

developmental pigmentation

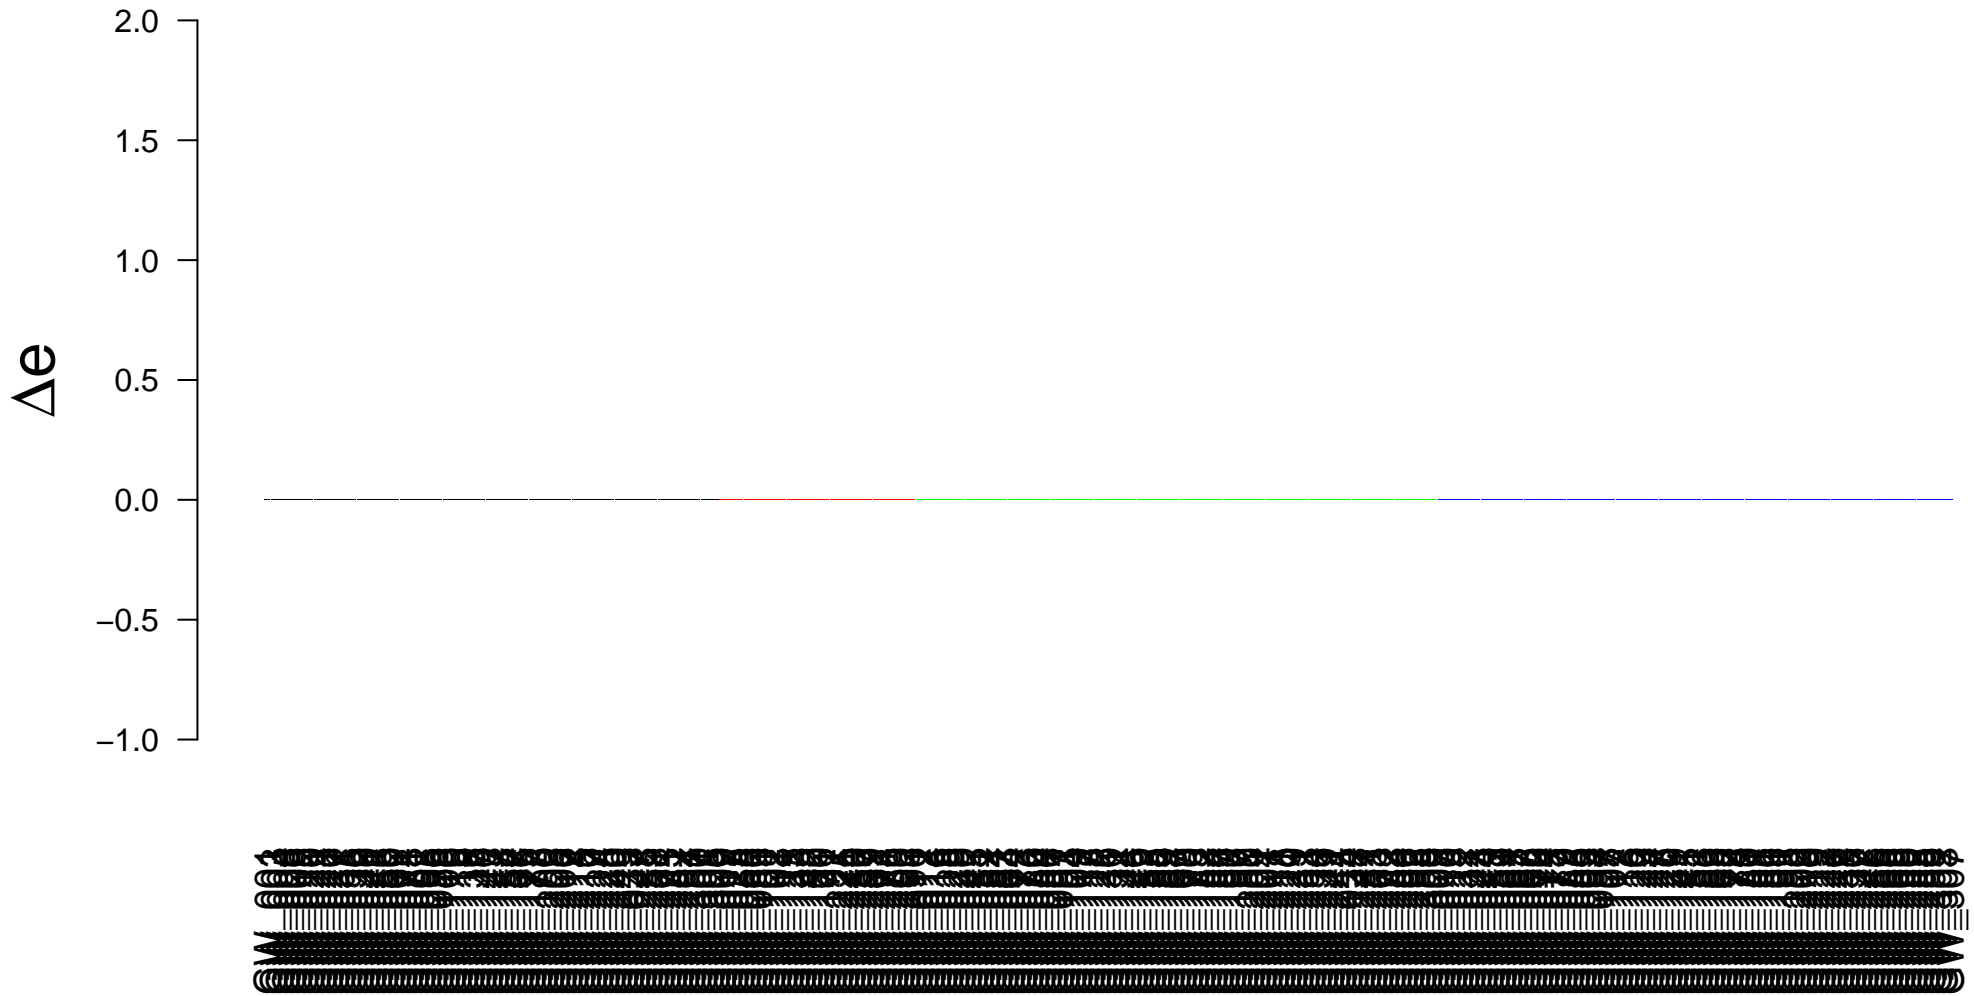

developmental pigmentation

Enrichment in spots: developmental pigmentation

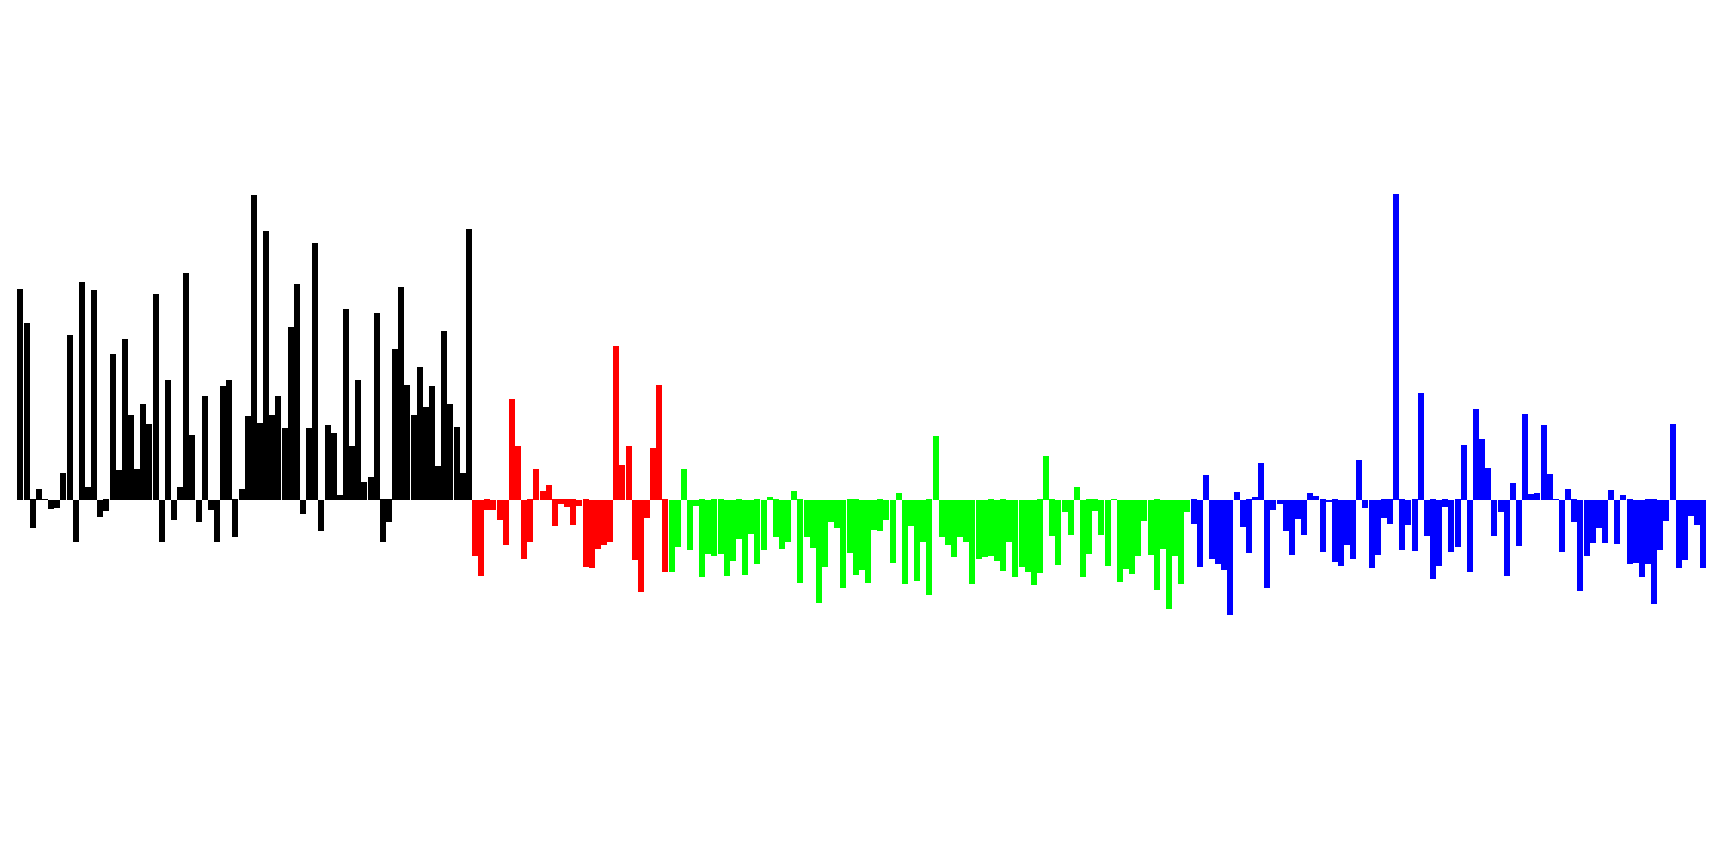

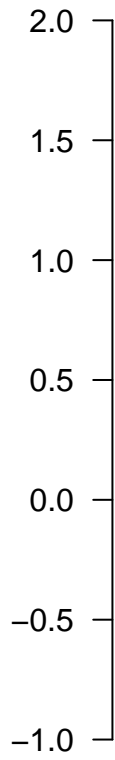

Expression of developmental pigmentation in Spot A

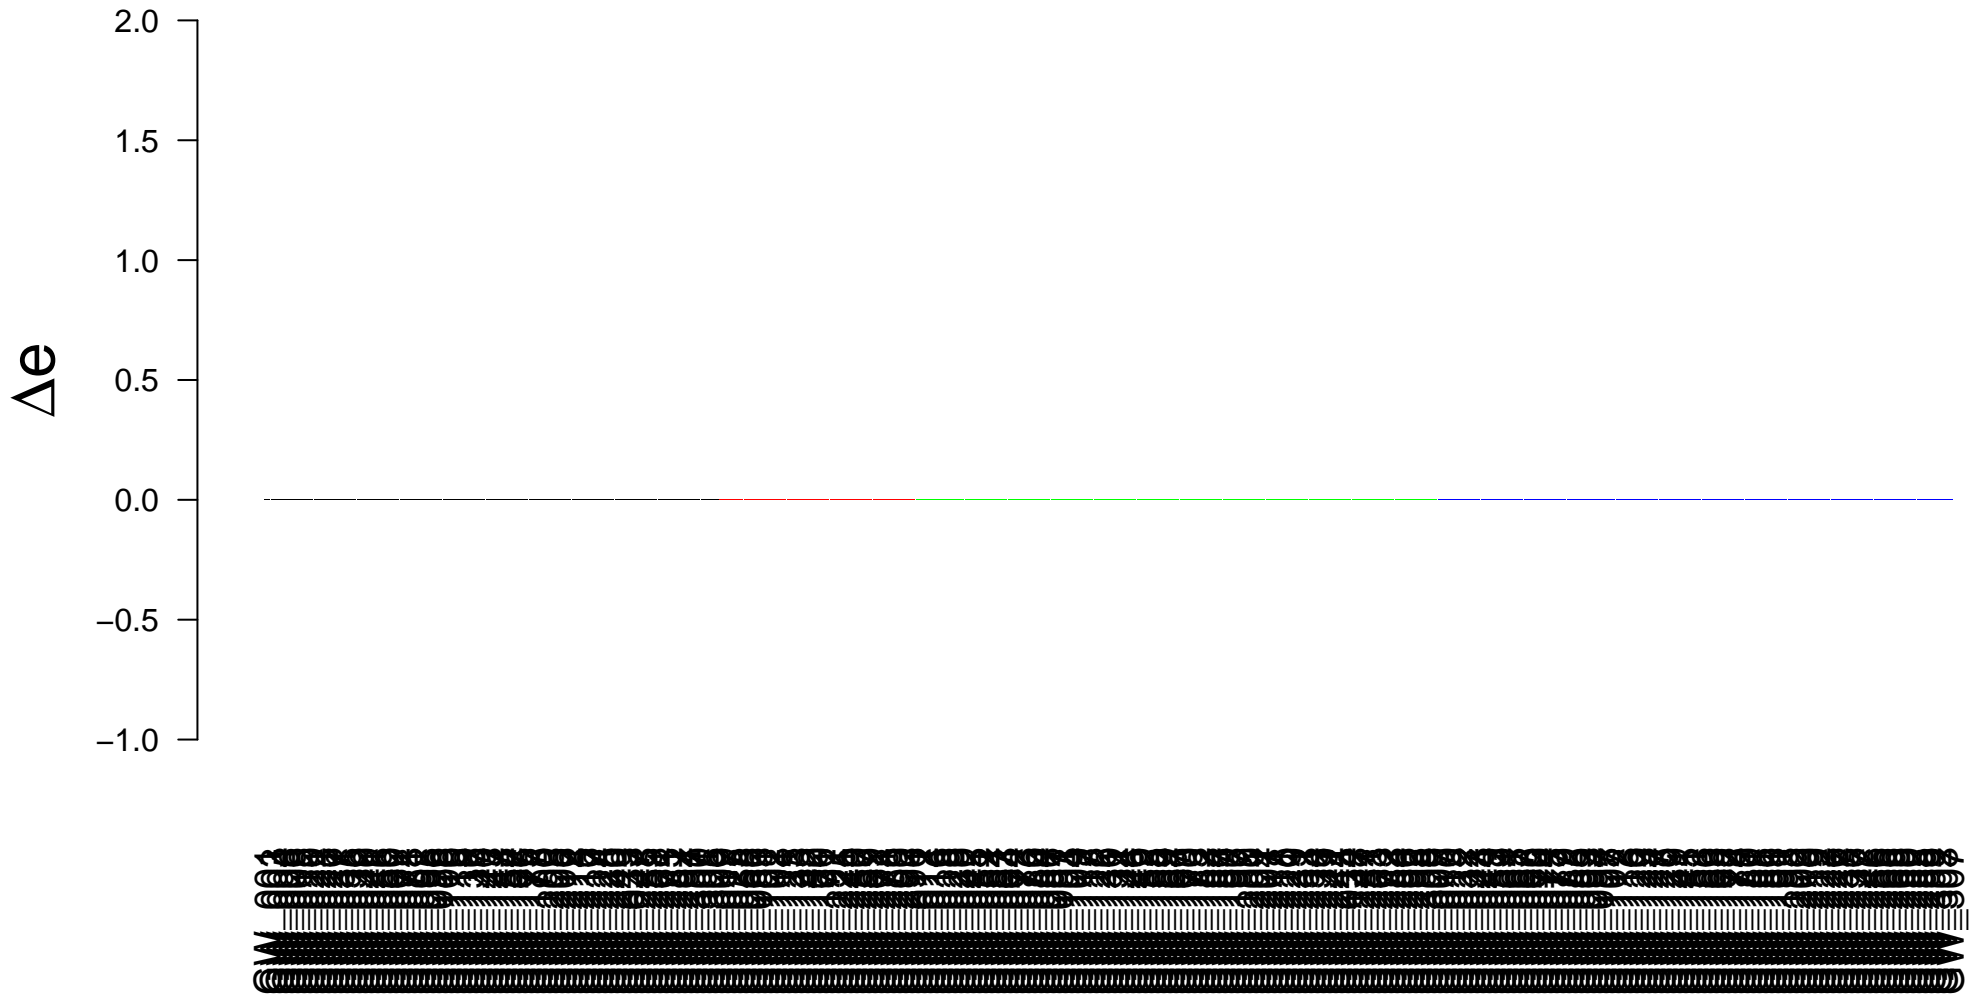

Expression of developmental pigmentation in Spot B

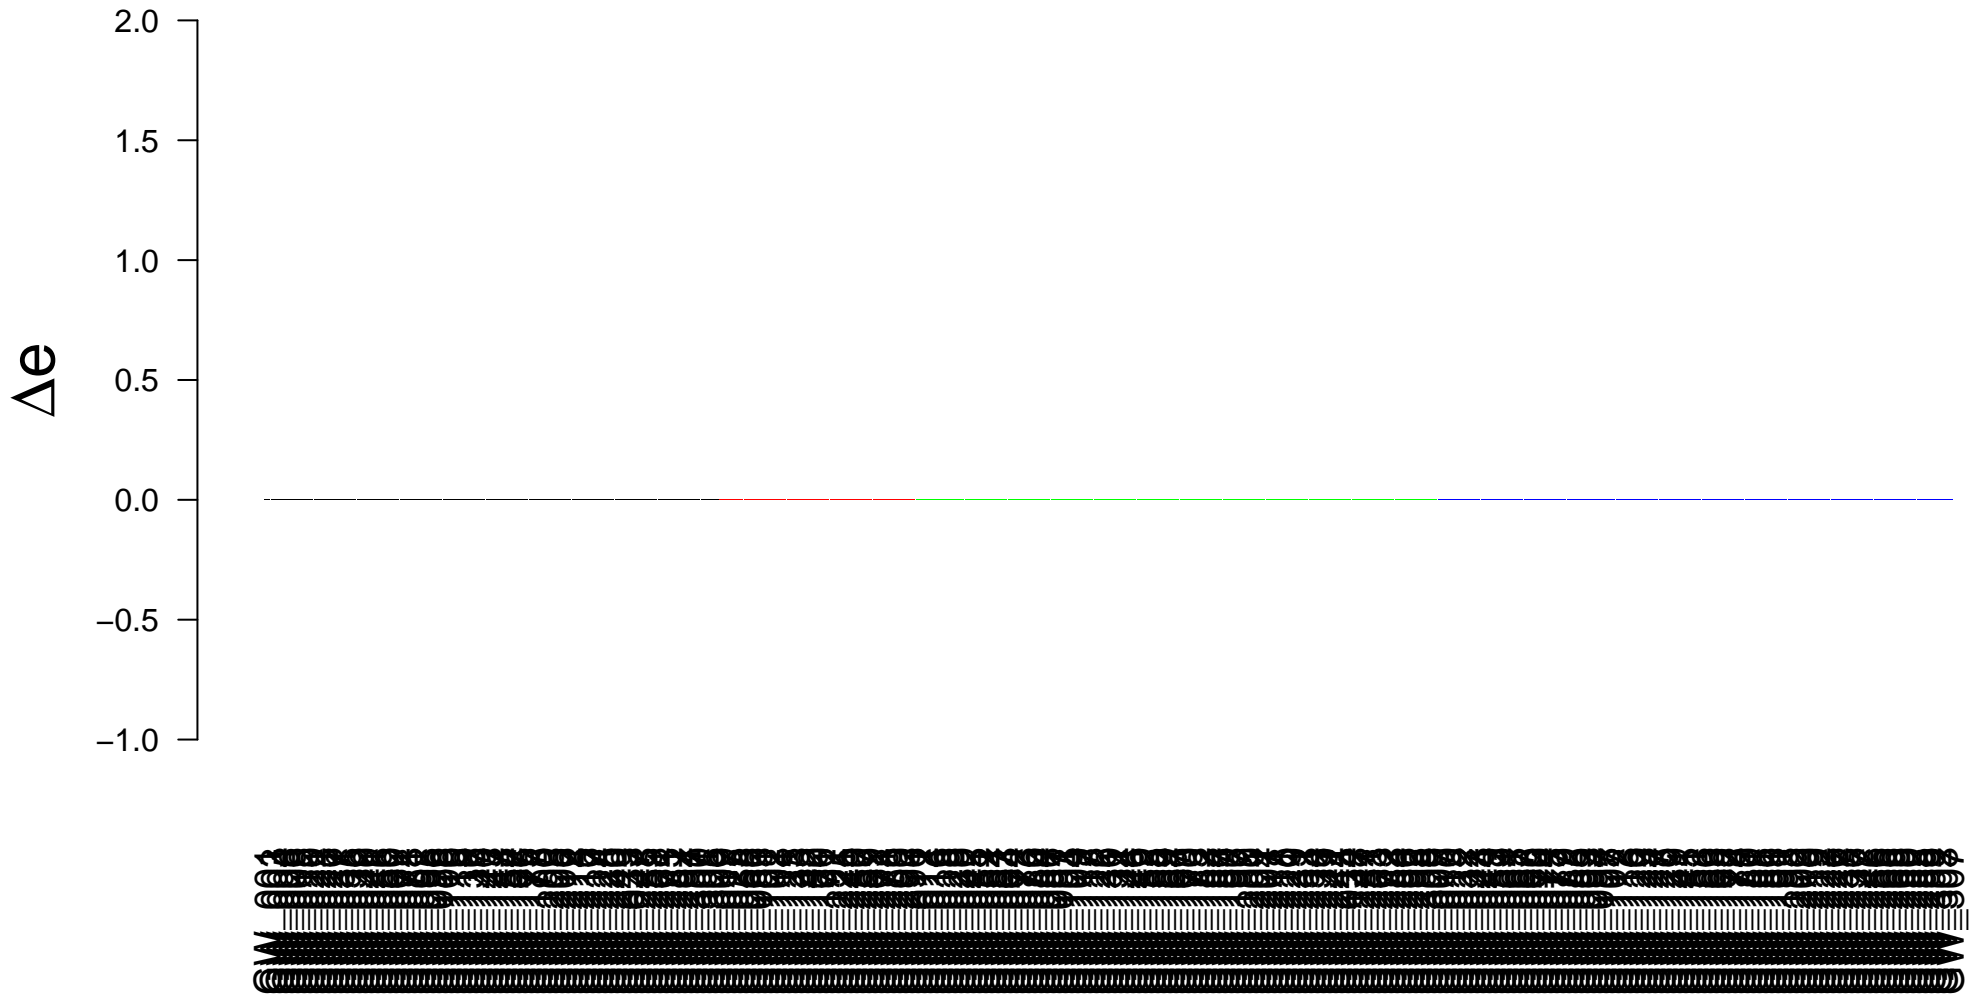

Δe

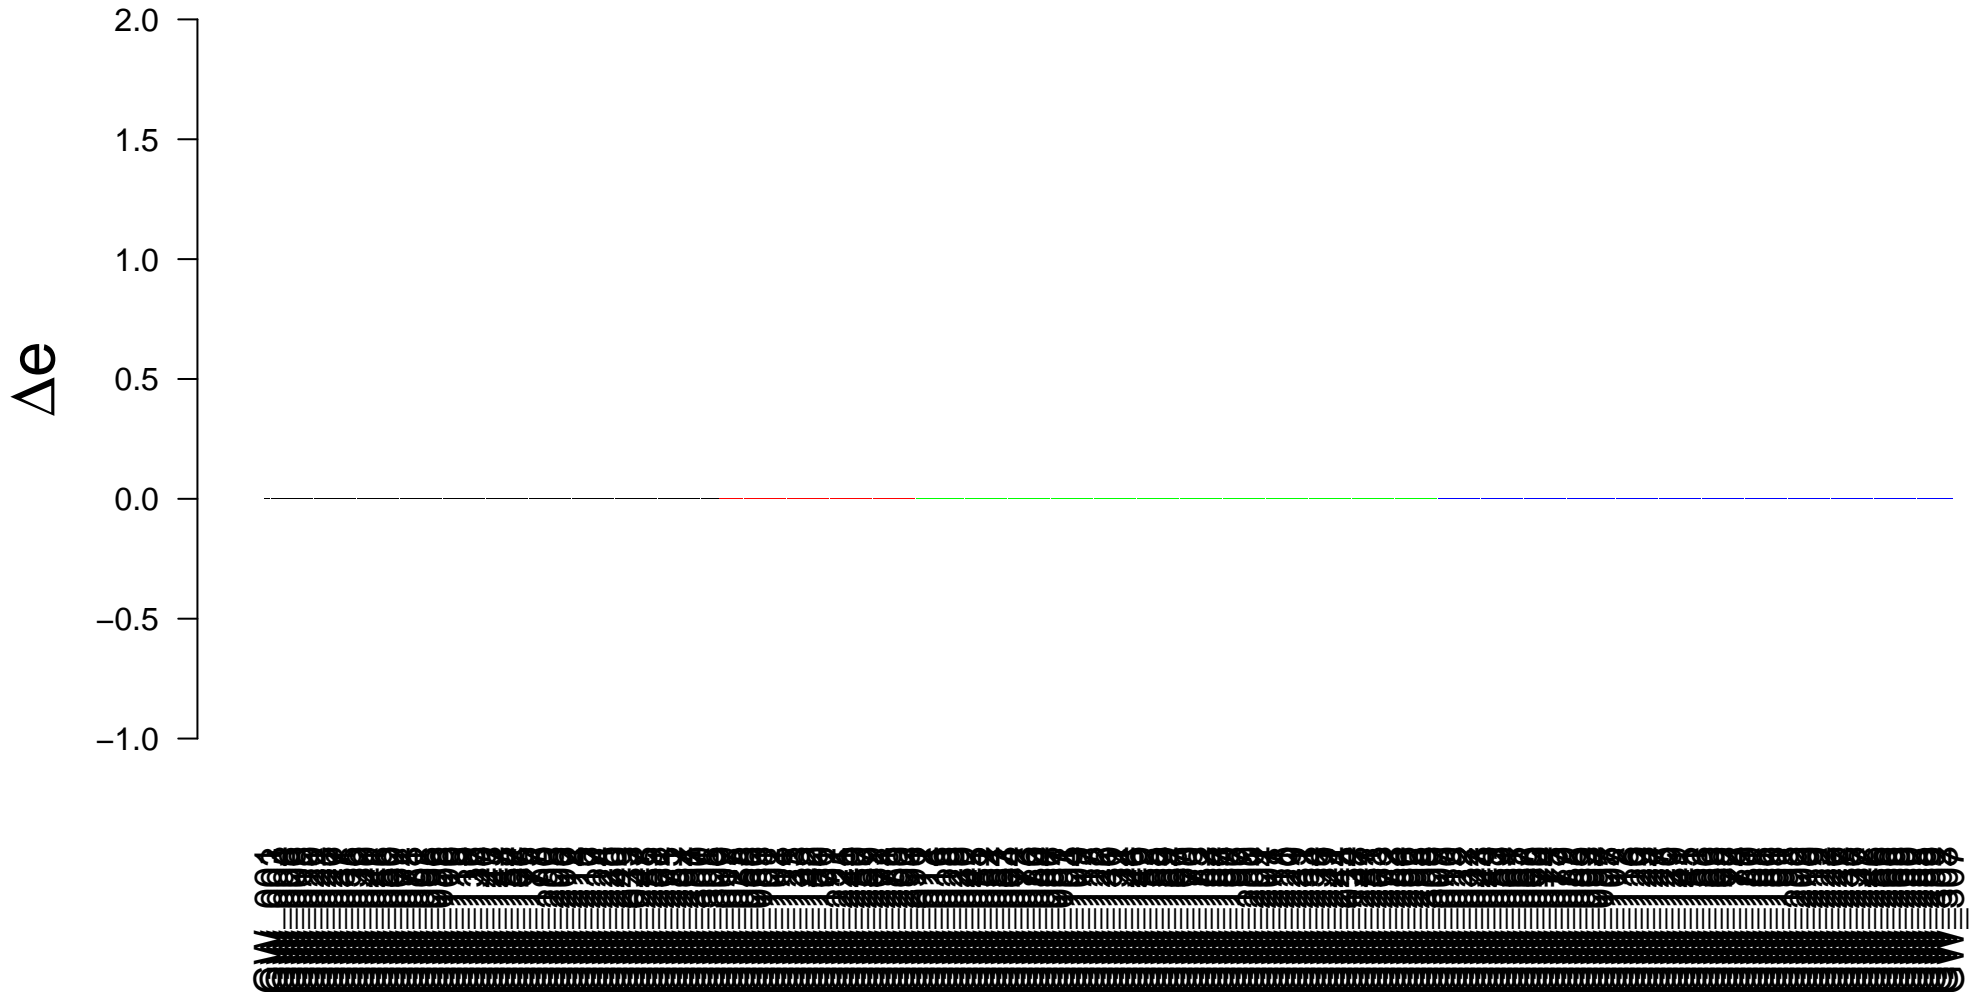

Expression of developmental pigmentation in Spot C

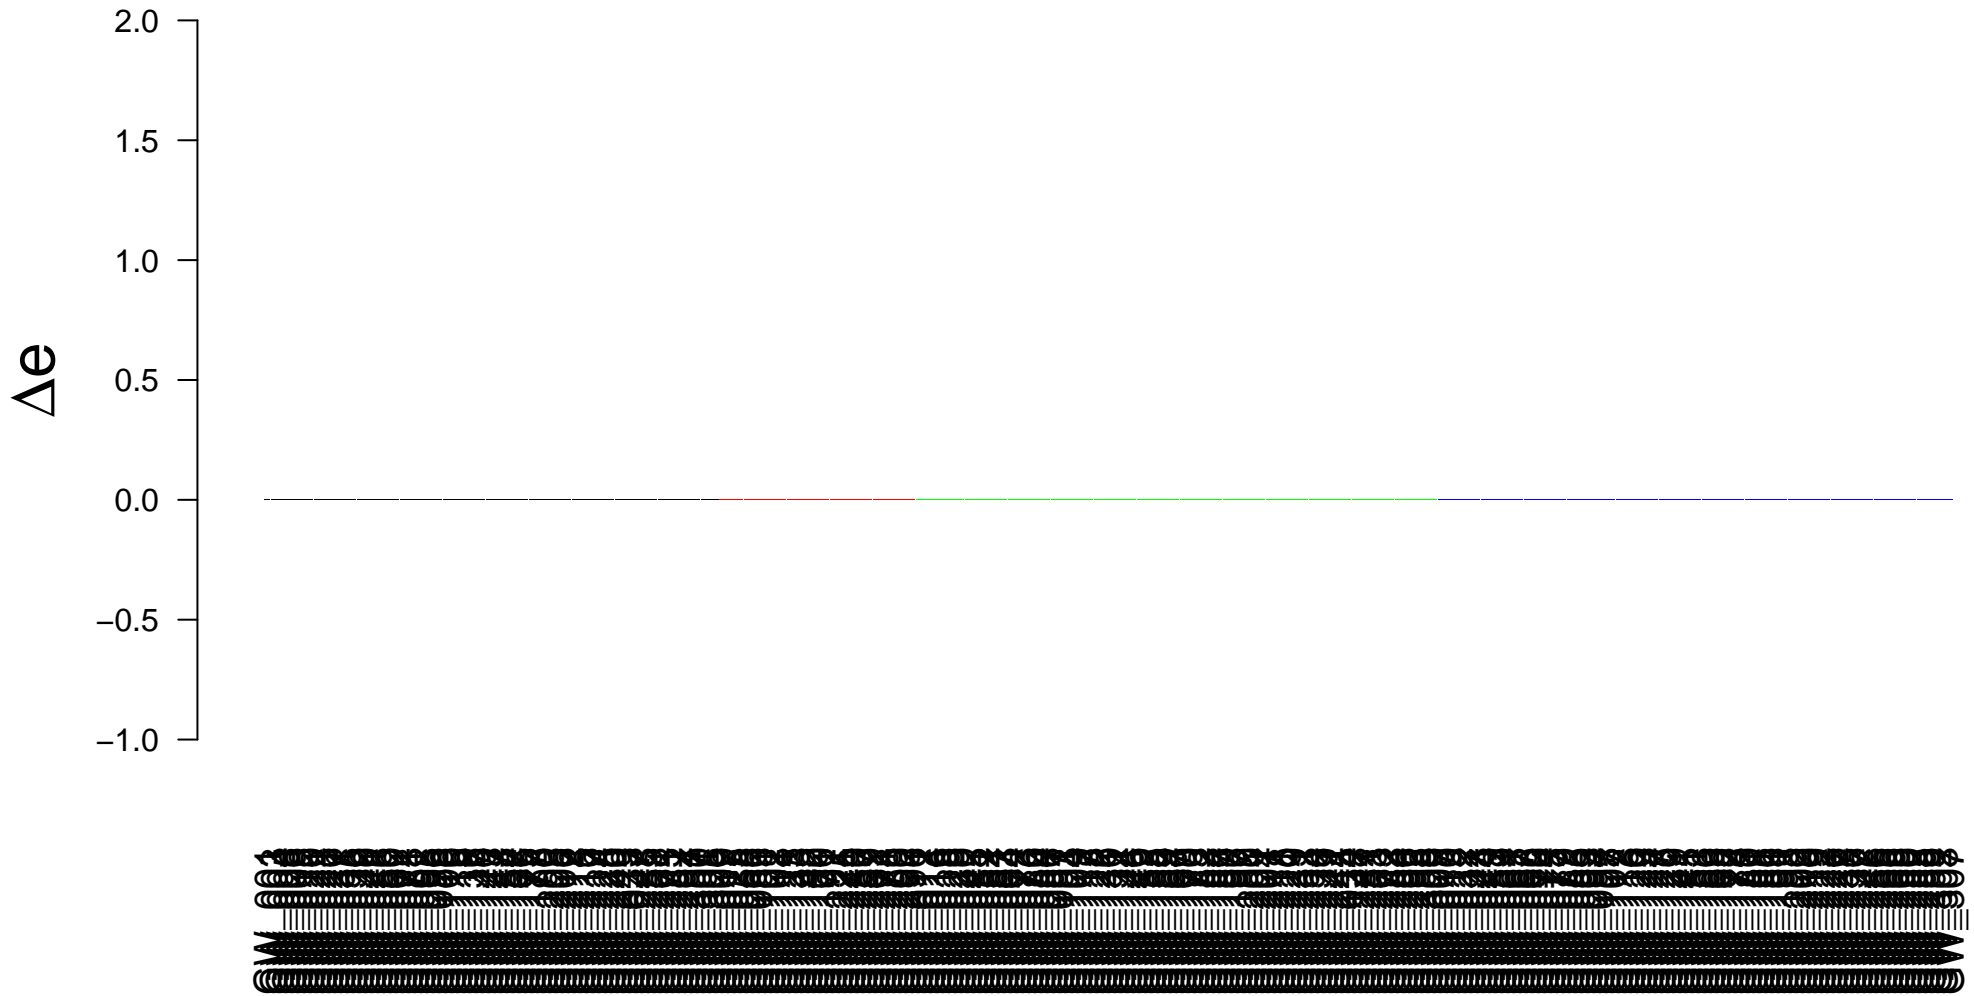

Expression of developmental pigmentation in Spot D

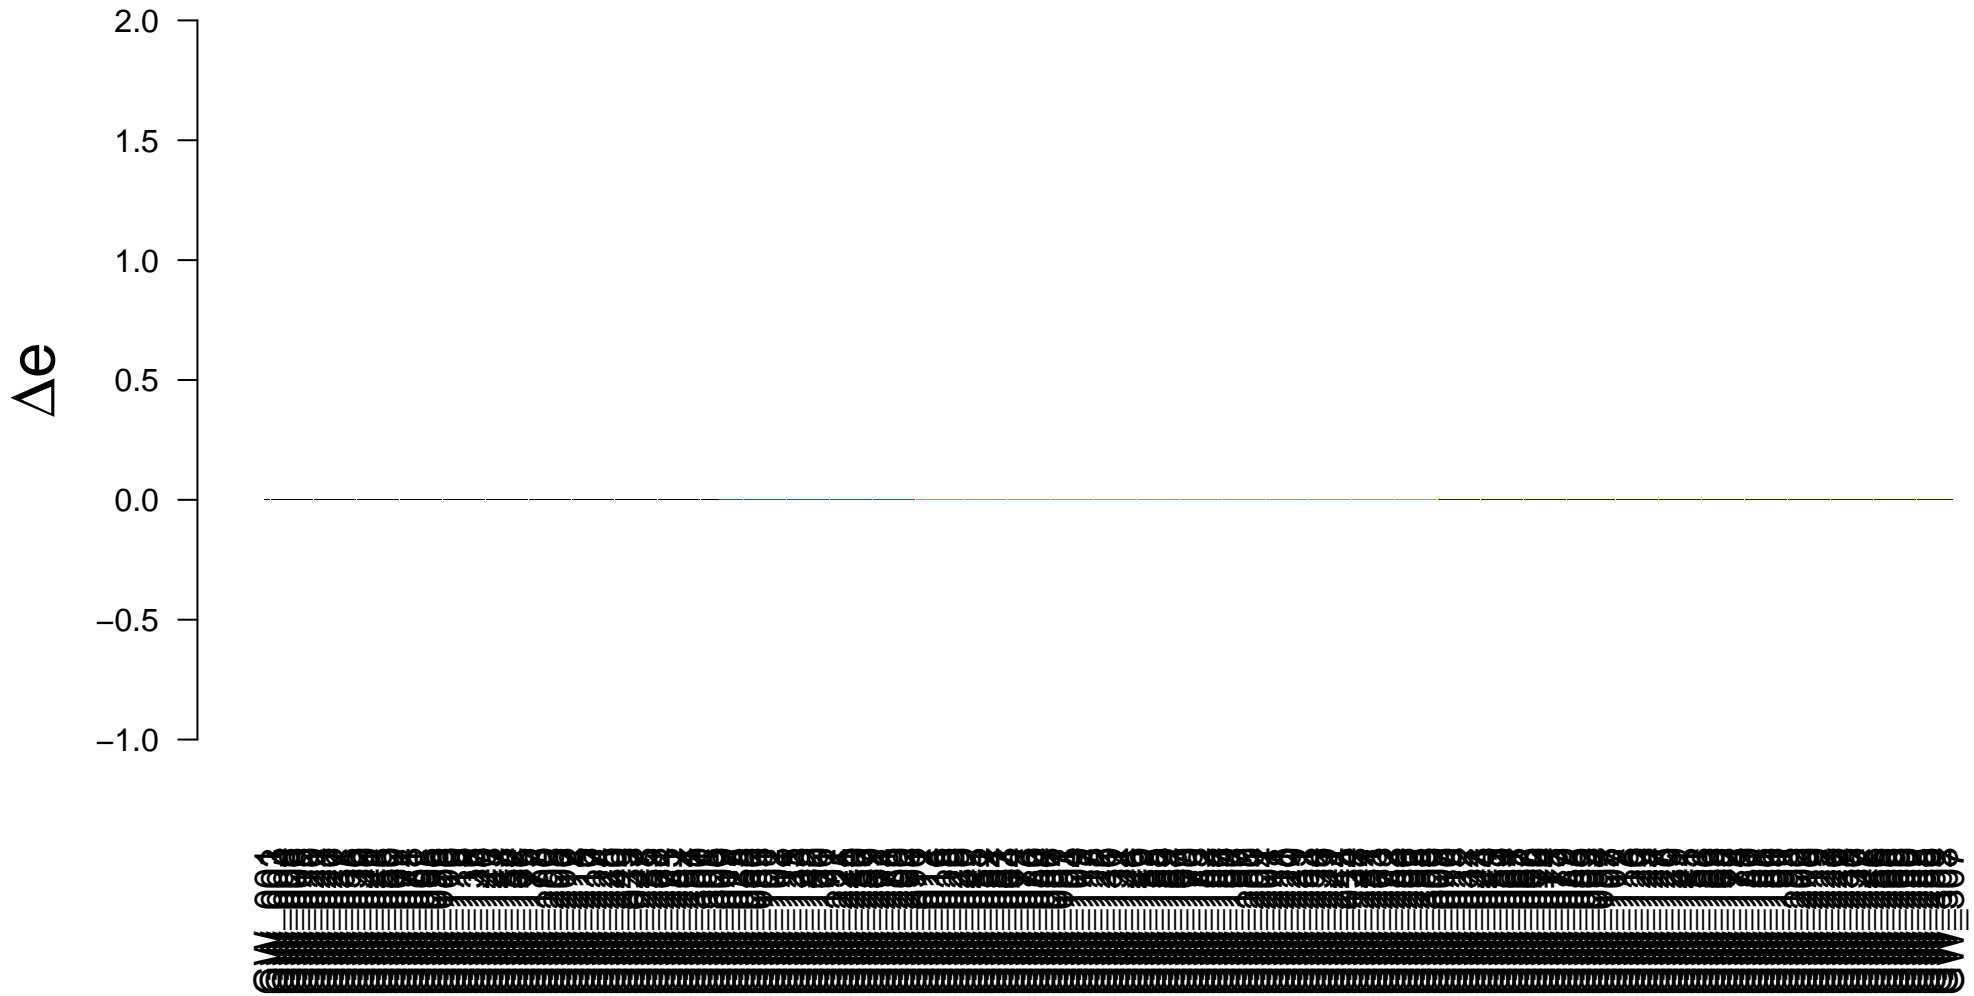

Expression of developmental pigmentation in Spot E

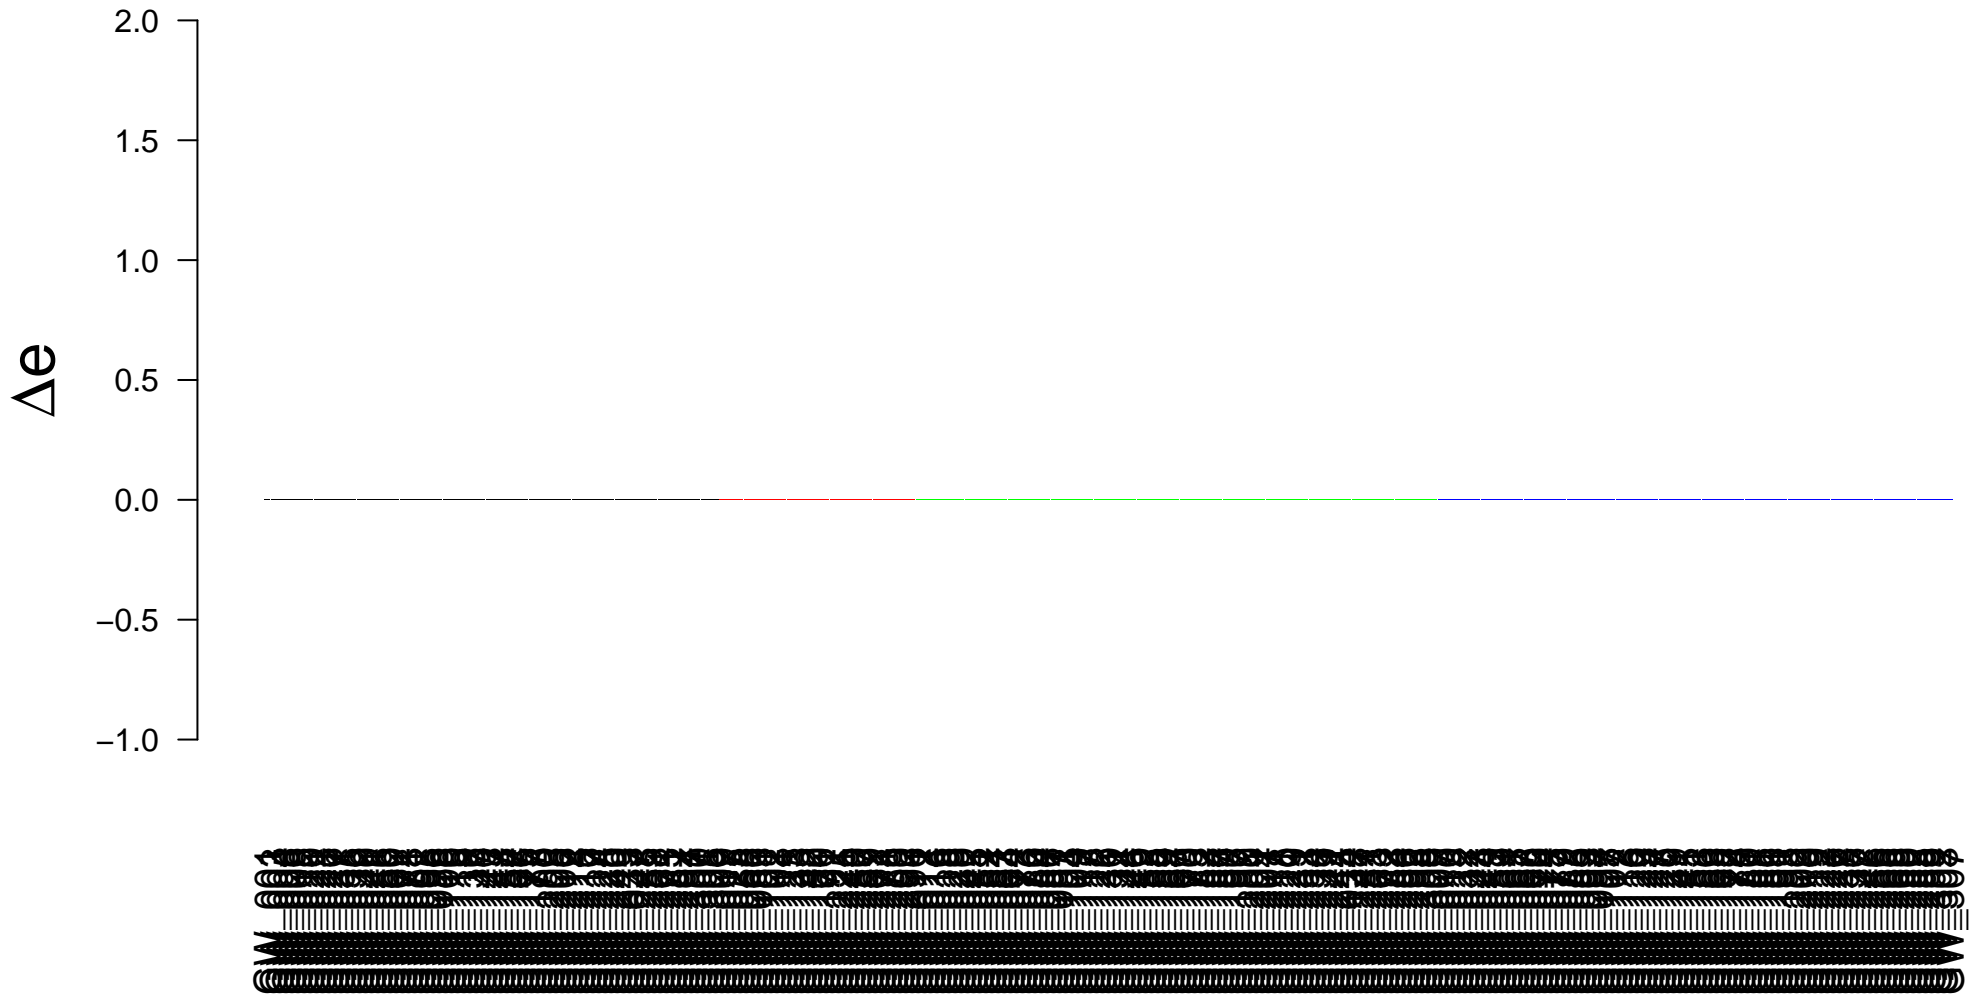

Expression of developmental pigmentation in Spot F

Expression of developmental pigmentation in Spot G

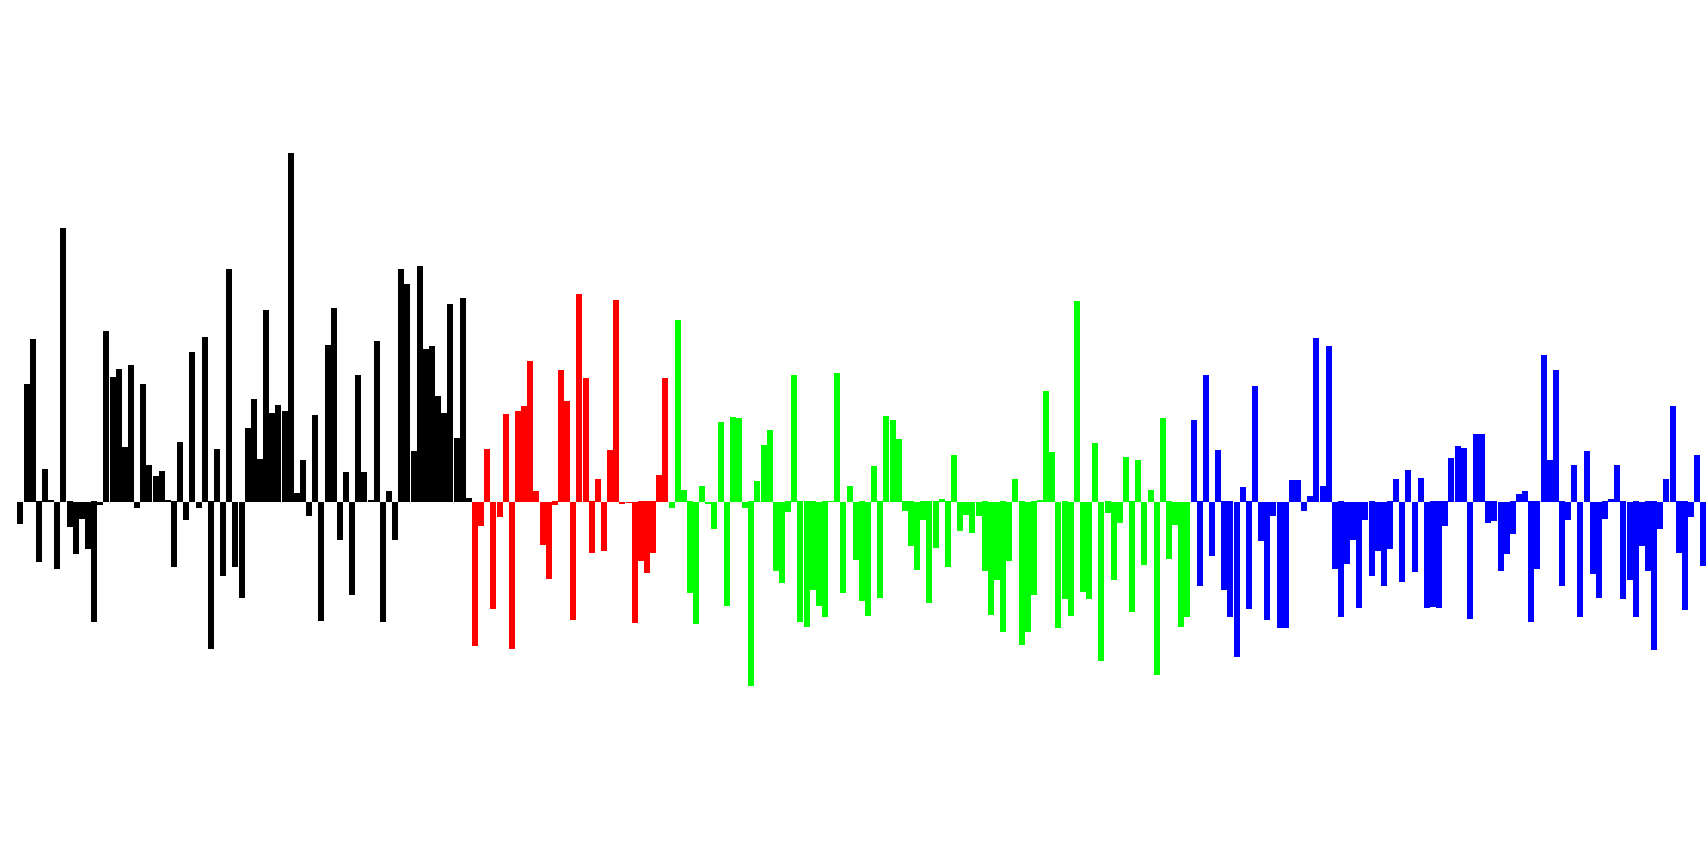

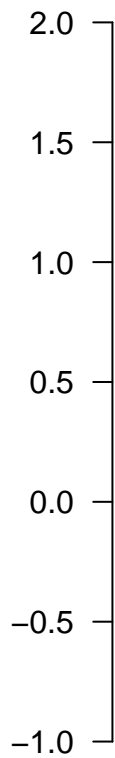

Expression of developmental pigmentation in Spot H

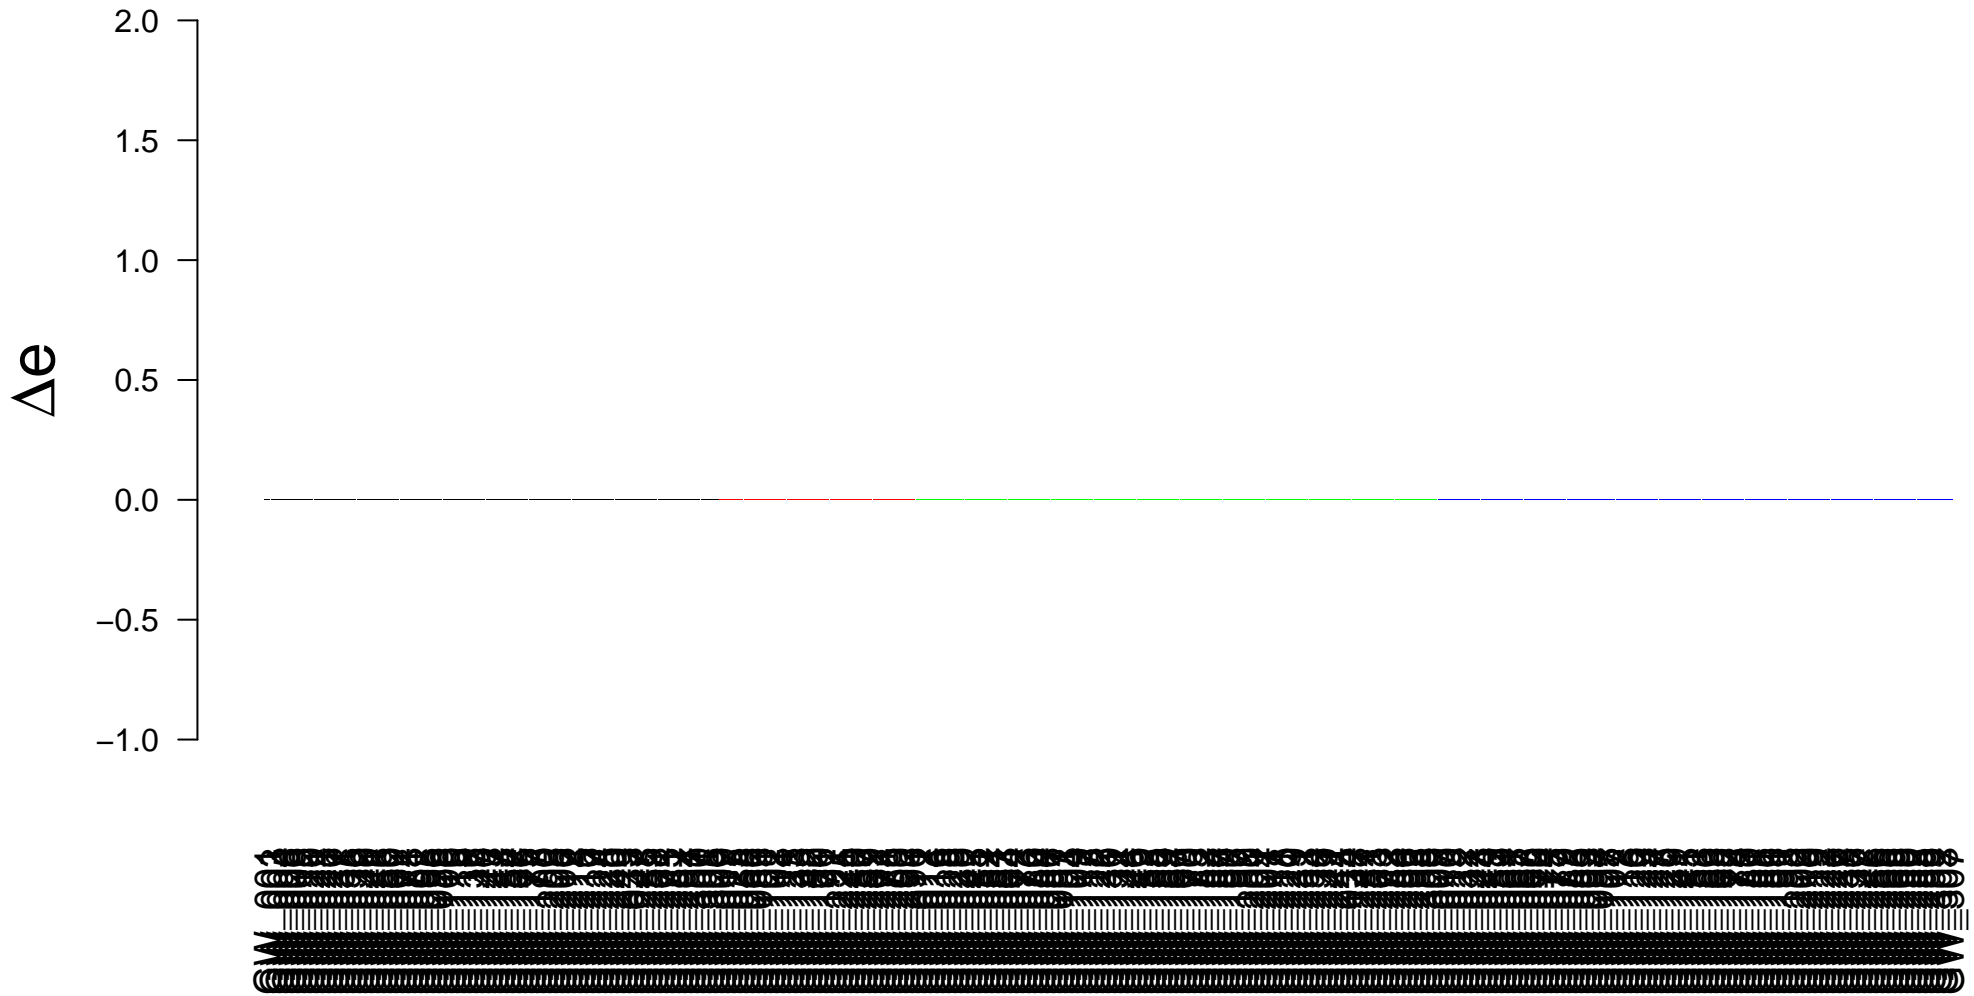

Expression of developmental pigmentation in Spot I

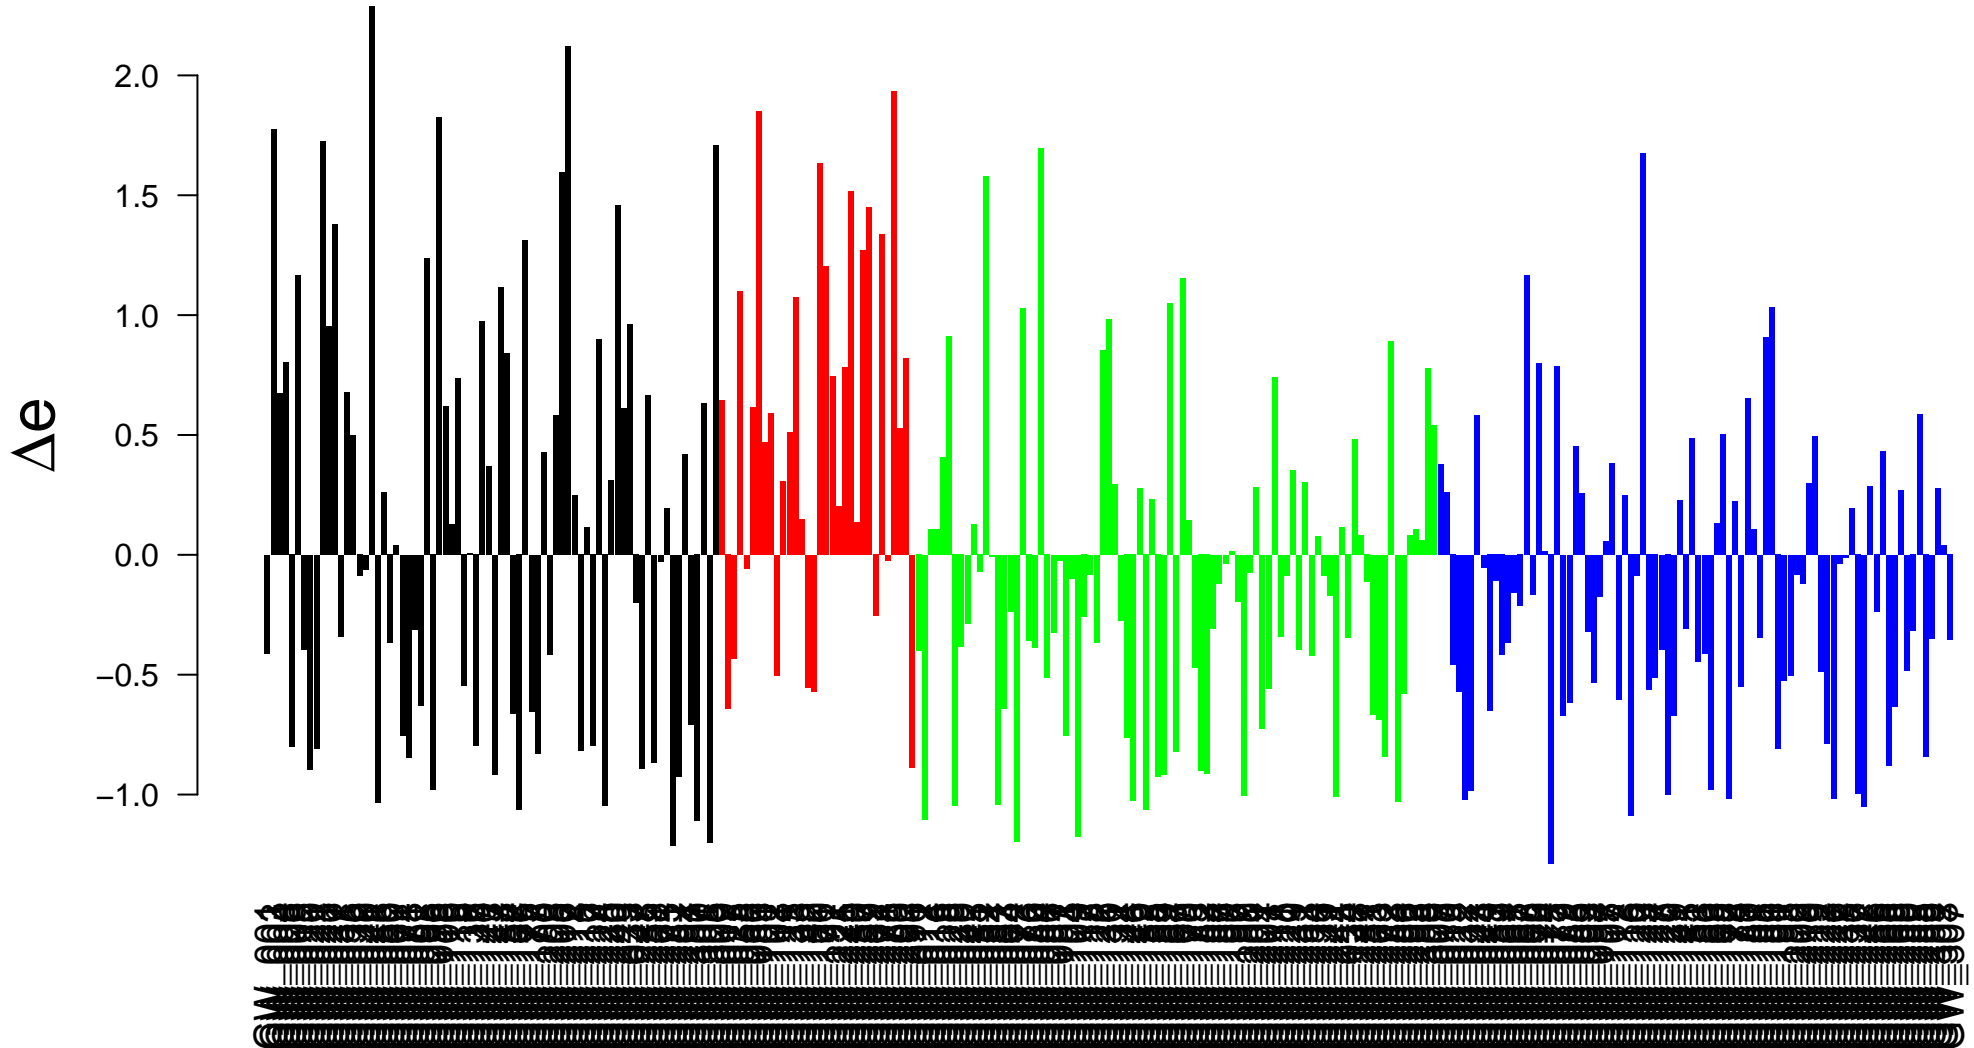

Δe

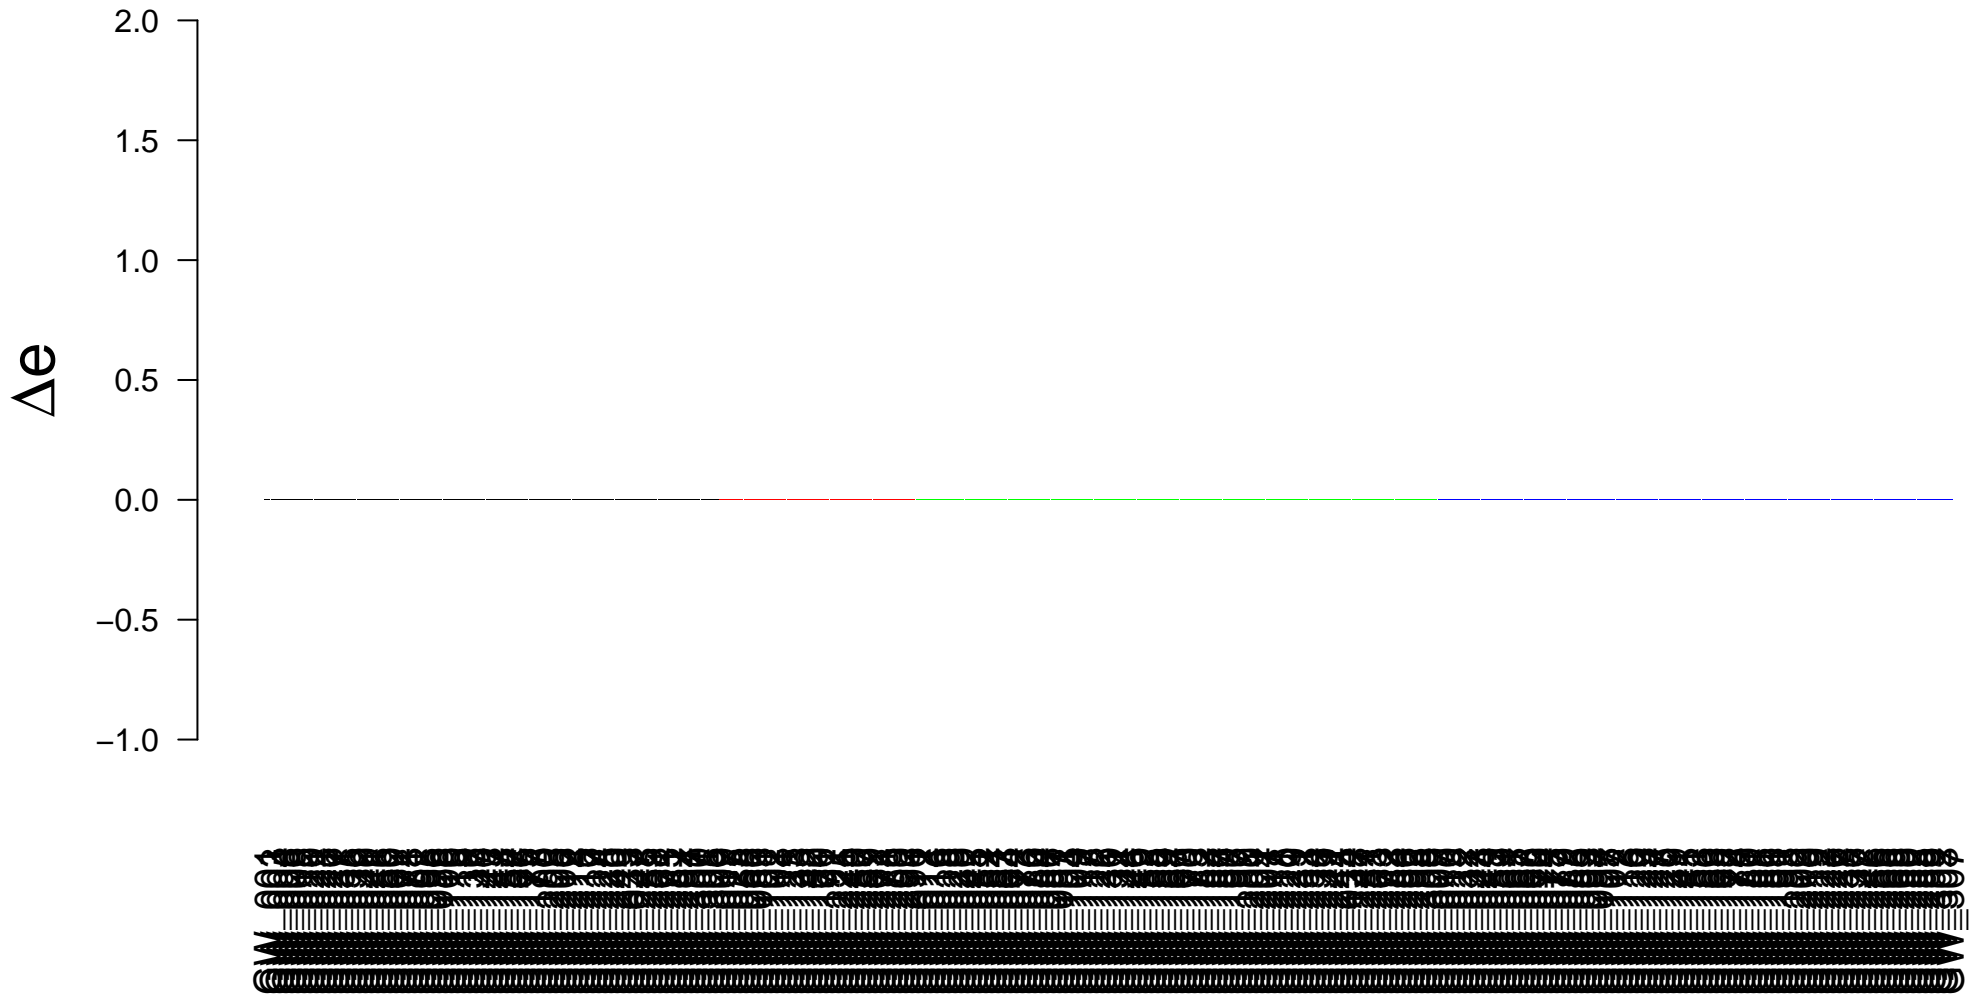

Expression of developmental pigmentation in Spot J

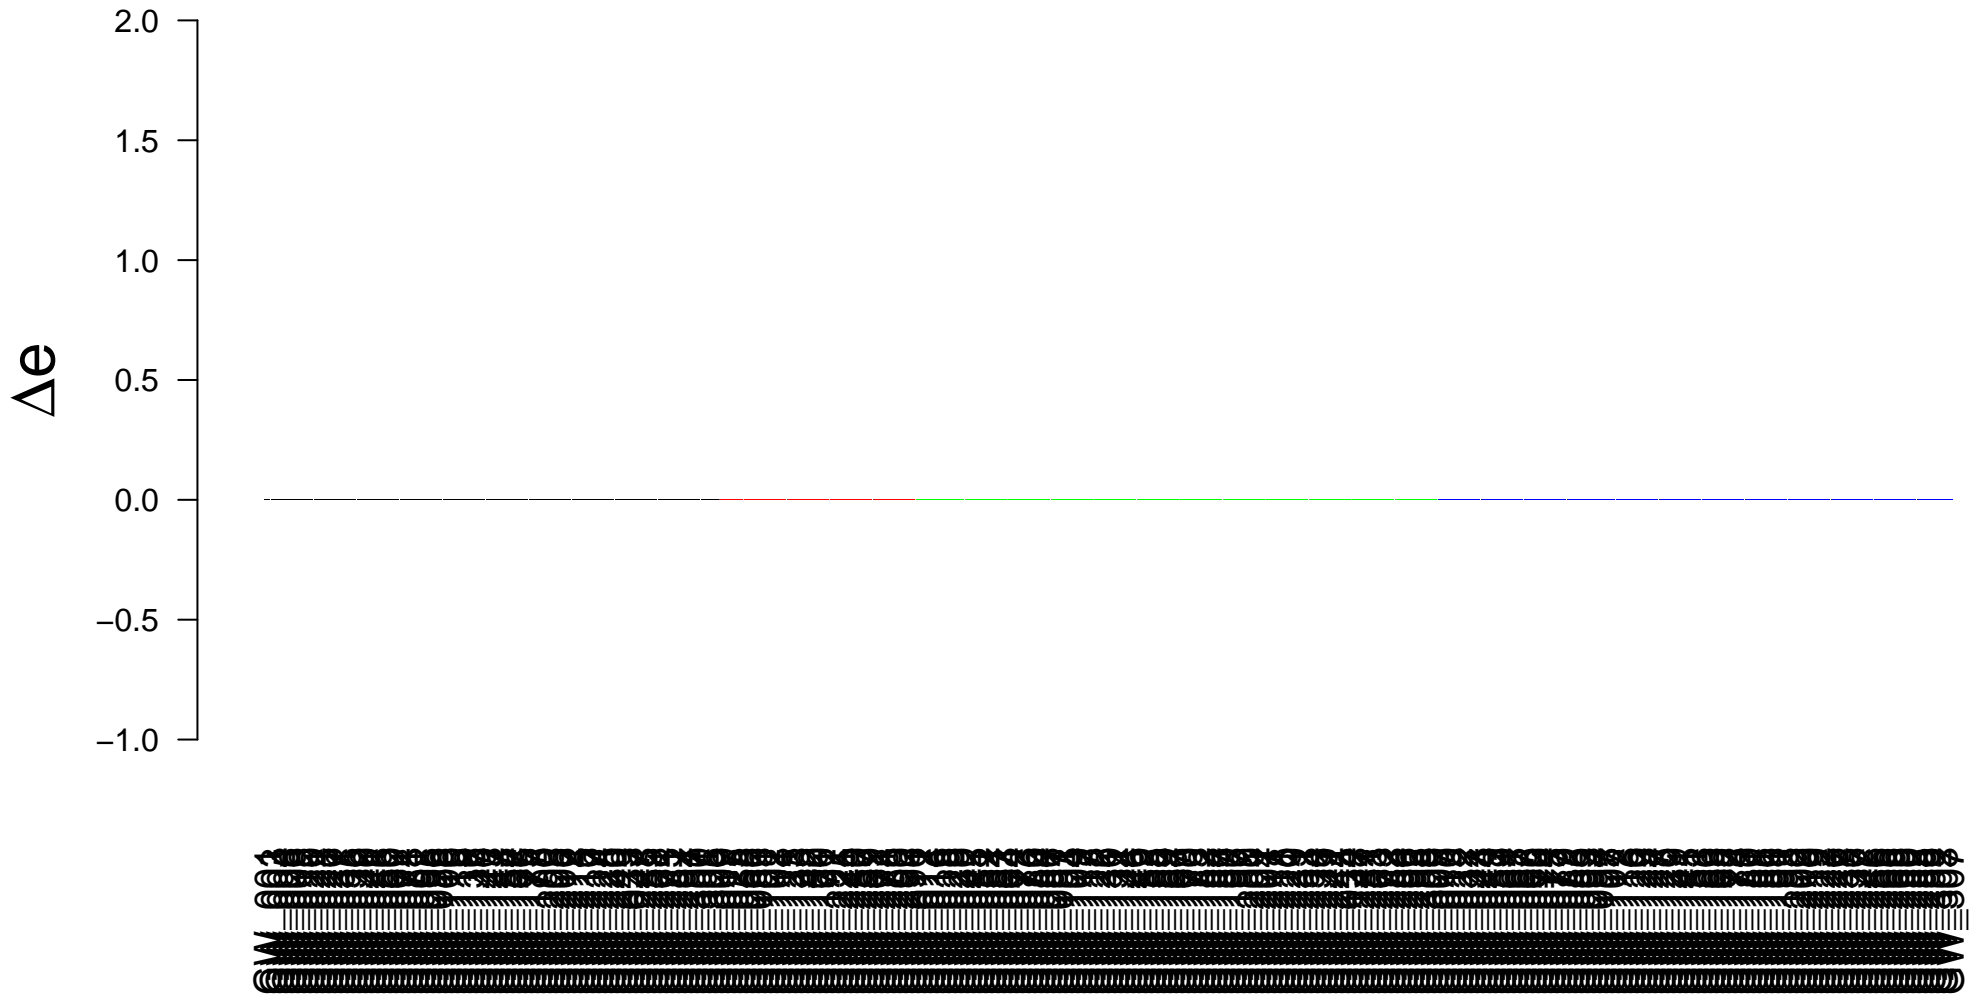

Expression of developmental pigmentation in Spot K

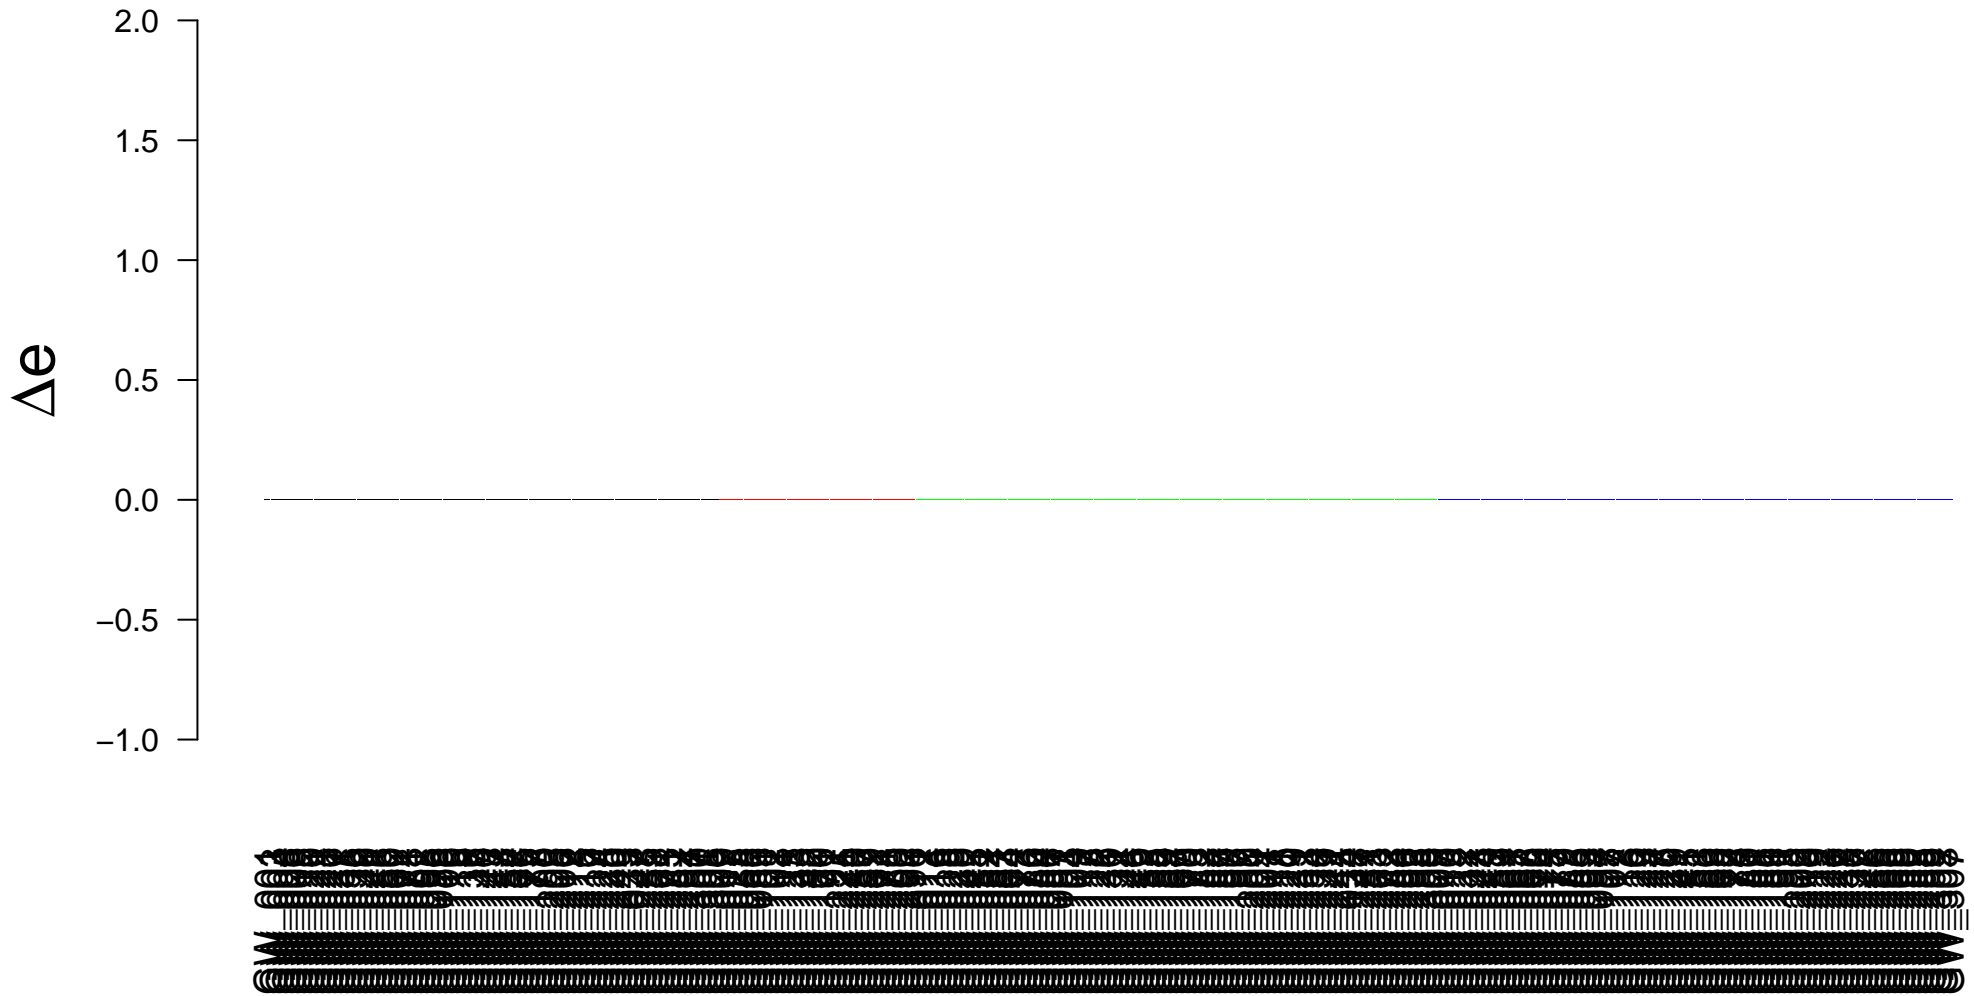

Expression of developmental pigmentation in Spot L

Expression of developmental pigmentation in Spot M

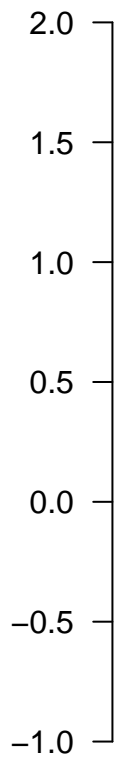

Expression of developmental pigmentation in Spot N

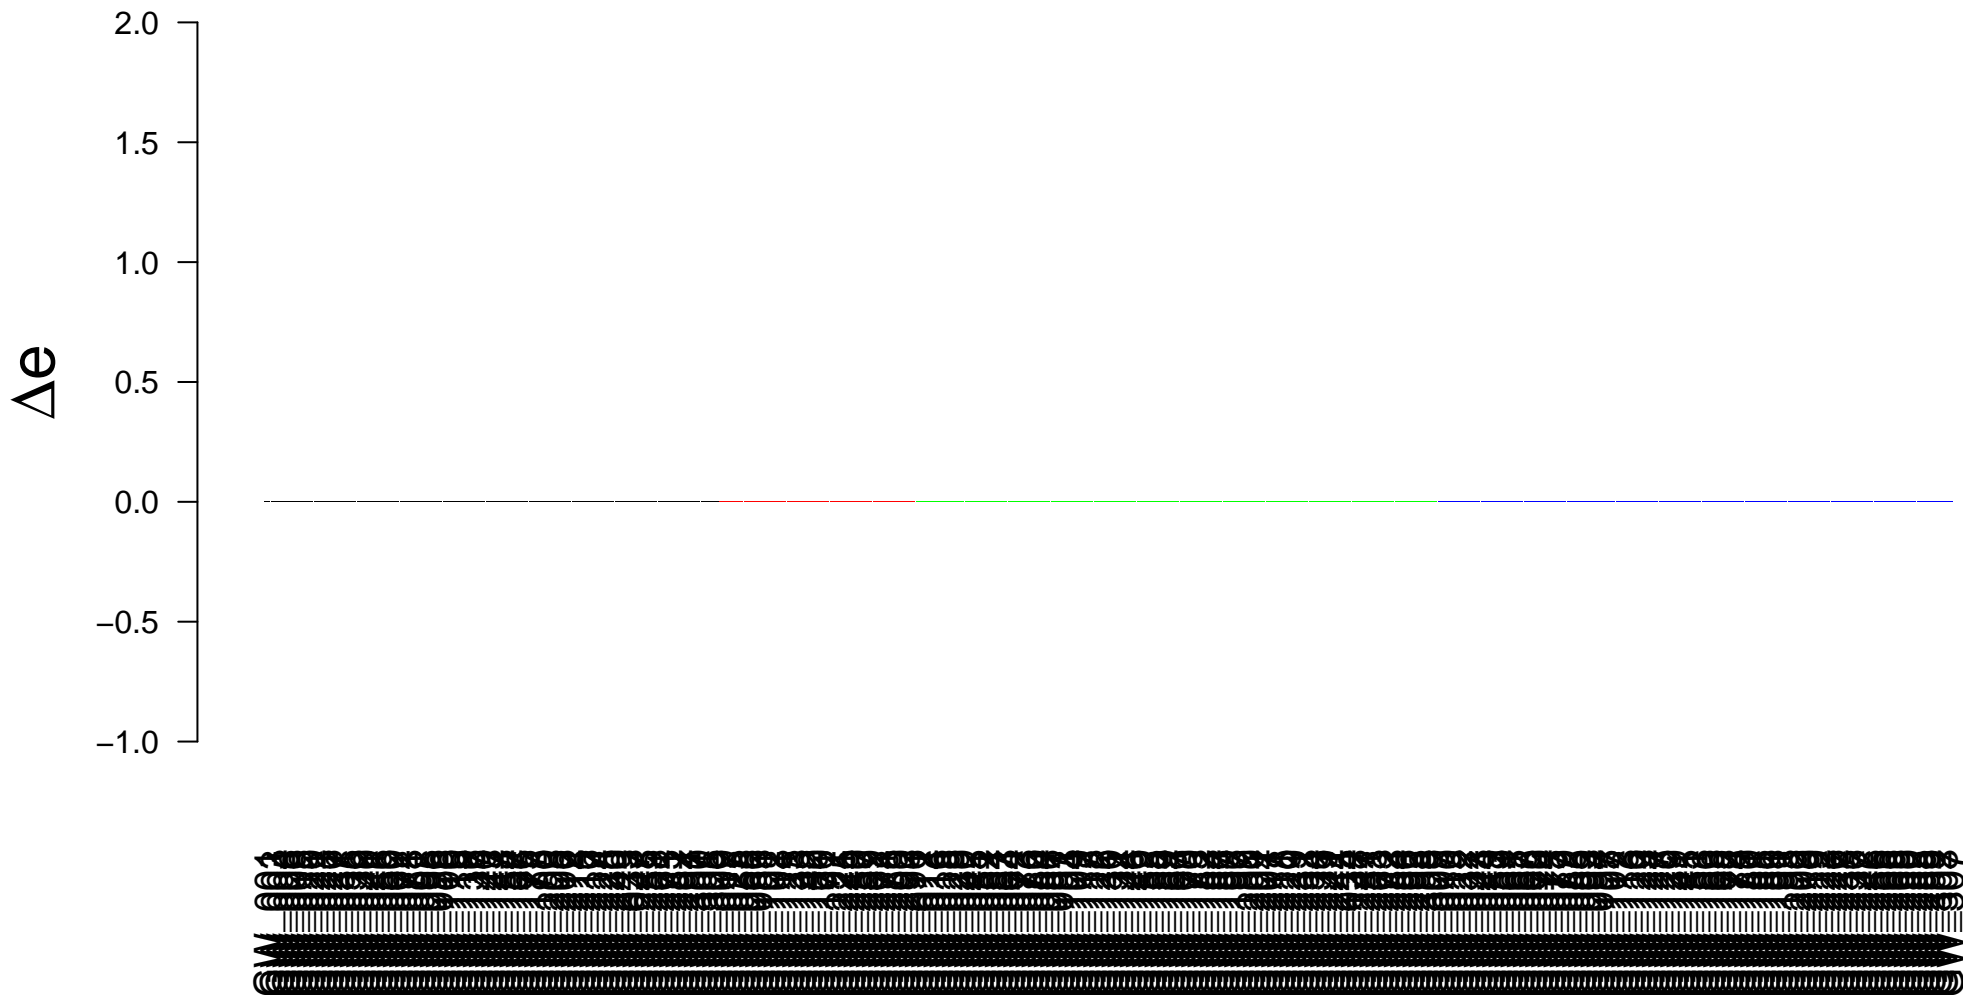

Expression of developmental pigmentation in Spot O

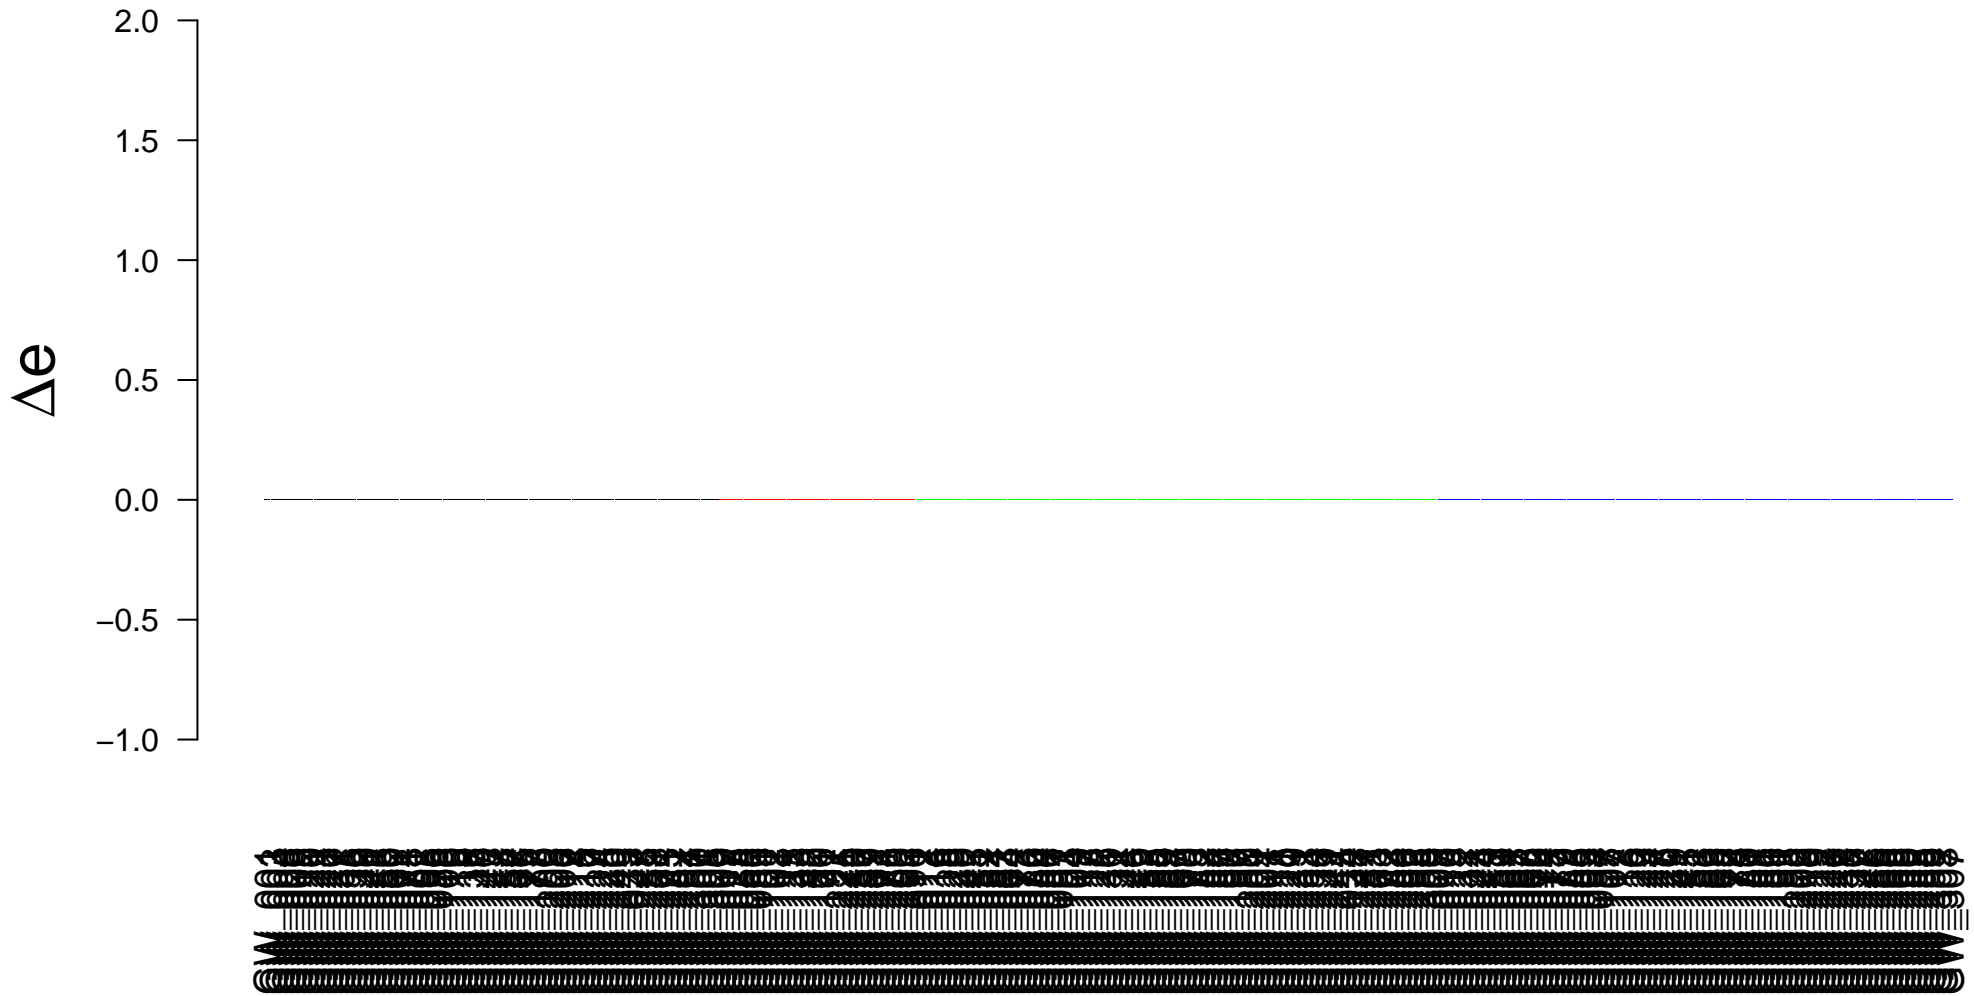

Δe

Expression of developmental pigmentation in Spot P

Expression of developmental pigmentation in Spot Q

Expression of developmental pigmentation in Spot R
