

diacylglycerol kinase activity

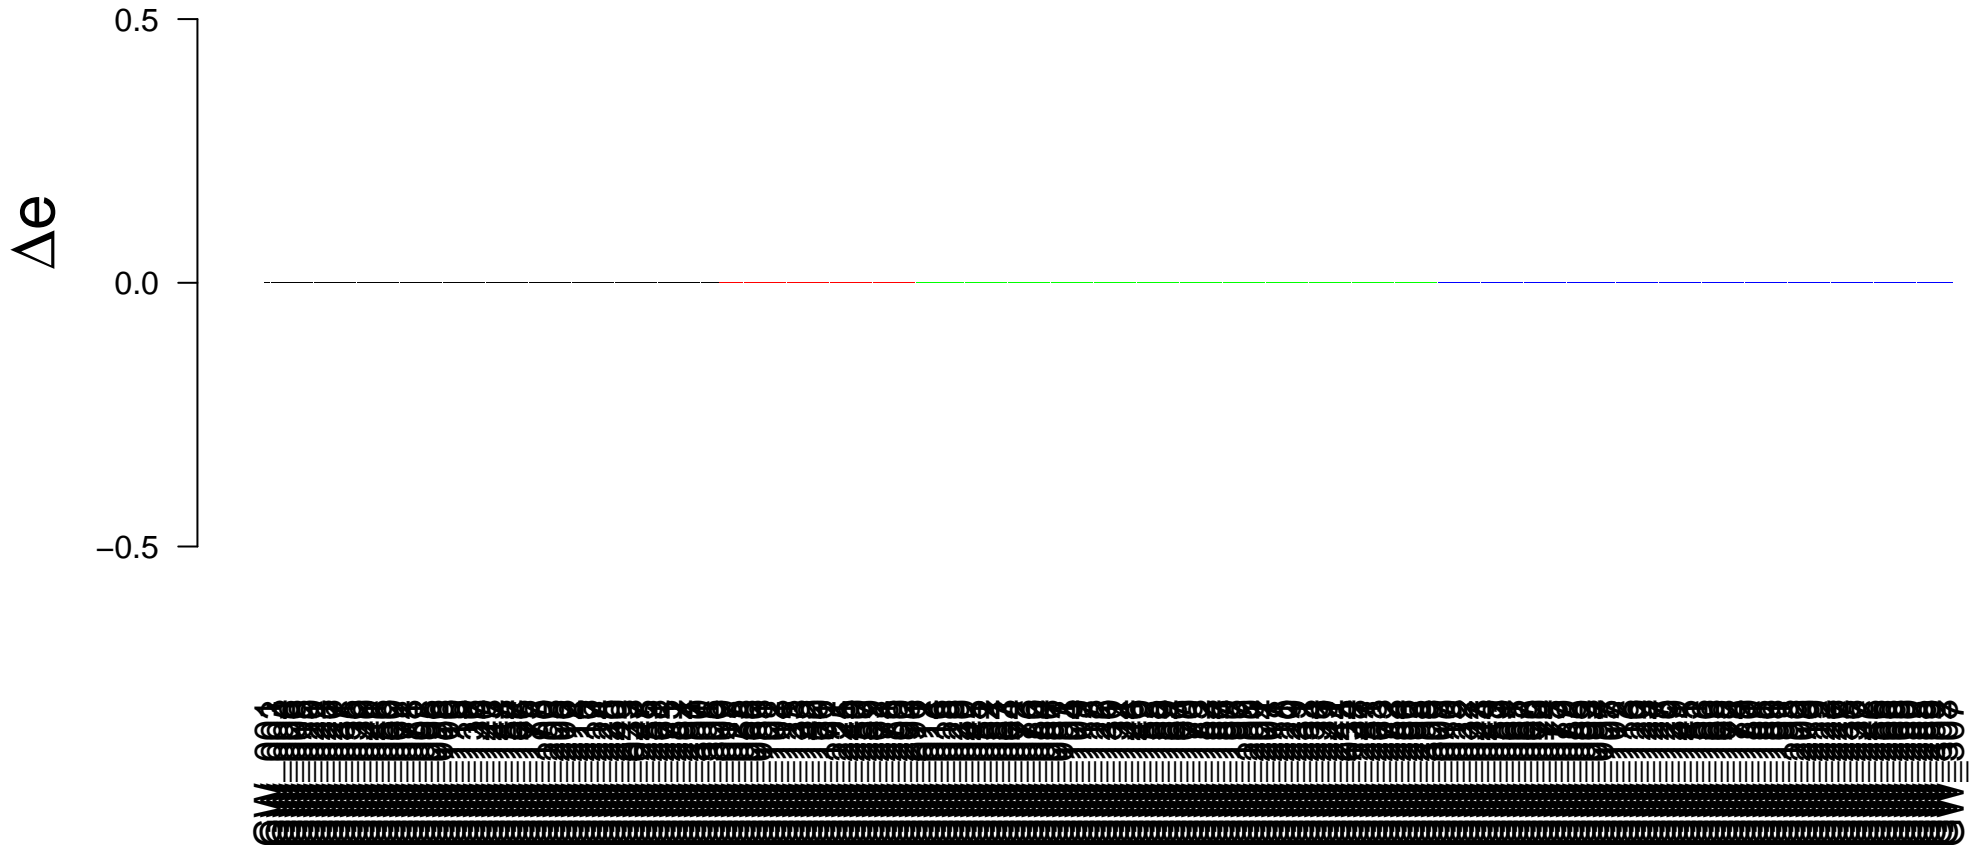

diacylglycerol kinase activity

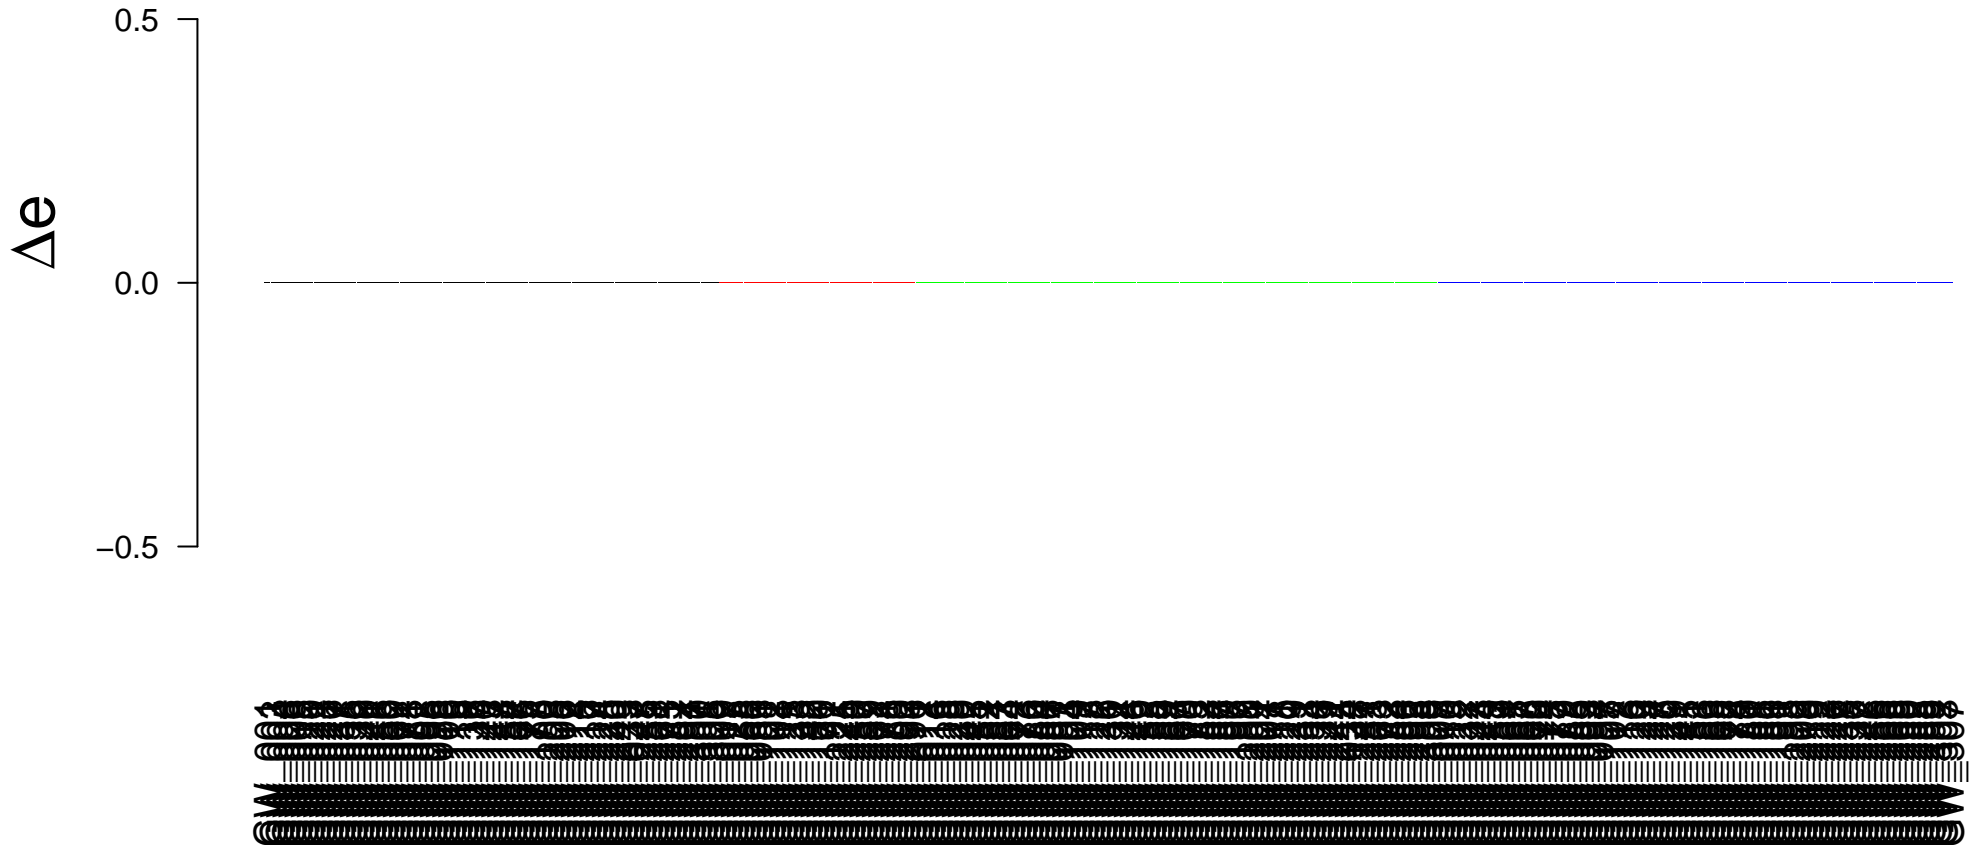

Enrichment in spots: diacylglycerol kinase activity

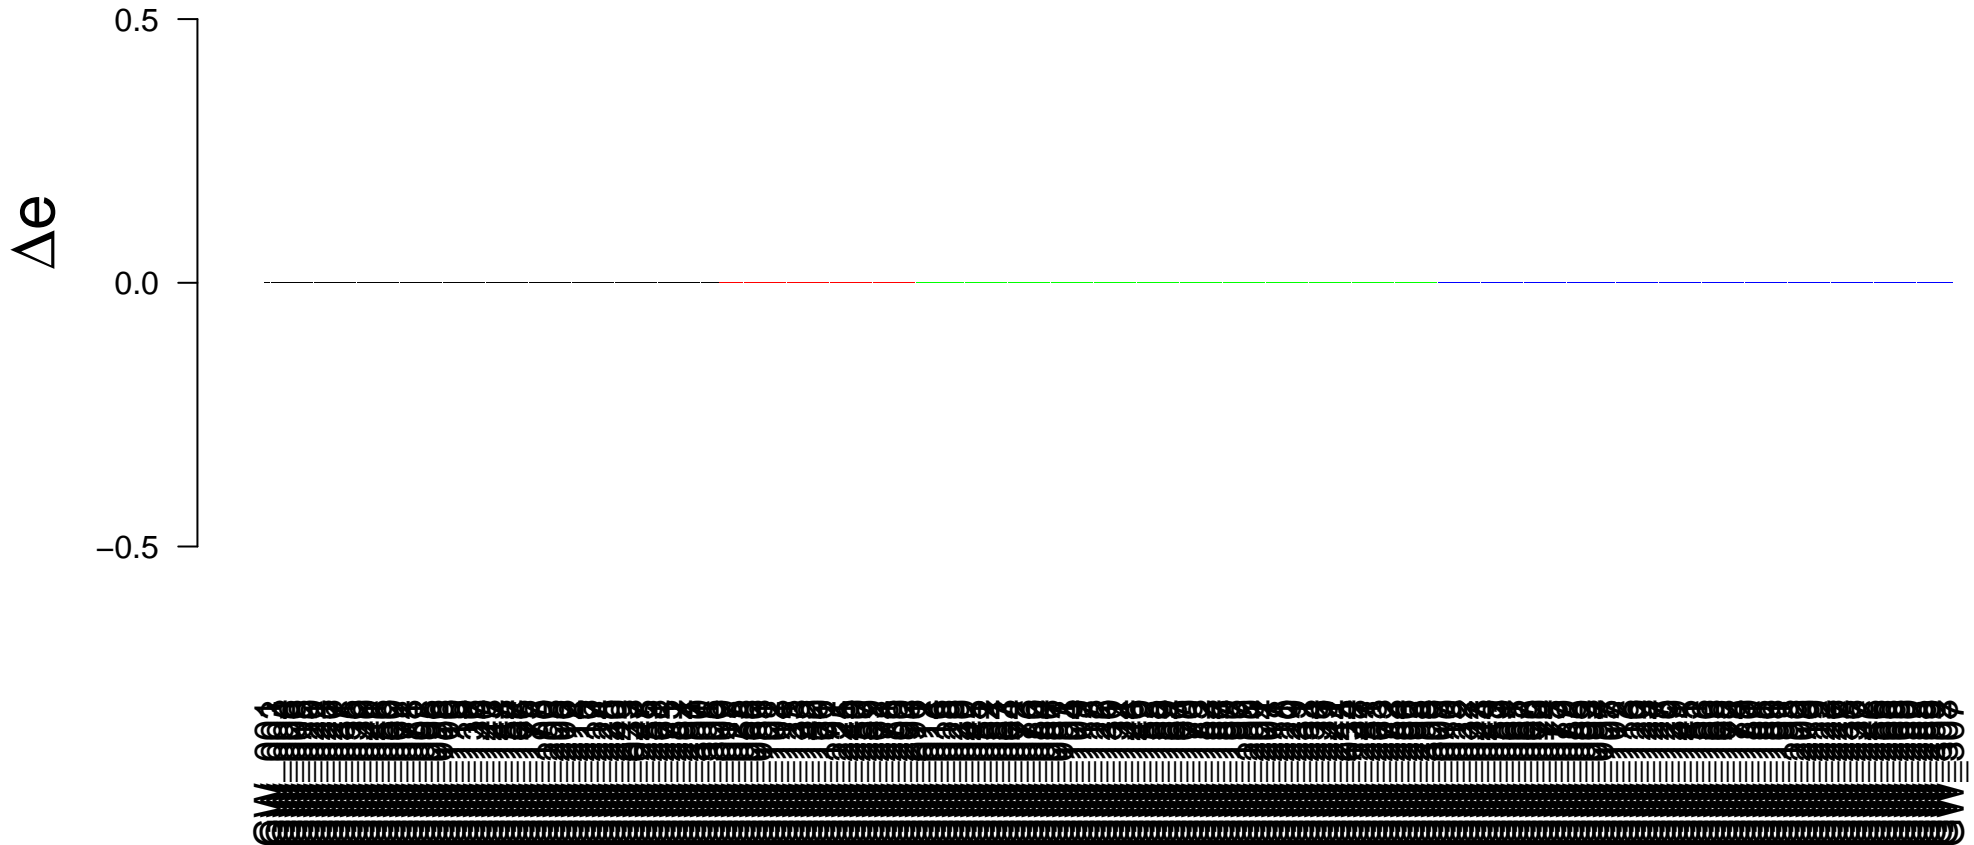

Expression of diacylglycerol kinase activity in Spot A

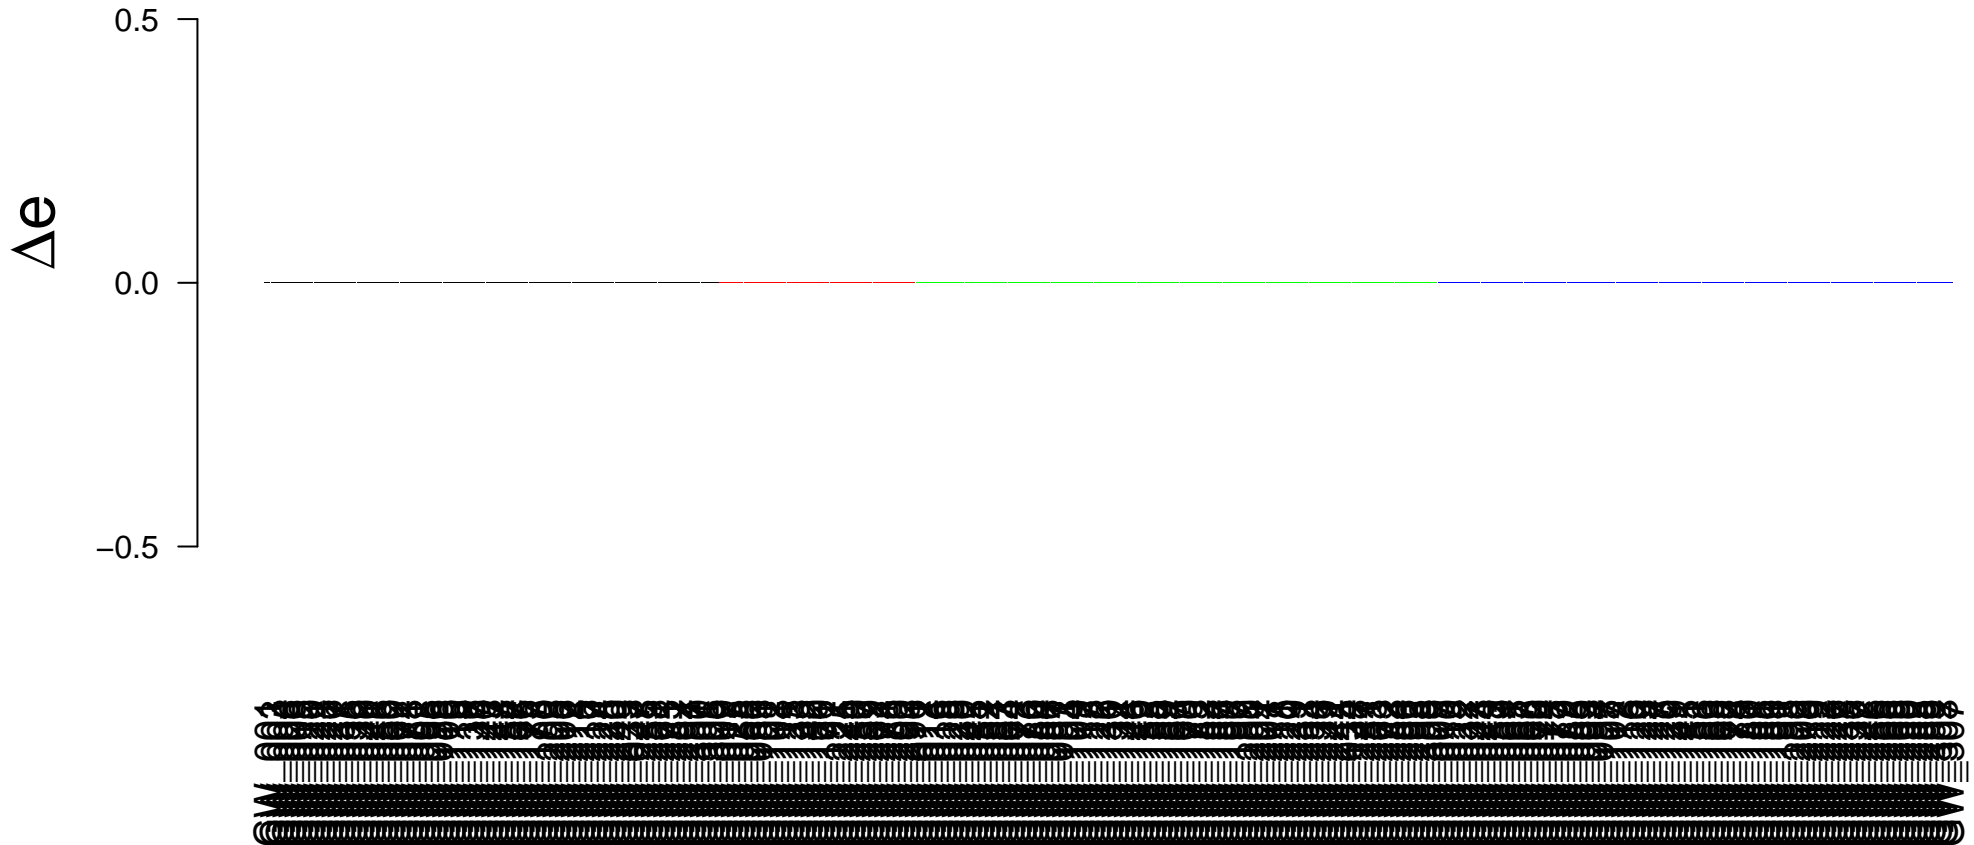

Expression of diacylglycerol kinase activity in Spot B

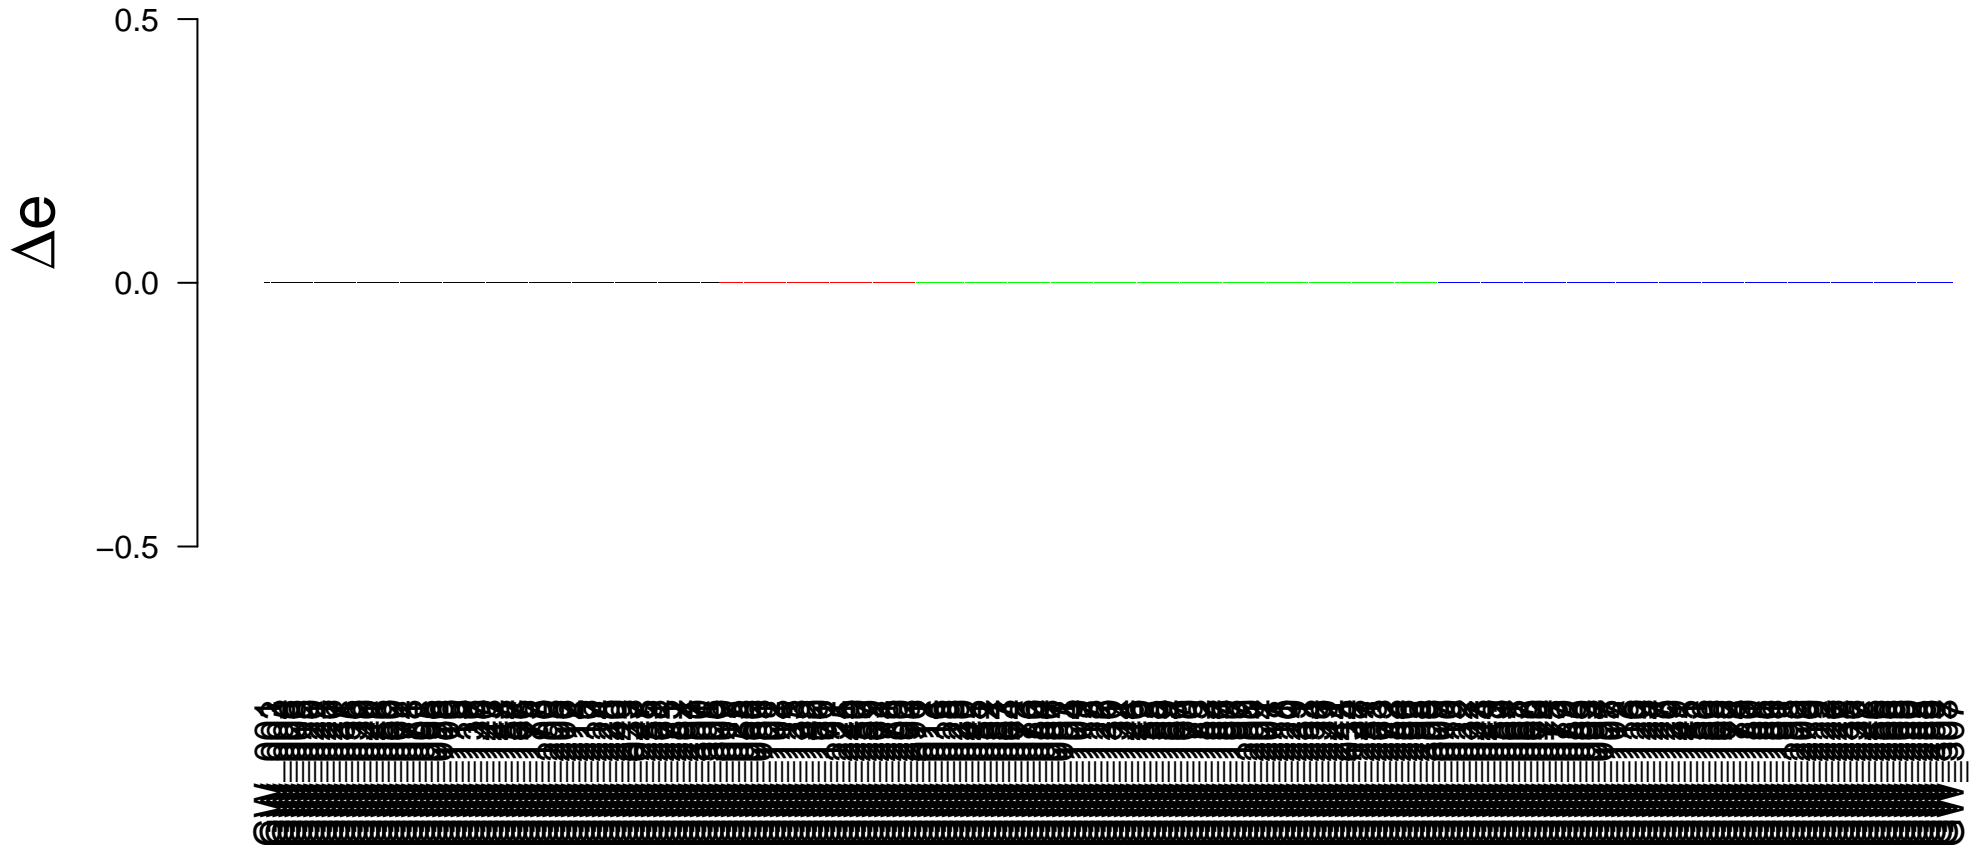

Expression of diacylglycerol kinase activity in Spot C

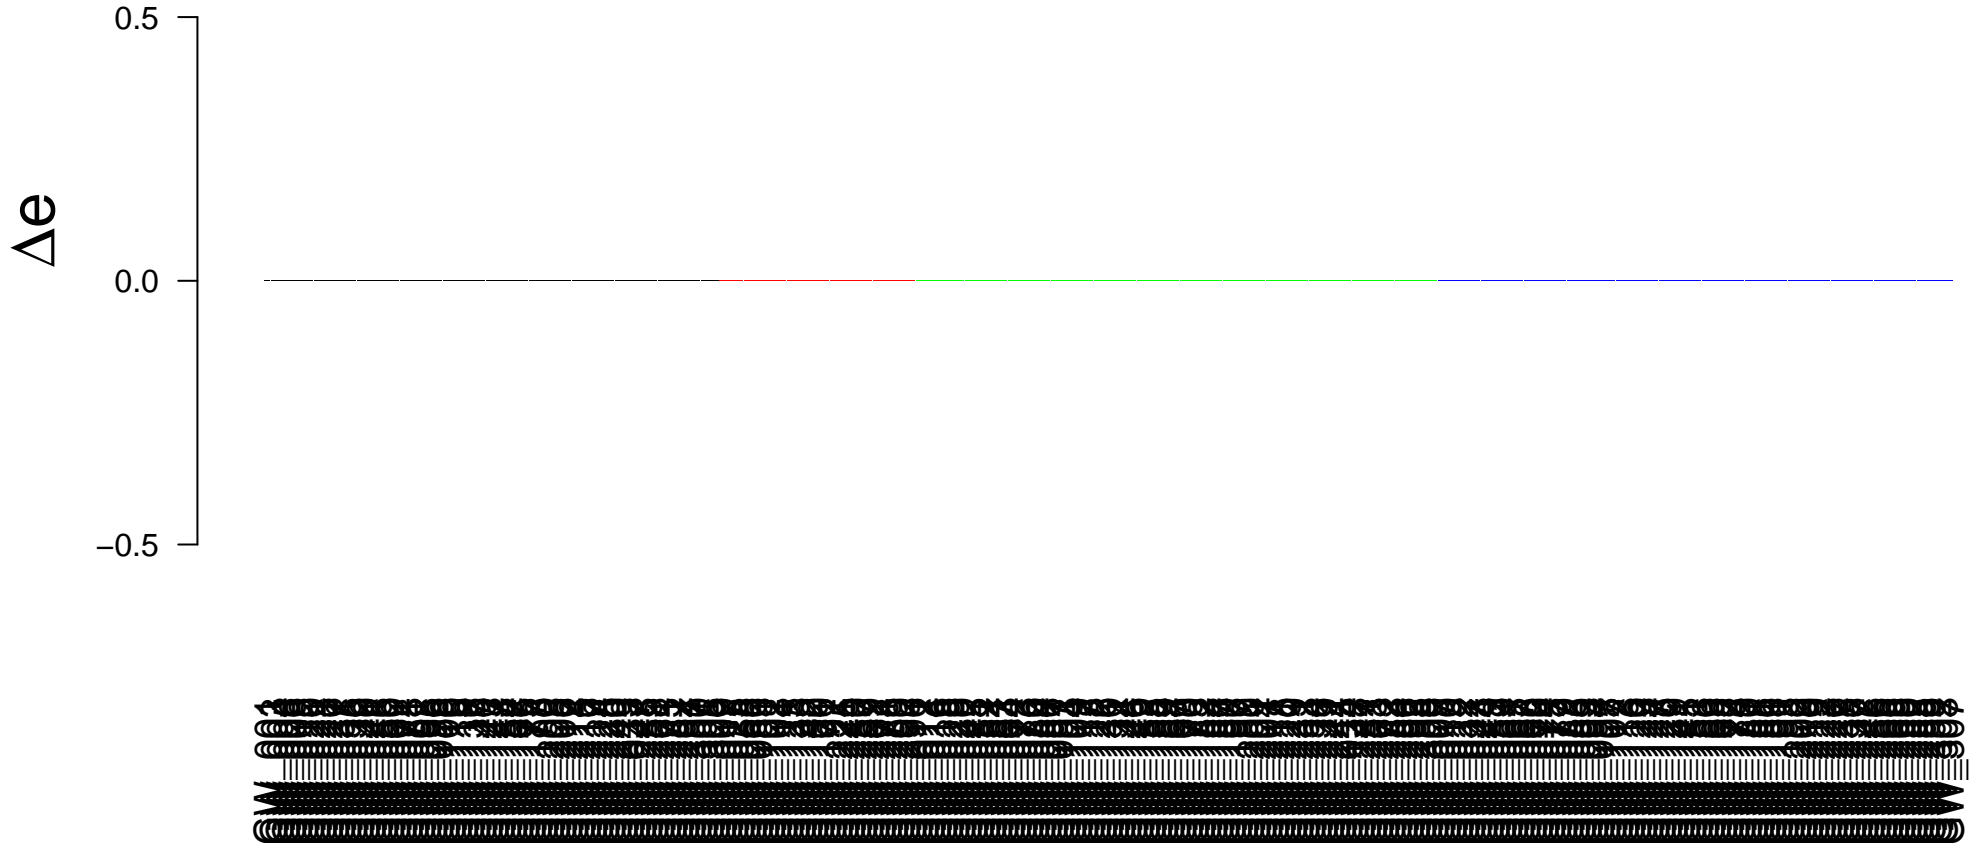

Expression of diacylglycerol kinase activity in Spot D

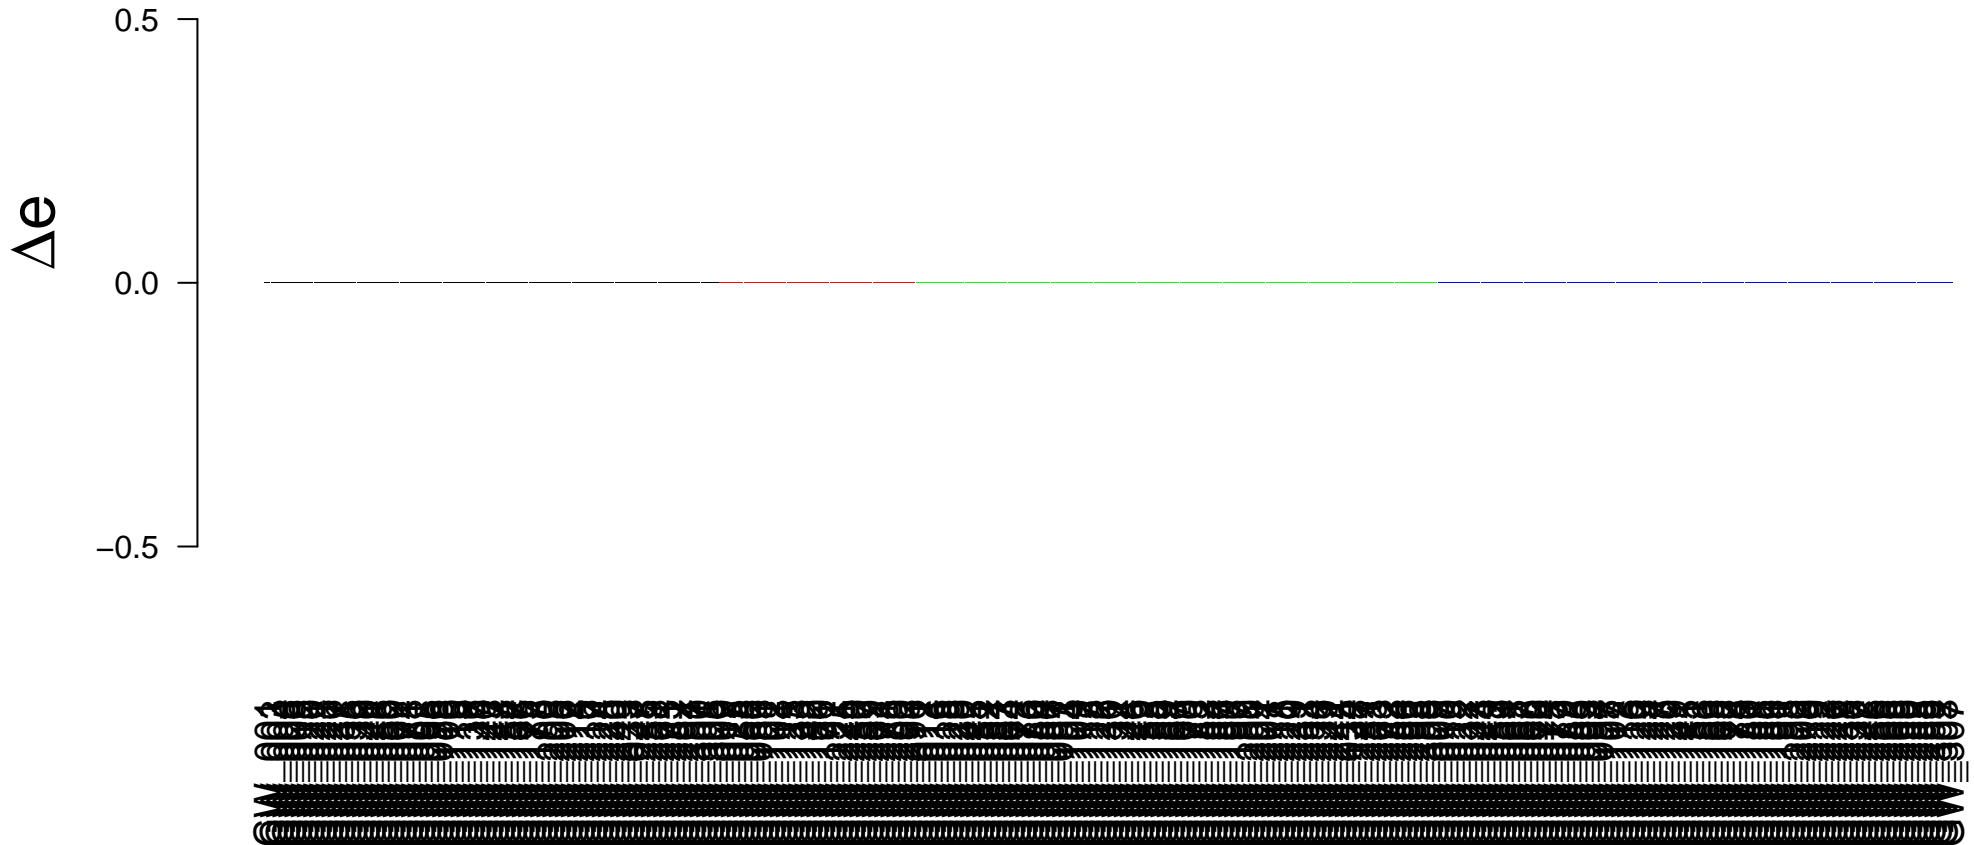

Expression of diacylglycerol kinase activity in Spot E

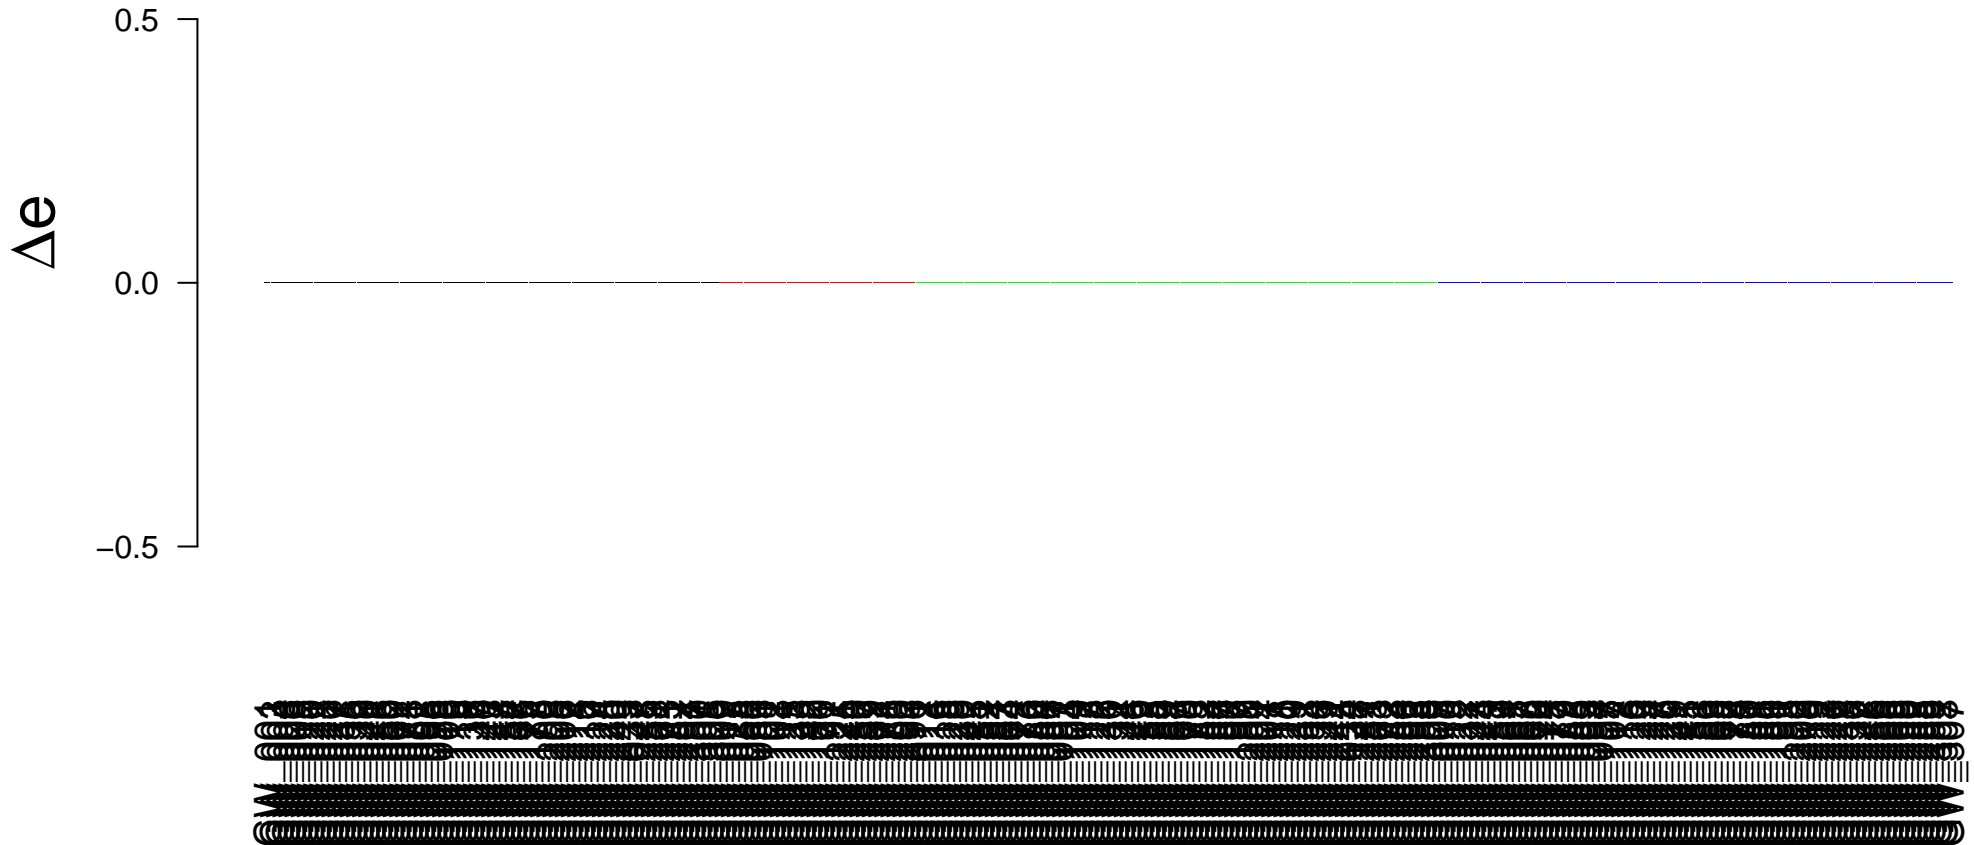

Expression of diacylglycerol kinase activity in Spot F

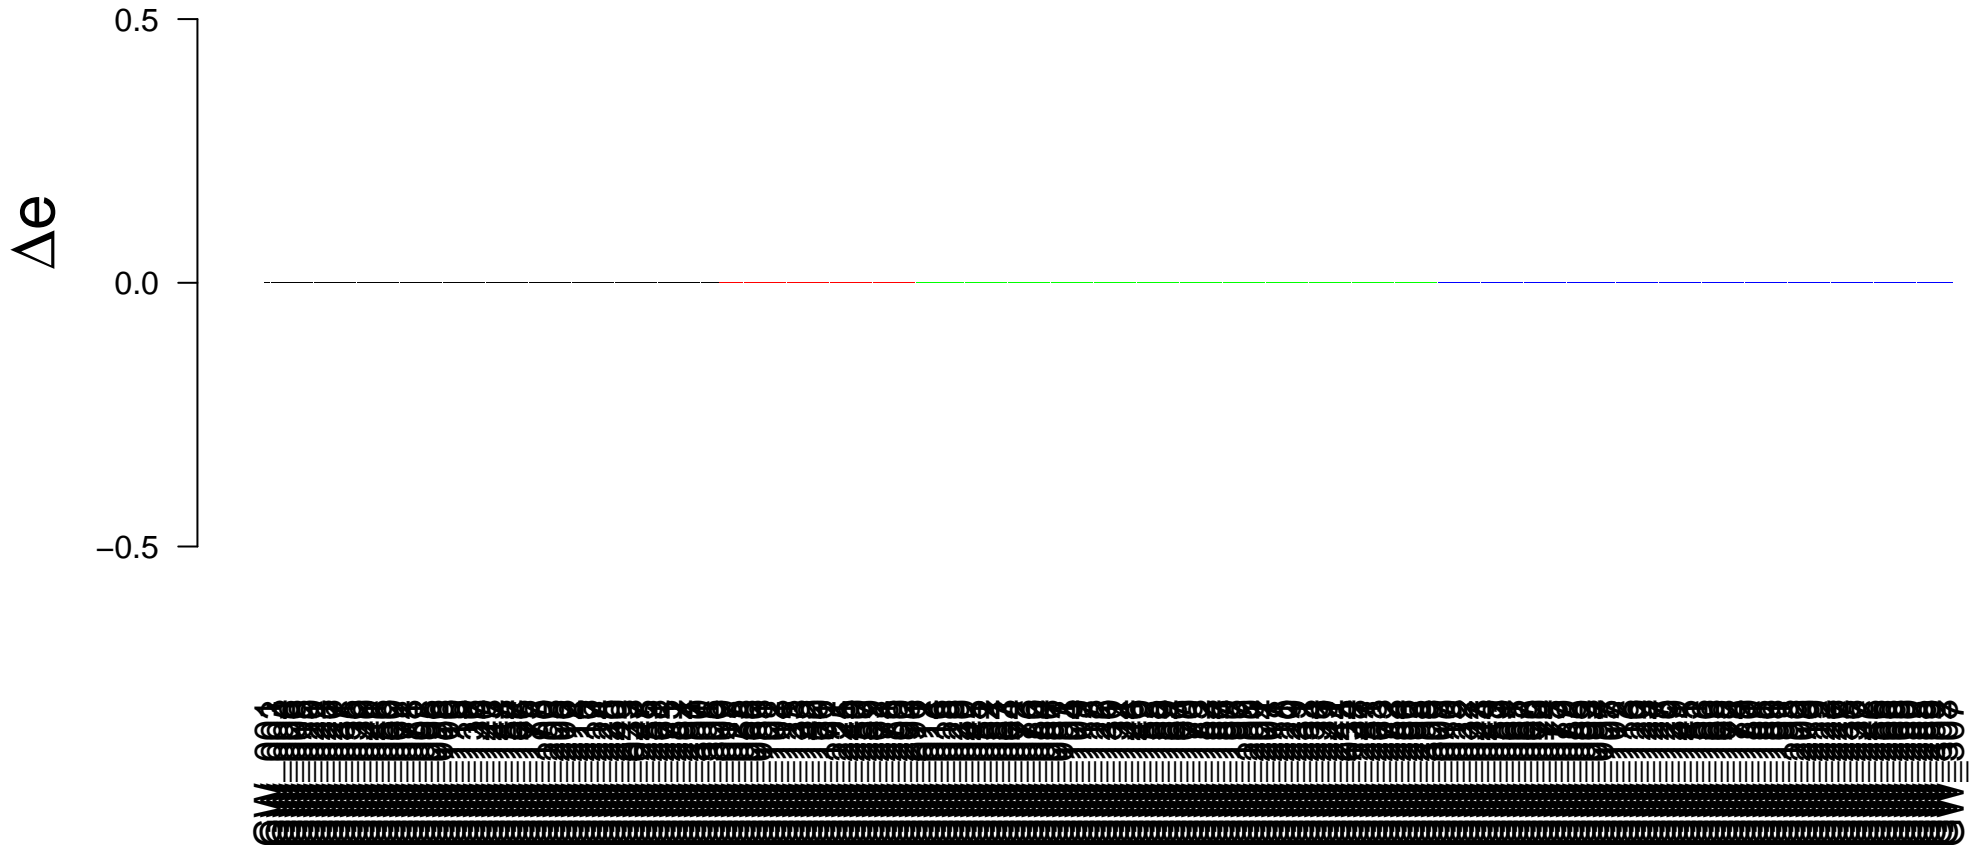

Expression of diacylglycerol kinase activity in Spot G

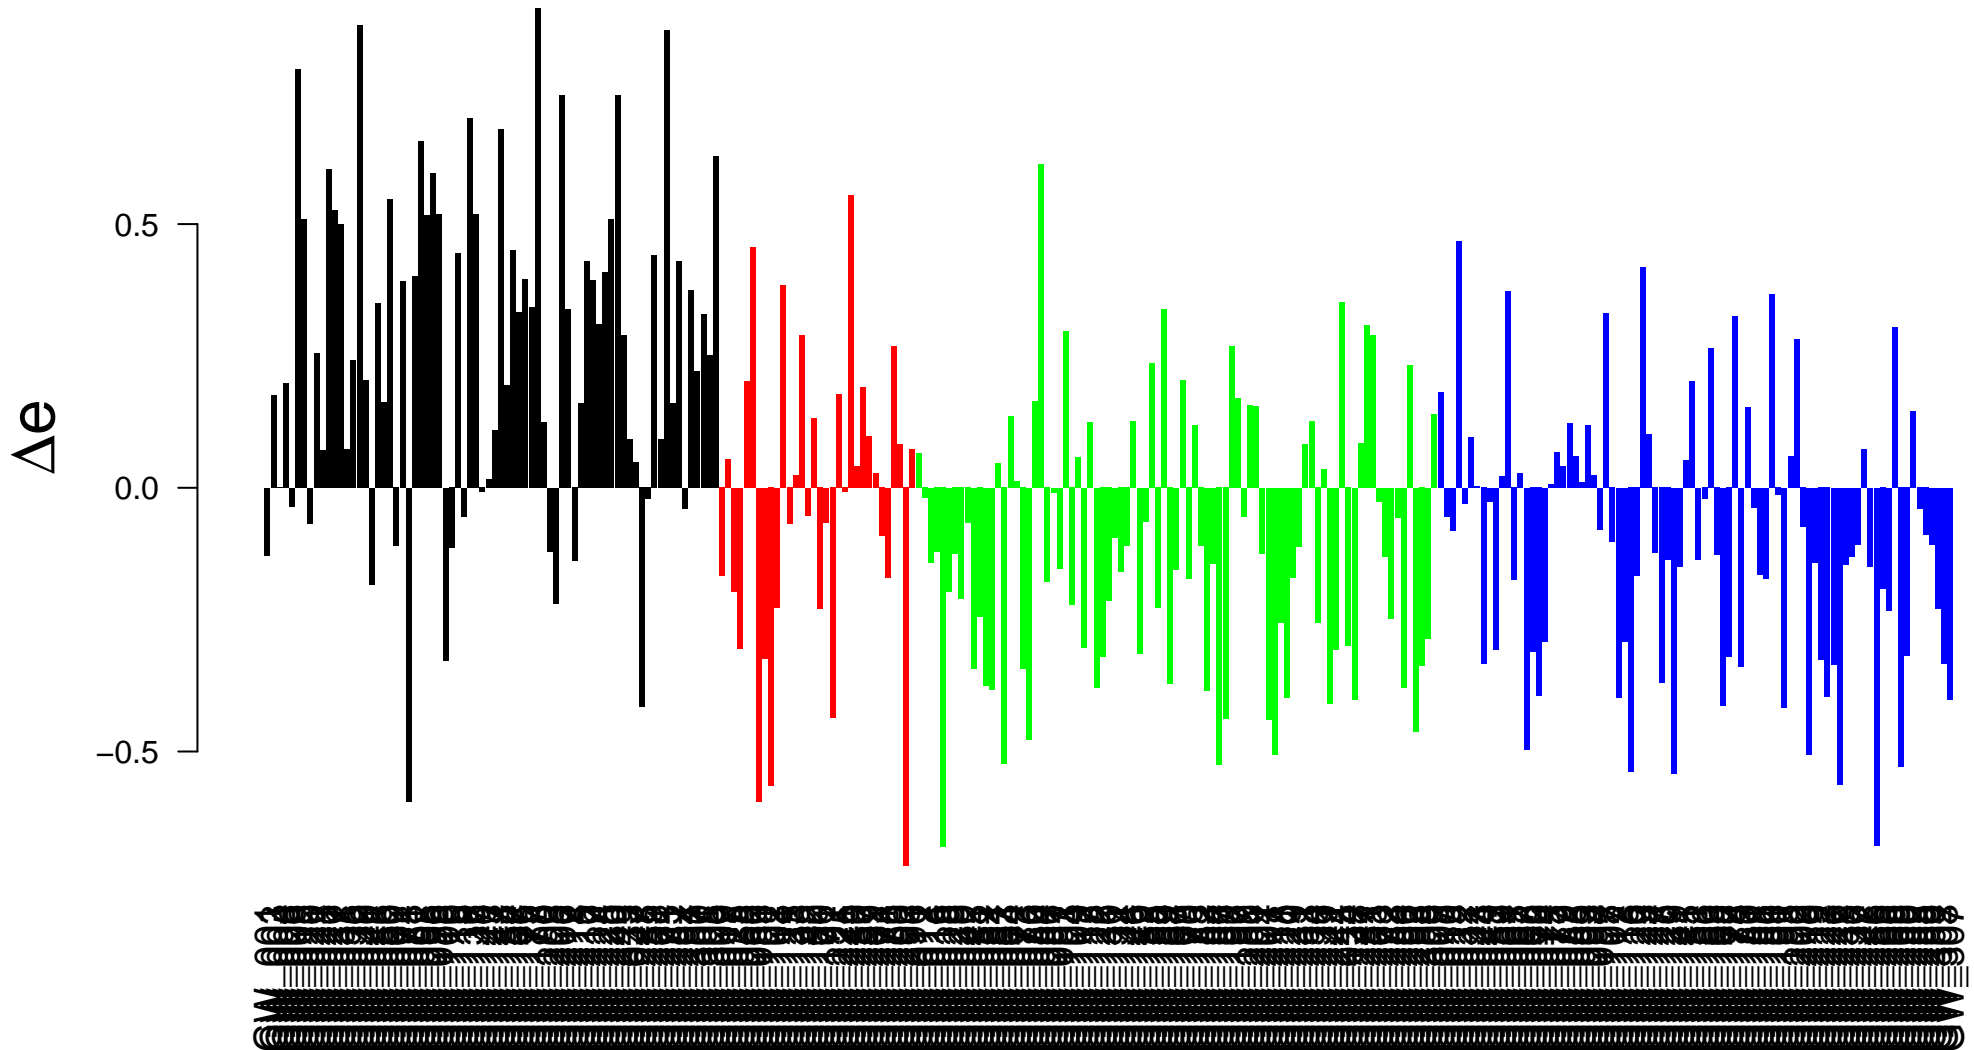

Expression of diacylglycerol kinase activity in Spot H

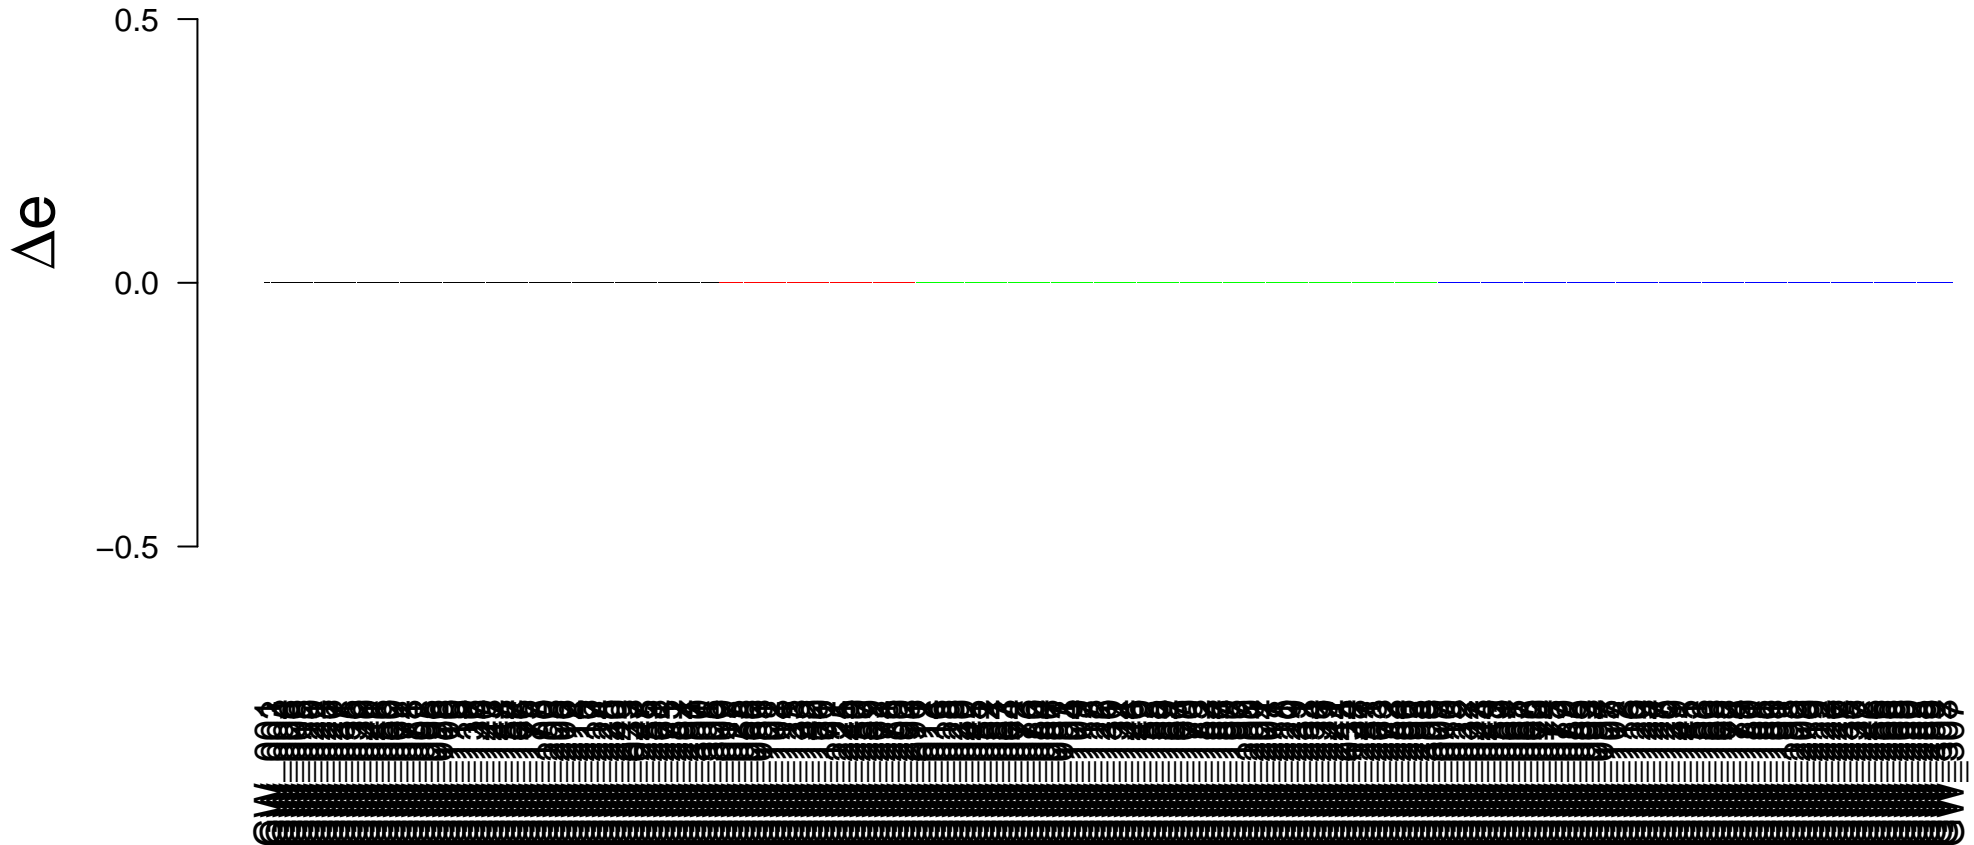

Expression of diacylglycerol kinase activity in Spot I

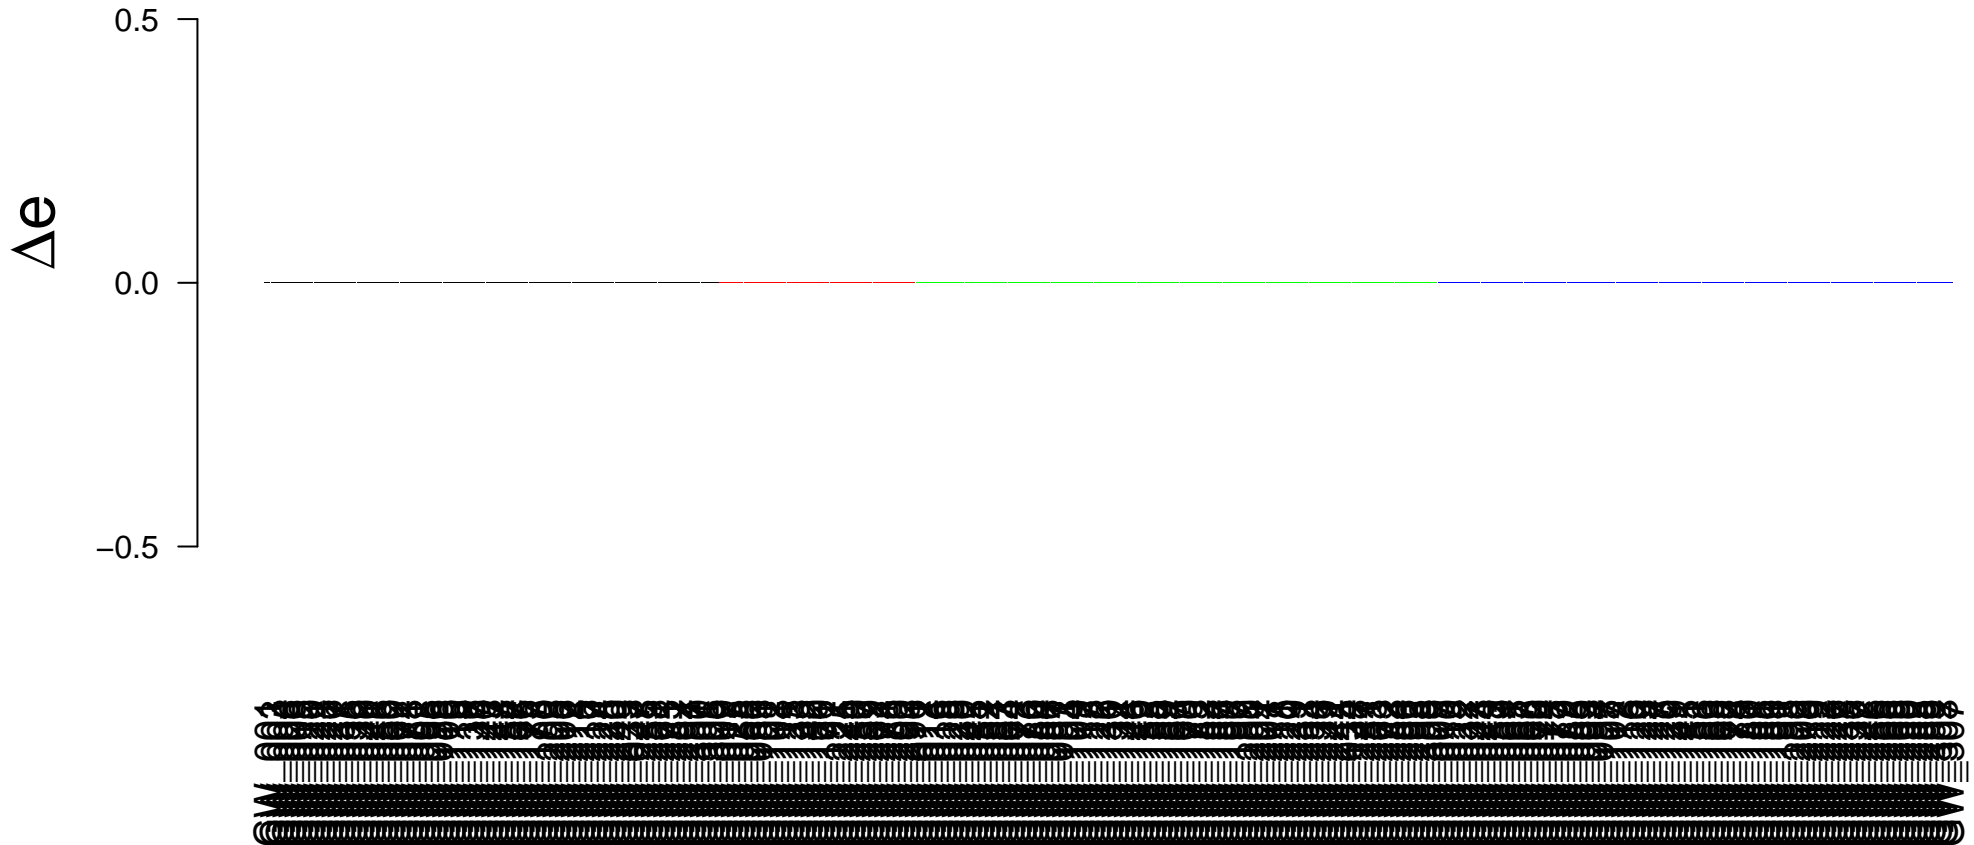

Expression of diacylglycerol kinase activity in Spot J

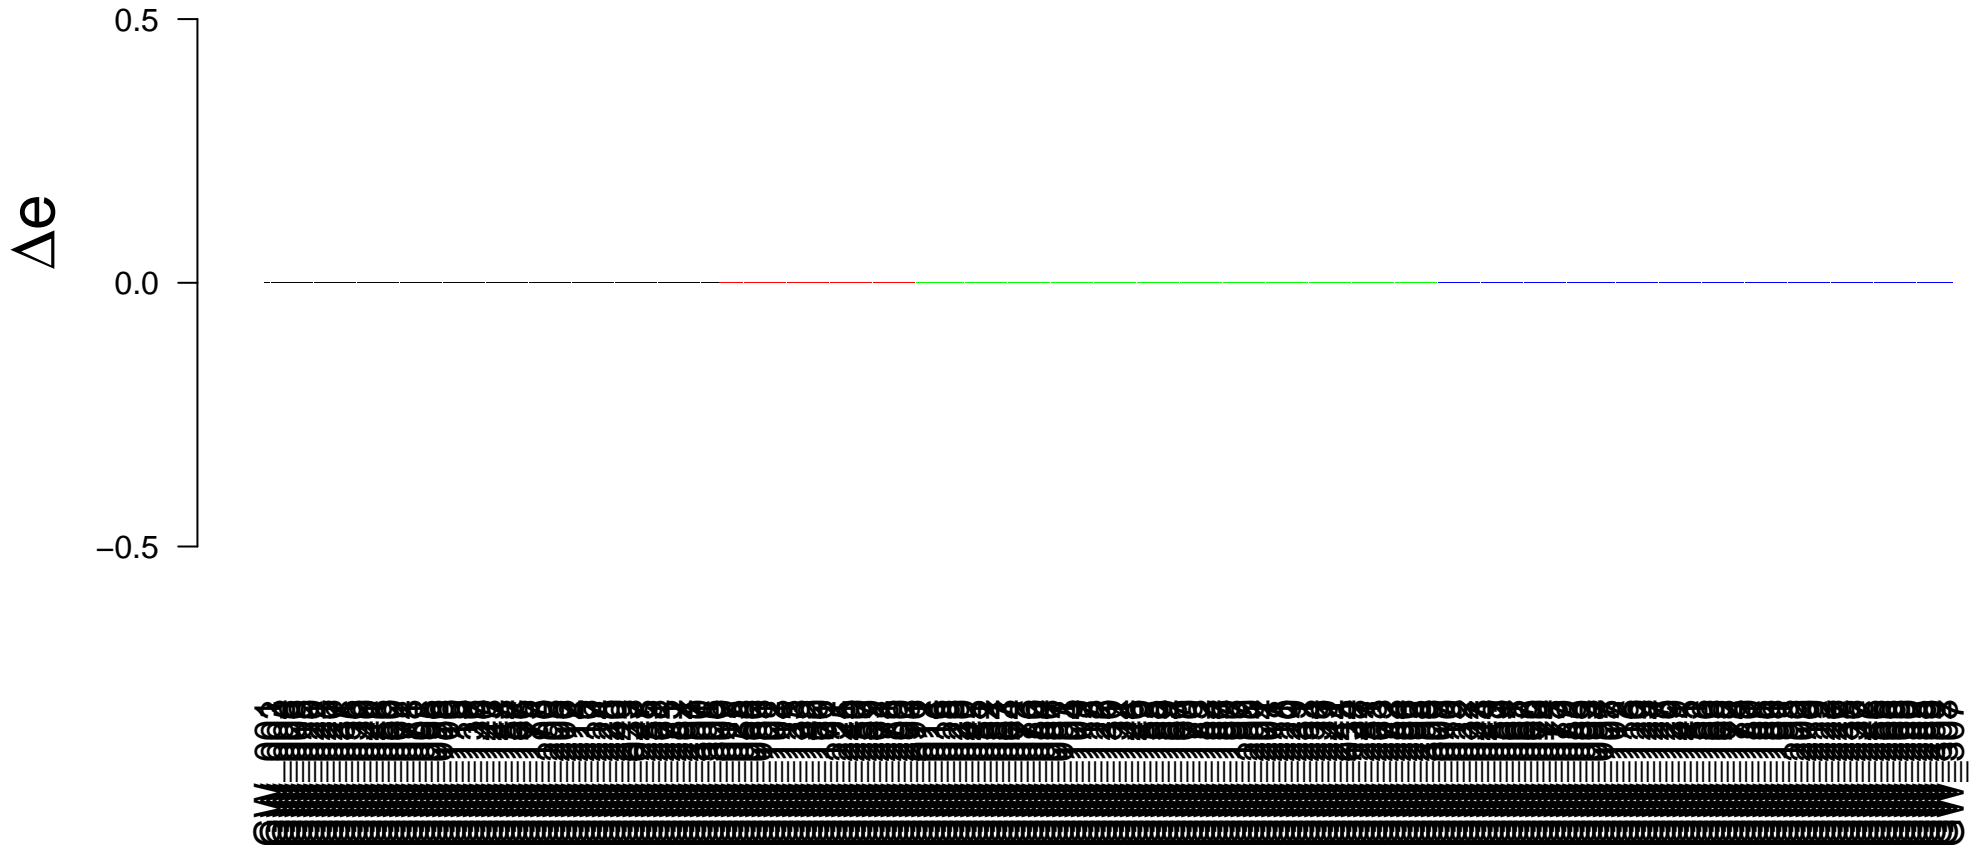

Expression of diacylglycerol kinase activity in Spot K

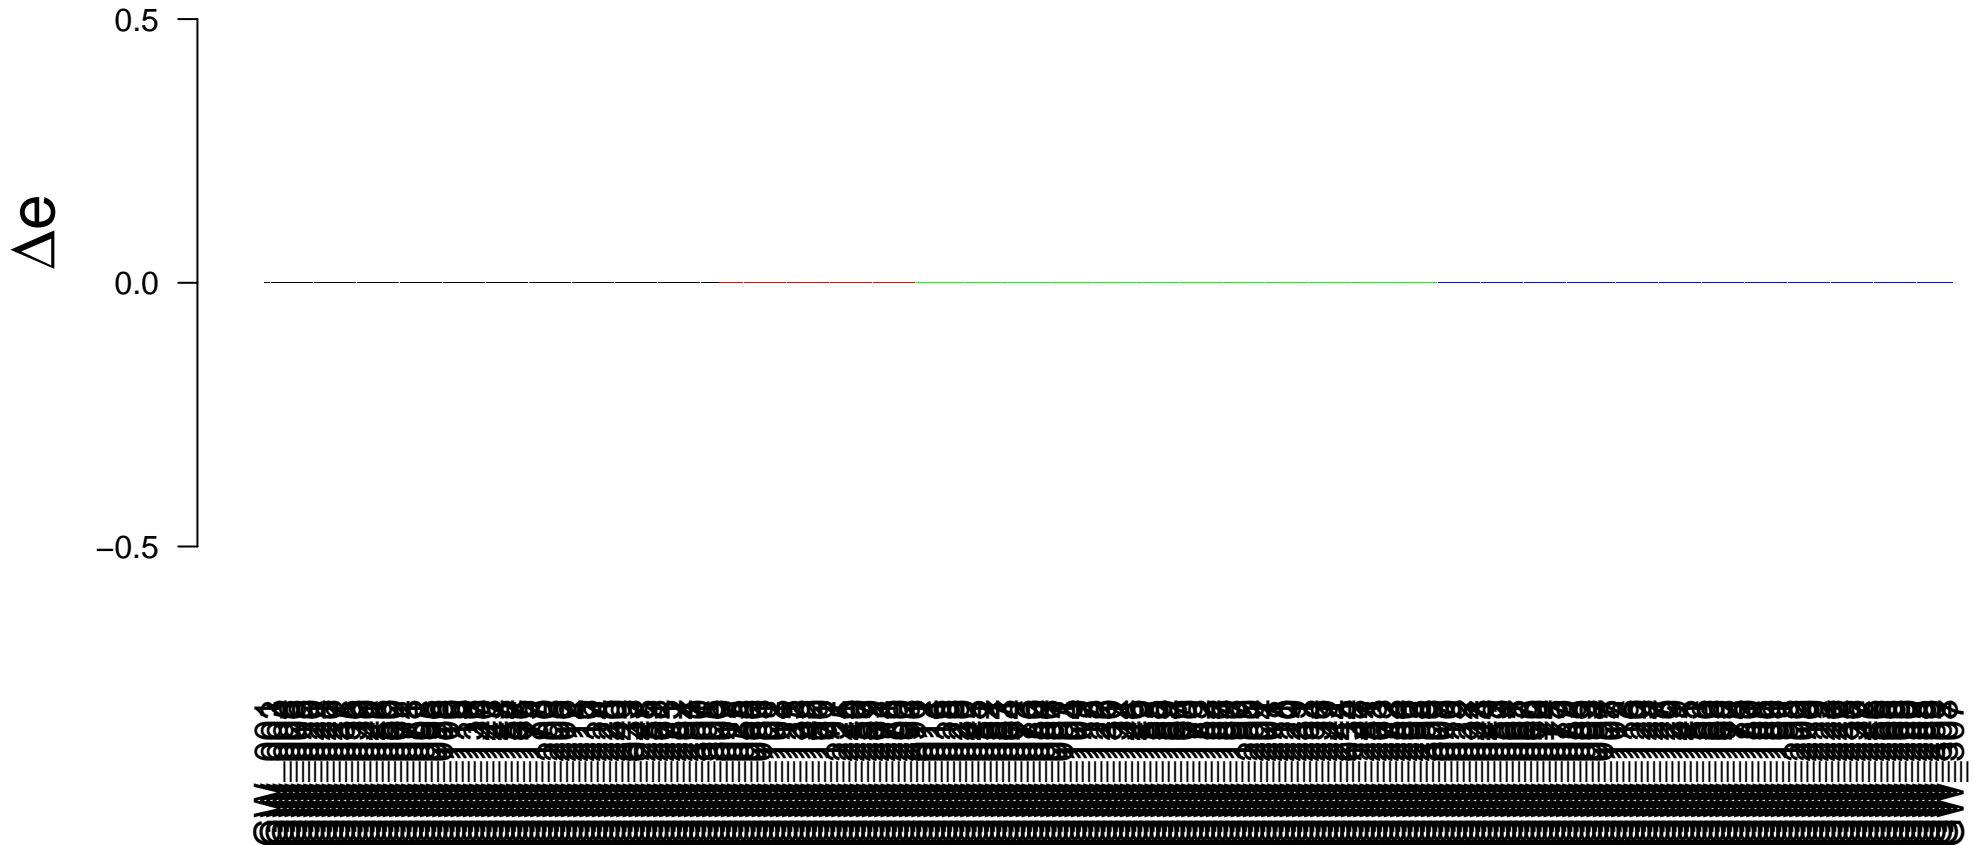

Expression of diacylglycerol kinase activity in Spot L

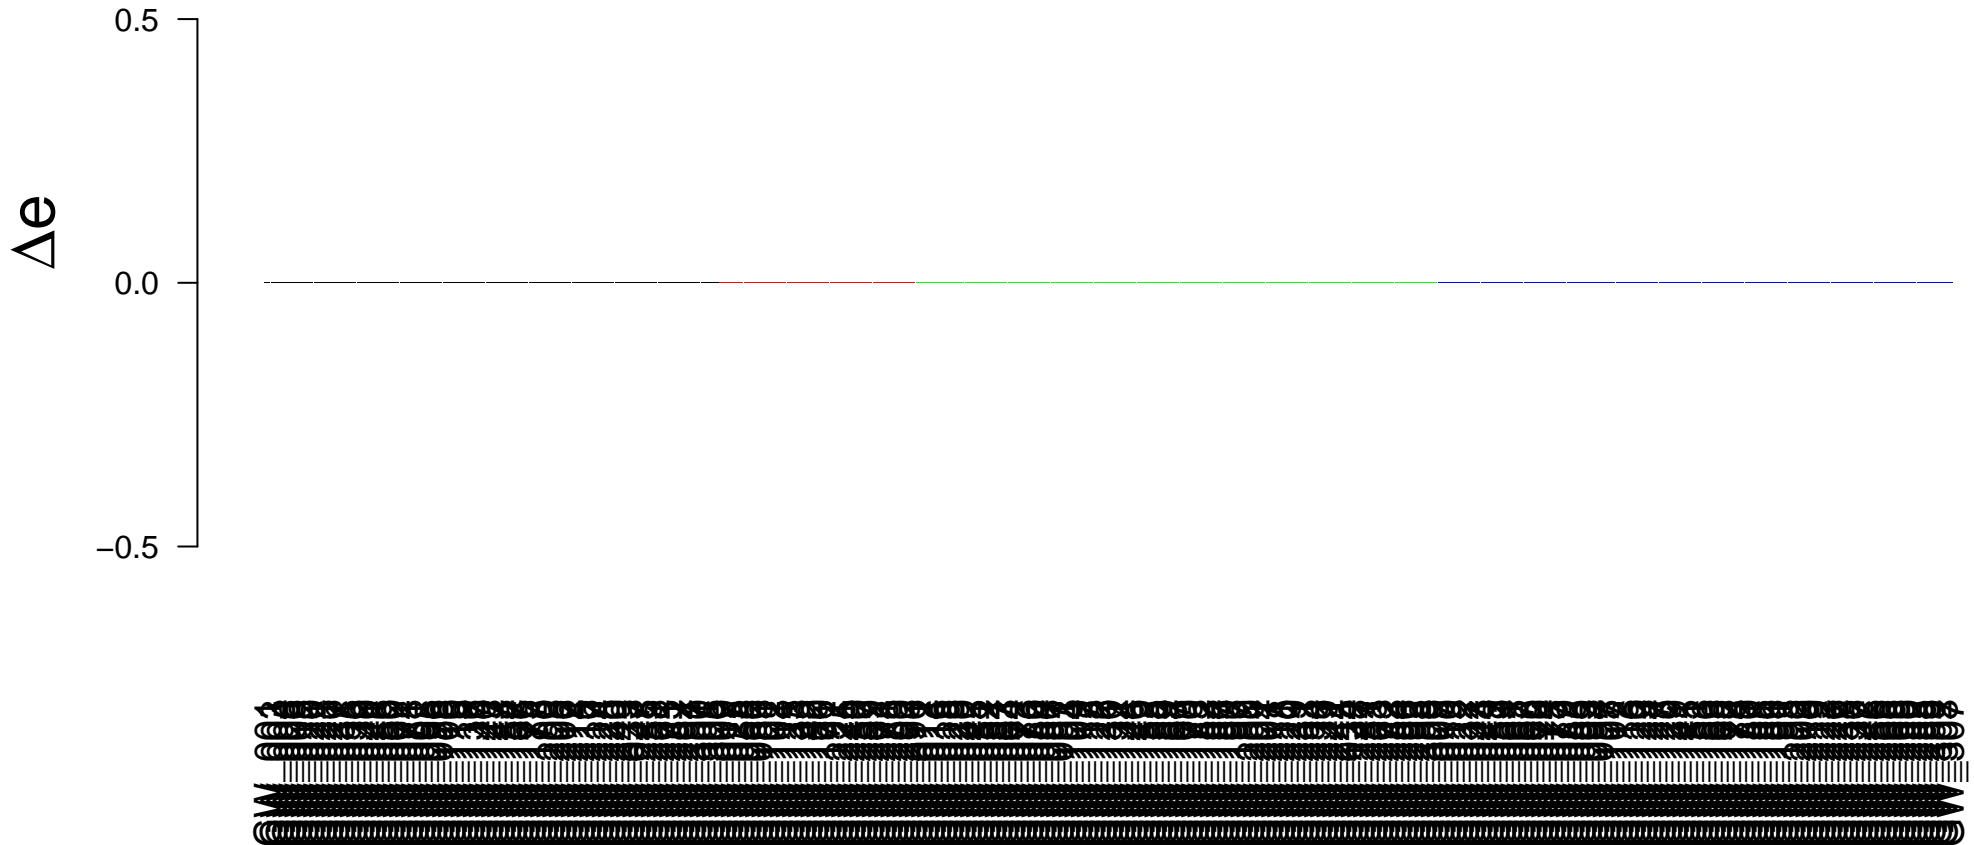

Expression of diacylglycerol kinase activity in Spot M

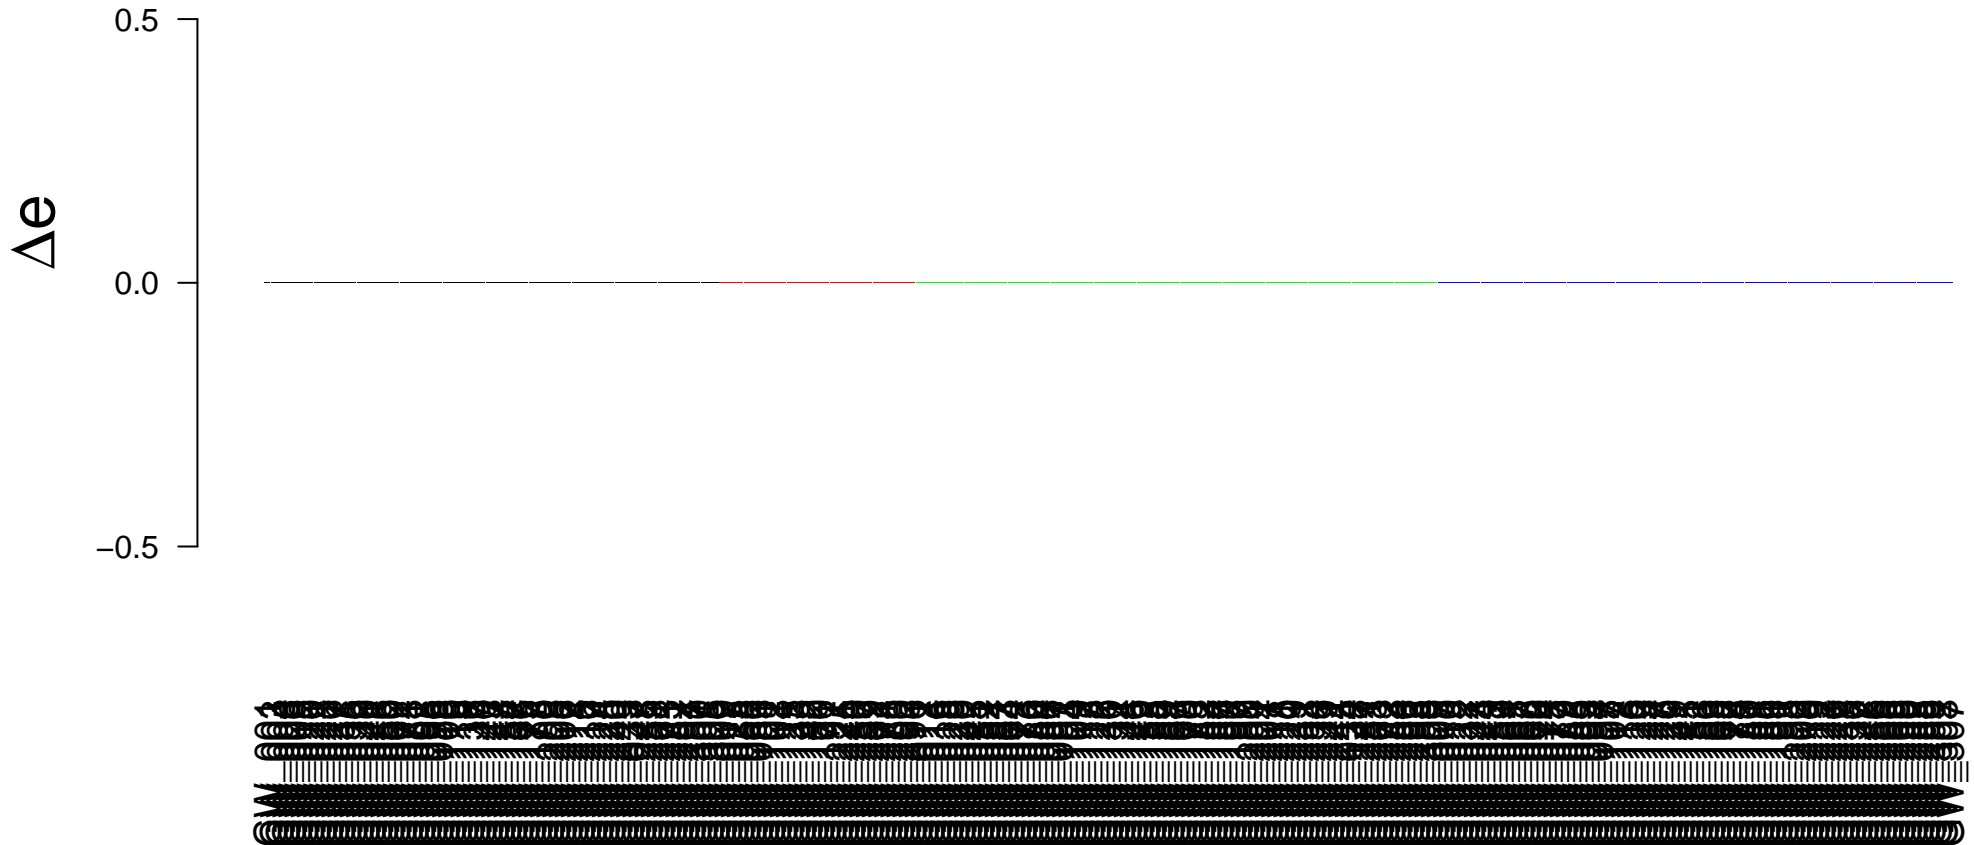

Expression of diacylglycerol kinase activity in Spot N

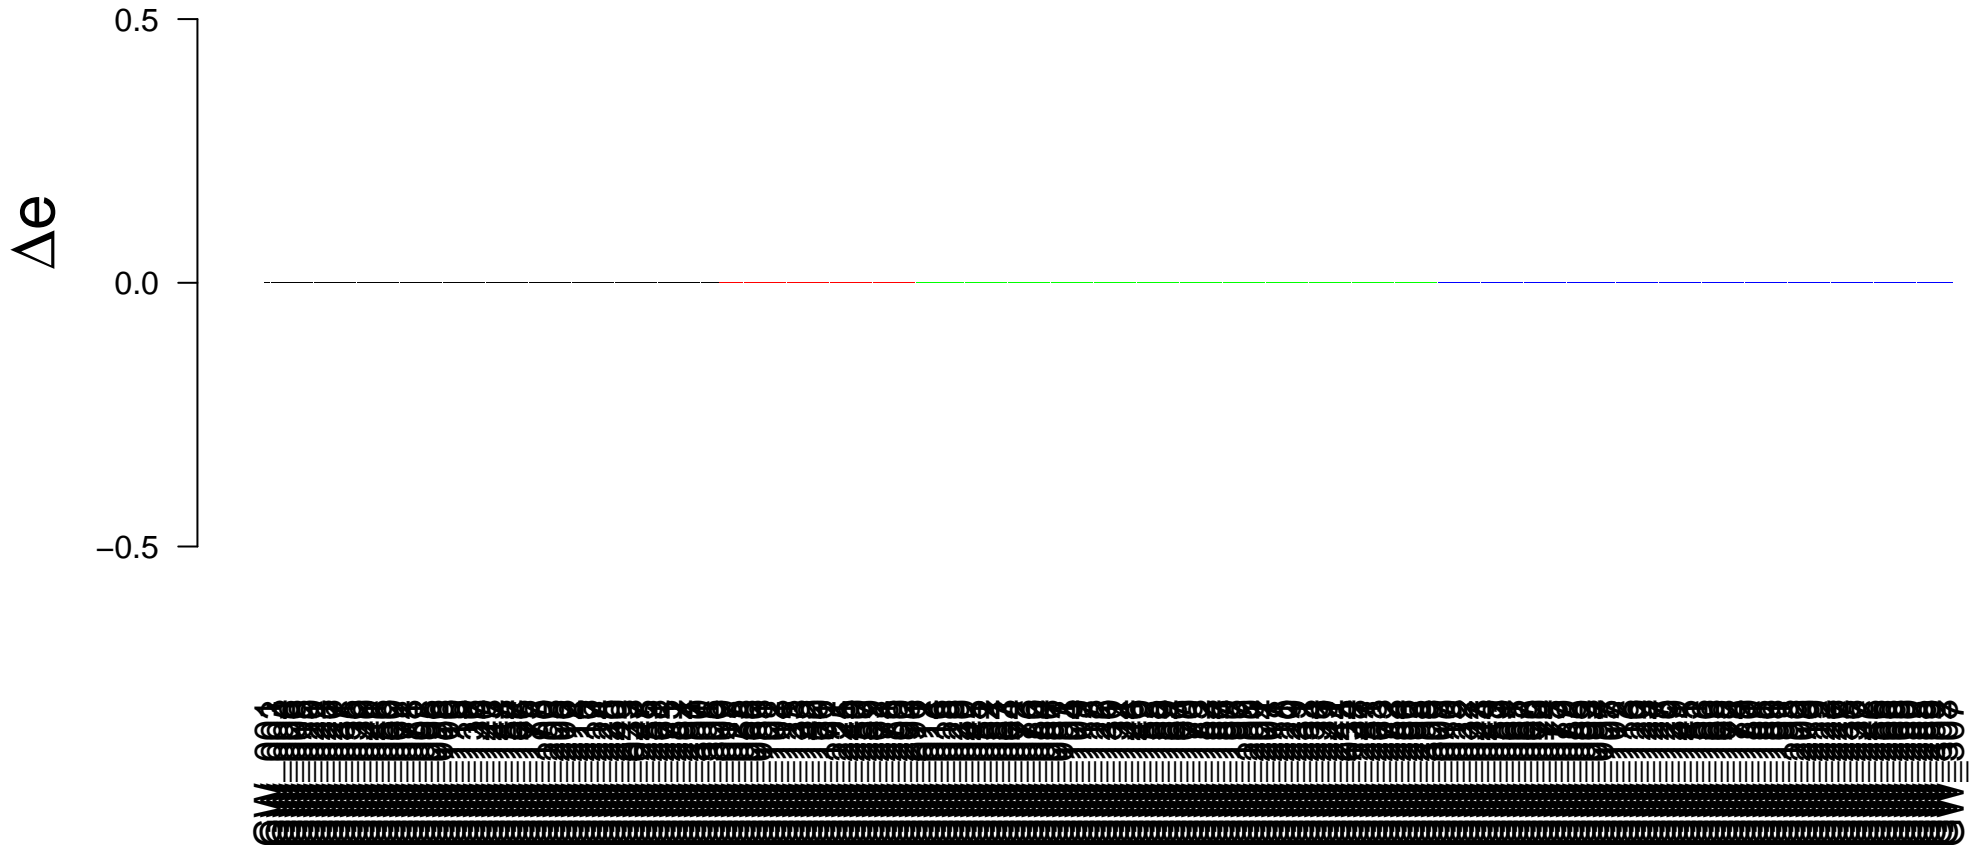

Expression of diacylglycerol kinase activity in Spot O

Expression of diacylglycerol kinase activity in Spot P

Expression of diacylglycerol kinase activity in Spot Q

Expression of diacylglycerol kinase activity in Spot R
