

embryonic camera-type eye morphogenesis

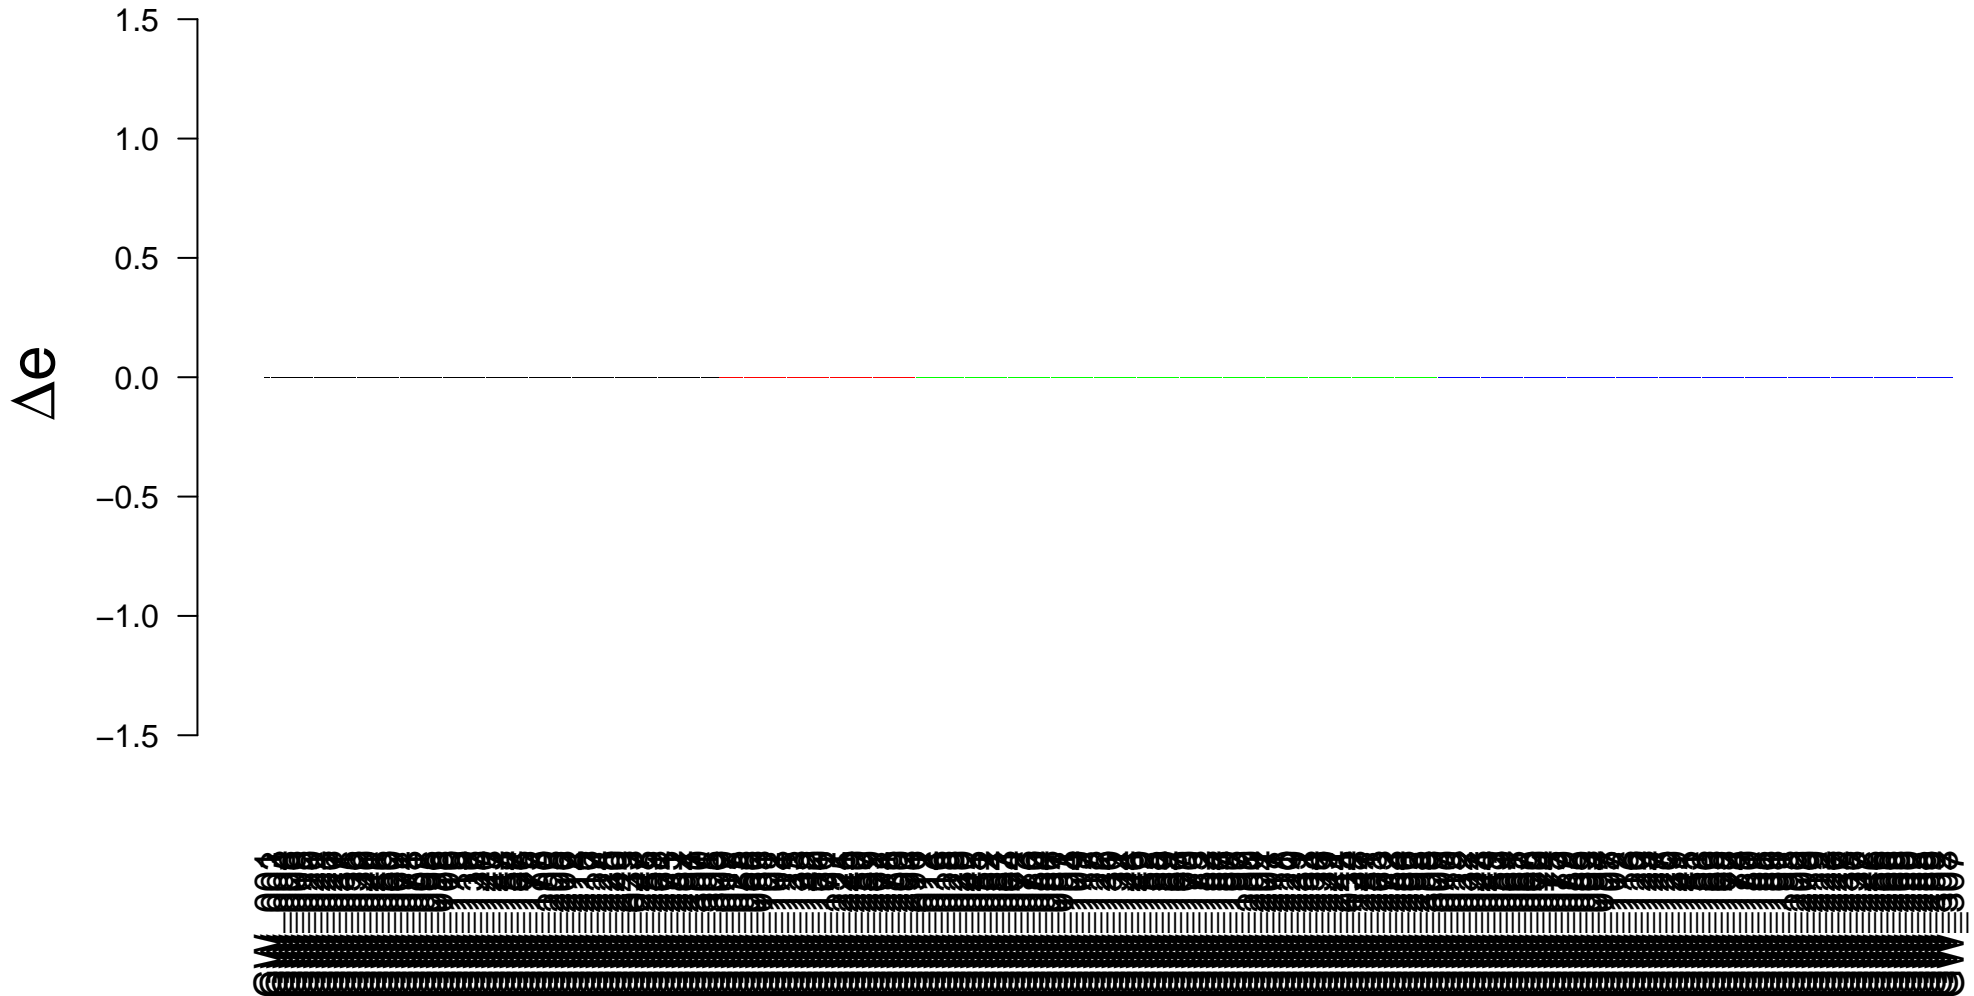

embryonic camera-type eye morphogenesis

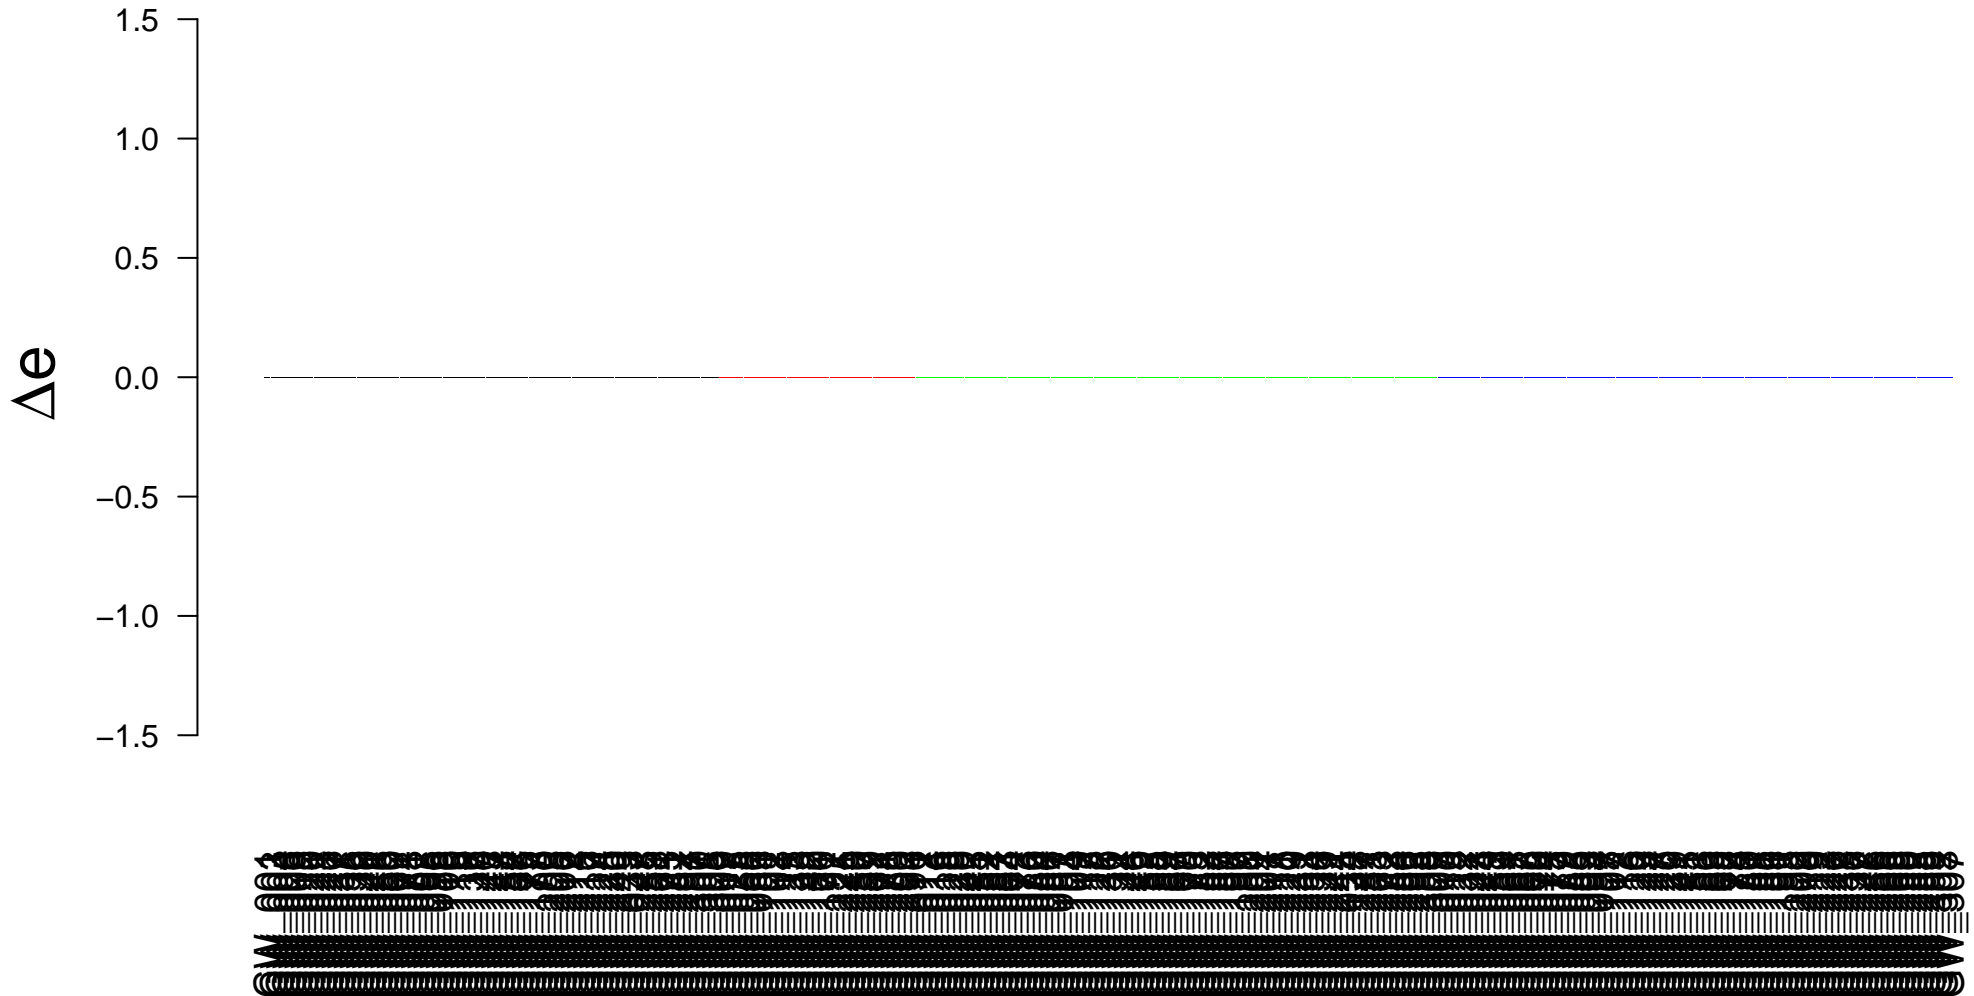

Enrichment in spots: embryonic camera-type eye morphogenesis

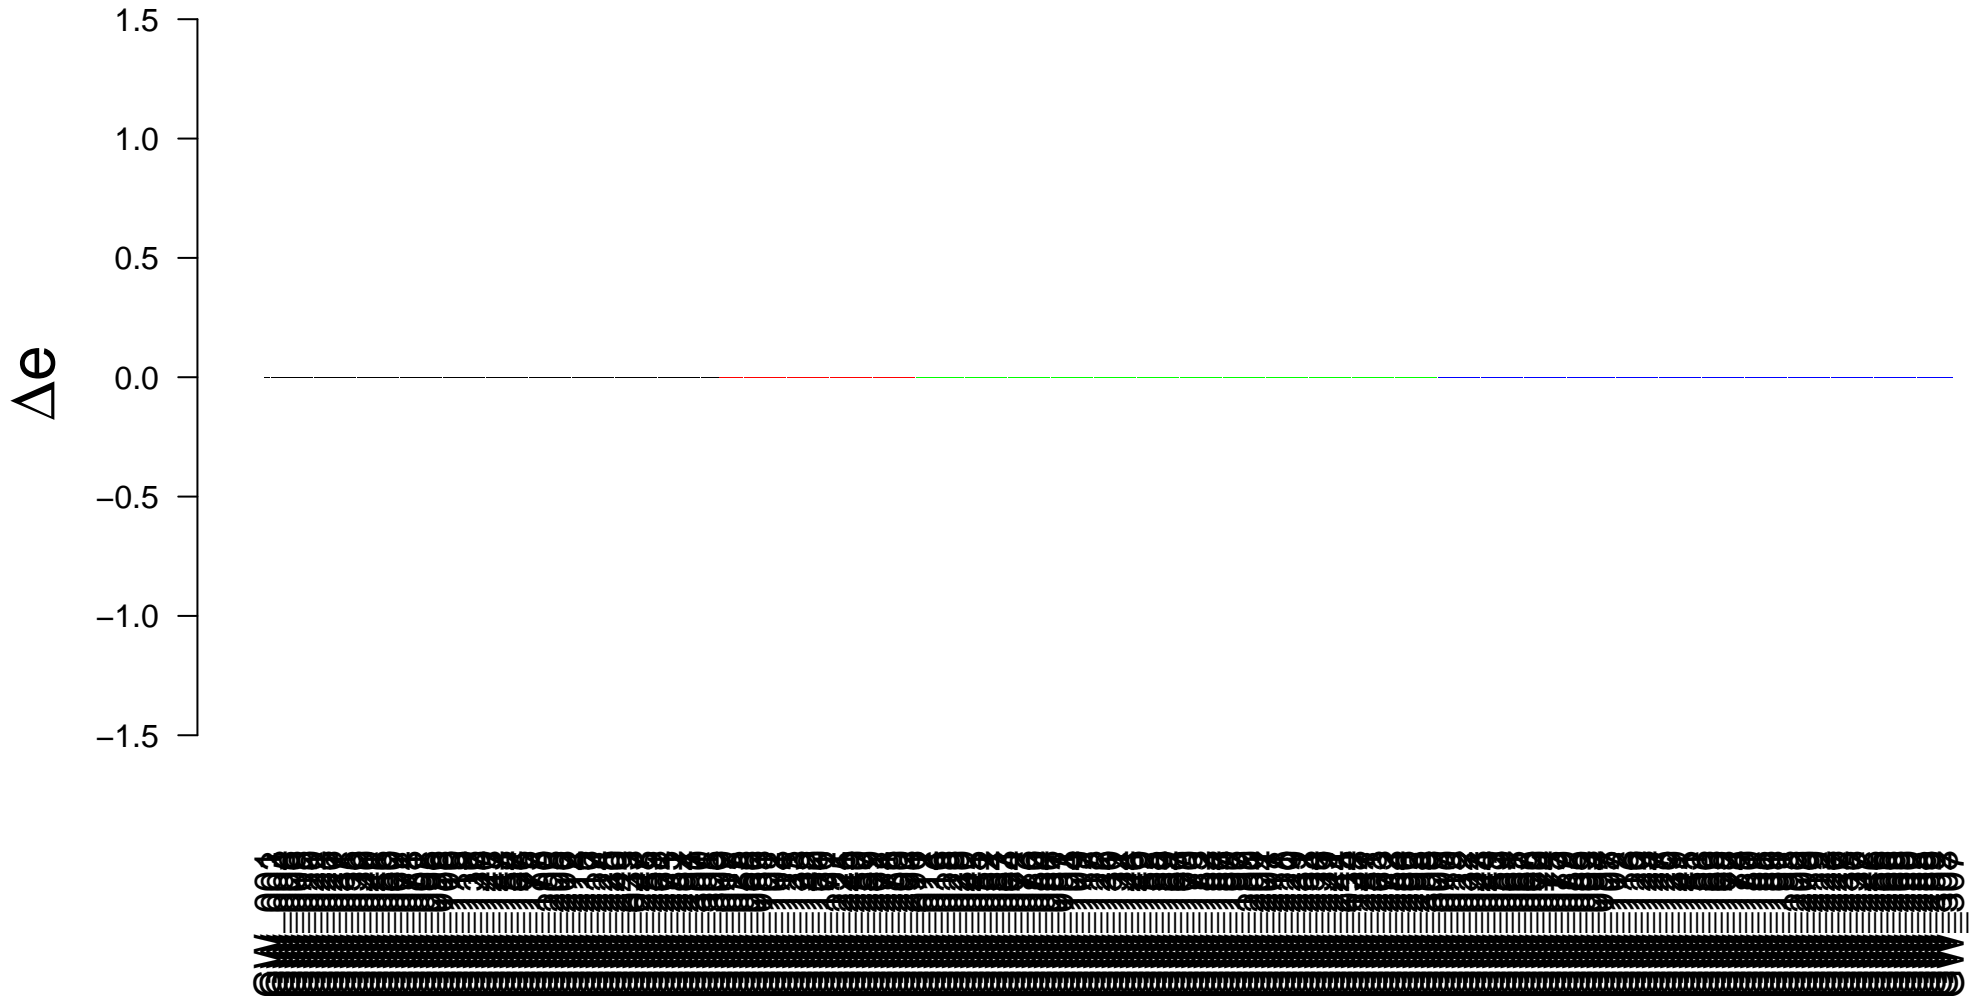

Expression of embryonic camera-type eye morphogenesis in Spot A

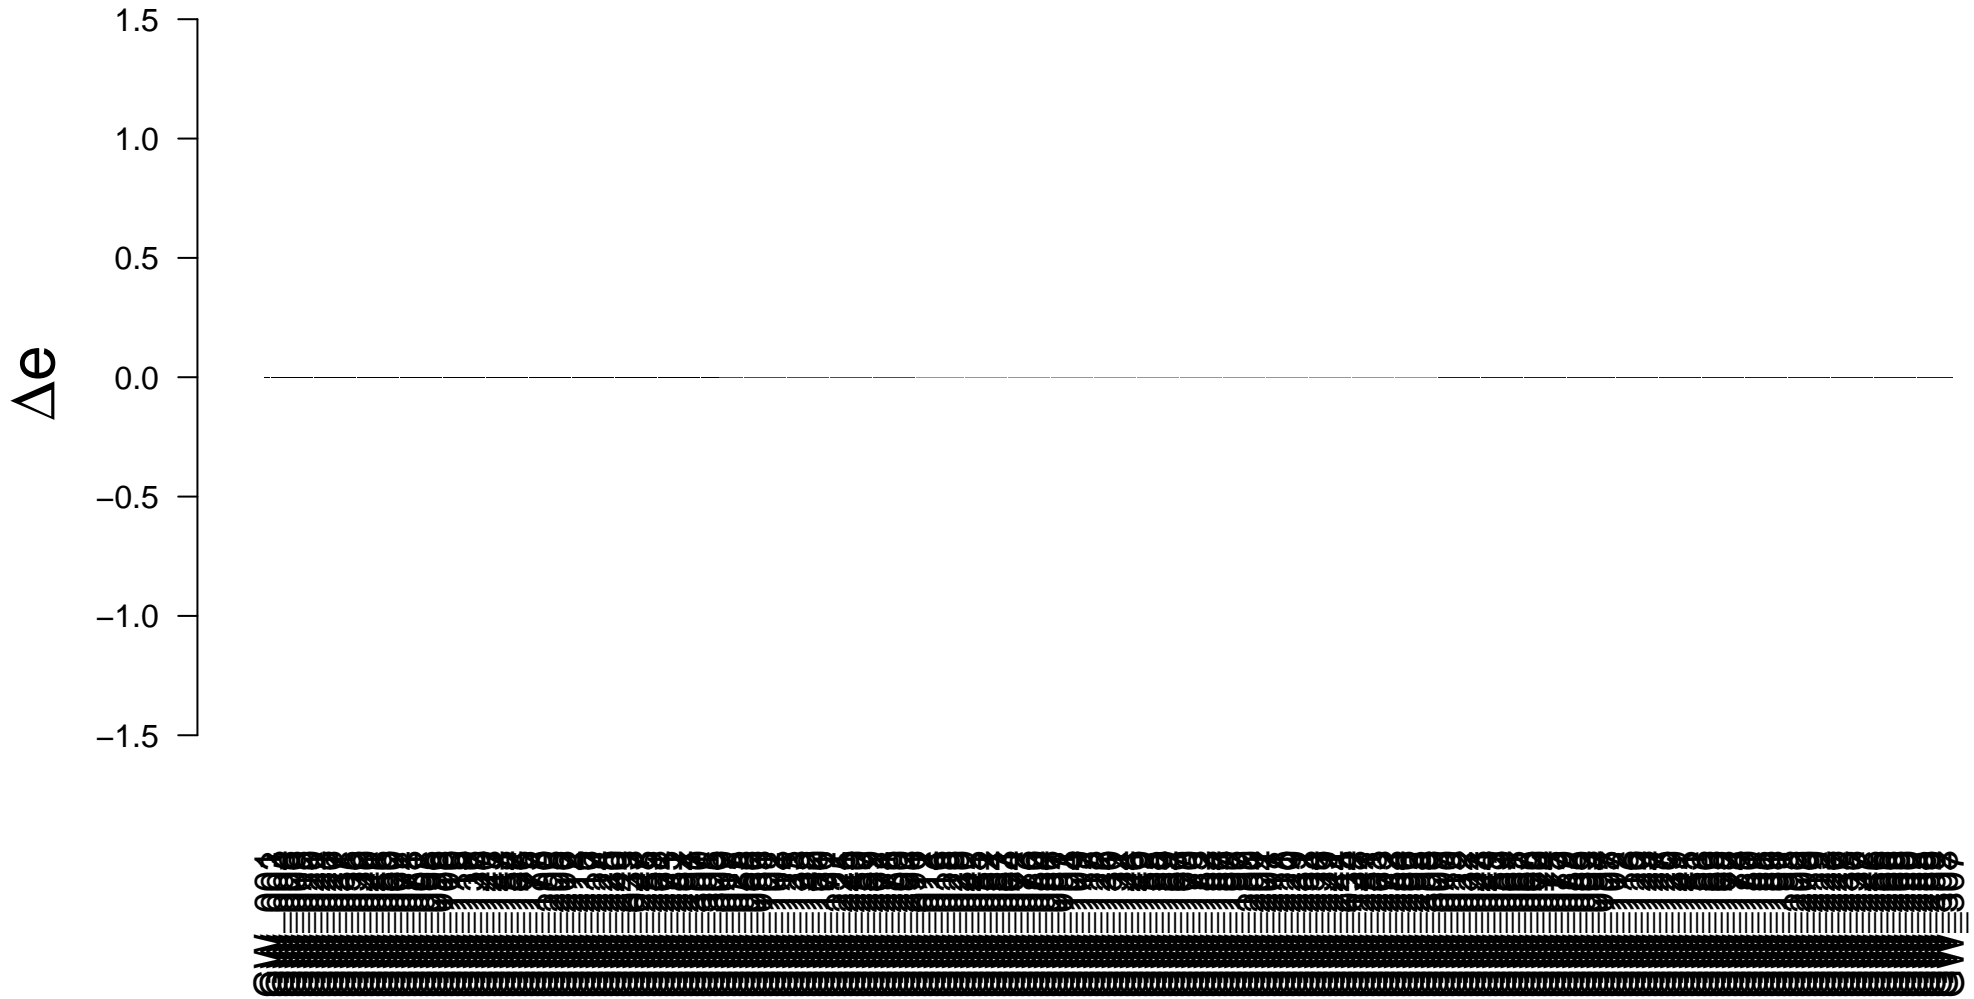

Expression of embryonic camera-type eye morphogenesis in Spot B

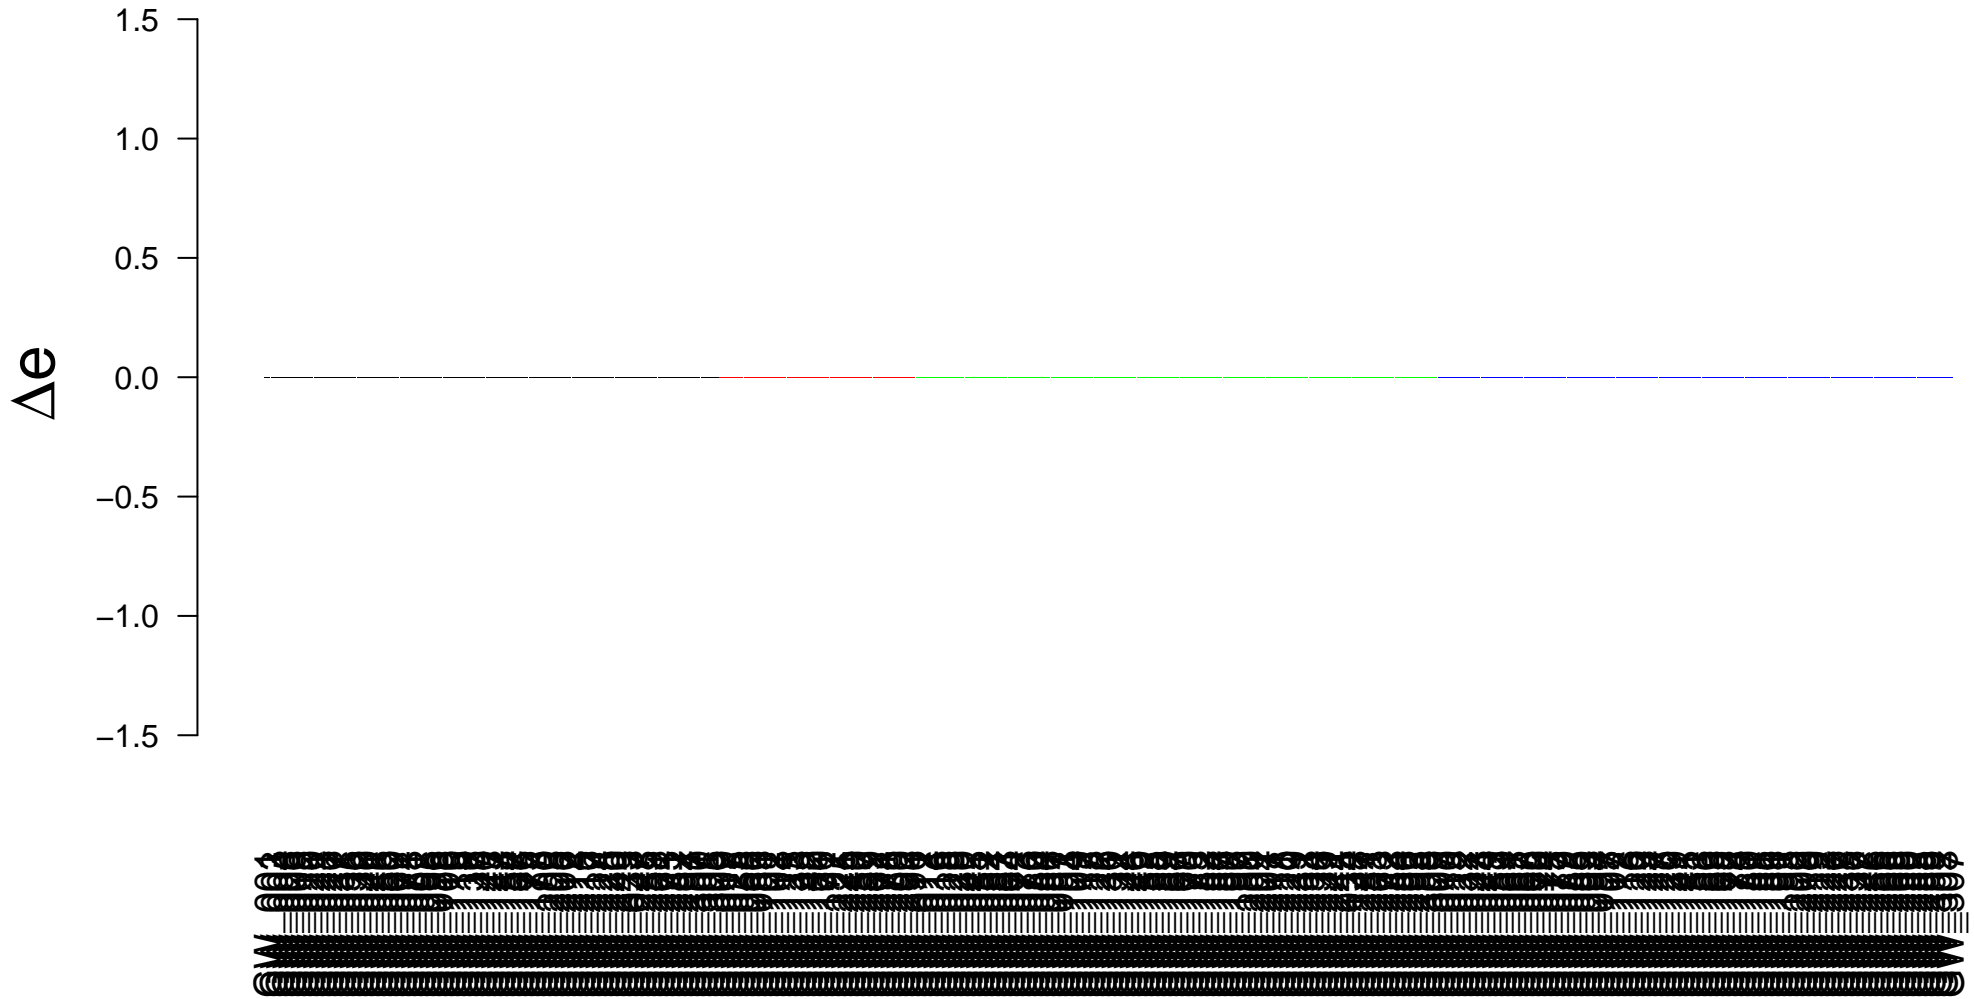

Expression of embryonic camera-type eye morphogenesis in Spot C

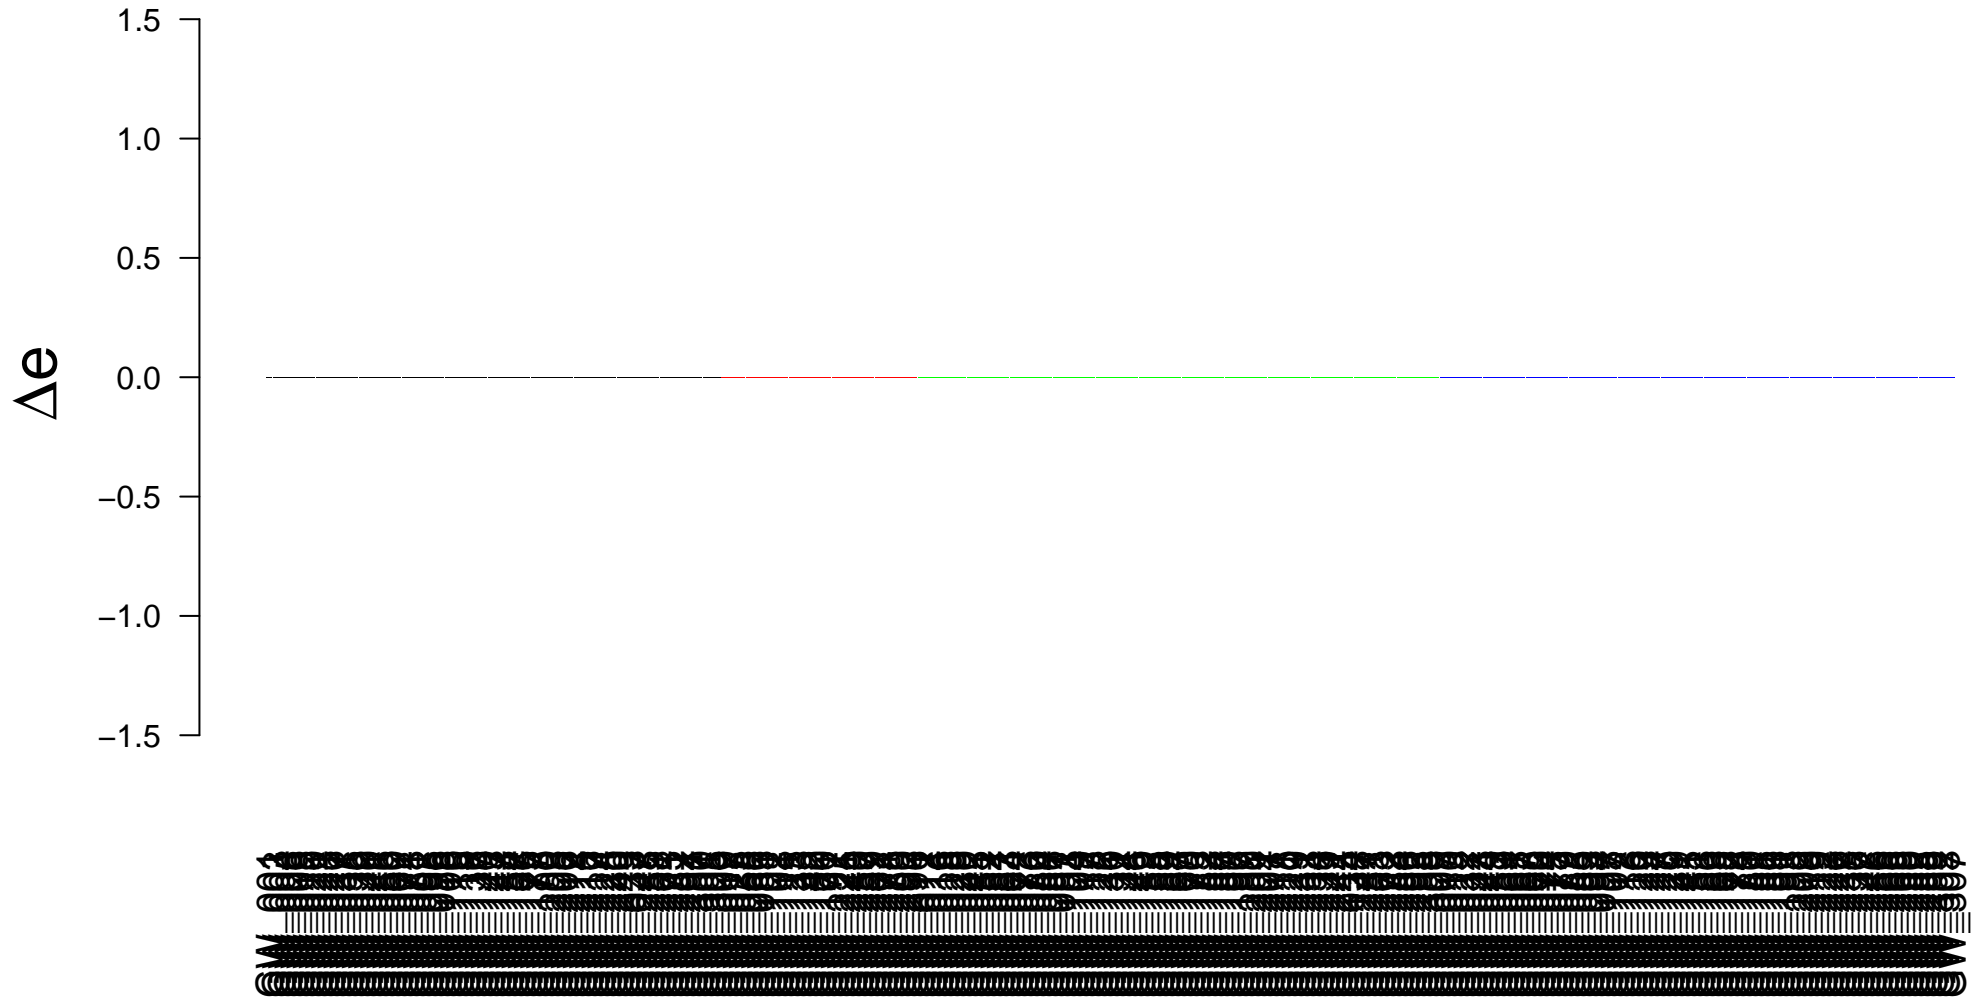

Expression of embryonic camera-type eye morphogenesis in Spot D

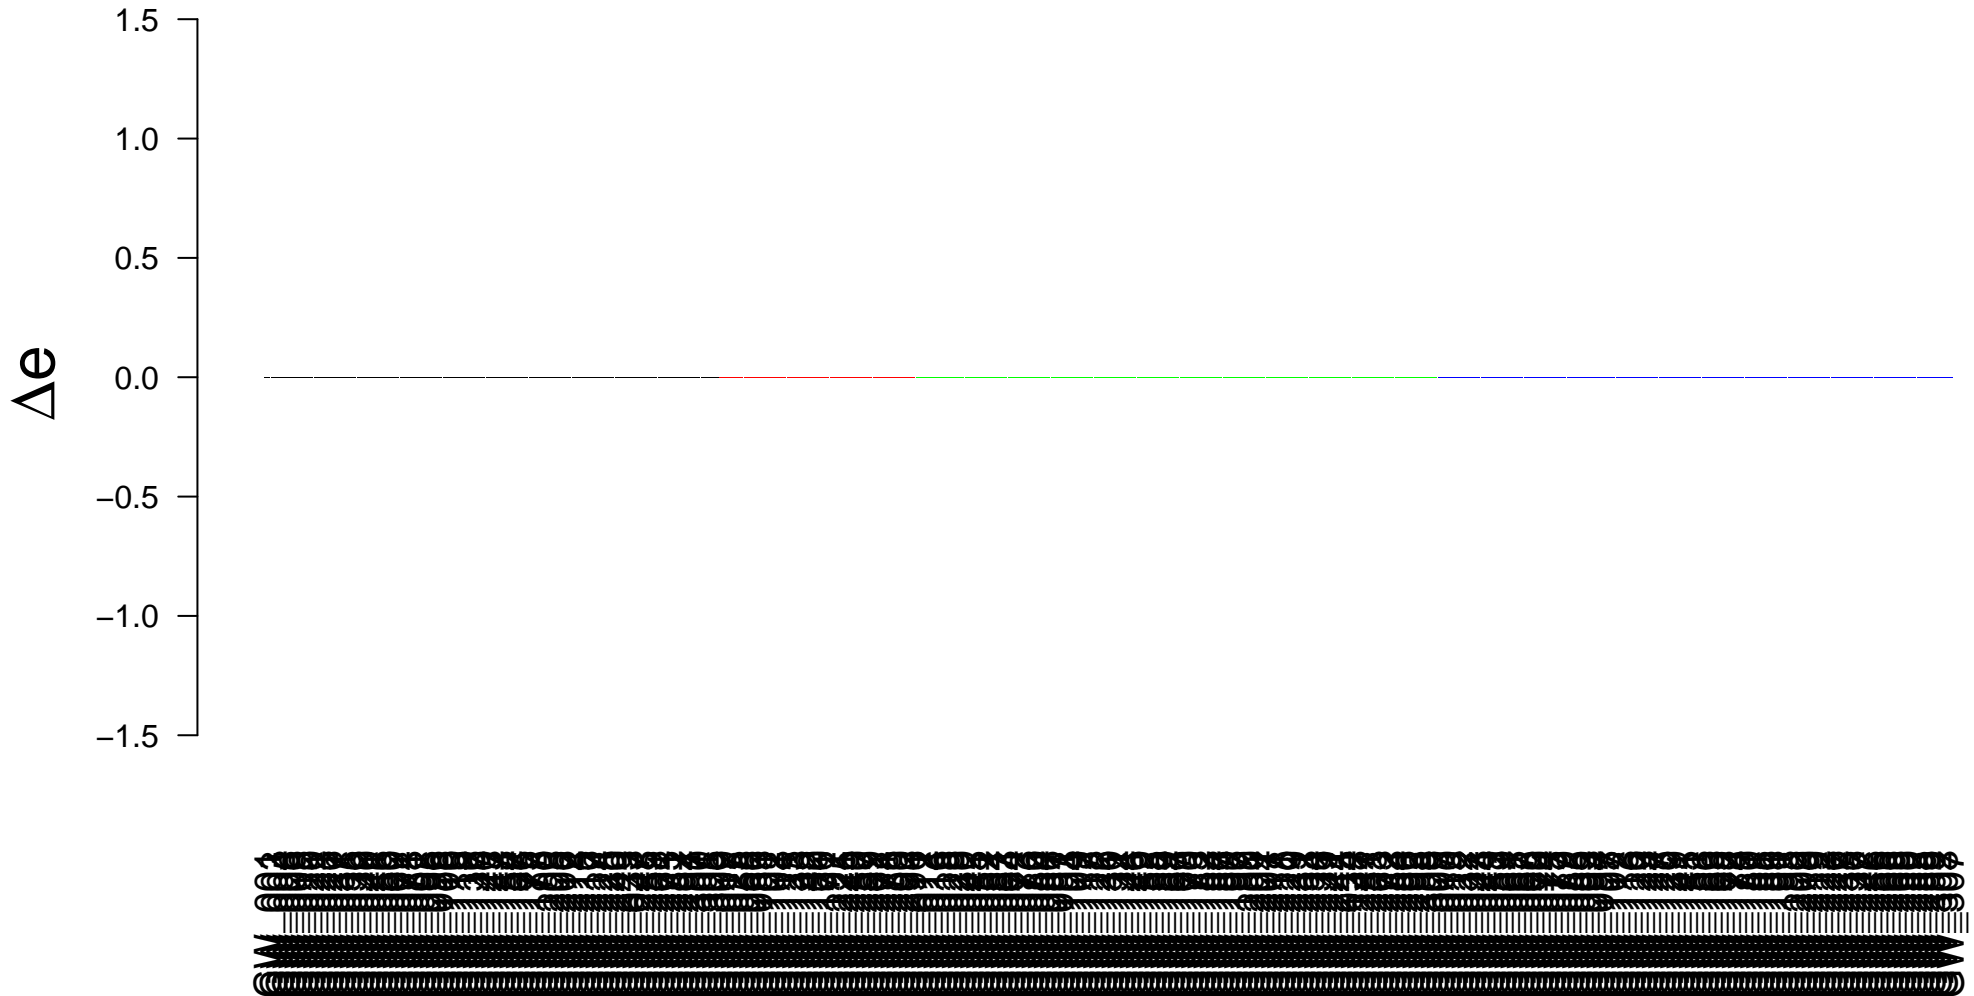

Expression of embryonic camera-type eye morphogenesis in Spot E

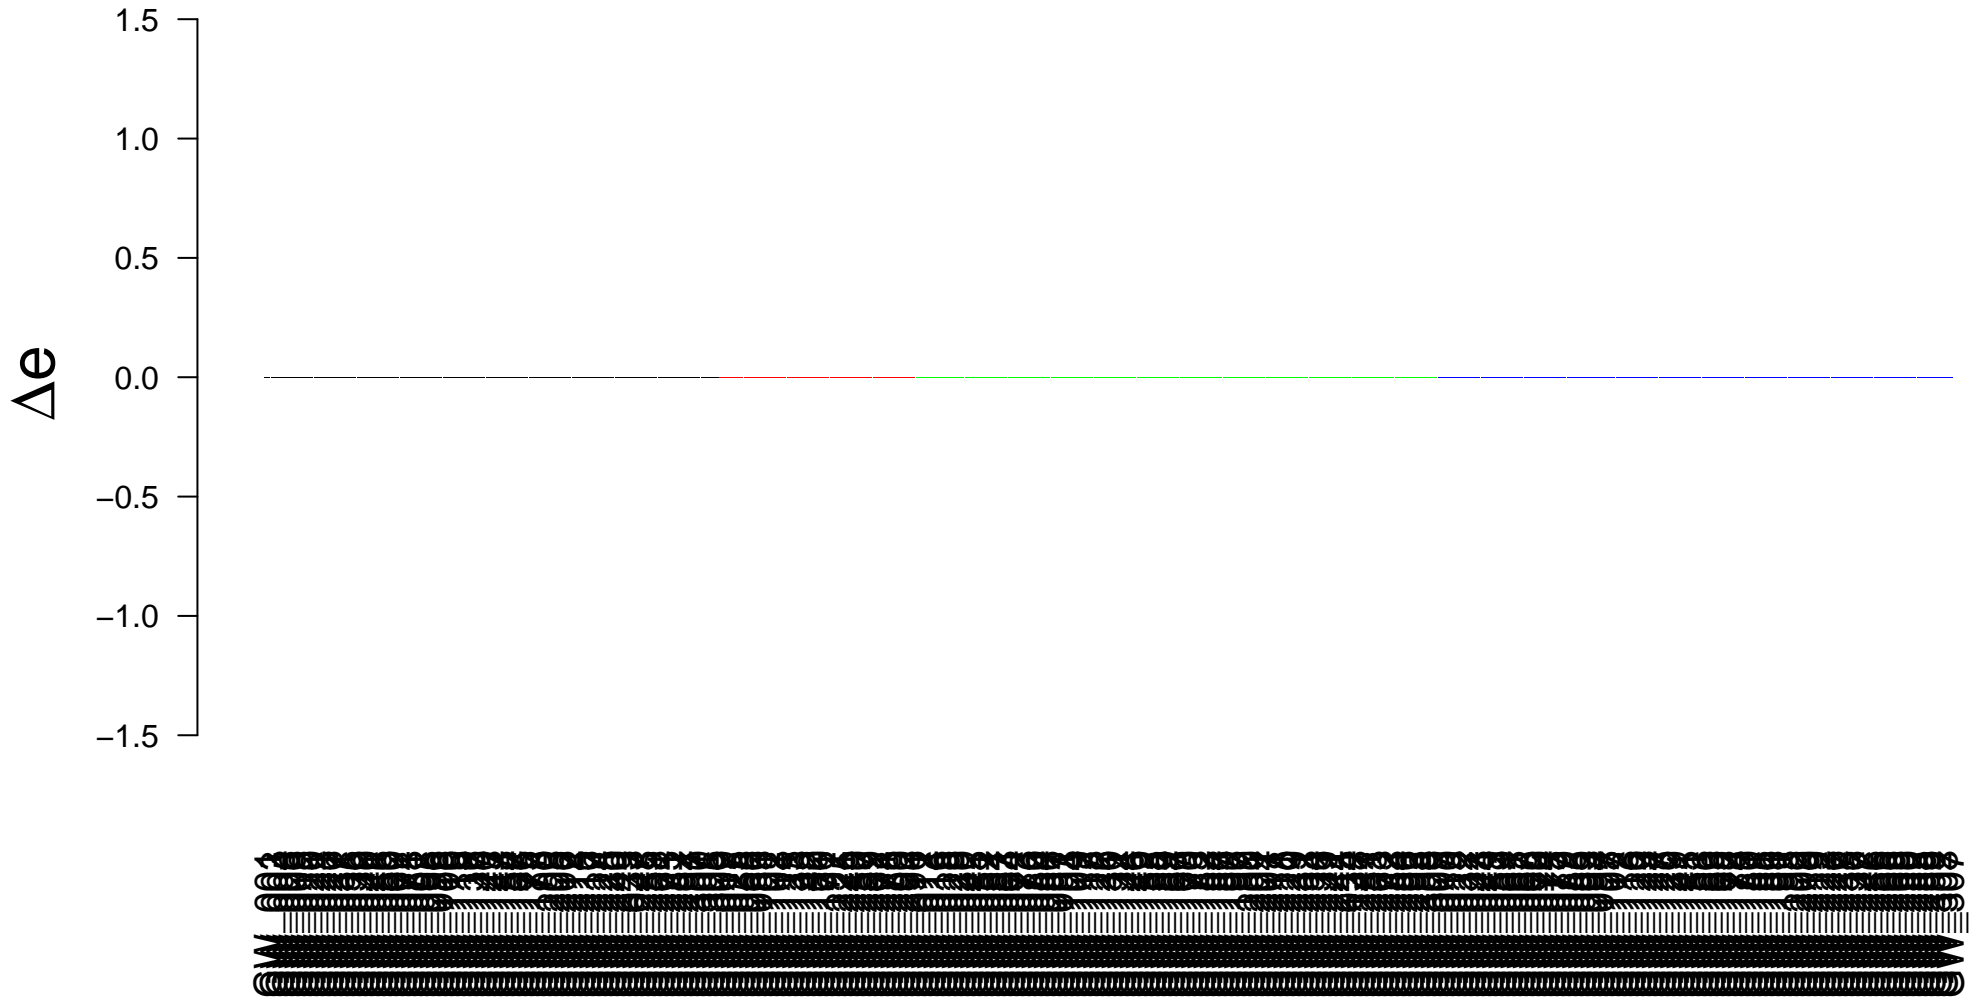

Expression of embryonic camera-type eye morphogenesis in Spot F

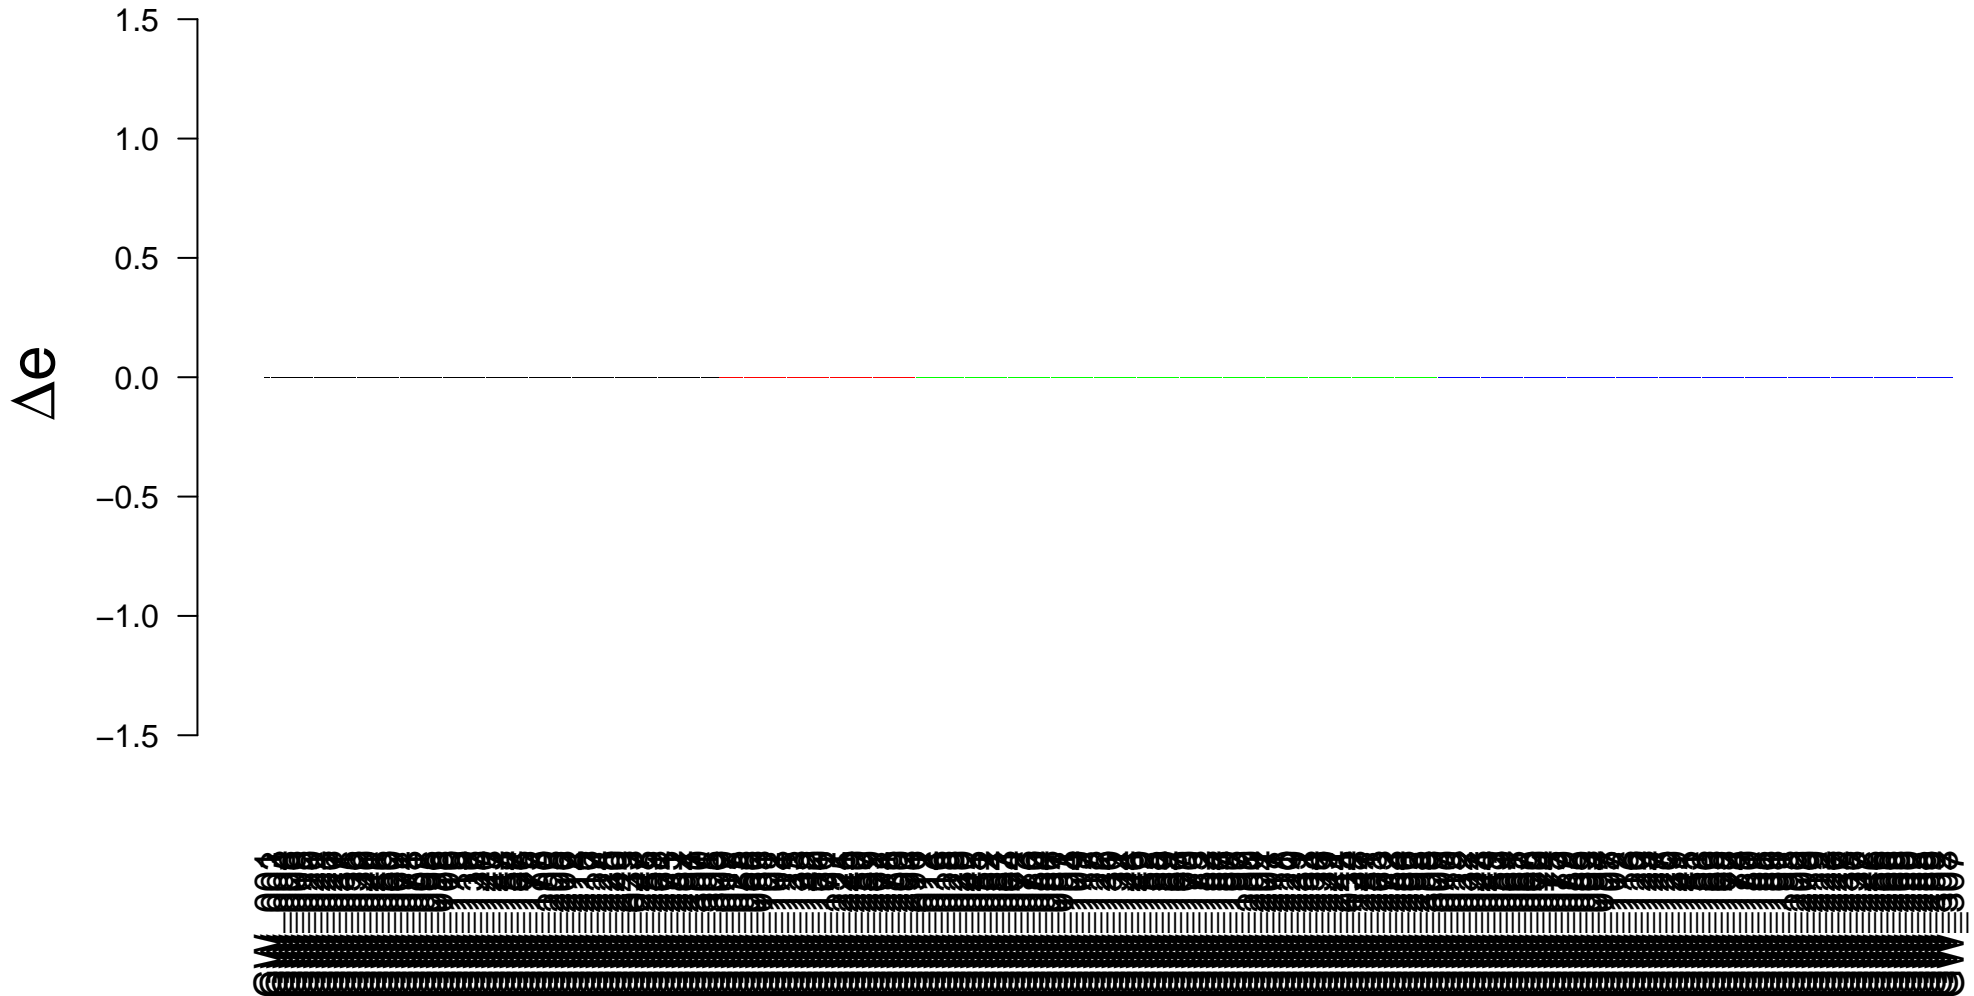

Expression of embryonic camera-type eye morphogenesis in Spot G

Expression of embryonic camera-type eye morphogenesis in Spot H

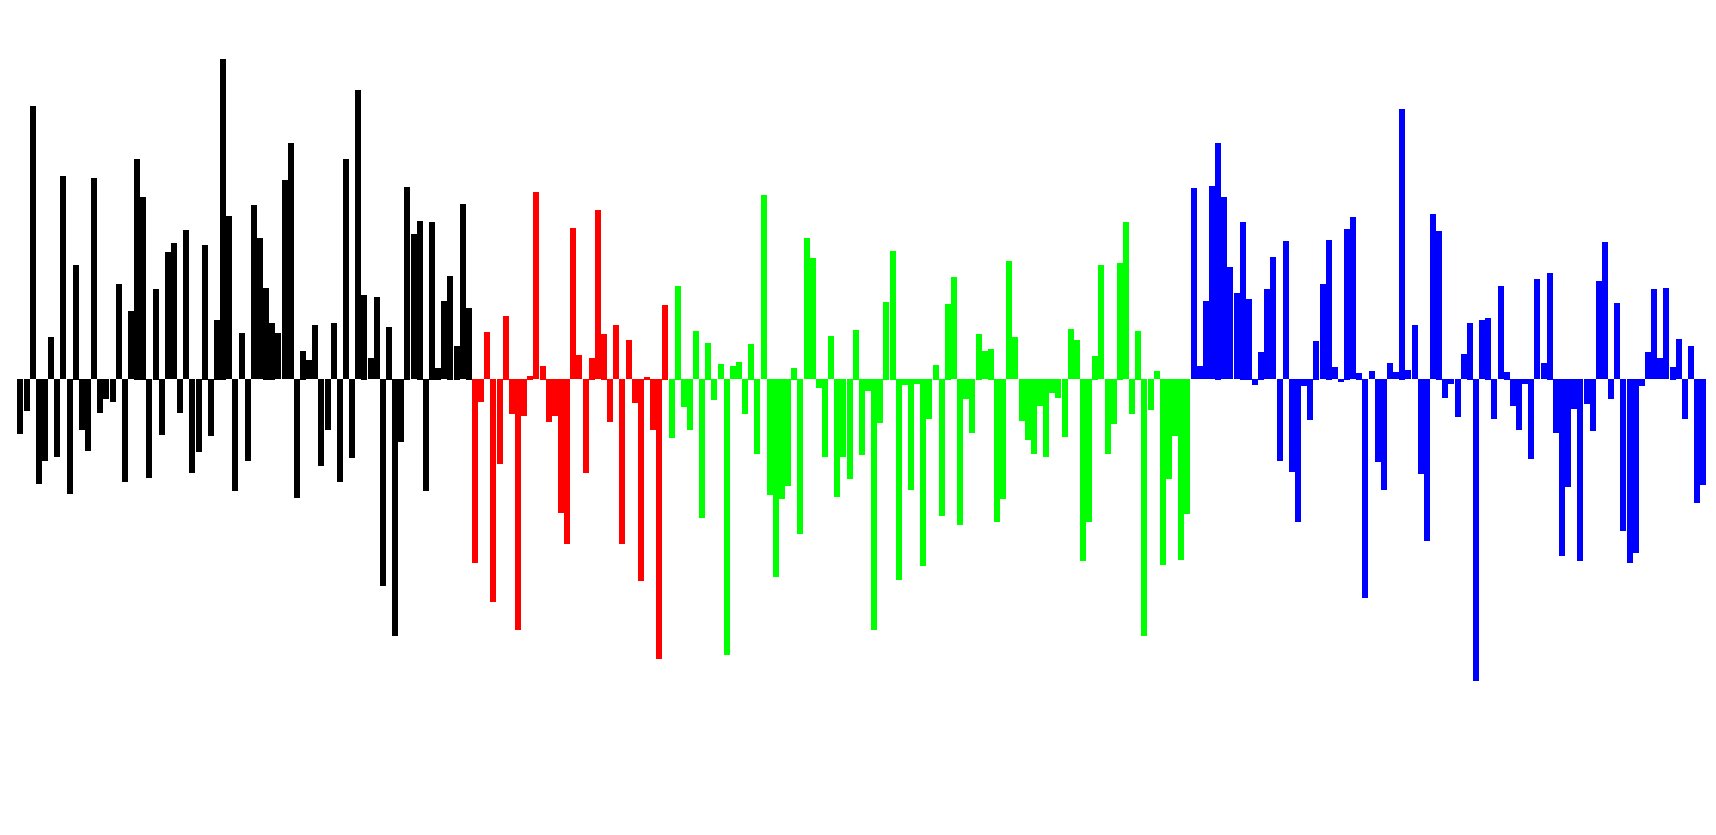

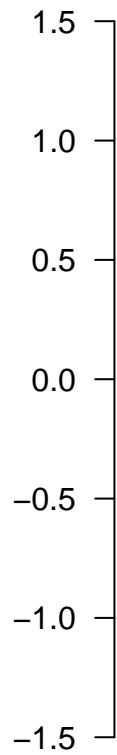

Expression of embryonic camera-type eye morphogenesis in Spot I

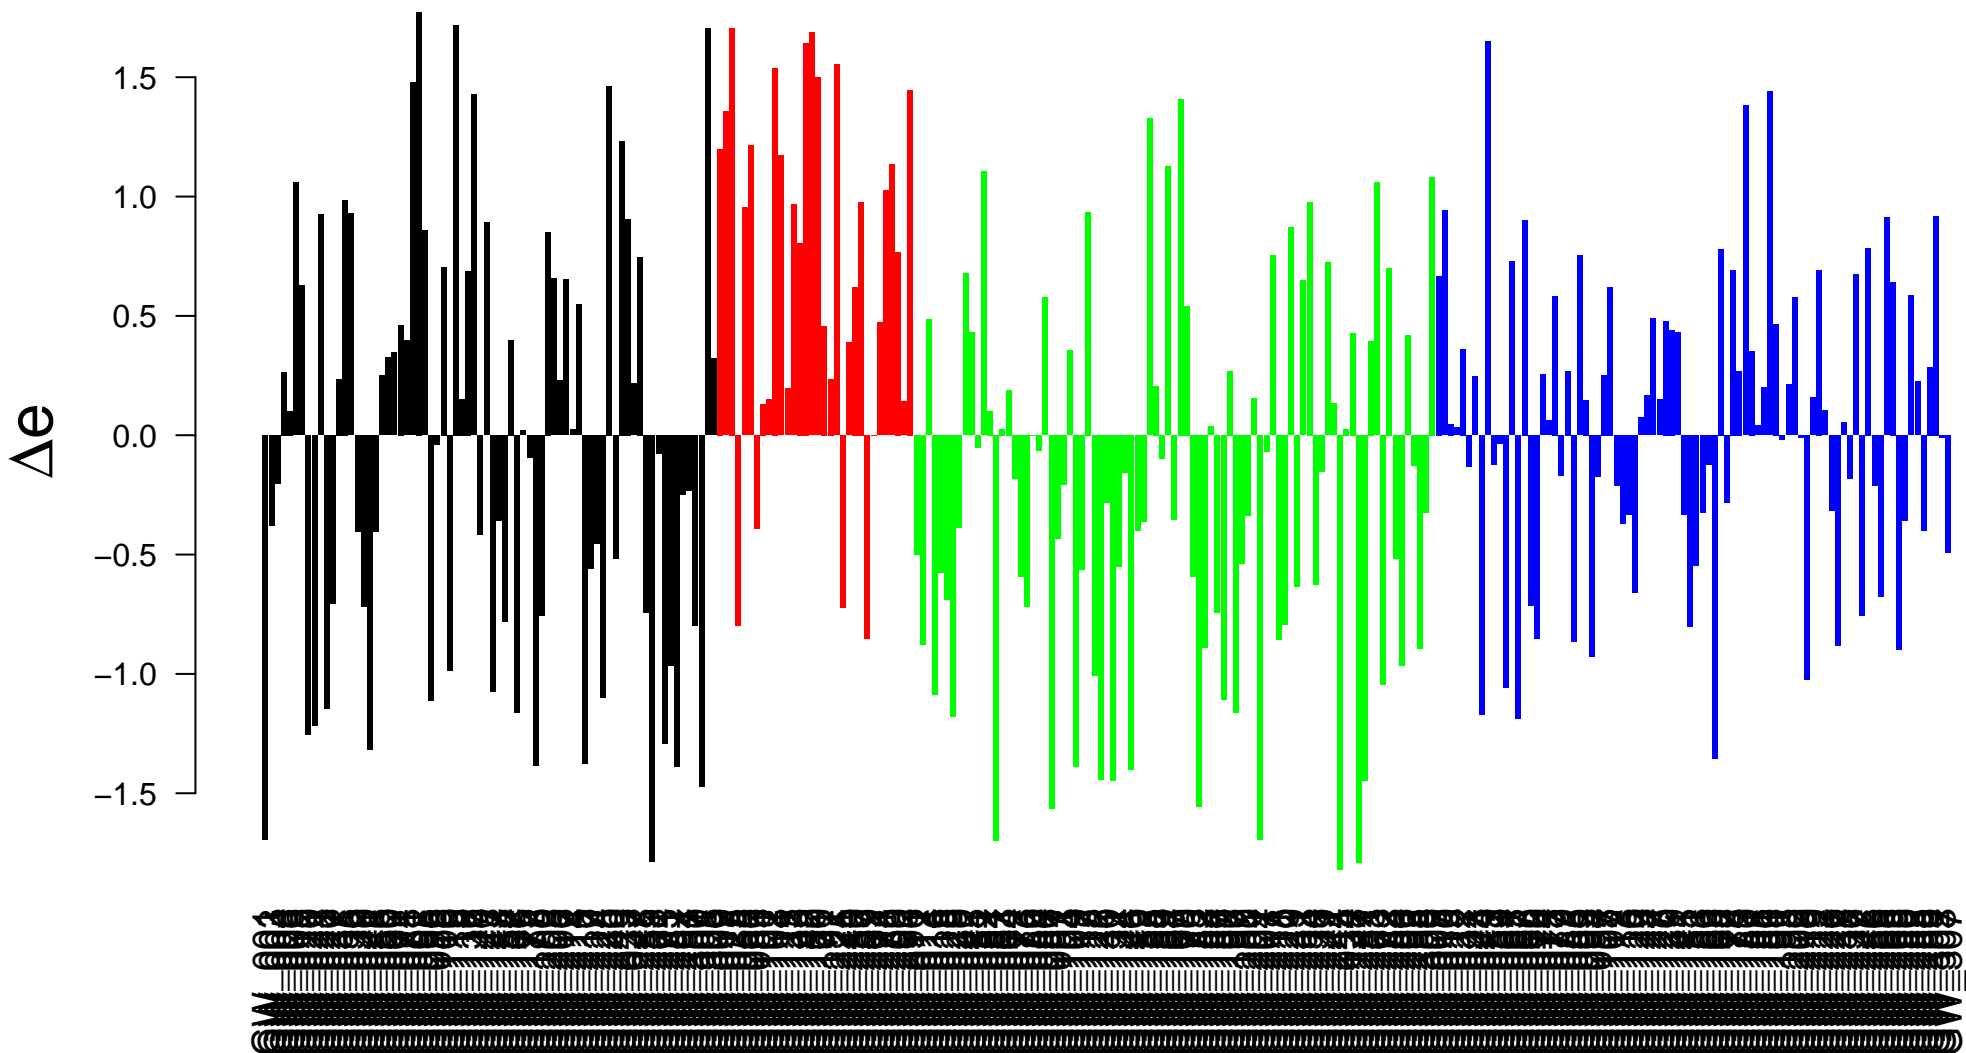

Expression of embryonic camera-type eye morphogenesis in Spot J

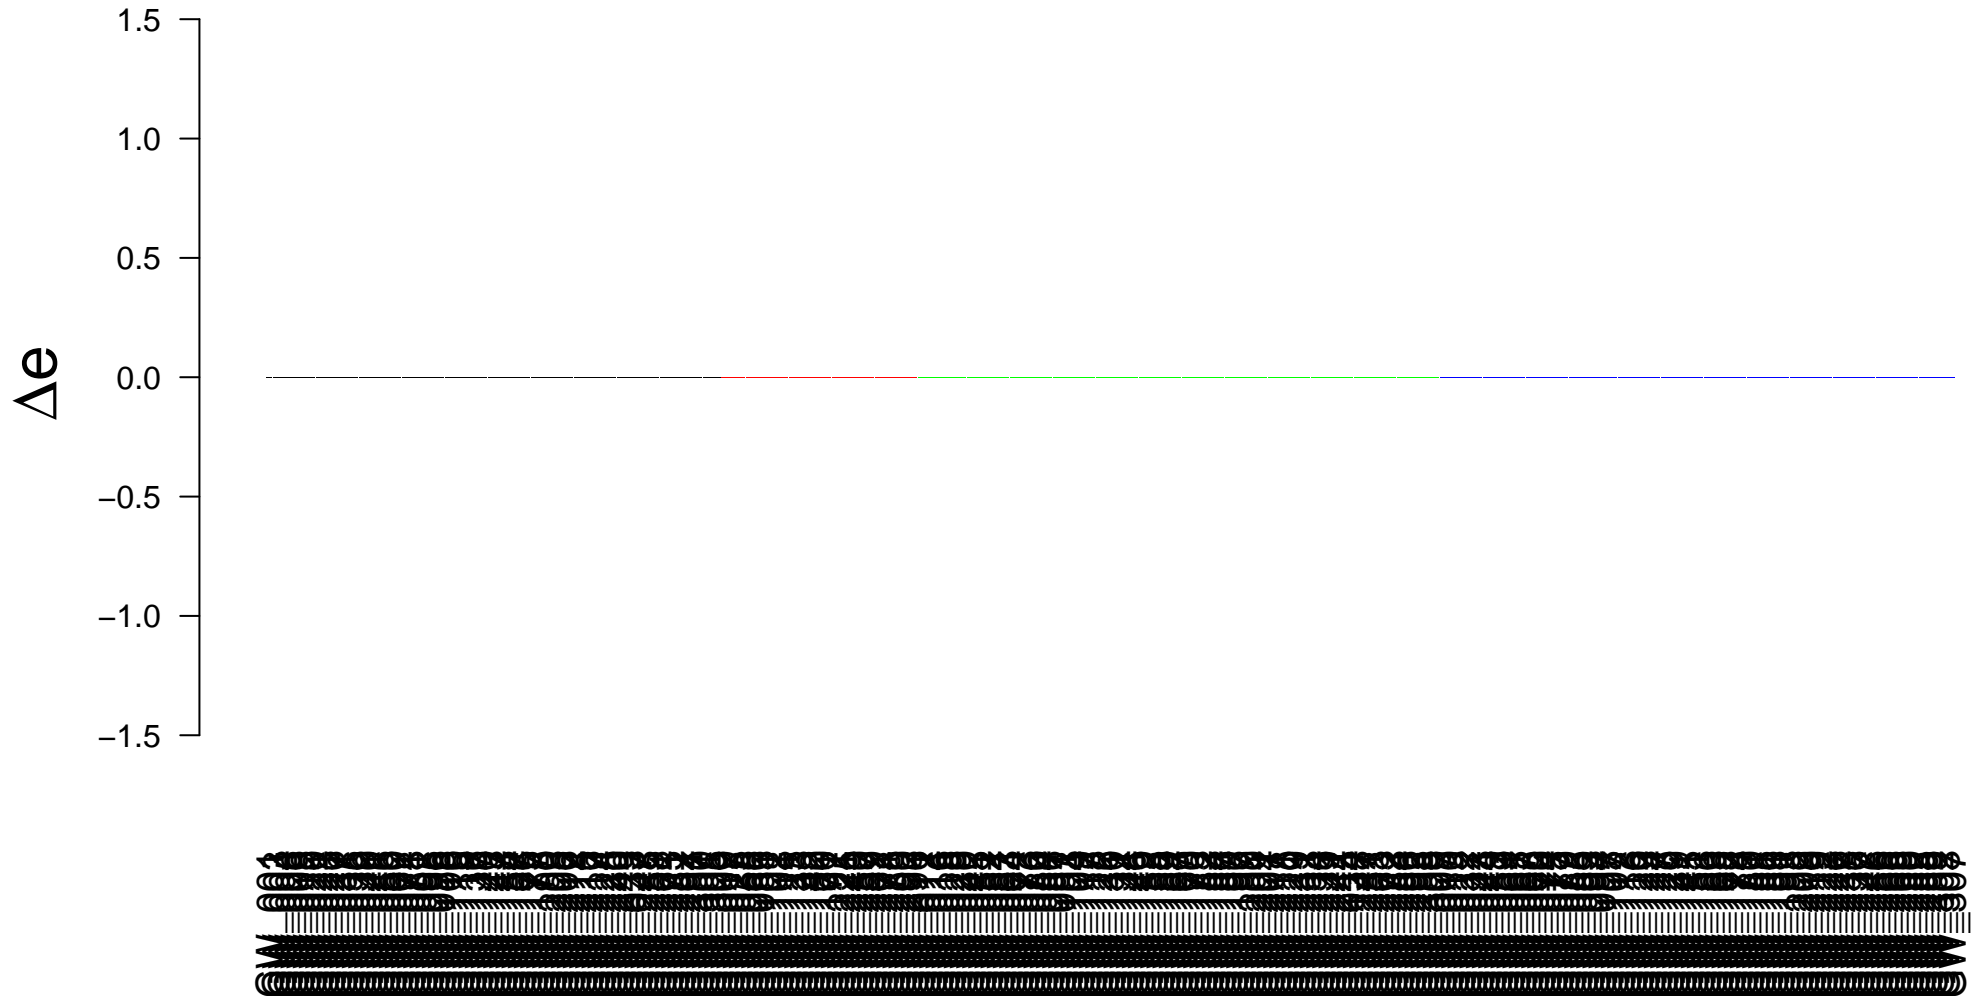

Δe

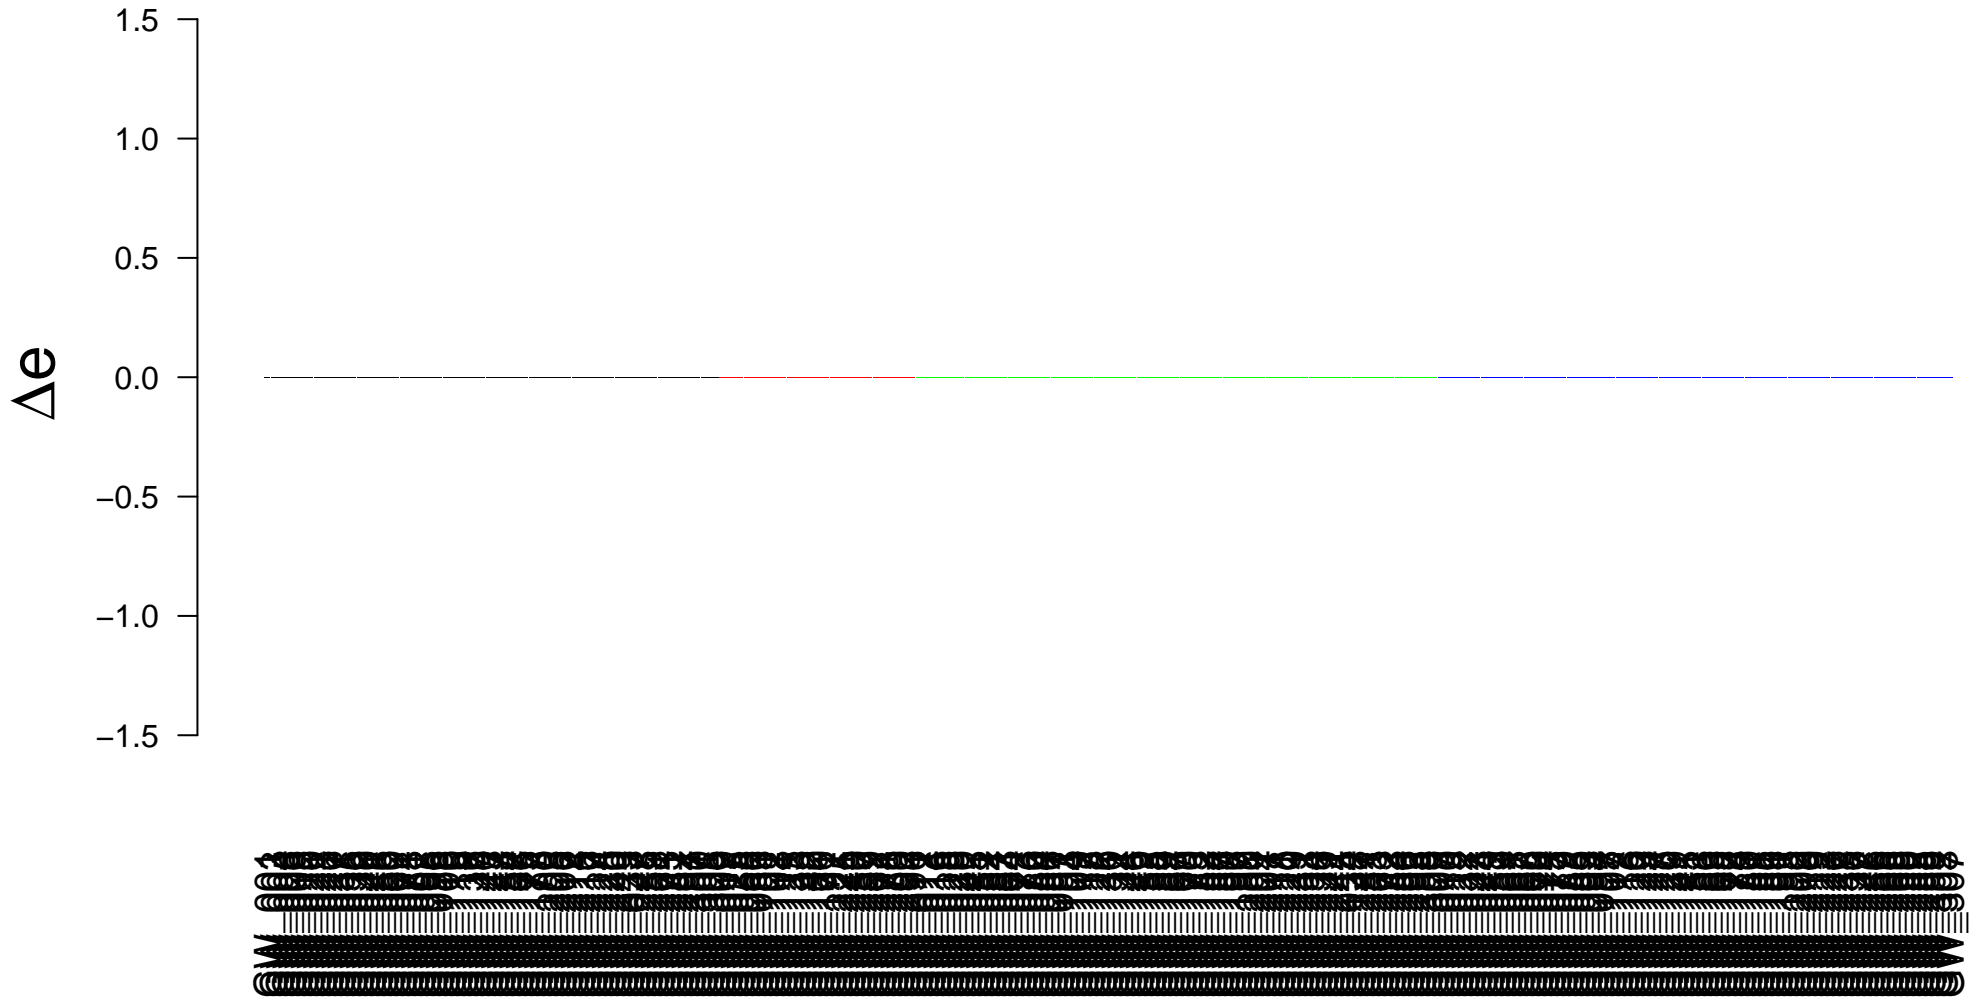

Expression of embryonic camera-type eye morphogenesis in Spot K

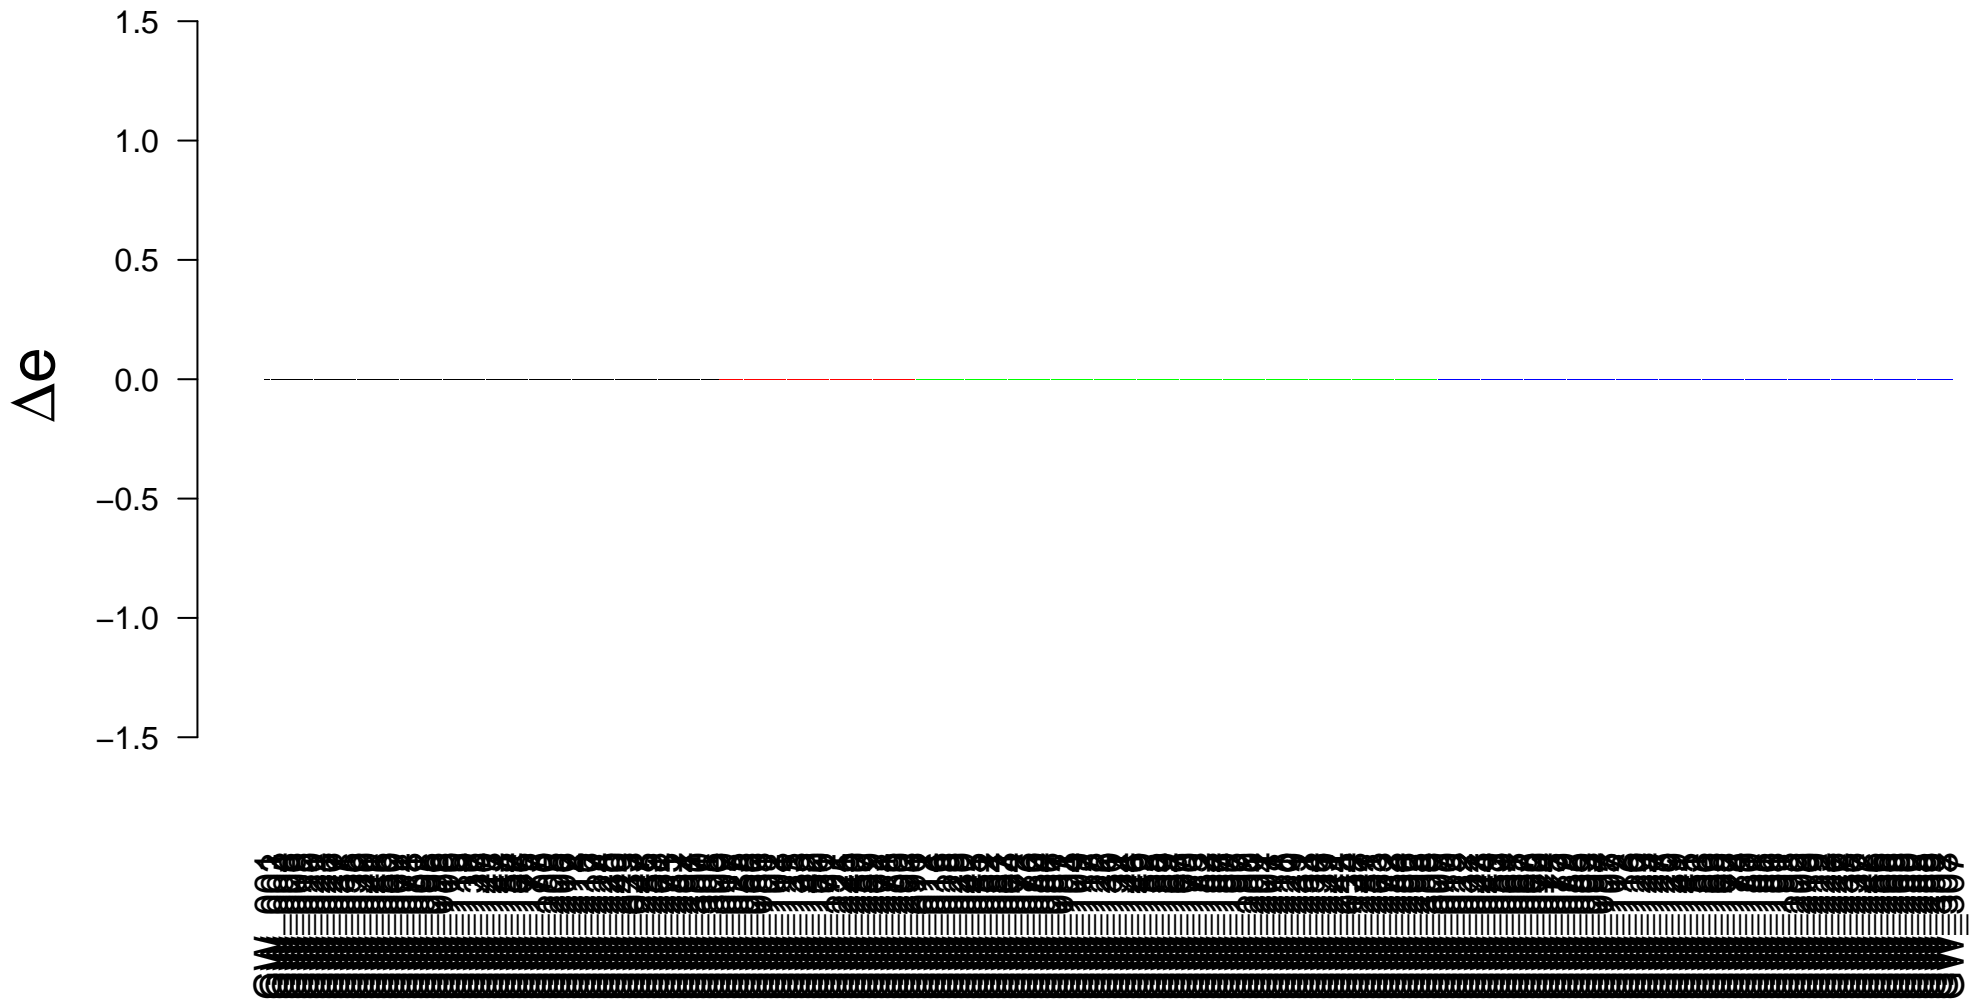

Expression of embryonic camera-type eye morphogenesis in Spot L

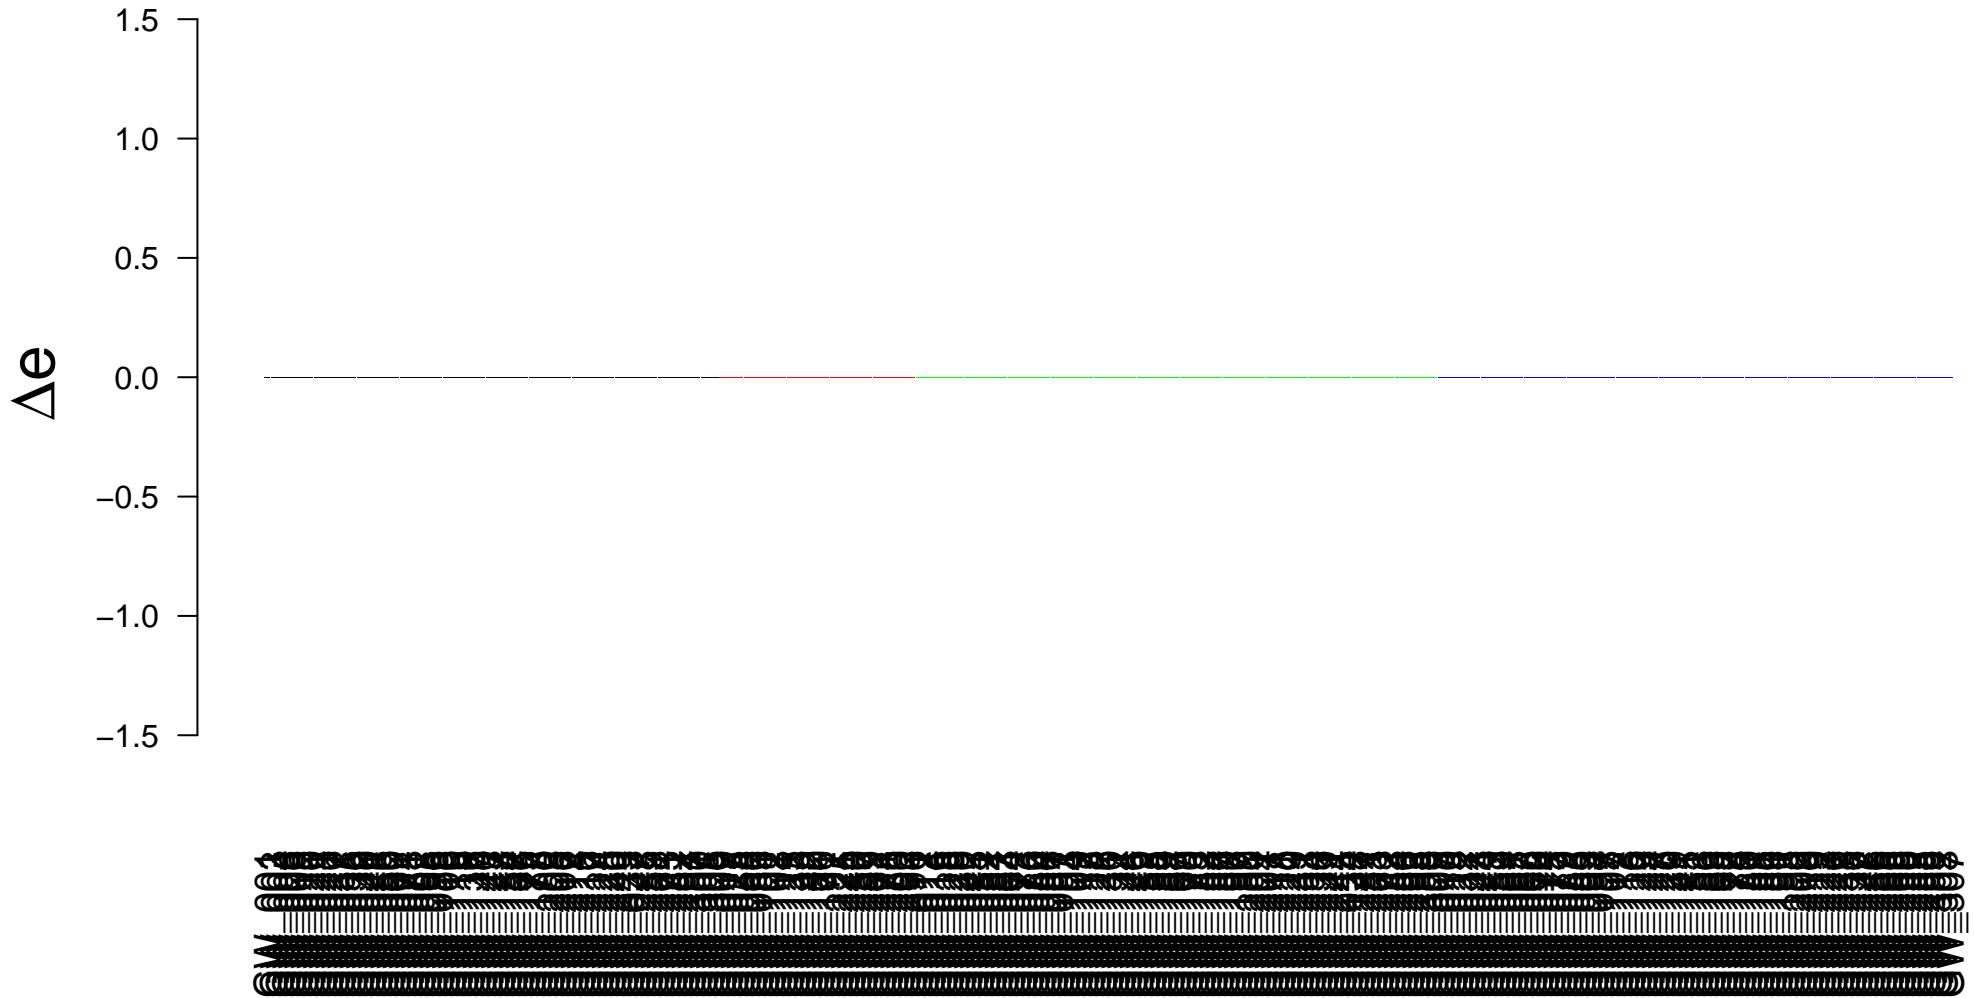

Expression of embryonic camera-type eye morphogenesis in Spot M

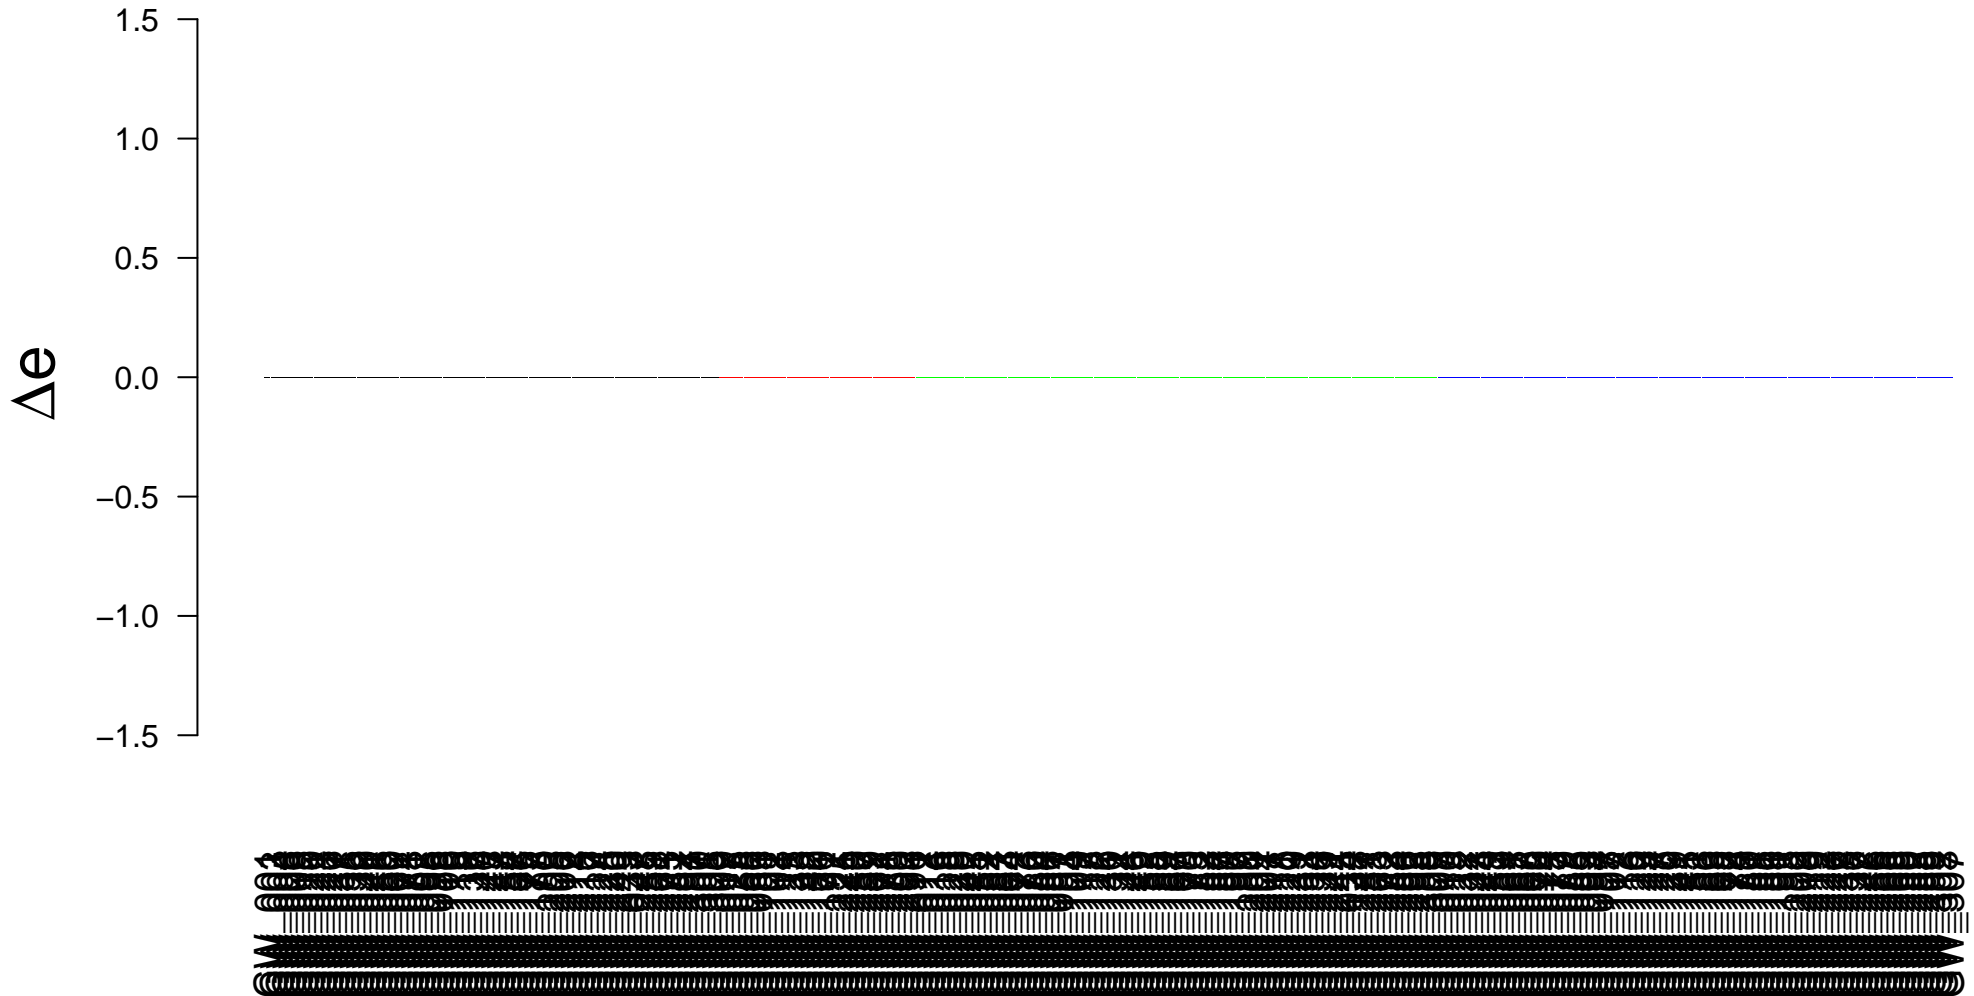

Expression of embryonic camera-type eye morphogenesis in Spot N

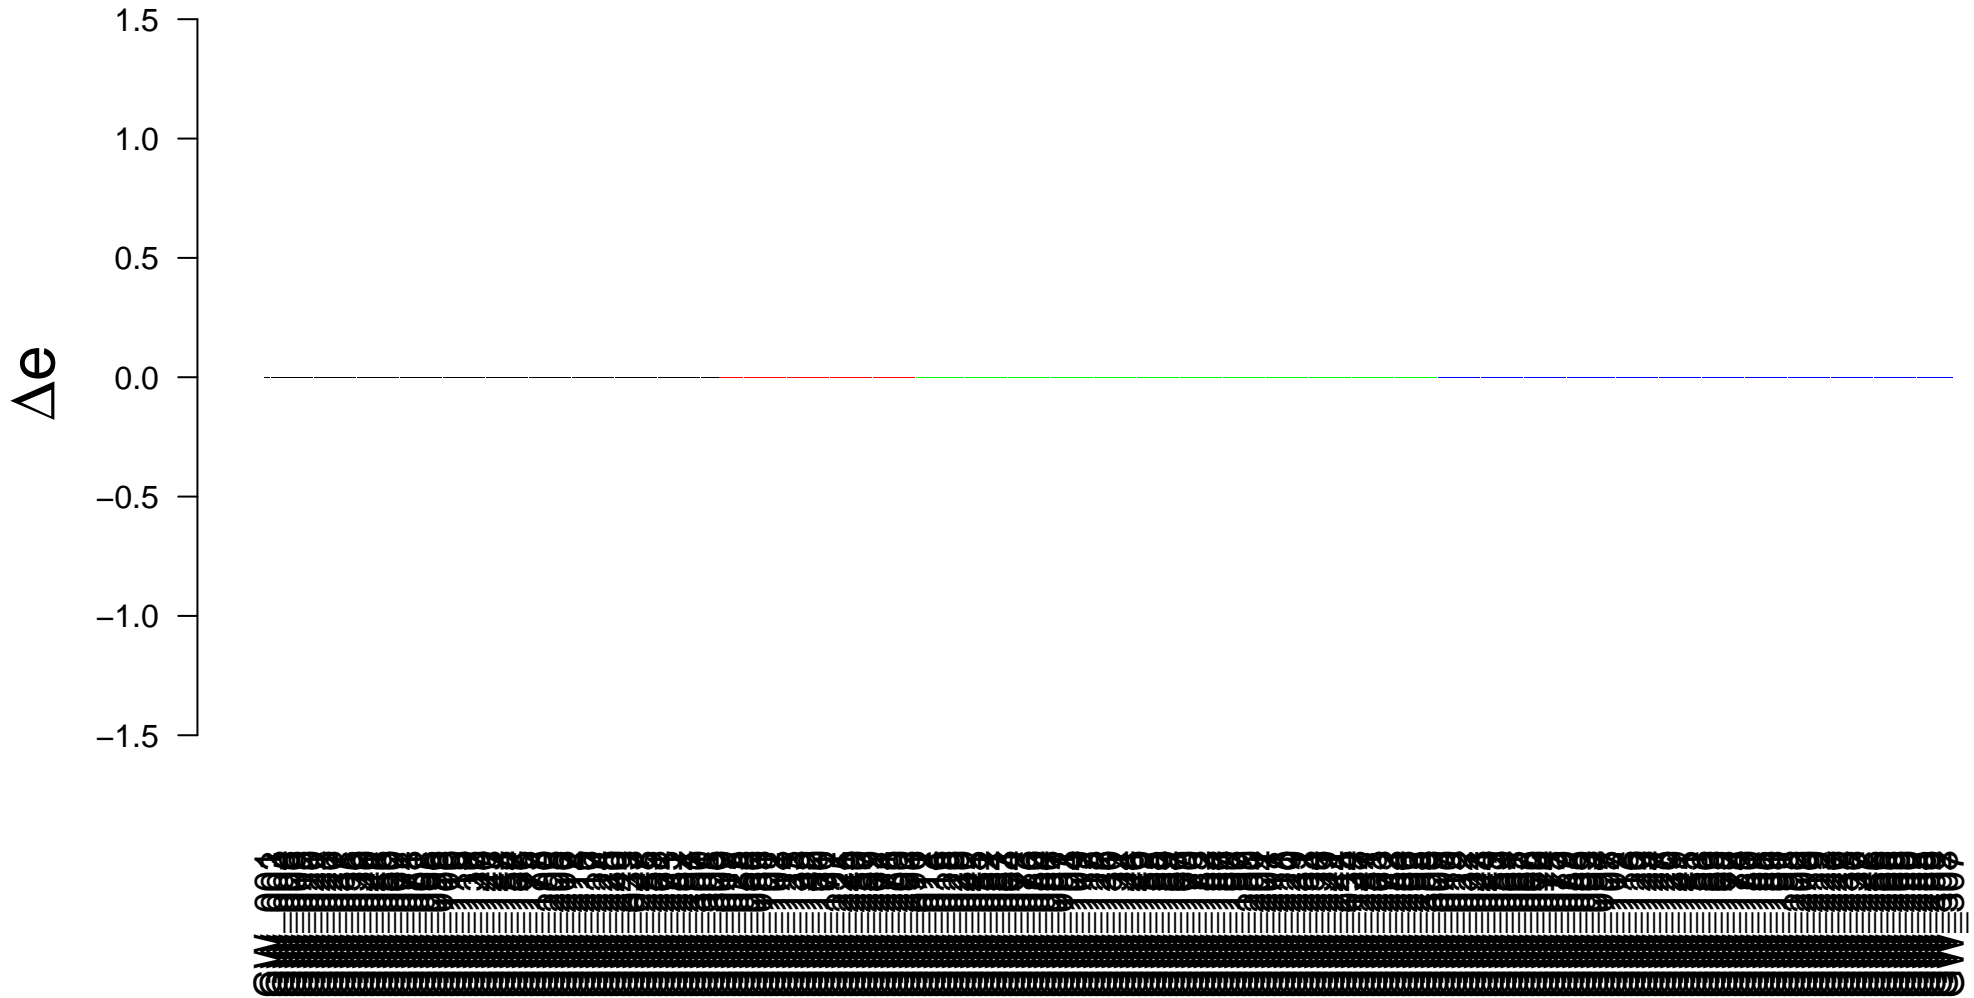

Expression of embryonic camera-type eye morphogenesis in Spot O

Expression of embryonic camera-type eye morphogenesis in Spot P

Expression of embryonic camera-type eye morphogenesis in Spot Q

Expression of embryonic camera-type eye morphogenesis in Spot R
