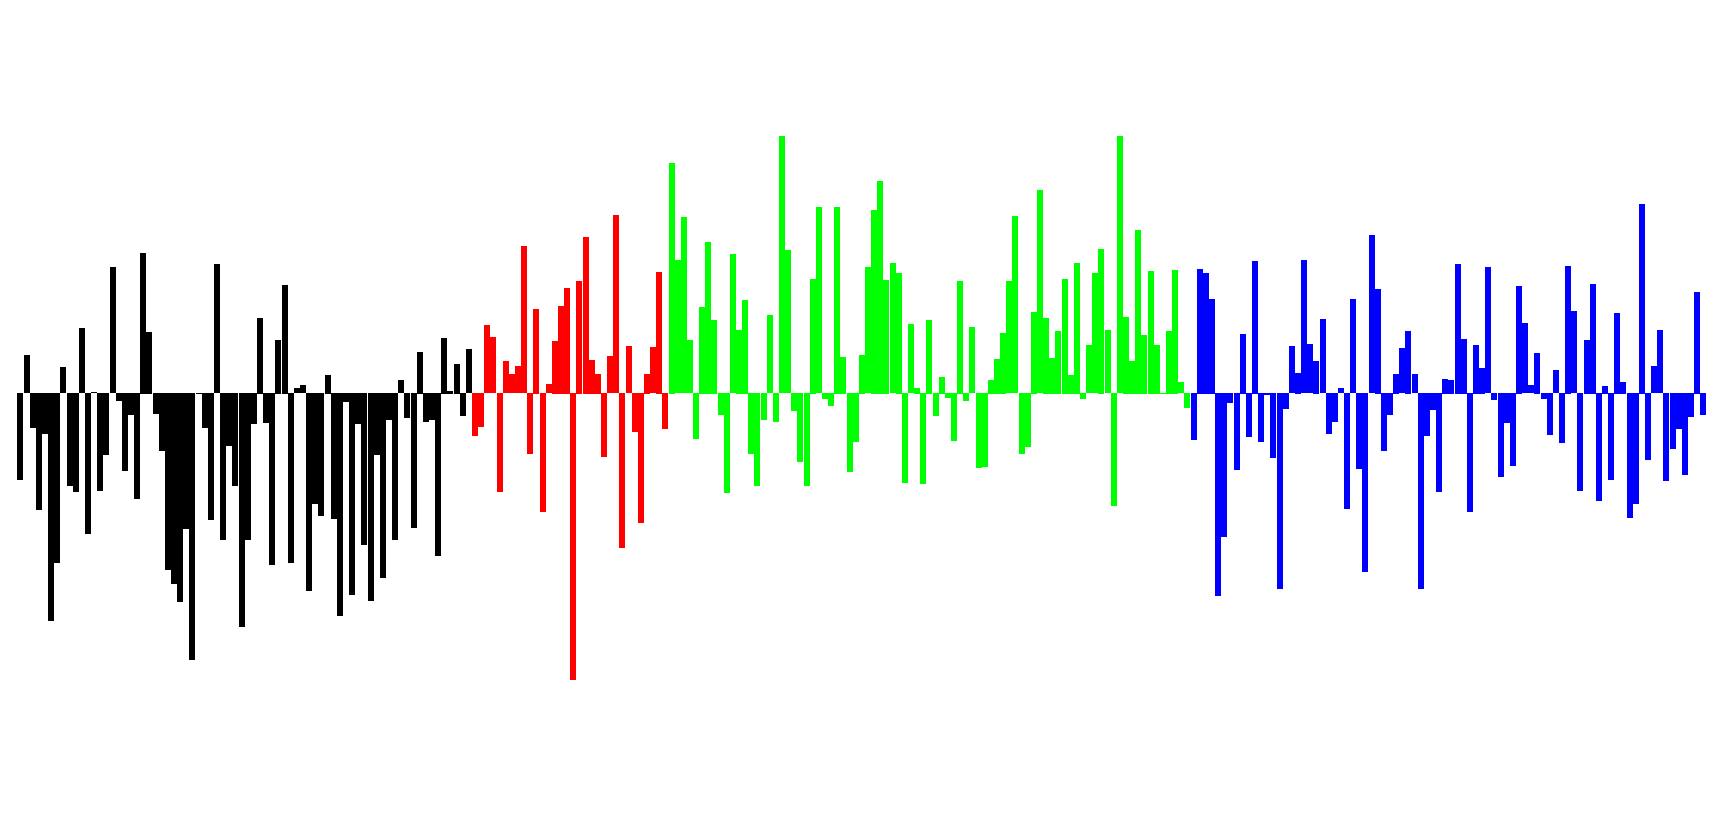

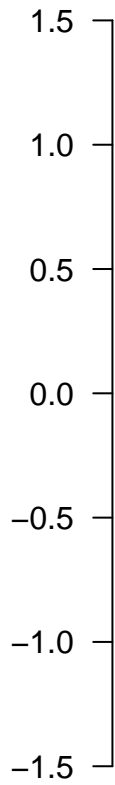

Expression of determination of left/right symmetry in Spot K

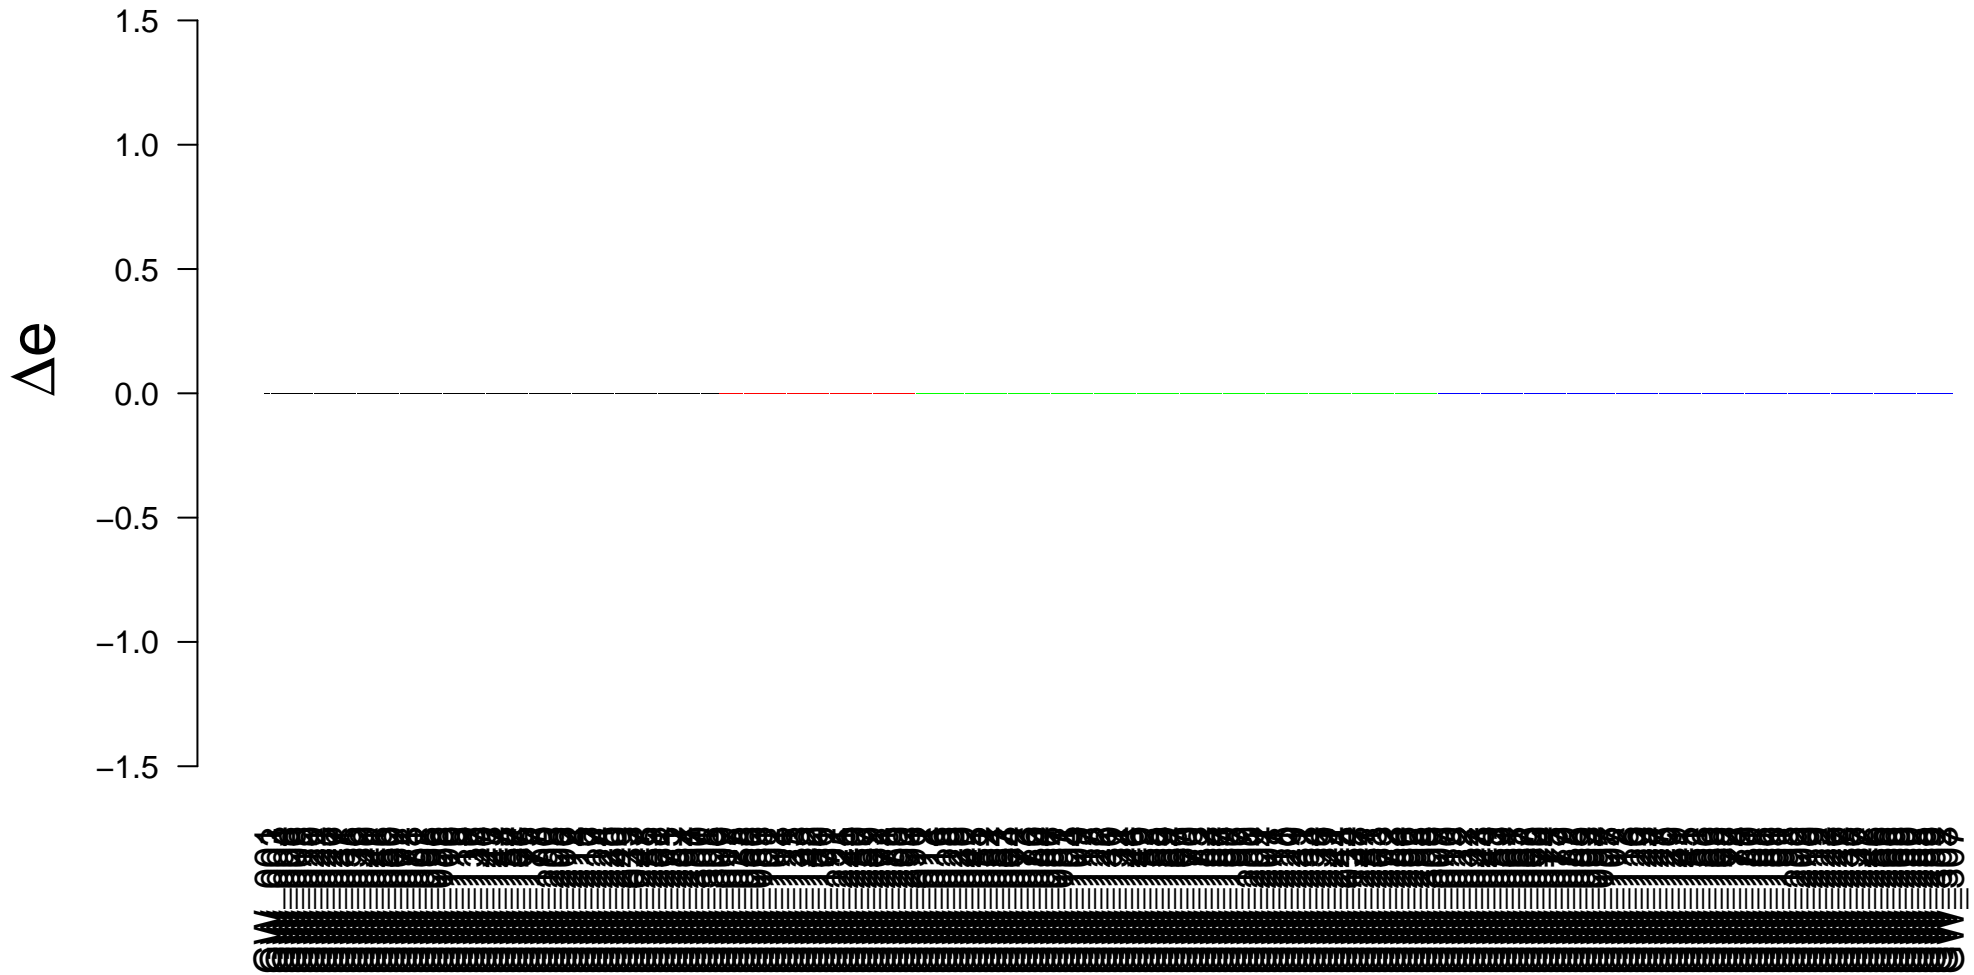

Expression of determination of left/right symmetry in Spot L

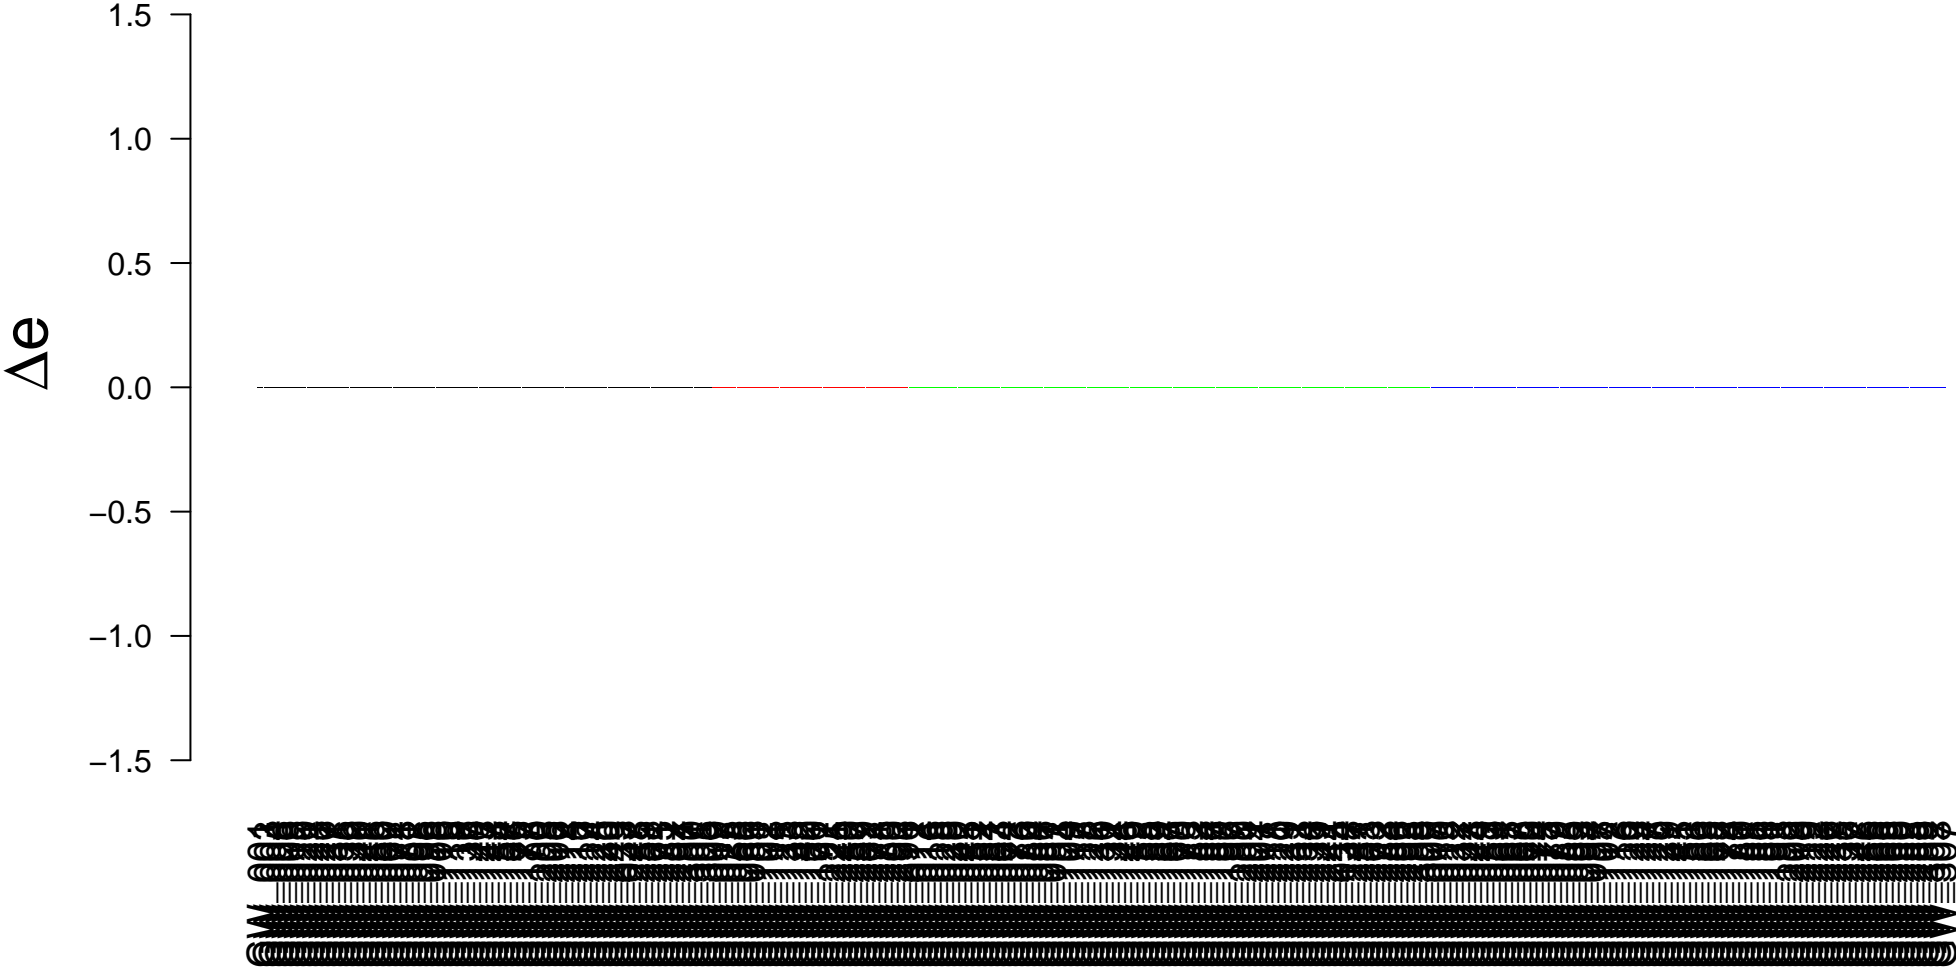

Δe

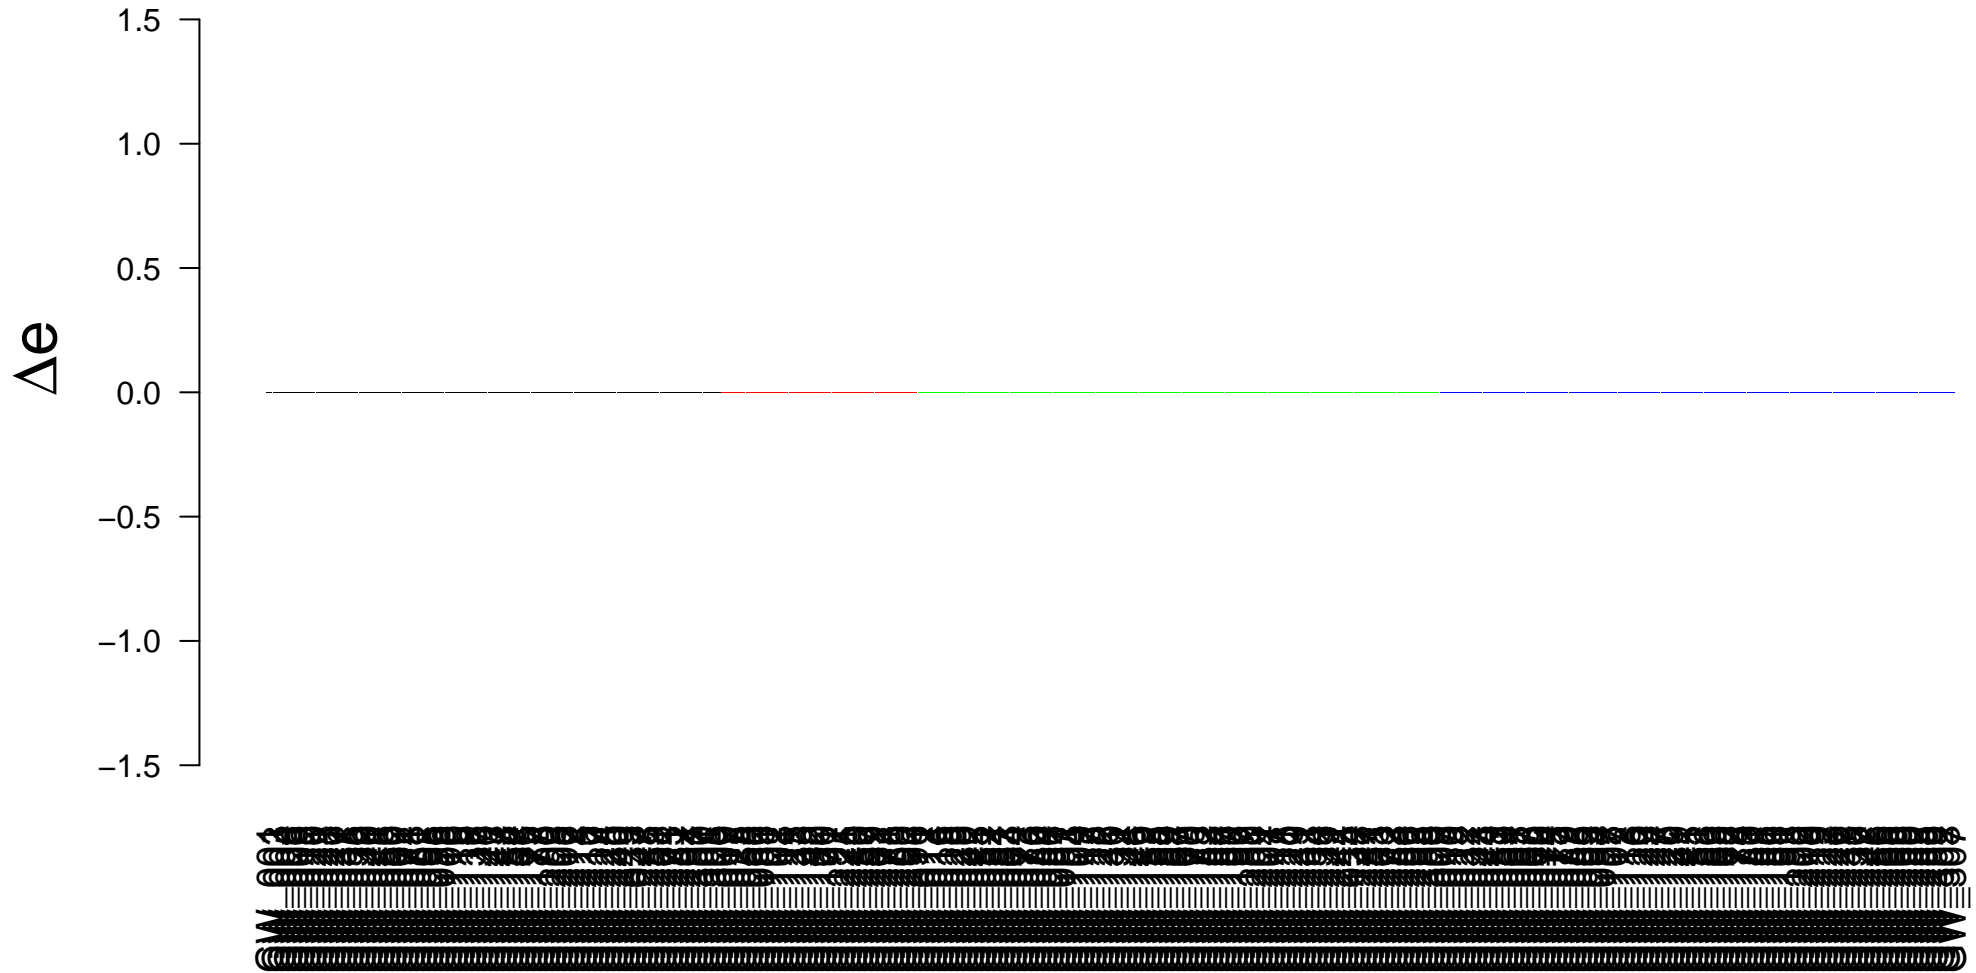

Expression of determination of left/right symmetry in Spot M

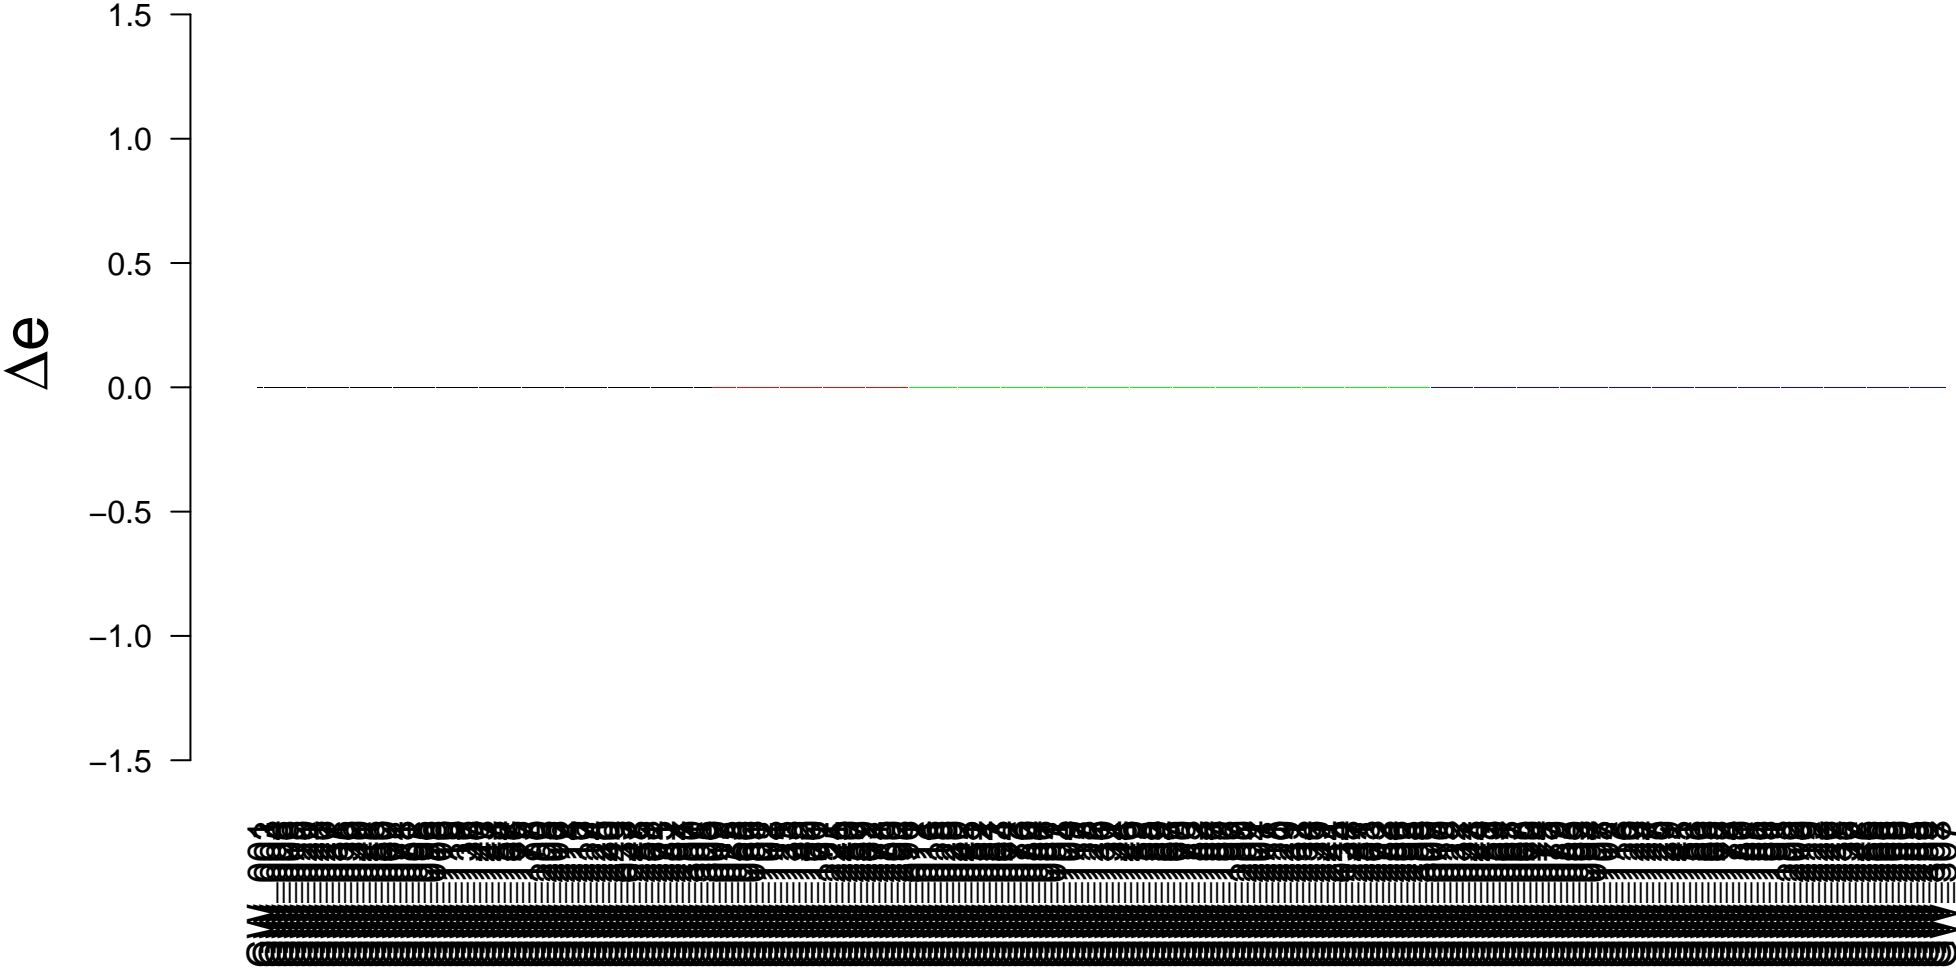

Expression of determination of left/right symmetry in Spot N

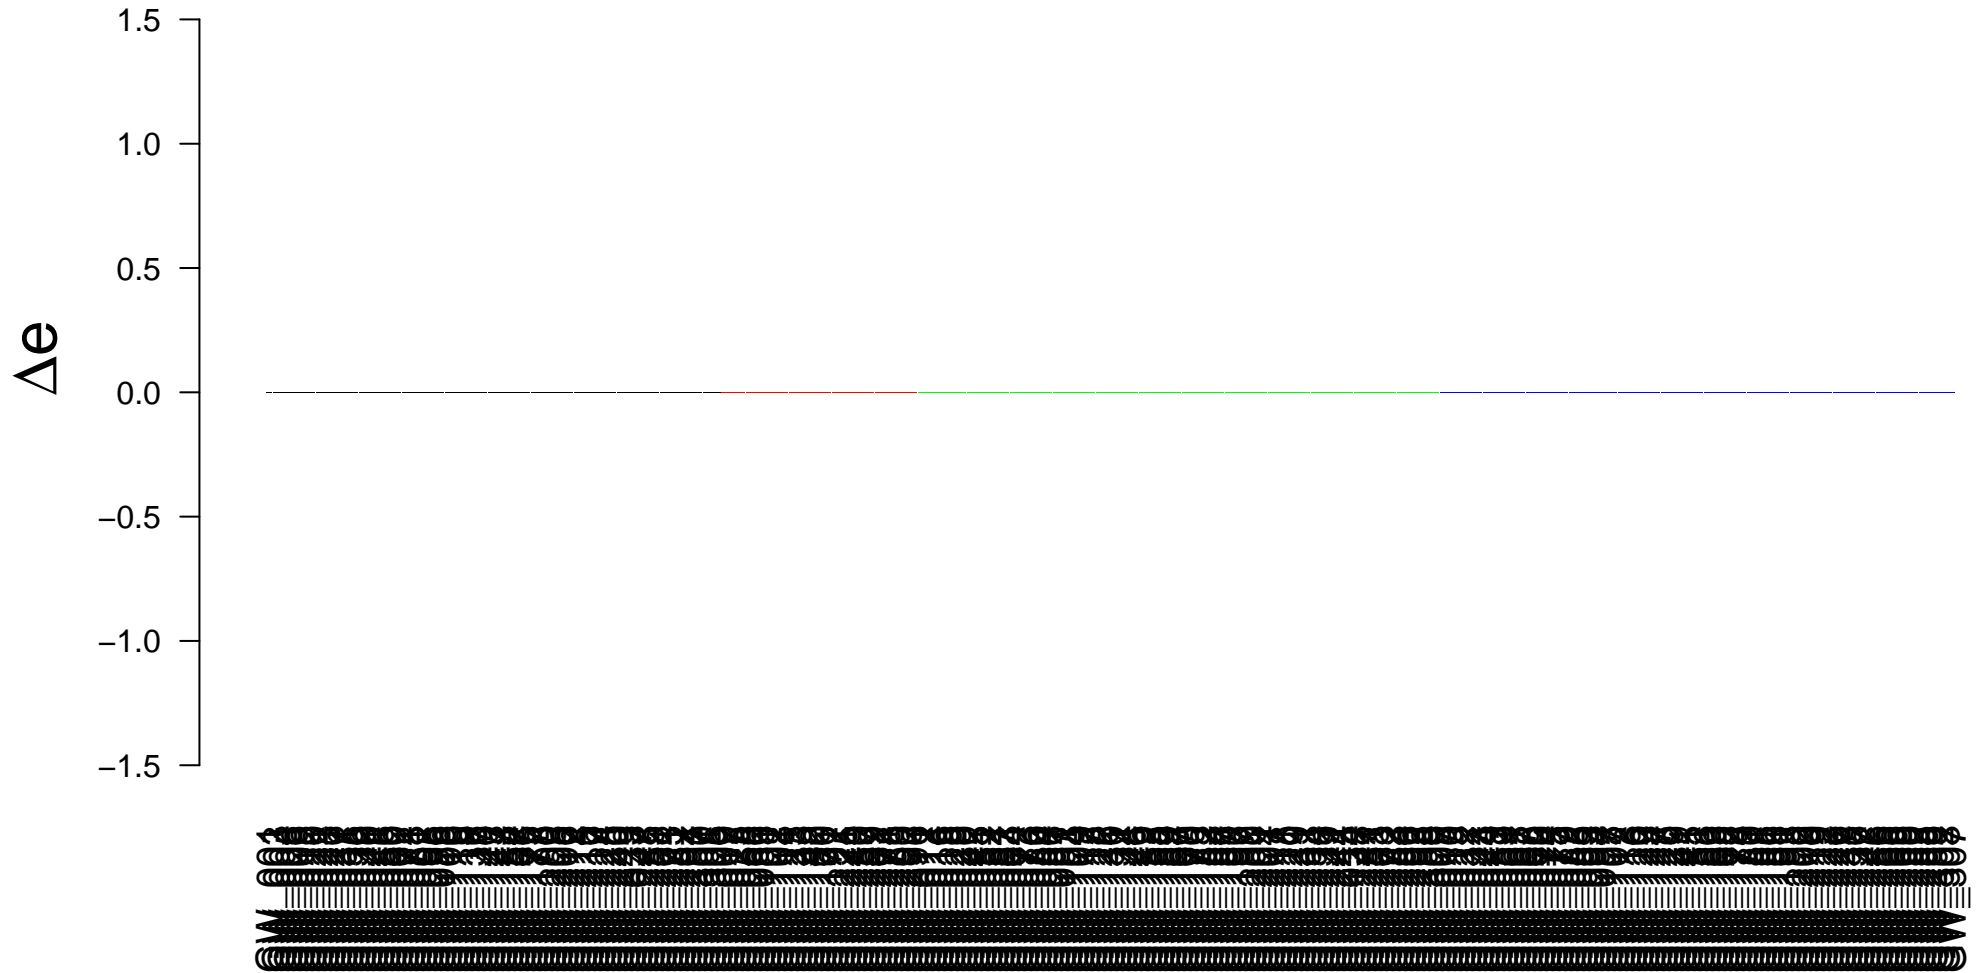

Expression of determination of left/right symmetry in Spot O

Expression of determination of left/right symmetry in Spot P

Expression of determination of left/right symmetry in Spot Q

Expression of determination of left/right symmetry in Spot R
