

embryonic skeletal system development

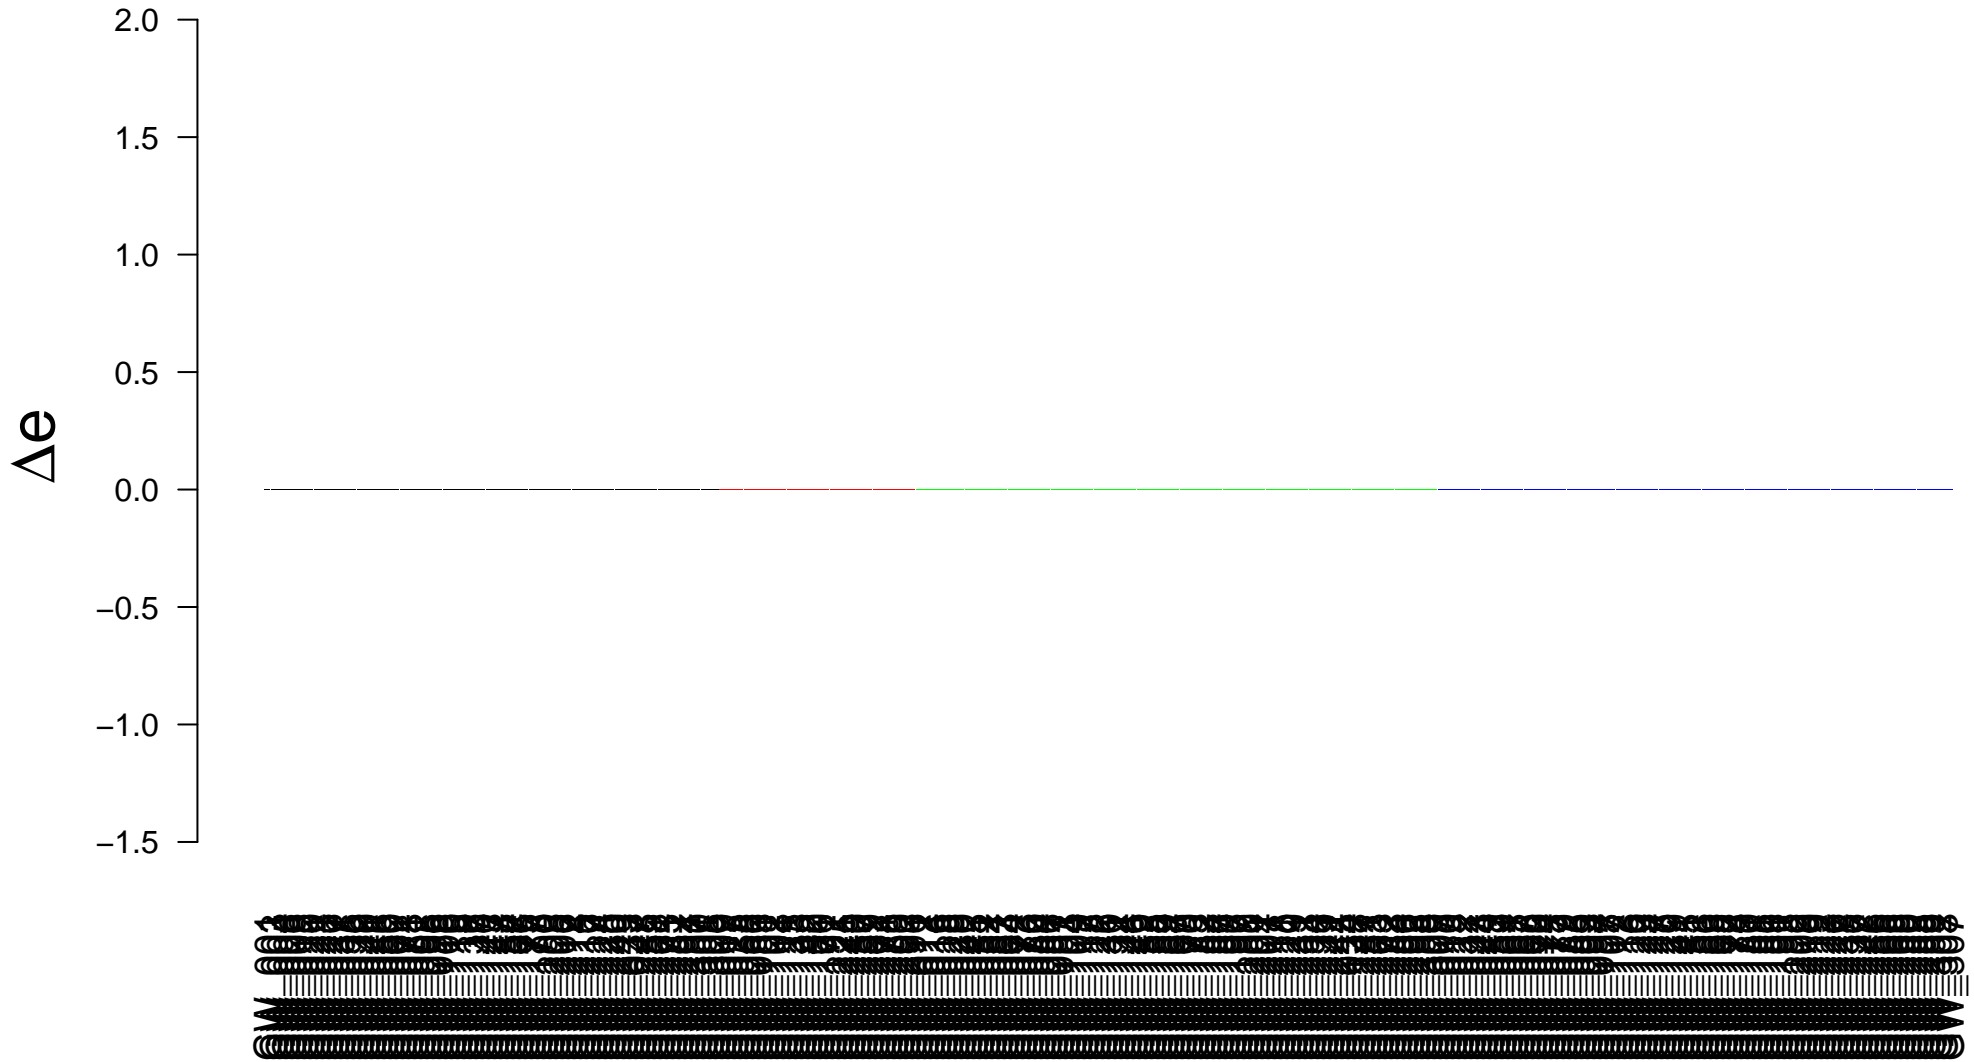

embryonic skeletal system development

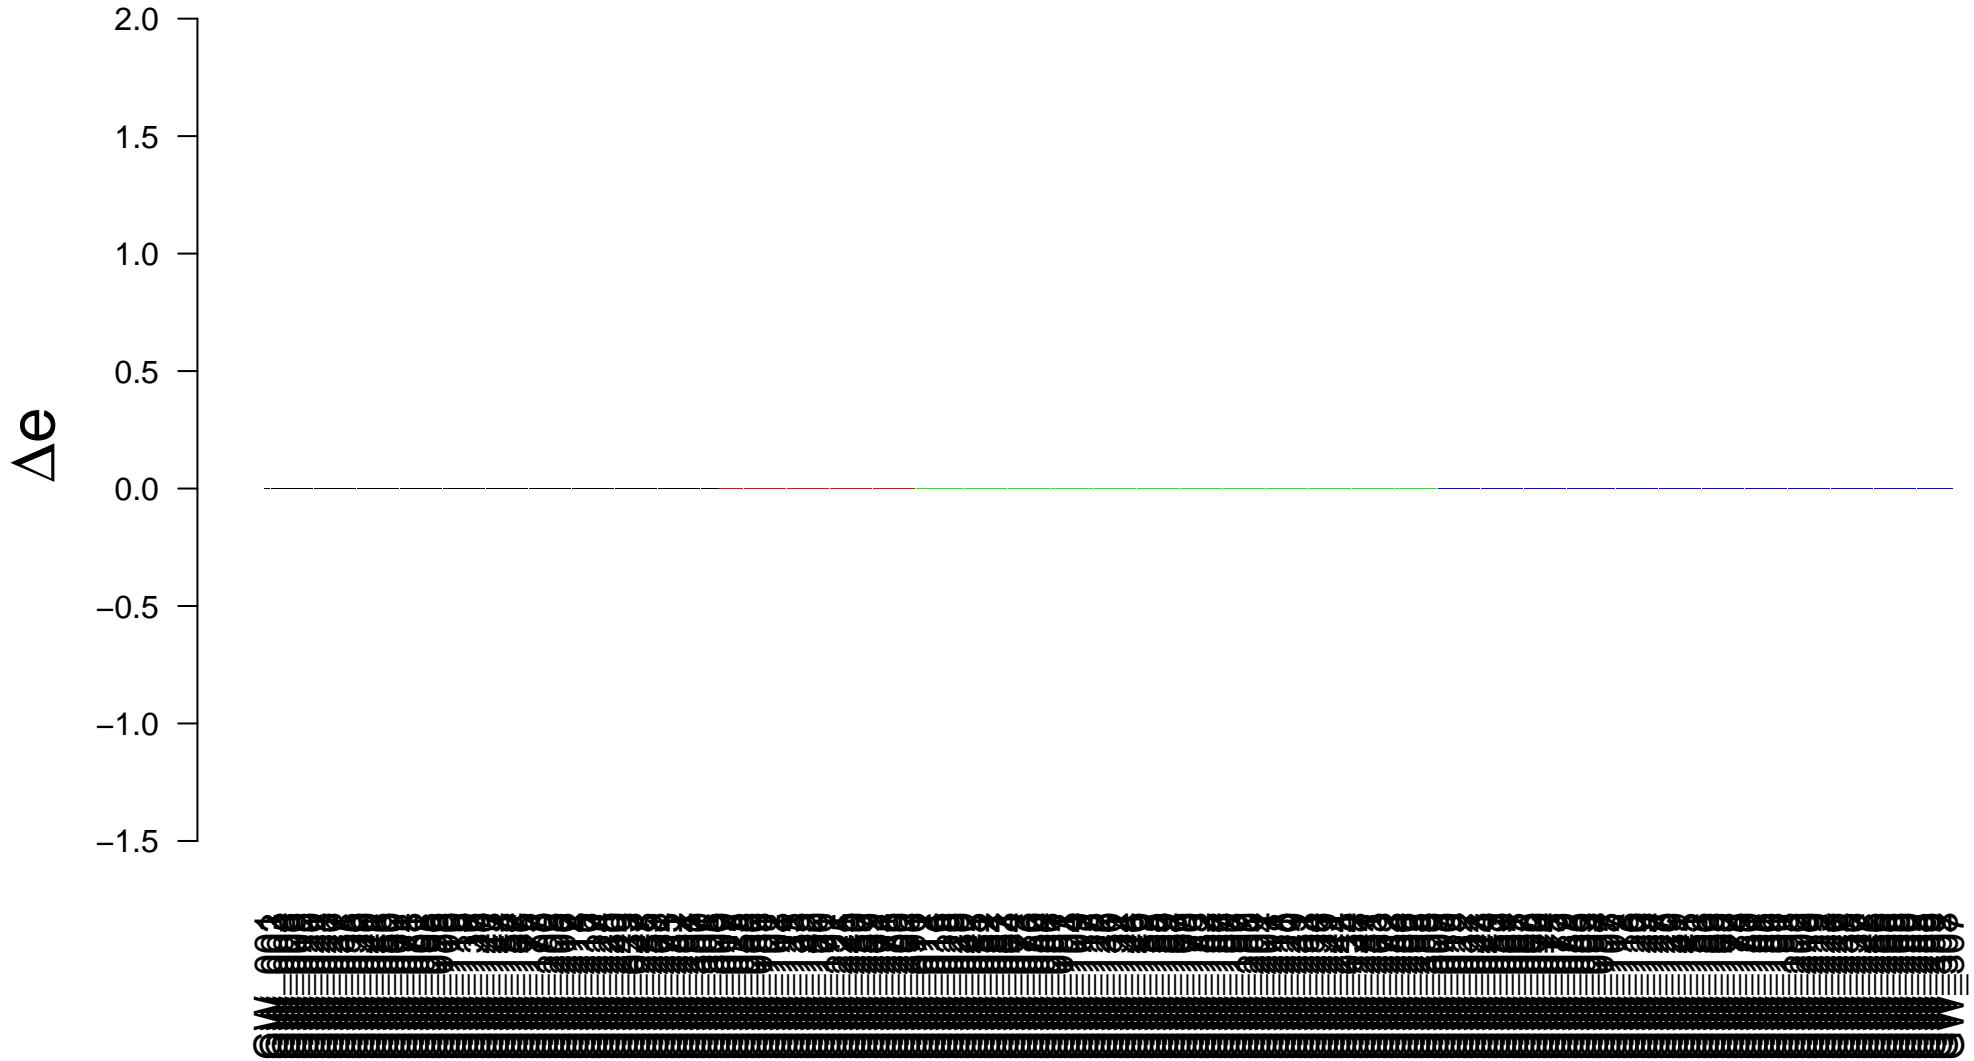

Enrichment in spots: embryonic skeletal system development

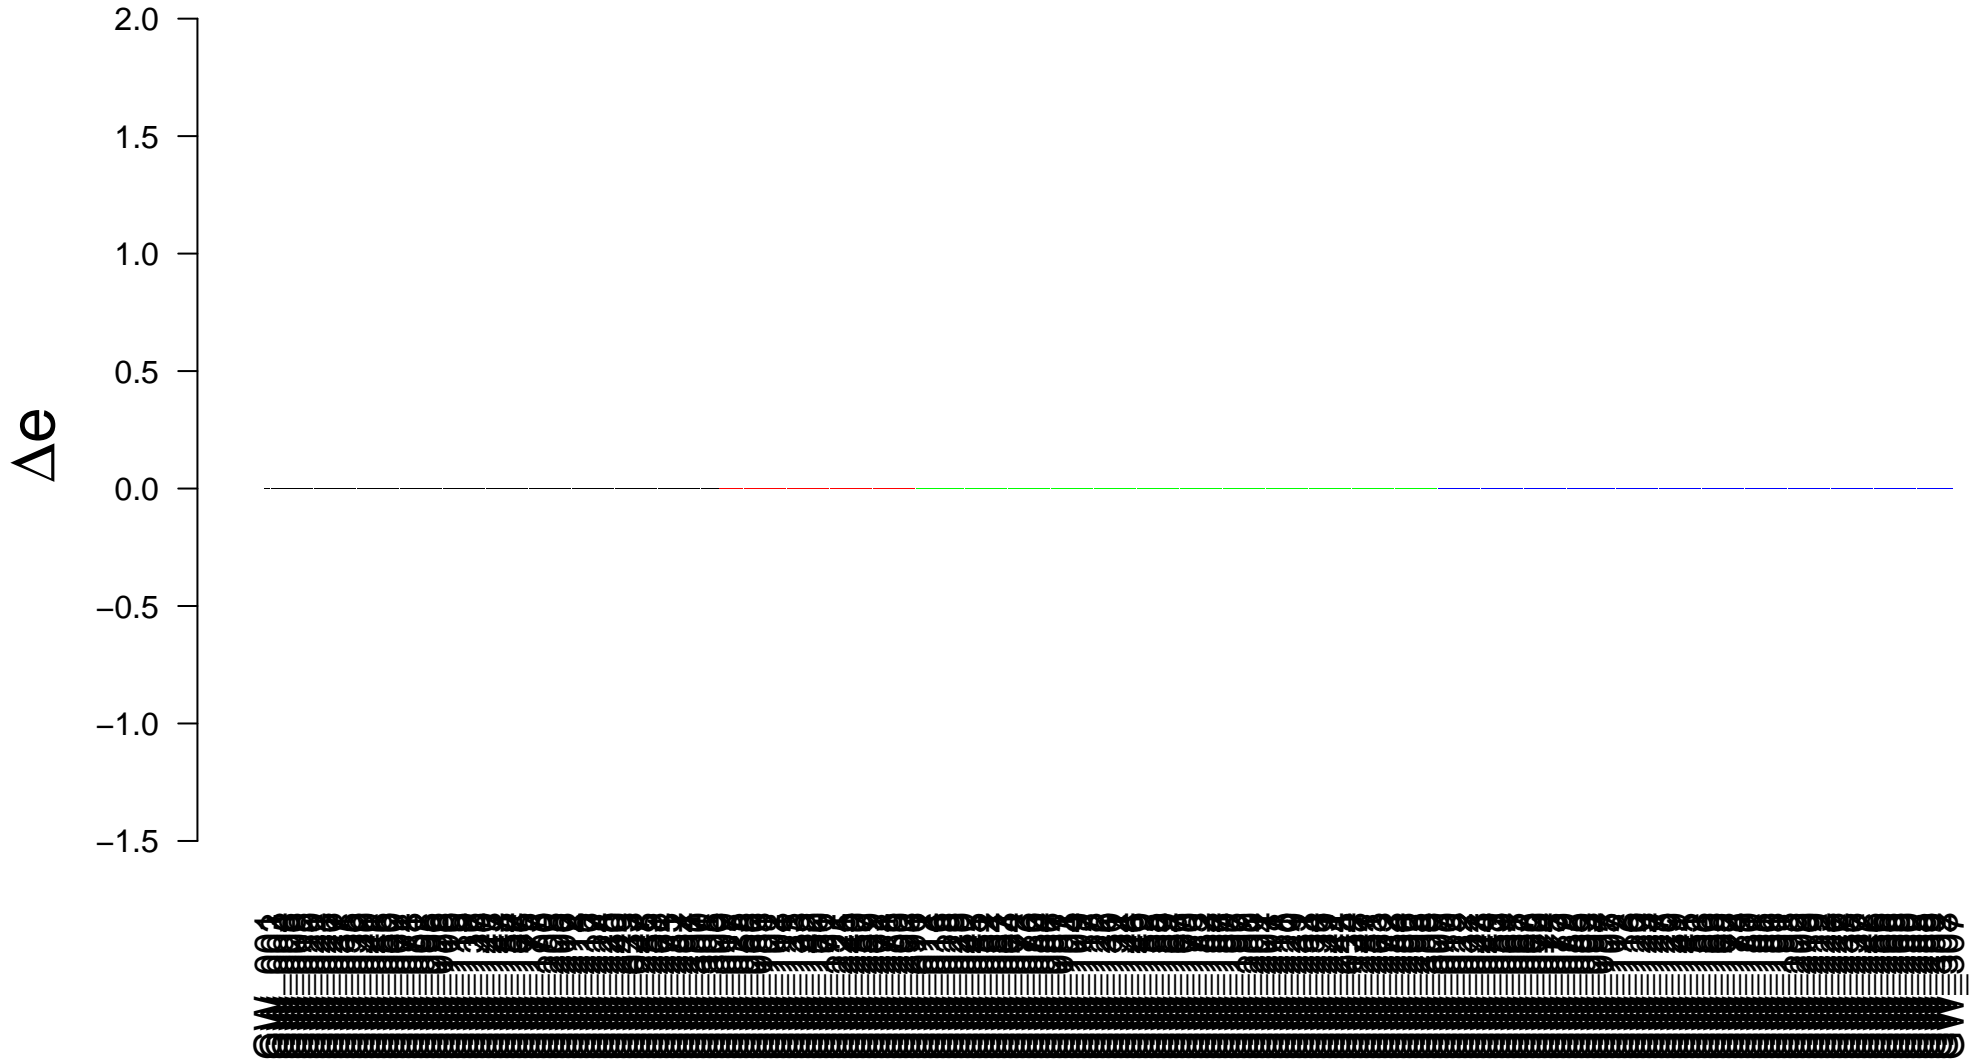

Expression of embryonic skeletal system development in Spot A

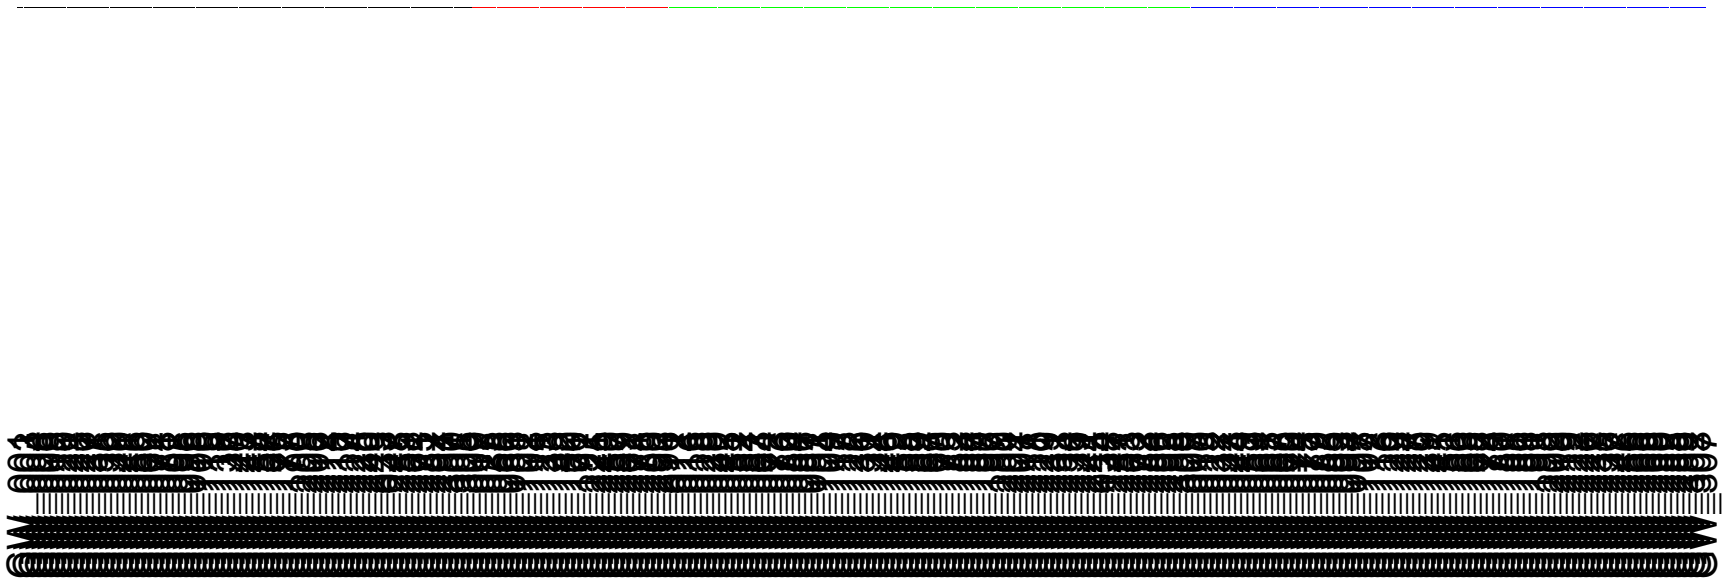

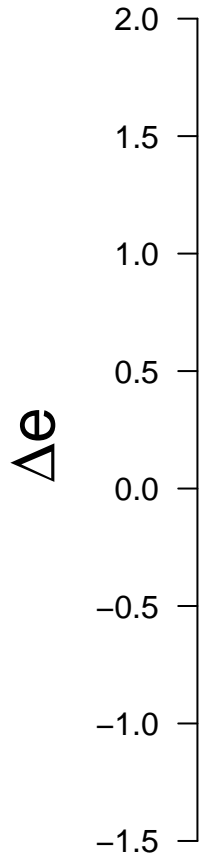

Expression of embryonic skeletal system development in Spot B

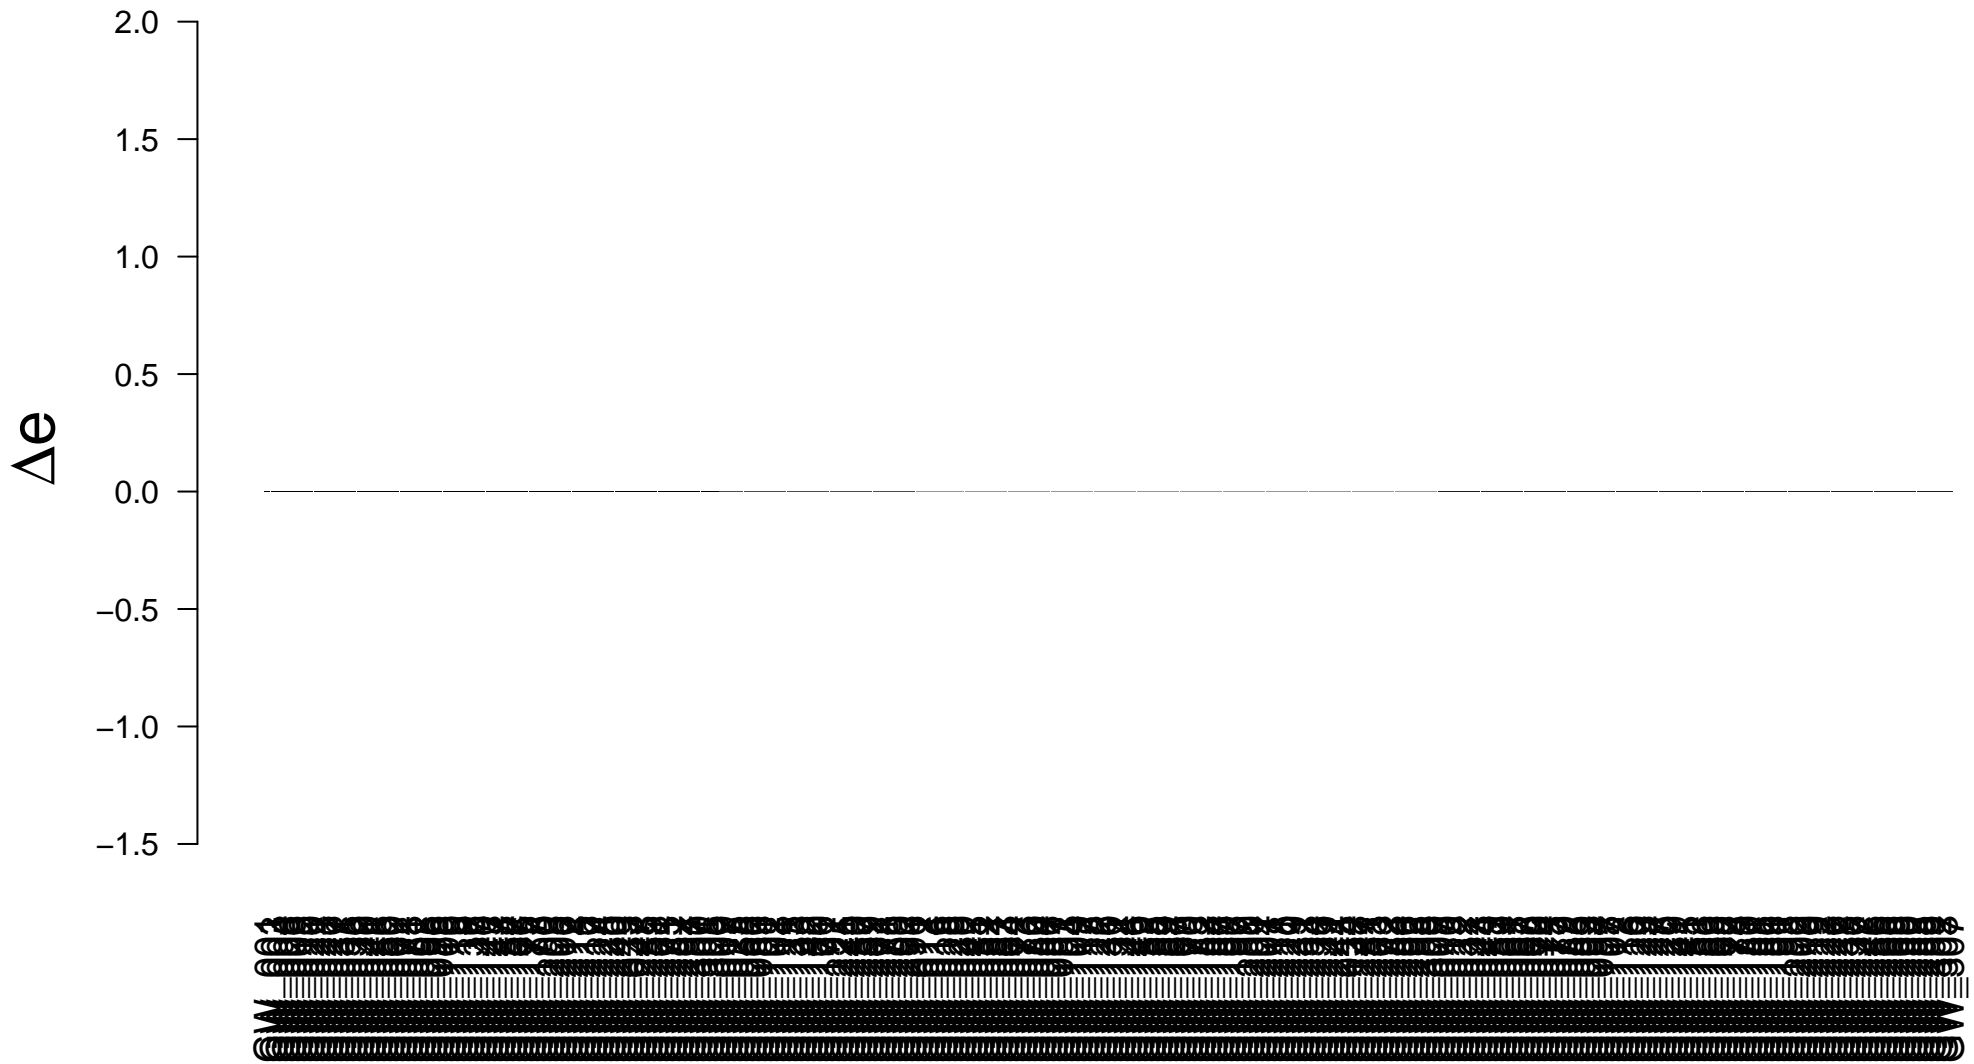

Expression of embryonic skeletal system development in Spot C

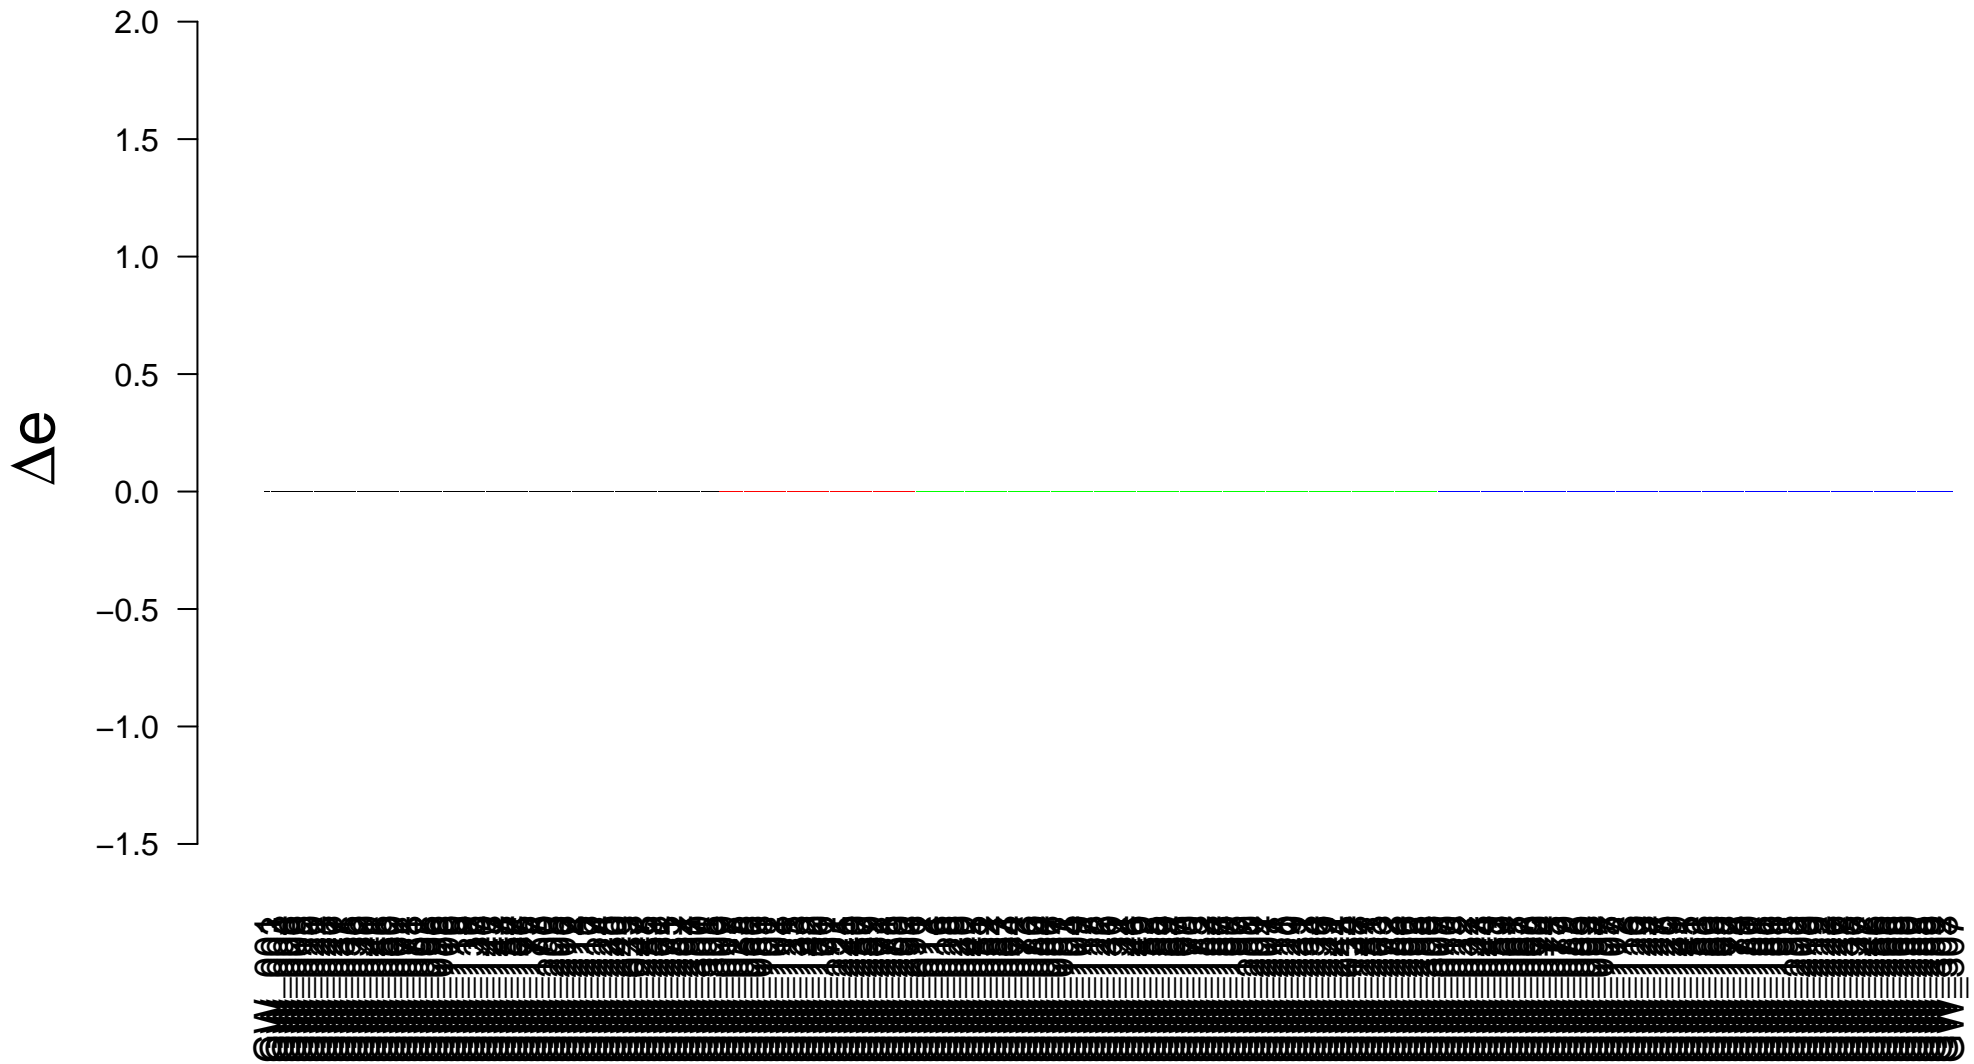

Expression of embryonic skeletal system development in Spot D

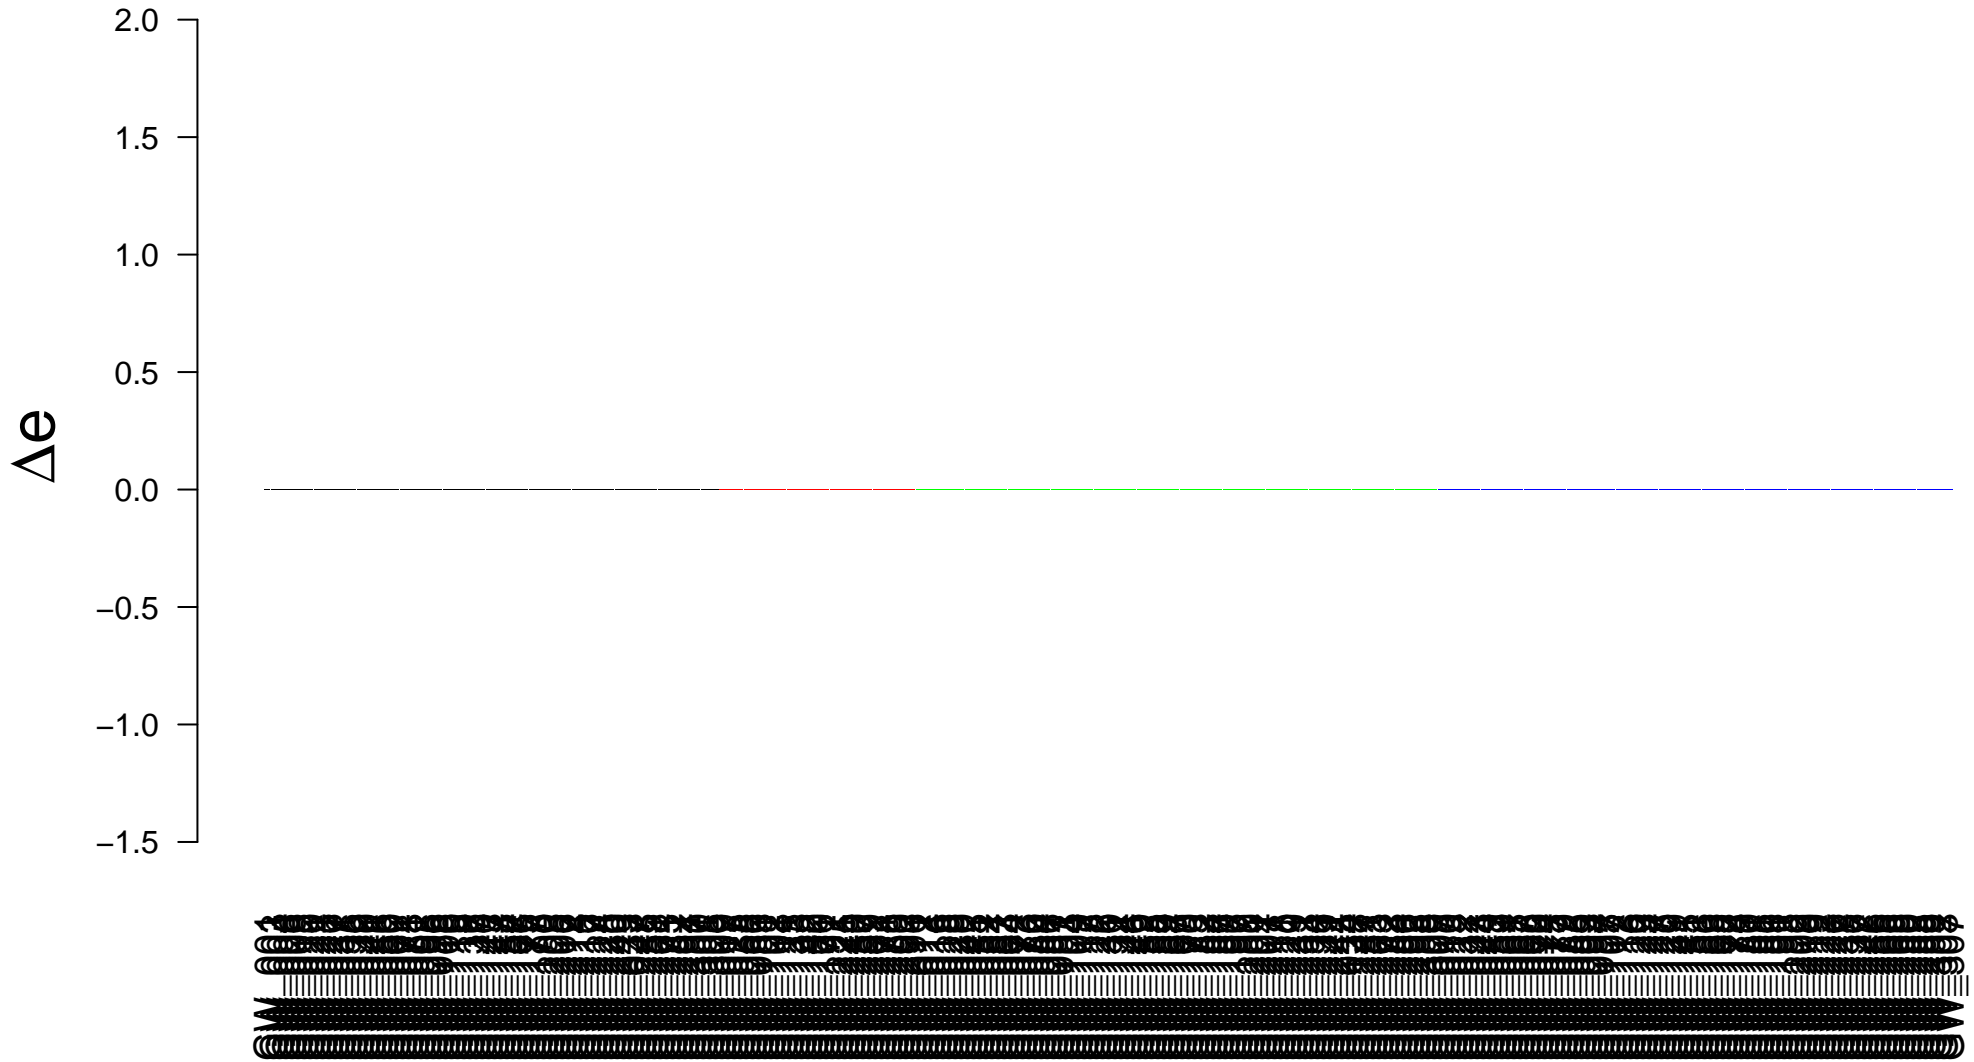

Expression of embryonic skeletal system development in Spot E

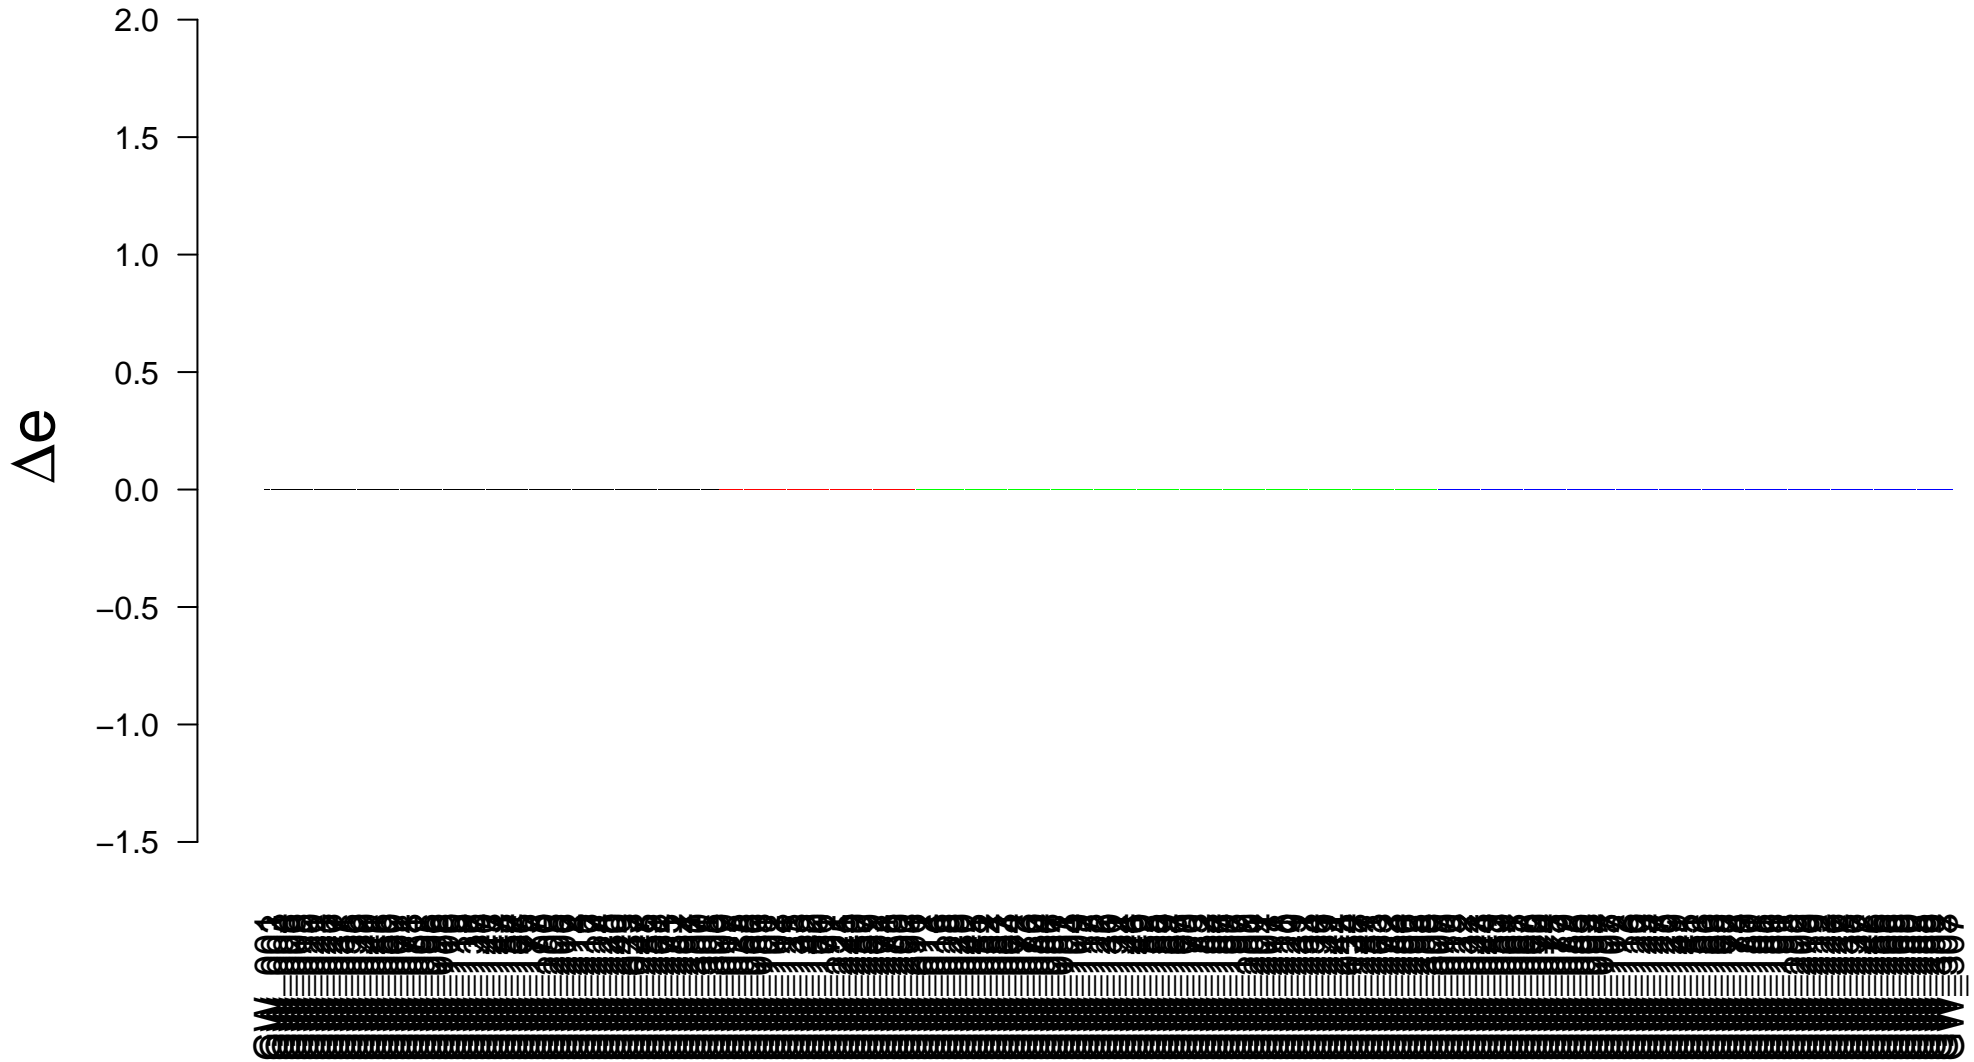

Expression of embryonic skeletal system development in Spot F

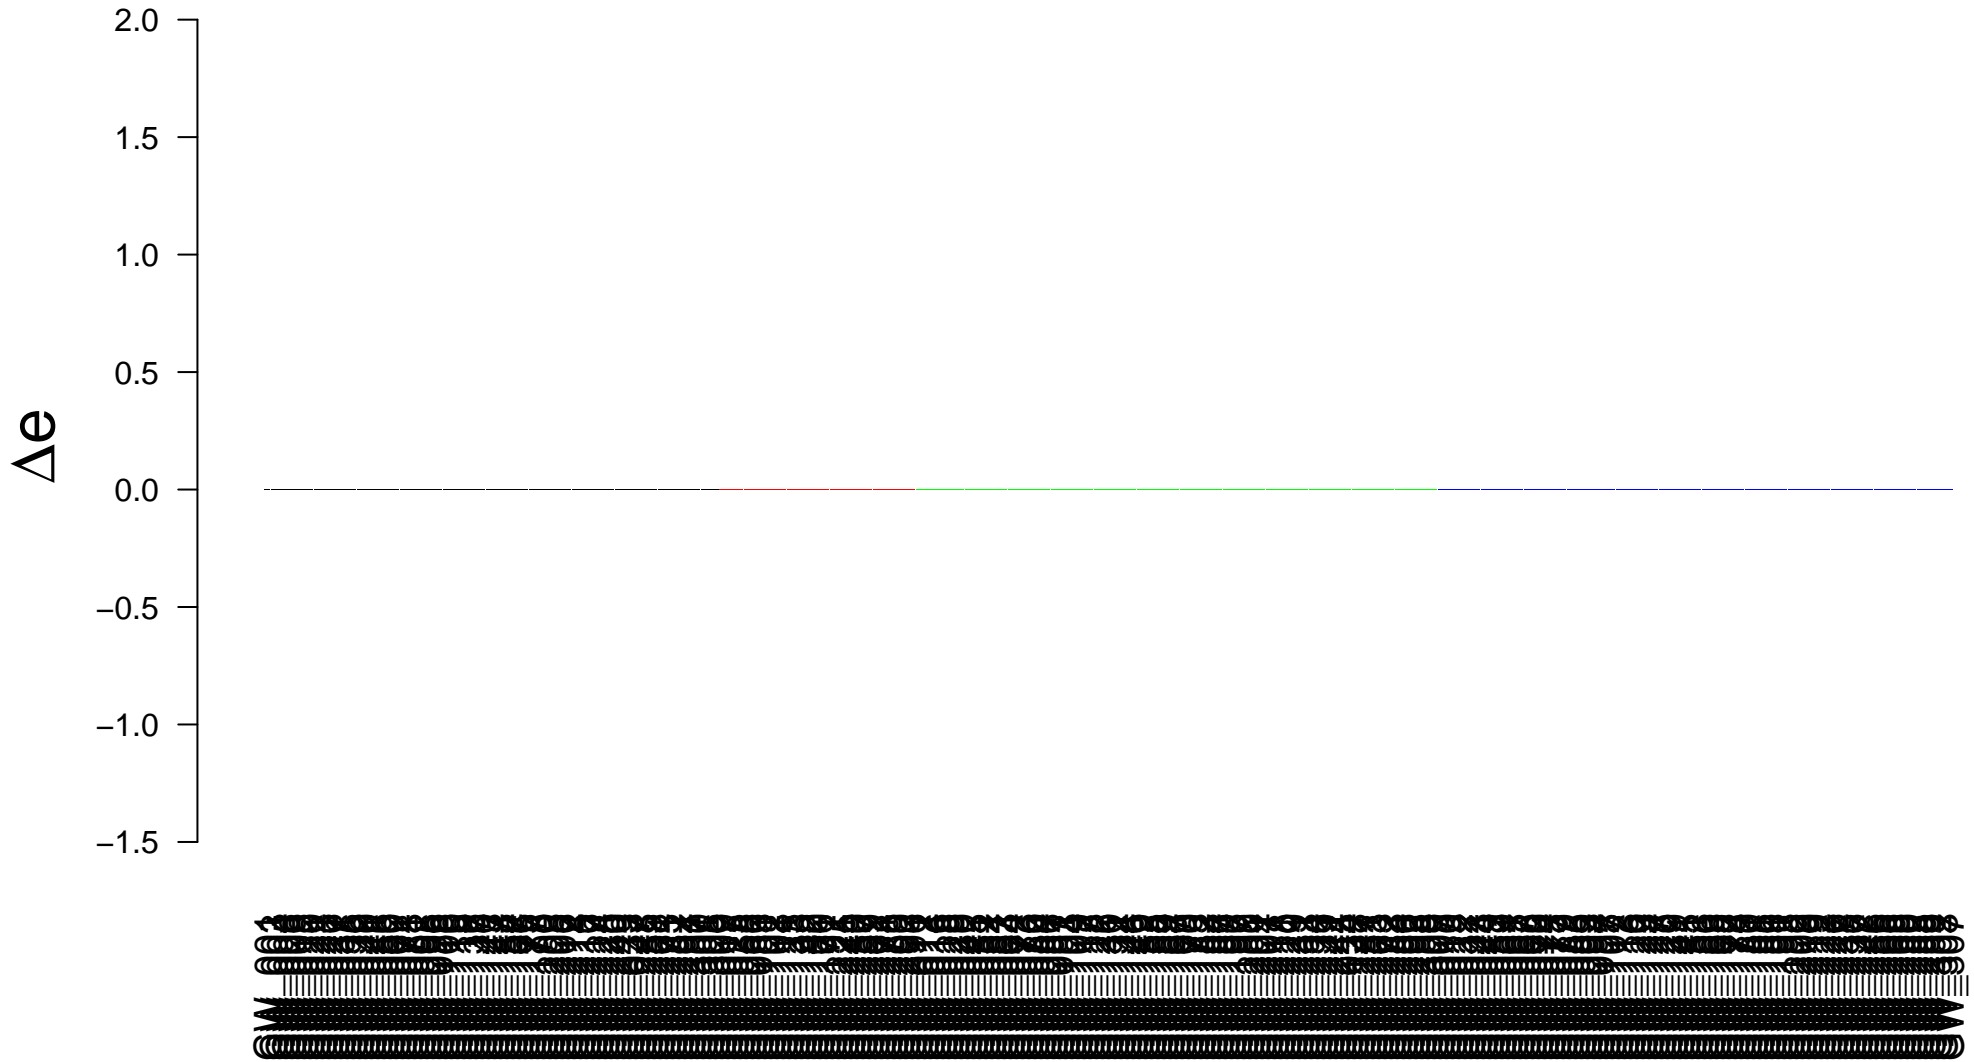

Expression of embryonic skeletal system development in Spot G

Expression of embryonic skeletal system development in Spot H

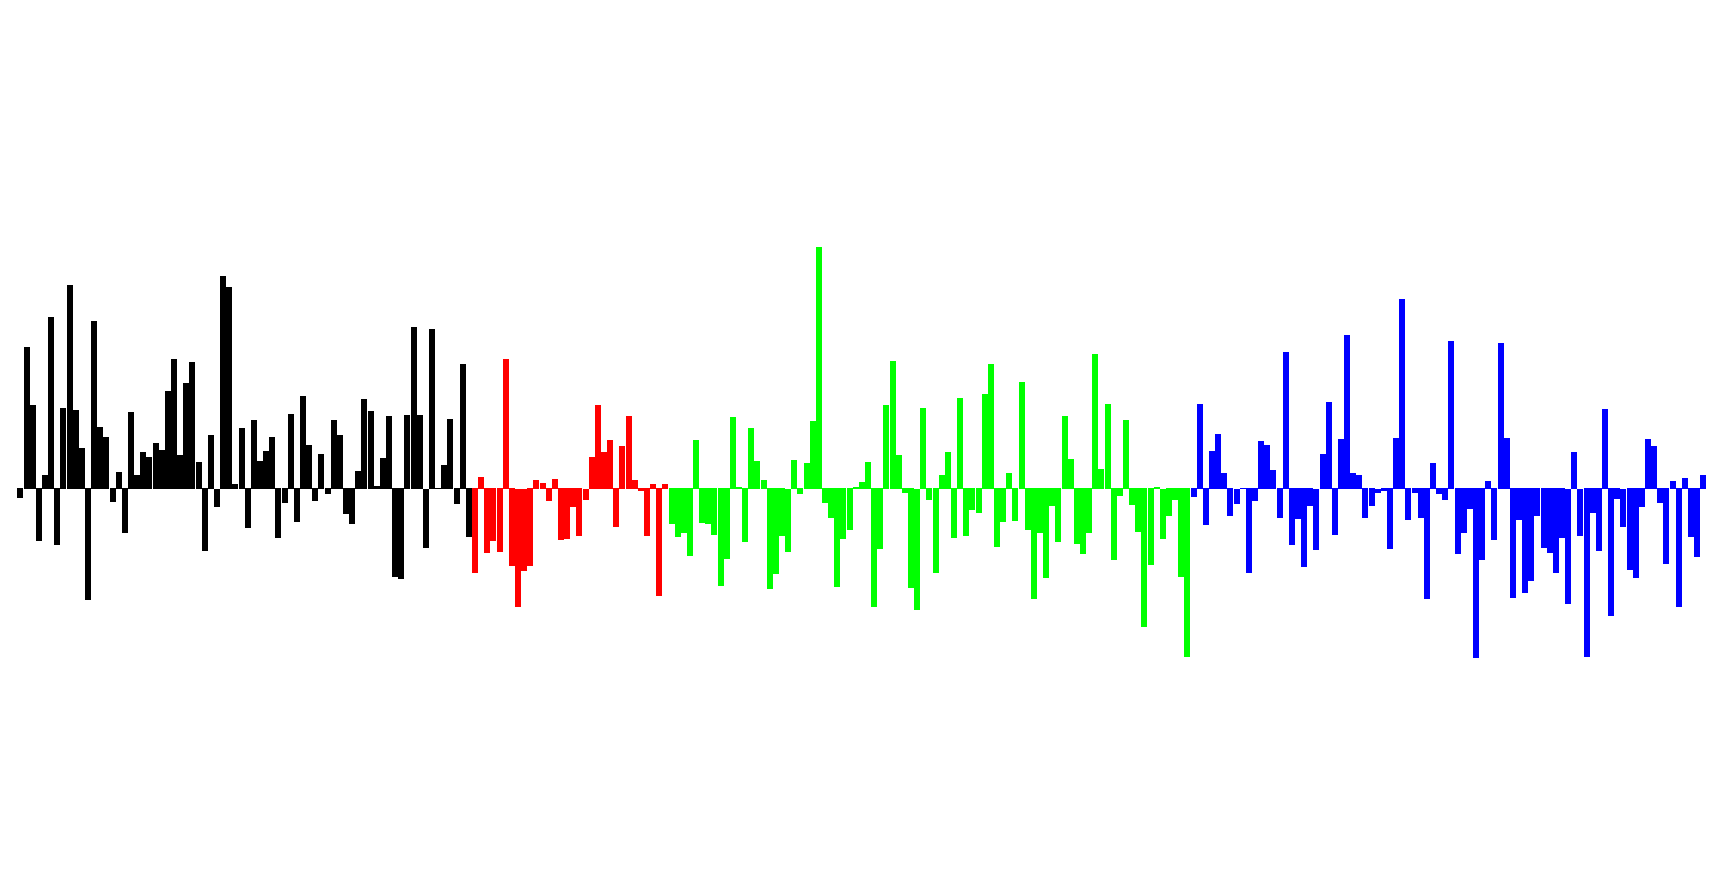

Expression of embryonic skeletal system development in Spot I

Expression of embryonic skeletal system development in Spot J
