drug transmembrane transport

Enrichment in spots: drug transmembrane transport

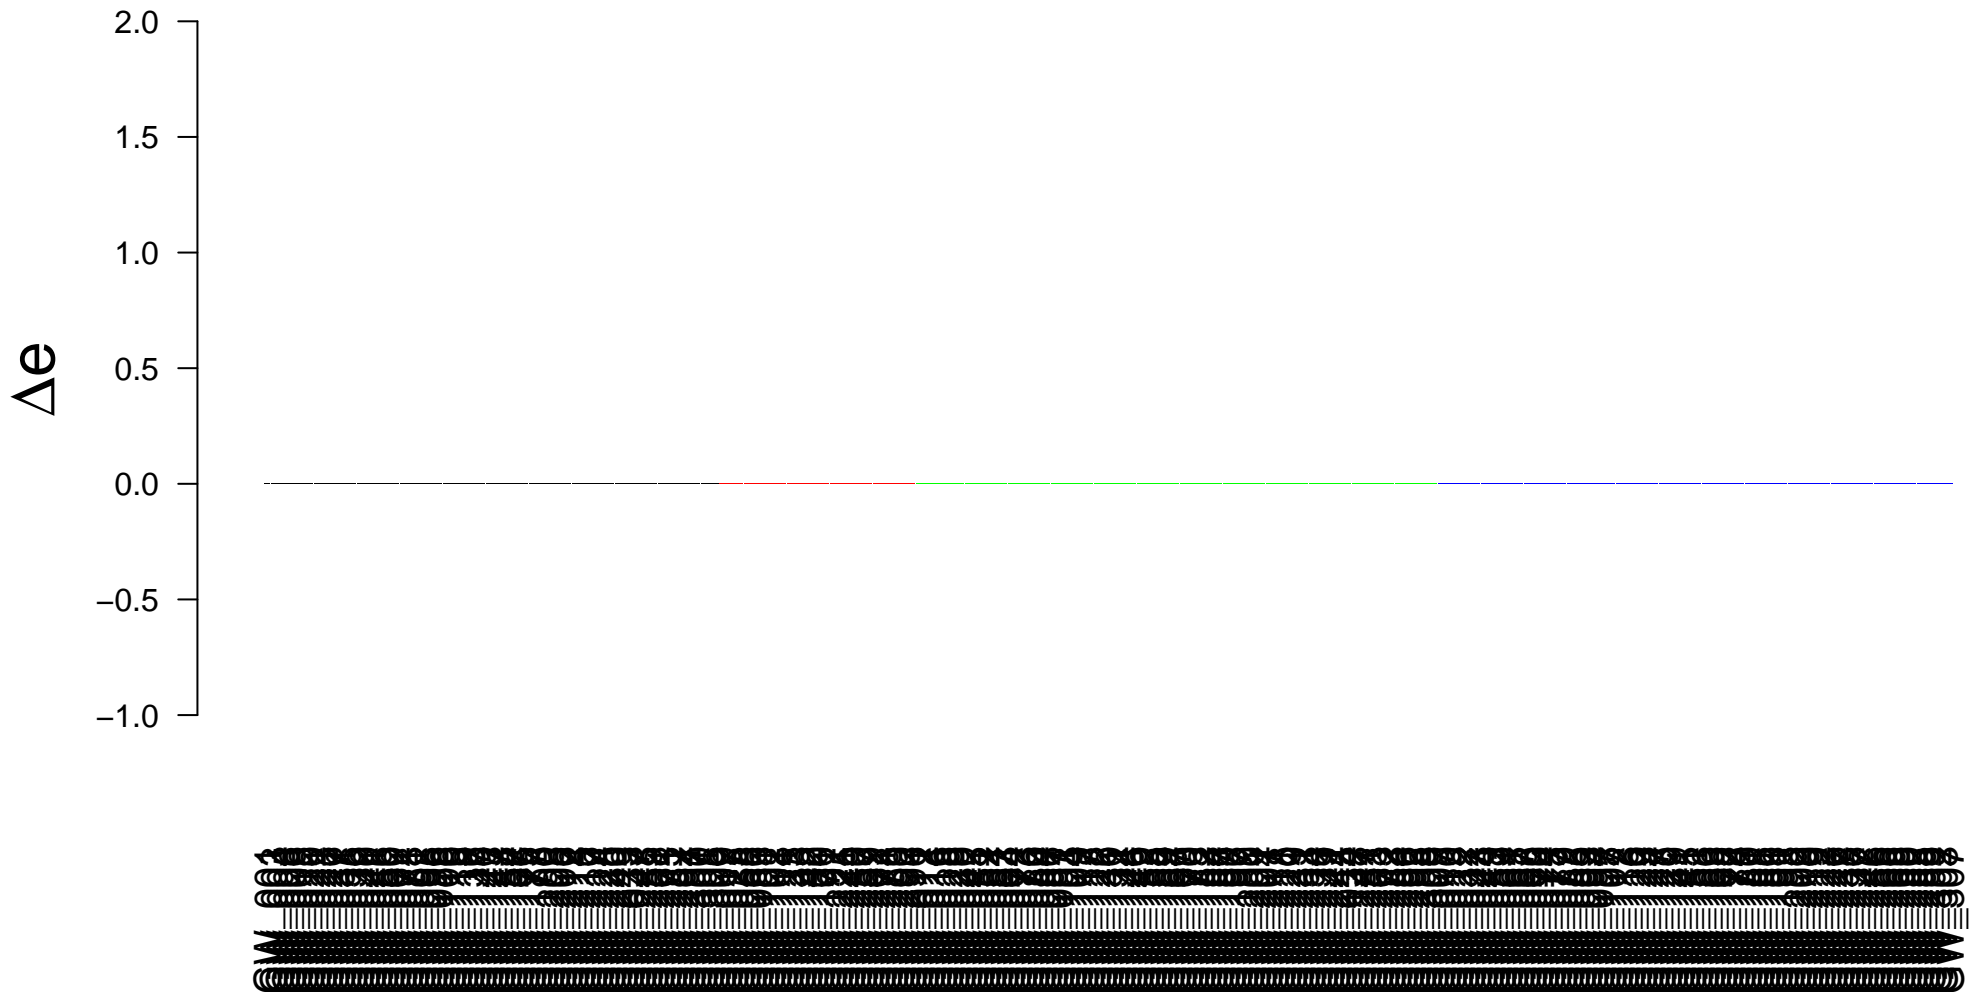

Expression of drug transmembrane transport in Spot A

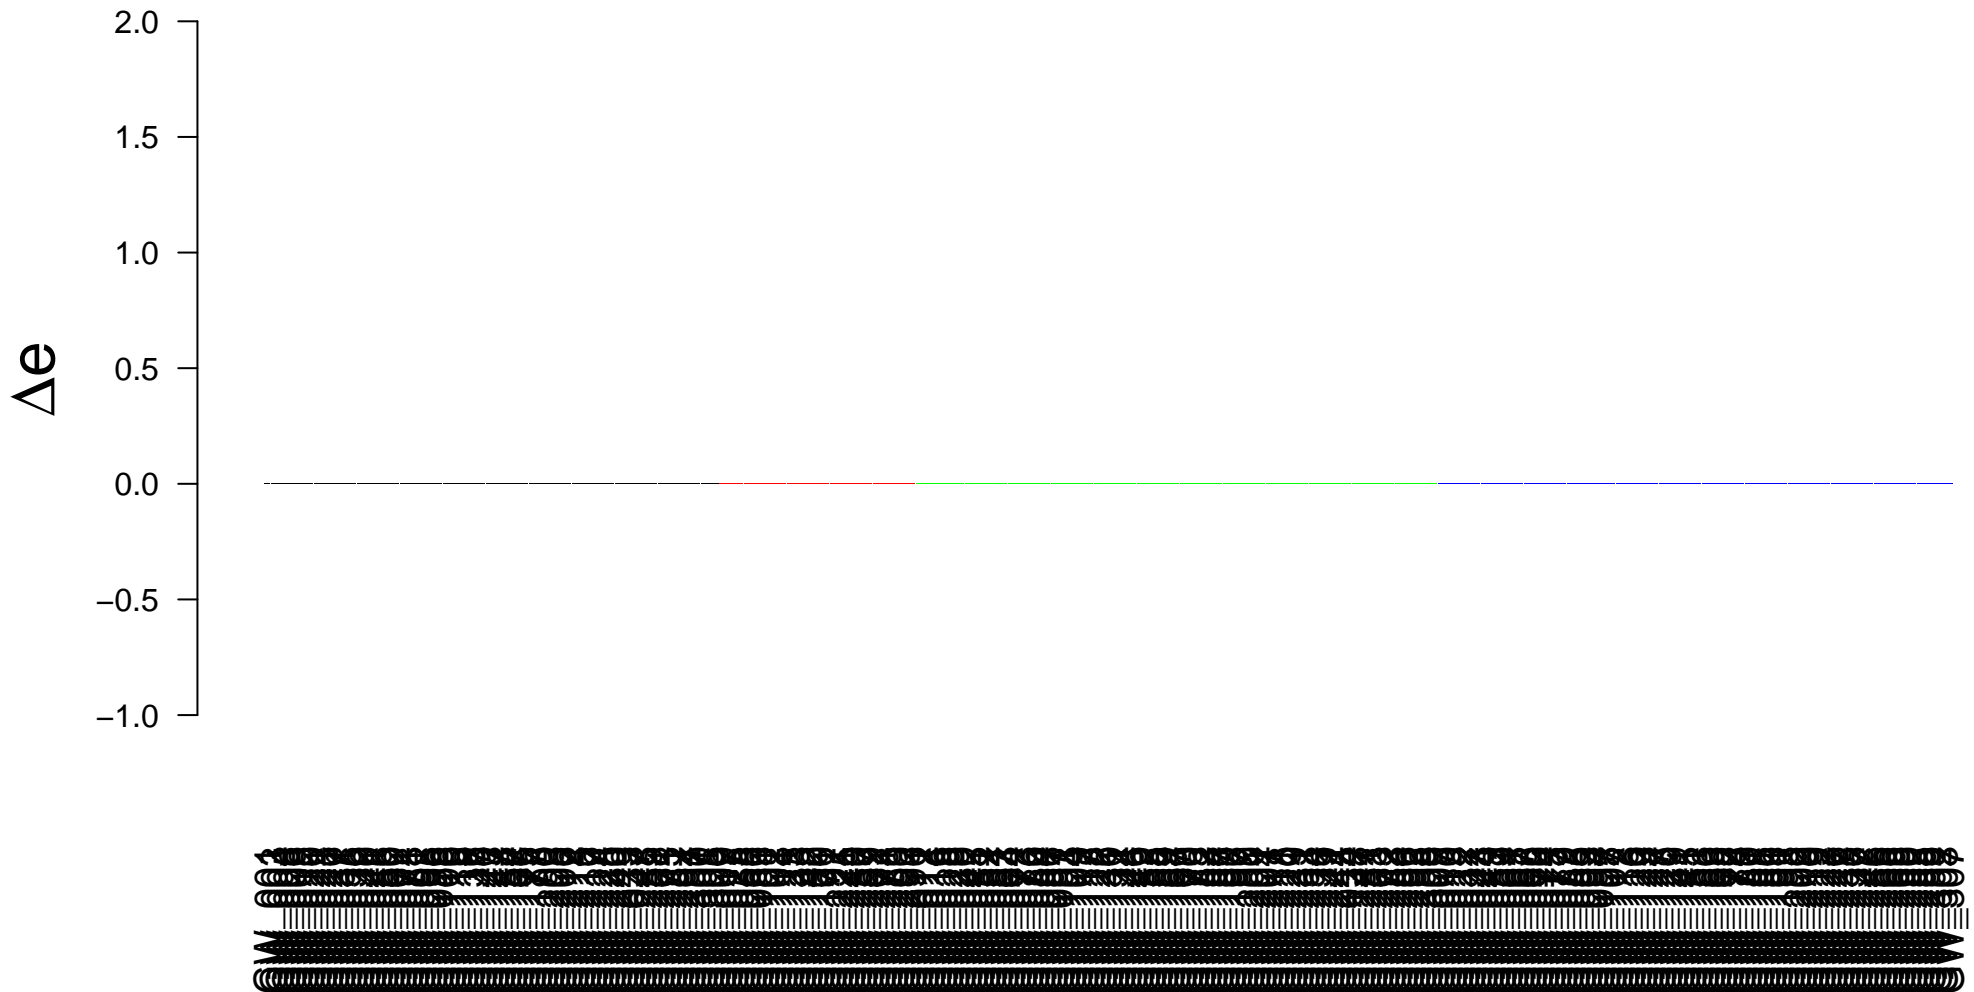

Expression of drug transmembrane transport in Spot B

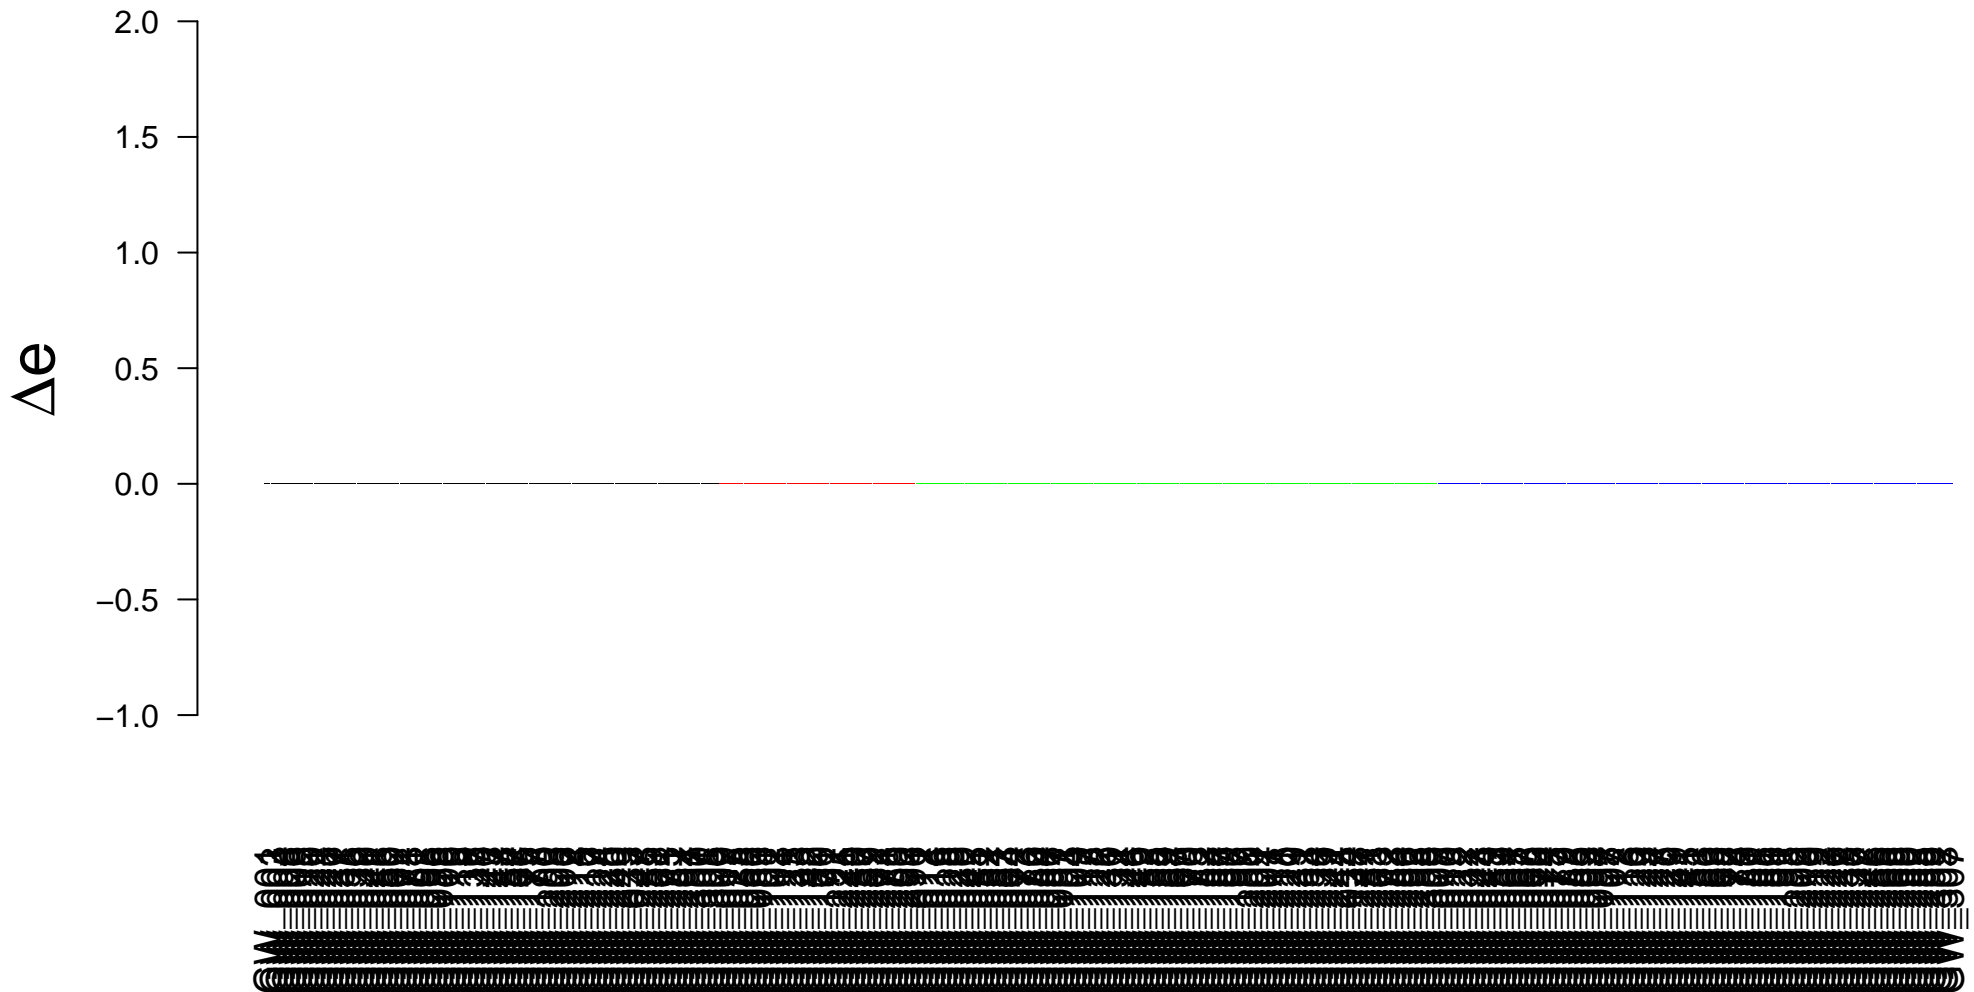

Expression of drug transmembrane transport in Spot C

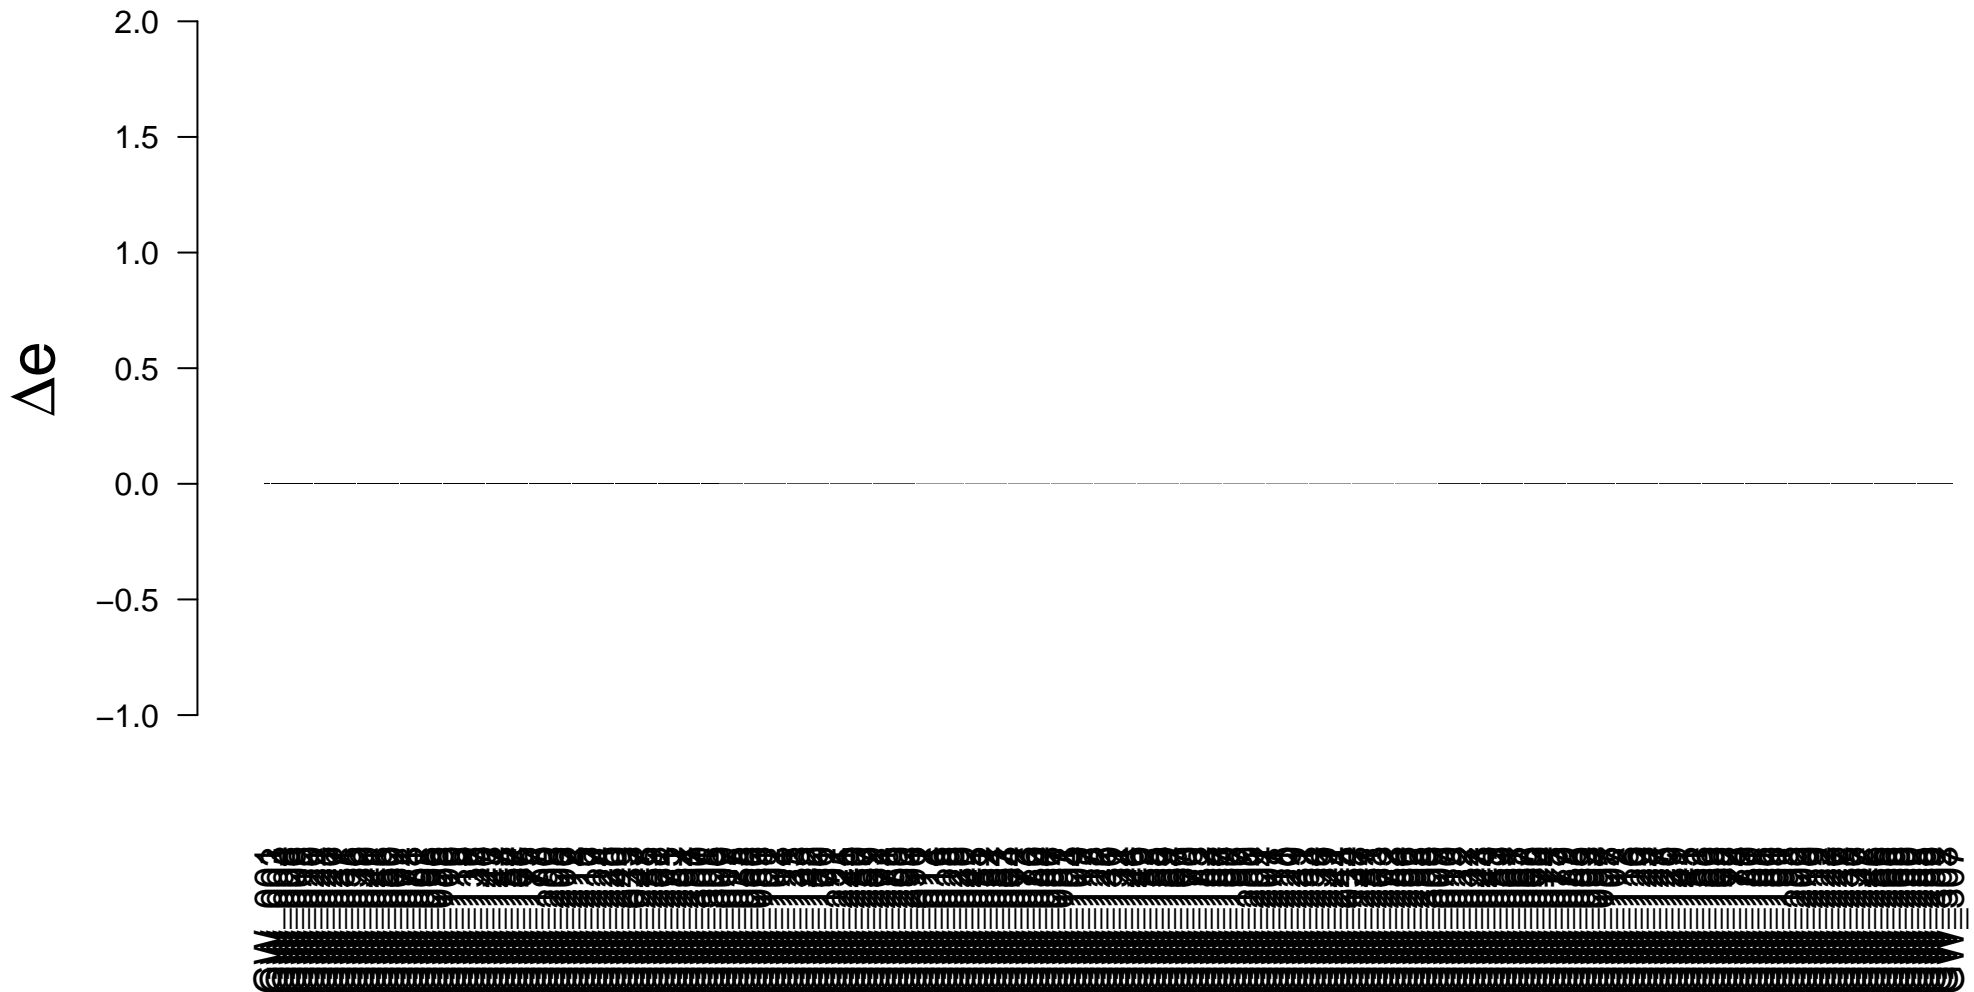

Expression of drug transmembrane transport in Spot D

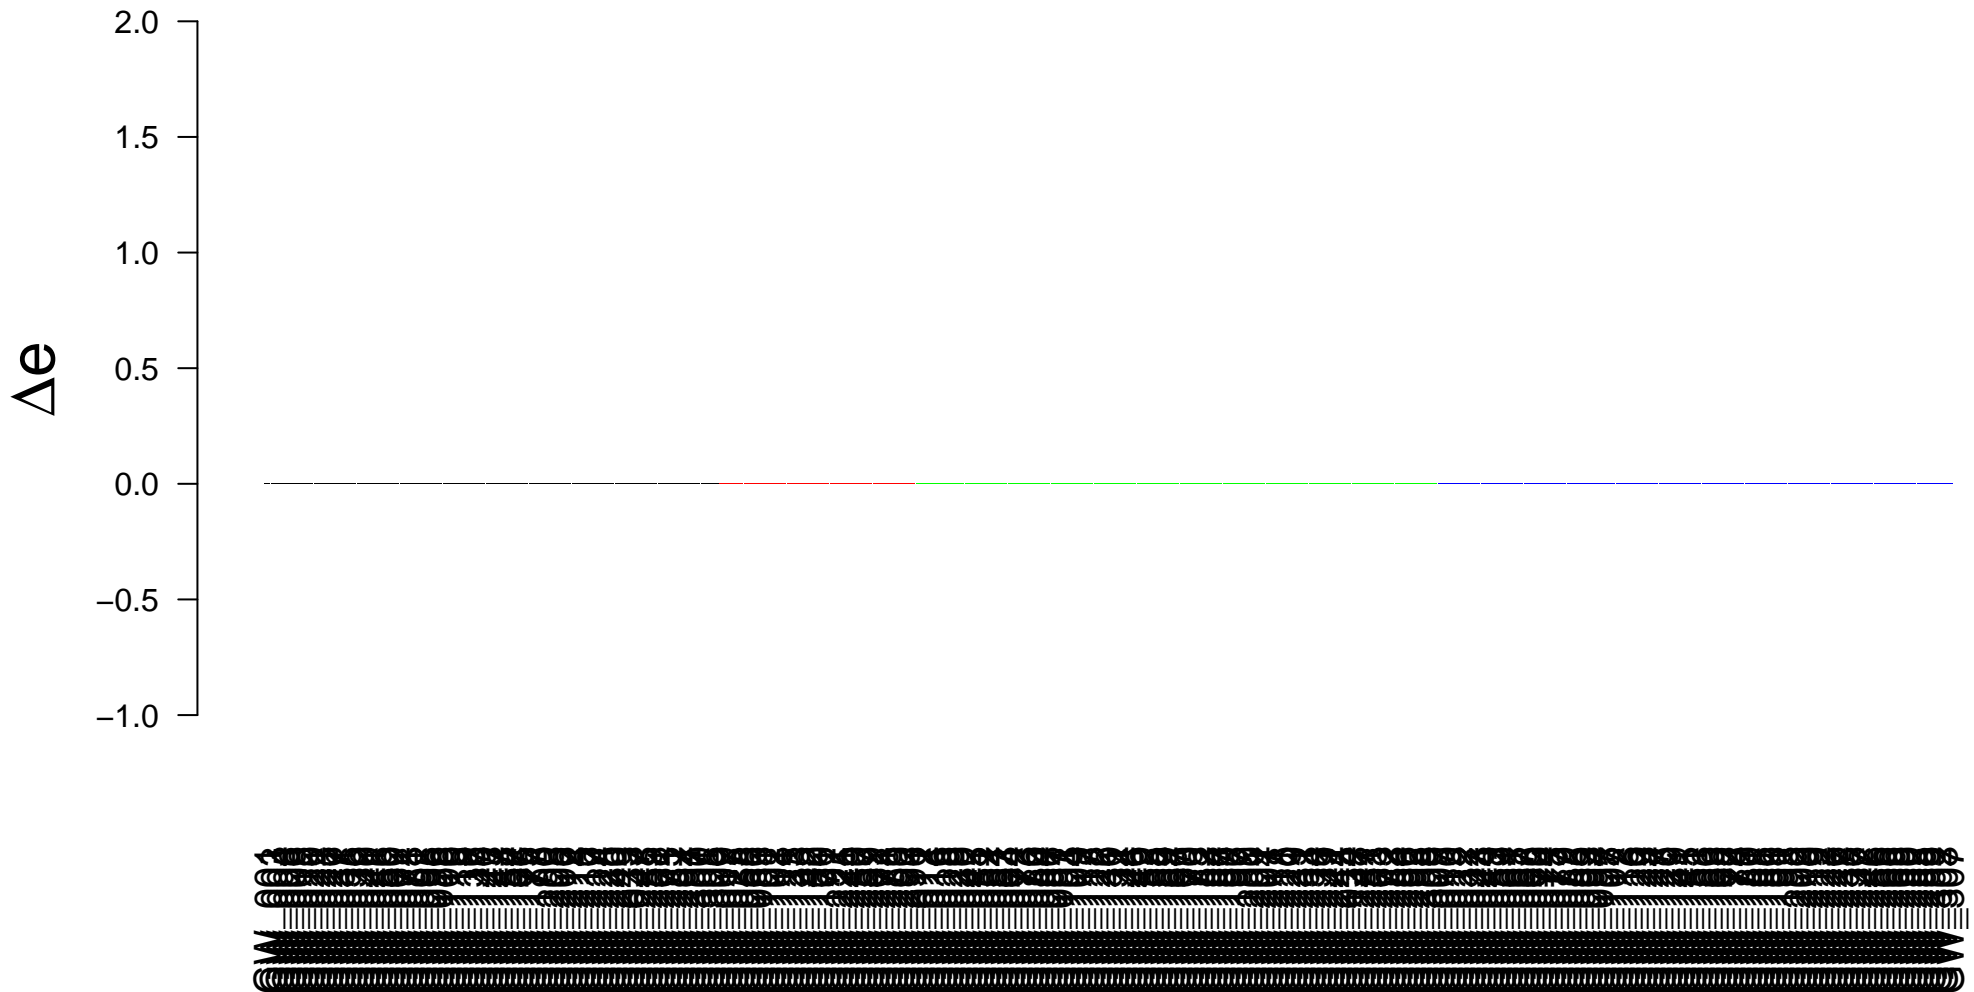

Expression of drug transmembrane transport in Spot E

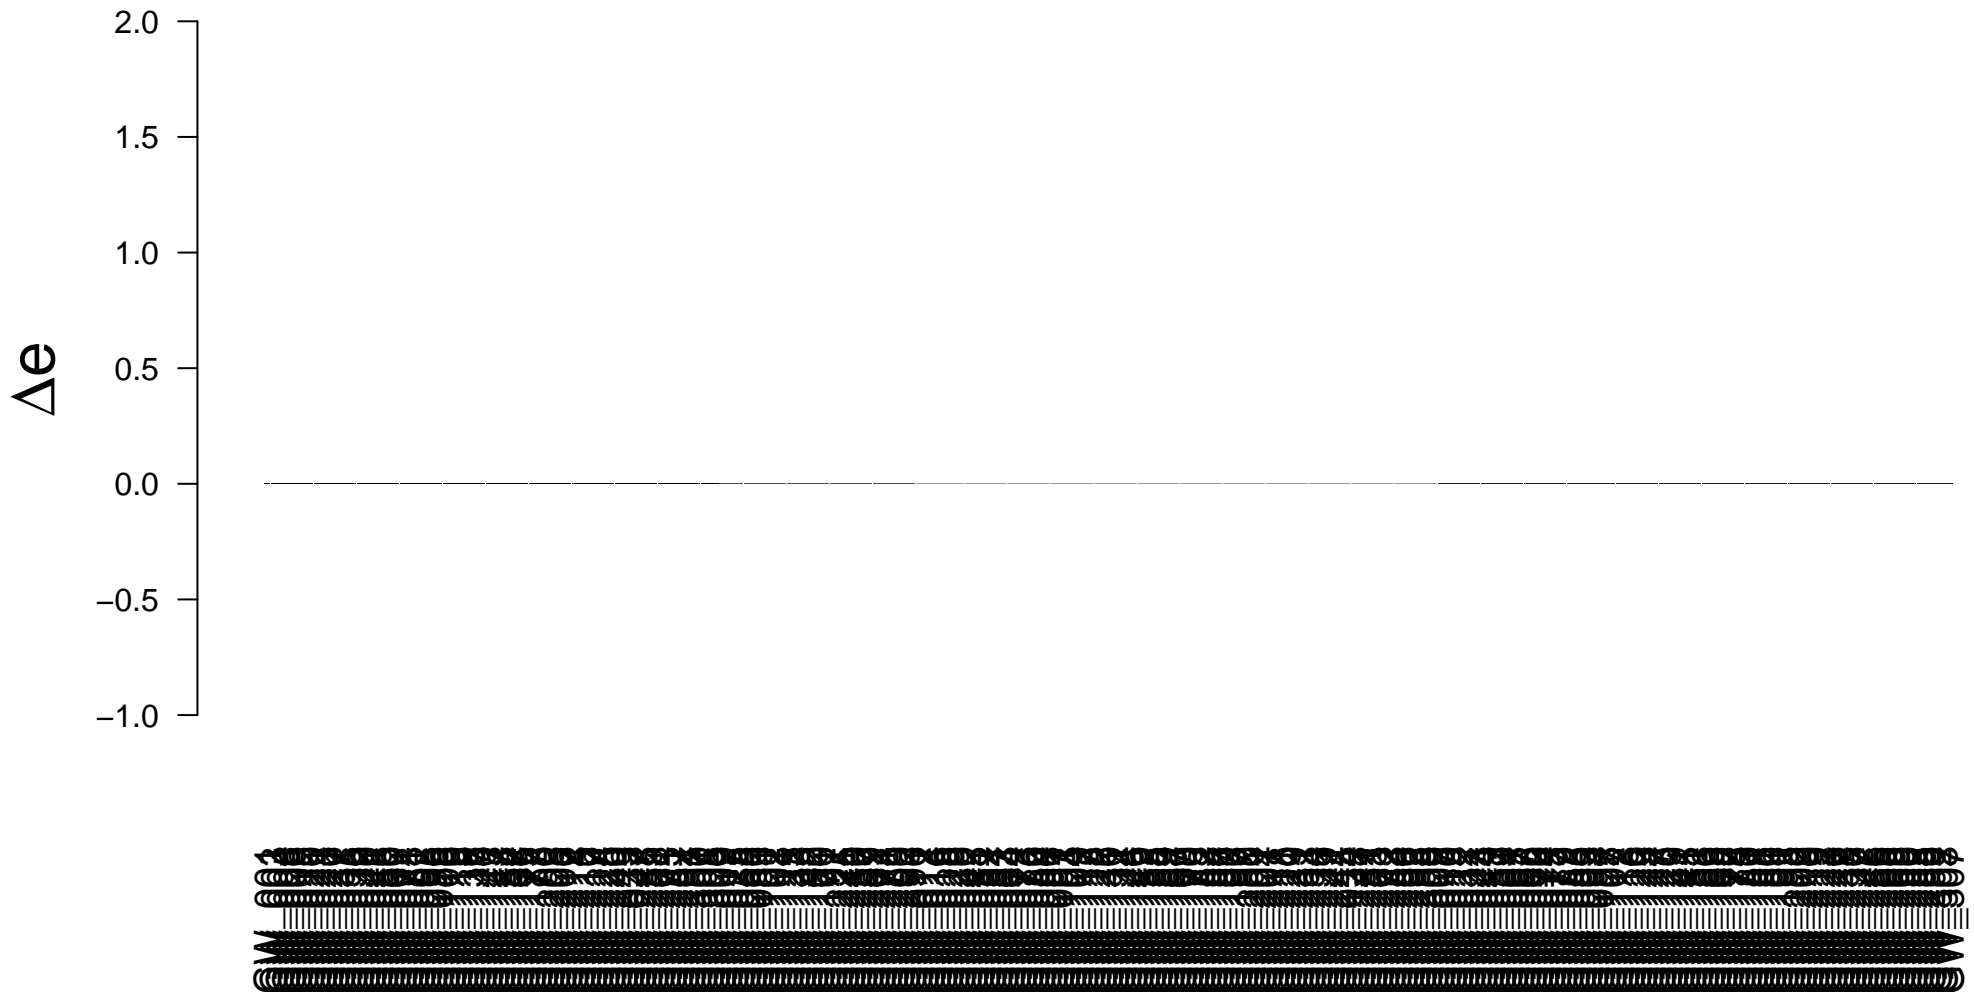

Expression of drug transmembrane transport in Spot F

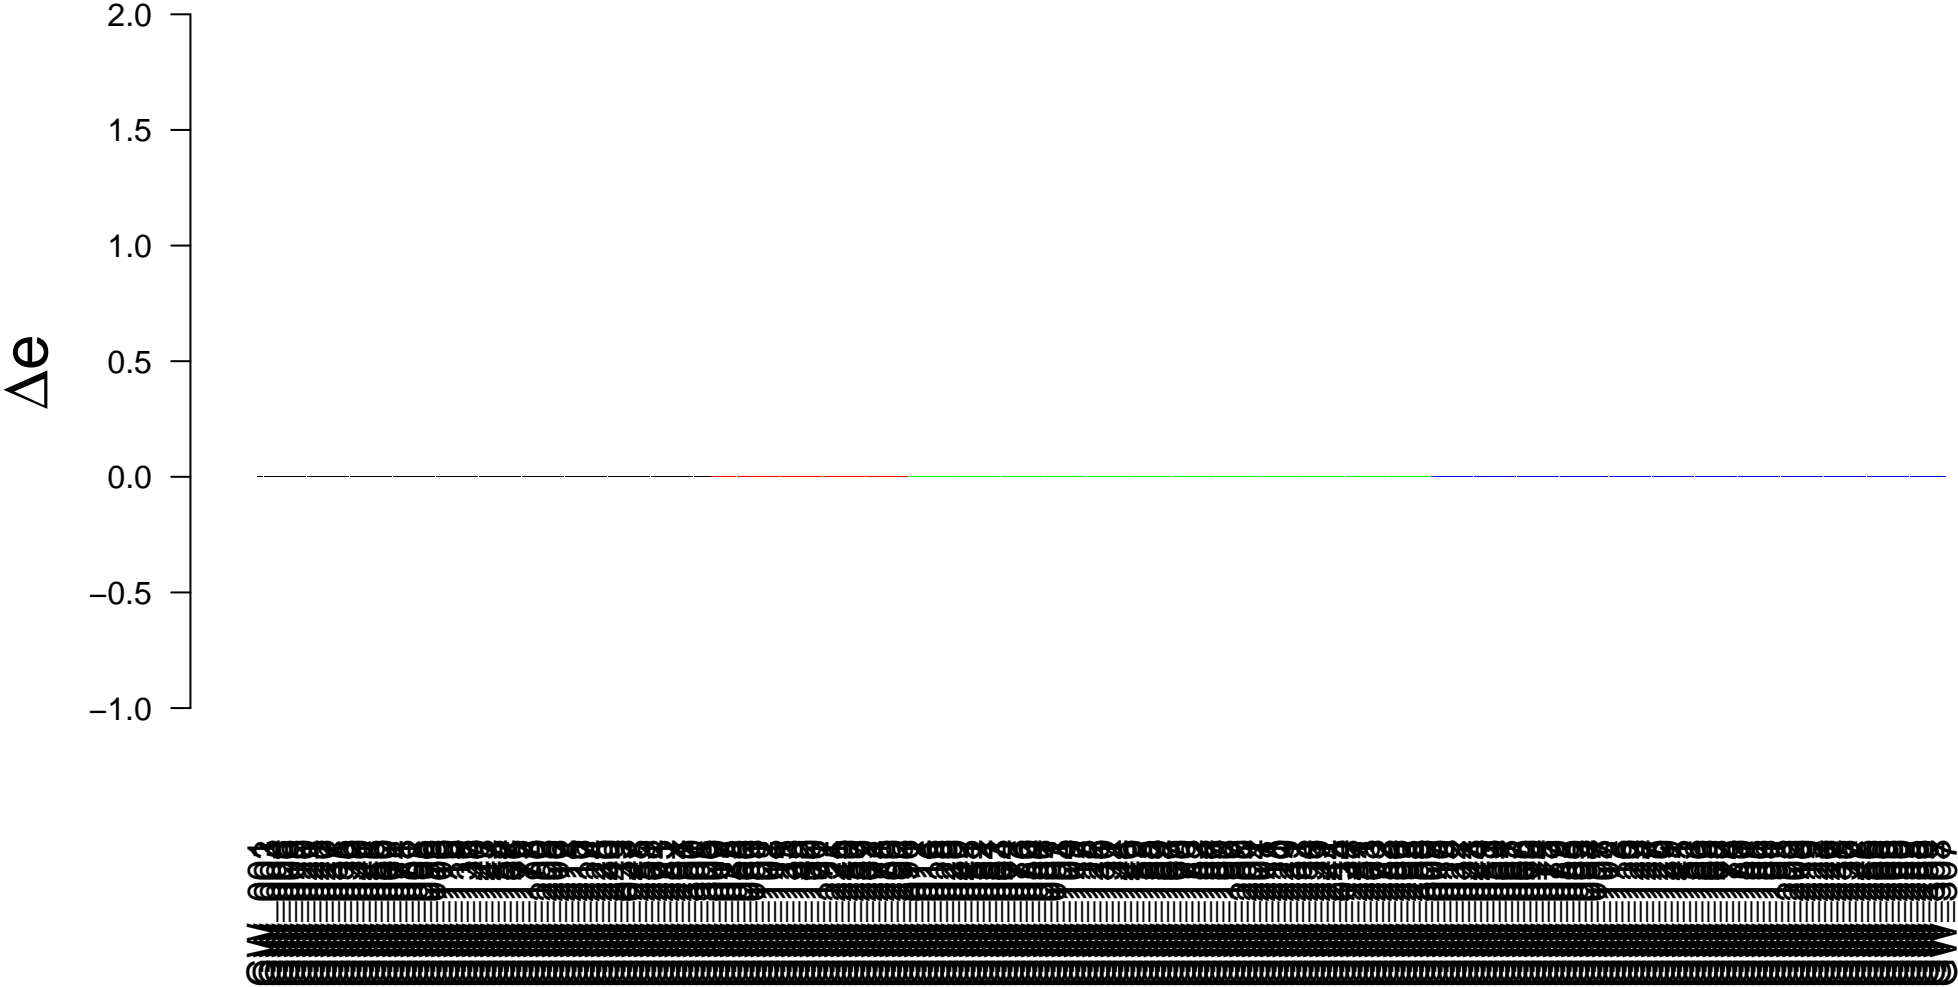

Expression of drug transmembrane transport in Spot G

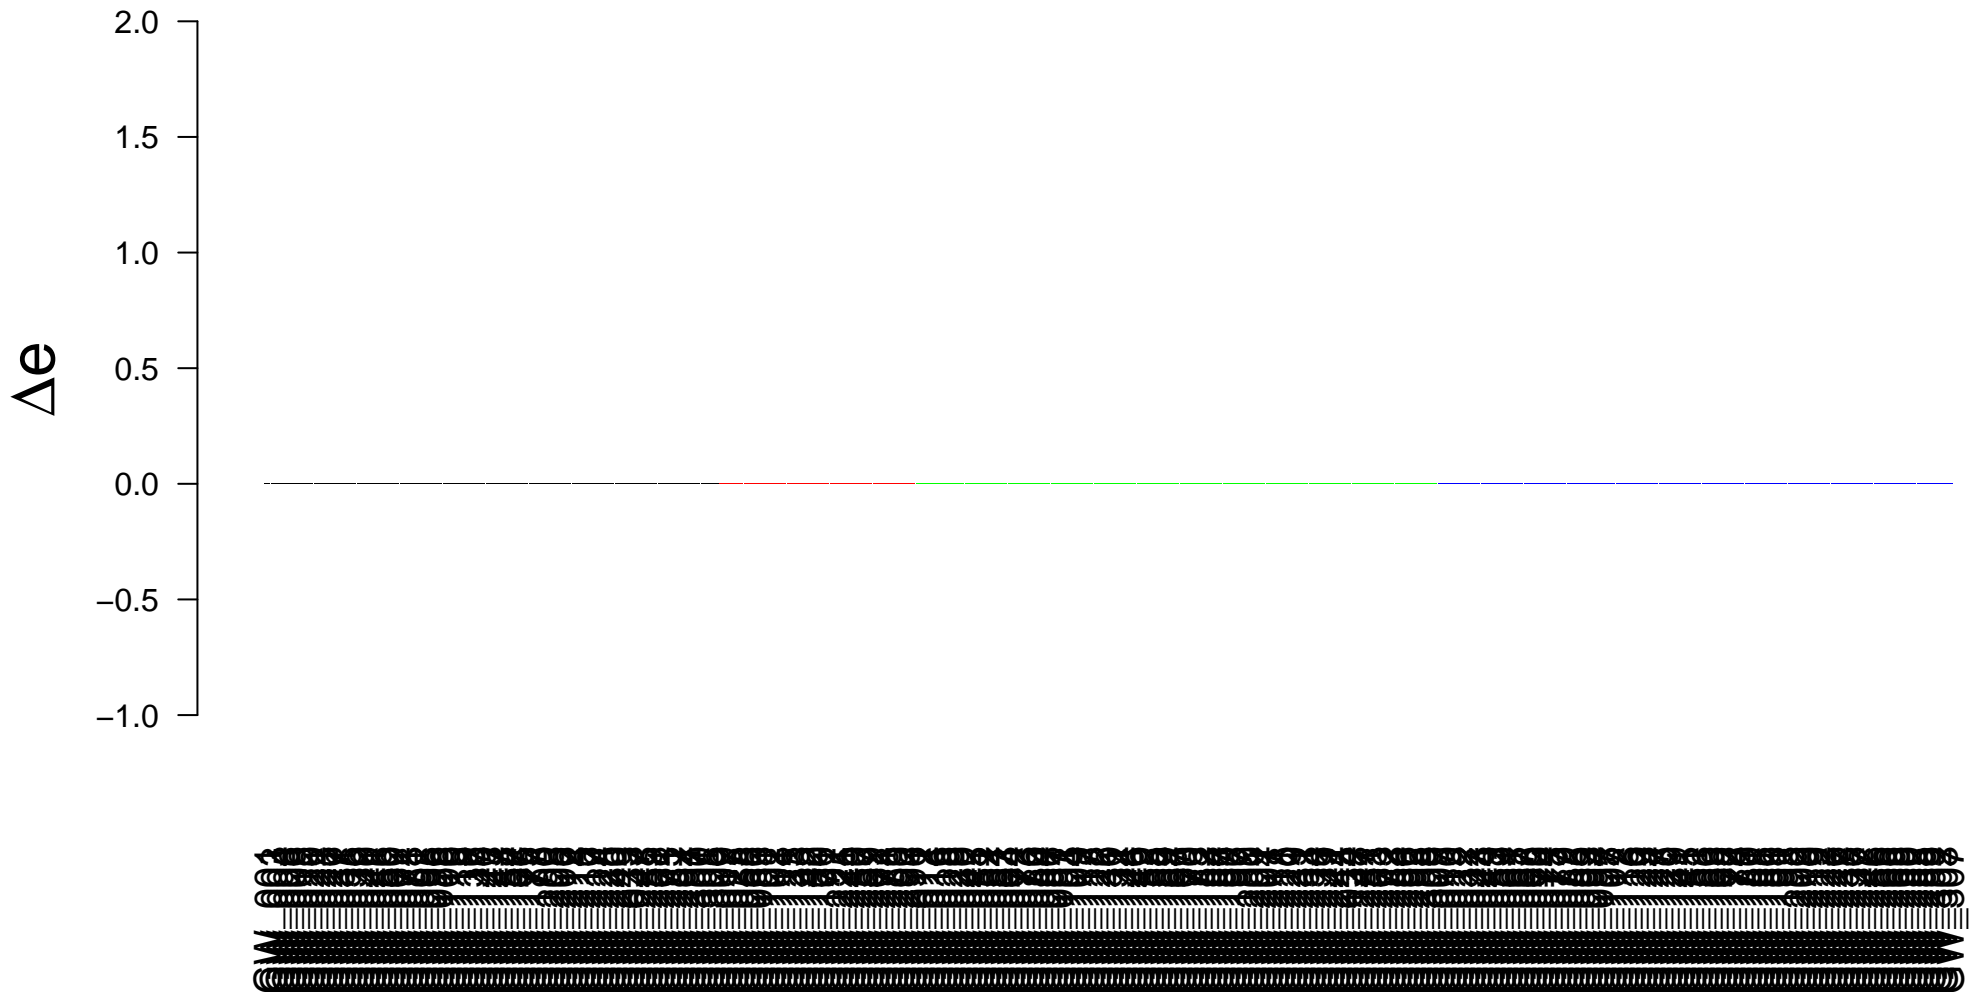

Expression of drug transmembrane transport in Spot H

Expression of drug transmembrane transport in Spot I

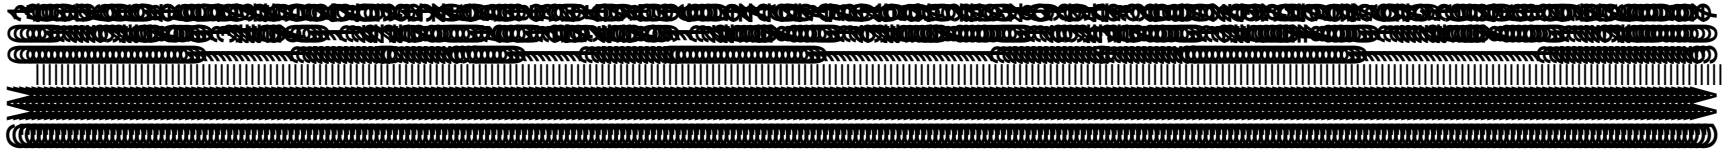

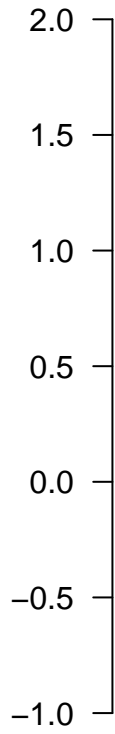

Expression of drug transmembrane transport in Spot J

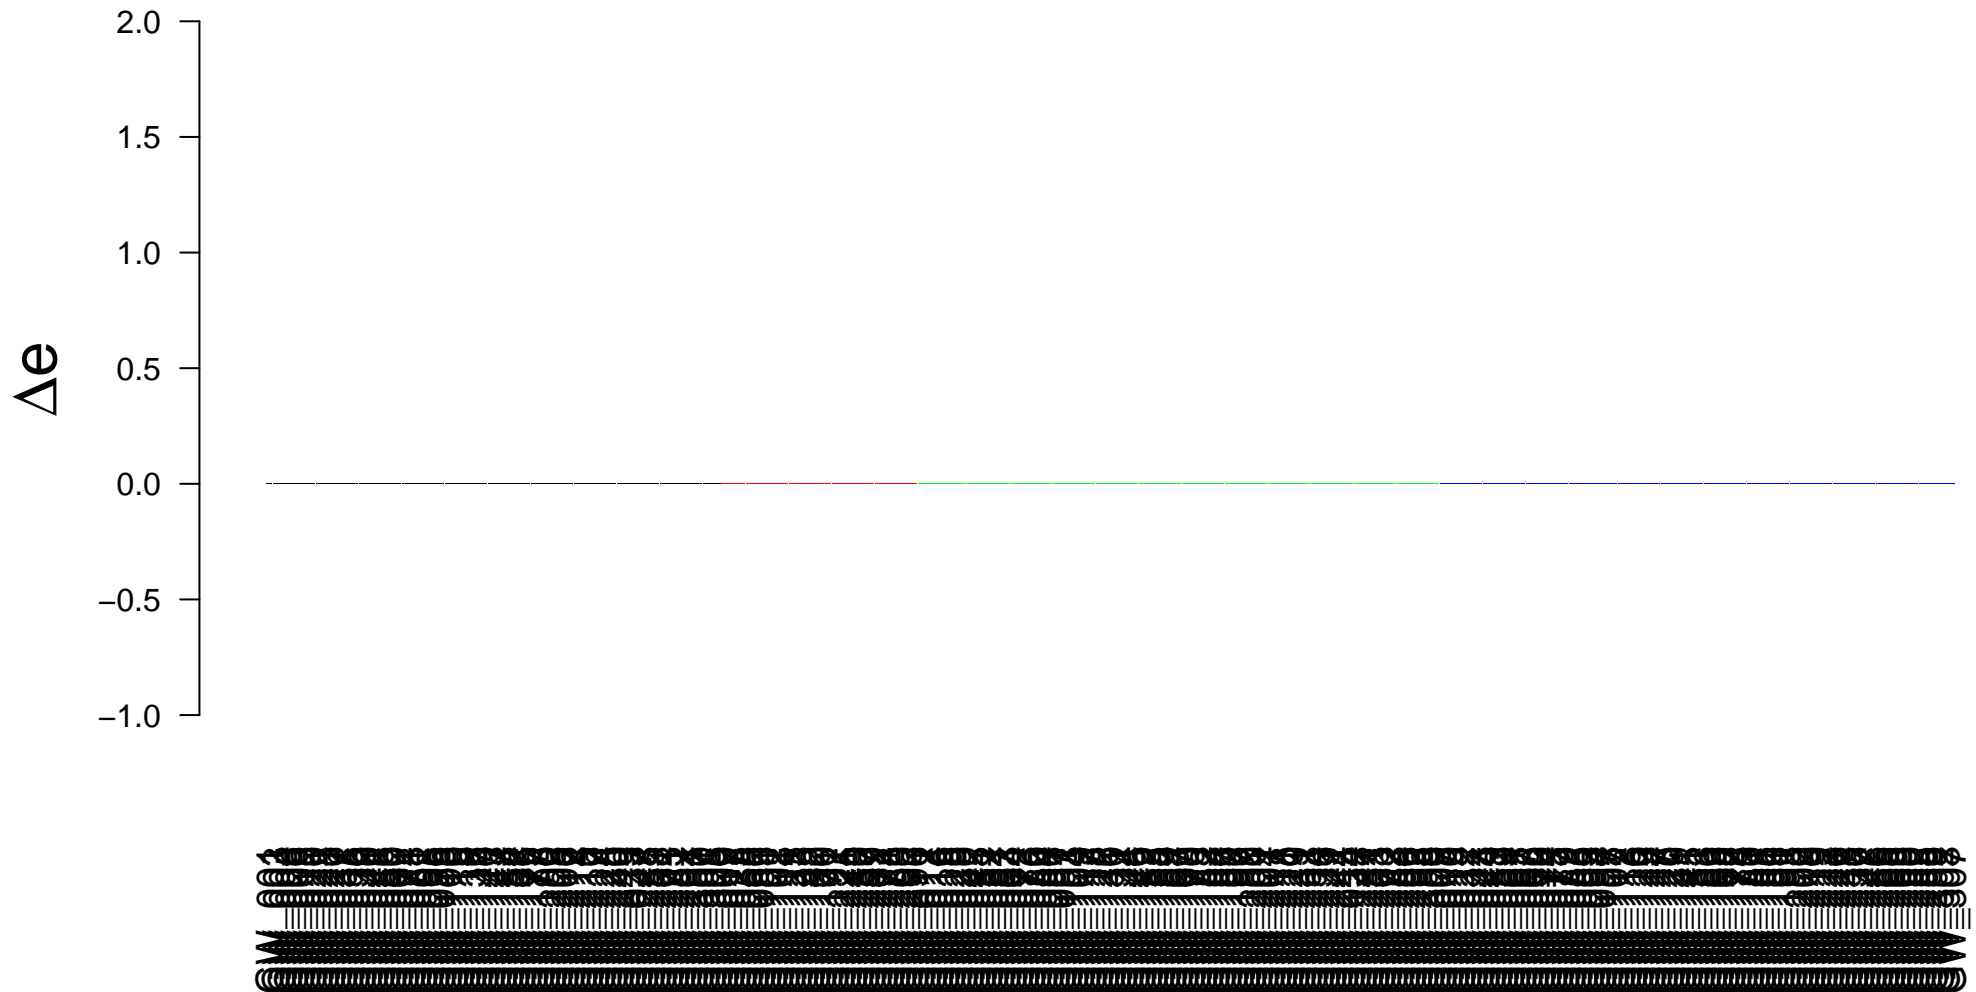

Expression of drug transmembrane transport in Spot K
