

dopaminergic neuron differentiation

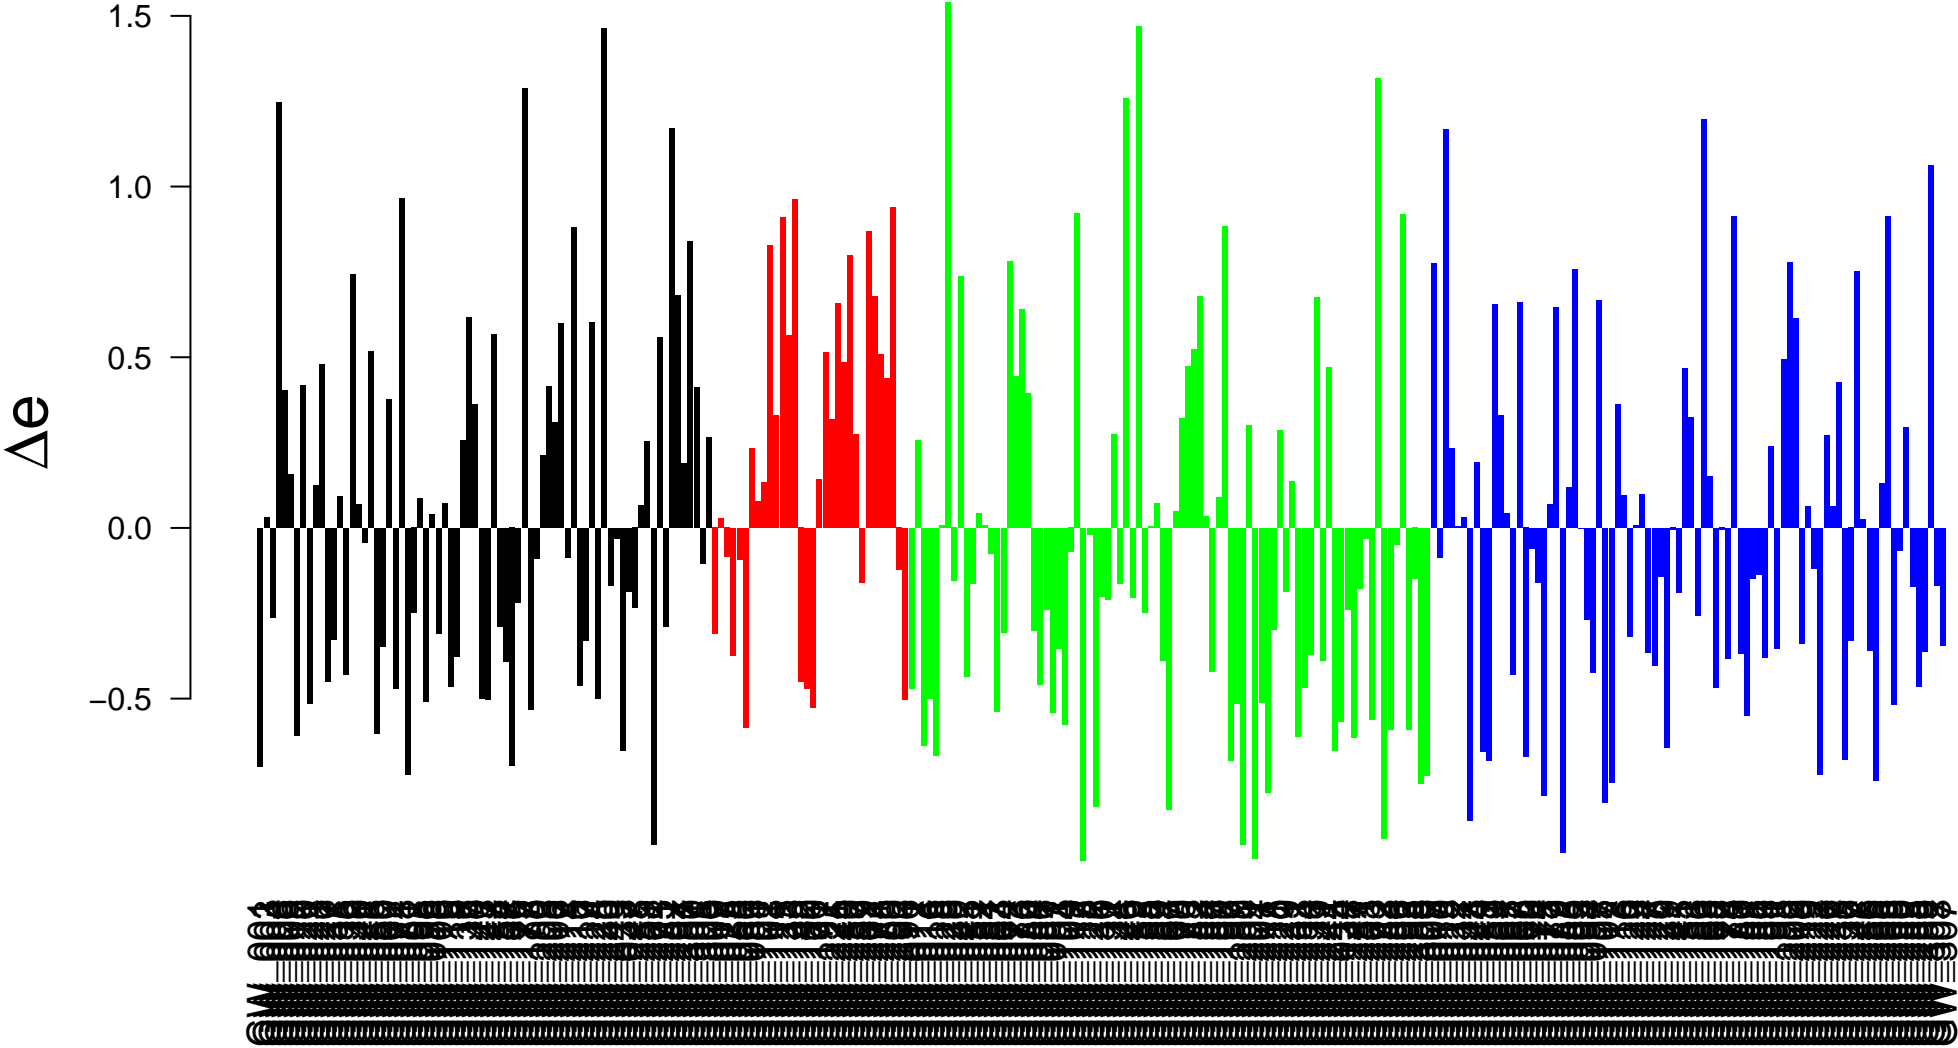

dopaminergic neuron differentiation

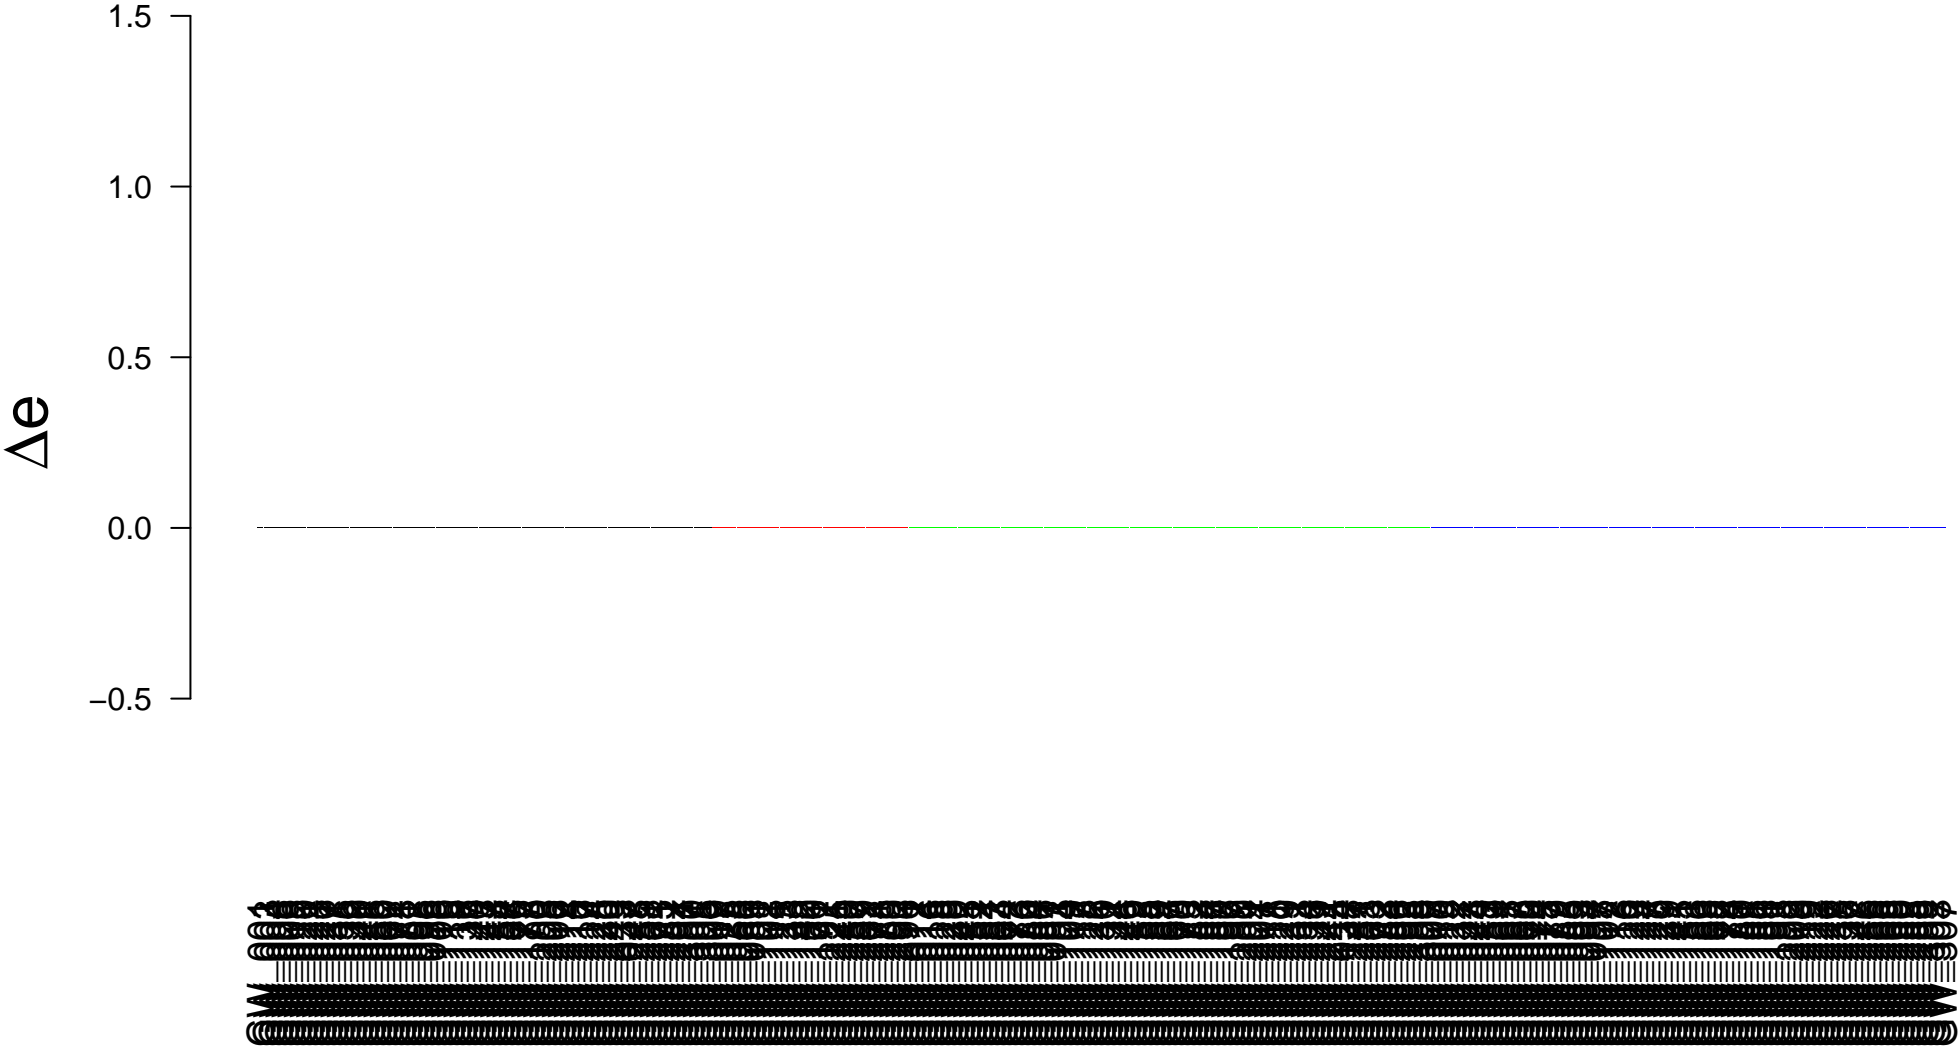

Enrichment in spots: dopaminergic neuron differentiation

Expression of dopaminergic neuron differentiation in Spot A

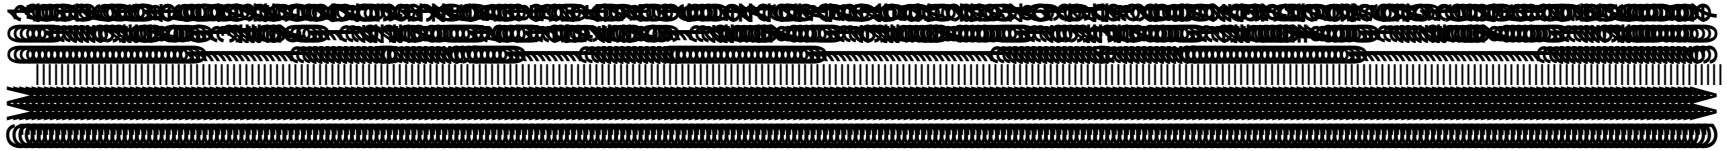

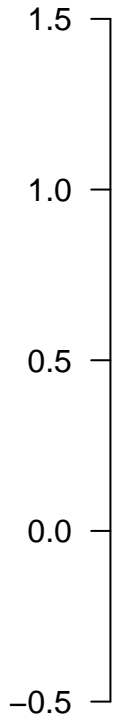

Expression of dopaminergic neuron differentiation in Spot B

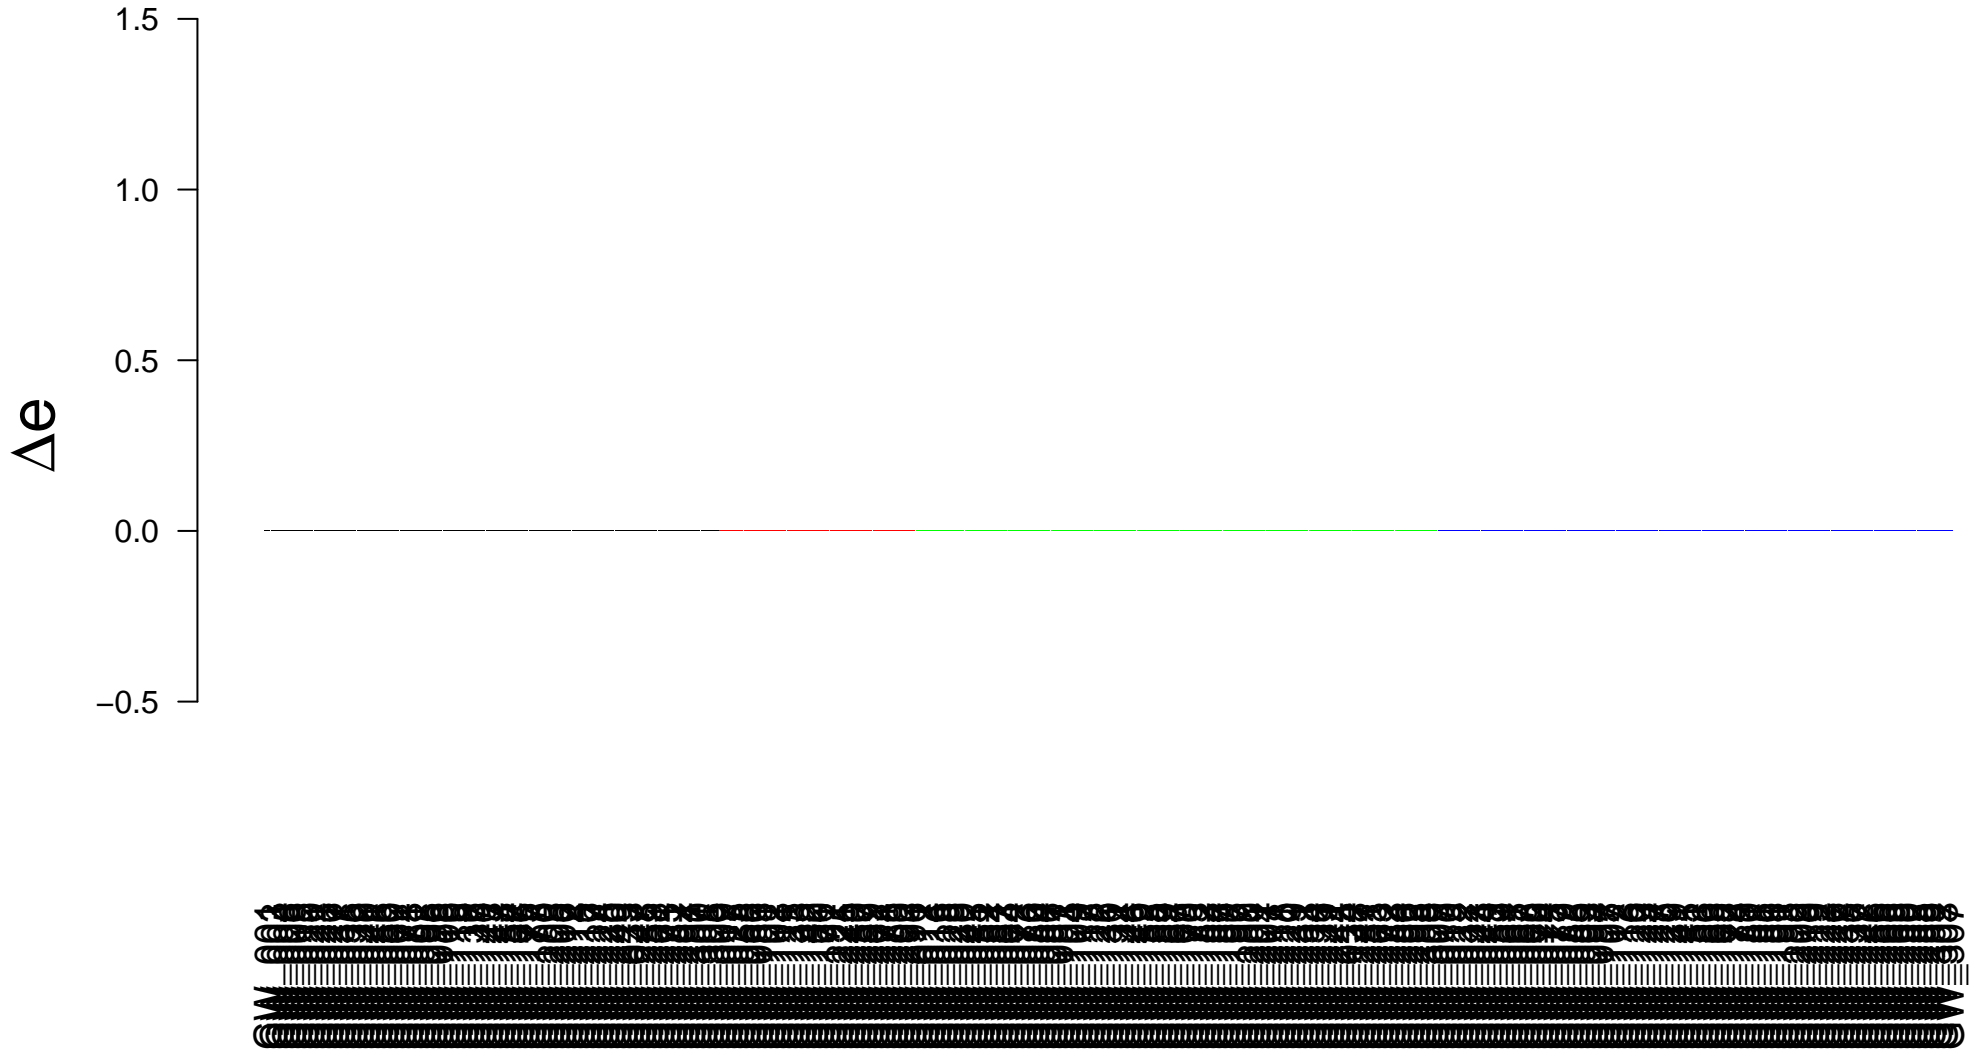

Expression of dopaminergic neuron differentiation in Spot C

Δe

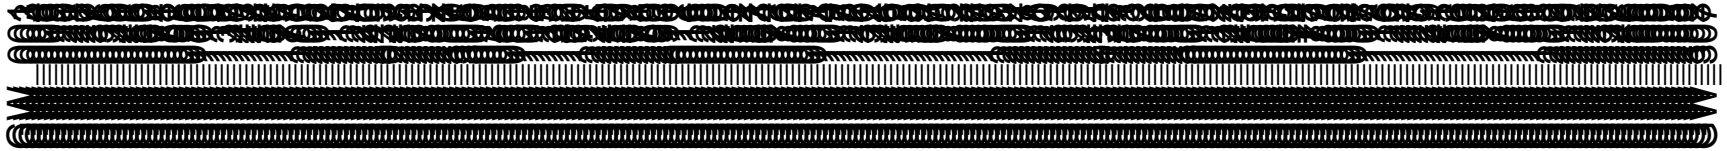

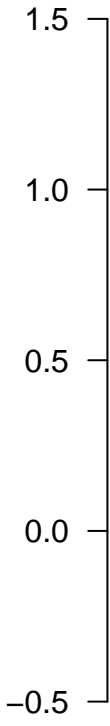

Expression of dopaminergic neuron differentiation in Spot D

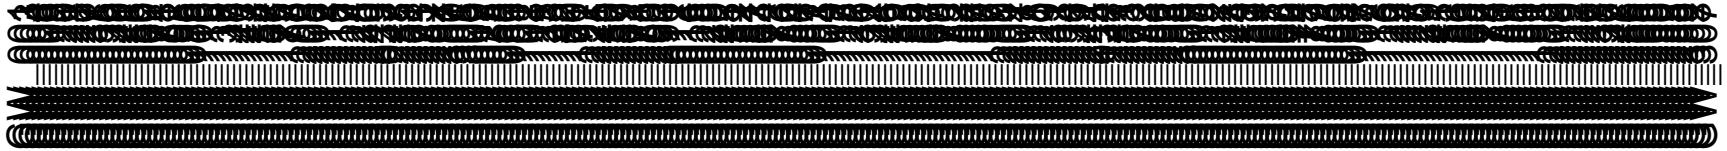

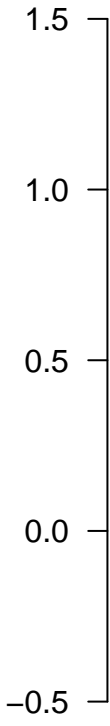

Expression of dopaminergic neuron differentiation in Spot E

Δe

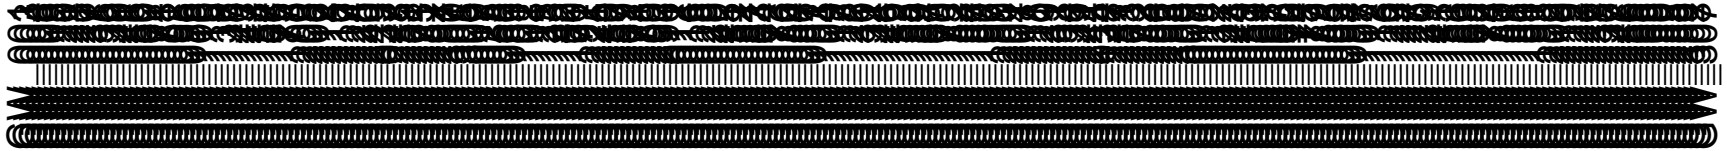

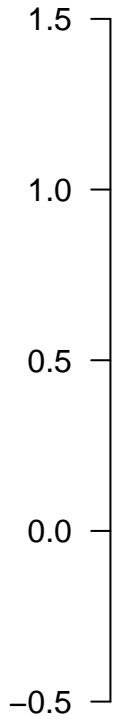

Expression of dopaminergic neuron differentiation in Spot F

Δe

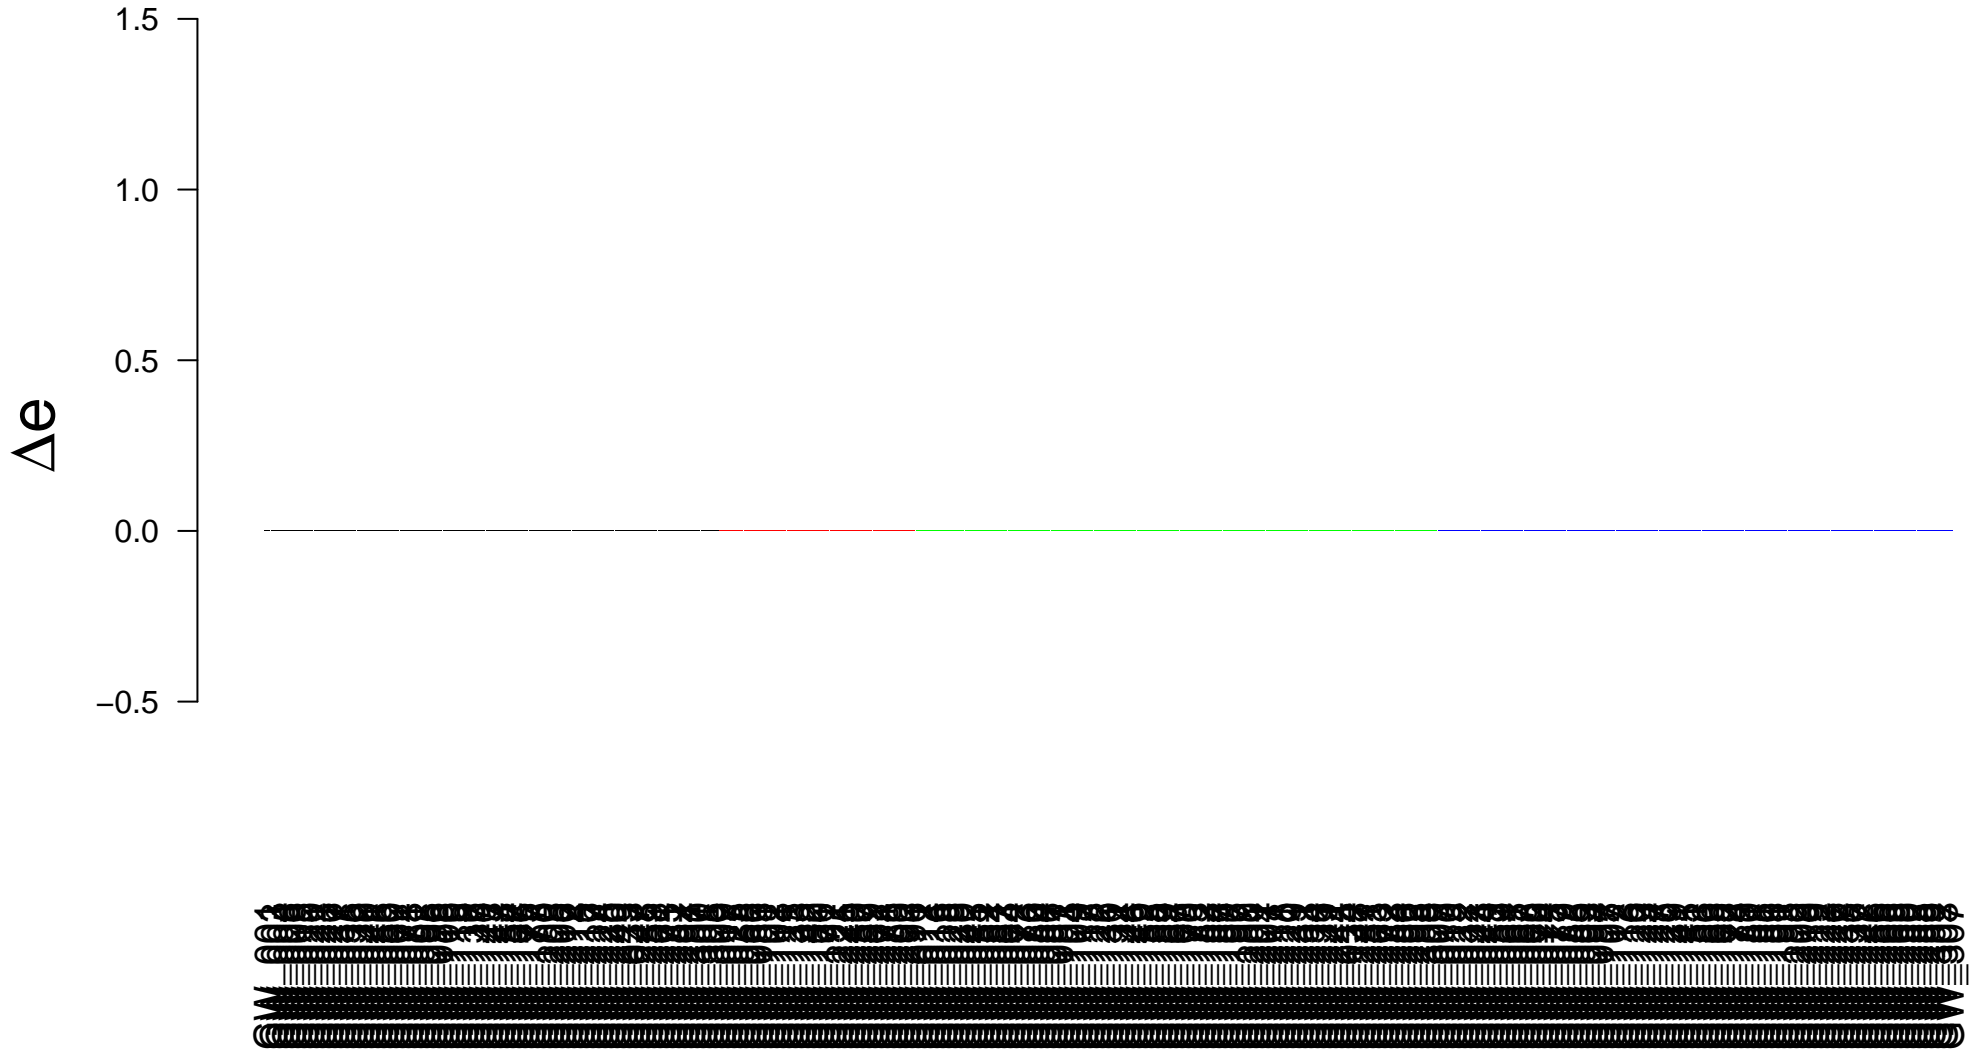

Expression of dopaminergic neuron differentiation in Spot G

Δe

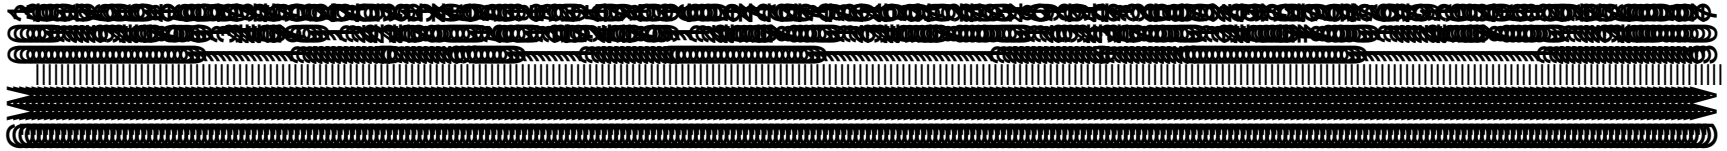

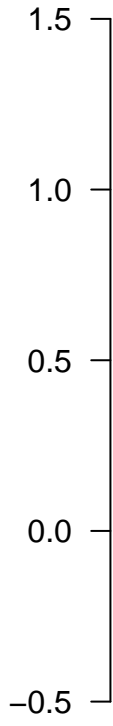

Expression of dopaminergic neuron differentiation in Spot H

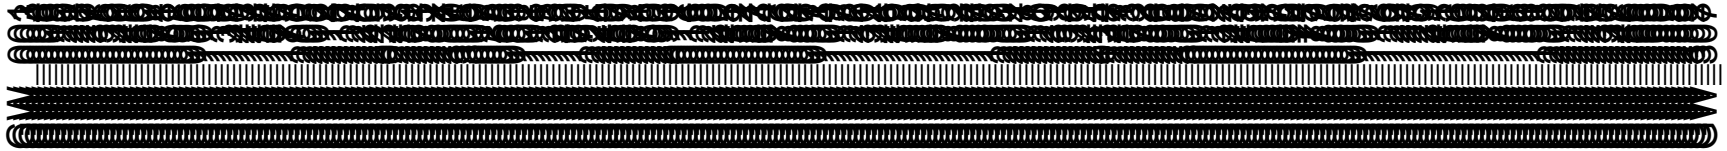

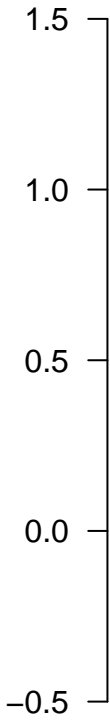

Expression of dopaminergic neuron differentiation in Spot I

Δe

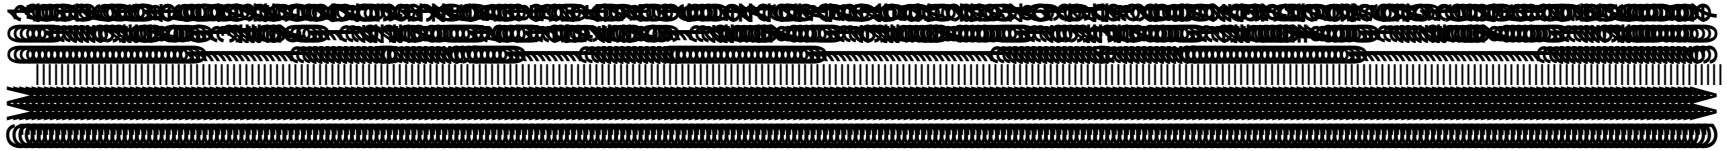

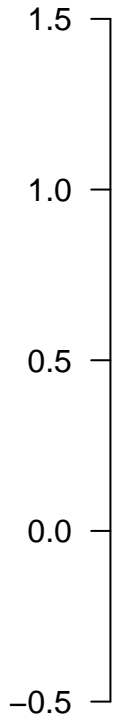

Expression of dopaminergic neuron differentiation in Spot J

Δe

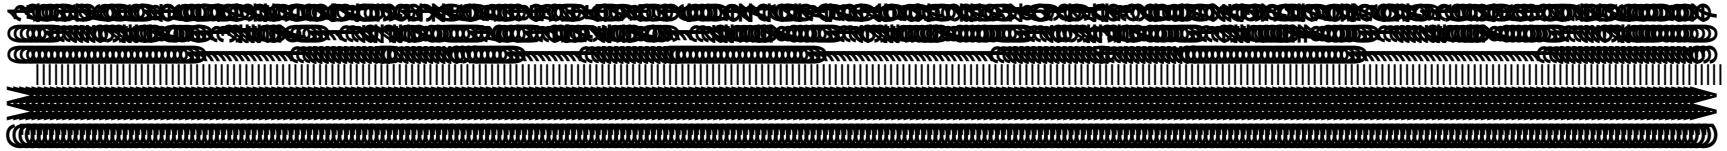

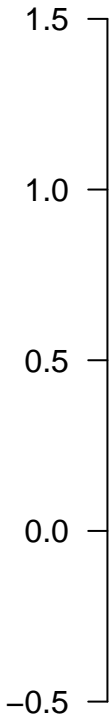

Expression of dopaminergic neuron differentiation in Spot K

Δe

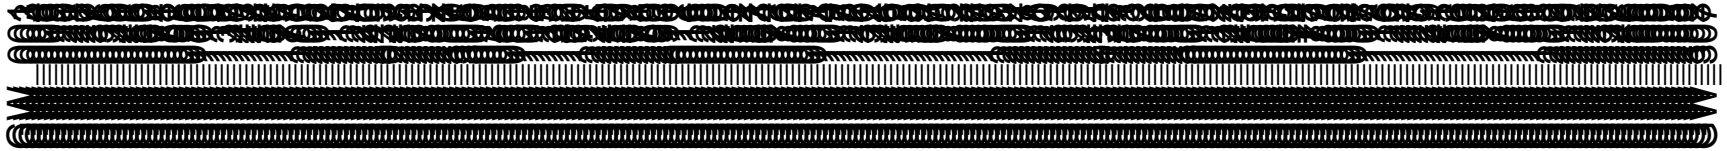

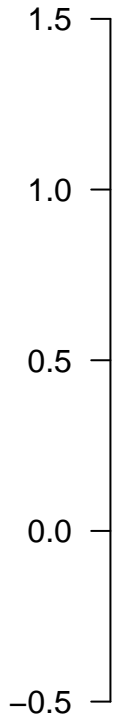

Expression of dopaminergic neuron differentiation in Spot L

Δe

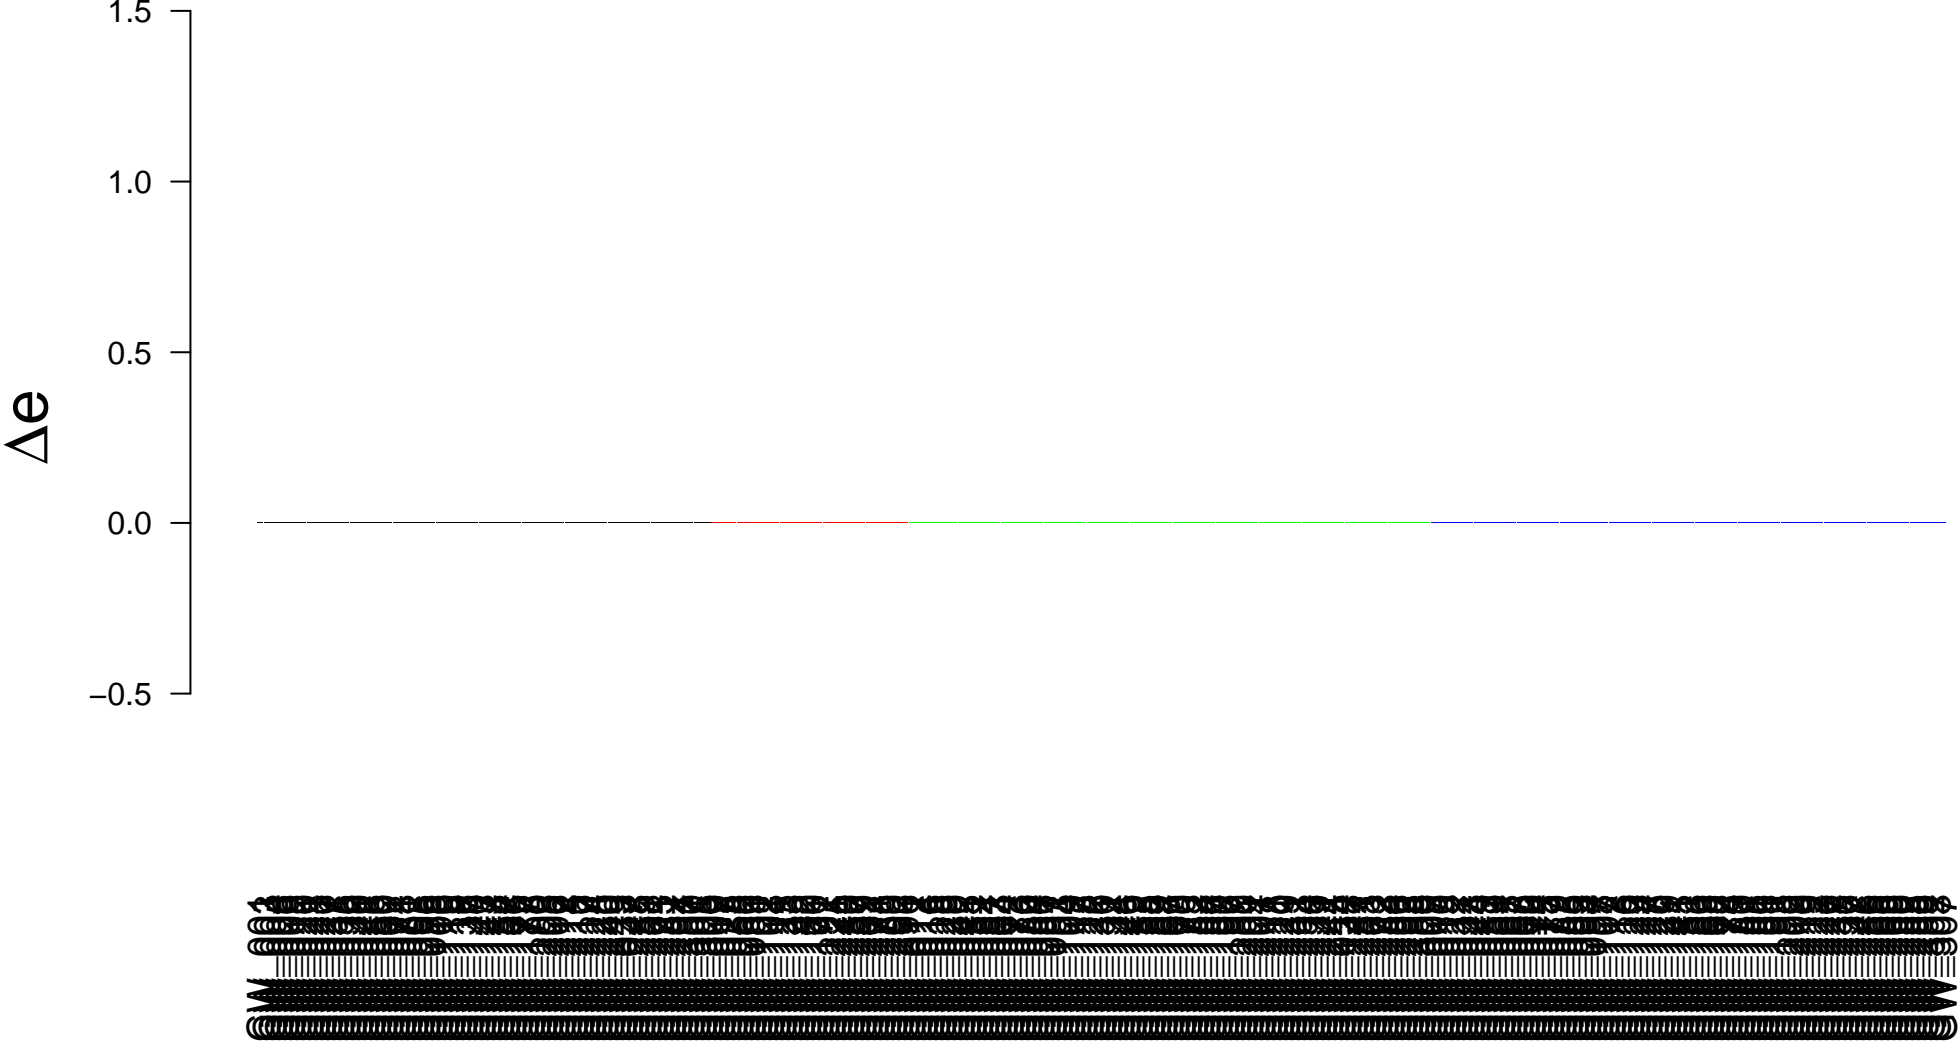

Expression of dopaminergic neuron differentiation in Spot M

Δe

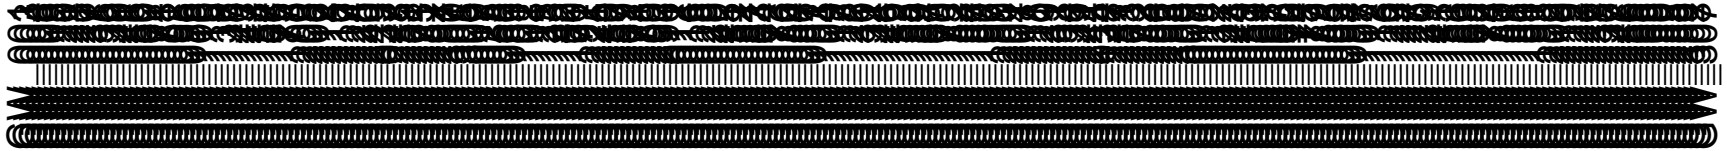

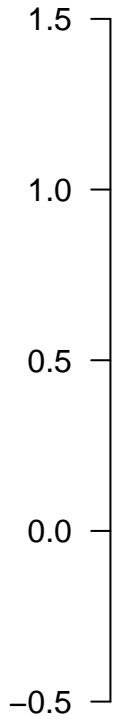

Expression of dopaminergic neuron differentiation in Spot N

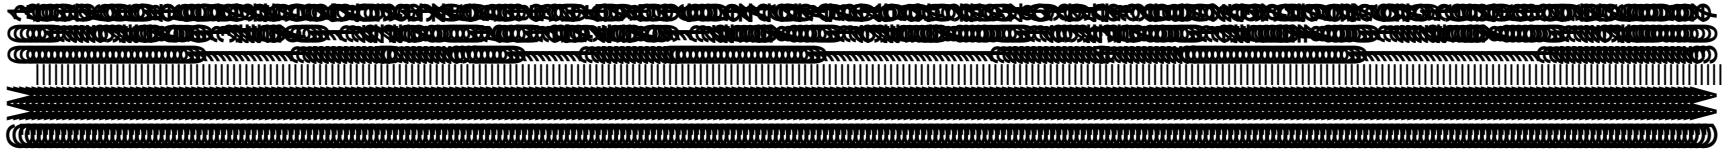

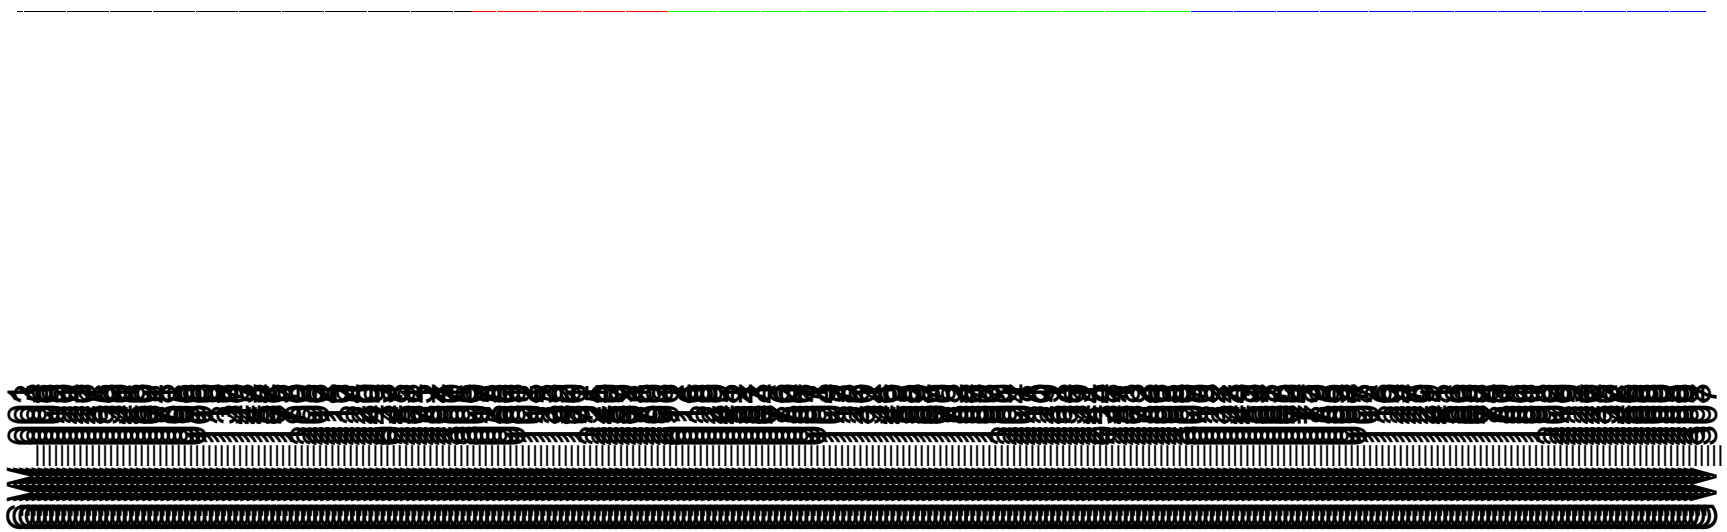

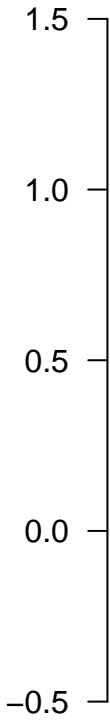

Expression of dopaminergic neuron differentiation in Spot O

Δe

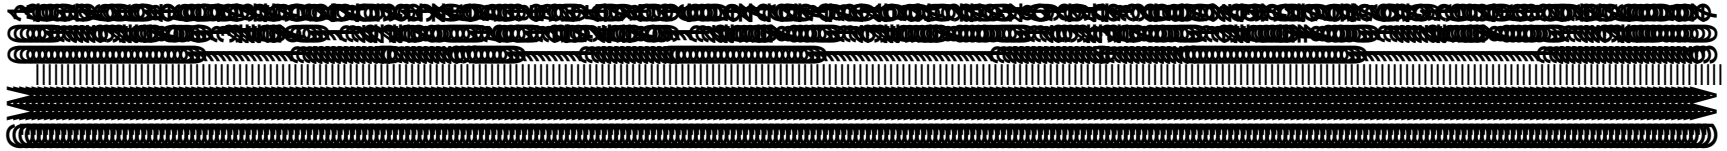

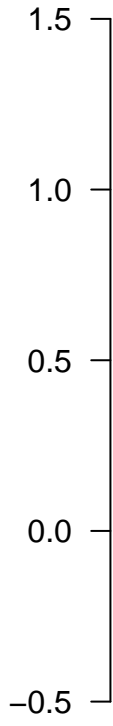

Expression of dopaminergic neuron differentiation in Spot P

Δe

Expression of dopaminergic neuron differentiation in Spot Q

Δe

Expression of dopaminergic neuron differentiation in Spot R
