

dolichol-linked oligosaccharide biosynthetic process

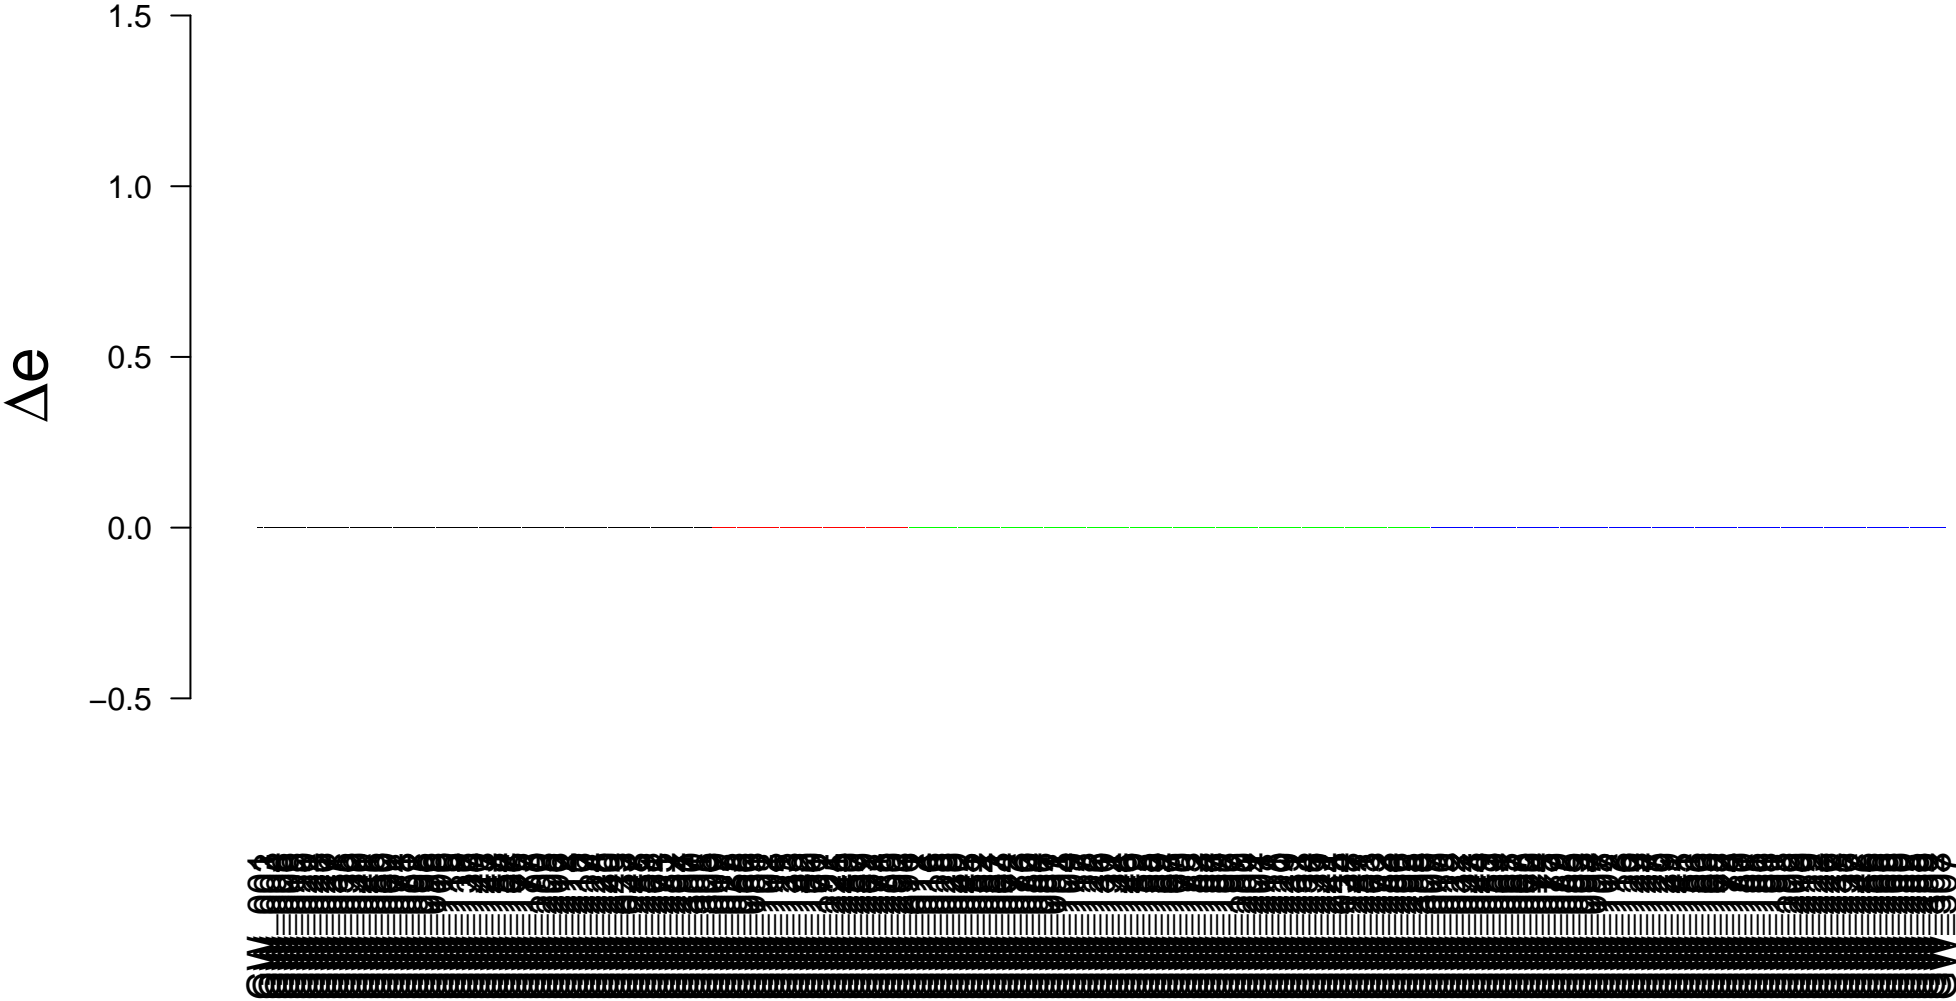

dolichol-linked oligosaccharide biosynthetic process

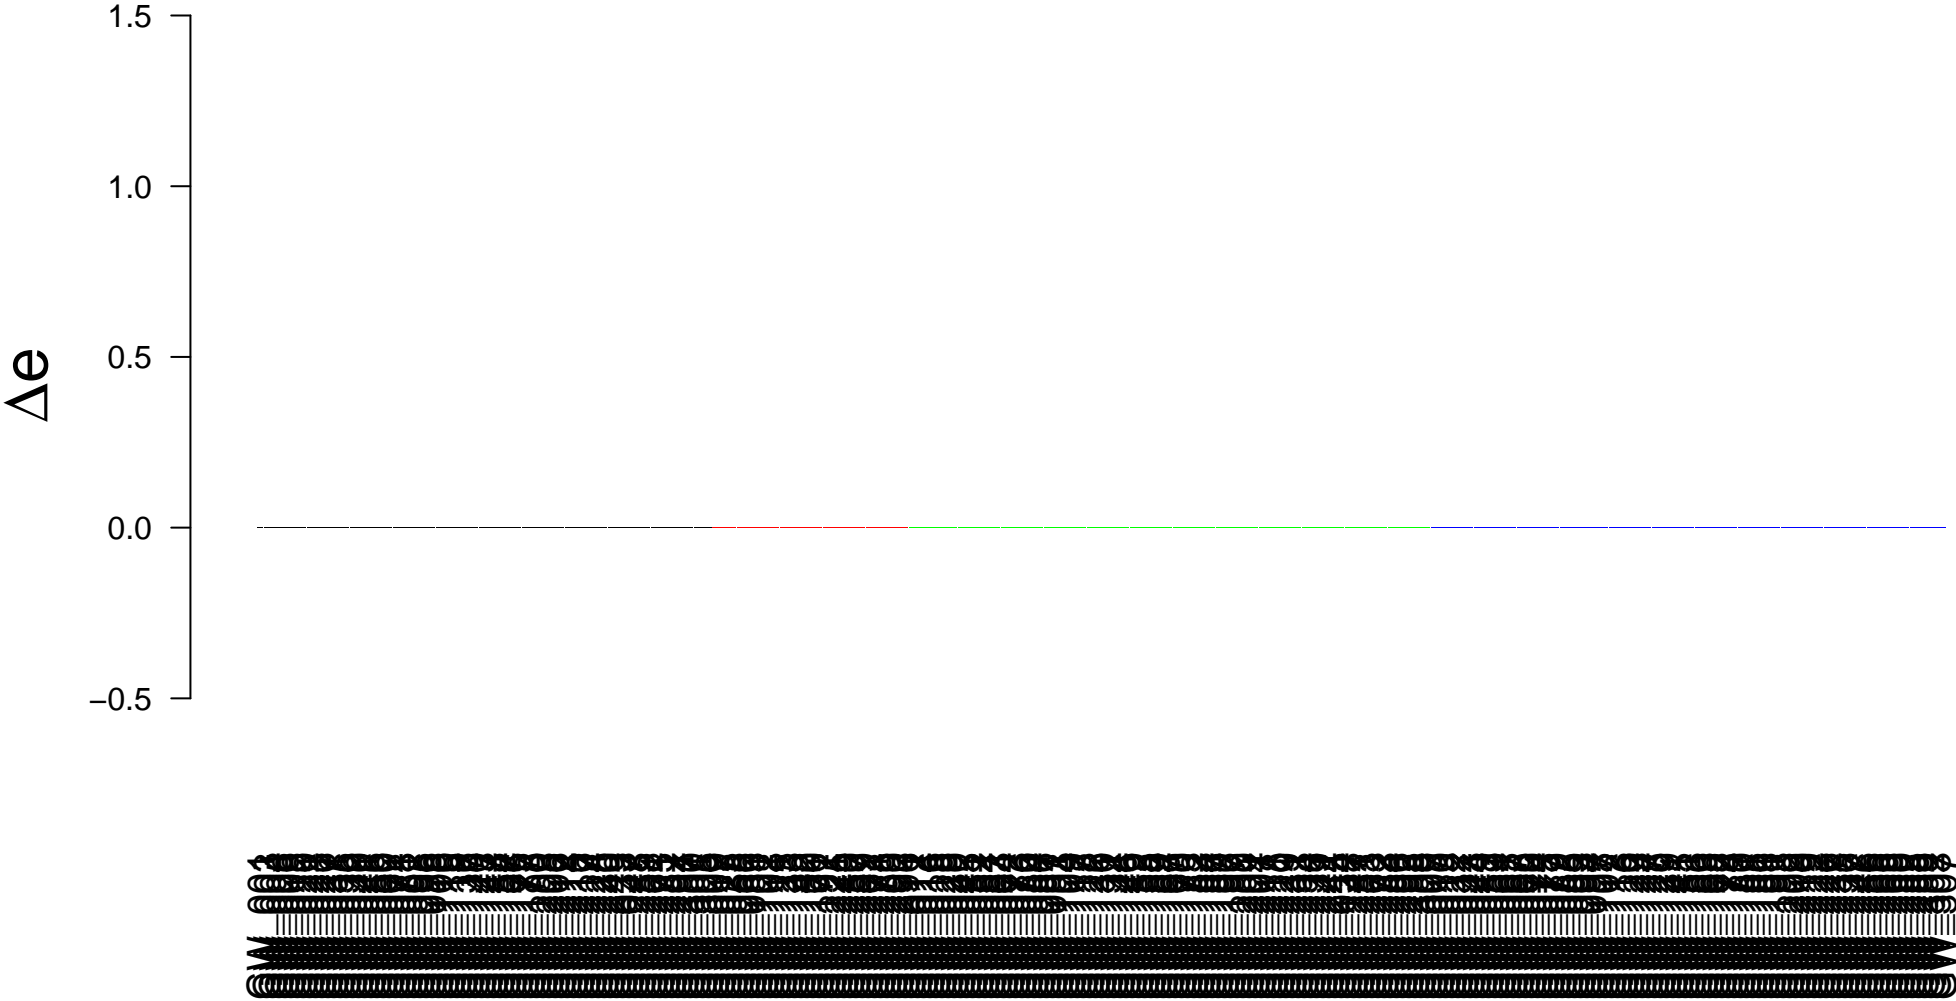

Enrichment in spots: dolichol-linked oligosaccharide biosynthetic process

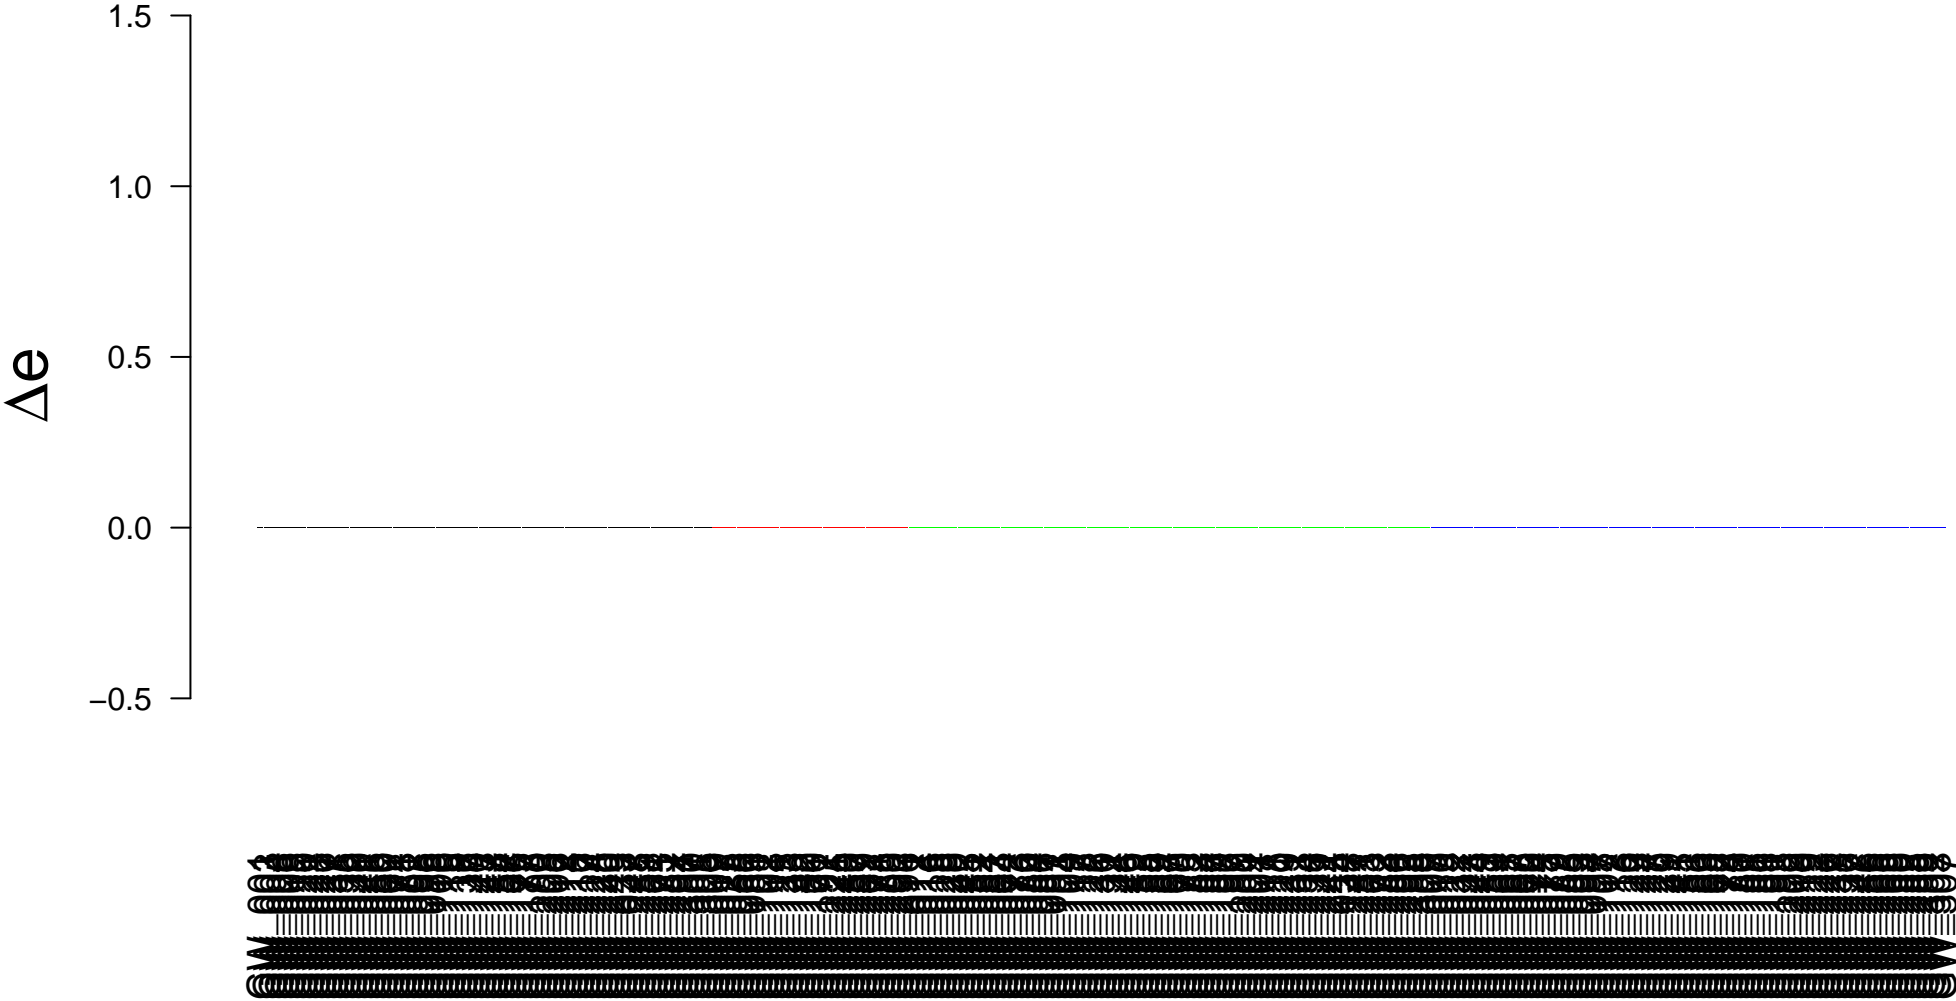

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot A

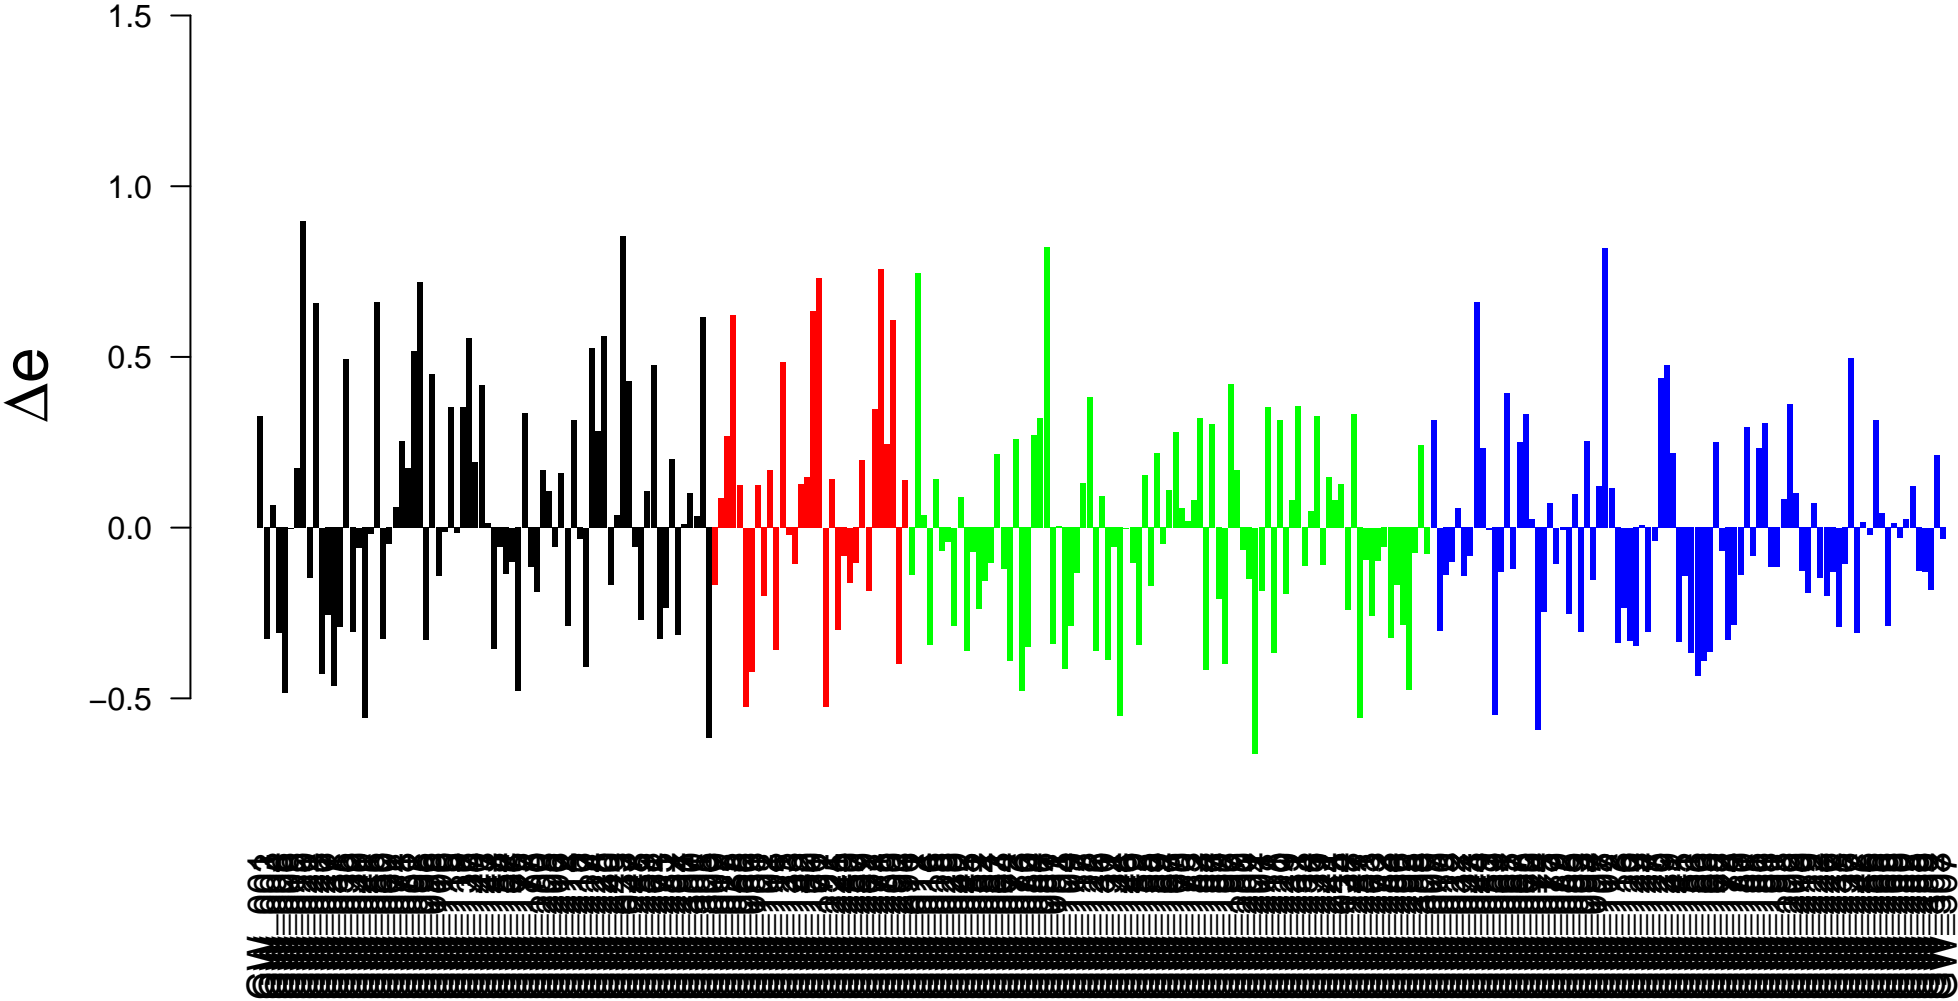

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot B

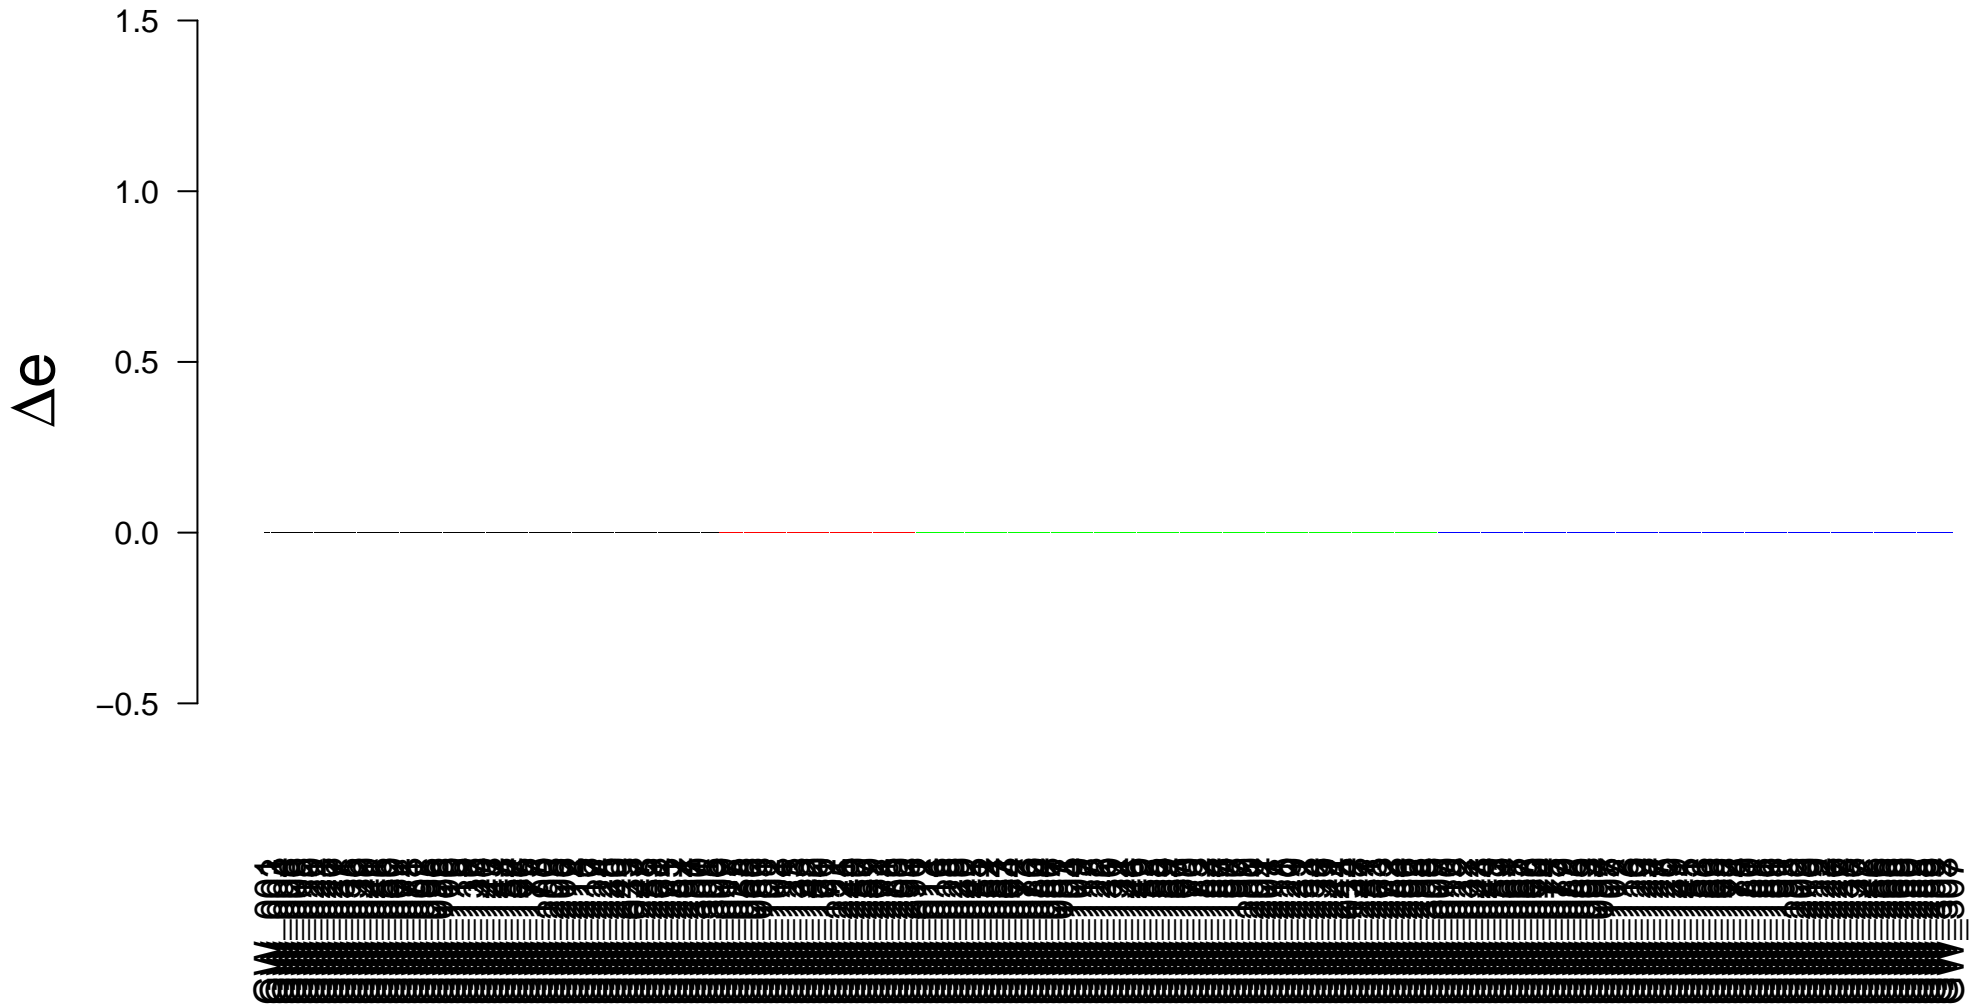

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot C

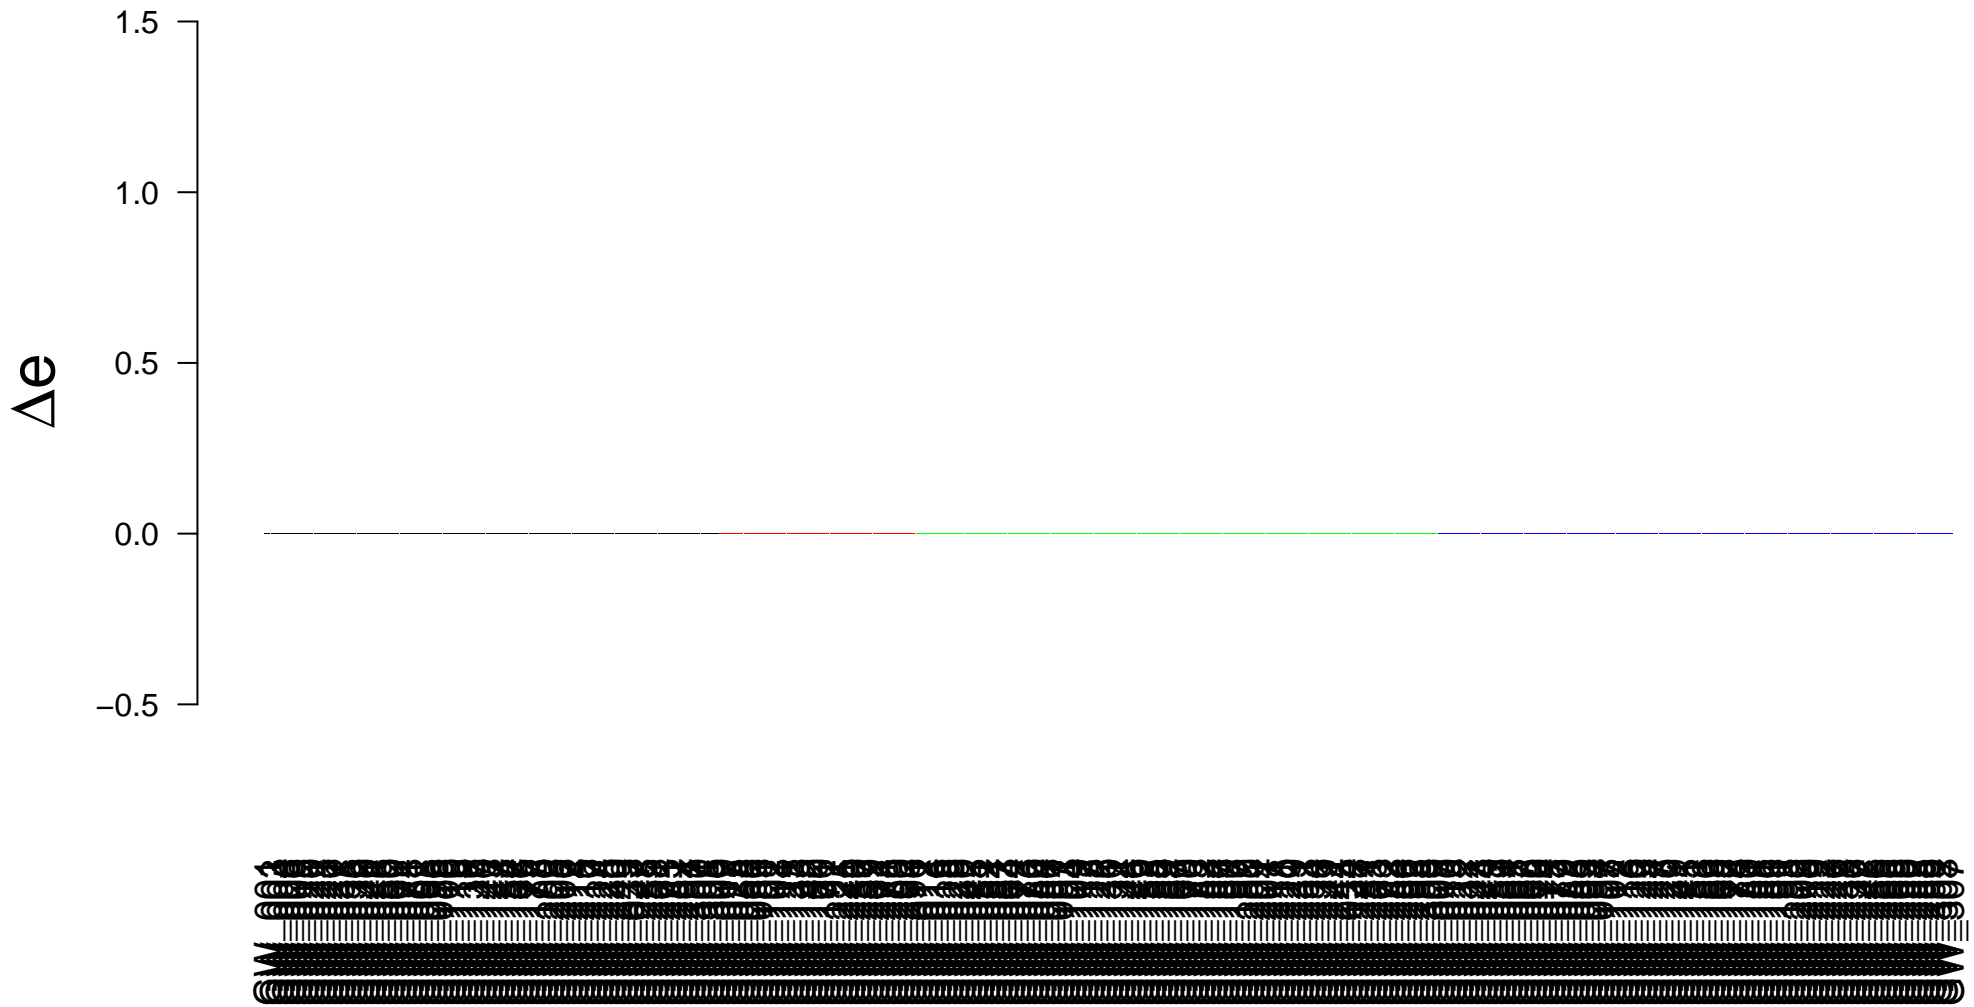

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot D

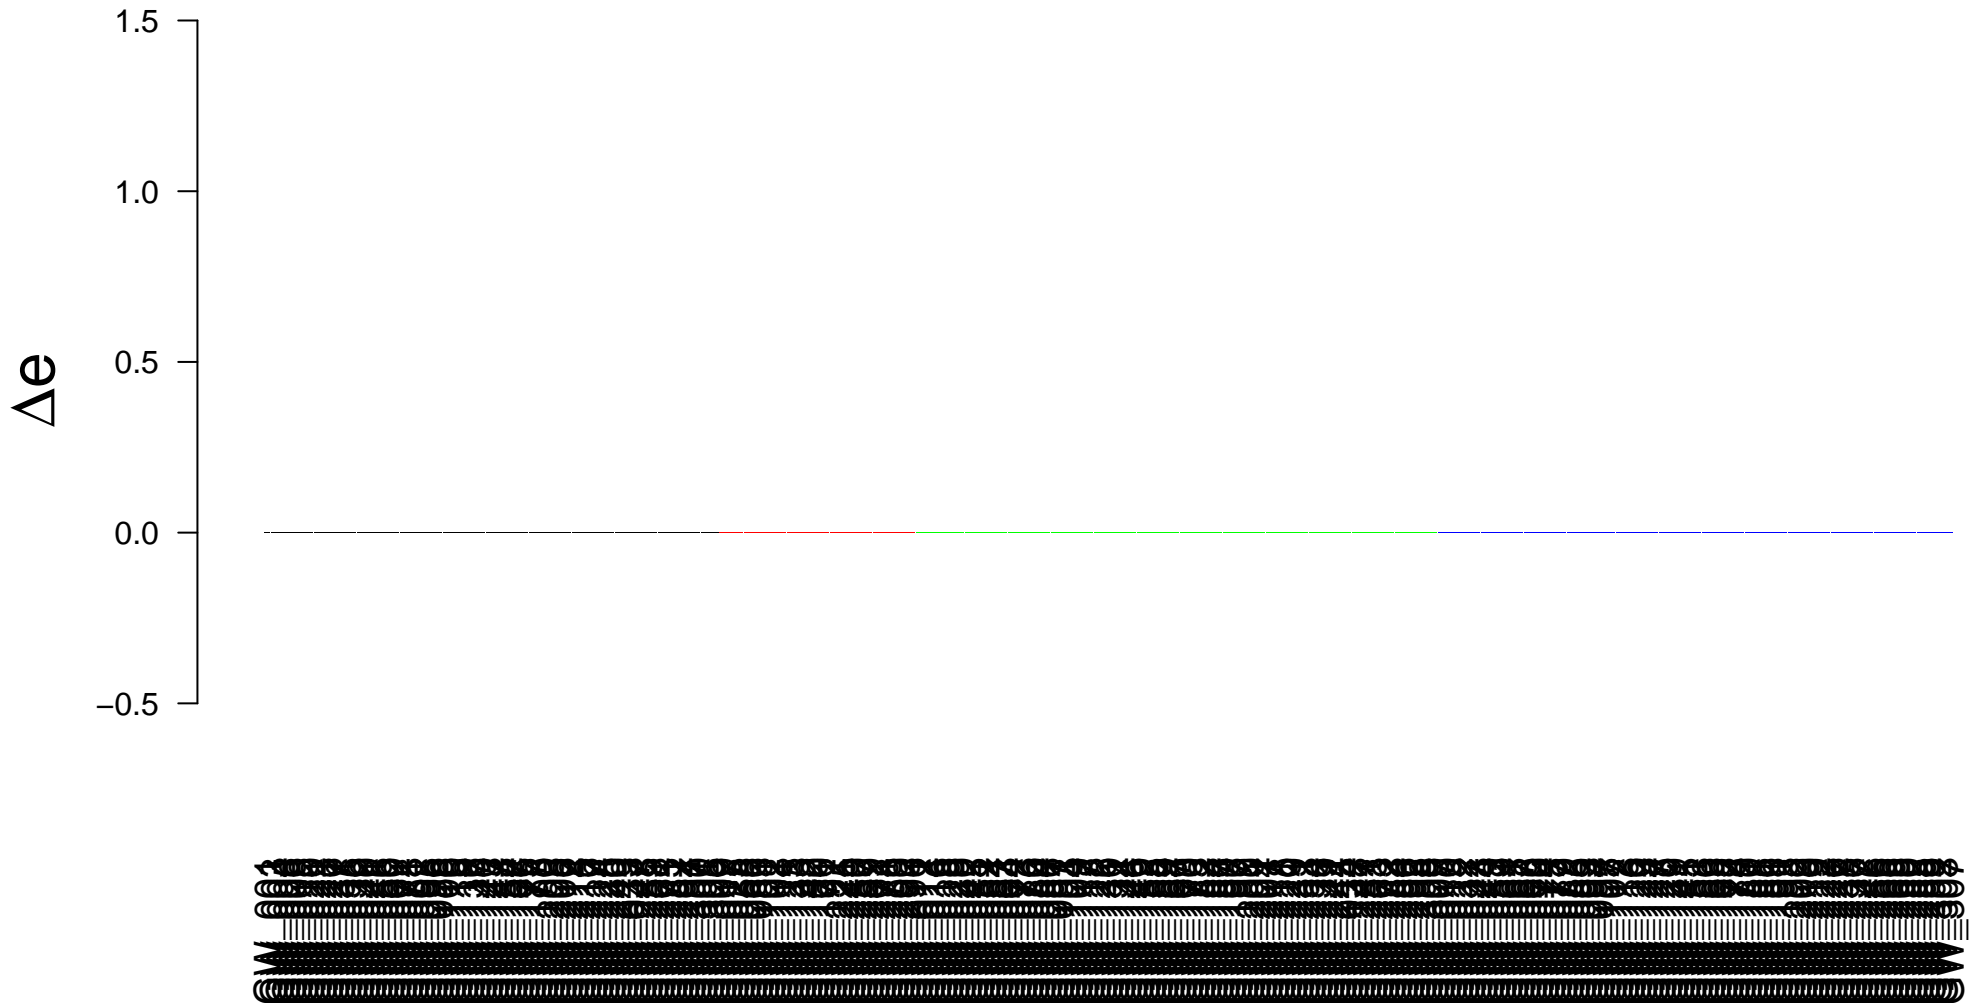

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot E

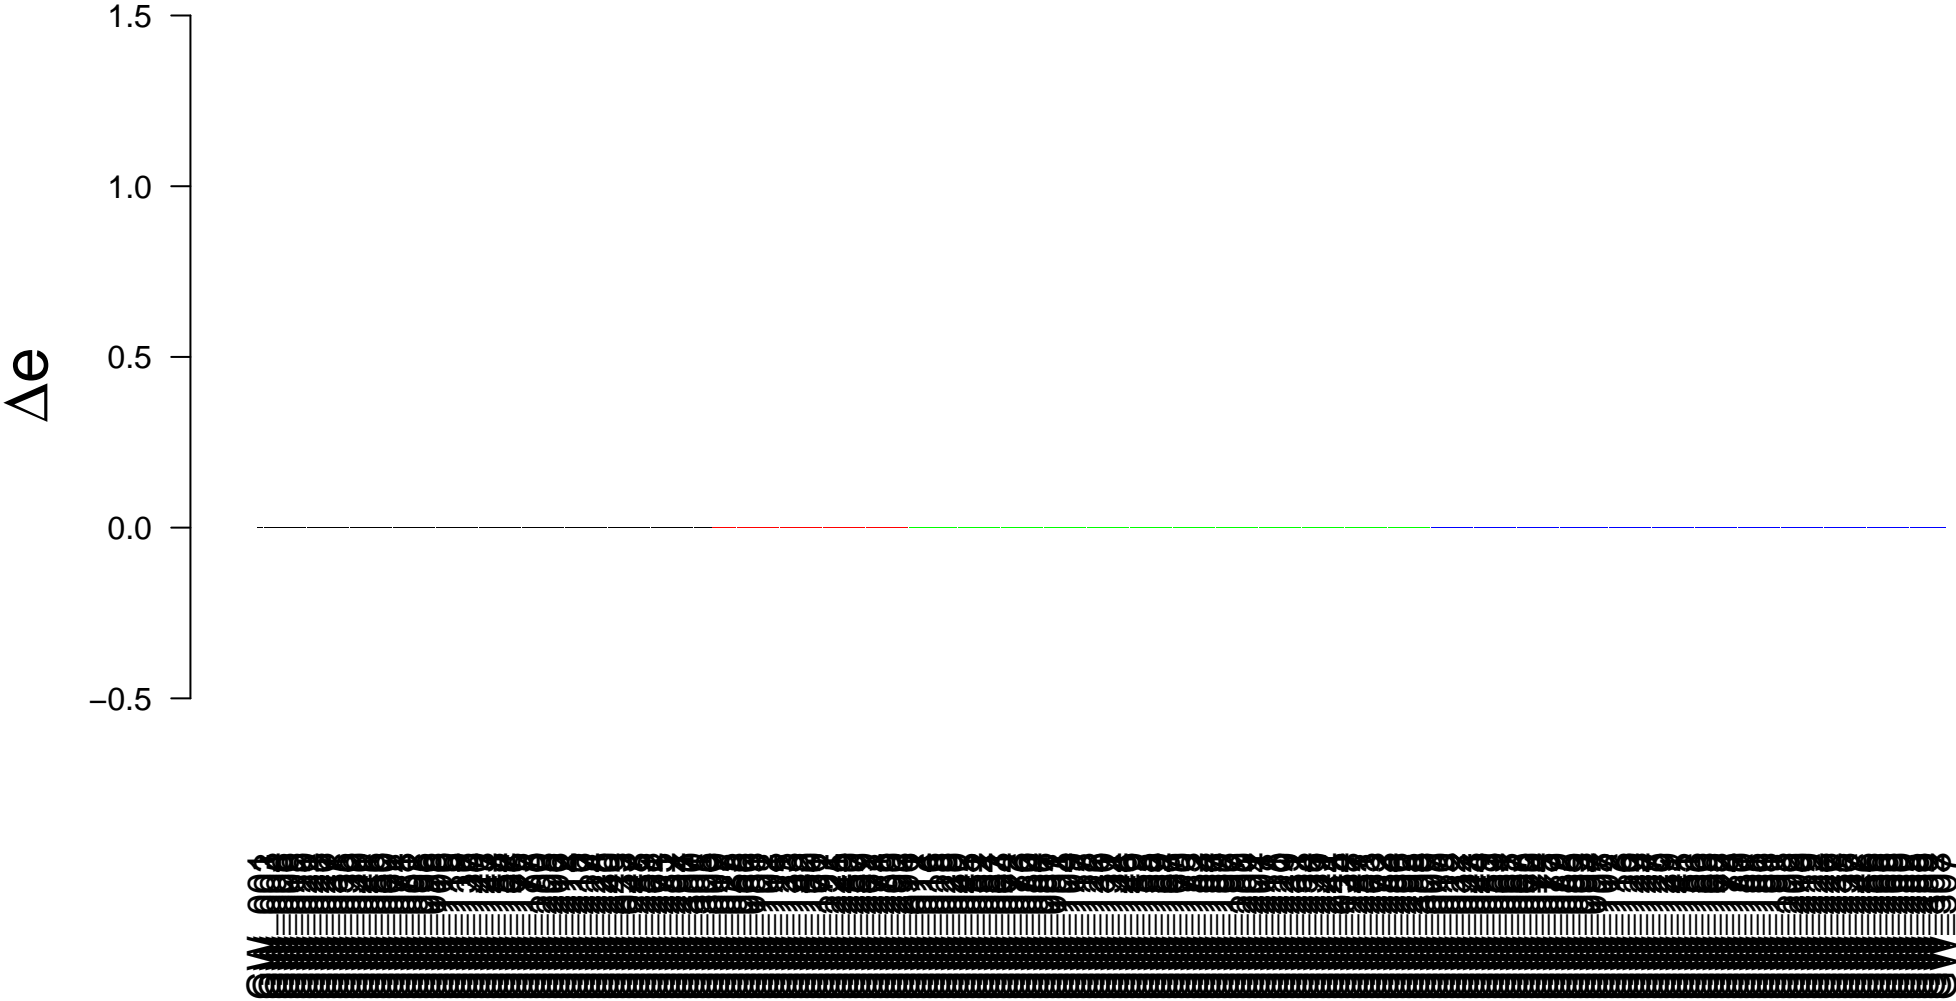

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot F

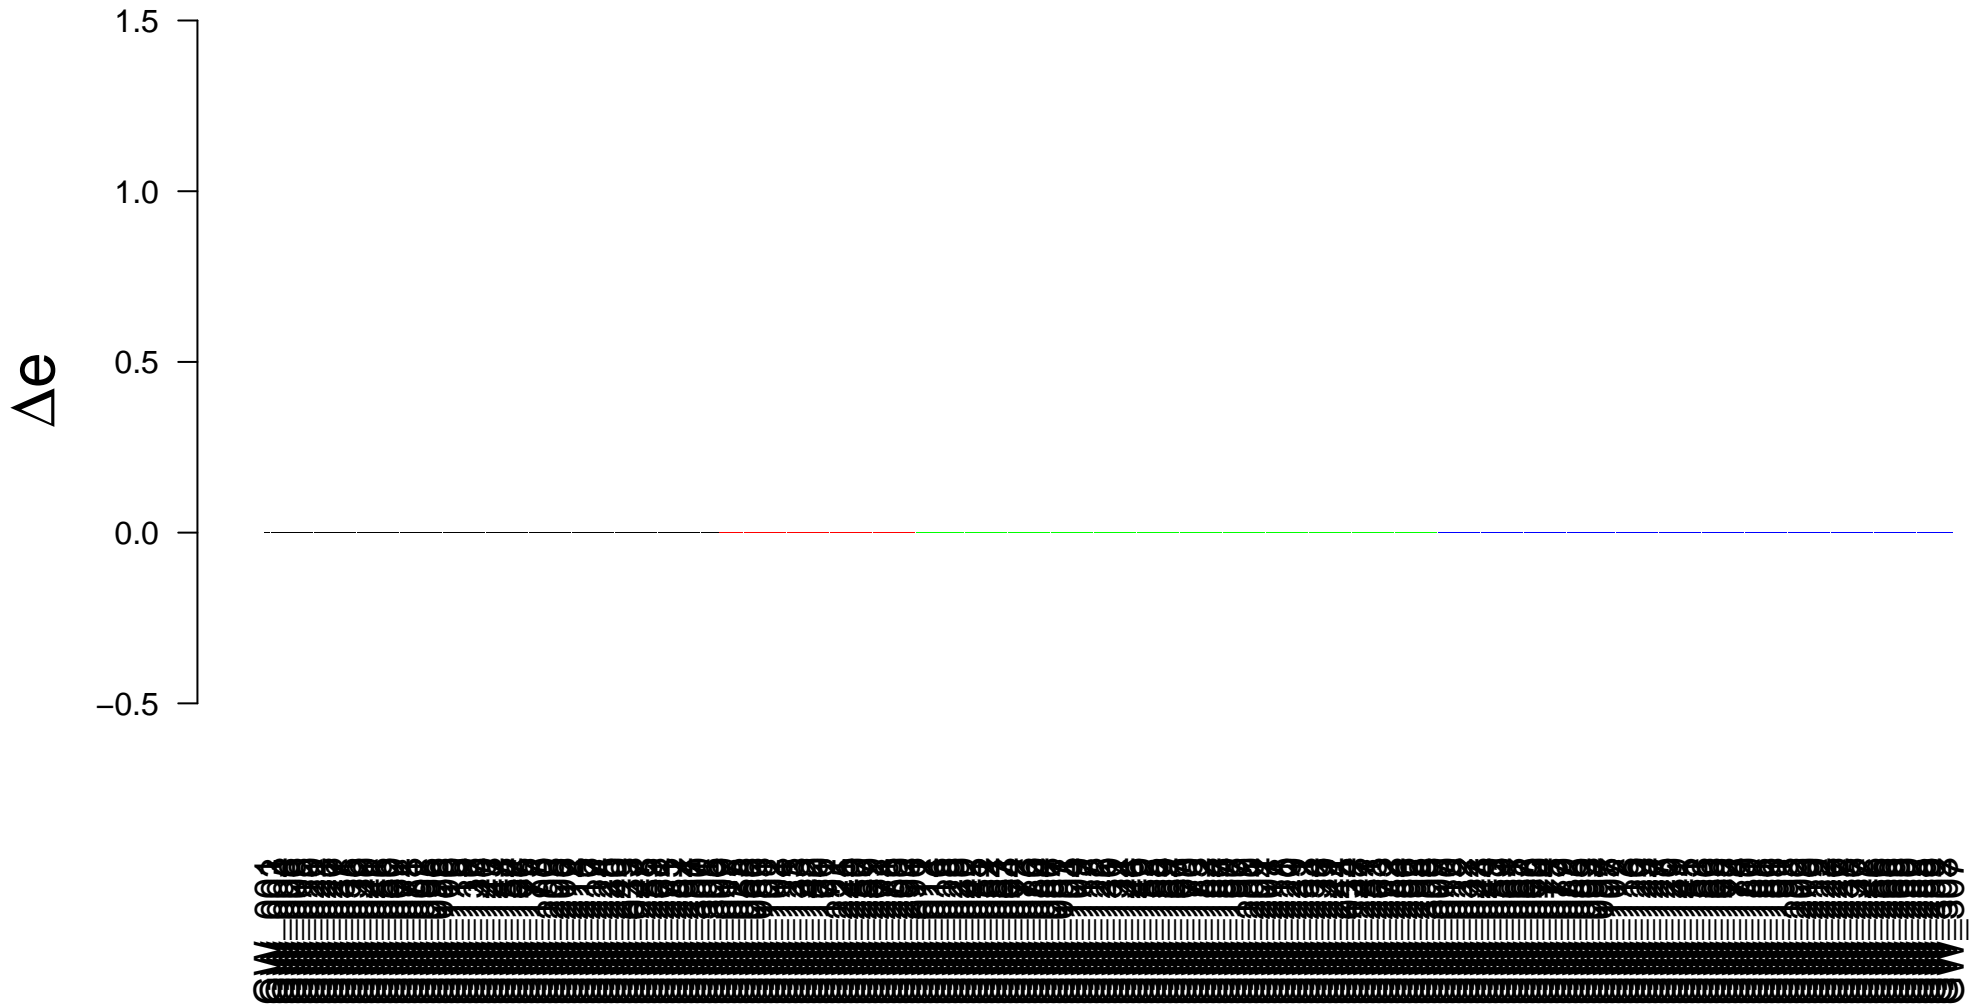

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot G

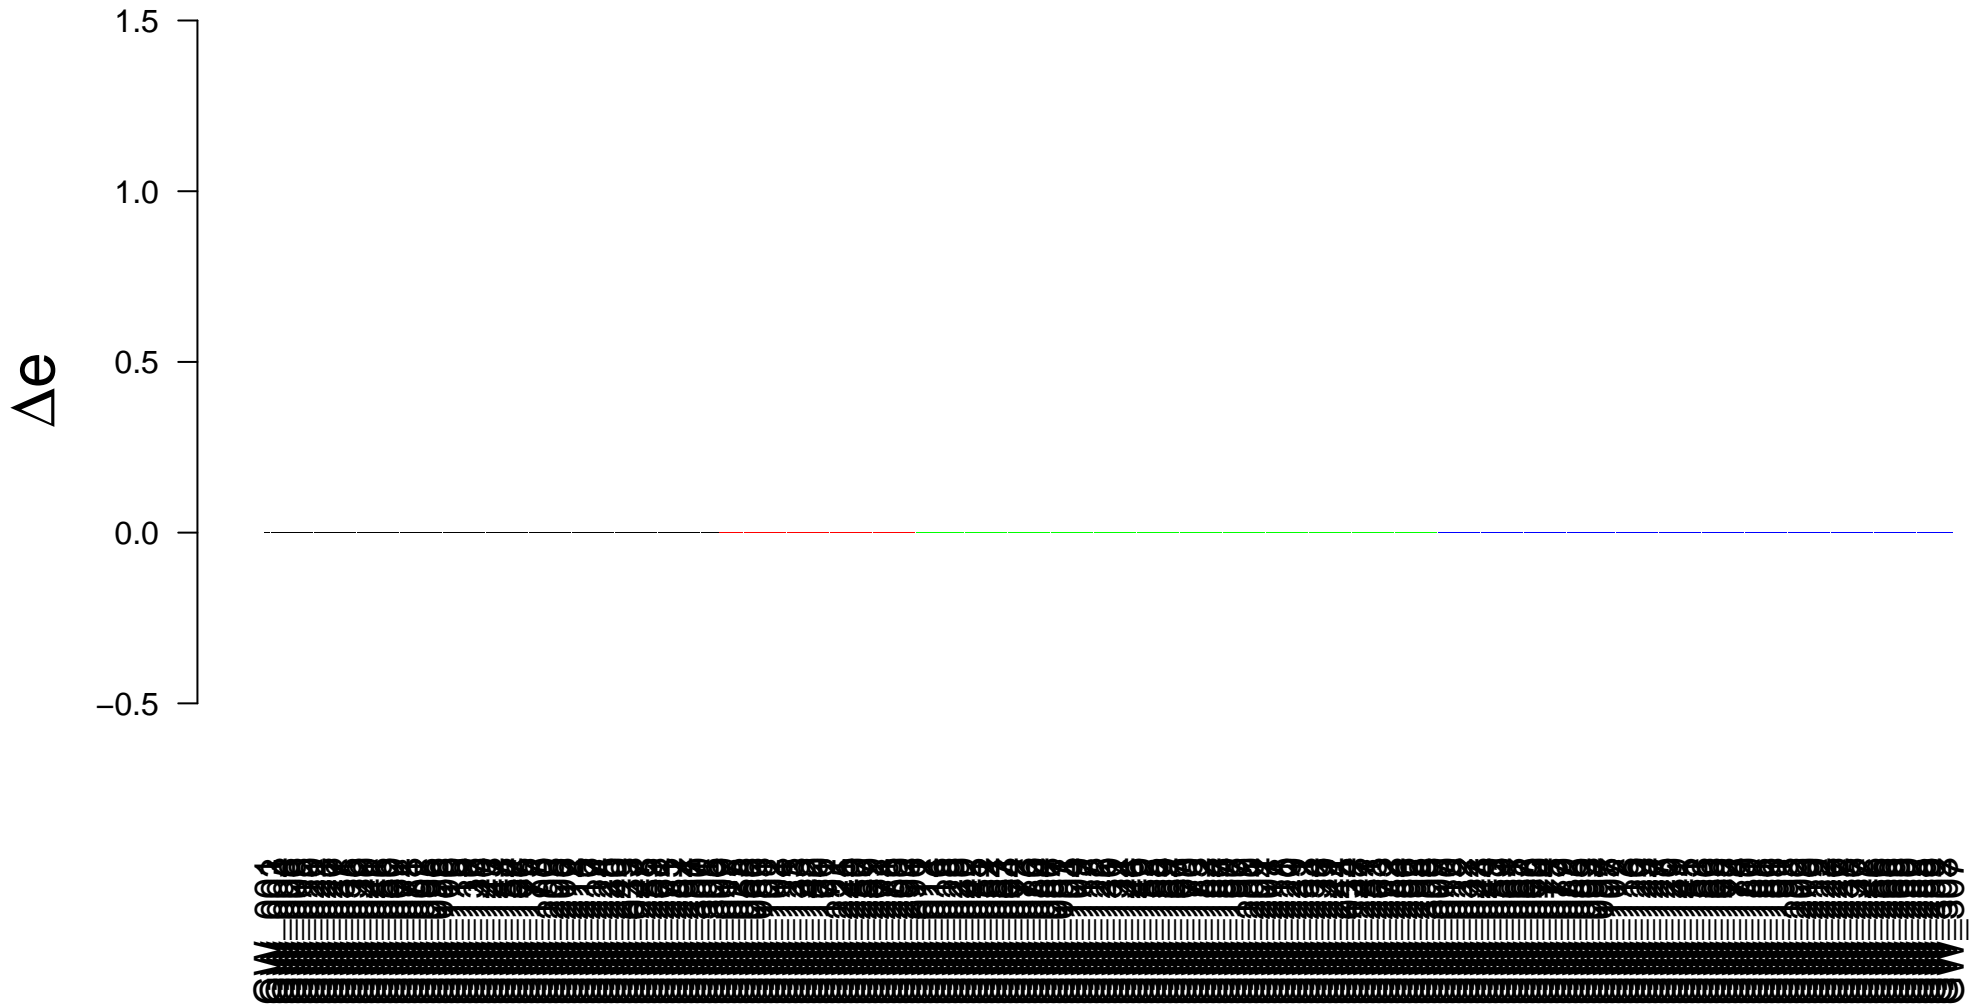

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot H

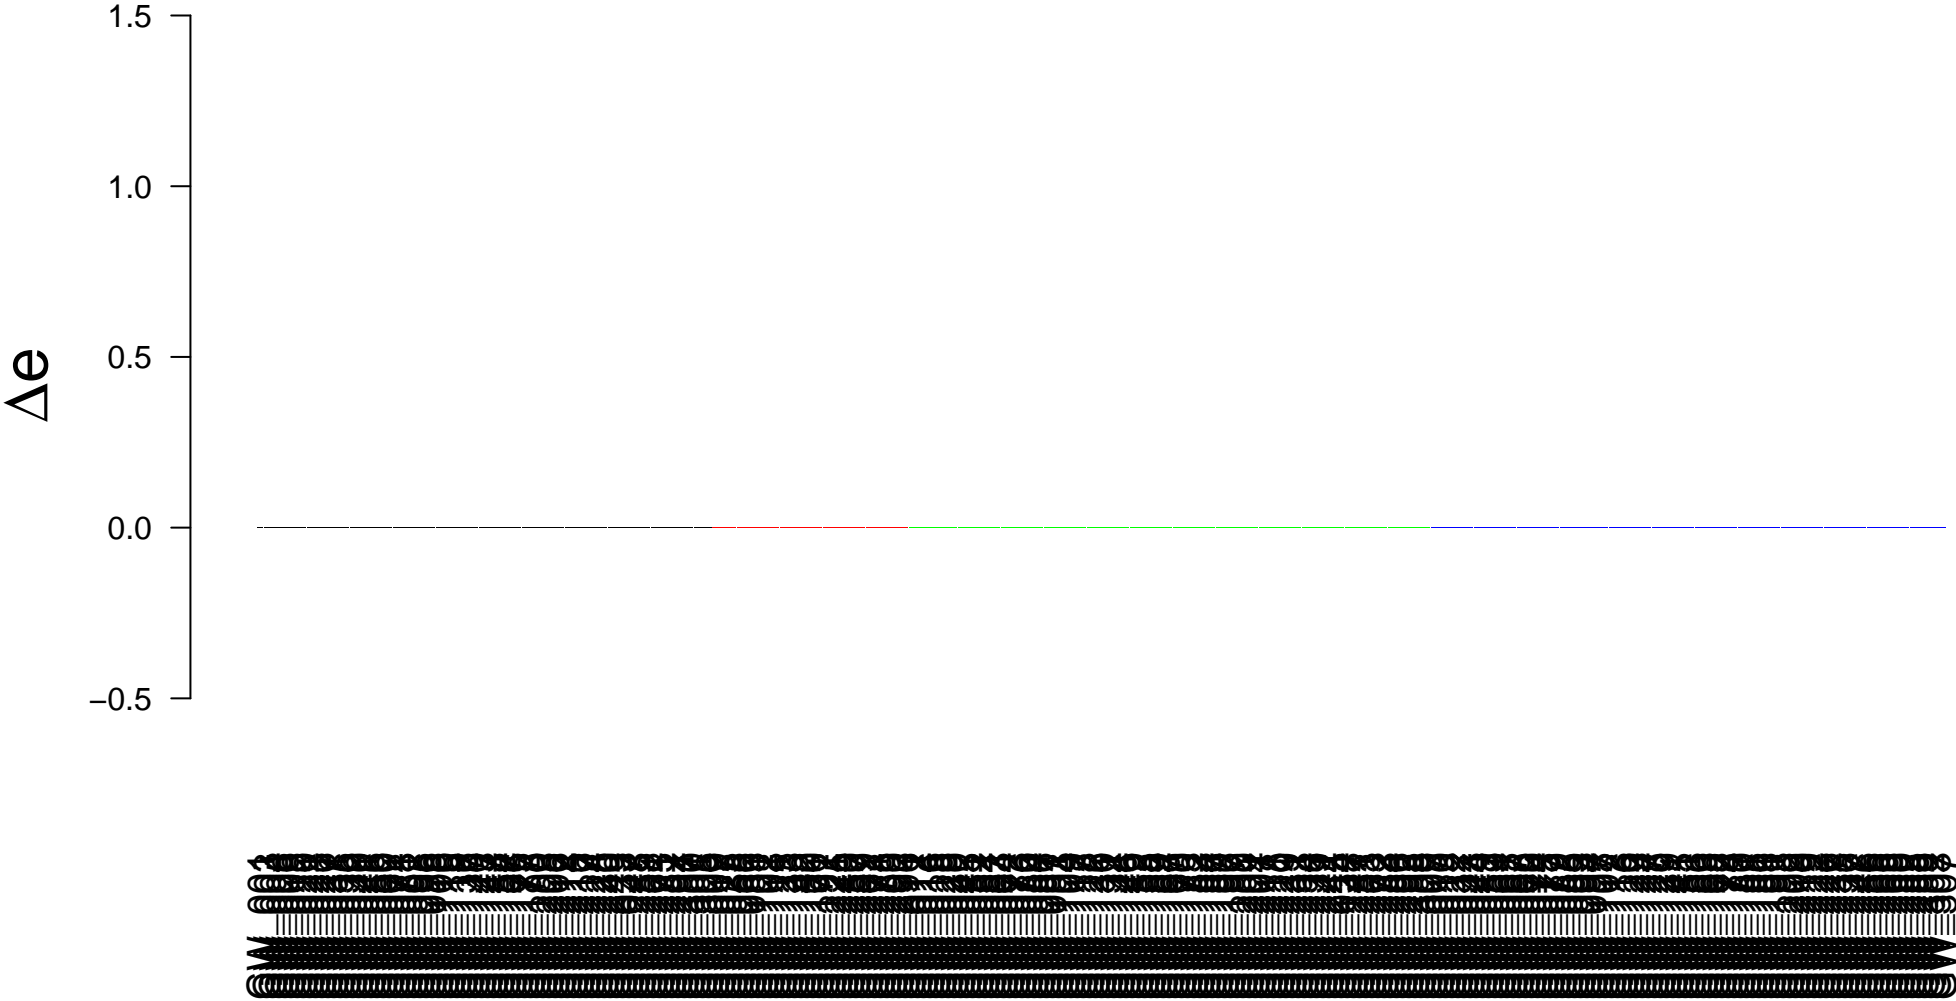

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot I

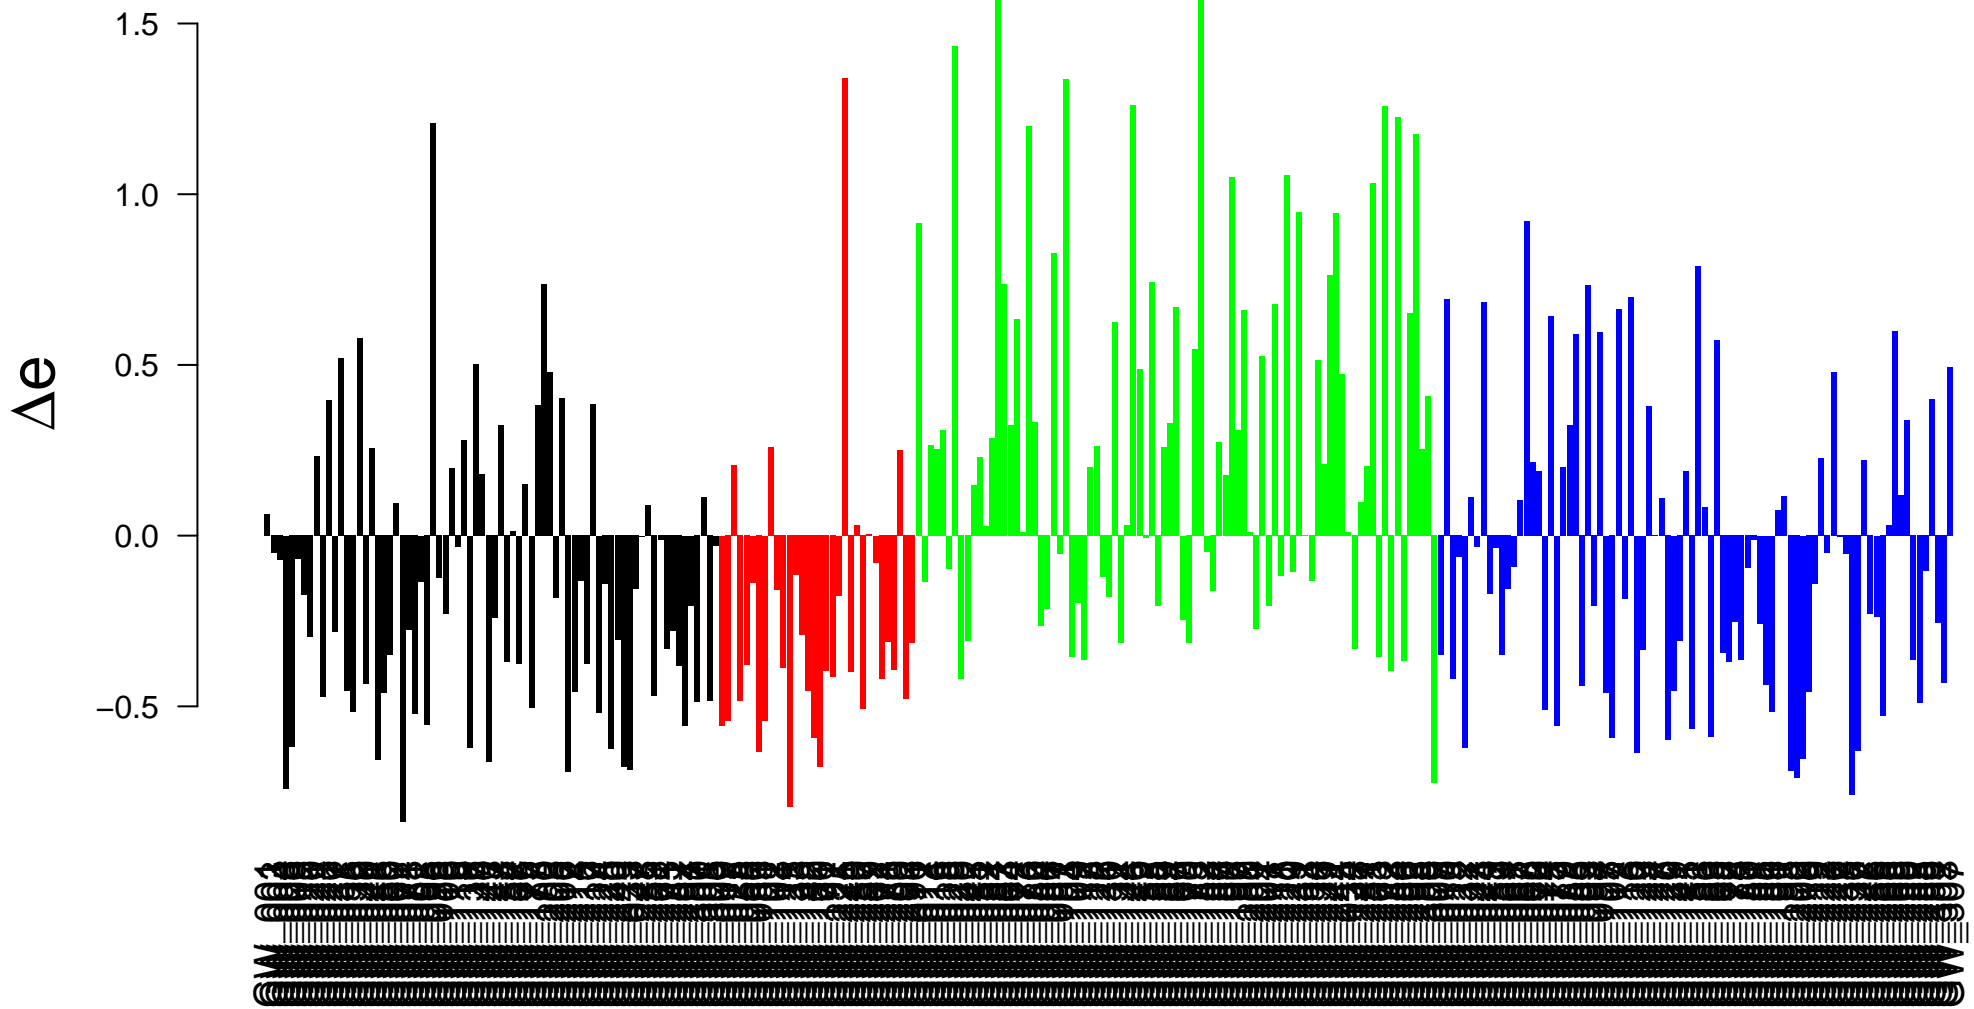

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot J

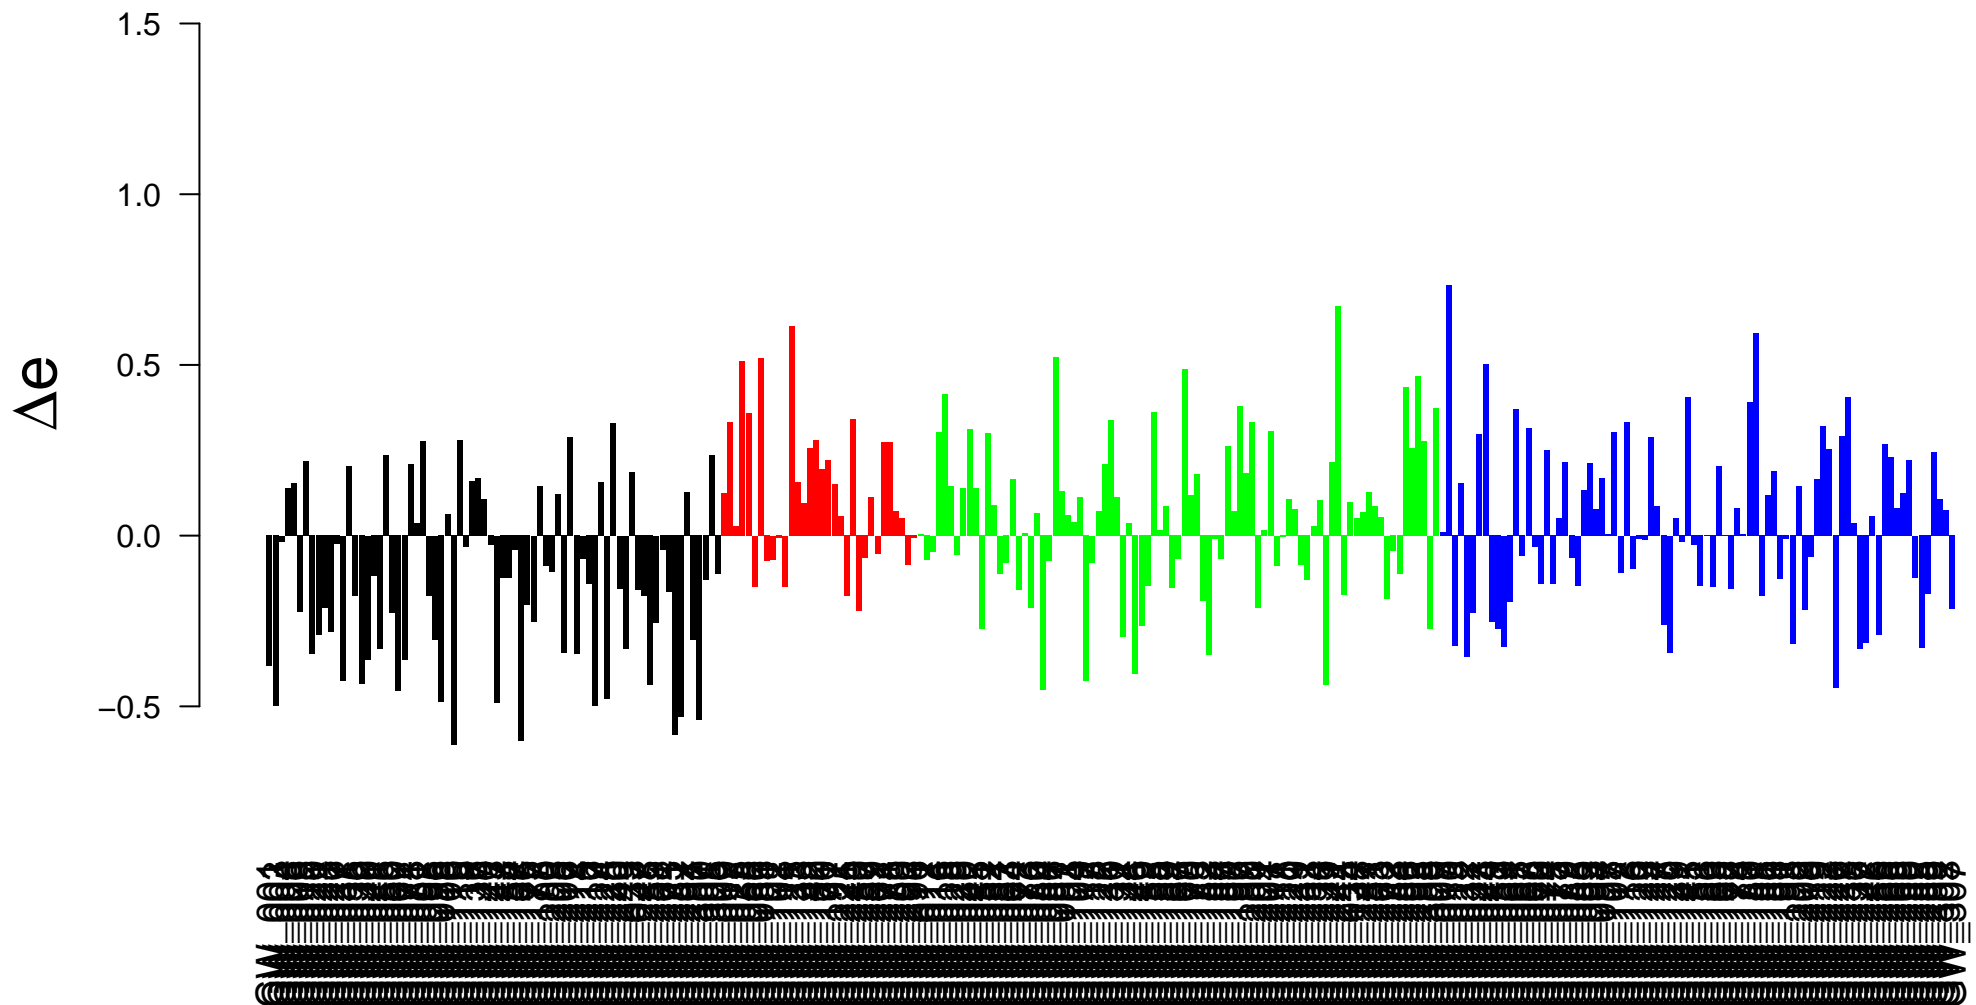

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot K

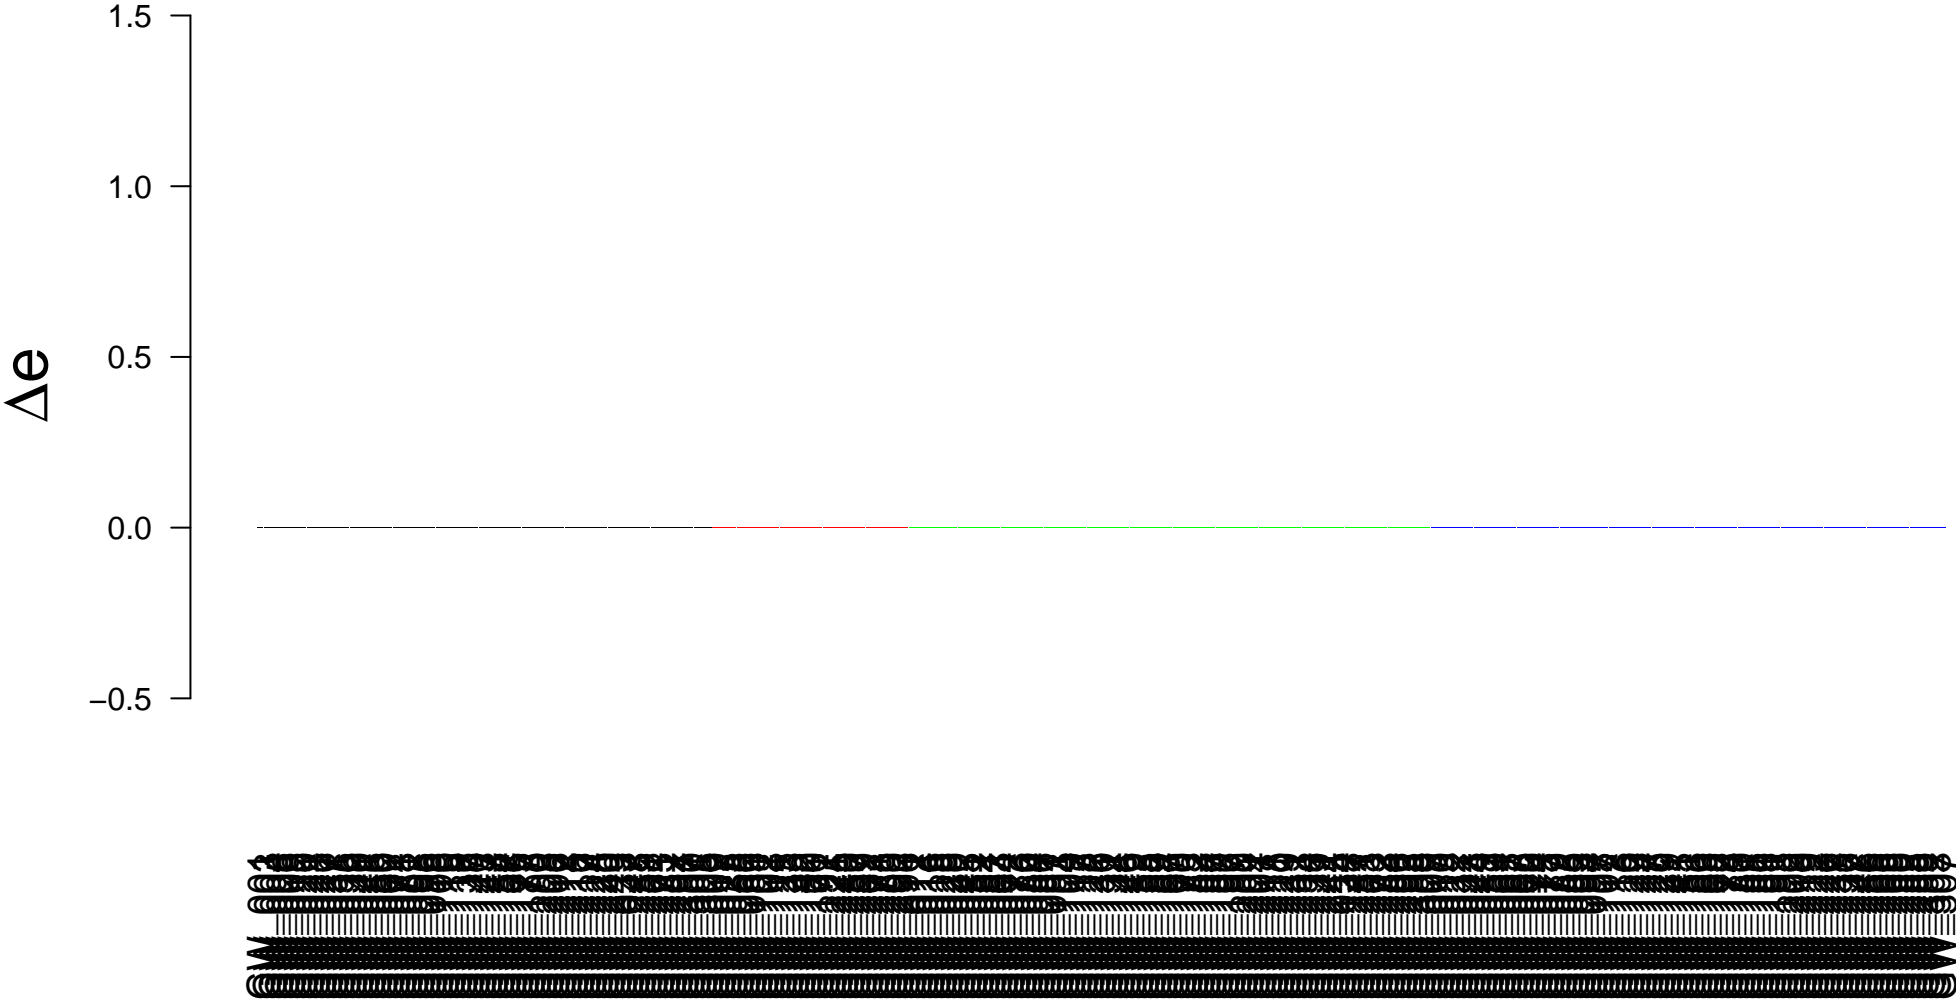

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot L

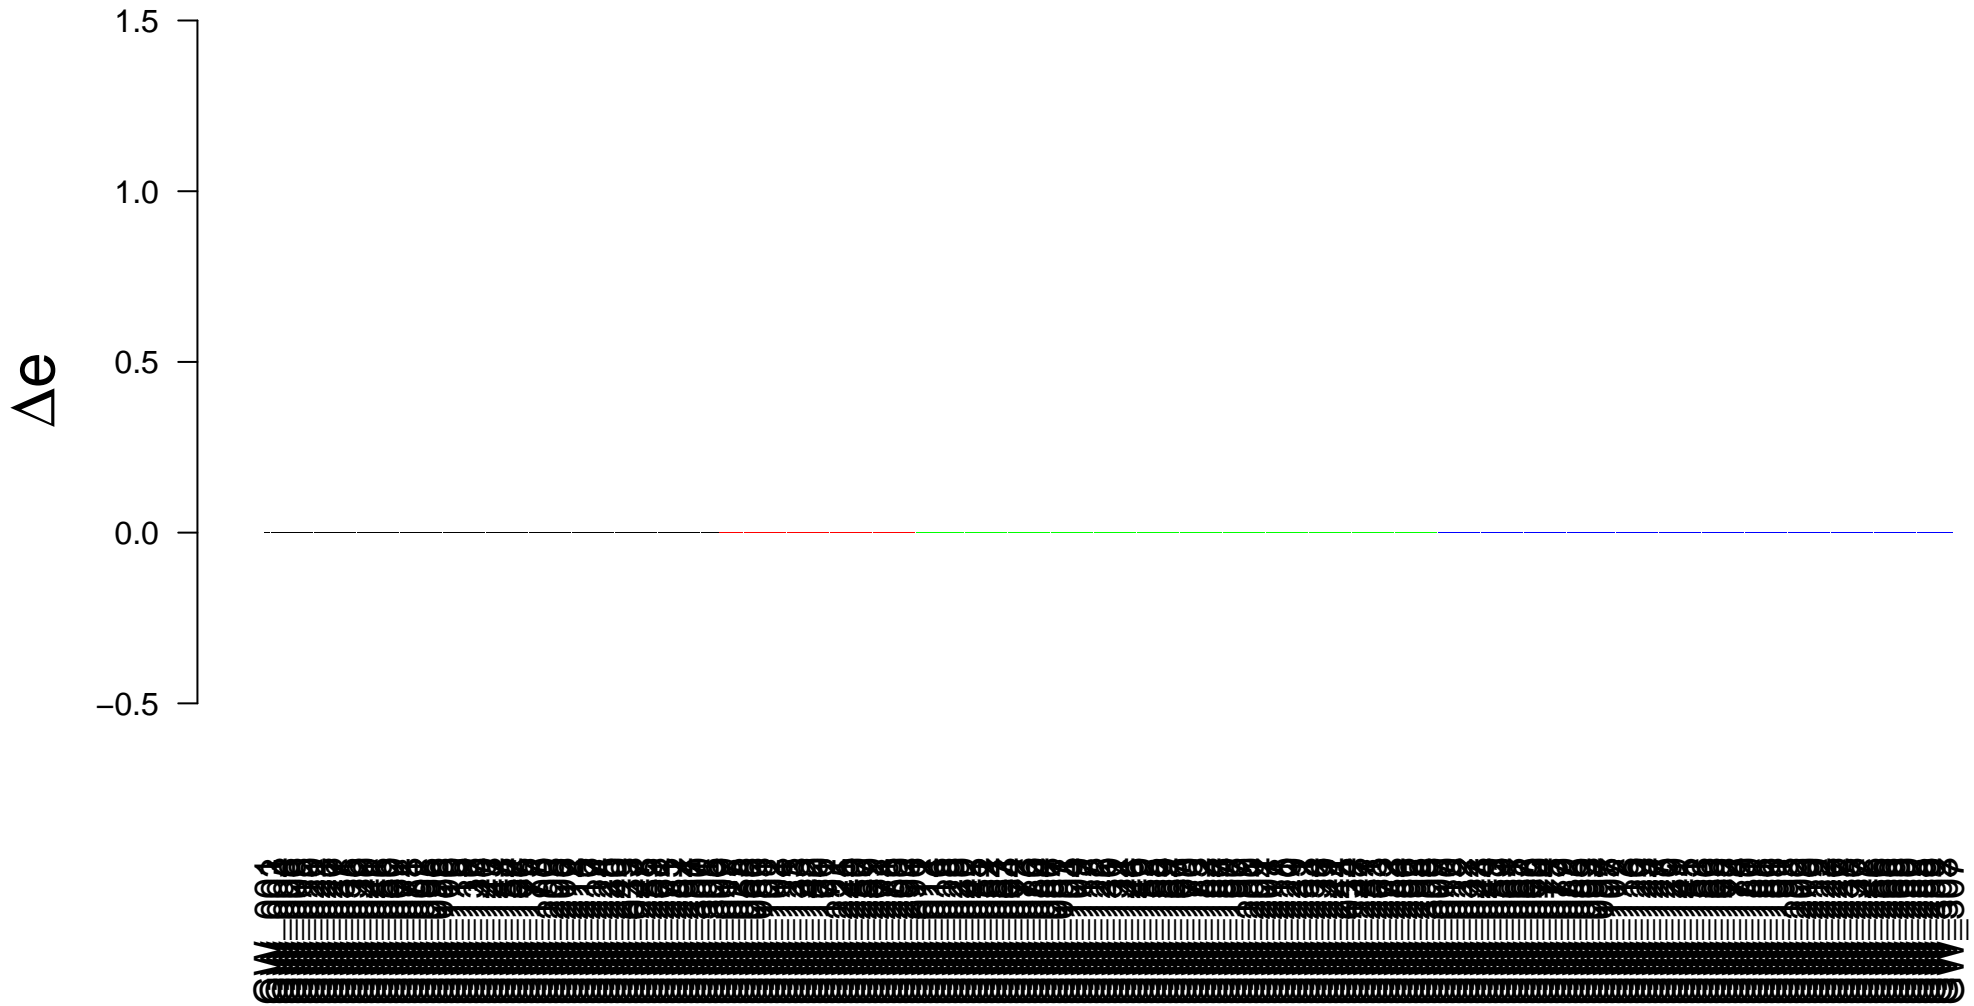

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot M

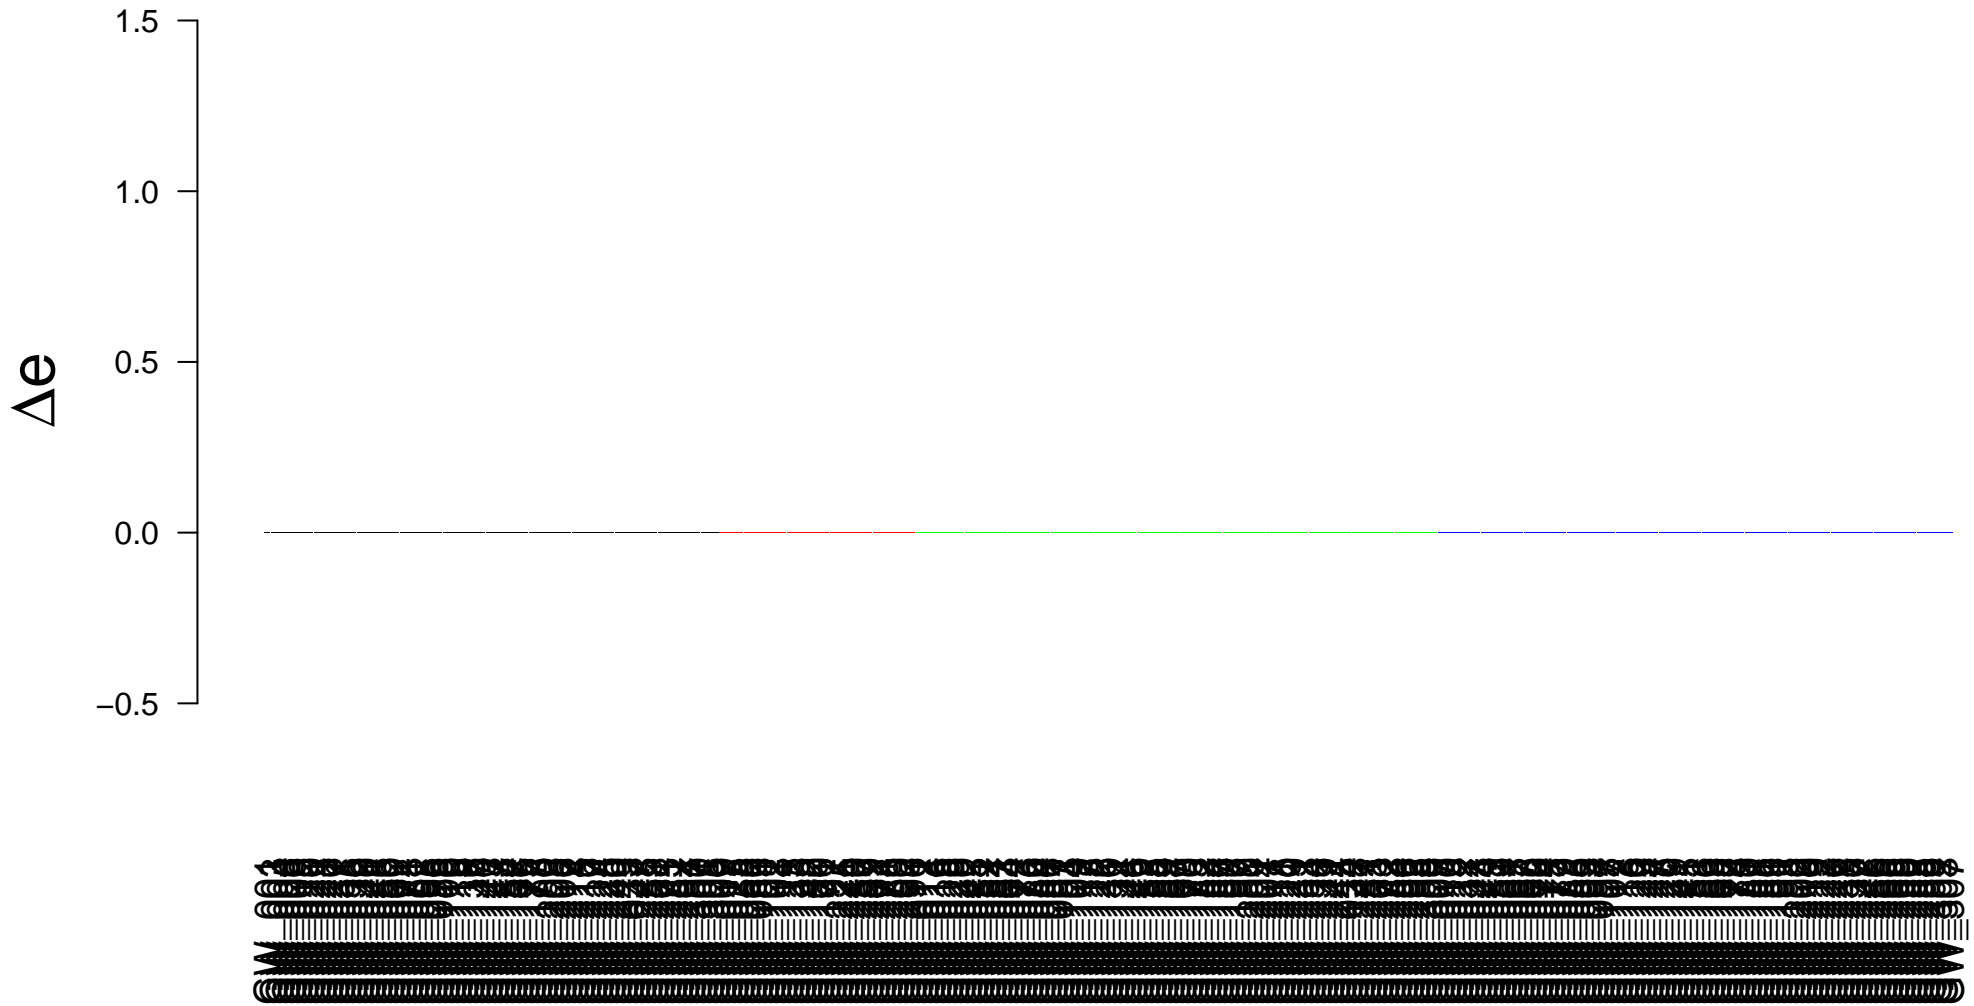

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot N

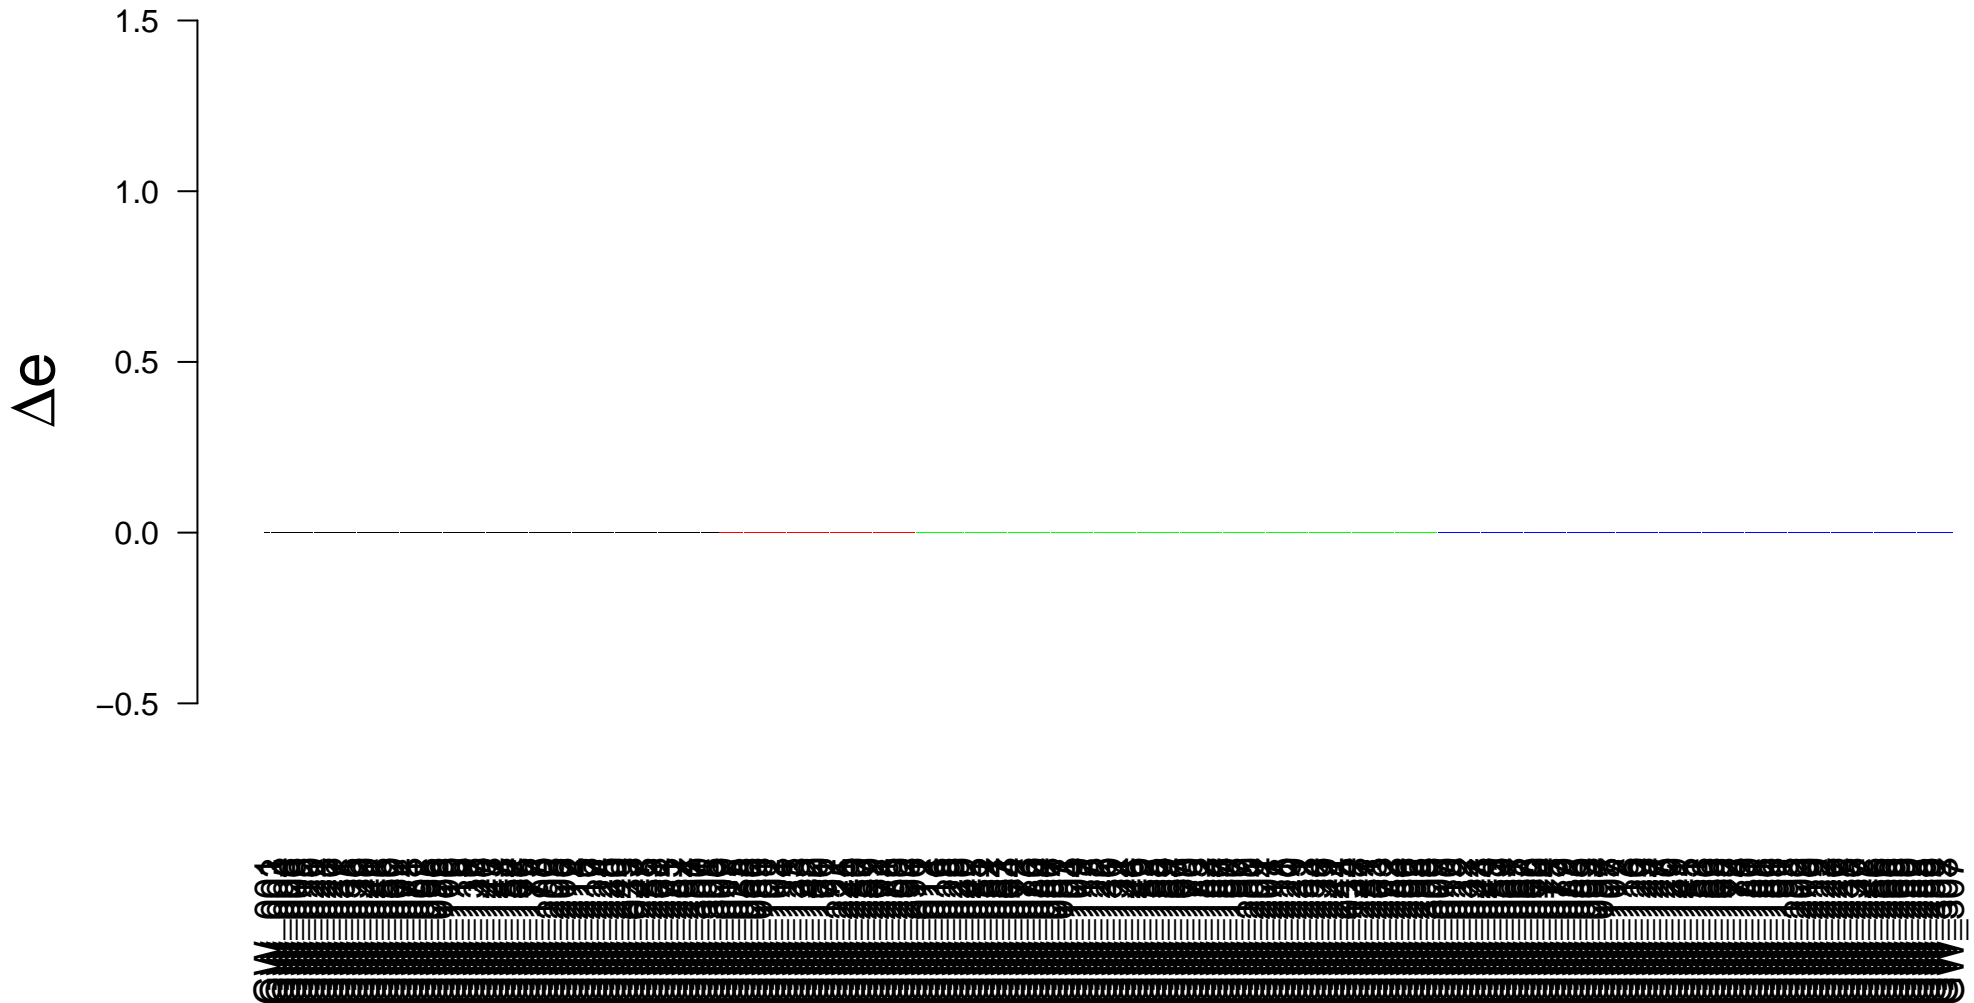

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot O

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot P

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot Q

Expression of dolichol-linked oligosaccharide biosynthetic process in Spot R
